The Index to Foreign Legal Periodicals Committee attended to the following matters during the past year:

**New Journals to Be Indexed:** The Committee helped the Editor select new titles to be indexed by IFLP at the meeting in Seattle. From a list of 28 potential journals provided by the Editor, the Committee selected 13 new journals to be indexed by IFLP, and placed 6 in a “wait-and-see” category.

**New Enhancements to IFLP Hein Platform:** The Editor continued to work closely with Hein to enhance the Index on the new platform. Some of the enhancements included increased linking to full-text articles, further cleanup of data, beginning to add journals from common law countries in order to increase the worldwide appeal of the Index, and some general improvements to search functionality. There are now links to over 37,000 full-text articles from 156 journals.

**Open Access Journal evaluation.** During the year, the Committee met to give feedback on the 36 oldest journals on the Directory of Open Access Journals that were relevant in terms of subject, for possible inclusion in the Index to Foreign Legal Periodicals. Final calls will be made on this in the upcoming year. The Chair also compiled a second tranche of journals for review by the Committee in going forward.

**Marketing of IFLP:** The Editor was assisted by the Chair to increase visibility within AALL by staffing a table at the CONELL Marketplace at the Annual Meeting in Seattle 2013. The Editor wrote an article about the Index for the Members’ Briefing, December 2012, AALL Spectrum and the Chair also wrote an article for PLL Perspectives which was published in Summer 2012. Hein also now releases new journals every quarter, and announces them in Hein promos. At the AALL Annual Meeting in July 2013, Hein and IFLP sponsored lunch in the exhibit hall, and the Editor gave a presentation about the Index.
