The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

Name	*Address*	*State from Which They Obtained Certificates*
Richard Sprague Chamberlain	Wellesley Hills, Massachusetts	Massachusetts
Jack A. Cwaygel	Chicago, Illinois	District of Columbia
Norbert John Geniusz	Chicago, Illinois	South Dakota
Charles William Knapp, Jr.	West Hartford, Connecticut	New York
Roger Arden Kosloske	Freeport, Illinois	Wisconsin

CHESTER HERMAN RUWE	Lincoln, Nebraska	Nebraska
EDGAR HENRY STENN	Chicago, Illinois	District of Columbia
JOSEPH ELWOOD TANSILL	Evanston, Illinois	New York
HARRY UCHITEL	Chicago, Illinois	New York
JAMES RICHARD WHITFIELD	Chicago, Illinois	North Carolina

I concur.

On motion of Mr. Grange, these certificates were awarded.

APPOINTMENT TO BOARD OF EXAMINERS IN ACCOUNTANCY

(5) The Committee on Accountancy recommends the appointment of Mr. Charles D. McDaniel, C.P.A., a partner in the firm of Arthur Andersen and Company, 120 South LaSalle Street, Chicago, to the Board of Examiners in Accountancy for a period of three years beginning July 1, 1953. Mr. George R. Catlett was previously appointed to this three-year term, but it has become necessary for him to resign as a member of the Board because he is being transferred by his firm from Chicago to St. Louis, Missouri.

I concur.

On motion of Mr. Johnston, this appointment was approved.

APPOINTMENTS OF HEADS OF DEPARTMENTS IN THE COLLEGE OF COMMERCE AND BUSINESS ADMINISTRATION

(6) The Board of Trustees has authorized the reorganization of the Department of Business Organization and Operation into five separate departments. The Dean of the College now recommends the following appointments to the headships of these departments, effective September 1, 1953:

Cecil A. Moyer as Professor and Head of the Department of Accountancy, on indefinite tenure, at a salary of $9,400.

Arnold C. Condon as Associate Professor and Head of the Department of Business Education, on indefinite tenure, at a salary of $7,700.

Essel R. Dillavou as Professor and Head of the Department of Business Law, on indefinite tenure, at a salary of $9,500.

Merten J. Mandeville as Professor and Head of the Department of Management, on indefinite tenure, at a salary of $8,600.

Paul D. Converse as Professor and Head of the Department of Marketing, on indefinite tenure, at a salary of $10,000.

In each case the members of the faculty of professorial rank who will be in the new departments have been consulted as required by the University Statutes. The Executive Committee of the College has also been consulted and concurs in the Dean's recommendations.

I recommend approval of these appointments.

On motion of Mr. Nickell, these appointments were approved.

APPOINTMENTS TO THE FACULTY

(7) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. WILLIAM A. ALLEE, Assistant Professor of Business Education, in the Department of Business Education, College of Commerce and Business Administration, beginning September 1, 1953, at an annual salary of $5,000 (B).

2. JOHN W. BARNARD, Research Professor in the Department of Electrical Engineering, Engineering Experiment Station, beginning August 1, 1953, at an annual salary of $10,000 (DY).

3. JOHN B. HALL, Clinical Assistant Professor in the Department of Pediatrics, College of Medicine, beginning September 1, 1953, without salary (DY).

4. WERNER KÄNZIG, Research Assistant Professor of Physics, beginning October 1, 1953, at an annual salary of $5,700 (DY).

5. JOSEPH L. LASKER, Associate Professor of Art, beginning September 1, 1953, at an annual salary of $6,300 (D).

6. GILBERT LING, Assistant Professor of Neurophysiology, in the Department of Psychiatry, beginning June 15, 1953, at an annual salary of $6,000 (DY).

7. DONALD P. MORRIS, Professor of Psychiatry and Mental Health, and Psychiatrist, Health Services, beginning September 7, 1953, at an annual salary of $12,000 (AY80).

8. GEORGE A. SAXTON, JR., Director of the Respirator Unit, with the rank of Associate Professor, in the Department of Medicine, beginning July 8, 1953, at an annual salary of $10,500 (DY).

9. EDWARD W. SCHWARZ, Assistant Professor of Electrical Engineering, beginning September 1, 1953, at an annual salary of $5,000 (B).

10. DAVID WEI-CHI SHEN, Assistant Professor of Electrical Engineering, beginning December 1, 1953, at an annual salary of $5,500 (DY).

11. DONALD E. STROUT, Associate Professor of Library Science, beginning September 1, 1953, at an annual salary of $6,200 (B).

On motion of Mr. Herrick, these appointments were confirmed.

APPOINTMENTS TO PROFESSIONAL ADVISORY COMMITTEE OF THE DIVISION OF SERVICES FOR CRIPPLED CHILDREN

(8) The Division of Services for Crippled Children has a Professional Advisory Committee appointed by the Board of Trustees. The present Committee was appointed to serve from January 1, 1951, through June 30, 1953, so that appointments would coincide with the fiscal biennium. The Director of the Division recommends the following reappointments and new appointments for a two-year term beginning July 1, 1953.

I concur.

On motion of Mr. Nickell, these appointments were approved.

PUBLICATION OF DOCTORAL THESES

(9) The Executive Faculty of the Graduate College recommends that publication of dissertations by candidates for the doctorate be no longer required but that all theses be microfilmed. The cost to each candidate will be $30. This will replace the present $35 fee and will also cover the publication of an abstract of six hundred words. Candidates may publish abstracts of more than six hundred words and secure additional reprints upon payment of a higher fee.

I concur in the recommendation of the Graduate College Faculty and recommend further that the fee of $30 be authorized and that the College be responsible for assessing any optional costs over and above this basic fee.

On motion of Mr. Megran, this recommendation was approved.

CONTINUATION PROGRAM IN NURSING FEES

(10) The Acting Director of the School of Nursing and the Committee on Fees and Scholarships recommend that, effective September 1, 1953, students enrolled in the Continuation Program in Nursing in the School of Nursing at the Chicago Professional Colleges be assessed fees as follows:

	Residents	*Nonresidents*
First quarter (full time)		
Tuition	$34 00	$107 00
Laboratory	10 00	10 00
Union Building	3 50	3 50
Second quarter (one-half of quarter)		
Tuition	17 00	53 50
Laboratory	5 00	5 00
Union Building	3 50	3 50

I concur.

On motion of Mr. Bissell, these fees were authorized.

TERMINATION OF FACULTY SERVICE CHARGE PAYMENTS TO THE UNION BUILDINGS

(11) Since 1943 the University has been making payments from its general funds to the Illini Union Building at Urbana and to the Chicago Illini Union Building income accounts of annual amounts equal to the income which would be paid in service charges by members of the staff if they were assessed the same charges as are students. The original plan provided for voluntary payments of the service charge by staff members. The assumption of these payments by the University was necessary because the financial situation of the buildings, and particularly the Illini Union at Urbana, was adversely affected during World War II by the decrease in enrollment.

During 1952-1953, the amounts budgeted for these payments were $96,050 at Urbana and $24,556 at Chicago.

The proposed budget for 1953-1954 includes increased appropriations to pay for the use of space in the Union Buildings by University offices, putting this payment on a business basis. With additional payment for University use of space and elimination of the debt service charges, the savings resulting from prepayment of the bonds outstanding (this is being recommended separately) and other operating adjustments, the Unions can operate on reduced income.

The proposed operating budget of the University for 1953-1954 has necessitated reductions in funds for existing programs, one of them being this payment of the service charges by the University. I recommend that these payments be discontinued and that the authority to make them granted by the Board on August 31, 1943, be terminated.

On motion of Mr. Johnston, this recommendation was approved.

PREPAYMENT OF THE ILLINI UNION BUILDING REVENUE BONDS

(12) On September 26, 1947, the Board of Trustees authorized the issuance of revenue bonds in the principal amount of $425,000 for the purpose of procuring funds necessary for the termination of the trust then existing between the University of Illinois Foundation and the Board of Trustees of the University of Illinois, and to reacquire the interest in the Illini Union Building conveyed to said Foundation pursuant to said trust.

These bonds were designated "Illini Union Building Revenue Bonds," were numbered 1 to 425, inclusive, were of the denomination of $1,000 each, were dated October 1, 1947, bonds numbered 1 to 395, inclusive, were to bear interest at the rate of one and one-half per cent per annum, and bonds numbered 396 to 425, inclusive, were to bear interest at the rate of one and three-fourths per cent per annum, with interest payable April 1, 1948, and semi-annually thereafter on the first day of April and October (including October 1, 1948) in each year, and the bonds were to become due serially, maturing on October 1 of each year, beginning with October 1, 1948, up to and including October 1, 1957.

The Resolution and the bonds provide that bonds numbered 286 to 425, inclusive, are redeemable as a whole at the option of the Board of Trustees of the University of Illinois on and after October 1, 1953, and prior to maturity, at par and accrued interest and a premium of one per cent of the principal amount thereof, and that notice of redemption shall be published once not less than thirty days prior to the date of redemption.

The principal amounts of the bonds outstanding is $185,000. Of these, the principal amount maturing on October 1, 1953, is $45,000. The principal amount subject to call and redemption upon said date is $140,000.

Funds on deposit with the depository, plus funds available in the accumulated earnings of the Illini Union Building and the Illini Union Bookstore, are adequate to prepay these bonds. This will eliminate debt service payments of approximately $50,000 each year and will effect a substantial saving in interest payments.

The Director of the Physical Plant Department and the Comptroller recommend that in addition to paying the bonds maturing on October 1, 1953, the Board exercise its option and call all the other Illini Union Building Revenue Bonds for redemption and payment in accordance with the provisions of said resolution and said bonds and that October 1, 1953, be specified as the redemption date.

I concur in this recommendation and request that the Comptroller and the Secretary of the Board be authorized to take such action on behalf of the Board as may be necessary to effectuate such call, redemption, payments, and cancellation of these bonds.

On motion of Mr. Megran, this recommendation was approved and authority was given as recommended. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stratton.

APPROPRIATIONS FOR BUILDINGS AND OTHER PERMANENT IMPROVEMENTS

(13) The Sixty-eighth General Assembly of Illinois has appropriated funds for the following buildings and permanent improvements:

In Senate Bill 433

"For construction of a Home Economics Building, with fixed equipment installed, including plans and specifications, extension of utilities to the building, and all other necessary costs and charges incident to the completion of the work	$3 850 000
"For construction of a Law Building, with fixed equipment installed, including plans and specifications, extension of utilities to the building and all necessary costs and charges incident to the completion of the work	2 300 000
"For addition to Power and Heating Plant, including plans and specifications and fixed equipment	850 000
"For equipment for the Law Building and Home Economics Building	140 000
"For contingencies to cover expenditures for purposes for which the amount in any of the above items enumerated is, or becomes, insufficient	370 000"

In House Bill 469

"For constructing and equipping a Large Animal Clinic for the College of Veterinary Medicine of the University of Illinois, including plans and specifications, extension of utilities to the building, and all other necessary costs and charges incident to the completion of the work	$ 586 000"

The President of the University recommends that these funds be appropriated for the purposes indicated. Recommendations for the award of contracts to be paid from these appropriations will be submitted in accordance with the usual procedure.

On motion of Mrs. Holt, these funds were appropriated as recommended. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stratton.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(14) The Committee on Nonrecurring Appropriations recommends assignments of funds from the General Reserve as follows:

1. School of Physical Education, improvement of Student Rehabilitation Center	$ 17 600
2. University High School, improvement of lighting in the north and south attics and in the gymnasium of the University High School Building	6 530
3. University High School, remodeling and equipment in the University High School Building	13 200
4. Department of Zoology, remodeling in the Vivarium	3 500
5. College of Engineering, fire protection in the Betatron Building	8 600
6. College of Engineering, remodeling in the Electrical Engineering Annex Building to provide facilities for research in ultrasound in biology	15 000
7. Radiocarbon Laboratory, building alterations in Davenport Hall and permanent laboratory equipment	16 850
8. Institute of Aviation, purchase and erection of a Quonset building for the aircraft maintenance curriculum	16 500
9. Chicago Undergraduate Division, remodeling of quarters and equipment for the Departments of Biology and Geography	22 240
10. Physical Plant Department, painting and decorating at the Chicago Professional Colleges and the Chicago Undergraduate Division	6 817
Total	$126 837

I concur.

On motion of Mr. Grange, these appropriations were made by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stratton.

APPROPRIATION FOR MOVING OF UNIVERSITY HEALTH CENTER AND IMPROVEMENT OF FACILITIES

(15) The Director of Health Services has been making a thorough study of program and facilities of this division in Urbana-Champaign. It is desirable to make the services of the division more beneficial to both the student body and staff. To that end the Director recommends that the headquarters for the Health Services be moved from the present location in Davenport House on Wright Street to the McKinley Hospital.

The present Health Services location is poorly suited to its purpose. At the same time, McKinley Hospital is expensive to operate in view of its low daily census average. By combining the two facilities we can assure greater efficiency and considerable economy. The large volume of service performed daily by the Health Center will guarantee a fuller utilization of the hospital building.

The advantages of such a move may be summarized as follows:

1. Better physical facilities in which to work.
2. A larger and more efficient clinic for ambulatory care.
3. Referral of patients (injured or very ill) to the Hospital for admission without leaving the building. Also, X-rays, treatments, casts, etc., can be provided more readily.
4. Improvement of services in X-ray and medical therapy.
5. A better performance of mass physical examinations.
6. A reduction in the purchase of expensive equipment badly needed both at the Hospital and Health Center; the combined facility will eliminate much duplication.
7. Avoidance of duplication in personnel.

There are some disadvantages, the chief one being the reduction of bed capacity by forty-four beds on the first floor of the Hospital. However, this would leave seventy beds upstairs together with ten beds for student orderlies on the third floor. In case of epidemics at least thirty to forty beds could be added for emergency expansion. During the height of the "flu" epidemic last winter our census was only 110. We could, therefore, weather another such emergency with the beds that would be available.

The cost of moving and making adjustments is estimated at $10,877. In addition the sum of $1,777 is needed for additional technical equipment, and $1,815 for office equipment, including replacements.

I concur and recommend a special appropriation of $14,469 to cover moving and equipment.

With the concurrence of the other Trustees, the President of the Board referred these recommendations to the Committee on Student Welfare and Activities for consideration and report back to the Board.

APPROPRIATION AND CONTRACTS FOR CONSTRUCTION OF ADDITION TO HORTICULTURE FIELD LABORATORY FOR DEPARTMENT OF FOOD TECHNOLOGY

(16) The Department of Food Technology is in critical need of additional laboratory space for class and research work.

Bids have been received on a 36′ x 120′ one-story prefabricated steel building as an addition to the Horticulture Field Laboratory. The bids indicate that the addition can be constructed for $39,000.

This project has been reviewed and approved by the University Building Program Committee and by the Committee on Nonrecurring Expenditures. The total estimated cost is within the maximum set by this committee.

The Director of the Physical Plant and the Comptroller recommend award of the following contracts to the lowest bidders in each case:

Harshbarger Building and Supply Company, Urbana — general construction	$20 401 24
Square Deal Electric Company, Urbana — electrical work	4 943 00
Paul H. McWilliams, Champaign — plumbing and heating	4 151 00

I concur and recommend that an appropriation of $39,000 be made for the construction of this addition and that the Comptroller and the Secretary of the Board be authorized to execute the contracts.

On motion of Mr. Herrick, these contracts were awarded as recommended and an appropriation of $39,000 was made from the General Reserve Fund for this construction. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stratton.

CONTRACTS FOR STREET AND GROUNDS IMPROVEMENTS IN MEN'S RESIDENCE HALLS AREA

(17) The Director of the Physical Plant and the Comptroller recommend award of the following contracts for street and grounds improvements in the Men's Residence Halls area:

Felmley-Dickerson Company, Urbana — construction of sewer, sidewalk, curb, pavement, bicycle racks, and dry wall work around a terrace....$17 600

Ralph Synnestvedt and Associates, Glenview — landscaping, including development and planting of lawn and furnishing shrubs and trees.... 10 750

Funds are available in the budget for the construction of the two additions to the Men's Residence Halls.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts.

On motion of Mr. Grange, these contracts were awarded as recommended.

STANDING CONTRACT FOR PLASTERING WORK

(18) On June 22, 1953, the Board of Trustees authorized a contract with E. G. Lindsey, Champaign, for maintenance plastering work during 1953-1954 on a cost-plus basis. Due to his death, it is necessary to award a new contract.

New bids were taken, and the Director of the Physical Plant and the Comptroller recommend award of a contract to E. T. Drewitch, Urbana, the lowest bidder. The contract will provide for payments on the basis of cost plus 19 per cent with certain specified charges for labor and material.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Bissell, this contract was awarded.

CONTRACT FOR ENGINEERING SERVICES ON ADDITION TO POWER PLANT

(19) The Director of the Physical Plant and the Comptroller recommend the employment of Sargent and Lundy, Consulting Engineers, Chicago, for the necessary engineering services on the addition of a turbine generator and appurtenances to the Abbott Power Plant. Funds were appropriated by the General Assembly for this addition, subject to release by the Governor. Terms of the proposed contract are:

(a) *Current Expense Charges.* Engineering and drafting, at actual salary and wages plus 50 per cent. Stenographic and clerical services, traveling expenses, and miscellaneous expenses at actual cost.

(b) *Fixed Fee Charge.* Two per cent of the mutually-agreed-upon estimate of the cost of the project to completion (exclusive of Sargent and Lundy's charges under (a) and (b), above, and the University's engineering, supervisory and overhead costs); 10 per cent of this fee is to be paid when services are ordered; 80 per cent in equal monthly installments thereafter, the number of installments to be in accordance with the estimate of the number of months required to complete the project and 10 per cent on the completion of the project.

(c) *Resident Field Engineer.* Services of a resident field engineer shall be on the basis of actual salary, plus 15 per cent, plus traveling and field expenses, and shall be billed and paid monthly as incurred.

These terms are the same as those specified in an agreement for previous engineering services on power plant construction and installations, dated July 28, 1949, except that the overhead charge for a resident field engineer has been increased from 10 to 15 per cent.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract, subject to the release of funds by the Governor.

On motion of Mr. Johnston, this contract was awarded.

CONTRACT FOR ENGINEERING SERVICES FOR CONSTRUCTION OF STORM SEWER

(20) The Board has a contract with Wilson and Anderson, Engineers, Champaign, for engineering services in designing a storm sewer to serve the south part of the Urbana campus. The contract terms are: (a) for design, plans, and specifications, a fee of 3½ per cent of construction costs based on an estimated total of $100,000, plus 3 per cent on that portion of construction costs in excess of $100,000; (b) for general direction of the work, a fee of 3½ per cent of actual cost if construction is undertaken; (c) in the event the services of an engineer for continuous inspection and supervision are desired, such services to be provided on the basis of net wages plus 15 per cent for overhead.

The basic engineering has been completed and paid for from funds available during the 1951-1953 biennium, total payments being $7,100. Provision for the construction of the sewer was included in the appropriation for the Law Building, and funds are available, subject to release by the Governor.

The Director of the Physical Plant and the Comptroller recommend that Wilson and Anderson be authorized to complete the contract for engineering services.

I concur and recommend that the Comptroller be authorized to execute an addition to the present contract.

On motion of Mrs. Holt, the Comptroller was authorized to execute this change in the contract.

CONSTRUCTION OF RADIO TOWER AT ROBERT ALLERTON PARK

(21) The University purchased a 550-foot steel radio tower with FM antenna, coaxial cables, and other operating parts for radio broadcasting, from Station WTMJ, Milwaukee, Wisconsin, at a price of $25,000, and engaged the BDN Steel Erecting Company, Chicago, to dismantle, transport from Milwaukee to Robert Allerton Park, reconstruct the tower, and install the accessories at a price of $12,600. This Company failed to complete the job, and on January 21, 1953, the Board of Trustees declared it in default. On February 23, 1953, the Board accepted a settlement with the American Casualty Company, surety of the BDN Company's bond, for payment of $10,600 in satisfaction of the liability, this money to be used for the completion of the tower. There is also a balance of $3,380 in the original appropriation for this project.

The Director of Purchases and the Comptroller recommend award of a contract for $24,015 to the Gardner Construction Company, Ft. Wayne, Indiana, the lowest bidder, for the completion of this work. This company has the necessary experience, a satisfactory financial rating, and has submitted insurance certificates and a satisfactory performance bond. The University will supply the necessary parts and also the supervisory engineering services. It is estimated that these expenses will amount to $6,000, making a total expense of approximately $30,000 for which $14,000 is already available. Hence an additional appropriation of $16,000 is requested. The Director of Broadcasting and the Comptroller recommend an additional appropriation of $16,000 from the General Reserve Fund for the completion of this work.

I concur in these recommendations.

On motion of Mr. Johnston, this contract was awarded and an appropriation of $16,000 was made from the General Reserve Fund for the completion of this construction. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stratton.

CONTRACT FOR CONSTRUCTION OF CATTLE BARN ON SOUTH CARTER-PENNELL FARM

(22) The Dean of the College of Agriculture and the Comptroller recommend award of a contract for $3,042.72 to the lowest bidder, the Cissna Park Cooperative Lumber Company, for the construction of the barn and the laying of concrete floors 40′ x 40′ under the barn and 20′ x 40′ in the feed lot on the South Carter-Pennell Farm.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was awarded by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stratton.

LEASES FOR DISTRICT OFFICES OF THE DIVISION OF SERVICES FOR CRIPPLED CHILDREN

(23) The Director of the Division of Services for Crippled Children and the Comptroller recommend that the University enter into leases for the quarters occupied by the district offices of the Division in Chicago and Peoria, Illinois.

The office in Chicago is in the State of Illinois Building, 160 North LaSalle Street. The proposed lease, identical with the lease which has been in effect during the past biennium, is for office space in that building at a total rental of $25,800, or $1,075 monthly for the period from July 1, 1953, through June 30, 1955. Various state agencies which use this building pay rental into a revolving fund maintained by the Department of Finance for the operational expenses of the building.

The lease for the office in Peoria is for space in the Central National Bank and Trust Company Building at a rental of $6,480, or $270 monthly for the period from July 1, 1953, through June 30, 1955, and is on the same basis as the lease for the previous biennium.

The Division of Services for Crippled Children has funds for the payment of the rentals.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute these leases.

On motion of Mr. Nickell, these leases were authorized by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stratton.

RENEWAL OF LEASES WITH CITY OF CHICAGO FOR NAVY PIER AND DRILL HALL

(24) The lease with the city of Chicago for the portion of Navy Pier used by the Chicago Undergraduate Division, authorized by the Board on January 25, 1947, expires on June 30, 1954. The lease for the adjacent Drill Hall, authorized on March 27, 1947, expires on the same date.

For several months negotiations have been carried on by University officers with officials of the city of Chicago. These discussions have resulted in an indication of willingness on the part of the city of Chicago to renew the present leases on the following conditions:

Increase in Rental:	*Present Rental*	*Requested Rental*	*Increase*
a. Navy Pier, approximately 410,000 square feet, plus use of parking lot	$117 000	$156 000	$39 000
b. Drill Hall, 75,000 square feet	18 750	25 000	6 250
	$135 750	$181 000	
Net increase per year			$45 250

Term of Lease:

a. Navy Pier. One year from July 1, 1954, with provision for extension by mutual consent for the two-year period beginning July 1, 1955, and for the two one-year periods beginning July 1, 1957, and July 1, 1958, respectively.

Notice of intention not to renew the lease for any of such periods would have to be given the University by the city at least six months in advance, and notice of intention to renew for any of said periods would have to be given the city by the University at least sixty days in advance of the termination of the preceding period. The University will also have the right to terminate this lease at any time upon six months' written notice to the city of its intention to so terminate it.

b. Drill Hall. One year from July 1, 1955, with provisions for extensions for periods of one year each thereafter until June 30, 1959. Notice of intention not to renew this lease for any of said annual periods would have to be given the University by the city six months in advance, and notice of intention to renew the lease for any such annual period would be required to be given the city by the University at least sixty days in advance of the termination of the preceding period. The University will also have the right to terminate this lease at any time upon giving the city six months' written notice of its intention to so terminate it.

c. Other conditions of the leases are to be the same as at present.

Since the increase is effective only for 1954-1955, expenditures for this rental will be increased by $45,250 during the biennium 1953-1955. The increase will be met by budgeting one-half of it in each year of the biennium, the total to be paid during the second year. A further budget increase of an equivalent amount would be necessary beginning July 1, 1955, to provide for the increase on a biennial basis.

I recommend approval of these proposals and that the Comptroller and the Secretary of the Board be authorized to conclude and execute the necessary contracts upon approval by the Legal Counsel.

On motion of Mr. Bissell, these leases were authorized by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stratton.

UNIVERSITY OF ILLINOIS LEASE OF ILLINI CENTER

(25) The Board of Trustees has under consideration a recommendation for the extension for two years ending June 30, 1955, of a lease of quarters in the LaSalle Hotel for the Illini Center at a rental of $6,900 a year.

For the further information of the Board, there is submitted herewith a memorandum prepared by the Comptroller giving the history of the Illini Center and a report on the use made of it by various University agencies. Copies of the memorandum and report were filed with the Secretary of the Board for record.

On motion of Mrs. Holt, this lease was authorized by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stratton.

INTERNAL OPERATING BUDGET FOR 1953-1954

(28) I present the University's internal operating budget for all divisions and funds for the fiscal year beginning July 1, 1953, and for the academic and administrative appointments beginning September 1, 1953. This budget has been prepared by the Provost and the Comptroller in accordance with procedures approved by the President and in conferences with deans, directors, and other administrative officers.

I recommend that this budget, covering the allocation of the estimated operating income from all sources for the year beginning July 1, 1953, be approved; and that the President of the University be authorized, in accordance with the needs of the University and the equitable interests involved and within total income, (a) to accept resignations, (b) to make such additional appointments as are necessary, subject to the provisions of the University Statutes and the Policy and Rules Relating to Compensation and Working Conditions of Nonacademic Employees, and (c) to make such changes and adjustments in items included in the budget as are needed; all such changes to be covered in the Comptroller's quarterly financial report, or in reports to the Board by its Secretary, provided that assignments for new projects or programs and for nonrecurring expenditures in excess of $2,500 shall be presented to the Board for prior approval.

On motion of Mrs. Watkins, the President of the University and the Acting President were authorized to take all actions recommended above.

On motion of Mr. Johnston, the budget was approved and the appropriations were made as recommended by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stratton.

The complete budget is included as an appendix to these minutes on pages 796 to 1076.

NONSALARIED FACULTY OF THE COLLEGE OF MEDICINE, 1953-1954

(29) I recommend that the following appointments be made to the nonsalaried faculty of the College of Medicine for the academic year beginning September 1, 1953, unless otherwise indicated, and that the President of the University be authorized to make such additional appointments and other changes, and to accept resignations, as are desirable and necessary.

Appointments of Professors and Associate Professors are on indefinite tenure; all others are for one year from September 1, 1953, unless otherwise stated.

INTERNAL BUDGET OF THE ATHLETIC ASSOCIATION FOR 1953-1954

(30) The Director of Intercollegiate Athletics submits, on behalf of the Board of Directors of the Athletic Association, the budget for the Association for 1953-1954 which is summarized as follows with comparative figures for the preceding year:

	1952-1953 Budget	*1952-1953 Revised Estimate*	*1953-1954 Proposed Budget*
Income	$820 575	$893 700	$864 425
Expenditures			
Budget Appropriations	804 575	785 000	841 142
Special Appropriations	10 000	69 000	10 000
Total Expenditures	$814 575	$854 000	$857 642
Excess of income over expenditures	$ 6 000	$ 39 700	$ 13 283

On July 1, 1952, the Athletic Association had a net operating surplus of $153,565. The estimated excess of income over expenditures in 1952-1953 will increase this surplus to $193,265.

The budget has been examined and approved by the Provost and the Comptroller. Salaries paid jointly by the Athletic Association and the School of Physical Education have been approved by the Director of the School.

I recommend that this budget be approved and that the President of the University be authorized to make such changes and adjustments, including approval of new appointments and acceptances of resignations, as are necessary and recom-

mended by the Board of Directors of the Athletic Association within the total income realized.

On motion of Mr. Grange, this budget was approved.

APPROPRIATIONS BY THE ATHLETIC ASSOCIATION

(31) The Board of Directors of the Athletic Association has made the following assignments of funds which represent changes in its budget and are therefore subject to approval by the Board of Trustees:

For roofing areas over the east and west columns of Memorial Stadium...	$ 4 620
To reimburse the Alumni Association for services rendered the Athletic Association during 1952-1953	3 000
For travel expenses of the University Band to Columbus, Ohio, for the Ohio State game, October 10, 1953	4 750
For the expenses of participants in the National Collegiate Athletic Association track meet in Lincoln, Nebraska, June 20, 1953, and in the Western Intercollegiate Conference — Pacific Coast Conference track meet in Ann Arbor, Michigan, June 23, 1953	2 000
Total	$14 370

On motion of Mr. Herrick, the action of the Board of Directors was confirmed.

CONTRACTS FOR COAL PURCHASES

(32) Bids on uniform specifications have been taken on the purchase of 41,000 tons of coal screenings for delivery to the Abbott Power Plant during the period of September 1, 1953, to May 31, 1954.

The lowest bidder is A. Zamberletti who has recently taken over sole ownership of the V-Day Coal Company near Danville. No bids have been received from this mine in prior years because it was not equipped to ship by rail. Plans have been completed to install a railroad siding and both the mine owner and the New York Central Railroad have assured the University that the siding will be completed by September 1, 1953. Representatives of the Physical Plant Department, the Purchasing Office, and Professor R. G. Wuerker of the Department of Mining and Metallurgical Engineering have inspected the mine and its equipment and are of the opinion that the mine can produce coal of the quality and quantity specified. The contract will provide for price adjustments and a performance bond is required.

The Director of Purchases, the Comptroller, and the Director of the Physical Plant recommend awards of contracts to the lowest bidders Arthur Zamberletti, doing business as the V-Day Coal Company, Danville, Illinois, for 30,000 tons at $3.57 per ton f.o.b. mine, freight $1.1088, delivered price $4.6788 per ton, total estimated cost $140,364; and Republic Coal and Coke Company, Danville, Illinois, for 11,000 tons at $4.10 f.o.b. mine, freight $1.1088, delivered price $5.2088, total estimated cost $57,296.

It is desirable to have a supplemental source of supply, particularly during December, January, and February, to assure delivery of coal in the quantities needed.

The lowest bids are determined by the number of British Thermal Units for one cent based on guaranteed analysis. A continuous check at the plant is provided to insure compliance with specifications.

The prices quoted are based on the present wage scale and are subject to increase or decrease in the event that wage contracts now in effect are changed. Any such change will affect the price to the extent that production costs are increased or decreased by the new contracts. The University may cancel the purchase contract if it believes that the price adjustment is not justified.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute contracts, subject to approval by the Governor as required by the state constitution.

On motion of Mr. Johnston, these contracts were awarded and authority was given as recommended.

ENGINEERING SERVICES ON NEW LAW BUILDING

(33) Professor A. M. Richardson of the Department of Architecture has prepared design studies and models of the new Law Building. These studies have been accepted.

To carry forward the architectural studies by the preparation of working drawings and specifications, it is now proposed to continue Professor Richardson's services, supplemented by the architectural staff of the Physical Plant Department. This practice was followed prior to World War II.

In addition, there is a need for consulting services on the structural engineering and electrical work.

The Director of the Physical Plant and the Comptroller recommend that the firm of Balke and Clark, Cincinnati, Ohio, be retained for this purpose on the following terms:

Services of Mr. Balke or Mr. Clark at the rate of $6.00 per hour.

Services of a designer or draftsman at regular hourly rates for the actual hours spent on the project.

To both of the above will be added 100 per cent for overhead costs and commission.

Travel expenses and long distance telephone calls will be paid for at actual cost. All other costs are included in the allowance for overhead and commission.

Total payments for such consulting services are estimated at $5,000.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Herrick, this contract was awarded and authority was given as recommended.

PAYMENTS TO CITY OF URBANA FOR STREET LIGHTING AND FIRE HYDRANT SERVICES

(34) For some time officials of the city of Urbana have been urging the Physical Plant Department to concur in a proposal that the University assume a share of the operation and maintenance costs of street lighting and fire hydrant services provided by the city on streets contiguous to the main campus of the University in Urbana. The Director of the Physical Plant Department and the Comptroller, with concurrence of the Legal Counsel, now recommend that the University assume, effective as of October 1, 1951, its share of such costs as follows:

Street Lights

1. For low-level intensity street lighting, $10 per standard per year.
2. For high-level intensity street lighting, $20 per standard per year.

The number of standards to which these rates will be applied will be calculated on the ratio of University-owned total street frontage, exclusive of that upon which the University pays taxes or makes full payment for services, except that in the case of the Student-Staff Apartments (where the University now makes payments for services in part) only one-half of the total frontage will be included. Total cost per year for present installations $834

Fire Hydrants

Six locations, at 50 per cent annual rental cost — annual payment 60

Total Per Year $894

Funds for payment prior to July 1, 1953, are included in reappropriated balances as of that date from state appropriations for 1951-1953 (available until September 30, 1953) and for 1953-1955 in the current operating budget for the Physical Plant Department.

Payments of a similar character are now being made by the University as follows:

Dates of Board Authorization		*Payments Made in 1952-1953*	
April 24, 1947	Share of operating and maintenance expense of sanitary sewers; payments to Urbana-Champaign Sanitary District	*Capital	$ 6 604
		Operating	11 804
May 19, 1950	Share of operating expense of City Dump; payments to the city of Urbana	*Capital	4 050
		Operating	5 047

*(Nonrecurring)

June 25, 1951	Share of maintenance expense of the Lincoln Avenue storm sewer; payments to the city of Urbana	This plan is not yet in effect

It seems reasonable that the University should contribute this proportionate maintenance cost of street lighting and fire hydrants for the following reasons:

1. The street lighting and fire hydrants are located on streets contiguous to the main campus.
2. University-owned property receives the same benefit from these installations as adjacent private property, and currently the entire operation and maintenance costs are financed by taxation of private property.
3. The University has its own campus lighting and fire protection system for the main campus for which it assumes the entire cost, not only for the initial installation but also for the recurring operation and maintenance expense. However:
   a. The University campus lighting system has not been extended to serve its property fronting on the streets adjacent to the campus. The installed municipal lighting system, therefore, provides benefits that relieve the University from the cost of extending its own system and of subsequent operation and maintenance costs.
   b. The University's fire protection system is not considered adequate to combat major fires in the vicinity of Busey-Evans Halls on Nevada Street, or the Lincoln Avenue Residence Hall and McKinley Hospital area on Lincoln Avenue. The six installed municipal hydrants, therefore, provide benefits that relieve the University from the cost of extending its own system and of subsequent operation and maintenance costs.
   c. The extension of such University facilities would result in an unnecessary duplication and require a major capital expenditure on the part of the University and recurring operation and maintenance costs perhaps equal to, if not in excess of, the payment now requested by the city of Urbana for proportionate share of such costs.

It is proposed that an agreement be entered into with the city which will include these provisions:

1. The city or the University may request a recalculation and redetermination of the cost to the city of the operation and maintenance of the street lighting and fire hydrants, so that if either cost increases or decreases, the amount to be paid by the University will be adjusted accordingly.
2. Adjustments will be made from time to time if changes in ownership of property by the University or extension of the University's facilities result in a reduction of the benefits the University is receiving now from either the street lighting or the fire hydrants.
3. Either party may terminate the agreement at the end of any University fiscal year by giving at least ninety days' prior written notice to the other.
4. Applicable constitutional and statutory provisions which limit the power and the authority of the Board of Trustees of the University to enter into agreements extending beyond a fiscal biennium will be recognized.
5. The fact that the University's contributions are on a voluntary basis and not a legal obligation will also be recognized.

I concur in this recommendation and request that the Comptroller and the Secretary of the Board be authorized to execute an agreement approved by the Legal Counsel.

On motion of Mrs. Holt, this recommendation was approved and authority was given as requested.

AUDIT OF UNIVERSITY ACCOUNTS

(35) The Comptroller has prepared the following statement of recent discussions concerning extension of the scope of audit of the University transactions and accounts by the Auditor of Public Accounts.

Since 1904 the Board of Trustees has regularly engaged a firm of outside independent certified public accountants to make an examination of the accounts of the University for each year. In recent years it has been the practice of the Board to make a change of such auditors every five years. On January 21, 1953, the Board, upon recommendation of the Finance Committee, authorized the en-

gagement of the firm of Haskins and Sells of Chicago to make this audit for the year ending June 30, 1953. (The previous year was the end of a five-year cycle during which George Rossetter and Company of Chicago were the auditors.)

Since 1918 all disbursements from appropriations from state tax funds have been made on individual vouchers certified by, or on behalf of, the President and the Secretary of the Board of Trustees to the Auditor of Public Accounts, and after examination paid by that officer on individual warrants directly to payees named in the vouchers. Since 1933 this method also has been followed with respect to all income of the University other than that from trust and federal funds.

In 1951 the General Assembly expanded the power of the Auditor of Public Accounts to provide that he "shall audit, or cause to be audited, the records of all agencies or authorities receiving, expending, or contracting for the receipt or expenditure of money on behalf of the state."

In connection with the consideration of Senate Bill 141 in the Sixty-eighth General Assembly (a bill to provide that certain funds may be retained in and disbursed from the treasury of the University) the General Assembly added a specific provision that "the Auditor of Public Accounts shall audit, or cause to be audited, the above items of income and all other income and expenditures of such institutions." (This bill applies to not only the University of Illinois but also the other state-supported institutions of higher education.)

In keeping with past practice, the State Auditor, Mr. Orville E. Hodge, was furnished a copy of the report of George Rossetter and Company for the year ending June 30, 1952. He also received a copy of the published report of the Comptroller for the same period. He indicated to the Comptroller his desire to have the audit of the University carried out by accountants selected by him. A brief discussion with the President of the Board followed, as a result of which there was a conference on June 12, 1953, with Auditor Hodge, participated in by the President of the Board, the Chairman of the Policy Committee, and the Comptroller. (The Chairman of the Finance Committee was unable to attend.) Mr. Hodge indicated that under the law he considers he has the authority to audit the accounts of the University. This fact is undisputed by anyone. He also stated that it is his intention to carry out his responsibility and actually make this audit. Mr. Hodge stated that the audit he desires to make would probably cost $30,000 and it is his practice to ask the agency to pay one-third of the cost. He was informed that auditors for the current year had already been engaged by the Board and an agreement entered into with them, at a maximum cost of $12,000. There was considerable discussion as to the scope of the present audit and Mr. Hodge stated that it does not give him the information he needs to have in his office concerning the University. Mr. Hodge stated that he believed an audit carried on under his direction would improve public relations and the relations of the University with the General Assembly. He indicated that he would expect to have the work performed by a firm of certified public accountants selected by him.

At this meeting it was agreed that the Comptroller would arrange a meeting between representatives of the Auditor and Haskins and Sells to work out such coordination between the two audits as would be possible and particularly to eliminate unnecessary duplication. On June 19, 1953, such a conference was held with representatives of George Rossetter and Company and Haskins and Sells and both accounting and legal representatives of the Auditor, as well as the Comptroller and Assistant Comptroller. The scope of the previous audit and the tentative scope for the prospective audit by University auditors were discussed. Questions were asked in considerable detail by representatives of the Auditor's office. It was agreed that at a later date the latter would contact the representatives of Haskins and Sells and review further the possibilities of a mutually satisfactory division of work.

The audit by Haskins and Sells was initiated in the latter part of June and is now in progress.

This report was received for record.

LAWS PASSED BY THE SIXTY-EIGHTH GENERAL ASSEMBLY OF ILLINOIS AFFECTING THE UNIVERSITY OF ILLINOIS

(36) For the information of the Board a list of all Acts of the Sixty-eighth General Assembly of Illinois in its regular session of 1953 directly affecting

the University, including those making appropriations to the University, is submitted herewith and a copy is given to the Secretary of the Board for record.

CONTRACT WITH OZARK AIR LINES FOR USE OF UNIVERSITY OF ILLINOIS AIRPORT

(37) The University's contract with Ozark Air Lines for use of University of Illinois Airport, authorized by the Board July 25, 1951, expired June 30, 1953. Discussions of a new contract have been carried on between officials of the company, the Director of the Institute of Aviation, and the Comptroller. The financial provisions of the contract are:

Landing Fees

Present — $50 per schedule. (One landing per day per month.)
Present total of 12 schedules, $600. (See later discussion.)

Rental of Office Space

Present — $75 per month, mutually satisfactory. (University will comply with request of company for some rearrangement and slight addition to space.)

Line Service

Payment of salary of additional lineman required by Ozark service at $285 per month. (Ozark has option of supplying that service and assuming cost directly. No special problem involved.)

Gasoline Sales

At cost, plus handling charge of five cents per gallon. (No change proposed.)

The only serious question that has arisen is with respect to the landing fee. Originally this was on the basis of $100 for each of the first two schedules, $50 for the next four, and $25 for the remaining. Since 1951 it has been on the basis of $50 per schedule.

The company protests this charge on the following grounds:

1. It is larger than that paid by the company at most, if not all, intermediate stations (excluding terminals) and by other local lines generally.
   Comment: This may be true, but all other airports are community-owned, whereas the University Airport was built for instructional, research, and military service entirely from federal and state funds and not primarily for community service.
2. The landing fees are a much larger proportion of passenger revenue than is true at other airports.
   Comment: This does not have a bearing on the cost of the service rendered by the University for which the University must secure reimbursement.
3. It is claimed that "the generally established practice" is to base landing fees on two per cent of the revenue generated at the community.
   Comment: While such leases have been made, this practice is not uniform. Furthermore, all of these contracts are with community-owned airports.
4. Comparisons made with certain other Illinois cities show that the landing fees at the University Airport are higher than at these cities.
   Comment: Again, these airports and their conditions of operating and financing are not comparable to the University Airport; also costs undoubtedly vary considerably.
5. Ozark claims that under previous contracts it has overpaid the University on landing fees and has requested that it be given a refund of the amount in excess of the two per cent formula, which would be $13,215.
   Comment: The landing fees charged and paid are in accordance with the contract and are not more than necessary to reimburse the University for its *direct out-of-pocket cost* occasioned by the Ozark service. The University can not give recognition to the revenue of a contractor in determining the amount of recovery necessary for it, nor have its recovery made contingent on the amount of such revenue.
6. The certificate of the company from the Civil Aeronautics Board expires September 26, 1953. Operation of the company will be closely examined by the Board as to whether the certificate, and thus the authority for service, will be extended and such a high landing fee will put the status of the service in jeopardy.

Comment: It is believed that the C.A.B. will consider all facts relating to the situation. No requested renewal has been turned down by the C.A.B. on such grounds in the past.

7. Ozark alleges that over $600,000 of "local funds" were put into this airport.
Comment: The facts are that the investment of $2,436,000 in the University of Illinois Airport was supplied: $1,555,000 from federal grant, $821,000 by state appropriation, and $59,000 from income from flight-training, government contracts, and private rentals.

University officers have made a careful study of the additional costs resulting from the use of the Airport by Ozark. These include (a) snow removal, (b) additional grass mowing, (c) additional maintenance of runways, ramps, etc., (d) runway inspection service, and (e) night lighting. On a minimum basis of calculation these amount to about $6,600 per year, or $550 per month. In this estimate no account is taken of amortization of facilities, general administrative overhead, and general services to the company and the public served by it. Unless the University is reimbursed for these costs, the excess of cost over reimbursement received would be charged against the University general income, and therefore against all the taxpayers of the state of Illinois. Such a charge is not justified unless it is based on the value of service to the University. There is such value and consequently it is proposed that in recognition of this general service there be a reduction of approximately 10 per cent from the foregoing charges.

It is therefore proposed that the University offer to renew the contract on the basis of $40 per schedule per month, which on the basis of the present twelve schedules would mean a total reimbursement of the University of $480 per month, or $5,760 per year.

I recommend approval of these proposals, that the Director of the Institute of Aviation and the Comptroller be authorized to negotiate a contract substantially in accord therewith and based on the principle of recovery of out-of-pocket costs on a no-overhead, nonprofit basis, and that the Comptroller and the Secretary of the Board be authorized to execute the contract when agreement has been reached along these lines.

On motion of Mr. Herrick, renewal of this contract was authorized with provision for full reimbursement of the University for expenses incurred.

AGREEMENT WITH NAVY FOR RESEARCH CONTRACT WORKING CAPITAL

(38) An agreement is being negotiated by the University with the Department of the Navy which will expedite reimbursement to the University of expenditures incurred on Navy cost reimbursement research and development contracts. Upon execution of this agreement, $300,000 will be deposited with the First National Bank of Chicago, in an account to be called the "University of Illinois Navy Special Pool Bank Account." These funds will be used to reimburse the University, immediately at the close of each month, for actual expenditures during such month, greatly reducing the period of such reimbursement, which, under present procedures, requires several months. It is understood that the special account will be reimbursed by the normal payments to the University, prepared in accordance with the established billing procedures now in effect, which require the audit of all disbursements before payment. This account will be drawn against by the University Business Office, by check payable to the University and signed by the Comptroller of the University and the Director, Office of Naval Research, in Chicago. Such check will then be deposited in the regular C. W. Weldon, Treasurer of the University of Illinois, account. The special account will thus operate on a revolving basis. The liability which the University will assume under this arrangement is to insure that funds will be withdrawn from the special account only for the purposes specified in the contract.

Steps have been taken to set up similar arrangements on certain Army and Air Force research contracts, which, if completed, will greatly relieve the working capital requirements resulting from the operation of cost type research contracts.

The Comptroller requests authorization to conclude these arrangements.

I concur and request authority for the Comptroller or the Secretary of the Board to execute the necessary agreements.

On motion of Mr. Nickell, this plan was approved and authority was given as recommended.

HOSPITAL-MEDICAL-SURGICAL INSURANCE FOR STUDENTS AND STAFF

(39) Bids have been received for the student and staff hospital and medical insurance program for 1953-1954 with the right reserved by the University to renew such insurance annually thereafter upon mutual agreement between the University and the insurance company.

The student program provides essentially the same benefits as in prior years except that the daily hospital room and board allowance was increased from $6.50 to $7.50, surgical benefits were decreased to the standard surgical schedule with maximum allowance of $150.00, and the number of days coverage per semester was reduced from 28 days to 21 days. Staff benefits were modified by increasing the daily hospital room and board allowance from $6.50 to $7.50, incidental hospital expense allowance from $32.50 to $75.00 per hospital admission, surgical benefits decreased to the standard $150.00 surgical schedule, and the length of hospital confinement for any one admission was decreased from 28 days to 21 days. All changes were made to adjust the present program to needs as indicated by experience and are recommended by the University Committee on Insurance.

Bids were also received as an alternate on the present benefits under the staff plan, but they are not recommended for consideration by the Insurance Committee.

The lowest over-all cost to the University would result from awarding of a contract to the Continental Casualty Company represented by George B. Franks of Champaign, present carrier and agent respectively of the two plans, rather than awarding separate contracts for the student and staff plans since the lowest bidder on the staff insurance will not accept a contract for the staff insurance alone.

It is apparent that most companies are in a better position to bid on the total program rather than on the two plans separately and that accepting the company offering the lowest total cost for the two plans represents the best buy for the University.

It is nevertheless desirable to have each plan financially independent of the other. This can be accomplished by adjusting the amount charged to the students and staff so that the proper portion of the claim and administrative cost of the staff program is borne by that group.

These bids have been reviewed by the University Committee on Insurance and by the Comptroller.

It is recommended that a contract for both the student and staff coverage be awarded to Continental Casualty Company represented by George B. Franks, Champaign, lowest bidder for both programs at $293,482, as per Board of Trustees policy on insurance, and that charges to students and staff for this insurance be for the following amounts (present rates are shown in parentheses):

Students	*Per Semester*		*Per Year*	
Student only	$ 5 00	($ 5 00)	$15 00	($15 00)
Student and family	13 00	(13 00)	39 00	(39 00)
Faculty-Staff				
Employee only			25 00	($16 20)
Employee and one dependent			50 00	(34 80)
Employee and two or more dependents			62 00	(45 00)

On the basis of these rates, both plans should operate on a self-sustaining basis. The excess over the cost of the coverage would be used by the University to defray the administrative costs of the two programs.

A schedule of all bids taken was presented at the meeting, and a copy has been filed with the Secretary of the Board for record.

On motion of Mr. Megran, this contract was awarded to the Continental Casualty Company, George B. Franks, Champaign, Illinois, representative, as recommended.

REPORT OF THE EXECUTIVE COMMITTEE

The Secretary of the Board presented the following reports of the Executive Committee:

Paul V. Galvin Scholarship Fund

Distributors of Motorola products have offered the University $13,285 to establish the Paul V. Galvin Scholarship Fund. The fund is to honor Paul V. Galvin, President of Motorola, Inc.

The fund shall be an endowment fund, the principal to be invested in accordance with the usual investment practices of the University and only the income to be expended. The income shall be used for a scholarship or scholarships for worthy, undergraduate students in the University of Illinois, each student to be selected in accordance with usual practices of the University but must be a student who is in need of financial assistance. Additional gifts to this fund will be for the purpose of increasing the number of scholarships rather than the amount of the original scholarship.

On recommendation of the President of the University, the Executive Committee of the Board of Trustees at a meeting held in Urbana, Illinois, on May 15, 1953, authorized acceptance of this offer. The action of the Committee is being reported at this time because the donors requested that no public announcement of their offer be made until after July 1, 1953.

Special Appropriations for Nonrecurring Expenditures

On recommendation of the President of the University, the Executive Committee of the Board of Trustees on July 8, 1953, authorized assignments from the General Reserve Fund for the following expenditures:

Interior painting of the Auditorium.....$13 700
This project is highly desirable because of the unsightly appearance of the interior resulting from recent construction work.

Replacement of the dry vacuum system in Noyes Chemical Laboratory.... 4 000
This system is required for laboratory and research work and has reached a precarious state.

Replace copper on roof of east arch of Armory..... 18 500
A large area of this section of the roof was blown off during a recent windstorm and requires early replacement.

The Physical Plant Department was in a position to begin work on these projects immediately and since this would permit re-employment for a period of some of the personnel the Department had been obliged to lay off, it was the judgment of your Committee that these expenditures should be authorized promptly instead of waiting until the present meeting of the Board.

REPORT OF COMMITTEE ON NONACADEMIC PERSONNEL ON LAY-OFF OF PHYSICAL PLANT DEPARTMENT EMPLOYEES

Mr. Grange presented the following report:

On June 22, 1953, the Board referred to your Committee for advice, the protest presented to the Board on that date by officers of the Twin City Federation of Labor of Champaign and Urbana of the lay-off of employees by the Physical Plant Department which was necessary to operate within its budgetary allotment for 1953-1954. All members of the Board had received prior to that meeting a letter from Senator Everett R. Peters dated June 17, 1953, in which the lay-off was also questioned.

At the meeting of June 22, the Board received an interim report from the President of the University on the 1953-1954 budget showing necessity of finding funds to the extent of $2,775,000 a year to make internal readjustments. The Physical Plant Department along with all other departments and divisions of the University was called upon to make a decrease of 5 per cent in its total budget. It was also asked to assume the deficiency resulting from increases in rates of prevailing rate groups made during the biennium of 1951-1953 which exceed the total available for that purpose during said biennium and which additional amount is required to carry these rates through the biennium of 1953-1955 if all employees were continued in service. It should be noted that while the Physical Plant Department was called on to make these adjustments, other divisions of the University were also called on to make specific decreases.

The Comptroller and the President have furnished the Committee additional information concerning the budgetary situation. The Governor has now approved a bill which will assure the University the income estimated at $200,000 a year from veterans' tuition which otherwise would not have been available. This makes possible some additional allocation to the Physical Plant Department.

A detailed analysis of the Physical Plant budget shows that decreases were required as follows:

1. For accrued deficiency in prevailing rate increases.....$256 566
   (Instead of $200,000 as previously estimated)
2. For uniform decreases (5 per cent).....$266 150

Sub-total.....$522 716

In addition the Physical Plant Department found it necessary to provide various increases totaling.....$ 82 677

Total decrease in existing Physical Plant budget.....$605 393

To meet these decreases the Physical Plant Department took the following steps:

1. Decreases in operating expense not related to personnel.....$154 669
2. Reduction in operating personnel.....$450 724

The reductions in personnel were distributed among locations and by number of employees as follows. All lay-offs were made in strict accordance with seniority as established by the state statutes.

	Amount	*Employees*
Urbana-Champaign	$298 306	64
Chicago Professional	$ 87 672	23
Chicago Undergraduate	$ 64 746	19
	$450 724	106

In addition the Department found it necessary to lay off about twenty-one persons due to reduction in work done by job order, including nonrecurring projects. The Department has also discontinued fifteen administrative and supervisory positions.

It is also necessary to make provision for any further increases in rates of prevailing rate groups that may go into effect subsequent to July 1, 1953, if the policy of paying the prevailing wage is continued. As of the date of this report such increases will amount to $45,504 annually. (This is in addition to the deficiency of $256,566 accrued as of July 1, 1953.) There are in process additional increases which may run $60,000 or more in Urbana-Champaign and $30,000 in Chicago. Since the funds to meet such increases must come out of the fixed total of income this means that unless internal savings can be made, additional lay-offs may have to follow during the year.

Following the Board meeting, the President considered this situation with other University officers and advised the Committee of the following actions:

1. An addition has been made to the budget allotment to the Physical Plant Department for 1953-1954 of $82,677 a year. This sum is to offset increases that the Physical Plant Department had absorbed within its budget total, and the added sum is available for reemployment.
2. There has been added to the Physical Plant allotment the amount required to meet new wage adjustments approved to date totaling $45,504. While this is not available for additional reemployment it will prevent a further lay-off of personnel. An effort will be made to provide from the General Reserve further additions as funds materialize, but no commitment can be made at this time.

These two additions total $128,381. The sum of $8,160 has also been added to the budget of the Institute of Aviation where certain lay-offs also were found necessary, making a grand total of $136,541 added to the recurring budget.

With the added sum made available to it the Institute of Aviation has reemployed two additional persons. With the added sum in the Physical Plant Department 13.8 persons will be reemployed in Urbana-Champaign, and 4.5 persons in Chicago.

The total additional funds thus applied to rehiring employees laid off in the prevailing wage rate groups represents two-thirds of the funds received from the veterans' tuition. The additional funds available from the veterans' tuition payments will be needed for urgent additions to allotments of academic departments.

In addition the President recommended to the Executive Committee, and that Committee has approved, nonrecurring appropriations of $36,200 for repair work on the Urbana-Champaign campus, and program of repair work on the Stadium Terrace family housing units, estimated at $36,000, has been initiated; also a number of nonrecurring projects are to be presented to the Board for consideration on July 25, 1953, which will involve substantial employment of labor. One of these will activate painting and decorating programs normally included in the Physical Plant budget in Chicago, but which had been deleted. Most of these projects will provide additional employment in the Physical Plant Department.

The Committee believes that the policy of paying the prevailing wage rates should be maintained. Moreover, immediate attention should be given to any cases in which employees have had long periods of service.

Every effort should be made to provide additional reemployment to the extent that further funds become available through savings or increased income, after meeting any further increases in prevailing rates.

The Committee believes that with the adjustments above reported the employment problem in the Physical Plant Department has been fairly and equitably dealt with. It is to be regretted, of course, that the services of any employees have

to be dispensed with, temporarily or permanently. However, such a result appears inevitable in the face of an operating appropriation for the coming biennium which, after allowing for certain specified increases, is no more than the appropriation for the preceding biennium, and out of which it is necessary to maintain an effective instructional and research and public service program, provide for an anticipated increase in enrollment, and provide for a minimum scale of selective salary increases. Approximately half of the budget adjustments specified for next biennium will go to the latter purposes and in these increases the nonacademic employees will receive more generally distributed increases than the selective increases possible in the academic staff.

The staff of the University, both academic and nonacademic, is to be commended for its willingness to face these financial facts and to carry on in the traditional Illinois spirit.

REPORT OF SPECIAL COMMITTEE TO STUDY PROPOSAL FOR A FOUR-YEAR UNIVERSITY OF ILLINOIS IN CHICAGO

Mr. Johnston presented the following report:

At the meeting of the Board of Trustees of the University of Illinois on May 23, 1953, the undersigned were appointed a Special Committee to study the petition and proposal from the Council of the Faculty of the Chicago Undergraduate Division for the establishment of a four-year university in Chicago, the immediate objective being to expand the present curricula at Navy Pier to four years of undergraduate work.

The Committee held a preliminary meeting at Urbana on May 23, following the Board meeting, at which it planned its study and called upon the President of the University, the Provost, the Comptroller, and the Bureau of Institutional Research for the data and other information required. The Bureau was directed to call upon the administrative officers and faculty at the Chicago Undergraduate Division for any data needed from that source. The officers of the University submitted their reports promptly and the Committee held a second meeting in Chicago, Illinois, on June 3, 1953. At this meeting the following members of the Committee were present: Mr. Cushman B. Bissell, Mr. R. Z. Hickman, Mr. Park Livingston, Mr. Herbert B. Megran, and Mr. Wayne A. Johnston, Chairman. Mr. Vernon L. Nickell was unable to attend because of illness. Also present at this meeting were President George D. Stoddard, Provost Coleman R. Griffith, Comptroller Lloyd Morey, Professor Edward F. Potthoff, Director of the Bureau of Institutional Research, Mr. Howard A. Hazleton, Business Manager of the Chicago Departments, and Mr. A. J. Janata, Secretary of the Board. A third meeting of the Committee was held in Urbana on June 22, 1953.

As the result of careful studies of (a) the materials submitted by the Council of the Faculty to the Board of Trustees on May 23 during the hearing given representatives of the Council and of other proponents of a four-year university in Chicago and (b) the data and other information supplied by University officers, and after due deliberation, your Committee submits the following report.

General Considerations

The educational needs of the state of Illinois justify giving the utmost consideration to providing facilities for four years of undergraduate study in certain fields of college work in Chicago when it is practicable and state finances permit. The fact that one-half the population of Illinois is in the Chicago area is a strong argument. The President of the University has consistently recommended such a development but he does not favor a *permanent* program of this kind at Navy Pier. The municipal authorities of Chicago thus far have definitely indicated unwillingness to commit the use of space at the Pier by the University for an indefinite period. In its eighty-five years of existence, the University of Illinois has not been able to establish a four-year college in Chicago. The Chicago Undergraduate Division at Navy Pier was directly related to the University's sudden need to provide educational opportunities for the returning veterans of World

War II. It was an emergency operation but it was so successful that it has been continued.

A fundamental question, in the judgment of your Committee, is how the state of Illinois can best provide for the higher education of its youth and to what extent duplication of facilities for such education at public expense is justified. The University of Illinois receives its support from all the state and belongs to all the people. While its main campus is at Urbana-Champaign, its educational, extension, and research programs serve all areas of Illinois.

Your Committee is greatly impressed with the sincerity of the members of the faculty and student body at Navy Pier who appeared before the Board of Trustees. Your Committee commends their ambitions. As the President of the University stated at the Board meeting on May 23, the presentations made by these representatives indicate a healthy interest in the educational program offered at Navy Pier.

The Council of the Faculty of the Chicago Undergraduate Division has submitted comparisons of costs of instruction for a four-year university in Chicago with costs of undergraduate instruction at Urbana-Champaign which would seem to indicate that the instructional costs at Navy Pier are considerably lower. On the basis of these comparisons, the Council estimates that the additional instructional cost for a four-year curriculum and for an additional 1,000 students would be no more than approximately $280,000 per year. The Council expressed the opinion that the General Assembly can be convinced that appropriation of such additional funds is fully warranted but that "If, however, the Legislature should not choose to provide the Chicago Undergraduate Division with additional funds, they could be obtained within the University budget."

On the basis of facts and figures supplied by the Bureau of Institutional Research and the Comptroller's Office, your Committee is unable to confirm the representations made regarding comparative costs of instruction and the estimated cost of the proposed expansion. The evidence before your Committee indicates that the cost of undergraduate instruction per student at Urbana-Champaign is below the cost of equivalent instruction at the Chicago Undergraduate Division.

In the field of engineering, the evidence against the Council's assumptions is overwhelming. One of the great needs of the country is for more well-trained engineers. Engineering instruction, especially at the junior and senior level, is much more expensive than in other areas of undergraduate work. It is obvious that expansion of the engineering curriculum at Navy Pier to four years could not be accomplished without large outlays of funds for laboratory and shop equipment, and for salaries of additional staff. It would be a disservice to the state, to the students, and to the profession of engineering to offer instruction below the high standard of the College of Engineering at Urbana-Champaign. It would mean a dilution of the entire educational program in engineering.

The same observations apply, but to a lesser degree, to other curricula offered at Navy Pier.

Nor does your Committee believe it would be a public service to offer junior and senior work at the expense of the freshman and sophomore programs by limiting, as has been suggested, the number of freshmen to be admitted. That would be inconsistent with the basic philosophy of serving the maximum number of qualified students within the limits of the University's resources. It should be noted that many students by choice spend only two years in college. We should not extend the program at Navy Pier at the expense of students living in Chicago whose best chance of getting a college education is to start there as freshmen.

The Illinois Budgetary Commission, the General Assembly, and the Governor have made their decisions as to the total funds the state will appropriate to the University of Illinois for the biennium of 1953-1955. The budgets for the next two years will not permit any major expansions; they will demand a shrinkage. It is futile to seek additional state funds when the University has been turned down with regard to such high priority requests as that of the Chicago Professional Colleges where it is necessary, once more, to postpone increasing the output of physicians, dentists, pharmacists, and nurses, all of whom are in short supply.

In any further consideration of the proposal for a four-year university in Chicago, the Board of Trustees must also be mindful of the import of the following Act of the Sixty-eighth General Assembly of Illinois recently passed and approved by the Governor:

"A BILL

"For an Act creating a commission in relation to the establishment of a branch of the University of Illinois in the Chicago area, defining its powers and duties, and making an appropriation therefor.

"Whereas, There is a compelling need in the Chicago area for a State-supported institution of higher learning offering a full four-year academic course leading to a baccalaureate degree; and

"Whereas, The University of Illinois has, for a number of years, maintained a two-year undergraduate division at Navy Pier in Chicago, but the facilities there available are not of such a character as to render feasible the expansion of this branch into a full four-year undergraduate institution; therefore

"Be it enacted by the People of the State of Illinois, represented in the General Assembly:

"Section 1. There is created a commission to act for liaison purposes between the General Assembly and the University of Illinois in dealing with problems relative to the establishment of a four-year undergraduate college of the University of Illinois in the Chicago area. The Commission shall consist of three members of the Senate appointed by the President pro tempore and three members of the House of Representatives appointed by the Speaker. The Commission shall select from its membership a chairman and such other officers as it deems necessary. Members of the Commission shall serve without compensation but shall be reimbursed for actual and necessary expenses incurred in the performance of their duties.

"Sec. 2. The Commission shall consult with appropriate officers of the University of Illinois and act as a liaison between the University and the General Assembly in all matters pertaining to the establishment of a four-year undergraduate college of the University in the Chicago area, including the problems of locating a site, the acquisition of land, and other matters relating to the establishment of a campus.

"Sec. 3. The Commission may, without regard to any law relating to civil service, employ and fix the compensation of necessary assistants.

"Sec. 4. The Commission shall report its findings and recommendations to the Sixty-ninth General Assembly not later than March 1, 1955.

"Sec. 5. The sum of $5,000.00, or so much thereof as may be necessary, is appropriated to the Commission for carrying out its duties under this Act."

(House Bill 1, Sixty-eighth General Assembly of Illinois)

Under this law the Board of Trustees has a responsibility to work with the Commission in studying the establishment of a four-year undergraduate program of the University of Illinois in Chicago. Obviously, the Board should not make long-range decisions and commitments hastily and in advance of the planning contemplated. To do so might be regarded as unwarranted anticipation by the University of the Commission's ultimate recommendations to the General Assembly.

The future development of the University of Illinois on all three campuses depends upon the expressed intention of the people of the state to expand public higher education and to provide the necessary funds. It would serve no useful educational purpose and would be contrary to public interest if new programs at Navy Pier were developed at the expense of long-established, on-going programs at Urbana-Champaign and at the Chicago Professional Colleges. Your Committee makes this observation with specific reference to the suggestion by the Council of the Faculty that the funds be obtained somewhere within the University budget. Apparently there are no such funds available. At the same time, your Committee would not recommend any downward adjustments in the budget of the Chicago Undergraduate Division, other than the standard adjustments to live within the budget.

Recommendations

In view of the foregoing considerations of public and University policies, your Committee makes these specific recommendations:

1. That the officers of the University study methods of cooperating with the State Commission created by the General Assembly of Illinois in dealing with the establishment of a four-year undergraduate program of the University of Illinois in the Chicago area. This cooperation would call for an early organization by the

President of the University of a representative group to study all phases of the problem on a long-range basis. The planning group should include representatives of the Chicago Undergraduate Division and the Chicago Professional Colleges as well as staff members at Urbana-Champaign.

2. That, since it appears that there will be an increase in the number of freshmen seeking admission at Navy Pier and at Urbana-Champaign, provision be made to accommodate the maximum number that can be accepted consistent with budgetary limitations and classrooms and laboratory facilities. This implies some adjustments in the budget of the Chicago Undergraduate Division.

3. That special provisions be made for the counseling of students at Navy Pier to aid in their transition to Urbana-Champaign at the end of the sophomore year. Such counseling should include not only consideration of educational programs but advice on scholarships and other financial aids which can be made available to worthy and needy students.

4. That a study be made of the faculty organization at the Chicago Undergraduate Division with the view to improving existing conditions and to integration with the faculty organization at Urbana-Champaign.

5. That all steps recommended herein be taken as expeditiously as good planning and sound administration permit.

In conclusion, your Committee would reiterate its sympathy with the desires and ambitions of the Council of the Faculty and the students of the Chicago Undergraduate Division. Your Committee hopes that they will regard the recommendations made above as positive steps in that direction. It appears at the present time not to be financially feasible to meet their immediate expectations without serious damage to the University as a whole. We do not believe that the people of Illinois would want this to happen.

VERNON L. NICKELL
WAYNE A. JOHNSTON, *Chairman*

At this point a delegation of citizens of Chicago, including representatives of the Council of the Faculty of the Chicago Undergraduate Division, requested and were given a hearing on the proposal for the establishment of a four-year university in Chicago.

Mr. John D. McNee, Jr., Chairman of the Council of the Faculty, read a prepared statement, copies of which were distributed to the Trustees and a copy of which has been filed with the Secretary of the Board for record.

Action on the report of the Special Committee of the Board of Trustees to study the proposal for a four-year University of Illinois in Chicago was deferred.

MEMORIAL TO WALTER WINSLOW WILLIAMS

Mr. Herrick offered the following resolution:

The Board of Trustees of the University of Illinois records with profound sorrow the death on July 1, 1953, of Walter Winslow Williams of Benton, Illinois, a former member of this Board.

Mr. Williams was born in Herrin, Illinois, on January 18, 1873. Upon graduating from the University of Illinois in 1903 with the degree of Bachelor of Laws, he entered the practice of law and was a member of the bar for fifty years. He also was engaged in banking and in other business enterprises. For more than fifty years he was a prominent figure in the state activities of the Democratic party. He served in the House of Representatives of the Forty-fourth General Assembly of Illinois during 1905-1907. He was a candidate for Lieutenant Governor in 1920. In 1930 he was elected a member of the Board of Trustees of the University of Illinois for a term of six years, and served as President of the Board from 1934 to 1936. Aside from these significant public services he was also active in numerous

civic affairs, including a two-year term as President of the Illinois Chamber of Commerce.

He always had a deep and abiding interest in the welfare of his Alma Mater.

The Board of Trustees directs that this memorial be included in the minutes of today's meeting as a permanent public record of tribute to a former Trustee for his many notable services, and that a copy be sent to the family of Mr. Williams.

On motion of Mr. Herrick, this resolution was unanimously adopted.

SECRETARY'S REPORTS

The Secretary presented for record the following lists: (1) appointments made by the President; (2) fellows; (3) resignations and declinations; (4) leaves of absence.

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parentheses is the date on which the appointment was made by the President of the University. C = College; S = Station; E = Extension.)

ALPERT, NORMAN R., Assistant Professor of Physiology, in the College of Medicine, one month beginning August 1, 1953, $6000 a year (6-25-53).

APPELBACH, HENRY W., Clinical Instructor in Orthopaedic Surgery, in the College of Medicine, four months beginning May 1, 1953, without salary (6-29-53).

BALAGOT, REUBEN C., Clinical Instructor in Anesthesiology, in the College of Medicine, three months beginning June 1, 1953, without salary (6-29-53).

BELLWOOD, KATHLEEN A., Instructor and Supervisor in Occupational Therapy, in the College of Medicine, August 3-31, 1953, $4200 a year (7-8-53).

BERNARDINI, GILBERTO, Research Professor of Physics (C), three months beginning June 1, 1953, $9500 a year (7-19-53).

BERTANI, GIUSEPPE, Research Associate in Bacteriology, in the Graduate College, two months beginning July 1, 1953, $6000 a year (7-8-53).

BLATT, FRANK J., Research Associate in Physics (C), October 1, 1953-August 31, 1954, $4800 a year (6-29-53).

BLEWETT, DUNCAN B., Research Associate in Psychology, in the Graduate College, one year beginning September 1, 1953, $5000 (7-13-53).

BREEN, JAMES L., Counselor in the Student Counseling Bureau in the Summer Session of 1953, on one-half time, June 19-August 15, 1953, $474 for the period (6-18-53).

BRIGGS, GEORGE R., Research Assistant in Physics (C), two months beginning July 1, 1953, $300 a month (6-22-53).

BROGHAMER, EDWARD L., Professor of Mechanical Engineering (C), two months beginning July 1, 1953, $1422.22 for the period; this is in addition to his present appointment (7-17-53).

BROWN, GLEAH D., Instructor in Humanities, in the Chicago Undergraduate Division, in the Summer Session of 1953, June 19-August 15, 1953, $1089 for the period (7-2-53).

CAPENER, WILLIAM N., Assistant in Agricultural Economics (S), two months beginning July 1, 1953, $300 a month (7-13-53).

CHEN, CHUAN FANG, Research Assistant in Mechanical Engineering (C), June 16-September 15, 1953, $300 a month (7-15-53).

CHIADO, PAUL S., Instructor in General Engineering (C), for the academic year beginning September 1, 1953, $3650 (6-24-53).

COHEN, MILTON J., Assistant in Art, nine months beginning September 16, 1953, $2700 (6-23-53).

COMFORT, THOMAS E., Assistant in French in the Summer Session of 1953, June 19-August 15, 1953, $624 for the period, supersedes (6-29-53).

CREWS, JANICE M., Instructor in Humanities, in the Chicago Undergraduate Division, in the Summer Session of 1953, on one-third time, June 19-August 15, 1953, $363 for the period (7-20-53).

CURTIS, CHARLES G., Instructor in Social Sciences, in the Chicago Undergraduate Division, in the Summer Session of 1953, on one-half time, June 19-August 15, 1953, $475 for the period (6-23-53).

APPENDIX

THE UNIVERSITY OF ILLINOIS INTERNAL BUDGET FOR 1953-1954

(Approved by the Board of Trustees July 25, 1953, page 757)

EXPLANATORY NOTES

This budget consists of three volumes:

I. Summaries of all divisions; Urbana-Champaign divisions and General University Administration — Academic and Administrative Salaries, Wages, Expense and Equipment.

II. Chicago Professional Colleges, Division of Services for Crippled Children, and Chicago Undergraduate Division — Academic and Administrative Salaries, Wages, Expense and Equipment.

III. Nonacademic Salaries, all divisions.

Appropriations for Salaries are available for the term indicated in each case but not for more than one year from September 1, 1953.

When appointments are made at salary rates less than the amounts provided in the budget, the unused balance is lapsed at that time, resulting in a reduction in the budget.

Funds appropriated for positions in the salary budget which are not yet filled may, pending the appointment of someone to the position, be drawn against by time cards submitted to the Business Office for services of employees temporarily engaged to do the work contemplated by the position. Such temporary charges *may not exceed the amount of time provided* by the position unless indicated herein or otherwise approved by the President.

All unexpended balances remaining in the salary budget lapse at the close of each calendar month unless previously assigned or encumbered. Such lapses do not result in a reduction in the budget.

Departmental appropriations are made under the captions "Salaries," "Wages," and "Expense and Equipment." No transfers may be made between "Salaries" and "Expense and Equipment" except with the approval of the President of the University. Requests for such changes should be submitted through the Comptroller. Adjustments may be requested between "Salaries" and "Wages" or between "Wages" and "Expense and Equipment" upon notice to the Comptroller, stating the reason for such transfer.

Appropriations for expense, equipment, and wages are available for one year beginning July 1, 1953, and ending June 30, 1954. Balances up to 5 per cent, or total encumbrances, whichever is larger, will automatically be carried forward to 1954-1955.

All budgets of auxiliary enterprises, cooperative investigations, other trust funds and budgets indicated as "from receipts" are on an estimated basis. Unless otherwise indicated, appropriations are limited to actual income, but any balances or receipts in excess of the estimate are appropriated for the operation of the activity. Salary appointments may be cancelled if the funds for cooperative investigations are withdrawn.

The services required for members of the academic and administrative staff are in accordance with "Terms of Employment" adopted by the Board of Trustees on January 8, 1948.

a. For positions or portion of positions indicated as "Y," services are required for twelve months, with one month for vacation. No additional compensation is allowed for summer services for any salary or portion of salary indicated as "Y."

b. For positions or portion of positions not indicated as "Y," services are required only during the academic year of two semesters (three terms in Chicago Professional Colleges). Summer Session teaching, if required, will be covered by an additional appointment with salary.

Services of the nonacademic staff are for twelve months, less vacation, in accordance with civil service regulations.

Tenure Symbols (a number following indicates percentage of time)

A — Indefinite tenure, payable in twelve monthly installments.

B — Two years from September 1, 1953, payable in twelve installments.

D — One year from September 1, 1953, payable in twelve installments.
E — The academic year 1953-1954, payable during nine months from September 16.
G — Special tenure as described.
N — In accordance with civil service regulations, effective July 1, 1953, at the annual salary indicated.
NS — Same as N, except work week is five and one-half days.
H — In accordance with civil service regulations on an hourly basis.
P — At prevailing rates. Amount indicated is estimated annual salary based on normal number of hours.
Y — Indicates that services are required throughout the year, except for allowable vacation, without additional compensation.
X — Partly Y, partly non-Y.
Z — In Urbana academic, indicates person's name appears in two or more budgets and the total salary is listed in the supplement.
R — On retirement annuity from University Retirement System.
RA — Receiving retiring allowance from the University (old system).

Perquisite Symbols (for the convenience of the employee unless otherwise indicated)
M — Furnished one meal a day while on duty valued at $10 a month in Chicago and $7 a month in Urbana.
MM — Furnished two meals a day valued at twice the above amounts.
R — Furnished room valued at $35 a month in Chicago; $10 a month in Urbana Residence Halls; $7 a month in McKinley Hospital.
RB — Furnished room and board while on duty valued at $65 a month in Chicago; $31 a month in Urbana Residence Halls; $28 a month in McKinley Hospital.
BL — Furnished board and laundry valued at $480.
U — For the convenience of the University rather than the employee.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

September 23, 1953

The September meeting of the Board of Trustees of the University of Illinois was held in the LaSalle Hotel, Chicago, Illinois, on Wednesday, September 23, 1953, beginning at 10:30 a.m. (C.D.S.T.).

The following members were present: Mr. Cushman B. Bissell, Mr. Harold E. Grange, Mr. Wirt Herrick, Mr. Robert Z. Hickman, Mrs. Doris S. Holt, Mr. Wayne A. Johnston, Mr. Park Livingston, Mr. Herbert B. Megran, Mr. Vernon L. Nickell, and Mrs. Frances B. Watkins. Governor William G. Stratton was absent.

Also present were: Dr. Lloyd Morey, Acting President, Mr. Ralph F. Lesemann, Legal Counsel, Mr. J. F. Wright, Director of Public Relations, and the officers of the Board, Messrs. H. O. Farber, Acting Comptroller, C. W. Weldon, Treasurer, and A. J. Janata, Secretary of the Board.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of the Board of Trustees on June 22, 1953, press proof copies of which have been sent to all members of the Board in advance.

On motion of Mr. Grange, the minutes were approved as printed on pages 665 to 732, inclusive.

REPORT OF THE EXECUTIVE COMMITTEE

The Executive Committee of the Board of Trustees submits the following report of its actions.

RESIGNATION OF LLOYD MOREY AS COMPTROLLER

In view of his election as Acting President of the University effective September 1, 1953, Dr. Lloyd Morey has submitted his resignation as Comptroller of the Board of Trustees and of the University effective the same date.

The Committee has accepted this resignation.

APPOINTMENT OF HERBERT O. FARBER AS ACTING COMPTROLLER

Mr. Herbert O. Farber, now Assistant Comptroller (salary $9,500), has been appointed Acting Comptroller of the Board of Trustees and of the University, beginning September 1, 1953, and continuing until the next annual meeting of the Board of Trustees in March, 1954, at a salary rate of $11,000 a year for so long as he serves as Acting Comptroller. (The Comptroller of the Board of Trustees is elected for one year at the annual meeting of the Board and this appointment is to fill the unexpired term of Dr. Morey.)

ADMINISTRATIVE COMMITTEE FOR THE CHICAGO PROFESSIONAL COLLEGES

On recommendation of the Acting President of the University, the Administrative Committee, authorized by the Board of Trustees on December 22, 1952, as an interim plan for the administration of the Chicago Professional Colleges, has been reconstituted as follows: Dean Earl R. Serles, Chairman, Dean Allan G. Brodie, Acting Dean Roger A. Harvey, Business Manager Howard A. Hazleton, and Superintendent Harry W. Pearce.

The functions of this Administrative Committee are to deal with matters of policy and with important transactions, particularly those affecting all of the Chicago Professional Colleges. The Committee will not deal with administrative routine. The Chairman of the Committee will have the responsibility of implementing its actions, which will be those required of the chief executive officer of the Chicago Professional Colleges. He will receive additional compensation at the rate of $1,250 a year for services as Chairman of the Administrative Committee beginning September 1, 1953, and continuing as long as he serves in that capacity, but not later than August 31, 1954. The Committee will call on heads of other divisions not specifically represented on the Committee when matters relating to their responsibilities are under consideration.

The Committee will function until August 31, 1954, or until such prior time as a Vice-President has been appointed and takes office at which time the Committee will be discharged.

ACTING DEAN OF THE COLLEGE OF MEDICINE

On recommendation of the Acting President, Dr. Roger A. Harvey has been reappointed Acting Dean of the College of Medicine and Acting Director of the Research and Educational Hospitals, beginning September 1, 1953, and continuing until August 31, 1954, or until such prior time as permanent appointments to these positions have been made and the appointees have taken office, with additional compensation for such services at the rate of $2,000 a year.

The Division of Services for Crippled Children has been placed under the general supervision of the Acting Dean of the College of Medicine.

The Acting Medical Director of the Research and Educational Hospitals will have over-all responsibility for all phases of hospital operations and of the Illinois Eye and Ear Infirmary.

ADJUSTMENTS IN SALARIES

Upon recommendation of the Acting President, the Executive Committee has authorized adjustments in the salaries of the following:

Earl R. Serles, Professor of Pharmacy and Dean of the College of Pharmacy, increase from $15,050 to $15,750 effective September 1, 1953. (In addition he will also receive compensation at the rate of $1,250 a year for services as Chairman of the Administrative Committee beginning September 1, 1953, and continuing as long as he serves in that capacity but not later than August 31, 1954.)

Robert B. Browne, Professor of Education and Dean of the Division of University Extension and of the Summer Session, increase from $11,500 to $12,500 effective September 1, 1953.

Robert Graham, Professor of Veterinary Pathology and Hygiene and Head of the Department, Professor of Veterinary Research and Head of the Department, and Dean of the College of Veterinary Medicine, increase from $11,850 to $12,500 effective September 1, 1953.

PURCHASES AUTHORIZED

The following purchases were authorized by the Executive Committee on recommendation of the Director of Purchases and the Acting Comptroller, and with the concurrence of the Acting President of the University.

Item	*Department*	*Vendor*	*Cost*
One PA 22 Piper Tri-Pacer super custom airplane less trade-in allowance for a 1950 model Piper Pacer airplane	Institute of Aviation	Elliott Flying Service, Davenport, Iowa	$4 955 00 f.o.b. University Airport
One 40′ x 120′ Quonset building to be erected at the Airport	Institute of Aviation	Harshbarger Building and Supply Co., Urbana	10 350 43
37,500 reams, 8⅜″ x 10⅞″ and 1,000 reams, 8½″ x 14″, 16 lb. basis, No. 4 sulphite mimeograph bond paper	Office Supply Storeroom	Swigart Paper Co., Chicago	21 787 30 f.o.b. delivered

These particular purchases were presented to the Executive Committee because the Director of Purchases had advised the President's Office that the prices quoted might not stand until the meeting of the Board of Trustees on September 23 and that they might go up.

ASSIGNMENT OF FUNDS

Upon recommendation of the Acting President, the Executive Committee approved a nonrecurring assignment of $2,200 from the General Reserve Fund to the Physical Plant Department's truck and cars budget for the purchase of one five-passenger Studebaker Land Cruiser four-door sedan from C. L. Cochrun and Son, Champaign.

SERVICES OF LEGAL COUNSEL AT KREBIOZEN INVESTIGATING COMMISSION HEARINGS

On recommendation of the Acting President, Mr. Ralph F. Lesemann, Legal Counsel, has been authorized to continue representing the interests of the University and of its officers in the hearings which have been resumed by the newly created Krebiozen Investigating Commission.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following reports and recommendations from the Acting President of the University.

APPOINTMENT OF DEAN HENNING LARSEN AS PROVOST OF THE UNIVERSITY

(1) I recommend the appointment of Dr. Henning Larsen, now Dean of the College of Liberal Arts and Sciences and Professor of English, as Provost of the University on full time, beginning October 1, 1953, and continuing through August 31, 1955, and as Professor of English on indefinite tenure, at a total salary of $17,200 on a twelve-month service basis.

Pending the appointment of a new Dean, the Executive Committee of the College of Liberal Arts and Sciences will administer its affairs.

On motion of Mr. Bissell, this appointment was approved, as recommended, by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stratton.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(2) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

ALBERT STEG	Chicago, Illinois	New York
CHARLES ADDISON STEWART	Malverne, New York	New York
ARTHUR BENJAMIN TOAN, JR.	Leonia, New Jersey	New York
RALPH VERNON WILLIAMS	Paducah, Kentucky	Kentucky

I concur.

On motion of Mr. Megran, these certificates were awarded.

APPOINTMENTS TO THE FACULTY

(3) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. HERBERT K. ABRAMS, Clinical Assistant Professor in the Department of Public Health, College of Medicine, beginning September 1, 1953, without salary (DY).

2. JOSEPH SHERIDAN BEGANDO, Associate Professor of Pharmacy Administration and Assistant Dean, College of Pharmacy, at an annual salary of $9,000 (DY).

3. ROBERT OTTO HARVEY, Assistant Professor of Economics, beginning September 1, 1953, at an annual salary of $6,000 (DY).

4. HANS J. MUELLER, Assistant Professor in the Division of Physical Sciences, Chicago Undergraduate Division, beginning September 1, 1953, at an annual salary of $5,400 (B).

5. JOSEPH RICHARD SUCHMAN, Assistant Professor of Child Development, Department of Home Economics, beginning September 1, 1953, at an annual salary of $4,500 (D).

6. PHILIP ADRIAN WADSWORTH, Professor of French, beginning February 1, 1954, at an annual salary of $7,500 (A).

7. JOHN MILTON WARD, Assistant Professor of Music, beginning September 1, 1953, at an annual salary of $6,000 (B).

8. EUGENE H. WEISSENBERG, Clinical Assistant Professor of Physical Medicine and Rehabilitation, College of Medicine, beginning September 1, 1953, without salary (DY).

9. HYMAN J. ZIMMERMAN, Clinical Associate Professor in the Department of Medicine, beginning July 1, 1953, without salary (AY).

On motion of Mrs. Watkins, these appointments were confirmed.

HEADSHIP OF THE DEPARTMENT OF MINING AND METALLURGICAL ENGINEERING

(4) Professor Harold L. Walker, Head of the Department of Mining and Metallurgical Engineering, has resigned effective September 1, 1953, to become a partner in an engineering company in Taunton, Massachusetts. He served on the faculty of the University of Illinois since 1938 and since 1942 was Professor of Metallurgical Engineering and Head of the Department of Mining and Metallurgical Engineering. In addition to his University work he has rendered special services to the state of Illinois as Acting Director of the Department of Mines and Minerals in 1947 and in 1949 at the request of two Governors, and in 1950-1951, again at the request of the Governor, he codified, revised, and rewrote the Illinois coal mining laws for the state which was the basis for the new mining code enacted by the Sixty-Eighth General Assembly of Illinois. In 1945 he served as scientific consultant for the Foreign Economic Administration for Scientific Investigations of German metallurgical practices developed during World War II. In recognition of these special services and the fact that he has never had a sabbatical leave of absence, he has been given terminal leave with full pay from September 1 through December 31, 1953.

On recommendation of the Dean of the College of Engineering, I have approved the appointment of Dr. William R. Chedsey, Professor of Mining Engineering, as Acting Head of the Department of Mining and Metallurgical Engineering, for the academic year beginning September 1, 1953, at an additional salary of $1,000 a year for this administrative service. The appointment as Acting Head will be terminated if a permanent head is appointed before the end of the year.

Confirmation of these actions is requested.

On motion of Mr. Nickell, the President's actions were confirmed.

CHANGES IN STAFF APPOINTMENTS AND RESPONSIBILITIES IN THE DEPARTMENT OF CHEMISTRY AND CHEMICAL ENGINEERING

(5) The Department of Chemistry and Chemical Engineering at Urbana-Champaign is informally organized into six divisions: Analytical Chemistry, Biochemistry, Chemical Engineering, Inorganic Chemistry, Organic Chemistry, and Physical Chemistry. Four members of the Department have served with distinction in teaching, research, and in senior administrative capacities for more than twenty-five years. Professor Roger Adams, Head of the Department, believes that administration of the Department should now be turned over to younger men. Accordingly, he has recommended that the following members be relieved of their administrative duties and be appointed Research Professors on indefinite tenure as of September 1, 1953, without change in their teaching loads: Professor G. L. Clark, Analytical Chemistry; Professor W. C. Rose, Biochemistry; Professor C. S. Marvel, Organic Chemistry; and Professor W. H. Rodebush, Physical Chemistry. Professor Adams also recommends that the administrative duties of these men be reassigned by the Head of the Department as follows: Analytical Chemistry, Professor H. A. Laitinen; Biochemistry, Professor H. E. Carter; Organic Chemistry, Professor N. J. Leonard; and Physical Chemistry, Professor F. T. Wall. Professors H. F. Johnstone and J. C. Bailar will continue in charge of Chemical Engineering and Inorganic Chemistry respectively.

The Dean of the College of Liberal Arts and Sciences and the Dean of the Graduate College concur in these recommendations. The changes were agreed upon in principle by all administrative officers concerned several months ago but were not included in the budget for 1953-1954. They involve no additions to the budget or staff of the Department.

I have approved these changes effective September 1, 1953, and report my action for confirmation.

I also recommend with the concurrence of the Dean of the College of Liberal Arts and Sciences that Professor Roger Adams be given a new appointment as Research Professor on indefinite tenure at his present salary effective September 1, 1953, and that he continue his administrative duties as Head of the Department of Chemistry and Chemical Engineering.

On motion of Mr. Grange, the President's actions were confirmed and his recommendation was approved.

COLLEGE ADVISORY COMMITTEES IN AGRICULTURE

(6) The Dean of the College of Agriculture recommends the following new appointments to advisory committees for the College of Agriculture and the Agricultural Experiment Station effective September 1, 1953, for the terms indicated.

Agricultural Economics

JOHN B. RICE, Sheldon (3 years)
WARNER P. WHIPPLE, Utica (3 years)

Agricultural Engineering

Horticulture (Vegetables, Fruits, Ornamentals)

JOHN TURES, 1500 Lee Street, Des Plaines (3 years)
GEORGE DEVREES, 3900 West 39th Street, Evergreen Park (3 years)

I concur.

On motion of Mrs. Holt, these appointments were approved.

COLLEGE OF PHARMACY ADVISORY COMMITTEE

(7) The Dean of the College of Pharmacy recommends the appointment of Mr. Harold Pratt, Director of Professional Services at Walgreen Drug Company, Des Plaines, Illinois, to the Advisory Committee of that College. Mr. Pratt's appointment is for five years (July 1, 1953, through June 30, 1958). He is being appointed to succeed Mr. Otto J. Pelikan whose term has expired.

I concur.

On motion of Mr. Megran, this appointment was approved.

AUTHORIZATION OF ACTING COMPTROLLER TO PERFORM DUTIES OF COMPTROLLER AND EXECUTE DOCUMENTS AND OF DELEGATION OF SIGNATURES ON ORDERS FOR CHANGES IN SECURITIES

(8) In connection with the appointment of Herbert O. Farber as Acting Comptroller, it is desirable that the Board of Trustees authorize him to perform all acts, execute all documents, and exercise all other authority which this Board of Trustees has heretofore authorized the Comptroller to perform, execute, and exercise for it. Therefore, I recommend that the following resolution, drafted by the Legal Counsel, be adopted.

Be it resolved by the Board of Trustees of the University of Illinois, that Herbert O. Farber, as its Acting Comptroller, shall be, and he is hereby granted and vested with full authority to perform all duties, to execute all documents, instruments, and papers, and to exercise all the other powers and authority which this Board of Trustees has heretofore conferred upon the Comptroller of this Board and of said University, and to take such action as may be incidental thereto or necessary in connection therewith, in the same manner and to the same extent as this Board has heretofore designated or authorized said Comptroller, as such officer, to perform such duties, execute such documents and papers, exercise such powers and authority, or take such action in its behalf or that of the University.

In addition to the foregoing, it is also necessary for the Board of Trustees to adopt a new resolution in connection with orders for changes in securities. The resolution adopted by the Board on March 25, 1953, after reciting that orders directed to the First National Bank of Chicago for changes in securities authorized by the Board or its Finance Committee are signed by the Comptroller and the Secretary of the Board, authorized those officers, by name, to delegate authority to sign their names to orders directed to said Bank for the purchase and sale of securities. A new

resolution should be adopted authorizing Herbert O. Farber, as Acting Comptroller, to delegate authority to sign his name to such orders to the same persons Lloyd Morey, as Comptroller, was authorized to delegate authority to sign his name thereto in the resolution of March 25, 1953. Therefore, I recommend that the following resolution be adopted.

WHEREAS, under the rules of, and authority heretofore granted by this Board of Trustees, orders for the purchase and sale of securities addressed to the First National Bank of Chicago, as safekeeping agent and investment counsel for this Board of Trustees, are signed by the Acting Comptroller and the Secretary of this Board in its behalf; and

WHEREAS, it is desirable that these officers be authorized to delegate authority to others to act for and sign their names in connection with such orders;

Therefore, be it resolved by this Board of Trustees that A. J. Janata, as Secretary of this Board of Trustees, be and he is hereby authorized to delegate to Everett G. Smith, Executive Clerk in the Office of the President of the University, to Maude Archdeacon, Chief Clerk in the Office of this Board of Trustees, and to G. R. Moon, Examiner and Recorder for the Chicago Professional Colleges of the University, authority to sign his name to orders for such purchases and sales of securities as have been or are approved by this Board or by its committees acting under due authority; and that Herbert O. Farber, Acting Comptroller, be and he is hereby authorized to delegate to C. C. DeLong, University Bursar, and H. A. Hazleton, Business Manager at the University's Chicago Colleges and Divisions, authority to sign his name to such orders when given pursuant to such approval.

On motion of Mr. Johnston, this resolution was adopted by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stratton.

REAPPROPRIATION OF UNEXPENDED BALANCES AT JUNE 30, 1953

(9) The Acting Comptroller recommends that the following balances in appropriations for services and projects not completed on June 30, 1953, be reappropriated for the fiscal year beginning July 1, 1953.

In addition to the appropriations listed below, unexpended balances on June 30, 1953, in departmental appropriations, up to 5 per cent of the original appropriation, were carried forward and will be available in 1953-1954 to the various departments concerned.

On motion of Mr. Herrick, these appropriations were made by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stratton.

APPROPRIATION FOR SCHOOL OF MUSIC

(10) For several years provision has been made in the School of Music budget, but on a nonrecurring basis, for the purpose of bringing eminent musicians to the University for recitals and consultation with students. Since the necessary contractual agreements must be made in advance, Director Duane Branigan of the School of Music, with the approval of the former President and the former Provost, had made commitments to bring André Marchal, an outstanding French organist, and Ernest Ansermet, eminent Swiss musician and conductor, to the campus for special musical programs during the academic year 1953-1954. André Marchal has been engaged to present six historical recitals and to work with students during the fall. Ernest Ansermet has been engaged to teach, lecture, conduct various instrumental and choral groups, and to be a guest conductor at one or two concerts during March, 1954.

Previously Leopold Stokowski, Conductor of the Philadelphia Symphony Orchestra, and Igor Stravinsky have appeared under similar arrangements.

Provision for these programs was recommended by the School of Music in its budget for 1953-1954 but was deleted in making budget reductions, so that a special nonrecurring appropriation is needed to carry out previous commitments. Director Branigan and Dean Newcomb of the College of Fine and Applied Arts request an appropriation of $4,000.

I recommend that this appropriation be made.

On motion of Mr. Grange, this appropriation was made by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stratton.

LEASE FOR SPRINGFIELD OFFICES OF THE DIVISION OF SERVICES FOR CRIPPLED CHILDREN

(11) The Director of the Division of Services for Crippled Children and the Business Manager of the Chicago Professional Colleges recommend that the University enter into a lease for the quarters occupied by the Division of Services for Crippled Children in Springfield, Illinois.

The offices are located at 1105 South Sixth Street, Springfield, in property owned by Mr. and Mrs. Jacob E. Reisch. The proposed lease, identical with the lease which has been in effect during the past biennium, is for office space in that building at a total rental of $12,000, or $500 monthly for the period from July 1, 1953, through June 30, 1955.

The Division of Services for Crippled Children has funds for the payment of the rental in the biennial appropriation made by the General Assembly of Illinois.

I concur and request that the Acting Comptroller and the Secretary of the Board be authorized to execute this lease.

On motion of Mrs. Holt, authority was given as requested.

COOPERATIVE AGREEMENTS FOR THE DEVELOPMENT OF AGRICULTURAL RESOURCES OF INDIA

(12) In March, 1952, the University entered into an agreement with the Technical Cooperation Administration of the United States Department of State, whereby staff members of the University would be temporarily assigned to the Allahabad Agricultural Institute in India, as required by a program of collaboration then established. The project, under the "Point Four" program, was to assist in the development of the agricultural resources of India, to which the government of India is also a party. The total cost of this project, estimated at $200,000, is to be paid by the United States government. Four staff members of the College of Agriculture have been assigned to the Allahabad Agricultural Institute and are presently there. In August, 1952, the original contract was amended to provide for the training of Allahabad staff members at the University of Illinois and $20,000 additional was made available for this purpose.

Early in the summer of 1953 TCA requested the University to send a survey team to India to examine the program at Allahabad Institute and also to confer with staff members at the Indian Institute of Technology, Kharagpur, West Bengal, India, to determine the needs of this Institute and to study the feasibility of a somewhat similar arrangement with that institution. Two senior members of the staff of the College of Agriculture went to India, at TCA expense, and made the study and have reported favorably. At the same time, the University of Illinois executed a "Letter of Intent," signifying that the University would be willing to proceed with the cooperative program at the Indian Institute of Technology. Under the terms of the proposed program, the staff members of the University who are specialists in soil and water conservation, exploratory work in geophysics, structural engineering and machine design would go to the Indian Institute in the fall of 1953. Somewhat later the University would stand ready to provide specialists in agricultural engineering shop work, machinery construction, repairs and farm work foremanship, line communications, wireless communications, and industrial organization and business methods, together with such additional personnel as might be required by the Institute and approved by the TCA administration and the University. The University would also agree to provide training for members of the Institute staff at the University of Illinois or at such other institutions as might be agreed upon by the University and the Indian Institute. The estimated cost of the program with the Indian Institute is $450,000. This amount will cover all direct costs of the University, plus a 10 per cent allowance for indirect costs.

The College of Agriculture with its research and extension program holds that its first responsibility is to the people of Illinois and particularly to the producers and consumers of agricultural products. The College and most of its staff believe that there are also larger areas which can be served without detracting in any way from the service to the citizens of the state. In fact, all research and much of the educational program extends to the nation and to the world. In a more definite way, the College has for some time been rendering service to visitors from other lands, particularly those who are here to study the outstanding results of research and development in agriculture.

The dominant motive in accepting this proposal is one of service in the interest of international peace and cooperation. However, there are also advantages in having members of the college staff gain the experience of living and working in the Far East.

I request approval of the proposed new project and authority for the Acting Comptroller and the Secretary of the Board to conclude a contract with the approval of the Dean of the College of Agriculture and the Legal Counsel.

On motion of Mr. Herrick, this agreement was authorized.

OPERATION OF CONTROL SYSTEMS LABORATORY

(13) Early in 1951 the Department of Defense asked the University to undertake certain important confidential researches in the field of the physical sciences. As a result the University organized the Control Systems Laboratory of which the Head of the Physics Department is Director. In the past he has reported to the Provost but in the future he will report to the Director of the Engineering Experiment Station. Contracts with three branches of the armed services for the support of this project will have totalled $2,707,984 through November 30, 1953. This sum covers all direct and indirect costs to the University. From these contracts the University has received, or will receive in the near future, reimbursement for all costs incurred.

The University also expended $513,520 of capital and general funds in remodeling the Engineering Research Laboratory for the use of this project, but these improvements are of a permanent nature and will be available to the University after its conclusion.

The present contract terminates November 30, 1953, and it has been recommended by the Laboratory that a new contract be executed with the Signal Corps, to run for one year from December 1, 1953, at a basic rate of $100,000 a month, the current rate of expenditure. It is possible that this may be augmented for certain special studies requested by the armed services which may involve additional allocations to the University of perhaps $200,000 during such period.

The operation of this Laboratory has been classified as "urgent" by the Department of Defense, with the result that special attention has been given to it by the University. The actual research being conducted is highly "classified" and its nature can not be disclosed. The classification of "urgent" allows a salary increment to be paid to University personnel assigned to the project up to a maximum of $150 a month above budgeted salaries. Payments are made for services rendered during the three summer months at these augmented monthly rates. The permanent staff of the University assigned to this project has been granted this maximum in substantially all cases, except those on a part-time basis, who were granted the proportionate increment. Service is required for five and one-half full days per week with only two weeks vacation.

While this program results in some sacrifice in teaching and University research, it is felt by all concerned that in view of its military importance and the confidence indicated by the government's desire for its continuation the program should be continued.

The Director of the Laboratory and the Director of the Engineering Experiment Station recommend the continuation of this project for one year, as described above, and the negotiation of a new contract. I concur in this recommendation and request approval and authority for the Acting Comptroller and the Secretary of the Board to execute this contract.

On motion of Mr. Megran, this recommendation was approved and authority was given as requested.

CONTRACT FOR REMODELING IN THE RESEARCH AND EDUCATIONAL HOSPITALS

(14) The Director of the Physical Plant and the Acting Comptroller recommend award of a contract for $3,450 to the Mueller Construction Company, Chicago, the lowest bidder, for remodeling rooms 425 and 427 in the general hospital of the Research and Educational Hospitals.

The work will consist of removing partitions, installing a new doorway, boxing in duct work at ceiling, plaster patching, painting, and installing mineral acoustical tile over the entire ceiling area.

Funds are available in an appropriation made by the Board of Trustees on March 25, 1953.

I concur and recommend that the Acting Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Grange, this contract was authorized and the Acting Comptroller and the Secretary of the Board were authorized to execute the same.

CONTRACT WITH CONSULTING ENGINEERING SERVICES

(15) Due to a vacancy on its staff, the Physical Plant Department needs to employ consulting engineers on various types of engineering work, including the completion of plans for the new Law Building.

The Director of the Physical Plant and the Acting Comptroller recommend the award of a contract to E. C. Manthei, operating under the firm name of Consulting Engineering Services, Champaign, Illinois, for such engineering work, and particularly electrical work, as may be required, on these terms: actual salaries of personnel employed plus 90 per cent for overhead and profit, with a maximum payment of $5,000 for services on the Law Building, and a maximum of $2,500 on any other job. The overhead will cover the cost of copies of blueprints and specifications.

Funds are available in the state appropriation for the construction of the Law Building.

I concur and recommend that the Acting Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Holt, this contract was authorized and the Acting Comptroller and the Secretary of the Board were authorized to execute the same.

CONTRACT FOR TILE FLOORING IN THE ILLINI UNION BUILDING

(16) Part of the cork tile flooring (in the east and west stair floor lobbies) will need to be replaced because of the difficulty in keeping the tile in these areas cemented to the concrete subfloor. A small test area in the east lobby has been refloored, and this has proved successful. Bids were then invited for replacing the remainder of the cork tile in these two lobbies, an area of approximately 2,750 square feet.

Only one bid was received—from the Acoustical and Floor Tile Company of Champaign, Illinois, which proposed to remove the old tile and all the original underlayment, and to install new tile for a price of $3,314. The Physical Plant Department considers this a reasonable estimate.

Funds are available in the Illini Union maintenance reserve fund.

The Director of the Physical Plant and the Acting Comptroller recommend award of a contract for $3,314 to the Acoustical and Floor Tile Company.

I concur and recommend that the Acting Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was authorized and the Acting Comptroller and the Secretary of the Board were authorized to execute the same.

CONTRACTS FOR ADDITIONAL CORNCRIBS ON ALLERTON FARMS

(17) The corncribs on Allerton Farms No. 5, 6, and 7 have a capacity of 22,000 bushels. In 1952 production was 13,923 bushels in excess of this capacity and the 1953 crop will exceed it 15,500 bushels. Inadequate storage facilities force sale of corn as picked at a price sacrifice.

The Dean of the College of Agriculture recommends the construction of five semipermanent pole and snow-fence cribs on the various farms as follows:

Farm No.	*Number of Cribs*	*Length*	*Each Crib Capacity (bushels)*	*Total Capacity*
5	2	70	3,000	6,000
6	1	60	2,500	2,500
7	2	60	2,500	5,000
			Total	13,500

Bids have been received as follows:

Contractor	*Seventy-foot Crib*	*Sixty-foot Crib*
Hammerschmidt Brothers	$1 470 00	$1 260 00
Joseph S. Davis and Sons	1 489 60	1 276 81
Wilkinson Lumber Company		1 373 08

To expedite construction, the Dean of the College of Agriculture and the Acting Comptroller recommend award of contracts for three cribs to the lowest bidder and for two cribs to the second lowest bidder as follows:

Hammerschmidt Brothers, two 70-foot cribs on Farm No. 5, $1,470 each, and one 60-foot crib on Farm No. 6, $1,260; total contract price for three cribs, $4,200.

Joseph S. Davis and Sons, two 60-foot cribs on Farm No. 7, $1,276.81 each; total contract price for two cribs, $2,553.62.

These contractors are equipped to do prompt and efficient jobs, and promise completion in October.

I concur and recommend that the Acting Comptroller and the Secretary of the Board be authorized to execute these contracts.

On motion of Mr. Bissell, these contracts were authorized and the Acting Comptroller and the Secretary of the Board were authorized to execute the same.

EXPANSION OF RESIDENCE HALLS FACILITIES

(18) The Board of Trustees in 1951 authorized the expansion of the residence halls facilities at Urbana-Champaign at a total cost of $2,100,000.

The program consisted of the construction of Flagg House ($1,164,000) and Noble House ($648,000), the remodeling of the former food service area in Clark House into dormitory facilities ($30,000), modernization of Busey and Evans Halls ($25,000), and retirement of remaining indebtedness on the original Men's Residence Halls ($233,000).

Funds were provided by the issuance of revenue bonds, $1,750,000; from accumulated income of housing operations, $60,000; and from general University funds, $292,000. Interest and amortization of the bond issue will be paid from operating revenues of all men's residence units and Busey and Evans Halls.

Flagg House will provide food service for approximately 1,100 men students and housing for 106 men students. The food service facilities formerly located in Clark House (one of the three original men's halls) have been transferred to Flagg House which will now serve as the central food service for all of the Men's Residence Halls. Noble House was opened in the fall of 1952 and houses 288 men.

The main kitchens for food service are located on the ground floor of Flagg House. The dining area consists of four rooms, two on the first floor and two on the second floor, each seating approximately 200. There are two serving counters, arranged back to back, with one serving line for each room. Food prepared in the main kitchen is transferred to the two dining floors by means of dumb waiters and elevators. Heated food carts will insure the maintenance of temperatures during transportation from kitchen to serving area. Considerable flexibility is gained by the use of portable equipment in certain operations. In each dining room, there is an enclosed dish-scraping area from which the used dishes, trays, and silverware are transported to the main dishwashing area on the ground floor.

Housing facilities in Flagg House are on the third and fourth floors. There are 48 double rooms, two single rooms, and two for quadruple occupancy. Each floor has a lounge, toilet, and bath facilities.

The area in Clark House formerly used for food service has been remodeled into dormitory type housing with a capacity for 78 men.

With the completion of Flagg House, the University will have housing and food service in permanent buildings for 898 men. In addition, food service in Flagg House will be available to approximately 200 men living in the temporary Parade Ground Units.

Changes in Noble House consist of construction of corridor partitions and division of dormitory areas into smaller units. Acoustical ceiling tile has been installed in the study rooms and corridors and asphalt tile on all floor areas. All rooms have been painted.

The modernization of Busey and Evans Halls has included installation of stairwell partitions and doors in accordance with fire and safety program. Most of the room furniture has been replaced, floors have been completely covered with asphalt tile, and new wallpaper has been hung in corridor areas.

This report is submitted for the information of the Board and requires no action. I should like to close it with a note of appreciation to the Board of Trustees. Although the University of Illinois is still far behind other comparable universities in residence halls facilities for undergraduate students, this expansion program authorized by the Board of Trustees has markedly improved housing conditions for men. It should be noted that the expanded facilities have increased housing accommodations for men from approximately 500 to approximately 900. In addition, the expanded food service facilities will accommodate 1,100, so that 200 men living outside of the halls can secure their meals there which will be a service to those housed in the temporary buildings in the residence halls area.

This report was received for record.

PROGRESS REPORT ON THE CHICAGO UNDERGRADUATE DIVISION

(19) At the July 25, 1953, meeting of the Board, a special committee on the Chicago Undergraduate Division made a report and recommendations. Following objections to this report by the Faculty Council of the Division and others, and discussion by the Board, action on the report was deferred. The Board requested that the Committee supply the Faculty Council with data which had been available to the Board Committee.

The Committee then asked that the President's Office make further inquiries with a view to arriving at some proposal that would be both feasible and acceptable to those concerned.

I then initiated discussions with the administrative heads in Chicago and, through Director E. F. Potthoff of the Bureau of Institutional Research, with the Faculty Council. Out of these discussions developed a revised proposal from the Division, concurred in by all parties at the Division, providing in substance for the following:

1. Pronouncement by the Board of a long-range policy of development of a four-year program whenever additional resources and new facilities can be provided;
2. Authority to the Division to add from time to time such junior and senior courses as may be possible with existing staff and facilities, or such additional resources as can be provided, at moderate additional cost;
3. Authorization of revisions in organization which would make possible executive committees in each of the several divisions, a general faculty organization with a duly elected faculty council, and other committees.

Discussions with the heads of the various colleges in Urbana-Champaign which cover the areas in which the Chicago Undergraduate Division operates brought to light the fact that there exists a decided lack of coordination and understanding between the Urbana-Champaign colleges and the Chicago Division. Since the former are responsible for giving degrees which include work in Chicago, it is essential that these conditions be improved and proper coordination established before any new policies for broader developments are adopted.

To that end, I have established a "task force" consisting of the Assistant to the Provost C. M. Louttit as Chairman and Coordinator, and Dr. Potthoff as Technical Adviser, representing the President's Office; representatives of each of the colleges in Urbana-Champaign to which students transfer from Chicago; and administrative and, if desired, faculty representation from Chicago.

I have also authorized the administration in Chicago to proceed with the general faculty organization through which representative committees can be duly elected.

In view of these developments, I suggested that further action and consideration by the Board be deferred until a more complete report of the results of these discussions can be compiled and presented.

On motion of Mr. Johnston, further consideration of proposals relating to a four-year university in Chicago was postponed pending further reports from the Acting President and his advisers.

QUARTERLY REPORT OF THE COMPTROLLER

(22) The Comptroller presents his quarterly report to the Board of Trustees as of June 30, 1953.

This report was received for record and a copy was filed with the Secretary of the Board.

APPOINTMENT OF DR. HEYWORTH N. SANFORD AS PROFESSOR AND HEAD OF THE DEPARTMENT OF PEDIATRICS

(23) On recommendation of the Acting Dean of the College of Medicine, endorsed by the Chairman of the Administrative Committee of the Chicago Professional Colleges, I nominate Dr. Heyworth N. Sanford for the position of Professor and Head of the Department of Pediatrics, on eighty-five per cent time, on indefinite tenure, beginning September 1, 1953, at a salary of $12,750 a year on "Y" basis.

This appointment is to replace that of Dr. Harry G. Poncher who resigned last year to go into private practice. Dr. Sanford has been on the faculty of the College of Medicine for the past twelve years and has been serving as Acting Head of the Department of Pediatrics on two-thirds time since September 1, 1952. Because of his commitments in his private practice it is not feasible for Dr. Sanford to accept a full-time appointment at this time but he is agreeable to doing so as of September 1, 1954, and his status will be changed accordingly.

On motion of Mr. Megran, this appointment was approved.

[1] Deduct.

SELECTION OF A PRESIDENT OF THE UNIVERSITY

At this point the Board took up consideration of plans for selection of a President of the University. President Livingston outlined the procedure followed by the Board on previous occasions which included the appointment of a special committee of the Board of Trustees and requesting the university faculty, the Alumni Association, and the Citizens Committee of the University of Illinois to appoint committees to assist the Board of Trustees in this task.

The following were nominated to serve as the Committee of the Board of Trustees: Mr. Herbert B. Megran, Chairman, Mr. Cushman B. Bissell, Mr. Wirt Herrick, Mr. Wayne A. Johnston, and Mrs. Frances B. Watkins.

On motion of Mr. Grange, the appointment of this Committee consisting of the above named Trustees was approved.

On motion of Mr. Nickell, the Chairman was authorized to organize the Committee and to determine the procedure to be followed in its work.

Mr. Megran expressed appreciation of his appointment as Chairman and stated that the Committee will meet on the days of Board meetings and at such other times as its work may require; the Secretary of the Board of Trustees will serve as Secretary of the Committee; and the Chairman will promptly call upon the University Senate, representing the general faculty, the Alumni Association, and the Citizens Committee to appoint committees to assist in the selection of a President.

Mr. Bissell offered a statement regarding the general qualifications for the position of President of the University.

No action was taken but the Secretary of the Board was requested to send copies of the statement to all members of the Board for consideration at the next meeting.

MOVING OF HEALTH CENTER TO McKINLEY HOSPITAL

Mrs. Holt for the Committee on Student Welfare and Activities reported on the proposal to move the Health Center to the McKinley Hospital. She stated that in view of the appointment by the Acting President of the University of an Advisory Committee on the Health Service which will study the various recommendations of the Director of Health Services, including the relocation of the Health Center, action by her Committee is being deferred.

COMMUNICATION FROM KREBIOZEN INVESTIGATING COMMISSION

The Secretary presented the following resolution received from the Krebiozen Investigating Commission, a copy of which had previously been sent to each member of the Board:

SEPTEMBER 10, 1953

RESOLUTION

RE: KREBIOZEN COMMISSION ACTIVITIES

WHEREAS, the Commission created pursuant to House Bill #823 enacted by the 68th General Assembly of the State of Illinois to inquire into the controversy heretofore or presently existing affecting the University of Illinois as such controversy relates to Krebiozen research, did organize September 10, 1953, at Chicago, Illinois, and

WHEREAS, said Commission did elect the Honorable William E. Pollack its

Chairman, the Honorable Roland V. Libonati its Vice-Chairman, and the Honorable Rollo Robbins its Secretary, and

WHEREAS, the Commission has unanimously adopted a motion to conduct hearings expeditiously and to adopt the proceedings of the committee created pursuant to House Joint Resolution #10 of the 68th General Assembly and to endeavor to complete its investigation and prepare its report by December 24, 1953, and

WHEREAS, Dr. Andrew C. Ivy, Distinguished Professor of Physiology and Director of the Department of Clinical Research of the University of Illinois, figures prominently in this investigation, and

WHEREAS, it has been reported in the daily press that the Trustees of the University contemplate holding a meeting in the near future and that it is likewise reported that at such meeting some action is contemplated by one of the Trustees in reference to the status of said Dr. Ivy at the University of Illinois, and

WHEREAS, this Commission considers that its findings may be useful to the Trustees of the University in its deliberation,

Now Therefore Be It Resolved that this Commission deems it advisable that no action be taken by the Trustees of the University in reference to Dr. Andrew C. Ivy or to the Office of Vice-President of the University of Illinois predicated upon his activities in reference to Krebiozen prior to the completion of the work of this Commission not later than December 24, 1953.

Be It Further Resolved that a copy of this resolution be forwarded to each member (both elected and ex-officio) of the Board of Trustees of the University of Illinois.

Adopted at Chicago, Illinois, September 10, 1953.

KREBIOZEN INVESTIGATING COMMISSION

VICE-PRESIDENT IN CHARGE OF THE CHICAGO PROFESSIONAL COLLEGES

President Livingston read from the minutes of the meeting of the Board of Trustees held on July 25, 1953, the action taken at that meeting regarding the status of Dr. A. C. Ivy whereby he was appointed Distinguished Professor of Physiology and Head of the Department of Clinical Science in the College of Medicine, on indefinite tenure, beginning September 1, 1953, at a salary of $18,500 a year. Dr. Ivy has accepted this appointment.

President Morey reported on his plan for setting up a committee of the faculty, on which there will also be representatives of the medical profession and of the Citizens Committee of the University of Illinois, to assist in the selection of a candidate for the position of a Vice-President in Charge of the Chicago Professional Colleges.

COMMUNICATION FROM FORMER TRUSTEES RELATING TO THE PRESIDENCY OF THE UNIVERSITY

The Secretary presented the following communication received from fifteen former members of the Board of Trustees. Copies of this had previously been sent to all members of the Board.

CHICAGO, ILLINOIS
AUGUST 27, 1953

Board of Trustees
University of Illinois
Urbana, Illinois

We, the undersigned citizens of this State, all of whom were formerly members of the Board of Trustees of the University of Illinois, wish to record our protest against the unprecedented action of the present Board of Trustees in forcing Dr. George D. Stoddard to resign as President of the University. Dr. Stoddard has long been considered one of the outstanding educators in the United States. Common decency required an orderly procedure and a fair hearing for him. Instead, those who initiated the midnight action against Dr. Stoddard, did not even inform him or their fellow-trustees that any such subject was to be brought up for consideration.

We commend Trustees Herrick, Megran, Hickman, and Johnston for opposing these Star Chamber proceedings. They were faithful to their trust and to American standards of fair play.

For many years, the University of Illinois was kept out of politics. Recently, attempts to use the University of Illinois for political ends have become all too common and now have culminated in action which can not fail to do great harm. It is an interesting coincidence that two of the trustees who participated in these disgraceful proceedings were substituted for candidates whom the University of Illinois Alumni Association had recommended.

The University of Illinois is not the property of its faculty or its alumni or of any group of politicians. It belongs to the people of this State. We feel confident that when our fellow citizens understand what has happened, they will express their indignation in ways that will be understood.

Much as we deplore the precipitate action that was taken in Dr. Stoddard's case, we realize that it can not now be undone. Our present objective is to see that a properly qualified person shall be selected as the new president. We hope the Board of Trustees will consider attentively the recommendations of authorized representatives of the faculty, the alumni, and the Citizens Committee of the University of Illinois, and will find a worthy successor to Dr. Stoddard. In the meantime, we think it is most important that the major positions now open in the University be filled on a temporary basis only, so that the new president will have an opportunity to participate in the selection of permanent occupants of these positions. His hands should not be tied in advance by appointments which it will be difficult to rescind.

Finally, we urge every citizen of the State of Illinois to make it clear to the Trustees of the University that the citizens expect them to administer the affairs of the University as a sacred trust, entirely above and apart from considerations of personal advantage or partisan politics.

OCTOBER MEETING

By unanimous consent, the next meeting of the Board was set for Thursday, October 22, 1953, at Urbana-Champaign, Illinois, the hour and place to be determined by the President and Secretary of the Board.

On motion of Mr. Johnston, the Board adjourned.

MEETING OF THE EXECUTIVE COMMITTEE

On call of the Chairman, a meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the LaSalle Hotel, Chicago, Illinois, on Wednesday, September 23, 1953, beginning at 12:00 Noon (C.D.S.T.).

President Park Livingston, Chairman, Mr. Herbert B. Megran, and Mrs. Frances B. Watkins were present. Also present were: Messrs. Wirt Herrick, Robert Z. Hickman, and Vernon L. Nickell, and Mrs. Doris S. Holt of the Board of Trustees; Dr. Lloyd Morey, Acting President; Mr. Ralph F. Lesemann, Legal Counsel; and the officers of the Board, Messrs. H. O. Farber, Acting Comptroller, C. W. Weldon, Treasurer, and A. J. Janata, Secretary.

The Committee considered the following items of business presented by the Acting President of the University.

FINAL PAYMENTS ON CONTRACTS FOR CONSTRUCTION OF ADDITION TO RESEARCH AND EDUCATIONAL HOSPITALS

It is the standard practice of the University to defer making final payments on construction contracts until the architects in charge have certified that the work has been completed and the contractor has complied with all contractual requirements such as returning drawings, submitting guarantees, and submitting waivers of lien.

The Bloomer Heating and Ventilating Company of Chicago, contractor for the heating and ventilating installations in the construction of the addition to the Research and Educational Hospitals, has submitted to the University a claim for $29,852 for damages alleged to have been sustained by it because of delays during the

extended period of construction. This amount purports to primarily reflect the increase in wage rates between July 1, 1951, and June 30, 1953, plus the increase in the cost of fabricating steel and the increased cost of supervision. The contractor refuses to release this claim as a condition to the requested payment of the balance of the contract price (which is not included in the claim), but is willing to enter into an agreement that the payment may be made without prejudice to the University's rights to contest the claim and to any claims the University may assert against it. The contractor has complied with all contractual requirements.

The claims asserted by the Patrick Warren Construction Company are based upon alleged delays or actions of this contractor to only a very slight extent. These alleged delays were due chiefly to governmental restrictions on the use and delivery of stainless steel and appear to have been beyond Bloomer's control. Under the terms of the contract, this contractor probably can not be held responsible for delays so caused.

The provisions of the contract provide for final payment upon completion of construction, exclusive of damages, if any. The legal right of the University, under the contract, to withhold final payment for the work done merely because the contractor has submitted the above mentioned claim for damages is decidedly doubtful and it would be inequitable to attempt to claim or exercise it, even if it could be established.

The Director of the Physical Plant Department, the Acting Comptroller, and the Legal Counsel recommend:

a. That payment of the unpaid balance of the contract price under this contract be authorized upon full compliance by said contractor with all requirements of the contract and upon execution of an agreement approved by the Legal Counsel, protecting the rights of each party to assert claims against the other and to deny and contest any such claims.
b. That such final payments on other contracts pertaining to the Hospital Addition be authorized also, if, in the opinion of the University (i.e., that of its above mentioned officers) the contractors therein have fully completed their work, have not contributed to the delay in the completion of the building, and have fully complied with the provisions of the contracts, and if they also enter into similar agreements with the University, relative to its and their other claims, if any.

I concur.

On motion of Mr. Megran, these recommendations were approved.

OFFER OF LAND TO THE UNIVERSITY

A prospective donor of a large area of valuable land has asked University officials to consult the Board of Trustees regarding the acceptability of this land for University and public use. He is considering these options: an outright deed of the land to the University under an agreement whereby the University will pay him the net income either for a specified period or until his death, or including in his will a bequest of this land to the University. In either case, the University would be expected to agree to use this land for the purposes specified.

The Acting President and the Legal Counsel discussed this offer and the conditions. A memorandum outlining the offer and the conditions more specifically was filed with the Secretary of the Board for record.

On recommendation of the Acting President, the Executive Committee, with the concurrence of the other members of the Board present, authorized the Acting President and other University officials to inform the prospective donor that the Trustees appreciate his generous offer and that they are interested in accepting it under conditions which will protect University and public interests and at the same time carry out as fully as possible his wishes.

The Executive Committee adjourned.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

October 22, 1953

The October meeting of the Board of Trustees of the University of Illinois was held in the Illini Union Building, Urbana, Illinois, on Thursday, October 22, 1953, beginning at 10:00 a.m.

The following members were present: Mr. Cushman B. Bissell, Mr. Wirt Herrick, Mr. Robert Z. Hickman, Mrs. Doris S. Holt, Mr. Wayne A. Johnston, Mr. Park Livingston, Mr. Herbert B. Megran, Mr. Vernon L. Nickell, and Mrs. Frances B. Watkins. Mr. Harold E. Grange and Governor William G. Stratton were absent.

Also present were Dr. Lloyd Morey, Acting President, Provost Henning Larsen, Dean E. R. Serles, Chairman of the Administrative Committee of the Chicago Professional Colleges, Mr. Arthur R. Wildhagen, Assistant Director of Public Relations, and the officers of the Board, Messrs. H. O. Farber, Acting Comptroller, C. W. Weldon, Treasurer, and A. J. Janata, Secretary.

Executive Session

When the Board convened, an Executive Session was ordered to consider the following matters of business.

INVITATION FROM THE GOVERNOR

The Secretary reported that the Governor and Mrs. William G. Stratton have invited the members of the Board of Trustees to be their guests at the Executive Mansion in Springfield at the time of the January meeting of the Board, and that Mrs. Stratton has suggested a number of dates which would be convenient.

On motion of Mr. Nickell, this invitation was accepted for January 19, 1954.

APPLICATION OF DR. GEORGE D. STODDARD FOR RETIREMENT ANNUITY

Dr. George D. Stoddard has made application to the University Retirement System of Illinois for a retirement annuity effective February 1, 1954.

The Law creating the System provides that a participant who has attained "at least the age of 60, or has attained at least the age of 55 and has been certified by both the Employer and the Board as being entitled to a Retirement Annuity" shall receive such an annuity. (The Board referred to in the quoted statement is the Retirement System Board.)

Dr. Stoddard is fifty-six years of age and if his application is approved he is entitled to a retirement annuity of $119.91 per month beginning February 1, 1954, and continuing for life, provided his application for the same is approved by the University.

In other cases of this kind, the President of the University has acted for the Employer (i.e., the Board of Trustees of the University of Illinois) upon application for a retirement annuity, but since the employment relationship of the President is directly with the Board of Trustees it would seem appropriate that the Board or its Executive Committee should act upon Dr. Stoddard's application. Hence, it is being submitted to the Board for approval.

The Acting President and the Acting Comptroller see no objection to approval of the application.

On motion of Mr. Johnston, seconded by Mr. Bissell, this application was approved.

LETTER FROM EUGENE QUAY

The President of the Board presented a letter which he had received from Mr. Eugene Quay, 7512 Rogers Avenue, Chicago 26, Illinois, concerning the participation of the University's Legal Counsel in the hearings before the Krebiozen Investigating Commission.

On motion of Mr. Bissell, the Secretary of the Board was instructed to acknowledge receipt of this letter and to inform Mr. Quay that it had been brought to the attention of the Board.

ANNUAL MEETING OF ASSOCIATION OF GOVERNING BOARDS OF STATE UNIVERSITIES AND ALLIED INSTITUTIONS

The thirty-first annual meeting of the Association of Governing Boards of State Universities and Allied Institutions will be held November 30

through December 5, 1953, beginning at the University of Florida in Gainesville, Florida, and concluding in Miami, Florida, on Saturday night, December 5. President Livingston asked for the instructions of the Board regarding a representative of the University at this meeting.

On motion of Mr. Nickell, the President of the Board was authorized to appoint a representative.

REPORT OF COMMITTEE ON THE SELECTION OF A PRESIDENT OF THE UNIVERSITY

Mr. Megran, Chairman of the Committee on the Selection of a President of the University, reported that the Alumni Association and the University Senate (the general faculty) have now appointed committees to assist the Board Committee. The Board Committee has held one meeting, will hold another one today, and will meet with the chairmen of the auxiliary committees on November 12, 1953.

At the meeting of the Board on September 23, 1953, Mr. Bissell offered a statement regarding general qualifications for the presidency of the University. Action on this statement was deferred and the Secretary sent copies of it to all members of the Board for consideration today. Mr. Bissell suggested that no formal action be taken and that the statement be regarded as being simply for the information of the Committee.

APPROPRIATION FOR COMMITTEE ON THE SELECTION OF A PRESIDENT OF THE UNIVERSITY

The Chairman of the Committee stated that funds will be needed for expenses incurred in its work and also for payment of the expenses of the auxiliary committee of the University Senate, the Alumni Association, and the Citizens Committee. He recommended that a nonrecurring assignment of $2,000 be made from the General Reserve Fund to the Board of Trustees office for this purpose, with the provision that the unexpended balance in this appropriation as of June 30, 1954, be carried forward to the next fiscal year, and that the Secretary of the Board be authorized to approve requisitions and vouchers charged against this fund.

On motion of Mr. Megran, this appropriation was made, with the provision that the unexpended balance on June 30, 1954, be carried forward and made available for the following fiscal year, by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

BUSINESS PRESENTED BY THE ACTING PRESIDENT OF THE UNIVERSITY

The Board took up consideration of the following reports and recommendations from the Acting President of the University.

CONGRESSIONAL VISIT TO THE UNIVERSITY

(1) As a land-grant college, the University of Illinois receives federal funds for the support of its programs of education, research, and extension in agriculture and home economics. The University and the state of Illinois, therefore, have an important interest and stake in congressional appropriations made to land-grant colleges and in the policies of the national administration toward research and

extension work in agriculture and home economics. It appears probable that increased appropriations for these activities will be requested from the next Congress by the United States Department of Agriculture, offset by recommended decreases in its other activities. Federal expenditures for any purpose are a proper concern of every taxpayer, but it is the special duty of the leadership of land-grant colleges to give advice and exercise influence in such ways that federal funds appropriated for extension work in agriculture and home economics are used wisely and in the best public interest.

It has been suggested that the University of Illinois invite to its campus the United States Senators and Congressmen from Illinois for at least one full day so that they may be informed about the work which is being done in this state by the University of Illinois College of Agriculture, the Agricultural Experiment Station, and the Extension Service in Agriculture and Home Economics. While the day would be given chiefly to agricultural matters, the visit would give the delegation an opportunity to become better acquainted with the entire University.

Before going ahead with such a program, I should like to have the advice and concurrence of the Board.

On motion of Mr. Nickell, the Board concurred in this plan.

APPLICATION OF ILLINOIS POWER COMPANY FOR INCREASE IN RATES

(2) The President of the University reported that the Illinois Power Company has filed an application with the Illinois Commerce Commission for authority to increase the rates charged by this company for electric power, gas, and steam. If the increase is allowed, the University will be affected since it purchases gas for all of the departments at Urbana and Champaign and the electric power required to service the temporary housing areas.

The cities of Urbana and Champaign are objecting to the proposed increase and have invited the University to join with them. The Legal Counsel has been authorized to represent the University in filing objections and to cooperate with local city officials in this matter with the understanding that the University stands ready to make an initial payment of $300 for its share of the costs.

No action by the Board of Trustees is required at this time but if it appears advisable for the cities of Urbana and Champaign and the University to engage special counsel and other special services, the matter will again be brought before the Board.

Open Session

The Board convened in open session and resumed consideration of the following reports and recommendations from the Acting President of the University.

APPOINTMENTS TO THE FACULTY

(3) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. Bjornar William Bergethon, Professor of Music, beginning March 1, 1954, at an annual salary of $8,600 (A).
2. Frank J. Fara, Clinical Assistant Professor of Obstetrics and Gynecology, beginning October 15, 1953, without salary (DY).
3. Roy J. Gillette, Assistant Professor of Histology, College of Dentistry, beginning October 1, 1953, at an annual salary of $3,000 (DY50).
4. M. Virginia Guthrie, Assistant Professor of Home Economics, beginning January 1, 1954, at an annual salary of $4,750 (B).
5. Martha Wilson Hoffman, Assistant Professor of Education, University High School, and of Classics, beginning September 1, 1953, at an annual salary of $4,500 (B).
6. John Charles Jones, Assistant Professor of Child Development, in the Department of Home Economics, beginning September 1, 1953, at an annual salary of $4,500 (B).
7. Louis Lams, Clinical Assistant Professor of Psychiatry, College of Medicine, beginning October 1, 1953, without salary (DY).

8. ROWLAND RATHBUN, Assistant Professor of Architecture, in the Department of Architecture and Art, Chicago Undergraduate Division, beginning September 1, 1953, at an annual salary of $5,600 (D).

9. RAYMOND E. ROBERTSON, Clinical Assistant Professor of Psychiatry, College of Medicine, beginning September 1, 1953, without salary (DY).

10. JEANNE SPURLOCK, Assistant Professor of Psychiatry, College of Medicine, beginning October 1, 1953, at an annual salary of $5,760 (DY80).

On motion of Mr. Johnston, these appointments were confirmed.

UNIVERSITY OF ILLINOIS CITIZENS COMMITTEE

(4) In 1941, on recommendation of the President of the University, the Board of Trustees established a General Advisory Committee to advise the President and the Board on matters relating to the welfare of the University, its development and services to the state, and on questions of general public policy. Subsequently, the name was changed to the University of Illinois Citizens Committee. Major Lenox R. Lohr, President of the Museum of Science and Industry, was Chairman of the Committee. For the past four years the Committee has not been active and the terms of all members have expired.

I recommend that this Committee be reactivated and reconstituted as follows:

General Purpose

A Citizens Committee, made up of public-spirited and opinion-forming citizens, is established to perform an important function in the life of the University and make valuable contributions to public education in Illinois. The Committee will give officers of the University an opportunity to inform a group of important citizens of this state, who are not otherwise intimately connected with the University, of its accomplishments in instruction, research, and public service, of its aspirations and needs. With this knowledge members of the Citizens Committee can convey information about the University to their associates and thus interpret its functions to more people of Illinois. Through an Executive Committee of nine to be appointed by the Board of Trustees from the general membership, the Citizens Committee will advise the President of the University and the Board of Trustees on specific matters referred to it for opinion. The Committee as a whole can also serve as a "sounding board" for new ideas and thus reflect the attitude of the people of Illinois toward their University.

Membership and Appointments

1. This Committee will be composed of citizens of Illinois nominated by the President of the University and appointed by the Board of Trustees to serve for a period of three years.

2. Included in its membership, in an *ex officio* capacity, will be present and past members of the Board of Trustees, officers of the University's Alumni Association, officers of the Dad's Association, and officers of the Mother's Association.

3. There will be an Executive Committee of nine appointed by the Board of Trustees from the general membership upon recommendation of the President of the University.

4. Meetings of the Citizens Committee and of the Executive Committee will be held on call of the President of the University.

5. There shall be no specific limit to the size of the Committee. (For the present it is proposed that the Committee will number about two hundred including *ex officio* members.)

6. The Secretary of the Board of Trustees will serve as *ex officio* Secretary of the Citizens Committee and the Executive Committee.

If the foregoing recommendation and plan are approved, I further recommend that the Executive Committee of the Board of Trustees be authorized to act for the Board upon nominations by the President of the University for appointments to the Citizens Committee and to its Executive Committee. All such appointments will be reported to the Board for record.

On motion of Mr. Herrick, this recommendation and plan were approved, and an assignment of $2,500 was made from the General Reserve Fund for the fiscal year 1953-1954 for the expenses of the

Citizens Committee. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

MEDICAL EXAMINATION AND IMMUNIZATION OF EMPLOYEES

(5) Under Board of Trustees' regulations, members of the faculty and nonacademic employees are required to undergo medical examinations and immunization for certain diseases. The Director of Health Services recommends that the immunization requirement be revised to read as follows:

"No employee shall be considered as having qualified physically for a position at the University of Illinois until he has furnished satisfactory evidence of immunity to smallpox as defined by the Illinois Department of Public Health in its 'Manual and Outline of Procedure for Health Officers'; nor shall work with sewage unless immunized against typhoid and paratyphoid fevers."

This will conform to present standard health practices as specified by the Department of Public Health.

I concur.

On motion of Mr. Nickell, this change was authorized.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(6) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

1. College of Fine and Applied Arts, installation of ramps in the Architecture Building for wheelchair students		$ 3 850
2. To the following colleges and divisions for minor nonrecurring expenditures, individual assignments not to exceed $2,500:		
Liberal Arts and Sciences	$ 8 000	
Agriculture	7 000	
Engineering	5 000	
Commerce and Business Administration	2 000	
Education	2 000	
Fine and Applied Arts	2 000	
Physical Education	1 000	
Veterinary Medicine	1 000	
Communications	1 000	
University Extension	1 000	
Library	2 000	
Other Urbana Divisions (to be assigned by the Chairman of the Nonrecurring Committee)	15 000	
Chicago Undergraduate Division	3 000	
Chicago Professional Campus (to be assigned by the Chairman of the Nonrecurring Committee)	15 000	
		65 000
3. Library, for purchase of early and rare books		5 746
Total		$74 596

I recommend that these appropriations be made from the General Reserve Fund with the provision that under item 2 expenditures for items of more than $1,000 shall be subject to review and approval by the President.

On motion of Mr. Bissell, these appropriations were made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

APPROPRIATION FOR THE COLLEGE OF ENGINEERING

(7) The College of Engineering and the University of Illinois will be host to the American Society for Engineering Education at its Sixty-second Annual Meeting in Urbana-Champaign on June 13-18, 1954. This event will bring to the campus over two thousand teachers of engineering. Preliminary arrangements have been in process for nearly two years, with the concurrence of the President's Office.

It is customary for the host institution to provide for certain expenses of the convention. One-half or more of the costs is recovered in registration fees. Meals, housing, and special trips are paid for by the participants. It is estimated that the University's share of the cost will be approximately $4,500.

The Dean of the College of Engineering and the Acting Comptroller recommend an appropriation of $4,500 or so much thereof as may be required to cover the University's portion of the expenses of this meeting.

I concur.

On motion of Mr. Johnston, this appropriation was made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

APPROPRIATION AND CONTRACT FOR ARCHITECTURAL STUDIES IN THE RESEARCH AND EDUCATIONAL HOSPITALS

(8) With the activation of the addition to the Research and Educational Hospitals, it is necessary that architectural studies be made of the remodeling for other purposes of vacated space in the original building. These studies would be a continuation of similar studies being made of space to be remodeled in the Dentistry-Medicine-Pharmacy Building when part of it is vacated by the removal of the College of Pharmacy to the East Dentistry-Medicine-Pharmacy Building. The Board of Trustees made an assignment of $50,000 for the latter studies and authorized a contract with Pace Associates for this work.

Due to excellent cooperation of the departments at the Chicago Professional Colleges in working with the Committee responsible for space allocations, there have been fewer revisions in the drawings made by Pace Associates than were originally contemplated so that costs of these studies will be not more than $40,000. In order that the Committee on Space Allocation may continue its studies of the present Research and Educational Hospitals Building, the Director of the Physical Plant and the Acting Comptroller recommend that:

An additional allocation of $30,000 be made for such studies from the funds reserved but not used for the operation of the new addition to the Hospitals.

A contract be authorized with Pace Associates for additional architectural studies of the remodeling of vacated space in the Research and Educational Hospitals on the same basis as their contract for studies of remodeling in the Dentistry-Medicine-Pharmacy Building.

Charges for work will be based on the actual time payments to the staff of Pace Associates at the following rates:

Architect-Planner	$6.00 per hour
Senior Architectural Draftsman	$3.00 to $3.50 per hour
Structural Engineering Designer Mechanical Engineering Designer Electrical Engineering Designer	$3.50 to $4.50 per hour
Chief Mechanical Engineer	$5.00 per hour
Senior Engineering Draftsman	$2.50 to $3.50 per hour

To these charges will be added 100 per cent for overhead costs. The contract will stipulate that the charges for the work may not exceed $45,000 without approval from the University.

The Chairman of the Administrative Committee for the Professional Colleges Campus concurs in these proposals.

I recommend approval, including the additional assignment of $30,000 from unused hospital operation funds, and that the Acting Comptroller and the Secretary of the Board be authorized to execute a contract with Pace Associates in accordance with the conditions specified.

This recommendation was referred to the Committee on the Chicago Departments for advice.

Later, Mr. Bissell for the Committee reported that it had met during a recess taken by the Board and had considered this matter.

On motion of Mr. Bissell, this recommendation was approved and the assignment of funds was made and authority was given as re-

quested, by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

NAVAL RESEARCH CONTRACT

(9) The University has had a contract with the Department of the Navy, Office of Naval Research, since March 1, 1946, for research in nuclear physics. The current contract terminates December 31, 1954.

During this period (1946-1953), funds in the amount of $3,242,756 have been made available for the research called for in the contract. The University receives reimbursement for all direct expenditures plus an allowance for all indirect costs.

It is proposed to extend the contract for an additional year to December 31, 1955, at the present annual contract payment of $400,000. This will provide funds for twelve months' operation at the current level of operations.

The Dean of the College of Engineering and the Acting Comptroller recommend continuation of this research project.

I concur and recommend that the Acting Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Holt, this contract was approved and the Acting Comptroller and the Secretary of the Board were authorized to execute the same.

CONTRACT FOR CONSTRUCTION OF STORM SEWER FOR NEW LAW BUILDING AREA

(10) The Director of the Physical Plant and the Acting Comptroller recommend the award of a contract for $178,265 to the Illiana Construction Company, the lowest bidder, for the extension of a storm sewer from near Lincoln Avenue across the South Campus to service the new Law Building area. Total estimated cost of the project, including work to be done by the Physical Plant Department, is $211,300. A contract for engineering work on this sewer was authorized by the Board of Trustees on April 19, 1951.

The storm sewer is necessary to correct bad drainage in this area. It will also provide outlets for future buildings in the southwest campus, where storm drainage is presently inadequate.

This contract will be subject to release of funds by the Governor from the state appropriation for construction of the Law Building.

I concur and recommend that the Acting Comptroller and the Secretary of the Board be authorized to execute these contracts when funds are released.

On motion of Mr. Hickman, this contract was awarded and the Acting Comptroller and the Secretary of the Board were authorized to execute the same.

CONTRACT WITH WILSON AND ANDERSON FOR ENGINEERING SERVICES ON SANITARY SEWER FOR LAW BUILDING

(11) The Director of the Physical Plant and the Acting Comptroller recommend the award of a contract to Wilson and Anderson, Consulting Engineers, Champaign, for engineering services on the construction of a sanitary sewer extension along Peabody Drive, between First and Fourth Streets, to service the new Law Building. The contract will be on the following basis:

a. For design work, including plans and specifications, a fee of 4½ per cent of the estimated construction cost of the work up to a cost of $25,000, and at a rate of 4 per cent of the estimated cost of construction of the work in excess of $25,000.

b. For construction supervision, a fee of 4 per cent of the actual cost of construction work up to a cost of $25,000, and at the rate of 3½ per cent of the actual cost of construction work in excess of $25,000.

c. For field inspection service, if requested by the University, the net amount of wages paid the inspector, plus 25 per cent to cover overhead costs.

The estimated total cost of the project for the sanitary sewer extension is $40,500, and the estimated fee for Wilson and Anderson is $3,700.

A release of funds from the state appropriation for construction of the Law Building will cover the cost of this project.

I concur and recommend that the Acting Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was awarded and the Acting Comptroller and the Secretary of the Board were authorized to execute the same.

CHANGE IN CONTRACT FOR EAST DENTISTRY-MEDICINE-PHARMACY BUILDING

(12) The Director of the Physical Plant and the Acting Comptroller recommend an increase of $2,818.60 in the contract with E. H. Sheldon Equipment Company for laboratory equipment in the East Dentistry-Medicine-Pharmacy Building now under construction.

The state appropriation for this building was less than originally requested, and hence a change in over-all planning was necessary. It has now been determined that by extending steam service to the chemistry laboratory tables in certain laboratories on the fourth and fifth floors, more efficient use of laboratory space can be achieved. This change of the contract provides for addition of certain accessories, such as steam cocks, to three hundred desks in three laboratories.

Funds are available in the appropriation for the construction of this building.

I concur and recommend that the Acting Comptroller be authorized to execute this change in contract.

On motion of Mrs. Watkins, this increase in the contract was authorized.

ADVISORY COMMITTEE FOR INSTITUTE OF LABOR AND INDUSTRIAL RELATIONS

(15) The Director of the Institute of Labor and Industrial Relations recommends the following appointments to the Institute's advisory committee for a term of three years effective September 1, 1953.

STEPHEN M. BAILEY, Business Manager, Chicago Journeymen Plumbers (AF of L), 1340 West Washington Boulevard, Chicago

LLOYD MCBRIDE, Representative, United Steelworkers of America (CIO), First National Bank Building, 19th and Cleveland Streets, Granite City

These appointments replace Messrs. Thomas J. Haggerty, Secretary-Treasurer, Milk Wagon Drivers' Union, Local No. 753 (AF of L), Chicago, and Joseph Germano, District Director, United Steelworkers of America (CIO), East Chicago, whose terms have expired as representatives of labor.

ROBERT BRYAN, Manager, Manufacturing Division, Herman Nelson Division, 1824 Third Avenue, Moline

E. G. KASCH, General Personnel Manager, Kraft Foods Company, 500 Peshtigo Court, Chicago 90

These appointments replace Messrs. John L. McCaffrey, President, International Harvester Company, Chicago, and John Slezak, President, Turner Brass Works, Sycamore, as representatives of management.

HAROLD G. BAKER, Attorney, Murphy Building, East St. Louis

WALTER V. SCHAEFFER, Chief Justice, Illinois Supreme Court, Supreme Court Building, Springfield

OTTO STEFFY, Vice-President, Illinois Agricultural Association, Stronghurst

These appointments replace Messrs. Charles B. Shuman, President, Illinois Agricultural Association, Chicago; Fred L. Wham, Judge, U. S. District Court, Centralia, and William Wirtz, Professor of Law, Northwestern University, Evanston, as representatives of the public.

I concur.

On motion of Mrs. Holt, these appointments were approved.

RESEARCH CONTRACTS

(16) On April 15, 1951, the University entered into Contract NObsr-52367 with the Navy Bureau of Ships. The contract carries with it a military security classification of "restricted." Funds in the amount of $119,074 were provided. It is now proposed that the contract be extended to July 1, 1954, and that an additional $102,000 be made available.

On September 15, 1952, the University entered into Contract AF 19(604)-524 with the Cambridge Research Center of the United States Air Force. The purpose of this contract was to conduct a study leading to the production of very high

[1] Deduct.

frequency oscillations. Funds in the amount of $52,000 were provided. Subsequently, the contract price was increased by $90,666. It is now proposed that the contract be extended to September 14, 1954, and that an additional $120,000 be made available.

Under both contracts the University will receive reimbursement for indirect costs incurred. Both extensions have been recommended by the Dean of the College of Engineering and the Chairman of the University Research Board (Professor F. T. Wall).

I concur and request authority for the Acting Comptroller and the Secretary of the Board to conclude these contracts.

On motion of Mr. Megran, these contracts were approved and the Acting Comptroller and the Secretary of the Board were authorized to execute the same.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(17) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

Name	*Address*	*State from Which They Obtained Certificates*
IRVING MAURICE BONAWITZ	Chicago, Illinois	District of Columbia
HOWARD ELSTON CROUSE	Columbus, Indiana	Indiana
EMIL ALLAN EPSTEIN	Chicago, Illinois	Connecticut
ROWAN JOSEPH GABLE	Affton, Missouri	Missouri
FRANCES IRENE GOESMAN	Litchfield, Illinois	Missouri
SIDNEY R. GUSHEN	Trenton, New Jersey	New Jersey
WILLIAM FRANCIS LINNANE	Glen Ellyn, Illinois	North Carolina
LOUIS REISS	Hartford, Connecticut	New York
WADE HAMPTON SCHROEDER	Hinsdale, Illinois	Oklahoma
CLARK SLOAT	Short Hills, New Jersey	New York
PAUL MICHAEL SOMERS	Champaign, Illinois	District of Columbia
SYDNEY SMITH STERNS	Decatur, Illinois	New Jersey
KOICHI HARRY TOKUSHIGE	Chicago, Illinois	Territory of Hawaii

I concur.

On motion of Mr. Nickell, these certificates were awarded.

REPORTS FROM DEANS

At this point, the President of the University introduced Deans Paul M. Green of the College of Commerce and Business Administration, Albert J. Harno of the College of Law, and Robert Graham of the College of Veterinary Medicine, who addressed the Board on the state of their colleges.

PRESIDENT'S LETTER TO ILLINI DADS

Mr. Bissell called attention to the letter sent recently by the Acting President to the fathers of University of Illinois students inviting them to Dad's Day on October 31, 1953, and giving them information about University matters of special interest to parents of students. Mr. Bissell and other Trustees expressed their commendation of this letter.

NOVEMBER-DECEMBER-JANUARY MEETINGS

By unanimous consent, the dates of the next three meetings were fixed as follows:

November 20, 1953, in Chicago, at the LaSalle Hotel, beginning at 8:00 p.m.

December 16, 1953, in Chicago. Mr. Weldon, Treasurer of the University, invited the Board to hold this meeting at the First National Bank of Chicago and

to be guests of the Bank at luncheon. This invitation was accepted and the President and the Secretary of the Board were authorized to fix the hour of the meeting.

January 19, 1954, in Springfield, Illinois, the Board having previously accepted an invitation from the Governor and Mrs. Stratton to be their guests at luncheon at the Executive Mansion on this day.

REAPPOINTMENT OF PROFESSOR LOUIS B. HOWARD AS HEAD OF THE DEPARTMENT OF FOOD TECHNOLOGY

The Secretary submitted the following report.

Professor Louis B. Howard who has been serving as Professor and Head of the Department of Food Technology since his appointment in 1948, and as Associate Director of the Agricultural Experiment Station since 1951, has asked to be relieved of the headship of the Department because his duties as Associate Director require so much of his time. Accordingly, the headship of the Department was left vacant in the budget for 1953-1954.

There is no immediate prospect of filling the headship and Professor Howard has therefore been reappointed Head of the Department of Food Technology effective September 1, 1953, and continuing until a new head has been appointed and takes office.

SECRETARY'S REPORTS

The Secretary presented for record the following lists: (1) appointments made by the President; (2) graduate fellows; (3) resignations and declinations; (4) leaves of absence.

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parentheses is the date on which the appointment was made by the President of the University. C = College; S = Station; E = Extension.)

ABRAHAMS, ELIHU, Research Associate on three-fourths time, and Instructor on one-fourth time, in the Department of Physics (C), one year beginning September 1, 1953, $5100, supersedes (9-30-53).

ADELSON, MARVIN, Research Associate in Psychology, in the Graduate College, one year beginning September 1, 1953, $6400 (9-30-53).

ALEXANDER, DENTON E., Instructor and First Assistant in Agronomy (C and S), one year beginning September 1, 1953, $5200, supersedes (7-29-53).

ALONG, CARMEL E., Instructor in Home Economics (C), for the academic year beginning September 1, 1953, $3800 (9-17-53).

BALAGOT, REUBEN C., Clinical Instructor in Anesthesiology, in the College of Medicine, one year beginning September 1, 1953, without salary (10-1-53).

BARKLEY, MRS. MARGARET K., Instructor in Home Economics Education, on one-fourth time, for the academic year beginning September 1, 1953, $1000 (9-8-53).

BEAR, SANFORD A., Instructor in the Admitting Clinic, in the College of Dentistry, September 21, 1953-August 31, 1954, $5000 a year (10-5-53).

BERMAN, JULES, Instructor in Operative Dentistry, in the College of Dentistry, on 3/10 time, one year beginning September 1, 1953, $1440, supersedes (9-30-53).

BERNSTEIN, LIONEL M., Instructor in Medicine and Physiology, in the College of Medicine, one year beginning September 1, 1953, $6700 (10-1-53).

BHATTACHARYYA, PRABHAT K., Research Associate in Entomology, in the Graduate College, one year beginning September 1, 1953, $5000 (9-30-53).

BIENIAS, IGNATIUS M., Research Assistant in Mechanical Engineering (C), one year beginning September 1, 1953, $5100 (9-15-53).

BOHNING, ANN, Assistant Professor of Pediatrics, in the College of Medicine, on 67/100 time, one year beginning September 1, 1953, $3600, supersedes (9-15-53).

BONE, ROBERT G., Acting Dean of the College of Education, two months beginning September 1, 1953, $100 a month, on "Y" basis; this is in addition to his present appointment as Director of the Division of General Studies and Professor of History (9-17-53).

BROWN, JOHN W., Research Assistant in Biological Chemistry, in the College of Medicine, nine months beginning September 1, 1953, $3440 a year, supersedes (9-22-53).

BUTLER, MRS. ELSIE R., Instructor in Home Economics (4-H Supervisor) (E), one year beginning September 1, 1953, $5000 (9-17-53).

CATRAVAS, GEORGE N., Research Assistant in the Radiocarbon Laboratory, in the Graduate College, one year beginning October 1, 1953, $3300 (9-9-53).

CHEN, SHIH-DZUNG, Research Associate in Home Economics (S), one year beginning September 1, 1953, $5100, supersedes (9-8-53).

CHILDS, MARIAN T., Assistant Professor of Home Economics (S), on one-half time, one year beginning September 1, 1953, $2800 (9-24-53).

CHRISTOFFERS, WILLIAM H., Research Associate in Electrical Engineering (S), one year beginning September 1, 1953, $5000, supersedes (9-21-53).

CLEVEN, WALTER A., Research Assistant in Psychology, in the Graduate College, nine months beginning September 1, 1953, $3800 (9-18-53).

COLLEY, RUSSELL Q., Assistant in Ophthalmology, in the College of Medicine, one year beginning July 1, 1953, without salary (9-15-53).

CONNERS, MRS. SUSANNE, Instructor in English, in the Chicago Undergraduate Division, for the first semester of 1953-1954, $2050 (9-25-53).

COYNE, EDWARD M., Instructor in French, for the academic year beginning September 1, 1953, $4000 (9-10-53).

CRAINE, ELLIOTT M., Research Associate in Dairy Science (S), one year beginning September 1, 1953, $4250 (9-21-53).

CRANK, FLOYD, Instructor in Business Education, in the College of Commerce and Business Administration, on 55/100 time, and in the College of Education, on 45/100 time, for the academic year beginning September 1, 1953, $5000, supersedes (9-10-53).

CURTIS, JAMES O., Instructor in Agricultural Engineering (C and S), one year beginning September 1, 1953, $5200, supersedes (9-21-53).

DAVITZ, LOIS J., Assistant in English, for the first semester of the academic year 1953-1954 beginning September 16, 1953, $1350 for the period (9-18-53).

DELONG, CHARLES C., Assistant Professor of Accountancy and Bursar in the Business Office, one year beginning September 1, 1953, $9800, supersedes (9-25-53).

DUST, ALVIN I., Assistant in English, nine months beginning September 16, 1953, $2700 (9-15-53).

LAW BUILDING PLANS

As part of his report on the state of the College of Law, Dean Albert J. Harno discussed the plans for the new building. At the conclusion of his remarks, Professor Russell N. Sullivan, Chairman of the College of Law Building Committee, and Professor A. M. Richardson, designer of the new Law Building, exhibited a small scale model of the building and reported on the plans in detail. Mr. C. S. Havens, Director of the Physical Plant Department, and Mr. E. L. Stouffer, University Architect, joined in this discussion.

On motion of Mr. Bissell, the design of this building was approved and authority was given to the Physical Plant Department to complete the plans and to submit them to contractors for bids.

On motion of Mrs. Holt, the Board adjourned.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

November 20, 1953

The November meeting of the Board of Trustees of the University of Illinois was held in the LaSalle Hotel, Chicago, Illinois, on Friday, November 20, 1953, beginning at 5:30 p.m.

The following members were present: Mr. Cushman B. Bissell, Mr. Wirt Herrick, Mrs. Doris S. Holt, Mr. Wayne A. Johnston, Mr. Park Livingston, Mr. Herbert B. Megran, Mr. Vernon L. Nickell, and Mrs. Frances B. Watkins. Mr. Harold E. Grange, Mr. Robert Z. Hickman, and Governor William G. Stratton were absent.

Also present were Dr. Lloyd Morey, Acting President of the University, Provost Henning Larsen, Mr. Ralph F. Lesemann, Legal Counsel, Director C. S. Havens of the Physical Plant Department; and the officers of the Board, Messrs. H. O. Farber, Acting Comptroller, C. W. Weldon, Treasurer, and A. J. Janata, Secretary.

During a recess taken at 7:00 p.m., the following joined the meeting: Mr. J. F. Wright, Director of Public Relations, Dean E. R. Serles, Chairman of the Administrative Committee of the Chicago Professional Colleges, Dean Allan G. Brodie of the College of Dentistry, Acting Dean Roger A. Harvey of the College of Medicine, and Director Leslie A. Bryan of the Institute of Aviation; Messrs. Marc C. Norton, President of the First National Bank in Champaign and Executor of the Estate of George A. Miller, J. G. Thomas, Attorney for the Estate, and Wayne R. Bennett, Vice-President of the Continental Illinois National Bank and Trust Company of Chicago.

Executive Session

When the Board convened, an executive session was ordered to consider the following matters of business presented by the Acting President of the University and committee reports.

PATENTABLE DISCOVERIES

(1) The University Patent Committee submits the following reports and recommendations:

1. Robert W. McCloy, Professor of Aeronautical Engineering, has developed a controlled free-expansion supersonic nozzle in the course of research under a contract with the United States Navy. This device would have little, if any, commercial value. Accordingly, the University Research Board and the University Patent Committee recommend that all rights be released to the Office of Naval Research. The inventor has no personal interest in having the invention released to him.

2. The University holds a British patent on a betatron injector structure developed by Professor Donald W. Kerst. This patent will lapse unless an annual tax is paid for 1953 and subsequent years. The original purpose in securing the patent having been served, there is no longer any practical reason for keeping the patent in force. Accordingly, the University Research Board and the University Patent Committee recommend that this patent be allowed to lapse.

3. On June 22, 1953, upon the recommendation of the University Patent Committee, the Board of Trustees assigned to the University of Illinois Foundation any rights which the University might have in an equalizing reducer invented by E. I. Radzimovsky, Research Associate in Mechanical Engineering. The University Patent Committee has further studied the situation and is of the opinion that the University has no rights in this invention and recommends that Professor Radzimovsky be permitted to deal with the Foundation.

4. On October 23, 1951, the Board of Trustees released a discovery of a physiochemical method of bonding a metal to a ceramic to the inventors Floyd Dunn, Research Assistant, and Roger P. Wellinger, Research Assistant Professor, with the assistance of William J. Fry and Erwin K. Weise, Research Assistant Professors. Subsequently, the patent counsel of the Bureau of Ships, United States Navy, advised that the Bureau had certain patent rights in this invention. Accordingly, the Department of Electrical Engineering has recommended that the release to the inventors be withdrawn and that the invention be released to the Navy. The University Research Board and the University Patent Committee concur.

5. Thomas R. O'Meara, Research Associate in Electrical Engineering, has developed gain control of phase and gain matched multi-channel radio receivers in the course of research under a contract with the Office of Naval Research. This invention is of primary interest to the Armed Forces and would have very limited, if any, commercial value. The University Research Board and the University Patent Committee recommend that all rights be released to the government. The inventor has agreed to this recommendation.

6. Sherlock Swann, Jr., Research Professor of Chemical Engineering, has developed a new method of preparing certain fluoro-organic compounds. It is the opinion of the Head of the Department of Chemistry and Chemical Engineering that this discovery has no industrial value. Accordingly, the University Patent Committee and the University Research Board recommend that the discovery be released to the inventor.

7. Theodore Shapin, Jr., Research Associate, Digital Computer, has discovered a method of selecting microfilm abstracts. In the opinion of the Chairman of the Digital Computer Laboratory, Mr. Shapin made this discovery as a result of reading on documentary reproductions outside of his regular University work and it is not related in any way to his work in the Laboratory. The University Patent Committee and the University Research Board recommend that this invention be released to the inventor.

I concur in the above recommendations and request approval.

On motion of Mr. Nickell, these recommendations were approved.

AUTHORITY FOR COMPROMISE SETTLEMENT OF SUIT AGAINST UNITED STATES GOVERNMENT UNDER CONTRACT NO. W-49-007-MD-388

(2) At its July 25, 1953, meeting the Board of Trustees authorized the University's attorneys to attempt to negotiate a settlement of the above suit upon the basis of allowing the government a reduction of not more than 15 per cent of the disputed portion of the University's claim. Although the attorney handling the suit for the Department of Justice subsequently recommended settlement within that limit, his superiors refused to approve his recommendation and it now appears that the suit can not be settled upon the basis heretofore authorized. However, attorneys in the Department of Justice having the authority to accept offers in compromise not in excess of $5,000 have informally advised the University's attorneys that an offer of settlement in that sum will be accepted if made by the University.

The full amount of the University's claim is $6,868.40 of which $361.90 is not in dispute. Settlement upon the $5,000 basis will result in recovery of the full amount of the undisputed portion of the claim and approximately 71 per cent of the disputed portion. The Washington attorneys who are handling the suit for the University have agreed to make a sufficient reduction in the amount of their contingent fee to enable the University to realize a net recovery of the entire amount of the undisputed portion of the claim and 50 per cent of the disputed portion if it is settled upon the $5,000 basis.

While those attorneys believe that the University's entire claim is meritorious, they, for the same reasons which prompted them to recommend settlement upon the basis heretofore authorized by the Board of Trustees, believe it advisable and recommend that the University accept $5,000 in full settlement of the entire claim.

The Legal Counsel and the Acting Comptroller recommend that the suit be settled, if possible, upon this basis, and that the University's attorneys be authorized to make an offer of settlement to the government in the sum of $5,000.

I reluctantly concur, not because I consider it just and equitable but in order to expedite settlement and avoid the uncertainty of litigation.

On motion of Mr. Johnston, this compromise settlement was authorized.

REPORT OF COMMITTEE ON BUILDINGS AND GROUNDS

Mr. Megran, Chairman of the Committee on Buildings and Grounds, reported on the present status of negotiations with representatives of the Wesley Foundation of Urbana, Illinois, for the purchase of the Foundation's property in the block bounded by Green Street on the north, Goodwin Avenue on the east, Illinois Street on the south, and Mathews Avenue on the west, in the city of Urbana, which the University is seeking to acquire as a building site. Mr. Megran read a proposal made by the Foundation, a copy of which has been filed with the Secretary of the Board. The proposal, which includes the fixing of a new boundary line and prices asked for the various parcels of property, was discussed and the alternatives of acceptance, rejection, and possibility of a compromise were duly considered. It is the sense of the Committee on Buildings and Grounds, in which the other Trustees concur, that if the University and the Foundation agree on a purchase price the University should also agree to the Foundation's proposal that any University building constructed in this area shall be at least 75 feet south of the east-west center line of the block.

Formal action on the Foundation proposal was deferred until later in this meeting.

ESTATE OF GEORGE A. MILLER

(3) The President of the University and the Legal Counsel reported to the Board on conferences with the Executor and Attorney for the George A. Miller Estate, preliminary to the conveyance to the University of all assets of the Estate. The Board was informed of the official action and other steps to be taken in accepting these assets. Mr. Megran, Chairman of the Finance Committee, stated that his Committee would have a report to make later in the meeting regarding the investment of the Estate funds.

Action on these matters was deferred until the Board could receive the formal presentation by Messrs. Marc C. Norton, Executor, and J. G. Thomas, Attorney for the Miller Estate, who were to appear before the Board later at this meeting.

The executive session having been concluded, the Board recessed.

Open Session

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board reconvened in open session and took up consideration of the following reports and recommendations from the Acting President of the University.

AUDIT OF UNIVERSITY ACCOUNTS

(4) Haskins and Sells, Certified Public Accountants, Chicago, submit the report of their audit of the accounts of the University of Illinois for the fiscal year ended June 30, 1953. They are also making separate reports on the examination of accounts of the Athletic Association, the Alumni Association, and the University of Illinois Foundation.

Mr. Ralph S. Johns, Resident Partner of Haskins and Sells, appeared before the Board to present this report in person. Copies of the report had previously been sent to all members of the Board. Mr. Johns discussed the work of his firm, the scope of the audit, and answered questions.

The following is the Accountants' Certificate:

To the Board of Trustees of the University of Illinois:

We have examined the balance sheet of the University of Illinois as of June 30, 1953, the related summaries of current income and expenditures and changes in unappropriated current surplus, and the related summaries of changes in funds balances for the year then ended (Exhibits A to G, inclusive). Our examination was made in accordance with the generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

We have also examined the financial statements of The Athletic Association of the University of Illinois, The University of Illinois Alumni Association, and the University of Illinois Foundation, and have rendered separate reports thereon.

In our opinion, the accompanying balance sheet, the related summaries of current income and expenditures and changes in unappropriated current surplus, and the related summaries of changes in funds balances present fairly the financial position of the University of Illinois at June 30, 1953, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles.

GEORGE A. MILLER ESTATE

(5) It will be recalled that the late Dr. George A. Miller, Professor of Mathematics, *Emeritus,* who was a member of the faculty of the University of Illinois from 1906 until his death on February 10, 1951, made the following bequest to the University of Illinois:

"In the event that my said wife, Cassandra A. Miller, shall not survive me, then and in that event all the rest, residue and remainder of my estate, real, personal and mixed, of whatsoever kind and character and wheresoever situate, of which I am seized or possessed at the date of my death, I give, devise and bequeath unto the University of Illinois, a public corporation of the State of Illinois, to be by said University of Illinois held and invested, the income and the principal, or any part thereof, to be used by said University of Illinois for educational purposes, in such manner as the Board of Trustees of said University of Illinois shall determine; provided, however, that the use of said trust estate, or the income therefrom, shall be for other than current general operating expenses."

Mrs. Miller having predeceased him and there being no children and no other

bequests, the entire net estate, real, personal, and mixed is bequeathed to the University. All claims of other potential heirs-at-law against the Estate have been settled through agreements between them and the Executor of the Estate.

Mr. Marc C. Norton, President of the First National Bank in Champaign and Executor of the Estate of George A. Miller, is prepared to submit a final report of his acts and doing as such Executor to the Probate Court of Champaign County. Accordingly, he and Mr. J. G. Thomas, Attorney for the Estate, are now turning over to the University the assets of the Estate, consisting of United States treasury bills which cost $896,321 and cash in the bank in the amount of $5,249.11, a total amount of $901,570.11. In addition to these assets, real estate consisting of a small house and lot at 606 South Coler, Urbana, Illinois, with an appraised value of approximately $11,000, became the property of the University with the filing of Professor Miller's will.

The securities of the Estate are presently in the custody of the Harris Trust and Savings Bank in Chicago. The Board of Trustees of the University of Illinois has selected the Continental Illinois National Bank and Trust Company of Chicago, through its Trust Department, as the depositary and safekeeping agency in which the securities and other properties of the Estate shall be deposited.

Messrs. Norton and Thomas appeared before the Board to make formal presentation of the assets of the Estate.

Mr. Lesemann, University Legal Counsel, made a statement commending their work in the administration of the Estate and in disposing effectively of claims against it.

At the conclusion of this presentation, on motion of Mr. Megran, the following resolution was adopted:

Resolution

Be it Resolved by the Board of Trustees of the University of Illinois that the Acting Comptroller and Secretary of the Board of Trustees of the University of Illinois are directed and hereby authorized to execute a receipt for the assets bequeathed to the Board of Trustees of the University of Illinois by George A. Miller, deceased, and a waiver of notice of final settlement, entry of appearance and consent to the approval of the final report and discharge of Marc C. Norton, Executor of the Estate of George A. Miller, deceased; and

Be it Further Resolved that the Acting Comptroller and the Secretary of the Board of Trustees of the University of Illinois are directed and hereby authorized to execute an agreement indemnifying Marc C. Norton, Executor of the Estate of George A. Miller, deceased, from any liability on account of federal income taxes assessed against George A. Miller or the Estate of George A. Miller, deceased; and

Be it Further Resolved that the Acting Comptroller and Secretary of the Board of Trustees of the University of Illinois are directed and hereby authorized to execute an authorization to Marc C. Norton, Executor of the Estate of George A. Miller, deceased, and the Harris Trust and Savings Bank to deliver United States Treasury Bills having a maturity value of Nine Hundred Thousand ($900,000.00) Dollars to the Continental Illinois National Bank and Trust Company, as agent for the Board of Trustees of the University of Illinois; and

Be it Further Resolved that said documents be approved as to legal form by the Legal Counsel of the University of Illinois prior to their execution by the Acting Comptroller and the Secretary.

Certified copies of the above resolution and executed copies of the documents specified therein were given to the Executor and Attorney for the Estate immediately following adjournment of the Board meeting. Executed copies of these documents, along with the final report of the Executor to the County Court of Champaign County (Docket No. 13772), have been filed with the Secretary of the Board for record.

Mr. Megran, Chairman of the Finance Committee, reported that his Committee has conferred with Mr. Wayne R. Bennett, representing

the Continental Illinois National Bank and Trust Company of Chicago, who was also present at this Board meeting, regarding the investment program recommended by the Trust Department of that Company and that this program meets with the Committee's approval. As specified in a resolution adopted by the Board of Trustees on July 25, 1951 (page 857 of the minutes of that meeting), it is the present intention of the Board that the Miller fund be held intact as an endowment and the income used for educational purposes.

The Acting President of the University stated that he has appointed an *ad hoc* committee, under the Chairmanship of the Provost of the University, to consider special needs of the University to which the endowment income may appropriately be applied, and that a recommendation relating to this will be submitted to the Board later.

At the conclusion of the consideration of matters relating to the Miller Estate, the Acting President distributed to all present at the meeting copies of a "Memorial to Professor George Abram Miller" adopted by the University Senate on April 2, 1951, as a tribute to their late colleague.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(6) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

Name	*Address*	*State from Which They Obtained Certificates*
WILLIAM PAGE ANDERSON	Chicago	Wisconsin
RICHARD FRANKLIN ASTON	Danville	Indiana
ALBERT BURTON DOHERTY	Chesterton, Indiana	Michigan
NORMAN OTIS FOWLES	Roslyn, New York	New York
JAMES WILSON GASTON	Houston, Texas	Texas
JOSEPH LEON ROTHCHILD	Chicago	District of Columbia
OLIVER WILLIAM SCHNEIDER	St. Louis, Missouri	Missouri
IRVIN DAVID SMITH	Chicago	Washington
ORLAND ELGIE WALKER	Freeport	Wisconsin

I concur.

On motion of Mr. Megran, these certificates were awarded.

APPOINTMENTS TO THE FACULTY

(7) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. NORTON M. BEDFORD, Associate Professor of Accountancy, beginning February 1, 1954, at an annual salary of $7,500 (D).
2. JOHN S. GRAETTINGER, Assistant Professor (Rush) in the Department of Medicine, beginning October 1, 1953, without salary (DY).
3. ALDON H. JENSEN, Assistant Professor of Animal Science, beginning January 1, 1954, at an annual salary of $6,250 (DY).
4. FRANCIS O. LAMB, Clinical Assistant Professor of Psychiatry, beginning October 1, 1953, at an annual salary of $1,440 (DY25).
5. GERALD D. ROSENBAUM, Assistant Professor of Psychology and Counselor, Student Counseling Bureau, Chicago Undergraduate Division, beginning October 15, 1953, at an annual salary of $6,300 (BY).

Appointments to Nonacademic Staff

The Director of Nonacademic Personnel reports the following appointments to supervisory positions of upper level responsibility.

6. JOHN F. ALBRECHT, Supervisor of Security and Traffic, Department of Police and Watchmen, Chicago Professional Colleges Physical Plant, beginning September 21, 1953, at an annual salary of $5,700.

7. MRS. SYBLE E. HENDERSON, Placement Officer, Placement Bureau, beginning September 2, 1953, at an annual salary of $3,600.

8. WINNA FAE I. NISSWANDLT, Food Service Supervisor, Dietary Department, Research and Educational Hospitals, Chicago Professional Colleges, beginning October 5, 1953, at an annual salary of $3,360.

9. JOSEPH E. RIBAL, Placement Officer, Office of Nonacademic Personnel, Chicago Professional Colleges, beginning September 11, 1953, at an annual salary of $3,540.

On motion of Mrs. Watkins, these appointments were confirmed.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(8) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

1. Department of Geology, purchase of one truck and two station wagons	$ 6 700
2. Physical Plant Department, installation of a sewer along the west side of Huff Gymnasium	11 200
3. Department of Botany, purchase of steel storage cabinets	5 000
4. Department of Mechanical Engineering, supplementary appropriation for remodeling in the Mechanical Engineering Laboratory	3 000
5. University High School Library and Chemistry Library, purchase of furniture	9 756
Total	$35 656

I recommend that these appropriations be made from the General Reserve Fund.

On motion of Mr. Johnston, these appropriations were made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Hickman, Mr. Stratton.

APPROPRIATION BY ATHLETIC ASSOCIATION

(9) The Board of Directors of the Athletic Association has approved an appropriation of $3,000 to cover expenses of participation in the N.C.A.A. Gymnastics Championships on April 2 and 3, 1954. Most of this amount will be recovered from a share of receipts from the tournament.

This appropriation is submitted to the Board of Trustees for approval.

On motion of Mr. Nickell, this appropriation was approved.

RENEWAL OF RUBBER RESEARCH CONTRACT

(10) On December 1, 1942, the University entered into Contract Rur-SR-95 with the Rubber Reserve Corporation of the United States government for an investigation in synthetic rubber. This contract has been renewed since that time and, to the present termination date of June 30, 1954, total contract funds have amounted to $1,445,000. This sum has provided for all direct costs which the University has been put to in this program, plus an allowance covering all indirect costs incurred.

Authority is requested by the Department of Chemistry and Chemical Engineering to renew this contract for one year from July 1, 1954, with total funds to be received by the University in the estimated amount of $136,000. The Acting Comptroller concurs.

I recommend approval.

On motion of Mrs. Watkins, authority was given as recommended.

CONTRACT FOR FLOOR IN MECHANICAL ENGINEERING LABORATORY

(11) The Acting Comptroller and the Director of the Physical Plant Department recommend the award of a contract for $11,385 to C. A. Petry & Sons, Champaign, the lowest bidder, for installation of a new floor for the Thermal Radiation Laboratory in the Mechanical Engineering Laboratory.

Funds are available in an appropriation made by the Board of Trustees on January 21, 1953, to be supplemented by the request for a $3,000 additional appropriation being presented separately at this meeting.

I concur and recommend that the Acting Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Holt, this contract was awarded and authority was given as recommended.

GIFT OF PAINTING FROM MR. AND MRS. MERLE J. TREES

(12) Mr. and Mrs. Merle J. Trees of Chicago offer the University, through the University of Illinois Foundation, a painting by Frans Hals, "Portrait of Cornelis Guldewagen, Mayor of Haarlem," as their 1953 contribution to the "Emily Nichols Trees (Class of 1905) and Merle Jay Trees (Class of 1907) Collection" of paintings at the University of Illinois. The Art Institute of Chicago has appraised this painting, in terms of present market values, at $45,000.

I heartily recommend that this gift be accepted and that the Secretary be instructed to send Mr. and Mrs. Trees a formal expression of appreciation on behalf of the Board of Trustees.

On motion of Mr. Johnston, this offer was accepted and the Secretary of the Board was instructed to send Mr. and Mrs. Trees a suitable formal expression of appreciation.

PURCHASES

Purchases Recommended

(13) The Director of Purchases has proposed and the Acting Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest bid.

I concur.

Item	*Department*	*Vendor*	*Cost*
For the payment of $39.50 each on 89 topcoats being bought by advanced students in Air Force R.O.T.C.	Military	Kalan Uniform Co., Chicago	$ 3 515 50
For the payment of $29.15 each on 198 all wool gabardine trench coats for Army R.O.T.C. advanced course students	Military	J. C. Penney, Urbana	5 771 70
17,400 lbs. white lead paste in 100 lb. kegs	Physical Plant	National Lead Co., Chicago	3 123 30 f.o.b. Urbana
325 reams, 22" x 34", 40 lb., 50% rag bond paper 75 reams, 22" x 34", 32 lb., 50% rag bond paper	Office Supply Storeroom	Graham Paper Co., St. Louis, Mo.	4 324 00 f.o.b. delivered
700 reams 25" x 38", 60 lb. "A" grade E. F. book paper	Office Supply Storeroom	Moser Paper Co., Chicago	5 741 82 f.o.b. delivered

On motion of Mrs. Holt, these purchases were authorized.

On motion of Mr. Johnston, the following purchases were also authorized.

QUARTERLY REPORT OF THE COMPTROLLER

(15) The Comptroller presents his quarterly report to the Board of Trustees as of September 30, 1953.

This report was received for record and a copy was filed with the Secretary of the Board.

ADDITION TO CONTRACT FOR CONSTRUCTION OF STORM SEWER FOR LAW BUILDING

(16) The Director of the Physical Plant and the Acting Comptroller recommend an increase of $10,218 in the contract with the Illiana Construction Company for

[1] Deduct.

construction of a storm sewer to service the new Law Building area. This increase is to cover the costs of (a) connections with the George Huff Gymnasium area, and (b) the correction of the drainage of the Huff Gymnasium by the installation of a new sewer along the west side of the building to pick up drainage and divert it into the new sewer.

Funds for this additional work are requested in the report of the Committee on Nonrecurring Appropriations which is being submitted separately. This work was included as an alternate in the original bid of the Illiana Construction Company.

I concur and recommend that the Acting Comptroller be authorized to execute this change in the contract.

On motion of Mr. Nickell, this increase in the contract was authorized.

REMODELING IN RESEARCH AND EDUCATIONAL HOSPITALS AND FIRST UNIT OF DENTISTRY-MEDICINE-PHARMACY BUILDING, CHICAGO PROFESSIONAL COLLEGES CAMPUS

(17) The Board of Trustees at its meeting on March 25, 1953, approved the use of $200,000 of funds available for the operation of the Research and Educational Hospitals, not needed for that purpose, to cover construction and equipment costs on the Men's Residence Hall in Chicago. This allocation was recommended to relieve the Revenue Bond Construction Fund for construction and remodeling at the Chicago Professional Colleges the sum of $200,000 which under the bond resolution could be used for remodeling in the Second Unit of the Dentistry-Medicine-Pharmacy Building.

After approval was given by the Board of Trustees to this procedure, the capital requests of the University from the legislature were reduced so that the size of the East Dentistry-Medicine-Pharmacy Building was materially reduced, making it necessary for certain departments, which had contemplated moving into that building, to remain in the Second Unit of the Dentistry-Medicine-Pharmacy Building. Accordingly, the need for funds for remodeling in this unit has been reduced. A balance of $110,684 of the allotment of $200,000 remains unspent.

No funds were made available in the appropriations to the University for the present biennium to cover remodeling in the Research and Educational Hospitals and the First Unit of the Dentistry-Medicine-Pharmacy Building, which remodeling is needed in space vacated by departments now being located in the Research and Educational Hospitals Addition.

The Business Manager of the Chicago Departments and the Acting Comptroller recommend that the balance of $110,684 in the allotment of March 25 be assigned for remodeling in the Research and Educational Hospitals and the First Unit of the Dentistry-Medicine-Pharmacy Building. A committee studying the allocation of space in these buildings has made permanent assignments and remodeling can be started from these funds when made available. Contracts to be paid from this allocation will be submitted to the Board in accordance with usual procedures.

The Chairman of the Administrative Committee of the Chicago Professional Colleges endorses this request.

I concur and recommend that the Board approve the reassignment of the balance of this allocation for remodeling in the Research and Educational Hospitals and the First Unit of the Dentistry-Medicine-Pharmacy Building.

On motion of Mr. Bissell, this remodeling was approved and the appropriation recommended was made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Hickman, Mr. Stratton.

PROGRESS REPORT ON STUDIES CONCERNING CHICAGO UNDERGRADUATE DIVISION

(18) I can make the following progress report in relation to the problems of the Chicago Undergraduate Division on Navy Pier and plans for a four-year campus in the Chicago area.

The formal election of a representative sixteen-member Faculty Council of the

Division has been accomplished. The members of the Council represent the Colleges of Liberal Arts and Sciences, Commerce and Business Administration, Engineering, the School of Physical Education, the Library, and the Student Counseling Bureau.

On November 5, 1953, I met with the presidents, or representatives named by them, of the seven colleges and universities in Chicago for an informal discussion of our problems in planning for a four-year program and the ways in which such a development could affect their institutions. Trustee W. A. Johnston, Chairman of the Board's special committee on Chicago Undergraduate Division, also was present. This meeting, I believe, accomplished much in mutual understanding of common problems. I have also placed the subject on the agenda of the Joint Council of State Institutions of Higher Education in Illinois.

Within the University I have appointed two committees to study related but independent problems. The first of these is a Joint Task Force on the Chicago Undergraduate Division composed of sixteen members, five from Navy Pier and eleven representing five colleges or schools on the Urbana-Champaign campus and my office. This body is charged with studying closer cooperation between the two campuses in academic work and of making recommendations concerning the possibilities of expansion of work offered at Navy Pier into the junior year. There have been several meetings of the two sections of this group and one meeting of the total body. Progress reports indicate that certain minor problems have been solved and definite advances have been made in the consideration of major problems.

The second group is a five-member Committee on Future Development of the Chicago Undergraduate Division. To this Committee has been given the task of studying the needs for expansion in Chicago and of drafting, in cooperation with other officials of the University, the educational, physical facility, and financial plans for a possible four-year undergraduate program. This Committee was appointed on November 4, 1953, and has met twice, with regular weekly meetings scheduled for the next few months. It is to make a preliminary report of findings in March, 1954, and a final one by July 1 next.

The Commission on the Development of the University of Illinois in the Chicago Area, established by the Sixty-eighth General Assembly, has held one hearing at which Dean Caveny and members of his staff have testified. The Commission met on November 20, 1953, and the President of the Board and I appeared before it.

Basic to all planning for the future of the University is the estimate of future enrollments. The present enrollment at Urbana-Champaign and Navy Pier is 19,621. The Bureau of Institutional Research has supplied a conservative estimate which indicates that by 1961 there will be 26,850 youths seeking admission to the University of Illinois and by 1971 this figure will have increased to 38,300. Neither of these figures includes enrollment at the Professional Colleges. The increase in the number of persons in the college age group in these years will affect all institutions of higher education in a similar manner. However, all of the Chicago institutions have unofficially informed us that they contemplate setting a maximum enrollment not greatly in excess of present capacities which may result in still greater numbers seeking admission to the University of Illinois. The Planning Committee is working on a refinement and further analysis of the statistics so that they may prepare a more formal statement of anticipated need.

Report to Joint Legislative Commission on Chicago Undergraduate Division

LLOYD MOREY

November 20, 1953

In the fall of 1946, the University of Illinois opened a Chicago Undergraduate Division at the Navy Pier in order to meet the emergency demands for veteran enrollments following World War II. A lease for necessary space was executed extendible to June 30, 1954, at an annual rental of $135,750. In order to make the space leased usable for educational purposes, it was necessary to expend approximately $1,500,000 for conversion construction and basic equipment. The academic program was designed to give the freshman and sophomore work required in the Colleges of Liberal Arts and Sciences, Commerce, and Engineering, and in the

Department of Architecture. The program duplicated that on the Urbana-Champaign campus, and it was planned that students successfully completing the first two years in Chicago could continue in the junior and senior years at Urbana without loss of time or credit. From the maximum enrollment of 4,547 students in 1947, the number decreased to 3,363 in 1951; since that time there has been an increase with a total of 3,884 students this fall. The budget for the Navy Pier campus for 1953-1954 is $2,698,256, of which slightly over 17 per cent or an amount of $470,000 is realized from student fee income.

Although it was originally recognized that the work at Navy Pier might not be needed after four or five years, the continued high enrollments have warranted its continuation. During the past year or so, there has been increasing interest in the possibilities of expanding the offerings of the University of Illinois in Chicago. The problems of expansion are not simple ones. They involve questions of educational policy, of the nature and location of physical plant and equipment required, and of the cost in capital investment and in operating expenses. The approach to these problems may be divided into (a) the increase in offerings with the existing facilities on the Navy Pier, and (b) the requirements necessary to establish four-year programs leading to the bachelor degrees. I have appointed two committees from the staff of the University at Urbana and at Navy Pier to study both of these areas. Both committees have had meetings, but neither is yet prepared to make any formal recommendations.

A limiting factor to increasing the amount of work offered at Navy Pier is the capacity of existing facilities. Our predictions indicate that there will probably be an increase in the number of freshmen and sophomores next year of approximately 200 and a similar number in the following year. If junior work is introduced, there would perhaps be 250 to 300 students remaining for the third year. This would mean that, in 1954-1955, the capacity would be closely approached, and within a year or two, it would be necessary to limit the number of freshmen who could be admitted. This fact is merely pointed out and does not mean that we have decided against the introduction of any junior work. The committee is studying the details of courses which could be introduced and the staff needs that would be required to teach them.

A second committee is concerning itself with the problem of future planning for a Chicago Undergraduate Division. Basic to any such planning is a determination of the need for more extensive offerings in the Chicago area. Preliminary figures now available indicate that the University of Illinois can expect to have an increasing number of young people applying for admission each year until at least 1971. Because of the high birth rate during the past decade, the number of people of college age will be steadily increasing. In the fall of 1955, the University can expect some 20,000 to be enrolled at Urbana-Champaign and Navy Pier. As the reasonable capacity of the two campuses is not more than 23,000 students, it is evident that we are approaching our maximum. By 1961, this estimated enrollment will have increased to almost 27,000, and a decade later in 1971, the number will be 38,000. While these numbers are estimates made as conservatively and carefully as possible, they are, of course, subject to more detailed analysis. In any case, it appears reasonable to say that the University will be faced before many years with meeting a demand considerably in excess of its present capacity.

There are several ways that the difference between capacity and demand might be met. During the next few years, it is possible that the increasing demand might be satisfied in part by increased enrollments in both public and private colleges of the state. This would require increased facilities because the expected number of youth of college age who will desire to attend college will be sufficient to fill these institutions to capacity within the next decade.

Another possibility of meeting the anticipated demand is the development of facilities in the Chicago area where the highest concentration of population is to be found. A program of this sort may have an effect on the existing colleges in Chicago. I have recently had a conference with the presidents, or their representatives, of higher educational institutions in Chicago. These institutions look with concern on an immediate establishment of a four-year program in Chicago. It would almost certainly draw students who might otherwise attend these institutions at a time when their enrollments are below their capacity. With an increase in the number of youth during the next several years, the institutions do not

believe they will be adversely affected. In fact, each of the colleges expressed the policy of setting an upper limit on their enrollments which in each case might well be reached by 1960. Should this occur, there would probably be an even greater demand on the University of Illinois.

I have placed this problem before the Joint Council of State Institutions of Higher Education for its consideration, particularly as to the extent to which the other five institutions could prepare to meet some of this potential increase. It should be borne in mind that about one-third of the students of the University in Urbana-Champaign are from Cook County and practically all Navy Pier students live at home. This means about 46 per cent of the total enrollment of the two campuses are from that location. While many students desire to attend college away from home, the pressure for expansion at Chicago is from students who desire to live at home and be within local transportation distance of their college.

In addition to the administrative committees I have described, the Board of Trustees has a special committee to deal with this problem. This committee is awaiting the reports of the administrative committees before reaching its conclusions. All of these committees are cognizant of these many factors and their studies will attempt to determine whether new facilities in Chicago is the most desirable answer to the problem and what such a development might be expected to do to the University at Urbana-Champaign. These problems must be approached carefully because it would seem extremely unwise to jeopardize the present University's work by dissipating its resources too widely. However, we recognize a need must be met, and it is our hope that we can present to this Commission by the end of the present fiscal year a program and recommendation which, in our best judgment, will meet the problem to the greatest advantage to the University and to the people of the state of Illinois.

This report was received for record.

CONTRACT FOR ENGINEERING SERVICES ON UTILITIES EXTENSIONS TO HOME ECONOMICS, LAW, AND VETERINARY CLINIC BUILDINGS

(19) The Director of the Physical Plant and the Acting Comptroller recommend that Sargent and Lundy, Consulting Engineers, Chicago, be engaged on contract for engineering services in designing the extension of steam and electrical utilities from the Abbott Power Plant to the Home Economics, Law, and Veterinary Clinic Buildings, upon the following terms:

(a) Two per cent of the estimated construction costs of the project
(b) Payment for services of a resident field engineer at actual salary, plus 15 per cent overhead, plus travel and field expenses
(c) Payment for engineering and drafting at actual salary costs plus 50 per cent
(d) All other expenses to be at actual cost

The estimated fee under this contract will be approximately $39,000.

Funds are available in the state appropriation made to the University of Illinois for 1953-1955 for the construction of these buildings, subject to release by the Governor. He has already released sufficient funds to cover this contract.

The services of Sargent and Lundy have been engaged on the addition to the Power Plant on the same basis and it is advantageous to have this firm working on both projects.

I concur and recommend that the Acting Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Herrick, this contract was awarded and authority was given as recommended.

EQUIPMENT FOR POWER PLANT ADDITION

(20) The Director of the Physical Plant and the Acting Comptroller recommend award of contracts for equipment for an addition to the Abbott Power Plant as follows:

Turbine generator, 3000 kw. — General Electric Company, Chicago (lowest bidder) $189 300
Contract price subject to adjustment to current prices at time of delivery but not to exceed 10 per cent increase.

Condensing equipment — Worthington Corporation, Chicago (lowest bidder) 35 950
Contract price subject to adjustment to current prices at time of delivery but not to exceed 10 per cent increase.
Cooling tower — Fluor Corporation Ltd., Chicago 40 437
Switchgear — Allis-Chalmers Manufacturing Company, Chicago (only bidder meeting requirements) 27 485
Contract price subject to adjustment to current prices at time of delivery but not to exceed 10 per cent increase.

Competitive bids were taken on all of this equipment and in each case the contract recommended represents the lowest cost to the University.

Funds are available for this in the state appropriation made to the University for 1953-1955 for capital improvements subject to release by the Governor.

I concur and recommend that the Acting Comptroller and the Secretary of the Board be authorized to execute these contracts subject to release of funds.

On motion of Mr. Johnston, these contracts were awarded and authority was given as recommended.

WESLEY FOUNDATION PROPERTY

Mr. Megran, for the Committee on Buildings and Grounds, reporting on the status of negotiations with representatives of the Wesley Foundation for the purchase of some of its property adjoining University property in the block bounded by Green Street, Goodwin Avenue, Illinois Street, and Mathews Avenue in Urbana, stated that a mutually satisfactory agreement has been reached on the division of the block whereby, if the University acquires the property it needs, any buildings it constructs in this area will be 75 feet south of the east-west center line of said block. He requested instructions from the Board as to further procedure in the negotiations.

President Livingston suggested that the Board may wish to appoint a special committee to continue the negotiations with the Wesley Foundation.

On motion of Mrs. Holt, the following were appointed a special committee empowered to represent the Board of Trustees in continuing these negotiations: Messrs. Megran, Chairman, Bissell, Johnston, and Nickell.

CONSTRUCTION PERMIT FOR TELEVISION STATION

The Acting President reported that information has been received from the University's special counsel in New York representing it before the Federal Communications Commission that the Commission has granted the University a permit for the construction of an educational television station at Urbana-Champaign.

SECRETARY'S REPORT OF CONTRACTS

The Secretary presented for record the following documents signed by the President and the Secretary of the Board and deposited with the Secretary since the last report.

With Whom	*Purpose*	*Date*
Republic Coal and Coke Company	11,000 tons coal	July 30, 1953
Silver Creek Coal Company	16,000 tons coal	July 25, 1953
V-Day Coal Company	30,000 tons coal	August 13, 1953

SECRETARY'S REPORTS

The Secretary presented for record the following lists: (1) appointments made by the President; (2) graduate fellows; (3) resignations and declinations; (4) leaves of absence.

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parentheses is the date on which the appointment was made by the President of the University. C = College; S = Station; E = Extension.)

ANDERSON, LOWELL E., Instructor in Home Economics (C), for the academic year beginning September 1, 1953, $3600 (10-17-53).

ANSELL, BARBARA M., Research Associate in Medicine, in the College of Medicine, one year beginning October 1, 1953, $4000 (10-17-53).

ASROW, GERTRUDE, Research Assistant in Pediatrics, in the College of Medicine, one year beginning September 1, 1953, $4800, supersedes (10-21-53).

BAILAR, JOHN C., JR., Professor of Inorganic Chemistry and Departmental Secretary, on indefinite tenure beginning September 1, 1953, to render service during each academic year, $10,800 a year, and Acting Chairman of the Executive Committee of the College of Liberal Arts and Sciences beginning October 1, 1953, and continuing as long as he serves as Chairman, $125 a month, supersedes (10-11-53).

BAILEY, JOAN B., Assistant in English, nine months beginning September 16, 1953, $2700, supersedes (10-12-53).

MEETING OF THE EXECUTIVE COMMITTEE

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the LaSalle Hotel, Chicago, Illinois, on November 20, 1953, following adjournment of the Board of Trustees meeting.

The following members of the Committee were present: Mr. Park Livingston, Chairman, Mr. Herbert B. Megran, and Mrs. Frances B. Watkins. Mr. A. J. Janata, Secretary of the Board, was also present.

The Secretary presented the following:

REPORT OF PROCEEDING FOR THE REVOCATION OF ILLINOIS CERTIFIED PUBLIC ACCOUNTANT CERTIFICATE NO. 1500 ISSUED TO MERVYN L. MC CARTHY

The Committee on Accountancy of the University of Illinois has recommended that Illinois Certified Public Accountant Certificate No. 1500 issued by the Board of Trustees of the University of Illinois to Mervyn L. McCarthy on March 14, 1939, be revoked for causes on the basis of which the Certified Public Accountant Certificate issued to Mr. McCarthy in Colorado has been revoked by the Board of Accountancy in Colorado. The Committee on Accountancy has submitted a record of its proceedings in this matter. The record shows that it has offered Mr. McCarthy a hearing, but he has failed to appear.

The Legal Counsel recommends that prior to formal action by the Board of Trustees revoking this certificate, as a precautionary measure and to grant Mr. McCarthy his full rights, a letter be sent him by the Secretary of the Board offering him the opportunity of a hearing before the Board of Trustees at the next meeting.

The Secretary requests the instruction of the Board in this matter.

On motion of Mr. Megran, the Secretary was authorized to send Mr. McCarthy an official notice as recommended by the Legal Counsel.

The Executive Committee adjourned.

The following members were present: Mr. Cushman B. Bissell, Mr. Harold E. Grange, Mr. Wirt Herrick, Mr. Robert Z. Hickman, Mrs. Doris S. Holt, Mr. Wayne A. Johnston, Mr. Park Livingston, Mr. Herbert B. Megran, Mr. Vernon L. Nickell, and Mrs. Frances B. Watkins. Governor William G. Stratton was absent.

Also present were Dr. Lloyd Morey, Acting President, Provost Henning Larsen, Mr. Ralph F. Lesemann, Legal Counsel, and Mr. J. F. Wright, Director of Public Relations; and the officers of the Board, Messrs. H. O. Farber, Acting Comptroller, C. W. Weldon, Treasurer, and A. J. Janata, Secretary.

Executive Session

When the Board convened an Executive Session was ordered to consider the following matters of business presented by committees of the Board of Trustees and by the President of the University.

WAGE RATES OF BUILDING SERVICE EMPLOYEES

Mr. Grange, for the Committee on Nonacademic Personnel, reported on a conference with Messrs. Donald E. Dickason, Director of Nonacademic Personnel, C. S. Havens, Director of the Physical Plant, and Russell N. Sullivan, Chairman of the Nonacademic Personnel Advisory Committee, regarding wage rates of building service employees (janitors).

Since 1948, with the approval of the Board of Trustees, the wage rates paid by the University to its building service employees at Urbana-Champaign have been tied to the rates established by the Building Managers Association of Chicago under its agreement with Local 25 of the Building Service Employees International, but without the requirement of all of the working conditions specified in that agreement. The rates paid by the University have been adjusted to take into account the benefits its employees receive which are not available to employees elsewhere. Consistent with this agreement, the University granted wage increases on October 1, 1952, and April 1, 1953; the next increase provided in that agreement becomes effective January 1, 1954. In the meantime, and following the increase effective April 1, 1953, the University, with the approval of the Board, notified Local 119 of its intention to re-negotiate the wages structure.

Local 119 has asked that the rates paid by the University continue to be related to the rates paid under the agreement between the Building Managers Association of Chicago and Local 25, and without requirement of all of the working conditions specified in that agreement. The University officers have recommended, and the Committee on Nonacademic Personnel concurs, that the University negotiate with Local 119 according to the following plan:

(a) Effective January 1, 1954, and continuing for one year thereafter, the wage rate for building service employees at Urbana-Champaign shall be $1.925 per hour, plus compensation for University recognized holidays;
(b) Working conditions of building service employees at Urbana-Champaign shall be those currently specified in the Building Managers Association — Local 25 contract as they relate to work schedules; and that
(c) The policy of relating the wages of this group to the Building Managers Association agreement be terminated.

Mr. Grange stated that these negotiations are being conducted by the Director of Nonacademic Personnel, and that while no action by the Board is required at this time he desires to secure its advice.

Following full discussion, the Board assented to the principles of these negotiations.

REPORT OF THE SPECIAL COMMITTEE ON NEGOTIATIONS WITH THE WESLEY FOUNDATION

Mr. Megran, Chairman of the Special Committee appointed by the Board at its meeting on November 20, 1953, to continue negotiations with representatives of the Wesley Foundation at the University of Illinois for the acquisition of property in the block bounded by Green Street, Goodwin Avenue, Illinois Street, and Mathews Avenue in the city of Urbana, Illinois, which the University desires to purchase from the Foundation, made a report covering the latest negotiations, and presented to the Board of Trustees a formal written offer from the representatives of the Foundation. (This offer has been filed with the Secretary of the Board for record.) The offer contemplates the sale and conveyance by the Foundation to the University of all of the portions of the property situated in that block south of a line located 75 feet south of and parallel to the east and west center line of the block which are now owned by the Foundation in consideration of (a) the conveyance by the University to the Foundation of all land situated north of said line now owned by the University; (b) the removal by the Univer-

sity, at its expense, by August 15, 1954, of all buildings and material thereof above the normal ground level from said latter land and the restoration of the surface thereof (all building foundations to be removed to a depth of at least one foot below the finished surface of said tract); (c) the establishment, at the University's expense, by a competent licensed surveyor of said boundary line situated 75 feet south of and parallel to the east and west center line of the block and its adequate monumentation to the satisfaction of both parties; (d) the assumption by the University of all unpaid assessments upon the property to be conveyed by the Foundation to it which become payable after the date of acceptance of the offer; (e) the payment by the University to the Foundation of the sum of $117,500; and (f) the erection by the University, at its expense, within ten days of the date of transfer and sale of the properties of a suitable fence of a temporary character on said joint boundary line, which fence may consist of cedar posts at not more than 16-foot intervals and three strands of wire or their equivalent. The offer contemplates the waiver by the Foundation of all claims for unpaid rent, up to the date of said transfer and sale, upon the property of the Foundation which the University has been and is occupying if the sale is consummated by January 30, 1954, but with the proviso that if not effected by that date, the University shall pay $300 per month for the use of said property subsequent to that date and until the sale and transfer has been effected, and also contemplates that the necessary deeds be executed and delivered upon tender of said purchase price by the University to the Foundation and completion of the necessary legal details. The offer further provides that the conveyance to the University by the Foundation of a tract located in the southwest corner of said block and designated as "Parcel A" upon a diagram or plat attached to the written offer, is to be subject to an existing lease covering the same which expires on June 30, 1954, and that the rent becoming due and payable under said lease be pro-rated between the parties as of the date of the transfer and sale.

After Mr. Megran and the other members of the Special Committee commented upon the negotiations and the offer, the Committee recommended acceptance of the offer by the Board of Trustees.

Following full discussion, in which all members of the Board participated, Mr. Johnston moved that the Board accept the Wesley Foundation's offer upon the conditions and terms stated therein, but subject to the following additional conditions, viz:

(a) That both the Wesley Foundation and the University enter into an agreement to the effect that neither will erect nor maintain any building or other structure within fifteen feet either immediately north or south of the above mentioned boundary line located 75 feet south of and running parallel with the east and west center line of said block;

(b) That the legal descriptions of the property to be conveyed by the Foundation to the University, and that to be conveyed by the University to the Foundation, be ascertained and included in the deeds and that said legal descriptions and the title to the property to be conveyed by the Foundation to the University be acceptable to and approved by the University Legal Counsel, and the legal description and title to the property to be conveyed by the University to the Foundation be acceptable to and approved by the attorney for the latter;

(c) That all deeds, agreements, and other documents and papers used or executed in consummating this transaction be approved by the University's Legal Counsel;

and further moved that the Acting Comptroller and the Secretary of the Board be authorized to execute in behalf of the University all

deeds and other documents and papers to be executed by the University, after they have been approved by the University Legal Counsel, in connection with this transaction.

Mr. Bissell then moved that an assignment of $125,000, or so much thereof as may be necessary, be made for the purchase of said property and for expenses incidental to this transaction, $56,650 to be assigned from the state appropriation for land acquisitions and $68,350 to be appropriated from the General Reserve Fund.

The foregoing motions having been discussed and presented as a single action, and the question being called for, the motions were passed by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Hickman, Mr. Johnston, Mr. Livingston, Mr. Megran, and Mr. Nickell; no, Mr. Herrick; not voting, Mrs. Holt and Mrs. Watkins; absent, Governor Stratton.

BUSINESS PRESENTED BY THE ACTING PRESIDENT OF THE UNIVERSITY

The Board took up consideration of the following reports and recommendations from the Acting President of the University.

APPROPRIATION FOR PREVAILING AND RELATED NEGOTIATED WAGE RATE INCREASES

(1) The University has long recognized that it must continue to pay the prevailing rates when such rates can be determined in the locality. (Nonacademic Policy and Rules III-1.)

It has also recognized the necessity that rates paid for nonprevailing nonacademic personnel must be established on the same principle of paying a rate comparable to that paid within the community for similar work (Nonacademic Policy and Rules III-4) and an adequate differential be established for increased responsibilities above such levels.

As a general policy, increases for the nonacademic employees and the academic staff should be on a comparable basis. It is therefore recommended that the funds budgeted for prevailing and related negotiated rate groups should not exceed, on a percentage basis, those available for the academic staff and other nonacademic employees. It is further recommended that expenditures for prevailing rate increases shall be made within the total funds thus made available, and in the event such increases exceed these funds, employees be laid off to the extent necessary.

The budget requested for the biennium 1953-1955, as presented to the Budgetary Commission, included funds for anticipated increases during the biennium for employees in the prevailing wage groups in the amount of $800,000. In addition funds were requested to carry forward, through the biennium, increases approved in 1951-1953 but for which funds had been available for only a part of this biennium. The amount requested to meet such increases was $400,000. Hence, total funds requested for the prevailing wage increases for the biennium 1953-1955 were $1,200,000.

It is history that the University did not receive any of this money. In preparing the 1953-1954 budget, the Physical Plant Department curtailed its program of maintenance and reduced its staff to absorb the deficit of $200,000 ($400,000 on a biennial basis). The Board of Trustees also appropriated $45,500 for additional increases which had been approved, effective July 1, 1953. In making this appropriation, the Board of Trustees approved a report of the Board Committee on Nonacademic Personnel which said, "The Committee believes that the policy of paying the prevailing wage rates should be maintained . . . An effort will be made to provide from the General Reserve Fund additions if funds materialize, but no commitment can be made at this time."

Although the cost of living index is comparably stable, there will be some further increases in the rates of pay in the prevailing rate groups during 1953-1955. On the basis of experience and present trends, the Director of Nonacademic Personnel has estimated that the level of pay in prevailing wage groups, on an annual basis, may increase as much as $275,000 in 1953-1954 and an additional $275,000 in 1954-1955.

The following procedures for financing prevailing rate increases in the 1953-1955 biennium are recommended by University officers concerned:

(a) It is recommended that a sum of five per cent, which was the amount used for salary adjustments for 1953-1954 for academic and nonprevailing nonacademic salary increases, be set aside for the purpose of meeting increases in prevailing wage and negotiated rates. This will mean a sum of approximately $175,000 per year or $350,000 for the biennium. (Since $45,500 has already been appropriated, this means an additional sum of $129,500 will be required in 1953-1954.)

(b) It is further recommended that when the sum thus set aside is exhausted, future increases in prevailing and related negotiated wage rates be met by reduction in personnel to the extent necessary to meet the increased rates within existing budgets. (Such reductions will be made in the nonacademic prevailing and negotiated wage groups but not necessarily in the group negotiating for an increase.)

(c) It is also recommended that the sum thus set aside be used to meet the increased rates on a cash basis. This means that if the increases on an annual basis are, in effect, on the average of one and one-half years during the biennium, the annual budget totals will be increased by approximately $233,000. Since the funds recommended to meet these increases are nonrecurring in nature, on the basis of the above assumption, an additional sum of $466,000 will be necessary in the 1955-1957 biennial budget, in order to maintain the levels of pay reached under this policy.

(d) If any funds are applied to further adjustments to the academic and nonprevailing nonacademic personnel in 1954-1955, comparable provisions on a percentage basis should be made for the prevailing and negotiated wage groups.

The Director of Nonacademic Personnel, the Director of the Physical Plant, and the Acting Comptroller recommend that (a) the above policy be approved and (b) an appropriation of $129,500 from the General Reserve be made.

I concur.

On motion of Mr. Johnston, this was referred to the Committee on Nonacademic Personnel for consideration and recommendation to the Executive Committee for final action.

PATENTABLE DISCOVERIES

(2) The University Patent Committee submits the following reports and recommendations:

Jozef Cohen, Associate Professor of Psychology, has designed a camera and projector for panoramic photography. After thorough investigation of the possible relationship of the invention to the inventor's University services, the Committee finds that no University resources or facilities were used in conceiving and developing his invention and that all of the work on it was done on his own time. Hence, the University has no claim to the invention and the Committee recommends its release to Mr. Cohen.

Harold D. Webb, Associate Professor of Electrical Engineering, and R. L. Sydnor, former Assistant in that Department, report the development of a method for the transformation of automatic bearing indications to Watson-Watt bearing indications. This is a result of research being done by the Department of Electrical Engineering under a contract with the Office of Naval Research. In view of this, and the fact that the invention is primarily of importance to the Armed Forces, the Committee recommends that all rights to the method be released to the United States Navy.

Ellen Ridley, former Research Assistant in the College of Medicine, reports the development of a process for extraction of cholinesterase, a laboratory biochemical method for the extraction of cholinesterase from human red blood corpuscles. After careful investigation of the conditions under which this process was developed, the Committee has reached the conclusion that it is doubtful that this is a patentable invention and it is even more doubtful that it would be of any value to the University. Hence, the Committee recommends that it be released to Miss Ridley.

I concur in these recommendations.

On motion of Mr. Bissell, these recommendations were approved.

STAFF AGREEMENTS WITH ATOMIC ENERGY COMMISSION LABORATORIES

(3) From time to time, it is desirable for University staff members to work within the organized laboratories of the Atomic Energy Commission, such as Argonne, Brookhaven, and Los Alamos, and to have access to unpublished information relative to the work of AEC. In these situations, AEC requests the staff member to sign a contract specifically setting forth the terms under which this work is carried on. The University is requested to authorize the execution of such a contract, although not formally becoming a party thereto. The patent provisions of such contracts may be summarized as follows:

"For any invention or discovery arising out of access to the facilities and/or unpublished information of the Laboratory and pertaining to the work of the Laboratory, during the period of this agreement, the Atomic Energy Commission shall have the sole power to determine whether or not a patent application shall be filed and to determine the disposition of the title to the rights under any application or patents that may result."

The University Patent Committee has investigated and has found that generally it is the opinion of University staff involved that such participation in the research program of AEC is of value to the staff member. Thus, the University gains and such associations may contribute to national security.

It is recognized that AEC will have sole rights as to the disposition of any inventions resulting from the research pertaining to the work of the Laboratory. Thus, AEC may assume jurisdiction in a very broad area in which work being carried on at the University with the use of University resources and facilities may be involved. Under standard University policy, title to any inventions and patents developed at the University would normally be vested in the University. Thus, the above recommendation waives the rights that would accrue to the University in such inventions. However, the Committee is of the opinion that the possibility of a conflict of interests is remote and recommends that the execution of contracts, containing substantially the provision set forth above, be authorized by the Board of Trustees.

I concur and request approval.

On motion of Mr. Herrick, authorization was given as requested.

COMMUNICATION FROM PAUL W. MURDOCK OF ALBUQUERQUE NEW MEXICO

The Secretary presented a letter received from Mr. Paul W. Murdock, Certified Public Accountant, Albuquerque, New Mexico, concerning a proposed bequest to the University which he plans to include in his will and asking if such a bequest would be acceptable to the Board of Trustees.

On motion of Mr. Hickman, the Secretary was instructed to inform Mr. Murdock that his bequest would be acceptable.

COMMUNICATION FROM THE PRESIDENT OF THE UNIVERSITY OF ILLINOIS MEDICAL ALUMNI ASSOCIATION

The President of the Board has received a communication from the President of the University of Illinois Medical Alumni Association

concerning representation of the College of Medicine alumni on committees which have responsibilities in connection with appointments to certain administrative positions in the University.

The President of the Board referred this communication to the Alumni Committee.

COMMUNICATIONS FROM THE STUDENT SENATE

The University of Illinois Student Senate has adopted two resolutions, addressed to the Board of Trustees, one on the resignations of President George D. Stoddard and Provost Coleman R. Griffith, and the other on racial discrimination in Champaign-Urbana barbershops.

The President of the Board requested the Secretary to send copies of these resolutions to all members of the Board.

Open Session

The Executive Session having been concluded the Board recessed and reconvened in open session.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of the Board of Trustees held on July 25, September 23, and October 22, 1953, press proof copies of which were previously sent to all members of the Board.

On motion of Mr. Johnston, these minutes were approved as printed on pages 733 to 1157, inclusive.

BUSINESS PRESENTED BY THE ACTING PRESIDENT OF THE UNIVERSITY

The Board resumed its consideration of reports and recommendations from the Acting President of the University.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(4) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

Name	*Address*	*State from Which They Obtained Certificates*
David Gordon Bartram	Terre Haute, Indiana	Indiana
Roger Frantz Burd	Jenkintown, Pennsylvania	Pennsylvania
David Grosser	St. Louis, Missouri	Missouri
Francis Murphy	Haverford, Pennsylvania	Pennsylvania
James Farrington Sanborn, Jr.	Wollaston (Quincy), Massachusetts	Massachusetts
George Smith Shegog	East Orange, New Jersey	New Jersey
John Frederick Wilke	Chicago	Wisconsin
Harry Coover Zug	Haverford, Pennsylvania	Pennsylvania

I concur.

On motion of Mr. Grange, these certificates were awarded.

APPOINTMENTS TO THE FACULTY

(5) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. ALICE GONNERMAN, Assistant Professor and Acting Head of the Department of Medical Social Work, College of Medicine, beginning November 1, 1953, at an annual salary of $5,500 (DY).

2. STEVENSON MOORE, III, Assistant Professor of Entomology Extension, Extension Service in Agriculture and Home Economics, beginning December 1, 1953, at an annual salary of $6,000 (BY).

On motion of Mr. Nickell, these appointments were confirmed.

COLLEGE OF PHARMACY ADVISORY COMMITTEE

(6) The Dean of the College of Pharmacy reports that Mr. Ned O. Haney, Macomb, Illinois, has resigned from the College Advisory Committee. The Dean recommends the appointment of Mr. Oscar Hodel, Rockford, Illinois, to fill this vacancy for the unexpired term which ends June 30, 1957.

I concur.

On motion of Mr. Bissell, this appointment was approved.

CHANGE IN REQUIREMENTS FOR ADMISSION TO THE COLLEGE OF MEDICINE

(7) The University Senate recommends that physical chemistry be discontinued as one of the specified subject requirements for admission to the College of Medicine. The recommendation was initiated by the Committee on Admissions to the College of Medicine and was unanimously approved by the Executive Faculty of the College.

The reasons for the change are (a) the University of Illinois College of Medicine is now one of only four medical schools in the United States which requires physical chemistry for admission, and (b) the courses in biochemistry and physiology given in the College of Medicine include certain phases of physical chemistry principles.

I concur.

On motion of Mr. Hickman, this recommendation was approved.

CHANGE IN ORGANIZATION OF THE DEPARTMENT OF ARCHITECTURE

(8) The Dean of the College of Fine and Applied Arts reports, with his concurrence, that members of the faculty of the Department of Architecture, now organized with a head, have voted to recommend a change to a department organized with a chairman. It is proposed that this change be made at the beginning of the second semester.

I recommend approval, this change to become effective February 1, 1954.

On motion of Mrs. Holt, this change in organization of the Department of Architecture was approved.

FEES FOR EXAMINATIONS IN HIGH SCHOOL AND COLLEGE SUBJECTS

(9) The Director of Admissions and Records and the Acting Comptroller recommend that the following fees be established for examinations in high school and college subjects given by the University as a service to the Board of Law Examiners, these fees to become effective for the March, 1954, examinations:

High School Subjects		*College Subjects*	
1½ unit examination in English	$6 00	2 or 3 hours credit examinations	$5 00
1 unit examinations	5 00	4 or 5 hours credit examinations	6 00
½ unit examinations	2 50		

The fees are charged to cover the cost of giving the examinations and will replace the present schedule.

I concur.

On motion of Mr. Nickell, the schedule of fees was approved.

AGREEMENT FOR COOPERATIVE NUCLEAR RESEARCH

(10) The Dean of the College of Engineering, the Provost, and the Acting Comptroller recommend that the University enter into an agreement with six other midwestern universities (Minnesota, Wisconsin, Michigan, Indiana, Iowa, and Iowa State College) for the purpose of organizing a not-for-profit corporation. This corporation would be governed by a board of directors elected by individual members of the corporation appointed by each institution and would raise money through contracts with the Atomic Energy Commission or other agencies for the construction and operation of a cosmotron.

A multi-billion volt strong-focusing accelerator, or cosmotron, is needed for research in the particles produced by cosmic rays. These elusive particles exist for such a short time that detection requires the most skillful experimental technique and high-speed electronics. To study these newest materials for nuclear research, a six-billion volt cosmotron has been built in California. The Brookhaven National Laboratory on the East Coast also has a three-billion volt cosmotron and is now developing a thirty-billion volt machine under the sponsorship of the Atomic Energy Commission. In Europe, a group of western nations has been furnishing money for the construction of a twenty- to thirty-billion volt machine.

In the Midwest, it is recognized that the accelerator is too big a project for any one university, but by forming an association a large amount of talent would be available for the creation of the equipment and, above all, for the eventual use by physicists and students from all the associated universities. In the spring of 1953 efforts were made to start a group of physicists actually working on the problems which must be solved, and physicists from the midwest universities were invited to spend three weeks at Brookhaven to learn the necessary background. Twelve physicists, including one from the University of Illinois, went there for the three weeks and then reassembled later in the summer at the University of Wisconsin for another three weeks. This working group got into the problems involved and it is continuing throughout the academic year with some participants spending part time and one or two spending nearly all their time on the accelerator.

Preliminary meetings of scientists and business officers of the cooperating universities have been held, and a draft of the proposed agreement has been prepared by the Legal Counsel and the Acting Comptroller. Each university agrees to contribute $10,000 for organizational expenses, negotiation of contracts, and working capital. This will constitute their sole financial liability.

I recommend that:

(a) The Board approve University of Illinois participation in a not-for-profit corporation for nuclear research and that the Secretary and the Acting Comptroller be authorized to execute the necessary documents, when approved by the Legal Counsel, to implement this program;

(b) $10,000 be appropriated from the General Reserve as the University's contribution to this project;

(c) Professor P. G. Kruger of the Department of Physics and Acting Comptroller H. O. Farber be designated as the official representatives on the Organization Committee.

On motion of Mr. Johnston, these recommendations were approved and an appropriation of $10,000, or so much as may be necessary, was made from the General Reserve Fund for this project by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stratton.

RENEWAL OF LEASE OF PROPERTY AT 704 SOUTH SIXTH STREET, CHAMPAIGN

(11) The Director of the Physical Plant and the Acting Comptroller recommend that the property at 704 South Sixth Street, Champaign, be leased until September 1, 1956, for the continued use by the Institute of Labor and Industrial Relations.

The entire second floor (approximately 5,500 square feet) was leased for the period from September 1, 1948, to September 1, 1953, at a rental rate of $408.33 a month. In addition, the University assumed all operation and maintenance costs. The Institute of Labor and Industrial Relations has continued to occupy this space since September 1, 1953, on a month-to-month basis with the same rental payments. The owner, Mr. W. B. Hayes, has since agreed to extend the lease until September 1, 1956, with the same terms and rental rate.

No University space is presently available to permit the permanent relocation of this function. In view of the remodeling and moving costs, it is not financially desirable to move the Institute into other temporary quarters. The University invested approximately $19,000 in remodeling this space, and therefore continued use of it for a reasonable period is desirable. As the proposed period will extend beyond the biennium, the lease with Mr. Hayes will be executed by the Foundation and the University will then enter into a lease with the Foundation. Funds are available in the appropriations for the Physical Plant Department for these expenditures.

I concur.

On motion of Mrs. Holt, renewal of this lease was authorized.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(12) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

1. Department of Theoretical and Applied Mechanics, remodeling	$ 3 100
2. School of Music, replacement of pianos	8 100
3. Alumni Association, improvement of alumni records	5 000
4. Department of Psychiatry, Chicago Professional Colleges, ventilating, air conditioning, and sound proofing the sound cinema rooms	6 900
Total	$23 100

I recommend that appropriations for items 1 to 3 be made from the General Reserve Fund and that an assignment for item 4 be made from funds appropriated for remodeling at the Chicago Professional Colleges.

On motion of Mr. Herrick, these appropriations were made by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stratton.

APPROPRIATION FOR GRADUATE FELLOWSHIPS FOR 1954-1955

(13) It is necessary that the funds the University has available for graduate fellowships for 1954-1955 be committed at this time so that fellowship awards can be made and announced by April 1, 1954. Accordingly on request of the Dean of the Graduate College, I recommend that an appropriation of $150,000 be made for the year 1954-1955 for such fellowships, $132,000 to be assigned for fellowships for graduate study at Urbana-Champaign and $18,000 for fellowships at the Chicago Professional Colleges.

Provision is included in the budget for 1953-1954 for this purpose but funds have not been specifically appropriated.

On motion of Mrs. Watkins, this allocation of funds was approved and appointments to graduate fellowships for 1954-1955 within the total allocation were authorized by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stratton.

INVESTMENT OF CHICAGO HOUSING REVENUE BOND FUNDS

(14) The plan for financing the construction of housing projects for the Chicago Professional Colleges through a revenue bond issue includes the following provisions:

Rentals and fees collected shall be deposited in a "Revenue Bond Account" and later transferred to other operating and bond redemption accounts as needed or available.

Funds in this account may be invested in United States securities.

The rentals and fees are collected at the beginning of each quarter and are disbursed for the operation and the maintenance of the properties and for the payment of debt service throughout the quarter. There is a sizable balance on hand at the beginning of the quarter in the "Revenue Bond Account" which diminishes throughout the period and could be invested in short-term, easily liquidated investments. The bond resolution authorizes the investment of these funds in United States securities.

The Acting Comptroller recommends that authority be given the Business Manager of the Chicago Colleges to invest and reinvest such funds in United States Treasury Bills, which can be purchased from, and sold to, the First National Bank of Chicago on short notice as the cash requirements of the fund demand.

I concur and recommend approval.

On motion of Mr. Grange, this recommendation was approved.

REPORT OF GEORGE A. MILLER ENDOWMENT FUND INVESTMENTS

(15) The Acting Comptroller reports the following transactions involving securities of the George A. Miller Endowment Fund. These transactions were authorized in the general program for investment of these funds as recommended by the Finance Committee and approved by the Board on November 20, 1953.

CONTRACT FOR REMODELING BIOLOGY AND GEOGRAPHY QUARTERS AT THE CHICAGO UNDERGRADUATE DIVISION

(16) The Director of the Physical Plant and the Acting Comptroller recommend award of a contract for $8,194 to the Mueller Construction Company, Chicago, the lowest bidder, for remodeling quarters used by the Departments of Biology and Geography at the Chicago Undergraduate Division. The work will consist of construction of a new office and conversion of another office into a staff laboratory to provide for better utilization of space.

Funds are available in an appropriation made by the Board of Trustees for this purpose.

I concur and recommend that the Acting Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, an award of this contract was approved and the Acting Comptroller and Secretary of the Board were authorized to execute the same.

CONTRACT FOR REMODELING AT THE CHICAGO UNDERGRADUATE DIVISION

(17) The Director of the Physical Plant and the Acting Comptroller recommend award of a contract for $2,869 to Ford Bros., Inc., Chicago, the lowest bidder, for remodeling Room 127 at the Chicago Undergraduate Division. This work will consist of construction of a wooden frame elevated platform, installation of three-way lighting control switches for the operation of projectors, and ventilating installation.

Funds are available in an appropriation made for this purpose by the Board of Trustees.

I concur and recommend that the Acting Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, an award of this contract was approved and the Acting Comptroller and Secretary of the Board were authorized to execute the same.

Recess for Lunch

At this point the Board recessed to be guests of officers of the First National Bank of Chicago at luncheon.

Executive Session

Following luncheon the Board convened again in Executive Session. The following were present: Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, and Mrs. Watkins. Absent were Mr. Bissell, Mr. Grange, and Governor Stratton.

Also present were Acting President Morey, Provost Larsen, Mr. Lesemann, Legal Counsel, and Mr. Janata, Secretary of the Board.

KREBIOZEN INVESTIGATING COMMISSION

Mr. Lesemann made a brief report concerning the most recent hearings conducted by the Krebiozen Investigating Commission and requested instructions from the Board of Trustees as to the position he should take for the University relative to certain possible recommendations which the Commission has indicated to him it has in mind regarding further research upon Krebiozen. It was established by the ensuing discussion that it was the consensus of the Board that it would not be advisable for the University to undertake any further research upon Krebiozen of the nature contemplated by the proposed recommendations and Mr. Lesemann was advised that he should so inform the members of the Commission.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

January 19, 1954

The January meeting of the Board of Trustees of the University of Illinois was held in Room 301 of the State Capitol, Springfield, Illinois, on Tuesday, January 19, 1954, beginning at 3:00 p.m.

The following members were present: Mr. Cushman B. Bissell, Mr. Wirt Herrick, Mr. Robert Z. Hickman, Mrs. Doris S. Holt, Mr. Wayne A. Johnston, Mr. Park Livingston, Mr. Herbert B. Megran, Mr. Vernon L. Nickell, and Mrs. Frances B. Watkins. Mr. Harold E. Grange and Governor William G. Stratton were absent from the business meeting.

Also present were Dr. Lloyd Morey, Acting President, Provost Henning Larsen, Mr. Ralph F. Lesemann, Legal Counsel, Mr. J. F. Wright, Director of Public Relations; and the officers of the Board, Messrs. H. O. Farber, Acting Comptroller, C. W. Weldon, Treasurer, and A. J. Janata, Secretary.

Prior to the meeting, the members of the Board, its officers, and other University officials were guests of Governor and Mrs. Stratton at luncheon at the Executive Mansion.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of the Board of Trustees held on November 20, 1953, press proof copies of which were previously sent to all members of the Board.

On motion of Mr. Johnston, these minutes were approved as printed on pages 1159 to 1179, inclusive.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board took up consideration of the following reports and recommendations from the Acting President of the University.

APPOINTMENT OF GRANVILLE A. BENNETT AS DEAN OF THE COLLEGE OF MEDICINE

(1) I recommend the appointment of Dr. Granville A. Bennett, now Professor and Head of the Department of Pathology and Pathologist-in-Chief of the Research and Educational Hospitals, as Dean of the College of Medicine, effective not later than May 1, 1954, or prior thereto if it is feasible to make the change earlier, and continuing until September 1, 1955, and Professor of Pathology on indefinite tenure, at a total salary of $18,000 a year on Y basis.

The appointment as Dean on limited tenure is consistent with the statutory provision that the dean of a college shall be appointed biennially, and such appointments usually conform to the fiscal biennium. After September 1, 1955, Dr. Bennett's appointment as Dean will be on a biennial basis.

The deanship of the College of Medicine became vacant in January, 1953, when Dean Stanley W. Olson resigned to join the faculty of Baylor University Medical School. In the meantime, Dr. Roger A. Harvey, Professor and Head of the Department of Radiology and Radiologist-in-Chief of the Research and Educational Hospitals, has been serving as Dean. The appointment of Dr. Bennett is recommended by a special committee on the deanship and is unanimously concurred in by the Executive Committee of the College and by the Provost.

On motion of Mrs. Watkins, this appointment was enthusiastically approved.

On motion of Mr. Megran, the Secretary was requested to express to Dr. Roger A. Harvey the Board's appreciation of his services as Acting Dean of the College of Medicine from January 1, 1953, to May 1, 1954.

APPOINTMENT OF JOSEPH R. SMILEY AS DEAN OF THE COLLEGE OF LIBERAL ARTS AND SCIENCES

(2) I recommend the appointment of Professor Joseph R. Smiley, now Head of the Department of French, as Dean of the College of Liberal Arts and Sciences, effective March 1, 1954, or as soon thereafter as it is feasible for him to take office, and continuing until September 1, 1955, and as Professor of French on indefinite tenure, at a total salary of $15,000 a year on Y basis. The appointment as Dean on limited tenure is consistent with the statutory provision that the dean of a college shall be appointed biennially, and such appointments usually conform with the fiscal biennium.

The deanship of the College of Liberal Arts and Sciences became vacant on October 1, 1953, when Dean Henning Larsen was appointed Provost of the University. In the meantime, the Executive Committee of the College, under the chairmanship of Professor John C. Bailar of the Department of Chemistry and Chemical Engineering, has been administering the College. The appointment of Professor Smiley is recommended by a special search committee and this nomination is presented after consultation with the Executive Committee of the College in keeping with the provisions of the University Statutes.

Professor Smiley was granted sabbatical leave of absence for the academic year 1953-1954 for study and travel abroad. He will be available for service as Dean not later than June 1, 1954, and has indicated his willingness to terminate his leave and return earlier if that is desired. Since I do not wish to interfere with

his program of study, I am leaving the decision to him and, therefore, am recommending that the effective date be between March 1 and June 1, 1954, whenever he is able to assume the duties.

On motion of Mr. Bissell, this appointment was enthusiastically approved.

On motion of Mr. Bissell, the Secretary was requested to express to Dr. John C. Bailar the Board's appreciation of his services as Acting Chairman of the Executive Committee of the College of Liberal Arts and Sciences and in administering the College from October 1, 1953, to March 1, 1954.

APPOINTMENT OF PROFESSOR ALAN K. LAING AS CHAIRMAN OF THE DEPARTMENT OF ARCHITECTURE

(3) Professor Turpin C. Bannister has asked to be relieved of his duties as Head of the Department of Architecture effective at the end of the first semester of 1953-1954. The Dean of the College of Fine and Applied Arts recommends approval.

The Board of Trustees on December 16, 1953, approved a change in the administrative organization of the Department of Architecture from a department with a head to a department organized with a chairman. After consultation with the Executive Committee of the Department, the Dean of the College now recommends the appointment of Professor Alan K. Laing as Chairman of the Department of Architecture beginning February 1, 1954, and continuing to September 1, 1955, at a total salary of $9,800 an academic year. Professor Laing will also continue as Professor of the History of Architecture on indefinite tenure. The appointment as chairman on limited tenure is consistent with the provision of the University Statutes that the chairman of a department shall be appointed biennially and such appointments usually coincide with the fiscal biennium.

I concur in these recommendations.

On motion of Mr. Herrick, these recommendations were approved.

CHANGE IN STATUS OF QUINCY HOWE

(4) Mr. Quincy Howe, Associate Professor of Journalism and Communications and News Analyst for the Radio Station, who has been a member of the faculty since September 1, 1950, has submitted his resignation, effective June 30, 1954, to accept a position with the American Broadcasting Company where he will be under contract for his exclusive radio and television services. In the meantime, he has asked that he be relieved of his duties as News Analyst beginning January 1, 1954, so that he may deliver five news broadcasts a week for the American Broadcasting Company. These news shows will originate in Champaign so that he will be able to continue his teaching duties for the remainder of the academic year.

I have accepted his resignation effective June 30, 1954, and have approved a change in his status, as requested, effective January 1, 1954, and his appointment as News Analyst on 40 per cent time is discontinued. His status will be Associate Professor of Journalism and Communications on 60 per cent time, with corresponding adjustment in his salary.

RESIGNATION OF R. B. HUDSON

(5) Mr. Robert B. Hudson, Associate Professor of Journalism and Communications and Director of University Broadcasting, who has been a member of the University faculty since October, 1949, has submitted his resignation, effective January 31, 1954, to accept a position as general coordinator of programs for the Educational Television and Radio Center, the organization recently established to assist noncommercial educational television and radio stations to develop, exchange, and otherwise to acquire program materials appropriate to their needs.

I have accepted this resignation.

On motion of Mr. Herrick, the resignations of Professors Howe and Hudson were accepted with regret.

SALE OF TEMPORARY HOUSING UNITS

(6) To clear the area bounded by Pennsylvania Avenue, Maryland Drive, Florida Avenue, and the east line of Mt. Hope Cemetery of fifty temporary family building units (part of Illini Village) preparatory to the construction of the new Veterinary Clinic Building, bids have been received on the sale and removal of up to forty-six of the units. The bids were taken on the basis that all traces of buildings above grade shall be removed from the premises, buildings shall not be relocated within the city limits of Champaign and Urbana, and they shall not be reused for permanent housing.

The Director of the Physical Plant and the Acting Comptroller recommend the sale of thirty-one of these units to the following seven highest bidders:

Bidder	*No. of Units Requested*	*Bid Per Unit* *Two Bedroom*	*One Bedroom*	*Un-designated*	*Total*
J. E. Sullivan	2	$126 50	.....	.....	$ 253 00

R. R. 1					
Champaign					
Lawrence Hovis	6	75 00	.....	.....	450 00
Champaign					
Virgil J. Rhodes	3	75 00	.....	.....	225 00
Gibson City	3	.....	50 00	.....	150 00
Total	31	19 units	12 units		$2 894 00

The highest bidder, with the exception of Mr. Grierson who bid upon specified units, will be permitted to select the units he wants first, the second highest bidder next, and so on.

It is recommended that the following five lowest bids be rejected as offering too low a unit price:

Bidder	*No. of Units Requested*	*Bid Per Unit* *Two Bedroom*	*One Bedroom*	*Un-designated*	*Total*
Howard E. Friese	5	.....	.....	$20 00	$100 00

	6	7 50	.....	.....	35 00
	3	12 50	.....	.....	37 50
	2	56 50	.....	.....	113 00
	1	57 50	.....	.....	57 50

The Director of the Physical Plant and the Acting Comptroller also recommend that fifteen one-bedroom units of the remaining nineteen be offered for sale at a price of $50 each to buyers willing to meet the conditions of sale applicable to the first thirty-one units, except that future buyers will be given sixty days from date of sale for removal of the units. In each case a $50 cash or certified check deposit will be required to insure compliance with these conditions.

The four remaining units adjacent to Pennsylvania Avenue will be retained for the use of contractors on the Veterinary Medicine Clinic Building until that building is completed in order to obviate the cost of providing such facilities by the contractors and will then be offered for sale or otherwise disposed of.

I recommend approval of the sale of the thirty-one units at the prices indicated in each case and that the sale of the remaining fifteen units at a price of $50 each be authorized.

On motion of Mrs. Holt, these recommendations were approved.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(7) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

1. Department of Botany, purchase of forty microscopes	$ 3 600
2. Department of Botany, purchase and installation of fumehood in Photosynthesis Laboratory	2 850
3. University Library, remodeling to provide for a periodical reading section	6 500
Total	$12 950

I recommend that these appropriations be made from the General Reserve Fund.

On motion of Mr. Johnston, these appropriations were made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

PURCHASE OF H. G. WELLS COLLECTION

(8) The University of Illinois has an opportunity to acquire an unusual collection of literary papers — the archives of the late H. G. Wells (Herbert George Wells, 1866-1946), one of the foremost literary men of our times and a distinguished novelist, historian, scientist, writer, and sociologist. The collection consists of major manuscripts, including a complete unpublished novel, family correspondence, important groups of autographed letters, manuscripts and corrected typescripts of stories and articles, the Wells file set of his own works (many revised or inscribed), and miscellaneous documents. A complete list of the items in this collection is being filed with the Secretary of the Board for record.

The executors of the estate of H. G. Wells have agreed to sell this collection to the University of Illinois for $40,000 under a contract which includes a provision that if any additional papers and other materials, which are presently being retained by the executors, are put on the market the University will have the first opportunity to purchase the same. The contract also provides that if the University publishes any of the materials in the collection it shall pay the estate of H. G. Wells 15 per cent of the net royalties accruing from the proceeds of such publications, but this does not apply to the use of any of the collection in research publications by the University. The other provisions in the contract do not call for any special consideration by the Board of Trustees.

The Director of the Library recommends this purchase. The University of Illinois Foundation has agreed to contribute $12,000, leaving $28,000 to be provided by the University. The University Library will assign $11,000 from its current funds for new acquisitions and the University Research Board will assign $9,500 from Graduate College research funds. The Committee on Nonrecurring Appropriations recommends that the remainder ($7,500) be provided from general University funds.

I recommend that an appropriation of $7,500 be made from the General Reserve, that the purchase of the collection be authorized at this time, and that the Acting Comptroller and the Secretary of the Board be authorized to execute a contract with the executors of the estate of H. G. Wells and any other documents necessary to consummate the acquisition of this collection.

On motion of Mrs. Watkins, this appropriation was made and authority was given as recommended by the following vote: Aye, Mr.

Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

APPROPRIATION FOR EXPERIMENTAL SPORTS FITNESS SUMMER DAY SCHOOL

(9) The Director of the School of Physical Education requests an appropriation of $4,200 for the Experimental Sports Fitness Summer Day School. This program has been conducted during the last three years from nonrecurring funds provided in the budget, but such funds are not available this year. The School provides instruction in aquatics, gymnastics, track and field sports, and outdoor games for boys of ages seven through fifteen. Through the testing program the School of Physical Education has been able to obtain research data which is not available elsewhere. A tuition fee of $50 a person will be charged. The estimated enrollment is eighty students, so that most of the expenditures will be recovered.

I concur and recommend that an appropriation of $3,950 for salaries and $350 for expense and equipment, or a total of $4,200, be made to the School of Physical Education for this purpose.

On motion of Mr. Herrick, this appropriation was made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

CONTRACT FOR ARCHITECTURAL SERVICES AT CHICAGO PROFESSIONAL COLLEGES

(10) The Director of the Physical Plant and the Acting Comptroller recommend award of a contract to Pace Associates, Chicago, for architectural services and the preparation of working drawings for remodeling in the Research and Educational Hospitals and in the Dentistry-Medicine-Pharmacy Building. Charges for services under this contract will be based on actual time payments to the staff of Pace Associates at the following rates:

Architect-Planner	$6.00 an hour
Senior Architectural Draftsman	$3.00 to $3.50 an hour
Structural Engineering Designer Mechanical Engineering Designer Electrical Engineering Designer	$3.50 to $4.50 an hour
Chief Mechanical Engineer	$5.00 an hour
Senior Engineering Draftsman	$2.50 to $3.50 an hour

To these charges will be added 100 per cent for overhead costs. The contract will stipulate that the total charges will not exceed $45,000 without prior approval by the University.

The terms of this contract are on the same basis as contracts previously awarded by the Board of Trustees to Pace Associates on February 23 and October 22, 1953, for architectural services in connection with preliminary studies of allocation of space in the Dentistry-Medicine-Pharmacy Building and in the Research and Educational Hospitals. Funds are available in the Revenue Bond Construction Account for work to be done on the East Dentistry-Medicine-Pharmacy Building and in a reassignment of $110,683.76 made by the Board of Trustees on November 20, 1953, for remodeling in the original Dentistry-Medicine-Pharmacy Building and in the Research and Educational Hospitals.

I concur and recommend that the Acting Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was awarded and the Acting Comptroller and the Secretary of the Board were authorized to execute the same.

GRANT OF RIGHT-OF-WAY ACROSS CARTER-PENNELL FARMS TO CENTRAL ILLINOIS SERVICE COMPANY

(11) The Central Illinois Public Service Company has requested permission to construct an electrical transmission line across the north Carter-Pennell farm in Vermilion County. The Company will pay the standard rate for the right-of-way, which in this case will amount to $2,000. The Dean of the College of Agriculture,

the Legal Counsel, and the Acting Comptroller have reviewed this proposal and recommend its acceptance.

I concur and recommend that the Acting Comptroller and the Secretary of the Board be authorized to execute the necessary documents. The legal description of the right-of-way grant has been filed with the Secretary of the Board for record and will be included in the necessary documents.

On motion of Mr. Nickell, this right-of-way was granted and authority was given as recommended by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

EASEMENT ON ELIZABETHTOWN EXPERIMENT FARM

(12) The Southeastern Illinois Electric Cooperative, Inc., requests an easement to construct an electric transmission line along the roadway adjacent to the University's experiment farm at Elizabethtown. Since this will not interfere with the use of the land, the Dean of the College of Agriculture, the Acting Comptroller, and the Legal Counsel recommend that the easement be granted without the usual charge.

I concur and recommend that the Acting Comptroller and the Secretary of the Board be authorized to execute the necessary documents.

On motion of Mr. Nickell, this easement was granted and authority was given as recommended by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

PURCHASES

(13) The Director of Purchases has proposed and the Acting Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest bid.

I concur.

APPOINTMENTS TO THE FACULTY

(16) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. NICHOLAS JOHN COTSONAS, JR., Assistant Professor of Medicine, beginning December 1, 1953, at an annual salary of $8,450 (DY).

2. RICHARD H. HAGEMAN, Assistant Professor of Agronomy, in the Agricultural Experiment Station, beginning February 1, 1954, at an annual salary of $6,000 (DY).

On motion of Mr. Nickell, these appointments were confirmed.

RESIGNATION OF DR. CARL C. PFEIFFER

(17) Dr. Carl C. Pfeiffer, Professor and Head of the Department of Pharmacology, has submitted his resignation effective August 31, 1954, to accept the chairmanship of the Department of Pharmacology at Emory University College of Medicine.

On motion of Mr. Nickell, this resignation was accepted.

REVOCATION OF ILLINOIS CERTIFIED PUBLIC ACCOUNTANT CERTIFICATE NO. 1500 ISSUED TO MERVYN L. McCARTHY

(18) The Committee on Accountancy of the University of Illinois has recommended that Illinois Certified Public Accountant Certificate No. 1500 issued by the Board of Trustees of the University of Illinois to Mervyn L. McCarthy on March 14, 1939, be revoked for good and sufficient cause on the basis of which the Certified Public Accountant Certificate issued to him in Colorado has been revoked by the Board of Accountancy of that state in which he resides and was engaged in the practice of public accounting. The University of Illinois Committee, having before it a report from the Colorado Board informing it of the revocation of his Colorado certificate and the basis therefor, notified him, by registered mail, that his Illinois certificate would be revoked also unless he appeared at a hearing offered him by it to show cause why this action should not be taken. Although receipt of that notice was acknowledged by return receipt, he did not communicate with the Committee and did not appear at the hearing on the date set therefor.

With the approval of the Executive Committee of the Board of Trustees, the Secretary of the Board then informed Mr. McCarthy of the resulting recommendation of the Committee on Accountancy of the University that his certificate be revoked, and notified him that in the absence of receipt within twenty days thereafter by the Secretary of written objections from him to the revocation of his certificate and a request for a hearing before the Board of Trustees, it would be assumed that he would not contest the revocation of his Illinois certificate and did not desire to be heard by the Board of Trustees relative to the same. Receipt by him of this notice, which was sent by registered mail, is evidenced by the return receipt therefor, but, although the twenty-day period has long since expired, no objections to the revocation of his Illinois certificate or request for a hearing by the Board of Trustees, or any other communication, has been received from him.

A record of the proceedings of the Committee on Accountancy of the University of Illinois in connection with this matter, and its recommendation for the revocation of his Illinois Certificate is submitted herewith, to be filed with the

Secretary of the Board as a part of the record of today's meeting. This record shows good and sufficient cause for the action taken by the Board of Accountancy of Colorado in revoking the certificate issued to Mr. McCarthy by that state and the same cause impels the University Committee to recommend that the Board of Trustees of the University also revoke his Illinois certificate for the same cause.

On motion of Mr. Herrick, the Board made and entered the following order:

It is ordered by the University of Illinois and the Board of Trustees of the University of Illinois on this 19th day of January, 1954, that, for good and sufficient cause shown to the satisfaction of said Board of Trustees, Illinois Certified Public Accountant Certificate No. 1500 issued to Mervyn L. McCarthy by the University of Illinois on the 14th day of March, 1939, be, and the same is hereby, in all things, revoked and cancelled, and that the Secretary of this Board be, and he is hereby, authorized to give due notice of this action to all interested parties and to take any and all other steps which may be necessary or appropriate to its consummation.

The vote on this motion was: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

HENRY PERLY RUSK

At this point, Mr. Herrick, Chairman of the Committee on Agriculture, offered the following tribute:

The Board of Trustees records with deep sorrow the passing on January 9, 1954, of Henry Perly Rusk, Dean of the College of Agriculture, Director of the Agricultural Experiment Station, Director of the Extension Service in Agriculture and Home Economics, and Professor of Cattle Husbandry, *Emeritus*.

Dean Rusk was born in Rantoul, Illinois, on July 19, 1884. In his early youth he lived in Champaign County and later in Indiana and Missouri. Following graduation from Valparaiso University and the University of Missouri he taught at Missouri and at Purdue University. He joined the faculty of the University of Illinois in 1910 as Associate in Animal Husbandry. In 1922 he became head of the Department of Animal Husbandry (now the Department of Animal Science) and served as Head of that Department for seventeen years. In 1939 he was appointed Dean of the College of Agriculture and Director of the Experiment Station and the Extension Service, which positions he held until his retirement on September 1, 1952.

Few men have served the University of Illinois so long and with such distinction as did Dean Rusk. With his passing another glorious chapter in the history of the College of Agriculture is closed.

One of the foremost agriculturists of our time, Dean Rusk received many honors indicative of national and international recognition. He was a great teacher and scientist, a first-rate administrator of integrity, courage, and sympathetic understanding. It is unnecessary to list his accomplishments in these areas. In all of them he set a high standard of service on state and national levels. His achievements are well known and will long be remembered. No man can have a greater monument than the gratitude and appreciation of his fellow citizens.

The Board directs that this tribute to a great agricultural statesman be recorded in the proceedings of today's meeting and that its Secretary send suitable copies to members of the family of Dean Henry Perly Rusk.

This tribute was unanimously adopted.

Executive Session

At this point an executive session having been requested it was so ordered for consideration of the following matters of business.

DR. LLOYD MOREY ELECTED PRESIDENT OF THE UNIVERSITY

Mr. Megran presented a recommendation from his special Committee on the Selection of a President of the University that Dr. Lloyd Morey be elected President of the University effective February 1, 1954, and

continuing until September 1, 1954, the date of specified retirement, at his present salary of $23,500 a year including, as heretofore, the use of the President's House and an automobile which are provided for the convenience of the University.

On motion of Mr. Megran, Dr. Morey was unanimously elected President of the University effective February 1, 1954, and continuing until September 1, 1954, at a salary of $23,500 a year, including the use of the President's House and an automobile furnished him for the convenience of the University.

Dr. Morey made a statement expressing appreciation of the confidence of the Board of Trustees in his administration and of its action in electing him President.

APPROPRIATION FOR PREVAILING AND RELATED NEGOTIATED WAGE RATE INCREASES

A recommendation for this appropriation was presented by the Acting President of the University to the Board of Trustees on December 16, 1953, and was referred to the Committee on Nonacademic Personnel for its consideration and recommendation to the Executive Committee for final action.

The Committee on Nonacademic Personnel recommends that the policy for financing prevailing rate increases during the biennium of 1953-1955, as recommended by University officials (see Board Minutes, December 16, 1953, page 1184), be approved and that an appropriation of $129,500 be made from the General Reserve Fund for this purpose.

On motion of Mr. Bissell, this appropriation was made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

APPROPRIATION FOR TRANSCRIPTS OF RECORD OF PROCEEDINGS BEFORE THE KREBIOZEN INVESTIGATING COMMISSION

The Legal Counsel was authorized to secure transcripts of the proceedings before the original House Joint Resolution 10 Committee appointed by the Sixty-Eighth General Assembly of Illinois "for the purpose of ascertaining the facts of the controversy that has arisen at the University of Illinois concerning research on Krebiozen and to consider what legislative action, if any, is necessary or desirable," and before its successor, the Krebiozen Investigating Commission created by House Bill 823 of the Sixty-Eighth General Assembly. The Sullivan Reporting Company, 1 North LaSalle Street, Chicago 1, Illinois, was designated by the Committee and by the Commission as the official reporter of the proceedings, and the University has been securing its transcripts from that source.

The Sullivan Reporting Company has submitted a statement of its charges to date, totalling $9,824. The Legal Counsel believes that these charges are excessive and has informed the Company that he can not recommend payment of this amount. The Sullivan Reporting Company has agreed to reduce its charges by 50 per cent provided it will receive payment by the end of January, 1954.

The Legal Counsel recommends, and the President of the University concurs therein, that the Company be paid $4,912 in full settlement for all services to date.

On motion of Mr. Johnston, the Legal Counsel was authorized to conclude a settlement of this claim on the basis of 50 per cent of the original bill, and an appropriation of $5,000, or so much thereof as may be necessary, was made from the General Reserve Fund for this purpose by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

REPORT OF COMMITTEE ON AGRICULTURE

Mr. Herrick, Chairman of the Committee on Agriculture, reported informally on the status of the search for a Dean of the College of Agriculture, Director of the Agricultural Experiment Station, and Director of the Extension Service in Agriculture and Home Economics.

REPORT OF ALUMNI COMMITTEE

Mr. Bissell, Chairman of the Alumni Committee, brought up for discussion a letter (referred by the President of the Board to his Committee) from the President of the University of Illinois Medical Alumni Association commenting on the lack of satisfactory advisory relationships between the Association and the Board of Trustees with particular reference to matters of policy relating to the College of Medicine.

President Morey offered some suggestions for improving these relationships.

On motion of Mr. Bissell, the President of the University was requested to arrange a conference with the President and other officers of the Medical Alumni Association and University officials including members of the Board of Trustees Committees on Alumni Affairs and the Chicago Departments.

CLASSIFIED GOVERNMENT RESEARCH SECURITY CLEARANCES FOR TRUSTEES

The Board of Trustees has declared, and has made this a matter of record, that its Executive Committee shall act for the Board on any contracts, and business incidental thereto, dealing with classified material relating to government research, so that only the members of the Executive Committee will be required to have security clearances and to avoid the necessity of securing such clearances for all the members of the Board.

It now appears that in order to make the certification acceptable to government authorities and particularly the Office of Naval Research it will be necessary to adopt the following supplementary declaration:

> The Board of Trustees further declares that only Trustees Park Livingston, U. S. Citizen, Herbert B. Megran, U. S. Citizen, and Frances B. Watkins, U. S. Citizen, who are the present members of the Executive Committee, will have access to classified security information, and that Trustees William G. Stratton, U. S. Citizen, Vernon L. Nickell, U. S. Citizen, Wirt Herrick, U. S. Citizen, Robert Z. Hickman, U. S. Citizen, Harold E. Grange, U. S. Citizen, Wayne A. Johnston, U. S. Citizen, Cushman B. Bissell, U. S. Citizen, and Doris S. Holt, U. S. Citizen, will not have access to classified security information.

The Secretary of the Board requests this supplementary declaration and that he be authorized to send certified copies to the government agencies concerned.

On motion of Mr. Bissell, this declaration was adopted and the Secretary was authorized to inform the government agencies concerned of the Board's action.

DISTRIBUTION OF BIENNIAL REPORT

As required by law, copies of the biennial reports of the University of Illinois, consisting of the transactions of the Board of Trustees, are sent to the Governor of Illinois. The latest published report (for 1950-1952) was sent to the Governor on December 19, 1952. Although not

required by law to do so, it is the practice of the University to send the biennial report to each member of the General Assembly, along with the financial reports of the Comptroller for the same period.

Copies of the biennial report are also sent to all members of the Board of Trustees, to former members of the Board, and to deans, directors, and administrative officers having need for the same. A supply is given to the Library for exchange with other libraries. There were nine hundred copies of the 1950-1952 volume printed.

From time to time, newspaper reporters and other individuals have asked for copies of this report. The Secretary requests instructions.

On motion of Mr. Johnston, the Secretary was authorized to supply any individuals and organizations having a legitimate interest in these reports with copies of the same.

FEBRUARY MEETING

On motion of Mrs. Watkins, the Board voted to hold its February meeting on Thursday, February 18, 1954, beginning at 10:00 a.m., in the LaSalle Hotel, Chicago, Illinois.

ANNUAL MEETING

On motion of Mr. Herrick, the Board voted to change the date of the annual meeting in 1954 from the second Tuesday (March 9) to Saturday, March 20, 1954, beginning at 10:00 a.m., to be held in the LaSalle Hotel, Chicago, Illinois.

The Committee on Accountancy recommends that the following persons be awarded the certificate of Certified Public Accountant on the basis of having satisfactorily passed a written examination under Section 4b of the Accountancy Act of 1943, as amended in 1951, given by the Special Board of Examiners:

RALPH ROLAND JOHNSON (Glencoe)
HARRY E. KAMINSKY (Chicago)
JOSEPH ROBERT STEIN (Chicago)

The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

Name	*Address*	*State from Which They Obtained Certificates*
WILLIAM HOMER BARKER	Gary, Indiana	Indiana
REINHOLD KIRK BATZER	Packanack Lake, New Jersey	New York
KURT CHARLES BEHRENS	Park Ridge	Delaware
MAURICE S. HAHN	Niles, Michigan	Michigan
ELMER LAWRENCE HELM, JR.	Brentwood, Missouri	Missouri
ARTHUR GEORGE KIESLING	Madison, Wisconsin	Wisconsin
ROGER JOHN SCHAFER	Chicago	Tennessee
NORMAN EDWARD SCHLEY	Waukesha, Wisconsin	Wisconsin
CHARLES LEE WOODWARD, JR.	St. Louis, Missouri	Missouri

I concur.

On motion of Mrs. Watkins, these certificates were awarded.

APPOINTMENTS TO THE FACULTY

(2) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. DONALD J. BRAY, Assistant Professor of Poultry Extension, in the Department of Animal Science, beginning February 1, 1954, at an annual salary of $6,500 (BY).

2. ROBERT W. DECKER, Assistant Professor of Geology, beginning February 1, 1954, at an annual salary of $5,000 (D).

3. ANNA T. HOWARD, Assistant Professor, School of Nursing, beginning February 1, 1954, at an annual salary of $5,000 (DY).

4. MARION DALE KINZIE, Medical Adviser and Assistant Professor of Hygiene in the Health Services, beginning May 1, 1954, at an annual salary of $8,000 (DY).

5. GUSTOF PETERSON, Assistant Professor of Agricultural Economics (C&S), beginning February 1, 1954, at an annual salary of $5,800 (BY).

On motion of Mrs. Watkins, these appointments were confirmed.

APPOINTMENT OF PROFESSOR HERBERT E. CARTER AS PROFESSOR AND HEAD OF THE DEPARTMENT OF CHEMISTRY AND CHEMICAL ENGINEERING

(3) Professor Roger Adams, distinguished Head of the Department of Chemistry since 1926, has asked to be relieved of his administrative duties as Head of the Department at the end of the current academic year and to be continued on the faculty as Research Professor.

I recommend that his request be granted.

The Executive Committee of the College of Liberal Arts and Sciences and a special search committee have recommended the appointment of Professor Herbert E. Carter, now Professor of Biochemistry, as Professor and Head of the Department of Chemistry and Chemical Engineering on indefinite tenure, beginning September 1, 1954, at a salary of $14,000 an academic year. The recommendation has the support of the Provost, the Dean of the Graduate College, and the Dean-elect of the College of Liberal Arts and Sciences.

I concur.

On motion of Mrs. Watkins, this appointment was approved.

APPOINTMENT OF DR. REID T. MILNER AS PROFESSOR AND HEAD OF THE DEPARTMENT OF FOOD TECHNOLOGY

(4) The Dean of the College of Agriculture recommends the appointment of Dr. Reid T. Milner, now Director of the Northern Regional Research Laboratory at Peoria, Illinois, as Professor and Head of the Department of Food Technology on indefinite tenure, beginning April 19, 1954, at an annual salary of $12,000 (AY). The recommendation is concurred in by other University officers concerned.

This appointment is to replace Dr. Louis B. Howard who is now Associate Director of the Agricultural Experiment Station and who has asked to be relieved of the headship of the Department of Food Technology.

I concur.

On motion of Mrs. Watkins, this appointment was approved.

GEORGE A. MILLER ENDOWMENT

(5) Now that the net assets of the George A. Miller Estate are in the possession of the University and the funds have been invested by it, I recommend that Professor Miller's bequest be officially designated "The George A. Miller Endowment."

A special faculty committee appointed for this purpose has been studying what use should be made of the income from this endowment. The committee has not completed its work but has agreed on one recommendation which I present to the Board with my approval:

> There is hereby established a George A. Miller Visiting Professorship to be filled annually from any field in which advanced work is given at the University. The Department of Mathematics shall be given priority in the selection of the first candidate for this position. The salary of this professorship shall not be fixed but shall be determined by the qualifications and professional standing of the candidate appointed. The first appointment shall be for the academic year 1954-1955.

It is unnecessary, and in my opinion inadvisable, to spell out the details of the position and how candidates shall be selected, as those are matters which

can be determined within the appropriate administrative echelons and no specific authority from the Board of Trustees is required. All appointments to this visiting professorship will be made in accordance with standard procedures and subject to the same approvals as all other appointments to major positions.

On motion of Mrs. Watkins, this recommendation was approved.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(6) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

1. Department of Botany, purchase of steel storage cases	$ 2 850
2. Library, Chicago Undergraduate Division, for rebinding books and for acquisitions for use in graduate program in social work	2 000
3. Research and Educational Hospitals, installation of central television antenna system	5 000
4. Drug Plant Experiment Station, Chicago Professional Colleges, purchase of truck with hydraulic lift to replace present truck	3 500
Total	$13 350

I recommend that these appropriations be made from the General Reserve Fund.

On motion of Mrs. Watkins, these appropriations were made by the following vote: Aye, Mr. Livingston, Mrs. Watkins; no, none; absent, Mr. Megran.

APPROPRIATION FOR BUILDING STUDIES

(7) The Building Program Committee needs an accurate inventory and functional analysis of the use of all space on the Urbana-Champaign Campus in studying requests for new buildings. Such data are also required in studies of any new construction for a permanent undergraduate division in Chicago as well as for major expansion at Urbana-Champaign to provide for increases in enrollment.

The technical and clerical staff to be employed in this work will need more adequate quarters and the Committee has asked that its staff be moved from present quarters at 1205 West California Avenue, Urbana, into one of the temporary buildings in the Parade Grounds housing area. This will also require employment of additional temporary staff and reactivation of one of the Parade Grounds units at an estimated cost of $6,000.

Professional services on a per diem basis are required to translate estimates of floor areas into buildings, land areas, and finally into construction and site costs. An accurate estimate of the costs of such professional services is not feasible, but it appears that approximately $7,000 will be required.

In addition, approximately $2,000 is needed for staff services and miscellaneous expenses in calculating present capacity and requirements for anticipated expansion on the Urbana-Champaign campus.

The Director of the Physical Plant, the Provost, and the Acting Comptroller recommend a nonrecurring appropriation of $15,000 for these services and incidental expenses.

I concur.

On motion of Mrs. Watkins, this appropriation was made by the following vote: Aye, Mr. Livingston, Mrs. Watkins; no, none; absent, Mr. Megran.

APPROPRIATION FOR URBANA-CHAMPAIGN SANITARY DISTRICT

(8) Since 1947 the University has by contract authorized by the Board of Trustees been paying the Urbana-Champaign Sanitary District the University's proportionate share of the cost of operating the local sewage disposal plant. This share is computed on the basis of water consumption and during the last few years has amounted to 18 to 20 per cent of the total annual cost. The University has also contributed its proportionate share of the cost of improvements in the plant.

The Sanitary District is proposing a plant improvement by the construction of a digester with certain other equipment, at an estimated total cost of between $90,000 and $100,000. The improvement is required to provide adequate sludge digestion facilities which will prevent further pollution of the Saline Ditch and reduce fly nuisance caused by improperly digested sludge.

The estimated completion time is October, 1954. The Director of the Physical Plant and the Acting Comptroller recommend a nonrecurring appropriation of $18,000, or so much thereof as may be necessary, to pay the University's share of this improvement computed in accordance with the above formula.

I concur.

On motion of Mrs. Watkins, this appropriation was made by the following vote: Aye, Mr. Livingston, Mrs. Watkins; no, none; absent, Mr. Megran.

ACQUISITION OF WESLEY FOUNDATION PROPERTY

(9) Negotiations have been concluded with the Wesley Foundation at the University of Illinois for the acquisition of the property owned by it which the University desires to purchase in the block bounded by Green Street, Goodwin Avenue, Illinois Street, and Mathews Avenue in the city of Urbana, Illinois, and for the transfer to the Foundation of the University property in this area which the Foundation desires to acquire, in accordance with the terms and conditions recommended by the Committee on Buildings and Grounds and approved by the Board of Trustees. This is to report that this transaction has been consummated through the exchange of special warranty deeds and payment of the agreed price to the Foundation.

The land thus acquired by the University is needed as the site for a life sciences building which has been a top priority project in its building program for several years. It will take some time to dispose of the buildings (some of them are being used by the University and the activities housed in them will have to be transferred elsewhere) on the site and clear the area for new construction. It is important to acquire the land well in advance of availability of funds for construction and thus avoid potential and costly delays later. There is one more parcel of property, privately owned, on Illinois Street which the University needs to acquire. Negotiations for its purchase are in progress.

The contracting parties have agreed upon, surveyed, and established a joint boundary line 75 feet south of and parallel to the east and west center line of the block. The Foundation has conveyed all of its property south of this line to the University and the latter has conveyed the land it owned north of this line to the Foundation. Since the University has acquired a much larger area of land than it conveyed, it has made a net payment of $117,500 to the Foundation. One of the parcels of Foundation property purchased by the University is at the southwest corner of the block and is under lease until June 30, 1954, so that conveyance of this particular tract to the University is subject to the lease. The rent payable under the lease will be prorated between the University and the Foundation.

The Foundation has agreed to waive its claim for rent subsequent to the termination of a rent-free agreement, up to the date of sale, on property of the Foundation which the University has been occupying and using as a parking lot for use by its staff. This is the corner area at Illinois Street and Goodwin Avenue east of the University Club.

The University, the Foundation, and the Trinity Methodist Church have covenanted that none of them will erect or maintain any building or other structure within fifteen feet north and south of the joint boundary line so established. The University will remove by August 15, 1954, all buildings and material above normal ground level on the land it owned north of this line and, if requested by the Foundation, will erect a suitable temporary fence on the line to separate the properties.

The joint boundary line was established by survey and monumented, the legal descriptions of the various tracts conveyed by the deeds were ascertained and agreed upon, the title of the Foundation to the land conveyed by it to the

University and the title of that conveyed by the latter to the former, and the survey, deeds, and other legal documents used in connection with consummating this transaction were approved by the University's Legal Counsel, and by counsel for the Foundation, prior to the execution and exchange of the deeds and other legal documents and the payment of the money.

All of the actions related above having been taken pursuant to previous authorization by the Board of Trustees, this report was received for record.

LEASE OF PROPERTY AT 704 SOUTH SIXTH STREET

(10) Professor Julius N. Hook, Department of English, has recently been appointed Executive Secretary of the National Council of Teachers of English, an important professional organization of nearly 14,000 teachers. The Council wishes to move its headquarters to the University of Illinois Campus at Urbana-Champaign so that Professor Hook can serve it more effectively as Executive Secretary. He will devote two-thirds of his time to the work of the Council for the second semester of the current year and after September 1, 1954, will be on one-half time with the Council and one-half time in the Department of English with corresponding adjustments in his University salary. It will be of great value to the University in its relations with the high schools of Illinois as well as with other colleges and universities throughout the country to have the Council's headquarters on the campus, as it will be the center for directing the training of teachers of English on a national scale.

To provide adequate quarters for the Council's work, it is recommended that space be leased on the first floor of the property at 704 South Sixth Street, Champaign. No satisfactory space is now available in University-owned premises. The University is already leasing quarters in this building for the Institute of Labor and Industrial Relations. Mr. W. B. Hayes, owner, has offered to lease the required space at a rate of $300 a month, the University to pay for all water, gas, electricity, janitor service, and a proportionate share of fuel costs (the heat to be furnished by the lessor). The University would assume responsibility for decoration, such remodeling as is necessary, and the return of the property to its original condition except for natural wear and tear, damage by fire, wind, or other inevitable causes, upon the termination of occupancy.

The Board recently approved an extension of a previous lease for the second floor of this property for the Institute of Labor and Industrial Relations to September 1, 1956, to be executed by the University of Illinois Foundation. The proposed lease for the first floor will be on the same plan.

The following basis for division of costs between the University and the National Council of Teachers of English is proposed: the Council and the University to share equally the remodeling costs estimated at approximately $500; the Council to assume all costs of repairs and restoration; the Council to assume full cost and responsibility for cleaning and all utilities, including heat; the rental to be shared equally between the University and the Council.

The proposed rate is reasonable in comparison with existing rates for similar areas leased in this community.

The Provost, the Director of the Physical Plant, and the Acting Comptroller recommend an annual appropriation of $1,800 and that this area be included as a part of the lease to be executed between the Foundation and Mr. W. B. Hayes for the second floor of this building with the understanding that the University will enter into an agreement with the National Council of Teachers of English covering the above items.

I concur.

On motion of Mrs. Watkins, the Executive Committee voted to request the University of Illinois Foundation to include in the lease of space in the building at 704 South Sixth Street, Champaign, quarters for the National Council of Teachers of English, in accordance with the terms and under the conditions herein recommended, provided that the action of the Committee is concurred in by a majority of the Board of Trustees.

CONTRACT FOR SERVICES OF REALTORS IN SALE OF UNIVERSITY OWNED HOUSES

(11) Following World War II the University purchased a number of residence properties and constructed other houses for rental to new members of the faculty whose services were required to take care of a greatly increased enrollment. This program included the erection of seventy-one prefabricated permanent houses, the construction of six houses designed by the Small Homes Council as a research project, the purchase of fifteen residences in various areas of Urbana and Champaign outside the zone of future campus expansion, the construction of the Student and Staff Apartments on Green Street and Goodwin Avenue, and the construction of thirty houses at Florida Avenue and Race Street, Urbana, by the Small Homes Council as a research and demonstration project.

It has been the plan gradually to dispose of all of these properties with the exception of the Student and Staff Apartments, the Small Homes Council houses on Florida Avenue and Race Street, and the properties which the University has acquired primarily for future campus expansion. Out of the original number, forty-eight newly constructed houses and twelve purchased properties remain unsold.

The permanent residences, including all of the prefabricated houses, will be offered for sale over a period of years and usually on the expiration of a final lease of occupancy and when otherwise vacated. In general it is proposed to offer such properties for sale to the occupants on or before October 1 preceding the expiration of their leases. If by the following April 1 the tenant does not elect to purchase the property, it will be put on general sale on the expiration of the lease but may be withdrawn from the market if it is needed for assignment to a new staff member. Houses not sold by the end of the lease period may be assigned to staff members also.

To carry out this program, the University needs the services of local realtors to assist in selling the properties. It is not feasible to list these properties for sale with all local realtors (there being approximately seventy of them), and it would not be fair to the lessees to give so many agents the right to show houses to prospective purchasers.

The Director of the Physical Plant and the Acting Comptroller recommend that the real estate firms of Chumbley, Turner, and Younger, Champaign; Sidney B. Trelease, in the University business district; and Boggs and Cogdall, Urbana, be commissioned to represent the University for the sale of all properties included in this program under the following conditions:

a. The standard real estate fees will be paid. In the past a 5 per cent fee has been charged on the first $10,000 of the sale price and 2½ per cent on the amount above $10,000. A recent action of the Champaign-Urbana Real Estate Board fixed these rates on properties listed prior to January 15, 1954, and continuing on such properties until March 1, 1954, after which the standard fee will be 5 per cent of the total sale price.
b. The realtors will submit as part of their service appraisals on properties to be sold and the University will then establish the sale price. (The standard fee will cover all services on each transaction and there will be no extra charge for the appraisal.)
c. A standard contract form will be used but will be subject to approval by the University in advance.
d. The realtors will make public announcement that the properties are on the market and that they will cooperate with all local brokers in the sales of such properties. If another realtor participates, the commission will be shared.

All sales negotiated under this plan will be submitted to the Board of Trustees for approval in advance.

I concur in these recommendations.

On motion of Mrs. Watkins, these recommendations were approved and authority was given as requested.

CONTRACT FOR CONSTRUCTION OF WOMEN'S ATHLETIC FIELD

(12) It is necessary to lay out a new women's athletic field to replace the present one on which the new Home Economics Building will be constructed. Bids have

been taken for the construction of a new field, immediately west of the Forestry (Illini Grove), on all phases of the work except fine grading, planting, and development of lawn surface. This will be done by the University later.

The Director of the Physical Plant and the Acting Comptroller recommend award of a contract for $17,293.65 to Cross Construction, Inc., Urbana, the lowest bidder. Funds are available in the state appropriation for the construction of the new Home Economics Building and have been released by the Governor.

I concur and recommend that the Acting Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was awarded and the Acting Comptroller and the Secretary of the Board were authorized to execute the same.

CONTRACT FOR INSTALLATIONS IN MEDICAL CENTER STEAM COMPANY PLANT

(13) The Director of the Physical Plant and the Acting Comptroller recommend the award of a contract for $5,408 to the Weishaupt Iron and Wire Works, Chicago, the lowest bidder, for installation of structural steel, stairways, walks, railings, and gratings in the Medical Center Steam Company plant to improve access to equipment located above the firing floor so that servicing can be more efficient and at less cost.

Funds are available in the Steam Plant revolving account and, upon completion of the installations, the Medical Center Steam Company will credit the University for the cost. Supervision of the work by the University is more practicable, as well as less expensive, than if the contract were awarded by the Medical Center Steam Company, which has no engineering or supervisory staff for such work.

I concur and recommend that the Acting Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was awarded and the Acting Comptroller and the Secretary of the Board were authorized to execute the same.

CONTRACT FOR POWER PLANT ADDITION

(14) The Director of the Physical Plant and the Acting Comptroller recommend award of a contract for $72,720 to M. J. Holleran, Inc., Chicago, the lowest bidder, for substructure work and piping for the new cooling tower at the Abbott Power Plant. Award of the contract for the purchase of the cooling tower was approved by the Board on November 20, 1953.

The contract will be subject to release of funds by the Governor from the state appropriation for an addition to the power plant.

I concur and recommend that the Acting Comptroller and the Secretary of the Board be authorized to execute this contract when funds are released.

On motion of Mrs. Watkins, this contract was awarded and the Acting Comptroller and the Secretary of the Board were authorized to execute the same.

SALE OF TEMPORARY HOUSING UNITS

(15) At its meeting on January 19, 1954, the Board of Trustees authorized the sale and removal of up to forty-six of the temporary housing units in the area to be cleared for the construction of the new Veterinary Clinic Building. Thirty-one of these units were sold to the seven highest bidders at prices ranging from $50 for a one-bedroom unit to $126.50 for a two-bedroom unit. The Board also authorized the sale of the remaining fifteen units at a price of $50 each to buyers willing to meet the conditions of sale. So much public interest developed in the sale of the remaining units (one hundred people asked for information so that they could submit proposals) that bids were invited and forty-four firm proposals with bid deposits were received.

The Director of the Physical Plant and the Acting Comptroller recommend the sale of these fifteen units to the following highest bidders:

Bidders	*No. of Units*	*Price Per Unit*
Mr. and Mrs. Grant Denny, Urbana	1	$150 00
Mr. Lewis Planck, Hume	1	126 50
Mr. O. C. Harden, Tolono	1	126 00
Mr. Chester Sunderman, Urbana	1	126 00
Mr. Alfred Woodworth, Tolono	5	125 00
Mr. Marian R. Applegate, Urbana	1	110 00
Mr. Wayne V. Applegate, Jr., Urbana	1	110 00
Mr. Othor Smock, Gibson City	2	105 00
Mr. Everett L. Roberts, Champaign	2	105 00

I concur.

On motion of Mrs. Watkins, the sale of these buildings was authorized as recommended, this being consistent with the previous authorization of the Board of Trustees to dispose of the temporary buildings to the highest bidders.

SETTLEMENT OF CLAIM AGAINST ARMY NUTRITION LABORATORY UNDER CONTRACT NO. W-49-007-MD-388

(16) On February 23, 1953, the Board of Trustees was informed that the University had instituted a suit in the United States Court of Claims for the balance it claimed was due it under a contract entered into in 1947 with the Office of the Surgeon General of the United States for research work in the Research and Educational Hospitals. The contract included provision for the exclusive use by the Army Nutrition Laboratory of four beds in the Hospitals at a specified daily rate. The University's claim was for $6,868.40. The Comptroller General of the United States approved payment of only $361.90 on the ground that the beds assigned to the Army Nutrition Laboratory were not always occupied, notwithstanding that they were reserved for its exclusive use.

The Board of Trustees approved the institution of these legal proceedings, including the employment of the law firm of Fisher, Wayland, Duvall, and Southmayd of Washington, D.C., as special counsel for the University.

On November 20, 1953, the Board authorized the Comptroller and the Legal Counsel to make a compromise settlement of the claim contemplating the award of judgment for the University in the sum of $5,000 thereon since it appeared that such a compromise was feasible and that protracted litigation would be costly.

The University's attorneys have reported to the Legal Counsel that on January 5, 1954, judgment was entered in favor of the University in the agreed sum of $5,000 by the United States Court of Claims. It will, however, be some time before the University receives payment since an appropriation by Congress will be necessary. When payment is made to the University, I recommend that the Acting Comptroller be authorized to accept same and to pay the legal fees and other expenses in accordance with the terms agreed to by the University.

On motion of Mrs. Watkins, this report was received for record and authority was given the Acting Comptroller as recommended.

QUARTERLY REPORT OF THE COMPTROLLER

(19) The Acting Comptroller presents his quarterly report to the Board of Trustees as of December 31, 1953.

This report was received for record and a copy has been filed with the Secretary of the Board.

REPORT OF GIFTS AND GRANTS RECEIVED BY THE UNIVERSITY

(20) The following gifts and grants of funds received by the University have been accepted by the President and are now being reported for official record. The previous report of such gifts was made to the Board on February 23, 1953.

Colleges and Schools at Urbana-Champaign

A. Undergraduate Scholarships, Prizes, and Other Financial Aids

1. Mr. Robert Allerton, Hawaii, $800 to continue the Robert Allerton Traveling Scholarships in architecture for 1953.

2. Alpha Alpha Chapter of Alpha Phi Omega, national service fraternity, $250 for scholarships for the academic year 1953-1954.

3. Alpha Xi Chapter of Phi Mu Alpha-Sinfonia, professional music honorary fraternity, $50 to be added to the William G. Hill Memorial Scholarship in music.

4. American Air Filter Foundation, Inc., Herman Nelson Division, Moline, $1,000 for three scholarships in the College of Engineering ($400 for a senior, $300 for a junior, and $300 for a sophomore).

5. The Chicago Chapter of the American Foundrymen's Society, $5,000 to establish an endowment fund to be known as the Robert E. Kennedy Scholarship in the College of Engineering, Chicago Undergraduate Division, for students in the foundry field.

6. American Legion Auxiliary, Department of Illinois, Chicago, $800 to continue a scholarship for one year of study in a Latin-American university.

7. American Society for Metals Foundation for Education and Research, Massachusetts Institute of Technology, Cambridge, Massachusetts, $400 for a scholarship in metallurgy or metallurgical engineering, for the academic year 1953-1954.

8. Lou Boudreau Trust Fund (a trust set up in the National Bank of Harvey, Illinois, by citizens of that community), $438 for the Lou Boudreau Scholarship awarded to three male graduates of Thornton Township High School attending the University of Illinois.

9. Campus Chest, University of Illinois undergraduate fund-raising organization, $1,400 for scholarships.

10. Carbide and Carbon Chemicals Company, Texas City, Texas, $1,000 for a scholarship in chemistry for the academic years 1952-1953 and 1953-1954.

[1] Deduct.

11. Ceco Steel Products Corporation, Chicago, $2,000 for scholarships in engineering, for the academic year 1955-1956.

12. Chicago Farmers, Chicago, $500 for a scholarship for a senior student in agriculture.

13. Dads' Association, University of Illinois, $200 to establish two scholarships, one to be awarded to a first-year woman student and one to a first-year man student, beginning with the academic year 1953-1954.

14. Douglas Aircraft Company, Inc., Santa Monica, California, $600 for a scholarship in the College of Engineering for the academic year 1953-1954.

15. Forney Foundation, Fort Collins, Colorado, $500 for two scholarships, one in agriculture and one in agricultural engineering, for the academic year 1953-1954.

16. Mr. and Mrs. Forrest L. Forsythe, Chicago, $300 to establish the Robert Wade Forsythe Memorial Scholarship in architecture as a memorial to their son who died in Korea.

17. Gulf, Mobile, and Ohio Railroad Company, $2,200 for seven scholarships in agriculture and home economics for the academic year 1954-1955.

18. Harrison Jules Louis Frank and Leon Harrison Frank Memorial Corporation, Detroit, Michigan, $500 for a scholarship in electrical engineering for the academic year 1953-1954.

19. Mr. Joseph Harrington, Jr., Wenham, Massachusetts, $50 for the Dunlap Harrington Memorial Scholarship. (Since 1939 Mr. Harrington has given $50 annually in memory of his brother, a former University of Illinois student.)

20. Holophane Company, Inc., New York, New York, $1,200 to establish the Holophane Company Illuminating Engineering Scholarships beginning with the academic year 1953-1954.

21. Illinois Congress of Parents and Teachers:

a. $600 for three scholarships ($200 each), for the academic year 1953-1954. (The amount received to date is $9,000.)

b. $250 for a scholarship to be awarded to a student preparing to teach handicapped children. (The amount received to date is $1,450.)

22. Illinois Federation of Women's Clubs, $1,795 for scholarships in occupational therapy.

23. Illinois Federation of Women's Clubs, Third Congressional District, $1,320 for scholarships in occupational therapy.

24. Illinois Mining Institute, $100 for scholarships in mining engineering.

25. Junior Women's Advertising Club of Chicago, $240 for scholarships in journalism.

26. The Kroger Company, Cincinnati, Ohio, $1,200 to continue six scholarships ($200 each) in agriculture and home economics for the academic year 1953-1954.

27. Mr. Albert Mohr, Jr., Chicago, $1,000 to the Robert Zuppke Scholarship Fund.

28. Monsanto Chemical Company, St. Louis, Missouri, $500 for a scholarship in chemical engineering for the academic year 1953-1954.

29. John Morse Memorial Foundation, Chicago, $3,000 for six scholarships in mechanical and electrical engineering for the academic year 1953-1954.

30. University of Illinois Mother's Association, $200 for two scholarships.

31. Northern Illinois Coal Corporation, Kansas City, Missouri, $200 for a scholarship in mining engineering.

32. Old Ben Coal Company, $500 for scholarships in mining engineering for the academic year 1953-1954.

33. Peabody Coal Company, $400 for scholarships in mining engineering for the academic year 1953-1954.

34. Mrs. Kittie B. Pierce, LaGrange, $500 for the continuation of the Phyllis Pierce Ruettinger Scholarship for the academic year 1953-1954.

35. Pi Kappa Lambda, music fraternity, $410.45 for scholarships in music.

36. Praetorian Society, an organization of students residing in the University's Men's Residence Halls, $120 for scholarships.

37. The Presser Foundation, Philadelphia, Pennsylvania, $250 for the continuation of a scholarship in music for the academic year 1952-1953.

38. Procon Incorporated, Des Plaines, $500 for scholarships in civil and mechanical engineering for the second semester of 1953-1954.

39. Mr. John W. Ruettinger, Chicago, $500 for the continuation of the John C. Ruettinger Memorial Scholarship for the academic year 1953-1954. (This gift is made through the University of Illinois Foundation of which Mr. Ruettinger is a member.)

40. Sears-Roebuck Foundation, $4,425 for scholarships in the College of Agriculture.

41. Sinai Temple Congregation of Champaign-Urbana, $50 for a scholarship in music.

42. Socony-Vacuum Oil Company, Inc., Billings, Montana, $750 for a scholarship in geology for the academic year 1953-1954.

43. Universal Oil Products Company, Des Plaines, $1,000 for scholarships for senior students in chemical engineering.

44. University of Illinois Student Organization Fund, $500 for scholarships.

45. F. M. Leslie, Trustee of the Homer Baker Memorial Fund, $257.50 from friends of the late Homer Baker, who operated drugstores in Champaign, Illinois, to be used for financial aid to students in the College of Pharmacy.

46. Mr. Elmer Bash, Champaign, $300 to be added to the James M. White Memorial Fund, the income from which is used for prize awards to students in the Department of Architecture.

47. Dr. Elmer A. Culler, Columbus, Ohio, the rights and royalties in the film "Views of a Decorticate Dog."

48. Eta Kappa Nu, honorary electrical engineering fraternity, $500 for the production of a film on "Engineering as a Career."

49. Evans Hall, University residence hall for women, $50 to be added to the Women Students Aid Fund.

50. Illinois Crop Improvement Association, $500 for publication of an Agricultural Experiment Station bulletin, "1953 Illinois Corn Tests."

51. Estate of Jennie C. Lee, $484.88 for the Eddy Orland Lee Student Loan Fund. (The University is a residuary legatee of this estate.)

52. University of Illinois Mother's Association, $200 to be added to the Women Students Aid Fund.

53. National Scale Men's Association, $212.50 for reprinting Illinois Engineering Experiment Station Bulletin 242, "Pivots and Bearings."

54. Pi Beta Phi Champaign Alumnae Club, $100 for financial aid to women students.

55. Ponderosa Pine Woodwork, national organization of the distributors and promoters of the use of ponderosa pine, $500 for an unrestricted grant to the Department of Architecture.

56. Shi-Ai, student inter-sorority organization, $200 for financial aid to women students.

57. Tau Delta Tau Fraternity, University of Illinois Chapter, $80 to be added to emergency student loan funds as a memorial to the late Mr. and Mrs. W. A. Knight, alumni of the University.

58. Women's District Grand Lodge No. 6, B'nai B'rith, Chicago, $100 for the Dr. Abram Leon Sachar Prize in History.

59. Women's Group System, University of Illinois, $800 for financial aid to women students.

Total, Undergraduate Scholarships, Prizes, and Other Financial Aid..$43,783.33

B. Funds for Graduate Fellowships and Research

60. Allied Chemical and Dye Corporation:

a. National Aniline Division, New York, New York, $1,856 for the renewal of a fellowship in organic chemistry for the academic year 1953-1954.

b. Nitrogen Division, $1,866 for the renewal of a fellowship in organic chemistry for the academic year 1953-1954.

61. American Cyanamid Company, New York, New York, $2,150 for the renewal of a fellowship in chemistry for the academic year 1953-1954.

62. Archer-Daniels-Midland Company, Minneapolis, Minnesota, $1,500 for the renewal of a fellowship in food technology for the academic year 1953-1954.

63. Armour and Company, Chicago, $3,000 for the renewal of two fellowships ($1,500 each) in food technology for the academic year 1953-1954, and $2,000 for a fellowship in chemistry for the academic year 1953-1954.

64. The California Company, New Orleans, Louisiana, $1,750 for the renewal of a fellowship in geology for the academic year 1953-1954.

65. Celanese Corporation of America, New York, New York, $2,500 for the renewal of a fellowship in physics for the academic year 1953-1954.

66. Cincinnati Chemical Works, Cincinnati, Ohio, $1,756 for the renewal of a fellowship in chemistry for the academic year 1953-1954.

67. The Dow Chemical Company, Midland, Michigan, $5,500 for three fellowships in chemistry and chemical engineering (two at $1,500 each and one at $2,500).

68. E. I. du Pont de Nemours & Company, Wilmington, Delaware, $3,056 for the renewal of a fellowship in chemical engineering and $3,614 for a postgraduate teaching fellowship in chemistry, both for the academic year 1953-1954.

69. Eastman Kodak Company, Rochester, New York, $2,756 for a fellowship in chemistry for the academic year 1953-1954.

70. Ethyl Corporation, Detroit, Michigan, $1,556 for the renewal of a fellowship in chemistry for the academic year 1953-1954.

71. The Firestone Tire and Rubber Company, Akron, Ohio, $1,500 for the renewal of a fellowship in chemistry for the academic year 1953-1954.

72. General Electric Educational Fund, Schenectady, New York, $6,600 for the renewal of two fellowships ($3,300 each), one in chemistry and one in physics, for the academic year 1953-1954.

73. Illinois Clay Products Company, Joliet, $4,000 for two fellowships in geology ($2,000 each) for the academic year 1953-1954.

74. Lakefield Nepheline Syenite Company, Detroit, Michigan, $800 for the renewal of a fellowship in ceramic engineering for the second semester of the academic year 1952-1953.

75. Lindsay Chemical Company, West Chicago, $350 to supplement a fellowship in chemistry for the academic year 1953-1954.

76. Minnesota Mining and Manufacturing Company, St. Paul, Minnesota, $4,000 for the renewal of two fellowships in chemistry ($2,000 each) for the academic year 1953-1954.

77. Monsanto Chemical Company, St. Louis, Missouri, $2,840 for the renewal of a fellowship in chemistry for the academic year 1953-1954.

78. National Foundation for Infantile Paralysis, $900 for laboratory expenses supplementing a fellowship in the Department of Bacteriology, College of Liberal Arts and Sciences.

79. National Lead Company:

a. Baroid Sales Division, Houston, Texas, $2,400 for the renewal of a fellowship in geology for the academic year 1953-1954.

b. Titanium Alloy Manufacturing Division, Niagara Falls, New York, $2,670 for the renewal of a fellowship in ceramic engineering.

80. Olin Industries, Inc., East Alton, $3,000 for the renewal of a fellowship in chemistry for the academic year 1954-1955.

81. Owens-Corning Fiberglas Corporation, Newark, Ohio, $1,900 for a fellowship in glass technology, Department of Ceramic Engineering, for the academic year 1953-1954.

82. Pan American Refining Corporation, Texas City, Texas, $1,750 for the renewal of a fellowship in chemical engineering for the academic year 1953-1954.

83. Parke, Davis & Company, Detroit, Michigan, $3,312 for the renewal of a fellowship in biochemistry and $3,350 for the renewal of a fellowship in organic chemistry, both for the academic years 1952-1954.

84. The Procter & Gamble Company, Cincinnati, Ohio, $3,300 for the renewal of a fellowship in chemistry for the academic year 1953-1954.

85. Radio Corporation of America, New York, New York, $2,700 for a fellowship in electrical engineering for the academic year 1953-1954.

86. Rohm and Haas Company, Philadelphia, Pennsylvania, $2,000 for the renewal of a fellowship in chemistry for the academic year 1953-1954.

87. G. D. Searle & Company, Chicago, $1,980 for the renewal of a fellowship in chemistry for the academic year 1952-1953.

88. Shell Fellowship Committee, New York, New York, $2,250 for the renewal of a fellowship in chemical engineering and $2,256 for the renewal of a fellowship in geology, both for the academic year 1953-1954.

89. Socony-Vacuum Laboratories, Paulsboro, New Jersey, $2,000 for the renewal of a fellowship in chemistry for the academic year 1953-1954.

90. Standard Oil Company of California, San Francisco, California, $2,212 for the renewal of a fellowship in chemistry for the academic year 1953-1954.

91. Standard Oil Company, Cleveland, Ohio, $2,100 for a Sohio fellowship in chemistry and chemical engineering for the academic year 1953-1954.

92. Standard Oil Foundation, Inc., Chicago, $2,500 for a fellowship in chemistry for the academic year 1953-1954.

93. Henry Strong Educational Foundation, Chicago, $600 for the renewal of a fellowship in electrical engineering for the academic year 1953-1954.

94. Texas Instruments, Inc., Dallas, Texas, $2,500 for the Texas Instruments Fellowship in Physics of the Solid State for the academic year 1953-1954.

95. The Trane Company, La Crosse, Wisconsin, $1,500 to establish a fellowship in mechanical engineering beginning with the academic year 1954-1955.

96. Union Carbide and Carbon Research Laboratories, Inc., $3,300 for the renewal of a fellowship in metallurgical engineering for the academic year 1953-1954.

97. United States Rubber Company, Passaic, New Jersey, $3,300 for a fellowship in chemistry for one year beginning July 1, 1953.

98. University of Illinois Library School Alumni, $600 to be added to the Katharine L. Sharp fellowship for the academic year 1953-1954.

99. Victor Chemical Works, Chicago, $2,000 for the renewal of a fellowship in chemistry for the academic year 1953-1954.

100. The Visking Corporation, Chicago, $4,500 for the renewal of two fellowships ($2,250 each), one in chemistry and one in mechanical engineering, for the academic year 1954-1955.

101. Westinghouse Educational Foundation, Pittsburgh, Pennsylvania, $2,000 for the renewal of a fellowship in engineering for the academic year 1953-1954.

102. Abbott Laboratories of Chicago, $500 to the Department of Animal Science for a study of arsanilic acid in swine rations.

103. African Violet Society of America, Inc., Canandaigua, New York, $1,750 to the Department of Horticulture for research on African violets.

104. American Cancer Society, New York, New York:

a. $20,000 to the Department of Bacteriology for studies on virus growth and structure and on host-virus specificity, under the direction of Professor S. E. Luria, for one year beginning July 1, 1953.

b. $2,000 to the Department of Food Technology for a study of the influences of carcinogenic agents on fat metabolism, under the direction of Dr. Fred A. Kummerow, for one year beginning July 1, 1952.

c. $3,832 to the Department of Botany for a study of the effect of indole-3-acetic acid and other plant growth substances on the assimilation of pyruvate by wheat roots, under the direction of Dr. James F. Nance, for one year beginning July 1, 1952.

d. $14,186.88 to the Department of Botany for a study on plant tumors produced by virus, under the direction of Professor L. M. Black, for one year beginning July 1, 1953.

105. American Dairy Association, Chicago, $5,000 to the Department of Food Technology for a study to determine the nutritive value of heated butterfat compared to heated substitute fats.

106. American Dehydrators Association, $1,500 to the Department of Animal Science for a study of the possibility of toxicity of antioxidants used in rations for calves and swine.

107. Armour and Company, Chicago:

a. $3,000 to the Department of Animal Science to continue grant-in-aid.

b. $3,000 to the Department of Food Technology for a study of the mechanism of unsaturated fatty acids and the nature of the products formed.

108. Borden Company, New York, New York, $1,000 to the Department of Food Technology for research on fats, oils, and emulsifiers.

109. The Carle Foundation, Urbana, $2,500 to the Department of Physiology for radiation studies.

110. Carnegie Corporation, New York, New York, $8,500 for a pilot study of therapeutic counseling.

111. Columbia-Southern Chemical Corporation, Pittsburgh, Pennsylvania, $5,000 to the Department of Agronomy for continuation of weed control investigations.

112. Dow Chemical Company, Midland, Michigan, $1,800 to the Department of Agronomy to continue research on herbicides.

113. E. I. du Pont de Nemours and Company, Wilmington, Delaware:

a. $30,000 to the Department of Chemistry and Chemical Engineering for fundamental research for the academic years 1953-1954 and 1954-1955.

b. $500 to the Department of Agronomy for research on weed control.

114. Food Machinery and Chemical Corporation, Niagara Chemical Division, Middleport, New York:

a. $1,200 to the Department of Horticulture for research on chemical thinning of fruit trees.

b. $500 to the Department of Agronomy for research on chemical control of weeds.

115. General Aniline and Film Corporation, General Aniline Works, New York, New York, $1,800 to the Department of Chemistry and Chemical Engineering for the renewal of a research assistantship for the academic year 1953-1954.

116. Illinois Farm Supply Company, $2,000 to supplement research programs in the Departments of Animal Science and Dairy Science.

117. Illinois Seed Producers Association, Inc., $6,183.21 to the Department of Agronomy for corn research.

118. Illinois State Chamber of Commerce, $3,000 to the Bureau of Educational Research for a public school finance study in the state of Illinois.

119. Inter-University Labor Education Committee (funds supplied by the Ford Foundation), $17,500 for participation of the Institute of Labor and Industrial Relations with other universities in labor education programs. (A continuation of previous grants.)

120. Eli Lilly and Company, Indianapolis, Indiana, $1,500 to the Department of Chemistry and Chemical Engineering for research on triterpene and steroids for one year beginning January 1, 1954.

121. Midwest Barley Improvement Association, Milwaukee, Wisconsin, $200 to the Department of Agronomy for barley variety fertilizer tests.

122. Mrs. C. Phillip Miller, Chicago, $2,296 to be added to the Sinnissippi Forest Trust Fund in support of forestry research.

123. Monsanto Chemical Company, Dayton, Ohio, $1,000 to the Department of Animal Science for a study of cattle feed supplements.

124. National Livestock and Meat Board, $2,600 to the Department of Physiology for a study of the effects of a sustained diet of meat for one year on nitrogen, calcium, phosphorus, sodium, and potassium metabolism.

125. National Science Foundation, Washington, D.C., in support of the following research:

a. $5,000 for research on metal complexes in resolution of optically active organic substances, under the direction of Professor John C. Bailar, Jr., Department of Chemistry and Chemical Engineering (G280).

b. $11,800 for research on properties of glacial till, under the direction of Professor George W. White, Department of Geology (G443).

c. $5,300 for research on transference numbers of salts in non-aqueous solvents, under the direction of Dr. B. Roger Ray, Department of Chemistry and Chemical Engineering (G484).

126. National Vitamin Foundation, Inc., New York, New York, $4,950 to the Department of Animal Science for studies of the mechanism of vitamin B12 activity.

127. Northern Illinois Breeding Association and the Southern Illinois Breeding Association, $10,000 to the Department of Dairy Science for research in artificial insemination.

128. Pennsylvania Salt Manufacturing Company, $500 to the Department of Agronomy for weed studies.

129. Pure Milk Association, $1,000 to the Department of Food Technology for a study to develop new types of dairy spreads.

130. Riverdale Chemical Company, Harvey:

a. $500 to the Natural History Survey for entomological research.

b. $1,000 to the Department of Agronomy for research on weed control.

131. The Rockefeller Foundation, New York, New York:

a. $25,000 to the Department of Entomology for research under the direction of Professor G. S. Fraenkel, for three years beginning July 1, 1953.

b. $27,000 to the Department of Bacteriology for the research and training program of Professor H. O. Halvorson, for three years beginning July 1, 1953.

c. $18,200 for American Studies in Kyoto, Japan, under the sponsorship of Kyoto University, Doshisha University, and the University of Illinois.

132. Rural Electrification Council and the Illinois Agricultural Association, $5,000 to assist in financing farm safety programs.

133. Schlitz Brewing Company, Milwaukee, Wisconsin, $2,500 to the Department of Food Technology for research investigations on the use of ruby glass as a container material for such products as milk, fats, and other materials subject to deterioration from exposure to light.

134. Smith-Douglass Company, Inc., Streator, $7,500 to the Department of Agronomy for soil research.

135. Swift and Company, Chicago:

a. $8,000 to the Department of Animal Science for research on nutritional requirements of pregnant and lactating swine.

b. $6,000 to the Department of Bacteriology for a study of bacterial spores.

136. Tennessee Corporation Research Laboratories, College Park, Georgia, $400 to the Department of Horticulture for investigations of fungicides for the control of diseases of fruits, vegetables, and ornamental plants.

137. Union Stock Yard and Transit Company, Chicago, $5,200 to the Department of Agricultural Economics for a study of livestock marketing.

138. United States Rubber Company, Naugatuck Chemical Division, $500 to the Department of Horticulture for a study of usefulness of fungicidal mixtures in spraying Illinois fruit (apple and peach) trees.

139. $13,925 from the following donors for College of Agriculture research and education programs in farm electrification: Association of Illinois Electric Cooperatives, $7,000; Central Illinois Electric and Gas Company, $425; Central Illinois Light Company of Peoria, $550; Illinois Power Company of Decatur, $2,450; Public Service Company of Northern Illinois, $3,500.

140. $3,234.56 from the following donors to the Department of Mechanical Engineering for an exhibit "Thermal Response to Entering and Leaving Hot Environments" in the Scientific Exhibit of the American Medical Association, Grand Central Palace, New York, June, 1953: American Society of Heating and Ventilating Engineers, $2,134.56; Carrier Corporation, $500; Eureka Williams Corporation, $50; Trane Company, $100; Viking Air Conditioning Corporation, $150; Worthington Corporation, $300.

141. Velsicol Corporation, Chicago, $2,500 to the Department of Zoology for an investigation of the toxicity of chlorinated hydrocarbons, for one year beginning July 1, 1953.

142. Western Cartridge Company, a division of Olin Industries, East Alton, $2,600 to the Natural History Survey for research on migratory waterfowl.

Total, Funds for Graduate Fellowships and Research.....$424,787.65

C. *Gifts of Equipment, Library Materials, Works of Art, and Funds for Maintenance of Gifts*

143. The Aluminum Company of America, New Kensington, Pennsylvania, to the Department of Mining and Metallurgical Engineering, a 10-inch by 29½-inch finishing foil mill.

144. Bay State Abrasive Products Company, Westboro, Massachusetts, to the Department of Mechanical Engineering, a display board of abrasive products (estimated value, $1,000).

145. Mr. Charles M. Cadwell, Cadwell, Illinois, to the College of Fine and Applied Arts, two paintings by the distinguished American painter, Ralph A. Blakelock.

146. Chrysler Corporation, Detroit, Michigan, to the Department of Mechanical Engineering, a new Dodge Red Ram V-8 engine (estimated value, $650).

147. Commonwealth Edison Company, to the Department of Mechanical Engineering, equipment to be used in the heat pump research program (estimated value, $900).

148. Ford Motor Company, Ford Division, Melrose Park, to the Department of Mechanical Engineering, two new Ford truck engines (estimated value, $1,000).

149. Harnischfeger Corporation, Crystal Lake, Illinois, to the Department of Mechanical Engineering, a Harnischfeger P and H four-cylinder Diesel engine (estimated value, $1,000).

150. Illinois Power Company, air-conditioning equipment for the network analyzer room in the Electrical Engineering Building.

151. Japanese University Accreditation Association, Tokyo, Japan, reproductions of murals from the Horyuji Temple.

152. Estate of Maude S. Lundgren, a Japanese sword and an oil painting of her husband, the late Carl Lundgren, University baseball coach.

153. Professor *Emeritus* William Spence Robertson of the Department of History, his personal library.

154. Mr. and Mrs. Merle J. Trees of Chicago, $1,000 to be added to the income account of the "Emily Nichols Trees (Class of 1905) and Merle Jay Trees (Class of 1907) Collection Endowment Fund" for the maintenance of the Trees collection of paintings.

155. University Club of Chicago, to the Department of Architecture and Art, Chicago Undergraduate Division, twenty framed engravings.

156. Miss Nellie Walker, Colorado Springs, Colorado, to the College of Fine and Applied Arts, a 28-inch bronze figure of Lorado Taft.

Total, Gifts of Equipment, Library Materials, Works of Art, and Funds for Maintenance of Gifts $1,000.00

Total, Urbana-Champaign $469,570.98

For the Chicago Professional Colleges

A. *Funds Received from Private Industries, Foundations, Other Organizations, and Government Agencies for Research and Graduate Study*

157. Abbott Laboratories, North Chicago:

a. $2,000 to the Department of Neurology and Neurological Surgery for research in electroencephalography, under the direction of Dr. Frederic A. Gibbs.

b. $1,000 to the Department of Physiology for a study of the effect of a new type of renal extract in experimental hypertensions, under the direction of Dr. G. E. Wakerlin, for one year beginning August 1, 1953.

c. $500 to the Department of Medicine for a study of B12 absorption using radioactive cobalt, under the direction of Dr. Robert M. Kark, for one year.

d. $1,600 to the Department of Medicine for research on connective tissue in allergy, under the direction of Dr. Max Samter.

e. $2,000 to the Department of Medicine for a study of the effects of diet concentrated nutrients and drugs in preventing or curing D. F. P. demyelinization in rats and its relationship to multiple sclerosis, under the direction of Dr. Robert M. Kark.

158. American Felsol Company, $5,000 to the Department of Medicine for a study of the effect of antipyrine and related drugs on bronchial asthma, under the direction of Dr. Max Samter.

159. Armour Laboratories, Chicago, $3,600 to the Department of Medicine for the Armour Hematology Fund, for research by Dr. Harry F. Dowling.

160. Bauer and Black, $1,000 to the Department of Dermatology for continuation of a study of the action and utility of phenoxyethanoic acid, under the supervision of Dr. Adolph Rostenberg.

161. Ciba Pharmaceutical Products, Inc., Summit, New Jersey, $4,284 to the Department of Medicine for experimental and clinical studies in hypertensive disease, under the direction of Doctors Ford K. Hick and R. L. Grissom, for one year beginning March 1, 1953.

162. Cook-Waite Laboratories, Inc., New York, New York, $500 to the Department of Surgery for a study of use of local anesthetics in dentistry, under the direction of Dr. Max Sadove.

163. Davis and Geck, Inc., Brooklyn, New York, $500 to the Department of Surgery to be added to the visual education grant for studies under the supervision of Doctors Warren H. Cole and H. P. Jenkins.

164. Gillette Safety Razor Company, Boston, Massachusetts, $19,500 to the Department of Biochemistry for a study of the role of the sulfhydryl group in cellular metabolism, under the direction of Dr. L. L. Gershbein.

165. Griffith Laboratories, $325 to the Department of Pharmacology, to be added to the Anonymous Renal Research Fund, for research under the supervision of Dr. C. C. Pfeiffer.

166. Hoffman-La Roche, Inc., Nutley, New Jersey, $1,500 to the Department of Surgery for research on arfonad, under the direction of Dr. Max S. Sadove.

167. Eli Lilly Company, Indianapolis, Indiana:

a. $1,671 to the Department of Physiology for a study of synovial membrane permeability, under the direction of Dr. C. I. Reed.

b. $2,000 to the Department of Physiology for a study of behavior of plasma proteins in the kidney, under the direction of Dr. A. A. Schiller.

c. $5,400 to the Department of Medicine for a study of the effect of drugs and hormones on the production of anti-erythrocytic auto-antibodies and on the degree of resultant hemolysis, under the direction of Dr. William R. Best.

168. Mallinckrodt Chemical Works, St. Louis, Missouri, $10,000 for the renewal of a fellowship in the Department of Pharmacology for one year beginning January 1, 1953, and an addition to the Mallinckrodt Anticonvulsant Fund, both grants being for studies under the supervision of Dr. C. C. Pfeiffer.

169. Miles Laboratories, Chicago, $650 to the Department of Clinical Science for research on pancreatitis, under the direction of Dr. A. C. Ivy.

170. Ohio Chemical and Surgical Equipment Company, Madison, Wisconsin, $700 to the Department of Surgery for a study of isopropyl vinyl ether, under the direction of Dr. Max S. Sadove.

171. Parke, Davis and Company, Detroit, Michigan, $3,600 to the Department of Biological Chemistry for a study on blood dysorasias, under the direction of Dr. S. B. Binkley.

172. Charles Pfizer and Company, Inc., Brooklyn, New York:

a. $12,000 to the Department of Medicine for continuation of investigations of infectious diseases, preventive medicine, and related fields, under the direction of Dr. Harry F. Dowling, for two years beginning September 1, 1952.

b. $1,000 for the renewal of scholarships in the College of Medicine.

173. Riker Laboratories, $500 to the Department of Dermatology for a study of the use of silver asboloxane as a fungicidal agent, under the direction of Dr. F. E. Senear.

174. Smith, Kline, and French Laboratories, Philadelphia, Pennsylvania:

a. $5,000 for a fellowship under the direction of Dr. C. C. Pfeiffer, Department of Pharmacology, for one year beginning January 1, 1953.

b. $1,000 for lectures on neurophysiology, under the direction of Dr. R. W. Gerard.

175. R. J. Strasenburgh Company, Rochester, New York, $5,500 to the Department of Clinical Science for a study of the effects of inositol hexanitrate in patients with hypertension, under the direction of Dr. A. C. Ivy, for one year beginning May 1, 1952.

176. Travenol Laboratories, Inc., Morton Grove, $2,500 to the Department of Pharmacology for a study of the analgesic and convulsant effect of pyrogens, under the direction of Dr. C. C. Pfeiffer, for one year beginning January 1, 1952.

177. Winthrop-Stearns, Inc., New York, New York, $500 to the Department of Surgery for investigation of ravocaine with inositol, under the direction of Dr. Max S. Sadove.

178. Mr. Victor S. Yarros, $300 to be added to the Rachelle S. Yarros Scholarship Fund.

179. Louis Bothman Fellowship Memorial Fund, Inc., $1,264.86 for the Louis Bothman fellowship in ocular pathology, under the supervision of Dr. William F. Hughes, Jr.

180. Chandler Research Fund, $16 to the Department of Orthopaedic Surgery for research under the direction of Dr. F. A. Chandler.

181. W. K. Kellogg Foundation, $20,000 to the College of Dentistry for the development of extension postgraduate teaching program.

182. Lakeland Foundation, Chicago:

a. $12,429 to the Department of Clinical Science for continuation of a study to attempt to isolate the growth stimulating and inhibiting agents from the liver or intestinal mucosa, under the direction of Dr. A. C. Ivy.

b. $1,778 to the Department of Clinical Science for continuation of the cancer diagnostic test, under the direction of Dr. A. C. Ivy.

183. Leukemia Research Foundation, Inc., Chicago, $5,648 to the Department of Anatomy for a study on the influence of the age of the mother on the incidence of spontaneous leukemia in inbred mice, under the direction of Dr. Arthur Kirschbaum, for the period April 1, 1953, through September 30, 1954.

184. John and Mary R. Markle Foundation, New York, New York, $12,000 for scholarships in the medical sciences.

185. National Foundation for Medical Education, Inc., $30,142.50 for the educational programs of the College of Medicine. ($1,882.50 of this amount has been contributed by individual physicians.)

186. National Foundation for Prevention of Blindness, $4,000 to the Department of Ophthalmology to study the rate of secretion of aqueous in man, under the direction of Dr. P. C. Kronfeld.

187. Ortho Research Foundation, Raritan, New Jersey, $1,500 to the Department of Obstetrics and Gynecology for research on a comparison of calcium ferrous citrate mol-iron and ferrous sulfate in the treatment of secondary anemias of pregnancy, under the direction of Dr. F. H. Falls.

188. The Teagle Foundation, Inc., $16,000 to the Department of Psychiatry for continuation of research in paralysis agitans, under the direction of Dr. Ralph Gerard.

189. American Cancer Society, Inc., New York, New York:

a. $6,000 to the Department of Pathology for continuation of a study of changes in the connective tissue stroma of the cyclic organs of reproduction as influenced by hormones — integration of parenchymatous and stromal changes, under the direction of Dr. H. R. Catchpole.

b. $4,412.42 to the Department of Biological Chemistry for research on the turnover of plasma mucoprotein studies with isotopically labeled amino acids, under the direction of Dr. R. J. Winzler, for the period September 1, 1952, to June 30, 1953.

c. $4,725 to the Department of Anatomy for continuation of research on chemotherapy of mouse leukemia, under the direction of Dr. Arthur Kirschbaum, for one year beginning July 1, 1952.

190. American Heart Association, New York, New York, $5,250 to the Department of Physiology for research on pathogenesis and treatment of experimental renal hypertension, neurogenic hypertension, and experimental malignant hypertension, under the direction of Dr. George E. Wakerlin, for one year beginning July 1, 1952.

191. American Society of Heating and Ventilating Engineers, New York, New York, $6,500 to the Department of Medicine for research under the direction of Dr. Ford Hick, for one year beginning July 1, 1952.

192. Asthmatic Children's Aid, Chicago:

a. $250 to the Departments of Dermatology and Medicine for services of a consulting psychologist for the Allergy Clinic, under the direction of Doctors Ben Z. Rappaport and Max Samter.

b. $5,000 to the Department of Medicine (Allergy Unit) for studies in immunology and histochemistry under the direction of Doctors Ben Z. Rappaport and Max Samter.

193. Beverly Hills Junior Women's Club, $50 to the Orthopaedic Gift Fund.

194. Chicago Heart Association, $10,500 to the Department of Physiology to continue research on pathogenesis and treatment of experimental renal hypertension in dogs and monkeys, under the direction of Dr. G. E. Wakerlin, for one year beginning July 1, 1953.

195. CIO Local 1220, $20 for patient entertainment.

196. Drama Club of Evanston, $500 to the Department of Orthopaedic Surgery.

197. Illinois Veterinary Practitioners Association, $25 to the Chicago Professional Colleges Library.

198. Women's Auxiliary of the College of Medicine, $6 to the Department of Orthopaedic Surgery for the Orthopaedic Gift Fund for Children.

199. Kappa Alpha Theta Sorority, $219.62 to the Department of Orthopaedic Surgery for the Orthopaedic Gift Fund.

200. Muscular Dystrophy Association, New York, New York, $5,000 to the Department of Medicine for a study of carnitine metabolism in muscular dystrophy, under the direction of Dr. Robert M. Kark, for one year beginning January 28, 1953.

201. National Tuberculosis Association, $3,351.66 to the Department of Biological Chemistry for a study of mucoproteins of human plasma, under the direction of Dr. R. J. Winzler, for the period November 1, 1952, through March 31, 1953.

202. Phi Mu Sorority $13.26 to the Occupational Therapy Gift Fund.

203. United Cerebral Palsy Association:

a. $10,000 to the Department of Pharmacology for a study of neuropharmacology aspects of cerebral palsy, under the direction of Dr. Klaus R. Unna, for one year beginning May 1, 1953.

b. $22,313 to the Department of Physical Medicine for a program of research, education, and service to the sick in the interests of cerebral palsied patients, under the supervision of Dr. Frances A. Hellebrandt.

c. $3,600 to the Department of Occupational Therapy for a special study of the treatment of cerebral palsy to provide basic instruction in clinical administration of the cerebral palsy cases, under the direction of Miss Beatrice D. Wade.

204. Women's Auxiliary of the College of Medicine, $110 to the Occupational Therapy Gift Fund.

205. Women's Council for Blood Research, Inc., $1,000 to the Department of Medicine for a study on serologic aspects of hematology, under the direction of Dr. Mark H. Lepper.

206. United States Public Health Service, for support of the following research and educational programs:

a. $4,725 for study of dialyzability of substances involved in syndromes of hepatic coma, postoperative hepatorenal syndrome, eclampsia and other intoxications by modified Kolff techniques, and biological and chemical characterization of dialysate, under the direction of Dr. S. H. Armstrong, Department of Medicine, for one year beginning December 1, 1951 (A-93-C).

b. $6,340 for biochemical studies on gulose, idose, and talose, under the direction of Dr. Paul Kohn, Department of Biological Chemistry, for one year beginning September 1, 1953 (A-425).

c. $35,008 for studies on metabolism, morphology, and electrical properties of the nervous system in relation to each other and to normal and disturbed functioning, under the direction of Dr. R. W. Gerard, Department of Psychiatry, for one year beginning September 1, 1953 (B-413).

d. $11,502 for research on relations between nuclear and cytoplasmic nucleoproteins in developing and mature nerve cells, under the direction of Doctors Arthur and Faith La Velle, Department of Anatomy, for one year beginning September 1, 1953 (B-415).

e. $9,828 for the study of odontome formation in a known strain of rats, under the supervision of Dr. Isaac Schour, Department of Histology, for one year beginning October 1, 1952 (C-464-C4).

f. $4,908 for the study of the chemical and mechanical factors which may alter the normal growth pattern of gastric mucosa, under the direction of Dr. A. C. Ivy, Department of Clinical Science, from November 1, 1952, through February 28, 1954 (C-1110-C3).

g. $9,936 for the study of the role of adrenal cortical secretion in the genesis and growth of mouse mammary cancer, under the direction of Dr. Arthur Kirschbaum, Department of Anatomy, for one year beginning September 1, 1953 (C-1969).

h. $4,551.57 for the study of desensitization in the eozematously sensitized animal, under the direction of Dr. Adolph Rostenberg, Department of Dermatology, for one year beginning April 1, 1953 (C-3424-C).

i. $24,401.42 to the Tumor Clinic for cancer training grant, under the direction of Dr. Danely P. Slaughter, for one year from April 1, 1952 (CT-630-C4).

j. $5,000 to promote a teaching cancer program, under the supervision of Dr. Isaac Schour, Department of Histology, for one year from April 1, 1953 (CT-663-C5).

k. $1,609 for research on facial growth, under the supervision of Dr. Bernard G. Sarnat, Department of Oral and Maxillofacial Surgery, for one year beginning November 1, 1952 (D-26-C3).

l. $5,123.49 for an electronmicroscopic study of the glomerulus, especially its basement membrane in normal and nephritic mice, under the direction of Doctors Parke H. Simer and Arthur Kirschbaum, Department of Anatomy, for one year beginning April 1, 1953 (G-3423-C).

m. $10,735.18 for an investigation of heat regulation of the aged and infirm, under the direction of Dr. Ford K. Hick, Department of Medicine, for one year from July 1, 1953 (G-3415-C).

n. $500 for the study of dental caries, under the direction of Doctors Milan V. Novak and Jack Zwemer, Department of Bacteriology (GR6D 3484f-C).

o. $8,164.69 for a study of adaptations of human cardiovascular mechanisms to stress, to physiologic anoxia, to alterations in serum osmotic pressure; an approach to definition of circulatory failure in terms of ability to adapt to stress, under the direction of Doctors S. H. Armstrong, Jr. and R. L. Grissom, Department of Medicine, for one year beginning November 1, 1952 (H-404-C3).

p. $5,967 for research on quantitative estimation of vascular permeability with emphasis on alterations due to changes in blood PO_2 and $P^{co}{}_2$, under the direction of Dr. A. A. Schiller, Department of Physiology, for one year beginning September 16, 1952 (H-425-C3).

q. $20,000 for the renewal of a grant on the pathogenesis and treatment of experimental renal hypertension, neurogenic hypertension, and experimental malignant hypertension, under the direction of Dr. George E. Wakerlin, Department of Physiology, for one year beginning September 16, 1952 (H-428-C3).

r. $6,913.36 for research on the isolation and characterization of cardiac myofibrils, under the direction of Dr. G. M. Hass, Department of Pathology, for one year beginning September 16, 1953 (H-429-C3).

s. $4,915.73 for the study of experimental arteriosclerosis and atherosclerosis in young and old rabbits, under the direction of Dr. G. M. Hass, Department of Pathology, for one year beginning September 16, 1952 (H-452-C3).

t. $15,619 for research on endothelial permeability in ascites and edema as modified by therapy, under the direction of Dr. R. M. Kark, Department of Medicine, for one year beginning September 16, 1952 (H-1029-C).

u. $4,999.75 for the study of glomerulonephritis in inbred mice, under the direction of Dr. Arthur Kirschbaum, Department of Anatomy, for one year beginning November 1, 1952 (H-1062-C).

v. $6,200 for the study of endocrine effects on the metabolism and function of the myocardium, under the direction of Dr. W. V. Whitehorn, Department of Physiology, for one year beginning January 1, 1953 (H-1353).

w. $3,053 for the study of the effects of long-term therapy with hexamethonium and hydrazinophthalazime on renal hemodynamics and electrolytes, under the direction of Dr. James A. Schoenberger, Department of Medicine, for one year beginning December 1, 1952 (H-1354).

x. $12,322 for the study of renal hemodynamics as influenced by drugs, under the direction of Dr. T. R. Sherrod, Department of Pharmacology, for one year from July 1, 1953 (H-1665-C).

y. $14,000 for the cardiovascular teaching program, Department of Medical Administration, for one year beginning September 1, 1952 (HT-300-C3).

z. $20,145 for the study of the analysis of the factors involved in the psychoanalytic therapy process, under the direction of Dr. David Shakow, Department of Psychiatry, for one year beginning June 1, 1953 (M-637).

aa. $19,332 for the study of convulsant metabolites which may be etiological in epilepsy or effective in schizophrenia, under the direction of Dr. C. C. Pfeiffer, Department of Pharmacology, for one year beginning June 1, 1953 (M-639).

bb. $35,297 for the study of neural mechanisms of behavior, under the direction of Dr. R. W. Gerard, Department of Psychiatry (M-694).

cc. $32,269.10 for a training grant in clinical psychology, under the direction of Dr. David Shakow, Department of Psychiatry, for two years beginning July 1, 1952 (M-5083-C5 and 2M-5083-C6).

dd. $10,246.34 for a postdoctoral training program, under the direction of Dr. David Shakow, Department of Psychiatry (2M-5538-C1, 2M-5538-C2, and 2M-5538-C3).

ee. $9,936 for the study of histopathology of gingiva in systemic disease, under the direction of Dr. Isaac Schour, Department of Histology, for one year beginning September 1, 1952 (RG-359-C4).

ff. $11,765.97 for research on renal glomeruli, under the direction of Dr. C. A. Krakower, Department of Pathology, for one year beginning September 1, 1952 (RG-3066-C).

gg. $22,042.08 for the renewal of cancer training grant for research under the direction of Dr. Danely P. Slaughter, in the Tumor Clinic, for one year beginning April 1, 1953 (630-C-5).

hh. $4,918 for the study of the effects of betatron electron beam on central nervous system, under the direction of Doctors Percival Bailey and Roger A. Harvey, Departments of Neurology and Neurological Surgery and Radiology, for six months beginning January 1, 1953 (853-C3).

ii. $3,672 for the study of the intrinsic tissue susceptibility of mice to carcinogenic stimuli resulting in development of pulmonary, ovarian, and adrenal tumors, under the direction of Dr. Arthur Kirschbaum, Department of Anatomy, for one year beginning September 1, 1952 (1542-C).

jj. $5,837.25 for the study of the induction of leukemia and other neoplasms in mice and experimental therapy of leukemia in mice, under the direction of Dr. Arthur Kirschbaum, Department of Anatomy, for one year beginning September 1, 1952 (1543-C).

kk. $8,000 for the study of the electrolyte changes in protein anabolism during rapid rehabilitation from inanition, under the direction of Dr. R. M. Kark, Department of Medicine, for one year beginning October 1, 1952 (3274-C).

ll. $6,015 for basic studies on cerebral palsy, under the direction of Dr. R. W. Gerard, Department of Psychiatry, for one year beginning September 1, 1952.

ADDITION TO CONTRACT FOR CONSTRUCTION OF MEN'S RESIDENCE HALLS

(21) The Director of the Physical Plant and the Acting Comptroller recommend an increase of $2,950 in the contract with the Felmley-Dickerson Company for the construction of the Men's Residence Halls, approved by the Board November 23, 1951, for the construction of a ramp at the west end of the Flagg House unit for the use of paraplegic students living in the Parade Grounds Units, so that they may have better access to the food service facilities which have been enlarged as a part of the residence halls expansion program. The estimate of cost has been checked by the Physical Plant Department and found to be a reasonable charge.

Funds are available in the proceeds of the Residence Hall bond issue of 1951.

I concur and recommend that the Acting Comptroller be authorized to execute this addition to the contract.

On motion of Mrs. Watkins, this increase was approved and the Acting Comptroller was authorized to execute the change in the contract.

APPLICATION OF ILLINOIS POWER COMPANY FOR RATE INCREASES

(22) The President of the University reported on a conference he has had with officials of the Illinois Power Company relating to the University's position on the Company's rate hearings before the Illinois Commerce Commission. The Company has requested authority to increase rates charged for electric power, gas, and steam. The University is cooperating with the municipal officials of Urbana and Champaign in preparing data and assembling other information pertinent to the proposed rate increases to be used at the hearings. If, after the University's investigation has been completed, it concludes that the proposed rate increases are not objectionable, it will withdraw from the hearings and state its position to the Commission.

This report was received for record.

Executive Session

At this point, an Executive Session having been requested, it was so ordered for consideration of the following recommendations from the President of the University.

EQUIPMENT ACQUISITION FOR CONTROL SYSTEMS LABORATORY

(23) The Department of the Navy has requested the University to acquire a special purchase computer for use in certain of the classified programs being carried on for the government by the Control Systems Laboratory. It is proposed that this be accomplished by a contract with the Office of Naval Research which will reimburse the University for all costs of such acquisition, including an allowance for indirect costs.

It will then be necessary for the University to subcontract with a vendor approved by the government and the University. Because of the problems involved resulting from classified research and the unique nature of the equipment to be acquired, it is very probable that a vendor will have to be chosen primarily upon basis of ability to deliver and with only informal competitive proposals. It is anticipated that the cost of the equipment will not exceed $320,000.

The acquisition of this equipment by the Control Systems Laboratory will commit the University to the continuation, for several years, of certain of the government-sponsored programs of the Control Systems Laboratory.

The Director of the Laboratory and the Dean of the College of Engineering recommend the negotiation of these proposed contracts as described above

and the acceptance of the commitment to continue at least certain programs of the Control Systems Laboratory for several years beyond the expiration of the present general contract November 30, 1954.

I concur in this recommendation and request that the Acting Comptroller and the Secretary of the Board be authorized to execute the necessary documents.

On motion of Mrs. Watkins, this recommendation was approved and authority was given as requested.

PATENTABLE DISCOVERY

(24) The University Patent Committee reports that Robert C. Hansen, Research Associate in Electrical Engineering, and Edward C. Jordan, Professor of Electrical Engineering, have developed a new method of radio direction finding which eliminates or substantially reduces the error known as polarization error or night-effect error. This method, and systems resulting therefrom, have chief application in aircraft radio direction finding, but they may also be used in shipboard and ground-based direction finders. This invention was the result of research under an Air Force contract and will be of primary importance to the Armed Services. The University Patent Committee concurs in the recommendation of the Department of Electrical Engineering that the invention be released to the Air Force.

I concur and request approval.

On motion of Mrs. Watkins, this recommendation was approved.

DELETION OF WORK REMAINING TO BE DONE BY PATRICK WARREN CONSTRUCTION COMPANY UPON RESEARCH AND EDUCATIONAL HOSPITALS ADDITION AND ASSIGNMENT OF ITS SUBCONTRACTS TO UNIVERSITY

(25) The present status of various phases of the contract between the Patrick Warren Construction Company (hereinafter termed "Warren") and the University for the general construction work upon the Research and Educational Hospitals Addition and of the work to be done thereunder, and of certain claims asserted by Warren and others against the University in connection with this project, is outlined in a memorandum which has been filed with the Secretary of the Board and copies of which have been presented to the members of the Board of Trustees today. For the reasons stated therein, it appears desirable that action be taken to secure the completion of work remaining to be done by Warren's subcontractors upon the Hospital Addition and effect and secure reasonably prompt payment, if possible, to Warren's subcontractors who have done work upon and/or furnished materials to this building of the balances due them therefor under their contracts with Warren, and to enable the University to take over and complete the work remaining to be done by Warren under its contract with the University as soon as possible. A proposal designed to accomplish these ends has been submitted to Warren, subject to this Board's approval, and Warren has notified the University, in writing, that it is acceptable to it.

The proposal contemplates:

1. The assignment by Warren to the University of the contracts between Warren and all of the latter's subcontractors who have not been paid in full what is due them under those contracts, and the acceptance by the University of the assignments thereof, upon the following terms and conditions, viz.:
   a. That each of said subcontractors will agree to accept payment direct from the University of the amount which that subcontractor and Warren agree is due the former for its work (when completed, in the case of those subcontractors who have not fully completed their work to date) in full payment of everything due said subcontractor from Warren and/or the University for all materials furnished and/or work done by the subcontractor for or upon the building, and will also, upon payment of said sum by the University to it, waive all other claims and all liens which the subcontractor may have or assert against Warren and/or the University in connection with this project and furnish Warren and the University with a full and complete release of all claims and a waiver of all liens.

b. That each subcontractor who has not completed its work will agree to promptly resume it, and to complete it by April 16, 1954, for the payment of said sum by the University to it upon completion of its work.
c. That Warren will agree to the payment by the University of said sums directly from the University to said subcontractors and will allow the University full credit therefor upon Warren's contract with the University.
d. That an agreement be reached between Warren and each of its said subcontractors as to the amounts to be paid to the latter by the University, and for which Warren will allow the University such credit, in accordance with the foregoing.

2. That all work remaining to be done by Warren (i.e., that not covered by Warren's contracts with its subcontractors) under its said contract with the University be deleted, and Warren be relieved of all further obligation to complete that work, in return for a credit in the sum of $6,000 to be allowed the University by Warren under the contract between them for the deletion of that work.

For the reasons stated in the above-mentioned memorandum, the Director of the Physical Plant, the Acting Comptroller, and the Legal Counsel recommend that said proposal be approved, that the assignment of said subcontracts by Warren to the University and the deletion of Warren's remaining work in return for said credit, upon the foregoing terms and conditions, be authorized, and that the Director of the Physical Plant, the Acting Comptroller, and the Secretary of the Board be authorized to execute and deliver all agreements, change orders, and other documents and make all payments, when approved by the Legal Counsel, necessary or appropriate to effect and carry out the same.

Accomplishing and carrying out the foregoing proposals will not dispose of the entire controversy between Warren and the University or those between the University and some of its other prime contractors upon this building. Warren asserts substantial claims against the University not included within the unpaid balance of the price specified in the contract between them. With a few possible minor exceptions, the University denies any liability to Warren on account of those claims and the University asserts claims against Warren, in excess of $100,000, upon which Warren denies liability to the University. Negotiations and discussions are now in progress between Warren and the University relative to a tentative proposal made Warren, subject to approval of the Board of Trustees if accepted by Warren, to pay Warren the balance of the amount specified in the contract between Warren and the University remaining unpaid after the University has received credit for the amounts it will pay directly to Warren's subcontractors and the above-mentioned $6,000 credit (if the above proposal is approved by the Board and proves acceptable to the subcontractors) and the full release of all possible claims of the University against Warren in return for a full release of all of the latter's possible claims against the University, but, since that proposal is still the subject of negotiation and discussion, it is not being presented to this Board for action thereon at this time.

I concur in these recommendations.

On motion of Mrs. Watkins, the proposal recommended was approved and authority was given as requested.

KREBIOZEN INVESTIGATING COMMISSION

The Legal Counsel reported the contents of a notice received by him from the Krebiozen Investigating Commission and consulted with the Trustees present with respect to the actions to be taken by him on behalf of the University in connection with the matters specified in the notice.

SECRETARY'S REPORTS

The Secretary presented for record the following lists: (1) appointments made by the President; (2) fellows; (3) resignations, cancellations, and declinations; (4) leaves of absence.

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parentheses is the date on which the appointment was made by the President of the University. C = College; S = Station; E = Extension.)

ALBIN, ETHEL, Clinical Assistant in the School of Nursing, seven months beginning February 1, 1954, $3360 a year (1-27-54).

ALLEN, CHARLES M., Professor of Education in the Kyoto American Studies Center, Kyoto, Japan, February 1-August 31, 1954, $825 a month, supersedes (1-12-54).

ARMSTRONG, S. HOWARD, Professor of Medicine, on indefinite tenure beginning September 1, 1953, without salary, supersedes (1-22-54).

ADDRESSES BY DIRECTOR R. B. DOWNS AND DEAN B. L. DODDS

During the luncheon recess, the President of the University presented Director R. B. Downs of the Library and Library School and Dean B. L. Dodds of the College of Education, who reported on the state of their divisions.

At the conclusion of the recess, since a quorum of the Board was still not present, on motion of Mr. Hickman, the Board adjourned.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

March 20, 1954

The annual meeting of the Board of Trustees of the University of Illinois was held in the LaSalle Hotel, Chicago, Illinois, on Saturday, March 20, 1954, beginning at 10:00 a.m., having been postponed to this date by vote of the Board at its meeting on January 19, 1954.

The following members were present: Mr. Cushman B. Bissell, Mr. Wirt Herrick, Mr. Robert Z. Hickman, Mrs. Doris S. Holt, Mr. Wayne A. Johnston, Mr. Herbert B. Megran, Mr. Vernon L. Nickell, and Mrs. Frances B. Watkins. Mr. Harold E. Grange and Governor William G. Stratton were absent. Mr. Park Livingston was absent when the Board convened but joined the meeting later.

Also present were President Lloyd Morey, Provost Henning Larsen, Mr. Ralph F. Leseman, Legal Counsel, Mr. J. F. Wright, Director of Public Relations; and the officers of the Board, Messrs. H. O. Farber, Comptroller, C. W. Weldon, Treasurer, and A. J. Janata, Secretary.

MR. CUSHMAN B. BISSELL ELECTED TEMPORARY CHAIRMAN

This being the annual meeting of the Board of Trustees, and in the absence of the President of the Board, the Secretary called the meeting to order and asked if the Board desired to elect a temporary chairman for the transaction of business and the election of officers for the ensuing year.

Mr. Nickell nominated Mr. Cushman B. Bissell as temporary Chairman of the meeting.

On motion of Mrs. Watkins, the nominations were closed and the Secretary was instructed to cast the unanimous vote of the members of the Board present for the election of Mr. Bissell. The ballot having been cast, Mr. Bissell was declared elected temporary Chairman and took the chair.

ORDER OF BUSINESS MODIFIED

On motion of Mr. Nickell, the regular order of business was modified by deferring the election of officers to give absentee members who might join the meeting later an opportunity to participate in the elections.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of the Board of Trustees held on December 16, 1953, and January 19, 1954, press proof copies of which were previously sent to all members of the Board.

On motion of Mr. Johnston, these minutes were approved as printed on pages 1181 to 1225, inclusive.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board took up consideration of the following reports and recommendations from the President of the University.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(1) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

Name	*Address*	*State from Which They Obtained Certificates*
ALFRED RALPH BACHRACH	New York, New York	New York
RICHARD JOSEPH BANNON	Chicago	Maryland
THEODORE BREINES	New York, New York	New York
ARVID RUSH KILLAM	Waupun, Wisconsin	Wisconsin
NATHAN I. LIEBERMAN	Evansville, Indiana	Indiana
RICHARD ADOLPH OPPENHEIMER	New York, New York	New York
GEORGE CLIFTON RAKERD	LaGrange	Ohio
FRANK SIDNEY SCALLET	Clayton, Missouri	Missouri
VICTOR CARLIN WHITE	Chicago	Tennessee

I concur.

On motion of Mr. Johnston, these certificates were awarded.

APPOINTMENT OF LOUIS B. HOWARD AS DEAN OF THE COLLEGE OF AGRICULTURE

(2) To succeed Dean Robert R. Hudelson of the College of Agriculture, who is due to retire at the end of the current academic year, I recommend the appointment of Dr. Louis B. Howard, presently Professor and Head of the Department of Food Technology and Associate Director of the Agricultural Experiment Station,

as Dean of the College of Agriculture, Director of the Agricultural Experiment Station, and Director of the Extension Service in Agriculture and Home Economics for one year beginning September 1, 1954, and as Professor of Food Technology on indefinite tenure, at a total salary of $16,000 a year on Y basis. The appointment as Dean on limited tenure is consistent with the statutory provision that the dean of a college shall be appointed biennially, and such appointments usually conform with the fiscal biennium.

This nomination is made with the advice of the Executive Committee of the College of Agriculture and is concurred in by the Provost and the Dean of the Graduate College.

On motion of Mr. Nickell, this appointment was approved.

APPOINTMENT OF TOM S. HAMILTON AS ASSOCIATE DIRECTOR OF THE AGRICULTURAL EXPERIMENT STATION

(3) I recommend the appointment of Professor Tom S. Hamilton of the Department of Animal Science as Associate Director of the Agricultural Experiment Station for one year and as Professor of Animal Nutrition on indefinite tenure beginning September 1, 1954, at a salary of $12,000 a year on Y basis. The appointment as Associate Director is to fill the position now held by Professor Louis B. Howard who is being recommended for appointment as Dean of the College of Agriculture and Director of the Agricultural Experiment Station and of the Extension Service. Professor Hamilton's appointment is recommended by the present Dean and Director and by the nominee for the deanship, after consultation with the Executive Committee of the College and Station, and with the concurrence of the Provost and the Dean of the Graduate College.

On motion of Mr. Megran, this appointment was approved.

APPOINTMENT OF HAROLD W. HANNAH AS ASSOCIATE DEAN OF THE COLLEGE OF AGRICULTURE

(4) I recommend the appointment of Professor Harold W. Hannah of the Department of Agricultural Economics as Associate Dean of the College of Agriculture for one year and as Professor of Agricultural Law on indefinite tenure beginning September 1, 1954, at a salary of $11,500 a year on Y basis. The appointment as Associate Dean is to fill the position formerly held by Dr. Robert R. Hudelson before he became Dean of the College of Agriculture and Director of the Agricultural Experiment Station and of the Extension Service. Professor Hannah's appointment is recommended by Dean Hudelson and by the nominee for the deanship, Professor Louis B. Howard, after consultation with the Executive Committee of the College and with the concurrence of the Provost and the Dean of the Graduate College.

On motion of Mr. Herrick, this appointment was approved.

APPOINTMENT OF ALLEN S. WELLER AS DEAN OF THE COLLEGE OF FINE AND APPLIED ARTS

(5) To succeed Dean Rexford Newcomb of the College of Fine and Applied Arts, who is due to retire at the end of the current academic year, I recommend the appointment of Dr. Allen S. Weller, presently Professor and Head of the Department of Art, as Dean of the College of Fine and Applied Arts for one year and Professor of Art on indefinite tenure beginning September 1, 1954, at a salary of $15,000 a year on Y basis. The appointment as Dean on limited tenure is consistent with the statutory provision that the dean of a college shall be appointed biennially, and such appointments usually conform with the fiscal biennium.

The appointment of Professor Weller is unanimously recommended by a special Committee on the Deanship which I appointed four months ago and is unanimously concurred in by the Executive Committee of the College, the Provost, and the Dean of the Graduate College.

On motion of Mrs. Watkins, this appointment was approved.

APPOINTMENT OF MRS. CAROL COOLEY AS ASSOCIATE PROFESSOR AND HEAD OF THE DEPARTMENT OF MEDICAL SOCIAL WORK

(6) The Acting Dean of the College of Medicine, with the concurrence of the Dean-elect, and the Director of the School of Social Work recommend the ap-

pointment of Mrs. Carol Cooley, now Associate Executive Secretary of the Health Division of the Welfare Council of Metropolitan Chicago, as Associate Professor and Head of the Department of Medical Social Work in the College of Medicine and Associate Professor in the School of Social Work on indefinite tenure beginning July 20, 1954, at an annual salary of $7,500 (AY basis). The Provost and the Dean of the Graduate College also join in this recommendation.

The appointment of Mrs. Cooley is to fill the vacancy created by the resignation of Miss Mary Louise Hemmy.

The Department of Medical Social Work provides instruction to students in the College of Medicine, students in the School of Social Work who are specializing in the field of medical social service, students in Occupational Therapy, and students in the School of Nursing.

On motion of Mr. Herrick, this appointment was approved.

APPOINTMENT OF EDWARD C. JORDAN AS HEAD OF THE DEPARTMENT OF ELECTRICAL ENGINEERING

(7) On recommendation of the Dean of the College of Engineering, I recommend the appointment of Dr. Edward C. Jordan, now Professor of Electrical Engineering at the University of Illinois, as Professor and Head of the Department of Electrical Engineering beginning July 1, 1954, on indefinite tenure, at his present salary of $9,300 and at a salary of $12,400 beginning September 1, 1954, on A basis.

The recommendation is concurred in by other University officers concerned and is supported with unanimity by the faculty of the Department. Professor Jordan replaces Professor John D. Ryder who is leaving the University as of July 1, 1954, to become Dean of the School of Engineering at Michigan State College.

On motion of Mrs. Holt, this appointment was approved.

SABBATICAL LEAVES OF ABSENCE, 1954-1955

(8) I recommend that the following members of the staff be given sabbatical leaves of absence during the academic year 1954-1955 in accordance with the provisions of the University of Illinois Statutes and on the terms and for the periods indicated.

The programs of research, study, and travel for which these leaves are requested have been examined by the University Research Board which advises the President in such matters. The Research Board's report to the President includes an evaluation of the program in terms of benefits to the University and to the individual and constitutes a part of the record of each case.

APPOINTMENTS TO THE BOARD OF DIRECTORS OF THE ATHLETIC ASSOCIATION

(9) I submit the following nominations for reappointments and one new appointment to the Board of Directors of the University of Illinois Athletic Association to become effective March 20, 1954, and continuing until the annual meeting of the Board in 1955.

Faculty

CHARLES H. BOWMAN, Associate Professor of Law
DILMAN W. GOTSHALK, Professor and Chairman of the Department of Philosophy
ALVIN L. LANG, Professor of Soil Fertility
CECIL A. MOYER, Professor and Head of the Department of Accountancy

Alumni Association

ROBERT W. RIEGEL, Class of 1937, Implement Dealer, Tolono
ROBERT REITSCH, Class of 1928, Reitsch Bros. Lumber Company, 1015 West State Street, Rockford
RALPH CHAPMAN, Class of 1915, Farwell, Chapman and Company, 208 South LaSalle Street, Chicago

Professor Lang replaces Director Leslie A. Bryan, Professor of Management and Director of the Institute of Aviation, who has served on the Board since March, 1950, in keeping with the established practice of changing the personnel of the Board of Directors by replacing a director after he has served four years. I should like to take occasion to record appreciation of Director Bryan's excellent services on this Board during the past four years. The other nominations are for reappointments.

On motion of Mr. Johnston, these nominations were approved.

MASTER OF SCIENCE IN COMMERCIAL TEACHING

(10) For a number of years the University has offered a graduate curriculum in Commercial Teaching leading to the degree of Master of Science. The undergradu-

ate curriculum in the College of Commerce and Business Administration, on which the master's program was based, has been modified in the number of specified commerce courses required for graduation. Consequently, the graduate program needs revision to make it feasible for students graduating from the new undergraduate curriculum to obtain a Master of Science degree in Commercial Teaching in one year. Many of the students in the graduate curriculum will be teachers who have taught commercial subjects and who wish to obtain a master's degree for their professional advancement.

Accordingly, the University Senate recommends approval of a new program leading to the degree of Master of Science in Commercial Teaching which has been developed in cooperation with the Council on Teacher Education, and which is comparable to fifth-year programs for teacher training in other fields. It includes the following requirements:

Candidates for the degree of Master of Science in Commercial Teaching must earn three units in education; three units in commerce, two units to be selected from courses in accounting, business law, economics, management, and marketing, and one unit from courses in business education; and two units of electives. All course selections shall be subject to approval by the student's adviser.

A complete list of the courses from which the student may make his selections, including a list of recommended electives, has been filed with the University officers concerned, including the Dean of the Graduate College, the Dean of the College of Commerce and Business Administration, the Director of Admissions and Records, and the Secretary of the Board of Trustees.

I concur.

On motion of Mr. Herrick, this program was authorized.

FEES FOR THE SCHOOL OF NURSING

(11) The Administrative Committee for the Chicago Professional Colleges and the Committee on Fees and Scholarships recommend the following schedule of fees in the School of Nursing, on the basis of three terms of the academic year beginning in September or October and ending in June:

First-Year Students	*Resident*	*Nonresident*
Tuition	$102 00	$321 00
Building and Laboratory Service Fee	66 00	84 00
Union Building	10 50	10 50
	$178 50	$415 50
Second-Year and Third-Year Students		
Tuition	$102 00	$321 00
Building and Laboratory Service Fee	24 00	30 00
Union Building	10 50	10 50
	$136 50	$361 50

Part-time Students

Students registered for less than twelve hours will pay tuition at the rate of $2.50 per quarter per credit hour if a resident of Illinois and $10.00 per credit hour per quarter if a nonresident.

Students registered for less than twelve hours will also, in addition to the tuition charges, pay a Building and Laboratory Service Fee at the rate of $2.00 per credit hour per quarter if a resident of Illinois and $2.50 per credit hour per quarter if a nonresident.

All part-time students will also pay the full Union Building charge of $3.50 per quarter.

I concur.

On motion of Mr. Hickman, these fees were authorized as recommended.

APPROPRIATION FOR STUDIES BY ILLINOIS JOINT COUNCIL ON HIGHER EDUCATION

(12) For several years the presidents and other officials of the six state-supported institutions of higher education in Illinois have met periodically to discuss their common problems and to develop plans of cooperation in dealing with educational

and research programs in which they have a mutual public responsibility. Recently a more formal organization of this group into the Illinois Joint Council on Higher Education has been established. Its purposes are to establish favorable conditions for exchange of information about educational plans, purposes, and policies; to support studies of educational problems of common interest; to provide united action on questions which concern the growth and quality of the state's system of higher education; and to secure an orderly presentation of facts, recommendations, and counsel to their boards of trustees and to other agencies of the state government.

At present three meetings of the Council are held annually. The institutional representatives are the president, the provost or dean (or equivalent officer), the business officer, and two other representatives designated by the president. The members of the Council are Illinois State Normal University, University of Illinois, Southern Illinois University, Western Illinois State College, Eastern Illinois State College, and Northern Illinois State Teachers College.

Implementing the work of the Council is a Steering Committee on which the University of Illinois has two representatives, and each of the other institutions has one. The Steering Committee coordinates the cooperative studies and selects and supervises the research staff needed for such studies. This Committee has recommended studies to seek means of eliminating unnecessary duplication of programs and to provide the necessary services to consider comprehensive and continuous plans for development of facilities for higher education to meet the needs of the growing population and other factors, and to assist the member institutions in further development and critical analysis of basic educational programs which are common to all colleges and universities. More specific studies have been recommended with respect to these functions and responsibilities in the area of agricultural education and research, graduate work in education, pre-professional education, special educational programs and extension work, audio-visual aids services, health services, and public relations activities.

The Steering Committee has recommended a budget of $20,000 to finance the cost of studies currently approved by the Council and studies yet to be considered, the funds to be secured through contributions from the six institutions in the ratio of 40 per cent by the University of Illinois, 20 per cent by Southern Illinois University, and 10 per cent by each of the other four institutions. Any unexpended balance would be refunded to the contributing institutions in the same ratio. The University of Illinois Business Office is to be the depositary for the fund and will make disbursements in accordance with the budget approved by the Joint Council and upon authorization of the Chairman and the Secretary of the Steering Committee.

I recommend that an appropriation of $8,000 be made from the General Reserve Fund for the University's share of the cost of these studies.

On motion of Mrs. Holt, this appropriation was made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Livingston, Mr. Stratton.

APPROPRIATION FOR THE DIVISION OF UNIVERSITY EXTENSION

(13) The income from fees paid by students enrolled in extramural classes offered by the Division of University Extension is included in the estimated income of each operating budget, and the budget also provides an appropriation to the Division for the cost of giving extramural instruction. The budgeted income as estimated for 1953-1954 is $145,000. Actual income from extramural classes offered during the first semester plus anticipated income during the second semester indicates that this estimate will be fully realized. In offering instruction necessary to produce this income, the Division of University Extension has had to expend or encumber all of its present appropriation.

The Division has been requested to hold additional extramural classes beyond those already scheduled. The total estimated income from these additional classes and the estimated expense of offering this instruction is $16,000. The Division will offer only such additional classes as will be self-supporting.

The Dean of the Division of University Extension, the Provost, and the Comptroller recommend an appropriation of $16,000 to the Division for the

expense of its instructional program, which will be offset by increased income and will thereby have no effect on the Budget Reserve.

I concur.

On motion of Mr. Johnston, this appropriation was made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Livingston, Mr. Stratton.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(14) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

1. College of Agriculture, equipment and remodeling	$58 000
2. Department of Geology, purchase of steel cabinets	3 563
3. President's House and President's Office, furnishings	10 000
	$71 563

I recommend that these appropriations be made from the General Reserve Fund.

On motion of Mr. Nickell, these appropriations were made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Livingston, Mr. Stratton.

PURCHASE OF PROPERTY AT 606 EAST JOHN STREET, CHAMPAIGN, ILLINOIS

(15) The property at 606 East John Street, Champaign (Weber Studio) has been offered to the University at a price of $16,500 ($2.81 per square foot). This property was previously offered to the University at substantially higher prices and its purchase was not recommended. The sale price is now at a level which is within range of its value to the University, and its purchase is recommended.

The area in which this property is located is not needed for immediate construction purposes but is in the zone of the long-range land acquisition program of the University. It is an area in which there is need for parking facilities. The removal of the house, which is in such poor condition of maintenance that its use by the University could not be justified because of rehabilitation cost, would provide land for parking for approximately eighteen cars.

Funds are available in the state appropriation for the purchase of land.

The Building Program Committee, the Director of the Physical Plant, and the Comptroller recommend the purchase of this property at $16,500.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the necessary documents to acquire this property.

On motion of Mr. Megran, the purchase of this property was authorized by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Livingston, Mr. Stratton.

APPROPRIATION AND CONTRACT FOR HOUSING STUDIES

(16) The urgent need for additional residence halls on the Urbana-Champaign campus is generally recognized. At present all permanent men's halls are filled to capacity, and there are approximately 1,500 men living in unapproved private homes and about 475 living in the Parade Ground Units. Under the present policy of assignments there are no rooms available for freshmen. The only space open to freshmen in permanent halls is in the dormitory units in Noble House (Addition No. 1).

Women's housing is even more critical. All women's residence halls are filled to capacity and it appears that the enrollment of women might have to be restricted unless more housing can be provided for them.

To help deal with this problem a study is needed which will survey permanent halls to determine the feasibility of increasing present capacity, and converting Noble House from a dormitory to room accommodations; review present con-

struction standards to see if they are still needed under current building and economic conditions; and review operating standards to determine possibility of increasing net income available for debt service.

It is proposed to carry out this study by (a) examining construction methods used in dormitories recently built at other institutions, (b) erecting partitions to lay out trial rooms of varying size and arrangement in Noble House and testing them by having students occupy them for trial periods, and (c) preparing architectural studies for increasing capacity of present halls.

It is proposed to employ the construction firm of Felmley-Dickerson (general contractors for the last two residence halls) on a consulting basis to assist in the evaluation of construction methods with whatever construction work is required to be done by Physical Plant labor. Payments to Felmley-Dickerson would be at the rate of $40 per day to each staff member of the organization assigned to this work, the total fee not to exceed $3,500.

Estimated cost of the study is $12,000, budgeted as follows:

Architectural services	$ 1 500
Services of Felmley-Dickerson	3 500
Construction of trial rooms	5 000
Equipment for trial rooms	1 500
Miscellaneous	500

Funds have accumulated from the operation of the temporary housing units which may be used for this purpose.

The Director of Housing, the Director of the Physical Plant, the Dean of Students, and the Comptroller recommend (a) an appropriation for this study of $12,000 from accumulated earnings in temporary housing, and (b) authorization of a contract with Felmley-Dickerson for consulting services.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute such a contract with the Felmley-Dickerson Company.

On motion of Mr. Hickman, this appropriation was made and authority was given to execute the contract as recommended. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Livingston, Mr. Stratton.

PAYMENTS TO ILLINOIS BELL TELEPHONE COMPANY

(17) The Director of the Physical Plant and the Comptroller recommend authorization of an agreement with the Illinois Bell Telephone Company whereby the University will make an advance payment of $6,000 and will agree to pay a monthly rental of $80 to the Company for the installation of telephone equipment in the East Dentistry-Medicine-Pharmacy Building now under construction.

The advance payment and the monthly rental will result in a substantially lower rate for telephone service when the building is fully activated, as provided for by the Illinois Bell Telephone Company's rate tariff on file with the Illinois Commerce Commission. The saving in rate which the advance payment will accomplish will be amortized in a period of from two to three years. Funds for the advance payment are available in the state appropriation for the construction of this building, and the $80 monthly rental will be paid from the provision in the operating budget for telephone service.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to sign the necessary documents after they have been approved by the Legal Counsel.

On motion of Mrs. Watkins, authority was given as recommended. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Livingston, Mr. Stratton.

CONTRACT FOR REMODELING IN SECOND UNIT OF DENTISTRY-MEDICINE-PHARMACY BUILDING

(18) The Director of the Physical Plant and the Comptroller recommend the award of a contract for $27,914 to the Mutual Contracting Company of Chicago, the lowest bidder, for remodeling in the second unit of the Dentistry-Medicine-Pharmacy Building. The work will consist of general remodeling of seventeen rooms (numbers 171-188 inclusive) for occupancy by the admissions service of the Dental Clinics presently located on the fifth floor. The space now occupied by the dental admissions service will be used for expansion of the Dental Clinics. The area to be remodeled was formerly occupied by the Departments of Radiology in the College of Medicine and in the Research and Educational Hospitals which have been relocated in the new addition to the Hospitals. Allocation of the area to the Dental Clinics and the remodeling program have been approved by the Administrative Committee of the Chicago Professional Colleges.

Funds are available in the construction account established from the proceeds of the Revenue Bond issue approved by the Board of Trustees March 13, 1951. The resolution adopted by the Board of Trustees at that time requires the expenditure of at least $100,000 of the proceeds of this bond issue for equipping and remodeling in the second unit of the Dentistry-Medicine-Pharmacy Building.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was awarded and the Comptroller and the Secretary of the Board were authorized to execute the same.

INCREASE IN CONTRACT WITH CONSULTING ENGINEERING SERVICES

(19) On September 23, 1953, the Board of Trustees authorized a contract with Consulting Engineering Services, Champaign, for engineering work in the preparation of plans and specifications for the Law Building on the basis of actual salaries, plus 90 per cent for overhead and profit, with a maximum of $5,000. The amount of work required has proved to be greater than estimated, and the Director of the Physical Plant and the Comptroller recommend an increase in the contract to a maximum of $8,000.

I concur and recommend that the Comptroller be authorized to execute the contract change.

On motion of Mr. Herrick, this change in contract was approved and the Comptroller was authorized to execute the same.

CONTRACT FOR PROFESSIONAL SERVICES IN STUDY OF CHICAGO UNDERGRADUATE DIVISION DEVELOPMENT

(22) The Board of Trustees appropriated $15,000 for building studies, including outside professional services necessary in studies of any new construction for a permanent undergraduate division in Chicago. Such services are required to provide information on the following:

1. Development of criteria for analysis of sites according to University requirements. It is proposed to establish three separate sets of criteria for evaluation of
   a. High density sites for high rise buildings.
   b. Compact sites for medium density.
   c. Low density sites.
2. These criteria will be applied in considering a category of sites selected in cooperation with the Chicago Plan Commission to give a preliminary rating and an outline of relative merits to a variety of sites in each of the categories in (1) above.
3. Estimate of time required to acquire and vacate each of the three types of sites.
4. A range of land cost estimates for each of the three types of sites. (In the preparation of such figures, appraisals will not be undertaken and only unit costs will be applied to land areas considered by the University.)
5. A range of construction costs for each of the three site types, including costs of
   a. Site development.
   b. Buildings and equipment.

The Director of the Physical Plant and the Comptroller recommend authorization of a contract with the Real Estate Research Corporation of Chicago for these services and a written report to be submitted not later than June 1, 1954. Since the University is a public institution, the corporation has offered to do this work at a charge which is 30 per cent below normal billing rates and not to exceed a total fee of $6,600. The work will be closely supervised by the two senior officers of the Corporation, Mr. James C. Downs, Jr., President, and Mr. Richard Lawrence Nelson, Executive Vice-President. The maximum fee is within the estimate included in the appropriation previously made by the Board.

I concur.

On motion of Mr. Johnston, this contract was authorized as recommended, and the Comptroller and the Secretary of the Board were authorized to execute the same.

APPOINTMENT OF CHARLES A. KNUDSON AS HEAD OF THE DEPARTMENT OF FRENCH

(23) On recommendation of the Dean and with the unanimous concurrence of the Executive Committee of the College of Liberal Arts and Sciences, I recommend the appointment of Professor Charles A. Knudson as Professor and Head of the Department of French at a salary of $10,000 per year on A basis.

This appointment is to fill the position formerly held by Professor James R. Smiley who is now Dean of the College of Liberal Arts and Sciences. Professor Knudson has been Acting Head of the Department of French since September 1, 1953. (Professor Smiley, former Head of the Department, was on sabbatical leave from September 1, 1953, until March 1, 1954, when he became Dean of the College.) I am recommending that Professor Knudson's appointment as Head be effective April 1, 1954. This nomination is concurred in by the Provost and the Dean of the Graduate College.

On motion of Mrs. Holt, this appointment was approved.

APPROPRIATIONS BY THE ATHLETIC ASSOCIATION

(24) The Board of Directors of the Athletic Association has made the following assignments of funds which represent changes in its budget and are, therefore, subject to approval by the Board of Trustees:

For Southern baseball trip	$2 500 00
Purchase of chairs to replace stadium box seats	2 231 17
Purchase of multilith machine for publicity office	1 000 00
Spring football coaches clinic	2 000 00
	$7 731 17

On motion of Mrs. Watkins, these assignments of funds were approved.

AIR FORCE ACADEMY

(25) With the enactment of legislation by the United States Congress authorizing the establishment of an Air Force Academy and appropriating funds for the same, there has been renewal of public interest in Urbana-Champaign in securing the location of the Academy in that general area.

Five years ago the United States Air Force prepared plans and drafted legislation for establishment of an Air Force Academy similar to the Military Academy at West Point and the Naval Academy at Annapolis. At that time it was anticipated that an interim academy would be established on a small scale (with approximately 300 cadets) before completion of the Air Force Academy at a permanent location. The Board of Trustees confirmed the action of the President of the University in inviting authorities of the Air University at Maxwell Field, Alabama, to establish the interim academy at the University of Illinois and authorized University officials to carry on negotiations with United States Air Force officials if the latter would consider the offer. Subsequently, the matter was dropped in the absence of necessary enabling legislation.

It now appears that the Air Force Academy will be located at one of the existing United States Air Force bases. An important factor in the site selection will be proximity to metropolitan and other areas which offer cultural and educational facilities. This indicates that Chanute Air Force Base at Rantoul, Illinois, would be an excellent location because of its proximity to the University of Illinois and to Chicago.

The University has taken no official action on the matter, but its officials have indicated to representatives of Urbana-Champaign and of Chanute Air Force Base, through the Joint Community-University Committee, willingness to cooperate in any way the University can in securing the location of the Air Force Academy in the general area of Champaign County, provided that this will not interfere with the primary purpose and operations of the University. The first requisite seems to be to secure a definite statement of the Governor as to whether he considers this the preferred location in Illinois. The Committee is working on this point. It has declared that it stands ready to join with the Governor in this effort.

When it was formerly proposed that the interim academy be set up at the University of Illinois, its student enrollment was dropping off from the post-war peak and it would have been feasible to provide housing and instructional facilities for a temporary academy of approximately 300 cadets. (As a specific example, at that time the Gymnasium Annex was equipped and was being used as a dormitory, and it could have been made available as a barracks.) With the enrollment again on the increase, and considering other changing conditions, the University could not provide all of the essential facilities for an interim academy. Nevertheless, the University should stand ready to provide such services of its staff and such of its facilities as can be made available without undue interference with ongoing educational and research programs and without cost to the state. University officials must necessarily reserve judgment as to what the University can do until there is more information on what is specifically required.

This report was received for record.

This concluded the presentation of reports and recommendations from the President of the University.

REPORT OF FINANCE COMMITTEE ON ENDOWMENT INVESTMENTS

Mr. Megran reported that the Finance Committee has approved the sale of the securities listed below and offered the following resolution required in order to complete the sale:

Resolution

WHEREAS, the Board of Trustees of the University of Illinois is the owner of 45 shares of Southern California Edison 4.32 per cent preferred stock, 20 shares of Fiber Products common stock, 145 shares of Alabama Gas Company common stock, 8 shares of Standard Oil of New Jersey common stock, and

WHEREAS, it is considered desirable that these stocks be disposed of,

Now, Therefore, Be It Resolved by the Board of Trustees that the above described shares of stock be sold and that H. O. Farber, Comptroller, and A. J. Janata, Secretary, be authorized to execute any and all documents necessary to complete such sale.

This resolution was adopted.

REPORT OF FINANCE COMMITTEE ON EMPLOYMENT OF UNIVERSITY AUDITORS

Mr. Megran reported that the Finance Committee has reviewed the practice followed by the Board of Trustees since 1904 in employing a firm of public accountants to audit the financial records of the University. The Committee also reviewed the scope of the audit made by auditing firms employed by the Board. The Committee gave consideration to the fact that the State Auditor in 1953 also employed an auditing firm to audit the University.

The Committee found that the audit received by the University has not been confined to a balance sheet audit, but has included a verification of operating items, and that the certification given by the auditing firm so states.

The Committee recognized that the University benefits from an audit by a firm employed by the Board not only in verification of the transactions, but also in professional consultation on methods and procedures.

The Committee recommends the continuation of the practice of employing a firm of public accountants and the continuation of the engagement of the firm of Haskins and Sells for the second year.

The fee is based on per diem rates and expenses with the understanding that the aggregate charges will not exceed the following amounts:

University of Illinois (all divisions)	$13 200
University of Illinois Foundation (including its Retirement System)	660
University of Illinois Athletic Association (including its Retirement System)	825

On motion of Mr. Megran, the Board approved this recommendation but referred it to the Executive Committee for implementation and with power to act.

SECRETARY'S REPORTS

The Secretary presented for record the following lists: (1) appointments made by the President; (2) fellows; (3) resignations and cancellations; (4) leaves of absence.

ELECTION OF OFFICERS

The temporary Chairman called for nominations of officers of the Board to be elected at this meeting for one year and to hold office until their successors are elected and have qualified.

MR. H. B. MEGRAN ELECTED PRESIDENT OF THE BOARD

Mr. Nickell nominated Mr. H. B. Megran for the office of the President of the Board for 1954-1955.

The nomination was seconded by Mr. Johnston. On his motion, the nominations were closed and the Secretary was instructed to cast the unanimous vote of the meeting for Mr. Megran as President. The ballot was cast and Mr. Megran was declared elected President of the Board for the year 1954-1955, or until the next annual meeting of the Board and until his successor has been elected and has qualified. He took the chair and expressed his appreciation of the confidence of the Board in electing him to this office.

APPRECIATION OF SERVICES OF MR. PARK LIVINGSTON

On motion of Mr. Johnston, the Board recorded its appreciation of the services of Mr. Park Livingston as President of the Board during the past three years (1951-1954) as well as during the years 1943-1948.

MR. A. J. JANATA ELECTED SECRETARY

Mr. Hickman nominated Mr. A. J. Janata for the office of Secretary of the Board.

This nomination was seconded by Mrs. Watkins. On her motion, the nominations were closed and Mr. Janata was elected Secretary of the Board for the year 1954-1955, or until the next annual meeting of the Board and until his successor has been elected and has qualified.

MR. HERBERT O. FARBER ELECTED COMPTROLLER

The By-Laws of the Board of Trustees provide for the office of Comptroller, to be elected annually for a term of one year. They provide that the duties of Comptroller shall be such as "defined in the Statutes of the University." The Statutes assign to the Comptroller certain direct accountabilities to the Board and also the functions of general business officer of the University under the supervision of the President. They also provide that he shall be appointed by the Board "on the recommendation of the President of the University."

The President of the University presented the following recommendation:

When I assumed the office of President on September 1, 1953, the Board, on my recommendation, appointed Herbert O. Farber as Acting Comptroller for the remainder of my unexpired term, until the next annual meeting of the Board. Hence this appointment will expire at the March, 1954, meeting.

After observation of Mr. Farber's work during this period and discussion with numerous persons with whom he has been intimately associated, including the heads of all divisions of the Business Office (I have had no unfavorable comment on his work), I now nominate him for appointment as Comptroller for the year 1954-1955.

In the organization of the office a separate division is maintained in Chicago under Howard A. Hazleton as Business Manager. His work is highly effective in

this respect, and he has been given a high degree of autonomy in his activities. At the same time, unity of organization and policy is necessary and has been maintained. An excellent spirit of relationship exists between Mr. Farber and the Chicago office.

Mr. Farber's present salary is $11,000. This is, of course, considerably below the salary which I received at the termination of my service which was the accumulation of a long period of service. I propose that effective April 1, his salary be made $11,500 with the expectation that further increases will be made from time to time as maturity and accomplishment warrant.

Mr. Herrick nominated Mr. Farber for the office of Comptroller.

This nomination was seconded by Mrs. Holt. On her motion, the nominations were closed and the Secretary was instructed to cast the unanimous vote of the meeting for Mr. Farber as Comptroller, at his present salary of $11,000 per year, and at a salary of $11,500 per year effective April 1, 1954. The ballot was cast and Mr. Farber was declared elected Comptroller for the year 1954-1955, or until the next annual meeting of the Board and until his successor has been elected and has qualified.

The Secretary called attention to the fact that in a number of recommendations heretofore presented by the President of the University to the Board at this meeting it is requested that the Acting Comptroller and Secretary of the Board be authorized to execute contracts and other documents to implement the actions taken. Since the Board has now elected a Comptroller, the Secretary requested authority to amend the record of today's meeting by deleting the word "Acting" in each instance in which the title "Acting Comptroller" has been used.

On motion of Mr. Nickell, these amendments were authorized.

EXECUTIVE COMMITTEE ELECTED

President Megran called for nominations for the election of two members of the Executive Committee for the ensuing year. Mrs. Holt nominated Mrs. Watkins; Mr. Johnston nominated Mr. Herrick; Mr. Bissell nominated Mr. Johnston; Mr. Nickell nominated Mr. Bissell. Mr. Hickman was also nominated but on his request, the nomination was withdrawn.

On motion of Mr. Hickman, a written ballot was ordered for the election of two of the nominees, with the Secretary and the Comptroller serving as tellers.

At this point Mr. Livingston took his place with the Board.

The ballot having been taken, the Secretary announced the results: Mrs. Watkins, seven votes; Mr. Bissell and Mr. Johnston, each four votes; Mr. Herrick, three votes. Mrs. Watkins was declared elected a member of the Executive Committee for 1954-1955 and until her successor has been elected and qualified.

In view of the tie for second place, Messrs. Bissell, Herrick, and Johnston requested that their names be withdrawn from consideration.

Mr. Johnston then nominated Mr. Livingston for election as a member of the Executive Committee. The nomination was seconded by Mr. Bissell, and on his motion the nominations were closed and the Secretary was instructed to cast the unanimous vote of the meeting for Mr. Livingston. The ballot was cast and Mr. Livingston was declared elected a member of the Executive Committee for the year 1954-1955 and until his successor has been elected and qualified.

DELEGATION OF SIGNATURES

On motion of Mr. Nickell, seconded by Mr. Bissell, the following resolution was adopted:

Resolved, that the President and the Secretary of the Board of Trustees of the University of Illinois are authorized to delegate the signing of their names as President and Secretary, respectively, to vouchers to be presented to the Auditor of Public Accounts, and to warrants drawn on the Treasurer of the University, under the following conditions:

The President of the Board of Trustees is authorized to delegate to C. H. Pratt, to L. M. Dahlenburg, and to W. D. Green in Urbana, and to H. A. Hazleton, to W. E. Cowart, and to H. O. Albers in Chicago, and to H. R. Kobes and to Mabel F. Meek in Springfield, authority to sign his name as President of the Board of Trustees to vouchers against the Auditor of Public Accounts; and to C. C. DeLong, to R. W. Zimmer, and to R. F. Wood in Urbana, and to H. A. Hazleton, to W. E. Cowart, and to H. O. Albers in Chicago, authority to sign his name to warrants on the University Treasurer covering vouchers approved in accordance with regulations approved by the Board.

The Secretary of the Board of Trustees is authorized to delegate to Maude Archdeacon, to Everett G. Smith, and to Helen Smith Sutherland in Urbana, and to G. R. Moon, to Ethel Engeljohn, to Helen Wyle, to Lucile Nedwick, and to Velma M. Davis in Chicago, authority to sign his name as Secretary of the Board of Trustees to vouchers against the Auditor of Public Accounts and to warrants on the University Treasurer, covering vouchers approved in accordance with regulations of the Board. The Secretary of the Board of Trustees is authorized to delegate to Mrs. Freda M. Hicks and to Lean C. Ryan in Springfield, authority to sign his name as Secretary of the Board of Trustees on vouchers against the Auditor of Public Accounts approved in accordance with the regulations of the Board. These authorizations are to continue in effect until the Auditor of Public Accounts has been supplied with specimen signatures of succeeding officers of this Board. And be it further

Resolved, that the First National Bank of Chicago as a designated depositary of C. W. Weldon, Treasurer of this corporation, be and it (including its correspondent banks) is hereby requested, authorized, and directed to honor checks, drafts, or other orders for the payment of money drawn in this corporation's name, including those drawn to the individual order of any person or persons whose name or names appear thereon as signer or signers thereof, when bearing or purporting to bear the facsimile signatures of the two following: H. B. Megran, President, and A. J. Janata, Secretary; and the First National Bank of Chicago (including its correspondent banks) shall be entitled to honor and to charge this corporation for all such checks, drafts, or other orders, regardless of by whom or by what means the facsimile signature or signatures thereon may have been affixed thereto, if such facsimile signature or signatures resemble the facsimile specimens duly certified to or filed with the First National Bank of Chicago by the Secretary or other officer of this corporation. And be it further

Resolved, that the Auditor of Public Accounts is hereby authorized and directed to honor vouchers bearing facsimile signatures of the President and Secretary of the Board of Trustees of the University of Illinois if such facsimile signatures resemble the facsimile specimens duly certified to or filed with the Auditor of Public Accounts by the Secretary.

DEPOSITARY OF GEORGE A. MILLER ENDOWMENT FUNDS AND SECURITIES

On motion of Mr. Nickell, seconded by Mr. Bissell, the following resolution was adopted:

WHEREAS, under the will of the late Professor George A. Miller the Board of Trustees of the University of Illinois (hereinafter designated as the University) received a certain bequest of cash and securities, and

WHEREAS, it is the present intention of the University that said bequest be held intact as an endowment fund, to be invested in stocks, bonds, securities, and other property and the income accruing thereon disbursed for certain educational purposes as provided in said will, and

WHEREAS, it is deemed desirable that said securities be kept in a safe place, with the income collected by the safekeeping agency,

Now Therefore Be It Resolved, that the Continental Illinois National Bank and Trust Company of Chicago be and it hereby is designated as the depositary and safekeeping agency, in which bonds, stocks, securities, and other properties acquired from the estate of the said George A. Miller, or purchased or otherwise acquired from funds received from said estate or from the proceeds of the sale of or income from such bonds, stocks, securities, or other properties, which are the property of the University, may be deposited by the University's officers, agents, and employees, and

Be It Further Resolved, that H. O. Farber, Comptroller, and A. J. Janata, Secretary of the Board of Trustees, acting jointly, be authorized, as approved by this Board or its committees acting under due authority, and upon such terms and conditions as to them shall seem proper:

1. To deliver to and deposit with the Continental Illinois National Bank and Trust Company of Chicago for safekeeping, custody, or other purposes any such funds, bonds, stocks, securities, or other properties, and in connection therewith to open and maintain with said Continental Illinois National Bank and Trust Company of Chicago a safekeeping or custody account or accounts and to make the initial deposit therein and from time to time to make other and additional deposits therein, and to sign orders and issue instructions to said Continental Illinois National Bank and Trust Company of Chicago for the conduct of said account or accounts, and

2. To cause to be withdrawn on the responsibility of, and at the risk of the University, and to sign orders and issue instructions for the handling, transfer, registration, sale, substitution, exchange and delivery of, any such funds, bonds, stocks, securities, and other property and the proceeds thereof, delivered to, deposited with, or otherwise held by said Continental Illinois National Bank and Trust Company of Chicago for the account of the University. Such withdrawals, substitutions, exchanges, and deliveries, whether subject to payment or not and whether pursuant to sale, exchange, or other transaction, may be made also by the bearer of any order, receipt, or request so signed, and

3. To purchase with such funds, bonds, stocks, securities, and other property and to sign orders and issue instructions in connection with the purchase, payment, and registration thereof, and

4. To sell, pledge, transfer, assign, exchange, deposit with any reorganization committee, bondholders protective or other committee or otherwise dispose of any such bonds, stocks, securities, and other property belonging to or standing in the name of the University or its nominee or held by the University for the account of others, and to sign orders and issue instructions regarding the handling of any matters connected with such transactions, and

5. To identify and guarantee assignments, transfers, and endorsements for transfer on such bonds, stock certificates, interim, participation, and other certificates and to identify and guarantee signatures on bond and stock powers of attorney pertaining thereto, and

6. To waive presentment, demand, protest, and notice of dishonor or protest and to give instructions in regard to the handling or delivery of any negotiable or non-negotiable documents received from said estate or deposited in said account, and

7. To sign reconcilements and certify to the correctness of statements pertaining to said account and approve and authorize adjustments therein, and

8. To act for the University in the transaction of business pertaining to said account and to sign orders and issue instructions to the Continental Illinois National Bank and Trust Company of Chicago in connection with funds received from the estate of George A. Miller, and from the income therefrom and the proceeds of the sale of assets thereof, and

Be It Further Resolved, that the Continental Illinois National Bank and Trust Company of Chicago shall receive customary and reasonable compensation for the services specified herein, and

Be It Further Resolved, that A. J. Janata, Secretary of the Board of Trustees, be authorized to delegate to Everett G. Smith, Executive Clerk in the President's Office, and Maude Archdeacon, Chief Clerk in the Board of Trustees' Office, authority to sign his name to any and all documents necessary to effect the purchase, sale, or transfer of securities in the herein provided depositary and safekeeping agency and to instruments of assignment required to transfer such securities to the purchaser thereof, as approved by this Board or its committees acting

under due authority; and that H. O. Farber, Comptroller, be authorized to delegate to C. C. DeLong, Bursar, authority to sign his name to any and all documents necessary to effect the purchase, sale, or transfer of securities and to instruments of assignment required to transfer such securities to the purchaser thereof under the same circumstances.

Be It Further Resolved, that the officers named pursuant to this resolution are authorized to take all such actions as may be necessary to carry out the intent hereof, and

Be It Further Resolved, that the Secretary of the Board of Trustees of the University of Illinois be and he hereby is authorized to certify to said Bank a copy of these resolutions and the names and signatures of the Board's said officers and their said deputies hereby authorized to act in the premises, and said Bank is hereby authorized to rely upon said certificate until formally advised by a subsequent and like certificate of any changes therein, and is also authorized to rely on any such additional or subsequent certificates.

April 21, 1954

The April meeting of the Board of Trustees of the University of Illinois was held in the Chicago Illini Union Building of the Chicago Professional Colleges, on Wednesday, April 21, 1954.

The following members were present: Mr. Harold E. Grange, Mr. Wirt Herrick, Mrs. Doris S. Holt, Mr. Wayne A. Johnston, Mr. Park Livingston, Mr. Herbert B. Megran, Mr. Vernon L. Nickell, and Mrs. Frances B. Watkins. Mr. Cushman B. Bissell, Mr. Robert Z. Hickman, and Governor William G. Stratton were absent.

Also present were President Lloyd Morey, Provost Henning Larsen, Dean E. R. Serles, Chairman of the Administrative Committee of the Chicago Professional Colleges, Mr. Ralph F. Lesemann, Legal Counsel, Mr. J. F. Wright, Director of Public Relations; and the officers of the Board, Messrs. H. O. Farber, Comptroller, C. W. Weldon, Treasurer, and A. J. Janata, Secretary.

MEETING OF THE EXECUTIVE COMMITTEE

Preceding the regular meeting of the Board, and on call of the Chairman, a meeting of the Executive Committee of the Board of Trustees was held in the Chicago Illini Union Building of the Chicago Professional Colleges on Wednesday, April 21, 1954, beginning at 11:00 a.m.

The following members of the Executive Committee were present: Mr. H. B. Megran, Chairman, Mrs. Frances B. Watkins; Mr. Park Livingston was absent when the Committee convened, but joined the meeting later. Also present and participating in the discussion of the business considered by the Committee were the other members of the Board of Trustees, the officers of the University, and the officers of the Board as recorded above.

The Committee considered the following reports and recommendations submitted by the President of the University.

PATENTABLE DISCOVERIES

(1) The University Patent Committee submits the following recommendations relating to potentially patentable discoveries:

1. W. H. Bruckner, Research Associate Professor of Metallurgical Engineering, has developed a method of processing ferritic steels so as to decrease the tendency to fracture in a brittle manner. Some of the basic work on this invention was done under a contract with the Office of Naval Research. Members of the Department of Mining and Metallurgical Engineering believe that the possibility of commercial application for this invention is remote, with the exception of ordnance manufacture for the government. However, the Offices of Naval Research and Ordnance Research have indicated that they are not interested in any patent action or in further support of this work. After receiving notice of the attitude of these government agencies, Professor Bruckner published a description of this invention in the March, 1954, issue of *Acta Metallurgica*. In view of these circumstances, the University Patent Committee, with the concurrence of the inventor, recommends that this invention be dedicated to the public through publication, and that no application for a patent be instigated by the University or any other party.

2. Wayne L. Shick, Assistant Professor of General Engineering, has developed a device resembling a drawing board to simplify, systematize, and accelerate the method of perspective drawing whereby scale measurements of any object may be directly made and the measured points and vanishing points may be used in drawing both left eye and right eye views of a stereoscopic perspective. After investigation, it was apparent that the contributions of the University to the development of this invention are minor. It may have commercial possibilities, but in the opinion of the patent attorneys a great deal of engineering work will be necessary before a patent can be secured. The inventor has indicated his willingness to enter into an agreement with the University of Illinois Foundation, whereby a patent would be issued to that agency, and whereby the inventor will receive a share of the net income. The University Patent Committee recommends that this invention be released to the inventor under the following conditions: a full disclosure of the nature of the invention be made to the University of Illinois Foundation; the Foundation will thereupon investigate to determine the commercial possibilities of such invention; if it is determined that the invention has commercial possibilities, the inventor will transfer title to the Foundation which will proceed with the application for a patent and commercial development and an agreement negotiated with the inventor under which he will receive a share of the net income; and if the Foundation decides that it is not interested in becoming a party to such an agreement, the invention will be released outright to the inventor by the Board of Trustees.

3. Dwight G. Bennett, Research Professor of Ceramic Engineering, has developed an apparatus to heat well-mixed porcelain enamel or ceramic coating frit ingredients, fuse them to a fluid state, and withdraw the resulting molten

material from the heat resistant container into a gas tight vacuum chamber, wherein the molten frit is expanded and cooled. The University Patent Committee recommends that this invention be referred to the University of Illinois Foundation for investigation and report.

4. Arthur L. Friedberg, Research Assistant Professor of Ceramic Engineering, has developed a method of conditioning and pickling metal surfaces and particularly of preparing the metals for porcelain enameling. This invention relates to certain chemical additions which when introduced in the acid pickling solution cause the acceleration of the pickling process. The invention was developed under a research investigation sponsored by the Enameled Utensil Manufacturers Council. In the opinion of the Head of the Department of Ceramic Engineering the commercial possibilities of this discovery are remote. Accordingly the University Patent Committee makes the following recommendations: that an offer be made to the Enameled Utensil Manufacturers Council that if that agency wishes to assume the entire cost of securing a patent, it and its constituent members will be granted a royalty-free, nonexclusive license on any patent secured from the invention, which would be held by the University, while other licensees would be charged a royalty in an amount which would be fair to the Council and the public; and that if the Council indicates no interest in bearing the cost of a patent under these conditions, the invention be released to the inventor.

5. Howard W. Knoebel, Research Associate in the Engineering Research Laboratory, has developed a simple device using capacitor memory proposed for converting the binary output of digital computers into an analog voltage for display on an oscilloscope or to operate other equipment. This invention was developed under a contract with the Department of the Army. The device may have some commercial value in the computer field but it is unlikely that such value would justify the University in expending funds for securing a patent on it. The Department of the Army has agreed to release this invention to the inventor if the inventor agrees to give the government a royalty-free, nonexclusive license. Accordingly, the University Patent Committee recommends that this invention be released to the inventor under these conditions and that if the inventor decides not to proceed with a patent application, the invention then be released to the government.

I concur in these recommendations.

On motion of Mrs. Watkins, these recommendations were approved.

SETTLEMENT AND PAYMENT OF AMOUNTS DUE TO SUBCONTRACTORS OF PATRICK WARREN CONSTRUCTION COMPANY IN CONNECTION WITH RESEARCH AND EDUCATIONAL HOSPITALS ADDITION

(2) At the February 18, 1954, meeting of this Board authority was granted to accept assignments to the University of all of Patrick Warren Construction Company's contracts with its unpaid subcontractors in return for credits to be allowed the University upon its contract with that Company in the amounts of the unpaid balances due the subcontractors and certain other conditions. In connection with carrying out the proposal that the contracts between Warren and its subcontractors be assigned to the University, it became necessary that agreements be reached between those subcontractors and Warren relative to the unpaid balances due the former under those contracts.

As the result of negotiations conducted during the past three months, Warren has reached an agreement with all but four of its subcontractors as to the amounts of the unpaid balances due them and the subcontractors with whom said agreements have been reached are willing to give full and complete releases to both the University and Warren of all claims and liens upon payment by the University of the balances agreed to be due them and the assignment of their contracts with Warren to the University. It is believed that agreements will probably be reached soon between Warren and three of the other subcontractors, but it appears very doubtful whether an agreement will be reached between Warren and the remaining subcontractor, since the latter asserts a substantial claim for damages and also claims that the unpaid balance

due it under its contract with Warren is considerably more than the latter concedes.

As the proposal was originally submitted to this Board and subsequently to Warren's subcontractors, the acceptance of the proposal by all of the subcontractors and the reaching of agreements as to the amounts due them between all of the subcontractors and Warren constituted conditions to the proposal becoming effective. It is evident that the proposal will probably fail if the University insists upon these conditions. It would be advantageous from the standpoint of the University to carry out the proposal with respect to those subcontractors of Warren who have accepted it and have reached an agreement with Warren as to the amounts due them.

Therefore, the Director of the Physical Plant, the Comptroller, and the Legal Counsel recommend that authority be granted to accept assignments to the University of the contracts between Warren and such of its subcontractors who have reached an agreement with it relative to the balances due them under their contracts with it, and that those balances be paid by the University out of funds remaining unpaid to Warren under the latter's contract with the University in return for credits to the University from Warren upon that contract in the amounts thus paid; provided, however, that the consent of Warren and the sureties upon its performance bond be secured before the proposal becomes effective and is carried out, and provided, further, that full and complete releases and waivers of all claims and liens against both the University and Warren are given by the subcontractors to whom such payments are made.

I concur.

On motion of Mrs. Watkins, authority was granted as requested.

SUIT OF CONTINENTAL BUILDERS, INC. VS. THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS

(3) On March 29, 1949, the Executive Committee of the Board of Trustees authorized award of a contract to Continental Builders, Inc., Joliet, for the general work on the construction of thirty one-family residences under the supervision of the Small Homes Council. On April 21, 1949, the Board of Trustees, having been informed that this contractor probably could not supply a satisfactory bond within thirty days from the opening of bids, voted to authorize the Director of the Physical Plant to reject all other bids for general work and to advertise for new bids if the lowest bidder failed to supply a satisfactory bond within the time limit. Subsequently, the bids were rejected and on May 21, 1949, the Executive Committee awarded the contract for the general work to the Kuhne-Simmons Company, Champaign, the lowest bidder in the new bidding. The University, of course, retained the Continental Builders' bid deposit of $10,792.95.

Continental Builders, Inc., have now instituted a suit in the Superior Court of Cook County against the University alleging that it is entitled to a refund of the bid deposit, reimbursement for expenses it incurred in submitting its bid and in erecting temporary improvements on the site of the project preparatory to performing the contract, and compensation for loss of profits it would have received under the contract. A judgment of $70,000 and the cost of this suit are asked.

The Legal Counsel will require the assistance of special counsel to defend this suit, especially if the case is tried in the Superior Court of Cook County. I, therefore, recommend that he be authorized to engage such special counsel as he finds necessary.

On motion of Mrs. Watkins, authority was given as requested.

VOCATIONAL AGRICULTURE

(4) The President of the University reported that the Teachers College Board has recommended to the State Board of Vocational Education that the Illinois State Normal University be approved, in addition to the University of Illinois, as an institution for training teachers in Smith-Hughes vocational agriculture for Illinois high schools. He distributed copies of a letter which he had sent to the Chairman and other members of the Board of Vocational Education, a copy of which has been filed with the Secretary of the Board for record.

Mr. Nickell also commented on this matter.

No formal action was taken or requested but it was the sense of the Board, expressed in the discussion of this subject, that the President of the University should continue to oppose the extension of the teacher-training program in vocational agriculture to other state institutions.

KREBIOZEN INVESTIGATION

(5) On March 24, 1954, the Krebiozen Investigating Commission met in Springfield to determine further procedure under the Act of the Sixty-eighth General Assembly of Illinois creating this Commission and providing that:

"Sec. 2. The Commission shall make a thorough investigation for the purpose of ascertaining the facts of the controversy that has arisen at the University of Illinois concerning research on Krebiozen and shall consider what legislative action, if any, is necessary or desirable."

There are submitted herewith a copy of the latest official notice issued by that Commission under date of March 31, 1954, addressed to the attorneys for all parties at interest, reporting the actions taken at the meeting on March 24, and a report from the Legal Counsel of the University of Illinois relating to the investigation which has been conducted and its apparent outcome. Copies of these documents are being filed with the Secretary of the Board for record.

It appears from the Commission's notice of March 31 that the investigation has ended and that the Commission will probably conduct no further hearings. This notice does not constitute the final report of the Commission, which will be submitted to the Sixty-ninth General Assembly at its next regular session in 1955, but it seems reasonable to assume that the final report will contain essentially the same conclusions as the latest notice. The conclusions are stated in the motions adopted by the Commission as related in its notice and are summarized on pages 5 and 6 of the Legal Counsel's report.

The results so far are gratifying from the standpoint of the University in view of its exoneration and that of Dr. George D. Stoddard from the charge of conspiracy, and also the findings relative to the character and integrity of Dr. Andrew C. Ivy. The Commission has apparently concluded that there is no occasion for it to make any recommendations to the General Assembly concerning legislation seeking to regulate the conduct of scientific research at the University.

This report was received for record.

APPROPRIATION FOR COMMITTEE ON THE SELECTION OF A PRESIDENT OF THE UNIVERSITY

The Secretary of the Board requested a supplementary appropriation for the expenses of the Board of Trustees Committee on the Selection of a President of the University and of the auxiliary committees of the University Senate (the general faculty), the Alumni Association, and the Citizens Committee which are assisting the Board of Trustees, this appropriation to be available through the fiscal year 1954-1955.

On motion of Mrs. Watkins, an appropriation of $2,500 was made from the General Reserve Fund for this purpose by the following vote: Aye, Mr. Megran, Mrs. Watkins; no, none; absent, Mr. Livingston.

At this point the Executive Committee adjourned.

The Board recessed for luncheon.

MEETING OF THE BOARD OF TRUSTEES

Following luncheon recess, the Board convened at 1:00 p.m. The same members of the Board, officers of the University, and officers of the Board were present as recorded at the beginning of these minutes.

Messrs. Johnston and Livingston were obliged to be away during part of this session, but on their return, each concurred in the actions taken during his absence and asked to be so recorded.

Mr. Wirt Herrick was obliged to leave the meeting shortly after it began, and, being unable to return, he requested and was granted consent to be recorded as voting favorably on the recommendations to be submitted by the President of the University which he had previously examined and approved.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of the Board of Trustees and of the Executive Committee of the Board held on February 18, 1954, press proof copies of which have previously been sent to the members of the Board.

On motion of Mr. Grange, these minutes were approved as printed on pages 1227 to 1275, inclusive.

MR. WIRT HERRICK APPOINTED REPRESENTATIVE ON BOARD OF TRUSTEES OF UNIVERSITY RETIREMENT SYSTEM

With the concurrence of the Board, President Megran designated Mr. Wirt Herrick to serve as a member of the Board of the University Retirement System of Illinois during the remainder of his present term (1949-1955) as Trustee of the University, replacing Mr. Megran.

REPORT OF THE EXECUTIVE COMMITTEE

The Secretary presented the following report of an action taken by the Executive Committee on April 6, 1954.

CONTRACT FOR REPAIR OF CHIMNEY IN DENTISTRY-MEDICINE-PHARMACY BUILDING

On recommendation of the President of the University, the Executive Committee has authorized the award of a contract to the C. O. Henriksen Company, 2300 South Avers Avenue, Chicago, the lowest bidder, for repairing the incinerator chimney in the first unit of the Dentistry-Medicine-Pharmacy Building. Because of the nature of the work, it was not feasible to secure fixed price bids, and this contract is on a cost plus percentage fee basis, but not to exceed a maximum of $4,500 for the job.

Funds are available in the maintenance account of the Physical Plant Department budget for this purpose.

Emergency action by the Executive Committee was necessary since the incinerator must be kept out of service until the chimney is repaired.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board took up consideration of the following reports and recommendations from the President of the University.

APPOINTMENTS TO THE FACULTY

(6) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. JOHN CARL CAMPBELL, Assistant Professor of Agricultural Engineering (Extension Service), beginning April 15, 1954, at an annual salary of $6,000 (BY).

2. GEORGE T. FRAMPTON, Associate Professor of Law, beginning September 1, 1954, at an annual salary of $9,000 (B).

3. DENO J. GEANAKOPLOS, Assistant Professor of History, beginning September 1, 1954, at an annual salary of $5,000 (D).

4. ALVIN W. GOULDNER, Associate Professor of Sociology, beginning September 1, 1954, at an annual salary of $6,500 (A).

5. HYLDA A. HARP, Assistant Professor of Public Health Nursing, School of Nursing, beginning April 1, 1954, at an annual salary of $5,250 (DY).

6. ELLA C. LEPPERT, Assistant Professor in the College of Education and in the University High School, beginning September 1, 1954, at an annual salary of $5,400 (D).

7. FRANK H. T. RHODES, Assistant Professor of Geology, beginning September 1, 1954, at an annual salary of $5,200 (D).

8. JAMES M. ROBERTSON, Professor of Theoretical and Applied Mechanics, beginning September 1, 1954, at an annual salary of $9,000 (A).

9. WILLIAM D. WARREN, Assistant Professor of Law, beginning September 1, 1954, at an annual salary of $8,300 (D).

10. DOROTHY H. WELKER, Assistant Professor of Pediatrics, beginning April 1, 1954, without salary (DY).

Appointments to Nonacademic Staff

The Director of Nonacademic Personnel reports the following appointments to supervisory positions of upper level responsibility.

1. WALTER F. BAILEY, Senior Accountant, Agriculture Administration, beginning February 1, 1954, at an annual salary of $4,800.

2. JOAN E. FLEMING, Assistant Food Production Manager, Residence Halls, beginning February 10, 1954, at an annual salary of $3,600.

3. MRS. MARJORIE C. HUSE, Technical Computer, Physics, beginning February 15, 1954, at an annual salary of $3,300.

4. LEROY J. VOTAVA, Placement Officer, Office of Nonacademic Personnel, Chicago Professional Colleges, beginning January 25, 1954, at an annual salary of $3,480.

5. JEROME L. WITTELS, Electronics Engineer, Physics-Betatron, beginning February 1, 1954, at an annual salary of $4,680.

6. LOUISA M. ZILLER, Assistant Food Production Manager, Residence Halls, beginning January 5, 1954, at an annual salary of $3,600.

On motion of Mr. Grange, these appointments were confirmed.

APPOINTMENT OF FRANK E. SCHOOLEY AS DIRECTOR OF BROADCASTING

(7) I recommend the appointment of Frank E. Schooley, now Assistant Professor of Journalism and Communications and Manager of Radio Station W I L L, as Associate Professor of Journalism and Communications and Director of University Broadcasting effective today at a salary of $10,000 per year on Y basis. He will also hold the positions of Manager of the Radio Station and Manager of the Television Station.

This appointment is recommended by the Committee on University Broadcasting and is to fill the vacancy created by the resignation of former Director Robert B. Hudson. Mr. Schooley has a long record of service to the University. He has been for many years Manager of W I L L and W I U C - F M. He has held almost every position of responsibility and honor in the National Association of Educational Broadcasters and is now serving as Treasurer of that Association. Last year he also served as Director of the Kellogg Project and was Executive Secretary of the National Association of Educational Broadcasters. During Mr. Hudson's leaves of absence, Mr. Schooley took over the responsibilities of the directorship.

On motion of Mr. Nickell, this appointment was approved.

APPOINTMENTS TO THE 1954 SUMMER SESSION STAFF

(8) I submit recommendations for appointments to the faculty for the 1954 summer session. The appointments and the budget provide for an eight-week session at Urbana-Champaign and at the Chicago Undergraduate Division, beginning June 18 and continuing through August 14.

Salaries of members of the faculty recommended for appointments to the summer session staff are computed on the basis of two-ninths of the salary of the academic year for two months of summer service in accordance with the terms of employment of the academic staff as authorized by the Board of Trustees.

The budget totals $465,845 for Urbana-Champaign, including a reserve of $11,953 to be assigned on recommendation of the Dean of the Summer Session in terms of enrollment demands, and $87,000 for Chicago, including a reserve of $7,225 to be assigned on recommendation of the Dean of the Undergraduate Division.

The proposed 1954 summer session budget total is the same as the 1953 budget.

I recommend that the appointments to the summer session staff and the reserve for unassigned salaries be approved as submitted and that the President of the University be authorized to accept resignations and to make such changes, adjustments, and additional appointments as are necessary in accordance with the needs of the University and within estimated income.

On motion of Mrs. Watkins, these appointments were approved and authority was given as requested.

REORGANIZATION OF DIVISION OF COMMUNICATIONS

(9) Dean Wilbur Schramm of the Division of Communications has asked to be relieved of his duties as Dean so that he may devote his time more fully to research and teaching. This Division was established on July 1, 1950, to include the following University agencies:

1. University Press — supervisory
2. School of Journalism and Communications, as reorganized — supervisory
3. Broadcasting — supervisory
4. Institute of Communications, as reorganized (now Institute of Communications Research) — supervisory
5. Visual Communications, as reorganized — supervisory
6. Library School — supervisory
7. Athletic Association — supervisory in communications only
8. University of Illinois Foundation Illini Achievement Fund — supervisory
9. Alumni Association — supervisory
10. Public Information (now Public Relations) — supervisory
11. Robert Allerton Park — supervisory

The stated purposes of this reorganization were "to increase the efficiency of the President's Office" and to provide "with respect to certain enterprises of great importance . . . the benefit of guidance and assistance from the office of a dean."

In addition to his effective administrative services as Dean of the Division of Communications, Dean Schramm has been responsible for securing many large and important research contracts with both government agencies and foundations and in supervising the work on such contracts.

In actual operation of the Division, however, the following changes have taken place:

1. By agreement of the President, the Dean of the Division, and the Director of Athletics, the relationship of the Dean to the Athletic Association was changed from supervisory to advisory.

2. The Division having fulfilled its assignment to develop Robert Allerton Park as a conference place and meeting center, Allerton House has been transferred to the Division of University Extension, and Robert Allerton Park to the College of Agriculture by recommendation of the Dean of the Division of University Extension.

3. During the current year, 1953-1954, with concurrence of Dean Schramm, direct contacts between the President's Office and the University of Illinois Foundation and the University of Illinois Alumni Association have been restored.

4. It has been found that direct and close liaison between the President and the Public Relations Office is a practical necessity, and on recommendation of Dean Schramm this was reestablished.

5. The Director of the Library School has requested that this School be restored to independent status.

The Institute of Communications Research (which Dean Schramm headed as Director for some time) was established in 1947 and has done much notable work and has attracted widespread attention. It needs to be strengthened and its organization improved.

While the Division of Communications has served a useful purpose and Dean Schramm has given it excellent guidance, the foregoing developments, coupled with his desire to be relieved of the responsibilities of the deanship, have led to a full reconsideration of all phases of its functions and activities. The conclusion is that the Division as a separate administrative unit may be discontinued without impairing the efficiency of its present component parts. Accordingly, Dean Schramm and the heads of the agencies concerned in this proposed reorganization recommend the following changes:

1. The School of Journalism and Communications to be restored to independent status.

2. The Library School to be restored to independent status. (Since the Director of the Library is also Director of the Library School, this does not increase the number of officers reporting to the President.)

3. The Institute of Communications Research to be placed in the Graduate College. It is proposed that Dr. Schramm head the Institute as Director and Professor, at his present salary.

4. The University Press to be restored to independent status with the following provisions:

(a) The general administrative direction will be placed in the Provost acting on behalf of the President.

(b) Policy guidance on scholarly publications will be exercised by the University Press Board, of which the Dean of the Graduate College is ex officio Chairman.

(c) Policy guidance on financial matters will be exercised by the Comptroller.

5. Broadcasting, including visual communications, to be placed under the School of Journalism and Communications, with policy determination by the University Broadcasting Committee, of which the Director of the School will become ex officio Chairman.

6. The Blueprinting and Photographic Laboratory to be placed under the general supervision of the Director of the Physical Plant Department where it formerly was administered.

The net results will be to eliminate the Division of Communications as a separate administrative unit, thereby somewhat reducing administrative overhead and still permit its components to continue functioning satisfactorily.

These changes have been reviewed with all interested parties, including the Provost, the Dean of the Graduate College, and the Executive Committee of the University Council.

I recommend that these changes be approved as of July 1, 1954.

On motion of Mr. Nickell, these recommendations were approved.

CONTRACTS FOR CONSTRUCTION OF THE LAW BUILDING

(10) The Director of the Physical Plant and the Comptroller recommend award of contracts to the following lowest bidders for the construction of the new Law Building:

General — E. N. DeAtley, Champaign	$ 954 880
Electrical — Square Deal Electrical Contracting, Inc., Urbana	157 248
Plumbing — Reliable Plumbing and Heating Company, Champaign	59 870
Heating — Gallaher & Speck, Chicago	75 359
Ventilating — R. H. Bishop Company, Champaign	161 425
Elevators — Gallaher & Speck, Chicago	16 950
	$1 425 732

Alternate bids were taken on an additional bay twenty-four feet wide through the center of the library and office units of this building so that this additional construction could be included in the contracts if the total bids were within the available funds. The Building Committee of the College of Law was of the opinion that from the point of view of long-range planning it was advisable to provide for this additional space. The University Building Program Committee approved the alternate. Since the bids will permit this additional construction within available funds, it has been included in the contracts and the bids as listed.

Funds are available in the state appropriation for construction of the Law Building, subject to release by the Governor, to cover these awards and leave an adequate margin for other expenditures necessary to complete the building.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts.

On joint motion of Messrs. Herrick and Grange, these contracts were awarded, as recommended, and the Comptroller and Secretary of the Board were authorized to execute the same by the following vote: Aye, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Bissell, Mr. Hickman, Mr. Stratton.

CONTRACT FOR CONSTRUCTION OF SANITARY SEWER EXTENSION

(11) The Director of the Physical Plant and the Comptroller recommend award of a contract for $36,463 to the Illiana Construction Company, Urbana, the lowest bidder, for the construction of an extension of the sanitary sewer to the site of the new Law Building.

Funds are available in the state appropriation for construction of this building, subject to release by the Governor.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Nickell, this contract was awarded, as recommended, and the Comptroller and Secretary of the Board were authorized to execute the same by the following vote: Aye, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Bissell, Mr. Hickman, Mr. Stratton.

CONTRACT FOR ELECTRICAL EQUIPMENT IN UTILITY DISTRIBUTION SYSTEM TO SERVE LAW BUILDING AND VETERINARY CLINIC BUILDING

(12) The Director of the Physical Plant and the Comptroller recommend award of a contract of $23,996 to the Northern States Company, Inc., Chicago, the lowest bidder, for the following installations:

Additional switch gear in underground load center No. 8 located at Oak Street and Gregory Drive for a subfeeder cable from load center No. 8 to Law Building and for the transfer of the Stadium subfeeder cable to the new switch gear, all necessary to the provision of electric service to the new Law Building, charged to the appropriation for that building	$18 891
Additional switch gear in underground load center No. 3 north of the Stock Pavilion and for installation of a subfeeder cable from load center No. 3 to the Veterinary Clinic Building, charged to the appropriation for that building	5 105
	$23 996

Funds are available in the state appropriations for these buildings. In the case of the Law Building they are subject to release by the Governor.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Holt, this contract was awarded, as recommended, and the Comptroller and Secretary of the Board were authorized to execute the same by the following vote: Aye, Mr Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Bissell, Mr. Hickman, Mr. Stratton.

CONTRACT FOR EXTENSION OF UTILITIES TO HOME ECONOMICS, VETERINARY CLINIC, AND LAW BUILDING SITES

(13) The Director of the Physical Plant and the Comptroller recommend award of a contract for $176,935 to the George S. Walker Plumbing and Heating Company, Decatur, for the following installations of utilities extensions:

Installation of a 14 inch steam main in the present tunnel along Gregory Drive, from Abbott Power Plant to Euclid Avenue, and for installation of a 6 inch return main from Euclid Avenue to the Library junction, to permit the steam distribution system to carry the additional load of the Home Economics Building, to be charged to the appropriation for this building	$103 380
Steam and electrical conduit from present service lines at the intersection of Peabody Drive and Goodwin Avenue to the Veterinary Clinic Building, charged to the appropriation for that building	40 517
An electric conduit line from Peabody Drive and Goodwin Avenue to the Veterinary Clinic Building, charged to the appropriation for that Building	13 386

Electric conduit along Peabody Drive from First Street to Fourth Street including manholes, to serve the Law Building, charged to the appropriation for the new Law Building..... 19 652

$176 935

Funds are available in the state appropriations for the construction of these buildings. In the case of the Law and Home Economics buildings the funds are subject to release by the Governor.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts.

On motion of Mrs. Holt, this contract was awarded, as recommended, and the Comptroller and Secretary of the Board were authorized to execute the same by the following vote: Aye, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Bissell, Mr. Hickman, Mr. Stratton.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(14) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

Urbana-Champaign

1. University of Illinois Bands, for replacement and acquisition of instruments and for additional shelving.....$10 500
2. Physical Plant Department, for improvement of storm water drainage along east side of Huff Gymnasium and to provide an outlet for draining the swimming pool..... 10 500
3. Illini Union Building, for deficit in 1953-1954..... 10 000
4. For assignment by Chairman of Committee on Nonrecurring Appropriations for minor projects..... 10 000

Chicago Professional Colleges

5. Animal Hospital, for purchase of equipment..... 6 500

Total.....$47 500

I recommend that these appropriations be made from the General Reserve Fund.

On motion of Mr. Grange, these appropriations were made, as recommended, by the following vote: Aye, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Bissell, Mr. Hickman, Mr. Stratton.

LIBRARY BINDING SERVICES

(15) The Board of Trustees on June 22, 1953, authorized a contract with Ernst Hertzberg and Sons, Chicago, Illinois, the lowest bidder, for all University library binding services for two years beginning July 1, 1953. The Burgmeier Book Bindery, Inc., Chicago, also submitted a bid, but on work for the Chicago libraries only.

Ernst Hertzberg and Sons recently reorganized and is now incorporated as Hertzberg-New Method, Inc., and has moved the library binding plant to Jacksonville, Illinois. During the time of moving and reorganization, this Company has found it difficult to service the Chicago libraries properly. They have proposed amendment of the contract to exclude the binding for the two libraries in Chicago, and Burgmeier Book Bindery, Inc., Chicago, has offered to contract for that work on the same terms as those specified in the present contract with Hertzberg-New Method, Inc. Burgmeier has done the Chicago work before and performed very satisfactorily both as to service and quality.

The Director of Purchases, the Director of the University Library, and the Comptroller recommend that the contract with Hertzberg-New Method, Inc., be amended to cover work for the Urbana-Champaign libraries only, and that a contract be awarded to Burgmeier Book Bindery, Inc., for binding service for the Chicago libraries until June 30, 1955, on the same terms as specified in the present contract with Hertzberg-New Method, Inc.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these agreements.

On motion of Mrs. Holt, this recommendation was approved and the Comptroller and the Secretary of the Board were authorized to execute the necessary agreements.

CONTRACT FOR DISPENSING COUNTERS FOR EAST DENTISTRY-MEDICINE-PHARMACY BUILDING

(16) The Business Manager of the Chicago Colleges and the Comptroller, with the concurrence of the Chairman of the Administrative Committee for the Chicago Professional Colleges and the Director of the Physical Plant, recommend award of a contract for $28,961 to the Reliance Cabinet Company, Chicago, the lowest bidder, for fabricating fifty-five dispensing counters for the East Dentistry-Medicine-Pharmacy Building.

Plans for this building call for eighty-four counters but the specifications were broken down into twenty-nine units and fifty-five units to permit flexibility since at the time construction contracts were awarded it was not certain that sufficient funds would be available to complete the building. The Reliance Cabinet Company was lowest bidder on both proposals and was awarded the contract for the first twenty-nine of the dispensing counters.

As a result of adjustments and economies at other points of construction, funds are available to purchase the remaining fifty-five counters. The Reliance Cabinet Company is willing to fabricate the additional fifty-five counters on the basis of its original lowest bid of $28,961 submitted in February, 1952. The advantages of awarding the contract to this Company are that (a) all the counters will be in the same finish and will match, and (b) this Company having the dies can make delivery within two months so that all the counters can be installed by the plumbing contractor before he moves out of the building. If new bids are taken on the additional counters it will undoubtedly result in a higher cost because there have been two wage increases for cabinet makers in the industry since the original bids were received and another increase is expected. Moreover, if the counters are not delivered before the plumbing contractor finishes his other work and leaves the building the installation cost will be higher.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was awarded and the Comptroller and the Secretary of the Board were authorized to execute the same.

CHANGE IN MILITARY DEPOSIT REQUIREMENT

(17) On April 19, 1951, the Board of Trustees approved a number of changes in student fees, including the discontinuance of the requirement of a military deposit of $10 to insure the return of military equipment. In lieu of this requirement, officers in the Armed Forces were directed to report a grade of "E" in each case where military equipment is not returned or payment is not made for shortages at the close of the academic year.

The Committee on Military Affairs has advised the President that the practice of recording a grade of "E" in such cases is no more justified than giving a failing grade in any other course as a penalty for unpaid indebtedness to the University. It recommends that students in such cases be dealt with under existing rules applicable to students having an indebtedness to the University, i.e., that they not be allowed to register and that transcripts of their records not be furnished until the indebtedness is cleared. The Committee further recommends that the Armed Forces be authorized to record a grade of "Incomplete" for students in such cases, which grade will be changed when the indebtedness is cleared.

This is an internal administrative matter and the change is being authorized, but since it is related to a former action of the Board of Trustees, I am reporting it as a matter of record.

On motion of Mr. Nickell, the action of the President was confirmed.

SPECIAL BANK ACCOUNTS FOR GOVERNMENT CONTRACT RESEARCH

(18) In order to expedite payments from the government on contract research, two special cash accounts have been arranged by the Office of Naval Research and the Air Force at the First National Bank of Chicago. Cash advances have been deposited in these accounts by these two agencies in the amounts of $300,000 and

$400,000 respectively. At the close of each month, amounts approximating expenditures for that period on the contracts involved are promptly transferred from these special accounts and deposited in the C. W. Weldon, Treasurer of the University, account in the same bank. Reimbursement vouchers against the government for the exact amount of the expenditures for the period, plus indirect costs, are prepared at this time by the Business Office, when information is available, and are then audited by government auditors, and checks in payment thereof are prepared by government finance officers. These checks are deposited in the special accounts described above.

Such procedure speeds up the reimbursement process by several weeks and thus provides working capital to the University to finance such research programs. Although these special accounts are in fact made up of government funds and the University has no direct financial interest in them, the procedure, as set up, provides that checks drawn in favor of the University are deposited in them.

In order to give the First National Bank of Chicago authority to accept checks in favor of the Board of Trustees for deposit in the special bank accounts, University Treasurer Weldon has suggested the execution of a resolution and a power of attorney by the Board of Trustees, authorizing the bank to accept these deposits in such accounts. The Comptroller recommends that this authorization be given and that the following resolution and power of attorney, the form of which has been approved by the Legal Counsel, be approved:

Resolution

Resolved, that the Board of Trustees of the University of Illinois does hereby name the First National Bank of Chicago as attorney for and on behalf of this Board of Trustees to receive, indorse, and collect and to give full discharge for such checks as are payable to the order of this Board of Trustees, are drawn on the Treasurer of the United States, and are issued in connection with research work in which the University of Illinois is engaged for the Department of the Navy and the United States Air Force, provided, however, that this authority is limited to checks on which, or on the vouchers accompanying which, there is indicated the special bank account of the University of Illinois with said attorney in which such checks are to be deposited.

Be It Further Resolved, that A. J. Janata, Secretary, and H. O. Farber, Comptroller of this Board of Trustees, are empowered to execute in the name and on behalf of this Board of Trustees a power of attorney substantially in the form attached hereto, appointing said the First National Bank of Chicago as such attorney for the purpose above expressed.

This Board of Trustees hereby ratifies and confirms all that may be lawfully done by virtue hereof.

Power of Attorney

KNOW ALL MEN BY THESE PRESENTS, that the Board of Trustees of the University of Illinois, Urbana-Champaign, Illinois, does hereby appoint the First National Bank of Chicago, of 38 South Dearborn Street, Chicago, Illinois, as attorney for this Board of Trustees, to receive, indorse, and collect and to give full discharge for checks payable to the order of this Board of Trustees drawn on the Treasurer of the United States, issued in connection with research work in which the University of Illinois is engaged for the Department of the Navy and the Department of the Air Force; provided, however, that since on each such check or on the voucher accompanying the same there is indicated the bank account with said bank in which such check is intended for deposit, the indorsement which our said attorney is hereby authorized to place on such checks is limited to whichever of the following indorsements is indicated and each such check shall be deposited in the bank account specified in such indorsement:

Pay to the order of
THE FIRST NATIONAL BANK OF CHICAGO
For deposit in
University of Illinois Navy Special Pool Bank Account
The Board of Trustees of the University of Illinois

Pay to the order of
THE FIRST NATIONAL BANK OF CHICAGO
For deposit in
University of Illinois Air Force No. 1 Special Bank Account
The Board of Trustees of the University of Illinois

The authority herein conferred shall apply to any and all checks such as are above described, dated within one year from the date hereof. This Board of Trustees hereby ratifies and confirms all that their said attorney shall lawfully do by virtue hereof.

This Power of Attorney is not given to carry into effect an assignment to the attorney or to any person, firm, or corporation, of the right of this Board of Trustees to receive the above described payments.

WITNESS the signature and seal of this Board of Trustees this 22nd day of April, 1954.

THE BOARD OF TRUSTEES OF THE
UNIVERSITY OF ILLINOIS
By: H. O. FARBER, *Comptroller*
A. J. JANATA, *Secretary*

On motion of Mrs. Holt, this resolution was adopted and authority was given as recommended.

GRANT FROM FORD FOUNDATION FOR MID-WEST SEMINAR ON UNITED STATES FOREIGN POLICY

(19) The Ford Foundation has made a grant of $15,500 to the University of Illinois for a Mid-West Seminar on United States Foreign Policy, to be held at Robert Allerton Park, June 27 to July 3, 1954.

This is to be the first of what is hoped will be a four-year program of seminars on United States Foreign Policy. The project has had the endorsement of the presidents of the Universities of Minnesota, Wisconsin, Michigan, and Illinois and is sponsored by an all Inter-University Committee representing them. The other three seminars, if held, will be in the summers of 1955, 1956, and 1957 at the other participating universities. Professor Royden D. Dangerfield, Director of the Institute of Government and Public Affairs, is the University of Illinois representative on this Committee.

I have accepted the funds for this purpose and report it for record. I have expressed to the Ford Foundation appreciation on behalf of the Board of Trustees and other University officials for this grant.

On motion of Mrs. Watkins, the action of the President was confirmed.

ANNUAL REPORT OF THE TREASURER

(22) In accordance with Article VI, Section 4, of the By-Laws of the Board of Trustees, the Treasurer of the University has submitted a report of receipts and disbursements of University funds for the period March 1, 1953, through February 28, 1954, certified by the Comptroller.

This report was received for record.

PURCHASE OF COAL FOR CHICAGO DEPARTMENTS

(23) The Director of the Physical Plant, the Business Manager of the Chicago Colleges, and the Comptroller recommend award of a contract to the Hoskins Coal and Dock Corporation, owners of Eureka Coal Company, Chicago, the lowest bidder, for 16,000 tons of screenings coal to be delivered to the Medical Center Steam Company Plant, which is operated by the University, as required during the period August 1, 1954, to June 30, 1955, at a price of $3.60 f.o.b. mine plus freight charges of $1.64 per ton plus a charge of $1.32 per ton for handling and delivery, a total of $6.56 per ton and a total estimated cost of $104,960. The price is based on the present wage scale and is subject to increase or decrease in the event that wage contracts now in effect are changed so that any such change will affect the price of the coal to the extent that production costs are increased or decreased. The University has the right of approval for any such increase in cost.

The lowest bid is determined by the number of British Thermal Units per one cent of cost based on guaranteed analysis. A continuous check at the Power Plant is maintained to insure compliance with specifications.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract subject to approval by the Governor as required by the state constitution.

On motion of Mrs. Watkins, this contract was awarded, as recommended, and the Comptroller and the Secretary of the Board were authorized to execute the same.

FUNDS FOR CHAPEL AT RESEARCH AND EDUCATIONAL HOSPITALS

(24) The University of Illinois Foundation has raised a fund, at present totaling $19,799.95, through contributions from private donors for constructing and furnishing a nonsectarian chapel in the Research and Educational Hospitals. The fund is now offered to the University, to be used in accordance with the Univer-

[1] Deduct.

sity's business procedures, for the necessary alterations in the building to make the chapel possible and for equipment and furnishings. It is expected that special contributions for the chapel for specific items, such as memorial windows, will be forthcoming, and the Foundation proposes to accept such additional funds and to turn them over to the University so long as no conditions are imposed which would conflict with University policies.

I recommend acceptance of this fund for the purpose indicated and that the Board authorize acceptance of any additional contributions which the Foundation may receive for this project.

On motion of Mr. Nickell, this recommendation was approved and authority was given as requested, provided that the chapel shall not be used in any way which may be in conflict with laws or constitutional provisions relating to religious services in public buildings.

GRANTS FROM THE ROCKEFELLER FOUNDATION

(25) The Rockefeller Foundation of New York has made the following grants to the University of Illinois:

1. For fundamental research in experimental biology, under the direction of Professor Glenn W. Salisbury, Head of the Department of Dairy Science, $100,000. This fund will be made available during a six-year period beginning April 1, 1954, with the provision that up to $20,000 may be used in any one year.

2. For research on the biochemistry of insects, under the direction of Professor Clyde W. Kearns of the Department of Entomology, $75,000. This fund will be made available during a five-year period beginning September 1, 1954, with the provision that up to $20,000 may be used in any one year.

These grants have been offered with the provision that if at any time either of the professors mentioned ceases to be in active direction of the research program which is being supported, there shall be no commitment on the part of the Foundation for more than one year thereafter and the situation will be reviewed by the Foundation and the University.

I have accepted these grants in accordance with these conditions.

This report was received for record.

INTERIM PROGRESS REPORT OF THE COMMITTEE ON FUTURE DEVELOPMENT OF THE CHICAGO UNDERGRADUATE DIVISION

(26) The President presented an interim report of the Committee on Future Development of the Chicago Undergraduate Division, and copies of correspondence he has had on this subject with the presidents of universities in Chicago. Copies of these documents have been filed with the Secretary of the Board for record.

CONTRACT WITH OZARK AIR LINES FOR USE OF THE UNIVERSITY OF ILLINOIS AIRPORT

(27) The contract of the University with Ozark Air Lines for the use of the University of Illinois Airport, authorized by the Board of Trustees on July 25, 1951, expired June 30, 1953. Discussions relating to the provisions of a new contract have been carried on by the officials of the company, the Director of the Institute of Aviation, and the Comptroller in accordance with the instructions of the Board of Trustees (Minutes of July 25, 1953, page 778). The financial items of the contract are as follows:

1. Landing fees, present contract — $50 per schedule (one landing per day per month).
2. Rental of office space is at present $75 per month. The University has recently complied wtih the request of the company for rearrangement and remodeling to provide better facilities. This cost approximately $2,450 with University labor being about two-thirds of the cost. The remainder was material.
3. Payment of the salary of an additional lineman at $285 per month. (Ozark has the option of supplying the service and assuming the cost directly. No special problem is involved.)
4. Gasoline sales at cost plus handling charge of 4 cents per gallon. (No change proposed. This charge was reduced 1 cent per gallon by mutual agreement on July 1, 1953.)

The only serious question which has arisen is with respect to the landing fee. Originally this was on the basis of $100 for each of the first two schedules, $50

for the next four schedules, and $25 for the remaining. Since 1951 it has been on the basis of $50 per schedule.

The University has taken the position that the landing fee charged should be adequate to recover any direct expenses caused by the use of the University Airport by Ozark Air Lines. Ozark protests this basis of computing the fee. There is an attempt to place landing fees at other stations served by similar airlines on a percentage (2 per cent) of the "on line" revenue, not including mail and cargo revenues, collected at the station. This move is fostered by some feeder lines, including Ozark, and by one member of the Civil Aeronautics Board as a means of reducing the landing fee costs which must be paid by the airlines. The principle behind this reduction is the belief that municipalities served by airlines should assist in subsidizing the airline operation by charging lower landing fees at municipally-owned airports. Based on 2 per cent, landing fees paid to the University would vary from $100 to $125 a month depending on Ozark's sales.

The University has taken the position that its Airport is not similar to a municipally-owned airport and that it can not pay from funds appropriated by the state for the operation of the University items of expense which are incurred as a result of the use of the Airport by Ozark Air Lines.

University representatives have carefully examined such expenses and have concluded that a fee of $45 per flight per month will be required to meet the direct expenses caused by Ozark's use of the Airport. If Ozark will agree to provide the University with a carbon copy of the weather reports which Ozark receives, the University could allow a credit of $5 a flight per month which will place the proposed landing fee on the basis of $40 per month per flight. While individual items which make up the total costs may vary from year to year, in total the payment of $40 per month per flight is the minimum which University representatives believe is necessary to recover out-of-pocket expenses because of this operation. On the basis of twelve flights this proposed rate would mean an income of $540 a month with the University allowing a credit of $60 a month for the weather reports. The University's position has been discussed with representatives of the two local Chambers of Commerce and no objections have been raised.

It should be noted that Ozark has continued throughout this operation to be slow in the payment of the amounts which are due to the University. As of April 1, 1954, Ozark owed to the University $5,238 for services rendered and gasoline purchased as early as December, 1953. In spite of repeated follow-ups by the Business Office, it has been impossible to get this account on a current basis.

The Director of the Institute of Aviation and the Comptroller recommend that after review of the costs to be charged, Ozark Air Lines be given thirty days notice that it must discontinue using the University of Illinois Airport unless it (a) agrees to payment of a landing fee determined on the basis of costs, and (b) places payment of amounts due on a current basis.

I concur and recommend this action.

Representatives of the Ozark Air Lines having requested a hearing on this matter, Messrs. Laddie Hamilton, President, Paul J. Rodgers, Executive Assistant to the President, and Dean Holsher, District Sales Manager, all of Ozark Air Lines, appeared before the Board and made statements in support of their request for further reductions in charges to be made for the use of the Airport. Director L. A. Bryan of the Institute of Aviation also made a statement.

At the conclusion of these presentations, on motion of Mr. Johnston the Board voted approval of the recommendation made by the University officers.

CANCELLATION OF SABBATICAL LEAVE OF ABSENCE

Peter E. Yankwich, Assistant Professor of Physical Chemistry, who was granted a sabbatical leave of absence during the second semester of 1954-1955, subsequently found it necessary to withdraw his request and his leave has been cancelled without prejudice. The Secretary has so indicated in the minutes of the meeting of March 20, 1954, at which time the leaves were granted.

SECRETARY'S REPORTS

The Secretary presented for record the following lists: (1) appointments made by the President; (2) graduate fellows; (3) resignations and declinations; (4) leaves of absence.

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parentheses is the date on which the appointment was made by the President of the University. C = College; S = Station; E = Extension.)

ALTENBERND, AUGUST L., Instructor in English, for the academic year beginning September 1, 1954, $4300 (3-17-54).

ANASTOPOULOS, VASILIOS (BASIL), Instructor in Parasitology, in the College of Medicine, on one-half time, six months beginning March 1, 1954, $2250 a year, supersedes (3-24-54).

AUGENSTINE, LEROY G., Research Associate in the Control Systems Laboratory (S), on three-fourths time, six months beginning March 1, 1954, $3120 a year, supersedes (3-23-54).

BOYER, MILDRED V., Assistant in Spanish, nine months beginning September 16, 1954, $3500 (3-12-54).

BRENNAN, JAMES F., Research Assistant in Electrical Engineering (S), six months beginning March 1, 1954, $4000 a year, supersedes (4-1-54).

BYERS, FRANKLIN H., Research Assistant to the Committee on Admissions from Secondary Schools, seven months beginning February 1, 1954, $4500 a year, supersedes (3-23-54).

CASTILLO, FORTUNATO, Research Assistant in Psychiatry, in the College of Medicine, six months beginning March 1, 1954, $3900 a year, supersedes (3-27-54).

CICIRELLI, VICTOR G., Instructor in the University High School, on one-fourth time, March 1-June 4, 1954, $372.94 for the period (3-30-54).

CLINEBELL, PAUL W., Instructor in Civil Engineering (C), for the academic year beginning September 1, 1954, $4200 (3-22-54).

COLE, ROBERT H., Research Assistant Professor of Marketing, June 25-August 25, 1954, $1156; this is in addition to his present appointment (3-23-54).

FLOBERG, FREDERIC O., Lecturer in Legal Medicine, with rank of Assistant Professor, in the College of Medicine, eight months beginning January 1, 1954, without salary (3-12-54).

FRAUENFELDER, HANS, Research Assistant Professor of Physics (C), six months beginning March 1, 1954, $6600 a year, supersedes (3-16-54).

FRIEDBERG, ARTHUR L., Research Assistant Professor of Ceramic Engineering (S), six months beginning March 1, 1954, $6100 a year, supersedes (3-18-54).

GAULT, IRVING G., Instructor in Full and Removable Partial Dentures in the College of Dentistry, and Prosthodontist to the Cleft Palate Training Program and Center in the Division of Services for Crippled Children, on 30/100 time, six months beginning March 1, 1954, $1500 a year (3-24-54).

GILLETTE, ROY J., Assistant Professor of Histology, in the College of Dentistry, five months beginning April 1, 1954, $6000 a year, supersedes (4-1-54).

HAKMAN, NATHAN, Research Assistant in the Institute of Communications Research, March 1-June 15, 1954, $322.22 a month (3-10-54).

HAMEROW, THEODORE S., Instructor in History, for the second semester of the academic year 1953-1954 beginning March 1, 1954, $2850, supersedes (3-24-54).

HANSEN, ROBERT C., Research Associate in Electrical Engineering (S), six months beginning March 1, 1954, $5280 a year, supersedes (3-12-54).

HARDY, MRS. HANORIA, Assistant in Pediatrics, in the College of Medicine, eight months beginning January 1, 1954, without salary (3-23-54).

HOOK, J. N., Professor of English in the College of Education and in the College of Liberal Arts and Sciences, on one-third time, six months beginning March 1, 1954, to render service during the second semester of the academic year, $2083 a year, supersedes (3-27-54).

KANE, EVAN O., Research Associate in Physics (C), one year beginning September 1, 1954, $5100 (4-1-54).

KELLY, THOMAS L., Research Associate in Chemistry, in the Graduate College, January 21-August 20, 1954, $4200 a year (3-27-54).

KIRSCHBAUM, ARTHUR, Professor of Anatomy and Head of the Department, in the College of Medicine, on indefinite tenure beginning March 1, 1954, $12,000 a year, supersedes (3-10-54).

KOBAYASHI, KOICHI, Research Associate in Physics (C), one year beginning September 1, 1954, $5100 (3-12-54).

KOSMAN, MARY ELLEN, Research Associate in Psychiatry, in the College of Medicine, six months beginning March 1, 1954, $4100 a year, supersedes (3-23-54).

KRUZE, VILIS, Instructor in Pediatrics, in the College of Medicine, three months beginning June 1, 1954, $4000 a year (3-12-54).

LARY, BANNING G., Clinical Instructor in Surgery, in the College of Medicine, five months beginning April 1, 1954, without salary (3-23-54).

LING, GILBERT, Assistant Professor of Neurophysiology, in the College of Medicine, six months beginning March 1, 1954, $6400 a year, supersedes (3-23-54).

LYON, MARY FRANCES, Assistant in Pediatrics, in the College of Medicine, one year beginning September 1, 1954, without salary (4-9-54).

MANKUS, RICHARD E., Flight Instructor in the Institute of Aviation, June 15-August 31, 1954, $6000 a year (4-1-54).

MCDERMOTT, RAYMOND A., JR., Clinical Assistant in Obstetrics and Gynecology, in the College of Medicine, March 15-August 31, 1954, without salary (3-23-54).

MCNICKLE, MRS. COLETTE M., Research Assistant in Chemistry, in the Graduate College, February 15-July 31, 1954, $3300 a year (3-27-54).

MEDAK, HERMAN, Instructor in Pathology, in the College of Dentistry, on one-half time, five months beginning April 1, 1954, $3000 a year (4-5-54).

MIKKELSEN, ROBERT S., Assistant in English, nine months beginning September 16, 1954, $2700 (3-17-54).

MINKLER, MARCUS W., Instructor in Physics, in the Chicago Undergraduate Division, for the second semester of the academic year 1953-1954 beginning February 1, 1954, $2300 (3-16-54).

MOHR, GEORGE, Clinical Professor of Psychiatry, in the College of Medicine, on one-fourth time, six months beginning March 1, 1954, $3000 a year, supersedes (3-27-54).

MOORE, WARD W., Instructor and Research Associate in Animal Science (C and S), five months beginning April 1, 1954, $5000 a year, supersedes (3-24-54).

NEHLS, EDWARD, Instructor in English, for the academic year beginning September 1, 1954, $4200 (3-17-54).

NEWTON, C. RITA, Instructor in Education, on one-fourth time, for the second semester of the academic year 1953-1954 beginning March 1, 1954, $550 (3-12-54).

NICKLAS, DOUGLASS R., Research Associate in Psychology, in the Graduate College, on one-half time, March 2-August 31, 1954, $3000 a year (3-15-54).

OSBORNE, JAMES W., Research Associate in the Control Systems Laboratory, on one-fourth time, six months beginning March 1, 1954, $1040 a year, supersedes (3-12-54).

PEART, ROBERT M., Instructor in Agricultural Engineering (C), five months beginning April 1, 1954, $5000 a year (4-2-54).

PERLIS, IRWIN B., Research Assistant in Botany, in the Graduate College, four months beginning March 1, 1954, $3300 a year, supersedes (3-12-54).

PULOS, PETER, Clinical Assistant in Medicine, in the College of Medicine, six months beginning March 1, 1954, without salary (4-9-54).

RIFT, LEO R., Serial Cataloger, with rank of Instructor, in the Library, May 14-August 31, 1954, $4000 (4-1-54).

ROYER, WARREN L., Extension Specialist in Audio-Visual Aids, in the Division of University Extension, six months beginning March 1, 1954, $4200 a year (3-16-54).

RUDMAN, HERBERT C., Instructor in Education, on three-fourths time, for the second semester of the academic year 1953-1954 beginning March 1, 1954, $3300 a year, supersedes (3-12-54).

SCHAD, CAROL JEAN, Instructor in Occupational Therapy, in the College of Medicine, March 22-August 31, 1954, $4200 a year (3-23-54).

SCHILD, DONALD T., Assistant Extension Editor with rank of Instructor, in the Extension Service in Agriculture and Home Economics, seven months beginning February 1, 1954, $6000 a year, supersedes (3-12-54).

SCHNEIDER, ROBERT L., Instructor in English, for the academic year beginning September 1, 1954, $4000 (3-17-54).

SCOTT, MERRILL B., Research Associate in Physics (S), on three-fourths time (on Y basis), and Instructor in Physics (C), on one-fourth time, to render service during the second semester of the academic year, six months beginning March 1, 1954, $5100 a year, supersedes (3-12-54).

SLOTHOWER, WILLIAM R., Instructor in Education, for the second semester of the academic year 1953-1954, beginning March 1, 1954, $1050; this is in addition to his present appointment (4-8-54).

SMITH, LYMAN J., Instructor in Education, on one-half time, for the second semester of 1953-1954 beginning February 1, 1954, $1000 (4-1-54).

SPERBER, MRS. MIRIAM, Clinical Counselor in the Student Counseling Bureau, two months beginning July 1, 1954, $400 a month; this is in addition to her present appointment (4-8-54).

SUCHMAN, JOSEPH R., Assistant Professor of Child Development (Home Economics) (C), on three-fourths time, and Counselor in the Student Counseling Bureau, on one-fourth time, six months beginning March 1, 1954, to render service during the second semester of the academic year, $4500 a year, supersedes (3-27-54).

SWOISKIN, BERNARD L., Instructor in Orthodontia, in the College of Dentistry and in the Division of Services for Crippled Children, on two-fifths time, six months beginning March 1, 1954, $2000 a year (3-24-54).

THOMAS, GARTH J., Research Associate in Psychiatry, in the College of Medicine, March 15-August 31, 1954, $7000 a year (3-30-54).

VALENTA, M. W., Research Assistant in Physics (C), on one-half time March 1-June 15, 1954, and on full time June 16-August 15, 1954, $3600 a year (3-23-54).

WALLACE, ROBERT C., Instructor in Education in the University High School, on one-fourth time, March 1-June 4, 1954, $1000 a year; this is in addition to his present appointment (3-27-54).

WEIDER, STANLEY R., Research Assistant in Histology, in the College of Dentistry, five months beginning April 1, 1954, $5000 a year (4-1-54).

WETZEL, HUBERT J., Instructor in Agricultural 4-H Club Work (E), seven months beginning February 1, 1954, $5500 a year, supersedes (3-12-54).

WHITE, CLARENCE E., Instructor in Agricultural Extension (C), four months beginning March 1, 1954, $4116 a year (4-1-54).

WYSONG, JOHN N., Assistant in English, nine months beginning September 16, 1954, $2700 (3-17-54).

GRADUATE FELLOWS

(The following appointments made by the Dean of the Graduate College were approved on March 23, 1954, except where otherwise indicated in parentheses.)

Accountancy

KEHE, DONALD W., Fellow, nine months beginning September 16, 1954, $900.

MOORE, GUY S., Fellow, nine months beginning September 16, 1954, $900.

Aeronautical Engineering

WHITTENBURY, CLIVE G., Fellow, nine months beginning September 16, 1954, $900.

Agricultural Economics

BELL, ROBERT D., Jessie Ellars Hackett Fellow, nine months beginning September 16, 1954, $900 (4-2-54).

BEVAN, ROLAND C., Wright Fellow, nine months beginning September 16, 1954, $1000 (4-2-54).

CAPSTICK, DANIEL F., Wright Fellow, nine months beginning September 16, 1954, $1000 (4-2-54).

DALRYMPLE, DANA G., Jessie Ellars Hackett Fellow, nine months beginning September 16, 1954 (4-2-54).

JONES, BILLY H., Fellow, nine months beginning September 16, 1954, $1000.

PAK, KI HYUK, Booth Fellow, June 16, 1954-January 31, 1955, $920 (4-2-54).

PIROUZBAKHT, JAVAD, Booth Fellow, nine months beginning September 16, 1954, $1100 (4-2-54).

TAUTE, EARL R., Jessie Ellars Hackett Fellow, nine months beginning September 16, 1954, $900 (4-2-54).

TSUI, TIAN-TORNG, Wright Fellow, nine months beginning September 16, 1954, $900 (4-2-54).

TUNG, SHIAN YUNG, Wright Fellow, nine months beginning September 16, 1954, $900 (4-2-54).

Agronomy

BALBA, ABD EL MONEM, Booth Fellow, nine months beginning September 16, 1954, $1000 (4-2-54).
JACOBS, DONALD G., Wright Fellow, nine months beginning September 16, 1954, $900 (4-2-54).
KERMICLE, PAUL D., Fellow, nine months beginning September 16, 1954, $900.
SCHUMANN, EDWARD R., Fellow, nine months beginning September 16, 1954, $900.

Animal Science

BAKER, CONSTANCE MARGARET A., Wright Fellow, nine months beginning September 16, 1954, $900 (4-2-54).
DOOLITTLE, DONALD P., Fellow, nine months beginning September 16, 1954, $900.
GRIMINGER, PAUL, Fellow, nine months beginning September 16, 1954, $1100.
LANE, MALCOLM D., Fellow, nine months beginning September 16, 1954, $1000.
VAUGHAN, DAVID A., Fellow, nine months beginning September 16, 1954, $1100.

Art

KIM, PO-HYUN, Fellow, nine months beginning September 16, 1954, $900.

Bacteriology

ARONSON, ARTHUR I., Fellow, nine months beginning September 16, 1954, $1000.
RAO, M. R. RAGHAVENDRA, Fellow, September 16, 1954-January 31, 1955, $550.
SMITH, MILDRED M., Fellow, nine months beginning September 16, 1954, $900.

Botany

CHAO, CHUAN-YING, Fellow, nine months beginning September 16, 1954, $1000.
HUNTER, EMILIE I., Fellow, nine months beginning September 16, 1954, $1000.
RICHARDSON, DEWAYNE L., Fellow, nine months beginning September 16, 1954, $1100.
WARREN, ALICE, Fellow, nine months beginning September 16, 1954, $1000.

Business

MUELLER, FRED J., Fellow, nine months beginning September 16, 1954, $1000.
ROSENZWEIG, JIM, Fellow, nine months beginning September 16, 1954, $1000.

Ceramic Engineering

BROWN, RAYMOND J., Edward Orton, Jr. Ceramic Foundation Fellow, September 16, 1954-January 31, 1955, $700.

Chemistry and Chemical Engineering

ADAMCIK, JOE A., Fellow in Chemistry, nine months beginning September 16, 1954, $1250 (4-2-54).
ARNHEIM, JOANNE, General Electric Company Fellow in Chemistry, nine months beginning September 16, 1954, $1400 (4-2-54).
BARD, YONATHAN, Fellow in Chemical Engineering, nine months beginning September 16, 1954, $900.
BENSON, KENNETH A., Pittsburgh Consolidation Coal Company Fellow in Chemical Engineering, nine months beginning September 16, 1954, $1500 (4-2-54).
BRINK, IRWIN J., Firestone Tire and Rubber Company Fellow in Chemistry, nine months beginning September 16, 1954, $1500 (4-2-54).
CRAWFORD, ROBERT J., Fellow in Chemistry, nine months beginning September 16, 1954, $1250 (4-2-54).
CROVETTI, ALDO J., JR., Parke, Davis and Company Fellow in Chemistry, nine months beginning September 16, 1954, $1600 (4-8-54).
DAWKINS, GEORGE S., Ethyl Corporation Fellow in Chemical Engineering, nine months beginning September 16, 1954, $1500 (4-5-54).
DEYOUNG, EDWIN L., Minnesota Mining and Manufacturing Company Fellow in Chemistry, nine months beginning September 16, 1954, $1400 (4-2-54).
DIX, JAMES S., Fellow in Chemistry, nine months beginning September 16, 1954, $1000 (4-2-54).
DUNBAR, J. E., Standard Oil Co. of California Fellow in Chemistry, nine months beginning September 16, 1954, $1500 (4-2-54).

EBY, ROBERT N., Shell Oil Company Fellow in Chemical Engineering, nine months beginning September 16, 1954, $1500 (4-2-54).

FLYNN, EDMUND W., Rohm and Haas Fellow in Chemistry, nine months beginning September 16, 1954, $1500 (4-2-54).

FRASER, ROBERT R., Fellow in Chemistry, nine months beginning September 16, 1954, $1250 (4-2-54).

GIBBS, HUGH, Dow Chemical Company Fellow in Chemistry, nine months beginning September 16, 1954, $1800 (4-2-54).

GILMOUR, HUGH S. A., Postdoctoral Fellow in Chemistry, March 1-June 15, 1954, $316.67 a month (3-23-54).

GOLDKAMP, ARTHUR H., Fellow in Chemistry, nine months beginning September 16, 1954, $1000.

GRIFFIN, GARY W., Union Carbide and Carbon Corporation Fellow in Chemistry, nine months beginning September 16, 1954, $2100 (4-2-54).

HAY, ALLAN S., Fellow in Chemistry, September 16, 1954-January 31, 1955, $550.

HESS, EARL H., Socony-Vacuum Laboratories Fellow in Chemistry, nine months beginning September 16, 1954, $2350 (4-2-54).

HORWITZ, EARL P., Fellow in Chemistry, nine months beginning September 16, 1954, $1000.

JONES, PAUL R., Allied Chemical and Dye Corporation Fellow in Chemistry, nine months beginning September 16, 1954, $1500 (4-2-54).

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

May 15, 1954

The May meeting of the Board of Trustees of the University of Illinois was held in the Illini Union Building, Urbana, Illinois, on Saturday, May 15, 1954, beginning at 11:00 a.m., Central Daylight Saving Time.

The following members were present: Mr. Cushman B. Bissell, Mr. Wirt Herrick, Mr. Robert Z. Hickman, Mrs. Doris S. Holt, Mr. Wayne A. Johnston, Mr. Park Livingston, Mr. Herbert B. Megran, Mr. Vernon L. Nickell, and Mrs. Frances B. Watkins. Mr. Harold E. Grange and Governor William G. Stratton were absent.

Also present were President Lloyd Morey, Provost Henning Larsen, Mr. Ralph F. Lesemann, Legal Counsel, Mr. J. F. Wright, Director of Public Relations; and the officers of the Board, Messrs. H. O. Farber, Comptroller, C. W. Weldon, Treasurer, and A. J. Janata, Secretary.

MEETING OF THE EXECUTIVE COMMITTEE

Preceding the convening of the Board, and on call of the Chairman, a meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the Illini Union Building, Urbana, Illinois, on Saturday, May 15, 1954, beginning at 11:00 a.m.

The following members of the Executive Committee were present: Mr. Herbert B. Megran, Chairman, Mr. Park Livingston, and Mrs. Frances B. Watkins. Also present and participating in the discussion of the business considered by the Committee were the other members of the Board of Trustees, the officers of the University, and the officers of the Board, as recorded above.

AUDIT OF UNIVERSITY ACCOUNTS

At the annual meeting on March 20, 1954, the Board received a report from its Finance Committee reviewing the practice followed by the Board of Trustees for many years of employing certified public accountants to audit the University's financial records. The Committee's report included a recommendation that this practice be continued, and that the firm of Haskins and Sells, Chicago, be retained to audit the accounts for the year 1953-1954. The Board approved this recommendation and referred it to the Executive Committee for implementation and with power to act.

Chairman Megran reported on attempts to secure a conference of the Executive Committee with the State Auditor of Public Accounts, in view of the fact that his office had also made an audit of the University's financial records for the year 1952-1953 and that he may be considering having audits made in the future. The conference has not materialized because it has not been feasible to arrange a mutually satisfactory date, and in the meantime it has become necessary to reach a decision with respect to the proposal to employ Haskins and Sells again.

On motion of Mrs. Watkins, the Executive Committee voted to employ Haskins and Sells to audit the University's accounts for the year 1953-1954, in accordance with the terms and the fees recommended by the Finance Committee (see Minutes of March 20, 1954, pages 1202-3) as reported to and authorized by the Board of Trustees on March 20.

COMMUNICATION FROM LOCAL NO. 698 OF THE AMERICAN FEDERATION OF STATE, COUNTY, AND MUNICIPAL EMPLOYEES

The Secretary presented a letter, dated May 10, 1954, he received from Mr. Sherdie C. Jones, Representative of Local No. 698, American Federation of State, County, and Municipal Employees, requesting for representatives of that organization an appearance before the Board of Trustees to discuss the Union's position with respect to collective bargaining agreements covering six groups of employees.

President Morey commented on this matter and reviewed previous consideration given to requests of the Local for general increases in rates of compensation of employees represented by Local No. 698.

Following a general discussion of the matter, in which all of the Trustees present participated, the Secretary was instructed to inform Mr. Jones that it is the sense of the Board that further negotiations should be carried on at the appropriate administrative level, and that all efforts should be made at this point to resolve these matters within limitations of the budget.

There followed a discussion of the need of increasing salaries and wages of both academic and nonacademic staffs in general and of making adequate provisions for the same in the biennial budget for 1955-1957. President Morey stated that information on the amount of funds required to accomplish such general increases will be supplied along with other recommendations relating to the budget for the next biennium to be submitted to the Board at later meetings. He also stated that consideration is being given to further increases in student fees.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Executive Committee considered the following reports and recommendations submitted by the President of the University.

PATENTABLE DISCOVERIES

(1) The University Patent Committee submits the following recommendations relating to potentially patentable discoveries:

1. Filipin, a new antifungal antibiotic — inventors, David Gottlieb, H. E. Carter, and Alfred Ammann. This new antibiotic has been isolated in crude form from a soil obtained from the Philippine Islands. When grown in certain media, this organism produces an inhibitory substance that prevents the growth of many fungi. The following statement relative to this antibiotic has been made by Professor C. J. Birkeland, Head of the Department of Horticulture, and Messrs. Gottlieb and Carter:

"At this point, even though patents should be applied for, the invention has no practical use. Most antibiotics fail to achieve usefulness from here on. To develop this antibiotic into a potentially useful drug requires intensive facilities and effort which are not available at the University. Normally, about one to two million dollars and two to three years are required for research and development before the utility of such a drug can be established. Even after all that time and effort, such a product may fail. Competition in the antibiotic field is very keen and thousands of materials have been worked with, yet only five of them have proved useful. Since Filipin is strictly an antifungal agent, even if proved useful, it would have only a limited application in medicine. For agricultural purposes, it would have to compete both in utility and price with the many synthetic chemicals which are now available for this purpose.

"The pharmaceutical companies are loathe to do intensive research on drugs over which they have no control; because of the tremendous investment involved in further research, they prefer to investigate and develop their own products. Nonexclusive licenses are usually left on the shelf until someone else develops the drug. Even if the company is granted a free license for pursuing the patent in the name of the University, the general availability of the license to all other companies would deter heavy investment in research on this material. As a result, the antibiotic, Filipin, would not be likely to receive the effort necessary to determine its usefulness to the public."

It is the opinion of the Patent Committee that the interests of the University and the public will be best served by the development of this antibiotic and the securing of a patent, if possible. Accordingly, the Committee recommends that the rights of the University in this development be transferred to the University of Illinois Foundation, upon the following conditions:

a. If it is determined to be advantageous, the Foundation will arrange for a patent application to be filed, and shall attempt to negotiate an agreement with the

Upjohn Company, the concern which financially supported the cooperative research under which Filipin was discovered, whereby that Company will make available the facilities and resources necessary to develop Filipin to a useful drug.

b. Any patents issued on this development will be held by the University of Illinois Foundation, for the benefit of the University and the public, and an exclusive or nonexclusive license for the use of the drug may be granted to the Upjohn Company.

c. The agreement thus negotiated shall provide that, if the drug is developed to the point whereby its sale produces income, a portion of such income, as is agreed upon in advance, shall be returned to the Foundation as a royalty.

d. Net royalty income received by the Foundation, after reimbursement to the Foundation for all expenses incurred in securing and administering the patent, shall be divided between the Foundation and the inventors in proportions that are approved by the Board of Trustees, upon recommendation of the University Patent Committee and the President.

e. If the Foundation is unable to complete an agreement with the Upjohn Company, as provided above, it is authorized to negotiate with any other organization qualified to develop this antibiotic. Under such circumstances, the interests of the Upjohn Company will be recognized.

2. At a meeting of the Board of Trustees on February 18, 1954, the University Patent Committee recommended to the Board that the rights to a discovery of a new type of antenna which has the possibility of being useful as a television receiving antenna developed by Douglas E. Royal, Research Associate in Electrical Engineering, be released to the inventor. The Board deferred action on this invention and requested that the University Patent Committee give it further consideration. Accordingly, the Committee asked the Department of Electrical Engineering to restudy this discovery and the Committee now recommends that the invention be referred to the University of Illinois Foundation with the request that patent attorneys and representatives of industry study the invention to ascertain its commercial possibilities.

I concur in these recommendations.

On motion of Mr. Livingston, these recommendations were approved.

APPROPRIATION FOR UNIVERSITY OF ILLINOIS CITIZENS COMMITTEE

(2) The Secretary of the Board requests a supplementary appropriation of $1,500 for the expenses of the University of Illinois Citizens Committee for the balance of the fiscal year 1953-1954, and that any unexpended balance in this appropriation as of June 30, 1954, be carried forward and added to the budgetary appropriation for the Citizens Committee for 1954-1955.

On motion of Mrs. Watkins, seconded by Mr. Livingston, this appropriation was made from the General Reserve Fund by the following vote: Aye, Mr. Livingston, Mr. Megran, Mrs. Watkins; no, none; absent, none.

GRADUATE SCHOOL OF BUSINESS ADMINISTRATION

President Morey reported on the present status of the Graduate School of Business Administration, authorized by the Board in 1952, and its curriculum.

The Executive Committee adjourned.

MEETING OF THE BOARD OF TRUSTEES

At this point the Board of Trustees convened. The members of the Board, officers of the University, and officers of the Board recorded at the beginning of these minutes were present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of the Board of Trustees of March 20, 1954, press proof copies of which have previously been sent to the members of the Board.

On motion of Mr. Johnston, these minutes were approved as printed on pages 1277 to 1302, inclusive.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following reports and recommendations from the President of the University.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(3) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

Name	*Address*	*State from Which They Obtained Certificates*
NORTON MOORE BEDFORD	Urbana	Louisiana
ROBERT LEE COKER	Miami, Florida	Florida
RICHARD CARL SCHEFFEL	Wood River	Missouri

I concur.

On motion of Mr. Johnston, these certificates were awarded.

APPOINTMENTS TO THE FACULTY

(4) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. HANS BREMS, Associate Professor of Economics, beginning August 1, 1954, at an annual salary of $7,500 (D).
2. JOHN O. CORLISS, Assistant Professor of Zoology, beginning September 1, 1954, at an annual salary of $5,500 (D).
3. RICHARD S. ENGELBRECHT, Research Assistant Professor of Sanitary Engineering, in the Department of Civil Engineering, beginning September 1, 1954, at an annual salary of $6,000 (BY).
4. WILLIAM G. REEVES, Assistant Professor of Music, beginning September 1, 1954, at an annual salary of $5,400 (D).

On motion of Mr. Livingston, these appointments were confirmed.

HEADSHIP OF THE DEPARTMENT OF CITY PLANNING AND LANDSCAPE ARCHITECTURE

(5) Professor O. G. Schaffer, Head of the Department of City Planning and Landscape Architecture, will retire September 1, 1954. On nomination of the Dean of the College of Fine and Applied Arts, after consultation with the faculty of the Department, I recommend the appointment of Professor Karl B. Lohmann, Professor of City and Regional Planning, as Head of the Department, beginning September 1, 1954, at a salary of $8,850.

For several years the Bureau of Community Planning in the College of Fine and Applied Arts has been operated as a separate department under the supervision of the Dean as Director. It has been proposed that, in view of the unanimity of professional and service interests, this Bureau be merged with the Department of City Planning and Landscape Architecture, beginning September 1, 1954. All concerned have concurred in this consolidation, and I so recommend.

On motion of Mr. Bissell, these recommendations were approved.

APPOINTMENT OF JOSEPH O. ALBERTS AS HEAD OF THE DEPARTMENT OF VETERINARY PATHOLOGY AND HYGIENE

(6) Dean Robert Graham of the College of Veterinary Medicine has also been serving as Head of the Department of Veterinary Pathology and Hygiene. Studies of the administrative organization of the College of Veterinary Medicine indicate that it would be advantageous to have a separate head of this Department. Accordingly, the Dean of the College of Veterinary Medicine and the Director of the Agricultural Experiment Station recommend the appointment of Dr. Joseph Ortan Alberts, now Professor of Veterinary Pathology and Hygiene and Professor of Veterinary Research, as Professor and Head of the Department of Veterinary Pathology and Hygiene and Professor of Veterinary Research, on indefinite tenure, beginning May 1, 1954, at a salary of $8,500.

This recommendation is concurred in by the Provost and the Dean of the Graduate College.

I recommend approval.

On motion of Mr. Herrick, this appointment was approved.

MEDICAL DIRECTOR OF RESEARCH AND EDUCATIONAL HOSPITALS

(7) The Board of Trustees on July 25, 1953, approved a series of recommendations from the Committee on the Chicago Departments relating to the administrative organization of the Chicago Professional Colleges, including one that there be established a separate office of Medical Director of the Research and Educational Hospitals, at present combined with the deanship of the College of Medicine, and that the duties and responsibilities of the Medical Director be clearly defined in the Statutes.

A special committee was appointed to make studies of and recommendations on the administrative relationships and responsibilities of the Medical Director of the Research and Educational Hospitals and to nominate a competent candidate for appointment to this position. The Committee has made its report, and I recommend the adoption of the following provision in the University of Illinois Statutes:

There is hereby established the position of "Medical Director of the Research and Educational Hospitals."

The Medical Director of the Research and Educational Hospitals shall be a physician highly qualified in the fields of medical education and administration. He shall be appointed biennially by the Board of Trustees on nomination of the President. He may also be Associate Dean of the College of Medicine.

The duties and responsibilities of this officer are:

As Medical Director he shall be the chief administrative officer of the Research and Educational Hospitals and Chairman of the Hospital Executive Committee. He shall supervise and coordinate the activities of the offices of Administrator, Director of Clinics and Admissions (of patients to the hospitals), and professional services, including nursing. He shall have charge of the Research and Educational Hospitals budget. In all of these capacities he shall be responsible to the Vice-President or other chief administrative officer of the Chicago Professional Colleges.

As Associate Dean he shall advise and assist the Dean of the College of Medicine in the preparation of the College budget, and specifically on budgetary provisions relating to both the Research and Educational Hospitals and the College of Medicine, to professional appointments, to teaching and research and to laboratory services. He shall advise and assist the Dean of the College of Medicine in all educational matters, especially in programming and implementing the educational and research activities in the Research and Educational Hospitals and the work of clinical clerks. He shall be a member of the Faculty of the College of Medicine and on its Executive Committee or such committee as may hereafter be appointed for executive or administrative purposes. He shall serve as liaison officer representing the Dean of the College of Medicine in educational matters and staffing at the Illinois Eye and Ear Infirmary and at any other hospital agencies which are similarly affiliated with the University. In all of these capacities he shall be responsible to the Dean of the College of Medicine.

On motion of Mrs. Watkins, this recommendation was approved.

APPOINTMENT OF DR. DONALD J. CASELEY AS MEDICAL DIRECTOR AND ASSOCIATE DEAN

(8) On nomination of the special committee appointed to search for a Medical Director of the Research and Educational Hospitals, and with the concurrence of

the Dean of the College of Medicine, I recommend the appointment of Dr. Donald J. Caseley, presently Medical Director of St. Luke's Hospital, Chicago, as Medical Director of the Research and Educational Hospitals and Associate Dean of the College of Medicine, beginning July 15, 1954, and continuing through August 31, 1955, at an annual salary of $17,000 (on Y basis).

The tenure of this appointment is consistent with that of other administrative officers of similar rank (deans of colleges, directors of schools, institutes, and bureaus) who are appointed biennially. It is desirable to have such appointments coincide with the fiscal biennium; hence Dr. Caseley's initial appointment is for the remainder of the current biennium.

I recommend approval of this appointment.

On motion of Mr. Hickman, this appointment was approved.

REORGANIZATION OF THE UNIVERSITY PLACEMENT BUREAU

(9) In 1944 the Board of Trustees approved a recommendation of a Special Committee that a University Placement Bureau be established under the Dean of Students with a branch in Chicago. This plan was implemented by the appointment of Mr. Harold S. Dawson as Placement Director with his principal office in Urbana-Champaign and a branch office and a secretarial assistant at the Illini Center, Chicago. Mr. Dawson resigned this position in February, 1954.

About a year prior to that time, President Stoddard had initiated studies of the Bureau and in March, 1953, appointed a special committee for this purpose. That Committee submitted a preliminary draft of a report several weeks ago which was sent to the deans of all colleges and also to other officers and the Placement Committee of the Alumni Association for review. Based on the comments received, the Committee has now submitted a final report, copies of which have previously been sent to the members of the Board, and a copy has been filed with the Secretary.

The report indicates that although much good service has been rendered in the past, the program is in need of considerable reorganization and development. Not all of the placement work of the University is carried on through this office. In fact, the greater part of it is distributed among the various colleges. The Committee concludes:

"The evidence in hand appears to support the desirability of separate placement operations, while at the same time it reveals the disadvantages of a lack of systematic coordination of the activities under a University policy."

The Committee recommends the following as a statement of policy:

"The University of Illinois recognizes the desirability of offering a coordinated service to facilitate the placement of its students and alumni in positions so that the maximum values of its educational program may be realized both by graduates and by employers. A basic tenet of this policy is that the service is primarily an activity of the University as a whole and, secondarily, that of its constituent parts.

"The placement services should be available to seniors, graduate students, and alumni.

"The placement services of the University should be available to all employers, small or large, whether located in Illinois or elsewhere."

To provide means for more adequate coordination and more complete service, the Committee recommends the establishment of a Coordinating Placement Council appointed by the President and consisting of selected representatives from those departments of the University most concerned in placement work and the Alumni Association. It recommends that the service continue under the general supervision of the Dean of Students, with a Coordinating Placement Officer located at Urbana-Champaign and a full-time Chicago Placement Officer. These persons would be appointed on the recommendation of the Coordinating Placement Council with the concurrence of the Dean of Students. The Council is to act as an "overall planning and advisory body," its purpose being to "coordinate the placement services of the University."

This report was the result of extended and careful review and discussion with all persons concerned in the University placement service, and it is my belief that the carrying out of its recommendations will represent a major step forward in the improvement of these services. Since some additional cost is involved, it is not possible to say just how rapidly the changes can be put into effect in detail until a more careful study of the expense involved can be made.

I recommend that the proposals be approved in principle and that the President be authorized to carry them out as rapidly as feasible.

On motion of Mrs. Holt, this recommendation and plan was approved, and the changes were authorized subject to availability of funds.

CHANGES IN UNDERGRADUATE RADIO-TELEVISION CURRICULUM

(10) The Faculty of the School of Journalism and Communications and the University Senate recommend changes in the undergraduate radio-television curriculum effective for students enrolling in the curriculum for the first time in September, 1954. The Senate and the Board have previously approved an undergraduate curriculum in radio. The present proposal is to extend the work to include similar training in television. Since these changes affect requirements for graduation and for the degree of Bachelor of Science in this curriculum they are subject to approval by the Board of Trustees.

General Requirements (no change)

1. A minimum of 124 hours of credit including the hours presented for admission to the school but not counting the first two years of military training and physical education.
2. Not less than thirty hours nor more than forty hours in journalism and communications courses.
3. Twenty hours in advanced social studies. These include courses numbered 200 through 399 in social studies, arts, and sciences. Courses fulfilling the advanced social studies requirement are selected by the student with the approval of his adviser. The home economics minor may be substituted for the requirement of twenty hours in advanced social studies.
4. A grade-point average of 3.0 (C) in courses taken after completion of admission requirements, and satisfaction of general University requirements.

Special Requirements (revised)

Journalism 211, Reporting, three semester hours
Journalism 261, Principles of Radio and Television, three semester hours
Journalism 281, Introduction to Advertising, three semester hours
Journalism 368, Radio and Television Regulation, two semester hours
A minimum of ten semester hours to be chosen from fifteen specified courses a list of which is hereby filed with the Secretary of the Board.

Journalism 261 has been increased from two to three semester hours. Journalism 281 is a new requirement.

Five new elective courses of three semester hours each have been authorized by the Senate, the time of implementation to depend on availability of additional funds. The name of Advanced Radio Practices has been changed to Advanced Radio and Television Practices.

I concur in these recommendations.

On motion of Mr. Livingston, these recommendations were approved.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(11) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

1. Institute of Aviation, for electrical improvements at the University of Illinois Airport	$18 500
2. Department of Botany, for remodeling of laboratory facilities for Plant Physiology Laboratory	10 000
3. Library, for purchase of early and rare mathematical books	2 145
4. Physical Plant, for cost of moving and remodeling in connection with proposed changes in the use of University owned property	5 800
5. University Press, for printing of Time Tables for the first semester of 1954-1955	6 000
6. Department of Speech, for remodeling	4 100
7. Chicago Undergraduate Division, for repair of equipment (mats) for the Division of Physical Education	5 000
Total	$51 545

I recommend that these appropriations be made from the General Reserve Fund.

On motion of Mr. Johnston, these appropriations were made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

APPROPRIATION FOR REMODELING AT THE PROFESSIONAL COLLEGES

(12) The relocation of departments in the addition to the Research and Educational Hospitals has vacated certain space in the present Hospitals and in the Dentistry-Medicine-Pharmacy Building and more will be vacated next year. Completion and occupancy of the new East Dentistry-Medicine-Pharmacy Building will result in the relocation of the functions of the College of Pharmacy in that building, which will vacate additional space in the Dentistry-Medicine-Pharmacy Building.

It has been contemplated that when these new buildings are completed and occupied, the space vacated will be remodeled to allow for better locations and expansion of existing departments to provide for future increased enrollments in the Colleges of Medicine and Dentistry. Committees working on the allocation of the space available have made reports which have been approved by the University Building Program Committee.

It is now desirable to proceed with remodeling as rapidly as bids can be taken and contracts let as to space which is presently vacant and also as to space which will be vacated later.

Funds were provided in the internal budget for the present year for a full year's operation of the Research and Educational Hospitals Addition, with the exception of three floors for which additional funds will be requested in the next biennium. Because of delays in the occupancy of the building and the difficulty of recruiting personnel, substantial balances remain in present operating appropriations. As they have become available, such funds have been placed in a special reserve, which now totals $371,293. It is conservatively estimated that a total of $940,000 will be available within the present biennium.

The Administrative Committee of the Chicago Professional Colleges, the Committee on Nonrecurring Appropriations, the Director of the Physical Plant, and the Comptroller recommend that this sum of $940,000 be reassigned for the following purposes, subject to release by the Administrative Committee of the Chicago Professional Colleges, such releases not to exceed the amount accumulated in the reserve at the time of the release:

Pathology	$ 73 000
Anatomy	62 500
Physiology-Pharmacology	290 000
School of Nursing	28 800
Bacteriology	8 400
Allergy and Dermatology	7 800
Hospital Admissions and Admitting Clinic	124 000
Utilities for the East Wing of the General Hospital	57 900
Utilities for the Dentistry-Medicine-Pharmacy Building	35 000
Purchase of laboratory equipment	50 000
Miscellaneous remodeling	17 600
Stair enclosures	60 000
Air conditioning	125 000
Total	$940 000

The above amounts are subject to adjustment within the total by the Administrative Committee after contracts have been awarded. All contracts will be submitted to the Board of Trustees for approval.

I concur.

On motion of Mr. Livingston, this appropriation was made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

PAYMENTS FOR USE OF URBANA CITY DUMP

(13) In 1950 the Board of Trustees authorized a contract with the city of Urbana for the use of the city dump for the disposal of University garbage. The contract provides that the University would agree to assume 30 per cent of the cost of the operation, which includes land rental, wages and expenses, equipment purchases and replacement costs.

The city of Urbana now proposes to enter into a contract for the purchase of approximately thirty acres east of the present dump ground at a cost of approximately $10,500 and an adjoining tract of thirty-two acres at a cost of approximately $10,400. There is a definite need for the expansion of the dump grounds and the area in question is one of the few remaining areas of marginal land available for this purpose. It is reasonably close to an all weather road, which is essential, and the purchase price does not appear to be unreasonable.

The city of Urbana has requested that if the University proposes to continue use of the Urbana city dump, it should share in the cost of the purchase of this property with the understanding that if and when the dump ground is filled, the University should share in any sum received for the sale of the property for other use. The University's share of the purchase price, based upon 30 per cent of the total cost, would be $4,950 in 1954-1955, $1,800 in 1955-1956, and $1,800 in 1956-1957.

The only alternative to this proposal would be the development by the University of a private land-filled dump or a combination incinerator and land-filled dump. While there is some advantage in the development of a private dump, it is doubtful that it would be economically justified in view of the presently foreseeable cost to the University of using the Urbana city dump.

The Director of the Physical Plant and the Comptroller recommend that (a) the University continue its present agreement with the city of Urbana for the operation of the dump, (b) the University assume its proportionate share of the land acquisition cost, with the specific understanding that the University will share in any payment ultimately received from a later sale of the property for other use, and (c) a special appropriation of $4,950 be made to cover the additional cost during the current biennium.

I concur in these recommendations.

On motion of Mrs. Holt, these recommendations were approved, and an appropriation of $4,950 was made from the General Reserve Fund. These actions were taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

APPROPRIATION FOR INJURIES TO EMPLOYEES

(14) The Legal Counsel, as Chairman of the Committee on Accident Compensation for Employees, the Comptroller, and the Director of Nonacademic Personnel request a supplementary appropriation of $16,500 for payment of approved claims for occupational injury and disability. Of this amount, $15,000 will be assigned for payment of claims under the provisions of the Workmen's Compensation Act in all departments of the University and $1,500 for disability benefits at the Chicago Professional Colleges.

I recommend approval, the assignment to be made from the General Reserve Fund.

On motion of Mr. Livingston, this appropriation was made from the General Reserve Fund by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

SALE OF UNIVERSITY HOUSES

(15) Pursuant to the plan for the sale of University-owned residence properties in Urbana-Champaign which are outside of the zone of future campus expansion, offers have been received for the purchase of four properties as follows:

1. *207 West Washington Street, Urbana.* University purchase price, $15,000; date of purchase, 1948; appraisal valuation, $15,500; sale price, $15,500; purchaser, Paul L. and Gerd B. Young.

Legal description: Lot seven (7) in Block One (1) of Van Doren's Addition to the City of Urbana, situated in the City of Urbana, in the County of Champaign and State of Illinois.

2. *313 West Avondale, Champaign.* University purchase price, $7,759.15; date of purchase, January, 1947; appraisal valuation, $8,500; sale price, $8,500; purchaser, Allen R. and Lottie M. Hickman.

Legal description: All of Lot Seventy-three (73) except the West seventeen and sixty-five one-hundredth (17.65) feet thereof of Avondale Place being a portion of Lot Five (5) of the subdivision of the South one-half (S ½) of Section Thirteen (13), Township (19) North, Range Eight (8) East of the Third Principal Meridian, situated in the City of Champaign in the County of Champaign in the State of Illinois.

3. *701 West Delaware Avenue, Urbana.* University purchase price, $28,500; date of purchase, 1948; appraisal valuation, $26,650; sale price, $28,500; purchaser, Ralph F. Lesemann.

Legal description: Lot 119 of University Heights Addition.

While the property at 701 West Delaware Avenue is appraised at less than the University's investment, Mr. Lesemann is willing to purchase the property at the higher amount. There are some substantial expenditures for maintenance and improvement required for which Mr. Lesemann is willing to reimburse the University, in addition to paying the sale price recommended.

4. *710 West Indiana Avenue, Urbana.* University purchase price, $17,000; date of purchase, 1948; appraisal valuation, $15,000; sale price, $16,000; purchaser, Patricia F. and Murray Horwitz.

Legal description: Lot Sixty-three (63) in Lincoln Place in the City of Urbana, Illinois.

While the appraisal for the property at 710 West Indiana Avenue was $15,000, the property was offered for sale at $16,000, and Mr. and Mrs. Horwitz have agreed to this price.

The Director of the Physical Plant and the Comptroller recommend these sales.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the necessary documents.

On motion of Mr. Nickell, the sale of these houses at the prices recommended and the execution of the necessary documents, including warranty deeds to the purchasers, by the Comptroller and the Secretary of the Board were authorized by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

APPROPRIATIONS BY THE ATHLETIC ASSOCIATION

(16) The Board of Directors of the Athletic Association has made assignments of funds from the Association's reserve for the purchase of an eight-passenger Chrysler suburban, a replacement, $2,631, and for rebuilding the walls of the Memorial Stadium, $14,000.

Approval of the Board of Trustees is required, and I so recommend.

On motion of Mr. Johnston, the action of the Board of Directors was approved.

CONTRACT FOR DUMBWAITER INSTALLATION IN LAW BUILDING

(17) The Director of the Physical Plant and the Comptroller recommend award of a contract for $3,750 to the Fairhall Elevator and Machine Company, Danville, Illinois, the lowest bidder, for the dumbwaiter installation in the library of the new Law Building.

Funds are available in the state appropriation for the construction of this building and have been released by the Governor.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Herrick, this contract was awarded, and the Comptroller and the Secretary of the Board were authorized to execute the same, by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

CONTRACT FOR POWER PLANT ADDITION

(18) The Director of the Physical Plant and the Comptroller recommend award of a contract for $105,350 to E. N. DeAtley, Champaign, the lowest bidder, for the general work on an addition to the Abbott Power Plant.

The expansion of this plant is required to service the new buildings for which the General Assembly appropriated funds for the biennium 1953-1955, including the Power Plant addition. The funds are subject to release by the Governor.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract, subject to release of funds by the Governor.

On motion of Mr. Johnston, this contract was awarded, and the Comptroller and the Secretary of the Board were authorized to execute the same, by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

CONTRACT FOR TUCKPOINTING OF DENTISTRY-MEDICINE-PHARMACY BUILDING

(19) The Director of the Physical Plant and the Comptroller recommend award of a contract for $6,500 to the Hoffman and Klemperer Company of Chicago, the only bidder, for tuckpointing work on the second unit of the Dentistry-Medicine-Pharmacy Building.

The work will consist of the removal of loose mortar from the joints of the brick and stone and replacement with new mortar. This repairing is necessary to prevent moisture from entering the building walls which would cause serious deterioration. Funds are available in the budget of the Physical Plant.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was awarded, and the Comptroller and the Secretary of the Board were authorized to execute the same.

CONTRACTS FOR BUILDING IMPROVEMENTS ON ALLERTON FARMS

(20) The College of Agriculture, which manages the University's endowment farms, has a systematic program of modernizing buildings and making other improvements on these farms as funds become available. This year's program calls for remodeling two houses on the Allerton Farms.

The Dean of the College of Agriculture and the Comptroller recommend award of a contract to Hammerschmidt Brothers, Monticello, for remodeling house No. 1 on Allerton Farm No. 1. This work will include installation of a central heating system, a bathroom, modernization of the kitchen, lowering eleven-foot ceilings, enclosure of a stairway, construction of closets, and incidental improvements. The estimated cost is $8,000.

The Dean of the College of Agriculture and the Comptroller recommend award of a contract to M. Osmond of Monticello for remodeling the house on Allerton Farm No. 6. The work will include installation of a central heating system, construction of a bathroom and utility room, and modernization of the kitchen. The estimated cost is $5,500.

Funds are available for these improvements in the income from farm operations.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts.

On motion of Mr. Herrick, these contracts were awarded as recommended, and the Comptroller and the Secretary of the Board were authorized to execute the same.

QUARTERLY REPORT OF THE COMPTROLLER

(23) The Comptroller presents his quarterly report to the Board as of March 31, 1954.

This report was received for record and a copy has been filed with the Secretary of the Board.

CONTRACT FOR VENTILATING INSTALLATIONS IN NEW LAW BUILDING

(24) The contracts awarded by the Board of Trustees on April 21, 1954, for the construction of the new Law Building included one of $161,425 to the R. H. Bishop Company, Champaign, for the ventilating installations. The Company is in a voluntary receivership (due to an unwise venture into manufacturing of appliances) but is operating as usual, all creditors having been paid in full more than two years ago, and only an agreement for settlement of federal taxes due remains to be executed before the receivership is terminated. Mr. R. H. Bishop, the principal owner, found that after the contract was awarded to his Company, no bonding company will insure a firm in receivership, although he had been previously assured before submitting a bid that a bond would be furnished. However, he can readily obtain a bond if the contract is assigned to him as an individual even though the contract is performed by the Company.

Following a conference of the interested parties, including University representatives, it was suggested that the contract be executed by the R. H. Bishop Company and that the Company assign the contract to R. H. Bishop as an individual. This is permissible under the terms of the contract if the assignment is approved by both parties. Under such an arrangement, the R. H. Bishop Company would still be held as a responsible party to the contract, and Mr. Bishop as an individual would be able to furnish the required bond.

The Director of the Physical Plant and the Comptroller recommend that the Board authorize assignment of the contract executed by the R. H. Bishop Com-

[1] Deduct.

pany and its receivers for the ventilating installations in the new Law Building to R. H. Bishop upon terms that will not relieve the Company and its receivers from liability to the University under the contract in the event of any failure on the part of Mr. Bishop to perform.

I concur.

On motion of Mr. Herrick, this assignment was authorized by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

CONCLUSION OF NEGOTIATIONS WITH OZARK AIR LINES FOR THE USE OF THE UNIVERSITY OF ILLINOIS AIRPORT

(25) At the April 21, 1954, meeting of the Board of Trustees, a report was made of the negotiations with the Ozark Air Lines for the continued use of the University of Illinois Airport. The one question which remained unsettled in the negotiation was the amount of the landing fees to be charged. The University had taken the position that the landing fees should adequately cover any direct expenses which result from the use of the University Airport by Ozark Air Lines. Ozark had proposed a landing fee of two per cent of an "on line revenue," not including mail or cargo revenues, collected at the station. The Board of Trustees reaffirmed the University's position and instructed the Director of the Institute of Aviation and the Comptroller to continue negotiations on the basis of the principle of recovery of costs.

Negotiations have resulted in an agreement with Ozark Air Lines satisfactory to the University and to Ozark. The University had originally proposed a fee which would result in a charge of $6,600 for landing fees. This was based upon a series of costs which included $2,278 for the removal of snow from the runways. Ozark has requested that the University not remove the snow with the understanding that during those periods when snow on the runway prohibits their landing they will overfly the field. Since the University does not remove snow from the runways for its own operations at the Airport, it is willing to accede to the request from Ozark. This will reduce the direct expenses chargeable to Ozark's operation to $4,322 or $360 a month. Ozark has agreed to a contract with the University which will provide for landing fees of $360 a month, or two per cent of the "on line revenue," whichever is the greater. The contract will be dated July 1, 1953 (the date the previous contract expired), and will continue for a two-year period, subject to the usual cancellation provision of thirty days' notice by either party.

Ozark has also given a check based upon the above proposal which will pay their account to the University in full to May 1, 1954.

No action is required on this report since the Comptroller and the Secretary of the Board were previously authorized to execute a contract based upon the principle of recovery of direct costs.

This report was received for record.

SECRETARY'S REPORTS

The Secretary presented for record the following lists: (1) appointments made by the President; (2) graduate fellows; (3) resignations and declinations; (4) leaves of absence.

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parentheses is the date on which the appointment was made by the President of the University. C = College; S = Station; E = Extension.)

BALDWIN, DAVID, Instructor in Medicine, in the College of Medicine, on three-tenths time, five months beginning April 1, 1954, $1800 a year, supersedes (4-28-54).

COTSONAS, NICHOLAS J., JR., Assistant Professor of Medicine, in the College of Medicine, on 90/100 time, five months beginning April 1, 1954, $7650 a year, supersedes (4-22-54).

DEBOIS, BENNIE L., Registered Pharmacist in Hospital Pharmacy in the Illinois Eye and Ear Infirmary, in the College of Pharmacy, April 5-August 31, 1954, $4500 a year (4-22-54).

DEWHURST, VIRGINIA, Illini Union Browsing Room Librarian, with rank of Instructor, one year beginning September 1, 1954, $4000 (4-22-54).

DOUGLAS, ALEXANDER S., Visiting Assistant Professor of Mathematics in the Digital Computer Laboratory, nine months beginning September 16, 1954, $5000 (4-15-54).

EVANS, FRANK F., Clinical Instructor in Psychiatry, in the College of Medicine, five months beginning April 1, 1954, without salary (4-28-54).

GLASER, DANIEL, Assistant Professor of Sociology, for the academic year beginning September 1, 1954, $4700, supersedes (5-3-54).

GOODRICH, MARJORIE E., Assistant in English, for the second semester of the academic year 1953-1954 beginning February 1, 1954, $1415 (4-22-54).

HARVEY, ROGER A., Professor of Radiology and Head of the Department, in the College of Medicine, and Radiologist-in-Chief in the Research and Educational Hospitals, on indefinite tenure beginning April 1, 1954, $18,750 a year, and beginning May 1, 1954, $16,750 a year, supersedes (4-20-54).

HYNEMAN, RICHARD F., Research Assistant in Electrical Engineering (C), eight months beginning January 1, 1954, $4800 a year, supersedes (4-22-54).

INANAGA, KAZUTOYO, Research Associate in Psychiatry, in the College of Medicine, on two-fifths time, five months beginning April 1, 1954, $1660 a year, supersedes (4-22-54).

JACKSON, GEORGE G., Associate Professor of Medicine and Preventive Medicine, in the College of Medicine, on indefinite tenure beginning April 1, 1954, $9500 a year, supersedes (4-22-54).

JAN, JEAN-PIERRE, Research Associate in Physics (C), three months beginning June 1, 1954, $5000 (4-29-54).

JOHNS, WILLIAM D., JR., Assistant Professor of Geology, for the academic year beginning September 1, 1954, $5000 (5-3-54).

MADDEN, ROBERT E., Research Assistant in Surgery and Biological Chemistry, in the College of Medicine, three months beginning April 1, 1954, $3600 a year, supersedes (4-28-54).

MCKEY, BEULA, Assistant Professor of Home Economics (S), six months beginning March 1, 1954, $5300 a year, supersedes (4-13-54).

MELAMED, MYRON, Clinical Instructor in Radiology, in the College of Medicine, on one-fourth time, one year beginning September 1, 1954, $2500 (4-27-54).

MEYER, ESTHER, Associate Professor of Bacteriology, in the College of Medicine, on indefinite tenure beginning March 1, 1954, to render service during each academic year, $6000 a year, supersedes (4-20-54).

NILGES, RICHARD G., Clinical Instructor in Neurosurgery, in the College of Medicine, four months beginning May 1, 1954, without salary (4-22-54).

PARIDA, RAJ K., Clinical Assistant in Medicine, in the College of Medicine, eight months beginning January 1, 1954, without salary (4-28-54).

ROBERTS, KEITH E., Research Assistant in the Institute of Government and Public Affairs, April 16-June 30, 1954, $300 a month (4-22-54).

SCOTT, EDWARD J., Assistant Professor of Mathematics, in the Department of Electrical Engineering (C), June 16-August 31, 1954, $5000 a year (5-3-54).

SKALLERUP, HARRY R., Physics Librarian, with rank of Instructor, one year beginning September 1, 1954, $4000 (4-22-54).

SNOWDEN, MARY L., Research Assistant in the Institute of Communications Research, June 16-August 31, 1954, $4000 a year (4-30-54).

TAAFFE, EDWARD J., Visiting Lecturer in Social Sciences, in the Chicago Undergraduate Division, in the Summer Session of 1954, on one-half time, June 18-August 14, 1954, $525 (4-27-54).

TACHAU, FRANK, Visiting Lecturer in Social Sciences, in the Chicago Undergraduate Division, in the Summer Session of 1954, on one-half time, June 18-August 14, 1954, $400 (4-27-54).

TERAYAMA, HIROSHI, Research Associate in Chemistry, one year beginning June 16, 1954, $4500 (4-27-54).

THOMAS, RICHARD M., Instructor in Veterinary Pathology and Hygiene, in the College of Veterinary Medicine, one year beginning September 1, 1954, $5000 (4-15-54).

WALTERS, JOSEPH H., JR., Research Assistant in Marketing, June 25-August 24, 1954, $800 (5-3-54).

WILKERSON, LOWELL E., Research Assistant in Psychology, March 25-August 31, 1954, $6000 a year (4-12-54).

WILLIAMS, FREDERICK, Instructor in Economics, for the academic year beginning September 1, 1954, $5500 (4-15-54).

WILSON, KELLOGG V., Research Associate in the Control Systems Laboratory (S), one year beginning September 1, 1954, $5200 (4-9-54).

GRADUATE FELLOWS

(The following appointments were made by the Dean of the Graduate College on the dates indicated in parentheses.)

BEER, JOHN J., Nonresident Fellow in History, one year beginning July 1, 1954, $3000 (3-24-54).

BROADRIBB, DONALD R., Fellow in Spanish, nine months beginning September 16, 1954, $900 (4-14-54).

COCHRAN, JOHN F., Postdoctoral Fellow in Physics, nine months beginning September 16, 1954, $2400 (4-20-54).

COLYER, DALE K., Jessie Ellars Hackett Fellow in Agricultural Economics, nine months beginning September 16, 1954, $900 (4-12-54).

CRONHEIM, ARNO, Postdoctoral Fellow in Mathematics, nine months beginning September 16, 1954, $2400 (4-20-54).

FREEMAN, RONALD E., Nonresident Fellow in English, one year beginning July 1, 1954, $3000 (3-24-54).

FUJIWARA, SHIZUO, Postdoctoral Fellow in Chemistry, nine months beginning September 16, 1954, $3000 (4-20-54).

GARTENHAUS, SOLOMON, General Electric Company Fellow in Physics, nine months beginning September 16, 1954, $2100 (4-14-54).

HAUCK, FRED P., JR., Sinclair Refining Company Fellow in Chemistry, nine months beginning September 16, 1954, $1500 (4-8-54).

HERSMAN, MARION F., Colgate-Palmolive-Peet Company Fellow in Chemistry, June 16-August 15, 1954, $260 (4-14-54).

KAELIN, EUGENE F., Postdoctoral Fellow in Philosophy, one year beginning July 1, 1954, $3000 (4-20-54).

KRAABEL, FLORENCE M., Fellow in Education, nine months beginning September 16, 1954, $900 (4-14-54).

MCMAHON, EDWARD L., Westinghouse Educational Foundation Fellow in Electrical Engineering, nine months beginning September 16, 1954, $1200, supersedes (4-14-54).

NEUMILLER, HARRY J., JR., Fellow in Chemistry, June 16, 1954-January 31, 1955, $775 (4-9-54).

OKI, MICHINORI, Postdoctoral Fellow in Chemistry, nine months beginning September 16, 1954, $2400 (4-20-54).

PIERCE, JACK V., Fellow in Chemistry, nine months beginning September 16, 1954, $1100 (4-14-54).

SCHNEEBERGER, LOIS J., Fellow in Bacteriology, nine months beginning September 16, 1954, $900 (4-14-54).

SHAW, PAUL D., Fellow in Chemistry, nine months beginning September 16, 1954, $1000 (4-14-54).

SIMMONS, RALPH O., Celanese Corporation of America Fellow in Physics, one year beginning September 1, 1954, $1800 (4-14-54).

SUSONG, BRUCE I., California Company Fellow in Geology, nine months beginning September 16, 1954, $1250 (4-30-54).

TAIRA, SHUJI, Postdoctoral Fellow in Theoretical and Applied Mechanics, nine months beginning September 16, 1954, $3000 (4-20-54).

WENDT, ROBERT C., Fellow in Chemistry, June 16, 1954-January 31, 1955, $775 (4-14-54).

WEST, SHERWOOD F., Victor Chemical Works Fellow in Chemistry, June 16-August 15, 1954, $355.56 (4-14-54).

WEST, SHERWOOD F., Victor Chemical Works Fellow in Chemistry, nine months beginning September 16, 1954, $1600 (4-19-54).

RESIGNATIONS AND DECLINATIONS

ARONSON, ARTHUR I., Fellow in Bacteriology — declination effective 9-16-54.
BAKER, CONSTANCE MARGARET A., Wright Fellow in Animal Science—declination effective 9-16-54.
BANGERT, SARA, Fellow in Journalism and Communications — declination effective 9-16-54.
BARD, YONATHAN, Fellow in Chemical Engineering — declination effective 9-16-54.
BELL, JAMES M., Fellow in Civil Engineering — declination effective 9-16-54.
BELL, ROBERT D., Jessie Ellars Hackett Fellow in Agricultural Economics — declination effective 9-16-54.
BHATTACHARYYA, P. K., Research Associate in Entomology — resignation effective 5-16-54.
BINNING, JACK E., Fellow in Civil Engineering — declination effective 9-16-54.
BROADRIBB, DONALD R., Fellow in Spanish — declination effective 9-16-54.
CHAUDHRI, SAEED AHMAD, Wright Fellow in Horticulture — declination effective 9-16-54.
COGEN, JOEL, Fellow in Labor and Industrial Relations — declination effective 9-16-54.
CONARD, ALFRED F., Professor of Law — resignation effective 9-1-54.
CRONHEIM, ARNO, Postdoctoral Fellow in Mathematics — declination effective 9-16-54.
DAILY, EUGENE J., Associate Professor of Civil Engineering, in the Summer Session of 1954 — declination effective 6-18-54.
DALRYMPLE, DANA G., Jessie Ellars Hackett Fellow in Agricultural Economics — declination effective 9-16-54.
EDWARDS, MARK W., Fellow in the Classics — declination effective 9-16-54.
FINDLEY, WILLIAM N., Research Associate Professor of Theoretical and Applied Mechanics — resignation effective 8-31-54.
FOX, GEORGE W., JR., Research Associate in Biological Chemistry, in the College of Medicine — resignation effective 4-1-54.
FREIDEL, FRANK B., Associate Professor of History — resignation effective 9-1-54.
GARRETT, ISOBEL, Wright Fellow in Plant Pathology — declination effective 9-16-54.
GOLDBERG, BURTON, Fellow in Physics — declination effective 9-16-54.
GOLDBERG, HARVEY J., Wright Fellow in Food Technology — declination effective 9-16-54.
HUNTER, EMILIE I., Fellow in Botany — declination effective 9-16-54.
IDRISS, MAHMUD M., Fellow in Civil Engineering — declination effective 9-16-54.
JONES, BILLY H., Fellow in Agricultural Economics — declination effective 9-16-54.
JONES, PATRICIA E., Fellow in French — declination effective 9-16-54.
KANE, EVAN O., Research Associate in Physics (C) — declination effective 9-1-54.
KAUFMAN, MARGUERITE S., Architecture Library Assistant — resignation effective 9-1-54.
KHLEIF, BAHJAT B., Fellow in Education — declination effective 9-16-54.
MATSUK, AGNES A., Clinical Instructor in Neuropsychiatric Nursing — resignation effective 7-1-54.
MCCALL, BEVODE C., Assistant Professor of Social Sciences, in the Chicago Undergraduate Division — resignation effective 9-1-54.
MCGEHEE, JUDSON D., Fellow in English — declination effective 9-16-54.
MIWA, MRS. TASCHIO, Fellow in Chemistry — resignation effective 3-18-54.
NEWMARK, NATHAN M., Research Professor of Structural Engineering, in the Summer Session of 1954 — declination effective 6-18-54.
SCHNEEBERGER, LOIS J., Fellow in Bacteriology — declination effective 9-16-54.
SCHNEIDER, RONALD E., Fellow in Statistics — declination effective 9-16-54.
SCHUBERT, JEWELL E., Instructor in Mathematics, in the Summer Session of 1954 — declination effective 6-18-54.
SEVY, ROGER W., Instructor in Physiology, in the College of Medicine — resignation effective 3-31-54.
SHALE, DAVID W. H., Fellow in Mathematics — declination effective 9-16-54.
SLATTERY, JOHN C., Pan American Refining Corporation Fellow in Chemical Engineering — declination effective 9-16-54.
SMITH, WILLIAM C., Victor Chemical Works Fellow in the Department of Chemistry and Chemical Engineering — resignation effective 4-16-54.
SPIEGELMAN, IRWIN, Fellow in Physiology — declination effective 9-16-54.

TAVOLACCI, JOSEPH P., Registered Pharmacist in the Hospital Pharmacy, in the College of Pharmacy — resignation effective 6-1-54.
TESSMER, J. RICHARD, Fellow in Mathematics — declination effective 9-16-54.
TIGERMAN, BLANCHE, Research Assistant in Biological Chemistry, in the College of Medicine — resignation effective 4-15-54.
VAN TASSELL, VANCE J., Assistant Extension Editor in the Extension Service in Agriculture and Home Economics — resignation effective 4-17-54.
WANG, KUO-CHANG, Fellow in Theoretical and Applied Mechanics — declination effective 9-16-54.
WASSMUNDT, FREDERICK W., Fellow in Chemistry — declination effective 9-16-54.

LEAVES OF ABSENCE

DIGGS, BERNARD J., Associate Professor of Philosophy — leave of of absence without pay on one-third time for the academic year 1954-1955 so that he may devote part of his time to work on the behavioral sciences project.
FINDLEY, WILLIAM N., Research Associate Professor of Theoretical and Applied Mechanics (S) — leave of absence without pay from June 7 to August 31, 1954.
RAPPAPORT, MRS. JULIA W., Clinical Instructor in Neuropsychiatric Nursing — leave of absence without pay beginning May 21, 1954, and continuing through July 31, 1954.
ROUSE, PRINCE E., JR., Research Assistant in Chemistry — leave of absence without pay beginning April 18, 1954, and continuing through June 30, 1954.
SHAKOW, DAVID, Professor of Psychology, in the College of Medicine — leave of absence with full pay from March 1 to June 1, 1954, on account of disability.
STIPPES, MARVIN C., Assistant Professor of Theoretical and Applied Mechanics — leave of absence without pay for one year beginning September 1, 1954.
WILCOCK, RICHARD C., Assistant Professor of Labor and Industrial Relations — leave of absence from June 21 through August 13, 1954, one month with pay and the balance without pay, so that he may participate in the seminar sponsored by the Social Science Research Council at the Ohio State University.

LOCATION OF VETERINARY CLINIC BUILDING

At the request of President Megran, President Morey discussed the location of the new Veterinary Clinic Building with reference to some objections which have been made to the proximity of this building to the Mount Hope Cemetery. He reported on some changes made by the University's Building Program Committee in the location of this building and plans for landscaping the area which have resolved most of the objections raised. Messrs. Johnston, Megran, and Nickell commented on this matter. It was the sense of the Board that no action is required.

JUNE AND JULY MEETINGS

The Secretary announced that the next meeting of the Board of Trustees will be held at the Blackstone Hotel, Chicago, Illinois, on Monday, June 21, 1954, the date fixed by the Board of Trustees at its meeting on April 21, 1954.

By unanimous consent, the July meeting of the Board of Trustees was scheduled for Monday, July 26, 1954, to be held in Chicago, the hour and place to be determined by the President and Secretary of the Board.

On motion of Mrs. Watkins, the Board adjourned.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

June 21, 1954

The June meeting of the Board of Trustees of the University of Illinois was held in the Blackstone Hotel, Chicago, Illinois, on Monday, June 21, 1954, beginning at 10:00 a.m., Central Daylight Saving Time.

The following members were present: Mr. Cushman B. Bissell, Mr. Wirt Herrick, Mr. Robert Z. Hickman, Mrs. Doris S. Holt, Mr. Wayne A. Johnston, Mr. Park Livingston, Mr. Herbert B. Megran, Mr. Vernon L. Nickell, and Mrs. Frances B. Watkins. Mr. Harold E. Grange and Governor William G. Stratton were absent.

Also present were President Lloyd Morey, Provost Henning Larsen, Mr. Ralph F. Lesemann, Legal Counsel, Mr. J. F. Wright, Director of Public Relations; and the officers of the Board, Messrs. H. O. Farber, Comptroller, C. W. Weldon, Treasurer, and A. J. Janata, Secretary.

MEETING OF THE COMMITTEE OF THE WHOLE

When the Board convened, it resolved itself into a Committee of the Whole to study the recommendations of the President of the University relating to the operating budget for 1954-1955. President Morey explained the procedure followed in preparing the budget and discussed the various recommendations. He also presented the following statement summarizing his discussion of the budget:

MEMORANDUM TO THE BOARD OF TRUSTEES CONCERNING BUDGET FOR 1954-1955

The internal budget for 1954-1955 follows the pattern of previous budgets as to form and method of preparation, as indicated in the Condensed Analysis. The Provost and the Comptroller have assumed the major responsibility for budget preparation. Throughout they have all worked intensively to check the budget for points at which savings could be accomplished and thus find ways to take care of urgent cases, prevent losses of key members of the staff, recognize special situations of increased production and responsibility, and meet contractual obligations to the nonacademic staff.

Essentially, the budget for the coming year is the same as for 1953-1954. The net addition of about $250,000, mainly from tuition fees of the estimated 1,150 additional students, is applied about one-fourth to increased staff for this increased enrollment and three-fourths to salary increases.

I believe the net result, while perhaps not perfect (I doubt if any budget as complex as ours is ever perfect), is as satisfactory as we can make it. It does leave us with a reserve which, while not large ($32,671), is somewhat larger than we had at the beginning of the current year. We are thus in a somewhat better position to meet emergencies that may arise.

In any operations similar to those of the University it will be found that activities are initiated and established which become of reduced significance as time passes. Also some appointments are made which, for one reason or another, do not prove to be entirely satisfactory. On the other hand, changes in such situations can not be made immediately. Time must be allowed for readjustments and revisions.

The instructional program also includes a wide diversity of activities, programs, and courses. The high degree of specialization existing in our academic staff leads to offering many courses in which there is small registration. Some of these are clearly essential for a well-rounded program in the particular field. Others are open to question. Also in courses where multiple sections are offered, it has been found that some sections are smaller than is reasonably necessary. Every effort is being made to consolidate such sections and raise them to a minimum size. We find this one of the difficult problems on which to secure adequate consideration.

There is also the question of the amount of time allowed for noninstructional activities, primarily research. There is no question but that the research program of the University is one of great importance and productivity. It also brings about over-all improvement in instruction, although in some instances where inexperienced graduate students are assigned such instruction, the results perhaps are not the best. However, excessive research activity increases the tendency toward light teaching loads which may not always be accompanied by high research or scholarly productivity.

Judging the size of our appropriations by those of more or less comparable institutions in other states and in comparison with the size of our student body, our appropriations are comparatively liberal. This is not due to a higher salary scale since our scale is about at the level of most other comparable state institutions and not as good as the best. Hence, the larger appropriations must be due to (a) lighter teaching loads, (b) broader instructional programs, and (c) more extensive noninstructional activities. Probably all of these can be justified from the standpoint of each department concerned. On the other hand, these facts do raise questions as to whether our policies are too liberal or our activities too extensive.

These comments do not reflect a lack of confidence in or appreciation for the staff as a whole. The overwhelming majority are putting forth every effort to

make their assignments productive and their zeal and industry for their work are most inspiring.

On the face of it, our administrative organization seems excessive. There are about thirty officers reporting independently to the President. According to my observation, administrative officers and the persons connected with such offices work, in many instances, harder than they should. Even so, we do not have sufficient administrative organization to do all that is needed. Some consolidation is desirable, but it is difficult to accomplish without adding to executive personnel. For example, we could well have a University Director of Research and a Director of Academic Personnel. We need more service in a number of our administrative offices, yet all of this costs additional money and increases an already large administrative outlay.

For the biennium 1955-1957 I have laid careful plans for as complete a study as is feasible. We have set up a special budget committee to review all requests, consisting of the Provost, Chairman, the Comptroller, the Director of the Bureau of Institutional Research, the Chairman of the Senate Committee on Budget, and two additional members of the University Council. In addition, the Building Program Committee is combing every item of requests for capital outlay. It is hoped by these means to produce a biennial budget which will be thoroughly solid in every detail. In initiating these studies, I made the following statement to administrative officers and heads of departments:

"In considering the budget for the next biennium, it should be recognized that the task of securing an increase in present income is becoming more and more difficult for both the University and the state. It can not be assumed that new expenditures, however justified from our point of view, can be matched by *additional* state appropriations. Hence, it is essential that concurrently with the consideration of such items there be an intensive review by each division of its present projects and programs and an earnest search for ways in which adjustments can be made and more economical operation effected to offset urgent new items, or restore any reductions that were made in the 1953-1954 budget that have resulted in severe handicap to effective operation.

"This is not to say that we are committing ourselves to simply stand where we are financially. We shall be ready as always to wage the battle for increased support, after every item of present expenditure has established its full right to continuation and the case for each addition has been made sufficiently strong to satisfy not only ourselves but the public, the State administration, and the General Assembly, whose money we are expending."

This still represents the best statement I can make of what I believe should be the budget policy of the University of Illinois for the next biennium.

Action on the budget was deferred until the open meeting of the Board.

Mr. Bissell expressed the opinion that the General Assembly of Illinois should be informed of the potential demands upon the University in the years to come, and suggested that in presenting the biennial budget for 1955-1957 next year an attempt be made to project the operating and capital expenditures and the enrollment for the next twenty years.

Mr. Nickell pointed out that in any future planning University officials should bear in mind the interest and responsibilities of the privately supported colleges and universities in Illinois.

DEPARTMENT OF MEDICAL SOCIAL WORK

Mrs. Watkins requested that a report on the program and activities of this Department be made to the Board at a future meeting. The President of the University stated that he would ask the Provost to make a study and submit a report.

COMMENCEMENT EXERCISES

Mr. Nickell reported a suggestion concerning the devotional features of the commencement exercises made to him by the parents of a stu-

dent receiving a degree at the exercises held in Urbana-Champaign on June 20, 1954.

The Secretary was requested to convey to the parties an expression of the Board's appreciation of this suggestion.

MEETING OF THE BOARD OF TRUSTEES

At 12:00 o'clock noon the Committee of the Whole rose and the Board convened in open session. The same members of the Board, officers of the University, and officers of the Board as recorded at the beginning of these minutes were present.

The purchases reported by the Comptroller are pursuant to previous Board of Trustees authorization.

This report was received for record.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following reports and recommendations from the President of the University.

PATENTABLE DISCOVERIES

(1) The University Patent Committee submits the following recommendations relating to potentially patentable discoveries.

1. Howard V. Malmstadt, Instructor in Chemistry, and E. R. Fett, Assistant in Chemistry, have discovered a simple and inexpensive automatic differential potentiometric device for determining the strength of a solution or the concentration of a substance in solution. Although it appears that this invention would be patentable and would have a certain limited use, the Department of Chemistry and Chemical Engineering believes that the sale of such a device, if patented and developed, would not warrant the cost of securing a patent. Accordingly, the University Patent Committee recommends that the invention be released to the inventors.

2. Richard E. Norberg, Research Assistant Professor of Physics, and Myer Bloom, Research Assistant in Physics, have developed quadrupole echo and decay signals, a scientific phenomenon described as spin echo and induction decay signals which appear in the course of pulsed experiments on pure quadrupole spectra. This invention is a result of research under a contract with the United States Navy. This phenomenon is similar to that of spin echo which was released to Dr. Erwin L. Hahn, formerly a member of the Department of Physics, at a meeting of the Board of Trustees on July 18, 1952. It is the judgment of the inventors and the Head of the Department of Physics that the device is not important enough to justify the expense of securing a patent and the latter recommends that the invention be released to the United States Navy. The University Patent Committee concurs in this recommendation.

3. At its meeting of February 23, 1953, the Board of Trustees authorized the negotiation of a compromise settlement between Brown, Boveri, and Cie, the Atomic Energy Commission, and the University relative to the Kerst betatron improvement. The negotiations continued, and the interferences with the patent application were decided in favor of the University. Under the agreement the patent would be issued to Dr. D. W. Kerst, Professor of Physics, as assignee, and Brown, Boveri, and Cie and the United States government would each receive licenses. The patent attorney points out that a few additional claims can be secured if substantial additional work on the application is authorized. However, the claims allowed — particularly the ones involved in the interferences — provide adequate scope and very nearly all of the protection which it is believed is essential. The Physics Department recommends, and Dr. Kerst concurs, that the patent be secured on presently allowed claims and that no additional work be done. The University Patent Committee concurs in this recommendation.

The American Chemical Society has announced that requests may be made for grants-in-aid for financing special projects from the Petroleum Research fund of that Society. One of the conditions of the grant is "Every patent, United States or foreign, that shall be taken out by or on behalf of the recipient or by or on behalf of any individual or institution acting at the direction of or on behalf of the recipient in carrying out such research shall be immediately dedicated to the public, royalty free." The Department of Chemistry and Chemical Engineering has recommended that the University waive the usual requirements relative to University control of all inventions and permit filing of applications for such grants under the conditions stated above. It should be noted that the staff member can receive no personal benefit from these grants and, accordingly, may be more inclined to engage in work of a more fundamental nature than if he might personally benefit financially by receiving a portion of any income resulting from a patentable invention. The terms of the grant are even more restrictive than the usual policy of the University by requiring that all inventions be dedicated to the public interest. The University Patent Committee recommends that the usual University policy be waived and that the grants from the American Chemical Society be accepted.

I concur in these recommendations.

On motion of Mr. Hickman, these recommendations were approved.

INTERNAL OPERATING BUDGET FOR 1954-1955

(2) I present the University's internal operating budget for all divisions and funds for the fiscal year beginning July 1, 1954, and for the academic and administrative appointments beginning September 1, 1954. This budget has been prepared by the Provost and the Comptroller in accordance with procedures approved by the President and in conferences with deans, directors, and other administrative officers.

I recommend that this budget, covering the allocation of the estimated operating income from all sources for the year beginning July 1, 1954, be approved; and that the President of the University be authorized, in accordance with the needs of the University and the equitable interests involved and within total income, (a) to accept resignations, (b) to make such additional appointments as are necessary, subject to the provisions of the University Statutes and the Policy and Rules Relating to Compensation and Working Conditions of Nonacademic Employees, and (c) to make such changes and adjustments in items included in the budget as are needed; all such changes to be covered in the Comptroller's quarterly financial report, or in reports to the Board by its Secretary, provided that assignments for new projects or programs and for nonrecurring expenditures in excess of $2,500 shall be presented to the Board for prior approval.

On motion of Mr. Bissell, the President of the University was authorized to take the actions specified above, the budget was approved, and the appropriations were made as recommended by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

The complete budget is included as an appendix to these minutes on pages 1440 to 1712.

INTERNAL BUDGET OF THE ATHLETIC ASSOCIATION FOR 1954-1955

(3) The Director of Intercollegiate Athletics submits, on behalf of the Board of Directors of the Athletic Association, the budget for the Association for 1954-1955 which is summarized as follows with comparative figures for the preceding year:

	1953-1954 Budget	*1953-1954 Revised Estimate*	*1954-1955 Proposed Budget*
Income	$864 425	$869 264	$953 700
Expenditures			
Budget Appropriations	847 642	856 692	912 338
Special Appropriations	10 000	10 000	29 200
Total Expenditures	$857 642	$866 692	$941 538
Excess of income over expenditures	$ 6 783	$ 2 572	$ 12 162

The budget has been examined and approved by the Provost and the Comptroller. Salaries paid jointly by the Athletic Association and the School of Physical Education have been approved by the Director of the School.

I recommend that this budget be approved and that the President of the University be authorized to make such changes and adjustments, including approval of new appointments and acceptances of resignations, as are necessary and recommended by the Board of Directors of the Athletic Association within the total income realized.

On motion of Mr. Herrick, this budget was approved and authority was given as recommended.

COMMITTEE ON ACCOUNTANCY

(4) The regulations adopted by the Board of Trustees for the administration of the Illinois accountancy law provide that the University's administrative functions shall be performed by a Committee on Accountancy appointed by and responsible to the President of the University. The Committee consists of the Director of Admissions and Records and two other members of the University faculty.

The present personnel of the Committee is Professor W. E. Britton of the College of Law, Chairman; Professor H. M. Gray of the Department of Economics; and Director G. P. Tuttle of the Office of Admissions and Records, Secretary. Professor Britton is retiring from University service at the end of the current academic year, and I am reconstituting the Committee as follows effective September 1, 1954: Professor H. M. Gray, Chairman (until August 31, 1957); Associate Professor Charles H. Bowman of the College of Law (until August 31, 1960); and Director G. P. Tuttle, Secretary (ex officio).

The present members of the Committee have served for many years, and it seems to me that periodical changes in its personnel would be desirable in accordance with our usual practice in other University committees. Accordingly, I have set up a plan for such rotation which will ultimately provide for the appointment of the Director of Admissions and Records as an ex officio member and the other two members for six-year terms.

Appointments to this Committee do not require the approval of the Board of Trustees, but I am reporting my action simply for the record. I also wish to take this occasion to record the fullest appreciation of Professor Britton's splendid service as a member and Chairman of the Committee on Accountancy since 1924.

This report was received for record.

On motion of Mr. Herrick, the Secretary was requested to express to Professor Britton the Board's appreciation of his services as member and Chairman of the Committee on Accountancy.

APPOINTMENT TO BOARD OF EXAMINERS IN ACCOUNTANCY

(5) On nomination of the Committee on Accountancy, I recommend the appointment of Mr. Kenneth McCracken of the legal firm of Bell, Boyd, Marshall, and Lloyd, 135 South LaSalle Street, Chicago, Illinois, to the Board of Examiners in Accountancy for a period of three years beginning July 1, 1954, to replace Mr. James A. Velde, the present law member of the Board whose term will expire.

On motion of Mr. Bissell, this appointment was approved.

APPOINTMENT TO GEORGE A. MILLER VISITING PROFESSORSHIP

(6) On nomination of the Head of the Department of Mathematics, the Dean of the College of Liberal Arts and Sciences, and the Dean of the Graduate College, I recommend the appointment of Dr. Roger Jean Henry Godement, now Professor at the University of Nancy, Nancy, France, as the first George A. Miller Visiting Professor of Mathematics for one year from September 1, 1954, at a salary of $10,000 (D basis).

On motion of Mr. Johnston, this appointment was approved.

HEADSHIP OF ILLUSTRATION STUDIOS IN THE CHICAGO PROFESSIONAL COLLEGES

(7) Professor Tom S. Jones, Head of the Illustration Studios in the Chicago Professional Colleges, will retire September 1, 1954. On nomination of the Dean of the College of Medicine and with the concurrence of the Chairman of the Administrative Committee for the Chicago Professional Colleges, the Provost, and the Dean of the Graduate College, I recommend the appointment of A. Hooker Goodwin, now Professor of Medical Illustration at the Bowman Gray School of Medicine, Wake Forest College, Winston-Salem, North Carolina, as Professor of Medical and Dental Illustration and Head of the Illustration Studios in the Chicago Professional Colleges on indefinite tenure beginning September 1, 1954, at a salary of $9,000 (AY basis). (This is the salary of the position at present.)

Professor Hooker was formerly (1948-1950) on the staff of the Illustration Studios of the University of Illinois.

In the past this activity has been budgeted under the College of Medicine although it serves all Chicago Professional divisions. There is general agreement that it should be placed under the Office of the Vice-President. As soon as practicable it is the intention that this be done. Its functions of service to the College of Medicine, as well as to all other divisions, will not be changed.

On motion of Mrs. Watkins, this appointment was approved.

HEADSHIP OF THE DEPARTMENT OF MINING AND METALLURGICAL ENGINEERING

(8) On recommendation of the Dean of the College of Engineering and with the concurrence of the Provost and the Dean of the Graduate College, I recommend the appointment of Thomas A. Read, presently Associate Professor of Metallurgy at Columbia University, as Professor of Metallurgy and Head of the Department of Mining and Metallurgical Engineering on indefinite tenure beginning August 1, 1954, at an annual salary of $11,000 (A basis).

The headship of this Department has been vacant since the resignation last year of Professor Harold L. Walker. In the meantime, Professor W. R. Chedsey has been serving as Acting Head.

On motion of Mr. Herrick, this appointment was approved.

APPOINTMENTS TO THE FACULTY

(9) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. HAROLD H. DRAPER, Assistant Professor of Animal Nutrition in the Department of Animal Science (C&S), beginning September 1, 1954, at an annual salary of $6,000 (DY).
2. WALTER C. JACOB, Professor of Agronomy (C&S), beginning September 1, 1954, at an annual salary of $9,000 (DY).
3. VICTOR H. RUMSEY, Professor of Electrical Engineering, beginning September 1, 1954, at an annual salary of $8,100 (A).
4. JACK WOOD, Associate Professor of City and Regional Planning, in the Department of City Planning and Landscape Architecture, beginning September 1, 1954, at an annual salary of $6,600 (A).

On motion of Mr. Nickell, these appointments were confirmed.

APPOINTMENTS TO THE UNIVERSITY OF ILLINOIS CITIZENS COMMITTEE

(10) At its meetings on December 16, 1953, and January 19, 1954, the Board of Trustees approved appointments to the reactivated University of Illinois Citizens Committee. I now submit the following supplemental nominations for appointment to that Committee. These have already been approved by the Executive Committee of the Board.

MR. EDWIN N. JACQUIN
Fairmount Addition
Alton, Illinois

MRS. KATHERINE TREES LIVEZEY
70 East Cedar Street
Chicago 11, Illinois

MISS EDITH D. PAYNE
Director, School of Nursing and Nursing Service
St. Luke's Hospital
1439 South Michigan Avenue
Chicago 5, Illinois

MR. BEN REGAN
Executive Vice-President
Nationwide Food Service, Incorporated
18 South Michigan Avenue
Chicago 3, Illinois

The following members whose appointments were previously approved by the Board have asked to be relieved of service on the Citizens Committee and their names have been removed from the list.

MR. RICHARD J. FINNEGAN
Consulting Editor
Chicago Sun-Times
211 West Wacker Drive
Chicago 6, Illinois

MR. HAYS MACFARLAND
Chairman of the Board
MacFarland, Aveyard & Company
333 North Michigan Avenue
Chicago 1, Illinois

The following new officers of the Mothers' Association have been elected recently and replace those in the list approved by the Board on December 16, 1953.

Mrs. Ward E. Turnbull (President)
Route 3
Bradford, Illinois

Mrs. C. L. Roush
(Second Vice-President)
612 Northampton Street
Woodstock, Illinois

Mrs. Edward S. Baxter
(First Vice-President)
635 South Brainard Avenue
La Grange, Illinois

Mrs. Don Holloway
(Third Vice-President)
Route 1
Sparta, Illinois

Mrs. Wayne Dymond, Decatur, Illinois, was reelected Treasurer and Miss Agnes G. Tandberg, Associate Dean of Women, was reelected Executive Secretary.

On motion of Mr. Nickell, these appointments were approved.

CURRICULUM IN NURSING

(11) The faculty of the School of Nursing and the University Senate recommend the establishment of a four-year collegiate program in nursing leading to the degree of Bachelor of Science in Nursing according to the following plan.

Students will be admitted to the professional part of the program in September, 1954. The entire program, preprofessional and professional, will also go into effect at that time. (Several students currently enrolled in the prenursing curriculum of the Affiliation Program in Nursing have completed the proposed preprofessional program in preparation for admission to the School of Nursing in September, 1954.)

Admission to the Preprofessional Curriculum. An applicant for admission to this curriculum (a) must meet the general requirements for admission to the College of Liberal Arts and Sciences, and (b) must rank in the upper 50 per cent of her high school graduating class, or have completed a minimum of fifteen semester hours of acceptable college work with an average of not less than 3.0.

Admission to the Professional Curriculum. The number of students admitted to the professional curriculum is limited by the facilities of the School of Nursing. Selections for admission to this curriculum are made by the Committee on Admissions after a careful study of scholastic record, aptitude, and health examinations, and such evidence of personal characteristics essential for nursing as is required by the Committee. An interview with representatives of the faculty of the School of Nursing is required.

A University scholarship average of 3.0 is a minimum requirement. Candidates must have received a grade of at least "C" in prerequisite courses (chemistry and biology or zoology).

Admission to transfer students is governed by the same regulations applicable to other students in the curriculum. Transfer students in all but exceptional cases must complete all eleven quarters of the professional phase of the curriculum in the School of Nursing.

General Description. The curriculum consists of a minimum of two semesters in the College of Liberal Arts and Sciences and eleven quarters in the School of Nursing in Chicago. The work is divided into two levels. The two semesters in the College of Liberal Arts and Sciences constitute the preprofessional curriculum. The eleven quarters in the School of Nursing constitute the professional phase of the curriculum and include related academic (nonprofessional) courses. Provision is made for one summer session in the College of Liberal Arts and Sciences during the third year in order that students may have an opportunity to take selected electives on a more mature level than would be possible in the freshman (preprofessional) period.

Specific Graduation Requirements. A candidate for the degree of Bachelor of Science in Nursing must meet the following general requirements: pay all indebtedness to the University, obtain passing grades in all required courses in the curriculum, and have completed the four-year curriculum with an over-all average of "C" for the total number of 216 quarter hours required for the degree. In all but exceptional cases, at least eleven quarters of professional education and experience must be taken in residence in the School of Nursing, and in all cases, a minimum of at least one year (forty-five quarter hours of senior level professional courses) must be taken in residence in the School of Nursing.

The curriculum here proposed is wholly new, a baccalaureate degree program in nursing of the "integrated" or "correlated" type. It is meant to replace the so-called Affiliation Program entered into by the University in 1949, and which is to be discontinued with the expiration of commitments made in current published material.

This type of program differs from the conventional and traditional hospital-school nursing program in that students do not work their way through by giving hospital service, and in that the faculty and quality of instruction and instructional facilities are of collegiate grade. It aims, in addition to preparing the student nurse to render skilled physical care to patients, to give the grounding in science and in medicine needed to prepare her for the increasing responsibilities of modern nursing, to instruct her as to the place of nursing in the health services of the community, to prepare her to take responsibilities in administration, teaching, and in the advancement of the profession.

The University of Illinois began studies aimed at setting up a collegiate program of nursing in 1945, then deviated from this purpose with the Affiliation Program of 1949. With the present curriculum it returns to its original aim, and has profited by the substantial literature on collegiate nursing program appearing in the last few years. With this curriculum, and our own staff and facilities, the University will have a program that should take its place among the best in America.

The complete outline of specific course requirements in the preprofessional and professional areas of this curriculum has been filed with the Secretary of the Board for record and has been supplied to the University officers concerned.

I concur.

On motion of Mrs. Holt, this recommendation was approved.

REQUIREMENTS FOR DEGREE OF BACHELOR OF MUSIC

(12) The University Senate recommends the following changes in the requirements for the degree of Bachelor of Music: addition of a required new course, Basic Music Literature, two hours; dropping of two courses in Analysis of Musical Form; and increasing the total number of semester hours in the curriculum from 130 to 132 semester hours.

The purpose of these changes is to improve the offerings in the history of music and is in line with the curricula of other schools of music.

I concur.

On motion of Mr. Hickman, this recommendation was approved.

PROFESSIONAL CURRICULUM FOR DEGREE OF MASTER OF BUSINESS ADMINISTRATION

(13) On July 16, 1952, the President of the University recommended and the Board approved the establishment of a Graduate School of Business Administration "as an integral part of the College" (College of Commerce and Business Administration). It was stated in the presentation that the new curriculum required for the program would call for consideration by the University Senate and later action by the Board. Temporary approval of the admission of students in the fall of 1952 was given by the President pending the approval of the curriculum.

This proposal had not been reviewed by all University administrative and academic parties concerned. The Executive Faculty of the Graduate College, in November, 1952, passed and transmitted to the President a resolution voicing objection to the establishment of such a graduate program "distinct from the Graduate College of the University" and leading to a graduate degree. It requested reconsideration of the subject so that "the jurisdiction for this program be placed in the Graduate College."

On taking office in September, 1953, I found this question still unresolved and no formal action taken on a curriculum. Temporary approval for admission of students in the fall of 1953 was continued in anticipation of the approval of a curriculum. (The curriculum had been submitted in July, 1953, but had not yet been acted upon.) Discussions were immediately initiated with the Dean of the College of Commerce and Business Administration, the Dean of the Graduate College, and the Chairman of the Senate Committee on Educational Policy

to seek an agreement, if possible, among all concerned as to (a) the title of the program and (b) its relation to the Graduate College.

The Senate Committee gave long consideration to the subject, and on April 5, 1954, presented to the Senate recommendations that the curriculum be approved, that the program be left within the College of Commerce and Business Administration but without the use of the term "graduate." The Senate by a vote of two to one disapproved these recommendations of its Committee on Educational Policy and took the following actions relating to the Graduate School of Business Administration:

1. That the Senate is in sympathy with the aims of the professional program in Business Administration leading to the Master of Business Administration degree.
2. That the term "graduate" should not be employed in connection with programs which are not within the Graduate College.
3. That 400 numbers should not be used for courses outside the Graduate College.
4. It is the opinion of the Senate that all programs leading to a master's degree or to a Doctor of Philosophy or Doctor of Education degree belong within the Graduate College.
5. It is the judgment of the Senate that the proposed professional program in Business Administration should be within the Graduate College if a master's degree, or other degree resembling those granted by the Graduate College, is granted and the term "graduate" is used.
6. That all proposals of programs which require a bachelor's degree for admission be submitted to the Executive Faculty of the Graduate College in order that the Executive Faculty may have the opportunity to make recommendations as to whether the program properly falls within the general program of the Graduate College.
7. That the Senate request the Executive Faculty of the Graduate College to examine the records of the three students, now scheduled to complete in June, 1954, the requirements for the Master of Business Administration degree in the proposed program, and that further the Executive Faculty be asked to present at the next regular meeting of the Senate its recommendations with respect to granting degrees to these students.
8. That the proposed curriculum leading to the degree of Master of Business Administration be referred to the Executive Faculty of the Graduate College for study and that this body make its recommendations to the Senate Committee on Educational Policy within one month so that the Policy Committee may present its report to the next regular meeting of the Senate.

This last action would make it possible for the College of Commerce and Business Administration to offer the M.B.A. program within the administrative framework of the Graduate College. The Dean of the College of Commerce and Business Administration was requested by the Dean of the Graduate College and by the President of the University to submit the proposed curriculum to the Graduate College. Eventually, a copy of the curriculum was supplied to the President's Office and was referred to the Graduate College, but the course proposal outlines essential to the examination and the evaluation of the curriculum were not provided. Hence, the Executive Faculty of the Graduate College was unable to carry out the instructions of the Senate. (The Executive Faculty has authority over all Graduate College curricula, and its approval is required before such curricula can be acted upon by the University Senate.)

The present status of this matter then is that the College of Commerce and Business Administration has not submitted a curriculum for the new M.B.A. program to be offered in the Graduate College, and the University Senate has not approved a curriculum for the M.B.A. program to be offered by a graduate school of business administration.

On June 7, 1954, the University Senate voted to request the Board of Trustees to rescind its action of July 16, 1952, establishing the Graduate School of Business Administration outside of the Graduate College. In this connection, attention is called to the following provisions in the University of Illinois Statutes which had not been followed by University administrative officials prior to the submission to

the Board of Trustees on July 16, 1952, of the proposal for establishing the Graduate School of Business Administration:

> No new line of work involving questions of general educational policy shall be established *except on recommendation of the Senate.*
>
> The transfer of any line of work, or any part thereof to or from a college, from or to some other administrative group shall be made *on recommendation of the Senate* and approval of the Board of Trustees.

It should be noted that in presenting the proposal to establish the Graduate School of Business Administration to the Board of Trustees for approval without the recommendation of the Senate, the President of the University stated:

> It is understood that the approval of the new curriculum itself, extending the period of advanced study for the existing degree, Master of Business Administration, from one year to two years and substantially revising its component parts, will call for faculty approval through the standard channels of the Senate Committee on Educational Policy and the Senate. There may be other points, too, that are regarded as essentially academic rather than administrative which the Senate will want to pass upon.

Thus the President recognized the jurisdiction of the Senate although the essential step of securing approval had not yet been taken. In view of this situation, a fresh start is indicated.

In the meantime, the University Senate, upon certification of the College of Commerce and Business Administration and the Graduate College, has recommended that the three students who were admitted to the curriculum in 1952 pending its approval be given the degree of Master of Business Administration upon satisfactory completion of the requirements set up for that degree. The degree will have been conferred upon two of the students at the Commencement exercises on June 20, 1954, and the third will receive the same degree in October, 1954, if he completes the required courses with satisfactory grades.

The Senate has taken this unusual action of recommending students for degrees in a curriculum not approved by the Senate in recognition of the fact that they entered upon the program in good faith and that their interests must be protected, but with the understanding that the action should not be considered as establishing a precedent.

I concur in the request of the Senate that the Board rescind its action of July 16, 1952, establishing the Graduate School of Business Administration. When this is done the way will be open for the College of Commerce and Business Administration, if it desires, to resubmit the curriculum as a revised program for the M.B.A. degree in the Graduate College for consideration through regular channels.

On motion of Mrs. Watkins, the action of the Board of Trustees of July 16, 1952, as recorded on page 5 of the minutes of that meeting, was rescinded since that action was not completely consistent with University Statutes and procedures.

The Board expressed its deep interest in seeing a program of this kind established and requested the President of the University to call upon the College of Commerce and Business Administration to resubmit a program in a manner and through channels conforming with University Statutes and procedures for consideration by the Board at an early date.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(14) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

1. College of Agriculture	
For replacement of automobiles	$ 7 100
For remodeling 104-105 Mumford Hall	3 900
For construction of two milk houses at Lincoln Avenue Dairy Barns	25 000
2. University Broadcasting, for studio equipment for the Television-Motion Picture unit	23 700

3. Department of Chemistry and Chemical Engineering, for repairs and maintenance in Noyes Laboratory and the Chemistry Annex	75 000
4. Dean of Students, for special camera equipment to put into operation a photo-bearing I.D. Card System on the Urbana campus	3 150
5. Department of Entomology, for remodeling and equipping 309 Harker Hall	9 600
6. Department of Geography, for equipment for Davenport Hall	2 600
7. Institute of Labor and Industrial Relations, for remodeling	3 150
Total	$153 200

I recommend that these appropriations be made from the General Reserve Fund.

On motion of Mr. Livingston, these appropriations were approved by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton. Mr. Hickman asked to be recorded as voting "no" on the assignment of funds for the purchase of equipment for a photo-bearing I.D. Card System but "aye" on all of the other items.

RENEWAL OF LEASES WITH THE CITY OF CHICAGO FOR NAVY PIER AND DRILL HALL

(15) The present leases with the city of Chicago for space on Navy Pier and in the adjacent Drill Hall occupied by the Chicago Undergraduate Division expire on June 30, 1954; negotiations have resulted in an agreement for renewal at a rental of $181,000.08 a year. These leases were authorized by the Board on July 25, 1953.

Renewal documents were prepared in accordance with this authorization and presented to the city of Chicago. Through the Commissioner of Public Works the city has indicated approval subject to certain changes because of the following items which the city had not raised in earlier negotiations.

The city wants the space now occupied by the Office of Nonacademic Personnel but which is not included in the Drill Hall lease. The Commissioner indicated that the city would permit the University to continue occupying this space if it will pay rental for it, although the city would prefer to have the space.

Another question relates to the University's practice of permitting the staff to park cars inside the Pier on the north side of the runway, an area adjacent to the space leased by the University. This area is not a part of the space for which the University now pays rent, but the present lease provides that the city shall maintain it as a "No Parking" area. The purpose of this provision was to avoid noise interference with classes. Subsequently, it was found that cars could be parked there without interfering with classroom activities, and the faculty has been using this area for parking. The city holds that if the University wishes to use this space for faculty parking, it should pay rent for it.

The University has agreed to relocate the Nonacademic Personnel Office in the small building northeast of the Drill Hall now occupied by the *Pier Illini* (the student newspaper). The city proposes that this space and the parking area be included in the new leases, and requests an additional rental of $6,000 a year. This rate is determined by a charge for parking spaces for 120 cars of approximately $4 per car per month, which amounts to a total of $5,760 a year, and by inclusion in the Drill Hall lease of the new area for the Office of Nonacademic Personnel at an additional annual rental of $240, or a total of $6,000 a year.

The Dean of the Undergraduate Division recommends that the parking area be retained for the use of the staff since parking at the Pier is a serious problem.

Funds for the increased rental will be made available within the Physical Plant budget.

The Dean of the Undergraduate Division, the Comptroller, and the Director of the Physical Plant recommend that the leases be renewed as indicated above at an annual rate of $187,000.08. I concur and recommend that the Comptroller and the Secretary of the Board be authorized to conclude and execute the necessary contracts upon their approval by the Legal Counsel.

On motion of Mrs. Watkins, the renewal of the leases was approved and the Comptroller and Secretary of the Board were authorized to execute the necessary documents. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

APPROPRIATION FOR CONTRACTS FOR CONSTRUCTION OF ADDITION TO ARTHUR NEWELL TALBOT LABORATORY

(16) The Department of Civil Engineering has a structural research laboratory which is an integral part of the research and graduate instructional program of the Department. The magnitude of the work done in this laboratory is indicated by its budget which presently amounts to nearly $366,000 including University funds of $60,000, the balance coming from outside sources in support of research.

The laboratory space available for structural research is much too small in comparison with the research and educational activities being carried on in this field. While the laboratory has made notable contributions in the field of structural engineering and has maintained its leadership in structural research, it no longer has an advantage in equipment and facilities and the Department is unable to undertake attractive research projects. To continue programs on which the basic work has been done during the past few years the Department of Civil Engineering needs an addition to the Arthur Newell Talbot Laboratory. The Department recommends the construction of an addition providing approximately 1800 square feet of floor space. The total cost of the addition is estimated at $58,000. The construction has been approved by the Building Program Committee and the Committee on Nonrecurring Appropriations recommends an assignment of $52,000 from the General Reserve Fund with the understanding that $6,000 will be made available from the Department's share of indirect cost funds received from contract research.

I recommend approval of this general program including an assignment of $52,000 from general University funds, an assignment of $6,000 from indirect cost funds accruing to the Department of Civil Engineering, and the award of contracts to the following lowest bidders for the construction of this addition with authorization to the Comptroller and the Secretary of the Board to execute these contracts:

General — Pathman Construction Co., Chicago	$37 570 00
Electrical — Fedco Electrical Contractors, Inc., Danville	3 896 00
Plumbing and Heating — Champaign Plumbing and Heating Co., Champaign	3 558 00
Ventilating — Schroeder's, Champaign	1 722 00
Crane — Abell-Howe Company, Chicago	5 202 00
Total	$51 948 00

On motion of Mr. Livingston, the assignments of funds were approved, the contracts were awarded as recommended, and the Comptroller and the Secretary of the Board were authorized to execute the same. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

AWARD OF CONTRACT FOR PLASTERING AND ACOUSTICAL WORK

(17) The Director of the Physical Plant and the Comptroller recommend award of a contract to Harry F. Fisher, Urbana, the lowest bidder, for plastering, maintenance and minor acoustical improvement work to be done as needed during the fiscal year beginning July 1, 1954, on a cost-plus percentage basis as follows:

Unit price per hour for trucking	$2.75
Total cost of trucking for any one project not to exceed the cost of labor and materials charged to the job by	10%

"Contractor's Fee" when project costs exceed $25 to be added to total of all job costs..... 17%
"Contractor's Fee" when acoustical or other work is furnished by direct lump sum subcontract..... 17%

Charges for less than $25 will be billed on a lump sum basis.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Johnston, this contract was awarded and the Comptroller and the Secretary of the Board were authorized to execute the same.

STORM WATER DRAINAGE HUFF GYMNASIUM

(18) The Director of the Physical Plant and the Comptroller recommend award of a contract for $8,825 to the Illiana Construction Company, Inc., Urbana, the lowest bidder, for the construction of a storm sewer along the east side of Huff Gymnasium to serve as an outlet for the draining of the swimming pool, downspout and footing drains. This sewer will divert the storm water drainage south to discharge into the new sewer being provided for the Law Building.

Funds are available in a special appropriation made by the Board of Trustees for this project.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Bissell, this contract was awarded and the Comptroller and the Secretary of the Board were authorized to execute the same.

CONTRACT FOR EXTENSION OF PNEUMATIC TUBE SYSTEM IN RESEARCH AND EDUCATIONAL HOSPITALS

(19) The Director of the Physical Plant and the Comptroller recommend award of a contract for $3,666 to the Lamson Corporation, Syracuse, New York, for an extension of the pneumatic tube system from the addition to the Research and Educational Hospitals to the Neuropsychiatric Institute. The work will consist of relocating the system from areas where it is no longer required to connect other areas in the Hospital addition and the Neuropsychiatric Institute.

Funds are available in an appropriation made for remodeling by the Board of Trustees on November 20, 1953.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Johnston, this contract was awarded and the Comptroller and the Secretary of the Board were authorized to execute the same.

CONTRACT FOR DESIGN OF AIR CONDITIONING INSTALLATIONS IN RESEARCH AND EDUCATIONAL HOSPITALS

(20) The Director of the Physical Plant and the Comptroller recommend award of a contract to Nelson and Nettnin, Inc., 343 South Dearborn Street, Chicago, for engineering services in designing air-conditioning installations in the milk formula preparation area, the bacteriology and serology laboratories, and the clinic and admission areas in the addition to the Research and Educational Hospitals.

This firm has made a proposal to do the work at a fee of 10 per cent of the cost of the completed installation. This is estimated to cost $92,000, so that the fee for the engineering design would be $9,200. It will be stipulated in the contract that the cost of the work to be done by Nelson and Nettnin, Inc., shall not exceed $9,200 without prior authorization from the University to proceed with work which shall call for payments in excess of this figure. This firm has done several engineering jobs for the University, both in Chicago and Urbana-Champaign.

Funds are available in assignments made by the Board of Trustees on May 15, 1954, for remodeling at the Chicago Professional Colleges.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute a contract with Nelson and Nettnin, Inc., for services in accordance with the terms and restrictions recommended.

On motion of Mrs. Holt, this contract was awarded and the Comptroller and the Secretary of the Board were authorized to execute the same.

CONTRACT FOR INSTALLATION OF NEW AIR-CONDITIONING SYSTEM IN TWO ROOMS OF THE NEUROPSYCHIATRIC INSTITUTE

(21) The Director of the Physical Plant and the Comptroller recommend award of a contract for $3,997 to Narowetz Heating and Ventilating Co., Chicago, the lowest bidder, for the installation of an air-conditioning system in Rooms 704 and 705 of the Neuropsychiatric Institute Building, which are used by the Department of Psychiatry for taking pictures of patients. Artificial cooling is necessary because of high intensity of illumination required causes excessive heat which can not be otherwise dissipated.

Funds are available in a special appropriation approved by the Board of Trustees on December 16, 1953.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Herrick, this contract was awarded and the Comptroller and the Secretary of the Board were authorized to execute the same.

CONTRACT FOR THE INSTALLATION OF ACOUSTICAL TREATMENT IN STAFF APARTMENT BUILDING AT THE CHICAGO PROFESSIONAL COLLEGES

(22) The Director of the Physical Plant and the Comptroller recommend award of a contract for $3,736 to Fisher-Busse Co., Chicago, the lowest bidder, for an acoustical treatment of the corridors and elevator lobbies in the Staff Apartment Building at the Chicago Professional Colleges.

Funds are available in the 1951 revenue bond construction account.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was awarded and the Comptroller and the Secretary of the Board were authorized to execute the same.

CONTRACT FOR LABORATORY FURNITURE FOR CHICAGO PROFESSIONAL COLLEGES

(23) The Business Manager of the Chicago Professional Colleges, the Director of the Physical Plant, and the Comptroller recommend award of a contract for $43,547.45 to the Kewaunee Manufacturing Company, Adrian, Michigan, the lowest bidder, for the manufacture and installation of 135 pieces of laboratory furniture consisting of sinks, benches, drying racks, and other equipment in areas being remodeled for the Departments of Anatomy, Bacteriology, and Pathology in the College of Medicine and for Dental Clinics and Dental Radiology in the College of Dentistry.

Funds are available in the special appropriation made by the Board of Trustees on May 15, 1954, for remodeling in these areas and also in the revenue bond construction account.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Johnston, this contract was awarded and the Comptroller and the Secretary of the Board were authorized to execute the same.

CONTRACT FOR ALTERATIONS IN DENTISTRY-MEDICINE-PHARMACY BUILDING

(24) The Director of the Physical Plant and the Comptroller recommend award of a contract for $32,990 to the Mutual Contracting Company, Chicago, the lowest

bidder, for remodeling of space occupied by the Department of Anatomy in the College of Medicine. The work will consist of rearrangement of partitions, improvements in lighting, and installation of new laboratory equipment, and is part of the program of remodeling to improve and to increase the capacity of existing facilities.

Funds are available in the reserve assigned for remodeling at the Chicago Professional Colleges by the Board of Trustees on May 15, 1954.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Livingston, this contract was awarded and the Comptroller and the Secretary of the Board were authorized to execute the same.

CONTRACT FOR OXYGEN FOR RESEARCH AND EDUCATIONAL HOSPITALS

(25) On July 25, 1953, the Board of Trustees authorized the purchase of bulk oxygen for the Research and Educational Hospitals from the Linde Air Products Company, Chicago, at the rate of $0.55 per 100 cu. ft. from a bulk supply (outdoor installation) with the understanding that this arrangement was to continue for one year, at a total estimated annual expenditure of $9,900.

Due to difficulties beyond the University's and Linde's control, the start of this service has been delayed. The first oxygen was used on May 14, 1954.

The firm anticipated at least one full year's withdrawals from their expensive storage installation which they have placed on University premises, but the total expenditures during 1953-1954 will not exceed $500. In view of the difficulties surrounding the inauguration of this service and of the high degree of cooperation that the University has received from representatives of Linde, some consideration regarding the dating of this arrangement is due the firm.

The Business Manager of the Chicago Professional Colleges and the Comptroller recommend that the arrangement for service be extended until June 30, 1955.

I concur.

On motion of Mr. Nickell, extension of this contract for one year from July 1, 1954, was authorized.

CONTRACT FOR CONSTRUCTION OF GRAIN STORAGE TANKS AT ALLERTON FARMS

(26) The Dean of the College of Agriculture and the Comptroller recommend award of a contract to George W. Quick and Sons, Tiskilwa, Illinois, for the erection of two concrete grain storage tanks at the Amenia elevator for use by the Robert Allerton Farms at a cost of $14,738. The storage tanks will be located on Illinois Central Railroad property.

The University now owns the elevator at Amenia, also located on Illinois Central Railroad property. This and other present storage facilities on the Robert Allerton Farms are inadequate for the normal production of beans, wheat, and oats. The probable 1954 production is 64,000 bushels while the storage facilities on the farms provide for only 26,000 bushels, leaving a deficiency of 38,000 bushels. Central storage at the elevator will be more advantageous from the standpoint of the University. The tenants also prefer central storage to farm storage even though they pay rental for central storage. The Amenia elevator is now rented to the Monticello Grain Company, which pays to the University one-half of the gross storage income plus one cent a bushel for all grain loaded out. The additional tanks would be rented on the same basis. The estimated additional income is $1,500 a year.

Funds are available from income of the farms for this purchase. If additional storage facilities are not provided, the University will be required to sell much of its soybean crop at harvest. During the past few years, the price differential from holding the crop rather than selling it at harvest has been great enough to recover the cost of the storage facilities within a relatively short period of time.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute a contract with George W. Quick and Sons, modify the rental agreement with the Monticello Grain Company to cover the additional storage tanks, and execute the necessary documents with the Illinois Central Railroad subject to approval of the Legal Counsel.

On motion of Mrs. Holt, this contract was awarded as recommended, and the Comptroller and the Secretary of the Board were authorized to execute the same. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

DISPOSITION OF CERTAIN SECURITIES OF THE GEORGE A. MILLER ENDOWMENT

(27) Among the assets of the Estate of George A. Miller transferred to the University by the Executor, Mr. Marc C. Norton, are the following securities which he deemed worthless from information furnished by sources he considered reliable:

American Lumber Company — 10 shares common
American Planograph Co. (West Virginia) — 1 share common
Commonwealth Corporation (Delaware) — 40 shares common
Consolidated Coppermines Company — 1 share stock scrip
Cuban Cane Products Co., Inc. — 35 shares common
Cuban Cane Products Co., Inc. — Debentures $3,500 face value
Illinois Art Industries, Inc. — 25 shares participating preferred
Kuebler Brewing Co., Inc. — 80 shares common
Lackawanna Coal & Lumber Co. (West Virginia) — 10 shares common
Lawrence and Talman Mercantile Building — $6,000 face value First Mortgage 6½ per cent Serial Gold Bonds (coupon form)
Lincoln Mining Company (Utah Corporation) — 1750 shares common
New Mexico Gold Producers Corporation — 3,150 shares $1 par common
Northeastern Oil and Gas Company — 7 shares common
Quadmetals Corporation (Utah) — 9,000 shares common
Twin States Natural Gas Co. — 26 shares Depositary Certificate for Participating Class A stock, under agreement dated January 1, 1931
Twin States Natural Gas Co. — 10/40 share scrip certificate
Twin States Natural Gas Co. — $10,000 face value Certificates of Deposit

The opinion of the Continental Illinois National Bank and Trust Company, depositary of the Miller Endowment Fund, was requested as to the value of these securities. That bank has now advised that it has checked each item carefully and considers the securities worthless. However, it recommends that, rather than destroy the certificates, they be kept in a section of the bank's vaults used for this purpose.

The Comptroller reports that the above-listed securities, which have been held by the Bursar pending decision as to their disposition, will be transferred to the Continental Illinois National Bank and Trust Company for safekeeping, a receipt will be obtained for them and no further record of said securities will be maintained by the University.

This report was received for record.

GIFT FOR SCHOLARSHIPS FOR COLOMBIAN STUDENTS[1]

(28) Mr. Henry Lee Shattuck of Boston, Massachusetts, has offered the Univerversity of Illinois $100,000 for scholarships for students who are citizens of Colombia. This will provide approximately fifty scholarships of $1,850 each and is sufficient to cover tuition, books, other educational costs, and living expenses.

The students receiving the scholarships will be nominated by the University of the Andes, Bogota, Colombia, on the basis of scholastic attainment and financial need. The nominees must meet the standard entrance requirements of the University of Illinois. They will also be interviewed and screened by the Dean of Foreign Students.

The $100,000 grant will be received and administered as a gift to the University for the purpose of aid to these students. The Dean of Students and the Comptroller recommend the acceptance of this fund.

I concur.

This report was received for record.

[1] This offer was subsequently withdrawn and the grant will not be made. — Secretary's Note.

BENJAMIN FRANKLIN MAGAZINE AWARDS

(32) It will be recalled that at its meeting on March 25, 1953, the Board of Trustees accepted a fund of $52,500 to establish the Benjamin Franklin Magazine Awards of annual cash prizes and medal awards to magazines and magazine writers, and approved a plan for administering these awards. The fund is to be used during a five-year period to get this project established. The donors of the original funds wish to remain anonymous. The final selections are made by a group of anonymous judges appointed by the University but from outside of its staff.

The first annual Benjamin Franklin Magazine Awards given during the year 1953 were presented to the recipients at a dinner in New York City on May 25, 1954. About 375 guests attended the dinner. The awards were as follows:

1. The first award, a gold medal and scroll, given to an American magazine of general circulation, for the most distinguished and meritorious public service during the year went to the *Ladies Home Journal*. It was given as a result of a series of ten articles appearing during the year dealing with people voluntarily engaged in community activities, produced by the magazine's Public Affairs Department of which Miss Margaret Hickey is the editor.

Honorable Mentions in this classification went to *Argosy*, for "Court of Last Resort"; *Look* for "The Role of Religion in American Life"; *U. S. News and World Report* for a series of interviews; and *The Saturday Evening Post* for "The Ten Most Wanted Men."

2. The award for the most distinguished magazine writing involving original reporting in which serious obstacles had to be overcome — a scroll and the sum of $1,000 to John Bartlow Martin of Highland Park, Illinois, for "Why Did It Happen: The Riot at Jackson Prison," which appeared in *The Saturday Evening Post*.

Honorable Mention: George McMillan of Aiken, South Carolina, for "Big Botch at Savannah River," which appeared in *Harper's*.

3. The best article or series of articles depicting life, culture, or institutions in the United States — a scroll and the sum of $500 to William H. Whyte, New York, for "The Transients," which appeared in *Fortune*.

Honorable Mention: Bernard DeVoto, Cambridge, Massachusetts, for "Our Great West — Boom or Bust?" which appeared in *Collier's*.

4. For the best interpretation of the foreign scene or of our foreign relations — a scroll and $500 to Adlai Stevenson, Libertyville, Illinois, for an eight-article series on world conditions, *Look*. Honorable Mention: Santha Rama Rau, New York, for "India," which appeared in *Holiday*.

5. For the article best depicting a person — a scroll and $500 to Robert Coughlan, New York, for "The Private World of William Faulkner," in *Life*. Honorable Mentions: J. H. Powell, Philadelphia, for "General Washington and the Jack Ass," *The South Atlantic Quarterly;* and Richard Donovan, Los Angeles, for "The Fabulous Satchel Paige," *Collier's*.

6. On recommendation of the judges, no award was given this year for the best piece of magazine humor.

7. For the best short story — a scroll and $500 to Ray Bradbury, New York, for "Sun and Shadow," in *The Reporter*. Honorable Mention: Jeff Brown, New York, for "Talk to Home," *Collier's*.

[1] Deduct.

8. For an outstanding meritorious presentation in any category not specifically covered by the other awards — a scroll and $500 to Lincoln Barnett, the editors and staff of *Life* magazine, for "The World We Live In" series. Honorable Mentions: Roger Angell, Palisades, New York, for "Youth and the World," *Holiday;* and to Charles J. V. Murphy and Eric Hodgins, New York, whose articles appeared under the general title "Nuclear Power and Its Impact and Meaning for America," *Fortune*.

This report is for the information of the Board and calls for no action.

This report was received for record.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(33) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

Name	*Address*	*State from Which They Obtained Certificates*

ALBERT ABRAHAM SOMMERS	Chicago	District of Columbia
HOWARD EDGAR WEBER	St. Louis, Missouri	Missouri

I concur.

On motion of Mr. Bissell, these certificates were awarded.

CHANGE IN ORGANIZATION OF THE DEPARTMENT OF ART

(34) The headship of the Department of Art will become vacant on September 1 when Professor Allen S. Weller, the present Head of the Department, becomes Dean of the College of Fine and Applied Arts.

The faculty of the Department has voted to recommend a change in departmental organization from a headship to a chairmanship for the academic year 1954-1955. This is permissive under the University Statutes if concurred in by the Dean of the College and the President of the University. The Dean and I concur.

After consulting with the Executive Committee of the Department, the Dean recommends the appointment of Professor C. V. Donovan as Acting Chairman of the Department for one year from September 1, 1954, or until such a prior time as a permanent Head is appointed.

I concur in this recommendation.

On motion of Mr. Nickell, this recommendation was approved.

CONTRACT FOR RESIDENCE HALLS FURNITURE

(35) During World War II, the Gymnasium Annex was converted into a barracks for Navy trainees and the Ice Skating Rink as a barracks for Army trainees. For a few years following the war the Gymnasium Annex was operated as a low-cost dormitory for men. In view of the successful experience with this operation and the need for low-cost housing for men, a unit (Noble House) of the Men's Residence Halls was constructed to provide a dormitory-barracks type of accommodations with a capacity of 288 men. This unit was opened in the first semester of 1952-1953 with an average occupancy of 269. In the second semester, the occupancy dropped to 70. In the first semester of 1953-1954, the average

occupancy was 268 and in the second semester, 98. In the fall of 1953-1954, the food service, dining rooms, and kitchen areas in Clark House were converted into dormitory-barracks type of housing with a capacity of 78 students. During the first semester of that year the average occupancy was 70, but during the second semester the area was unoccupied.

While this type of housing was in demand for a few years following World War II, it is apparent from recent experience that accommodations of this type are not attractive to men students now attending the University and that they are acceptable only as a last resort. In anticipation of this possibility, Noble House was so constructed that the dormitory areas in it could readily be converted into rooms.

The Director of Housing recommends that the dormitory areas in Noble House and Clark House be converted into room units accommodating three men each. This will result in a capacity of 226 residents plus four counselors in Noble House and 60 residents in Clark House. The conversion will be accomplished by installing built-in cabinets and other furniture which will serve the dual purpose of dividing the areas into rooms and providing part of the furniture. The Board of Trustees in March authorized the purchase of twelve units of such furniture for experimentation and these have been proved satisfactory. The estimated cost of this conversion is $206,130. Funds are available in the net income from past operations of University housing facilities, mainly from temporary housing.

The Director of Purchases, the Director of the Physical Plant, and the Comptroller recommend award of a contract for $80,316.02 to Mandel Brothers, Chicago, the lowest bidder, for the purchase of 274 units of built-in furniture for this remodeling program.

I recommend that the program as outlined be approved, the use of Housing Division funds for this remodeling be authorized, the contract be awarded to Mandel Brothers, and the Comptroller and the Secretary of the Board be authorized to execute the same.

On motion of Mr. Johnston, the assignment of funds for this program was authorized, the contract was awarded, and the Comptroller and Secretary of the Board were authorized to execute the same. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stratton.

TRANSFER OF RESPONSIBILITY FOR AIR FORCE PROPERTY

(36) The United States Air Force has approved the transfer of responsibility for government property used by the Air Force Reserve Officers' Training Corps from the University to the Air Force. This transfer of accountability is being made on an experimental basis for two years, effective July 1, 1954, at selected universities with the expectation that it may be made permanent at all institutions thereafter.

The proposed change will be highly advantageous to the University. The Military Property Custodian will be relieved of all responsibility for Air Force property. The University will no longer need to furnish bond for him in relation to Air Force property, nor will the University be required to reimburse the government for any lost or damaged property. The University will continue to furnish storage space.

I recommend that the Comptroller be authorized to execute the necessary agreement with the Air Force to effect this transfer.

On motion of Mr. Livingston, the Comptroller was authorized to execute this agreement.

SECRETARY'S REPORTS

The Secretary presented for record the following lists: (1) appointments made by the President; (2) fellows; (3) graduate fellows; (4) resignations, cancellations, declinations, and terminations; (5) leaves of absence.

RESIGNATIONS, CANCELLATIONS, AND DECLINATIONS

AIKEN, EDWIN G., Public Health Training Fellow in Clinical Psychology — resignation effective 5-16-54.
BAI, CHINTAKONDI R., Fellow in Electrical Engineering — declination effective 9-16-54.
BAIN, LAWRENCE R., Instructor in Veterinary Clinical Medicine, in the College of Veterinary Medicine — resignation effective 7-23-54.
BENTLEY, GERALD E., JR., Assistant in English — declination effective 9-16-54.
BRISCOE, J. W., Assistant Professor of Civil Engineering, in the Summer Session of 1954 — declination effective 6-18-54.
BRYSON, ELIZABETH A. E., Fellow in the Classics — resignation effective 9-16-54.
BUSEY, GARRETA H., Assistant Professor of English, in the Summer Session of 1954 — declination effective 6-18-54.
CAMPBELL, JACKSON J., Assistant Professor of English — resignation effective 9-1-54.
CANNON, JOSEPH G., Assistant in Chemistry, in the College of Pharmacy — resignation effective 7-1-54.
CHADERTON, JULIAN C., Assistant Professor of Civil Engineering and Acting Head of the Department, in the Chicago Undergraduate Division — resignation effective 9-1-54.
COLLINS, ANNE, Fellow in English — declination effective 9-16-54.
CRAWFORD, DAVID C., Research Assistant in Civil Engineering — resignation effective 5-17-54.
CUNNINGHAM, GORDON R., Assistant Extension Forester, with rank of Instructor — resignation effective 9-1-54.
DELATINER, BARBARA ANN, Fellow in Journalism — declination effective 9-16-54.
DOOLITTLE, DONALD P., Fellow in Animal Science — cancellation effective 9-16-54.
FOSDICK, LLOYD D., Research Associate in the Control Systems Laboratory — resignation effective 5-16-54.
FREEMAN, RAYMOND F., Fellow in Physics — cancellation effective 9-16-54.
FRY, MRS. RUTH B., Research Associate in Electrical Engineering — termination effective 2-1-54.
HANES, NORMAN B., Fellow in Civil Engineering — declination effective 9-16-54.
HONAN, L. H. PARK, Assistant in English — resignation effective 5-1-54.
HURWITZ, RUTH E., Research Assistant in Pharmacology, in the College of Medicine — resignation effective 8-1-54.
IVERSON, ALICE F., Instructor in Mathematics, in the Chicago Undergraduate Division, in the Summer Session of 1954 — declination effective 6-18-54.

KAFKA, MARIAN S., Research Associate in Psychiatry, in the College of Medicine — resignation effective 7-7-54.
KOBAYASHI, KOICHI, Research Associate in Physics — declination effective 9-1-54.
KRAABEL, FLORENCE M., Fellow in Education — declination effective 9-16-54.
LECKIE, FREDERICK A., Fellow in Civil Engineering — declination effective 9-16-54.
LEEK, JOHN R., Instructor in Civil Engineering — resignation effective 9-1-54.
LIN, MEI, Postdoctoral Fellow in Botany — declination effective 9-16-54.
MARSH, JOHN S., Fellow in English — declination effective 9-16-54.
MEERON, EMMANUEL, Research Assistant in Biological Chemistry, in the College of Medicine — resignation effective 5-16-54.
MESERVE, BRUCE E., Assistant Professor of Mathematics — resignation effective 9-1-54.
METHVEN, MAURICE S., Fellow in Landscape Architecture — declination effective 9-16-54.
MISTRY, SORAB P., Merck and Company Postdoctoral Fellow in Animal Science — resignation effective 5-1-54.
OBERG, ARTHUR J., Trane Company Fellow in Mechanical Engineering — declination effective 9-16-54.
OSBORN, VELVA J., Instructor in Library Science and Counselor Librarian, in the Chicago Undergraduate Division — resignation effective 9-1-54.
PETERSEN, ANTHON J., Research Associate in the Control Systems Laboratory — resignation effective 6-28-54.
RANDALL, WILLIAM E., JR., Assistant Professor of Physical Education for Men — resignation effective 9-1-54.
SEIBEL, GEORGES, Fellow in Mining and Metallurgical Engineering — resignation effective 9-16-54.
SLOCUM, MRS. CHRISTINE S., Cataloger, with rank of Instructor, in the Library — resignation effective 6-16-54.
SOWARDS, G. WESLEY, Assistant Professor of Education — resignation effective 9-1-54.
STEIN, WILLIAM J., Fellow in Civil Engineering — declination effective 9-16-54.
STILES, WILLIAM H., Fellow in Zoology — declination effective 9-16-54.
TACHAU, FRANK, Visiting Lecturer in Social Sciences, in the Chicago Undergraduate Division, in the Summer Session of 1954 — declination effective 6-18-54.
TANNER, DAVID, Research Assistant in Chemistry — resignation effective 5-16-54.
TUCKER, WILLIAM T., Instructor in Business English — resignation effective 9-1-54.
VANCE, MRS. HELEN O., Catalog Assistant in the Library — resignation effective 9-1-54.
VAN SICKLE, JAMES W., Adjutant of the Air Force — resignation effective 6-1-54.

LEAVES OF ABSENCE

AGATE, GEORGE H., Professor of Hygiene and Medical Adviser in the Health Service — leave of absence without pay from July 11, 1954, through June 14, 1955.
BECK, WILLIAM H., Research Assistant in Theoretical and Applied Mechanics — leave of absence with full pay from May 4 through May 31, 1954, and without pay from June 1 through June 15, 1954.
BOURGIN, DAVID G., Professor of Mathematics — leave of absence without pay from September 1, 1954, to September 1, 1955, so that he may accept a Fulbright Lecture Award for Italy.
DAVID, JUDITH R., Instructor in Occupational Therapy, in the College of Medicine — leave of absence without pay beginning May 17, 1954, and continuing through June 4, 1954.
FLETCHER, MRS. FLORENCE A., Curator of the Museum of European Culture — leave of absence from November 1, 1953, through April 30, 1954, with pay, and from May 1, 1954, until further notice without pay (this corrects the leave of absence previously reported on October 22, 1953, Minutes, page 1150).
GIESEKING, JOHN E., Professor of Soil Physics — leave of absence from June 14 to September 4, 1954, with pay.
KOENIG, HERMAN E., Assistant Professor of Electrical Engineering — leave of absence without pay for the academic year 1954-1955.

RHODE, CHRIS S., Professor of Dairy Science — leave of absence without pay from September 1, 1954, through August 31, 1955, in order that he may do special work in the program of artificial breeding of dairy cattle.

CANCELLATION OF SABBATICAL LEAVES OF ABSENCE

The following members of the faculty who have been granted sabbatical leaves of absence for the academic year 1954-1955 have requested that these leaves now be cancelled since they are unable to go through with their original plans:

ROBERT FERBER, Associate Professor of Economics and Research Associate Professor in the Bureau of Economic and Business Research
GEORGE H. HUNTER, Assistant Professor of Music
JOHN W. WOOD, Associate Professor of Architectural Design

These leaves have been cancelled without prejudice.

DEGREES CONFERRED

The Secretary presented for record the following list of degrees conferred at Urbana on June 20, 1954, and at the Chicago Professional Colleges on the dates indicated.

The Secretary also reported a correction in the list of degrees reported at the meeting of October 22, 1953. The Master of Arts degree conferred on Elbert Winslow Russell should have been listed with a major in Philosophy and not Physiology as printed in the Minutes (page 1155).

Summary

Degrees in the Graduate College, conferred at Urbana:

Doctor of Philosophy	133
Doctor of Education	10
Civil Engineer	1
Mechanical Engineer	1
Master of Arts	64
Master of Science	227
Master of Music	10
Master of Education	76
Master of Social Work	18
Master of Fine Arts	6
Master of Laws	1
Advanced Certificate in Education	3
Total, Graduate College	(550)

Degrees in the College of Commerce and Business Administration, conferred at Urbana:

Master of Business Administration	2

Degrees in Law, conferred at Urbana:

Bachelor of Science	3
Bachelor of Laws	28
Total, Law	(31)

Degrees in Veterinary Medicine, conferred at Urbana:

Bachelor of Science	29
Doctor of Veterinary Medicine	32
Total, Veterinary Medicine	(61)

Baccalaureate Degrees, conferred at Urbana:

Bachelor of Science, College of Agriculture	218
Bachelor of Science, College of Engineering	200
Bachelor of Arts, College of Liberal Arts and Sciences	268
Bachelor of Science, College of Liberal Arts and Sciences	193
Bachelor of Science, College of Education	121
Bachelor of Science, College of Commerce and Business Administration	278

Bachelor of Science, School of Journalism and Communications	69
Bachelor of Architecture, College of Fine and Applied Arts	34
Bachelor of Science, College of Fine and Applied Arts	44
Bachelor of Fine Arts, College of Fine and Applied Arts	43
Bachelor of Music, College of Fine and Applied Arts	15
Bachelor of Science, School of Physical Education	53
Bachelor of Science, Division of Special Services for War Veterans	28
Total, Baccalaureate Degrees	(1,564)
Total, Degrees conferred at Urbana	(2,208)
Degrees in the Graduate College, conferred at Chicago:	
Doctor of Philosophy	11
Master of Science	29
Total, Graduate College	(40)
Degrees in Dentistry, conferred at Chicago:	
Bachelor of Science in Dentistry	67
Doctor of Dental Surgery	73
Total, Dentistry	(140)
Degrees in Medicine, conferred at Chicago:	
Bachelor of Science in Medicine	106
Bachelor of Science in Occupational Therapy	19
Doctor of Medicine	136
Total, Medicine	(261)
Degrees in Nursing, conferred at Chicago:	
Bachelor of Science in Nursing	15
Degrees in Pharmacy, conferred at Chicago:	
Bachelor of Science in Pharmacy	74
Total, Degrees conferred at Chicago	(530)
Total, Urbana and Chicago	2,738

GRADUATE COLLEGE

Degree of Doctor of Philosophy

In Accountancy

LEON EDWARDS HAY, B.S., 1947; M.B.A., Louisiana State University, 1951
MALCOLM LIONEL PYE, B.S., Hardin-Simmons University, 1941; M.B.A., University of Texas, 1947
VERNON KENNETH ZIMMERMAN, B.S., M.S., 1949, 1950

In Agricultural Economics

RUDOLPH JAMES BECKER, B.S., A.M., Bradley University, 1949, 1951
DONALD LLOYD BROOKE, B.S.A., M.S.A., University of Florida, 1940, 1942
FRANK DETLEFF HANSING, B.S., M.S., 1941, 1947

In Agronomy

ROBERT HAWTHORNE MAIER, B.S., University of Miami, 1951; M.S., 1952

In Animal Nutrition

ELMER WILLIAM HARTSOOK, B.S., West Virginia University, 1950; M.S., 1952
JACK MICHAEL IACONO, B.S., Loyola University, 1950; M.S., 1952
HAROLD EUGENE SCHENDEL, A.B., North Central College, 1950; M.S., 1953
JOHN TITUS SIME, A.B., North Central College, 1950; M.S., 1951

In Animal Science

LLOYD LAVERNE BUCY, B.S., M.S., University of Kentucky, 1943, 1950

In Botany

THEODORE DELEVORYAS, B.S., University of Massachusetts, 1950; M.S., 1951
ELEANOR JEANNE MORGAN, B.S., M.S., Ohio University, 1949, 1950

WILLIAM LOUIS STERN, B.S., Rutgers University, 1950; M.S., 1951
SHIRLEY LANE WILSON, B.S., Michigan State College of Agriculture and Applied Science, 1950; M.S., 1951

In Ceramic Engineering

IRVIN JONES MCKEAND, B.S., United States Naval Academy, 1945; B.S., Virginia Polytechnic Institute, 1951; M.S., 1952

In Chemical Engineering

JULY MEETING

The Secretary called attention to the Board's previous decision to hold its next meeting in Chicago, Illinois, on July 26, 1954, and announced that it will be held in the Blackstone Hotel, the hour to be set by the President of the Board.

On motion of Mr. Bissell, the Board adjourned.

A. J. Janata
Secretary

H. B. Megran
President

APPENDIX

THE UNIVERSITY OF ILLINOIS INTERNAL BUDGET FOR 1954-1955

(Approved by the Board of Trustees June 21, 1954, page 1370)

EXPLANATORY NOTES

This budget consists of three volumes:

I. Summaries of all divisions; Urbana-Champaign divisions and General University. Administration — Academic and Administrative Salaries, Wages, Expense and Equipment.

II. Chicago Professional Colleges, Division of Services for Crippled Children, and Chicago Undergraduate Division — Academic and Administrative Salaries, Wages, Expense and Equipment.

III. Nonacademic Salaries, all divisions.

Appropriations for Salaries are available for the term indicated in each case but not for more than one year from September 1, 1954.

When appointments are made at salary rates less than the amounts provided in the budget, the unused balance is lapsed at that time, resulting in a reduction in the budget.

Funds appropriated for positions in the salary budget which are not yet filled may be used to hire employees temporarily engaged to do the work contemplated by the position upon proper authorization of the Bursar or Office of Nonacademic Personnel, so long as such temporary charges do not exceed the amount of time provided by the position. Student employees may not be charged directly against salaries.

All unexpended balances remaining in the salary budget lapse at the close of each calendar month unless previously assigned or encumbered. Such lapses do not result in a reduction in the budget.

Departmental appropriations are made under the captions "Salaries," "Wages," and "Expense and Equipment." No transfers may be made between "Salaries" and "Expense and Equipment" except with the approval of the President of the University. Requests for such changes should be submitted through the Comptroller. Adjustments may be requested between "Salaries" and "Wages" upon notice to the Comptroller, stating the reason for such transfer.

Appropriations for expense, equipment, and wages are available for one year beginning July 1, 1954, and ending June 30, 1955. Balances up to 5 per cent, or total encumbrances, whichever is larger, will automatically be carried forward to 1955-1956.

All budgets of auxiliary enterprises, cooperative investigations, other trust funds and budgets indicated as "from receipts" are on an estimated basis. Unless otherwise indicated, appropriations are limited to actual income, but any balances or receipts in excess of the estimate are appropriated for the operation of the activity. Salary appointments may be cancelled if the funds for cooperative investigations are withdrawn.

The services required for members of the academic and administrative staff are in accordance with "Terms of Employment" adopted by the Board of Trustees on January 8, 1948.

1. For positions or portion of positions indicated as "Y," services are required for twelve months, with one month for vacation. No additional compensation is allowed for summer services for any salary or portion of salary indicated as "Y."

2. For positions or portion of positions not indicated as "Y," services are required only during the academic year of two semesters (three terms in Chicago Professional Colleges). Summer Session teaching, if required, will be covered by an additional appointment with salary.

Services of the nonacademic staff are for twelve months, less vacation, in accordance with civil service regulations.

Tenure Symbols (a number following indicates percentage of time)

A — Indefinite tenure, payable in twelve monthly installments.

B — Two years from September, 1953, payable in twelve installments. Any change shown in this budget is effective with the September 1, 1954 payroll.

D — One year, payable in twelve installments from September 1, 1954.

E — The academic year 1954-1955, payable during nine months from September 16.

F — One year from date indicated (other than September 1).
G — Special tenure as described.
N — In accordance with civil service regulations, effective July 1, 1954, at the annual salary indicated.
NS — Same as N, except work week is five and one-half days.
H — In accordance with civil service regulations on an hourly basis.
P — At prevailing rates. Amount indicated is estimated annual salary based on normal number of hours.
Y — Indicates that services are required throughout the year, except for allowable vacation, without additional compensation.
Z — In Urbana academic, indicates person's name appears in two or more budgets.
R — On retirement annuity from University Retirement System.
RA — Receiving retiring allowance from the University (old system).

Perquisite Symbols (for the convenience of the employee unless otherwise indicated)
M — Furnished one meal a day while on duty valued at $10 a month in Chicago and $7 a month in Urbana.
MM — Furnished two meals a day valued at twice the above amounts.
R — Furnished room valued at $35 a month in Chicago; $10 a month in Urbana Residence Halls; $7 a month in McKinley Hospital.
RB — Furnished room and board while on duty valued at $65 a month in Chicago; $31 a month in Urbana Residence Halls; $28 a month in McKinley Hospital.
U — For the convenience of the University rather than the employee.

In the College of Agriculture, additional symbols are used to designate fund, as explained in the Agriculture Summary.
