MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

July 21-22, 1948

The July meeting of the Board of Trustees of the University of Illinois was held on Wednesday, July 21, and Thursday, July 22, 1948, at the Illini Union Building, in Urbana, according to the following schedule:

July 21, 8:15 p.m. — Executive session as in Committee of the Whole.

July 22, 9:30 a.m. — Open session.

When the Board convened, the following members were present: President Fornof, Mrs. Holt, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson. Mr. Livingston took his place with the Board soon after the meeting began.

Provost C. R. Griffith was present, acting for President Stoddard; also Vice-President A. C. Ivy, Secretary H. E. Cunningham, Comptroller Lloyd Morey, Legal Counsel W. E. Britton, and, during part of the evening, Director D. E. Dickason, Architect E. L. Stouffer, and Mr. N. C. Farr.

MATTERS PRESENTED BY THE PROVOST

The Board considered the following matters presented by the Provost acting for the President of the University.

HEADSHIP OF THE DEPARTMENT OF ART

(1) The President of the University has approved the following request from Professor Frank J. Roos, Jr., of the Department of Art:

"This is to request that I be relieved of my duties as Head of the Department of Art, as of September 1, 1948. By continuing as Professor of Art, I will be able to resume my research which, I feel, has been too long interrupted."

The President has appointed Professor Allen Weller, Chairman, Professor C. V. Donovan, and Associate Professor James Shipley as a Committee to administer the Department of Art beginning in September, 1948.

Confirmation of these administrative changes is requested.

On motion of Mr. Nickell, these changes were approved and confirmed.

PROPOSED AGREEMENT WITH REGARD TO OPERATING ENGINEERS IN CHICAGO DIVISIONS

(2) Following the Board's action on June 15, 1948 (Minutes, page 1153), I have carried on negotiations with Mr. Anthon J. Imhahn, President of Local 399 of the International Union of Operating Engineers, with the assistance of Mr. Donald E. Dickason, Director of Nonacademic Personnel, Mr. Paul Hartley, Associate Director, and Mr. Charles E. Reid, Assistant Chief Operating Engineer at the Chicago Professional Colleges. After long face-to-face discussions followed by telephone conversations, there is an unofficial agreement on the following proposal:

That the basic rate of pay for the operating engineers be $2.25 an hour, with the option of a 48-hour week straight time, the hourly rate to become effective as of July 1, 1947, but the payment of the differential to be on the basis of the 40-hour week which was in effect to July 1, 1948. It is understood that consistent and proportional changes will be approved for chief or supervisory engineers.

On the assumption that official confirmation will have been received from the Union officials, I recommend approval.

Perhaps a few words of explanation would be helpful. On a 40-hour week the new rate comes to $390 a month; on a 44-hour week, $430 a month; and on a 48-hour week, $470 a month. It will be recalled that the average hourly rate for the four hospitals listed is $1.63; for the four universities, $1.71; for the six public institutions (exclusive of the Housing Authority, which was low), $2.35. The average rate for the business and industrial enterprises in the City of Chicago is $2.00. Our offer, therefore, falls between the rates prevailing in private institutions and those in the other public institutions. Director Dickason and Director Havens are agreed that no lay-offs are contemplated under the new wage scale.

The main thing accomplished by the proposed agreement is that we shall not be tied to a utilization of any political subdivision as a bench mark for establishing this wage scale. In arriving at the figure of $2.25, what we have done is to average the other hospitals and universities and the political subdivisions in determining the new scale. I am pleased to report that Mr. Imhahn has acted in good faith throughout these proceedings and I believe that we have a basis for labor peace on this front. I recommend, therefore, that the above proposal be adopted.

On motion of Dr. Meyer, this proposal was adopted as recommended.

PURCHASE OF RESIDENCE PROPERTIES FOR STAFF HOUSING

(3) The purchase of additional residence properties is recommended as part of the special program of residence properties acquisitions for rental to faculty personnel previously authorized by the Board of Trustees. Houses are needed for at least two new department heads.

1. *701 West Delaware Avenue, Urbana.* The purchase of this property at a price not to exceed $30,000 is recommended. This is one of the better faculty homes

and should be kept as such. The University has secured an independent appraisal of the property which indicates that the price is very reasonable under present real estate market conditions. There is very good prospect that the house can be rented to a member of the faculty who will eventually purchase it. An appropriation of $30,000 from the General Reserve Fund is recommended.

2. *1008 South Lincoln Avenue, Urbana.* The Dean of Students and the Director of the Physical Plant recommend the purchase of this property at a cost not to exceed $30,000. The house would be used as a nurses' home to replace the present nurses' home at 1009 West Nevada Street, and this house would then be available for staff housing. Thus the purchase of this property would accomplish two objectives. The price is based on an independent appraisal secured by the University.

3. *909 West Nevada Street, Urbana.* This property is available for purchase at an appraised value of $17,500. It is in the zone of future campus expansion (for women's residence halls) along the south side of Nevada Street and is two houses east of University property at 1001 West Nevada Street. It can be used advantageously for staff housing until the site is required for other University use. However, it will not be available for several months. The present owner plans to build a new house.

4. *1209 West Illinois Street, Urbana.* The Committee on Special Appropriations and Nonrecurring Expenditures recommends the purchase of this property at a price of $16,340. It adjoins property the University has purchased at 1205-1207 West Illinois Street.

I recommend that the purchase of these properties be authorized and an appropriation of $96,340, or so much thereof as is needed, be made for the purchase price, expenses incidental to purchase, and such minor remodeling as may be found necessary to make the houses suitable for University use.

The Board has previously authorized the purchase of twelve residence properties. Some of these houses need repairing and redecorating. This fact was taken into consideration when prices were negotiated. In one case the Board made a specific assignment of $3,000 for major repairs, but no provision was made for such work on other properties. There is an unexpended and unencumbered balance of $10,860 in these appropriations. I recommend that the Board authorize the use of this money for repairs and improvements on properties acquired under this program.

On motion of Dr. Meyer, these purchases were authorized, the appropriations were made, and funds assigned as recommended, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Mr. Livingston, Dr. Luken.

PURCHASE OF PROPERTY AT 601½ EAST SPRINGFIELD AVENUE, CHAMPAIGN

(4) The Board of Trustees has approved the site between Wright Street and Sixth Street, and the south side of east Springfield Avenue, Champaign, for the new Water Survey Building to be built by the Department of Registration and Education. Construction on the first unit will begin in the near future. Two properties have been purchased. The Department expects to construct an addition during the 1949-1951 biennium and additional land will be needed. For this purpose the Director of the Physical Plant Department and the chairman of the University Building Program Committee recommend the purchase of the property at 601½ East Springfield Avenue, Champaign, at a price of $8,000.

I concur in this recommendation and recommend a special appropriation for this purpose.

On motion of Dr. Meyer, this purchase was authorized, and the appropriation was made, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. McLaughlin, Mr. McKelvey, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Mr. Livingston, Dr. Luken.

At this point, Mr. Livingston took his place with the Board.

PROPOSAL FOR TEMPORARY ADMINISTRATION AND STUDY OF THE INSTITUTE OF GOVERNMENT AND PUBLIC AFFAIRS

(5) On August 5, 1947 (Minutes, page 493), the Board of Trustees, consistently with House Joint Resolution No. 17, Sixty-fifth General Assembly, which recommended to the University that it establish a "Curriculum in Government," and on recommendation of the President of the University, established the Institute of Government and Public Affairs. The functions and plan of organization were laid out briefly. Professor H. M. Gray, Professor of Economics and Associate Dean of the Graduate College, was appointed Director.

After a review of the work in this area and with the endorsement of all the parties concerned, I now recommend a temporary change in the administrative organization of the Institute. I believe that such a change will permit us to present a united front as we seek the best talent in this field and that it will enable us better to study the internal organization of the Institute. Thus far it has been difficult to evaluate the respective functions and responsibilities of the Institute in relation to the Department of Political Science and the College of Commerce and Business Administration. Officers of instruction and administration have attempted to find a solution, but I am convinced that what we need now is a re-examination of the basic structure of the Institute.

Professor Clarence A. Berdahl, who will be on a sabbatical leave for the first semester of 1948-1949, has asked to be relieved of his duties as Chairman of the Department of Political Science in accordance with the plan approved in the Department some years ago of placing the chairmanship on a rotating basis. In a separate memorandum I am recommending that Professor Charles M. Kneier be appointed Chairman of the Department to serve out the present biennium. These two actions are in themselves unrelated to the Institute of Government and Public Affairs, except that I am requesting Professor Kneier to serve also as Acting Director of the Institute for the coming year and he is willing to add this to his new duties.

In the meantime, Professor Gray has expressed the desire to return to his professorship in Economics in order that he may resume his program of research in that field and has asked to be relieved of his administrative duties. Dean Howard R. Bowen is anxious to have Professor Gray return to this area on a full-time basis and Dean Louis N. Ridenour of the Graduate College is willing to search for a new Assistant or Associate Dean. Concurrently with these changes, I am asking that the Advisory Committee to the Director of the Institute, of which Dean Bowen is Chairman, devote considerable time during the coming year to an analysis of the functions and organization of the Institute of Government and Public Affairs, with special reference to its administrative status.

The basic question, as I see it, is this: Should the Institute continue to be organized on a broad horizontal basis, drawing directly upon many departments and outside resources, or should it be set up as a specialized agency of the Department of Political Science, perhaps somewhat analogous to the Bureau of Research and Service in the College of Education or the Bureau of Economic and Business Research in the College of Commerce? Under either plan I feel that we should develop the professional work and the public services of the Institute along the lines approved by the Board of Trustees in 1947. We have no desire to weaken the basic plan, but only to strengthen it.

Accordingly, I recommend that Professor Charles M. Kneier be appointed Acting Director of the Institute of Government and Public Affairs for the period beginning September 1, 1948, and ending August 31, 1949.

On motion of Mr. Nickell, these recommendations were adopted.

LEASING OF PROPERTIES OFF CAMPUS

(6) The University is faced with an acute problem of finding space for various activities, and especially for 1948-1949. The delays in the building program plus the development of the instructional and research programs have carried the University beyond the amount of space which will be available in University buildings. The vicinity surrounding the University has been canvassed in an effort to secure rental quarters. This has resulted in the following offers:

1. *704 South Sixth Street, Champaign.* — Second floor. A business property

one block from the campus and immediately west of Illini Hall and Arcade Building properties. Contains approximately 5,500 square feet. Admirably suited and satisfactorily located for the Institute of Labor and Industrial Relations. Rental, $408.33 a month. Minimum lease period, five years. University to pay portion of heat and operating expense estimated at $600 a year.

2. *514 East John Street, Champaign.* — Second floor. One block west of campus. Contains approximately 1,200 square feet. Rental, $150 a month for a term of five years.

The Physical Plant Department and the Provost have examined these properties and report them satisfactory for University use and at reasonable rentals.

Because of constitutional limitations, it is impossible for the University to make a lease which runs beyond the end of a biennium without reserving the right to cancel at that date. The owner of the Sixth Street property, W. B. Hayes, refuses to take a lease of this kind. He is willing to take a lease from the University of Illinois Foundation, which may make a straight five-year lease. The Foundation may then lease it to the University under conditions which the University can meet. There is reason to believe that the University will carry through this lease for the full five-year period.

The area on South Sixth Street would provide for all activities of the Institute of Labor and Industrial Relations such as office space, seminar room, and library. It would require an additional appropriation of $2,290 for operating expense and an appropriation for remodeling to be requested at a future meeting of the Board of Trustees.

It is planned to use the area on East John Street for the student publications staff. This would release their present area for the new tabulating equipment now on order. An appropriation of $800 a year for operation would be required. Some minor remodeling would be necessary but detailed plans have not progressed sufficiently to present an estimate of the amount at this time.

I recommend that (a) the leases be approved, (b) the University of Illinois Foundation be requested to lease the Sixth Street property for sublease to the University, and (c) appropriations be made for operation and rentals as follows: operation, $3,090 a year, rentals, $6,700 a year, and that an appropriation not to exceed $25,000 be made for necessary alterations to prepare the space for use by the Institute.

On motion of Mr. Livingston, these recommendations were adopted, and the appropriations were made, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken.

IMPROVEMENTS IN THE PRESIDENT'S HOUSE

(7) The Executive Committee reports that on recommendation of the Provost of the University an assignment of $28,305.97 was made for remodeling and other improvements in the President's House, viz.:

a. The completion of the east portion of the third floor so as to provide a suite of two bedrooms with adjoining bath.

b. The completion of adjoining space as a sewing room and the construction of shelving for a storeroom.

c. Improvements in the ladies' and men's rooms on the first floor, including a new lavatory.

d. A full length extension of the garage to be built on the south side of the present garage.

The Committee also authorized awards of contracts for this work as follows:

General work — Clarence Siems, Urbana	$18 980 00
Plumbing, heating, and ventilating — Reliable Plumbing and Heating Company, Champaign	3 234 00
Electrical work — Fedco Electrical Contractors, Inc., Danville	641 97
Plumbing fixtures — to be purchased	550 00
Cleaning and moving — to be done by Physical Plant Department labor	250 00
Landscaping — to be done by Physical Plant Department	150 00

Architectural and engineering service — reimbursement to Physical Plant Department for salaries and other expenses already incurred	2 300 00
Contingencies	2 200 00
	$28 305 97

On motion of Dr. Meyer, this report was received for record.

RESOLUTION CONCERNING HOUSING FOR FACULTY OF CHICAGO PROFESSIONAL COLLEGES

(8) The following resolution endorsing construction of an apartment building at the northeast corner of Harrison Street and Ashland Boulevard, Chicago, is presented:

Whereas, there is a great need for housing facilities for faculty members, staff, and employees at the Professional Colleges in Chicago;

Whereas, it is understood that a group of individuals are interested in constructing an apartment building to contain approximately 120 apartments on a vacant plot of ground which is adjacent to the campus of the Professional Colleges and also adjoins but is not within the Medical Center District;

Whereas, it may be possible if such a building is constructed that the owners might be willing to give priority to University personnel in renting apartments in the building; and

Whereas, in the opinion of the Board of Trustees the construction of such a building with rental priority to University faculty, staff, and employees would alleviate to some extent the need for housing in the area,

Now therefore, be it and it is hereby resolved by the Board of Trustees of the University of Illinois as follows:

1. That the Board of Trustees endorse the construction of the building described at the location indicated, and

2. That the Board of Trustees of the University of Illinois request that, if the building is constructed, faculty, staff, and employees of the University be given preference in the rental of apartments in the building, it being suggested that this preference amount to a ten-day optional period for renting such apartments in advance of the offering to the general public to rent.

On motion of Mr. Livingston, this resolution was adopted.

HOUSING FOR CHICAGO PROFESSIONAL COLLEGES

At this point, Dr. Meyer made a report of progress on the consideration of housing for staff, students, and nurses in the Chicago Professional Colleges, and requested Mr. Farr to discuss the projects.

Mr. Farr presented the following summary of financial information:

SUMMARY OF FINANCIAL INFORMATION
CHICAGO BUILDING PROJECTS

	Project 1 Multiple Story Apartment	*Project 2 Adjacent Properties*	*Project 3 Combined Project (1 and 2)*	*Project 4 Student Residences*
1. Total Capital Expenditures (excluding land; $50,000 additional required for land purchases)	$1 443 518	$ 87 065	$1 530 583	$2 256 150[2]
2. Estimated net income available for debt service	59 467	10 383	69 850	66 221
3. Amount which can be amortized (4%-25 yrs.)	929 200	162 200	1 091 400	1 034 700
4. Deficiency in funds	514 318	75 135[1]	439 183	1 221 450
5. Annual debt service required for full loan (4%-25 yrs.)	92 385	5 572	97 957	144 394
6. Annual deficiency in amount available for Debt Service	32 918	4 811[1]	28 107	78 173

[1] Excess over minimum required. [2] Includes $285,000 furnishings.

Mr. Farr recommended that the University approve the project and offer to purchase land from the Medical Center Commission, as a site, for $50,000; and that the Foundation be requested to apply to the Equitable Life Assurance Society for a loan.

After discussion, and on motion of Mr. Livingston, the Board took action, by unanimous vote of record, as follows:

I. The proposed project was approved, on condition that it can be set up on substantially the basis presented.

II. The offer to purchase land for $50,000 from the Medical Center Commission was authorized, and funds were appropriated to cover the purchase.

III. The University of Illinois Foundation was requested to apply for a loan to cover the total cost of construction, excluding land, the details to be approved by the University, including an agreement to lease the properties from the Foundation for an annual rental equal to the debt service.

IV. The Committee on Chicago Departments was authorized to negotiate and recommend to the Board arrangements with architects for the preparation of plans and other matters necessary for the completion of the project.

WAIVER OF PATENT POLICY IN RESEARCH CONTRACTS WITH UNITED STATES GOVERNMENT

(9) The Executive Committee of the Board of Trustees has informally approved the inclusion of the following patent clause in contracts with the United States Government involving funds supplied by the Atomic Energy Commission. Such provision is contrary to the University policy on patents, but is necessary due to Federal Statute governing the Atomic Energy Commission; and, if the University is to continue research work with funds provided by such Commission, such patent provision must be accepted.

"(1) With respect to each Subject Invention within the scope of this paragraph made by employees of Contractor, except clerical and manual labor personnel who will not have access to technical data, the Contractor shall furnish the United States Atomic Energy Commission (hereinafter in this paragraph called 'the Commission') with complete information thereon. The Commission shall have the sole power to determine whether or not and where a patent application shall be filed and to determine the disposition of the title to and rights under any application or patent that may result. The judgment of the Commission on these matters shall be accepted as final; and the Contractor agrees to obtain the execution of and deliver to the Commission all documents relating to each such Subject Invention and do all things necessary or proper to carry out the judgment of the Commission.

"(2) No claim for pecuniary award or compensation under the provisions of the Atomic Energy Act of 1946 shall be asserted by the Contractor or its employees with respect to any such Subject Invention.

"(3) Except as otherwise authorized in writing by the Commission the Contractor will obtain patent agreements to effectuate the purposes of subparagraphs (1) and (2) of this paragraph from all persons who perform any part of the work under this contract, except clerical and manual labor personnel who will not have access to technical data.

"(4) Except as otherwise authorized in writing by the Commission the Contractor will insert this paragraph in all subcontracts."

Confirmation of the action of the Executive Committee in authorizing the inclusion of such section in government contracts is requested.

On motion of Mr. Livingston, the inclusion of these sections in government contracts was approved and confirmed.

CONSTRUCTION AND FINANCING OF GRADUATE STUDENT-STAFF APARTMENT PROJECT AT URBANA

(10) The General Assembly has appropriated (S.B. 662) the sum of $400,000 for student and staff apartments at Urbana. An additional sum of $251,700 was appropriated by the Board of Trustees (Minutes, January 8, 1948, page 960). The University owns the site of these apartments (southeast corner of Green Street and Goodwin Avenue, Urbana) which is valued at $78,300. Plans and specifications have been completed by Skidmore, Owings, and Merrill of Chicago.

Bids for the construction of this project were received July 7. A summary of construction bids and budget for the projects is submitted for (a) the complete project of two six-story and two three-story buildings, (b) one-half of the project consisting of one six-story and one three-story building, and (c) the two six-story buildings.

SUMMARY OF CONSTRUCTION BIDS AND BUDGETS

(All figures include cost of completion bonds and are based on completion by September, 1949)

	Two six-story and two three-story buildings (Complete Project, 213 apartments)	*West one six-story and one three-story building (106 apartments)*	*Two six-story buildings (189 apartments)*
General work—John Felmley Co.	$1 713 970 00	$ 910 969 50	$1 451 370 00
Electrical work—Leverenz Electric Co.	112 719 03	57 169 03	101 104 03
Plumbing work—Eugene M. Hays	238 152 95	121 357 56	207 347 95
Heating work—Bellis and Miller	185 676 38	105 987 38	166 549 00
Ventilating work—Bellis and Miller	14 180 40	7 211 40	8 322 40
Elevators—Otis Elevator Co.	39 964 77	20 300 52	39 964 77
Totals	$2 304 663 53	$1 222 995 39	$1 974 658 15

A condensed budget for each of the above three combinations of units is as follows:

Capital Costs:			
Building and site development	$2 696 104 00	$1 487 342 00	$2 338 998 00
Equipment and furnishings	218 820 00	109 160 00	184 600 00
Land	78 300 00	78 300 00	78 300 00
Total Capital Costs	2 993 224 00	1 674 802 00	2 601 898 00
Funds available (including land at $78,300)	730 000 00	730 000 00	730 000 00
Balance needed	$2 263 224 00	$ 944 802 00	$1 871 898 00

Funds required for the total cost are expected to be raised by a self-liquidating loan. Inquiry has been made of all lending agencies who, on an earlier survey, indicated that they would be interested in considering a loan on this project. Only three proposals have been offered. The only proposal which would make possible the financing of the project in any form and which is feasible from an amortization standpoint, is that offered by Salk, Ward, and Salk, Inc., of Chicago, on behalf of the Great West Assurance Company of Winnipeg, Canada. This proposal, subject to final approval by the Company, is for a loan of $900,000, at 4 per cent, payable serially over a period of 25 years, to be a mortgage loan to the University of Illinois Foundation, with a commission of 1½ per cent, payments to be made during construction, prepayment up to 10 per cent in any year

without premium, or at 2 per cent premium sixth to tenth years and 1 per cent premium thereafter for entire loan.

This offer is below the budget estimate of cost of the project by $44,802, but the architects believe that an adjustment in cost can be made to bring the total outlay within this amount of funds. It exceeds the operating budget of the project by $2,403 a year, but this is based on an allowance of 5 per cent for vacancy which is believed to be liberal. (It should be noted that this budget does not allow for the payment of local property taxes on this project.) This offer is based on the construction of one-half of the total project including one six-story and one three-story building.

Arguments can be made against going ahead with this proposal at this time. They are: (a) the very high cost of construction, (b) the close margin of net operating income available for debt service, and (c) possible deficit if local property taxes become payable.

In favor of going ahead with the project, however, are the following facts: (a) a fund has been appropriated for this purpose by the General Assembly and is available for the current biennium, (b) an acute need for additional housing facilities for staff and graduate students still exists, (c) the site is owned by the University, (d) there is no assurance that construction cost will be decreased in the near future, and (e) if the project can be initiated and half completed during this biennium, there is a possibility that funds can be secured for the remainder during the succeeding biennium.

In view of all these considerations, the Director of the Physical Plant Department, the Comptroller, and the Provost recommend:

1. That awards be made to the low bidders for the construction of one-half of this project for total contracts of $1,222,995.39, an estimated total cost of $1,674,802.

2. That the offer of Salk, Ward, and Salk, Inc., Chicago, for a loan of $900,000 be approved.

3. That the University of Illinois Foundation be requested to cooperate in the completion of this financing.

I concur in these recommendations.

The Comptroller presented this matter.

The Legal Counsel commented on the matter of taxation.

On motion of Mr. Livingston, these recommendations were adopted.

AWARD OF CONTRACTS FOR MATERIALS FOR UTILITIES DISTRIBUTION SYSTEM TO THE STAFF-STUDENT APARTMENTS

(11) Bids have been received for materials to be used in the construction of the Utilities Distribution System tunnel east on Illinois Street from Mathews Avenue to supply the proposed Staff-Student Apartment project, viz., steam piping and insulation. It is recommended that the lowest bids be accepted. The awards will be made with the understanding that if bids for the tunnel construction, to be received July 23, establish conditions which can not be met, or that if for any reason the Staff-Student Apartments themselves can not be constructed, these two contracts will not be executed.

The lowest bidders are as follows:

Division "L" — Reliance Welding and Heating Company, Galesburg $12 368

Division "K" — Asbestos & Magnesia Materials Company, Chicago 6 958

Funds are available in the Utilities Distribution System project for this work.

I concur in this recommendation and request that the Comptroller and Secretary of the Board be authorized to execute the contracts as recommended, subject to above condition.

On motion of Mr. Williamson, this award was made and authority was given as recommended.

ESTABLISHMENT OF BASIC RATES FOR JANITOR SERVICE AT URBANA-CHAMPAIGN

(12) After various discussions in which Director Dickason took part and in which the President joined on one occasion, the following agreement between the University and the Union is desirable:

The present $1.35 rate shall be maintained and accepted by the University and the Union for two years beginning July 1, 1948, and ending June 30, 1950, with the understanding that if during that period the composite rate for janitors' wages reaches or goes above $1.35, the University rate will at that time be tied to the composite janitor rate and shall rise and fall thereafter as it rises and falls.

If by June 30, 1950, the composite janitor rate has not yet reached $1.35, the University and the Union will reopen negotiations for the purpose of establishing a mutually satisfactory basis for fixing the University wage rate thereafter.

This plan will mean that we will not reduce the janitors' pay prior to June 30, 1950, but will reserve the right to negotiate at that time for establishing a new base related to the composite rate for janitors. In accordance with the action of the Board already taken, it divorces the janitors' rates from the rates for Class B Common Labor.

I recommend that such an agreement be approved.

Director Dickason commented on this matter.

On motion of Mr. Nickell, this agreement was approved.

INSURANCE ON HOSPITAL AND MEDICAL SERVICE PLAN

(13) On April 29, 1943, the Board of Trustees established a uniform hospital and medical service fee to be assessed against all students in the Urbana-Champaign departments. At later dates this requirement was extended to the Chicago and Galesburg Undergraduate Divisions.

The Board also approved the recommendation "that at least for the first two or three years, the Board of Trustees authorize the carrying of insurance to cover its obligations under this plan. Later, if it is clear that the proposed fee is adequate, insurance protection can be eliminated."

Each year since that time an insurance policy has been purchased to underwrite the obligation of the Board for the services offered to students under this fee. In the intervening years a considerable surplus has accrued to the University from the operations of the fund (the amount now exceeds $100,000). Each insurance company carrying the insurance also has had an ample margin over and above costs.

Handling these services through a commercial insurance company involves a material amount of added labor. It also involves added cost of insurance company administration as well as profit retained by them. Experience with the plan is now adequate and the accumulated reserves sufficient to justify the University in assuming this risk and obligation itself.

The Legal Counsel has reported to the Department of Insurance this contemplated change in policy. It is proposed that the buying of insurance to cover this plan be eliminated.

On motion of Mr. Nickell, this matter was referred to the Finance Committee for consideration and report.

HANDLING OF PETTY CASH AND WORKING FUNDS AND SECURITIES

(14) The State Statute governing the organization of the University (approved February 28, 1867, as amended) provides that at each biennial meeting "it shall be the duty of the Board to appoint a Treasurer who shall not be a member of the Board and who shall give bonds with such security as the Board of Trustees shall deem amply sufficient to guard the University from danger of loss or diminution of the funds entrusted to his care."

Article VI, Section 4 of the By-Laws of the Board of Trustees (adopted 1908) provides as follows: "The Treasurer shall be the custodian of all the funds and securities belonging to the University."

On February 10, 1932 (Minutes, page 537), the Board of Trustees approved a contract with the First Union Trust and Savings Bank (later merged with

the First National Bank of Chicago) which provides that all securities representing permanent investments of the University are to be held for safekeeping by that Bank.

The Statutes of the University (approved 1936) contain the following provisions:

SECTION 50B:

(1) No department shall receive any funds unless authorized by the Comptroller to do so. All funds shall be accounted for and paid over to the Bursar in such manner and at such times as the Comptroller shall direct.

(2) The Bursar shall collect all moneys due the University from any source and shall turn over the same in full to the Treasurer or to the State Treasurer as required by law as soon as practicable after collection.

SECTION 50E:

(1) The Comptroller is authorized to establish and administer petty cash funds where necessary for the prompt and efficient handling of university business, providing that no single fund of more than $1,000 may be established without specific action of the Board of Trustees, and provided further that all persons in whose hands a petty cash fund is placed shall be bonded in satisfactory amount. The Board shall designate the banks in which petty cash funds may be deposited and require that persons to whom petty cash funds are advanced make deposits in the banks designated.

Under this authority, the following funds have been maintained in bank accounts other than that in the name of the University Treasurer:

Urbana — C. C. DeLong, Bursar, Trevett-Mattis Banking Co., Champaign	$ 60 000
Chicago Professional Colleges — H. A. Hazleton, Business Manager, First National Bank of Chicago	15 000
Chicago Undergraduate Division — H. A. Hazleton, Business Manager, First National Bank of Chicago	5 000
Galesburg Undergraduate Division — W. J. English, Business Manager, First Galesburg National Bank and Trust Company	35 000
Cook County Experiment Station — J. P. McCollum, First National Bank of Des Plaines	200
Dairy Creamery — P. H. Tracy, Manager, Trevett-Mattis Banking Company, Champaign	400
	$115 600

These balances are used to provide a working fund for the purchase of milk and cream by the Dairy Creamery in Urbana, petty cash advances of less than $1,000 to authorized staff members, advances to the staff for salary earned but not paid by the State Auditor, travel advances, working capital to finance the cashing of salary warrants of staff and veterans' subsistence checks, and other business functions which make necessary the availability of cash at the locations indicated.

The deposit of securities for safekeeping directly with a bank and thus not in the custody or control of the University Treasurer, and the establishment of funds to provide petty cash and working capital which are also not in the custody or control of the Treasurer, are not consistent with Section 4 of the By-Laws of the Board of Trustees, as indicated above. The question recently has been raised by Mr. I. L. Porter, Treasurer, as to his personal liability in the event of a loss involving such securities or cash balances which are in fact neither in his custody nor control. The problem has been reviewed in detail by the Comptroller, Treasurer, and Legal Counsel who recommend that the By-Laws of the Board and the Statutes of the University be amended to conform to the present actual practices and needs of the University, and that thereupon an adjudication be secured from a Court of Jurisdiction to clarify the personal liability of the Treasurer under the Statutes and By-Laws thus amended in relation to the State Statute.

It is therefore recommended that:

1. Section 4 of Article VI of the By-Laws be amended to read as follows:

"After their receipt by him, the Treasurer of the University shall be the custodian of all funds of the University except such funds, for working purposes, as, from time to time, may be withdrawn from the custody of the Treasurer by

the Board of Trustees and placed in the custody of any University officer. Such working funds may be so withdrawn only in such amounts as may be necessary to provide for the efficient conduct of University business and then only upon such conditions, prescribed by the Board, as will insure their safekeeping and authorized use. The Treasurer of the University shall not be responsible for funds belonging to the University until they have been received by him nor for funds which have been withdrawn from his custody as authorized by the Board of Trustees.

"All securities belonging to the University shall be deposited for safekeeping in a bank designated by the Board of Trustees. The Treasurer of the University shall not be responsible for the safekeeping thereof."

2. Section 50B of the University Statutes, "Receipt and Deposit of Money," be amended to read as follows:

"(1) No department shall receive any funds unless authorized by the Comptroller to do so. All funds shall be accounted for and paid over to the Bursar in Urbana, or the Business Managers in Chicago and Galesburg, in such manner and at such times as the Comptroller shall direct.

"(2) The Bursar in Urbana and the Business Managers in Chicago and Galesburg shall collect all monies due the University from any source and shall turn over the same in full to the Treasurer, or to the State Treasurer, as required by law, as soon as practicable after collection."

The above subparagraphs (1) and (2) shall be subject to Article VI, Section 4 of the By-Laws of the Board of Trustees and Section 50E (1) of the University Statutes.

3. Section 50E (1) of the University Statutes be amended to read as follows:

"The Comptroller of the University is authorized to establish and administer petty cash and other working funds when necessary for the prompt and efficient handling of University business. Such funds may be so established from funds withdrawn from the Treasurer of the University or from other funds available to the University for such purposes. No single fund in excess of $1,000 may be so established without specific authorization of the Board of Trustees. Custodians of petty cash and other working funds shall be bonded in amounts satisfactory to the Board. Petty cash and other working funds shall be deposited in banks approved by the Board of Trustees. Neither the Treasurer of the University nor any other officer or employee of the University who is charged by the Board with the responsibility of administering such funds shall be liable for any loss to such funds arising from the insolvency of such depository banks, or for any reason other than his own default."

4. The working funds not in excess of the amounts indicated below be approved, to be deposited in the banks designated:

Business Office Urbana — Bursar's Fund, First National Bank in Champaign	$100 000 00
Business Office Chicago Professional Colleges — Business Manager's Fund, First National Bank of Chicago	20 000 00
Business Office Chicago Undergraduate Division — Business Manager's Fund, First National Bank of Chicago	10 000 00
Business Office Galesburg Undergraduate Division — Business Manager's Fund, First Galesburg National Bank and Trust Company	35 000 00

5. The Legal Counsel be authorized on behalf of the Board to prosecute any suit that may be required to establish the foregoing actions.

On motion of Mr. Williamson, these recommendations were approved, and the By-Laws and the University Statutes were amended as requested.

CORRECTION IN BOARD MINUTES OF MAY 22, 1948

(15) At its meeting on May 22 the Board of Trustees authorized the purchase of four residence properties for staff housing including the property at 709 West Michigan Avenue, Urbana. In negotiations with

the owner of this property it was agreed that the University would pay the 1948 real estate taxes, payable in 1949. This was erroneously reported as an agreement by the University to pay the real estate taxes due in 1948 which amount to $268.15. These taxes are for 1947 and had already been paid by the owner at the time of the negotiations. The 1948 taxes due in 1949 will probably amount to $300.

Under Illinois law the real estate tax liability is on the owner of a property as of April 1 of the tax year concerned.

It is requested that the Board authorize this correction in the minutes.

On motion of Mr. Nickell, the minutes were corrected as recommended.

APPOINTMENT OF DR. LOUIS B. HOWARD AS PROFESSOR AND HEAD OF THE DEPARTMENT OF FOOD TECHNOLOGY

(16) The President recommends the appointment of Dr. Louis B. Howard, now Chief of the Bureau of Agricultural and Industrial Chemistry, United States Department of Agriculture, as Professor and Head of the Department of Food Technology on indefinite tenure, beginning September 1, 1948,[1] at an annual salary of $11,000 for twelve months' service with one month's vacation (AY basis). The President also recommends that as a condition of this appointment Doctor Howard be permitted to do a limited amount of professional consulting work.

On motion of Mr. Williamson, this appointment was made as recommended.

MEETING OF COMMITTEE ON AGRICULTURE, JULY 21, 1948

At this point, Dr. Meyer requested a report of the meeting of the Committee on Agriculture held earlier in the day.

Mr. McLaughlin reported orally for the Committee that the afternoon had been given over to a presentation of the building needs of the College of Agriculture by Dean Rusk and his staff, a discussion with the Public Relations Committee of the Illinois Agricultural Association, Mr. Charles B. Shuman, President, and Miss Myra Robinson, President of the Illinois Home Bureau Federation, and Mrs. John Clifton, past President of the Illinois Home Bureau Federation, now Chairman of the Home Economics Building Committee.

Dr. Meyer emphasized the inadequacy of the present facilities and urged that better provision be made for the College of Agriculture.

The Provost gave a preview of the University's askings for buildings for the coming biennium and commented on the general needs of the University.

This report was received for record.

WARNER CONSTRUCTION COMPANY CONTRACT FOR WOMEN'S RESIDENCE HALL

The Secretary of the Board of Trustees presented a letter from the Warner Construction Company, dated June 28, 1948, in which the Warner Construction Company

1. Demanded that the time fixed under the terms of its contract for the construction of the Women's Residence Hall be extended for a period equivalent to the time lost by reason of any one or all of the fourteen (14) causes for delays by it in the construction of these buildings, as alleged by it;

[1] The effective date was subsequently changed to October 1, 1948.

2. Alleged in each of these fourteen (14) specifications of delay that the causes thereof were by reason of the acts, neglect, or defaults of the Owner or Architect;

3. Also alleged that it could not be declared in default under the terms of its contract until the expiration of said extended period of time equivalent to the time lost by reason of any one or all of the causes as alleged by it; and

4. Also demanded that if its demand for extension of the contract is denied by the Board that matters of dispute or of disagreement or uncertainty be submitted to arbitration in accordance with the terms of its contract.

After discussion of the subject matter of the letter of the Warner Construction Company to the Board of Trustees, dated June 28, 1948, it was resolved that the demand of the Warner Construction Company for extension of time for completion of the contract for the construction of the Women's Residence Hall be and the same is hereby denied; that the allegations of fact in each of the fourteen (14) alleged causes for delay and the alleged causes for delay themselves be and the same are hereby denied; that the Warner Construction Company be and it is hereby declared to be in default under the terms of its contract; that its default is not excused by any provision of the contract or by any rule of law but is the result of its own acts, neglects, or omissions for which it is liable to the Owner for all damages sustained or to be sustained by it by reason of such default; that its demand that the issues, matters in dispute or of disagreement or uncertainty be submitted to arbitration be and the same is hereby denied; that all claims and counterclaims for damages sustained and to be sustained by the Owner, by reason of the default of the Warner Construction Company in failing to complete its contract in accordance with the terms thereof, be asserted against the Contractor, and that the Secretary of the Board of Trustees be and he is hereby directed to reply to the letter of the Warner Construction Company herein referred to and inform it and the bonding companies of this action.

On motion of Mr. Williamson, this resolution was adopted. Mr. Livingston asked to be recorded as not voting.

SEPTEMBER MEETING TO BE IN PEORIA

On invitation of Mr. Williamson and on motion of Mr. Livingston, the Board voted to hold the September meeting in Peoria, on a date to be determined by the President of the Board in conference with the President of the University.

The Board adjourned at 12:30 a.m.

ADJOURNED SESSION, JULY 22, 1948

When the Board convened at 9:30 a.m. for the adjourned session of July 22, 1948, the following members were present: President Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell.

Provost Griffith was present; also Secretary H. E. Cunningham, Comptroller Lloyd Morey, Legal Counsel W. E. Britton, and Director J. F. Wright.

MATTERS PRESENTED BY THE PROVOST

The Board considered the following matters presented by the Provost, acting for the President of the University.

APPOINTMENT OF CHAIRMAN OF THE DEPARTMENT OF POLITICAL SCIENCE

(1) Professor C. A. Berdahl, who has served as Chairman of the Department of Political Science since October 1, 1942, has asked to be relieved of the chairmanship at the end of the current academic year. He will be on sabbatical leave of absence during the first semester of 1948-1949. His request is also in keeping with a policy informally agreed upon by the Department of Political Science when the chairmanship administration was adopted to put into practice a rotating service.

After consultation with members of the department, the Dean of the College of Liberal Arts and Sciences recommends the appointment of Professor Charles M. Kneier as Chairman of the Department of Political Science beginning September 1, 1948, to serve out the current biennium.

The President concurs in this recommendation.

On motion of Mr. Nickell, this recommendation was adopted.

CLINICAL FACULTY OF THE COLLEGE OF MEDICINE, 1948-1949

(2) A recommendation that appointments be made to the nonsalaried, or clinical, faculty of the College of Medicine for the academic year beginning September 1, 1948 (see Appendix, page 46), and that the President of the University be authorized to make such additional appointments and other changes as are desirable and necessary.

All appointments are for one year from September 1, 1948, unless otherwise indicated.

A summary by departments of the number of appointments with the comparative figures for 1947-1948 is also submitted.

On motion of Mr. McLaughlin, these appointments were made, and authority was given as recommended.

RECOMMENDATIONS FROM THE UNIVERSITY SENATE

(3) The University Senate recommends to the Board of Trustees the following changes in curricula requirements:

1. *English Requirement for Foreign Students.* Rhetoric 114 (English as a Foreign Language) and Rhetoric 115 (English as a Foreign Language) may be accepted as a substitute for Rhetoric 101 and 102 in meeting the requirements for graduation.

2. *Grade-Point Requirement for Premedical Students.* Premedical students must maintain a 3.5 average during the first two semesters in the curriculum. By the end of the third semester the average for the three semesters must be raised to 3.75 and this average must be maintained. Students who fail to meet these minimum requirements will be transferred to the General Curriculum.

3. *Grade-Point Requirement for Pre-dentistry Students.* Students applying for admission to the pre-dentistry curriculum must have ranked in the upper half of their high school graduating class. They must maintain at all times in the curriculum a minimum average of 3.5.

4. *Curriculum in Agricultural Science for the Degree of Bachelor of Science in Agriculture.* Students preparing for graduate study or for employment in certain agricultural industries in which a strong science foundation is necessary are offered two types of programs in this curriculum:

A. For students desiring preparation for advanced study in animal, plant, or soil science.

B. For students desiring preparation for advanced study in the fields included in agricultural economics.

	Program A	*Program B*
	HOURS	HOURS
General University Requirements	16	16
Group I—College of Agriculture courses	35	35
Group II—Humanities	6	56 hours from Groups II, III, IV, and V, with a minimum of 8 hours in each group and a minimum of 40 hours in any two of the groups
Group III—Social Science	6	
Group IV—Biological Science	12	
Group V—Physical Science	35	
Electives (unrestricted)	20	23
Total	130	130

5. *Requirement for Admission to the Pre-veterinary Curriculum in the College of Liberal Arts and Sciences* and the *Professional Curriculum in Veterinary Medicine.* Any freshman whose scholarship rank is in the upper half of his high school graduating class, on entering the College of Liberal Arts and Sciences, is eligible for admission to the pre-veterinary curriculum. A student transferring to this college with advanced standing must have maintained at least a 3.5 scholastic average, in terms of the University's grading system, in order to be admitted to the pre-veterinary curriculum.

Applicants for admission to the College of Veterinary Medicine must present not less than sixty semester hours of acceptable credit from a recognized college or university, exclusive of military science and physical education. The sixty semester hours must be distributed as follows:

	HOURS
Chemistry (including organic and quantitative analysis)	16
Biological science (including botany and general zoology)	8
Physics (including laboratory)	8
Foreign language	6
English composition and rhetoric	6
Electives in not less than two of the following fields: economics (including agricultural economics), fine arts, language, geography, history, literature, philosophy, political science, psychology, sociology and anthropology, speech. Approximately one-half of these credits should be in the social sciences	9
Free electives	7
Total	60

GRADE REQUIREMENT. Each applicant for admission to the College of Veterinary Medicine, whether from the University of Illinois or from another institution, must have attained in his pre-veterinary work a scholastic average of not less than 3.5, or the equivalent as determined by the University of Illinois for institutions using a different grading system. General University requirements with reference to scholarship of non-Illinois residents will apply.

ENROLLMENT LIMITATIONS. In considering applications for admission, preference will be given to candidates who are residents of Illinois and to Illinois veterans. Students are admitted only by the Director of Admissions and Records. Whenever the number of qualified applicants exceeds the number who can be admitted, selection will be made by a Committee on Admissions composed of the Director of Admissions and Records and members of the faculty of the College appointed by the Dean. When it seems desirable, the committee may refer applicants to the Student Personnel Bureau for interviews.

DEGREES. In the professional veterinary curriculum, the degree of Bachelor of Science in Veterinary Medicine will be awarded on completion of the second year of the curriculum, and the degree of Doctor of Veterinary Medicine will be awarded on completion of the four-year program.

For details of the pre-veterinary and professional veterinary curricula, see Appendix, page 60.

6. *Change in Admission Requirements to Graduate Work in Journalism.* Candidates must present an undergraduate major in journalism (20 hours) or an undergraduate major in one of the related fields of social science. Under the present requirement, candidates must present an undergraduate major in journalism (20 hours).

7. *Authorization of Advanced Degrees in Agricultural Engineering, Speech, and Aeronautical Engineering.* The University Senate recommends that the Board of Trustees authorize the establishment of the following advanced degrees for which the curricula have previously been authorized: Master of Science in Agricultural Engineering, Doctor of Philosophy in Speech, and Master of Science in Aeronautical Engineering.

I concur in the recommendations of the Senate.

On motion of Mr. Livingston, these recommendations were adopted.

DEPARTMENT OF SOCIOLOGY AND ANTHROPOLOGY

(4) The President reports for official record that he has authorized a change in the name of the Department of Sociology to the "Department of Sociology and Anthropology."

On motion of Mr. Nickell, this change was approved.

APPROVAL OF ACTIONS OF THE BOARD OF DIRECTORS OF THE ATHLETIC ASSOCIATION

(5) The Board of Directors of the Athletic Association submit the following actions for approval:

1. An appropriation of $19,250 to purchase the residence property at 301 West Pennsylvania Avenue, Urbana.

2. An appropriation of $1,874 and award of a contract to the Bash Roofing Company to recalk all expansion joints in the south horseshoe of Memorial Stadium. (The architects, Holabird and Root, recommended for this purpose the use of Hornex, and the Bash Roofing Company is the local distributor for this product.)

3. An additional appropriation of $3,000 for the construction of a well at the new golf course. (The Board of Trustees on May 22, 1948, Minutes, page 1102, approved an appropriation of $9,000 for this purpose. It is now clear that this amount will be inadequate, and the supplementary appropriation of $3,000 is recommended.)

4. An appropriation of $6,000 for improvements in wiring and new lights for the basketball courts in the West Great Hall of the Stadium.

5. An appropriation of $250 for the purchase of championship awards for members of the baseball team.

6. A special appropriation of $3,000 for a contribution to the Alumni Association in connection with service rendered by that organization in field work.

7. An appropriation of $500 for the annual contribution to the University of Illinois Band to apply on certain expenditures in connection with the football band program.

On motion of Mr. Livingston, these actions were approved.

LEGAL SERVICES FOR WOMEN'S RESIDENCE HALL LOAN

(6) The construction of the Women's Residence Hall, Urbana, is to be financed in part by borrowing funds in the amount of $900,000. In securing such funds it is necessary that there be an approving opinion of independent counsel. The Legal Counsel and the Comptroller recommend that the firm of Chapman and Cutler, attorneys of Chicago, be engaged for all necessary services in connection with this bond issue.

On motion of Mr. McKelvey, the employment of Chapman and Cutler was authorized as recommended.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(7) The Committee on Special Appropriations and Nonrecurring Expenditures recommends assignments from the General Reserve Fund for the following purposes:

Special equipment for University Bands	$ 8 500
Soil and Water Conservation Laboratory for Agricultural Engineering Department	8 000
Equipment for Department of Art	4 235
Equipment for Workshop for Biological Sciences	3 000
Architectural services for remodeling in David Kinley Hall	2 400
Remodeling Room 137 Natural History Building for the Geology Department	980
Audiometer for the Department of Speech	750
Total	$27 865

On motion of Mrs. Holt, these appropriations were made as recommended, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr.

Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer, Mr. Williamson.

AWARD OF CONTRACTS FOR REMODELING ARMORY FOR NAVAL SCIENCE

(8) Bids have been received for general and electrical work on remodeling in the Armory to house Naval Science classroom work. The Director of the Physical Plant Department and the Comptroller recommend the award of contracts to the lowest bidders, Kuhne-Simmons Company, Inc., $15,692 for general work, and the Square Deal Electric Company, $6,864 for electrical work.

Funds are available.

I concur and request that the Comptroller and Secretary of the Board be authorized to execute these contracts.

On motion of Mrs. Holt, these contracts were awarded and authority was granted as recommended.

CONTRACTS FOR MINOR ALTERATIONS

(9) During the past two years, the Board of Trustees has approved on a year-to-year basis (Minutes, March 27, 1947, page 317; September 26, 1947, page 835) a procedure and cost plus fixed fee contracts for minor alterations and remodeling in the Urbana-Champaign division. The work under the contracts is initiated on individual order by the Physical Plant Department, approved by the Comptroller within Board appropriations for jobs which are so small, or of such a character as to make competitive bidding impractical, and not exceeding $5,000.

This procedure has proved advantageous to all parties concerned. To continue the policy, bids were received on a similar basis for the year 1948-1949.

A general analysis of the bids indicates that if the awards are made to the contractors indicated below, the lowest total cost to the University will result:

General work — Lewis S. Colbert, Urbana
Plumbing and heating — Reliable Plumbing and Heating Company, Champaign
Electrical work — Square Deal Electric Company, La Porte, Indiana
Ventilating and sheet metal work — Schroeder's, Champaign

The Director of the Physical Plant Department and the Comptroller recommend a continuation of this procedure and the award of standing contracts until June 30, 1949, to the companies indicated above.

I concur and recommend that authority be granted to the Comptroller and Secretary of the Board to execute such contracts, the Comptroller to report regularly to the Board all projects initiated under these contracts.

On motion of Mr. Livingston, these recommendations were adopted and authority was given as recommended.

ADDITIONS TO CONTRACTS FOR CHEMISTRY AND CHEMICAL ENGINEERING BUILDING

(10) The Director of the Physical Plant Department and the Comptroller recommend an increase of $4,073.83 in the contract with John Felmley Company for the general work on the Chemistry and Chemical Engineering Building. This increase is to provide for changes requested by the Building Committee of the Chemistry Department to include the furnishing and installation of removable machine platform grading in mezzanine "A" and unit operations laboratory, a stair to the pit in Room 18, and light-proof shades in Room 438.

The Director of the Physical Plant Department and the Comptroller recommend an increase of $6,936.80 in the contract with the Leverenz Electric Company for electrical work in the construction of the Chemistry and Chemical Engineering Building to provide for changes in wiring due to a change from fluorescent lighting fixtures to incandescent lighting fixtures.

Funds are available for these additions in the special State appropriation for the Chemistry and Chemical Engineering Building.

I concur and request that the Comptroller and Secretary of the Board be authorized to execute these changes.

On motion of Mr. Nickell, these additions were approved and authority was given as recommended.

ADDITIONS TO GENERAL CONTRACT FOR ELECTRICAL ENGINEERING BUILDING

(11) The Department of Electrical Engineering has requested the following additions to the contract with the John Felmley Company for the construction of the Electrical Engineering Building:

1. Alterations in Room 219 to make it suitable for laboratory use for illumination engineering instruction.....$3 062 11
2. Acoustical materials for walls and ceilings..... 5 821 31

The Director of the Physical Plant Department and the Comptroller recommend these additions. Funds are available in the State appropriation for this building.

I concur and recommend that the Comptroller and Secretary of the Board be authorized to execute these changes.

On motion of Mr. Livingston, these additions were approved and authority was given as recommended.

ADDITION TO CONTRACT FOR GENERAL WORK ON PHYSICAL ENVIRONMENT ADDITION TO RESEARCH AND EDUCATIONAL HOSPITALS

(12) The Director of the Physical Plant Department and the Comptroller recommend an addition of $2,968 to the contract with E. H. Marhoefer, Jr., Company of Chicago for the general work on the Physical Environment Addition to the Research and Educational Hospitals, to provide for the construction of a temporary machine shop.

Funds are available.

I concur and request that the Comptroller and Secretary of the Board be authorized to execute this change in the contract.

On motion of Mr. McLaughlin, this addition was approved and authority was given as recommended.

ADDITION TO CONTRACT FOR PLUMBING FOR TEMPORARY CAFETERIA AT URBANA

(13) The Director of the Physical Plant Department and the Comptroller recommend an increase of $6,827.19 in the contract with the Reliable Plumbing and Heating Company for plumbing and heating work in the construction of the Temporary Cafeteria at Urbana, to provide for the cost of connecting all food service equipment in the building.

Funds are available.

I concur and request that the Comptroller and Secretary of the Board be authorized to execute this change.

On motion of Mr. Nickell, this addition was approved and authority was given as recommended.

REPORT OF CHANGE IN ESTIMATES FOR ARCHITECTURAL SERVICES ON CHEMISTRY AND CHEMICAL ENGINEERING BUILDING

(14) The Board of Trustees on June 23, 1947 (Minutes, page 398), approved the extension of the contract with Graham, Anderson, Probst, and White for architectural services on the Chemistry Building to include plans and specifications for the equipment. The contract was increased on the basis of 8 per cent of the cost of the equipment, and it was estimated that the total cost of the contract would be $17,360.

This was based on the original estimate of $217,000, made two years ago, for

the cost of equipment. Bids received totalled $548,553.60, so that on the basis of 8 per cent the fee will be $43,884.29, of which 75 per cent, or $32,913.22, is due now.

On motion of Mr. Livingston, this payment was authorized.

PURCHASE OF OIL FOR TEMPORARY HOUSING

(15) The Director of the Physical Plant Department, the Comptroller, and the Director of Purchases recommend the purchase of approximately 300,000 gallons of No. 1 fuel oil to be delivered as required during 1948-1949 to the temporary housing units on the Drill Field area. The price is to be the truck-delivered price in effect at the time of delivery. The present price is 14.4 cents a gallon.

It is recommended that orders be placed as follows at an approximate total cost of $15,000 each:

Stewart Oil Company.....100,000 Gallons
Standard Oil Company.....100,000 Gallons
Ohio Oil Company.....100,000 Gallons

I concur and request approval of this purchase.

On motion of Mr. McLaughlin, this purchase was approved.

AWARD OF ENGINEERING SERVICES CONTRACT FOR OIL DISTRIBUTION SYSTEMS — TEMPORARY HOUSING

(16) The present system of distributing oil to the storage tanks in the Drill Field housing area has proved to be excessively expensive, amounting to approximately $30,000 during 1947-1948. A central fuel oil distribution system from storage tanks located on the railroad siding near the Abbott Power Plant might effect substantial savings.

The Director of the Physical Plant Department and the Comptroller recommend the employment of Neiler, Rich, and Bladen for the purpose of making studies of the engineering phase of the centralized system at a fee of 10 per cent, with the understanding that if for any reason the work should be stopped before completion they will bill the University on the basis of actual time including principals' time multiplied by three to cover overhead and profit, with a maximum fee of $3,000.

Funds are available in the special State appropriation for temporary student housing.

I concur and recommend that the Comptroller and Secretary of the Board be authorized to execute this contract.

On motion of Mr. McKelvey, the employment of this firm was authorized, on condition that these studies can not be undertaken by the Physical Plant Department.

PURCHASES

(17) There are submitted herewith recommendations for purchases for approval by the Board, and purchases authorized by the President of the University (see Appendix, page 61).

On motion of Mr. McLaughlin, purchases were authorized as recommended, and the action of the President of the University in authorizing emergency purchases was approved and confirmed.

ENGAGEMENT OF IGOR STRAVINSKY

(18) The School of Music requests approval of a contract for the services of Igor Stravinsky, distinguished composer and conductor, to conduct a performance of the University symphony orchestra in connection with the Music Festival to be held March 3, 1949, for a fee of $1,500.

Funds are available in the regular budget of the School of Music.

I concur and request that the Comptroller and Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Holt, this contract was approved and authority was given as recommended.

ROBBERY AT BUSINESS OFFICE OF CHICAGO PROFESSIONAL COLLEGES

(19) The Business Manager of the Chicago Professional Colleges reports through the Comptroller that on the morning of June 17, 1948, at about 11:00 a.m., armed robbers held up the Business Office of the University at the Chicago Professional Colleges and robbed the Business Office of the following valuables:

1. Currency and coin.....$2 238 00
2. Receipts for advances as a result of adjustments due to resignations and travel advances..... 385 27
3. Possible loss due to loss of powers of attorney authorizing the endorsement of State warrants..... 2 446 83

Item 2 represents only that portion of a total of about $800 of papers taken which it has been impossible to replace. Additional replacements may come to light on these items. Item 3 represents powers of attorney attached to receipts of authorization for endorsing salary warrants from individuals leaving the University after payrolls were prepared. These enable the cashier to replace the amount advanced and credit the difference between that and the warrant to the department to which it was originally charged. It will probably be possible to replace to a considerable degree, and perhaps fully, all of these documents.

Item 1 is completely covered by insurance but not items 2 and 3.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS

(20) The Comptroller's report of contracts executed between May 1 and July 10, 1948 (see Appendix, page 65).

This report was received for record.

GIFTS AND GRANTS OF FUNDS FOR RESEARCH AND OTHER PURPOSES

(21) A report of gifts and grants of funds for research and other purposes received by the University since the last report on March 9, 1948 (see Appendix, page 66).

This report was received for record.

RESOLUTIONS FROM THE ILLINOIS PHARMACEUTICAL ASSOCIATION

(22) The Illinois Pharmaceutical Association at its annual convention at Springfield on May 16, 17, and 18, 1948, adopted the following resolutions:

RESOLUTION NO. 13

Resolved: That the Illinois Pharmaceutical Association, in convention assembled at Springfield, Illinois, May 16-17-18, 1948, commends the President and Board of Trustees of the University of Illinois and Dean E. R. Serles of the College of Pharmacy for the splendid, cooperative, and cordial relations which have existed during the past year between them and the Pharmacy Advisory Committee to the College of Pharmacy, and respectfully suggest and recommend the appointment of our respected member and Past President, Harold A. Wild, to fill the vacancy created by the resignation of Dale Ruedig, as well as the reappointment of our respected member, Otto J. Pelikan, to succeed himself, and the retention of our respected members, Jack I. Reader, Ed Brown, and Charles Walgreen, Jr., as the five members of that Committee, in addition to our President as *ex officio* member of that Committee.

RESOLUTION NO. 14

Resolved: That the Illinois Pharmaceutical Association recommend to the President of the University and the Board of Trustees that facilities be established to graduate 200 pharmacists each year; be it further

Resolved: That the Illinois Pharmaceutical Association concur in and support the proposal of the University of Illinois Buildings Committee to establish a new Pharmacy Building and a Drug Plant Experiment Station, to further the adequate development of pharmaceutical education in this State; and be it further

Resolved: That the Illinois Pharmaceutical Association recommend to the President of the University and the Board of Trustees that due consideration be given to the establishment of adequate housing facilities for students immediately, in order that this disgraceful situation may be corrected; and be it further

Resolved: That the members of the Illinois Pharmaceutical Association, in convention assembled, hereby endorse the recommendations of the Advisory Committee and pledge themselves, individually and collectively, to employ every means of legitimate influence in the consummation of this important task; and be it further

Resolved: That copies of these resolutions be transmitted to Dr. A. C. Ivy, Vice-President in charge of the Chicago Professional Colleges, Dr. George D. Stoddard, President of the University of Illinois, and Mr. John R. Fornof, President of the Board of Trustees.

This report was received for record.

APPOINTMENTS TO THE COLLEGE OF PHARMACY ADVISORY COMMITTEE

(23) The Vice-President in charge of the Chicago Professional Colleges and the Dean of the College of Pharmacy recommend the appointment of the following as members of the College of Pharmacy Advisory Committee:

HAROLD A. WILD, Joliet, to replace Dale Ruedig, whose term has expired (four years beginning July 1, 1948)

OTTO J. PELIKAN, Oak Park (five years beginning July 1, 1948)

The other members of the Committee are:

JACK I. READER, Chicago, *Chairman* (one year beginning July 1, 1948)
W. EDWIN BROWN, Quincy (three years beginning July 1, 1948)
CHARLES R. WALGREEN, JR., Chicago (two years beginning July 1, 1948)
WALTER A. HARRIS, *ex officio,* President of the Illinois Pharmaceutical Association.

I concur in the recommendations of Doctor Ivy and Dean Serles.

On motion of Mr. Nickell, these appointments were made as recommended.

AWARD OF CONTRACT FOR ELECTRICAL WORK FOR UTILITIES DISTRIBUTION SYSTEM IN CHICAGO

(24) Bids have been received for electrical work in switch room "C" in connection with the utilities distribution system installation at the Chicago Professional Colleges.

The lowest bid is considerably below others received; however, the contractor has been investigated and his financial responsibility and organization are considered satisfactory. The Director of the Physical Plant Department and the Comptroller recommend the award of the contract to the lowest bidder, the Chicago Square Z Electric Company, on the basis of their base bid of $11,543, with a 3 per cent escalation cost, making the maximum obligation $11,889.29.

I concur and recommend that the Comptroller and Secretary of the Board be authorized to execute this contract.

On motion of Mr. Nickell, this contract was awarded and authority was granted as recommended.

AWARD OF CONTRACTS FOR REMODELING 1007 SOUTH WRIGHT STREET, CHAMPAIGN

(25) The Executive Committee of the Board of Trustees on July 1, 1948, approved a special appropriation of $27,300 for remodeling the two houses at 1007 South Wright Street, Champaign, for office quarters for the College of Education. Due to the urgency of the project, the Director of the Physical Plant Department and the Comptroller recommend that the remodeling work be done by the contractors with whom the University had standing contracts for minor building remodeling during 1947-1948. It is also recommended that the work be done on the basis of cost plus the same percentage of cost as was allowed under the standing contracts.

The contracts to be awarded are as follows:

	Estimated Cost
The Square Deal Electric Co., La Porte, Indiana	$ 2 680
Kuhne-Simmons Co., Inc., Champaign	13 328
Champaign Plumbing & Heating Co., Champaign	1 390

I concur in these recommendations and request authority for the Comptroller and Secretary of the Board to execute these contracts.

On motion of Mr. Livingston, these contracts were awarded and authority was given as recommended.

ADDITIONAL QUONSET HUT FOR AIRPORT

(26) The Director of the Institute of Aeronautics requests a special appropriation of $5,874.83 for the purchase of an additional quonset hut for the Airport to supplement two similar huts purchased in 1947 (Minutes, April 23, 1947, page 346). The new hut would be used as a classroom for the aircraft maintenance engineering course which has been approved and for which these facilities are needed by September. The item is not covered in the regular budget of the division. The Provost and the Comptroller endorse this recommendation.

The Director of Purchases requests authority to place the order for this building with the Harshbarger Building & Supply Company, Urbana, distributor for such buildings in this area, for one 40 by 80 foot quonset hut erected at the Airport, $5,874.83.

I concur and recommend a special appropriation of the amount required and approval of the proposed purchase.

On motion of Mr. McLaughlin, this purchase was authorized, and the appropriation was made as recommended, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer, Mr. Williamson.

EXTENSION OF LEAVE OF ABSENCE FOR PROFESSOR EDGAR L. ERICKSON

(27) At the meeting of the Board of Trustees on November 29, 1947 (Minutes, page 929), Dr. Edgar L. Erickson, Associate Professor of History, was granted a leave of absence without pay from March 1 to September 1, 1948, for service to the Department of the Army in the writing of its war history. It was anticipated that the work could be completed within that period but this has been found to be impossible. The Department of the Army has urgently requested an extension of Professor Erickson's leave to September 1, 1949, because of the critical nature of the work involved.

The Dean of the College of Liberal Arts and Sciences and the Head of the Department of History believe that Professor Erickson should be granted the leave and permitted to complete the project. I concur and recommend that his leave without pay be extended to September 1, 1949.

On motion of Mrs. Holt, this leave was extended as recommended.

AWARD OF CONTRACT FOR REMODELING HOUSE AT AIRPORT

(28) The Director of the Institute of Aeronautics recommends that the frame house acquired by the University when the Airport land was purchased and which is located close to the main hangars be remodeled into two apartments for Airport staff members. The house is now standing empty and this improvement would provide not only badly needed living accommodations for staff members but would also make it possible for a mechanic to live at the Airport and be available for night flying operations.

Funds for this remodeling are available in accumulated receipts from Airport operations and the initial expenditure would be recovered through income from rentals.

The Director of the Institute of Aeronautics and the Supervising Engineer at the Airport contacted a number of contractors concerning this work and were able to find only one who was interested in undertaking the job. Mr. J. C. Scott, Tolono, Illinois, has offered to do the work on the basis of cost plus 10 per cent with an estimated total cost of $8,500. The Director of Purchases and the Comptroller recommend the award of the contract to Mr. Scott.

I concur in this recommendation and request that the Comptroller and Secretary of the Board be authorized to execute this contract.

On motion of Mr. McKelvey, this contract was approved (within the estimate of $8,500) and authority was given as recommended.

CONTRACT FOR PURCHASE OF COAL FOR URBANA-CHAMPAIGN DEPARTMENTS

(29) Coal requirements for the Abbott Power Plant at the Urbana-Champaign campus for 1948-1949 aggregate forty thousand tons of screenings. Specifications were submitted to vendors believed to be able to furnish this coal (21 concerns) and advertisements were run in Chicago papers. No bids were received on the basis of the University's specifications because no firm was willing to enter into a contract in accordance with the specifications providing for price adjustment based on coal analysis. All bids received were based on the standard type of coal contract, which does not include price adjustment on basis of analysis but provides for adjustment in the price to reflect any changes in cost of production resulting from changes in miners' wages.

The following quotations were submitted:

	Tons	*Shipping point*	*Price f.o.b. mine*	*Freight*	*Delivered cost*
Taylor-English Coal Co., Danville	44 000	Catlin	$4 20	$ 95[1]	$5 15
				98[2]	5 18
Bell & Zoller Coal Co., Chicago	12 000	Murdock	4 05	95	5 00
Lafayette Coal Co., Chicago	6 000	Pana	4 25	1 68	5 93
Blue Lake Coal Co., Catlin	22 900	Catlin	4 25[1]	95[1]	5 20
			4 75[2]	98[2]	5 73
Clarence V. Beck & Co., St. Louis, Mo.	22 000	Gillespie	4 25	1 80	6 05
Consolidated Coal Co., St. Louis, Mo.	7 500	Staunton and Mt. Olive	4 25	1 80	6 05
Southern Coal Co., St. Louis, Mo.	18 000	Breese	4 00	2 25	6 25

The above prices are based on miners' wages in effect at time of bids and are subject to any subsequent changes in such rates.

The Director of Purchases, the Director of the Physical Plant Department, and the Comptroller recommend that contracts be awarded as follows:

	Tons	*Price f.o.b. Mine*	*Freight*	*Delivered cost*	*Approximate total*
Taylor-English Coal Co.	25 000	$4 20	$ 95[1]	$5 15	$129 000
			98[2]	5 18	
Bell & Zoller Coal Co.	12 000	4 05	95	5 00	60 000
Lafayette Coal Co.	3 000[3]	4 25	1 68	5 93	17 790

Acceptance of the proposal of the Blue Lake Coal Co. is not recommended because investigation indicates that their screenings are not satisfactory.

Approval of this recommendation is requested. Under the requirements of the State constitution, the approval of the Governor is also required on such contracts.

On motion of Mr. McLaughlin, contracts were awarded as recommended.

PURCHASE OF PYREX LABORATORY GLASSWARE

(30) Approximately 1,400 cases of Pyrex laboratory glassware will be required for use in instructional and research laboratories at the Urbana departments for the year ending June 30, 1949. This glassware is sold only through authorized dealers at prices prescribed by the manufacturer, the Corning Glass Works, and subject only to discounts which vary on quantity order. The minimum quantity price is based on a minimum of one hundred cases. The total estimated expenditure for the year is $27,000. All purchases are placed in the General Chemical Storeroom and issued from that point to the various laboratories and charged to budgetary accounts of the departments concerned.

The Director of Purchases requests authority to place orders from time to time with the following authorized dealers in this territory for approximate uniform amounts of $3,000 total for each dealer for the year, for quantities sufficient in each instance to obtain the lowest price and in accordance with the needs for additional stock from time to time.

Central Scientific Company, Chicago	$3 000
Chicago Apparatus Company, Chicago	3 000
A. Daigger and Company, Chicago	3 000
A. S. LaPine and Company, Chicago	3 000
Rascher and Betzold, Chicago	3 000
E. H. Sargent and Company, Chicago	3 000
Schaar and Company, Chicago	3 000
W. M. Welch Manufacturing Company, Chicago	3 000
Wilkens-Anderson Company, Chicago	3 000

The Comptroller concurs in this recommendation. I also concur and request approval.

On motion of Mrs. Holt, these purchases were authorized as recommended.

REMODELING ROOMS 108-113 NATURAL HISTORY BUILDING

(31) An appropriation has been requested by the College of Liberal Arts and Sciences for remodeling Rooms 108-113 Natural History Building. This is intended to give some measure of relief to the Departments of Geology and Botany. Both of these departments are very crowded at the present time. In addition, an outstanding cytogeneticist with an extensive research program is being added to the staff this fall and space must be provided for his work. The Physical Plant Department has received estimates from contractors indicating a cost of approximately $8,750.

This request was referred to the Committee on Special Appropriations and Nonrecurring Expenditures for emergency action. The Committee recommends that the work be completed at an early date; otherwise the work of these departments will be seriously impeded.

I concur and recommend an appropriation of $8,750 and request that the Comptroller and Secretary of the Board be authorized to execute the contracts necessary for this remodeling.

On motion of Mr. McLaughlin, these alterations were approved, authority was given as recommended, and the appropriation was made, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer, Mr. Williamson.

AWARD OF CERTIFICATES OF CERTIFIED PUBLIC ACCOUNTANT

(32) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded the following who have made applications therefor under Section 5 of the Accountancy Act of 1943. They have presented satisfactory evidence that they are holders of valid and unrevoked C.P.A. certificates which they obtained from other states by passing written examinations, and that they have satisfied the other conditions specified in Section 5 of the Act.

LELAND LADOW BAKER (N.Y.)
WILLIAM ROSS CUSIMANO (D.C.)
LEONARD EDELSON (N.Y.)
RICHARD LEIGHTON FAIRCHILD (Mich.)
WILLIAM WAYNE FURNELL (Okla.)
HARRY LEROY STOVER (Mo.)
JACK EDWARD THOMAS (Wis.)
DANIEL PRESTON WILLIAMS (Mo.)

I concur.

On motion of Mr. McKelvey, these certificates were awarded as recommended.

TRANSFER OF TITLE TO VETERANS HOUSING UNITS TO UNIVERSITY

(33) The title to veterans housing units located in Champaign-Urbana is now in the Federal government. They are operated by the University under an operating agreement whereby the University submits reports of operations and remits net operating revenues.

The transfer of complete ownership and control of these units to the University was authorized by Congress under Public Law 796, signed by President Truman on June 28, 1948, such transfer to be effective on the first day of the month following the month in which the University's application is approved. A request for such a transfer must be submitted prior to October 26, 1948. This authority to transfer extends to only those units located on ground owned by the University and would not apply to those units located at Galesburg.

It is highly desirable that the University take advantage of this authority since it would make it possible to operate these units according to general University housing policies and eliminate any conflict with the policies of the Federal Public Housing Authority.

Such transfer would also relieve the University of the additional administrative expense necessary in maintaining records according to the requirements of the Federal government and submitting reports of operations to it.

The Director of the Physical Plant Department and the Comptroller recommend the adoption of the following resolution. I concur and request that the Comptroller and Secretary of the Board be authorized to sign all documents necessary to effect this transfer.

On motion of Mrs. Holt, the following resolution was adopted, and authority was given as recommended, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer, Mr. Williamson.

RESOLUTION

Whereas an act of Congress, H. R. 5710, to amend the Act entitled "An Act to expedite the provision of housing in connection with national defense, and for other purposes" (approved October 14, 1940), approved June 28, 1948, enacted that, "Upon the filing of a request therefor as herein provided, the Administrator shall relinquish and transfer, without monetary consideration, to any educational institution all contractual rights (including the right to revenues and other proceeds) and all property right, title, and interest of the United States in and with respect to any temporary housing located on land owned by such institution, or controlled by it and not held by the United States: . . ."; and,

Whereas said amendatory Act further provides, "The filing of a request under this section must be made within one hundred and twenty days of the date of enactment of the section and shall be authorized by the board of trustees or other governing body of the institution making the request"; and,

Whereas said amendatory Act further provides, "Such request shall be accompanied by an opinion of the chief law officer or legal counsel of the institution making the request to the effect that it has legal authority to make the request, to accept the transfer of and operate any property involved, and to perform its obligations under this section"; and,

Whereas the Board of Trustees of the University of Illinois, a public corporation, has heretofore acquired from the United States Government under and by virtue of the provisions of the Act approved October 14, 1940, above referred to, the following described properties:

Project Ill.-V-11246 — 275 Sectional houses

Project Ill.-V-11254 — 3 Converted T dormitories, 42 family dwelling units; 52 Two-bedroom family dwelling units, 6½ two-story S type buildings; 1 61-Man T dormitory

Project Ill.-V-11277 — 108 Two-bedroom family dwelling units, 36 one-story buildings

Project Ill.-V-11287 — 108 Two-bedroom family dwelling units, 13½ two-story S and Q type buildings

Project Ill.-V-11306 — 168 Two-bedroom family dwelling units, 56 one-story buildings; 1,312 dormitory units in 82 one-story buildings; 2 one-story buildings used as warehouses; and 2 one-story buildings used for maintenance and administrative purposes

Therefore, Be It Resolved that the Board of Trustees of the University of Illinois, a public corporation, hereby requests the Administrator to relinquish and transfer to the Board of Trustees of the University of Illinois all contractual rights (including the right to revenues and other proceeds) and all property rights, title, and interest of the United States in and with respect to the property, herein described, subject in all respects to the terms of said amendatory Act, approved June 28, 1948.

RESEARCH HOUSES ERECTED BY SMALL HOMES COUNCIL

(34) On April 24, 1947 (Minutes, page 341), the Board of Trustees approved a program for the erection of six research homes to be used for staff housing and financed in part by a research grant, in part by borrowed funds, and in part by a University appropriation. The Board also appropriated the sum of $27,950 for the University's share of a total estimated cost of $60,210. The Board increased this appropriation by $6,000 on September 26, 1947 (Minutes, page 821), which, together with adjustments in other funds, was to provide for a revised estimated cost of $67,650.

The revised estimates have proved to be inadequate. The present situation is summarized as follows:

Total revised cost	$81 427 97
Funds allocated (Board appropriation, contract funds, and borrowed funds)	70 439 04
Deficiency in funds	$10 988 93

It is proposed to meet this deficiency by allocating funds from the following sources:

Research funds for publications (the cost of the publications to be charged to the Small Homes Council Publications Revolving Account, thus releasing contract funds for construction)	$ 2 500 00
Allocation of all funds collected for indirect costs on the contract including the portion (40%) which normally would go to general income	8 238 93
Additional funds to be charged to the appropriation for Small Homes Council	250 00
Total	$10 988 93

Approval of this revised estimated cost and allocation of funds is requested.

On motion of Mr. McKelvey, this revision was approved and funds were allocated as recommended.

REAPPROPRIATION OF UNEXPENDED BALANCES

(35) The Comptroller recommends that unexpended balances in appropriations made by the Board of Trustees for services and projects not completed as of June 30, 1948 (see Appendix, page 69), be reappropriated for the fiscal year beginning July 1, 1948.

On motion of Mr. Nickell, these balances were reappropriated as recommended, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer, Mr. Williamson.

FARM BUILDINGS AT CARTER-PENNELL FARMS

(36) Professor J. B. Andrews, Manager of University farms, recommends that the University contract with Carl J. Steiner, Jr., Cissna Park, for the construction of a corn crib on the North Carter-Pennell Farm for approximately $4,600 and a cattle shed and concrete cattle yard floor on the South Carter-Pennell Farm for approximately $3,500.

The need for the crib has been known for some time. The old crib is beyond temporary repair and is unsafe for further use. (A letter in the files written by Professor M. L. Mosher to Dean Mumford in 1938 states the need for replacing the old crib "in the near future.") The shed on the South Carter-Pennell Farm is necessary to meet the requirements for producing Grade A milk. Much time has been spent with staff members in farm management to review location, relative investment, and capacity needs; with the Soil Conservation Service technicians to check drainage affecting location; and with Professor D. G. Carter of the Department of Agricultural Engineering and his staff to provide details of design and to check costs of construction.

Buildings built by Mr. Steiner have been inspected and his references checked. He has been found to be experienced and reliable. His over-all costs, compared with the costs for recent construction of similar buildings in this area, are considered reasonable by Professor Carter.

Funds are available in the operating account of Carter-Pennell Farms.

Professor Case, Dean Rusk, and the Comptroller endorse this request. I concur and recommend approval.

On motion of Mr. McLaughlin, the construction of these buildings was authorized as recommended.

REMODELING OF ARCADE BUILDING

(37) On September 26, 1947 (Minutes, pages 834-835), the Board approved contracts for remodeling the Arcade Building, in line with the agreement of the University to make such remodeling under the lease with John Katsinas. The previous estimate of cost of this work was $30,000, on a cost plus fixed fee basis. Actual costs will run almost $50,000 due in part to necessary changes in amount of remodeling and in part to increased construction costs.

Direction to proceed could not be given the contractor until December 2, 1947. There were further delays resulting from (a) unusually heavy rains, (b) shortage of brick masons, (c) delay in securing information from Mr. Katsinas concerning location of equipment, the latter undoubtedly due in part to serious illness in his family.

As of this date, the work required of the University has been substantially completed and the property has been turned back to Mr. Katsinas who has started the installation of new equipment. (Unexpected leakage of water has developed in the basement from an underground spring, which may require until August 15 to correct.) Mr. Katsinas has indicated that he is installing an entire lot of new equipment and making other changes which may cost in the neighborhood of $75,000. As reported to the Board on September 26, 1947, the lease still has four years to run.

Rental has been suspended during the remodeling period, beginning July 1, 1947, and will be reinstated September 1, 1948. Mr. Katsinas has indicated that he will have the restaurant in operation the first semester of 1948-1949.

This report was received for record.

ADDITION TO HEATING AND VENTILATING CONTRACT FOR AGRONOMY GREENHOUSE ADDITION

(38) The Director of the Physical Plant Department and the Comptroller recommend an increase of $1,198 in the contract with Robert Gordon, Inc., Chicago, for the heating and ventilating work on the Agronomy Greenhouse Addition. This

increase is to provide for insulating the low-pressure steam piping. It was originally planned to secure radiation from the low-pressure piping by leaving this piping uncovered. It has now been found, however, that the radiators will be adequate and that, if the pipes are left uncovered, they will render the thermostats ineffective, making temperature control difficult.

Funds are available in the appropriation for the Agronomy Greenhouse Addition.

I concur in this recommendation and request that the Comptroller and the Secretary of the Board be authorized to execute this addition to the contract.

On motion of Mr. McKelvey, this addition to contract was approved and authority was given as recommended.

ADDITIONAL APPROPRIATION AND AWARD OF GENERAL CONTRACT FOR REMODELING FOR LIBERAL ARTS AND SCIENCES STAFF OFFICES

(39) Estimates from contractors have been received for the cost of remodeling residences owned by the University at 402 South Mathews, 606 South Mathews (rear), and 1205 West California, all in Urbana, in order to provide office space for the College of Liberal Arts and Sciences. The Provost's Office has indicated that the need for office space in the College of Liberal Arts and Sciences is the most critical of any of the colleges. Estimates of total costs are as follows:

402 South Mathews	$ 8 500
606 South Mathews	16 600
1205 West California	10 000
Total estimated cost	$35 100

The house at the rear of 606 South Mathews will be available for a number of years and a rather complete and thorough job of rehabilitation is contemplated. The other two properties may be removed shortly to make way for future building projects. Accordingly, only improvements and remodeling sufficient to make the buildings usable are included.

On March 9, 1948 (Minutes, page 1041), the Board approved an appropriation of $28,000 for remodeling and equipment of 402, 404, and 606 South Mathews. Of this appropriation, $19,000 was for remodeling, and is available. It is proposed to remodel 1205 West California rather than 404 South Mathews for this purpose since it would provide more suitable accommodations. An additional appropriation of $16,100 is necessary to complete the work.

Since this work is remodeling and there are uncertainties as to the amount of work which may be involved and since the work should be completed before the fall semester, it is not practical to attempt to secure lump-sum contracts. The Director of the Physical Plant Department and the Comptroller recommend that the general work be done by Lewis S. Colbert, Champaign, in accordance with his proposal for minor remodeling on a cost plus fixed fee basis for 1948-1949.

The estimated cost of the general work to be done is as follows:

402 South Mathews	$ 6 401
606 South Mathews	6 340
1205 West California	5 875
Total	$18 616

I concur and recommend an additional appropriation of $16,100 and request that the Comptroller and Secretary of the Board be authorized to execute the above additions to this contract.

On motion of Mrs. Holt, this remodeling was approved, authority was given, and the appropriation was made as recommended, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer, Mr. Williamson.

ADDITION TO CONTRACT FOR PIPING SYSTEM AT ABBOTT POWER PLANT ADDITION

(40) The Director of the Physical Plant Department and the Comptroller recommend an addition of $1,200 to the contract with William A. Pope Company to provide for soot blower piping. Funds are available for this addition in the State appropriation for Power Plant Additions.

I concur and request that the Comptroller and Secretary of the Board be authorized to execute this addition.

On motion of Mr. McKelvey, this addition to contract was approved and authority was given as recommended.

ADDITION TO CONTRACT FOR VENTILATING ELECTRICAL ENGINEERING ANNEX

(41) In accordance with Board action of May 27, 1947 (Minutes, page 317), the Comptroller executed a contract with F. R. Inskip and Company for a ventilating installation at the Electrical Engineering Annex on the basis of cost plus a fee estimated at a total cost of $2,815.10. The character of the work has been difficult, many changes being necessary in the original plans, and the contractor has failed to report promptly the costs of such changes. Total costs have amounted to $9,237.27 and have been verified by the Physical Plant Department and the Internal Auditing staff.

The Director of the Physical Plant Department and the Comptroller recommend that the total amount of the contract be increased by $6,422.17. Funds are available for this increase.

I concur in this recommendation and request that the Comptroller and Secretary of the Board be authorized to execute this addition to the contract.

On motion of Mr. McKelvey, this addition to contract was approved and authority was given as recommended.

AWARD OF CONTRACT FOR GENERAL CONSTRUCTION ON FIRE STATION AT URBANA

(42) In order to accommodate the new fire truck, it is necessary to remodel the front of the Fire Station to provide for two doors and to enlarge the driveway in front of the building. Since it is impossible to anticipate difficulties which may be encountered in such remodeling, it is not considered advisable to attempt to secure firm bids on the project.

The Director of the Physical Plant Department and the Comptroller recommend that the work be done by Lewis S. Colbert, Champaign, in accordance with his proposal for minor remodeling on a cost plus fee basis for 1948-1949. The total estimated cost of this project is $6,773. Funds are available in the Physical Plant budget for renewals and replacements.

I concur in this recommendation and request that the Comptroller and Secretary of the Board be authorized to execute this addition to the contract.

On motion of Mr. Livingston, this addition to contract was approved and authority was given as recommended.

Director Havens was requested to confer with Mr. John Craig, State Fire Marshal, with respect to matters relating to fire protection.

AWARD OF CONTRACTS BY THE UNIVERSITY OF ILLINOIS ATHLETIC ASSOCIATION

(43) The Board of Directors of the Athletic Association requests approval of the award of the following contracts:

1. A contract with N. W. Ayer & Son, Inc., Philadelphia, for television privileges for the 1948 home football games. Negotiations have been conducted with station WGN, Chicago, the National Broadcasting Corporation, Balaban and Katz, Chicago, and N. W. Ayer & Son, Inc., Philadelphia, for the right to televise and telecast the five football games to be played in Memorial Stadium during the season of 1948. The best offer was received from N. W. Ayer & Son, Inc., which proposes to televise all games and to pay to the Athletic Association $2,000 a game or $10,000 for the season, subject to the following limitations:

(a) The telecast is to be only for direct play-by-play television while the game is in progress, and there is no right to retelevise or to make motion pictures.

(b) At least five days in advance of each game the company shall submit to the Athletic Association for approval a complete script and description of

scenes to be telecast in connection with any commercial feature of the program. Under no circumstances will there be any advertising of beer, liquor, wine, or laxatives.

(c) The Athletic Association will have the right to terminate the contract if the Association considers any broadcast to be in poor taste or incompatible with the educational dignity and propriety of the University of Illinois.

(d) The contract does not grant the exclusive right to N. W. Ayer & Son, Inc., to televise and telecast the games.

The N. W. Ayer Company agrees to pay all expenses of installing of equipment and the operation thereof, and the sole obligation of the Athletic Association is to provide suitable space.

The Legal Counsel and the Comptroller have examined the contract and recommend approval.

2. Purchase of laundry equipment for athletic clothing laundry. The service which has been available and the prices charged for the laundry of athletic gear have not been satisfactory for some time. Therefore, quotations were requested from eight manufacturing concerns for laundry equipment necessary to set up a laundry. Only one company, the U. S. Hoffman Machinery Corp., Chicago, was in a position to furnish the necessary equipment immediately. For $5,000 this firm offers to supply the following equipment, delivered to Champaign and set on foundations prepared by the Athletic Association: (a) one 36" x 54" Hoffman standard washer (this machine has been used 30 days but is available for immediate delivery), (b) one 30" Hoffman open-top extractor, and (c) two Hoffman open-end drying tumblers.

This equipment will provide for laundering all athletic gear, as well as towels owned by the University but used by varsity athletes in George Huff Gymnasium and Men's Old Gymnasium.

It is understood and agreed that, should the University find it expeditious to install a laundry of its own, this equipment will be sold to the University and that, for the purpose of building up volume, the Athletic Association will be willing to have all its laundry done by the University.

The Director of Purchases and the Comptroller have reviewed this recommendation and concur with it.

I recommend approval of the above actions of the Board of Directors of the Athletic Association.

On motion of Mrs. Holt, these awards were approved.

AWARD OF CONTRACT FOR INSTALLATION OF CABLE AND TRANSFORMERS FOR THE PHYSICAL ENVIRONMENT ADDITION IN CHICAGO

(44) The Director of the Physical Plant Department and the Comptroller recommend a contract in the amount of $10,147 with the Commonwealth Edison Company, Chicago, for furnishing cable work and transformers for electrical service to the Physical Environment Addition in Chicago, and a contract at a monthly rental of $44.10 for the rental of three transformers. The cost is covered in the operating budget.

The University has ordered transformers but they will not be available until February, 1949, and by renting transformers temporarily the unit may be placed in operation in October, 1948. The installation contract provides for the installation of University cable and is work which would have to be done for the University's transformers. However, if the University is to use the transformers of the Commonwealth Edison Company temporarily the Company requires that the Company install the cable.

The Physical Plant Department has reviewed the proposal and finds it reasonable. The contract will be replaced by a new one when the University transformers are installed.

I concur in this recommendation and request that the Comptroller and Secretary of the Board be authorized to execute the proposed contracts.

On motion of Mr. Livingston, these contracts were approved and authority was given as recommended.

AWARD OF CONTRACT FOR FILTRATION PLANT IMPROVEMENTS AT URBANA

(45) Bids were received for the installation of a Venturi meter, piping, pump installation, and other miscellaneous work at the Filtration Plant in Urbana. Only one bid was received from Robert Gordon, Inc. of Chicago in the amount of $72,754, although drawings were taken out by six contractors for the purpose of preparing bids. This bid has been checked by Alvord, Burdick, and Howson, engineers on this project, who consider it satisfactory.

The Director of the Physical Plant Department and the Comptroller recommend the award of a contract to Robert Gordon, Inc., on the basis of their bid of $72,754. Funds are available in the State appropriations for "Fire Protection Facilities," and "Water Station Improvements."

I concur and request that the Comptroller and Secretary of the Board be authorized to execute the contract.

On motion of Mr. McLaughlin, this contract was awarded and authority was given as recommended.

SPECIAL APPROPRIATION AND AWARD OF CONTRACT FOR OFFICE REMODELING

(46) The Dean of the College of Law has requested that room 315 in Altgeld Hall be divided into two smaller rooms by putting up a partition in that room. This remodeling will provide a small office for the faculty editor and a small room for the clerical staff of the new publication *The Law Forum*. The cost of this remodeling is estimated at $3,300.

The Head of the Department of Psychology requests that room 400 in Gregory Hall be divided into five rooms to provide rooms for carrying out research in the fields of experimental psychology and psychology of learning. The committee appointed by President Stoddard to consider priorities of remodeling work recommends that this work be considered of highest priority. Estimated cost of this work is $15,700.

The Committee on Special Appropriations and Nonrecurring Expenditures has considered these requests and recommends a special appropriation of $19,000 to cover the costs of remodeling in the two areas named above.

The general work in Gregory Hall is estimated at $8,073. Since this is remodeling work and the securing of fixed bids is not practical, the Director of the Physical Plant Department and the Comptroller recommend that the contract for the general work be awarded to Lewis S. Colbert on the basis of his proposal for minor remodeling for 1948-1949 on a cost plus fee basis.

I concur and recommend a special appropriation of $19,000 for the above remodeling and the award of the general contract for the remodeling in Gregory Hall to Lewis S. Colbert.

On motion of Mr. McKelvey, this remodeling was approved, and the appropriation was made, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer, Mr. Williamson.

AWARD OF CONTRACTS FOR FIRE PUMP AT CHICAGO

(47) The second phase of the water supply program for fire protection for the Chicago Professional Colleges requested by the Fire Marshal and recommended by the report of Holabird and Root of 1944, provides for the installation of a 750 gallon a minute electric fire pump with all connections, the installation of the overhead fire mains in the basement of the first unit of the Medical and Dental College Laboratories Building, and a direct connection with the city water mains. The completion of this phase will provide a separate water distribution system in University buildings for fire service, independent of that used for domestic service, except the Chicago Illini Union Building, but including the Illinois Neuropsychiatric Institute and the Institute of Juvenile Research.

Bids were received for this work on January 26, 1948, and the contract for piping in all buildings except Building 909 was awarded to the M. J. Corboy

Company by the Board of Trustees on March 9, 1948 (Minutes, page 1046). The award of the contracts for the other phases of this project was deferred until funds were available. The Company agreed to allow their bid to stand until July 31, 1948.

Funds are now available in the Physical Plant Department renewal and replacement budget for the remainder of the work, and the Director of that Department and the Comptroller recommend that an addition of $26,580 be made in the contract with M. J. Corboy Company in accordance with their lowest total bid on January 26, 1948, to provide for the fire pump and the installation of overhead fire mains.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute an addition to the contract with the M. J. Corboy Company for this work.

On motion of Mr. Livingston, this addition to contract was approved and authority was given as recommended.

CHANGES IN CIVIL SERVICE CLASSIFICATIONS

Mr. Livingston reported, for the Committee on Civil Service and Employees, a list of changes in and additions to the list of Civil Service Classifications, requested by the Director of Nonacademic Personnel (see Appendix, page 73).

On motion of Mr. Livingston, these changes and additions were approved effective July 1, 1948.

EXECUTIVE SESSION

At this point the Board went into executive session.

APPOINTMENT OF MR. D. W. SMYTHE

Mr. Nickell and Mr. Livingston raised a question as to the appointment by the President of the University of Mr. D. W. Smythe as Professor of Economics and Research Professor in the Institute of Communications Research.

After discussion, and on motion of Mr. Livingston, this matter was referred to the President's Office for study and report to the Board.

STAFF HOUSING

The Provost reported that he had just been informed that the residence of the late Professor Alta Gwinn Saunders was available, at a price of $25,000, and requested authority to purchase this property in the event that the property on Lincoln Avenue should not be available at $30,000.

On motion of Mr. Livingston, this purchase was referred to the Provost and the Executive Committee, with power to act, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer, Mr. Williamson.

SECRETARY'S REPORT OF CONTRACTS

The Secretary presented for record the following documents signed by the President and the Secretary of the Board, and deposited with the Secretary since the last report.

1. Northern Trust Company, Deposit Agreement in connection with the $425,000 Illini Union Building Revenue Bonds. Dated October 1, 1947.

2. First National Bank of Chicago, Deposit Agreement in connection with the $400,000 Men's Residence Halls Revenue Bonds of 1948. Dated March 1, 1948.

3. University of Illinois Foundation, Agreement to terminate the Men's Residence Halls Building Trust dated September 1, 1941, for $650,000. Dated March 1, 1948.

4. University of Illinois Foundation, Agreement to terminate lease of lots 7 and 8 of William Williamson Subdivision in Champaign County. Dated March 1, 1948.

APPOINTMENTS MADE BY THE PRESIDENT

The Secretary presented also for record the lists of appointments made by the President of the University and of resignations, declinations, and cancellations (see Appendix, page 35).

The Board adjourned.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

September 23, 1948

The September meeting of the Board of Trustees of the University of Illinois was held on Thursday, September 23, 1948, at the Country Club, in Peoria, according to the following schedule:

10 a.m. — Executive session as in Committee of the Whole.

12 m. — Open session.

The following members were present: President Fornof, General Davis, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson.

President Stoddard was present; also Provost Griffith, Assistant to the President, Mr. A. J. Janata, Secretary H. E. Cunningham, Comptroller Lloyd Morey, Legal Counsel W. E. Britton, and, during the open session, Director J. F. Wright.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of May 21-22 and June 15, 1948.

On motion of General Davis, the minutes were approved as printed on pages 1091 to 1482.

REPORTS OF EXECUTIVE COMMITTEE

The Secretary presented for record the following report of actions of the Executive Committee.

August 4, 1948

1. Purchase of property at 710 West Indiana Avenue, Urbana. The Board of Trustees on July 21-22, 1948, authorized the Executive Committee to act for the Board in the purchase of another residence property for faculty housing. The Committee authorized the purchase of the property at 710 West Indiana Avenue, Urbana, from Gordon Phillips, owner, for $17,000, and made an assignment of $18,000 for this purpose from the General Reserve Fund to provide for expenses incidental to the purchase and such repairs as may be necessary.

August 11, 1948

1. Funds for remodeling in Chicago Undergraduate Division. The Executive Committee authorized an assignment of $15,230 from the General Reserve Fund for remodeling to provide a new General Engineering Drawing Room and adapt the present room for use as a library ($9,500), and for the purchase of equipment, library shelving, tables, chairs, control desk, and miscellaneous furnishings ($5,730).

These improvements are to provide suitable reading space and the purchase of equipment for a valuable architectural library which has been presented to the University by Holabird and Root of Chicago.

2. Award of contract for extension of Utilities Distribution System. The following bids were received:

Kuhne-Simmons Co., Inc., Champaign	$167 017
Warner Construction Co., Chicago	209 948

On the recommendation of the Director of the Physical Plant Department, the Comptroller, and with the concurrence of the President's Office, the Executive Committee authorized the award of the contract to Kuhne-Simmons Co., Inc., the lower bidder. Funds are available in the State appropriation for this project.

August 25, 1948

1. Increase in contract for heating installation in Women's Residence Halls. The Director of the Physical Plant Department and the Comptroller recommended an increase of $1,858 in the contract with Gallaher and Speck, Inc., Chicago, for heating installations in the new residence halls for women on Lincoln Avenue to provide for furnishing and installing the necessary valves, pipes, fittings, and other appurtenances for a pressure reducing valve station. The Executive Committee authorized this increase. Funds are available in the State appropriation for the "Construction of student residence halls."

2. Contract for construction of steam distribution system. Bids were received for the construction of the steam distribution system between the second unit of the Dentistry, Medicine, and Pharmacy Building and the Chicago Illini Union Building. Five firms were invited to bid but the only one received was from the William A. Pope Company, Chicago, for $31,240. The bid included a provision that it would remain a firm bid only if accepted within three weeks. The deadline was September 3, 1948; hence, early action was desired.

The Director of the Physical Plant Department and the Comptroller recommended the award of a contract to the William A. Pope Company, Chicago, in the amount of $31,240.

The Executive Committee authorized this contract. Funds are available in the State appropriation for this project.

3. Reconstruction of sidewalk and driveways at Physics Research Laboratory. The Physics Research Laboratory (Betatron Building) at Urbana is in an area which is subject to flooding during heavy rains as the result of overflow from the Illinois Central underpass. The following bids were secured on the elevation of the sidewalk and reconstruction of such driveway areas as will be necessary to dam the flood waters:

C. A. Petry & Sons, Champaign.....$2 865
E. N. DeAtley, Champaign..... 4 500

The Director of the Physical Plant Department and the Comptroller recommend award of a contract for this work to the lower bidder, C. A. Petry & Sons, Champaign, in the amount of $2,865. The Executive Committee authorized the award of this contract. Funds are available in the State appropriation for "Completion of the construction of Physics Research Laboratory" to provide for this improvement.

4. Award of Illinois C.P.A. certificates under Section 5 of the Accountancy Act of 1943 to the following candidates:

Name	*Address*	*Certificate from*
EDWIN ADELBERT FRANCIS	Chicago	Kansas
CURTIS EPHRAIM GUFFEY	Paducah, Ky.	Kentucky
WILLIAM HENRY HOGAN	Chicago	New York
WILLIAM JOE NETTLES	Atlanta, Ga.	Texas
RUSSELL S. NIDA	Detroit, Mich.	Michigan
GUY L. RICH	Chicago	Washington
FRED EDWARD ROEDGER	Melrose Park	Ohio
JOHN WILLIAMS	Chicago	Kansas

They have presented satisfactory evidence that they are holders of valid and unrevoked C.P.A. certificates obtained in other states by passing written examinations and that they meet all of the other conditions specified by this section of the Act. The Executive Committee authorized the award of these certificates.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board discussed items on the agenda and took action on the following matters presented by the President of the University.

APPOINTMENT OF PAR DANFORTH AS DIRECTOR OF ROBERT ALLERTON PARK

(1) I recommend the appointment of Mr. Par Danforth, at present Executive Secretary of the Seattle Branch of the American Friends Service Committee, as Director of Robert Allerton Park with the rank of Professor, at an annual salary of $8,000, and that the President of the University be authorized to fix the effective date. This will be determined in part by Mr. Danforth's present commitments. As Director of Robert Allerton Park, Mr. Danforth will not only supervise all Park operations but will also be director of all projects for which the Park and Robert Allerton House will be used.

On motion of Mr. McLaughlin, this appointment was made as recommended.

PURCHASE OF RESIDENCE PROPERTIES FOR STAFF HOUSING

(2) At its meeting on July 21-22, 1948 (Minutes, page 3), the Board of Trustees authorized the purchase of the residence property at 909 West Nevada Street, Urbana, from H. H. Mitchell, owner, for $17,500 on the basis of an independent appraisal procured by the University. The owner planned to use the proceeds to build a new house. He has subsequently found that $17,500 is inadequate for this purpose and has secured appraisals of his own which value his property at $21,000. The purchase of this property was recommended because it is in an area of future campus expansion (for women's residence halls), and in the meantime the property could be used advantageously for staff housing. In view of the great difference in the appraisals and since the site will not be needed for several years, I recommend that the University not purchase the property at this time.

On motion of Mrs. Holt, this recommendation was adopted.

REPORT AND RECOMMENDATIONS ON INSURANCE PRACTICES

(3) I am submitting an Insurance Report prepared by a temporary advisory committee to the Comptroller and to the President appointed April 28, 1948. Mr. William E. Britton can describe the work of the committee and Mr. Leslie A.

Bryan, its Chairman, will be glad to meet with the Board Committee at any time.

The committee has made a number of explicit proposals for clarifying both policy and practice. I recommend that they be accepted by the Board as a basis for study and appropriate action.

This matter was referred to the Finance Committee for study and report.

EMPLOYMENT OF ARCHITECTS FOR STAFF APARTMENT PROJECT IN CHICAGO

(4) The Board of Trustees on July 21-22, 1948 (Minutes, page 7), authorized the construction of a student residence hall and a staff apartment building for the Chicago Professional Colleges at a cost of $3,786,733 (exclusive of land cost for which an appropriation of $50,000 has already been made), these projects to be financed by the University of Illinois Foundation through a loan for which application has been made by the Foundation to the Equitable Life Assurance Society of New York. The application is for a loan not to exceed $4,000,000. Revised estimates indicate a construction cost of $4,006,869, the increase over the previous estimate being due to an increase in the number of apartment units from 116 to 145. It is believed that the excess of $6,869 over the loan applied for can be eliminated.

The Director of the Physical Plant Department recommends the employment of Skidmore, Owings, and Merrill of Chicago as architects for the staff apartment project at a fee of 5½ per cent of the cost of construction. On this basis it is estimated that the architectural services will cost $70,300.

I recommend that the Board of Trustees authorize the employment of Skidmore, Owings, and Merrill, the contract to be entered into as soon as construction funds have been assured.

Plans and specifications for the student residence hall are being financed by a grant from the Federal Works Agency. This grant is reimbursable if the project is carried to completion but not otherwise.

On motion of Mr. Livingston, this matter was referred to the Committee on Chicago Departments for further study and report to the Board.

OPEN SESSION

When the Board convened in open session at 2 p.m. on September 23, the same members and officers were present as during the morning session.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered the following matters presented by the President of the University.

REQUEST OF REPRESENTATIVE JOHN K. MORRIS

(1) Mr. John K. Morris, Representative in the General Assembly of Illinois, has requested an opportunity to appear before the Board of Trustees when the Board considers the building program for the biennium of 1949-1951. He is particularly interested in the building for the College of Veterinary Medicine. I recommend that the Board give Mr. Morris a hearing at the October meeting.

On motion of Dr. Meyer, this request was granted.

ADVISORY COMMITTEE FOR COLLEGE OF VETERINARY MEDICINE

(2) The Dean of the College of Veterinary Medicine recommends the reappointment of the following present members of the Advisory Committee for the academic year 1948-1949:

C. R. COLLINS, Dixon	OSCAR LINN, Canton
C. E. DILLE, Cairo	R. V. MCKEE, Varna
WAYNE DINSMORE, Chicago	G. B. MCKILLIP, Chicago
C. E. FIDLER, Lewistown	P. J. MEGINNIS, Cicero
C. C. HASTINGS, Williamsville	D. E. SISK, Mansfield
G. W. JENSEN, Antioch	H. P. WESSELS, Geneva

I concur and recommend that they also be reappointed to the Citizens Committee of the University of Illinois in accordance with the practice of including all college advisory committees in the membership of the general committee.

On motion of Mr. Davis, these recommendations were adopted.

APPOINTMENT OF ALBERT E. JENNER, JR., TO BOARD OF EXAMINERS IN ACCOUNTANCY

(3) The term of office of Mr. John S. Miller, the legal member of the regular three-man Board of Examiners in Accountancy, expired on June 30, 1948. To fill this vacancy the Committee on Accountancy recommends the appointment of Mr. Albert E. Jenner, Jr., for a three-year term beginning July 1, 1948.

Mr. Jenner is forty years of age. He is a graduate of the College of Law of the University of Illinois having received his LL.B. degree in June, 1930. He has written extensively on the Practice Act of Illinois, particularly with reference to appellate procedure. He has served most effectively on many committees of the Chicago and State Bar Associations. He has achieved distinction in the profession.

Mr. Jenner is a member of the firm of Poppenhusen, Johnston, Thompson, and Raymond of Chicago. If appointed Mr. Jenner is willing to serve.

I recommend this appointment.

On motion of Dr. Meyer, this appointment was made as recommended.

APPOINTMENT OF DEAN OF THE COLLEGE OF ENGINEERING AND DIRECTOR OF THE ENGINEERING EXPERIMENT STATION

(4) Dean Melvin L. Enger will retire from active service as Dean of the College of Engineering, as Director of the Engineering Experiment Station, and as Professor of Mechanics and Hydraulics on September 1, 1949, at the end of the current academic year.

I recommend the appointment of Professor William L. Everitt, now Head of the Department of Electrical Engineering, to the position of Dean of the College of Engineering and Director of the Engineering Experiment Station for two years from September 1, 1949, and continuing as Professor of Electrical Engineering on indefinite tenure from September 1, 1949, at an annual salary of $12,500.

The Executive Committee of the College of Engineering, which consists of the heads of the departments, has been consulted in accordance with the statutory provisions relating to nominations of deans of colleges, and Professor Everitt is the unanimous choice.

On motion of Mr. Livingston, this appointment was made as recommended.

CURRICULUM IN HEALTH EDUCATION

(5) The University Senate recommends adoption of a curriculum in Health Education. This is a four-year program in the School of Physical Education, requiring a minimum of 130 semester hours of credit and leading to the degree of Bachelor of Science in Health Education (see Appendix, page 128).

This curriculum was prepared by the University Committee on Health Education in the Schools, a Committee of the University Council on Teacher Education. It has been approved by the Council and by the School of Physical Education.

I concur.

On motion of Mrs. Holt, this curriculum was approved and established as recommended.

RELEASES OF FUNDS FOR BUILDINGS AND CAPITAL IMPROVEMENTS

(6) The Governor has authorized releases[1] of funds from appropriations made to the University of Illinois by the 65th General Assembly under Senate Bill 662, "An Act making appropriations for certain additional ordinary, contingent, and distributive expenses of State government," which included appropriations totaling $12,994,732 to the University for buildings and other capital improvements.

From the item "For permanent improvements at Urbana-Champaign: Construction of Student and Staff Apartments"	$400 000
Release No. 35, for plans and specifications for Student and Staff Apartments (Released August 11, 1947)	100 400
Release No. 326, for construction of Student and Staff Apartments	299 600
From the item "For Contingencies to cover expenditures for purposes for which the amount appropriated in any item above enumerated is or becomes insufficient"	618 845
Release No. 327, to be used in the construction of Student and Staff Apartments	168 200
Release No. 349, to augment Release No. 1 in the amount of $2,500,000 for the "Construction of a new Chemistry Building"	137 000
Release No. 350, to augment Release No. 2 in the amount of $1,100,000 for the "Construction of a new Electrical Engineering Building"	49 000
Release No. 351, to augment Release No. 3 in the amount of $1,150,000 for the "Construction of a new Mechanical Engineering Building"	62 000
Release No. 352, to augment Release No. 6 in the amount of $775,000 for the "Enlargement of Power Plant by constructing an addition thereto"	32 050
Release No. 353, to augment Release No. 7 in the amount of $1,550,000 for the "Construction for the enlargement and extension of the existing Utilities Distribution Systems"	35 000
Release No. 354, to augment Release No. 8 in the amount of $110,000 for the "Construction of Water Station improvements"	6 000

On motion of Mr. McLaughlin, these funds were appropriated for the purpose specified, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Dr. Luken.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(7) The Committee on Special Appropriations and Nonrecurring Expenditures recommends assignments from the General Reserve Fund for the following purposes:

1. Additional toilet and lavatory facilities for Illini Publishing Company		$ 2 000
2. Remodeling and equipment for Research and Educational Hospitals		2 975
3. Purchase of an Autotechnicon for the College of Dentistry		1 250
4. Equipment for the College of Medicine to be used with basic X-ray diffraction unit		400
5. Remodeling of Room 203, Bevier Hall and purchase of air-conditioning equipment		5 000
6. Equipment for Department of Horticulture		9 500
a. For improvement of instruction in Vegetable Crops courses:		
Industrial laboratory table	1 087	
Electrical equipment for the table, blackboard, ventilating system, bulletin board, raised platform	535	
Ten microscopes	2 340	

[1] The appropriation act provides that "No contract shall be entered into or obligation incurred for new expenditure from any appropriation herein made until after the purpose and amount of such expenditure has been approved in writing by the Governor."

b. Replacement of Horticulture Department cars:
Two Chevrolet sedans replaced with new Chevrolets or Fords 2 800
Ford panel truck (used in the Bankhead-Jones spray investigations) 1 200
c. Reconditioning of boilers at Horticulture Field Laboratory 1 500

7. Installation of coat hooks on walls of all classrooms in David Kinley Hall 1 970
8. Remodeling of rooms in Gregory Hall to provide office space for the Council on Teacher Education 3 280
9. Equipment for Speech Laboratory 29 000
10. Reserve Books Service Station at Chicago Undergraduate Division .. 1 678
11. Storage facilities for Military Department equipment 1 500
12. Facilities at Dixon Springs Experiment Station (supplementary to previous appropriation made by Board of Trustees, January 8, 1948) 2 500
13. Remodeling of dwelling at 1208 West Springfield Avenue assigned to College of Education for use as nursery school for mentally retarded children 8 550
14. Changes in administrative offices 25 000
a. Moving the Mailing Room, now on the ground floor of the Arcade Building Annex, to 810 South Sixth Street
b. Vacating of latter building by University Press
c. Moving Tabulating Division from ground floor Administration (E) to Arcade Building Annex
d. Moving of Director of Admissions Mailing Room from ground floor Administration (W) to Arcade Building Annex
e. Moving proofreaders and editors from various rooms in Administration Building to ground floor Administration (E)
f. Installation of new press in space vacated by Director of Admissions Mailing Room, which is adjacent to present University Press

Total $94 603

On motion of Mr. Nickell, these funds were appropriated as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Dr. Luken.

ADDITIONAL REAPPROPRIATION OF UNEXPENDED BALANCES

(8) On July 22, 1948 (Minutes, page 27), the Board of Trustees approved a reappropriation of certain unexpended balances on June 30, 1948. The need for the following additional balances will continue in 1948-1949, and their reappropriation is requested:

Urbana-Champaign:		
Electrical Engineering College special equipment	$5 311	
Educational Administration	45	
Institute of Labor and Industrial Relations	198	
Gallivan Tract	2 836	$8 390
Chicago Undergraduate Division:		
Library		5 000
Total balances recommended for reappropriation		13 390

I concur and request the reappropriation of the above balances.

On motion of Mr. Livingston, these balances were appropriated as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Dr. Luken.

AWARD OF CONTRACT FOR ENGINEERING SERVICES FOR ABBOTT POWER PLANT ADDITION

(9) The Board of Trustees on June 15, 1948, approved a special appropriation of $49,220, the estimated expenditure required in the 1947-1949 biennium for the addition of a 7500 kilowatt service generator, Unit No. 4, in the Abbott Power Plant, Urbana.

The Director of the Physical Plant Department and the Comptroller recommend award of a contract to Sargent and Lundy, Engineers, Chicago, for all engineering services on the complete project. The agreement will be contingent on an additional State appropriation for the 1949-1951 biennium for the completion of this project, and if such an appropriation is not made the University agrees to reimburse Sargent and Lundy only for actual expenditures.

The contract provides for reimbursing Sargent and Lundy for salaries paid engineers and draftsmen at their regular rates, plus 50 per cent; for salaries paid resident field engineers, plus 10 per cent; for stenographic and clerical services, traveling expenses, and miscellaneous expense at actual cost. Estimated expenditures under this contract during the 1947-1949 biennium are $49,000; if an additional capital appropriation is received and the project is completed in 1949-1951, the total expenditures under this contract are estimated to be $110,000.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Dr. Meyer, authority was granted as requested.

AWARD OF CONTRACT FOR ENGINEERING SERVICES FOR UNDERGROUND CONDUIT ON SOUTH FARMS

(10) The Director of the Physical Plant Department and the Comptroller recommend a contract with Sargent and Lundy, Engineers, Chicago, for engineering services in connection with the construction of an underground conduit line from the South Farm main switch gear station east to the President's House and to the Horticulture Field Laboratory to replace the existing pole line.

Funds are available in the Physical Plant operation and maintenance budget for the preparation of plans and specifications. This improvement is necessary to eliminate frequent power failures which affect the large refrigerating equipment in the cold storage area of the Horticulture Field Laboratory, research work in this building, and electrical service to the President's House. Such interruptions will continue until the present overhead line is replaced with underground service.

Some of the planning will be done by the Physical Plant Department, but the necessary personnel is not available for all of the work.

I recommend that authority be granted the Comptroller and the Secretary of the Board to execute this contract; the cost is estimated not to exceed $2,500. The contract will provide for payment by the University of the salaries of engineers and draftsmen, plus 100 per cent, plus actual clerical wages and other expenses incurred.

On motion of Mr. Nickell, authority was granted as recommended.

AWARD OF CONTRACT FOR TEMPERATURE AND HUMIDITY CONTROL EQUIPMENT IN NOYES LABORATORY

(11) The Board of Trustees has appropriated $2,500 for the installation of temperature and humidity control equipment in the Noyes Laboratory for research work financed partly by a grant from the National Institute of Health and partly by the State Water Survey Division, which is housed in this building.

The Chief of the State Water Survey, the Director of the Physical Plant Department, and the Comptroller recommend award of a contract for the installation of this equipment to Climatic Engineering, Inc., Danville, the lowest bidder, at a cost of $5,860. The cost of this installation will be charged in part, $1,660, to the appropriation made by the Board of Trustees, and the balance of $4,200 will be paid from State Water Survey funds.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Davis, authority was given as recommended.

TABULATING MACHINE INSTALLATION IN CHICAGO

(12) The University has an installation of International Business Machines in Chicago in addition to the one in Urbana, under a contract approved January 25, 1947 (Minutes, page 224). It is desired to enlarge this installation to provide for further mechanization of the registration procedure at the Chicago Undergraduate Division. The present installation in Chicago is located at the Chicago Professional Colleges although it provides certain services to the Undergraduate Division. Additional equipment is necessary to take care of the contemplated registration program at the Chicago Undergraduate Division. This equipment should be contracted for now to secure installation for use in 1949-1950. The machines are installed on a rental basis amounting to $130 a month after allowing for an educational discount of 20 per cent.

The Director of Admissions and Records requests approval of such a contract, the necessary funds to be provided in the operating budget beginning with 1949-1950. The Business Manager of the Chicago Divisions, who has general charge of the tabulating machine equipment in Chicago, concurs.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute a contract with the International Business Machines Corporation for this equipment and to make minor changes in the contract as the needs of the service may require.

On motion of Mrs. Holt, authority was given as requested.

AWARD OF CONTRACT FOR REFRIGERATOR AT CHICAGO UNDERGRADUATE DIVISION

(13) Bids have been received for the construction of a walk-in refrigerator for food service at the Chicago Undergraduate Division. This facility is necessary to comply with health standards. Funds are available in the operation and maintenance budget for this project.

The Director of the Physical Plant Department and the Comptroller recommend award of a contract to the lower bidder, Bromann Brothers, Chicago, in the amount of $5,550 for this construction.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Dr. Meyer, authority was given as requested.

AWARD OF CONTRACT FOR FLOORING IN STADIUM

(14) As a part of the restoration of the West Great Hall of the Stadium to its prewar use for physical education and athletic activities, it is proposed to resurface the floor (an area in excess of 20,000 square feet) with asphalt tile rather than the wood mosaic block flooring previously used. Bids have been received on the furnishing and the application of such material.

The Director of the Physical Plant Department and the Comptroller recommend an award of the contract to W. Lewis and Company, the lowest bidder, in the amount of $6,107.77.

Funds are available for this work in reserves accumulated from operation of temporary housing facilities.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Davis, authority was given as requested.

AWARD OF CONTRACT FOR LIGHTING IMPROVEMENTS IN ARCHITECTURE BUILDING

(15) The Department of Architecture has requested improvement of the artificial lighting in all of the drafting rooms. Students have been complaining of eyestrain and members of the faculty who are now carrying heavy schedules and who must spend long hours in these rooms are having the same difficulty due to inadequate lighting.

Bids have been received for rewiring, repowering, and relighting of rooms 200 and 210 in the Architecture Building. The Director of the Physical Plant Department and the Comptroller recommend that the contract for this work be

awarded to the Anderson Electric Company, Inc., Danville, the lowest bidder, in the amount of $22,194. Funds are available.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Williamson, authority was given as recommended.

IMPROVEMENT OF ROADS SERVING THE ROBERT ALLERTON FARMS

(16) The authorities of Piatt County have requested financial assistance from the University for the oiling of roads in Willow Branch Township in which the Robert Allerton Park and the Robert Allerton Farms are located. About seven miles of roads lie within the lands deeded by Mr. Allerton to the University. In computing the values of all taxable property in Willow Branch Township, it has been found that the University owns approximately 20 per cent of the valuation of this township. The University has not paid taxes assessed against this real estate which means a loss of approximately 20 per cent of all taxes levied in the township.

The township roads in Willow Branch Township must be oiled with at least two coats each year in order to make them year-round roads. Since the University has not paid the 1947 taxes payable in 1948, the Township Highway Commission is faced with the problem of being short over 20 per cent of the money levied and assessed for highway purposes.

The Legal Counsel recommends that the Board authorize a contract with the authorities of Piatt County or of Willow Township whereby the University will agree to pay the cost of surfacing that portion of the road adjoining the Robert Allerton Park and Farms with a provision in the contract that such payment by the University is for services and will not prejudice any of its claims or affect its responsibilities with respect to the tax status of the property involved.

The estimated cost of this service is $2,500 to $3,000 a year.

I concur.

On motion of Mr. McLaughlin, this contract was authorized as recommended.

OIL AND GAS LEASE ON OLNEY EXPERIMENTAL FARM

(17) The University owns 19⅓ acres of land near Olney, Illinois, which is used as an experimental fruit farm by the Department of Horticulture. Approximately twelve acres are in orchards and the rest is in pasture land.

Oil wells have been drilled within a mile and one-half of the University's land and have been in production for several years. The Sun Oil Company is interested in developing more production within this territory and has secured leases on properties adjoining the University's land. The Company wishes to secure an oil and gas lease on the University's land which would permit it to conduct drilling operations in the event that oil or gas in commercial quantities is found within a statutory offset location of the University's premises, after discovery and development drilling on other land. In that event the University's land would be communitized with adjoining acreage in such manner as would require the location of not more than one well on the present pasture land if production is discovered in limestone strata, or one well on pasture land and one well in the orchard if production is discovered in sand strata. In either event, location of the well or wells would be discussed with University officials before application for drilling permits from the State, and the wells would be drilled with every precaution possible to avoid damaging the experimental orchard and with full reimbursement for any damage. In the opinion of officials of the College of Agriculture, the drilling of one well would not result in irreparable damage or delay to experimental work.

The proposed lease would provide for the payment of $5.00 a year an acre. If oil or gas is produced from wells on the University's land, the University will receive one-eighth of the proceeds. If producing wells are drilled within 330 feet of University land, the University will share in the royalties of such production.

I recommend that the Board of Trustees authorize the execution of the lease.

On motion of Mr. Williamson, the execution of this lease was authorized as recommended.

ADDITION TO CONTRACT FOR ABBOTT POWER PLANT ADDITION

(18) A permanent platform at the Abbott Power Plant in Urbana to facilitate cleaning of tubes in the economizers and high-pressure heaters is needed as cleaning must be done three to five times a year. A permanent platform will eliminate the labor of erecting scaffolding each time the work is done and will reduce risk to the workers.

The University does not have structural iron workers required for the erection of the material, and the only structural iron workers in the community are employed by local contractors. The Director of the Physical Plant Department and the Comptroller recommend, therefore, that this work be done by Kuhne-Simmons Company, Inc., as an addition to their contract for the superstructure of the Power Plant additions. The platform will cost $1,373. Funds are available in the budget for this.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute the above addition to this contract.

On motion of Mr. McKelvey, authority was given as requested.

ADDITIONS TO CONTRACTS FOR STEAM DISTRIBUTION SYSTEM AT URBANA

(19) The Director of the Physical Plant Department and the Comptroller recommend the following additions to contracts for the construction of the steam distribution tunnel at Urbana to provide for furnishing and installing of insulation, pipe valves, and fittings necessary to join the steam service to the student and staff apartments:

W. A. Pope Company, Chicago, contractors for piping installation $9 414
Asbestos and Magnesia Materials Company, Chicago, contractor for insulation 2 005

The original contracts for this work were awarded by the Board of Trustees on January 25, 1947 (Minutes, page 228), but this part of the work was not included as the plans for the student and staff apartment building had not been completed. Funds are available in the State appropriation for the "Construction for the enlargement and extension of the existing utilities distribution system."

On motion of Mr. Livingston, these additions to contracts were authorized.

ADDITION TO CONTRACT FOR GENERAL WORK ON WOMEN'S RESIDENCE HALLS

(20) The Director of the Physical Plant Department and the Comptroller recommend an increase of $2,479.12 in the contract with the Warner Construction Company for the general work on the Women's Residence Halls, Urbana. This increase is to provide for the furnishing and installing of wooden stools or bases under the radiators and other work in connection therewith.

Funds are available in the special State appropriation for this project.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute the above addition to this contract.

On motion of Dr. Meyer, this addition to contract was authorized.

PURCHASE OF ADVANCED R.O.T.C. UNIFORMS

(21) At the July 22, 1948, meeting, the Board of Trustees approved a recommendation that an order for 200 military uniforms for advanced course students in R.O.T.C. be placed with Jacob Reed's Sons, Philadelphia, Pennsylvania, who submitted the lowest bid.

These bids were based on our specifications, which included the materials and the Army regulations for style. Before placing an order a sample uniform was requested. When the sample was received it was found to be inferior in work-

manship and the Military Department declared it not satisfactory. Samples from the other bidders were then obtained for comparison. The sample from the Associated Military Stores, Chicago, is without question superior to either of the others and the Commandant requests that this uniform be purchased. The Associated Military Stores has submitted a revised bid, having changed the cap to an unremovable cover as quoted by the others, the reduction being $1.90. Their price on the insignia is considerably lower than Reed's. The Associated Military Stores bid is now $71.65 as compared to $71.45 by Reed's.

The United States Army allows to the University commutation in the amount of $94.77 for each student for the purpose of purchasing a uniform which becomes the property of the student when he completes the course. The balance above the cost of this uniform will be used to buy shoes and accessories. It is proposed to provide the student with a high quality uniform which he can use as a reserve officer or in the regular army.

The Director of Purchases, the Commandant, and the Comptroller now recommend that the order be placed with the Associated Military Stores at their price of $71.65 because of their ability to furnish a superior quality uniform. They have supplied our R.O.T.C. uniforms for several years and provided excellent quality and service.

I concur in this recommendation.

On motion of General Davis, this recommendation was approved.

INSURANCE ON HOSPITAL AND MEDICAL SERVICE PLAN

(22) The Board on July 21, 1948 (Minutes, page 10), referred to the Finance Committee for consideration and report to the Board the question of insurance on the hospital and medical service plan for students in the Urbana-Champaign, Chicago Undergraduate, and Galesburg Undergraduate divisions for 1948-1949.

The Finance Committee recommends that insurance in a commercial company be continued for the coming year and that the benefits be as follows:

(1) Hospital allowance of $5.00 a day of hospitalization, not to exceed twenty-eight days in a semester (compared with $4.50 a day in 1947-1948).

(2) An allowance up to $22.50 a semester for miscellaneous hospital services, including laboratory, anaesthetic, operating room, medicines, etc. (the same as at present).

(3) Medical service of $3.00 a day for not more than two-thirds of the number of days the individual is hospitalized, not exceeding twenty-eight days a semester, not payable if a surgical benefit is payable (the same as at present).

(4) Allowance for surgical services based on an itemized schedule with a maximum of $225. (The schedule is approximately 23 per cent less than the schedule of 1947-1948. The company receiving the insurance last year allowed a schedule in excess of customary amounts and difficulties have resulted from such a liberal provision.)

In accordance with the recommendation of the Finance Committee, invitations to bid on this insurance for the University of Illinois beginning September 10, 1948, were submitted to sixty-seven companies and advertised in the press. Prospective bidders were requested to quote only premium rates on either or both a retention and nonretention plan basis for the provision of stated benefits as outlined in the bid form, which benefits were considered by the University, based on its past experience and anticipated needs, as being desirable and adequate to meet the average requirements of the students. The benefits are available to University faculty, employees, and their dependents upon application. Alternate bids were not allowed.

The Director of Purchases, the Dean of Men, and the Comptroller recommend that the order be placed with the Central Underwriters Agency, Inc., Chicago, representing the Central Life Insurance Company of Illinois, the lowest bidder, at a total estimated yearly premium of $240,295 based on their bid of $4.25 for students and other individuals and $6.72 for family dependents based on nineteen-week semesters, such rates being the result of weekly rates of 22.4 cents an individual and 35.4 cents a family on a nonretention plan basis.

All students, except persons on appointment on the University staff or the

staffs of the allied surveys or laboratories, and students taking not more than one unit of graduate work or five hours of undergraduate work in a semester, or one-half unit of graduate work or three hours of undergraduate work in the eight-week summer session, pay each semester, as insurance for hospital and medical service, a fee of $5.00. A student who presents evidence of participation in any other group insurance system providing the same benefits as those covered by the University fee, may petition through the Office of the Dean of Students for a refund of this fee.

Members of the staff and their spouses may participate on a similar basis and family participation (staff member, spouse, and children over three months and under ten years of age) is at the rate of $22.50 a year. The excess of collections over the cost of insurance is applied to administrative and contingent costs of operation of the plan.

On motion of Mr. Williamson, these recommendations were adopted.

EMPLOYERS' LIABILITY INSURANCE

(23) Renewal is proposed of employers' liability and voluntary workmen's compensation insurance, including occupational disease coverage and schedule general liability and property damage insurance, with limits of $50/100,000, effective August 7, 1948, for one year, to cover the operations necessary to perform the research work stipulated under numerous tasks of the Naval Research Contract.

Requests for quotations were sent to fifty-six stock and seven mutual company agents. Only one bid was received, the Liberty Mutual Insurance Company, which insured this risk for the past two policy years, and quoted rates identical to those of last year. This company meets our rating requirements.

Type of Insurance	*Rate per $100 payroll*
Employers' liability and voluntary workmen's compensation, including occupational disease	$ .368
Schedule general liability and property damage	.09

The Director of Purchases and the Comptroller recommend that the order be placed with the Liberty Mutual Insurance Company of Chicago at an estimated gross cost of $2,000 chargeable to contract funds.

I recommend approval.

On motion of Mr. Williamson, this contract was placed as recommended.

PURCHASES

(24) The Director of Purchases has proposed and the Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest bid, or because the item is noncompetitive, or to obtain earliest delivery (see Appendix, schedule A, page 129).

The President of the University has authorized emergency purchases as shown in schedule B (see Appendix, page 131).

On motion of Dr. Meyer, purchases were authorized as recommended, and the action of the President of the University in authorizing emergency purchases was approved and confirmed.

COMPTROLLER'S REPORT OF CONTRACTS

(25) The Comptroller's report of contracts executed from July 11 to September 10, 1948 (see Appendix, page 131).

This report was received for record.

ADJUSTMENTS IN ATHLETIC ASSOCIATION BUDGET TO JUNE 30, 1948

(26) In approving the Athletic Association budget for the year 1947-1948 (August 5, 1947, Minutes, page 491), the Board of Trustees authorized the President to make changes and adjustments as recommended by the Athletic Association Board

of Directors within the total estimated income. Following is a statement of adjustments thus made to June 30, 1948, not previously reported:

1. Appropriation to reimburse Mr. Ross Anderson for serving as assistant coach during spring football season ..... $ 300
2. Appropriation for the employment of Mr. C. D. Wagstaff as a consultant to assist in the preparation of plans and specifications for the bids to be let for the construction of the proposed golf course of the Athletic Association of the University of Illinois..... 1 000

On motion of Mr. Williamson, these adjustments were approved.

PETITION FROM CHAMPAIGN-URBANA BUSINESSMEN CONCERNING ILLINI UNION COFFEE HOUSE

(28) The President's Office has received a petition addressed to "The President and Board of Trustees of the University of Illinois," undated, signed by seventy-five businessmen and women and employees of commercial establishments in Champaign-Urbana, concerning the Illini Union Coffee House.

The Coffee House is on the south campus in a temporary building, formerly a mess hall at Camp Grant, which was secured from the Federal Works Agency to increase food service facilities for students and staff. It has been in service, except during the summer of 1948, since the beginning of the first semester of 1947-1948, and is operated as a branch facility of the Illini Union Building. In addition to serving during regular meal hours, the Illini Union Coffee House has offered a soda fountain service between meal hours and in the evenings. The local businessmen allege that this is unfair competition with commercial establishments and ask that the Board of Trustees "take such steps as may be necessary to discontinue and eliminate the above mentioned unfair practices."

ANSWER TO THE PETITION

1. The Coffee House is not financed from State appropriations. The cost of moving the building to the campus and erecting it was financed by a Federal agency. Funds for the purchase and installation of equipment, as well as inventories, have been advanced by the Illini Union from accumulated reserves for maintenance, furniture and equipment, repairs and replacements. These funds must be repaid to the Union, and the present plan calls for the liquidation of this advance over the next five years.

2. A recent survey of the customers in the Coffee House indicated that approximately 90 per cent of the students using the Coffee House live south of Green Street and west of Wright Street, and the majority live in the temporary houses on the Drill Field. As long as the temporary housing facilities for single students are continued, it will be desirable to continue the operation of the Coffee

House. Soda fountain service has been provided because of a demand for this type of service at meal hours and also to permit the efficient use of the labor between meal periods.

3. In order to provide additional space in the Illini Union Building for social and recreational programs, it has been decided to close the Ballroom Cafeteria.[1] This was done with the concurrence of Dean Turner, Dean Shelden, Dean Stafford, the Illini Union Board, and student representatives. *Therefore, during the current fiscal year the University will offer less food service to students and staff than it did during the past year.* We hope this will be offset through additional commercial restaurant service. We plan to reopen the Ballroom Cafeteria if and when it is evident that a need for additional food service exists that can not otherwise be met.

4. In view of the volume of soda fountain business after the evening meal at the Coffee House, we have concluded that we should not continue this feature of the service, but should reopen the Illini Union soda fountain which has been closed during the evenings since the war due to the shortage of labor. This service is desirable because of the many student and faculty activities held in the building in the evening.

5. The fundamental question involved in this case is whether a need for such service exists and not the reaction of the local operators. The Coffee House was started because of such a need. The need still exists. We are not interested in running restaurants, as such, although food service is regularly maintained in hundreds of American colleges, both public and private. In some, the college dining service, following the old tradition at Oxford University, is compulsory, being regarded as a part of the educational plan.

In food service, as in housing, the University authorities will applaud all efforts to improve matters through local private initiative.

On motion of Dr. Meyer, this communication was referred to the President of the University for reply.

AWARD OF CONTRACT FOR ARCHITECTURAL SERVICES IN CHICAGO

(29) The Physical Plant Department does not have an architectural staff in Chicago to do the architectural and engineering work (mostly preparation of working drawings and specifications) on the building improvement projects at the Chicago Professional Colleges and the Chicago Undergraduate Division. The architectural firm of Holabird and Root and Burgee proposes to provide the necessary architectural and engineering services, including superintendence of construction work, for a fee of 10 per cent of the first $50,000 of the cost of a project, 8 per cent of the next $50,000, and 6 per cent of any cost over $100,000, plus travel expenses.

The Director of the Physical Plant Department recommends award of a contract on this basis. The Comptroller concurs with the understanding that this firm will be employed on any given project only on notice initiated by the Physical Plant Department and subject to further approval. The Director of the Physical Plant Department and the Comptroller further recommend that the firm of Holabird and Root and Burgee be authorized under the terms of the foregoing proposal to provide the architectural and engineering services for the Physical Medicine addition at a fee estimated not to exceed $10,000.

I recommend: (1) approval of this procedure, provided that any commission involving a fee of $5,000 or less will be subject to authorization by the President of the University, and that if the fee is estimated to exceed $5,000 it will be subject also to approval by the Board of Trustees; (2) that the Comptroller and the Secretary of the Board be authorized to execute a contract with Holabird and Root and Burgee for the architectural and engineering work on minor improvement projects in Chicago in accordance with the terms heretofore specified for the balance of the current fiscal biennium ending June 30, 1949, provided further that the contract may be terminated on thirty days' notice; and

[1] From May, 1942, to April, 1946, the Illini Union Ballroom was used as a mess hall for Army and Navy trainees. After the war the Illini Union Building continued operating it as a cafeteria which operation will be discontinued.

(3) authorization of this firm to provide the architectural work for the Physical Medicine addition under the terms of such contract.

On motion of Mr. Williamson, these recommendations were adopted.

GREEN STREET SIDEWALK

(30) Recently bids were taken for reconstruction of sidewalks north of Green Street between Wright Street and Goodwin Avenue, which is necessary because the construction of steam and electrical service lines to the new Electrical Engineering and Mechanical Engineering Buildings required the removal of former sidewalks. The cost of this sidewalk, accordingly, will be divided between these two projects. The sidewalk leading to the main entrance of Engineering Hall is a maintenance project, the cost of which is to be charged to Physical Plant Maintenance funds.

The Director of the Physical Plant Department and the Comptroller recommend award of a contract to the General Paving Company, the lowest bidder, on the basis of their total base bid of $6,710.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. McKelvey, this contract was awarded and authority granted as recommended.

ADDITION TO CONTRACT FOR ENGINEERING SERVICES FOR UTILITIES DISTRIBUTION SYSTEM

(31) The Director of the Physical Plant Department and the Comptroller recommend an addition to the contract with Sargent and Lundy, Engineers, Chicago, to provide for engineering services to include drawings and specifications for the extension of steam and electrical service from the Utilities Distribution System to the new Graduate Student and Staff Apartments in Urbana.

The Board approved a contract with Sargent and Lundy for engineering services for the Power Plant and Distribution System on November 23, 1945 (Minutes, page 919). The estimated cost of this addition is $1,425, and costs will be computed on the same basis as the original contract, i.e., 6 per cent of the cost of the completed project.

Funds are available in the appropriation for student and staff apartments.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute the above addition.

On motion of Dr. Meyer, authority was given as requested.

ELECTRICAL SERVICE FOR BETATRON FOR CHICAGO PROFESSIONAL COLLEGES

(32) Incidental to the extension of electrical service for the Betatron for the Chicago Professional Colleges, it will be necessary to conclude the following agreements with the Commonwealth Edison Company:

1. Permit to run overhead lines from University property.
2. Order for labor and material at a cost of $2,273.
3. Meter lease.
4. Facilities rental agreement.

Funds are available in the capital and operating appropriations to cover the expenditures resulting from the execution of these agreements. The Director of the Physical Plant Department and the Comptroller request the approval of these agreements.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute them.

On motion of Mr. McKelvey, authority was given as recommended.

ADDITIONS TO ELECTRICAL CONTRACT FOR ELECTRICAL ENGINEERING BUILDING

(33) The Director of the Physical Plant Department and the Comptroller recommend the following additions to the contract for the electrical work in connection with the construction of the Electrical Engineering Building at Urbana:

1. Furnish and install three 25-kilovolt ampere and three 75-KVA transformers instead of three 15-KVA and three 50-KVA transformers as originally requested	$1 232 96
2. Additional installation required for the substitution of a 50 KW — MG set in place of an ignitron in the substation	1 026 56
3. Additional electrical facilities necessary to provide more outlets	7 417 88

Funds are available for the foregoing changes in the State appropriation for the "Construction of a new Electrical Engineering Building." All of these changes are recommended by the Department of Electrical Engineering.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these additions to the original contract.

On motion of Mr. Davis, authority was given as recommended.

PURCHASE OF FURNITURE FOR PUBLIC AREAS OF NEW WOMEN'S RESIDENCE HALL

(34) In considering the furnishings for the new Women's Residence Hall, I asked a special committee consisting of Professor Frank Roos, Chairman, the late Professor Alta Gwinn Saunders, and Professors Janice Smith and A. C. Littleton to review the problem. The committee recommended that the College of Agriculture be given the responsibility of carrying this project through to completion, working through the Home Economics Department and in conjunction with the Business Office and Physical Plant Department. This responsibility was accepted by Dean Rusk, who assigned Assistant Professor Dorothy J. Iwig of the Home Economics Department to work under his direction and with the aid of an advisory committee. The advisory committee thus appointed included the following:

Dorothy J. Iwig, Assistant Professor of Home Furnishings Extension, Chairman
Doris Brockway, Assistant Professor of Home Economics
A. S. Davis, Associate Architect
H. M. Edwards, Director of Purchases
J. D. Hogan, Associate Professor of Art
Florence King, Assistant Professor of Home Economics
Miriam A. Shelden, Dean of Women
J. R. Shipley, Assistant Professor of Art
S. E. Thompson, Director of Residence Halls

Specifications for the equipment approved by the committee were submitted for competitive bids under various headings. Bids were invited from sixteen companies, and bids were received from ten firms. The bids have been reviewed by the Director of Purchases and Professor Iwig, who recommend that orders be placed with the lowest bidder for each group of items, as follows:

Chicago Seating Company, Chicago	$15 054 44
Mandel Brothers, Chicago	10 511 11
L. B. Herbst Corp., Chicago	13 528 69
Kiler's, Inc., Champaign	791 81
Block & Kuhl, Peoria	2 293 00
Total	$42 179 05

The Director of the Physical Plant Department and the Comptroller endorse this recommendation. Funds are available in the State appropriation for "Construction of student residence halls."

I concur and request authority to place orders accordingly.

On motion of Mr. McLaughlin, authority was given as requested.

UNIVERSITY'S SHARE OF SEWAGE DISPOSAL COSTS

(35) On April 24, 1947 (Minutes, page 343), the Board approved a plan under which the University pays part of the operating costs of sewage disposal

through the Urbana-Champaign Sanitary District. This became effective July 1, 1947, at a cost of approximately $6,000 a year.

On May 22, 1948 (Minutes, page 1104), the Board approved in principle the financing by the University of an addition to the local sanitary sewer system to serve the temporary housing area on South First Street, at an estimated cost of $60,000. Engineering studies of this development are being made.

Officers of the Sanitary District have now advised the University that a further addition to the central plant, at an estimated cost of $140,000, is necessary. A large portion of the increased flow is due to the University load. An estimate of the amount of University sewage indicates that the University's fair share of the cost of this addition would be about $25,000. The University is asked if it will accept this obligation and contribute to the project. The proposal is similar in principle to previous University participation in the costs of sanitary service and of improving West Springfield Avenue in Urbana. This expenditure, however, would be in the biennium 1949-1951, the budget for which is in preparation and is subject to appropriation of the funds by the General Assembly.

The Director of the Physical Plant Department and the Comptroller recommend the acceptance of this obligation; the item has been included in the biennial budget estimates of the Physical Plant Department.

I recommend that the Board give assent and authorize a provision for this expenditure in the biennial operating budget for 1949-1951, the actual payment to be contingent upon an adequate State appropriation.

On motion of Dr. Meyer, this recommendation was adopted.

AWARD OF CERTIFICATES OF CERTIFIED PUBLIC ACCOUNTANT

(36) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded those candidates who fulfilled all of the requirements and who passed the C.P.A. examination which was given in May, 1948 (see Appendix, page 132).

I concur.

On motion of Mr. Livingston, these certificates were awarded as recommended.

QUARTERLY REPORT OF THE COMPTROLLER

(37) The Comptroller presents his quarterly report to the Board as of June 30, 1948. Copies of this report have been sent to all members of the Board in advance of this meeting.

This report was received for record.

REPAIR OF WALKS AND DRIVES IN TEMPORARY HOUSING AREAS

(38) Recently bids were requested for repairs to the macadam walks and drives in the temporary housing area. The following bids were received:

Illiana Construction Company, Urbana	$19 800
Frank Somers Company, Urbana	19 100

A quotation was submitted by the Champaign Asphalt Company for the same work but using a plant-mix hot asphaltic concrete material, which we consider superior to the construction upon which we received bids. Although the quotation of the Champaign Asphalt Company was based on unit prices (20 cents a square foot for resurfacing with asphalt and for patching holes with macadam, and 30 cents a square foot for new construction), quantities required have been taken off by them and checked by our organization, indicating that this work can be accomplished by them at approximately $13,500. The Champaign Asphalt Company is the only local company in a position to furnish and place hot asphaltic material. Contractors from other cities would not bid on a project of this size, so that it is not possible to obtain competition on the use of this material.

The Director of the Physical Plant Department and the Comptroller recommend that the two bids received on August 31 be rejected, and authority be granted to execute a contract with the Champaign Asphalt Company on a unit cost basis at an estimated total cost of $13,500. The cost of this work is to be

charged to funds available in the maintenance budget of the Temporary Housing Project, so that no special appropriation is needed.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute such contract.

On motion of Mr. Livingston, authority was given as requested.

AWARD OF CONTRACT FOR REMODELING 704 SOUTH SIXTH STREET, CHAMPAIGN

(39) The Board of Trustees at its meeting on July 22 (Minutes, page 4), authorized the leasing of property at 704 South Sixth Street, Champaign, and appropriated the sum of $25,000 for remodeling this area into space suitable for offices of the Institute of Labor and Industrial Relations.

Since the work is of a remodeling character and it is difficult to secure reasonable fixed bids and because of the time required in preparing detailed specifications and securing bids, the Director of the Physical Plant Department and the Comptroller recommend that the general work be done under the terms of the contract for minor repairs and alterations on a cost plus basis as awarded by the Board of Trustees at their meeting on July 22, to Lewis S. Colbert, Champaign. The cost of this work is estimated to be $9,000.

I concur and request authority for the Comptroller and the Secretary of the Board to execute an addition to the general contract to provide for the remodeling of this area.

The Comptroller presented this matter.

On motion of Dr. Meyer, this contract was authorized as recommended.

APPRECIATION OF HOSPITALITY IN PEORIA

On motion of Mr. Livingston, the Board made record of its appreciation of the hospitality shown by citizens of Peoria, the managers of the Country Club, and Mr. Williamson, and the Secretary was requested to communicate this fact to the interested parties.

ILLNESS OF MR. VICTOR CULLIN

On motion of Mr. McLaughlin, the Secretary was instructed to send Mr. Victor Cullin, Past President of the Alumni Association, an expression of good wishes from the Board in his illness.

REPORTS OF THE SECRETARY

The Secretary presented the following lists for record, as printed in the Appendix.

1. Appointments made by the President of the University (page 94).
2. Graduate fellows and scholars (page 106).
3. Resignations, declinations, and cancellations (page 108).
4. Degrees conferred at Urbana, August 14, 1948 (page 111).

The Board adjourned.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

October 21, 1948

The October meeting of the Board of Trustees of the University of Illinois was held at 9:30 a.m. on Thursday, October 21, 1948, at the Illini Center, in the LaSalle Hotel, in Chicago, according to the following schedule:

9:30 a.m. — Executive session as in Committee of the Whole.

4:30 p.m. — Open session.

The following members were present: President Fornof, General Davis, Mrs. Holt, Mr. Livingston, Dr. Luken, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson.

President Stoddard was present; also Vice-President A. C. Ivy, Provost C. R. Griffith, Assistant to the President A. J. Janata, Secretary H. E. Cunningham, Treasurer I. L. Porter, Comptroller Lloyd Morey, Legal Counsel W. E. Britton; and, during part of the day, Mr. Newton C. Farr and Professor W. C. Huntington, Chairman of the Building Program Committee.

EXECUTIVE SESSION

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered the following matters presented by the President of the University.

CHICAGO HOUSING PROJECTS

(1) I have asked Dr. Ivy and Mr. Farr to be present to discuss the status of housing projects in the medical district.

Dr. Ivy stated that it was important that the Board act on these matters as soon as possible. Mr. Farr outlined the four projects for student and staff housing in the area. He stated that the plan for the Urbana staff housing project had been chosen instead of the plans used by the Illinois Institute of Technology. Mr. Farr recommended, in view of the requirements to obtain a loan for construction, that a lease of any part of the land on which the housing project was to be built was not acceptable, and that the land should be purchased from the Medical Center Commission. Mr. Farr recommended also that a contract for architectural services be made with Skidmore, Owings, and Merrill (for action, see page 145).

On motion of Mr. Nickell, the following resolution was adopted.

Whereas, the University of Illinois and the University of Illinois Foundation are now contemplating the acquisition of land from the Medical Center Commission for the purpose of erecting thereon an apartment building in the Medical Center District for the use of students and staff of the University of Illinois; and

Whereas, the Medical Center Commission has proposed that its conveyance of land to the University or to the Foundation take the form of a long-term lease by the Medical Center Commission to the University of Illinois or to the University of Illinois Foundation instead of a conveyance in fee simple; and

Whereas, it is deemed objectionable by the University that any building intended for its use, whether the title to the land and building is to be held by the University directly or indirectly through the University of Illinois Foundation, be erected on land leased to the University or to the Foundation,

Therefore, Be It Resolved, that it is hereby declared as a matter of general policy, and with particular reference to the proposal of the Medical Center Commission to lease land for building purposes to the University or to the University of Illinois Foundation, that land to be so acquired by the University or by the University of Illinois Foundation for University building purposes from the Medical Center Commission or other persons shall be acquired in fee simple only, subject only, in the case of the Medical Center Commission, to statutory limitations.

REPORT OF THE EXECUTIVE COMMITTEE

Employment of William H. Butterfield as Manager of the University of Illinois Foundation

(2) Several months ago Mr. Frank E. Bell submitted his resignation as Manager of the University of Illinois Foundation effective July 1, 1948, in order to accept a position at Williams College.

After interviewing a number of candidates for this position, officers of the Foundation and the President of the University selected Mr. William H. Butterfield, Vice-President of DePauw University. By authority of the Directors of the Foundation and with the approval of the President of the University, he has been appointed Manager effective October 15, 1948.

In discussing the terms of his employment it was agreed by the officers of the Foundation and the President of the University that Mr. Butterfield should receive a salary of $12,000 a year, the Foundation paying $7,500, and the University paying $4,500 for special services to be assigned him by the President of the University.

The Executive Committee of the Board of Trustees has authorized this appointment, so far as the University is concerned, and recommends that the Board assign $4,500 a year from the budget reserve for this position.

This report was received for record.

EMPLOYMENT OF SPECIAL COUNSEL

(3) The Legal Counsel has requested authority to employ outside counsel to assist him in the preparation for and trial of cases now pending and to help in work on the appeal of these cases to the Supreme Court, if necessary, and to handle negotiations in an effort to settle out of court the controversy with the Warner Construction Company.

There are four cases pending in Cook County. Another one is soon to be started. One case is pending in De Kalb County, one in Piatt County, and one in Champaign County. One case from Champaign County has reached the Supreme Court, briefs are to be written, one case is in the Court of Claims and one is before the Illinois Commerce Commission.

The bulk of the work of the Legal Counsel's office concerns the review and approval of contracts, the handling of claims for compensation under the Workmen's Compensation Law, the writing of legal opinions, and conferences on the legal aspects of various kinds of transactions.

I recommend that the Legal Counsel be authorized to employ outside counsel in these and similar cases, as they arise, subject to the approval of the Board of Trustees.

On motion of Mr. Davis, this recommendation was adopted.

EMPLOYMENT OF REAL ESTATE NEGOTIATOR

(4) At the meeting of the Board of Trustees on September 23, 1948, a question was raised about the broker employed in the purchase of real estate properties.

The Board of Trustees on March 13, 1945 (Minutes, page 413), authorized the employment of Mr. Sidney B. Trelease as a negotiator in the acquisition of properties. Champaign-Urbana real estate brokerage fees are 5 per cent of the first $10,000 and 2 per cent of the balance. Mr. Trelease offered to serve as negotiator at a flat rate of $250 a parcel of property.

During the past two years the University has purchased a number of residence properties for faculty housing. The negotiations for the acquisition of these properties were carried on as follows:

I. Properties negotiated by Mr. Sidney B. Trelease:

Property	*Former Owner*
1108 West Green	William F. Schulz
1001 West Nevada	Chester W. Richards
608 West Church	Lloyd Wise
709 West Michigan	Warren A. Ruth

Mr. Trelease was paid by the University $250 for his services in each of these negotiations.

508 Ridgeway	Leland Haworth
206 West Vermont	G. LeRoy Porter
305 North Prospect	Ruth Rockwood

Mr. Trelease was paid a brokerage fee by the sellers of these properties.

II. Negotiations conducted by the former owners, no commissions being paid:

Property	*Former Owner*
302 West Vermont	William Habberton
407 West Washington	Edwin Park
207 West Washington	R. D. Carmichael
301 West Pennsylvania	Robert Thompson
701 West Delaware	Charles E. Odegaard
710 Indiana	Gordon Phillips
1116 West Illinois	Munice O. Bachman

III. Negotiations conducted by real estate brokers other than Mr. Trelease representing the former owners:

610 Haines	Robert Patterson
601½ East Springfield	Elmer and June M. Melchi

This report was received for record.

ACADEMY FOR UNITED STATES AIR FORCE

(5) United States Air Force authorities are preparing plans and enabling legislation for the establishment of an Air Force Academy similar to the service academies at West Point and Annapolis. It is anticipated that an interim academy will be established to operate on a small scale with approximately 200 to 300 cadets before completion of the Air Force Academy at its permanent site.

I have invited the authorities of the Air University at Maxwell Field, Alabama, who are preparing the plans for the Air Force Academy, to establish the interim academy at the University of Illinois. I request that the Board confirm my action and also authorize officials of the University to carry on the negotiations with United States Air Force officials if the latter will consider the offer.

On motion of Mr. Davis, the action of the President of the University was confirmed and he was authorized to do everything possible to secure the establishment of this academy at the University of Illinois.

REQUEST FROM PRESIDENT OF THE UNIVERSITY FOR A LEAVE OF ABSENCE

(6) The Third Session of the General Conference of the United Nations Educational, Scientific and Cultural Organization will meet in Beirut, Lebanon, from November 17 to December 11. I have been appointed one of the United States delegates to this session. I am also the American member of the Executive Board of UNESCO which will meet in Istanbul November 11 and 12 through the Beirut sessions.

I request a leave of absence with adjusted salary from November 6 to December 14, 1948.

On motion of Mr. Williamson, this leave was granted, on the terms requested.

BIENNIAL BUDGET FOR 1949-1951

(7) I present my recommendations for the biennial operating budget of the University of Illinois for the two years beginning July 1, 1949, covering all funds for which appropriations are made by the General Assembly. This estimate is submitted as the proposed basis for the budget to be filed with the Department of Finance by November 1, 1948, as required by law.

Several months ago, deans, directors, and general administrative officers were requested to submit estimates of needs for the coming biennium. These estimates were assembled and carefully studied in the offices of the Provost and the Comptroller. They were then submitted to the University Council for discussion.

After a review of these estimates and consideration of the problems of the next biennium as set forth below, I recommend a total operating budget for 1949-1951 of $72,271,742. Of this amount, the sum of $56,271,742 would come from tax funds of the State and the sum of $16,000,000 from the University's own income.

For the 1947-1949 biennium, the total was $60,083,818, with $17,000,000 derived from the University's own income deposited in the State Treasury. The reduction of this item is related to the decrease in the number of veterans. From State tax funds, the present appropriation is $43,083,818.

The increase of $12,187,924 is needed for the following purposes:

	Per Year	*Biennial Total*
For Academic Staff Additions	$ 713 015	$ 1 426 030
For Nonacademic Staff Additions (salary and wage staff)	468 056	936 112
Total Staff Additions	(1 181 071)	(2 362 142)
Salary and Wage Increases (increases in rate of compensation):		
Academic and Administrative Staff	1 491 623	2 983 246
Nonacademic Salary and Wage Staff	888 222	1 776 444
Total Salary and Wage Increases	(2 379 845)	(4 759 690)
Expense and Equipment (recurring)	622 425	1 244 850
University Retirement System	395 710	791 420
Nonrecurring Equipment	401 786	803 572
Total Increase Over 1948-1949 Budget	$4 980 837	$9 961 674

Increase Necessary to Continue Present Internal Budget to Next Biennium Due to the Fact That the 1948-1949 Budget Exceeds One-half of the Biennial 1947-1949 Appropriation	1 113 125	2 226 250

President Stoddard, Provost Griffith, and Comptroller Morey discussed the proposed budget presenting detailed explanations of all increases recommended. A formal document explaining in detail the increases was sent to the Board of Trustees in advance of the meeting and a copy is on file with the Secretary of the Board.

During the discussion of this budget, Dr. Meyer took his place with the Board.

On motion of Mr. Livingston, the biennial operating budget was unanimously approved as presented, to be filed as a tentative biennial budget under the State Finance Act, and the President of the University and the President of the Board were requested to take charge of the matter from now on.

STATEMENT BY REPRESENTATIVE JOHN K. MORRIS

At this point, the Honorable John K. Morris, Representative from the Twelfth District, was introduced. Mr. Morris urged that provision be made for housing the College of Veterinary Medicine and the Department of Home Economics as soon as possible.

The Board continued its consideration of matters presented by the President of the University.

CAPITAL EXPENDITURES BUDGET FOR 1949-1951

(8) I am recommending a capital expenditures appropriation for the 1949-1951 biennium for the Urbana campus of $36,855,000 and for the Chicago Professional Colleges of $26,210,000, a biennial total of $63,065,000 (Schedule A).

As an example of the need for long-range planning, a total of $38,370,000 (Schedule B) of capital expenditures for both Urbana and Chicago is required immediately after the proposed 1949-1951 program. The recommendations also show further needs for later biennia (Schedule C).

Professor W. C. Huntington, Chairman of the Building Program Committee, reviewed the work of the Committee in preparing the request and discussed the proposals in detail. The complete report of the Building Program Committee was sent to the Board of Trustees in advance of the meeting and a copy is on file with the Secretary of the Board.

PRIORITY GROUP AA

The call for projects referred to the 1949-1951 biennium. However, it was only possible to include a portion of the most urgent projects in the recommendations for that biennium. For that reason the priority group AA was established. Several of these projects are of almost the same degree of urgency as those included in the recommendations for the 1949-1951 biennium. Order of listing has no significance.

SCHEDULE C

PRIORITY GROUP A

This group includes many urgently needed projects which could not be included in the 1949-1951 Biennium of AA priorities. It also includes projects which are less urgent at present but which are quite certain to become urgent. Also, because of establishing new programs, or for other reasons which are not now apparent, projects which are not included on this list may become urgent. This is especially true if the enrollment is not limited to 20,000. Cost estimates are available for some of these projects but they are not given because marked changes in cost may occur before the projects are actively considered. Order of listing has no significance.

CHICAGO CAMPUS

Women's Hospital

On motion of Mr. Davis, the biennial capital expense budget was unanimously approved as presented, to be filed as a tentative biennial budget under the State Finance Act, and the President of the University and the President of the Board were requested to take charge of the matter from now on.

President Fornof expressed the appreciation of the Board for the careful work of Professor Huntington and his committee.

REPORT OF THE COMMITTEE ON CHICAGO DEPARTMENTS

Dr. Meyer presented the following report.

A meeting of the Committee on Chicago Departments of the Board of Trustees of the University of Illinois was held at 12 o'clock noon on October 11, 1948, at the Chicago Athletic Club. Dr. Karl A. Meyer, Chairman, Dr. Martin G. Luken, General Chester R. Davis, and Mr. Park Livingston were present; also Mr. H. A. Hazleton, Clerk.

The Committee considered a recommendation from the Physical Plant Department that the firm of Skidmore, Owings, and Merrill be employed as architects for the proposed staff apartment building at the Medical Center Campus at a fee of 5½ per cent of the total cost of plans for the staff apartment building on the Urbana campus to the building at Medical Center. Skidmore, Owings, and Merrill are the architects employed for the faculty apartment building at Urbana.

After discussion of the recommendation the Committee decided that further information was needed before action could be taken on the proposal to employ Skidmore, Owings, and Merrill at a fee of 5½ per cent.

The meeting adjourned until such time as further information could be secured. Since that adjournment, the Chairman of the Committee secured from the Physical Plant Department further detailed information on the work necessary by Skidmore, Owings, and Merrill to adapt the Urbana building plans to the Chicago building.

The Chairman of the Committee also consulted with other architects concerning the proposal and after telephone discussion by the Chairman with Mr. Davis and Dr. Luken, the Committee recommends that Skidmore, Owings, and Merrill be employed as architects for the faculty apartment building on the Medical Center Campus at a fee of 5½ per cent of the cost of the building but that no contract be entered into with Skidmore, Owings, and Merrill until funds are assured for the completion of the building.

H. A. HAZLETON, *Clerk*

KARL A. MEYER, *Chairman*
MARTIN G. LUKEN
CHESTER R. DAVIS
PARK LIVINGSTON

On motion of Dr. Meyer, this report was adopted.

BIENNIAL BUDGET 1949-1951, DIVISION OF SERVICES FOR CRIPPLED CHILDREN

(9) The Director of the Division of Services for Crippled Children and the Vice-President in charge of the Chicago Professional Colleges recommend the following budget for the biennium of 1949-1951 from State funds:

	Appropriation 1947-1949	*Increase Requested*	*Proposed Budget 1949-1951 Biennium*
Hospital and Medical Care	$1 025 000	$465 000	$1 490 000
Braces and Appliances	57 000	33 000	90 000
Salaries and Wages	253 342	175 772	429 114
Office Supplies and Expenses	7 580	1 420	9 000
Office Equipment	7 500	500	8 000
Contractual Services	12 000	12 000	24 000
Travel	.....	14 000	14 000
Total	$1 362 422	$701 692	$2 064 114

The increase requested for salaries and wages is requested to compensate employees of the Division adequately for the services rendered and to meet the competition for professionally trained staff members. In order to obtain competent personnel in several professional groups, it is necessary to increase the present salary ranges. The nonprofessional staff members must also be more adequately compensated for their services within the Division.

Hospitalization costs during the past biennium have gone up materially. The maximum that the Division has been paying for hospitalization during the present biennium is $11 a day for Chicago and St. Louis hospitals and $8 in hospitals

elsewhere in the State. Increasing costs indicate that costs may run as high as $20 a day in the next biennium, and in the down-state hospitals costs at present are over $12 a day. The anticipated increase in the cost of hospital care is reflected in the increase requested for the next biennium.

Staff additions of one medical social worker, two nursing consultants, a speech and hearing consultant, and eleven nonprofessional workers are requested for the district offices and the central office staffs in order that the normal growth of this program can be met.

The increase for contractual services results largely from the increased rentals the Division must pay for office space in various localities.

The new item of travel is requested since prior to this time all travel items have been paid for out of federal funds, but due to the decrease in the funds available from the federal government, it is necessary to request an appropriation for this travel from the State of Illinois.

On motion of Mr. McLaughlin, this biennial budget was approved as presented, to be filed as a tentative budget under the State Finance Act.

OPEN SESSION

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered in open session the following matters presented by the President of the University.

BUDGET FOR THE INSTITUTION FOR TUBERCULOSIS RESEARCH

(1) The Sixty-fifth General Assembly of the State of Illinois appropriated to the University of Illinois the sum of $32,000 for the operation and maintenance expense of the Institution for Tuberculosis Research. The General Assembly also provided that the management of the Institution be vested in a five-man board, two to be appointed by the Board of Trustees of the University, two by the Board of the Municipal Tuberculosis Sanitarium, and the fifth member to be elected by the other four.

The Board of Directors of the Institution has submitted the following budget for the expenditure of this biennium's appropriation during the period of November 1, 1948, to June 30, 1949. The continuation of the program is dependent on the approval by the Legislature of additional appropriations.

1. S. R. Rosenthal, Director	G50[1]	$ 3 333
2. ————, Assistant Director	G100[1]	3 333
3. Nonacademic Salaries:		
Frederick Prepenbrock, Senior Medical Technologist	G[1]	2 200
Elizabeth Lyons, Junior Laboratory Assistant	G[1]	1 733
Belton Skinner, Animal Caretaker	G[1]	1 733
Total Salaries		$12 332
Expense and Equipment		19 668
Total		$32 000

I recommend that this budget be approved and that the President of the University be authorized to make such changes as are necessary within the total funds available, including making new appointments and the acceptance of resignations, in accordance with the provisions of the University Statutes.

On motion of Mr. Livingston, this budget was approved, and authority was given as requested, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Dr. Luken.

[1] From November 1, 1948, to June 30, 1949.

APPOINTMENT TO BOARD OF EXAMINERS IN ACCOUNTANCY

(2) Mr. William F. G. Ross, Chairman of the Board of Examiners in Accountancy, has submitted his resignation from the Board because of ill health. He will be hospitalized for several months. The Committee on Accountancy recommends that Mr. Ross's resignation be accepted. The Committee makes this recommendation with much regret. Mr. Ross has given excellent service on the Board during his two years as a member. His full term would have expired June 30, 1949.

The Committee recommends that Mr. Charles Robert Miller of Arthur Young and Company, Chicago, be appointed to the Board of Examiners in Accountancy to fill the vacancy caused by Mr. Ross's resignation, that is until June 30, 1949.

Mr. Miller is forty-three years of age. He is a graduate of the University of Illinois, having received the Bachelor of Science degree in accountancy in June, 1928, with high honors. He obtained the Illinois C.P.A. certificate by examination in November, 1928. He has been with the firm of Arthur Young and Company for many years and is now a resident partner. He is recognized by the profession as an outstanding accountant.

Mr. Miller has indicated his willingness to serve.

On motion of Mr. Nickell, Mr. Ross's resignation was accepted, and Mr. Miller was appointed as recommended.

ADMINISTRATION OF DEPARTMENT OF BOTANY

(3) The members of the professorial staff of the Department of Botany have requested a change in the organization of the Department from one administered by a department head to a department organized with a chairman. Such a change of organization is permitted under University of Illinois Statutes on recommendation of the President to the Board of Trustees. I recommend approval of this request, and that Dr. Oswald Tippo, Associate Professor of Botany and now Acting Head of the Department, be appointed Chairman of the Department for two years from September 1, 1948, at an academic salary rate of $5,500.

On motion of Mr. McKelvey, these recommendations were adopted.

UNIVERSITY'S SHARE OF DRAINAGE IMPROVEMENT COSTS

(4) The Union Drainage District No. 1 of the towns of Afton and Milan in De Kalb County has requested the University to assume its share of the cost of the cleaning of the drainage ditch which serves in part Wright Farm No. 7.[1] This ditch runs for approximately 160 rods through the entire length of the northeastern eighty acres of Wright Farm No. 7 and provides the drainage outlet for the whole farm. The ditch was dug about thirty-one years ago and has not been maintained adequately and has needed cleaning for some time. The University's share of this expense is $1,523.99, one-half of which is due in September, 1948, and the balance in November, 1948. The drainage district is also considering an annual maintenance program after the ditch has been cleaned.

This is similar in principle to payments by the University of part of the operating costs of the sewage disposal through the Urbana-Champaign Sanitary District, for construction of an addition to the local sanitary sewer system to serve the temporary housing area on South First Street, and for part of the cost of improving West Springfield Avenue in Urbana.

Professor J. B. Andrews, Dean H. P. Rusk, and Comptroller Lloyd Morey recommend payment of this initial expenditure and of a pro rata share of the subsequent annual maintenance charges.

Funds are available from the operation of Wright Farm No. 7.

I concur.

On motion of Mr. Davis, this recommendation was adopted. The appropriation was made by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Dr. Luken.

[1] This farm is a part of the endowment of the Harry G. and Harriette Wright Scholarships.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(5) The Committee on Special Appropriations and Nonrecurring Expenditures recommends assignments from the General Reserve Fund for the following purposes:

College of Agriculture:	
a. For remodeling Rooms 227-231 Bevier Hall for Home Economics Department	$ 2 800
b. For remodeling and equipment in the Horticulture Department	14 600
c. For calculating equipment for Agricultural Economics Department	4 600
d. For finishing Room 404 Mumford Hall	3 100
College of Fine and Applied Arts:	
For new console for Auditorium organ for the School of Music	12 000
College of Liberal Arts and Sciences:	
a. For remodeling of Room 143 Natural History Building for Geology Department	1 700
b. For laboratory equipment for Department of Bacteriology	5 500
c. For constant temperature humidity cases in Room 203 Harker Hall for Department of Entomology	1 500
d. For equipment for work in cytogenetics in the Department of Botany	41 600
e. For remodeling and miscellaneous equipment for Department of Botany	39 000
Chicago Professional Colleges:	
For purchase of microscopes	6 000
Total	$132 400

I concur.

On motion of Mr. Williamson, these appropriations were made as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Dr. Luken.

PURCHASE OF ILLINOIS TERMINAL RIGHT-OF-WAY

(6) The Illinois Terminal Railroad Company formerly had a spur track extending through the business and residential part of Urbana and through the University service area to Sixth Street in Champaign. When this spur was abandoned, the University acquired various portions of the property through the following actions of the Board of Trustees:

October 17, 1942 (Minutes, page 110), the Board authorized the purchase of that portion lying between Wright and Sixth Streets at a price of $1 500

September 24, 1946 (Minutes, page 57), the Board authorized the acquisition of that portion between Mathews and Goodwin Avenues at a price of 2 500

November 22, 1946 (Minutes, page 164), the Board authorized the purchase of that portion lying between Goodwin Avenue and Harvey Street at a cost of 1 500

May 27, 1947 (Minutes, page 370), the Board authorized the purchase of the West ½ block between Harvey Street and Gregory Avenue at a cost of .. 1 000

The purchase of the first parcel has been completed and the title transferred to the University of Illinois. The purchase of the last three parcels has not been completed pending the successful negotiation of some questions concerning the title. It is anticipated that these difficulties will be worked out in the near future.

There is also available the east one-half block between Harvey and Gregory (approximately 40' x 198'). The Illinois Terminal Railroad Company has a buyer for this property at a price of $750, which represents a unit cost of 9.5¢ a square foot. They have offered this property to the University at the same price, and the Director of the Physical Plant Department, the Security Officer, and the Comptroller recommend that the University purchase the property to be used as a parking area and for Physical Plant Service purposes.

I recommend the authorization of the purchase of this land and a special appropriation of $750 for this purpose.

On motion of Mr. McKelvey, this purchase was authorized and the appropriation was made, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Dr. Luken.

OIL AND GAS LEASES ON OLNEY EXPERIMENTAL FARM

(7) The Board of Trustees on September 23, 1948 (Minutes, page 84), authorized leasing to the Sun Oil Company for oil and gas development an experimental fruit farm tract of 19⅓ acres near Olney, Illinois. The Sun Oil Company also wishes to lease the seventy-five acre experimental farm tract which lies to the north of the 19⅓ acre tract described as follows:

"The South ¾ of West half of Southwest quarter of Section 36 and beginning at a point 12 chains South of the Northwest corner of the East half of the Southwest quarter of Section 36, thence South 28.19 chains, thence East 4.26 chains, thence North 28.19 chains, thence West 4.26 chains to place of beginning, 12 acres, more or less in Section 36; also, beginning at the Southwest corner of the West half of Southwest quarter of Section 36, running thence North along the section line 120 rods, thence West 4 rods, thence South 120 rods, thence East 4 rods to the place of beginning, containing 3 acres in Southeast quarter of Section 35, Township 4 North, Range 10 East, containing 75 acres, more or less."

This will give the University the same protection in the event oil or gas production in commercial quantities is developed within a statutory offset location.

The Head of the Department of Horticulture and the Director of the Agricultural Experiment Station recommend that this lease be authorized under the same terms as the other lease. The company will pay a rental of $5.00 a year an acre. If oil or gas is produced from wells on the University's land the University will receive one-eighth of the proceeds; if oil or gas is produced within 330 feet of University land the University will share in the royalties.

I concur.

On motion of Mrs. Holt, this lease was authorized as recommended.

APPOINTMENT OF JOSEPH A. RUSSELL AS PROFESSOR AND HEAD OF THE DEPARTMENT OF GEOGRAPHY

(8) I recommend the appointment of Dr. Joseph A. Russell of Syracuse University as Professor and Head of the Department of Geography on indefinite tenure at a salary of $8,000 an academic year beginning February 1, 1949.

On motion of Mr. McLaughlin, this appointment was approved as recommended.

SALE OF STANDARD OIL OF NEW JERSEY STOCK

(9) The Finance Committee of the Board recommends that two shares of Standard Oil Company of New Jersey stock received as a dividend on Standard Oil of Indiana stock be sold, since this dividend has been ruled as a distribution from income.

Authorization for this sale and approval of the following resolution is requested:

RESOLUTION REGARDING SALE OF STOCK

Whereas, the Board of Trustees of the University of Illinois is the owner of two shares of capital stock of the Standard Oil Company of New Jersey, and

Whereas, the Board of Trustees has approved the sale of such stock in its meeting of October 21, 1948,

Now, therefore, be it resolved by the Board of Trustees of the University of Illinois that Lloyd Morey, Comptroller, and H. E. Cunningham, Secretary, be authorized to execute any and all documents to complete such sale.

On motion of Mr. Livingston, this sale was authorized and the resolution was adopted as requested.

ADDITION TO CONTRACT FOR GENERAL WORK ON STADIUM RESTORATION

(10) The West Hall of the Stadium was used for student housing from 1946 to 1948, and was returned to use for instruction in physical education and student recreational programs at the beginning of the academic year, 1948-1949.

Lewis S. Colbert, General Contractor, Champaign, was engaged to do the necessary remodeling at an estimated cost of $4,791.

At the time the remodeling was planned, it was anticipated that some work would be required on the floor in the north half of the West Hall. It was impossible to determine the extent and nature of the work until partitions and wood flooring had been removed to permit examination of the concrete base. The cost of the additional work necessary will be $4,000.

There is other general work to be done to improve the West Hall, estimated to cost $1,363, for which the Athletic Association will supply funds.

The Director of the Physical Plant Department and the Comptroller recommend that this additional work for restoration and remodeling be done under the terms of the contract with Lewis S. Colbert for minor alterations authorized by the Board of Trustees on July 22, 1948.

Funds are available for the improvements to be paid for by the Athletic Association in an assignment already approved by the Board of Trustees, and funds are available for the restoration expenditures to be paid by the University in reserves accumulated from operation of the West Hall as a dormitory.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute an addition of $5,363 in this contract.

On motion of Mr. Davis, authority was given as recommended.

ADDITION TO HEATING CONTRACT FOR CHEMISTRY BUILDING

(11) The Director of the Physical Plant Department and the Comptroller recommend an addition in the amount of $5,404.17 to the contract with the Carson-Payson Company, Danville, for the heating work in the construction of the Chemistry and Chemical Engineering Building, for underground steam lines which will connect the houses at 1205 West California and 606 South Mathews front and rear with the University steam heating system.

Funds are available.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute this contract addition.

On motion of Mrs. Holt, authority was given as recommended.

ADDITION TO GENERAL CONTRACT FOR MECHANICAL ENGINEERING BUILDING

(12) The Director of the Physical Plant Department and the Comptroller recommend an addition of $7,892 to the contract with the James McHugh Sons, Inc., for the general work on the Mechanical Engineering Building to provide for spray painting of exposed haydite block and concrete surfaces in all painted rooms except basement corridors.

Funds are available in the State appropriation for the Mechanical Engineering Building.

I recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract change.

On motion of Mr. Nickell, authority was given as recommended.

ADDITION TO GENERAL CONTRACT FOR ELECTRICAL ENGINEERING BUILDING

(13) The Director of the Physical Plant Department and the Comptroller recommend an increase of $10,535.37 in the contract with the John Felmley Company for the general work on the Electrical Engineering Building. This increase is to provide for the following:

1. Labor and material necessary for the removal of the existing bridge over the Boneyard, construction of a new bridge, and rerouting the creek under the new bridge..... $7 046 42
2. Labor and material for walks and drives..... 3 488 95

Funds are available in the State appropriation for this building.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute the above additions to this contract.

On motion of Mr. McLaughlin, authority was given as recommended.

ADDITION TO THE GENERAL CONTRACT FOR CHEMISTRY BUILDING

(14) The Director of the Physical Plant Department and the Comptroller recommend an addition of $2,812.73 to the contract with the John Felmley Company for the general work on the Chemistry and Chemical Engineering Building to provide for:

1. Substitution of Acoustone and Acousti-Celetox in lieu of acoustical plaster specified.....$1 665 62
2. Furnishing and installing of a gas cylinder shelter for the storage of gases under high pressures..... 1 147 11

Funds are available for these additions in the State appropriation for this building.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute the above additions to the contract.

On motion of Mr. Livingston, authority was given as recommended.

AWARD OF CONTRACTS FOR ALTERATIONS IN THE MEN'S OLD GYMNASIUM

(15) On January 8, 1948 (Minutes, page 960), the Board of Trustees appropriated $26,000 for alterations and lockers in the Men's Old Gymnasium. This project was not considered to be of top priority, and the work was postponed. Now that higher priority projects are under way, this one may go ahead.

Since this is a remodeling job, it is not feasible to secure competitive bids. The Director of the Physical Plant Department and the Comptroller recommend that the work be done by the following contractors under the terms of their standing contracts on a cost plus a fee basis for minor remodeling as approved by the Board of Trustees on July 22, 1948 (Minutes, page 18):

	Estimated Cost
General Work — Lewis S. Colbert	$15 798 97
Plumbing — Reliable Plumbing and Heating Co.	5 500 00

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute these contracts.

On motion of Mr. Nickell, authority was given as recommended.

PURCHASES

(16) There are submitted recommendations for purchases for approval by the Board and a report of purchases authorized by the President of the University (see Appendix, page 163).

On motion of Mr. McKelvey, purchases were authorized as recommended, and the action of the President of the University in authorizing emergency purchases was approved and confirmed.

GIFTS AND GRANTS OF FUNDS FOR RESEARCH AND OTHER PURPOSES

(17) A report of gifts and grants of funds for research and other purposes received by the University since the last report on July 22, 1948 (see Appendix, page 165).

This report was received for record.

CANCELLATION OF SABBATICAL LEAVE OF ABSENCE GIVEN PROFESSOR RAYMOND P. STEARNS

(18) Associate Professor Raymond P. Stearns of the Department of History was given a sabbatical leave of absence for the second semester of 1948-1949 by the Board of Trustees on March 9, 1948.

Professor Stearns has requested that his leave be deferred for the convenience of the University because the Department of History has recently suffered major losses in the death of Professor Theodore C. Pease, former Head of the Department, and in the resignation of Professor Charles E. Odegaard.

I recommend cancellation of this leave without prejudice as to future reinstatement.

On motion of Mr. Davis, this recommendation was adopted.

LEAVE OF ABSENCE FOR PROFESSOR STANLEY D. TYLMAN

(19) Dr. Stanley D. Tylman, Professor and Head of the Department of Crowns and Fixed Partial Dentures, College of Dentistry, has been invited to give a series of clinics and conferences for the dental faculties of the Universities of Buenos Aires and Cordoba in Argentina. The United States Department of State has asked that this teaching mission be undertaken.

The Dean of the College of Dentistry and the Vice-President in charge of the Chicago Professional Colleges recommend that he be given a leave of absence with full pay during the months of November and December, 1948. His duties will be taken over by other members of the faculty so that there will be no additional expense to the University.

I have authorized this leave of absence and request confirmation of my action.

On motion of Mr. Williamson, this leave was granted as recommended.

INCREASE IN CONTRACT FOR FLOORING IN STADIUM

(20) On September 23, 1948 (Minutes, page 83), the Board of Trustees awarded a contract for asphalt tile flooring to W. Lewis and Company in the amount of $6,107.77 as a part of the program of restoration and improvement of the West Great Hall of the Stadium. After the bids had been received for this flooring, the Athletic Association requested the addition of asphalt tile markings for the basketball courts. The asphalt tile markings are preferred to the painted markings because they are more permanent and economical over a long period of usage.

The Director of the Physical Plant Department and the Comptroller recommend an increase of $1,020 in the contract with W. Lewis and Company to provide for this additional installation to be paid for by the Athletic Association.

I recommend that the Comptroller and the Secretary of the Board be authorized to execute this addition to the above contract.

On motion of Mr. Williamson, authority was given as recommended.

SECRETARY'S REPORTS

The Secretary presented the following lists for record, as printed in the *Appendix*.

1. Appointments made by the President of the University (page 153).
2. Graduate scholars and fellows (page 155).
3. Resignations, declinations, and cancellations (page 156).
4. Degrees conferred at Urbana, October 15, 1948 (page 157).

The Board adjourned.

21. Pittsburgh Consolidation Coal Company, Pittsburgh, $2,250 for continuation of a fellowship in chemical engineering during the academic year 1948-1949, $1,250 for the stipend and $1,000 for tuition and other fees and to cover expenses incidental to the research.

22. Shell Fellowship Committee, New York City, $3,000 plus tuition fees in support of two fellowships, one in geology and one in chemical engineering, during the academic year 1948-1949, $1,200 for the stipend in each case and $300 to each department for expenses related to the research projects. If the fellows should be veterans, the Company will pay only the excess of fees and tuition over $500.

23. Standard Oil Company of Indiana, $450 for extension of a fellowship in Civil Engineering during June, July, and August, 1948.

24. Music Research Foundation, Inc., Washington, D.C., $1,200 in support of a research fellowship in the Department of Psychology to be known as "The Bonfils Fellowship for Music Research."

25. National Cancer Institute, $6,912 for studies to ascertain dyes which stain gastric mucosa when taken orally and susceptibility of monkey's stomach to heat and condiments, for one year beginning June 10, 1948.

26. United States Public Health Service, $5,500 for investigation by the Department of Bacteriology, College of Medicine, of the physiological effects of the influenza virus on the host, for one year from July 1, 1948.

27. John and Mary R. Markle Foundation, $5,000 for studies in therapy in infants and children by the Department of Pediatrics, for one year from September 1, 1948.

28. Bristol Laboratories, Syracuse, New York, $1,800 a year for a two-year period covering the academic years 1947-1948 and 1948-1949, in support of a fellowship in pathology.

29. American Cancer Society, $11,581.50 a year from October 1, 1946, through June 30, 1948, for research studies of relations between nucleus and cytoplasm by the Department of Pathology.

30. American Foundation for Pharmaceutical Education, $900 for the renewal of a fellowship in Pharmacognosy for one year beginning September 1, 1948; $600 for the renewal of a fellowship in Pharmacy for one year beginning October 1, 1948.

31. Life Insurance Medical Research Fund, $300 for research by the Department of Physiology, College of Medicine, in the treatment and prophylaxis of experimental hypertension.

32. United States Public Health Service, $11,800 for a study of the neurophysiological basis of epilepsy by the Department of Psychiatry.

33. American Medical Association, Committee on Scientific Research, $1,000 for research on studies on pancreatic function by the Department of Surgery.

34. Abbott Laboratories, $250 for studies on absorption of intraperitoneal fluids by the Department of Surgery.

35. The Upjohn Company, $2,844 for continuation of the study of the use of gelatin sponge in thoracic surgery by the Department of Surgery.

36. American Pharmaceutical Association, $850 for the study of adjusted ophthalmic solutions during the period July 1, 1948, to July 31, 1949, by the Department of Ophthalmology and the Illinois Eye and Ear Infirmary.

37. Illinois Federation of Women's Clubs, $2,000 for a fellowship in cancer in the Tumor Clinic, College of Medicine.

38. Dr. and Mrs. William R. Read, Dr. and Mrs. Otto Konzelman, Dr. and Mrs. Anthony Linowieski, and Dr. and Mrs. R. M. Hutchinson, all of Chicago, $50 to be used for cancer research in the Tumor Clinic.

39. United States Public Health Service, $9,990 for research on a quantitative method of indexing gingival disease and to determine the index of gingival disease in representative groups in the United States, by the Department of Histology, College of Dentistry.

40. Anonymous, $170 to the Department of Psychiatry.

41. Nutrition Research Laboratory, $83.33 a month during the months of June, July, August, and September, 1948, for research in arthritis by the Department of Physiology, College of Medicine.

42. Ciba Pharmaceutical Products, $1,500 for the study of primary irritant qualities and the skin sensitizing propensities of tetrahydrohurfuryl ester of nicotinic acid under the supervision of Dr. A. Rostenberg of the Department of Dermatology.

43. Commonwealth Fund, $500 to defray the laboratory expenses of a doctor sent by the Commonwealth Fund for advanced training and research in the Department of Pathology, during the year beginning September 1, 1948.

44. Council on White Mineral Oil, $2,000 for a study of Frazer's partition hypothesis of fat absorption.

45. Dr. C. I. Reed of the Department of Physiology, $370 for the electron microscope fund.

46. National Committee for Mental Hygiene, Inc., $500 to be added to the Scottish Rite Masonic Fund for research in dementia praecox under the supervision of the Department of Psychiatry.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

November 19, 1948

The November meeting of the Board of Trustees of the University of Illinois was held on Friday, November 19, 1948, at the Blackstone Hotel, in Chicago, according to the following schedule:

10:30 a.m. — Executive session as in Committee of the Whole.

12:30 p.m. — Open session.

The following members were present: General Davis, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Dr. Meyer, Mr. Nickell, Mr. Williamson.

Provost C. R. Griffith was present, acting for President Stoddard; also Vice-President A. C. Ivy, Secretary H. E. Cunningham, Comptroller Lloyd Morey, Assistant to the President, Mr. A. J. Janata, and Legal Counsel W. E. Britton.

In the absence of President Fornof, Mr. McKelvey was made chairman of the meeting.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of July 21-22 (pages 1-74) and September 23, 1948 (pages 75-134).

On motion of Mr. Livingston, the minutes were approved as printed above.

CONFIRMATION OF APPOINTMENT OF MR. D. W. SMYTHE

The Provost reported for the President on the appointment of Professor Dallas W. Smythe, on which the Board, at the meeting of July 22, 1948 (Minutes, page 33), asked for further information. The President had previously sent, under date of September 9, a formal, written report to all members of the Board of Trustees, a copy of which is in the files of the Secretary of the Board as a matter of record.

After discussion, and on motion of Mr. Livingston, the Board voted that this appointment be confirmed, in the light of information available today.

REVISION OF STATUTES

In view of the fact that a question was raised with respect to the appointment of Professor Smythe, and in view also of the confusion that arose three years ago in connection with the appointment of a Director of the Division of Special Services for War Veterans, General Davis moved that the provisions of the University Statutes relating to interim appointments by the President of the University be referred to the Committee on General Policy, in conference with the President, for revision and report to the Board for adoption. The motion was passed.

It is the sense of the Board that all appointments should be made in conformity with the University Statutes, and that the Board should be informed at each meeting of all interim appointments involving tenure of more than one year.

MATTERS PRESENTED BY THE PROVOST

The Board considered the following matters presented by the Provost acting for the President of the University.

REPORT OF THE EXECUTIVE COMMITTEE ON EMPLOYMENT OF SPECIAL COUNSEL

(1) The Board of Trustees on October 21, 1948 (Minutes, page 137), authorized the University's Legal Counsel to employ special counsel in litigation cases, subject to Board approval in each case.

The Executive Committee on November 3, 1948, authorized the employment of Mr. John T. Chadwell of the firm of Snyder, Chadwell, and Fagerburg, Chicago, in the case of Blackburn, *et al.* vs. Fornof, *et al.*, in the Circuit Court of Cook County. This is a mandamus action under the Civil Service Act challenging the right of the University to discontinue the function of providing instruction for crippled children in the Research and Educational Hospitals. Three teachers were given "lay-off" notices on July 1, 1948. The case may go to the State Supreme Court.

This report was received for record.

SPECIAL COUNSEL, KENNEY VS. BOARD

(2) The Legal Counsel requests authority to engage Mr. John T. Chadwell, of Chicago, as special counsel in the case of Kenney vs. Board of Trustees, a civil service case that should be reached for trial early in January.

On motion of Mr. Livingston, this authority was granted, the fees to be determined by the Board.

ILLINI SCHOLARSHIPS, INC.

(3) On February 21, 1948 (Minutes, page 974), the Board of Trustees approved a plan for the award of undergraduate scholarships for which funds would be supplied by "Illini Scholarships, Inc." of Chicago, and accepted $1,750 to cover the first two scholarships established under this plan.

One of the scholarship holders failed to comply with the conditions of the award and thus forfeited his scholarship after holding it one year. The other recipient has resigned from the scholarship. There are no students at present receiving scholarships established under this fund and no new candidates have been recommended. At the request of the officers of Illini Scholarships, Inc., the balance of $1,500 remaining in this fund has been refunded to this organization.

On motion of Mr. Nickell, this action was approved and confirmed.

MIDWEST INTER-LIBRARY PROGRAM

(4) During the past fifty years the libraries of the midwest have built up great collections and have become an active creative force in the promotion and development of research. There has been a tremendous expansion of physical facilities and staff. Each library has tried to acquire as much of the books and other materials it needs as its financial resources will permit but now there are not enough copies of some essential research materials for all libraries that need them and not even the wealthier libraries can finance the purchase of all published materials. Under these circumstances no one library can satisfy the needs of research and scholarship from its own resources.

The presidents of thirteen midwestern universities[1] and a "Conference of Midwestern Research Libraries" have been discussing plans for cooperation in the further development of library facilities. It has been proposed that there be established a "Midwest Inter-Library Corporation" composed of cooperating member libraries which would undertake a program of action in three areas: (1) Cooperative housing of little-used material (books and other materials which should be preserved but which are not used enough to give them working library space); (2) coordination of collecting policies; and (3) cooperative technical and bibliographic services. These three areas are separable and the adoption of the proposals in any one does not require adoption of the others. The presidents of the thirteen midwestern universities at a meeting held on November 1, 1948, unanimously approved this program and its objectives in principle. They also agreed to recommend its approval, in principle, to their respective governing boards and to request authorization to participate in future planning, and to join in an appeal to the Carnegie Corporation of New York for financial support.

There are certain elements in this program which must be considered very carefully by the University of Illinois from the standpoint of its own internal policies and its responsibilities to the public before commitments are made.

I am recommending, on behalf of the President, that the Board of Trustees authorize the President and other appropriate University officers to proceed with further discussions and negotiations, including specifically (1) participation by the University in the organization of the Midwest Inter-Library Corporation and Center and the selection of a board of directors and an executive committee; (2) joining with other institutions in a request to the Carnegie Corporation of New York for financial support; and (3) the payment by the University of its share of the expenses of organizing the Midwest Inter-Library Corporation and Center. Further financial commitments, after the Corporation is organized, would still be subject to approval by the participating institutions.

On motion of Dr. Meyer, authority was granted as requested.

SALE OF SPECTROGRAPH

(5) During the years 1937-1941 the Physics Department built a mass spectrograph under the supervision of Professor E. B. Jordan, a specialist in spectroscopy, who was appointed to the staff for research and instruction in that field of physics. The spectrograph is a highly precise instrument capable of yielding accurate values of atomic masses and is much needed in present-day physics. It was expected that Professor Jordan would use the instrument in his researches for several years; in fact, he did use it for two years following its completion and it yielded results

[1] H. L. Bevis, Ohio State University; E. C. Colwell, University of Chicago; E. B. Fred, University of Wisconsin; C. E. Friley, Iowa State College; V. M. Hancher, University of Iowa; J. A. Hannah, Michigan State College; H. T. Heald, Illinois Institute of Technology; F. L. Hovde, Purdue University; J. L. Morrill, University of Minnesota; A. G. Ruthven, University of Michigan; F. B. Snyder, Northwestern University; G. D. Stoddard, University of Illinois; and H. B. Wells, Indiana University.

of value. During 1942-1943, Professor Jordan was obliged to resign from the University because of poor health and since then the instrument has not been used. The Department has not been able to find a successor who would be interested in and qualified to carry on research with the mass spectrograph. The University now has an opportunity to sell this instrument to the Argonne National Laboratory for use by Dr. A. J. Dempster, a world authority on mass spectroscopy. It appears unlikely that anyone else will want the instrument or at least be willing to pay for it.

The instrument cost the University $16,087. This includes the cost of materials used, the time of the departmental machine shop, and the time of a glass blower. It does not include any of Professor Jordan's time, a good deal of which was spent on the design of the instrument.

The Head of the Department of Physics, the Dean of the College of Engineering, and the Dean of the Graduate College recommend the sale of the instrument to the Argonne National Laboratory for $15,000. This price was set by the Head of the Department after consultation with several parties concerned and has been accepted by the Argonne National Laboratory. The price is approximately what it cost the University to construct the instrument but is considerably below present-day replacement cost. On the other hand, no one would purchase it at the replacement figure because it would be preferable to construct a new instrument exactly suited to the purposes of the user. Hence the price proposed appears equitable.

I recommend that the Board of Trustees authorize the sale of this instrument and that the proceeds be appropriated to the Department of Physics for its research work.

On motion of Mr. Davis, this sale was authorized and the receipts assigned as recommended, by the following vote: Aye, Mr. Davis, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Fornof, Mr. Green, Dr. Luken, Mr. McLaughlin.

AWARD OF CONTRACT FOR ARCHITECTURAL SERVICES ON REMODELING OF OLD BOILER HOUSE AT URBANA

(6) On January 8, 1948 (Minutes, page 954), the Board authorized the acquisition of an electronic digital computer at an estimated maximum cost of $150,000. It has been decided to house the computer project in the old boiler house, which was vacated when the new power plant was erected. The old boiler house is now a part of the Physical Plant Service Building and is used as a warehouse. It is desired to remodel this building by putting in floors and other interior installations to make full use of the available space, which is not only urgently needed for the computer project but also for other important University activities now inadequately housed.

The Building Program Committee included $200,000 for remodeling this building in its recommendations for 1949-1951, under the heading of Building Remodeling and Improvement at Urbana. The Board approved this item as a part of the capital appropriations for 1949-1951. It is very desirable that plans and specifications be prepared at once so that work can go forward as soon as funds become available.

The Physical Plant Department has recommended that Holabird and Root and Burgee of Chicago be engaged for this service on a fee basis of 4½ per cent of the estimated cost of the project for working drawings and specifications only, and 6 per cent of the total cost for complete service if funds are appropriated for the remodeling but not to exceed a maximum fee of $15,000 for architectural services. The firm offered a credit for studies made by the University four years ago for use of the same area as a warehouse or storage building, which resulted in approximately the same general solution as is now proposed, the exact amount of credit to be determined later, after preliminary studies have been completed and the amount of savings can be determined. It is estimated that this credit will amount to about one-half per cent.

Negotiations are in progress to secure outside funds to support and strengthen the computer program, and it is hoped that a proposal based on these negotiations can be submitted to the Board at an early meeting. Meanwhile, however, the availability of space in the boiler house at the earliest possible date is essential to the

success of the project, and funds already appropriated for it may be used for preparing plans.

The Dean of the Graduate College recommends that the cost of plans for remodeling the building be paid out of the $150,000 already allocated to the computer project by the Board.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute a contract for architectural services.

On motion of Mr. Nickell, this contract was authorized as recommended.

CLASSIFICATION OF "TEACHER OF HANDICAPPED CHILDREN" DISCONTINUED

(7) The Legal Counsel recommends the adoption of the following resolution.

Whereas, the teaching of children of common and high-school age who are patients in the Illinois Surgical Institute for Children, in the Research and Educational Hospitals of the University of Illinois, has been discontinued, and

Whereas, it is the judgment of the Board of Trustees of the University of Illinois that it is for the good of the classified service to abolish the classification of "Teacher of Handicapped Children,"

Therefore, Be It Resolved by the Board of Trustees of the University of Illinois under and by virtue of the powers conferred upon it by the statutes of Illinois in such case made and provided and in accordance with the rules promulgated thereunder by the Board, that the classification designated "Teacher of Handicapped Children" and appearing on page 360 of the Class Specifications and Compensation Plan of the University of Illinois, hereby is abolished.

Professor Britton commented on this matter.

On motion of Mr. Williamson, this resolution was adopted.

OPEN SESSION

The Board, in open session, considered the following matters presented by the Provost, acting for the President of the University.

AWARD OF CERTIFICATES OF CERTIFIED PUBLIC ACCOUNTANT

(1) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded the following under Section 5 of the Accountancy Act of 1943. These persons have presented evidence that they are holders of valid and unrevoked C.P.A. certificates issued by other states on the basis of their having successfully passed regular written examinations. They have also satisfied all other requirements of this section of the act.

RALPH HOWARD ACKERMAN (Ind.)
ISRAEL DAVID BOTNICK (N.Y.)
JAMES EFFORD BURGESS (Wis.)
LEONARD ANDREW HAUSMAN (Mo.)
JOSEPH JAMES HOLLAND (Mo.)
JAMES HOOPER (Tenn.)
JACK DEMPSEY HUGGINS (Mo.)
HAROLD WOODROW JONES (Okla., Ark.)
CHARLES SILEP (Ind.)
ROBERT WILSON SLEEPER (Md.)
MURRAY ALEXANDER WEBSTER (Ohio)

I concur.

On motion of Mr. Livingston, these certificates were awarded as recommended.

LEAVES OF ABSENCE FOR MEMBERS OF THE STAFF

(2) I have authorized leaves of absence with full pay in the following cases, and request confirmation.

Professor ROGER ADAMS, Head of the Department of Chemistry. The National Academy of Sciences is assembling another scientific group to go to Japan for two or three weeks at the request of General Douglas MacArthur, Supreme Commander for the Allied Powers, for conferences with Japanese scientists. Professor Adams has been asked to serve on this mission. It will require his absence from the University from approximately November 19 to December 29.

Professor H. W. KENDELL, Head of the Department of Physical Medicine. The Office of the Surgeon General, Department of the Army, has requested the services of Professor Kendell as a civilian consultant to advise the Theater Surgeon in the Pacific Area and the hospital staffs on the treatment of patients. This will require Professor Kendell's absence from the University for a period of approximately thirty days beginning November 1, 1948.

On motion of Mr. Davis, the action of the President in granting these leaves of absence was approved and confirmed.

AMENDMENT OF CLASS SPECIFICATIONS AND COMPENSATION PLAN FOR NONACADEMIC PERSONNEL

(3) In the volume of Class Specifications and Compensation Plan appear separately listed statements concerning each position classification of the University civil service. Each statement includes three parts: Definitions, Duties by Example, and Qualifications. The paragraph on Qualifications sets forth details as to training, experience, and personal qualifications normally considered as those necessary for satisfactory job performance. By their very nature, most of these statements of qualification are specific. In the majority of cases the specific qualifications as set forth are obtainable and desirable in the form listed. Occasionally there is an applicant who, while not possessing exactly the qualifications as printed in our description, has a combination of other or different qualifications which make his employment or promotion highly desirable.

The Director of Nonacademic Personnel recommends that the Class Specifications and Compensation Plan be amended to include the following paragraph:

> "Under exceptional circumstances training or experience deemed equivalent in value though differing in detail may be substituted for that specified on recommendation of the department head and approval of the Director of Nonacademic Personnel."

The Legal Counsel has advised that it is within the power of the Board of Trustees under the State Civil Service Law to adopt this amendment.

I concur.

On motion of Mrs. Holt, this amendment was adopted as recommended.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(4) The Committee on Special Appropriations and Nonrecurring Expenditures recommends assignments from the General Reserve Fund for the following purposes:

1. Temporary building for research at Airport		$ 38 000
2. Remodeling at Navy Pier to provide additional physical education facilities		35 000
3. Repowering and relighting of Physics Building		30 000
4. Remodeling Men's Old Gymnasium		20 200
5. Remodeling Agricultural Engineering Building		13 000
6. For Chicago Professional Colleges		30 725
a. Remodeling and equipment for Research and Educational Hospitals:		
Purchase and installation of two water coolers in the cafeteria dining rooms	$ 800	
Remodeling Room 38A	550	
Locks for closet doors in nurses' residence	585	
Increased illumination in Medical Records Room	875	
Operating room equipment	3 300	
Remodeling the operating room vacuum system	2 000	
Ice cube equipment and ice storage	3 200	
	$11 310	
b. Museum cases for the College of Medicine	2 500	
c. Furniture and office fixtures for Publications Editor	400	
d. X-ray equipment for the College of Dentistry	915	
e. Purchase of radiology equipment	7 000	
f. Remodeling and equipment for Otolaryngology Laboratory	8 600	

7. Service drives at Talbot Laboratory	4 300
8. Additional space for Foreign Language Office at Chicago Undergraduate Division	3 800
9. Rehabilitation of residence building at 608 South Mathews for use by the School of Music	2 625
10. Replacement of boiler at Cook County Experiment Station at Des Plaines	2 500
11. Remodeling Animal Room in Animal Genetics Building	2 300
12. Remodeling and equipment for Department of Geography (remodeling of Room 249 Natural History Building and equipment)	6 203
Total	$188 653

On motion of Mr. Nickell, these appropriations were made as recommended, by the following vote: Aye, Mr. Davis, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Fornof, Mr. Green, Dr. Luken, Mr. McLaughlin.

APPROPRIATION OF FUNDS AND AWARD OF CONTRACTS FOR ALTERATIONS TO DAVID KINLEY HALL

(5) On July 22, 1948 (Minutes, page 17), the Board of Trustees approved an appropriation of $2,400 for architectural services for remodeling David Kinley Hall to provide fourteen additional offices and five classrooms which are urgently needed.

The Committee on Special Appropriations and Nonrecurring Expenditures recommends an appropriation of $55,000 be made for this remodeling. The Director of the Physical Plant Department and the Comptroller recommend the award of a contract for the general construction work to E. N. DeAtley, Champaign, Illinois, the lowest bidder, in the amount of $48,732.50. The balance of the recommended appropriation will be needed for other phases of the remodeling and for contingencies.

I recommend that an appropriation of $55,000 be made for this project and that the Comptroller and the Secretary of the Board be authorized to execute a contract with E. N. DeAtley.

On motion of Mr. Nickell, this contract was authorized and the appropriation was made as recommended, by the following vote: Aye, Mr. Davis, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Fornof, Mr. Green, Dr. Luken, Mr. McLaughlin.

AWARD OF CONTRACT FOR SERVICE DRIVES AT TALBOT LABORATORY

(6) Bids were received for the reconstruction of sidewalks on the north side of Green Street between Wright Street and Goodwin Avenue and for the construction of service drives at Talbot Laboratory. That portion of the bids relating to the sidewalks was awarded to the General Paving Company, the lowest bidder, by the Board of Trustees on September 23, 1948 (Minutes, page 90). The recommendation for the award of the contract for drives was withheld since funds were not available.

The Committee on Special Appropriations and Nonrecurring Expenditures has studied the need for the service drives and has included in its recommendations (separately submitted), an additional appropriation for this purpose. If the Board makes this appropriation the Comptroller and the Director of the Physical Plant Department recommend the award of the contract to the General Paving Company, also the lowest bidder on this portion of the work.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute a change in the contract with the General Paving Company to include construction of the service drives at Talbot Laboratory at a cost of $7,080.

On motion of Mrs. Holt, this change of contract was authorized as recommended.

AWARD OF CONTRACT FOR FIRE PROTECTION FACILITIES

(7) The following bids were received on the installation of a new fire alarm system at Urbana-Champaign:

Hecker & Company, Inc., Chicago	$32 632
Kil-Bar Electric Company, Chicago	28 565

These bids are on the installation of a distribution system and branch connections to ten buildings.

The Director of the Physical Plant Department and the Comptroller recommend award of a contract to the Kil-Bar Electric Company, the lower bidder. Funds are available in the State appropriation for "Construction of fire protection facilities" to cover this installation with the exception of connections to the Illini Union Coffee House ($140), the Men's Residence Halls ($185), and the Military Stables ($125), which will be financed from current operating funds for these buildings.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute a contract with the Kil-Bar Electric Company in the amount of $28,565.

On motion of Mr. Nickell, this contract was authorized as recommended.

ADDITION TO CONTRACT FOR GENERAL WORK ON PHYSICAL ENVIRONMENT UNIT IN THE RESEARCH AND EDUCATIONAL HOSPITALS

(8) The Director of the Physical Plant Department and the Comptroller recommend an increase of $2,838.20 in the general contract with the E. H. Marhoefer, Jr., Company of Chicago, Illinois, for the construction of the Physical Environment Unit in the Research and Educational Hospitals to cover installation of laboratory equipment.

Funds are available in the State appropriation for the "Construction of addition to present Hospital Building for Research in Physical Environment."

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this addition to the contract.

On motion of Mr. Davis, this addition to contract was authorized as recommended.

PURCHASES

(9) The Director of Purchases has proposed and the Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest bid (see Appendix, page 183).

On motion of Mr. Livingston, these purchases were authorized as recommended, and the action of the President of the University in authorizing emergency purchases was approved and confirmed.

COMPTROLLER'S REPORT OF CONTRACTS

(10) The Comptroller's report of contracts executed from September 11 to October 10, 1948 (see Appendix, page 185).

This report was received for record.

INCREASE IN CONTRACT FOR PRINTING SPECIALIZED PUBLICATIONS

(11) On June 30, 1945 (Minutes, page 519), the Board of Trustees approved an increase in the rates of the contract with the George Banta Publishing Company, Menasha, Wisconsin. This company has printed *The Journal of English and Germanic Philology* for thirty-five years. The company specializes in the particular type of printing required for this publication and has provided the University with first class service and high-grade printing.

The present contract provides that either party may terminate the contract by a ninety days' notice to the other party. The George Banta Publishing Company has submitted a revised price schedule to be effective October 1, 1948, which

represents an increase of approximately 23 per cent over the schedule approved in 1945. The new prices are not out of line with price increases in the printing industry.

The Director of the University Press, the Director of Purchases, and the Comptroller recommend that this new schedule of prices be accepted and the present contract so amended.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this amendment in the contract.

On motion of Mr. Livingston, this amendment to contract was approved as recommended.

ADDITION TO CONTRACT FOR ARCHITECTURAL SERVICES FOR ELECTRICAL ENGINEERING BUILDING

(12) A contract for architectural services on the Electrical Engineering Building was awarded by the Board of Trustees on June 30, 1945 (Minutes, page 507), to Graham, Anderson, Probst, and White at a fee of 6 per cent of the construction cost. Changes in the construction of the building, made at the request of the Department of Electrical Engineering, after the original plans had been drawn have required additional architectural services.

The Comptroller and the Director of the Physical Plant Department recommend a change in the contract with Graham, Anderson, Probst, and White to provide for a payment of $5,507.76 to cover additional architectural services. Funds are available in the State appropriation for the construction of the building.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute this change in the contract.

On motion of Mr. Williamson, this change in contract was authorized as recommended.

AWARD OF CONTRACT FOR GENERAL WORK REMODELING OF AGRICULTURAL ENGINEERING BUILDING

(13) The Committee on Special Appropriations and Nonrecurring Expenditures has included in its recommendations (separately submitted in item No. 4) an appropriation of $13,000 for remodeling the Agricultural Engineering Building. If the Board makes this appropriation, the Director of the Physical Plant Department and the Comptroller recommend the award of the general work to L. S. Colbert, Champaign, under the terms of the contract with this firm for minor alterations as approved by the Board of Trustees on July 22, 1948 (Minutes, page 18). The estimated cost of the general work is $7,300. On remodeling jobs of this size it is not feasible to secure firm competitive bids. In fact, many contractors will not bid on such work because there are more uncertain factors of cost in remodeling work than in new construction.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute an addition to the contract with L. S. Colbert for this remodeling job on a cost plus fee basis.

On motion of Mr. Nickell, this addition to contract was authorized as recommended.

AWARD OF CONTRACT FOR CONSTRUCTION OF CANCER EXHIBIT IN MUSEUM OF SCIENCE AND INDUSTRY

(14) Bids have been received for the construction of the following University of Illinois exhibits in the Museum of Science and Industry in Chicago: (1) installation of a Cancer Exhibit adjacent to the present Miracle of Growth Exhibit, and (2) additions to the present Miracle of Growth Exhibit. The Illinois Division of the American Cancer Society has assigned $50,000 for the new exhibit and funds are available in the budget of the Vice-President in Charge of the Chicago Professional Colleges for additions to the Miracle of Growth Exhibit.

The Director of the Physical Plant Department and the Comptroller recommend the award of a contract to the C. W. Haynes Company, Chicago, the lowest bidder, on a lump sum basis of $19,407 and the acceptance of an alternate bid of $677 (covering additions to the Miracle of Growth Exhibit), or a total contract

award of $20,084. I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute a contract with the C. W. Haynes Company in the amount of $20,084.

On motion of Mr. Davis, this contract was authorized as recommended.

COLLEGE ADVISORY COMMITTEES IN AGRICULTURE

(15) The Dean of the College of Agriculture recommends the following appointments to advisory committees for the College of Agriculture and the Agricultural Experiment Station effective January 1, 1949, and continuing until further notice. New members are indicated by an asterisk.

I concur and recommend appointments of these men to the Citizens Committee according to the practice of including all college advisory committees in the membership of the general committee.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

January 13, 1949

With Executive Committee Meetings of
December 28, 1948, and January 18, 1949

The regular January monthly meeting of the Board of Trustees of the University of Illinois was held on Thursday, January 13, 1949, at the Blackstone Hotel, in Chicago, according to the following schedule:

10 a.m. — Executive session as in Committee of the Whole.

1 p.m. — Open session.

The following members were present: President Fornof, General Davis, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Dr. Meyer, Mr. Nickell, Mr. Williamson. On invitation of the Board, Mr. R. Z. Hickman and Mrs. Frances B. Watkins, members elect, sat with the Board during the day.

President Stoddard was present; also Vice-President A. C. Ivy, Provost C. R. Griffith, Assistant to the President A. J. Janata, Secretary H. E. Cunningham, Comptroller Lloyd Morey, Professor W. H. Scheick, Coordinator of the Small Homes Council, and, during the open session, Director J. F. Wright.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of October 21 and November 19, 1948; also, for record, the minutes of a meeting of the Executive Committee on December 28, 1948.

On motion of General Davis, the minutes were approved as printed on pages 135 to 188 above, and the minutes of the meeting of the Executive Committee of December 28, 1948, were received for record.

MEETING OF THE EXECUTIVE COMMITTEE

DECEMBER 28, 1948

The Executive Committee of the Board of Trustees of the University of Illinois met at the University Club, 76 East Monroe Street, Chicago, at 10:30 a.m. on Tuesday, December 28, 1948. Mr. John R. Fornof, Chairman, Mr. Chester R. Davis, and Mr. Park Livingston, members of the Committee, were present; also Dr. George D. Stoddard, President, Mr. A. J. Janata, Assistant to the President, Mr. Lloyd Morey, Comptroller, and Mr. H. E. Cunningham, Secretary.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Executive Committee considered the following matters presented by the President of the University.

INAUGURATION OF GOVERNOR

(1) The University of Illinois Band has been invited to play at the inauguration of Governor-elect Adlai E. Stevenson in Springfield on January 10, 1949. I have authorized the participation of the band in these ceremonies.

This report was received for record.

GIFT OF REMBRANDT PAINTING FROM MR. AND MRS. MERLE J. TREES

(2) Under the conditions outlined in their letter of November 29, 1937, offering to establish the "Emily Nichols Trees (Class of 1905) and Merle Jay Trees (Class of 1907) Collection" of paintings at the University of Illinois, and pursuant to the resolution of acceptance adopted by the Executive Committee of the Board of Trustees on December 18, 1947 (Minutes, page 587), Mr. and Mrs. Trees offer the University, as their gift for 1948, one-half interest in their painting "Portrait of Amsterdam Burgher" by Rembrandt. As evidence of this gift they have presented deeds of gift whereby each conveys to the University of Illinois an undivided one-quarter interest in and to this painting. They have submitted a certificate of appraisal from the Art Institute of Chicago, valuing this painting at $65,000.

I recommend acceptance of this gift. The two deeds of gift and the appraisal will be given to the Secretary of the Board for official record.

On motion of Mr. Davis, this painting was accepted with great appreciation.

GIFT OF GAUGUIN PAINTING FROM MR. AND MRS. MERLE J. TREES

(2a) Mr. and Mrs. Merle J. Trees offer also an additional painting "Man in Field," by Paul Gauguin, to become a part of the "Emily Nichols Trees (Class of 1905) and Merle Jay Trees (Class of 1907) Collection." This painting is now at the University.

Mr. and Mrs. Trees submit a certificate of appraisal from the Art Institute of Chicago, valuing this painting at $6,000.

I recommend acceptance.

On motion of Mr. Davis, this painting was accepted with keen appreciation.

APPOINTMENTS TO THE CITIZENS COMMITTEE AND TO THE ADVISORY COMMITTEE OF THE COLLEGE OF EDUCATION

(3) I recommend the appointment of the following as members of the Citizens Committee of the University of Illinois and their assignment to the Advisory Committee of the College of Education (new members are indicated by an asterisk):

D. R. BLODGETT, Jacksonville
J. E. BLUE, Rockford
WAYNE BUTLER, Charleston
J. H. CHERRY, Joliet
CARRIE B. DAWSON, East St. Louis
P. L. EWING, Rockford
*M. P. GAFFNEY, Winnetka
J. E. HILL, Springfield
H. C. HUNT, Chicago
*KATHLEEN JARRETT, Bloomington
J. F. KARBER, Ridgway
*MARY R. LEMAY, Ottawa
W. R. MCINTOSH, Decatur
GERALD SMITH, Moline
R. M. WRIGHT, Robinson

On motion of Mr. Livingston, these appointments were made as recommended.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(4) The Committee on Special Appropriations and Nonrecurring Expenditures recommends assignments from the General Reserve Fund for the following purposes:

1. College of Agriculture		$11 270
a. Alterations in swine feeding plant for Department of Animal Science	$1 600	
b. Tractor with equipment and attachments for Department of Animal Science	3 000	
c. Tractor and truck equipment for Department of Horticulture	6 670	
2. College of Liberal Arts and Sciences		16 785
a. Rehabilitation of 404 South Mathews Avenue for the Psychology Department	2 900	
b. Purchase of equipment for Department of Psychology	7 185	
c. Remodeling of Room 170 Noyes Laboratory for use as a Spectroscopic Laboratory for the Chemistry Department	6 700	
3. School of Journalism — temporary partition in Room 31 Gregory Hall		1 300
4. School of Music — to complete remodeling in Smith Music Hall		2 000
5. College of Veterinary Medicine — equipment		12 000
6. University Library — purchase of collections of books		35 360
7. Physical Plant Department — purchase of six additional automobiles		12 000
8. Chicago Professional Colleges		3 600
a. College of Medicine — remodeling office of the Dean	1 100	
b. College of Pharmacy — equipment for Radiobiology Laboratory	2 500	
Total		$94 315

I concur.

On motion of Mr. Davis, these appropriations were made as recommended, by the following vote: Aye, Mr. Fornof, Mr. Davis, Mr. Livingston.

REMODELING OF PROPERTY AT 1209 WEST ILLINOIS STREET, URBANA, FOR STAFF HOUSING

(5) On July 21, 1948 (Minutes, page 3), on the recommendation of the Committee on Special Appropriations and Nonrecurring Expenditures, the Board of Trustees approved the purchase of the property at 1209 West Illinois Street, Urbana, at a cost of $16,340. Previously (Minutes, February 21, 1948, page 973) the adjoining vacant property at 1205-1207 West Illinois Street was purchased at a cost of $5,950. An assignment of $6,000 was made to convert it into a parking lot. The property at 1209 has on it an old, two-story house in rather poor condition. It was contemplated that this house would be razed and the two areas used for parking, in which case a larger appropriation will be required.

Further investigation shows that the house can be remodeled into four modest but satisfactory apartments for family use. In view of the continued need for additional housing for University staff members, the Provost recommends an estimated expenditure of $12,000. It may be several years before the land is required for a major University building and during that time at least a part of this investment can be recovered. In the meantime, four additional family units will be added.

The Director of the Physical Plant Department and the Comptroller recom-

mend that the contract for the general work on this property be awarded to Lewis S. Colbert under the standing contract with him for minor remodeling, on a cost plus basis previously approved by the Board, at an estimated cost of $6,000 for the general work.

I concur in this proposal and recommend an appropriation of $12,000 for this remodeling.

On motion of Mr. Davis, this project was approved and the appropriation was made as recommended, by the following vote: Aye, Mr. Fornof, Mr. Davis, Mr. Livingston.

AWARD OF CONTRACT FOR INSTALLATION OF BARRIER AT CHICAGO UNDERGRADUATE DIVISION

(6) When the University of Illinois took over the Navy Pier, there were no stanchions or chains around the east end of the Pier separating the recreational area and the promenade. This area is used heavily during the day and is also used at night whenever dances or other events are held in the auditorium. The installation of a barrier is desirable as a safety improvement and is also required under the terms of our agreement with the City of Chicago as a restoration item. The United States Navy, former lessee of the Pier, removed the barrier and the University in leasing the space assumed the obligation of replacement.

Bids have been received for this installation, and the Director of the Physical Plant Department and the Comptroller recommend the award of the contract to the lowest bidder, the Pulaski Iron Works, Chicago, in the amount of $3,223.25.

Funds are available in the Physical Plant renewal and replacement budget.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute the contract.

On motion of Mr. Livingston, authority was given as recommended.

AWARD OF CONTRACT FOR INSTALLATION OF VENTILATING SYSTEM IN ILLINI UNION BOOKSTORE

(7) The bookstore area in the Arcade Building was increased in 1947 by the closing of the central corridor to provide office space. This has been a material improvement in the bookstore operation, but since these are interior rooms there is a problem of ventilation. A similar problem exists in the book storage rooms in the basement during the summer months.

Bids have been received for the installation of a ventilating system for these areas.

The Director of the Physical Plant Department and the Comptroller recommend the award of a contract to the lowest bidder, Schroeder's Heating and Ventilating, Champaign, on the basis of their bid of $4,970.

Funds are available from Bookstore operations for this improvement.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute the contract.

On motion of Mr. Davis, authority was given as requested.

AWARD OF CONTRACT FOR REPLACEMENT OF SIDEWALKS AT CHICAGO PROFESSIONAL COLLEGES

(8) Bids have been received for the replacement of sidewalks and curbs on the east side of Wood Street between Polk Street and the alley north of Taylor Street and also on the south side of Polk Street from Wood Street to the alley west of Hermitage Avenue.

The walks and curbs in these locations are in very bad condition and are hazardous. New sidewalks are contemplated regardless of how the area is finally developed architecturally, and the replacement at this time would definitely improve the appearance of the Wood Street frontage, as well as reduce hazards.

The Director of the Physical Plant Department and the Comptroller recommend award of a contract to the lowest bidder, Concrete Craftsmen, Inc., Chicago, in the amount of $4,850. Funds are available in the Physical Plant budget for this improvement.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute the contract.

On motion of Mr. Livingston, authority was given as requested.

CONTRACT FOR ELECTRIC CRANE IN NEW CHEMISTRY BUILDING

(9) Bids have been received for an electric crane to be furnished and installed in the new Chemistry and Chemical Engineering Building.

The Director of the Physical Plant Department and the Comptroller recommend an award of contract to the Abell-Howe Company, Chicago, on the basis of their lowest bid of $5,505. Funds are available in the State appropriation for the construction of the Chemistry and Chemical Engineering Building.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute the contract.

On motion of Mr. Livingston, authority was given as requested.

INCREASE IN CONTRACT FOR PHYSICAL ENVIRONMENT ADDITION IN CHICAGO

(10) The Director of the Physical Plant Department and the Comptroller recommend an addition to the contract with the E. H. Marhoefer, Jr., Company of Chicago, for the general work in connection with the construction of the Physical Environment Addition in the amount of $6,681, to provide for the installation of pressure chambers. The design for the pressure chamber installation was not completed when the contract was awarded.

Funds are available for this addition in the appropriation for this project.

I concur and recommend that the Comptroller and Secretary of the Board be authorized to execute this change in the general contract for the Physical Environment Addition.

On motion of Mr. Davis, this change in contract was authorized as recommended.

PATENT ON SYNTHESIS OF SPARTEINE

(11) Dr. Nelson J. Leonard, Assistant Professor of Chemistry, and one of his students, Mr. Roger E. Beyler, have discovered a method for synthesis of the drug sparteine which is believed to be patentable. This is the first total synthesis of sparteine developed and the drug has some practical value. In the judgment of the experts in the Department of Chemistry, this discovery is of substantial value but is not of the type which the University itself should develop. The Dean of the Graduate College and the University Research Board therefore recommend that Doctor Leonard's discovery of a method for the synthesis of sparteine be released to him as an agent of the University of Illinois Foundation.

I concur.

On motion of Mr. Livingston, this release was authorized as recommended.

PURCHASES

(12) There are submitted recommendations for purchases for approval by the Board (see Appendix, page 232) and a report of purchases authorized by the President of the University (see Appendix, page 235).

On motion of Mr. Davis, purchases were authorized as requested, and the action of the President of the University in authorizing emergency purchases was approved and confirmed.

PURCHASE OF DENTAL EQUIPMENT

(13) The Dean of the College of Dentistry and the Director of Purchases recommend the purchase of fourteen clinical adult dental chairs from the Ritter Company, Inc., Rochester, New York, at a total price of $6,510. This will require a special appropriation.

This purchase is part of a program, to extend over a period of time, for the replacement of chairs and other dental equipment, which will be presented to the Board of Trustees for consideration later. There are approximately 115 dental chairs for the use of students and staff members. Ninety of them should be replaced. Most of these are more than thirty years old (the latest purchase was in 1914) and the condition of the chairs is such that they are not worth the expense of extensive repairs necessary to put them in first-class condition. In the meantime, it has been found that effective January 1, 1949, there will be a 10 per cent increase in price. The Ritter Company has fourteen chairs of the type

used by the University available for delivery, and the purchase of this group of chairs immediately will result in a saving of approximately $600.

I concur.

On motion of Mr. Davis, this purchase was authorized, and the appropriation was made as recommended, by the following vote: Aye, Mr. Fornof, Mr. Davis, Mr. Livingston.

ASSIGNMENTS OF FUNDS BY BOARD OF DIRECTORS OF THE ATHLETIC ASSOCIATION

(14) The Board of Directors of the University of Illinois Athletic Association has made the following appropriations from reserve funds of the Association. Since these represent major adjustments in the budget of the Association, approval of the Board is required and I so recommend.

1.	For completion of irrigation system on football practice field	$ 336 99
2.	Improvements in southeast tower of Memorial Stadium — installation of toilet facilities, extension of utilities, and surfacing walls in kitchen	10 000 00
3.	Additional funds for construction of golf course	10 000 00
4.	Additional laundry equipment	2 000 00
5.	Outlining basketball courts in west hall of Stadium in asphalt tile	1 020 00
6.	Experimental caulking of two expansion joints in Memorial Stadium and award of a contract to Wiles-Deter, Inc., Cleveland, Ohio, for this work	2 227 00
7.	Uniforms and other equipment for 150-pound football team	3 600 00
8.	To the Northern Trust Company, Chicago, for the retirement system of the Athletic Association (Plus additional payments of $24 a month for the period October 1, 1947, to October 1, 1948, and a like amount on an annual basis payable until termination of the contract or until September 30, 1951, or whichever of the two shall occur first.)	204 39
9.	Luncheon for United States Military Academy cadets, official guests of the University of Illinois for the Army-Illinois game on October 9, 1948	423 50
10.	To cover cost of sending University of Illinois Band to Minneapolis for the Minnesota-Illinois football game on October 16, 1948	9 500 00
11.	Dinner for junior varsity and 150-pound football teams as official guests of the Athletic Association	500 00
	Total	$39 811 88

On motion of Mr. Davis, these adjustments were approved, and the President of the University was authorized to approve a revision of certain salaries of the staff of the Athletic Association, effective March 1, 1949.

CONTRACT WITH WARNER CONSTRUCTION COMPANY FOR WOMEN'S RESIDENCE HALL

(15) On July 21, 1948 (Minutes, page 13), the Board of Trustees by resolution declared that the Warner Construction Company is in default under the terms of its contract for the construction of the Women's Residence Hall and declined to extend the time for completion of this contract. A large number of items relating to financial settlement under the contract are still unadjusted. Many of these are relatively minor in character and some represent substantial amounts. There also is the question of damages to the University as a result of the delay in completion.

The Contractor has indicated his desire to continue the work to the completion of the Halls, but in order to protect his banking arrangements he wishes assurance that there will be no withholding of payments accruing under the contract and on which the University raises no question. It is desirable to set up machinery by which the settlement of such items is expedited. Counsel for the

Contractor and the University Legal Counsel have submitted the attached stipulation to which the Board of Trustees is requested to agree.

I recommend that the stipulation be approved subject to the following conditions:

1. That William E. Britton, in acting for the University in the settlement of individual items, proceed in accordance with the advice of the University Architect and the Comptroller (the latter acting as auditor on cost contracts).
2. That items not in excess of $1,000 may be settled and paid, the total of such payments to be reported to the Board.
3. That items in excess of $1,000 are to be reported to the Board for approval before payment in accordance with the usual procedure.
4. That no agreement shall be concluded with respect to any settlement for damages arising from the delay in completing the contract except with the approval of the Board of Trustees.

After discussion, and on motion of Mr. Davis, the President of the Board was authorized to appoint a special committee[1] to review this matter in conference with the President of the University and with the aid of the Comptroller, the Legal Counsel, the Director of the Physical Plant Department, and others, and make a recommendation to the Board.

ARCHITECTURAL SERVICES ON STAFF HOUSING

(16) The University's Staff Housing Committee recommends that Skidmore, Owings, and Merrill, Architects for the Student and Staff Apartments being constructed at Green and Goodwin, Urbana, be employed on a limited basis for further studies of rental staff housing.

Such a study would yield information needed by University officials in deciding how any funds appropriated for housing for the biennium of 1949-1951 can be used effectively. This study will include working in conjunction with the Community Planner to recommend locations, estimates of costs of land acquisition and site developments, economic analysis and recommendation of types of construction, development of income and expense budgets. The estimated cost of this service is $3,600.

The Staff Housing Committee considered various possibilities of making such a study and concluded that the work can be done with the least delay and expense to the University and on the broadest possible basis by a qualified firm of architects. In the judgment of the Committee an independent survey will also be valuable.

I recommend that the Executive Committee authorize employment of Skidmore, Owings, and Merrill for this work and that an assignment of $3,600 be made from the General Reserve Fund to cover the cost thereof.

On motion of Mr. Livingston, this recommendation was approved, and the appropriation was made, by the following vote: Aye, Mr. Fornof, Mr. Davis, Mr. Livingston.

The Executive Committee adjourned.

[1] President Fornof, on December 30, 1948, appointed Mr. Kenney E. Williamson and President George D. Stoddard to serve on this committee.

EXECUTIVE SESSION

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board in executive session considered the following matters presented by the President of the University.

STAFF HOUSING RESEARCH PROJECT

(1) There is in Urbana-Champaign, and probably will continue to be for some time to come, a serious shortage of residences, especially for rent. New houses have been built recently, and more are under construction, privately financed. Most of these are priced at $15,000 and upward. There are practically no houses being built for rental purposes. The University could use perhaps 300 houses for rent to staff members, present and prospective. Many families are inadequately housed or must pay rents beyond their means. This is especially true of those in the intermediate ranks.

This situation presents to the Small Homes Council an extraordinary opportunity to apply certain principles of construction and other ideas it has developed through research on a small scale to a housing project under realistic conditions. The proposed project will require the services of architects who are specialists in designing modular houses which can be constructed at a reduced unit cost by using mass production techniques; of a site planner; and of builders expert in such types of residence construction who have the organization, personnel, and other resources to build houses rapidly. Speed is essential. As conceived, the project would be completed and the houses ready for occupancy by September 1, 1949.

Accordingly, I recommend:

(1) Authorization by the Board of Trustees of a staff housing research project for the construction, under the research supervision of the Small Homes Council, of about thirty single-family dwellings in Urbana-Champaign for rental to members of the staff, with provision for study and report.

(2) An appropriation of not to exceed $325,000, to be supplemented by a loan on a self-liquidating basis, to cover the costs involved in the improvement of land, architectural services, building contracts, supervision and collection of research data required by the project, at a total estimated cost of $412,000.

(3) Authorization to employ Skidmore, Owings, and Merrill, Architects, of Chicago, at a fee of $16,000 for the following services: consultants to the Small Homes Council and the Physical Plant Department on design and construction, complete architectural services on preparation of working drawings, specifications, design and working drawings for site plan, utilities, grading, and supervision of construction.

(4) Utilization of an area of approximately ten acres of land in an eighty-acre tract now owned by the University at the southwest corner of Race Street and Florida Avenue, Urbana.

On request of President Stoddard, Professor Scheick commented on this matter.

After discussion, and on motion of Mr. Livingston, this matter was referred to the Committee on Buildings and Grounds for consideration and recommendation to the Executive Committee, and the Executive Committee was authorized to take action on the recommendation of the Committee on Buildings and Grounds.[1]

PURCHASE OF LAND FOR COLLEGE OF AGRICULTURE

(2) The University has been asked if it would be interested in acquiring a part or all of a half section (320 acres) of land immediately south of and adjoining the horticultural farm along the Race Street road. Additional land is needed by the Agricultural Experiment Station for research in problems of production and in veterinary medicine. This particular land is ideally located to serve both needs. This land has been appraised at $600 an acre by real estate experts employed by the University. The Dean of the College of Agriculture recommends the purchase of the land at this price.

[1] See page 226 below.

I concur and request that the Board authorize the offer of an option for the purchase of this land at $600 an acre.

This matter was referred to the Committee on Buildings and Grounds, with power to authorize the purchase of an option at a cost (for the option) of not to exceed one thousand dollars.[1]

HOUSING AT CHICAGO MEDICAL CENTER

(3) Mr. Newton C. Farr reported progress on financing two residential buildings for students and apartments for staff members in the Medical Center in Chicago.

Dr. Ivy and Mr. Farr commented on this matter.

SALE OF LAND FOR SITE OF Y.M.C.A.

(4) Mr. Farr recommends the sale to the Y.M.C.A. of two parcels of land on West Polk Street in Chicago, at the prices attached: 1935-1937 West Polk, 6250 square feet, $3,125; 1949-1953 West Polk, 9031¼ square feet, $9,031.25.

Dr. Ivy recommended that this sale be made, subject to the approval of the Committee on Chicago Departments.

On motion of Mr. Nickell, this matter was referred to the Committee on Chicago Departments for consideration and recommendation to the Executive Committee, and the Executive Committee was authorized to complete the sale, subject to stipulations previously approved by the Board, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Dr. Luken, Mr. McLaughlin, Mr. Stevenson.

REPORT OF EXECUTIVE COMMITTEE

(5) The Executive Committee of the Board of Trustees on December 9, approved the following recommendations received from the President's Office:

1. Award of a contract for the installation of a fuel oil distribution system in the Drill Field housing area to Gallaher and Speck, Inc., Chicago, in the amount of $39,045.

On July 22, 1948 (Minutes, page 20), the Board of Trustees authorized the employment of the firm of Neiler, Rich, and Bladen, Chicago, for the purpose of making studies of the engineering phase of a centralized system for distributing oil to the Drill Field housing project.

The plan which this firm submitted eliminates the necessity of servicing the fifty-gallon ordinary oil drums, which are on racks in front of each building and used for fuel storage. The proposed system provides for four buried tank stations which will be connected with the buildings and to the individual heaters by means of a buried copper pipe and controlled by automatic device.

Seven firms were invited to bid, but only two bids were received for the installation of this system as follows:

Carson-Payson Company, Danville	$43 952
Gallaher and Speck, Inc., Chicago	39 045

The bids provided that if more than three inches of frost are encountered, the cost will be increased on a sliding scale up to $1.10 a foot.

The Director of the Physical Plant Department and the Comptroller recommended, the President's Office concurring therein, the award of a contract to the lower bidder, Gallaher and Speck, Inc. Funds were available for this installation from the income of the project. It is estimated that the installation will provide an annual saving of $30,000 in labor costs.

2. Award of a contract for installation of steam lines in the Nurses Home at the Chicago Professional Colleges to Fettes, Love, and Sieben, Chicago, in the amount of $1,747.

The following bids were received on the installation of a 3" high-pressure steam line and a 1½" return line in the basement of the Nurses Home at the

ESTATE OF MRS. THOMAS ARKLE CLARK

(6) The will of the late Mrs. Alice V. B. Clark, widow of the late Dean Thomas Arkle Clark, includes the following bequest to the University:

"Item 18: All of the rest, residue and remainder of my property and estate I give and bequeath to the Trustees of the University of Illinois. Five Thousand Dollars ($5,000) of said residue is to be held in trust and the interest accruing thereon is to be used by said Trustees for the maintenance of the equipment and the library of the Thomas Arkle Clark Recreation Room of the William B. McKinley Memorial Hospital. The remainder of said sum shall be held by said Trustees of the loan fund to be loaned in sums not exceeding Three Hundred Dollars ($300) in any one year to any one student and to be loaned at Five Per Cent to undergraduate students only, preferably to juniors and seniors, upon their own notes, and under such other conditions and regulations as said Trustees may prescribe. The interest accruing on these loans shall be used for the equipment and maintenance of the William B. McKinley Memorial Hospital."

The personal property will inventory about $80,000 and real estate about $50,000. Specific bequests total $68,000, which, plus costs of administration and claims, will come near to exhausting the $80,000 of personal property, so that the University's interest is approximately the value of the real estate.

It appears that during her lifetime Mrs. Clark had promised to give the University Y.M.C.A. $8,000 when convenient. Six payments, totaling $2,600, were made on this pledge between June 28, 1938, and July 2, 1941. Subsequently Mrs. Clark became ill and Mr. Chancy L. Finfrock, Urbana, her attorney, was appointed Conservator for her. He took the position that as long as she was ill, it was not feasible to make any more gift payments. The Y.M.C.A. has asked the Estate to pay the balance of $5,400 due on this pledge. Mr. Finfrock, who is also attorney for Mrs. Clark's Estate, believes there is no binding contract and that it was merely a promise to make a pledge which the Executor of the Estate is not authorized to pay. If payment is made, the $5,400 will in effect come from the residuary estate in which the University is the beneficiary.

The claim is on file in probate proceedings. The attorney for the Estate has asked for instructions from the Board of Trustees as to whether the claim should be paid or contested.

It is clear (1) that the Court will decide the validity of the Y.M.C.A.'s claim, regardless of any action by the University, (2) that the Y.M.C.A. believes it has a just claim, (3) that, apart from this sum of $5,400, there will be a substantial contribution to the loan funds of the University.

I recommend, therefore, that the University refrain from contesting any payment of this claim by the Executor of the Estate, should he decide to make such payment.

No action was taken on this matter.

REPORT OF FINANCE COMMITTEE ON INSURANCE PRACTICES

(7) On September 23, 1948, the Board received from the President an insurance report prepared by a temporary advisory committee, Dr. Leslie A. Bryan, chairman, to the Comptroller and the President, recommending certain principles and procedures relating to insurance. The matter was referred to the Finance Committee for study and report and the Committee reports as follows:

A. The Finance Committee recommends the following principles in determining which University risks are to be covered by insurance:

I. Fire and extended coverage insurance is not recommended on University buildings or contents except:
   1. Where required by contract to which the University is a party.
   2. Where express or implied trusts are involved which place an obligation upon the University to carry insurance as a legal requirement of good trusteeship.
   3. Where the rental charge or other income is set on the basis of current rates and normally includes the cost of insurance.
   4. Where funds are provided voluntarily from outside sources to be used in the payment of insurance premiums.

II. Casualty insurance coverage is not recommended on University risks except:
   1. Where required by contract to which the University is a party.
   2. Where it is expedient to protect University employee interests.
   3. Where it is expedient to have competent inspection service for the prevention of accidents.

III. Burglary, robbery, and theft insurance coverage is not recommended on University risks except:
   1. Where it is expedient to protect the University against loss in the handling of all cash and securities.
   2. Where the rental charge or other income is set on the basis of current rates and normally includes the cost of insurance.

IV. Bond coverage is not recommended on University risks except:
   1. Where required by law.
   2. Where it is expedient to protect the University against fidelity loss in the handling of property.

V. Insurance is recommended for the hospital and medical service program for students under the special fee required of them and available to staff members.

(The foregoing recommendations are as proposed by the Advisory Committee except that the Advisory Committee recommended against insurance of hospital and medical service. The Finance Committee does not concur in that recommendation.)

VI. Coinsurance is recommended:
   1. Where a loan agreement or contract requires coverage to at least 80 per cent of the value of the property (fire and extended coverage).
   2. Where it is required by insurance contract in order to obtain the coverage desired.
   3. Where insurance is carried on income producing properties insured to at least 80 per cent of their value.
   4. The amount of coinsurance shall be determined as follows:
      a. The requirements of a given contract.
      b. Otherwise, 80 per cent shall be considered as standard.
   5. The insurable values of University property insured subject to coinsurance shall be determined and maintained as follows:
      a. Valuation on buildings shall be determined and maintained by the Architectural Department of the Physical Plant except in those instances where the Physical Plant and the Business Office may feel outside valuations necessary.
      b. Valuation of contents shall be determined by outside appraisals. The frequency or need for any upkeep service of such appraisals shall be left to the discretion of the Business Office.

B. The foregoing recommendations include (No. II-2) insurance in excess of the legal liability of the University ($2,500 in each instance) for bodily injury and property damage in connection with automotive and aircraft equipment and protection of the operators of such equipment. This practice is followed by other departments of the State and we think that public policy dictates the continuation of this policy. The Finance Committee further concurs in the recommendation of the Vice-President of the Professional Colleges and the Dean of the College of Medicine that malpractice insurance be carried on the full-time staff engaged in the direct treatment and care of patients. This

also goes beyond the extent of the legal liability of the University but we believe should be provided.

C. The Finance Committee recommends (as recommended by the Advisory Committee) that the following principles be followed in the procurement of insurance on risks which are to be covered by insurance:

I. All insurance on University risks shall be placed only with companies having at least an A policyholders' rating and AA financial rating by Best's most recent manual.

1. In determining the amount of insurance to be allocated to any one company, consideration shall be given to the amount of insurance to be placed in comparison with the financial rating of the company.
2. All liability policies shall contain a legal immunity endorsement prohibiting the insurance company from taking advantage of any legal immunity to which the University as a public institution might be entitled.
3. The policies placed with mutual companies shall be of the nonassessable type.

II. Fire and extended coverage on University risks shall be placed with stock and mutual companies at a ratio, as near as practicable, of 75-25 per cent respectively, except that individual risks which are under $50,000 may be placed completely with either stock or mutual companies.

III. Competitive bids on all insurance shall be invited wherever practicable. Awards shall be made on the basis of the lowest gross bid. In the case of identically low bids, drawing by lots shall determine the placing of the coverage.

IV. One renewal of coverage with an agent, broker, or company shall be permissible except when it would be advantageous to procure new bids and, if resulting in lower rates or premiums, the coverage shall be placed with the low bidder and, in case the bids are identical, the insurance may be placed with the present agent, broker, or company unless better service can be secured from some other source.

D. If the foregoing recommendations of the Committee are approved, previous actions of the Board concerning insurance on the University's property will thereby be repealed:

I. On October 5, 1926, the Board of Trustees authorized the Comptroller to renew insurance on nonfireproof buildings and contents in Chicago which expired during that year and to increase or decrease the insurance to keep it on an 80 per cent basis on valuation of buildings and contents.

II. The Board of Trustees on April 27, 1935, informally referred to the policy of the University in this respect to carry insurance on buildings and structures which were distinctly nonfireproof.

III. On June 15, 1935, the Board recommended that fire insurance be taken out on certain named buildings, including the old Medical Building, Dental Building, and Pharmacy Building, all located in Chicago; also farm buildings on the Carter-Pennell Farms, both north and south.

IV. On July 26, 1935, the Board recommended that insurance be placed on the Chemistry Building and contents because of the extra-hazardous condition of the building, subject to 80 per cent coinsurance. The Board further recommended that insurance be placed on the glass in all greenhouses of the University.

V. On February 20, 1943, the Board recommended that as all insurance policies expire, renewals for fire and extended coverage shall be made in suitable stock and mutual companies at a general ratio of 75-25 per cent; with not more than 25 per cent mutual on any one risk except that steam boiler insurance may be carried in full in mutual companies. (Replaced by No. II-2.)

On motion of Mr. Williamson, this report was adopted.

REVISIONS IN BIENNIAL OPERATING BUDGET FOR 1949-1951

(8) The biennial operating budget for 1949-1951, approved by the Board of Trustees on October 21, 1948 (Minutes, page 138), totaling $72,271,742, was submitted to the Department of Finance prior to November 1, 1948, as required by law.

At the request of the Illinois Budgetary Commission, University officials appeared before the Commission at a hearing held in Springfield on December 15, 1948, to discuss the budget. The Commission did not consider the building program for 1949-1951 as it was at that time studying only operating budgets. President John R. Fornof, Mrs. Doris S. Holt, Messrs. Park Livingston, Kenney E. Williamson, Walter W. McLaughlin, Frank H. McKelvey, and Vernon L. Nickell of the Board of Trustees also attended the hearing. The budgetary needs of the University were presented by the President of the Board, the President of the University, and the Vice-President in Charge of the Chicago Professional Colleges.

On December 31, 1948, the Chairman of the Commission, Senator Everett R. Peters, informed the President of the University that the Commission would recommend to the Governor an appropriation to the University from the General Revenue Fund of $54,271,742, instead of $56,271,742 requested, plus an appropriation of $16,000,000 from the University Income Fund, or a total of $70,271,742 instead of $72,271,742 requested by the University. This is a decrease of $2,000,000 in the biennial budget approved by the Board of Trustees on October 21, 1948, but is a net increase of $10,187,924 over the total operating appropriation for 1947-1949.

It would be undesirable to make any reduction in the increase requested for salaries and wages. No decrease can be made in the allocation to the University Retirement System or in the item of increase necessary to continue the present internal budget to the next biennium due to the fact that the 1948-1949 budget exceeds one-half of the biennial appropriation for 1947-1949. No decrease should be made in the amount requested for expense and equipment (recurring). This leaves only the increases for staff additions ($2,362,142), and for nonrecurring equipment ($803,572) as feasible areas for adjustments to conform with the recommendation of the Budgetary Commission.

I submit two schedules showing how these adjustments may be accomplished:

I. Analysis of Increases by Purpose and Location. Original increases requested and proposed revisions.

II. Budget Estimate for Operation 1949-1951 Biennium. Comparative budgets for 1947-1949, and for 1949-1951 as revised, classified according to expenditures and sources of funds in the standard form required by the Department of Finance.

I recommend that the item of nonrecurring equipment be omitted and that the increase requested for staff additions be reduced from $2,362,142 to $1,196,428. I further recommend that the Board reconsider its action of October 21, 1948, and approve a total budget of $70,271,742 based on these adjustments.

The Comptroller and the Provost commented on the changes.

On motion of Mr. Williamson, the action of October 21, 1948 (Minutes, pages 138-42), was rescinded, and funds were reallocated as shown in schedule II following, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Dr. Luken, Mr. McLaughlin, Mr. Stevenson.

ELECTRONIC DIGITAL COMPUTER PROJECT

(9) On January 8, 1948 (Minutes, page 954), the Board of Trustees authorized the purchase of an electronic digital computer (EDVAC) at an estimated cost of $150,000 from the Reeves Instrument Company, Inc., New York, and funds were made available for this purpose.

This is highly specialized equipment and the machines are constructed on a limited basis so that each one is practically a custom job. It has been determined that the Reeves Company can not supply the University with a machine meeting specifications in a reasonable length of time and is willing to terminate the contract. The alternative is for the University to construct the machine under the supervision of its own experts. There is also a very good possibility that the United States Army will contract with the University for the construction of a computer by the University for the Ordnance Department, all costs of the same to be paid by the Government. The negotiations are now under way and if successful a proposed contract will be presented to the Board at a later date. The construction of two machines concurrently should result in saving to the University.

I recommend that the Board of Trustees reconsider its action of January 8, 1948, and authorize (1) the construction of the electronic digital computer by the University; (2) the use of the funds previously assigned ($75,000 from General Reserve, $75,000 from Graduate College Research, total $150,000) for salaries, wages, equipment, building remodeling, and contingencies as the detailed needs of the computer construction program may require; and (3) negotiation of a contract with the Ordnance Department, United States Army, for the construction of a computer for the Army, said contract to be subject to approval by the Board.

On motion of Mr. Williamson, the action of January 8, 1948 (Minutes, page 954), was rescinded and the funds were reallocated as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Dr. Luken, Mr. McLaughlin, Mr. Stevenson.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(10) The Committee on Special Appropriations and Nonrecurring Expenditures recommends assignments from the General Reserve Fund for the following purposes:

1. Office of Nonacademic Personnel for ventilating the attic of Davenport House	$ 2 325
2. Office of Admissions and Records for equipment	5 000
3. Dean of Students for equipment	2 500
4. College of Agriculture for equipment	100 000
5. College of Liberal Arts and Sciences	
For equipment	15 000
For safety improvements in Noyes Laboratory	50 000
6. College of Engineering for equipment	125 000
7. College of Fine and Applied Arts for equipment	15 000
8. College of Education for equipment	6 500
9. Graduate College for purchase of electron microscope (The total cost of this microscope is $4,990; the Research Board will contribute the other half of the cost.)	2 495
10. Library and Library School for equipment	4 000
11. Physical Plant Department	
Development of parking areas	28 667
Temporary central receiving station	22 000
12. Chicago Professional Colleges	
Remodeling and equipment in Business Office	3 000
Special equipment	100 000
Improvements in Department of Physical Medicine	110 000
13. Physical Environment Unit, Chicago and Urbana	48 000
14. Galesburg Undergraduate Division for library shelves	2 000
Total	$641 487

I concur, with the recommendation that all funds be subject to release by the President of the University according to (a) the relative priority of research and educational needs, and (b) the availability of labor and materials to complete alterations and other construction.

On motion of Mr. Livingston, these recommendations were adopted, and the appropriations were made as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Dr. Luken, Mr. McLaughlin, Mr. Stevenson.

DIVISION OF SOCIAL WELFARE ADMINISTRATION

(11) I recommend that the Division of Social Welfare Administration, which has heretofore been administered under the Graduate College, be given independent status similar to that of the independently organized schools and institutes.

On motion of Mr. Livingston, this change was made as recommended.

PRESIDENT STODDARD REPORTS ON UNESCO

At this point, on request of Mr. Williamson, President Stoddard reported informally on the recent session of UNESCO at Beirut, Lebanon.

OPEN SESSION

The Board, in open session, considered the following matters presented by the President of the University.

APPOINTMENT OF ACTING HEAD OF THE DEPARTMENT OF ENGLISH

(1) Dean Henning Larsen of the College of Liberal Arts and Sciences is also Professor and Head of the Department of English and Acting Head of the Department of Classics. He has asked to be relieved of some of these administrative duties.

On his recommendation I have appointed Professor Paul N. Landis, who has been serving as Vice-Chairman of the Department, as Acting Head of the Department of English from February 1 through August 31, 1949.

On motion of Mrs. Holt, the action of the President of the University in making this appointment was approved and confirmed.

AWARD OF CERTIFICATES OF CERTIFIED PUBLIC ACCOUNTANT

(2) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded the following persons on the basis of their having fulfilled all of the requirements and having passed the C.P.A. examination which was given in November, 1948:

On motion of Mr. Nickell, these certificates were awarded as recommended.

CURRICULUM IN PHYSICAL EDUCATION LEADING TO DEGREE OF BACHELOR OF SCIENCE IN RECREATION

(3) The University Senate recommends the establishment of an option in the School of Physical Education curriculum leading to the degree of Bachelor of Science in Recreation. The degree would be awarded upon completion of the program outlined below for the junior and senior years following completion of the first two years of basic work in the School of Physical Education:

First Year: Substitute D.G.S. 131-132, General Biology, for Physiol. 104-105, Physiological Anatomy.

Second Year: Omit Ed. 100, The American Public School; Hist. 152, History of the United States, 1822-1948; P.E.M. 160, Health Problems of School Children; the Humanities elective course and the two teaching minors courses. Add Sociology 100, Principles of Sociology; Art 187, Craft Materials and Technics; P.E.M. 201, First Aid; P.E.M. 203, Principles of Recreation; Pol. Sci. 150, American Government: Organization and Powers; and Music (new course), Recreational Music.

The purpose of the curriculum is to train recreation leaders, youth leaders, and similar workers for employment in public, industrial, and other types of recreation programs requiring trained leadership. There are several hundred people employed in this work in Illinois, most of whom are not professionally trained. In recent years there has been a demand for trained personnel.

On motion of Mr. Nickell, this curriculum was approved as recommended.

RELEASE OF FUNDS FOR BUILDING AND CAPITAL IMPROVEMENTS

(4) The Governor has authorized the following release of funds from appropriations made to the University of Illinois by the 65th General Assembly under Senate Bill 662, "An Act making appropriations for certain additional ordinary, contingent, and distributive expenses of State government," which includes appropriations to the University for buildings and other capital improvements as follows:

"For Contingencies to cover expenditures for purposes for which the amount appropriated in any item above enumerated is or becomes insufficient .....$618 845"

the sum of $85,000 (the eighth release from this item), to augment Release No. 5 in the amount of $2,000,000 for the "construction of student residence halls," which amount was insufficient to complete this project.

On motion of Mr. McKelvey, these funds were appropriated for the "construction of student residence halls," by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Dr. Luken, Mr. McLaughlin, Mr. Stevenson.

LAPSING OF BALANCES IN APPROPRIATIONS FOR MINOR REMODELING AND PLANT EXTENSIONS

(5) At present there are approximately one hundred and twenty special Board of Trustee appropriations on the records for minor remodeling and plant extensions.

Since this is the last year of the biennium, it is important that careful control be maintained of these appropriations so that balances not needed for specific purposes will lapse into the General University Reserve and be available for additional appropriation. Since these appropriations are for remodeling, in which the amount of work to be done can not always be exactly determined until after work has been started, the appropriations based on original estimates in some instances are inadequate and in the others more than necessary.

The Comptroller requests authority, in lapsing of appropriations from general University funds for minor remodeling and plant extensions, to apply such lapses to deficits in appropriations of a similar character.

I concur and recommend approval.

On motion of Mr. McKelvey, authority was given the Comptroller as recommended.

APPROPRIATION FOR REPLACEMENT OF NEWTON SOIL EXPERIMENT FIELD BUILDING AND EQUIPMENT

(6) The barn at the Newton Soil Experiment Field and all equipment and materials stored in it were destroyed by fire of unknown origin during the night of December 3. The building, constructed in 1942 (to replace one that had been destroyed by lightning), was considered reasonably fireproof. It was built with glazed tile block walls, hardwood bracing and rafters; the sheeting was sycamore, the roof was shingle, and the floor was of concrete consisting of one-half inch of finishing cement over a five-inch base. The fire destroyed much of the cement surface and there appears to be little salvage in the tiles. Machinery and supplies (including seed) were either damaged beyond repair or consumed, with the possible exception of a roller and tractor plow, and the wagon scale which was outside of the building.

The building cost $1,978.02; the equipment, $4,483.95; total cost, $6,461.97.

The replacement of the building will undoubtedly cost twice as much as the original cost in 1942. Hence the loss is approximately $8,500.

I recommend that an appropriation of $8,500 be made from the General Reserve Fund to replace the building and equipment lost in this fire.

On motion of Mrs. Holt, this appropriation was made as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Dr. Luken, Mr. McLaughlin, Mr. Stevenson.

PATENT ON N,N-DIMETHYLACETAMIDE AS A SOLVENT FOR POLYACRYLONITRILE

(7) Professor C. S. Marvel reports the discovery by himself and Assistant Professor Robert L. Frank of a compound "N,N-dimethylacetamide" as a solvent for polyacrylonitrile.

Ordinarily the discovery of a solvent is of little significance but in the present instance it may be of some value because polyacrylonitrile can be spun into fibers from solution. One of the chemical industries is setting up a plant for doing that. They have many solvents at their disposal, some of which are superior to N,N-dimethylacetamide, but even so the possession of a patent on the latter may be worth while although it is not important enough to warrant appreciable expense on the part of the University.

The Chairman of the University Research Board after consultation with experts in the Department of Chemistry recommends that this discovery be released to Professor Marvel as agent of the University of Illinois Foundation.

I concur.

On motion of Mr. Davis, this release was authorized as recommended.

PURCHASES

(8) There are submitted recommendations for purchases for approval by the Board (see Appendix, page 233).

On motion of Mr. Williamson, these purchases were authorized as recommended.

COMPTROLLER'S REPORT OF CONTRACTS

(9) The Comptroller's report of contracts executed for the period from October 11, 1948, to December 10, 1948 (see Appendix, page 235).

This report was received for record.

APPOINTMENTS TO THE FACULTY MADE BY THE PRESIDENT OF THE UNIVERSITY

At this point, the Secretary reported that the President has approved the following new appointments to the faculty of the rank of Assistant Professor and above since the previous meeting of the Board of Trustees:

1. FRED PATRICK BARNES, Assistant Professor in the College of Education, beginning September 1, 1949, at an annual salary of $5,200.

2. ROBERT FERBER, Research Assistant Professor in the Bureau of Economic and Business Research, for the period from December 1, 1948, to August 31, 1949, at an annual salary rate of $6,110.

3. ALFRED M. FREUDENTHAL, Research Professor in the Department of Theoretical and Applied Mechanics, beginning September 1, 1949, at an annual salary of $10,000, on indefinite tenure.

4. JAMES FREDERIC HALSEY, Research Assistant Professor of Fluid Mechanics in the Department of Theoretical and Applied Mechanics, beginning September 1, 1949, at an annual salary of $5,000. (Two-year appointment.)

5. FRANCO MODIGLIANI, Research Associate Professor in the Bureau of Economic and Business Research, from November 15, 1948, to August 31, 1949, at an annual salary rate of $9,500.

6. ROBERT ELDON PINGRY, Assistant Professor in the College of Education, beginning February 1, 1949, at an annual salary rate of $4,000.

On motion of Mr. Livingston, the action of the President of the University in making these appointments was confirmed.

REPORT OF AUDIT OF UNIVERSITY ACCOUNTS

(10) The Secretary of the Board reports that he has received from George Rossetter and Company, auditors of the University, the report of their examination of the accounts of the University for the year ended June 30, 1948. Copies of the report have been sent to President Stoddard and all the members of the Board of Trustees. The report includes a certification of the balance sheet, a statement of current income and expenditures and current funds surplus, and a summary of changes in the balances of other funds.

This report was received for record.

INVESTMENTS

(11) The Finance Committee reports the following transactions involving securities:

ENDOWMENT FUNDS

Purchases:

36 shares Standard Oil Company (N.J.) Common Stock	$2 584 07
50 shares General Motors Common Stock	2 834 98
50 shares Eastman Kodak Common Stock	2 200 90
$1,000 Wilson and Company 1st 3's, 1958	1 035 50

On motion of Mr. Williamson, these investments were approved.

APPOINTMENT OF UNIVERSITY AUDITORS

(12) The Finance Committee recommends that the firm of George Rossetter and Company, Certified Public Accountants, Chicago, be retained as auditors for the year ending June 30, 1949, and that their services be charged on the basis of a per diem rate and expenses, with the understanding that the aggregate charge will not exceed the following sums:

University of Illinois (all divisions)	$9 000
University of Illinois Foundation (including Retirement System)	500
University of Illinois Athletic Association (including Retirement System)	750

These maximum costs are based on the assumption that if the auditors go beyond the scope of usual examination, further compensation for such additional work will be allowed after review and approval by the Finance Committee.

On motion of Mr. Williamson, the employment of George Rossetter and Company was authorized as recommended.

ADDITION TO CONTRACT FOR GENERAL WORK ON THE MECHANICAL ENGINEERING BUILDING

(13) On February 21, 1948 (Minutes, page 1002), the Board of Trustees approved an addition to the contract for general work on the Mechanical Engineering Building to provide more classrooms in the basement of the building. At that time it was decided to defer action on the installation of asphalt tile in this area until funds would be available for such an improvement.

Funds are now available and the Mechanical Engineering Department recommends that asphalt tile be laid in the basement to finish these rooms in the same manner as other rooms in the building.

The Director of the Physical Plant and the Comptroller recommend an addition to the contract with James McHugh Sons, Incorporated, contractors for the general work on this building, in the amount of $3,594.91 to provide for the furnishing and installation of the asphalt tile.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute this addition to the contract.

On motion of Mr. McKelvey, authority was given as recommended.

ADDITION TO CONTRACT FOR REMODELING OF DAVID KINLEY HALL

(14) The Director of the Physical Plant Department and the Comptroller recommend an increase of $1,800 in the general contract with E. N. DeAtley for the remodeling of David Kinley Hall for additional work on the ground floor room and in the elevator shaft in the attic to provide additional classroom space. Funds are available for this increase.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute this addition to the contract.

On motion of Mr. Davis, authority was given as recommended.

ADDITION TO PLUMBING CONTRACT FOR STUDENT AND STAFF APARTMENTS

(15) The Director of the Physical Plant Department and the Comptroller recommend an increase of $6,949 in the contract with E. M. Hays, Champaign, for the plumbing work in the construction of the student and staff apartments, Urbana, to provide for the installation of a fire protection system. Funds are available.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute this change in the contract.

On motion of Mr. Williamson, authority was given as recommended.

CONTRACT FOR REMODELING PHYSICAL EDUCATION FACILITIES AT CHICAGO UNDERGRADUATE DIVISION

(16) On November 19, 1948 (Minutes, page 174), the Board of Trustees approved an appropriation of $35,000 for remodeling at Navy Pier to provide additional physical educational facilities.

Bids have been received on the construction work needed on the Auditorium in connection with this project. The Director of the Physical Plant Department and the Comptroller recommend award of the contract to E. H. Marhoefer, Jr., Company, Chicago, the lowest bidder, in the amount of $12,833.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract.

On motion of Mrs. Holt, authority was given as recommended.

CONTRACT FOR BUILDING ALTERATIONS IN THE RESEARCH AND EUCATIONAL HOSPITALS

(17) The Committee on Special Appropriations and Nonrecurring Expenditures has made a recommendation for an appropriation of $110,000 for building improvements requested by the College of Medicine in the Department of Physical Medicine.

The work will consist of remodeling in the general hospital building and the Illinois Surgical Institute building, and the construction of an enclosed passageway in which certain offices will be located between the two buildings.

If the Board approves the appropriation, the Director of the Physical Plant Department and the Comptroller recommend the award of a contract in the amount of $86,675 to E. H. Marhoefer, Jr., Company, Chicago, the lowest bidder.

I concur.

On motion of Mr. Nickell, this contract was awarded as recommended.

WOMEN'S RESIDENCE HALLS REVENUE BONDS

At this point, Mr. Williamson presented the following report and recommendations of the Finance Committee, with a resolution providing for the issue of "$800,000 Women's Residence Halls Revenue Bonds of 1949," and for the sale of the bonds to Shields and Company, and Eastman, Dillon, and Company, on their joint bid.

RECOMMENDATION OF THE FINANCE COMMITTEE ON WOMEN'S RESIDENCE HALLS REVENUE BOND ISSUE

Bids were received on January 11, 1949, for $800,000 revenue bonds of the new Women's Residence Halls. The proceeds from the sale of these bonds, together with the appropriation of $2,600,000 by the General Assembly of the State of Illinois will provide the total sum of $3,400,000 for the cost of constructing and equipping the new Women's Residence Halls.

Five bids were received representing fifteen companies. The lowest bid is offered by Shields and Company and Eastman, Dillon, and Company as a joint bid with an effective interest rate of 2.71815 per cent for all bonds. Bonds maturing through 1952 will bear interest at 4 per cent; bonds maturing from 1953 through 1961 will bear interest at the rate of 2½ per cent; and bonds maturing from 1962 through 1973 will bear interest at the rate of 2¾ per cent.

The bidders have proposed that the bonds, principal, and interest be payable at the Northern Trust Company, Chicago.

The Comptroller reports that the lowest bidders have met all requirements and recommends that the award be made to them.

In connection with this issue of bonds, the firm of Chapman and Cutler have prepared a resolution authorizing the issuance of Women's Residence Halls revenue bonds in the amount of $800,000.

The Finance Committee concurs in the foregoing recommendation and recommends the adoption of this resolution.

Mr. Williamson moved that the resolution be adopted and that the award be made as recommended.

RESOLUTION AUTHORIZING THE ISSUANCE OF WOMEN'S RESIDENCE HALLS REVENUE BONDS IN THE AMOUNT OF $800,000

RESOLUTION authorizing and providing for the issue of $800,000 Women's Residence Halls Revenue Bonds of 1949 for the purpose of defraying part of the cost of constructing new women's residence halls located at 1005 South Lincoln Avenue, Urbana, Illinois, prescribing all the details of said bonds, and providing for the collection, segregation and distribution of the revenues of the said new women's residence halls, for the purpose of paying the cost of the maintenance and operation thereof, and payment of the principal of and interest on said revenue bonds.

WHEREAS pursuant to "An Act to authorize the Board of Trustees of the University of Illinois to acquire by purchase or otherwise, construct, equip, complete, operate, control and manage student residence halls, staff housing facilities, dormitories, health and physical education buildings, or other revenue producing building or buildings, defining the duties of such Board with respect to operation and maintenance thereof, charge fees or rates for the use thereof, and providing for and authorizing the issue of bonds for the purpose of defraying the cost of construction, acquisition or equipment of any such building or buildings, payable solely from the revenues derived from the operation thereof, and for the refunding of any such bonds." Approved June 30, 1945. L. 1945, p. 1753; title as amended by Act approved July 21, 1947, this Board of Trustees of the University of Illinois is authorized to issue revenue bonds for the purpose of constructing, equipping or completing the construction and equipment of student residence halls payable solely from the revenues derived from the operation thereof; and

WHEREAS the Sixty Fourth and the Sixty Fifth General Assembly of the State of Illinois appropriated the sum of $2,600,000 applicable to the construction of new women's residence halls and responsive to said appropriations this Board of Trustees has herctofore acquired the property located at 1005 South Lincoln Avenue, Urbana, Illinois, and described as follows:

"Bounded on the east by Lincoln Avenue in Urbana, Illinois and extending west therefrom to a line running north and south three hundred and twenty six (326) feet five (5) inches from the back of the west curb of said Lincoln Avenue and bounded on the north and south by lines parallel to, and two hundred and sixty (260) feet from, a line midway between the center lines of Ohio Street and Iowa Street, Urbana, Illinois and at an angle of ninety (90)

degrees to said Lincoln Avenue, the same being a part of the North Half (N½) of the South East Quarter (SE¼) of Section Eighteen (18), Township Nineteen (19) North of Range Nine (9) East of the Third (3rd) Principal Meridian" and contracts have been let for the construction and equipment of said residence halls for women students of said University, and based upon the contracts heretofore let this Board of Trustees has heretofore estimated and does hereby estimate that the cost of the construction of the new women's residence halls upon said above described property located at 1005 South Lincoln Avenue, complete with all equipment, will aggregate the sum of $3,400,000; and

WHEREAS in addition to said appropriations made by the Sixty Fourth and Sixty Fifth General Assembly of the State of Illinois it will be necessary for this Board of Trustees to raise the sum of $800,000 to complete the construction thereof and fully equip said women's residence halls; and

WHEREAS in order to produce the additional $800,000 necessary for the completion and equipment of said women's residence halls located on the property hereinabove described at 1005 South Lincoln Avenue in the City of Urbana, Illinois, it will be necessary that this Board of Trustees borrow money and issue its revenue bonds in the principal amount of $800,000 as authorized pursuant to the Act hereinabove referred to:

NOW, THEREFORE, Be It and It Is Hereby Resolved by the Board of Trustees of the University of Illinois, as follows:

SECTION 1. That it be and it is hereby determined by the Board of Trustees of the University of Illinois, that it is necessary and for the best interests of the University of Illinois that it borrow the sum of $800,000 to complete the construction of and to fully equip the new women's residence halls located on the property described in the preambles of this resolution at 1005 South Lincoln Avenue, in the City of Urbana, Illinois, and in evidence thereof issue its revenue bonds in the principal amount of $800,000.

SECTION 2. That said bonds shall be designated "Women's Residence Halls Revenue Bonds of 1949," be numbered 1 to 800, inclusive, be of the denomination of $1,000 each, be dated February 15, 1949, bonds numbered 1 to 70, inclusive, to bear interest at the rate of four per cent (4%) per annum, bonds numbered 71 to 334, inclusive, to bear interest at the rate of two and one-half per cent (2½%) per annum, and bonds numbered 335 to 800, inclusive, to bear interest at the rate of two and three fourths per cent (2¾%) per annum, interest payable October 1, 1949, and semi-annually thereafter on the first days of April and October in each year, and to become due as follows:

provided, however, said bonds shall be redeemable as a whole or in part in the inverse order in which they are numbered, prior to their maturity on any interest payment date at the option of said Board of Trustees of the University of Illinois on or after April 1, 1952, and up to and including October 1, 1953, at par and accrued interest and a premium of three per cent (3%) of the principal amount thereof and a premium of two per cent (2%) of the principal amount thereof if redeemed on April 1, 1954, or on any interest payment date thereafter up to and including October 1, 1958, and a premium of one per cent (1%) of the principal amount thereof if redeemed on April 1, 1959, or on any interest payment date thereafter before maturity.

Notice of redemption of any or all of said bonds shall be given by publication at least once not less than thirty days prior to the date of redemption, such publication to be made once in one newspaper published and of general circulation in the City of Chicago, Illinois, and such notice of redemption shall, with substantial accuracy (a) designate the date and place of redemption, such place to be at the office of the Depositary hereinafter mentioned in the City of Chicago and State of Illinois; and (b) designate the numbers and the aggregate principal amount of such bonds; and (c) state that on the designated date of redemption said bonds will be redeemed by payment of principal thereof and the accrued interest thereon to date of redemption, plus the applicable redemption premium, and that from and after the designated redemption date interest in respect of all bonds so called for redemption shall cease.

SECTION 3. Any of said bonds may be registered as to principal at any time prior to maturity in the name of the holder on the books of registration of said University to be kept in the office of the Depositary hereinafter mentioned, such registration to be noted on the reverse side of the bonds by the said Depositary as registrar. After such registration no transfer of such bonds shall be valid unless made on the said books by the registered owner in person or by his duly authorized attorney and similarly noted on such bonds. Upon presentation of any of such bonds registered as to principal, accompanied by a written instrument of transfer satisfactory to the Depositary hereinafter mentioned, executed by the registered owner, or by a duly authorized attorney, such bond shall be transferred upon such books. The registered owner of any such bond registered as to principal shall also have the right to cause the same to be discharged from registration by transfer to bearer, in which case transferability by delivery shall be restored, and thereafter the principal of such bond when due shall be payable to the person presenting such bond. Any such bond registered as payable to

bearer may be registered again in the name of the owner with the same effect as the first registration thereof. Successive registrations and transfers as aforesaid may be made from time to time as desired. Registration of any of such bonds shall not affect the negotiability of the coupons thereto attached, but such coupons shall be transferable by delivery merely and payable to the bearer thereof.

Said bonds shall be signed by the President and two members of the Board of Trustees of the University of Illinois, sealed with the corporate seal of said University, attested by the Secretary of said Board, and the interest coupons attached to said bonds shall be authenticated by the facsimile signatures of the President and Secretary of the Board of Trustees of the University of Illinois.

SECTION 4. That said bonds and coupons, and form for registration, shall be in substantially the following form:

(Form of Bond)

UNITED STATES OF AMERICA

STATE OF ILLINOIS

UNIVERSITY OF ILLINOIS

WOMEN'S RESIDENCE HALLS REVENUE BOND OF 1949

KNOW ALL MEN BY THESE PRESENTS, that the University of Illinois, a body corporate and politic, for value received, hereby promises to pay to bearer, or if this bond be registered as hereinafter provided, then to the registered holder hereof, solely from the special fund of said University, as hereinafter mentioned, and not otherwise, the principal sum of One Thousand Dollars ($1,000) on ....., 194....., and to pay interest on said sum from the date hereof until paid at the rate of ..... per cent (.....%) per annum, payable October 1, 1949, and semi-annually thereafter on the first days of April and October in each year, until maturity hereof, in accordance with and upon presentation and surrender of the annexed interest coupons as they severally become due.

Both principal and interest of this bond are hereby made payable in lawful money of the United States of America at The Northern Trust Company in the City of Chicago and State of Illinois.

This bond and the series of which it forms a part is issued under authority of an Act of the Legislature of the State of Illinois, entitled "An Act to authorize the Board of Trustees of the University of Illinois to acquire by purchase or otherwise, construct, equip, complete, operate, control and manage student residence halls, staff housing facilities, dormitories, health and physical education buildings, or other revenue producing building or buildings, defining the duties of such Board with respect to operation and maintenance thereof, charge fees or rates for the use thereof, and providing for and authorizing the issue of bonds for the purpose of defraying the cost of construction, acquisition or equipment of any such building or buildings, payable solely from the revenues derived from the operation thereof, and for the refunding of any such bonds." Approved June 30, 1945. L. 1945, p. 1753; title as amended by Act approved July 21, 1947, as amended, and all other Laws supplementary thereto, and a resolution duly adopted by the Board of Trustees of the University of Illinois for the purpose of defraying part of the cost of constructing new women's residence halls, located at 1005 South Lincoln Avenue in the City of Urbana, Illinois, and is payable solely from the net revenue to be derived from the operation of said building, and not otherwise, and this bond and the series of which it forms a part do not constitute an indebtedness of said University or of the State of Illinois within any constitutional or statutory limitation, and neither the taxing power nor the general credit of said University or the State of Illinois is pledged to the payment of this bond or the interest thereon.

Under said Act of the Legislature of the State of Illinois and other Laws supplementary thereto and the said resolution adopted pursuant thereto, the net revenue derived from the operation of said building shall be deposited with The Northern Trust Company, in the City of Chicago, Illinois, under a Deposit Agreement entered into between the Board of Trustees of the University of

Illinois and the said Bank, and used only for the purpose of paying the fees and expenses of such Depositary, principal of and interest on the bonds of said University that are issued under authority of said Act of the Legislature of the State of Illinois and the resolution of the Board of Trustees, hereinabove referred to, and which are payable by their terms only from the net revenue of said women's residence halls located at 1005 South Lincoln Avenue, in the City of Urbana, Illinois.

It is hereby certified and recited that all acts, conditions and things required to be done precedent to and in the issuance of this bond by the Constitution and Statutes of the State of Illinois, and the applicable resolutions of said Board of Trustees of the University of Illinois, have been done and have happened and have been performed in regular and due form and time as required by law and that provision has been made for depositing the net revenue derived from the operation of said buildings with the said The Northern Trust Company, to be applied in the manner as hereinabove set forth.

This bond is one of an authorized issue of $800,000, all of like date and of the denomination of $1,000 each, numbered from 1 to 800, inclusive, and said bonds are subject to redemption as a whole or in part in the inverse order in which they are numbered, prior to maturity, on any interest payment date on or after April 1, 1952, and up to and including October 1, 1953, at par and accrued interest and a premium of three per cent (3%) of the principal amount thereof, and a premium of two per cent (2%) of the principal amount thereof if redeemed on April 1, 1954, or on any interest payment date thereafter up to and including October 1, 1958, and a premium of one percent (1%) of the principal amount thereof if redeemed on April 1, 1959, or on any interest payment date thereafter before maturity.

Notice of redemption of any or all of said bonds shall be published once not less than thirty days prior to date of redemption; such publication to be made in one newspaper published and of general circulation in the City of Chicago, and when this bond or any of the bonds of such authorized issue shall have been called for redemption, interest thereon shall cease from and after the specified redemption date.

This bond shall pass by delivery unless it is registered as to principal in the name of the holder on the books of registration of said University kept at the office of the Depositary hereinabove mentioned, such registration to be noted on the back hereof. After such registration no transfer hereof shall be valid unless made on such books by the registered holder in person or by attorney duly authorized in writing and similarly noted hereon, but this bond may be transferred in like manner to bearer, and thereupon transferability by delivery shall be restored and it may again from time to time be registered or transferred to bearer as before. Such registration, however, shall not restrict the negotiability of the coupons hereto appertaining, but such coupons shall be transferable by delivery merely and payable to the bearer thereof.

This bond and all other bonds of this issue shall have all of the qualities of negotiable instruments, and during such time as this bond is payable to bearer, the same and each of the coupons hereto appertaining may be negotiated by delivery by any person having possession thereof, howsoever such possession may have been acquired, and any holder who shall have taken this bond while so payable to bearer or any of said coupons from any person for value and without notice shall thereby acquire absolute title to this bond or to such coupons as the case may be, free of any defenses enforceable against any prior holder and free from all equities and claims of ownership of any such prior holder, and the said University and any paying agent may deem and treat the bearer of this bond, or, if registered, the person in whose name it is registered and the bearer of any interest coupons appertaining hereto as the absolute owner thereof for all purposes.

Said University of Illinois hereby covenants with the holder of this bond that it will keep and perform all the covenants and agreements in the resolution adopted by the Board of Trustees of said University of Illinois, authorizing the issue of this bond and the series of which it forms a part and as provided in the Deposit Agreement hereinabove referred to, and hereby irrevocably obligates itself to deposit the net revenue derived from the operation of said women's residence halls with the said Depositary, to administer the said net revenue as

provided for in and by said Deposit Agreement, and to establish from time to time charges and fees for the use of said buildings and to maintain and collect charges and fees sufficient to pay the reasonable cost of operating, maintaining, insuring and repairing of said buildings, and pay the principal of and interest upon all revenue bonds which by their terms are payable from such revenues until all of such bonds have been paid in full, both as to principal and interest.

IN WITNESS WHEREOF, said University of Illinois, by its Board of Trustees, has caused this bond to be signed by the President of the Board of Trustees and two members thereof, its corporate seal to be hereto affixed, attested by the Secretary of said Board, and the coupons hereto attached to be authenticated by the facsimile signatures of the President and Secretary of said Board of Trustees, and this bond to be dated the fifteenth day of February, 1949.

SECTION 5. That upon the issuance of any revenue bonds herein provided for there be and there is hereby established a fiscal year for the operation of said Women's Residence Halls located at 1005 South Lincoln Avenue, in the City of Urbana, Illinois and said fiscal year shall commence the first day of July of each year and end the last day of the next succeeding June and all revenues derived from the operation thereof shall be set aside as collected in a separate account and fund and apart from any other funds of said University, and said

University covenants that all the revenues, income, receipts, profits, rates, rents, charges, fees and returns derived from the said women's residence halls and the operation thereof, after setting aside therefrom the reasonable cost of operating, maintaining, insuring and repairing said women's residence halls, shall be paid over to the Depositary hereinafter mentioned semi-annually not later than the dates as hereinafter specified in the said deposit agreement prior to April 1 and October 1 of each year, and said revenues so paid over to the Depositary shall be used only in paying the fees and expenses of such Depositary, principal of and interest upon the revenue bonds of said University that are payable by their terms only from such revenues, and such funds shall be used only for the purposes and in accordance with the Deposit Agreement hereinafter set out.

SECTION 6. That for the purpose of further securing the income and revenue to be derived from the operation of the said women's residence halls and the application of the net revenue to the payment of the principal of and interest upon the said bonds hereby authorized, the net revenue derived from the operation of the said women's residence halls shall be deposited with The Northern Trust Company, hereby designated as the Depositary for the said net revenue, and the President and Secretary of the Board of Trustees and Treasurer of said University be and are hereby authorized and directed to execute for and on behalf of the University a Deposit Agreement with said bank as Depositary in substantially the following form, to wit:

THIS DEPOSIT AGREEMENT dated February 15, 1949, between the University of Illinois, a public corporate body duly organized and existing under the laws of and located in the State of Illinois (hereinafter sometimes referred to as the "University"), party of the first part, and The Northern Trust Company, a corporation duly organized and existing under the laws of the State of Illinois and having its office in the City of Chicago, in the State of Illinois (hereinafter sometimes referred to as the "Depositary"), party of the second part,

WITNESSETH:

WHEREAS the University, pursuant to a resolution of its Board of Trustees, entitled

> "RESOLUTION authorizing and providing for the issue of $800,000 Women's Residence Halls Revenue Bonds of 1949 for the purpose of defraying part of the cost of constructing new women's residence halls located at 1005 South Lincoln Avenue, Urbana, Illinois, prescribing all the details of said bonds, and providing for the collection, segregation and distribution of the revenues of the said new women's residence halls, for the purpose of paying the cost of the maintenance and operation thereof, and payment of the principal of and interest on said revenue bonds,"

adopted by said Board of Trustees of the University of Illinois on the 13th day of January, 1949, has issued or is about to issue Eight Hundred Thousand Dollars ($800,000) principal amount of its Women's Residence Halls Revenue Bonds of 1949 for the purpose of defraying part of the cost of constructing new women's residence halls on the following described property:

"Bounded on the east by Lincoln Avenue in Urbana, Illinois and extending west therefrom to a line running north and south three hundred and twenty six (326) feet five (5) inches from the back of the west curb of said Lincoln Avenue and bounded on the north and south by lines parallel to, and two hundred and sixty (260) feet from, a line midway between the center lines of Ohio Street and Iowa Street, Urbana, Illinois and at an angle of ninety (90) degrees to said Lincoln Avenue, the same being a part of the North Half (N½) of the South East Quarter (SE¼) of Section Eighteen (18), Township Nineteen (19) North of Range Nine (9) East of the Third (3rd) Principal Meridian" located at 1005 South Lincoln Avenue in the City of Urbana, Illinois, said bonds being dated February 15, 1949, and maturing as follows:

Bonds numbered 1 to 70, inclusive, bearing interest at the rate of four per cent (4%) per annum, bonds numbered 71 to 334, inclusive, bearing interest at the rate of two and one-half per cent (2½%) per annum and bonds numbered 335 to 800, inclusive, bearing interest at the rate of two and three fourths per cent (2¾%) per annum, interest payable October 1, 1949, and semi-annually thereafter on the first days of April and October in each year, said bonds being redeemable as a whole or in part in the inverse order in which they are numbered, prior to their maturity, on any interest payment date on or after April 1, 1952 and up to and including October 1, 1953, at par and accrued interest and a premium of three per cent (3%) of the principal amount thereof, a premium of two per cent (2%) of the principal amount thereof if redeemed on April 1, 1954, or on any interest payment date thereafter up to and including October 1, 1958, and a premium of one per cent (1%) of the principal amount thereof if redeemed on April 1, 1959, or on any interest payment date thereafter before maturity.

Notice of redemption shall be given by publication at least once not less than thirty days prior to date of redemption, such publication to be made once in one newspaper published and of general circulation in the City of Chicago, Illinois; and

WHEREAS the said bonds are payable both as to principal and interest and premium, if any, solely from the net revenues to be derived from the operation of

the said women's residence halls, the term "net revenues" as used herein meaning the gross revenues of the said building, less the reasonable cost of operating, insuring, maintaining and repairing the said women's residence halls; and

WHEREAS the University has, in and by the said resolution, covenanted and agreed, for the benefit of the holders from time to time of the said bonds and the interest coupons thereto appertaining, that the net revenues of the said women's residence halls will be from time to time deposited with the Depositary and used only for the payment of the fees and expenses of the Depositary, principal of, premium, if any, and the interest on the said bonds; and

WHEREAS the University has, in and by the said resolution, further covenanted and agreed that it would execute and deliver a Deposit Agreement in the form and terms hereof:

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements hereinafter set forth and pursuant to the terms and provisions of the said resolution, the University and the Depositary have agreed and do hereby agree as follows for the equal and proportionate benefit and security of the holders of the said bonds of the University and the interest coupons thereto appertaining; that is to say:

SECTION 1. The University covenants that proper books of record and account will be kept, in which full, true and correct entries will be made of all income, expenses and financial transactions of and in relation to the said women's residence halls, and that it will furnish to the Depositary, on or before October 1, 1949, for that period from February 15, 1949, to June 30, 1949, and on or before October 1 in each year thereafter so long as any bonds remain outstanding, a statement certified as correct by the Comptroller and Treasurer of the University, showing the gross operating revenues, the operating expenses and the net revenues of the said women's residence halls for the twelve months' period ended on the next preceding June 30. The Depositary shall have no duty to request any such information nor any duty relative to the statements from time to time furnished by the University, except to preserve the same for the inspection of the holders of the bonds during usual business hours.

SECTION 2. The University has covenanted with the holders of the bonds hereinabove referred to that all of the revenues, income, receipts, profits, charges, fees, rents and returns derived from the said women's residence halls and the operation thereof shall be collected by the University and, after setting aside therefrom the reasonable cost of operating, maintaining, insuring and repairing the said women's residence halls, shall be paid over to the Depositary semi-annually not later than July 31, for the previous six months' period ending June 30 each year, and January 31, for the previous six months' period ending December 31 of each year; provided, however, there shall be deposited on September 15, 1949, the net revenues for the period from February 15, 1949, to June 30, 1949, which amount shall not be less than interest requirements due on said bonds October 1, 1949, plus Depositary's fees, and the University hereby covenants and agrees so to do. All funds received by the Depositary under the terms of this agreement, after deducting fees and expenses of such Depositary, shall be held by the Depositary in a special trust account to be known as the sinking fund and shall be disbursed or applied by the Depositary as hereinafter provided.

At least five (5) days before each semi-annual interest payment date the Depositary shall, if the sinking fund moneys then on deposit are sufficient for that purpose, set aside an amount equal to the interest becoming due on the next ensuing interest payment date on all of the said bonds then outstanding, and such funds shall be and they are hereby appropriated irrevocably to the payment of such interest, and the Depositary, as paying agent, is hereby authorized and directed to apply the same to the payment of such interest on the next ensuing interest payment date upon surrender of the interest coupons becoming due on the said interest date and appertaining to the outstanding bonds.

At least five (5) days before the express date of maturity of the bonds, the Depositary shall set aside from the moneys in the sinking fund, if such moneys then on deposit are sufficient for that purpose after making provision for payment of the interest becoming due on the outstanding bonds on such maturity date, an amount equal to the principal of the bonds then maturing, and such funds shall be and they are hereby appropriated irrevocably to the payment of the principal

of the said maturing bonds, and the Depositary, as paying agent, is hereby authorized and directed to apply the same to the payment of the principal of the said bonds upon surrender of the said bonds.

If, upon the fortieth (40th) day before any interest payment date, the Depositary has cash in the sinking fund after setting aside an amount sufficient to pay interest becoming due on all outstanding bonds on the next two ensuing interest payment dates and to pay the principal and premium, if any, of any bonds theretofore called for redemption and not yet redeemed and the principal of all bonds becoming due on the next two ensuing principal payment dates, such cash shall be applied by the Depositary to the redemption on the next ensuing interest payment date of outstanding bonds, which by their terms are redeemable, in an amount sufficient to exhaust as nearly as may be such cash, after deducting therefrom and paying all costs and expenses of such redemption.

The said bonds are each in the denomination of One Thousand Dollars ($1,000) and are numbered from 1 to 800, inclusive. All bonds redeemed through the operation of the sinking fund, together with the appertaining interest coupons, shall be cancelled by the Depositary and delivered to the Treasurer of the University. The Depositary shall keep a record of the numbers of all bonds so redeemed.

Notice of redemption through the operation of the sinking fund shall be published by the Depositary, either in the name of the University or in the name of the Depositary, as the Depositary may determine, once not less than thirty (30) days prior to the date of redemption. Such publication to be made in one newspaper published and of general circulation in the City of Chicago, Illinois. Such notice shall with substantial accuracy:

(a) Designate the date and place of redemption, such place to be the office of the Depositary, in the City of Chicago and State of Illinois;

(b) If the bonds to be redeemed are less than all of those outstanding, designate the numbers and the aggregate principal amount of such bonds; and

(c) State that on the designated date of redemption said bonds will be redeemed by payment of the principal thereof and the accrued interest thereon, plus the applicable redemption premium, and that from and after the designated redemption date interest in respect of the bonds so called for redemption will cease.

Upon publication of notice of redemption of any bonds through the operation of the sinking fund, the Depositary shall set aside from the moneys in the sinking fund an amount sufficient to pay and redeem the said bonds, and such funds be and are hereby appropriated irrevocably for that purpose, and the Depositary, as paying agent, is hereby authorized and directed to apply such funds to the payment and redemption of the said bonds on or after the specified redemption date upon surrender of the said bonds, together with all unmatured interest coupons thereto appertaining.

SECTION 3. The University has covenanted with the holders of the bonds, hereinabove referred to, that it will, so long as any of the said bonds shall remain outstanding and unpaid, keep in the office of the Depositary, in the City of Chicago and State of Illinois, books for the registration and transfer as to principal of bonds of the said issue, and the said Depositary is hereby appointed the agent of the University, with the title of Registrar, for the purpose of registering and transferring the said bonds as to principal only.

As to each bond registered, as to principal only, the person or entity in whose name the same is for the time being registered shall be deemed and regarded as the absolute owner thereof for all purposes, except for the purpose of receiving payment of the outstanding coupons, if any, appertaining thereto, and so long as the same shall be so registered payment of or on account of the principal thereof shall be made by the Depositary, as paying agent, only to the registered owner thereof. The bearer of any of the said bonds which shall not be registered as to principal and the bearer of any coupon appertaining to any such bond, whether or not such bonds shall be registered as to principal, shall for all purposes be deemed and regarded as the absolute owner of such bond or coupon as the case may be for the purpose of receiving payment thereof and for all other purposes, and the Depositary, as paying agent, shall be fully protected in making payment of any such bond or coupon to the bearer thereof.

SECTION 4. The Depositary has executed this agreement and agrees to carry out the terms and provisions hereof on its part, but only upon and subject to the following express terms and conditions:

(a) The Depositary shall not be responsible for any recitals herein or in the said bonds or for the validity of this agreement or of the said bonds, nor for the performance of any of the agreements herein contained on the part of the University.

(b) The Depositary shall not be accountable for any of the proceeds of the bonds or of the revenues of the said women's residence halls nor for any other funds of the University, except such funds as may be deposited hereunder. The Depositary shall not be required to allow interest on any funds at any time deposited hereunder. The Depositary may become the owner of bonds of the said issue with the same rights which it would have if not Depositary.

(c) The Depositary shall not be liable for any action taken or omitted to be taken by it in good faith and in the exercise of reasonable care and believed by it to be within the discretion or power conferred upon it by this agreement, nor shall the Depositary be responsible for the consequences of any error of judgment, and the Depositary shall not be answerable except for its own acts, neglect and default, nor for any loss unless the same shall happen through the negligence or want of good faith of the Depositary.

(d) The Depositary shall be entitled to advice of counsel concerning all matters arising under this agreement and its duties hereunder, and may in all cases pay such reasonable compensation as it shall deem proper to such counsel and all such outlays and expenditures shall be repaid to the Depositary out of the sinking fund money.

(e) The Depositary shall not be required to give any bond or surety in respect of the exercise of the duties and powers conferred hereby or otherwise in respect of the premises.

(f) The Depositary shall have a first lien hereunder upon the sinking fund moneys for reasonable compensation, expenses, advances and counsel fees incurred in and about the exercise and performance of its powers and duties hereunder, and the cost and expense of defending against any liability in the premises of any character whatsoever. The compensation of the Depositary shall not be limited to or by any provision of law in regard to the compensation of a trustee of an express trust.

(g) The Depositary at the time acting hereunder may at any time resign by giving not less than sixty (60) days' written notice to the University specifying the date when such resignation takes effect.

SECTION 5. The University covenants that in case the Depositary at the time acting hereunder shall resign or be dissolved or shall be in the course of dissolution or liquidation or otherwise become incapable of acting hereunder, the University will forthwith appoint a successor Depositary which shall be a trust company or bank in good standing located in the State of Illinois and having a capital and surplus of not less than Five Million Dollars ($5,000,000), if there be such a trust company or bank willing, qualified and able to accept the appointment upon reasonable or customary terms.

Every successor Depositary appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the University an instrument in writing accepting such appointment hereunder, and thereupon such successor Depositary, without any further act, deed or conveyance, shall become fully vested with all of the estates, rights, powers, duties and obligations of its predecessor, and every predecessor Depositary shall deliver all moneys and securities, together with a record of the amount and the numbers of the outstanding bonds, to its successor; provided, however, that before such delivery is required or made, all fees, advances, and expenses of the retiring Depositary shall be paid in full.

Any corporation into which the Depositary or any successor to it may be merged or converted or with which it or any successor to it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Depositary, or any successor to it shall be a party, shall be the successor Depositary under this agreement without the execution or filing of any paper on the part of either of the parties hereto.

SECTION 6. Nothing in this agreement expressed or implied is intended or shall be construed to confer upon any person, firm or corporation, other than the parties hereto and the holders of the said bonds and the coupons thereto appertaining, any right, remedy or claim, legal or equitable, under or by reason of this agreement or any covenant, condition or stipulation hereof.

IN WITNESS WHEREOF, said University of Illinois, acting by and through its Board of Trustees, has caused this agreement to be signed in its name by the President of the Board of Trustees and the Treasurer thereof and its corporate seal to be hereunto affixed and attested by the Secretary thereof, and said The Northern Trust Company has caused this agreement to be signed in its corporate name by one of its Vice Presidents and its corporate seal to be hereunto affixed and attested by one of its Assistant Secretaries, all as of the day and year first above written.

SECTION 7. Said University hereby covenants that proper books of record and account will be kept, in which full, true and correct entries will be made of all income, expenses and financial transactions of and in relation to the said women's residence halls, and that it will furnish to the Depositary and to the original purchasers of said bonds on or before October 1 in each year so long as any bonds remain outstanding a statement certified as correct by the Comptroller and Treasurer of the University, showing the gross operating revenues, the operating expenses, and the net revenues of said women's residence halls for the twelve months' period ending on the next preceding June 30.

SECTION 8. The University covenants that while any of the bonds authorized hereunder remain outstanding it will establish charges and fees for the use of said women's residence halls and all of the facilities thereof adjusted so as to provide revenues at all times sufficient to pay the reasonable cost of maintaining, operating, insuring and repairing the said women's residence halls, to pay the interest from time to time becoming due on the said bonds from time to time outstanding, and to provide for the payment of the principal of such bonds at maturity.

SECTION 9. It is hereby covenanted and agreed that while any revenue bonds issued hereunder are outstanding no additional revenue bonds shall be issued which, by their terms, are payable from the revenues of said women's residence halls located at 1005 South Lincoln Avenue, in the City of Urbana, Illinois, unless and until all revenue bonds issued pursuant to the terms of this resolution have been paid in full, both as to principal and interest, or until provision shall have been made for such payment in full.

SECTION 10. Said University of Illinois hereby covenants and agrees with the holder or holders of the bonds herein proposed to be issued, or any of them, that it will punctually perform all duties with reference to said women's residence halls required by the Constitution and Laws of the State of Illinois, including the making and collecting of sufficient charges and fees for the use of said properties and all of the facilities thereof, and segregating the revenue thereof and the application of the income and revenue thereof, as provided by this resolution; and it hereby covenants and agrees not to sell, lease, loan, mortgage or in any manner dispose of said women's residence halls, including any and all extensions and improvements that may be made thereto, until all of the bonds herein authorized to

be issued shall have been paid in full, both principal and interest, or unless and until provision shall have been made for the payment thereof in full, and the said University further covenants and agrees with the holders of said bonds to maintain in good condition and continuously operate said women's residence halls and maintain and keep in full force and effect at all times adequate insurance for the protection of said properties, including multi-risk insurance, covering loss or damage to said properties and use and occupancy insurance covering loss of use of said properties. The cost of maintaining all insurance shall be deemed to be an operating charge and shall be paid only from revenues.

Any proceeds derived by said University from any multi-risk insurance shall be applied to the payment of the said University's reasonable and necessary costs in reconstruction, repair or rehabilitation of the said properties and any proceeds derived from any use and occupancy insurance shall be applied in the same manner and to the same effect as gross operating revenues.

SECTION 11. The provisions of this resolution shall constitute a contract between the University of Illinois and the holders of the bonds herein authorized to be issued, and after issuance of the bonds no changes, additions, alterations or amendments of any kind shall be made to this resolution in any manner, until such time as all of said bonds issued hereunder, and interest thereon, shall be paid in full, or unless and until provision shall have been made for the payment of all bonds hereby authorized and interest thereon in full.

SECTION 12. Any holder of a bond or bonds, or any of the coupons of any bond or bonds issued under the provisions of this resolution, may either in law or in equity, by suit, action, mandamus or other proceeding, enforce or compel the performance of all duties required by this resolution or the acts under which the bonds hereby authorized are issued, including the fixing, maintaining and collecting of such charges and fees for the use of such properties and all facilities thereof as will be sufficient for all the purposes provided by this resolution, and the application of income and revenue therefrom.

I, ..., do hereby certify that I am the duly qualified and acting Secretary of the Board of Trustees of the University of Illinois, and as such official have charge and custody of the minutes of the meetings and records of the Board of Trustees of said University of Illinois, and as such official I further certify that the foregoing resolution attached hereto, entitled

"RESOLUTION authorizing and providing for the issue of $800,000 Women's Residence Halls Revenue Bonds of 1949 for the purpose of defraying part of the cost of constructing new women's residence halls located at 1005 South Lincoln Avenue, Urbana, Illinois, prescribing all the details of said bonds, and providing for the collection, segregation and distribution of the revenues of the said new Women's Residence Halls, for the purpose of paying the cost of the maintenance and operation thereof, and payment of the principal of and interest on said revenue bonds,"

is a true, correct and exact copy of the original resolution adopted by the Board of Trustees of the University of Illinois at its regular meeting held on the ..... day of ....., 1949.

IN WITNESS WHEREOF I hereunto set my hand and the seal of said University of Illinois, this ..... day of ....., 1949.

.....
Secretary, Board of Trustees,
University of Illinois

After reading of the resolution and discussion of its terms and provisions, and on motion of Mr. Williamson, the resolution was adopted and the award was made, as recommended, by the following vote of record: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Dr. Luken, Mr. McLaughlin, Mr. Stevenson.

President Fornof designated Mr. Davis and Dr. Meyer to sign the bonds as representatives (with the President of the Board) of the Board of Trustees.

RESOLUTION OF APPRECIATION OF GOVERNOR GREEN

At this point, Mr. Williamson presented the following resolution.

The Honorable Dwight H. Green is notable among the Governors of Illinois for his consistent interest in education and for his sympathetic understanding of the needs of the University of Illinois. This has been shown in many ways, including the following. He was actively helpful in encouraging the construction of the University of Illinois Airport and in securing additional housing for students. He cooperated effectively in the establishment of the Undergraduate branches at the Navy Pier and in Galesburg. Governor Green has given his enthusiastic support to the movement for a permanent undergraduate division of the University in Chicago. He has been helpful in the development of the Chicago Professional Colleges. He has been personally interested in the welfare of the students and has visited the University on many official and social occasions. Governor Green has approved measures for the expansion of the University both in physical plant and in staff, and he has cooperated in securing the largest appropriations ever given to the University of Illinois, to meet the unprecedented demands for higher education made on the University.

In view of all these and many other benefits, the Board of Trustees of the University of Illinois makes record of its keen appreciation of the cooperative, intelligent, and understanding attitude toward the needs and problems of the University consistently maintained by Governor Dwight H. Green, and instructs its Secretary to prepare a scroll setting forth these facts and conveying to Governor

Green the appreciation and good wishes of the Board and of the President and the Executive Staff of the University of Illinois.

On motion of Mr. Williamson, this resolution was adopted, by unanimous vote.

REPORTS OF THE SECRETARY

The Secretary presented the following lists for record, as printed in the Appendix.

1. Appointments made by the President of the University (page 229).
2. Graduate fellows (page 231).
3. Resignations and declinations (page 231).

EXECUTIVE COMMITTEE MEETING

JANUARY 18, 1949

The Executive Committee of the Board of Trustees of the University of Illinois met at the President's House, in Urbana, on Tuesday, January, 18, 1949, at 3 p.m. Present: Mr. Fornof and Mr. Livingston, members of the Committee, Mr. McKelvey and Mr. McLaughlin, members of the Board, President Stoddard, and the following University officials: Provost Griffith, Dean Rusk, Dean Bowen, Mr. Janata, Director Havens, Professor Scheick, Comptroller Morey, and Secretary Cunningham.

REPORT OF MEETING OF COMMITTEE ON BUILDINGS AND GROUNDS, JANUARY 18, 1949

The Secretary presented the following report of a meeting of the Committee on Buildings and Grounds.

The Committee on Buildings and Grounds met at 11 a.m. on Tuesday, January 18, 1949, in the Illini Union Building, in Urbana. Present: Mr. McKelvey, Mr. Livingston, Mr. McLaughlin; also Mr. Fornof, President Stoddard, and the University officials listed above as attending the meeting of the Executive Committee.

Purchase of Land for College of Agriculture

The Committee considered the recommendation for the purchase of 320 acres of land south of the horticultural tract (see above, page 196).

Mr. Morey, Dean Rusk, and President Stoddard commented on this matter.

On motion of Mr. McLaughlin, the Committee voted to recommend the purchase of this land at $600 an acre, and authorized the necessary down payment to make the transaction legal. The Committee saw no objection to making the purchase through the University of Illinois Foundation on terms mutually agreeable.

Staff Housing Research Project

The Committee considered also the Staff Housing Research Project (see above, page 196).

President Stoddard, Professor Scheick, and Mr. Morey commented on this matter.

On motion of Mr. Livingston, the Committee voted to recommend to the

Executive Committee that the recommendations of President Stoddard be approved, as amended to provide for an amortization period of about fifteen years and for the employment of Skidmore, Owings, and Merrill to assist the Small Homes Council on a cost-plus fixed-fee basis with a guaranteed maximum of $16,000.

The Committee adjourned.

STAFF HOUSING RESEARCH PROJECT

On recommendation of the Committee on Buildings and Grounds, the recommendations of President Stoddard for the establishment of a staff housing research project (page 196 above) as amended (page 226 above) was approved and authorized, and the appropriation was made as recommended, by the following vote: Aye, Mr. Fornof, Mr. Livingston, Mr. Davis.[1]

MATTERS PRESENTED BY PRESIDENT STODDARD

The Executive Committee acted on the following matters presented by the President of the University.

INSTITUTE OF AVIATION

(1) Director Leslie A. Bryan of the Institute of Aeronautics recommends that the name of the Institute be changed to "Institute of Aviation." This will give the Institute a name which is more widely used and understood by the general public. It will also help eliminate the confusion of the Department of Aeronautical Engineering (a Department in the College of Engineering), with the Institute. Dean M. L. Enger of the College of Engineering and Professor H. S. Stillwell, Head of the Department of Aeronautical Engineering, concur.

I recommend approval.

This change of name was approved as recommended.

AWARD OF CONTRACT FOR ASPHALT TILE FLOOR IN ELECTRICAL ENGINEERING AND PHYSICS RESEARCH LABORATORY BUILDINGS

(2) Bids have been received on installation of asphalt tile floor surfacing in portions of the Electrical Engineering Building and the Physics Research Laboratory. Provision of this type of floor surfacing was deferred until it was certain that funds would be available to cover the cost of such installation. Funds are now available and bids have been taken on such floor surfacing throughout the Electrical Engineering Building, except where already provided, and in the offices and public areas only of the Physics Research Laboratory. In the Electrical Engineering Building, the original contract included the provision of this surfacing only in the large machine laboratory, the department office, and the corridors.

The Director of the Physical Plant Department and the Comptroller recommend the award of a contract in the amount of $11,299 ($10,327 for the Electrical Engineering Building and $972 for the Physics Research Laboratory) to the lowest bidder, the Roofing and Insulation Supply Company, Champaign-Urbana.

I concur and request that authority be given to the Comptroller and the Secretary of the Board to execute the contract.

This authority was given as recommended.

AWARD OF CONTRACT FOR TEMPORARY HOUSING SANITARY SEWER

(3) Bids have been received for the construction of a sanitary sewer to serve the temporary housing areas on the west side of the campus, to relieve the present overloaded sewers from the Stadium and the Men's Residence Hall, and to serve other future University buildings in this area. Funds are available.

The Director of the Physical Plant Department and the Comptroller recom-

[1] On instructions from the Committee, the Secretary informed Mr. Davis, by telephone, of the amendments proposed, and received his concurrence and permission to record him as voting in the affirmative.

mend the award of a contract to the lowest bidder, Mancini and Ventrella, Chicago, on the basis of a lump sum bid of $89,351.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute the contract.

This authority was given as recommended.

ADDITION TO CONTRACT FOR GENERAL WORK ON STUDENT AND STAFF APARTMENTS

(4) The Director of the Physical Plant Department and the Comptroller recommend an increase of $2,637 in the contract for the general work in connection with the construction of the student and staff apartments. This increase is to provide for the substitution of terrazzo stair treads and landings in place of cement.

Funds are available for this addition.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute the above addition to this contract.

This addition to contract was authorized as recommended.

PURCHASES

(5) There are submitted recommendations for purchases for approval by the Board (see Appendix, page 234).

These purchases were authorized as recommended.

The Executive Committee adjourned.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered the following matters presented by the President of the University.

NEW FIRE STATION

(1) The building appropriation requests for 1949-1951 include $250,000 for a new fire station. The State Fire Marshal has offered to secure a supplementary appropriation of $450,000 from the fire prevention fund in the State Treasury to provide additional facilities in this building, particularly an auditorium with seating capacity of 800 to be used for meetings of organizations interested in fire protection, schools of instruction, equipment displays, and quarters for representatives of the State Fire Marshal.

The University is asked to assume:

1. Cost of preparing plans, specifications, and supervision of construction.
2. Cost of land required.
3. Complete operation and maintenance costs for the structure and the grounds.
4. Salaries of fire fighting personnel and cost of truck operation.
5. Responsibility for the assignment of space on the first floor of the building with the privilege of making use of the auditorium and basement area for University functions, provided there are no conflicts with events scheduled by the State Fire Marshal's Office or the Illinois Firemen's Association.

The State Fire Marshal's Office and the Illinois Firemen's Association agree to assume:

1. Salaries and equipment for their office personnel.
2. Salary and equipment for a Deputy Fire Marshal, if and when appointed.
3. Cost of exhibits and demonstration equipment for training and fire fighting demonstration work.
4. Expense of special arrangements for meetings sponsored by the State Fire Marshal's Office or the Illinois Firemen's Association.
5. Additions or alterations to the structure or equipment required by the State Fire Marshal's Office and/or the Illinois Firemen's Association.

The University would provide additional funds of approximately $6,000 a year for operation and maintenance, but not before 1951. In return the University would have the use of an additional large lecture room when it is not required for the purposes specified.

In recommending an appropriation for strictly University facilities, the Building Program Committee agreed in principle with the plan of joint development. The Chairman of the Committee, the Director of the Physical Plant Department, and the Comptroller have reviewed the proposal submitted by the State Fire Marshal and recommend its approval. He has requested that no publicity be given to the proposal until it is further developed with State authorities.

On motion of Mr. McLaughlin, this plan was approved.

GIFT OF MR. AND MRS. MERLE J. TREES

(2) The Executive Committee of the Board on December 28, 1948 (Minutes, page 190), accepted an offer from Mr. and Mrs. Merle J. Trees of one-half interest in their Rembrandt "Portrait of Amsterdam Burgher" as their gift to the "Emily Nichols Trees (Class of 1905) and Merle Jay Trees (Class of 1907) Collection" for 1948.

Mr. and Mrs. Trees have decided to offer the University the remaining one-half interest in this painting as their 1949 contribution to the Trees Collection. As further evidence of this offer they have sent the Secretary of the Board a formal deed of gift in which each contributes the remaining undivided one-fourth interest in the painting. This painting is appraised at $65,000 by the Art Institute of Chicago.

I recommend the acceptance of this offer and that the Secretary of the Board be requested to convey to Mr. and Mrs. Trees a formal expression of appreciation on behalf of the Board.

On motion of Mr. Davis, this gift was accepted with great appreciation of the generosity of Mr. and Mrs. Trees.

UNIVERSITY OF ILLINOIS LEGISLATION TO BE REQUESTED OF THE 66TH GENERAL ASSEMBLY

(3) I request that the President of the University be authorized to secure the introduction in the 66th General Assembly of the following University legislation. These measures have been discussed with the Senator and the three Representatives of the 24th Senatorial District who have agreed to sponsor or to secure sponsorship of the bills:

1. Biennial operating budget for 1949-1951.
2. Appropriations for buildings and other capital improvements.
3. Amendment of insurance code to make University of Illinois revenue bonds legal investments for insurance companies in Illinois. Obligations of the University of Illinois Foundation are legal investments for insurance companies but the direct obligations of the University are not. This amendment would improve the market for University revenue bonds.
4. Amendment of State Finance Act to permit the University to handle, through its own treasury, funds of all *self-supporting activities*, instead of requiring the deposit in and disbursement from the State Treasury. The present arrangement complicates budget operations and makes it difficult to handle business operations of such activities with dispatch, thus causing loss of discounts and creating dissatisfaction among employees in payment of wages. The change has been discussed with representatives of the Department of Finance and the State Auditor's Office and has their tentative approval.

5. Authorization to pay real estate taxes on certain University properties or to make payments to municipalities in lieu of taxes.

6. Amendment of Civil Service Act to eliminate wartime provisions relating to certification.

7. Change in name of the "Research and Educational Hospitals" to "University of Illinois Hospitals."

8. Transfer of the Illinois Neuropsychiatric Institute from the Department of Public Welfare to the University. At present the Illinois Neuropsychiatric Institute is operated jointly by the University and the Department of Public Welfare. A single administration is desirable.

9. Transfer of title to Institution for Tuberculosis Research in Chicago to the University of Illinois.

President Stoddard and Mr. Morey commented on these proposals.

On motion of Mr. Livingston, authority was given as requested.

PURCHASE OF FARM LAND

(4) I recommend that in accordance with the recommendation of Dean Rusk, referred by the Board on January 13, 1949, to the Committee on Buildings and Grounds with power to purchase an option (Minutes, page 196), approved by the Committee on Buildings and Grounds and the Executive Committee on January 18, 1949 (Minutes, page 226), the purchase of 320 acres of land at a price not to exceed $600 an acre be authorized.

On motion of Mr. McLaughlin, this purchase was authorized as recommended, and the President and the Legal Counsel were authorized to deal directly with the owners and their counsel to secure an option after March 7, 1949, and an appropriation of not to exceed $100,000 from this year's funds was made, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Williamson; no, none; absent, Dr. Luken, Mr. Nickell, Mr. Stevenson.

REPORTS OF ACTIONS OF THE EXECUTIVE COMMITTEE

On motion of Mr. Williamson, the Secretary was instructed to notify the members of the Board promptly of all actions of the Executive Committee on matters specially referred to the Executive Committee by the Board.

APPOINTMENTS TO THE FACULTY MADE BY THE PRESIDENT OF THE UNIVERSITY

The Secretary reported that the President has approved the following new appointments to the faculty of the rank of Assistant Professor and above since the previous meeting of the Board of Trustees:

1. LAWRENCE IVAN O'KELLY, Professor of Psychology, beginning September 1, 1949, at an annual salary of $6,000.

2. DETLEV WALTHER SCHUMANN, Professor of German, beginning September 1, 1949, at an annual salary of $7,500.

3. LEONARD MARTIN ZUBKO, Assistant Professor of Mechanical Engineering, beginning February 1, 1949, at an annual salary of $4,600.

On motion of Mr. Davis, these appointments were confirmed.

OPEN SESSION

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered, in open session, the following matters presented by the President of the University.

APPOINTMENT OF HEAD OF DEPARTMENT OF ENTOMOLOGY

(1) The Dean of the College of Liberal Arts and Sciences recommends the appointment of Professor William Patrick Hayes, now Acting Head of the Department of Entomology, as Head of the Department on indefinite tenure effective as of February 1, 1949, at an annual salary rate of $7,500.

I concur in this recommendation.

On motion of Dr. Meyer, this appointment was made as recommended.

APPOINTMENT OF PROFESSOR HAROLD L. WALKER AS ACTING DIRECTOR OF THE STATE DEPARTMENT OF MINES AND MINERALS

(2) At the request of the Governor, I have authorized Professor Harold L. Walker, Head of the Department of Mining and Metallurgical Engineering, to accept appointment as Acting Director of the State Department of Mines and Minerals.

Professor Walker desires to retain his present University position, carrying on his new duties concurrently with the State assignment and without change in salary. This I have approved. I request confirmation of my action.

On motion of Mr. Davis, this action was confirmed as requested.

APPOINTMENTS TO PROFESSIONAL ADVISORY COMMITTEE OF THE DIVISION OF SERVICES FOR CRIPPLED CHILDREN

(3) The Board of Trustees has authorized the appointment of a Professional Advisory Committee of the Division of Services for Crippled Children to work with the Superintendent of the Division in providing necessary contacts between it and the University. The present committee was appointed for two years from December 1, 1946. The Vice-President in charge of the Colleges of Medicine, Dentistry, and Pharmacy submits the following nominations for reappointments and new appointments to this Committee for two years from December 1, 1948. I concur in these appointments.

Reappointments

ALLAN G. BRODIE, Orthodontist, Chicago
HAROLD CAMP, Secretary-Treasurer of State Medical Society, Monmouth
MAUDE CARSON, Chief of Division of Public Health Nursing, Illinois Department of Public Health, Springfield
FREMONT A. CHANDLER, Orthopedic Surgeon, Chicago
EDWARD L. COMPERE, Orthopedic Surgeon, Chicago
HUGH E. COOPER, Orthopedic Surgeon, East Peoria
WOODRUFF L. CRAWFORD, Pediatrician, Rockford
ROLAND R. CROSS, Director of State Department of Public Health, Springfield
WATSON GAILEY, Ophthalmologist, Bloomington
DORA GOLDSTINE, Medical Social Worker, University of Chicago
PAUL W. GREELEY, Plastic Surgeon, Chicago
JULIUS H. HESS, Pediatrician, Chicago
PAUL H. HOLINGER, Broncho-Esophagologist, Chicago
HERBERT KOEPP-BAKER, Audiologist, Chicago
PHILIP LEWIN, Orthopedic Surgeon, Chicago
FREDERICK W. MERRIFIELD, Maxillofacial Surgeon, Chicago
EDNA NICHOLSON, Executive Secretary of Central Service for the Chronically Ill, Chicago
ERIC OLDBERG, Neurologist and Neurosurgeon, Chicago
HENRY G. PONCHER, Pediatrician, Chicago
GEORGE E. SHAMBAUGH, JR., Otolaryngologist, Chicago
JOHN THOMPSON, Orthodontist, Chicago

New Appointments

STUART BROADWELL, Otologist, Springfield
RAY BROWN, Superintendent of University of Chicago Clinics, Chicago
JANE BULL, Secretary of Committee, Executive Director of Commission for Handicapped Children, Chicago
FRANCIS J. GERTY, Psychiatrist, Chicago

ISAAC JOLLES, Psychologist, State Department of Public Instruction, Springfield
H. WORLEY KENDELL, Professor and Head of Department of Physical Medicine, University of Illinois, Chicago
FREDERICK H. MAURER, Pediatrician, Peoria
MAYER A. PERLSTEIN, Pediatrician, Chicago
HAROLD WESTLAKE, Director of Speech Clinic, Northwestern University, Evanston

On motion of Mr. Williamson, these appointments were made as recommended.

PROGRESSIVE ADMISSIONS PLAN

(4) On recommendation of the Director of Admissions and Records and with the concurrence of the Provost, I recommend the following changes in the policy governing admissions to the University effective at the beginning of the Summer Session of 1949:

1. That the progressive admissions plan be rescinded. It is generally agreed that the plan has worked well. It is no longer needed, because we expect to be able to admit all students, resident in Illinois, who qualify under the former system. Illinois residents will be admitted who fulfill the standard entrance requirements — graduation from an accredited secondary school with fifteen units of acceptable secondary school work.

2. That with respect to applicants who are not residents of the State of Illinois: (a) the admission of new freshmen be confined to students who rank in the upper 50 per cent of their high-school graduating classes; and (b) the admission of transfer students be confined to those who average not less than 3.5 in their college work in terms of the marking system of the University of Illinois.

3. That transfer students who are residents of Illinois who have a scholastic average of less than 3.0 be admitted only on special action of the dean of the college to which the student seeks admission.

On motion of Mr. Livingston, these changes in policy were approved as recommended.

AMENDMENT OF POLICY AND RULES RELATING TO COMPENSATION AND WORKING CONDITIONS OF NONACADEMIC EMPLOYEES

(5) In accordance with the terms of the Policy and Rules Relating to Compensation and Working Conditions of Nonacademic Employees, the Director of Nonacademic Personnel certifies to the Retirement System most nonacademic employees as of the date of employment. This practice is costly in time and effort, since employee turnover occurs chiefly within the first six months of employment, the normal probationary period.

It is agreed by all officials concerned that the practice should be changed to provide for certification at the end of the six months probationary period. This calls for the following changes in the Policy and Rules (language to be deleted in brackets and new language in italics):

SECTION I — 6. [A permanent and continuous employee is (a) one employed in a position or in work which the University contemplates continuing for the next six months, or is (b) a person who has completed six months of service.] *A permanent and continuous employee is an employee who has completed six months' service in any classification or classifications in nonacademic employment.* For this purpose a month of service shall be no less than twenty work days, excluding approved absences. A person employed regularly but on a part-time basis and fulfilling the above conditions will be considered a permanent and continuous employee.

SECTION III — 1-A. Permanent and continuous employees *and those employed in positions or in work which the University contemplates continuing for at least six months, but who have not yet completed six months' service in any classification or classifications of nonacademic employment,* in prevailing rate groups paid at hourly rates, will be paid a monthly rate determined by multiplying the number of hours of the work year, which shall be uniform in all years, by the hourly rate and dividing by 12, as follows: . . .

SECTION VI — 1-Sub-paragraph. Permanent and continuous employees *and those employed in positions or in work which the University contemplates continuing for at least six months, but who have not yet completed six months' service in any classification or classifications of nonacademic employment* not in a prevailing rate group will be excused with full pay.

SECTION VIII — 2-A. Each full-time permanent and continuous employee is entitled to a disability leave of two work weeks with pay in each year of service, no part of which shall be cumulative. Each permanent and continuous employee employed regularly but on a part-time basis is entitled to such fraction of two work weeks with pay as is represented by the relationship between this part-time employment and the full-time schedules in his classification. Any permanent and continuous employee, *or any person who is employed in a position or in work which the University contemplates continuing for at least six months, but who has not yet completed six months' service in any classification or classifications of non-academic employment,* who is disabled before completing his first year of service will be allowed the same proportionate amount of the two work weeks' disability leave as the portion of the year completed.

I concur.

On motion of Mr. McLaughlin these changes in policy were approved as recommended.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(6) The Committee on Special Appropriations and Nonrecurring Expenditures recommends assignments from the General Reserve Fund for the following purposes:

1. Remodeling Room 406 Davenport Hall	$11 010
2. Chicago Professional Colleges for remodeling of space for internal auditor	1 950
3. Colleges of Medicine, Dentistry, and Pharmacy for projectors	600
4. College of Medicine for lighting control in Rooms 106, 221, and 443 and public address system in Rooms 221 and 443	1 700
5. College of Pharmacy for equipment	2 635
6. Chicago Professional Colleges for remodeling and equipment for Non-academic Personnel Office	1 300
Total	$19 195

I concur.

On motion of Dr. Meyer, these appropriations were made as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Williamson; no, none; absent, Dr. Luken, Mr. Nickell, Mr. Stevenson.

APPROPRIATION AND CONTRACT FOR EMERGENCY LIGHTING SYSTEM IN THE McKINLEY HOSPITAL

(7) The Board of Trustees has authorized installation of an emergency lighting system in the McKinley Hospital to provide service to the first floor, including X-ray room, laboratory, and emergency room, and to the surgery quarters on the third floor.

The Director of the Physical Plant Department and the Comptroller recommend the award of a contract for $5,124 for this installation to the Leverenz Electric Company, Danville, the lowest bidder.

I recommend that an appropriation of $5,124 be made for this improvement and that the Comptroller and the Secretary of the Board be authorized to execute the contract.

On motion of Dr. Meyer, this appropriation was made and authority was given as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Williamson; no, none; absent, Dr. Luken, Mr. Nickell, Mr. Stevenson.

COLD ROOM IN PHYSICAL ENVIRONMENT BUILDING AT CHICAGO PROFESSIONAL COLLEGES

(8) One of the important items required for the new Physical Environment Unit, under construction in Chicago from a State appropriation and supplementary appropriations from the University's General Reserve, is a cold room including

necessary refrigeration, insulation, and accessory equipment to maintain constant temperature. This equipment is not available as a single standard manufactured product. It must be constructed and installed especially and is of a highly specialized type both in design and in performance.

A committee appointed by Vice-President Ivy has selected the Vilter Sales and Construction Company and the Armstrong Cork Company, both of Chicago, as the concerns best fitted to provide the desired equipment and in a position to deliver and complete the work promptly and within the period of availability of the State appropriation. Prices have been secured from these concerns as follows:

Vilter Sales and Construction Company, Milwaukee, Wisconsin, and Chicago, for mechanical equipment and installation	$98 140
Armstrong Cork Company, Lancaster, Pennsylvania, and Chicago, for insulation	28 936

The committee in charge of the work has reviewed the proposals and reports that, based on engineering design and cost of necessary components, the proposed costs are reasonable.

Vice-President Ivy requests that the contracts be awarded as scheduled above. I concur.

On motion of Mr. Livingston, these contracts were awarded as recommended.

CONTRACT FOR CONSTRUCTION OF HYDRAULIC ENGINEERING LABORATORY QUARTERS

(9) Included in the special appropriations for nonrecurring expenditures made by the Board on January 13, 1949 (Minutes, page 204), are funds for the construction of an addition to Warehouse No. 1, near the Sanitary Engineering Laboratory, to provide quarters for research in hydraulic engineering.

Since the work is of a remodeling nature, the Director of the Physical Plant Department and the Comptroller recommend that it be done under the standing contract with Lewis S. Colbert, Champaign, for work of this nature at an estimated cost of $12,577.30.

I concur and recommend that the Comptroller be authorized to execute this addition to the standing contract with Lewis S. Colbert.

On motion of Mr. McLaughlin, this authority was given as recommended.

ADDITION TO GENERAL CONTRACT FOR CONSTRUCTION OF THE CHEMISTRY AND CHEMICAL ENGINEERING BUILDING

(10) The Director of the Physical Plant Department and the Comptroller recommend an increase of $1,752.14 in the general contract for the construction of the Chemistry and Chemical Engineering Building to provide for (1) terrazzo treads and landings on the stairs in place of cement treads and landings, and (2) asphalt tile floors in stair halls (continuation of asphalt tile floors in corridors).

These are some of the items eliminated from the original specifications in order to keep down the cost of the Chemistry and Chemical Engineering Building. Sufficient funds are now available for these additions. The terrazzo stair treads and the asphalt tile floors in the stair halls will be more satisfactory from the standpoint of maintenance and appearance.

I concur and recommend that the Comptroller be authorized to execute this addition to the contract.

On motion of Mr. Davis, this addition to contract was authorized as recommended.

ADDITION TO GENERAL CONTRACT FOR CONSTRUCTION OF MECHANICAL ENGINEERING BUILDING

(11) The Director of the Physical Plant Department and the Comptroller recommend an increase of $4,300 in the general contract for the construction of the Mechanical Engineering Building for the installation of acoustical tile ceilings on the first and second floors in six classroom corridors. Acoustical treatment of

these areas was omitted from the original specifications and deferred until it was certain that funds would be available.

Acoustical treatment of ceilings will reduce the noise from the corridors and it is desirable because some classes will extend through periods when other classes are changing. Funds are now available for this addition.

I concur and request that the Comptroller be authorized to execute this addition to the contract.

On motion of Mr. McKelvey, this addition to contract was authorized as recommended.

INSTALLATION AND MAINTENANCE OF ELECTRICAL CONDUIT UNDER AND ACROSS CERTAIN STREETS IN THE CITY OF CHICAGO

(12) At the request of the University of Illinois, the City Council of the City of Chicago passed an ordinance on December 22, 1948, granting permission to the University to excavate for, install, and maintain an electrical conduit under and across certain streets in the City of Chicago.

The Legal Counsel recommends that the following resolution be adopted. I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute an acceptance form for such an electrical conduit.

RESOLUTION

Whereas, the City Council of the City of Chicago, at its regular meeting on December 22, 1948, passed an Ordinance which grants permission to the University of Illinois to install and maintain electrical conduit under and across certain streets in the City of Chicago, and

Whereas, by the provisions of said Ordinance, a copy of which is hereto attached, the same is required to be accepted by the University of Illinois,

Now Therefore, Be It Resolved by the Board of Trustees of the University of Illinois that the permission granted by said Ordinance be and the same is hereby accepted according to the terms of said Ordinance as set forth therein.

On motion of Mr. Livingston, this resolution was adopted and authority was given as recommended.

PURCHASE OF PRINTING EQUIPMENT

(13) On March 27, 1947 (Minutes, page 312), the Board of Trustees authorized the purchase of a new press to be installed in Gregory Hall for joint use by the Illini Publishing Company, the University Press, and the School of Journalism to replace the press now owned and operated by the Illini Publishing Company in Illini Hall. An appropriation of $25,000 was made to apply toward the cost of the press, the balance of cost of the press to be paid by the Illini Publishing Company.

On September 26, 1947 (Minutes, page 829), the Board approved a contract with Goss Printing Company for the purchase of the press at a price of $59,710 with an escalator clause providing for an increase in price prior to delivery. It was agreed that if the readjusted price was not satisfactory the contract could be cancelled by the buyer without penalty.

When the contract was finally concluded in November, 1947, a price of $61,160 was stipulated. At that time, a payment of $6,116 was made as the contract provided.

On January 5, 1949, the company served notice that the press would be ready for delivery in March, 1949, and the price would be $65,575. In the meantime, serious problems have arisen concerning the location of the press, the space originally intended being in an addition to the north side of Gregory Hall. This plan has not proved entirely feasible and no satisfactory permanent location is now available. The Illini Publishing Company, which is required to meet the cost of the press in excess of the $25,000 appropriation made by the University, has concluded that the option to cancel the contract should be exercised. The company has been notified accordingly and has returned the deposit made on the contract and has accepted the cancellation. The University appropriation is being lapsed into the General Reserve.

On motion of Dr. Meyer, this cancellation of contract was confirmed.

APPROPRIATION OF ATHLETIC ASSOCIATION FUNDS

(14) The Board of Directors of the Athletic Association of the University of Illinois on January 29, 1949, appropriated $1,000 from the unappropriated surplus of the Athletic Association for the purpose of conducting a two-day football clinic for high-school coaches in the State of Illinois. This action is submitted to the Board of Trustees for approval.

On motion of General Davis, this appropriation was approved.

PURCHASES

(15) The Director of Purchases has proposed and the Comptroller recommends the purchases listed under A in the Appendix (page 279). The President has authorized emergency purchases listed under B in the Appendix (page 281).

On motion of General Davis, purchases were authorized as recommended under A, and the action of the President of the University in authorizing emergency purchases under B was approved and confirmed.

COMPTROLLER'S REPORT OF CONTRACTS AND LEASES

(16) The Comptroller's report of contracts and leases executed under the general regulations of the Board, from December 11, 1948, also of change orders for cost-plus and other contracts (see page 282).

This report was received for record.

QUARTERLY REPORT OF THE COMPTROLLER

(17) The Comptroller presents his quarterly report to the Board as of December 31, 1948. Copies of this report have been sent to all members of the Board in advance of this meeting.

This report was received for record.

ARCHITECTURAL STUDIES OF NEW BUILDINGS

(18) It would be an advantage to start preliminary studies of some of the projects included in the building program for 1949-1951 on which no work has yet been done. I asked the Building Program Committee to advise me on how any funds that can be made available for such work prior to July 1, 1949, can best be used.

The Committee recommends that:

1. An assignment of $50,000 be made to start preliminary studies of the Biology Building, first unit; Educational Laboratories Building, Psycho-Educational Clinic Division; and Law Building.

2. The firm of Holabird and Root and Burgee of Chicago be employed for these studies on a cost-plus basis subject to these conditions: (a) a maximum fee of not to exceed $50,000; (b) services may be terminated at any time; and (c) employment is limited to preliminary studies and the University reserves the right to employ other architects for further work on these projects.

Payment for these services will be on the basis of actual salaries plus 1.3 times that amount for indirect costs and commission, plus such direct expenses as blueprinting, telephone calls, and travel. The work will be carried on as directed by the University and only until such time as the University may direct that it be stopped.

The appropriation herein recommended is much less than will be required to complete preliminary plans. A larger amount is not being recommended at this time because $50,000 will take care of all work which can be done immediately.

On motion of Mr. Livingston, the employment of Holabird and Root and Burgee was authorized under the conditions recommended, and the appropriation was made, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Williamson; no, none; absent, Dr. Luken, Mr. Nickell, Mr. Stevenson.

CONTRACT FOR POWER PLANT GENERATING EQUIPMENT

(19) On June 15, 1948 (Minutes, page 1159), the Board of Trustees appropriated $49,220 as the partial cost of a new turbogenerator and auxiliary equipment needed to increase the power production capacity of the Abbott Power Plant at Urbana-Champaign. The estimated cost of the required generator, auxiliary equipment, and installation is $1,215,280 and provision for it is included in the building program for 1949-1951 as approved by the Board on October 21, 1948.

The $49,220 already appropriated is for engineering work which can be done during the current biennium. As a further means of expediting delivery of the equipment, it was proposed that contracts be entered into, up to a maximum of $568,500, such contracts giving the University the right of termination if funds for the generating equipment are not appropriated by the General Assembly of Illinois, in which case the University's liability would be limited to the $49,220 for engineering services.

The Physical Plant Department has secured bids on a 7500 KW turbogenerator, condensing equipment, and a cooling tower. The Director of the Physical Plant Department and the Comptroller recommend the award of contracts to the lowest bidders as follows:

7500 KW turbogenerator, General Electric Company, Chicago, $282,200, subject to a maximum escalation of 10%, or a maximum cost of.....	$310 420
Bids were taken on a full extraction generator (that is, one from which all the steam may be available for heating), and, as an alternate, on a generator which would provide maximum extraction up to the 7500 KW capacity. The latter has the same generating capacity as the former but requires less floor space and costs less. It is proposed to accept the alternate bid and award the contract on that equipment.	
Condensing equipment, Worthington Pump Company, Chicago, $48,920 plus a maximum escalation of 10%, or a maximum cost of.....	53 812
Cooling tower, Marley Company, Inc., Chicago, $31,363, plus (a) unloading and erection, $7,663, and (b) a maximum escalation of 15% or a maximum cost of.....	40 176
Total.....	$404 408

This cost is within the maximum of $568,500. Proposals for an electrical switch gear will be considered later.

I recommend that the Comptroller and the Secretary of the Board be authorized to execute the contracts on the basis of the bids indicated herein.

On motion of Dr. Meyer, contracts were authorized as recommended.

APPOINTMENT OF HEAD OF DEPARTMENT OF PHYSIOLOGY

(20) On September 1, 1943, the Department of Physiology in the College of Liberal Arts and Sciences was merged with the Department of Zoology as an administrative convenience pending the appointment of a head of the Department of Physiology. The Dean of the College of Liberal Arts and Sciences recommends that:

1. Effective September 1, 1949, the Departments of Physiology and Zoology be administered as separate departments of the College.

2. Dr. Robert E. Johnson, now Director of the Medical Nutrition Laboratory of the Army Service Forces in Chicago, be appointed Professor and Head of the Department of Physiology on indefinite tenure beginning September 1, 1949, at a salary of $10,000 an academic year.

I concur in these recommendations.

On motion of Dr. Meyer, these recommendations were adopted.

BIENNIAL BUDGET FOR THE INSTITUTION FOR TUBERCULOSIS RESEARCH

(21) The 65th General Assembly of the State of Illinois appropriated to the University of Illinois the sum of $32,000 for the operation and maintenance of the Institution for Tuberculosis Research. The General Assembly provided that the management of the Institution be vested in a five-man board, two members to

be appointed by the Board of Trustees of the University, two by the Board of the Municipal Tuberculosis Sanitarium, and the fifth member to be elected by the other four.

The 65th General Assembly also appropriated funds to the Department of Public Health for constructing and equipping a building and funds to the Department of Finance for the purchase of land. The University will request legislation transferring to the University title to the land on which the building is now being erected.

The Vice-President in Charge of the Chicago Professional Colleges has submitted on behalf of the Board of Directors of the Institution for Tuberculosis Research a proposed operating budget for the biennium of 1949-1951, totaling $143,000, with the request that the Board of Trustees submit this budget to the Department of Finance. This amount is required for:

Heating, lighting, and maintaining the new building....	$ 61 000
Salaries, wages, supplies, and equipment.....	82 000
Total.....	$143 000

The $32,000 appropriated by the General Assembly for 1947-1949 was for salaries, supplies, and equipment for only an eight- or nine-month period during 1948-1949.

I recommend that the Board of Trustees authorize the transmittal of this request to the Department of Finance of the State of Illinois.

On motion of Mr. McKelvey, this budget was approved as recommended for transmittal to the State Department of Finance.

STATUS OF ACADEMY FOR UNITED STATES AIR FORCE

President Stoddard reported informally on the status of plans for an Academy for the United States Air Force (Minutes, October 21, 1948, page 138) to the effect that no decision has been made looking to the establishment of such an academy.

SECRETARY'S REPORTS

The Secretary presented the following lists for record, as printed in the Appendix.

1. Appointments made by the President of the University (page 251).
2. Graduate scholars and fellows (page 254).
3. Resignations and declinations (page 255).
4. Leaves of absence (page 256).
5. Retirements (page 256).
6. Lists of degrees conferred at Commencement in Urbana on February 6, 1949 (page 257).

DATE OF ANNUAL MEETING

The date of the annual meeting was discussed, and some members stated that Tuesday, March 8, 1949, would be inconvenient to them, and that Thursday, March 10, 1949, was an acceptable date. The By-Laws provide that the date of the annual meeting may be changed by the Board (Article I, Section 1).

On motion of Dr. Meyer, the date of the annual meeting for 1949 was changed to Thursday, March 10, as provided in the By-Laws of the Board.

The Board adjourned.

APPENDIX

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parenthesis is the date on which the appointment was made by the President of the University. Part-time appointments are shown by fractions after the name of the department. C = College; S = Station; E = Extension.)

ANNIS, R. W., Special Research Associate, Electrical Engineering (S) (½), eight months beginning January 1, 1949, $2600 a year (1-19-49).

ASHWORTH, BETTY J., Assistant Teacher, Veterans Nursery School (Division of Special Services for War Veterans), February 1-June 15, 1949, $1250 (2-1-49).

BAIR, THOMAS D., Assistant, Veterinary Parasitology (Veterinary Pathology and Hygiene) (Veterinary Medicine), June 16-August 31, 1949, $250 a month (1-29-49).

BALAGOT, REUBEN C., Assistant, Surgery (Medicine), eight months beginning January 1, 1949, without salary (1-29-49).

BARBER, W. J., Assistant, Physical Education for Men, February 1-June 15, 1949, $1400, supersedes (1-24-49).

BOARDMAN, R. S., Assistant, Geology (Graduate College), six months beginning February 1, 1949, $1200 (2-4-49).

BOND, ELIHU, Administrator, Animal Hospital (Medicine), eight months beginning January 1, 1949, $4500 a year, supersedes nonacademic appointment (1-19-49).

BOOS, MARGARET F., Visiting Professor, Geology, five months beginning February 1, 1949, $4000 (1-31-49).

BREWSTER, ROBERT R., Instructor, German, academic year beginning September 1, 1949, $3500 (2-9-49).

BRIGGS, CECIL C., Visiting Professor, Architecture (½), February 1-June 15, 1949, $533.33 a month (1-24-49).

BRILL, R. G., Assistant Professor, Education, academic year beginning September 1, 1949, $5000 (2-9-49).

BROWN, W. V., Extension Specialist, Division of University Extension, seven months beginning February 1, 1949, $4500 a year (2-9-49).

BYRAM, MRS. BETTY J., Research Assistant, Bureau of Economic and Business Research, seven months beginning February 1, 1949, $2700 a year, supersedes (2-3-49).

CAMMACK, T. E., Instructor, Economics, six months beginning February 1, 1949, $4000 a year (1-19-49).

CANTÓN, ALFREDO, Visiting Assistant Professor, Spanish, academic year beginning September 1, 1949, $4000 (2-9-49).

CAVANAUGH, MRS. JOYCE J., Serials Librarian, rank of Assistant (Undergraduate Division in Chicago), February 14-August 31, 1949, $3000 a year (2-9-49).

CHAPMAN, ROBERT A., Clinical Assistant, Medicine (Medicine), eight months beginning January 1, 1949, without salary (1-24-49).

CLARK, WILLIAM C., Research Assistant, Physiology (Graduate College), three months beginning January 16, 1949, $1005 (1-24-49).

DALLENBACH, FREDERICK D., Assistant, Pathology (Medicine), one year beginning July 1, 1949, without salary (2-9-49).

DELATOUR, GODFREY S., Visiting Professor, Sociology, five months beginning February 1, 1949, $3500 (1-27-49).

DEYOUNG, WILLARD G., Clinical Instructor, Medicine (Medicine), eight months beginning January 1, 1949, without salary (1-24-49).

DOLLINS, C. W., Special Research Assistant Professor, Engineering Materials (Theoretical and Applied Mechanics) (S), eight months beginning January 1, 1949, $5700 a year, supersedes (2-9-49).

DOOB, J. L., Professor, Mathematics, indefinite tenure beginning February 1, 1949, $9000 a year, supersedes (1-19-49).

FAUCETT, P. M., JR., Assistant, Economics, February 1-June 15, 1949, $266.66 a month, supersedes (2-8-49).

FAWCETT, C. G., Instructor, Physical Sciences (Undergraduate Division in Chicago), second semester of the academic year, beginning February 1, 1949, $1800 (2-3-49).

FLEMING, JOAN, Assistant Professor, Psychiatry (Medicine), eight months beginning January 1, 1949, without salary (2-9-49).

FOGLE, CATHERINE L., Instructor, Auditory Training (Otolaryngology) (Medicine), eight months beginning January 1, 1949, $4000 a year, supersedes (1-31-49).

FORREST, RUSSELL A., Clinical Assistant, Medicine (Medicine), eight months beginning January 1, 1949, without salary, supersedes (1-24-49).

FRY, FRANCIS J., Special Research Associate, Electrical Engineering (S), February 9-August 31, 1949, $5200 a year, supersedes (1-29-49).

GAMMILL, H. L., Assistant Professor, Industrial Psychology (Institute of Labor and Industrial Relations) (½), (Division of University Extension) (½), seven months beginning February 1, 1949, $5000 a year, supersedes (2-10-49).

GIANASI, CHARLES A., Assistant Physician, Health Service (Chicago Professional Colleges) (½), eight months beginning January 1, 1949, $3000 a year (1-24-49).

GREEN, MORRIS, Assistant, Pediatrics (Medicine), one year beginning January 1, 1949, without salary (1-24-49).

GROVE, WILLIAM J., Research Assistant, Surgery (Medicine), six months beginning January 1, 1949, $2400 a year (2-15-49).

GRUNDSET, LLOYD H., Clinical Assistant, Medicine (Medicine), eight months beginning January 1, 1949, without salary (1-24-49).

HEIMBURGER, ROBERT F., Clinical Assistant, Neurosurgery (Neurology and Neurological Surgery) (Medicine), seven months beginning February 1, 1949, without salary (2-15-49).

HENNING, DALE A., Instructor, Management (Business Organization and Operation), second semester of the academic year, beginning February 1, 1949, $1500 (2-15-49).

HORWITZ, IRWIN D., Clinical Assistant, Otolaryngology (Medicine), October 16, 1948-August 31, 1949, $2065 a year (1-24-49).

HUNT, MRS. PATRICIA W., Assistant Teacher, Veterans Nursery School (Division of Special Services for War Veterans), February 1-June 15, 1949, $1250 (1-29-49).

HUSMAN, B. Laundry service	Colleges of Medicine, Dentistry, and Pharmacy, and the Research and Educational Hospitals	Lahey Laundry, Chicago	5 560 00 (estimated)

This is to supplement the service of the University's laundry operated by the Physical Plant Department which because of space limitations is unable to do all of the work required. Fifty-seven commercial laundries in the Chicago area were asked if they would be interested in bidding on such service and 12 replied they would. Subsequently six of these laundries submitted bids on a one-stop service with a central pick-up and delivery and two submitted bids on the basis of collecting and delivering laundry at the various locations required. The multiple pick-up and delivery service will be more efficient and economical than a one-stop pick-up and delivery service which would require the University to collect and distribute the laundry internally. This service is proposed only until June 30 of the current fiscal year with any change in price to be mutually agreeable to both parties before it is put into effect. This supplementary service will enable the University to reduce the volume of work handled by its own laundry to a point of greater efficiency.

Janata, Assistant to the President, Mr. H. E. Cunningham, Secretary, Mr. Lloyd Morey, Comptroller, Professor W. E. Britton, Legal Counsel, and, during part of the day, Mr. I. L. Porter, Treasurer, Mr. J. F. Wright, Director of Public Information, and Miss Marietta Stevenson, Director of Social Welfare Administration.

APPROVAL OF MINUTES

The Secretary presented the minutes of the meeting of January 13, 1949, with the minutes of the Executive Committee of December 28, 1948, and January 18, 1949.

On motion of Mr. McLaughlin, the minutes were approved and received for record as printed on pages 189 to 238 above.

MR. KENNEY E. WILLIAMSON ELECTED PRESIDENT OF THE BOARD

Mr. Livingston nominated Mr. Kenney E. Williamson, of Peoria, for the office of President of the Board for the ensuing year.

On motion of Mr. Nickell, the nominations were closed, and the Secretary was instructed to cast the unanimous vote of the meeting for Mr. Williamson as President. The ballot was cast, and Mr. Williamson was declared elected President of the Board.

Mr. Fornof expressed his appreciation of the cooperation of the members of the Board and of the President and executive staff of the University during his term.

President Williamson took the chair and expressed his appreciation of the honor of his election.

MR. HARRISON E. CUNNINGHAM ELECTED SECRETARY

On nomination of Mrs. Holt and on motion of Mr. Livingston, Mr. Harrison E. Cunningham, of Urbana, was elected Secretary of the Board for one year.

PROFESSOR LLOYD MOREY ELECTED COMPTROLLER

On nomination of Mr. Herrick and on motion of Mr. McLaughlin, Professor Lloyd Morey, of Urbana, was elected Comptroller for one year.

EXECUTIVE COMMITTEE ELECTED

Mr. McLaughlin nominated Mr. Fornof, Mr. Herrick nominated Mr. Livingston, and Mr. Hickman nominated Mr. McLaughlin to serve, with the President of the Board as Chairman, as members of the Executive Committee for the ensuing year.

Mr. McLaughlin withdrew in favor of Mr. Livingston.

On motion of Mr. McLaughlin, the nominations were closed, and the Secretary was instructed to cast the unanimous vote of the meeting for Mr. Fornof and Mr. Livingston as members of the Executive Committee. The ballot was cast, and Mr. Fornof and Mr. Livingston were declared elected.

MR. IRVIN L. PORTER ELECTED TREASURER

On nomination of Mr. McLaughlin and on motion of Mr. Fornof, Mr. Irvin L. Porter, of Chicago, was elected Treasurer for two years, under the same conditions of bond as at present.

TREASURER'S BOND

On motion of Mr. Livingston, the amount of the Treasurer's bond was fixed at $3,000,000.

On motion of Dr. Meyer, the Finance Committee was instructed to see that the Treasurer secure a satisfactory bond, and to report it to the Board for record.

AUTHORITY TO RECEIVE MONEY

On motion of Mr. Nickell, the following resolution was adopted:

Resolved, that the Treasurer of the Board of Trustees of the University of Illinois be, and he hereby is, authorized to receive and receipt for all moneys, and to endorse all orders, drafts, and checks due and payable to the Board of Trustees or to the University of Illinois, and especially all drafts drawn by the Treasurer of the United States payable to the Board of Trustees or the University of Illinois.

DELEGATION OF SIGNATURES

On motion of Mr. Livingston, the following resolution was adopted:

Resolved, that the President and the Secretary of the Board of Trustees of the University of Illinois are authorized to delegate the signing of their names as President and Secretary, respectively, to vouchers to be presented to the State Auditor, and to warrants drawn on the Treasurer of the University, under the following conditions.

The President of the Board of Trustees is authorized to delegate to C. H. Pratt, to L. M. Dahlenburg, and to W. D. Green in Urbana, and to H. A. Hazleton, to G. H. Pontious, and to H. O. Albers in Chicago, to W. J. English and to B. W. Benedict in Galesburg, to H. R. Kobes and to Mabel F. Meek in Springfield, authority to sign his name as President of the Board of Trustees to vouchers against the State Auditor; and to C. C. DeLong, to H. F. Thornes, and to R. W. Zimmer in Urbana, and to H. A. Hazleton, to G. H. Pontious, and to H. O. Albers in Chicago, and to W. J. English and to B. W. Benedict in Galesburg, authority to sign his name to warrants on the University Treasurer covering vouchers approved in accordance with regulations approved by the Board.

The Secretary of the Board of Trustees is authorized to delegate to Maude Archdeacon and to Helen L. Smith in Urbana, and to G. R. Moon, to Ethel Englejohn, to Helen Wyle, and to Velma M. Davis in Chicago, and to L. O. Kerwood and Lois Herron in Galesburg, authority to sign his name as Secretary of the Board of Trustees to vouchers against the State Auditor and to warrants on the University Treasurer, covering vouchers approved in accordance with regulations of the Board. The Secretary of the Board of Trustees is authorized to delegate to Mrs. Freda M. Hicks and to Lean C. Ryan authority to sign his name as Secretary of the Board of Trustees on vouchers against the State Auditor approved in accordance with the regulations of the Board. And be it further

Resolved, that the First National Bank of Chicago as a designated depositary of Irvin L. Porter, Treasurer of this corporation, be and it (including its correspondent banks) is hereby requested, authorized, and directed to honor checks, drafts, or other orders for the payment of money drawn in this corporation's name, including those drawn to the individual order of any person or persons whose name or names appear thereon as signer or signers thereof, when bearing or purporting to bear the facsimile signatures of the two following: Kenney E. Williamson, President, and H. E. Cunningham, Secretary; and the First National Bank of Chicago (including its correspondent banks) shall be entitled to honor and to charge this corporation for all such checks, drafts, or other orders, regardless of by whom or by what means the facsimile signature or signatures thereon may have been affixed thereto, if such facsimile signature or signatures resemble the facsimile specimens duly certified to or filed with the First National Bank of Chicago by the Secretary or other officer of this corporation. And be it further

Resolved, that the Auditor of Public Accounts is hereby authorized and directed to honor vouchers bearing facsimile signatures of the President and Secretary of the Board of Trustees of the University of Illinois if such facsimile signatures resemble the facsimile specimens duly certified to or filed with the Auditor of Public Accounts by the Secretary.

MR. HICKMAN APPOINTED TRUSTEE OF THE RETIREMENT SYSTEM

President Williamson designated Mr. Robert Z. Hickman to serve as a member of the Board of Trustees of the University Retirement System of Illinois for the duration of his present term as Trustee of the University.

SERVICES OF CHESTER R. DAVIS, FRANK H. McKELVEY, AND DR. MARTIN G. LUKEN

The Secretary presented the following:

The University of Illinois has been unusually fortunate in the men and women who have served as members of the Board of Trustees. They have given freely of their time and energy, and their clear vision and their wisdom have been an important factor in the development of higher education in the State.

General Chester R. Davis, Dr. Martin G. Luken, and Mr. Frank H. McKelvey have served as Trustees in a critical period in the history of the University, the Nation, and the World. In their term, the number of students in the University has varied from the lowest in twenty-five years to the highest in its history. In this time, the Board has had to provide not only for the education of regular students in all curricula, but also for many in the armed services. The research facilities of the University were made available to the prosecution of the war. A great airport came into being, with State and Federal aid.

With the end of hostilities, the needs of the returning veteran became preeminent. Steps were taken to meet the urgent need for housing. The teaching and scientific staffs were enlarged. The administrative organization was improved. Great appropriations were obtained, looking not to the maintenance of affairs as they had been, but to the development of a greater and more vital service to the State.

In all the business of the Board, General Chester R. Davis, Mr. Frank H. McKelvey, and Dr. Martin G. Luken have made a fine contribution. In marking the termination of their service, the Board makes record of its appreciation of their character and their abilities, and extends to them its most cordial good wishes for the future.

On motion of Mr. Fornof, this resolution was adopted, and the Secretary was instructed to send copies to General Davis, Dr. Luken, and Mr. McKelvey.

TELEGRAM FROM MR. McKELVEY

The Secretary read the following telegram from Mr. Frank H. McKelvey.

President, Board of Trustees, University of Illinois
Care of H. E. Cunningham, Secretary, Blackstone Hotel, Chicago

As I reach the end of my services on this Board, I step aside with regret but with the full appreciation of the opportunities for service that have come my way. Being associated with such a fine group is a stimulating experience and has broadened and enriched my life. It has been my privilege to have been actively interested in our University for nearly 47 years and its progress and welfare will always be important to me. I am convinced that a good administration depends on one thing alone and that is the ability of the administrators. We who have had the

good fortune to work with Dr. Stoddard and his associates know full well that quality has not been sacrificed for quantity. May the best interest of the University always have first place in your deliberations.

FRANK H. MCKELVEY

REMARKS BY GENERAL DAVIS

General Davis expressed his thanks for the action of the Board, and said that he enjoyed serving as Trustee for nine years more than anything he has ever done, and that he thought no service was more worth while.

General Davis withdrew.

SERVICES OF MR. FORNOF AS PRESIDENT

On motion of Dr. Meyer, the Secretary was instructed to record in the minutes an expression of the appreciation of the Board for the fair, impartial, and effective manner in which Mr. Fornof had performed his duties as President of the Board during the past year.

On request of President Stoddard, and on motion of Mr. Nickell, the Secretary was instructed to include the President of the University and the executive staff as joining in this expression of appreciation.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board in executive session considered the following matters presented by the President of the University.

HOUSING FOR CHICAGO PROFESSIONAL COLLEGES

(1) A report from Dr. Ivy and Mr. Farr on the negotiations to secure a loan to construct staff and student apartments for the Chicago Professional Colleges.

Dr. Ivy, Mr. Farr, President Stoddard, and Mr. Morey commented on this matter. The report was received for record.

PURCHASE OF FARM LAND

(2) A letter dated March 9, 1949, from Dean Rusk on the progress of the negotiations to purchase farm land (Minutes, February 17, 1949, page 242). The holders of the option demand $675 an acre for the entire tract. Dean Rusk states that three tracts, with a total of 280 acres, now seem to be available at a lower cost. This land would meet the needs of the College of Agriculture better than the Kamerer-Webber tract (the McCullough farm). Dean Rusk recommends that these three tracts be purchased at prices not to exceed those mentioned in his letter of March 9.

On motion of Dr. Meyer, the President of the University was authorized to withdraw the offer for the Kamerer-Webber tract, and to negotiate for the purchase of the tracts now recommended by Dean Rusk and the amount appropriated on February 17, 1949 ($100,000) was made available for the purchase, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Stevenson.

On motion of Mr. McLaughlin, the President of the University was authorized to employ an agent familiar with dealings in farm land.

MIDWEST INTER-LIBRARY CORPORATION

(3) A report of progress on the Midwest Inter-Library program (Minutes, November 19, 1948, page 171). This project was incorporated, "not for profit," March 5, 1949 (see Appendix, page 304).

The Provost commented on this matter.

This report was received for record.

POWER PLANT FOR CHICAGO PROFESSIONAL COLLEGES

(4) A report on the negotiations to interest the Commonwealth Edison Company in building the necessary plant to supply steam and electricity for the Chicago Professional Colleges.

Dr. Ivy commented on this matter.

This report was received for record.

SALE OF LAND TO Y.M.C.A.

At this point, Dr. Meyer requested the Secretary to read the following report of the Committee on the Chicago Departments on the sale of land to the Y.M.C.A. (Minutes, January 13, 1949, page 197).

A meeting of the Committee on Chicago Departments of the Board of Trustees of the University of Illinois was held at 12 o'clock noon on January 20, 1949, at Dr. Karl A. Meyer's apartment, Cook County Hospital, Chicago. Dr. Karl A. Meyer, Chairman, General Chester R. Davis, Mr. Park Livingston were present. Absent, Dr. Martin G. Luken. Also present were Dr. A. C. Ivy, Vice-President in charge of the Chicago Professional Colleges, and H. A. Hazleton, Business Manager of the Chicago Colleges and Divisions who acted as Clerk.

1. The Committee, after a discussion of the sale of certain parcels of land owned by the University in the Medical Center District to the Chicago Y.M.C.A., on motion of Mr. Livingston, seconded by Mr. Davis, voted to recommend that the following resolution be adopted:

Resolved,

A. That the Board of Trustees of the University of Illinois sell to the Y.M.C.A. of Chicago at a price of not less than $12,156.25 the following parcels of land subject to stipulations previously adopted by this Board:

1935-37 West Polk Street described as follows: Lots twelve (12) and thirteen (13) in Potter Palmer Subdivision of lot eleven (11) and part of lot twelve (12) lying south of Polk Street in Codwise's Subdivision of the West Half of the southeast quarter of section eighteen (18) township thirty-nine (39) north, range fourteen (14) east of the third principal meridian in Cook County.

1949-53 West Polk Street described as follows: Lots eighteen (18), nineteen (19) and twenty (20) in Potter Palmer's Subdivision of lot eleven (11) and that part of lot twelve (12) lying south of Polk Street (except Winchester Avenue) in Codwise's Subdivision of the West half (W ½) of the southeast quarter (SE ¼) of Section eighteen (18), Township thirty-nine (39) north, range fourteen (14), east of the third principal meridian, except the west 1.37 chains in Cook County, Illinois.

The property at 1949-53 West Polk Street at the corner of Damen Avenue, was purchased November 28, 1939, at a price of $14,941.70. It contains 9,031.25 square feet and is offered at $1.00 per square foot, or $9,031.25. The reason for the difference in price is that the property when originally purchased contained some improvements, including a tavern, which were immediately demolished. The property is now vacant.

The parcel at 1935-37 West Polk was purchased March 19, 1947, at a price of $2,107.62 and is offered for $3,125, or $.50 per square foot.

B. That the sale of the property above described be on the condition that the Y.M.C.A. agree to erect and maintain on the above described land within five (5) years a building, four stories or more in height to provide among other facilities rooms for rental purposes and the further condition that the Y.M.C.A. agree to make available to students of the University of Illinois in Chicago as well as academic and nonacademic staff members employed by the University or affiliates of the University in Chicago an allotment of rooms for rental purposes comparable to the allotment now made in the present Congress Street Y.M.C.A.

2. On motion of Mr. Davis, seconded by Mr. Livingston, the Committee voted to recommend to the Board of Trustees of the University that the proceeds of the lands sold to the Y.M.C.A. be set aside by the Board of Trustees of the University for the purchase of other land within the Medical Center District.

KARL A. MEYER, *Chairman*
CHESTER R. DAVIS
PARK LIVINGSTON
MARTIN G. LUKEN

H. A. HAZLETON, *Clerk*
January 20, 1949

On motion of Mr. Fornof, this resolution was adopted, the sale of property to the Y.M.C.A. was made, and the proceeds were made available for the purchase of other lands within the Medical Center District as recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Stevenson.

INVITATION FROM GOVERNOR STEVENSON

The Secretary read the following letter from Governor Stevenson.

Mr. Harrison Cunningham March 3, 1949
Administration Building
University of Illinois
Urbana, Illinois

DEAR MR. CUNNINGHAM:

I would be much honored if the Trustees of the University would see fit to have lunch with me, followed by the April meeting of the Board, at the Executive Mansion. I think most any date other than Friday or Saturday would be satisfactory if that serves the Board's convenience.

I have spoken to Kenney Williamson about this, and he suggested my writing you. Let me know if and when it will be convenient and how many will be present.

Sincerely yours,
ADLAI E. STEVENSON
Governor

On motion of Mr. Hickman, this gracious invitation was accepted, the date to be selected by the President of the University and the President of the Board, and the Secretary was instructed to notify the Governor.

OPEN SESSION

When the Board convened in open session, the same members and officers were present as during the morning session; also Mr. I. L. Porter, Treasurer, and Director J. F. Wright.

MISS MARIETTA STEVENSON INTRODUCED

At this point, the President of the Board introduced Miss Marietta Stevenson, Director of Social Welfare Administration, who was present at the invitation of the Board.

APPOINTMENTS TO THE FACULTY MADE BY THE PRESIDENT OF THE UNIVERSITY

The Secretary reported that the President has approved the following new appointments to the faculty of the rank of Assistant Professor and above since the previous meeting of the Board of Trustees:

1. ARTHUR M. MCANALLY, Associate Professor of Library Science, and Assistant Director of the Public Service Departments, in the Library, beginning July 1, 1949, at an annual salary of $6800.
2. HOWARD WILK, Assistant Professor of Hygiene, and Medical Adviser for Men, beginning July 1, 1949, at an annual salary of $5500.
3. GEORGE T. WOODS, Assistant Professor of Veterinary Extension, in the Department of Veterinary Pathology and Hygiene, in the College of Veterinary Medicine, and in the Extension Service in Agriculture and Home Economics, beginning May 1, 1949, at an annual salary of $5000.

On motion of Mr. McLaughlin, these appointments were confirmed.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered the following matters presented by the President of the University.

William Fred Windhorst, Jr. (Mo.)

I concur.

On motion of Mr. Livingston, these certificates were awarded as recommended.

SABBATICAL LEAVES OF ABSENCE, 1949-1950

(2) I recommend that the following members of the staff be given sabbatical leaves of absence during the academic year 1949-1950 in accordance with the provisions of the University of Illinois Statutes and on the terms and for the periods indicated.

The programs of research, study, and travel for which these leaves are being requested have been examined by the University Research Board which advises the President in such matters. The Research Board's report to the President includes a supporting evaluation of the program in terms of benefits to the University and to the individual in each specific case recommended.

Leaves of Absence for the Full Academic Year on One-Half Pay

Garreta H. Busey, Assistant Professor of English
Joseph L. Doob, Professor of Mathematics
B. Vincent Hall, Associate Professor of Zoology
Earl H. Regnier, Associate Professor of Agricultural Economics, July 1, 1950-June 30, 1951
John Van Horne, Professor of Spanish and Italian

Leaves of Absence for One-Half Year on Full Pay

Carroll L. Birch, Associate Professor of Medicine, six months from June 1, 1949
Carleton A. Chapman, Professor of Geology, first semester
John H. Garland, Associate Professor of Geography, second semester
J. Theodore Geissendoerfer, Professor of German, second semester
Paul E. Johnston, Professor of Agricultural Economics, six months from February 1, 1950
Hubert Kessler, Professor of Music, first semester
Russell H. Miles, Professor of Music, first semester
William B. Nevens, Professor of Dairy Production, six months from August 1, 1949
Laurence J. Norton, Professor of Agricultural Economics, five months from September 1, 1949

OLIVER R. OVERMAN, Professor of Dairy Production, six months from April 1, 1950
CHARLES W. ROBERTS, Associate Professor of English, second semester
CARITA ROBERTSON, Assistant Professor of Physical Education for Women, second semester
HAROLD W. SCOTT, Professor of Geology, second semester
ROLAND M. SMITH, Professor of English, second semester
LEE A. SOMERS, Assistant Professor of Horticulture, six months from March 1, 1950
RAYMOND P. STEARNS, Professor of History, first semester
EDWIN L. THEISS, Associate Professor of Business Organization and Operation, first semester
OREN L. WHALIN, Associate Professor of Agricultural Extension, six months from March 1, 1950
CLYDE M. WOODWORTH, Professor of Agronomy, six months from October 1, 1949

LEAVES OF ABSENCE FOR ONE-HALF YEAR ON ONE-HALF PAY

JOHN W. ALBIG, Professor of Sociology, first semester
EDWARD W. DOLCH, Professor of Education, second semester
MORITZ GOLDHABER, Professor of Physics, first semester
FLORENCE M. KING, Associate Professor of Home Economics, six months from March 1, 1950
NEIL E. STEVENS, Professor of Plant Pathology, six months from March 1, 1950

As the summary below will show, the total number of leaves recommended is twenty-nine. Some of these are carried over from preceding years. The numbers of sabbatical leaves granted by the Board of Trustees in the two years immediately preceding the war were twenty in 1938-1939, and twenty-three in 1939-1940. The faculty is, of course, much larger now than it was then.

College	*Full year, half pay*	*Half year, full pay*	*Half year, half pay*	*Total*
Agriculture	1	7	2	10
Commerce and Business Administration	0	1	0	1
Education	0	0	1	1
Engineering	0	0	1	1
Fine and Applied Arts	0	2	0	2
Liberal Arts and Sciences	4	7	1	12
Medicine	0	1	0	1
Physical Education	0	1	0	1
Total	5	19	5	29

On motion of Mr. Nickell, these leaves were granted as recommended.

APPOINTMENTS TO THE BOARD OF DIRECTORS OF THE ATHLETIC ASSOCIATION

(3) The bylaws of the University of Illinois Athletic Association provide for the appointment of its Board of Directors by the Board of Trustees of the University of Illinois at its annual meeting in March of each year. Nominations are made to the Board of Trustees by the President of the University. There are seven members, three selected from the membership of the Alumni Association and four from the faculty of the University.

I submit the following nominations for reappointments and new appointments to the Board of Directors to be effective March 10.

Faculty

FRANK H. BEACH, Associate Professor of Business Organization and Operation
CHARLES W. SANFORD, Associate Professor of Education and Coordinator of Teacher Education
PAUL N. LANDIS, Professor of English and Acting Head of the Department of English
ROBERT G. BONE, Associate Professor of History, Director of the Division of General Studies, and Director of the Division of Special Services for War Veterans (*new appointment*)

Alumni

MILTON M. OLANDER, Class of 1922, Manager of Industrial Relations, Owens-Illinois Glass Company, Toledo, Ohio

LAWRENCE A. PETERSON, Class of 1931, Realtor (L. A. Peterson and Company), 1305 Chicago Avenue, Evanston, Illinois

HARRY E. SCHLENZ, Class of 1927, Vice-President of the Pacific Flush Tank Company, 4241 Ravenswood Avenue, Chicago (*new appointment*)

Professor Bone will replace Professor George B. Weisiger, who has been on the Board of Directors since May 16, 1942. Professor Bone joined the faculty of the University of Illinois in 1934.

Mr. Schlenz will replace Mr. C. E. Lovejoy, Jr., who has been on the Board of Directors since March 9, 1946.

On motion of Mr. Hickman, these appointments were made as recommended.

AWARD OF CONTRACTS FOR REPOWERING AND RELIGHTING PHYSICS BUILDING

(4) On November 19, 1948 (Minutes, page 174), the Board of Trustees appropriated funds for the installation of an improved primary service to furnish 208/120 volt electric service to the Physics Laboratory. This is the first phase of a project to repower and relight the building.

Bids have been received for the general work and the electrical work, which will provide for the installation of primary service connection to and including the main secondary circuit breaker in the transformer room and necessary alterations in that room. The Director of the Physical Plant Department and the Comptroller recommend the award of the contract for the general work to Kuhne-Simmons Company, Inc., Champaign, for $6,379 and for the electrical work to Square Deal Electric Company, LaPorte, Indiana, for $12,400, both being the lowest bidders.

I concur and request that the Comptroller and Secretary of the Board be authorized to execute these contracts.

On motion of Mrs. Holt, these contracts were authorized as recommended.

CURRICULUM IN RESTAURANT MANAGEMENT

(5) The Board of Trustees has authorized the offering of training in restaurant management (Minutes, page 1099, May 29, 1946), subject to the development of an appropriate curriculum. The University Senate has recommended a curriculum leading to the degree of Bachelor of Science in Restaurant Management to be administered by the College of Agriculture and to include the following courses:

Prescribed Courses for Freshman and Sophomore Years	SEMESTER HOURS
Hygiene 102 or 105, Personal and Environmental Hygiene	2
Military (for men)	0–4
Physical Education	4
Rhetoric 101 and 102, Freshman Rhetoric and Composition	6
English Literature (courses to be elected)	6
Psychology	3
Rhetoric 151, Business Letter Writing	2
Sociology 100, Principles of Sociology	3
Economics 108, Elements of Economics	3
Speech 101, Principles of Effective Speaking	3
Bacteriology 104 and 105, Introductory Bacteriology and Laboratory	5
Physiology 103, Mammalian Physiology	4
Chemistry 101 or 102, General Chemistry, and 132, Elementary Organic Chemistry	6–8
Home Economics 130, Introduction to Foods and Nutrition	2
Total	49–55

Prescribed Courses for Junior and Senior Years

Home Economics 131, Foods	3
Home Economics 220, Dietetics	3
Home Economics 240, Quantity Cookery	5
Home Economics 345, Institution Management	3
Home Economics 350, Institution Dietaries and Administration	4
Home Economics 375, Advanced Quantity Cookery and Catering	3
Home Economics 274, Restaurant Interiors	3
Animal Science 104, Selection and Use of Meats	2
Accountancy 101, Principles of Accounting, and 105, Accounting Procedure, or 201, Fundamentals of Accounting	6–3
Accountancy 265, Hotel Accounting	3
Business Law 261, Summary of Business Law	3
Economics 240, Labor Problems	3
Economics 248, Personnel Administration	3
Marketing 101, Principles of Marketing	3
Management 204, Industrial Purchasing	3
Total	47–50
Total prescribed courses	96–105
Total free electives	34–25
Total	130

I concur.

On motion of Dr. Meyer, this curriculum was approved as recommended.

ADMISSION TO THE SCHOOL OF JOURNALISM

(6) The University Senate recommends that the following requirements for admission to the School of Journalism be established effective September 1, 1949, applicable to students entering the University after that date:

"For admission to the School of Journalism as a candidate for a degree a student must be able to matriculate in one of the undergraduate colleges of the University and must offer in addition, fifty-six semester hours of work in one of the undergraduate curricula, exclusive of required courses in physical education and military science. A candidate who seeks admission from another institution must offer the same amount of work in an established curriculum of that institution. No applicant whose grade point average in all college work is less than 3.5 will be admitted except on approval by the School of an individual petition for admission. An applicant for admission will find it to his advantage to include in his pre-journalism curriculum at least six hours of rhetoric and composition, ten hours of science, which may include mathematics, and twelve hours of social sciences (history, political science, economics, sociology, and psychology)."

The School of Journalism is a senior division; two years of college work are required for admission to the professional curricula. The present requirements for admission include a minimum grade point average of 3.25. The change proposed is to increase this to 3.5 with the provision that exceptions may be authorized on individual petitions.

I concur.

On motion of Mr. Livingston, these requirements were established as recommended.

APPROPRIATION OF ADDITIONAL FEDERAL FUNDS TO AGRICULTURAL EXPERIMENT STATION AND EXTENSION SERVICE IN AGRICULTURE AND HOME ECONOMICS

(7) Additional Federal funds have been allotted to the University for research and extension in Agriculture and Home Economics. The following increases in the budget as approved by the Board of Trustees on June 15, 1948, are recommended by the Dean and Director:

Fund	*Salaries and Wages*	*Expense and Equipment*	*Total*
Bankhead-Jones Research	$ 3 105	$ 4 000	$ 7 105
Research and Marketing	13 400	2 481	15 881
Regional Research	14 090	11 960	26 050
Bankhead-Flannagan Extension	90 500	3 317	93 817
Total			$142 853

The principal increase in extension funds will provide for forty-five additional assistants to county farm and home advisers.

I recommend that these funds be appropriated for the purposes indicated above subject to adjustment within the total.

On motion of Mr. McLaughlin, these funds were appropriated as recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Stevenson.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(8) The Committee on Special Appropriations and Nonrecurring Expenditures recommends assignments from the General Reserve Fund for the following purposes:

1. Converting and remodeling Allerton property	$ 80 850
2. University Press for equipment	20 000
3. Department of Biochemistry, College of Medicine, for architectural work in connection with alterations and equipment	10 000
4. College of Commerce for equipment	5 394
5. Exhibition of dynamometer test car at Chicago Railroad Fair during 1949	2 300
6. Plans and specifications for supplying water to Vivarium Building for scientific purposes	1 530
Total	$120 074

I concur.

On motion of Mr. Livingston, these appropriations were made as recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Stevenson.

ARCHITECTURAL SERVICES FOR DEPARTMENT OF BIOCHEMISTRY

(9) In a separate recommendation an appropriation is requested for $10,000 for architectural studies of alterations and equipment installation in the Department of Biochemistry, Chicago. The Physical Plant Department recommends that this work be done by Holabird and Root and Burgee under the standing contract with them for studies of minor improvements in the Chicago Professional Colleges. The charge for that service would be in accordance with the provisions of that contract (Minutes, September 23, 1948, page 89).

I concur and recommend approval.

On motion of Mr. Hickman, this recommendation was approved.

AWARD OF CONTRACT FOR TENNIS COURTS CONSTRUCTION

(10) As a part of the Water Station improvement program, a water reservoir was constructed at the southwest corner of Mathews and Springfield Avenues, thereby eliminating two tennis courts used by the University High School. To replace these, the Director of the Physical Plant Department proposes constructing two tennis courts in the northeast corner of Illinois Field. Representatives of the Athletic Association, the School of Physical Education, and the Building Program Committee have approved this site.

The following bids have been received for the construction of the two courts:

Contractor	*Tennis Court No. 1*	*Tennis Courts No. 1 & No. 2*
Lynne Meyer, Champaign	$6 112 55	$12 370 80
Kuhne-Simmons Company, Inc., Champaign and Decatur	6 341 00	12 643 00
C. A. Petry & Sons, Champaign	6 100 00	12 900 00
Wascher Concrete & Insulation Company, Champaign	6 738 00	14 192 00
Martin Odom, Urbana	9 432 00	19 484 00

The Physical Plant Department and the Comptroller recommend that the contract be awarded to Lynne Meyer, Champaign, for the construction of two tennis courts on the combined bid of $12,370.80.

On motion of Dr. Meyer, this contract was awarded as recommended.

ADDITION TO GENERAL CONTRACT FOR MECHANICAL ENGINEERING BUILDING

(11) The Director of the Physical Plant Department and the Comptroller recommend an increase of $4,350 in the general contract with James McHugh Sons, Incorporated, for the construction of the Mechanical Engineering Building to provide for installing a subsoil drainage system through the center area of the building to prevent ground water seepage through the basement floors. It is recommended that this change order be issued on a cost plus basis (actual cost plus 25 per cent of materials cost and 38 per cent of labor) but not to exceed the sum of $4,350.

Funds are available.

I concur and request that the Comptroller be authorized to execute this addition to the contract.

On motion of Mrs. Watkins, this addition to contract was authorized as recommended.

ADDITION TO CONTRACT FOR CONCRETE WALKS AND DRIVES AT URBANA

(12) The Director of the Physical Plant Department and the Comptroller recommend an increase of $2,470 in the contract with the General Paving Company for construction of a new sidewalk along the north side of Green Street through the campus and the Talbot Laboratory service drive. This increase is to provide for widening Burrill Avenue between Green Street and the bridge over the Boneyard.

The curbs of this street must be repaired due to changes in driveways resulting from the construction of the new Electrical Engineering Building. The widening of Burrill Avenue at this point will be an improvement and will fit in with the future widening of Burrill Avenue from the Boneyard north to Springfield Avenue, will permit the completion of walks and drives on the east side of the new Electrical Engineering Building, and will provide additional parking space for cars.

Funds are available.

I concur and request that the Comptroller be authorized to execute this addition to the contract.

On motion of Mr. Livingston, this addition to contract was authorized as recommended.

ADDITION TO PIPING CONTRACT FOR UTILITIES DISTRIBUTION SYSTEM AT URBANA

(13) The Director of the Physical Plant Department and the Comptroller recommend an increase of $5,047 in the contract with the W. A. Pope Company, Chicago, for installation of piping in the steam tunnel of the utilities distribution system at Urbana.

The work to be done under this addition consists of:

(a) Installation of University-owned vacuum pump in Loop Vault No. 9 between Mumford Hall and the Animal Genetics Building;

(b) Lateral condensate return piping from Mumford Hall, Animal Genetics Building, and Agricultural Engineering Building to new steam tunnel; and
(c) A new condensate return main in the steam tunnel to connect the lateral piping with the vacuum pump in Loop Vault No. 9.

This work is a part of the utilities distribution system, but was eliminated from the original contract because of the uncertainty that sufficient funds would be available. A reserve had to be held for the escalation of prices and for contingencies. The maximum escalation in prices has not materialized and funds are now available for the work proposed under this addition.

I concur and request that the Comptroller be authorized to execute this addition to the contract.

On motion of Dr. Meyer, this addition to contract was authorized as recommended.

ADDITION TO PLUMBING CONTRACT FOR STUDENT AND STAFF APARTMENTS

(14) The Director of the Physical Plant Department and the Comptroller recommend an increase of $6,052 in the contract with E. M. Hays, Champaign, for plumbing installation in the Student and Staff Apartments building, Urbana, for the extension of water service from the utilities distribution system.

When bids were taken on the construction of this building the drawings for this phase of the utilities distribution system had not been prepared. The utilities extensions were considered separately from the building contract. Proposals have been secured from Robert Gordon, Inc., Danville, contractor for the installation of extensions to the general water system of the University, and E. M. Hays, contractor for the installation of plumbing in the Student and Staff Apartments. The Gordon proposal is $8,673 and the Hays $6,052.

Funds are available for this addition in the State appropriation for the Student and Staff Apartments.

I concur and request that the Comptroller be authorized to execute this addition to the contract with E. M. Hays.

On motion of Mr. Fornof, this addition to contract was approved as recommended.

CONTRACT FOR STEAM SERVICE CONNECTION TO STUDENT AND STAFF APARTMENTS

(15) The Director of the Physical Plant Department and the Comptroller recommend the award of a contract to A. Kilander and Company, Chicago, the lowest bidder, for the installation of steam service connections to the Student and Staff Apartments on a base bid of $7,992 subject to a maximum escalation of 10 per cent for changes in cost of material, or increases in labor rates. Funds are available in the State appropriation for the construction of the Student and Staff Apartments.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. McLaughlin, this contract was authorized as recommended.

CONTRACT FOR POWER PLANT EQUIPMENT

(16) The following bids have been received on structural steel for the floor base required for the installation of water treatment equipment in the Abbott Power Plant:

Contractor	*Bid*	*Time Required for Delivery*
Vierling Steel Works, Chicago	$4 080	8 to 10 weeks
Allied Structural Steel Companies, Chicago	4 950	3 months

Both are firm bids. The Director of the Physical Plant Department and the Comptroller recommend the award of the contract to the Vierling Steel Works, Chicago, the lower bidder, at $4,080. Funds are available.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract.

On motion of Mr. Livingston, this contract was authorized as recommended.

PURCHASES

(17) There are submitted a report of an emergency purchase authorized and a list of purchases recommended (see Appendix, page 305).

On motion of Mr. McLaughlin, the action of the President of the University in authorizing an emergency purchase was approved and confirmed, and the purchases recommended were authorized.

COMPTROLLER'S REPORT OF CONTRACTS

(18) The Comptroller's report of contracts executed to March 10, 1949 (see Appendix, page 307).

This report was received for record.

CURRICULUM IN SECRETARIAL TRAINING

(19) The University Senate recommends the establishment of a new curriculum or concentration of courses of study in the College of Commerce and Business Administration to be known as "Secretarial Training." This program is designed for students who wish to prepare for secretarial work requiring a high degree of technical skill and broad business education. It is an Upper Division curriculum open to students who have completed the first two years in the College of Commerce and Business Administration. The course requirements are as follows:

Primary List: At least forty-four hours including the courses shown as required must be selected from the following. *Required:* Management 101; Economics 248; Management 245; Marketing 101; Rhetoric 272; Business Law 261; and Secretarial Training 102, 112, 103, 113, 222, 233. *Elective:* Economics 200, 210, 214, 228, 240, 250, 254, 255, 272, 303, 312, 378, 379.

Secondary List: Fifteen hours of electives must be chosen from courses in history, philosophy, political science, psychology, sociology, and home economics.

Note 1. The program for the Upper Division is open only to students who have completed all of the requirements of the Lower Division. Students in Secretarial Training may substitute Business Computations (Accy. 121) for college algebra.

Note 2. Students will be admitted to typewriting and shorthand for credit only when they have achieved a level of proficiency equal to that reasonably expected from one year of high school or one semester of college work.

Note 3. Students who have had inadequate prior training in typewriting and shorthand may take their instruction in Beginning Typewriting (Sec. Tr. 101) and Beginning Shorthand (Sec. Tr. 111) in the College of Commerce and Business Administration but will receive no credit.

Note 4. Credit for shorthand and typewriting will be allowed for graduation only in the commercial teaching and secretarial training fields of concentration.

Note 5. Credit in shorthand and typewriting toward graduation will be granted only when the entire series of courses in these subjects is completed.

Note 6. Typewriting and shorthand classes will each meet for one class hour, five times a week.

Note 7. All students selecting this field of concentration will be required to complete sixty hours in courses offered in the College of Commerce and Business Administration as a graduation requirement.

Note 8. The secretarial training field of concentration will result in the following distribution of hours in the Upper Division: Required, 32; economics electives, 12; secondary list, 15; free electives, 7 to 11; total, 66 to 70.

I concur.

On motion of Dr. Meyer, this curriculum was approved as recommended.

AWARD OF CONTRACT FOR WELL AT ROBERT ALLERTON PARK

(20) The Director of Robert Allerton Park and the Comptroller recommend award of a contract for the drilling of an eight-inch well at the Park to John Bolliger Sons, Fairbury, the lowest bidder, on the following terms:

1. A base price of $1,875 for the first 150 feet and $8 a foot for each additional foot up to a maximum of 200 feet.

2. The price to the University will be reduced $8 a foot for every foot less than 150, to a minimum depth of 100 feet.

3. If the well is drilled and cased to a depth of 150 feet or more and a production of less than fifty gallons a minute of clear water is not obtained, a credit will be allowed the University of $5 per foot drilled, provided that the contractor is permitted to retrieve and take possession of the screen and casing.

I concur and request that the Comptroller and the Secretary of the Board be authorized to make such a contract. Funds are available in income from farm operations allocated to the Park.

On motion of Mr. Nickell, authority was given as recommended.

APPROPRIATION AND AWARD OF CONTRACTS FOR ADDITION TO ANIMAL GENETICS BUILDING

(21) The Committee on Special Appropriations and Nonrecurring Expenditures recommends that an appropriation of $52,500 be made for construction of an addition to the Animal Genetics Building.

The Director of the Physical Plant Department and the Comptroller recommend that if the appropriation is approved a contract for general work be awarded to Lewis S. Colbert, Champaign, for $34,700 and to Schroeder's, Champaign, for heating and ventilating work for $7,340.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute the contracts as recommended.

On motion of Mr. McLaughlin, this contract was authorized and the appropriation was made as recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Stevenson.

GIFT OF HOLABIRD AND ROOT AND BURGEE

(22) The architectural firm of Holabird and Root and Burgee, Chicago, has given the University a valuable collection of approximately 1,500 volumes of architectural books for the Art and Architectural Reading Room of the Library at the Chicago Undergraduate Division at Navy Pier. The collection is appraised at $9,000.

This gift has been formally presented to the President of the University by Mr. John Wellborn Root, senior partner of the firm. In giving these books he has requested that the collection be known as the "John Augur Holabird Memorial," in memory of the late Colonel John Augur Holabird who was for many years a member of the firm.

I have accepted the collection and request that the Board of Trustees give suitable recognition of this handsome gift.

On motion of Mrs. Holt, this report was received for record and the Secretary was requested to prepare a suitable resolution.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(23) The Committee on Special Appropriations and Nonrecurring Expenditures recommends assignments from the General Reserve Fund for the following purposes:

1. College of Veterinary Medicine for building improvements (remodeling of Veterinary Pathology Laboratory, remodeling of grounds, department barn and lots temporarily used for large animals)		$32 500
2. Street improvements, University's share of cost		2 650
Widening and resurfacing of Daniel Street, Champaign	$1 725	
Excavating, drainage, concrete pavement, and curbs on Edwin and Eureka Streets, Champaign	925	
3. University Library for purchase of books and periodicals		15 000
4. Remodeling in Talbot Laboratory		7 100
5. Department of Chemistry for equipment		10 000
Total		$67 250

I concur.

On motion of Mr. Livingston, these appropriations were made as

recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Stevenson.

AWARD OF CONTRACT FOR SWITCHGEAR IN UTILITIES DISTRIBUTION SYSTEM AT CHICAGO PROFESSIONAL COLLEGES

(24) Bids have been received on switchgear for the Chicago Illini Union Building substation, which is part of the utilities distribution system at the Chicago Professional Colleges.

The University at the present time is receiving an electric rate from Commonwealth Edison Company based on one point delivery although there are actually four delivery points. The Commonwealth Edison Company has continued the rate based on one point delivery with the understanding that at a later time in the coming biennium it will be reduced to one point delivery. The switchgear recommended will reduce the point of delivery from four to three.

It is recommended that the contract for this installation be awarded to the Sorgel Electric Company, Milwaukee, Wisconsin, the lowest bidder for $13,691. Funds are available in the State appropriation for the utilities distribution system in Chicago.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract.

On motion of Mr. Nickell, this contract was awarded as recommended.

REVISION OF BIENNIAL APPROPRIATION FOR 1947-1949

(25) State appropriations made to the University for operations are in accordance with classifications of expenditures specified by the State Finance Act and are subject to its provisions. It is necessary to request the 66th General Assembly of Illinois to pass an emergency act reallocating, by object classifications, the appropriation to the University for the current biennium, 1947-1949. This will not require any increase in the current biennial appropriation but will authorize the use of funds already appropriated although not available without legislative readjustment of the budget.

I recommend that the Board authorize the officers of the University to secure such legislation.

On motion of Mr. Nickell, authority was given as recommended.

SECRETARY'S REPORT OF CONTRACT

The Secretary presented for record the following document signed by the President and the Secretary of the Board, and deposited with the Secretary since the last report.

Northern Trust Company of Chicago, Deposit agreement for $800,000 Women's Residence Halls Revenue Bonds, dated February 15, 1949.

REPORTS OF THE SECRETARY

The Secretary reported also for record the following lists, as printed in the Appendix.

1. Appointments made by the President of the University (page 302).
2. Graduate fellows (page 303).
3. Leaves of absence (page 303).
4. Resignations, declinations, terminations, and cancellations (page 304).

The Board adjourned.

H. E. CUNNINGHAM
Secretary

KENNEY E. WILLIAMSON
President

JONES, G. P., Assistant, Naval Science — termination effective 2-8-49.

PEASE, MRS. MARGUERITE J., Editor, Illinois Historical Survey (Graduate College) — cancellation effective 2-1-49.

SCHOCKEN, VICTOR, Research Assistant, Botany (Graduate College) — resignation effective 3-16-49.

STINE, LEONARD A., Clinical Assistant, Medicine (Medicine) — resignation effective 2-8-49.

MIDWEST INTER-LIBRARY CORPORATION

The Midwest Inter-Library Corporation was incorporated on March 5, 1949, under the Illinois General Not For Profit Corporation Act. The purposes of the organization are to establish and maintain an educational, literary, scientific, charitable, and research inter-library center; to provide and promote cooperative, auxiliary library services for nonprofit educational, charitable, and scientific institutions; to establish, conduct, and maintain a place or places for the deposit, storage, care, delivery, and exchange of books, pamphlets, photographs, motion-picture film, phonograph records, and other articles or documents containing written, printed, or recorded matter, and services of all kinds with respect thereto, and circulate and distribute any and all educational, literary, scientific, or scholarly publications, books, catalogs, and periodicals dealing with books and other material deposited in said library or available in participating or other libraries.

The Board of Directors of the new corporation are: President E. C. Colwell, University of Chicago; President Henry T. Heald, Illinois Institute of Technology; Provost Coleman R. Griffith, University of Illinois; Director R. E. Ellsworth, University of Iowa; Judge Ora L. Wildermuth, Gary, Indiana; Dean J. H. Nelson, University of Kansas; Dean W. H. Combs, Michigan State College; Vice-President W. T. Middlebrook, University of Minnesota; Director Jens Nyholm, Northwestern University; and Mr. R. W. Kettler, Purdue University.

At a meeting of the Board of Directors of the new corporation on March 9, 1949, President E. C. Colwell was named Chairman of the Board and Provost Coleman R. Griffith as Vice-Chairman.

The Board approved the Bylaws of the Corporation, instructed the Executive Committee, composed of the Chairman, the Vice-Chairman, President Heald, Vice-President Middlebrook, and Director Ellsworth to accept, on behalf of the corporation, an unrestricted gift of $500,000 from the Carnegie Corporation of New York, to accept a contingent gift of $250,000 from the same corporation, and to seek ways and means of removing this contingency by securing an additional gift of $250,000 from some other source. The Rockefeller Foundation of New York is known to be interested in the project and a petition will be addressed to this Foundation for an appropriation of $250,000 to the Inter-Library Center. The total

fund of $1,000,000 will be used for the construction costs of the Center and for initial operating costs.

The Executive Committee is now pushing plans to select a site for the Center, presumably in the City of Chicago, to find a Director of the Center, and to perfect the other arrangements necessary to such a large enterprise.

The Inter-Library Center is one of the most forward steps ever taken in the regional organization of resources for scientific, cultural, and scholarly work. Little-used materials in the participating libraries will be housed in the Center. By this concentration at the Center, a great research library can be established, but at the same time the participating institutions will be able to expand their holdings in the areas that are most useful for their own facilities. Full coordination with and speedy exchange between the participating libraries give dramatic promise of more useful service to research and scholarship throughout the midwest area.

PURCHASES

Purchase Authorized

The following purchase has been authorized by the President of the University on the recommendations of the Director of Purchases and the Comptroller.

Item	*Department*	*Vendor*	*Cost*
Twenty donut sections; 40 donut sections without snout	Physics	Colonial Insulator Co., Akron, Ohio	$1 700 00

Due to the experimental nature of the work, the order will be written subject to cancellation by either party, pending the production of a satisfactory sample. In event of cancellation, the University will be liable for a mold charge, only, of $200.

Purchases Recommended

The Director of Purchases has proposed and the Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest bid.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

April 21, 1949

With Executive Committee Meeting of March 29, 1949

The April meeting of the Board of Trustees of the University of Illinois was held on Thursday, April 21, 1949, at the Executive Mansion, in Springfield, according to the following schedule:

10 a.m. — Executive session as in Committee of the Whole.

12 m. — Open session.

All the members were present: President Williamson, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Governor Stevenson, Mrs. Watkins.

President Stoddard was present; also Vice-President A. C. Ivy, Provost C. R. Griffith, Assistant to the President A. J. Janata, Secretary H. E. Cunningham, Comptroller Lloyd Morey, Legal Counsel W. E. Britton, and during part of the day, Director J. F. Wright.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of March 10, 1949.

On motion of Mr. Livingston, the minutes were approved as printed on pages 285 to 308 above.

REPORTS OF THE EXECUTIVE COMMITTEE

The Secretary presented for record the following actions of the Executive Committee since the March meeting of the Board.

Closing of Galesburg Division

The Executive Committee on March 15, 1949, approved a recommendation of President Stoddard that the Galesburg Undergraduate Division be closed as of June 30, 1949.

Purchase of Farm Land

The Executive Committee on March 16, 1949, accepted an offer of Gordon F. Kamerer and Charles M. Webber, of Urbana, to sell the 320-acre McCullough farm to the University at $500 an acre, plus $3,000 legal expenses already incurred. Messers. Kamerer and Webber executed a contract of sale and the University issued a formal acceptance of the contract, and made a payment of $8,000.

The Executive Committee also approved the purchase from the Sullivan heirs of two tracts of forty acres each, described as follows:

> The SE¼ of the SE¼ of Section 19, and the NW¼ of the NE¼ of Section 30, both in Township 19 North, Range 9 East of the 3rd P.M.

at a price not to exceed $800 an acre. The Executive Committee made an additional assignment of $7,000, and made the combined appropriation of $107,000, or so much thereof as may be necessary, available for payments on the purchase of the McCullough farm and the two Sullivan tracts.[1]

Contracts for Steam Distribution System

The Executive Committee on April 9, 1949, approved the award of contracts to the lowest bidders for construction of concrete tunnel and installation of piping from the Dairy Manufacturers Building east to the site of the College of Veterinary Medicine Science Building, as follows:

Construction of tunnel: Kuhne-Simmons Company, Inc., $84,775

Installation of piping: William A. Pope Company, $16,970 (plus escalation not to exceed 18%)

On motion of Mr. Livingston, the President of the University was requested to send to Mr. Gordon F. Kamerer and Mr. Charles M. Webber an expression of the Board's appreciation of their public service in this transaction.

On motion of Mr. McLaughlin, the Board made record of it appreciation of the services of President Stoddard and Dean Rusk in negotiating these purchases of land at such favorable terms.

Executive Committee Meeting, March 29, 1949

The Executive Committee of the Board of Trustees of the University of Illinois met at the University Club, 76 East Monroe Street, Chicago, Illinois at 6:30 p.m., Tuesday, March 29, 1949. Present: Mr. K. E. Williamson, Chairman, Mr. John R. Fornof, and Mr. Park Livingston, members of the Committee; also Dr. George D. Stoddard, President, Dr. A. C. Ivy, Vice-President in charge of the Chicago Professional Colleges, Mr. Lloyd Morey, Comptroller, Mr. William E. Britton, Legal Counsel, and Mr. H. A. Hazleton, Business Manager, Chicago, who acted as Clerk.

[1] The Comptroller reported on April 21, that the appropriation of $7,000 was not necessary, and that the total payments on these lands for the current fiscal year would be $64,000, and that the balance had been lapsed into the General Reserve.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Executive Committee considered the following matters presented by the President of the University.

CHICAGO HOUSING PROJECTS

(1) As a result of conferences between representatives of the University, the Medical Center Commission, and the Equitable Life Assurance Society of the United States, concerning the financing of housing projects for the Chicago Professional Colleges, the following procedures are proposed:

1. The Medical Center Commission will request a loan from the Equitable Life Assurance Society of the United States for funds with which to construct a staff apartment building and a student residence hall in Chicago as well as some equipment for the buildings constructed and the remodeling of properties now existing on the site adjacent to the staff apartment building.

2. The Medical Center Commission on the basis of a commitment from the Assurance Society to make such a loan will endeavor, with the cooperation of the University, to secure temporary financing for the purpose of constructing and partially equipping the buildings as well as the remodeling of existing properties.

3. The buildings will be built from plans prepared by the University architects and the construction will be supervised by University architects.

4. The contracts for the construction of the buildings will be let by the Medical Center Commission with the approval of the Board of Trustees of the University.

5. Upon completion of the buildings, the Medical Center Commission will issue its revenue bonds as the basis of the loan from the Assurance Society.

6. The Medical Center Commission will lease the properties so constructed, as well as existing properties, to the University of Illinois at a rental and for a period of time necessary to amortize the loan. This lease will be assigned by the Medical Center Commission to the Assurance Society as Security for the loan.

7. The Medical Center Commission will agree to convey the properties to the University at any time the University is willing to pay the outstanding principal of the loan with any interest due, thus discharging the Medical Center Commission from any liability to the Assurance Society.

8. The Medical Center Commission also agrees that if the University carries the lease until the entire bond issue is paid the Medical Center Commission will convey the property to the University of Illinois at that time.

9. The University agrees to convey the site for the residence hall to the Medical Center Commission, if this is necessary.

10. The loan requested is to be at 4 per cent with level semi-annual payments of principal and interest based on a twenty-five-year amortization schedule, the outstanding balance at the end of twenty years to be due and payable at that time.

On motion of Mr. Fornof, the Executive Committee recommended approval of this plan. This will require rescinding a resolution adopted by the Board of Trustees on October 21, 1948 (Minutes, page 136), declared as a matter of general policy that the land for these housing projects be acquired by the University in fee simple and not be leased.

CONTRACTS FOR SMALL HOMES COUNCIL HOUSING RESEARCH PROJECT

(2) The Board of Trustees, through its Committee on Buildings and Grounds and Executive Committee (Minutes, January 13, 1949, pages 196 and 226-227) has authorized the construction under the supervision of the Small Homes Council of approximately thirty houses as a research and demonstration project and for rental to members of the faculty. An appropriation of not to exceed $325,000, to be supplemented by a loan, was made for this project. The total cost was estimated at $412,000.

Bids have been received on the general work (complete construction of the houses), site improvements, and landscaping. The lowest bid on house construction

is well within the Small Homes Council estimate. However, due to improvements in the site plan and landscaping, and the addition of garages and breezeways to all houses, the total cost of the project is now estimated at $465,000. A loan of $140,000 plus the appropriation of $325,000 will provide enough funds to complete the project. The Comptroller has surveyed sources of borrowing and all replies indicate that net income from rentals will be adequate to amortize a loan of $140,000 in approximately fifteen years, the amortization period specified by the Board.

Submitted herewith are Schedule A, Capital Budgets for this Project; Schedule B, Estimated Annual Income and Expenses; and Schedule C, List of Bids Received.

The Director of the Physical Plant and the Comptroller recommend the award of contracts to the following firms who were the lowest bidders in each case:

General work	Continental Builders, Joliet[1]	$361 090 15
Site improvements	General Paving Co., Champaign	41 648 40
Landscaping	Grundstrom Co., Glenview	11 277 13

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts. I further recommend that the Comptroller be authorized to secure offers of funds to be borrowed and to submit such proposals to the Board of Trustees through the Finance Committee.

On motion of Mr. Livingston, authorization was given as recommended.

CONTRACT FOR COLLEGE OF VETERINARY MEDICINE IMPROVEMENTS

(3) The Director of the Physical Plant Department and the Comptroller recommend an addition to the standing contract with Lewis S. Colbert, Champaign, for remodeling in the Veterinary Pathology Laboratory at an estimated cost of $21,583. Funds are available in a special appropriation made by the Board of Trustees for this purpose.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Fornof, authorization was given as recommended.

RESOLUTION AUTHORIZING CONVEYANCE OF EASEMENT

(4) *Whereas,* the residue and remainder of the Estate of Harry G. Wright was devised to the University of Illinois, to be administered by the College of Agriculture of the University insofar as practicable in the judgment of its Board of Trustees, and used for the purpose of promoting agricultural education and for founding scholarships, but nevertheless the use made of the devise and bequest thereunder was to rest in the sole discretion and judgment of its Board of Trustees; and

Whereas, a portion of said residue was a certain lease of land on the southerly shore of Big Sand Lake in Vilas County, Wisconsin (theretofore assigned to said decedent whereon was erected a small summer home), together with an easement for a private road over adjoining property to connect with Wisconsin State Highway No. 70; and

Whereas, R. F. McCormick and H. D. Fisk, the Executors under said will, pursuant to an order entered May 20, 1941, in the County Court of DeKalb County, Illinois, executed and delivered to Park Livingston, as purchaser, an instrument purporting to convey the aforementioned property and interest; and

Whereas, said purchaser has been advised that the said Executors' deed may not be under the laws of the State of Wisconsin sufficient to convey the title or interest of Mr. Wright, and has requested that the University of Illinois, as such residuary devisee, execute and deliver to him a deed, in form now before this meeting, conveying the interest of the University in said premises:

Now, Therefore, Be It and It Is Hereby Resolved that, in the discretion and judgment of this Board of Trustees, the property and interests so conveyed by the Executors of the Estate of Harry G. Wright, due to the character and location

[1] See below, page 313.

thereof, are deemed impracticable to be administered and used for the purpose of promoting agricultural education and for founding scholarships, and that the action of said Executors above mentioned is hereby ratified and approved and, in view of the fact that the consideration therefor paid by said purchaser has been received by said Executors, that the President and Secretary execute, acknowledge, and deliver, for and on behalf and in the name of the Board of Trustees of the University of Illinois, a deed to said property and interests in the form now before this meeting; conveying

The leasehold estate created by that certain lease from the Eagle River Fishing and Shooting Club to George E. Nye, demising and leasing for a term of ninety-nine years, Lot Five (5) in Section Two (2), Township Forty-one (41) North, Range Twelve (12) East of the Fourth Principal Meridian, otherwise described as: Commencing at the Southwest corner of said Section Two (2) and thence East along the Section line between said Section Two (2) and Section Eleven (11) in said Township and Range, a distance of two hundred (200) feet; thence North to Sand Lake; thence in a Southwesterly direction to where the Section line between said Section Two (2) and Section Three (3) in said Township and Range intersects Sand Lake; thence South along said Section line to the point of beginning. Also

All right, title, and interest in and to that certain easement for use as a highway over, across and upon the Northwest quarter of Section Eleven (11) in the Township and range aforementioned reserved by Vinnie C. Nye in her deed conveying the premises last mentioned to the Government of the United States of America, recorded in Deed Book 64, page 554.

On motion of Mr. Fornof, the resolution was adopted.

CHICAGO HOUSING PROJECTS

On motion of Mr. McLaughlin, the Board reconsidered and rescinded its resolution of October 21, 1948 (Minutes, page 136), with reference to the Chicago housing projects, and adopted the plan and method of procedure contained in item 1, parts 1 to 10 inclusive, of the minutes of the Executive Committee of March 29, 1949.

SMALL HOMES COUNCIL HOUSING RESEARCH PROJECT

The Legal Counsel reported that he had received information that the lowest bidders on general work for the Housing Research Project had not supplied, and probably could not, because of other commitments, supply a bond within thirty days from the opening of bids.

On motion of Mr. Livingston, the Board voted to authorize the Director of the Physical Plant Department to reject all other bids for general work and to advertise for new bids for general work on the Housing Research Project, with fifteen-day limit, if the lowest bidder should fail to supply a satisfactory bond within thirty days from the opening of the bids.

On motion of Mr. Fornof, the Comptroller was authorized to extend the amortization period of the loan for this project to twenty years if necessary.

CONVEYANCE OF EASEMENT

On motion of Mr. Fornof, the action of the Executive Committee in executing a conveyance of land and easement to right-of-way in Wisconsin (part of the estate of the late Harry G. Wright) was approved and confirmed.

APPOINTMENTS TO THE FACULTY MADE BY THE PRESIDENT OF THE UNIVERSITY

The Secretary reported that the President has approved the following new appointments to the faculty of the rank of Assistant Professor and above since the previous meeting of the Board of Trustees:

1. DAVID W. BELCHER, Assistant Professor of Management, in the Business Management Service, beginning July 1, 1949, at an annual salary of $6,000.
2. WILLIAM M. CAPRON, Assistant Professor of Economics, beginning September 1, 1949, at an annual salary of $4,500.
3. EDWARD CHAINSKI, Clinical Assistant Professor of Otolaryngology, in the College of Medicine, beginning March 1, 1949, without salary.
4. JOHN A. COCHRAN, Assistant Professor of Economics, beginning September 1, 1949, at an annual salary of $4,500.
5. ANDREW L. COMREY, Assistant Professor of Psychology, beginning September 1, 1949, at an annual salary of $4,000.
6. ARNOLD C. CONDON, Associate Professor of Secretarial Training, in the Department of Business Organization and Operation, beginning September 1, 1949, at an annual salary of $6,000.
7. FRED W. FOSTER, Associate Professor of Geography, beginning September 1, 1949, at an annual salary of $5,500.
8. HAROLD MARSH, JR., Assistant Professor of Law, beginning September 1, 1949, at an annual salary of $6,000.
9. ROBERT J. MAURER, Associate Professor of Physics, in the College of Engineering, beginning September 1, 1949, at an annual salary of $7,000.
10. FREDERICK SEITZ, Professor of Physics, in the Graduate College, beginning September 1, 1949, at an annual salary of $11,000.

On motion of Mrs. Watkins, the action of the President in making these appointments was confirmed.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered in executive session the following matters presented by the President of the University.

VISIT OF GENERAL ASSEMBLY

(1) Following a custom of many years' standing, the Sixty-sixth General Assembly of Illinois will make its biennial visit to the University of Illinois (Urbana-Champaign campus) on April 28-29 for the purpose of inspection. A large delegation is expected.

The expenses of this visit are paid by the University and the Board has usually made a special appropriation for that purpose. I recommend that the Public Functions Fund of the President's Office for the current fiscal year of 1948-1949, be supplemented by an assignment of $2,500 for this purpose.

On motion of Mr. McLaughlin, this appropriation was made as recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Stevenson.

LEAVE OF ABSENCE FOR DEAN HOWARD R. BOWEN

(2) Dean Howard R. Bowen of the College of Commerce and Business Administration has been asked by the Department of the Army to serve on a Commission to review the public finances of Japan during the months of June and July. The purpose of the commission would be to review its tax system and ways and means of balancing its budget and repressing inflation.

I recommend that Dean Bowen be given a leave of absence with pay from June 1 to August 1, 1949, for this purpose.

On motion of Mrs. Holt, this leave was granted as recommended.

TRAINING PROGRAM FOR NURSES

(3) The Board of Directors of the Cook County School of Nursing requests an affiliation with the University of Illinois whereby a student may receive a diploma in nursing from the Cook County School of Nursing and a Bachelor of Science in Nursing from the University of Illinois, provided the student has fulfilled the University's requirements for the degree.

The University Senate recommends approval of a training program for nurses according to the following plan:

1. A two-year pre-professional curriculum in nurses training to be offered at Urbana-Champaign and at the Chicago Undergraduate Division (Navy Pier).

2. The requirements for admission will be the same as those required for admission to the Cook County School of Nursing.

3. The curriculum of the Cook County School of Nursing will be accepted as fulfilling the requirements for the degree of Bachelor of Science in Nursing.

Any subsequent changes in this curriculum will be subject to approval by the University Senate and the Board of Trustees.

I submit a memorandum prepared by the Vice-President in charge of the Chicago Professional Colleges in consultation with representatives of the Cook County School of Nursing, the Cook County Hospital, and the Cook County Board of Commissioners which presents the proposed plan of affiliation with the University of Illinois in detail (see Appendix, page 348).

I recommend approval of this training program and plan of affiliation.

President Stoddard, Dr. Ivy, Provost Griffith, and Dr. Meyer commented on this program.

On motion of Mr. Livingston, this training program and plan of affiliation were approved as recommended.

CONTRACT WITH ILLINOIS WATER SERVICE COMPANY

(4) On April 10, 1948 (Minutes, page 1072), the Board of Trustees voted to contract with the Illinois Water Service Company for furnishing the entire water supply of the University at Urbana-Champaign. The conditions of such a contract will provide that the University shall pay rates approved by the Illinois Commerce Commission. The rate schedule which the Company submitted to the Commission at that time would have increased rates then in effect by approximately 50 per cent in the bracket applicable to maximum University consumption (over 300,000 cubic feet per quarter) for softened water but the rates subsequently approved by the Commission are based on iron free water only. The rate applicable to the quantity bracket of over 300,000 cubic feet per quarter was increased from six cents per 100 cubic feet per quarter to seven cents, or an increase of 16⅔ per cent instead of from six to eight cents as requested by the Company. The comparative schedule of rates is:

RATES PER 100 CUBIC FEET PER QUARTER

	Previous rate schedule — *Iron removal only*	*Rate schedule tentatively accepted by Board of Trustees April 10, 1948*	*New schedule submitted to Illinois Commerce Commission*	*Schedule approved by Illinois Commerce Commission*
First 9,000 cu.ft.	$.25	$.40	$.33[1]	$.32[1]
Next 9,000 cu.ft.	.18	.30	.23	.20
Next 12,000 cu.ft.	.10	.20	.13	.13
Next 270,000 cu.ft.	.06	.10	.08	.08
All over 300,000 cu.ft.	.06	.09	.08	.07

[1] First 700 cu. ft. per quarter, $2.50.

The Company can not furnish softened water as originally contemplated. The charge for iron free (rather than softened) water, in the bracket of maximum University consumption (over 300,000 cubic feet per quarter), as now approved by

the Illinois Commerce Commission, will be seven cents per 100 cubic feet per quarter, instead of the rate of nine cents previously requested for softened water. While softened water is desirable, it is not essential and was not requested by the University.

It was originally proposed that the Company would provide and maintain all metering facilities. The meters were to be of the volumetric type with straight reading horizontal register and recording only the volume consumed, and not the rate of flow. From the University's point of view, recording the rate of flow is desirable. Contracts for the University's water station improvements now under construction call for a Venturi meter which will record both rate of flow and quantity consumed. Installation of an additional meter by the Water Company would require the University to construct a meter vault. The Company is willing to use the Venturi meter provided by the University.

The contract as now drafted provides that:

a. The Water Company will proceed as rapidly as possible to deliver water needed by the University.

b. Not later than two years from the date of the agreement it will begin to furnish the entire requirements of the University.

c. In the interim the University will use its own facilities and supply together with water purchased as needed.

d. After the Company begins to supply the entire requirement, the University facilities will be maintained for emergency use only.

e. The adequacy of water service will be determined by the National Board of Fire Underwriters.

f. The quality of water furnished will be based on the standards of the United States Public Health Service for drinking water.

g. If the Water Company at any time fails to furnish an adequate or potable supply or to take steps toward correcting any deficiencies within six months, the University is relieved of its obligations under the contract.

h. Subject to constitutional and statutory limitations on biennial appropriations, the agreement runs for thirty years subject to the right of either party to terminate at the end of any ten-year period on two years' written notice.

i. The University agrees to comply with all rules and regulations of the Water Company approved by the Illinois Commerce Commission, and shall have a period of five years in order to install such facilities and to do the work required to comply with such regulations. Water furnished under this agreement may be used by the University for cooling purposes or other processing purposes comparable with any industrial use permitted by the Water Company.

Chapman and Cutler, attorneys of Chicago, have recommended that the Board of Trustees adopt the following resolution:

Be It Resolved by the Board of Trustees of the University of Illinois that the following agreement for the purchase of water by the University of Illinois from the Illinois Water Service Company, to wit:

AGREEMENT FOR PURCHASE OF WATER

This agreement, made and entered into this 21st day of April, 1949, by and between ILLINOIS WATER SERVICE COMPANY, a private corporation organized and existing under the laws of the State of Illinois (hereinafter referred to as the "Water Company"), and the UNIVERSITY OF ILLINOIS, a public corporation organized and existing under and by virtue of the laws of the State of Illinois (hereinafter referred to as the "University"),

WITNESSETH, as follows:

Whereas, the Water Company is a public utility subject to regulation by the Illinois Commerce Commission and owns and operates a system of wells, together with water treatment facilities, water mains and distribution facilities, and is presently engaged in the business of furnishing water service in the Cities of Champaign and Urbana, Illinois; and

Whereas, the University likewise owns certain wells, a distribution system and other facilities capable of furnishing a part of the water service requirements of the University; and

Whereas, for reasons of economy the University is desirous of contracting with the Water Company for the furnishing of the entire water supply of the University, and the Water Company is willing to furnish such water supply upon the terms and conditions hereinafter set forth;

Now, Therefore, in consideration of the mutual covenants and agreements herein contained, the parties hereto have agreed, and do hereby agree, as follows:

1. Subject to the remaining terms and provisions of this agreement, the Water Company agrees to sell and deliver to the University at the point of delivery hereinafter specified, and the University agrees to purchase and take at said delivery point, all water required by the University for use on the campus and in all buildings or other structures owned or operated by the University in and about the Cities of Champaign and Urbana, Illinois, and which may now or hereafter be connected to the distribution system maintained by the University. It is understood, however, that the Water Company is now in process of drilling additional wells to augment its supply and expects to install additional water treatment facilities and will not be able to furnish the entire requirements of the University until approximately two (2) years after the execution and delivery of this agreement. Accordingly, it is agreed that the Water Company shall proceed as speedily as possible to do all work necessary to enable the Water Company to furnish the entire requirements of the University and in the meantime the University may take and the Water Company shall, to the extent that it is able to do so, deliver such amounts of water as may be needed by the University to supplement its own water production. Such supplementary water shall be taken through existing connections and, insofar as possible, at night. In any case, the Water Company shall begin furnishing the entire requirements of the University not later than two (2) years after the date of this agreement.

2. The University agrees to pay to the Water Company for all water furnished to the University according to the applicable rates from time to time on file with the Illinois Commerce Commission or such other regulatory body as may from time to time have jurisdiction over such water rates. The Water Company shall render bills for such water service to the University on a monthly basis and the amount of each bill shall be payable on or before the 25th day after the rendering of the bill, and, if paid thereafter, the applicable penalty or discount contained in any rate schedule then in force will be added or withdrawn. The Illinois Commerce Commission has heretofore directed that the Water Company shall, in its present rate schedule give recognition, in the form of lower rates, to consumers using in excess of 300,000 cubic feet of water per quarter and the Water Company has, in compliance with such direction, filed a rate schedule with said Illinois Commerce Commission providing for such a lower rate to such consumers. The Water Company agrees that it will, in any rate schedule hereafter filed, recommend similar recognition and consideration to the University and other consumers using extraordinarily large quantities of water. It is understood that any rate schedule which shall hereafter be filed must necessarily be approved by the Illinois Commerce Commission or any other regulatory body having jurisdiction over water rates.

3. The point of delivery of the water to be furnished hereunder shall be at a service valve to be furnished by the Water Company and to be located north of the south property line of Springfield Avenue, between Romine and Matthews Streets, in Urbana, Illinois, and after installation of such service valve all such water shall be furnished through a Venturi meter (hereinafter sometimes called the "Master Meter") to be furnished and paid for by the University. Pending the installation of said service valve and meter, water shall be furnished hereunder through the presently available connections and meters. It is understood that there is now being maintained a connection at a point south of the Auditorium on Armory Avenue extended where water is now being furnished to the University and that after the installation of said service valve, the said connection and the meter located at said connection shall continue to be owned and shall be maintained by the University, but that said connection shall not be used for the purpose of furnishing water to the University after the Water Company has notified the University that it will furnish all of the University's requirements, except in case of emergency and then only upon notice to the Water Company by the University

of its intention to use the same. If said connection shall be used after the Water Company is furnishing all of the University's requirements, the water flowing through the meter at said connection shall be added to the amount flowing through the Master Meter for the purpose of billing in any billing period during which the said connection may be in use for emergency purposes. A minimum charge shall be made to the University in respect of this connection equal to the minimum charge fixed in the rate schedule of the Water Company in force at the time and applicable to the size of meter then in use, and the University shall be given credit for the amount of water allowed for such minimum charge in any such rate schedule. The University shall provide space for the said Master Meter, and if a meter vault is required, the same shall be built by the University at its expense in accordance with specifications to be furnished by the Water Company.

The division of responsibility for the maintenance of the respective facilities of the Water Company and the University shall be at the said service valve to be furnished by the Water Company, and the Water Company shall not be required to provide more than one service line leading to such valve unless required by the National Board of Fire Underwriters. The University agrees to construct, maintain and operate at its sole cost and expense all equipment and facilities (including all service connections) beyond the delivery point which may be necessary to take and utilize the water furnished by the Water Company. It is understood that the University now and hereafter may desire metered water service to buildings and facilities of the University located on or off the campus and which are not, or may not hereafter, be connected with its distribution system and that with respect to any such metered water service a separate bill shall be rendered monthly or quarterly, at the discretion of the Water Company, to the University for each such meter so furnishing water at the applicable rates from time to time in force for such metered water service, and that the amount of the water furnished through such metered water service shall not be considered as a part of, nor added to, the amount of water furnished through the Master Meter. Such metered water service shall be furnished under such rules, regulations and conditions of service applicable to other customers of the Water Company as may be in force and effect during the time service is received by the University. In order to eliminate the necessity of the University using its pumping equipment, the Water Company agrees to operate its pumping equipment so as to fill its elevated storage tank located on North Champaign Street, extended, Champaign, Illinois, and which has a capacity of approximately one million (1,000,000) gallons, at least once in twenty-four hours, which operation of the Water Company's pumping equipment should be sufficient to fill the University's present elevated tank within the same 24 hour period. In the event that the said elevated storage tank of the Water Company should not be filled once in 24 hours or be out of service for any reason, the Water Company agrees to maintain operating pressures at its pumping station at least equal to those with which it maintains on an average daily basis while the said elevated storage tank is in service. In any case, the University shall be responsible for the pressure in its mains and distribution system for fire protection purposes.

4. It is understood that all water to be furnished hereunder shall be potable water and the standards of the United States Public Health Service for drinking water shall be the standards used in determining potability. It is further understood that the Water Company, after the expiration of a period of two (2) years from the date of this agreement, shall at all times furnish to the University an adequate supply of water, and if any question shall arise as to the adequacy of such water supply, the question shall be determined by the National Board of Fire Underwriters. In case of any deficiency either in potability or adequacy, the Water Company shall not be in default hereunder if, within six (6) months after such deficiency occurs, it shall commence the necessary engineering studies and place orders for all materials that such engineering studies indicate are necessary and take such other steps as may be necessary to correct the then existing deficiency, and pursue the same to completion within a reasonable time, and if the Water Company shall not take steps to correct the then existing deficiency in the manner and within the time above specified, the University shall, at its option, be relieved of its obligation under this agreement. Notwithstanding the foregoing, the Water Company shall not be required to correct any deficiency when the Water

Company is unable to correct such deficiency for reasons as set forth in Section 10 hereof. The adequacy of the water supply furnished to the University shall be determined at the point of delivery at the service valve and Master Meter above mentioned, as determined from time to time by the National Board of Fire Underwriters, and in any case a water supply at the rate of one thousand (1,000) gallons per minute, United States Standard Liquid Measure (or such other amount as the parties hereto shall agree upon), shall be deemed to be adequate for all purposes of this agreement unless the National Board of Fire Underwriters shall determine otherwise. The Water Company agrees to conduct such studies as may be necessary for the long term future water supply of the University and the community and to furnish to the University such physical plant data as may be necessary to assure the University of the adequacy of the water supply, but the Water Company shall not be required to furnish such data more than once in each calendar year.

5. The University agrees to comply with all of the rules and regulations of the Water Company from time to time on file with the Illinois Commerce Commission and governing service in the Cities of Champaign and Urbana; provided, however, that if at the date of this agreement it is necessary for the University to do any work or install any facilities in order to comply with such rules and regulations, the University shall have a period of five (5) years from and after the date of this agreement to install such facilities or to do such work, except in cases where non-compliance with such rules and regulations may in any way affect the bacteriological quality of the water furnished by the Water Company, in which case it shall be the duty of the University to comply immediately with such rules and regulations.

6. It is understood that water furnished under this agreement may be used by the University for cooling purposes or for other processing purposes, comparable with any existing industrial use permitted by the Water Company without imposing any restrictions. If there shall hereafter be any change in the rules and regulations respecting the use of water for any of the purposes specified in this paragraph, the University shall be entitled to the benefit of any such change to the same extent as other customers of the Water Company. In case of any dispute with respect to the foregoing, both parties agree to jointly submit the question to the Illinois Commerce Commission and to abide by any ruling, whether formal or informal, given by the said Commission.

7. Nothing in this agreement contained shall be deemed to prohibit the University from producing such quantities of raw water as may be needed for research in the field of biology or any other research where the treated water served by the Water Company is not suitable. The University agrees that it will under no circumstances permit any cross connection of any kind to be made between any such raw water supply and the treated water supply furnished by the Water Company.

8. The University agrees that so long as this agreement shall remain in force, it will maintain its existing water wells throughout their expected life but, from and after the time when the Water Company shall commence to furnish the entire water supply of the University such wells will be maintained for standby and emergency purposes only; provided, always, that such wells may be operated periodically for test purposes as may be deemed necessary or advisable by administrative authorities of the University responsible for the water supply, but the water produced from such test runs shall not be utilized by the University unless it meets the standards approved by the United States Public Health Service. Such test runs may be made at approximately thirty (30) day intervals during the life of this agreement and may be of approximately two (2) hours duration.

9. The unit of measurement for the water delivered hereunder shall be one thousand (1,000) gallons of water, United States Standard Liquid Measure. For the purposes of measurement of water delivered hereunder, it is understood that 7.48 gallons of water shall constitute one (1) cubic foot. It is further understood that the meter to be originally installed at the service valve hereinbefore referred to shall be a Venturi meter. The University shall have access to the said Master Meter, but the reading and calibrating and adjustment of such Master Meter shall be done only by the employees or agents of the Water Company. For the purposes of this agreement the original record of reading of any meter (including the Master Meter) shall be the journal or other record book of the Water Company in its office in which the records of the employees or agents of the Water

Company who take the reading are or may be transcribed. Approximately once in each six (6) months period during the life of this agreement, on a date as near the last day of the month as practicable, the Water Company shall calibrate said Master Meter in the presence of a representative of the University, and the representatives of the parties hereto shall jointly observe any adjustments made to such meter when such adjustment be necessary. If upon any test, whether by check meter or otherwise, the percentage of inaccuracy of the said Master Meter is found to be in excess of two per cent (2%), registration thereof shall be corrected for a period extending back to the time when such inaccuracy occurred, if such time is ascertainable, and if not ascertainable, then for a period extending back one-half of the time elapsed since the last date of calibration, but in no event more than six (6) months.

10. In the event either party hereto is unable, wholly or in part, by reason of force majeure to carry out its obligations under this agreement, other than any obligation to pay money due hereunder, then such party may give notice in writing to the other party hereto, giving notice and full particulars of such force majeure within a reasonable time after the occurrence of the cause relied on, whereupon the obligations of the party giving such notice insofar as they are affected by such force majeure shall be suspended during the continuance of any inability so caused, but for no longer period, and such cause, as far as possible, shall be remedied by the party giving such notice with all reasonable dispatch. The term "force majeure" as employed herein, shall include acts of God, strikes, lockouts, other industrial disturbances, acts of the public enemy, priorities or orders of any kind of the Government of the United States or of the State of Illinois or of any civil or military authorities on account of any war or war defense program, insurrections, riots, epidemics, lightning, earthquakes, fires, storms, floods, explosions, and any other causes of the kind herein enumerated, not reasonable within the control of the party claiming suspension.

11. The term of this agreement shall be thirty (30) years from the date hereof, subject to the right of either party hereto to terminate this agreement upon the expiration of a period of ten (10) years from the date hereof or twenty (20) years from the date hereof, upon giving to the other party two (2) years written notice of such termination; provided, however, that this agreement shall not become effective unless and until it shall be presented to and approved by the Illinois Commerce Commission and the parties hereto agree to cooperate in procuring such approval.

12. It is understood that the provision of this agreement shall not extend or apply to the use of raw water produced by the Athletic Association of the University of Illinois at the Stadium, and at the University Golf Course. The University may, at its discretion, extend the water distribution system to service University owned property outside the city limits of the Cities of Champaign and Urbana, Illinois.

13. In the event that control of the Water Company is acquired by a municipal corporation by purchase, lease, operation of law, or otherwise, the University, at its option and by giving six months written notice of its intention so to do, may terminate this agreement. Otherwise, this agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns, but nothing herein contained shall be deemed to confer any rights upon any person, firm or corporation other than the parties hereto and their respective successors and assigns.

All provisions and terms of this agreement shall be subject to the provisions of Article 4, Section 18, Constitution of Illinois 1870, and to Section 28, Chapter 144, Illinois Revised Statutes 1947.

In Witness Whereof, Illinois Water Service Company has caused this agreement to be signed by its President or a Vice President thereunto duly authorized and its corporate seal to be hereunto affixed and attested by its Secretary or Assistant Secretary, and the University of Illinois has caused this agreement to be signed by the Comptroller of its Board of Trustees thereunto duly authorized and its corporate seal to be hereunto affixed and attested by the Secretary of its Board of Trustees, all as of the day and year first above written.

be and is hereby ratified and approved, and that the President and Comptroller be and they are hereby ordered and directed to execute the said agreement for and on behalf of the University of Illinois and that the Secretary be and he is hereby authorized and directed to attest the execution thereof by said officers.

I concur.

On motion of Mr. McLaughlin, this resolution was adopted.

At this point, Governor Stevenson took his place with the Board. He spoke of his pleasure in having the Board meet with him at the Executive Mansion, and of his appreciation of the prompt action of President Stoddard and the Board in deciding to close the Galesburg Undergraduate Division so that the plant could be used by the Department of Public Welfare.

BUDGETARY DISCUSSION

In a short discussion of budgetary matters, President Williamson expressed the appreciation of the Board for the appropriations for the University approved by the Governor in his budget.

President Stoddard spoke of the urgency of the item of one million dollars for remodeling and fire prevention in the Noyes Laboratory of Chemistry ($230,000), remodeling the Old Power Plant so that the space could be used ($400,000), and repowering the Physics Building to secure adequate power and to reduce the fire hazard ($270,000). The Provost and the Comptroller supported the President's position.

Governor Stevenson expressed his regret that the expected income of the State would not provide for any additions to his budget. He said that he would give this item a high priority in case additional income were to materialize.

The Board recessed for luncheon.

OPEN SESSION

After luncheon, the Board convened in open session. Governor Stevenson was present during the afternoon.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered the following matters presented by the President of the University.

APPOINTMENT OF PROFESSOR ALLEN STUART WELLER AS HEAD OF THE DEPARTMENT OF ART

(1) The Dean of the College of Fine and Applied Arts recommends the appointment of Dr. Allen S. Weller, now Professor of the History of Art in the Graduate College, as Professor and Head of the Department of Art in the College of Fine and Applied Arts on indefinite tenure beginning September 1, 1949, at a salary of $9,000 an academic year.

Professor Weller has been serving as Chairman of the Administrative Committee of the Department of Art since September 1, 1948.

I concur in this recommendation.

On motion of Mr. Livingston, this appointment was made as recommended.

APPOINTMENT OF HEAD OF DEPARTMENT OF GENERAL ENGINEERING DRAWING

(2) Professor H. H. Jordan, Head of the Department of General Engineering Drawing, has for many years been serving as Associate Dean of the College of Engineering. The College of Engineering requires his services as Associate Dean on a full-time basis. It is therefore recommended that:

1. Professor Jordan be relieved of the headship of the Department of General Engineering Drawing and be appointed Associate Dean of the College of Engineering for two years from September 1, 1949, and Professor of General Engineering Drawing on indefinite tenure, at an annual salary of $10,500.

2. Professor R. P. Hoelscher, formerly of the Department of General Engineering Drawing, who has been serving as Dean of Engineering Sciences at the Chicago Undergraduate Division (Navy Pier) for the past three years, be appointed Professor and Head of the Department of General Engineering Drawing on indefinite tenure from September 1, 1949, at a salary of $8,300 an academic year.

I concur in these recommendations.

On motion of Mr. McLaughlin, these appointments were made as recommended.

APPOINTMENT OF HALVOR ORIN HALVORSON AS PROFESSOR AND HEAD OF THE DEPARTMENT OF BACTERIOLOGY

(3) The Dean of the College of Liberal Arts and Sciences recommends the appointment of Halvor Orin Halvorson, now Professor of Bacteriology at the University of Minnesota, as Professor and Head of the Department of Bacteriology on indefinite tenure beginning September 1, 1949, at a salary of $9,000 an academic year.

I concur.

On motion of Mrs. Watkins, this appointment was made as recommended.

APPOINTMENT OF JOHN LEWIS HELLER AS PROFESSOR AND HEAD OF THE DEPARTMENT OF CLASSICS

(4) The Dean of the College of Liberal Arts and Sciences recommends the appointment of John Lewis Heller, now Professor and Chairman of the Department of Classics at the University of Minnesota, as Professor and Head of the Department of Classics on indefinite tenure beginning September 1, 1949, at a salary of $8,000 an academic year.

I concur.

On motion of Mr. McLaughlin, this appointment was made as recommended.

AWARD OF CERTIFICATES OF CERTIFIED PUBLIC ACCOUNTANT

(5) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded the following who have made applications therefor under Section 5 of the Accountancy Act of 1943. They have all submitted evidence that they are holders of valid and unrevoked certificates which they obtained in

other states on the basis of having passed the written examination. They have also presented evidence to the Committee that they satisfy the other provisions of Section 5:

DUANE HOWARD CALHOUN (Tenn.)
EDWARD EVERETT LANPHERE (Neb.)
HAROLD ROBERT PRICE (Pa.)
JOHN RASQUI, JR. (Ohio)
PERCY MILES TAYLOR (N.H.)
WEBSTER RUSSELL VAUSE (D.C.)

I concur.

On motion of Mrs. Holt, these certificates were awarded as recommended.

AMENDMENT OF REGULATIONS GOVERNING ADMINISTRATION OF THE LAW RELATING TO CERTIFIED PUBLIC ACCOUNTANTS

(6) Under an act of the General Assembly of Illinois passed in 1943 superseding the original Accountancy Act of 1903 and the Public Accounting Act of 1927, the University continues to have the responsibility of examining applicants for certificates of Certified Public Accountant. Certificates to successful candidates are issued in the name of the Board of Trustees.

To carry out the provisions of the law the Board of Trustees appoints a board of three examiners to prepare, conduct, and grade examinations. Also, as a new provision of the Act of 1943, the University, with the approval of the Department of Registration and Education (which formerly administered the Public Accounting Act of 1927), has appointed a special board of five examiners to pass upon the qualifications and examine applicants for the C.P.A. certificate with ten years of experience who hold certificates of registration as Public Accountants in Illinois by waiver or oral examinations under the Act of 1927.

A Committee on Accountancy, appointed by the President of the University from the faculty, passes upon applicants for the Illinois C.P.A. certificate who hold C.P.A. certificates from other states or who possess the Illinois P.A. certificate under the Act of 1927 on the basis of a written examination. The Committee serves in other ways as the President's agent in administering the Accountancy Act. The Board of Trustees has established regulations for the administration of the Act.

Each applicant for the C.P.A. certificate by written examination is required to pass examinations in the Theory of Accounts, Commercial Law, Auditing, and Practical Accounting.

The Committee on Accountancy has been discussing with the Board of Examiners in Accountancy and with the Board of Directors of the Illinois Society of Certified Public Accountants a modification of one of the rules (Rule 33) which has provided for one re-examination in subjects failed in a candidate's original examination provided his grades were not below 60 per cent. The Directors of the Illinois Society of Certified Public Accountants believe that the rules should be liberalized by giving the candidate additional opportunities to remove failures in his original examination. The Committee on Accountancy recommends that Rule 33 be amended to read as follows (language to be deleted in italics):

"A candidate who passes in Theory of Accounts and Practical Accounting,[1] and fails in one or both of the other examination subjects (Auditing and Law), *with a grade not lower than 60 in the subject or subjects failed,* or a candidate who passes in Auditing and Law and fails in Theory of Accounts and Practical Accounting,[1] *with a grade not lower than 60,* shall be credited with the subject or subjects in which he has received passing grades and may upon application and payment of the required examination fees present himself for re-examination in the subject or subjects in which he failed at any three of the six semi-annual examinations next succeeding the examination at which he qualifies for such partial re-examination. Whenever a candidate presents himself for re-examination he must write on all subjects in which he then has failing grades.

"If on re-examinations, the candidate passes in the subjects in which he has failed, he shall be eligible for the C.P.A. certificate; if he fails to do so, he shall revert to the status of a new applicant who is required to write the entire examination.

[1] The examination in Theory of Accounts and the two sessions of the examination in Practical Accounting are considered as one subject in administering this rule.

"The time limitation within which a candidate is required to pass subjects under this rule shall not include any period during which the applicant serves in the armed forces of the United States."

Because of the change in Rule 33, a slight change in phraseology of another rule (Rule 34a) is required. As revised, Rule 34a would read:

"A candidate whose standing is such that he shall be required to write in all subjects may not present himself for re-examination until at least one examination shall have intervened following his last examination or re-examination, and then only upon presentation of satisfactory evidence that he has made further preparation in the interim."

These changes will provide three opportunities for a candidate to remove original failures. They must be exercised within six semi-annual examinations (substantially three years) next following the examination in which he qualified under the rule.

The Act provides that a fee of $25 shall be paid by each candidate admitted to the complete examination. This fee goes into the Accountancy Fund from which all expenses incurred in the administration of the C.P.A. Act must be met. Originally candidates writing part of the examination under Rule 33 paid the full fee of $25. A number of years ago the Board of Trustees, on recommendation of the Board of Examiners in Accountancy and the Committee on Accountancy, authorized re-examinations under this rule without the payment of additional fees. At that time there was a substantial balance in the Accountancy Fund.

Expenses of administration of the C.P.A. Act have now greatly increased so that it is necessary to return to the practice of requiring that fees be paid by candidates given re-examinations under Rule 33. This will be particularly necessary since additional re-examinations are being provided in the amendment of Rule 33. The Committee on Accountancy therefore recommends that candidates writing under Rule 33, as revised, be charged fees as follows:

For candidates writing Theory and Practice of Accounting...$20
For candidates writing Auditing or Commercial Law, or a combination of Auditing and Commercial Law..... 15

I recommend approval.

On motion of Mr. Livingston, these changes were approved as recommended.

AMENDMENT OF REGULATIONS FOR SCHOLARSHIPS IN AGRICULTURE AND HOME ECONOMICS

(7) For fifty years the University has been awarding scholarships in agriculture and home economics, established by the Board of Trustees at the request of the Illinois Farmers' Institute, which exempt the holders from payment of tuition fees. Originally one scholarship was available in agriculture and one in home economics in each county of the State (except Cook and Lake Counties where two scholarships, one in agriculture and one in home economics, were awarded in each of the first seven, later the first ten, Congressional Districts which are in those counties). On September 27, 1940, the Board of Trustees reduced the number of scholarships in agriculture and home economics offered in Cook and Lake Counties from twenty to four, thereafter offering one of each scholarship in each county instead of one in each of the first ten Congressional Districts.

Under present regulations governing these scholarships, candidates must meet certain conditions of eligibility, viz., (a) a candidate must be a bona fide resident of the county from which he is recommended; (b) the candidate must rank in the upper 50 per cent of the high school class with which he graduated; (c) awards to students entering the University by transfer from other colleges or universities are made only to those who have a scholastic average of fifteen points above the passing grade of the college or university previously attended. In addition, the candidates must (a) be recommended by the Illinois Farmers' Institute; (b) pass with an average grade of seventy or higher the competitive examination given by the County Superintendent of Schools on the first Saturday in June to candidates for County scholarships which are established by law. (If a candidate for a scholarship in agriculture or home economics passes this

examination with the highest grade, such candidate automatically receives the County scholarship. County scholarships were established by an Act of the General Assembly of Illinois. One is available in each county of the State.) (c) The candidate must register in the University for a curriculum in agriculture or home economics at the opening of the next semester or summer session following the award.

The regulations also provide that if the Illinois Farmers' Institute fails to recommend a suitable candidate from any county the President of the University may appoint a candidate who meets all conditions of eligibility.

The Extension Service in Agriculture and Home Economics and the officials of the Illinois Farmers' Institute recommend that the present regulations be amended by rescinding the requirement that candidates must file application with the Illinois Farmers' Institute and be recommended by the Institute. Omission of these requirements will make the administration of these scholarships consistent with the administration of County scholarships and will considerably reduce paper work. As a collateral effect, these scholarships will now be continued strictly as University scholarships.

I concur in these recommendations.

On motion of Mrs. Holt, these changes were approved as recommended.

SCHOLARSHIPS FOR FOREIGN STUDENTS AND DISPLACED PERSONS

(8) A number of American organizations have applied to the University for aid to foreign students and displaced persons. The Campus Chest, a student organization which raises funds for contributions to campaigns for charitable, health, and other welfare enterprises, has been active in aiding students and institutions of higher education in war-devastated countries. Some time ago I appointed a committee of students and members of the faculty, under the chairmanship of the Director of Admissions, who is also Chairman of the Committee on Special Undergraduate Scholarships, to review requests for aid and advice with (a) the Campus Chest, or (b) the University, on those which should be given serious consideration.

The Committee recommends that ten additional scholarships covering tuition, laboratory, library, and supply fee, and Illini Union Building service charge, be established for awards to displaced persons who desire to enroll in the University of Illinois as students and who meet the requirements for admission. The Committee has been advised by the student groups which have been active in this matter that:

1. The Campus Chest is willing to assume the travel expenses of ten displaced persons from the port of entry to Urbana.
2. Board and room accommodations have been found for ten such persons.
3. Various community organizations are being approached with a view toward supplying about $210 a student to meet other necessary expenses.

If necessary a small amount can be assigned from the "President's Fund" in the Illini Achievement Fund.

It is the opinion of the Committee that it will be possible to provide complete living expenses for ten displaced persons. The students will be selected through the National Coordinating Council for the Placement of Displaced Students and through the American Fund for Czechoslovak Refugees, Inc. These organizations will give the University an opportunity to select from a number of candidates.

I concur.

On motion of Mr. Fornof, these scholarships were established as recommended.

GENERAL LABORATORY, LIBRARY, AND SUPPLY FEE FOR CHICAGO PROFESSIONAL COLLEGES

(9) In December, 1942, the Board of Trustees (Minutes, page 207), authorized the establishment of a uniform laboratory, library, and supply fee to be charged students at Urbana-Champaign, replacing the former separate laboratory fees. The present laboratory, library, and supply fee is $8.00 a semester. The Provost

as Chairman of the faculty Committee on Fees and Scholarships recommends this be extended to graduate students in the Chicago Professional Colleges. At present such graduate students are charged a laboratory fee of $5.00 a unit of credit for laboratory courses. He recommends that this be replaced by a laboratory, library, and supply fee of $5.50 a term to be charged all graduate students.

I concur.

On motion of Mr. McLaughlin, this recommendation was adopted.

HONORARY DEGREES

(10) The University policy covering honorary degrees is based on a resolution of the Board of Trustees dated March 11, 1902. It is conservative, but it does not indicate the procedures that may be followed. I feel that the University should continue to be conservative on this matter, but that we should follow a systematic plan in bringing nominations before the Board.

Accordingly I appointed a committee to review the situation and also brought it to the attention of the University Senate, or general faculty, at its meeting on February 14, 1949. The committee made a report to the University Senate on April 4 and the Senate has recommended the following regulations in which I concur:

1. Honorary degrees may be conferred in recognition of eminent achievement in scholarship or of high distinction in public affairs.

2. There shall be a standing committee of the Senate through which all nominations shall be made, and the Senate shall vote on the names submitted to it.

3. Final action will be taken by the Board of Trustees. The degrees approved will be conferred by the President of the University, on behalf of the Board, at a regular commencement or special University celebration.

4. To receive the degree, the recipient must attend the ceremony in person.

In recommending these regulations the Senate also passed the following resolution: "It is the sense of the University Senate that a conservative policy should be maintained in the conferring of honorary degrees."

On motion of Mrs. Holt, these regulations were adopted.

LEGAL SERVICES FOR STAFF HOUSING RESEARCH PROJECT

(11) The construction of staff houses in Urbana for rental to staff and for the research program of the Small Homes Council is to be financed in part by borrowing funds in the estimated amount of $140,000. It appears that the best method of securing those funds would be through a revenue bond issue of the Board of Trustees. In such circumstances it is necessary that there be an approving opinion of independent counsel.

The Legal Counsel and the Comptroller recommend that the firm of Chapman and Cutler, attorneys of Chicago, be engaged for all necessary services in connection with this bond issue.

On motion of Mr. Hickman, this recommendation was adopted.

ANNEXATION TO THE CITY OF URBANA AND THE URBANA-CHAMPAIGN SANITARY DISTRICT OF STAFF HOUSING RESEARCH AREA

(12) It is proposed that the staff housing area at the corner of Florida Avenue and Race Street, Urbana, be annexed as parts of the City of Urbana and the Urbana-Champaign Sanitary District.

The advantages to the University are (1) a lower fee for the connection to the utility service lines will probably result; (2) mail service will be extended to the houses, while otherwise occupants would have to go to rural delivery mail boxes at the corner of Florida Avenue and Race Street; (3) since the City of Urbana officials have indicated they desire to extend the city limits to include this area, cooperation on the part of the University would be good public relations.

There is now some confusion in relationship between the Urbana-Champaign

Sanitary District and the Saline Branch Drainage District in this area. Under a court action of February 8, 1949, by which lands within the Urbana-Champaign Sanitary District were detached from the Saline Branch Drainage District, the area south of Florida Avenue and west of Race Street remained a part of the Saline District although not contiguous to its main area. It is suggested, therefore, that the University request the court to order detachment of the area from the Saline District and inclusion in the Urbana-Champaign Sanitary District for storm drainage purposes. The University and the Urbana-Champaign Sanitary District have previously entered into agreements under which the University has assumed its proportionate share of operating costs of the sewage disposal plant. The University has also assumed its proportionate share of improvements which will result in increased service to the University. Annexation of this area to the Urbana-Champaign Sanitary District and removing it from jurisdiction of the Saline Branch Drainage District will, therefore, not result in increased costs or new obligations which the University would not otherwise contemplate assuming.

The Director of the Physical Plant Department, the Coordinator of the Small Homes Council, the Legal Counsel, and the Comptroller recommend:

1. That the Board of Trustees petition the City of Urbana to extend the city limits to include the tract on which the staff houses will be built.

2. That the Board of Trustees petition the court to (a) remove the Saline Branch Drainage District jurisdiction over this area, and (b) include the housing tract in the Urbana-Champaign Sanitary District.

I concur and request that the Legal Counsel be authorized to file the necessary petitions.

On motion of Mr. Hickman, these recommendations were adopted.

INSTALLATION OF WATER MAIN ON UNIVERSITY PROPERTY

(13) The Illinois Water Service Company proposes to extend a twenty-inch main across Illinois Field at the north end of the campus at Urbana-Champaign as part of the plan to provide the University with its entire water supply.

The Company will agree to install this main at a time which will not interfere with the normal use of Illinois Field. The Company further agrees to restore the property to a condition satisfactory to the University and to remove the main if in the future it would interfere with any University construction or campus development. The Company also assumes all the maintenance expense and any losses or damage to University property arising from construction work.

The Director of the Physical Plant Department and the Comptroller recommend that the Company be authorized to construct a water main subject to the conditions herein specified.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the necessary agreement with the Company.

On motion of Mrs. Watkins, these recommendations were adopted.

AWARD OF CONTRACTS

The following items, numbered 14 to 29, were presented and considered together.

On motion of Mr. Nickell, authority to execute the contracts was given as recommended.

LIGHTING CONTRACT FOR AGRONOMY GREENHOUSE

(14) The Director of the Physical Plant Department and the Comptroller recommend the award of a contract in the amount of $4,266 to the Square Deal Electric Company, LaPorte, Indiana, the lowest bidder, for the installation of force lights in the Agronomy Greenhouse Addition.

Funds are available in a special appropriation made by the Board of Trustees for the Agronomy Greenhouse Addition.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract.

CONTRACT FOR REMODELING IN ROOM 406 DAVENPORT HALL

(15) The Director of the Physical Plant Department and the Comptroller recommend an addition to the standing contract with Lewis S. Colbert, Champaign, for the remodeling of 406 Davenport Hall at an estimated cost of $6,000. Funds are available in a special appropriation made by the Board of Trustees for this purpose. The remodeling is to make the room available for the Department of Animal Science.

I concur and recommend that the Comptroller be authorized to execute this addition to the contract.

CONTRACT FOR EMERGENCY EXITS IN TEMPORARY HOUSING BUILDINGS

(16) The Director of the Physical Plant Department and the Comptroller recommend the award of a contract in the amount of $8,993 to C. A. Petry and Sons, Champaign, the lowest bidder, for the installation of emergency fire doors in each second story unit of the two-story temporary housing buildings. Funds are available.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract.

CONTRACT FOR PAINTING IN GALESBURG UNDERGRADUATE DIVISION

(17) The University is obligated under its lease of the former Mayo General Hospital buildings at Galesburg from the War Assets Administration to do certain maintenance work. Bids have recently been secured on exterior painting, caulking, and glazing of certain buildings. This work represents deferred maintenance which was scheduled by the Physical Plant Department following a survey made jointly with representatives of the War Assets Administration in December, 1948, and before the decision to close the Galesburg Division was made.

The Department of Public Welfare has requested the University to go ahead with this work since it represents maintenance chargeable to a period during which the buildings were occupied by the University. The Director of the Physical Plant Department and the Comptroller recommend award of the contract for $18,749.92 to B. W. Anderson, of Galesburg, the lower bidder. Funds are available for this work.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract.

CONTRACT FOR ACOUSTICAL TREATMENT IN THE MEDICAL AND DENTAL COLLEGE LABORATORIES BUILDING AT CHICAGO

(18) The Director of the Physical Plant Department and the Comptroller recommend the award of a contract for $1,526 to the Airtite Insulation Company, Inc., Chicago, for acoustical treatment of Room 702 (a part of the Anatomy Laboratory) in the First Unit of the Medical and Dental College Laboratories Building. Funds for this work are available in a special appropriation made by the Board of Trustees on January 13, 1949, for equipment and improvements in the College of Medicine.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract.

CONTRACT FOR GENERAL LIGHTING OF ANATOMY LABORATORY AT CHICAGO PROFESSIONAL COLLEGES

(19) The Director of the Physical Plant Department and the Comptroller recommend the award of a contract for $1,354 to the Construction Electric Company, Chicago, the lowest bidder, for general lighting installation in the Anatomy Laboratory in the First Unit of the Medical and Dental College Laboratories Building at Chicago. Funds for this work are available in a special appropriation made by the Board of Trustees for this purpose.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract.

CONTRACT FOR FIRE ALARM SYSTEM IN MEDICAL AND DENTAL COLLEGE LABORATORIES BUILDING AT CHICAGO

(20) The Director of the Physical Plant Department and the Comptroller recommend the award of a contract for $15,506 to the B-H Electric Company, Chicago, the lowest bidder, for the installation of a new fire alarm system in the First Unit of the Medical and Dental College Laboratories Building and in the Research and Library Unit. Funds are available in the Physical Plant Department budget for this installation.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract.

CONTRACT FOR LIGHTING OF LIBRARY ROOMS AT CHICAGO PROFESSIONAL COLLEGES

(21) The Director of the Physical Plant Department and the Comptroller recommend the award of a contract for $1,118.75 to the Hyre Electric Company, Chicago, the lowest bidder, for electrical work to improve the lighting in the library work rooms of the Chicago Professional Colleges. Funds have been appropriated by the Board of Trustees for this purpose.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract.

CONTRACT FOR REMODELING IN RESEARCH AND EDUCATIONAL HOSPITALS AT CHICAGO

(22) The Director of the Physical Plant Department and the Comptroller recommend the award of a contract for $4,287 to the C. W. Haynes Company, Chicago, the lowest bidder, for remodeling the Otolaryngology Laboratory of the Research and Educational Hospitals in Chicago. Funds have been appropriated by the Board of Trustees for this purpose.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract.

CONTRACT FOR SIDEWALKS AND CURBS AT CHICAGO PROFESSIONAL COLLEGES CAMPUS

(23) The Director of the Physical Plant Department and the Comptroller recommend the award of a contract for $5,240 to T. A. Rehnquist Company, Chicago, the lowest bidder, for construction of new sidewalks and curbs on the east side of Wood Street between Polk Street and the alley north of Taylor Street and on the south side of Polk Street from Wood Street to the alley.

Funds are available for this construction work.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract.

CONTRACT FOR REMODELING PHYSICAL EDUCATION FACILITIES AT CHICAGO UNDERGRADUATE DIVISION

(24) On November 19, 1948, the Board of Trustees appropriated $35,000 for remodeling at Navy Pier to provide additional needed physical education facilities. On January 13, 1949, the Board approved a contract with E. H. Marhoefer, Jr., Company, Chicago, for $12,833 for the first phase of remodeling (general construction work).

The Director of the Physical Plant Department and the Comptroller recommend the award of a contract for $18,500 to the Mueller Construction Company, Chicago, the lower bidder, for the second phase of the remodeling (plumbing, electrical, and other mechanical installations).

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract.

CONTRACT FOR SHOP LIGHTING AT CHICAGO UNDERGRADUATE DIVISION

(25) The Director of the Physical Plant Department and the Comptroller recommend the award of a contract for $4,285 to the B-H Electric Company, Chicago, the lowest bidder for electric lighting installations to replace temporary lighting in the Physical Plant Department Shops at Navy Pier.

Funds are available.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract.

AWARD OF CONTRACT FOR LAWN REPAIRS ON TEMPORARY DORMITORY AREA

(26) The Director of the Physical Plant Department and the Comptroller recommend that a contract in the amount of $1,830 be awarded to Martin Ivey, Urbana, the lowest bidder, for repairing the lawn on the temporary dormitory area on the drill field. The lawn was damaged by excavation for installation of a fuel distribution system. Funds are available in the appropriation for temporary student housing.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract.

CONTRACT FOR ELECTRICAL DUCT RUN AND NEW UNIT SUBSTATION AT THE CHICAGO ILLINI UNION BUILDING

(27) The Director of the Physical Plant Department and the Comptroller recommend the award of a contract for $19,124 to George Swanson and Son, Chicago, the lowest bidder, for an electrical duct run and new unit substation at the Chicago Illini Union as a part of the utilities distribution system. Funds are available.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

CONTRACT FOR ALTERATIONS TO ELECTRICAL RISERS AND INSTALLATION OF SCRUBBING RECEPTACLES IN THE RESEARCH AND EDUCATIONAL HOSPITALS

(28) The Director of the Physical Plant Department and the Comptroller recommend the award of a contract for $8,508.37 to the Hyre Electric Company, Chicago, the lowest bidder for alterations to three electrical risers and the installation of three polarized electrical receptacles in the Research and Educational Hospitals. Funds are available.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

CONTRACT WITH URBANA-CHAMPAIGN SANITARY DISTRICT

(29) On May 22, 1948, the Board of Trustees approved in principle a program for the construction of a relieving sanitary sewer from Gregory Drive and First Street to Third and Healey Streets in Champaign, to serve the temporary housing area. To expedite the improvement, the University was to construct the sewer and finance the entire cost.

On January 18, 1949, the Executive Committee of the Board approved the award of a contract for the construction of the sewer.

Details of the contract to be executed with the Urbana-Champaign Sanitary District have now been completed. The contract provides:

1. The University will superintend the construction and assume the cost thereof.

2. The University will maintain that portion of the sewer which is located on University property.

3. The University will turn over to the District that portion of sewer not located on University property and the District will maintain this portion.

4. The District will make no further requests from the University for any financial contribution toward the cost of intercepting sewer additions completed by the District in the year 1948, and to which the University has already contributed part of its proportionate share of the cost.

5. The District will submit to the University all plans for future additions to that portion of the sewer turned over to the District. If the University objects to such addition, provision is made for arbitration of the differences.

6. The District guarantees that any sewage discharged through connections hereafter made by the District will not overload the sewer to the extent insufficient capacity will remain for sewage from present or future University buildings in the areas adjacent to this sewer.

The Director of the Physical Plant Department and the Comptroller recommend that such a contract with the Urbana-Champaign Sanitary District be approved.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute the contract.

ADDITION TO CONTRACT FOR REPOWERING AND RELIGHTING PHYSICS BUILDING

(30) On November 19, 1948 (Minutes, page 174), the Board of Trustees appropriated funds for repowering and relighting the Physics Building. On March 10, 1949 (Minutes, page 294), the Board approved the award of contract for the installation of an improved primary service to this building.

Funds are also available in the original appropriation by the Board of Trustees for the remodeling, repowering, and relighting of Room 100c and for emergency service to the fourth floor of the Physics Building.

The Director of the Physical Plant Department and the Comptroller recommend that this work be done by the contractors for the general building relighting and repowering as follows:

General work.....Kuhne-Simmons Company, Inc., Champaign.....$1 896
Electrical work.....Square Deal Electric Company, LaPorte, Indiana..... 2 530

I concur and recommend that the Comptroller be authorized to execute these additions to contracts.

On motion of Mr. Livingston, these additions to contracts were authorized as recommended.

TERMINATION OF CONTRACT FOR TEMPORARY HOUSING UNITS AT GALESBURG UNDERGRADUATE DIVISION

(31) With the closing of the Galesburg Undergraduate Division, the University will discontinue operating the temporary housing units under a contract with the Public Housing Administration of the United States. This agency has requested the Board of Trustees to adopt the following resolution:

Whereas, the Board of Trustees of the University of Illinois executed Contract No. WS-5 (S-709) with the War Assets Administration for the property located at Galesburg, Illinois, and known formerly as the Mayo General Hospital, and

Whereas, the Board of Trustees of the University of Illinois executed a contract with the Public Housing Administration on the 5th day of November, 1946, for the operation of certain housing units at the site of the former Mayo General Hospital, and

Whereas, the University of Illinois did notify the War Assets Administration on March 25, 1949, of their intention not to renew the lease for the Mayo General Hospital after September 30, 1949, and

Whereas, the need for the operation by the University of Illinois of the temporary housing units will no longer exist by reason of the termination of the lease for the former Mayo General Hospital,

Be It Therefore Resolved, that the Board of Trustees of the University of Illinois hereby terminates its contract with the Public Housing Administration as of June 30, 1949, subject to the surrender of possession of the various units as vacated by the tenants, but in no event later than September 20, 1949.

On motion of Mr. Fornof, this resolution was adopted.

APPROVAL OF ATHLETIC ASSOCIATION APPROPRIATION

(32) The Board of Directors of the Athletic Association appropriated from the reserve funds of the Association the sum of $851 for the purpose of paying the Northern Trust Company the amount due for handling, during the year ending February 6, 1949, pension and insurance accounts for the Athletic Association.

Approval of this action by the Board of Trustees is required and I so recommend.

On motion of Mr. McLaughlin, this action was approved as recommended.

APPROPRIATION FOR THE CHEMISTRY DEPARTMENT

(33) On March 10, 1949 (Minutes, page 300), the Board of Trustees on recommendation of the Committee on Special Appropriations and Nonrecurring Expenditures appropriated $10,000 for equipment for the Chemistry Department. The Committee also recommended that the possibility of purchasing additional equipment from the appropriation for the new Chemistry and Chemical Engineering Building be considered.

This does not appear feasible and the Committee recommends an additional appropriation of $6,260 from the general funds of the University with the understanding that if any balance remains in the appropriation for the building it will be applied toward equipment purchases.

On motion of Mr. Livingston, this appropriation was made as recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mr. Stevenson, Mrs. Watkins, Mr. Williamson; no, none; absent, Dr. Meyer.

PURCHASES

(34) The Director of Purchases has proposed and the Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest bid (see Appendix, page 351).

On motion of Mr. Hickman, these purchases were authorized as recommended, and the action of the President of the University in authorizing emergency purchases was approved and confirmed.

DEPARTMENT OF DAIRY SCIENCE

(35) The Dean of the College of Agriculture recommends that the name of the Department of Dairy Production be changed to the Department of Dairy Science.

I concur.

On motion of Mr. McLaughlin, this change was approved as recommended.

CHANGE IN NAME OF ENGINEERING HALL

(36) When Engineering Hall was built in 1894 it housed all of the Engineering departments, including Physics and Architecture. Since then other quarters have been provided for several of the departments and when the new engineering buildings now under construction are completed only the Department of Civil Engineering will have its office in Engineering Hall. The Dean's offices and the Library will remain in this building and the classrooms in it will, of course, be available to all Engineering departments.

The Dean of the College recommends that the name of the building be changed to "Civil Engineering Hall." The inscription "College of Engineering" which is cut in stone over the entrance will not be changed. Metal letters will be placed over the front entrance to designate the building.

I concur.

On motion of Mrs. Watkins, this change was authorized as recommended.

GRANT-IN-AID FOR SEMINAR IN EDUCATIONAL RADIO AT ROBERT ALLERTON PARK

(38) On March 30, 1949, on the basis of a memorandum prepared by Wilbur Schramm, Director of the Institute of Communications Research, we requested aid from the Rockefeller Foundation to conduct a seminar on educational radio at Robert Allerton Park in the summer of 1949 as follows:

PROPOSED BUDGET FOR SEMINAR ON EDUCATIONAL RADIO

Fellowships for 20 persons		
An average of 1,500 miles travel at 6 cents a mile	$ 90	
Food and lodging during seminar	110	
A television "day" in Chicago	15	
	$215	
20 times $215		$4 300
Consultants		1 500
Contingencies — 10 per cent		580
		$6 380

On April 8 we received word from John Marshall, Associate Director of the Humanities of the Rockefeller Foundation, that the grant-in-aid in the sum of $6,380 had been approved. I recommend acceptance of this grant with acknowledgment to the Rockefeller Foundation.

On motion of Mrs. Holt, this grant was accepted with appreciation.

WORK AT ROBERT ALLERTON PARK

The three following items, numbered 39, 40, and 41, were presented and considered together. After discussion, and on motion of Mr. Hickman, these contracts were referred to the Committee on Buildings and Grounds, with power to act.[1]

PAINTING AT ROBERT ALLERTON PARK

(39) Bids have been secured on exterior and interior painting of the Allerton House, Gate House, and the House in the Woods at Robert Allerton Park. Because of the uncertainty as to the exact amount of work required, bids have been secured on the basis of direct cost of labor and materials, plus a percentage for overhead. Materials would be provided at cost, as specified by the University. Standard insurance coverage would be required.

It is believed undesirable to award the contracts for both exterior and interior painting to the same person, since all contractors have a rather limited number of men available, and it is difficult for any one contractor to accept both contracts and complete them by the date desired, June 1, 1949.

The Office of Nonacademic Personnel has surveyed labor rates in Monticello and reports that there is no single uniform prevailing rate for this class of labor. The rates quoted by the various contractors are all within the ranges of the rates actually paid in this community.

The Director of Robert Allerton Park and the Comptroller recommend that contracts be awarded as follows:

[1] The Committee on Buildings and Grounds, as of May 2, 1949, approved the awards of contracts for work at Robert Allerton Park as recommended by the President on April 21, 1949.

For exterior painting, Emory Warner, Monticello, the lowest bidder, at $1.50 an hour for labor
For interior painting, D. L. Okey, Mansfield, next lowest bidder, at $1.75 an hour for labor
Materials as specified by the University to be furnished at cost; labor and material to be subject to a 10 per cent increase for overhead

The estimate for exterior painting is $3,000 and interior painting, $5,000. Funds to this extent are available in the income from the farm applicable to such expenditures. It is proposed to proceed with the work in the houses involved in the order of priority as listed above and carry out the work to such extent as is possible within these limits of total cost.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute the above contracts.

REMODELING AND REPAIRS AT ALLERTON HOUSE

(40) Bids have been received on remodeling and repairs at Allerton House, for work included in the special appropriation made by the Board on March 10, 1949, in accordance with plans prepared by the University Architect. It consists of remodeling the lower floor from a garage area into a kitchen and food storage area, remodeling the main floor to set up a serving room, and of installing toilets and heating facilities. It is hoped to install additional toilet facilities in the main part of the house and to make some alterations in what was formerly the service wing (in order to increase bedroom capacity) if funds permit. Because of the limitation of funds, the work has been arranged in an order of priority, starting with the kitchen, serving room, dining room, public toilet rooms, and going on to the remodeling in the other parts of the house. The work will be rounded off at the point where funds are exhausted. In order to proceed in this way bids were solicited on a cost plus basis.

Considering all factors, the best bid is listed by Bowman Hardware and Electric of Monticello. The Director of Allerton Park and the Comptroller recommend, after a review of the bids with the Physical Plant Department, that the contract be awarded to this firm at the cost of labor (as per schedule submitted) plus 10 per cent the cost of wholesale materials plus 20 per cent, and the cost of other materials plus 10 per cent, all subject to detailed audit by the University, with a maximum cost of $35,000 for the work to be done. If the work desired can not be completed within this limit, a further report may be made to the Board and an additional appropriation proposed. All work will be supervised by the Consulting Engineer now serving on the Allerton project and by the University Architect's Office.

I concur and recommend approval.

REMODELING AND REPAIR OF HOUSES AT ROBERT ALLERTON PARK

(41) At the present time there are two houses in Robert Allerton Park which are unoccupied and which need to be repaired and remodeled before they can be used. Both are without plumbing or electric wiring. One does not have a heating system and is in need of substantial repairs before it can be used.

The House in the Woods is to be used as one of the residences to be occupied by those attending conferences at Allerton. It has a heating system but does not have electric wiring or plumbing. It will have four bedrooms upstairs and four bedrooms downstairs. Two bathrooms are needed. In addition minor structural changes and wiring are required.

The other house, the gardener's house, on the south end of the property, across the river from Allerton House will be occupied by an employee's family thus giving us more space in the Gate House or in Allerton House itself for overnight guests. This house needs a heating system, bathroom and kitchen, plumbing, and wiring, as well as some major repairs.

Because the work is essentially remodeling, bids have been invited on a cost plus basis. The bids do not include heating, plumbing, or electrical work, for which later recommendations will have to be submitted.

The Director of Allerton Park and the Comptroller, after a review of the bids with the University Architect's Office, recommend that the firm of Hammerschmidt Brothers of Monticello, whose unit rates are lowest, be given a contract

for the general repairs and alterations in these two houses in accordance with their proposal. This firm has done some minor work at Robert Allerton Park, and their work is of good character.

The estimate of all work at the House in the Woods is $5,000 and at the gardener's house, $7,000. Funds are available in the income from the farms which may be applied to these expenditures. There will be income from the use of both houses from which the outlay can gradually be recovered.

I concur and recommend approval.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(42) The Committee on Special Appropriations and Nonrecurring Expenditures recommends assignments from the General Reserve Fund for the following purposes:

1. Cages for Animal Hospital at Chicago Professional Colleges	$12 000
2. Remodeling third floor of Davenport House for the National Vocational Guidance Association	2 400
Total	$14 400

I concur.

On motion of Mr. McLaughlin, these appropriations were made as recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mr. Stevenson, Mrs. Watkins, Mr. Williamson; no, none; absent, Dr. Meyer.

AWARD OF CONTRACT FOR GENERAL WORK IN CONNECTION WITH REMODELING THIRD FLOOR OF ILLINI HALL FOR SPEECH LABORATORY

(43) A separate request has been submitted to the Board of Trustees by the Committee on Special Appropriations and Nonrecurring Expenditures for an appropriation of $39,000 for the above remodeling.

The general work on this project in the amount of $27,400 is of a remodeling character, and it is not feasible to attempt to secure fixed bids.

If the special appropriation is made available for this work, the Director of the Physical Plant Department and the Comptroller recommend that the work be done by Lewis S. Colbert under the terms of his standing contract with the University for minor remodeling.

I concur and request that the Comptroller be authorized to execute the above addition to the standing contract with Lewis S. Colbert for minor remodeling.

On motion of Mrs. Watkins, this addition to contract was authorized as recommended. The appropriation was made by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mr. Stevenson, Mrs. Watkins, Mr. Williamson; no, none; absent, Dr. Meyer.

CONTRACT FOR INTERIOR REMODELING AT THE CHICAGO PROFESSIONAL COLLEGES

(44) The Director of the Physical Plant Department and the Comptroller recommend the award of a contract for $4,588 to Frank H. Stowell Company, Chicago, the lowest bidder, for interior building remodeling at the Chicago Professional Colleges to provide a new darkroom for development of photographic plates and films, additional quarters for the internal auditing division of the Business Office, and additional quarters for the Nonacademic Personnel Office. Funds are available.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Fornof, authority was given as recommended.

COMPTROLLER'S REPORT OF CONTRACTS

(45) The Comptroller's report of contracts executed from March 11 to April 10, 1949 (see Appendix, page 355).

This report was received for record.

SECRETARY'S REPORTS

The Secretary presented the following lists for record, as printed in the Appendix.

1. Appointments made by the President of the University (page 337).
2. Graduate fellows (page 338).
3. Resignations and declinations (page 344).
4. Retirements (page 345).
5. Report of Treasurer, March 1, 1948, to February 28, 1949 (page 345).
6. The Treasurer's bond (page 347).

The Board adjourned.

LLOYD MOREY, *Comptroller*
IRVIN L. PORTER, *Treasurer*

TREASURER'S BOND

Know all men by these presents, that we, IRVIN L. PORTER, as Principal, and EDWARD E. BROWN, JAMES B. FORGAN, and BENTLEY G. MCCLOUD of Chicago, Illinois, as Sureties, are held and firmly bound unto the BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS, in the penal sum of *Three Million Dollars* ($3,000,000), lawful money of the United States of America, for the payment of which sum well and truly to be made, we bind ourselves, our respective heirs, executors, administrators and assigns and each of them, by these presents.

The condition of the obligation is such that:

Whereas, the above bounden IRVIN L. PORTER was on the 10th day of March, A.D. 1949, duly elected by the Board of Trustees of the University of Illinois to the Office of Treasurer of the University of Illinois for a term of two years:

Now therefore, if the said IRVIN L. PORTER shall well and truly perform and faithfully discharge the duties of Treasurer of said University of Illinois, during his term of Office, and shall faithfully keep and truly account for all moneys, bonds, securities or other property coming into his hands as such Treasurer, during his term of Office, and shall pay when properly drawn and presented to him all warrants authorized by the Board of Trustees of the University of Illinois, drawn against funds in his hands belonging to the said University of Illinois, and at the expiration of his term of office, on due request to him, shall pay over and deliver to his successor in office, or to any other person duly authorized by the Board of Trustees of said University of Illinois to receive the same, all moneys,

bonds, securities or any other property received by him as such Treasurer and not otherwise paid out or disposed of as aforesaid, and shall deliver to his successor in office, or any other person appointed to receive the same, the property, papers and other things in his hands belonging to said office, and shall at the expiration of his term of office, or oftener, if thereunto requested by the Board of Trustees of the said University of Illinois, render a just and true account of his doings as such Treasurer, then this obligation shall be null and void; otherwise to remain in full force and effect.

Witness our hands and seals, this 25th day of March, A.D. 1949.

My Commission expires September 1, 1949

SCHOOL OF NURSING

In order to secure improved facilities for the education of nurses, to increase the number of students in process of education, and to effect a more economical use of space that is already available, thus obviating the need for the immediate construction of a residence for nurses and of a building for a School of Nursing, an affiliation between the University of Illinois School of Nursing and the Cook County School of Nursing is proposed, this affiliation to be supplemented by the hospital facilities of the University and of the Cook County Hospital, and by affiliation with the Presbyterian Hospital, St. Luke's Hospital, and such other hospitals as the scope of the program may require.

Aside from good educational policy, the immediate occasion for the proposed affiliation is as follows: Immediately adjacent to the Cook County Hospital and the University of Illinois Chicago Professional Colleges, there is an excellent Nurses Residence with 820 rooms. At the present time, 545 rooms are occupied by student nurses, staff members, and others. The remaining rooms in the number of 275 are vacant. The University of Illinois originally included in its capital budget for 1949-1951, a request for $1,600,000 for a nurses residence. There is a proposal to request a further item in the 1951-1953 budget for a College or School of Nursing building. Good economy suggests an arrangement whereby existing facilities be used to the maximum before further construction is undertaken. The proposed affiliation would lead to this economy.

In order to effect the proposed affiliation, the following actions are necessary:

1. An agreement between the Board of Trustees of the University of Illinois and the Board of Trustees of the Cook County School of Nursing which will provide for:

a. The appointment of qualified staff members, including if mutually agreeable, the Director or Dean of the Cook County School of Nursing, to the staff of the University of Illinois School of Nursing on a nonsalaried basis.

b. The distribution of student nurses for hospital instruction between the Cook County Hospital and the University of Illinois Hospitals (Research and Educational Hospitals) shall be made according to the ratio of the normal bed complement of the two hospitals which at present is approximately 3,400 for the former and 500 for the latter; i.e., according to the present number of beds 85 per cent of the student nurses in each class will receive hospital instruction at Cook County and 15 per cent at the University of Illinois.

c. The University will pay the Cook County School of Nursing for the meals (if taken) and room of those students (15 per cent of each class) who will receive hospital instruction at the University of Illinois Hospitals. (The present rate is $30 a month for meals and $35 a month for room.)

d. The University will reimburse the Cook County School of Nursing for the cost of instruction of 15 per cent of the student nurses in each class, the cost of instruction being calculated from the salary paid the teachers and the materials and supplies used in the laboratories and excluding any administrative overhead.

2. Recommendation by the Senate Committee on Educational Policy and approval by the University Senate and by the Board of Trustees to adopt in principle (a) the present student admission requirements and (b) the present curriculum of the Cook County School of Nursing.

3. Recommendation by the Senate Committee on Educational Policy and approval by the University Senate and by the Board of Trustees to authorize the degree of Bachelor of Science in Nursing on the completion of the curriculum.

4. Admission requirements (present requirements of the Cook County School of Nursing) for candidates for the course leading to the Diploma in Nursing and for the course leading to baccalaureate degree and the Diploma in Nursing.

a. Accreditation of high schools.

(1) Candidates for admission to the Cook County School of Nursing as graduates must be graduated from an accredited four-year high school or present equivalent educational preparation.

(2) Certificates in proper form are accepted from schools accredited by the Middle States Association of Colleges and Secondary Schools, New England College Admissions Board, North Central Association of Colleges and Secondary Schools, Northwest Association of Secondary and Higher Schools, Southern Association of Colleges and Secondary Schools, Western Association of Colleges and Secondary Schools, and the Board of Regents of the University of the State of New York for college entrance requirement.

b. Subject requirements. Sixteen units of credit are required. Any one of the following patterns of the high school program is acceptable.

Required			10½ units
English, three years			3 units
A foreign language, two years			2 units
Mathematics (algebra, general mathematics, commercial arithmetic, or geometry)	2 units	or	A three-unit and a two-unit group chosen from mathematics, history, biological, physical, or social sciences — 5 units
History	1 unit		
Civics, economics, or social science	½ unit		
Science, two years (including biology or general science, and a second science, preferably chemistry or applied chemistry or physics)	2 units		
Electives			5½ or 6 units
(Sufficient electives to make up the full four-year course aggregating 16 units. Not more than 5 units may be chosen from any one field and only 3 may be commercial subjects.)			
Required			9 or 9½ units
English, four years (one unit may be in public speaking, journalism, or drama)			4 units

Mathematics (algebra, general mathematics, commercial arithmetic, or geometry)	2 units	or	A three-unit and a two-unit group chosen from foreign language, mathematics, history, biological, physical, or social sciences 5 units
History	1 unit		
Civics, economics, or social science	½ unit		
Science, two years (including biology or general science and a second science, preferably chemistry or applied chemistry or physics)	2 units		
Electives			6½ or 7 units

c. Average grade requirement. Emphasis is placed upon high scholastic attainments of applicants and selection is made from students ranking in the upper half of their classes and on the basis of information revealed by psychometric tests. It is expected that candidates have the ability to carry work on a college level.

5. Curriculum of Cook County School of Nursing. The curriculum is standard for all schools approved by the National League of Nursing Education. It consists of the usual amounts of basic science including anatomy, physiology, chemistry, microbiology, pharmacology, and the chemistry of nutrition, a substantial block of social science, and the principles of medicine and medical nursing. It is presently deficient in the humanities. The last year and a half consist of both didactic and practical work in nursing with increasing emphasis on nursing in the hospital and in the community and the techniques associated therewith.

The course can be completed in a period, varying from 28 to 36 months in length, depending upon the student's previous academic preparation.

6. Recommendation by the University Committee on Fees and Scholarships and approval by the Board of Trustees to adopt the present scale of fees of the Cook County School of Nursing. (Note: The Committee has already taken action to adopt this proposal in principle.)

7. It is understood that the Vice-President in charge of the Chicago Professional Colleges may initiate, in consultation with the Dean or Director of the Schools of Nursing,

a. Recommendations for new staff members or replacements for the united schools;

b. Changes in curriculum;

c. Changes in fee schedules;

d. Effective methods of supervision of the courses of instruction; each of these items being subject to study and further action by the appropriate University agencies.

8. The agreements reached in these several respects shall hold for the biennium of 1949-1951 and are subject to review before the next biennial period.

9. The Senate Committee on Educational Policy will recommend the adoption in principle of the following pre-professional curriculum, admission requirements for which must meet the entrance requirements of the College of Liberal Arts and Sciences general curriculum and the requirements for the respective courses in the curriculum:

Pre-professional courses as specified. A minimum of sixty semester hours as outlined below. No degree shall be granted unless the student qualifies for the State Board examination.

Minimum Requirements	*Semester Hours*
Rhetoric and Composition	6
Social Science (introductory course in Sociology and Psychology)	12
Humanities (general course)	6
Chemistry (one year general and one semester organic)	10
Biological Sciences (including course in Bacteriology)	8
Physics	4
(It is expected that a student will have a general knowledge of the major topics in physics which may be covered in a special course designed for the program or from a full year of college physics.)	

Electives..... 14
(One year of foreign language is recommended.)
Plus completion of the course in nursing in the University of Illinois School of Nursing.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

May 21, 1949

The May meeting of the Board of Trustees of the University of Illinois was held in the Illini Union Building, in Urbana, on Saturday, May 21, 1949, according to the following schedule:

10:00 a.m. — Executive session as in Committee of the Whole.

11:30 a.m. — Open session.

The following members were present: President Williamson, Mr. Fornof, Mr. Herrick, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins.

President Stoddard was present; also Assistants to the President, A. J. Janata and Wilbur Schramm, Secretary H. E. Cunningham, Comptroller Lloyd Morey, Provost C. R. Griffith, Legal Counsel W. E. Britton, and, during the open session, Mr. J. F. Wright, Director of Public Information, and Senator E. R. Peters.

CONTRACT FOR SMALL HOMES COUNCIL HOUSING RESEARCH PROJECT

The Secretary reported for record an action of the Executive Committee on May 17, 1949, awarding the contract for general work on the Small Homes Council Housing Research Project at Florida Avenue and Race Street to the Kuhne-Simmons Company, the lowest bidder, on the basis of the acceptance of Alternates 1, 2, and 6 in the bid schedule, providing for deductions totaling $9,330, reducing the contract from $406,000 to $396,670. The Executive Committee also authorized further contract changes reducing construction costs by approximately $4,000. The date for completion of the general work is October 15, 1949.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered the following recommendations of the President of the University.

STEAM HEATING PLANT FOR CHICAGO PROFESSIONAL COLLEGES

(1) The building program requested by the University for 1949-1951 included $26,210,000 for the Chicago Professional Colleges of which $6,400,000 was for a steam generating plant and for additions to the utilities distribution system. The revised program based on the Governor's recommendation in his budget message to the 66th General Assembly totals $21,000,000 of which $15,400,000 is for the Chicago Professional Colleges, including $1,500,000 for a steam generating plant and additions to the utilities distribution system. This is not enough for a new plant which is needed to service the present buildings plus those to be constructed in 1949-1951.

University officials have been carrying on negotiations with the Commonwealth Edison Company of Chicago to enlist its aid in providing this steam service. Commonwealth Edison has offered to do this and has prepared a contract the principal provisions of which are:

1. A new corporation to be called "The Medical Center Steam Company" is to be organized to provide central steam service to the University and to other institutions in the Medical Center District.

2. The contract will be between the Company and the University of Illinois; the University will make such subcontracts with other users as may be feasible and desirable.

3. The Company will construct the plant and distribution system according to plans and specifications approved by the University. All additions thereto will also be subject to University approval. The maximum investment, without further mutual consent, is to be $10,000,000.

4. The construction of the plant will be financed to the fullest extent possible by a direct outside loan. (An insurance company has tentatively offered to finance 80 per cent of the investment at 3½ per cent interest.) Commonwealth Edison Company will provide the remainder of the funds needed.

5. The operations of the Medical Center Steam Company will be conducted by the Commonwealth Edison Company on a nonprofit basis. Commonwealth Edison will be reimbursed for management services not to exceed $1,000 a month, plus indirect costs relating to such services. The University will participate in establishing operating policies.

6. Steam service rates will be based on the following costs and charges a month:

a. Interest: On the outside loan an amount sufficient to cover the interest payable; on funds supplied by Commonwealth Edison, 5 per cent plus income tax estimated at 3.06 per cent. These charges are to be based on current "depreciated investment" calculated monthly.

b. Depreciation charge: At 3 per cent per annum on the original cost of facilities until such facilities are completely amortized.

c. A general tax charge computed by deducting from the Company's charges for all taxes, any amount included for revenue taxes, in accordance with the Com-

pany's method of determining general tax accrual. Adjustments will be made for any variations from the estimates.

d. Operating expenses: A direct charge for all operating and maintenance expenses other than for fuel and ash removal, plus a steam charge calculated by adding to the cost for fuel burned the net cost of ash disposal.

e. Revenue tax charge: Any revenue taxes payable if such be assessed by the State or local governments.

7. The contract shall continue in force until such time as the Company's depreciation reserve for all facilities, other than facilities comprising working capital, becomes equal to the Company's investment in such facilities. Upon such termination the Company shall convey to the University all facilities and all inventories of operating and maintenance supplies provided the University pays the Company (a) all outstanding charges for steam service furnished including cost of discontinuing business with the Company, (b) the cost of the Company's inventories, (c) an amount equal to any redemption premium plus accrued interest the Company is required to pay on its indebtedness to others than Commonwealth Edison. The University, however, shall have the right to terminate the agreement at any time prior to its regular termination, on six months' written notice to the Company and on the purchase of the Company's equity in addition to the payment of costs previously specified. All obligations of the University shall be subject to constitutional and statutory limitations with respect to its expenditures.

The draft of the contract which is being submitted herewith is in substantially complete form but is subject to minor changes. There is also submitted a draft of the contract for use in subcontracting with other institutions desiring to purchase steam service.

I recommend approval of this program and the adoption of the attached resolution prepared by the Legal Counsel to authenticate this contract.

On motion of Mr. McLaughlin, this program was approved as recommended and the following resolution was adopted.

RESOLUTION

Resolved, that the Board of Trustees of the University of Illinois hereby approve, in the form submitted to this meeting, the proposed agreement between Medical Center Steam Company, a corporation to be organized under the laws of Illinois, and this Board, providing for the construction by the Steam Company of a central steam plant and distribution system and the furnishing of steam service to the University, and through the University to other institutions located within the Medical Center District as defined in such agreement, all upon the terms and subject to the conditions set forth in such agreement; that upon the completion of the organization of the Steam Company the Comptroller and the Secretary of this Board be and they hereby are authorized, empowered, and directed, in the name and on behalf of this Board, to execute and deliver such agreement in the form submitted to this meeting or with such changes in such form, not of substance, as may be approved by such officers, their approval of any such changes to be conclusively evidenced by their execution and delivery of such agreement; that upon the execution of such agreement by this Board and the Steam Company the proper officers or agents of this Board be and they hereby are authorized, empowered, and directed to do all such things as may be necessary to carry out and perform all of the obligations of this Board under such agreement; and that the Secretary of this Board be and he hereby is directed to file with the records of this meeting, properly identified, a copy of such agreement in the form submitted to this meeting, and also, if any changes shall be made in such agreement prior to the execution thereof, a copy of such agreement as executed and delivered by the parties thereto.

PURCHASE OF PROPERTY AT ILLINOIS STREET AND MATHEWS AVENUE IN URBANA

(2) The Committee on Special Appropriations and Nonrecurring Expenditures and the University Building Program Committee jointly recommend the purchase of the vacant lot at the southeast corner of the intersection of Illinois Street and Mathews Avenue in Urbana for the sum of $25,000.

I concur in this recommendation. An appropriation of $25,000 will be necessary.

On motion of Mr. Fornof, this purchase was authorized and the appropriation was made, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hickman, Dr. Meyer, Mr. Stevenson.

PURCHASE OF PROPERTY AT SIXTH AND JOHN STREETS IN CHAMPAIGN

(3) The Building Program Committee has recommended expansion of the Urbana-Champaign campus in the areas immediately surrounding the central part of the campus.

A property in this area at the corner of Sixth and John Streets has become available. It is described as "the north half of the west half of Block 13 in the James Wright Addition of the City of Champaign" and contains approximately 175 feet frontage on East John Street and 168 feet on South Sixth Street, a total area of 29,400 square feet. It was appraised recently by independent appraisers at $80,000. It includes a large, though quite old, two-story house, which can be used immediately for administrative offices or rehousing of the Speech Clinic, and the property is very desirable for future expansion of the campus.

The owners have offered the property to the University for $80,000 with an initial payment of $23,500 on July 1, 1949, $28,250 on July 1, 1950, and the final payment of $28,250 on June 30, 1951, with interest at the rate of 4 per cent on the unpaid balance. The University would also have the right of prepayment in full at any time after January 1, 1950.

The Provost, the Comptroller, and the Director of the Physical Plant Department recommend that the purchase be made under the above terms. I concur and request an appropriation of $24,000 to cover the initial payment due July 1, 1949, and incidental expenses.

On motion of Mr. Fornof, this purchase was authorized and the appropriation was made, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mrs. Watkins, Mr. Williamson; no, Mr. Nickell; absent, Mr. Hickman, Dr. Meyer, Mr. Stevenson.

Mr. Nickell stated in explanation of his negative vote, that he did not approve of paying interest on deferred payments.

APPROPRIATIONS FOR BUILDINGS AND OTHER CAPITAL IMPROVEMENTS, 1949-1951

(4) In revising the University's building program for 1949-1951, to reduce the total appropriation from the $63,065,000 requested by the University to the $21,000,000 total ($15,400,000 for the Chicago Professional Colleges; $5,600,000 for the Urbana-Champaign campus) recommended by the Governor in his biennial budget submitted to the 66th General Assembly, certain adjustments will be necessary.

The problems arising out of this limitation of funds were discussed with the Governor at the Board of Trustees meeting held in Springfield on April 21, 1949. Attention was called to the difficulties resulting from absence of funds for safety improvements and other necessary building remodeling. A problem of equal seriousness at Urbana-Champaign is a critical power shortage. Increased power plant capacity is necessary to meet additional demands resulting from completion of new buildings during the 1947-1949 biennium, the two major buildings to be constructed during 1949-1951, plus the increase in power demand resulting from normal growth of the University. The University now has three 3,000 kw. generators in the Abbott Power Plant and an old 500 kw. generator, which can be used in a limited way in case of an emergency, in the old power plant. It is necessary periodically to take one generator out of service for overhauling, so that the present firm electric capacity is 6,500 kw. The maximum coincident demand at present is 5,800 kw., and by September 1, 1949, it will be at least 7,900 kw. When the buildings to be constructed during 1949-1951 are "on the line" it is estimated that the maximum coincident demand will be 10,150 kw.

In recognition of this the Board of Trustees on June 15, 1948, authorized the purchase of a 7,500 kw. generator, cooling tower, and condenser at an estimated cost of $1,300,000 to be constructed and paid for during the biennium of 1949-1951, contingent on the availability of funds. Since it takes a long time to secure delivery of this kind of equipment, the Board authorized placing the order early so that it would have a high priority. The allocation of only $5,600,000 for buildings at Urbana, of which $5,000,000 is for College of Veterinary Medicine and College of Agriculture buildings, does not include any money at all for additions to the power plant.

The $15,400,000 building program for the Chicago Professional Colleges includes $1,500,000 for additions to the old power plant and extensions of the utilities distribution system. It is not enough to build a new power plant which is needed. The Commonwealth Edison Company of Chicago has agreed to construct and operate a plant to provide steam heating service for the Chicago Professional Colleges (this service will also be available to other institutions in the Medical Center District) under a plan whereby the University will eventually acquire the plant. Commonwealth Edison will also construct the utilities distribution system. Consequently of the sum previously allocated for capital improvements in Chicago, $1,300,000 could be released for other uses, and $200,000 retained for electric distribution lines and remodeling. If the $1,300,000 is allocated to Urbana-Champaign, funds will be provided for some of the safety improvements and other remodeling urgently needed and also for increasing the power production of the Abbott Power Plant. An additional 3,000 kw. generator and auxiliary equipment is necessary to provide the minimum power production capacity which will be needed by the end of the biennium of 1949-1951. This will not allow any excess for succeeding biennia.

I request that the Board of Trustees authorize the President of the University to make the necessary revisions in the allocations of funds for buildings and other capital improvements for the biennium of 1949-1951 within the total of $21,000,000 which the Governor has recommended.

On motion of Mr. Livingston, authority was granted as requested.

ILLINI UNION FOOD SERVICE AT UNIVERSITY CLUB IN URBANA

(5) On June 23, 1947, the Board authorized a contract with the University (Men's) Club in Urbana, whereby the University assumed responsibility for food service at the Club, through the Illini Union. Meals were to be served to members and nonmembers at the same price. It was understood that every effort would be made to operate the program on a self-supporting basis.

It has not been possible to accomplish this result. For the year 1947-1948, there was a net deficit of $6,705.48. For the period September 1, 1948, to March 31, 1949 (the Club was not operated during the summer months), the deficit was $8,388.03. These deficits have been absorbed by the Illini Union. They are without any charge having been made for the use or operation of the building, or for utilities other than those directly required in food service.

Some of the reasons for these deficits are stated as follows:

1. The gross volume of business has been considerably less than was anticipated when the arrangement was established.

2. Increasing food and labor costs have required higher meal prices and have reduced the total number of meals served.

3. Meal service requirements are irregular, with a rather large luncheon business but relatively small evening business.

A review of the entire situation indicates that the food service is urgently needed and that it would be impossible to absorb the present patronage of the University Club at the Illini Union Building. This is especially true at the noon luncheon. Food service at the Club is not limited to Club members but is available and is used by other faculty and staff personnel who are not members. Club members receive no special consideration in the food service.

Officers of the University Club urge that the operation of the food service at the Club be continued by the Illini Union as a service to University staff. It should be added that a considerable number of meetings of University organizations and visiting groups are held at the University Club and it would not be possible to find those facilities elsewhere on the campus.

The management of the Illini Union is willing to continue the responsibility for University Club food service but desires that the Board be advised that to do this means, based on an experience to date, a deficit from the University Club which must be absorbed in the Illini Union Building operations. The University pays the Illini Union a service charge for all members of the staff comparable to that charged to students.

In the meantime a survey will be undertaken to ascertain if the net costs may be reduced. In view of the all-University services involved, I recommend that a new contract be signed.

This report was received for record.

WAGES OF NONACADEMIC EMPLOYEES

President Stoddard reported that he had received, just before coming to this meeting, a communication from Mr. Sherdie C. Jones, of the Twin City Federation of Labor, requesting certain increases in the wages of nonacademic employees.

On motion of Mr. Livingston, this matter was referred to the President's Office for consideration and report.

OPEN SESSION

The Board convened in open session at 12:15 p.m.

APPOINTMENTS TO THE FACULTY MADE BY THE PRESIDENT OF THE UNIVERSITY

The Secretary reported that the President has approved the following new appointments to the faculty of the rank of Assistant Professor and above since the previous meeting of the Board of Trustees:

1. FLOYD E. BOYS, Associate Professor of Health Education, beginning April 1, 1949, at an annual salary of $8,800.
2. EDWARD C. BUDD, Assistant Professor of Economics, beginning September 1, 1949, at an annual salary of $4,500.
3. FRANK B. FREIDEL, JR., Assistant Professor of History, beginning September 1, 1949, at an annual salary of $4,900.
4. ROLAND GIBSON, Assistant Professor of Economics, beginning September 1, 1949, at an annual salary of $5,000.
5. HALVOR O. HALVORSON, Professor of Bacteriology and Head of the Department, beginning September 1, 1949, at an annual salary of $9,000.
6. JOHN L. HELLER, Professor of the Classics and Head of the Department, beginning September 1, 1949, at an annual salary of $8,000.
7. ROBERT I. HULSIZER, JR., Assistant Professor of Physics, in the College of Engineering, beginning September 1, 1949, at an annual salary of $5,200.
8. W. E. MARTIN, Assistant Professor of Education, in the Bureau of Research and Service, beginning September 1, 1949, at an annual salary of $5,500.
9. S. MERYL ROSE, Associate Professor of Zoology, beginning September 1, 1949, at an annual salary of $5,800.

On motion of Mr. Nickell, the action of the President in making these appointments was confirmed.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered the following matters presented by the President of the University.

APPOINTMENTS TO THE 1949 SUMMER SESSION STAFF

(1) I submit the budget for the 1949 Summer Session. It provides for an eight-week session at Urbana-Champaign and the Chicago Undergraduate Division (see Appendix, page 375).

Salaries of all members of the faculty who are recommended for appointments to the Summer Session staff are computed on the basis of two-ninths of the salary of the academic year for two months of summer service. This is in accordance with the terms of employment of the academic, administrative, research, and extension staffs authorized by the Board of Trustees on January 8, 1948 (Minutes, page 952).

The budget totals $528,106 for Urbana-Champaign, $87,362 for the Chicago Undergraduate Division, and $22,969 to be assigned by the Dean of the Summer Session in terms of enrollment demands.

I recommend that:

1. The appointments to the Summer Session staff and the allocation for unassigned salaries be approved as submitted.

2. All appointments for contracts for service during the Summer Session include a provision permitting reduction in time and salary or cancellation of the contract in the event that enrollment does not warrant continuation of the appointment on the basis originally recommended.

3. The President of the University be authorized to make such changes and adjustments, including additional appointments and acceptance of resignations, as are necessary in accordance with the needs of the University.

On motion of Mr. Nickell, these recommendations were adopted, and authority was given as requested.

APPOINTMENTS TO 1949 SUMMER SESSION STAFF

(2) The budget for the 1949 Summer Session which is being recommended to the Board of Trustees includes the following new appointments of persons who are being appointed for the Summer Session only and are not on the permanent faculty, although some of them have served in previous summer sessions:

	Salary
Agricultural Economics	
E. O. Heady, Visiting Lecturer (Professor, as of July 1, 1949, Iowa State College)	$1 200

This report was received for record.

INSTITUTE OF LABOR AND INDUSTRIAL RELATIONS ADVISORY COMMITTEE

(3) The plan for the administrative organization of the Institute of Labor and Industrial Relations provides for an Advisory Committee composed of representatives in equal number of labor, employers, and the public, due regard being given to including both urban and rural interests. The first appointments in each group are to be made in terms of one, two, and three years respectively and appointments thereafter to be for three years. The first committee was appointed two years ago without any specification as to terms since it was on a trial basis. The Director of the Institute has recommended and I have approved the following appointments beginning July 1, 1949:

Labor

JOSEPH GERMANO, President, Illinois State Industrial Union Council, 205 West Wacker Drive, Suite 1322, Chicago 6 (*one year*)
THOMAS J. HAGGERTY, Secretary-Treasurer, Chicago Milk Wagon Drivers Union, Local No. 753, 220 South Ashland Boulevard, Chicago 7 (*one year*)
CLINTON BUSH, State Legislative Chairman, Brotherhood of Locomotive Firemen and Enginemen, 105 East 70th Street, Chicago 37 (*two years*)
SAMUEL LEVIN, Vice-President, Amalgamated Clothing Workers Union, 5005 Drexel Boulevard, Chicago 15 (*three years*)
R. G. SODERSTROM, President, Illinois State Federation of Labor, Springfield (*three years*)

Employers

WAYNE A. JOHNSTON, President, Illinois Central Railroad, 135 East Eleventh Place, Chicago 5 (*one year*)
LEVERETT S. LYON, Chief Executive Officer, Chicago Association of Commerce and Industry, One North LaSalle Street, Chicago 2 (*one year*)
G. W. HOELSCHER, General Manager, East Side Manufacturers Association, Granite City (*two years*)
HENRY H. BOLZ, Secretary, Association of Commerce, Decatur Club Building, Decatur (*three years*)
OLIVER E. MOUNT, Vice-President, American Steel Foundries, 410 North Michigan Avenue, Chicago 11 (*three years*)

Public

CHARLES SHUMAN, President, Illinois Agricultural Association, 43 East Ohio Street, Chicago 11 (*one year*)
FRED L. WHAM, Judge, United States District Court, 611 East Third Street, Centralia (*one year*)
JOHN E. CASSIDY, Attorney, Cassidy, Sloan, and Crutcher, Jefferson Building, Peoria (*two years*)
IRVING DILLIARD, Editorial Writer, 505 East Church Street, Collinsville (*three years*)
MRS. BERNICE T. VAN DER VRIES, Member, Illinois House of Representatives, 439 Maple Avenue, Winnetka (*three years*)

On motion of Mr. Livingston, these appointments were confirmed.

RELEASE OF FUNDS FOR BUILDINGS AND CAPITAL IMPROVEMENTS

(4) The Governor has authorized the following release of funds from the appropriation made to the University of Illinois by the 65th General Assembly under Senate Bill 662, "An Act making appropriations for certain additional ordinary, contingent, and distributive expenses of State government," which included appropriations totaling $12,994,732 to the University for buildings and other capital improvements.

Release No. 519

From the item "For contingencies to cover expenditures for purposes for which the amount appropriated in any item above enumerated is or becomes insufficient (total appropriation, $618,845).....$15 000"

To augment Release No. 3 (July 22, 1947) in the amount of $1,150,000 for the construction of a new Mechanical Engineering Building, and Release No. 351 (September 7, 1948) from contingencies in the amount of $62,000, for the completion of the Mechanical Engineering Building.

I recommend that these funds be appropriated for the construction of the building.

On motion of Mr. McLaughlin, this appropriation was made as recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hickman, Dr. Meyer, Mr. Stevenson.

CONTRACT FOR EMERGENCY LIGHTING OF MEDICAL AND DENTAL COLLEGE LABORATORIES BUILDING

(5) The Director of the Physical Plant Department and the Comptroller recommend award of a contract for $8,482 to the B-H Electric Company of Chicago for the installation of emergency lighting in the Medical and Dental College Laboratories Building in Chicago.

Funds are budgeted to cover this work.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Livingston, this contract was awarded and authority was given as recommended.

ADDITION TO CONTRACT FOR STEAM SERVICE TO CHEMISTRY ANNEX

(6) The Director of the Physical Plant Department and the Comptroller recommend an addition of $1,550 to the contract with L. H. Prentice Company, Chicago, for the installation of steam piping to the Chemistry Annex to provide for the construction of two new manholes and diversion of a sewer not specified in the original contract which was awarded by the Board of Trustees on June 15, 1948 (Minutes, page 1150). Funds are available.

I concur and request that the Comptroller be authorized to execute this addition to the contract.

On motion of Mr. Nickell, this addition to contract was approved and authority was given as requested.

REPORT OF FINANCE COMMITTEE ON INSURANCE ON AUTOMOBILE FLEET

(7) Automobile insurance on the University fleet expires June 30, 1949. The Travelers Insurance Company, current insurance carriers of this risk, as they have been for the past two years, have indicated their desire to continue on this risk for another year.

Last year requests were submitted for quotations to sixty-eight mutual and stock insurance companies. Also advertisements were inserted in daily papers but only three insurance companies, including Travelers, the lowest bidder, submitted quotations.

Travelers requested for the year July 1, 1948, to July 1, 1949, and the governing bureau authorized, a deviation from manual rates of 50 per cent bodily injury and property damage and a fixed fleet plan reduction of 20 per cent.

Travelers anticipate authorization for 1949-1950 by the governing bureau of a deviation from manual rates of 55 per cent bodily injury and property damage and a fixed fleet plan reduction of 20 per cent. On this basis the anticipated cost of automobile public liability and property damage insurance with $25/50,000 bodily injury limits and $5,000 property damage limits would be $3,500 (estimated) for the policy year beginning July 1, 1949. Funds are provided in the Physical Plant Department budget.

The Comptroller has recommended that this insurance be renewed with the Travelers Indemnity Insurance Company for another year effective July 1, 1949, on the basis of their proposal outlined herein, in which they would allow a 55 per cent reduction from manual rates plus an additional 20 per cent fleet discount.

The Finance Committee recommends approval.

On motion of Mr. Livingston, this matter was referred to the Comptroller's office and the Finance Committee to secure additional bids.

REPORT OF TOTAL AMOUNTS OF STANDING CONTRACTS FOR MINOR IMPROVEMENTS

(8) The Board of Trustees at the April meeting requested a report of total contracts let under these general standing contracts since July 1, 1948. That report is as follows, for the period July 1, 1948, to May 1, 1949:

Lewis S. Colbert, general work	$220 826 01
Reliable Plumbing and Heating Co.	44 510 19
Schroeder's, ventilating and sheet metal	30 050 42
Square Deal Electric Company	47 762 92

This report was received for record.

CONTRACT FOR HEATING AND VENTILATING IN ELECTRICAL ENGINEERING BUILDING

(9) The heating and ventilating installations in the Electrical Engineering Building were by Carson-Payson Company, Danville, under a cost plus a fixed fee contract authorized by the Board of Trustees on January 25, 1947 (Minutes, page 228). The maximum estimated cost was $176,954. The Comptroller has reported that due to increased labor rates and material costs, the total cost of the heating and ventilating installations under this contract will be $194,471.45. The fixed fee of this contract, which is included in the total cost, is $19,661. This compares favorably with the lowest lump sum bid of $223,000 received at the time the contract was awarded.

This report was received for record.

FEES FOR EXAMINATIONS IN HIGH-SCHOOL AND COLLEGE SUBJECTS

(10) As a service to the State Board of Law Examiners the University offers examinations in high-school and college subjects to candidates who wish to qualify for the study of law and eventually for admission to the Bar examinations. Fees are charged to cover the cost of this service. From time to time changes have been made in the fees whenever necessary in order to meet expenditures. The present schedule of fees established by the Board of Trustees on March 10, 1942, is as follows:

High-school subjects	$ 75 per half unit of credit
College subjects	2 00 per subject

For the past two years these fees have not covered expenses and it has been

necessary to use part of the small surplus previously accumulated. The Director of Admissions recommends the following rates in this schedule effective July 1, 1949:

High-school subjects.....$1 25 per half unit of credit
College subjects..... 2 50 per subject

On the basis of the present number of individuals taking the examinations, the schedule of fees proposed would produce an income of about $19,000 a year and the expense of giving the examinations is about $17,000 a year. Thus the fees proposed include a safety factor to allow for shrinkage in the number of examination applicants and for possible increase in expenditures not now anticipated.

I concur.

On motion of Mr. Nickell, these rates were approved as recommended.

PURCHASES

(11) There are submitted reports of (A) emergency purchases authorized and of (B) purchases recommended (see Appendix, page 392).

On motion of Mr. McLaughlin, the action of the President of the University in authorizing emergency purchases was approved and confirmed, and the purchases recommended were authorized.

GRANT OF FUNDS FOR SEMINAR ON THE ATLANTIC PACT

(12) At the meeting of the Board on April 21, 1949, I reported informally that the Carnegie Endowment for International Peace was considering a grant of funds to the University toward the expenses of a seminar on the Atlantic Pact to be held at Allerton Park during the summer of 1949. I am pleased to report that a grant of $2,000 has been offered and has been accepted. The seminar will be conducted by the Institute of Government and Public Affairs, July 13-16.

I request that the Board of Trustees, through its Secretary, express to Dr. James T. Shotwell, Acting President of the Carnegie Endowment for International Peace, an official recognition of this grant.

On motion of Mr. Nickell, the Secretary was instructed to send such expression to the Carnegie Endowment for International Peace.

DEPARTMENT OF BACTERIOLOGY IN THE COLLEGE OF MEDICINE

(13) The Dean of the College of Medicine and the Vice-President in charge of the Chicago Professional Colleges recommend that the name of the Department of Bacteriology and Public Health in the College of Medicine be changed to the Department of Bacteriology.

I concur.

On motion of Mrs. Holt, this change was made as recommended.

NAMING OF NEW UNIVERSITY BUILDINGS

(14) I recommend that the new University buildings recently completed or now under construction at Urbana-Champaign be named as follows:

Electrical Engineering Building
Mechanical Engineering Building
East Chemistry Building
Lincoln Avenue Residence

On motion of Mr. Nickell, these names of buildings were approved.

COMPTROLLER'S REPORT OF CONTRACTS

(15) The Comptroller's report of contracts executed from April 11 to May 10, 1949 (see Appendix, page 395).

This report was received for record.

QUARTERLY REPORT OF THE COMPTROLLER

(16) The Comptroller presents his quarterly report to the Board as of March 31, 1949. Copies of this report have been sent to all members of the Board in advance of this meeting.

This report was received for record.

RESOLUTION RELATING TO FINANCING STUDENT AND STAFF APARTMENT BUILDING IN URBANA

(17) On July 21, 1948 (Minutes, page 9), the Board accepted an offer from Salk, Ward, and Salk, Inc., Chicago, for a loan of $900,000 partially to finance the construction of the Student and Staff Apartment project in Urbana. Salk, Ward, and Salk has placed the loan with the Modern Woodmen of America and Royal Neighbors of America whose attorneys request that the Board of Trustees adopt the attached formal resolution.

The Comptroller and the Legal Counsel recommend the adoption of the resolution (see Appendix, page 395).

On motion of Mr. Livingston, this resolution was adopted as recommended.

CONTRACT FOR RE-ROOFING ADMINISTRATION BUILDING (WEST)

(18) The following bids have been received for the re-roofing (using the present tile) of the Administration Building (West):

H. Reuter Company, Kankakee.....$11 452
J. L. Kingston, Bloomington..... 7 935

This building was constructed in 1915 and has been in service thirty-four years. Due to roof deterioration there is danger of the tile shingles sliding off.

The Director of the Physical Plant Department and the Comptroller recommend award of the contract for $7,935 to J. L. Kingston of Bloomington, the lower bidder.

Funds are available in the Physical Plant Department budget for this work.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract.

On motion of Mr. McLaughlin, this contract was awarded and authority was given as recommended.

RECOMMENDATIONS RELATING TO PATENTABLE DISCOVERIES

(19) The following discoveries which are potentially patentable have been reported to the President of the University:

1. The invention of an atomizing nozzle by Mr. E. H. Conroy, Jr., a graduate student. He developed certain principles of nozzle design which appear to be novel and worth while, in connection with his research work for the Ph.D. degree on the combustion of sulfur. This research work is supported by the Texas Gulf Sulphur Company.

Both the Company and the University are interested in making the discovery of the greatest use to the public, that is, to the users of sulfur. The Company desires that the new discovery be made available through non-exclusive royalty free licenses.

2. The invention of an electronic X-ray film contrast enhancer by Messrs. J. S. Garvin, C. W. Goodwin, and S. N. Stein of the College of Medicine. It is the judgment of the University Research Board that this device has a field of usefulness but requires considerable development and is not likely to bring commercial possibilities attractive enough to justify securing patent coverage at the expense of the University.

3. A new method of synthesizing the intermediate products from which chloromycetin is developed: A process of preparing a new antibiotic by Professor Herbert E. Carter of the Department of Chemistry, Assistant Professor David Gottlieb of the Department of Horticulture, and Mr. P. K. Bhattacharyya, a graduate student in chemistry, while engaged in research work on antibiotics sponsored by Abbott Laboratories, Eli Lilly and Company, and the Upjohn Company.

The University Research Board recommends that these discoveries be released to the discoverers as agents of the University of Illinois Foundation.

I concur.

On motion of Mr. Nickell, these patents were released as recommended.

CONTRACTS FOR PARKING LOTS AND SIDEWALKS

(20) Bids have been taken for the construction of parking lots and sidewalks in the areas indicated in the accompanying schedule. The parking lot bids were taken on hot-mix asphalt surfacing specifications (such as is usually used on public streets). Alternate bids were also invited on a cold-plant mix surfacing and a crushed rock surfacing with an asphalt binder, both of which are inferior to the hot-mix asphalt. The bids on the two alternates were not sufficiently lower to merit consideration and are therefore not shown.

All contractors known to be interested were invited to bid on the sidewalk construction but only one qualified bid was received, from Lynne Meyer, Urbana.

Funds are available for the construction of parking lots and sidewalks, the source of the funds being indicated in the bid schedule.

The Director of the Physical Plant Department and the Comptroller recommend award of contracts to the lowest bidders as follows:

For parking lots, Champaign Asphalt Company, Champaign.....$35 355 00
For sidewalks, Lynne Meyer, Urbana..... 7 608 50

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contracts.

On motion of Mr. Livingston, the contract for parking lots was awarded as recommended; the matter of the construction of sidewalks was referred to the Committee on Buildings and Grounds, to secure new bids and to award the contract.

INCREASE IN CONTRACT FOR BUILDING ALTERATIONS IN RESEARCH AND EDUCATIONAL HOSPITALS

(21) On January 13, 1949 (Minutes, page 211), the Board of Trustees authorized a contract with E. H. Marhoefer, Jr., Company, Chicago, for building alterations in the Research and Educational Hospitals to provide additional and improved quarters for the Department of Physical Medicine. On recommendation of the Head of the Department, the Director of the Physical Plant Department and the Comptroller recommend a change in this contract to include the installation of a ventilation system and to provide for the future installation of air conditioning in the hydrotherapeutic quarters. The design of these installations had not been completed when the contract was awarded and it was let without this work to expedite the remodeling. The change will require an addition of $3,376.80. Funds are available for this increase in the appropriation made by the Board of Trustees for this work.

I concur.

On motion of Mr. Livingston, this addition to contract was authorized as recommended.

CONTRACT FOR PNEUMATIC TUBE SYSTEM IN PHYSICAL MEDICINE ADDITION

(22) The Director of the Physical Plant Department and the Comptroller recommend award of a contract for $1,500 to Kelly Systems, Inc., Chicago, the lowest bidder, for the installation of a four-inch pneumatic tube system in the Research and Educational Hospital quarters which are being remodeled for the Department of Physical Medicine. The tube system is for transmission of records of patients and other documents.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. McLaughlin, this contract was awarded and authority was given as recommended.

AWARD OF CONTRACTS AT ROBERT ALLERTON PARK

The Secretary reported that the Committee on Buildings and Grounds had received the following report from President Stoddard:

Honorable John R. Fornof, Chairman
Honorable Wirt Herrick
Honorable Doris S. Holt
Honorable Park Livingston
Honorable Karl A. Meyer
} *Committee on Buildings and Grounds*

May 1, 1949

At the meeting of the Board of Trustees on April 21, I presented three recommendations for the awards of contracts for remodeling, repairs, and painting of houses at Robert Allerton Park, including the main house, Gate House, and two other houses in the Park. Copies of the recommendations are enclosed.

In view of questions raised by Mr. R. G. Soderstrom, President of the Illinois State Federation of Labor, and Mr. Fern R. Rauch, Assistant Director of the State Department of Labor (copies of their telegrams are also enclosed) concerning the rates of wages to be paid for this work, the Board deferred action on the awards of the contracts and referred them to your Committee with power to act.

The Director of Nonacademic Personnel and the Legal Counsel have reviewed this matter and have submitted a report which I am transmitting herewith.

I am sending you a memorandum concerning craft jurisdiction and determination of wage rates which was drawn up by the Director of Nonacademic Personnel, the Director of the Physical Plant Department, and the Chairman of the Nonacademic Personnel Advisory Committee on the basis of a conference between representatives of the University and of labor unions. I approved this memorandum on April 19, 1949 (Please note this was before any questions had been raised regarding the award of contracts at Allerton Park.) as a basis for wage agreements and work assignments until further notice.

The evidence indicates that:

1. There are no "prevailing rates" established in Monticello and Piatt County by agreements between labor organizations and employers.

2. The rates of pay which the contractors who bid on the remodeling, repairs, and painting at Robert Allerton Park propose to pay to their craftsmen are the same rates they are paying for other work on public jobs.

3. The contractors in Monticello do not employ union labor as a general practice nor do they employ non-union labor exclusively. On occasions they have employed union labor. Union labor is brought in for special work on bridges, tanks, and pipe lines.

Saturday morning, April 30th, from 10:00 to 12:00, the following persons took part in a thorough discussion of the issues involved:

For the University

GEORGE D. STODDARD, President
WILLIAM E. BRITTON, Professor of Law and Legal Counsel
DONALD E. DICKASON, Director of Nonacademic Personnel
C. S. HAVENS, Director of the Physical Plant Department
PAR DANFORTH, Director of Robert Allerton Park, with the rank of Professor in the Division of University Extension
R. N. SULLIVAN, Professor of Law and Chairman, Nonacademic Personnel Advisory Committee
A. J. JANATA, Assistant to the President

Representing labor organizations

W. L. CUSKADEN (*vice* SHERDIE C. JONES, President, Twin City Federation of Labor)
JOHN V. SOHN, Champaign-Urbana Building and Construction Trades Council
CLAY WEBB, Plumbers
MILLARD LANE, WILLIAM ARCHDEACON, EARNIE BOURNE } Carpenters
FRANK ASHERMAN, C. O. RONEY } Painters
JOHN T. HOBAN, Sheet Metal Workers
ARTHUR SINGBUSCH, Electricians
VICTOR VAUGHN, Laborers

RALPH TANGNEY, Plasterers and Cement Finishers
M. O. ALPERS, JACK GREEAR } Iron Workers

For the Illinois State Department of Labor
EDWARD H. BLANCK (*vice* FRANK ANNUNZIO, Director of the Department)

Monticello Community Club
C. G. HOLFORTY, President

The issues finally boiled down to one: Has a prevailing rate of wages for the work to be done under the proposed contracts been established in Monticello?

It is my judgment, in which the University representatives concur, that this question must be answered in the negative. A prevailing rate could not therefore be specified in the proposed contracts. If labor representatives or other citizens believe otherwise it is their privilege to bring the matter into court, following the procedure given in the statutes. Should a judge rule against the University in this matter, I should recommend that the University, in accepting such a decision, apply it to the beginning hour of all work in the contracts.

I feel that there is nothing to be gained by further delay, and I therefore recommend that the contracts for work at Allerton Park as submitted to the Board of Trustees on April 21st be approved.

Respectfully yours,
GEORGE D. STODDARD
President

On receipt of this report, the Committee authorized the award of contracts for work at Robert Allerton Park to the lowest bidders as recommended on April 21, 1949 (Minutes, pages 333 to 335).

This report was received for record.

SECRETARY'S REPORTS

The Secretary presented the following lists for record, as printed in the Appendix.

1. Appointments made by the President of the University (page 373).
2. Graduate fellows (page 374).
3. Resignations and declinations (page 375).

The Board adjourned.

H. E. CUNNINGHAM
Secretary

KENNEY E. WILLIAMSON
President

APPENDIX

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parenthesis is the date on which the appointment was made by the President of the University. Part-time appointments are shown by fractions after the name of the department. C = College; S = Station; E = Extension.)

BELLAMY, J. E., Assistant, English, nine months beginning September 16, 1949, $2400 (5-12-49).

BISSETT, JAMES R., Instructor, Civil Engineering (C) (½), academic year beginning September 1, 1949, $2000 (5-17-49).

BOYS, FLOYD E., Associate Professor, Health Education, five months beginning April 1, 1949, $733.33 a month (4-28-49).

BUDD, EDWARD C., Assistant Professor, Economics, academic year beginning September 1, 1949, $4500 (5-12-49).

CARO, MARCUS R., Clinical Professor, Dermatology (Medicine), five months beginning April 1, 1949, without salary, supersedes (5-4-49).

CAULDWELL, EARL W., Research Associate, Pathology (Medicine) (1/10), July 1, 1949-August 31, 1950, $408 a year, and (9/10), one year beginning July 1, 1949, $3600 a year, latter sum payable from United States Public Health Service, supersedes (5-4-49).

CLARK, WILLIAM C., Research Assistant, Physiology (Graduate College), three months beginning April 1, 1949, $1005 (4-30-49).

CULLISON, CHARLES W., Instructor, Pathology (Medicine) (¾), one year beginning March 12, 1949, $3000 (5-4-49).

DVORETZKY, A., Visiting Lecturer, Graduate College, June 15-August 15, 1949, $1300 (4-20-49).

RESOLUTION

Whereas, the General Assembly of Illinois has appropriated by Senate Bill No. 662 the sum of $400,000 for the construction of graduate student and staff apartments at Urbana, Illinois; and

Whereas, the General Assembly has appropriated in said Bill additional sums for the equipment of buildings and contingencies from which the Board of Trustees of the University of Illinois has allocated the sum of $251,700 for staff housing; and

Whereas, the Board of Trustees of the University of Illinois owns the property described as follows:

Situated in the State of Illinois, County of Champaign, and City of Urbana, in the west half of the North East Quarter (NE¼) of the North East Quarter (NE¼) of Section Eighteen (S 18) in Township Nineteen North (T19N), Range Nine East (R9E) of the Third Principal Meridian (3rd PM) and being known as parts of Lots Eleven (11) and Twelve (12) of W. M. Goodwin's Addition to the City of Urbana as recorded in Deed Book Twenty-four (24), Page Five Hundred Eighty-two (582), of the records of said County and being more fully bounded and described as follows:

Beginning at an iron pin at the intersection of the east line of Goodwin Avenue and the south line of Green Street as now located; thence easterly along the south line of Green Street, a distance of One Hundred (100) feet to an iron pin; thence southerly along a line parallel to the east line of Goodwin Avenue, a distance of One Hundred Seventy (170) feet to an iron pin; thence easterly at Ninety Degrees (90°) to the preceding course, a distance of Ninety-nine (99) feet to an iron pin; thence southerly along a line parallel to Goodwin Avenue and at Ninety Degrees (90°) to the preceding course, a distance of One Hundred Sixty-four and Thirteen Hundredths (164.13) feet to an iron pin; thence westerly One Hundred Ninety-nine (199) feet to an iron pin in the east line of Goodwin Avenue; thence northerly along the east line of Goodwin Avenue, a distance of Three Hundred Thirty-two and Eight Tenths (332.8) feet to the place of beginning, containing One and One Hundred Thirty-four Thousandths (1.134) acres more or less, but subject to all legal highways;

and has determined to use said property as a site for graduate student and staff housing apartment buildings for which said sums were appropriated and allocated; and

Whereas, plans and specifications for the construction of a six-story apartment building and a three-story apartment building on said premises have been drawn and prepared by Skidmore, Owings & Merrill of Chicago; and

Whereas, bids for the construction of such project were received from bidders and opened by the University on July 7, 1948; and

Whereas, such bids revealed that it would be necessary to borrow $900,000 in addition to said appropriations to complete the project; and

Whereas, Salk, Ward & Salk, Inc., submitted a financing proposal for a loan in the sum of $900,000 under date of July 15, 1948, and said proposal was accepted by the Board of Trustees on July 21, 1948; and

Whereas, Modern Woodmen of America, an Illinois corporation, and Royal Neighbors of America, an Illinois corporation, have succeeded to the rights and assumed the obligations of Salk, Ward & Salk, Inc., in connection with said financing arrangements; and

Whereas, said Modern Woodmen of America and Royal Neighbors of America are not to be obligated to purchase the bonds evidencing such loan hereinafter referred to, until construction is completed; and

Whereas, it is necessary to obtain interim loans up to $900,000 principal to complete construction and equipping of said buildings, and arrangements have been made with the First National Bank of Chicago for the making of such interim loans to the University of Illinois Foundation as trustee; and

Whereas, the Board of Trustees has determined, in order to obtain said loan to aid in the acquiring, constructing, and equipping of said buildings, to create a trust with the University of Illinois Foundation as active Trustee, and convey said real estate to the Foundation as active Trustee, to be held in trust under the terms of a trust agreement to be known as "University of Illinois Student-Staff Apartment Buildings Trust — Urbana Campus," all pursuant to "An Act to authorize the Board of Trustees of the University of Illinois to create trusts, to convey property in trust, to enter into trust agreements providing the powers and duties of the trustee and providing for the issuance of bonds by such a trustee and providing for the payment and securing thereof; to enter into year to year or other leases, to pledge for the performance of its obligations under such leases certain receipts and collections which the board is authorized by 'An Act to amend section 6 of "An Act in relation to state finance," approved June 10, 1919, as amended,' approved July 11, 1935, to retain in its own treasury, and to enter into covenants

with the United States or any agency thereof and to take other action for the purpose of obtaining grants from the United States to aid in financing the construction and equipping of university, college or educational buildings on which said board shall be given a year to year or other lease or the privilege thereto. (Filed March 20, 1936, L. 1935-36, First Sp. Sess., p. 179.)" As amended by Act approved July 11, 1939, House Bill 784 and other applicable statutes (herein sometimes called "the Enabling Acts"); and

Whereas, there has been submitted to the Board of Trustees a proposed form of Loan Agreement to be dated June 15, 1949, between the University of Illinois Foundation, the Board of Trustees of the University of Illinois, Modern Woodmen of America and Royal Neighbors of America, and a proposed form of deed in trust under which title to said real estate would be conveyed to the Foundation as active Trustee, and a proposed form of trust agreement between the Board of Trustees of the University of Illinois and the University of Illinois Foundation, being the trust agreement above referred to, with a proposed form of trust indenture and a proposed form of operating lease attached to and incorporated in said form of trust agreement, all to be dated June 15, 1949 (a copy of said Loan Agreement and proposed deed in trust and trust agreement with exhibits attached being attached to and incorporated in the minutes of this meeting); and

Whereas, the Board of Trustees of the University of Illinois are authorized and empowered by virtue of the Enabling Acts to create said trust and convey said property in trust to the University of Illinois Foundation and execute and deliver said trust agreement (and thereby empower the Foundation as active Trustee, to make interim loans and execute its notes evidencing the same and its bonds in the principal sum of $900,000, as provided in said form of trust indenture, and to execute said trust indenture to Harris Trust and Savings Bank as Trustee, securing the payment of said bonds), and to enter into an operating lease with the University of Illinois Foundation in the form attached to and incorporated in the minutes of this meeting;

Now, Therefore, Be It Resolved, that the Board of Trustees of the University of Illinois does hereby authorize and empower the President and Secretary of the Board of Trustees to execute and deliver, for and on behalf of the Board of Trustees of the University of Illinois, a Loan Agreement to be dated June 15, 1949, with the University of Illinois Foundation, Modern Woodmen of America and Royal Neighbors of America, providing among other things:

(1) For the issuance of bonds of the University of Illinois Foundation individually and as such trustee, in the principal sum of $900,000, with interest at 4 per cent per annum, interest only until January 1, 1950, payable on January 1, 1950, and principal and interest from January 1, 1950, payable in equal quarterly installments of $14,285 commencing on April 1, 1950, with a final installment payable on October 1, 1973, with privilege to prepay, not to exceed $90,000 in any mortgage year, and with privilege to redeem in full on or after the 20th installment date at 102 and on or after the 39th installment date at 101;

(2) For the execution and delivery by the Foundation as active Trustee of a trust indenture substantially in the form attached to said Loan Agreement, to Harris Trust and Savings Bank, an Illinois corporation having its principal office in Chicago, Illinois, as "Bondholders' Trustee," providing the rights and powers of such Bondholders' Trustee and of the bondholders, not including, however, the right to forfeit or obtain title to the project through foreclosure proceedings, or otherwise, but conferring upon the Bondholders' Trustee the powers authorized to be conferred upon such Trustee by the terms of the Enabling Acts;

(3) In the event the bonds have not been delivered to Modern Woodmen of America and Royal Neighbors of America and the project completed by October 1, 1949, for the payment by the Foundation of a standby fee in the form of interest on $900,000 at 4 per cent per annum from October 1, 1949, until such delivery of the bonds;

(4) Such other terms and provisions, including such changes or amendments thereto, as the board of directors of said University of Illinois Foundation (or as any officers of the University of Illinois Foundation to whom the board of directors may delegate appropriate authority in that regard) shall deem necessary or advisable to effectuate and carry out such financing program;

and that said Officers be and they are hereby authorized and directed to carry out, perform, and consummate all of the terms and provisions of said Loan Agreement;

Be It Further Resolved, that the President and the Secretary of the Board of Trustees of the University of Illinois be and they are hereby authorized and directed to take all actions and to execute all documents necessary to create said trust with the University of Illinois Foundation as active Trustee, for the purpose of acquiring, constructing, and equipping said buildings and of obtaining a loan from Salk, Ward & Salk, Inc., in the sum of $900,000 for such purpose, such actions to include, but not be limited to, the following acts herein specifically set forth:

1. That the said Officers of the Board of Trustees of the University of Illinois be and they are hereby authorized to execute and deliver a deed in trust conveying the aforesaid real estate to the University of Illinois Foundation as active Trustee, and to execute a trust agreement with the University of Illinois Foundation as active Trustee, all in the form attached to and incorporated in the minutes of this meeting.

2. That said University of Illinois Foundation, individually and as such trustee, be and it is hereby authorized, empowered and directed to execute and deliver said Bonds, Trust Indenture, Steam Agreement and such other papers and documents as the directors of said Foundation (or as any officers of the University of Illinois Foundation to whom the Board of Directors may delegate appropriate authority in that regard) may deem necessary or advisable in order to effectuate the creation and execution of said trust and the consummation of said financing program.

3. That said University of Illinois Foundation, individually and as such trustee, be and it is hereby authorized, empowered, and directed to borrow from the First National Bank of Chicago sums of money not to exceed $900,000 principal amount for such times and upon such terms as the board of directors of said Foundation (or as any officers of the University of Illinois Foundation to whom the board of directors may delegate appropriate authority in that regard) shall determine and, to evidence said loans, to execute and deliver on behalf of and in the name of the Foundation, individually and as such trustee, notes therefor, and to pledge as security for said loans the $900,000 principal amount of 4 per cent Revenue Bonds to be issued under and secured by the Trust Indenture described in said Loan Agreement and to do all acts and things necessary or desirable and to execute such further documents as may be required by said the First National Bank of Chicago in connection with said loans.

4. That the said Officers of the Board of Trustees of the University of Illinois be and they are hereby authorized and directed to execute an operating lease substantially in the form attached to said form of trust agreement from the University of Illinois Foundation as trustee at a fixed quarterly rental sufficient to provide funds necessary for payments of interest, principal, and other charges under said trust indenture, said lease to include consent to the assignment in said Trust Indenture by the Foundation to said Bondholders' Trustee of said operating lease and said lease to contain the agreement of the University of Illinois that its rights under said operating lease shall at all times be subordinate and inferior to the lien of said trust indenture and subject to the provisions thereof;

5. That the said Officers of the Board of Trustees of the University of Illinois be and they are hereby authorized and directed to execute a steam agreement with the University of Illinois Foundation for the furnishing by the University of Illinois to said project of live steam at cost so long as facilities for furnishing such steam are maintained by the University of Illinois.

Be It Further Resolved:

1. That the President and Secretary of the Board of Trustees of the University of Illinois be and they are hereby authorized, empowered, and directed for and in behalf of the Board of Trustees of the University of Illinois to execute an assignment to the University of Illinois Foundation as such trustee, in respect of the construction contracts with various contractors covering the erection upon said premises of the projects herein referred to, upon securing from said Foundation the assumption and agreement of said Foundation as such trustee, to perform all of the rights, duties, and obligations of said Board of Trustees under said contracts;

2. That said Foundation as such trustee be and it is hereby authorized, empowered, and directed to do and perform any and all acts and things necessary to complete and equip said buildings;

3. That all funds now on hand out of said $400,000 appropriation and out of said allocation of $251,700 hereinabove referred to shall be made available to said Foundation for the cost of construction and furnishings and used toward or reserved and set aside for such purposes before any of the proceeds of said interim financing or sale of Bonds shall be so used;

Provided, However, that the obligations created by these resolutions or under leases, trust agreements, or otherwise incurred by the Board of Trustees in connection with said project, shall not be a debt of the State of Illinois, and the State shall not be liable thereon; and

Provided Further, that the notes, bonds, and other obligations of the University of Illinois Foundation in connection with said project shall not be a debt of the Board of Trustees of the University of Illinois or the State of Illinois, and neither the Board nor the State shall be liable thereon; and

Provided Further, that, wherever reference is made in any of these resolutions to Modern Woodmen of America and Royal Neighbors of America, such reference may include either or both of said corporations.

STUDENT-STAFF APARTMENT BUILDINGS

The minutes of this meeting of May 21, 1949 (page 369), contain the record of the action of the Board adopting a resolution (page 395) authorizing the loan agreement for the Student-Staff Apartment Buildings.

The documents are incorporated in the minutes by means of the following notation:

Exhibits 1, 2, A, B, and 3 referred to in the Loan Agreement are, hereby, incorporated in the minutes by reference. These exhibits in printed form are bound with a printed form of the Loan Agreement, which has been marked on the title page thereof with the following legend written with pen and ink:

"This document, with attached exhibits, has been incorporated in the minutes of the Board of Trustees at its May 21, 1949, meeting by reference, appearing in the minutes at page 400,"

and the same are filed in the office of the Secretary of the Board of Trustees of the University of Illinois under the rubric "Student-Staff Apartments," this file being arranged alphabetically.

Loan Agreement

THIS AGREEMENT made June 15, 1949, by and between the Board of Trustees of the University of Illinois, a duly organized and existing public corporation of the State of Illinois, party of the first part, hereinafter called "University of Illinois",

University of Illinois Foundation, a duly organized and existing non-profit corporation of the State of Illinois, party of the second part, hereinafter called "Foundation", and

Modern Woodmen of America, an Illinois corporation having its principal place of business in the City of Rock Island, Illinois, party of the third part,

Royal Neighbors of America, an Illinois corporation having its principal place of business in the City of Rock Island, Illinois, party of the fourth part (said party of the third part and party of the fourth part being hereinafter sometimes collectively called "Lender"),

WITNESSETH:

Whereas, the General Assembly of Illinois has appropriated by Senate Bill No. 662 the sum of $400,000 for the construction of graduate student and staff apartments at Urbana, Illinois; and

Whereas, the General Assembly of Illinois has appropriated in said Bill additional sums for the equipment of buildings and contingencies, from which the University of Illinois has allocated the sum of $251,700 for staff housing; and

Whereas, the University of Illinois is now constructing on real estate located at the southwest corner of Green Street and Goodwin Avenue, Urbana, Illinois, a six-story apartment building and a three-story apartment building, to be used for graduate student and staff apartments in accordance with said appropriations, said buildings being in accordance with plans and specifications drawn and prepared by Skidmore, Owings & Merrill, of Chicago, which plans have been heretofore submitted to and approved by the Lender; and

Whereas, it will be necessary to borrow the sum of $900,000 to complete said project; and

Whereas, a financing proposal for a loan in the sum of $900,000 for such purposes was heretofore submitted by Salk, Ward & Salk, Inc., to the University of Illinois under date of July 15, 1948, and was accepted by the University of Illinois on July 21, 1948, the original terms of said loan being set forth in a letter of July 24, 1948, from Lloyd Morey, Comptroller of the University of Illinois, to Salk, Ward & Salk, Inc., to which letter express reference is hereby made; and

Whereas, since July 24, 1948, the Lender has succeeded to the rights and assumed the obligations of Salk, Ward & Salk, Inc., in connection with said financing

proposal and the parties have agreed upon certain changes in the method of financing, which changes have been approved by the Board of Trustees of the University of Illinois, the Board of Directors of the University of Illinois Foundation, and by the Lender, and the parties desire to reduce their agreement to writing;

Now, Therefore, in consideration of the mutual covenants and agreements hereinafter contained, the parties do hereby agree as follows:

1. The recitals herein contained are expressly made a part of this agreement.

2. All prior agreements between the parties are merged in this agreement.

3. The University of Illinois agrees forthwith to convey the real estate upon which the project will be located, by Deed in Trust in the form hereto attached and marked "Exhibit 1", pursuant to an Active Trust Agreement in the form hereto attached and marked "Exhibit 2", which Active Trust Agreement the University of Illinois and the Foundation hereby agree they will execute and deliver, all in accordance with the power and authority vested in the University of Illinois under and by virtue of the provisions of the statutes of the State of Illinois contained in Sections 68 to 70, inclusive, of Chapter 144 of Illinois Revised Statutes 1947.

4. The Foundation agrees forthwith to execute and deliver a Trust Indenture in the form attached to said Trust Agreement and marked "Exhibit A", and record the same in the Office of the Recorder of Deeds of Champaign County, Illinois, and concurrently to execute and deliver its 4% Revenue Bonds in accordance with the provisions of said Trust Indenture, said Trust Indenture and Bonds to be issued in pursuance of said statute of the State of Illinois.

5. The University of Illinois and the Foundation agree concurrently with the execution of said Trust Indenture, but subject thereto, to execute and deliver a Lease in the form attached to said Trust Agreement and marked "Exhibit B".

6. The University of Illinois and the Foundation agree, forthwith, to execute and deliver a Steam Agreement in the form hereto attached and marked "Exhibit 3" and to join in the execution and delivery of any supplemental Trust Indenture which the Lender may reasonably require, in order that the Bondholders' Trustee and bondholders under the Indenture may have the benefit of and enforce such Steam Agreement against the University of Illinois, to the extent that the same may be lawful.

7. The Foundation agrees prior to the disbursement of the loan to procure from Chicago Title & Trust Company and deliver to the Lender a preliminary report on title showing that Chicago Title & Trust Company is prepared to issue its owner's guarantee policy in the usual form for $100,000 guaranteeing that the Foundation, as Trustee, is vested with fee simple title to such real estate, subject only to usual stock objections. Said preliminary report on title may also contain such other objections as counsel for the Lender may approve.

8. The University of Illinois and the Foundation agree that they will cause said improvements to be substantially completed and ready for occupancy, with reasonable dispatch and not later than June 30, 1950.

9. The Foundation has arranged to borrow, individually and as such trustee, funds from the First National Bank of Chicago, a national banking association (hereinafter called "First National") which funds will be used to defray a portion of the cost of constructing and equipping said buildings. The University of Illinois agrees that said sums of $400,000 and $251,700 appropriated by the General Assembly of Illinois shall be fully disbursed and used toward or reserved and set aside for the cost of construction and furnishings before any of the proceeds of said interim financing or sale of Bonds hereunder shall be so used.

10. Upon compliance by the University of Illinois and the Foundation with the foregoing provisions of this agreement and with the terms and provisions hereinafter set forth, the Lender agrees to purchase from the Foundation, at par, the Bonds of the Foundation individually and as such trustee issued pursuant to and secured by said Trust Indenture in the amount of $900,000 (the purchase of said Bonds being herein sometimes referred to as "disbursement of the loan"). Anything herein contained to the contrary notwithstanding, it is expressly understood and agreed that Modern Woodmen of America and Royal Neighbors of America shall each be severally obligated to purchase bonds in the amount of $450,000, and that neither of said parties shall be answerable or liable for the default of the other. The option to terminate this agreement contained in paragraph

16 hereof may be exercised by either or both of Modern Woodmen of America and Royal Neighbors of America, and such exercise by either one of said parties shall terminate this agreement with respect to both of said parties.

11. Upon execution of the Bonds the Foundation shall deliver the same to Harris Trust and Savings Bank, as Trustee under said Indenture, for certification, with instructions: (a) to notify the Lender when said Bonds have been certified; and (b) to deliver said Bonds to First National to be held by First National as collateral security for the interim loans to be made by First National to the Foundation, individually and as such trustee. The Foundation will authorize First National to deliver said Bonds to the Lender upon receipt by First National from the Lender of a certified or cashier's check drawn on a bank or trust company having its principal office in Chicago, Illinois, having a capital and surplus of at least $1,000,000, payable to the order of the First National for such amount, not exceeding the purchase price of the Bonds, as First National shall certify to the Lender as owing to it, on such interim loans, including fees for supervising interim loan payouts, and a similar check for the balance, if any, of the purchase price of the Bonds, in accordance with this agreement, payable to the order of the Foundation as such trustee. The Lender shall not be obligated to disburse the loan and purchase the Bonds, however, until ten (10) days after written notice from First National that the Bonds are ready for delivery and until the conditions in paragraph 12 hereof set forth have been complied with. At the time of disbursement of the loan there shall be added to the unpaid principal of the Bonds and paid as part of the purchase price, all interest which may have accrued upon the Bonds from the date of issuance or the date to which last paid, as the case may be, to the date of disbursement of the loan. At the time of delivery of the bonds by First National to the Lender, First National shall furnish a warranty to the Lender with respect to said bonds as follows:

(a) That it has not pledged, assigned, hypothecated or otherwise disposed of said bonds or its interest therein.

(b) That it has no interest in said bonds except as collateral for the interim loan or loans hereinabove referred to and that such interest will cease upon payment to First National in accordance with this Paragraph 11.

It is expressly understood and agreed (and this agreement is made for the benefit of First National) that First National shall not, by delivery of such bonds to the Lender or by the execution of an instrument as hereinabove provided, be deemed to have made any warranties or representations, express or implied, with reference to said bonds except the express warranties set forth in said instrument in writing. The Lender may rely upon any certification by First National as to the amount owing to it, on such interim loans, without inquiry of any kind.

12. The Lender shall not be obligated to make disbursement of the loan unless the following conditions (which are hereby agreed to be conditions precedent) shall have been fully complied with:

(a) The University of Illinois and the Foundation shall not be in default hereunder;

(b) Said project shall be substantially completed and ready for occupancy;

(c) A continuation of said Chicago Title & Trust Company preliminary report on title shall have been furnished to the Lender covering a date not more than sixty (60) days prior to the date of disbursement, showing that Chicago Title & Trust Company is prepared to issue its owner's guarantee policy covering said date, but otherwise in accordance with the provisions of Paragraph 7 hereof;

(d) An affidavit of a duly authorized officer of the Foundation shall have been furnished to the Lender to the effect that the Foundation has not conveyed, assigned or in any way clouded or encumbered title to the real estate and that no changes have occurred in the title to said real estate since the date of said last mentioned continuation of said Chicago Title & Trust Company preliminary report on title;

(e) The lease with the University of Illinois in the form attached to said Trust Agreement as Exhibit "B" shall have been renewed for a term of two (2) years commencing July 1, 1949 and expiring June 30, 1951, in case the disbursement of the loan shall occur on or after July 1, 1949;

(f) The Foundation shall have paid to the Lender all installments of the standby fee theretofore becoming due and payable.

Within thirty (30) days after disbursement of the loan the Foundation agrees to furnish to the Lender a Chicago Title & Trust Company owner's guarantee policy issued pursuant to said preliminary report on title referred to in subparagraph (c) hereof.

13. The proceeds of the sale of Bonds hereunder, remaining after the deductions herein authorized to be made from said proceeds by the Lender and after the payment to First National as aforesaid shall be paid to the Foundation, and shall be used by it for the following purposes exclusively:

(1) To defray the cost of constructing the project, and furnishing the same to the extent provided in said Indenture, which may then remain unpaid;

(2) To set aside a reserve to insure final completion of construction, in case at the time of disbursement of the proceeds of the loan said improvements shall have been substantially completed, ready for occupancy, but shall not have been finally completed, and to insure that furnishings and equipment will be installed to the extent provided in said Indenture;

(3) The balance of proceeds of the sale of Bonds, if any, shall be segregated in a special fund to be held by the Foundation in trust for the proper equipment, maintenance, and repair of the project, for the payment of principal and interest on the Bonds and for performance by the Foundation of its other covenants and agreements to be contained in said Indenture.

14. If the University of Illinois and the Foundation shall not have complied with the conditions set forth in subparagraphs (a) to (e), inclusive, of Paragraph 12 hereof, and the loan shall not have been disbursed prior to October 1, 1949, the Foundation agrees to pay to the Lender, as a standby fee, interest on $900,000 at 4% per annum from October 1, 1949, to the date when either: (a) said buildings and improvements shall have been substantially completed and ready for occupancy and the University of Illinois and the Foundation shall have complied with the conditions set forth in said subparagraphs (a) to (e), inclusive, of Paragraph 12 hereof and the loan disbursed; or (b) the Lender shall have elected, pursuant to Paragraph 16 hereof, to terminate its obligation to purchase said Bonds. Said standby fee shall be payable quarterly on the first day of January, 1950, and on the first day of each April, July, October and January thereafter, so long as it shall accrue in accordance with the provisions of this paragraph, provided, however, that upon the happening of either of the events above set forth upon which said standby fee shall cease to accrue, the Foundation shall forthwith pay to the Lender all of said fee then accrued and unpaid, notwithstanding that such event may occur on a date other than the first day of January, April, July or October.

15. From the proceeds of said loan the Lender shall be and is hereby authorized to deduct the following:

(1) All printing, mimeographing and recording expense, and title guarantee and abstract charges, if any, incurred by the Lender and Salk, Ward & Salk, Inc.; also the cost of procuring and approving legal opinion of special counsel for the Lender in connection with its purchase of the bonds, such cost not to exceed the sum of $5,000;

(2) A commission for Salk, Ward & Salk, Inc., for its services to the borrowers in negotiating the loan, equal to ½% of the amount of the loan;

(3) Any portion of the standby fee then accrued and unpaid;

(4) The fees and expenses of Harris Trust and Savings Bank for accepting and acting as Trustee, Depositary and Registrar under the Indenture, including fees and expenses for certification of the Bonds;

(5) The principal portion of any installment or installments on said Bonds which may have matured prior to the disbursement of the loan.

16. If said buildings and improvements have not been substantially completed and ready for occupancy and the Lender notified by First National, pursuant to Paragraph 11 hereof, that the Bonds are ready for delivery to the Lender prior to June 30, 1950, or if the Foundation and University of Illinois shall make default in the performance of any other of their covenants or agreements herein contained and such default shall continue for a period of thirty (30) days after written

notice from the Lender, then, and in either of such events, the Lender may, at its option, at any time thereafter prior to the disbursement of the loan, terminate this agreement, whereupon all obligations of the Lender hereunder shall cease and determine; provided, however, that notwithstanding such termination, the Foundation shall pay to the Lender all of the items set forth in Paragraph 15 hereof, which items, until paid, shall be secured by said Indenture and which Indenture shall not be released, notwithstanding the termination of this agreement, until each and all of said items shall have been paid to the Lender, or to the Trustee under the Indenture, as the case may be, by the Foundation.

17. It is contemplated that the six-story building will be substantially completed and ready for occupancy prior to the substantial completion, ready for occupancy, of the three-story building. It is the intention of the parties, in such event, to endeavor to make an arrangement, mutually satisfactory to all of the parties, to make a partial disbursement of the proceeds of the loan and defer disbursement of the balance until the three-story building shall have been substantially completed and ready for occupancy.

18. Service of notice hereunder may be had upon any of the parties by United States registered mail addressed to the Lender at Rock Island, Illinois, to the University of Illinois, c/o Lloyd Morey, Administration Building, University of Illinois, Urbana, Illinois, and to the Foundation, c/o W. H. Butterfield, Union Building, University of Illinois, Urbana, Illinois, or addressed to such other addresses as any of the parties hereto may furnish to any of the other parties as the place for the service of notice.

19. The University of Illinois and the Foundation shall furnish, as and when requested, certified copies of resolutions acceptable to counsel for the Lender, in connection with the execution of all documents required hereunder.

20. Prior to disbursement of the loan, the University of Illinois and the Foundation shall furnish evidence satisfactory to the Lender that said buildings have been fully paid for, free and clear of mechanics' liens and claims therefor.

21. The Foundation, prior to disbursement of the loan, shall furnish a letter in form satisfactory to the Lender, agreeing to purchase, affix to the Trust Indenture and pay for United States documentary stamps covering the issuance of the Bonds, in case such stamps should be required by law.

In witness whereof, the parties have caused this agreement to be executed by their duly authorized officers in that behalf and their respective corporate seals to be hereunto affixed the day and year first above written.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

June 25, 1949

With Actions of the Executive Committee of June 9, 16, and 21, 1949

The June meeting of the Board of Trustees of the University of Illinois was held on Saturday, June 25, 1949, at the LaSalle Hotel in Chicago according to the following schedule:

9:00 a.m. — Executive session, Committee of the Whole.

11:00 a.m. — Open session.

The following members were present: President Williamson, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins; absent, Dr. Meyer, Governor Stevenson.

President Stoddard was present; also, Mr. Irvin L. Porter, Treasurer, Vice-President A. C. Ivy, Comptroller Lloyd Morey, A. J. Janata, Assistant to the President, and, during part of the meeting, Messrs. Newton C. Farr, Real Estate Consultant to the Board on acquisition of Chicago properties, W. E. Britton, Legal Counsel, and C. Lincoln Williston, Manager of Public Information for the Chicago Divisions.

SECRETARY, PRO TEMPORE

In the absence of Secretary H. E. Cunningham due to illness, Mr. A. J. Janata was appointed Secretary, *pro tempore.*

MINUTES APPROVED

The Secretary, *pro tempore,* presented the minutes of the meeting of April 21, 1949, with minutes of the Executive Committee of March 15, 29, and April 9.

On motion of Mr. Livingston, the minutes were approved as printed on pages 309 to 356 inclusive.

REPORTS OF THE EXECUTIVE COMMITTEE

The Secretary, *pro tempore,* presented for record the following report of actions of the Executive Committee, on the dates indicated, since the May 21 meeting of the Board.

Purchases

Authorized emergency purchases on items listed in the President's Agenda. Each recommendation was based on several competitive quotations. (June 9, 1949).

Remodeling to Eliminate Fire Hazards

Authorized the execution of a contract with Graham, Anderson, Probst, and White for architectural services in connection with remodeling work in University buildings to eliminate fire hazards; this firm to be paid the actual cost of labor and materials, plus 100 per cent of these costs as commission and overhead, plus travel expenses. (June 16, 1949).

Leave of Absence for Dean Ridenour

Granted leave of absence of one month to Dean L. N. Ridenour, to enable him to act as chairman of a working committee to advise the Scientific Advisory Board of the Air Force on Air Force installations and policies concerned with research and development, and to recommend plans and policies which will lead to the utmost economy and effectiveness in Air Force research and development. This is at the request of General Hoyt S. Vandenberg, Chief of Staff. Lieutenant General James H. Doolittle will serve as a member of this committee. (June 17, 1949).

Addition to Contract for Electrical Work for Mechanical Engineering Building

Approved an addition to the contract with the Square Deal Electric Company for electrical work in the construction of the Mechanical Engineering Building in the amount of $4,280.20, to provide for thirty-nine additional power connections for machine tools secured by the University from the War Assets Administration. (June 21, 1949).

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered the following matters presented by the President of the University.

STUDENT AND STAFF HOUSING AND LAND ACQUISITION FOR CHICAGO PROFESSIONAL COLLEGES

(1) At the request of the President of the University, Mr. Newton C. Farr, who has been serving as Consultant on Land Acquisition and Housing Projects for the Chicago Professional Colleges, submitted the following report and recommendations:

Commitment has been received by Mr. Walter A. Wade, representing the Medical Center Commission, from the Equitable Life Assurance Society for the financing of the student residence building and the staff apartments on the Chicago campus. Three recommendations have been made for an independent real estate

appraiser to review the operating figures on these projects. It is recommended that the appraiser selected by Equitable be employed at once to make his report.

On motion of Mr. Livingston, employment of an independent real estate appraiser was authorized, the cost to be charged against the appropriation of $50,000 made on July 21, 1948, for the purchase of land from the Medical Center Commission.

In view of the fact that Equitable has agreed to go ahead with the financial program, it is recommended that the architectural firm of Skidmore, Owings, and Merrill be authorized to complete plans and specifications for the staff apartment building at the earliest possible date in order that bids may be taken for this project during the summer.

No action was taken. The Board had previously (Minutes, October 21, 1948, page 145) authorized the employment of this firm but specified that no contract be entered into for architectural services until funds for this project have been assured.

Mr. Harry Pearce has recommended that the property at 1712-14-16 West Taylor Street be purchased for use to house the Chicago Campus Paint Shop which is now located in the basement of the Research and Educational Hospitals. Funds for this purchase are available in the 1947-1949 Land Appropriation Account. It is estimated that these properties can be acquired for a total cost of $20,500. It is recommended that funds be designated for the purchase of these properties.

On motion of Mr. McLaughlin, purchase of this property was authorized and assignment of $20,500, or so much thereof as may be necessary, was made from the State appropriation for "Land acquisitions for extension of campus in Chicago," by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hickman, Dr. Meyer, Mr. Stevenson.

The area selected as a site for the proposed steam plant is located south of Taylor Street between Hermitage Avenue and Paulina Street and running approximately 350 feet south of Taylor Street. The cost of assembling this land has been estimated at approximately $150,000. The University already owns the southeast corner of Hermitage Avenue and Taylor Street, approximately 125 feet square. The Medical Center Commission has already acquired certain parcels in this area. It is recommended that this area be approved for acquisition and that the balance of funds now available for land purchase be made available to this account at this time.

On motion of Mr. Livingston, purchase of this property was authorized and the balance of the unassigned funds in the State appropriation for "Land acquisitions for extension of campus in Chicago," or so much thereof as may be necessary, was appropriated for this purpose by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hickman, Dr. Meyer, Mr. Stevenson.

Certain areas for buildings to be built on the west side campus will not be available without the assistance of the Medical Center Commission in providing funds to purchase the land. It is recommended that Dr. Ivy be authorized to negotiate with the Medical Center Commission for them to acquire, with their own funds, land to be made available for the University of Illinois.

No action required.

This concluded the presentation of Mr. Farr's recommendations.

A progress report by Comptroller Lloyd Morey on negotiations with the Equitable Life Assurance Society of the United States for the

financing of student and staff housing projects was also presented. Copies of this report had previously been sent to all members of the Board of Trustees and a copy is in the files of the Secretary of the Board as a matter of record. Mr. Fornof called attention to one of the terms in the financing plan proposed by Equitable, namely, the requirement of "A commitment fee of ½ of 1% per annum from the time the loan is approved and accepted until bonds are taken, not later than December 31, 1950." Mr. Porter, Treasurer of the Board, also commented on this requirement. Following discussion, on motion of Mr. Fornof, the Board voted that this commitment fee requirement be reviewed with representatives of Equitable to determine if it can be reduced.

APPROPRIATION FOR LEGAL SERVICES

(2) The Legal Counsel submits the following bills received for legal and other services:

Chapman and Cutler, 111 West Monroe Street, Chicago:

For services rendered to June 1, 1949, in a litigation involving the tax exemption of University properties in De Kalb, Piatt, and Champaign Counties $1 527 97

Charles A. Boos, Law Reporter and Notary Public, 127 North Dearborn Street, Chicago:

(a) For services rendered in the case of the People *ex rel* Kenny versus the Board of Trustees, January 24, 25, and 31, February 1, 2, 3, and 7 ..... $542 60

(b) For reporting services at hearings on March 24, 25, and 31, conducted by a subcommittee appointed by the Executive Committee of the House of Representatives, Sixty-sixth General Assembly, to consider and advise upon House Joint Resolution 22, which provided for the appointment of a committee consisting of three members of the Senate and three members of the House of Representatives to investigate the administration of the Research and Educational Hospitals and to recommend suitable legislative action if necessary 681 61 1 224 21

A special appropriation is necessary to cover payments for these services.

On motion of Mr. McLaughlin, these payments were authorized and an appropriation of $2,752.18 was made as recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hickman, Dr. Meyer, Mr. Stevenson.

CONTRACT FOR STUDENT HOUSING SURVEY

(3) In order to develop a long-range program for student housing, the Director of the Physical Plant Department and the Comptroller recommend that Skidmore, Owings, and Merrill, architects, Chicago, be employed to:

1. Make a survey of housing facilities for unmarried students in other institutions, at a cost of $5,600, plus traveling expenses.

2. Develop standards of construction for future residence halls at the University of Illinois, with particular reference to capital and maintenance costs.

Skidmore, Owings, and Merrill are experts on institutional housing plans. The Dean of Students, the Coordinator of the Small Homes Council, and the Chairman of the University Building Program Committee concur in this recommendation.

Funds are available in the Physical Plant Department budget for the cost of this survey. Student housing is one of the University's serious building problems. It is important that we secure information on the best methods of dealing

with this problem based on the experience of others and the advice of competent authorities so that a sound program of development can be formulated.

I concur in these recommendations.

On motion of Mr. Livingston, the President of the University was requested to secure further information regarding this survey and to present it, with his recommendation, to the Executive Committee.

OBJECTIONS TO DETERMINATION OF PREVAILING RATES OF WAGES MADE BY THE UNIVERSITY OF ILLINOIS IN AWARDING CONTRACTS AT ROBERT ALLERTON PARK

(4) In accordance with the Prevailing Wage Act, the University published its determination with respect to wages in the locality of Monticello and Piatt County as to certain crafts and workmen.

Objections to such determination have been filed by the President of the Twin City Federation of Labor of Champaign. The Act provides that in such case the public body (in this case the Board of Trustees of the University of Illinois) shall set a date for and conduct a hearing on the objections. At least ten days' notice of the time and place must be given to objectors.

The Board of Trustees, itself, may conduct the hearing or it may designate some of its members or other persons to do so and to report their findings and recommendations to the Board for its consideration and action. In Civil Service hearings, the Board has appointed three persons who were not Board members to take testimony and to report back to the Board. There are several ways of setting up a hearing commission: (1) by the Board itself; (2) the Board may direct one of its standing committees or appoint a special committee to conduct the hearing; (3) by a faculty group appointed by the Board; (4) by a group of citizens with no official connection with the University appointed by the Board; and (5) the unions and the University may each select a representative and let those two select a third. If an outside group is appointed, the question of fees and traveling expenses must be considered. In any case some officer of the University must have authority and instructions to set up the machinery for this hearing and following through on such details as arrangements for a place for the hearing, sending notices, employment of a court reporter, and other services. The Secretary of the Board will be an appropriate officer for this purpose since he is an officer of the Board. (Neither the Legal Counsel, who will be defending the University, nor the Director of Nonacademic Personnel, who will be a witness, could properly do this.)

A special appropriation to cover the expenses of the hearing will also be necessary.

On motion of Mr. Hickman, the Board voted that (a) the hearing be conducted by a commission of the faculty to be appointed by the Board on nomination by the President of the University; and (b) the Secretary of the Board be directed to serve as executive secretary of the commission with authority to make all appropriate arrangements necessary for conducting the hearing.

On this motion Mr. Nickell voted "no," and Mr. Livingston asked to be recorded as not voting.

ADDITION TO STUDENT AND STAFF APARTMENTS

(5) The appropriations made by the Sixty-fifth General Assembly of Illinois for University buildings to be constructed during the biennium of 1947-1949 include $400,000 for "Construction of student and staff apartments." With this fund as a partial equity, supplemented by a loan, the University is constructing permanent student and staff apartments to provide quarters for married students and members of the faculty. The complete project will consist of two six-story buildings and two three-story buildings containing altogether 213 apartments. At present, one-half of the project (one six-story building and one three-story building) is under construction and nearing completion, this being the maximum construction possible with the funds so far available.

Unassigned funds are still available in building appropriations to the University for the biennium 1947-1949 which, combined with the appropriation of $200,000 requested for student and staff housing for the 1949-1951 biennium, would enable the University to proceed with another step in this project, the construction of the second six-story building, which would include ninety-five apartments.

There has previously been released $48,405 from the contingency item in the building appropriations to the University, to supplement funds for the construction of student residence halls. This will not be needed for that project. There is also available an unexpended $60,000 in funds previously released from items for student and staff apartments, and for preparation of plans and specifications for future building projects; and there is an unreleased balance of $29,595 in the item for contingencies.

The Governor has been requested to: (1) rescind in part a previous release of funds authorized by him, so that $48,405 assigned from the contingency item to supplement funds for the construction of student residence halls will be returned to the contingency appropriation; and (2) release a total of $78,000 from the contingency appropriation to be applied on the construction of student and staff apartments. The sum of these items ($60,000, $29,595, and $48,405) will provide $138,000 of funds currently available for student and staff housing construction.

If this money can be combined with the $200,000 requested for the biennium of 1949-1951, there will be available a total of $338,000, which would enable the University to proceed with the construction of the second six-story apartment building. The total cost of this is estimated at $1,152,000 (see Schedule A, page 476), of which $814,000 can be borrowed and amortized from rental income. A preliminary survey indicates an estimated net income of $54,904 (see Schedule B, page 477).

The Director of the Physical Plant Department and the Comptroller recommend the Board authorize the construction of the second six-story building subject to the release of funds in 1947-1949 building appropriations by the Governor, and subject to the receipt of construction and financing bids within the estimates.

I concur and recommend that:

1. The Finance Committee of the Board be authorized to act for the Board on bids for the financing of the second six-story unit.

2. The Executive Committee of the Board be authorized to award construction contracts if satisfactory bids are received.

Funds appropriated for the biennium 1947-1949 are available until September 30, 1949, but must be encumbered prior to June 30. Committee action is therefore recommended in view of this time element.

On motion of Mr. Livingston, these recommendations were approved.

BIDS ON STUDENT AND STAFF APARTMENTS

(6) Bids on the second six-story building of the Student and Staff Apartments now under construction at Green Street and Goodwin Avenue, Urbana, indicate that the total capital cost will be $1,038,000, or $114,000 less than the architects estimated. Hence it will be necessary to borrow only $700,000 instead of $814,000. The estimated net annual income from rents will be adequate to amortize this amount.

The Director of the Physical Plant Department and the Comptroller recommend award of contracts to the lowest bidders as follows, subject to the release of funds in current building appropriations by the Governor and to final approval of an appropriation of $200,000 for housing in the building appropriations requested for the 1949-1951 biennium:

Kuhne-Simmons Company, Inc., Champaign, general work	$564 500
Bellis & Miller, Inc., Champaign, ventilating work	7 840
Bellis & Miller, Inc., Champaign, heating work	68 907
E. M. Hays, Champaign, plumbing work	114 999
Square Deal Electric Company, LaPorte, Indiana, electrical work	43 317
Otis Elevator Company, Chicago, installation of elevator	19 470

I concur.

On motion of Mr. Livingston, these contracts were authorized as recommended.

DEGREE OF DOCTOR OF PHILOSOPHY IN COMMUNICATIONS

(7) The Executive Faculty of the Graduate College and the University Senate recommend the establishment of a program of study of mass communications leading to the degree of Doctor of Philosophy.

I concur.

On motion of Mr. McLaughlin, this recommendation was approved.

FIVE-YEAR CURRICULUM IN ARCHITECTURE

(8) The faculty of the College of Fine and Applied Arts and the University Senate recommend the establishment of a five-year curriculum in architecture leading to the degree of Bachelor of Architecture with two options: (1) general option for architects and (2) engineering option for architectural engineers. This is a revision and expansion of the present four-year undergraduate curriculum in architecture to five years. It is proposed to inaugurate this curriculum for students entering as freshmen in September, 1949 (see Appendix, page 477).

I concur in these recommendations.

On motion of Mrs. Watkins, these recommendations were approved.

AWARD OF CERTIFICATES OF CERTIFIED PUBLIC ACCOUNTANT

(9) The Committee on Accountancy recommends the following persons for the Illinois C.P.A. certificate under Section 5 of the Accountancy Act of 1943. They have submitted satisfactory evidence that they were holders of valid unrevoked C.P.A. certificates issued by other states on the basis of written examinations. They have satisfied all other requirements of the law.

Orvin Henry Anderson (Mich.)
Leonard Angelo Barzan (D.C.)
Joseph W. Bower (N.J.)
Robert Harold Clark (Ind.)
Hester Ellen Erb (Calif.)
Charles E. Fernald (Pa.)
Frank Michael Maloney (Ohio)
Wright Moore Pargellis (Calif.)
John Rasqui, Jr. (Ohio)
Earl Vincent Reuschlein (Wis.)
Joseph George Tragesser (Mo.)
Martin William Tranen (N.Y.)

I concur.

On motion of Mr. Nickell, these certificates were awarded as recommended.

SABBATICAL LEAVE OF ABSENCE FOR PROFESSOR NEIL E. STEVENS*

(10) Professor Neil E. Stevens of the Department of Horticulture has been granted sabbatical leave of absence for six months beginning March 1, 1950, on one-half pay. He has requested that this be changed to sabbatical leave for one year on one-half pay, beginning September 1, 1949.

I recommend approval.

On motion of Mrs. Holt, this leave of absence was authorized.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(11) The Committee on Special Appropriations and Nonrecurring Expenditures recommends assignments from the General Reserve Fund for the following purposes:

1. Converting and remodeling Allerton property (additional)	$21 000
2. Equipment for Department of Bacteriology	20 000
3. Remodeling in Noyes Laboratory	17 700
4. Remodeling in Horticulture Field Laboratory	6 356
5. Housing of stock animals for Physiology Department	5 000
6. Remodeling in Smith Music Hall	5 390
	$75 446

* Professor Stevens died on June 26, 1949.

These proposed improvements have been carefully studied by the Committee on Special Appropriations and Nonrecurring Expenditures. Its reports giving details of the reasons for these improvements are submitted herewith.

I concur and recommend that these appropriations be made from the 1948-1949 General Reserve Fund to the extent that funds are available therein and the remainder from the General Reserve Fund from 1949-1950, and that all of these appropriations be made available until June 30, 1950.

On motion of Mr. Livingston, these appropriations were made as recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Dr. Meyer, Mr. Stevenson.

CHANGES IN CIVIL SERVICE CLASS SPECIFICATIONS AND SALARY RANGES

(12) The Director of Nonacademic Personnel recommends the following changes in University Civil Service positions, to become effective July 1, 1949: (1) deletions from class specifications; (2) additions to class specifications; (3) changes in existing class specifications; and (4) changes in salary ranges of existing class specifications.

These changes are shown in detail in the accompanying schedules and they have previously been submitted to the Committee on Civil Service and Employees for study in advance of the Board Meeting. A copy is filed in the office of the Secretary of the Board.

I concur in the Director's recommendations.

On motion of Mr. Herrick, these changes in class specifications and salary ranges were approved.

APPOINTMENTS TO THE FACULTY MADE BY THE PRESIDENT OF THE UNIVERSITY

(13) The Secretary has reported that the President has approved the following new appointments to the faculty of the rank of Assistant Professor and above since the previous meeting of the Board of Trustees:

1. WAYNE MELVILLE BEVER, Associate Professor of Crop Pathology, on one-fifth time, beginning July 1, 1949, at an annual salary of $1,005.

2. GORDON W. BINKERD, Assistant Professor of Music, beginning September 1, 1949, at an annual salary of $4,300.

3. ROBERT CAMPBELL, Assistant Professor of Economics, beginning September 1, 1949, at an annual salary of $4,500.

4. HERMAN CHERNOFF, Assistant Professor of Mathematics, beginning September 1, 1949, at an annual salary of $4,500.

5. THOMAS L. GRISAMORE, Assistant Professor of Hygiene and Medical Adviser for Men, in the Undergraduate Division in Chicago, on one-half time, beginning July 1, 1949, at an annual salary of $3,500.

6. LEONID HURWICZ, Research Professor of Economics and Mathematical Statistics, beginning September 1, 1949, at an annual salary of $7,850.

7. WILLIBALD KARL JENTSCHKE, Assistant Professor of Electrical Engineering, beginning March 16, 1949, without salary.

8. MARTHA SUE LEWANDOSKI, Assistant Professor of Hygiene and Medical Adviser for Women, beginning June 1, 1949, at an annual salary of $5,000.

9. JAMES HARRY POTTER, Professor of Mechanical Engineering, beginning July 1, 1949, at an annual salary of $6,200.

10. SOL SPIEGELMAN, Research Professor of Bacteriology, beginning July 1, 1949, at an annual salary of $7,500.

11. PETER NICHOLAS VUKASIN, Assistant Professor of Economics, beginning September 1, 1949, at an annual salary of $4,500.

12. ERWIN KURT EDWARD WEISE, Assistant Professor of Electrical Engineering, beginning March 16, 1949, without salary.

13. PAUL YOUNG, Professor of Music, beginning September 1, 1949, at an annual salary of $7,000.

On motion of Mr. McLaughlin, the action of the President in making these appointments was confirmed.

CONTRACT FOR PIPING IN ABBOTT POWER PLANT

(14) The Director of the Physical Plant Department and the Comptroller recommend the award of a contract for $16,582.53 to the Dobe Piping Company, Edwardsville, the lowest bidder, for the installation of piping for the feed water treatment equipment in the Abbott Power Plant. Contracts have previously been authorized by the Board of Trustees for the additional feed water treatment equipment and for the purchase of structural steel. This equipment is needed to increase the generator capacity of one turbo-generator by increasing the feed water capacity. Funds are available.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Livingston, this contract was authorized.

CONTRACT FOR GENERAL WORK IN ABBOTT POWER PLANT

(15) Bids have been requested twice for the general construction work required for the installation of feed water equipment for the Abbott Power Plant at Urbana-Champaign. This project has already been authorized by the Board and some of the equipment contracts have been awarded.

Only one bid, for $31,250, was received on the general work on the first attempt. The bid was rejected because it was in excess of the engineering estimates of the cost of the job. As a result of the second invitation, the following bids were received:

Kuhne-Simmons Company, Inc., Champaign	$27 500
John Felmley Company, Bloomington	30 950

These bids are still in excess of engineering estimates. As a result of negotiations with the lower bidder, he has offered to do the construction work, with certain minor revisions acceptable to the University, at a cost of $18,089.

Funds are available for this project in the appropriation for "Enlargement of Power Plant" for the biennium of 1947-1949. The funds will lapse unless encumbered by June 30 and expended by September 30, 1949.

The Director of the Physical Plant Department and the Comptroller recommend that all bids be rejected again and that a contract for $18,089 be awarded to Kuhne-Simmons Company.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract.

On motion of Mr. Nickell, this contract was authorized.

ADDITION TO CONTRACT FOR FIRE PROTECTION FACILITIES AT URBANA

(16) The University has a contract with the Kil-Bar Electric Company, Chicago, for the installation of a new fire alarm system on the Urbana-Champaign campus at a contract price of $28,565. The contract also provides that the Company shall test existing fire-alarm cable on the campus and that if replacements are necessary they will be made at an additional cost of 36 cents a lineal foot.

Tests indicate that approximately 12,000 lineal feet of cable should be replaced. The Director of the Physical Plant Department and the Comptroller recommend an addition to the contract with the Kil-Bar Electric Company for the replacement of cable at a cost of not to exceed $4,320, final payment to be determined by the actual measurement of new cable installed.

Funds are available in the State appropriation for "Construction of fire protection facilities" for the biennium of 1947-1949. I concur and recommend that the Comptroller be authorized to execute this contract change.

On motion of Mrs. Holt, this change was authorized.

CONTRACTS FOR PHYSICAL PLANT SERVICE BUILDING ANNEX

(17) The Director of the Physical Plant Department and the Comptroller recommend award of contracts to the following lowest bidders for the construction of a temporary one-story building, approximately 24 feet by 80 feet, as a Physical Plant Service Building Annex:

E. N. DeAtley, Champaign, general work	$16 000
Square Deal Electric Company, LaPorte, Indiana, electrical work	2 321
E. M. Hays Plumbing & Heating Company, Champaign, heating	2 759
E. M. Hays Plumbing & Heating Company, Champaign, plumbing	2 924
	$24 004

Funds are available in the Physical Plant Department budget for this work.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts.

On motion of Mr. Fornof, these contracts were authorized.

CONTRACT FOR EXTENSION OF UTILITIES DISTRIBUTION SYSTEM TO STUDENT AND STAFF APARTMENTS AT URBANA

(18) The Director of the Physical Plant Department and the Comptroller recommend the award of contracts for the extension of the electrical distribution system to the Student and Staff Apartments at Green Street and Goodwin Avenue to:

John Felmley Company, Bloomington, general work	$ 4 500
A. S. Schulman Electric Company, Chicago, electrical work	5 883
	$10 383

These are the lowest bids in each case.

Funds are available in the State appropriation for "Extension of the Utilities Distribution System."

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contracts.

On motion of Mrs. Watkins, these contracts were authorized.

CONTRACT FOR RECORD PROGRAM SERVICE

(19) The Director of Radio Station WILL and the Comptroller recommend the award of a contract to the Muzak Corporation, New York City, for a recorded program service consisting of transcriptions aggregating four thousand or more recorded titles for a two-year period from July 1, 1949. The contract also provides for additional recorded program service each month consisting of a set of transcriptions aggregating at least two hours of continuous playing time. The cost of this service is $2,910, payable in twenty-four monthly installments, of which the first six shall be $110 each and the remaining eighteen $125 each.

I concur.

On motion of Mrs. Holt, this contract was authorized.

CONTRACT FOR ARCHITECTURAL SERVICES AT CHICAGO PROFESSIONAL COLLEGES

(20) The Vice-President in charge of the Chicago Professional Colleges, the Director of the Physical Plant, and the Comptroller recommend the employment of Pace Associates for architectural services in connection with the design and construction of the proposed new classroom and laboratory building at the Chicago Professional Colleges. Pace Associates propose to provide complete architectural, engineering, and supervisory service for a fee of 5½ per cent of the cost of the work designed by them or purchased under their direction. This firm was previously engaged for preliminary studies on this project and any payments received for this preliminary work will be credited against the fee under the contract now proposed.

It is recommended that authority be granted to execute a contract with Pace Associates for this project subject to the availability of funds in the 1949-1951 appropriations.

I request that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Livingston, this contract was authorized.

REPLACEMENT OF TENNIS COURTS IN CHICAGO

(21) The Director of the Physical Plant Department and the Comptroller recommend the awarding of a contract for $11,095 to Frank H. Stowell, Chicago, the lowest bidder, for the construction of tennis courts at the corner of Polk and Wood Streets in Chicago. This construction is necessary to replace tennis courts which were torn up for the installation of underground steam and electrical lines.

Funds are available.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Nickell, this contract was authorized.

CONTRACT FOR INSTALLATION OF DENTAL UNITS

(22) The Director of the Physical Plant Department and the Comptroller recommend the awarding of a contract for $4,083 to Fettes, Love, and Sieben, Chicago, the lowest bidder, for the installation of thirteen dental units in the Medical and Dental College Laboratories Building in Chicago. The purchase of these units was previously authorized by the Board and funds were appropriated for this purpose, including installation costs.

Funds are available.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Fornof, this contract was authorized.

CONTRACT FOR A NEW 500 KVA UNIT SUBSTATION IN CHICAGO

(23) The Director of the Physical Plant Department and the Comptroller recommend the award of a contract for $10,975 to the White City Electric Company, Chicago, the lowest bidder, for the electrical work for a new 500 kva unit substation in the Chicago Illini Union Building on the Chicago Professional Colleges Campus.

Funds are available.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Hickman, this contract was authorized.

ADDITION TO CONTRACT FOR HOUSING AREA SANITARY SEWER

(24) The Director of the Physical Plant Department and the Comptroller recommend an addition of $2,340.65 to the contract with Mancini, Ventrella, and Sons for the construction of a sanitary sewer serving the University housing area and other University buildings on the west side of the campus. The increase is to provide for crushed rock for bedding sewer tile where poor soil bearing conditions were encountered and for the additional work required because of unrecorded utility lines.

The specifications for this construction job provide for additional allowances for unusual conditions encountered during construction. This allowance relieved the contractor of including in his bid a contingency factor. It has been the experience of consulting engineers that making such provisions for contracts in sewer jobs results in a lower over-all cost than would be the case if contractors had to anticipate such contingencies in the base bid.

Funds are available in the State appropriation for "Construction of temporary student housing."

I concur and recommend that the Comptroller be authorized to execute this change in the contract.

On motion of Mrs. Watkins, this change was authorized.

INCREASE IN EQUIPMENT CONTRACT FOR EAST CHEMISTRY BUILDING

(25) The Building Committee of the Department of Chemistry, the Director of the Physical Plant Department, and the Comptroller recommend an increase of $2,815.20 in the contract with the Kewaunee Manufacturing Company for the laboratory equipment in the East Chemistry Building on the Urbana Campus.

In the original planning of the equipment for the new building, it was decided that part of the furniture should be of wood construction. The Building Committee of the Department of Chemistry has reconsidered this problem and has come to the conclusion that metal furniture is much more desirable. All of their studies indicate that metal furniture will last longer, and in the long run be more economical than wooden furniture.

The recommended increase of $2,815.20 will provide for the additional cost of all steel equipment.

I concur and request that the Comptroller be authorized to execute this addition to the contract.

On motion of Mr. Livingston, this change was authorized.

ADDITIONS TO HEATING AND VENTILATING CONTRACT FOR EAST CHEMISTRY BUILDING

(26) The Director of the Physical Plant Department and the Comptroller recommend two increases in the contract with the Carson-Payson Company, Danville, for the construction of the East Chemistry Building:

Installation of additional hydrogen sulphide lines in six different rooms	$1 262 80
Construction of a separate vent independent of the rest of the ventilating system for a hood in Room 405 to make possible the use of this room for radio carbon work without creating a hazard in other areas in the building	2 377 72

Funds are available in the State appropriation for 1947-1949 for "Construction of a New Chemistry Building."

I concur and recommend that the Comptroller be authorized to execute these changes in the contract.

On motion of Mr. Nickell, these changes were authorized.

ADDITION TO ELECTRICAL CONTRACT FOR EAST CHEMISTRY BUILDING

(27) After bids were received for the construction of the East Chemistry Building, changes had to be made in all contracts so that the total construction cost would be within the available funds. One of the reductions was changing the majority of the interior lighting fixtures from fluorescent to incandescent. The building plans had specified interior fluorescent lighting throughout.

The estimated cost of interior fluorescent lighting fixtures for the entire building was $55,000. The actual cost of interior lighting fixtures (mostly incandescent; a small amount of fluorescent lighting has been used where such installations are justified for special reasons), including light bulbs, is $10,447.16. The lighting fixtures are not a part of the electrical contract but were purchased separately by authority of the Board of Trustees on the basis of competitive quotations.

Incandescent fixtures require more wiring, i.e., a larger gauge of copper wire, than fluorescent, and other incidental changes require additions to the contract for electrical work. The Board has previously authorized an increase of $6,936.80 in the contract for the electrical work for switchboard changes due to the change from fluorescent to incandescent light fixtures, and an additional increase of $120 was authorized by the Comptroller for changing the size of the cable.

The Director of the Physical Plant Department and the Comptroller now

recommend an additional increase of $14,556.35 (for new design for switchboards, bus ducts, and transformer, $5,584.54; for increase in wiring throughout the building, $8,971.81) in the contract with the Leverenz Electric Company, Danville. These increases aggregate ($6,936.80, $120.00, $14,556.35) $21,613.15, to which must be added the cost of incandescent fixtures, $10,447.16, making a total of $32,060.31, as compared with an estimated cost of $55,000 for fluorescent fixtures. The net capital saving is $22,939.69.

While current consumption of incandescent lighting is from two to two and one-half times that of fluorescent lighting, Professor J. O. Kraehenbuehl of the Department of Electrical Engineering, an expert on illumination, has advised that with the low cost to the University of producing electric power, from fifteen to twenty years of operation would be necessary before the saving in current would offset the higher capital cost of fluorescent lighting, and by that time the fixtures will probably be obsolete. Professor Kraehenbuehl states that maintenance of fluorescent lighting fixtures costs from two to three times the maintenance of incandescent lighting.

I concur and recommend that the Comptroller be authorized to execute these changes in the contract.

On motion of Mrs. Watkins, these changes were authorized.

ADDITION TO ELECTRICAL CONTRACT FOR MECHANICAL ENGINEERING BUILDING

(28) The Director of the Physical Plant Department and the Comptroller recommend an increase of $4,280.20 in the contract with the Square Deal Electric Company for the electrical work in connection with the Mechanical Engineering Building.

It has been possible to secure additional machine tools from the War Assets Administration as surplus government equipment at a very low cost to the University. Some of the machines were obtained for the cost of transportation and some of them at 5 per cent of the government appraised value. This additional equipment, however, required a revision of the arrangement of shop equipment and thirty-nine additional power connections. The architects checked the costs involved and find them very reasonable for the work to be done.

Funds are available for this addition.

I concur and request that the Comptroller be authorized to execute this addition to the contract.

On motion of Mrs. Holt, this change was authorized.

ADDITION TO CONTRACT FOR BUILDING ALTERATIONS FOR DEPARTMENT OF PHYSICAL MEDICINE

(29) The Director of the Physical Plant Department and the Comptroller recommend an addition of $1,426 in the contract with E. H. Marhoefer, Jr., Company of Chicago for the intercommunication system in the Department of Physical Medicine, Chicago. The details for this work were not completely worked out when the original contract was awarded and the contract was let without it to avoid delay in starting the remodeling.

Funds are available for this addition.

I concur and request that the Comptroller be authorized to execute this addition to the contract.

On motion of Mr. Nickell, this change was authorized.

APPROPRIATIONS BY THE ATHLETIC ASSOCIATION

(30) The following appropriations by the Board of Directors of the Athletic Association are submitted to the Board of Trustees for their approval:

1. An appropriation of $2,000 for necessary paving of walks, drive, and apron to the barn at the golf course.

2. Supplementary appropriation of $13,000 for the completion of the well and other miscellaneous work necessary to complete the project at the golf course.

On motion of Mr. McLaughlin, these appropriations were approved.

INVESTMENTS

(31) The Finance Committee reports the following transactions involving securities:

ENDOWMENT FUNDS

Purchase:

$10,000 B. F. Goodrich Company first mortgage 2¾% bonds due 1965.....$10 152 58

STUDENT LOAN FUNDS

Exchange:

$37,000 U.S.A. Certificates of Indebtedness, 1⅛%, due June 1, 1949, for $37,000 U.S.A. Certificates of Indebtedness, 1¼%, due June 1, 1950.

On motion of Mr. Livingston, the action of the Finance Committee was approved.

PURCHASES

(32) There are submitted reports of (A) emergency purchases authorized and of (B) purchases recommended (see Appendix, page 479).

On motion of Mrs. Watkins, the action of the President of the University in authorizing an emergency purchase was confirmed, and purchases were authorized as recommended.

COMPTROLLER'S REPORT OF CONTRACTS

(33) The Comptroller's report of contracts executed from May 11 to June 10, 1949 (see Appendix, page 483).

This report was received for record.

WAGE ADJUSTMENTS FOR CERTAIN NONACADEMIC GROUPS

(34) I. The President of the University has given approval and directions concerning certain modifications of the policy and procedures (see addendum below) relating to employees in salary-range, nonprevailing rate groups as follows effective July 1, 1949:

A. All employees now receiving $150 a month or less in total compensation and who on July 1, 1949, will have completed their six months' probationary period shall receive a minimum annual increase of $150 for the biennium of 1949-1951.

B. Agricultural employees at the Assistant level (Group II) now receiving various individual salaries within a $175-250 range shall receive $250 a month, and adjustments are to be made in ranges and rates of all agricultural employees to bring them into harmony with this basic adjustment.

C. The 75 cents minimum hourly rate ($130 monthly for the forty-hour week) approved in March shall be applied to the cash compensation of food service employees without deduction of the value of meals furnished, and adjustments shall be made in other ranges and wages of food service classifications to maintain harmony with this increase in the base rate.

II. These provisions call for further budget adjustments as follows:

A. Approximately 375 employees who now receive $1,800 or less will receive increases totaling approximately $21,000 in addition to those already provided in departmental budget recommendations.

B. Approximately one hundred employees will receive increases totaling approximately $21,000 in addition to those anticipated in earlier computations. Ranges are being moved upward an average of $25 in order to accommodate these salary increases.

C. All food service employees will receive an increase of at least $120 a year with larger sums being provided at the lower end of the present pay brackets.

Approval of the 75 cents an hour minimum involves a revision of the first five ranges in the Civil Service classification system as follows:

Range I now $100-$140	Combined as one range $130-$165	
Range II now 120- 160		
Range III now 125- 175		140- 175
Range IV now 140- 200		150- 200
Range V now 150- 225		160- 225

I request approval of these new wage scales subject to favorable action by the General Assembly and the Governor on the University's biennial operating budget of $67,271,742 for the biennium of 1949-1951. The budget will carry the changes required within the allocations for nonacademic salaries. The additional funds needed for increasing the wages of food service employees are being provided from nonacademic wage reserves and will not be charged to food service operations. If the Board gives approval of these changes it will not be necessary for it to act separately on an itemized and detailed list of the classifications affected.

Nonacademic salaries are paid on the basis of the fiscal year from July 1 to June 30. Since the internal budget for 1949-1950 will not be presented to the Board of Trustees at this meeting, and to avoid the necessity of payroll adjustments for retroactive salary increases, authority is requested to pay the July nonacademic salaries in accordance with rates recommended by the Director of Nonacademic Personnel and approved by the President. Such rates will be included in the budget to be presented to the Board of Trustees later.

ADDENDUM

I. On March 15, 1949, the President of the University approved a statement of general policy for wage and salary increases for the fiscal year beginning July 1, 1949. The essential elements in this policy were:

A. For Prevailing Rate Groups, changes in wage rates as they occur in the community in which the work is performed.

B. For Salary Range Groups:

1. Requirements of the Policy and Rules and of the terms of certain collective bargaining agreements calling for minimum increases of $120 a year to employees below range midpoint are to be given first priority.

2. Balance of available funds is to be assigned to colleges, departments, and divisions on an equitable basis related to total salary budgets, for application to individual salaries which shall take into account merit, internal equities, length of service, and rates paid for similar duties by outside employment.

a. No increases are to be given which will carry individual salaries above the top of approved ranges.

3. The University will recognize a minimum rate of 75 cents an hour for nonacademic employment.

C. Of the 10 per cent of total salary and wage funds included in the biennial budget approximately three-quarters was to be made available for use in the first year of the biennium and one-quarter held in reserve for the second year.

II. Under this policy, budgets have been prepared and submitted which provide for the following:

A. Prevailing Rate Employees will receive in full and on time adjustments equal to those provided for similar work in their respective community.

B. Salary Range Employees:

1. All food service and agricultural employees except a few at the top of their range will receive increases on July 1 in accordance with the provisions of University-Union agreements.

2. At least 90 per cent of all laboratory, stores, and airport employees will receive sizable increases under contract provisions and departmental recommendations.

3. A similar proportion of clerical, supervisory, and other non-unionized employees will receive comparable increases.

4. About the only ones for whom no increases are being proposed are (a) those already at the top of their range; (b) very new employees still in their probationary period; (c) a few employees now being paid the top limit of their value on their particular jobs.

The plan as approved and implemented in accordance with the above details was intended to provide for adjustments based on merit and relationship to rates paid for similar work by the best type of employers elsewhere. It allowed for consideration of individuals and for the establishment of an over-all salary schedule in proper internal relationship and proportion. In so doing, while it did provide

certain rather low salary ranges and individual rates, these ranges and rates were based on similar ones at the community level.

On motion of Mr. Livingston, these wage adjustments were approved as recommended.

APPOINTMENT OF WALTER H. ROETTGER AS ASSISTANT DIRECTOR OF ATHLETICS

(35) The Director of Athletics has recommended, and the Board of Directors of the Athletic Association has approved, the appointment of Walter H. Roettger as Assistant Director of Athletics effective *July 1, 1949*. He will *continue* as Associate Professor of Physical Education for Men, as Head Coach of Baseball, but will be relieved of his duties as Assistant Basketball Coach in view of his increased administrative responsibilities. This change in status involves no increase in his salary ($7,670 a year, of which the University pays $1,500 for teaching services). That portion of salary he has been receiving from the Athletic Association for basketball coaching will be charged against administration.

I recommend approval.

On motion of Mrs. Watkins, this appointment was confirmed.

APPOINTMENT OF DANIEL BORTH, JR., AS ASSOCIATE DEAN OF THE COLLEGE OF COMMERCE AND BUSINESS ADMINISTRATION

(36) The Dean of the College of Commerce and Business Administration recommends the appointment of Daniel Borth, Jr., now Professor of Accountancy, as Professor of Accountancy on indefinite tenure and Associate Dean of the College for one year from September 1, 1949, at an annual salary of $9,000.

I concur in this recommendation.

On motion of Mrs. Holt, this appointment was approved.

LEAVE OF ABSENCE FOR DIRECTOR R. B. DOWNS

(37) Director R. B. Downs of the Library and the Library School has been asked to advise the Library of Congress on the future development of its National Union Catalog. This is a field in which he has had much professional experience and he has asked for a leave of absence during July in order to accept the assignment.

I recommend that he be given the leave with full pay.

On motion of Mr. Fornof, this leave was authorized.

ADVISORY COMMITTEES FOR THE COLLEGE OF COMMERCE AND BUSINESS ADMINISTRATION

(38) The Dean of the College of Commerce and Business Administration recommends the appointment of the following advisory committees for that College for a period of one year beginning July 1, 1949, or until their successors have been appointed:

I concur and recommend further that these gentlemen be appointed or reappointed to the Citizens Committee of the University of Illinois.

On motion of Mr. Livingston, these appointments were approved.

AWARD OF CONTRACT BY THE ATHLETIC ASSOCIATION

(39) The Board of Directors of the Athletic Association has awarded a contract to Mr. W. L. Hall for the purchase and installation of a complete underground irrigation system for the gridiron in Memorial Stadium and has assigned the sum of $15,000 from Stadium Maintenance Funds for the completion of the project. Bids were received for this work including the excavation, back-filling, sodding, purchase of pipe, sprinkler heads, tees, valves, and connections as follows:

Lynne Meyer	$12 500 00
G. S. Chastain	12 850 00
J. L. Johnson & Sons	13 327 60
W. L. Hall	11 750 00

The Comptroller recommends that the action of the Board of Directors of the Athletic Association be approved.

I concur in this recommendation.

On motion of Mr. McLaughlin, the action of the Board of Directors was approved.

LIBRARY BINDING

(40) The Director of the Library, the Director of Purchases, and the Comptroller recommend placing an order for library binding for two years beginning July 1, 1949, for all University of Illinois requirements (Urbana-Champaign, Chicago Professional Colleges, and the Chicago Undergraduate Division) with Ernst Hertzberg and Sons, Chicago, the lowest bidder.

I concur.

On motion of Mr. Nickell, this contract was authorized.

CONTRACT FOR LANDSCAPING WORK

(41) The Director of the Physical Plant Department and the Comptroller recommend the award of a contract for $8,727 to Martin Ivey, Urbana, the lowest bidder, for landscaping the East Chemistry Building and Physics Research Laboratory areas. The total cost is divided into a charge of $6,198 for the East Chemistry Building area and $2,529 for the Physics Research Laboratory area.

Funds are available in the State appropriations for the construction of these buildings to cover the cost.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was authorized.

ADDITION TO ELECTRICAL CONTRACT FOR ELECTRICAL ENGINEERING BUILDING

(42) The Director of the Physical Plant Department and the Comptroller recommend an increase of $1,671.51 in the contract with Leverenz Electric Company for the electrical work in the construction of the Electrical Engineering Building. This will provide for furnishing and installing eight reduced voltage starters for eight motors on the supply and exhaust fans, replacing the "across-the-line" starters furnished with the fans. The change in starters is requested to comply with the policy of the Physical Plant Department of using reduced voltage motor starters on all motors over five horsepower, thereby reducing the load on power lines when motors are started.

Funds are available in the State appropriation for the construction of the Electrical Engineering Building.

I concur and request that the Comptroller be authorized to execute this change in the contract.

On motion of Mr. Livingston, this change was authorized.

ADDITION TO GENERAL CONTRACT FOR EAST CHEMISTRY BUILDING

(43) When plans and specifications for the East Chemistry Building were prepared, acoustical ceilings were eliminated from all but four rooms to keep construction costs to the minimum until availability of funds was assured.

The Chemistry Department has requested acoustical ceilings in additional rooms, since it is now known that funds will be available in the appropriation for this building.

The Director of the Physical Plant Department and the Comptroller recommend an increase of $8,000 in the contract with John Felmley Company for the general work on the construction of this building for acoustical ceilings in:

Ground floor: Entrance lobby No. 2, corridors Nos. 12 and 17.

First floor: Lobby (students lounge) No. 101, seminar No. 118, classroom Nos. 121, 123, and 136, corridor No. 122, conference room No. 130, departmental offices Nos. 133 and 134.

Second floor: Drafting and lecture room No. 203 and library No. 235.

Third floor: Seminar No. 319, departmental offices Nos. 321 and 322.

I concur and request that the Comptroller be authorized to execute this change in the contract.

On motion of Mr. Hickman, this change was authorized.

CONTRACT FOR ENGINEERING SERVICES ON VIVARIUM REFRIGERATION SYSTEM

(44) The present refrigerating system at the Vivarium Building at Urbana-Champaign is twenty-five years old and has reached the point beyond which it is no longer economical to repair it. Its obsolescence has been accelerated by rapid progress in the refrigerating field. The refrigerant used is a hazardous sulphur dioxide type. The present system is incapable of obtaining the temperature and humidity ranges required for certain experimental work.

The Director of the Physical Plant Department and the Comptroller recommend that a contract be awarded to Mr. E. C. Manthei of Champaign to prepare plans, specifications, and cost estimates for replacing this refrigerating system, the contract to be on the basis of 4½ per cent of the cost of the new equipment, equipment replacement, and installation, with the provision that the fee shall not exceed $2,800. The total estimated cost for modernization, exclusive of these engineering services, is $60,460.

Funds are available in the Physical Plant budget for this contract for preparing plans and specifications.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Nickell, this contract was authorized.

CONTRACT FOR PURCHASE OF COAL

(45) The Director of Purchases and the Comptroller recommend that a contract be awarded to the Republic Coal and Coke Company, Mattoon, the lowest bidder, for approximately 40,000 tons of screenings coal to be delivered to the Abbott Power Plant, Urbana-Champaign, as required from September 1, 1949, to May 31, 1950, at a price of $4.00 a ton f.o.b. mine. The total expenditure will be approximately $160,000 for the coal, plus $38,160 for freight, a total of $198,160.

The lowest bid is determined by the number of British thermal units for one cent based on guaranteed analyses.

I concur.

On motion of Mr. McLaughlin, this contract was authorized, subject to constitutional provisions.

REAPPROPRIATION OF UNEXPENDED BALANCES

(46) The Comptroller recommends that the following unexpended balances in appropriations made by the Board of Trustees for services and projects not completed as of June 30, 1949, be reappropriated (see Appendix, page 483). The total of such balances recommended for reappropriation is $2,377,467, of which it is recommended that $1,017,187 be reappropriated for a period of sixty days from July 1, 1949, and the remainder of $1,360,280 be reappropriated for the fiscal year beginning July 1, 1949. The appropriation balances included in the first group are for projects which can be completed within the sixty-day period provided by the State Finance Act and can be charged against the University's appropriation for the biennium of 1947-1949. Other items will be covered by unexpended balance in University Income Fund at June 30, 1949, which will be covered by State appropriations for 1949-1951.

I concur.

On motion of Mr. Nickell, these appropriations were approved by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Dr. Meyer, Mr. Stevenson.

INSTALLATION OF LABORATORY EQUIPMENT IN EAST CHEMISTRY BUILDING

(47) Much of the equipment for the East Chemistry Building has already been purchased and will be paid for from the State building appropriations for 1947-1949 for the construction of this building. An additional appropriation of $400,000 has been requested for 1949-1951 for the purchase of additional equipment and for installation.

In the meantime, bids have been taken on the installation of this equipment. The Director of the Physical Plant Department and the Comptroller recommend award of the contracts to the lowest bidders as follows, in each case the contract to be subject to availability of funds for the biennium of 1949-1951:

Brunkow Electric Company, Champaign, electrical work	$ 18 740
W. T. Mahoney and Sons, Chicago, plumbing work	110 718
Carson-Payson Company, Danville, heating work	99 933
Carson-Payson Company, Danville, pipe supports	21 480
	$250 871

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts with the qualifications specified.

On motion of Mrs. Holt, these contracts were authorized subject to availability of funds.

CONTRACT FOR EXTENSION OF UTILITY SERVICES TO VETERINARY SCIENCE BUILDING

(48) The Board of Trustees has awarded contracts for the construction of a steam tunnel and installation of piping for extension of the utilities distribution system to the site of the proposed new College of Veterinary Medicine building.

Bids have now been received for (1) insulation of the pipe, and (2) the construction of underground electric duct run and manholes.

The Director of the Physical Plant Department and the Comptroller recommend award of the contracts to the lowest bidders:

Asbestos & Magnesia Materials Company, Chicago, insulation of the pipe.....$ 8 570
Kuhne-Simmons Company, Inc., Champaign, construction of electric duct run and manholes..... 34 717

Funds are available in the State appropriation for 1947-1949 for the enlargement and extension of the utilities distribution system.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts.

On motion of Mr. Livingston, these contracts were authorized.

CONTRACT FOR WATERPOOFING EXTERIOR WALLS OF PHYSICS RESEARCH LABORATORY

(49) Shortly after the completion of the Physics Research Laboratory (the Betatron Building), it was found that the mortar joints, particularly in the south wall, were not water-tight. This is probably due to use of mortar of too rich a mixture in the laying of the bricks, causing shrinkage and fine cracks in the joints. During heavy rains there is considerable leakage with damage to the interior walls and in some cases to equipment.

The Physical Plant Department consulted the State Architect's office and the Small Homes Council regarding corrective measures. Both organizations had experienced similar defects but knew of no product or treatment they could recommend. After further investigation, information and estimates were secured from two organizations specializing in this kind of work, the Western Waterproofing Company, Chicago, and the A. C. Horn Corporation, Minneapolis, Minnesota. Western quoted a price of $3,450 for repairing the entire south elevation of the Physics Research Laboratory and the Horn Corporation quoted $3,344 for the same job. Work done by this company on other buildings, including some hotel jobs, was investigated and found satisfactory.

The treatment consists of testing all joints with hammer and chisel, taking out loose joints, and grouting all of the joints with factory-mixed material. The work is all done by the Horn Corporation's trained crew.

I recommend that the Comptroller and the Secretary of the Board be authorized to execute a contract for $3,344 for the restoration of the south elevation of the Physics Research Laboratory.

Funds are available in existing appropriations for this work.

On motion of Mr. McLaughlin, this contract was authorized.

CLOSING OF GALESBURG UNDERGRADUATE DIVISION

(50) Further conferences have been held with the Public Housing and Home Finance Administrator (in charge of the temporary housing project at Galesburg), and the Director of Public Welfare with respect to the time and conditions of the final transfer of government property used by the Galesburg Undergraduate Division.

Under the date of May 31, 1949, the War Assets Administration approved a transfer of this property to the State of Illinois for use for public health purposes, including especially the operation of a Geriatrics Institute for the care of the aged, infirm, and senile as of June 1, 1949, subject to concurrence of the University. This transfer was accepted by the Director of the Department of Public Welfare and by the Comptroller on behalf of the University, hy Letter Agreement dated May 31, 1949, subject to ratification by the Board of Trustees.

By agreement with the Department of Public Welfare, the University has continued in possession in order to close up its activities. The Department further requested that the University continue responsibilty for the property until September 1, 1949 (the original lease with the University ran until September 20, 1949). Officers of the University have agreed to do this, it being understood that operations are to be reduced as rapidly as possible and the staff and expenses

limited to those necessary for the protection of property and winding up the records and affairs of the University, including the removal of University property.

A resolution relating to the temporary housing units was approved by the Board on April 21, 1949. The effective date of that transfer has now been made July 30, at which time this portion of the property will be returned to the Public Housing Administration.

A resolution is now submitted relating to the general hospital property and its approval by the Board is requested.

Resolution approving the Letter Agreement for transfer of the site of the former Mayo General Hospital now under lease to the University of Illinois from the War Assets Administration

Whereas, it has been decided to close operation of the Galesburg Division of the University of Illinois at the end of the current academic year, and

Whereas, the Department of Public Welfare of the State of Illinois has applied to the War Assets Administration for purchase of the property and site now leased by the University of Illinois at the Galesburg Division, and that such application of purchase has been processed and transfer conditionally consummated by a Letter Agreement dated May 31, 1949, in which such property, personal and real, has been sold to the State of Illinois for public health purposes,

Now, Therefore, Be It Resolved, that the Letter Agreement dated May 31, 1949, between the State of Illinois Department of Public Welfare and the War Assets Administration or its successor in function, be confirmed, and the execution thereof by Lloyd Morey, Comptroller, through William J. English, Business Manager, Galesburg Division, be and is hereby ratified and approved.

On motion of Mr. Nickell, this resolution was adopted.

LEASE OF ILLINI CENTER

(51) On April 24, 1947 (Minutes, page 348), the Board of Trustees authorized the leasing of quarters (3,000 square feet of space) in the LaSalle Hotel, Chicago, for the Illini Center, to be used jointly by the University and the Alumni Association, at a rental of $4,500 a year. The lease will terminate on June 30, 1949. The University has the option of renewing it for three successive two-year periods; the lessor has reserved the right to negotiate an adjustment in the rental with each renewal.

In consideration of the expenditure by the University for remodeling and furnishing the quarters, the LaSalle Hotel accepted a moderate rental for the earlier years of the occupancy, with the understanding that a higher rental would be put into effect later.

The LaSalle Hotel has requested a rental of $5,400 for 1949-1950 and of $6,000 for 1950-1951. The present rental is at the rate of $1.50 a square foot, and the proposed rates are $1.80 a square foot for 1949-1950 and $2.00 a square foot for 1950-1951. The rates are reasonable in comparison with other office quarters of similar quality in terms of location and services available in the Chicago Loop.

The Comptroller requests authority to extend this lease for two years ending June 30, 1951, at a rental of $5,400 for 1949-1950 and $6,000 for 1950-1951.

I concur.

On motion of Mr. McLaughlin, this lease was authorized.

HOUSE BILL 970

(52) At this point Mr. Livingston asked that the Board consider the implications of House Bill 970 now before the Senate of the Sixty-sixth General Assembly of Illinois.

This bill was introduced in the House of Representatives on May 17, 1949. It would amend an Act of 1941 by placing the administration of civil service in the University of Illinois under a separate board of commissioners to be appointed by the Governor. The Act of 1941 authorized and directed the Board of Trustees of the University of Illinois to classify by rules adopted for that purpose all nonacademic positions and employments in the University of Illinois (except the faculty, administrative officers, professional and scientific positions) with reference to duties thereof for the purpose of establishing grades, salary scales, and

standards of examinations therefor. Such positions and employment now constitute the classified civil service of the State in relation to the University of Illinois. All appointments are made in accordance with the provisions of such rules.

Mr. Livingston pointed out that the Board as a whole has not had a previous opportunity to consider House Bill 970 and take an official position on it. The bill was introduced shortly before the May meeting of the Board, at which time the Board had no knowledge of it. There has been no meeting of the Board since that time and obviously the Executive Committee could not speak for the Board. The present University Civil Service system was enacted at the request of the Board which also adopted the Policy and Rules Relating to Compensation and Working Conditions of Nonacademic Employees pursuant to such legislation.

After thorough discussion, on motion of Mr. Hickman, the Board adopted the following resolution and requested that it be transmitted to the Senate:[1]

"The Board of Trustees of the University of Illinois is opposed to the passage of House Bill 970 which would change the administration of civil service in the University by removing it from the Board of Trustees and placing it under a separate board of commissioners to be appointed by the Governor.

"The Board of Trustees is of the strong conviction that this bill would seriously hamper the Board and administrative officers in the administration of nonacademic employees."

MESSAGE TO MR. H. E. CUNNINGHAM

On motion of Mr. Livingston, the Board expressed to Mr. H. E. Cunningham, Secretary, its sympathy in his illness, and best wishes.

SECRETARY'S REPORT

The Secretary, *pro tempore,* presented the following lists for record, as printed in the Appendix.

1. Appointments made by the President of the University (page 423).
2. Graduate fellows (page 426).
3. Allerton scholarships (page 427).
4. Resignations, declinations, and terminations (page 427).
5. Retirements (page 428).
6. Lists of degrees approved by the University Senate to be conferred at Commencement June 12, in Urbana, and June 17, in Chicago (page 429).

The Board adjourned.

A. J. JANATA
Secretary, pro tempore

KENNEY E. WILLIAMSON
President

[1] This was done by the President of the University.

APPENDIX

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parenthesis is the date on which the appointment was made by the President of the University. Part-time appointments are shown by fractions after the name of the department. C = College; S = Station; E = Extension.)

BEVER, WAYNE M., Associate Professor, Crop Pathology (Agronomy) (C) (⅕), indefinite tenure beginning July 1, 1949, to render service during two semesters of each academic year, $1005 (6-8-49).

BICKERS, DONALD, Research Assistant, Psychiatry (Medicine) (¼), four months beginning May 1, 1949, $50 a month (5-21-49).

BINKERD, GORDON W., Assistant Professor, Music, two years beginning September 1, 1949, to render service during two semesters of each academic year, $4300 a year (5-28-49).

BLAND, GEORGE F., Research Assistant, Electronic Digital Computer (Graduate College), three months beginning June 1, 1949, $275 a month, supersedes (6-9-49).

BOLDUC, BARBARA, Nursery School (Division of Special Services for War Veterans) (5/7), Summer Session, 1949, June 17-August 13, 1949, $493 (6-14-49).

BRANTLEY, JOHN C., Postdoctoral Research Assistant, Chemistry (Graduate College), July 1-August 15, 1949, $450 (5-28-49).

BUCK, W. L., Special Research Assistant, Physics (C), three months beginning June 1, 1949, $270 a month, supersedes (6-17-49).

CAMPBELL, ROBERT, Assistant Professor, Economics, academic year beginning September 1, 1949, $4500 (5-28-49).

CHERNOFF, HERMAN, Assistant Professor, Mathematics, academic year beginning September 1, 1949, $4500 (5-23-49).

CHRISTY, BARBARA, Special Research Assistant, Chemistry (Graduate College), one year beginning September 1, 1949, $2700 (6-17-49).

CHUNG, KAI-LAI, Visiting Lecturer (Graduate College), two months beginning June 15, 1949, $1000 (6-13-49).

COHEN, ALVIN J., Postdoctoral Research Assistant, Chemistry (Graduate College), July 1-August 15, 1949, $450 (5-28-49).

DOWSE, EUNICE M., Head Resident, New Residence Hall, ten months beginning September 1, 1949, $3000; also to be furnished housing valued at $100, and three meals daily, valued at $168 (5-26-49).

DRESKIN, E. A., Instructor, Pathology (Medicine) (¾), nine months beginning July 1, 1949, $3000 a year, supersedes (5-26-49).

EMIGH, C. R., Special Research Assistant, Physics (C), three months beginning June 1, 1949, $3240 a year, supersedes (6-13-49).

ERDÖS, PAUL, Visiting Lecturer (Graduate College), two months beginning June 15, 1949, $1800 (6-13-49).

ERKMAN, J. O., Special Research Assistant, Physics (C), three months beginning June 16, 1949, $270 a month (6-8-49).

EVANS, KARL H., Instructor, Civil Engineering (C) (½), academic year beginning September 1, 1949, $2000 (5-26-49).

FIX, LESTER W., Clinical Teaching Assistant, Pathology (Medicine), one year beginning July 1, 1949, without salary, supersedes (5-26-49).

FLEMING, MRS. MARILYN M., Electroencephalographer, and Assistant, Psychiatry (Medicine), four months beginning May 1, 1949, $200 a month (5-21-49).

FRAENKEL, GOTTFRIED S., Special Research Professor, Entomology (Graduate College), three months beginning June 15, 1949, $1998 (6-13-49).

FRANKEL, SHERMAN, Special Research Assistant, Physics (C), three months beginning June 1, 1949, $270 a month, supersedes (6-16-49).

GENTRY, DWIGHT L., Instructor, Marketing (Business Organization and Operation) (½), academic year beginning September 1, 1949, $1800 (6-17-49).

GRAFFIN, JACK W., Clinical Assistant, Dermatology (Medicine), May 18-August 31, 1949, without salary (6-9-49).

GRIEGER, PHILIP F., Research Assistant, Chemistry (Graduate College), one year beginning July 1, 1949, $4200 (6-13-49).

GRIFFITH, PAUL R., Clinical Associate, Dermatology (Medicine), five months beginning April 1, 1949, without salary, supersedes (5-21-49).

GRISAMORE, THOMAS L., Assistant Professor, Hygiene, and Medical Adviser for Men, Health Service (Undergraduate Division in Chicago) (½), July 1, 1949-August 31, 1950, $3500 a year (6-13-49).

HAMLIN, HOWARD H., Clinical Assistant, Surgery (Medicine), three months beginning June 1, 1949, without salary (5-28-49).

HURWICZ, LEONID, Research Professor, Economics and Mathematical Statistics (Graduate College), indefinite tenure beginning September 1, 1949, to render service during two semesters of each academic year, $7850 a year (6-13-49).

IRWIN, OWEN R., Research Assistant, Chemistry (Graduate College), one year beginning July 1, 1949, $3600 (6-9-49).

JANNEY, I. W., Special Research Assistant, Physics (C), two months beginning June 16, 1949, $270 a month (6-17-49).

JENSEN, MRS. KATHERINE B., Assistant Head Resident, New Residence Hall, ten months beginning September 1, 1949, $2400; also to be furnished three meals daily, valued at $168 (5-26-49).

JENTSCHKE, WILLIBALD K., Assistant Professor, Electrical Engineering (C), March 16-August 31, 1949, without salary (6-1-49).

JOLLY, WILLIAM L., Research Assistant, Chemistry (Graduate College), two months beginning July 1, 1949, $500 (6-9-49).

KIRCH, E. R., Chemistry (Undergraduate Division in Chicago) (⅓), Summer Session, 1949, June 27-August 19, 1949, $386 (6-15-49).

KIRK, COLLEEN J., Instructor, Music (⅓), College of Education (½), and Counselor, University Council on Teacher Education (17/100), academic year beginning September 1, 1949, $4090, supersedes (5-26-49).

KRAMER, CHARLES H., JR., Clinical Assistant, Medicine (Medicine), fifteen months beginning June 1, 1949, without salary (6-8-49).

KRATHWOHL, D. R., Instructor, Unit on Evaluation, Bureau of Research and Service, one year beginning September 1, 1949, $4600 (6-9-49).

KREGER, W. E., Special Research Assistant, Physics (C), two months beginning June 16, 1949, $270 a month (6-17-49).

LANDES, JACK L., Research Assistant, Bureau of Research and Service, June 16-August 31, 1949, $233.34 a month (5-21-49).

LEE, ZUR-KONG, Special Research Associate, Civil Engineering (S) (½), one year beginning June 16, 1949, $2000, supersedes (5-26-49).

LEWANDOSKI, MARTHA S., Assistant Professor, Hygiene, and Medical Adviser for Women, Health Service, fifteen months beginning June 1, 1949, $5000 a year (5-23-49).

LITTLE, MARGUERITE, Research Assistant, English (Graduate College), nine months beginning September 16, 1949, $3000 (6-17-49).

LLOYD, S. P., Special Research Assistant, Physics (C), three months beginning June 1, 1949, $270 a month, supersedes (6-8-49).

MAHAN, ROBERT D., Special Research Assistant, Civil Engineering (S), three months beginning July 1, 1949, $275 a month (6-8-49).

MCNEIL, E. B., Special Research Assistant, Physics (C), two months beginning June 16, 1949, $270 a month (6-16-49).

MEINHARDT, NORMAN A., Research Assistant, Chemistry (Graduate College), one year beginning July 1, 1949, $3900 (6-9-49).

MOHR, PAUL, Research Assistant, Chemistry (Graduate College), two months beginning July 1, 1949, $500 (6-9-49).

MORTLAND, MAX M., Assistant, Soil Survey Research (Agronomy) (S), three months beginning June 1, 1949, $266.67 a month, supersedes (5-21-49).

NOWLIN, GENE, Research Assistant, Chemistry (Graduate College), one year beginning July 1, 1949, $3900 (6-9-49).

PALEVSKY, HARRY, Special Research Assistant, Physics (C), three months beginning June 1, 1949, $3240 a year, supersedes (6-13-49).

PESKIN, BERNARD A., Assistant, Mechanical Engineering (C), nine months beginning September 16, 1949, $3000 (5-28-49).

POTTER, JAMES H., Professor, Mechanical Engineering (C), two months beginning July 1, 1949, $688.89 a month (6-14-49).

POTTER, JAMES H., Professor, Mechanical Engineering (C), indefinite tenure beginning September 1, 1949, to render service during two semesters of each academic year, $6200 a year (5-23-49).

POWER, RUTH T., Chemistry Librarian, rank of Instructor, Library, one year beginning September 1, 1949, $4000 (5-21-49).

PRICE, G. A., Special Research Assistant, Physics (C), two months beginning June 1, 1949, $3240 a year, supersedes (6-13-49).

QUASTLER, HENRY, Research Associate Professor, Radiobiology (Physics, Zoology, and Physiology) (Graduate College), indefinite tenure beginning July 1, 1949, $7500 a year, supersedes (5-23-49).

RANDS, ROBERT D., Research Assistant, Chemistry (Graduate College), seven months beginning July 1, 1949, $1400 (6-9-49).

RAUSCH, DOROTHY, Clinical Instructor, Nursing (Pediatrics) (Nursing), three months beginning June 1, 1949, $277 a month; also to be furnished one meal daily while on duty valued at $8 a month, supersedes (5-21-49).

RAY, BURTON W., Assistant, Soil Survey Research (Agronomy) (S), three months beginning June 1, 1949, $283.34 a month, supersedes (5-21-49).

ROCKWOOD, RUTH H., Administrative Assistant and Instructor, Library Science, June 6, 1949-August 31, 1950, $3400 a year (6-9-49).

ROWLAND, R. E., Special Research Assistant, Physics (C), two months beginning June 16, 1949, $3240 a year (6-13-49).

RUST, RICHARD H., Assistant, Soil Survey Research (Agronomy) (S), three months beginning June 1, 1949, $266.67 a month, supersedes (5-21-49).

SAUNDERS, DAVID R., Research Assistant, Psychology (Graduate College), two months beginning July 1, 1949, $250 a month (6-17-49).

SCHIFF, DANIEL, Special Research Assistant, Physics (C), three months beginning June 16, 1949, $270 a month (6-16-49).

SCHILLING, WILLIAM M., Research Assistant, Chemistry (Graduate College), eleven months beginning August 1, 1949, $325 a month (6-9-49).

SCHOOF, W. W., Special Research Assistant, Physics (C), three months beginning June 16, 1949, $270 a month (6-16-49).

SCOTT, M. B., Special Research Assistant, Physics (C), three months beginning June 16, 1949, $270 a month (6-8-49).

SEWELL, DORIS C., Head Resident, New Residence Hall, ten months beginning September 1, 1949, $270 a month; also to be furnished housing valued at $100 and three meals daily, valued at $168 (6-17-49).

SHAPIN, THEODORE, JR., Research Assistant, Electronic Digital Computer (Graduate College), one year beginning June 16, 1949, $3360 (6-8-49).

SHAPIRO, MAURICE D., Research Assistant, Electronic Digital Computer (Graduate College), one year beginning July 1, 1949, $3120 (6-9-49).

SHIMEK, JOHN L., Editor, rank of Instructor, Business Management Service, June 15, 1949-August 31, 1950, $4000 a year (6-16-49).

SHORE, F. J., Special Research Assistant, Physics (C), three months beginning June 16, 1949, $3240 a year (6-13-49).

SLEPYAN, ALBERT H., Clinical Associate, Dermatology (Medicine), five months beginning April 1, 1949, without salary, supersedes (5-21-49).

SONNENSCHEIN, RALPH R., Research Assistant, Psychiatry (Medicine), four months beginning May 1, 1949, $333.33 a month (6-8-49).

SPIEGELMAN, SOL, Research Professor, Bacteriology (Graduate College), July 1-August 31, 1949, $1657; indefinite tenure beginning September 1, 1949, to render service during two semesters of each academic year, $7500 a year (5-23-49).

STENN, FREDERICK, Lecturer, History of Medicine (Medicine), March 28-August 31, 1949, without salary (5-21-49).

STEPHENSON, L. P., Special Research Assistant, Physics (Graduate College), two months beginning July 1, 1949, $270 a month (6-17-49).

STEPNER, BACIA R., Instructor, Art, academic year beginning September 1, 1949, $3000 (6-17-49).

TAYLOR, CHARLES B., Assistant Professor, Pathology (Rush) (Medicine) (5/6), one year beginning September 1, 1949, $5000 (4-22-49).

TAYLOR, DONALD E., Special Research Assistant, Mechanical Engineering (S), three months beginning June 1, 1949, $250 a month (6-16-49).

TONG, KIN NEE, Instructor, Theoretical and Applied Mechanics (C) (½), academic year beginning September 1, 1949, $1800 (5-26-49).

TOPPING, ALANSON D., Instructor, Theoretical and Applied Mechanics (C) (½), academic year beginning September 1, 1949, $1900 (6-17-49).

VANHORN, JOHN R., Special Research Assistant, Physics (C), two months beginning July 1, 1949, $270 a month (6-17-49).

VAN SLYKE, JAMES K., Instructor, Rural Sociology Extension, Agricultural Economics (E), fifteen months beginning June 1, 1949, $4000 a year (6-9-49).

VUKASIN, PETER N., Assistant Professor, Economics, academic year beginning September 1, 1949, $4500 (5-28-49).

WEGSTEIN, J. H., Special Research Assistant, Physics (Graduate College), two months beginning July 1, 1949, $270 a month (6-17-49).

WEIMER, RUTH H., Assistant Head Resident, New Residence Hall, ten months beginning September 1, 1949, $2400; also to be furnished three meals daily, valued at $168 (5-26-49).

GRADUATE FELLOWS

(The following appointments were made by the President of the University on the dates indicated in parenthesis.)

ABBOTT, JOHN C., Fellow, Agricultural Economics, nine months beginning September 16, 1949, $850 (5-20-49).

AYOUB, RAYMOND G., Fellow, Mathematics, nine months beginning September 16, 1949, $850 (5-20-49).

BOREN, HENRY C., Fellow, History, nine months beginning September 16, 1949, $700 (5-20-49).

BROOKSHIER, WILLIAM K., Galvin Fellow, Electrical Engineering, nine months beginning September 16, 1949, $750 (5-20-49).

BROWN, FLOYD W., Fellow, Business Organization and Operation, nine months beginning September 16, 1949, $700 (5-20-49).

CELMER, WALTER D., Upjohn Company Fellow, Chemistry, one year beginning September 1, 1949, $1500 (5-20-49).

COLVIN, DORIS M., Zeta Phi Eta Fellow, Speech, nine months beginning September 16, 1949, $700 (5-20-49).

DEWALT, HARRY A., JR., E. I. du Pont de Nemours and Company Fellow, Chemistry, nine months beginning September 16, 1949, $1200 (5-27-49).

EGGENBERGER, WALTER, Booth Fellow, Horticulture, nine months beginning September 16, 1949, $1500 (5-20-49).

EILAR, KENDRICK R., American Cyanamid Company Postdoctoral Fellow, Chemistry, one year beginning September 1, 1949, $3000 (6-2-49).

FITZPATRICK, WILLIAM D., Edward Orton, Jr., Ceramic Foundation Fellow, Ceramic Engineering, nine months beginning September 16, 1949, $1000 (6-20-49).

GOODE, WILLIAM E., Eli Lilly and Company Fellow, Chemistry, nine months beginning September 16, 1949, $1000 (5-27-49).

GREENWELL, BENJAMIN E., Upjohn Company Fellow, Chemistry, one year beginning September 1, 1949, $1500 (5-20-49).

HEARN, WALTER R., Upjohn Company Fellow, Chemistry, one year beginning September 1, 1949, $1500 (5-20-49).

HEIDENREICH, CLARENCE R., Fellow, Medicine, one year beginning July 1, 1949, $1800 (6-20-49).

HELPER, MALCOLM M., Fellow, Psychology, nine months beginning September 16, 1949, $700 (5-20-49).

KLEBAN, WARREN G., Fellow, Mechanical Engineering, September 16, 1949-January 31, 1950, $350 (5-20-49).

KOHN, PAUL, Upjohn Company Fellow, Chemistry, one year beginning September 1, 1949, $1500 (5-20-49).

LANGLOIS, KENNETH JOHN, Research Fellow, Clinical Science (Medicine), March 15-June 30, 1949, without salary (5-21-49).

LIFE, JOHN R., Fellow, Physical Education, nine months beginning September 16, 1949, $700 (5-20-49).

MANGE, FRANKLIN E., Henry J. Strong Fellow, Chemistry, nine months beginning September 16, 1949, $850 (5-20-49).

MATTES, DOROTHY J., Florence L. White Fellow, Economics, nine months beginning September 16, 1949, $700 (5-20-49).
MILLER, RICHARD P., Upjohn Company Fellow, Chemistry, one year beginning September 1, 1949, $1500 (5-20-49).
MURRAY, HAYDN HERBERT, Illinois Clay Products Company Fellow, Geology, nine months beginning September 16, 1949, $1500 (6-6-49).
PETERSON, BETTY M., Fellow, English, nine months beginning September 16, 1949, $700 (5-20-49).
PIKRAMENOU, MARIKA, Special Research Fellow, Chemistry, nine months beginning September 16, 1949, $1750 (5-23-49).
REANEY, JAMES C., Fellow, English, nine months beginning September 16, 1949, $850 (5-20-49).
REYNOLDS, JAMES A., Fellow, Journalism, nine months beginning September 16, 1949, $700 (5-20-49).
SCHNEIDER, HORST G., Upjohn Company Fellow, Chemistry, one year beginning September 1, 1949, $1500 (5-20-49).
SCHUTZ, FREDERICK W., JR., Fellow, Civil Engineering, nine months beginning September 16, 1949, $700 (5-20-49).
SELLEG, DONNA J., Zeta Phi Eta Fellow, Speech, nine months beginning September 16, 1949, $700 (5-20-49).
SHELTON, JOHN W., Fellow, Geology, nine months beginning September 16, 1949, $700 (5-20-49).
SLEZAK, GEORGE CHARLES, Research Fellow, Clinical Science (Medicine), March 15-June 30, 1949, without salary (5-21-49).
TASSLER, MILFORD C., Standard Oil Company of Indiana Fellow, Chemical Engineering, nine months beginning September 16, 1949, $1200 (6-1-49).
WILSON, ANNETTE L., Fellow, Institute of Labor and Industrial Relations, nine months beginning September 16, 1949, $700 (5-20-49).

ALLERTON SCHOLARSHIPS

(The following award of scholarships was made by the President of the University on May 17, 1949.)

RAYMOND CHARLES OVRESAT and LYMAN RAY TROXELL, JR., Allerton American Traveling Scholarships in Architecture.

RESIGNATIONS, DECLINATIONS, AND TERMINATIONS

CANEPA, JUAN F., A. E. Staley Manufacturing Company Research Fellow, Clinical Science (Medicine) — resignation effective 3-1-49.
CLARY, CORNELIA, Nursery School (Division of Special Services for War Veterans), Summer Session, 1949 — declination effective 6-17-49.
CONNERY, ROBERT H., Professor, Political Science — resignation effective 9-1-49.

APPOINTMENT OF WILLIAM G. KAMMLADE AS ASSOCIATE DIRECTOR OF EXTENSION SERVICE IN AGRICULTURE AND HOME ECONOMICS AND STATE LEADER OF FARM ADVISERS

(1) The Dean of the College of Agriculture, who is also Director of the Agricultural Experiment Station and Extension Service in Agriculture and Home Economics, recommends the appointment of Dr. William G. Kammlade, now Professor of Animal Science, as Associate Director of the Extension Service in Agriculture and Home Economics and as State Leader of Farm Advisers for two years and as Professor of Agricultural Extension on indefinite tenure beginning September 1, 1949, at an annual salary of $10,000.

I concur.

Dean Rusk commented on this recommendation.

On motion of Mr. Livingston, this appointment was made as recommended.

INTERNAL OPERATING BUDGET FOR 1949-1950

(2) I present the University's internal operating budget for all divisions and funds for the fiscal year beginning July 1, 1949, and for academic and administrative appointments beginning September 1, 1949. This budget has been prepared by the Provost and the Comptroller in accordance with policies approved by the President and in conference with deans, directors, and other administrative officers.

I recommend that:

1. This budget, covering the allocation of the University's operating income from all sources for the year beginning July 1, 1949, be approved (see Appendix, page 531).

2. The President of the University be authorized, in accordance with the needs of the University and the equitable interests involved and within total income, to (a) make such changes and adjustments as are needed, (b) make such additional appointments as are necessary, subject to the provisions of the University Statutes, and (c) accept resignations. All such changes will be covered in the Comptroller's quarterly financial reports, or in reports to the Board by its Secretary.

This budget was discussed by the President, the Provost, and the Comptroller.

On motion of Mr. Livingston, the budget was amended by making the salary of President Stoddard $22,000 a year, effective July 1, 1949.

On motion of Mr. McLaughlin, the operating budget was approved as amended, the appropriations were made, and authority was granted as requested, by the following vote: Aye, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Fornof, Mr. Stevenson, Mrs. Watkins.

DIRECTORSHIP OF THE INSTITUTE OF LABOR AND INDUSTRIAL RELATIONS

(3) Dr. Phillips Bradley, who has been serving as Director of the Institute of Labor and Industrial Relations since August 1, 1946, and who is also Professor of Political Science, has asked to be relieved as Director of the Institute upon the expiration of his present term of appointment in that position on August 31, 1949, and to be assigned to full-time service as Professor of Political Science.

I recommend approval and request that I be authorized to conclude the change in Professor Bradley's status by an appropriate assignment of duties and adjustment of his appointment from a twelve months' to an academic year basis.[1]

I further recommend the appointment of Dr. William Ellison Chalmers, now Associate Professor of Economics (one-half time in the Institute and one-half time in the College of Commerce and Business Administration), as Acting Director of the Institute of Labor and Industrial Relations for one year from September 1, 1949, and as Professor of Economics on indefinite tenure.

On motion of Mr. Hickman, Director Bradley's resignation was accepted and he was assigned to the Department of Political Science, and Professor Chalmers was appointed Acting Director of the Institute of Labor and Industrial Relations and Professor of Economics as recommended.

STEAM HEATING PLANT FOR CHICAGO PROFESSIONAL COLLEGES

(4) On May 21, 1949 (Minutes, page 358), the Board of Trustees authorized a contract with the Medical Center Steam Company, a corporation to be organized under the laws of Illinois, for the construction of a central steam plant and distribution system for University buildings as well as those of other institutions in the Medical Center District. It authorized the officers of the Board to make "changes in form but not of substance" of the contract as submitted on May 18.

Subsequent discussion has made it necessary to work out various other changes, some of them minor in character but others of a major character. For that reason a revised draft of the contract is resubmitted to the Board for approval (see Appendix, page 516).

The principal changes which result from discussions with the insurance company making the loan for construction and with income tax officials by Commonwealth Edison Company are as follows:

1. Elimination of the word "depreciation" and the substitution of "amortization" (Articles IV and V, Sections 5.01 and 5.02).

2. Change in the term of the agreement from an indefinite period (until all investment has been amortized) to a definite period of thirty years, during which all the plant is to be amortized (Section 9.01). This results in a change in the rate of amortization (depreciation) charge from 3 per cent as formerly proposed, to an adjustable sum which at all times will result in complete amortization within the period of the contract (Section 5.02).

The Director of the Physical Plant Department and the Comptroller recommend the approval of the revised draft of contract by the Board.

Additional actions are requested of the Board of Trustees by officers of Commonwealth Edison Company in charge of the development of the Medical Center Steam Company as follows:

1. Resolution accepting an ordinance passed June 22, 1949, by the City Council of the City of Chicago, granting the University authority to make the installations necessary for the heating plant.

2. Resolution authorizing assignment of the above mentioned ordinance to the Medical Center Steam Company.

3. Resolution approving execution of revised contract with the Medical Center Steam Company herein reported.

4. Resolution authorizing the conveyance of land now owned by the Board

[1] President Stoddard notified the Secretary on August 3, 1949, that Professor Bradley's salary was to be $9,000 a year, on A basis.

of Trustees to the Medical Center Steam Company as a part of the site for the proposed power plant.

The exact conditions under which this land should be conveyed are still a matter of further consideration to determine what procedure would be most advantageous to the University, whether to convey without consideration or to convey for a cash consideration commensurate with the current value of this property. If the latter is done, the amount of such consideration would apply toward the total capitalization of the plant. Mr. Newton C. Farr has recommended a valuation of $1.00 a square foot, giving an estimated evaluation of $14,845 for the land to be conveyed. Because early action in the conveyance of the real estate may become necessary, no mention of consideration is made in the resolution, and the exact plan followed will be reported to the Board at a later time.

All the foregoing resolutions (see Appendix, page 513) have been approved by the Legal Counsel and are recommended for adoption by the Comptroller.

I concur.

These changes in contract and resolutions were discussed in detail.

On motion of Dr. Meyer, the changes were approved and the resolutions were severally adopted as recommended.

COMPENSATION FOR DR. LLOYD SMITH

(5) Under date of February 8, 1949, Dr. Lloyd Smith of Berkeley, California, filed a claim against the University of Illinois for compensation for medical expenses incurred, and to be incurred, in the treatment of cataracts on both eyes, alleged to have been caused by radiation from the Illinois cyclotron, on which he worked as a research assistant at the University of Illinois during the years 1943-1945.

Dr. Smith was a graduate student in the Department of Physics and a research assistant in this department from June, 1942, until July 31, 1945. In August, 1945, Dr. Smith became a member of the staff at Ohio State University and continued in such position until June, 1946, at which time he received his Ph.D. degree from the Ohio State University. From August, 1946, to September, 1947, Dr. Smith was a postdoctoral scholar at the University of Chicago. From September, 1947, to the present time, Dr. Smith has been a member of the staff of the radiation laboratory at the University of California at Berkeley.

This claim was referred to the Committee on Accident Compensation, of which the Legal Counsel is Chairman, for investigation. The Committee has made a thorough inquiry, has consulted medical authorities, and has submitted a report. In the opinion of the Committee's chairman the evidence establishes the following:

1. That Dr. Lloyd Smith was exposed to neutron radiation from the cyclotron during the period of his employment as a research assistant in the Department of Physics from the winter of 1943, to July 31, 1945, the date on which Dr. Smith left the employment of the University.

2. That Dr. Lloyd Smith was not exposed to the hazards of neutron radiation or analogous radiation from the date of his leaving the University of Illinois down to the dates of the several letters from the Ohio State University, the University of Chicago, and the University of California, all in April and May, 1949.

3. That Dr. Lloyd Smith has developed cataracts on both of his eyes.

4. That the cause of the cataracts on Dr. Smith's eyes was the exposure to neutron radiation during the period of his employment as a research assistant at the University of Illinois while working on the cyclotron.

5. That the cataracts on Dr. Smith's eyes constitute a disease which arose out of and in the course of his employment at the University of Illinois.

6. That Dr. Smith's condition constitutes an occupational disease governed by the Occupational Diseases Act of Illinois of 1936.

7. That such occupational disease is compensable under the provisions of such Act.

Conclusion seven is supported by a legal opinion which is a part of the Committee's report.

I recommend, therefore, that the Board of Trustees authorize the payment of compensation to Dr. Lloyd Smith in accordance with the formula followed in other compensation cases governed by the Occupational Diseases Act of Illinois, in an amount yet to be determined.

On motion of Mr. Herrick, this settlement was authorized as recommended.

AUTOMOBILE FOR THE VICE-PRESIDENT IN CHARGE OF CHICAGO PROFESSIONAL COLLEGES

(6) On an informal canvass of the Executive Committee, I recommend that the Board authorize the purchase of an automobile to be assigned to the Vice-President of the University, in charge of the Chicago Professional Colleges, for his use and that an appropriation of $2,700, or as much thereof as may be necessary, be made for this purpose.

Quotations have been secured from several dealers on an appropriate type of car for this purpose. The Business Manager of the Chicago Professional Colleges, the Director of Purchases, and the Comptroller recommend the purchase of a Buick four-door roadmaster sedan, model 49-71, from Emil Denemark, Inc., Chicago, the lowest bidder, at a price of $2,685.09.

I concur.

On motion of Mr. McLaughlin, this purchase was authorized and the appropriaton was made as recommended, by the following vote: Aye, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Fornof, Mr. Stevenson, Mrs. Watkins.

AUTOMOBILE FOR THE PRESIDENT OF THE UNIVERSITY

President Williamson asked the Board to consider the purchase of an automobile for the President of the University to replace the University's Buick limousine which has been in service since February, 1940. Mr. Williamson presented a report from the Physical Plant Department which indicates that the Buick can no longer be kept in a condition safe for highway driving and that it should be replaced. He also presented quotations secured on several cars.

On motion of Mr. Hickman, the Board authorized the purchase of a DeSoto eight-passenger sedan from Lloyd Eichhorst, Inc., Champaign, at a list price of $3,031.44 with an allowance of $1,000 on the Buick limousine, making a net price of $2,031.44 delivered in Champaign; and an appropriation of $2,050, or so much thereof as may be necessary, was made from the General Reserve Fund for this purpose, by the following vote: Aye, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Fornof, Mr. Stevenson, Mrs. Watkins.

OPEN SESSION

APPOINTMENTS TO THE FACULTY MADE BY THE PRESIDENT OF THE UNIVERSITY

The Secretary reported that the President has approved the following new appointments to the faculty of the rank of Assistant Professor and above since the previous meeting of the Board of Trustees:

1. JOHN MARKUS BLATT, Assistant Professor of Physics, beginning February 1, 1950, at an annual salary of $5,500.
2. RUBIN G. COHN, Associate Professor of Law, beginning September 1, 1949, at an annual salary of $7,500.

3. CHARLES C. COLBY, Visiting Graduate Professor of Geography, beginning September 1, 1949, at an annual salary of $8,000.

4. ROBERT KAUL FINN, Assistant Professor of Chemistry, beginning September 1, 1949, at an annual salary of $4,500.

5. WILLIAM S. KINNE, JR., Professor of Architecture, beginning September 1, 1949, at an annual salary of $7,500.

6. JAMES A. PRESTRIDGE, JR., Assistant Professor of Architecture, beginning September 1, 1949, at an annual salary of $4,200.

7. TOM CHRISTOPHER RIVES, Special Research Associate Professor of Electrical Engineering, beginning July 1, 1949, at an annual salary of $7,000.

On motion of Dr. Meyer, these appointments were confirmed.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered the following matters presented by the President of the University.

INTERNAL BUDGET OF ATHLETIC ASSOCIATION FOR 1949-1950

(1) The Director of Intercollegiate Athletics submits, on behalf of the Board of Directors of the Athletic Association, the budget of the Association for 1949-1950 which is summarized as follows with comparative figures for the preceding year:

	1948-1949		
	Original Estimate	*Revised Estimate*	*1949-1950 Proposed*
Income	$636 740	$771 906	$754 100
Expenditures:			
Budget appropriations	636 144	655 466	739 199
Special appropriations	.....	53 458	10 000
Total	(636 144)	(708 924)	(749 199)
Excess of income over expenditures	$ 596	$ 62 982	$ 4 901

On July 1, 1948, the Athletic Association had a net operating surplus of $91,221 and a reserve for plant maintenance of $12,523. It is estimated that on June 30, 1949, the operating surplus will be $179,203 after allowing for an estimated lapse in 1948-1949 appropriations of $25,000 and that the reserve for plant maintenance will remain $12,523.

The budget has been examined by the Provost and the Comptroller, and all salaries have been reviewed by the President; those salaries paid jointly by the Athletic Association and the School of Physical Education have been approved by the Director of the School of Physical Education.

The budget includes an appropriation of $10,000 to be allocated by the Board of Directors for contingency expenditures not to exceed $1,000 for any one item.

I recommend that this budget be approved and that the President of the University be authorized to make such changes and adjustments, including approval of new appointments and acceptances of resignations, as are necessary and recommended by the Board of Directors of the Athletic Association within the total estimated income, such changes to be reported to the Board of Trustees.

On motion of Dr. Meyer, these recommendations were adopted.

APPOINTMENT OF JANICE M. SMITH AS ACTING HEAD OF DEPARTMENT OF HOME ECONOMICS

(2) The Dean of the College of Agriculture recommends the appointment of Dr. Janice M. Smith, now Professor of Nutrition in the Department of Home Economics, as Professor of Nutrition on indefinite tenure and as Acting Head of the Department of Home Economics for one year, from September 1, 1949, at an annual salary of $8,000.

I concur.

On motion of Mrs. Holt, this appointment was made as recommended.

AWARD OF CERTIFICATES OF CERTIFIED PUBLIC ACCOUNTANT

(3) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded the following persons on the basis of having fulfilled all of the requirements and having passed the C.P.A. examination which was given May 18, 19, and 20, 1949:

I concur.

On motion of Mr. Nickell, these certificates were awarded as recommended.

SALE OF COOK COUNTY AGRICULTURAL EXPERIMENT STATION

(4) Since 1925, the Agricultural Experiment Station has been operating a substation in Cook County for the purpose of studying vegetable and floral crop production problems in northern Illinois. The Station consists of twenty acres of land south of DesPlaines, Illinois[1] purchased at a cost of $16,000. Improvements include a house costing $10,442.63, a tool shed costing $1,193.64, a greenhouse costing $11,706.73, tile drainage, and extension of electric service lines (for which the University was reimbursed by the utility company) and other improvements. The total capital investment in this Station is $42,283.89.

The Cook County Experiment Station was established pursuant to an act of the General Assembly in 1923, which also appropriated $25,000 for this purpose. The DesPlaines site was selected, after experiments were carried on in the spring of 1924 in different localities in Cook County and after more than fifty farms were inspected.

From 1925 to 1935, inclusive, the General Assembly made separate appropriations for the operation of this Station. Since then funds for it have been included in the University's biennial budgets.

During the past twenty-five years experiments have been conducted on critical problems of vegetable crop production in the northern Illinois area. These experiments have covered breeding and selection of productive varieties, plant disease control, cultural methods, and fertilizer needs of the crops. Results of these experiments have been published by the Agricultural Experiment Station in eight bulletins and circulars. Since 1926, truck growers' schools have been held annually at the Station, and in recent years a field day has been conducted each summer. Large numbers of interested growers come to the Station every season for help. In recent years, the College of Pharmacy has done some research work with drug plants there.

Due to urban developments in that vicinity the station should be given up and the work transferred elsewhere. Even though it is fenced on three sides, there is difficulty in controlling experiments because of trespassing and theft. Truck growers are moving to the west. Cook County truck growers generally recognize the inadvisability of attempting to continue working there under present conditions. Some phases of the work can be continued at the Morton Arboretum on land assigned to the College of Pharmacy.

The Dean of the College of Agriculture and Director of the Agricultural Experiment Station recommends that this land be sold and the proceeds assigned to the Department of Horticulture for relocating this experimental work at the Morton Arboretum, where it can be integrated with the drug-plant research work of the College of Pharmacy, and elsewhere.

I recommend that the Board authorize the Committee on Agriculture to investigate this matter, with a view to selling this land, to employ a competent

appraiser to determine its market value, and to employ a real estate broker to negotiate with prospective purchasers, and report its recommendations to the Board.

On motion of Mr. Livingston, these recommendations were adopted.

SALE OF INTEREST IN DRIVEWAY AT 1007 SOUTH WRIGHT STREET

(5) In purchasing the property at 1007 South Wright Street, Champaign (Minutes, October 30, 1947, page 882), the University acquired one-half of a driveway serving both its property and that of the Pi Beta Phi Sorority adjoining it on the north. Joint use of this driveway is impractical, and a drive to meet University needs has been provided on another part of the property.

The Pi Beta Phi Sorority has requested the University to sell its parf of this drive at a recently appraised value of $2,000, or $500 a front foot. Sale of the south half of the driveway will not materially affect future permanent construction on this land by the University.

The Director of the Physical Plant Department and the Comptroller recommend the sale. I concur and request that the Comptroller and the Secretary of the Board be authorized to execute a deed of conveyance of the area, described as follows, for a consideration of $2,000:

The North Four (4) Feet of the following: Commencing at a point 10 rods North and Sixty-six (66) Feet West of the Southeast corner of the Northwest Quarter of Section Eighteen (18), Township Nineteen (19) North, Range Nine (9), East of the Third Principal Meridian, running thence West One Hundred Seventy-four and one-half (174½) Feet, thence North Ninety-four (94) Feet, thence East One Hundred Seventy-four and one-half (174½) Feet, thence South Ninety-four (94) Feet to the place of beginning.

The proceeds will go into the general funds of the University.

On motion of Mr. Nickell, this sale was authorized as recommended, by the following vote: Aye, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Fornof, Mr. Stevenson, Mrs. Watkins.

RELEASE OF FUNDS FOR BUILDINGS AND CAPITAL IMPROVEMENTS

(6) The Governor has authorized the following release of funds from the appropriation made to the University of Illinois for 1947-1949 under "An Act making appropriations for certain additional ordinary, contingent, and distributive expenses of State government," which includes appropriations totaling $12,994,732 to the University for buildings and other capital improvements:

Release No. 574

"For contingencies to cover expenditures for purposes for which the amount appropriated in any item above enumerated is or becomes insufficient (total appropriation, $618,845).....$78 000"

To augment Releases Nos. 35, 326, and 327 for the construction of student and staff apartments.

A release of $48,405 from this same item previously authorized to supplement funds for the construction of student residence halls, not now needed for that project, has been cancelled by the Governor at the request of the University.

A report was made to the Board on June 25 that the Governor had been asked to approve this new release of $78,000 to supplement funds for the construction of student and staff apartments.

I recommend that the Board appropriate this fund for the construction project.

On motion of Mr. Nickell, this appropriation was made as recommended, by the following vote: Aye, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mr. Nickell,

Mr. Williamson; no, none; absent, Mr. Fornof, Mr. Stevenson, Mrs. Watkins.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(7) The Committee on Nonrecurring Appropriations recommends assignments from the General Reserve Fund for the following purposes:

1. Remodeling in Lincoln Hall	$14 637
2. Equipment for Horticulture Field Laboratory	14 109
3. Library shelving for Chicago Undergraduate Division	2 640
4. Alterations in Armory for Air Force	2 170
5. Remodeling of building at 1121 South Winchester, Chicago, for use as an Animal Hospital for the Chicago Professional Colleges	16 500
Total	$50 056

I concur.

On motion of Mr. Livingston, these appropriations were made as recommended, by the following vote: Aye, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Fornof, Mr. Stevenson, Mrs. Watkins.

APPROPRIATION FOR PURCHASE OF LAND

(8) On April 21, 1949 (Minutes, page 310), the Board of Trustees approved the purchase of the 320-acre McCullough Farm and the purchase of eighty acres from the Sullivan heirs. On May 21, 1949 (Minutes, page 360), the Board of Trustees approved the purchase of the property at Sixth and John Streets in Champaign. All of these purchases are on the basis of contracts providing for annual payments and the Comptroller reports that in the year 1949-1950 the total of such payments will be $55,500.

I recommend an appropriation of this amount.

On motion of Mr. Livingston, this appropriation was made as recommended, by the following vote: Aye, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Fornof, Mr. Stevenson, Mrs. Watkins.

MARY G. McLELLAN SCHOLARSHIP IN ART

(9) Through the bequest of the late Mary G. McLellan of the Class of 1888, the University has a fund endowing a scholarship in art. This scholarship in art is awarded under regulations adopted by the Board of Trustees May 16, 1942 (Minutes, page 872). These regulations specify, as to eligibility:

"The Scholarship will be open to students of American citizenship who have been in residence for two (not necessarily consecutive) years in the Department of Art of the University of Illinois and meet the following requirements: (a) Recognized standing as graduating senior in the year the award is made, or graduating senior in the year preceding the date of award. (b) Applicant shall not be over twenty-five years of age, as of June first of the year application is made. Exception shall be made in the case of students who have performed military service for our country — in which case the age limit shall be extended by the period of the candidate's actual performance of military service."

As originally set up, the scholarship was to be a biennial award providing a stipend of $1,200. Because of diminishing returns from invested funds, the stipend is decreased and it is not always possible to make an award every two years. Consequently, in fairness to students who might be candidates for the scholarship, the Department of Art recommends that the eligibility requirements be changed to read:

"The Scholarship will be open to students of American citizenship who have been in residence for two (not necessarily consecutive) years in the Department

of Art of the University of Illinois and meet the following requirements: (a) Recognized standing as graduating senior in the year the award is made, or graduating senior in the classes since the previous award was made. (b) . . ."

I recommend approval.

On motion of Mr. McLaughlin, this change was approved as recommended.

UNDERGRADUATE SCHOLARSHIPS FOR STUDENTS FROM COOK COUNTY

(10) An Act of the General Assembly of Illinois, effective July 1, 1905, provides that there shall be awarded annually, in each county of the State, a University of Illinois scholarship to the high school graduate who passes with the highest grade a competitive examination given on the first Saturday in June under the supervision of the County Superintendent of Schools. Such scholarship exempts the holder from payment of tuition, matriculation, term, or incidental fees, but not laboratory fees or service charges. The University prescribes the rules and regulations under which the examinations are given and prepares the questions.

Recognizing the inequity in the distribution of these scholarships throughout the State, the Board of Trustees in 1941 established sixteen special scholarships in Cook County which are awarded to the candidates who rank in the next sixteen places, according to their grades, below the winner of the competitive examination. Last year 265 high school graduates applied for admission to the Cook County scholarship examination. This year 403 made such applications and 277 wrote the examination. Cook County still is not receiving its proportionate number of scholarships on the basis of population and the Assistant Superintendent of Schools of Cook County has asked if the University of Illinois can remedy the situation.

The Faculty Committee on Fees and Scholarships has considered this and recommends that the Board of Trustees increase the total number of special scholarships in Cook County by fifty, thus making a total of sixty-six scholarships available to those writing the competitive examination for the Cook County scholarship in addition to the winner who will receive the one provided by law.

The Committee further recommends that this be retroactive to June 1, 1949, so that these scholarships may be awarded candidates who wrote the Cook County scholarship examination on June 4, 1949. This is feasible because the examination was given recently, the records are still available, and it will be easy to notify the successful candidates.

I concur.

On motion of Mr. Nickell, these recommendations were adopted. Mr. Herrick asked to be recorded as voting in the negative.

PATENT PROVISION IN AGREEMENT WITH UNITED STATES DEPARTMENT OF AGRICULTURE

(11) The Research and Marketing Act of 1946 provides, among other things, for cooperation between the United States Department of Agriculture and various state agricultural experiment stations in determining "the best methods of processing, preparation for market, packaging, handling, transporting, storing, distributing, and marketing agricultural products." Funds for the work are to be allocated to the experiment stations on the basis of each approved project.

In order to reduce the amount of paper work required for individual research projects to a minimum, the United States Department of Agriculture proposes one general agreement between the Department and the Illinois Agricultural Experiment Station under which less formal documents covering individual projects can be executed. The Department proposes including in this master agreement the following provision relating to patentable discoveries:

"Patentable results of any work carried on under the terms of this agreement shall be made available to the public through dedication, assignment, or in such manner as the United States Department of Agriculture shall determine. Other results of research or investigations and information concerning the project shall be made known to the public by the State agency unless the project statement shall provide otherwise."

While this conflicts with the patentable provisions in the University of Illinois Statutes, the purpose in each case is the same — protection of the public. In the opinion of counsel for United States Department of Agriculture this provision is required by law.

The Director of the Agricultural Experiment Station and the Chairman of the University Research Board recommend that the Board of Trustees waive the University's patent provisions in this particular case.

I concur.

On motion of Dr. Meyer, this provision was waived in this instance as recommended.

CONTRACTS FOR WATER AND GAS SERVICE EXTENSIONS TO SMALL HOMES COUNCIL STAFF HOUSING RESEARCH PROJECT AREA

(12) The Director of the Physical Plant Department and the Comptroller recommend authorization of the following agreements for utilities installations in the Small Homes Council Staff Housing Research Project area at Race Street and Florida Avenue:

Illinois Water Service Company, installation of water service and fire hydrants at a cost of.....$5 918 36

Illinois Power Company, extension of gas service to the houses: main extension, $1,243; excess service pipe, $2,392..... 3 635 00

The Legal Counsel has reported his opinion and recommendation that these streets be not dedicated to the city of Urbana.

The cost of the gas main extension, $1,243, is payable on signing of the agreement. This is refundable over a ten-year period if the gross revenue received by the company from gas service by the extension exceeds the estimated gross revenue on which free extensions are determined.

Funds are available in the appropriation for this project to pay for these installations.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts.

On motion of Mrs. Holt, these installations were authorized and authority given as recommended.

DEDICATION OF STREETS IN STAFF HOUSING RESEARCH PROJECT

(13) At the Board meeting on May 21, 1949, in connection with the award of contracts for the above project, a question of the dedication of streets in the housing area was deferred for further report and consideration by the Board.

The matter has been reviewed by the Legal Counsel, the Director of the Physical Plant Department, and the Comptroller. The Legal Counsel has submitted comments on the situation (copy attached) in which he recommends against such dedication. The Director of the Physical Plant Department and the Comptroller concur in that recommendation.

I concur and recommend that the streets in this area not be dedicated to the city.

On motion of Mr. Livingston, this recommendation was concurred in.

CONTRACT WITH SARGENT AND LUNDY FOR ENGINEERING SERVICES ON POWER PLANT EQUIPMENT

(14) On June 15, 1948 (Minutes, page 1159), the Board of Trustees authorized a plan for the installation of a 7,500 kw. generator in the Abbott Power Plant at Urbana contingent on the availability of sufficient funds in the State appropriation for buildings and permanent improvements for 1949-1951. The new generator was to increase power capacity to service the new buildings included in the original construction program for this biennium. Sufficient funds were not included in the State appropriations for 1949-1951 for the installation of a generator of this size. Moreover, not all of the buildings included in the original program will be constructed during 1949-1951, so that a smaller generator will suffice. On May 21, 1949 (Minutes, page 361), the Board of Trustees approved a revised plan for the installation of a new 3,000 kw. generator and auxiliary equipment.

The State appropriations made to the University for the construction of buildings and other capital improvements for 1949-1951 include $1,275,000 for "Additions to Power and Heating Plant and Remodeling of Existing Buildings" and $375,000 for "Construction of Extensions to the Utilities Distribution System" at Urbana.

The Director of the Physical Plant Department and the Comptroller recommend the employment of Sargent and Lundy of Chicago, for engineering services on the installation of the 3,000 kw. generator and auxiliary equipment and on the Utilities Distribution System on the following basis: compensation for services will consist of current expense charges plus a fixed fee. The current expenses charge will be the engineering drafting at actual salaries plus 50 per cent for overhead, resident field engineers at actual salaries plus 10 per cent for overhead, clerical, travel, and miscellaneous expenses at actual cost. The fixed fee charge will be 2 per cent of the estimate mutually agreed upon by Sargent and Lundy and the University of the cost of the generator and auxiliary equipment, and 2 per cent of the actual cost (excluding Sargent and Lundy's charges and University engineering, supervisory, and overhead costs) of the extension of the distribution system. The fixed fee charge will be billed and paid in installments of 10 per cent when the services are ordered, 80 per cent in equal monthly installments based on the number of months it takes to complete the project, and 10 per cent when the project has been completed. It is estimated that the cost of engineering services under such an arrangement will total $108,000. Funds are available in State appropriations for these projects.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Dr. Meyer, this contract was authorized as recommended.

ADDITION TO ELECTRICAL CONTRACT FOR MECHANICAL ENGINEERING BUILDING

(15) The Director of the Physical Plant Department and the Comptroller recommend an increase of $5,209 in the contract with the Square Deal Electric Company for the electrical work in the construction of the Mechanical Engineering Building. This increase is to provide for additional wiring in seven rooms which will be used for the Internal Combustion Engine Laboratory and in the Equipment Construction Shop. Wiring for these rooms was not included in the original contract because the exact type of equipment to be installed in these rooms was not known and consequently the power requirements could not be specified.

Funds are available in the State appropriation for the construction of the Mechanical Engineering Building.

I concur and recommend that the Comptroller be authorized to execute this addition to the contract.

On motion of Mr. McLaughlin, this addition to contract was authorized as recommended.

ADDITION TO CONTRACT WITH ALLIS-CHALMERS MANUFACTURING COMPANY FOR SUPERVISION OF ASSEMBLY AND ERECTION OF BETATRON

(16) The University has a contract with the Allis-Chalmers Manufacturing Company, Milwaukee, Wisconsin, for engineering services in supervising the assembly and erection of the Betatron. The Company provides expert supervisory personnel and is authorized to purchase necessary miscellaneous materials and tools, and to hire labor during the assembling of the Betatron. The contract is limited to an expenditure of $25,000. The Board has also authorized a subcontract negotiated by Allis-Chalmers with the Pennoyer Merchants Transfer Company, Milwaukee, Wisconsin, for the actual rigging required for the Betatron.

Professors D. W. Kerst and F. W. Loomis and the Comptroller recommend that the Board authorize an increase of $10,000 in the Allis-Chalmers contract to provide for additional materials and services to be supplied by that Company in connection with the construction of a large bias reactor at the New York Naval Shipyard. The reactor is not a part of the work contemplated in the

Allis-Chalmers contract. It was originally planned to have it built by some manufacturer of electrical equipment, but it was found that the Shipyard could do it for much less provided that responsible and skilled personnel representing the University was on hand to supervise the work. Arrangements have been made for Allis-Chalmers engineers experienced in coil winding to represent the University. The rates of compensation payable have been approved by the Head of the Department of Physics.

I concur and request that the Comptroller be authorized to execute this change in the contract.

On motion of Mr. Livingston, this change of contract was authorized as recommended.

AWARD OF CONTRACT FOR NATURAL RESOURCES GARAGE

(17) The State Geological and Natural History Surveys have requested the University to supervise certain alterations in the Natural Resources Building Garage to provide additional shop and storage space. The funds will be provided by the Geological Survey.

Dr. M. M. Leighton, Chief of the Geological Survey, the Director of the Physical Plant Department, and the Comptroller recommend award of the contract for $6,676.24 to Clyde Gates, the lowest bidder.

I concur.

On motion of Mr. McLaughlin, this contract was awarded as recommended.

REPORT ON ELECTRICAL CONTRACT FOR UTILITIES DISTRIBUTION SYSTEM

(18) On January 25, 1947 (Minutes, page 228), the Board of Trustees awarded a contract to the A. S. Schulman Electric Company for the electrical distribution work in connection with the construction of the Utilities Distribution System. This contract was subject to an escalation to a maximum of 16.4 per cent. The total amount of the contract to date is $171,621.75, of which $170,998.38 is subject to the escalation provision.

The Comptroller reports that the A. S. Schulman Electric Company has incurred additional costs under this escalation clause of $29,811.10 but are limited by the maximum escalation provision to a reimbursement of $28,043.73.

This report was received for record.

ADDITION TO HEATING AND VENTILATING CONTRACT FOR EAST CHEMISTRY BUILDING

(19) The Director of the Physical Plant Department and the Comptroller recommend an increase in the amount of $7,172.65 in the contract with the Carson-Payson Company for heating and ventilating installations in the construction of the East Chemistry Building to provide for:

1. Substitution of reduced voltage starters in lieu of those specified for four large motors.....$1 474 60
2. Provision for high-pressure steam service in the Instrumentation Laboratory and the Unit Operations Laboratory..... 5 698 05

Funds are available for these additions in the appropriation for the East Chemistry Building.

I concur and request that the Comptroller be authorized to execute these additions.

On motion of Mr. Nickell, these additions to contract were authorized as recommended.

INSURANCE ON AUTOMOBILE FLEET

(20) On May 21, 1949 (Minutes, page 366), the Board received a report on this problem and directed that bids be solicited, and authorized the Finance Committee to consider these bids and make an award.

In accordance with this action, bids were solicited on insurance for one year effective July 1, 1949, with limits of $25,000 to $50,000 bodily injury and $5,000

property damage on the entire fleet of automotive equipment owned by the University, or leased. Such insurance is authorized under the Board policy on insurance. Requests for quotations were submitted to representatives of sixty-four companies. A total of eight representatives submitted bids. The lowest bid was submitted by W. R. Hidy, Champaign, for a premium of $3,314.50, for insurance placed with the Hartford Indemnity Company.

The Finance Committee has reviewed the bids and has awarded this insurance to the lowest bidder for one year, with the right reserved by the University to renew in the same company for an additional year.

This report was received for record.

HOSPITAL AND MEDICAL SERVICE INSURANCE

(21) The University charges all students at Urbana-Champaign and in the Chicago Undergraduate Division who do not hold staff appointments a fee of $5.00 a semester for hospital and medical service. It is the practice of the Board to place this insurance with a commercial insurance company. The present insurance expires August 31, 1949.

About a year ago at the request of several members of the staff I appointed a special committee to advise on a hospital and medical service insurance plan for the staff. This committee recommended that such a plan be set up, and its report was submitted to the Finance Committee of the Board for review.

Acting on instructions of the Finance Committee, the Business Office has secured quotations from interested companies on plans of insurance providing for the following coverages:

Student Plan

A. Hospital Residence, $6.50 a day (present $5.00) up to twenty-eight days in one semester.

B. Hospital Services, $32.50 in one semester (present $22.50).

C. Physician's Indemnity, $3.00 a day for not more than two-thirds of the number of days of hospital residence, not exceeding $56.00 in one semester (same as at present).

D. Surgical Benefits, per schedule, up to $225.00 for disability (same as at present). (Maximum total allowance in maternity cases, $55.00).

Staff Plan

A. Hospital Residence, $6.50 a day, up to thirty-one days of confinement.

B. Hospital Services, $32.50 a confinement.

C. Physicians Indemnity, $3.00 a day not exceeding $62.00 a hospital confinement.

D. Surgical Benefits (same as student plan). (Maximum total allowance in maternity cases, $55.00).

The special staff committee has recommended that two separate contracts be made, but that both contracts be with the same company. The low proposal under such an arrangement is submitted by the Continental Casualty Company, Chicago, through George Franks, Champaign broker, for estimated premiums of $221,507 for the Student Plan and $191,200 for the Staff Plan (anticipating 75 per cent participation), a grand total of $412,707.

It is recommended that the plan be self-supporting and that the premiums charged be sufficient to cover the estimated administrative cost to the University. The premium charges would be as follows:

Student Plan

	Semester (19 weeks)	*Year (12 months)*
Student only	$ 5 00	$15 00
Student and his family	13 00	39 00

Staff Plan

	Premium Charges a Year (12 months)
Employee only	$16 20
Employee and one dependent	34 80
Employee and two or more dependents	45 00

The insurance would be written for one year but the company would be advised that it is the intention of the University to extend the policy for at least one additional year.

These proposals have been reviewed by the Finance Committee and approval is recommended by that Committee.

I concur and recommend approval.

On motion of Dr. Meyer, these recommendations were adopted.

PURCHASES

(22) The Director of Purchases has proposed and the Comptroller recommends the following purchases (see Appendix, page 522).

I concur.

On motion of Dr. Meyer, these purchases were authorized as recommended.

AUTHORITY TO PURCHASE CATTLE

(23) The program for the purchase of feeding cattle for the Wright Farms for the 1949-1950 feeding season will be approximately as shown by the following schedule:

Buying Period	*Number*	*Kind*	*Average Weight*	*Average Price a Pound*	*Total Cost*	*University's Share*
		Farm No. 3				
Aug. 1-Sept. 25	50	Steer calves	400 lb.	$.25	$ 5 000	$ 2 500
	50	Heifer calves	375 lb.	.24	4 500	2 250
Oct. 1-Nov. 1	35	Yearling steers	650 lb.	.24	5 460	2 730
Nov. 1-Jan. 1	35	Yearling steers	800 lb.	.22½	6 300	3 150
	170				$21 260	$10 630
		Farm No. 4				
Aug. 1-Oct. 15	40	Steer calves	400 lb.	$.25	$ 4 000	$ 2 000
	40	Heifer calves	375 lb.	.25	3 750	1 875
Feb. 1-Mar. 15	25	Yearling steers	700 lb.	.20	3 500	1 750
	105				$11 250	$ 5 625
		Farm No. 6				
Aug. 1-Nov. 1	50	Steer calves	400 lb.	$.25	$ 5 000	$ 2 500
Oct. 1-Nov. 1	25	Yearling steers	650 lb.	.24	3 900	1 950
Oct. 15-Dec. 1	25	Yearlings	750 lb.	.20	3 750	1 875
	100				$12 650	$ 6 325
Total All Farms	375				$45 160	$22 580

Such purchases are made on the basis of current market prices when suitable stock is available, and payment is due immediately. Under such conditions, it is impractical to request the approval of the Board of Trustees prior to each transaction.

The Director of Purchases, the Comptroller, and Professor J. B. Andrews of the College of Agriculture who supervises the Wright Farms, request authority to purchase feeding cattle substantially in accordance with the above schedule when such purchases are recommended by the farms manager. All such purchases will be reported to the Board of Trustees. They will be financed from the income of the Wright Farm operations.

On motion of Mr. McLaughlin, these purchases were authorized as recommended.

DEPARTMENT OF PHYSICAL MEDICINE AND REHABILITATION

(24) The Dean of the College of Medicine and the Vice-President in charge of the Chicago Professional Colleges recommend that the name of the Department of Physical Medicine, in the College of Medicine and the Research and Educational Hospitals, be changed to Department of Physical Medicine and Rehabilitation.

I concur.

On motion of Dr. Meyer, this change was made as recommended.

COMMITTEE TO HEAR OBJECTIONS TO DETERMINATION OF WAGE RATES MADE BY THE UNIVERSITY IN AWARDING CONSTRUCTION CONTRACTS AT ROBERT ALLERTON PARK

(25) As reported to the Board on June 25, 1949 (Minutes, page 405), objections have been filed, under the prevailing wage act, to the determination of the prevailing rates of wages made by the University in awarding construction contracts at Robert Allerton Park in Piatt County. The act provides that a hearing on these objections be held.

The Board voted that the hearing be conducted by a committee of the faculty to be appointed by the President of the University. I nominate the following: Edward W. Cleary, Professor of Law, *Chairman;* Cecil A. Moyer, Associate Professor of Accountancy; and John B. Parrish, Associate Professor of Economics.

On motion of Mrs. Holt, this committee was appointed as recommended.

CLOSING OF THE GALESBURG UNDERGRADUATE DIVISION

(26) It seems appropriate at this meeting of the Board of Trustees to make official record of the closing of the Galesburg Undergraduate Division. With this in mind there has been prepared a brochure reviewing the history of the Galesburg Division, entitled *The College Made in a Month.* I am pleased to present this brochure to the Board as a part of the official report. It will be distributed to members of the General Assembly and other State officials, to the Citizens Committee of the University, and to staff members of the Galesburg Undergraduate Division.

I submit also a report prepared by the Comptroller on expenditures, both capital and operating, on the Galesburg Undergraduate Division from the fall of 1946 to its closing date, June 30, 1949 (see Appendix, page 524).

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS

(27) The Comptroller's report of contracts executed, June 11 to July 10, 1949 (see Appendix, page 525).

This report was received for record.

APPOINTMENT OF PROFESSOR F. B. ADAMSTONE AS HEAD OF DEPARTMENT OF ZOOLOGY

(28) The Dean of the College of Liberal Arts and Sciences recommends the appointment of Professor F. B. Adamstone, now Acting Head of the Department of Zoology and Physiology, as Professor and Head of the Department of Zoology on indefinite tenure beginning September 1, 1949, at a salary of $7,500 an academic year.

I concur.

On motion of Mr. McLaughlin, this appointment was made as recommended.

REPORT ON UNIVERSITY OF ILLINOIS LEGISLATION

(29) As a matter of official information and record, I report the passage by the Sixty-sixth General Assembly of the following legislation affecting the University directly or indirectly (see Appendix, page 526).

This report was received for record.

REAPPROPRIATION OF UNEXPENDED BALANCES

(30) The Comptroller recommends that the following unexpended balances in appropriations made by the Board of Trustees for 1948-1949 for services and projects not completed as of June 30, 1949, be reappropriated for a period of sixty days from July 1, 1949 (see Appendix, page 530).

I concur.

On motion of Dr. Meyer, these balances were reappropriated as recommended, by the following vote: Aye, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mr.

Nickell, Mr. Williamson; no, none; absent, Mr. Fornof, Mr. Stevenson, Mrs. Watkins.

ADDITION TO CONTRACT FOR SANITARY SEWER

(31) The University has a contract with Mancini, Ventrella, and Sons, Chicago, for the construction of a sanitary sewer to serve the housing area and other buildings on the west side of the campus. As is customary in sewer contracts, this one contains a provision that if in the course of construction conditions not known at the time the contract was signed are encountered, the contractor is entitled to additional compensation as negotiated by him and the University.

In the course of this sewer construction quick-sand beds were encountered on the south side of Armory Avenue and on the north side of Green Street. As a result it is necessary to change the sewer plan by elevating the sewer line, using cast iron pipe to bridge the quick-sand beds at vulnerable points, and using larger tile in certain sections of the sewer. The alternative would be to pump out the quick-sand pockets and fill in with crushed rock which would be extremely expensive.

Changes agreed upon will cost $4,500. The contractor has offered to assume half the cost because the change in the sewer plan is of some advantage to him. Wilson and Anderson, Consulting Engineers in charge, have approved the revised plan and recommend its acceptance. The Director of the Physical Plant Department and the Comptroller concur.

I recommend that the Comptroller be authorized to execute a change in this contract by increasing it $2,250. Funds are available in the State appropriation for temporary housing for the biennium of 1947-1949. Since these funds were encumbered when the original contract was entered into they will be available until September 30.

On motion of Mrs. Holt, this change of contract was authorized as recommended.

ADDITION TO ELECTRICAL CONTRACT FOR REWIRING PHYSICS LABORATORY

(32) The University has a contract with the Square Deal Electric Company, LaPorte, Indiana (Minutes, March 10, 1949, page 294), for the electrical installations in the repowering and relighting of the Physics Laboratory (the old Physics Building).

This contract covers the first phase of the repowering and relighting contract. It was anticipated that the second and third phases of this project would be completed with funds available in building appropriations for 1949-1951. Because of the reduction in building funds, the completion of the project will have to be postponed. The Head of the Department has therefore requested that certain additional temporary electrical facilities be installed before the beginning of the first semester of 1949-1950.

This work will consist of additional lighting fixtures in one room and additional electrical outlets in eight rooms at an estimated cost of $2,410. Funds are available in the appropriation made by the Board of Trustees for this project.

The Director of the Physical Plant Department and the Comptroller recommend this addition to the contract with the Square Deal Electric Company for this additional work.

I concur and recommend that the Comptroller be authorized to execute this change in the contract.

On motion of Mr. McLaughlin, this change in contract was authorized as recommended.

EXECUTIVE SESSION

PROCEDURE IN PURCHASE OF COAL

(33) At the Board meeting on June 25, 1949, in connection with the proposed contract for purchase of coal for the Urbana-Champaign power plant for 1949-1950, members of the Board requested information as to the procedure followed in judging the quality of coal supplied.

In response to this request the Director of Purchases has submitted through the Comptroller the following reports:

1. Extract from a "Survey of Business Administration Organization — University of Illinois" by Booz, Fry, Allen, and Hamilton, August 1, 1942, on "the University coal purchasing."

2. Copy of bid form on coal for 1949-1950 submitted to all prospective bidders, in which the requirements of quality are set forth (item 2, page 3) and the method by which tests of such quality will be made.

The Purchasing Division and the Physical Plant Department have given assurances that the program of tests will be regularly followed. A quarterly report of such tests will be made to the Board as requested.

This report was received for record.

CONTRACT WITH WARNER CONSTRUCTION COMPANY FOR THE CONSTRUCTION OF WOMEN'S RESIDENCE HALL

Report of a Special Committee

(34) On December 30, 1948, acting pursuant to authorization by the Executive Committee of the Board of Trustees, President John R. Fornof appointed Mr. Kenney E. Williamson of the Board of Trustees and the President of the University a special committee to review all matters in dispute relating to the contract with the Warner Construction Company, Chicago, for the construction of the Women's Residence Hall (Lincoln Avenue Residence), and to make recommendations concerning the same to the Board. Subsequently, this Committee employed special counsel to represent it in direct negotiations with counsel for the Warner Construction Company.

The Committee recommends a settlement on numerous changes in the contract representing credits to the University for work omitted and extra payments to the contractor for additional work ordered — all relating to grading of the site, construction of sidewalks and driveways, and other work outside of the building but a part of the general contract. The net increase originally requested by the Warner Company was $19,086.26. Your committee's attorney and the University Architect recommended a settlement of $12,087.28, to which the contractor has agreed. This represents an increase of $1,275.43 in the fixed fee to be paid under the contract, and an increase of $11,594.85 in construction costs.

Your committee recommends approval and authorization of the contract change orders necessary to implement this settlement. It affects only one phase of the construction contract and not settlement of the question of damages resulting from the delay in completion of the building.

KENNEY E. WILLIAMSON
GEORGE D. STODDARD
Special Committee of the Board of Trustees

On motion of Dr. Meyer, these changes in contract were authorized as recommended.

SECRETARY'S REPORTS

The Secretary presented the following lists for record, as printed in the Appendix.

1. Appointments made by the President of the University (page 509).
2. Graduate fellows (page 512).
3. Resignations and cancellations (page 513).

The Board adjourned.

APPENDIX

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parenthesis is the date on which the appointment was made by the President of the University. Part-time appointments are shown by fractions after the name of the department. C = College; S = Station; E = Extension.)

BERG, K. B., Instructor, Accountancy (Business Organization and Operation) (½), academic year beginning September 1, 1949, $1700 (7-15-49).

BLATT, JOHN M., Assistant Professor, Physics (C), second semester, academic year 1949-1950, beginning February 1, 1950, $5500 a year (7-9-49).

BROADBENT, EMER E., First Assistant, Agricultural Economics (S & E), five months beginning April 1, 1949, $5000 a year, supersedes (6-22-49).

BRONFENBRENNER, MRS. JEAN A., Research Associate, Bureau of Economic and Business Research, one year beginning September 1, 1949, $5000 (7-8-49).

BROWN, EDWARD L., Flight Instructor, Institute of Aviation, one year beginning September 1, 1949, $3850 (7-15-49).

BYRNE, ALICE, Biological Sciences (Undergraduate Division in Chicago) (⅔), Summer Session, 1949, eight weeks beginning June 20, 1949, $519, supersedes (7-9-49).

CARDEW, EMILY C., Assistant Professor, Nursing Education, School of Nursing, and Coordinator, Affilia-Program for Hospital Schools of Nursing (83/100), one year beginning September 1, 1949, $5000 (7-18-49).

CARRITHERS, J. M., Assistant Professor, Accountancy (Bureau of Economic and Business Research) (½), two months beginning July 1, 1949, $250 a month (this is in addition to his present appointment) (7-12-49).

CASTLEBERRY, H. P., Social Sciences (Undergraduate Division in Chicago), Summer Session, 1949, eight weeks beginning June 20, 1949, $934, supersedes (7-9-49).

CHANLER, JOSEPHINE H., Mathematics (½), Summer Session, 1949, beginning June 17-August 13, 1949, $478, supersedes (7-12-49).

CHEN, MRS. MO-LING H., Catalog Assistant, Library, beginning June 15-August 31, 1949, $200 a month, supersedes (6-29-49).

CHODAKOWSKI, ALEXANDER S., Electrical Engineering, Summer Session, 1949, beginning June 17-August 13, 1949, $845, supersedes (7-12-49).

CLARK, M. E., Theoretical and Applied Mechanics (½), Summer Session, 1949, beginning June 17-August 13, 1949, $367 (6-28-49).

COHN, RUBIN G., Associate Professor, Law, academic year beginning September 1, 1949, $7500 (7-18-49).

COLBY, CHARLES C., Visiting Graduate Professor, Geography (Graduate College), academic year beginning September 1, 1949, $8000 (7-20-49).

COMER, VIRGINIA L., Speech, Summer Session, 1949, beginning June 17-August 13, 1949, $500 (6-28-49).

CONRAD, PAUL F., Mathematics, Summer Session, 1949, beginning June 17-August 13, 1949, $534, supersedes (6-28-49).

CORFIELD, BERTHA M., Assistant, English, nine months beginning September 16, 1949, $2700 (7-15-49).

CRANDALL, PAUL H., Clinical Assistant, Neurology and Neurological Surgery (Medicine), one year beginning July 1, 1949, without salary (7-15-49).

CROWELL, WILFRED J., Resident, Hospital Pharmacy (Pharmacy) (½), one year beginning July 1, 1949, $660; also to be furnished maintenance, uniforms, tuition, and fees in the Graduate College, valued at $384 (7-15-49).

DEMERS, E. F., Electrical Engineering (⅔), Summer Session, 1949, beginning June 17-August 13, 1949, $594, supersedes (6-23-49).

DRELL, S. D., Special Research Associate, Physics (S), two months beginning July 1, 1949, $4200 a year (7-12-49).

DUNN, W. F., Business Organization and Operation (⅔), Summer Session, 1949, beginning June 17-August 13, 1949, $489 (6-23-49).

EDWARDS, HENRY C., Instructor, Architecture, academic year beginning September 1, 1949, $4000 (7-14-49).

ELBINGER, MRS. REBECCA L., Physical Sciences (Undergraduate Division in Chicago) (½), Summer Session, 1949, eight weeks beginning June 20, 1949, $445, supersedes (7-9-49).

ELSESSER, T. M., Theoretical and Applied Mechanics, Summer Session, 1949, beginning June 17-August 13, 1949, $667 (6-28-49).
FAIRBANKS, GRANT, Research Professor, Speech (Graduate College) (½), beginning June 17-August 13, 1949, $444 a month (6-29-49).
FRIEDERICH, A. G., General Engineering Drawing, Summer Session, 1949, beginning June 17-August 13, 1949, $712 (6-28-49).
GALVIN, JAMES A., Clinical Teaching Assistant, Psychiatry (Medicine), beginning August 15, 1949-August 31, 1950, without salary (6-29-49).

STEAM HEATING PLANT FOR CHICAGO PROFESSIONAL COLLEGES

Resolution authorizing acceptance of ordinance passed on June 22, 1949, by City Council of the City of Chicago

Resolved: That the Board of Trustees of the University of Illinois hereby authorizes, empowers and directs the Comptroller and the Secretary of this Board, in the name and on behalf of this Board, to execute and file with the City Clerk of the City of Chicago, Illinois, an acceptance of the ordinance duly passed by the City Council of such City on June 22, 1949 (and now effective subject only to the

filing of such acceptance) granting permission and authority "to the University of Illinois, a corporation, its successors and assigns, upon the terms and subject to the conditions of this ordinance, to excavate for, install and maintain conduits, tunnels, steam and condensate pipes and related accessories in any and all streets, avenues, alleys, and public places within the boundaries of the 'Medical Center District' as now or hereafter established," in said City of Chicago; such acceptance to be in the form submitted to this meeting; that the Secretary of this Board be and he is hereby directed to file with the records of this meeting, properly identified, a copy of such acceptance in the form submitted to this meeting; and that the Comptroller and the Secretary of this Board be and they are hereby authorized, empowered and directed, at the time of filing such acceptance with such City Clerk, to pay to the City of Chicago, in the name and on behalf of this Board, as compensation for the privileges granted in and by such ordinance, the sum of Ten Dollars ($10.00), for the full term of such ordinance, in compliance with the provisions of Section 4 of such ordinance.

Ordinance

Be it Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority hereby are given and granted to the University of Illinois, a corporation, its successors and assigns, upon the terms and subject to the conditions of this ordinance, to excavate for, install and maintain conduits, tunnels, steam and condensate pipes and related accessories in any and all streets, avenues, alleys, and public places within the boundaries of the "Medical Center District" as now or hereafter established, the present boundaries being Ashland Boulevard on the East, a line co-incidental with Congress Street extending from Ashland Boulevard in a westerly direction to Oakley Boulevard on the North, Oakley Boulevard on the West and Roosevelt Road on the South, together with the necessary manholes, for a period of forty (40) years from and after the date of the passage of this ordinance, and thereafter until terminated by at least six months' written notice by the City to the grantee, or by like notice from the grantee to the City.

SECTION 2. Said conduits, tunnels, steam and condensate pipes, accessories and manholes shall be installed under the supervision and to the satisfaction of the Commissioner of Public Works and shall be maintained in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Public Works. If and when requested by the Commissioner of Public Works, the grantee shall file with such Commissioner at any time or from time to time, as and when any construction work is done by the grantee pursuant to this ordinance, a plat or plats showing the location of said conduits, tunnels, steam and condensate pipes, accessories and manholes. The grantee shall keep that portion of any street, avenue, alley or public way over the structures and appliances herein authorized, and the openings thereto, in good condition and repair, safe for public travel, to the satisfaction of the Commissioner of Public Works. Upon termination of the privileges herein granted by lapse of time, or otherwise, the grantee, without cost or expense to the City of Chicago, shall, upon the written request of the City, remove the structures and appliances herein authorized, and in the event of the failure, neglect or refusal of the grantee so to do, the City of Chicago may do said work and charge the cost thereof to the grantee.

SECTION 3. The grantee will hold and save the City of Chicago harmless from any and all liability for cost of removal, relocation, alteration, repair or maintenance of the structures or appliances herein authorized and from any and all damages thereto on account of the location, construction, reconstruction, alteration, repair or maintenance of any public ways, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other utilities.

SECTION 4. The grantee agrees to pay the City of Chicago as compensation for the privileges herein granted the sum of Ten Dollars ($10.00) for the full term of this ordinance, said payment to be made as of the date of the acceptance of this ordinance.

SECTION 5. This ordinance shall take effect and be in force from and after its passage, provided the grantee files a written acceptance of this ordinance with the City Clerk within six months after the passage of this ordinance.

Resolution authorizing assignment to Medical Center Steam Company of ordinance passed June 22, 1949, by City Council of the City of Chicago

Resolved: That, upon the filing with the City Clerk of the City of Chicago of the acceptance (authorized to be filed in and by another resolution this day adopted by this Board) of the ordinance hereinafter in this resolution mentioned, the Board of Trustees of the University of Illinois hereby authorizes, empowers and directs the Comptroller and the Secretary of this Board, in the name and on behalf of this Board, to execute and deliver to Medical Center Steam Company, an Illinois corporation, an assignment of all the rights, benefits, privileges and advantages granted and conferred by the ordinance duly passed by the City Council of the City of Chicago, Illinois, on June 22, 1949, granting permission and authority "to the University of Illinois, a corporation, its successors and assigns, upon the terms and subject to the conditions of this ordinance, to excavate for, install and maintain conduits, tunnels, steam and condensate pipes and related accessories in any and all streets, avenues, alleys and public places within the boundaries of the 'Medical Center District' as now or hereafter established," in said City of Chicago; such assignment to be substantially in the form submitted to this meeting; and that the Secretary of this Board be and he is hereby directed to file with the records of this meeting, properly identified, a copy of such assignment in the form submitted to this meeting.

Resolution authorizing execution of revised steam contract with Medical Center Steam Company

Resolved: That the Board of Trustees of the University of Illinois hereby approves, in the form submitted to this meeting, the proposed revised agreement between Medical Center Steam Company, a corporation organized on June 28, 1949, and now existing under the laws of Illinois, and this Board (such proposed revised agreement being a revision of the proposed agreement approved for execution by this Board at its meeting held on May 21, 1949), providing for the construction by the Steam Company of a central steam plant and distribution system and the furnishing of steam service to the University, and through the University to other institutions located within the Medical Center District as defined in such revised agreement, all upon the terms and subject to the conditions set forth in such revised agreement; that the Comptroller and the Secretary of this Board be and they hereby are authorized, empowered and directed, in the name and on behalf of this Board, to execute and deliver such revised agreement in the form submitted to this meeting or with such changes in such form, not of substance, as may be approved by such officers, their approval of any such changes to be conclusively evidenced by their execution and the delivery of such revised agreement; that upon the execution of such revised agreement by this Board and the Steam Company, the proper officers or agents of this Board be and they hereby are authorized, empowered and directed to do all such things as may be necessary to carry out and perform all of the obligations of this Board under such revised agreement; and that the Secretary of this Board be and he hereby is directed to file with the records of this meeting, properly identified, a copy of such revised agreement in the form submitted to this meeting, and also, if any changes be made in such agreement prior to the execution thereof, a copy thereof as executed and delivered by the parties thereto.

Resolution authorizing conveyance of certain real estate to Medical Center Steam Company

Resolved: That the Board of Trustees of the University of Illinois, in furtherance of the purposes of the steam contract dated as of July 1, 1949, between Medical Center Steam Company and this Board, hereby authorizes, empowers and directs the Comptroller and the Secretary of this Board, in the name and on behalf of this Board, to execute and deliver to Medical Center Steam Company, an Illinois corporation, a warranty deed conveying to such Medical Center Steam Company the following described real estate, to wit:

(Here insert description of the real estate presently to be conveyed, representing a portion of the site of the proposed steam plant and coal storage yard of the Steam Company)

And Resolved, Further: That as and when this Board shall acquire the following described real estate, or any parcels thereof, this Board does hereby authorize, empower and direct the Comptroller and the Secretary of this Board, in the name and on behalf of this Board, to execute and deliver to such Medical Center Steam Company, a further warranty deed or deeds conveying such real estate, either in whole in a single deed or in parcels from time to time, to such Steam Company, to wit:

(Here describe all other parcels which are to form a part of the site of the steam plant and coal storage yard)

AGREEMENT dated as of July 1, 1949, between Medical Center Steam Company (hereinafter called the "Company") and the Board of Trustees of the University of Illinois (hereinafter called the "University")

WITNESSETH:

Whereas, the Company is an Illinois corporation organized for the exclusive purpose of providing central steam service to the University, and through the University to other institutions in the Medical Center District (as hereinafter defined) as may from time to time enter into contracts with the University for steam service pursuant hereto; and

Whereas, the University requires an adequate and continuous steam supply for its teaching and research programs and for the care of patients in its own and other hospitals with which the University may contract pursuant hereto; and

Whereas, the existing facilities of the University are inadequate to provide such service to the new buildings to be constructed by the University; and

Whereas, the Company, an Illinois corporation, has been organized by Commonwealth Edison Company, the Company's sole stockholder, at the request of the University; and

Whereas, the Company's charter powers are limited to the furnishing of central steam service to the University; and

Whereas, the University desires to contract with the Company for steam service in accordance with the terms hereof;

Now, Therefore, the parties hereto agree as follows:

ARTICLE I. DEFINITION OF MEDICAL CENTER DISTRICT

SECTION 1.01. The term "Medical Center District" shall mean an area within the City of Chicago the boundaries of which are Ashland Boulevard on the East, a line co-incidental with Congress Street extending from Ashland Boulevard in a westerly direction to Oakley Boulevard on the North, Oakley Boulevard on the West and Roosevelt Road on the South.

Such area for the purposes of this agreement may be increased or decreased but only by agreement of the Company and the University.

ARTICLE II. PROPERTY ADDITIONS AND REPLACEMENTS

SECTION 2.01. The Company in accordance with a reasonable time schedule approved in writing by the University shall construct a low pressure central steam plant and distribution system in accordance with plans and specifications prepared and approved as provided in Section 2.02. The facilities to be provided by the Company, in addition to such plant and distribution system, shall include all land, rights, privileges and permits therefor, together with a reasonable inventory of operating and maintenance materials and supplies, fuel and an adequate cash working fund. The Company shall not be obligated, without its consent, to expend more than $10,000,000 for all facilities provided hereunder including the construction of the initial system and all additions thereto.

SECTION 2.02. Plans and specifications for the initial facilities shall be prepared by the Company in accordance with the general directions of the University. Plans and specifications for additions to and replacements of the Company's facilities shall be prepared by the Company in accordance with the general directions of the University. Before the Company proceeds with any such work the plans and specifications therefor shall have been approved in writing by the University. Before the Company enters into any construction contract which involves or may involve $50,000 or more, such contract shall have been approved in writing by the University.

SECTION 2.03. The Company shall have the right, if necessitated by operating emergency, to make replacements of and additions to its facilities after consultation with the University but without prior approval of the plans and specifications therefor by the University, provided that the Company shall not expend under the provisions of this Section 2.03 more than $50,000 in any calendar year.

SECTION 2.04. If, at any time, the Company is of the opinion that an addition to or replacement of any of its facilities is necessary to the safe operation of such facilities, and if the University fails within a period of 60 days to approve plans and specifications for such work, the Company shall have the right to refer the matter to arbitration as hereinafter provided.

SECTION 2.05. The University shall at all times have designated a qualified person to act for it, with full power to sign requests, approvals, consents, designations and other authorizations hereunder, and to receive notices, requests, demands or other communications hereunder.

ARTICLE III. STEAM SERVICE

SECTION 3.01. The Company shall furnish steam service and the University shall take and pay for such service upon the terms and conditions hereof.

SECTION 3.02. The University shall have the right to furnish steam contracted for herein by the University and not required by it for its own use, to any governmental agency, charitable institution or other institution located in the Medical Center District upon such terms and conditions as may be agreed upon by contract between the University and such governmental agency, charitable institution or other institution.

SECTION 3.03. The Company shall furnish the University, and any governmental agency, charitable institution or other institution located in the Medical Center District having a contract with the University pursuant to Section 3.02, such amount of steam service as the University shall request from time to time subject only to the limitation that, if at any time the service requested to be furnished from any facility exceeds the capacity of such facility, the service from such facility shall be limited as directed by the University.

ARTICLE IV. THE COMPANY'S INVESTMENT

SECTION 4.01. The Company's "investment" in facilities, other than facilities comprising working capital, for any month shall mean the cost of such facilities, including carrying charges during construction as hereinafter provided. The Company's "investment" in working capital for any month shall mean (a) the cost of the Company's inventory of operating and maintenance materials and supplies and fuel, plus (b) an allowance for cash working funds in the amount of 2% of the Company's investment in all facilities other than working capital.

SECTION 4.02. The Company's "amortization reserve" for facilities shall mean the amortization charged with respect to such facilities after deducting retirements and adding net salvage.

SECTION 4.03. The Company's "unamortized investment" in facilities shall mean the Company's investment in such facilities after deducting the Company's "amortization reserve" with respect thereto. Any contributions received by the Company in aid of construction shall also be deducted in determining the Company's unamortized investment in facilities. The University shall have the right to make such contributions at any time before, during or after construction.

ARTICLE V. THE COMPANY'S CHARGES

SECTION 5.01. For each month the Company shall be entitled to an investment charge comprising the sum of the amounts calculated as follows:

(a) From the total of the Company's unamortized investment as of the beginning of such month in all facilities there shall be deducted the weighted average principal amount of the Company's indebtedness to others than Commonwealth Edison Company, and the remainder shall be multiplied by one-twelfth of 5%; provided, however, that for months prior to the month of July, 1951 such remainder shall be deemed to be the weighted average principal amount of the Company's indebtedness to Commonwealth Edison Company;

(b) The interest accrued, including amortization of debt discount, premium and expense, during such month on the Company's indebtedness to others than Commonwealth Edison Company; and
(c) An income tax charge for such month calculated as follows:
(1) The estimated income tax to be incurred by Commonwealth Edison Company during the current calendar year upon income from investments by Commonwealth Edison Company in the Company shall be divided by twelve. The amount thus determined shall be the "income tax accrual" for such month.
(2) There shall be added to or subtracted from the income tax accrual for such month the amount of any proper adjustments of income tax charges for periods prior to such month.

SECTION 5.02. For each month beginning with the month of July, 1951 the Company shall be entitled to an amortization charge calculated as follows:
(a) The amortization charge for each month prior to the month of June, 1981 shall be equal to the quotient obtained by dividing
(1) the Company's unamortized investment as of the beginning of such month in all facilities, other than facilities comprising working capital, by
(2) the number of months in the period from the beginning of such month to the end of the month of June, 1981.
(b) The amortization charge for the month of June, 1981 shall be the amount necessary to make the Company's amortization reserve for all facilities, other than facilities comprising working capital, equal to the Company's investment in such facilities, all as of the end of such month.

SECTION 5.03. For each month the Company shall be entitled to a general tax charge calculated as follows:
(a) From the amount provided by the Company for taxes for such month, there shall be deducted any amount included therein for revenue taxes charged for under Section 5.06. The amount thus determined shall be the Company's "general tax accrual" for such month.
(b) There shall be added to or subtracted from the general tax accrual for such month the amount of any proper adjustments of general tax accruals for periods prior to such month.

SECTION 5.04. For each month the Company shall be entitled to an operating charge calculated by deducting from the amounts properly charged by the Company for such month to operating expenses and maintenance the amounts included therein for fuel and the net cost of ash disposal.

SECTION 5.05. For each month the Company shall be entitled to a steam charge calculated by adding to the cost of fuel burned during the month the net cost of ash disposal.

SECTION 5.06. For each month the Company shall be entitled to a revenue tax charge, if any is payable. The revenue tax charge shall be equal to the amount for such month of all gross revenue, sales or other similar taxes payable by the Company.

SECTION 5.07. The Company's carrying charges during construction included in investment as provided in Section 4.01 shall be such portion of its charges under Section 5.01 to 5.06, inclusive, as is properly allocable to construction; provided, however, that no amount shall be allocable to construction which shall have been billed to the University subject to current payment. The remainder of such charges shall be billed to the University monthly and paid for by it as hereinafter provided.

ARTICLE VI. METHOD OF OPERATION

SECTION 6.01. The Company shall operate its facilities in a prudent and efficient manner and subject to the general direction of the University. Operations of the Company may be conducted, in whole or in part, by Commonwealth Edison Company for the Company. The payments by the Company to Edison for such services shall not include any profit to Edison but, insofar as such services are furnished to the Company by employees of Edison, the payments therefor shall include properly calculated compensation to Edison for all indirect costs, including pensions, payroll taxes, vacations, supervision and idle-time. Because the University and others having contracts with the University pursuant to Section 3.02

are engaged in activities of an educational or charitable character, the Company's payment to Edison for the general administration of the Company shall be limited to $1,000 per month. No compensation shall be paid by the Company to its officers or directors. Nothing in this Section shall be deemed to preclude the payment of interest and dividends to Edison.

SECTION 6.02. The University, once in each calendar year, shall be furnished a copy of an audit report, in reasonable detail, by Edison's regular independent public accountants which shall be a firm of recognized national standing.

SECTION 6.03. The University shall have access at all reasonable times to the properties, accounts and records of the Company for the purpose of determining compliance with the provisions hereof.

ARTICLE VII. MONTHLY BILLS

SECTION 7.01. As soon as practicable after the end of each month, the Company shall render the University a bill for all charges determined by the Company to be due hereunder up to the end of such month, and the University shall pay such bill within 30 days after the receipt thereof. Such monthly bills shall include such information as the University may request from time to time as to the service furnished to the University and others having contracts with the University pursuant to Section 3.02. The Company shall also, from time to time, upon request of the University, furnish to the University such information as the University may reasonably request in order to enable it to determine the accuracy and reasonableness of bills rendered in accordance with the terms and conditions of this agreement.

SECTION 7.02. If it shall be found at any time during the term hereof that any bill rendered by the Company to the University has not been determined in accordance with the provisions hereof, the Company shall promptly correct such bill. If the University and the Company cannot agree as to the correctness of any bill, such bill shall nevertheless be paid when due under the provisions of Section 7.01 but the matter shall be submitted to arbitration as hereinafter provided.

SECTION 7.03. Should the University fail to pay in full any bill when due, the Company shall have the right to discontinue, for that cause, the furnishing of service hereunder until such bill is paid, after giving the University 15 days' notice of the Company's intention to do so. Any such discontinuance shall not discharge the University from its obligation to continue to make all payments in accordance with the provisions hereof. The right of the Company to discontinue the furnishing of service as above provided shall be cumulative and in addition to any and every other remedy given hereunder or otherwise existing.

ARTICLE VIII. ARBITRATION

SECTION 8.01. If, at any time, a difference of opinion shall arise between the parties hereto in regard to their respective rights, duties and obligations hereunder, or in respect of any payments to be made by virtue hereof, and the parties hereto are unable to come to a mutual agreement thereon within 90 days thereafter, or within a longer period if both parties agree thereto, the question, or questions, in dispute shall be referred to a Board of Arbitrators consisting of three persons skilled in the particular matter which is the subject of dispute.

SECTION 8.02. Each of the parties hereto shall choose one of such arbitrators, and the two so chosen shall select the third arbitrator.

SECTION 8.03. The party desiring such arbitration shall give written notice thereof to the other party, setting forth definitely therein the point, or points, in dispute and naming the person selected by such party to act as arbitrator.

SECTION 8.04. If the party on whom such notice is served shall for 20 days thereafter fail to name by notice to the other party a person to act as its arbitrator, then the party giving such notice shall name the second arbitrator, and the two thus chosen shall select the third arbitrator.

SECTION 8.05. If the two arbitrators chosen as herein provided shall be unable to agree upon a third arbitrator within 20 days after their appointment (or if they were appointed on different days, then within 20 days after the appointment of the one last appointed), then such third arbitrator shall be named and selected

by the person who at the time shall be performing the duties of Chief Judge of the United States District Court for the Northern District of Illinois, Eastern Division, and application may be made upon two days' notice in writing to the parties hereto by either or both arbitrators to such Judge for such purpose.

SECTION 8.06. The Board of Arbitrators so chosen shall immediately proceed to hear and determine all matters submitted to them, after giving to each party hereto not less than five days' notice of the time and place of meeting; and at the time and place appointed, they shall proceed promptly to hear and dispose of the matters in dispute unless in their judgment the hearing should be adjourned to a later day or days, of which adjournment like notice shall be given unless notice is waived by both parties, in which case the hearing may proceed at any earlier day.

SECTION 8.07. The determination of such Board of Arbitrators acting by majority vote as to any matter so submitted to them shall be final and conclusive upon the parties hereto, and such parties shall abide by such decision and perform the conditions thereof as if the same were made a part hereof.

SECTION 8.08. All expenses connected with such arbitration, including a reasonable compensation to the arbitrators, shall be borne by the Company and shall be included in its operating expenses for purposes of billing hereunder.

ARTICLE IX. TERM

SECTION 9.01. The term of this agreement shall be for a period commencing July 1, 1949, and terminating June 30, 1981. Upon such termination the Company shall convey to the University all the Company's facilities, other than facilities comprising working capital, and all the Company's inventory of operating and maintenance materials and supplies and fuel, and upon such conveyance the University shall pay to the Company (a) all unpaid charges for service furnished hereunder including costs of discontinuing the business of the Company, (b) an amount equal to the cost of the Company's inventory of operating and maintenance materials and supplies and fuel, and (c) an amount equal to any redemption premium, including accrued interest, the Company is obligated to pay on indebtedness of the Company held by others than Commonwealth Edison Company.

SECTION 9.02. The University shall have the right to terminate this agreement and to have such facilities conveyed to it at any time prior to its regular termination upon six months' written notice to the Company upon payment to the Company, in addition to the amounts required to be paid under Section 9.01, of an amount equal to the Company's unamortized investment in all facilities other than facilities comprising working capital.

SECTION 9.03. The right of the University to have such facilities of the Company conveyed to it upon termination hereof under either Section 9.01 or 9.02 shall be subject to the prior discharge of any and all mortgage liens on such facilities, and the Company agrees, upon such termination and upon the making by the University of the payment required to be made by it, to deposit with the trustee or trustees under such mortgage lien or liens funds sufficient for the discharge thereof.

ARTICLE X. MISCELLANEOUS

SECTION 10.01. The Company shall not be liable to the University, or to others having contracts with the University pursuant to Section 3.02, for any loss or damage resulting from delay in delivery or non-delivery of all or any portion of the steam service to be furnished hereunder unless such delay or non-delivery occurs through the negligence or wilful default of the Company. The Company shall, however, in the event of any such delay or non-delivery, promptly take all reasonable steps to establish service or resume full service at the earliest practicable time.

SECTION 10.02. Subject to the provisions of Section 10.01, during the term hereof the Company shall indemnify the University against all claims for damages in favor of third persons arising from the construction, installation, relocation, removal, operation or maintenance of the Company's facilities; and the Company shall reimburse the University for all damages, costs, expenses and attorneys' fees that the University may be put to or incur in defending, or by reason of, any suit brought against it for such damages; provided, however, that all expenditures

made and costs incurred, including damages, by the Company with respect to any such claim, and all reimbursements of the University by the Company with respect to any such suit, shall be included in the Company's operating expenses for the purposes of billing hereunder unless the Company's outlays for such purposes shall have resulted from the negligence or wilful default of the Company. During the term hereof the University shall indemnify the Company against all claims for damages in favor of third persons arising from the construction, installation, relocation, removal, operation or maintenance of the University's facilities; and the University shall reimburse the Company for all damages, costs, expenses and attorneys' fees that the Company may be put to or incur in defending, or by reason of, any suit brought against it for such damages.

SECTION 10.03. Unless the party addressed shall otherwise consent in writing, each notice, request, demand or other communication required to be given or which may be given under any provision of this agreement shall be given in writing. Each such communication shall be addressed to such person or place as may be designated in writing from time to time by the party addressed. If no person or place has been designated with respect to a particular type of communication to the University, it shall be addressed to the person designated by the University under the provisions of Section 2.05. If no person or place has been designated with respect to a particular type of communication to the Company, it shall be addressed to the Company at 72 West Adams Street, Chicago, Illinois.

SECTION 10.04. This agreement is entered into, on behalf of the Company, subject to the consent and approval of Illinois Commerce Commission.

SECTION 10.05. All provisions and terms of this contract shall be subject to the provisions of Article 4, Section 18 of the Constitution of Illinois, 1870, and to Section 7 of an Act to provide for the organization and maintenance of the University of Illinois, approved February 28, 1867, as amended, the same being Section 28 of Chapter 144, of the Illinois Revised Statutes, 1947.

SECTION 10.06. This agreement is executed in duplicate, and shall inure to and be binding upon the respective successors and assigns of the Company and the University; provided, however, that neither party may assign this agreement without the prior written consent of the other party.

In Witness Whereof, Medical Center Steam Company has caused this agreement to be executed in its corporate name by its President, and its corporate seal to be hereunto affixed and attested by its Secretary, and The Board of Trustees of the University of Illinois has caused this agreement to be executed in its name by its Comptroller and its Secretary, and its corporate seal to be hereunto affixed by its Secretary, all as of the day and year first above written.

SENATE BILL 235. "An Act to amend Section 2 of 'An Act to provide for the ordinary and contingent expenses of the University of Illinois.'" (Approved by the Governor).

This is an adjustment in the appropriation made to the University for the biennium of 1947-1949 from the University Income Fund.

HOUSE BILL 826. "An Act to make a certain reappropriation to the University of Illinois." (Approved by the Governor).

Reappropriates $500,000 from the 1947-1949 building funds for the construction of the Betatron and associated equipment.

SENATE BILL 251. "An Act making appropriations for expenses incident to the operation of the Institute of Tuberculosis Research." (Approved by the Governor).

Appropriates $143,000 to the University of Illinois for the operation of the Institution for Tuberculosis Research.

SENATE BILL 249. "An Act authorizing and directing the Medical Center Commission to convey certain real property located in the City of Chicago, Illinois, to the Board of Trustees of the University of Illinois." (Approved by the Governor).

Authorizes and directs the Medical Center Commission to transfer to the Board of Trustees of the University the title to the Institution for Tuberculosis Research property in Chicago.

SENATE BILL 250. "An Act to amend Section 2 of 'An Act to provide for the establishment of an Institution for Tuberculosis Research, to prescribe the powers and duties of various public bodies in relation thereto, and to make appropriations in connection therewith.'" (Approved by the Governor).

Transfers the management and control of the Institution for Tuberculosis Research to the Board of Trustees of the University. The management of the Institution heretofore has been carried on jointly by the Municipal Tuberculosis Sanitarium and the University.

Other Legislation

SENATE BILL 80. "An Act to amend Section 125 of the 'Illinois Insurance Code.'" (Approved by the Governor).

Permits domestic insurance companies to invest funds in University of Illinois revenue bonds.

SENATE BILL 276. "An Act to amend Section 7 of 'An Act to provide for the organization and maintenance of the University of Illinois.'" (Approved by the Governor).

Authorizes the Board of Trustees to make payments to local governments in lieu of real estate taxes on certain University properties.

SENATE BILL 323. "An Act to amend Sections 5, 8, 8½, and 23 of 'An Act in relation to State finance.'" (Approved by the Governor).

Amends the State Finance Act to eliminate special funds including the old University of Illinois Fund, formerly known as the "Mill Tax Fund." (This should not be confused with the University Income Fund.) The University formerly derived part of its revenues from the mill tax, a tax on real and personal property. The Act of 1933 establishing the Retailers' Occupation Tax (Sales Tax) provides that revenues from this tax shall be paid into the funds previously established and maintained by revenues from property taxes. The elimination of the Mill Tax and other special funds by Senate Bill 323 is of no significance so far as revenues are concerned but it will simplify to some extent the business operations of the State government.

HOUSE BILL 421. "An Act to amend Section 36a of 'An Act to regulate the civil service of the State of Illinois.'" (Approved by the Governor).

Returns University of Illinois Civil Service to pre-World War basis by eliminating wartime regulations relating to certification; permits waiving of State residence requirement for technical positions.

HOUSE BILL 984. "An Act to amend the title and Sections 1, 2, 3, 4, and 5 of 'An Act in relation to the founding and operation of Research and Educational Hospitals of the State of Illinois.'" (Vetoed by the Governor).

Changes the name of "Research and Educational Hospitals" to "University of Illinois Hospitals."

SENATE BILL 210. "An Act to amend Section 3 of 'An Act to establish a surgical institution for children.'" (Vetoed by the Governor).

Requires the University of Illinois to provide education for children who are patients in the Illinois Surgical Institute for Children.

SENATE BILL 126. "An Act to amend Sections 30-9 and 30-10 of 'The School Code.'" (Approved by the Governor).

Provides that failure of a member of the General Assembly to make a nomination for a University of Illinois scholarship in any year will not cause that scholarship to lapse, but the member may make a nomination for such scholarship at any time before the expiration of his term.

SENATE BILL 288. "An Act to amend Sections 30-9 and 30-10 of 'The School Code.'" (Vetoed by the Governor).

Provides that each member of the General Assembly may award annually two University of Illinois scholarships instead of one.

SENATE BILL 497. "An Act to add Section 9a to 'An Act to regulate the civil service of the State of Illinois.'" (Approved by the Governor).

Provides that University of Illinois employees transferring to other civil service positions in Illinois will retain seniority rights.

SENATE BILL 561. "An Act to amend Sections 1, 4, 5, 6 and 8 of 'An Act to provide for reciprocal allowance of credits for retirement, death and disability benefits between the State Employees' Retirement System of Illinois, the University Retirement System of Illinois and the Teachers' Retirement System of the State of Illinois, and for the transfer of certain funds between said systems.'" (Approved by the Governor).

Provides reciprocity between State, University, and Teachers' Retirement funds.

SENATE BILL 545. "An Act to provide for the ordinary and contingent expenses of certain boards, commissions and agencies." (Vetoed in part by the Governor).

Includes an appropriation of $826,486 to the Board of Trustees of the University Retirement System of Illinois for necessary operating expenses and reserves of the Retirement System. Other funds are included in appropriations to participating institutions.

SENATE BILL 577. "An Act making an appropriation for Air Navigation Facilities." (Approved by the Governor).

Includes an appropriation of $3,278,000 to the State Department of Aeronautics for airport development. The University has been informed that the Department has planned to assign $50,000 of this appropriation for improvements in the University of Illinois Airport.

SENATE BILL 655. "An Act making reappropriations for certain additional ordinary, contingent and distributive expenses of State government." (Vetoed in part by the Governor).

An appropriation to the State Department of Public Health for the construction of a State Tuberculosis Hospital in Cook County which includes an item of $280,000 to be applied toward the construction of a central steam heating plant in the Medical Center District.

HOUSE BILL 745. "An Act making an additional appropriation to the Medical Center Commission for acquisition of land." (Approved by the Governor).

Appropriates $250,000 to the Medical Center Commission for land acquisition.

SENATE BILL 635. "An Act to regulate the supervision, accountability and control of all State owned properties, both real and personal, providing certain penalties and repealing an Act therein named." (Approved by the Governor).

Directs the State Auditor of Public Accounts to set up a system of inventory control which will make the executive officers of State departments and institutions (in the case of the University of Illinois, the President of the University) accountable to the Auditor for the supervision, control, and inventory of all State-owned property. Requires each responsible State officer to conduct a survey and report such survey under oath before disposal (including trade-ins) of State-owned property.

HOUSE BILL 400. "An Act to amend Sections 2.5, 2.10, 2.16, 4.1, 4.2, 5.1, 5.3, and 5.4 of 'An Act to provide for the creation, maintenance, and administration of a Retirement System for the benefit of the staff members and employees of the University of Illinois and of certain other State educational and scientific agencies.'" (Approved by the Governor).

Increases employee contributions to University Retirement System of Illinois from 3½ per cent to 5 per cent.

HOUSE BILL 226. "An Act to add Section 18-5.1 to 'The School Code.'" (Approved by the Governor).

Provides for the payment from State funds to school districts of the annual tuition cost of children attending public schools who live in houses on land owned

by the State from which no property tax revenues are derived by the school districts serving such children.

SENATE BILL 373. "An Act to amend Section 4 of 'An Act to regulate the practice of public accounting and to repeal certain Acts therein named.'" (Approved by the Governor).

Provides that public accountants applying for a certificate of Certified Public Accountant by special examination must have held certificates as public accountants and have had five years of experience in the State instead of ten years as heretofore required.

THE UNIVERSITY OF ILLINOIS BUDGET FOR 1949-1950

(Approved by the Board of Trustees July 28, 1949, page 491)

EXPLANATORY NOTES

Appropriations for Salaries are available for the term indicated in each case but not for more than one year from September 1, 1949.

When appointments are made at salary rates less than the amounts provided in the budget, the unused balance is lapsed at that time, resulting in a reduction in the budget.

Funds appropriated for positions in the salary budget which are not yet filled may, pending the appointment of someone to the position, be drawn against by time cards submitted to the Business Office for services of employees temporarily engaged to do the work contemplated by the position. Such temporary charges *may not exceed the amount of time provided* by the position unless indicated herein or otherwise approved by the President.

All unexpended balances remaining in the salary budget lapse at the close of each calendar month unless previously assigned or encumbered. Such lapses do not result in a reduction in the budget.

Departmental appropriations are made under the captions "Salaries," "Wages," and "Expense and Equipment." No transfers may be made between "Salaries" and "Expense and Equipment" except with the approval of the President of the University. Requests for such changes should be submitted to the Comptroller. Adjustments may be requested between "Salaries" and "Wages" and between "Wages" and "Expense and Equipment" upon notice to the Comptroller, stating the reason for such transfer.

Appropriations for "Expense and Equipment" and for "Wages" are available for one year beginning July 1, 1949, and ending June 30, 1950. All unexpended balances lapse June 30, 1950. The reappropriation of funds will be considered only in special situations.

The services required for members of the academic and administrative staff are in accordance with "Terms of Employment" adopted by the Board of Trustees on January 8, 1948.

a. For those positions indicated entirely as "Y", or for that portion of time indicated as "Y", services are required for the full year of twelve months, with allowance of one month for vacation. No additional compensation is allowed for summer session services for any salary or portion of salary indicated as "Y".

b. For those positions in the academic budget not indicated as "Y", or for that portion of time not indicated as "Y", services are required only during the regular academic year of two semesters (three terms in the Chicago Professional Colleges). If teaching is required during the Summer Session, it will be covered by an additional appointment with salary.

The services required for members of the nonacademic staff are for a full year of twelve months, with allowance for vacation, in accordance with civil service regulations. Salaries are paid in twelve equal monthly installments and positions are indicated as "H".

Symbols

A — Indefinite tenure, payable in twelve monthly installments.
B — Two years from September 1, 1949, payable in twelve monthly installments.
D — One year from September 1, 1949, payable in twelve monthly installments.
E — The academic year 1949-1950, payable in ten installments of which the first and last shall be half installments and the other eight full installments equal to one-ninth of the annual salary.
G — Special tenure as described.
H — In accordance with civil service regulations, beginning July 1, 1949.
Y — When following A, B, D, or G, indicates that services are required throughout the year, except for allowable vacation, without additional compensation.

Part-time

When any of the above symbols is combined with a number, the number indicates the fraction of time in per cent covered by the position.
