Federal Law Librarians Caucus – Annual Report for 2012

Chair: Jennifer L. McMahan, Deputy Director, Library Staff, US Department of Justice

The Caucus met at the AALL Annual Meeting in Boston. Our guest speaker was Jane Sanchez, Director, Library Services and Content Management, Government Printing Office (GPO). Ms. Sanchez provided an overview of the history and operations of GPO, their partnerships with other federal libraries, and their FDsys database.

In May 2012, the Department of Justice Libraries and the Law Library of Congress hosted a Federal Law Librarians Conference, which many Caucus members attended, though it was not officially a Caucus event.
