On motion of Mr. Johnston, these amendments were adopted by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Nickell, Mr. Stevenson.

REVISION OF RULES RELATING TO INDIRECT COSTS ON RESEARCH CONTRACTS

(9) On September 26, 1947, the Board adopted a policy relating to research contracts with particular reference to indirect costs and patents (Minutes, pages 512 and 833). The increase in number and scope of such projects requires revision of this policy. The Provost and the Comptroller recommend the following statement to replace the present policy.

I recommend approval.

Budget Procedure Relating to Sponsored Research

(Being a revision of Part VI of Policy Relating to Research Contracts, Edition of August 5, 1947)

When any research proposal to be sponsored by an agency outside of the University has reached the stage of formal negotiation, the University staff member involved shall prepare a budget for all estimated costs of such investigation including the following:

(a) Direct costs, which normally include compensation for personal services, materials, supplies, equipment, communication, travel, and other expenses directly made as a result of the operation of the contract. These should include employer contributions to the University Retirement System of Illinois for retirement, disability, and death benefits, for all salaries of participants in the System paid from contract funds. To provide for losses under the Workmen's Compensation Act, 1½ per cent of all payments for personal services from contract funds should be entered as direct costs. This percentage may be increased upon agreement with the sponsor, if unusual hazards are involved, or it may be waived if the sponsor agrees to indemnify the University for any such losses incurred
as a result of the operation of the investigation, or if such liability is otherwise covered. The rate may also be reduced if justified by experience. The sums thus accumulated will be carried in a reserve account from which such claims will be paid.

(b) Indirect costs, which consist of general college and departmental administrative costs, physical plant operating costs, and use of departmental, college, and general University facilities.

This budget shall be approved by appropriate administrative personnel, including the Business Office.

To protect the general interests of the University as well as the interests of the department concerned, the amount budgeted for indirect costs in any such proposed project shall be reviewed and approved by a committee consisting of (a) the Chairman of the Research Board, or his delegate, who in Chicago shall be the Vice-President in charge of the Professional Colleges, (b) a representative of the appropriate research agency or the department carrying on the project, and (c) a representative of the Business Office. When the aggregate sum received from a private individual, corporate body, foundation, or the Federal Government for sponsored research during any fiscal year shall be less than $5,000, such review shall not be required.

In determining the amount to be budgeted for indirect costs, the Committee shall give consideration to the respective benefits which will be received from the investigation by the sponsor, by the University, and by the Public. The projects will vary from those which are mainly for the benefit of the sponsor to those which are directly supplemental to University research programs and interests, and which provide funds for desirable expenditures which the University otherwise might not be able to make.

When the budget provides for full recovery of all indirect costs, the following distribution of such funds is to be made:

a. 40 per cent to a reserve which will periodically lapse to general University income. Special administrative or physical plant costs which result from such research activities may be charged directly to this reserve.

b. 30 per cent to a reserve fund to be allocated by the University Research Board for research purposes.

c. 30 per cent to the University department conducting the investigation.

In those cases where less than total reimbursement of indirect costs is authorized by the Committee, then all sums received for this purpose shall first be applied to the general University allocation under "a" above. After the full 40 per cent provided has been realized, any balance shall then be applied to "b" above, and after such 30 per cent has been realized, any remaining balance will be applied to "c".

In certain cases, on projects where unusual demands are made upon University facilities, or substantial capital installations are required to service the project, or in other instances where full use of University facilities is not required, the Committee is authorized to revise the percentage allocation provided above.

On motion of Mrs. Holt, these changes were approved.

REPORT ON LITIGATION IN THE CASE OF VIRGINIA A. KENNY VS. THE BOARD OF TRUSTEES

(10) In June, 1948, Miss Virginia A. Kenny, a nonacademic employee in medical social service work in the Research and Educational Hospitals, instituted legal proceedings in the Superior Court of Cook County to obtain a writ of mandamus to compel the Board of Trustees to place her in the position of Head of the Social Service Department of the Research and Educational Hospitals. Miss Kenny had then been on the staff, in a civil service position, since September 1, 1941, and up to 1945 was the only medical social worker employed in the Hospitals. Subsequently other medical social workers were employed in the same civil service classification as Miss Kenny.

The Board of Trustees had created the position "Director of Social Service" pursuant to a plan for the reorganization and expansion of social service functions, including provisions for the professional training of medical social service
workers, at the Research and Educational Hospitals. The duties and responsibilities of this position are primarily academic in nature. In December, 1947, Miss Marian Russell was appointed Director of Social Service. Miss Kenny claimed that under the civil service law of Illinois, she was entitled to the position and that for her the appointment of Miss Russell was a demotion.

The Judge of the Superior Court held that she was entitled to the position under the civil service law of Illinois and ordered the writ to issue. Upon appeal from that decision to the Appellate Court, the latter held that the position is different from the one which Miss Kenny had held, that she was not entitled to it under the civil service law, and that the Superior Court had erred. Accordingly, the Appellate Court reversed the decision of the Superior Court. This constituted a final decision by the Appellate Court.

Miss Kenny then sought a review by the Supreme Court. The proceeding is not one which would entitle her to appeal to the Supreme Court as a matter of right, and it was necessary for her to file a petition asking leave of the Supreme Court to appeal from the Appellate Court’s decision. The Supreme Court of Illinois has denied this petition. No notice of intention to petition for a rehearing has been filed within the time limit allowed. Hence, the case may be regarded as closed.

By authority of the Board of Trustees the University has been represented in the proceedings from the beginning by Richard M. Keck of the firm of Snyder, Chadwell, and Fagerburg, 135 South LaSalle Street, Chicago, as special counsel. This firm has submitted an itemized statement of $5,910 for legal services from November 1, 1949, to date and of $296.20 for expenses incurred in work on the case during this two-year period, the total due being $6,206.20. The fees charged are on a per hour basis for the services of Mr. Keck and on a per diem basis for the services of an associate according to rates agreed upon by former Legal Counsel Professor W. E. Britton and Mr. Keck when the latter was engaged. Professor Britton regards the charge made for services as proper and reasonable. Professor Ralph Lesemann, the Legal Counsel, has reviewed the work done in the preparation of this case for appeal by the University and in answering the petition of the plaintiff to the Supreme Court, and concurs in recommending payment of the charges.

I recommend that the Board authorize a payment of $6,206.20 to Snyder, Chadwell, and Fagerburg for services and reimbursement for expenses in this case since November 1, 1949, and that the appropriation be made from the General Reserve Fund.

On motion of Mr. Herrick, this payment was authorized and an appropriation of $6,206.20 was made from the General Reserve Fund for this purpose by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Nickell, Mr. Stevenson.

PATENTABLE DISCOVERIES

The University Patent Committee submits the following reports and recommendations relating to potentially patentable discoveries:

1. A new method for packaging ice cream, developed by Professor Paul H. Tracy of the Department of Dairy Technology and Dr. John J. Sheuring during the course of the latter's thesis study under Dr. Tracy's direction. This method may have commercial possibilities in preventing shrinkage in ice cream and the discoverers wish to apply for a patent proceeding under their own responsibility. A memorandum explaining this invention in detail is filed with the Secretary of the Board for record.

The University Patent Committee has examined this proposal and recommends that the discovery be released to the inventors to develop as they choose. Their idea calls for metal ice cream containers; it may or may not be patentable. In the opinion of the University Patent Committee, even if a patent could be obtained, the commercial possibilities are not particularly attractive since the recent trend in the dairy industry has been to get away from returnable containers that require deposits, sterilization, and extra handling.
2. A physicochemical method of bonding a metal to a ceramic. Professor J. D. Ryder, Head of the Department of Electrical Engineering, reports the discovery of a physicochemical method of bonding invented by Floyd Dunn, Research Assistant, and Roger P. Wellinger, Research Assistant Professor, with the assistance of William J. Fry and Erwin K. Weise, Research Assistant Professors. A description of this method is filed with the Secretary of the Board for record.

The University Patent Committee is of the opinion that any claims which might be made for this discovery would be narrow in scope and the chances of remunerative benefits small. The Committee, therefore, recommends that parties to the invention as claimed by Floyd Dunn et al. be released to them to develop by their own resources if they so desire.

3. A nuclear resonance detector, an instrument for the precise measurement and control of magnetic fields, developed by Dr. E. L. Hahn, who was Research Associate in the Department of Physics from 1946 to July, 1950, was reported to the Board of Trustees on September 29, 1950, with the recommendation that if this device were found to be patentable and of sufficient commercial value to justify the expense of securing a patent, an application for the same be authorized. Accordingly, the matter was referred to the University of Illinois Foundation for prosecution of a search. Investigation disclosed that a patent might be obtained and an application was filed.

It has now been found that a fundamental patent on this device had previously been established by Messrs. F. Bloch and the late W. Hansen, both of Stanford University. It appears that the best that could be hoped for from this discovery would be an improvement patent. This would have little commercial value unless a license were first negotiated with the holder of the basic patent. Dr. Hahn, who is now at Stanford University, asks that rights to the discovery be released to him. The University Patent Committee is of the opinion that the Foundation should not be asked to spend additional money in this matter. It recommends that the invention be released to Dr. Hahn, subject to his reimbursement of the Foundation for the costs of patent application incurred to date. If Dr. Hahn chooses not to reimburse the Foundation, the University will then reserve all rights to any patent which may be issued.

I concur in the recommendations above.

On motion of Mr. Johnston, these discoveries were released, as recommended.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(12) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

1. Construction of building to house small animals, Animal Genetics, College of Agriculture. .............................................. $8,500
2. Air conditioning two rooms in the Natural History Building, Department of Botany ............................................. 15,700
3. String and wind instruments for the School of Music ................ 10,000
4. Microscopes for the Biological Sciences Division at the Chicago Undergraduate Division .............................................. 4,673

Total ........................................................ $38,873

I recommend that these appropriations be made from the General Reserve Fund.

On motion of Mr. Grange, these appropriations were made by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Nickell, Mr. Stevenson.

CONTRACT FOR AIR CONDITIONING INSTALLATIONS IN NATURAL HISTORY BUILDING

(13) The Committee on Nonrecurring Appropriations is recommending an appropriation for air conditioning of two rooms in the Natural History Building.
to provide the necessary temperature and humidity control for research on fungi and other microorganisms.

The Director of the Physical Plant and the Comptroller recommend the award of a contract for $6,890 to F. R. Inskip and Company, Champaign, the lowest bidder, for the ventilation and refrigeration installations, subject to the approval of the appropriation separately recommended.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Herrick, this contract was authorized.

**CONTRACT FOR CONSTRUCTION OF SMALL ANIMAL BUILDING FOR WORK IN GENETICS**

(14) The Committee on Nonrecurring Appropriations is recommending an appropriation for the construction of a small animal house to replace the one which must be removed to provide space for the construction of an Agricultural Engineering Building.

The Director of the Physical Plant and the Comptroller recommend that the general work on the construction of this building be done under the terms of the cost-plus remodeling contracts authorized by the Board of Trustees on July 25, 1951, with Clyde E. Gates, Champaign. By authorizing this work under the cost-plus arrangement, the cost of and time required for preparing complete plans and specifications will be eliminated. Estimated cost of the general work is $6,800.

I concur and recommend that the Comptroller be authorized to execute a change order in the contract with Clyde E. Gates to cover this additional work.

On motion of Mrs. Holt, this contract change was authorized.

**CONTRACT FOR REMODELING AT THE CHICAGO UNDERGRADUATE DIVISION TO PROVIDE QUARTERS FOR THE RESERVE OFFICERS TRAINING CORPS PROGRAM**

(15) The Director of the Physical Plant Department and the Comptroller recommend award of a contract for $9,983 to the Forester Construction Company (Division of B & F Engineering Company), Chicago, the lowest bidder, for remodeling needed to provide additional facilities for the expanding R.O.T.C. program at the Chicago Undergraduate Division.

Funds are available in an appropriation made for this purpose by the Board of Trustees on September 10, 1951.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Holt, this contract was authorized.

**RENTAL OF ROOMS FOR UNIVERSITY NURSES IN PRESBYTERIAN HOSPITAL NURSES HOME**

(16) The University does not have enough housing for nurses and student nurses at the Chicago Professional Colleges. It has been impossible to secure the number of nurses needed due to the lack of housing. Presbyterian Hospital will rent rooms to the University at a rate of $30 per month each. Presbyterian Hospital can make available now fifteen rooms and may be able to increase this to as many as twenty-five rooms later. It is proposed to house student nurses at the Illinois Neuropsychiatric Institute School of Nursing in such rented rooms. Funds are available in the budget of the Illinois Neuropsychiatric Institute for payment of rent.

This plan is approved by the Vice-President in charge of the Chicago Professional Colleges.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute an agreement with Presbyterian Hospital for the rental of fifteen rooms to be made available from November 1, 1951, to June 30, 1952, with authority to increase the commitment to twenty-five rooms if Presbyterian Hospital can make them available.

On motion of Mr. Megran, authority was granted, as recommended.
CONTRACT FOR EYE GLASSES PRESCRIBED AT THE ILLINOIS EYE AND EAR INFIRMARY

The Vice-President in charge of the Chicago Professional Colleges and the Comptroller recommend award of a contract to the American Optical Company, Chicago, for the supplying of optical goods, services, and repairs on optical goods for resale to outpatients of the Illinois Eye and Ear Infirmary.

The Illinois Eye and Ear Infirmary is operated jointly by the University of Illinois and the Department of Public Welfare under an agreement previously approved by the Board of Trustees. Until this year, collections from patients for eye glasses were handled by the Department of Public Welfare. The Department of Public Welfare had a contract with the American Optical Company to furnish the necessary optical goods.

The Head of the Department of Ophthalmology, with the approval of the Dean of the College of Medicine, has worked out a plan whereby the fitting and dispensing of eye glasses to patients, including collections from patients, can be taken over by the University to integrate such dispensing and fitting into the teaching function in the Infirmary which is the responsibility of the University.

Negotiations have been carried on with the two principal manufacturers: the American Optical Company, Chicago, and Bausch and Lomb Optical Company, Chicago. Negotiations were also undertaken with a group of retail optical houses but were terminated when these retail houses indicated that they could not compete with the manufacturers who supply them with the products.

Both the American Optical Company and the Bausch and Lomb Company have offered to supply optical goods to the University at the same discounts, 25 per cent off list price except for certain types of bifocal prescriptions on which the discount would be 15 per cent. Since the prices quoted are identical, and the American Optical Company is familiar with the procedures at the Illinois Eye and Ear Infirmary, it is recommended that a contract be entered into with this Company for the balance of the fiscal year 1951-1952 under which the University will purchase the materials to be supplied to patients. Payments to the American Optical Company will come from charges made to patients for the optical goods which will include a sufficient markup to cover the cost of fitting, dispensing, billing, and collecting. It is estimated that purchases will amount to $30,000 to $40,000 per year.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute a contract with the American Optical Company for the period from November 1, 1951, to June 30, 1952, for the purchase of eye glasses and optical appliances.

On motion of Mr. Megran, this contract was authorized.

ADDITION TO CONTRACT FOR ELECTRICAL WORK ON RESEARCH AND EDUCATIONAL HOSPITALS ADDITION

The Director of the Physical Plant Department and the Comptroller recommend an increase of $3,219.27 in the contract with the Wadsworth Electric Company, Chicago, for electrical work on the addition to the Research and Educational Hospitals. This change is necessary because:

1. Electrical cooking equipment has been redesigned by manufacturers in the interval between the time the building equipment was designed and the contract was awarded. Equipment now requires heavier feeders, branch circuits, and circuit breakers.

2. Provision should be made for future three-phase, 208-volt power outlets on laboratory furniture.

3. Final review by the Hospital administration suggests minor relocations of kitchen equipment and operating economies by having electric warming kitchens heated in the main kitchens and thus be prepared to serve patients without proceeding from the main kitchen to serving kitchens on each floor for warming.

Funds are available in the state appropriation for the construction of the addition to the Research and Educational Hospitals and have been released by the Governor.
This change has been approved by the Vice-President in charge of the Chicago Professional Colleges.
I concur and recommend that the Comptroller be authorized to execute this change in the contract.

On motion of Mr. Johnston, this contract change was authorized.

**ADDITION TO CONTRACT FOR HEATING AND REFRIGERATION INSTALLATIONS IN RESEARCH AND EDUCATIONAL HOSPITALS ADDITION**

The Director of the Physical Plant Department and the Comptroller recommend an increase of $5,866.93 in the contract with M. J. Corboy Company for heating and refrigeration installations in the addition to the Research and Educational Hospitals. This is to provide for additional operating room equipment which the Head of the Department of Surgery considers necessary for the safety of patients. The Vice-President in charge of the Chicago Professional Colleges has approved this addition.

Funds are available in the state appropriation for the construction of an addition to the Research and Educational Hospitals.
I concur and recommend that the Comptroller be authorized to execute this change in the contract.

On motion of Mr. Fornof, this contract change was authorized.

**GIFT OF MRS. ANTOINETTE F. BROWN FOR FELLOWSHIP IN CHEMICAL RESEARCH**

Mrs. Antoinette F. Brown of Chicago desires to establish an endowment fund, the income of which would provide for a fellowship in chemical research. She has made a contract with the Equitable Life Assurance Society, naming the University as beneficiary after her death for the proceeds of that contract. In case the proceeds do not amount to $30,000, she proposes to provide for the balance needed to endow the fellowship by direct bequest in her will.
She also desires a portion of the proceeds of the contract to be used for cancer research under Dr. A. C. Ivy.
The insurance contract can not include any stipulation as to the use of the proceeds. Mrs. Brown asks for assurance that the University will accept the insurance and any additional funds that she may provide, under certain conditions which she desires to apply.
The proposal has been reviewed by the Comptroller and the Head of the Department of Chemistry who recommend that the Board indicate its willingness to accept the fund under these conditions, and submit the following resolution which has been approved by the Legal Counsel and is acceptable to Mrs. Brown.
I concur and recommend approval.

**Resolution**

WHEREAS, Mrs. Antoinette F. Brown has informed the Board of Trustees that she has made a contract with the Equitable Life Assurance Society of the United States, in which she has named the Board of Trustees of the University of Illinois as a beneficiary after her death, and further, that it is her intention that the amount to be derived by the University from this contract shall be not less than $30,000, and that, it is her intention, if the amount is less than that sum to provide for a bequest to the University in her Will to make up any deficiency and assure a fund of $30,000; and
WHEREAS, it is the desire of Mrs. Brown that this fund be received for the purpose of establishing a permanent endowment fund, the income of which will be used in perpetuity for a Fellowship in Chemical Research and that said fund and fellowship be known as the Walter Burrows Brown Fellowship in Chemical Research; and
WHEREAS, it is the further desire of Mrs. Brown that a certain proportion of the residual value of the aforesaid insurance contract after her death be used by the Board of Trustees to aid in carrying on cancer research under the direction of Dr. A. C. Ivy in an amount not exceeding $1,500; and
WHEREAS, Mrs. Brown requests the Board of Trustees to indicate its assent
to these provisions and its willingness to accept this benefit and bequest if made available to it;

Now, Therefore, Be It Resolved By The Board of Trustees of the University of Illinois that it hereby records its willingness to accept and administer a principal fund estimated at $30,000, if made available to it either through an annuity contract or by provisions in the Will of Mrs. Antoinette Farren Brown, or through both; that, if received by it, such fund will be held by it in trust as a permanent endowment, the income only from the investment thereof to be used in perpetuity for a fellowship at the University of Illinois to be known as the Walter Burrows Brown Fellowship in Chemical Research; that said fund, if received, will be administered and invested by this Board, and in particular by Lloyd Morey as its Comptroller and his successors in that office; and that appointments to said fellowship, when so established, shall be made in conformity with the usual procedures established by this Board for such appointments; and

Be It Further Resolved that the said Board hereby records its willingness to receive and administer a fund in the estimated amount of $1,500, if made available to it, through an annuity contract, and cause the same to be expended for cancer research under the direction of Dr. Andrew C. Ivy, Vice-President of the Chicago Professional Colleges of the University of Illinois and distinguished Professor of Physiology, or his successor in office.

On motion of Mr. Herrick, this resolution was adopted.

† Deduct.
CONVEYANCE OF LAND BY MEDICAL CENTER COMMISSION

(23) The Medical Center Commission of Illinois has acquired land needed by the University of Illinois for the expansion of the Chicago Professional Colleges Campus. The Commission is prepared to convey this land to the University at a price of $100. Before approving the sale and the execution of the Deed of Conveyance, the Governor referred the matter to the Attorney General of Illinois and the latter requires adoption by the Board of Trustees of a resolution authorizing the purchase. Accordingly, the following resolution is offered.

Resolution

WHEREAS, the Medical Center Commission of the State of Illinois is the owner of the following described real property and is willing and has offered to sell the same to The Board of Trustees of the University of Illinois, a public corporation, hereinafter termed "University," for the sum of One Hundred Dollars ($100.00); and

WHEREAS the University needs and requires said property for various purposes in connection with the use and expansion of, and for parking facilities for, the Men's Residence Hall and the proposed Nursing School buildings situated, and to be situated, upon the campus of its Professional Colleges at Chicago; and

WHEREAS said price of One Hundred Dollars ($100.00) is a fair and reasonable price for, and does not exceed the fair cash market value of, said property; and

WHEREAS, University has funds available for the purchase of said property at said price from Medical Center Commission from funds originally appropriated by the Sixty-fifth General Assembly in Senate Bill 596 for the acquisition of land by University for its purposes during the biennium beginning July 1, 1949, which were not expended during that biennium and which were re-appropriated to University for said purpose by the Sixty-seventh General Assembly in House Bill 1095 for the biennium beginning July 1, 1951:

Now, Therefore, It Is Hereby Resolved, by The Board of Trustees of the University of Illinois that the following described real property be purchased by it at said price from Medical Center Commission and that said sum be paid from said funds to Medical Center Commission therefor upon the execution and delivery of a good and sufficient deed conveying said property from Medical Center Commission to The Board of Trustees of the University of Illinois.

Said real property to be so purchased and paid for is described as follows:

On motion of Mr. Herrick, this resolution was adopted by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Nickell, Mr. Stevenson.

At this point, Mr. Nickell took his place with the Board.

EXPANSION OF STUDENT RESIDENCE HALLS FACILITIES AT URBANA-CHAMPAIGN

(24) The Board of Trustees has authorized the expansion of student residence halls facilities at Urbana-Champaign including:
I. Construction of a dormitory type of permanent residence hall for 288 men and modernization of Busey Hall.
II. (a) Construction of a new unit to provide food service for 1000 men and housing for 96 men;
(b) Conversion of food service areas in the present men's halls into living quarters for 76 additional men;
(c) Modernization of Evans Hall;
(d) Refinancing of present bond issue on the Men's Residence Halls.

Contracts for Phase I were awarded and this work is under way. The estimated cost of the entire project (I and II) was $1,702,800. The Board has allocated $250,000 for construction plus $42,000 for preparation of plans for Phase II. The balance of the funds needed would be secured by a revenue bond issue.

Bids received on Phase II indicate a total cost of $2,312,600. The increase over the estimate is due (a) in part to an architectural error in the original estimate of floor area and cubage on which financial estimates were based; (b) in part to a major increase in the size of the project after estimates had been prepared, a decision made by the architects without consulting the University; and (c) in part to an increase in construction costs.
Various alternatives have been studied by the Physical Plant Department and the Housing Division and their conclusion is that the most desirable procedure is to go on with the project with these modifications:

(a) Reduction of construction costs by acceptance of alternates provided for in the plans and specifications to bring the total cost down to $2,237,000. The architects are negotiating with the contractors who are the lowest bidders to determine what can be done.

(b) Provision of food service for 1,100 men instead of 1,000, and increasing housing capacity by 97 instead of by 76 in the present halls and by 106 instead of by 96 in the new unit.

(c) Extension of the financing period to run approximately forty years. The initial bond issue would be for a shorter period so that this would require refinancing of a substantial amount upon final maturity of the original issue.

Subject to a favorable report on the financial program herein proposed and to securing federal government approval to proceed with construction and issuance of bonds, the Director of the Physical Plant and the Comptroller recommend:

(a) Approval of the project at a revised estimated total cost of $2,237,000.

(b) Authorization of the Executive Committee to act for the Board on the award of contracts to lowest bidders at figures negotiated through acceptances of alternates to reduce construction costs.

(c) Authorization of the Comptroller to secure bids on revenue bonds and to report the same to the Board.

(d) Employment of Chapman and Cutler, Chicago, as attorneys for the bond issue.

I concur in these recommendations, and I recommend further that the Comptroller be requested to negotiate with the architects to eliminate extra costs and charges for additional architectural services required as a result of the changes made by them in departing from the original basic plan without the approval of University officials.

On motion of Mr. Fornof, these recommendations were approved by the following vote: Aye, Mr. Fornof, Mr. Grange, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, Mr. Herrick; absent, Mr. Hickman, Mr. Stevenson.

BIDS ON EAST DENTISTRY-MEDICINE-PHARMACY BUILDING

(25) The Sixty-seventh General Assembly of Illinois appropriated $5,540,000 to the University for the construction of the East Dentistry-Medicine-Pharmacy Building and for equipment for the same. This is $800,000 less than the $6,340,000 requested by the University in its original askings.

Bids have been received on the principal items of construction. Based on these bids and allowing for other necessary costs the total cost is estimated at $8,723,929. This includes $1,246,765 for areas and facilities which are related to the reduction of 3,000.

Various alternatives have been studied to keep the total cost within the amount appropriated. It is essential under the terms of the appropriation act that use of the funds produces a finished, usable building. It is obviously impossible to build a structure of the capacity originally contemplated with the money available.

One of the major objectives of the building is to accommodate an increase in the enrollment of the Chicago Professional Colleges. Discussion with the Illinois Budgetary Commission and with Committees of the General Assembly pointed to increasing the first-year classes in the College of Medicine by 34 students, in the College of Dentistry by 20, and in the College of Pharmacy by 75, plus students in nursing and additional graduate students in all colleges.

An adjustment in these enrollment estimates is unavoidable in view of the increased cost of construction. The Vice-President in charge of the Chicago Professional Colleges, with the concurrence of the Deans of these Colleges,
proposes revising the increases in enrollment in the first-year classes as follows: Medicine, 24; Dentistry, 20; Pharmacy, 50.

These increases will ultimately result in total enrollments approximately as follows:

<table>
<thead>
<tr>
<th>College</th>
<th>Number per class</th>
<th>Total enrollment</th>
</tr>
</thead>
<tbody>
<tr>
<td>Medicine</td>
<td>190</td>
<td>760</td>
</tr>
<tr>
<td>Dentistry</td>
<td>90</td>
<td>360</td>
</tr>
<tr>
<td>Pharmacy</td>
<td>175</td>
<td>700</td>
</tr>
<tr>
<td><strong>Totals</strong></td>
<td><strong>455</strong></td>
<td><strong>1,820</strong></td>
</tr>
</tbody>
</table>

This would mean a total increase of 356 in all colleges, instead of 516 as originally contemplated, plus any nursing and graduate students that can be accommodated.

The architects, Pace Associates, the Vice-President in charge of the Chicago Professional Colleges with the concurrence of the Deans of the Colleges, the Director of the Physical Plant, and the Comptroller recommend that:

1. All present bids be rejected.
2. New bids be requested on a reduced program of construction with the object of completion within the present appropriation.
3. Bids be taken on both (a) fixed price basis, and (b) cost plus a fixed fee with a guaranteed maximum, any savings below this maximum to be divided equally between the contractors and the University.

I recommend approval.

On motion of Mr. Grange, these recommendations were approved.

ADDITIONAL FUNDS FOR EAST DENTISTRY-MEDICINE-PHARMACY BUILDING

(26) President Stoddard stated that since the appropriation requested for this building was reduced by $800,000, this amount may well be considered an item of very high priority in requests for capital improvements for 1953-1955. Also, in order to provide for the minimum increases in enrollment contemplated, an appropriation, originally estimated at $500,000, will be necessary to remodel present quarters to be vacated by the College of Pharmacy for use by the Colleges of Medicine and Dentistry.

It should be recognized that in addition to the $800,000, funds presently estimated at $2,383,929 will at some time be needed to complete the building in accordance with the original plans. This item will receive future consideration along with other capital needs of the entire University.

On motion of Mrs. Watkins, this statement was received for record.

APPOINTMENT OF DEAN OF THE COLLEGE OF COMMERCE AND BUSINESS ADMINISTRATION

(27) On the unanimous advice of the Executive Committee of the College of Commerce and Business Administration, with the President's special committee concurring, I recommend the appointment of Dr. Paul M. Green, a former member of the faculty, as Dean of the College of Commerce and Business Administration and as Professor of Management, at a salary of $16,000 per year, effective on a date mutually agreeable to Dr. Green and the President of the University, but not later than February 1, 1952. Dr. Green is recommended unreservedly by all University officials concerned in this appointment and by the leaders in industry and government with whom he has been associated.

The appointment as Dean is recommended for two years, in conformity with the University of Illinois Statutes, and as Professor is to be on indefinite tenure, both appointments to be on a "Y" basis.

In the opinion of all parties to this recommendation, Dr. Green will maintain and develop the highest standards in all departments of the College and he may count on full support.

A detailed outline of Dr. Green's career was presented by President Stoddard.

On motion of Mr. Johnston, this appointment was approved.
APPOINTMENT OF HEAD OF THE DEPARTMENT OF PHYSICAL MEDICINE AND REHABILITATION

The Dean of the College of Medicine and the Vice-President in charge of the Chicago Professional Colleges recommend the appointment of Dr. Frances A. Hellebrandt of the Medical College of Virginia as Professor of Physical Medicine and Head of the Department of Physical Medicine and Rehabilitation in the College of Medicine and Chief of Physical Medicine and Rehabilitation for the Research and Educational Hospitals on indefinite tenure beginning December 1, 1951, and at an annual salary of $10,000 per year (AY basis).

This appointment is to replace Dr. H. W. Kendell who has resigned to become Head of the Rehabilitation Service in Peoria.

I concur.

On motion of Mr. Grange, this appointment was approved.

GIFT OF MR. AND MRS. MERLE J. TREES

Mr. and Mrs. Merle J. Trees have requested that the gift of the painting by Ruisdael accepted by the Board of Trustees on January 23, 1951, be cancelled. It is their intention to include this painting among other gifts to be offered at a future time.

On motion of Mr. Fornof, the action of the Board of Trustees at its meeting on January 23, 1951, minutes page 529, was reconsidered and the acceptance of a painting "Wooded Landscape With Water" by Ruisdael, appraised value $11,000, was cancelled.

This concluded the consideration of business presented by the President of the University.

COOPERATION WITH UNIVERSITY CIVIL SERVICE SYSTEM

Mr. Grange, Chairman of the Committee on Nonacademic Personnel, presented the following:

The Sixty-seventh General Assembly of Illinois enacted (House Bill 831, approved July 11, 1951) "The University Civil Service System of Illinois," to replace the existing University of Illinois Civil Service and to include also the other state-supported institutions of higher education, the University Retirement System of Illinois, the Teachers College Board and the new System itself. It will cover all nonacademic employees in these several institutions and agencies. The Act takes effect January 1, 1952.

The System is to be administered by the "University Civil Service Merit Board," made up of three members of the Board of Trustees, one of the Teachers College Board, and one of the Southern Illinois University Board, all elected by their respective Boards.

The Merit Board does not have a specific appropriation for the current biennium. This was not feasible because the Board was not established until the new Act was approved, which was after the General Assembly had adjourned. The several institutions concerned have agreed that they will all contribute to a budget for the Merit Board for the current biennium in approximate proportion to services provided them. The University has about 90 per cent of the employees involved. Hence, its contribution will be the largest (approximately 60 per cent) and is provided for in the current year's budget of the Office of Nonacademic Personnel. The members of the Merit Board have now all been appointed, and the Board plans to organize in the near future.

All matters concerning the operation of the new System are in the hands of the Merit Board. It would be entirely logical and practical, and of material advantage to the University of Illinois, to have the office of the System located at Urbana-Champaign. It would also be feasible, if the Merit Board so desires, that the University's Director of Nonacademic Personnel serve as Director of the System. In view of the advantages to the University of such arrangements, the University might well provide space for the offices of the System rent free and pay the salary of the Director, if the Director of Nonacademic Personnel of
the University is appointed to that position. A similar plan was set up for the University Retirement System of Illinois and has proved very satisfactory.

On motion of Mr. Grange, the Board of Trustees authorized the offer of these facilities to the Merit Board and approved the plan as recommended.

BUSINESS REFERRED TO COMMITTEE ON GENERAL POLICY

President Livingston stated that he was referring to the Committee on General Policy for its consideration and advice to the Board two letters he had received; one from Mrs. Eunice Cunningham Creamer, Champaign, Illinois, concerning the operation of the Illini Union Bookstore, and the other from Mr. Harley H. Harmon, Urbana, Illinois, concerning the exemption of certain University properties in Urbana from local real estate taxes. These letters were turned over to Mr. Johnston, Chairman of the Committee.

PATENT OF IMPROVEMENT IN COAL COKE AND BURNING MAGAZINE STOVES

The Secretary reported that he has received the original U. S. Letters Patent No. 2564713, issued August 21, 1951, to the Board of Trustees of the University of Illinois by assignment from Associate Professor John C. Miles of the Department of Mechanical Engineering.

SECRETARY'S REPORTS

The Secretary presented for record the following lists: (1) appointments made by the President; (2) fellows; (3) resignations, declinations, cancellations, and terminations; (4) leaves of absence; (5) degrees conferred October 15, 1951.

NOVEMBER MEETING

On motion of Mrs. Watkins, seconded by Mr. Nickell, the Board voted to hold its next meeting on Friday, November 23, 1951, beginning at 3:00 p.m., in the LaSalle Hotel, Chicago, Illinois.

On motion of Mr. Grange, the Board adjourned.

A. J. JANATA
   Secretary

PARK LIVINGSTON
   President
This Page Intentionally Left Blank
The November meeting of the Board of Trustees of the University of Illinois was held in the LaSalle Hotel, Chicago, Illinois, on Friday, November 23, 1951, beginning at 3:00 p.m.

The following members of the Board were present: President Livingston, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Megran, Mr. Nickell, and Mrs. Watkins.

Also present were President George D. Stoddard, Provost Coleman R. Griffith, Vice-President A. C. Ivy, Mr. Ralph F. Lesemann, Legal Counsel, Mr. J. F. Wright, Director of Public Information, Mr. R. B. Hudson, Director of University Broadcasting, Mr. Lloyd Morey, Comptroller, Mr. C. W. Weldon, Treasurer, and Mr. A. J. Janata, Secretary of the Board.

MINUTES APPROVED
The Secretary presented the minutes of the meetings of July 25 and September 19, 1951, press proof copies of which had been sent to all members of the Board in advance of this meeting.

On motion of Mr. Johnston, these minutes were approved as printed on pages 833 to 1252, inclusive.
REPORT OF THE EXECUTIVE COMMITTEE

The Executive Committee of the Board of Trustees submits a report of its transactions at a meeting on November 2, 1951.

On call of the Chairman, a meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at 12:00 noon, on Friday, November 2, 1951, at the Electric Club of Chicago, 20 North Wacker Drive, Chicago.

Mr. Park Livingston, Chairman, and Mr. H. B. Megran, member of the Executive Committee, were present; also Messrs. C. S. Havens, Director of the Physical Plant, and Mr. Lloyd Morey, Comptroller, who acted as Clerk.

The Comptroller presented the following recommendations for President Stoddard:

Expansion of Men's Residence Halls Facilities

On October 23, 1951, the Board of Trustees approved a program for the expansion of residence halls facilities on the Urbana campus, and authorized the Executive Committee to award contracts for Phase II of the project to lowest bidders at figures negotiated through acceptance of alternates to reduce construction costs, subject to a favorable report on financing.

The total cost of the project has been reduced from $2,312,600 to $2,042,000. The reduction has been accomplished by the acceptance of alternates in construction, charging of interest on the loan during construction to the earnings of Busey and Evans and Men's residence halls in operation during this period, and charging some equipment needed in the program to accumulated earnings of the residence halls.

The Board of Trustees has previously appropriated $292,000 for this project. The remaining amount necessary, $1,750,000, must be borrowed by the issuance of bonds. Such bonds can not be sold, however, until late in January for delivery on March 1, 1952, since the date of delivery must coincide with the date on which the present bonds outstanding on the Men's Residence Hall can be refunded. The Comptroller has explored the bond market and reports that the bonds are marketable now on a satisfactory basis and that there is every reason to believe that they will be marketable in January, 1952, unless there is a major change in the market.

The Director of the Physical Plant and the Comptroller recommend that contracts be awarded to the following contractors in the various divisions for Phase II. Each contractor recommended is the lowest bidder in his division and the contract is for the negotiated amount after allowances for acceptance of alternates. It is recommended that the contracts be awarded subject to (a) receipt of authority to proceed with construction, (b) receipt of authority from the Voluntary Credit Restraint Committee to issue bonds, and (c) provision in every instance possible in the contracts that, in the event the sale of bonds is not feasible, the construction may be stopped and the University's liability will be restricted to reimbursement of contractor's expenditures and commitments.

General work — John Felmley Company, Champaign .................. $575 875
Heating, ventilating, plumbing, drainage, and fire protection — E. M. Hays Plumbing and Heating Company, Champaign .................. 177 108
Electrical work — Brunkow Electric Company, Champaign (including $2,150 for electrical work in present building not covered by original bid) ........................................ 53 015
Elevator work — Gallaher & Speck, Chicago .................. 6 500
Dumbwaiter installation — Elevator Manufacturing Company, Chicago .. 7 252
Refrigeration work — R. H. Bishop & Company, Champaign ............ 7 996
Food service equipment — Stearnes Company, Chicago ................ 115 999

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contracts as recommended.

On motion of Mr. Megran, this program was approved and the contracts awarded as recommended.

The question of architectural services on this project, which the Board on October 23 referred to the Comptroller for further investigation and report, was left open for later consideration.
Purchases

The Director of Purchases has proposed and the Comptroller recommends the following purchases on the basis of the lowest bids.

I concur.

On motion of Mr. Herrick, these certificates were awarded.
HEARING COMMITTEE ON DISCHARGE OF ROBERT TAYLOR

(4) The Director of Nonacademic Personnel has submitted written charges for the discharge, effective November 1, 1951, of Robert Taylor, kitchen laborer in the Housing Division in Urbana-Champaign. Mr. Taylor was served with notice mailed on October 26, 1951. He has requested a formal hearing of these charges and is entitled to the same under the Civil Service Law and regulations. It is recommended that the Board of Trustees appoint a committee of the faculty to hear the charges and to make a recommendation to the Board.

On motion of Mrs. Holt, Messrs. John E. Cribbet, Associate Professor of Law, Horace M. Gray, Professor of Economics, and George W. Harper, Associate Professor of Mechanical Engineering and of Safety Education, were appointed as a hearing committee with Professor Cribbet as Chairman. This action was taken by the following vote: Aye, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Fornof, Mr. Stevenson.

REGULATIONS FOR THE ADMINISTRATION OF AN ACT TO REGULATE THE PRACTICE OF PUBLIC ACCOUNTING

(5) Since 1903, the University has been entrusted by state law with the responsibility of examining qualified applicants for certification as Certified Public Accountant and of issuing certificates to the successful candidates. In 1943, the General Assembly of Illinois enacted a law superseding the original Accountancy Act of 1903 and the Public Accounting Act of 1927 and providing for the issuance of certificates to three categories of candidates:

1. Applicants who meet certain educational requirements specified by law, and who have passed the standard examination in accounting theory and practice, auditing, commercial law, and in such other related subjects, if any, as the University may deem advisable. The examination shall take place as often as the University deems necessary but at least once a year.

The law specifies that for this examination the University shall appoint a Board of three examiners, two of them certified public accountants and the third an attorney skilled in commercial law. These examiners are appointed for three years, the terms being so staggered that one examiner is appointed annually.

2. Applicants who have held for at least five years certificates of registration as public accountants in Illinois issued by the Department of Registration and Education under the Public Accounting Act of 1927, who have been engaged in public accounting for at least five years, and who successfully pass a written or oral examination given by a special board of five examiners appointed by the University with the approval of the Department of Registration and Education. As specified in the law, this Board was appointed by the University with the approval of the Department of Registration and Education and includes two who were registered public accountants in Illinois when the Act of 1943 was passed, two who were registered public accountants and also certified public accountants at the date of passage of the Act, and one who received, or was entitled to receive, a certificate as certified public accountant without a second examination under a provision of the law permitting such certification of applicants who hold certificates of registration as public accountants earned by previously passing a written examination given by the Department of Registration and Education provided they exercised this option by qualifying within one year following the approval of the Act of 1943. This is Section 4 (b).

3. Applicants who hold certificates as certified public accountant issued under the laws of any other state or territory of the United States or District of Columbia provided that: (a) such certificate was issued on the basis of written examination; (b) the educational qualifications of the applicant are equivalent to the educational requirements of applicants for the Illinois certified public accountant examination; and (c) the applicant is a citizen of the United States or has declared his intention of becoming one and is of good moral character. Certificates may be issued to such applicants without examination.
On January 10, 1948, proceedings were instituted in the Circuit Court of Cook County challenging the constitutionality of Section 4 (b) of the Act of 1943 under which certificates were being issued to applicants in the second category described above. The gist of the complaint was the charge that the special board of five examiners was not directed by the statute to conduct examinations in accounting theory and practice, auditing, and commercial law with sufficient definiteness as to satisfy constitutional requirements of specific standards for examination. On March 21, 1951, the Circuit Court declared Section 4 (b) unconstitutional but sustained as constitutional all other sections of the law which had been attacked by the complainants. The plaintiffs appealed and this appeal is now pending in the Supreme Court of Illinois.

In the meantime, at the request of the Illinois Society of Certified Public Accountants and of the Public Accountants Association of Illinois, the Sixty-seventh General Assembly of Illinois enacted corrective legislation amending Section 4 (b) of the Act of 1943. The law now authorizes the University to issue new Certified Public Accountant certificates to all qualified applicants, including holders of certificates obtained under the unconstitutional section, upon proof satisfactory to the University that such applicants have passed an examination in accounting theory and practice, auditing, and commercial law given by a special Board of Examiners under the supervision of the University of Illinois. It is the opinion of counsel for the two professional organizations, the Attorney General of Illinois, and Professor William E. Britton, former Legal Counsel of the University of Illinois (who has been representing the University in this matter), that the amendment corrects the constitutional defects in Section 4 (b). Motion to dismiss the appeal from the Circuit Court of Cook County is now pending in the Supreme Court of Illinois.

The amendment of the Accountancy Act makes it necessary to revise the rules and regulations adopted by the Board of Trustees for admission of candidates to Certified Public Accountant examinations. Several new rules are required to carry out the statutory direction as well as changes in existing rules. Accordingly, the University Committee on Accountancy recommends adoption of the following set of rules and regulations and repeal of all existing rules and regulations heretofore adopted by the Board of Trustees. The content and form of the revised and new rules have been the subject of careful study by all parties. Representatives of both professional organizations, the Attorney General of Illinois, the Director of Registration and Education, and the Committee on Accountancy have all agreed on the rules as here proposed for the consideration of the Board of Trustees. The proposed rules recite "a determination" by the Board of Trustees and by the Director of Registration and Education that the special board of five examiners which heretofore has conducted examinations under Section 4 (b) is the special board of five examiners referred to in the 1951 amendment to the Accountancy Act of 1943. This recital has been approved by the Director of Registration and Education in a conference with the Committee on Accountancy of the University.

The 1951 amendment also made necessary changes in the language of C.P.A. certificates to be issued to the 133 holders of certificates heretofore issued under Section 4 (b) and to those candidates who subsequently pass examinations under the amended Section 4 (b). Copies of these revised forms are appended to the proposed rules and regulations. The language of the certificates has been approved by all parties concerned.

I recommend adoption of the revised rules, approval of the new certificates, and the repeal of all existing rules relating to these matters.

REGULATIONS ADOPTED BY THE BOARD OF TRUSTEES OF THE UNIVERSITY FOR ADMINISTERING THE ACCOUNTANCY ACT

The University Committee on Accountancy

1. The administrative functions of the University of Illinois under the Accountancy Act of 1943 as amended shall be performed by a Committee on Accountancy responsible to the President of the University. The Committee shall consist of the Director of Admissions and Records and two other members of the University staff, to be appointed by the President.
2. This Committee shall receive all applications for examinations under the Act, shall examine all evidence submitted by such applicants in support of their applications, and shall issue to approved applicants cards of admission to the examinations; and no candidate shall be examined who does not present to the appropriate Board of Examiners, at the time and place of examination as advertised, such card of admission, signed by the Director of Admissions and Records.

3. This Committee shall designate the times and places of all examinations under the Act, shall advertise the same according to the provisions of the law, and shall supervise the conduct of such examinations.

4. This Committee shall receive from the respective Boards of Examiners, hereinafter referred to, the questions to be used at all examinations and shall arrange for an adequate supply of these examination questions to be delivered to the examining Boards in time for use at the examinations as advertised.

5. The Committee shall receive the reports of the grades of all candidates who have taken the examinations under this Act from the respective Boards of Examiners and shall certify to the President the names of the candidates who attain passing grades and who satisfy the other qualifications prescribed by the Act.

6. This Committee shall receive all applications for the C.P.A. certificate filed under Sections 4a-1, 4a-2, or 5 of the Act, shall examine all evidence submitted by such applicants in support of their applications, and shall certify to the President those applicants who comply with the provisions of those Sections.

7. This Committee shall receive all applications under Section 4 (b) of the Act based on examinations given prior to July 1, 1951, shall examine all evidence submitted by such applicants in support of their applications, shall require the Special Board of Five Examiners (hereinafter referred to) to submit to this Committee such documents and other evidence with respect to such applicants, and with respect to the scope, content, conduct, and results of such examinations, as may be in the possession or control of the Special Board of Examiners. The Committee shall examine all such evidence and shall certify to the President the names of all applicants who are found by the Committee to have fulfilled the qualifications required of such applicants by Section 4 (b) of the Act.

8. This Committee shall receive and certify all statements of expenses and fees of the Boards of Examiners.

The Board of Examiners
Established under Section 2 of the Act

9. The Board of Examiners for the examination of candidates for the certificate of Certified Public Accountant under Section 2 of the Act shall consist of three members.

10. The members of this Board of Examiners, having the qualifications as specified in Section 2 of the Act, shall be nominated by the President of the University and approved by the Board of Trustees and vacancies shall be filled in like manner.

11. The term of office of examiners under Section 2 of the Act shall be three years.

12. Each member of the Board of Examiners appointed under Section 2 of the Act, who conducts examinations, shall send to the University Committee a statement of the time so spent, with a statement of his necessary traveling expenses. Each member of the Board shall be entitled to compensation at the rate of $25.00 per day for such services.

Special Board of Five Examiners
For Examinations under Section 4, paragraph (b) of the Act

13. The Special Board of Five Examiners heretofore appointed by the University of Illinois with the approval of the Department of Registration and Education of the state of Illinois is hereby determined to be a special board whose
examinations given prior to July 31, 1951, in accounting theory and practice, auditing, and commercial law may be considered and examined by the University Committee in determining the qualifications of applicants who apply for certificates under Section 4 (b) on the basis of examinations given prior to said date.

14. The said Special Board as now constituted is hereby recognized as and determined to be the Special Board for examination of candidates who apply after July 31, 1951, for the certificate of Certified Public Accountant under Section 4 (b) of the Act. Vacancies on the Board shall be filled by the Board of Trustees on recommendation of the President with the approval of the Department of Registration and Education from persons having the qualifications stated in Section 4 (b) of the Act.

15. The term of office of the members of the Special Board shall continue so long as Section 4, paragraph b, of the Act is operative.

16. Each member of the Special Board appointed under Section 4 (b) of the Act who conducts examinations shall send to the University Committee a statement of the time so spent, with a statement of his necessary traveling expenses. Each member of said Special Board shall be entitled to compensation at the rate of $25.00 per day for such services.

Applications and Fees

17. Applicants for the C.P.A. certificate under the Act shall file their applications with the Committee on Accountancy at Urbana, Illinois, together with the necessary proofs to establish their eligibility. The proper fee must accompany the application. A fee of $25.00 is prescribed for each examination or re-examination except as indicated under Rule 31.

(A table indicating the form of application to be used, the fee, and the proofs that are required for applicants who apply under various sections of the Act will be included in a circular to be published for the information of applicants.)

18. All applications under Section 4 (b) shall remain valid and in force for one year after the filing thereof within which period of time a candidate may present himself for examination or re-examination at any examination given by the Special Board within such period of time.

19. Twenty dollars of the prescribed fee may be returned to applicants who have been admitted to the examination either under Section 2 or Section 4 (b) of the Act, and who notify the University Committee before the examinations that they will not be present thereat, and are not present.

20. The fee shall not be returned to an applicant who has been admitted to and presents himself at the examinations either under Section 2 or Section 4 (b) of the Act, and withdraws after the opening of the examination.

21. Twenty dollars of the prescribed fee may be returned to applicants whose credentials have been presented and examined but who are found not qualified under the Act to take the examination.

(The following instructions will be included in a circular to be published for the information of applicants: Applications for the certificate of Certified Public Accountant and the necessary forms on which to submit proof of qualifications will be sent on request. The applicant is asked to identify by paragraph number the section of the law under which he wishes to apply for the certificate. The summary given will assist the applicant to identify the section under which he should apply.)

Preliminary Education Requirement

22. Section 3 of the Act specifies the preliminary education required of candidates seeking the certificate under Section 2. The Committee will accept as evidence of such education:

The High School Requirement

(a) A certificate of graduation from a four-year accredited high school in Illinois, or a certificate of graduation from a four-year high school in another state whose graduates are admitted to the University of Illinois by certificate.
(b) Credentials from principals or superintendents of four-year accredited high schools or accredited secondary schools showing the completion of fifteen units of high school work.

c) A certificate of admission without condition to any college that is accredited by the University or by one of the regional accrediting agencies.

d) A certificate of graduation from any state normal school in the United States.

e) A certificate showing that the applicant has passed examinations on the subject matter of a four-year high-school course under the supervision and direction of educational bodies whose certificate would be accepted for admission to the University of Illinois.

(f) The passing of examinations set for admission to the accountancy examination by the University.

The Study of Accounting and Related Subjects

(a) Official credentials indicating the successful completion of the required number of semester hours of residence or correspondence study in the specified subjects in institutions acceptable to the University. Credentials of schools which specialize in business training are acceptable provided satisfactory proof is presented that at least fifty per cent of their courses in accounting are taught by certified public accountants.

(b) Passing examinations in college subjects offered by the University.

23. The Director of Admissions and Records of the University is authorized to conduct four sets of examinations in high-school and college subjects per year in Chicago (in March, June, August, and December) to which applicants for the C.P.A. examination may be admitted upon the payment of a fee of $4.00 for each examination giving one unit of high school credit and $4.00 for each college subject.

24. A candidate seeking to meet the preliminary education requirement in part or in whole by these examinations should first submit to the Secretary of the University Committee official credentials covering his formal education above the eighth grade. These will be evaluated and a program of examinations necessary to complete the preliminary education requirements will be outlined for him. The Committee can not accept as satisfactory evidence of educational attainments statements from private tutors or certificates of examinations conducted by private individuals or by school officials acting in a private capacity. Neither is the Committee authorized to accept business experience or life experience of any kind in lieu of the educational requirements specified in the Act.

Examinations

25. Examinations as prescribed in the Act shall be held by the respective Boards of Examiners at the times and places determined by the University Committee.

The time and place of holding examinations shall be advertised, for not less than three consecutive days in one daily paper published in each of the places where the examinations are to be held, not less than thirty days prior to the date of each examination.

26. Examinations shall take place as often as may be deemed necessary by the University Committee, but not less frequently than once each year.

27. The examination shall be in the subjects prescribed in the Act.

28. The time allotted to the examination in each subject shall be determined by the University Committee, on the advice of the appropriate Board of Examiners, and shall be printed on the examination questions.

29. The University Committee will supply paper for the examinations.

30. The examination papers shall be graded on the scale of 100. The passing grade in each subject is 75. Grades shall be certified by the respective Boards of Examiners to the University Committee. The list of successful candidates shall be certified to the President of the University by the University Committee.

1 By the word "unit" is meant the amount of ground ordinarily covered in any single subject in one year of work in a standard high school.
31. A candidate under Section 2 of the Act who passes in Theory of Accounts and Practical Accounting and fails in one or both of the other examination subjects (Auditing and Law), with a grade not lower than 60 in the subject or subjects failed, or a candidate who passes in Auditing and Law and fails in Theory of Accounts and Practical Accounting, with a grade not lower than 60, shall be credited with the subject or subjects in which he has received passing grades and may upon application and payment of the required examination fees (see note below) present himself for re-examination in the subject or subjects in which he failed at any three of the six semi-annual examinations next succeeding the examination at which he qualified for such partial re-examination. Whenever a candidate presents himself for re-examination he must write on all subjects in which he then has failing grades. If on re-examinations, the candidate passes in the subjects in which he has failed, he shall be eligible for the C.P.A. certificate; if he fails to do so, he shall revert to the status of a new applicant who is required to write the entire examination.

The time limitation within which a candidate is required to pass subjects under this rule shall not include any period during which the applicant serves in the armed forces of the United States.

Fee for each examination written under Rule 31 are as follows:
For candidates writing Theory of Accounts and Practical Accounting..........................$20.00
For candidates writing Auditing or Commercial Law..............................................$15.00

32. A candidate under Section 2 of the Act whose grades are such that he is required to write in all subjects may not present himself for re-examination until at least one examination shall have intervened following his last examination or re-examination, and then only upon presentation of satisfactory evidence that he has made further preparation in the interim. A fee of $25.00 shall be paid for such re-examination.

Awarding of C.P.A. Certificates

33. Each candidate who satisfies all the requirements and is duly certified as above required, shall receive a certificate designating him as a Certified Public Accountant (C.P.A.). This certificate shall be issued in the name of the University, and shall be signed by the President of the University, the Secretary of the Board of Trustees, and members of the appropriate Board of Examiners when required.

Records

34. The Director of Admissions and Records shall keep the records of all successful candidates for the certificate. These records shall set forth the time and place of the examination at which each candidate met the requirements for the certificate, the grades obtained on the examination, the number of the certificate issued, and the date of its issue.

35. The fees from applicants shall be deposited with the Comptroller of the University, who shall keep a separate account of all receipts and expenditures under the law.

36. The University Committee shall keep examination papers of candidates on file for a period of three years.

Revocation and Restoration of the Certificate of Certified Public Accountant

37. The University, on receipt of notice from the Department of Registration and Education of the cancellation of the Public Accountant registration of a person, shall revoke, without further proceedings, the C.P.A. certificate of said person as prescribed in Section 22 of the Act.

38. On receipt of notice from the Department of Registration and Education that the registration of a Public Accountant has been restored the University may, 1

without examination, restore the certificate of Certified Public Accountant of any person whose certificate had been revoked.

On motion of Mr. Nickell, these new regulations for the administration of an Act to regulate the practice of public accounting were adopted, the forms of the new certificates were authorized, and all previous regulations were repealed. This action was taken by the following vote: Aye, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Fornof, Mr. Stevenson.

PATENTABLE DISCOVERIES

(6) Before he came to the University of Illinois, and while he was employed at the Bell Telephone Laboratories, Professor Arnold Nordsieck of the Department of Physics invented a new type of integrating mechanism which can be used in constructing mechanical analog computers. He had constructed such a computer incorporating in it this integrating mechanism and other improvements over earlier machines, including portability, operation by synchro motors, freedom from torque simplification, and simplicity of electrical connections at a plug board. The principal novelty in the calculator built by Professor Nordsieck is the integrating mechanism which he designed and which has already been released to him by the Bell Laboratories. It is doubtful that the University would have any significant claims with respect to developments in this mechanism at the University of Illinois. However, Professor Nordsieck wants to be fully cleared and, therefore, has requested release by the University of any rights which it might conceivably claim, regardless of how insignificant they may be. It should be noted that developments now being made in connection with computing machines involve electronic mechanisms instead of mechanical analog devices, so that it is unlikely that Professor Nordsieck's invention will be highly remunerative.

The University Patent Committee and the Chairman of the University Research Board recommend the release to Professor Nordsieck of any implied rights which the University might claim.

I concur.

On motion of Mr. Grange, this recommendation was approved.

AFFILIATION WITH MORRISON HOME FOR THE AGED AND THE CHRONIC ILLNESS HOSPITAL

(7) The Board of Trustees has approved, in principle, a proposal for an affiliation with the Morrison Home for the Aged and the Home for the Incurables whereby the University would have facilities for education and research in medicine in a new Home for the Aged in the Medical Center District in return for certain professional services to be rendered by the University. The formal agreement is subject to approval by the Board of Trustees.

Representatives of the Home for the Incurables have informed the Vice-President in charge of the Chicago Professional Colleges that this institution can not participate in the program now because Congress did not appropriate funds to aid in the construction of hospital facilities for the chronically ill, but that they would like to affiliate later. The Trustees of the Morrison Home for the Aged desire to go forward without delay with the plan of affiliation.

Accordingly, the Vice-President recommends that the plan heretofore authorized by the Board of Trustees be modified to provide for an affiliation with the Morrison Home for the Aged only but leaving a way open for participation of the Home for Incurables later. A tentative draft of this plan of affiliation, as revised, is submitted herewith. The formal agreement will also be submitted to the Board for final approval.

I concur.

On motion of Mr. Grange, this change was authorized.

APPROPRIATIONS FROM AGRICULTURAL INCOME FOR THE COLLEGE OF AGRICULTURE

(8) The Dean of the College of Agriculture and the Comptroller recommend appropriations from accumulated agricultural income as follows:
Dairy Science
1. Remodeling bull barn at South Lincoln Avenue barns, estimated cost.............................. $3,900
2. Repair of shed on McCullough farm for storage of farm machinery, estimated cost.................. 2,050
3. Construction of a garage for the farm foreman at the Round Barn area, estimated cost.................. 1,150
4. Concrete walks from experimental silos to barn, estimated cost.............................. 400
5. Contingency appropriation for this program.......................................................... 2,500
   Subtotal, Department of Dairy Science....................................................... (10,000)

Horticulture
1. Purchase of truck............................................................. 1,300
   Total................................................................................. 11,300

I concur.

On motion of Mr. Johnston, these appropriations were made by the following vote: Aye, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Fornof, Mr. Stevenson.

ARCHITECTURAL SERVICES ON STUDENT RESIDENCE HALLS
(9) In authorizing changes in the program for the expansion of residence hall facilities at Urbana-Champaign (Phase II), necessitated by an increase in the size of the project made by the architects and by an increase in construction costs, the Board of Trustees requested the Comptroller "to negotiate with the architects to eliminate extra costs and charges for additional architectural services required as a result of the changes made by them in departing from the original basic plan without the approval of University officials."

The Comptroller and the Director of the Physical Plant have gone into this matter in detail with Mr. N. A. Owings of the firm of Skidmore, Owings, and Merrill, architects for this project. The Comptroller reports that while the preliminary estimate on which the financing program was based should not have been considered complete or final, it is evident that the architects were unduly optimistic on some phases of the estimate. In the development of detailed plans and specifications there was a major change in the over-all size of the project which was necessary to comply with standards established by the University. There was lack of complete co-ordination between the architects and the University's Physical Plant Department with respect to the effect of these changes on the final cost.

It should be noted that the changes made by the architects will increase the housing capacity to accommodate twenty additional men in the present halls and ten additional men in the new unit. After allowing for this advantage to the University and allowing for the increase in construction costs and finally allowing for items eliminated in the final awards of contracts, it appears that the increase in the cost of the project directly attributable to changes in over-all plans is approximately $100,000. The standard fee of the architects on this amount would be $6,000. In the opinion of the Director of the Physical Plant and the Comptroller, the University shares some of the responsibility for this change, and a fair share of the responsibility on the part of the architects would be 60 per cent, or $3,600. Skidmore, Owings, and Merrill are willing to accept such an adjustment. The Director of the Physical Plant and the Comptroller recommend payments to the architects for additional services on this basis.

I concur.

On motion of Mr. Megran, this recommendation was approved.

IMPROVEMENT OF SOUTH RACE STREET, URBANA
(10) On petition of property owners on South Race Street south of Florida Avenue, Urbana, the Board of Local Improvements of Urbana has approved a project of paving, lighting, and sidewalks from the corner of Race and Florida 1,301.5 feet south. The University owns the entire property on the west side of the street and ninety feet on the east side, a total of 1,391.5 feet. Since the University
already has a sidewalk to the extent needed for its property and is not interested in lighting on its side of the street, the project has been adjusted to eliminate these items. On this basis the University is asked to assume and pay a maximum sum of $23,336.32 toward a total estimated cost of $54,063 for the project.

The proposed project has been studied by the Director of the Physical Plant and the Comptroller, who have reached the conclusion that the improvement would benefit the University and that the proportion of cost which the University is requested to pay is fair and reasonable for the benefits derived.

The improvement fronts on one side of the Small Homes Council Housing Research Area.

Funds are available in the state capital appropriation for minor improvements for 1951-1953, subject to release by the Governor.

I recommend that the Board express its concurrence in the project and approve an allotment of the amount required from the state appropriation.

On motion of Mrs. Watkins, the Board concurred in this project and authorized an allotment of $22,336.32 to pay the University's share of the costs, as recommended, by the following vote: Aye, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Fornof, Mr. Stevenson.

SITE FOR PROPOSED LIFE SCIENCES BUILDING AND IMPROVEMENT OF GOODWIN AVENUE AND CLOSING OF PART OF ILLINOIS STREET

(11) One of the buildings of highest priority in the building program of the University is a new Life Sciences Building in Urbana. An appropriation for it was strongly urged at the last session of the General Assembly, but was not granted. An advance of federal funds has been secured for studies of the building, and the site must be assured before major expenditures are made on such studies.

The Faculty Building Program Committee has studied in detail the problem of a site. The Committee has reached the unanimous conclusion, concurred in by these representatives, that the building should be located immediately east of the Natural History Building and Noyes Laboratory. This site requires the south portion of the block bounded by Mathews, Green, Goodwin, and Illinois Streets, the north portion of the block bounded by Mathews, Illinois, Goodwin, and California Streets, and the use of Illinois Street between these two blocks. It has recommended that, in addition to acquiring land in this area not now owned by the University, the city of Urbana be requested to vacate the one block of Illinois Street between Mathews Avenue and Goodwin Avenue as an essential part of this development.

A closely related item is the improvement of Goodwin Avenue between Springfield and Nevada to relieve traffic congestion on Mathews Avenue and to coordinate with the long-range plan for general development of the east side of the campus. An extension and improvement of Goodwin Avenue from Gregory Drive to Pennsylvania Avenue recently has been completed.

Extended discussions have been carried on by University officials with the City Council and other officials of Urbana. The Council is ready to proceed with the improvement of South Goodwin Avenue at a total estimated cost of $226,000. The University is asked to contribute approximately $129,000 toward this improvement. It would also be asked to pay for (a) the land vacated in the closing of Illinois Street, which has been appraised at $51,613, and (b) such additional costs to the city of Urbana resulting from the University's deferral of payments on the Goodwin Avenue improvement. The University has acquired title to most of the property on both sides of Illinois Street in the block immediately east of the campus, and the closing would be effective only after payments totaling $51,613 have been made by the University or by other owners of property fronting on this block.

The widening of Goodwin Avenue will make it necessary for the city of
1951] UNIVERSITY OF ILLINOIS 1303

Urbana to acquire additional right of way on the east side between Green Street and Springfield Avenue, in which area the University owns a large part of the street frontage. The land has been appraised at $1.25 per square foot between Springfield Avenue and the Boneyard and at $1.50 per square foot south of the Boneyard.

The Director of the Physical Plant and the Comptroller recommend that:

1. The Comptroller and the Secretary of the Board of Trustees be authorized to execute an agreement with the city of Urbana providing for the payment of the University's proportionate share of the cost of the Goodwin Avenue improvement, or approximately 57 per cent of the actual construction cost, including engineering, legal service, financing costs and miscellaneous expenses. One-half of the University's share shall be paid when construction begins and the other half on completion. Based on present estimates of cost, the University's share will be approximately $121,543, after allowing credit for the University's Goodwin Avenue frontage to be transferred to the city of Urbana. The proposed agreement with the city of Urbana will not be executed until (a) bids on this project have been received and it is clear that funds are available to pay the University's share; (b) passage of the necessary ordinances by the city of Urbana; and (c) approval of the improvement by the Court.

2. The Comptroller be authorized to make payments not to exceed $51,613 to the city of Urbana for the acquisition of one block of Illinois Street and right of way based on the appraised value; plus reimbursement for any additional costs incurred by the city of Urbana in financing the Goodwin Avenue project as the result of deferment of payments by the University for the acquisition of Illinois Street. Such payments will be made as the University acquires property fronting on Illinois Street between Goodwin Avenue and Mathews Avenue and as funds are available.

3. An allotment of $167,663 be made from the state appropriation of $180,000 for 1951-1953 "For improvements to University grounds at Urbana-Champaign and of adjacent city streets" for the improvement of Goodwin Avenue and, to the extent possible, for the acquisition of Illinois Street between Goodwin Avenue and Mathews Avenue.

4. In order to provide the additional right of way needed by the city of Urbana, the sale of University-owned land on the east side of Goodwin Avenue between Springfield Avenue and Green Street be authorized on the basis of appraised values.

5. The Director of the Physical Plant be authorized and directed, with the assistance of the Legal Counsel and the Comptroller, to negotiate with the owners of land not now owned by the University for the purchase of the additional areas needed for campus expansion and to submit recommendations on the purchase of such properties.

I recommend approval of these steps.

On motion of Mrs. Holt, authority was given and funds were assigned, as recommended, by the following vote: Aye, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Fornof, Mr. Stevenson.

CONTRACT FOR DEMOLITION OF STEAM PLANT CHIMNEY IN CHICAGO

The Director of the Physical Plant and the Comptroller recommend award of a contract for $9,800 to the Bosley Wrecking Company, Chicago, for demolition of the chimney at the old heating plant at the Chicago Professional Colleges. The chimney, which has not been in use since the new Medical Center steam plant went into operation, has deteriorated to such an extent that it is hazardous.

The total estimated cost of this demolition and work incidental thereto, including the contract and work to be done by the Physical Plant Department, is $15,000. Funds are available as follows: (a) from the Physical Plant Department budget, item for renewals and replacements, $5,000; (b) from the appropriation to the Physical Plant Department for debt service on building bond issues but not needed this year, $10,000.
I recommend that the project be approved, to be paid for from the sources of funds indicated, and that the Comptroller and the Secretary of the Board be authorized to execute a contract with the Bosley Wrecking Company.

On motion of Mr. Grange, this contract was authorized.

CHANGE IN CONTRACT WITH PACE ASSOCIATES

The reduction and change in the program of construction of the East Dentistry-Medicine-Pharmacy Building authorized by the Board of Trustees on October 23 to bring the total cost of the building within the funds available will require additional architectural services. Pace Associates, architects for this building, have offered to do the additional work on the basis of actual costs for services of designers, draftsmen, and other items, plus an overhead charge of 20 per cent, an estimated total cost of $11,000.

The Director of the Physical Plant and the Comptroller recommend a change in the contract with Pace Associates authorizing this additional work.

I concur and recommend that the Comptroller be authorized to execute this contract change.

On motion of Mrs. Watkins, this contract change was authorized.

CONTRACT FOR DEMOLITION OF BUILDINGS ON THE SITE OF THE EAST DENTISTRY-MEDICINE-PHARMACY BUILDING

The Director of the Physical Plant and the Comptroller recommend award of a contract for $14,715 to the Bosley Wrecking Company, Chicago, the lowest bidder, for the demolition of seventeen buildings on the site of the East Dentistry-Medicine-Pharmacy Building. The properties are at 1735, 1737, 1739, and 1745 West Polk Street; 806, 808, 810, 814, 820, 826, 838, 900, 902, 904, 916, 922, and 928 South Hermitage Avenue.

There are twenty buildings on this construction site, but three are still occupied. Hence, bids were taken on the demolition of the seventeen buildings so that the work can be started at once. When the three buildings now occupied are vacated, separate bids will be taken for the demolition of those three.

Funds are available in the state appropriation for the construction of the East Dentistry-Medicine-Pharmacy Building and have been released by the Governor.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Nickell, this contract was authorized.

RESIGNATION OF DIRECTOR PAR DANFORTH

(19) Professor Par Danforth has informed me that he wishes to terminate his work as Director of Robert Allerton Park at the end of the current calendar year. Accordingly, I am recommending acceptance of his resignation as of Janu-
ary 31, 1952, with the understanding that he will be relieved of his duties as of January 1, 1952, and granted his month's vacation with pay.

It is appropriate to note that since Professor Danforth became Director in January, 1949, much has been accomplished in making Robert Allerton Park and Allerton House the successful, living program which was envisaged when this splendid facility became the property of the University.

On motion of Mr. Herrick, this resignation was accepted.

CLAIM OF ALONZO FITZGERALD

While employed as a janitor by the Physical Plant Department, Alonzo Fitzgerald, on September 16, 1943, was assisting in carrying a heavy box of pamphlets down the stairs in the Administration Building (E). He claims that he suddenly experienced a very severe pain in his back which caused him to drop his end of the box and to fall. Since then he has from time to time experienced episodes of severe pains in his back frequently extending to one or both legs. He has frequently received medical care and treatment both in Urbana-Champaign and in the Research and Educational Hospitals in Chicago, including one operation at the latter in 1949. The University paid medical and hospital bills of $435.66 and compensation of $308.40.

Recently Fitzgerald left the University's employ, claiming that his physical condition is such that he is unable to do physical labor of the type assigned to him at the University. He asserts that his back trouble was caused by the fall in 1943. His attorney has placed claims for further medical treatment, hospitalization, and compensation and has made it plain that unless a settlement is received, he will institute proceedings under the Workmen's Compensation Act.

The Committee on Accident Compensation has reached the conclusion that the sum of $2,500 should be offered in full settlement of all claims against the University, coupled with a full and complete release therefor. Fitzgerald has indicated that he will accept such a settlement if it is made in the near future.

The Committee recommends, therefore, that a settlement be authorized on this basis and an appropriation be made for the amount required.

I concur and recommend approval.

On motion of Mr. Johnston, the settlement recommended was authorized, and an appropriation of $2,500 was made from the General Reserve Fund for this purpose by the following vote: Aye, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Fornof, Mr. Stevenson.

REPORT OF COMMITTEE ON TELEVISION

Mr. Livingston, Chairman of the special Committee on Television appointed by the Board on September 19, 1951, reported that the Committee had held meetings on October 18 and November 23, 1951.

At its initial meeting, the Committee agreed that the University should take all appropriate measures to secure a channel for the operation of a television station in the Urbana-Champaign area and should proceed with plans for the construction of such a station. It was also the judgment of the Committee that consideration should be given to the question of standing on the present application for the channel already tentatively allocated by the Federal Communications Commission for a non-commercial, educational station in the Urbana-Champaign area as against revising the application to request assignment of the channel without restriction regarding its commercial use. The Committee also requested its faculty advisers to study and report on these points:

Sources of funds to support telecasting of educational programs.

Should the University attempt to fill time or otherwise secure funds by scheduling commercial programs along with educational programs?

Data on the cost per year on the operating of a television station.

Sample educational programs showing how a full day's time could be utilized by the University in the operation of a television station.
At its meeting on November 23, the Committee considered a memorandum prepared by Professor Robert B. Hudson, Director of University Broadcasting, who had been directed by the President of the University to head up the studies being made for the Committee. At the request of Chairman Livingston, Director Hudson presented his report, a complete copy of which was filed with the Secretary of the Board for record.

Director Hudson's report, as summarized, is as follows:

At its meeting on November 23, the Board of Trustees Committee on Television gave special consideration to the question of the present application for the channel tentatively allocated by the FCC for a non-commercial, educational station versus changing the application by asking that the channel be opened for commercial use. An important time element is involved in the consideration of this question because the FCC will close formal hearings on applications on November 26. If the University decides to let its present application stand, no further action needs to be taken at present, but if the University elects to apply for a commercial channel, an amended application must be filed not later than November 26. As matters stand on November 23, 1951, the University may:

1. Resolve to construct and to operate a television station on a non-commercial basis.

   If this action is taken (or, indeed, if no action is taken) no additional filings are required of the University in the FCC allocations hearings which close on November 26, 1951. (In its filing of September 17, 1951, the University asked the FCC to make final its proposed assignment of Channel 12 to Urbana for non-commercial, educational use.)

   Consequences: Under this action, the FCC may reasonably be expected to make final its proposed allocation of VHF Channel 12 to Urbana, reserved for non-commercial, educational use. Furthermore, under such a reservation, it would not be incumbent upon the University to apply immediately for a television license and to place a station in operation. On the basis of the filings previously made by the University, the reservation of the channel may be expected to hold for approximately two years (perhaps, through two sessions of the state legislature), and will be subject to extension if the University shows a bona fide interest in using the channel.

2. Resolve to apply for a license to operate a television station on Channel 12, reserved for non-commercial use, in Urbana, but to petition the FCC to permit the commercial use of the reserved Channel 12 until such time as the area may be adequately served by commercial television stations.

   Consequences: Under this plan the University's television station would be able to broadcast both amusement-centered and education-centered programs until such time when privately-owned television stations were available in sufficient numbers to provide amusement-centered programs in the Urbana area. At that point the University would look forward to channeling its resources and energies into more socially significant programs, on a non-commercial basis.

   (The action suggested under No. 2 is consistent with the proposal advanced to the FCC by the Joint Committee on Educational Television with reference to so-called "single station" areas. "... that the restrictions which will govern non-commercial, educational television stations should be temporarily relaxed where the educational station is the only television station serving all or a substantial part of its service area. This temporary relaxation of the rules should be self-terminating. The general principles of the proposal we are making are as follows:

   i. A non-commercial, educational television station should be permitted, subject to suitable restrictions to insure that a bona fide educational service is rendered, to carry network commercial programs;

   ii. The permission of such a non-commercial, educational television station to carry network commercial programs should be limited as soon as there is a single commercial television service available to all or a substantial part of the service area of the non-commercial, educational television station;

   iii. The permission should be entirely withdrawn as soon as two such commercial station services are available to the service area of the non-commercial, educational television station."

3. Resolve to construct and to operate a television station on a commercial basis.

If this action is taken, it will be necessary for the University to petition the
FCC, prior to November 26, 1951, to assign Channel 12 to Urbana without
restriction, i.e., without reserving it for non-commercial, educational use. It should
further certify to the FCC that it proposes to apply for a license to operate a
television station on "unrestricted" Channel 12, how it proposes to operate it (on
a profit or a non-profit basis), and the nature of the program service that it
proposes to offer.

Consequences: Under this action, assuming a "late" petition to be acceptable,
there is no assurance that the FCC will assign unrestricted Channel 12 to Urbana
(commercial organizations looking to their separate interests have petitions on
file with the FCC asking that Channel 12 be deleted from Urbana and assigned
to a) Peoria, b) Springfield, c) Rockford, d) Indianapolis, or e) Paducah). If
the FCC should assign unrestricted Channel 12 to Urbana, the University in
filing an application for a license to operate a commercial station on this channel
would find itself in competition with private interests applying for licenses to
broadcast on the same channel at the same place. (Following the announcement
by the FCC of permanent television channel assignments, interested parties will
have a 60-day period in which to file applications for licenses.)

At the conclusion of Director Hudson's presentation, Chairman Livingston
reported that the Committee recommends the adoption of Option 1, viz., that the
University resolve to construct and to operate a television station on a non-com-
mercial basis, and to petition the FCC to permit some commercial use of the
reserved channel until such time as the area is adequately served by commercial
television stations.

On motion of Mr. Johnston, the recommendations of the Committee
were adopted; Messrs. Herrick and Nickell voted "no."

REPORT OF COMMITTEE ON NONACADEMIC PERSONNEL

Mr. Grange, Chairman of the Committee on Nonacademic Personnel,
reported that the University Civil Service Merit Board, made up of
three members of the Board of Trustees of the University of Illinois,
one member of the Teachers College Board, and one member of the
Southern Illinois University Board, had met, organized, and had ap-
pointed its administrative staff, including the appointment of Mr.
Donald E. Dickason, Director of Nonacademic Personnel at the Uni-
versity of Illinois, to serve as Director of the University Civil Service
System of Illinois.

DISCUSSION OF KREBIOZEN

At the request of President Livingston, President Stoddard discussed
the present controversy involving Dr. A. C. Ivy, Distinguished Pro-
fessor of Physiology and Head of the Department of Clinical Science,
and Vice-President of the University in Charge of the Chicago Profes-
sional Colleges, and his direction of research and clinical studies of the
drug "Krebiozen." President Stoddard then summarized his discussion
in a formal statement as follows:

As I see it, the main question now is to determine definitely the value of the
drug under research and clinical conditions.

Dr. Ivy has a large number of new cases that need study and evaluation; he
needs a few months' time for this and I feel he should be asked to work inten-
sively on this report.

---

The Commission's television hearings end on November 26. The final filing date for
Illinois, Indiana, Michigan, and parts of Ohio and Kentucky was September 17, thus any
filing by the University of Illinois after September 17 is subject to the Commission's acceptance
of a "late" petition.
If the problem is regarded as basically an administrative matter, I shall proceed to get the answers that are needed:

1. To validate to the satisfaction of all concerned the effects of Krebiozen on cancer patients.
2. To consider questions raised by members of the medical profession as to procedure and future developments.
3. As soon as may be feasible, to give the public full information on the outcome of the work.

President Livingston asked all members of the Board to comment on this matter.

At the conclusion of these discussions, Mr. Nickell moved that it is the sense of the Board of Trustees that this is an administrative matter. The motion was adopted.

The December meeting of the Board of Trustees of the University of Illinois was held in the First National Bank of Chicago, on Monday, December 17, 1951, beginning at 11:30 a.m.

The following members of the Board were present: President Livingston, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Megran, Mr. Nickell, and Mrs. Watkins.

Also present were President George D. Stoddard, Provost Coleman R. Griffith, Vice-President A. C. Ivy, Mr. Ralph F. Lesemann, Legal Counsel, Mr. J. F. Wright, Director of Public Information, Mr. Lloyd Morey, Comptroller, Mr. C. W. Weldon, Treasurer, and Mr. A. J. Janata, Secretary of the Board.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of October 23, 1951, press proof copies of which had been sent to all members of the Board in advance.

On motion of Mr. Johnston, the minutes were approved as printed on pages 1253 to 1287, inclusive.
BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following reports and recommendations from the President of the University.

APPOINTMENTS TO THE FACULTY

(1) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. Gilberto Bernardini, Research Professor of Physics, beginning November 1, 1951, at an annual salary of $9,000 (D).
2. Francis William Logan, Assistant Professor of Hygiene and Medical Adviser for Men, beginning February 1, 1952, at an annual salary of $8,000 (DY).
3. Marie Waite, Assistant Professor, School of Social Work, Chicago Professional Colleges, beginning January 1, 1952, at an annual salary of $4,904 (DY).

The Director of Nonacademic Personnel reports the following appointment to a supervisory position of upper level responsibility:

1. Lynn A. Collins, Supervising Accountant in the Chicago Business Office, beginning October 29, 1951, at an annual salary of $4,920.

On motion of Mrs. Watkins, these appointments were confirmed.

LEAVE OF ABSENCE FOR DR. DAVID E. LINDSTROM

(2) Dr. David E. Lindstrom, Professor of Rural Sociology, has been invited to accept a temporary appointment on the staff of the International Christian University in Japan.

I recommend that he be given a leave of absence without pay for a period of three years from January 1, 1953, so that he may accept this assignment. This will be an important service to a new University now being developed in Japan under the presidency of Dr. Hachiro Yuasa, a graduate of the University of Illinois.

On motion of Mr. Nickell, this leave was granted.

LEAVE OF ABSENCE FOR DR. A. C. IVY

(3) On his request, I have granted Dr. A. C. Ivy a leave of absence from his administrative position as Vice-President in Charge of the Chicago Professional Colleges for two months beginning January 1, 1952, with the understanding that he will continue his work as Distinguished Professor of Physiology and as Head of the Department of Clinical Science in which capacities he will be free to work intensively on his research programs. No change of salary is proposed.

I recommend that Dean E. R. Serles, as the senior dean of the Chicago Professional Colleges, be designated as the over-all administrative officer for these Colleges during the two-month period, without change in salary or title.

On motion of Mrs. Holt, the President’s action was confirmed and his recommendation for the designation of Dean Serles as the administrative officer for the Chicago Professional Colleges for two months beginning January 1, 1952, was approved.

HEARING COMMITTEE ON DISCHARGE OF ROBERT TAYLOR

(4) It is recommended that the Committee appointed by the Board of Trustees on November 23, 1951, to hear the charge against Robert Taylor, kitchen laborer in the Housing Division, be discharged. Mr. Taylor has reconsidered his request for this hearing and has resigned effective at the close of business October 31, 1951, his last day of service. This action eliminates the necessity for a hearing.

On motion of Mr. Megran, the Committee was discharged from its assignment.

CHANGE IN GENERAL EDUCATION REQUIREMENTS

FOR BACHELOR OF ARTS DEGREE

(5) In partial fulfillment of the requirements for the Bachelor of Arts degree students in the general curriculum in Liberal Arts and Sciences are now required to complete at least an eight-semester-hour sequence of courses in each of these areas: (a) humanities, (b) biological science, (c) physical science, and (d) social science.
The Faculty of the College and the University Senate recommend a modification of these general education requirements so that instead of any one of the eight-semester-hour sequences required in the areas specified, one approved six- or seven-hour sequence will be accepted, but not earlier than the sophomore year. This slight relaxation will offer students a wider selection of suitable sequences of two three-hour upper-class courses in fulfillment of the general education requirements. It will not affect the requirements relating to major and minor fields of study nor will it reduce the total number of hours required for graduation.

I concur.

On motion of Mr. Herrick, this recommendation was approved.

CHANGE IN REQUIREMENTS FOR ADMISSION TO COLLEGE OF DENTISTRY

The present requirements for admission to the College of Dentistry include twelve semester hours of chemistry of which four shall be organic chemistry. The Faculty of the College and the University Senate recommend that effective in September, 1953, the preprofessional chemistry requirements for admission to the first-year class in dentistry shall include a course in quantitative analysis carrying at least three semester hours of credit, in addition to the four semester hours of organic chemistry. The intent of this change is not to increase the minimum of twelve semester hours of chemistry required but only to specify that quantitative analysis shall be included in the preprofessional preparation in chemistry.

I concur.

On motion of Mr. Johnston, this recommendation was approved.

SCHOLASTIC REQUIREMENTS FOR THE DEGREE OF BACHELOR OF SCIENCE IN DENTISTRY

The requirements for the degree of Bachelor of Science in Dentistry include a provision that a candidate must “have grades of C or better in at least three-fourths of the total hours taken in the College and counted toward the degree.” The Faculty of the College and the University Senate recommend that this requirement be changed to provide that “the candidate must have an average of C or better in the total number of hours completed in the College of Dentistry,” effective in September, 1953. This requirement is already in effect for candidates for the degree of Doctor of Dental Surgery.

I concur.

On motion of Mr. Fornof, this recommendation was approved.

POSTGRADUATE CURRICULA IN DENTISTRY

The faculty of the College of Dentistry and the University Senate recommend authorization of three postgraduate curricula as follows:

Postgraduate Curriculum in Orthodontia

Selected students desiring to pursue an organized curriculum in orthodontia will be accepted on a postgraduate status for a period of three quarters beginning with the fall quarter. These three quarters embrace all technical instruction and a significant amount of clinical work. In addition, the student is required to register in Advanced Oral Histology and Advanced Anatomy as well as in certain minor courses which must be placed early in his professional training.

At the end of the third quarter of residence each student desiring to work toward a graduate degree will apply for admission to the Graduate College according to established procedure, and if accepted will follow the approved curriculum leading to a Master of Science degree in orthodontia. The usual requirements for the Master of Science degree prevail. Three units of credit toward the master’s degree will be allowed for the work described above.

Those students who do not elect or who are not found qualified by the staff to pursue graduate work may continue to register for an additional three quarters as postgraduate students, the first quarter of which must be on a full-time basis. Such students are required to prepare and submit an essay on some aspect of orthodontia or an associated field in order to qualify for the certificate of the department. Both graduate and postgraduate students continue clinical work during the last three quarters.
Course and Program Requirements:
Orthodontic technics, two quarters; orthodontic seminar, three quarters; diagnosis and analysis of malocclusion, six quarters; advanced oral histology, three quarters; orthodontic clinic, five quarters; gross anatomy, one quarter; individual library research, two quarters; thesis, one quarter.

Essay Requirement: A critical paper on some phase of orthodontia or related subject.

Time Requirements: Six quarters of the organized postgraduate program.

Recognition: A certificate will be awarded upon completion of all requirements.

Postgraduate Curriculum in Pedodontics

Selected students desiring to pursue an organized curriculum in pedodontics will be accepted on a postgraduate status for a period of three quarters. These three quarters embrace all technical instruction, a significant amount of clinical work, and certain major and minor courses, which must be placed early in the professional training.

At the end of the third quarter of residence each student desiring to work toward a graduate degree will apply for admission to the Graduate College according to established procedure, and if accepted will follow the approved curriculum leading to a Master of Science degree in pedodontics. Three units of credit toward the master's degree will be granted for the work described above. Those students who do not elect or who are not found qualified to pursue graduate work may continue to register for an additional quarter as postgraduate students. Such registration must be on a full-time basis. The program in such a case consists of additional clinical work and the pursuit of certain minor courses at the postgraduate level. Students in this category will be eligible for the certificate of the department upon completion of the four quarters of work.

Course and Program Requirements:
Pedodontics technics, three quarters; pedodontics seminar, three quarters; pedodontics clinic, three quarters; applied anatomy and growth of head, three quarters; dental pediatrics, three quarters; oral histology, one quarter; oral pathology, two quarters; pedodontics research, one quarter; pedodontics seminar, one quarter.

Time Requirements: Four quarters of the organized postgraduate program.

Recognition: A certificate of the department will be awarded.

Postgraduate Curriculum in Oral Surgery

Selected students desiring to pursue an organized curriculum in oral surgery will be accepted on a postgraduate status for a period of three quarters beginning with the fall quarter.

At the end of the third quarter of residence each student will be granted a certificate and those desiring to work toward a graduate degree will apply for admission to the Graduate College according to established procedure and if accepted will follow the curriculum leading to a Master of Science degree in oral surgery. Three units of credit toward the master's degree will be granted for the work described above. Students not accepted will not be allowed to register for further postgraduate work.

Course and Program Requirements:
Oral surgery clinic, three quarters; oral surgery seminar, three quarters; applied pathology, two quarters; general histology, two quarters; osteology, one quarter; oral histology seminar, two quarters; tumor clinic, one quarter; oral pathology, one quarter; advanced oral histology, one quarter; gross anatomy (head and neck), one quarter.

Time Requirements: Three quarters of the organized postgraduate curriculum.

Recognition: A certificate of the department will be awarded for three quarters of work.

The complete details of this program are being filed with the Secretary of the Board for record.

I concur.

On motion of Mrs. Watkins, this recommendation was approved.
ADMISSION OF NONRESIDENTS OF ILLINOIS

On April 24, 1947 (Minutes, page 349), the Board of Trustees authorized a “Progressive Admissions Plan” to utilize the University's capacities effectively during the postwar influx of students. The plan restricted the admission of nonresidents of Illinois to new freshmen who ranked in the upper 25 per cent of their high school graduating class and of transfer students to those with not less than a 4.0 (B) average in previous college work in terms of the grading system of the University of Illinois.

On February 17, 1949 (Minutes, page 244), the Board of Trustees substantially rescinded the “Progressive Admissions Plan” because it was possible to admit all residents of Illinois who qualified under the former system.

With respect to nonresidents of Illinois the admission of new freshmen is now restricted to students who rank in the upper 50 per cent of their high school graduating class and to transfer students who have a scholastic average of at least 3.5 (halfway between B and C) in previous college work. These actions were administrative measures related to emergency conditions.

The University Senate Committees on Admissions from Secondary Schools and Admissions from Higher Institutions have recently studied the requirements governing the admission of nonresidents of Illinois. On the joint recommendation of these Committees the University Senate recommends to the Board of Trustees that effective with the first semester after official action is taken:

1. A nonresident of Illinois seeking admission as a freshman must rank in the upper 75 per cent of his high school graduating class.
2. A nonresident of Illinois seeking transfer to any undergraduate curriculum must present a scholarship average of at least 3.0 in terms of the grading system of the University of Illinois.

I concur and recommend that these changes become effective beginning the second semester of 1951-1952.

On motion of Mr. Johnston, this recommendation was approved.

CHANGE IN REQUIREMENTS IN PHYSICAL EDUCATION FOR MEN

The Department of Physical Education for Men has been experimenting with the use of the Illinois Motor Fitness Test as a motivating device instead of using it to classify students in the general service program of physical education (as distinguished from the professional curriculum in physical education), which was the original purpose of the requirement. Now all men students registered in freshman and sophomore physical education service classes take the Motor Fitness Test as part of the exercise program of each course. Those failing to achieve satisfactory scores are assigned to a course in developmental activities, unless they have already received credit for such training. This method of using the Motor Fitness Test has proved to be better than the former method used because the test serves as a constant motivation for maintenance of physical fitness.

The Physical Education for Men staff meets all freshmen students in small groups (twenty-five to thirty) during Freshman Week preceding registration for an orientation and guidance session which helps students in understanding the physical education requirements. It also helps them to appreciate the opportunities available in the physical education program and guides them in selection of activities.

The Director of the School of Physical Education recommends that the present requirement that all undergraduate men students, with certain exceptions, be required to take a motor fitness test before registering in the University, which requirement was adopted by the Board of Trustees on April 18, 1946, at the request of the School of Physical Education and the Department of Physical Education for Men, be rescinded.

I concur.

On motion of Mr. Hickman, this recommendation was approved.

PETTY CASH FUND FOR CIVIL ENGINEERING SURVEYING CAMP

The University of Illinois maintains a Civil Engineering Surveying Camp near Blackduck, Minnesota. The camp is operated during the summer to provide field experience for civil engineering students.
Financial operations of the camp can be expedited if a petty cash account is established in a bank at Blackduck, Minnesota. The Comptroller recommends an appropriation of $400 as the working capital for such an account and the approval of the Blackduck State Bank as the depository. The Treasurer of the Board of Trustees concurs in the recommendation of this bank as the depository.

I concur.

On motion of Mr. Hickman, the Blackduck, Minnesota State Bank was approved as the depository for the Civil Engineering Surveying Camp petty cash fund, and an appropriation of $400 was made from the General Reserve Fund to provide the working capital for this account. This action was taken by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stevenson.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES
(12) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

**Chicago Professional Colleges and Chicago Undergraduate Division**

1. Equipment for the Department of Neurology and Neurological Surgery............................................. $ 2,500
2. Remodeling in the Department of Anatomy........................................ 3,300
3. Cages for the Animal Hospital........................................ 1,800
4. Crating and shipping of research equipment for the Department of Physical Medicine............................... 2,000
5. Remodeling at the Chicago Undergraduate Division to provide quarters for Air Force R.O.T.C.................................. 6,425
6. Equipment for the Chicago Professional Colleges............................
   College of Dentistry........................................... $ 4,500
   College of Medicine........................................... 7,000
   College of Pharmacy........................................... 11,200

**Urbana-Champaign Campus**

7. Remodeling in Horticulture Field Laboratory for the Department of Food Technology........................................... 6,200
8. Equipment (rolling mill) for the Department of Mining and Metallurgical Engineering........................................... 9,000

**Total**............................................................................................................................................. $53,925

I recommend that these appropriations be made from the General Reserve Fund.

On motion of Mr. Johnston, these appropriations were made by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stevenson.

**CONTRACT FOR DEMOLITION OF BUILDINGS TO CLEAR SITE OF EAST DENTISTRY-MEDICINE-PHARMACY BUILDING, CHICAGO**
(13) The Director of the Physical Plant and the Comptroller recommend award of a contract for $2,567 to the McKay Contractors, Chicago, the lowest bidder, for demolition of buildings at 818, 830, and 910 South Hermitage Avenue to complete clearance of the site for the East Dentistry-Medicine-Pharmacy Building. The Board of Trustees on November 23, 1951, approved a contract for the demolition of seventeen other buildings in this area.

Funds are available in the state appropriation for the construction of the East, Dentistry-Medicine-Pharmacy Building and have been released by the Governor.

I recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Nickell, this contract was authorized.
(14) The Director of the Physical Plant and the Comptroller recommend award of a contract for $6,978 to the Mueller Construction Company, Chicago, the lowest bidder, for replacement of metal doors in buildings on the Chicago Professional Colleges campus. A number of the exterior metal doors have deteriorated to such an extent that it is more economical to replace them than to remove, repair, and refinish them.

Funds are available in the Physical Plant Department budget.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was authorized.

PURCHASE OF 1103 WEST GREEN AND 1108 WEST ILLINOIS, URBANA

(15) The University has an opportunity to purchase the property at 1103 West Green Street, Urbana, immediately east of the Student and Staff Apartments, and at 1108 West Illinois Street (contiguous properties), the latter adjoining University property at 1110 West Illinois. The price is $72,875, payable $20,000 on conclusion of a contract, and the balance on or before June 30, 1953, with interest at 4 per cent on the unpaid balance.

This property is in the probable zone of University expansion on the east side of the campus. It has 74.75 feet frontage on each street and is 46.6 feet deep. It is improved with two frame houses in reasonably good condition. The property has been appraised at $66,000 but the owners will not accept less than $72,875. This price is reasonable in comparison with other property purchases made by the University. The land will ultimately be needed for additional parking space for the Student and Staff Apartments, particularly when the parking area on the north side of Green Street is required for building construction. The two houses can be used as cooperative houses.

Funds for the initial payment required for this purchase are available in funds received by the University of Illinois Foundation from the sale of prefabricated houses and held by the Foundation for the University. The balance would have to be met from nonrecurring funds later in the current biennium, 1951-1953. This purchase is recommended by the Chairman of the University Building Program Committee (faculty committee), the Provost, the Director of the Physical Plant, and the Comptroller.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to conclude the necessary contract and that funds required for the initial payment be assigned from moneys held by the University of Illinois Foundation for the University.

On motion of Mr. Johnston, the purchase of these properties was authorized by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stevenson.

RELEASE OF PATENTABLE DISCOVERY

(16) Associate Professor George B. Clark of the Department of Mining and Metallurgical Engineering reports the invention of a new type of manometer designed to measure average velocities of air in closed ducts.

In the judgment of other experts, although this design is most ingenious, the potential market for such a device is very limited. In a period of two or three years, probably not more than fifty units would be purchased.

Under the circumstances, the University Patent Committee and the Chairman of the University Research Board do not believe that the University would be justified in expending the money to secure the patent and they, therefore, recommend release of the patent rights to Professor Clark.

I concur.

On motion of Mr. Hickman, this recommendation was approved.
USE OF UNIVERSITY PREMISES FOR ADDRESSES
BY CANDIDATES FOR PUBLIC OFFICE

(17) On December 3, 1951, the University Senate approved for transmission to
the Board of Trustees the following resolution concerning political speakers:

"Resolved: That the Senate of the University of Illinois favors the use of
university buildings, grounds, and facilities by or on behalf of candidates for
nomination or election to state or national offices, subject to the following regu-
lations:

1. The speaker shall be a member of a political party having legal status
in the State of Illinois.
2. The speaker shall be sponsored by a recognized student organization, a
faculty group, or a University Department."

This resolution was discussed fully at the meeting of the University Senate
and was passed by an overwhelming majority. This matter has come before the
Board previously, at the request of the Student Senate, representative of all
undergraduate students at Urbana-Champaign, in essentially the same form.1

It is clear from these actions of the student and faculty bodies that it is not
the intention to use University buildings for political purposes, but for the
enlightenment of students and staff members with respect to state and national issues.

I know the attitude of the faculty well enough to state that it is solidly opposed
to any form of political interference with policy-making or administration in the
University of Illinois.

I concur in the recommendation of the University Senate.

On motion of Mr. Hickman, this recommendation was disapproved.

On motion of Mrs. Holt, these certificates were awarded.
The University has received a contribution of $45,000 from the Chevrolet Division of the General Motors Corporation to pay the expenses of sending the University of Illinois Band to Pasadena, California, for participation in the ceremonies at the Stanford-Illinois game on January 1, 1952, and in other public functions on the West Coast. I have accepted this contribution and now report it for official public record. An official expression of appreciation on behalf of the Board of Trustees is being sent to the executives of the General Motors Corporation.

On motion of Mr. Fornof, the President's action was confirmed and the contribution was accepted.

REPORT OF GENERAL POLICY COMMITTEE ON TAX STATUS OF STUDENT AND STAFF APARTMENTS IN URBANA

Mr. Johnston, for the Committee on General Policy, presented the following report.

On October 23, 1951, the President of the Board referred to the General Policy Committee a letter from Harley H. Harmon, a member of the Urbana Board of Education, dated October 15, 1951, requesting that the Board of Trustees make "payments in lieu of taxes" on the Student and Staff Apartments at Green and Goodwin, Urbana. The Committee referred this matter to the Comptroller for discussion with the Legal Counsel and the Director of the Physical Plant.

The first requisite to consideration of payment for services is that the property be exempt from taxation. The Student and Staff Apartments have been now assessed for taxes for 1951 and the Board of Review has confirmed this assessment over the University's objection, reversing its action on the same question a year ago on the first unit, title to which is held in trust by the University of Illinois Foundation. The second unit, title to which is held by the University, is assessed for the first time this year. If this ruling stands, the University will have to pay taxes on the property and cannot make other payments for services. It is the opinion of the Legal Counsel that the property is tax exempt and it is highly important that this status be firmly established.

In consideration of the foregoing, the General Policy Committee recommends:

1. That the Board of Trustees direct the University Legal Counsel to take any and all steps that he considers necessary or desirable to establish and maintain the tax exempt status of the Student and Staff Apartments.

2. That University officers then continue their study to ascertain what services are rendered to the University by local taxing bodies and what would constitute proper compensation for such services, and make recommendations thereon to the President of the University.

On motion of Mr. Johnston, the report of the Committee was adopted and the recommendations were approved.

DEATH OF MR. ORVILLE M. KARRAKER

The Secretary reported that word had been received of the death on December 16, 1951, at Dixon, of Mr. Orville M. Karraker, a former member of the Board.

On motion of Mr. Nickell, the Secretary was directed to prepare a memorial resolution for adoption by the Board at its next meeting.

MEMBERS OF GENERAL ASSEMBLY TO BE GUESTS OF THE BOARD OF TRUSTEES

On motion of Mrs. Watkins, the Secretary was instructed to invite State Senator Everett R. Peters, Representatives Charles W. Clabaugh, Ora D. Dillavou, and Paul Stone of the Twenty-fourth Senatorial District of Illinois to be the guests of the Board of Trustees at luncheon at its next meeting.
On motion of Mr. Herrick, the Board voted to hold the January meeting on Monday, January 21, 1952, at the Chicago Undergraduate Division, Chicago, Illinois, the hour to be determined by the President and Secretary of the Board.

APPRECIATION TO THE OFFICERS OF THE FIRST NATIONAL BANK OF CHICAGO

On motion of Mr. Johnston, the Secretary was instructed to write to the President of the First National Bank of Chicago expressing the appreciation of the Board for the hospitality of the officers of the Bank.

LETTERS FROM LABOR ORGANIZATIONS

President Livingston announced that he had received letters from the Second Vice-President of the International Union of Operating Engineers concerning the status of a former employee at the Chicago Undergraduate Division, and from the Representative of the University of Illinois Employees Union 698, American Federation of State, County, and Municipal Employees on the subject of merit increases for the nonacademic staff. Mr. Livingston stated that these letters were being referred to the Committee on Nonacademic Personnel.

EXECUTIVE SESSION

At the request of Mr. Fornof, the Board considered the following matters of business in Executive Session.

REPORT OF THE FINANCE COMMITTEE ON REQUEST OF MRS. SARAH GRIMM

Mr. Fornof, for the Finance Committee, presented the following report.

At the meeting of the Board of Trustees on September 19, 1951, Mr. Herrick reported that Mr. Marshall Miller, Attorney, Champaign, representing Mrs. Sarah Grimm, sister of the late Professor George A. Miller, had called on him to ask that the Board of Trustees make some financial provision for Mrs. Grimm from the funds it will receive under his will. This request was referred to the Finance Committee for consideration.

The Committee has had two meetings. On October 18, 1951, the Committee heard Mr. Miller who appeared with an associate to present the request personally. On December 17, 1951, the Committee met again to discuss this matter.

The Committee recommends to the Board that the request be denied.

On motion of Mr. Fornof, this report was adopted and the recommendation of the Committee was approved.

GIFT OF MR. AND MRS. HARLAN H. HORNER

The President presented the following recommendation.

Harlan H. Horner and Henrietta Calhoun Horner of Albany, New York, both alumni of the University, Class of 1901, offer the Board of Trustees of the University of Illinois and the University of Illinois Foundation a valuable and important collection of books, manuscripts, portraits, photographs, busts, and other materials pertaining to Abraham Lincoln and his times for the purpose of establishing a "Lincoln Collection" at the University of Illinois. In return they ask the University to arrange for the transfer of the collection from Albany to the University and to provide adequate quarters for the housing of this collection in the University Library in a room to be known as the "Lincoln Room." The donors plan to encourage their classmates of the University of Illinois Class of 1901 to contribute materials to this collection through the University of Illinois Foundation, and also to a permanent fund to be raised and established by the Foundation for maintaining and expanding the collection. In this way, the collection will also be a Class of 1901 memorial.

Mr. and Mrs. Horner request the Board of Trustees of the University of
Illinois and the Board of Directors of the University of Illinois Foundation to enter into an agreement with them relative to the acceptance of their offer which is presented in a formal deed of gift.

I recommend that this offer be accepted and that the Comptroller and the Secretary of the Board be authorized to execute the agreement on behalf of the University. It has already been executed by Mr. and Mrs. Horner and by officers of the Foundation.

On motion of Mr. Johnston, this offer was accepted, and authority was granted as recommended.

PARK LIVINGSTON
President
MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

January 21, 1952

The January meeting of the Board of Trustees of the University of Illinois was held at the Chicago Undergraduate Division at Navy Pier, Chicago, Illinois, on Monday, January 21, 1952, beginning at 12:30 p.m.

The following members of the Board were present: President Livingston, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Megran, Mr. Nickell, and Mrs. Watkins.

Also present were: President George D. Stoddard, Provost Coleman R. Griffith, Dean E. R. Serles of the Chicago Professional Colleges, Dean C. C. Caveny of the Chicago Undergraduate Division, Mr. Howard A. Hazleton, Business Manager of the Chicago Departments, Mr. Ralph F. Lesemann, Legal Counsel, Mr. J. F. Wright, Director of Public Information, Mr. Lloyd Morey, Comptroller, Mr. C. W. Weldon, Treasurer, and Mr. A. J. Janata, Secretary of the Board.
INSPECTION OF FACILITIES AT NAVY PIER

Prior to the meeting, several members of the Board and other University officials inspected the quarters and facilities of the Chicago Undergraduate Division at Navy Pier. At the conclusion of this inspection the Board recessed for luncheon in the Faculty Dining Room of the Chicago Undergraduate Division.

OFFICIAL GUESTS OF THE BOARD

Guests of honor at the luncheon and at the Board meeting were Senator Everett R. Peters and Representatives Charles W. Clabaugh and Ora D. Dillavou of the Twenty-fourth Senatorial District, General Assembly of Illinois. Representative Paul Stone had also been invited but was unable to attend.

President Livingston and President Stoddard expressed the appreciation of the Board of Trustees and of the University administration to these gentlemen for their distinguished services in sponsoring and securing passage of appropriation bills and other legislation essential to the development of the University of Illinois. Messrs. Peters, Clabaugh, and Dillavou responded.

At the request of President Livingston, Dean Caveny spoke about the operations and programs of the Chicago Undergraduate Division.

Following the luncheon recess the Board convened in the Office of the Dean of the Chicago Undergraduate Division.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of November 23 and December 17, 1951, press proof copies of which had been sent to all members of the Board in advance.

On motion of Mr. Johnston, the minutes were approved as printed on pages 1289 to 1334, inclusive.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following reports and recommendations from the President of the University.

CLAIM OF MRS. SARAH GRIMM AGAINST THE ESTATE OF GEORGE A. MILLER

(1) Mrs. Sarah Grimm, sister of the late Professor George A. Miller, has instituted legal proceedings seeking to have set aside his will bequeathing his estate to the University of Illinois. She had previously requested the University to make a financial settlement on her from the proceeds of the estate. The Board denied this request on December 17, 1951. At that time Mrs. Grimm had not filed suit.

Her attorney has indicated that he will consider a modest settlement out of court. Such a settlement would be defensible provided it does not exceed the probable cost of defending the suit and can be effected without affording Professor Miller's other heirs any opportunity to contest further the will in the suit.

Accordingly, I recommend that the Legal Counsel and the Comptroller be authorized, in cooperation with the Executor of Professor Miller's estate and his Counsel, to negotiate a settlement which in their judgment is feasible and defensible, all equitable interests being considered, and which will be within the indicated limit as to amount if they find it can be effected in such manner as will preclude any attempt being made by Professor Miller's other heirs to contest his will in the courts.

On motion of Mr. Fornof, the Board voted to reconsider its action
on December 17, 1951 (Minutes, page 1332), denying the previous request presented by Mrs. Grimm’s attorney, and authorized the Legal Counsel and the Comptroller to negotiate a settlement as recommended.

At this point, Mr. Hickman withdrew.

APPOINTMENTS TO THE FACULTY

(2) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. LINDSAY M. BLACK, Professor of Botany, beginning September 1, 1952, at an annual salary of $9,000 (A).
2. NATHANIEL H. EISEN, Assistant Professor of Psychology, beginning January 1, 1952, at an annual salary of $4,800 (DY).
3. ROMEO RALPH LEGAULT, Professor of Food Technology, beginning February 15, 1952, at an annual salary of $9,500 (AY).
4. JAMES KENNETH McDERMOTT, Assistant Extension Editor, with rank of Assistant Professor of Agricultural Extension, beginning February 1, 1952, at an annual salary of $8,000 (DY).
5. JULIAN H. STEWARD, Professor of Anthropology, beginning September 1, 1952, at an annual salary of $11,000 (A).

On motion of Mrs. Watkins, these appointments were confirmed.

ACADEMIC RANKS OF ARMY, NAVY, AND AIR FORCE PERSONNEL STATIONED AT THE UNIVERSITY OF ILLINOIS

(3) All Army, Navy, and Air Force officers assigned to Reserve Officers’ Training Corps duty at the University of Illinois are members of the University faculty and should have appropriate academic rank. A policy relating to this matter established by the Board of Trustees in 1919 is no longer adequate because of changing conditions.

I therefore recommend that the following academic ranks be authorized:
1. Commandants of the three services to be Professors;
2. The officers in charge of a satellite or branch R.O.T.C. unit at the Chicago Professional Colleges and the Chicago Undergraduate Division to be Associate Professors;
3. The executive officers of the three services to be Associate Professors;
4. All other officers to have academic rank related to military rank:
   - Lieutenant Colonel and Colonel in the Army, Air Force, and Marine Corps, and Captain and Commander in the Navy to be Associate Professors,
   - First Lieutenant to Major, and Lieutenant (j.g.) to Lieutenant Commander in the Navy to be Assistant Professors,
   - Warrant Officers and Second Lieutenants and Warrant Officers, Commissioned Warrant Officers, and Ensigns in the Navy to be Instructors.
   - Enlisted personnel in all services to be Assistants.

On motion of Mr. Megran, these academic ranks were authorized.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(4) The Committee on Accountancy recommends that the following persons be awarded the certificate of Certified Public Accountant on the basis of having satisfactorily passed a written examination under Section 4b of the Accountancy Act of 1943, as amended in 1951, given by the Special Board of Examiners:

On motion of Mr. Nickell, these certificates were awarded.

I concur.
He is understandably desirous of returning to his duties in the College of Agriculture on a full time basis.

Accordingly, I have (a) relieved Dean Hudelson of his assignments as Acting Dean of the College of Commerce and Business Administration and as Acting Chairman of the Department of Economics; and (b) appointed Dean Green as Acting Chairman of the Department of Economics to serve until further notice; these changes to be effective as of February 1, 1952.

Confirmation of these actions is requested.

As Dean Hudelson returns to his work in the College of Agriculture which he consented to relinquish a year ago, I wish to record my appreciation of his splendid service in these multiple capacities. He has carried on admirably the administrative duties of the College of Commerce and Business Administration. He has been eminently fair-minded in all his contacts, endowing them with the benefit of a wise and rich experience.

On motion of Mr. Johnston, these actions were confirmed, and the Secretary was requested to express to Dean Hudelson the appreciation of the Board of his fine services and devotion to the University in the administrative posts he has held during the past year.

DEPARTMENT OF PREVENTIVE MEDICINE

(6) The Dean of the College of Medicine and the Vice-President in Charge of the Chicago Professional Colleges recommend that the Department of Preventive Medicine be merged with the Department of Medicine. At present the headship of the Department of Preventive Medicine is vacant, Dr. Harry F. Dowling having been appointed Head of the Department of Medicine.

The evolution of the program in preventive medicine leads to its organization as a department in a school of public health. Should a school of public health be established, the return to a departmental status could be accomplished without difficulty.

I concur.

On motion of Mr. Fornof, this recommendation was approved.

SCHOOL OF NURSING

(7) The Board of Trustees has not formally established a school of nursing. However, its authorization is implicit in the existing agreement with the State Department of Public Welfare, recognizing the need for a school of nursing, and in financial provisions subsequently made for nursing education.

To give official status to the School of Nursing, I therefore recommend that the Board of Trustees hereby formally establish a School of Nursing as a division of the Professional Colleges of the University of Illinois in Chicago.

On motion of Mrs. Holt, this recommendation was approved.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(8) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

1. Remodeling in Vivarium for the Department of Zoology .................. $10,000
2. Alterations necessary to convert the house at 1204 West Oregon, Urbana, into an office and classroom building for the School of Social Work .. 10,000
3. Remodeling in the Natural History Building for the Department of Botany ........................................... 20,000
4. Remodeling and equipment in the Natural History Building for the Department of Physiology ........................................ 10,380
5. Remodeling in Sanitary Engineering Laboratory ........................................ 4,100

Total ........................................................... $54,480

I recommend that these appropriations be made from the General Reserve Fund.

On motion of Mr. Nickell, these appropriations were made by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mrs. Holt, Mr. John-
ston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Hickman, Mr. Stevenson.

APPROPRIATION FOR THE PURCHASE OF LAND

(9) On April 21, 1949 (Minutes, page 310), the Board of Trustees authorized the purchase of the 320-acre McCullough Farm, adjoining University farm lands south of the campus at Urbana-Champaign. The purchase was on a contract providing for annual payments. The last installment, amounting to $15,000, is due on March 1, 1952. Interest on the unpaid balance is charged to the income from the farm.

The Dean of the College of Agriculture and the Comptroller recommend an appropriation of $15,000 from the General Reserve Fund for this payment.

I concur.

On motion of Mr. Johnston, this appropriation was made by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Hickman, Mr. Stevenson.

APPROPRIATION OF AGRICULTURAL INCOME

(10) The Dean of the College of Agriculture and the Comptroller recommend an appropriation of $4,500 from excess receipts over estimated budgeted income of the Department of Dairy Science for the purchase of a replacement for a 1937 one and one-half ton truck, the purchase of a replacement for a three-quarter ton jeep, and for overhauling a one and one-half ton 1946 truck.

I concur.

On motion of Mr. Megran, this appropriation was made by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Hickman, Mr. Stevenson.

RELEASES OF PATENTABLE DISCOVERIES

(11) The University Patent Committee submits the following reports and recommendations relating to potentially patentable discoveries:

1. Assistant Professor Lloyd L. Kempe of the Department of Food Technology, who joined the University faculty in 1950, brought with him an idea for a continuous hydrostatic pressure cooker for canned foods which would permit an increase in the temperature at which liquid water can be used for heat treatment of canned foods. The hydrostatic pressure would also be used to neutralize externally the steam pressure developed inside tin cans during pressure cooking and permit a gradual reduction of the external pressure while the cans are cooled. Professor Kempe has since developed a small model which he believes demonstrates the validity of his idea.

The Department of Food Technology is not at present equipped or prepared to undertake large-scale development work such as would be required for an invention of this kind. Hence, the University Patent Committee recommends that all rights be released to Professor Kempe with the understanding that no University facilities or time will be spent on its further development.

2. Messrs. Edward F. Moore and Theodore Shapin, Jr., working in the electronic digital computer laboratory, have prepared a report concerning a magnetic drum-controlled computer which they believe might be subject to patent coverage. This computer would be faster than a relay computer but slower than an electronic computer. The advantages in this type of computer are low cost and few components, and the ability to change the list of machine orders without changing any electrical circuitry by recording new control signals on the drum.

The University Patent Committee is of the opinion that the University should not spend money for seeking patent protection on the possible invention claimed. Since this work was supported by the Office of Naval Research, the Committee recommends that the University declare its intention not to seek patent protection on the drum-controlled computer and to release all rights to the
inventors, subject first to full and complete clearance by the Office of Naval Research.

3. Mr. Peter Baram, a graduate student in bacteriology in the College of Medicine, recently isolated a soil actinomycetes capable of inhibiting, in vitro, several fungi pathogenic for man as well as certain pathogenic bacteria. He has inquired whether or not patent rights should be established by the University for this organism.

Dr. Milan Novak, Head of the Department of Bacteriology, has pointed out that the antibiotic has very little chance of becoming useful in therapy because it is such a toxic material. Hundreds of antibiotics have been discovered but most of them must be discarded because of their toxicity, and Mr. Baram's discovery appears to be in this class. Accordingly, the University Patent Committee recommends that all rights be released to Mr. Baram to develop as he may see fit.

I concur.

On motion of Mrs. Holt, these recommendations were approved.

REFINANCING MEN'S RESIDENCE HALLS BONDS

(12) The Board of Trustees has authorized the expansion of Residence Halls facilities at Urbana-Champaign and refinancing of the present bond issue on the Men's Residence Halls. A resolution, prepared by Chapman and Cutler, attorneys, Chicago, exercising the option of redeeming these bonds is presented for adoption.

Resolution Exercising Option to Redeem
$233,000 University of Illinois Men's Residence Halls Revenue Bonds of 1948.

WHEREAS this Board of Trustees of the University of Illinois has heretofore determined to borrow money and issue Revenue Bonds for the purpose of building an additional unit to the Men's Residence Halls to be located at 1233 and 1247 South Fourth Street, Champaign, Illinois, and to remodel Busey and Evans Halls, residences for women located at 1111-1115 West Nevada Street, Urbana, Illinois, and preparations are being made to borrow money and in evidence thereof to issue revenue bonds for that purpose; and

WHEREAS there are presently outstanding University of Illinois Men's Residence Halls Revenue Bonds of 1948 in the principal amount of $233,000, dated March 1, 1948, numbered from 168 to 400, inclusive, due serially on September 1, 1952, and March 1 and September 1 of each of the years 1953 to 1959, inclusive, and on March 1, 1960, for the payment of which the revenues of the Men's Residence Halls located at 1215 South Fourth Street, Champaign, Illinois, have been pledged, and this Board of Trustees deems it necessary, advisable, and in the interests of the University that all of the outstanding University of Illinois Men's Residence Halls Revenue Bonds of 1948, maturing after March 1, 1952, be called for redemption, in accordance with their terms, and that sufficient revenue bonds be issued to refund said outstanding bonds; and

WHEREAS pursuant to the resolution adopted on the 21st day of February, 1948, by this Board of Trustees authorizing the issuance of said bonds, it is provided that said bonds may be redeemed on any interest payment date on or after March 1, 1951, up to and including September 1, 1953, at par and accrued interest and a premium of two per cent (2%) of the principal amount thereof; and

WHEREAS it is deemed advisable and in the interests of the University of Illinois that this Board of Trustees exercise its option to redeem said bonds on March 1, 1952, and to issue revenue bonds to refund the same;

Now, Therefore, Be It Resolved by the Board of Trustees of the University of Illinois, as follows:

SECTION 1. That this Board of Trustees of the University of Illinois exercise its option to redeem all of its outstanding University of Illinois Men's Residence Halls Revenue Bonds of 1948, maturing as set forth in the preambles of this resolution.

SECTION 2. That the Comptroller of the University and the Secretary of this Board be and are hereby directed to give notice of the redemption of said bonds on March 1, 1952, by publication of notice at least once not less than thirty days
prior to March 1, 1952, in the Chicago Journal of Commerce Edition of the
Wall Street Journal, published and of general circulation in the city of Chicago,
Illinois, and that such notice of redemption shall be substantially in the fol-
lowering form:

NOTICE OF INTENTION TO REDEEM $233,000
UNIVERSITY OF ILLINOIS MEN'S RESIDENCE
HALLS REVENUE BONDS OF 1948.

TO THE HOLDERS OF THE OUTSTANDING
UNIVERSITY OF ILLINOIS MEN'S RESIDENCE
HALLS REVENUE BONDS OF 1948, NUMBERED
168 TO 400, INCLUSIVE:

You and each of you are hereby notified that the Board of Trustees of the
University of Illinois has determined to exercise its right of redemption of its
outstanding University of Illinois Men's Residence Halls Revenue Bonds of 1948
in the principal amount of $233,000, numbered and maturing as follows:

The undersigned will deposit on or prior to March 1, 1952, the amount
necessary to make payment of the redemption price provided in respect of said
above described bonds called for redemption which in each case consists of the
principal amount thereof, plus accrued interest and a premium of two per cent
(2%) of said principal amount.

There will on or prior to March 1, 1952, be deposited with the First National
Bank of Chicago, in the city of Chicago, and state of Illinois, the paying agent
and Depositary for said bonds, for payment to the holders of said bonds the
amount necessary to pay and redeem the same, together with all proper charges
and expenses of the paying agent.

Payment will be made to the respective holders of the bonds on presentation
at the First National Bank of Chicago of said bonds accompanied with interest
coupons maturing on the date of redemption and all subsequent coupons.

The resolution authorizing the issuance of said outstanding bonds of said
University of Illinois provides that from and after the designated redemption
date interest in respect of all bonds so called for redemption shall cease.

By order of the Board of Trustees of the University of Illinois.

Dated this 21st day of January, 1952.

LLOYD MOREY
Comptroller
A. J. JANATA
Secretary

SECTION 3. That the Secretary be and is hereby authorized and directed to
file a certified copy of this resolution with the First National Bank of Chicago,
in the city of Chicago, Illinois, as paying agent and Depositary of the outstanding
University of Illinois Men's Residence Halls Revenue Bonds of 1948, notifying
1952]  UNIVERSITY OF ILLINOIS  1343

said bank of the fact that the University has exercised its option to call and redeem bonds numbered 168 to 400, inclusive, of said issue, and that funds will be deposited with said bank on or before March 1, 1952, as paying agent, for the payment and redemption of said bonds, and will also deposit with said bank as Depositary of said issue funds sufficient to pay bonds numbered 146 to 167, inclusive, of said issue which mature on March 1, 1952.

On motion of Mr. Nickell, this resolution was adopted by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Hickman, Mr. Stevenson.

SIGNING OF REVENUE BONDS

The Comptroller stated that the new University of Illinois Men's Residence Halls revenue bonds to be issued to provide funds for the construction of additional residence halls facilities and to redeem the outstanding bonds issued in 1948 will require the signatures of the President and Secretary of the Board, and of two other Trustees designated by the Board.

On motion of Mr. Nickell, Mr. Wirt Herrick and Mrs. Frances B. Watkins were designated to sign the bonds with the President and Secretary of the Board.

ACTION BY THE EXECUTIVE COMMITTEE ON BIDS FOR FINANCING OF THE MEN'S RESIDENCE HALLS ADDITIONS

(13) Bids will be received on February 14, 1952, for the issue of $1,750,000 revenue bonds to finance in part the expansion of the Men's Residence Halls facilities on the Urbana campus. It is desirable that the successful bidder be notified on the date on which bids are received.

The Comptroller recommends that the Executive Committee of the Board of Trustees be authorized to award the issue to the qualified bidder submitting the offer which represents the lowest interest cost to the University.

I concur.

On motion of Mr. Johnston, this recommendation was approved.

PURCHASES

(14) The Director of Purchases has proposed and the Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest bid.

I concur.

CONTRACT FOR CONSTRUCTION AND INSTALLATION OF AN EXHIBIT ON THE HUMAN HEART

The Director of the Physical Plant and the Comptroller recommend award of a contract for $62,962 to Olson Designers, Chicago, the lowest bidder, for the construction and installation of a medical exhibit on the human heart in the Museum of Science and Industry, Chicago.

The work will consist of the construction of seventeen displays in accordance with specifications prepared by the Illustration Studios of the College of Medicine.

The Chicago Heart Association has made a grant of $75,000 to the University for this purpose.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Nickell, this contract was authorized.

ADDITIONS TO CONTRACT FOR EQUIPMENT FOR ANIMAL SCIENCES LABORATORY

The Director of the Physical Plant and the Comptroller recommend increases in the contract with the Metalab Equipment Corporation, Brooklyn, New York, for laboratory equipment for the Animal Sciences Laboratory as follows:

- Additional laboratory equipment, redesigning of equipment, and additional installation work on fourth floor of west wing required by rearrangement of laboratory space: $6,178.65
- Furnishing and installation of locks on doors and drawers of laboratory equipment: $3,998.05

The architects for the building and Physical Plant Department officials have checked these costs of the additional work and report they are reasonable.

Funds are available in the state appropriation for the construction of this building.

I concur and recommend that the Comptroller be authorized to execute these changes in the contract.

On motion of Mr. Fornof, these contract changes were authorized.

PURCHASE OF AUTOMOBILE

President Livingston presented the following recommendation from the Physical Plant Department:

The DeSoto Sedan, Vehicle No. 202 in the University's fleet of trucks and cars, assigned for the use of the President of the University, will be due for replacement shortly in accordance with the University's practice of replacing passenger cars. It would be advantageous to replace this vehicle somewhat ahead of schedule because major repairs and replacements of parts will be necessary in the near future.

On the basis of quotations secured on cars in the medium price field, the Physical Plant recommends the purchase of an eight-passenger Chrysler Saratoga Sedan at a net price of $2,381.51, plus turning in the present DeSoto Sedan. This is the best deal considering the specifications of the car. The present DeSoto is a six cylinder, 116 horsepower vehicle and while it has given satisfactory service it has required a considerable amount of maintenance work and replacement of parts because an engine of this power is evidently not adequate for the load the vehicle is frequently required to carry. A Chrysler Saratoga has an eight cylinder, 180 horsepower engine. It would cost approximately $720 more than the net price of another DeSoto of the same type as the vehicle to be replaced, but it buys an engine of 55 per cent more horsepower in addition to other improvements. The Physical Plant Department believes that the Chrysler Saratoga will provide greater safety, driving comfort, reliability, and service than any of the other cars on which bids were taken.

Funds have been budgeted in the Physical Plant Department's Truck and Car Renewal and Replacement Schedule for this purchase.

On motion of Mr. Johnston, this purchase was authorized.
REPORT OF THE COMMITTEE ON TELEVISION

Mr. Livingston, Chairman of the special Committee on Television, presented the following report:

On request of the President of the Illinois Broadcasters Association, the Board of Trustees Committee on Television met with a Committee of the IBA at 2:00 p.m., January 16, 1952, in the Electric Club of Chicago, 20 North Wacker Drive, Chicago, Illinois. The following were present:

University of Illinois representatives:
- President Park Livingston and Mr. Wirt Herrick of the Trustees Committee
- President George D. Stoddard
- Dean Wilbur Schramm
- Director R. B. Hudson
- Director J. F. Wright
- Mr. A. J. Janata, Secretary of the Board.

Illinois Broadcasters Association representatives:
- Mr. Merrill Lindsay, Chairman, Station WSOY, Decatur
  Past President, IBA
  Director, National Association of Radio & Television Broadcasters
- Mr. J. Ray Livesay, Station WLBH, Mattoon
  President, IBA
- Mr. Oliver J. Keller, Station WTX, Springfield
  Vice-President, IBA
- Mr. Leslie C. Johnson, Station WHBF, Rock Island
  Past Vice-President, IBA
  Past Director, NARTB
- Mr. Charles C. Caley, Station WMBD, Peoria
  Director, IBA
  Past Director, NARTB

The meeting was opened by Mr. Park Livingston, Chairman of the Board of Trustees Committee, who asked the Illinois Broadcasters Association Committee to present their views. At the request of Mr. Lindsay, Chairman of the IBA Committee, Mr. Livesay, President of the IBA, presented a prepared statement:

Statement of the ILLINOIS BROADCASTERS ASSOCIATION in regard to the reservation of channels for educational institutions and the operation of television transmitters by tax-supported or non-profit organizations.

1. The ILLINOIS BROADCASTERS ASSOCIATION is unalterably opposed to the University of Illinois, or any other tax-supported institution or non-profit organization, engaging in competitive commercial enterprises, be they television or otherwise.

2. Further, the ILLINOIS BROADCASTERS ASSOCIATION is opposed to the University of Illinois, or any other tax-supported institution, committing enormous construction and operating funds for television transmitting stations without prior hearing and approval by the State Legislature; these costs would amount to hundreds of thousands of dollars for initial construction plus hundreds of thousands of dollars annually in perpetuity, for operation.

3. The ILLINOIS BROADCASTERS ASSOCIATION believes that educational programming has an important place in television; the broadcasters of the state have declared they would welcome meritorious TV programs produced by our state educational institutions. At the same time, the IBA is opposed to the control of adult education by any organized group.

4. The ILLINOIS BROADCASTERS ASSOCIATION opposes the operation of tax-supported radio and television stations except on a basis complementary to existing commercial station programming.

5. It appears obvious from the last minute efforts of the University of Illinois and the Joint Committee for Educational Television that their efforts of the past
few years to secure reservations of channels from the Federal Communications Commission for the use of educational institutions were based on fictitious economic assumptions; it follows that the question may well be raised as to whether the television program planning has been equally unrealistic.

Recommendations of the ILLINOIS BROADCASTERS ASSOCIATION to the University of Illinois Board of Trustees.

1. The University of Illinois abandon all consideration of commercial television station operation.
2. The University of Illinois abandon its plans for a non-commercial television station at this time.
3. The University of Illinois establish a television training course as part of the University curriculum.
4. If a conclusion is ultimately reached that a need exists for a complementary educational television transmitting station in a geographical area contiguous to University of Illinois educational operations, that the Board of Trustees submit a complete analysis and proposal to the State Legislature, requesting construction and operating funds, so that the people of Illinois may be fully informed.
5. Finally, the ILLINOIS BROADCASTERS ASSOCIATION re-states the position taken by its membership opposing the reservation of channels for educational TV broadcasting, and suggests that the University of Illinois withdraw its support of the proposals of the Joint Committee for Educational Television to the Federal Communications Commission.

At the request of the IBA representatives, Mr. Livingston discussed the report made by the Board of Trustees Committee on Television to the Board at its meeting on November 23, 1951, and stated that the Board voted approval of the Committee's recommendation "that the University resolve to construct and to operate a television station on a non-commercial basis, and to petition the FCC to permit some commercial use of the reserved channel until such time as the area is adequately served by commercial television stations."

All members of the IBA Committee participated in a discussion of the several points in the formal statement which had been presented by Mr. Livesay. Messrs. Livingston, Herrick, Stoddard, Schramm, and Hudson spoke for the University.

At the conclusion of the meeting, Mr. Livingston stated that the formal statement of the Illinois Broadcasters Association and a report of the discussion which took place at this meeting would be presented to the Board of Trustees of the University, and that there would undoubtedly be further conferences.

The report was discussed by Messrs. Livingston, Herrick, and Stoddard. At the conclusion of this discussion, Mr. Livingston stated that a further conference will be held with representatives of the Illinois Broadcasters Association on a mutually agreeable date, and that all members of the Board were invited to participate.

MEMORIAL TO ORVILLE M. KARRAKER

Mr. Nickell offered the following resolution:

The Board of Trustees of the University of Illinois records with profound sorrow the death on December 16, 1951, of Orville M. Karraker, a former member and one time President of this Board.

Mr. Karraker devoted much of a long and useful life to public service. He graduated from the Southern Illinois Normal University, now the Southern Illinois University, in 1899 and later served his Alma Mater for one year as a trustee. In Harrisburg, Illinois, where he spent much of his life, he served in such public offices as high school principal for two years, as a member and President of the Board of Education for fifteen years, and as Mayor of that city for one term. He was a successful banker and was President of the First National Bank of Harrisburg for many years.
Mr. Karraker served as a member of the Board of Trustees of the University of Illinois for two full terms, from 1933 to 1945, and was President of the Board from 1936 to 1938. He represented this Board on the Board of Trustees of the University Retirement System of Illinois from 1941 to 1945. For several years he also served as Secretary of the Teachers' Retirement System of Illinois.

In reciting these more conspicuous and distinguished areas of public service it should not be overlooked that during his life Mr. Karraker also gave generously of time and energy to civic and philanthropic activities too numerous to detail here.

The Board of Trustees desires to pay tribute to a former colleague who served his community and the state of Illinois faithfully and with distinction by recording this memorial in its official minutes and by sending copies to the surviving members of Mr. Karraker's family as an expression of respect and sympathy.

Comptroller Morey stated that the bid of John Nuveen and Company, representing a syndicate of bidders, meets all of the conditions of the bidding and represents the lowest interest cost to the University.

On motion of Mrs. Watkins, the Executive Committee voted to award the bond issue to John Nuveen and Company and Associates, including also: Stranahan, Harris, and Company; Dempsey and Company; Merrill, Lynch, Pierce, Fenner, and Beane; A. C. Allyn and Company, Inc.; Hornblower and Weeks; Stifel, Nicolaus, and Co., Inc.; and R. J. Edwards, Inc.

John Nuveen and Company later designated the American National Bank
UNIVERSITY OF ILLINOIS

and Trust Company of Chicago, 33 North LaSalle Street, Chicago, Illinois, as its paying agent.

The Executive Committee adjourned.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following reports and recommendations from the President of the University presented in his absence by the Provost.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(1) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded to the following candidates who have qualified under Section 4b of the Accountancy Act of 1943, as amended, by passing a written examination given on December 6, 1951, by the Special Board of Examiners provided for in this Act.

The following candidates have also qualified under this Section by passing examinations given by the Special Board of Examiners at various times prior to December 6, 1951. The certificates of these candidates were invalidated by the Circuit Court of Cook County in 1951 holding Section 4b of the Accountancy Act as originally passed unconstitutional. Subsequently, the Section was amended and is now free from constitutional objection. These candidates have again qualified but new certificates will have to be issued.

The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

On motion of Mr. Nickell, these certificates were awarded.

MEDICAL SOCIAL WORK IN THE COLLEGE OF MEDICINE

The President of the University presented recommendations for the establishment of a Department of Medical Social Work in the College of Medicine and the appointment of Mary Louise Hemmy as Associate Professor of Medical Social Work and Head of the Department.

On motion of Mr. Johnston, action on these two recommendations was deferred.
TRAINING OF MEDICAL SOCIAL WORKERS FOR DIVISION OF SERVICES FOR CRIPPLED CHILDREN

(2) The Division of Services for Crippled Children is in need of medical social workers specially trained for working with crippled children. To provide for the training of such personnel, the Division in 1947 entered into an agreement with the School of Social Service Administration of the University of Chicago for a medical social training program whereby planned experience and classroom instruction could be secured by both medical social and other social work students and practicing medical social workers. Federal funds from the Children's Bureau are available to pay for this training.

Heretofore, this plan has covered only the basic training program at the undergraduate level. The Director of the Division has requested extension of this plan to provide for training at the graduate level. Accordingly, I have approved a supplemental agreement with the University of Chicago School of Social Service Administration whereby scholarships will be provided for one or more students in the amount of $800 per quarter for a three-quarter academic year for graduate training in this specialty of medical social service. The cost will be paid from federal funds provided by the Children's Bureau and available for this purpose.

I request confirmation of this action.

On motion of Mr. Johnston, the President's action was confirmed.

HEADSHIP OF DEPARTMENT OF FRENCH

(3) Professor Joseph F. Jackson has asked to be relieved of his administrative duties as Head of the Department of French in order to devote all of his time to teaching and scholarship. Accordingly I recommend that Professor Jackson be relieved of the headship of the Department effective March 1, 1952, without change in salary, and that Professor Joseph R. Smiley be appointed Head of the Department of French on indefinite tenure, effective March 1, 1952, at a salary of $8,740 a year (on "A" basis).

On motion of Mrs. Watkins, these recommendations were approved.

APPOINTMENT OF LEE PAUL EILBRACHT AS ACTING BASEBALL COACH

(4) On recommendation of the Director of Athletics and the Board of Directors of the Athletic Association, I have approved the appointment of Mr. Lee P. Eilbracht as Acting Baseball Coach for the 1952 baseball season, February 1 to June 1, 1952, at a salary of $3,000. This temporary appointment does not include any teaching duties.

On motion of Mr. Hickman, the action of the President of the University and of the Board of Directors of the Athletic Association in approving this appointment was confirmed.

APPROPRIATION FOR GRADUATE FELLOWSHIPS FOR 1952-1953

(5) It is necessary that the funds the University has available for graduate fellowships for 1952-1953 be committed at this time so that fellowship awards can be made and announced by April 1, 1952. Accordingly, on request of the Dean of the Graduate College, I recommend that:

(a) An appropriation of $150,000 be made for the academic year 1952-1953.
(b) The stipend for first-year fellows be increased from $700 to $800 and for second-year fellows from $850 to $900. Third-year fellows receive $1,000 and no change in this stipend is proposed.
(c) Appointment to a fellowship includes exemption from the payment of tuition fees for the academic year of the fellowship and the summer session immediately following.

On motion of Mr. Johnston, these recommendations were approved and the appropriation was made by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mrs. Holt, Mr. Megran, Mr. Stevenson.
SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(6) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

1. Remodeling in Mechanical Engineering Laboratory .................. $12,000
2. Fire protection for Betatron and Cyclotron ........................ 2,300
3. Remodeling in Huff Gymnasium ................................... 5,100
4. Equipment for Department of Anatomy and remodeling in Research and Educational Hospitals, Chicago Professional Colleges ........... 12,021
5. Bookkeeping machine for Business Office, Chicago Professional Colleges .......................................................... 3,717

Total .................................................................................. $35,138

I recommend that these appropriations be made from the General Reserve Fund.

On motion of Mr. Nickell, these appropriations were made by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mrs. Holt, Mr. Megran, Mr. Stevenson.

CONTRACT FOR ADDITION TO MACHINE SHED ON WRIGHT FARM

(7) The Dean of the College of Agriculture and the Comptroller recommend the award of a contract for $2,897.08 to the Alexander Lumber Company, Shabbona, Illinois, the lowest bidder, for an addition to the machine shed on Wright Farm No. 4 in DeKalb County to provide needed space for storage of machinery and a garage for the tenant.

Funds are available for this contract in accumulated income from the farm operation.

I concur.

On motion of Mr. Herrick, this contract was authorized.

CERAMIC ENGINEERING SCHOLARSHIP TRUST FUND

(8) On October 29, 1943, the Board of Trustees authorized the establishment of a Ceramic Scholarship Trust Fund to encourage worthy high school graduates to major in ceramic engineering, thus helping to meet the great demand of industry for personnel trained in this field. Sources of funds are grants from industry, from industrial and professional organizations, and from funds given to the University for cooperative research projects.

To date approximately forty donors have contributed $15,330.05 to this fund. Investment of it has yielded $833.17 in interest. Scholarships, awards, and other expenses total $881.86. As of November 30, 1951, there was a balance of $15,281.36. The Head of the Department of Ceramic Engineering and the Dean of the College of Engineering recommend that the regulations adopted by the Board on October 29, 1943, be revised as follows:

(a) Increase the period of the scholarship from two to four years, but not beyond receipt of the bachelor's degree.
(b) Extend eligibility to any candidates, including students already enrolled in the University, who have not previously been enrolled in the curriculum in ceramic engineering. Scholarships are now limited to candidates who have not previously been enrolled in the University.

I concur in these changes.

On motion of Mr. Hickman, these changes were approved.

PURCHASES

(9) The Director of Purchases has proposed and the Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest bid.

I concur.

**QUARTERLY REPORT OF THE COMPTROLLER**

(11) The Comptroller presents his quarterly report to the Board as of December 31, 1951.

This report was received for record and a copy has been filed with the Secretary.

**REPORT ON PROFESSIONAL SERVICES FOR WATER RATES LITIGATION**

(12) On July 25, 1951, the Board of Trustees authorized the employment, jointly with the cities of Urbana and Champaign, of an accounting firm and legal counsel to represent the three interests in hearings before the Illinois Commerce Commission on a request for increased water rates by the Northern Illinois Water Corporation. The accounting firm of George Rossetter and Company, Chicago,

1 Deduct.
and the law firm of Milliken, Vollahs, and Parsons, Chicago, were employed. It was estimated that the total accounting and legal fees would be approximately $5,000. The University agreed to pay 30 per cent; the city of Champaign, 40 per cent; and the city of Urbana, 30 per cent of the total cost.

The amount of work required in these hearings has exceeded expectations and the revised estimate of cost is $10,000. The cities of Champaign and Urbana will pay their proportionate shares of additional cost. The University's share is now estimated at $3,000.

I recommend authorization of payment of the additional costs incurred. Funds are available in the Physical Plant operating budget.

On motion of Mrs. Watkins, this payment was authorized.

PAYMENTS TO MEDICAL CENTER STEAM COMPANY

In the organization of the Medical Center Steam Company, expenses of $21,742.53 were incurred in the issuance and delivery of the bonds to finance construction of the plant, $6,850 for legal services (financing, group organization matters, and land acquisition), and $519.40 in the issuance of class A stock. These costs, totaling $29,111.03, have been checked by the Business Office and found reasonable. They can be capitalized and amortized through annual charges to the University. This would require additional record keeping and approval by the Illinois Commerce Commission.

Funds totaling $69,724.48 have accumulated from the sale of land by the University to the Medical Center Steam Company, and may be applied to pay directly the charges described above. The balance may be paid as an "aid to construction," thus reducing the amount the Medical Center Steam Company must borrow for the construction of the steam plant and hence reducing the interest cost to the University.

The Comptroller recommends the latter procedure and the appropriation of $69,724.48 from the proceeds of the sale of land to the Medical Center Steam Company to be applied: (a) for costs of organizing the Medical Center Steam Company, issuance of bonds and legal services, $29,111.03; (b) as an aid to construction to reduce the amount the Company must borrow to pay for the steam plant, $40,612.55.

I concur.

On motion of Mr. Herrick, this recommendation was approved and the appropriation was made by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mrs. Holt, Mr. Megran, Mr. Stevenson.

BUSINESS RELATING TO RESIDENCE HALLS BOND ISSUE

The Board considered the following matters of business presented by the Executive Committee and by the Chairman of the Finance Committee relating to the new issue of Urbana-Champaign Residence Halls Bonds.

SALE OF RESIDENCE HALLS BOND ISSUE

Bids were received, pursuant to public notice, for the issue of $1,750,000 University of Illinois Urbana-Champaign Residence Halls Revenue Bonds, Series of 1952, and were opened at a meeting of the Executive Committee of the Board of Trustees held in the Illini Center of the LaSalle Hotel, Chicago, Illinois, on February 14, 1952.

The Executive Committee awarded the bond issue to John Nuveen and Company and Associates, including also: Stranahan, Harris, and Co.; Dempsey and Company; Merrill, Lynch, Pierce, Fenner, and Beane; A. C. Allyn and Company, Inc.; Hornblower and Weeks; Stifel, Nicolaus, and Co., Inc.; and R. J. Edwards, Inc., whose bid meets all conditions of the bidding and represents the lowest interest cost to the University.
The Executive Committee, therefore, recommends that the bonds be sold to John Nuveen and Company and Associates at par plus a premium of $35 and interest rates of 3 per cent and 3½ per cent, a net interest cost of $979,177.50, representing an effective interest rate of 3.08305 per cent.

On motion of Mr. Fornof, the sale of these bonds, as recommended, was approved by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mrs. Holt, Mr. Megran, Mr. Stevenson.

**RESOLUTION AUTHORIZING BOND ISSUE**

Mr. Fornof presented a resolution authorizing the issue of revenue bonds of the University of Illinois in the principal amount of $1,750,000 for the purpose of providing funds necessary to construct, complete, and equip certain revenue producing buildings for said University in the cities of Urbana and Champaign, Illinois, and to refund the outstanding "Men's Residence Halls Revenue Bonds of 1948" of said University in the principal amount of $233,000 fixing the date, maturities, form, and other details of said bonds, and making covenants and provisions for the payment of said bonds and the interest thereon.

On motion of Mr. Fornof, this resolution was adopted by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mrs. Holt, Mr. Megran, Mr. Stevenson.

Resolution Authorizing the Issuance of $1,750,000 Urbana-Champaign Residence Halls Revenue Bonds of 1952

RESOLUTION authorizing the issue of revenue bonds of the University of Illinois in the principal amount of $1,750,000 for the purpose of providing funds necessary to construct, complete and equip certain revenue producing buildings for said University in the Cities of Urbana and Champaign, Illinois, and to refund the outstanding "Men's Residence Halls Revenue Bonds of 1948" of said University in the principal amount of $233,000 fixing the date, maturities, form and other details of said bonds, and making covenants and provisions for the payment of said bonds and the interest thereon.

WHEREAS the Board of Trustees of the University of Illinois on due consideration and investigation does now find and determine that it is advisable, necessary and in the interests of the University of Illinois that certain revenue producing facilities be provided for said University located in the Cities of Urbana and Champaign, Illinois, as follows:

1. The construction of additional Unit No. 1 to the Men's Residence Halls of said University located at Fourth and Gregory Drive, Champaign, Illinois, to consist of a dormitory type housing for 288 students, including lounge and recreational facilities for the residents of said Unit.

2. The construction of additional Unit No. 2 to the Men's Residence Halls located at Fourth and Gregory Drive, Champaign, Illinois, to accommodate 106 students, lounge facilities, recreational space, and food service units for 1100 students.

3. The remodeling and rehabilitation, including equipment of the existing unit of the Men's Residence Halls located at Fourth and Gregory Drive, Champaign, Illinois, to provide housing for 97 students.

4. The rehabilitation and modernization, including equipment, of the women's residences known as Busey Hall and Evans Hall located at 1111-1115 West Nevada Street, Urbana, Illinois.

and

WHEREAS this Board of Trustees of the University of Illinois has here-
I364 BOARD OF TRUSTEES  

[FEBRUARY 22]

tofore caused to be prepared plans and specifications for the construction, completion and equipping of said above described buildings, and plans have been approved by this Board of Trustees and are now on file in the office of the Physical Plant Department of said University at the Administration Building in the City of Urbana, Illinois; and

WHEREAS the Board of Trustees of the University of Illinois does further find and estimate that the cost of the construction, completion, equipping, rehabilitation and modernization of said buildings, hereinabove described, in accordance with bids heretofore received for that purpose, will be as follows:

1. Construction of additional Unit No. 1 to Men's Residence Halls .................................. $699,900
2. Construction of additional Unit No. 2 to Men's Residence Halls ................................. 1,144,100
3. Modernization of Busey and Evans Women's Residence Halls ..................................... 25,000
4. Remodeling of existing Men's Residence Halls ...................................................... 30,000

Total ........................................ $1,899,000

Less available University appropriations .................................................. 292,000

Amount necessary to be borrowed for construction purposes .................................. $1,517,000

and

WHEREAS in addition to the foregoing it has heretofore been determined by this Board of Trustees of the University of Illinois that the outstanding "Men's Residence Halls Revenue Bonds of 1948" of the University of Illinois, dated March 1, 1948, numbered from 168 to 400, inclusive, due serially in each of the years 1952 to 1960, inclusive, now outstanding, and maturing after March 1, 1952, for which the revenues of the existing Men's Residence Halls located at Fourth and Gregory, in the City of Champaign, Illinois, have been pledged for their payment be refunded in order that the income from all of the said revenue producing facilities hereinabove referred to, including existing Men's Residence Halls, may be pledged for the payment of the bonds authorized by this resolution, and to that end this Board of Trustees has heretofore exercised its option in accordance with the terms of the resolution adopted on the 16th day of February, 1948, under which the outstanding Men's Residence Halls Revenue Bonds of 1948 were issued to call and redeem said outstanding bonds in the principal amount of $233,000, and it will be necessary that this Board of Trustees borrow sufficient funds in addition to the funds necessary to pay the cost of the projects hereinabove described to pay said bonds on the redemption date of March 1, 1952; and

WHEREAS in order to produce the funds necessary to construct, complete and equip the revenue producing buildings of said University, hereinabove referred to, and refund the said outstanding Men's Residence Halls Revenue Bonds of 1948, it will be necessary that there be borrowed the sum of $1,750,000 and in evidence thereof the revenue bonds of said University be issued; and

WHEREAS pursuant to "An Act to authorize the Board of Trustees of the University of Illinois to acquire by purchase or otherwise, construct, equip, complete, operate, control and manage student residence halls, staff housing facilities, dormitories, health and physical education buildings, or other revenue producing building or buildings, defining the duties of such Board with respect to operation and maintenance thereof, charge fees or rates for the use thereof, and providing for and authorizing the issue of bonds for the purpose of defraying the cost of construction, acquisition or equipment of any such building or buildings, payable solely from the revenues derived from the operation thereof, and for the refunding of any such bonds," approved June 30, 1945, L. 1945, p. 1753; title as amended by Act approved July 21, 1947, this Board of Trustees is authorized to issue revenue bonds for the purposes aforesaid, payable solely from the revenues to be derived from the operation of said buildings;

NOW, THEREFORE, Be It and It Is Hereby Resolved by the Board of Trustees of the University of Illinois, as follows:

SECTION 1. That it be and it is hereby determined by The Board of Trustees of the University of Illinois that it is necessary and for the best interests of the
University of Illinois that it borrow the sum of $1,750,000 to construct, rehabilitate, complete and fully equip the revenue producing buildings, and to refund the outstanding “Men's Residence Halls Revenue Bonds of 1948” of said University in the principal amount of $233,000, all as described in the preambles hereof, located in the Cities of Urbana and Champaign, Illinois, and in evidence thereof issue its revenue bonds in the principal amount of $1,750,000.

SECTION 2. That said bonds shall be designated "University of Illinois Urbana-Champaign Residence Halls Revenue Bonds, Series of 1952." The said revenue bonds shall bear date of March 1, 1952, shall be numbered 1 through 915, inclusive, shall bear interest at the rate of three and one-quarter per cent (3 1/4%) per annum, payable September 1, 1952, and semiannually thereafter on the first days of March and September of each year until the principal thereof shall have been fully paid, and said bonds shall mature in each of the years and in amounts as follows:

provided, however, that said bonds shall be redeemable as a whole or in part, prior to their maturity, in the inverse order in which they mature, on any interest payment date at the option of The University of Illinois on or after March 1, 1957, and up to and including September 1, 1960, at par and accrued interest, and a premium of four per cent (4%) of the principal amount thereof; at par and accrued interest, and a premium of three per cent (3%) of the principal amount thereof if redeemed on March 1, 1961, or on any interest payment date thereafter up to and including September 1, 1964; at par and accrued interest, and a premium of two per cent (2%) of the principal amount thereof if redeemed on March 1, 1965, or on any interest payment date thereafter up to and including September 1, 1966; at par and accrued interest, and a premium of one per cent (1%) of the principal amount thereof if redeemed on March 1, 1966, or on any interest payment date thereafter up to and including September 1, 1968; at par and accrued interest, and a premium of one per cent (1%) of the principal amount thereof if redeemed on March 1, 1969, or on any interest payment date thereafter prior to maturity. If funds are available to call and redeem some but
not all of the said bonds of any maturity, the bonds to be called for redemption shall be selected by lot in any commonly followed manner.

Notice of redemption of any or all of said bonds shall be given by publication at least once not less than thirty days prior to the date of redemption, such publication to be made once in one newspaper published and of general circulation in the City of Chicago, and such notice of redemption shall with substantial accuracy (a) designate the date and place of redemption, such place to be at the American National Bank and Trust Company of Chicago, in the City of Chicago, Illinois, and (b) designate the numbers and the aggregate principal amount of said bonds, and (c) state that on the designated date of redemption said bonds will be redeemed by payment of principal thereof and accrued interest thereon to date of redemption, plus the applicable redemption premium, and that from and after the designated redemption date interest in respect of all bonds so called for redemption shall cease.

That such bonds and coupons shall be payable to bearer; provided, however, that such bonds may be subject to registration as to principal at any time prior to maturity in the name of the holder thereof on the books of registration of said University to be kept in the office of the Comptroller of said University, such registration to be noted on the reverse side of the bonds by the said Comptroller and thereafter the principal of such bonds shall be payable only to the registered holder, his legal representative or assign. Such registered bonds shall be transferred to another registered holder or back to bearer only upon presentation to the Comptroller with a legal assignment duly acknowledged or approved. Registration of any such bonds shall not affect the negotiability of the coupons thereto attached, but such coupons shall be transferable by delivery merely.

SECTION 3. Both principal of and interest on such revenue bonds shall be payable in lawful money of the United States of America at the American National Bank and Trust Company of Chicago, in the City of Chicago, Illinois.

SECTION 4. That said bonds shall be executed for and on behalf of said University by the President of said Board of Trustees and Frances B. Watkins and Wirt Herrick, who are members of the Board of Trustees, and attested by the Secretary thereof, under the seal of said University, and the interest coupons attached to said bonds shall be executed by the facsimile signatures of said President and Secretary, who by the execution of said bonds shall adopt as and for their respective facsimile signatures appearing on said coupons, and said bonds and coupons shall be in substantially the following form:

(Form of Bond)

UNITED STATES OF AMERICA
STATE OF ILLINOIS
- UNIVERSITY OF ILLINOIS URBANA-CHAMPAIGN
RESIDENCE HALLS REVENUE BOND, SERIES OF 1952

NUMBER .................. $1,000.

THE UNIVERSITY OF ILLINOIS, a body corporate, created and established under the laws of the State of Illinois, for value received promises to pay to bearer, but only out of the Residence Halls Revenue Bond Fund of 1952, as hereinafter provided for, and not otherwise, the sum of ONE THOUSAND DOLLARS ($1,000) on March 1, 1952, and to pay interest on said sum from the date hereof at the rate of ...................... per cent (...........%) per annum, payable September 1, 1952, and semi-annually thereafter on the first days of March and September in each year until the principal hereof shall be paid. Interest accruing on this bond on and prior to the maturity date hereof shall be payable upon presentation and surrender of the interest coupons hereto attached as they subsequently become due, but no interest shall accrue on this bond after the maturity hereof unless this bond be presented for payment at maturity and be not then paid.

Both principal hereof and interest hereon are hereby made payable in lawful money of the United States of America at the American National Bank and Trust Company of Chicago, in the City of Chicago, Illinois.
This bond is one of an authorized issue of One Million Seven Hundred Fifty Thousand Dollars ($1,750,000), all of like date and of the denomination of $1,000 each, numbered from 1 through 1750, and all of said bonds are subject to redemption, prior to maturity, as a whole or in part in the inverse order in which they mature on any interest payment date on or after March 1, 1957, and up to and including September 1, 1960, at par and accrued interest, and a premium of four per cent (4%) of the principal amount thereof; at par and accrued interest, and a premium of three per cent (3%) of the principal amount thereof if redeemed on March 1, 1961, or on any interest payment date thereafter up to and including September 1, 1964; at par and accrued interest, and a premium of two per cent (2%) of the principal amount thereof if redeemed on March 1, 1965, or on any interest payment date thereafter up to and including September 1, 1968; at par and accrued interest, and a premium of one per cent (1%) of the principal amount thereof if redeemed on March 1, 1969, or on any interest payment date thereafter prior to maturity. If funds are available to call and redeem some but not all of the said bonds of any maturity, the bonds to be called for redemption shall be selected by lot in any commonly followed manner.

Notice of redemption of any or all of said bonds shall be published once not less than thirty days prior to the date of redemption, such publication to be made in one newspaper published and of general circulation in the City of Chicago, and when this bond or any of the bonds of such authorized issue shall have been called for redemption interest thereon shall cease from and after the specified redemption date.

This bond and the series of which it forms a part is issued under authority of an Act of the General Assembly of the State of Illinois, entitled “An Act to authorize the Board of Trustees of the University of Illinois to acquire by purchase or otherwise, construct, equip, complete, operate, control and manage student residence halls, staff housing facilities, dormitories, health and physical education buildings, or other revenue producing building or buildings, defining the duties of such Board with respect to operation and maintenance thereof, charge fees or rates for the use thereof, and providing for and authorizing the issue of bonds for the purpose of defraying the cost of construction, acquisition or equipment of any such building or buildings payable solely from the revenues derived from the operation thereof, and for the refunding of any such bonds,” Approved June 30, 1945, L. 1945, p. 1753; title as amended by Act approved July 21, 1947, and all other laws supplementary thereto, and a resolution duly adopted by the Board of Trustees of the University of Illinois for the purpose of defraying the cost of constructing, completing and equipping certain revenue producing buildings of said University in the Cities of Urbana and Champaign, Illinois, consisting of the completion of the now existing Men's Residence Halls and the construction of two additional units to the Men's Residence Halls, all located at Fourth and Gregory Drive in the City of Champaign, Illinois, the remodeling and equipping of the women's residences known as Busey Hall and Evans Hall, located at 1111-1115 West Nevada Street, Urbana, Illinois, and the refunding of the outstanding “Men’s Residence Halls Revenue Bonds, Series of 1948,” in the principal amount of $233,000.

This bond is payable solely, both as to principal and interest from the revenues derived from the operation of said revenue producing buildings constructed, completed and equipped with the proceeds of this bond issue, and this bond and the series of which it forms a part do not constitute an indebtedness of said University of Illinois, the Board of Trustees of the University of Illinois, or the State of Illinois within any constitutional or statutory limitation, and neither the taxing power or the general credit of said University, of said Board of Trustees, or of the State of Illinois is pledged to the payment of this bond or the interest thereon.

This bond shall pass by delivery unless it is registered as to principal in the name of the holder on the books of registration of said University kept at the office of the Comptroller of said University, such registration to be noted on the back hereof. After such registration no transfer hereof shall be valid unless made on such books by the registered holder in person or by attorney duly authorized in writing and similarly noted hereon, but this bond may be trans-
ferred in like manner to bearer, and thereupon transferability by delivery shall be restored and it may again from time to time be registered or transferred to bearer as before. Such registration, however, shall not restrict the negotiability of the coupons hereto appertaining, but such coupons shall be transferable by delivery merely and payable to the bearer hereof.

This bond and all other bonds of this issue shall have all of the qualities of negotiable instruments, and during such time as this bond is payable to bearer, the same and each of the coupons hereto appertaining may be negotiated by delivery by any person having possession thereof, howsoever such possession may have been acquired, and any holder who shall have taken this bond while so payable to bearer or any of said coupons from any person for value and without notice shall thereby acquire absolute title to this bond or to such coupons, as the case may be, free of any defenses enforceable against any prior holder and free from all equities and claims of ownership of any such prior holder, and the said University and any paying agent may deem and treat the bearer of this bond, or, if registered, the person in whose name it is registered and the bearer of any interest coupons appertaining hereto as the absolute owner thereof for all purposes.

Said University of Illinois hereby covenants with the holder of this bond that it will keep and perform all the covenants and agreements in the resolution adopted by the Board of Trustees of said University of Illinois, authorizing the issuance of this bond and the series of which it forms a part, and hereby irrevocably obligates itself to administer the said income and revenue derived from the operation of said buildings, as provided for in and by said resolution, and to establish from time to time rents, charges and fees for the use of said buildings and to maintain and collect rents, charges and fees sufficient to pay the reasonable cost of operating, maintaining, insuring and repairing of said buildings, and pay the principal of and interest upon all revenue bonds which by their terms are payable from such revenues, until all of such bonds have been paid in full, both as to principal and interest.

It is hereby certified and recited and declared that all acts, conditions and things required to exist, to happen and to be performed, precedent to and in the issuance of this bond, have existed, have happened and have been performed in due form, time and manner, as required by law, and the applicable resolutions of the Board of Trustees of the University of Illinois, and that provision has been made for setting aside the income and revenue to be derived from the operation of said buildings to be applied in the manner hereinabove set forth.

IN WITNESS WHEREOF, The Board of Trustees of the University of Illinois, has caused this bond to be signed by the President of The Board of Trustees and two members thereof, its corporate seal to be hereto affixed, and attested by the Secretary of said Board, and has caused the interest coupons hereto attached to be executed by the facsimile signatures of said President and Secretary, which said officials by the execution of this bond do adopt as and for their own proper signatures their respective facsimile signatures appearing on said coupons, and this bond to be dated as of the first day of March, 1952.

SECTION 5. That upon the issuance of the said revenue bonds herein provided for, there be and there is hereby established a fiscal year for the operation of said buildings, and such fiscal year shall commence the first day of July of each year and end the last day of the next succeeding June, and all of the revenues derived from the operation of said buildings shall be set aside as collected in a separate account and fund, apart from all other funds of said University, which is hereby created and designated as "Residence Halls Revenue Bond Fund of 1952," and the University covenants that all revenues, income, receipts, profits, rates, rents, charges, fees and returns derived from the operation of said buildings shall be deposited in such fund and shall be used only in paying the reasonable cost of operating and maintaining said buildings, including, without thereby limiting the generality of the foregoing, salaries, wages, costs of materials, supplies, insurance and the reasonable repair necessary to properly maintain said buildings, for the creation and maintenance of a reserve fund, as hereinafter provided, and paying the principal and interest of the revenue bonds herein provided for, which by their terms are payable solely from the revenues derived from the operation of said buildings. The word "repair" as used in this section shall be construed to refer only to such repairs as are necessary to keep the buildings in proper condition for use and occupancy, or are so certified to be necessary to remedy some physical condition which would otherwise impair or endanger the use and occupancy thereof and the security of the bonds hereby authorized, and all other bonds that may hereafter be authorized, which by their terms are payable from the revenues derived from the operation of said buildings.

SECTION 6. That there be and that there are hereby created and established separate special accounts to be designated severally "Operation and Maintenance Account," "Bond and Interest Sinking Fund Account," and "Reserve Account," into which there shall be credited on the first business day of each month all moneys held in the said Residence Halls Revenue Bond Fund of 1952, in accordance with the following provisions:

(a) There shall be credited to the Operation and Maintenance Account on the first day of each month an amount sufficient to pay the reasonable expense
of operation and maintenance and repair of said buildings for the next succeeding month, including, without limiting the generality of the foregoing, salaries, wages, cost of materials, supplies, insurance, light, heat and power.

(b) There shall be credited to the Bond and Interest Sinking Fund Account on the first day of each month an amount equal to one-sixth of the interest becoming due on all outstanding bonds payable from the revenue of said buildings on the next succeeding interest payment date, and, beginning September 1, 1953, an amount equal to one-sixth of the principal of all of said bonds becoming due on the next succeeding principal maturity date.

(c) There shall be credited to the Reserve Account on June 30, 1954, and annually thereafter the sum of $10,000, until said account aggregates the sum of $100,000, and thereafter no sums need be credited to said Reserve Account except that whenever any funds in said account are expended, funds shall be again credited to said account at the rate of $10,000 annually and continued until such time as the account has been restored to the aggregate amount of $100,000. Funds credited to said account shall be used solely for the purpose of paying principal and interest on the revenue bonds of said University issued pursuant to the provisions of this resolution falling due at any time for the payment of which there is insufficient money available in the Bond and Interest Sinking Fund Account. Funds of this account may be invested from time to time in United States Government securities. All accumulations in the Reserve Account in excess of the sum of $100,000 shall be transferred to the Residence Halls Revenue Bond Fund of 1952.

(d) All funds remaining in the Residence Halls Revenue Bond Fund of 1952, after all amounts required to be credited to the accounts provided for in subsections (a) to (c) inclusive, of this section, and all deficiencies have been made up, shall be used for the purpose of calling and redeeming the revenue bonds of this issue, which by their terms are redeemable prior to maturity. Funds of this Account may be temporarily invested from time to time in United States Government securities.

SECTION 7. That it is hereby covenanted and agreed that the revenues to be derived from the operation of said buildings are to be paid into the various special accounts hereinabove established and created in the order in which said accounts have been listed. If at any time the revenues are insufficient to place the required amounts in any of said accounts, the deficiency shall be made up in the following period or periods, after credits to all the accounts enjoying a prior claim of revenues have been made in full.

SECTION 8. That the Board of Trustees of the University of Illinois hereby covenants as follows:

1. That as long as the bonds herein authorized to be issued shall remain outstanding it will continuously operate and maintain said buildings constructed, equipped, completed and rehabilitated with the proceeds derived from the issue of said bonds; that it will adopt such regulations and fix and maintain such rates, rents, fees and charges for the use of said buildings as will provide revenue sufficient to pay the reasonable cost of operating and maintaining said buildings, to provide and maintain the aforesaid bond and interest sinking fund account in an amount adequate to promptly pay the principal of and interest on said bonds as the same matures, and to provide for the aforesaid Reserve Account, and that it will collect and account for and apply the aforesaid income and revenues in accordance with and as provided by this resolution.

2. That it will not voluntarily create or cause to be created any debt or lien, charge or encumbrance on any of the revenues to be derived from the operation of such buildings having a priority to or parity with the pledge of the bonds issued under this resolution, and that it will not sell, mortgage, lease, or otherwise dispose of or encumber said buildings or any part thereof during the time when the bonds issued hereunder shall remain outstanding and unpaid.

3. That as long as any of the bonds issued hereunder remain outstanding and unpaid, either as to principal or interest or both, it will at all times exercise all of its lawful powers to preserve and protect the security of the bonds and the rights of the bondholders under this resolution.

4. That it shall cause to be kept proper books of records and accounts separate and apart from all other records and accounts in which complete and
correct entries shall be made of all transactions relating to the cost of constructing and equipping the aforesaid buildings, the expenditures for maintaining, operating and repairing the said buildings, and all revenues collected therefrom, which said record shall be kept and shall be available for the information of all bondholders; and that there shall be furnished to the original purchaser of said bonds and to any holder of any of said bonds, on the written request therefor, not more than sixty days after the close of each fiscal year, complete operating and income statements of said buildings, in reasonable detail, for said preceding fiscal year.

5. That it will faithfully and punctually perform or cause to be performed all of the duties and obligations with reference to the said buildings as are required by the provisions of this resolution and the statutes under which the said bonds are issued, including the completion of the aforesaid buildings and the operation and maintenance of said buildings, as herein provided, the making and collecting of sufficient rates, fees and charges for the use thereof, the segregation of the income and revenues therefrom to the respective accounts created under the provisions of this resolution, and the proper application of said funds.

6. That as long as any of said bonds authorized to be issued hereunder shall remain outstanding and unpaid, either as to principal or interest, or both, it will maintain insurance on said buildings, including all equipment thereof, against loss or damage by fire and windstorm and all other insurable risks in an amount not less than the full insurable value of said properties or the principal amount of outstanding bonds, plus accrued interest and applicable premium to the next succeeding redemption date, whichever is less. Such insurance policy or policies shall be payable to the Board of Trustees of the University of Illinois, and all moneys collected on account of loss or damage covered by any such policy or policies of insurance shall be held in trust and shall be used only for restoration of the property so damaged. In the event said funds are insufficient to restore said properties to their former condition, then said funds shall be paid into the Bond and Interest Sinking Fund Account and held for the benefit of the bondholders as their interest may appear.

SECTION 9. That the bonds authorized to be issued hereunder and from time to time outstanding shall not be entitled to priority one over the other in the application of the income and revenues derived from the collection of rents, rates, fees and charges for the use of the aforesaid buildings, or with respect to the pledge of the revenue to be derived from the operation of said buildings.

SECTION 10. That it is hereby further covenanted and agreed that after the issue and delivery of the bonds herein authorized and provided for to the purchaser thereof, additional bonds to share ratably and equally with the bonds hereby authorized shall only be issued in the event that funds are necessary to pay the cost of completing the project herein provided for in accordance with the plans and specifications now on file in the office of the Physical Plant Department, Administration Building, Urbana, Illinois; and in the event additional funds are necessary to pay the cost of completing the project herein provided for, said bonds shall not be issued until such time as the architects employed by the University for the construction of said buildings have submitted a certificate to the Board of Trustees of the University setting forth an itemized statement of the work completed to date, the cost thereof, and an itemized statement of the work yet to be completed, and the estimated cost of the work to be completed, and such certificate and estimate shall be presented to and approved by the Board of Trustees preceding the adoption of any resolution authorizing the issuance of additional bonds to share ratably and equally in the revenues of said buildings. Any additional bonds issued for the purpose of completing the project herein provided for, in accordance with this section, shall be payable serially with principal and interest amortized over a period not shorter than the remaining life of any of the then outstanding bonds, with principal payments beginning not more than three years from date of the additional bonds, in such manner as to make the total amount of principal of and interest on the additional bonds due in each year approximately the same in each year in which there is a maturity of principal.

In addition to the foregoing, if prior to the payment of the bonds hereby authorized it shall be found desirable to refund all or a part of the bonds hereby authorized, said bonds may be refunded notwithstanding the restrictions as to the issuance of additional bonds set forth in this section (with the consent of the
holders thereof if any bonds are to be refunded prior to maturity or prior to
date of call and redemption) and any refunding bonds so issued shall share ratably
and equally with the portion of the bonds hereby authorized which are not re-
frunded in the revenues of said buildings and the pledge thereof under this resolu-
tion; provided, however, that if only a portion of said outstanding bonds are to be
refunded at any time, such refunding obligations shall not mature at a date earlier
than the final maturity of such bonds not refunded.

Section 11. That from the proceeds derived from the sale of said bonds the
sum of $233,000 shall be deposited with the First National Bank of Chicago, as
Paying Agent for payment and redemption on March 1, 1952 of the outstanding
Men's Residence Halls Revenue Bonds of 1948, numbered from 168 to 400,
inclusive, dated March 1, 1948. All accrued interest and premium, if any, derived
from the sale of the bonds shall be credited to the Bond and Interest Sinking
Fund Account created by Section 6 of this resolution, and the balance of the
proceeds derived from the sale of said bonds in the aggregate amount of $1,517,000
shall be set aside in a separate account which is hereby created and designated as
the "Construction Fund Account" and all of the funds of such Construction Fund
Account shall be deposited in the First National Bank of Chicago, which bank be
and is hereby designated as the Depositary therefor. The proceeds of said Con-
struction Fund Account shall be withdrawn from such account by the Comptroller
of such University from time to time as funds are needed for the construction of
the projects herein provided for.

For the purpose of this resolution the cost of the construction of said project
to be paid from said Construction Fund Account shall be deemed to include the
following:

1. The purchase price and cost of acquisition of real estate, easements, rights
of way and other property necessary for the construction of such buildings, in-
cluding the cost of abstracts of title, title examination and title insurance.
2. Fees and expenses of architects and engineers for services, preliminary
investigation, preparation of plans and specifications, supervision of construction
and performance of all duties of architects and engineers with respect to said
buildings.
3. Payment for labor, material, equipment, services of contractors, builders
and materialmen.
4. Premiums payable by the University to the date of completion of said
buildings on policies of insurance against fires, floods, storms, lightning and other
casualties and for so-called all risk coverage.
5. All taxes, assessments and other incidental charges levied against, or pay-
ment prior to the completion of said buildings, and taxes, if any, for recording
and filing fees payable in connection with deeds of conveyance.
6. Condemnation awards in connection with the acquisition of property and
easements necessary for said buildings, including court costs and legal fees
therefor.
7. All expenses of preparing, issuing and delivering bonds issued hereunder.
8. Fees and expenses of legal counsel.
9. Fees and expenses of fiscal agents, depositaries or trustees of the Con-
struction Fund Account.
10. Actual incidental expense, including telephone, telegraph, office expense
and traveling expense.
11. Any and all other expenses necessary or incidental in the construction of
said buildings, certified to in writing by the architects employed by the University
for the construction of said buildings.

All orders executed by the Comptroller for the withdrawal of funds from
said account shall state the purpose for which the orders have been issued. Funds
for the payment of items covered in subdivisions 2 and 3 of this section shall be
withdrawn only upon submission to the Comptroller of a certificate executed by
the Architect employed by the University for the construction of said projects,
state the nature of the work completed and the amount due and payable thereon.
All orders withdrawing funds and the certificates when required shall be held by
said Comptroller and made available for inspection by any bondholder or any duly
authorized agent of such bondholder.

Funds of this account may be invested by the Comptroller from time to time
in United States Treasury Bills.

UNIVERSITY OF ILLINOIS

I373

After completion of the project the Comptroller of the University shall
execute a certificate to the effect that said project has been fully completed according to plans and specifications and the same filed in the office of the Secretary of
the Board of Trustees of the University of Illinois. If there be any funds remaining in said Construction Fund Account a t the time of filing of such certificate
with the Secretary, said funds shall be withdrawn by the Comptroller and credited
to the Bond and Interest Sinking Fund Account hereinbefore provided for.
SFKTION
12. The provisions of this resolution shall constitute a contract between The Board of Trustees of The University of Illinois and the holders of the
bonds herein authorized to be issued, and after the issuance of the bonds no
changes, additions, alterations or amendments of any kind shall be made to this
resolution in any manner, until such time as all of said bonds issued hereunder,
and interest thereon, shall be paid in full, or unless and until provision shall have
been made for the payment of all bonds hereby authorized and interest thereon
in full.
SECTION13. Any holder of a bond or bonds, or any of the coupons of any
bond or bonds, issued under the provisions of this resolution, may either in law or
in equity, by suit, action, mandamus or other proceeding, enforce or compel the
performance of all duties required by this resolution or the acts under which the
bonds hereby authorized are issued, including the fixing, maintaining and collecting
of such rents, charges and fees for the use of such properties and all facilities
thereof as will be sufficient for all the purposes provided by this resolution, and
the application of income and revenue therefrom.
SFZTION
14. If any section, paragraph, clause or provision of this resolution
shall be held invalid, the invalidity of such section, paragraph, clause or provision
shall not affect any of the other provisions of this resolution.
SEXTION
15. That the President, Secretary, Comptroller and Treasurer of The
Board of Trustees of the University of Illinois, be and they are each of them
hereby authorized and directed to execute all instruments, papers, documents and
agreements necessary or convenient to accomplish the issue and delivery of the
said Revenue Bonds to the purchaser thereof.
SECTION
16. That said revenue bonds shall be executed as provided herein as
soon after this resolution becomes effective as may be, be deposited with the
Treasurer of said University, and be by him delivered to John Nuveen & Co.
and Associates, the purchasers thereof, upon receipt of the purchase price, and
the contract for the sale thereof heretofore entered into be and the same is
hereby in all respects ratified and approved.
SECTION
17. That this resolution shall be in full force and effect from and
after its passage.

and to refund the outstanding ‘Men's Residence Halls Revenue Bonds of 1948’ of said University in the principal amount of $233,000, fixing the date, maturities, form and other details of said bonds, and making covenants and provisions for the payment of said bonds and the interest thereon,” is a true, correct and exact copy of the original resolution adopted by the Board of Trustees of the University of Illinois at its regular meeting held on the

IN WITNESS WHEREOF I hereunto set my hand and the seal of said University of Illinois, this day of , 1952.

Business Presented by the President of the University

Improvements in Busey and Evans Halls

(14) As a part of the expansion of residence halls facilities at Urbana-Champaign, $25,000 has been allocated to improvements in Busey and Evans Halls. The Director of the Physical Plant and the Comptroller recommend that this fund be used for fire protection improvements. The improvements would include the enclosing by use of fire doors and fire partitions the east and west center stairs in Busey Hall and the east and west main stairs in Evans Hall.

I concur.

On motion of Mrs. Watkins, these funds were allocated, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mrs. Holt, Mr. Megran, Mr. Stevenson.

Settlement of Warner Construction Company Contracts

(15) From time to time the Board of Trustees has received reports on the claims of the University against the Warner Construction Company and counter-claims by the Company with respect to its contracts for the construction of the Lincoln Avenue Residence and a part of the Utilities Distribution System at Urbana. On July 22, 1948, the Board adopted a resolution declaring the Company in default under the terms of its contract for the construction of the Lincoln Avenue Residence. Subsequently, administrative machinery was set up to expedite settlement of certain claims so that the contractor could complete the construction of the Halls. On December 28, 1948, the Executive Committee of the Board authorized the appointment of a special committee to make recommendations to the Board of Trustees regarding claims. (The President of the Board appointed Mr. Kenney E. Williamson, then a member of the Board of Trustees, and the President of the University to serve on this committee.)

Several months ago the Warner Construction Company gave the First National Bank of Chicago an unequivocal assignment of its contracts and the power of attorney to settle them on behalf of the Company. Mr. Lloyd Morey, Comptroller, Mr. R. F. Lesemann, Legal Counsel, and Mr. J. H. Armstrong, Special Counsel employed by the Board of Trustees in this matter, representing the President of the University, have been working intensively with officials of the First National Bank of Chicago. The Bank has indicated its willingness, concurred in by the Warner Construction Company, to effect a settlement on a basis which the President’s representatives, with the concurrence of Mr. C. S. Havens, Director of the Physical Plant, are recommending. This settlement provides:

1. That the University allow the Warner Construction Company the amount for additional work done on the two contracts on the basis of the latter’s state-
ment of the value of this work. This means an allowance of $44,214.22 on the
two contracts, which is $30,836.06 more than the original estimates by the Univer-
sity's architects of the cost of these services.

2. That the University omit the charges against the Warner Construction
Company for services rendered by it to the Company for all items not specifi-
cally ordered in writing by the Contractor or his representatives. This represents
a reduction of $3,145.74 in the total of original charges of $13,415.09, some of
which were in the nature of damages. The net payment over the balances pre-
viously reported as due and payable on the basis of the original contracts, there-
fore, is $33,944.87 (sum of 1 and 2). ($44,214.22 as per 1, less $10,269.35 net
deduction in 2.)

3. That both parties waive completely their claims for damages. In the case
of the Warner Construction Company, this means a waiver of claims totaling
$473,440.30, and in the case of the University a waiver of $145,293.73.

4. That the University withhold from the amount to be paid the Warner
Construction Company under the settlement sufficient sums to cover the claims
of its unpaid subcontractors until it has settled with, and furnished the Univer-
sity with proper releases or waivers from, them.

The breakdown of this proposed settlement is as follows:

The committee considers this a satisfactory settlement and justified in view of
the difficult factors involved and the expense of extended litigation. Funds for all
payments are available in unexpended appropriations made for these projects and
in other appropriations in the Physical Plant Department's budget.

I recommend approval of this settlement as set forth above and that the Comptroller and the Secretary of the Board be authorized to execute a covering agreement and to give and accept releases under conditions approved by the University Legal Counsel and the Special Counsel.

On motion of Mr. Johnston, this settlement was approved and
authority was given, as recommended, by the following vote: Aye, Mr. Forro, Mr. Herrick, Mr. Hickman, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mrs. Holt, Mr. Megran, Mr. Stevenson.

On motion of Mr. Johnston, the Board recorded its appreciation of
the work done by University officials in negotiating this settlement.

HEADSHIP OF DEPARTMENT OF BIOLOGICAL CHEMISTRY
IN THE COLLEGE OF MEDICINE

(16) Dr. Otto A. Bessey has resigned as Professor of Biological Chemistry and
Head of the Department in the College of Medicine effective March 14, 1952,
and has accepted a position on the faculty of the University of Texas School of
Medicine.
On recommendation of the Dean of the College of Medicine, I recommend the appointment of Dr. S. B. Binkley, now Associate Professor of Biological Chemistry, as Acting Head of the Department beginning February 1, 1952, and continuing until August 31, 1952, at an annual salary rate of $8,750.

On motion of Mrs. Watkins, this appointment was approved.

SECRETARY'S REPORTS

The Secretary presented for record the following lists: (1) appointments made by the President; (2) graduate fellows; (3) resignations; (4) leaves of absence; (5) degrees conferred February 10, 1952.

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parenthesis is the date on which the appointment was made by the President of the University. C = College; S = Station; E = Extension.)

Anderson, John M., Research Associate in Electrical Engineering (S), on three-fourths time, seven months beginning February 1, 1952, $3,900 a year, supersedes (2-15-52).

Archer, Edward J., Instructor in Social Sciences, in the Chicago Undergraduate Division, on one-half time, five months beginning February 1, 1952, $900 (2-7-52).

Babcock, Murray L., Research Assistant in Electrical Engineering (S), seven months beginning February 1, 1952, $4,300 a year, supersedes (2-6-52).

Baltzell, James H., Instructor in French, six months beginning February 1, 1952, to render service during the second semester of the academic year, $3,300 a year, supersedes (2-13-52).

Baumgardner, Mrs. Mary S., Instructor in Education, in the University High School, on three-fourths time, six months beginning February 1, 1952, to render service during the second semester of the academic year, $1,312.50 (2-14-52).

Bayne, James W., Instructor in Mechanical Engineering (C), six months beginning March 1, 1952, to render service during the second semester of the academic year, $4,100 a year, supersedes (1-15-52).

Belting, Charles M., Instructor in Oral Pathology, in the College of Dentistry, eight months beginning January 1, 1952, without salary (1-17-52).

Berg, Irving D., Clinical Instructor in Psychiatry, in the College of Medicine, October 15, 1951-August 31, 1952, without salary (2-13-52).

Bertin, Eugene P., Instructor in Chemistry, seven months beginning February 1, 1952, to render service during the second semester of the academic year, $2,857.17 a month, supersedes (2-11-52).

Bliss, Rachel, Clinical Instructor in Psychiatric Nursing, in the School of Nursing, seven months beginning February 1, 1952, $3,744 a year; for her convenience she will also be furnished one meal a day valued at $90 a year (1-23-52).

Borest, Arthur P., Instructor in Theoretical and Applied Mechanics (C), on one-half time, for the second semester of the academic year beginning February 1, 1952, $2,166.66 a month, supersedes (2-7-52).

Brazell, Nancy Jayne, Research Assistant in Civil Engineering (S), February 1-June 15, 1952, $275 a month, supersedes (2-6-52).

Brown, Lloyd O., Instructor in Electrical Engineering (C), six months beginning March 1, 1952, to render service during the second semester of the academic year, $3,183.33 a month, supersedes (3-15-52).

Cameron, Duncan J., Flight Instructor, in the Institute of Aviation, seven months beginning February 1, 1952, $3,150 a year, supersedes (2-22-52).

CHODAKOWSKI, Alexander S., Instructor in Electrical Engineering (C), six months beginning March 1, 1952, to render service during the second semester of the academic year, $391.67 a month, supersedes (1-15-52).

CHRISTOFFERS, William H., Research Associate in Electrical Engineering (S), on one-half time, seven months beginning February 1, 1952, $2500 a year, supersedes (2-6-52).

CLARK, Marilyn E., Assistant Professor of Theoretical and Applied Mechanics (C), March 1, 1952-August 31, 1953, to render service during each academic year, $4500 a year, supersedes (1-15-52).

COATES, Clarence L., Instructor in Electrical Engineering (C), six months beginning March 1, 1952, to render service during the second semester of the academic year, $4500 a year, supersedes (1-15-52).

COMFALL, Theodore C., Assistant in Anatomy, in the College of Medicine, January 15-August 31, 1952, without salary (1-28-52).

DEMBERSKI, Marion V. J., Instructor in General Engineering Drawing, in the Chicago Undergraduate Division, six months beginning February 1, 1952, to render service during the second semester of the academic year, $4500 a year (1-15-52).

DILLAWAY, Robert B., Instructor in Mechanical Engineering (C), six months beginning March 1, 1952, to render service during the second semester of the academic year, $3900 a year, supersedes (1-15-52).

DIMOFF, Todor, Research Assistant in Theoretical and Applied Mechanics (S), seven months beginning February 1, 1952, $3900 a year (1-22-52).

ELLISON, Fred P., Instructor in Spanish, for the academic year beginning September 1, 1952, $4000 (1-9-52).

ELSESSER, Thadeus M., Instructor in Theoretical and Applied Mechanics (C), six months beginning March 1, 1952, to render service during the second semester of the academic year, $4350 a year, supersedes (1-17-52).

ELSTNER, Richard C., Research Associate in Theoretical and Applied Mechanics (S), seven months beginning February 1, 1952, $4500 a year, supersedes (1-29-52).

ERNST, Edward W., Research Associate in Electrical Engineering (S), seven months beginning February 1, 1952, $541.67 a month, supersedes (1-17-52).

ESHELBY, John D., Research Associate in Physics (C), February 1-June 30, 1952, $400 a month, supersedes (6-18-51).

FAUST, Elaine J., Research Assistant in Education, four months beginning February 1, 1952, $1000 (2-14-52).

FOX, KIRK, Research Associate in Food Industry (Food Technology) (S), February 15-August 31, 1952, $5500 a year (1-23-52).

FRANCKE, Paul, Instructor in Radiology (Rush), in the College of Medicine, one year beginning January 1, 1952, without salary (1-17-52).

FRAUFENFELDER, Hans Emil, Research Associate in Physics (C), May 19-August 31, 1952, $5700 a year (2-13-52).

GARDNER, Leon P., Assistant in Pediatrics, in the College of Medicine, eight months beginning January 1, 1952, without salary (1-22-52).

GARDNER, Malcolm L., Research Assistant in Psychology, in the Graduate College, seven months beginning February 1, 1952, $4200 a year, supersedes (2-6-52).

GILDE, Meyer, Instructor in Electrical Engineering (C), six months beginning March 1, 1952, to render service during the second semester of the academic year, $1460 a year, supersedes (1-15-52).

GILKEY, Herbert T., Research Associate in Mechanical Engineering (S), eight months beginning January 1, 1952, $4000 a year, supersedes (1-20-52).

GYARFAS, Kalman, Clinical Assistant Professor of Psychiatry, in the College of Medicine, on 45/100 time, seven months beginning February 1, 1952, $3000 a year (2-8-52).
HAASE, ERNST, Clinical Assistant Professor of Neurology, in the Department of Neurology and Neurological Surgery, on one-fifth time, one year beginning September 1, 1951, $1625; in addition to $1500 from Trust: Children's Bureau, superseded (1-30-52).

HANS, CLARENCE L., JR., Instructor in Ophthalmology, in the College of Medicine, on three-fourths-time, eight months beginning January 1, 1952, $250 a month, superseded (1-18-52).

HARTLEY, THOMAS C., Instructor in General Engineering Drawing (C), six months beginning March 1, 1952, to render service during the second semester of the academic year, $3800 a year, superseded (1-1-52).

HARTOCH, ARNOLD J., Assistant to the Dean of Liberal Arts and Sciences, on one-half time, and Instructor in Humanities, on one-fourth-time, in the Chicago Undergraduate Division, six months beginning March 1, 1952, to render service during the second semester of the academic year, $1762.50, superseded (2-7-52).

HATHAWAY, SAMUEL D., Research Assistant in Electrical Engineering (S), seven months beginning February 1, 1952, $3720 a year, superseded (2-15-52).

HAUSRATH, ALFRED H., Instructor in Theoretical and Applied Mechanics (C), on one-half time, for the second semester of the academic year beginning February 1, 1952, $200 a month, superseded (2-7-52).

HENSON, RAY D., Instructor in General Engineering Drawing (C), six months beginning March 1, 1952, to render service during the second semester of the academic year, $4000 a year, superseded (1-1-52).

HOFFMAN, ROBERT V., Research Associate in Pathology, in the College of Medicine, July 1, 1952-August 31, 1953, $5250 a year, superseded (1-16-52).

HOOVER, WILLIAM J., Assistant in Food Processing (Food Technology) (S), six months beginning March 1, 1952, $3480 a year (1-23-52).

HOUSE, ARTHUR S., Research Associate in the Control Systems Laboratory, seven months beginning February 1, 1952, $5200 a year, superseded. He will be paid $300 due in February for services performed under his previous contract. (2-14-52).

HUBBARD, DAVID G., Clinical Instructor in Psychiatry, in the College of Medicine, seven months beginning February 1, 1952, without salary (2-6-52).

IVERSON, MRS. ALICE F., Instructor in Mathematics, in the Chicago Undergraduate Division, six months beginning March 1, 1952, to render service during the second semester of the academic year, $2150, superseded (2-7-52).

JACKSON, GEORGE G., Assistant Professor of Medicine and of Preventive Medicine, in the College of Medicine, six months beginning January 1, 1952, $6750 a year, superseded (2-15-52).

JAKOWATZ, CHARLES V., Instructor in Electrical Engineering (C), six months beginning March 1, 1952, to render service during the second semester of the academic year, $375 a month, superseded (1-15-52).

JEFFRIES, JOHN U., Instructor in Electrical Engineering (C), six months beginning March 1, 1952, to render service during the second semester of the academic year, $305.83 a month, superseded (1-15-52).

JOHNK, CARL T. A., Research Associate in Electrical Engineering (S), on one-half time, seven months beginning February 1, 1952, $2640 a year, superseded (2-15-52).

KATZ, HAROLD W., Instructor in Electrical Engineering (C), on one-half time, six months beginning September 1, 1951, $1728.22 a month, and for six months beginning March 1, 1952, $1818.25 a month, to render service during the academic year, superseded (1-31-52).

KAUFMAN, IRVING, Instructor in Electrical Engineering (C), six months beginning March 1, 1952, to render service during the second semester of the academic year, $887.08 a month, superseded (1-15-52).

KELLOGG, MILFORD K., Research Associate in the Institute of Government and Public Affairs, seven months beginning February 1, 1952, $5100 a year, superseded (2-12-52).

KHACHATURIAN, NARBET, Instructor in Civil Engineering (C), six months be-
beginning March 1, 1952, to render service during the second semester of the academic year, $291.67 a month, supersedes (1-15-52).

KIVALO, INKERI, Assistant in Surgery, in the College of Medicine, one year beginning July 1, 1951, without salary (1-16-52).

KOENIG, HERMAN E., Instructor in Electrical Engineering (C), six months beginning March 1, 1952, to render service during the second semester of the academic year, $337.50 a month, supersedes (1-15-52).

KORNACKER, FRANK J., Visiting Lecturer in Building Structures, in the Department of Architecture, on three-fourths time, five months beginning February 1, 1952, to render service during the second semester of the academic year, $750 a month (1-15-52).

KOZUBAL, JOSEPH, Clinical Instructor in Surgery, in the College of Medicine, and Plastic Surgeon to the Cleft Palate Training Program, in the Division of Services for Crippled Children, on two-fifths time, seven months beginning February 1, 1952, $2400 a year, supersedes (2-15-52).

KROMHOUT, ROBERT A., Instructor in Physics, in the Chicago Undergraduate Division, on three-fourths time, and in Radiology, in the College of Medicine, on one-fourth time, six months beginning February 1, 1952, to render service during the second semester of the academic year, $84.17 a month (1-18-52).

KUKRAL, JAN, Assistant in Anesthesia, in the College of Medicine, January 7-June 30, 1952, without salary (1-28-52).

LABBE, PAUL, Clinical Assistant in Psychiatry, in the College of Medicine, January 15-August 31, 1952, without salary (1-15-52).

LAWDER, HOMER L., Professor of Hygiene, on indefinite tenure, and Head of the Health Center in the Health Service, seven months beginning February 1, 1952, $10,000 a year (this includes services to the University Retirement System) supersedes (2-18-52).

LEBEAU, LEON J., Instructor in Bacteriology, in the College of Medicine, eight months beginning January 1, 1952, $433.33 a month (1-16-52).

LEBOLD, WILLIAM K., Instructor in Electrical Engineering, on three-fourths time, and Staff Counselor in the Student Counseling Bureau, on one-fourth time, in the Chicago Undergraduate Division, six months beginning March 1, 1952, to render service during the second semester of the academic year, $4300 a year, supersedes (1-31-52).

LEPPER, MARK H., Associate Professor of Medicine and of Preventive Medicine, in the College of Medicine, on indefinite tenure, beginning January 1, 1952, without salary (2-15-52).

MABRY, JAMES E., Research Assistant in Psychology, in the Graduate College, seven months beginning February 1, 1952, $4200 a year (2-12-52).

MARTIN, GORDON E., Instructor in Mechanical Engineering (C), on one-half time, six months beginning March 1, 1952, to render service during the second semester of the academic year, $1750 a year (2-13-52).

McCoy, ARCHIBALD D., Research Associate in Psychiatry, in the College of Medicine, seven months beginning February 1, 1952, $5000 a year (2-6-52).

McMULLEN, GERALD D., Instructor in Electrical Engineering (C), six months beginning March 1, 1952, to render service during the second semester of the academic year, $277.68 a month, supersedes (1-15-52).

MELIN, DORIS L., Instructor in Education, on three-fourths time, six months beginning March 1, 1952, to render service during the second semester of the academic year, $500 a year, supersedes (2-14-52).

MOULTON, WILLIAM G., Instructor in Physics, in the Chicago Undergraduate Division, on three-fourths time, and in Radiology, in the College of Medicine, on one-fourth time, six months beginning February 1, 1952, to render service during the second semester of the academic year, $384.17 a month (1-18-52).

ROSS-DUGGAN, JOHN, Research Associate in Psychiatry, in the College of Medicine, eight months beginning January 1, 1952, $458.33 a month, supersedes (1-17-52).

SCHMITT, ROMAN A., Instructor in Physical Sciences, in the Chicago Undergraduate Division, on one-third time, five months beginning February 1, 1952, $550 (2-7-52).

SCHNEPPER, DONALD H., Research Assistant in Civil Engineering (S), seven months beginning February 1, 1952, $3600 a year (2-13-52).

SCHOEN, MRS. ELIZABETH E., Assistant in Animal Nutrition (Animal Science) (S), seven months beginning February 1, 1952, $3000 a year, supersedes (2-13-52).

SCHWARZ, JOSEPH E., Assistant in Art, February 1-June 15, 1952, $293.33 a month, supersedes (1-28-52).

SCHWARZ, WILLIAM, Medical Illustrator in the Cleft Palate Training Program, in the Division of Services for Crippled Children, on one-half time, seven months beginning February 1, 1952, $1950 a year (1-31-52).

SHERROD, HARRY R., Instructor in Applied Materia Medica and Therapeutics, in the College of Dentistry, on one-fifth time, January 17-March 29, 1952, $100 a month (1-25-52).

SHERROD, THEODORE R., Assistant Professor of Pharmacology, in the College of Medicine, January 1, 1952-August 31, 1953, to render service during each academic year, $6100 a year, supersedes (1-24-52).

SILBERGELD, SAM, Assistant Professor of Physical Sciences, in the Chicago Undergraduate Division, to render service during each academic year, one two-thirds time, six months beginning March 1, 1952, $1950, and on full time, one year beginning September 1, 1952, $5850, supersedes (2-7-52).
SILVERMAN, Bernard, Instructor in Electrical Engineering (C), six months beginning March 1, 1952, to render service during the second semester of the academic year, $4350 a year, supersedes (1-15-52).

SIMMONS, Ida H., Instructor in Education, on one-half time, six months beginning February 1, 1952, to render service during the second semester of the academic year, $2150 a year (2-11-52).

SOKOLOFF, Benjamin A., Assistant in English, for the second semester of the academic year beginning February 1, 1952, $286.67 a month, supersedes (2-11-52).

SOKOLOFF, Iris, Assistant in English, for the second semester of the academic year beginning February 1, 1952, $2150 a year (2-11-52).

SPIES, Harold W., Clinical Assistant in Medicine, in the College of Medicine, eight months beginning January 1, 1952, without salary (1-25-52).

STELLING, Mrs. Lois B., Instructor in Mathematics, in the Chicago Undergraduate Division, six months beginning March 1, 1952, to render service during the second semester of the academic year, $1850, supersedes (2-7-52).

STEWART, Neil R., Assistant in Medicine, in the College of Medicine, seven months beginning February 1, 1952, without salary (2-7-52).

STOECKER, F., Instructor in Mechanical Engineering (C), six months beginning March 1, 1952, to render service during the second semester of the academic year, $3600 a year, supersedes (1-15-52).

TEHON, Stephen W., Instructor in Electrical Engineering (C), six months beginning March 1, 1952, to render service during the second semester of the academic year, $375 a month, supersedes (1-15-52).

THEIS, Susie L., Exchange Assistant in the Library, seven months beginning February 1, 1952, $283.33 a month (1-16-52).

TIMMERHAUS, Klaus D., Research Associate in Chemical Engineering (S), January 16-June 30, 1952, $350 a month, supersedes (1-15-52).

TUCKER, Don, Research Assistant in Electrical Engineering (S), eight months beginning January 1, 1952, $366.67 a month, supersedes (1-17-52).

WAX, Nelson, Associate Professor of Electrical Engineering (C), on one-third time, $226.67 a month, and Research Associate Professor in the Control Systems Laboratory, on two-thirds time, $553.33 a month, February 1-June 15, 1952 (on Y basis), and on full time in the Control Systems Laboratory, June 16-August 31, 1952 (on Y basis), $836 a month, and Associate Professor of Electrical Engineering (C), on indefinite tenure beginning September 1, 1952, to render service during each academic year, $6120 a year, supersedes (1-15-52).

WHEELER, David J., Visiting Assistant Professor of Mathematics, Electronic Digital Computer, in the Graduate College, nine months beginning September 16, 1952, $5000 (2-8-52).

WHITESEL, Theodore L., Assistant Professor of Economics, five months beginning February 1, 1952, to render service during the second semester of the academic year, $2700 (2-4-52).

WILSON, Burton J., Instructor in Electrical Engineering (C), six months beginning March 1, 1952, to render service during the second semester of the academic year, $314.58 a month, supersedes (1-15-52).

WILSON, Glen F., Jr., Research Associate in Psychology, in the Graduate College, June 1, 1952-August 31, 1953, $6200 a year (2-6-52).

WINNETT, William L., Instructor in Education, in the University High School, on one-half time, six months beginning March 1, 1952, to render service during the second semester of the academic year, $822.50, supersedes (2-15-52).

WIRTZ, Morvin A., Instructor in Education, on one-half time, six months beginning February 1, 1952, to render service during the second semester of the academic year, $2000 a year, supersedes (2-14-52).

WRIGHT, Donovan G., Clinical Assistant Professor of Psychiatry, in the College of Medicine, seven months beginning February 1, 1952, without salary (2-6-52).
YARU, NICHOLAS, Research Associate in Electrical Engineering (S), on three-fourths time, seven months beginning February 1, 1952, $3960 a year, superseded (2-15-52).

ZANOTTI, GEORGE J., Instructor in General Engineering Drawing, in the Chicago Undergraduate Division, six months beginning March 1, 1952, to render service during the second semester of the academic year, $5100 a year, superseded (1-31-52).

ZIVIN, SIMON, Research Associate in Medicine, in the College of Medicine, on one-half time, one year beginning January 20, 1952, $2805 (2-13-52).

GRADUATE FELLOWS
(The following appointments were made by the Dean of the Graduate College on the dates indicated in parenthesis.)

KJELLBERG, RAYMOND N., Research Fellow in Pharmacology, in the College of Medicine, January 1-March 31, 1952, $150 a month (1-15-52).

SANFNER, ROGER W., Western Cartridge Fellow in Chemistry, February 1-June 15, 1952, $900 (2-4-52).

SCHILTZ, JOHN J., Commercial Solvents Corporation Fellow in Chemistry, one year beginning February 1, 1952, $1980 (2-4-52).

RESIGNATIONS
ARTHUR, ALICE E., Medical Illustrator in the Cleft Palate Training Program, in the Division of Services for Crippled Children — resignation effective 1-31-52.

BATCHelor, MRS. ELIZABETH, Research Assistant in Bacteriology, in the Graduate College — resignation effective 1-1-52.

BECKER, ELMER L., Assistant Professor of Bacteriology, in the College of Medicine — resignation effective 1-14-52.

BESSEY, OTTO A., Professor of Biological Chemistry, and Head of the Department, in the College of Medicine — resignation effective 3-15-52.

BEVERIDGE, HELEN, Instructor in English — resignation effective 3-1-52.

BOARDMAN, RICHARD S., Fellow in Geology — resignation effective 2-1-52.

BRANSBY, ERIC J., Instructor in Art — resignation effective 3-1-52.

BRUNN, SEVERYN T., Assistant Psychometrist in the Student Counseling Bureau — resignation effective 3-15-52.

BUFFA, ELWOOD S., Assistant Professor of Mechanical Engineering (C) — resignation effective 3-1-52.

CHENG, KUANG LU, Postdoctoral Fellow in Agronomy — resignation effective 2-1-52.

CIHA, MRS. CLAIRE O., Assistant in Agricultural Extension and Assistant Extension Editor (E) — resignation effective 3-8-52.

COFFIN, GEORGIA, Cataloger, with the rank of Instructor, in the Library — resignation effective 2-14-52.

CRAIG, WILLIAM J., Research Assistant Professor of Theoretical and Applied Mechanics (S) — resignation effective 3-3-52.

DUNLOP, KATHLEEN E., Research Assistant in the Bureau of Economic and Business Research — resignation effective 2-14-52.

EALES, EDWARD P., Assistant Professor of Aeronautical Engineering (C) — resignation effective 2-1-52.

ELLiOTT, ROBERT S., Assistant Professor of Electrical Engineering (C) — resignation effective 3-1-52.

FUCHS, JACOB, Research Assistant in Chemistry, in the Graduate College — resignation effective 2-1-52.

HENSON, RAY D., Instructor in General Engineering Drawing (C) — resignation effective 3-1-52.

JOHNSON, CARL E., Instructor in Chemistry — resignation effective 3-1-52.

JOHNSON, ROBERT W., Instructor in the Institute of Aviation — resignation effective 3-1-52.
JUDY, WILLIAM S., Instructor in Radiology, in the College of Medicine—resignation effective 1-11-52.
LOVE, RUTH H., Research Assistant in Biological Chemistry, in the College of Medicine—resignation effective 2-26-52.
MARTIN, GEORGE E., Instructor in Marketing, in the Department of Business Organization and Operation—resignation effective 3-1-52.
McCASKILL, DANIEL, Clinical Assistant in Neurology and Neurological Surgery (Rush), in the College of Medicine—resignation effective 11-1-51.
NORDSTROM, JAMES E., Research Assistant in Medicine, in the College of Medicine—resignation effective 1-10-52.
PESAVENTO, MRS. WILMA, Assistant in Physical Education for Women, in the Chicago Undergraduate Division—resignation effective 2-1-52.
PRINTY, GLENN E., Swift and Company Fellow in Entomology—resignation effective 2-1-52.
RIDDELL, J. MURRAY, JR., Clinical Assistant in Dermatology, in the College of Medicine—resignation effective 1-2-52.
RIEDINGER, ALICE L., Research Associate in Biological Chemistry, in the College of Medicine—resignation effective 2-26-52.
ROCAHN, WILLIAM C., Assistant in English—resignation effective 2-1-52.
SHAHANI, KHEMCHAND MOTUMAL, Assistant in Food Technology (S)—resignation effective 12-1-51.
STEELE, MONTGOMERIE C., Research Assistant Professor of Theoretical and Applied Mechanics (S)—resignation effective 4-1-52.
STENDERUP, MARGIT R., Acquisition Assistant in the Library—resignation effective 2-1-52.
STEWART, FORREST A., Assistant Professor of Farm Management (Agricultural Economics) (S)—resignation effective 3-1-52.
STRONG, DOROTHY, Assistant Editor in the University Press—resignation effective 3-1-52.
TAYLOR, CHARLES E., Assistant Professor of Theoretical and Applied Mechanics (C)—resignation effective 3-1-52.
TEPLITZ, ZELDA, Clinical Instructor in Psychiatry, in the College of Medicine—resignation effective 1-15-52.
WILSON, CHARLES C., Instructor in Mathematics, in the Chicago Undergraduate Division—resignation effective 3-1-52.
WOZNIAK, RICHARD J., Registered Pharmacist in Hospital Pharmacy, in the College of Pharmacy—resignation effective 2-1-52.
WRIGHT, G. DOUGLAS T., Research Assistant in Civil Engineering (S)—resignation effective 2-23-52.
ZIMMERMAN, WILLIAM F., Research Assistant in Ceramic Engineering (S)—resignation effective 2-1-52.

LEAVES OF ABSENCE

CHANGNON, PAULINE E., Instructor in Education, in the University High School—leave of absence, with pay, for six weeks beginning February 11, 1952, on account of illness.
CONDON, ARNOLD C., Associate Professor of Secretarial Training, in the Department of Business Organization and Operation—extension of leave of absence, without pay, for the second semester of 1951-1952.
EDMAN, MARJORIE, Instructor in Animal Nutrition (Animal Science) (S)—extension of leave of absence, with pay, for six months beginning December 18, 1951.
GUM, MRS. WANDA N., Assistant Professor of Social Sciences, in the Chicago Undergraduate Division—leave of absence, without pay, January 27-August 31, 1952, on account of illness.

SANDERS, William B., Instructor in Theoretical and Applied Mechanics (C) —
leave of absence, without pay, for six months beginning March 1, 1952, for
military service.

DEGREES CONFERRED FEBRUARY 10, 1952

Summary

Degrees in the Graduate College:

- Doctor of Philosophy: 49
- Doctor of Education: 2
- Master of Arts: 43
- Master of Science: 188
- Master of Education: 19

Total, Graduate College: (303)

Degrees in Law:

- Bachelor of Science: 3
- Bachelor of Laws: 21
- Doctor of Law: 1

Total, Law: (25)

Baccalaureate Degrees:

- Bachelor of Science, College of Agriculture: 53
- Bachelor of Science, College of Engineering: 168
- Bachelor of Arts, College of Liberal Arts and Sciences: 105
- Bachelor of Science, College of Liberal Arts and Sciences: 67
- Bachelor of Science, Library School: 5
- Bachelor of Science, College of Education: 40
- Bachelor of Science, College of Commerce and Business Administration: 116
- Bachelor of Science, School of Journalism and Communications: 25
- Bachelor of Science, College of Fine and Applied Arts: 59
- Bachelor of Fine Arts, College of Fine and Applied Arts: 16
- Bachelor of Music, College of Fine and Applied Arts: 3
- Bachelor of Science, School of Physical Education: 18
- Bachelor of Science, Division of Special Services for War Veterans: 68

Total, Baccalaureate Degrees: (743)

Total, Degrees Conferred: 1,071

GRADUATE COLLEGE

Degree of Doctor of Philosophy

In Accountancy

MING PO HSU, B.S., Chiao Tung University, 1941; M.S., 1948

In Agronomy

HERMAN LEROY BRELAND, B.S., Mississippi State College, 1942; M.S., Purdue
University, 1948

SHELDON FELDMAN, B.S., M.S., 1948, 1949

JOSEPH JULIAN PIERRE, B.S., University of Wisconsin, 1932; M.S., 1947

ROBERT MCLEOD REED, B.S., M.S., 1947, 1948

WILLIAM FRANKLIN SPENCER, B.S., M.S., 1947, 1950

In Animal Nutrition

HAROLD HUGH DRAPER, B.S., University of Manitoba, 1945; M.S., University of
Alberta, 1948

RICHARD CARL WAHLSTROM, B.S., University of Nebraska, 1948; M.S., 1950

In Business

DWIGHT LONNIE GENTRY, A.B., Elon College, 1941; M.B.A., Northwestern Uni-
versity, 1947
In Chemical Engineering

ROBERT BEVERLEY FEILD, B.Ch.E., University of Virginia, 1948; M.S., 1950
KLAUS DIETER TIMMERHAUS, B.S., M.S., 1948, 1949

In Chemistry

ROY HENDERSON BIBLE, Jr., B.S., Virginia Polytechnic Institute, 1948; M.S., 1949
JOHN FIGUEIRAS, Jr., B.S., University of Rochester, 1949; M.S., 1950
ROBERT LINCOLN FOSTER, B.S., Monmouth College, 1948; M.S., 1949
HARRY CHARLES GELLER, A.B., Rice Institute, 1948; A.M., 1949
ALLAN DALE GOTT, B.S., University of the South, 1948; M.S., 1949
RICHARD JASON HELLMANN, B.S., University of Wisconsin, 1948; M.S., 1949
VIRGINIA CAROLINE MENIKHEIM, B.S., Butler University, 1941; M.S., 1949
ERNST D. NICOLAIDES, B.S., Monmouth College, 1948; M.S., 1949
ROBERT CLAIR SENTZ, B.S., Bucknell University, 1948; M.S., 1949
HOMER JENNINGS SIMS, B.S., M.S., Western Illinois State College, 1948
CHARLES JACKSON STRICKLER, B.S., Purdue University, 1942; M.S., 1949
RICHARD HARVEY TENNYSON, B.S., St. Mary's College, 1946
WILLIAM WARREN WEST, A.B., Knox College, 1943; M.S., De Paul University, 1948; M.S., 1950
WILLIAM ARTHUR ZIEGLER, A.B., M.S., 1948, 1949

In Civil Engineering

NARBHEY KHACHATURIAN, B.S., M.S., 1947, 1948

In Dairy Technology

JOSEPH TOBIAS, B.S., University of Georgia, 1942; M.S., 1949

In Economics

THEODORE LEWIS WHITESEL, B.Ed., Eastern Illinois State College, 1931; B.S., M.S., 1932, 1934

In Electrical Engineering

TE-NING CHIN, B.E.E., National Southwest Association University, 1942; M.S., 1949
ROBERT STRATMAN ELLIOTT, B.S., A.B., Columbia University, 1942, 1943; M.S., 1947

In English

ROBERT LAWRENCE COARD, A.B., Quincy College, 1943; A.M., 1946

In Entomology

ABDEL-LATIF AMIN EL-DEEB, B.S., Fouad First University, 1937; M.S., 1951
HARRY ERIC FERNANDO, B.S., University of Ceylon, 1947; M.S., 1950
FRANK EDWIN GUTHRIE, B.S., University of Kentucky, 1947; M.S., 1949
DONALD MONROE TUTTLE, B.S., M.S., Michigan State College, 1940, 1947
EDDIE BORDERS VINSON, B.S., M.S., Alabama Polytechnic Institute, 1948, 1949

In German

GRACE LOIS ARMOUR WESTEN, A.B., Smith College, 1940; A.M., Yale University, 1943

In Mass Communications

IRVING ISAAC RAINES, A.B., A.M., 1942, 1949

In Mathematics

JOSEPH HOPE HORNBACK, A.B., Central College, 1932; A.M., Harvard University, 1933
JOE WILLIE WRAZ, B.S., M.S., University of Georgia, 1939, 1944; A.M., 1948

In Mechanical Engineering

THORNTON WALTON PRICE, B.S., 1942; M.S., Lehigh University, 1950
ROBERT SENTER WICK, B.M.E., Rensselaer Polytechnic Institute, 1946; M.S., Stevens Institute of Technology, 1948
In Physics
William Eberle Kreger, B.S., Case School of Applied Science, 1946; M.S., 1948
William Gates Moulton, B.S., Western Illinois State College, 1946; A.M., 1948
Marlin Eugene Remley, A.B., Southeast Missouri State Teachers College, 1942; M.S., 1948

In Sociology
Donald Edwin Rasmussen, A.B., A.M., 1937, 1938

In Veterinary Pathology and Hygiene
Morris Seifert Cover, V.M.D., University of Pennsylvania, 1938; M.S., Kansas State College, 1943

In Zoology
Conrad Alvin Blomquist, B.S., M.S., 1940, 1947
Jack Dalton Tiner, M.S., Michigan State College, 1946; D.V.M., Agricultural and Mechanical College of Texas, 1944

Degree of Doctor of Education
Oren Raymond Rankin, B.S., A.M., Southwest Texas State Teachers College, 1935, 1941
Khaim Raskin, B.S., Ed.M., University of California, 1949, 1950; Ed.M., 1951

Degree of Master of Arts
In Economics
Edward Sussna, A.B., Brooklyn College, 1950
Keijiro Tanaka, A.B.(Law), Tokyo Imperial University, 1947

ANNUAL MEETING

On motion of Mr. Johnston, the Board voted to hold the annual meeting in the LaSalle Hotel, in Chicago, Illinois, on Wednesday, March 12, 1952, beginning at 5:00 p.m.

DRILL HALL AT NAVY PIER

President Livingston reported that the Corporation Counsel of Chicago has requested that representatives of the city be permitted to appear before the Board of Trustees to discuss the possibility of the University relinquishing the Drill Hall at Navy Pier on or before June, 1952, for use by the Municipal Court of the city of Chicago. The request was for appearance at today's meeting but the Secretary advised the Corporation Counsel's Office that the question to be discussed is of such importance that it should be considered when more of the Trustees are present than could be present today.

The Secretary was instructed to invite the city to send its representatives to the meeting on March 12.

MEETING OF COMMITTEE ON TELEVISION

Mr. Livingston stated that he would call a meeting of the Committee on Television at 4:00 p.m., Wednesday, March 12, 1952, preceding the annual meeting of the Board, and that the Committee will hold another conference with representatives of the Illinois Broadcasters Association following the Board meeting so that all of the Trustees can participate in this conference.

AUTHORIZATION OF LEGAL COUNSEL TO ENTER APPEARANCE OF THE BOARD IN LEGAL PROCEEDINGS

The Legal Counsel requested authority to waive service of process upon, and to enter the appearance of, the Board of Trustees of the University of Illinois in any suit in any court of competent jurisdiction in which the University or the Board of Trustees is made a party when, in his opinion, it will serve, and will not prejudice, the interests of the Board or of the University to do this.

On motion of Mr. Johnston, authority was granted as requested.

On motion of Mrs. Watkins, the Board adjourned.

A. J. JANATA

Secretary

PARK LIVINGSTON

President
The annual meeting of the Board of Trustees of the University of Illinois was held in the LaSalle Hotel, Chicago, Illinois, on Wednesday, March 12, 1952, beginning at 5:00 p.m. (On February 22, 1952, the Board voted to hold the annual meeting on Wednesday, March 12, 1952, instead of on the second Tuesday of March.)

The following members were present: Mr. John R. Fornof, Mr. Wirt Herrick, Mr. R. Z. Hickman, Mrs. Doris S. Holt, Mr. Wayne A. Johnston, Mr. Park Livingston, Mr. Herbert B. Megran, Mr. Vernon L. Nickell, Mrs. Frances B. Watkins. Mr. Harold E. Grange and Governor Adlai E. Stevenson were absent.

Also present were: President George D. Stoddard, Provost C. R. Griffith, Vice-President A. C. Ivy, Mr. Ralph F. Lesemann, Legal Counsel, Dean Wilbur Schramm, Mr. R. B. Hudson, Director of University Broadcasting, Mr. Frank E. Schooley, Manager of Station WILL, Mr. J. F. Wright, Director of Public Information; Mr. C. Lincoln Williston, Manager of Public Information, and Mr. H. W. Pearce, Superintendent of Buildings and Grounds, at the Chicago Professional Colleges; Mr. Lloyd Morey, Comptroller, Mr. C. W. Weldon, Treasurer, and Mr. A. J. Janata, Secretary of the Board.
MR. JOHN R. FORNOF ELECTED PRESIDENT PRO TEMPORE
By acclamation, Mr. Fornof was elected President Pro Tempore and took the chair.

MR. PARK LIVINGSTON ELECTED PRESIDENT OF THE BOARD
Mr. Hickman nominated Mr. Park Livingston for the Office of the President of the Board for 1952-1953.
On motion of Mr. Nickell, the nominations were closed and the Secretary was instructed to cast the unanimous vote of the meeting for Mr. Livingston as President. The ballot was cast, and Mr. Livingston was declared elected President of the Board for the year 1952-1953. He took the chair and expressed appreciation of the confidence of the Board in re-electing him to this office.

MR. A. J. JANATA ELECTED SECRETARY
Mr. Johnston nominated Mr. A. J. Janata for the Office of Secretary of the Board.
On motion of Mr. Herrick, seconded by Mr. Nickell, the nominations were closed and Mr. Janata was unanimously elected Secretary of the Board for the year 1952-1953.

MR. LLOYD MOREY ELECTED COMPTROLLER
Mr. Herrick nominated Mr. Morey for the Office of Comptroller.
On motion of Mr. Johnston, seconded by Mr. Nickell, the nominations were closed and the Secretary was instructed to cast the unanimous vote of the meeting for Mr. Morey as Comptroller. The ballot was cast and Mr. Morey was declared elected Comptroller for the year 1952-1953.

EXECUTIVE COMMITTEE ELECTED
Mrs. Holt nominated Mr. Herbert B. Megran and Mrs. Frances B. Watkins to serve with the President of the Board as members of the Executive Committee for 1952-1953.
On motion of Mr. Nickell, the nominations were closed and the Secretary was instructed to cast a unanimous vote of the meeting for Mr. Megran and Mrs. Watkins as members of the Executive Committee. The ballot was cast and Mr. Megran and Mrs. Watkins were declared elected as members of the Executive Committee for the year 1952-1953.

DELEGATION OF SIGNATURES
On motion of Mr. Megran, seconded by Mr. Johnston, the following resolution was adopted.

Resolved, that the President and the Secretary of the Board of Trustees of the University of Illinois are authorized to delegate the signing of their names as President and Secretary, respectively, to vouchers to be presented to the State Auditor, and to warrants drawn on the Treasurer of the University, under the following conditions.

The President of the Board of Trustees is authorized to delegate to C. H. Pratt, to L. M. Dahlenburg, and to W. D. Green in Urbana, and to H. A. Hazleton, to G. H. Pontious, and to H. O. Albers in Chicago, to H. R. Kobes and to Mabel F. Meck in Springfield, authority to sign his name as President of the Board of Trustees to vouchers against the State Auditor; and to C. C. DeLong, to R. W. Zimmer, and to R. F. Wood in Urbana, and to H. A. Hazleton, to G. H. Pontious, and to H. O. Albers in Chicago, authority to sign his name to warrants on the
University Treasurer covering vouchers approved in accordance with regulations approved by the Board.

The Secretary of the Board of Trustees is authorized to delegate to Maude Archdeacon, to Everett G. Smith, and to Helen S. Sutherland in Urbana, and to G. R. Moon, to Ethel Engeljohn, to Helen Wyle, and to Velma M. Davis in Chicago, authority to sign his name as Secretary of the Board of Trustees to vouchers against the State Auditor and to warrants on the University Treasurer, covering vouchers approved in accordance with regulations of the Board. The Secretary of the Board of Trustees is authorized to delegate to Mrs. Freda M. Hicks and to Lean C. Ryan in Springfield, authority to sign his name as Secretary of the Board of Trustees on vouchers against the State Auditor approved in accordance with the regulations of the Board. And be it further

Resolved, that the First National Bank of Chicago as a designated depository of C. W. Weldon, Treasurer of this corporation, be and it (including its correspondent banks) is hereby requested, authorized, and directed to honor checks, drafts, or other orders for the payment of money drawn in this corporation's name, including those drawn to the individual order of any person or persons whose name or names appear thereon as signer or signers thereof, when bearing or purporting to bear the facsimile signatures of the two following: Park Livingston, President, and A. J. Janata, Secretary; and the First National Bank of Chicago (including its correspondent banks) shall be entitled to honor and to charge this corporation for all such checks, drafts, or other orders, regardless of by whom or by what means the facsimile signature or signatures thereon may have been affixed thereto, if such facsimile signature or signatures resemble the facsimile specimens duly certified to or filed with the First National Bank of Chicago by the Secretary or other officer of this corporation. And be it further

Resolved, that the Auditor of Public Accounts is hereby authorized and directed to honor vouchers bearing facsimile signatures of the President and Secretary of the Board of Trustees of the University of Illinois if such facsimile signatures resemble the facsimile specimens duly certified to or filed with the Auditor of Public Accounts by the Secretary.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following reports and recommendations from the President of the University.

DEPARTMENT OF MEDICAL SOCIAL WORK IN COLLEGE OF MEDICINE

(1) The Dean of the College of Medicine recommends the establishment of a Department of Medical Social Work for the training of students in the special field of medical social work to be organized and administered according to the following plan:

1. All medical social work in the College of Medicine and in the Research and Educational Hospitals shall be under the direction of this Department so that its activities may be coordinated with the over-all educational program of the College.

2. The personnel of the Department shall consist of:
   a. The Head of the Department who shall have professorial rank and whose duties shall be those specified for department heads in the University of Illinois Statutes.
   b. An academic staff whose members shall have appropriate rank and academic status in the College of Medicine.
   c. A nonacademic staff of medical social workers.

3. In order to maintain close working relationships with the School of Social Work at Urbana, and to assure that the Department will function effectively in the training of students from the School of Social Work in the specialty of medical social work,
   a. The Head of the Department of Medical Social Work in the College of Medicine shall also hold an academic appointment in the School of Social Work.
   b. All appointments to the academic staff of the Department of Medical Social Work shall be subject to the approval of the Director of the School of Social Work.
   c. The Department of Medical Social Work shall carry such responsibilities for teaching as may be assigned by the School of Social Work.

I concur.

On motion of Mr. Johnston, this recommendation was approved.

APPOINTMENT OF MARY LOUISE HEMMY AS ASSOCIATE PROFESSOR AND HEAD OF DEPARTMENT OF MEDICAL SOCIAL WORK

(2) The Dean of the College of Medicine and the Director of the School of Social Work recommend the appointment of Miss Mary Louise Hemmy, now Director of the Social Service Department of Washington University Clinics and Allied Hospitals in St. Louis, as Associate Professor and Head of the Department of Medical Social Work in the College of Medicine and Associate Professor in the School of Social Work, on indefinite tenure beginning July 1, 1952, at an annual salary of $7,500 (AY basis).

This appointment has been recommended by a committee of the faculty of medicine consisting of Dr. Ford K. Hick, Professor of Medicine, Chairman; Dr. Francis J. Gerty, Professor and Head of the Department of Psychiatry; Dr. Harry F. Dowling, Professor and Head of the Department of Medicine; Dr. Julius B. Richmond, Professor of Pediatrics; and Professor Marietta Stevenson, Director of the School of Social Work.

I concur.

On motion of Mr. Johnston, this appointment was approved.

APPOINTMENTS TO THE FACULTY

(3) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.
1. Hikam T. Langston, Clinical Associate Professor of Surgery, College of Medicine, beginning March 1, 1952, without salary (BY).

2. Leonard E. Miller, Associate Professor and Director of Laboratories, in the Department of Chemistry, beginning September 1, 1952, at an annual salary of $9,000 (AY).

3. Charles Edmund Swanson, Research Professor in the Institute of Communications Research, Division of Communications, and Assistant Dean of Division of Communications, beginning June 16, 1952, at an annual salary of $10,000 (DY).

On motion of Mr. Hickman, these appointments were confirmed.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(4) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded to the following candidates who have qualified under Section 4b of the Accountancy Act of 1943, as amended, by passing examinations given by the Special Board of Examiners at various times prior to December 6, 1951. The certificates of these candidates were invalidated by the Circuit Court of Cook County in 1951 holding Section 4b of the Accountancy Act as originally passed unconstitutional. Subsequently, the Section was amended and is now free from constitutional objection. These candidates have again qualified but new certificates will have to be issued.

Joseph Alpert (Chicago) Leo Meade (Chicago)

The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

I concur.

On motion of Mr. Nickell, these certificates were awarded.

SABBATICAL LEAVES OF ABSENCE, 1952-1953

(5) I recommend that the following members of the staff be given sabbatical leaves of absence during the academic year 1952-1953 in accordance with the provisions of the University of Illinois Statutes and on the terms and for the periods indicated.

The programs of research, study, and travel for which these leaves are requested have been examined by the University Research Board which advises the President in such matters. The Research Board’s report to the President includes an evaluation of the program in terms of benefits to the University and to the individual and constitutes a part of the record of each case.

Leaves of Absence for the Full Academic Year on One-Half Pay

Reinhold Baer, Professor of Mathematics
John T. Flanagan, Professor of English
Margaret R. Goodyear, Assistant Professor of Home Economics
Paul N. Landis, Professor of English
William H. McPherson, Professor of Economics
Donald W. Paden, Associate Professor of Economics
Charles S. Walters, Associate Professor of Forest Utilization

Optional Applications

Royal A. Gettmann, Professor of English, with the option of changing to leave for the second semester on full pay. Professor Gettmann has applied for a Fulbright grant. If he is not awarded the grant, he desires leave for the second semester on full pay.
Edward J. Scott, Assistant Professor of Mathematics; contingent upon receipt of grant from the Office of Naval Research.

Frederick L. Will, Associate Professor of Philosophy, with the option of changing to leave for the second semester on full pay. Professor Will has applied for a Guggenheim fellowship. If he is not awarded the grant, he desires leave for the second semester on full pay.

Leaves of Absence for One-Half Year on Full Pay

First Semester

Archibald W. Anderson, Professor of Education
Deane G. Carter, Professor of Farm Structures, six months from September 1, 1952
Reynold C. Fuson, Professor of Organic Chemistry
Donald F. Hoffmeister, Assistant Professor of Zoology and Curator of Museum of Natural History, six months from October 1, 1952
Lester Ingle, Associate Professor of Zoology
Robert W. Jugenheimer, Professor of Plant Genetics, six months from September 1, 1952
J. Robert Kelly, Assistant Professor of Music
Edith M. Usry, Associate Professor of Music
Herbert E. Vaughan, Associate Professor of Mathematics
Raymond C. Werner, Professor of History

Second Semester

Chalmers W. Crawford, Assistant Professor of Horse Husbandry
Richard S. Dewey, Associate Professor of Sociology
Cecil V. Donovan, Professor of Art
Julian R. Fellows, Professor of Mechanical Engineering
Lee S. Hultzen, Associate Professor of Speech
M. Zbigniew Krzywoblocki, Professor of Aeronautical Engineering, contingent upon receipt of a Fulbright grant

Nelson J. Leonard, Associate Professor of Chemistry
Joseph L. McConnell, Associate Professor of Economics
Ralph J. Mutti, Associate Professor of Agricultural Marketing, six months beginning March 1, 1953
Cullen B. Owens, Assistant Professor of Speech
Chris S. Rhode, Professor of Dairy Science, six months from March 1, 1953
Paul Rolland, Professor of Music
Harrison A. Ruehe, Professor of Dairy Science, six months from March 1, 1953
George T. Stafford, Professor of Physical Education for Men
Henri Stegmeier, Associate Professor of German
Charles L. Stewart, Professor of Agricultural Economics, six months from March 1, 1953

Semester to Be Determined

G. Neville Jones, Professor of Botany and Curator of Herbarium, first or second semester; contingent upon receipt of either Fulbright or Guggenheim grant

P. Gerald Kruger, Research Professor of Physics, first or second semester, the time to be determined by the needs of the Department

Leaves of Absence for One-Half Year on One-Half Pay

James B. Kitzmiller, Assistant Professor of Zoology, second semester; contingent upon receipt of Fulbright grant

Edward G. Lewis, Associate Professor of Political Science, first semester, 1952-1953, with the option of continuing on leave of absence during the second semester without pay; contingent upon receipt of a Fulbright grant

On motion of Mr. Herrick, these leaves were granted, as recommended.
APPOINTMENTS TO THE BOARD OF DIRECTORS OF THE ATHLETIC ASSOCIATION

(6) I submit the following nominations for reappointment and two new appointments to the Board of Directors of the University of Illinois Athletic Association to become effective March 12, 1952, and continuing until the annual meeting of the Board of Trustees in 1953:

Faculty

ROBERT G. BONE, Professor of History and Director of the Division of General Studies

LESLIE A. BRYAN, Professor of Management and Director of the Institute of Aviation

CHARLES H. BOWMAN, Assistant Professor of Law

DILMAN W. GOTSHALK, Professor and Chairman of the Department of Philosophy

Alumni Association

HARRY E. SCHLENZ, Class of 1927, Vice-President of the Pacific Flush Tank Company, 4241 Ravenswood Avenue, Chicago

ROBERT W. RIEGEL, Class of 1937, Implement Dealer, Tolono, Illinois

ROBERT REITSCH, Class of 1928, Reitsch Bros. Lumber Company, 1015 West State Street, Rockford

Professor Gotshalk replaces Professor Paul N. Landis of the Department of English and Mr. Reitsch replaces Mr. Lawrence A. Peterson, both of whom have served on the Board since March, 1948. All the others are reappointments.

On motion of Mr. Megran, these directors were appointed.

CHANGES IN CURRICULA IN COLLEGE OF ENGINEERING

(7) The University Senate recommends approval of the following changes in the curricula of the College of Engineering as recommended by the faculty of that College, effective September, 1953.

Requirements common to all curricula shall include:

The freshman year will be the same for all curricula.

Physics 106, Mechanics, Physics 107, Modern Physics (Electricity and Magnetism), Physics 108, Modern Physics (Heat and Light), totaling twelve semester hours, will replace Physics 103, General Physics (Mechanics, Heat, and Sound), and Physics 104, General Physics (Electricity, Magnetism, Light, and Modern Physics), totaling ten semester hours. Mathematics 133, Calculus, and Mathematics 143, Calculus, totaling eight semester hours, will replace Mathematics 132, Calculus, and Mathematics 142, Calculus, totaling eight semester hours.

Technical electives may include all courses in mathematics, chemistry, chemical engineering; Agricultural Engineering 282, Electricity in Agriculture; Agricultural Engineering 341, Farm Power; Agricultural Engineering 351, Hydraulics of Soil and Water Conservation; Agricultural Engineering 371, Advanced Farm Structures; Agricultural Engineering 393, Special Problems; and all courses in the College of Engineering not required in a specific curriculum except Engineering 140, Transportation; Engineering 141, Transportation; Engineering 216, Engineering Reports; Engineering 220, History of Engineering; Engineering 230, Labor Relations; Engineering 239, Industrial Development and Supervision; and Engineering 292, Engineering Law.

These are the courses as described and listed in the 1951-1952 Undergraduate Study Bulletin.

Nontechnical electives shall include all courses in the College of Liberal Arts and Sciences except those in mathematics, chemistry, and chemical engineering; all courses in the College of Commerce and Business Administration; Architecture 113, History of Ancient Architecture; Architecture 214, History of Medieval Architecture; Architecture 215, History of Renaissance and Baroque Architecture; Architecture 216, Modern Architecture; Architecture 218, Architecture and Civilization of the Americas and Europe since 1870; Art 111, Introduction to Ancient and Medieval Art; Art 112, Introduction to Renaissance and Modern Art; Art 115, Art Appreciation; Education 300, The History
of Education; Education 301, The Philosophy of Education; Education 302, The History of American Education; Education 303, Comparative Education; Education 304, Social Foundations of Education; Engineering 140, Transportation; Engineering 141, Transportation; Engineering 216, Engineering Reports; Engineering 220, History of Engineering; Engineering 230, Labor Relations; Engineering 239, Industrial Development and Supervision; Engineering 292, Engineering Law; Journalism 215, Contemporary Affairs; Journalism 216, Contemporary Affairs; Journalism 218, The Press and Public Opinion; Landscape Architecture 111, History of Landscape Architecture; Landscape Architecture 164, Appreciation of Landscape Architecture; Landscape Architecture 174, Regional Planning; Music 100 through 123, Rudiments of Theory, Theory of Music, Appreciation of Music—Opera, Symphonic Poems, Symphonies, Chamber Music, Introduction to the History of Music, Introduction to Music Literature.

There is submitted herewith a copy of the report of the Committee on Educational Policy giving the details of the changes in the curricula in aeronautical engineering, agricultural engineering, ceramic engineering, civil engineering, electrical engineering, engineering physics, general engineering, mechanical engineering, metallurgical engineering, mining engineering, and sanitary engineering.

A copy of this report is hereby given to the Secretary of the Board for record. I concur.

On motion of Mrs. Watkins, these changes were approved.

CURRICULUM IN INDUSTRIAL ENGINEERING

(8) The University Senate recommends approval of a new curriculum leading to the degree of Bachelor of Science in Industrial Engineering as recommended by the faculty of that College effective September, 1953. This curriculum and degree are well established in other colleges of engineering in the United States and are proposed to replace the Production Option in the present curriculum in mechanical engineering. The new program will be administered by the Department of Mechanical Engineering.

First Year

The freshman program common to all other curricula in engineering will be used.

CURRICULUM IN INDUSTRIAL EDUCATION

(9) The University Senate recommends approval of the following revised undergraduate curriculum in industrial education leading to the degree of Bachelor of Science in Industrial Education as recommended by the faculty of that College effective September, 1952. A minimum of 127 semester hours of credit, excluding the general University requirements of two years of work in physical education and in the case of male students in military, shall be required for graduation.

APPROPRIATION FOR ARCHITECTURAL SERVICES ON CONSTRUCTION AND REMODELING AT URBANA-CHAMPAIGN

(11) The University has been studying the possibility of securing additional space and improving existing space by (a) the construction of an addition to Talbot Laboratory and (b) remodeling of the engine room in the former power plant building on Mathews Avenue for the Physical Environment Laboratory.

The Committee on Nonrecurring Appropriations approved the programs in principle and requested the Physical Plant to prepare detailed plans and specifications. The cost of these plans, approximately $6,000 for the Physical Environment Laboratory and $5,600 for the addition to Talbot Laboratory, was charged to the architectural revolving fund in the customary procedure with the expectation that the expenditures would be recovered when the appropriation was approved.

Upon the completion of the plans, bids were secured for the addition to Talbot Laboratory and revised estimates of cost prepared for the Physical Environment Laboratory. The funds available in this biennium are not adequate to carry out either project this biennium and further work on both projects must be deferred.

The Comptroller and the Provost recommend an appropriation of $11,600 from the General Reserve Fund to reimburse the revolving fund for expenditures incurred.

I concur.

On motion of Mr. Fornof, this appropriation was made by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stevenson.

APPROPRIATION FOR FIRE PROTECTION AND SAFETY IMPROVEMENTS IN AGRICULTURAL ENGINEERING BUILDINGS

(12) On April 19, 1951, the Board of Trustees appropriated $38,500 from the General Reserve Fund for the installation of a sprinkler system and the construction of a new enclosed stair in the southeast corner of the Agricultural Engineering Building. Bids now received indicate a total cost of $44,500. The additional $6,000 necessary to complete the project can be taken from the state appropriation "For remodeling, modernization, and improvement of existing buildings at Urbana-Champaign."

The Director of the Physical Plant and the Comptroller recommend that this assignment be made, and that contracts be awarded to the lowest bidders, subject to the release of funds by the Governor and to receipt of authority to begin construction with the necessary priorities from the National Production Authority, as follows:
Installation of sprinkler system — Automatic Sprinkler Corporation of America, St. Louis, Missouri. ........................................ $16,010

Fireproof stairway construction and incidental general construction work —

E. N. DeAtley, Champaign. ........................................ 19,800

I concur.

On motion of Mrs. Holt, these contracts were authorized and the appropriation was made by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stevenson.

CONTRACTS FOR CONSTRUCTION OF EAST DENTISTRY-Medicine-Pharmacy Building

(13) The original bids taken on the construction and fixed equipment of the East Dentistry-Medicine-Pharmacy Building for which the General Assembly appropriated $5,540,000 for the biennium of 1951-1953, were in excess of the appropriation and were rejected by the Board of Trustees on October 23, 1951. The building plans were revised, and new bids were taken on both a fixed price basis and a cost plus a fixed fee with a guaranteed maximum basis. The new bids, received on February 19, 1952, indicate that this building can be constructed in accordance with the modified plans within the available appropriation.

The Director of the Physical Plant and the Comptroller recommend award of contracts to the lowest bidders, on a fixed price basis, as follows:

General work — Sumner S. Sollitt Construction Co., Chicago. $2,234,000
Moving stairways, elevators, lifts, etc. — Westinghouse Electric Corp., Chicago. 300,368
Plumbing and drainage — Economy Plumbing and Heating Co., Chicago. 389,910
Heating, process piping, and refrigeration — Gallaher and Speck, Inc., Chicago. 434,815
Ventilation — H. G. Prizant & Co., Chicago. 316,070
Pipe covering and insulation — The Asbestos and Magnesia Materials Co., Chicago. 79,185
Electric wiring — Divane Brothers Electric Company, Chicago. 572,460

Total Construction. ........................................... $4,326,858

Laboratory furniture — E. H. Sheldon and Company, Chicago. $507,500
Dispensing counter units — Reliance Cabinet Company, Chicago. 18,301

Total Equipment. ............................................ $525,801

Submitted herewith are copies of lists of the contractors recommended, lists of all bids received, the construction budget, and letters from the Physical Plant Department and the architects in support of these recommendations. Copies of these documents are being filed with the Secretary of the Board for record.

The bids received on a cost plus a fixed fee basis are in excess of the bids on a fixed price basis in every case.

The lowest bidder has indicated that the project can be completed in 570 days which will run beyond the current biennium and will require a reappropriation by the Sixty-eighth General Assembly of the unexpended balance of funds earmarked for this project.

I recommend that these contracts be awarded subject to the release of funds by the Governor and that the Comptroller and the Secretary of the Board be authorized to execute the contracts. Authority to proceed with construction, including allocation of critical materials, has already been received from the National Production Authority.

On motion of Mrs. Watkins, these contracts were authorized as recommended, with the exception of the contract for moving stairways, elevators, and lifts, on which action was deferred, by the following

1 A request was presented at the Board meeting from the Director of the Physical Plant that award of this contract be postponed pending further study.
vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stevenson.

On motion of Mr. Fornof, the Executive Committee was authorized to act for the Board on the award for the contract for moving stairways, elevators, and lifts.

On motion of Mr. Nickell, it was resolved that in awarding these contracts the Board of Trustees specifies that wages paid all laborers, workmen, and mechanics employed by contractors and subcontractors in the construction of the East Dentistry-Medicine-Pharmacy Building shall be not less than the prevailing rates established in the Chicago area, a schedule of which is hereby filed with the Secretary of the Board for record.

CONTRACT FOR REMODELING IN OLD POWER PLANT BUILDING

(14) On February 22, 1952, the Board of Trustees appropriated $12,000 for remodeling the engine room of the old power plant building to provide space for a Heater Research Laboratory for the Department of Mechanical Engineering. By utilizing the University's standing cost-plus contract for general work, valuable time can be saved in the preparation of detailed plans and specifications necessary for lump sum bids. The cost of the general work is estimated at $8,300.

The Director of the Physical Plant and the Comptroller recommend that the general work on this project be done under the University's cost-plus contract with Clyde E. Gates, Champaign.

I concur.

On motion of Mr. Nickell, this recommendation was approved.

CONTRACT FOR REMOVAL AND SALE OF EQUIPMENT IN THE OLD HEATING PLANT IN CHICAGO

(15) The Director of the Physical Plant and the Comptroller recommend award of a contract to the Ashland Iron and Steel Company, Chicago, for removal and sale of four boilers and auxiliary equipment in the old heating plant at the Chicago Professional Colleges.

The Ashland Iron and Steel Company will remove the equipment under stipulated conditions and pay the University $7,500. The equipment has a scrap value and the Business Office secured bids from wrecking and scrap iron companies on its removal.

The equipment must be removed promptly as space in the building, which is adjacent to the Research and Educational Hospitals, is needed for temporary storage of equipment to be purchased for the new hospital addition. The building can also be used for other storage purposes.

The Physical Plant Department will incur expense of supervision of disconnection and removal of the equipment and of repairs to the floor to cover the boiler pits. This expense will probably be offset by sale of the old equipment, but the expense can not be determined until the equipment is removed and estimates have been made of the subsequent repairs needed in the building. The Comptroller recommends that the $7,500 from the sale of the equipment, or so much thereof as is necessary, be appropriated to the Physical Plant Department for said repairs.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute a contract with the Ashland Iron and Steel Company, and that the funds realized be appropriated as recommended herein.

On motion of Mr. Megran, this contract was authorized and the appropriation recommended was made by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stevenson.

POLICY AND RULES RELATING TO COMPENSATION AND WORKING CONDITIONS OF NONACADEMIC EMPLOYEES

(18) The Director of Nonacademic Personnel recommends certain revisions in the Policy and Rules Relating to Compensation and Working Conditions of Nonacademic Employees adopted by the Board of Trustees effective July 1, 1945, and as subsequently amended from time to time. The revisions now recommended are necessary because of (a) changes in internal organization; (b) changes in disability and death benefits for employees not participants in the University Retirement System as approved by the Board of Trustees in November, 1950; (c) the establishment of the University Civil Service System of Illinois. These revisions involve no change in the Policy not already approved but are recommended to bring the statements in the Policy and Rules in line with determinations already made.

The complete text of the Policy and Rules, as revised, is submitted herewith (see pages 1426 to 1441).

I concur in the recommendations of the Director of Nonacademic Personnel.

On motion of Mr. Johnston, the revisions were approved by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stevenson.

RELEASES OF PATENTABLE DISCOVERIES

(19) The University Patent Committee submits the following reports and recommendations relating to potentially patentable discoveries:

1. Thomas R. O'Meara, Research Associate in Electrical Engineering, has invented a three element vector-phase radio direction finder which may be of value to the armed forces.

2. Harold D. Webb, Assistant Professor of Electrical Engineering, has invented a matched channel RDF (radio direction finder) receiver with fixed tuned RF (radio frequency) amplifier. The purpose of the invention is to provide a matched-channel receiver for radio direction finding purposes that will maintain the required phase and gain match over a wide frequency range within closer tolerances than is possible with previous systems.

3. Chalmers W. Sherwin, Research Professor of Physics, has invented a "majority vote" circuit, a device whose most practical application would be in military communications.

These discoveries are the result of research work under contracts with the Office of Naval Research. The inventors do not want the discoveries released to them. In the opinion of the University Patent Committee, the commercial possibilities of these inventions are not sufficient to warrant the expense of patent prosecution by the University. Since funds for the research work were supplied by the Office of Naval Research, the Committee recommends that the University declare its intention not to seek patent protection and release all rights to the United States Navy. This will protect the public interest.

4. Dr. S. W. Pelletier, a former postdoctoral assistant and instructor in the Department of Chemistry, synthesized six new organic compounds while he was at the University which he believes may have some use as local anesthetics. Dr. Pelletier has requested the release of rights on these discoveries for possible development.

Professor C. S. Marvel of the Department of Chemistry, reports that a broad patent coverage on a new class of local anesthetics could not be obtained, and he considers it highly improbable that any of the six new compounds will prove sufficiently valuable to justify the cost of patenting them individually. Accordingly the University Patent Committee recommends that all rights to these six new compounds be released to Dr. Pelletier to develop as he may see fit.

I concur.

On motion of Mrs. Watkins, these recommendations were approved.
EXTENSION OF URBANA PARK DISTRICT

On April 21, 1949, the Board of Trustees authorized the University to petition the city of Urbana to extend the city limits to include the staff housing area at Race Street and Florida Avenue.

Petitions are being circulated in this area for expansion of the Urbana Park District to coincide with the city limits. The tax rate of the Park District is $.064 on each $100 of equalized property based on the last equalized value of the staff housing project of $300,000. University payments in lieu of taxes would be increased by approximately $252 per year which could be met out of rentals.

The benefits of the Park District are available to all occupants of the staff housing project, and the payment by the University for such facilities is reasonable.

It is not necessary that the University be a party to the petition. If the majority of the voters within the area approve, the limits of the Urbana Park District will be expanded, but the city of Urbana has requested the University to express its willingness to accept the expansion of the Park District.

The Director of the Physical Plant and the Comptroller recommend that the University assent to the proposed expansion of the Urbana Park District to include University property now within the city limits of Urbana.

I concur.

On motion of Mrs. Holt, the Board assented to the expansion of the Urbana Park District to include that part of the University campus between the extension southward of the east line of Mount Hope Cemetery and Race Street, and extending approximately 620 feet south from Florida Avenue. This action was taken by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Grange, Mr. Stevenson.

GRANT FROM ROCKEFELLER FOUNDATION FOR AMERICAN STUDIES SEMINAR IN KYOTO, JAPAN

The Rockefeller Foundation has made a grant of $19,500 to the University of Illinois and a grant of $3,000 to Doshisha and Kyoto Universities in Japan for the purpose of conducting an American Studies Seminar in Kyoto during the summer of 1952. The Seminar will be administered by the University of Illinois.

The Kyoto Seminar is the second such project to be undertaken on Rockefeller Foundation funds in Japan with a view to promoting American studies. In 1950 and 1951 Stanford University, in conjunction with Tokyo University, conducted such seminars in Tokyo and will do so again in 1952. The students of the two seminars are drawn from the faculties of Japanese universities, the Tokyo Seminar drawing from eastern Japan and the Kyoto Seminar from western Japan. The faculties of both seminars will come from American universities.

The subject matter to be covered at the Kyoto Seminar will include five fields from the humanities and the social sciences. The development of the program and supervision of the project is in the hands of a committee headed by Director Royden Dangerfield of the Institute of Government and Public Affairs and including: Professors K. D. Benne, Education; Howard R. Bowen, Economics; Robert B. Downs, Library Science and Director of the Library; C. E. Osgood, Psychology; and R. W. Rogers, English. Director Dangerfield will go to Japan to administer the program.

I request confirmation of my action accepting this grant and recommend that Director Dangerfield be released from his University of Illinois duties during the summer for the purpose of taking this special assignment. In other words, his services would be loaned by the University of Illinois to the project.

On motion of Mr. Herrick, the President’s action was confirmed.

GRANT FROM ROCKEFELLER FOUNDATION FOR CONFERENCE ON THE AMERICAN TRADITION

The Rockefeller Foundation made a grant of $3,000 to the University of Illinois for a conference on the American Tradition which was held at the Princeton Inn, Princeton, New Jersey, on December 14-16, 1951. The conference was attended by twenty representatives of colleges and universities. The University
of Illinois was represented by President George D. Stoddard, Dean Wilbur Schramm of the Division of Communications, and Director Royden Dangerfield of the Institute of Government and Public Affairs.

I accepted this grant on behalf of the University and report it for record.

On motion of Mr. Herrick, the President's action was confirmed.

EMPLOYMENT OF UNIVERSITY AUDITORS

The Finance Committee recommends that the firm of George Rossetter and Company, Certified Public Accountants, Chicago, be retained as auditors for the year ending June 30, 1952, their services to be charged on the basis of a per diem rate and expenses, with the understanding that the aggregate charges will not exceed the following:

- University of Illinois (including all divisions) $12,000
- University of Illinois Foundation (including its retirement system) 600
- University of Illinois Athletic Association (including its retirement system) 750

These maximum costs are based on the assumption that if the auditors go beyond the scope of usual examination on request of the Finance Committee or the Board, further compensation for such additional work will be allowed after review and approval by the Finance Committee.

On motion of Mr. Fornof, this recommendation was approved.

ENDOWMENT INVESTMENTS

The Finance Committee has approved the following changes in endowment securities at the approximate prices indicated:

In connection with the sales indicated, the following resolution is required:

WHEREAS, the Board of Trustees of the University of Illinois is the owner of the following described securities: 275 shares National Distillers Corporation, common stock, and 256 shares Swift and Company, common stock; and
WHEREAS, said Board of Trustees in its meeting of March 12, 1952, has approved the sale of such securities,

Now, Therefore, Be It Resolved that Lloyd Morey, Comptroller, and A. J. Janata, Secretary, be hereby authorized to execute any and all documents necessary to complete such sale.

On motion of Mr. Fornof, this resolution was adopted.

This report was received for record.

MESSAGE TO MR. GRANGE

Mr. Megran offered a resolution expressing to Mr. Grange appreciation of his services as a Trustee of the University during the past year and the sympathy of the Board with him in his illness. President Stoddard, other University officials present at the meeting, and the officers of the Board asked that they be permitted to join the Trustees in this resolution.

The resolution was adopted and the Secretary of the Board was instructed to send an appropriate message to Mr. Grange.

CONFERENCE WITH REPRESENTATIVES OF THE ILLINOIS ASSOCIATION OF BROADCASTERS

Mr. Livingston stated that at the conclusion of the Board meeting the Committee on Television will have another conference with representatives of the Illinois Broadcasters Association to continue the discussion,1 requested by the latter, of the University's plans for the development of educational television facilities. He asked that all of the other Trustees who can do so stay and take part in this conference.

CONFERENCE WITH REPRESENTATIVES OF THE CITY OF CHICAGO

The Secretary announced that representatives of the city of Chicago who desire to discuss with the Board a request that the University vacate the Drill Hall at Navy Pier so that it may be used by the Municipal Court of Chicago for a traffic court have now asked that this conference be postponed until the next meeting of the Board.

By unanimous consent this request was granted.

EXECUTIVE SESSION

At this point the Board went into executive session to consider reports from the President of the University and the Legal Counsel relating to bequests made to the University.

SETTLEMENT OF CLAIMS OF MRS. SARAH A. GRIMM AGAINST ESTATE OF PROFESSOR GEORGE A. MILLER, DECEASED

In accordance with the authority granted them by the Board at its meeting held on January 21, 1952 (Minutes, page 1337), the Comptroller and the Legal Counsel, with the assistance of counsel for the Executor of the Last Will and the Estate of the late Professor George A. Miller, negotiated a settlement with Mrs. Sarah A. Grimm, his surviving sister, under which she agreed to accept the sum of $5,000 in full settlement and satisfaction of her claims against his estate and

also for the dismissal of the suit theretofore instituted by her in the Circuit Court of Champaign County, Illinois, to contest his will. A stipulation for the dismissal of that suit with prejudice to Mrs. Grimm and at her costs was filed in that court on January 24, 1952, and an order so dismissing it in accordance with the stipulation was entered by Circuit Judge Charles E. Keller therein the following day.

Counsel for other heirs of Professor Miller from whom an answer was received by the Clerk the day the order was entered was promptly notified of the dismissal of the suit, but they have taken no action to date to secure the vacation of the order. The Executor's attorneys and the Legal Counsel are of the opinion that the order is now final unless an appeal is taken therefrom within ninety days from the date of its entry. They do not anticipate an appeal and are of the opinion that the order should and will be affirmed if one is prosecuted. It appears, therefore, that payment of the agreed sum to Mrs. Grimm now would be both justified and desirable.

The Executor is willing to pay the agreed sum direct to Mrs. Grimm and her attorneys by way of partial distribution to the University under the will if the University so desires and will furnish him with a receipt evidencing partial distribution to it in that sum upon presentation by him of a receipt from her therefor and a full release of all of her claims against Professor Miller's estate and the University. The Comptroller and the Legal Counsel recommend that the settlement be ratified by the Board, that it be completed through following this procedure, and that the Comptroller and the Secretary of the Board be authorized to execute and deliver such a receipt to the Executor upon delivery by him to them of the suggested receipt and release executed by Mrs. Grimm and approved by the Legal Counsel.

The President of the University concurs.

On motion of Mr. Johnston, this settlement was ratified as recommended.

SPECIAL COMMITTEE ON THE GEORGE A. MILLER ESTATE
The Legal Counsel reported that the Executor of the estate of George A. Miller, deceased, and his attorney have been informed that certain heirs of the late Mrs. George A. Miller assert a claim against that estate arising out of an alleged agreement between Professor and Mrs. Miller relative to the disposition of a portion of their property upon the death of the survivor. The Legal Counsel recommended that a special committee of the Board be appointed before whom these claimants may appear to present their claims and any definite proposals they wish to submit.

On motion of Mr. Nickell, the following committee was appointed for this purpose: Mr. Wayne A. Johnston, Chairman, Mr. John R. Fornof, Mr. Wirt Herrick, Mr. R. Z. Hickman, and Mr. Park Livingston.

SECRETARY'S REPORT OF CONTRACT
The Secretary presented for record the following document signed by the President and the Secretary of the Board and deposited with the Secretary since the last report.

APPENDIX

POLICY AND RULES RELATING TO COMPENSATION AND WORKING CONDITIONS OF NONACADEMIC EMPLOYEES

(Effective July 1, 1945—With Revisions to April 1, 1952)

1. GENERAL POLICY

1. Every University of Illinois employee has a part in the educational and scientific effort of the University which can be best carried out only under a program of harmonious employee-employer relationships. The University strives to have happy, industrious employees who will give courteous, efficient service to all who have contact with it through them. To this end the University endeavors to provide working conditions and compensation comparable to those furnished by other employers in the community, keeping in mind that the University is a State institution receiving a major part of its financial support from taxes.

2. The University recognizes the principle of collective bargaining with respect to all nonacademic employees not in administrative positions as designated in section XV. The University will negotiate with any individual, group of individuals, or organization acting on behalf of any group of employees when such person or agency presents evidence that he or it represents more than 50 per cent of the employees of the group or classification employed by the University and that he or it is authorized to represent them. The determination of the appropriate unit for collective bargaining and of the majority representation in that unit shall be made by the Department of Labor of the State of Illinois in case of lack of agreement on these points.

3. Any employee will have the right to discuss with the Director of Nonacademic Personnel the terms of his employment or his working conditions, including his classification under the University Civil Service System of Illinois, but no individual agreement may be made which will violate the terms of an agreement reached by negotiation with the group of which he is a part.

4. No person or organization will be permitted to solicit membership in any organization with a University employee during the employee's working hours.

5. All nonacademic employees of the University are under the University Civil Service System of Illinois as governed by State law, and
are entitled to all the rights and subject to all the requirements of that law.

6. A permanent and continuous employee is an employee who has completed six months service in any classification or classifications in nonacademic employment. For this purpose a month of service shall be no less than twenty work days, excluding approved absences. A person employed regularly but on a part-time basis and fulfilling the above conditions will be considered a permanent and continuous employee.

7. The words "prevailing rate" when used herein shall be the cash wages paid generally in the locality in which the work is being performed to employees engaged in work of a similar character.

II. NEGOTIATION PROCEDURE

1. All proposals for establishment of, or changes in, rates of compensation, hours, or other subjects dealt with in sections III to V inclusive herein shall be submitted to the Office of Nonacademic Personnel. This office will secure all of the relevant facts, and will negotiate the proposals with employees concerned, or, in case of a collective bargaining unit, their duly constituted representatives, and with the University departments involved.

2. Employees appointed or elected to represent any employee groups in negotiations will be allowed full pay, at straight time rates only, for time required to be so spent during their regular working day or shifts. In no case will payment be made in accordance with the above provisions for any time beyond the close of the regular work day or shift. Other than as set forth in this section and in section XIII-6, payment will not be allowed for time spent in meetings or conferences except as these may be called or requested by recognized departmental authorities or as they may be approved by the Director of Nonacademic Personnel. Lists of all employees whose presence is desired at such meetings or conferences shall be submitted in advance to the Director of Nonacademic Personnel who shall be responsible for determining their representative status as above noted and for arrangements with their supervisors for them to be excused from work in their respective departments.

3. The Director of Nonacademic Personnel will have the responsi-
bility and authority to reach an understanding on behalf of the University in accordance with the terms of this Policy.

III. METHODS OF DETERMINING RATES OF COMPENSATION

1. The University will pay prevailing rates to all employees in any group when such a rate has been determined or can be determined by the University for that group under the following conditions: Such rates are to be paid only after they have been put into effect locally; they are effective from the date they have been made effective locally, provided that notice has been given the Director of Nonacademic Personnel before the expiration of a local agreement upon which the local prevailing rate is based; if notice is not given in accordance with the preceding condition, rates will become effective only from the date that notice has been given to the Director of Nonacademic Personnel that the rates are in effect locally; no retroactive pay shall be effective prior to the beginning of a biennium in which the rates are made effective by the University; if the local prevailing rate declines during a biennium, the University will follow such declines. Vacations, disability leave, retirement and death benefits are granted to prevailing rate employees only in accordance with sections VI to XI inclusive irrespective of local prevailing practice in these matters. In some classifications the University will pay rates below the prevailing rates during the probationary period of not to exceed six months. (Schedules are available showing the classifications subject to the prevailing rate rule. Changes in these schedules will be made only with the approval of the Director of Nonacademic Personnel. Employees concerned will be advised whenever such changes are made.)

A. Permanent and continuous employees and those employed in positions or in work which the University contemplates continuing for at least six months, but who have not yet completed six months service in any classification or classifications of nonacademic employment, in prevailing rate groups paid at hourly rates will be paid a monthly rate determined by multiplying the number of hours of the work year, which shall be uniform in all years, by the hourly rate and dividing by 12, as follows:

1. In those positions in which the work week is 40 hours, the monthly rate will be based upon a net of 255 work days (365 days per year less 52 Saturdays, 52 Sundays, and 6 holidays), or 2,040 hours per work year.

2. In those positions in which the regular work week is 44 hours, the monthly rate will be based upon a net of 281 work days (365 days
less 52 Sundays, one-half of 52 Saturdays or 26 days, and 6 holidays), or 2,248 hours per work year.

3. In those positions in which the regular work week is 48 hours, the monthly rate will be based upon a net of 307 days (365 days less 52 Sundays and 6 holidays), or 2,456 hours per work year.

B. Permanent and continuous employees in prevailing rate groups whose compensation is based on a monthly rate will be paid that monthly rate adjusted to provide for any difference in weekly working schedule which may exist between the University and local prevailing practice.

2. The University, through the Director of Nonacademic Personnel, will negotiate with any other group of employees, or their authorized representatives as defined in section I-2 hereof (in case of a collective bargaining unit), for the purpose of establishing rates that are mutually acceptable.

3. The University, through the Director of Nonacademic Personnel, will recommend to the Merit Board of the University Civil Service System of Illinois wage ranges and will be responsible for the determination of compensation within approved ranges of all nonacademic groups whose wages are not determined in accordance with 1 and 2 preceding. For employees in such groups the University will establish a compensation plan based on a job evaluation program in which rates shall be related to rates otherwise established for comparable services and paid for similar services by other employers.

4. —

A. The starting salary in every classification where the compensation lies between stated minimum and maximum rates instead of being a single fixed rate shall be determined by the Director of Nonacademic Personnel. In all those classifications where the maximum rate is $250 per month or less, there shall be automatic increases at least once a year until the midpoint of the range of the classification is reached.

B. Each employee in the classification where the compensation lies between a stated minimum and maximum rate shall be fairly and impartially rated at least once each budgetary year. The plan of rating shall be available to all concerned, and the ratings of each employee shall be available to him.

C. Nonautomatic merit adjustments shall be determined by the Director of Nonacademic Personnel after full consideration of the employee's ratings, recommendations of supervisors, and the over-all University personnel policy.

IV. HOURS

1. The University recognizes work schedules as set forth in this section. Each employee classification is allocated to an appropriate work
schedule as to the work day and the work week, showing which work schedule applies to any specific classification. Changes in these schedules will be made as to prevailing rate groups when prevailing local practices change and the University is notified accordingly. Changes affecting other groups may be made by the Board on the recommendation of the Director of Nonacademic Personnel and the President. Employees in groups concerned will be notified of all such changes.

2. The work day of all groups unless herein specified shall be broken only by a lunch period of not more than one hour.

3. In those positions in which continuous seven-day service is required, Saturdays and Sundays (see section V) shall not be recognized as such, but as though they were regular work days. No employee will be required to work regularly seven consecutive days. Except as otherwise indicated in this section, the work week of all employees shall start on Monday.

4. The work schedules recognized are:

   A. Eight-hour day, 40-hour week, five days, Monday through Friday.
   B. Eight-hour day or four-hour half-day shift, 40-hour week:
      1. Within the period Monday morning through Saturday noon.
      2. Within the period Monday morning through Saturday inclusive.
      3. Beginning time rotated to provide for seven-day service.
   C. Eight-hour day and/or four-hour half-day shift, 44-hour week:
      1. Within the period Monday morning through Saturday noon.
      2. Within the period Monday morning through Saturday inclusive.
      3. Beginning time rotated to provide for seven-day service.
      
      **Note:** Employees now working on a basic 44-hour week and wishing to be permanently transferred to Plan B will be so transferred upon request to the Department Head who shall notify the Office of Nonacademic Personnel of all such transfers. Employees now working under a basic 44-hour week and eligible for a month’s vacation, who are thus transferred, will suffer no reduction in total weekly or monthly compensation as a result of such transfer.
   D. Seven-and-one-half-hour day and three-and-one-half- to four-hour half-day shift, 37½-hour week, within the period Monday morning through Saturday inclusive.
      
      **Note:** If three-and-one-half-hour Saturday morning shift is worked, it may be offset with either a three-and-one-half-hour morning or four-hour afternoon shift elsewhere in the work week.
   E. Seven-and-one-half-hour day, Monday through Friday, three-and-one-half hours Saturday morning, 41-hour week, Monday through Saturday morning inclusive.
      
      **Note:** Department heads may, with the concurrence of the Director of Nonacademic Personnel, and to the extent departmental budgets permit, grant
requests of employees falling under Plan E to be permanently transferred to Plan D. Employees now working under a basic 41-hour week and eligible for a month's vacation who are thus transferred will suffer no reduction in total weekly or monthly compensation as a result of such transfer.

F. Eight-hour day, 48-hour week:
   1. Beginning time rotated to provide seven-day service.
   2. Mealtime allowed as part of eight-hour shift, beginning time rotated to provide seven-day service.

G. Twenty-four-hour shift, alternating days.

5. All time in excess of the units of hours constituting the work day and the work week is overtime, and will be compensated at time and one-half in cash unless under local prevailing practice a higher rate is paid, in which case the local prevailing practice will be followed. By mutual agreement between a department and an employee, an employee may work overtime with equivalent time off at straight time providing that this does not conflict with local prevailing practice. Any time thus allowed must be used in the vacation year as defined in section VII-1-B. In accordance with the provisions of the Illinois Women's Eight Hour law, no woman employee shall work more than nine hours in more than one day of a calendar week, provided that such excess over eight hours in that day shall be deducted from the subsequent regularly scheduled employment time of that calendar week or the next calendar week if such excess occurs on Saturday, and provided further that the total time of employment in no event shall exceed 48 hours in any one calendar week.

Exceptions: Graduate nurses, telephone operators, and employees engaged as a result of public emergencies, seasonal canning operations, etc., as defined in the Law.

6. Women employees shall be allowed rest periods of 15 minutes each half day at times to be arranged by supervisors within the work day.

7. Full-time employees may be permitted to enroll in academic classes in the University provided, if such enrollment is within regularly scheduled working hours, it is taken from regularly scheduled working hours and deduction is made from required schedule and from regular pay or time allowed for classes is made up in full or deducted from vacations. All such enrollments and the arrangements relating thereto are to be reported to the Director of Nonacademic Personnel, who shall submit a report of them to the Provost at least annually. Time in attendance on training programs or University classes, when requested by the department, shall not be deducted from the employee's
required schedules. (Conditions relating to registration and fees are covered in regulations of the Board of Trustees on those matters.)

V. SUNDAYS

As a general rule, University buildings will be closed and no work will be required on Sundays except as follows:

1. In those positions in which seven-day service is required, except as otherwise provided (see section IV-3), Sunday is not recognized as such but as a regular work day, and is offset by a seventh day off. (Schedules are available showing classifications in which such service is required.)

2. In all other cases, work on Sundays is overtime and will be compensated as provided in section IV-5.

VI. HOLIDAYS

1. Offices, laboratories, and shops will be closed and employees excused except in emergency and for necessary operations on the following legal holidays: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day.

   Permanent and continuous employees and those employed in positions or in work which the University contemplates continuing for at least six months, but who have not yet completed six months service in any classification or classifications of nonacademic employment, not in a prevailing rate group will be excused with full pay.

   Employees in prevailing rate groups will be excused from work and will be compensated in accordance with the local prevailing practice, except those whose normal work schedules are such as to require regular holiday work in accordance with local prevailing practice. (See section III-1-A.)

2. In the event that work on any of the above holidays is required:

   A. Prevailing rate groups will be compensated in accordance with prevailing practice.

   B. Other employees, except administrative employees employed in classifications so listed under appropriate schedules, will be compensated at time and a half payable in cash in addition to regular compensation.

3. Suspension of work at other times will be only with the approval of the President of the University.

VII. VACATIONS

1. Vacations are granted only to permanent and continuous employees who complete not less than eleven consecutive months of service. In
the case of seasonal employees whose services are not required for eleven consecutive months, service shall be regarded as consecutive if (1) period of seasonal operations in which he is employed is at least six consecutive months; (2) the individual is employed for six consecutive months during the entire period of seasonal operations; and (3) the only breaks in employment are due to seasonal layoffs.

A. During the first year of service a proportionate part of the annual vacation will be granted based on the months of service of the employee completed to the date of vacation, subject to completion of not less than eleven consecutive months of service. In each succeeding year the employee will receive the annual vacation as set forth below. In the year in which the employee leaves the service of the University for any reason, including death, a proportionate part of annual vacation will again be granted.

B. Annual vacations may be taken during a one-year period extending from three months prior to the end of a full year of service to nine months after the end of a full year of service. Vacations shall not be cumulative but may be deferred at the request of the department or the employee with the concurrence of the department. Such deferred vacations shall be taken within the next succeeding twelve-month period. Extra pay in lieu of vacation will not be allowed. An employee's preference as to time of vacation will be considered but the University reserves the right to assign vacation periods. Holidays recognized by the University are not counted as part of a vacation.

C. A part-time continuous employee will receive the annual vacation provided for his classification at his usual pay. (For example, a person employed half-time in a position in which two weeks is the annual vacation allowance will be granted two weeks vacation at a salary based upon half-time.)

2. The University recognizes three vacation plans, as follows:

A. One calendar month vacation in each year of service. Department heads, with the concurrence of the Director of Nonacademic Personnel, and to the extent departmental budgets permit, may grant requests of employees falling under Plan A (excepting administrative employees) to be permanently transferred to Plan C.

B. Progressive vacation schedule: two work weeks in each of the first two years of service, three work weeks in each of the next two years of service, one calendar month in the fifth and each succeeding year of service.

C. Two work weeks vacation in each year of service.

Each employee classification is allocated to an appropriate vacation schedule, showing which vacation plan applies to any specific classification. Changes in these schedules will be made when approved by the Director of Nonacademic Personnel. Employees in groups concerned will be notified of all such changes.
VIII. DISABILITY BENEFITS

1. Disability arising out of and in the course of employment:
   A. Employees who suffer disability arising out of and in the course of their employment will receive compensation as determined by the University Committee on Accident Compensation for Employees in accordance with the provisions of the Workmen's Compensation Act.
   B. Such employees may elect to use portions of allowances for disability provided under sub-section 2 hereof to supplement payments made under the Workmen's Compensation Act, provided that in no case during a period of disability shall total payments exceed the full compensation paid the individual at the time the disability occurred.
   C. An employee entitled to disability benefits under the University Retirement System of Illinois may receive from that System only the difference between the benefits available from the Retirement System and the amount paid in accordance with the Workmen's Compensation Act.

2. Disability from any cause not arising out of and in the course of employment:
   A. Each full-time permanent and continuous employee is entitled to a disability leave of two work weeks with pay in each year of service, no part of which shall be cumulative. Each permanent and continuous employee employed regularly but on a part-time basis is entitled to such fraction of two work weeks with pay as is represented by the relationship between this part-time employment and the full-time schedules in his classification. Any permanent and continuous employee or any person who is employed in a position or in work which the University contemplates continuing for at least six months, but who has not yet completed six months service in any classification or classifications of non-academic employment, who is disabled before completing his first year of service will be allowed the same proportionate amount of the two work weeks disability leave as the portion of the year completed.
   B. In addition to the leave provided in the preceding paragraph, each full-time, permanent and continuous employee who has served for one full year is entitled to an extended disability leave of one work week for each year of service, cumulative to a total of ten work weeks, which shall be allowed to reaccumulate to this maximum through additional service after being used in part or in full. No reduction shall be made in accumulations for prior service earned before March 1, 1944. Each permanent and continuous employee employed regularly on a part-time basis is entitled to such fraction of one work week with pay as is represented by the relationship between this part-time employment and the full-time schedules in his classification.
   C. Disability benefits available to employees shall be used in the following order: (a) the two work weeks disability leave, (b) vacation to which entitled when requested by the employee, (c) extended disability leave, as provided in the preceding paragraph.
   D. An employee when disabled may continue to receive full pay until
the two work weeks disability leave and his accumulated extended disability leave are exhausted. If an employee elects to receive disability benefits under the University Retirement System of Illinois before he has exhausted his extended disability leave, he will receive no payments from the University of Illinois during the period that disability benefits are received from said Retirement System.

3. Other disability benefits:
   A. Persons under University Retirement System:
      1. All persons permanently and continuously employed by the University must become participants in the University Retirement System of Illinois established by a special act of the General Assembly approved July 21, 1941. A deduction of 5 per cent is made from each payment of salary or wage to every participant in the system. This contribution is placed to the credit of the individual and draws interest (at 3 per cent at this date) which is added to his contribution. The total accumulations with interest may be withdrawn by the individual on his separation from University employment.
      2. Disability benefits from the System are payable to any participant for mental or physical disability arising from any cause as a result of which the individual is unable to perform the duties of his position. Benefits begin 60 days after the beginning of the disability, provided an application has been filed and salary is suspended. Benefits amount to 50 per cent of the earnings at the time disability occurred and continue during disability until the total paid is 50 per cent of the total earnings during service credited in the Retirement System.

4. The University reserves the right to require acceptable evidence of disability before allowing any disability benefits whatsoever.

IX. LEAVES OF ABSENCE

1. Leaves of absence without pay for reasons other than disability, as covered in section VIII, may be granted by the University through the Director of Nonacademic Personnel when in his judgment the recommendations are reasonable and have the approval of the supervisor of the employee.

2. Leaves of absence with pay on account of death or illness of relatives may be granted by the Director of Nonacademic Personnel to the extent considered reasonable and necessary in each case, taking into consideration length of service, condition of work in the department, previous leave granted the employee, and recommendation of department head. Such leaves when granted shall be charged against the employee's annual disability leave in accordance with section
VIII-2-A, unless otherwise approved by the Director of Nonacademic Personnel.

3. Leaves of absence for jury or witness service and to serve in the State Militia shall be granted when employees are called for such service. Pay for such leaves will be computed as the difference between the amount paid for the service and the regular full-time salary or wage of the person on such leave.

4. Leaves of absence without pay for service in the armed forces of the United States shall be granted when an employee enlists in or is inducted into such service. Such an employee will be restored to his former position, or, at the discretion of the University, to one of similar requirements and compensation, if: his discharge is under conditions other than dishonorable; he requests re-employment within 90 days after his discharge; he is qualified to perform the duties of his position. If, as a result of service in the armed forces, he is not physically or mentally qualified to perform the duties of any such position, the University will offer him employment in a position which his physical and mental condition permits him to perform; at the rate of compensation provided for that position.

5. Leaves of absence for other approved work may be granted on request by the President of the University and extended at his discretion. A person receiving such a leave will have the right to return to his former position at the termination of his leave provided he is in a satisfactory physical and mental condition to resume the duties of the position, and provided the position has been continued during his absence. If the position has been discontinued the person on leave will be eligible to appointment to any position in his classification which becomes vacant at or subsequent to his return.

X. RETIREMENT BENEFITS*

1. Participants in the University Retirement System are retired on September 1 following their 68th birthday unless deferment is approved by the University. Under certain conditions, persons employed prior to September 1, 1941, may request retirement after age 65 and

* These provisions are summaries of the benefits payable under the University Retirement System Act.
if retired with 25 or more years of service receive the same annuity which would be paid at 68. Participants may elect to retire at any time after age 60 or with the approval of the University and of the Retirement Board between the ages 55 and 60. Retirement in such instances is at a reduced annuity.

Interrupted employment. Employees who are participants in the Retirement System and whose employment is irregular maintain their participation in the Retirement System during the period of employment. At any time that employment is terminated, the employee may withdraw his contributions to the System plus interest; or he may leave his contributions on deposit, in which case, if he is again employed, contributions and benefits will be resumed and accumulated benefits of all kinds restored as of the date employment ceased.

XI. DEATH BENEFITS

1. For employees participating in the Retirement System a death benefit approximately equal to one year's salary, not less than $2,000 or more than $5,000, is payable by the Retirement System, if the beneficiary is dependent upon the participant. Otherwise the death benefit will be the employee's accumulated contributions. After retirement a death benefit is payable equal to whichever of the following is the greatest:

   A. The accumulated employee contributions, including interest, at the time of retirement less the sum of all annuity payments prior to the date of death;
   B. Six times the monthly Supplemental Annuity paid for service prior to September 1, 1941;
   C. $500.

2. For persons not in the Retirement System, a death benefit of $500 is payable by the University after six months service. Such benefit may be reduced by payments made on account of the State Workmen's Compensation Act or a death benefit in excess of contributions paid by any tax supported retirement system of the State of Illinois or by the Federal Civil Service Retirement System.

3. In accordance with section VII-1-A, payment will be made for any accumulated unpaid vacation allowances.

* These provisions are summaries of the benefits payable under the University Retirement System Act.
XII. REPORTS OF ABSENCES AND OVERTIME

1. Every absence of one hour or more of any nonacademic employee is to be reported by the department to the Office of Nonacademic Personnel on forms provided by it.

2. All overtime to be compensated by time off shall be reported by the department to the Office of Nonacademic Personnel on forms provided by it.

XIII. GRIEVANCES

Grievances shall consist of all matters of dispute affecting the employer-employee relationships excepting those set out in sections III to IX inclusive, other than questions of interpretation of those sections or their applications to individual cases and except as stated in paragraph 5 of this section. If any employee has a grievance which he desires to have considered, he shall present it in the following manner:

1. The employee, or, if he is a member of a collective bargaining unit, his authorized representative, shall submit the matter in writing to his immediate supervisor or to his next higher ranking supervisor within two work days. The supervisor shall answer the grievance in writing not later than two work days after it is presented to him. If the grievance is not presented within two work days as provided herein, the right to have it considered is thereby waived. If the supervisor fails to answer the grievance within two work days, it shall be considered settled in favor of the employee.

2. If the employee, or in case of a collective bargaining unit his authorized representative, is not satisfied with the decision of his immediate supervisor, the grievance shall then be presented in writing by the employee or his authorized representative to the next ranking supervisor. Such grievances must be presented by the employee or his representative within five work days after the date of the immediate supervisor's answer in the previous step of the grievance procedure unless the next ranking supervisor agrees that more time is needed to obtain necessary information. That supervisor shall answer any grievance in writing within five work days from the date the grievance was presented to him unless the employee agrees that more time is needed to obtain necessary information.
Any decision which is not appealed by the employee or his authorized representative within five work days shall be considered settled and binding on the employee and the University. Failure of the supervisor to answer the grievance within five work days after that appeal is presented to him shall be considered a decision in favor of the employee.

3. If the decision of the supervisor under paragraph 2 is not satisfactory to the employee, the grievance, together with the written record of the case, shall be referred by the employee or his authorized representative to the Director of Nonacademic Personnel for decision. Before reaching a decision, the Director of Nonacademic Personnel shall discuss the grievance with the employee or his authorized representative and the administrative head involved.

4. If the decision of the Director of Nonacademic Personnel is not accepted by the employee, the case, on request of the employee, shall be referred to a board of arbitration. The board of arbitration shall be composed of two representatives appointed by the University, two appointed by the employee or his authorized representative, and a fifth chosen by those four. A decision approved by any three of the board of arbitration shall be accepted by the employee and the University Board of Trustees as a final settlement of the grievance.

5. Cases of suspension or cases arising under section III-4-C may be appealed by or on behalf of an employee in accordance with paragraphs 1 to 3 of the foregoing procedure. The Director of Nonacademic Personnel is authorized to make final decision in such cases.

6. Time spent by an employee or his representative, if the representative is a University employee, or both, in settling grievances shall be paid for in accordance with the provisions of section II-2. If an organized group is involved, it is understood that the term “representative” may include a steward or grievance committee or both from the employee group concerned, but from that group only, in so far as payment for time is concerned. In no case, however, shall any employee leave his post or duty without the knowledge of and permission from his foreman or immediate supervisor, which permission shall normally be given, subject to necessary emergency exceptions.

7. The procedure relating to discharge shall be handled in accordance with the civil service law which entitles the employee on his
request to a hearing by or before the Merit Board or by or before some officer or body appointed by the Merit Board.

8. The term "work day" as used in this section shall not include days on which the employee or supervisor is absent because of disability, vacation, or other authorized leave.

XIV. SENIORITY

Employees shall acquire seniority rights retroactive to date of employment after the completion of the probationary period of six months as provided in the University Civil Service Rules. Seniority shall be by length of service in the promotional line; and seniority rights shall be limited to the locality in which the work is performed, that is Urbana, the Chicago Professional Colleges, the Chicago Undergraduate Division, the Agricultural Experiment Station at Dixon Springs, Robert Allerton Park, Division of Services for Crippled Children, and any other locations which now are, or may be, established by the University. If an employee is on disability leave, or is on leave for service in the armed forces of the United States, the tenure for seniority will continue as though he were continuously employed. If the employee is laid off for lack of work, or if a leave, other than a disability leave or for service in the armed forces of the United States, is granted at the request of the employee, seniority will be based on the actual months of service in the promotional line.

If an employee accepts a position in a classification outside the promotional line, he may be given a leave for one year from his old classification in order that he may preserve seniority for the months of service in the promotional line of which that classification is a part. After one year's service in the classification outside the promotional line, the employee's continuation in that classification will be deemed a waiver of seniority rights in the old promotional line.

XV. ADMINISTRATIVE EMPLOYEES

The Director of Nonacademic Personnel, on the advice of department heads, may designate certain nonacademic classifications as administrative. Classifications covered by the provisions of collective bargaining agreements shall not be considered for such designation. Compensation for employees in administrative classifications shall be determined within approved salary ranges entirely by the University. They shall
not receive additional cash compensation for services in excess of the work week normally required in the position. They shall receive vacations of one month for each year of service. Advancement shall be based solely on merit as recommended by department heads except as general increases are granted to all employees subject to the provisions of section III-3 and 4.

XVI. NOTICES OF EMPLOYMENT

Notices of employment in all nonacademic classifications shall be issued by the Director of Nonacademic Personnel at the beginning of employment. These notices shall continue in effect until employment is terminated, or conditions of employment are changed, in which case a superseding notice will be issued. Such notices shall state the classification, compensation, effective date, and other conditions affecting the employment.

XVII. ADMINISTRATION OF POLICIES AND RULES

Responsibility for the administration of the policies and rules as set forth herein is vested in the Director of Nonacademic Personnel under the executive authority of the President of the University.

The April meeting of the Board of Trustees of the University of Illinois was held in the LaSalle Hotel, Chicago, Illinois, on Thursday, April 24, 1952, beginning at 4:00 p.m.

The following members were present: Mr. John R. Fornof, Mr. Harold E. Grange, Mr. Wirt Herrick, Mr. R. Z. Hickman, Mrs. Doris S. Holt, Mr. Wayne A. Johnston, Mr. Park Livingston, Mr. Vernon L. Nickell, Mrs. Frances B. Watkins, Mr. Herbert B. Megran and Governor Adlai E. Stevenson were absent.

Also present were: President George D. Stoddard, Provost C. R. Griffith, Vice-President A. C. Ivy, Mr. J. F. Wright, Director of Public Information, Mr. E. L. Stouffer, University Architect, Mr. W. H. Binford of Pace Associates, Architects for the East Dentistry-Medicine-Pharmacy Building, Mr. Lloyd Morey, Comptroller, Mr. C. W. Weldon, Treasurer, and Mr. A. J. Janata, Secretary of the Board.
MINUTES APPROVED

The Secretary presented the minutes of the meeting of February 22, 1952, press proof copies of which were sent to all members of the Board in advance of this meeting.

On motion of Mr. Johnston, these minutes were approved as printed on pages 1335 to 1402, inclusive.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following recommendations and reports from the President of the University.

APPOINTMENTS TO THE 1952 SUMMER SESSION STAFF

(1) I submit recommendations for appointments to the faculty for the 1952 summer session. The appointments and the budget provide for an eight-week session at Urbana-Champaign and at the Chicago Undergraduate Division, and for a small amount of instruction at the Chicago Professional Colleges.

Salaries of members of the faculty recommended for appointments to the summer session staff are computed on the basis of two-ninths of the salary of the academic year for two months of summer service in accordance with the terms of employment of the academic staff as authorized by the Board of Trustees.

The budget totals $515,000 for Urbana-Champaign, including a reserve of $3,644 to be assigned on recommendation of the Dean of the Summer Session in terms of enrollment demands, and $88,500 for Chicago, including $1,067 for the Chicago Professional Colleges, and a reserve of $3,859 to be assigned on recommendation of the Dean of the Undergraduate Division.

The proposed 1952 summer session budget is $16,393 more than the 1951 budget. This is accounted for by carrying over to the summer session the general salary increases granted for the current biennium.

I recommend that the appointments to the summer session staff and the reserve for unassigned salaries be approved as submitted and that the President of the University be authorized to accept resignations and to make such changes, adjustments, and additional appointments as are necessary, in accordance with the needs of the University and within estimated income.

On motion of Mr. Nickell, these recommendations were approved.

Summary

Urbana-Champaign ............................................ $515,000
Chicago Undergraduate Division (including $1,067 for Chicago Professional Colleges) .............................................. 88,500
Total, Summer Session ........................................... $603,500

LEAVE OF ABSENCE FOR PROFESSOR GORDON N. RAY

(2) Professor Gordon N. Ray, Head of the Department of English, has requested a leave of absence without pay for the academic year 1952-1953 so that he may accept an appointment as a Visiting Professor at New York University. He has been invited to be the first occupant of the newly created "Henry W. and Albert A. Berg Chair of English and American Literature" at New York University.

I have approved this leave and request confirmation of my action. I also recommend that Dean Henning Larsen of the College of Liberal Arts and Sciences be appointed Acting Head of the Department of English for the academic year 1952-1953. He was head of that department before he became dean.

Professor A. Lionel Stevenson, Head of the Department of English at the University of Southern California, be appointed Visiting Professor of English for the academic year 1952-1953 at a salary of $9,500. He is a distinguished authority on the English novel and the Victorian period in English literature, which is in Professor Ray's field of teaching and scholarship. He will take over the latter's courses, and will also do other teaching during the year.

On motion of Mr. Herrick, this leave was confirmed and the appointments recommended were approved.

APPOINTMENTS TO THE FACULTY AND TO NONACADEMIC STAFF

(3) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. KENNETH ARTHUR BUSH, Assistant Professor of Mathematical Statistics, Department of Mathematics, beginning September 1, 1952, at an annual salary of $5,700 (D).

2. MARVIN FRANKEL, Research Assistant Professor, in the Bureau of Economic and Business Research, beginning April 16, 1952, at an annual salary of $6,000 (DY).

3. SHERMAN PAUL, Assistant Professor of English, beginning September 1, 1952, at an annual salary of $5,300 (D).

The Director of Nonacademic Personnel reports the following appointments to supervisory positions of upper level responsibility:

1. JOHN L. ALLEN, Chief X-Ray Technician, Research and Educational Hospitals, Chicago, beginning February 7, 1952, at a salary of $4,140 per year.
2. JAMES EDWARD HARMON, Junior Assistant to Legal Counsel, beginning February 20, 1952, at a salary of $4,200 per year.

3. MARY ELIZABETH JONES, Secretary to the Dean, College of Commerce and Business Administration, beginning February 1, 1952, at a salary of $4,600 per year.

4. ELSA B. MATHIS, Assistant Food Production Manager, Illini Union, beginning March 17, 1952, at the rate of $2,025 per year (¾ time).

5. RAY E. MURRAY, Architectural Superintendent, Chicago Physical Plant, beginning March 1, 1952, at the rate of $7,200 per year.

6. H. NEES, Assistant to the Superintendent of Buildings and Grounds, beginning February 1, 1952, at the rate of $5,500 per year.

7. ANNA MARIE SCHICHT, Dietitian, Research and Educational Hospitals Dietary Department, beginning February 18, 1952, at a salary of $3,216 per year.

On motion of Mr. Nickell, these appointments were confirmed.

CHANGE IN REQUIREMENTS FOR ADMISSION TO CURRICULUM IN INDUSTRIAL DESIGN

(4) The requirements for admission to the curriculum in Industrial Design in the College of Fine and Applied Arts include one and one-half units of algebra and one unit of plane geometry. The University Senate recommends that this requirement be discontinued effective September 1, 1952.

I concur.

On motion of Mr. Hickman, this recommendation was approved.

ASSIGNMENT OF UNIVERSITY HOUSING TO STUDENTS

(5) Assignments of quarters in the temporary housing for men and for married students are made in accordance with a policy adopted by the Board of Trustees on January 31, 1946. Since these buildings were secured from the United States Government for the housing of returning war veterans, we complied with the federal regulations then in effect. At that time there were more applicants for housing, especially for family quarters, than could be accommodated.

The buildings have now been given to the University and the federal regulations no longer govern their use. The policy, however, does not permit the Housing Division to assign family quarters to nonveterans even though units may be vacant and nonveterans may be in need of such facilities.

The Director of Housing, the Dean of Students, the Director of the Physical Plant, and the Comptroller recommend that the regulations governing temporary housing be revised as indicated below.

I concur.

Revised Regulations for Assignment of Temporary Family Housing Units

1. Veterans of the armed forces of the United States on terminal leave or final furlough or those holding an honorable discharge from some branch of the armed forces will be given preference in the assignment of housing units in this project.

2. Only those applicants will be considered who have previously been enrolled as students in the University of Illinois, or who have qualified for admission.

3. Residents of the state of Illinois or applicants registered in the University at the time they were called into the armed forces will be given preference in the assignment of housing units.

4. Married applicants will be given preference over those who are unmarried.

5. Families with children will be given preference over those without children.

6. Applicants who have established a satisfactory record in the University of Illinois will be given preference in the assignment of units.

7. Other factors being equal, married veterans with physical disabilities will be preferred over those who are not disabled.
8. Other factors being equal, older applicants will be given preference over those who are younger.

9. Length of military service will be considered in the assignment of houses.

10. Applications will be accepted beginning April 1 for housing during the summer session, July 1 for housing during the fall semester, and December 1 for housing during the spring semester.

11. In the final selection, the total qualifications of the applicant will be considered. Eligibility on the basis of any one criterion will not assure the assignment of a housing unit.

On motion of Mr. Nickell, these revised regulations were approved.

**ACQUISITION OF LAND FOR CHICAGO PROFESSIONAL COLLEGES CAMPUS**

(6) On June 25, 1949, the Board of Trustees authorized the acquisition of certain properties in Chicago needed for the expansion of the Chicago Professional Colleges campus. It was also recommended at that meeting that the Vice-President in charge of the Chicago Professional Colleges be authorized to negotiate with the Medical Center Commission to acquire land for subsequent transfer to the University.

The Commission has purchased for the University three properties not included in the acquisitions previously authorized by the Board. They are properties which the University needs:

| The properties at 1720-24 West Taylor Street were needed as a construction yard by the contractor for the Medical Center Steam Plant. Since the completion of the Plant the construction building has been used for storage by the University. |

These properties have been transferred to the University, and the Medical Center Commission has been reimbursed from the state appropriation made for land for the biennium of 1949-1951. At the time of this transaction the Board had not explicitly authorized by record vote, as required by the By-Laws, the acquisition of these properties. The Comptroller, therefore, requests confirmation of this transaction.

I concur.

On motion of Mr. Fornof, this transaction was confirmed by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Megran, Mr. Stevenson.

**SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES**

(7) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

From the General Reserve fund:

- Department of Electrical Engineering, construction of equipment for research............................................................ $15,000
- Physical Plant Department, remodeling in Noyes Laboratory of Chemistry......................................................... 20,000

From nonrecurring funds, Chicago Professional Colleges:

- College of Dentistry, repair and rehabilitation of dental units........... 3,600
- Department of Otolaryngology, equipment (electroencephalograph).... 4,000

$42,600

I concur.
On motion of Mr. Nickell, these appropriations were made by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Megran, Mr. Stevenson.

CONTRACT FOR GRAIN STORAGE BUILDING AT WRIGHT FARM
(8) The Dean of the College of Agriculture and the Comptroller recommend award of a contract for $3,735.88 to the Alexander Lumber Company, Shabbona, Illinois, the lowest bidder, for the construction of additional storage space for corn and small grain on Wright Farm No. 6 in DeKalb County.

Funds are available for the contract from farm income.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Grange, this contract was authorized.

REMODELING IN ADMINISTRATION BUILDING
(9) The Board of Trustees has made an appropriation for remodeling and relocation of offices in Illini Hall and in the Administration Building. Part of this is for remodeling on the second floor of the Administration Building (East) to provide more space for the Purchasing Division of the Business Office. The Comptroller and the Director of the Physical Plant recommend that the general work be done under the University's standing cost-plus contract with Clyde E. Gates, Champaign, for minor alterations and repairs for 1951-1952. The estimated cost is $5,366.

I concur.

On motion of Mr. Johnston, this recommendation was approved.

CHANGE IN CONTRACT FOR ARCHITECTURAL SERVICES ON EAST DENTISTRY-MEDICINE-PHARMACY BUILDING
(10) The change in plans for the construction of the East Dentistry-Medicine-Pharmacy Building, authorized by the Board of Trustees to keep the total cost of the Building within the state appropriation, required additional architectural services. On November 23 the Board authorized an increase of $11,000 in the contract with Pace Associates for the additional work to cover actual costs, including services of designers and draftsmen, plus an overhead charge of 20 per cent. This was based on the best estimate that could be made of the cost of the additional work. Pace Associates now report that the actual cost of the additional work was $16,582.27.

In the judgment of Physical Plant Department officers, all the additional work done by Pace Associates was necessary to complete the changes in plans and specifications. Accordingly, the Director of the Physical Plant and the Comptroller recommend an additional increase of $5,582.27 in the contract with Pace Associates for architectural services. Funds are available in the state appropriation for this Building and have been released by the Governor.

I concur and recommend that the Comptroller be authorized to execute a change in this contract.

On motion of Mr. Johnston, this contract change was authorized.

ASSIGNMENT OF CONTRACT WITH PERRY CONSTRUCTION COMPANY, INC., FOR REMODELING WORK
(11) The Perry Construction Company, Inc., Chicago, has a contract for $77,950 for remodeling quarters in the Dentistry-Medicine-Pharmacy Building for the Department of Otolaryngology.

Mr. Russell Mansfield of this contracting firm is severing his association with it and as part of the severance agreement the Perry Construction Company, Inc., is assigning this contract, along with others, to him, including the one with the University.

The Director of the Physical Plant and the Comptroller recommend ac-
ceptance of the assignment. The form of the assignment has been checked and approved by the Legal Counsel's office. The Perry Construction Company, Inc., will remain as a contracting party and assumes jointly with Mr. Mansfield responsibility for the execution of the work. The bonding company has accepted both as co-principals under the bond.

I concur.

On motion of Mrs. Watkins, this recommendation was approved.

PATENTABLE DISCOVERIES

(12) The University Patent Committee submits the following reports and recommendations relating to potentially patentable discoveries:

1. Messrs. E. C. Jordan, H. D. Webb, and T. R. O'Meara of the Department of Electrical Engineering, in connection with their research on radio direction finding for the Office of Naval Research, have invented radio direction finding equipment which may be of interest to the armed services.

The personnel engaged in this research believe the invention would have little commercial value. Since this work was supported by the Office of Naval Research, the University Patent Committee recommends that the University declare its intention not to seek patent protection on the invention and to release all rights to the Office of Naval Research.

2. Professor H. F. Johnstone of the Division of Chemical Engineering has worked on some interesting modifications of a development designed for the recovery of sulphur dioxide from dilute gases.

Professors Adams and Marvel of the Department of Chemistry are both of the opinion that these inventions, which are improvements and not original developments, should not be patented by the University since no remuneration could be expected commensurate with the expense involved in securing patent coverage. At an earlier date the University secured twelve patents on processes for the recovery of sulphur dioxide, but these patents later proved of no value to the University. The University Patent Committee recommends that the University release the rights to the sulphur dioxide discoveries to the inventor.

3. Messrs. Grant Fairbanks and R. P. Jaeger of the Department of Speech and Dean W. L. Everitt of the College of Engineering have invented a device for time compression of acoustical signals which will make it possible to reproduce connected speech in less time than the original speaking time and still retain intelligibility and fidelity. This device appears to have sufficient utility to warrant patent coverage by the University.

The University Patent Committee has investigated the matter and recommends that the Board of Trustees authorize patent applications for the device and for general types of use in connection with radio broadcasting and civilian and military communication systems.

I concur.

On motion of Mrs. Holt, these recommendations were approved.

ILLINI FOREST PLANTATION

(13) The Department of Forestry is developing a tree plantation on forty acres of the McCullough Farm recently purchased by the University. The Department wishes to have this area designated as the "Illini Forest Plantation," and I so recommend.

On motion of Mr. Fornof, this recommendation was approved.

ANNUAL REPORT OF THE TREASURER

(14) In accordance with Article VI, Section 4, of the By-Laws of the Board of Trustees, the Treasurer of the University has submitted a report of receipts and disbursements of University funds for the period March 1, 1951, through February 29, 1952, certified by the Comptroller.

This report was received for record and a copy has been filed with the Secretary of the Board.
# The Comptroller’s report of contracts executed during the period March 1 to 31, 1952.

INCREASE IN THE WORKING CASH FUNDS

(16) On July 1, 1948, the Board of Trustees authorized a Working Cash Fund of $20,000 for the Chicago Professional Colleges and a similar fund of $10,000 for the Chicago Undergraduate Division.

The volume of transactions at the Chicago Undergraduate Division and the increase of activities at the Chicago Professional Colleges makes it difficult to operate within these limits. The Comptroller recommends that the Working Cash Fund at the Chicago Undergraduate Division be increased to $12,000 and the Fund at the Chicago Professional Colleges be increased to $30,000.

I concur.

On motion of Mr. Johnston, this recommendation was approved.

BEQUEST OF NEAL D. REARDON

(18) The University has now received from Mr. C. C. Reardon, Executor, payment in full of the following bequest made by the late Neal D. Reardon of Delavan, Illinois:

"I direct that Five Thousand ($5,000.00) Dollars be given in trust to the college of agriculture, University of Illinois, to found a scholarship, the income to be used annually or otherwise to assist some worthy student who may specialize in soil building, this fund to be known as the Bryan Reardon and Bryan Reardon, Jr. Scholarship in memory of my father and brother who lived as cultivators of Tazewell County, Illinois prairie land."

The Business Office was authorized to accept this bequest and I am now reporting it for record.

On motion of Mr. Johnston, acceptance of this bequest was confirmed.

GIFTS AND GRANTS RECEIVED BY THE UNIVERSITY

(19) The following gifts and grants of funds received by the University have been accepted by the President in accordance with the statutory procedure and are now being reported for official record.

APPROPRIATION FOR DIXON SPRINGS EXPERIMENT STATION

(20) The operation of the Dixon Springs branch of the Agricultural Experiment Station is financed in part by income from sales of livestock and other products of the experimental program being carried on there. The income has exceeded the budget estimates for the current fiscal year, but expenditures have also been somewhat higher than anticipated. The Director of the Agricultural Experiment Station recommends that $25,000 of excess receipts be appropriated to the Dixon Springs Experiment Station for operating expenses during the current fiscal year.

I concur.

On motion of Mrs. Holt, this appropriation was made by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Megran, Mr. Stevenson.

CONTRACT FOR REPLACEMENT OF SIDEWALKS AT THE CHICAGO PROFESSIONAL COLLEGES

(21) The Director of the Physical Plant and the Comptroller recommend award of a contract for $2,990 to the Banner Construction Company, Chicago, the lowest bidder, for the construction of new sidewalks from the Medical Center Steam Company plant to the Staff Apartment Building for the Chicago Professional Colleges, now under construction. The old sidewalks were destroyed in the construction of a distribution line from the steam plant to the Apartment Building. Payment will be from funds available to the Physical Plant Department for the operation and maintenance of the steam plant.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Nickell, this contract was authorized.
LEASE OF NAVY PIER AND DRILL HALL

The leases between the Board of Trustees of the University of Illinois and the city of Chicago for the occupancy by the University of certain areas at Navy Pier and the Drill Hall adjacent to the Pier as quarters for the University of Illinois Undergraduate Division in Chicago expired on June 30, 1947. The leases include options giving the University the privilege of renewing for successive biennial periods up to June 30, 1951, and annually thereafter until June 30, 1954, provided that notice is given the city of Chicago sixty days prior to each expiration date or any renewal expiration date that the University wishes to renew the leases.

Under the renewal options specified in each case, the University has been renewing the leases. Under date of April 18, 1952, the Business Manager of the Chicago Undergraduate Division sent formal notices to the city of Chicago that the University of Illinois is exercising the option to renew each lease for the annual period of July 1, 1952, to June 30, 1953.

On motion of Mr. Johnston, renewal of these leases was authorized.

AWARD OF CONTRACT FOR INSTALLATION OF MOVING STAIRWAYS, ELEVATORS, AND LIFTS IN EAST DENTISTRY-MEDICINE-PHARMACY BUILDING

In awarding contracts for the construction of the East Dentistry-Medicine-Pharmacy Building on March 12, the Board deferred action on the contract for moving stairways, elevators, and lifts. The Physical Plant Department requested more time for study of the bids, and the Executive Committee was authorized to act for the Board.

After reviewing all proposals submitted, the Physical Plant Department reaffirmed its previous recommendation, the President of the University concurring therein, that the contract for the installation of moving stairways, elevators, and lifts be awarded to the Westinghouse Electric Corporation at a total cost of $300,368, subject to the release by the Governor of funds from the state appropriation made for this Building.

The Executive Committee reports that it has authorized the award of this contract in accordance with these recommendations.

FESTIVAL OF CONTEMPORARY ARTS

On motion of Mrs. Watkins, the Secretary of the Board was instructed to send an appropriate message of appreciation on behalf of the Board of Trustees to Dean Rexford Newcomb and commending the Faculty of the College of Fine and Applied Arts on the excellence in the planning and direction of the 1952 Festival of Contemporary Arts.

EXECUTIVE SESSION

At this point, the Board went into Executive Session to consider the following items of business presented by the President of the University.
PURCHASE OF EQUIPMENT FOR DEPARTMENT OF PHYSICS
(22) The purchase of a radome at a cost of $2,970 from the Goodyear Aircraft Corporation, Akron, Ohio, has been authorized as an emergency to secure prompt delivery. This equipment is needed for research work being done by the University for the Department of the Army.

On motion of Mr. Johnston, this purchase was approved.

HONORARY DEGREE FOR DR. THÉOPHILE ANTONIN ALAJOUANINE
(23) The University Senate recommends that the honorary degree of Doctor of Science (D.Sc.) be conferred on Dr. Théophile Antonin Alajouanine of the University of Paris at the Commencement Exercises of the Chicago Professional Colleges on June 19, 1952. He is currently serving as Visiting Professor of Neurology and Neurosurgical Surgery at the College of Medicine and will deliver the Commencement address on June 19.

I concur.

On motion of Mrs. Watkins, this degree was authorized.

SECRETARY’S REPORTS
The Secretary presented for record the following lists: (1) appointments made by the President; (2) graduate fellows; (3) resignations and declinations; (4) leaves of absence.

APPOINTMENTS MADE BY THE PRESIDENT
(The date in parentheses is the date on which the appointment was made by the President of the University. C = College; S = Station; E = Extension.)

Alvarez, Mario C., Assistant in Urology (Rush), in the College of Medicine, five months beginning February 1, 1952, without salary (3-10-52).

Amundson, Glen L., Instructor in the Institute of Aviation, five months beginning April 1, 1952, $429.16 a month (4-2-52).

Baer, Robert M., Research Associate in the Control Systems Laboratory, February 20-August 31, 1952, $4200 a year (3-17-52).

Baker, Franklin R., Research Assistant in Civil Engineering (S), July 7-September 15, 1952, $75 a month (4-1-52).

Batchelor, Mrs. Elizabeth, Assistant in Animal Science (S), six months beginning March 1, 1952, $3200 a year (3-12-52).

Blatt, Norman H., Clinical Instructor in Medicine, in the College of Medicine, on one-fifth time, April 15-August 31, 1952, $75 a month (4-18-52).

Bliss, Rachel, Clinical Instructor in Psychiatric Nursing, in the School of Nursing, five months beginning April 1, 1952, $280 a month. For her convenience she will also be furnished room and board valued at $40 a month, supersedes (4-1-52).

Borg, Alfred F., Assistant Professor of Bacteriology, on one-half time, five months beginning April 1, 1952, to render service during the second semester of the academic year, $216.66 a month, supersedes (3-26-52).

Brooks, John A., Research Associate in Civil Engineering (S), six months beginning March 1, 1952, $3000 a year, supersedes (4-2-52).

Buchta, John C., Research Associate in the Control Systems Laboratory, five months beginning April 1, 1952, $500 a month, supersedes (4-11-52).

Cantu, Francisco, Assistant in Anesthesia (Rush), in the College of Medicine, November 20, 1951-August 31, 1952, without salary (4-2-52).

Deutsch, William E., Assistant in Ophthalmology, in the College of Medicine, six months beginning January 1, 1952, without salary (3-13-52).

Diesing, Paul R., Instructor in Philosophy, for the academic year beginning September 1, 1952, $4000 (4-18-52).

Dinkines, Flora, Instructor in Mathematics, in the Chicago Undergraduate Division, for the second semester of 1951-1952, $2250, payable in five monthly installments beginning February 1, 1952 (3-13-52).

Di Pasquaile, Edith L., Assistant in Physiology, in the College of Medicine, six months beginning January 1, 1952, $3341.64 a year, supersedes (4-1-52).

Eyler, William R., Clinical Assistant Professor of Radiology, in the College of Medicine, five months beginning April 1, 1952, without salary (4-4-52).
Falls, John L., Assistant in Obstetrics and Gynecology, in the College of Medicine, March 10-June 30, 1952, without salary (4-2-52).

Fisher, J. H., Instructor in Geology, on three-fifths time, and in the Division of General Studies, on two-fifths time, for the academic year beginning September 1, 1952, $4000 (4-7-52).

Folk, Eugene R., Assistant in Ophthalmology, in the College of Medicine, six months beginning January 1, 1952, without salary (3-13-52).

Friedman, M. H., Research Assistant in Physics (C), six months beginning March 1, 1952, $3600 a year, supersedes (3-21-52).

Garvey, N. F., Director of Correspondence Courses, in the Division of University Extension, and Assistant Professor of Political Science, one year beginning September 1, 1951, $6100, supersedes (4-2-52).

Gaston, James R., Research Assistant in Civil Engineering (S), six months beginning March 1, 1952, $3000 a year, supersedes (4-5-52).

Geist, Robert, Clinical Instructor in Radiology, in the College of Medicine, five months beginning April 1, 1952, without salary (4-2-52).

Glessendorf, Owen F., Assistant Extension Editor, with the rank of Instructor (E), five months beginning April 1, 1952, $400 a month (4-3-52).

Graham, Clarence H., Professor of Psychology in the Kyoto Seminars in American Studies in Japan, July 23-September 6, 1952, $1500 for the period (4-1-52).

Graham, Mrs. Mary F., Instructor in Biological Sciences, in the Chicago Undergraduate Division, six months beginning March 1, 1952, to render service during the second semester of the academic year, $3500 a year, supersedes (3-20-52).

Green, Morris, Instructor in Pediatrics, in the College of Medicine, eight months beginning January 1, 1952, $5675 a year, supersedes (4-7-52).

Hall, William J., Research Associate in Civil Engineering (S), six months beginning March 1, 1952, $4300 a year, supersedes (4-2-52).

Harris, Paul E., Research Associate in the Control Systems Laboratory, five months beginning April 1, 1952, $375 a month, supersedes (4-11-52).

Hepler, Kathryn, Instructor in Social Work, in the Chicago Professional Colleges, three months beginning June 1, 1952, $4300 a year (3-17-52).

MAY MEETING

By unanimous consent it was decided to hold the May meeting of the
Board in Chicago, Illinois, on Monday, May 26, 1952, beginning at
10:30 a.m. (C.D.S.T.).

On motion of Mr. Johnston, the Board adjourned.

A. J. JANATA
Secretary

PARK LIVINGSTON
President
The May meeting of the Board of Trustees of the University of Illinois was held in the Chicago Illini Union Building, 715 South Wood Street, Chicago, Illinois, on Monday, May 26, 1952, beginning at 10:30 a.m. Central Daylight Saving Time.

The following members were present: Mr. John R. Fornof, Mr. Harold E. Grange, Mr. Wirt Herrick, Mrs. Doris S. Holt, Mr. Wayne A. Johnston, Mr. Park Livingston, Mr. Herbert B. Megran, Mr. Vernon L. Nickell, Mrs. Frances B. Watkins; Mr. Robert Z. Hickman and Governor Adlai E. Stevenson were absent.

Also present were President George D. Stoddard, Provost C. R. Griffith, Vice-President A. C. Ivy, Mr. Ralph F. Lesemann, Legal Counsel, Mr. J. F. Wright, Director of Public Information; Mr. H. A. Hazleton, Business Manager, and Mr. C. Lincoln Williston, Manager of Public Information, of the Chicago Professional Colleges; Mr. Joseph Pois, Director of Finance of Illinois; Mr. H. O. Farber, Assistant Comptroller, Mr. C. W. Weldon, Treasurer, and Mr. A. J. Janata, Secretary of the Board.
MINUTES APPROVED

The Secretary presented the minutes of the meeting of the Board of March 12, 1952, press proof copies of which were sent to all members of the Board in advance of this meeting.

On motion of Mr. Johnston, these minutes were approved as printed on pages 1403 to 1441, inclusive.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following reports and recommendations from the President of the University.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(1) The Committee on Accountancy recommends that the following persons be awarded the certificate of Certified Public Accountant on the basis of having satisfactorily passed a written examination under Section 4b of the Accountancy Act of 1943, as amended in 1951, given by the Special Board of Examiners:

<table>

</table>

On motion of Mr. Nickell, these certificates were awarded.

APPOINTMENTS TO BOARD OF EXAMINERS IN ACCOUNTANCY

(2) The Committee on Accountancy recommends the appointment of Mr. Louis M. Kessler, C.P.A., a partner in the firm of Alexander Grant and Company, 1 North LaSalle Street, Chicago, to the Board of Examiners in Accountancy for a period of three years beginning July 1, 1952, replacing William C. Waggoner whose three-year term will expire June 30, 1952.

Mr. Richard H. Grosse, presently a member of the Board whose term will expire in June, 1953, has resigned from the Board because he is being transferred by his firm, Haskins & Sells, 111 West Monroe Street, from Chicago to Pittsburgh. He has agreed to serve as a member of the Board until its duties with respect to the May, 1952, C.P.A. examinations have been completed. These examinations are given in November and May.

To fill this vacancy the Committee on Accountancy recommends the reappointment of Mr. William C. Waggoner, a partner in the firm of Touche, Niven, Bailey, and Smart, 208 South LaSalle Street, Chicago, to serve for the November, 1952, examination, and the appointment of Mr. Charles Robert Miller, a partner in the firm of Arthur Young and Company, 1 North LaSalle Street, Chicago, to serve for the May, 1953, examination. There are two accountants and one lawyer on the Board of Examiners. The expiration of Mr. Waggoner's term and the
resignation of Mr. Grosse would leave the Board without any accountants who had previous experience with the C.P.A. examinations. Hence the reappointment of Mr. Waggoner, who is willing to continue for the limited period indicated, is desirable.

These nominees are willing to serve for the periods indicated if appointed. I concur in these recommendations.

On motion of Mr. Grange, these appointments were approved.

**LEAVE OF ABSENCE FOR PROFESSOR JOHN T. FLANAGAN**

(3) Professor John T. Flanagan of the Department of English has been granted a sabbatical leave of absence on one-half pay for the academic year 1952-1953. He has requested that this be changed to leave of absence without pay for the same period so that he may accept a lectureship under a Fulbright grant, one semester to be spent at the University of Bordeaux and one semester at the University of Montpellier in France.

I recommend that Professor Flanagan's leave be cancelled, without prejudice, and that he be granted leave without pay for one year from September 1, 1952.

On motion of Mr. Fornof, this recommendation was approved.

**APPOINTMENTS TO THE FACULTY**

(4) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. William H. Mosberg, Research Assistant Professor of Neurology, in the Department of Electrical Engineering, Engineering Experiment Station, beginning March 1, 1952, without salary (G).
2. Elmer M. Flein, Associate Professor of Pharmacy, beginning September 1, 1952, at an annual salary of $7,500 (A).
3. William E. Randall, Jr., Assistant Professor of Recreation, in the Department of Physical Education for Men, beginning September 1, 1952, at an annual salary of $5,200 (D).
4. Hideo Sasaki, Assistant Professor of Landscape Architecture, beginning September 1, 1952, at an annual salary of $4,500 (B).
5. Sheldon W. Williams, Associate Professor of Agricultural Economics, Agricultural Experiment Station, beginning June 1, 1952, at an annual salary of $1,650 (AY25); also paid $4,950 from the United States Department of Agriculture.

On motion of Mrs. Holt, these appointments were confirmed.

**ACTING DEAN OF THE GRADUATE COLLEGE**

(5) I recommend the appointment of Professor Robert E. Johnson, Head of the Department of Physiology, to serve also as Acting Dean of the Graduate College for one year from September 1, 1952, at a total salary of $14,500 for the period on a "Y" basis.

Professor Johnson will continue as Head of the Department of Physiology, but will be relieved of some of his teaching. He will succeed Professor Frederick T. Wall of the Department of Chemistry who is serving as Acting Dean during the current year.

On motion of Mr. Nickell, this appointment was approved.

**CHAIRMAN OF DEPARTMENT OF ECONOMICS**

(6) I recommend the appointment of Professor H. K. Allen of the Department of Economics as Chairman of the Department for a period of two years beginning July 1, 1952, at an annual salary of $11,000 on a "Y" basis.

The Dean of the College of Commerce and Business Administration and the Executive Committee of the Department unanimously recommend this appointment. Dean Paul Green has been serving as Acting Chairman of the Department since February 1 and prior thereto Acting Dean R. R. Hudelson served as Acting Chairman.

On motion of Mr. Johnston, this appointment was approved.
CONTINUATION OF DIVISION OF SPECIAL SERVICES FOR WAR VETERANS

(7) On January 26, 1944, the Board of Trustees authorized the establishment of a Division of Special Services for War Veterans, its purpose and function being to study the needs of the returning veteran; to inform him of all the various services of the University, and to advise him in matters of educational aim and adjustment; to help him to find among existing curricula the one which will best satisfy his purpose, and to assist in making such adjustments therein as may be desired by the student and accepted by the college or department in question; and to administer the educational programs of those veterans whose special needs are not satisfied by existing curricula. The action of the Board followed a recommendation of the University Senate which included a plan for the organization and administration of the Division.

The plan specifies that the services of the Division shall be restricted to men and women who come from the armed services and that it shall endure only until the needs of veterans have been satisfied. At the time the Division was established, this obviously referred to veterans of World War II. There are now coming to the University veterans who have served in Korea and whose needs for services offered by the Division are no less than have been the needs of veterans of World War II. Hence I recommend that the Board authorize the continuation of the Division of Special Services for War Veterans until further notice.

On motion of Mr. Grange, authority was given as recommended.

LISTENER’S AND VISITOR’S FEE

(8) Persons not connected with the University may attend classes as listeners or visitors with the approval of the instructor and the dean of the college concerned in each case and upon payment of a fee of $7.50 for each course. If the visitor withdraws within ten days after the beginning of instruction, the fee is refunded, and one-half of the fee is refunded after ten days but before the middle of the semester.

The Committee on Fees and Scholarships recommends the following addition to regulations governing refunds of fees:

The Listener's or Visitor's Fee will be refunded in full provided the student makes personal request for a refund at the Office of Admissions and Records within the first ten days of the instruction in any semester, or the first five days of instruction in any eight-week summer session. Thereafter no rebate will be made.

I concur.

On motion of Mr. Herrick, this recommendation was approved.

CHANGES IN ATHLETIC ASSOCIATION BUDGET

(9) The Board of Directors of the Athletic Association has made assignments of funds from the unappropriated surplus of the Association as follows:

To supplement existing budgetary provisions which are inadequate for the current fiscal year:

<table>

<td>2,194</td>
</tr>
</tbody>
</table>

These appropriations are submitted to the Board of Trustees for confirmation.

On motion of Mr. Nickell, the action of the Board of Directors of the Athletic Association was confirmed.
VETERINARY CLINIC BUILDING

The Dean of the College of Veterinary Medicine requests that the name of the Veterinary Pathology Laboratory (the old Animal Pathology Building) be changed to Veterinary Clinic since this building will now be used exclusively as a veterinary clinic.

I concur.

On motion of Mrs. Watkins, this change was approved.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

Chicago Professional Colleges
1. Library of Medical Sciences, improved lighting in reading room $1,500
2. College of Pharmacy, equipment 1,700
3. Research and Educational Hospitals, remodeling to provide quarters for housing two additional interns 1,100
4. Research and Educational Hospitals, remodeling to provide two additional needed offices 3,400

Urbana-Champaign Campus
5. Department of Theoretical and Applied Mechanics, equipment for Talbot Laboratory 1,050
6. College of Law, central dictating system 2,000
7. Graduate College, equipment for electronic digital computer 5,600
8. School of Music, improvements in Stiven House 2,400

Total 18,459

I recommend that these appropriations be made from the General Reserve Fund.

On motion of Mr. Johnston, these appropriations were made by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stevenson.

STANDING CONTRACT FOR PLASTERING WORK

The Director of the Physical Plant and the Comptroller recommend the award of a contract for plastering maintenance and minor improvement work as needed at Urbana-Champaign for 1952-1953 to E. G. Lindsey, Champaign. Payments are to be made on the basis of costs, plus the following percentages, except that charges for less than $25 will be billed on a lump sum basis:

Percentage added to labor costs for Workmen's Compensation Insurance, Social Security, and other costs 7%
Percentage added to total cost for contractor's profit and overhead 15%

I concur.

On motion of Mr. Nickell, this contract was authorized.

PAYMENTS FOR PROFESSIONAL SERVICES IN WATER RATES LITIGATION

The Board of Trustees has authorized the employment by the University, jointly with the cities of Urbana and Champaign, of the firm of George Rossetter and Company, Chicago, certified public accountants, and the law firm of Milliken, Vollers, and Parsons, Chicago, to represent the interests of the cities and of the University in hearings before the Illinois Commerce Commission on an application by the Northern Illinois Water Corporation for an increase in water rates. The University is to pay 30 per cent of the cost of these professional services.

The costs have exceeded the previous estimate of $10,000, of which the University's share would be $3,000, because the litigation has required more work by the accountants and the lawyers than was anticipated. The total fees to date are $14,585, of which the University's share is $4,375. The bills have been checked by the Comptroller and the Legal Counsel and are reasonable.
The Illinois Commerce Commission has entered an order granting the Northern Illinois Water Corporation approximately one-fourth of the rate increases requested. The Corporation has filed a petition for a rehearing with the Commission. The University has joined with the cities in also asking for a rehearing. This may require additional legal services.

I recommend authorization of (a) payment of the University's share of the professional fees to date, $4,375, and (b) payments, on the basis of 30 per cent of the total, of additional costs resulting from future hearings. Funds are available in the Physical Plant Department budget for this purpose.

On motion of Mrs. Watkins, these payments were authorized.

REQUEST FOR AUTHORITY TO EXECUTE CONTRACTS FOR DIVISION OF SERVICES FOR CRIPPLED CHILDREN SPEECH CLINICS

(14) The Division of Services for Crippled Children proposes to conduct summer speech clinics at the University of Illinois, Augustana College at Rock Island, the State Teachers Colleges at Normal and DeKalb, and Rockford College at Rockford, Illinois. Contracts will be negotiated with the institutions for speech therapy and housing and feeding the children attending the clinics. In each case, rates are based upon the usual charges of the College for similar services to students but will include additional expenses incurred for special services required by the children. All payments under these contracts are from funds appropriated by the General Assembly to the Division of Services for Crippled Children.

I recommend that on recommendation of the Director of the Division of Services for Crippled Children, the Comptroller be authorized to execute agreements with the various institutions, all such agreements to be reported by the Comptroller to the Board of Trustees.

On motion of Mr. Nickell, these contracts were authorized.

PURCHASES

(15) The Director of Purchases has proposed and the Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest bid.

I concur.

QUARTERLY REPORT OF THE COMPTROLLER

(17) The Comptroller presents his quarterly report to the Board as of March 31, 1952.

This report was received for record and a copy has been filed with the Secretary of the Board.
### CONTRACT FOR INSTALLATION OF STEAM SERVICE PIPING TO MEN'S RESIDENCE HALLS AND AGRICULTURAL ENGINEERING RESEARCH LABORATORY

(18) The Director of the Physical Plant and the Comptroller recommend award of a contract to Gallaher and Speck, Inc., Chicago, the lowest bidder, for the installation of steam service piping from the steam tunnel to the first addition to the Men's Residence Halls and to the Agricultural Engineering Research Laboratory, now under construction, as follows:

<table>
<thead>
<tr>
<th>Description</th>
<th>Cost</th>

</thead>
<tbody>
<tr>
<td>Men's Residence Halls Addition</td>
<td>$7,950</td>
</tr>
<tr>
<td>Agricultural Engineering Research Laboratory</td>

</tr>
</tbody>
</table>

This contract will include construction of an underground concrete loop vault at each connection with the tunnel and the installation of insulated conduits carrying the steam line from the vault to the building in each case.

Funds are available for this work in the budgets for these two construction projects.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was authorized.

### CONTRACT FOR GRAIN STORAGE BUILDING AT WRIGHT FARM

(19) On April 24, 1952, the Board of Trustees awarded a contract for $3,735.88 for the construction of a twenty-six foot addition to the corn crib at Wright Farm No. 6 in DeKalb County to the Alexander Lumber Company, Shabbona, the lowest bidder. Prior to signing a contract, the Alexander Lumber Company notified the University that it had made an error in the bid which should be $4,735.88.

The Dean of the College of Agriculture and the Comptroller recommend that the contract be awarded to L. B. Hanna, Princeton, Illinois, whose bid of $4,065.87 is now lowest.

I concur.

On motion of Mrs. Holt, this contract was authorized.

### THESIS DEPOSIT REQUIREMENT

(20) In partial fulfillment of the requirements for the degree of Doctor of Philosophy, a candidate must write an acceptable thesis, submitting two copies thereof together with an abstract of the thesis to the Graduate College, and satisfy publication requirements through one of these options: (a) depositing with the Graduate College one hundred printed copies of an abstract of the thesis, printed at his own expense; (b) depositing with the University $75 for the printing of one hundred copies of the thesis abstract by the University Press; (c) paying a $35 fee to have his entire thesis microfilmed and an abstract of it printed in *Dissertation Abstracts*; (d) presenting evidence of the publication of his thesis in its entirety or in abridged form by a standard journal or publisher.

The $75 fee, established many years ago when printing costs were low, is no longer sufficient to cover the actual costs to the University Press of printing the abstracts it receives. Students who can have their abstracts printed elsewhere for less than $75 naturally do not elect the deposit option, but those whose abstracts would cost more take advantage of the least expensive method. In any case, the student always may satisfy the publication requirement through the microfilming method.

The Executive Faculty of the Graduate College recommends that the option of depositing $75 for publication of the thesis abstract be discontinued.

I concur.

On motion of Mr. Nickell, this recommendation was approved.

### APPLICATION TO FEDERAL COMMUNICATIONS COMMISSION FOR TELEVISION LICENSE

(21) The Federal Communications Commission has now made definite allocations of television channels. Five channels have been allocated to the Urbana-
Champaign area, three of them being ultra high frequency and two very high frequency, including Channel 12 which is reserved for educational television.

I recommend that the Board of Trustees authorize the filing of a formal application by the University with the Federal Communications Commission for a license to construct a television station and to operate the same on Channel 12.

On motion of Mr. Johnston, the following resolution was adopted:

The Board of Trustees of the University of Illinois hereby directs its corporate officers to file an application with the Federal Communications Commission for authority to construct a television station and for a license to operate the same on Channel 12.

Mr. Nickell voted “no.”

APPOINTMENTS TO THE STAFF OF THE ATHLETIC ASSOCIATION

(22) The Director of Athletics and the Board of Directors of the Athletic Association recommend the following appointments:

LEE P. EILBRACHT, Head Coach of Baseball beginning July 1, 1952, at a salary of $1,033.32 for the months of July and August and a salary of $6,200 for one year from September 1, 1952.

ALLEN B. KLINCEI, Acting Head Coach of Swimming beginning September 1, 1952, and continuing until further notice, at a salary of $6,100 a year.

The Director of the School of Physical Education also recommends the appointment of Mr. Eilbracht as Instructor in Physical Education for Men on 12 per cent time for one year from September 1, 1952, at a salary of $1,425 and will continue in that position.

I have approved these appointments.

On motion of Mr. Grange, these appointments were confirmed.

FILING OF REGULATIONS FOR ADMINISTERING THE ACCOUNTANCY ACT

The Secretary reports that, in compliance with the provisions of an act entitled “An Act concerning administrative rules” (House Bill 141,
Sixty-seventh General Assembly of Illinois), he has filed with the Secretary of State a certified copy of the regulations for administering the Accountancy Act, adopted by the Board of Trustees on November 23, 1951, as printed on pages 1294-1299 of the minutes.

These regulations were recommended by the Committee on Accountancy and in the draft of its report there was an error in the section on examinations. This section specifies the fee for each examination written under "Rule 30." The reference here should be to "Rule 31." The Secretary requests that the record of the meeting be amended accordingly.

On motion of Mr. Nickell, the record of the meeting of November 23, 1951, was amended as requested.

SECRETARY'S REPORTS
The Secretary presented for record the following lists: (1) appointments made by the President; (2) graduate fellows; (3) resignations and declinations; (4) leaves of absence.

APPOINTMENTS MADE BY THE PRESIDENT
(The date in parenthesis is the date on which the appointment was made by the President of the University. C = College; S = Station; E = Extension.)

**UNIVERSITY CIVIL SERVICE SYSTEM OF ILLINOIS**

Mr. Grange, Chairman of the Committee on Nonacademic Personnel and Chairman of the Merit Board of the University Civil Service System of Illinois, reported informally on the activities of the Merit Board. The Merit Board has had three meetings since it was established and began functioning in January, 1952.

**LEASE OF SPACE IN ILLINI ARCADE BUILDING**

President Livingston presented a letter he had received from Mr. Norval D. Hodges, attorney for the heirs of the late John Katsinas, requesting that the Board of Trustees reconsider its action of March 13, 1951, regarding the lease of space in the Arcade Building in which the Katsinas interests have been operating a restaurant. The Katsinas interests are again seeking a renewal of the lease which expires on August 31, 1952. A copy of the letter was given to the Secretary of the Board for record.

Mr. Livingston referred the letter to the Committees on Buildings and Grounds and on General Policy, with Mr. Megran as Chairman of the joint committee, for consideration and recommendation to the Board at its next meeting.

**RECOGNITION OF RETIRING MEMBERS OF ACADEMIC STAFF**

Mrs. Watkins proposed that when members of the academic staff retire they be given some form of recognition by the Board of Trustees for their services to the University.

On motion of Mr. Nickell, this proposal was referred to the President of the University for study and report to the Board at its next meeting.

**JUNE AND JULY, 1952, MEETINGS**

By unanimous consent it was agreed that the next two meetings will be held on Thursday, June 19, beginning at 12:30 p.m. C.D.S.T. at the Chicago Undergraduate Division (Navy Pier), and on Wednesday, July 16, beginning at 12:30 p.m. C.D.S.T. at Robert Allerton Park.
INSPECTION TOUR OF THE CHICAGO PROFESSIONAL COLLEGES

Mr. C. Lincoln Williston, Manager of Public Information at the Chicago Professional Colleges, outlined the plans for the tour of the Medical Center District and inspection of laboratories and clinics at the Chicago Professional Colleges which would take place following luncheon.

On motion of Mr. Grange, the Board adjourned.

A. J. Janata  
Secretary

Park Livingston  
President
The June meeting of the Board of Trustees of the University of Illinois was held in the Office of the Dean of the Chicago Undergraduate Division, at Navy Pier, Chicago, Illinois, on Thursday, June 19, 1952, beginning at 12:30 p.m., Central Daylight Saving Time.

The following members were present: Mr. John R. Fornof, Mr. Harold E. Grange, Mr. Wirt Herrick, Mr. Robert Z. Hickman, Mrs. Doris S. Holt, Mr. Wayne A. Johnston, Mr. Park Livingston, Mr. Herbert B. Megran, Mr. Vernon L. Nickell, Mrs. Frances B. Watkins. Governor Adlai E. Stevenson was absent.

Also present were President George D. Stoddard, Provost C. R. Griffith, Vice-President A. C. Ivy, Dean C. C. Caveny, Mr. J. F. Wright, Director of Public Information, Mr. C. Lincoln Williston, Manager of Public Information for the Chicago Professional Colleges, Mr. H. A. Hazleton, Business Manager for the Chicago Professional Colleges, Mr. Lloyd Morey, Comptroller, Mr. C. W. Weldon; Treasurer, and Mr. A. J. Janata, Secretary of the Board.
BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following reports and recommendations from the President of the University.

APPOINTMENT OF RICHARD J. WINZLER AS HEAD OF THE DEPARTMENT OF BIOLOGICAL CHEMISTRY

(1) The Dean of the College of Medicine and the Vice-President in charge of the Chicago Professional Colleges recommend the appointment of Dr. Richard J. Winzler, Professor of Biochemistry at the University of Southern California School of Medicine, as Professor and Head of the Department of Biological Chemistry in the College of Medicine on indefinite tenure beginning July 1, 1952, at an annual salary of $11,500 (AY).

This is to fill the vacancy created by the resignation of Dr. Otto A. Bessey. Associate Professor S. B. Binkley has been serving as Acting Head of the Department.

I concur.

On motion of Mr. Johnston, this appointment was approved.

APPOINTMENT OF MIODRAG MUNTYAN AS DIRECTOR OF THE UNIVERSITY PRESS

(2) The directorship of the University Press has been a part-time position since it was established in 1918. Mr. H. E. Cunningham, the first Director, served also as Secretary of the Board of Trustees. The present Director, Dr. Wilbur Schramm, is also Dean of the Division of Communications and Research Professor of Journalism and Communications. Dean Schramm advises me that it has become increasingly clear that for the best interests of the University and of the Press, it should have a full-time head with full responsibility and authority. His judgment has been confirmed by other members of the faculty whose administrative and research responsibilities have close relationships with the functions of the Press. Dean Schramm has asked to be relieved of his duties as Director of the University Press, effective on the appointment of a successor.

Accordingly, I recommend the appointment of Mr. Miodrag Muntyan, now Executive Editor (with the rank of Assistant Professor) of the University Press, as Director (with the rank of Assistant Professor), effective July 1, 1952, at an annual salary of $8,000 on a Y basis. He has been a member of the University Press staff since 1933, starting as a part-time editorial assistant, and has grown with it. He is highly regarded in the university publishing field not only by members of the University of Illinois faculty but by executives of other university presses.

On motion of Mr. Nickell, this appointment was approved.

APPOINTMENTS TO THE FACULTY

(3) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. GEORGE E. ANNER, Associate Professor of Electrical Engineering, beginning September 1, 1952, at an annual salary of $5,750 (A).

2. SAMUEL M. FUTRAL, JR., Assistant Professor of General Engineering Drawing, Chicago Undergraduate Division, beginning September 1, 1952, at an annual salary of $5,200 (D).

3. FRANCIS E. LOW, Assistant Professor of Physics, beginning September 1, 1952, at an annual salary of $5,700 (D).

4. GEORGE F. SCHRADE, Assistant Professor of Mechanical Engineering, beginning September 1, 1952, at an annual salary of $5,300 (D).

5. NELLIE K. SEAL, Assistant Professor of Nursing, School of Nursing, Chicago Professional Colleges, beginning September 1, 1952, at an annual salary of $6,000 (DY).

On motion of Mrs. Watkins, these appointments were confirmed.
CHANGES IN SABBATICAL LEAVES OF ABSENCE FOR 1952-1953

I recommend the following changes in sabbatical leaves of absence approved by the Board of Trustees for 1952-1953:

ARCHIBALD W. ANDERSON, Professor of Education, leave to be for the second semester on full pay instead of the first semester.

M. ZBIGNIEW KRZYWOBLOCKI, Professor of Aeronautical Engineering, cancellation without prejudice of leave of absence for the second semester on full pay.

R. W. JUGENHEIMER, Professor of Plant Genetics, from leave of absence for the first semester on full pay to leave of absence for one year beginning July 1, 1952, on one-half pay.

On motion of Mr. Grange, these changes were approved.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded to the following candidates who have qualified under Section 4b of the Accountancy Act of 1943, as amended, by passing examinations given by the Special Board of Examiners at various times prior to December 6, 1951. The certificates of these candidates were invalidated by the Circuit Court of Cook County in 1951 holding Section 4b of the Accountancy Act as originally passed unconstitutional. Subsequently, the Section was amended. These candidates have again qualified but new certificates will have to be issued.

EMANUELI GOLDFINE MILTON TAUBER (Chicago) (Chicago)

The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

DEGREE OF DOCTOR OF PHILOSOPHY IN MUSICOLOGY

The Faculty of the School of Music and the University Senate recommend the establishment of a curriculum leading to the degree of Doctor of Philosophy in Musicology to be set up as follows:

This degree will be offered in such fields of music as merit and demand research methods. It is intended for those applicants whose interest lies in research in the history of music, the theory of music, the psychology of music, comparative musicology, aesthetics, and generally the relation of music to social life and thought. The proposed Ph.D. program in Musicology is based on the requirement of a minimum of twenty-four units of graduate credit, eight of which will be in Music 493 (Research) and will be devoted to the completion of an original doctoral thesis.

Requirements for Admission

In addition to meeting the general requirements for admission to the Graduate College, an applicant will be admitted to the program only upon recommendation of the Graduate Committee of the School of Music, which will consider each application to ensure that:
(a) The student is prepared to undertake the advanced program by having successfully completed work equivalent to that expected by the School of Music from students holding the Bachelor of Music degree with major field in the History and Theory of Music.

(b) The student is prepared to undertake the advanced program by an adequate background in the liberal arts and sciences. To this end, students will be expected to demonstrate a competence equivalent to that of the successful completion of elementary courses in each of the following: two semesters of college mathematics, two semesters of a physical or biological science, two semesters of psychology or a social science, two semesters of European history or American history or history of civilization, two semesters of English or other literature, two semesters of philosophy.

The Graduate Committee of the School of Music reserves the right to require a student to reinforce his preparation in the following areas, when these are relevant to his program of study, by the successful completion of at least two semesters of study beyond an elementary level: European history (ancient, medieval, modern) or American history; English or other literature; aesthetics, art history, or history of ideas.

(c) The student has promise of superior ability and outstanding achievement, qualities commonly expressed by an average of higher than 4.25 in the student's previous graduate work though other indications will also be evaluated; but in no case will admission to the doctoral program be granted to a student who has maintained a graduate average of less than 4.0, or who has had the equivalent of two units of work below B in his previous graduate study.

(d) The student is adequately prepared to pursue the doctoral program as determined by examinations administered by the Graduate Committee of the School of Music, including examinations in applied music, theory of music, and history of music. An unsatisfactory showing in any of these examinations by an applicant who meets other prerequisites may lead to provisional acceptance, but such students will be expected to pass all examinations during their first year of work.

**Degree Program**

After admission to the Ph.D. program in Musicology, the student must fulfill all requirements of the Graduate College pertaining to residence, number of units of graduate work, thesis, examinations, calendar, grades, major and minor fields, and foreign languages.

Admission to candidacy will be recommended only after successful completion of the following:

(a) Sixteen units of graduate credit, at least twelve of which must be in the field of music and include Music 322, 338, 346, 347, 438, 439, 444, and 445, plus a minimum of two units each in one or two of the following minor fields: history, philosophy, psychology, related arts, English or other literature, sociology, classics, anthropology, acoustics, electrical engineering, journalism, or education. Other minor fields may be accepted upon recommendation of the major adviser. No more than two of the sixteen units may be in applied music.

(b) In addition to the general requirements of the Graduate College pertaining to foreign languages, an examination in one or more additional foreign languages where, in the opinion of the Graduate Committee, such ability is necessary for proper research in the student’s field of concentration.

(c) A preliminary examination administered by a committee appointed by the Dean of the Graduate College. This examination will consist of a written examination on the history of music; a written examination in the area of the student’s field of concentration; the submission at least a month prior to the written examinations of a score of a free composition, a fugue or an instrumentation project, of a nature approved by the Graduate Committee of the School of Music; and an oral examination on the general field of musicology and on the results of the written examinations.

I concur.

On motion of Mrs. Holt, this curriculum was authorized.
CHANGES IN MASTER'S DEGREES IN ART

(7) The Faculty of the College of Fine and Applied Arts and the University Senate recommend the following changes in the titles, admission requirements, and programs leading to the several master's degrees offered in the Department of Art.

For students whose major field is art education or art history, the name of the degree to be conferred shall be Master of Arts, rather than Master of Fine Arts, as heretofore. It is further proposed that candidates for admission to the master's degree program in art education must have a teaching certificate in their field, or be eligible for one.

For students whose major field is design or painting and graphics, the name of the degree shall continue to be Master of Fine Arts, the requirement of eight units of study shall be increased to twelve and the areas of study shall be extended as indicated in the following revised requirements.

Design Major

To qualify for the degree, with a major in design, each student is required to complete successfully all of the following courses to the minimum of twelve units. A thesis is required.

Art 491, Special Problems, 1 to 3 units
Art 493, Seminar, 1 unit
Art 477, Design Laboratory, 4 to 6 units
Art History (two courses elected from the group Art 311 through Art 318), 1½ units
Art Electives (Art 333, 341, 351, 355, 371, 372, 494, and Art History), 2 to 3 units

Painting and Graphics Major

To qualify for the degree, with a major in painting and graphics, each student is required to complete successfully all of the following courses to the minimum of twelve units. A thesis is required.

Art 341, Painting Materials and Techniques, ½ unit (substitution of credit in other courses may be made for this subject by permission of Departmental Graduate Committee)
Art 491, Special Problems, 1 to 3 units
Art 493, Seminar, 1 unit
Art 495, Painting Laboratory, 2 to 6 units
Art 497, Graphics Workshop, ½ to 6 units
Art History (two courses elected from the group Art 311 through Art 318), 1½ units
Art Electives (Art 351, 371, 372, 494, and Art History), 1 to 2 units
I concur.

On motion of Mr. Nickell, these changes were approved.

DEGREE OF MASTER OF SCIENCE IN RECREATION

(8) The Faculty of the School of Physical Education and the University Senate recommend establishment of a graduate program leading to the degree of Master of Science in Recreation to be set up as follows:

Requirements for Admission

(a) A minimum grade-point average of 3.5 for all courses taken during the last two years in earning the bachelor's degree; (b) thirty semester hours of approved undergraduate credit in recreation or closely allied courses; (c) fifteen semester hours in the social and psychological sciences; (d) eight semester hours of undergraduate credit in the natural sciences; and (e) a course in tests and measurements or statistics. Applicants lacking a portion of the prerequisites under item (b) may substitute certified professional field experience, not to exceed eight semester hours. Students will not be admitted on limited status.

Requirements for Graduation

(a) Four units of credit in approved courses in recreation, education, political science, psychology, social work, and sociology; (b) two units of approved electives to be chosen in art, botany, geology, health education, landscape architecture, literature, music, physical education, speech, and zoology; (c) registration in and satisfactory completion of Recreation 490 (Seminar) for one semester, without credit; (d) presentation of an acceptable thesis in recreation (two units).
Candidates may petition for a waiver of the thesis requirement. Those who are excused are required to secure two units of credit in lieu of thesis credit and in addition are required to take and pass a final comprehensive written examination in recreation.

I concur.

On motion of Mr. Fornof, this curriculum was authorized.

CHANGES IN REQUIREMENTS FOR THE DEGREE OF BACHELOR OF LAWS

The Faculty of the College of Law and the University Senate recommend that the requirements for graduation with the degree of Bachelor of Laws be amended to read as follows:

All students who enter the College of Law as candidates for the degree of Bachelor of Laws are required, as conditions for graduation with that degree (a) to enroll in and complete the work in all courses listed in the law curriculum for first-year students, and (b) to enroll in and complete the work in at least one seminar course listed in the law curriculum for advanced students.

Students entering after September 1, 1952, will be subject to the requirements as amended.

I concur.

On motion of Mr. Herrick, these changes in graduation requirements were authorized as recommended.

DEGREE OF BACHELOR OF SCIENCE IN NURSING

The faculty of the School of Nursing and the University Senate recommend establishment of the following program leading to the degree of Bachelor of Science in Nursing open to all holders of the Diploma in Nursing conferred by any of the hospital schools of nursing affiliated with the University of Illinois. At present these are Michael Reese Hospital, Presbyterian Hospital, St. Luke’s Hospital, and Cook County Hospital, all in Chicago.

The program consists of four semesters, plus one summer session or half-semester of eight weeks. The first two semesters are in the College of Liberal Arts and Sciences, either in Urbana or at the Chicago Undergraduate Division, the third semester in the College of Liberal Arts and Sciences in Urbana, and the remainder in the University of Illinois School of Nursing, with residence as indicated.

Requirements for Admission

Admission shall be to the College of Liberal Arts and Sciences and will be granted upon fulfillment of the following conditions.

(a) Certification by the University of Illinois School of Nursing that the candidate holds the Diploma in Nursing from one of the affiliated schools, there received grades averaging 3.5 in theory and practice and is recommended by the affiliated school.

(b) Satisfaction of the requirements for admission to the general curriculum in the College of Liberal Arts and Sciences.

(c) Certification by the University of Illinois School of Nursing that the candidate has achieved on the Graduate Nurse Test Battery of the National League of Nursing Education a score not lower than 1½ s.d. below the mean of collegiate norms for each of the clinical fields. This certification shall entitle the candidate to a block credit of forty semester hours in Clinical Nursing.

(d) Certification by the University of Illinois School of Nursing that the candidate has passed examinations (as set by the National League of Nursing Education) for advanced standing in Microbiology (four semester hours) and Anatomy and Physiology (five semester hours).

(e) Passing of examinations for advanced standing in Rhetoric and Composition (six semester hours) and General Chemistry (five semester hours), administered by the appropriate departments of the College of Liberal Arts and Sciences.

(f) Failure to demonstrate proficiency in any or all of the fields listed under paragraphs (d) and (e) shall not preclude admission to the Continuation Program.
but shall require adding to the candidate's program appropriate courses in the subjects indicated. Courses taken for making up such deficiencies shall not in any case count as electives within the sixty semester hours of the Continuation Program.

**Requirements for Graduation**

Each candidate for the degree must earn 120 semester hours, including thirty hours of advanced work done in residence. Sixty of these hours shall be those specified in paragraphs (c), (d), and (e) under Admission, above. The remaining sixty hours, constituting the Continuation Program proper, must be passed with an over-all average of 3.0 and shall be made up as follows, subject to such rearrangement of courses or lengthening of the period of study as may be required because of entrance deficiencies, which should be removed within the first year.

Nursing 311—Field Practice in Community Nursing (for students electing Community Nursing), or Nursing 310—Field Practice in Management in Nursing (for students electing Institutional Nursing) .................................................. 4

Candidates will be admitted to the revised program beginning in September, 1952.

I concur.

On motion of Mr. Grange, this program was authorized.

ADVANCED CERTIFICATE IN MUSIC EDUCATION

(11) The Faculty of the School of Music and the University Senate recommend establishment of a program leading to the Advanced Certificate in Music Education set up as follows:

The program leading to the Advanced Certificate in Music Education shall consist of a minimum of one year of work beyond the master's degree and is designed to provide advanced professional preparation for music educators. It is a terminal program and students who become candidates for the Certificate will not be considered as beginning work leading to the degree of Doctor of Education with a major in Music Education.

Admission

A candidate for admission must hold a master's degree in music or music education from an accredited institution and must have maintained a B average in all previous graduate work. He must have completed satisfactorily at least two years of professional employment in music education.

At the first registration, placement examinations will be administered in music theory and applied music to determine the candidate's level of proficiency in those areas. A candidate whose level of proficiency is below that required by the University of Illinois for the Bachelor of Science degree in Music Education will be required to take work in addition to the course work prescribed in the section on Program.

Residence

The minimum residence requirement is one semester during which a minimum of three units is successfully completed, or two summer sessions during each of which a minimum of two units is successfully completed. All work for the Certificate may be completed in summer sessions.

Program

A minimum of eight units of course work beyond the master's degree is required. All of the course work must be taken on the Urbana campus of the University. Music 420 and 421 and either Education 411 or 412 are required. The remainder of the program will be based upon the student's needs and interests and upon the deficiencies revealed in the placement tests. No more than one unit of applied music may be counted toward the Certificate.

Students who at the time of first registration do not hold from the state in which they are employed a valid teaching certificate in music will be required to take courses sufficient to meet the certification requirements with the prior approval of the adviser. Courses in music which carry two-hundred numbers may be approved for graduate credit, not to exceed two units in all. Such credit will be computed at the rate of one-quarter unit for each semester hour, and will not be accepted in any degree program except the Advanced Certificate.

I concur.

On motion of Mrs. Holt, this program was authorized.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(12) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

1. College of Agriculture, equipment for south farm .................. $ 6 000
2. Armed Forces, storage facilities in Armory .......................... 4 000
3. College of Education Clinic, remodeling ............................ 15 000
4. Department of Medical Social Work, equipment ........................ 4 500

Total ............................................................................. $29 500
I recommend that these appropriations be made from the General Reserve Fund.

On motion of Mr. Johnston, these appropriations were made by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

WATER RATES LITIGATION

The Northern Illinois Water Corporation has appealed to the Circuit Court of Champaign County from the decisions of the Illinois Commerce Commission granting the Corporation approximately one-fourth of the rate increases it had requested.

In accordance with the previous authorization by the Board of Trustees, the University will join with the cities of Urbana-Champaign in contesting this appeal with the understanding that the University will pay thirty per cent of the costs incurred, as heretofore.

On motion of Mr. Herrick, these payments were authorized.

PATENTABLE DISCOVERIES

The University Patent Committee submits the following reports and recommendations relating to potentially patentable discoveries.

1. William J. Fry, Research Assistant Professor of Electrical Engineering, and his wife, Mrs. Ruth B. Fry, have recently developed an acoustic probe which has possibilities of usefulness as a general laboratory instrument for measuring sound intensities in an acoustic field and thus may have commercial value. The University Patent Committee recommends that the University of Illinois Foundation be requested to negotiate with appropriate instrument manufacturers for the patenting, development, and manufacture of this instrument. In the event the Foundation finds it would not be feasible to seek patent protection, the Committee recommends that all rights be released to the United States Air Force, since the acoustic probe is a direct result of research conducted under a contract with the Air Force.

2. William J. Fry, Assistant Professor of Electrical Engineering, and Francis J. Fry, Research Associate in Electrical Engineering, have developed a variable resonant frequency transducer as a result of research work under a contract with the Department of the Navy. This transducer is intended primarily for use in underwater sound equipment. Since their disclosure is essentially an extension of an existing patent application by others, it could be considered only in terms of design patent possibilities. In view of this, the University Patent Committee questions the wisdom of spending funds on a patent application and recommends that all rights to this device which have been disclosed be released to the Navy.

3. Francis J. Fry has recently disclosed three inventions: an ultrasonic transducer, pressurized ultrasonic apparatus, and a three-coordinate positioning device developed as a result of research work under a contract with the Office of Naval Research. These devices, or modifications thereof, are of use primarily in highly specialized fields of biological and medical research and therefore are not likely to have any commercial value. Hence, the University Patent Committee recommends all rights to these inventions be released to the Navy.

4. G. E. Pickard, Professor in the Department of Agricultural Engineering, reports that John Orcutt, working under his supervision, has developed an improved fertilizer conditioner which may be patentable. It is effective in reducing caking which is a hindrance to satisfactory application of commercial fertilizers. In the opinion of the Head of the Department of Agronomy, a patent covering this conditioner would not provide sufficient protection for commercial development since other substances would give the same general effects as those ascribed to the conditioner reported by Professor Pickard. In view of this, the University Patent Committee believes that the University would not be justified in expending funds on securing a patent and recommends that all rights to this discovery be released to the discoverer.

5. Vernon J. Fowler, Research Assistant in Electrical Engineering, has reported an invention, transmission-line tubes, a new class of amplifying tubes for obtaining large amplifications of voltage and/or power over wide frequency bands
at frequencies from zero to one thousand or more megacycles per second, as the result of research work under a contract with the Office of Naval Research. As required by the contract, this device was disclosed to the Office of Naval Research which has expressed an interest in it. The Head of the Department of Electrical Engineering considers the device of fundamental importance and hence suitable for patent application by the University. The University Patent Committee recommends that the University of Illinois Foundation be requested to undertake a patent search and to secure protection for the device. In the event the University secures a patent, it must grant the Navy a royalty-free license under the terms of the contract. Should initial investigation disclose it would not be feasible to pursue the patent application, the Committee recommends that all rights to the invention be released to the Navy.

6. Ludwig F. Audrieth, Professor of Chemistry, and Ralph Gher, Jr., graduate student in chemistry, have developed a preparation of hydrazine derivatives of the phosphoric and phosphonic acids and their thio compounds and their aldehyde and ketone derivatives for use as agricultural chemicals. This substance appears to have an activity on plants equal to or greater than that of 2,4-D. If the initial evaluation is verified, it would appear that their discovery should be protected by patents. The University Patent Committee recommends that the University of Illinois Foundation be requested to negotiate with industrial organizations with respect to the development of, and secure patents for, this substance. Much development work by some industry remains to be done, and no organization can be expected to incur the expense involved without some assurance of profit. Hence the Committee recommends that the Foundation be authorized to negotiate an agreement on an exclusive basis.

7. Ludwig F. Audrieth, Professor of Chemistry, and Earle S. Scott, graduate student in chemistry, have developed compounds which are carbonic and thiocarbonic derivatives of hydrazine and which appear to have some use as fungicides. Since the substances are not new, no product patents could be obtained. Limited use patents are of dubious value and the University Patent Committee therefore recommends that all rights to this discovery be released to Messrs. Audrieth and Scott to be developed as they see fit.

8. William J. Fry and Francis J. Fry, of the Department of Electrical Engineering, have developed a multiple beam focused ultrasonic irradiator. The device is unique in that it provides a desired sound intensity in a particular region by using an array of transducers, each producing a low intensity focused beam, in such a manner that the beams are crossed in the selected region. The University Patent Committee is of the opinion that even though patent coverage can be secured, the utility of the device would be so limited that the expense of securing a patent would not be warranted. Accordingly, the Committee recommends that all rights for this invention be released to Messrs. Fry to develop as they see fit.

I concur.

On motion of Mr. Megran, these recommendations were approved.

AMENDMENT OF POLICY AND RULES RELATING TO COMPENSATION AND WORKING CONDITIONS OF NONACADEMIC EMPLOYEES

(15) The Merit Board of the University Civil Service System of Illinois recommends to the member institutions adoption of uniform regulations relating to legal holidays, work week, overtime pay, disability leaves, and vacation allowances. The proposed rules are submitted herewith and in each case the change, if any, from the present policy of the University of Illinois is indicated.

I. Legal Holidays

A. Offices, laboratories, and shops will be closed and all employees in the System excused, except in emergency and for necessary operation, on the following holidays: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day.

1. Employees in prevailing rate groups will be compensated in accordance with local prevailing practice.

   a. If in any prevailing rate classification holidays in addition to those listed above are recognized in local prevailing practice, these holidays shall be recognized in relation to employees in these classifications in accordance with the condition herein provided.
2. Permanent and continuous employees not in prevailing rate groups will be excused with full pay.

B. In the event that work is required
   1. Employees in prevailing rate groups will be compensated in accordance with prevailing practice.
   2. Other employees, except those in administrative classifications as approved by the Merit Board, will be compensated by time and one-half payable in cash, in addition to regular compensation.
   3. Administrative employees in classifications approved by the Merit Board shall receive no additional compensation.

II. Work Week
   A. Employees other than administrative
      1. All employees other than those in administrative classifications as approved by the Merit Board shall have a basic work week of forty hours, except as stipulated in agreements, or in local prevailing practice, or general community patterns.
         a. Determination of the daily and weekly schedule within which these hours are to be worked is to be considered as subject to agreement between the individual institutions and their employees.
   B. In administrative classifications, it is understood that work will be performed as required by the position, but that insofar as possible the basic work week shall be forty hours.
      1. Individual institutions may determine with the approval of the Merit Board the level at which the employee becomes an effective part of management and therefore at what level his classification becomes administrative for the purpose of this paragraph.
   C. Except in operations where services are regularly required seven days a week, work performed on Sunday is overtime, to be compensated in cash at the overtime rate of time and one-half, or as stipulated in agreements.

III. Overtime Pay
   A. All time in excess of the units of hours constituting the work day or the work week is overtime and will be compensated as follows:
      1. For employees in prevailing rate groups, overtime will be compensated at time and one-half, unless under local prevailing practice a higher rate is paid in which case the local prevailing practice will be followed.
      2. For employees other than administrative not in prevailing rate groups, overtime will be compensated at time and one-half in cash.
      3. For employees in administrative groups for whom no fixed and rigid daily or weekly schedule is provided and the discharge of whose duties normally requires a certain amount of flexibility in such schedule, additional cash payment may be authorized at straight time for overtime required and worked in amounts excessive beyond normal expectation of the work schedule of the position.
   B. Paid time in which work is not performed shall count as working time toward the accumulation of overtime in any work week.
   C. By mutual agreement between a department and an employee, with the approval of the Director, the employee may work overtime with equivalent time off at straight time (in lieu of cash payment), such time off to be taken at some mutually agreeable time;
      1. Provided that this does not conflict with local prevailing practice.

IV. Disability Leave with Full Pay
   A. Each employee shall accumulate disability leave with full pay at the rate of one working day for each month of service until total accumulation is forty-five working days. Amount of leave accumulated at the time when any disability begins shall be available in full and additional leave shall continue to be earned while an employee is using that already accumulated. After an employee has accumulated a total of forty-five working days his rate of accumulation shall be reduced to one working day for each two months of service. There shall be no limit in the amount which may be accumulated at this rate thereafter. If use of available leave thereafter reduces the total to less than forty-five days, the accumulation will again be at the rate of one day per month until a new total of forty-five days is reached.
B. Disability leave may be used when it is necessary for an employee to be absent from work because of illness in his immediate household or family.

C. 1. Employees of the University of Illinois shall have transferred to their credit such cumulative disability leave as may have been credited to them as of the effective date of the policy here set forth.

2. Other employees of the System shall be credited as of the effective date of this policy, with the number of work days which equals the number of days in the employee's present work week times the number of years of his service to a maximum of ten times the number of work days in his present work week.

V. Vacations with Full Pay

A. For all employees in their first year of service

1. No vacation shall be available for employees with less than six months of service, but at the end of six months of employment, one-half of the first year's vacation as listed in B-1 and 2 shall be considered as earned and available, and the fractional amount of the first year's vacation shall be available thereafter in proportion to the fraction of the year worked.

B. For all employees in their second and succeeding years of service

1. For all employees having an established basic work week with additional compensation for overtime beyond that work week:
   a. For those employees with less than ten years of service, vacation shall be two work weeks in each year of service.
   b. For those employees with ten or more years of service, vacation shall be three work weeks in each year of service.

2. For all employees in administrative and professional classifications of upper level responsibility as approved by the Merit Board, for whom no fixed or rigid daily and weekly schedule is provided, and the discharge of whose duties usually requires a certain amount of flexibility in such schedule, and for whom no provision is made for the payment of overtime worked except when such overtime is in an excessive amount, one month in each year of service.

In most respects I endorse the recommendations of the Merit Board of the University Civil Service System of Illinois, but I should like to call attention to two items which, I believe, require further study and possible revision. The first is Item V, B, 1, b, which reads: "V. Vacations with Full Pay. B. For all employees in their second and succeeding years of service . . . . b. For those employees with ten or more years of service, vacation shall be three work weeks in each year of service."

Now this may appear to be a good resolution in principle, but there are certain factors to be considered, as follows:

1. This plan would exaggerate certain existing inequities between the prevailing and nonprevailing groups.
2. It would place an extra burden of expense on students with respect to cost of food and housing.
3. There are no funds budgeted for such an adjustment and about $50,000 would be needed to implement it the first year, with some increases thereafter.
4. It affects the University more unfavorably with respect to cost than it does the other institutions because in the case of the other colleges and universities the increased cost is offset by the elimination of five extra holidays which were being paid for previously.

Also I have a question with respect to Item III, A, 3, which reads as follows:

"III. Overtime Pay. A. All time in excess of the units of hours constituting the work day or the work week is overtime and will be compensated as follows: . . . .

3. For employees in administrative groups for whom no fixed and rigid daily or weekly schedule is provided and the discharge of whose duties normally requires a certain amount of flexibility in such schedule, additional cash payment may be authorized at straight time for overtime required and worked in amounts excessive beyond normal expectation of the work schedule of the position."

It occurs to me that we need a careful definition of the employees to be affected. Mr. Morey and Mr. Dickason believe that this statement could be revised so as to be explicit with respect to this question.

Accordingly, I recommend that the proposed amendments be deferred for further study and for a report by November 1, 1952. If it is then decided to put into effect the extra vacation allowances, we can place the expense item properly in the next biennial budget.
Mr. Grange, Chairman of the Merit Board, discussed the recommendations made by that Board.

On motion of Mr. Grange, the statements of policy recommended by the Merit Board with respect to Work Week, Overtime Pay, and Disability Leave with Full Pay were approved, and action on Legal Holidays and Vacations with Full Pay was deferred pending further consideration by an appropriate committee of the Board of Trustees. President Livingston referred these two recommendations to the Committee on Nonacademic Personnel and the Committee on General Policy for consideration jointly and report to the Board.

**CONTRACT FOR STONETOP REPAIRS ON DENTISTRY-MEDICINE-PHARMACY BUILDING**

(16) The Director of the Physical Plant and the Comptroller recommend the award of a contract for $7,700 to Knut Upstrom, Chicago, the lowest bidder, for stonework repairs on the second unit of the Dentistry-Medicine-Pharmacy Building. This unit was constructed in 1937. Some of the stonework at the top of the fifteen-story tower has loosened and shifted in several places which creates a hazardous situation.

Funds are available in the Physical Plant Department budget.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was authorized.

**CONTRACT FOR REROOFING DRILL HALL AT CHICAGO UNDERGRADUATE DIVISION**

(17) The Director of the Physical Plant and the Comptroller recommend the award of a contract for $3,180 to the Esko Roofing Company, Chicago, the lowest bidder, for reroofing the Drill Hall at Navy Pier. Under the terms of the lease with the city of Chicago such repairs are the obligation of the University.

Funds are available in the Physical Plant Department budget.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Nickell, this contract was authorized.

**CONTRACT FOR REMODELING QUARTERS AT CHICAGO UNDERGRADUATE DIVISION**

(18) The Director of the Physical Plant and the Comptroller recommend award of a contract for $5,875 to the Mueller Construction Company, Chicago, the lowest bidder, for remodeling of quarters at Navy Pier to provide offices and storeroom space needed for the Air Force Reserve Officers' Training Corps program.

The Board of Trustees has already appropriated funds for this work.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Grange, this contract was authorized.

**CONTRACT FOR LANDSCAPING ON ANIMAL SCIENCES AND VETERINARY MEDICINE BUILDINGS AREAS**

(19) The Director of the Physical Plant and the Comptroller recommend award of a contract for $21,000 to Ralph Symnestvedt and Associates, Glenview, Illinois, the lowest bidder, for landscaping the sites of the Animal Sciences Laboratory and the Veterinary Medicine Building.

Funds are available in the state appropriations for the construction of these buildings: $11,200 to be charged to the appropriation for the Animal Sciences Laboratory and $9,800 to be charged to the appropriation for the Veterinary Medicine Building.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.
On motion of Mr. Johnston, this contract was authorized; Mrs. Holt voted "No."

**CONTRACT FOR CONSTRUCTION OF SMALL HOMES COUNCIL FIELD TRIAL LABORATORY**

(20) Housing research at the University indicates the value of certain new techniques and design details. To obtain a final evaluation of these research results, the Small Homes Council proposes a field trial by building a structure the size and shape of a family dwelling but erected as a shell. In this building the following trials and tests will be made: floating slab foundation, closet wall and storage assemblies, low-cost storm windows, long-span roof construction, modular wall construction, and observation of condensation on concrete floors during summer months.

The Director of the Small Homes Council and the Comptroller recommend award of a contract for $11,600 to Leroy V. James, Urbana, the lowest bidder, for the construction of this building.

Funds accumulated from the sale of Small Homes Council bulletins are available for this contract.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was authorized.

**CONTRACTS FOR MINOR ALTERATIONS**

(21). The Board of Trustees has been awarding contracts from year to year for minor alterations and remodeling at Urbana-Champaign on a cost-plus basis. The present contracts will expire June 30, 1952.

Work under such contracts is initiated upon orders of the Physical Plant Department which are subject to approval by the Comptroller and to availability of funds. Contractors are employed on jobs which are so small, not exceeding $5,000 for any one authorization, or are of such character that it is not feasible to take competitive bids. This procedure has the advantage of permitting immediate starting of work after the Board of Trustees has approved the expenditure of funds, and it eliminates the expense of preparing drawings and specifications which would be required in securing bids.

The Director of the Physical Plant and the Comptroller recommend the award of cost-plus contracts, as follows, based on competitive bids, for the fiscal year beginning July 1, 1952, with the understanding that no orders will be placed after June 30, 1953, and that all work will be handled in accordance with established procedure:

Ventilating and Sheet Metal Work—Schroeder's Ventilating, Champaign
On jobs
- Up to $250: 30% Material, 35% Labor, 10% Subcontracts, 10% Merchandising
- From $250 to $1,000: 24% Material, 30% Labor, 10% Subcontracts, 10% Merchandising
- From $1,000 to $3,000: 22% Material, 28% Labor, 10% Subcontracts, 10% Merchandising
- Over $3,000: 22% Material, 26% Labor, 10% Subcontracts, 10% Merchandising

The awards recommended for the general, heating and plumbing, and ventilating and sheet metal contracts are to the lowest bidders. In the case of the electrical work, it will be seen from the schedule of bids that the bidding was so close, with variations up and down between the contractors, that to determine the effective lowest bid all bids were evaluated in terms of past experience by applying them to the same proportions of material, labor, subcontracting, and merchandising overhead charges previously paid under this type of contract. This analysis shows that the following summation of the percentages is to be expected:

- Potter Electric Service: 26.35% per cent
- Bland-Midwest Electric: 26.51% per cent
- Square Deal Electric: 28.30% per cent

I recommend that these contracts be awarded in accordance with the terms and conditions stated, the Comptroller to report to the Board periodically on all contracts initiated.

On motion of Mr. Fornof, these contracts were authorized.

CHANGE IN CONTRACT WITH WADEFORD ELECTRIC COMPANY FOR ELECTRICAL WORK ON ADDITION TO RESEARCH AND EDUCATIONAL HOSPITALS

(22) The Director of the Physical Plant and the Comptroller recommend the following changes in the contract with the Wadeford Electric Company, Chicago, for electrical work in the construction of the addition to the Research and Educational Hospitals:

- Changes in electrical control equipment, an increase of $3,322.30
- Alterations in electrical installations for X-ray equipment, an increase of $3,263.70

The increases are necessary because the contractor was unable to submit for approval at the time the contract was executed the details of the mechanical equipment to be used in this installation due to the shortage of critical materials. When equipment became available and was submitted for approval, it was found necessary to revise the electrical interlocking of the control centers.

Total: $6,586.00

Funds are available in the state appropriation for the construction of this building and have been released by the Governor.

I concur and recommend that the Comptroller be authorized to execute these changes in the contract.

On motion of Mr. Johnston, this increase in the contract was authorized.

PURCHASES

(23) The Director of Purchases has proposed and the Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest bid.

I concur.

APPROPRIATION TO ATHLETIC ASSOCIATION

(25) An appropriation of $10,000 was made by the Board of Trustees on July 25, 1951, for rehabilitation of the refrigerating equipment in the Ice Skating Rink. The actual cost of this work has been less than $5,000. The Athletic Association requests authority to use the balance for repairing the roof of the Rink. Since the Skating Rink has been operated on a deficit, it has not been possible to accumulate a reserve for repairs. Delay in repairing the roof may cause serious damage to the building.

The Provost and the Comptroller recommend, and I concur, that the balance in this appropriation be made available for repairing the Rink roof.

On motion of Mrs. Watkins, this recommendation was approved.

CONTRACT FOR REPAIRS IN DAVID KINLEY HALL

(26) The Director of the Physical Plant and the Comptroller recommend award of a contract for $5,250 to E. N. DeAtley, Champaign, for repairing the terrazzo treads, landings, and entry floor of the north stairway in David Kinley Hall. The work will include replacement of five treads on the first floor landing, all treads from the first floor to and including the landing tread on the third floor, the bottom tread of the first flight of stairs from the third to the fourth floor, and installation of new nonslip tile floors in the entry, first floor stair hall, and on all intermediate landings from the first floor to the third floor.

Funds are available in the Physical Plant Department budget.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Fornof, this contract was authorized.

RESIGNATION OF DEAN WILLARD B. SPALDING

President Stoddard presented the following letter:

College of Education
105 Gregory Hall
June 18, 1952

Respectfully yours,

WILLARD B. SPALDING, Dean
INSTITUTE FOR RESEARCH ON EXCEPTIONAL CHILDREN

President Stoddard and Mr. Nickell presented a proposal that there be established at the University an Institute for Research on Exceptional Children. Its function would be to carry on and direct research on physically and mentally handicapped children; to study ways and means of coordinating the state's services in this area of public welfare; to study gifted children; and to offer advanced programs of study. They pointed out that the state of Illinois is currently expending upwards of $39,000,000 per year on such programs.

On motion of Mr. Nickell, the Board approved the proposal to establish the Institute with the understanding that a plan for its organization and a budget will be submitted for approval later.

REPORT OF THE COMMITTEE ON GENERAL POLICY ON ILLINI UNION BOOKSTORE

Mr. Johnston, for the Committee on General Policy, presented the following report:

Chicago, June 19, 1952

Mr. PARK LIVINGSTON
President, Board of Trustees
University of Illinois
20 North Wacker Drive
Chicago 6, Illinois

DEAR MR. LIVINGSTON:

At the meeting of the Board of Trustees of the University of Illinois, held last October, you turned over to the Policy Committee a letter received from Mrs. Eunice C. Creamer having to do with the competitive situation, as she put it, involved between the Union Bookstore and the University of Illinois Supply Store (a co-op) and directed that the Policy Committee give full weight to all of the facts presented and those we could collect together and report back to the Board our findings and recommendations as to the disposition that should be made of this situation. The letter addressed to you by Mrs. Creamer is returned. In addition thereto, Mr. R. D. Follett, vice-president of Wilcox & Follett Company, 1255 South Wabash Avenue, Chicago, publisher of books and who operates a bookstore at Champaign, likewise has filed objections to the University of Illinois operating a bookstore in competition with what he terms is a tax paying, privately owned bookstore.

The Illini Union Bookstore is the continuation of a book exchange organized by the Illini Union in the early 1920's. It became a full-fledged bookstore in its present location in 1932. When the Illini Union was built it took over the operation of the book exchange. The University feels it has an obligation to operate the Illini Union Bookstore in order to assure the students an opportunity to purchase their books and supplies at a reasonable cost. The operation of the bookstore has benefited the students without the expenditure of University funds.

Information which we have developed indicates that the protesters have presented their objections to the operation of the Illini Union Bookstore on numerous occasions and a full explanation has been given as to the reasons for the operation of the store on each occasion. The supreme court of Illinois recognizes that the University has a right to operate a bookstore and that in so doing the property was used for a public educational purpose. While procedure differs, bookstores of a similar nature are operated at many of the colleges and universities throughout the country.

The Illini Union Bookstore pays rent for the facilities used on a per square foot area basis, the same as all other occupants of the building. It has not been assessed for local taxes on personal property. The State Department of Revenue has ruled that the Bookstore is not liable for sales tax, hence it can not collect or pay such a tax.
The textbooks that are sold at the Illini Union Bookstore are sold at prices that are set and prevail at other stores where the students can purchase them. Since 1940 up to and including the close of 1951 the total sales at the Illini Union Bookstore were $3,248,734.94. During this same period the net income before dividends was $321,749. During this same period the net income before dividends was $321,749. Dividends paid during the period amounted to $50,101.06, and the dividend rate ranged from 5 to 10 per cent. Surplus after dividends during this period was $255,358.04, of which amount $49,964.88 was transferred to the Illini Union for equipment purchases and building improvements, $100,000 financed the Illini Union coffee house and $100,000 remains in reserve as working capital for the bookstore.

Over the period of time the store has operated there have been some articles sold that perhaps are not classified entirely as student necessities or materials for the pursuit of education, but by and large the objectives of the store are to assure students and faculty they can purchase books, materials and supplies needed in university course study at fair prices, having in mind the necessity for providing the student with the lowest possible cost for education but at the same time recognizing the free enterprise system by giving fair competition to privately owned businesses in the same area of merchandising.

Having in mind the results the committee feels it is desirable to sustain, they being: (1) fair prices to all purchasers, (2) protection against any possible, although improbable "high prices" that might be charged by independently owned stores if the Illini Bookstore were closed, (3) establish a policy of free enterprise and fair competition, and (4) accruing profits after expenses to be used in lowering cost of activities carried on for student benefit in Illini Union, we recommend the continuation of the bookstore and its apparently fair pricing policy on over-the-counter sales, discontinuing all dividend disbursement, specifically recommending the following:

(1) That the University Bookstore continue to be operated and thus give students and faculty assurance of continuing opportunity to buy their bookstore needs at prices fairly determined and established. (Some might claim that fair prices could not be maintained if the University-operated Bookstore competition was removed.)

(2) That the University Bookstore shall limit its activities to offering for sale nothing but books, materials or supplies needed in University course study.

(3) Discontinue all dividends. Reduce the cost of books and supplies, at the time of purchase, by an amount equal to the ratio of the dividends paid in the past four years to cash sales during the period. If profits accrue, transfer them to the general fund of the Illini Union.

Discontinuing the policy of dividend distribution appears entirely justified because the total dividends distributed the last four years amount to only 1.9 per cent of yearly average total sales.

Average Yearly Total Sales (last 4 years) .............. $482,622
Average Yearly Dividends (last 4 years) ............... 9,302
$9,302 is only 1.9 per cent of $482,622

In the last year of 1950-51, only 4,798 students qualified for a dividend rebate of less than $3 per qualified student. Divide the dividend distribution by the entire enrollment and the theoretical quotient is so small (less than $1) that it indicates that the dividend disbursement is not too essential and perhaps not justified.

It is true that the dividend rebates the last several years have amounted to 10 per cent on the purchases of those who participated in such distribution. However, the justification for a bookstore operation is for the benefit of the entire student body and if the rebate had been made at time of sale on the full volume, it would have amounted to less than 2 cents on each dollar of sales.

Respectfully submitted.

On motion of Mr. Johnston, the recommendations of the Committee were approved.
A TRIBUTE TO JOHN H. ARMSTRONG

Mr. Johnston offered the following memorial which was adopted:

The Board of Trustees of the University of Illinois records with deep sorrow the untimely death on June 6, 1952, of Judge John H. Armstrong, President of the University of Illinois Foundation.

The state of Illinois, the University, and the community of Champaign-Urbana have lost a loyal, devoted citizen and a good friend. He had an abiding interest in the University since his early youth when he lived almost within the shadows of the University. He graduated from the University of Illinois with the degree of Bachelor of Arts in 1917 and with the degree of Doctor of Law in 1920. Following his graduation from the College of Law he was immediately admitted to the Illinois Bar and began the practice of law. From 1930-1933 he served as County Judge of Champaign County, Illinois, and from 1933-1939 as Judge of the Sixth Circuit of Illinois.

During the years he was in private practice of law he also found time and devoted much of his energy to civic affairs. He served as a member of the University of Illinois Foundation since 1946, on its Board of Directors since 1948, and as President of the Foundation from 1950 until his passing. In recent years he also was a special legal counsel for the University in important negotiations in which his expert talent and diligent work were invaluable.

The Board of Trustees directs that this memorial be spread upon the minutes of today’s meeting and that copies be sent to the members of Judge Armstrong’s family.

EXECUTIVE SESSION

At this point the Board went into Executive Session to consider the following matter presented by the President of the University.

APPOINTMENT OF DIRECTOR OF INSTITUTE OF LABOR AND INDUSTRIAL RELATIONS

(27) For several months an ad hoc search committee has been interviewing and studying the qualifications of candidates for the position of Director of the Institute of Labor and Industrial Relations to fill the vacancy created by the resignation of Professor W. Ellison Chalmers as Director. The President reported on conferences which have recently taken place with Mr. Robben W. Fleming, Director of the Industrial Relations Center at the University of Wisconsin, whom the committee has recommended for this position. It was not feasible to include a formal recommendation for his appointment in the agenda sent to the Trustees in advance of today’s meeting.

On motion of Mr. Fornof, the Executive Committee was authorized to act for the Board on this appointment.

LEASE OF SPACE IN ARCADE BUILDING

Mr. Megran, for the Committees on Buildings and Grounds and General Policy, reported that the joint committee has been giving careful consideration to the request of the Katsinas interests for the renewal of the lease of space in the Arcade Building in which they have been operating a restaurant, but that the committee is not prepared to make a recommendation at this time.

SECRETARY’S REPORTS

The Secretary presented for record the following lists: (1) appointments made by the President; (2) graduate fellows; (3) resignations, declinations, and cancellations; (4) leaves of absence.

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parenthesis is the date on which the appointment was made by the President of the University. C = College; S = Station; E = Extension.)

ALTSCHUL, Sol, Psychiatric Consultant in the Health Service, in the Chicago Professional Colleges, on one-fifth time, two months beginning July 1, 1952, $217 a month, supersedes (6-6-52).
Anderson, Robert W., Research Associate in the Control Systems Laboratory, June 16-August 31, 1952, $400 a month (5-22-52).

Augenstine, Leroy C., Research Assistant in the Control Systems Laboratory, June 2-August 31, 1952, $300 a month, superseded (6-6-52).

Bahnfleth, Donald R., Research Assistant in Mechanical Engineering (S), three months beginning June 1, 1952, $3750 a year (5-29-52).

Bahnfleth, Donald R., Research Assistant in Mechanical Engineering (S), one year beginning September 1, 1952, $3750 (5-29-52).

Baude, W. W., to give instruction in Agricultural Economics in the Summer Session of 1952, June 13-August 9, 1952, $1600 for the period (6-10-52).

Baumgardner, Carl H., Research Assistant on the University Council on Teacher Education, three months beginning June 1, 1952, $256.66 a month, superseded (6-5-52).

Beattie, Edward J., Jr., Assistant Professor of Surgery (Rush), in the College of Medicine, three months beginning June 1, 1952, without salary (6-3-52).

Bebelman, Max, Instructor in Education, on one-half time, in the University High School, June 13-August 9, 1952, $447 for the period (6-2-52).

Bemis, William P., First Assistant in Vegetable Crops (Horticulture) (S), one year beginning September 1, 1952, $4500 (6-6-52).

Benesch, Mrs. Edna V., Research Assistant in Civil Engineering (S), June 16-August 31, 1952, $300 a month (5-22-52).

Berkovitz, Mrs. Irene R., Research Assistant in the Bureau of Research and Service, in the Graduate College, two months beginning July 1, 1952, $233.33 a month (6-2-52).

Best, Sheldon F., Assistant Electronic Digital Computer, in the Graduate College, three months beginning June 1, 1952, $300 a month, superseded (6-6-52).

Bourgin, David G., Professor of Mathematics, in the Graduate College, three months beginning June 16, 1952, $3000 for the period. This is in addition to his present appointment. (6-3-52).

Branton, A. N., Acquisition Assistant in the Library, one year beginning September 1, 1952, $3480 (6-6-52).

Brannon, Mildred J., Research Associate in the Control Systems Laboratory, July 1, 1952-August 31, 1953, $4200 a year (5-22-52).

Brennan, James F., Research Assistant in Electrical Engineering (S), three months beginning June 1, 1952, $320 a month (6-6-52).

Brody, H. S., to give instruction in Education in the Summer Session of 1952, June 13-August 9, 1952, $1500 for the period (6-10-52).

Brody, H. S., Visiting Lecturer in Education, for the academic year beginning September 1, 1952, $7100 (5-23-52).

Butzow, Robert F., Instructor in Veterinary Clinical Medicine (C), June 16-August 31, 1952, $362.50 a month, superseded (6-6-52).

 Cairns, Stewart S., Professor of Mathematics, in the Graduate College, June 15-August 31, 1952, $3455 for the period. This is in addition to his present appointment. (6-3-52).

Cate, Glenn M., Research Associate in the Control Systems Laboratory, June 16, 1952-August 31, 1953, $4800 a year (6-2-52).

Chryssafopoulos, Nicholas, Research Assistant in Civil Engineering (S), one year beginning June 16, 1952, $3000 (5-27-52).

Cleven, Mrs. Carol, Assistant in Food Technology (S), June 16, 1952-August 31, 1953, $3000 a year (5-20-52).

Cole, Robert H., to give instruction in the Department of Business Organization and Operation in the Summer Session of 1952, June 13-August 9, 1952, $1056 for the period (6-10-52).

TINKHAM, R. A., Instructor in Industrial Education, for the academic year beginning September 1, 1952, $4600 (5-28-52).

TOMAN, KURT K., Research Associate in Electrical Engineering (S), four months beginning May 1, 1952, $450 a month, supersedes (6-2-52).

TUNG, LU-HO, Research Associate in Chemistry, in the Graduate College, one year beginning June 1, 1952, $450 (5-27-52).

WALL, FREDERICK T., Professor of Chemistry and Acting Dean of the Graduate College, two months beginning July 1, 1952, $1350 a month. This is in addition to his present appointment. (5-9-52).

WEIR, EDWARD C., Instructor in Education, on the University Council on Teacher Education, on one-half time, for two months beginning June 16, 1952, $224.44 a month. This is in addition to his present appointment. (6-9-52).

WIENMAN, ALAN M., Research Assistant in the Institute of Government and Public Affairs, on full time, June 16-August 31, 1952, $330 a month, and on one-half time, June 16-August 10, 1952, $155 a month (6-6-52).

YOUNG, MRS. FAYG., Commerce and Sociology Library Assistant, in the Library, one year beginning September 1, 1952, $3300 (6-6-52).

YOUNG, GEORGE A., to give instruction in Civil Engineering in the Summer Session of 1952, June 13-July 5, 1952, $417 for the period (6-10-52).

GRADUATE FELLOWS
(The following appointments were made by the Dean of the Graduate College on the dates indicated in parenthesis.)

BENJAMIN, ROLAND J., Fellow in Theoretical and Applied Mechanics, nine months beginning September 16, 1952, $1000, supersedes (5-22-52).

BERNSTEIN, LIONEL M., R. J. Strasenburgh Research Fellow in Clinical Science, in the College of Medicine, four months beginning May 1, 1952, $1000 a month (6-6-52).

COCHRAN, JOHN F., Celanese Corporation of America Fellow in Physics, one year beginning September 1, 1952, $1800 (5-20-52).

DOUGHERTY, L., Pan American Fellow in Chemical Engineering, nine months beginning September 16, 1952, $1400 (5-26-52).

GELFAND, SAMUEL, United States Rubber Company Fellow in Chemistry, nine months beginning September 16, 1952, $1400, supersedes (4-22-52).

JACOH, KARL E., National Fund Research Fellow in Pathology, in the College of Medicine, July 1-September 20, 1952, $500 (5-29-52).

KOUCKY, CHARLES J., National Fund Research Fellow in Pathology, in the College of Medicine, July 1-September 20, 1952, $500 (6-5-52).

MCKEAND, IRVIN J., Titanium Alloy Fellow in Ceramic Engineering, nine months beginning September 1, 1952, $1800 (6-3-52).

MYERS, JAMES D., National Fund Research Fellow in Bacteriology, in the College of Medicine, July 1-September 20, 1952, $500 (5-29-52).

NUITT, MICHAEL V., Union Carbide and Carbon Chemical Corporation Fellow in Mining and Metallurgical Engineering, one year beginning June 1, 1952, $840 (6-3-52).

Tu, PIN CHOW, Fellow in English, nine months beginning September 16, 1952, $800, supersedes (5-20-52).

RESIGNATIONS, DECLINATIONS, AND CANCELLATIONS

ADAMS, MRS. MARIE R., Instructor in Occupational Therapy, in the College of Medicine—resignation effective 6-1-52.

ADAMSON, LUCILE F., Assistant in Home Economics (S) — resignation effective 9-1-52.

BEYM, MRS. SHIRLEY, Assistant in Botany—resignation effective 9-16-52.

CAMPBELL, ROBERT, Assistant Professor of Economics—resignation effective 9-1-52.

CEDARLUND, EVELYNNE, Instructor in Home Economics (C) — resignation effective 9-1-52.

COLE, DOROTHY E. L., Assistant Teacher in the Nursery School, in the Division of Special Services for War Veterans—resignation effective 8-31-52.

COLE, DOROTHY E. L., to give instruction in the Nursery School, in the Division of Special Services for War Veterans, in the Summer Session of 1952—declination effective 6-13-52.

DAILY, EUGENE J., to give instruction in Civil Engineering in the Summer Session of 1952—declination effective 6-13-52.

DETHLEFS, MRS. BETTY A., Instructor in the Nursery School, in the Division of Special Services for War Veterans—resignation effective 8-31-52.

DUFNER, MAX, Instructor in German—resignation effective 9-1-52.

FOSTER, GEORGE R., Assistant Editor in the Engineering Experiment Station—resignation effective 9-1-52.

GIBSON, WILFREDA., Assistant Professor of Psychology—resignation effective 9-1-52.

HANS, CLARENCE L., JR., Instructor in Ophthalmology, in the College of Medicine—resignation effective 7-1-52.

HULL, WILLIAM R., Fellow in Geography—resignation effective 9-16-52.

HUNTINGTON, DOROTHY A., Postdoctoral Fellow in Speech, in the Graduate College—declination effective 9-16-52.

KUMMEL, BERNHARD, Associate Professor of Geology—resignation effective 9-1-52.

LEMMON, MARY L., Instructor in Home Economics Education—declination effective 9-1-52.

MEID, WILLIAM J., Assistant Professor of Ceramic Engineering (C) — resignation effective 9-1-52.

MOJE, WILLIAM, Research Assistant in Chemistry—resignation effective 7-1-52.

NOVOTNY, ALBERT J., Fellow in Surgery—declination effective 7-1-52.

ONGMAN, HARRY D., Research Assistant in Chemical Engineering (S) — resignation effective 6-30-52.

RHINES, RUTH, Instructor in Medicine, in the College of Medicine—resignation effective 7-1-52.

SHORE, FERDINAND J., Research Assistant in Physics (S) — resignation effective 5-16-52.

SOHL, NORMAN F., to give instruction in Geology in the Summer Session of 1952—declination effective 8-15-52.

STEIN, SEYMOUR, Assistant Professor of Psychiatry and Research Physiologist, in the Department of Psychiatry, in the College of Medicine—resignation effective 6-30-52.

VAWTER, GORDON F., Experimental Pathologist in the Aeromedical and Physical Environment Laboratory, in the Chicago Professional Colleges—resignation effective 7-1-52.

ZWEMER, JACK, Research Assistant in Bacteriology, in the College of Medicine—resignation effective 6-1-52.

LEAVES OF ABSENCE

CLARK, JOHN W., Clinical Assistant Professor of Radiology (Rush), in the College of Medicine—leave of absence, without salary, for one year beginning January 1, 1952, so that he may devote full time to graduate research at Argonne National Laboratory.
CRONBACH, Lee J., Professor of Education, in the Bureau of Research and Service — leave of absence, without salary, July 16-August 30, 1952, so that he may accept a teaching assignment at Teachers College, Columbia University.

HAGAN, Charles B., Associate Professor of Political Science — leave of absence, without salary, for the academic year beginning September 1, 1952, so that he may work for the Department of State during that period.

HARRIS, Warren S., Research Professor of Mechanical Engineering (S) — leave of absence, without salary, for two months beginning July 1, 1952, so that he may engage in consulting work during that period.

HOGAN, James D., Professor of Art — leave of absence, April 7-June 15, 1952, on account of disability.

MEGINNIS, Paul J., Instructor in Veterinary Clinical Medicine, in the College of Veterinary Medicine — leave of absence, with pay, July 15-September 15, 1952, so that he may carry on X-ray therapy studies at Cook County Hospital.

SCOVILL, Hiram T., Professor of Accountancy, and Head of the Department of Business Organization and Operation — leave of absence, with pay, June 9-August 5, 1952, so that he may attend the International Congress on Accounting in London and to consult with accounting authorities in various countries.

DEGREES CONFERRED IN JUNE, 1952

The Secretary presented for record the following list of degrees conferred at the Commencement Exercises at Urbana on June 15 and at the Chicago Professional Colleges on June 19.

Summary

Degrees in the Graduate College, conferred at Urbana:

- Doctor of Philosophy ........................................... 110
- Doctor of Education ........................................... 2
- Chemical Engineer ............................................ 1
- Mechanical Engineer ........................................... 1
- Master of Arts ................................................... 100
- Master of Science ............................................. 352
- Master of Music .................................................. 12
- Master of Education ........................................... 58
- Master of Social Work .......................................... 15
- Master of Fine Arts ............................................ 7
- Advanced Certificate in Education ........................... 4

Total, Graduate College ........................................... 662

Degrees in Law, conferred at Urbana:

- Bachelor of Science ........................................... 4
- Bachelor of Laws ................................................ 51
- Doctor of Law ................................................... 4

Total, Law .......................................................... 59

Baccalaureate Degrees, conferred at Urbana:

- Bachelor of Science, College of Agriculture .............. 230
- Bachelor of Science, College of Engineering .............. 265
- Bachelor of Science, College of Liberal Arts and Sciences 295
- Bachelor of Science, College of Liberal Arts and Sciences 358
- Bachelor of Science, Library School ........................ 8
- Bachelor of Science, College of Education .................. 107
- Bachelor of Science, College of Commerce and Business Administration 276
- Bachelor of Science, School of Journalism and Communications 81
- Bachelor of Architecture, College of Fine and Applied Arts 2
- Bachelor of Science, College of Fine and Applied Arts 121
- Bachelor of Fine Arts, College of Fine and Applied Arts 42
- Bachelor of Music, College of Fine and Applied Arts 6
- Bachelor of Science, School of Physical Education ....... 70
- Bachelor of Science, Division of Special Services for War Veterans 63

GRADUATE COLLEGE

Degree of Doctor of Philosophy

  In Accountancy
CHARLES LAWRENCE, B.S., University of Denver, 1943; M.S., University of Colorado, 1948
KWANG-CHI SIH, B.S., Chiao Tung University, 1946; M.S., 1950
WILLIAM ADOLPH TERRILL, B.B.A., B.S., University of Cincinnati, 1938, 1940
GLEN GIVENS YANKEE, A.B., Washburn College, 1939; A.M., 1941

  In Agricultural Economics
WILBUR DAHL BUDEMEIER, B.S., M.S., 1933, 1941
REX FELTON DALY, B.S., Utah State Agricultural College, 1938; M.S., University of Maryland, 1939
CARLOS CLIFTON ERWIN, A.B., Murray State College, 1939; M.S., University of Kentucky, 1948
RICHARD CHIEN-WEN KAO, B.S., M.S., 1949, 1950
THADDEUS JOSEPH OBA, B.S., M.S., 1948, 1949
FRANKLIN JACOB REISS, B.S., M.S., 1940, 1942
WILLIAM NEIL THOMPSON, B.S., M.S., 1941, 1942
WALTER JOE WILLS, B.S., M.S., 1936, 1937
In Agronomy
Dilip Kumar Banerjee, B.Sc., Calcutta University, 1943; B.S., M.S., Cornell University, 1947, 1948
Harold Wesley Gaugman, B.S., University of Maine, 1949; M.S., 1950
Jerome Clement Lyons, B.S., M.S., 1947, 1948
James Clemens Neill, B.S., Montmouth College, 1940; M.S., Iowa State College, 1948
William Max Ross, B.S., M.S., 1948, 1949
Fred Warren Slife, B.S., M.S., 1947, 1949

In Animal Nutrition
Pei-Hsing Lin, B.S., Ginling College, 1946; M.S., University of Massachusetts, 1949

In Animal Science
James Dillon Kemp, B.S., M.S., University of Kentucky, 1948, 1949
Myron William Pasvogel, B.S., M.S., 1936, 1949
Clarence Verl Ross, B.S., A.M., University of Missouri, 1938, 1948

In Bacteriology
Harlyn Odell Halvorson, B.S., M.S., University of Minnesota, 1948, 1949
Marcos Boris Rotman, Ch.E., Frederick Santa Maria Technical University, 1948
Raquel Berta Sussman, Chemistry and Pharmacy, University of Chile, 1944

In Botany
Robert August Evers, B.S., Kansas State College, 1933; M.S., 1941

In Ceramic Engineering
Arthur Leroy Friedberg, B.S., M.S., 1941, 1947

In Chemical Engineering
Richard Warring Kunstman, B.Ch.E., University of Delaware, 1948

In Chemistry
Donald Stanley Acker, B.S., Allegheny College, 1949
Eugene P. Bertin, Jr., B.S., M.S., 1948, 1949
Homer James Birch, B.S., Youngstown College, 1941; M.S., 1949
David Bruce Bright, B.Ch., University of Minnesota, 1949; M.S., 1950
David Wilcox Carley, A.B., Knox College, 1943; M.S., 1947
Kenneth George Clarke, A.B., University of Buffalo, 1949
Saul Mark Cohen, B.S., University of Massachusetts, 1948; M.S., 1949
Richard Cole, Ch.E., College of the City of New York, 1944; M.S., 1948
Henry Zuckert Friedlander, A.B., Oberlin College, 1948; M.S., 1949
Ralph Gher, Jr., A.B., M.S., 1948, 1949
Aaron Brown Herrick, A.B., Princeton University, 1947
Richard Leslie Hinman, A.B., Columbia University, 1949
John Edward McNamara, A.B., Knox College, 1947; A.M., 1949
John Reed Mills, A.B., A.M., University of Toronto, 1943, 1944
William Roger Peterson, A.B., Carroll College, 1949
Frederick Leigh Pundsack, B.S., 1949
Michael Mullen Robison, A.B., Reed College, 1949
Earle Stanley Scott, A.B., Reed College, 1949
Edward Alexander Siennicki, A.B., M.S., Syracuse University, 1941, 1948
Allen Byron Simon, B.S., College of the City of New York, 1947; M.S., 1948
John Morrow Stewart, B.S., Davidson College, 1948; M.S., 1950
Robert Floyd Vance, B.S., Otterbein College, 1949; M.S., 1950
Harlan Prince Wallingford, B.Ch.E., Cornell University, 1949
Robert Llewellyn Wixom, A.B., Earlham College, 1947
Owen York, Jr., A.B., Evansville College, 1948; A.M., 1950
In Civil Engineering
RALPH NORMAN MCLEAN, B.S., M.S., University of Alberta, 1942, 1946
JOSEPH LEE WATING, B.S., M.S., Purdue University, 1938, 1940

In Economics
ARTHUR TSUNG-YUAN LOH, A.B., St. John's University, 1945; M.S., 1949

In Electrical Engineering
MAHMOUD AHMAD EL-MELEH, B.S., Fouad First University, 1947; M.S., Ohio State University, 1949; M.S., 1950
YUEN-TZE Lo, B.E., National Southwest Associated University, 1942; M.S., 1949
JAMES EVANS ROBERTSON, B.S., Oklahoma Agricultural and Mechanical College, 1947; M.S., 1948
KURT KARL TOMAN, Diploma Engr., University of Technology, 1949
JAMES YETOW WONG, B.Sc., University of Manitoba, 1948; M.S., 1949

In English
LEADIE MAE CLARK, A.B., A.M., 1945, 1945
