

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

September 21, 1961

The September meeting of the Board of Trustees of the University of Illinois was held in the administrative offices of the Chicago Undergraduate Division at Navy Pier, Chicago, Illinois, on Thursday, September 21, 1961, beginning at 10:30 a.m.

The following members of the Board were present: Mr. Howard W. Clement, Mr. Irving Dilliard, Mr. Richard A. Harewood, Mr. Earl M. Hughes, Mr. Wayne A. Johnston, Mr. Harold Pogue, Mr. Timothy W. Swain, Mrs. Frances B. Watkins, Mr. George T. Wilkins, Mr. Kenney E. Williamson. Governor Otto Kerner was absent.

Also present were President David D. Henry, Executive Vice-President and Provost Lyle H. Lanier, Professor Norman A. Parker, Vice-President for the Chicago Undergraduate Division, Dr. J. S. Begando, Vice-President in charge of the Chicago Professional Colleges, Executive Dean C. C. Caveny of the Chicago Undergraduate Division, Mr. C. S. Havens, Director of the Physical Plant, Mr. James J. Costello, Legal Counsel, Mr. C. E. Flynn, Assistant to the President and Director of Public Information, Mr. V. L. Kretschmer, Director of Auxiliary Services; and the officers of the Board, Mr. H. O. Farber, Comptroller, Mr. C. W. Weldon, Treasurer, and Mr. A. J. Janata, Secretary.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of the Board of Trustees on April 19 and May 17, 1961, press proof copies of which had previously been sent to the Board.

On motion of Mr. Johnston, the minutes were approved as printed on pages 435 to 535, inclusive.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board took up consideration of the following reports and recommendations from the President of the University.

MASTER SITE PLAN FOR THE CONGRESS CIRCLE CAMPUS

(1) The master site plan for the ultimate development of the University of Illinois Congress Circle Campus in Chicago, which was publicly presented on September 14, 1961, has been approved by the Advisory Council and the Vice-President for the Chicago Undergraduate Division, and also by the University Building Program Committee.

Approval of a master site plan is now required for submission to and approval by the Chicago Land Clearance Commission. Approval by the Board of Trustees is also desired before any further architectural and engineering work is authorized.

Accordingly, approval and authorization to submit the plan to the Chicago Land Clearance Commission are requested. Photographic copies of this plan are submitted herewith and a copy is being filed with the Secretary of the Board for record.

On motion of Mr. Pogue, the master site plan was approved by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Harewood, Mr. Huges, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

**ADVISORY COMMITTEE FOR THE COLLEGE
OF VETERINARY MEDICINE**

(5) The Dean of the College of Veterinary Medicine recommends the appointment of Mr. Fred W. Anderson, Circle A Hereford Ranch, Morris, Illinois, to the Advisory Committee for the College of Veterinary Medicine for a period of three years beginning September 1, 1961.

I concur.

On motion of Mr. Hughes, this appointment was approved.

**ADVISORY COMMITTEE FOR INSTITUTE FOR RESEARCH
ON EXCEPTIONAL CHILDREN**

(6) The Director of the Institute for Research on Exceptional Children recommends the following appointments to the Advisory Committee of the Institute for Research on Exceptional Children for three years beginning September 1, 1961.

Representatives of the University

PROFESSOR LOUIS SCHNEIDER, Head of the Department of Sociology
 Professor Lloyd G. Humphreys, Department of Psychology, and Professor
 Walter J. Moore, College of Education, are the other representatives of the
 University. Their terms expire in 1963 and 1962 respectively.

Representatives of the Department of Mental Health

(Formerly Department of Public Welfare)

DR. DONALD BRIELAND, Director of Children's Services, State Department of

Representatives of the Department of Public Instruction

Mr. Ray Graham, Director of the Division of Special Education, and Dr.
 Oscar Chute, Superintendent of Evanston Public Schools, District No. 65,
 Evanston, Illinois, are the representatives of the Department of Public
 Instruction. Their terms expire in 1963 and 1962 respectively.

The Board of Trustees on July 16, 1952 (minutes, page 5) approved the plan for the organization of the Institute which includes an Advisory Committee consisting of three representatives from the University, two from the Department of Public Welfare (now Department of Mental Health), and two from the Department of Public Instruction, each appointed for a three-year term.

The Dean of the College of Education and the Executive Vice-President and Provost endorse these nominations.

I recommend approval.

On motion of Mr. Wilkins, these appointments were approved.

College of Liberal Arts and Sciences*General Curriculum***FOREIGN LANGUAGE REQUIREMENTS**

These requirements are revised to read:

A reading knowledge of a foreign language equivalent to that resulting from four semesters of study of a foreign language commenced in college is required. Completion of four years of foreign language in high school also satisfies this requirement. Proficiency examinations are offered in those languages which are included in the curricula of the College of Liberal Arts and Sciences. Students transferring from other colleges may present in satisfaction of the language requirement two years of college credit in a language not offered at the University of Illinois.

Students planning to enter the Graduate College are advised to obtain a reading knowledge of two of the following languages: French, German, Russian.

GENERAL EDUCATION SEQUENCES

The following sequences satisfy the general education requirements for the biological sciences: Microbiology 100, Microbiology 101, and Physiology 103; Microbiology 100, Microbiology 101, and Zoology 104; Microbiology 100, Microbiology 101, and Entomology 103.

MAJORS AND MINORS

The following changes have been made in majors and minors.

Economics Major: Economics 109 is dropped from the requirements for a major in economics.

Mathematics Major: The following courses have been added to the list of courses of which two are required for all mathematics majors: 332, 333, 353, 354.

Physiology Major: Twenty hours in animal physiology, of which ten or more must be from departmental courses in the advanced group. In addition, the student's program must include one semester each of vertebrate embryology, organic chemistry and physical chemistry, and two semesters of general physics. Calculus is recommended strongly.

Zoology Major: Twenty hours in zoology excluding Zoology 101, 104, 106, and Biological Science 100, and including five hours of advanced work. One year of physics and one year of chemistry are required of all zoology majors. The courses taken in physics and chemistry may be applied toward a minor in either of these fields.

Zoology Minors: Twenty hours in one or two of the following subjects, with at least eight hours in each if two are chosen: animal science (to be selected from Animal Science 100, 110, 230, 305, or 330), anthropology, botany, chemistry, education, entomology, geography, geology, mathematics, microbiology, physics, physiology, psychology.

ELECTIVES

Law: The applicant for the degree should petition the dean of the College of Liberal Arts and Sciences, who may approve the granting of the bachelor's degree if all the college and University requirements have been met and the student is in good standing in the law school from which the credit is being transferred.

Curriculum in General Studies

Substitute "foreign language" for "electives" in the four-semester outline, changing the stipulated hours to sixteen for each semester. The foreign language requirement for students in the Division of General Studies curriculum is the same as that for students in the general Liberal Arts and Sciences curriculum.

Upon completion of the requirement, suitable electives may be substituted for foreign language in the four-semester outline.

Curriculum in Latin-American Studies, Division of Social Studies

Linguistics has been added to the list of minors acceptable for majors in the curriculum in Latin-American Studies.

Curriculum in Russian Language and Area Studies

Students who elect Russian Language and Area Studies as a major must:

1. Complete the prescribed and general education sequences required in the general curriculum.
2. Complete at least twenty semester hours of Russian language courses, in addition to Russian 101-102, or demonstrate equivalent proficiency.
3. Complete a major consisting of at least twenty semester hours distributed among at least four departments and chosen from the following list: Anthropology 381, 382; Economics 312; Geography 353; History 219, 220, 327, 328; Political Science 335; Russian 309, 310, 321, 322, 323, 324. Courses used for major or minor credit outside the program of Russian Language and Area Studies may not count as part of this twenty hours.
4. Complete a minor of twenty hours, excluding courses open to freshmen, in one or two departments. If two are chosen, at least eight hours must be taken in each. Courses in the Russian language may, with the approval of the Program Director, constitute all or part of this minor.

A minor in Russian Language and Area Studies, designed to accompany a major in any department, requires at least twenty semester hours distributed among at least three departments and chosen from the following list: Anthropology 381, 382; Economics 312; Geography 353; History 219, 220, 327, 328; Political Science 335; Russian 309, 310, 321, 322, 323, 324. It also requires a knowledge of Russian equivalent at least to that normally attained after Russian 101-102.

Students in other colleges and schools of the University who desire a knowledge of the Russian area are invited to consult, either directly or through their advisers, with the Program Director for Russian Language and Area Studies in order to develop programs suited to their individual needs.

Premedical Curriculum

Change description of the curriculum by deleting the following paragraph:

Other factors being equal, students who have completed the second and third years of the premedical curriculum in the University of Illinois with an average of 4.3 or better are given preferential consideration by the College of Medicine's Committee on Admissions.

Changes in accepted courses and the majors to which they apply:

Biochemistry 301, 302, and 303, consisting of 66 hours in lecture and 88 hours in laboratory, to be applied to a chemistry major or for elective credit at the upper division level for a total of six semester hours.

Physiology 301, 302, and 303, consisting of 90 hours in lecture and 149 hours in laboratory and conference, to be applied to a physiology or zoology major or for elective credit at the upper division level for a total of ten semester hours.

Curriculum Preparatory to the Teaching of Mathematics

Change in the total numbers of semester hours given in the curriculum from 125-135 to 127-136 hours, but no change in the minimum hours (120) of credit required for graduation.

Addition of the following acceptable teaching minors: physical science, accountancy, and economics education. Addition of Russian as an acceptable foreign language teaching minor.

Changes in required mathematics courses to conform to the present offerings of the University and to strengthen the subject-matter preparation of prospective teachers in mathematics.

Curriculum Preparatory to the Teaching of Spanish

Number of required hours for a teaching minor increased from sixteen to

twenty semester hours in order to meet the new state teacher certification requirement.

Addition of subject-matter fields which would be considered as desirable teaching minor combinations with Spanish as major teaching subject.

College of Physical Education

Curriculum in Health Education

Two courses, Health Education 283, Physical and Health Inspection, and Health Education 287, Field Work in Community Health, have been dropped and are replaced by Health Education 283, Man and His Diseases, and Health Education 287, Concepts of Health, Aging, and Longevity.

Revisions have been made in the teacher education minor in health education (a report of the details of these revisions is filed with the Secretary of the Board for record).

On motion of Mr. Swain, these reports were received for record, and the actions were confirmed.

APPROPRIATION FOR CONSTRUCTION OF LOCUST STREET SANITARY SEWER AND LIFT STATION

(9) The Urbana and Champaign Sanitary District has requested the University of Illinois to share in the cost of construction of a new Locust Street (Champaign) sanitary sewer, including a lift station. This sewer will replace the present sewer extending from an existing manhole on the south side of Armory Avenue north to a new manhole approximately 45 feet north of Green Street. The lift station will be constructed on the south side of Armory Avenue to lift the sewage at that point to the new sewer.

The total cost of the project is estimated to be \$112,100 and the University is asked to contribute 16.97746 per cent of the cost, or approximately \$19,031.73. The University has been contributing its proportionate share of the cost of plant improvements made by the Urbana and Champaign Sanitary District and has annually paid its proportionate share of the cost of operating the local sewage disposal plant. The amount requested for the construction of the new Locust Street sewer is based on the 1960-61 factor applied in calculating the University's share of operation and maintenance cost of the District's plant.

The Locust Street sanitary sewer serves all University property south of Armory Avenue and west of Fourth Street, including the new Fine and Applied Arts Building and the Law Building, and an adequate and reliable sanitary sewer outlet for this portion of the campus is of importance to the University.

Accordingly, the Director of the Physical Plant and the Vice-President and Comptroller recommend authorization of an agreement with the District providing for the University's share of the cost.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute such an agreement with the Urbana and Champaign Sanitary District, and that an appropriation of \$19,032 be made from the General Reserve for this purpose.

On motion of Mr. Johnston, this agreement was authorized, and the requested appropriation was made by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Harewood, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(10) The Committee on Nonrecurring Appropriations recommends assignments of funds from the General Reserve for the following:

- | | |
|--|-------------|
| 1. Remodeling in Noyes Laboratory to provide a classroom in the basement to replace classroom space on the third floor which is being converted for use as a Computer Center..... | \$ 4 632 00 |

3. Remodeling and equipment for the Office of the Executive Vice-President and Provost to provide space for additional staff member and a reception area.....	8 191 74
<i>Total</i>	<u>\$17 363 74</u>

I concur.

On motion of Mr. Swain, these appropriations were made by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Harewood, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

REAPPROPRIATION OF UNEXPENDED BALANCES

(11) The Vice-President and Comptroller recommends that the following balances and overdrafts in budget appropriations and appropriations for special projects not completed on June 30, 1961, be carried forward for the fiscal year beginning July 1, 1961, in accordance with usual policy.

I concur.

On motion of Mrs. Watkins, these appropriations were made by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Harewood, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

CONTRACT FOR ADDITION TO ABBOTT POWER PLANT

(12) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$26,202 to Sprinkmann Sons Corporation of Illinois, Peoria, the lowest bidder, for thermal insulation (Division "8-Q") in the construction of an addition to the Abbott Power Plant.

Funds for this are provided in the state capital appropriations to the University for 1961-63 to be available in the proceeds of the Universities Building Fund and are subject to release by the Governor.

I recommend authorization of this contract, subject to availability of funds.

On motion of Mr. Johnston, this contract was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Harewood, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

ADDITION TO CONTRACT FOR CONSTRUCTION OF ASSEMBLY HALL

(13) The Vice-President and Comptroller and the Director of the Physical Plant

¹ Deduct.

recommend an increase of \$12,635.41 in the contract with Felmley-Dickerson Company for construction of the Assembly Hall to provide for enlargement and improvement of the projection booth, on the basis of further study of most effective use of the facilities.

I concur.

On motion of Mr. Swain, this change in the contract was authorized.

AGREEMENT WITH STATE OF ILLINOIS DIVISION OF HIGHWAYS

(14) On July 25, 1961, the Executive Committee of the Board of Trustees authorized award of a contract, subject to release of funds, for the construction of the southwest campus storm sewer. The State of Illinois Department of Public Works and Buildings, Division of Highways, has requested permission to use this sewer for drainage of its Florida Avenue subway under the Illinois Central Railroad. The southwest campus storm sewer is designed to carry this added load. It will be advantageous to the University to permit the Department of Public Works and Buildings to make this connection as the major portion, if not all, of the open ditch from the pumping station to the culvert under the Illinois Central Railroad right-of-way can be eliminated and filled in; and the site of the pumping station conveyed to the state of Illinois by the University under a "Grant of Right-of-Way Easement" dated December 1, 1958, will be abandoned for highway purposes and revert to the University under the terms of the easement.

The Director of the Physical Plant and the Vice-President and Comptroller recommend authorization of an agreement with the Illinois Department of Public Works and Buildings according to the following conditions:

The University will provide a 24-inch stub connection in the manhole structure on the southwest campus storm sewer adjacent to the pumping station site.

The state will prepare plans and specifications and shall assume all cost for construction, cleaning and maintenance of a 24-inch storm sewer from the inlet manhole at the Florida Avenue subway to the manhole structure referred to above.

The University grants to the state during the terms of the agreement the right and easement to construct, clean, and maintain said 24-inch storm sewer upon a strip of University property ten feet in width centered upon the line of said storm sewer between the inlet manhole at Florida Avenue subway and the manhole structure.

Upon completion of construction of the Southwest Campus Storm Sewer and the 24-inch outlet connection from the Florida Avenue subway, the state will remove its pumping equipment from the pumping station and notify the University that it no longer uses that portion of the premises for a public roadway and, as a consequence, under the terms of the grant, the land, including the building, will revert to the University.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute an agreement with the State of Illinois Department of Public Works, Division of Highways, as stipulated above.

On motion of Mr. Clement, this agreement was authorized without a dissenting vote.

RELEASE FOR EASEMENT FOR AIRPORT DRAINAGE

(15) The University has an easement which was granted by Samuel R. Somers on property located one and one-half miles west of the center of the Airport, for maintenance of a tile which is necessary for drainage at the Airport. A portion of this tile is on land which will be used for the construction of Interstate Route 57. In order for the State Division of Highways to obtain clear title to the land, the University's rights under this easement must be subordinated to the extent necessary to give the Division of Highways control of the surface. In consideration of this release, the State Division of Highways will agree to maintain the tile on its new right-of-way. This is advantageous to the University since it will relieve the University of any possible maintenance costs in this area.

The Director of the Institute of Aviation, the Vice-President and Comptroller, and the Legal Counsel recommend and I concur that the following resolution be adopted:

Resolution

Be It, and It Is Hereby Resolved, by this Board of Trustees of The Board of Trustees of the University of Illinois, a public corporation, that the Comptroller and Secretary of this public corporation be, and they hereby are, authorized, empowered and directed, for and on behalf of, and in the name of, this public corporation to prepare, execute, acknowledge and deliver to the State of Illinois, and its Department of Public Works and Buildings, Division of Highways such agreement, grant, and other documents as they, after consultation with and approval by the Legal Counsel, deem necessary and desirable to release to the State of Illinois and its Department of Public Works and Buildings, Division of Highways, its right, title, and interest acquired in, through or by that Grant of Easement dated August 3, 1944, from Samuel R. Somers, Grantor, to the University of Illinois, Grantee, which said easement is recorded in Book 266, page 402, in the Recorder's Office of Champaign County, Illinois, (and which said easement entitles this public corporation to certain rights of drainage and to maintain a tile across the South One Half (S $\frac{1}{2}$) of the South-East One-Quarter (SE $\frac{1}{4}$) of Section 4, Township 18 North, Range 8 East of the third P.M. in Champaign County, Illinois) to the extent necessary to subordinate this public corporation's rights under said easement to the rights hereunder to be granted to the people of the State of Illinois to construct, reconstruct, operate and maintain a highway designated as Federal Aid Interstate Route 57 across said property at the following location:

That part of the S $\frac{1}{2}$ of the SE $\frac{1}{4}$ of Section 4, T. 18 N., R. 8 E., of the 3rd P.M., Champaign County, Illinois, that lies between a line parallel to and 125 feet Westerly of, and a line parallel to and 135 feet Easterly of, the surveyed centerline of proposed Federal Aid Interstate Route 57 as recorded in Book M, page 131 of the records in the Recorder's Office in Champaign County, Illinois, extending from the South line of the above described property at Station 189+75.52 Northerly along said centerline to the North line of the above described property at Station 203+20.46.

All distances between parallel lines are measured normal to the said centerline. The said tract of land contains 8.03 Acres, more or less, situated in Champaign County, Illinois;

to insure adequate and sufficient lateral and vertical support thereof, and to enable the State to control access thereto; on condition that the State of Illinois, through its Department of Public Works and Buildings, and Division of Highways will maintain and keep in good repair said public corporation's tile drainage system within the limits of that area wherein the State of Illinois, through its Department of Public Works and Buildings, and Division of Highways acquires rights hereunder to the control of the surface.

On motion of Mr. Johnston, the foregoing resolution was adopted without a dissenting vote.

SALE OF SECURITIES

(16) The investment counsel for the University's pooled endowment funds recommends the sale of certain stocks held as assets of that fund. The Finance Committee has studied the recommendation and concurs in it.

To carry out this sale, the Board of Trustees is requested to approve the following resolution:

Resolution

WHEREAS, The Board of Trustees of the University of Illinois is the owner of 500 shares of Abbott Laboratories, 624 shares of Continental Insurance, and 10 shares of Standard Oil Company of New Jersey common stocks, and

WHEREAS, the Finance Committee of said Board has determined that it is advantageous to sell the above listed securities,

Now, Therefore, Be It Resolved by The Board of Trustees of the University of Illinois that these securities be sold and that H. O. Farber, Comptroller, and A. J. Janata, Secretary, be authorized to execute all documents necessary to complete such sale.

On motion of Mr. Swain, the foregoing resolution was adopted.

NATIONAL SCIENCE FOUNDATION GRANTS

(17) The National Science Foundation has made the following grants to the University for capital improvements:

Construction of a research facility for the School of Life Sciences....\$170 000 00
 Construction of additional laboratory facilities for research in gaseous electronics 60 000 00

The Board of Trustees has approved assignments of matching University funds for these projects to comply with the grant requirements and has authorized the awards of construction contracts.

This report was received for record.

One lot medical laboratory equipment and supplies	International Cooperation Administration Contracts	American Hospital Supply Corp., Flushing, N.Y.	\$10 136 06 f.a.s. New York, N.Y.
One lot laboratory equipment	International Cooperation Administration Contracts	Fisher Scientific Co., New York, N.Y.	3 183 06 f.a.s. New York, N.Y.

On motion of Mr. Harewood, these purchases were approved.

Purchases Recommended

The Director of Purchases has proposed and the Vice-President and Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of the lowest acceptable bid.

I concur.

Chicago Colleges and Divisions

Item	Department	Vendor	Cost
One low background automatic scanner for recording radioactivity	Biological Chemistry	Vanguard Instrument Co., LaGrange	\$2 600 00 delivered
One automatic superspeed refrigerated centrifuge	Biological Chemistry	Ivan Sorvall, Inc., Norwalk, Conn.	3 398 00 delivered

<i>Item</i>	<i>Department</i>	<i>Vendor</i>	<i>Cost</i>
One infrared spectrophotometer and attachments	Biological Chemistry	The Perkin-Elmer Corp., LaGrange	\$4 195 00 delivered
One X-ray projector with projection head	Orthopaedic Surgery	Gordon Consultants, Chicago	3 050 00 delivered
One high-speed refrigerated centrifuge and accessories, 102 bags corks, 52 packages filter paper, 36 rolls para-film, 6 dozen compressors, 144 tubes stopcock lubricant, 12 dozen beakers, 48 connecting tubes, 96 sponges, 300 gross microscope slides, 2 dozen pinch cocks, 412 plastic bottles, 1000 feet plastic tubing	Pediatrics	Scientific Products, Evanston	3 722 54 delivered
Three-year comprehensive elevator liability insurance on 11 freight and 25 passenger elevators located in the Chicago Illini Union, Dentistry-Medicine-Pharmacy Building, East Dentistry-Medicine-Pharmacy Building, Research and Educational Hospitals, Illinois Neuropsychiatric Institute, Residence Hall for Men, Medical Research Laboratory, and Laundry Building at the Chicago Professional Colleges, with limits of \$100/\$500,000 bodily injury and \$25,000 property damage	Physical Plant	Roby Insurance Co., Decatur, representing Zurich Insurance Co.	6 293 12
793 cases paper containers and paper specialties to be ordered as needed from October 1, 1961, through September 30, 1962	General Stores, Chicago Undergraduate Division	Levin Bros. Paper Corp., Chicago	9 338 95 delivered

Urbana-Champaign Departments

**EMPLOYMENT OF ARCHITECTS AND ENGINEERS
FOR CHICAGO CAMPUS BUILDINGS**

(22) The Director of the Physical Plant and the Vice-President and Comptroller recommend the employment of the following architectural and engineering firms for the designs of buildings and other facilities for the new University of Illinois campus in Chicago:

Skidmore, Owings, and Merrill, Chicago—Complete architectural services for the Lecture Center and overhead walkway; Academic Staff and Administrative Office Building; Library; Engineering Science Laboratory Building; classroom units.

Fee to be five and one-half per cent of the construction contract costs.

Naess and Murphy, Chicago—Complete architectural services on the Union, Recreation, and Theatre Center Building.

Fee to be five and one-half per cent of the construction contract costs.

A. Epstein and Sons, Inc. Chicago—Complete architectural and engineering services on the Service Buildings.

Fee to be five and one-half per cent of the construction contract costs.

Sargent and Lundy, Chicago—Complete engineering services on the design of a year-round heating and air-conditioning plant and distribution system.

Fee to be the standard prevailing professional charges for such engineering services.

The Committee on Buildings and Grounds has considered and is prepared to support these recommendations.

I recommend that contracts commissioning these firms for the services and on the general terms indicated be authorized.

On motion of Mr. Pogue, these contracts were authorized as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Harewood, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

CAPITAL APPROPRIATIONS FOR 1961-63

(23) The Seventy-second General Assembly appropriated the amounts shown in the schedule below for land, buildings, and other capital improvements at the University of Illinois for the biennium 1961-63. All appropriations are from the Universities Building Fund. The schedule also shows the amounts already released by the Governor to date.

I recommend that the Board appropriate the \$98,500,000 for the purposes indicated as the funds become available.

**EMPLOYMENT OF ARCHITECTS AND ENGINEERS
FOR CHICAGO CAMPUS BUILDINGS**

(22) The Director of the Physical Plant and the Vice-President and Comptroller recommend the employment of the following architectural and engineering firms for the designs of buildings and other facilities for the new University of Illinois campus in Chicago:

Skidmore, Owings, and Merrill, Chicago—Complete architectural services for the Lecture Center and overhead walkway; Academic Staff and Administrative Office Building; Library; Engineering Science Laboratory Building; classroom units.

Fee to be five and one-half per cent of the construction contract costs.

Naess and Murphy, Chicago—Complete architectural services on the Union, Recreation, and Theatre Center Building.

Fee to be five and one-half per cent of the construction contract costs.

A. Epstein and Sons, Inc. Chicago—Complete architectural and engineering services on the Service Buildings.

Fee to be five and one-half per cent of the construction contract costs.

Sargent and Lundy, Chicago—Complete engineering services on the design of a year-round heating and air-conditioning plant and distribution system.

Fee to be the standard prevailing professional charges for such engineering services.

The Committee on Buildings and Grounds has considered and is prepared to support these recommendations.

I recommend that contracts commissioning these firms for the services and on the general terms indicated be authorized.

On motion of Mr. Pogue, these contracts were authorized as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Harewood, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

CAPITAL APPROPRIATIONS FOR 1961-63

(23) The Seventy-second General Assembly appropriated the amounts shown in the schedule below for land, buildings, and other capital improvements at the University of Illinois for the biennium 1961-63. All appropriations are from the Universities Building Fund. The schedule also shows the amounts already released by the Governor to date.

I recommend that the Board appropriate the \$98,500,000 for the purposes indicated as the funds become available.

On motion of Mr. Swain, these assignments of funds were authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Harewood, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

ENROLLMENTS

Executive Vice-President and Provost Lanier reported on the enrollments in the University for the first semester of 1961-62.

OCTOBER, NOVEMBER, AND DECEMBER MEETINGS

President Williamson asked the Board if it desired a change in dates of any of the next three meetings.

It was the consensus that the October meeting should be held on the third Wednesday, October 18, 1961, as provided in the By-Laws of the Board. President Williamson stated that the meeting will be held at the Chicago Professional Colleges.

On motion of Mr. Wilkins, the Board voted to hold the November meeting on Tuesday, November 28, 1961, in Urbana, and the December meeting on Tuesday, December 19, 1961, in Chicago, at hours and places to be determined by the President and Secretary of the Board.

EXECUTIVE SESSION

President Williamson announced that an Executive Session had been requested, and was being ordered, to be held immediately after luncheon for consideration of property purchases and personnel matters.

The Board recessed for luncheon.

When the Board reconvened after luncheon, the same members and officers of the University were present as recorded at the beginning of these minutes.

ACQUISITION OF LAND FOR ILLINI UNION PARKING

(1) The Buildings and Grounds Committee has approved in principle a program for expanding the parking facilities for the Illini Union and the University of Illinois Foundation has been requested to acquire the properties at 601, 603, and 605 East Healey Street, Champaign. These properties will provide approximately eighty parking spaces to replace sixty reserved spaces on Burrill Avenue, the remaining spaces will be metered. Parking meters will be installed on 147 spaces on Burrill Avenue to accommodate Illini Union guests.

In addition, the Director of the Physical Plant recommends construction of twenty-two parking spaces between the Illini Union and the Natural History Building from Illini Union funds at an estimated cost of \$26,000. These spaces would be used primarily by occupants of Illini Union guest rooms.

The cost of the three properties on Healey Street is \$97,500 and the parking lot construction is estimated to cost \$48,500. The entire cost of the land and improvements can be repaid by extending the Foundation's present parking lot loan from the First National Bank of Chicago by eighteen months, or to October 15, 1965.

The properties to be purchased by the Foundation are:

- 601 East Healey Street — a lot 111 feet by 58.1 feet and a one-story frame building with three apartments and a small business building; owners, Oscar D. and Minnie Marie Wilson; price, \$36,000.
- 603 East Healey Street — a lot 58.1 feet by 177 feet and a two-story frame dwelling with three apartments; owner, Mrs. Florence Blakeslee; price, \$31,500.
- 605 East Healey Street — a lot 58.1 feet by 177 feet and a two-story frame dwelling consisting of an apartment and five student rooms; owners, Gilbert and Gladys Mae Lorenz; price, \$30,000.

The terms of each purchase are \$5,000 at the time of signing the contract and the balance when possession is delivered, not later than October 31, 1961. Taxes will be prorated. All properties are zoned commercially and the prices are in line with appraisals.

The Director of the Physical Plant and the Vice-President and Comptroller recommend that this program be approved and that the University be authorized to lease the additional lots from the University of Illinois Foundation at a rental sufficient to pay the debt service payments on the loan from the First National Bank of Chicago. The lease will provide that the properties will be conveyed to the University when all indebtedness on the parking lots has been paid.

I concur.

On motion of Mr. Pogue, the purchases of these properties on the terms recommended were authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Harewood, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

ACQUISITION OF PROPERTY AT 202 NORTH ROMINE STREET, URBANA

(2) The Director of the Physical Plant and the Vice-President and Comptroller recommend the purchase of the property at 202 North Romine Street, Urbana, at a price of \$18,862.21 to provide additional space urgently needed to accommodate the increased staff of the Coordinated Science Laboratory.

The property consists of a lot 80 feet by 82 feet and a two-story and basement frame residence, used as a student rooming house, and garage.

The property was on the market at a price of \$22,500. Subsequently, it was purchased by two staff members of the University for speculative purposes at a sales price of \$18,500. Negotiations were undertaken with the new owners and, as a result, they have agreed to sell the property to the University at their purchase price plus a reimbursement of cost incidental to acquisition of \$362.21. These additional costs have been verified by the University. The appraisal made for the University indicates a market value of \$21,463. Possession will be delivered not later than September 30, 1961. Taxes will be prorated. Funds for this acquisition will be provided from Coordinated Science Laboratory indirect costs.

I concur.

On motion of Mr. Hughes, the purchase of this property on the terms recommended was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Harewood, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

**ACQUISITION OF PROPERTY AT 907 WEST
GREEN STREET, URBANA**

(3) The Director of the Physical Plant and the Vice-President and Comptroller recommend the purchase of the property at 907 West Green Street, Urbana.

This property consists of a lot 75 feet wide by 220 feet deep and a two-story and basement frame residence presently used as a student rooming house.

The property is in the area of future campus expansion and will be needed as part of a site for student residence halls. It is now on the market and should be acquired promptly rather than risk its possible acquisition by others for commercial development with the consequent difficulties, as well as an increase in price, which may be encountered if the purchase is deferred.

The asking price is \$42,000¹ which is within the range of appraisals authorized by the Committee on Buildings and Grounds. If purchase is authorized now, possession will be delivered not later than January 15, 1962, and taxes will be prorated.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund.

I concur.

On motion of Mr. Pogue, the purchase of this property at a price not to exceed \$42,000 was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Harewood, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

COMPLAINT OF JOHN C. HIRSCHFELD

The Board took up consideration of the complaint which its members had received, some directly and others through the Secretary of the Board, from Mr. John C. Hirschfeld of Joliet against a member of the University faculty, who is on part-time appointment, making certain allegations of unprofessional conduct by him in his private professional practice off-campus. This complaint was turned over to the dean of the college concerned for investigation.

The complaint was carefully examined by the dean, who submitted a report to the Secretary of the Board, copies of which were sent to all members of the Board in advance of today's meeting.

After due consideration of the complaint and of the report of the dean, it was the unanimous judgment of the ten members of the Board of Trustees present that no action be taken upon this complaint. The complaint, the dean's report, and copies of all correspondence and other documents relating thereto have been filed with the Secretary of the Board.

On motion of Mr. Johnston, the Secretary was instructed to record that the Board has received the complaint and the report and sees no reason for taking any action.

SELECTION OF A MEMBER OF THE BOARD OF HIGHER EDUCATION

The Board of Trustees has previously been informed of the passage by the Seventy-second General Assembly of Illinois of "An Act creating a Board of Higher Education, defining its powers and duties,

¹ A purchase price of \$41,000 for the property, and \$1,000 for the furniture and other equipment, was subsequently negotiated. — Secretary's Note.

making an appropriation therefor, and repealing an Act herein named." The bill was approved by the Governor on August 22, 1961. Following are abstracts from this law relating to the composition of this Board:

Section 2. There is created a Board of Higher Education to consist of fifteen members as follows: Eight members appointed by the Governor, by and with the advice and consent of the Senate; the respective chairmen of the Board of Trustees of the University of Illinois, the Board of Trustees of Southern Illinois University, and the Teachers' College Board; one member of each of the three foregoing Boards selected by the members thereof; and the Superintendent of Public Instruction . . .

Section 3.—(b) The members of the Board appointed respectively by the Board of Trustees of the University of Illinois, the Board of Trustees of Southern Illinois University, and the Teachers' College Board shall each hold office for two-year terms expiring on January 31 of odd numbered years.

—(c) The members of the Board shall continue to serve after the expiration of their terms until their successors have been appointed . . .

Section 5. The members of the Board shall serve without compensation, but they shall be reimbursed for their actual and necessary traveling and other expenses while engaged in the performance of their duties.

President Williamson stated that undoubtedly the Trustees have been giving careful consideration to this matter during the past several weeks and asked if the Board was ready to select one of its members to serve on the Board of Higher Education.

Mr. Harewood nominated Mr. Johnston.

Mrs. Watkins moved that the nominations be closed and that the Secretary be directed to cast the unanimous ballot of the Board for the selection of Mr. Johnston.

The ballot was so cast, Mr. Johnston being recorded as not voting.

Accordingly, Mr. Johnston was declared the member of The Board of Trustees of the University of Illinois to serve with President Williamson on the State Board of Higher Education.

COMPENSATION OF THE PRESIDENT OF THE UNIVERSITY

At this point, the President of the Board requested all present except the Trustees, the officers of the Board, and the Legal Counsel to leave the room for consideration of the following item of business.

Mr. Johnston called attention to consideration by the Trustees at its August 10, 1961, meeting of the compensation received by the President of the University. The Comptroller submitted information on salaries and other compensation paid to a number of university presidents, and also data on the retirement and other benefits which will be available to President Henry under the provisions of the Act creating the University Retirement System of Illinois.

Following discussion of this matter and of President Henry's contributions to the work of the University, on motion of Mr. Johnston, the Board voted unanimously to authorize the Comptroller to arrange for the purchase, through annual premium payments of \$6,000 from indirect cost funds, of a supplemental annuity for President Henry as additional compensation, the effective date of such annuity contract to be determined by the President of the Board in consultation with the Comptroller and the Legal Counsel, but in no event to be later than November 1, 1961.
