MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

July 25, 1950

The July meeting of the Board of Trustees of the University of Illinois was held in the Illini Union Building, at the University, in Urbana, on Tuesday, July 25, 1950, beginning at 11 o'clock a.m., Central Daylight Saving Time, according to the following schedule:

11:00 a.m. — Executive session, Committee of the Whole.

2:00 p.m. — Open session.

The following members were present: President Williamson, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Dr. Meyer, Mrs. Watkins.

President Stoddard was present; also Provost C. R. Griffith, Dean C. C. Caveny, of the Chicago Undergraduate Division, Comptroller Lloyd Morey, Mr. H. O. Farber, Assistant Comptroller, Mr. J. F. Wright, Director of Public Information, and Mr. A. J. Janata, Secretary of the Board.
EXECUTIVE SESSION

MINUTES APPROVED

The Secretary presented the minutes of the meetings of May 19-20 and June 22, 1950.

On motion of Mr. Herrick, the minutes of May 19-20 were approved as printed on pages 1121 through 1174 above.

On motion of Mr. Fornof, the minutes of June 22, 1950, were approved as printed on pages 1175 through 1283, subject to amendments offered by members of the Board within thirty days, since these minutes were not available for examination until today's meeting.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following recommendations and reports presented by President Stoddard.

**LEAVE OF ABSENCE FOR DEAN LOUIS N. RIDENOUR**

(1) At its meeting on May 19-20, 1950 (Minutes, page 1122), the Board granted leave of absence without pay to Dean Louis N. Ridenour for the period July 1, 1950, to September 1, 1951, for services as Special Assistant to the Secretary of the Air Force, for Development. I have authorized a minor change to leave of absence without pay from September 1, 1950, to September 1, 1951, and request confirmation of this action.

On motion of Mr. Herrick, the President's action was confirmed.

**PATENT APPLICATION FOR BACON CURING PROCESS**

(2) The Director of the Agricultural Experiment Station reports that Mr. Verlin K. Johnson, Assistant in Animal Science, has developed a process for the curing of bacon which appears to be superior to the process now used by the meat packing industry.

The new process appears to have commercial promise. There is, however, some question regarding the novelty and patentability. The University Research Board recommends that a patent search be authorized, that a patent application be filed if there is definite possibility that the process is patentable, and that the Board of Trustees obtain right to any patent which may be granted. Ultimately the Board may wish to put the management of any such patent in the hands of the University of Illinois Foundation.

I concur in these recommendations. In the meantime, the Foundation's patent attorneys have begun investigating the patentability of the process.

On motion of Mr. Hickman, these recommendations were approved.

**PATENT OF MAGNETIC CORE DEVICE IN ELECTRONIC DIGITAL COMPUTER DESIGN**

(3) The Dean of the Graduate College and Chairman of the University Research Board reports a development in the design of the electronic digital computer which involves the use of magnetic core elements to replace vacuum tubes in computer designs. Their advantages over vacuum tubes are in their greater ruggedness, considerably longer life, and lower power consumption. It is likely that small computers can be built with such elements which would have many advantages over present designs which require vacuum tubes or crystal diodes. It is desirable to protect this development for the public, and this can best be done if the University is able to obtain a patent on this new use of the magnetic core device.

He recommends that the Board authorize a patent search to determine if there are prior claims in this field, and that application for a patent be authorized if it appears that the device is patentable.

I concur.
On motion of Mr. Livingston, authority was granted as requested, provided that the employment of a patent attorney shall be subject to approval by the Executive Committee of the Board.

**PURCHASE OF HOUSING FOR FACULTY**

(4) In 1947 and in 1948, the Board of Trustees authorized the purchase of thirteen residence properties in Urbana-Champaign for rental to members of the faculty. Two of these properties are adjacent to properties previously acquired by the University as areas needed for future campus expansion so that those two acquisitions will serve a dual purpose.

It is desirable to extend this acquisition policy in order to provide additional housing needed for staff members who are joining the staff of the University September, 1950. Accordingly, I am recommending that the Board authorize the purchase of the following properties at the prices indicated:

<table>
<thead>
<tr>
<th>Purchase Price</th>
<th>Appraisal</th>
</tr>

<tbody>
<tr>
<td>920 W. Charles Street, Champaign</td>
<td>$16,500</td>
</tr>
<tr>

<td>$18,250</td>
</tr>
<tr>
<td>1704 S. Race Street, Urbana</td>
<td>$22,000</td>
</tr>
</tbody>
</table>

Estimated amount required for minor alterations and repairs: $1,250

Total appropriation required: $58,000

On motion of Dr. Meyer, these purchases were authorized and an appropriation of $58,000 was made from the General Reserve Fund by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Dr. Meyer, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mr. Stevenson.

At this time, Mr. Livingston took his place with the Board.

**USE OF UNIVERSITY PREMISES FOR POLITICAL MEETINGS**

(5) At the meeting of the Board of Trustees on April 19, 1950 (Minutes, page 1068), I presented a proposal that University buildings and facilities in communications be made available to candidates for state and national offices from political parties recognized by the state of Illinois and to other responsible political speakers, subject to the approval of the President of the University. We have as a basis for this proposal a resolution of the Student Senate, endorsed by the All-University Forum Committee, that the present policy of the University, established by the Board in 1890, that "University buildings and grounds be not used for political purposes" be rescinded.

The Board referred this proposal to its Committee on General Policy; later the Committee on Buildings and Grounds was also asked to consider the matter since all members of the General Policy Committee are also on the Committee on Buildings and Grounds.

The President of the Board requested the President of the University to inquire into the practices of other universities. Accordingly, on April 22, an inquiry was sent to presidents of universities in the Association of American Universities. This is a representative group, including thirty-five universities in the United States and one in Canada. Twenty are private and sixteen are state universities. A report summarizing the replies received from these institutions was made to the President of the Board. On his request it was sent to all of the other members of the Board under date of May 26, 1950.

On April 26, 1950, the Chairman of the Committee on General Policy requested the Secretary of the Board to inquire into the practices and policies of all state universities. The Secretary of the Board addressed an inquiry to sixty-two state universities and colleges, selecting them from the membership of the Association of Governing Boards of State Universities and Allied Institutions.
A report of his survey was sent to members of the Board on June 19, 1950.

The survey made by the President of the University indicates that of the thirty-six universities in the Association of American Universities, twenty-six (nine state and seventeen private) institutions permit candidates for elective office to speak on their campuses and ten (five private and five state, including the University of Illinois) do not permit such use of their facilities.

The Secretary of the Board received sixty-one replies to his inquiry addressed to the members of the Association of Governing Boards of State Universities and Allied Institutions. His survey indicates that thirty-six permit the use of their facilities for addresses by candidates for political offices and twenty-five do not.

Consolidating the data from both surveys, and eliminating duplications (some of the members of the Association of American Universities are also members of the Association of Governing Boards of State Universities and Allied Institutions), we find that of the eighty-six colleges and universities replying to the inquiries, fifty-five permit candidates for political offices to speak on their campuses under specified conditions and official sponsorship and thirty-one do not. (If only the state institutions are counted, thirty-eight permit such use of their buildings and twenty-six do not.)

This group of institutions is a representative sampling of the colleges and universities in the United States as a whole. It includes all of the state universities and colleges (with the exception of normal schools and teachers' colleges) and the outstanding privately endowed universities.

Mr. Herrick for the Committee on General Policy reported that the Committee recommends that the present policy of the University, established in 1890, be continued.

After extended discussion of this matter, on motion of Dr. Meyer, the Board voted to concur in the recommendation of the Committee on General Policy.

CASE OF THOMAS R. ALLEN

(6) On May 19, 1950 (Minutes, page 1124), the Board received a report from the Director of Nonacademic Personnel that, under Civil Service law and rules, written charges as grounds for request for discharge had been filed against Thomas R. Allen, Storekeeper in the Department of Chemistry at the Chicago Undergraduate Division of the University of Illinois. Under established procedure Mr. Allen had been suspended on May 4, 1950, pending the hearing of these charges.

By authority of the Board, President Williamson appointed Frank T. Maher, Professor of Pharmacognosy and Pharmacology, Head of the Department, and Assistant Dean of the College of Pharmacy, Warren O. Brown, Dean of Men and Counselor in the Division of Special Services for War Veterans, and Clarence I. Carlson, Associate Professor of General Engineering Drawing and Head of the Department, Chicago Undergraduate Division, a committee to hear these charges and to make recommendations to the Board as to subsequent action. The report of the committee is submitted herewith.

On motion of Mrs. Holt, the Board voted (1) that it concurs in the findings of fact, conclusions of law, and recommendations of the hearing committee, (2) that the employee, Thomas R. Allen, be discharged as of May 4, 1950, and (3) that this decision of the Board be certified to the appointing officer and be enforced by him.

DELEGATION OF SIGNATURE

The Secretary presented the following:

The Board of Trustees on March 14, 1950 (Minutes, page 1042), adopted a resolution authorizing the President and the Secretary of the Board to delegate the signing of their names to vouchers against the State Auditor and warrants on the University Treasurer. In view of the change in the secretaryship it is requested that the following resolution be adopted:

Resolved, that the Secretary of the Board of Trustees is authorized to delegate to Maude Archdeacon and to Helen L. Smith in Urbana, and to G. R. Moon, to Ethel Engeljohn, to Helen Wyle, and to Velma M. Davis in Chicago,
authority to sign his name as Secretary of the Board of Trustees to vouchers against the State Auditor and to warrants on the University Treasurer, covering vouchers approved in accordance with regulations of the Board, and to contracts and other documents requiring execution in his absence. The Secretary of the Board of Trustees is authorized to delegate to Mrs. Freda M. Hicks and to Lean C. Ryan in Springfield, authority to sign his name as Secretary of the Board of Trustees on vouchers against the State Auditor approved in accordance with the regulations of the Board. And be it further:

Resolved, that the First National Bank of Chicago as a designated depositary of Irvin L. Porter, Treasurer of this corporation, be and it (including its correspondent banks) is hereby requested, authorized, and directed to honor checks, drafts, or other orders for the payment of money drawn in this corporation's name, including those drawn to the individual order of any person or persons whose name or names appear thereon as signer or signers thereof, when bearing or purporting to bear the facsimile signatures of the two following: Kenney E. Williamson, President, and A. J. Janata, Secretary; and the First National Bank of Chicago (including its correspondent banks) shall be entitled to honor and to charge this corporation for all such checks, drafts, or other orders, regardless of by whom or by what means the facsimile signature or signatures thereon may have been affixed thereto, if such facsimile signature or signatures resemble the facsimile specimens duly certified to or filed with the First National Bank of Chicago by the Secretary or other officer of this corporation. And be it further:

Resolved, that the Auditor of Public Accounts is hereby authorized and directed to honor vouchers bearing facsimile signatures of the President and the Secretary of the Board of Trustees of the University of Illinois if such facsimile signatures resemble the facsimile specimens duly certified to or filed with the Auditor of Public Accounts by the Secretary.

On motion of Mr. Livingston, this resolution was adopted.

OPEN SESSION

When the Board convened in open session after luncheon recess, the same members and officers were present as during the forenoon session. The Board resumed consideration of the following reports and recommendations from the President of the University.

INTERNAL OPERATING BUDGET FOR 1950-1951

(1) I present the University's internal operating budget for all divisions and funds for the fiscal year beginning July 1, 1950, and for academic and administrative appointments beginning September 1, 1950. This budget has been prepared by the Provost and the Comptroller in accordance with policies approved by the President and in conference with deans, directors, and other administrative officers.

I recommend that:

1. This budget, covering the allocation of the University's operating income from all sources for the year beginning July 1, 1950, be approved.

2. The President of the University be authorized, in accordance with the needs of the University and the equitable interests involved and within total income, to (a) make such changes and adjustments as are needed, (b) make such additional appointments as are necessary, subject to the provisions of the University Statutes, and (c) accept resignations. All such changes will be covered in the Comptroller's quarterly financial reports, or in reports to the Board by its Secretary.

The budget was discussed by the President, the Provost, the Comptroller, and members of the Board.

On motion of Dr. Meyer, this budget was approved, the appropriations were made, and authority was granted, as requested, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Dr. Meyer, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. McLaughlin, Mr. Nickell, Mr. Stevenson.

The complete budget as approved is printed in full in the appendix, page 48.
INTERNAL BUDGET OF ATHLETIC ASSOCIATION FOR 1950-1951

(2) The Director of Intercollegiate Athletics submits, on behalf of the Board of Directors of the Athletic Association, the budget of the Association for 1950-1951 which is summarized as follows with comparative figures for the preceding year:

<table>
<thead>
<tr>
<th></th>
<th>1949-1950</th>
<th>1950-1951</th>

<td>(806 009)</td>
</tr>
<tr>
<td>Excess of income over expenditures</td>
<td>$14 901</td>
<td>$-50 702</td>
</tr>
</tbody>
</table>

On July 1, 1949, the Athletic Association had a net operating surplus of $147,877. It is estimated that on June 30, 1950, the operating surplus will be $48,767.

The budget has been examined by the Provost and the Comptroller; those salaries paid jointly by the Athletic Association and the School of Physical Education have been approved by the Director of the School of Physical Education.

The budget includes a provision of $10,394 to be allocated by the Board of Directors for contingency expenditures not to exceed $1,000 for any one item.

I recommend that this budget be approved and that the President of the University be authorized to make such changes and adjustments, including approval of new appointments and acceptances of resignations, as are necessary and recommended by the Board of Directors of the Athletic Association within the total income realized.

Copies of this budget have been filed with the Secretary and the Comptroller of the Board.

On motion of Mr. Herrick, this budget was approved.

APPOINTMENT OF LAURA J. HUELSTER AS HEAD OF THE DEPARTMENT OF PHYSICAL EDUCATION FOR WOMEN

(3) The Director of the School of Physical Education recommends the appointment of Dr. Laura J. Huelster, now Associate Professor and Acting Head of the Department of Physical Education for Women, as Associate Professor and Head of the Department on indefinite tenure beginning September 1, 1950, at an annual salary of $6,500, services to be required during the two semesters of the regular academic year.

I concur in this recommendation.

On motion of Mrs. Holt, this appointment was made as recommended.

APPOINTMENT OF C. J. BIRKELAND AS HEAD OF THE DEPARTMENT OF HORTICULTURE

(4) The Dean of the College of Agriculture and Director of the Agricultural Experiment Station recommends the appointment of Dr. C. J. Birkeland, now Acting Head of the Department of Horticulture, as Professor and Head of the Department of Horticulture on indefinite tenure effective September 1, 1950, at a salary of $9,000 a year on a twelve months' basis.

I concur.

On motion of Dr. Meyer, this appointment was made as recommended.

**Total** | $134,000

Except as indicated in items 1 and 11, it is recommended that these assignments be made from the General Reserve Fund.

I concur.

On motion of Mrs. Watkins, these appropriations were made as recommended by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Dr. Meyer, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. McLaughlin, Mr. Nickell, Mr. Stevenson.

### APPROPRIATION FOR REMODELING OF NATURAL HISTORY BUILDING

(8) The Board of Trustees has authorized the construction of a new stair well in the Natural History Building to eliminate one of the fire hazards in that building, and a contract for this has been let. Construction of a new stair well deprives the Department of Physiology of some laboratory space which is essential for graduate study. However, space elsewhere in this building can be converted into satisfactory laboratory facilities at an estimated cost of $4,000 for the remodeling and $2,500 for the equipment.

I recommend that an appropriation of $6,500 be made from the General Reserve Fund for this purpose.

On motion of Mr. Livingston, this appropriation was made by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Dr. Meyer, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. McLaughlin, Mr. Nickell, Mr. Stevenson; and a change in the contract with C. A. Petry and Sons, Champaign, for the construction of the new stair well was authorized to include remodeling required to provide laboratory facilities for the Department of Physiology.
ADDITIONS TO ELECTRICAL DISTRIBUTION SYSTEM AT CHICAGO PROFESSIONAL COLLEGES

(9) Extension of the electrical distribution system at the Chicago Professional Colleges will be necessary to service the new hospital additions now under construction and other buildings, such as student residence halls and the new Pharmacy Building, to be constructed in the future. The state appropriations made to the University for the biennium, 1949-1951, for permanent improvements at Chicago include $200,000 for “Construction of Utility Distribution System and Remodeling of Existing Buildings.”

The Director of the Physical Plant has studied this problem in consultation with Sargent and Lundy, Consulting Engineers, Chicago, and the Commonwealth Edison Company. A report of this study is submitted herewith. It suggests three alternates based on various methods of distribution of capital cost and of billing. The most advantageous plan, known as “multiple service and combined billing,” will require the lowest immediate capital expenditure, $31,700, and a total ultimate capital expenditure, allowing for future developments, of $249,800. It would result in an immediate saving in operating costs of $17,900 and an ultimate saving of $80,682. The added capital outlay is amortized in approximately three years.

The Director of the Physical Plant and the Comptroller recommend this plan of purchasing additional electrical service be authorized and that an appropriation of $31,705 be made for “excess facility charges” to be payable to the Commonwealth Edison Company of Chicago from the state appropriation for “Construction of Utility Distribution System and Remodeling of Existing Buildings,” subject to the release of funds by the Governor.

I concur.

On motion of Mr. Fornof this plan was authorized, and an appropriation of $31,705 was made from the state appropriation for “Construction of Utility Distribution System and Remodeling of Existing Buildings” by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Dr. Meyer, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. McLaughlin, Mr. Nickell, Mr. Stevenson.

CONTRACT FOR REMODELING IN ILLINI UNION BUILDING

(10) The Director of the Physical Plant and the Comptroller recommend award of a contract for $5,985 to C. A. Petry and Sons, Champaign, the lowest bidder, for the construction and installation of window and door closing partitions at the fourth floor level of the two public stairs in the Illini Union Building. This improvement will aid in the ventilation of the fourth floor guest rooms and will contribute to the comfort of guests by the elimination of building noises and control of traffic in this area.

Funds are available in surplus resulting from Illini Union Building operations. I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Herrick, authority was given as recommended.

CONTRACT FOR REMODELING OF HEATING SYSTEM IN DAVID KINLEY HALL

(11) The Director of the Physical Plant and the Comptroller recommend the award of a contract for $6,100 to Gallaher and Speck, Inc., Chicago, the lowest bidder, for remodeling of the heating system in David Kinley Hall. The present heat exchangers are worn out and must be replaced. This improvement will also increase the capacity of the exchangers and will provide better heating in the building.

Funds are available in the Physical Plant Department budget for this improvement.

1 This report has been filed with the Secretary as a matter of record.
I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, authority was given as recommended.

CONTRACTS FOR POWER PLANT ADDITION

(12) The Director of the Physical Plant and the Comptroller recommend award of contracts for the erection of the turbine generator and for the installation of all necessary piping in the addition to the Abbott Power Plant at Urbana as follows:

Erection of turbine generator — General Electric Co., Chicago.................. $7,000
Piping systems to include the furnishing and installation of the steam, water, condensate, compressed air, turbine oil, fuel piping, and equipment — William A. Pope Co., Chicago.......................... 104,289

These are the lowest bidders on each contract.

Funds are available in the state appropriation "For Permanent Improvements in Champaign-Urbana — Addition to Power and Heating Plant and Remodeling of Existing Buildings."

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts, subject to the release of funds by the Governor.

On motion of Dr. Meyer, authority was given as recommended.

CONTRACTS FOR CONSTRUCTION OF BRICK CHIMNEY FOR POWER PLANT ADDITION

(13) The Director of the Physical Plant and the Comptroller recommend the award of contracts for the construction of a brick chimney and foundation for the addition to the Abbott Power Plant at Urbana.

E. N. DeAtley, Champaign — Foundation.............................. $15,000
Custodis Construction Company, Inc., Chicago — Chimney.................. 41,500
Inspection of present concrete chimney and recommendations for repairing same.................................................. 600

$42,100

These are the lowest bidders on each contract.

Funds are available in the state appropriation "For Permanent Improvements at Champaign-Urbana — Addition to Power and Heating Plant and Remodeling of Existing Buildings."

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts, subject to the release of funds by the Governor.

On motion of Mr. Herrick, authority was given as recommended.

CONTRACT FOR POWER PLANT PIPING INSULATION

(14) The Director of the Physical Plant and the Comptroller recommend the award of a contract for $9,789 to Jamar-Olmen Company, Chicago, the lowest bidder, for the insulation of all piping for the new turbine generator at the Abbott Power Plant in Urbana, and insulation for piping for the oil firing of two existing boilers.

Funds are available in the state appropriation "For Permanent Improvements at Urbana-Champaign — Additions to Power and Heating Plants and Remodeling of Existing Buildings."

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract subject to release of funds by the Governor.

On motion of Dr. Meyer, authority was given as recommended.

CONTRACTS FOR UTILITIES DISTRIBUTION SYSTEM

(15) The Director of the Physical Plant and the Comptroller recommend award of contracts as follows for two additional divisions of the Utilities Distribution System construction program at Urbana:

Modernization of transformer vaults at Davenport Hall and the Natural History Building — Anderson Electric, Inc., Danville.................. $18,778
Electrical distribution system cable, load center equipment, and miscellaneous work incidental to the construction of the Animal Sciences Laboratory and Veterinary Medicine Building — Square Deal Electric, Urbana. ................................................................. 79 248

These are the lowest bids on each project.
Funds are available in the state appropriation for "Construction of extensions to the Utility Distribution System" at Urbana-Champaign.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts, subject to the release of funds by the Governor.

On motion of Mr. Hickman, authority was given as recommended.

CONTRACT FOR THE INSTALLATION OF STEEL ROLLING SHUTTERS IN THE RESEARCH AND EDUCATIONAL HOSPITALS, CHICAGO

(16) The Director of the Physical Plant and the Comptroller recommend the award of a contract for $8,975 to Perry Construction Company, Chicago, the lowest bidder, for the installation of steel rolling shutters in the Research and Educational Hospitals, Chicago.

The installation covers fire doors at five different locations:
Between Illinois Surgical Institute and Institute for Juvenile Research, the basement, first, second, third, fourth, and fifth floors.
Between the general hospital and the second unit of the Dentistry, Medicine, and Pharmacy Building, first floor.
Intersection of the east and west tunnel with main tunnel.
Intersection of tunnel and the Illinois Neuropsychiatric Institute basement.
Tunnel entrance to Nurses Home.

Funds are available in the Physical Plant Department budget for this work.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, authority was given as recommended.

CONTRACT FOR SURFACING OF DRIVES

(17) The Director of the Physical Plant and the Comptroller recommend award of contracts as follows:
For resurfacing of McKinley Hospital parking area, a section of the entrance drive, and construction of concrete curb — Champaign Asphalt Company, Champaign .......................................................... $3 060 90
For resurfacing of streets in the Parade Ground area — Illiana Construction Company, Urbana .................................................. 10 282 89

These are the lowest bids for each job.
Funds are available for these improvements.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute these contracts.

On motion of Mr. Livingston, authority was given as recommended.

CONTRACT FOR SURFACING OF DRIVES IN SMALL HOMES COUNCIL STAFF HOUSING RESEARCH PROJECT AREA

(18) When the Small Homes Council Staff Housing Research Project was completed in 1949, it was not possible to finish surfacing all driveways before cold weather, and only the rock base was installed.

Bids were invited on three methods of surfacing and finishing these drives. Only two bids were received, both of them on hot-mix asphalt application:
Champaign Asphalt Company, Champaign ......................................... $4 175
McCalman Construction Company, Danville ..................................... 5 500

The prices include widening of drives at curves where difficulty has been experienced by tenants.

The Director of the Physical Plant and the Comptroller recommend the award of a contract for $4,175 to the Champaign Asphalt Company. An appropriation from the general funds of the University is necessary.
I recommend an appropriation of $4,175 be made and that the Comptroller and the Secretary of the Board be authorized to execute the above contract.

On motion of Mrs. Holt, this authority was given as recommended, and an appropriation of $4,175 was made from the General Reserve Fund by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Dr. Meyer, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. McLaughlin, Mr. Nickell, Mr. Stevenson.

SOUTH BROADWAY SANITARY SEWER INTERCEPTOR

(19) The city of Urbana proposes to expand the sewer in the area of South Broadway and has requested the participation of the University in line with the existing policy of participation when the University receives benefit. The estimated cost to the University for this expansion will not exceed $2,000. By the expansion of this sewer, the University would be protected in any future development in the area south of Florida Avenue and west of Race Street.

This request is reasonable and the Director of the Physical Plant and the Comptroller recommend an appropriation of $2,000 to pay the University's share of the total cost.

I recommend this appropriation be made, and that the Comptroller and the Secretary of the Board be authorized to enter into an agreement with the city of Urbana covering University participation in the improvement.

On motion of Mr. Livingston, authority was given as recommended, and an appropriation of $2,000 was made from the General Reserve Fund by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Dr. Meyer, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. McLaughlin, Mr. Nickell, Mr. Stevenson.

ADDITION TO CONTRACT FOR ENGINEERING SERVICES

(20) On February 16, 1950 (Minutes, page 999), the Board of Trustees awarded a contract to Graham, Anderson, Probst, and White, Inc., Chicago, for engineering services on improvements in the electrical distribution system to several buildings at Urbana. Davenport Hall was included in the group of buildings in this contract. Additional work on this building, not originally contemplated when the contract was let, is necessary due to the placement of the Radiocarbon Laboratory in this building. The additional services required are on the working drawings and specifications for the installation of 150 h.p. of refrigeration motor load.

The Director of the Physical Plant and the Comptroller recommend an increase of $1,500 in this contract to provide for these additional services.

Funds are available. I concur and request that the Comptroller be authorized to execute this change in the contract.

On motion of Dr. Meyer, authority was given as recommended.

ADDITION TO HEATING CONTRACT FOR CONSTRUCTION IN EAST CHEMISTRY BUILDING

(21) The heating system of the East Chemistry Building was installed in four zones to permit better control. It has been found desirable to subdivide one of these zones so that the animal quarters for the Bio-Chemistry Division will be on an independent distribution system because heat must be supplied throughout the year. The present installation would require maintaining steam in one-fourth of the building to provide heat for the animal rooms.

The Director of the Physical Plant and the Comptroller recommend an addition of $5,808.53 to the contract with the Carson-Payson Company, Danville, for the heating installations in this building to provide for this additional improvement which will consist of a separate steam line and return to the convectors in the animal quarters from steam mains in the basement. Funds are available.
in the state appropriation for the construction of the East Chemistry Building. I concur and recommend that the Comptroller be authorized to execute this change in the contract.

On motion of Mrs. Watkins, authority was given as recommended.

**CHANGE IN GENERAL CONTRACT FOR CONSTRUCTION OF VETERINARY MEDICINE BUILDING**

(22) In awarding a contract for $701,859 to the John Felmley Company for the general work in the construction of the Veterinary Medicine Building, credit was taken for two alternates on recommendation of the Physical Plant Department, viz: Substitution of "knob and rose" type of door hardware for escutcheon plates — deduct $1,264. Substitution of "Integra Locks" for those specified — deduct $847.

The contractor specified that either one, but not both, alternates could be taken so that it was incorrect to take credit for both deductions. The "Integra Lock" is a better lock for this particular building than that specified by the architects in the base bid and the Physical Plant Department recommends that it be used. However, this choice will not permit acceptance of the credit for the substitution of "knob and rose" type door hardware for escutcheon plates; and the contract should be amended by restoring the $1,264 deducted for the first alternate. Even with this adjustment the John Felmley Company is still the lowest bidder.

The Director of the Physical Plant and the Comptroller recommend that the contract be amended accordingly.

I concur and request that the Comptroller be authorized to execute this change.

On motion of Mr. Livingston, authority was given as recommended.

**VETERANS ADMINISTRATION INSTRUCTIONAL CONTRACT**

(23) On November 29, 1949, the Board of Trustees was advised of difficulties which had arisen with the Veterans Administration. That agency had insisted on making a deduction from its instructional contracts with the University of Illinois and other land-grant institutions for funds paid under the original Land-Grant Act and supplementary laws. Repeated efforts to get the Administrator to change this action being of no avail, the Association of Land-Grant Colleges and Universities, with the support of other national educational organizations, requested Congress to pass legislation which would make such deductions impossible. Such legislation has been passed and approved by President Truman.

The Veterans Administration is now prevented from applying as a credit to any payment to educational institutions for a specific purpose, any funds appropriated for other purposes under other acts. It further prevents the Administrator from seeking credit for any non-federal funds, including state funds, in any similar manner.

Estimated adjustments in amounts paid, or payable in future, to the University under its contracts, from the inception of the program through the life of the G. I. law, may reach $500,000. This represents the amount the University may gain by the passage of this legislation.

The importance of this action by Congress, however, extends beyond present relationships. A vital principle has been protected, namely, the integrity of appropriations made for general educational purposes. Such appropriations are exempted from application to specific special contracts and operations.

Comptroller Morey was the first institutional officer to call attention to the effects and implications of the actions of the Veterans Administration. With my encouragement, he worked steadily to secure the support of the Land-Grant Association, which eventually was given unanimously and enthusiastically. He also was one of the witnesses before congressional committees. That the testimony of the various witnesses was impressive is indicated by the record of discussion and action in both houses. The University, therefore, may feel that its efforts have been rewarded.

As in the past, we shall continue to cooperate fully with the Veterans Administration.

This report was received for record.
CONTRACT FOR CONSTRUCTION OF PARKING LOTS

The Director of the Physical Plant and the Comptroller recommend the award of a contract to the Champaign Asphalt Company, Champaign, the lowest bidder, for the construction of parking lots, using asphalt for surfacing, as follows:

- 601 East John Street, $7,099.23
- 1108 West Green Street, $6,691.95

Funds are available.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

The proposed parking lots are in areas of critical need for such facilities. The expansion of the lot at 1108 West Green Street will serve the Student and Staff Apartments at Goodwin Avenue and Green Street.

On motion of Dr. Meyer, authority was given as recommended.

CONTRACT FOR PURCHASE OF COAL FOR URBANA-CHAMPAIGN DEPARTMENTS

Bids have been solicited on uniform specifications for 40,000 tons coal screenings to be delivered as required during the period from September 1, 1950, to May 31, 1951.

The Director of Purchases and the Comptroller recommend that a contract be awarded to the Republic Coal and Coke Company of Chicago, the lowest bidder, for 1½" washed screenings coal to be furnished from their mine located near Danville, Illinois, at a cost of $3.95 f.o.b. mine, freight $.99, total $4.94, estimated total cost $197,600.

The lowest bid is determined by the number of British Thermal Units for one cent based on guaranteed analyses. A continuous check at the Power Plant is provided to insure compliance with specifications.

The contract is subject to approval by the Governor.

I concur in the recommendation and request that the contract be awarded accordingly.

On motion of Mrs. Holt, this contract was awarded as recommended.

PURCHASES

The Director of Purchases has proposed and the Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest bid.

I concur.

Edward L. Ryerson Traveling Fellowships in Architecture and Landscape Architecture

(28) Mr. Edward L. Ryerson of Chicago has offered to transfer to the Board of Trustees of the University, the assets of the Edward L. Ryerson Traveling Fellowship Foundation, an Illinois not-for-profit corporation, to be held in trust upon the following terms:

The income and to the extent determined by the Board of Trustees the principal of the trust property, and reinvestments thereof, shall be used to award Edward L. Ryerson Traveling Fellowships in Architecture and Landscape Archi-
tecture, the number, frequency, and size of the awards and the manner of selection of the recipients to be determined by the Board of Trustees; provided (1) that the principal shall be used during a period of twenty-five years from the date of the transfer only with the unanimous approval of the Board of Trustees, (2) that recipients may in the discretion of the Board of Trustees be limited to students or graduates of the University but only for so long a time as the University continues to have a large and representative body of students of Architecture and Landscape Architecture, and (3) that if the University of Illinois discontinues its schools of Architecture and Landscape Architecture, any remaining portion of the property will be transferred to another institution having one or both of such schools, to be used for similar purposes.

A schedule of the Foundation's assets, represented by securities and cash totaling $84,500, is attached hereto; copies are being given to the Comptroller and the Secretary of the Board for record.

I have accepted this offer on behalf of the Board of Trustees and request confirmation of this action.

On motion of Dr. Meyer, the following resolution was adopted:

The Board of Trustees of the University of Illinois has received the offer of Mr. Edward L. Ryerson, distinguished citizen of Chicago, Illinois, on behalf of the Edward L. Ryerson Traveling Fellowship Foundation to transfer to the custody of the Board of Trustees the assets of the Foundation to be used for awards of Edward L. Ryerson Traveling Fellowships in Architecture and Landscape Architecture.

The Board confirms the action of the President of the University in accepting this generous offer under the terms and conditions specified by the donor which will be made a matter of permanent record in the transactions of the Board.

In taking this action the Board of Trustees also desires to record its appreciation of Mr. Ryerson's splendid gift. It directs that this resolution be spread upon the minutes of this meeting and that a copy of it be sent to Mr. Ryerson as a formal expression of the Board's gratitude.

ARTHUR M. BUSWELL MEMORIAL FUND
(29) On May 14, 1938 (Minutes, page 812), the Board of Trustees accepted a gift of one share of American Telephone and Telegraph stock from Professor and Mrs. Arthur M. Buswell as a memorial to their late son, Arthur. The book value of this gift is $177.31.

The terms of the gift provided that the income was to be used for the purchase of books for the University High School Library unless and until the Board of Trustees deemed it advisable to put such funds to more appropriate use. Such income amounts to less than $10.00 a year, and the Principal of the University High School and the Comptroller recommend that the fund be converted into cash and the entire amount be used to purchase books for the high school, such books to be suitably identified to indicate the purpose of the gift. The donors have been consulted and their approval of the use of the fund for this purpose has been secured.

Approval of the Board of Trustees is necessary for such use of these funds, and is, therefore, requested.

On motion of Mr. Fornof, authority was granted as requested.

RESOLUTIONS OF THE ILLINOIS PHARMACEUTICAL ASSOCIATION
(30) The following is a text of resolutions adopted at the Seventieth Annual Convention of the Illinois Pharmaceutical Association in Chicago on May 24, 1950:

WHEREAS, the best available statistics for 1949 indicate that the number of active practicing registered pharmacists in the State of Illinois is 6,700, and

WHEREAS, the most recent statistics indicate that the number of active assistant registered pharmacists in the State of Illinois is 663, and

WHEREAS, the additional number of assistant registered pharmacists is now restricted to a few qualified G.I.'s, and the closing date for such examinations is July 1, 1951, and
WHEREAS, registered pharmacists will be needed in the future to replace the total number, and

WHEREAS, the most recent estimate of replacements required is 3.1 per cent of a total of 7,363 full registered and assistant registered pharmacists, which signifies a need for 228 newly trained, full registered pharmacists in the State each year, and

WHEREAS, this figure does not take into consideration the making up of the current national shortage of competent registered pharmacists, as well as the replacement factor more than a total of 228 registered pharmacists in the State each year, indefinitely, and

WHEREAS, the University of Illinois does not have adequate facilities to train and teach a sufficient number of students in pharmacy, medicine, dentistry, and nursing, nor a sufficient number of graduate students qualifying them for teaching and research, and

WHEREAS, the University of Illinois offers the only curriculum in pharmacy in the State of Illinois, and

WHEREAS, while some of the pharmacy colleges in nearby states have in the past educated pharmacists for practice in the State of Illinois, the nearby state institutions having colleges of pharmacy do not now accept students from Illinois, devoting their facilities to residents of their own state; therefore, be it

Resolved: That the Illinois Pharmaceutical Association recommend to the President of the University and the Board of Trustees that facilities be established to graduate 200 pharmacists each year. Be it further

Resolved: That the Illinois Pharmaceutical Association concur in and support the proposal of the University of Illinois Building Committee to establish this building unit at an estimated cost of $6,000,000, including $900,000 for equipment, to further the adequate development of pharmaceutical education in this State, and at the same time alleviate the urgent need of space and facilities for the teaching of medicine, dentistry and nursing.

WHEREAS, the Chicago Professional Colleges of the University of Illinois are located in an area defined by the Chicago Park Planning Commission as distinctly a slum area, composed of many uninhabitable structures or buildings of such character as should be condemned for use, or encumbered by the close infringement of low-grade industry, and

WHEREAS, the only housing facility now available for the students and staff of the Colleges of Medicine, Dentistry, Pharmacy, and Nursing is represented by the West Side Professional Schools YMCA, which is only temporarily available, and

WHEREAS, students from outside of the City of Chicago have been unable to secure any living quarters, and thus have been deprived of attending these colleges, even though their qualifications might have admitted them and

WHEREAS, even staff members have found it impossible to secure housing for their families, and have left the institution; therefore, be it

Resolved: That the Illinois Pharmaceutical Association recommend to the President of the University and the Board of Trustees that due consideration be given to the establishment of adequate housing facilities for students immediately, in order that this disgraceful situation may be corrected; and be it further

Resolved: That the members of the Illinois Pharmaceutical Association, in convention assembly, hereby endorse the recommendations of the Advisory Committee, and pledge themselves, individually and collectively, to employ every means of legitimate influence in the immediate consummation of this important task; and be it further

Resolved: That copies of these resolutions be transmitted to Dr. A. C. Ivy, Vice-President in charge of the Chicago Professional Colleges; Dr. George D. Stoddard, President of the University of Illinois; Mr. Kenney E. Williamson, President of the Board of Trustees, and such other State and government officials whose assistance will be required in the consummation of these projects.

These above resolutions were adopted at the Annual Convention of the Illinois Pharmaceutical Association, on Wednesday, May 24th, 1950.

This resolution was received for record.
WATER RESOURCES BUILDING

(31) The Board of Natural Resources and Conservation requests that the new building being constructed on Springfield Avenue for the State Water Survey Division be named "Water Resources Building."

I concur.

On motion of Dr. Meyer, this name was approved.

ADVISORY COMMITTEE FOR THE COLLEGE OF COMMERCE
AND BUSINESS ADMINISTRATION

(32) For fifteen years, the College of Commerce and Business Administration has had a number of advisory committees of business and professional men selected from the business fields represented in the College educational program. At one time there were twelve of these committees with a total personnel of over one hundred. They were inactive. Most of them never met and were not called upon for service.

Last year the Dean set out to reactivate and reorganize these committees. As a first step, these committees were reduced in size to a total personnel of fifty. This spring all members were invited to a meeting at Allerton Park. A substantial number attended and a profitable two-day session was held to discuss the educational program of the College of Commerce. The attendance at this meeting also indicated which members of the older committees were still interested in serving.

The Dean recommends that in the future the College have a single advisory committee which will meet regularly once a year. He has invited the more active and interested members of the former committees to become members of the single new committee. He has also invited a number of business and professional men who have not previously had any connection with the College to join the new committee. He recommends that the former committees be replaced by a single "Advisory Committee of the College of Commerce and Business Administration," and he nominates the following for membership:

- WALDO AMES, Partner, Moore, Case, Lyman, and Hubbard
- J. C. ASPLEY, President, The Dartnell Corporation
- WILLIAM BLACKIE, Vice-President, Caterpillar Tractor Company
- H. W. BURRITT, President, The Eureka Williams Corporation
- K. D. CARPENTER, President, Middle West Service Company
- FRANZY EAKIN, Vice-President, A. E. Staley Manufacturing Company
- WILLIAM M. EDENS, Assistant Comptroller, Continental Illinois National Bank
- T. W. EDWARDS, Production Manager, U. S. Slicing Machine Company
- H. GOODSITT, Executive Secretary, Illinois Savings and Loan League
- OTTO GRESSENS, Vice-President, Commonwealth Edison Company
- FRED G. HARRISON, President, Bank of Herrin
- HENRY C. HAWES, Partner, Lybrand, Ross Bros. and Montgomery
- C. E. JARCHOW, Vice-President, International Harvester Company
- R. C. LANPHIER, Vice-President, Sangamo Electric Company
- GEORGE W. MITCHELL, Director of Finance, State of Illinois
- HOWARD H. MONK, Howard H. Monk and Associates
- E. B. MURAN, Manager, Central Division, National Association of Credit Men
- A. E. PATTON, Vice-President, Public Service Company of Northern Illinois
- JOHN SIEZAK, President, Turner Brass Works
- A. D. THEOBALD, Vice-President, People's Federal Savings and Loan, Peoria
- C. S. YOUNG, President, Federal Reserve Bank of Chicago

The list has been approved by the College Executive Committee. Each of these men has indicated willingness to accept if appointed. For the future, the Dean plans a two-year rotation of the membership of the committee.

I concur in these recommendations.

On motion of Mr. Hickman, these appointments were approved.

REAPPROPRIATION OF UNEXPENDED BALANCES
AT JUNE 30, 1950

(33) The Comptroller recommends that the following unexpended balances in appropriations made by the Board of Trustees for the fiscal year 1949-1950 for
services and projects not completed as of June 30, 1950, be reappropriated for the fiscal year beginning July 1, 1950.

I concur.

On motion of Mr. Fornof, these funds were reappropriated by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Dr. Meyer, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. McLaughlin, Mr. Nickell, Mr. Stevenson.

### CHANGES IN PROVISIONS FOR DEATH BENEFITS AND DISABILITY AND RETIRING ALLOWANCES

(34) On May 19, 1950 (Minutes, page 1131), the Board of Trustees adopted a resolution amending its previous actions relating to provisions for death benefits and disability and retiring allowances. These amendments were based upon recommendations from the University of Illinois Committee on the Retirement System. The Committee overlooked one point and now wishes to recommend that Paragraph 2 of the resolution of May 19, 1950, be amended to read (new language is in italics):

2. Rights to benefits of present employees, excepting those who have entered the Federal Civil Service Retirement System, thus relinquishing the right to participate in the University Retirement System of Illinois, originally employed prior
to May 20, 1950, as provided for under the resolution of the Board of Trustees of August 5, 1941, shall not be affected by this resolution.

This recommendation is submitted because it is known that there are at present several persons on the University of Illinois staff who are members of the Federal Civil Service Retirement System, thus rendering them ineligible to participate in the University System. The Committee feels that since these persons are in another public tax-supported Retirement System, no protection need be provided by the University of Illinois.

I concur.

On motion of Mr. Fornof, this amendment was approved.

AWARD OF CERTIFICATES OF CERTIFIED PUBLIC ACCOUNTANT

(Approved by the Board of Trustees July 25, 1950, page 5)

EXPLANATORY NOTES

Appropriations for Salaries are available for the term indicated in each case but not for more than one year from September 1, 1950.

When appointments are made at salary rates less than the amounts provided in the budget, the unused balance is lapsed at that time, resulting in a reduction in the budget.

Funds appropriated for positions in the salary budget which are not yet filled may, pending the appointment of someone to the position, be drawn against by time cards submitted to the Business Office for services of employees temporarily engaged to do the work contemplated by the position. Such temporary charges may not exceed the amount of time provided by the position unless indicated herein or otherwise approved by the President.

All unexpended balances remaining in the salary budget lapse at the close of each calendar month unless previously assigned or encumbered. Such lapses do not result in a reduction in the budget.

Departmental appropriations are made under the captions "Salaries," "Wages," and "Expense and Equipment." No transfers may be made between "salaries" and "Expense and Equipment" except with the approval of the President of the University. Requests for such changes should be submitted to the Comptroller. Adjustments may be requested between "Salaries" and "Wages" and between "Wages" and "Expense and Equipment" upon notice to the Comptroller, stating the reason for such transfer.

Appropriations for expense, equipment, and wages are available for one year beginning July 1, 1950, and ending June 30, 1951. All unexpended balances lapse June 30, 1951. The reappropriation of funds will be considered only in special situations.

All budgets of auxiliary enterprises, cooperative investigations, other trust funds and budgets indicated as "from receipts" are on an estimated basis. Unless otherwise indicated, appropriations are limited to actual income, but any balances or receipts in excess of the estimate are appropriated for the operation of the activity.

The services required for members of the academic and administrative staff are in accordance with "Terms of Employment" adopted by the Board of Trustees on January 8, 1948.

a. For those positions indicated entirely as "Y", or for that portion of time indicated as "Y", services are required for the full year of twelve months, with allowance of one month for vacation. No additional compensation is allowed for summer session services for any salary or portion of salary indicated as "Y".

b. For those positions in the academic budget not indicated as "Y", or for that portion of time not indicated as "Y", services are required only during the regular academic year of two semesters (three terms in Chicago Professional Colleges). If teaching is required during the Summer Session, it will be covered by an additional appointment with salary.

The services required for members of the nonacademic staff are for a full year of twelve months, with allowance for vacation, in accordance with civil service regulations. Salaries are paid in twelve equal monthly installments and positions are indicated as "H".

Symbols

A — Indefinite tenure, payable in twelve monthly installments.
B — Two years from September 1, 1949, payable in twelve monthly installments.
B' — Same as B, with change in status or salary effective September 1, 1950.
D — One year from September 1, 1950, payable in twelve monthly installments.
E — The academic year 1950-1951, payable in ten installments of which the first and last shall be half installments and the other eight full installments equal to one-ninth of the annual salary.
G — Special tenure as described.
In accordance with civil service regulations, beginning July 1, 1950.

When following A, B, D, or G, indicates that services are required throughout the year, except for allowable vacation, without additional compensation.

When any of the above symbols is combined with a number, the number indicates the fraction of time in per cent covered by the position.

The September meeting of the Board of Trustees of the University of Illinois was held at the Country Club of Peoria, in Peoria, Illinois, on Friday, September 29, 1950, beginning at 11 o'clock a.m., Central Standard Time, according to the following schedule:

11:00 a.m. — Executive session, Committee of the Whole.
1:30 p.m. — Open session.

The following members were present: President Williamson, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mrs. Watkins.

President Stoddard was present; also Provost C. R. Griffith, Vice-President A. C. Ivy, Comptroller Lloyd Morey, Mr. H. O. Farber, Assistant Comptroller, J. F. Wright, Director of Public Information, Mr. J. E. Ewers, Security Officer, and Mr. A. J. Janata, Secretary of the Board.
MEETING OF THE EXECUTIVE COMMITTEE
AUGUST 29, 1950

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at 1 p.m. on Tuesday, August 29, 1950, at the University Club, 76 East Monroe Street, Chicago.

Mr. Kenney E. Williamson, Chairman, and Mr. Park Livingston, members of the Executive Committee, were present; also Dr. George D. Stoddard, President, and Mr. H. O. Farber, Assistant Comptroller, who acted as Clerk.

Mr. Walter W. McLaughlin, who was unable to attend, reported that he had examined the agenda of business sent by the President’s Office of the University to members of the Committee in advance and that he approved all items.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY
The Executive Committee considered the following recommendations and reports presented by President Stoddard.

LEAVE OF ABSENCE FOR PROFESSOR WILLIAM H. SCHEICK
(1) Professor William H. Scheick, Director of the Small Homes Council, was granted leave of absence without pay for the year 1949-1950 for service as Executive Director of the Building Research Advisory Board of the National Research Council. He spent the year organizing the “Building Research Advisory Board” and initiating research projects.

At the urgent request of the Chairman of the Council, I have authorized the extension of Professor Scheick’s leave of absence without pay for one year, beginning September 1, 1950, and request confirmation of this action.

On motion of Mr. Livingston, the extension of this leave of absence was approved.

CANCELLATION OF LEAVE OF ABSENCE FOR CLARETA WALKER
(2) Miss Clareta Walker, Assistant Professor of Rural Youth in Home Economics Extension, was given sabbatical leave of absence on one-half pay for the academic year, beginning September 1, 1950. She has requested, partly for the convenience of the University and partly because of changes in her personal plans, that her leave be deferred.

I recommend that it be canceled without prejudice as to a future leave.

On motion of Mr. Livingston, this leave was cancelled without prejudice as to a future leave.

LEAVE OF ABSENCE FOR PROFESSOR JOHN M. KUYPERS AS DIRECTOR OF THE SCHOOL OF MUSIC
(3) In accordance with his request of August 16, 1950, I recommend that Professor John M. Kuypers be granted a leave of absence from the Directorship of the School of Music for one year beginning September 1, 1950. He would retain his professorship, without change of salary for the coming year.

I recommend also that Professor Duane A. Branigan serve as Acting Director of the School of Music for one year beginning September 1, 1950,
and Professor of Music on indefinite tenure, with a suitable adjustment in salary for the year as determined by the President of the University. Professor Branigan has served before as Acting Director of the School.

On motion of Mr. Livingston, these recommendations were approved.

RELEASE OF POTENTIALLY PATENTABLE DISCOVERIES

(4) Professor C. S. Marvel of the Department of Chemistry reports some potentially patentable discoveries relating to the reaction between dithiols and unconjugated diolefins which result from research work done by former graduate students working under him and are described in the doctoral theses by P. H. Aldrich (1949) and P. D. Caesar (1950), as follows: (1) the preparation of polyalkylene sulfides from aliphatic dithiols and unconjugated diolefins in various types of emulsions in the presence of free radical initiators; (2) the high molecular weight orientable polyalkylene sulfides thus obtained; (3) the reaction of aromatic dithiols and unconjugated diolefins to give polyyarylene-alkylene sulfides which can also be achieved in emulsion in the presence of free radical initiators; (4) the use of an unreactive solvent such as benzene or methanol to give better emulsions when an aromatic dithiol is a reaction constituent; and (5) the polyyarylene-alkylene sulfides as new products.

Professor Marvel states that there is some domination of this field by a patent issued to D. D. Coffman but the improvements described above seem to be fundamental in getting usable polymers in this field.

Professor Roger Adams, Head of the Department of Chemistry, has expressed doubts that it will be advisable for the University to take over the possible patentable material in this field in view of the dominating position of Coffman. On the basis of his report, the University Research Board recommends that the discoveries be released to the discoverers.

I concur.

On motion of Mr. Livingston, these discoveries were released as recommended.

PATENT APPLICATION ON NEW COMPOSITIONS AND STRUCTURES OF REFRACTORIES

(5) Professor Ralph L. Cook of the Department of Ceramic Engineering reports the development of new compositions and structures of refractories which are particularly suitable for the lining of enamel smelters. This is a result of research work financed by the Chicago Vitreous Enamel Product Company of Cicero, Illinois, the Ferro Enamel Corporation of Cleveland, Ohio, and Pemco Corporation of Baltimore, Maryland, under a cooperative investigation entitled "the development and investigation of refractories for enamel smelter operation, with particular emphasis on those required for low temperature enamels" by the Engineering Experiment Station.

The cooperating companies request that the University undertake the patenting of this development, the expenses to be paid by them. This conforms to University policy relating to such matters.

The University Research Board recommends that a patent be secured in the name of the University.

I concur.

On motion of Mr. Livingston, this application was authorized as recommended.

FEES FOR POSTGRADUATE COURSES

(6) The Dean of the College of Dentistry and the Comptroller recommend, the Provost concurring therein, that the following schedule of fees be established for postgraduate courses in the College of Dentistry and that these fees be uniform for both residents and nonresidents of Illinois:

Twelve-week refresher program (three months) .................. $150.00
One-week units .................................................. 25.00
Two-, three-, or four-week units .................. 50.00
Short lecture and demonstration courses
   Evening courses.................................................. 25 00
   One- or two-day (television)........................................ 25 00
   Postgraduate program, per month.............................. 50 00

This is the same as the present schedule of fees charged nonresidents of Illinois. Residents are charged one-half of the stated fees, but in the judgment of officials of the College of Dentistry this is too low and they believe there should be no differential in fees charged for these self-sustaining professional programs.

I recommend approval.

On motion of Mr. Livingston, these fees were authorized.

RELEASE OF FUNDS FOR BUILDINGS AND OTHER CAPITAL IMPROVEMENTS

(7) The Governor has approved the following releases of funds from appropriations made to the University of Illinois for 1949-1951 for buildings and other capital improvements.

Release No. 32
“For Permanent Improvements at Urbana-Champaign—Construction of agricultural structures and remodeling present agricultural buildings”.............................................. $270 000
This is a partial release from an appropriation of $290,000. The Governor has previously released (Release No. 9) $20,000 for architectural and engineering services for this project. The funds now-released are for the construction of agricultural structures and remodeling present agricultural buildings at Urbana-Champaign.

Release No. 33
“For Contingencies to cover expenditures for purposes for which the amount in any item above enumerated is, or becomes insufficient”... 15 000
This is a partial release from an appropriation of $250,000 and the $15,000 released is to supplement Release No. 32 for the construction of agricultural structures and remodeling present agricultural buildings.

Release No. 34
“For Contingencies to cover expenditures for purposes for which the amount appropriated in any item above enumerated is, or becomes insufficient”........................................ 200 000
This is a partial release from an appropriation of $550,000 and the $200,000 now released is to supplement Release No. 29 for the acquisition of land for the extension of the campus at Urbana-Champaign.

Release No. 35
“For Permanent Improvements at Chicago—Construction of Utility Distribution System and remodeling of existing buildings”.......... 31 705
This is a partial release from an appropriation of $100,000. The Governor has previously released (Releases Nos. 10, 26, and 28) $56,687 from this appropriation and also (Release No. 21) $97,790 from the appropriation of $550,000 for “Contingencies” for the remodeling of quarters for the Department of Biological Chemistry in the Dentistry, Medicine, and Pharmacy Building in Chicago. The funds now released are for the extension of the electrical distribution system.

Release No. 36
“For Permanent Improvements at Urbana-Champaign—Additions to Power and Heating Plant and remodeling of existing buildings”... 181 078
This is a partial release from an appropriation of $1,215,000. The Governor has previously released (Releases Nos. 6, 13, 16, 24, and 30) $804,344 for various parts of the addition to the Power Plant,
and released (Releases Nos. 14 and 23) $150,000 for remodeling in the William Albert Noyes Laboratory of Chemistry. The funds now released are for (1) erection of turbine generator ($7,000), (2) furnishing and installation of steam, water, condensate, compressed air, turbine oil, fuel piping and equipment ($104,289), (3) construction of brick chimney ($56,500), (4) insulation of all piping for the new turbine generator ($9,789), and (5) allowance for adjustment ($3,500).

Release No. 37

"For Permanent Improvements at Urbana-Champaign — Construction of extensions to the Utility Distribution Systems"... 110,000

This is a partial release from an appropriation of $375,000. The Governor has previously released (Release No. 12) $40,000 for architectural and engineering services in connection with this project. The funds now released are for (1) modernization of transformer vaults at Davenport Hall and the Natural History Building ($18,778), (2) electrical distribution system cable, load center equipment and miscellaneous work incidental to construction of the Animal Sciences Laboratory and the Veterinary Medicine Building ($79,248), and (3) for supplementary labor (approximately $12,000).

I recommend that these funds be appropriated by the Board for the purposes indicated.

On motion of Mr. Livingston, these funds were appropriated, as recommended, by the following vote: Aye, Mr. Livingston, Mr. Williamson; absent, Mr. McLaughlin.

CONTRACT FOR STEAM SERVICE

(8) Bids have been received for the extension of steam service to the Animal Sciences Laboratory.

The Director of the Physical Plant and the Comptroller recommend the award of a contract in the amount of $13,956 to Galfaher and Speck, Inc., Chicago, the lowest bidder. Funds are available in the state appropriation for the "Construction of Animal Sciences Laboratory" and have been released by the Governor.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Livingston, this contract was awarded as recommended.

APPROPRIATIONS FOR THE COLLEGE OF AGRICULTURE

(9) The Dean of the College of Agriculture and the Comptroller recommend that the following appropriations be made from accumulated agricultural income which has been reserved for agricultural purposes.

One truck for the Department of Animal Science... $2,160

(The Swine Division is the only production division in the Animal Science Department not motorized. The addition of a truck will enable workers to accomplish their tasks in less time and with fewer trips. It is planned to purchase a heavy four-wheel drive truck, platform bed type, equipped with hydraulic hoist that can also be used for pulling posts and other similar jobs in the erection of fences.)

Construction of a concrete feed lot south of the Beef Cattle Scale House 2,800

Total ............................................................. $4,960

I concur.

On motion of Mr. Livingston, these appropriations were made, as recommended, by the following vote: Aye, Mr. Livingston, Mr. Williamson; absent, Mr. McLaughlin.
### APPROPRIATION AND AWARD OF CONTRACTS FOR HUFF GYMNASIUM IMPROVEMENTS

(10) The Committee on Nonrecurring Appropriations recommends an appropriation of $81,175 for improvements in the George Huff Gymnasium. Bids on this work have been secured. I recommend that this appropriation be made and that the Comptroller and the Secretary of the Board be authorized to execute contracts with the lowest bidders as follows:

- **General work** — C. A. Petry & Sons, Champaign: $48,470
- **Electrical work** — Brunkow Electric Company, Champaign: $1,900
- **Plumbing and heating work** — Reliable Plumbing and Heating Company, Champaign: $8,838
- **Ventilation work** — Schroeder's Ventilating Company, Champaign: $2,320

**Sub-total**: $61,587

**Other expenditures to be made from this appropriation:**

- **Architectural and engineering services**: $4,300
- **Equipment**: $7,660
- **Installation of equipment**: $4,400
- **Moving of equipment, cleaning up of remodeled quarters, and contingencies**: $3,887

**Sub-total**: $19,647

**Total**: $81,175

The report from the Physical Plant Department, giving details of these improvements and schedules of all bids received, is submitted herewith.

On motion of Mr. Livingston, this appropriation was made and authority was given, as recommended, by the following vote: Aye, Mr. Livingston, Mr. Williamson; absent, Mr. McLaughlin.

### SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(11) The Committee on Nonrecurring Appropriations recommends that an assignment of $12,800 be made from the General Reserve Fund for (1) remodeling in Bevier Hall, $9,500, and (2) purchase of furniture and equipment, $3,300 — both for the Department of Home Economics.

I concur.

The request for this assignment of funds has been carefully studied by the Committee on Nonrecurring Appropriations. The report of the Committee, giving details on this item, is submitted herewith.

On motion of Mr. Livingston, these appropriations were made, as recommended, by the following vote: Aye, Mr. Livingston, Mr. Williamson; absent, Mr. McLaughlin.

On motion of Mr. Livingston, these purchases were authorized as recommended.

CONTRACT FOR FIRE ALARM EVACUATION SIGNAL SYSTEMS

(13) Bids have been received for the installation of fire alarm evacuation signal systems in the University High School, University High School Gymnasium, Men's Residence Hall, Illini Union Building, and McKinley Hospital.

Funds are available in the Physical Plant renewal and replacement appropriations for the cost of installation in the University High School, University High School Gymnasium, and the McKinley Hospital. The cost of the installation in the Illini Union Building will be paid from funds appropriated for this purpose and the cost of the installation in the Men's Residence Halls will be financed by a transfer of surplus arising from Busey and Evans Hall operations. This improvement is a part of the general program recommended by the University Safety Committee.

The Director of the Physical Plant and the Comptroller recommend the award of a contract in the amount of $10,000 to the Leverenz Electric Company, Danville, the lowest bidder. The total cost of the project including the repair of plaster and paint damaged by the installation is estimated at $12,300.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Livingston, this contract was awarded and authority was given as recommended.
CONTRACT FOR SPRINKLER SYSTEM IN MCKINLEY HOSPITAL

Bids have been received for the installation of a sprinkler system in McKinley Hospital which is a part of the safety and fire protection program recommended for the Hospital.

The Director of the Physical Plant and the Comptroller recommend the award of a contract in the amount of $1,950 to the Reliable Plumbing and Heating Company, Champaign, the lowest bidder.

Funds are available in the Physical Plant renewal and replacement budget.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Livingston, this contract was awarded and authority was given as recommended.

ADDITION TO CONTRACT FOR ELECTRICAL WORK IN DAVENPORT HALL

On July 25, 1950 (Minutes, page 25), the Board of Trustees authorized a contract with the Anderson Electric Company of Danville for electrical work in connection with transformer vault modernization in Davenport Hall. This modernization would increase the capacity of the transformer to 300 kva.

Drawings and specifications for the Radio Carbon Laboratory for remodeling in this building are now nearly complete and the demand of this laboratory for electrical current has indicated that there will be an additional 150 kva load to the electrical system of the building. The architects have checked two alternatives of (1) increasing the size of the planned new transformer bank or (2) providing a separate transformer installation for the Radio Carbon Laboratory. The first alternative can be completed at a cost of $5,000 as compared with $7,500 for the second alternative and will result in greater flexibility with respect to loads being handled.

The Director of the Physical Plant and the Comptroller recommend an addition of $5,000 to the contract with Anderson Electric Company to provide for this increased capacity.

I concur.

On motion of Mr. Livingston, this addition was approved.

REMODELING FOR BACTERIOLOGY

On July 25, 1950 (Minutes, page 23), the Board of Trustees approved appropriation of $22,225 for remodeling in Noyes Laboratory for the Department of Bacteriology.

The program provided that the remodeling work would be done by the University’s Physical Plant Department. However, since the project was approved in the summer months when the routine maintenance work of the Physical Plant Department is at its peak, it is impossible for the Physical Plant Department to complete this remodeling by the time desired by the academic department.

To save time, the Director of the Physical Plant and the Comptroller recommend that this work be handled as an addition to the contracts awarded for the remodeling of the fifth floor of the Natural History Building. Competitive bids were received for the latter project on a cost basis and contracts with the low bidders were approved by the Board of Trustees on September 29, 1949 (Minutes, page 810). This plan will result in estimated total additions to the following contracts with payments to be based on the percentages indicated.

The estimates for these phases of the remodeling work indicate that the total project cost will exceed the funds appropriated by the Board on July 25 by $4,000. An additional appropriation of this amount is required.

I recommend that the Board of Trustees appropriate an additional $4,000 for remodeling in Noyes Laboratory for the Department of Bacteriology and that the Comptroller be authorized to execute these changes in the contracts.

On motion of Mr. Livingston, this additional appropriation was made and authority was given, as recommended, by the following vote: Aye, Mr. Livingston, Mr. Williamson; absent, Mr. McLaughlin.

APPROPRIATION FOR FIRE LOSS IN VETERINARY PATHOLOGY LABORATORY

(17) A fire occurred in the Veterinary Pathology Laboratory on August 18 which resulted in damage to the building and equipment. The University does not budget funds for fire losses, and it is necessary that an appropriation be made from the General Reserve Fund of the University to replace the equipment and repair the building.

I recommend an appropriation of $5,750 for this purpose.

On motion of Mr. Livingston, this appropriation was made, as recommended, by the following vote: Aye, Mr. Livingston, Mr. Williamson; absent, Mr. McLaughlin.

REVISED CATTLE FEEDING PROGRAM FOR WRIGHT FARMS, 1950-1951

(18) The Board of Trustees on June 22, 1950 (Minutes, page 1185) approved a program for the purchase of feeding cattle for Wright Farm No. 4 in DeKalb County for the year 1950-1951. This program provided for the feeding of light calves.

The hay and grass silage available is greater than had been expected and is more than would be required under the program as approved. Also, the uncertainties of the market make the longer feeding periods necessary for lighter calves less desirable than shorter feeding periods with cattle of heavier initial weights. Because of these factors, a revised program has been drawn up which provides for cattle of heavier initial weight and for more cattle. The initial cost will be greater but the feeding period will be materially shorter for each lot making a more rapid turnover of the money invested. The amount of grain will be about the same with the two programs but more roughage will be used under the revised program.

The Director of Purchases, the Comptroller, and Professor J. B. Andrews of the College of Agriculture, request authority to purchase feeding cattle substantially in accordance with the above revised schedule. All said purchases will be reported to the Board of Trustees and will be paid from Wright Farms Operation Income, purchases to be made on the basis of current market prices when suitable stock is available.

I concur.

On motion of Mr. Livingston, authority was given, as recommended, by the following vote: Aye, Mr. Livingston, Mr. Williamson; absent, Mr. McLaughlin.
CONTRACT FOR UTILITIES DISTRIBUTION SYSTEM

(19) One bid has been received for the construction of concrete duct runs as a part of the expansion of the Utilities Distribution System. Only one bid was received although nine contractors were specifically invited to bid and advertisements appeared in the Chicago Tribune and the St. Louis Post-Dispatch. The bid was submitted by E. N. DeAtley, Champaign, in the amount of $41,000.

The Director of the Physical Plant and the Comptroller recommend the award of a contract to E. N. DeAtley in the amount of $41,000 since the contract must be awarded soon in order to insure completion before the end of the biennium, the bid has been reviewed and appears reasonable, there is no assurance that additional bidders will be interested if new bids are requested, and the Physical Plant Department is unable to undertake the work with its present staff and facilities.

Funds are available in the state appropriation for buildings subject to the release by the Governor.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute a contract with E. N. DeAtley in the amount of $41,000 subject to the release of funds by the Governor.

On motion of Mr. Livingston, this contract was awarded and authority was given as recommended.

The Executive Committee adjourned.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following recommendations and reports presented by President Stoddard.

PATENT COVERING PRODUCTS OF STREPTOMYCIN

(1) In his research work on antibiotic substances, Professor Herbert E. Carter of the Department of Chemistry developed certain degradation products of streptomycin known as streptidine and streptamine. This research program has been financed for many years by grants from Abbott Laboratories, Eli Lilly and Company, Parke Davis and Company, and the Upjohn Company. The University is the assignee of an application for a patent by Professor Carter covering streptidine and streptamine. The patent application has been handled by the attorneys for Parke Davis and Company which has paid the costs.

Attorneys for Parke Davis and Company report there is interference with this patent by applications on discoveries in the same field by Merck and Company and E. R. Squibb and Sons. The chemists for these firms were working in the same field and at the same time as Professor Carter and his associates. The two groups, working independently, made the same discoveries. Professor Carter reports that it is now obvious that Merck and Company was ahead of him by several months and he is willing to concede priority. Since his application has been assigned to the University, it is necessary that the Board of Trustees consent to the concession of priority. Professor Carter recommends that this be done and I concur.

On motion of Dr. Meyer, the Board consented to this concession of priority.

PATENT APPLICATION ON INSTRUMENT FOR MEASUREMENT AND CONTROL OF MAGNETIC FIELDS

(2) Dr. E. L. Hahn, Research Associate in the Department of Physics, has devised what seems to be a novel instrument for the precise measurement and control of magnetic fields. It is based on the so-called principle of nuclear magnetic
Board of Trustees

September 29

The phenomenon involved is a resonance between the frequency of oscillation of a magnetic field applied to a sample, and the natural precessional frequency of an atomic nucleus in a constant external magnetic field.

This phenomenon has been applied by others to the measurement and regulation of magnetic fields, but in Hahn's embodiment of this idea the alternating magnetic field is generated by a novel method that presents advantages of simplicity and compactness.

It is possible that this device is patentable, and if so a patent covering it may have some commercial value. The University Research Board recommends that a patent search be authorized to determine the novelty and patentability of the device. If such authorization is given, an investigation of the marketability of the patent will also be made to determine the value of securing a patent.

I concur and recommend further that if this device is found to be patentable and is of sufficient commercial value to justify the expense of securing a patent, an application for the same be authorized.

On motion of Mr. Hickman, these recommendations were approved.

Grant from the Ford Foundation

On August 23, 1950, Mr. William McPeak of the Ford Foundation, Detroit, Michigan, visited the University of Illinois and informed a group of University officials (including President Kenney E. Williamson of the Board of Trustees) that the Foundation would shortly offer the University a grant for researches in the behavioral sciences.

It is likely the sum will be $100,000. The University would be free to use this sum according to its own plans in this general field.

I recommend that the President of the University be authorized to accept this fund, subject to final Board approval of the whole plan.

On motion of Mrs. Watkins, this recommendation was approved.

Purchase of Land in Urbana

The Board of Trustees has authorized negotiations for the purchase of properties in Urbana-Champaign in areas of future campus expansion when they can be acquired at satisfactory prices and to secure options on such properties.

Three properties in Urbana have recently been offered to the University. All are in an area which the city of Urbana is presently considering rezoning for commercial purposes. It is important that the University prevent such development since an inevitable result of rezoning would be an increase in the cost to the University of acquiring the land. All these properties are adjacent to properties now owned by the University. The buildings on them can be used advantageously until the sites are needed for new buildings.

The Provost, the Director of the Physical Plant, and the Comptroller recommend purchase of the following properties at the prices indicated:

Southwest corner of Illinois Street and Goodwin Avenue, Urbana...........$100,000
(Mrs. N. Louise Tryner and George G. Bennett, Owners)

1112 and 1114 West Green Street, Urbana..............................66,000
(Mrs. Clara E. Locke, Owner)

202 South Goodwin Avenue, Urbana..............................17,500
(Mrs. Eva F. Turner, Owner)

Memoranda describing these properties, discussing price negotiations and giving further information in support of these recommendations, are hereby given to the Secretary of the Board for record.

Funds are available in the state appropriations to the University for buildings and other capital improvements and have already been released by the Governor for this purpose.

I recommend that these properties be purchased and that the Comptroller and the Secretary of the Board be authorized to execute the necessary documents.

On motion of Mr. Hickman, the purchase of these properties was authorized by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr.
Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stevenson.

PURCHASE OF PROPERTY AT 601 EAST SPRINGFIELD AVENUE, CHAMPAIGN

(5) The Water Resources Building of the State Water Survey Division was constructed on property at 603-607 East Springfield Avenue, Champaign, purchased for this purpose by the University. The University also owns a small parcel of property at 601½ East Springfield Avenue. The Board of Natural Resources and Conservation has requested the University to purchase the corner immediately west of this at 601 East Springfield Avenue to provide land for the future expansion of the Water Resources Building.

The Comptroller and the Director of the Physical Plant have investigated this property. After several months of negotiation, the owner has offered to sell the property to the University for $14,250. If the offer is not accepted the owner proposes to construct some improvements on the property.

The Director of the Physical Plant and the Comptroller recommend acceptance of this offer and authorization of the purchase. An appropriation of $14,250 from the General Reserve Fund will be required.

I concur.

On motion of Mr. Livingston, the purchase of this property was authorized, and an appropriation of $14,250 was made from the General Reserve Fund, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stevenson.

APPROPRIATIONS FOR APPROVED PURCHASES OF LAND

(6) On April 21, 1949 (Minutes, page 310), the Board of Trustees approved the purchase of the 320-acre McCullough Farm and the purchase of eighty acres from the Sullivan heirs. On May 21, 1949 (Minutes, page 360), the Board of Trustees approved the purchase of the property at Sixth and John Streets in Champaign. All these purchases are on the basis of contracts providing for annual payments and in some cases for pre-payments. The Comptroller reports that in the year 1950-1951, the maximum payments which can be made under these contracts are $153,815 and recommends that such payments be made. These payments are to be made in accordance with the following schedule:

I recommend an appropriation of $153,815 for these payments.

On motion of Mr. McLaughlin, this appropriation was made by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stevenson.
AGREEMENT WITH ART INSTITUTE OF CHICAGO FOR CUSTODIANSHIP OF PAINTINGS

(7) From time to time the Art Institute of Chicago has loaned the University paintings and other works of art for public exhibits. There are now in the Illini Union Building a number of valuable paintings on loan for an indefinite period. Officials of the Art Institute have requested the University to set up a formal plan for custodianship of paintings and other works of art which may be sent to Urbana-Champaign in the future. This was approved in principle by the Executive Committee of the Board on August 29, 1950.

I now request authorization of an agreement with the Art Institute of Chicago as a basis for such a plan, the details of which are outlined in a memorandum hereby given to the Secretary of the Board as a matter of record.

President Stoddard presented and discussed the details of this plan.

On motion of Mrs. Holt, the action of the Executive Committee was confirmed and the agreement was authorized.

OPEN SESSION

When the Board convened in open session, the same members and officers were present as during the forenoon session.

MR. JOSEPH EWERS APPEARED BEFORE THE BOARD

At this point the President of the University presented Mr. Joseph E. Ewers, University Security Officer, who explained the functions and operations of his office and answered questions put to him by members of the Board.

APPOINTMENTS TO THE FACULTY

(1) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. JOSEPH WARREN BEACH, Visiting Professor of English, on one-half time, beginning September 1, 1950, at an annual salary of $5,000 (DY).

2. CHARLES HARVEY BROWN, Visiting Professor of Library Science, beginning September 1, 1950, for one semester, at a salary of $3,000 (G).

3. HENRY R. BRUNNEMEYER, Assistant State Leader of Farm Advisers and Assistant Professor, Agricultural Extension, beginning September 1, 1950, at an annual salary of $7,000 (DY).

4. ELWOOD SPENCER BUFFA, Assistant Professor of Mechanical Engineering, beginning September 1, 1950, at an annual salary of $5,000 (D).

5. GEOFFREY F. CHEW, Assistant Professor of Physics, beginning September 1, 1950, at an annual salary of $5,600 (D).

6. GEORGE THOMPSON CLAYTON, Assistant Professor of Architecture, beginning September 1, 1950, at an annual salary of $4,500 (D).

7. WILLIAM FRANCIS Coolidge, Assistant State Leader of Farm Advisers and Assistant Professor, Agricultural Extension, beginning September 1, 1950, at an annual salary of $7,000 (DY).

8. THOMAS FRANCIS CROWLEY, Assistant Professor of Hygiene and Medical Adviser for Men, beginning September 1, 1950, at an annual salary of $7,200 (DY).

9. LAWRENCE M. DeRيDER, Counselor and Assistant Professor of Psychology, Chicago Undergraduate Division, beginning September 1, 1950, at an annual salary of $5,200 (DY).

10. LESLIE W. DUNLAP, Associate Professor of Library Science, beginning January 1, 1951, at an annual salary of $6,000 (D).

11. LAWRENCE L. DURISCH, Visiting Professor of Political Science, beginning September 1, 1950, for one semester, at a salary of $4,500 (G).

12. WILLIS LAURENS EMERY, Associate Professor of Electrical Engineering, beginning September 1, 1950, at an annual salary of $5,500 (D).

13. CHARLES RANDALL HILL, Assistant Professor of Industrial Education, beginning September 1, 1950, at an annual salary of $4,500 (D).
14. Katharine Josephine Hivon, Assistant Professor of Home Economics, beginning September 1, 1950, at an annual salary of $5,000 (DY).
15. James Chester Kelly, Associate Professor of Speech, beginning September 1, 1950, at an annual salary of $5,300 (A).
16. Fred August Kummerow, Assistant Professor of Food Chemistry, Department of Food Technology, beginning September 16, 1950, at an annual salary of $6,500 (DY).
17. Leo S. Lavatelli, Assistant Professor of Physics, beginning September 1, 1950, at an annual salary of $5,000 (D).
18. Kenneth M. Madison, Assistant Professor of Biological Sciences, Chicago Undergraduate Division, beginning September 1, 1950, at an annual salary of $4,500 (D).
19. Joseph C. McDaniel, Assistant Professor of Horticulture, Extension Service in College of Agriculture, beginning August 1, 1950, at an annual salary of $5,100 (DY).
20. John Duncan Mcnee, Jr., Assistant Professor of Art, Chicago Undergraduate Division, beginning September 1, 1950, at an annual salary of $4,800 (D).
21. Frederick T. Moore, Assistant Professor of Economics, beginning September 1, 1950, at an annual salary of $4,500 (D).
22. Richard Carl Sanborn, Assistant Professor of Entomology, beginning September 1, 1950, at an annual salary of $4,500 (D).
23. Marian Elsa Tolbert, Assistant Professor of Home Economics, beginning September 1, 1950, at an annual salary of $5,000 (DY).

On motion of Dr. Meyer, these appointments were confirmed.

**Clinical Faculty of the College of Medicine, 1950-1951**

(2) I recommend that the following appointments be made to the non-salaried, clinical faculty of the College of Medicine for the academic year beginning September 1, 1950, unless otherwise indicated, and that the President of the University be authorized to make such additional appointments and other changes, and to accept resignations, as are desirable and necessary.

Appointments of Professors and Associate Professors are on indefinite tenure; all others are for one year from September 1, 1950, or, for one year from July 1, 1950, as stated in such cases. New appointments are so indicated.

ADVISORY COMMITTEE FOR THE COLLEGE OF VETERINARY MEDICINE

(3) The Dean of the College of Veterinary Medicine recommends the appointment of the following to the Advisory Committee of that College for one year beginning September 1, 1950:

C. E. Dille, Cairo
Wayne Dinsmore, Chicago
C. C. Hastings, Williamsville
J. B. Jaffray, Chicago
G. W. Jensen, Antioch
Delbert H. Kingston, Cary
A. A. Legner, Sandwich
Oscar Linn, Canton
R. V. McKee, Canton
R. A. Thompson, Clinton
H. P. Wessels, Geneva

I concur.

On motion of Mr. McLaughlin, these appointments were approved.

APPOINTMENT OF BUSINESS MANAGER OF THE ATHLETIC ASSOCIATION

(4) The Board of Directors of the Athletic Association has appointed Mr. Henry F. Thornes, Assistant Bursar in the Business Office of the University, as Business Manager of the Athletic Association, effective September 1, 1950, at an annual salary of $6,600. Mr. Thornes will continue to serve as Assistant Bursar on one-tenth time during the year beginning September 1, 1950, and will serve as Business Manager of the Association on nine-tenths time. The Association will pay $6,000 of his salary and the University, $600. After September 1, 1951, Mr. Thornes will be on full time with the Athletic Association.

I recommend that the action of the Board of Directors be confirmed.

On motion of Mr. Livingston, this appointment was confirmed.

FEE FOR SCHOOL CHILDREN PARTICIPATING IN PRACTICE TEACHING COURSE IN PHYSICAL EDUCATION

(5) The Committee on Fees and Scholarships recommends establishment of a new fee of $6.00 a semester to be charged elementary school children accepted for enrollment, in order of their application, in a practice teaching course, Rhythmic Activities for Children (P.E.W. 243) offered by the Department of Physical Education for Women to give prospective teachers practice teaching experience in this specialty.

I concur.

On motion of Mr. Fornof, this fee was authorized.

REAPPROPRIATION OF ADDITIONAL UNEXPENDED BALANCES

(6) The Comptroller recommends that the following unexpended balances in appropriations by the Board of Trustees for the fiscal year 1949-1950 for services and projects not completed as of June 30, 1950, be reappropriated for the fiscal year beginning July 1, 1950. (These are in addition to the reappropriations approved by the Board on July 25, 1950.)

**Urbana-Champaign**

Agronomy — special equipment........................................... $ 3,526
Physics — special equipment............................................. 3,500

I concur.
On motion of Mr. Hickman, these balances were reappropriated, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stevenson.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(7) The Committee on Nonrecurring Appropriations recommends assignments of funds for the following purposes:

*Urbana-Champaign*

1. Furniture and equipment, Institute of Government and Public Affairs. .................................................... $3,377
2. Remodeling, improvements, and relocation of offices in Illini Hall and in the Administration Building. .................. 100,000
3. Replacement of roofs, George Huff Gymnasium, Ceramics Building, and Administration Building (East) .................. 78,160
4. Remodeling Davenport House for the Health Service. ........ 3,200

8. Purchase and installation of equipment, Department of Bacteriology 23,350
Total from State Appropriations for Buildings, Equipment, and Other Capital Improvements. (34,650)

Grand Total .................................................. $223,387

It is recommended that assignments for Items 1 to 5, inclusive, be made from the General Reserve Fund and that the others be made from state appropriations for buildings, equipment, and other capital improvements, subject to the release of funds by the Governor.

I concur.

These proposed improvements have been carefully studied by the Committee on Nonrecurring Appropriations. Reports of the Committee, giving details on each item, are submitted herewith.

On motion of Dr. Meyer, these appropriations were made, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stevenson.

RELEASE OF FUNDS FOR BUILDINGS AND OTHER CAPITAL IMPROVEMENTS

(8) The Governor has approved the following releases of funds from appropriations made to the University of Illinois for 1949-1951 for buildings and other capital improvements.

Release No. 38

“For Permanent Improvements at Chicago—Construction of utility distribution system and remodeling of existing buildings”. .......... $22,400
This is a partial release from an appropriation of $190,000. The Governor has previously released (Releases Nos. 10, 26, 28, and 35) $87,792 from this appropriation and also (Release No. 21) $97,790 from the appropriation of $550,000 for “Contingencies” for the remodeling of quarters for the Department of Biological Chemistry in the Dentistry, Medicine, and Pharmacy Building in Chicago and the extension of the electrical distribution system. The funds now released are for remodeling structures, owned by the Univer-
UNIVERSITY OF ILLINOIS

1950

... on West Taylor Street in Chicago to provide additional office space in the Physical Plant Department and the architectural office and to provide a location for the paint shop that has to be moved due to the construction of the hospital addition.

Release No. 39

"For Permanent Improvements at Urbana-Champaign — Construction of extensions to the Utility Distribution Systems".................. $41,000

This is a partial release from an appropriation of $375,000. The Governor has previously released (Releases Nos. 12 and 37) $150,000 from this appropriation for architectural and engineering services in connection with this project, modernization of transformer vaults at Davenport Hall and Natural History Building, equipment and miscellaneous work incidental to construction of the Animal Sciences Laboratory and the Veterinary Medicine Building, and supplemental labor. The funds now released are for the construction of concrete duct runs as part of the extension of the utility distribution system.

Release No. 40

"For Equipment for Buildings at Urbana-Champaign and Chicago"..... $22,250

This is a partial release from an appropriation of $680,000. The Governor has previously released (Releases Nos. 2 and 18) $112,353.65 from this appropriation. The funds now released are for the purchase of a Tiselius electrophoresis apparatus for the College of Medicine and dental chairs for the College of Dentistry.

I recommend that these funds be appropriated by the Board for the purposes indicated.

On motion of Mr. McLaughlin, these funds were appropriated, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stevenson.

ADDITIONAL MEN'S RESIDENCE HALL UNIT

(9) It is recommended as the initial step in the expansion of permanent housing facilities for undergraduate men to construct a residence for 240 students immediately south of the present Men's Residence Hall. The structure proposed would provide barracks-type housing, which could be made available to students at a cost less than is required in the conventional type of residence halls, and it would not include food service facilities. A preliminary estimate of the cost of such a building is $558,000. It can be financed in part by a bond issue but will require an appropriation of $198,000.

To complete the studies of this project, the Director of the Physical Plant and the Comptroller recommend award of a contract to Skidmore, Owings, and Merrill, architects, Chicago, for architectural services at a fee of 6 per cent of the cost of the construction work for which they prepare the plans and specifications, plus the travel and living expenses of a resident superintendent while on the job.

I concur in this general program and recommend further that:

1. The proposed project be approved in principle subject to final approval after plans have been completed and bids taken.

2. The Comptroller and the Secretary of the Board be authorized to execute this contract with Skidmore, Owings, and Merrill on the basis of 6 per cent of the construction cost for complete architectural services, the full amount to be payable only if the project goes to completion.

3. An appropriation of $27,000 be made from the General Reserve Fund for the cost of this architectural contract to the point of taking bids; this appropriation will provide for payment of 75 per cent of the total architects' fee and such costs as will be incurred by the Physical Plant Department.
On motion of Mrs. Watkins, these recommendations were approved, and an appropriation of $27,000 was made from the General Reserve Fund for architectural services, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Dr. Meyer, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stevenson.

CONTRACTS FOR MINOR ALTERATIONS

(10) During the period July 1, 1946, to June 30, 1949, the Board of Trustees approved on a year-to-year basis a procedure on cost-plus contracts for minor alterations and remodeling in the Urbana-Champaign Division. The work under the contracts was initiated on individual order by the Physical Plant Department, approved by the Comptroller within Board appropriations for jobs which were so small or of such a character as to make competitive bidding impractical, and not exceeding $5,000.

The procedure was discontinued beginning July 1, 1949, because it was anticipated that the majority of the small jobs could be done by University labor. It has been found that this can not be done without serious work omissions elsewhere, and the Director of the Physical Plant and the Comptroller recommend the return to the above procedure for the year 1950-1951. The handling of such remodeling on cost-plus contracts has the advantage of permitting immediate initiation of work after the Board has approved the appropriations and eliminates the need for more involved drawings and specifications required in connection with fixed small bids.

The Director of the Physical Plant recommends the award of the following cost-plus contracts based on competitive bids (schedule attached) for the year 1950-1951 with no orders being placed under these contracts after June 30, 1951, and all alterations for specific projects to be handled in accordance with the above procedure:

General work — E. N. DeAtley Company, Champaign, and Clarence Siems Company, Urbana

Plumbing and heating work — Reliable Plumbing and Heating Company, Champaign, and E. M. Hays Plumbing and Heating Company, Champaign

Electrical work — Anderson Electric Company, Danville, and Square Deal Electric Company, Urbana

Ventilating work — Schroeders' Ventilating Company, Champaign

I concur in this recommendation and request that the Comptroller and the Secretary of the Board be authorized to execute these contracts and that the Comptroller report regularly to the Board all projects initiated under these contracts.

On motion of Mr. McLaughlin, authority was given, as recommended.

CONTRACT FOR EXTENSION OF HIGH-PRESSURE GAS SERVICE

(11) The Director of the Physical Plant and the Comptroller recommend authorization of a contract with the Illinois Power Company for the extension of a six-inch high-pressure gas main from the Company's pipe line at the corner of Fourth and Healey Streets, Champaign, to a reducing station (new valve, regulator, and meter enclosure) to be constructed on the campus near the Transportation Building. The estimated total cost of this project is $15,000, of which an estimated $10,500 will be for the extension of the high-pressure gas main. Under regulations of the Illinois Commerce Commission, the extension of the gas main must be done by the Illinois Power Company. The Company has an agreement with labor unions to deal with one contractor, E. K. McDonald of Decatur, Illinois. The Company can not contract for this work on a firm price but proposes to do it under the following conditions:

1. Reimbursement to the contractor for contract labor plus 25 per cent on said labor to include all contractor's overhead expense and profit.
2. Reimbursement to the Illinois Power Company for their labor, material, and equipment rental and protection.

3. Payment to the Illinois Power Company of 15 per cent on the total of the above costs to cover their engineering, layout, superintendence, and other services.

Funds are available in the state appropriation for "Additions to Power and Heating Plant and remodeling of existing buildings."

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract, subject to the release of funds by the Governor.

On motion of Mr. Fornof, authority was given, as recommended.

CONTRACT FOR DIRECT CURRENT ELECTRIC SERVICE EQUIPMENT

(12) Direct current electric service required for research work is supplied by an obsolete motor generator located in the old engine room of the Physical Plant Service Building and loaned to the Physical Plant Department by the Department of Mechanical Engineering many years ago. Because of its own increased requirements for direct current service, the Department wishes to recall the motor generator. Even though it is obsolete and manually controlled, it has sufficient capacity to supply the intermittent demands for D.C. electric service of the Department of Mechanical Engineering. It is, therefore, necessary to purchase and install one large motor generator set with automatic controls to supply the increasing demand for D.C. electric service in other departments. Estimated cost of this project is $25,000.

Funds are available in the state appropriation for "Additions to Power and Heating Plant and remodeling of existing buildings."

The Director of the Physical Plant and the Comptroller recommend award of contracts as follows:

Motor generator set — Allis-Chalmers Manufacturing Co., Chicago...$8,905.26
Synchronous motor control cabinet — Westinghouse Electric Corporation, Chicago................................. 4,511.00
Air-fused interrupter switch — Westinghouse Electric Corporation, Chicago........................................ 1,141.00

These bids are subject to a maximum escalation of 10 per cent or a maximum total of $6,217.20.

D.C. generator control switchgear — General Electric Company, Schenectady, New York................................. 4,546.00
This bid is subject to a maximum escalation of 10 per cent.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts, subject to the release of funds by the Governor.

On motion of Mr. Livingston, authority was given, as recommended.

CONTRACT FOR FEED STORAGE WAREHOUSE

(13) The Director of the Physical Plant and the Comptroller recommend award of the following contracts for the construction of a Feed Storage Warehouse at the Feed Cattle Barns, one of the projects included in the state appropriation for "Construction of agricultural structures and remodeling present agricultural buildings." This project has already been approved by the Board of Trustees (Minutes, January 12, 1950, page 965), and the funds have been released by the Governor.

General work — Contracting Construction Company, Danville............$23,019
Electrical work — Brunkow Electric Company, Champaign............... 8,755

These are the low bids.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts.

On motion of Mrs. Watkins, authority was given, as recommended.
CONTRACT FOR UTILITIES DISTRIBUTION SYSTEM AT URBANA

(14) The Director of the Physical Plant and the Comptroller recommend award of a contract for $14,873 to the Leverenz Electric Company, Danville, the lowest bidder, for modernization of the transformer vault in the Library as part of the Utilities Distribution System construction at Urbana. The total cost of this improvement is estimated at $19,000, but the remainder of the work in addition to this contract for electrical work will be done by Physical Plant Department labor.

Funds are available in the state appropriation for "Construction of extensions to the Utility Distribution Systems" at Urbana.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract, subject to the release of funds by the Governor.

On motion of Mr. McLaughlin, authority was given, as recommended.

CONTRACT FOR REMODELING OF QUARTERS FOR THE DEPARTMENT OF BACTERIOLOGY AT THE CHICAGO PROFESSIONAL COLLEGES

(15) The Director of the Physical Plant and the Comptroller recommend the award of a contract for $4,750 to the Perry Construction Company, Inc., Chicago, the lowest bidder, for remodeling of Rooms 66, 69, 304, and 309 of the Dentistry, Medicine, and Pharmacy Building. This remodeling is needed by the Department of Bacteriology in connection with its research work in viruses.

Funds are available in the state appropriation for "Permanent Improvements at Chicago—Construction of Utility Distribution System and remodeling of existing buildings."

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract, subject to the release of funds by the Governor.

On motion of Dr. Meyer, authority was given, as recommended.

CONTRACT FOR REPLACEMENT OF SIDEWALKS AND CURBS AT THE CHICAGO PROFESSIONAL COLLEGES

(16) The Director of the Physical Plant and the Comptroller recommend award of a contract for $2,219 to the T. A. Rehnquist Company, Chicago, the lowest bidder, for the replacement of sidewalks and curbing at the northwest corner of Polk and Hermitage Streets in Chicago. The sidewalks and curbs at this corner have deteriorated to such an extent that they are a hazard to pedestrians.

Funds are available in the Physical Plant Department budget for this repairing.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Holt, authority was given, as recommended.

ADDITION TO PLUMBING CONTRACT FOR ANIMAL SCIENCES LABORATORY

(17) The Director of the Physical Plant and the Comptroller recommend an increase of $3,934.46 in the contract with Bellis and Miller, Champaign, for plumbing work in the construction of the Animal Sciences Laboratory to provide for the installation of a water main from Gregory Drive to the new building.

The provision of water service from the mains to the building was not included in the base contract because the engineering work on this installation had not been completed at the time contracts were awarded. The architects have approved the contractor's estimate of the cost of this installation.

Funds are available in the state appropriation for construction of this building.

I concur and recommend that the Comptroller be authorized to execute this change in the contract.

On motion of Mr. McLaughlin, authority was given, as recommended.
ADDITION TO GENERAL CONTRACT FOR
ANIMAL SCIENCES LABORATORY

(18) The Director of the Physical Plant and the Comptroller recommend an increase of $2,451.00 in the contract with the Sumner S. Sollitt Construction Company for the construction of the Animal Sciences Laboratory to provide for waterproofing of certain floors. This was not included in the plans and specifications. It has now been determined that use of five rooms will require cleaning by drenching them with water, so that the floors in these rooms should be treated with membrane waterproofing to prevent leaks to the rooms below. The contractor has offered to do the additional work for the amount indicated, and the architects advise that it is a reasonable estimate.

Funds are available in the state appropriation "Construction of Animal Science Laboratory."

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Livingston, authority was given, as recommended.

ADDITION TO GENERAL CONTRACT FOR CONSTRUCTION
OF VETERINARY MEDICINE BUILDING

(19) The Director of the Physical Plant and the Comptroller recommend an increase of $2,800 in the contract with the John Felmley Company for the construction of the Veterinary Medicine Building to provide for weather-stripping of windows.

When the plans and specifications for this building were sent out for bids, a number of items, including weather-stripping for exterior windows, were omitted to keep the cost of the building within the state appropriation. It is now clear that sufficient funds will be available for some of these items. The quotation of $2,800 for weather-stripping has been checked by the architects for the building and they consider it a fair price. It is estimated that weather-stripping the exterior windows will reduce the heating cost approximately $400 a year.

Funds are available in the state appropriation for "Construction of Veterinary Medicine unit."

I concur and recommend that the Comptroller be authorized to execute this change in the contract.

On motion of Mr. Hickman, authority was given, as recommended.

REPORT OF FACT-FINDING COMMITTEE ON WAGE RATES TO BE SPECIFIED IN CONSTRUCTION CONTRACTS AT ROBERT ALLERTON PARK

(20) The fact-finding committee appointed to make an investigation of wage rates in Piatt County to be paid for construction work at Robert Allerton Park and to report on the same to the President of the University and to the Board of Trustees has made its report, a copy of which is submitted herewith.

Springfield, Illinois
July 31, 1950

To The President and
Board of Directors
University of Illinois
Champaign, Illinois

Re: Report of Fact Finding Committee, Allerton Park

In accordance with the instructions of the Board of Trustees, we have held extensive hearings, open to anyone who felt he had an interest, and arrived at the following conclusion:

We find that it is a fact that the rates paid for work in the building trades...
and crafts in Piatt County Illinois are subject to so much variation that it is not possible to establish single rates as prevailing.

We find that it is a fact that elsewhere in the State of Illinois, under conditions comparable to those at Allerton Park, that the responsible public bodies or agencies have accepted as the prevailing rates, the rates established as the union rates under agreements with the union in whose jurisdictional territory these respective institutions and properties lie.

The Committee recommends to the Board that it proceed in accordance with all the facts outlined above.

ROBERT L. GORDON
DONALD E. DICKASON
W. F. MEYER, Chairman

I recommend that, consistent with its present policy, the University proceed according to the finding stated in the first paragraph of the Committee's conclusion in awarding contracts for construction work at Robert Allerton Park.

On motion of Mrs. Watkins, this recommendation was approved.

REQUEST OF MCKINLEY MEMORIAL PRESBYTERIAN CHURCH FOR USE OF UNIVERSITY AUDITORIUM

(21) The McKinley Memorial Presbyterian Church at Fourth and John Streets, Champaign, is rehabilitating and enlarging its church building which will be out of service for approximately seven months from November 1, 1950. The officials of the church have requested the use of a University building (either Smith Music Hall or the Auditorium) each Sunday from approximately 10:00 a.m. until 12:15 p.m. during this period so that they may continue church services.

Although it is contrary to the Statutes of the University to rent campus facilities to local, outside organizations, an exception was made by the Board of Trustees in 1932 when the University Place Christian Church was permitted to use a University building following the loss of its church building by fire.

I recommend that permission be granted the McKinley Memorial Presbyterian Church to use the University Auditorium during the period indicated with the understanding that the church will reimburse the University for direct costs resulting from such use and that officials of the church will be responsible for complying with all applicable University regulations. Representatives of the church have indicated their willingness to do this.

On motion of Dr. Meyer, this recommendation was approved.

BEQUEST OF JESSIE E. HACKETT

(22) The will of the late Mrs. Jessie Ellars Hackett, of Tuscola, recently filed with the County Clerk of Douglas County, includes the following bequest to the University of Illinois:

SIXTH: I give, devise, and bequeath unto the Trustees of the University of Illinois, at Urbana, Illinois, the following described real estate, to be disposed of as directed in Paragraph Seventh hereafter:

- Twenty-four and one-half (24½) acres off of the South side of the West Half of the Southeast Quarter of Section Six (6), Township Fifteen (15) North, Range Seven (7) East of the Third Principal Meridian;
- Also, Twenty-four and one-half (24½) acres off the South side of Lot One (1) of the Southwest Quarter of Section Six (6), Township Fifteen (15) North, Range Seven (7) East of the Third Principal Meridian;
- Also, Thirty-nine and two-thirds (39⅔) acres off of the South side of Lot Two (2) of the Southwest Quarter of Section Six (6) Township Fifteen (15) North, Range Seven (7) East of the Third Principal Meridian;
- Also, the Southwest Quarter of the Southeast Quarter of Section Six (6), Township Fifteen (15) North, Range Seven (7), East of the Third Principal Meridian;
- Also, the Northwest Quarter of the Southeast Quarter of the Southwest Quarter of Section Six (6), Township Fifteen (15) North, Range Seven (7), East of the Third Principal Meridian;
- Also, the East Half of the Southeast Quarter of the Southeast Quarter of
Section Six (6), Township Fifteen (15) North; Range Seven (7), East of the Third Principal Meridian;
Also, the Southwest Quarter of the Southwest Quarter of Section Five (5), Township Fifteen (15) North, Range Seven (7), East of the Third Principal Meridian;
Also, commencing Forty-eight and 72/100 (48.72) poles North of the South-west corner of Section Six (6), Township Five (5) North, Range Seven (7) East of the Third Principal Meridian, thence East 288 poles parallel with Section line to the West line of the East Half of the Southeast Quarter of said Section Six (6), thence North with said line 48 poles and 25 links; thence West 288 poles to range line, thence South 48 poles and 25 links to place of beginning, containing Eighty-seven and 19/100 (87.19) acres, more or less;
All of the above described real estate located in Douglas County, Illinois.
Also, Lot One (1) of the Northeast Quarter, and the North Half of the Southeast Quarter; all in Section One (1), Township Fifteen (15) North, Range Six (6), East of the Third Principal Meridian, Moultrie County, Illinois.

SEVENTH: I give the real estate described in the foregoing paragraph to the Trustees of the University of Illinois without restriction, except as hereinafter set forth. Said Trustees may sell said real estate, or operate the same as in their discretion shall seem best, for the uses and purposes hereinafter set forth. In case said land is sold, the Board of Trustees of the University of Illinois, may invest and reinvest the funds derived from such sale in such securities as in their best judgment shall combine safety of principal and satisfactory income without regard to any law of this state concerning the investment of trust funds, now or hereafter in effect. In any event, the real estate itself, or the funds derived from the sale thereof, shall be kept intact and only the income therefrom shall be used. Such income will be placed in a fund to be known as the "Jessie Ellars Hackett Scholarship Fund," and shall be used for scientific research work in the College of Agriculture, or any other College in the University of Illinois, at Urbana, Illinois, where such research will especially benefit agriculture; such scholarships shall be granted to students of either sex on the basis of high scholastic standing, with preference given to those in actual need of assistance. They shall be restricted to unmarried citizens of the United States, of good, moral character, and sound physical health, preference to be given to students from Douglas County, Illinois, if any are eligible. The Board of Trustees of the University of Illinois, or their duly authorized agent, or officer, shall determine the eligibility of all applicants for scholarships.

Nichols and Jones, Attorneys at Law of Tuscola, are attorneys for the estate.

I recommend that this bequest be accepted.

On motion of Mr. McLaughlin, this bequest was accepted.

BEQUEST OF DR. AND MRS. SAMUEL M. WYLIE
(23) The joint will of the late Dr. Samuel M. Wylie and his wife, Mrs. Emily J. Wylie, of Paxton, makes the University of Illinois the beneficiary of certain property in the event the Carnegie Public Library at Paxton, named as prior legatee, fails to provide facilities for proper housing of the property. Since the Carnegie Public Library at Paxton was unable to provide such facilities, the University has accepted the library, the cases in which the books are housed, an oil portrait of Napoleon, two framed bronze plaques, three swords, and two guns. The selection of the property was made by Professor R. B. Downs, Director of the University Library.

I have authorized the acceptance of this property and request confirmation of my action. I also recommend that suitable recognition of the gift be made by identifying each display of the articles composing this bequest with a notation that it is the gift of Dr. Samuel M. Wylie, of Paxton.

A letter expressing the thanks of the University for the gift has been sent to Mrs. Frances Wylie Condit, of Rantoul, Illinois, heir of the estate, with the request that she extend the appreciation of the University to the other heirs.

On motion of Mrs. Watkins, this bequest was accepted.
DECISION OF THE CIRCUIT COURT OF COOK COUNTY IN THE CASE OF IDA B. BLACKBURN, ET AL., VS. THE BOARD OF TRUSTEES

(24) When the Research and Educational Hospitals were operated jointly by the University and the State Department of Public Welfare, the Department provided elementary school instruction for crippled children who were patients in the Illinois Surgical Institute. The teaching positions were under State Civil Service. When the University took over the complete management and operation of the Hospitals, it also took over all the employees formerly in the Department of Public Welfare, including three teachers.

In 1948 the University decided to discontinue the function of providing instruction for children patients in the Hospitals on the ground that this is a responsibility of the Board of Education of Chicago. The three teaching positions were discontinued and the teachers were given "layoff" notices on July 1, 1948.

These teachers instituted mandamus proceedings in the Circuit Court of Cook County challenging the right of the University to discontinue the teaching function. Subsequently, the Board of Education of Chicago became a defendant in this case.

In a decision handed down on September 8, 1950, Judge Harry M. Fisher of the Circuit Court of Cook County sustained motions of counsel for the University and the Board of Education of Chicago to dismiss the complaint and thereby in effect held (a) that the University has a right to abolish and discontinue the teaching of children patients of the Illinois Surgical Institute for Children and (b) that the University may permit and the Chicago Board of Education may undertake a teaching program for such children.

The plaintiffs were given twenty days within which to file an amended complaint. If they do not file an amended complaint within that time, the case will finally be dismissed. However, the plaintiffs could appeal the decision to the Appellate and to the Supreme Courts.

This report was received for record.

**REPORT OF COAL RECEIVED FROM THE REPUBLIC COAL AND COKE COMPANY DURING THE PERIOD APRIL 2 TO JUNE 30, 1950**

(26) In accordance with the request of the Board of Trustees, quarterly reports have been submitted of coal deliveries by the Republic Coal and Coke Company during the year 1949-1950.
The contract specified that the vendor was to deliver 3,000 tons of coal during April and 3,400 tons of coal during May. However, due to the lack of coal deliveries during the coal strike of February and March and the depletion of the stock pile, the vendor was requested to make up for the previous lack of deliveries by delivering as much coal as could be unloaded during April and May. A total of 14,586 tons was delivered. Since the coal received during this period went directly to the stock pile, the coal could not be sampled in accordance with the terms of the contract—that the sampling be made from the automatic sampler in the coal conveyor leading into the Power Plant. Random samples taken from the stock pile indicated that the coal purchased from Republic Coal and Coke Company was better than any coal that could be obtained elsewhere at a comparative price.

This report was received for record.

REPORTS OF THE FINANCE COMMITTEE

(28) The Finance Committee reports the following transactions:

Exchange of Government Securities

The 1 1/4 per cent United States of America Certificates of Indebtedness Series G held in connection with the trust fund under the Navy Pier lease matured on September 15, 1950. The United States Government offered for purchase Certificates of Indebtedness Series A 1 1/4 per cent due January 1, 1951, to yield approximately 1.29 per cent.

Under the authorization of the Finance Committee of the Board of Trustees and upon recommendation of the First National Bank of Chicago, the purchase of the new Certificates was authorized and is now reported to the Board of Trustees.

Deposit Funds

Purchase: U. S. A. 90-day Treasury Bills due December 7, 1950....$24,917.85

Endowment Funds

Exchange: $30,000.00 U. S. Certificates of Indebtedness, 1 1/4 per cent, due July 1, 1950, for $30,000.00, 1 1/4 per cent Treasury Notes due August 1, 1951.

This report was received for record.

BOND OF UNIVERSITY TREASURER

(29) When Mr. Irvin L. Porter was elected Treasurer of the University on March 10, 1940, for two years, his bond was fixed at $3,000,000. It has been the practice of the Board to require a bond that would cover the balance in the hands of the Treasurer at all times.

Since the foregoing action, the balance has increased considerably and is continuously above $4,000,000 with little likelihood of a decrease. Mr. Porter has filed a new bond in the amount of $5,000,000 with E. E. Brown, James B. Forgan, and Homer J. Livingston as sureties.

The Finance Committee recommends the acceptance of this new bond in place of the bond previously filed.

On motion of Mr. McLaughlin, the recommendation of the committee was adopted.

1 Deduct.
QUARTERLY REPORT OF THE COMPTROLLER

(30) The Comptroller presents his quarterly report to the Board as of June 30, 1950.

This report was received for record.

AWARD OF CERTIFICATES OF CERTIFIED PUBLIC ACCOUNTANT

(31) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to Lloyd Robert Ahlf, Indiana, and Cyril Hopkinson, California, who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law.

I concur.

On motion of Mr. Fornof, these certificates were awarded as recommended.

CONTRACTS FOR HOUSING

REVISION OF UNIVERSITY STATUTES

(32) The University Statutes provide that all "minor contracts and those involving the purchase of ordinary supplies, advertising and publicity material, and other routine matters in the ordinary operation of University affairs, shall be signed by the Secretary of the Board of Trustees and by the Comptroller of the University, to whom authority is hereby delegated by the Board for such purpose."

The expansion of student and staff housing on the Urbana campus has greatly increased the number of leases required for such accommodations. Approximately 500 leases with staff members and 6,500 contracts with students are entered into annually. It is desirable to centralize this in the office of the Director of Housing.

The Director of the Physical Plant and the Comptroller recommend that the University of Illinois Statutes be amended to provide that:

"All contracts and leases for board and rooms or other housing facilities under the jurisdiction of the University Housing Director will be executed in the name of the Board of Trustees by the Director of Housing or by those to whom he delegates authority to sign for him. Such contracts and leases shall be in a standard form approved by the offices of the Legal Counsel, Comptroller, and the Director of the Physical Plant and shall conform with schedules of charges approved by the Director of the Physical Plant and the Comptroller."

I concur.

On motion of Mr. Livingston, this amendment was adopted.

JAMES D. PHILLIPS ESTATE

(33) As previously reported to the Board, Mr. James D. Phillips, Class of 1893, bequeathed to the University one-half of the residue of his estate to be used for scholarships. From the income of this fund, the sum of $250 is to be paid annually to an annuitant during her lifetime. The University of Wisconsin is the beneficiary of the other half of the estate.

The estate is now ready for distribution. The University has been advised that it will be necessary to appoint a California corporation as trustee and the Security First National Bank of Los Angeles, executor of the estate, has been suggested.

The Legal Counsel's office of the University of Illinois and the Attorney General's office of Wisconsin express doubts as to a legal requirement that a California corporation act as trustee. It is preferable that each University act for itself as trustee, but the size of the estate does not warrant extended litigation to establish this right.
The office of the Legal Counsel and the Comptroller request that the Board join with the University of Wisconsin in requesting the attorney for the executor to seek a court ruling. If the court rules that a California trustee is necessary, the Comptroller recommends that the Board of Trustees assent to the appointment of the Security First National Bank of Los Angeles.

I concur.

On motion of Dr. Meyer, this recommendation was approved.

ESTATE OF ALBERT BELLAMY

The will of the late Albert Bellamy, Class of 1881, who died January 13, 1948, in Oak Park, Illinois, includes the following bequest to the University of Illinois:

"23. When all of my just indebtedness has been paid, and when all of the specific legacies above listed have been turned over by my Executor to the persons entitled thereto, then I want the balance of my estate to be divided by the Executor into two equal parts, and when thus divided I want my Executor to pay the full equal one-half part of my net estate to the proper officers or authorities, of the organization that now exists as THE UNIVERSITY OF ILLINOIS, located at URBANA in this State, which organization has for its generous object the helping of students at the University of Illinois, who need financial assistance in the procuring of an education. As I write this instrument I do not have the correct name of this organization but I know that it is now functioning in the assistance of students who need financial help, and I know that my Executor knows the name of the organization that I have in mind and I am now directing that the full equal one-half part of my net estate shall be paid over to the proper officials of such organization and I want the money used in assisting needy students to acquire an education."

The other half of the net estate goes to Blackburn College at Carlinville, Illinois. There were specific bequests of $18,000.

The will has been probated and a considerable proportion of the estate reduced to cash and payment of specific bequests has been made. There is now available for payment to the University of Illinois the sum of $55,862.09. The sum of $10,000 is retained against the remote possibility of further tax assessment.

The Administrator requests that the Board of Trustees assent to the conditions of the will as they affect the University and authorize the acceptance of the distribution of $55,862.09 now offered and any additional funds that may accrue.

The office of the Legal Counsel and the Comptroller recommend the approval of this request.

I concur and at a later time will recommend a plan for the use of the fund.

On motion of Mr. Livingston, this recommendation was approved.

UNIVERSITY OF ILLINOIS FOUR-YEAR REPORT

At this point the President of the University submitted a report on the state of the University covering the period 1946 to 1950. Copies of the report were distributed to all Trustees at the meeting and were subsequently sent to the absentee members. A copy was filed with the Secretary of the Board for record.

On motion of Mrs. Watkins, publication of this report was authorized.

BIENNIAL BUDGET 1951-1953

The President presented the following recommendations for the biennial operating budget of the University for the two years beginning July 1, 1951, covering all funds for which appropriations are made by the General Assembly. These estimates are submitted as the proposed basis for the budget to be filed with the Department of Finance on or before November 1, 1950, as required by law.
The Sixty-sixth General Assembly appropriated to the University of Illinois for operation for the biennium beginning July 1, 1949 (excluding special appropriations of $2,064,114 for Services for Crippled Children and $143,000 for the Institution for Tuberculosis Research), the sum of...

For the biennium starting July 1, 1951, I recommend that the University of Illinois request increases as follows:

I. Statutory and Contractual Increases:
   A. Increased employer contributions to the University Retirement System
   B. Payments for the new steam plant at the Chicago Professional Campus

II. Increases necessary to put new facilities into operation:
   A. Chicago (Hospital Addition)
   B. Urbana-Champaign

III. Increases essential to staff and departmental development:
   A. Salary and wage rate increases
   B. Increases to promote growth and development

IV. Estimated savings due to lower enrollments in 1951-1953:

Net increase requested from tax funds

V. Revolving increases, covered by additional income:
   A. Increases resulting from increase in dollar volume of auxiliary enterprises

Total increase requested, all funds

Total biennial appropriation requested

The funds appropriated in 1949-1951 are being used for the comprehensive educational, research, and public services reported to the General Assembly. The University of Illinois has continued to fulfill its promises to veterans. Large areas of teaching and research have been brought abreast of world advances in science and technology. The services of the University have been expanded in order to meet the needs of the State.

In the spring of 1950, the deans, directors, and general administrative officers were asked to submit preliminary requests for the 1951-1953 biennium. These requests were presented to the University Council in July. They called for an increase of $18,202,105 over the present biennial appropriation. After extensive discussion, the officers concerned were asked to give further study to the proposed programs and to revise their original decisions substantially downward.

The revised requests as submitted to the President's office came to a total increase of $13,660,475 for the biennium.

For reasons to be cited in this report, I am not recommending such an
increase to the Board of Trustees. The deans and directors performed a valiant service in reducing their askings by $4,500,000. They eliminated many items earnestly in demand. Nevertheless, I feel that the temporary decline in enrollment, the general economic situation in 1950, and the uncertainties of the immediate future require a further reduction.

In the interest of prudent operation, I am requesting a biennial increase from tax funds for 1951-1953 of $8,829,835. This sum includes $1,514,464 for contractual obligations; to this we are committed. It also includes the sum of $3,715,371 in order to put newly constructed facilities into operation. Salary and wage adjustments of only 5 per cent, on the average, will cost $2,400,000. To permit a normal rate of growth in various important areas of teaching and research, the sum of $2,200,000 is needed. The estimated savings in departmental budgets due to smaller enrollments are $1,000,000.

An earned income increase of $1,500,000 from auxiliary enterprises (student and staff housing, food services, bookstores, etc.), added to the appropriation, brings a total increase, from all sources, of $10,329,835.

I. Statutory and Contractual Increases

A. Additions to Retirement System Appropriations

In 1941 the General Assembly passed an Act establishing the University Retirement System of Illinois. It provides disability, death, and retirement benefits for all permanent staff members and employees of the University and of other state-supported institutions of higher education and the state scientific surveys.

The University of Illinois' share of the cost of the System is regularly included in the appropriations to the University. It is computed on an actuarial basis. The amount of this item for the current biennium is $1,579,618. Because of increased staff, increased scale of compensation, and the larger number of persons retiring, additional funds of $406,600 for two years are required.

B. Central Steam Plant

The enlarged hospital could not be serviced by the steam available in present facilities. It was necessary to erect a new plant. Two years ago, an appropriation of $6,400,000 was requested for the plant and distribution lines. To obviate the necessity of such a capital appropriation, the University, with the approval of the Governor and the Director of Finance, concluded a contract with the Medical Center Steam Company, a corporation organized by officers of Commonwealth Edison Company. This plant is being built and will be operated on a nonprofit basis by the Company. The University will eventually pay the entire cost of operation, including amortization and interest on funds borrowed (80 per cent of cost) to construct the building. The estimated cost of the steam plant is $5,900,000 and the amortization period is thirty years. At the end of this time (or sooner by prepayments which are allowable) the plant will become the property of the University of Illinois.

The University is authorized to sell steam to other governmental and educational agencies. A contract has been made with the State Department of Public Health which has contributed a sum representing the increased capital investment required for services to the Tuberculosis Hospital. A contract has been made also with the Veterans Administration for services to its new hospital, on a basis that will recover all costs. The plant now being built is of sufficient capacity to provide services for needed new additions to the instructional facilities of the Professional Colleges. The steam plant will also serve the new housing units that the University is endeavoring to construct through private loans.

The Steam Plant contract will require additional appropriations in the coming biennium, estimated at $1,107,864, as follows:

II. Increases Necessary to Put New Facilities into Operation

A. Hospital Addition, Chicago

In the appropriation for buildings (1949), there was an item of $8,200,000 (including amounts incorporated in equipment and contingencies) for an addition to the Research and Educational Hospitals in Chicago. These funds provide for a net addition of 364 beds, together with necessary laboratory and technical facilities such as operating rooms, emergency rooms, teaching and clinical laboratories, X-ray facilities, physicians' offices and examining rooms, diet kitchens, food service and general building services. Provision for the care of ambulatory patients is also included.

As stated during the last sessions of the General Assembly, the need for this addition was critical. With the largest class of any medical school in the country, the hospital facilities of the University provide about 2.3 beds, as compared with the standard requirement of four beds per clinical student set by the accrediting agencies. This is below the average for other medical schools and below the minimum required for the best quality of instruction. If cordial relations were to be maintained between the College of Medicine and national accrediting agencies, the addition had to be built. The enlarged hospital will provide 3.2 beds per clinical student.

Everyone should be mindful of the fact that the facilities of the Research and Educational Hospitals are available chiefly to those who cannot pay for hospital services. Failure to provide additional facilities would have left thousands of needy patients with the choice of getting no help at all or of seeking help from some other tax-supported agency.

Since 1940 the per diem cost per patient for hospital services has increased 120 per cent. This figure is obtained from Blue Cross and is based on rock-bottom costs.

The cost per patient day is estimated at $17.16; the corresponding figure in a comparable Chicago hospital is $19.20.

To place the new Hospital in operation will call for the following expenditures for the coming biennium, over and above expenditures now being made to maintain and operate the present Hospitals:

<table>
<thead>

<td>358,086</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>$3,284,515</strong></td>
</tr>
</tbody>
</table>

The budget above will require the addition of approximately 542 academic and nonacademic persons (full-time equivalent) to the staff of the University.

B. New Buildings at Urbana-Champaign

Two new buildings at Urbana-Champaign were provided by state appropriations in 1949: the Veterinary Medicine Building at a total cost of $1,800,000 and the Animal Sciences Laboratory at a total cost of $2,500,000, including equipment for both. They were paid for by money transferred from the Agricultural Premium Fund.

As indicated to the preceding General Assembly, these buildings are necessary in order to provide (a) instruction and research in veterinary medicine and (b) additional facilities for agricultural research in food production, preservation, and distribution. It is of great importance to the agricultural people of the state that these new facilities be put into service as soon as completed. They will be ready for operation during the 1951-1953 biennium and will require added funds, including professional services, physical plant operation and maintenance, and other non-academic services.

The Physics Research Laboratory which houses the Betatron was completed during the current biennium; professional staff are required for its research programs. Certain other minor new facilities will be ready for operation.
The increases needed are:

**Veterinary Medicine Building**
- Professional service: $69,600
- Plant operation and maintenance: $58,472

**Animal Sciences Laboratory**
- Professional service: $95,760
- Plant operation and maintenance: $57,112

**Betatron — Professional services:** $97,000

**Other facilities:** $52,912

**Total (two years):** $430,856

### III. Increases Essential to Staff and Departmental Development

#### A. Salary and Wage Rate Adjustments

The deans and directors were asked to submit recommendations regarding increases in the scale of compensation for both academic and nonacademic staff. The issues, as they affect the welfare of the University and its relation to the total economic situation, were fully discussed in the July meeting of the University Council. There was unanimous agreement that a sum should be provided that would make possible merit increases on an individual basis. The worth of a university depends wholly on its staff; the more distinguished it becomes, the more frequent will be the calls to other institutions or to industry, commerce, and governmental agencies.

For the past two biennial periods, the General Assembly has recognized these circumstances and it has granted the University sufficient funds to secure and retain a staff which would create a stimulating educational experience for students and help the people of the State through research and service. For the biennium 1949-1951, a fund equal to 10 per cent of the wages and salaries of all persons employed at the beginning of the biennium ($4,032,760) was actually spent. Since some of the increases were not made until the second year of the biennium, the effective amount of increase on an annual basis was $2,402,012, or $4,804,024, for the biennium.

These increases, added to earlier cost-of-living adjustments, have brought most of the staff in line with changes in the cost of living since 1941. Some of the non-academic groups have fared much better than the average, and the nonacademic group, as a whole, has fared better than academic staff members. Prevailing local wage rates have been adopted as soon as such rates have been established. However, the University is in a good competitive situation with respect to academic talent.

In order to retain these incentives to quality and continued growth, the deans and directors requested for 1951-1953 a fund of $2,887,106 (revised from first requests of $3,449,437) to cover all salary and wage increases. These askings have been further pared in my office.

Barring a material increase in the cost of living, it is urgent that a fund of $2,400,000 be included, based on the following needs:

(a) To provide increases on an individual and selective basis for the academic staff;

(b) To meet changing rates for prevailing rate groups, assuming they do not exceed moderate amounts, and

(c) To provide comparable adjustments in salaries and wages for nonacademic employees who are not under prevailing rate agreements.

The reduction in the requests of the deans and directors for salary and wage increases from a total of $3,449,437 to $2,400,000 will create a serious problem if national and international events cause a further increase in the cost of living. The Bureau of Labor Statistics index now stands where it did two years ago, but the trend of this index in recent months has been upward. Recently wage increases have been negotiated in many industries.

#### B. Growth and Development

The enrollment of the University will decline by moderate amounts during the next biennium. The enrollment of undergraduate students will decline somewhat more rapidly, but there will be continued large enrollments in the expensive branches of instruction, including the Professional Colleges in Chicago and the Graduate College. Except for special areas where initial investments in personnel and facilities must be protected, major additions to the staff or to expense and equipment budgets are not required.
It is not proposed to start new lines of work during the 1951-1953 biennium. For the most part, a good balance has been struck between
(a) The usual and wholly basic elements of teaching and research in a university,
(b) The new areas of science, technology, art, and general education opened up during World War II,
(c) The pressing demands of students for types of training that will enable them to earn a living, and
(d) The reasonable expectations of the people of the state for special services.
In some areas, however, a "down payment" has been made on staff and facilities; the first installments could be lost if further payments are not made. Hence the original requests of the deans and directors contained a sum of $5,595,994, for the biennium for:
(a) Staff additions other than those included in the list of essential and contractual increases,
(b) Additions to regular expense and equipment budgets because of rising costs of supplies, and
(c) Nonrecurring expenditures for needed laboratory alterations and equipment.
A clear case was made for all these additions. Nevertheless, I feel that the emphasis must be placed on the consolidation of existing programs and activities. Only those additions should be made that will enable the several divisions to use to full advantage the personnel already appointed, adding to existing staff and budgets only where the need is urgent.
Some of the areas in which further installments in behalf of progress are thoroughly justified are the following:
(a) An increasing number of doctors and dentists are taking graduate work. This is the primary source of teachers and of research specialists in health and medicine. In addition to the clinical and technical staff for the Hospital addition, therefore, each of the professional colleges in Chicago will require personnel and expense funds for graduate studies. At the Professional Colleges, the Ph.D. degree is now offered in nine fields, and the Master of Science degree in eighteen fields.
(b) The major areas in agriculture should move steadily forward. Some staff additions and increases in expense and equipment are needed in marketing grain and livestock, the utilization of new materials in farm construction, soil fertility studies, the graduate program in animal science, and the unique program at Dixon Springs Experiment Station.
(c) The new Department of Food Technology needs further staff additions in the chemistry of oils, proteins, cereals, and fruits, and in microbiology.
(d) Forest nursery operations, already begun on a new tract, require increased support.
(e) The whole curriculum in Home Economics is being reorganized and the graduate program strengthened. Better facilities and added staff are needed in family housing, nutrition, child care, textiles and clothing, and home management.
(f) A graduate program for the College of Law rounds out years of steady progress toward the highest distinction. A new staff member and further funds for operating expense and for the law library are needed.
(g) Advanced instruction and research in support of industrial development and national safety are desirable.
(h) After years of study, the University of Illinois and the National Architectural Accrediting Board have agreed on a five-year program, with new graduate work in such fields as building construction and industrial design. Increased strength and facilities are required in the rapidly developing field of graphic arts, including printing and photography.
(i) The College of Education, now nearing the top, should not lose momentum. Staff and facilities are needed for experimental and classroom studies in counseling and guidance, in curriculum study and in methods of teaching. The Psychoeducational Clinic for the diagnosis and remedy of faulty reading habits and other handicaps also needs further support.
(j) The College of Liberal Arts and Sciences, the taproot of the technologies and applied sciences and the source of the offerings in general education, should continue to grow in stature. Further staff and operating expenses are needed in such areas as bacteriology, plant pathology, classics, creative writing, phonetics, cartography, clay mineralogy, statistics, radiobiology, and social and clinical psychology.
(k) A marked increase in the scope of the activities of the College of Commerce
and Business Administration should be supplemented by further facilities in secretarial training, marketing, and business statistics.

(1) The new Division of Communications, strongly supported by student choices in programs of study, needs funds for teaching and research in audio-visual aids and other forms of communication, in radio, advertising, editorial training, and in the new program of writing, directing, producing, and presenting to the public programs for television. Generous gifts are expected to provide the basic equipment, but added staff and operating expenses are of high priority.

(m) Other areas in which initial developments need safeguarding include the program in music in the high schools, the Small Homes Council, the School of Physical Education with its program of health education in the schools and of recreation in industries and communities, the University Library microfilming activities, and the Graduate College that, more clearly than before, has become the summit in public education in advanced scholarship and research.

In a final effort to get this part of the increase in the budget on a "bed-rock" basis, deans and directors were asked on September 25 to indicate the minimum sums required to cover items of highest priority. The result is shown in the following tabulation:

For the purpose of meeting in part the needs above, all of which will be subject to further study and to reallocation in terms of actual enrollment and research needs, I am recommending an additional $2,200,000 for the biennium.

This budget is a drastic reduction from what the deans and directors feel they should have in order to make progress at a satisfactory rate. In general, except for salary and wage rate increases, divisions will have to operate with about the same amount of money for the coming biennium as for the current biennium.

The bulk of the new funds will go into the contractual and new facilities requirements described earlier. The major portion of these funds ($4,392,479) will go to the Chicago Professional Divisions. The large amounts of money required there make it inevitable, at the present time, that the new askings for other purposes be severely restricted.

IV. Estimated Savings Due to Decreased Enrollment

The total enrollment in the University of Illinois in 1949-1950 was larger than in 1948-1949; at Urbana-Champaign it was the highest in the history of the University. For 1950-1951, however, a downward turn of about 10 per cent has occurred

1 Decrease.
at Urbana-Champaign and at the Chicago Undergraduate Division (Navy Pier). This trend probably will continue through the next biennium, resulting in an average decrease of about 2,000 students per year in undergraduate classes. The Graduate College is increasing steadily. Dentistry, Pharmacy, and Medicine will be operating at full capacity in all classes.

A pro rata saving based on decrease in enrollment is not possible. Classes have to be maintained, even if smaller. However, a substantial saving can be effected. Our present estimate of the amount is $1,000,000 for the two years.

V. Revolving Increases

In spite of decreased enrollment and of decreased income from veterans' tuition, the resources of the income fund for the educational budget for the next biennium are estimated to be equal to those for the current biennium. There should be an unappropriated balance at the end of the present biennium, because of savings in 1950-1951. Also, outstanding accounts receivable for veterans' tuition will not be collectible until the next biennium.

The operations of the income fund are increasing as a result of more auxiliary, self-supporting activities (such as housing, food service, and bookstores). These operations will result in an estimated addition of $1,500,000 to the income fund. The total amount must be applied to the operating expenses of these activities.

Summary

To summarize, the resulting total expenditures for the coming biennium, as compared with the present biennium, would be as follows:

Needless to say, there is more than the usual amount of uncertainty in predicting state and national trends. The University may be called upon for extraordinary services in instruction and research. The issue of war or peace is upon us; it affects all the decisions of youth and much of the work in our campus and field laboratories.

To meet all contingencies, I believe we should hold the University to its standards. Already there is a noteworthy sentiment in the military establishment for keeping intact the aims and programs of the higher institutions of learning.

The Provost and the Vice-President also made statements in support of these estimates.

Following extended discussion in which all members of the Board present participated, on motion of Mr. Livingston the President of the Board and the President of the University were empowered to use these estimates as the budgetary needs of the University and to discuss them with the Governor, the Illinois Budgetary Commission, and other state officials and legislative leaders.

AFFILIATION OF GRANT HOSPITAL WITH COLLEGE OF MEDICINE

(36) Dr. Meyer reported that the Committee on the Chicago Departments has considered the proposal, referred to it at the Board meeting on April 19, 1950, that Grant Hospital of Chicago be affiliated with the College of Medicine and moved approval.

This motion was adopted.

LEASE OF SPACE IN ARCADE BUILDING TO JOHN KATSIAS

(37) Mr. Livingston stated that he was asked to request consideration by the Board of the extension of the lease of space in the Arcade Building operated by Mr. John Katsinas, of Champaign, as a restaurant.

This matter was referred to the President, the Comptroller, the
Director of the Physical Plant, and other appropriate officials for consideration and a recommendation to the Board.

SECRETARY’S REPORTS
The Secretary presented for record the following lists: (1) report of contracts signed by the President and the Secretary of the Board, and deposited with the Secretary since the last report; (2) appointments made by the President; (3) graduate fellows; (4) resignations and declinations; (5) leaves of absence; (6) degrees conferred in August, 1950.

SECRETARY’S REPORT OF CONTRACTS

President
This Page Intentionally Left Blank
The October meeting of the Board of Trustees of the University of Illinois was held at the LaSalle Hotel, Chicago, Illinois, on Thursday, October 26, 1950, beginning at 11 o'clock a.m.

The following members were present: President Williamson, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Doctor Meyer, Mrs. Watkins.

President Stoddard was present; also Provost C. R. Griffith, Vice-President A. C. Ivy, Dean Stanley W. Olson of the College of Medicine, Dean C. C. Caveny of the Chicago Undergraduate Division, Comptroller Lloyd Morey, Professor W. C. Huntington, Chairman of the University Building Program Committee, Mr. Howard Hazleton, Business Manager of the Chicago Colleges, Mr. J. F. Wright, Director of Public Information, Mr. Irvin L. Porter, Treasurer, and Mr. A. J. Janata, Secretary of the Board.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of July 25, 1950, press proof copies of which had been sent to the Trustees on October 19, 1950.

On motion of Mrs. Watkins, these minutes were approved as printed on pages 1 to 334, inclusive.

427
CONDITIONS IN THE COLLEGE OF COMMERCE
AND BUSINESS ADMINISTRATION

Mr. Hickman read the following statement which was issued publicly as representing the judgment of the Board of Trustees:

The Board is not unaware of the controversy in the College of Commerce. It is under careful and active consideration by the Board, with a view that a solution for the best interests of the University will be reached. While a speedy solution is desirable, speed should be subordinated to a correct and equitable solution of the problem.

Telegram from Senator Everett R. Peters

President Williamson read the following telegram received by the Secretary from State Senator Everett R. Peters:

Champaign, Illinois
October 25, 1950
3:15 P.M.

A. J. Janata, Secretary of the Board of Trustees
353 Administration Building West, University of Illinois
Urbana, Illinois

Please present following message to Board Thursday: Due to the concern of many friends of the University over the situation in the College of Commerce, I think it would be wise if Board of Trustees would hear Dean Bowen and Executive Committee of the faculty of the College of Commerce in the very near future. I feel this situation is serious enough that the Board of Trustees, who are elected to manage and control the affairs of the University, should conduct these hearings and render a prompt decision so that we will be able to present a united front in the Legislature on behalf of the University of Illinois, as we always have.

Senator Everett R. Peters

President Stoddard expressed his appreciation of Senator Peters' concern and his desire to find a solution consistent with justice and University progress. Since the Senator has not had the benefit of the discussions by the Board of Trustees of conditions in the College of Commerce, President Stoddard suggested that the President of the Board, the President of the University, and a special committee of the Trustees meet with Senator Peters to discuss with him the issues involved.

On motion of Mr. McLaughlin, this suggestion was adopted and the appointment of a special committee was authorized. President Williamson later announced that he had appointed Messrs. Fornof, Hickman, Livingston, and McLaughlin to serve with the President of the Board and the President of the University as a special committee for this purpose.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following recommendations and reports presented by President Stoddard.

STATE APPROPRIATIONS FOR BUILDINGS AND OTHER CAPITAL IMPROVEMENTS FOR THE BIENNIAL 1951-1953

(1) I am submitting herewith a proposed program for capital expenditures for the 1951-1953 biennium of $25,575,000 for the Urbana-Champaign campus and $14,005,000 for the Chicago Professional Colleges campus, a biennial total of $39,580,000.

This recommendation is based upon the report of the Building Program Committee and the advice of the University Council. A copy of the complete report of the Committee is hereby submitted to each member of the Board. (A copy has also been filed with the Secretary of the Board as a matter of permanent record.)
It includes a discussion of the building needs as a whole, the reasons for all recommendations for the coming biennium, and the explanation of each specific project.

The report also lists additional items in two priority groups, which are deferred for consideration for future biennial periods.

I recommend that authority be given to submit this request, in the total sum of $39,580,000, to the State Department of Finance and other budgetary authorities as representing the needs of the University for the coming biennium.

BUILDING PROGRAM FOR URBANA AND CHICAGO CAMPUSSES

RECOMMENDED BY THE BUILDING PROGRAM COMMITTEE
FOR CONSIDERATION BY THE PRESIDENT AND BOARD OF TRUSTEES

FOR THE 1951-1953 BIENNIAL

October 15, 1950

Cost estimates were prepared by the Physical Plant Department from floor areas recommended by the Committee and include allowances for furniture, laboratory equipment, landscaping and site development.

Order of listing has no priority significance.

President Stoddard, Vice-President Ivy, Dean Olson, and Professor Huntington discussed the report and recommendations.

On motion of Mr. McLaughlin, the Committee on Buildings and Grounds and the Committee on Agriculture were designated to hear individuals or delegations who desire to appear before the Board in support of a Home Economics Building. The Buildings and Grounds Committee was also requested to hear any parties desiring to appear in support of any other building project.
Following extended discussion by members of the Board, on motion of Mr. Livingston, the President of the Board and the President of the University were authorized and directed to present this capital budget to the State Department of Finance, the Illinois Budgetary Commission, and other state officials and legislative leaders as representing the needs of the University for funds for buildings and other permanent improvements for the biennium of 1951-1953.

Mr. Livingston also offered a motion expressing the appreciation of the Trustees to the Building Program Committee and its representatives who appeared before the Board for their fine work in presenting a comprehensive, informative report, and this motion was adopted.

At this point, Doctor Meyer withdrew from the meeting.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(2) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

- IVAN OLE BULL (Iowa)
- ROBERT MARTIN BURLINGAME (Tenn.)
- AL PATRICK CHATTERTON (Mo.)
- THOMAS JOSEPH McGARRY (Mo.)
- ROBERT MARTIN BURLINGAME (Tenn.)
- ISIDORE CONNELL SALTZMAN (N.Y.)
- ROBERT S. TORGERSON (Wis.)
- AL PATRICK CHATTERTON (Mo.)
- ROBERT S. TORGERSON (Wis.)
- GEORGE H. WINCHELL (Minn.)

I concur.

On motion of Mr. Hickman, these certificates were awarded, as recommended.

APPOINTMENTS TO THE FACULTY

(3) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees:

1. ROBERT LEIGHTON CARMIN, Assistant Professor of Geography, beginning February 1, 1951, at an annual salary of $5,000 (D).
2. BUER ROREX PATTERSON, Assistant Professor of Physical Education for Men, beginning September 1, 1950, at an annual salary of $1,200 (B20), and Head Wrestling Coach for the Athletic Association, at an annual salary of $4,000 (DY80).
3. MRS. DOROTHY E. SHELLEY, Assistant Professor of Hygiene and Medical Adviser for Women in the Health Service, beginning October 1, 1950, at an annual salary of $6,000 (DY).
4. BENSON MATES, Visiting Associate Professor of Philosophy, second semester, 1950-1951, at a salary of $3,500 (G).
5. MONTGOMERIE CHRISTIE STEELE, Research Assistant Professor of Theoretical and Applied Mechanics, Engineering Experiment Station, beginning October 1, 1950, at an annual salary of $5,400 (DY).

On motion of Mr. Fornof, these appointments were confirmed.

APPOINTMENTS TO ADVISORY COMMITTEE OF THE COLLEGE OF PHARMACY

(4) The Dean of the College of Pharmacy recommends the following appointments to the Advisory Committee of that College:

- RALPH A. CARPENTER, Villa Park, for five years (July 1, 1950, through June 30, 1955)
- THOMAS G. CRAWFORD, Director of Personnel, Walgreen Drug Company, Chicago, for one year (July 1, 1950, through June 30, 1951)

Mr. Carpenter is being appointed to succeed Mr. Charles R. Walgreen, Jr., whose term has expired. Mr. Crawford's appointment is to fill the vacancy brought...
about by the resignation, because of poor health, of Mr. W. Edwin Brown of Quincy.

The other members of the Committee are: Harold A. Wild, Joliet; Otto J. Pelikan, Berwyn; David D. Stiles, North Chicago; and John G. Vlazny, Chicago, President of the Illinois Pharmaceutical Association who is a member ex-officio.

I concur.

On motion of Mr. Hickman, these appointments were approved.

DEPARTMENT OF CRIMINOLOGY AND LEGAL MEDICINE

(5) The Dean of the College of Medicine and the Vice-President in Charge of the Chicago Professional Colleges recommend that the Department of Criminology and Legal Medicine in the College of Medicine be discontinued. Its functions will be taken over by other departments.

I concur.

On motion of Mrs. Watkins, this department was discontinued.

CERTIFICATION FOR DIVISION OF SERVICES FOR CRIPPLED CHILDREN

(6) The Vice-President in Charge of the Chicago Professional Colleges has approved the following regulation as Executive Officer of the Division of Services for Crippled Children. It relates to the confidential handling of personal information about individual crippled children under the care of the Division and is required by a federal law.

"All information obtained by the State Agency in the course of administration by the program as to personal facts, circumstances, and identifying details concerning crippled children under the program, including their medical condition and treatment, shall be held in confidence. Information necessary for the provision of care and services to the individual crippled children, or to the family of such child, may, however, be given to persons or agencies participating in such care. Such information may, of course, be disclosed through the Central Office or by the districts when specifically authorized by the Director in summary, statistical, or other form, which does not identify individual children."

I recommend approval of this regulation as a matter of official record.

On motion of Mr. Livingston, this regulation was approved.

REGULATIONS GOVERNING WITHDRAWAL OF UNIVERSITY OF ILLINOIS STUDENTS FOR MILITARY AND OTHER NATIONAL DEFENSE SERVICES

(7) The University Senate recommends adoption of the following regulations relating to the withdrawal of students from the University for military and other national defense services. These are the same regulations, with some slight editorial revision, which were previously adopted by the Board and were in effect during World War II, but which were rescinded by the Board on February 21, 1948. Because of calls of students in the reserves into active service and renewal of inductions under Selective Service, restoration of these regulations is needed.

I concur.

Regulations Governing Withdrawal of University of Illinois Students for Services Pertaining to the National Defense

I. Undergraduate and Professional Students at Urbana and Navy Pier

A. Credit in Courses

1. An undergraduate or professional student at Urbana or Navy Pier, who, after completing the seventh week and before completing the twelfth week of the semester, withdraws from the University in order to enter into active service with the armed forces, or other service pertaining to the national defense which is approved by the University Committee on Selective Service, shall be entitled to receive, without examination, credit for one-half of each course in which he has attained a standing of C or better at the time of his withdrawal. The grade reported shall be that attained in the course up to the time of withdrawal.

2. Where such withdrawal occurs upon completion of the twelfth week of the semester, or later, such student shall be entitled to receive full credit upon like conditions.
3. A student, irrespective of his grade in any course in which he is then registered, who withdraws from the University at any time for any of the above-mentioned reasons shall be entitled at his discretion to take an examination for credit in the course or for credit for only the first half thereof. The grade shall be reported as A, B, C, D, or E.

B. Graduation

1. A student who has been in residence at the University for not less than two full semesters, who has met all requirements for graduation (including minimum scholarship requirements) except those which he would fulfill by completing the courses for which he is registered at the time he withdraws from the University in order to enter into active service with the armed forces, may be recommended for his degree provided he has completed the seventh week of that semester, and provided he has a standing in the courses for which he is registered which, if maintained to the end of the semester, would satisfy the requirements for his graduation. If the withdrawal occurs before the completion of the seventh week of such semester, the student may be recommended for his degree upon passing examinations covering the first half of the subject matter of the courses in which he is then registered.

2. A senior in good standing who at any time leaves the University to enter military service and does so enter within ten days, and who lacks no more than one-sixteenth of the total credit hours required for his degree, may, in the discretion of his College and on approval of his major department, be recommended for such degree. But no student should be considered eligible for this privilege who has acquired hours under the seven-weeks or the twelve-weeks rule previously adopted by the University Senate.

(a) By "a senior in good standing" is meant one whose progress during his University registrations has been satisfactory to the administrative officers of his College. Among grounds for dissatisfaction might be negligence in meeting requirements, or scholastic deficiencies.

(b) "At any time" shall be interpreted to mean "during any semester of residence or the interim between successive semesters." It is not intended that students who, after these rules become operative, stay out of college for any semester, and who thus do not make continuous progress to their degree, shall be eligible for the privilege extended in these rules.

II. Undergraduate and Professional Students in the Colleges of Medicine, Dentistry, and Pharmacy

A. Credit in Courses

1. An undergraduate or professional student in the Chicago Professional Colleges who, after completing the fifth week and before completing the ninth week of the quarter, withdraws from the University in order to enter into active service with the armed forces or other service pertaining to the national defense which is approved by the University Committee on Selective Service, shall be entitled to receive, without examination, credit for one-half of each course in which he has attained a standing of C or better at the time of his withdrawal. The grade reported shall be that attained in the course up to the time of his withdrawal.

2. Where such withdrawal occurs upon completion of the ninth week of the quarter, or later, such student shall be entitled to receive full credit upon like conditions.

3. A student, irrespective of his grade in any course in which he is then registered, who withdraws from the University at any time for any of the above-mentioned reasons shall be entitled, at the discretion of the committee, to take an examination for credit in the course or for credit for only the first half thereof. The grade shall be reported as A, B, C, D, or E.

The individual college reserves the right to limit the number of students who may return at any one time. This provision is essential to avoid overloading.

B. Graduation

1. A student who has been in residence at the University for not less than three full quarters, who has met all requirements for graduation (including mini-
minimum scholarship requirements) except those which he would fulfill by completing the courses for which he is registered at the time he withdraws from the University in order to enter into active service with the armed forces, may be recommended for his degree, provided he has completed the fifth week of that quarter and provided he has a standing in the courses for which he is then registered which, if maintained to the end of the quarter, would satisfy the requirements for his graduation. If withdrawal occurs before the completion of the fifth week of such quarter, the student may be recommended for his degree upon passing examinations covering the first half of the subject matter of the courses in which he is then registered.

2. A senior in good standing who at any time leaves the University to enter military service and does so enter within ten days, and who lacks no more than one-sixteenth of the total credit hours required for his degree, may be recommended for such degree. But no student should be considered eligible for this privilege who has acquired hours under the five-weeks or the nine-weeks rule previously adopted by the University Senate.

(a) By “a senior in good standing” is meant one whose progress during his University registrations has been satisfactory to the administrative officers of his College. Among grounds for dissatisfaction might be negligence in meeting requirements, or scholastic deficiencies.

(b) “At any time” shall be interpreted to mean “during any quarter of residence or the interim between successive quarters.” It is not intended that students who, after these rules become operative, stay out of college for any quarter, and who thus do not make continuous progress to their degrees, shall be eligible for the privilege extended in these rules.

III. Graduate Students

A graduate student who withdraws from the University at any time in order to enter into active service with the armed forces, or other service pertaining to the national defense as determined by the University Committee on Selective Service, shall be entitled to receive such credit for work theretofore done by him as the Professor in charge of his major work and the Dean of the Graduate College, in accordance with the recommendation of the instructor or instructors in charge of the work in which he is registered, deem proper, these officers being guided by policies comparable to those which apply to undergraduate students who withdraw from the University in order to enter into active service with the armed forces, or other service pertaining to the national defense.

On motion of Mr. Hickman, these regulations were approved.

RELEASE OF FUNDS FOR BUILDINGS AND OTHER CAPITAL IMPROVEMENTS

(8) The Governor has approved the following releases of funds from appropriations made to the University of Illinois for 1949-1951 for buildings and other capital improvements.

**Release No. 41**

“For Permanent Improvements at Urbana-Champaign—Construction of extensions to the Utility Distribution Systems” $19,000

This is a partial release from an appropriation of $375,000. The Governor has previously released (Releases Nos. 12, 37, and 39) $191,000 from this appropriation. The funds now released are for the modernization of the transformer vault in the Library.

**Release No. 42**

“For Permanent Improvements at Urbana-Champaign—Additions to Power and Heating Plant and remodeling of existing buildings” $27,000

This is a partial release from an appropriation of $1,215,000. The Governor has previously released (Releases Nos. 6, 13, 14, 16, 23, 24, 30, and 36) $1,135,442 from this appropriation. The funds now released are for an intercommunication system in the Power Plant, painting of the Power Plant building addition, and to provide high-pressure gas service by the extension of a six-inch high-pressure gas main.
Release No. 43

"For Equipment for buildings at Urbana-Champaign and Chicago"........... 25 000
This is a partial release from an appropriation of $680,000. The Governor has previously released (Releases Nos. 2, 18, and 40) $134,603.65 from this appropriation. The funds now released are for the purchase of a motor generator to provide direct current electric service for use in research work at Urbana-Champaign.

Release No. 44

"For Equipment for buildings at Urbana-Champaign and Chicago"....... 17 350
This is a partial release from an appropriation of $680,000. The Governor has previously released (Releases Nos. 2, 18, 40, and 43) $159,603.65 from this appropriation. The funds now released are for purchase of equipment for the Department of Bacteriology in the College of Medicine.

Release No. 45

"For Permanent Improvements at Chicago—Construction of Utility Distribution System and remodeling of existing buildings"............. 6 000
This is a partial release from an appropriation of $190,000. The Governor has previously released (Releases Nos. 10, 26, 28, 35, and 38) $110,192 from this appropriation. The funds now released are for remodeling for the Department of Bacteriology in the College of Medicine.

Release No. 46

"For Equipment for buildings at Urbana-Champaign and Chicago"...... 11 300
This is a partial release from an appropriation of $680,000. The Governor has previously released (Releases Nos. 2, 18, 40, 43, and 44) $176,953.65 from this appropriation. The funds now released are for purchase of microscopes for the Department of Medicine, and purchase of an infrared spectrophotometer for the Department of Biological Chemistry.

I recommend that these funds be appropriated by the Board for the purposes indicated.

On motion of Mr. Herrick, these funds were appropriated, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mrs. Watkins, Mr. Williamson; no, none; absent, Dr. Meyer, Mr. Nickell, Mr. Stevenson.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(9) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

Urbana-Champaign

From funds budgeted for nonrecurring expenditures for equipment:
1. Equipment for the Department of Art.......................... $ 3 200
2. Equipment for the Department of Botany........................ 2 000
3. Remodeling in Woman's Gymnasium (installation of hardwood floor in basement area to increase its utility)................. 1 000

From the General Reserve Fund:
4. Dean of Students, for premium on malpractice insurance covering members of the Health Service Staff....................... 1 680
5. Institute of Aviation, for improvements at the University of Illinois Airport......................................................... 47 500

This will provide matching funds for federal and state aid. The State Department of Aeronautics has $45,000 which can be made available to the University and, subject to appropriation, the federal government will provide not to exceed $90,000.
From the General Reserve Fund:
6. Betatron X-ray tube for Department of Radiology............. 3,000
7. Music, instruments, and repair of instruments for Orchestra and Choral Society............................................................. 750
8. Equipment for Research and Educational Hospitals Laboratory...... 2,340
9. Remodeling in Research and Educational Hospitals.............. 1,260

I concur.

The requests for these assignments of funds have been carefully studied by the Committee on Nonrecurring Appropriations. Reports of the Committee, giving details on each item, are submitted herewith.

On motion of Mrs. Holt, these appropriations were made, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mrs. Watkins, Mr. Williamson; no, none; absent, Dr. Meyer, Mr. Nickell, Mr. Stevenson.

SUPPLEMENTARY APPROPRIATION FOR DEPARTMENT OF AGRONOMY EQUIPMENT
(10) An appropriation of $20,000 was made to the Department of Agronomy (Minutes, June 22, 1950, page 1181) for the purchase and installation of spectrographic analysis equipment required for research programs. Bids received on this equipment indicate that a total of $25,000 will be needed.

The Head of the Department of Agronomy and the Dean of the College of Agriculture request a supplementary assignment of $5,000. The Provost and the Comptroller concur. The Department has an accumulated balance in its income from which one-half of this additional cost can be met.

I recommend that an appropriation of $2,500 be made from the General Reserve Fund and $2,500 from unassigned departmental income for this purpose.

On motion of Mr. McLaughlin, this appropriation was made by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mrs. Watkins, Mr. Williamson; no, none; absent, Dr. Meyer, Mr. Nickell, Mr. Stevenson.

APPROPRIATION TO DEPARTMENT OF ANIMAL SCIENCE
(11) The Head of the Department of Animal Science and the Dean of the College of Agriculture request an assignment of $5,250 from accumulated agricultural income, reserved for agricultural purposes, to pave with concrete a portion of the area west of the swine barn to increase efficiency in experimental work and to provide additional facilities for graduate students doing research work on swine problems.

I concur.

On motion of Mr. Livingston, this appropriation was made by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mrs. Watkins, Mr. Williamson; no, none; absent, Dr. Meyer, Mr. Nickell, Mr. Stevenson.

PAYMENT OF LEGAL SERVICES IN THE CASE OF IDA B. BLACKBURN, ET AL., VS. THE BOARD OF TRUSTEES
(12) The Board of Trustees authorized the employment of the firm of Snyder, Chadwell, and Fagerburg as special counsel in the case of Ida B. Blackburn et al. vs. the Board of Trustees, this being a mandamus action challenging the right of the University to discontinue the function of providing elementary school instruction for children patients in the Research and Educational Hospitals.

As reported to the Board on September 29, 1950 (Minutes, page 374), the Circuit Court dismissed the complaint, thereby ruling in favor of the University. The plaintiffs have decided not to appeal the decision, so that the case is closed.
The Board of Trustees on November 29, 1949 (Minutes, page 945), authorized the payment of $3,112.80 to Snyder, Chadwell, and Fagerburg for services up to that time. The firm has submitted a final bill for $2,253.70, making a total of $5,366.50.

The Legal Counsel's Office recommends that this payment be authorized and that a special appropriation of $2,253.70 be made for this purpose.

I concur.

On motion of Mr. Herrick, this payment was authorized and the appropriation of $2,253.70 was made from the General Reserve Fund by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mrs. Watkins, Mr. Williamson; no, none; absent, Dr. Meyer, Mr. Nickell, Mr. Stevenson.

On motion of Mr. Hickman, the Board voted that in the future members of the Board who are attorneys shall be consulted in advance of employment of special counsel in cases which are likely to involve substantial legal fees.

ASSIGNMENT OF FUNDS BY ATHLETIC ASSOCIATION

The Board of Directors of the Athletic Association has assigned $5,500 from the unappropriated surplus of the Association for the expenses of sending the University Band to Ann Arbor, Michigan, for the Michigan-Illinois game on November 4, 1950.

I recommend approval of this appropriation.

On motion of Mr. Hickman, the action of the Board of Directors was confirmed.

CHANGES IN UNIVERSITY RETIREMENT SYSTEM

The University has a committee representative of the faculty and nonacademic employees which advises the President on matters relating to the University Retirement System of Illinois and its operations. The committee has recommended the following changes in the law establishing the Retirement System:

1. Reduction of vesting period to ten years. As the Act now stands an employee attains a vested interest in Employer Contributions upon the completion of fifteen years of service, at least ten of which are after September 1, 1941.

2. That provision be made that at the time of retirement, if an individual's contributions are sufficient to provide more than his just share of his Retirement Annuity, the excess be used to provide for the individual Additional Annuity, unmatched from state funds.

I have transmitted these recommendations with my endorsement to the Board of Trustees of the University Retirement System.

This report was received for record.

CONSTRUCTION OF SIDEWALK ON RACE STREET

The Director of the Physical Plant and the Comptroller recommend the award of a contract for $1,265 to Wascher Concrete and Insulation Company, Champaign, the lowest bidder, for the construction of a sidewalk on the west side of Race Street from Florida Avenue to Bliss Drive. This is needed to serve the occupants of the residences in the Small Homes Council Staff Housing Research Project area.

Funds are available in the appropriation for this project.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Holt, authority was given, as recommended.

GENERATOR FOR ABBOTT POWER PLANT

The Director of the Physical Plant and the Comptroller recommend the award of a contract for $25,031 to the Buda Company, Harvey, the lowest bidder, for the purchase and installation of a 300 kw. Diesel engine-driven generator in the Abbott Power Plant.
This is the first step in an installation which will include additional switchboard and switchgear to provide an independent power source. To place a generator station in service, an independent power source is necessary to start essential plant auxiliary motors. At present this source is supplied by the Illinois Power Company, but on several occasions this service, supplied through an overhead transmission line, has failed. The installation of a small generator to provide this independent power source was considered when the Power Plant was designed but was eliminated to reduce the construction cost. This installation would also provide means of supplying steam to the campus in the event of future failure of the installed plant switchboards or the stand-by service of the Illinois Power Company. The total cost of this project is estimated at $79,800.

Funds are available in the state appropriation for “Additions to Power and Heating Plant and remodeling of existing buildings.” I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract, subject to the release of funds by the Governor.

On motion of Mr. McLaughlin, authority was given, as recommended.

CONTRACT FOR CONSTRUCTION OF CONCRETE FLOOR SLABS
(17) The Acting Director of the Small Homes Council and the Comptroller recommend the award of a contract for $4,390 to Oran L. Shoemaker and Company, Champaign, the lowest bidder, for construction of four experimental concrete floor slabs on the Home Research Center site at Oak and Armory Streets, Champaign. This construction is part of a research project financed by Levitt and Sons, Inc., New York City, to determine the effect of frost action on various types of foundations supporting concrete floor slabs laid directly on the ground.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, authority was given, as recommended.

CONTRACT FOR FOOD SERVICE EQUIPMENT IN THE ILLINI UNION BUILDING
(18) The Director of the Physical Plant and the Comptroller recommend award of a contract for $3,685 to Swain and Myers, Inc., Decatur, the lowest bidder, for the installation of equipment in the cafeteria in the Illini Union Building to improve the service.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Holt, authority was given, as recommended.

CONTRACT FOR ENGINEERING SERVICES IN UTILITIES DISTRIBUTION SYSTEMS
(19) The utility extension program at Urbana includes construction of a storm sewer along the road north of the Floriculture and Vegetable Greenhouses from a manhole about 75 feet west of the Forestry to a point immediately south of Mumford Hall. Ultimately this sewer will be extended as far west as the Architecture Building.

The Director of the Physical Plant and the Comptroller recommend the employment of Wilson and Anderson, Champaign, for the engineering services on this project at a fee of 7 per cent of the construction costs for preparation of drawings and specifications and for supervision. In the event it appears desirable to provide an engineer for continuous inspection and supervision, such services will be provided on the basis of net wages plus 15 per cent for overhead. The total estimated fee is $3,300.

Funds are available in the state appropriation for “Construction of extensions to the Utility Distribution Systems.” I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Fornof, authority was given, as recommended.
ADDITION TO CONTRACT FOR ARCHITECTURAL SERVICES ON REMODELING PHYSICAL PLANT SERVICE BUILDING

(20) The Board of Trustees has authorized the remodeling of the Physical Plant Service Building (the old Boiler House) and approved a contract with Holabird and Root and Burgee, Architects, Chicago, for architectural services on a fee basis of 4½ per cent of the estimated cost of the project for working drawings and specifications, or 6 per cent of the total cost for complete service if funds are available for the remodeling but not to exceed a maximum fee of $15,000 for all architectural services.

The total cost of working drawings and specifications to date is $7,427.86. Some changes in them have been made during the course of their preparation as the result of changes in the contemplated use of the building and from recommendations relating to construction made by the Building Program Committee. The latter should result in a reduction in construction cost.

The architects have offered to do the additional work on the basis, of the actual cost to them, which is $9,835.58. This will increase the cost of architectural services on the project to $17,263.44.

The Director of the Physical Plant and the Comptroller recommend an addition of $2,263.44 to the previous maximum of $15,000 authorized for architectural services. Funds are available in the appropriation already made for the remodeling of the Physical Plant Service Building.

I concur.

On motion of Mr. McLaughlin, authority was given, as recommended.

ADDITION TO CONTRACT FOR REMODELING OF PHYSICAL PLANT SERVICE BUILDING

(21) The Director of the Physical Plant and the Comptroller recommend an increase of $2,066 in the contract with the R. A. Bland Electric Company of Champaign for the electrical work on the remodeling of the Physical Plant Service Building. After the original contract was awarded by the Board of Trustees on May 19, 1950 (Minutes, page 1126), it was found that the built-in protection for the transformer was not adequate for the safety of workmen when servicing this equipment. It is proposed to install a separate disconnect switch and enclosure for terminals to eliminate the hazard of contact with live parts of the transformer.

Funds are available in the appropriation for this remodeling.

I concur and request that the Comptroller be authorized to execute this contract change.

On motion of Mrs. Holt, authority was given, as recommended.

ADDITIONS TO CONTRACTS FOR CONSTRUCTION OF THE VETERINARY MEDICINE BUILDING

(22) Prior to the securing of bids on the Veterinary Medicine Building there were several changes in the design of the building which made it possible to install the ventilating equipment in the penthouse instead of in Room 24 as originally planned. It was anticipated that Room 24 probably would be used as a laboratory but working out the details of this and other resulting changes was deferred in order not to delay the completion of the drawings and securing bids.

Plans have now been completed for the use of this room and they will improve the facilities for research and diagnostic work.

The Director of the Physical Plant and the Comptroller recommend the following additions to existing contracts:

- General work — John Felmley Company, Bloomington... $1,455
- Heating and ventilating work — National Korectaire Company, Chicago... 3,978

Funds are available.

I concur and request that the Comptroller be authorized to execute these contract changes.

On motion of Mr. Livingston, authority was given, as recommended.
PURCHASES

(23) The Director of Purchases has proposed and the Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest bid.

I concur.

APPROPRIATION AND CONTRACT FOR CONSTRUCTION OF SIDEWALK ON SOUTH CAMPUS

(25) The Director of the Physical Plant and the Comptroller recommend the award of a contract for $1,810 to the Wascher Concrete and Insulation Company, Champaign, the lowest bidder, for the construction of a sidewalk on the South Campus crossing the quadrangle between the Library and the Morrow plots.

An appropriation of $2,250 ($1,810 for the construction contract and $440 for engineering services and contingencies) is required.

I recommend that this appropriation be made from the General Reserve Fund and that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Hickman, this contract was authorized and the appropriation was made, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mrs. Watkins, Mr. Williamson; no, none; absent, Dr. Meyer, Mr. Nickell, Mr. Stevenson.

APPROPRIATION AND CONTRACT FOR REMODELING OF QUARTERS IN THE CHICAGO UNDERGRADUATE DIVISION

(26) The Committee on Nonrecurring Appropriations recommends that an assignment of $14,500 be made from the General Reserve Fund for remodeling of quarters at Navy Pier and for the purchase of equipment to provide additional facilities needed by the Department of Biological Sciences. A report of the Committee giving the details of the improvements requested and a breakdown of the costs is attached.

Bids have been secured on the remodeling work. The Director of the Physical Plant and the Comptroller recommend award of a contract for $7,498.23 to James P. Sherlock, Chicago, the lowest bidder, for this work.

The Director of Purchases and the Business Manager of the Chicago Departments recommend purchase of laboratory furniture and other equipment from the Inter Ocean Cabinet Company, Chicago, the lowest bidder, at a price of $5,626.10.

I recommend that an appropriation of $14,500 be made from the General Reserve Fund, and that the award of a remodeling contract and the purchase of the laboratory equipment be authorized.

On motion of Mr. Livingston, the contract for remodeling and the purchase of laboratory equipment were authorized, as recommended, and an appropriation of $14,500 was made from the General Reserve Fund by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mrs. Watkins, Mr. Williamson; no, none; absent, Dr. Meyer, Mr. Nickell, Mr. Stevenson.
(27) The sixty-sixth General Assembly approved for the biennium 1949-1951 an appropriation of $143,000 for the operation of the Institution for Tuberculosis Research. This appropriation provided funds for research on tuberculosis vaccine. Funds were also included for the operation and maintenance of a new building. However, funds were not appropriated for the construction of the building and the operation and maintenance funds will be lapsed at the end of the biennium. The Institution has located satisfactory quarters in buildings belonging to Cook County so that it is necessary to request an appropriation for the biennium of 1951-1953 for the professional staff only.

The Vice-President in Charge of the Professional Colleges recommends that the University request an appropriation for the biennium of 1951-1953 of $75,200. This budget is based upon the current year's level of operation plus 5 per cent of the salaries and wages figures to provide for merit and other salary adjustments in line with the general University policy.

I concur in this recommendation.

Vice-President Ivy made a statement in explanation of this budget.

On motion of Mr. Livingston, this budget was approved for presentation to the State Department of Finance, the Illinois Budgetary Commission, and other state officials concerned.

(28) The Vice-President in Charge of the Chicago Professional Colleges reported that the Committee on the Chicago Departments of the Board at a meeting on October 23, 1950, considered recommendations from the Director of the Division of Services for Crippled Children relating to the budget of the Division for the biennium of 1951-1953.

It is recommended that a budget of $3,318,720 which provides for no change in policy or philosophy in operation of the Division be approved for presentation to the State Department of Finance.

It is recommended that a supplementary budget of $1,718,700, providing for the cost of extending the services of the Division to Chicago on the same basis as such services are provided for children of Illinois residing outside of Chicago, which budget would represent a change in policy and philosophy in the operation of the Division, be approved only for presentation to the Department of Finance and the Illinois Budgetary Commission as information on the cost of such extension of services in case the Commission, the General Assembly, and the Governor decide that a change in policy is necessary.

On motion of Mr. Hickman, these budget estimates were approved for presentation to the State Department of Finance, the Illinois Budgetary Commission, and the other state officials concerned.

REPORT OF THE COMMITTEE ON THE CHICAGO DEPARTMENTS
On behalf of Doctor Meyer, Chairman, Mr. Livingston presented the following report of a meeting of the Committee held in Chicago on October 23, 1950.

The Committee considered the revised construction budget for the proposed Men's Residence Hall and Faculty Apartment Building at the Chicago Professional Colleges. The revised budget was prepared by the Physical Plant Department as a result of the analysis of the bids received October 10, 1950.

The Committee decided after considering the construction budget of $4,027,000 to notify the Medical Center Commission of the total funds needed. The Committee also decided to request the Medical Center Commission to arrange a conference with representatives of the Equitable Life Assurance Society, the Medical Center Commission, and the University to discuss the possibility of a lower interest rate and a longer period of amortization of the loan.
A letter sent to the Medical Center Commission by the Chicago Departments Committee is attached.

H. A. HAZLETON, Clerk

A signed copy of the letter sent to the Medical Center Commission and the signed copy of the Committee's report have been filed with the Secretary of the Board for record.

On motion of Mr. Livingston, the actions of the Committee were approved and it was authorized to proceed with conferences with the Medical Center Commission and the Equitable Life Assurance Society, as recommended.

CONVEYANCE OF LAND TO MEDICAL CENTER STEAM COMPANY

Mr. Livingston offered the following resolution prepared by Chapman and Cutler, Attorneys:

Resolved that the Board of Trustees of the University of Illinois, in furtherance of the purposes of the steam contract dated as of July 1, 1949, between Medical Center Steam Company and this Board, hereby authorizes, empowers and directs the President, Comptroller and the Secretary of this Board, in the name and on behalf of this Board, to execute and deliver to Medical Center Steam Company, an Illinois corporation, a warranty deed conveying to such Medical Center Steam Company the following described real estate, to wit:

Lots 1 to 6 inclusive, 8 to 15 inclusive and the North 4 inches of Lot 16, except from said Lots all that part thereof taken for Metropolitan Elevated Railroad Company, and all of Lot 18, all in Block 2 in Superior Court Commissioners Subdivision of Blocks 14, 15, 16 and 21 in the Assessors Division of the East Half of the Southeast Quarter of Section 18, Township 39 North, Range 14 East of the Third Principal Meridian.

Also

Lots 1, 2 and 3, except that part thereof taken for Metropolitan Elevated Railroad Company, and Lots 29, 30 and 31, all in Block 20 of S. H. Sweet's Resubdivision of Blocks 18, 19 and 20 in the Assessors Division above described.

On motion of Mr. Hickman, this resolution was adopted.

WAGE RATES TO BE SPECIFIED IN CONSTRUCTION CONTRACTS AT ROBERT ALLERTON PARK

(29) Officers of the Twin City Federation of Labor of Champaign-Urbana have requested that the Board of Trustees reconsider its action of September 29, 1950, on the report of the Fact-Finding Committee on wage rates to be paid for construction work at Robert Allerton Park. The Board voted to proceed according to the finding of the Committee that "the rates paid for work in the building trades and crafts in Piatt County, Illinois are subject to so much variation that it is not possible to establish single rates as prevailing."

Officers of the Twin City Federation of Labor already have had preliminary conferences with members of the Board of Trustees and other University officials. I recommend that the Board refer this matter to its Committee on Civil Service and Employees for further consideration in consultation with the Fact-Finding Committee.

On motion of Mr. Hickman, this matter was referred to the Committee on Civil Service and Employees, with Mr. Herrick added to the Committee for this special item of business.

ORDERS FOR CHANGES IN SECURITIES

(30) Under the rules of the Board, orders to the First National Bank of Chicago for changes in securities as authorized by the Board or the Finance Committee are to be signed by the Comptroller and the Secretary of the Board. The
Board has previously approved certain deputies to act for these officers. Because of changes in offices of the Comptroller and of the Secretary of the Board, new designations are needed. The Secretary of the Board requests adoption of the following resolution:

Whereas, under the rules of the Board of Trustees, orders for the purchase and sale of securities representing investments of endowment funds, addressed to the First National Bank of Chicago as safekeeping agent and investment counsel, are signed by the Comptroller and the Secretary of the Board; and

Whereas, it is desirable that deputies be appointed to act for these officers in emergency and during their absence;

Therefore, be it resolved that A. J. Janata, Secretary of the Board of Trustees, is authorized to delegate to Everett G. Smith, Executive Clerk in the President's Office, and Maude Archdeacon, Chief Clerk in the Board of Trustees' Office, authority to sign his name to orders for the purchase and sale of securities as approved by this Board or by its committees acting under due authority; and that Lloyd Morey, Comptroller, is authorized to delegate to C. C. DeLong and H. O. Farber authority to sign his name to such orders under the same circumstances.

On motion of Mr. Fornof, this resolution was adopted.

Secretary's Reports

The Secretary presented for record the following lists: (1) appointments made by the President; (2) graduate fellows; (3) declinations, resignations, cancellations, and terminations; (4) leaves of absence; (5) degrees conferred in October, 1950.

President
The November meeting of the Board of Trustees of the University of Illinois was held at the LaSalle Hotel, Chicago, Illinois, on Friday, November 24, 1950, beginning at 10:30 a.m.

When the Board convened, the following members were present: Mr. Fornof, Mr. Herrick, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Doctor Meyer, Mr. Nickell, Mrs. Watkins.

President Stoddard was present; also Provost C. R. Griffith, Vice-President A. C. Ivy, Comptroller Lloyd Morey, Mr. J. F. Wright, Director of Public Information, and Mr. A. J. Janata, Secretary of the Board.
EXECUTIVE SESSION

On motion of Mr. McLaughlin, Mr. Fornof was elected Temporary Chairman of the meeting to serve until the arrival of President Williamson.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following recommendations and reports presented by President Stoddard.

RELEASE OF DISCOVERY OF SKIN HEATER

(1) Dr. Victor Guillemin, Jr., Professor of Biophysics and Biophysicist in the Aeromedical and Physical Environment Laboratory at the College of Medicine, reports the design of a "skin heater" which is intended to aid in the diagnosis of cancer; it has certain other applications.

It is the recommendation of the University Research Board that the invention be released to the inventor. In support of its recommendation, the Research Board states "The electrical circuit described is not unique and such circuits are commonly used by physicists. The only uniqueness would be in putting the circuit into a box with appropriate external features for use clinically. According to advice received by the Board, the method of diagnosis of cancer by differential temperature sensitivity is non-specific and indicative only."

I concur.

On motion of Doctor Meyer, this invention was released to the inventor, as recommended.

PATENT APPLICATION ON FEED GRINDER

(2) Mr. Murray W. Forth, Assistant in Agricultural Engineering, reports that he has designed and constructed a hammermill feed grinder which has some novel features. The University Research Board has considered this discovery and recommends that it be released to Mr. Forth. It is not, in the judgment of the Research Board, a machine the University is equipped to develop. The Board holds there is not sufficient novelty in this design to justify the expense of prosecuting a patent application.

I concur in the recommendation of the Research Board that the discovery be released to Mr. Forth.

On motion of Mr. Livingston, this invention was released to the inventor, as recommended.

INVENTION OF PORTABLE, COLLAPSIBLE BLEACHER

(3) Professor F. R. Steggerda of the Department of Physiology, College of Liberal Arts and Sciences, and Mr. Ivan Danhof, Research Assistant in Physiology, have constructed a portable, collapsible bleacher which is particularly useful for small group demonstrations. Professor Steggerda is of the opinion that this invention might be developed into something practical.

The University Research Board has considered the question of patentability and recommends that the invention be released to the inventors.

I concur.

On motion of Mr. Livingston, this discovery was released, as recommended.

At this point, Mr. Williamson took his place with the Board and presided.

PURCHASE OF PROPERTY IN URBANA

(4) It is recommended that the following properties in Urbana be purchased for the purposes indicated:

708 South Mathews Avenue, Urbana..............................................$63 125

This is a lot 62.5 feet by 130 feet at the northeast corner of Nevada and Mathews. The house on it is of brick construction built about thirty
years ago by a sorority and will house thirty-four students. It is now operated as a student rooming house. The owner has agreed to sell all of the existing furnishings for approximately $2,000.

The property is in the area of future campus expansion and in the meantime it could be used to provide additional quarters needed by the School of Music. The property has been appraised by two local real estate brokers at $57,500. The owner is unwilling to sell at the appraised value because she recently received two offers of $65,000 but at a time when she was not willing to sell. She has since indicated willingness to accept a price of $63,125, the University to take possession at the beginning of the second semester of 1950-1951. Because of its location the University would be justified in paying a price in excess of the appraised value. The house would be assigned, for the present, to the School of Music as an annex to Smith Music Hall to provide additional classrooms and practice rooms which are greatly needed.

1204 West Oregon Street, Urbana..............................................$36 400

This is a lot 50 feet by 157 feet on which there are two houses of frame construction, one of sixteen rooms plus three basement rooms and a small three-room house. This property is in the block bounded by California Avenue on the north, Mathews Avenue on the west, Oregon Street on the south, and Goodwin Avenue on the east, which is also an area of future campus expansion. The property at 1204 West Oregon adjoins a University property at the north. In the meantime, the house could be used for student housing.

The property has been appraised by two local real estate brokers at $35,000. The owner originally asked $40,000 but in subsequent negotiations reduced the price to $36,400, the University to take possession at the beginning of the second semester of 1950-1951.

The acquisition of these properties will require an appropriation of:

708 South Mathews Avenue, Urbana..............................................$63 125
For contingencies.................................................................300 63 425
1204 West Oregon Street, Urbana..............................................36 400
For contingencies.................................................................350 36 750
Total ......................................................................................$100 175

Additional funds will be required for remodeling and a separate appropriation, based upon firm estimates of cost, will be requested later.

I recommend that these properties be purchased and that an appropriation of $100,175 be made from the General Reserve Fund for the purchase of these properties, and an appropriation of $8,640 be made from the General Reserve Fund for the purchase of equipment for the School of Music to be installed in the house at 708 South Mathews Avenue as an annex to Smith Music Hall.

On motion of Doctor Meyer, the purchase of these properties and equipment was authorized, and an appropriation of $108,815 was made from the General Reserve Fund by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Doctor Meyer, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hickman, Mr. Stevenson.

LEGAL SERVICES IN THE CERTIFIED PUBLIC ACCOUNTANT LITIGATION CASE OF CHATKIN VS. THE UNIVERSITY OF ILLINOIS

(5) The University is a defendant in proceedings in the Circuit Court of Cook County (No. 48C327, Chatkin and Tondrow vs. the University of Illinois and the Director of the State Department of Registration and Education) in which the issue involved is the constitutionality of the Illinois Accountancy Act of 1943.

This litigation was started almost three years ago while Professor William E. Britton was Legal Counsel. He is the attorney of record for the University, along with the Attorney General of Illinois who represents the Director of the Department of Registration and Education, codefendant, and two Chicago law firms representing the Illinois Society of Certified Public Accountants and the Public Accountants Association of Illinois, interveners.
The case was set for trial on November 13, 1950. Professor Britton is prepared to proceed as attorney for the University for the present. The litigation may extend over a long period of time and it may go to the Supreme Court.

I, therefore, recommend that the Board authorize a special committee to employ the counsel and to approve the fee structure.

On motion of Mr. Nickell, this matter was referred to a special committee consisting of Messrs. Herrick, Chairman, Hickman, and Livingston, with power to act.

APPEARANCE OF THE UNIVERSITY OF ILLINOIS BEFORE THE FEDERAL COMMUNICATIONS COMMISSION

Mr. Livingston called attention to the hearings which will soon be held by the Federal Communications Commission on assignments of television channels.

On motion of Mr. Nickell, Mr. Livingston was designated as the official representative of the Board of Trustees to appear with other officers of the University of Illinois before the Federal Communications Commission in the interests of the University.

DISCUSSION OF MATTERS IN THE COLLEGE OF COMMERCE AND BUSINESS ADMINISTRATION

Report of the Executive Committee of the Board of Trustees

President Williamson reported that the Executive Committee of the Board of Trustees at a meeting held in Urbana, Illinois, on November 17, 1950, adopted the following resolution:

WHEREAS, Doctor Stoddard has said it is perfectly proper to have Dean Bowen and the Executive Committee of the College of Commerce heard in an open meeting of the full Board of Trustees of the University of Illinois;

Therefore be it resolved that the Executive Committee of the Board of Trustees ask Doctor Stoddard to invite Dean Bowen and the Executive Committee of the College of Commerce to appear before the Board of Trustees for the purpose of being heard fully on all matters concerning the College of Commerce; and

Be it further resolved that any member of the faculty who so desires may appear at such hearing by request through Doctor Stoddard.

This action followed a conference on November 17 between Senator Everett R. Peters and the special committee appointed at the Board meeting on October 26, 1950 to meet and discuss with him the issues involved in the situation in the College of Commerce. Representatives Charles W. Clabaugh, Ora D. Dillavou, and Representative-Elect Paul Stone of the Twenty-fourth Senatorial District of Illinois also participated in this conference on invitation of the committee.

By direction of the President of the Board the hearing referred to in the resolution of the Executive Committee was set for 2:00 p.m., Friday, November 24, 1950, as a special order of business of the meeting of the Board of Trustees scheduled for that date.

This report of the Executive Committee was received for record.

On motion of Doctor Meyer, the following procedure was adopted for the consideration of this special order of business:

1. The meeting will start promptly at 2:00 p.m. and will adjourn by 5:30 p.m.

The members of this committee, appointed in response to Senator Peters' telegram of October 26, 1950, were Messrs. Fornof, Hickman, Livingston, McLaughlin, Stoddard, and Williamson. Mr. Hickman was unable to attend the conference on November 17 because he was counsel in a case which was heard in the Supreme Court of Illinois on the same day.
2. Speakers will be called upon in the following order:
   (a) A spokesman for the elected members of the Executive Committee of the College of Commerce and Business Administration.
   (b) Dean Howard R. Bowen.
   (c) Faculty members of the College of Commerce and Business Administration who have requested the privilege of being heard. (In an order to be determined by the President of the Board of Trustees.)
   (d) Faculty members of the College of Commerce and Business Administration who have asked to be present at the meeting with the right to speak if they so desire.
   (e) Remarks of the President of the University.
   (f) Questions from members of the Board of Trustees.
   (g) Other statements, if time permits.

3. In view of the shortness of time, it will be necessary to proceed as indicated above, without having a general discussion following each speaker.

4. Dean Albert J. Harno of the College of Law, who will be at this meeting, will advise the President of the Board regarding questions of procedure that may arise in the meeting.

President Stoddard stated that Dean Howard R. Bowen and the Executive Committee of the College of Commerce and Business Administration had been invited to appear before the Board for the purpose of being heard fully on all matters concerning the College of Commerce, and that the members of the faculty had also been invited to appear at this hearing, pursuant to the resolution of the Executive Committee of the Board of Trustees.

President Stoddard further stated that he had asked the Executive Committee of the University Council to attend this meeting. The University Council and its Executive Committee are advisers to the President of the University.

At this point, Doctor Meyer asked to be excused and withdrew from the meeting.

OPEN SESSION

When the Board convened in open session, the same members of the Board and officials of the University were present as during the Executive Session, with the exception of Doctor Meyer.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following recommendations and reports presented by President Stoddard.

APPOINTMENTS TO THE FACULTY

(1) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

   1. EDWARD H. DAVIDSON, Associate Professor of English, beginning September 1, 1951, at an annual salary of $6,500 (A).
   2. KENNETH JAMES FRANKLIN, Visiting Professor of Physiology, College of Liberal Arts and Sciences, beginning September 1, 1951, for ten months, at a salary of $9,000 (G).

3 The members of the Executive Committee of the University Council are: Professor Roger Adams, Head of the Department of Chemistry; Dean Albert J. Harno, College of Law; Dean Henning Larsen, College of Liberal Arts and Sciences; Dean Stanley W. Olson, College of Medicine; Dean Willard B. Spalding, College of Education; and Dean Fred H. Turner, Dean of Students. All members were present except Dean Turner.
3. **ROBERT GLASER**, Research Assistant Professor of Education in the Bureau of Research and Service, College of Education, beginning January 1, 1951, at an annual salary of $6,500 (DY).

4. **STANLEY D. MUSGRAVE**, Assistant Professor of Dairy Science, College of Agriculture and Agricultural Experiment Station, beginning October 27, 1950, at an annual salary of $4,750 (D25; DY75).

On motion of Mr. Livingston, these appointments were confirmed.

**SERVICES OF PROFESSOR THOMAS E. BENNER AND ASSOCIATE PROFESSOR KENNETH B. HENDERSON TO THE DEPARTMENT OF STATE**

(2) The United States Department of State has requested the University of Illinois to loan the State Department two members of the University's staff for a period of two months during the current academic year to help advance work and planning in the field of teaching about the United Nations. Specifically, the services of Professor Thomas E. Benner and Associate Professor Kenneth B. Henderson of the College of Education have been requested.

I have authorized the services of these men to the Department of State as a loan from the University and request confirmation of my action.

On motion of Mr. McLaughlin, the action of the President was confirmed.

**NAMES OF AERONAUTICAL ENGINEERING BUILDINGS**

(3) The Head of the Department of Aeronautical Engineering and the Dean of the College of Engineering request that definite names be given to two buildings used by the Department as follows: Aeronautical Laboratory A (formerly the Locomotive Testing Laboratory on the north end of the campus) and Aeronautical Laboratory B (formerly the Machine Tool Laboratory of the Department of Mechanical Engineering).

I concur.

On motion of Mr. Herrick, these buildings were named as designated, Mr. Livingston voting "no."

**GRADUATE COLLEGE FEES**

(4) The Dean of the Graduate College and the Committee on Fees and Scholarships recommend that all graduate students in absentia pay a tuition fee assessed on the same basis as if they were in residence.

I concur.

On motion of Mr. Herrick, this recommendation was approved.

**RELEASE OF FUNDS FOR BUILDINGS AND OTHER CAPITAL IMPROVEMENTS**

(5) The Governor has approved the following release of funds from appropriations made to the University of Illinois for 1949-1951 for buildings and other capital improvements:

*Release No. 47*

"For Equipment for buildings enumerated above at Urbana-Champaign", $175,000. This is a final release from an appropriation of $365,000. The Governor has previously released (Release No. 25) $190,000 from this appropriation. The funds now released are for the purchase of movable equipment for the new Veterinary Medicine unit at Urbana-Champaign.

I recommend that the funds released be appropriated for the purpose specified.

On motion of Mr. Livingston, these funds were appropriated, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hickman, Doctor Meyer, Mr. Stevenson.
1950] UNIVERSITY OF ILLINOIS 463

APPROPRIATION FOR DEDICATION OF EAST CHEMISTRY BUILDING

The East Chemistry Building will be dedicated on March 30 and 31, 1951. The events will include two symposia—one on chemical engineering and one on biochemistry, with four distinguished speakers for each—inspection of the new building, social functions, a dinner, luncheon, and tea, and the formal dedication ceremony.

To carry out these plans, the Department of Chemistry has requested a special appropriation to be used for honoraria of speakers, printing of programs, and, to a limited extent, for the expenses of the social functions.

I recommend that an appropriation of $2,000 be made from the General Reserve Fund for this purpose.

On motion of Mr. Fornof, this appropriation was made by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hickman, Doctor Meyer, Mr. Stevenson.

EXTENSION OF HIGH-PRESSURE GAS SERVICE TO ANIMAL SCIENCES LABORATORY AND VETERINARY MEDICINE BUILDING

The Director of the Physical Plant and the Comptroller recommend the award of a contract to the Illinois Power Company for the extension of high-pressure gas service from Pennsylvania Avenue to the Animal Sciences Laboratory and the Veterinary Medicine Building. Under the contract proposed, the Company agrees to complete the installation by September, 1951, and to assume $1,200 of the total cost. The University will be required to reimburse the Company for all costs in excess of $1,200 on the following basis:

1. Labor furnished by the Illinois Power Company, materials and rental of equipment to be at actual cost.
2. Labor furnished by contractors to be at cost plus 25 per cent for contractors' overhead costs and profit.
3. Fifteen per cent of the total direct cost to the Company for engineering services, overhead expenses, and profit.

The estimates of the cost to the University under this contract are $1,573 for extension of service to the Animal Sciences Laboratory and $2,570 for extension to the Veterinary Medicine Building (total, $4,143).

Funds are available in the state appropriations for the construction of these buildings.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. McLaughlin, authority was given as recommended.

CONTRACT FOR EXTENSION OF GOODWIN AVENUE

The construction of the Animal Sciences Laboratory requires closing of Mathews Avenue. Since it has been an important traffic artery, an alternate route is needed. Extension of Goodwin Avenue south from Gregory Drive to Pennsylvania Avenue will accomplish this.

The Director of the Physical Plant and the Comptroller recommend award of a contract for $47,940 to the General Paving Company, Champaign, the lowest bidder, for the construction of a black top surface drive with concrete curbs.

Funds are available.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, authority was given as recommended.

CONTRACT FOR ALTERATIONS IN THE VENTILATING SYSTEM OF THE DENTAL, MEDICAL, AND PHARMACY BUILDING

The Director of the Physical Plant and the Comptroller recommend award of a contract for $1,937 to the Narowitz Heating and Ventilating Company, Chicago, the lowest bidder, for alterations in the ventilating system of the Dental, Medical, and Pharmacy Building to relieve overloading. The corrections needed will consist...
of the installation of a new fan and separate vents from fume hoods to prevent
discharge of fumes into laboratories.

Funds are available in the Physical Plant budget.

I concur and recommend that the Comptroller and the Secretary of the Board
be authorized to execute this contract.

On motion of Mr. Livingston, authority was given as recommended.

**CONTRACT FOR ADDITION TO ELECTRICAL DISTRIBUTION SYSTEM AT CHICAGO PROFESSIONAL COLLEGES**

(10) At its meeting on July 25, 1950 (Minutes, page 24), the Board of Trustees
approved a “multiple service and combined billing” plan through an agreement with
the Commonwealth Edison Company of Chicago for the extension of the electrical
distribution system at the Chicago Professional Colleges. This requires an imme-
diate capital expenditure of $31,705 for existing buildings. In approving this plan
it was understood that further capital payments would be made for excess
facilities for new buildings.

The cost of extending the electrical distribution system to the Research and
Educational Hospitals addition now under construction is $21,849.

Funds are available in the state appropriation for “Construction of addition
to present hospital” and have already been released.

The Director of the Physical Plant and the Comptroller recommend that a
contract be entered into with the Commonwealth Edison Company to provide for
these facilities. I concur and recommend that the Comptroller and the Secretary
of the Board be authorized to execute such a contract.

On motion of Mr. Nickell, authority was given as recommended.

**CONTRACT FOR REMODELING OF QUARTERS FOR RESIDENT PHYSICIANS IN THE RESEARCH AND
EDUCATIONAL HOSPITALS**

(11) The Director of the Physical Plant and the Comptroller recommend award
of a contract for $2,983 to the Mutual Contracting Company, Chicago, the lowest
bidder, for remodeling of space in the Research and Educational Hospitals to
provide quarters for resident physicians. The present quarters will be eliminated
as a result of the construction of the hospital addition.

Funds are available in the state appropriation for “Construction of addition
to present hospital.”

I concur.

On motion of Mrs. Watkins, authority was given as recommended.

**REMODELING OF QUARTERS FOR THE DEPARTMENT
OF PREVENTIVE MEDICINE**

(12) The Director of the Physical Plant and the Comptroller recommend the
award of a contract for $2,398 to the F. H. Stowell Company, Chicago, the lowest
bidder, for remodeling quarters in the Municipal Contagious Disease Hospital in
Chicago for the Department of Preventive Medicine of the College of Medicine.

Due to the lack of space in the Dental, Medical, and Pharmacy Building,
arrangements have been made to carry on some of the work of the Department of
Preventive Medicine in the Municipal Contagious Disease Hospital. Permission
has been secured from the city of Chicago for the necessary remodeling, provided
no expense to the city is involved. The remodeling will consist of converting an
unused room into three laboratories for Chemistry and Immunology, Virology, and
Bacteriology.

Funds are available in a grant made by the Lederle Laboratories, New York
City, New York, to the University for work in Preventive Medicine.

I concur and recommend that the Comptroller and the Secretary of the Board
be authorized to execute this contract.

On motion of Mr. Nickell, authority was given as recommended.

**ADDITION TO CONTRACT FOR CONSTRUCTION OF PARKING LOT**

(13) The Board of Trustees has authorized (Minutes, July 25, 1950, page 29) a
contract for the construction and surfacing of a parking area at 1108 West Green
Street. The University, having subsequently acquired a property at 202 South Goodwin Avenue (around the corner), finds it is now possible to provide an entrance to the parking lot from Goodwin Avenue as well as Green Street. Because of the heavy traffic on Green Street, it is desirable to have this second entrance and exit.

The Champaign Asphalt Company, which has the contract for the surfacing of this parking lot, has submitted a bid of $2,702.20 for the additional work required to provide access from Goodwin Avenue. This allows a credit for the elimination of one of the two entrances from Green Street.

The Director of the Physical Plant and the Comptroller recommend this addition to the contract.

Funds are available in the appropriation for parking lot facilities made by the Board.

I concur and recommend that the Comptroller be authorized to execute this contract change.

On motion of Mrs. Holt, authority was given as recommended.

**ADDITION TO ARCHITECTURAL CONTRACT FOR ANIMAL SCIENCES LABORATORY**

(14) The Director of the Physical Plant and the Comptroller recommend an increase of $3,924.42 in the contract with Naess and Murphy for architectural services on the Animal Sciences Laboratory. This is to provide for additional architectural services to supplement those covered by the original fee. Payment for additional services will be based upon the cost of direct labor (salaries and wages of draftsmen) plus 100 per cent overhead plus any direct expenses.

Funds are available in the state appropriation for the construction of this building.

I concur and recommend that the Comptroller be authorized to execute this contract change.

On motion of Mrs. Watkins, authority was given as recommended.

**EXTENSION OF SOUTH BROADWAY SANITARY SEWER INTERCEPTOR**

(15) On July 25, 1950 (Minutes, page 27), the Board of Trustees made an appropriation of $2,000 to pay the University's share of the cost of the extension of the sanitary sewer in the area of South Broadway. The city of Urbana now proposes a further extension of the sanitary sewer from Florida Avenue south on Race Street to the center line of Mumford Drive in the University Downs Addition. The University's share of the cost of this further extension is $2,500. By the expansion of this sewer the University will be protected in any future development in the area south of Florida Avenue and west of Race Street.

The Director of the Physical Plant and the Comptroller recommend an appropriation of $2,500 to pay the University's share of this cost.

I recommend that this appropriation be made and that the Comptroller and the Secretary of the Board be authorized to enter into an agreement with the city of Urbana covering the University's participation in the improvement.

On motion of Mr. Livingston, this recommendation was approved, and an appropriation of $2,500 was made from the General Reserve Fund by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hickman, Doctor Meyer, Mr. Stevenson.

**ANNEXATION OF UNIVERSITY PROPERTY TO CITY OF URBANA**

(16) Officials of the city of Urbana desire to extend the city limits to a south line represented by the east and west road running through the University Farms south of the old University golf course. This would mean inclusion of all University property north of that road and east of a line represented by the extension of Wright Street south (Wright Street is closed by campus development and Mount Hope Cemetery between Armory Avenue and Florida Avenue). The new south line would intersect this extension of Wright Street at a point near the
south line of the city of Champaign on University property. The Small Homes Council staff housing research area at the corner of Florida Avenue and Race Street, Urbana, has previously been annexed as a part of the city of Urbana and as a part of the Urbana-Champaign Sanitary District by request of the Board of Trustees.

There is no conflict with University interests involved and, in keeping with the University's policy of cooperating with the local municipalities in matters of this kind, I recommend approval.

On motion of Mr. McLaughlin, the annexation of this area as a part of the city of Urbana was approved.

THE ERNEST INGOLD COLLECTION OF SHAKESPEARE

(17) The University of Illinois Foundation presents to the University "The Ernest Ingold Collection of Shakespeare," consisting of four Shakespeare Folios, and a volume of Shakespeare's poetry, published in the seventeenth century, as well as bibliographical materials of considerable value. This was made possible through a gift of $12,656.64 received by the Illini Achievement Fund from Mr. Ernest Ingold, Class of 1909, of San Francisco, California, supplemented by an unassigned balance of $1,343.36 which came to the Illini Achievement Fund from the old Illini Plan of Co-ordination and which may be used for any purpose. The total cost of the Shakespeare collection is $14,000.

Several weeks ago, Mr. Ingold was approached by the Foundation on the matter of presenting to the University a first folio of Shakespeare. He expressed an interest in securing all four folios and inquired if any other funds were available for this acquisition. When he was informed that an unassigned balance of $1,343.36 which came to the Illini Achievement Fund from the old Illini Plan of Co-ordination was available, he offered to contribute the $12,656.64 for the purchase of all four folios plus other materials.

The purchase will be made through John and Jane Wüggress, rare book dealers in Monterey, California. The volumes were formerly in the collection of John Balderston of Beverly Hills, California, a private collector.

I recommend acceptance of this gift and the adoption of a suitable resolution, expressing appreciation of the Board of Trustees to Mr. Ingold.

On motion of Mr. Fornof, this gift was accepted and the following resolution was adopted:

To Ernest Ingold, an Appreciation

The Board of Trustees of the University of Illinois accepts with deep appreciation the gift of Mr. Ernest Ingold of San Francisco, California, to the Illini Achievement Fund of the University of Illinois Foundation which has made possible the acquisition for the University of four Shakespeare Folios and a volume of Shakespeare's poetry and other bibliographical materials.

This handsome gift, to be known as "The Ernest Ingold Collection of Shakespeare," will greatly enhance the rare book collections and facilities of the University Library for scholarly research.

In accepting this gift, the Board of Trustees desires to make a public record of its appreciation. It directs this resolution to be spread upon the minutes of the Board, and that a copy be sent to Mr. Ingold.

At this point, Mr. Hickman took his place with the Board.

QUARTERLY REPORT OF THE COMPTROLLER

(20) The Comptroller presents his quarterly report to the Board as of September 30, 1950.

This report was received for record.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(21) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

1. Equipment for the secretarial training program in the College of Commerce and Business Administration ................................................................. $1 480
2. Equipment for 404 South Mathews (College of Education) ........................................... 2 920
3. Equipment to start Visual Aids Center ................................................................. 13 530
4. Equipment for the Department of Psychology .................................................. 25 000
5. Equipment and construction on the Illini Grove Picnic Area (Old Forestry Grounds) ................................................................. 25 000
6. Purchase of theatre-type seats for Room 138, Electrical Engineering Building .................................................................................. 4 000
7. Alterations and equipment in Floriculture Building ........................................... 10 850
8. Additional remodeling and equipment for Noyes Laboratory ................................ 86 000
9. Remodeling in Talbot Laboratory ................................................................... 5 500
10. Additional funds for University Research Board ............................................. 50 000
11. Physical Plant Department ........................................................................... 9 700

Remodeling of rooms in Bevier Hall, $1,700 (this supplements an appropriation of $9,500 made by the Executive Committee of the Board on August 29, 1950).
Remodeling of Davenport House for the Health Service, $3,350 (this supplements an appropriation of $3,200 made by the Board on September 29, 1950).
Remodeling in Natural History Building and Harker Hall, $4,650 (this supplements an appropriation of $15,500 made by the Board on July 25, 1950).

It is recommended that an assignment for Item 1 be made from funds budgeted for Nonrecurring Equipment and Remodeling Unassigned and that assignments for the other items be made from the General Reserve Fund.

I concur.

On motion of Mrs. Watkins, these appropriations were made by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Doctor Meyer, Mr. Stevenson.

CONTRACT FOR CONSTRUCTION OF GREENHOUSE AT DRUG PLANT EXPERIMENT STATION

(22) The Director of the Physical Plant and the Comptroller recommend the award of the following contracts for construction of buildings at the Drug Plant Experiment Station at Lisle, Illinois:

General work and head house — Federal Remodeling and Building Company, Chicago ................................................................. $47 948
Greenhouse construction — Ickes-Braun Greenhouse Manufacturing Company, Chicago ................................................................. 13 650

Total ....................................................................................................... $61 598

These are the lowest bidders in each case.

The Board of Trustees on January 12, 1950 (Minutes, page 970), made an appropriation of $65,000 for construction of buildings at the Drug Plant Research Station. A supplementary appropriation of $4,000 is required. An analysis of the funds required for this project is given in the accompanying report of the Committee on Nonrecurring Appropriations.

I recommend that the supplementary appropriation be made and that the Comptroller and the Secretary of the Board be authorized to execute these contracts.
On motion of Mr. Fornof, authority was given as recommended, and an appropriation of $4,000 was made from the General Reserve Fund by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Doctor Meyer, Mr. Stevenson.

REMODELING IN RESEARCH AND EDUCATIONAL HOSPITALS

(23) The Vice-President in Charge of the Chicago Professional Colleges, the Comptroller, and the Director of the Physical Plant recommend award of contracts as follows for remodeling in the present Research and Educational Hospitals to coordinate with the construction of the new hospital addition:

Department of Obstetrics and Gynecology — Frank H. Stowell Company, Chicago..........................................................$142 091

This remodeling is on the third floor in the south and west sections of the general hospital.

Department of Otolaryngology — Perry Construction Company, Inc., Chicago ............................................................ 77 950

This remodeling will include rehabilitation of existing sanitary and supply lines, modernization of cubicles, construction of a small office and soundproof examination room and provision of classroom facilities.

Air conditioning of part of first floor and basement of hospitals:

General work — Carroll Construction Company, Chicago........ $ 5 277

Mechanical work — M. J. Corboy Company, Chicago........... 18 690 23 967

This work will include air conditioning of the interior rooms on the first floor, south section of the hospital, and will provide for later inclusion of humidity controls needed by the Department of Physical Medicine.

Replacement of elevators:

General work — Mueller Construction Company, Chicago...... 19 600

Elevator installation — Elevator Manufacturing Company of America, Chicago...................................................... 45 340 64 940

This will replace elevators 3 and 4 of the general hospital which are in such poor condition that it is not economical to repair them. Unless they are replaced, continual shutdowns of these two elevators may be expected, thus hampering the functioning of the hospitals.

Mechanical installations in basement — M. J. Corboy Company, Chicago. 148 255

This will include changes in plumbing and steam services, rehabilitation of supply lines to provide a separate hot water supply, installation of condensate pumps and water supply to take care of the present load and to provide for future requirements.

Electrical installations in basement — Wadeford Electric Company, Chicago ............................................................ 95 968

This work will include reinforcement or replacement of the electrical services to the various risers and reinforcement of risers to provide for additional power requirements. It will also include installation of switchgear in the new hospital addition to provide electrical service from that source. By doing this work now, it is possible, through the integration of a switchboard for the hospital addition with this project to save considerable money over what such work would require later.

Total of All Contracts..........................................................$553 171

These contractors are the lowest bidders on the various phases of the remodeling work. A tabulation of the bids is submitted herewith.

Funds are available in the state appropriation for “Construction of addition to present hospital,” subject to release by the Governor.
I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts.

On motion of Mr. Livingston, these contracts were authorized, as recommended, with the exception of the contracts for the replacement of elevators which were referred to the Committee on Chicago Departments.

**CONTRACT FOR CHANGES IN UTILITIES DISTRIBUTION SYSTEM AT THE CHICAGO PROFESSIONAL COLLEGES**

(24) The construction by the Medical Center Steam Company of a new steam plant and distribution system for the Chicago Professional Colleges will require extension of steam lines to existing buildings and the necessary changes and connections within these buildings. The estimated cost of this phase of the work is $73,808.

Because the Medical Center Steam Company does not have title to these buildings, the cost of the installations to be made in them can not be capitalized under the loan being made by the Northwestern Mutual Life Insurance Company of Milwaukee to finance the project. However, funds are available for this part of the work in the state appropriation for "Construction of Utility Distribution System and remodeling of existing buildings."

The Director of the Physical Plant and the Comptroller recommend that the Stone and Webster Engineering Corporation, which is constructing the steam plant, be authorized to do the work which can not be included in the financing of the project, at an estimated cost of $73,808, subject to the release of funds by the Governor. It is advantageous to have this corporation do the work in order to reduce costs.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the necessary documents.

On motion of Mr. Nickell, authority was given as recommended.

**AWARD OF CONTRACT FOR CLEANING OF DUCTS IN DENTAL, MEDICAL, AND PHARMACY BUILDING IN CHICAGO**

(25) The Director of the Physical Plant and the Comptroller recommend the award of contracts as follows for the cleaning of ducts in the Dental, Medical, and Pharmacy Building:

<table>
<thead>
<tr>
<th>Unit</th>
<th>Contractor</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>First unit</td>
<td>Chemical Fireproofing Corporation</td>
<td>$2,475</td>
</tr>
<tr>
<td>Second unit</td>
<td>Chicago Fire Equipment Company</td>
<td>$3,985</td>
</tr>
</tbody>
</table>

These are the lowest bidders.

The work to be done includes cleaning of all internal ventilation supply ducts and fan chambers.

Funds are available in the Physical Plant budget to cover the cost of this work.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Herrick, authority was given as recommended.

**DENTAL CLINIC FOR CLEFT PALATE TRAINING PROGRAM**

(26) The Cleft Palate Training Program carried on by the Colleges of Medicine and Dentistry in conjunction with the Division of Services for Crippled Children requires a dental clinic for examination of patients. No space is available in the present dental clinics used for teaching or elsewhere in the Dental, Medical, and Pharmacy Building. Space has been offered in the "University Hospital," formerly a private hospital and now operated by Loyola University. This space will be made available without rental charge but will require remodeling, including installation of fluorescent lighting fixtures, electrical outlets for servicing dental units and X-rays, and plumbing. The University's College of Dentistry can provide the equipment. University Hospital has requested the University of Illinois to take care of the expenses of these changes estimated to cost between $1,500 and $2,000.

This can be paid from funds for Cleft Palate Training work supplied to the Division of Services for Crippled Children by the United States Government.
The Vice-President in Charge of the Chicago Professional Colleges recommends that the University of Illinois agree to reimburse University Hospital for the cost of the building changes required to make space available for this program.

I concur.

On motion of Mrs. Holt, this recommendation was approved.

**FEED STORAGE WAREHOUSE**

(27) The Director of the Physical Plant and the Comptroller recommend award of a contract for $10,747 to the Webster Manufacturing Company, Chicago, the lowest bidder, for the installation of conveyors at the Feed Storage Warehouse for the College of Agriculture and the Agricultural Experiment Station.

Funds are available in the state appropriation for "Construction of agricultural structures and remodeling present agricultural buildings."

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Herrick, authority was given as recommended.

**ADDITION TO REFRIGERATION CONTRACT FOR CONSTRUCTION OF ANIMAL SCIENCES LABORATORY**

(28) The Director of the Physical Plant and the Comptroller recommend an addition of $6,451 to the contract with L. C. Kohlman, Inc., Chicago, for refrigeration work in the construction of the Animal Sciences Laboratory for:

1. Installation of two water chillers instead of one and duplicate water pumps for the refrigeration system which will be used continuously. (Plans and specifications for the contract provide for single water chillers and single chilled water pumps. In view of experiences with breakdowns in refrigeration systems in other buildings, it is considered advisable to provide two water chillers, each one-half the original capacity, and duplicate pumps. This will permit repairs and servicing of equipment without shutting down the refrigeration systems and interrupting experimental work.)

2. Increased refrigeration to maintain a temperature of 4° C. instead of 20° C. in the constant temperature room and refrigeration for a cooling and incubator room included in the revision of the fourth floor west wing. These changes are requested by the Department of Dairy Science.

Funds are available in the state appropriation for "Construction of Animal Science Laboratory."

I concur and recommend that the Comptroller be authorized to execute this contract change.

On motion of Mr. Nickell, authority was given as recommended.

**REFUND OF THESIS DEPOSIT**

(29) A candidate for the degree of Doctor of Philosophy is required to deposit $75 to assure later publication of his thesis. The money is refunded if the student publishes his thesis, or a suitable abstract thereof, and supplies the Graduate College with one hundred copies. The Board of Trustees has previously authorized waiving this deposit upon approval of the Dean of the Graduate College.

The Executive Faculty of the Graduate College recommends that this requirement be amended to allow a refund upon submission of satisfactory evidence that the thesis, or an abridged form thereof containing the essential parts, has been published in a standard, reputable journal. This in no way alters the general publication requirement, except with respect to the submission of reprints.

I concur.

On motion of Mrs. Watkins, this recommendation was approved.

**JAMES WILFORD GARNER FELLOWSHIP IN POLITICAL SCIENCE**

(30) Mrs. James W. Garner of Jackson, Mississippi, desires to establish an endowment of a graduate fellowship in political science as a memorial to her late husband.

Professor James W. Garner, former Head of the Department of Political Science, was a member of the faculty of the University of Illinois from 1904
until his death in 1938. He was an internationally known authority in his field (international law) and was one of the most distinguished professors the University has had.

I have accepted this offer and have expressed to Mrs. Garner the deep appreciation of the Board of Trustees and other University officials. I request confirmation of my action and authorization to work out with her the details of this fellowship to be known as the "James Wilford Garner Fellowship in Political Science."

On motion of Mrs. Holt, the President's action was confirmed, and authority was given as requested.

EMPLOYMENT OF ARCHITECTS FOR THE LIFE SCIENCES BUILDING

(31) The Director of the Physical Plant recommends the employment of Holabird and Root and Burgee, Chicago, as architects for the Life Sciences Building upon the following terms:

1. A fee of 6 per cent of the cost of all construction work designed and supervised by them for complete architectural services, plus reimbursement for incidental costs such as travel.

2. For the present, expenditures for architectural services shall not exceed $72,000, the amount available through a loan from the "General Services Administration of the Bureau of Community Facilities" for planning of buildings in advance of state appropriations; provided that when a state appropriation is available for this project the University may authorize complete services on the basis of the fee of 6 per cent.

3. The University retains the right of terminating the services of this firm prior to completion of plans and specifications, or of reducing the extent of their services, provided that if such action is deemed necessary an appropriate adjustment in the base fee will be made.

I concur.

On motion of Mr. Livingston, the employment of Holabird and Root and Burgee as architects for the Life Sciences Building was approved as recommended.

CONSULTANT ON CAMPUS PLANNING AND DEVELOPMENT

(32) On January 12, 1950 (Minutes, page 967), the Board of Trustees authorized the employment of the firm of Gregg and Briggs, Architects and Engineers, Chicago and Peoria, as consultant on campus planning and development. This employment was for the calendar year 1950 and included the services of Professor Cecil C. Briggs, partner in the firm, as half-time professor.

I recommend that Gregg and Briggs be employed on its present basis for the period January 1 through June 30, 1951. This will enable the firm to complete various assignments and to assist in the development of new buildings and campus plans.

On motion of Mr. McLaughlin, the employment of the firm of Gregg and Briggs as consultant on campus planning and development was continued for the period January 1 through June 30, 1951, as recommended.

LEAVE OF ABSENCE FOR DEAN WILBUR SCHRAMM

(33) The Air Force has made an urgent request that Dean Wilbur Schramm be permitted to undertake immediately an assignment in Korea having to do with problems in psychological warfare. I have gone into this matter in detail with Dean Schramm and I believe the proposal is in the national interest. However, it is not possible to release any details.

I recommend, therefore, that Dean Schramm be granted a leave of absence for a period of two months, approximately from December 1, 1950, to February 1, 1951, without salary.

I recommend further that Professor Fredrick S. Siebert, Director of the School of Journalism and Communications and Professor of Journalism, be asked
to serve as Acting Dean of the Division of Communications during the absence of Dean Schramm.

On motion of Mrs. Holt, this leave was granted and the appointment of Professor Siebert as Acting Dean of the Division of Communications was approved.

**LEAVES OF ABSENCE FOR PROFESSORS FRANCIS G. CORNELL AND NATHANIEL L. GAGE**

(34) I have received from General George C. Kenney, Commander of Air University, Maxwell Air Force Base, Alabama, a request approved by the Chief of Staff of the Air Force and the Commander in Chief of the Far East to utilize the services of Professor Francis G. Cornell and Assistant Professor Nathaniel L. Gage of the College of Education for a period of approximately two months, beginning as soon as possible. They would become members of a research team in Korea and would be expected to make an important contribution to national defense. Dean Willard B. Spalding of the College of Education states that arrangements can be made to take care of the instructional and research assignments of these men for the period indicated.

I, therefore, recommend that Professors Cornell and Gage be granted leaves of absence for two months without salary, beginning approximately December 1, 1950.

On motion of Mr. Nickell, these leaves were granted, as recommended.

**SABBATICAL LEAVE OF ABSENCE FOR PROFESSOR THOMAS E. BENNER**

(35) Professor Thomas E. Benner of the College of Education has been asked to serve as the United States member of a two-man team to be sent to Korea by the United Nations on an educational and cultural reconstruction mission, contingent upon approval of the program by the Supreme Commander for the Allied Powers. He can not undertake this assignment without a considerable financial sacrifice which he should not be asked to make. It will also require his absence from the University for several months.

In view of the nature of the program and the prestige which will come to the University of Illinois in having a member of its faculty in such a distinguished role, I recommend that Professor Benner be granted a sabbatical leave of absence on one-half salary during the second semester of 1950-1951; this leave to be contingent upon final approval of the projected mission by SCAP. The College of Education will undertake to provide for Professor Benner's work during his absence by reassignment of duties and a temporary appointment, utilizing the other half of Professor Benner's salary.

Professor Benner has been on the faculty for nineteen years and has never had a sabbatical leave of absence.

On motion of Mr. Herrick, this leave was granted, as recommended.

**AWARD OF CONTRACT FOR SMALL HOMES COUNCIL CONSTRUCTION PROJECT**

(36) The Acting Director of the Small Homes Council, the Dean of the College of Fine and Applied Arts, and the Comptroller recommend the award of a contract for $2,693.50 to Oran L. Shoemaker & Company, Champaign, the lowest bidder, for the construction of a basement and adjacent foundation structures for a Small Homes Council research project.

Funds are available for this under a contract for a cooperative investigation between the Housing and Home Finance Agency and the University for "Design Criteria for Space in Dwellings."

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Livingston, authority was granted, as recommended.
SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

The Chicago Professional Colleges Committee on Nonrecurring Appropriations recommends assignments of funds from the General Reserve Fund for the following purposes:

1. Equipment for the Animal Hospital: $2,630
2. Equipment in the Department of Physiology: $2,100
3. Purchase of a phase microscope for the Department of Anatomy: $875
4. A call system in the Library rooms and stacks: $600
5. Equipment for the College of Pharmacy: $1,200
6. Relocation of the Electrocardiogram and Basal Metabolism Units in the Research and Educational Hospitals: $650

I concur.

The requests for these assignments of funds have been carefully studied by the Chicago Professional Colleges Committee on Nonrecurring Appropriations. Reports of the Committee, giving details on each item, are submitted herewith.

On motion of Mrs. Holt, these appropriations were made, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins, Mr. Williams; no, none; absent, Doctor Meyer, Mr. Stevenson.

The Board recessed.

DISCUSSION OF MATTERS IN THE COLLEGE OF COMMERCE AND BUSINESS ADMINISTRATION

When the Board convened after recess, the following members were present: President Williamson, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins; also present were President Stoddard, Provost Griffith, Vice-President Ivy, Comptroller Morey, Mr. Wright, Director of Public Information, and Mr. Janata, Secretary of the Board.

Messrs. H. E. Grange, Wayne A. Johnston, and H. B. Megran, Trustees-Elect, who had been invited by President Williamson to attend, were present during this session.

The Secretary of the Board presented lists of all members of the faculty who had indicated their desire to appear at this hearing and of those who had asked to be heard. Copies of these lists are in the files of the Secretary as a matter of record.

From this point on, the proceedings of the hearing were recorded
by Reporter Michael Shapiro from the firm of Leon M. Golding and Associates, 10 North Clark Street, Chicago, Illinois, employed for this purpose. An official transcript of the hearing proceedings is filed with the Secretary of the Board for record.

At the conclusion of the hearing, President Williamson stated that further consideration will be given by the Board to conditions in the College of Commerce and Business Administration at a later meeting.

At 6:00 p.m., on motion of Mr. Nickell, the Board adjourned.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

December 28, 1950

The December meeting of the Board of Trustees of the University of Illinois was held in the Illini Union Building, Urbana, Illinois, on Thursday, December 28, 1950, beginning at 10:30 a.m., according to the following announced schedule:

10:30 a.m. — Open session.
2:00 p.m. — Executive session, special order of business.

The following members were present: President Williamson, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins.

President Stoddard was present; also Provost C. R. Griffith, Controller Lloyd Morey, Mr. J. F. Wright, Director of Public Information, and Mr. A. J. Janata, Secretary of the Board.

MINUTES APPROVED
The Secretary presented the minutes of the meetings of September 29 and October 26, 1950, press proof copies of which had previously been sent to all members of the Board.

On motion of Mr. Hickman, these minutes were approved as printed on pages 335 to 455, inclusive.
ORDER OF BUSINESS

Mr. Nickell moved that the Board at this time proceed with the special order of business scheduled for the afternoon session and take up consideration of the reports on conditions in the College of Commerce and Business Administration as the meeting is now constituted (in open session), stating his reasons for the motion. Mr. Livingston made a statement in support of Mr. Nickell's motion. Messrs. Hickman, McLaughlin, and Fornof made statements in support of considering the matters referred to in Mr. Nickell's motion in Executive Session.

Mr. Nickell withdrew his previous motion and moved that the Board proceed at this time to consider reports on conditions in the College of Commerce and Business Administration. This motion was carried.

Mr. Nickell then moved that this order of business be considered in an open meeting. This motion was lost.

The Board, thereupon, went into executive session.

EXECUTIVE SESSION

COLLEGE OF COMMERCE AND BUSINESS ADMINISTRATION

The Board considered the following reports presented by the President of the University:

Second Report to the Board of Trustees on Conditions in the College of Commerce and Business Administration (the report appears on page 484).

Advisory Report on the Controversy in the College of Commerce and Business Administration by the Executive Committee of the University Council.

Report of the Subcommittee Appointed November 15, 1950, by the Advisory Committee of the College of Commerce and Business Administration, University of Illinois, to Inquire Further into the College Controversy. This report was accompanied by a letter of transmittal signed by Messrs. Henry C. Hawes, Chairman, and William M. Edens, Secretary of the Advisory Committee.

Copies of these documents are filed with the Secretary of the Board for record.

On motion of Mr. McLaughlin, the Board voted to release these documents to the press, Mr. Hickman voting no.

Following extended discussion of these reports, further consideration and action on the recommendations was postponed until the open session.

REPORT OF THE EXECUTIVE COMMITTEE

The Executive Committee of the Board of Trustees reported that it approved the following recommendations from the President of the University on which emergency action was necessary:

1. An appropriation of $24,000 was made from the General Reserve Fund for the purchase and installation of a liquid nitrogen plant at Urbana-Champaign to be used by several University departments.
2. The purchase of a liquid nitrogen machine on the basis of competitive bids from the Standard Air Company of Brooklyn, New York, the lowest bidder, at a price of $16,200, f.o.b. Urbana, was authorized. The price includes engineering services for the installation but not other installation costs, such as remodeling of quarters in which the equipment is to be housed, construction of a base, and utilities connections. The estimated cost of this work is $7,800.

3. An offer of Mr. and Mrs. Merle J. Trees of a painting entitled “Street Scene, Paris” by Camille Pissarro as their 1950 contribution to the “Emily Nichols Trees (Class of 1905) and Merle Jay Trees (Class of 1907) Collection” of paintings at the University of Illinois was accepted. This painting is valued at $17,000 in an official appraisal by the Art Institute of Chicago.

On motion of Mr. McLaughlin, the actions of the Committee were confirmed and an appropriation of $24,000 was made from the General Reserve Fund for the purchase and installation of a liquid nitrogen plant by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Doctor Meyer, Mr. Stevenson.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY
The Board considered the following recommendations and reports presented by President Stoddard.

APPROPRIATION FOR STORAGE FACILITIES FOR WORKS OF ART
(1) The Board of Trustees on September 29, 1950 (Minutes, page 350), authorized a formal agreement with the Art Institute of Chicago providing for the custodianship by the University of paintings and other works of art which may be sent to the campus at Urbana-Champaign. Such an agreement has now been executed. An appropriation of $9,000 is needed by the Physical Plant Department for the University’s share of work to be done to provide storage facilities.

I recommend that such an appropriation be made.

On motion of Mr. Livingston, an appropriation of $9,000 was made from the General Reserve Fund by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Doctor Meyer, Mr. Stevenson.

ADVISORY COMMITTEE FOR THE COLLEGE OF COMMERCE AND BUSINESS ADMINISTRATION
(2) Mr. William Blackie, Vice-President of the Caterpillar Tractor Company of Peoria, has submitted his resignation as a member of the Advisory Committee of the College of Commerce and Business Administration to which he was appointed in July, 1950, along with other members of the present Committee. He regretfully asks to be relieved because the pressure of his own business will prevent him from giving the time required for effective service on the Advisory Committee.

On motion of Mr. McLaughlin, this resignation was accepted.

REQUEST OF TEXAS ILLINOIS NATURAL GAS PIPELINE COMPANY
Mr. Herrick presented a request which had come to him from attorneys for the Texas Illinois Natural Gas Pipeline Company for an easement for a pipe line to cross a part of the Robert Allerton Farms in Piatt County.

This matter was referred to the President of the University for consideration and report back to the Board.
At this point the Board proceeded to consider, in open session, the following matters presented by the President of the University.

**COLLEGE OF COMMERCE AND BUSINESS ADMINISTRATION**

(1) President Stoddard presented the following report:

**SECOND REPORT TO THE BOARD OF TRUSTEES ON CONDITIONS IN THE COLLEGE OF COMMERCE AND BUSINESS ADMINISTRATION**

**George D. Stoddard**

On June 22nd, at the request of the Board, I submitted a report on conditions in the College of Commerce and Business Administration. At the same time, the Board had before it the Harno report which was prepared by a committee of three faculty members appointed by the Provost on May 18th "to serve as a fact-finding group on the question of possible violation of academic freedom in the Department of Economics."

The question of academic freedom had not been raised through University channels or through the American Association of University Professors but had appeared in the press. The Harno committee devoted most of its 14-page report to this problem. It concluded that the issue "did not involve a question of academic freedom."

The Harno report stated further: "There was no issue relative to ideologies" and that "As a whole, young and old, the group is predominantly conservative." It said the breakdown was in administration and human relations; a solution was to be found in developing a "framework of mutual trust and respect."

Finally, the Harno report and my report to the Board indicated that a sincere attempt should be made to settle the differences. These differences did not revolve about academic freedom, indoctrination or the long-range program of the College; they centered in administrative acts involving a clash of personalities. As I said, "Although the public had been led wrongly to identify the problem, a problem existed."

The issue settled down to what really it had been from the beginning: a revolt against Dean Bowen and perhaps against some new appointments to the staff.

The acts of the elected members of the Executive Committee of the College bear this out. Meeting in my office the latter part of June, they presented oral complaints against Dean Bowen and, as a climax, accused him of a lack of integrity. I thought then, and I think now--with much water over the dam--that the evidence did not sustain any such charge. Their complaints more properly fell under the heading of disagreement with his choices, decisions, and procedures.

Since I shall not revert to this issue, let me summarize at this point:

- From the Harno committee: "Dean Bowen is a man of high intelligence, high standards, and personal charm."
- From the Advisory Committee of the College: "The integrity charge against the dean should be withdrawn."

There is some indication that the present controversy has its roots in the past. There was an Acting Dean of the College for a period of five years, together with a directive from the Board of Trustees to seek "an outstanding man, not at present on the University staff, for the deanship of the College" (1944).

During interim arrangements committees tend to grow in the assumption of power. What the powers of a dean and of the executive committee of a college are, in terms of the Statutes of the University of Illinois, is shown below:

"8. (a) The dean shall be the chief executive officer of the college, and he shall be responsible to the President for its administration.

(b) He shall be elected biennially by the Board of Trustees on nomination of the President. On the occasion of each such election, the President shall have the advice of the executive committee of the faculty concerned.

(c) (1) The dean shall call meetings of the faculty at such times as he or the executive committee may deem necessary, and shall preside over such meetings; (2) to the end that committee work may be reduced to a minimum he shall formulate and present to it policies for its consideration; however, the foregoing clause shall
not be interpreted to abridge the right of any member of the faculty to present any
matter to the faculty; (3) he shall make reports on the work of the college; (4) he
shall oversee the registration and the progress of the students in the college; (5) he
shall be responsible to the President for the educational use of the buildings and
rooms assigned to the college, and the general equipment of the college as distinct
from that of the separate departments; (6) he shall serve as the medium of commu-
nication for all official business of the college with other university authorities, the
students, and the public; (7) he shall represent the college in conferences, except
that additional representatives may be chosen by the faculty for specific conferences;
(8) he shall prepare the budget of the college in consultation with the executive
committee of the college; (9) he shall recommend the appointment, reappointment,
or promotion of the officers and members of the teaching staff. In the case of appoint-
ment, reappointment, or promotion to the rank of professor or associate professor,
he shall make his recommendation after consultation with the chairman and execu-
tive committee, or with the heads of the departments concerned; in case the college
has no departments, the dean shall make such recommendations after consultation
with the executive committee of the college; recommendations to positions in the
teaching staff shall ordinarily originate with the department, or, in cases of groups
not organized as departments, with the officers in charge of the work concerned,
and shall be presented to the dean for transmission with his recommendation to
the President; (10) in case recommendations from the colleges are not approved by
the President, the dean shall have, with the consent of the Board, the opportunity
of presenting the same in person before the Board of Trustees in session.”

* * *

“7. (f) There shall be an executive committee of two or more members, com-
posed of or selected from the professors and associate professors in the college,
elected annually by the faculty, to advise the dean in the administration of the
college and to transact such business as may be delegated to it by the faculty. The
dean shall be ex-officio a member and chairman of this committee.”

Clearly the powers of a dean are substantial and to use them properly he needs
full support.

The Board of Trustees has already received from me documents indicating that
the elected members of the 1949-1950 Executive Committee of the College at times
exceeded their powers. This view is held by the Executive Committee of the Uni-
versity Council.

There is, however, the question of interpreting this Statute: “On the occasion
of each such election (of a dean), the President shall have the advice of the executive
committee of the faculty concerned.”

Every college executive committee across the University is free to offer such
advice. Following the practice of my predecessor in what is probably a University
tradition, I have assumed that once a dean is approved and in office the advice is
to retain him unless there is advice to the contrary. There was no such negative
indication regarding the renewal of Dean Bowen’s contract in 1949, nor has there
been, in four years, for any other dean at the time of his reappointment. (There
was one positive recommendation on the reappointment of a dean.)

Such discussion or advice would be in order on the occasion of an election. In
the case of Dean Bowen, the elected members of the Executive Committee sought
action 14 months before the expiration of a two-year term. This item of business
was not delegated to the Committee by the faculty. Subsequently, on October 15th,
the Committee reported to the press: “At no time did we request that Dean Bowen’s
present contract be terminated.”

With respect to all deans, it should be noted that, in spite of the short-term
contract, their term of office is generally regarded as continuous, subject to termina-
tion for cause or through resignation. Few men of standing in any field would accept
the post if, every two years, the full machinery of a selection de novo were to be put
in motion. The office is not lightly accepted by teachers and scholars; it should
not become an easy target for disaffected faculty members.

III

Acting within a frame of reference set up by the Board of Trustees and the President
of the University to move forward to better service and higher distinction, the staff
of the College, under Dean Bowen's leadership, has to its credit some noteworthy accomplishments. They may not meet the eye or make the headline, but they are known to those best qualified to judge—to scholars and students and to practical men of business.

For example, there will be found
A. A remarkable improvement in the comparative rating of the Department of Economics (attested to by letters from Harvard, Yale, Columbia, Chicago, Johns Hopkins, Minnesota, Iowa, etc.).
B. Improvements in the undergraduate curriculum, including a four-year course in secretarial training.
C. Strengthening of the graduate program, including the Ph.D. in Business.
D. Establishment of the Business Management Service which, in its first two and one-half years, held 40 conferences of businessmen, sponsored 23 extension courses, and issued 22 bulletins.
E. Establishment this fall of a Planning Committee to review the aims and objectives of the College and to study personnel problems and procedures relating to appointments, promotions, budgets, and lines of communication. (The Executive Committee of the College did not assign to it the equally important problem of the organization of departments and bureaus.)

Now, all summer and fall we have held to the possibility of a working agreement built upon past achievements and plans for the future. A constructive plan was worked out jointly by the Provost, the Dean, and the Executive Committee of the College, but the Committee declined to ratify it or put it in force.

These measures, in short, have not been successful in bringing together the pro-Bowen and anti-Bowen groups.

A new peak of intransigence was reached at the open meeting of the Board of Trustees on November 24th. What happened there is fresh in the minds of us all, and I need not review it. Those supporting Dean Bowen felt that progress can best be made under his direction and that deterioration will set in speedily if his contract is not renewed. Those opposing Dean Bowen felt that most of the trouble stems from his deficiencies, such that assurance of his non-reappointment as Dean would resolve all problems that rise above the level of normal give-and-take in a College.

At the same meeting, Dean Bowen asked that an early decision be reached. Accordingly, it seems to me that a formal recommendation is in order, although it has not been heretofore for these reasons:
A. Persons within and without the University were confused by irresponsible charges of loss of academic freedom, subversiveness, and indoctrination.
B. The spring of 1950 was not the time to consider the reappointment of the Dean.
C. The elected members of the Executive Committee of the College were behaving in an irregular fashion.
D. There was a prospect of agreement on ways to improve staff-administrative relations in the College.

Let me repeat, there are no Communists in the College of Commerce; there is no evidence of indoctrination. As far as I know, not a single statement of a professor in his field of competence has been challenged by anyone in authority. What has come to the foreground, with increasing definition, is the tactless remark, the personal criticism, the slight—real or imagined, the lapse of memory, the urge to move ahead—the Dean feeling obstructed by the Executive Committee and the Committee failing to represent divergent views in the faculty. Once the great issues were disposed of in June, these lesser complaints were exposed and they grew with repetition.

In presenting certain recommendations, I should like to reassure any staff members and students inclined to give way to an "all-is-lost" reaction:
A. All administrative officers are expected to live up to the letter and the spirit of academic freedom.
B. Academic freedom is a two-way responsibility, calling for reliability on the part of all members of the University family.
C. Academic freedom does not embrace its self-destruction through disloyal subversive acts or doctrines.
D. An interest in growth and change—in ideas—will continue to be a mark of quality in any faculty.
E. Staff (academic and nonacademic) and administrative officers are expected
to work as a team in an atmosphere of mutual respect, but the worth of a professor will be judged primarily by the quality of his teaching, research, and public service.

F. In the words of the Advisory Committee, the College of Commerce and Business Administration “is a school of merit fully representative of a great state; it has a sound, progressive program well understood and supported by its entire staff, and there are no apologies to offer.”

The Senate of the University on December 4th passed this resolution: “The University Senate notes with grave concern the controversy that now prevails in the College of Commerce, and particularly the effects of that dispute on the interests and welfare of the University. It urges that when a decision on this dispute is made by the President and the Board of Trustees that decision be accepted as final.”

I am reporting these decisions, with a request for the approval of the Board:

A. To follow the advice of the Executive Committee of the University Council and the Advisory Committee of the College of Commerce and Business Administration not to recommend Dean Howard R. Bowen for a new term of office.

B. In view of this, to accept the resignation of Dean Howard R. Bowen as Dean of the College of Commerce and Business Administration, effective January 1, 1951, in accordance with his letter of December 28, 1950, assigning him duties in research and instruction as a professor of economics.

C. To appoint Dr. Robert R. Hudelson, Professor of Agricultural Economics and Associate Dean of the College of Agriculture, Acting Dean of the College of Commerce and Business Administration, starting January 1st and continuing until a new dean takes up his duties, but not beyond August 31, 1951.

[The motion on Page 488 is on the decisions stated in A, B, C, above.—Secretary's note.]

If the actions above are approved, I should like to say for the information of the Board that I propose:

A. To appoint a special committee of five to

1. Submit to me nominations for the deanship of the College. I shall have also the advice of the Executive Committee of the College.

2. Assist in planning the reorganization of the College, including a possible transfer of the Department of Economics to the College of Liberal Arts and Sciences, and to prepare a report for consideration of the Senate.

(I shall ask the following members of the faculty to serve on the Committee: Edward W. Cleary, Chairman, Professor of Law; Royden Dangerfield, Professor of Political Science and Director of the Institute of Government and Public Affairs; Charles J. Gaa, Professor of Accountancy; D. Philip Locklin, McKinley Professor of the Economics of Public Utilities; Gordon Ray, Professor of English and Head of the Department.)

B. Consistently with the advice of the Executive Committee of the University Council, to request the present elected members of the Executive Committee of the College in the interest of harmony to resign from the Committee and to declare themselves unavailable for membership for a period of one year.

C. To ask the College to proceed to elect a new Executive Committee which shall strive to reconcile the differences in the faculty.

December 28, 1950

President George D. Stoddard
355 Administration (W)

Dear President Stoddard:

In accordance with your decision as accepted by the Board of Trustees, I hereby offer my resignation as Dean of the College of Commerce and Business Administration. In so doing, I request assignment to the Department of Economics, with duties in teaching and research.

In order that the work of the College may go forward under a new administration without delay, I suggest that the resignation be made effective January 1, 1951 rather than at the expiration of my present term of office.

In submitting my resignation, I wish to make it clear that I stand on the statement I presented at the November meeting of the Board of Trustees. I do not in any sense condone the unfair tactics, the false ideological issues, and the extraneous and improper pressures that have been employed by those who have sought my removal. Nevertheless, I accept the decision in good grace and as final.

Yours sincerely,

Howard R. Bowen
Dean
On motion of Mr. Livingston, the decisions of the President, as presented in A, B, and C on page 487, were approved, and the resignation of Dr. Howard R. Bowen as Dean of the College of Commerce and Business Administration was accepted.

APPOINTMENTS TO THE FACULTY

(2) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. FRANK CLINGAN FOLEY, Research Professor of Geology, Graduate College, beginning September 1, 1951, at an annual salary of $750 (1/10 time) (A).

2. OLIVER D. GRACE, Assistant Professor in the Department of Veterinary Pathology and Hygiene, College of Veterinary Medicine and Agricultural Experiment Station, eight months beginning January 1, 1951, without salary (GY).

3. JOHANNA KROUT, Research Assistant Professor of Education, College of Education, ten months beginning December 1, 1950, at an annual salary of $5,500 (GY).

On motion of Mr. Livingston, these appointments were confirmed.

The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

Herbert George Bowles (Calif.)
Max Cohen (Mo.)
Isadore William Goldberg (D.C.)

I concur.

On motion of Mr. Nickell, these certificates were awarded, as recommended.

DEPARTMENT OF OCCUPATIONAL THERAPY

The Dean of the College of Medicine and the Vice-President in charge of the Chicago Professional Colleges recommend that the work in occupational therapy now in the Department of Physical Medicine and Rehabilitation be set up as a separate Department of Occupational Therapy.

I concur.

On motion of Mrs. Watkins, this recommendation was approved.

RESIDENCE AND CREDIT REQUIREMENTS FOR A SECOND MASTER'S DEGREE

The University Senate has approved for presentation to the Board of Trustees the establishment of the following minimum residence and credit requirements for a second master's degree recommended by the Graduate College:

A graduate student who holds a master's degree from the University of Illinois or from another accredited institution and who desires to become a candidate for a second master's degree from the University of Illinois in a different field, must meet these requirements:

1. Two semesters or the equivalent in residence at the University of Illinois.
2. Satisfactory completion of at least six units of work beyond those submitted in partial fulfillment of the requirements for the first master's degree, of which four must be in the major field.

By petition, two units in the minor or major which were completed in partial fulfillment of the requirements for the first master's degree may be accepted. Students who obtained the first master's degree at an institution other than the University of Illinois must establish credit in these two units by direct examination.

I concur.

On motion of Mr. McLaughlin, these requirements were approved, as recommended.

REVISED UNDERGRADUATE CURRICULA IN THE COLLEGE OF COMMERCE AND BUSINESS ADMINISTRATION

The University Senate has approved for presentation to the Board of Trustees recommendations from the faculty of the College of Commerce and Business Administration for revisions of undergraduate curricula in the following fields of concentration:
Accountancy  
For those who are preparing to follow governmental, industrial, commercial, or public accounting, or who wish to use the field of concentration in accountancy as a general training for a career in business.

Commerce and Law  
For those who wish to combine commercial and legal studies and obtain both the degrees of Bachelor of Science and Bachelor of Laws in six years. In their fourth year, students who have earned at least 100 credit hours in prelaw work will be regularly registered in the College of Law, but must file copies of their program cards in the office of the Dean of the College of Commerce and Business Administration at the beginning of each semester.

Economics of Regulated Enterprises  
For those wishing to prepare to enter public utility, transportation, or communication industries or regulatory agencies of the government.

Economic Theory  
For those who desire broad training in economic theory.

Finance  
For those who desire a broad undergraduate preparation in public finance, banking, or business finance.

General Economics  
For those who wish a general course of study in economics.

Industrial Administration  
For those who desire to combine commerce with engineering or with other technical work in an integrated program.

Insurance  
For students preparing for a career in the insurance business.

Labor Economics  
For those desiring to make a career in some phase of labor-management relations — in government service, industry, or the academic professions.

Management  
For those who desire a broad undergraduate preparation in management.

Marketing  
For those planning to engage in any of the phases of marketing.

Personnel Management  
For those who wish to study the problems which arise out of the relationships between employer and employee, or who wish to prepare themselves for affiliation with personnel departments in industry, commerce, or public or private institutions.

Secretarial Training  
For those who wish to prepare for secretarial work requiring a high degree of technical skill and broad business education.

Statistical Economics  
For those who are preparing to do quantitative research in the fields of economics and business.

Teaching  
For those who wish to prepare to teach commercial subjects.

The revisions will be put into effect gradually, as conditions permit, beginning with the academic year 1951-1952. The new requirements will be applicable to stu-
students enrolling in the College of Commerce and Business Administration for the first time after September 1, 1951.

These curricular revisions represent more than a year's study by the College of Commerce faculty and its Committee on Courses and Curricula and by the Senate Committee on Educational Policy. I submit also a statement prepared for the Senate by its Committee on Educational Policy summarizing these proposals. The documents giving the details of the courses required or recommended in each curriculum, as submitted by the College faculty, have been filed with the Secretary of the Board.

I concur.

On motion of Mr. Herrick, these curricular revisions were approved, as recommended by the College faculty and the University Senate.

APPROPRIATION BY THE ATHLETIC ASSOCIATION

(7) The Board of Directors of the Athletic Association has approved an appropriation of $3,000 from the reserve fund of the Athletic Association to pay the Alumni Association for services rendered the Athletic Association.

I recommend approval of this appropriation.

On motion of Mrs. Holt, this assignment of funds was approved.

RELEASE OF FUNDS FOR BUILDINGS AND OTHER CAPITAL IMPROVEMENTS

(8) The Governor has approved the following release of funds from appropriations made by the University of Illinois for 1949-1951 for buildings and other capital improvements:

Release No. 48
"For Permanent Improvements at Chicago—Construction of Utility Distribution System and remodeling of existing buildings".......................... $ 73,808
This is a final release from an appropriation of $190,000. The Governor has previously released (Releases Nos. 10, 26, 28, 35, 38, and 45) $116,192 from this appropriation. The funds now released are for the remodeling of existing buildings necessitated by the new steam distribution system in Chicago.

Release No. 49
"For Permanent Improvements at Chicago—Construction of addition to present hospital"
.......................................................... 583,171
This is a partial release from an appropriation of $7,395,000. The Governor has previously released (Releases Nos. 8, 15, 17, and 19) $6,280,508.18 from this appropriation. The funds now released are for work necessary to complete the structural connection and coordination with the present hospitals, including remodeling of quarters in existing buildings.

Release No. 50
"For Equipment for Buildings at Urbana-Champaign and Chicago"...... 14,000
This is a partial release from an appropriation of $680,000. The Governor has previously released (Releases Nos. 2, 18, 40, 43, 44, and 46) $188,253.65 from this appropriation. The funds now released are for equipment in buildings at Chicago.

I recommend that the funds released be appropriated for the purposes specified.

On motion of Mr. Livingston, these funds were appropriated, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Doctor Meyer, Mr. Stevenson.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(9) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:
1. Remodeling in Gregory Hall for Placement Bureau (College of Education) $10,500
2. Remodeling and improvements in the Department of Bacteriology 13,492
3. Publication of a University stylebook of English (proposed by the Committee on Student English) 2,700
4. "Wired wireless" station for the School of Journalism and Communications 2,500
5. Remodeling in David Kinley Hall (College of Commerce) 2,050
6. Instrument lockers for School of Music 7,500
7. Physical Plant Department
   - Purchase of air compressor 4,000
   - Purchase of projection equipment 3,200
   - Purchase of reserve transformers 4,000
   - Engineering services for water reclamation improvements to meet provisions of contract approved by the Board April 21, 1949 10,000
8. Addressograph equipment for Research and Educational Hospitals 8,700

It is recommended that assignments for these items be made from the General Reserve Fund.
I concur.

On motion of Mr. Hickman, these appropriations were made, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Doctor Meyer, Mr. Stevenson.

**APPROPRIATION FOR UNIVERSITY LIBRARIES**

In the preparation of the internal operating budget for 1950-1951, it was necessary to ask for reductions in the estimates submitted by the Deans and Directors in order to balance the budget as a whole. A large reduction was made in the budget for University libraries with the expectation that it would be possible during the course of the year to make some adjustments. The Director of the Library has submitted a request for an addition of $37,000 to be distributed as follows:

- General Research $10,000
- Photographic Reproductions 1,000
- Periodicals 13,000
- Binding 10,000
- Departmental Allocations 3,000

Total $37,000

This is based on convincing data on rising costs of books, periodicals, and binding and on appropriate provisions for new staff members and new lines of work.
I recommend that an appropriation of $37,000 be made to the Library as a permanent increase in its present budget.

On motion of Mr. Nickell, this appropriation and adjustment in the budget were authorized by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Doctor Meyer, Mr. Stevenson.

**APPROPRIATION AND CONTRACTS FOR NEW RADIO STATION TRANSMITTER BUILDING AND TOWER CONSTRUCTION**

The Board of Trustees has authorized the purchase of a steel tower for television and FM antenna equipment and of a transmitter for University broadcasting. These new facilities will be located at Robert Allerton Park and will require a new building to house them.

An appropriation of $75,159, based upon the best estimates of cost that could be made at the time, was made by the Board on February 16, 1950. Present indications are that an additional appropriation of $15,839 will be required to complete the project. Major differences are the excess costs, over estimates, of construction of the
transmitter building, $9,175, and of tower bases and moving the tower, $12,800. A part of this increased cost can be absorbed by savings in other items.

The Director of Broadcasting, the Dean of Communications, the Provost, and the Comptroller recommend that a supplementary appropriation be made.

The Director of the Physical Plant and the Comptroller recommend award of contracts to the lowest bidders as follows for the construction of a new transmitter building for radio station WILL at Robert Allerton Park and for concrete footings to secure and hold the new tower recently purchased:

General work on the building and for the footings—Contracting Construction Company, Danville.......................................................... $27,243.00
Plumbing work—E. E. Hubbard and Son, Monticello......................... 980.40
Electrical work—Anderson Electric Company, Urbana.......................... 6,032.00

I recommend that a supplementary appropriation of $15,839 be made from the General Reserve Fund for this purpose and that the Comptroller and the Secretary of the Board be authorized to execute the contracts.

On motion of Mr. Livingston, these contracts were authorized, as recommended, and an appropriation of $15,839 was made from the General Reserve Fund by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mrs. Watkins, Mr. Williamson; no, Mr. Nickell; absent, Doctor Meyer, Mr. Stevenson.

CONTRACTS FOR CONSTRUCTION OF VETERINARY MEDICINE BUILDING ANNEX

(12) The Director of the Physical Plant and the Comptroller recommend the award of the following contracts for the construction of an annex to the Veterinary Medicine Building to house the autopsy room and related activity:

General work—John Felmley Company, Bloomington ......................... $180,000
Plumbing work—W. T. Mahoney and Sons, Chicago.............................. 38,871
Heating, ventilating, and refrigeration—National Korectaire Company, Chicago.............................................................. 69,214
Electrical work—Square Deal Electric Company, Urbana ..................... 20,785

All are the lowest bidders and are the contractors in their respective crafts for the building now under construction.

Funds are available in the state appropriation for "Construction of Veterinary Science unit," subject to their release by the Governor.

I concur and recommend that the Comptroller be authorized to execute changes in the present contracts for the construction of the Veterinary Medicine Building to include the above work on the annex.

On motion of Mrs. Watkins, these contracts were authorized, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. McLaughlin, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Doctor Meyer, Mr. Stevenson.

CONTRACT FOR ELECTRICAL WORK IN ILLINI HALL

(13) The Director of the Physical Plant and the Comptroller recommend the award of a contract for $36,193 to the Leverenz Electric Company, Danville, for extension of a new electrical distribution system to Illini Hall as part of the program of the utility distribution system extensions on the Urbana campus. This work will provide a new electrical service to the building, the installation of a new transformer and of a new main distribution system to the panel boards on each floor. The wiring from the panels to individual outlets will be done later as a part of the interior remodeling of the building. Illini Hall is more than forty years old, and its electrical system should be replaced throughout.

Funds are available in the state appropriation for "Construction of extensions to Utility Distribution Systems."

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

The Anderson Electric Company, Danville, submitted the lowest bid of $22,660. The bids were opened on December 12, and the following day the Company notified
the Physical Plant Department that the Company had made an error in totaling its figures and requested that the bid be withdrawn. The Company will forfeit, without contest, the deposit of $1,133.

The Brunkow Electric Company, Champaign, submitted the next lowest bid of $36,000 but did not comply with all conditions of the bidding by failing to supply a certified check, offering a bid bond instead, which the bid documents specifically state is not acceptable.

On motion of Mrs. Holt, this contract was authorized as recommended.

CONTRACT FOR UTILITIES DISTRIBUTION SYSTEM IN URBANA
(14) The Director of the Physical Plant and the Comptroller recommend the award of a contract for $19,629 to the Potter Electric Service, Urbana, for modernization of the transformer vault serving Busey and Evans Residence Halls. This is part of the construction of extensions of the Utilities Distribution System at Urbana.

Funds are available in the state appropriation for “Construction of extensions to the Utility Distribution Systems.”

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

The Leverenz Electric Company, Danville, submitted a bid of $15,995. The bids were opened on November 20, 1950. On December 6 the Company wrote that a mistake had been made in figuring this job and requested withdrawal of its bid and return of the deposit. Under the terms of the bidding, this deposit is not refundable.

Mr. Livingston offered the following motion: The Leverenz Electric Company was the lowest bidder on this project. However, Mr. Leverenz has indicated his refusal to perform. In view of this and as bids were opened on November 20, 1950, and the University had the right to hold bids for forty days only, I move that the contract be awarded to the Potter Electric Service, Urbana, and that the Leverenz Company’s bid deposit be retained by the University as liquidated damages for his failure to perform in accordance with the terms of his bid.

This motion was adopted.

CONTRACT FOR POWER PLANT ADDITION
(15) The Director of the Physical Plant and the Comptroller recommend the award of a contract for $6,220 to E. N. DeAtley, Champaign, the lowest bidder, for the construction of a new room in the west end of the Physical Plant Service Building (the old power plant) to house a new D.C. motor generator set, the purchase of which has previously been authorized by the Board.

Funds are available in the state appropriation for “Additions to Power and Heating Plant and remodeling of existing buildings.”

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Fornof, this contract was authorized as recommended.

CONTRACT FOR TUCK POINTING AND CLEANING OF EXTERIOR OF SECOND UNIT OF DENTISTRY, MEDICINE, AND PHARMACY BUILDING
(16) The Director of the Physical Plant and the Comptroller recommend the award of a contract for $2,565 to White Building and Maintenance Corporation, Chicago, the lowest bidder, for tuck pointing and cleaning of the exterior of the second unit of the Dentistry, Medicine, and Pharmacy Building. This work is necessary to correct moisture conditions and to prevent further deterioration of exterior walls and stonework. It will be the second phase of a tuck pointing and maintenance program started last year.

Funds are available in the Physical Plant budget for this work.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. McLaughlin, this contract was authorized as recommended.
CONTRACT FOR REMODELING IN GREGORY HALL

The Director of the Physical Plant and the Comptroller recommend the award of a contract for $7,840 to C. A. Petry and Sons, Champaign, the lowest bidder, for remodeling of two rooms in Gregory Hall to provide more adequate quarters for the Teacher Placement Office.

The appropriation for this work is included in the recommendations of the Committee on Nonrecurring Appropriations which have been submitted separately.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Holt, this contract was authorized as recommended.

CHANGE IN CONTRACT FOR PIPING INSTALLATIONS IN POWER PLANT ADDITION

The Director of the Physical Plant and the Comptroller recommend the addition of $1,350 to the contract with the W. A. Pope Company, Chicago, for piping installations in the power plant addition to provide for the extension of the dust removal line from one smokestack to the other. This was not included in the original contract because the details required for the engineering and layout were not available until after completion of the drawings and specifications for the second chimney.

Funds are available in the state appropriation for "Additions to Power and Heating Plant and remodeling of existing buildings."

I concur and recommend that the Comptroller be authorized to execute this change.

On motion of Mr. Herrick, authority was given as recommended.

ADDITION TO ELECTRICAL CONTRACT FOR ANIMAL SCIENCES LABORATORY

The Director of the Physical Plant and the Comptroller recommend an increase of $4,322.18 in the contract with the Square Deal Electric Company for the electrical work in connection with the construction of the Animal Sciences Laboratory, to provide for the electrical installations required for additional ventilating equipment in three rooms, for the cost of additional electrical work required in the rearrangement of rooms and equipment changes in the third and fourth floors of the east wing.

The contract changes have been checked by the architects and they report the price is a reasonable charge. Funds are available in the state appropriation for the construction of the building.

I concur and recommend that the Comptroller be authorized to execute this contract addition.

On motion of Mr. Livingston, authority was given as recommended.

EASEMENT TO THE MEDICAL CENTER STEAM COMPANY

In connection with the construction of a distribution system for the Central Steam Company on the Professional Colleges campus in Chicago which is being constructed under a contract with the Commonwealth Edison Company, an easement is needed from the University to the Steam Company giving the Steam Company the right to construct certain tunnels and service pipes on land owned by the University.

The proposed easement has been approved by the Assistant to the Legal Counsel of the University, and the Comptroller and the Director of the Physical Plant recommend that the easement be granted.

I concur and request authorization for the Comptroller and the Secretary of the Board to execute the necessary documents.

On motion of Mrs. Watkins, this easement was granted and authority was given as recommended.

AIR LINE SERVICE AT UNIVERSITY OF ILLINOIS AIRPORT

The Board of Trustees on June 22, 1950 (Minutes, page 1183), authorized a contract with the Parks Air Lines of East St. Louis for the use of University of Illinois Airport facilities in the operation of an air line service. This contract was assumed by the Ozark Air Lines when they took over the service. Ozark Air Lines
requests an additional temporary contract for the period January 1 through June 30, 1951. The Director of the Institute of Aviation has negotiated this contract and recommends the following schedule of charges:

Landing Fees ($75 a schedule) 
($100 for each of the first two schedules; $50 each for the next four schedules; and $25 for remaining schedules)

The general service to be furnished by the University will include representation of Ozark Air Lines at the Airport, including local ticket sales, battery cart service, line service, baggage handling, telephone and teletype service, weather observations, provision of waiting room facilities, public address announcements, public protection, and fire protection.

On motion of Mr. McLaughlin, this schedule of charges was approved and extension of the contract on that basis was authorized as recommended.

PLAQUE IN EAST CHEMISTRY BUILDING

(22) The Department of Chemistry recommends that a bronze plaque be installed in the entrance to the East Chemistry Building dedicating the Laboratory of Chemistry and Chemical Engineering to the memory of the late Professor Samuel Wilson Parr, a distinguished member of the Department of Chemistry at the University of Illinois. The name of the building will remain East Chemistry Building.

I concur.

On motion of Mr. Fornof, this recommendation was approved.

SALE OF OLNEY AGRICULTURAL EXPERIMENT FARM

(23) The University owns approximately ninety-six acres of land near Olney, Illinois, which has been in use since it was purchased in 1909 as an experimental fruit farm by the Department of Horticulture. The Head of the Department of Horticulture and the Dean of the College of Agriculture and Director of the Agricultural Experiment Station recommend that operation of this farm be discontinued and the land sold. To conclude its work the University will need a limited period of time, probably through the 1951 crop season, and this reservation should be made in the sale.

I recommend that this matter be referred to the Committee on Agriculture with authorization to secure an appraisal and submit a recommendation to the Board as to selling price and conditions of the sale.

On motion of Mrs. Holt, the Committee on Agriculture was re-
quested to secure an appraisal and submit a recommendation to the
Board.

SALE OF RESIDENCE PROPERTIES

(24) Since 1947 the Board of Trustees has purchased a number of residences and
has also constructed others for rental to members of the staff. This was done to meet
an emergency situation.

It was contemplated that the properties would be sold when housing conditions
improved sufficiently. On recommendation of the Provost, the Comptroller, and the
Director of the Physical Plant, I have approved the following procedure to govern
such sales, each sale to be presented to the Board for prior approval.

This plan does not apply to the Small Homes Council Staff Housing Research
area at Florida Avenue and Race Street or to houses located in areas of campus
expansion.

University of Illinois
Procedure to Govern Sale of Residence Properties

A. Sale to Occupant

Any occupant of a house which the University is willing to sell may submit a
request to purchase. Such a sale will be made to him provided the price is not less
than the purchase (or construction) cost of the property, plus capital improvements,
special assessments, and costs of sale. (This provision will not apply to the six houses
on Hessel Boulevard financed in part by federal funds. Special procedures will be
required for these houses.)

B. Sale to Non-occupant

Any house may be offered for sale whenever the staff member to whom it is
assigned gives it up and no other assignment for it is pending; provided that before
a property is offered for sale, the matter will be reported to the Provost for review
and approval.

1. An effort will be made to recover not less than the original purchase cost
of the property plus capital improvements, assessments for local improvements,
and expense of sale.

2. An informal appraisal by the University's real estate adviser will be secured.
If this appraisal indicates that comparable properties have advanced in value since
this property was purchased, an effort will be made to secure a price conforming
to the appraisal, but not less than cost.

3. Public notice of the desire of the University to sell the property will be given
in the Official Notices and Weekly Calendar and the Illini Worker inviting sealed
offers by a specified date for the purchase of the property, including terms of pay-
ment and other conditions. The University will reserve the right to reject all offers.

On motion of Mr. Livingston, this procedure was authorized as
recommended.

REVISION OF WORKMEN'S COMPENSATION ACT

(25) The Illinois Workmen's Compensation Act in its present form includes as em-
employees to whom the benefits of the Act are extended, the following provision with
respect to persons in the employ of the University of Illinois:

"First — Every person in the service of the State, including all persons in the service
of the University of Illinois on and after January 25, 1933 except members of the
instructional, research, and administrative staffs thereof when not, at the time of
injury, actually engaged in an occupation declared to be extra-hazardous in Sec-
tion Three (3) of this Act, . . . "

The extra-hazardous occupations referred to in this description are defined in
the Act as follows:

"1. The erection, maintaining, removing, remodeling, altering or demolishing
of any structure, except as provided in sub-paragraph 8 of this section.

"2. Construction, excavating or electrical work, except as provided in sub-
paragraph 8 of this section.

"3. Carriage by land, water or aerial service and loading or unloading in con-
nection therewith, including the distribution of any commodity by horse-drawn or
motor driven vehicle where the employer employs more than two employees in the
enterprise or business, except as provided in sub-paragraph 8 of this section.

"4. The operation of any warehouse or general or terminal storehouses.

"5. Mining, surface mining or quarrying."
6. Any enterprise in which explosive materials are manufactured, handled, or used in dangerous quantities.

7. In any enterprise wherein molten metal, or explosive or injurious gases or vapors, or inflammable vapors or fluids, or corrosive acids are manufactured, used, generated, stored or conveyed in dangerous quantities.

7. Any enterprise in which shapened cutting tools, grinders, or implements are used, including all enterprises which buy, sell, or handle junk and salvage, demolish, or reconstruct machinery, except as provided in sub-paragraph 8 of this section.

8. In any enterprise in which statutory or municipal ordinance regulations are now or shall hereafter be imposed for the regulating, guarding, use, or the placing of machinery or appliances, or for the protection and safe-guarding of the employees or the public therein; each of which occupations, enterprises, or businesses are hereby declared to be extra hazardous: Provided, nothing contained herein shall be construed to apply to any work, employment or operations done, had, or conducted by farmers and others engaged in farming,* tillage of the soil, or stock raising, or to those who rent, demise or lease land for any such purposes, or to any one in their employ or to any work done on a farm or country place, no matter what kind of work or service is being done or rendered.

9. Any enterprise, business or work in connection with the laying out or improvement of subdivision of tracts of land.

10. Any enterprise for the treatment of cross-ties, switch-ties, telegraph poles, timber, or other wood with creosote or other preservatives.

* Only applies when less than 5 employees.

The Committee on Accident Compensation for employees in finding it increasingly difficult to follow and apply fairly this differentiation in the treatment of accident cases. Strictly the entire teaching, administrative, and research staff of the University would be excluded from any compensation for accidents, even though they arose "out of and in the course of employment" (as required by the Act) unless the individual at the time of the accident was actually engaged in extra-hazardous work as specifically defined in the Act. Definition of "extra-hazardous" as is stated in the Act is not readily applicable to the University. The University is the only educational institution or department of the state that is so restricted. The growth of the activities of the University, particularly in the field of research and statewide service, is resulting in situations which would make the Act inequitable to staff members in many instances if strictly applied.

The Committee recommends that legislation be sought which will remove the above-described restriction, thus making the provisions of the Act applicable to any person in the employ of the University of Illinois, as to any accidents arising "out of and in the course of" their employment.

I concur and request authority to prepare and endeavor to secure such legislation.

On motion of Mr. Hickman, authority was granted as recommended.

Changes in University Civil Service Law

The University Civil Service Law, represented by an amendment of the general State Civil Service Law approved in 1947, provides that there be a separate Civil Service of the University administered by the Board of Trustees, acting in the capacity of Civil Service Commission. While in general the operations of the new law have been satisfactory, there have been some difficulties and some objections in principle to the fact that civil service responsibilities are placed upon the identical body which is in charge of employment and direction of employees. In the last session of the General Assembly, a bill was introduced and received serious consideration which would have set up a University Civil Service Commission entirely independent of the Board of Trustees.

The Director of Nonacademic Personnel and the Comptroller, after discussion with both the Urbana-Champaign and the Chicago Nonacademic Advisory Committees, recommend that the University take the initiative in securing a change in the present law which will provide for a University Civil Service Commission of Illinois, members of which should be appointed by the governing boards of the institutions covered.

Meanwhile, the other five state-supported institutions of higher education in Illinois have become actively interested in the possibility of transferring their nonacademic employees to the University Civil Service System, thus providing a single higher education civil service system in Illinois. The Presidents and Business Mana-
gers of all the institutions involved have endorsed the proposal and submitted it to their governing boards, and both boards have approved the recommendation. The University has about 4,000 nonacademic employees, and the other institutions have about 500.

As a tentative plan, it is proposed that there be created a University Civil Service System of Illinois governed by a Civil Service Commission consisting of representatives of the Board of Trustees of the University of Illinois appointed by that Board, and representatives of the governing boards of any other institutions included, appointed by those Boards. This Commission would assume all functions of the Board of Trustees of the University of Illinois under the present law relating to Civil Service matters, such as approve classifications and salary ranges, to give examinations, to certify those eligible for appointment, and to consider discharges, appeals, and other appropriate matters. It would make its rules and regulations and secure an appropriation to carry out its work. The Civil Service features of the present Office of Nonacademic Personnel at the University would be transferred to this body. Matters of employee welfare would continue to be an institutional responsibility. While such a new commission should have the unrestricted right to appoint its own staff, it is reasonable to suppose that Civil Service functions presently provided by the Office of Nonacademic Personnel at the University might be expanded through that office to provide services on a state-wide basis without actual duplication of staff.

I recommend that this proposal be referred to the Committee on Civil Service and Employees.

On motion of Mrs. Watkins, this matter was referred to the Committee on Civil Service and Employees for consideration, and the Committee was requested to report its recommendation to the Board at the January, 1951 meeting.

At this point, Mr. Nickell asked to be excused and withdrew from the meeting.

ADMINISTRATION BUILDING ALTERATIONS

(29) On September 29, 1950 (Minutes, page 368), the Board of Trustees approved the award of cost-plus contracts, on a basis of competitive bids, for minor alterations during the fiscal year 1950-1951. Contracts for general work of this character were awarded to E. N. DeAtley, Champaign, and Clarence Siems Co., Urbana. The Board of Trustees authorized such contracts not to exceed $5,000 for any one job.

As a part of the program for relocation of administrative offices, it is necessary to make certain alterations in and additions to Rooms 302, 303, and 304 of Administration Building (East) to provide small cubicles or offices required for the occupancy of this area by the Student Counseling Bureau. The main work involves providing partitions, plastering, and millwork.

Since this work is of a remodeling character it is not feasible to prepare detailed specifications and secure competitive bids. The Director of the Physical Plant and the Comptroller recommend that this work be allocated to Mr. E. N. DeAtley under his cost-plus contract since his fees for work in this bracket are slightly lower than those in the bid of Mr. Siems. Total cost of this work is estimated at $7,790.66.

Funds are available in the appropriation made by the Board of Trustees on September 29, 1950 (Minutes, page 366) for relocation of administrative offices.

I concur and recommend that the Comptroller be authorized to execute this contract addition.

On motion of Mr. Livingston, authority was given as recommended.

RESIGNATION OF PROFESSOR JOHN M. KUYPERS AS DIRECTOR OF THE SCHOOL OF MUSIC

(30) Professor John M. Kuypers was granted leave of absence from the Directorship of the School of Music for one year beginning September 1, 1950. He is to continue his professorship during the current academic year.

Professor Kuypers now submits his resignation as Director of the School of Music, to be effective at the end of the current academic year 1950-1951.

I recommend that (a) his resignation as Director be accepted, effective August 31, 1951; (b) he be continued as Professor of Music on indefinite tenure; (c) his present on-leave-of-absence-as-Director status be continued for the balance of the current academic year as previously authorized.

Professor Kuypers' letter of resignation is attached.

In the meantime, Professor Duane Branigan, who was appointed Acting Director for one year from September 1, 1950, will continue serving in that capacity. A faculty committee will be appointed to search for a qualified candidate for the directorship and a recommendation for such an appointment will be made following the lines of established practice in due course of time.

On motion of Mrs. Holt, the resignation of Professor Kuypers as Director of the School of Music was accepted and the other recommendations of the President of the University were approved.

IRVIN L. PORTER

Mr. Fornof offered the following resolution:

Mr. Irvin L. Porter, Treasurer of the Board of Trustees of the University of Illinois, died on December 24, 1950, after an illness of several weeks.

Mr. Porter was first elected Treasurer of this Board on March 20, 1943, and served continuously until his death. At the time of his passing he was in the fourth two-year term of service. As an alumnus and trustee of Knox College, he had a keen interest in educational affairs, and that interest was made constantly evident in his service as Treasurer of the University of Illinois. His experience as an executive officer of the First National Bank of Chicago made it possible for him to render valuable assistance and advice to the University in its financial problems which he did unstintingly and continuously. He handled all duties of the treasurership with efficiency and thoroughness, and at all times extended the fullest possible cooperation with the Board and its officers in the handling of University business. He was also instrumental in securing cooperation and excellent service for the University from the First National Bank of Chicago, the depository of funds in his custody.

The Board of Trustees in regular meeting assembled this 28th day of December, 1950, hereby records its sorrow at his passing and its deep appreciation of his valu-
able and effective service to it as its Treasurer. It directs that this resolution be spread upon the Minutes as a public record of the Board's tribute and that a copy be sent to Mr. Porter's family.

This resolution was adopted.

UNIVERSITY TREASURER

Mr. Fornof, on behalf of the Finance Committee, offered the following resolution:

WHEREAS, Illinois Revised Statutes, 1949, Chapter 144, Section 26 provides: "At the first, and at each biennial meeting thereafter, it shall be the duty of the board to appoint a treasurer, who shall not be a member of the board, and who shall give bonds, with such security as the board of trustees shall deem amply sufficient to guard the University from danger of loss or diminution of the funds intrusted to his care . . ." and

WHEREAS, the office of Treasurer of the University of Illinois has become vacant through the death of Irvin L. Porter, the previous Treasurer, on December 24, 1950:

Now, Therefore, Be It Resolved, That Clarence W. Weldon of the City of Chicago, County of Cook, and State of Illinois be and hereby is appointed Treasurer of the University of Illinois, to hold office for the remainder of this biennial term and until his successor shall have been duly appointed and qualified.

Be It Further Resolved, That prior to entering upon the duties of said office said Treasurer shall furnish a bond in the penal sum of Five Million Dollars ($5,000,000.00) in such form and with such security as the Finance Committee of this Board shall deem amply sufficient to guard the University from danger of loss or diminution of the funds intrusted to his care.

Be It Further Resolved, That said Treasurer be and hereby is authorized and directed to assume possession and control of any and all funds or assets of the University of Illinois that were in the possession or under the control of the previous Treasurer.

Be It Further Resolved, That said Treasurer be and hereby is authorized and directed to perform the duties and assume the responsibilities of Treasurer of the University of Illinois and that said Treasurer shall have and has any and all powers and privileges that now or may hereafter in anywise appertain to the said office of Treasurer of the University of Illinois.

This resolution was adopted and Clarence W. Weldon was declared the duly appointed Treasurer of the University to serve for the balance of the unexpired term of the late Irvin L. Porter, or until the next annual meeting of the Board of Trustees and until his successor shall have been elected and qualified.

REPORT OF THE COMMITTEES ON BUILDINGS AND GROUNDS AND ON AGRICULTURE ON HEARING OF DELEGATIONS FROM ORGANIZATIONS REQUESTING A NEW HOME ECONOMICS BUILDING AT THE UNIVERSITY OF ILLINOIS

Messrs. Fornof and McLaughlin presented the following report:

In the discussion of the University’s building program for 1951-1953 at the meeting of the Board of Trustees on October 26, 1950, the Board directed the Committee on Buildings and Grounds and the Committee on Agriculture to hear individuals and delegations who wished to appear before the Board in support of a new home economics building. The Building and Grounds Committee was also requested to hear any parties desiring to appear in support of other building projects.

Your Committees report that at a joint meeting held at Urbana, Illinois, on November 30, delegations from the Illinois Agricultural Association, the Illinois Home Bureau Federation, and the Illinois Federation of Women’s Clubs were heard. Representatives of these delegations asked the Board of Trustees to include in its building program a new building for home economics at the earliest feasible time. The sentiment of these delegations may be summed up in the statement made by
the President of the Illinois Agricultural Association who said that (1) these organizations are firm in their belief that a new building for home economics is greatly needed at the University and that they will solidly support a state appropriation for such a building; (2) at the same time, they recognize the importance of other projects in the University's building program; (3) they are aware of the problem the Board of Trustees has in determining priorities; (4) they wish to avoid seeking a separate state appropriation for a home economics building independently of the University, preferring to work with the Board of Trustees in support of the entire building program; and (5) that if it is not feasible to include provision for a new home economics building in the state appropriations requested for 1951-1953, these organizations request definite assurance at this time that it will be included in the building program for the succeeding biennium.

Your Committees were much impressed with the fairness of these presentations and with the fine interest these organizations have in the University's program in home economics. As a result of this hearing, your Committees recommend that the Board of Trustees request the Sixty-seventh General Assembly of Illinois to appropriate to the University for 1951-1953 sufficient funds for complete architectural drawings for a new home economics building so that the University will be ready to proceed with the construction of the building without loss of time as soon as funds for the building itself are available.

MRS. DORIS S. HOLT  WALTER W. MCLAUGHLIN, Chairman

JOHN R. FORNOF, Chairman
Committee on Buildings and Grounds

President Stoddard recommended that this appropriation be absorbed within the total appropriations requested in the building program for 1951-1953, as approved by the Board of Trustees on October 26, 1950 (Minutes, pages 428-430), by including it in the item of $1,700,000 for remodeling, improvements, and minor additions so that this item will be for: Architectural drawings for a Home Economics Building, Remodeling, Improvements, and Minor Additions, $1,700,000.

On motion of Mr. Fornof, the recommendation of the two committees was approved and the building program for 1951-1953 was amended as recommended by President Stoddard.

REPORT OF COMMITTEE ON CHICAGO DEPARTMENTS ON CHICAGO HOUSING PROJECTS

Mr. Livingston presented the following report:

Supplementing the report of the Committee to the Board on October 26, 1950, Equitable Life Assurance Society was asked for a final statement as to what it would do about a loan on these projects. It has advised the Medical Center Commission and the Comptroller that the maximum amount it can lend on this project is $2,700,000. The total estimated cost of the project, based on bids received in October for construction work and estimates of other costs, is $4,027,000. The Commission and the Comptroller are advising Equitable that in view of this fact the negotiations with the Company are considered to be terminated, thus leaving the way open for the Commission to negotiate with other parties.

The Committee has carried on discussions as to other means of securing funds for this project. It is believed an investment firm may be willing to seek such funds if given an exclusive right to do this for a reasonable period. Mr. Amos Watts has indicated that approval of an issue of bonds by the Medical Center Commission probably could be given on the basis of a lease from the University to the Commission carrying a rental sufficient to meet all costs of operation and to pay the interest and principal of all indebtedness. Such a lease would be for two-year terms with an option to renew or that renewal would be made automatically unless notice is given prior to the expiration of each two-year period.

Discussions have also been carried on with recent bidders (whose bids were
rejected and checks returned) to determine whether these bids could be reinstated for a certain period or the attitude of previous bidders on new bids. All fourteen low bidders have been contacted. Six will maintain their bids for sixty days; eight want price increases, which will be firm for sixty days. They represent an aggregate increase cost of $136,460 as of this time, making a total cost of $4,163,938.

To aid in the effort to secure funds, the Board is requested:

1. Reaffirm its willingness to make a lease which will require to pay out of its general income the amount in excess of the direct income of the properties necessary to finance the entire cost. This was contemplated in the original action of the Board of Trustees on this project July 21, 1948, at which time our general funds required was estimated at $106,280 a year. Based on bids recently received an interest of 4 per cent and amortization of twenty-five years, the annual deficiency would be $101,196 at 4 per cent (or $87,297 at 3½ per cent).

2. To request the Medical Center Commission to give an exclusive privilege to some interested party for sixty days to endeavor to develop a plan of financing.

The Committee on Chicago Departments recommends that the Board approve these requests, provided that the limit of obligations against general funds in any plan that may be developed shall not exceed $110,000 a year and that funds can be secured to cover the entire cost of construction and equipment necessary to complete the projects satisfactorily for operation.

If a plan of financing, acceptable to both the Medical Center Commission and the University, is received, the University would then request the Commission either to (a) let contracts to previous low bidders if feasible, or (b) advertise for new bids.

DR. KARL A. MEYER, Chairman
MRS. FRANCES B. WATKINS
PARK LIVINGSTON

On motion of Mrs. Holt, this report and the recommendations of the Committee on the Chicago Departments were approved.

SECRETARY'S REPORTS

The Secretary presented for record the following lists: (1) report of contracts signed by the President and the Secretary of the Board and deposited with the Secretary since the last report; (2) appointments made by the President; (3) graduate fellows; (4) resignations and declinations; (5) leaves of absence.

SECRETARY'S REPORT OF CONTRACTS

KENNEY E. WILLIAMSON
President
The January meeting of the Board of Trustees of the University of Illinois was called for 10:30 a.m., Tuesday, January 23, 1951, in the Chicago Illini Union Building, 715 South Wood Street, Chicago, Illinois.

When the Board convened, the following members were present: President Williamson, Mr. Fornof, Mr. Livingston, Mr. McLaughlin, and Mrs. Watkins. Since a quorum was lacking, the Board adjourned and the business of the day was transacted by the Executive Committee.

A. J. JANATA
Secretary

KENNEY E. WILLIAMSON
President
MEETING OF THE EXECUTIVE COMMITTEE

On call of the Chairman, a meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the Chicago Illini Union Building, in Chicago, on Tuesday, January 23, 1951, beginning at 11:00 a.m.

The following, constituting all of the members of the Executive Committee, were present: Mr. Williamson, Chairman, Mr. Livingston, and Mr. McLaughlin. Mr. Fornof and Mrs. Watkins of the Board of Trustees were also present and took part in the discussions of the business considered by the Committee.

Others present at the meeting were: Messrs. Harold E. Grange and Herbert B. Megran, Trustees-elect; President George D. Stoddard, Provost C. R. Griffith, Vice-President A. C. Ivy, Comptroller Lloyd Morey, Mr. C. W. Weldon, Treasurer of the University, Mr. Howard A. Hazleton, Business Manager of the Chicago Colleges, Mr. J. F. Wright, Director of Public Information, Mr. C. Lincoln Williston, Manager of Public Information for the Chicago Professional Colleges, and Mr. A. J. Janata, Secretary of the Board.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of November 24, 1950, press proof copies of which had previously been sent to all members of the Board.

On motion of Mr. Livingston, these minutes were approved as printed on pages 457-480, inclusive.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Executive Committee considered the following recommendations and reports presented by President Stoddard.

MEMORANDUM TO THE BOARD OF TRUSTEES ON THE STUDY OF THE STRUCTURE OF THE STATE TAX-SUPPORTED SYSTEM OF HIGHER EDUCATION IN ILLINOIS

(1) This report was presented for the information of the Board and was discussed by President Stoddard. A copy was filed with the Secretary of the Board for record. A copy of the "Report of the Study of the Structure of the State Tax-Supported System of Higher Education in Illinois," made for the Governor of Illinois by a staff under the direction of the Division of Higher Education, Office of Education, Federal Security Agency, had previously been sent by the Secretary of the Board of Trustees to each member of the Board.

PRELIMINARY REPORT TO THE BOARD OF TRUSTEES ON THE EMERGENCY MANPOWER PROBLEMS AS THEY AFFECT HIGHER EDUCATION

(2) This report was presented for the information of the Board and was discussed by President Stoddard. A copy was filed with the Secretary of the Board for record.

REPORTS OF COMMITTEES OF THE BOARD

At this point, the Executive Committee took up consideration of the following reports of Board Committees.

REPORT OF THE COMMITTEE ON CIVIL SERVICE AND EMPLOYEES OF THE BOARD OF TRUSTEES

Mr. Livingston presented the following report:

The Committee on Civil Service and Employees at a meeting held on January 11, 1951, in the Illini Union Building at Urbana, Illinois, considered a proposal for
changes in the University Civil Service Law presented to the Board of Trustees on December 28, 1950, and referred to the Committee.

Your Committee recommends that the Board approve the introduction of a bill in the Sixty-seventh General Assembly of Illinois to secure such improvements in the present law as are in the public interest and which will better serve the University and other institutions of higher education in Illinois, subject to the following conditions:

(a) If the employees of other institutions of higher education in Illinois are to be included in any new University Civil Service System, officials of these institutions and appropriate representatives of their employees shall be consulted with the view to securing unanimous approval of the provisions of the new law.

(b) Appropriate representatives of University of Illinois employee groups shall also be consulted and hearings shall be given to interested parties.

(c) All present rights of University employees under the existing law shall be preserved.

(d) The new law shall preserve the prevailing rate policy which has been followed by the Board of Trustees of the University of Illinois for many years.

(e) If feasible, the new law shall include a provision for reciprocity with other civil service systems which are equivalent to the University's system.

(f) The support and sponsorship of such legislation by members of the General Assembly representing the districts in which other institutions of higher education, which may be included in a new University Civil Service System, shall be secured.

In the event it is not found feasible to include other institutions of higher education in the proposed new law, your Committee recommends that the Board approve legislation which will improve the present law with respect to the University of Illinois.

WALTER W. MCLAUGHLIN
ROBERT Z. HICKMAN
PARK LIVINGSTON, Chairman
Committee on Civil Service and Employees

On motion of Mr. Livingston, this report was adopted and the recommendations of the Committee were approved.

REPORT OF THE COMMITTEE ON BUILDINGS AND GROUNDS OF THE BOARD OF TRUSTEES

Mr. Fornof presented the following report:

A meeting of the Committee on Buildings and Grounds of the Board of Trustees of the University of Illinois was held on January 11, 1951, in the Illini Union Building at Urbana, Illinois.

Messrs. John R. Fornof, Chairman, Park Livingston, and Mrs. Doris S. Holt, members of the Committee were present. Also present were President Kenney E. Williamson and Mr. Walter W. McLaughlin of the Board of Trustees, Dr. George D. Stoddard, President of the University, Comptroller Lloyd Morey, Director C. S. Havens of the Physical Plant Department, Professor Charles H. Bowman of the College of Law, and Mr. A. J. Janata, Secretary of the Board.

The Committee gave further consideration to the request of Mr. John Katsinas for an extension of his lease of space in the Arcade Building, a matter of business which had been referred to the Committee by the Board of Trustees.

The Comptroller and the Director of the Physical Plant presented reports requested by the Committee at a previous meeting (November 30, 1950) on the capital investment made by Mr. Katsinas in equipment installed in the Arcade Building for the operation of a restaurant, and on the use the University can make of the space when it is released.

The Committee discussed these options:

(a) Immediate acquisition of the space by the University on terms agreeable to the lessor and lessee; and

(b) An extension for three years from August 31, 1952, the present termination date, with no provision for any future extensions.

At the conclusion of the discussion, on motion of Mr. Livingston, the Committee voted that it desires to achieve a mutually agreeable termination of the
lease, and that the appropriate University officials be authorized to negotiate accordingly.

A. J. JANATA
Clerk

DORIS S. HOLT
PARK LIVINGSTON
JOHN R. FORNOF, Chairman
Committee on Buildings and Grounds

This report was received for record.

BOND OF UNIVERSITY TREASURER

Mr. Fornof presented the following report:

The Finance Committee in accordance with action of the Board on December 28, 1950, has received from Clarence W. Weldon a bond for $5,000,000 signed by himself and by Edward E. Brown, James B. Forgan, and Homer J. Livingston as sureties. This bond guarantees the Board of Trustees against loss of any funds of the University placed in the custody of the Treasurer. The Committee approved this bond on January 3 thereby qualifying Mr. Weldon to assume the duties of Treasurer, which he did on January 4, 1951.

This report was received for record.

EMPLOYMENT OF UNIVERSITY AUDITORS

Mr. Fornof presented the following report:

The Finance Committee recommends that the firm of George Rossetter and Company, Certified Public Accountants, Chicago, be retained as auditors for the year ending June 30, 1951, their services to be charged on the basis of a per diem rate and expenses, with the understanding that the aggregate charges will not exceed the following:

University of Illinois (including all divisions)..............$11,000
This fee is $500 in excess of the maximum named for the year ended June 30, 1950, to compensate for increased travel and subsistence expenses.

University of Illinois Foundation (including the Retirement System)..........................600
University of Illinois Athletic Association (including the Retirement System)......................750

These maximum costs are based on the assumption that if the auditors go beyond the scope of usual examination on request of the Finance Committee or the Board, further compensation for such additional work will be allowed after review and approval by the Finance Committee.

On motion of Mr. Livingston, the firm of George Rossetter and Company, Certified Public Accountants, was employed, as recommended.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Executive Committee resumed consideration of the following reports and recommendations from the President of the University.

RELEASE OF PATENTABLE DISCOVERIES

(1) Professor George E. Wakerlin, Head of the Department of Physiology in the College of Medicine, reports certain potentially patentable discoveries in his research work on renin and antirenin in relation to hypertension. The research work he and his associates have been doing in this field has been supported at various times by grants from the John and Mary R. Markle Foundation, the American Foundation for High Blood Pressure, the American Heart Association, the Chicago Heart Association, the Life Insurance Medical Research Fund, the United States Navy, and the National Heart Institute of the United States Public Health Service, as well as by University funds. All of these outside agencies specified as a condition of the grants they made that either no discoveries resulting from the research supported by them shall be patentable or that their permission must be obtained prior to application for a patent.

In view of the multiplicity of the supporting agencies and the stipulations
attached to their grants-in-aid, it would be extremely difficult to secure a patent and if one were obtainable, it would probably be unremunerative because of the restrictions which would almost certainly be imposed by the donors. Moreover, medical science and the public interest can best be served if Doctor Wakerlin publishes his findings in complete detail, thus preventing anyone from obtaining a patent on them. He is not interested in any personal gain and hence would not seek a patent if the right to the discovery were released to him.

In view of these considerations, the University Research Board has recommended that no application be made for a patent on Professor Wakerlin's discovery and that he be authorized to publish his findings.

I concur.

On motion of Mr. Livingston, these discoveries were released to Professor Wakerlin for publication of his findings.

LEAVE OF ABSENCE FOR PROFESSOR F. W. LOOMIS

(2) Professor F. W. Loomis, Head of the Department of Physics, has been asked to undertake the direction of a program of technical studies at the Massachusetts Institute of Technology under the auspices of the Air Force, the Navy, and the Army. The problem is of such urgency for the Armed Forces that he feels he should accept the assignment.

Accordingly, I recommend that he be given leave of absence without salary for the second semester of 1950-1951 (March 1 through August 31, 1951).

I also recommend that Professor G. M. Almy be appointed Acting Head of the Department of Physics to serve during the absence of Professor Loomis and that the President of the University be authorized to make an appropriate adjustment in his salary in view of this additional service.

On motion of Mr. Livingston, this leave was granted.

RELEASE OF FUNDS FOR BUILDINGS AND OTHER CAPITAL IMPROVEMENTS

(3) The Governor has approved the following release of funds from appropriations made to the University of Illinois for 1949-1951 for buildings and other capital improvements:

**Release No. 51**

"For Permanent Improvements at Chicago — Construction of addition to present hospital" ................................................... $425,000

This is a partial release from an appropriation of $7,395,000. The Governor has previously released (Releases Nos. 8, 15, 17, 19, and 49) $6,863,679.18 from this appropriation. The funds now released are for construction of a new steam heating plant on the Chicago Professional Colleges campus.

**Release No. 52**

"For Permanent Improvements at Urbana-Champaign — Construction of extensions to the Utility Distribution Systems" .......................... 67,650

These funds are for improvements in the electrical distribution system in Illini Hall and the modernization of the transformer vault serving the Busey and Evans Residence Halls.

"For Permanent Improvements at Urbana-Champaign — Construction of extensions to the Utility Distribution Systems" .......................... 10,000

(77,650)

The funds are for reconstruction of the storm sewer installation between Illini Hall and the Arcade Building.

The two above items are partial releases from an appropriation of $375,000. The Governor has previously released (Releases Nos. 12, 37, 39, and 41) $216,000 from this appropriation.

**Release No. 53**

"For Permanent Improvements at Urbana-Champaign — Additions to Power and Heating Plant and remodeling of existing buildings" .... 7,500

This is a partial release from an appropriation of $1,215,000. The
Governor has previously released (Releases Nos. 6, 13, 14, 16, 23, 24, 30, 36, and 42) $1,162,422 from this appropriation. The funds now released are for the construction of a new room in the Physical Plant Service Building to house a new D.C. motor generator set.

Release No. 54

“For Permanent Improvements at Urbana-Champaign — Construction of Veterinary Science unit” ........................................ 250,000

This is a partial release from an appropriation of $1,560,000. The Governor has previously released (Releases Nos. 7 and 20) $1,310,000 from this appropriation. The funds now released are for an autopsy room and related activity.

Release No. 55

“For Permanent Improvements at Urbana-Champaign — Contingencies to cover expenditures for purposes for which the amount in any item above enumerated is, or becomes insufficient” .................... 65,000

This is a partial release from an appropriation of $250,000. The Governor has previously released (Release No. 33) $15,000 from this appropriation. The funds now released are for additional construction of the Veterinary Science unit.

Release No. 56

“For Equipment for buildings at Urbana-Champaign and Chicago” ...... 25,500

This is a partial release from an appropriation of $680,000. The Governor has previously released (Releases Nos. 2, 18, 40, 43, 44, 46, and 50) $202,253.65 from this appropriation. The funds now released are for the purchase of a complete Diesel engine driven generator unit to be used in connection with the addition to the Power Plant.

I recommend that the funds released be appropriated for the purposes specified.

On motion of Mr. McLaughlin, these funds were appropriated, as recommended, by the following vote: Aye, Mr. Livingston, Mr. McLaughlin, Mr. Williamson; no, none.

APPROPRIATION FROM AGRICULTURAL RECEIPTS

(4) The Dean of the College of Agriculture and the Comptroller recommend an appropriation of $1,300 from the excess Agricultural Income reserved for the use of the College of Agriculture to the Department of Horticulture.

This appropriation is requested to provide funds for the equipment and labor necessary to improve the heating system in the plant breeding greenhouse. This greenhouse is high and can not be heated satisfactorily in moderately cold weather with the present equipment. The estimated cost of the improvements is $1,300.

I concur and request the approval of an appropriation of $1,300 from accumulated Agricultural Income.

On motion of Mr. Livingston, this appropriation was made by the following vote: Aye, Mr. Livingston, Mr. McLaughlin, Mr. Williamson; no, none.

APPROPRIATION OF FEDERAL FUNDS

(5) The Director of the Agricultural Experiment Station and Extension Service and the Comptroller recommend the appropriation of $88,528 of additional funds which have been made available for the fiscal year 1950-1951 and allocation of these funds as follows:

To pay mileage for travel of county farm and home advisers and their assistants, and for additional help in county extension work .............$31,272

Travel and expenses for a project on milk marketing .................. 2,000

Demonstration and educational programs for retail distributors of fresh fruit and vegetables ........................................... 5,000

Extension of the project in farm housing ............................. 2,500

Continuation of projects in research and marketing ................... 47,756

Total .......................................................... $88,528

I recommend that this appropriation be made.
On motion of Mr. McLaughlin, this appropriation was made by the following vote: Aye, Mr. Livingston, Mr. McLaughlin, Mr. Williamson; no, none.

APPROPRIATION FOR GRADUATE FELLOWSHIPS FOR 1951-1952
(6) The Dean of the Graduate College recommends that an appropriation of $150,000 be made at this time for graduate fellowships for the year 1951-1952. This amount was appropriated for the current academic year and is included in the biennial budget estimates for 1951-1953. It is necessary that the funds be committed now so that fellowship awards can be made and announced by April 1, 1951.

No change in the nature or amount of the stipends is proposed. Of the total, the sum of $18,000 will be budgeted for fellowships in the Chicago Professional Colleges and $132,000 for fellowships at Urbana-Champaign.

I concur.

On motion of Mr. Livingston, these funds were appropriated, as recommended, by the following vote: Aye, Mr. Livingston, Mr. McLaughlin, Mr. Williamson; no, none.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES
(7) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

Urbana-Champaign

1. Equipment for departments in the College of Agriculture................ $30,208
2. Instruments and equipment for soil and water engineering................. $1,464
3. Instruments for rural electrification research and teaching................ 1,480
4. Food processing pilot plant equipment........................................ 6,900
5. Foods and nutrition........................... 2,000
6. Equipment for home furnishings courses........................................ 7,500
7. Textiles and clothing.......................................................... 2,314
8. Motor analyzer................................................................. 1,400
9. Apparatus for crop conditioning research..................................... 600
10. Equipment for food technology................................................. 6,550
11. Improvement of research and teaching facilities in the Department of Physiology, College of Liberal Arts and Sciences........ $14,566
12. Remodeling and equipment for School of Music............................ 23,600
13. Repairs and alterations in North Greenhouses, Department of Botany... 7,550
14. Remodeling in Natural History Building, Department of Botany .......... 2,950
15. Physical Plant Department...................................................... 17,000
16. Improvement of main campus steam condensate return system. $14,000
17. Installation of window safety anchors in Talbot Laboratory... 3,000
18. Parking lot at 202 South Goodwin Avenue, Urbana........................ 5,500
19. Lighting improvements for University High School....................... 8,100
20. Expansion of facilities for Radiocarbon Laboratory..................... 135,000

Chicago Professional Colleges

21. Sliding microtome for the Animal Hospital................................. 700
22. Equipment for photofluoroscopic project in the Departments of Clinical Science and Psychiatry.......................... 2,200

Total.......................................................... $247,374

I recommend that appropriations for these purposes be made from the General Reserve Fund.

On motion of Mr. McLaughlin, these appropriations were made, as recommended, by the following vote: Aye, Mr. Livingston, Mr. McLaughlin, Mr. Williamson; no, none.

APPROPRIATION FOR RESEARCH AND EDUCATIONAL HOSPITALS
(8) The Medical Director of the Research and Educational Hospitals and the Vice-President in charge of the Chicago Professional Colleges recommend an additional recurring appropriation of $21,200 on an annual basis and a nonrecurring appropriation of $2,400 for the operating rooms. This additional appropriation will
provide for the necessary staff, expense, and equipment to increase the efficiency and the amount of work done in the operating rooms. The increase has been included in the biennial budget estimates for 1951-1953.

I recommend a recurring appropriation of $21,200 on an annual basis pro-rated to conform to the portion of the year remaining from the date of implementation of this expansion and a nonrecurring appropriation of $2,400.

On motion of Mr. Livingston, these funds were appropriated, as recommended, by the following vote: Aye, Mr. Livingston, Mr. McLaughlin, Mr. Williamson; no, none.

CONTRACT FOR POWER PLANT ADDITION

The Director of the Physical Plant and the Comptroller recommend the award of a contract for $23,850 to the Contracting Construction Company, Inc., Danville, for the construction of the Diesel engine house which is a part of the Power Plant addition.

Funds are available in the state appropriation for "Additions to Power and Heating Plant and remodeling of existing buildings."

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract, subject to the release of funds by the Governor.

On motion of Mr. McLaughlin, authority was given, as recommended.

CHANGE IN GENERAL CONTRACT FOR CONSTRUCTION OF RESEARCH AND EDUCATIONAL HOSPITALS ADDITION

The Director of the Physical Plant and the Comptroller recommend an increase of $1,507.66 in the contract with the Patrick Warren Construction Company, Chicago, for the general work in the construction of the Research and Educational Hospitals addition. This is to cover materials and labor for installation of additional shelf angles for proper support of the masonry at building corners.

Funds are available in the state appropriation for "Construction of addition to present hospital."

I concur and recommend that the Comptroller be authorized to execute this change in the contract.

On motion of Mr. Livingston, authority was given, as recommended.

CHANGE IN ELECTRICAL CONTRACT FOR CONSTRUCTION OF RESEARCH AND EDUCATIONAL HOSPITALS ADDITION

The Director of the Physical Plant and the Comptroller recommend an increase of $9,968.37 in the contract with the Wadeford Electric Company, Chicago, for the construction of the Research and Educational Hospitals addition to provide for:

(a) Work and materials necessary for installation of 66 additional telephone outlets, including larger conduits, estimated to cost........$2,423.70
(b) Installation of an emergency call system for operating rooms on fourth floor, estimated to cost............................ 2,012.17
(c) Installation of 22 X-ray film illuminators.......................... 3,198.00
(d) Installation of 62 additional outlets and 15 ampere single pole circuit breakers in eighth floor laboratory power panels, estimated to cost.. 2,334.50

Funds are available in the state appropriation for "Construction of addition to present hospital."

I concur and recommend that the Comptroller be authorized to execute these changes in the contract.

On motion of Mr. McLaughlin, authority was given, as recommended.
CHANGE IN CONTRACT FOR PRINTING OF DENTAL POSTGRADUATE COURSE MANUAL

(12) On July 25, 1950 (Minutes, page 30), the Board approved a contract for $21,631 with the Neely Printing Company, Chicago, for printing manuals for the Dental Postgraduate Telephone Extension program.

In the process of printing, certain changes were required which were not contemplated when specifications were issued. Items were deleted which had become outdated, new developments were added, and changes and additions of color were made after the first proof. The cost in excess of that authorized is $1,964.28.

Funds are available in the income from fees for the postgraduate course to meet this additional cost.

I recommend that the Comptroller be authorized to pay the Neely Printing Company a total of $23,595.28 on this contract.

On motion of Mr. Livingston, authority was given, as recommended.

GIFT OF MRS. THERESÉ GARNER

(13) The Comptroller reports that there have been received from Mrs. Therese Garner of Jackson, Mississippi, and deposited in safekeeping securities having at the date of receipt a market value of $39,730.26, which sum constitutes the gift of Mrs. Garner to endow the James Wilford Garner Fellowship in Political Science.

This report was received for record.

BEQUEST OF ELSIE JUSINA

(14) Under the last will and testament of Elsie Jusina of Chicago, who died on March 4, 1949, the University of Illinois was named as residuary beneficiary, with the sole restriction that the bequest be used for the Research and Educational Hospitals. Settlement of the estate has been completed, and the sum of $4,361.85 has been received.

The Executive Committee of the Hospital has recommended and the Vice-President of the Professional Colleges has approved the use of these funds to purchase electroencephalographic equipment.

I concur in this recommendation and request authority to accept the bequest and expend it for the purpose indicated.

On motion of Mr. McLaughlin, the bequest was accepted and the use of the funds as recommended was authorized.

COMPTROLLER'S REPORT OF CONTRACTS

Purchase of Feeding Cattle for Wright Farms

On September 29, 1950 (Minutes, page 346), the Board of Trustees approved a program for the purchase of beef cattle for feeding on the Wright Farms in 1950-1951. Purchases have been carried out in accordance with this program.

An estimate of the feed on hand and the requirements for the cattle still unsold indicates that there will be grass silage and hay available for more cattle. In view of the feed supply available, approval is requested for the purchase of the following additional cattle:

Total, University's share: $5,116.12

The Director of Purchases, the Comptroller, and the Dean of the College of Agriculture request authority to purchase additional feeding cattle accordingly on the basis of current market prices when suitable stock is available, the cost to be paid from Wright Farms operation income.

On motion of Mr. Livingston, these purchases were authorized, as recommended.

AWARD OF CERTIFICATES OF CERTIFIED PUBLIC ACCOUNTANT

(17) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

JULIAN LINCOLN ABRAHAMS (Colo.)
HERMAN GEORGE BARDEN (Ind.)
ROBERT FREDERICK BUSCHEK (Mo.)
FRASER CRAWLEY HUBERT (Mo.)
RAY BRYANT LAMBRIGHT (Mo.)
JOSEPH JOHN MILLER (Ind.)
RALPH ALBERT MILLIMAN (D.C.)
GORDON PAVEY MITCHELL (N.C.)
J. MUSICUS (N.Y.)
MORRIS EVERETT PARKINSON (N.Y.)
TAYLOR HAYHURST SEEGER (Mich.)
ROBERT McGREW SIMPSON (Mich.)
WILLIAM THOMAS STERLING (N.Y.)
WILLIAM EDWARD TREMPER (Wash.)
STUART EARLE WHITE (Mo.)

I concur.

On motion of Mr. McLaughlin, these certificates were awarded, as recommended.

CONTRACTS FOR INSTALLATION OF FUME HOODS AND SAFETY SHOWERS IN NOYES LABORATORY

(18) Bids have been secured on the installation of the second and final group of fume hoods and safety shower improvements in Noyes Laboratory. All bids are on the basis of a fixed fee to the contractor plus actual cost, plus a percentage to be added to labor payrolls or for any additional work requested.

The Director of the Physical Plant and the Comptroller recommend award of contracts to the lowest bidders as follows:

<tr>
<td>Electrical work</td>
<td>Anderson Electric, Inc., Danville</td>
<td>1,000</td>
</tr>
</tbody>
</table>
The total estimated cost of these installations is $49,970. Funds are available.
I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts.

On motion of Mr. McLaughlin, authority was given, as recommended.

CHANGE IN CONTRACTS FOR REMODELING QUARTERS FOR DEPARTMENT OF BACTERIOLOGY
(19) With the removal of the Biochemistry Division of the Department of Chemistry from Noyes Laboratory to the East Chemistry Building, space was released to provide more adequate quarters for the Department of Bacteriology which has been housed for many years in Noyes Laboratory. On September 29, 1950, the Board of Trustees authorized contracts for remodeling in Noyes Laboratory for the Department of Bacteriology. Funds had previously been made available for these improvements.

The Department has recently requested additional changes and the Board on December 28, 1950, appropriated the necessary funds. The Director of the Physical Plant and the Comptroller recommend additions to the contracts for this remodeling work as follows:

<table>

I concur and recommend that the Comptroller be authorized to execute these contract changes.

On motion of Mr. Livingston, authority was given, as recommended.

CONTRACT FOR STORM DRAINAGE SYSTEM IN ILLINI HALL AREA
(20) The Director of the Physical Plant and the Comptroller recommend the award of a contract for $5,100 to the General Paving Company, Champaign, the lowest bidder, for construction of a new storm drainage system in the driveways and other areas between Illini Hall and adjacent buildings at the northwest corner of John and Wright Streets. This improvement is needed to protect the basement of the Arcade Building which is used for storage by the Illini Union Bookstore. The installation of the sewer will require replacement of the present drive between the buildings which is in poor condition and would need replacement in any case.

Funds are available in the state appropriation for “Construction of extensions to the Utility Distribution Systems.”

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Livingston, authority was given, as recommended.

CONTRACT FOR ENGINEERING SERVICES ON PLANT FOR PRODUCTION OF DISTILLED WATER
(21) Approximately sixty laboratories at Urbana use distilled or demineralized water which is produced by twenty-five water stills and two demineralizing units. Thirteen of the twenty-seven departments operating this equipment report inadequacy of or dissatisfaction with the present equipment. It is desirable to determine the feasibility of a central production plant and other possibilities of producing distilled water at the lowest cost.

Wilson and Anderson, Consulting Engineers, Champaign, have offered to make this study on the basis of: (a) $4.50 per hour for the time of the principal
engineer; (b) wages of other employees, plus 60 per cent to cover overhead and commission. There would be a limitation of $2,500 on the contract.

The Director of the Physical Plant and the Comptroller recommend the approval of this contract and an appropriation of $3,200 to cover the cost of the contract and other expenses incurred by the Physical Plant Department in this study.

I concur and recommend that an appropriation of $3,200 be made from the General Reserve Fund and that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. McLaughlin, this appropriation was made and authority was given, as recommended, by the following vote: Aye, Mr. Livingston, Mr. McLaughlin, Mr. Williamson; no, none.

ENGINEERING SERVICES ON WATER RECLAMATION IMPROVEMENTS

(22) The Director of the Physical Plant and the Comptroller recommend the award of a contract to E. C. Manthei, Consulting Engineer, Champaign, for engineering services on water reclamation improvements on the basis of actual salaries paid engineers, draftsmen, and others employed, plus 80 per cent for overhead and commission. The overhead includes cost of blueprints and writing of specifications.

Funds are available in a special appropriation made by the Board on December 28, 1950, for this purpose.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Livingston, authority was given, as recommended.

CHANGE IN CONTRACT FOR LABORATORY EQUIPMENT FOR VETERINARY MEDICINE BUILDING

(23) On December 28, 1950, the Board authorized contracts for the construction of an annex to the Veterinary Medicine Building to house the autopsy room and related activities. This annex will require additional laboratory equipment.

A contract for $110,514.67 was awarded to the Laboratory Furniture Company, Inc., Long Island City, New York, for the furnishing and installation of the fixed laboratory equipment in the main building. The Company has offered to furnish and install the fixed laboratory equipment in the annex at an estimated cost of $11,281.77. This figure has been checked by the architects and found reasonable.

The Director of the Physical Plant and the Comptroller recommend an increase of this amount in the original contract.

Funds are available in the state appropriation for the construction of the building.

I concur and recommend that the Comptroller be authorized to execute this contract change.

On motion of Mr. McLaughlin, authority was given, as recommended.

GIFT OF MR. AND MRS. MERLE J. TREES

(24) Mr. and Mrs. Merle J. Trees offer the University of Illinois the following paintings as their 1951 contribution to the “Emily Nichols Trees (Class of 1905) and Merle Jay Trees (Class of 1907) Collection”: “Wooded Landscape with Water” by Ruisdael, appraised value $11,000; “Courtyard Scene” by Hendrik van der Burch, appraised value $8,500.

The appraisals have been made by the Art Institute of Chicago.

I recommend that these paintings be accepted as a part of the Trees collection.

On motion of Mr. Livingston, these paintings were accepted with an expression of appreciation to Mr. and Mrs. Trees for their continued generosity.

FEBRUARY MEETING OF THE BOARD

The Chairman of the Executive Committee asked for an expression of the desires of the Trustees present as to the date of the next Board meeting. It was decided to hold it on February 15, 1951, the hour and place to be determined later by the President of the Board.

On motion of Mr. Livingston, the Executive Committee adjourned.
The February meeting of the Board of Trustees of the University of Illinois was held in the Illini Union Building, Urbana, Illinois, on Thursday, February 15, 1951, beginning at 2:00 p.m.

The following members were present: President Williamson, Mr. Herrick, Mr. Hickman, Mr. Livingston, Mr. McLaughlin, Mrs. Watkins.

Also present were President Stoddard, Provost Coleman R. Griffith, Vice-President A. C. Ivy, Messrs. Howard A. Hazleton, Business Manager of the Chicago Colleges, C. C. DeLong, Bursar, J. F. Wright, Director of Public Information; Judge John H. Armstrong, Attorney, Champaign, special counsel for the University; and Messrs. Lloyd Morey, Comptroller, C. W. Weldon, Treasurer, and A. J. Janata, Secretary of the Board.
BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following recommendations and reports presented by President Stoddard.

APPOINTMENT OF LEGAL COUNSEL

(1) Three months ago I appointed a Committee to study two questions which needed clarification with respect to the office of Legal Counsel: (a) Could the position be regarded as part time, and if so, in what other capacities could the University employ such an officer? (b) Should the University enter into a contract with the Research Corporation of New York to handle the University's patent matters with a view to reducing the work of the Legal Counsel or of special counsel?

After the Committee reported on these questions I asked it to make a canvass of potential candidates for the position of Legal Counsel.

As a result of its investigations, the Committee finds that the University has need for a full-time Legal Counsel. It recommends that one be employed as an officer of the University. The Committee submitted abundant evidence in support of its conclusion.

The Committee also concurred in the recommendation of the University Research Board that the University enter into negotiations with the Research Corporation for certain patent services. Patent law is so specialized that it is necessary for the University to employ outside counsel on patent cases. A contract with the Research Corporation would reduce such services rather than the amount of work in the Legal Counsel's office. (A separate recommendation on this will be submitted at a later time.)

I recommend the appointment of Mr. Ralph F. Lesemann of the law firm of Baker, Lesemann, Kagy, and Wagner, East St. Louis, Illinois, as Legal Counsel and as Professor of Law at an annual salary of $12,000 (Y basis), beginning May 1, 1951, the appointment as Legal Counsel to be on an annual basis and as Professor to be on indefinite tenure, with the understanding that the salary will be $13,500 the second year and $14,800 the third year. For the present the professorship will not involve any academic assignment, but it is desirable that Mr. Lesemann be a member of the faculty of the College of Law and of the University Senate. As a general administrative officer he will also be a member of the University Council.

I also request authority to employ Mr. Lesemann for short periods on a consulting per diem basis if his services are needed prior to May 1, 1951.

On motion of Mr. Herrick, this appointment was approved.

CONTRACTS WITH WARNER CONSTRUCTION COMPANY

(2) The President of the University reported that at a meeting of the Illinois Budgetary Commission in Springfield on February 14, which officials of the University of Illinois were asked to attend for the purpose of discussing the University's budget requests for the biennium of 1951-1953, there appeared representatives of the Warner Construction Company who made certain charges against the University in connection with the construction of the Women's Residence Hall (Lincoln Avenue Residence) and extensions of the utilities distribution system. The Warner Construction Company has also made these charges in a letter to the members of the Board of Trustees, dated February 5, 1951. Mr. John H. Armstrong, special counsel for the University in this matter, stated that the Warner Construction Company has not complied with the provisions of the contract for the construction of the Women’s Residence Hall by submitting the required evidence of final payments to all subcontractors and has not submitted evidence to substantiate claims for additional payments, or for damages the Com-
pany alleges were inflicted by the University during the course of the construction of the Women's Residence Hall and the extension of the utilities distribution system at Urbana. Comptroller Morey commented further and concurred in Mr. Armstrong's statement.

On motion of Mr. Livingston, the President of the University was requested to submit to the Board of Trustees for their information a factual report on this matter.

AWARD OF CERTIFICATES OF CERTIFIED PUBLIC ACCOUNTANT

(3) The Committee on Accountancy recommends that the following persons be awarded the certificate of Certified Public Accountant on the basis of having satisfactorily passed a written examination under Section 4b of the Accountancy Act of 1943, given by the Special Board of Examiners on November 15, 1950:

BERNARD BLUM
LEE ROY DEHLER
IRVING FISCHEL KRAMER

George C. Mattman
Daniel M. Simon
Timothy Joseph Sullivan

I concur.

On motion of Mrs. Watkins, these certificates were awarded as recommended.1

APPOINTMENT OF CHAIRMAN OF DEPARTMENT OF PHILOSOPHY

(4) The Dean of the College of Liberal Arts and Sciences reports that the professorial members of the Department of Philosophy, now organized with a head, have unanimously voted to recommend a change in the organization of the Department to one with a chairman. The Dean recommends this change be made. The University Statutes provide for such changes in department organization. Professor M. T. McClure, now Head of the Department of Philosophy, will retire from active service on September 1, 1951. To replace him, the Dean of the College recommends the appointment of Professor Dilman W. Gotshalk as Chairman of the Department for two years from September 1, 1951, at a salary of $9,000. Professor Gotshalk is the unanimous choice of the other members of the Department of professorial rank.

I concur.

On motion of Mr. McLaughlin, the change in departmental organization was approved and this appointment was made as recommended.

CANCELLATION OF SABBATICAL LEAVE OF ABSENCE FOR PROFESSOR THOMAS E. BENNER

(5) On November 24, 1950, the Board of Trustees granted Professor Thomas E. Benner of the College of Education a sabbatical leave of absence on one-half salary during the second semester of 1950-1951 to be used as an adjunct to a foreign mission he had been asked to undertake by the Department of State. The original plan was that he serve as the United States member of a team to be sent to Korea by the United Nations. Later, it was suggested that his services would be useful on a mission to Ecuador, to which he agreed. He is well qualified, professionally and by experience, to serve on either mission.

Plans for utilization of his services have not materialized, and he has withdrawn his request for leave.

I therefore recommend that his leave of absence be cancelled without prejudice to any future application.

On motion of Mr. Livingston, this leave was cancelled as recommended.

REQUIREMENTS FOR A MAJOR IN RHETORIC AND COMPOSITION

(6) The University Senate recommends adoption of the following program of major and minor requirements for a major in rhetoric and composition in the

1 Issuance of certificates withheld in view of decision of Circuit Court of Cook County holding Section 4b of the Accountancy Act unconstitutional (see Minutes of April 19, 1951).
College of Liberal Arts and Sciences, leading to the degree of Bachelor of Arts:

**Major.** Twenty hours in English excluding Rhetoric 100, 101, 102, 151, 200, 242, 271, 272, English 101, 102, 103, 121, 122, 291, and including ten hours of English or American literature, at least six of which must be chosen from advanced groups, and ten hours of Composition chosen from Rhetoric 133, 144, 205, 206, 227, 230, 255, 256, and including at least one course in expository writing. With the permission of the adviser one of the following courses may be counted toward a Composition major: Speech 263, 363, Journalism 226, 227, 229.

**Minor.** Twenty hours in (a) Latin, Greek, French, German, Spanish, Italian, or Portuguese, or (b) in any two of those languages, or (c) in one of those languages and philosophy, or (d) in one of those languages and history, or (e) in history and philosophy, or (f) in any one of these subjects and psychology. No language courses may be regarded as satisfying the minor requirements if they are excluded from the majors of the language department, with the exception of elementary courses in Greek and Latin, French 103, 104, Italian 103, 104, and Spanish 103, 107. At least eight hours must be taken in each subject if two are chosen.

I concur.

On motion of Mrs. Watkins, this recommendation was adopted.

REQUIREMENTS FOR A MAJOR IN HISTORY OF ART IN THE COLLEGE OF LIBERAL ARTS AND SCIENCES

(7) The University Senate recommends adoption of the following program of major and minor requirements for a major in history of art in the College of Liberal Arts and Sciences, leading to the degree of Bachelor of Arts:

**Major.** Twenty hours in art, excluding Art 185 and 186. The major must include Art 111, 112, 188, and 189, and at least ten hours chosen from Art 311, 312, 313, 314, 315, 316, 317, 318.

**Minor.** Twenty hours in any one or two of the following subjects: English, Greek, history, Latin, philosophy, psychology, sociology and anthropology, and speech. At least eight hours must be taken in each subject if two are chosen. The minor may also be taken in the curriculum in medieval civilization or the curriculum in Latin-American studies.

I concur.

On motion of Mrs. Watkins, this recommendation was adopted.

CURRICULUM IN HISTORY OF ART IN THE COLLEGE OF FINE AND APPLIED ARTS

(8) The University Senate recommends adoption of the following curriculum in history of art in the College of Fine and Applied Arts, leading to the degree of Bachelor of Fine Arts. This is the fifth curriculum or option to be offered in art; the others previously approved are in painting, industrial design, advertising design, and art education.

The general requirements for admission to, and graduation from, the curriculum in history of art are the same as for the other options. All have a common freshman program. This curriculum requires 130 hours of credit for graduation. Following is the proposed curriculum in detail.

Prenursing Curriculum

(9) To qualify for a degree of Bachelor of Science in Nursing, a student must complete a two-year program at Urbana or at the Chicago Undergraduate Division or at any accredited college, followed by from thirty to thirty-six months of professional training.

1 Studio courses advised are as follows: Art 125, 126, 131, 132, 141, 142.
2 Advanced Art History courses are as follows: Art 311, 312, 313, 314, 315, 316, 317, and 318.
3 History or English requirements to be chosen from the following: History 181, 182, 201, 302, 304, 313, 314, 375, 376; Division of General Studies 121, 122; English 101, 102, 103, 122, 131, 201, 322.
4 Suggested electives: Additional studio art courses; Classics 101, 103, 106, 110; Latin 152; Division of General Studies 161, 162, 171; Education 200, 300; Library Science 301; Music 110, 114, 117, 122, 123; Philosophy 101, 102.
training in one of the hospitals in the affiliation program for hospital schools of nursing. These hospitals are Cook County, Michael Reese, Presbyterian, and St. Luke's. The professional program in nursing is administered by the Chicago Professional Colleges.

The University Senate recommends adoption of a two-year prenursing curriculum to be administered by the College of Liberal Arts and Sciences. It is proposed that the admission requirements be the same as those for admission to the general curriculum in liberal arts and sciences plus one unit of algebra and one unit of plane geometry. Admission will be restricted to students from sixteen to twenty-eight years of age, provided that students between twenty-eight and thirty-three years of age may enter subject to approval of a Nursing Advisory Committee. It is proposed that a minimum of sixty semester hours be required in the prenursing curriculum to include the following courses:

If the student changes from prenursing to some other curriculum, then Hygiene, which is not required in the nursing program, will be required for the degree.

I concur.

On motion of Mr. Herrick, this curriculum was approved as recommended.

REQUIREMENTS FOR ADMISSION TO CURRICULUM PREPARATORY TO TEACHING IN ELEMENTARY SCHOOLS

(10) The University Senate recommends adoption of the following requirements for admission to the curriculum preparatory to teaching in elementary schools in the College of Education:

1. For admission as freshmen, the entrance requirements for general admission to the University will apply.

2. In general, admission of transfer students, either from other institutions or from other colleges of the University of Illinois, will be limited to students having a grade-point average of 3.5 or higher, in terms of the University of Illinois grading system, provided that admission of transfer students whose scholastic average is below 3.5 will be considered on petition in individual cases.

3. Petitions for admission will be considered by a committee which will make recommendations to the Dean of the College of Education.

I concur.

On motion of Mr. Livingston, these recommendations were approved.

REQUIREMENTS FOR GRADUATION WITH HONORS IN THE COLLEGE OF EDUCATION

(11) The University Senate recommends adoption of the following requirements for graduation with honors from the College of Education:

1. To be eligible a student must have earned in residence the final sixty-four semester hours of credit.

2. A student who achieves a specific scholastic average in all work presented for graduation and in all courses in education may be recommended for honors as follows: a scholastic average of not less than 4.25—graduation with honors; a scholastic average of not less than 4.50—graduation with high honors; a scholastic average of not less than 4.75—graduation with highest honors.
The honors conferred will be noted upon the diploma and in the commencement program.

It is proposed that these conditions be used for the first time as a basis for determining graduation with honors at the February, 1952, commencement.

I concur.

On motion of Mrs. Watkins, these recommendations were approved.

INCREASE IN NONRESIDENT TUITION FEE

(12) Tuition fees at the University of Illinois are low compared with fees charged in other state universities. The resident tuition fee at Illinois is in the lower one-third of the fees in the state universities in the Middle West and the nonresident fee at Illinois is the lowest of this group.

Other state-supported institutions of higher education in Illinois have even lower tuition rates. It is not advisable to increase the resident tuition fee at the University of Illinois unless a comparable increase is made in the resident tuition fee of other state colleges and universities in Illinois. However, an adjustment in the nonresident tuition fee at the University of Illinois is in order.

I recommend that, effective September 1, 1951, the nonresident tuition fee be increased from the present $80 per semester to $150 per semester, to which would be added the present laboratory, library, and supply fee of $8 per semester, making a total of $158 per semester, or $316 per academic year of two semesters, for educational fees. All students are also required to pay an Illini Union Building service charge and a hospital service fee of $5 per semester. Comparable adjustments will be made in tuition fees for students in the Chicago Professional Colleges which operate on three twelve-week terms per academic year.

This new schedule would be approximately at the median of the present nonresident tuition fees charged by state universities in the Middle West.

On motion of Mr. Hickman, the increase in nonresident tuition fees was approved as recommended.

SALE OF PROPERTY AT 805 WEST PENNSYLVANIA AVENUE, URBANA

(13) In August, 1947 (Minutes, page 514), the University purchased the property at 805 West Pennsylvania Avenue, Urbana, for use as a temporary research laboratory by the College of Veterinary Medicine. The recommendation to the Board for the purchase of this property included a statement that when a new veterinary building has been provided, the house at 805 West Pennsylvania Avenue can be used for student housing. It is a three-story and basement building, solid masonry (brick with limestone facing) exterior walls, on a lot 120 feet wide and 140 feet deep. It was formerly occupied by a sorority and can accommodate about forty students. The College of Veterinary Medicine can give up this house when its new building, now under construction, is completed. While this may be by September, 1951, there is a possibility that the complete removal of activities to the new building can not be accomplished until later.

The Sigma Alpha Mu fraternity, which has had a chapter at the University of Illinois since 1918, is interested in buying the property at 805 West Pennsylvania Avenue. This organization formerly occupied a modern fraternity house, which it constructed on two lots at 1006-8 South Fifth Street, Champaign, until April, 1948, when the house was practically destroyed by fire. Since then, the fraternity has made continuous, but unsuccessful, efforts to finance reconstruction. The property owned by the fraternity has a frontage of 110 feet on Fifth Street and is 198 feet deep. It is near other University property. It would be advantageous for the University to own this property.

Alumni officers of the Sigma Alpha Mu fraternity representing the corporation which holds title to this property on Fifth Street, have offered the University $80,000, the present appraised value, for the property at 805 West Pennsylvania Avenue on these terms and conditions: The fraternity will convey to the University its property at 1006-8 South Fifth Street, Champaign, at its appraised value of $25,000; the balance of $55,000 will be paid in cash at the time possession of the property at 805 West Pennsylvania Avenue is given; equipment installed
by the University in that house will be removed by and will remain the property of the University; the fraternity will clear the Fifth Street site of the ruins of its house.

The proposed sale of the University's property at 805 West Pennsylvania Avenue to Sigma Alpha Mu fraternity is recommended by the Dean of Students, the Director of Housing, the Director of the Physical Plant, and the Comptroller, subject to completion of a mutually satisfactory contract covering the equitable interests of both parties as to insurance, taxes, down payment, and other considerations. The sale will accomplish the intent of the University to reconvert the property to student housing.

The conditions requested by the Dean of the College of Veterinary Medicine as to possession and removal of University equipment will be met.

I recommend that the property at 805 West Pennsylvania Avenue be sold under the terms and conditions specified and that the Comptroller and the Secretary of the Board be authorized to execute the necessary papers upon approval by all officials concerned.

On motion of Mrs. Watkins, the sale of this property on the terms recommended was authorized by the following vote: Aye, Mr. Herrick, Mr. Hickman, Mr. Livingston, Mr. McLaughlin, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Fornof, Mrs. Holt, Doctor Meyer, Mr. Nickell, Mr. Stevenson.

PURCHASE OF PROPERTY AT 501 SOUTH WRIGHT STREET, CHAMPAIGN

(14) The property at 501 South Wright Street, Champaign, has been offered for sale to the University for $20,000, the appraised value, subject to immediate acceptance.

This property at the southwest corner of Springfield Avenue and Wright Street is a lot 99 feet by 66 feet and has on it a two-story and basement, eight-room frame residence with asphalt shingle roof. The building is used as a student rooming house. It is immediately east of the new State Water Survey Building and will eventually be needed for future expansion of the campus in that area.

This property is strategically located for commercial use and if so developed it would cost much more to acquire later.

The Director of the Physical Plant, the Comptroller, and the Chairman of the University Building Program Committee recommend acquisition of this property.

I concur and request that an appropriation of $20,000 be made from the General Reserve for this purpose.

On motion of Mr. Livingston, the purchase of this property was authorized and an appropriation of $20,000 was made, as recommended, by the following vote: Aye, Mr. Herrick, Mr. Hickman, Mr. Livingston, Mr. McLaughlin, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Fornof, Mrs. Holt, Doctor Meyer, Mr. Nickell, Mr. Stevenson.

RELEASE OF FUNDS FOR BUILDINGS AND OTHER CAPITAL IMPROVEMENTS

(15) The Governor has approved the following releases of funds from appropriations made to the University of Illinois for 1949-1951 for buildings and other capital improvements:

Release No. 57

"For Permanent Improvements at Urbana-Champaign — Construction of extensions to the Utility Distribution Systems" $60,000

This is a partial release from an appropriation of $375,000. The Governor has previously released (Releases Nos. 12, 37, 39, 41, and 52) $287,650 from this appropriation. The funds now released are for the modernization of the transformer vaults in Talbot Laboratory and Altgeld and Harker Halls.
Release No. 58

"For Permanent Improvements at Urbana-Champaign—Additions to Power and Heating Plant and Remodeling of Existing Buildings".....$25,000

This is a partial release from an appropriation of $1,215,000. The Governor has previously released (Releases Nos. 6, 13, 14, 16, 23, 24, 30, 36, 42, and 53) $1,169,922 from this appropriation. The funds now released are for the construction of a Diesel Engine House, as a part of the addition to the Power and Heating Plant.

I recommend that these funds be appropriated by the Board for the purposes indicated.

On motion of Mr. McLaughlin, these funds were appropriated, as recommended, by the following vote: Aye, Mr. Herrick, Mr. Hickman, Mr. Livingston, Mr. McLaughlin, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Fornof, Mrs. Holt, Doctor Meyer, Mr. Nickell, Mr. Stevenson.

Contract for Architectural Services on Expansion of Men's Residence Halls

(16) On September 29, 1950 (Minutes, page 367), the Board of Trustees approved in principle the first phase of the expansion of the Men's Residence Halls and awarded a contract for the preparation of plans and specifications for a residence hall including barracks type housing for 240 students. Further studies indicate that the capacity of this building can be increased to 288 without increasing the total estimated cost. This will not include food service facilities.

Preliminary studies of the second phase for the expansion of Men's Residence Halls indicate that a desirable program will include (a) construction of a new unit to provide food service facilities for 1,000 men and housing for 96 men in single and double rooms, (b) converting the existing food service area in the present Men's Residence Halls, which now house 496 men students, to provide barracks type housing for an additional 76 men, and (c) some modernization of Busey and Evans Halls for women.

Present estimates of construction costs and of the amount which can be borrowed and liquidated from income indicate that this enlarged program can be carried out without a capital subsidy. This contemplates refinancing the present Men's Residence Hall loan and the pledging of the net income (now unencumbered) from Busey and Evans Halls.

To complete the studies of this second phase, the Director of the Physical Plant and the Comptroller recommend an addition to the contract with Skidmore, Owings, and Merrill, Architects, Chicago, which now covers only the first phase, to include architectural services for the enlarged project at a fee of 6 per cent of the construction cost for complete architectural services, 75 per cent of which will be due on completion of the working drawings and specifications, and the full amount to be payable only if the construction and remodeling are completed.

I concur and recommend further:

1. That the second phase of the expansion of Men's Residence Halls facilities be approved in principle subject to final approval after plans have been completed and bids received, and to further action on financing.
2. That the Comptroller and the Secretary of the Board be authorized to execute a contract with Skidmore, Owings, and Merrill as recommended above.
3. That an appropriation of $42,000 be made from the General Reserve to finance the completion of the plans to the point of taking bids, this appropriation to provide for payment of 75 per cent of the architects' fee and such costs as will be incurred by the Physical Plant Department.

On motion of Mrs. Watkins, authority was given, as recommended, and an appropriation of $42,000 was made for this addition to the contract by the following vote: Aye, Mr. Herrick, Mr. Hickman, Mr. Livingston, Mr. McLaughlin, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Fornof, Mrs. Holt, Doctor Meyer, Mr. Nickell, Mr. Stevenson.
TRANSFER OF LAND TO MEDICAL CENTER STEAM COMPANY

On July 28, 1949 (Minutes, page 493), the Board of Trustees authorized the transfer of certain properties to the Medical Center Steam Company, including some parcels of property acquired from the Medical Center Commission for $1,000 (Minutes, November 29, 1949, page 948).

A portion of the Chicago Transit Authority right-of-way has been condemned and an alley adjoining property deeded to the Steam Company has been vacated. The Medical Center Commission proposes to transfer these parcels to the University as a part of the $1,000 purchase and authority is required for the transfer of the property from the University to the Medical Center Steam Company.

I recommend the adoption of the following resolution.

Authorizing Conveyance of Certain Real Estate to Medical Center Steam Company

Resolved, That the Board of Trustees of the University of Illinois, in furtherance of the purposes of the steam contract dated as of July 1, 1949, between Medical Center Steam Company and this Board, hereby authorizes, empowers, and directs the Comptroller and the Secretary of this Board, in the name of and on behalf of this Board, to execute and deliver to Medical Center Steam Company, an Illinois Corporation, a warranty deed conveying to such Medical Center Steam Company the following described real estate, to wit:

The West Twenty-six and seventy-five hundredths (26.75) feet of Lots One (1) to Ten (10), both inclusive, and the West Twenty-seven (27) feet of Lots Eleven (11) to Sixteen (16), both inclusive, all in Block Two (2) in Commissioners' Subdivision of Blocks Fourteen (14), Fifteen (15), Sixteen (16) and Twenty-one (21) in Assessor's Division of the East Half (E½) of the Southeast Quarter (SE¼) of Section Eighteen (18), Township Thirty-nine-nine (39) North, Range Fourteen (14) East of the Third Principal Meridian, also
The West Twenty-seven (27) feet of Lots One (1), Two (2) and Three (3) in Block Twenty (20) in S. H. Sweet's Resubdivision of Blocks Eighteen (18), Nineteen (19) and Twenty (20) in Assessor's Division, aforesaid, also
The East Half (E½) of the North and South vacated alley lying west of and adjoining the above described property, also
Lot Twenty (20) in Block Two (2) in Commissioners' Subdivision, aforesaid; together with the West Half (W½) of the North and South vacated alley lying East of and adjoining said Lot Twenty (20);
Situated in the City of Chicago, County of Cook and State of Illinois; and

Resolved further, That the Board of Trustees of the University of Illinois hereby authorizes, empowers, and directs the Comptroller and the Secretary of this Board, in the name of and on behalf of this Board, to execute and deliver to said Medical Center Steam Company, a quitclaim deed conveying the following described real estate, to wit:

All of the North and South vacated alley lying West of and adjoining Lots One (1) to Sixteen (16), both inclusive, in Block Two (2) in Commissioners' Subdivision of Blocks Fourteen (14), Fifteen (15), Sixteen (16) and Twenty-one (21) in Assessor's Division of the East Half (E½) of the Southeast Quarter (SE¼) of Section Eighteen (18), Township Thirty-nine-nine (39) North, Range Fourteen (14) East of the Third Principal Meridian, West of and adjoining Lots One (1), Two (2) and Three (3) in Block Twenty (20) in S. H. Sweet's Resubdivision of Blocks Eighteen (18), Nineteen (19) and Twenty (20) in Assessor's Division, aforesaid, East of and adjoining Lot Six (6) in the Subdivision of Lots Twenty-nine (29), Thirty (30), Thirty-one (31) and Thirty-two (32) in Block Two (2) in Commissioners' Subdivision, aforesaid, East of and adjoining Lots Seventeen (17) to Twenty-eight (28), both inclusive, in Block Two (2) in Commissioners' Subdivision, aforesaid, and East of and adjoining Lots Twenty-nine (29), Thirty (30) and Thirty-one (31) in Block Twenty (20) in S. H. Sweet's Resubdivision, aforesaid;
Situated in the City of Chicago, County of Cook and State of Illinois.
On motion of Mr. Livingston, this resolution was adopted by the following vote: Aye, Mr. Herrick, Mr. Hickman, Mr. Livingston, Mr. McLaughlin, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Fornof, Mrs. Holt, Doctor Meyer, Mr. Nickell, Mr. Stevenson.

**CONTRACT FOR UNDERGROUND SEWER ALTERATIONS AT DENTISTRY, MEDICINE, AND PHARMACY BUILDING**

(18) The Director of the Physical Plant and the Comptroller recommend award of a contract for $4,977 to George D. Hardin, Chicago, the lowest bidder, for the installation of sewage ejectors for the Research Laboratory and Library Unit of the Dentistry, Medicine, and Pharmacy Building.

The installation of new ejectors is necessary to relieve the overloaded condition of the sewage ejectors in the present general hospital building. At present, sewage from the Research Laboratory and Library Unit empties into the ejectors for the general hospital.

Funds are available in the Physical Plant Department budget.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. McLaughlin, this contract was authorized as recommended.

**CONTRACT FOR WATER SUPPLY FACILITIES AT DENTISTRY, MEDICINE, AND PHARMACY BUILDING**

(19) The Director of the Physical Plant and the Comptroller recommend award of a contract for $15,975 to Fettes, Love, and Sieben, Chicago, the lowest bidder, for installation of new water pumps, a pressure tank, piping changes, and a new supply line from the water mains to the first unit of the Dentistry, Medicine, and Pharmacy Building.

The pumps in the second unit of this building now service all units and are so overloaded that at times it is impossible to maintain adequate water pressure in the upper floors.

Funds are available in the Physical Plant Department budget.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Herrick, this contract was authorized as recommended.

**CONTRACT FOR INSTALLATION OF FIRE ESCAPE ON BUILDING AT 1716 WEST TAYLOR STREET, CHICAGO**

(20) The Director of the Physical Plant and the Comptroller recommend award of a contract for $2,200 to the Parnell Iron Works, Inc., Chicago, the lowest bidder, for the installation of a metal fire escape on the building at 1716 West Taylor Street, Chicago, to replace the present wooden one which has deteriorated and is unsafe. The building has been remodeled to provide offices for the Physical Plant Department and quarters for the Physical Plant Paint Shop.

Funds are available in the state appropriation for "Construction of Utility Distribution System and remodeling of existing buildings," in Chicago.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract, subject to the release of funds by the Governor.

On motion of Mrs. Watkins, this contract was authorized as recommended.

**CHANGE IN CONTRACT FOR REMODELING IN NATURAL HISTORY BUILDING**

(21) The Director of the Physical Plant and the Comptroller recommend an increase of $1,520 in a contract with C. A. Petry and Sons, Champaign, for remodeling in the Natural History Building, this change being necessary to pro-
vide for extension of electrical service and the general construction for relocating an X-ray machine. The only X-ray machine in the Department of Physiology was formerly in room 412a Natural History Building which has been eliminated by construction of new fireproof stairs.

Funds are available.

I concur and recommend that the Comptroller be authorized to execute the contract change.

On motion of Mr. Hickman, this contract was authorized as recommended.

REMODELING IN NOYES LABORATORY OF CHEMISTRY

(22) Two years ago the Board of Trustees approved a program of safety improvements to eliminate fire hazards in the Noyes Laboratory of Chemistry and appropriated funds for the necessary remodeling and installations, the major job being construction of new fireproof stairways at the northwest and southwest corners of the building. The next stage of this phase of the program is removal of the center wooden stairs and closing the stairwell openings on each floor. This work was not included in the contract for the construction of the new stairways.

The Director of the Physical Plant and the Comptroller recommend that the removal of the center stairs and the covering of the floor openings be done by E. N. DeAtley, Champaign, the general contractor for the fireproof stairways, under a standing contract awarded him on September 29, 1950, for remodeling work on a cost-plus basis. The estimated cost of this work is $5,098.

I concur.

On motion of Mr. Livingston, this recommendation was adopted.

CONTRACT FOR ELECTRICAL EQUIPMENT IN ABBOTT POWER PLANT

(23) On October 26, 1950 (Minutes, page 436), the Board of Trustees approved a contract for a new Diesel engine-driven generator in the Abbott Power Plant. The Director of the Physical Plant and the Comptroller now recommend the award of a contract for $43,752 to the A. S. Schulman Electric Company, Chicago, the lowest bidder, for the electrical equipment needed as a part of this installation to provide an independent power source.

Funds are available in the state appropriation for “Additions to Power and Heating Plant and remodeling of existing buildings.”

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute this contract, subject to the release of funds by the Governor.

On motion of Mr. Livingston, authority was given as recommended.

CONTRACTS FOR CONSTRUCTION OF DAIRY BARNs

(24) The state appropriations to the University for buildings and other capital improvements for 1949-1951 include $290,000 for “Construction of agricultural structures and remodeling present agricultural buildings.” The Board of Trustees has allocated $75,000 of these funds for buildings for the Department of Dairy Science and the funds have been released by the Governor. The University Architect, the Comptroller, the Dean of the College of Agriculture, and the Head of the Department of Dairy Science recommend that contracts for the construction of bull and calf barns in the South Lincoln Avenue area and of a small calf barn in the “Round Barns” area be awarded as follows:

<table>
<thead>
<tr>
<th>Lincoln Avenue</th>
<th>Round Barns Area</th>
</tr>
</thead>
<tbody>
<tr>
<td>Calf and Bull Barn</td>
<td>Calf Barn</td>
</tr>
<tr>
<td>O. L. Shoemaker, Champaign—general work</td>
<td>$49,912 22</td>
</tr>
<tr>
<td>J. L. Robinson, Champaign—plumbing work</td>
<td>$7,698 00</td>
</tr>
<tr>
<td>J. M. Bean Electric and Hardware, Urbana—electrical work</td>
<td>$4,165 00</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>$61,775 22</strong></td>
</tr>
</tbody>
</table>

These are the lowest bidders. The total costs of these two projects, including insurance, architectural and engineering costs, and contingencies are $71,000 and $10,500 respectively.
The cost of the calf and bull barns on South Lincoln Avenue is within the allocation of funds made by the Board of Trustees, but there are two more projects in this group of agricultural structures (improved milk handling facilities and the construction of a goat barn). Funds for these are available in the "Contingencies" item of the state appropriations, subject to the release by the Governor.

Construction of a small calf barn at the so-called "Round Barns" area is necessary to meet commitments under a regional dairy cattle research project undertaken in cooperation with the United States Department of Agriculture and the agricultural experiment stations of the North Central area. To provide part of the funds for this barn, the Head of the Department of Dairy Science and the Dean of the College of Agriculture recommend the appropriation of an unassigned balance of $5,500 from Unappropriated Agricultural Income of the Department. The balance of $5,000 is available from the gifts and grants contributed for the regional research project.

I concur in all these recommendations.

On motion of Mr. McLaughlin, these contracts were authorized and an appropriation of $5,500 from the income of the Department of Dairy Science was made, as recommended, by the following vote: Aye, Mr. Herrick, Mr. Hickman, Mr. Livingston, Mr. McLaughlin, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Fornof, Mrs. Holt, Doctor Meyer, Mr. Nickell, Mr. Stevenson.

CONTRACT FOR ASPHALT TILE FLOORS IN CHEMISTRY ANNEX AND UNIVERSITY HIGH SCHOOL GYMNASIUM

(25) The Director of the Physical Plant and the Comptroller recommend award of a contract for $2,870 to Coleman Floor Company, Chicago, the lowest bidder, for replacing asphalt tile floors in the Chemistry Annex and the University High School Gymnasium.

This is a maintenance project for which funds are budgeted.

I concur and recommend approval.

On motion of Mrs. Watkins, this recommendation was approved.

CONTRACT FOR REROOFING OF ADMINISTRATION BUILDING (EAST) AND GEORGE HUFF GYMNASIUM

(26) The Director of the Physical Plant and the Comptroller recommend award of the following contracts for roof replacements for which funds were previously appropriated by the Board:

Huff Gymnasium — Henry Reuter & Sons, Kankakee...............$20,017
Administration Building (East) — Henry Reuter & Sons, Kankakee..... 9,563

These contracts will result in a total cost less than the original estimate, and it is proposed to lapse $19,000 from the appropriation.

I concur and recommend approval.

On motion of Mr. Hickman, this recommendation was approved.

ADDITION TO GENERAL CONTRACT FOR CONSTRUCTION OF ANIMAL SCIENCES LABORATORY

(27) The Department of Dairy Science has requested certain rearrangements of rooms on the fourth floor of the west wing of the Animal Sciences Laboratory which will require additional construction. The principal cost will be for cork insulation, for glazed and greaseproof tile (with credit for omission of asphalt tile and acoustic ceiling), and for hollow metal doors.

Sumner S. Sollitt Construction Company estimates this will cost $2,389.59, which has been checked and approved by Naess and Murphy, architects for the building, and by the Physical Plant Department.

The Director of the Physical Plant and the Comptroller recommend an increase of $2,389.59 in the general contract for this purpose. Funds are available.

I concur and request that the Comptroller be authorized to execute the necessary change order.

On motion of Mr. McLaughlin, authority was given as recommended.
The Board of Trustees has authorized the remodeling of the Physical Plant Service Building (the boiler house section of the old power plant) to convert this space into quarters for research use. Funds were appropriated and contracts for remodeling have been awarded.

The remodeling contracts do not include completion of the fourth floor, this having been eliminated in order to reduce the cost of the project. It is now clear that the entire fourth floor area is needed so that the University can develop certain research projects in connection with the electronic digital computer, the program in physics of the solid state under the direction of Professor Frederick Seitz, and new government contracts. Space is also needed for the development of a control systems laboratory which may be one of the major contributions of the University to national security.

Completion of the fourth floor will add approximately 3,500 square feet of space. The estimated cost of the additional construction, including installation of essential utilities, is $40,000.

I recommend that the Board authorize changes in present contracts to provide for this additional work and that an appropriation of $40,000 be made for this purpose.

On motion of Mr. Livingston, changes in contracts for this remodeling were authorized and an appropriation of $40,000 was made from the General Reserve Fund, as recommended, by the following vote: Aye, Mr. Herrick, Mr. Hickman, Mr. Livingston, Mr. McLaughlin, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Fornof, Mrs. Holt, Doctor Meyer, Mr. Nickell, Mr. Stevenson.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

1. Remodeling and equipment, College of Agriculture .......................... $50,000
2. Modernization of switchboard in Room 211, Department of Ceramic Engineering ........................................... 2,300
3. Installation of coat hooks, screens, partitions, and pin-up boards, Department of Art ........................................... 2,600
4. Machine tools for shop, Division of Biological Sciences, College of Liberal Arts and Sciences ........................................... 10,000
5. Equipment for photo-clerical project and moving audio-visual aids laboratory, University Library .......................... 5,470
6. Purchase and repair of instruments, University Bands, College of Fine and Applied Arts ........................................... 8,500
7. Equipment for central stenographic service, Chicago Undergraduate Division ........................................... 2,675

Total .......................................................... $81,545

I recommend that appropriations for these purposes be made from the General Reserve Fund.

On motion of Mr. Hickman, these appropriations were made, as recommended, by the following vote: Aye, Mr. Herrick, Mr. Hickman, Mr. Livingston, Mr. McLaughlin, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Fornof, Mrs. Holt, Doctor Meyer, Mr. Nickell, Mr. Stevenson.

APPOINTMENTS TO THE FACULTY

The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. George Henry Agate, Assistant Professor of Hygiene and Medical Adviser
for Men, Health Service, and Pediatric Research Consultant, College of Education, beginning January 1, 1951, at an annual salary of $8,000 (DY).
2. HERBERT C. BATSON, Professor of Biostatistics in the Department of Public Health, College of Medicine, beginning May 1, 1951, at an annual salary of $10,000 (AY).
3. JACKSON JUSTICE CAMPBELL, Assistant Professor of English, beginning September 1, 1951, at an annual salary of $4,300 (B).
4. JAMES VANALLEN EDSALL, Assistant Professor, Bureau of Community Planning, beginning February 1, 1951, at an annual salary of $4,900 (DY).
5. IRENE ELNORE HAMMS, Research Assistant Professor of Education, Graduate College, beginning February 1, 1951, at an annual salary of $4,900 (GY, 8 months).
6. DONALD A. WALLACE, Associate Professor of Applied Materia Medica and Therapeutics, College of Dentistry, and Consultant to the University of Illinois Foundation, beginning January 1, 1951, at an annual salary of $11,000 (BY) (1951-1952, $12,000).

On motion of Mrs. Watkins, these appointments were confirmed.

REPORT OF GIFTS AND GRANTS RECEIVED BY THE UNIVERSITY

The following gifts and grants of funds received by the University have been accepted by the President in accordance with the statutory procedure and are now being reported for official record.

For the Colleges and Schools at Urbana-Champaign

A. Undergraduate Scholarships, Prizes, and Other Financial Aids
1. Mrs. Margaret Anderson, Joliet, Illinois, $1,200 to be added to the William Anderson Memorial Scholarship in Music in memory of her late husband. (The amount received to date is $11,800.)
2. Lou Boudreau Trust Fund (a trust set up in the National Bank of Harvey, Illinois, by citizens of that community), $232 for the Lou Boudreau Scholarship awarded to two male graduates of Thornton Township High School attending the University.
4. Campus Chest, University students' fund-raising organization, $1,764.75 for scholarships.
5. Chicago Farmers, Chicago, $500 for a scholarship in the College of Agriculture.
6. Class of 1950, $1,000 for scholarships.
8. Elizabeth Hamilton Scholarships, through the University of Illinois Illini Achievement Fund, $2,000 for the continuation of two $500 scholarships, one in music and the other in medicine, during the years 1949-1950 and 1950-1951.
11. Illinois Federation of Women's Clubs, $1,200 to be added to the Occupational Therapy Scholarship Fund. (The amount received to date is $16,700.)
12. Illinois Mining Institute:
a. Alfred E. Pickard Coal Company, $200 for a scholarship in mining engineering.
b. Peabody Coal Company, $1,200 for six scholarships ($200 each) in mining engineering.
c. $400 for a scholarship in mining engineering.
13. Kroger Company, Cincinnati, Ohio, $1,200 for scholarships for students in agriculture and home economics in the amount of $200 each.
14. James F. Lincoln Arc Welding Foundation, $1,000 for four scholarships ($250 each) in the College of Agriculture to students majoring in agricultural engineering.
15. John Morse Memorial Foundation, Chicago, $3,000 for six scholarships ($500 each) in mechanical and electrical engineering.
16. Old Ben Coal Company, $1,100 for scholarships in mining engineering.
17. Panhellenic Council, University student organization, $170.85 for scholarships.
18. Mrs. Kittie B. Pierce, La Grange, Illinois, $500 for the continuation of the Phyllis Pierce Ruettinger Scholarship in memory of her late daughter. (The amount received to date is $5,100.)
19. Ruhm Phosphate and Chemical Company, Chicago, $1,000 for the Dr. Cyril G. Hopkins Agricultural Scholarship to be awarded to the winner of the essay contest on *Soil Building in Soil Conservation* for 1950-1951.
20. Sears-Roebuck Foundation, Chicago:
   a. $2,579.50 for scholarships in the College of Agriculture.
   b. $800 for scholarships for freshman girls in home economics.
21. Sinai Temple Congregation of Champaign-Urbana, $50 for a scholarship in the School of Music.
22. Skidmore, Owings, and Merrill, Chicago, $1,000 for two scholarships in architecture to be awarded to seniors in the Department of Architecture.
23. University of Illinois Foundation, Illini Achievement Fund, $9,496 for Illini War Memorial Scholarships.
24. The Borden Company, New York, N.Y., $400 to Professor Gottfried S. Fraenkel, Department of Entomology, to cover expenses for the processing of a large quantity of whey for the isolation of vitamin B5.
25. Champaign-Urbana Kiwanis Club and Alpha Gamma Delta Sorority in Champaign-Urbana, $168.15 to add to funds to aid Dr. Severina E. Nelson, Professor of Speech and Director of the Speech Clinic, in her work with children suffering from cerebral palsy.
27. The Payne Fund, New York, N.Y., $1,750 for national awards by the Institute of Communications Research for distinguished radio writing and to secure participation of distinguished radio men in seminars at the time the prize scripts are presented.
28. United Spanish American War Veterans, Department of Illinois Auxiliary, $50 for a prize to be awarded to the woman student who has the highest scholastic standing in her first year of work in home economics.
29. University Club of Decatur, $20 to be added to the Woman's League Needy Students Fund.

**Total, Undergraduate Scholarships, Prizes, and Other Financial Aids $36,358.25**

**B. Funds for Graduate Fellowships, Scholarships, and Research**
30. Allied Chemical and Dye Corporation, New York, N.Y., $2,400 for the renewal of two fellowships in chemistry ($1,200 each), for the academic year 1950-1951.
31. American Cyanamid Company, Bound Brook, New Jersey, $3,000 for the renewal of a postdoctoral fellowship in chemistry for the academic year 1950-1951.
33. The Dow Chemical Company, Midland, Michigan, $1,500 for a fellowship in chemistry, under the direction of Professor Edward W. Comings, for the academic year 1950-1951.
34. E. I. du Pont de Nemours and Company, Wilmington, Delaware:
   a. $8,400 for fellowships in chemistry and chemical engineering. (This report covers grants for a three-year period. The fellowship stipend is $1,800 a year and $1,000 a year is added for expenses of the research work done under the fellowship.)
   b. $4,500 for a postdoctoral fellowship in chemistry for 1950-1951 ($3,000 for stipend and $1,500 to cover expenses of research work).
   c. Grant in support of fundamental research in chemistry during 1950-1951, $10,000.

36. Ethyl Corporation, Detroit, Michigan, $1,200 for the renewal of a fellowship in chemistry, under the supervision of Professor Harry G. Drickamer, for the academic year 1950-1951.

37. The Ernest A. Grunsfeld Fund, $500 for a European traveling fellowship in architecture to be awarded to a student graduating during the current academic year 1950-1951. (The fund will be deposited with the University on May 1, 1951. While this grant is for the current year only, the Fund hopes to make annual grants of like amount in the future.)

38. Illinois Clay Products Company, Joliet, Illinois, $2,000 ($1,500 for the stipend and $500 for miscellaneous expenses) for the renewal of a fellowship in clay mineralogy in the Department of Geology, under the supervision of Professor Ralph E. Grim, for the academic year 1950-1951.

39. Lakefield Nepheline Syenite, Columbus, Ohio, $1,200 ($1,000 for the stipend and $200 for miscellaneous expenses) for a fellowship in ceramic engineering for the academic year 1950-1951.

40. Lauhoff Grain Company, Danville, Illinois, $1,500 ($1,000 for the stipend and $500 for miscellaneous expenses) for a fellowship in Chemistry, under the direction of Professors George L. Clark and Duane T. Englis, for the academic year 1950-1951.

41. Eli Lilly and Company, Indianapolis, Indiana, $1,000 for the renewal of a fellowship in chemistry, under the supervision of Professor Nelson J. Leonard, for the academic year 1950-1951.

42. Lindsay Light and Chemical Company, West Chicago, $1,200 for the renewal of a fellowship in chemistry for the academic year 1951-1952.

43. National Lead Company, Baroid Sales Division, Houston, Texas, $1,200 for the renewal of a fellowship in geology for the academic year 1950-1951.

44. Western Cartridge Company, a division of Olin Industries, Inc., East Alton, Illinois, $1,800 for the renewal of a fellowship in chemistry for the academic year 1950-1951.

45. Edward Orton Jr. Ceramic Foundation, Columbus, Ohio, $1,200 ($1,000 for the stipend and $200 for miscellaneous expenses) for the renewal of a fellowship in ceramic engineering for the academic year 1950-1951.

46. Pittsburgh Consolidation Coal Company, Library, Pennsylvania, $2,250 for the renewal of a fellowship in chemical engineering for the academic year 1950-1951 ($1,800 to be added to $450 balance in previous grant for 1949-1950).

47. The Procter and Gamble Company, Cincinnati, Ohio, $1,700 ($1,200 for the stipend and $500 for miscellaneous expenses) for a fellowship in chemistry for the academic year 1950-1951.

48. Shell Fellowship Committee, New York, N.Y., $3,000 for the renewal of fellowships in chemical engineering ($1,500) and geology ($1,500) for the academic year 1950-1951.

50. Standard Oil Company of California, San Francisco, $1,250 for the renewal of a fellowship in chemistry for the academic year 1950-1951.

51. Henry Strong Educational Foundation, Chicago, $600 for a fellowship in physics, chemistry, or engineering for the academic year 1950-1951.

52. Swift and Company, Chicago, $2,000 for a fellowship in entomology from July 1, 1950, to June 30, 1951.

53. The Upjohn Company, Kalamazoo, Michigan, $4,000 to be added to a fellowship in chemistry for investigation of enzymic aspects of adrenal cortex transformations, for the academic year 1950-1951.

54. Velsicol Corporation, Chicago, $2,500 for the renewal of a fellowship in zoology for the academic year 1950-1951.

55. Victor Chemical Works, Chicago Heights, $1,500 for the renewal of a fellowship in chemistry for the academic year 1950-1951.

56. The Visking Corporation, Chicago, $2,000 ($1,500 for the stipend and $500 for miscellaneous expenses) for a fellowship in chemistry for one year beginning February, 1951.

57. Westinghouse Educational Foundation, Pittsburgh, Pennsylvania, $2,000
for the renewal of a fellowship in electrical engineering for the academic years 1949-1950 and 1950-1951.
58. Mary E. Baker scholarship, supported by the University of Tennessee Library, $300 for graduate study in the University of Illinois Library School.
59. American Cancer Society, Inc., New York City:
   a. $1,554.47 for research on the influence of carcinogenic agents on fat metabolism, by Professor Fred A. Kummerow, Department of Food Technology.
   b. $865 for research on induced limb regeneration and the control of abnormal growth in regenerating tissue, by Professor S. Meryl Rose, Department of Zoology.
60. American Gas Association, $9,000 for warm air furnace research in the Engineering Experiment Station.
61. $2,700 for research on bovine brucellosis immunization: M. J. Boyle and Company, $500; Curtiss Candy Company, $700; Mill Rose Farm, $500; Midlane Farm, $500; Quaker Oats Company, $500.
62. John Brunner Memorial Endowment for Research and Advancement in Engineering Education, $1,599.17 to supplement previous grants for research and advancement in engineering education in the College of Engineering. (The amount received to date is $22,799.17.)
63. Illinois Coal Strippers Association, Chicago, $500 to supplement funds previously received for a cooperative study of the potentialities of revegetating and utilizing agronomic species on the strip mined areas in Illinois, by the Department of Agronomy. (The amount of the contract was $5,800.)
64. Illinois Grain Corporation, Chicago, $2,250 to supplement previous grants for research and educational programs to improve the operating efficiency and the services of county grain dealers in Illinois.
65. Illinois Home Bureau Federation, $2,000 for a study on the potentialities of revegetating and utilizing agronomic species on the strip mined areas in Illinois, by the Department of Agronomy.
67. Eli Lilly and Company, Indianapolis, Indiana, $4,000 for research on insulin in the Department of Chemistry.
68. United States Public Health Service:
   a. $14,063 for training in clinical psychology, in the Department of Psychology, under the supervision of Professor Herbert Woodrow, for one year beginning July 1, 1950 (No. 2M-5066C3 and C3S).
   b. $15,091 for extension of personality structure investigation in terms of objective test factor measures to children, in the Department of Psychology, under the supervision of Professor Raymond B. Cattell, for one year beginning September 1, 1950 (No. MH-80C-2).
   c. $28,914 for a preschool project for young mentally handicapped children, in the College of Education, under the supervision of Professor Samuel A. Kirk, for one year beginning October 1, 1950 (No. MH-274-R).
   d. $9,900 for a study to determine the synthesis and maintenance of intracellular enzymes, under the supervision of Professor Sol Spiegelman, Department of Bacteriology, for a period of one year beginning July 1, 1950 (No. C-1094-C).
   e. $16,200 for a study to determine the origin and interconversions of the non-essential amino acids, in the Department of Chemistry, under the supervision of
Professor William C. Rose, for a period of one year beginning September 1, 1950 (No. RG-1386-C2).

f. $9,646 for studies of the inositol lipids of plant and animal tissues, in the Department of Chemistry, under the supervision of Professor Herbert E. Carter, for a period of one year beginning September 16, 1950 (No. RG-2031C).

g. $8,977 for a study to determine the nitrification phase of the biochemical oxygen demand test, in the State Water Survey and Department of Chemistry, under the supervision of Professor Arthur M. Buswell, for a period of one year beginning September 1, 1950 (No. RG-2141-C).

h. $10,800 for a study of the nature, cause, and control of housefly resistance to insecticides, in the Department of Entomology, under the supervision of Professor George C. Decker, for one year beginning September 1, 1950 (No. RG-2623).

i. $4,924 for a study to determine factors affecting the concentrations of free amino acids in animal tissues, in the Department of Chemistry, under the supervision of Dr. L. M. Henderson, for one year beginning September 1, 1950 (No. RG-2674).

75. VioBin Corporation, Monticello, Illinois, $200 for an investigation of the value of wheat germ oil in the development of resistance to disease by the Department of Bacteriology, under the supervision of Professor George I. Wallace.

Total, Funds for Graduate Fellowships, Scholarships, and Research $247,681.21

C. Gifts of Equipment, Works of Art, and Library Materials

76. Judge and Mrs. John H. Armstrong, Champaign, Illinois, a Baldwin grand piano for the School of Music.

77. Mr. Seward Brisbane, New York, N.Y., the papers of Albert Brisbane. (Albert Brisbane was a writer on the staff of the New York Tribune during the days of Horace Greeley. For twenty years he wrote a column dealing with social reforms. The collection includes some of his original manuscripts and other notes.)

78. Hotpoint Company, an automatic dish washer for the Home Economics Department. (Estimated value, $225.)

79. Miss Nola B. Harper, Washington, D.C., eighty-one volumes of architectural works in memory of her brother, the late Edward Clarke Harper, Class of 1914.

80. Mr. and Mrs. Earle Ludgin, Chicago, prints and drawings to the Department of Art.

81. University of Illinois Band Association, a portrait of Director Emeritus A. A. Harding by Professor C. E. Bradbury. (A public presentation will be made at the Annual Band Concert in March, 1951.)

Total, Gifts of Equipment, Works of Art, and Library Materials...$ 225.00
Total, Urbana-Champaign......................................................$284,264.46

For the Chicago Professional Colleges

A. Funds Received from Private Industry, Foundations, Other Organizations and Government Agencies for Research and Graduate Study

82. Abbott Laboratories, North Chicago, Illinois:

a. $2,000 for continuation of research on dietary therapy in liver disease, in the Department of Medicine, under the supervision of Dr. Robert M. Kark, for one year beginning July 1, 1950.

AFFILIATION WITH MORRISON HOME FOR THE AGED AND THE CHRONIC ILLNESS HOSPITAL

(35) The Vice-President in charge of the Chicago Professional Colleges submits for consideration a proposal for an affiliation with the Morrison Home for the Aged and the Home for the Incurables, both in Chicago. Under this plan the University would have facilities for the education of medical students and for research in a new "chronic illness hospital" (to be constructed in conjunction with a new home for the aged in the Medical Center District) and in turn would provide certain professional services.

The boards of directors of these two institutions are negotiating with the Medical Center Commission for the purchase of land on which to construct the buildings. Before proceeding, the Commission needs to know whether or not the University of Illinois will approve an affiliation along lines to be agreed upon.

A proposal has been drafted and is submitted herewith as a basis for discussion.

I recommend that the Board of Trustees indicate a desire to proceed with such an affiliation, with the understanding that later a formal agreement will be submitted to the Board for approval.

On motion of Mr. Livingston, this recommendation was approved.

APPOINTMENTS TO PROFESSIONAL ADVISORY COMMITTEE OF THE DIVISION OF SERVICES FOR CRIPPLED CHILDREN

(36) The Board of Trustees has authorized the appointment of a Professional Advisory Committee for the Division of Services for Crippled Children. The present Committee was appointed for two years from December 1, 1948.

The Vice-President in charge of the Chicago Professional Colleges submits the following nominations for reappointments and new appointments to this Committee for a term beginning January 1, 1951, and expiring June 30, 1953, so that the appointments will coincide with the fiscal years of the biennium.

I concur in these appointments.

REPORT OF THE EXECUTIVE COMMITTEE MEETING
OF JANUARY 11, 1951

The Secretary presented for the Executive Committee the following record of its transactions at a meeting held in Urbana, Illinois, on January 11, 1951.

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at 4:30 p.m. on Thursday, January 11, 1951, in Room 317 of the Illini Union Building, Urbana, Illinois.

Mr. Kenney E. Williamson, Chairman, and Messrs. Park Livingston and Walter W. McLaughlin, members of the Executive Committee, were present; also attending the meeting were President George D. Stoddard, Comptroller Lloyd Morey, and Mr. A. J. Janata, Secretary of the Board.

Business Presented by the President of the University

The Executive Committee considered the following matters presented by President Stoddard.

Easement Through Robert Allerton Farms for Construction of Pipe Line

(1) The Texas Illinois Natural Gas Pipeline Company has requested an easement through the Allerton farms for the construction of a pipe line. The pipe line will extend across University property for a distance of 149$\frac{1}{2}$ rods, and the Company has offered to pay $3 per rod for the easement or a total of $448.50. Permission is also requested for authority to construct a second pipe line approximately parallel to the first for which an additional $3 per rod will be paid.

It is reported that the rate offered to the University is the same that has been accepted by the majority of property owners in Piatt County. It is understood that rates in the southern counties have been as low as $1 to $2 a rod. In some counties north of Piatt County, the rate has been as high as $5 a rod. The field affected by the easement is relatively low in agricultural value because of flooding several times each year and only a partial crop has been harvested.

The Dean of the College of Agriculture and the Comptroller recommend that this easement be approved.

I concur and recommend that the following resolution be adopted:

Be It Resolved, That the Comptroller and the Secretary of the Board are hereby authorized and directed on behalf of the Board of Trustees of the University of Illinois, a public corporation, to execute a right-of-way and easement contract and to deliver the same to the Texas Illinois Natural Gas Pipeline Company, a corporation, conveying and quitclaiming to said company, its successors and assigns, for and in consideration of the sum of four hundred forty-eight dollars and fifty cents ($448.50) a right-of-way and easement to construct, reconstruct, operate, maintain, repair, alter, replace, move and remove a pipe line
and upon payment of a like sum one additional pipe line for the transportation of 
gas, oil, petroleum products or other liquids, gases or other substances which can 
be transported through a pipe line (grantee to have the right to select the route 
or routes thereof) under, through and across the following described real estate; 
situated in Piatt County, State of Illinois, to wit:

Centerline description of a strip of ground not to exceed seventy-five feet 
(75') in width, beginning at a point in the water's edge of the Sangamon River, 
said point being measured East along said water's edge, same being the South 
line of the University of Illinois tract of land, approximately 257 feet from the 
West line of section 14, T-18-N, R-5-E, Piatt County, Illinois;

Thence N. 4° 15' W, along Engineer's staked line, 421 feet to a point;
Thence N. 4° 00' E 3045 feet to a point in the division line between the lands 
of the aforesaid University of Illinois on the South and the lands of N. F. Tatman, 
et al., on the North, said division line being also the North line of the Southwest 
quarter of said Section 14, said point being measured East along said division line 
367 feet from the Northwest corner of the Southwest quarter of Section 14;
And containing in all 149.5 rods in length and 75 feet in width.

On motion of Mr. McLaughlin, this recommendation was approved and the 
foregoing resolution was adopted.

Contract for Modernization of Transformer Vaults

(2) The Director of the Physical Plant and the Comptroller recommend the award 
of a contract for $54,900 to the Anderson Electric Company, Danville, the lowest 
bidder, for the modernization of the transformer vaults in Talbot Laboratory and 
Altgeld and Harker Halls. The bids received were for both the electrical and 
the general work in connection with each project.

Funds are available in the state appropriation for "Construction of extensions 
to the Utility Distribution Systems."

I concur and recommend that the Comptroller and the Secretary of the Board 
be authorized to execute this contract.

On motion of Mr. Livingston, this contract was authorized, as recommended.

REPORT OF COMMITTEE ON AGRICULTURE ON SALE OF 
OLNEY AGRICULTURAL EXPERIMENT FARM

Mr. McLaughlin presented the following report:

On December 28, 1950, the Board of Trustees approved a recommendation that operation of the University's experimental fruit farm near Olney, Illinois, be terminated and that the land be sold. The Committee on Agriculture was
requested to have the land appraised and to submit a recommendation as to selling price and conditions of the sale.

The Committee secured the following appraisal from Messrs. Sam W. Bunn, W. E. Moore, and Mark Thomson, of Olney.

Land, 96.31 acres at $100 an acre, or total ............ $ 9,631
House, six room modern with basement ................... 4,000
Barn .................................................. 1,500
Garage .................................................. 100
Other Buildings ........................................ 250
Total ...................................................... $15,481

The Committee then proceeded to secure bids on the property subject to the following conditions: (1) possession March 1 with the right reserved by the University through 1952 to complete scientific studies on about 1500 fruit trees on the north tract; (2) one-half of all mineral rights to be reserved by the University; (3) sale to be for cash.

Advertisements were published in three Olney newspapers offering this land for sale, and sale bids with check for 10 per cent of offering price were invited to be submitted not later than 10:00 a.m., Tuesday, February 13, 1951. A schedule of the bids received is attached.

The highest bid was received from E. J. Hahn, Olney, Illinois, who offers $15,600. He has agreed to the following additional conditions:

1. The University shall have the privilege of retaining the house and garage for occupancy by the Superintendent until such time as he can move to another location, but not later than September 1, 1951.
2. The University shall have the privilege of keeping machinery on the north tract during the crop season of 1951 and using farm buildings for storing that machinery. (Not all of the space is required for this purpose.)
3. It is understood that the buyer will receive the fruit crop from the farm for 1951 after the University has completed experimental work.
4. The University will take care of the spraying of trees for the seasons 1951 and 1952.

The Committee recommends that the reservation on mineral rights be for a period of twenty-five years.

The Committee recommends that the offer of E. J. Hahn be accepted subject to all of the above conditions and that the President and Secretary of the Board be authorized to execute a deed of conveyance subject to the usual conditions of liability for taxes, insurance, and abstract costs.

On motion of Mr. McLaughlin the report and recommendations were adopted and the sale of this land on the terms specified above was authorized by the following vote: Aye, Mr. Herrick, Mr. Hickman, Mr. Livingston, Mr. McLaughlin, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Fornof, Mrs. Holt, Doctor Meyer, Mr. Nickell, Mr. Stevenson.

REPORT OF COMMITTEE ON AGRICULTURE ON SALE OF COOK COUNTY AGRICULTURAL EXPERIMENT STATION LAND

Mr. McLaughlin presented the following report:

On July 28, 1949, the Board of Trustees authorized the sale of the Cook County Experiment Station land near Des Plaines, Illinois. The Committee on Agriculture was authorized to have the land appraised and to employ a real estate broker to negotiate with prospective buyers.

The property was appraised on September 10, 1949, by Messrs. Allan Kirkwood, H. M. Cornell, and Richard J. Leyden, real estate experts, as having a fair market value (defined as the present worth of the future benefits of ownership to typical users) of $33,500, broken down as follows:

Land, 20.33 acres at approximately $600 an acre ............ $12,000
House and well ......................................... 9,500
Greenhouse and heating plant ........................................ 10,000
Barns and sheds ........................................ 2,000
On January 11, 1951, the Chairman of your Committee (the other members were unable to participate) conferred at the University with Mr. H. M. Cornell of Des Plaines, one of the real estate brokers with whom the property is listed for sale. Comptroller Lloyd Morey, Professor C. J. Birkeland, Head of the Department of Horticulture, and Mr. A. J. Janata, Secretary of the Board of Trustees, also participated in this conference.

Later Messrs. Raymond Tures of Des Plaines and Hubert J. Tures of Skokie came into the conference and presented an offer of $25,000 cash for the property and stated that they would confirm it in writing and tender a check for $2,000 as earnest money. The written offer and check have now been received.

Their proposal would permit the University to retain possession of the buildings, including the greenhouse, and a small area of the land for a period of six months from the date of sale. This is an important consideration, because the Department of Horticulture and the College of Pharmacy wish to use the greenhouse through the 1951 crop season.

This is the first offer the University has received since the property was placed upon the market more than a year ago and listed with five brokers. The broker through whom the present offer is presented submits the accompanying letter which explains how recent developments have affected the marketability of the property. It is unlikely that a price approximating the original appraisal made in 1949 can be secured. It should be noted that the greenhouse was given a value of $10,000 in the original appraisal, so that the offer of $25,000 is $1,500 more than the appraisal of the land and buildings other than the greenhouse. On the other hand, it probably would not be of any financial advantage to the University to remove the greenhouse because the cost of dismantling, transporting, and erecting it on another site would be almost as much as the cost of a new greenhouse. The present market value of the property can, therefore, be determined only by offers received from potential buyers.

After the offer of the Tures brothers was received, all other brokers with whom the property was listed were advised that a firm offer had been made at less than the appraised value and would be considered by the Board of Trustees on January 23, 1951. On January 22 an offer was received by the Comptroller from Fred J. Gillick, representing the Central Manufacturing Company of Chicago, of $25,000 cash. This proposal would also permit the University to retain possession of the buildings for a period of six months from date of sale, but there is the further condition that the buyer be able to secure permission from local government authorities for the use (testing of paints) to be made of the property. If such permission is not forthcoming, the sale would not be consummated.

The foregoing report was prepared for presentation to the Board of Trustees at its meeting on January 23, 1951, but since only the chairman on the Committee of Agriculture was present no recommendation was made. There have been these subsequent developments: (a) the Central Manufacturing Company has withdrawn its contract; and (b) the Messrs. Tures have offered the University the right to occupy or remove the greenhouse and its heating plant from the premises, or otherwise dispose of them, within six months from the date of contract.

The Committee on Agriculture therefore recommends acceptance of the offer of Raymond and Hubert J. Tures and that the President and Secretary of the Board be authorized to execute the necessary documents of sale and transfer of the property.

On motion of Mr. McLaughlin, the report and recommendations of the Committee were adopted, and the sale of the land was authorized under the conditions specified in the Committee's report by the following vote: Aye, Mr. Herrick, Mr. Hickman, Mr. Livingston, Mr. McLaughlin, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Fornof, Mrs. Holt, Doctor Meyer, Mr. Nickell, Mr. Stevenson.

PARTICIPATION OF FARM AND HOME ADVISERS IN UNIVERSITY RETIREMENT SYSTEM OF ILLINOIS

Mr. McLaughlin, for the Committee on Agriculture, reported on a proposal submitted to the Board and referred to the Committee that
would make it possible for farm and home advisers to participate more fully in the University Retirement System of Illinois. The plan proposed is explained in the minutes of the Board meeting of June 15, 1948 (page 1148).

On motion of Mr. McLaughlin, this plan was approved and authority was granted for the execution of trust agreements between the University and the participating county farm and home bureaus, subject to approval of the form and provisions of the trust agreement by the Legal Counsel and other appropriate University officers.

**ENDOWMENT INVESTMENTS**

On motion of Mrs. Watkins, the following resolution was adopted:

**WHEREAS**, The Board of Trustees of the University of Illinois is the owner of the following described securities: 200 shares Northern Indiana Public Service Company, common stock; 10/100 shares Eastman Kodak, common stock; and, whereas the Board of Trustees has approved the sale of such securities, 

**Now, therefore, be it resolved**, That Lloyd Morey, Comptroller, and A. J. Janata, Secretary, be hereby authorized to execute any and all documents necessary to complete such sale.

**INTEREST IN AERMOTOR COMPANY STOCK RECEIVED FROM THE ESTATE OF LAVERNE NOYES**

Mrs. Watkins presented the following report of the Finance Committee:

The University holds a beneficial interest in the Estate of LaVerne Noyes, consisting of 175 shares of Aermotor Company stock presently held by the trustees of the estate. Forty-seven other colleges and universities also participate under the will and hold varying amounts of stock.

A committee consisting of representatives of four institutions so participating, one of which is the University of Illinois, has considered ways of liquidating these interests at the present time, and a plan has been worked out whereby the present management may acquire the company on terms which, it is believed, are advantageous to all parties. Upon approval by the University of Illinois and the other three institutions, it is then to be submitted to all forty-seven participating schools.

Briefly stated, such terms provide for the sale of the investment portfolio of the company and a liquidating dividend paid to the schools from the proceeds. It is estimated that this payment will amount to something in excess of $850 per share. In payment of the net operating assets of the Company, 4½ per cent, twenty-year debentures of the Aermotor Company will be issued in the amount of $369.50 for each share held by the schools. Through the operation of a sinking fund, it is anticipated that such debentures will be entirely retired during the twenty-year period. In addition, the trustees hold investments and cash with a present value of approximately $566,500, which will be distributed to the participating schools upon the death of the last annuitant. The total amount that will then be received by the University is estimated to be in excess of $1,500 per share, or $262,500.
Under the terms of the will, the Trustees have entire control of the stock during the period of the annuities, which will probably be for ten or fifteen years from the present date.

It is considered by the Finance Committee, the Comptroller, and the Bursar, who have studied the matter, that it will be to the advantage of the University to accept this plan rather than to defer the liquidation until the death of the last annuitant.

On motion of Mrs. Watkins, the following resolution was adopted:

**Resolution Concerning Aermotor Company Stock**

WHEREAS, The University of Illinois holds a trusteed interest in the Estate of LaVerne Noyes, consisting of 175 shares of Aermotor Company stock; and

WHEREAS, A plan has been worked out providing for the liquidation of such trusteed interest over a period of twenty years, by the purchase of such interest by the Aermotor Company, to be paid for by a liquidating dividend received from the sale of the investment portfolio, payable upon approval of the plan by all participating schools, from the issuance of Aermotor Company Debentures, and liquidation of assets of the Estate of LaVerne Noyes upon the death of the last annuitant, and whereas it is considered to be desirable for the University of Illinois to participate in this plan;

Now, therefore, be it resolved, That Lloyd Morey, Comptroller, and A. J. Janata, Secretary, be hereby authorized to execute any and all documents necessary to place this plan into operation and effect and to transfer interests in such Aermotor Company stock now held by the University, to the Aermotor Company or any Trustee or individual authorized to receive it under the terms of the plan.

**INVESTMENTS**

Mrs. Watkins reported for the Finance Committee the following transactions involving securities:

REPORT OF CHICAGO DEPARTMENTS COMMITTEE

Mr. Livingston presented the following report:

This report of the Chicago Committee of the Board is made for the purpose of bringing up to date developments in the matter of the Chicago Housing projects since February 12, 1951, at which time the Chicago Committee held a meeting; a report of that meeting is hereby filed with the Secretary of the Board for record.

As a result of this meeting, an offer was received from White Weld and Company representing a group of security dealers which offered financing either through the Medical Center Commission or the University. A joint offer was also received from F. S. Yantis and Company and the Milwaukee Company proposing a method of financing the project directly by the University.

The Legal Committee of the Medical Center Commission met at noon on Wednesday, February 14, 1951, and took action on the request transmitted to them by the Chicago Departments Committee of the Board of Trustees of the University. The Physical Plant Department has consulted with the contractors who were originally the lowest bidders on the projects as well as with the architects.

All proposals received offering to finance through the Medical Center Commission which were in the hands of the University at the time of the February 12 meeting of the Committee as well as the offers from White Weld and Company and the F. S. Yantis and Milwaukee Companies offering financing directly by the University and which were received prior to 12:00 noon Wednesday, February 14, have been examined and analyzed. The F. S. Yantis and Milwaukee Companies offer a method of financing directly by the University, the legality of which has been approved by Chapman and Cutler. This offer represents the lowest net interest cost for the financing at an effective interest rate of 2.703. The offer is an offer to furnish minimum funds of $4,500,000 which can be extended to $4,700,000, the additional funds to be furnished in a manner that will not materially affect the effective interest rate.

A formal report of the Medical Center Commission's actions has not been received, but informally the University has been notified by the President of the Commission that the Medical Center Commission stands ready to take the actions which the Chicago Departments Committee requested in its letter to the Medical Center Commission under date of February 13, 1951, a copy of which is hereby given to the Secretary of the Board for record.

Consultation between the Physical Plant Department and the contractors and architects indicates that it will be necessary for the University to take new bids for the construction of the buildings, and the Physical Plant Department has indicated that it believes this can be done by March 6.

Accordingly, the Chicago Departments Committee of the Board of Trustees recommends that the Board of Trustees:

1. Approve the sale of University of Illinois revenue bonds to the F. S. Yantis and Milwaukee Companies in accordance with their offer of February 12, 1951, contingent upon the receipt of bids indicating that the project can be completed within the funds offered or to be made available under the same conditions.
2. Instruct the Physical Plant Department to ask for new bids on the Housing Projects so as to determine the funds needed for the financing.
3. Authorize the Executive Committee of the Board of Trustees to award contracts for the construction of the buildings upon recommendation of the President of the University and the Chicago Departments Committee.

On motion of Mr. Livingston, this report was adopted and the Committee's recommendations were approved by the following vote: Aye, Mr. Herrick, Mr. Hickman, Mr. Livingston, Mr. McLaughlin, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Fornof, Mrs. Holt, Doctor Meyer, Mr. Nickell, Mr. Stevenson.
APPROVAL OF MINUTES

The Secretary presented the minutes of the meeting of December 28, 1950, press proof copies of which were sent to the Trustees in advance.

On motion of Mr. Livingston, these minutes were approved as printed on pages 481 to 514 inclusive.

SECRETARY'S REPORTS

GRADUATE FELLOWS
(The following appointments were made by the Dean of the Graduate College on the dates indicated in parenthesis.)

GODEJAHN, GORDON C., JR., Edward Orton Jr. Fellow, Ceramic Engineering, February 1-June 15, 1951, $500 (1-16-51).

TAYLOR, BABETTE, Postdoctoral Fellow, Bacteriology, two months beginning January 1, 1951, $600 (1-16-51).

RESIGNATIONS

AMBROSE, ROBERT H., Assistant, Surgery (Rush) (Medicine) — resignation effective 10-1-50.

BERMAN, EDWARD J., Assistant, Surgery (Rush) (Medicine) — resignation effective 1-1-51.

BOLAND, PATRICIA J., Research Assistant, Physics (C) — resignation effective 1-31-51.

BRENNAN, LAWRENCE E., Research Associate, Electrical Engineering (S) — resignation effective 1-20-51.

BURR, CORNELIA C., Instructor, Nursery School (Division of Special Services for War Veterans) — resignation effective 2-28-51.

CHIANG, SHIH-NANG, Fellow, Chemical Engineering — resignation effective 2-1-51.

COLE, IRA W., Assistant to the Director of the School of Journalism and Communications, and Counselor, Student Counseling Bureau — resignation effective 3-1-51.

COME, LOIS B., Research Assistant, Medicine (Medicine) — resignation effective 2-1-51.

CONWAY, WILLIAM J., JR., Instructor, Civil Engineering (C) — resignation effective 1-1-51.

CUSHMAN, JOHN R., Fellow, Mechanical Engineering — resignation effective 2-1-51.

FAHEY, JOHN J., Associate Professor, Orthopaedic Surgery (Medicine) — resignation effective 2-1-51.

FORREST, EARL A., JR., Bibliographer, with the rank of Instructor, in the Library — resignation effective 2-1-51.

FURUI, FAUSTO G., Research Associate, Physics (Graduate College) — resignation effective 1-27-51.

GIBSON, GLENN G., Clinical Instructor, Pediatrics (Medicine) — resignation effective 12-7-50.

HACK, RUDOLF W., Assistant, Obstetrics and Gynecology (Medicine) — resignation effective 1-1-51.
HALSEY, JAMES F., Research Assistant Professor, Fluid Mechanics (Theoretical and Applied Mechanics) (S) — resignation effective 2-15-51.

HILL, BERNARD W., Instructor, Mechanical Engineering (C) — resignation effective 3-1-51.

HILL, EDWARD J., Jr., Clinical Assistant, Surgery (Medicine) — resignation effective 1-1-51.

JACOBOWITZ, HERMAN, Fellow, Electrical Engineering — resignation effective 2-1-51.

JOHNSON, FRANK R., Assistant, Surgery (Rush) (Medicine) — resignation effective 7-1-50.

KIRK, SHERWOOD, Circulation Assistant, Library — resignation effective 2-5-51.

KNODELL, JOHN D., Jr., Instructor, Business Law (Business Organization and Operation) — resignation effective 3-1-51.

KULP, DONALD A., Assistant, Forest Utilization (Forestry) (S) — resignation effective 2-28-51.

MASSIE, GLEN E., Assistant, Forestry (S) — resignation effective 2-28-51.

McDOUGAL, THOMAS C., Clinical Assistant, Obstetrics and Gynecology (Medicine) — resignation effective 9-1-50.

MCLAUGHLIN, JOHN R., Assistant, Obstetrics and Gynecology (Medicine) — resignation effective 1-1-51.

MORTLAND, MAX M., First Assistant, Soil Physics (Agronomy) (S) — resignation effective 3-15-51.

NEWELL, GORDON F., Postdoctoral Fellow, Physics — resignation effective 1-15-51.

PETERSON, FRANK L., Research Assistant, Physics (C) — resignation effective 1-31-51.

PLACEK, CHESTER, Research Assistant, Physiology (Medicine) — resignation effective 1-20-51.

POLK, IRL H., Supervising Engineer, Institute of Aviation — resignation effective 2-1-51.

RIEGER, IRWIN T., Instructor, Urology (Rush) (Medicine) — resignation effective 11-1-50.

RIESEN, DONALD E., Research Assistant, Physics (C) — resignation effective 1-31-51.

SANDSTROM, GLENN A., Assistant, English — resignation effective 2-1-51.

SCHROEDER, MRS. PATRICIA B., Research Assistant, Chemistry (Graduate College) — resignation effective 2-15-51.

SCOTT, MERRILL B., Fellow, Physics — resignation effective 2-1-51.

SHUTTLEWORTH, ROY, Research Associate, Physics (C) — resignation effective 2-10-51.

STIKA, EDWARD A., Assistant, Surgery (Rush) (Medicine) — resignation effective 1-1-51.

STONE, PHILIP I., Instructor, Mechanical Engineering (C) — resignation effective 2-28-51.

TOLLISON, MARY E., Catalog Librarian, with the rank of Instructor (Undergraduate Division in Chicago) — resignation effective 3-15-51.

TOPPING, ALANSON D., Instructor, Theoretical and Applied Mechanics (C) — resignation effective 3-1-51.

TUCKER, JOHN L., Instructor, Labor and Industrial Relations (University Extension) and (Institute of Labor and Industrial Relations) — resignation effective 3-1-51.

WALLING, MARY LOU, Research Assistant, Bureau of Economic and Business Research — resignation effective 2-15-51.

WARZAK, BERNARD J., Instructor, Admitting Clinic (Dentistry) — resignation effective 1-1-51.

WEISS, KENNETH S., Assistant, Surgery (Medicine) — resignation effective 1-1-51.

WOOD, MRS. CORDELL H., Instructor, Mental Hygiene, and Clinical Psychotherapist (Health Service) — resignation effective 2-1-51.

LEAVES OF ABSENCE

CALLOWAY, NATHANIEL O., Clinical Assistant Professor, Medicine (Medicine) — leave of absence, without salary, February 16, 1951, and continuing until the end of the academic year, or until prior release from the Army.
Dallenbach, Frederick D., Assistant, Pathology (Medicine) — leave of absence, without salary, December 31, 1950-June 30, 1951, for military service.

Dangerfield, Royden, Professor, Political Science, and Director, Institute of Government and Public Affairs — leave of absence, without salary, January 22-February 10, 1951, for special services to the ECA.

Dawn, C. Ernest, Instructor, History — leave of absence, without salary, March 1-August 31, 1951, for military service.

Demers, Edward F., Assistant Professor, Electrical Engineering (C) — leave of absence, without salary, March 1-August 31, 1951, for development work on an electronic device related to national defense.

Dancerfield, Royden, Professor, Political Science, and Director, Institute of Government and Public Affairs — leave of absence, without salary, January 22-February 10, 1951, for special services to the ECA.

GRADUATE COLLEGE

Degree of Doctor of Philosophy

In Agricultural Economics
WARREN EUGENE COLLINS, B.S., Western Kentucky State Teachers College, 1947; M.S., 1948

In Animal Science
JAMES EDWARD CORBIN, B.S., M.S., University of Kentucky, 1943, 1947
FRED ALBERT DOBBS, B.S., Virginia Polytechnic Institute, 1937; M.S., Iowa State College, 1939

In Bacteriology
HERBERT MORITZ HIRSCH, B.S., M.S., 1947, 1949
HALLECK BURKETT WARREN, JR., B.S., St. Louis University, 1943; M.S., 1949

In Chemistry
EDWARD FAITH ELSLAGER, B.S., James Millikin University, 1947; M.S., 1948
KARL FREDRICH HEUMANN, B.S., M.S., Iowa State College, 1942, 1943
CHARLES JOHN HOFFMAN, B.S., Case School of Applied Science, 1942; M.S., 1948
RAYMOND HARDING MATTSON, B.S., University of Michigan, 1943
MACK HAROLD MCCORMICK, B.S., University of Kansas, 1948
JANET BROOKS PETERSON, B.S., University of Michigan, 1945; A.M., 1948
EDWARD FRANCIS CHARLES RIEKER, B.S., Ursinus College, 1947; M.S., 1948

In Civil Engineering
TUNG AU, B.S., St. John's University, 1943; M.S., 1948
PING-CHUN WANG, B.S., National Central University, 1943; M.S., 1948
CHIH-FANG WEI, B.S., St. John's University, 1945; M.S., 1948

In Economics
WILLIAM RALBERT BENNETT, A.B., Birmingham-Southern College, 1939; M.B.A., Louisiana State University, 1947
THOMAS CLINTON COBB, B.S., 1941; M.S., Miami University, 1947
JAMES ROBERT MADDOX, B.S., A.M., 1942, 1943
JAMES PRESTON PAYNE, JR., A.B., William Jewell College, 1942; A.M., Oklahoma Agricultural and Mechanical College, 1948

In Education
ARTHUR JOHN HOEHN, B.S., M.S., 1940, 1947

In Electrical Engineering
LAWRENCE EDWARD BRENNAN, B.S., M.S., 1948, 1949
YATES MICHEL HILL, B.S., United States Military Academy, 1942; M.S., 1949
Henry Peter Messinger, B.S., Oklahoma Agricultural and Mechanical College, 1943; M.S., Illinois Institute of Technology, 1946
Hung Shih Wu, B.S., National Central University, 1942; M.S., University of Michigan, 1946

In English
Constance Nicholas, A.B., Carthage College, 1935; A.M., 1936

In Entomology
Murray Irving Cooper, B.S., Cornell University, 1947; M.S., 1949
Edwin Wallace King, Jr., B.S., University of Massachusetts, 1941; M.S., Virginia Polytechnic Institute, 1947
Siegfried Eric Lienk, B.S., University of Idaho, 1942; M.S., 1947

In History
Gilbert Charles Kohlenberg, A.B., Shurtleff College, 1940; A.M., Washington University, 1942
Loraine Beatrice Pabst, B.S., Eastern Illinois State College, 1945; A.M., 1948
Robert Coplin Pugh, A.B., Eureka College, 1940; A.M., 1941

In Horticulture
Mahmoud Abdel Raouf Tayel, B.S., Fouad I University, 1938; M.S., 1949

In Mechanical Engineering
Ganpat Jaiwantrao Kamat, B.S., University of Calcutta, 1943; B.Eng., University of Bombay, 1946; M.S., 1949

In Metallurgical Engineering
Stanley Lyall Channon, B.Met.E., University of Melbourne, 1944; M.S., University of Utah, 1948

In Physico-Chemical Biology
Harry Charles Ehrmantraut, B.S., George Washington University, 1947; M.S., Georgetown University, 1948

In Physics
Lawrence Herman Lanzl, B.S., Northwestern University, 1943; M.S., 1947
Richard Edwin Norberg, A.B., DePauw University, 1943; A.M., 1947
Albert Jackson Saur, B.S., Michigan State College, 1944; M.S., 1947

KENNEY E. WILLIAMSON
President
On call of President Kenney E. Williamson, a special meeting of the Board of Trustees of the University of Illinois was held at the LaSalle Hotel, Chicago, Illinois, on Monday, March 12, 1951, beginning at 6:00 p.m.

The following members were present: President Williamson, Mr. Fornof, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Livingston, Doctor Meyer, Mr. Nickell, Mrs. Watkins.

Also present were: President George D. Stoddard, Provost C. R. Griffith, Vice-President A. C. Ivy; Messrs. Lloyd Morey, Comptroller, C. W. Weldon, Treasurer, and A. J. Janata, Secretary of the Board.

The meeting was called to order by President Williamson.

There being no unfinished business to consider from previous meetings, no reports and recommendations from the President of the University, no reports and recommendations from the President of the Board, Committees of the Board, or reports from other officers, the Board proceeded to consider items of new business.
MINUTES APPROVED
The Secretary presented the minutes of the meeting of the Executive Committee held on January 23, 1951, press proof copies of which had been sent to all members of the Board of Trustees in advance.

On motion of Mr. Herrick, these minutes were approved as printed on pages 515 to 532, inclusive.

RESOLUTIONS
Messrs. Fornof, Herrick, and Livingston offered resolutions expressing appreciation of the services of those members of the Board of Trustees whose terms of office will expire on March 13, 1951, and stated that these resolutions will be presented to the Board for adoption and official record at the annual meeting on that day.

On motion of Mr. Hickman, the Board adjourned.

ANNUAL MEETING

March 13, 1951

In accordance with the By-Laws of the Board of Trustees of the University of Illinois, the annual meeting of the Board was held in the LaSalle Hotel in Chicago, Illinois, on Tuesday, March 13, 1951, beginning at 10:30 a.m.

The following members were present: Mr. John R. Fornof, Mr. Harold E. Grange, Mr. Wirt Herrick, Mr. Robert Z. Hickman, Mrs. Doris S. Holt, Mr. Wayne A. Johnston, Mr. Park Livingston, Mr. Herbert B. Megran, Mr. Vernon L. Nickell, Mrs. Frances B. Watkins. Governor Adlai E. Stevenson was absent.

Also present were President George D. Stoddard, Provost C. R. Griffith, Vice-President A. C. Ivy, Mr. Ralph F. Lesemann, Legal Counsel-elect, Mr. J. F. Wright, Director of Public Information, Mr. Lloyd Morey, Comptroller, and Mr. A. J. Janata, Secretary of the Board.

MR. VERNON L. NICKELL ELECTED PRESIDENT PRO TEMPORE
Mrs. Holt nominated Mr. Nickell as President Pro Tempore. There being no other nominations, Mr. Nickell was unanimously elected President Pro Tempore and took the chair.

MR. PARK LIVINGSTON ELECTED PRESIDENT OF THE BOARD
Mr. Fornof nominated Mr. Livingston for the office of President of the Board for 1951-1952.

On motion of Mr. Hickman, the nominations were closed, and the Secretary was instructed to cast the unanimous vote of the meeting for Mr. Livingston as President. The ballot was cast, and Mr. Livingston was declared elected President of the Board for the year 1951-1952.
Mr. Livingston took the chair and expressed his appreciation of the honor of his election.

**MR. A. J. JANATA ELECTED SECRETARY**

On nomination of Mr. Hickman and on motion of Mr. Nickell, the Comptroller of the Board was instructed to cast the unanimous vote of the meeting for the election of Mr. A. J. Janata as Secretary for 1951-1952.

**MR. LLOYD MOREY ELECTED COMPTROLLER**

On nomination of Mr. Herrick, seconded by Mrs. Holt, and on motion of Mr. Johnston, the Secretary was instructed to cast the unanimous vote of the meeting for the election of Mr. Morey as Comptroller for 1951-1952.

**EXECUTIVE COMMITTEE ELECTED**

Mr. Fornof nominated Mr. Megran, and Mr. Nickell nominated Mrs. Watkins to serve with the President of the Board as members of the Executive Committee for 1951-1952. The nominations were seconded by Mr. Johnston.

On motion of Mr. Hickman, the nominations were closed, and the Secretary was instructed to cast the unanimous vote of the meeting for Mr. Megran and Mrs. Watkins as members of the Executive Committee. The ballot was cast, and Mr. Megran and Mrs. Watkins were declared elected.

**MR. C. W. WELDON ELECTED TREASURER**

Mr. Hickman nominated Mr. C. W. Weldon of Chicago for the office of Treasurer of the University for two years.

On motion of Mr. Nickell, the nominations were closed, and the Secretary was instructed to cast the unanimous vote of the meeting for Mr. Weldon. The ballot was cast, and Mr. Weldon was declared elected Treasurer of the University for two years and until his successor shall have been elected and has qualified for this office.

**TREASURER’S BOND**

On motion of Mr. Nickell, the amount of the Treasurer’s bond was fixed at $5,000,000.

On motion of Mr. Johnston, the Finance Committee was instructed to examine the bond and to report on the same to the Board.

**AUTHORITY TO RECEIVE MONEYS**

On motion of Mr. Herrick, the following resolution was adopted:

Resolved, that the Treasurer of the Board of Trustees of the University of Illinois be, and he hereby is, authorized to receive and receipt for all moneys, and to endorse all orders, drafts, and checks due and payable to the Board of Trustees or to the University of Illinois, and especially all drafts drawn by the Treasurer of the United States payable to the Board of Trustees or the University of Illinois.

**DELEGATION OF SIGNATURES**

On motion of Mr. Fornof, the following resolution was adopted:

Resolved, that the President and the Secretary of the Board of Trustees of the University of Illinois are authorized to delegate the signing of their names as President and Secretary, respectively, to vouchers to be presented to the State Auditor, and to warrants drawn on the Treasurer of the University, under the following conditions.

The President of the Board of Trustees is authorized to delegate to C. H.
Pratt, to L. M. Dahlenburg, and to W. D. Green in Urbana, and to H. A. Hazleton, to G. H. Pontious, and to H. O. Albers in Chicago, to H. R. Kobes and to Mabel F. Meek in Springfield, authority to sign his name as President of the Board of Trustees to vouchers against the State Auditor; and to C. C. DeLong, to R. W. Zimmer, and to R. F. Wood in Urbana, and to H. A. Hazleton, to G. H. Pontious, and to H. O. Albers in Chicago, authority to sign his name to warrants on the University Treasurer covering vouchers approved in accordance with regulations approved by the Board.

The Secretary of the Board of Trustees is authorized to delegate to Maude Archdeacon, to Everett G. Smith, and to Helen L. Smith in Urbana, and to G. R. Moon, to Ethel Engeljohn, to Helen Wyle, and to Velma M. Davis in Chicago, authority to sign his name as Secretary of the Board of Trustees to vouchers against the State Auditor and to warrants on the University Treasurer, covering vouchers approved in accordance with regulations of the Board. The Secretary of the Board of Trustees is authorized to delegate to Mrs. Freda M. Hicks and to Lean C. Ryan in Springfield, authority to sign his name as Secretary of the Board of Trustees on vouchers against the State Auditor approved in accordance with the regulations of the Board. And be it further

Resolved, that the First National Bank of Chicago as a designated depository of C. W. Weldon, Treasurer of this corporation, be and it (including its correspondent banks) is hereby requested, authorized, and directed to honor checks, drafts, or other orders for the payment of money drawn in this corporation's name, including those drawn to the individual order of any person or persons whose name or names appear thereon as signer or signers thereof, when bearing or purporting to bear the facsimile signatures of the two following: Park Livingston, President, and A. J. Janata, Secretary; and the First National Bank of Chicago (including its correspondent banks) shall be entitled to honor and to charge this corporation for all such checks, drafts, or other orders, regardless of by whom or by what means the facsimile signature or signatures thereon may have been affixed thereto, if such facsimile signature or signatures resemble the facsimile specimens duly certified to or filed with the First National Bank of Chicago by the Secretary or other officer of this corporation. And be it further

Resolved, that the Auditor of Public Accounts is hereby authorized and directed to honor vouchers bearing facsimile signatures of the President and Secretary of the Board of Trustees of the University of Illinois if such facsimile signatures resemble the facsimile specimens duly certified to or filed with the Auditor of Public Accounts by the Secretary.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following reports and recommendations from the President of the University.

AWARD OF CERTIFICATES OF CERTIFIED PUBLIC ACCOUNTANT

(1) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

TINDALL CASHION (Calif.)  HAROLD EVANS (Calif.)  ROBERT JOHNSON
ALLAN CLIVE GEORGE (N.Y.)  ISADORE EDWARD MENCOFF
WILLIAM FRANK HARRIS (Calif.)  WFXSS (D.C.)  HARRIS BERNARD
CAMERON DELOSS HUDGELSTONE (Tenn.)

I concur.

On motion of Mr. Nickell, these certificates were awarded, as recommended.

APPOINTMENTS TO THE FACULTY

(2) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. Ross J. Martin, change in status from Associate Professor of Mechanical Engineering (A) to the position of Associate Professor of Mechanical Engineering (AY) and Associate Director of the Engineering Experiment Station (DY), beginning February 1, 1951, at an annual salary of $7,500.

2. Jack Walter Peltason, Assistant Professor of Political Science, beginning September 1, 1951, at an annual salary of $4,800 (B).

3. Gladys Pugh Whorton, Assistant Professor of Education, beginning February 1, 1951, at an annual salary of $5,200 (G).

On motion of Mr. Johnston, these appointments were confirmed.

SABBATICAL LEAVES OF ABSENCE, 1951-1952

(3) I recommend that the following members of the staff be given sabbatical leaves of absence during the academic year 1951-1952 in accordance with the provisions of the University of Illinois Statutes and on the terms and for the periods indicated.

The programs of research, study, and travel for which these leaves are requested have been examined by the University Research Board which advises the President in such matters. The Research Board's report to the President includes an evaluation of the program in terms of benefits to the University and to the individual.
Leaves of Absence for the Full Academic Year on One-Half Pay

JOHN R. FREY, Associate Professor of German, with the option of changing to leave for the first semester on full pay

PHILIP KOLB, Assistant Professor of French, with the option of changing to leave for the first semester on full pay

ELMER I. LOVE, Professor of Architecture

LELAND SHANOR, Professor of Botany

Leaves of Absence for One-Half Year on Full Pay

ROGER H. BRAY, Professor of Soil Fertility, six months from January 1, 1952

WILBUR D. BUDEMEIER, Assistant Professor of Farm Management, six months from September 1, 1951

RAYMOND B. CATTELL, Research Professor of Psychology, six months, the precise time to be arranged with the approval of the Department

THOMAS K. CURRINGTON, Professor of Physical Education for Men, second semester

JOHN H. GARLAND, Professor of Geography, first semester

RICHARD R. KUDO, Professor of Zoology, first semester

EMIL W. LEHMANN, Professor of Agricultural Engineering and Head of the Department, six months from September 1, 1951

M. EVANS MUNROE, Assistant Professor of Mathematics, first semester

RICHARD MURPHY, Associate Professor of Speech, second semester

MRS. ESTHER H. RAPP, Assistant Professor of English, one semester, the time to be determined by the needs of the Department

FRED A. SHANNON, Professor of History, first semester

CLIFFORD H. SPRINGER, Professor of General Engineering Drawing, first semester

PAUL H. TRACY, Professor of Dairy Technology, six months from March 1, 1952

WALDEMAR J. TRITZINSKY, Professor of Mathematics, second semester

The total number of leaves recommended is nineteen; twenty-four were approved for the year 1950-1951.

On motion of Mr. Hickman, these leaves were granted as recommended.

APPOINTMENTS TO THE BOARD OF DIRECTORS OF THE ATHLETIC ASSOCIATION

(4) I submit the following nominations for reappointment and two new appointments to the Board of Directors of the University of Illinois Athletic Association to become effective March 13, 1951, and continuing until the annual meeting of the Board of Trustees in 1952:

Faculty

PAUL N. LANDIS, Professor of English

ROBERT G. BONE, Professor of History, Director of the Division of General Studies, and Director of the Division of Special Services for War Veterans

LESLEY A. BRYAN, Professor of Management and Director of the Institute of Aviation

CHARLES H. BOWMAN, Assistant Professor of Law (new appointment)

Alumni Association

HARRY E. SCHLENZ, Class of 1927, Vice-President of the Pacific Flush Tank Company, 4241 Ravenswood Avenue, Chicago

ROBERT W. RIEGEL, Class of 1937, Implement Dealer, Tolono, Illinois (new appointment)

Professor Bowman replaces Professor Charles W. Sanford of the College of Education and Mr. Riegel replaces Mr. Milton M. Olander, both of whom have served on the Board since March, 1946. All the others are reappointments.

On motion of Mr. Grange, these directors were appointed.
ADJUSTMENTS IN SALARIES OF ATHLETIC ASSOCIATION PERSONNEL

The Board of Directors of the Athletic Association recommends adjustments in the salaries of various members of the staff of the Association in accordance with a schedule, copies of which are hereby filed with the Comptroller and the Secretary of the Board for record as amendments of the budget of the Association for the current fiscal year beginning July 1, 1950.

The Board of Directors recommends that these changes, and changes in subsequent years, be effective on March 1. The financial condition of the Association for any given year is definitely known on that date, and not at the beginning of the fiscal year.

I recommend that these adjustments be approved effective March 1, 1951, and that in the future changes in salaries and wage scales of Athletic Association personnel be made as of March 1 each year instead of July 1.

On motion of Mr. Hickman, these adjustments in salaries were approved as recommended.

HEARING COMMITTEE ON DISCHARGE OF PATRICK J. MAY

Under the Civil Service law and rules, written charges as grounds for discharge have been filed by the Director of Nonacademic Personnel against Patrick J. May, Plant Operating Engineer in the Physical Plant Department of the Chicago Undergraduate Division at Navy Pier, and Mr. May was served with notice of the same on February 23, 1951. He has requested a hearing and is entitled to the same.

It is recommended that a Committee be appointed to hear the charges and to make a recommendation to the Board.

On motion of Mr. Hickman, the appointment of a Hearing Committee on the discharge of Patrick J. May was approved as recommended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

President Livingston announced that he was appointing the following Committee:

ROBERT P. HACKETT, Associate Dean of Commerce and Business Administration and Professor of Accountancy, Chicago Undergraduate Division

HAROLD W. BAILEY, Associate Dean of Liberal Arts and Sciences and Professor of Mathematics, Chicago Undergraduate Division

WARREN O. BROWN, Dean of Men and Counselor in the Division of Special Services for War Veterans, Chicago Undergraduate Division

CHARLES H. BOWMAN, Assistant Professor of Law, Urbana

J. FRED KNIGHT, Purchasing Agent, Chicago Colleges

RECOMMENDATION CONCERNING KATSINAS LEASE OF RESTAURANT SPACE IN THE ARCADE BUILDING

At the meeting on January 23, 1951, the Executive Committee of the Board of Trustees concurred in the recommendation of the Buildings and Grounds Committee "that it desires to achieve a mutually agreeable termination of the (Katsinas) lease."

Following conferences between the representative of the Katsinas estate (Mr. Norval Hodges) and representatives of the University (Mr. Lloyd Morey, Comptroller, and Mr. Charles S. Havens, Director of the Physical Plant), Mr. Hodges offered to terminate the lease at the earliest date acceptable to the University on receipt of payment for the unamortized value of the equipment and improvements at the date of termination. As of March 1, 1951, the required payment would be $67,813.39.

Since the leased space will become available to the University in any event on August 31, 1952, consideration of this offer should be based upon the answers to two questions: (a) Does the University have a substantial need for this space
and restaurant equipment prior to August 31, 1952? (b) If such a need were established, would the sum of $67,812.39 be a fair price?

For the reasons given in the attached memorandum, I concur in the judgment of the Comptroller and the Director of the Physical Plant that the answer to both these questions is "No."

I recommend, therefore, that the Katsinas lease be allowed to expire at the termination date of August 31, 1952.

On motion of Mr. Johnston, the recommendation that this lease be allowed to expire at the termination date of August 31, 1952, was approved.

APPROPRIATION FOR VETERINARY CLINIC REVOLVING FUND

(8) The internal budget for 1950-1951 includes an appropriation of not to exceed $15,000 to the College of Veterinary Medicine from income of its Veterinary Clinic. Receipts for the eight months ending February, 1951, have been $21,658.

The appropriation of $15,000 has been exhausted, and an additional appropriation is needed. The revised estimate of income for the fiscal year 1950-1951 is $25,000.

The Dean of the College recommends, and the Comptroller concurs, an additional appropriation up to $10,000, but not in excess of actual receipts, for this fund for the current year, for operating expenses of the Clinic.

I concur.

On motion of Mr. Nickell, this additional appropriation was made as recommended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

RELEASE OF FUNDS FOR BUILDINGS AND OTHER CAPITAL IMPROVEMENTS

(9) The Governor has approved the following releases of funds from appropriations made to the University of Illinois for 1949-1951 for buildings and other capital improvements.

**Release No. 59**

"For Permanent Improvements at Urbana-Champaign — Additions to Power and Heating Plant and remodeling of existing buildings"........ $ 9,252

This is a partial release from an appropriation of $1,215,000. The Governor has previously released (Releases Nos. 6, 13, 14, 16, 23, 24, 30, 36, 42, 53, and 58) $1,194,022 from this appropriation. The funds now released are for additional work in connection with this appropriation.

**Release No. 60**

"For Permanent Improvements at Urbana-Champaign — Additions to Power and Heating Plant and remodeling of existing buildings"........ 10,826

This is the final release from an appropriation of $1,215,000. The Governor has previously released (Releases Nos. 6, 13, 14, 16, 23, 24, 30, 36, 42, 53, 58, and 59) $1,204,174 from this appropriation. The funds now released are for additional expenditures in connection with the completion of the additions to the Power and Heating Plant and the remodeling of existing buildings at Urbana-Champaign.

**Release No. 61**

"For Equipment for buildings at Urbana-Champaign and Chicago"........ 34,500

This is a partial release from an appropriation of $680,000. The Governor has previously released (Releases Nos. 2, 18, 40, 43, 44, 49, 50, and 56) $227,733.05 from this appropriation. The funds now released are for the purchase of electrical equipment for the Abbott Power Plant at Urbana-Champaign.

I recommend that these funds be appropriated by the Board for the purposes indicated.

On motion of Mr. Fornof, these funds were appropriated, as recom-
mended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

**THE BEQUEST OF GEORGE A. MILLER**

(10) Dr. George A. Miller, Professor of Mathematics, Emeritus, died on February 10, 1951, leaving a will which includes the following bequest to the University:

> "In the event that my said wife, Cassandra A. Miller, shall not survive me, then and in that event all the rest, residue and remainder of my estate, real, personal and mixed, of whatsoever kind and character and wheresoever situate, of which I am seized or possessed at the date of my death, I give, devise and bequeath unto the University of Illinois, a public corporation of the State of Illinois, to be by said University of Illinois held and invested, the income and the principal, or any part thereof, to be used by said University of Illinois for educational purposes, in such manner as the Board of Trustees of said University of Illinois shall determine; provided, however, that the use of said trust estate, or the income therefrom, shall be for other than current general operating expenses."

Mrs. Miller predeceased Professor Miller and there are no children. The will set up a trust estate for the benefit of Mrs. Miller so that she would have the entire net income during her lifetime but since she did not survive Professor Miller the entire net estate — real, personal, and mixed — is bequeathed to the University. There are no other bequests. Mr. Marc C. Norton, Vice-President of the First National Bank in Champaign, is designated in the will to serve as executor of the estate although he has not yet been formally appointed by the Court. His petition to the County Court of Champaign County presenting the will for probate states that the approximate value of the estate is as follows: real estate not to exceed in value, $8,000; personal estate not to exceed in value, $750,000.

I am reporting this for the official information and records of the Board.

This report was received for record. On motion of Mr. Johnston, the Executive Committee was empowered to represent the interests of the University and to take any actions necessary.

**JOHN T. RUSHER SCHOLARSHIP FUND**

(11) Floyd E. Rusher and Dorette J. Rusher of Peoria, Illinois, have established a scholarship trust, naming the Commercial National Bank of Peoria, Illinois, as Trustee. Mr. and Mrs. Rusher are the parents of John T. Rusher who died while in the service of his country, and the trust is established in his memory.

Article VI of such trust provides as follows:

**Payments of Income**

> "The Trustee shall pay the income of the Trust Estate to the Board of Trustees of the University of Illinois, for the purpose of providing for scholarships or scholarships to be awarded by the University on the basis of scholastic promise, character, and financial need. In awarding scholarships, where the choice of the Board of Trustees of the University of Illinois, or of the Scholarship Committee designated by them, shall lie between one or more students of approximately equal merit, it is the preference of the Grantors that the award be made to that student whose home shall be in Peoria or Tazewell County."

Mr. Rusher has transformed one hundred shares of S. S. Kresge Company stock, with a present value of approximately $3,000, to the trustee. He indicates that he will probably make other additions to the principal of the trust fund, and he also plans to make contributions to the income account of the trust so that there will be an appreciable amount available for scholarships at the beginning of the 1951-1952 academic year.

The Comptroller and the Chairman of the Committee on Special Undergraduate Scholarships recommend the acceptance of this gift for the purposes indicated, and authorization to accept further gifts of principal and income.

I concur.

On motion of Mr. Hickman, this gift was accepted, and authority was given as recommended.
STIVEN HOUSE

(12) The Acting Director of the School of Music and the Dean of the College of Fine and Applied Arts recommend that the house at 708 South Mathews Avenue, Urbana, recently purchased by the University as an annex to Smith Music Hall, be named Stiven House as a memorial to the late Professor Frederic B. Stiven, who was Director of the School of Music from 1921 until his death in January, 1947.

I concur.

On motion of Mr. Herrick, this recommendation was approved.

CONTRACT FOR REMODELING IN RESEARCH AND EDUCATIONAL HOSPITALS

(13) The Director of the Physical Plant and the Comptroller recommend the award of a contract for $27,700 to the Perry Construction Company, Inc., Chicago, the lowest bidder, for remodeling in the Research and Educational Hospitals to provide an Orthopaedic Sun Porch. The remodeling of presently unused space will provide eight additional hospital beds.

A recommendation for an appropriation of $35,000 to cover this contract and related work is being presented separately. Subject to the approval of this appropriation, I recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Holt, this contract was authorized as recommended.

CONTRACT FOR SITE DEVELOPMENT FOR VETERINARY MEDICINE BUILDING

(14) The Director of the Physical Plant and the Comptroller recommend the award of a contract for $20,050 to the General Paving Company, Champaign, the lowest bidder, for site development for the new Veterinary Medicine Building, including construction of court and driveway pavement, sidewalks, and finishing north edge of the Pennsylvania Avenue pavement, with the provision that finished grading may be added to the contract later.

Funds are available in the state appropriation for this building.

I concur.

On motion of Mr. Johnston, this contract was authorized as recommended.

CONTRACT FOR LANDSCAPING OF STUDENT AND STAFF APARTMENTS GROUNDS

(15) The Director of the Physical Plant and the Comptroller recommend award of a contract for $6,000 to Irving L. Peterson, Champaign, the lowest bidder, for landscaping the grounds of the Student and Staff Apartments at Urbana. The work will include grading, seeding, and planting of nursery stock.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was authorized as recommended.

CONTRACT FOR ENGINEERING CONSULTING SERVICES

(16) The Physical Plant Department occasionally needs the assistance of a consulting mechanical engineer on small construction projects. The Director requests authority to employ E. C. Manthei, Champaign, as a consulting engineer on minor projects as needed on the basis of 6 per cent of the cost of the work done by him in preparation of plans and specifications and an additional 2 per cent of the cost if it is desirable to employ him to supervise the work under construction.

I concur.

On motion of Mr. Nickell, this contract was authorized as recommended.
ARCHITECTURAL SERVICES FOR ADDITION OF A THIRD FLOOR TO MINING AND METALLURGICAL LABORATORY

The space problem in the Department of Mining and Metallurgical Engineering is the most critical in the College of Engineering. The personnel in this department has been strengthened and it is now in a position to develop a research and instructional program commensurate with recent advances in that field of engineering. It also appears likely that expansion of the military research program will make substantial government funds available. The added space must be contiguous to the other facilities of the Department.

Fortunately the Mining and Metallurgical Laboratory was designed to carry an additional floor. The Committee on Nonrecurring Appropriations has reviewed preliminary estimates of cost of adding a floor to this building and approved it in principle. It is now necessary to have the architectural and engineering work done on this project, so that a firm estimate and bids can be obtained.

The project is one that can well be handled by a local architectural firm, and the Physical Plant Department recommends that Berger and Kelly, Architects, Champaign, be engaged for professional services. They offer to provide the needed services on the basis of 4½ per cent for services through the working drawing and specifications stage and 6 per cent for the complete services.

The Director of the Physical Plant and the Comptroller recommend that an appropriation of $5,000 be made for architectural services with the understanding that further appropriations will be necessary as the project goes forward, and that the firm of Berger and Kelly, Architects, Champaign, be engaged for these services under the above conditions.

I concur and recommend approval.

On motion of Mr. Herrick, this appropriation was made, and authority was given as recommended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

CHANGE IN CONTRACT FOR ARCHITECTURAL SERVICES ON REMODELING OF PHYSICAL PLANT SERVICE BUILDING

On November 19, 1948, the Board of Trustees approved a contract with Holabird and Root and Burgee, Chicago, for architectural services on remodeling of the Physical Plant Service Building (old boilerhouse) at a maximum fee of $15,000. On October 26, 1950, the Board increased this maximum by $2,263.

Additional remodeling in this building is needed for the Control Systems research project. The Director of the Physical Plant and the Comptroller recommend an increase in the contract with Holabird and Root and Burgee for additional services on the basis of the original terms of 6 per cent of the total cost of the work handled by them for complete services, and 4½ per cent if carried through the working drawing and specifications stage only.

The total estimated cost of the remodeling is $170,000. It will give us substantially a new research building.

The Board on February 15, 1951, appropriated the necessary funds.

I concur and recommend that the Comptroller be authorized to execute this change in the contract.

I also recommend that the name of this old boilerhouse section of the building be given the official name of Engineering Research Laboratory. This has the concurrence of all University officers concerned.

On motion of Mr. Johnston, authority was given and the name was approved, as recommended.

ADDITION TO ELECTRICAL CONTRACT FOR CONSTRUCTION OF EXTENSIONS OF UTILITIES DISTRIBUTION SYSTEM

On July 25, 1950, the Board of Trustees approved award of a contract to the Square Deal Electric Company, Urbana, for the electrical distribution cable, load center equipment, and miscellaneous work incidental to the construction of the Animal Sciences Laboratory and the Veterinary Medicine Building.
A discrepancy in the field measurements furnished to the contractor resulted in a section of cable being too short to fit the actual field conditions. The Square Deal Electric Company has agreed to replace this section of cable and to deliver to the University the section of cable valued at $1,400 not used. This cable section can be used by the University elsewhere.

The Director of the Physical Plant and the Comptroller recommend an increase of $1,669.80 in this contract to provide for this additional section of cable.

Funds are available in the state appropriation for "Construction of extensions to the Utility Distribution Systems."

I concur.

On motion of Mr. Johnston, authority was given as recommended.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(21) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

**Chicago Professional Colleges**

1. Remodeling on fourth floor of the Orthopaedic Wing of the Research and Educational Hospitals................................................. $35,000
2. Architectural services for minor items of remodeling.......................... 2,500
3. Purchase of a safe for the Business Office............................................. 1,000
4. Purchase of centrifuge and accessory equipment for Aeromedical and Physical Environment Laboratory........................................... 2,400

**Urbana-Champaign Campus**

5. Equipment for solid state research group in the Department of Physics 23,000
6. Improved lighting in the Hall of Casts in the Architecture Building........ 4,400
7. Remodeling of 1005 West Nevada Street for the Psychological Clinic........ 2,700
8. Remodeling of 601 East John Street for Department of Speech............. 2,500
9. Construction of an area on the Animal Sciences Laboratory roof for the study of stars and planets, Division of General Studies and Department of Astronomy........................................... 2,500
10. Remodeling to provide additional office space in the Armory, this assignment to be made from funds budgeted for nonrecurring equipment and remodeling expenses........................................... 1,930

I recommend that these appropriations be made from the General Reserve Fund, except as indicated in the last item.

On motion of Mr. Johnston, these appropriations were made, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

REPORT ON THE CONTROVERSY WITH THE WARNER CONSTRUCTION COMPANY

(23) On February 14, 1951, Mr. T. L. Warner, President of the Warner Construction Company, Mr. Lowell A. Lawson, Attorney for the Warner Construction Company, and Senator Peter J. Miller appeared, without prior notice to University authorities, at a meeting of the Illinois Budgetary Commission in Springfield. They all charged that the University of Illinois was evading payments on the contract for the Lincoln Avenue Residence Halls. Similar statements had been made in writing to members of the Board of Trustees on February 5, 1951, by Mr. T. L. Warner.
In addition to asserting that the University of Illinois does not pay its bills, the Warner Construction Company on both occasions has claimed damages of approximately $247,000 beyond the payments allegedly due on contracts.

It is not my intention to present a legal brief but simply, at the request of the members of the Board present at the meeting on February 15, to outline the principal events and to state the University's position.

In preparing this report I have depended upon the records and statements of Mr. C. S. Havens, Director of the Physical Plant; Mr. E. L. Stouffer, Architect; Mr. John Doak, Superintendent of Buildings and Grounds; Mr. Lloyd Morey, Comptroller; Mr. W. E. Britton, Professor of Law (former Legal Counsel); and Judge John H. Armstrong, special counsel for the University in this matter. However, they are not responsible for this report.

This report is in two parts:

I. The cost-plus contract for the Lincoln Avenue Residence Halls
II. The fixed price contract for the Utilities Distribution System

For the cost-plus case (I), I shall present
A. A Digest of the Contract
B. Financial and Contractual Facts
C. Actions of the University of Illinois
D. Actions of the Warner Construction Company
E. Claims and Counterclaims
F. The Way the Warner Construction Company Can Get Its Money

Since the difficulties under II would constitute a wearisome duplication of I, I shall cover them in a briefer note.

I. CONTRACT WITH WARNER CONSTRUCTION COMPANY — LINCOLN AVENUE RESIDENCE HALLS

A. Digest of the Contract, Lincoln Avenue Residence

1. Contract provides that the contractor shall perform general work covered by the architects' plans and specifications, instructions to bidders, and the contractor's proposal of December 6, 1946.

2. Due to fund limitations, contract work is divided into two parts: Part 1 for foundation and site clearance and work incidental thereto; Part 2, conditioned upon receipt of state appropriation by August 1, 1947, covered the completion of general contract work.

3. Completion date for Part 1 was June 28, 1947.

4. Completion date for Part 2 based on the Warner Construction Company's proposal was defined as 365 days after authorization to proceed. (Since this authorization to proceed with Part 2 was dated July 16, 1947, the required completion date became July 16, 1948.)

5. Contract price is defined as the actual cost, plus a fixed fee for contractor's profit and overhead, the sum of which shall not exceed a guaranteed maximum cost. Any savings under the guaranteed limit are to be divided 75 per cent to the owner and 25 per cent to the contractor. The guaranteed limit for Part 1 is $180,000, Part 2 $1,820,000. Of the $2,000,000, $190,000 is defined as the contractor's fee, subject to adjustment on the basis of change orders issued.

6. Payments to the contractor to be based on contractor's request, supported by payroll data, invoices, and receipted bills, approved by the architects and the University Auditor.

7. Payment to the contractor is to be made within 30 days after the issuance of architects' certificates.
   a. Overtime and incentive pay, except insofar as overtime may be necessitated by emergency, is subject to the approval of the architects.

8. Payments on the contractor's fee limited to 10 per cent of the earned fee until time of final payment.

9. Final payment is subject to architects' approval of the work and submission by the contractor of satisfactory evidence that all charges for labor, materials, and other indebtedness in connection with the contract have been paid.

10. Conditions under which the contractor may be entitled to an extension of time are defined, but claims thereunder must be presented in writing within seven days after commencement of such delay.

11. Conditions defined under which the owner may, or may not, satisfy indebtedness should the contractor allow indebtedness to accrue.

12. Matters of dispute between the two parties to the contract shall be referred to
the architects. In the event either party is dissatisfied with the architects' decision, they may demand arbitration. Arbitration procedure is precedent to any right of action, legal or equitable. Decisions by the arbitrators are binding as to facts but not as to law.

13. The contract contains the usual provisions with reference to compliance with laws, cooperation with other contractors, rejections of defective work, assignment of contract, access to the site, etc.

14. The instructions to bidders and the contractor's proposal were included and made part of the contract.

B. Financial and Contractual Facts

1. The guaranteed maximum contract with approved contract change orders, including $192,388 for the original fixed fee adjusted for approved contract change orders, is $2,011,611. (The original contract was $2,000,000.)

2. The unpaid balance under the contract is $254,633.

   Under the provisions of this contract, payments to the Warner Construction Company are made on the receipt of evidence of payments, plus waivers of lien. The Warner Construction Company has not requested payment since January 28, 1950, for any of its own expenditures or payments to subcontractors.

3. The fixed fee of the contractor will be materially invaded by construction costs exceeding the original estimates.

4. Contractor declared in default.

   In a letter dated June 28, 1948, addressed to the Board of Trustees, the Warner Construction Company demanded that the time fixed under the terms of its contract be extended for a period equivalent to the time lost by reason of 14 claimed causes for delay and for not less than six months.

   The Board of Trustees on July 21, 1948:
   a. Denied the alleged charges for delay.
   b. Denied the request for extension.
   c. Declared the Warner Construction Company in default under the terms of its contract.

   The Warner Construction Company and the bonding companies were notified of the above action on July 24, 1948.

5. Unpaid University invoices.

   Unpaid University invoices to the Warner Construction Company for services performed at the request of the Warner Construction Company total $7,001.

6. Unsettled contract change orders.

   Additional work has been completed but not authorized by contract change orders because of controversy on price.

7. Settled claim on contract change order.

   A change concerning grading, sidewalks, and driveways on which the contractor requested $19,086 was settled by negotiation in the amount of $12,870 and approved as recommended by the special committee (Mr. Williamson and Mr. Stoddard) on July 28, 1949.

8. Status of expenditures from state appropriations.

   State appropriated funds have been completely expended. Balance of payments due under the contract will be made from borrowed funds.

   The University has received letters and telephone calls from subcontractors who have completed their work, but who have indicated they have not been paid by the Warner Construction Company. The University, however, has not received from the Warner Construction Company requests for reimbursement for final payments to such subcontractors.

10. Amount withheld under the contract.

   In the course of payments to the contractor, the University Auditor and the architects' representatives have found it necessary to delete from the contractor's requests for payment, $70,342. Of this amount approximately $48,000 is reimbursable when submitted in accordance with the terms of the contract and consists of:
   a. Subcontract work performed by the Warner Construction Company's own forces without approval of the architects.
   b. Subcontract work billed where, due to actions of the contractor, approved subcontracts were not available to the auditor.
   c. Equipment used without approval of rental or use agreements by the architects.
d. Invoices not receipted or in proper form.
e. Wages and subsistence pay not previously approved by the architects.
f. Pro rata share of the second superintendent's salary when division is submitted to and is approved by the architects.
g. Miscellaneous items.
h. Deduction—unsettled credit for tree removal.

11. Approximately $22,000 is considered to be an improper charge under the contract and consists of the following:
a. Mr. Luedeking's salary disapproved as being a main office expense included in the contractor's fee.
b. Overcharges on equipment rentals and repairs and maintenance included in the rental charge.
c. Wages and subsistence pay not approved.
d. Miscellaneous improper charges.

12. Status of construction work.
a. All work under the general contract has been completed and approved for acceptance as of May 15, 1950.
b. The architects have established the date of substantial completion of the building construction as of September 10, 1949. The student rooms were occupied September 14, 1949.

C. Actions of the University of Illinois
1. On November 22, 1946, prior to the request for bids, the proposed cost-plus fixed fee contract with guaranteed maximum and provision for dividing savings was approved by the Board of Trustees.
2. Bids were received on December 6, 1946.
3. A letter was received from Mr. T. L. Warner, following a conversation with Mr. E. L. Stouffer, offering to "modify the condition as to division of savings from a 50/50 division between the contractor and the University to 25 per cent for the contractor and 75 per cent for the University of Illinois."
4. On December 28, 1946, the Board of Trustees awarded the contract to the Warner Construction Company on the basis of its low bid ($180,000 for site clearance and foundation work plus $1,820,000 for completion of the building; subject to the availability of legislative appropriation).
5. On December 28, 1946, a letter of intent, as requested by Mr. Warner, was submitted by the Comptroller on behalf of the University.
6. In spite of repeated urgings on the part of the University, much time was required to settle the details of the written contract to the satisfaction of all parties.
7. The University's Legal Counsel (Mr. Britton) regarded the inclusion of the clause giving the University the right to allow or disallow the payment of premium wage rates as entirely proper and pointed out that the Warner Construction Company in signing the contract had agreed to all its clauses.
8. For obvious reasons, the University was anxious to see the work move forward. A failure to have it completed approximately on time would have upset the housing plans of the University and would have seriously inconvenienced over 500 young women.
9. Contrary to statements made in Springfield on February 14 by representatives of the Warner Construction Company, the percentage division of savings in the contract was made at the request of Mr. Warner and prior to the acceptance of the Warner bid by the Board of Trustees. Hence, the loss of savings resulting from delays in performance by the Warner Construction Company was three times as much for the University as for the Company.

D. Actions of the Warner Construction Company
Some of the actions of the Company have been indicated above. I am now referring principally to operations of the Company which, in the judgment of our supervisors and architects, contributed to inefficiency.
1. Subcontract work was performed on the site without the approval of the architect and without knowledge of the terms on the part of the University Auditor.
2. There was delay in the execution of subcontract agreements.
3. There was delay in preparing a workable progress schedule.
4. The contractor continued to pay incentive wages to local bricklayers after the practice was disapproved by the architects. (See contract.) Subcontractors at times had large sums overdue from the Warner Construction Company—and perhaps this is still true.
5. The Warner Construction Company attempted improperly to transfer charges from the fixed price tunnel contract to the cost-plus Women's Residence Hall contract. (For example: The entire salary of the General Superintendent and of the Second Superintendent on the two jobs; office and clerical employees working on both jobs; assembly of equipment for the tunnel job; freight charges; also equipment, materials and supplies were transferred to the tunnel job without furnishing adequate records to the Auditor.)

E. Claims and Counterclaims

I do not know what the latest total claim of the Warner Construction Company may be, for such claims have varied from time to time. From the letter of February 5, 1951, from Mr. T. L. Warner to Mr. Kenney E. Williamson, it appears that the Warner Construction Company claims that it has "sustained damages in the sum of $247,404.07 as the result of illegal and unconstitutional acts and actions of the University of Illinois." Furthermore, while claiming all amounts due under the contract (approximately $254,000 on the cost-plus contract for the Residence Hall and $1,000 on the fixed price contract for the tunnel system), the Warner Construction Company refuses to submit the evidence on which payment can be made.

For its part, the University has invoices for approximately $20,000 against the Warner Construction Company and claims an additional sum of approximately $64,000 comprising the certified net income loss through the year's delay in completing the building.

F. The Way the Warner Construction Company Can Get Its Money

1. The University does not need additional appropriations to take care of all proper charges on these projects.

2. The University is ready to make payments to the Warner Construction Company for the balance due under the contract when the bills are presented in accordance with the terms of the contract, withholding only a sum to cover the unpaid invoices to the Warner Construction Company (for services rendered by the University at the request of the Company) and a sum equal to the net loss in rental income resulting from the contractual default on the part of the Company.

Since his retention as special counsel, Judge John H. Armstrong has been empowered to make recommendations for the settlement of all claims. Some have been settled by negotiation. As far as I know, there is no factually supported claim at present before counsel or University authorities.

Mr. Lowell A. Lawson, counsel for the Warner Construction Company, in his conversations with Judge Armstrong, as in his presentations before the Board of Trustees and the Budgetary Commission, has persistently avoided the main issue. He fails to present itemized bills or documentary support for claims. As long as this unrealistic approach is used by the Warner Construction Company, it does not appear feasible to close the account books.

If standard ways of doing business continue to be objectionable to the Warner Construction Company, it should carry its case to the courts. In a court or elsewhere the University of Illinois will welcome full publicity concerning every transaction. The University of Illinois, a custodian of a substantial amount of public wealth, cannot and should not disburse any of it for unauthorized, improper or illegal purposes.

II. Contract with Warner Construction Company — Utilities Distribution System (Tunnel)

I have before me a 29-page review of the situation regarding this contract as of March 1, 1951, prepared by Mr. John Doak, Superintendent of Buildings and Grounds, Physical Plant Department. Because of its technical nature, it is not feasible to present it in abridged form.

In general, our experience with the work of the Warner Construction Company on the Utilities Distribution System (tunnel) is similar to that under the contract for the Lincoln Avenue Residence.

A few high points will suffice to show the general tenor of negotiations on this contract.

On December 1, 1949, Judge John H. Armstrong submitted a report to Mr. Stoddard and Mr. Williamson in which he indicated that, since his letter of August 31, 1949,
"... I have received no communication from the Contractor or his attorney relating to settlement of this contract. I am advised that the Contractor has made no demand for further payment and that he has not attempted to comply with the provisions of the contract preliminary to final settlement such as evidence of payment to sub-contractors, lien releases, etc."

On February 8, 1950, the Contractor transmitted to Sargent & Lundy an invoice, dated December 31, 1949, in the amount of $121,029 (the final 15 per cent payment on the approved contract) and requested payment, qualified by the following statement:

"Accordingly, we ask for payment due us per invoice enclosed, which payment, however, should be made and accepted by us without in any manner or degree whatsoever affecting, waiving, or jeopardizing our claim which is pending for final determination."

On February 14, 1950, facts relative to the above request were reviewed with Judge Armstrong. He concluded that the University not only had the right but the obligation to withhold the balance of funds until all claims had been settled. It was further agreed that this conclusion should be reviewed with Sargent & Lundy for their concurrence.

On March 9, 1950, with the concurrence of Sargent & Lundy, the Contractor was advised by letter that, since his request represented final payment on the contract and there were claims and counterclaims pending, the University did not have the authority to approve payment. The Contractor was further advised that the University, as before, was ready to discuss the claims and counterclaims on a factual basis.

Now what are the claims and counterclaims that have produced this stalemate? The Contractor has submitted two claims:

1. The first by letter dated December 31, 1947, in the amount of $8,660, later revised and re-submitted at a conference on March 15, 1948, in the amount of $8,230. On June 30, 1948, he proposed a compromise settlement of this claim for $6,500;

2. The second by letter dated January 21, 1949, in the total amount of $226,036 which included the claim referred to above.

This report will be limited to the second claim since it includes the first. This claim was submitted by letter to Sargent & Lundy. The Contractor alleged he had encountered unforeseen or changed conditions resulting in additional work and costs which fall into three general classifications:

1. Projects withheld from construction because of contemplated design changes.
2. Projects withheld from construction because of changed underground and field conditions.
3. Underground interferences not shown, or incorrectly shown, on the plans.

The Contractor has submitted only general claims and has not supported these claims with statements of fact. Judge Armstrong in his report of August 22, 1949, to Mr. Stoddard and Mr. Williamson, indicated that he had been unable to uncover any facts which would support the Contractor's claim for $226,036.

At this point, a review of the salient financial facts may be helpful.

Now clause 17 of the General Conditions—a part of the Contract—provides:

"Before final payment is made, Contractor shall satisfy Purchaser, by affidavits or otherwise, that there are no outstanding liens against Purchaser's premises by reason of any work under the Contract."

This has not been done.

Clause 17 further provides:

"Acceptance by Contractor of final payment on the contract price shall constitute a waiver of all claims against Purchaser."

But the Contractor's request for payment (February 6, 1950) is conditioned by the following statement:

"Accordingly, we ask for payment due us as per invoice enclosed, (§121,029.46) which payment, however, should be made and accepted by us without in any manner or degree whatsoever affecting, waiving or jeopardizing our claim which is pending for final determination."

The Contractor, by letter to Sargent & Lundy of January 21, 1949, filed notice of claim for additional compensation in the amount of $226,036. As mentioned above, the factual support is lacking.

At the same time there are unpaid invoices for services furnished by the University at the request of the Contractor in the amount of $5,211; for services furnished by the University to repair the City of Urbana sanitary sewer (damaged by the Contractor), $709. In addition to the foregoing, there are potential counterclaims which may be asserted in the event of litigation.

Judge Armstrong stated on December 1, 1949:

"Since my letter of August 31st, I have received no communication from the contractor or his attorney relating to settlement of this contract. . . . Please also be advised that there has been no futher discussion between the contractor, his attorney and your representative of any claims that have been asserted on behalf of either the contractor or the University in connection with this contract."

Again Judge Armstrong reported, on November 28, 1950 (to Mr. Stoddard and Mr. Williamson):

"I made it very clear to Mr. Lawson that I would submit to you any proposition that he wished me to but before he left, he made it very clear to me that any tentative proposition that had been discussed was withdrawn from present consideration and that I had no authority to submit even his discussed proposition to you."

Since that time Judge Armstrong has not received even tentative propositions from the Warner Construction Company. As indicated previously, he was not informed of the Company's appearance before the Budgetary Commission in Springfield. Accordingly, the way in which the Warner Construction Company may collect all its proper bills, as indicated for the Lincoln Avenue Residence Contract (Part I of this report), is simply to follow standard business procedures. If dissatisfied, it may seek a court settlement. The University welcomes full public attention to these transactions.

This report received for record.

BOND ISSUE FINANCING CHICAGO HOUSING PROJECTS AND REMODELING OF SECOND UNIT OF DENTISTRY, MEDICINE, AND PHARMACY BUILDING

(24) The Board of Trustees at its meeting on February 15, 1951, authorized the acceptance of an offer from the Milwaukee Company, Chicago, and the F. S. Yantis & Co., Chicago, to purchase revenue bonds of the Board of Trustees of the University in the principal amount of not less than $4,500,000 or more than $5,000,000. The proceeds of such purchase was to be used to construct and equip at the Chicago Professional Colleges a Student Residence Hall and a Faculty Apartment Building and to purchase equipment and carry out certain remodeling in the second unit of the Dentistry, Medicine, and Pharmacy Building at the Professional Colleges. Bids have been taken for the construction work and a construction budget prepared indicating that $4,600,000 is needed. All arrangements concerning the sale of the bonds have been worked out with the purchasing firms and there is now submitted a resolution authorizing the issuance of the bonds and setting forth the terms and conditions.
The resolution has been prepared by the law firm of Chapman and Cutler, Chicago, who were retained by the University for such purpose.

Bids have also been received as follows for the printing of the bonds:

- Columbian Bank Note Company, Chicago .................. $1,246.00
- Northern Bank Note Company, Chicago .................. 1,426.75
- American Bank Note Company, Chicago .................. 1,600.00

The Comptroller recommends and I concur that the resolution be adopted and that the Columbian Bank Note Company, the lowest bidder on the printing of the bonds, be awarded the work at a price of $1,246.

On motion of Mrs. Watkins, the printing of the bonds by the Columbian Bank Note Company was authorized, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

Resolution

Authorizing the issuance of revenue bonds in the principal amount of $4,600,000 of the University of Illinois for the purpose of providing funds necessary to construct, complete, and equip certain revenue producing buildings for said University in the City of Chicago, Illinois, fixing the date, maturities, form, and other details of said bonds, and making convenants and provisions for the payment of said bonds and the interest thereon.

WHEREAS the Board of Trustees of the University of Illinois upon due consideration and investigation does now find and determine that it is advisable, necessary and in the interests of the University of Illinois that certain revenue producing facilities be provided for the professional colleges of said University located in the City of Chicago, Illinois, as follows:

1. That a student residence hall be constructed on the following described tract, to wit:

   Lots One (1) to Ten (10), inclusive, Fifty-nine (59), Sixty (60), Ninety-five (95) and Ninety-six (96), and the 16 foot alley running East and West and lying South of and adjoining said Lots 1 to 10, inclusive (hereafter to be vacated), and that part of the 16 foot alley running North and South and lying East of and adjoining said Lots 59 and 60 and West of and adjoining said Lots 95 and 96 as may hereafter be vacated, all in Potter Palmer's Subdivision of Lot Eleven (11) and that part of Lot Twelve (12) lying South of the center line of Polk Street, except Winchester Avenue, in Codwise's Subdivision of the West Half (W½) of the Southeast Quarter (SE¼) of Section Eighteen (18), Township Thirty-nine (39) North, Range Fourteen (14) East of the Third Principal Meridian, except the West one and thirty-seven hundredths (1.37) chains.

2. That a Staff apartment be constructed for the purpose of housing staff members of the Colleges of Dentistry, Medicine and Pharmacy of said University on the following described tract:

   Lots One (1) to Eleven (11), inclusive, and Lots Thirteen (13) to Twenty-four (24), inclusive, in Sturges et al Resubdivision of Block Nine (9) in Assessor's Division of the East Half (E½) of the Southeast Quarter (SE¼) of Section Eighteen (18), Township Thirty-nine (39) North, Range Fourteen (14) East of the Third Principal Meridian.

3. That additional equipment be acquired for the Dental, Medical and Pharmacy Building, Unit Number Two, located on the following described tract, to wit:

   That part of Lot Three (3) in Codwise's Subdivision of the West Half (W½) of the Southeast Quarter (SE¼) of Section 18, Township 39 North, Range 14 East of the Third Principal Meridian (except 1 chain and 37 links along the West side) described as follows: Beginning at the Southwest corner of South Wood Street and West Polk Street and running thence West along the South line of said West Polk Street a
distance of 193.69 feet; hence South parallel with the West line of said South Wood Street a distance of 152 feet; hence East parallel with the South line of said West Polk Street a distance of 18.60 feet; hence East parallel with the South line of said West Polk Street a distance of 108 feet to the West line of said South Wood Street; and thence North along the West line of said South Wood Street a distance of 170.60 feet to the point of beginning; in the City of Chicago, Cook County, Illinois.

and said building be remodeled to provide additional laboratory and research space.

4. That the existing buildings located on Lots 3 to 7, inclusive, and Lot 14, in Sturges et al Resubdivision of Block Nine (9) in Assessor’s Division of the East Half (E½) of the Southeast Quarter (SE¼) of Section Eighteen (18), Township Thirty-nine (39) North, Range Fourteen (14) East of the Third Principal Meridian, be repaired and rehabilitated for use as student residences and staff housing, and all other existing buildings on the Staff apartment site described in subdivision 2 of this preamble be removed; and

WHEREAS this Board of Trustees of the University of Illinois has heretofore caused to be prepared plans and specifications for the construction, rehabilitation, and equipping of said above described buildings, which plans have been approved by this Board of Trustees and are now on file in the office of the physical plant department of said University at 1716 West Taylor Street, in the City of Chicago, Illinois; and

WHEREAS this Board of Trustees of The University of Illinois does further find, determine and estimate that the cost of the construction, completion and equipping of the said buildings, hereinabove described, in accordance with bids heretofore received for that purpose, will be as follows:

1. Constructing and equipping student residence hall................ $2,456,457
2. Constructing and equipping staff apartment.......................... 1,811,162
3. Remodeling and equipping of Second Unit of Dental, Medical, and Pharmacy Building.............................. 100,000
4. Repairing and rehabilitating of existing buildings on Lots 3 to 7, inclusive, and Lot 14, above described........... 35,000
5. Demolition of all other existing buildings now located on the tracts of property described above.................. 5,000
6. Provision for contingencies........................................ 192,381

Total........................................................ $4,600,000

and

WHEREAS pursuant to “An Act to authorize the Board of Trustees of the University of Illinois to acquire by purchase or otherwise, construct, equip, complete, operate, control, and manage student residence halls, staff housing facilities, dormitories, health and physical education buildings, or other revenue producing building or buildings, defining the duties of such Board with respect to operation and maintenance thereof, charge fees or rates for the use thereof, and providing for and authorizing the issue of bonds for the purpose of defraying the cost of construction, acquisition or equipment of any such building or buildings, payable solely from the revenues derived from the operation thereof, and for the refunding of any such bonds,” approved June 30, 1945, L. 1945, p. 1753; title as amended by Act approved July 21, 1947, this Board of Trustees is authorized to issue revenue bonds for the purpose of constructing, equipping and completing said above described buildings, payable solely from the revenues to be derived from the operation of said buildings; and

WHEREAS in order to produce the sum of $4,600,000 for said above described purpose, it will be necessary that this Board of Trustees borrow money and issue revenue bonds in the principal amount of $4,600,000 as authorized pursuant to the Act hereinabove referred to;

NOW, THEREFORE, Be It and It Is Hereby Resolved by The Board of Trustees of the University of Illinois, as follows:

SECTION 1. That it be and it is hereby determined by The Board of Trustees
of the University of Illinois that it is necessary and for the best interests of
the University of Illinois that it borrow the sum of $4,600,000 to construct,
rehabilitate, complete and fully equip the revenue producing buildings described
in the preambles hereof, located and to be located on the property described
in the preambles of this resolution in the City of Chicago, Illinois, and in evi-
dence thereof issue its revenue bonds in the principal amount of $4,600,000.

SECTION 2. That said bonds shall be designated “University of Illinois Col-
leges of Dentistry, Medicine, and Pharmacy Revenue Bonds, Series of 1951.”
The said revenue bonds shall bear date of April 1, 1951, shall be numbered 1
through 4600, shall be of the denomination of $1,000 each, bonds numbered 1
to 465, inclusive, shall bear interest at the rate of three and one-fourth per cent
(3\%\ve) per annum, bonds numbered 466 to 2045, inclusive, shall bear interest
at the rate of two and one-half per cent (2\%\ve) per annum, and bonds num-
bered 2046 to 4600, inclusive, shall bear interest at the rate of two and three-
fourths per cent (3\%\ve) per annum, payable October 1, 1951, and semi-annually
thereafter on the first days of April and October of each year and until the
principal thereof shall have been fully paid, and said bonds shall mature on
April 1 of each of the years and in amounts as follows:

provided, however, that said bonds shall be redeemable as a whole or in part,
prior to their maturity, in the inverse order in which they mature, on any inter-
est payment date at the option of The University of Illinois on or after April 1,
1960, and up to and including October 1, 1969, at par and accrued interest, and
a premium of two and one-half per cent (2\%\ve) of the principal amount there-
of; at par and accrued interest, and a premium of two per cent (2\%) of the
principal amount thereof if redeemed on April 1, 1961, or on any interest pay-
ment date thereafter up to and including October 1, 1970; at par and accrued
interest, and a premium of one per cent (1\%) of the principal amount thereof
if redeemed on April 1, 1971, or on any interest payment date thereafter prior to
maturity. If funds are available to call and redeem some but not all of the said
bonds of any maturity, the bonds to be called for redemption shall be selected by
lot in any usual manner.
Notice of redemption of any or all of said bonds shall be given by publication at least once not less than thirty days prior to the date of redemption, such publication to be in one newspaper published and of general circulation in the City of Chicago, and such notice of redemption shall with substantial accuracy (a) designate the date and place of redemption, such place to be at The First National Bank of Chicago, in the City of Chicago, Illinois, and (b) designate the numbers and the aggregate principal amount of said bonds, and (c) state that on the designated date of redemption said bonds will be redeemed by payment of principal thereof and accrued interest thereon to date of redemption, plus the applicable redemption premium, and that from and after the designated redemption date interest in respect of all bonds so called for redemption shall cease.

That such bonds and coupons shall be payable to bearer; provided, however, that such bonds may be subject to registration as to principal at any time prior to maturity in the name of the holder thereof on the books of registration of said University to be kept in the office of the Comptroller of said University, such registration to be noted on the reverse side of the bonds by the said Comptroller and thereafter the principal of such bonds shall be payable only to the registered holder, his legal representative or assign. Such registered bonds shall be transferred to another registered holder or back to bearer only upon presentation to the Comptroller with a legal assignment duly acknowledged or approved. Registration of any such bonds shall not affect the negotiability of the coupons thereto attached, but such coupons shall be transferable by delivery merely.

SECTION 3. Both principal of and interest on such revenue bonds shall be payable in lawful money of the United States of America at the First National Bank of Chicago, in the City of Chicago, Illinois.

SECTION 4. That said bonds shall be executed for and on behalf of said University by the President and FRANCES B. WATKINS and WAYNE A. JOHNSTON who are members of the Board of Trustees, and attested by the Secretary thereof, under the seal of said University and the interest coupons attached to said bonds shall be executed by the facsimile signatures of said President and Secretary, who by the execution of said bonds shall adopt as and for their own proper signatures their respective facsimile signatures appearing on said coupons, and said bonds and coupons shall be in substantially the following form:

(Form of Bond)

UNITED STATES OF AMERICA
STATE OF ILLINOIS
UNIVERSITY OF ILLINOIS COLLEGES OF DENTISTRY, MEDICINE, AND PHARMACY REVENUE BOND SERIES OF 1951

Number........................................ $1,000.

THE UNIVERSITY OF ILLINOIS, a body corporate and politic, created and established under the laws of the State of Illinois, for value received promises to pay to bearer, but only out of the Colleges of Dentistry, Medicine, and Pharmacy Revenue Bond Fund of 1951, as hereinafter provided for, and not otherwise, the sum of ONE THOUSAND DOLLARS ($1,000) on April 1, 19-, and to pay interest on said sum from the date hereof at the rate of ........................................ per cent (% per annum, payable October 1, 1951, and semiannually thereafter on the first days of April and October in each year until the principal hereof shall be paid. Interest accruing on this bond on and prior to the maturity date hereof shall be payable upon presentation and surrender of the interest coupons hereto attached as they subsequently become due, but no interest shall accrue on this bond after the maturity hereof unless this bond be presented for payment at maturity and be not then paid.

Both principal hereof and interest hereon are hereby made payable in lawful money of the United States of America at The First National Bank of Chicago, in the City of Chicago, Illinois.
This bond is one of an authorized issue of Four Million Six Hundred Thousand Dollars ($4,600,000), all of like date and of the denomination of $1,000 each, numbered from 1 through 4600, and all of said bonds are subject to redemption, prior to maturity, as a whole or in part in the inverse order in which they mature on any interest payment date on or after April 1, 1958, and up to and including October 1, 1966, at par and accrued interest, and a premium of two and one-half per cent (2 1/2%) of the principal amount thereof; and a premium of two per cent (2%) of the principal amount thereof if redeemed on April 1, 1961, or on any interest payment date thereafter up to and including October 1, 1970; and a premium of one per cent (1%) of the principal amount thereof if redeemed on April 1, 1971, or on any interest payment date thereafter prior to maturity. If funds are available to call and redeem some but not all of the said bonds of any maturity, the bonds to be called for redemption shall be selected by lot in any usual manner.

Notice of redemption of any or all of said bonds shall be published once not less than thirty days prior to the date of redemption, such publication to be made in one newspaper published and of general circulation in the City of Chicago, and when this bond or any of the bonds of such authorized issue shall have been called for redemption interest thereon shall cease from and after the specified redemption date.

This bond and the series of which it forms a part is issued under authority of an Act of the Legislature of the State of Illinois, entitled "An Act to authorize the Board of Trustees of the University of Illinois to acquire by purchase or otherwise, construct, equip, complete, operate, control, and manage student residence halls, staff housing facilities, dormitories, health and physical education buildings, or other revenue producing building or buildings, defining the duties of such Board with respect to operation and maintenance thereof, charge fees or rates for the use thereof, and providing for and authorizing the issue of bonds for the purpose of defraying the cost of construction, acquisition or equipment of any such building, or buildings, payable solely from the revenues derived from the operation thereof, and for the refunding of any such bonds. Approved June 30, 1945, L. 1945, p. 1753; title as amended by Act approved July 21, 1947," approved July 21, 1947, as amended, and all other laws supplementary thereto, and a resolution duly adopted by the Board of Trustees of the University of Illinois for the purpose of defraying the cost of constructing, completing and equipping certain revenue producing buildings for the Colleges of Dentistry, Medicine and Pharmacy of said University, in the City of Chicago, Illinois, on the following described property, to wit:

**Student Residence Hall**
Lots One (1) to Ten (10), inclusive, Fifty-nine (59), Sixty (60), Ninety-five (95) and Ninety-six (96), and the 16 foot alley running East and West and lying South of and adjoining said Lots 1 to 10, inclusive (hereafter to be vacated) and that part of the 16 foot alley running North and South and lying East of and adjoining said Lots 59 and 60 and West of and adjoining said Lots 95 and 96 as may hereafter be vacated, all in Potter Palmer's Subdivision of Lot Eleven (11) and that part of Lot Twelve (12) lying South of the center line of Polk Street, except Winchester Avenue, in Codwise's Subdivision of the West Half (W½) of the Southeast Quarter (SE¼) of Section Eighteen (18), Township Thirty-nine (39) North, Range Fourteen (14) East of the Third Principal Meridian, except the West one and thirty-seven hundredths (1.37) chains.

**Staff Apartment Building**
Lots One (1) to Eleven (11), inclusive, and Lots Thirteen (13) to Twenty-four (24), inclusive, in Sturges et al Resubdivision of Block Nine (9) in Assessor's Division of the East Half (E½) of the Southeast Quarter (SE¼) of Section Eighteen (18), Township Thirty-nine (39) North, Range Fourteen (14) East of the Third Principal Meridian.
That part of Lot Three (3) in Codwise's Subdivision of the West Half (W1/2) of the Southeast Quarter (SE1/4) of Section 18, Township 39 North, Range 14 East of the Third Principal Meridian (except 1 chain and 37 links along the West side) described as follows: Beginning at the Southwest corner of South Wood Street and West Polk Street, and running thence West along the South line of said West Polk Street a distance of 193.69 feet; thence South parallel with the West line of said South Wood Street a distance of 152 feet; thence East parallel to the South line of said West Polk Street a distance of 85.69 feet; thence South parallel with the West line of said South Wood Street a distance of 18.60 feet; thence East parallel with the South line of said West Polk Street a distance of 108 feet to the West line of said South Wood Street; and thence North along the West line of said South Wood Street a distance of 170.60 feet to the point of beginning; in the City of Chicago, Cook County, Illinois.

This bond is payable solely, both as to principal and interest from the revenues derived from the operation of said revenue producing buildings constructed, completed and equipped with the proceeds of this bond issue, and this bond and the series of which it forms a part do not constitute an indebtedness of said University of Illinois or the State of Illinois within any constitutional or statutory limitation, and neither the taxing power nor the general credit of said University or of the State of Illinois is pledged to the payment of this bond or the interest thereon.

This bond shall pass by delivery unless it is registered as to principal in the name of the holder on the books of registration of said University kept at the office of the Comptroller of said University, such registration to be noted on the back hereof. After such registration no transfer hereof shall be valid unless made on such books by the registered holder in person or by attorney duly authorized in writing and similarly noted hereon, but this bond may be transferred in like manner to bearer, and thereupon transferability by delivery shall be restored and it may again from time to time be registered or transferred to bearer as before. Such registration, however, shall not restrict the negotiability of the coupons hereto appertaining, but such coupons shall be transferable by delivery merely and payable to the bearer hereof.

This bond and all other bonds of this issue shall have all of the qualities of negotiable instruments, and during such time as this bond is payable to bearer, the same and each of the coupons hereto appertaining may be negotiated by delivery by any person having possession thereof, howsoever such possession may have been acquired, and any holder who shall have taken this bond while so payable to bearer or any of said coupons from any person for value and without notice shall thereby acquire absolute title to this bond or to such coupons as the case may be, free of any defenses enforceable against any prior holder and free from all equities and claims of ownership of any such prior holder, and the said University and any paying agent may deem and treat the bearer of this bond, or, if registered, the person in whose name it is registered and the bearer of any interest coupons appertaining hereto as the absolute owner thereof for all purposes.

Said University of Illinois hereby covenants with the holder of this bond that it will keep and perform all the covenants and agreements in the resolution adopted by the Board of Trustees of said University of Illinois, authorizing the issuance of this bond and the series of which it forms a part, and hereby irrevocably obligates itself to administer the said income and revenue derived from the operation of said buildings, as provided for in and by said resolution, and to establish from time to time rents, charges and fees for the use of said buildings and to maintain and collect rents, charges and fees sufficient to pay the reasonable cost of operating, maintaining, insuring and repairing of said buildings, and pay the principal of an interest upon all revenue bonds which by their terms are payable from such revenues, until all of such bonds have been paid in full, both as to principal and interest.
It is hereby certified and recited and declared that all acts, conditions and things required to exist, to happen and to be performed, precedent to and in the issuance of this bond, have existed, have happened and have been performed in due form, time and manner, as required by law, and the applicable resolutions of The Board of Trustees of the University of Illinois, and that provision has been made for setting aside the income and revenue to be derived from the operation of said buildings to be applied in the manner hereinabove set forth.

IN WITNESS WHEREOF, The Board of Trustees of the University of Illinois, has caused this bond to be signed by the President of The Board of Trustees and two members thereof, its corporate seal to be hereto affixed, and attested by the Secretary of said Board, and has caused the interest coupons hereto attached to be executed by the facsimile signatures of said President and Secretary, which said officials by the Execution of this bond do adopt as and for their own proper signatures their respective facsimile signatures appearing on said coupons, and this bond to be dated as of the first day of April, 1951.

SECTION 5. That upon the issuance of the said revenue bonds herein provided for, there be and there is hereby established a fiscal year for the operation of said buildings, and such fiscal year shall commence the first day of July of each year and end the last day of the next succeeding June, and all of the revenues derived from the operation of said buildings shall be set aside as
collected in a separate account and fund, apart from all other funds of said University, which is hereby created and designated as "The Colleges of Dentistry, Medicine and Pharmacy Revenue Bond Fund of 1951," and the University covenants that all revenues, income, receipts, profits, rates, rents, charges, fees and returns derived from the operation of said buildings shall be deposited in such fund and shall be used only in paying the reasonable cost of operating and maintaining said buildings, including salaries, wages, costs of materials, supplies, insurance and the reasonable repair necessary to properly maintain said buildings, for the creation and maintenance of a reserve fund, as herein-after provided, and paying the principal and interest of the revenue bonds herein provided for, which by their terms are payable solely from the revenues derived from the operation of said buildings. The word "repair" as used in this section shall be construed to refer only to such repairs as are certified to by competent and recognized architects to be necessary to keep the buildings in proper condition for use and occupancy, or are so certified to be necessary to remedy some physical condition which would otherwise impair or endanger the use and occupancy thereof and the security of the bonds hereby authorized, and all other bonds that may hereafter be authorized, which by their terms are payable from the revenues derived from the operation of said buildings.

SECTION 6. That there be and there hereby created and established separate special accounts to be designated severally "Operation and Maintenance Account," "Bond and Interest Sinking Fund Account," and "Reserve Account," into which there shall be credited on the first business day of each month all moneys held in the said Colleges of Dentistry, Medicine and Pharmacy Revenue Bond Fund of 1951, in accordance with the following provisions:

(a) There shall be credited to the Operation and Maintenance Account on the first day of each month an amount sufficient to pay the reasonable expense of operation and maintenance and repair of said buildings for the next succeeding month, including, without limiting the generality of the foregoing, salaries, wages, cost of materials, supplies, insurance, light, heat and power.

(b) There shall be credited to the Bond and Interest Sinking Fund Account on the first day of each month an amount equal to one-sixth of the interest becoming due on all outstanding bonds payable from the revenue of said buildings on the next succeeding interest payment date, plus an amount equal to one-twelfth of the principal of all of said bonds becoming due on the next succeeding principal maturity date.

(c) There shall be credited to the Reserve Account annually the sum of $25,000, until said account aggregates the sum of $200,000, and thereafter no sums need be credited to said Reserve Account except that whenever any funds in said account are expended, funds shall be again credited to said account at the rate of $25,000 annually and continued until such time as the account has been restored to the aggregate amount of $200,000. Funds credited to said account shall be used solely for the purpose of paying principal and interest on the revenue bonds of said University issued pursuant to the provisions of this resolution falling due at any time for the payment of which there is insufficient money available in the Bond and Interest Sinking Fund Account. Funds of this account may be invested from time to time in United States Government Securities.

(d) All funds remaining in the Colleges of Dentistry, Medicine and Pharmacy Revenue Bond Fund of 1951, after all amounts required to be credited to the accounts provided for in subsections (a) to (c) inclusive, of this section, and all deficiencies have been made up, shall be used for the purpose of calling and redeeming the revenue bonds of this issue, which by their terms are redeemable prior to maturity. Funds of this Account may be invested from time to time in United States Government securities.

SECTION 7. That it is hereby covenantated and agreed that the revenues to be derived from the operation of said buildings are to be paid into the various special accounts hereinabove established and created in the order in which said
accounts have been listed. If at any time the revenues are insufficient to place the required amounts in any of said accounts, the deficiency shall be made up in the following period or periods, after credits to all the accounts enjoying a prior claim of revenues have been made in full.

SECTION 8. That the Board of Trustees of the University of Illinois hereby covenants as follows:

1. That as long as the bonds herein authorized to be issued shall remain outstanding it will continuously operate and maintain said buildings constructed, equipped and completed with the proceeds derived from the issue of said bonds; that it will adopt such regulations and fix and maintain such rates, rents, fees and charges for the use of said buildings as will provide revenue sufficient to pay the reasonable cost of operating and maintaining said buildings, to provide and maintain the aforesaid bond and interest sinking fund account in an amount adequate to promptly pay the principal of and interest on said bonds as the same matures, and to provide for the aforesaid Reserve Account, and that it will collect and account for and apply the aforesaid income and revenues in accordance with and as provided by this resolution.

2. That it will not voluntarily create or cause to be created any debt or lien, charge or encumbrance on any of the revenues to be derived from the operation of such buildings having a priority to or parity with the pledge of the bonds issued under this resolution, and that it will not sell, mortgage, lease, or otherwise dispose of or encumber said buildings or any part thereof during the time when the bonds issued hereunder shall remain outstanding and unpaid.

3. That as long as any of the bonds issued hereunder remain outstanding and unpaid, either as to principal or interest or both, it will at all times exercise all of its lawful powers to preserve and protect the security of the bonds and the rights of the bondholders under this resolution.

4. That it shall cause to be kept proper books of records and accounts separate and apart from all other records and accounts in which complete and correct entries shall be made of all transactions relating to the cost of constructing and equipping the aforesaid buildings, the expenditures for maintaining, operating and repairing the said buildings, and all revenues collected therefrom, which said record shall be kept and shall be available for the information of all persons interested; and that there shall be furnished to the original purchaser of said bonds and to any holder of any of said bonds, on the written request therefor, not more than sixty days after the close of each fiscal year, complete operating and income statements of said buildings, in reasonable detail, for said preceding fiscal year.

5. That it will faithfully and punctually perform or cause to be performed all of the duties and obligations with reference to the said buildings as are required by the provisions of this resolution and the statutes under which the said bonds are issued, including the completion of the aforesaid buildings and the operation and maintenance of said buildings, as herein provided, the making and collecting of sufficient rates, fees and charges for the use thereof, the segregation of the income and revenues therefrom to the respective accounts created under the provisions of this resolution, and the proper application of said funds.

6. That as long as any of said bonds authorized to be issued hereunder shall remain outstanding and unpaid, either as to principal or interest, or both, it will maintain insurance on said buildings, including all equipment thereof, against loss or damage by fire and windstorm and all other insurable risks in an amount not less than the full insurable value of said properties or the principal amount of outstanding bonds, plus accrued interest and applicable premium to the next succeeding redemption date, whichever is less. Such insurance policy or policies shall be payable to the Board of Trustees of the University of Illinois, and all moneys collected on account of loss or damage covered by any such policy or policies of insurance shall be held in trust and shall be used only for restoration of the property so damaged. In the event said funds are insufficient to restore said properties to their former condition, then said funds shall be paid into the Bond and Interest Sinking Fund Account and held for the benefit of the Bondholders as their interest may appear.
SECTION 9. That the bonds authorized to be issued hereunder and from time to time outstanding shall not be entitled to priority one over the other in the application of the income and revenues derived from the collection of rents, rates, fees and charges for the use of the aforesaid buildings, or with respect to the pledge of the revenue to be derived from the operation of said buildings.

SECTION 10. That it is hereby further covenanted and agreed that after the issue and delivery of the bonds herein authorized and provided for to the purchaser thereof, additional bonds to share ratably and equally with the bonds hereby authorized shall only be issued in the event that funds are necessary to pay the cost of completing the project herein provided for in accordance with the plans and specifications now on file in the office of the physical plant department at 1716 West Taylor Street, Chicago, Illinois, and in the event additional funds are necessary to pay the cost of completing the project herein provided for, said bonds shall not be issued until such time as the architects employed by the University for the construction of said buildings have submitted a certificate to the Board of Trustees of the University setting forth an itemized statement of the work completed to date, the cost thereof, and an itemized statement of the work yet to be completed, and the estimated cost of the work to be completed, and such certificate and estimate shall be presented to and approved by the Board of Trustees preceding the adoption of any resolution authorizing the issuance of additional bonds to share ratably and equally in the revenues of said buildings. Any additional bonds issued for the purpose of completing the project herein provided for, in accordance with this section, shall be payable serially with principal and interest amortized over a period not shorter than the remaining life of any of the then outstanding bonds, with principal payments beginning not more than three years from date of the additional bonds, in such manner as to make the total amount of principal of and interest on the additional bonds due in each year approximately the same in each year in which there is a maturity of principal.

In addition to the foregoing, if prior to the payment of the bonds hereby authorized it shall be found desirable to refund all or a part of the bonds hereby authorized, said bonds may be refunded notwithstanding the restrictions as to the issuance of additional bonds set forth in this section (with the consent of the holders thereof if any bonds are to be refunded prior to maturity or prior to date of call and redemption) and any refunding bonds so issued shall share ratably and equally with the portion of the bonds hereby authorized which are not refunded in the revenues of said buildings and the pledge thereof under this resolution; provided, however, that if only a portion of said outstanding bonds are to be refunded at any time, such refunding obligations shall not mature at a date earlier than the final maturity of such bonds not refunded.

SECTION 11. That the proceeds from the sale of said bonds shall be set aside in a separate fund which is hereby created and designated as the "Construction Fund Account" and all of the funds of said Construction Fund Account shall be deposited in The First National Bank of Chicago, which said bank be and is hereby designated as the Depositary therefor. That the Comptroller and Treasurer of said University shall withdraw from said Construction Fund Account and deposit with said The First National Bank of Chicago, as paying agent of the bonds hereby authorized, the sum of $249,750 for payment of interest from date of bonds up to and including the 1st day of April, 1953, being the estimated period of time necessary to complete said project. The balance of the proceeds of said Construction Fund Account shall be withdrawn from said account by the Comptroller and Treasurer of said University from time to time only upon submission to them of a certificate executed by the architects employed by the University for the construction of said project, stating the nature of the work completed and the amount due and payable thereon. Duplicate executed copies of such certificates shall be filed with said The First National Bank of Chicago before the said Comptroller and Treasurer of said University shall be authorized to withdraw funds from said account and said certificates shall be held by said bank and made available for inspection by any bondholder or any duly authorized agent of said bondholders. For the purpose
of this resolution the cost of the construction of said project to be paid from
said Construction Fund Account shall be deemed to include the following:

1. The purchase price and cost of acquisition of real estate, easements,
rights of way and other property necessary for the construction of such build-
ings, including the cost of abstracts of title, title examination and title insurance.

2. Fees and expenses of architects and engineers for services, preliminary
investigation, preparation of plans and specifications, supervision of construction
and performance of all duties of architects and engineers with respect to said
buildings.

3. Payment for labor, material, equipment, services of contractors, builders
and materialmen.

4. Premiums payable by the University to the date of completion of said
buildings on policies of insurance against fires, floods, storms, lightning and
other casualties and for so-called all risk coverage.

5. All taxes, assessments and other incidental charges levied against, or
payment prior to the completion of said buildings, and taxes, if any, for record-
ing and filing fees payable in connection with deeds of conveyance.

6. Condemnation awards in connection with the acquisition of property and
easements necessary for said buildings, including court costs and legal fees
therefor.

7. All expenses of preparing, issuing and delivering bonds issued hereunder.

8. Fees and expenses of legal counsel.

9. Fees and expenses of fiscal agents, depositaries or trustees of the Con-
struction Fund Account.

10. Actual incidental expense, including telephone, telegraph, office expense
and traveling expense.

11. Any and all other expenses necessary or incidental in the construction of
said buildings, certified to in writing by the architects employed by the Univer-
sity for the construction of said buildings.

Upon written request by the Comptroller of the University funds of this
Account may be invested from time to time in United States Treasury Bills and
held by the said Depositary for the credit of said Account.

After completion of the project the Comptroller of the University shall
execute a certificate to the effect that said project has been fully completed ac-
ccording to plans and specifications and in accordance with the provisions of this
resolution, which shall be filed with The First National Bank of Chicago, and
if there be any funds remaining in said Construction Fund Account at the time
of filing of such certificate with the said bank, said funds shall be withdrawn
from said account upon order of the Comptroller and Treasurer of the said
University and credited to the Bond and Interest Sinking Fund Account here-
before provided for.

That immediately upon delivery of said bonds to the purchaser the proceeds
derived from the sale thereof shall be deposited with said The First National
Bank of Chicago in said Construction Fund Account hereby created, which shall
be a special trust account and said The First National Bank of Chicago in ac-
cepting the deposit of such funds shall agree to carry out the terms of this
section and the provisions hereof on its part, subject only to the following
expressed terms and conditions:

1. That said The First National Bank of Chicago shall not be responsible
for any recitals herein or in the said bonds or for the validity of this resolution,
or any of the terms agreed upon herein, nor for the performance of any of the
agreements herein contained on the part of the University.

2. That said The First National Bank of Chicago shall not be liable for any
action taken or omitted to be taken by it in good faith and in the exercise of reason-
able care and believed by it to be within the discretion or power conferred upon
it by this resolution, nor shall the said bank be responsible for the consequences
of any error of judgment and shall be fully protected in relying upon the certifi-
cates to be filed with it for the withdrawal of funds by said Treasurer, and shall
not be obligated to examine into the matter stated in said certificates or orders
for payment to determine if said funds are being expended for a purpose per-
mitted hereby, and shall not be answerable except for its own acts, receipts,
neglect and default, nor for any loss unless the same shall happen through the
negligence or want of good faith of the said bank.
3. That said The First National Bank of Chicago shall be entitled to advice of counsel concerning all matters arising under this resolution and its duties hereunder, and may in all cases pay such reasonable compensation as it shall deem proper to such counsel, and all such outlays and expenditures shall be repaid to the said bank out of the moneys in the Construction Fund Account.

SECTION 12. The provisions of this resolution shall constitute a contract between The Board of Trustees of the University of Illinois and the holders of the bonds herein authorized to be issued, and after the issuance of the bonds no changes, additions, alterations or amendments of any kind shall be made to this resolution in any manner, until such time as all of said bonds issued hereunder, and interest thereon, shall be paid in full, or unless and until provision shall have been made for the payment of all bonds hereby authorized and interest thereon in full.

SECTION 13. Any holder of a bond or bonds, or any of the coupons of any bond or bonds, issued under the provisions of this resolution, may either in law or in equity, by suit, action, mandamus or other proceeding, enforce or compel the performance of all duties required by this resolution or the acts under which the bonds hereby authorized are issued, including the fixing, maintaining and collecting of such rents, charges and fees for the use of such properties and all facilities thereof as will be sufficient for all the purposes provided by this resolution, and the application of income and revenue therefrom.

SECTION 14. If any section, paragraph, clause or provision of this resolution shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this resolution.

SECTION 15. That the President, Secretary, Comptroller and Treasurer of The Board of Trustees of the University of Illinois, be and they are each of them hereby authorized and directed to execute all instruments, papers, documents and agreements necessary or convenient to accomplish the issue and delivery of the said Revenue Bonds to the purchaser thereof.

SECTION 16. That said revenue bonds shall be executed as provided herein as soon after this resolution becomes effective as may be, be deposited with the Treasurer of said University, and be by him delivered to The Milwaukee Company and F. S. Yantis & Co., Inc., the purchasers thereof, upon receipt of the purchase price, and the contract for the sale thereof heretofore entered into be and the same is hereby in all respects ratified and approved.

SECTION 17. That this resolution shall be in full force and effect from and after its passage.

Passed March 13, 1951.

Secretary

On motion of Mrs. Watkins, this resolution was adopted by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

INTERNAL REVISION OF BIENNIAL OPERATING BUDGET FOR 1951-1953

(25) The Executive Committee of the University Council, which under University Statutes advises the President in the preparation of budgets, has made the following recommendation with respect to the biennial operating budget for 1951-1953, as adopted by the Board of Trustees on September 29, 1950:

The Executive Committee recommends to the President that in view of recent increases in the cost-of-living index, now 5 per cent above the level at the time of the preparation of the coming biennial budget, that the Committee would approve an increase in Item III A, Salary and wage increases, from $2,400,000 to $3,600,000, this change to be offset by revising Item IV, Estimated Savings due to lower enrollments in 1951-1953, by decreasing from −$1,000,000 to −$2,200,000.
I recommend that the biennial budget be revised accordingly, and that further adjustments be considered if the cost-of-living index changes.

On motion of Mr. Johnston, this revision in the budget was authorized, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickel, Mrs. Watkins; no, none; absent, Mr. Stevenson.

SECOND MEMORANDUM ON THE RUSSELL REPORT

(26) President Stoddard presented the following report:

PART ONE

On January 23, 1951, soon after the distribution of the Report of the Study of the Structure of the State Tax-Supported System of Higher Education in Illinois (John Dale Russell, Chairman), I submitted a memorandum for the information of the Board. It was understood that this would be followed by a more explicit statement.

I have now had an opportunity to analyze the Russell Report in some detail. However, it is my intention to emphasize only the main issues and to propose some solutions that were overlooked by the Russell survey staff.

In the first memorandum I pointed out:

1. That the Russell Report erred in its interpretation of the actions of the University of Illinois with respect to its Undergraduate Division at Galesburg.
2. That the Russell Report erred similarly with respect to the Undergraduate Division in Chicago (Navy Pier).
3. That the consequence of these two errors, and of other misconceptions, was a failure to include (as a way to improve co-ordination in higher education) an additional alternative, namely, the California-type of control in which the state university predominates.
4. That, for reasons given, all the Russell alternatives except Alternative II, as revised, should be rejected.

Before considering alternatives further, I should like to refer to a few statements in the Russell Report.

We read (page 3):

"... the most urgent situation demanding a solution is the problem of the general overhead control of higher education in the State."

This theme dominates the report although there is little to indicate why this problem is, in fact, urgent. I should say, rather, that the most urgent problems in higher education in the State are:

(a) to improve the quality of instruction, research, and public service in all the institutions of higher learning;
(b) to extend the privileges of higher education to that large segment of the intellectually qualified youth population now denied them.

We read (page 5):

"The attitude in this report is that the people of Illinois are responsible for choosing from among these suggested alternatives, or combinations of items from these alternatives, the particular steps that are at present feasible and that seem most likely to accomplish desirable results."

Clearly, this statement in the foreword begs the question. There are other alternatives; there are other items. In suppressing them, the Russell Report quietly tips the scales in a certain direction.

What is this direction?

In a nutshell, it is that the State ought to have a central agency in Springfield to control all State-supported higher education. This idea appears repeatedly in the Report. It is offered as a preconceived solution. It so dominates the authors of the Report that they fail to evaluate certain basic issues.

For example, we read (page 11):

"... when competing programs minister to small groups of students or produce more graduates than can be absorbed in the positions for which preparation is given, the waste and inefficiency should not be condoned."

Now this quotation is not in line with modern educational thought. Certain
types of programs, as in mathematical, philosophical or medical work, are likely to appeal only to small groups of students in a given location. About a dozen competing small groups of professors and students produced almost all we know about atomic fission. It is right and proper for a university to covet the emergence of such groups as an opportunity for its best brains.

But the chief error is to trim higher education to some nose-count of positions available in a particular field. Every such attempt has failed. Two years ago our engineering educators were fearful that we were producing too many engineers. Now, in the Spring of 1951, the potential shortage of engineers is so great as to constitute a definite military and industrial hazard. There are forces in our economy that tend to establish an elastic connection between supply and demand, but they are beyond the control of "co-ordinating agencies." Although we have a dramatic shortage of personnel in all the health professions, it is only with great reluctance that governors and legislative bodies in any state in the Union move toward amelioration. The student talent is there; the service demand is there. The lag is in buildings, equipment and teaching personnel. The lack is money.

There is no fixed number of jobs in any field. Who can say how many persons will be needed in the next 30 years in nuclear power plants, military affairs, government, commerce or communications? Higher education not only prepares for jobs; it encourages persons to discover, develop and apply new principles. It puts a high value on learning, pure and applied. It creates both supply and demand. By any standards available in 1920, the present need for the college graduate in certain fields would appear fantastic.

If the aim of higher education is to develop straight thinking and to improve human relations, who can say that college graduates are in excess? Who can say that any person successfully pursuing the liberal arts and sciences is wasting his time? (There are those who claim that everybody else is wasting time, but I do not hold with these extremists, even though they go back to Socrates to find support.) In a balanced program, the student advances notably along both general and special lines.

Another theme that penetrates the Russell Report is a strong reliance on uniformity. When this theme is overemphasized it degenerates into a concept of mediocrity.

Thus the Russell Report refers to a section of the Works Survey of 1945. This survey listed 12 states that had created a single board for all their institutions of higher education. All 12 of the institutions at the top of the systems are well known in the educational field, but only two meet the requirements for membership in the Association of American Universities. Only one can be considered a leader. In this latter case there is one state university, one land-grant college and a state teachers college that confines itself to teacher education. This situation is different from Illinois which now has three state universities, two state colleges and one state teachers college. At the time of the Works Survey the State-supported higher institutions in Illinois, with the exception of the University of Illinois, were either Normal Universities or Teachers Colleges. In the last six years most of these institutions have tended to move toward the general college. The University, paradoxically, faced with a tremendous demand from the teaching profession, has turned increasingly toward teacher education.

From the Report (page 13):

"From the point of view of the State, the program of higher education is a unitary service. The money to support it comes from a single State treasury. The program must serve needs that are State-wide. As soon, however, as more than one institution is set up to render the service in higher education, each tends to develop its own program in accordance with the designs of its own leadership. Each institution tends to compete with all the others for appropriations, for students, and for the favorable attention of the general public."

Now perhaps the program of higher education in Illinois should be unitary, monolithic, but that is not thus far the "point of view of the State." The State, according to the acts of successive General Assemblies, has favored diversity in both public and private institutions. A single state treasury also supports roads, health and welfare and hundreds of enterprises that resemble neither higher education nor each other.

What these programs have in common is a recognized need on the part of citizens. There is bound to be a diversity in function. The question is, To what extent should there be, in higher education, unity in the formation and execution of policies?
It may be generally agreed that 1951 is a good time to study the reorganization of public higher education in the State of Illinois. Among other factors, the following enter into this timeliness:

(1) The trial status of Southern Illinois University under a separate Board of Trustees whose terms expire August 31, 1951.
(2) The continued unrest of the colleges under the State Teachers College Board as at present organized.
(3) The recognized need for better facilities in public higher education in Chicago.
(4) The increased cost of public education at all levels.

Since these factors bear upon the progress of the University of Illinois, various members of the University staff have studied the implications of the Russell Report. We believe that the Report has accomplished a valuable purpose in directing attention to certain problems, even though some of us regard its five alternative plans as incomplete. We appreciate also the patient work of Dr. John Dale Russell and his associates and the foresight of the Governor in setting up the Committee.

I think the first memorandum and my remarks in Part One show why we are dubious about the effectiveness of any plan that transfers policy-making authority from a board of trustees to a superimposed co-ordinating board presumably operating from Springfield. Such a plan (Alternative III in the Russell Report) has received serious study. We have come to the conclusion that the price to be paid for unity under this plan would be a subtle decline in the quality and zestfulness of the academic life. For a governing body to be removed one more step from the work of professors and students is to invite decisions that hamper growth and freedom.

Without further preamble I should like to bring to the attention of the Board four major proposals. They are, in effect, a substitute for the five options offered by the Russell Committee.

Proposal I — Minimum Reform

(A) Adopt Alternative II, page 54 of the Russell Report, with one exception: It reads:

"Alternative II. Continue the present three boards with modifications of their authority. The modifications suggested are as follows:

(1) Remove institutions of higher education from the jurisdiction of the State Code Department of Registration and Education;
(2) Set up a single merit system for non-academic personnel in all the State institutions of higher education;
(3) Set up a single purchasing authority for all the State institutions of higher education, separating this function from the control of the State Purchasing Office;
(4) Possibly remove the State teachers colleges and Southern Illinois University from the supervision of the State Architect's Office (the desirability of this step is questioned);
(5) Give the State Teachers College Board authority to select its own officers;
(6) Provide for a succession in the membership of the State Teachers College Board when the Governor fails to make an appointment;
(7) Change the name of the State Teachers College Board to "State College Board";
(8) Change the method of selecting members for the Board of Trustees of the University of Illinois."

For the reasons given in my memorandum of January 23, I should delete paragraph (8) above.

(B) Strengthen the work of the Council on Higher Education by providing a paid Executive Secretary to be nominated and financed, for rotating one-year terms, by the respective members of the Council.

(C) Add to the staff of the State Director of Finance an expert assistant in the field of public higher education.

Proposal II — Limited Reform

(A) Place Southern Illinois University under the State Teachers College Board as reorganized in accordance with the first seven terms of Alternative II of the Russell Report.

(B) Strengthen the work of the Council on Higher Education by providing a
paid Executive Secretary to be nominated and financed, for rotating one-year terms, by the respective members of the Council.

(C) Add to the staff of the State Director of Finance an expert assistant in the field of public higher education.

Proposal III — Moderate Reform

(A) Reorganize the State Teachers College Board in accordance with the first seven terms of Alternative II in the Russell Report.

(B) Constitute Southern Illinois University as a branch of the University of Illinois, with emphasis upon the functions of:

1. A teachers college.
2. A community liberal arts college.
3. Terminal curricula of special interest to the southern region.

(The University of Illinois has shown no eagerness to acquire Southern Illinois University as a branch. The most obvious location for an additional campus of the University of Illinois is not in Carbondale, but in Chicago. All expert observers agree on this point. Nevertheless, it seems to me, if Southern Illinois University is not to return to its historic rôle as a teachers college, and a community college under a reorganized Teachers College Board, it should consider, as an alternative, a merger with the University of Illinois. Either step would markedly reduce the hazards of confusion and duplication. It would pave the way for effective co-operation between two boards of trustees whose jurisdiction would be well defined.)

(C) Establish in Chicago, as a branch of the University of Illinois, a new four-year college emphasizing teacher education.

(D) Establish in Chicago, as a branch of the University of Illinois, a pilot terminal (two-year) institute of applied arts and sciences.

(E) Authorize the development of blueprints for a full-fledged campus of the University of Illinois at Chicago. This would imply an eventual enrollment of 20,000 students, supplementing a maximum enrollment at Urbana-Champaign of 20,000 students.

(F) Strengthen the work of the Council on Higher Education by providing a paid Executive Secretary to be nominated and financed, for rotating one-year terms, by the respective members of the Council.

(G) Add to the staff of the State Director of Finance an expert assistant in the field of public higher education.

Proposal IV—Long-Range Reform

(A) Extend the University of Illinois under a single board of trustees, bringing all the State tax-supported institutions of higher education into the University system with branches at the present locations of the separate institutions.

(B) Establish a full-fledged branch of the University of Illinois at Chicago, to absorb also the functions of a teachers college and of a terminal institute.

We should then have the University of Illinois at Urbana-Champaign, the University of Illinois at Chicago (to include as parallel units the present professional colleges and the proposed new campus), the University of Illinois at Normal, the University of Illinois at Carbondale, the University of Illinois at DeKalb, the University of Illinois at Macomb and the University of Illinois at Charleston.

Such a system would parallel the successful plan now in operation in the State of California. It would make for diversity within a general plan of co-ordination. It would leave to individual communities, financially aided by the State, the responsibility for developing the 13th and 14th grades either as junior colleges or as terminal institutes. (The institute proposed for Chicago would serve as a pilot study and training center.)

Since there would be no one body of alumni to make recommendations to the political parties, it is suggested that the appointment of the board of trustees of the greater University of Illinois be made by the Governor, with the consent of the General Assembly, and that three of possibly 12 members be ex officio, viz., the Governor of the State, the State Superintendent of Public Instruction and the General Superintendent of Schools of Chicago.

In my judgment, in an ascending order of effectiveness the four proposals above would solve most of the problems brought forth in the Russell Report. There would evolve an optimum degree of co-ordination without loss of the time-honored freedom that nourishes the academic life.
The establishment of new institutions as a part of the general University plan would be under control. Also the new board of trustees, through a small expert staff, could undertake the professional work underlying the certifying and chartering of new private institutions of higher and professional education. A University of Illinois system would automatically replace all the revisions recommended in Alternative II of the Russell Report.

Clearly Proposal IV calls for substantial educational, financial and administrative adjustments. These changes are feasible only if persons professionally concerned, state leaders and interested citizens and taxpayers believe it to be a move in the right direction.

With or without such changes, the aim is, through better instruction, research and public service, to meet the needs of the people of Illinois. In this vast enterprise the critically important rôle of the private independent colleges and universities must also be recognized. As a nation, we face an economic, military and cultural crisis. We have need of our full ethical and spiritual resources. The total contribution of a few great states like Illinois may be decisive.

This report was received for record.

**CONTRACT FOR REMODELING MEN’S OLD GYMNASIUM**

(27) The Director of the Physical Plant and the Comptroller recommend the award of a contract for $16,869 to Clarence H. Siems, Urbana, the lowest bidder, for improvements in the Engine Annex as a part of the rehabilitation of the Men’s Old Gymnasium.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Nickell, this contract was authorized as recommended.

**CONTRACT FOR RADIOCARBON LABORATORY**

(28) On January 23, 1951, the Board of Trustees appropriated $135,000 for remodeling space in Davenport Hall to provide facilities for the Radiocarbon Laboratory. Bids received indicate that the project will cost $142,000, so that an additional appropriation of $7,000 is necessary.

The Director of the Physical Plant and the Comptroller recommend award of contracts to the lowest bidders as follows if an additional appropriation is made:

- **General work** — Kuhne-Simmons Company, Champaign..........................$25 000
- **Plumbing, heating, and miscellaneous work** — F. R. Inskip and Company, Champaign................................................................. 19 247
- **Ventilating and air conditioning** — R. H. Bishop Company, Champaign... 38 643
- **Electrical work** — Leverenz Electric Company, Danville.................... 12 800

I concur and recommend an additional appropriation of $7,000 and that the Comptroller and the Secretary of the Board be authorized to execute these contracts.

On motion of Mrs. Watkins, this additional appropriation was made, the contracts were awarded and authority was given as recommended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

**CONTRACT FOR REMODELING IN Davenport HALL**

(29) Bids have been received for the construction of two fireproof stair towers in the north and south ends of the west unit of Davenport Hall on a cost plus fixed fee basis:

Funds are available in the Physical Plant budget for this contract. The Director of the Physical Plant and the Comptroller recommend the award of a contract to E. N. DeAtley, the lower bidder.
I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Holt, this contract was authorized as recommended.

APPROPRIATION AND CONTRACTS FOR ILLINI GROVE

(30) Bids received for the improvement and development of Illini Grove (the old Forestry) as a recreational area indicate that this will cost $38,000. The Board of Trustees has appropriated $25,000 for this project. The Committee on Nonrecurring Appropriations has approved the project in principle and recommends an additional appropriation to complete it.

Subject to approval of such an additional appropriation, the Director of the Physical Plant and the Comptroller recommend award of contracts to the lowest bidders as follows:

General work — Contracting Construction Company, Danville..............$16,394
Plumbing work — J. L. Robinson, Champaign .................................. 4,443
Electrical work — Potter Electric Service, Urbana ....................... 8,628

I recommend that an additional appropriation of $13,000 be made, and that the Comptroller and the Secretary of the Board be authorized to execute these contracts.

On motion of Mr. Hickman, this additional appropriation was made, the contracts were awarded and authority was given as recommended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

CHANGES IN CONTRACTS FOR CONSTRUCTION OF ADDITIONS TO THE RESEARCH AND EDUCATIONAL HOSPITALS

(31) The Vice-President in charge of the Chicago Professional Colleges, the Director of the Physical Plant, and the Comptroller recommend increases in contracts for the construction of the additions to the Research and Educational Hospitals as follows:

General contract — Patrick Warren Construction Company, Chicago
(a) For installation of an electrically operated rolling type steel door in the main north-south tunnel at the ambulance driveway, to make it possible to move heavy equipment in and out ....................... $11,111.00
(b) Changes on the eighth and ninth floors to complete a special metabolic diet kitchen and wards, and research air conditioning with close tolerances for control tests on patients.............................. 4,424.70
(c) Three additional display cases on the fifth floor requested by the Department of Surgery ............ 1,298.62
(d) Revisions of the mechanical equipment rooms to accommodate larger duct sizes for more quiet operation of the ventilating system................. 3,170.45
Total increase in this contract............................................. 10,004.77

Ventilation contract — Bloomer Heating and Ventilating Company, Chicago
(a) Changes on the eighth and ninth floors for a special metabolic diet kitchen and wards, and research air conditioning which requires very close tolerances, so that research work can be rigidly controlled... 24,214.23
(b) Revisions of the ventilating system in the penthouse to provide more quiet operation................. 5,160.33
(c) Change in fans and size of ducts to provide more quiet operation of ventilating system.............. 1,021.85
Total increase in this contract............................................. 30,405.41

Electrical contract — Wadeford Electric Company, Chicago
Revisions in the eighth and ninth floors to complete a special metabolic kitchen, and in wards, and in the air conditioning to serve the wards. The overhead ceiling lights must be changed to cove lighting due to the use of multivent ceiling panels......... 9,288.92
Pipe covering contract—Standard Asbestos Manufacturing Company, Chicago
Changes in the plumbing and heating pipes on eighth and ninth floors necessary to complete the special diet kitchen and air conditioning of research wards on those floors.......................... 3 472 07

Heating and refrigeration contract—M. J. Corboy Company, Chicago
Additional heating and refrigeration work required to complete the installation of the special metabolic diet kitchen and research wards; additional plumbing work is also needed to complete the air conditioning of these wards........................................ 6 052 89

Kitchen and cafeteria equipment contract—Stearnes Company, Chicago
The special metabolic diet kitchen and wards on the eighth and ninth floors require additional kitchen equipment for the research work contemplated............................................. 17 885 87

Plumbing contract—Economy Plumbing and Heating Company, Chicago
Additional labor and materials needed in plumbing work to complete the diet kitchen on the eighth and ninth floors. .................. 2 222 37

Total increases in all contracts........................................ $79 332 30

Funds are available in the state appropriation for “Construction of addition to present hospital.”
I concur and recommend that the Comptroller be authorized to execute these contract changes.

On motion of Mr. Johnston, authority was given as recommended.

SALE OF PROPERTY AT 601 HAINES BOULEVARD, CHAMPAIGN
(32) Professor Royden Dangerfield, Director of the Institute of Government and Public Affairs, leases the University-owned residence at 601 Haines Boulevard, Champaign. He has offered to purchase this property in accordance with the procedure approved by the Board for the sale of residence properties purchased by the University for faculty housing. The price is $22,550, which is the original cost to the University plus cost of improvements.

I recommend that this offer be accepted, and that the officers of the Board be authorized to execute the necessary deed of conveyance.

On motion of Mrs. Holt, the sale of this property was authorized, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

CONTRACT FOR INSTALLATION OF DIRECT CURRENT ELECTRIC SERVICE EQUIPMENT
(33) The Director of the Physical Plant and the Comptroller recommend award of a contract for $10,752 to Anderson Electric, Inc., Danville, the lowest bidder, for the installation of a DC motor generator and switch gear previously purchased, extending utilities to and connecting the generator with the existing service system to provide direct current electric service to engineering laboratories for instruction and research purposes.

Funds are available in the state appropriation for “Construction of extensions to the Utility Distribution Systems.”
I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Hickman, this contract was authorized as recommended.

APPLICATION FOR FEDERAL FUNDS FOR AIRPORT.
(34) In 1946, Congress passed the Federal Airport Aid Act which provided for federal aid on a matching basis to airports, subject to appropriations, for a period of seven years. Under this Act, the Civil Aeronautics Administration has issued a tentative allocation of $60,000 for improvements at the University of Illinois Airport.
The State Department of Aeronautics has set aside $45,000 and the Board of Trustees (Minutes, October 26, 1950, page 434) appropriated $47,500 of which $45,000 was for the University’s share of the project. The improvements will include resurfacing of the entrance road, drainage improvements, parking areas, resurfacing roads to airplane hangars, sewage disposal plant, and utility extensions and connections.

The University must execute a C.A.A. Project Application to secure the funds from the federal government. To secure funds from the State Department of Aeronautics, the University must also execute an “Agency and Participation Agreement” which will provide:

1. That the University will authorize the State Department of Aeronautics to act as its agent in preparing plans, advertising for bids, receive bids, and supervise and conduct the letting and award of contracts upon the specific written authorization, direction, and approval of the Board of Trustees. The Board of Trustees shall be the contractual party to such contracts.

2. That the University deposit in the State Treasury funds received from the federal government, such funds to be disbursed upon certification by the State Department of Aeronautics with the approval of the University.

The appropriation from University funds will be disbursed by the University upon vouchers certified by the State Department of Aeronautics.

The Director of the Institute of Aviation and the Comptroller recommend the execution of the Project Application and the Agency and Participation Agreement. I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these documents and any other supporting documents which may be necessary.

On motion of Mr. Hickman, authority was granted as recommended; Mr. Johnston asked to be recorded as voting “no.”

WILLIAM LAMONT ABBOTT

Mr. Johnston offered the following resolution and moved its adoption:

The Board of Trustees of the University of Illinois records with sorrow the passing on February 20, 1951, of William Lamont Abbott, a former member and President of this Board.

Mr. Abbott graduated from the University of Illinois in 1884 and received the professional degree of Mechanical Engineer in 1904. He was ninety years old when he died. In his long and distinguished career as an engineer, he devoted many years of service to his Alma Mater. He was one of the University’s great friends, a loyal alumnus in the finest meaning of the word loyal. He was President of the Alumni Association from 1892 to 1893. He served as a member of the Board of Trustees continuously from 1905 to 1923 and during fourteen of those years, 1907-1919, and 1921-1923, he was President of the Board. Following retirement from the Board he organized the Utilities Research Commission and was instrumental in securing substantial grants of funds from industries for research projects of the University of Illinois Engineering Experiment Station. Even after he retired from professional work and from his position as Chief Operating Engineer of the Commonwealth Edison Company in Chicago, Mr. Abbott maintained an active interest in the University, serving in various advisory capacities. He was always available for counsel. When the University constructed a new power plant, it was appropriately named for him in recognition of accomplishments in his special field of engineering and of his services to the University.

His tenure of service on the Board of Trustees of the University of Illinois covered the years of the administration of the late President Edmund Janes James, during which the University achieved national and world prominence. Much of this was due to the statesmanship of Mr. Abbott as President of the Board in supporting the plans and policies of the President of the University and in securing support for them from the state.

The Board of Trustees directs that this tribute be incorporated in the minutes of today’s meeting to become a part of the official public record and that a copy be sent to the members of Mr. Abbott’s family as an expression of appreciation and of sympathy.

This resolution was adopted.
RESOLUTIONS OF APPRECIATION OF SERVICES OF MESSRS. KENNEY E. WILLIAMSON, WALTER W. MCLAUGHLIN, AND KARL A. MEYER

Mr. Fornof offered the following resolution which was adopted.

To KENNEY E. WILLIAMSON

The Board of Trustees of the University of Illinois expresses its grateful appreciation of your services during the past six years, and for your previous service in the year 1940, as a member of this Board.

During the years of 1949 to 1951, as President of the Board of Trustees you administered this office with dignity and statesmanship. You gave generously — far beyond the call of duty — of your time and energy to the work of this office. It is a splendid example of unselfish public service. As Chairman of the Finance Committee for four years you performed a conspicuously useful service. The University of Illinois and the Retirement System have been fortunate in having a man of your experience serving in capacities where your special business talents have been invaluable.

The President and other administrative officers of the University have expressed their desire to join the members of the Board of Trustees in commemorating this occasion and in extending their best wishes to you and Mrs. Williamson for the years that lie ahead.

The Board of Trustees directs that this resolution be incorporated in the minutes of today's meeting to become a part of the official public record, and that a suitable copy be given you as a permanent reminder of the esteem and affection in which you are held.

Given at Chicago, Illinois
On the thirteenth day of March, one thousand nine hundred and fifty-one, and
In the eighty-fourth year of the University.

Mr. Herrick offered the following resolution which was adopted.

To WALTER W. MCLAUGHLIN

The Board of Trustees of the University of Illinois expresses its grateful appreciation of your services during the past six years as a member of this Board.

In your own quiet, efficient way, you served as Chairman of the Civil Service and Employees Committee, as Chairman of the Committee on Agriculture, as Chairman of the General Policy Committee, and as Chairman of the Finance Committee. These assignments have required much of your time and energy, which you have given unstintedly and graciously. The services you have rendered in these posts have been invaluable. The University of Illinois and the people of the state are fortunate in having had on this Board a man of your talents, experience, and high ideals of public service.

The President and other administrative officers of the University desire to join the members of the Board of Trustees in commemorating this occasion and in extending to you and Mrs. McLaughlin their best wishes for the years that lie ahead.

The Board of Trustees directs that this resolution be incorporated in the minutes of today's meeting to become a part of the official public record, and that a suitable copy be given you as a permanent reminder of the esteem and affection in which you are held.

Given at Chicago, Illinois
On the thirteenth day of March, one thousand nine hundred and fifty-one, and
In the eighty-fourth year of the University.

At this point, Mr. Livingston asked that Mr. Hickman take the chair.

Mr. Livingston offered the following resolution which was adopted.

To KARL A. MEYER

The Board of Trustees of the University of Illinois expresses its grateful appreciation of your eighteen continuous years of faithful, distinguished service as a member of this Board and as its President for one term.

Few trustees have served the University so long, and none with greater devotion to the University's best interests. Your accomplishments and services on this Board are too long to be enumerated but let it be said that they include the chairmanship for nine years of the Committee on the Chicago Departments, the chairmanship for
five years of the Committee on Student Welfare, the chairmanship of the Committee on Agriculture for six years, service on the Executive Committee for eight years, and the presidency of the Board during the year 1942-1943. In these posts, your professional talents and expert knowledge have been invaluable. The extraordinary development of the University's Professional Colleges of Dentistry, Medicine, and Pharmacy is due in no small measure to your work as Chairman of the Chicago Departments Committee. Likewise, the College of Agriculture and its agencies have benefited by your interest in their special problems.

The President and other administrative officers of the University desire to be included in this tribute and they join the members of the Board of Trustees in extending best wishes to you and Mrs. Meyer for the years that lie ahead.

The Board directs that this resolution be incorporated in the minutes of today's meeting to become a part of the official public record and that a suitable copy be given you as a permanent reminder of the esteem and affection in which you are held.

Given at Chicago, Illinois
On the thirteenth day of March, one thousand nine hundred and fifty-one, and In the eighty-fourth year of the University.

INVITATION FROM THE GOVERNOR

The Secretary read a letter from Governor Adlai E. Stevenson inviting the Board of Trustees to hold the April or May meeting at the Executive Mansion and to be his guests at luncheon.

The Secretary was instructed to express to the Governor the appreciation of the Trustees and to inform him that they accept his invitation with pleasure.

It was agreed that the meeting of the Board should be held on April 19, 1951, at the Executive Mansion in Springfield, if that meets the convenience of the Governor.

On motion of Mr. Nickell, the meeting adjourned.

On invitation of Governor Adlai E. Stevenson, the April, 1951, meeting of the Board of Trustees of the University of Illinois was held in the Executive Mansion, Springfield, Illinois, on Thursday, April 19, 1951, beginning at 12:30 p.m.

The following members were present: President Livingston, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Megran, Mr. Nickell, Governor Stevenson, Mrs. Watkins.

Also present were President George D. Stoddard, Provost C. R. Griffith, Vice-President A. C. Ivy, Mr. J. F. Wright, Director of Public Information, Mr. Lloyd Morey, Comptroller, Mr. C. W. Weldon, Treasurer, and Mr. A. J. Janata, Secretary of the Board.

As the Board convened, Governor Stevenson withdrew from the meeting, stating that he would join the Board later for luncheon.
MINUTES APPROVED

The Secretary presented the minutes of the meeting of February 15, 1951, press proof copies of which had been sent to all members of the Board in advance.

On motion of Mr. Nickell, the minutes were approved as printed on pages 533 to 598, inclusive.

REPORTS OF THE EXECUTIVE COMMITTEE

The Secretary presented the following reports of the Executive Committee.

APPOINTMENT OF DR. ARTHUR KIRSCHBAUM AS PROFESSOR AND HEAD OF THE DEPARTMENT OF ANATOMY

On recommendation of the President of the University, the Executive Committee of the Board of Trustees has approved the appointment of Dr. Arthur Kirschbaum, now on the faculty of the University of Minnesota School of Medicine, as Professor and Head of the Department of Anatomy in the College of Medicine on indefinite tenure beginning July 1, 1951, at an annual salary of $10,500 a year (AY basis), and reports its action for record.

This report was received for record.

CONTRACTS FOR CONSTRUCTION OF CHICAGO HOUSING PROJECTS

Pursuant to the authorization of the Board of Trustees at its meeting on February 15, 1951, the Executive Committee has approved the awards of contracts for the construction of a student residence hall and a staff apartment building for the Chicago Professional Colleges, to be financed by a revenue bond issue also authorized by the Board on February 15 and subsequent actions taken on March 13, 1951, as follows:

**Staff Apartment Building**

General work — James McHugh Construction Company, Chicago...$ 950 200 00
Plumbing — M. J. Corboy Company, Chicago........................ 178 653 00
Heating and ventilation — Associated Piping Contractors, Inc., Chicago........................................ 103 888 00
Electric wiring — Hoffman Electric Company, Chicago.......... 134 700 00
Elevators — Haughton Elevator Company, Chicago................. 51 000 00

**Student Residence Hall**

General work — James McHugh Construction Company, Chicago...$1 334 750 00
Plumbing — M. J. Corboy Company, Chicago......................... 123 118 00
Heating — Economy Plumbing and Heating Company, Chicago...... 122 700 00
Ventilation — Reliable Sheet Metal Works, Inc., Chicago....... 48 072 31
Electric wiring — White City Electric Company, Chicago........ 155 100 00
Kitchen and cafeteria equipment — Duparquet, Inc., Chicago.... 81 430 00
Walk-in refrigerators — Cork Insulating Company, Chicago...... 15 870 00
Refrigerator compressors and coils — Midwest Engineering and Equipment Company, Chicago......................... 10 275 00
Elevators — Haughton Elevator Company, Chicago.................. 45 277 00

Bids on the construction of these buildings were received on March 6, 1951, examined and checked by the architects for these projects and by the Physical Plant Department, and were reviewed by the Committee on the Chicago Departments at a meeting held on April 9. The Committee and the President of the University recommended awards of contracts as listed above and the same were approved by the Executive Committee.

The awards are all to the lowest bidders with the exception of the installation of elevators. In this case the architects and the Physical Plant Department recommended, the Committee on the Chicago Departments and the President of the University concurring therein, that the contracts for the installation of elevators in the two buildings be given to the second lowest bidder, the Haughton Elevator Company, Chicago, because (a) it was ascertained after the bids were received
that the Chicago Elevator and Machinery Company, the lowest bidder, is unable to furnish the automatic controls specified and, therefore, had not submitted a valid bid; and (b) this Company does not manufacture elevators but assembles them, purchasing parts from various manufacturers and hence might not be able to supply replacement parts to meet future needs.

On motion of Mr. Nickell, the action of the Executive Committee was confirmed by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following recommendations and reports presented by President Stoddard.

RECOMMENDATION FOR AN INCREASE IN THE BIENNIAL OPERATING BUDGET FOR 1951-1953

(1) The operating budget as approved by the Board of Trustees on September 29, 1950, included the following item: Salary and Wage Increases—$2,400,000. This fund was equal to 5 per cent of the total wage and salary budget. (For the previous biennium there was available a fund equal to 10 per cent of all the wages and salaries.) It was indicated that the sum of $2,400,000 was needed to provide for merit increases for the academic staff, for changes of rates in prevailing rate groups "assuming they do not exceed moderate amounts," and for comparable adjustments in the salaries and wages of other nonacademic employees. It was stated that this fund would be sufficient "barring material increase in the cost of living."

In the two-year period between September, 1948, and September, 1950, there had been a downward trend and then an upward trend, leaving the indexes for the two Septembers at about the same point. The trend between July, 1949, and September, 1950, had been slowly upward (a total of 5.3 in the index), but the over-all item of $2,400,000 was believed to be sufficient to provide for this also.

Since that time there has been a steady upward trend. Accordingly, on March 13, 1951, the Board approved an increase in the fund for salaries and wages from $2,400,000 to $3,600,000, this change to be offset by revising Item IV, Estimated Savings Due to Lower Enrollments in 1951-1953, decreasing it from minus $1,000,000 to minus $2,200,000. This change provided a fund for increases equal to 7 1/2 per cent of the wages and salaries. At the same meeting this statement was approved: "that further adjustments be considered if the cost-of-living index changes."

I regret to state that the cost-of-living index has gone up, the estimated index for March being 185. This is a net increase of 9.8 per cent over the index on July 1, 1949 (168.5). This situation accounted for the following statement in the budget message of the Governor, submitted to the Sixty-seventh General Assembly on April 10:

"This budget includes personal services appropriations to cover payroll costs at the levels established by the 66th General Assembly and merit increases for all employees who have not reached the maximum of their range. An additional $14 million of General Revenue is included to cover cost of living increases to state employees, other than employees of the University of Illinois which makes its wage policies independently.

"The consumers' price index now stands at 184 compared with 160 in the spring of 1949. With prices continuing to advance, it seems likely that by the time the new biennium begins the index will have increased by about 10 per cent in the past two years. I believe that a compensating adjustment is imperative and I so recommend."

Now the wage and salary policy of the University of Illinois, as I understand it, includes these factors: (1) an adjustment to substantial changes in the cost of living as reflected in the index of the Bureau of Labor Statistics in prevailing rate and associated agreements and in the over-all decisions regarding state
employees, and (2) an equitable arrangement, with respect to the cost of living, between the academic and the nonacademic staffs.

It is clear from the change in the index and from the Governor's pronouncement that there will be a need for a 10 per cent adjustment, since University employees, both academic and nonacademic, will expect to share in any state-wide increase based upon cost of living.

I recommend, therefore, that Item III-A in the budget for 1951-1953, Salary and Wage Increases, be further revised from $3,600,000 to $4,800,000 in order to provide a fund equal to 10 per cent of the total salary and wage item and that the budget askings be revised upward by the sum of $1,200,000, to a total of $76,991,791.

On motion of Mr. Johnston, the biennial operating budget for 1951-1953 was revised as recommended.

APPOINTMENT OF LOUIS B. HOWARD AS ASSOCIATE DIRECTOR OF THE AGRICULTURAL EXPERIMENT STATION

(2) Professor William E. Carroll, Associate Director of the Agricultural Experiment Station, will retire from active service at the end of the current academic year. To replace him as Associate Director, I recommend the appointment of Dr. Louis B. Howard, now Professor and Head of the Department of Food Technology, to the combined positions of Professor and Head of the Department of Food Technology and Associate Director of the Agricultural Experiment Station, at an annual salary of $14,000 (AY, BY basis). His appointment as Professor and Head of the Department will be, as at present, on indefinite tenure; his appointment as Associate Director of the Agricultural Experiment Station will be for two years from September 1, 1951, in keeping with the statutory provision of biennial tenure for deans and directors.

On motion of Mr. Fornof, this appointment was approved as recommended.

APPOINTMENTS TO THE FACULTY

(3) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. JOSEPH McVICKER HUNT, Professor of Psychology, beginning September 1, 1951, at an annual salary of $10,000 (A).
2. WILLIAM E. KAPPAUF, Professor of Psychology, beginning September 1, 1951, at an annual salary of $7,000 (A).
3. CARL CYRUS CLARK, Assistant Professor of Zoology, beginning September 1, 1951, at an annual salary of $4,800 (B).
4. JOSEPH E. BACHELDER, Associate Professor in the Department of Sociology and Anthropology and in the Institute of Communications Research, beginning September 1, 1951, at an annual salary of $7,500 (AY).

On motion of Mrs. Watkins, these appointments were confirmed.

MASTER OF SCIENCE IN HEALTH EDUCATION

(4) The University Senate recommends establishment of the following graduate curriculum in Health Education in the School of Physical Education, leading to the degree of Master of Science.

Admission Requirements

1. A minimum grade-point average of 3.5 for all courses taken during the last two years of undergraduate study.
2. Thirty semester hours of approved undergraduate credit in health education or closely related courses.
3. Twenty-four semester hours of approved undergraduate credit in science.
4. Sixteen semester hours credit in education.
5. A course in tests and measurements or statistics.
6. Students are not admitted on Limited Status.

Graduation Requirements

1. Eight units, to include (a) four units in health education or approved courses in physical education; (b) two units in education, including two of the
following one-half-unit courses: Education 301, Philosophy of Education; Education 302, History of American Education; Education 303, Comparative Education; Education 304, Social Foundations of Education; and the following one-half-unit courses: Education 311, Psychology of Learning for Teachers, and Education 312, Mental Hygiene and the School; (c) registration in and satisfactory completion of Health Education 490, Seminar, without credit; (d) presentation of an acceptable thesis in health education, two units. (The thesis requirement may be waived on petition, in which case two additional units of approved credit are required.)

2. A final comprehensive written examination in health education may be required, depending upon the program of courses and the accomplishment in Seminar and the thesis.

This proposal has been approved by the School of Physical Education and the Executive Faculty of the Graduate College.

I concur.

On motion of Mr. Hickman, this recommendation was adopted.

CHANGE IN THE DOCTORATE DEGREE IN LIBRARY SCIENCE

(5) The University Senate recommends that the degree of Doctor of Library Science be abolished and that in its place the degree of Doctor of Philosophy in Library Science be conferred upon candidates meeting the requirements for the doctorate in that field of graduate study. This is simply a change in the degree and does not affect the graduate program.

I concur.

On motion of Mr. Herrick, this recommendation was adopted.

CHANGES IN FEE STRUCTURE

(6) The University requires the following deposits of students registered in the colleges and schools in Urbana-Champaign:

1. General deposit of $5 to insure payment of library fines, unreturned towels and locks and broken laboratory equipment issued to students.

2. Military deposit of $10 to insure return of military equipment. (This is collected at registration from students in basic ROTC and is refunded at the end of the second semester of each year.)

3. Housing deposit of $25 from students contracting for rooms in the residence halls and $10 from students contracting for quarters in temporary housing facilities. This is credited to the lessee’s account as the final payment due under the lease.

4. A key deposit of $1 required of students to whom any kind of key is issued.

Administration of these deposits involves much bookkeeping. For example, library fines for holding books beyond the specified time limit if not paid at the library are charged against the general deposit of $5 and, if this falls below $2.50, students are required to bring it up to $5.

The Committee on Fees and Scholarships has been studying this and makes the following recommendations for the Urbana-Champaign campus:

1. The collection of the $5 general deposit shall be discontinued as of the 1951 summer session registration, and all outstanding balances shall be returned to depositors after the close of such summer session.

2. The military deposit shall be eliminated as of June 1, 1951, and officers in the Armed Forces (Departments of Military Science, Naval Science, and Air Force Science) who are responsible for instruction in the various basic courses in these departments shall be instructed to report a grade of “E” in each case where military equipment is not returned or payment made for shortages at the close of the academic year.

3. Effective September 1, 1951, the Housing Division shall be authorized to require a deposit in accordance with the types of accommodation, but not to exceed $25, at the time leases are executed, this deposit to be retained until termination of the lease, or of occupancy in cases of lease renewal, and to be returned to lessee minus any outstanding charges when occupancy of quarters is terminated.

4. No special key deposit shall be required after September 1, 1951.
5. Effective September 1, 1951, the University Library shall be given the responsibility of collecting library fines and charges for lost books and in those cases where such charges are not paid promptly, shall report them to the Bursar who will collect the charge and make an additional service charge of $1. It is the judgment of the Committee that these changes will simplify the work and substantially reduce administrative expense. I recommend approval.

On motion of Mrs. Holt, these recommendations were adopted.

RELEASE OF FUNDS FOR BUILDINGS AND OTHER CAPITAL IMPROVEMENTS

The Governor has approved the following releases of funds from appropriations made to the University of Illinois for 1949-1951 for permanent improvements at Urbana-Champaign.

Release No. 62

"Contingencies to cover expenditures for purposes for which the amount in any item enumerated is, or becomes insufficient". $65,000

This is a partial release from an appropriation of $250,000. The Governor has previously released (Releases Nos. 33 and 55) $80,000 from this appropriation. The funds now released are to supplement the appropriation for the construction of the Animal Sciences Laboratory.

Release No. 63

"Contingencies to cover expenditures for purposes for which the amount in any item enumerated is, or becomes insufficient" 85,000

This is a partial release from an appropriation of $250,000. The Governor has previously released (Releases Nos. 33, 55, and 62) $145,000 from this appropriation. The funds now released are to supplement the appropriation for the construction of agricultural structures and remodeling present agricultural buildings.

Release No. 64

"Contingencies to cover expenditures for purposes for which the amount in any item enumerated is, or becomes insufficient" 7,000

This is a partial release from an appropriation of $550,000. The Governor has previously released (Releases Nos. 3, 5, 21, 22, 31, and 34) $353,000 from this appropriation. The funds now released are to supplement the appropriation for the acquisition and installation of equipment in the Chemistry Building.

I recommend that these funds be appropriated by the Board for the purposes indicated.

On motion of Mr. Johnston, these funds were appropriated, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

Urbana-Champaign Campus

1. Construction of a chilling room at the Stock Pavilion for the Department of Animal Science. $10,000
2. Remodeling of the Hydraulic Engineering Laboratory for the Department of Civil Engineering. 15,000
3. Equipment for cartography for the Department of Geography, College of Liberal Arts and Sciences. 5,000
4. Repair of tables for the University Library. 4,730
5. Construction of parking area, including landscaping, to serve the Veterinary Medicine Building, Mumford Hall, and other buildings in that vicinity. ............................................................. 33 500
6. X-ray equipment for the Department of Geology. ....................... 14 600

Chicago Professional Colleges

7. Rehabilitation of lockers in the Department of Anatomy. ................. 900
8. Acquisition of a colony of experimental mice for the College of Medicine. .......................................................... 5 500
   Transportation and equipment. ........................................... $3 200
   Installation of ventilating fans and a package air-conditioning unit in the room in which the mice will be housed. ...... 2 300
9. Equipment for the College of Pharmacy. ................................ 1 000
10. Air-conditioning and ventilating work in the Betatron, this assignment to be made from the Chicago nonrecurring fund. .... 5 027

I recommend that these appropriations be made from the General Reserve Fund, except as indicated in the last item.

On motion of Mr. Nickell, these appropriations were made, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

APPROPRIATION FOR FIRE PROTECTION AND SAFETY IMPROVEMENTS IN AGRICULTURAL ENGINEERING BUILDING

(9) The Board of Trustees has assigned $40,000 from the state appropriation for 1949-1951 of $200,000 (plus $15,000 for contingencies) for "Construction of agricultural structures and remodeling present agricultural buildings" for remodeling and improving space in the Agricultural Engineering Building. The Board also assigned $120,000 for construction of new space.

This remodeling and improvement, which will make the building as functionally useful as possible, should not be undertaken before certain fire hazards are eliminated. The Director of the Physical Plant and the College of Agriculture have prepared a plan for long-range use of the building in compliance with safety code regulations to provide the degree of safety in the Agricultural Engineering Building which is necessary as a minimum program:
   Installation of sprinkler system in the original building and tractor laboratory which could be accomplished without major building alterations. $30,000
   Construction of a new enclosed stair in the southeast corner of the building with direct access to the exterior and to the floor over the existing stair which is adjacent to the elevator shaft. .......... 8 500

Other, less urgent, improvements will be recommended later.

It is desirable that the remodeling and improvements for which the assignment of $40,000 was made from the state appropriation and the safety improvements be made concurrently. The Provost, the Director of the Physical Plant, and the Comptroller recommend an appropriation of $38,500 from the General Reserve Fund to initiate this program of fire protection and safety improvements.

I concur.

On motion of Mr. Grange, this appropriation was made as recommended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

APPROPRIATION FOR DEPARTMENT OF AGRICULTURAL ENGINEERING

(10) The Dean of the College of Agriculture and the Comptroller recommend that an appropriation of $1,260 be made from accumulated receipts of the Department of Agricultural Engineering for the purchase of a pickup truck to replace one purchased in 1938.
These funds are available in surplus receipts of the Department reserved for its use.

I concur.

On motion of Mrs. Holt, this appropriation was approved by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

ADDITIONAL FUNDS FOR THE DIVISION OF SERVICES FOR CRIPPLED CHILDREN

(11) The budget for 1950-1951 for the Division of Services for Crippled Children includes $253,284 which is received from federal funds to supplement state appropriations for this program.

Congress has made available additional moneys for allocation to various states, and the portion of such additional funds available to the Division of Services for Crippled Children in Illinois is $66,000. This will supplement the present program and also provide for treatment of epilepsy cases. The Director of the Division of Services for Crippled Children recommends acceptance of these additional funds and their appropriation for the use of the Division.

I concur.

On motion of Mr. Nickell, this appropriation was made by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

Vice-President Ivy stated that legislation is before the Sixty-seventh General Assembly of Illinois to transfer the Division of Services for Crippled Children to the State Department of Public Welfare and that he had already been called upon to testify on this proposal.

On motion of Mr. Nickell, seconded by Mr. Hickman, the Board voted to authorize and request Vice-President Ivy to inform appropriate committees of the General Assembly that, in the judgment of the Board of Trustees of the University of Illinois, it would be contrary to the best interests of the educational and research program of the Division of Services for Crippled Children to transfer the Division from the University to the Department of Public Welfare.

EASEMENTS TO THE MEDICAL CENTER STEAM COMPANY

(12) It is necessary that the Board of Trustees of the University of Illinois grant certain easements to the Medical Center Steam Company for construction of distribution lines on University property. The easements are recommended by the Director of the Physical Plant and the Comptroller. The Legal Counsel has prepared the necessary documents.

I recommend that the Comptroller and the Secretary of the Board be authorized to execute such easements.

On motion of Mr. Fornof, these easements to the Medical Center Steam Company were approved, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

RELOCATION OF ALLEY ON SITE OF STUDENT RESIDENCE HALL, CHICAGO

(13) In connection with the construction of a student residence hall for the Chicago Professional Campus, it is necessary to vacate the alley now on the site. The city of Chicago has agreed to a procedure under which the University, through the Medical Center Commission, will provide land to relocate the alley.
An ordinance vacating the present alley is being acted upon by the Council of the city of Chicago. Before such an ordinance becomes effective, the University is to dedicate the south sixteen feet of the property of 821 South Winchester Avenue, to provide a means of egress to take the place of the alley being vacated. The Comptroller and the Director of the Physical Plant recommend that the following resolution be adopted:

Resolved, That when the Board of Trustees of the University of Illinois shall acquire title to the following described real estate, this Board does hereby authorize, empower, and direct the Comptroller and the Secretary of this Board, in the name and on behalf of this Board, to execute and deliver to the city of Chicago, a plat of dedication, to wit: South Sixteen (16) feet of Lot Sixty-one (61) in the Potter Palmer subdivision of Lot Eleven (11) and that part of Lot Twelve (12) lying South of the center line of Polk Street, except Winchester Avenue in Codwise’s Subdivision of the West Half (W½) of the Southeast Quarter (SE¼) of Section Eighteen (18), Township Thirty-nine (39) North, Range Fourteen (14) East of the Third Principal Meridian, except the West One and Thirty-seven Hundredths (1.37) chains.

I concur.

On motion of Mr. Johnston, this resolution was adopted by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

REMOVAL OF OVERHEAD PUBLIC UTILITIES AT CHICAGO PROFESSIONAL COLLEGES

(14) It is necessary that an alley running through University property directly south of Polk Street between Wolcott Street and Winchester Avenue in Chicago be vacated. An ordinance providing for this will be presented to the City Council on April 19. The vacation of this area is now necessary because of the construction of a student residence hall for the Chicago Professional Colleges. This will require relocation of the overhead lines of the Commonwealth Edison Company and the Illinois Bell Telephone Company to an area to be conveyed by the Medical Center Commission to the University.

Since this change is for the convenience of the University, it should pay the expense of relocating the public utilities lines. The Commonwealth Edison Company has estimated its cost at $2,842 and the Illinois Bell Telephone Company’s estimate is $1,600. The Director of the Physical Plant and the Comptroller recommend that these expenditures be authorized. Funds are available and have been released from the state appropriation “Permanent Improvements at Chicago—Construction of Utility Distribution System and remodeling of existing buildings.”

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the necessary documents.

On motion of Mrs. Watkins, authority was given as recommended.

CONTRACT FOR WRECKING OF BUILDINGS AT 821-23 AND 825 SOUTH MARSHFIELD AVENUE, CHICAGO

(15) The Medical Center Commission is transferring to the University land needed for the staff apartment building and student residence hall to be constructed for the Chicago Professional Colleges. The buildings on the property at 821-23 and 825 South Marshfield Avenue, Chicago, which is part of the area to be transferred, will have to be demolished.

The Director of the Physical Plant and the Comptroller recommend award of a contract for $2,235 to the Bosley Wrecking Company, Chicago, the lowest bidder, for razing of these buildings, subject to the completion of the transfer of the land to the University and final sale of the bond issue for these housing projects. The cost of this site clearance will be paid from the proceeds of the bond issue.

I concur and recommend that the Comptroller and the Secretary be authorized to execute this contract accordingly.

On motion of Mr. Johnston, this contract was authorized as recommended.
The Director of the Physical Plant and the Comptroller recommend award of a contract for $10,600 to the Midwest Engineering and Equipment Company, Chicago, the lowest bidder, for changes in the Betatron Building at the Chicago Professional Colleges to provide proper ventilation. The work will consist of replacing the present oversized ventilating unit with a smaller air-conditioning unit to supply cool dehumidified air in the summer and warm air in the winter months.

There is a balance of approximately $7,000 in an appropriation previously made by the Board for the Betatron installation. The special appropriations for nonrecurring expenditures being recommended in today’s meeting includes an item of $5,027 to supplement that balance and to provide for the installation of the air-conditioning equipment.

Subject to approval of this appropriation, I recommend that this contract be awarded and that the Comptroller and the Secretary of the Board be authorized to execute it.

On motion of Mrs. Holt, this contract was authorized as recommended.

The Director of the Physical Plant and the Comptroller recommend the award of a contract for $7,844 to Gallaher and Speck, Chicago, the lowest bidder, for the installation of a fuel oil storage tank and necessary piping for the Diesel engine house to be constructed as part of the addition to the Abbott Power Plant.

Funds are available in the state appropriation for “Additions to Power and Heating Plant and remodeling of existing buildings.”

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was authorized as recommended.

The Board of Trustees appropriated $14,000 for the improvement of the main campus steam condensate return system of which $6,000 had been budgeted for the installation of a six-inch return pipe in a tunnel from First Street to Euclid Avenue and $8,000 for the installation of a vacuum pump in the new vault adjacent to the tunnel system at the Administration Building.

The following bids have been received on the installation of piping:

Gallaher and Speck, Inc., Chicago..................................................$11,500
William A. Pope Company, Chicago.............................................. 11,608
Associated Piping Contractors, Inc., Chicago................................ 11,620
N. J. Holleran, Inc., Chicago...................................................... 16,765

This will require $6,000 of additional funds which can be provided from balances in budgeted appropriations to the Physical Plant Department for the current fiscal year.

The Director of the Physical Plant and the Comptroller recommend award of a contract for $11,500 to Gallaher and Speck, the lowest bidder.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Nickell, this contract was authorized as recommended.

The Director of the Physical Plant and the Comptroller recommend award of a contract for $6,985 to the Acoustical Floor Tile Company, Champaign, the lowest bidder, for acoustical treatment in rooms in Smith Music Hall and Stiven House.
This is part of a program of improvements for which the Board made a special appropriation on January 23, 1951, and funds are available. The lowest bid is well below the estimate of the cost of this phase of the work.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Herrick, this contract was authorized as recommended.

**CONTRACT FOR CONSTRUCTION OF DRIVE, WALKS, AND PARKING AREA ON SOUTH CAMPUS**

(20) The recommendation for Special Appropriations for Nonrecurring Expenditures includes an item for the construction of (a) extension of Taft Drive, (b) a minor service road, (c) sidewalks, (d) lawn drainage outlets, and (e) a parking lot in the vicinity of Mumford Hall and the new Veterinary Medicine Building.

The following bids have been received on the first four of these items:

- General Paving Company, Champaign: $15,600
- Champaign Asphalt Company: $16,560
- John Felmley Company, Bloomington: $18,000

Bids were previously taken on the construction of a larger parking lot in the same area, to accommodate approximately 240 cars; this is not being recommended because of the cost involved. The General Paving Company, lowest bidder on projects (a) to (d) listed above, was also lowest bidder on the construction of the larger parking lot and it has offered to construct the smaller lot for 78 cars at a cost of $10,380. The Physical Plant Department considers this a satisfactory estimate.

The Director of the Physical Plant and the Comptroller recommend the award of a contract of $15,600 to the General Paving Company for the work on items (a) to (d) and a contract for $10,380 for construction of a 78-car parking lot with an asphaltic surface.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts.

On motion of Mrs. Holt, these contracts were authorized as recommended.

**ADDITION TO GENERAL CONTRACT FOR REMODELING OF ENGINEERING RESEARCH LABORATORY**

(21) The Director of the Physical Plant and the Comptroller recommend an addition of $11,330 to the contract with the John Felmley Company for the general work of remodeling the Physical Plant Service Building, now known as the Engineering Research Laboratory, to complete the fourth floor. This area was not included in the original contract in order to keep down the cost of the remodeling. The additional space which will be made available is urgently needed for research projects.

Funds are available in a special appropriation made by the Board of Trustees on February 15, 1951, for this project.

I concur and request that the Comptroller be authorized to execute this contract addition.

On motion of Mr. Grange, authority was given as recommended.

**ADDITION TO CONTRACT FOR CONSTRUCTION OF POWER PLANT CHIMNEY**

(22) The University has a contract with the Custodis Construction Company, Inc. of Chicago for (a) the construction of a brick chimney for the Abbott Power Plant and (b) inspecting the present concrete chimney and making recommendations for repairing it. The new chimney will supplement, not replace, the present stack as a second chimney is needed to service the addition to the Power Plant. The Custodis Construction Company, Inc. in its report on rehabilitation of the present concrete stack recommends, as the best solution, replacing it with a new all-brick stack. It is estimated that this would cost $60,000. In the opinion of
Sargent and Lundy, Engineers, Chicago, who designed the Power Plant, and the Director of the Physical Plant, the repairs recommended by the Custodis Construction Company, Inc. as an alternate solution would make the present stack serviceable. The estimated cost of this is $9,500.

The Director of the Physical Plant and the Comptroller therefore recommend an addition to the contract with the Custodis Construction Company, Inc. for repairing the present concrete stack on the following cost basis, but not to exceed $9,500: labor, material, and contractor's insurance at actual cost; living expenses of a foreman and two helpers during the job at $5 per day each; rental of equipment at $10 per day; plus 15 per cent of all costs for overhead expenses, and 20 per cent of all costs for profit.

Funds are available in the Physical Plant budget.

I recommend that the Comptroller be authorized to execute this addition to the contract.

On motion of Mr. Johnston, authority was given as recommended.

**ADDITION TO CONTRACT FOR CONSTRUCTION OF ANIMAL SCIENCES LABORATORY**

(23) The Director of the Physical Plant and the Comptroller recommend an addition of $1,925.75 to the contract with Sumner S. Sollitt and Company, Chicago, for the general work on the construction of the Animal Sciences Laboratory for the construction of quarters on the roof for the Department of Astronomy and the Division of General Studies. The Board of Trustees on March 13, 1951, made an assignment of funds for this work.

I concur and recommend that the Comptroller be authorized to execute the necessary change order.

On motion of Mrs. Watkins, authority was given as recommended.

**ADDITION TO THE CONTRACT FOR EXTENSION OF GOODWIN AVENUE**

(24) The University has a contract with the General Paving Company, Champaign, for the construction of an asphalt surface drive with concrete curbs for the extension of Goodwin Avenue south from Gregory Drive to Pennsylvania Avenue.

This extension was planned so that the drive would run slightly southeaster to connect with a future extension of Goodwin Avenue south from Pennsylvania Avenue. As a result the intersection with Pennsylvania Avenue was designed to be of a temporary character. Reconsideration of the traffic problem involved indicates that it would be better to extend this drive directly south and that a right angle intersection with Pennsylvania Avenue is preferable to a diagonal crossing. Hence, the intersection with Pennsylvania Avenue should be of a permanent character and should be constructed of concrete.

The Director of the Physical Plant and the Comptroller recommend an addition of $3,700 to the contract with the General Paving Company for concrete construction instead of asphalt in this intersection area. The construction of this extension will be paid from the state appropriation for "Construction of Animal Sciences Laboratory." This is a proper charge since the construction of this building has required closing Mathews Avenue and an alternate route is needed. Sufficient money is available for the addition to the contract.

I concur and recommend that the Comptroller be authorized to execute this change.

On motion of Mr. Hickman, authority was given as recommended.

**ADDITION TO CONTRACT FOR ENGINEERING SERVICES ON STORM SEWER DESIGN**

(25) The University has a contract with Wilson and Anderson, Engineers, Champaign, for engineering services in designing a storm sewer along the road north and immediately in front of the Floriculture and Vegetable Greenhouses to connect with the Lincoln Avenue storm sewer in Urbana. Preliminary studies indicate that the Lincoln Avenue sewer, in addition to draining the area in the immediate vicinity of the greenhouses, could provide a much needed outlet for a
larger area extending west as far as the site of the proposed new residence hall for men on Fourth Street. These studies also indicate that it would be more economical to use the Lincoln Avenue storm sewer as an outlet for such drainage than to construct a storm sewer connecting with the Boneyard.

Although funds are not available for actual construction of the storm sewer, it is desirable to prepare plans and specifications. The Director of the Physical Plant and the Comptroller, therefore, recommend that the contract with Wilson and Anderson be amended to provide for the preparation of plans and specifications on a revised program, on the following terms: (a) for design, plans, and specifications, a fee of 3½ per cent of construction costs based on an estimated total of $100,000, plus 3 per cent on that portion of construction cost in excess of $100,000; (b) for general direction of the work, a fee of 3½ per cent of the actual cost if construction is undertaken; (c) in the event the services of an engineer for continuous inspection and supervision are desired, such services to be provided on the basis of net wages plus 15 per cent for overhead.

The total estimated cost of the engineering services is $5,900. Funds are available for this, subject to the release by the Governor, in the state appropriation for "Construction of extensions to the Utility Distribution Systems."

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this modified contract.

On motion of Mr. Herrick, authority was given as recommended.

SALE OF HOUSE ON MCCULLOUGH FARM

(26) Among the improvements acquired with the McCullough farms purchased in 1949 for the College of Agriculture, on the north portion of the farm assigned to the Dairy Science Department, is a two-story dwelling house. It is of poor construction. It was appraised at $1,600 at the time of purchase. The Physical Plant Department has estimated that $12,000 would be required for rehabilitation and modernization of this dwelling. The Department of Dairy Science recommends that the house be advertised for sale and removed from the property.

I request authority for the disposal of this house by sale to the highest bidder.

On motion of Mrs. Holt, authority was given as recommended.

COMPREHENSIVE DEVELOPMENT PLAN FOR CHAMPAIGN-URBANA

(27) In 1947 there was organized in Champaign-Urbana a Community Housing and Development Council to provide for planning for the civic growth and development of the local community and of the University of Illinois. The University was largely responsible for the organization of the Council, on which it has representatives. The work of the Council has been significant in promoting the development of additional residential housing but it has been chiefly concerned with a long-range plan for over-all development. The Council employed Swanson Associates, Bloomfield Hills, Michigan, to prepare this master plan. The job is finished and a "Comprehensive Development Plan for Champaign-Urbana" has been produced. A copy of this plan has been sent to each member of the Board of Trustees.

The University, through an appropriation of $20,000 made by the Board of Trustees on February 21, 1948, contributed to the cost of preparing this Plan. Among the advantages to the University which will result from its application are: (a) better housing and civic improvement which will aid in securing staff and in providing living quarters for both students and staff; (b) a reduction in the amount of staff housing the University will need to provide; (c) improvement of traffic conditions; (d) extension of utilities and other municipal services; and (e) proper co-ordination of University and community expansion. It would have been necessary for the University in any case to do a considerable part of the planning included in this project.

The Comprehensive Development Plan is a long-term outline as a guide for public and private developments. The recommendations it contains are not arbitrary requirements. The Plan as conceived by the planners must be considered flexible. It offers an acceptable working guide for future development so far as the University is concerned.
While the University as a separate governmental entity of the state acts in accordance with state laws, it is the policy of the University to co-operate with local authorities in dealing with problems of mutual concern.

With these conditions in mind, the University's Building Program Committee recommends that the Board of Trustees accept the Comprehensive Development Plan as a general guide for the future development of the campus at Urbana-Champaign.

I concur.

On motion of Mr. Fornof, this recommendation was adopted.

BEQUEST OF BENJAMIN F. HUNTER

The late Benjamin F. Hunter of Lebanon, Indiana, who died on January 22, 1951, left an estate, in which the University of Illinois has an interest, consisting of certain securities, the value of which has not yet been ascertained, residence property in Lebanon in which he lived, approximately 240 acres of farm land in DeWitt County, Illinois, and approximately 450 acres of farm land in Piatt County, Illinois. Under his will, Miss Ruth Alice Hundley of Lebanon, Indiana, is bequeathed $10,000 plus certain personal property, and a life estate in the residence property in Lebanon and in the DeWitt County farm lands. The remainder in those properties after her death and all the farm land in Piatt County are bequeathed and devised to the Millikin Trust Company, Decatur, as trustee of a fund to be used for undergraduate scholarships at the University of Illinois and its several branches for worthy and needy students from farm homes in Illinois. The will also provides cash legacies to two other friends and to two brothers and one sister of Mr. Hunter. The Illinois State Museum is to receive certain personal property, including collections of antique clocks, furniture, and other household furnishings. The bequest in this case is validation of a gift of these articles previously made to the Museum but retained in the possession of Mr. Hunter during his lifetime. Miss Hundley and the Millikin Trust Company of Decatur are named Executors.

The scholarships are to be designated "The Jeanette Evangeline and Benjamin F. Hunter Scholarship" in memory of Mr. Hunter and his wife, who predeceased him. She was an alumna of the University of Illinois.

Mr. Hunter's two brothers and sister, all of whom live in California, succeeded in filing informal objections to the will and to its admission to probate in the Boone County, Indiana, Circuit Court two days after his death and two days before the Executors obtained possession of the will and filed it for probate. Subsequently, the heirs filed formal objections to admission of the will to probate, charging that Mr. Hunter was not mentally competent to make a will at the time it was executed and that execution by him of the will was procured by fraud and undue influence exercised by persons unknown to the objectors and that the will was not properly executed. Under Indiana law, filing of objections to a will even before it has been filed for admission to probate is permissible. This places upon the proponents of a will the burden of establishing its validity and a unanimous verdict of twelve jurors must be obtained when a trial is had under such proceedings in order to secure admission of the will to probate in Indiana. In the meantime, on petition of the objectors, the Court has appointed the Boone County State Bank, Lebanon, Special Administrator, whose sole function is to preserve the personal property of the estate.

Since so much of the real property of the estate is in Illinois, it may be possible to secure the admission of the will to probate in this state before a trial is had in Indiana, but this requires producing the will in the Illinois Court. The original is now on file in the Office of the Clerk of the Boone County Circuit Court in Indiana, which Court will undoubtedly refuse to permit its withdrawal from the custody of its Clerk while the present proceeding is pending in that Court. The objectors are certain to resist any such move. It may be possible to secure admission of the will to probate in Piatt or DeWitt County, Illinois, by providing a certified photostatic copy instead of the original. Whether this can be done is doubtful.

The validity of the will having been challenged, its executors may not use any funds of the estate for the purpose of defending it. In the meantime, certain
legal steps should be taken to protect the interests of the legatees, including the potential and unknown beneficiaries of the scholarship trust.

A conference to discuss this matter was held in Decatur, Illinois, on March 29 at which the following were present: Mr. Ralph J. Monroe of Monroe and McGaughey, Decatur, Counsel for the Millikin Trust Company, the Illinois Executor named in the will and trustee of the trust provided therein; Mr. Charles Ruedi, Chief Trust Officer of the Millikin Trust Company; Mr. W. H. Parr, Jr. of Parr, Parr, and Parr, Lebanon, Indiana, representing Miss Ruth Alice Hundley, the Indiana Executor and one of the principal legatees; Dr. Thorne Deuel, Director of the Illinois State Museum; Mr. Elmer Nafziger of the firm of Stevens and Herndon, Springfield, who represented the Attorney General of Illinois in connection with the interests of the State Museum; and Mr. Ralph F. Lesemann, representing the University of Illinois.

Those primarily interested in establishing the validity of the will are Miss Hundley (the Indiana Executor) and the University of Illinois, the latter for the protection of the interests of potential beneficiaries—young men and young women from farm homes in Illinois who would receive financial assistance in securing a college education. On the other hand, since the University will receive no direct benefits, it would not be justified in paying a substantial amount from its own funds in an attempt to establish validity of the will. Miss Hundley is financially unable to make a substantial contribution to the expense of the litigation unless she receives what is bequeathed and devised to her in the will. For these reasons, it is obvious that attorneys should be employed on a contingent fee basis with beneficiaries providing only the funds needed for defraying expenses of litigation other than legal fees. It is estimated that the immediate expenses will be between $1,200 and $1,500 although they may run higher, depending on progress of the trial and whether or not an appeal is taken by either party from a verdict and judgment adverse to it.

It was agreed by the participants in the conference, subject to approval of those for whom they are acting, that Miss Hundley, the principal beneficiary, should contribute one-third of the funds for the initial expenses; the University, one-third; the Illinois State Museum, one-sixth; and the Millikin Trust Company, one-sixth. This would require an initial expenditure by the University of $400 to $500 which should be made available not later than May 1.

Representatives of the law firms of Monroe and McGaughey and Parr, Parr, and Parr stated that their firms will handle all the litigation necessary, and will act as attorneys for the executors in connection with the administration of the estate, for a contingent fee of 25 per cent of the value of the gross estate (excluding the value of the personal property bequeathed to the Illinois State Museum), as valued in Indiana and Illinois inheritance tax and in federal estate tax returns, subject to a maximum fee of $50,000 if only one trial proves necessary, plus an additional $5,000 if an appeal has to be taken from a verdict and judgment adverse to the validity of the will, plus another $5,000 for a second trial of the case if necessitated by failure of the jury in the first trial to reach a verdict or by an appeal resulting in a second trial being ordered. The representatives of the two firms agreed that the legal fees may be paid out of income, provided the payments can be made within four years after admission of the will to probate, so that it would not be necessary to sell any of the property to pay fees. Miss Hundley will contribute to these fees in proportion to her share of the estate.

In the opinion of Mr. Ralph F. Lesemann, University Counsel-elect, this litigation should not be handled by the University's Legal Counsel. First, the University is only one of the parties interested. Second, if the University Counsel assumed charge of the litigation, it would be necessary for him to employ Parr, Parr, and Parr, or some other counsel in Indiana, to assist in preparing for the trial since much of the work could not be done by any Illinois lawyer without local assistance in Indiana. Third, if the University Counsel were to assume active charge, he would need to devote much time and work to it and the University would, therefore, incur more expenses payable from its funds than would be justified in view of the nature of its interest. He recommends that the Board of Trustees authorize payment of an initial contribution of $400 toward the expenses of this litigation other than attorneys' fees. No formal action by the Board need be
taken at this time on the question of employment of attorneys, since they have already been retained by the Indiana and Illinois executors. There is a possibility that the Attorney General of Illinois may appear in the legal proceedings to represent the interests of the unknown beneficiaries of the charitable trust which would be established under the will.

I recommend that the Board authorize a contribution of $400 toward the expenses of this litigation.

On motion of Mr. Hickman, this payment was authorized.

**C.P.A. Litigation**

(29) The Circuit Court of Cook County in the case of Chatkin *et al.* v. University of Illinois *et al.*, has declared that the provision for the examination in Section 4(b) of the Accountancy Act of 1943, as amended, does not meet constitutional requirements and is therefore void. Under this provision of the law the University issued certificates of Certified Public Accountant to applicants who have held unrevoked certificates of registration as Public Accountant (issued by the Department of Registration and Education) for at least five years, who have been engaged in the practice of public accounting in Illinois for at least five years, and who successfully passed a written or oral examination given by a special board of five examiners appointed by the University with the approval of the Department of Registration and Education.

Approximately 133 C.P.A. certificates have been issued by the University since 1943 under the section held unconstitutional in this case. The suit was defended by Mr. Ralph F. Huck, representing the Illinois Society of Certified Public Accountants, Mr. William C. Wines for the Attorney General, representing the Department of Registration and Education, Mr. Herbert Stoffels, representing the Public Accountants Association of Illinois, and Professor W. E. Britton, representing the University. The two professional organizations are seeking legislation to remedy the defects in the statute and to preserve the C.P.A. certificates already issued under the void section.

The court decision does not affect other sections of the Accountancy Act under which the University of Illinois has been issuing C.P.A. certificates since 1903. These include the successful candidates in the standard C.P.A. examinations given in May and November of each year, applicants who hold C.P.A. certificates issued on the basis of written examinations by other states, territories, and the District of Columbia and who can meet certain educational requirements specified by law, and applicants who hold unrevoked certificates of registration as Public Accountant in Illinois issued on the basis of the regular semi-annual written examination by the Department of Registration and Education under the Public Accounting Act of 1927, provided such candidates applied for the same within one year following the passage of the Accountancy Act of 1943. Applicants in this last category were not required to pass any further examination. Section 4(b), which has now been declared unconstitutional, provides that it would be operative only in cases of candidates who made application ten years following the Act of 1943.

This report was received for record.

The Secretary of the Board reports that in view of the decision of the Circuit Court of Cook County in the case of Chatkin *et al.* v. University of Illinois *et al.*, holding that the provision for the examination in Section 4(b) in the Accountancy Act of 1943 does not meet constitutional requirements and is void, the issuance of C.P.A. certificates to the following candidates who were awarded the same by the Board of Trustees has been withheld:

**Bernard Blum**
**Lee Roy Dehler**
**Irving Fischel Kramer**

**George C. Mattran**
**Daniel M. Simon**
**Timothy Joseph Sullivan**
Award of these certificates was approved at the February 15, 1951, meeting of the Board but were not prepared and ready for delivery to the candidates until after the court decision was handed down on February 28 and became known to University officials. Under these circumstances, issuance of such certificates, even though authorized prior to the date of the decision, might nevertheless be regarded as contempt of court.

A footnote has been added to the report of the action of the Board of Trustees in the minutes of the meeting of February 15, 1951.

On motion of Mrs. Holt, the action of the Secretary of the Board in this matter was confirmed.

**PATENT POLICY AND GOVERNMENT RESEARCH CONTRACTS**

(30) Negotiations are in process with various agencies of the government for classified research projects. Such projects may be designated Restricted, Confidential, Secret, or Top Secret. In accordance with the terms of the agreements and government regulations, only University persons who have secured proper clearance by the government may have knowledge of the investigations.

While all these projects are in the interest of national defense, every effort is made to select projects in fields in which the University is already engaged, or would be engaged if funds permitted. The University Research Board and the Defense Research Coordinating Committee have advised that such classified projects should be accepted.

In certain projects the United States government requires that title to inventions, patents, or copyrights, and the decision as to whether results may be published, remain with the government. This is contrary to a general policy of the University. After a thorough review of the pending contracts, it is recommended by the Chairman of the University Research Board, the Chairman of the Defense Research Coordinating Committee, and the Comptroller that the policy of the University with respect to inventions, patents, and copyrights be waived when so required by the United States agency with which an agreement for classified research is negotiated.

I concur.

On motion of Mr. Herrick, this recommendation was adopted.

**RELEASE OF INVENTION OF "'0' RING COUPLER"**

(31) Mr. Frank E. Witt, an instrument maker in the Department of Physics, has invented what he describes as an "'0' Ring Coupler" which may have certain uses in the construction of scientific equipment. It is the judgment of the University Research Board that the device is not of basic scientific importance and does not warrant development by the University. Accordingly, the Research Board recommends that the invention be released to Mr. Witt.

I concur.

On motion of Mr. Grange, the release of this invention was authorized as recommended.

**ANNUAL REPORT OF UNIVERSITY TREASURER**

(32) In accordance with the By-Laws of the Board, the Treasurer of the University has submitted a report of the operations of his office for the period March 1, 1950, to February 28, 1951, certified by the Comptroller. Signed copies of this report are filed with the Secretary of the Board, and a copy is sent to each member of the Board.

The report covers the period of service of I. L. Porter, Treasurer (who died on December 24, 1950, while in office), from March 1, 1950, to January 4, 1951, and the operations of C. W. Weldon, Treasurer, from January 4, 1951, the date he qualified as Treasurer, through February 28, 1951.

On motion of Mr. Johnston, this report was received for record.
RESOLUTION AUTHORIZING DELEGATION OF SIGNATURES ON PAYMENTS FROM "UNIVERSITY OF ILLINOIS COLLEGES OF DENTISTRY, MEDICINE, AND PHARMACY CONSTRUCTION FUND ACCOUNT"

The proceeds of the revenue bonds to be issued to finance the construction of the Student Residence Hall and the Staff Apartment Building for the Chicago Professional Colleges are to be set up in the "University of Illinois Colleges of Dentistry, Medicine, and Pharmacy Construction Fund Account" in the Trust Department of the First National Bank of Chicago. Withdrawals from this account may be only upon order of the Comptroller and the Treasurer of the Board of Trustees. It is desirable that they be authorized to delegate their signatures to expedite payments from this account.

The following resolution will accomplish this, and I recommend its adoption:

Resolved, that the Comptroller and the Treasurer of the Board of Trustees of the University of Illinois are authorized to delegate the signing of their names as Comptroller and Treasurer, respectively, to orders to be presented to the First National Bank of Chicago on withdrawals from the University of Illinois Colleges of Dentistry, Medicine, and Pharmacy Construction Fund Account.

The Comptroller of the Board of Trustees is authorized to delegate to H. A. Hazleton, to G. H. Pontious, and to H. O. Albers in Chicago authority to sign his name as Comptroller of the Board of Trustees to orders to the First National Bank of Chicago making withdrawals from the University of Illinois Colleges of Dentistry, Medicine, and Pharmacy Construction Fund Account.

The Treasurer of the Board of Trustees is authorized to delegate to Joseph J. Kaberna and to Harlow W. Gregory authority to sign his name as Treasurer of the Board of Trustees to orders to the First National Bank of Chicago making withdrawals from the University of Illinois Colleges of Dentistry, Medicine, and Pharmacy Construction Fund Account.

On motion of Mr. Nickell, this resolution was adopted.

EASEMENTS TO CITY OF URBANA OVER UNIVERSITY LAND

The city of Urbana has requested easements over property owned by the University of Illinois for (a) the installation of a 24-inch storm sewer from Springfield Avenue at Harvey Street, south to the Boneyard, to replace an existing 12-inch sewer; (b) the installation of a new 10-inch sewer from the intersection of Florida Avenue and Lincoln Avenue south and west approximately 825 feet to connect to an existing field drain with an outlet to the Embarrass River watershed.

The city will pay the entire cost of the installation from gas tax funds. Both outlets are necessary to provide proper drainage.

The first project (a) will cross only a service area used by the Physical Plant Department; the second will cross areas used by the College of Agriculture.

The Director of the Physical Plant and the Comptroller recommend that easements be granted the city of Urbana to construct and maintain such sewers at the city's expense, provided that the city will replace top soil, remove excess soil, and assume responsibility for any damages to persons or property.

I concur.

On motion of Mr. Herrick, this recommendation was adopted by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

CONTRACT FOR CONSTRUCTION OF PLAYGROUND AT STUDENT AND STAFF APARTMENT BUILDINGS

There is need for a playground at the Student and Staff Apartment Buildings at Green Street and Goodwin Avenue in Urbana. The University has a contract with the Champaign Asphalt Company for the construction of a parking lot at 1108 West Green Street near the apartments. This Company has offered to construct the playground which will include grading of approximately 6,400 square feet of ground for drainage, construction of catch basins and connecting
them with the existing drainage systems, laying of a four-inch stone subbase covered with a two-inch asphalt surface, and installation of playground equipment for $3,160. This estimate has been checked by the Physical Plant Department and is considered a fair price. Adding this relatively small playground project to the present contract with the Champaign Asphalt Company will save the cost of preparing drawings and specifications.

Funds are available in the construction account of the Student and Staff Apartment Buildings for this contract addition.

I concur and recommend that the Comptroller be authorized to execute this change in the contract.

On motion of Mr. Grange, authority was given as recommended.

**CONTRACT FOR ELECTRICAL IMPROVEMENTS IN STOCK PAVILION**

(36) Bids have been taken on an abattoir addition to the Stock Pavilion including reconstruction and improvements of the electrical service and installation of large transformers. The bids received indicate that the cost of the abattoir addition would exceed available funds and the project must be reconsidered. However, the work on the improvements in the electrical service can proceed regardless of when the abattoir addition is constructed. The following bids on this phase of the work have been received:

- Brunkow Electric Company, Champaign: $16,500
- Anderson Electric, Inc., Danville: $20,487
- Potter Electric Service, Urbana: $20,285

The Brunkow Electric Company has indicated that if the abattoir addition is not included in the contract its bid can be reduced to $14,250.

The Director of the Physical Plant and the Comptroller recommend award of a contract on this basis to the Brunkow Electric Company for construction and improvements of the electrical service in the Stock Pavilion, including installation of transformers.

Funds are available in the state appropriation for “Construction of extensions to the Utility Distribution Systems.”

I concur.

On motion of Mr. Nickell, this contract was authorized as recommended.

**CONTRACT FOR CONSTRUCTION OF CORN CRIB ON WRIGHT FARMS**

(37) The Dean of the College of Agriculture and the Comptroller recommend award of a contract for $11,300 to L. B. Hanna, Princeton, Illinois, the lowest bidder, for the construction of a corn crib on Wright Farm No. 4 in DeKalb County.

Funds are available from accumulated income of the Wright Farms reserved for building improvements.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Johnston, this contract was authorized as recommended.

**APPROPRIATION TO DEPARTMENT OF ANIMAL SCIENCE**

(38) The Dean of the College of Agriculture and the Comptroller recommend an appropriation of $1,700 from accumulated receipts of the Department of Animal Science for the replacement of a pickup truck purchased in 1941 on which further repair work is no longer economical.

Funds are available in surplus receipts of the department reserved for its use.

I concur.

On motion of Mr. Grange, this appropriation was made as recommended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

On motion of Mrs. Holt, these purchases were authorized as recommended.

**APPOINTMENT OF DIRECTOR OF THE SCHOOL OF MUSIC**

(41) I recommend the appointment of Professor Duane A. Branigan as Professor of Music on indefinite tenure and Director of the School of Music for two years from September 1, 1951, at a salary of $11,000 on a Y basis.

This appointment is to fill the position of Director which will become vacant as of September 1, 1951. Professor Branigan has been serving as Acting Director since September 1, 1950, replacing Professor John M. Kuypers who had served as Director from July 1, 1947. Professor Kuypers was granted a leave of absence from the directorship for one year beginning September 1, 1950; subsequently he resigned as Director effective September 1, 1951.

The appointment of Professor Branigan is recommended by a committee appointed by the President of the University in December, 1950, to (1) seek a qualified candidate for the directorship and (2) evaluate the long-range program of the School of Music. The report of the Committee is submitted herewith.

On motion of Mrs. Holt, this appointment was approved.

**APPOINTMENT OF LEGAL COUNSEL**

(42) I recommend that the appointment of Mr. Ralph F. Lesemann as Legal Counsel and Professor of Law which was approved by the Board of Trustees on February 15, 1951, be effective July 1, 1951, instead of May 1 as previously authorized. In the meantime, Mr. Lesemann will be available as needed on a consulting, per diem basis.

On motion of Mr. Nickell, the beginning date of this appointment was changed from May 1 to July 1, 1951.

**SECRETARY'S REPORTS**

The Secretary presented for record the following lists: (1) appointments made by the President; (2) graduate fellows; (3) resignations, declinations, and cancellations; (4) leaves of absence.

HEARINGS ON UNIVERSITY OF ILLINOIS LEGISLATION
President Livingston announced that bills for appropriations to the University for operations and for buildings and other permanent improvements for the biennium of 1951-1953 had been introduced in the Sixty-seventh General Assembly and that hearings on these bills were scheduled for Tuesday afternoon, April 24, 1951, before the Senate and House Committees on Appropriations. He suggested that as many Trustees as could do so plan to attend these hearings.

VISIT OF THE GENERAL ASSEMBLY
President Livingston announced that the General Assembly of Illinois will make its biennial inspection of the University of Illinois, Urbana-Champaign Campus, on May 17 and 18, 1951, and suggested that as many Trustees as can do so be in Urbana for that event.

MAY MEETING
On motion of Mr. Fornof, the Board voted to hold its next meeting at Urbana-Champaign, on Friday evening, May 18, 1951, the hour to be determined later.

LUNCHEON WITH THE GOVERNOR
At this point, Governor Stevenson joined the Board.

On motion of Mr. Fornof, the Board adjourned to be guests of the Governor at luncheon.

The May meeting of the Board of Trustees of the University of Illinois was held in the Faculty-Alumni Lounge of the Illini Union Building, Urbana, Illinois, on Friday, May 18, 1951, beginning at 8:00 p.m. (C.D.S.T.).

The following members were present: President Livingston, Mr. Fornof, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Megran, Mr. Nickell, Mrs. Watkins.

Also present were President George D. Stoddard, Provost C. R. Griffith, Dean E. R. Serles of the College of Pharmacy, representing Vice-President A. C. Ivy, Mr. J. F. Wright, Director of Public Information, Professor Edward W. Cleary, Chairman of the Committee to Submit Nominations for the Deanship of the College of Commerce and Business Administration and to Assist in Planning the Reorganization of the College, Deans Henning Larsen and Willard B. Spalding of the University Council Executive Committee, Mr. Lloyd Morey, Comptroller, Mr. C. W. Weldon, Treasurer, and Mr. A. J. Janata, Secretary of the Board.
MINUTES APPROVED

The Secretary presented the minutes of the meetings of March 12-13, 1951, press proof copies of which had been sent to all members of the Board in advance.

On motion of Mr. Nickell, the minutes were approved as printed on pages 599 to 647, inclusive.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following recommendations and reports presented by President Stoddard.

APPOINTMENTS TO THE 1951 SUMMER SESSION STAFF

(1) I submit the budget for the 1951 Summer Session. It provides for an eight weeks' session at Urbana-Champaign and at the Chicago Undergraduate Division, and for a small amount of instruction at the Chicago Professional Colleges.

Salaries of all members of the faculty who are recommended for appointments to the Summer Session staff are computed on the basis of two-ninths of the salary of the academic year for two months of summer service in accordance with the terms of employment of the academic staff authorized by the Board of Trustees.

The budget totals $515,000 for Urbana-Champaign, including a reserve of approximately $15,000 to be assigned by the Dean of the Summer Session in terms of enrollment demands, $90,189 for the Chicago Undergraduate Division, and $1,128 for the Chicago Professional Colleges.

I recommend that the appointments to the Summer Session staff and the allocation for unassigned salaries be approved as submitted and that the President of the University be authorized to make such changes and adjustments, including additional appointments and acceptance of resignations, as are necessary in accordance with the needs of the University.

On motion of Mr. Megran, these recommendations and appointments as listed below were approved by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stevenson.
