President David D. Henry  
355 Administration Building

Dear President Henry, -

Thank you for your memorandum of January 23 in regard to a proposed new newspaper on the campus.

I am not sending copies of this letter to the persons to whom you sent copies of the letter to me for the simple reason that the information I have is not yet firm. We do have a good lead, however, on the source of income to produce the proposed newspaper. It appears to be an off-campus source and backed chiefly by persons involved in one of our very liberal church groups. In this particular instance, I think I would be justified in putting the word "church" in quotes.

As soon as we can secure more definite information on this, I will get it to you.

Sincerely,

FHT-J
