Committee Name:  Index to Foreign Legal Periodicals Committee

Committee Charge:  CHARGE: This Committee suggests new journals to be indexed and revisions to the Index to Foreign Legal Periodicals.

Major Activities for 2009-2010:
In support of the educational mission of AALL, the Index to Foreign Legal Periodicals Committee reviewed and suggested journals to be included in the Index. At our annual meeting we made final decisions about particular titles to be included being mindful of space and cost limitations.

Proposed Activities for 2010-2011:
Continue to review and make decisions about titles to be included in the Index while keeping in mind space and cost limitations. Consult with newly-appointed Editor, Marci Hoffman, who is replacing long-time Editor, Tom Reynolds, on ways the Committee can be of assistance during the transition and with any recommendations for changes to the Committee's charge.
