

Draft Agenda

MARC for Special Collections (MASC) Discussion Group
Midwinter Meeting, Boston
Sunday, January 17, 2010
Sheraton Boston, Back Bay B
10:30 a.m.-12:00 p.m.

- 1). Welcome and introductions.
- 2). OCLC issues. Given the new functionality available in OCLC to improve records, are catalogers working any differently --for example, routinely adding genre/form terms to master records?
- 3). Cataloging changes in the new economic environment. Have the tough economic times resulted in administrative directives to produce leaner and less elaborate catalog records? To produce more collection-level records?
- 4). Announcements.
