Local Photographers Capture Our History

March 18th - 7:00pm

Lewis Auditorium
The Urbana Free Library
210 West Green Street
Urbana, Illinois

Photographers from across Champaign County have been capturing our history since the invention of the camera. Family events, national and local happenings, landscapes and prairie-views- the moments of local life caught in pictures. Join a distinguished panel of photographers from local studios and media as they share stories of photographing life in our community.
