APPOINTMENTS TO THE FACULTY

(2) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. ROLAND J. ARTIGUES, Associate Professor, Division of Social Welfare Administration, beginning September 1, 1951, at an annual salary of $6,000 (B).
2. CHARLES K. BRIGHTBILL, Professor of Physical Education, beginning September 1, 1951, at an annual salary of $10,000 (A).
3. RUTH ISABEL COOPER, Assistant Professor, Department of Home Economics, beginning September 1, 1951, at an annual salary of $4,500 (D).
4. GEORGE GEE JACKSON, Assistant Professor, Department of Preventive Medicine, College of Medicine, beginning July 1, 1951, at an annual salary of $6,500 (DY).
5. RICHARD C. WILCOCK, Assistant Professor, Institute of Labor and Industrial Relations, beginning June 15, 1951, at an annual salary of $4,900 (DY).

On motion of Mr. Herrick, these appointments were confirmed.

APPOINTMENT OF DR. HARRY F. DOWLING AS PROFESSOR
AND HEAD OF THE DEPARTMENT OF MEDICINE

(3) The Dean of the College of Medicine and the Vice-President in charge of the Chicago Professional Colleges recommend the appointment of Dr. Harry F. Dowling, now Professor and Head of the Department of Preventive Medicine, as Professor and Head of the Department of Medicine on indefinite tenure beginning September 1, 1951, at an annual salary of $15,000 (AY), to succeed Dr. Robert W. Keeton who will retire from active service at the end of the current academic year.

I concur.

On motion of Mr. Nickell, this appointment was approved as recommended.

CANCELLATION OF LEAVE OF ABSENCE
GRANTED K. B. HENDERSON

(4) On November 24, 1950, the Board of Trustees granted Associate Professor K. B. Henderson of the College of Education leave of absence for a period of two months during the current academic year and the loan of his services to the Department of State, the time to be arranged. Due to the Korean situation the State Department has been unable to use Professor Henderson's services as originally planned, and to clear the record I am requesting that the leave previously granted be cancelled.

1 Overtime basis.
On motion of Mr. Megran, this leave was cancelled as recommended.

**CHANGE IN WORK SCHEDULE OF AGRICULTURAL EMPLOYEES**

(5) The Dean of the College of Agriculture and the Director of Nonacademic Personnel recommend a reduction in the present forty-four basic work week to a forty-hour work week, effective July 1, 1951, for the agricultural employees classified as Fieldman, Agricultural Gardener, Herdsman, Poultryman, Creameryman, Cold Storage Operator, and Farm Laborer.

There has been a disparity between the wages and working hours of agricultural employees and those doing other types of campus labor. The wages of agricultural employees have been adjusted, and the change in the work week will now bring their wages and working conditions in line with other laborers.

I recommend approval.

On motion of Mrs. Holt, this change was approved by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stevenson.

**INCREASE IN ILLINI UNION BUILDING SERVICE CHARGE**

(6) All students at Urbana-Champaign pay a service charge of $5.00 per semester and $2.50 per summer session for the use of the Illini Union Building. This charge was established by the Board of Trustees in 1940 as a fundamental requirement in financing of the Illini Union Building—to provide for the operation and maintenance of the nonrevenue producing areas of the building and for amortization of the loan which was secured to construct the building.

The service charge was based on an enrollment of 10,500 students during the two semesters of the regular academic year and an estimated annual operating expense of approximately $125,000, excluding the revenue producing areas which pay all direct costs and their proportionate share of indirect costs. The building service charge was established more than ten years ago. Since then, expenses of operation, maintenance, and services have increased more than the increase in income provided by growth in enrollment.

The Director of the Building and the Committee on Fees and Scholarships recommend an increase in the Illini Union Building service charge to $7.00 per semester and $3.50 per summer session.

I concur.

On motion of Mr. Johnston, these service charge increases were approved.

**RELEASE OF FUNDS FOR BUILDINGS AND OTHER CAPITAL IMPROVEMENTS**

(7) The Governor has approved the following releases of funds from appropriations made to the University of Illinois for 1949-1951 for buildings and other capital improvements.

**Release No. 65**

“For Permanent Improvements at Urbana-Champaign—Construction of extensions to the Utility Distribution Systems”.................$ 27 350

This is a final release from an appropriation of $375,000. The Governor has previously released (Releases Nos. 12, 37, 39, 41, 52, and 57) $347,050 from this appropriation. The funds now released are for additional projects under the Utility Distribution Systems appropriation.

**Release No. 66**

“Contingencies to cover expenditures for purposes for which the amount appropriated in any item above enumerated is, or becomes insufficient” 20 000

This is a final release from an appropriation of $250,000. The Governor has previously released (Releases Nos. 33, 55, 62, and 63) $230,000 from this appropriation. The funds now released are to sup-
implement the appropriation for construction of extensions to the Utility Distribution Systems.

Releases Nos. 67, 68, and 69

"Contingencies to cover expenditures for purposes for which the amount appropriated in any item above enumerated is, or becomes insuffi-

cago These are final releases from an appropriation of $550,000 for con-
tingencies.

I recommend that these funds be appropriated by the Board for the purposes indicated.

On motion of Mrs. Watkins, these funds were appropriated, as recom-

mented, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stevenson.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(8) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

1. Research facilities in proposed sewage disposal plant at the University of Illinois Airport for the Department of Civil Engineering.............$5 825
2. Remodeling in Talbot Laboratory for the Department of Theoretical and Applied Mechanics.............................................. 2 000
3. Installation of liquid nitrogen plant, additional funds.......................... 5 000
4. Improvements in Alumni Records............................................. 3 000
5. Calculating machines for the Department of Public Health, College of Medicine, this assignment to be made from the Chicago Professional Colleges' nonrecurring funds........................................ 3 750

I recommend that these appropriations be made from the General Reserve Fund, except as indicated in the last item.

On motion of Mr. Megran, these appropriations were made, as recom-

mended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stevenson.

APPROPRIATION FROM AGRICULTURAL RECEIPTS

(9) On February 15, 1951, the Board of Trustees made an appropriation of $50,000 to the College of Agriculture for remodeling and equipment, of which amount $5,000 was allocated for the construction of a house for an employee at the Dixon Springs Experiment Station in southern Illinois.

The Chairman of the Dixon Springs Experiment Station, the Dean of the College of Agriculture, and the Comptroller recommend a supplementary appro-

priation of $3,500 from excess receipts over estimated income of the Dixon Springs Experiment Station for this project, and a supplementary appropriation of $4,000 for current operations.

I recommend an appropriation of $7,500 from Unappropriated Agricultural Income of the Dixon Springs Experiment Station for these purposes.

On motion of Mrs. Holt, this appropriation was made, as recom-

mended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stevenson.
APPROPRIATION FOR DEPARTMENT OF HORTICULTURE
(10) The Dean of the College of Agriculture and the Comptroller recommend that an appropriation of $1,645 be made from accumulated receipts in the Department of Horticulture for remodeling in the Horticulture Field Laboratory.

These funds are available in surplus receipts of the Department.

I concur.

On motion of Mr. Grange, this appropriation was made, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stevenson.

CONTRACT FOR RESURFACING PARKING LOT AT POLK STREET AND HERMITAGE AVENUE, CHICAGO
(11) The Director of the Physical Plant and the Comptroller recommend award of a contract for $1,903.20 to Blacktop Roads Company, Chicago, the lowest bidder, for resurfacing with asphalt the parking lot at Polk Street and Hermitage Avenue to provide a permanent parking lot for the faculty at the Chicago Professional Colleges. This type of surfacing is more permanent than cinders or crushed rock, eliminates dust, and costs less than a concrete pavement.

Funds are available in the Physical Plant Department budget for this work.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Johnston, this contract was awarded as recommended.

CONTRACT FOR TUCK POINTING OF APARTMENT BUILDING AT 829-833 SOUTH MARSHFIELD AVENUE, CHICAGO
(12) The Director of the Physical Plant and the Comptroller recommend award of a contract for $1,740 to the Lew Worthem Building Maintenance Company, Chicago, for tuck pointing the apartment building at 829-833 South Marshfield Avenue, Chicago, to prevent further deterioration of exterior walls and to correct moisture conditions inside of the walls. The property is being conveyed to the University by the Medical Center Commission. The building is to be remodeled and used for housing.

Funds will be available and have been budgeted for this remodeling in the construction account to be set up from the proceeds of sale of revenue bonds to finance the Chicago housing projects.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was awarded as recommended.

ADDITION TO CONTRACT FOR KITCHEN EQUIPMENT FOR ADDITION TO RESEARCH AND EDUCATIONAL HOSPITALS
(13) The Director of the Physical Plant and the Comptroller recommend an addition of $2,023.80 to the contract with the Stearnes Company for kitchen equipment for the addition to the Research and Educational Hospitals for improvement of operation and maintenance of departmental areas, changes necessary in certain areas to correct oversights in original planning, better supervision of employees, and compliance with Board of Health regulations.

This has been approved by the Vice-President in charge of the Chicago Professional Colleges. Funds are available in the state appropriation for the construction of this building.

I concur and recommend that the Comptroller be authorized to execute this change in the contract.

On motion of Mrs. Holt, authority was given as recommended.
ADDITION TO CONTRACT FOR EXTENSION OF UTILITIES DISTRIBUTION SYSTEM AT THE CHICAGO PROFESSIONAL COLLEGES

(14) The Board of Trustees has authorized Stone and Webster Engineering Corporation, builder of the Medical Center Steam Company steam plant, to construct tunnels and extensions of steam lines from the plant to existing buildings, including the necessary connections and changes within buildings, at an estimated cost of $73,808, to be paid for from funds available in a state appropriation for utilities extensions and remodeling at the Chicago Professional Colleges.

Stone and Webster have encountered unforeseen difficulties on University property in the relocation of certain sewers and other utilities. The original estimate of the cost of the work was based on drawings turned over to the University by the Department of Public Welfare which were the only drawings in existence showing locations of sewers and utility lines. In proceeding with the work, Stone and Webster found that the sewers and utilities were not located as shown in the drawings.

The Director of the Physical Plant and the Comptroller recommend that an additional payment of $13,000 to Stone and Webster Engineering Corporation be authorized for the extra work required. The contract with this corporation is not for a fixed price but is on a cost plus fee basis, the same as the contract for the construction of the steam plant and is subject to the same accounting principles.

Funds are available in the state appropriation for “Construction of Utility Distribution System and remodeling of existing buildings.”

I concur and recommend that the Comptroller be authorized to execute the necessary change order.

On motion of Mr. Johnston, authority was given as recommended.

ADDITION TO CONTRACT FOR EXTENSION OF GOODWIN AVENUE

(15) The University has a contract with the General Paving Company for the construction of an extension of Goodwin Avenue from Gregory Drive south to Pennsylvania Avenue. Storm drainage conditions at the intersection of Goodwin and Pennsylvania Avenues are unsatisfactory because of a heavily overloaded sewer extending east along Pennsylvania Avenue. It is desirable to divert drainage from this area to a new sewer on Peabody Drive about three hundred feet north.

The Director of the Physical Plant and the Comptroller recommend an increase of $3,900 in the contract with the General Paving Company for the construction of a twelve-inch sewer from the intersection of Goodwin Avenue and Pennsylvania Avenue along the west side of Goodwin Avenue to the new sewer. The work can be economically done by the General Paving Company since it is now constructing sewers and pavements in that area. The Company’s estimate has been checked by the Physical Plant Department and it is considered satisfactory.

Funds are available in the state appropriation for “Construction of extensions to the Utility Distribution Systems.”

I recommend that the Comptroller be authorized to execute this addition to the contract.

On motion of Mrs. Watkins, authority was given as recommended.

AGREEMENT WITH TEXAS OIL COMPANY

(16) The University of Illinois has title to land deeded to it in Saline County, described as the “South fifteen (15) acres of the Northeast quarter of the Northwest quarter (NE¼ of NW¼) of Section twenty-two (22), Township eight (8) South, Range six (6) East, Saline County, Illinois,” for use as an experimental field. In case the University ceases to use this property for experimental purposes the title reverts to the school district in that area.

The Texas Oil Company which has oil and gas leases on all surrounding lands has requested the University to execute a nondevelopment agreement for their mutual protection. The Company proposes to pay the University $250 plus an annual rental of $15 on condition that the University will not execute any oil or gas leases on the experimental field and will not allow any drilling for oil or gas. The Company further agrees to include in the agreement a clause which will
protect the University's experimental work from oil developments on all areas surrounding the field.

The agreement will be in effect for two years and as long thereafter as oil or gas or either is produced by the Texas Oil Company on any part of the surrounding property.

The Director of the Agricultural Experiment Station and the Comptroller recommend execution of this agreement.

I concur.

On motion of Mr. Megran, this agreement was authorized.

ESTATE OF ALICE V. B. CLARK

(17) On January 13, 1949, a report was made to the Board of Trustees of certain provisions of the will of Mrs. Alice V. B. Clark, widow of the late Dean Thomas Arkle Clark. The Comptroller reports there has now been received the final report of the executor of her estate, and the payment of $41,387.90 as the first and final distribution. This will be carried in two funds: Alice V. B. Clark Endowment. The interest on this fund of $5,000 is to be applied toward the maintenance of the equipment and the library of the Thomas Arkle Clark Recreation Room of the McKinley Hospital.

Alice V. B. Clark Loan Fund. The principal of this fund of $36,387.90 is to be loaned to undergraduate students, and the interest accruing on such loans is to be used for the equipment and maintenance of the McKinley Hospital.

Since there is at present no demand for loan funds under the terms specified in the will, such funds will be invested in United States Government Bonds, and the interest will be used as stipulated in the will.

The University has agreed to assume and pay from the above funds, any additional income taxes, inheritance taxes, estate taxes, or personal property taxes which may be assessed against the estate. Such payments, if necessary, will be charged against the principal of the loan fund.

There was also received from the executor an instrument transferring to the University all rights to have and receive all refunds on account of income tax, or other taxes heretofore paid and which are refundable to the estate of Alice V. B. Clark, deceased, and all right, title, and interest in and to a certain royalty agreement between Thomas Arkle Clark, deceased, and the George Banta Publishing Company, which was an asset of the estate.

This report was received for record.

BEQUEST OF BENJAMIN F. HUNTER

(18) It is necessary that the University enter its formal appearance in the Boone County, Indiana, Circuit Court with respect to the estate of Benjamin F. Hunter. As previously reported to the Board, the law firms of Monroe and McGaughey, Decatur, and Parr, Parr, and Parr, Lebanon, Indiana, have been retained to represent the Illinois and the Indiana executors of the Hunter estate.

I recommend that these attorneys, along with Mr. Ralph F. Lesemann, Legal Counsel-elect, be authorized to enter a special appearance of the Board of Trustees of the University of Illinois in this matter.

On motion of Mr. Herrick, authority was given as recommended.

RELEASE OF INVENTION OF COMPUTER DEVICE

(19) Dr. G. H. Fett, Professor of Electrical Engineering, and Mr. George Chafaris, a graduate student in the Department of Electrical Engineering, report the invention of an electronic device which may have some utility in connection with automatic control systems and in certain types of computers. In the judgment of the University Research Board the invention is so specialized and so unlikely to be of mass production as to make it not justified in expending money on securing a patent and on development work. Accordingly, the Research Board recommends that the invention be released to the discoverers.

I concur.

On motion of Mr. Johnston, this patent was released as recommended.
PATENT FOR IMPROVEMENT IN INDUCTION ACCELERATORS

(20) The Secretary has received United States Letters Patent No. 2,545,958 for a new and useful improvement in "Induction Accelerators," issued by the Commissioner of Patents to the Board of Trustees of the University of Illinois. The patent has been granted on application of Professor Donald W. Kerst, the inventor, who assigned it to the University.

The invention relates to an induction accelerator, and more particularly to an improved arrangement for causing the accelerated charged particles, as electrons, to be ejected from the induction accelerator in a usable beam.

The title of the patent, "Induction Accelerators," is broad terminology as the specific patent granted has to do with a device known as a "peeler" which is used in the Betatron for removal of free electron beams. It has been used experimentally in nuclear physics and can also be used in medical therapy.

This report was received for record.

PURCHASES

(21) The Director of Purchases has proposed and the Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest bid.

I concur.

QUARTERLY REPORT OF THE COMPTROLLER

(23) The Comptroller presents his quarterly report to the Board as of March 31, 1951.

This report was received for record.

REGULATIONS GOVERNING PLYM FELLOWSHIP IN ARCHITECTURE AND ARCHITECTURAL ENGINEERING

(24) The University has an endowment of fellowships in architecture and architectural engineering established many years ago by the late Francis J. Plym of the Class of 1897. They are awarded to graduates of the University’s Department of Architecture in the curricula in architecture and architectural engineering for study in Europe.

The plan formerly provided for one fellowship, with a stipend of $1,200, in architecture and one scholarship, with a stipend of $700, in architectural engineering, each awarded annually on the basis of a design competition. The fellowship is for a year’s study and the scholarship was for six months’ study in Europe. Several years after the endowment was established, Mr. Plym added to it to increase the scholarship in architectural engineering to the status of a fellowship, with a stipend of $1,200, for a year’s study in Europe.

The Department of Architecture recommends the following changes in the conditions of these awards:

(a) Increase of the stipend of each of the two annual awards from $1,200 to approximately $1,700; it may be less in some years, depending upon the rate of income of the endowment.

(b) Reduction in the required duration of study in Europe from one year to six months.

(c) Elimination of the design competition method of selection of fellows and its replacement with a plan of selection based upon academic records of candidates and evaluation of their professional development and promise of future competence as evidenced by exhibits of specific work done. The evaluation would be made by the Committee of the Department which now administers the awards.

I concur in these recommendations.

On motion of Mr. Fornof, these recommendations were approved.

CONTRACT FOR WATER SOFTENER INSTALLATIONS

(25) The Director of the Physical Plant and the Comptroller recommend the award of a contract for $4,947 to the Reliable Plumbing and Heating Company, Champaign, the lowest bidder, for replacing the water softener installation at the President’s House with the equipment now installed in the McKinley Hospital and replacing softener equipment in the Hospital with a new installation. The equipment at the President’s House needs to be replaced and these changes will improve the water softening facilities in both locations.

Funds are available in the Physical Plant Department budget.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Megran, this contract was awarded as recommended.

ADDITION TO CONTRACT FOR INSTALLATION OF LABORATORY EQUIPMENT IN EAST CHEMISTRY BUILDING

(26) The Director of the Physical Plant and the Comptroller recommend an increase of $3,253.41 in the contract with the Carson-Payson Company, Danville, for the construction and installation of laboratory equipment in the East Chemistry Building. This is to provide additional cold diffusers of larger capacity and is to install a new compressor with the necessary controls because the refrigeration equipment in two of the cold rooms does not maintain the desired constant temperature.

Funds are available in the state appropriation for “Acquisition and installation of Chemistry Building equipment.”

I concur and recommend that the Comptroller be authorized to execute this change in the contract.

On motion of Mrs. Watkins, authority was given as recommended.
ADDITION TO CONTRACT FOR VENTILATION AND AIR CONDITIONING IN THE ANIMAL SCIENCES LABORATORY

(27) The Director of the Physical Plant and the Comptroller recommend an increase of $3,107 in the contract with the Bloomer Heating and Ventilation Company, Chicago, for ventilation and air-conditioning installations in the construction of the Animal Sciences Laboratory. The plans for the arrangement of the cooling tower and two evaporative condensers in the penthouse provide for a space inclosed by partitions isolating it from the rest of the penthouse. Louvers in the exterior wall provide for air supply but direct connections from the equipment to the louvers is not provided. This arrangement would expose the entire room to cold air in the winter time and in extremely cold weather water lines and equipment would be in danger. This change in the contract will provide for direct connections between equipment and louvers and will prevent cold air from entering the room.

Funds are available in the state appropriation for "Construction of Animal Sciences Laboratory."

I concur and recommend that the Comptroller be authorized to execute this change in the contract.

On motion of Mr. Herrick, authority was given as recommended.

ADDITION TO GENERAL CONTRACT FOR VETERINARY MEDICINE BUILDING

(28) The Director of the Physical Plant and the Comptroller recommend an increase of $1,840 in the contract with the John Felmley Company, Bloomington, for the general work in the construction of the Veterinary Medicine Building to provide for observation windows in the large autopsy room in the Annex so that visitors may observe autopsy work from the corridors around the room. This change is requested by the Dean of the College of Veterinary Medicine.

Funds are available in the state appropriation for "Construction of Veterinary Science unit."

I concur and recommend that the Comptroller be authorized to execute this change in the contract.

On motion of Mr. Grange, authority was given as recommended.

INCOME FROM FEES FOR CIVIL ENGINEERING SUMMER CAMP

(29) The University has a summer camp (Camp Rabideau in northern Minnesota) for surveying instruction for students in civil engineering. Students pay a fee of $20 if residents of Illinois, or $40 if nonresidents of Illinois, as a part of the cost of operating this camp. A revolving fund was established for operating expenses, other than salaries, to which $10 of the student fee has been credited each year.

This amount is inadequate and additional appropriations have been made to the Department of Civil Engineering for operating expenditures. The revolving account involves extra bookkeeping and has proved of no particular advantage. The Head of the Department of Civil Engineering, the Dean of the College of Engineering, and the Comptroller recommend that the revolving fund be discontinued effective with the 1951 camp session and that present fees collected go into general University income. Provision for the operating expenses of the camp has already been made in the summer session budget.

The food service will continue to be operated on a self-supporting basis.

I concur in this recommendation.

On motion of Mr. Johnston, this recommendation was approved.

EXTENSION OF CONTRACT FOR HOSPITAL-MEDICAL-SURGICAL INSURANCE

Mr. Fornof, for the Finance Committee, presented the following:

The University has a contract with the Continental Casualty Company, Chicago, for hospital-medical-surgical insurance for students and staff for the period 1949-1951. This insurance covers all students at Urbana-Champaign and at the
Chicago Undergraduate Division, and they pay a fee of $5.00 per semester for such protection. It is optional for members of the staff. The present contract will expire in September, 1951.

The benefits paid by this Company under the student program during 1949-1950 were 88 per cent of the premiums collected. The benefits paid under the staff program equalled the premiums collected in 1949-1950, and for the first six months of 1950-1951 were 98 per cent of the premiums collected.

In view of these high loss ratios, it is unlikely that any lower premium rates will be secured by advertising at this time for new bids; on the contrary, if bids are invited the recent loss experience may result in higher rates.

The service given by Continental Casualty Company has been very good and it is willing to continue writing this insurance for an additional two-year period under the present contract.

The Finance Committee of the Board of Trustees recommends continuance of the contract with the Continental Casualty Company for the biennium of 1951-1953.

On motion of Mr. Fornof, the renewal of this contract was authorized.

**CONTRACTS FOR FIRE AND EXTENDED COVERAGE INSURANCE ON CONTENTS OF THE ILLINI UNION BOOKSTORE, CHAMPAIGN**

Mr. Fornof, for the Finance Committee, also presented the following:

The University has contracts with the Glens Falls Fire Insurance Company, J. W. Montgomery, Urbana, representative, and the Liberty Mutual Insurance Company, Oren Lane, Peoria, representative, covering the contents of the Illini Union Bookstore. The insurance is in the provisional amount of $200,000 subject to monthly reporting of inventory values. The contracts were based on bids received and awarded to lowest bidders for one year, the University reserving the right to renew with the same companies for an additional year. In accordance with the policy of the Board of dividing insurance between stock and mutual companies, 75 per cent of the coverage is provided by the Glens Falls Fire Insurance Company and 25 per cent by the Liberty Mutual Insurance Company.

There has been no revision in insurance rates during the past year applicable to this risk, and it is unlikely that competitive bids taken at this time would result in any lower premium for the coming year which will be $2,001. The Finance Committee of the Board, therefore, recommends that this insurance be renewed with the present companies for an additional year.

On motion of Mr. Fornof, the renewal of this insurance, as recommended, was authorized.

**STATE BOARD OF HIGHER EDUCATION**

At this point, Mr. Herrick asked that consideration be given by the Board to Senate Bill 620 introduced in the Sixty-seventh General Assembly of Illinois on May 17, 1951, which would create a State Board of Higher Education, a board of nine members to be appointed by the Governor, to succeed to all of the rights, powers, and duties now vested by law in the Board of Trustees of the University of Illinois, in the Teachers' College Board, and in the Board of Trustees of the Southern Illinois University.

Statements were made by Messrs. Herrick, Nickell, Fornof, Megran, and Livingston expressing opposition to such legislation on the grounds that it is contrary to the best interests of the state and of the University.

Mr. Nickell stated that in his observation appointed boards of education at all levels lack the independence necessary to discharging their responsibilities effectively and in the best interests of the public, whereas elected boards have better records of service in such respects. Other Trustees spoke along the same lines.
Mr. Livingston called attention to the record of the Board of Trustees of the University of Illinois which has been an elected board of state officials since 1889 and whose history in those sixty-two years shows freedom from domination by the executive branch of state government.

Mr. Megran stated that the objections to Senate Bill 620 which are being voiced at this meeting are based solely on considerations of public policy, and he expressed the hope that there would be no misinterpretation by the public that the Trustees were moved by the effect such legislation would have on their offices.

On President Livingston's request, President Stoddard commented on Senate Bill 620 as a professional worker in the field of higher education. He read excerpts from Part Two of his "Second Memorandum on the Russell Report," submitted to the Board of Trustees on March 13, 1951, in which he discussed four proposals for reorganizing the administration of public higher education in Illinois. He expressed the opinion that while the plan proposed in Senate Bill 620 is preferable to Alternative IV of the Russell Report, it is less desirable for the University of Illinois than either Proposal II or Proposal IV in his Memorandum.

Comptroller Morey stated that in his observation, based upon thirty-five years of experience as Comptroller of the University and of the Board of Trustees, the record of this Board in being directly responsible to the people and the General Assembly is one of distinguished public service with complete freedom from any external domination and that it is conspicuously impressive in this respect as compared with the records of appointed administrative boards in various areas of the country.

**LEGISLATION ENLARGING POWERS OF STATE AUDITOR OF PUBLIC ACCOUNTS**

President Livingston brought up for discussion House Bill 467 now before the Sixty-seventh General Assembly of Illinois which would give the State Auditor of Public Accounts very broad powers over all state agencies and elected state officials, including the Board of Trustees of the University of Illinois, with respect to expenditures of state appropriations made to such agencies and officers. The Board of Trustees had previously received a memorandum prepared by Comptroller Lloyd Morey explaining the bill and discussing the potential effects of such legislation.

President Livingston reported that on May 16, 1951, he and Comptroller Morey conferred personally with State Auditor Benjamin O. Cooper. Mr. Cooper explained the purposes of the bill from the point of view of the problems of his office. He stated that he has no intention of changing the methods of his office in dealing with the University of Illinois. The possible implications of the bill and the way in which it might be interpreted by future state auditors were pointed out to him, and he admitted that such possibilities exist.

---

1 See pages 634-638, proceedings of the Board of Trustees, March 13, 1951.

He agreed to accept amendments which would make the bill acceptable to University officials.

Comptroller Morey stated that he is drafting such amendments. Mr. Fornof requested that copies of them be sent to the members of the Board of Trustees.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board resumed consideration of recommendations and reports presented by the President of the University.

RECOMMENDATIONS TO THE BOARD OF TRUSTEES ON THE BASIS OF A FIRST REPORT OF THE CLEARY COMMITTEE IN REGARD TO THE COLLEGE OF COMMERCE AND BUSINESS ADMINISTRATION

(30) President Stoddard presented and discussed the following recommendations:

On December 28th, 1950, the Board of Trustees approved the recommendations in my "Second Report to the Board of Trustees on Conditions in the College of Commerce and Business Administration."

The first implementation called for the appointment of a special committee of five to

"1. Submit to me nominations for the deanship of the College. I shall also have the advice of the Executive Committee of the College.

"2. Assist in planning the reorganization of the College, including a possible transfer of the Department of Economics to the College of Liberal Arts and Sciences, and to prepare a report for consideration of the Senate."

The following members of the faculty agreed to serve on this Committee:

EDWARD W. CLEARY, Chairman, Professor of Law
ROYDEN DANGERFIELD, Professor of Political Science and Director of the Institute of Government and Public Affairs
CHARLES J. GAA, Professor of Accountancy
D. PHILIP LOCKLIN, McKinley Professor of the Economics of Public Utilities
GORDON RAY, Professor of English and Head of the Department

The effect of this action was to remove the issues from the ordinary channels within the College and to do so for a good reason: the College was unable to get its house in order and was, in fact, embroiling the University and the State.

A short time ago the Committee indicated that it would like to submit its report in two parts starting with the second section (on the reorganization of the College). The Committee felt that it could not move forward in regard to the selection of a dean until it was able to indicate to prospective candidates the nature of the administrative assignment.

Accordingly, we have before us the unanimous Report of the Cleary Committee on the Organization of the College of Commerce and Business Administration. (A second report on the deanship is to come later.)

I am impressed with the careful and objective way in which Professor Cleary's committee has carried on its work. The task was arduous, calling for many conferences. More than forty persons have appeared directly before the Committee and it sat with other groups. The Committee has attempted to reach its conclusions not through a simple show of hands but through a clarification of the issues involved. This is brought out in the first two parts of the report.

The third part of the report, beginning on page 724, consists of recommendations. It is to these that I call the attention of the Board.

I concur in the conclusion of the Cleary Committee that it is not enough to let matters ride without change. We have had a quiet period—a moratorium—in part because of the feeling that some reorganization would be accomplished as a means of carrying out the purposes of the College. The course of the controversy indicates that the troubles are not to be resolved by a single change already made in administrative personnel.

The Cleary Committee holds that the transfer of Economics to Liberal Arts and Sciences "is not an adequate solution." I should say, rather, that it is not a
necessary solution if we can find some less radical measures with a promise of success. Departments of economics located in colleges of liberal arts and sciences—a common situation in universities over the United States—have generally avoided the feuds that have arisen here.

I do not expect any plan of reorganization to be endorsed in its entirety by the committees and factions on the ground. It is to be remembered that, in past years, no plan of reorganization has been ratified or promulgated by the College. Furthermore, the question of the departmentalization of Business Organization and Operation, while mentioned occasionally, was not, to my knowledge, made the subject of an explicit recommendation by any committee, faculty, or dean. Had this single proposal of departmentalization in Business Organization and Operation been regarded as sufficient to prevent strife in the College, it should have been tried long ago. Taken by itself, I do not regard it as adequate, but it should be helpful.

To turn to the recommendations of the Committee (page 724):

1. Name of the College. Following the Committee, I recommend that the name of the College be changed to the College of Economics and Business Administration.

2. Organization of the College. I recommend the organization of the College into four constituent parts: a School of Business Administration, a School of Economics, a Bureau of Economic and Business Research, and a Business Management Service, each unit to be administered by a director. The Dean of the College should not also be a director.

As a major modification of the Committee's recommendations, I recommend that the executive committee of the College consist of nine members, including the four directors ex officio, four members to be elected by the faculty of the College, and the Dean as chairman ex officio; that the executive committee, except the Dean, should advise the President on the selection and reappointment of the Dean and should advise the Dean in the administration of the College. The executive committee should transact such business as may be delegated to it by the faculty. The Dean should prepare the budget of the College, as a whole, in consultation with the Executive Committee.

3. Organization of the Schools. I recommend that the administration of each school should be under a director appointed biennially by the Board of Trustees upon the recommendation of the President of the University. In the selection and reappointment of a director, the President should have the advice of the executive committee of the school concerned (with the exception of its director) and of the Dean.

The executive committee of each school should consist of members elected by the faculty of the school, in the manner prescribed by the faculty, with the director as chairman ex officio. The executive committee should advise the director with respect to appointments, promotions and budgets, and should transact such other business as may be assigned to it by the faculty of the school.

I recommend that the School of Business Administration be departmentalized, possibly along the following lines: Accounting and Business Law, Marketing, Management, Secretarial Training. The director of a school should not serve as head or chairman of a department if more than one department is established.

I recommend further that the School of Economics be departmentalized in the future if it should become apparent to the faculty of the School that two or more departments are identifiable as academic and professional units, with a corresponding clustering in curricular offerings.

4. Protection of Minority Groups. I accept this paragraph as a general statement of desirable conditions in any college. I would emphasize not only that the dean and directors should merit the confidence of their respective faculties but also that faculty members, in turn, should earnestly endeavor to work as a team.

5. Participation by the School of Economics in the College of Liberal Arts and Sciences. I recommend that the faculties of the School of Economics and of the College of Liberal Arts and Sciences consider the desirability of a dual status for the faculty of the School of Economics provided that matters relating to budget, appointments and promotions remain within the School of Economics.
6. **Revision of Statutes.** I recommend that there be brought before the Senate the following proposal for revision in the *Statutes* as they affect the status of a school within a college:

"In colleges organized through schools and other similar units headed by a director, the executive committee shall consist of the directors of such administrative units, together with an equal number of members elected annually by the faculty from among the professors and associate professors in the College, with the Dean of the College as Chairman, *ex officio.*"

There may be other points in my recommendations that will call for Senate approval although I do not believe they are basic.

7. **Advisory Committee for the College of Commerce and Business Administration.** In a collateral letter, signed by all members of the Cleary Committee, attention is given to a further matter, as follows:

"For some years the College had a group of area advisory committees. These committees were probably designed primarily to maintain liaison between staff members and men actively engaged in the particular field in business. This arrangement has prevailed in Agriculture for some time with considerable success. In Commerce, however, the area committees became largely inactive.

"Under Dean Bowen, the decision was made to reconstitute the area committees into a single advisory committee for the entire College. In our opinion this was a mistake. Removal of the small, specialized areas of contact eliminated as a committee function the link between theory and practice, and placed the new committee in a position where it touched the College only on the level of administrative and policy matters. The situation thus produced is anomalous.

"In the Board of Trustees and the administrative officers designated by them, the University has a complete and integrated organization for the formulation and execution of policies. The Trustees are elected by and responsible to the public. The inclusion of other policy-making bodies in this arrangement must inevitably result in confusion and in embarrassment to all concerned."

The action creating the over-all Advisory Committee for the College of Commerce and Business Administration was taken on July 25, 1950, on the recommendation of Dean Bowen and the President of the University. Fully cognizant of the distinguished personnel of this Committee and of its spirit of helpfulness on all occasions, I concur, nevertheless, in the statement of the Cleary Committee that its formation was a mistake.

I recommend, therefore, that on the expiration of the term of the present members, June 30, 1951, the Advisory Committee be dissolved and that the schools indicated above, and departments as they may be formed, consider the desirability of advisory committees within their respective areas.

I request that the Board authorize the President of the University to carry out the recommendations as indicated above, as of September 1, 1951, with the understanding that such matters as fall within the jurisdiction of the University Senate will be referred to it for action.

**REPORT ON THE ORGANIZATION OF THE COLLEGE OF COMMERCE AND BUSINESS ADMINISTRATION**

On December 29, 1950, President Stoddard asked the undersigned members of the Senate to serve as a special committee to advise him concerning the College of Commerce and Business Administration. His charge to the committee was as follows:

"1. To submit to me nominations for the deanship of the College. I shall have also the advice of the Executive Committee of the College.

"2. To assist in planning the reorganization of the College, including a possible transfer of the Department of Economics to the College of Liberal Arts and Sciences, and to prepare a report for the consideration of the Senate."

Any doubt that the committee may have had regarding the propriety of scrutiny by a university committee of the internal affairs of a college was quickly dissipated. The committee found that the situation in the College of Commerce and Business Administration demanded impartial outside examination for two reasons: (1) There is no present prospect of a meeting of minds within the College. Conflict has solidified around two opposing groups, each of which is sincerely convinced of the essential rightness of its point of view. Tangible evidence of this division is afforded by the tactics of caucusing and block voting employed alike in the election of the Executive Committee of the College of Commerce on January 19, 1951, and in the election of the Executive Committee of the Department of Economics on February 15, 1951. No solution safeguarding minority rights seems likely to emerge unassisted from an atmosphere so unreceptive to compromise. (2) The interests of the University are affected, because the welfare of a component part affects the welfare of the whole. Furthermore, economics is an area of knowledge which extends far beyond the bounds of the College of Commerce.

As a first step in executing President Stoddard's charge, the committee submits its report concerning the organization of the College of Commerce. It was the opinion of the committee that consideration of the organizational question should precede nominations for the deanship.

I

Procedures Followed by the Committee

At the outset the members of the committee were agreed that the views of all persons interested in or affected by the organization of the College should be solicited, both for the information of the committee and as a matter of fair procedure. This approach resulted in the receipt of many written communications and in numerous personal appearances before the committee. The facts and opinions thus made available have been of great assistance to the committee.

The committee also had the benefit of a survey made jointly with the Executive Committee of the College in which a questionnaire was circulated to the deans, heads of accounting departments, and heads of economics departments of the leading schools of the country. This survey disclosed a variety of organizational patterns. In general, each respondent indicated satisfaction with his own present form of organization. The result, in the opinion of the committee, is inconclusive insofar as concerns a solution of the local problem. The committee also perused such published material as is available, and found that it too was inconclusive.

II

Estimate of the Situation

Although the views communicated to the committee have been directed mainly to the question of whether or not the Department of Economics or some part thereof should be transferred to the College of Liberal Arts and Sciences, they have nevertheless afforded considerable insight into conditions within the College. While precise evaluation of this testimony is manifestly impossible, it is nevertheless evident that substantial grounds for dissatisfaction exist. In some instances these grounds may be more apparent than real, but the fact remains that they are very real in the minds of the individuals concerned. The sincerity of purpose of everyone who appeared before or wrote to the committee was unquestionable.

a. A substantial group within the Department of Economics maintains that the College is preoccupied with training for business careers and therefore is not in sympathy with the broader social point of view that characterizes economics as a discipline. The same group holds that for this reason the College does not provide an environment favorable to the existence of economics as a social science and at times shows hostility to it.

No considerable amount of factual evidence was available to the committee on this point. This may have been due to the intangible character of the issue. However, the committee has encountered within the College some lack of appreciation of the fact that the Department of Economics has any substantial function other than to supply instruction essential to education for business. In fairness, it should also be observed that a group in the Department of Economics tends to disparage
training for business and to underestimate the responsibility of economics in that process. Although the groups holding these extreme views are small, the fact that the views are held at all is significant.

The committee encountered no substantial body of evidence indicating improper past interference with course offerings, projected research, salary increases or promotions in the Department of Economics. It did encounter substantial feeling that the climate is such that future interferences will result. Although the fears expressed are prospective, they are genuine and should be allayed, in order to promote the future growth and development of the Department.

The recent controversy within the College encouraged attacks upon the views entertained, or supposed to be entertained, on controversial issues of the day by members of the Department of Economics. These attacks came largely from outside the University, but to some extent from within the College itself. It is inevitable that in any large department of economics there will be diverse points of view on controversial issues of an economic nature. Such diversity is wholesome. No organizational structure can protect the economist completely from attacks of this nature. The faculty of a University, however, should recognize the right of all of its members to hold divergent views and should defend this right. It is only by encouraging freedom of inquiry and expression that progress in the development of the science and in its application to the actual world can be advanced.

b. The number of majors in economics is disproportionately small.

Despite the fact that a major in economics may be taken by students enrolled either in the College of Commerce or in the College of Liberal Arts, the total number of such majors is very small in comparison with the enrollment in either college or in the University. This situation is in marked contrast to the importance of economics in present-day society. Moreover, a sound program of graduate instruction and of research is encouraged by a broad foundation of undergraduate instruction.

It is argued that the scarcity of economics majors among students registered in the College of Commerce is due to registration advice given by members of the Department of Business Organization and Operation. The committee doubts this contention and holds, rather, that the difficulty arises from the fact that the College has attracted relatively few students whose primary interest was other than that of obtaining an education for business. Certainly the committee finds no fault with the existing policy of educating students along professional lines for careers in business. This is a very legitimate educational objective and the College has achieved outstanding success in connection with it. However, the impression apparently has been prevalent in the minds of students that the College offers no other type of education. This erroneous impression probably derives basically from the very name of the College. The full name of the College is "College of Commerce and Business Administration." Students seemingly have tended to regard "Commerce," which possesses both a broad and a restricted meaning, as narrowly synonymous with "Business Administration." Consequently, students whose interests lie in the direction of the social sciences, rather than in the direction of a professional education for business, have registered elsewhere in the University, presumably in the College of Liberal Arts and Sciences. The dual character of the College of Commerce has not been made sufficiently apparent.

At the same time, the Department of Economics has not been overly assiduous in cultivating majors in the College of Liberal Arts and Sciences; it has not participated to any substantial extent in the construction of curricula or in the advising of students in that College. While it is argued vigorously, and the committee agrees, that economics is a social science, the requirement of eight hours of social science in the general curriculum of the College of Liberal Arts and Sciences cannot presently be satisfied by courses in economics. Greater participation by the members of the economics staff in the affairs of the College of Liberal Arts and Sciences is needed.

c. The location of economics in the College of Commerce results, it is claimed, in its undue isolation from the other social sciences.

Earlier in this report the committee has stated briefly its belief that economics is properly classified as one of the social sciences. It clearly has many points of
contact with other disciplines. For a summary of trends in the field of Economics, reference is made to the Report of the Study of The Ford Foundation On Policy and Program (1949):

"Several trends in economic thinking suggest hope for a greater future contribution to economic well-being. Of first importance is the expression of willingness by leading economists to reinvestigate basic theories, to subject these theories to the acid test of verification, and, where evidence is lacking, to get it at original sources.

"A further sign of progress in economic thought is found in the growing recognition that man's economic behavior is only a part of his total behavior, and that it cannot be abstracted and studied in isolation. Increasing attention is being directed to economic choices — decisions to buy, to work, to invest — as simply one part of the entire range of human conduct. Certain fields, such as psychology and sociology, and the new methods and approaches utilized in them, are now seen to apply to the conduct of economic research.

"Another trend in the field of economics which appears fruitful is the recent growth of a practice of economics. Economists are now heavily relied upon by business, labor, and various branches of government and are represented at high policy levels by such bodies as the Council of Economic Advisers to the President. The increasing use of economists in practice should help bring together the development of theory and the solution of specific problems.

"Still another hope for progress lies in the development of techniques, such as sampling, which make possible additional testing of economic theories. Unlike the natural sciences, theories in economics cannot usually be validated by observation of limited and isolated data. On the contrary, data in great volume or from wide areas are frequently necessary. Practically no data were collected in the days of the early economic theories, and, in fact, only in recent decades have more comprehensive data become available concerning such basic matters as the volume and kinds of production, employment, and income.

"The conjoining of theory and practice is also served by the studies and activities of voluntary groups and committees which have recently been organized in increasingly effective forms. The real potential of such groups has hardly been tapped." (p. 72)

The status of economics as a social science would indicate that its proper location is with the other social sciences in the College of Liberal Arts and Sciences. Certainly contacts between the social sciences are mutually advantageous. On the other hand, economics is the social science peculiarly and intimately related to business. Business practice derives important benefits from close association with economic theory, and economics as a developing science needs close association and familiarity with business practices and business phenomena. Thus no compelling logic dictates any particular location for the study of economics.

In the present case, the committee believes that the solution lies in the maintenance of existing ties and in the formation of new ones. The important position traditionally given to economics in the College's program of professional training for business has afforded a breadth and strength not always found in such programs. Closer association between economics and the other social sciences is not inconsistent with maintenance of its present relation to the business training curriculum.

d. Professional circles must be reassured that the University intends to maintain a strong Department of Economics.

The recent controversy in the College has inevitably resulted in some prejudice to the standing and reputation of the University among professional economists. Whether rightly or wrongly, the events of the last year have been construed as reflecting a situation unfavorable to the free and objective pursuit of economic study. Unless doubts as to the University's desire to maintain a strong department of economics are laid at rest, the University seems destined to be at a disadvantage in attracting and retaining suitable staff members. Moreover, if these doubts remain, graduates in economics from the University seem likely to encounter serious handicaps in seeking employment elsewhere, whether in business, government, or educational institutions.
e. **Factionalism and personal frictions have accentuated the problems of the College.**

The differences which exist within the College do not fall strictly along departmental or ideological lines. The committee has not found the Department of Business Organization and Operation on one side of the questions which have been raised and the Department of Economics on the other. The division runs squarely through the Department of Economics itself, between those who advocated and those who opposed the retention of Dean Bowen, with the Business Organization and Operation staff largely supporting the latter group.

Since the issues at stake involve the welfare of the University as a whole, the committee is strongly of the opinion that no sound solution can be reached merely on the basis of counting the numbers of those who adhere to some particular view in the Department of Economics or in the College of Commerce. Moreover, the committee would fail to deal with the realities of the situation if it refused to recognize that some group within the Department of Economics, under any solution, will be in the position of a minority. The College is in effect passing from a time of civil war to a time of reconstruction. “A just and lasting peace” is no doubt to be achieved through the creation of an atmosphere in which there are “malice towards none” and “charity for all.” This atmosphere does not now exist. It is very evident that a real fear of punitive measures exists on both sides, a fear that cannot be set at rest by verbal assurances. Hence, organizational changes designed to secure the rights of minorities are required.

f. **The Department of Business Organization and Operation has outgrown its present organization.**

At present the Department of Business Organization and Operation constitutes a single monolithic department which extends into all fields of professional training for business, with informal divisional organization as to various areas. In the past this structure has not prevented excellent results. However, the increase in the variety of the Department’s activities and the promotion of future growth and development suggest the advisability of regularizing these informal divisions as departments. In the view of the committee, this change would consolidate gains already made and encourage progress and initiative in each of the fields now included within the one department.

## III

### RECOMMENDATIONS

In the main only two solutions were proposed by those who appeared before the committee or presented their written views: (1) the continuation of the present situation and (2) the transfer of all or some part of the Department of Economics to the College of Liberal Arts and Sciences. This response was natural in view of the circumstances under which the opinions were solicited.

For reasons already indicated, plus the difficulty of making the division of the department which would be necessary and the likelihood of duplication of instruction, the committee believes that the proposal to transfer all or some part of the Department of Economics to Liberal Arts and Sciences is not an adequate solution. Also, for reasons already indicated, the committee believes that the existing situation should not continue without modification. It is within the framework of modification of the existing situation that the committee believes the solution is to be found. The committee therefore submits the following recommendations:

1. **Name of the College.** In order to clarify the functions of the College, the committee recommends that the name of the College be changed to include “Economics” and suggests the title “College of Economics and Business Administration.”

2. **Organisation of the College.** The committee recommends the reorganization of the College into four constituent parts: a School of Business Administration, a School of Economics, the Bureau of Economic and Business Research, and the Business Management Service.

The executive committee of the College should consist of seven members, including six members elected by the faculty of the College, and the dean as
chairman _ex officio_. The elected members of the College executive committee should advise the President in the selection and re-appointment of a dean and should advise the dean in the administration of the College. The committee should transact such business as may be delegated to it by the faculty, except as regards budget, appointment, and promotion. Faculty participation in these matters is provided for under point three below. The present powers of the faculty of the College as a whole relative to courses, curricula, and the granting of degrees should remain unchanged. The dean should prepare the budget of the College as a whole in consultation with the four directors. The dean should not also be a director.

3. Organization of the Schools. The administration of each school should be under a director, appointed biennially by the Board of Trustees upon the recommendation of the President. In the selection and re-appointment of a director, the President should have the advice of the elected members of the executive committee of the school concerned and of the dean.

The executive committee of each school should consist of members elected by the faculty of the school, in the manner prescribed by the faculty, with the director as chairman _ex officio_. The executive committee should advise the director with respect to appointments, promotions, and budgets, and should transact such other business as may be assigned to it by the faculty of the school.

The School of Business Administration should be departmentalized. The committee feels that study by the faculty of the School would evolve a satisfactory departmental breakdown. The committee makes no recommendation as to departmentalization of the School of Economics. The director of a school should not serve as head or chairman of a department, if more than one department is established in the school.

4. Protection of Minority Groups. The committee is of the opinion that unusually careful administrative consideration of salaries and promotions may be required in order to assure fair treatment of the minority groups which seem likely to exist for some time to come under any form of organization. It is, therefore, of the utmost importance that the persons named as dean of the College and as directors of the schools enjoy the fullest measure of confidence of their respective faculties.

5. Participation by the School of Economics in the College of Liberal Arts and Sciences. The committee recommends that the members of the faculty of the School of Economics, while retaining their status as members of the faculty of the College of Commerce (i.e., "Economics and Business Administration"), should participate in the affairs of the College of Liberal Arts and Sciences as members of its faculty. Matters relating to budget, appointments, and promotions in the School of Economics would not be shifted to the College of Liberal Arts and Sciences.

6. Revision of Statutes. Under the present _University of Illinois Statutes_ the status of a school which is included within a college is treated very vaguely. In the event of the approval of these recommendations by the appropriate authorities, the provisions for organizational changes outlined herein should lead to corresponding revisions in the existing _Statutes_. Cognizance should be taken of these changes in the form of a comprehensive redefinition of the status of a school within a college when the _Statutes_ undergo their next general revision.

ROYDEN DANGERFIELD
CHARLES J. GAA
D. PHILIP LOCKLIN
GORDON N. RAY
EDWARD W. CLEARY, Chairman

April 26, 1951

Mr. Nickell moved that no formal action be taken by the Board of Trustees until the next meeting of the Board.

This motion was adopted.

At the request of President Stoddard, Professor Cleary discussed the report of his Committee and answered questions asked by members of the Board.
Following a general discussion of the President’s recommendations and the Committee’s report:

Mr. Johnston suggested that the Advisory Committee of the College of Commerce and Business Administration be consulted regarding the proposed reorganization of the College.

Mr. Megran suggested that the reactions of members of the Faculty of the College be secured following a meeting at which the President’s recommendations and the report of the Cleary Committee would be discussed and questions answered. Mr. Megran also suggested that the Trustees be notified of the time and place of the meeting so that any who wish to do so may attend as individuals to hear the discussion.

President Stoddard stated that his recommendations and the Cleary Committee’s report will be submitted to all members of the College Faculty and to the Advisory Committee, that meetings of these groups will be held with the Cleary Committee participating to discuss its report and to answer questions, and that, as requested by the President of the Board, members of both groups will be asked to submit their opinions in writing to the President of the University.

JUNE MEETING

It was agreed that the next meeting of the Board of Trustees will be held in Chicago on Wednesday, June 13, 1951, the hour and place to be determined by the President and Secretary of the Board.

FESTIVAL OF CONTEMPORARY ARTS

On motion of Mrs. Watkins, the Secretary was instructed to send a letter to Dean Rexford Newcomb of the College of Fine and Applied Arts conveying to the Faculty of the College the felicitations of the Board on the 1951 Contemporary Arts Festival and appreciation of the work done to make it such a great success.

APPRECIATION TO MR. WAYNE A. JOHNSTON

On motion of Mr. Fornof, the Board expressed its appreciation to Mr. Wayne A. Johnston for his gracious hospitality as dinner host to the trustees and other University officials preceding tonight’s meeting.

APPRECIATION TO PROFESSOR EDWARD W. CLEARY

On motion of Mr. Nickell, seconded by Mrs. Watkins, the Board expressed its appreciation to Professor Edward W. Cleary for his informative and very helpful discussion of his Committee’s Report on the Organization of the College of Commerce and Business Administration.

At this point, Mr. Fornof withdrew from the meeting.

EXECUTIVE SESSION

On request of President Livingston, the Board went into Executive Session to consider a special order of business.

PROCEEDINGS IN THE CASE OF PATRICK J. MAY

At a regular meeting of the Board of Trustees of the University of Illinois held in Chicago, Illinois, on March 13, 1951, the Board received
a report from the President of the University that, under Civil Service law and rules, written charges as grounds for discharge had been filed by the Director of Nonacademic Personnel against Patrick J. May, Plant Operating Engineer in the Physical Plant Department of the Chicago Undergraduate Division at Navy Pier, and that Mr. May was served with notice of the same on February 23, 1951. He had requested a hearing, and pursuant to due authorization by the Board, the President of the Board appointed the following committee to hear the charges and make a recommendation to the Board:

Robert P. Hackett, Associate Dean of Commerce and Business Administration and Professor of Accountancy, Chicago Undergraduate Division, Chairman
Harold W. Bailey, Associate Dean of Liberal Arts and Sciences and Professor of Mathematics, Chicago Undergraduate Division
Warren O. Brown, Dean of Men and Counselor in the Division of Special Services for War Veterans, Chicago Undergraduate Division
Charles H. Bowman, Assistant Professor of Law, Urbana
J. Fred Knight, Purchasing Agent, Chicago Colleges

The committee's report and its recommendation are submitted here-with.

REPORT OF THE HEARING COMMITTEE IN THE PROCEEDINGS FOR THE DISCHARGE OF PATRICK J. MAY FROM THE UNIVERSITY OF ILLINOIS CIVIL SERVICE

In this proceeding, the exhibits for the complainant, and the record, show

1. That formal charges were filed against Patrick J. May, an employee of the University of Illinois, classified as a Plant Operating Engineer under the University Civil Service, to discharge Patrick J. May from his position. These charges were filed in accordance with the statute on February 23, 1951.

2. That in accordance with Chapter 24½, Section 38b, Illinois Revised Statutes, 1949, and with the University of Illinois Board of Trustees' Rules for the Classified Civil Service of the University of Illinois, Patrick J. May requested a hearing on such charges.

3. That Robert P. Hackett, Chairman, Harold W. Bailey, Warren O. Brown, J. Fred Knight, and Charles H. Bowman were duly appointed by Park Livingston, President of the Board of Trustees of the University of Illinois and acting under the authority of such Board, as a Committee to hold a hearing on such charges in accordance with the provisions of the statute.

4. That a hearing before such Committee was held on the charges filed against Patrick J. May, on April 9, 1951, in the administrative offices of the University of Illinois, Navy Pier, Chicago, Illinois.

After hearing and weighing the evidence introduced at the hearing, the Hearing Committee makes the following findings of facts:

1. That Patrick J. May, hereinafter referred to as May, is and has been since January, 1947, an employee of the University of Illinois in the civil service classification of fireman and then as a plant operating engineer.

2. That while so employed by the University of Illinois and while on, in, and about the premises of the University at Navy Pier, Chicago, Illinois, May did, at various times beginning shortly after his employment in January, 1947, and continuing until February 23, 1951, receive from other persons on, in, or about such premises, sums of money varying in amount from ten cents to two dollars each, which May undertook to place by telephone with bookmakers in the city of Chicago as bets on race horses running at various tracks in the country.

3. That on February 7, 1951, May accepted from one Barry two dollars as a bet on Sunshine Rose to place in the seventh race at Hialeah Park; that on February 23, 1951, May accepted from Barry two dollars as a bet on Old Bess in the second race at Hialeah Park.
4. That bets were received and phoned to bookmakers at various times during May's working hours, but that the time consumed by such activities was only a few minutes in each instance.

5. That in making application for employment with the University of Illinois on January 6, 1947, in answer to the question "Have you ever been arrested, indicted, or convicted for any violation of law other than a minor violation?", May replied "No," whereas he had in fact been arrested in the city of Chicago, by the Chicago police, on a charge of gambling, on May 25, 1931, and again in the city of Chicago, by the Chicago police, on a charge of bookmaking, on February 8, 1933. That in each case of arrest, May was discharged without indictment or conviction.

From the above findings of fact, the Committee makes the following conclusions:

1. That Patrick J. May on various occasions while in the employ of the University of Illinois did receive and accept bets from persons on the premises of the University of Illinois.

2. That May accepted bets and phoned them to bookmakers during scheduled working hours, which constituted the taking care of outside interests during scheduled working hours. The Committee further concludes, however, that the time consumed in such activities was not so great as to seriously affect adversely the quality of May's work in the performance of his regular duties.

3. That the wording of the question relative to previous arrests, put to May at the time of his application for employment, was open to interpretation by the applicant as to what constituted "minor offenses," and that May's reply to such question did not constitute a falsification of employment record under the circumstances of his case.

From the above conclusions, the Committee makes the following ultimate conclusions:

1. That the receiving and acceptance of bets by May from persons on the premises of the University of Illinois is just cause for discharge from the civil service of the University of Illinois.

2. That the taking care of outside interests during scheduled working hours by May did not so seriously affect adversely the performance of his regular duties as to constitute just cause for discharge.

3. That the answer given by May to the specific question asked relative to his employment application is not just cause for discharge.

4. That the fourth charge of "Conduct prejudicial to the interests of the University" states a conclusion which depends for its validity upon specific acts set forth in the first three charges, or upon other acts not specified in the charges, and in view of the findings of fact and conclusions based on the first three charges individually, the Committee deems it unnecessary to make any finding of fact or conclusion in relation to the fourth charge.

Conclusion of law:

The Committee concludes that the receiving and acceptance of bets by Patrick J. May from persons on the premises of the University of Illinois constitutes just cause for discharge from the classified civil service of the State in relation to the University of Illinois.

Recommendation:

The Committee therefore recommends that the employee, Patrick J. May, be discharged, and that this decision of the Board be certified to the appointing officer and be enforced by him.

Robert P. Hackett
Harold W. Bailey
Warren O. Brown
J. Fred Knight
Charles H. Bowman

On motion of Mr. Johnston, the recommendation of the Committee was approved, and Patrick J. May was discharged from the classified civil service of the state in relation to the University of Illinois, by the
following vote: Aye, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Fornof, Mr. Hickman, Mr. Stevenson.

SECRETARY’S REPORTS

The Secretary presented for record the following lists: (1) appointments made by the President; (2) graduate fellows; (3) resignations and declinations; (4) retirements; (5) leaves of absence.

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parenthesis is the date on which the appointment was made by the President of the University. C = College; S = Station; E = Extension.)

APPEL, ALICE J., Acting Assistant Acquisition Librarian, with the rank of Instructor, four months beginning May 1, 1951, $360 a month, supersedes (5-2-51).

APPLETON, JOSEPH H., Research Associate in Civil Engineering, in the Engineering Experiment Station, one year beginning July 1, 1951, $4800 (4-19-51).

ARTHUR, ALICE E., Medical Illustrator in the Division of Services for Crippled Children, on one-half time, five months beginning April 1, 1951, $150 a month (4-19-51).

BARRON, SAMUEL H., JR., Clinical Instructor in Pediatrics, in the College of Medicine, on nine-tenths time, five months beginning April 1, 1951, $3500 a year, supersedes (5-7-51).

BOSZORMENYI-NAGY, IVAN, Research Assistant in Psychiatry, in the College of Medicine, five months beginning April 1, 1951, $250 a month (4-21-51).

BOWERS, WENDELL, Instructor in Agricultural Engineering, in the Extension Service in Agriculture and Home Economics, three months beginning June 1, 1951, $333.33 a month (5-10-51).

BUTCHER, WALTER W., Instructor in Physical Sciences, in the Undergraduate Division in Chicago, on one-half time, beginning April 1, 1951, and continuing through June 15, 1951, $170 a month (4-20-51).

BYERS, FRANKLIN H., Research Assistant in the Bureau of Institutional Research, three months beginning June 1, 1951, $250 a month (4-25-51).

CARTON, ROBERT W., Clinical Assistant in Medicine (Rush), in the College of Medicine, beginning July 1, 1951, and continuing through August 31, 1952, without salary (4-26-51).

CAUDLE, RODNEY D., Research Assistant in Mining Engineering, in the Department of Mining and Metallurgical Engineering, in the Engineering Experiment Station, one year beginning September 1, 1951, $3000 (4-19-51).

CHEN, KUO-TSAI, Research Associate in Mathematics, in the Graduate College, one year beginning September 1, 1951, to render service during the academic year, $3000 (for the convenience of the University he will also be furnished with suitable living quarters) (4-21-51).

DAMRIN, DORA E., Research Associate in the Bureau of Research and Service, two months beginning July 1, 1951, $350 a month (5-10-51).

DUNN, FLOYD, Research Assistant in Electrical Engineering, in the Engineering Experiment Station, beginning May 1, 1951, and continuing through August 31, 1952, $4000 a year, supersedes (5-7-51).

FULLER, JOHN B., Instructor in Pathology, in the College of Medicine, on tenth time, $408 a year, and in studies under a United States Public Health Service grant, on nine-tenths time, $4800 a year, two months beginning July 1, 1951, supersedes (4-24-51).

HIRSCH, MARVIN M., Research Assistant in Preventive Medicine, in the College of Medicine, two months beginning July 1, 1951, $250 a month (4-19-51).

HOCH, KITA ANN, Registered Pharmacist in Hospital Pharmacy, in the College of Pharmacy, four months beginning May 1, 1951, $300 a month (5-3-51).

LAUGHNAN, JOHN R., Assistant Professor of Botany, in the College of Liberal Arts and Sciences, and Assistant Professor of Plant Genetics, in the Department of Agronomy, in the College of Agriculture, four months beginning May 1, 1951, $466.67 a month, supersedes (4-23-51).
LIPTON, EARLE L., Clinical Assistant in Pediatrics, in the College of Medicine, eight
months beginning January 1, 1951, without salary (4-19-51).
MANFREDI, HAROLD, Research Assistant in Psychiatry (assigned to Loyola Un-
iversity), in the College of Medicine, five months beginning April 1, 1951, $244.17 a month (5-2-51).
MARTIN, ALICE M., Acting Education, Philosophy, and Psychology Librarian, with
the rank of Instructor, four months beginning May 1, 1951, $325 a month, supersedes (5-3-51).
MCMILLAN, FRED W., Assistant in Forest Research, in the Department of Forestry,
in the Agricultural Experiment Station, beginning July 1, 1951, and continuing through August 31, 1952, $3200 a year (4-28-51).
MCMILLION, MARY CATHERINE, Research Assistant in the Bureau of Economic and
Business Research, four months beginning May 1, 1951, $250 a month (5-10-51).
MILLER, JAMES G., Clinical Assistant in Psychiatry, in the College of Medicine,
four months beginning May 1, 1951, without salary (4-19-51).
PACKARD, DOUGLAS K., Clinical Assistant in Surgery, in the College of Medicine,
four months beginning March 1, 1951, without salary (4-19-51).
PARSONS, MALCOLM B., Assistant Professor of Labor and Industrial Relations, one
year beginning September 1, 1951, $4900 (4-28-51).
RHOADES, MARCUS M., Professor of Botany, in the College of Liberal Arts and
Sciences, and Professor of Cytogenetics, in the Department of Agronomy, in
the College of Agriculture, on indefinite tenure beginning May 1, 1951, to
render service during each academic year, $10,500 a year, supersedes (4-23-51).
SIERS, CHESTER P., Research Associate Professor of Civil Engineering, in the
College of Engineering, on one-third time, and in the Engineering Experiment
Station, on two-thirds time, on indefinite tenure beginning March 1, 1951, $7000 a year, supersedes (4-21-51).
SILBERGELD, SAM, Assistant Professor of Physical Sciences, in the Undergraduate
Division in Chicago, five months beginning April 1, 1951, $368 a month, supersedes (4-20-51).
SONNENSEIN, KARL H., Research Associate in Psychiatry, in the College of Medi-
cine, beginning April 15, 1951, and continuing through August 31, 1951, $458.33 a month, supersedes (5-2-51).
TAYLOR, SAMUEL G., III, Clinical Associate Professor of Medicine, in the College
of Medicine, on 45/100 time, one year beginning April 1, 1951, $3000, supersedes (5-8-51).
WELCH, HELEN M., Acting Acquisition Librarian, with the rank of Assistant
Professor, four months beginning May 1, 1951, $450 a month, supersedes (5-8-51).
WELKOWITZ, WALTER, Research Assistant in Electrical Engineering, in the Engi-
neering Experiment Station, beginning May 1, 1951, and continuing through
August 31, 1952, $4400 a year, supersedes (5-7-51).
WHEELER, DAVID J., Visiting Assistant Professor of Mathematics, Electronic
Digital Computer, in the Graduate College, nine months beginning September
10, 1951, $500 a month (4-23-51).
WOODMAN, EUGENE M., Assistant Professor of Education, two years beginning
September 1, 1951, to render service during each academic year, $4700 a year
(4-23-51).
WOZGIN, JULIA E., Clinical Assistant in Nursing, in the School of Nursing, five
months beginning April 1, 1951, $200 a month (for her convenience she will
also be furnished with room and board valued at $40 a month) (5-7-51).

GRADUATE FELLOWS
(The following appointments were made by the Dean of the Graduate College on the dates
indicated in parenthesis.)
BROWN, JOHN W., Bristol Laboratories Fellow in Biological Chemistry (Medicine),
April 1-September 15, 1951, $1100 (4-19-51).
BYRNE, PATRICK J. S., National Lead Company Fellow in Geology, nine months
beginning September 16, 1951, $1500 (4-17-51).
CHAKRABORTI, AMAL K., Postdoctoral Fellow in Botany, nine months beginning
September 16, 1951, $2400 (4-24-51).
CHENG, KUANG Lu, Postdoctoral Fellow in Agronomy, nine months beginning September 16, 1951, $2000 (4-24-51).
Cohrs, Joyce S., Fellow in Psychology, September 16, 1951-January 31, 1952, $350 (4-17-51).
GASH, Virgin W., Fellow in Chemistry, July 1-September 15, 1951, $300 (5-4-51).
KIRTS, Arthur L., Henry Strong Fellow in Civil Engineering, nine months beginning September 16, 1951, $700 (5-7-51).
LI, YIN-YUAN, Postdoctoral Fellow in Physics, nine months beginning September 16, 1951, $300 (5-4-51).
McKean, Irvin J., Titanium Alloy Fellow in Ceramic Engineering, ten months beginning September 1, 1951, $1800 (5-4-51).
MEYER, Robert P., Fellow in Surgery, five months beginning April 1, 1951, $1800 (5-2-51).
Ryder, Bernard L., Fellow in Chemistry, July 1-September 15, 1951, $300 (5-4-51).
Salzman, Norman P., Abbott Fellow in Chemistry, one year beginning September 1, 1951, $1500 (4-17-51).
Segall, Benjamin, Postdoctoral Fellow in Physics, nine months beginning September 16, 1951, $2000 (4-24-51).
Skom, Joseph H., Public Health Service Fellow in Physiology (Medicine), nine months beginning September 16, 1951, $2000 (4-19-51).
Swan, John B., Postdoctoral Fellow in Physics, nine months beginning September 16, 1951, $2000 (4-24-51).
Van Duuren, Benjamin L., Postdoctoral in Chemistry, nine months beginning September 16, 1951, $2000 (4-24-51).

RESIGNATIONS AND DECLINATIONS

Anderson, Robert P., Fellow in Chemistry — declination effective 9-16-51.
Becker, William K., Research Assistant in Civil Engineering, in the Engineering Experiment Station — resignation effective 4-18-51.
Bousfield, John R., Fellow in Geography — declination effective 9-16-51.
Bright, D. Bruce, Minnesota Mining and Manufacturing Company Fellow in Chemistry — declination effective 9-16-51.
Brown, Rollin L., Fellow in Physics — declination effective 9-16-51.
Carlson, Earland, Fellow in History — declination effective 9-16-51.

Hull, Mrs. Mary E., Research Associate in the College of Education — resignation effective 6-1-51.
James, Herbert L., Fellow in Speech — declination effective 9-16-51.
Jones, David L., Fellow in English — declination effective 9-16-51.
Linzer, Edward, Assistant Professor of Social Welfare Administration — resignation effective 8-31-51.
Lipps, Christine, Fellow in Psychology — declination effective 9-16-51.
Malecki, George J., Fellow in Food Technology — declination effective 9-16-51.
MARKSBERRY, MARY LEE, Research Assistant in the Provost’s Office — resignation effective 5-1-51.

McKEOWN, MRS. MARIE PETTIBONE, Medical Artist in the Cleft Palate Training Program and Center, in the Division of Services for Crippled Children — resignation effective 3-31-51.

MCKINSEY, JAMES W., Fellow in Agricultural Economics — declination effective 9-16-51.

MCLELLAN, JOHN M., Fellow in Mathematics — declination effective 9-16-51.

MICHELS, CHARLES J., Instructor in Theoretical and Applied Mechanics — resignation effective 5-8-51.

NICKLAS, DOUGLASS R., Research Associate in Psychology, in the Graduate College — resignation effective 3-10-51.

PERLMAN, MARTIN M., Assistant Professor of Social Welfare Administration — resignation effective 8-31-51.

PERLMAN, MARTIN M., Fellow in Physics — declination effective 9-16-51.

PIIP, ANTS-TONIS, Fellow in Electrical Engineering — declination effective 9-16-51.

RAFFNER, ROBERT S., John A. Fairlie Fellow in Political Science — declination effective 9-16-51.

SPIEWAK, MILDRED, Fellow in Physics — declination effective 9-16-51.

STANTON, GEORGE T., Research Assistant in Psychiatry (assigned to Loyola University), in the College of Medicine — resignation effective 4-1-51.

STAUGAS, LEONARD W., Research Assistant in Labor and Industrial Relations — resignation effective 5-21-51.

TALLENT, M. H., Abbott Fellow in Chemistry — declination effective 9-16-51.

TAYLOR, CLIFFORD E., Instructor and First Assistant in Vegetable Crops (Horticulture), in the Agricultural Experiment Station and in the Extension Service in Agriculture and Home Economics — resignation effective 7-1-51.

WHORTON, GLADYS P., Assistant Professor of Education — resignation effective 5-31-51.

RETIREMENTS

CABERG, CARL H., Professor of Mechanical Engineering — retirement effective 9-1-51.

ROBINSON, FLORENCE B., Professor of Landscape Architecture — retirement effective 9-1-51.

LEAVES OF ABSENCE

AYERS, ARTHUR R., Instructor in Agricultural Engineering, in the Extension Service in Agriculture and Home Economics — leave of absence, without salary, May 14, 1951, until the end of the academic year, for military service.

BEAM, GEORGE R., Director of Statistical Service Unit, in the Provost’s Office — leave of absence, without salary, May 16-August 31, 1951, for military service.

BRADY, DOROTHY S., Professor of Economics, in the Department of Economics — leave of absence, without salary, March 1-August 31, 1951, and Research Professor of Economics, in the Bureau of Economic and Business Research — leave of absence, without salary, April 10-August 31, 1951.

BRISCOE, JOHN W., Instructor in Civil Engineering, in the College of Engineering — leave of absence, without salary, March 28, 1951, until the end of the academic year, for military service.

BRUNNER, MATTHEW J., Assistant Professor of Dermatology, in the College of Medicine — leave of absence, with salary, three months beginning April 1, 1951, on account of illness.

BYERS, WALTER H., Assistant Professor of Electrical Engineering, in the College of Engineering — leave of absence, without salary, one year beginning September 1, 1951, for work in connection with the defense effort.

EALES, EDWARD P., Assistant Professor of Aeronautical Engineering, in the College of Engineering — leave of absence, without salary, for the academic year, 1951-1952.

HANCOCK, ROBERT S., Instructor in Marketing, in the Department of Business Organization and Operation — leave of absence, without salary, May 24-August 31, 1951, for military service.

HOROWITZ, MORRIS A., Research Assistant Professor of Labor and Industrial Relations — leave of absence, without salary, May 22-August 31, 1951.
KUBLY, HERBERT O., Associate Professor of Speech — leave of absence, without salary, six months beginning September 1, 1951.

MASSLER, MAURY, Professor of Graduate Pedodontia, and Lecturer in Postgraduate Studies, in the College of Dentistry — leave of absence, with salary, one month beginning July 1, 1951.

STUBBLEFIELD, FRANK M., Assistant Professor of Physical Sciences, in the Undergraduate Division in Chicago — leave of absence, without salary, May 18-August 31, 1951, for military service.

UNDERWOOD, ROBERT B., Instructor in Postgraduate Studies and in Full and Removable Partial Dentures, in the College of Dentistry — leave of absence, without salary, four months beginning May 1, 1951, for military service.

ZIMMERMAN, WILLIAM F., Research Assistant in Ceramic Engineering, in the Engineering Experiment Station — leave of absence, with part salary, March 26-April 4, 1951, for military service.

ZIROLI, NICOLA V., Assistant Professor of Art — leave of absence, with full salary, March 28-May 19, 1951, on account of illness.

On motion of Mr. Grange, the Board adjourned.

MEETING OF THE EXECUTIVE COMMITTEE  
MAY 18, 1951

The Executive Committee of the Board of Trustees of the University of Illinois met in the Faculty-Alumni Lounge of the Illini Union Building, Urbana, Illinois, on Friday evening, May 18, 1951, immediately following the adjournment of the Board meeting. The following, constituting all members of the Executive Committee, were present: Mr. Park Livingston, Chairman, Mr. Herbert B. Megran, and Mrs. Frances B. Watkins. Mr. A. J. Janata, Secretary of the Board, was also present.

The Committee considered the following item of business presented by the Secretary:

APPROPRIATION FOR BOARD OF TRUSTEES

The appropriations made for the Board of Trustees' Office in recent years have not been adequate to meet its needs.

The items of expense include: (a) printing of the Board minutes and publication of the Transactions of the Board of Trustees or biennial report; (b) annual audits of University accounts by outside certified public accountants employed by the Board; (c) expenses of holding Board of Trustees meetings; (d) travel expense of trustees; (e) fees paid investment counsel and for servicing University securities representing investments of trust funds; (f) fidelity insurance premiums; and (g) the business operations of the Secretary's office.

There have been substantial increases in some of these costs. For example, the cost of outside audits of accounts is now $3,000 more than it was three years ago, due to the increase in volume of work. Printing costs are up and the increase in the amount of business transacted by the Board requires inclusion of more material in the printed record. This year there was a premium payment of $1,525 for fidelity insurance for a three-year period, covering all areas of the University.
The Secretary requests an addition of $8,500 to the budget for the current fiscal year ending June 30, 1951, to be allocated: $600 for wages of temporary nonacademic personnel, and $7,900 for other expenses.

On motion of Mrs. Watkins, an additional appropriation of $8,500 was made from the General Reserve Fund to the Board of Trustees' Office, as requested, by the following vote: Aye, Mr. Livingston, Mr. Megran, Mrs. Watkins; no, none.

The Executive Committee adjourned.

Clerk

PARK LIVINGSTON  
Chairman
The June meeting of the Board of Trustees of the University of Illinois was held in the LaSalle Hotel, Chicago, Illinois, on Wednesday, June 13, 1951, beginning at 6:00 p.m. (C.D.S.T.).

The following members were present: President Livingston, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Megran, Mr. Nickell, and Mrs. Watkins.

Also present were President George D. Stoddard, Provost Coleman R. Griffith, Mr. Ralph F. Lesemann, Legal Counsel-elect, Mr. J. F. Wright, Director of Public Information, Mr. Lloyd Morey, Comptroller, Mr. C. W. Weldon, Treasurer, and Mr. A. J. Janata, Secretary of the Board.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of April 19, 1951, press proof copies of which had been sent to all members of the Board in advance of this meeting.

On motion of Mr. Johnston, these minutes were approved as printed on pages 649 to 685, inclusive.
BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following recommendations and reports presented by President Stoddard.

PURCHASE OF RESIDENCE PROPERTY FOR FACULTY HOUSING

(1) In 1947 the Board of Trustees approved a policy under which the University has purchased residence properties from time to time specifically for the purpose of renting them to new members of the faculty who were being appointed to important positions and whose services could not be secured unless houses could be provided. Subsequently, some of these members of the faculty have purchased or built homes of their own and the houses have been rented to others. In some cases, the houses will be purchased from the University by the occupants.

It now becomes necessary to ask the Board for authority to purchase another house in order to secure the services of a professor whom all concerned recommend as being highly qualified for an important position at the University of Illinois. This position will become vacant at the end of the current academic year. We are not prepared now to make a specific recommendation for a purchase, and I therefore request that the Executive Committee of the Board be authorized to purchase one residence property upon recommendation of the President of the University, supported by an official real estate appraisal.

On motion of Mr. Johnston, the Executive Committee was authorized to purchase one residence property in Champaign or Urbana at a price not to exceed $25,000, upon recommendation of the President of the University and based on a real estate appraisal. This authorization was given by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

PAYMENTS FOR LEGAL SERVICES

(2) Mr. John H. Armstrong, Attorney, Champaign, has submitted a statement of account of $3,419.84 for legal services rendered and expenses incurred up to June 7, 1951, as special counsel and consultant in connection with the University's contracts with the Warner Construction Company.

Chapman and Cutler, Chicago, have submitted a statement of account of $4,757.95 for legal services and expenses in connection with the approval of the revenue bonds issued to finance the housing projects in Chicago.

Funds are available for payments of these fees which will be charged against the costs of the projects.

I recommend that these payments be authorized.

On motion of Mrs. Watkins, seconded by Mr. Hickman, payment of these fees was authorized.

APPOINTMENT OF MORELL B. RUSSELL AS PROFESSOR AND HEAD OF THE DEPARTMENT OF AGRONOMY

(3) The Dean of the College of Agriculture recommends the appointment of Dr. Morell B. Russell, now Professor of Soil Science at Cornell University, as Professor and Head of the Department of Agronomy in the College of Agriculture and the Agricultural Experiment Station on indefinite tenure beginning September 1, 1951, at an annual salary of $10,750 (AY basis).

I concur.

On motion of Mrs. Watkins, this appointment was approved.

APPOINTMENTS TO THE FACULTY

(4) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. John Bardeen, Professor of Electrical Engineering and Physics, beginning September 1, 1951, at an annual salary of $10,000 (A).
2. T. Ernest Newland, Associate Professor of Education, beginning September 1, 1951, at an annual salary of $6,500 (B).

On motion of Mrs. Watkins, these appointments were confirmed.

CHANGES IN CIVIL SERVICE CLASS SPECIFICATIONS

(5) The Director of Nonacademic Personnel submits his annual recommendations for changes in University Civil Service positions to keep the classification plan up to date and to meet the changing needs of the University. His recommendations include:
(a) new classifications; (b) classifications to be deleted; (c) revised specifications; (d) changes and corrections in classification titles; (e) changes in classification titles and revision of specifications; and (f) changes in salary ranges of present classifications.

I recommend that the Board approve these changes, effective July 1, 1951.

**Senior Accountant-Statistician**

**DEFINITION:** Under supervision, to perform responsible accounting and budgeting work; to interpret the results thereof and present them in statistical reports; to plan, direct, conduct, and report studies and research on statistical-accountancy problems and on the relationships between statistical and accounting data.

**DUTIES BY EXAMPLE:** To apply the techniques of accounting in determining unit costs and to develop new cost accounting procedures for major University functions, such as instruction and research; to interpret accounting records, such as budgets, accountants' reports, reconciliations, and inventory records, and relate them to statistical data and to the measures, derived therefrom; to collect, tabulate, and analyze accountancy and statistical data of various types, present the results in both graphic and tabular form, and summarize and interpret such data; to plan statistical-accountancy studies and research; to supervise the work of statistical and clerical workers; to perform related duties as assigned.

**QUALIFICATIONS:** University graduation, or the equivalent, with training in basic mathematics, fundamentals of statistics, principles of economics and finance, and accountancy through cost accounting, preferably including either institutional or governmental accounting; one year of experience as clerk, bookkeeper, tabulating machine operator, or other work with records, data, and statistical reports; accuracy, integrity, good judgment, supervisory ability; minimum age twenty-one.

**Bindery Assistant**

**DEFINITION:** Under supervision of a foreman, to perform routine duties involved in Print Shop Bindery.

**DUTIES BY EXAMPLE:** To operate stitching machine; collate signatures; check prenumbered forms; gather multiple copies of forms; perform related duties as assigned.

**QUALIFICATIONS:** Grade school graduation; ability to learn quickly; willingness to cooperate with foreman and other employees; good physical condition; minimum age eighteen.

**Physical Research Laboratory Assistant**

**DEFINITION:** Under general direction only, to perform duties requiring a high degree of skill in the design, construction, assembly, and operation of physics research equipment and to supervise others with less skill and experience in similar work.

**DUTIES BY EXAMPLE:** To design specialized research equipment, including microtomes, cryostats, mechanical testing apparatus, high-temperature ovens, magnets, calorimeters; construct such apparatus in the machine shop; weld, hard and soft solder, and spin metals; operate specialized research apparatus such as high-temperature ovens, large magnets, cryogenic equipment, vacuum systems, cloud chambers, nuclear particle accelerators; assist in the making of electrical, optical, thermal, and mechanical measurements; operate standard and specialized cameras and process photographic materials; supervise others of less skill and experience in the operation of research equipment; advise others of less knowledge and experience concerning the properties of the materials of research; maintain equipment lists and material inventories; maintain records of tests; perform related duties as required.

**QUALIFICATIONS:** Four years of college work in science or engineering, or equivalent shop and/or research laboratory experience; skill and experience with machine tools and drafting equipment; knowledge of the properties of the materials of research; physical and mental ability to do and to supervise work on precision apparatus in a careful, efficient manner; minimum age twenty-five.

**Senior Tool Room Attendant**

**DEFINITION:** Under direction, to be responsible for receipt, issuance, and custody of tools and equipment.
DUTIES BY EXAMPLE: To be responsible for work of employees of lower rank in the tool room; be responsible for custody, issuance, replacement, maintenance, and repair of tools and equipment; and maintenance of tool room records as outlined in the Tool Control Manual; assist machinists in shop work as required; be responsible for removal from service of all unsafe, broken, or otherwise defective tools and equipment; perform related duties as assigned.

QUALIFICATIONS: High school graduation preferred; good physical condition; agility; mechanical aptitude; manual dexterity; ability to maintain legible records; pleasant business-like personality conducive to dealing harmoniously with fellow employees; initiative; resourcefulness; minimum age twenty-two.

Clerk III
DEFINITION: Under general supervision, to be responsible for varied and complex clerical work, involving the exercise of independent judgment and/or the supervision of a clerical staff of lower rank.

DUTIES BY EXAMPLE: To supervise and direct the work of a small or moderately-sized clerical unit; compile data for reports; code, classify, file, and direct filing of all materials in a large and complex filing system; give out information as approved by superior; answer routine inquiries; assist in the preparation and maintenance of records, including tabulation and posting of data in various record books; control admission of patients' visitors; operate office machines as required and instruct others in the operation of such machines; prepare materials for mailing; handle cash and other valuables; keep expenditure and income accounts which may include auditing, vouchering, and scheduling invoices, payrolls, and expense accounts; perform related duties as assigned.

QUALIFICATIONS: High school graduation; business training preferred; at least one year of responsible clerical experience, preferably in a college or university; typing ability desirable; minimum age twenty.

Clerk II
DEFINITION: Under direct supervision, but with some independence, to perform clerical duties requiring knowledge of office procedures.

DUTIES BY EXAMPLE: To give out information concerning department as approved by superiors; do indexing and filing involving cross indexing and transfer; register patients; keep records; be responsible for petty cash; make transcripts; fill supply orders; do inventory work; compile data and minor statistics; operate office machines as required; prepare tabulations; balance ledgers; check payrolls; do messenger work; check periodicals and bulletins; assist in the making of charts and graphs; check credits and admissions; answer routine inquiries; perform related duties as assigned.

QUALIFICATIONS: High school graduation; business training desirable; one year of clerical experience preferable; minimum age eighteen.

Clerk I
DEFINITION: Under close supervision, to perform routine tasks requiring a knowledge of clerical work.

DUTIES BY EXAMPLE: To open, seal, and mail correspondence; file materials as directed; paste labels; wrap packages; answer telephones; perform messenger service; do sorting, checking, calculations, and posting; answer routine inquiries; record grades and other data; operate duplicating machines and office machines as required; assemble duplicated materials; perform related duties as assigned.

QUALIFICATIONS: High school graduation; minimum age sixteen.

Payroll Clerk I
DEFINITION: Under supervision, to assist in maintaining payroll records and in preparing University payrolls.

DUTIES BY EXAMPLE: Assist in the preparation and maintenance of payroll records; post earnings records; maintain files for payroll authorizations, earnings records, time cards, and other related data.

QUALIFICATIONS: High school graduation; typing ability; accuracy and aptitude in handling figures; thoroughness; minimum age sixteen.

Technical Computer
DEFINITION: Under supervision of members of the academic staff, to make numerical computations, including numerical evaluations of integrals and numerical
integration of differential equations in connection with scientific research work carried on by senior staff, or by graduate students.

**Duties by Example**: Solve problems in higher mathematics incidental to investigative development and research work in scientific fields, such as engineering, physics, and astronomy; determine mathematical principles involved and most efficient methodology for solution of problems; operate calculating machines in the solution of problems.

**Qualifications**: University graduation, with master's degree desirable in engineering or mathematics; skill in the operation of various types of calculating machines; evidence of ability to plan work for making numerical computations and evaluations; experience in progressive, responsible mathematical research and techniques; minimum age twenty-five.

**Consultant for Women's Housing**

**Definition**: Under direction of Supervisor of Off-Campus Housing, to assist in matters relating to women's housing.

**Duties by Example**: To interview callers seeking general housing information; act as consultant to house directors and sorority officers concerning housing problems such as quotas, standards, and remodeling; confer with Dean of Women regarding physical aspects of housing; review complaints concerning food service and housing standards in privately operated units and recommend solutions; assist in adjusting controversial matters which pertain to physical aspects of housing in privately operated units; supervise the work of a housing visitor; supervise inspection program in privately-owned units accommodating women; compile and distribute information concerning housing for women; assist in preparation of Housing Handbook; supervise preparation of women's housing directory and women's housing statistics; distribute and collect applications for housing in University-owned facilities for single women; participate in College Day programs as requested; attend group meetings of house directors and intersorority council; perform related duties as assigned.

**Qualifications**: University graduation, preferably with some work in sociology, personnel administration, or related subjects; working knowledge of interior decoration and furniture values desirable; ability to carry on correspondence effectively; aptitude for getting along with people and for adjusting controversial matters; minimum age twenty-five.

**Assistant Director of Statistical Service Unit**

**Definition**: Under Director of the Unit, to be responsible for the operations of a large tabulating division, for establishing and maintaining involved mechanical tabulation procedures, and for the efficient and economical application of a wide variety of tabulating machine equipment.

**Duties by Example**: To direct the activities of a complex machine tabulating unit; plan work methods and procedures, subject to departmental policies established by the Director; revise procedures, work methods, and forms for the purpose of improving the efficiency of operation and services of the Unit; suggest to, and consult with, higher administrative officers on proposed changes of procedure; make decisions relative to operation of the Unit within the established procedures; plan, assign, and coordinate the work of the Unit; review and study finished reports for accuracy and correct composition; assist other staff members in the solution of difficult problems; perform related duties as assigned.

**Qualifications**: University graduation with major, or special training, in fields of accounting and/or engineering; five years of experience with IBM punch card accounting equipment, including experience on latest model units; preferably three years of this total experience should have been spent in working with a college or university tabulating unit; experience in management and supervisory work highly desirable; ability to wire and operate all types of IBM equipment; ability to conduct classes in operation of IBM equipment; working knowledge of application of all types of IBM equipment; ability to design cards, code forms, and set up procedures; working knowledge of methods, plans, and practices of modern college and university records and statistics; ability to plan and coordinate the work of other tabulating unit employees; ability to deal harmoniously with the faculty and staff; minimum age twenty-eight.
Routing Dispatcher II

**Definition:** Under immediate supervision, to be responsible for the dispatching of craftsmen for routine maintenance, repair, and/or alteration work on University buildings and grounds.

**Duties by Example:** To receive and dispatch to the appropriate staff and/or craft information relating to requests for service or needed repairs; type work orders and answer inquiries relative to such work; assist Routing Dispatcher III in the setting up of job orders and routine follow-up on such work; assume responsibility for job order work in the absence of Routing Dispatcher III; perform related duties as assigned.

**Qualifications:** High school graduation; special training in typing and clerical work; knowledge of craft jurisdiction and building trades terminology preferable; ability to type accurately and rapidly; at least one year of experience preferably with a building contractor or in a service department of a university or college; tact; ability to cooperate with associates; minimum age eighteen.

Routing Dispatcher I

**Definition:** Under immediate supervision, to assist in the dispatching of craftsmen for routine maintenance, repair, and/or alteration work on University buildings and grounds.

**Duties by Example:** To receive and dispatch to the appropriate staff and/or craft, information relating to requests for service or needed repairs; type work orders and answer inquiries relative to such work; assist in the maintenance of job order records; perform related duties as assigned.

**Qualifications:** High school graduation; training in typing; some knowledge of craft jurisdiction and building trades terminology preferable; high clerical aptitude; tact; ability to cooperate with associates; minimum age sixteen.

Optical Dispenser

**Definition:** Under supervision of the Chief Ophthalmologist, to be in charge of the Optical Dispensary.

**Duties by Example:** To be in charge of the dispensing of glasses; to supervise employees assigned to this unit; supervise the residents in Ophthalmology in the dispensing of glasses; keep records; give assistance in problems relating to refraction and various optical instruments to members of the department of Ophthalmology; have custody of supplies and equipment; keep inventory; prepare reports; perform related duties as assigned.

**Qualifications:** High school graduation; at least three years of post-high school education with special emphasis on physical optics; at least one year of practical experience in optical dispensing; supervisory ability; minimum age twenty-three.

Senior Accelerator Engineer

**Definition:** Under general supervision of research staff, but with a great degree of direct responsibility, to operate and maintain high-energy accelerators.

**Duties by Example:** Assist research staff in setting up and performing experiments; schedule operating personnel; maintain the accelerators; make changes and adjustments as are necessary; under direction of physicists, be responsible for rebuilding and making modifications as need requires; build, or supervise the building of, such auxiliary research apparatus as cloud chambers and analyzer magnets; assist in solving major design problems relating to nuclear physics.

**Qualifications:** University graduation with degree in engineering, preferably in physics or electrical engineering; at least three years' experience in electronics or physics; ability to formulate high standards of workmanship and materials; thoroughness; ability to organize, assign, and direct work; accuracy; resourcefulness; good judgment; good physical condition; minimum age twenty-five.

Junior Accelerator Engineer

**Definition:** Under supervision of Senior Accelerator Engineer, to assist in the operation and maintenance of an accelerator.

**Duties by Example:** Under the direction of the Senior Accelerator Engineer, to assist research staff in setting up and performing experiments; schedule operating personnel; maintain the accelerators; make changes and adjustments as are neces-
sary; under direction of physicists responsible for rebuilding and making modifications as need requires; build or supervise the building of such auxiliary research apparatus as cloud chambers and analyzer magnets; assist in solving major design problems relating to nuclear physics.

**Qualifications:** University graduation with degree in engineering, preferably in physics or electrical engineering, or an equivalent amount of practical experience; alertness; some degree of manual skills; working knowledge of electronics; good judgement; good physical condition; minimum age twenty-two.

**Electronics Engineer**

**Definition:** Under administrative supervision, to plan, develop, and test new types of electronic circuits of advanced design for use in nuclear physics or other specialized fields.

**Duties by Example:** To suggest and develop new or improved circuit designs required in instrumentation for research; be in charge of the electronics shop; supervise circuit development and construction work by electronics technicians; instruct electronics technicians in circuit design and use of specialized electronic instruments; consult with senior staff on design of equipment for use in their research problems; be responsible for maintenance and repair by the electronics shop of electronic circuits and equipment used in research.

**Qualifications:** Bachelor's degree in physics or electrical engineering; master's degree preferred; extensive experience in actual design and construction of electronic equipment such as radio, radar, and scientific electronic equipment; thorough understanding of, and competence in the use of, electronic instruments; good physical condition; dependability; good judgment; minimum age twenty-five.

**Assistant Instrument and Efficiency Engineer**

**Definition:** Under the direct supervision of the Instrument and Efficiency Engineer, to perform duties related to the efficient operation of power plant equipment.

**Duties by Example:** To collect and tabulate daily power plant reports; to take and compile meter readings of steam, gas, and electrical consumption of buildings on the Urbana campus; to compute and record the steam, gas, and electrical consumption of such buildings; to prepare graphs and charts of operating data; assist the Instrument and Efficiency Engineer in efficiency tests for power plant equipment such as boilers, turbines, pumps, and dust collector system; do coal sampling, preparation, and tests; make coal storage temperature tests and records; perform related duties as assigned.

**Qualifications:** High school graduation and two years of experience on tests and efficiency work in a power plant having operating steam pressure of 200 pounds per square inch or higher; specialized education in combustion engineering may be substituted for one year of experience on tests and efficiency work; graduation from a recognized college or university in mechanical engineering desirable; general knowledge of power plant instruments and of methods and procedures to make combustion and efficiency calculations; good health; minimum age twenty-one.

**Maid Forelady**

**Definition:** Under direction, to supervise a group of custodial employees and to perform domestic duties.

**Duties by Example:** To assign specific custodial duties; check time cards and attendance records of employees; inspect work; train employees in proper methods and procedures in cleaning; assist in emergency where help is needed for cleaning; lock and unlock doors and buildings as directed; assist in supervision of linen and sewing ladies as directed; supervise preparation for special events; perform related domestic duties.

**Qualifications:** High school graduation preferred; at least three years of janitorial experience; experience in a custodial supervisory capacity preferred; good physical condition; dependability; tact; integrity; ability to handle women and to instruct them as directed; minimum age twenty-five.

**Bookbindery Foreman**

**Definition:** Under direction of Superintendent of Print Shop, to supervise and be immediately responsible for the work of skilled tradesmen in the Print Shop bindery.
DUTIES BY EXAMPLE: To supervise and manage the work of Print Shop bindery; train and instruct bindery assistants and apprentices; perform skilled work of trade; check time and materials; maintain machinery; plan work of department; supervise its execution and assume responsibility for timely delivery.

QUALIFICATIONS: High school graduation; at least seven years' experience in designated trade or craft; ability to lead and supervise bindery employees; good physical condition; good judgment; minimum age twenty-eight.

Cylinder Press Room Foreman

DEFINITION: Under direction of Superintendent of Print Shop, to supervise and be immediately responsible for the work of skilled tradesmen in cylinder press room.

DUTIES BY EXAMPLE: To supervise and manage the work of the cylinder press room; maintain printing presses and other press room equipment; train and instruct apprentices; check time and materials; plan work of department and check its quantity and quality.

QUALIFICATIONS: High school graduation; at least seven years' experience in designated trade or craft; ability to lead and supervise men; good physical condition; good judgment; minimum age twenty-eight.

Job Press Room Foreman

DEFINITION: Under direction of Superintendent of Print Shop, to supervise and be immediately responsible for the work of skilled tradesmen employed in job press work.

DUTIES BY EXAMPLE: To supervise and manage the work of the job press room; maintain printing presses and other press room equipment; train and instruct apprentices; check time and materials; plan work of department and check its quantity and quality.

QUALIFICATIONS: High school graduation; at least seven years' experience in designated trade or craft; ability to lead and supervise men; good physical condition; good judgment; minimum age twenty-eight.

Landscape Gardener

DEFINITION: Under supervision, to perform technical duties involving skill and experience in landscape design.

DUTIES BY EXAMPLE: To take field measurements, and prepare working drawings and estimates for landscape plantings, including site improvements and garden design; make field lay-out from planting plans and/or specifications, and supervise installation of plants; make arrangements for, and supervise installation of palms, ferns, and flowers required for public functions; maintain inventory records required in connection with the operation of University nurseries; perform related duties as assigned.

QUALIFICATIONS: High school graduation; special training in landscape architecture, with at least three years of experience in landscape design and drafting work; University education in landscape architecture may be substituted year for year for experience up to a maximum of two years; ability to perform site improvement drafting work and detailed planting plans; knowledge of the characteristics and arrangement of flowers and materials required for indoor and outdoor floral arrangements; accuracy, thoroughness; pleasant personality; minimum age twenty-three.

Routeman Helper

DEFINITION: Under general supervision of a receiving station supervisor, and direct supervision of a driver, to assist in loading and unloading trucks for route deliveries from a central receiving station.

DUTIES BY EXAMPLE: To assist drivers in the general distribution of materials for truck route deliveries; load trucks at beginning of trip and unload when trip is finished; run deliveries from truck to departmental location or warehouse as directed; obtain receipts; record any shortages or breakage on proper forms; and report same upon completion of deliveries; assist with receipt of merchandise at dock; check materials; assist in checking purchase orders; perform related duties as assigned.

QUALIFICATIONS: High school graduation; experience in University Stores preferable; good health; male; minimum age eighteen.
Junior Illustrator

Definition: Under immediate supervision, to make tracings and free-hand drawings for simple duplicating processes, such as mimeographing and multilithing.

Duties by Example: To make free-hand drawings and tracings of charts, graphs, maps, and illustrations on mimeograph stencils and multilith masters for use in classroom manuals, programs, newsletters, and bulletins; do some designing and lettering of signs and posters.

Qualifications: High school graduation; ability and/or training in art; ability to do lettering; accuracy; minimum age sixteen.

Electrician Laborer

Definition: Under supervision, to clean lighting fixtures and to replace light bulbs and fixture glassware.

Duties by Example: To wash fixture glassware and reflectors; replace broken or damaged glassware; replace lamps and fluorescent lamp starters; assist electricians in moving equipment, in cleaning areas, and in miscellaneous duties as assigned.

Qualifications: Grade school graduation; good physical condition; ability to climb and work from ladders; initiative and ability to work without direct supervision; presentable appearance; tact; courtesy; good judgment; minimum age eighteen.

Utility Laborer (Chicago)

Definition: Under direction of an Operating Engineer, to perform physical labor in connection with the operation, maintenance, and repair of heating plants and mechanical equipment in buildings.

Duties by Example: To perform unskilled labor incidental to, and necessary for, the operation of mechanical equipment, including the cleaning of equipment and equipment areas, such as wiping off equipment, sweeping and mopping of floors, and cleaning of pipes; operate ash and coal handling equipment, move coal, ashes, and supplies; assist in the maintenance of mechanical equipment, such as the cleaning of boilers and condensers; assist in the repair of boilers and mechanical equipment, such as pumps, compressors, fans, etc.; perform related duties as assigned.

Qualifications: High school graduation or equivalent; good physical condition; working knowledge of tools and equipment; sufficient mechanical aptitude to assist in repairing equipment; dependability; willingness to perform duties as directed; minimum age eighteen.

Model Maker

Definition: Under general direction, to do precision work requiring a high degree of mechanical, construction, and electrical skill in the development of scientific equipment, and to supervise employees of lower rank.

Duties by Example: Make complete full-scale working models of electrical devices for purposes of research; develop, design, and build experimental equipment requiring the use of precision instruments; perform skilled mechanical work of fine tolerances; repair, adjust, and regulate scientific instruments; calibrate instruments to coincide with standards; construct from blueprints and written specifications; skillfully use all machinists' hand tools, including those of micro-measurement; perform lathe work with precision tolerances; shape metal parts to precision dimensions; perform work in the constructional phases of two digital computing, or other related machines, electronic chassis lay-out, and other related functions; exercise technical supervision of laboratory employees, electronic technicians, and other skilled personnel; perform related specialized skills as required.

Qualifications: High school graduation; additional technical training desirable; extensive experience in specialized use of machine and instrument tools requiring precision dimensions; specialized knowledge of constructional phases of models; at least five years' experience in the design and construction of precision instruments; complete knowledge of shop mathematics, of all machinists' tools, including calipers, micrometers, and gauges; supervisory and administrative ability; resourcefulness; good judgment; minimum age twenty-five.

Creamery Manager

Definition: Under administrative direction, to be responsible for the efficient management of creamery operations.
DUTIES BY EXAMPLE: To plan, schedule, and supervise work of creamery employees; determine supply needs; plan and schedule operations in accordance with supply and demand for processed dairy products, in accordance with research activities of faculty and students, and in accordance with needs of dairy technology courses; maintain high standards of plant sanitation; care for and maintain all creamery equipment, including refrigeration plant; operate and instruct others in the operation of mechanical refrigeration equipment; perform and instruct others in the performance of all operations connected with butter making, ice cream production, and cheese manufacture; operate equipment used in making standard tests of dairy products; confer with dairy plant managers and operators, as well as other visitors, on operating and equipment problems.

QUALIFICATIONS: University graduation, with major in dairy technology, preferable; educational qualifications may be offset by experience in dairy manufacturing substituted year for year up to a maximum of four years; five years' experience in the manufacture of dairy products; knowledge of operation of mechanical refrigeration equipment, of processes involved in the production of butter, ice cream, and cheese, and of equipment used in standard tests on dairy products, essential; certification by University Health officer as food handler; male; minimum age twenty-six.

Tool and Instrument Mechanic

DEFINITION: Under supervision of a foreman, to perform work requiring machinist skill developed to a high degree.

DUTIES BY EXAMPLE: To perform skilled work as a machinist; install, repair, construct, develop, and calibrate a variety of machine shop tools, dies, jigs, gauges, instruments, gears, fixtures, and perform difficult machine operations on replacement parts; make parts and assemble new equipment as sketched out by others, operate precision instruments; exercise judgment to diagnose trouble, determine necessary repair, tear down and reassemble machines; perform fine instrument work such as required for microscopes, telescopes, and other precision instruments.

QUALIFICATIONS: Grade school education; vocational training desirable; sufficient experience to qualify as a journeyman machinist with minimum of five years of actual work at the trade; elementary knowledge of materials and heat treatment of metals; proficiency in the use of tools and equipment; ability to read and interpret complex drawings, sketches, and diagrams characteristic to machine shops; use shop mathematics, charts, tables and handbook formulas; must have skill to work to close tolerances and to use precision instruments; good physical condition; minimum age twenty-three.

Musician (Navy Pier)

DEFINITION: Under departmental supervision, to accompany classes engaged in rhythm activities and to provide music for student extracurricular functions.

DUTIES BY EXAMPLE: To accompany classes in modern dance, square dancing, and folk dancing; play for dance concerts and other special occasions; practice with instructors for class lessons; select and/or suggest music for concerts and classes.

QUALIFICATIONS: Rapid sight reader of classical music; keen sense of rhythmic timing; ability to accompany an instructor or a class in the required tempo; ability to deal with individuals and groups harmoniously; knowledge of, and training in the use of, classical music libraries.

Placement Officer

DEFINITION: Under administrative direction, but with the exercise of considerable independent judgment, to be responsible for an employment program for student or nonacademic positions.

DUTIES BY EXAMPLE: To interview applicants for employment; assist applicants in filling out application forms; answer questions and supply information regarding University employment policies and requirements; file applications; make reports supplying information on present employees or new applicants as requested; work with Civil Service section in assigning applicants from eligible registers; arrange interviews for applicant with employing official; write letters to references indicated on applications; call applicant on telephone requesting him to report for work or rejecting his application; determine eligibility with regard to education, quality of training and experience, citizenship and other factors if candidates from registers are not available; examine personal identification papers, such as birth certificates
and veteran's preference and naturalization papers; interview job applicants from viewpoint of an employer to ascertain what work is best suited for his particular abilities; make contacts with department heads or employing agency to ascertain requirements of position; become thoroughly acquainted with job classifications, salary ranges, essential elements of the job, position control, future requirements, and condition of the labor market; make studies of employment possibilities; contact employers to sell them services of the personnel office; select applicants best suited to the position and refer them to the employer or department head for consideration and selection; complete necessary follow-up procedures if the person is employed; advise applicants as to type of work for which they are best fitted; occasionally supervise a clerical staff assigned to assist in this work.

**Qualifications:** University graduation, or training and experience which offsets lack of college degree; practical experience in a personnel program desirable; thorough knowledge of interview practices and procedures; administrative ability; tact; integrity; ability to deal effectively and harmoniously with the general public, employers, faculty, and staff; minimum age twenty-one.

**Assistant Blueprint Machine Operator**

**Definition:** Under supervision, to assist in blueprinting and in Ozalid positive printing.

**Duties by Example:** To assist in making blueprints; in operating the Ozalid black line machine; in making black line, brown line, blue line and other positive prints on the Ozalid machine.

**Qualifications:** High school graduation; experience in blueprinting preferable; good physical condition; minimum age eighteen.

**Bookkeeping Machine Operator I**

**Definition:** Under supervision, to perform work requiring skill in the operation of standard bookkeeping machines.

**Duties by Example:** Under supervision, to operate bookkeeping machines; prepare material for posting; filing; operate a typewriter; keep records; perform related duties as assigned.

**Qualifications:** High school graduation; special training and proficiency in the operation of bookkeeping machines desirable; high clerical aptitude; manual dexterity; minimum age sixteen.

On motion of Mr. Grange, these changes were approved by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

CHANGES IN REQUIREMENTS FOR ADMISSION TO THE COLLEGE OF ENGINEERING

(6) The University Senate has approved a recommendation from the College of Engineering faculty for an increase in the admission requirements in mathematics from the present requirements of three units to four units, effective September 1, 1953. The new requirements would be: algebra, two units; plane geometry, one unit; solid geometry, one-half unit; and trigonometry, one-half unit.

Students who have only one unit in algebra and one unit in geometry, and who meet all other entrance requirements, may be admitted to the College on condition that the deficiencies be removed during the first year of residence. Students admitted under this provision can not expect to complete the requirements for the bachelor's degree in Engineering in eight semesters.

As an alternative to the above, students who do not submit four units in the specified subjects, and who meet all other entrance requirements, may be admitted to full standing by passing proficiency examinations which will indicate that their preparation is adequate for entrance to analytical geometry.

I concur.

On motion of Mr. Megran, these changes in admission requirements were approved.

DEGREE OF DOCTOR OF EDUCATION IN MUSIC EDUCATION

(7) The University Senate has approved a recommendation from the faculties of the College of Education and the School of Music, the Executive Faculty of the Graduate College concurring therein, that there be established a graduate program for a major in Music Education leading to the degree of Doctor of Education. This is not to be a new degree but a major field of specialization under the existing degree program.

I concur.

On motion of Mrs. Holt, this program was approved.

CHANGES IN THE CURRICULUM IN LAW

(8) The University Senate has approved the recommendation from the faculty of the College of Law that:

Beginning with September 1, 1952, all applicants for admission to the College of Law as candidates for the degree of Bachelor of Laws (LL.B.) shall have attained senior standing in a college of the University of Illinois or a college approved by the University, and have achieved a grade average of 3.5 in all college work taken. These are the present requirements for admission to the three-year program. These then become the requirements for admission of all students in the College of Law.

Beginning with September 1, 1952, all students who enter the College of Law as candidates for the degree of Bachelor of Laws (LL.B.) shall, as conditions to receiving that degree, have studied law in residence for a minimum period of six semesters and the equivalent of one eight-week summer term, and have obtained ninety-two hours of law credit with an average grade of at least 3.0 in all credits secured in law courses taken in this University. These changes increase the credit-hour requirement from eighty-four to ninety-two, and the residence requirement from six semesters to six semesters plus the equivalent of an eight-week summer term.

The present four-year curriculum in law be discontinued after October 15, 1951.

I concur.

On motion of Mr. Nickell, this recommendation was approved as amended by the insertion of the words "the equivalent of" as printed in italics above.
EDWARD L. RYERSON TRAVELING FELLOWSHIPS IN ARCHITECTURE AND LANDSCAPE ARCHITECTURE

(9) The University has a fund given to it by Mr. Edward L. Ryerson of Chicago for the awarding of the Edward L. Ryerson fellowships in Architecture and Landscape Architecture under conditions to be determined by the Board of Trustees. I submit for approval by the Board of Trustees, and with my concurrence, regulations drafted by the Departments of Architecture and Landscape Architecture governing awards of these fellowships. Copies of these regulations are hereby given to the Secretary of the Board for record.

On motion of Mr. Herrick, these regulations were approved.

FEES FOR EXAMINATIONS IN HIGH SCHOOL AND COLLEGE SUBJECTS

(10) The University offers each year four sets of examinations in high school and college subjects. They are given in Chicago. These examinations were established in 1917 on request of the Board of Law Examiners to provide prospective candidates for admission to the bar who are unable to attend accredited institutions a means of complying with the educational qualifications preliminary to the study of law as prescribed by the Supreme Court of Illinois. Fees are charged candidates taking these examinations to cover the cost.

The present rate charged for these examinations is $2.50 per high school unit or college subject. Because of increased costs and a decline in the number of candidates taking the examinations, there has been a deficit in this operation during the current fiscal year. This will be offset by an assignment to the entrance examination account of funds from a balance from operations of previous years. However, to provide adequate income so that the examinations may continue to be self-supporting on an annual basis, the Director of Admissions and Records recommends that the charge be increased from the present $2.50 to $4.00 for each high school unit or college subject, this change to become effective September 1, 1951.

I concur.

On motion of Mr. Fornof, this change in fee was approved.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(11) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

1. Fire protection equipment for Robert Allerton Park $ 6,600
2. Equipment for the Department of Bacteriology 5,000
3. Equipment and supplies for the College of Commerce and Business Administration 4,000
4. Repairs and costs of packing, boxing, and shipping in connection with the acquisition of a TV transmitter from the General Electric Company for the Division of Communications 9,500
5. Remodeling and equipment for the Department of Art 3,000
6. Calculating machines for the Department of Mathematics 3,500
7. Research equipment for the Department of Mining and Metallurgical Engineering, College of Engineering 19,000
8. Establishment of a service laboratory for metallography in the Department of Mining and Metallurgical Engineering 14,000
9. Equipment for the Department of Zoology 7,500
10. Bookstacks for the Library at the Chicago Undergraduate Division 4,000

I recommend that these appropriations be made from the General Reserve Fund.

On motion of Mr. Johnston, these appropriations were made from the 1950-1951 General Reserve to the extent that funds are available therein and the remainder from the General Reserve for 1951-1952, all appropriations to be available until June 30, 1952. The vote on this motion was: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.
CONTRACTS FOR CONSTRUCTION OF ADDITIONS TO
STUDENT RESIDENCE HALLS AT URBANA

(12) The Board of Trustees authorized the employment of architects for the preparation of plans and specifications for the expansion of residence halls on the Urbana campus. The program has been developed in two phases:

Phase I (Based on bids received)

Construction of a dormitory type permanent residence hall for 288 men ........................................ $615 000
Modernization in Busey Hall (for women) ........................................ 15 000
Sub-total, Phase I ........................................ $ 630 000

Phase II (Estimated)

Construction of new unit providing food service for 1,000 men and housing for 96 men ...................... 767 500
Converting food service area in present men's halls to housing for 76 men ........................................ 35 200
Modernization of Evans Hall (for women) .................... 10 000
Refinancing present Men's Residence Halls bonds .......... 260 100
Sub-total, Phase II ........................................ 1 072 800
Total .................................................. $1 702 800

To proceed with the first phase will require an appropriation from the General Reserve of $223,000. Combined with a previous appropriation of $27,000 for architectural work, this sum will provide an equity of $250,000. Funds are available for this appropriation. The remaining $380,000 is to be borrowed by a revenue bond issue. The Comptroller has investigated the market and believes there will be no difficulty in selling such bonds when the money is needed.

Plans for the second phase are nearing completion and bids will be received on September 1, 1951. The entire program will require a bond issue of $1,500,000, including refunding of the present indebtedness on the Men's Residence Halls of $260,100. This will be presented to the Board when bids have been received.

In the meantime, it is desirable to proceed with the first phase.

A request has been filed with the National Production Agency for "Authority to Begin Construction" on the first phase. The architects believe that such authority can be obtained and the necessary materials procured.

The Director of the Physical Plant and the Comptroller recommend award of contracts to the lowest bidders as follows, subject to receipt of authority to begin construction:

General work—John Felmley Company, Urbana .................... $331 900
Heating, ventilating, and plumbing work—W. T. Mahoney and Sons, Chicago ........................................ 94 837
Electrical work—Leverenz Electric Company, Danville ........ 49 877

It is also recommended that Sargent and Lundy, Engineers, Chicago, be engaged, as an addition to their present contract for engineering services on the utilities distribution system, to design the necessary steam service connections at an estimated cost of $1,100.

I concur and recommend that: (1) the Comptroller and Secretary of the Board of Trustees be authorized to execute the contracts as recommended; (2) an appropriation of $223,000 be made from the General Reserve; (3) the Comptroller be authorized to secure bids on the revenue bonds and report the same to the Board; (4) Chapman and Cutler be employed as attorneys for the bond issue.

On motion of Mrs. Watkins, these contracts were awarded and authority was given as recommended, and an appropriation of $223,000 was made from the General Reserve for 1950-1951 to the extent that funds are available therein and the remainder from the General Reserve for 1951-1952, this appropriation to be available until June 30, 1952. The vote on this motion was: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.
CONTRACT WITH MEDICAL CENTER STEAM COMPANY FOR OPERATION OF STEAM HEATING PLANT FOR CHICAGO PROFESSIONAL COLLEGES

(13) The University has a contract with the Medical Center Steam Company for the construction and operation of a central steam heating plant and distribution system to serve University buildings and those of other institutions in the Medical Center District.

In setting up the operation of the plant, the Medical Center Steam Company has encountered difficulties due to differences in the terms and conditions of employment of University personnel and employees in other power plants. In addition, wage rates proposed for the Medical Center Steam Company plant are higher than rates paid by the Commonwealth Edison Company and this would ultimately affect the latter's wage negotiations.

The Medical Center Steam Company has suggested that the University operate the plant. The Company will assume the responsibility for completion of the construction and for operation of the plant until all operating problems resulting from construction are solved. This arrangement would have the further advantage of simplifying the University's supervision of the operation and may strengthen the University's position in claiming tax exemption of the plant from property taxes.

The Director of the Physical Plant and the Comptroller recommend that a contract be entered into with the Medical Center Steam Company whereby the University will take over the operation and maintenance of the plant. I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Grange, this contract was authorized.

CONTRACT FOR ERECTION OF STORAGE BUILDING

(14) The Director of the Physical Plant and the Comptroller recommend award of a contract for $1,379 to Aluminum Sales Products, Champaign, the lowest bidder, for the erection of an aluminum storage building approximately 400 square feet in area including construction of a concrete floor. This building will be erected north of the Sanitary Engineering Laboratory and will be used by the Department of Civil Engineering for storage of equipment and supplies.

Funds are available in the current budget of the Physical Plant Department.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Hickman, this contract was authorized.

CONTRACT FOR ENGINEERING SERVICES ON REMODELING OF QUARTERS FOR PHYSICAL MEDICINE

(15) The Director of the Physical Plant and the Comptroller recommend that the engineering firm of Samuel R. Lewis and Associates, Chicago, be employed to prepare plans and specifications for remodeling and air conditioning in the hydrotherapy pool quarters of the Department of Physical Medicine, College of Medicine, and for supervision of the remodeling work.

This firm has offered to provide the necessary engineering and supervisory services for a fee of 10 per cent of the contract price of the remodeling, but not to exceed $2,000, 60 per cent of the fee to be paid when plans are accepted and the balance in installments proportional to payments to contractors during the course of the remodeling work. It is estimated that the preparation of plans and specifications will cost approximately $1,500 and there will be no further payment under this contract unless remodeling is undertaken.

Funds are available in the Physical Plant Department budget.

I recommend that the Comptroller and the Secretary of the Board be authorized to execute a contract with Samuel R. Lewis and Associates in accordance with the terms stated above.

On motion of Mr. Megran, this contract was authorized.

LEASE OF QUARTERS IN LASALLE HOTEL FOR ILLINI CENTER

(16) The University leases quarters in the LaSalle Hotel for the Illini Center. The first lease was for two years ending June 30, 1949, with the right of the University...
to renew for three successive two-year periods and with the right reserved by the lessor to require an adjustment in rental on the occasion of each renewal.

The rent paid during 1949-1950 was $5,400 and during 1950-1951, $6,000. The hotel requests a rental of $6,900 per year for the period of 1951-1953. The present rental is $2.00 per square foot and the proposed rental, $2.30 per square foot. The rent is reasonable in comparison with other leases of space of that kind in Chicago.

I recommend that the Comptroller be authorized to extend this lease for two years ending June 30, 1953, at a rental of $6,900 per year.

On motion of Mrs. Holt, extension of this lease on the terms recommended was authorized.

ADDITION TO CONTRACT FOR CONSTRUCTION OF PARKING LOT

(17) On November 24, 1950, the Board of Trustees approved an addition to the contract with the Champaign Asphalt Company for an entrance way from Goodwin Avenue to the Green Street parking lot. This entrance was through the property of 202 South Goodwin Avenue. Later it was determined that the house at this location should be removed and this has made it possible to construct parking spaces for thirty-eight cars. On January 23, 1951, the Board of Trustees made an appropriation for these additional parking facilities.

The Director of the Physical Plant and the Comptroller recommend an increase in the contract with the Champaign Asphalt Company in the amount of $1,855.75 to provide for the additional work.

I concur.

On motion of Mr. Fornof, this increase in the contract was authorized.

GRANT FROM W. K. KELLOGG FOUNDATION

(18) The W. K. Kellogg Foundation of Battle Creek, Michigan, has approved a grant of $245,350, payable to the University of Illinois in installments over a five-year period, in support of a project to strengthen educational broadcasting at the University of Illinois and at other universities which have educational radio stations. The proposal for this grant was submitted by Dean Wilbur Schramm on behalf of the National Association of Educational Broadcasters. Headquarters of the project will be at the University of Illinois which is the center of the NAEB tape network. This network serves as a clearing house for exchanges of recorded programs among educational broadcasting stations. It also will produce original programs for distribution.

The grant will make it possible for the University to buy much-needed equipment and will contribute substantially to the operating costs of the network. Funds will be available for employment of a project director and other personnel, for annual educational seminars (to be held at Robert Allerton Park), for fellowships and conferences, and for research on educational broadcasting.

Having accepted the grant, I request confirmation of this action.

On motion of Mr. Johnston, the action of the President was confirmed.

RELEASE OF POTENTIALLY PATENTABLE DISCOVERY

(19) Director Mark H. Hindsley of the University Bands has invented a device which can be incorporated into wind instruments for correcting intonation difficulties while the instruments are being played. He did this at his own expense and on his own time. In view of this, it is recommended that the discovery be released to him for patenting in his own right if he so desires.

On motion of Mr. Herrick, this recommendation was approved.

OFFER OF GIFT OF TELEVISION TRANSMITTER FROM GENERAL ELECTRIC

(20) The General Electric Company has formally offered to donate to the University a high-channel television transmitter valued at $90,000. This will require an expenditure of $9,300 by the University for repairs, costs of packing and shipping. A special appropriation is being recommended separately for this.

Negotiations for this acquisition have been carried on by Dean William L.
Everitt of the College of Engineering and Dean Wilbur Schramm of the Division of Communications.

I recommend that this offer be accepted, with appropriate acknowledgment to the General Electric Company.

On motion of Mrs. Watkins, this offer was accepted.

ESTATE OF ALBERT BELLAMY

(21) On September 29, 1950, a report was rendered to the Board on the bequest of Mr. Albert Bellamy, a graduate of the University in 1881, who died January 13, 1948.

There has now been received from the Executor of the Estate an additional sum of $5,099.21 as the final distribution, with the result that the total amount received by the University under such bequest is $60,961.30.

The section of the will relating to the use of the bequest is not specific, merely providing that it is to be used "in assisting needy students to acquire an education."

The use of these funds has been considered by the Chairman of the Committee on Special Undergraduate Scholarships, the Comptroller, and the Assistant to the Legal Counsel, and it is the opinion of these officers that it is entirely proper and desirable that the principal of this bequest be held intact, to function as an endowment fund, and that the income be used for undergraduate scholarships, to be administered by the University committee established for this purpose. Such proposed use of the bequest has been presented to the Administrator de bonis non with the will annexed who is the son of the Executor appointed in the will and he states that from conversations with his father he knows the purposes of Mr. Bellamy in respect to this bequest and he believes the proposed use of the fund meets those purposes. Therefore, the Chairman of the Committee on Special Undergraduate Scholarships and the Comptroller recommend that the principal and income of this fund be held and used in this manner.

I concur.

On motion of Mr. Grange, the plan recommended for the use of these funds was approved.

**CONTRACT FOR PAINTING IN ILLINOIS NEUROPSYCHIATRIC INSTITUTE**

(24) The Director of the Physical Plant and the Comptroller recommend award of a contract for $10,602 to William S. Alt and Son, Chicago, the lowest bidder, for washing and painting in the Illinois Neuropsychiatric Institute. This contract will cover all washing and painting of interiors and exterior painting of all metal except windows. This work will be paid for by the Department of Public Welfare.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Fornof, this contract was authorized.

**AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES**

(25) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

1 Deduct.
I concur.

On motion of Mrs. Holt, these certificates were awarded.

**CONTRACT FOR INSTALLATION OF AIR CONDITIONING IN EXPERIMENTAL QUARTERS IN DENTISTRY, MEDICINE, AND PHARMACY BUILDING**

(26) The Director of the Physical Plant and the Comptroller recommend award of a contract for $2,973 to the Narowitz Heating and Ventilating Company, Chicago, the lowest bidder, for installation of air-conditioning equipment in one of the rooms in the Dentistry, Medicine, and Pharmacy Building which is being remodeled for housing an experimental colony of mice being brought to the University by Dr. Arthur Kirschbaum who has recently been appointed Head of the Department of Anatomy. He is using this colony for important research work on cancer for which he has received outside grants of funds.

Funds are available in an appropriation made by the Board of Trustees for this remodeling.

I concur and recommend that the Comptroller and Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was authorized.

**LEAVE OF ABSENCE FOR DIRECTOR W. ELLISON CHALMERS**

(27) Professor W. Ellison Chalmers, Director of the Institute of Labor and Industrial Relations, has been asked to serve on the staff of the Wage Stabilization Board in Washington and has requested leave of absence without pay. I have approved this leave for the period beginning June 20, 1951, through August 31, 1952, and request confirmation of my action.

I shall nominate an Acting Director later. In the meantime, Professor Milton Derber will act.

On motion of Mrs. Watkins, this leave was confirmed.

**COLLEGE OF COMMERCE AND BUSINESS ADMINISTRATION**

(28) President Stoddard reported on the status of faculty consideration of proposals for changes in the organization of the College of Commerce and Business Administration now before the Board of Trustees on which action by the Board was deferred when these proposals were presented on May 18, 1951. He stated that Acting Dean R. R. Hudelson of the College has requested more time for the study now under way and has suggested further postponement of a decision until the July meeting of the Board.

President Livingston presented a letter from Mr. Henry C. Hawes, Chairman of the College of Commerce and Business Administration Advisory Committee, stating that his Committee has been studying the reorganization recommended to the Board and has obtained information from the Acting Dean and members of the
Executive Committee of the College, but that it is unable to submit a report at this
time. The Advisory Committee expects to have its report completed by the end of
June.

Further consideration of this matter was postponed.

LETTERS FROM JOHN H. LYLE AND DONALD L. KEMMERER
President Livingston reported that he had received letters from Mr. John H. Lyle, Attorney, Chicago, Illinois, and one from Professor Donald L. Kemmerer of the Department of Economics relating to
certain matters of Board of Trustees policy, and that he was referring
these letters to the Committee on General Policy for appropriate
consideration.

COMMITTEE ON NONACADEMIC PERSONNEL
Mr. Grange, for the Committee on Civil Service and Employees, offered the following amendment of the By-Laws of the Board:

As Chairman of the Committee on Civil Service and Employees, I propose that
Article IV, Section 6, of the By-Laws be amended by striking from the list of regular
or standing committees the words "Civil Service and Employees" and inserting in
lieu thereof the words "Nonacademic Personnel."

On motion of Mr. Grange, this amendment was adopted by the
following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr.
Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr.
Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

UNIVERSITY OF ILLINOIS LEGISLATION
The Secretary of the Board reported, as a matter of official informa-
tion and record, that he has received certified copies of the following
acts of the Sixty-seventh General Assembly of Illinois, making appro-
priations to the University:

SENATE BILL 399. "An Act to provide for the ordinary and contingent expenses
of the University of Illinois." (Approved by the Governor.)

This is the appropriation for the operation of the University for the two years
beginning July 1, 1951.

SENATE BILL 400. "An Act making an appropriation for the construction of the
East Dentistry-Medicine-Pharmacy Building at the University of Illinois." (Ap-
proved by the Governor.)
From the General Revenue Fund:
For the construction at Chicago of the East Dentistry-Medicine-Pharmacy Building, with fixed equipment installed, including plans and specifications, and all necessary costs and charges incident to the completion of the work...... $5,025,000
For equipment for the East Dentistry-Medicine-Pharmacy Building........................................... 200,000
For contingencies to cover expenditures for purposes for which the amount in either of the above items enumerated is, or becomes, insufficient.................................................. 315,000
Total............................................. ($5,540,000)

The President of the University recommended that these funds be appropriated by the Board of Trustees for the purposes indicated. The funds appropriated for the construction of the East Dentistry-Medicine-Pharmacy Building are subject to release by the Governor.

On motion of Mr. Nickell, these funds were appropriated, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Stevenson.

JULY MEETING

It was agreed that the July meeting of the Board will be held at Urbana-Champaign on July 25, 1951, at an hour to be set by the President and Secretary of the Board.

On motion of Mr. Grange, the Board adjourned.

Park Livingston
President
The July meeting of the Board of Trustees of the University of Illinois was held in the Illini Union Building, Urbana, Illinois, on Wednesday, July 25, 1951, beginning at 11:00 a.m. (C.D.S.T.).

The following members were present: President Livingston, Mr. Fornof, Mr. Grange, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Megran, Mr. Nickell, and Mrs. Watkins.

Also present were President George D. Stoddard, Provost Coleman R. Griffith, Mr. Ralph F. Lesemann, Legal Counsel, Mr. J. F. Wright, Director of Public Information, Mr. Lloyd Morey, Comptroller, and Mr. A. J. Janata, Secretary of the Board.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of May 18, 1951, press proof copies of which had been sent to all members of the Board in advance of this meeting.

On motion of Mr. Fornof, these minutes were approved as printed on pages 687 to 734, inclusive.
REPORT OF THE EXECUTIVE COMMITTEE

The Secretary presented the following report of the Executive Committee.

MEETING OF THE EXECUTIVE COMMITTEE

July 5, 1951

On call of the Chairman, the Executive Committee of the Board of Trustees of the University of Illinois met in the University Club, 76 East Monroe Street, Chicago, Illinois, at 12:30 p.m. (C.D.S.T.) on Thursday, July 5, 1951.

The following, constituting all members of the Executive Committee, were present: Chairman Park Livingston, Mr. Herbert B. Megran, and Mrs. Frances B. Watkins. Also present were Messrs. Lloyd Morey, Comptroller, and A. J. Janata, Secretary of the Board. Messrs. John R. Fornof and Wayne A. Johnston of the Finance Committee (Mrs. Watkins being the third member) were present during the first part of the meeting.

REPORTS OF THE FINANCE COMMITTEE

Depository for George A. Miller Fund

The Finance Committee has considered the matter of safekeeping of securities and advice as to investments of the proceeds of the bequest of the late Professor George A. Miller and recommends that the Trust Department of the Continental Illinois National Bank and Trust Company of Chicago be selected for these services. The bank offers to handle this account during the first year for a fee of $2,000 on the understanding that the total assets of the fund are estimated at $750,000 and that the services will consist of investment of cash (rather than servicing of securities presently held by the estate) and safekeeping and continuous supervision of the account.

The Finance Committee recommends that this arrangement be approved and that the Comptroller be authorized to execute an appropriate memorandum of understanding with the Continental Illinois National Bank and Trust Company. This recommendation is being made to the Executive Committee since it was empowered by the Board of Trustees to represent the interests of the University and to take any actions necessary in connection with this bequest.

On motion of Mrs. Watkins, this recommendation was approved and the Comptroller was authorized to execute the necessary documents to implement this arrangement.

Sale and Purchases of Securities Representing Investments of Endowment Funds

The Finance Committee reported that it has reviewed the investments of permanent endowment funds with representatives of the Trust Department of the First National Bank of Chicago, the University's investment counsel, and recommends the following changes in such investments:

300 shares Southern Natural Gas, approximately 421/4
500 shares Middle South Utilities, approximately 191/2
500 shares Gulf State Utilities, approximately 21

On motion of Mrs. Watkins, these recommendations were approved, and the following resolution was adopted:

Resolution of Executive Committee Pertaining to Sales of Securities

WHEREAS, the Board of Trustees of the University of Illinois, a public corporation, incorporated under the laws of the state of Illinois, owns the following securities, which are investments of permanent endowment funds:

Preferred Stocks: 150 shares Heyden Chemical Corporation 31/2%; 200 shares Jewel Tea 33/4%; 45 shares Southern California Edison 4.48%.

Bonds: $2,000 U. S. Treasury 2%, 9/15/53-51; $100 U. S. Treasury 21/2%, 3/15/54-52; $1,000 U. S. Treasury 21/2%, 3/15/71-66; $32,000 U. S. Savings Series G, 21/2% ($22,000 due 1/1/62, $2,000 due 3/1/62, $8,000 due 6/1/62); $2,000 U. S. Treasury, various issues.

AND WHEREAS Article IV (Committees of the Board) of the By-Laws of the Board of Trustees of the University of Illinois (1941) reads as follows:

"At the annual meeting in March of each year, the Board shall elect two members of an 'Executive Committee,' consisting of three members, the President of the Board to be Chairman ex-officio, which members shall hold office for one year, or until their successors have been elected.

"Said Committee shall possess all the powers of the Board when in session, provided that it shall not overrule, revise, or change the previous acts of the Board, or take from regular or special committees any business referred to them by the Board."
"It shall not have power to lease, sell, or purchase real estate unless previously authorized by the Board in session or a majority of the members individually in writing."

AND WHEREAS the Finance Committee of the Board of Trustees has recommended to the Executive Committee that it is to the best interest of the University to dispose of the above listed securities at this time, and the Executive Committee of the Board of Trustees has approved such sale,

Now therefore be it resolved by the Executive Committee of the Board of Trustees of the University of Illinois in a duly constituted meeting on July 5, 1951, at Chicago, Illinois, that the securities listed above be sold at this time at the best price obtainable, and that Lloyd Morey, Comptroller, and A. J. Janata, Secretary, be authorized to execute any and all documents necessary to complete such sale.

At this point, Messrs. Fornof and Johnston withdrew.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY
The Executive Committee considered the following recommendations and reports from the President of the University submitted for him by the Secretary of the Board.

PURCHASE OF RESIDENCE PROPERTY FOR FACULTY HOUSING
(1) The Board of Trustees has authorized the Executive Committee to purchase an additional residence property as part of the special program of residence property acquisitions for faculty housing.

The purchase of the property at 706 West Indiana Avenue, Urbana, at a price of $25,000 is recommended. There is submitted with this recommendation a description of the property and a real estate appraisal. The property was on the market at $26,000, but the owner has agreed to sell it at the appraisal figure of $25,000.

A special appropriation of $25,000 from the General Reserve for the purchase of this property is also recommended.

On motion of Mrs. Watkins, the purchase of this property was authorized and an appropriation of $25,000 was made for this purpose from the General Reserve by the following vote: Aye, Mr. Livingston, Mr. Megran, Mrs. Watkins; no, none; absent, none.

CONTRACT FOR ENGINEERING SERVICES
(2) The Director of the Physical Plant and the Comptroller recommend a contract with E. C. Manthei, Champaign, to provide for the necessary mechanical drawings, specifications, and contractual documents for the electrical, plumbing, heating, ventilating, and refrigeration work required for the following projects:

1. West addition to the Stock Pavilion.
2. Modernization of the present transformer vault facilities at the Stock Pavilion.
3. Agricultural Engineering Addition.

The contract will provide for payment of five per cent of the low bids for the mechanical work.

Funds are available in the state appropriation for capital improvements for this contract.

The President concurs and recommends that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Megran, this contract was authorized.

PURCHASE OF FEEDER CATTLE
(3) It is difficult to predict in advance and secure approval for the purchase of cattle in the feeding programs at the University. The availability of cattle and feed and the relative prices for the different grades of feeder cattle make any program subject to many changes. Advanced approval is necessary since the
purchase of such cattle must be completed at market prices immediately. Next year there will be greater than the usual variations because of the rulings of the Office of Price Stabilization.

It is recommended that the Comptroller be authorized to complete the purchase of cattle at market prices upon recommendation of the Dean of the College of Agriculture and when funds are available for such purchases.

On motion of Mrs. Watkins, authority was granted as recommended.

UNIVERSITY OF ILLINOIS AIRPORT IMPROVEMENTS

(5) On March 13, 1951, the Board of Trustees approved a program of improvements at the Airport in cooperation with the Civil Aeronautics Administration and the State Department of Aeronautics on a fund-matching basis. The improvements include the resurfacing of the entrance road, drainage improvements, parking areas, resurfacing roads to airplane hangars, sewage disposal plant, and utility extensions and connections. Original allocations of funds for these improvements were: $60,000 from the Civil Aeronautics Administration, $45,000 from the State Department of Aeronautics, and $45,000 from the University. The Board authorized the State Department of Aeronautics to act as its agent in preparing plans, advertising for bids, receiving bids, and supervising and conducting the letting and awarding of contracts upon the approval of the University Board of Trustees.

The State Department of Aeronautics sent invitations to bid to more than three hundred contractors in Illinois and advertised twice in Champaign-Urbana newspapers. The only bids received are from the General Paving Company, Champaign, on the resurfacing of the access road connecting the Airport with U. S. Highway 45, including certain drainage improvements, resurfacing part of the parking areas, and resurfacing drives leading to hangars. The bids are $130,527.12 if the access road is resurfaced with concrete and $107,242.69 if with
asphalt. The sewage disposal plant is not included in these bids. The engineers of all participating agencies recommend the acceptance of the bid on the concrete road.

By changes in the improvements of certain parking areas and drainage, the total bid for a concrete entrance road and other improvements excluding the sewer disposal unit has been reduced to $105,000. The project has been revised whereby the Civil Aeronautics Administration will contribute $52,000 and the State Department of Aeronautics will contribute $62,500. This is adequate to pay for the reduced contract with the General Paving Company. The University will complete the sewage disposal improvements within the funds appropriated by the Board of Trustees for the University's share of the project.

Since the University is the sponsor of the project, it was required by the Civil Aeronautics Administration to authorize the State Department of Aeronautics to execute the contract with the General Paving Company even though no University funds are involved in this phase of the work. This authorization has been given.

The Sixty-seventh General Assembly has enacted a law authorizing publicly supported institutions of higher education to acquire by agreement with highway officials jurisdiction over public streets and roads which adjoin or which may be used as access roads to the Airport owned by such institutions. Local highway authorities will enter into an agreement with the University giving such jurisdiction and control of the access road to the Airport.

The Director of the Institute of Aviation and the Comptroller recommend (a) Authorization of the grant agreement and all representations and covenants contained therein as outlined above and authorization of the State Department of Aeronautics, as Agent of the University, to execute a contract for $105,000 with the General Paving Company, Champaign, for the Airport improvements.

(b) Authorization of an agreement between the University and local highway officials under which the University of Illinois will assume jurisdiction, control, and responsibility for maintenance of the access road to the Airport.

It is recommended that the Comptroller and the Secretary of the Board be authorized to execute all necessary implementing documents.

On motion of Mrs. Watkins, authority was granted as recommended.

CONTRACT FOR INSTALLATION OF GAS REGULATORS IN HOUSING UNITS

(6) Most of the temporary family housing units serviced by gas for heating and cooking were provided with constant pressure gas regulators at the time the buildings were moved to the campus, but ninety-two of these buildings in the Stadium Terrace area were not so equipped. At present gas pressure varies so much that a flame in a burner not equipped with a regulator is sometimes extinguished, thus creating a hazard.

The Director of the Physical Plant and the Comptroller recommend award of a contract for $2,473 to the Champaign Plumbing and Heating Company, Champaign, the lowest bidder, for the installation of gas pressure regulators in these ninety-two buildings. Funds are available in the income from operations of these buildings.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Megran, this contract was authorized.

REMODELING OF ENGINEERING RESEARCH LABORATORY

(7) The Board of Trustees has authorized the interior remodeling of the Engineering Research Laboratory (the former Physical Plant Service Building) to provide suitable quarters for research. Contracts were awarded and an assignment of $320,000 was made for this remodeling at the meeting of the Board on May 20, 1950.

The original contracts did not include completion of the third and fourth floors which had been eliminated in order to reduce the remodeling cost. On
February 15, 1951, the Board authorized further work on the third and fourth floors and made a supplementary assignment of $40,000 for this construction, including extensions of the necessary utilities.

The Control Systems Laboratory, a classified research project of great importance to national security, has now been assigned all four floors of the building. The Electronic Digital Computer will be an integral part of the Control Systems Laboratory, occupying the second floor. Research in physics of the solid state will also be carried on in this building. A liquid nitrogen plant serving the entire University will be housed in the basement.

These activities require a return to the original plans for the remodeling of the building which had been altered to reduce the cost. The nature of some of these experimental programs requires air conditioning of the second, third, and one-half of the fourth floor, and the installation of a freight elevator. Alteration of the basement area is also necessary to provide space for equipment. Additional work on the third and fourth floors is needed to provide suitable laboratories and offices. It is estimated that approximately $200,000 of additional funds will be required to complete the remodeling according to original plans and to provide adequate facilities for research projects to which the University is committed. As a result, the University will have an excellent research building which will be available for research in several areas of physics and engineering.

The Provost, acting in the absence of the President, recommends that this additional construction be authorized.

The Physical Plant Department estimates that the program of remodeling heretofore authorized can be completed, with the exception of changes from incandescent to fluorescent lighting to conserve power, by September 1, 1951. The additional construction now recommended can be substantially completed by January 1, 1952, with the exceptions that the basement area and the first and second floors will be without ventilation and that the air conditioning will not be in operation because of the lack of power and fan coils. To meet these deadlines, immediate authorization of the additional construction work and installations is indicated. Utilization of approximately $100,000 of government funds for the purchase of equipment and, in fact, retention of the Control Systems Laboratory at the University of Illinois are major considerations. Accordingly, the Provost, with the advice of the Physical Plant Department, recommends that

(a) Authority be given to negotiate with the present contractors for change orders for the removal of existing ventilating ducts on the second floor and the installation of other ducts in order to provide for the air conditioning of this floor.

(b) Authority be given to negotiate with the present contractors for the completion of all additional construction except for the installation of an elevator on which competitive bids will be taken.

(c) Authority be given to purchase critical materials and to execute construction change orders on an emergency basis.

On motion of Mrs. Watkins, the Executive Committee

(a) Authorized the additional construction and remodeling.

(b) Authorized the Comptroller and the Director of the Physical Plant to negotiate with the present contractors for the additional construction and remodeling work.

(c) Authorized the President of the University to approve purchases of critical materials and equipment and the execution of construction change orders.

(d) Authorized the securing of competitive bids on the installation of a freight elevator.

(e) Made an appropriation of $200,000 of which $100,000 is to be assigned from the state appropriation for 1951-1953 "For remodeling, modernization, and improvement of existing buildings at Urbana-
Champaign,” and $100,000 is to be assigned from United States government contract funds.

These actions were taken by the following vote: Aye, Mr. Livingston, Mr. Megran, and Mrs. Watkins; no, none; absent, none.

SERVICES OF DR. CARROLL L. BIRCH TO THE DEPARTMENT OF STATE

(8) The United States Department of State has requested the services of Dr. Carroll L. Birch, Professor of Medicine, whereby she will be loaned to the Technical Cooperation Administration of the Department to serve as Principal of the Lady Hardinge Medical School in New Delhi, India, for one year. The Department has proposed a formal agreement between the University of Illinois and the United States of America under which the government will give the University sufficient funds to pay Dr. Birch’s salary, transportation to and from India, and other expenses incidental to this service.

The Dean of the College of Medicine and the Vice-President in charge of the Chicago Professional Colleges recommend release of Dr. Birch for this assignment and approval of the proposed arrangements.

The Provost, acting for the President, concurs.

On motion of Mrs. Watkins, this recommendation was approved.

The Committee adjourned.

AARON COHEN
DEAN ALLEN COHLER
JAMES RUTHERM specific
ROBERT DAVIDSON
LAURENCE WALTER ELIEL
NICHOLAS PETER ELLIS
WILBUR RAY EWING
BERNARD FEINSTEIN
EARL MARVIN FIELD
APPOINTMENTS TO THE FACULTY

(2) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. PAUL ADAMS BECK, Research Professor of Physical Metallurgy, in the Department of Mining and Metallurgical Engineering, beginning September 1, 1951, at an annual salary of $10,000 (AY).

2. DAVID Y. CURTIN, Assistant Professor of Chemistry, beginning September 1, 1951, at an annual salary of $5,500 (B).

3. EUNICE DOWSE, Assistant Dean of Women, beginning September 1, 1951, at an annual salary of $4,800 (DY).
4. Margaret H. Keenev, Clinical Director and Assistant Professor of Occupational Therapy, College of Medicine, beginning September 1, 1951, at an annual salary of $5,000 (DY).

5. Frederic Meyers, Associate Professor of Labor and Industrial Relations, beginning September 1, 1951, at an annual salary of $6,300 (DY).

6. Geneva E. Miller, Assistant to Coordinator of Nursing Education, with rank of Assistant Professor, beginning June 1, 1951, at an annual salary of $5,100 (DY).

7. James Thomas Moore, Jr., Assistant Professor of Education, beginning September 1, 1951, at an annual salary of $4,500 (B).

8. John Howard Pazur, Assistant Professor of Biological Chemistry, College of Medicine, beginning September 1, 1951, at an annual salary of $4,500 (B).

9. Max Stone Peters, Assistant Professor of Chemistry, beginning September 1, 1951, at an annual salary of $4,800 (B).

10. Hjalmar Rosen, Assistant Professor of Psychology, Institute of Labor and Industrial Relations, beginning September 1, 1951, at an annual salary of $4,900 (B).

11. Charles Kenneth Whitehair, Associate Professor of Veterinary Physiology and Pharmacology, College of Veterinary Medicine and Agricultural Experiment Station, beginning February 1, 1952, at an annual salary of $6,700 (AY).

On motion of Mr. Johnston, these appointments were confirmed.

DIRECTORSHIP OF THE SMALL HOMES COUNCIL

(3) Professor William H. Scheick of the Department of Architecture and Director of the Small Homes Council has submitted his resignation effective September 1, 1951. He has been on leave of absence without pay since September 1, 1949, serving as Director of the Building Research Advisory Board of the National Research Council. He was released by the University for this service for the year 1949-1950 during which he organized the Building Research Advisory Board and initiated research projects. At the urgent request of the National Research Council, he was given leave of absence for another year. Now the officers of the Council and of the National Academy of Sciences have asked him to continue in this assignment indefinitely, and he has decided to stay with the Board.

I have accepted his resignation and request confirmation of my action.

I recommend also that Professor James T. Lendrum of the Department of Architecture and Associate Director of the Small Homes Council, who has been serving as Acting Director during Professor Scheick's absence, be appointed Director effective September 1, 1951, at a salary of $9,000 a year (Y basis).

On motion of Mr. Nickell, the action of the President was confirmed and the appointment of Professor Lendrum was approved.

SCHOLARSHIPS IN LAW

(4) The Dean of the College of Law recommends that there be established ten scholarships at $250 each plus exemption from tuition, to be made available each year to beginning law students selected on the basis of scholarship and promise of achievement and renewable as the holders progress through the years of their attendance. The renewal in each case would be conditioned upon the student having made (1) at least a B average in his first year to be eligible for a scholarship in his second year and (2) at least a B average in his law work for two years to be eligible for a scholarship in his third year.

These scholarships will be awarded by a committee of the faculty of the College of Law. Provision for the scholarships has been made in the budget for 1951-1952.

I concur.

This proposal was referred to the Committee on General Policy for consideration and advice.

UNIVERSITY CIVIL SERVICE SYSTEM OF ILLINOIS

(5) The Sixty-seventh General Assembly has passed and the Governor has approved a bill for an Act which creates a classified civil service system to be known as the "University Civil Service System of Illinois," the purpose of which is to
establish a sound program of personnel administration for the six state-supported institutions of higher education and the University Retirement System of Illinois. All certifications, appointments, and promotions to positions in these agencies and institutions shall be made solely on merit and fitness to be ascertained on examination except those specifically exempted. All University of Illinois employees heretofore under the University's Civil Service System will come under the new state-wide system. This Act becomes effective January 1, 1952.

The Act creating the University Civil Service System is to be administered by a Merit Board consisting of three members of the Board of Trustees of the University of Illinois, one member of the Teachers College Board, and one member of the Board of Trustees of Southern Illinois University.

The Director of Nonacademic Personnel recommends that the three members from the University of Illinois Board of Trustees be elected now so that the Merit Board can get organized and much of the preliminary work can be done prior to the date when the new system will begin to function.

I concur.

On nomination of Mr. Johnston, Messrs. Grange and Hickman and Mrs. Holt were elected representatives of the Board of Trustees of the University of Illinois on the Merit Board of the University Civil Service System of Illinois.

SCHOOL OF SOCIAL WORK

(6) The Division of Social Welfare Administration is an independent educational and administrative unit not attached to any college or school within the University's organization. The Director of the Division reports directly to the President of the University. The faculty of the Division recommends that its name be changed to the School of Social Work. This is in conformity with the practice in most other institutions.

I concur in this recommendation, this change to become effective as of July 1, 1951.

On motion of Mrs. Watkins, this recommendation was approved.

UNIVERSITY OF ILLINOIS LEGISLATION

(7) The Secretary of the Board reports, as a matter of official information and record, that he has received a certified copy of House Bill 613, Sixty-seventh General Assembly of Illinois, for "An Act making certain appropriations to the University of Illinois":

For remodeling, modernization, and improvement of existing buildings at Urbana-Champaign, including water reclamation installations, plans and specifications and fixed equipment installed relating thereto.......................... $1,047,000

For improvements to University grounds at Urbana-Champaign and of adjacent city streets.......................... $180,000

For architectural studies of proposed new Home Economics building.......................................................... $43,000

For contingencies to cover expenditures for purposes for which the amount appropriated in the above items enumerated is, or becomes, insufficient.......................... $65,000

These funds are subject to release by the Governor.

The President of the University recommends that the funds be appropriated for the purposes indicated.

On motion of Mr. Nickell, these funds were appropriated, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Herrick, Mr. Stevenson.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(8) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:
Chicago Professional Colleges
1. Remodeling of quarters and installation of air conditioning for the Department of Physical Education .................. $32,500
2. Equipment for the College of Pharmacy ............................................. 1,000
3. Construction of parking area at the Chicago Professional Colleges..... 7,500

Urbana-Champaign Campus
4. Equipment for the Department of Entomology .................................... 4,500
5. Equipment (ten practice pianos) for the School of Music .................. 6,000
6. Rehabilitation of refrigerating equipment in Ice Skating Rink .............. 10,000

Total ........................................................................................................... $61,500

I recommend that these appropriations be made from the General Reserve Fund.

On motion of Mr. Johnston, these funds were appropriated, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Herrick, Mr. Stevenson.

AGREEMENT WITH THE CITY OF URBANA FOR MAINTENANCE OF LINCOLN AVENUE STORM SEWER

On April 19, 1951, the Board of Trustees authorized the employment of engineers for the services and designing of a storm sewer along the road north and immediately in front of the Floriculture and Vegetable Greenhouses to connect with the Lincoln Avenue storm sewer in Urbana. These plans will provide for the ultimate draining of the area in the immediate vicinity of the greenhouses and a larger area extending west as far as the site of the proposed new residence hall for men on Fourth Street.

While the actual construction of this drainage system is scheduled for the future, it is desirable that the University come to an understanding with the city of Urbana as to the cost to be assumed by the University when the improvement is made and the connection completed with the Lincoln Avenue storm sewer. With this improvement, the University will be using approximately 71 per cent of the sewer capacity of the Lincoln Avenue storm sewer. It is proposed that the University pay 71 per cent of the cost of the maintenance of this storm drain beginning when the University starts to use the outlet and continuing as long as the sewer shall be used by the University. The area to be drained is described as follows:

Commencing at the center line of Fourth Street at a point West of the North line of Roselawn Cemetery, thence North to the South line of Gregory Drive, thence East to Wright Street extended, thence North to the North line of Gregory Drive, thence East to a point two hundred fifty feet (250') West of the center line of Mathews Avenue, thence North to the East-West center line of Sec. 18, T. 19N., R. 9E. of the 3rd P.M., thence East to the West line of Goodwin Avenue, thence North along the West line of Goodwin Avenue to the center line of Nevada Street, thence East along the center line of Nevada Street to Lincoln Avenue, thence South along the center line of Lincoln Avenue to the center line of Florida Avenue, thence West along the center line of Florida Avenue to the East line of Mount Hope Cemetery, thence North along the East line of Mount Hope Cemetery to the North boundary of said cemetery, thence West along the North boundaries of Mount Hope Cemetery and Roselawn Cemetery to the point of beginning.

The Director of the Physical Plant and the Comptroller recommend that this agreement with the city of Urbana be executed.
I concur.

On motion of Mrs. Holt, this agreement was authorized.
CONTRACT WITH OZARK AIR LINES FOR USE OF UNIVERSITY OF ILLINOIS AIRPORT  
(10) The University has had a contract with Ozark Air Lines for the period January 1 to June 30, 1951, for use of the Airport. The schedule of charges is $600 a month for general services furnished by the University and landing fees of $100 for each of the first two schedules, $50 each for the next four, and $25 each for remaining schedules. The present schedule of six flights per day has produced an income from landing fees of $400 per month.

The Director of the Institute of Aviation and the Comptroller have negotiated a contract with Ozark Air Lines for a two-year period from July 1, 1951, which does not require as much general service by the University as heretofore (Ozark will perform this with its own personnel). It provides for the following charges:  
(a) Landing fees of $50 per schedule (a monthly income of $300 based on present schedules).  
(b) $75 per month for the rental of space occupied at the Airport.  
(c) Payment of $220 per month for line service by University personnel as requested by Ozark but not to exceed ten schedules a day.  
(d) The University will sell gasoline to Ozark at cost plus a handling charge of five cents per gallon.

The contract may be terminated by either party upon thirty days' notice.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Grange, this contract was authorized.

CONTRACTS FOR CONSTRUCTION OF AN ADDITION TO THE STOCK PAVILION  
(11) The Director of the Physical Plant and the Comptroller recommend award of contracts as follows for the construction of an addition to the Stock Pavilion to house an abattoir and a chilling room and construction of holding pens, subject to the receipt of authority to begin construction from the National Production Authority:

<table>

</tbody>
</table>

These are the lowest bidders.

The total budget for this project is $131,000. Funds are available for this project in (a) an appropriation of $10,000 from the General Reserve Fund made by the Board of Trustees on April 10, 1951, for the construction of a chilling room; (b) $61,000 from the state appropriations for 1951-1953 for remodeling and modernization of existing buildings which funds are subject to release by the Governor; (c) $44,000 from the state appropriations for the construction of agricultural buildings made for 1949-1951, the unexpended balances in which were reappropriated for 1951-1953; (d) a proposed appropriation of $16,000 from receipts from sales of agricultural products (this being excess of receipts over estimated income budgeted from this source).

Subsequent to receipt of bids, C. A. Petry and Sons submitted a proposal to change the construction of the cinder drives adjacent to this Stock Pavilion addition to stabilized 6 in. crushed stone with concrete curbs at a cost of $4,944. This addition is recommended because of the lower maintenance cost of such a drive as compared with a cinder drive which was originally specified.

I concur and recommend that (a) an appropriation of $16,000 be made for accumulated agricultural receipts for this project; (b) the Comptroller and the Secretary of the Board be authorized to execute contracts as recommended; (c) an addition of $4,944 for the construction of crushed stone drives with concrete curbs be authorized in the general contract.

On motion of Mr. Nickell, this appropriation was made and the contracts authorized, as recommended, by the following vote: Aye, Mr.
Fornof, Mr. Grange, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Herrick, Mr. Stevenson.

CONTRACTS FOR CONSTRUCTION OF AGRICULTURAL ENGINEERING ANNEX

(12) The Director of the Physical Plant and the Comptroller recommend award of contracts as follows for the construction of an annex to the Agricultural Engineering Building, subject to the receipt of authority to begin construction from the National Production Authority:

General work — C. A. Petry and Sons, Champaign..................... $132 400
Electrical work — Brunkow Electric Company, Champaign............ 18 566
Plumbing, heating, ventilating, and temperature control work — Reliable Plumbing and Heating Company, Champaign...................... 42 500

These are the lowest bidders.

The total budget for this project is $225,000. Funds are available in the state appropriations for 1949-1951 for the construction of agricultural buildings, the unexpended balances in which have been reappropriated for 1951-1953.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts.

On motion of Mrs. Watkins, these contracts were authorized by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Herrick, Mr. Stevenson.

CONTRACT FOR ARCHITECTURAL SERVICES FOR HOME ECONOMICS BUILDING

(13) The appropriations made to the University for 1951-1953 for capital improvements include $43,000 (plus an allowance of $2,000 for contingencies) for architectural studies of a proposed new home economics building.

The Dean of the College of Fine and Applied Arts, the Head of the Department of Architecture, the University Architect, and the Chairman of the Building Program Committee recommend employment of Naess and Murphy, Chicago, as architects for this building on the basis of a fee of 6 per cent of the construction cost for complete architectural services. For the present this firm would be employed to prepare complete preliminary studies only. It proposes to furnish such services at not to exceed 1.2 per cent of the estimated construction cost. No extra charge will be made for any time of the principals.

I recommend that a contract for the professional services of Naess and Murphy on this basis be authorized.

On motion of Mrs. Watkins, this contract was authorized.

CONTRACT FOR CONSTRUCTION OF PARKING LOT

(14) The Director of the Physical Plant and the Comptroller recommend award of contract for $18,260 to the Champaign Asphalt Company, Champaign, the lowest bidder, for the construction of a parking area with concrete curbs and asphalt surfacing at 1108 West Green Street, Urbana, to be used by the occupants of the Student and Staff Apartment Buildings at Green Street and Goodwin Avenue.

Funds are available in the budget for the construction of the Student and Staff Apartment Buildings.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Grange, this contract was authorized.

CONTRACTS FOR MINOR ALTERATIONS

(15) In the past, the Board of Trustees has awarded contracts on a cost-plus basis for minor alterations and remodeling at Urbana-Champaign. These contracts have been awarded on a year-to-year basis. Work under these contracts is initiated
on individual order by the Physical Plant Department and is subject to approval by the Comptroller and to the availability of funds appropriated by the Board. The contractors are employed on jobs which are so small or of such a character as to make competitive bidding impractical, and not exceeding $5,000 for any one authorization. This procedure has the advantage of permitting immediate starting of work after the Board has approved an appropriation and it eliminates the expense of preparing drawings and specifications required in securing competitive bids.

The Director of the Physical Plant and the Comptroller recommend award of the following cost-plus contracts based on competitive bids for the fiscal year beginning July 1, 1951, with the understanding that no orders will be placed under such contracts after June 30, 1952, and that all work will be handled in accordance with the procedure established.

To determine the lowest bidders, all bids were weighed by applying the percentages in accordance with the probable type of work to be done under these contracts. The recommendations for awards are based upon those bids which in the judgment of Physical Plant Department officials will result in the lowest cost to the University. In plumbing and heating, electrical work, and sheet metal work, the materials required are usually in such small quantities that they are taken from contractors' stocks and, hence, a merchandising overhead percentage is added to the material costs percentage. If material is purchased by a contractor for delivery directly to the job, the merchandising overhead is not added.

I recommend that these contracts be awarded in accordance with the terms and conditions stated, the Comptroller to report to the Board periodically on all contracts initiated.

On motion of Mr. Fornof, these contracts were authorized, as recommended.

**CONTRACT FOR ADDITION TO ELECTRICAL DISTRIBUTION SYSTEM AT CHICAGO PROFESSIONAL COLLEGES**

(16) The University has an agreement with the Commonwealth Edison Company of Chicago which provides for a “multiple service and combined billing” plan for
the extension of the electrical distribution system at the Chicago Professional Colleges. Under this plan the University secured a reduction in the rates based on consumption of power delivered to all points on the Chicago campus. However, with the addition of each new station in the system, the University is required to enter into an "excess facilities agreement" with the Commonwealth Edison Company for the installation of the necessary distribution lines to deliver power to the new point.

The Director of the Physical Plant and the Comptroller recommend an additional payment of $8,450 under this plan to the Commonwealth Edison Company for extension of distribution lines to provide electrical service for the student residence hall.

Funds are available for this contract in the budget for the construction of this building.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the necessary documents.

On motion of Mrs. Watkins, this contract was authorized.

**CONTRACT FOR ALTERATIONS IN VENTILATING SYSTEM IN THE DEPARTMENT OF PHYSICAL MEDICINE QUARTERS**

(17) The Director of the Physical Plant and the Comptroller recommend award of a contract for $24,847 to the Narowetz Heating and Ventilating Company, Chicago, the lowest bidder, for changes in the ventilating system in the quarters of the Department of Physical Medicine. The work will consist of air conditioning the Hydrotherapy Pool Area, the Electromyographic Room, and additional ventilation for the receptionist's office, departmental waiting room, student demonstration and classroom, examining room, and staff conference rooms. An appropriation for this and other remodeling work for the Department of Physical Medicine is being recommended separately.

I recommend that this contract be authorized, subject to the appropriation of funds.

On motion of Mr. Nickell, this contract was authorized.

**IMPROVEMENTS IN PRESIDENT'S HOUSE KITCHEN**

(18) Bids have been received for the furnishing and installation of improvements in the kitchen at the President's House to provide additional facilities as follows:

- Darrell E. Waechter, Pekin..................................................$3,736.00
- Swain and Myers, Inc., Decatur......................................2,788.50
- Harry F. Munds, Urbana.....................................................2,360.00

The bid of Mr. Waechter is based on steel construction, the other two on wood, all custom built.

Other general, electrical, and mechanical work incidental to these improvements is estimated at $2,400, or a total estimated cost of the project of $5,000.

The Director of the Physical Plant and the Comptroller recommend the award of a contract for $2,360 to Harry F. Munds.

I recommend an appropriation of $5,000 be made from the General Reserve Fund, and request that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Holt, this contract was authorized and an appropriation of $5,000 was made from the General Reserve Fund by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Herrick, Mr. Stevenson.

**ENGINEERING SERVICES IN DESIGNING ADDITION TO TALBOT LABORATORY**

(19) The University has a contract with E. C. Manthei, Champaign, for engineering services in designing and preparing specifications for electrical, plumbing, heating, and ventilating installations on minor projects. The fee is 6 per cent of the bids on the mechanical work for these trades on any project.
The Director of the Physical Plant and the Comptroller recommend that Mr. Manthei be employed at the same fee to develop the mechanical drawings, specifications, and contractual documents for the electrical, plumbing, heating, and ventilating installations required for an addition to the Talbot Laboratory.

I recommend that the Comptroller be authorized to execute an addition to the contract with E. C. Manthei covering this project.

On motion of Mr. Johnston, authority was given, as recommended.

**ADDITION TO VENTILATING CONTRACT FOR CONSTRUCTION OF ANIMAL SCIENCES LABORATORY**

(20) The Director of the Physical Plant and the Comptroller recommend an increase of $5,741 in the contract with the Bloomer Heating and Ventilating Company, Chicago, for ventilating and air-conditioning installations in the construction of the Animal Sciences Laboratory for

Special ventilation of twenty air changes per hour in three rooms. $3,754
Changes in ventilation required by rearrangement of rooms and equipment on the fourth floor. $1,987

These room changes were made to increase utilization of space to be assigned to the Department of Dairy Science.

The cost of this additional work has been checked by the architects, Naess and Murphy, and by the Physical Plant Department, who consider the charges reasonable.

Funds are available in the state appropriation for the construction of this building.

I concur and recommend that the Comptroller be authorized to execute this contract change.

On motion of Mr. Megran, authority was given, as recommended.

**CONTRACTS FOR COMPRESSED AIR EQUIPMENT**

(21) The Director of the Physical Plant and the Comptroller recommend award of a contract for $8,203 to the Pennsylvania Pump and Compressor Company, Easton, Pennsylvania, the lowest bidder, for an air compressor with accessories, $6,977, and electric motor and controls, $2,126, subject to an escalation of not to exceed 10 per cent of the price quoted on the motor. This compressor is needed for general services at the Abbott Power Plant.

Funds are available in the state appropriation to the University for "Construction of Extensions to Utility Distribution Systems."

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was authorized.

**CONTRACT FOR PURCHASE OF COAL FOR URBANA-CHAMPAIGN DEPARTMENTS**

(22) Bids have been received on uniform specifications for the purchase of 41,000 tons of coal screenings to be delivered to the Abbott Power Plant as required during the period from September 1, 1951, to May 31, 1952.

The Director of Purchases and the Comptroller recommend award of a contract to the Republic Coal and Coke Company, Chicago, the lowest bidder, for 17½ in. screenings coal to be furnished from their mine at a cost of $3.85 f.o.b. mine, freight $0.99, total $4.84; total estimated cost, $198,440. This price is based on the present wage scale and is subject to increase or decrease in the event that wage contracts now in effect are changed. Any such change will affect the price to the extent that production costs are increased or decreased by the new contracts. The University has the right of approval of any such increase in price.

The lowest bid is determined by the number of British Thermal Units for one cent based on guaranteed analyses. A continuous check at the power plant is provided to insure compliance with specifications.
The contract is subject to approval by the Governor.

The Director of Purchases and the Comptroller also recommend purchase of approximately 2,600 tons of 1½ in. screenings coal, to be delivered to the Abbott Power Plant during August, 1951, from the Republic Coal and Coke Company, Chicago, the lowest bidder, at the same price of $3.85 per ton, f.o.b. mine, plus freight at $0.99, total, $4.84; total estimated cost, $12,584. This is a firm price.

I concur in these recommendations.

On motion of Mrs. Holt, this contract and purchase were authorized.

AUTHORIZED OF PURCHASES

(23) The University of Illinois Statutes include the following provision governing purchases which has been in effect for approximately seventeen years:

"Purchases shall be made on the basis of competitive prices wherever practicable, quality, suitability, and service considered. Purchases amounting to $1,000 or more made from general funds or non-itemized appropriations shall be submitted to the Board of Trustees or to the Executive Committee, unless, in the opinion of the President of the University, urgent necessity exists that requires immediate action, in which case the President shall act and report promptly to the Board."

Materials and equipment needed for research are in short supply. In the case of research work for the Armed Forces, it is not always feasible to defer action on recommendations for purchases until a Board meeting.

Accordingly, to expedite purchasing procedure, I request a ruling by the Board of Trustees that the provision in the Statutes shall not apply to purchases under $3,000 on government research contracts.

On motion of Mr. Johnston, the provision in the University of Illinois Statutes relating to purchases was amended to provide that all purchases amounting to $2,500 or more shall be submitted to the Board of Trustees or to the Executive Committee for approval unless an emergency exists in which case the President of the University is authorized to act and to report his action to the Board.

700 ounces of No. 1 cover glasses in assorted sizes for microscopic technique.

348,000 laboratory order forms with one time carbon inserts, one-half inch gumming on top of each form.

Telephone service for transmission of five postgraduate telephone extension programs on Current Advances in Dentistry.

No. 6 fuel oil for the Medical Center Steam Company Power Plant at 1717 West Taylor Street, Chicago, as required during the year beginning July 1, 1951, and ending June 30, 1952, a minimum of 42,000 gallons, a maximum of 45,000 gallons, maximum quantity to be taken only in case of emergency or failure of coal supply.
On motion of Mr. Megran, these purchases were authorized.

**RELEASE OF DISCOVERY OF CERAMIC COATING MATERIALS**

(25) Professor Dwight G. Bennett of the Department of Ceramic Engineering reports the development by him and Associate Professor William J. Plankenhorn of new ceramic coating materials while working on research under a contract with the United States Air Force. These coatings have been found to protect alloy metal from high temperatures for long periods of time. The United States Air Force requests that appropriate patent coverage be obtained to protect the public interest. The Air Force will assume the full expense of securing a patent.

Since this discovery is a result of research work done under a contract with the United States Air Force and since the Air Force will use the results for the public good, the University Research Board recommends that the rights to this discovery be released to the Air Force. Two previous discoveries in the same field have been released by the University to the United States Government.

I concur in the recommendation that this discovery be released to the United States Air Force.

On motion of Mr. Grange, this discovery was released to the United States Air Force.
I present the University's internal operating budget for all divisions and funds for the fiscal year beginning July 1, 1951, and for the academic and administrative appointments beginning September 1, 1951. This budget has been prepared by the Provost and the Comptroller in accordance with policies approved by the President and in conference with deans, directors, and other administrative officers.

I recommend that:

1. This budget, covering the allocation of the University's operating income from all sources for the year beginning July 1, 1951, be approved.

2. The President of the University be authorized, in accordance with the needs of the University and the equitable interests involved and within total income, to (a) make such changes and adjustments as are needed, (b) make such additional appointments as are necessary, subject to the provisions of the University Statutes, and (c) accept resignations. All such changes will be covered in the Comptroller's quarterly financial reports, or in reports to the Board by its Secretary.

On motion of Mr. Johnston this budget was approved as amended by increasing the salary of the President of the University to $23,500 a year, effective July 1, 1951, the appropriations of funds as recommended were made, and authority was given as requested. These actions were taken by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Herrick, Mr. Stevenson.

The complete budget as approved is printed in full in the appendix, page 880.

**INTERNAL BUDGET OF THE ATHLETIC ASSOCIATION FOR 1951-1952**

The Director of Intercollegiate Athletics submits, on behalf of the Board of Directors of the Athletic Association, the budget of the Association for 1951-1952 which is summarized as follows with comparative figures for the preceding year:

<table>

</tbody>
</table>

On July 1, 1950, the Athletic Association had a net operating surplus of $47,360. The excess of expenditures over income of $2,002 in 1950-1951 will decrease this surplus to $45,358 on June 30, 1951.

The budget has been examined and approved by the Provost and the Comptroller. Salaries paid jointly by the Athletic Association and the School of Physical Education have been approved by the Director of the School.

The budget includes $10,000 to be allocated by the Board of Directors for contingency expenditures, not to exceed $1,000 for any one item. Estimated income exceeds the appropriations by $7,225.

I recommend that this budget be approved and that the President of the University be authorized to make such changes and adjustments, including approval of new appointments and acceptances of resignations, as are necessary and recommended by the Board of Directors of the Athletic Association within the total income realized.

² Excess of expenditures over income.
Copies of this budget have been filed with the Secretary and the Comptroller of the Board.

On motion of Mr. Hickman, this budget was approved.

**APPROPRIATIONS FOR THE COLLEGE OF AGRICULTURE**

(28) The Dean of the College of Agriculture and the Comptroller recommend additional appropriations of $43,964 from agricultural income of the College of Agriculture. For the year ended June 30, 1951, both receipts and expenditures have exceeded estimates because of the rising prices. It is recommended that the excess receipts be appropriated to the departments realizing the income as follows:

I concur.

On motion of Mr. Nickell, these appropriations were made by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Herrick, Mr. Stevenson.

**ACTING DIRECTOR OF INSTITUTE OF LABOR AND INDUSTRIAL RELATIONS**

(30) I recommend that Professor Milton Derber be appointed Acting Director of the Institute of Labor and Industrial Relations for one year from September 1, 1951, replacing Director W. Ellison Chalmers who is on leave of absence without pay for government service, Professor Derber's status to be Professor of Economics in the Institute of Labor and Industrial Relations on indefinite tenure at a salary of $8,850 a year (AY) and Acting Director (DY) at a salary of $650, total for the year, $9,500.

On motion of Mrs. Watkins, this appointment was approved.

**CHANGE IN HOSPITAL AND MEDICAL SERVICE FEE**

(30) Since September 1, 1943, all students at Urbana-Champaign, with certain exceptions as explained below, have been assessed a hospital and medical service fee of $5 per semester or a prorated amount for shorter terms (e.g., $2.50 for an eight-week summer session) which assures them of payments for specified hospital and medical expenses in cases of illness. This plan was adopted by the Board of Trustees on April 29, 1943. Shortly after it went into operation, exemptions from payment of the fee were approved by the Board (October 29, 1943), in cases of (a) extramural students; (b) correspondence students; (c) persons on appointment on the University staff or on the staffs of the allied surveys or laboratories on the Urbana campus; (d) those registered as visitors in classes; (e) students taking not more than one unit of graduate work or more than five hours of undergraduate work in a semester, or students taking not more than one-half unit of graduate work or more than three hours of undergraduate work in the eight-week summer session.

There is a loophole in these arrangements. It lies at the point of definition of a member of the staff. A person who has an appointment of any kind can claim to be a member of the staff and thus secure exemption from the hospital and medical insurance plan. It is precisely this group of persons, however, who fail to take advantage of the voluntary insurance plan for staff members. During recent years an increasing number of these persons have had illnesses or accidents, the bills for which they could not pay. The Office of the Dean of Students has had repeated requests for *ex post facto* admission to the insurance plan or for substantial aid from the student loan funds.
The Committee on Fees and Scholarships has reviewed the whole situation and now recommends that all resident students, including persons with part-time appointments to the staff, who are registered for more than one unit of graduate work or for more than five hours of undergraduate work be required to become members of the hospital and medical service plan for students.

I concur.

On motion of Mrs. Holt, this recommendation was approved.

DEPOSITARY FOR GEORGE A. MILLER FUND

(31) The Executive Committee on July 5, 1951, selected the Continental Illinois National Bank and Trust Company of Chicago, through its Trust Department, for safekeeping of securities and advice as to investments of the George A. Miller Fund. In connection therewith, the following resolution is required. It has been approved by the Legal Counsel and its adoption is recommended by the Comptroller.

Resolution

WHEREAS, under the will of the late Professor George A. Miller the Board of Trustees of the University of Illinois (hereinafter designated as The University) is to receive a certain bequest of cash and securities, and

WHEREAS, it is the present intention of The University that said bequest be held intact as an endowment fund, to be invested in stocks, bonds, or other income producing securities and the income accruing thereon disbursed for certain educational purposes as provided in said will, and

WHEREAS, it is deemed desirable that said securities be kept in a safe place, with the income collected by the safekeeping agency,

Now Therefore Be It Resolved, that the Continental Illinois National Bank and Trust Company of Chicago be and it hereby is designated as the depositary and safekeeping agency, in which bonds, stocks, securities, and other properties acquired from the estate of the said George A. Miller, or purchased or otherwise acquired from funds received from said estate which are the property of The University, may be deposited by its officers, agents, and employees, and

Be It Further Resolved, that Lloyd Morey, Comptroller, and A. J. Janata, Secretary of the Board of Trustees, acting jointly, be authorized, as approved by this Board or its committees acting under due authority, and upon such terms and conditions as to them shall seem proper:

1. To deliver to and deposit with the Continental Illinois National Bank and Trust Company of Chicago for safekeeping, custody, or other purposes any funds, bonds, stocks, securities, or other property owned or otherwise held by The University received from said estate of George A. Miller, and in connection therewith to open and maintain with said Continental Illinois National Bank and Trust Company of Chicago a safekeeping or custody account or accounts and to make the initial deposit therein and from time to time to make other and additional deposits and to sign orders and issue instructions to said Continental Illinois National Bank and Trust Company of Chicago for the conduct of said account or accounts, and

2. To cause to be withdrawn on the responsibility of, and at the risk of The University, and to sign orders and issue instructions for the handling, transfer, registration, sale, substitution, exchange and delivery of, any such funds, bonds, stocks, securities, and other property and the proceeds thereof, delivered to, deposited with, or otherwise held by said Continental Illinois National Bank and Trust Company of Chicago for the account of The University. Such withdrawals, substitutions, exchanges, and deliveries, whether subject to payment or not and whether pursuant to sale, exchange, or other transaction, may also be made by the bearer of any order, receipt, or request so signed, and

3. To purchase with such funds bonds, stocks, securities, and other property and to sign orders and issue instructions in connection with the purchase, payment, and registration thereof, and

4. To sell, pledge, transfer, assign, exchange, deposit with any reorganization committee, bondholders protective, or other committee or otherwise dispose of any such bonds, stocks, securities, and other property belonging to or standing in the name of The University or its nominee or held by The University for the account of others, and to sign orders and issue instructions regarding the handling of any matters connected with such transactions, and
5. To identify and guarantee assignments, transfers, and endorsements for transfer on such bonds, stock certificates, interim, participation, and other certificates and to identify and guarantee signatures on bond and stock powers of attorney pertaining thereto, and

6. To waive presentment, demand, protest, and notice of dishonor or protest and to give instructions in regard to the handling or delivery of any negotiable or non-negotiable documents received from said estate or deposited in said account, and

7. To sign reconciliations and certify to the correctness of statements pertaining to said account and approve and authorize adjustments therein, and

8. To act for The University in the transaction of business pertaining to said account and to sign orders and issue instructions to the Continental Illinois National Bank and Trust Company of Chicago in connection with funds received from the estate of said George A. Miller, and

Be It Further Resolved, that the Continental Illinois National Bank and Trust Company of Chicago shall receive customary and reasonable compensation for the services specified herein, and

Be It Further Resolved, that A. J. Janata, Secretary of the Board of Trustees, be authorized to delegate to Everett G. Smith, Executive Clerk in the President's Office, and Maude Archdeacon, Chief Clerk in the Board of Trustees' Office, authority to sign his name to orders for the purchase, sale, or transfer of securities held in the herein provided depositary and safekeeping agency, as approved by this Board or its committees acting under due authority; and that Lloyd Morey, Comptroller, be authorized to delegate to C. C. DeLong, Bursar, and H. O. Farber, Assistant Comptroller, authority to sign his name to such orders under the same circumstances, and

Be It Further Resolved, that the officers named pursuant to this resolution are authorized to take all such actions as may be necessary to carry out the intent hereof, and

Be It Further Resolved, that the Secretary of the Board of Trustees of the University of Illinois be and he hereby is authorized to certify to said Bank a copy of these resolutions and the names and signatures of the Board's said officers and their said deputies hereby authorized to act in the premises, and said Bank is hereby authorized to rely upon said certificate until formally advised by a subsequent and like certificate of any changes therein, and is also authorized to rely on any such additional or subsequent certificates.

On motion of Mr. Megran, this resolution was adopted by the following vote: Aye, Mr. Formof, Mr. Grange, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Herrick, Mr. Stevenson.

ACCEPTANCE OF GRANT OFFER OF THE ADMINISTRATOR OF CIVIL AERONAUTICS

(32) The University has undertaken to make certain improvements at its airport under a plan of cooperation with the Civil Aeronautics Administration and the State Department of Aeronautics whereby those two agencies and the University will provide funds for the improvements. Although the Board of Trustees has already authorized this program, and the Executive Committee of the Board has taken supplementary action approving certain modifications in this plan, the federal authorities now require adoption of the following formal resolution:

Resolution Accepting, Adopting, and Authorizing Execution of Acceptance of Grant Offer of the Administrator of Civil Aeronautics, Constituting Grant Agreement Between the Board of Trustees, University of Illinois, and the State of Illinois, Department of Aeronautics, Co-Sponsors, and the United States

WHEREAS, the Administrator of Civil Aeronautics, for and in behalf of the United States, has extended to the Board of Trustees, University of Illinois and the State of Illinois, Department of Aeronautics, Co-Sponsors, a formal Grant Offer, dated March 17, 1951, pursuant to the Project Application of the Board of Trustees, University of Illinois and the State of Illinois, Department of Aerono-
nautics, Co-Sponsors, submitted to the Civil Aeronautics Administration, dated March 19, 1951, all as hereinbelow set forth, and all relating to the development of the University of Illinois Airport, the same bearing F. A. A. Project No. 9-11-026-101; and

WHEREAS, pursuant to and for the purposes of carrying out the provisions of the Federal Airport Act (60 Stat. 170; Public Law 377, 79th Congress) it is necessary that said Grant Offer be duly and formally accepted by the Board of Trustees, University of Illinois and the State of Illinois, Department of Aeronautics, Co-Sponsors; and WHEREAS, such Grant Offer and such Acceptance thereof, duly executed, together shall constitute the Grant Agreement between the Board of Trustees, University of Illinois and the State of Illinois, Department of Aeronautics, Co-Sponsors, and the United States relating to said airport development project; and

WHEREAS, the said Grant Offer is in the words, figures and form following:

[At this point there are inserted as integral parts of the Resolution copies of the Grant Agreement with the Civil Aeronautics Administration, the Project Application made by the University of Illinois, a property line map of the University of Illinois Airport labeled "Exhibit A" and an "Agency and Participation Agreement" with the State Department of Aeronautics. A certified copy of the Resolution in the records of the Secretary of the Board contains all of these documents.]

and

WHEREAS, pursuant to authority conferred by motion passed and adopted at a regular meeting of the Board of Trustees of the University of Illinois held on March 13, 1951, as set forth in the following true and correct copy of an extract from the minutes of said meeting, to wit:

[At this point in the Resolution there is inserted the above described extract from the Minutes of the Board of Trustees meeting of March 13, 1951, as printed on pages 640-641.]

the Comptroller and the Secretary of the Board did on the 28th day of June, A.D., 1951, execute for and in behalf of the Board of Trustees, University of Illinois the Acceptance of said Grant Offer.

Now, Therefore, upon consideration of said Grant Offer and all the terms, provisions, conditions and exhibits therein and thereto, Be It, and It Is Hereby Resolved by the Board of Trustees, University of Illinois, Acting by and Through Its Executive Committee in Regular Meeting Assembled, as follows:

1. That the Board of Trustees, University of Illinois accept, and it does by these presents accept the Grant Offer extended to it by the Administrator of Civil Aeronautics, for and in behalf of the United States, in the words, figures and form as hereinabove set forth; and that it ratify and confirm, and it does by these presents, ratify and confirm the action of the Comptroller and the Secretary of the Board in causing the Acceptance of such Grant Offer, in the words, figures and form as hereinabove set forth, to be duly executed by them in the name of, and for and in behalf of the Board of Trustees, University of Illinois, on to-wit, the 28th day of June, A.D., 1951, be and the same is hereby ratified, confirmed and adopted, such Grant Offer and such Acceptance thereof, duly executed as above set forth, to constitute a binding Grant Agreement with the United States.

2. That the Project Application, dated March 17, A.D., 1951, executed and submitted to the Civil Aeronautics Administration relating to Federal Aid Airport Project No. 9-11-026-101, including all the statements, representations, warranties, covenants, assurances, and agreements contained therein, be and the same is hereby ratified, confirmed and adopted.

3. That the Agency and Participation Agreement attached thereto and by reference made a part thereof, entered into on the 17th day of March, A.D., 1951, by the Board of Trustees, University of Illinois, and on the 8th day of May, A.D., 1951, by the State of Illinois, Department of Aeronautics, be, and the same is hereby confirmed and ratified, reserving, however, the right, conditional upon approval by the Civil Aeronautics Administration, to enter into a Supplemental Agency and Participation Agreement with the State of Illinois, Department of
Aeronautics, as will accurately speak the fact of certain changes and modifications in the scope of work involved in said project and the respective responsibilities of the parties hereto as respects the accomplishment and payment of the costs and expenses of such work.

On motion of Mr. Hickman, this resolution was adopted by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Herrick, Mr. Stevenson; not voting, Mr. Johnston.

**AGREEMENT WITH STATE DEPARTMENT OF PUBLIC WELFARE**

The University has an agreement with the State Department of Public Welfare covering the joint operations of certain medical institutions and services in connection with the Chicago Professional Colleges and the Research and Educational Hospitals.

This plan of operation includes the Illinois Neuropsychiatric Institute. The Department provides a hospital building, laboratory and scientific equipment and supplies; the University furnishes the professional staff. The University also provides the physical plant service, food service, laundry, drugs, and medicines, for which it is reimbursed by the Department. This requires dual appropriations in the state budget, one from state revenues to the Department from which it reimburses the University and a corresponding estimate must be included in the appropriation from the University Income Fund in which payments made to the University by the Department are deposited.

The Commission to Study State Government recommended that the Institute be transferred to the University, and a bill authorizing this was introduced in the Sixty-seventh General Assembly. The Department of Public Welfare and the University supported this bill. It included an appropriation to the University of $1,405,700, the amount agreed upon by the two agencies. This bill passed and has been approved by the Governor.

There is also the Illinois State Psychopathic Institute in the Department of Public Welfare, housed in the Illinois Neuropsychiatric Institute building. With the consent of the University, Dr. Percival Bailey, Professor of Neurology, has been appointed Director of the Institute on part time. Representatives of the Department and the University have agreed upon the following statement to govern relations between the Illinois Psychopathic Institute and the University and the obligations to be assumed by each party:

1. The purpose of the Institute shall be to act as liaison between the State Mental Health Service and the University of Illinois in a cooperative effort to improve the quality of the medical personnel dealing with patients committed to their care and to seek new and improved methods of treatment and/or cure for the afflictions from which they suffer. In the promotion of these purposes the Institute shall furnish consultative services to the Mental Health Services of the Department of Public Welfare of the State of Illinois and to its institutions and divisions, shall carry on and promote research into the causes and possible means of treatment and/or cure of mental disorders and shall initiate and/or cooperate in programs for the training and improvement of the residents and medical personnel of the institutions and divisions of the Mental Health Service.

2. In support of this purpose, it is recommended that the following statement of understanding be acknowledged by the Department of Public Welfare and the University of Illinois:

   1. The Department and the University mutually agree to promote in every way possible the purposes for which the Illinois State Psychopathic Institute was founded.

   2. The Department obligates itself to pay the salaries of the personnel of the Institute and furnish funds for its work, both investigational and educational.

   3. The Department will free the Institute of all obligations for routine service to the state hospitals and other state institutions except for consultative, research, and educational services.

   4. The University agrees to furnish, free of rental, to the Illinois State Psychopathic Institute, space in the building previously known as the Illinois Neuropsychiatric Institute, at 912 South Wood Street, Chicago, Illinois, together with
janitor service and other maintenance. This space shall be adequate for the purposes of the Institute as agreed upon from time to time by its Director and the University authorities. At the present time, it consists of the following rooms: second floor south—rooms 207, 208, 209, 210, 211, 225; third floor south—rooms 307, 308; fifth floor north—rooms 555, 560, 562, 563, 564, 565, 566, 567; basement—rooms 27A, 28, 29, 30, 67.

5. The Director of the Illinois State Psychopathic Institute shall be appointed by the Department on nomination by the University and shall be removed on written request of either party. He must have qualifications which will entitle him to appointment on indefinite tenure in the Department of Psychiatry or the Department of Neurology and Neurological Surgery of the University.

6. The personnel of the Institute, apart from the Director, shall be chosen by its Director after consultation with the Department of Public Welfare.

7. The University agrees to cooperate with the Director of the Illinois State Psychopathic Institute in making the resources of the University available to the educational, consultative, and investigative program of the Institute. As a corollary to this, the Department and the University agree to continue their friendly relationships of many years' standing, in that requests for reference and transfer back and forth between the University Hospital and Institutes and the Welfare institutions, shall be freely made and carefully considered in a spirit of mutual helpfulness and cooperation.

8. Amendment or extension of this understanding can be effected by discussion and agreement between the proper authorities representing the Department of Public Welfare and the University together with the Director of the Illinois State Psychopathic Institute.

The Vice-President in charge of the Chicago Professional Colleges and the Comptroller recommend that this statement of policy and procedure be approved, with the understanding that it will be incorporated in a formal contract to be executed by both parties.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute such a contract upon approval of the same by the Vice-President in charge of the Chicago Professional Colleges and the Legal Counsel.

On motion of Mr. Hickman, this statement of policy and procedure was approved and the execution of a contract based on the same was authorized by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Herrick, Mr. Stevenson.

CONTRACT BETWEEN THE UNIVERSITY OF ILLINOIS AND PRESBYTERIAN HOSPITAL OF CHICAGO

(34) On July 1, 1941, the Board of Trustees entered into an agreement of affiliation with the Presbyterian Hospital of the city of Chicago under which certain facilities in Presbyterian Hospital were made available to the University for teaching purposes. The University, in return, appoints to its faculty, certain members of the Presbyterian Hospital staff, designated as Rush Presbyterian Hospital Staff, and pays them salaries for part-time services. This plan has created a problem, for the staff participates in the University Retirement System of Illinois and the University deducts from their salaries five per cent for contributions to the System. Presbyterian Hospital has no retirement system.

A contract has been negotiated with the Presbyterian Hospital making available to the University nine beds for teaching purposes and the services of the necessary teaching and clerical personnel, laboratory facilities, and such other facilities as are required to maintain the beds for the University's use. The contract provides that the University shall pay Presbyterian Hospital $60,775 a year, which is the approximate amount that would be paid by the University in salaries under the present arrangement. The University will discontinue payment of salaries to Rush Presbyterian staff and the Hospital will assume this obligation. Funds are available in the proposed 1951-1952 budget of the College of Medicine to meet these contract payments for hospital facilities.

The contract with the Presbyterian Hospital provides that:
(a) The University will pay $60,775 annually for which the Hospital will furnish nine beds, teaching staff, and other services necessary to maintain such beds.

(b) Renewal is automatic from year to year unless terminated by either party by written notice prior to June 30 of any year.

(c) The amount to be paid is subject to revision upon a written request of either party to the other prior to the first day of any year.

(d) Any adjustment in payments will be based upon the actual cost to the Hospital of maintaining the beds.

The Vice-President in charge of the Chicago Professional Colleges, the Dean of the College of Medicine, and the Comptroller recommend approval.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute such a contract with the Presbyterian Hospital of the city of Chicago.

On motion of Mr. Nickell, this contract was authorized.

LICENSE OF ALLIS-CHALMERS MANUFACTURING COMPANY UNDER KERST PATENT

The Allis-Chalmers Manufacturing Company, West Allis, Wisconsin, has been negotiating with the University for a license to manufacture betatrons embodying the improvement covered by U. S. Patent 2,545,958 which is held by the University. This is a patent covering a new and useful improvement in “induction accelerators” granted on application of Professor Donald W. Kerst, who assigned it to the University. Professor Kerst and the Department of Physics recommend that the Allis-Chalmers Manufacturing Company be granted a royalty-free nonexclusive license because (a) the apparatus will be used for research purposes for the benefit of mankind and no large-scale production is anticipated; and (b) Allis-Chalmers has been very cooperative with the University in the design and manufacture of equipment for research work. The University Research Board agrees with the royalty-free provision but is of the opinion that such a license should be granted for a period of five years, subject to renewal depending upon the extent to which the patent is used and the number of requests which might be received from other companies. The Research Board, therefore, recommends that Allis-Chalmers Manufacturing Company be granted a royalty-free nonexclusive license “to make, have others make for it, use and sell apparatus for which orders were accepted by Allis-Chalmers Manufacturing Company prior to March 21, 1956, embodying the invention claimed in U. S. Patent 2,545,958, Kerst, March 20, 1951.”

I concur.

On motion of Mrs. Holt, a license on the terms recommended was authorized.

PROFESSIONAL SERVICES IN WATER RATES LITIGATION

The Northern Illinois Water Corporation which operates the Champaign-Urbana water supply system, and with which the University has a contract for its water supply, has requested the Illinois Commerce Commission to approve an increase in rates. Officers of the University and of the local city governments are seeking information on the Corporation’s financial operations to aid them in deciding whether or not higher rates are justified.

It is necessary to employ special auditors and legal counsel in securing such information and in representing the interests of Champaign and Urbana and the University before the Illinois Commerce Commission. The accounting firm of George Rossetter and Company, Chicago, which is currently employed by the Board of Trustees to audit University of Illinois accounts, is especially experienced in investigations of this kind. With the concurrence of local city officials, the Comptroller of the University invited representatives of this company to discuss the matter and they are now engaged in a preliminary study representing the three parties. The Comptroller recommends that the University join with the cities of Champaign and Urbana in employing this firm.

The University Legal Counsel recommends that the University join with Champaign and Urbana in employing special counsel to represent the interests
of these parties before the Illinois Commerce Commission. It would not be feasible for the Legal Counsel to undertake this assignment because the amount of time required would make it impossible for him to look after other University legal business. Also, for work of this kind it is advantageous to have counsel with special experience in rate litigation.

It is estimated that the total costs of these professional services, accounting and legal, will be approximately $5,000. It is recommended that the University assume 30 per cent of the cost. The city of Champaign will assume 40 per cent and Urbana will assume 30 per cent.

I recommend that the Board of Trustees authorize the employment of George Rossetter and Company and an attorney to be selected by the cities of Champaign and Urbana and the University under this joint arrangement.

On motion of Mr. Johnston, authority was given as recommended, the selection of special counsel to be subject to approval by the President of the University.

ENGINEERING SERVICES FOR ABBOTT POWER PLANT

(37) There have been three additions to the Abbott Power Plant since it was first constructed in 1940. There are now four sets of drawings which must be analyzed to trace each individual circuit in order to diagnose and correct the cause of any operational troubles. This is not only time-consuming but increases likelihood of costly errors.

The capacity of the present generating equipment is barely sufficient to meet demands. In view of a potential deficiency in power production, it is important to have consolidated wiring diagrams of each control circuit in order to locate and correct promptly the cause of any trouble.

The Director of the Physical Plant and the Comptroller recommend employment of Sargent and Lundy, Chicago, consulting engineers on the design of the Abbott Power Plant and additions thereto, to prepare consolidated drawings. The firm offers to accept the assignment on the basis of the following charges: (a) engineering and drafting services, the actual salaries and wages of personnel employed, plus 100 per cent; (b) stenographic and clerical services, travel, and miscellaneous expense, at cost.

The estimated cost is $2,000. Funds are available in the Physical Plant Operating Budget for this contract.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute such an agreement.

On motion of Mrs. Watkins, this recommendation was approved.

CONTRACT FOR SMALL HOMES COUNCIL CONSTRUCTION PROJECT

(38) The Acting Director of the Small Homes Council, the Dean of the College of Fine and Applied Arts, and the Comptroller recommend award of a contract for $15,241.52 to Oran L. Shoemaker and Company, Champaign, the lowest bidder, for the construction of a flexible laboratory dwelling to be used in a study of 'Design Criteria for Space in Dwellings' by the Small Homes Council.

Funds are available under a contract for a cooperative investigation between the Housing and Home Finance Agency and the University.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Fornof, this contract was authorized.

CONTRACT FOR PUMP VAULT

(39) The Director of the Physical Plant and the Comptroller recommend the award of a contract for $6,995 to Clyde E. Gates, Champaign, the lowest bidder, for construction of a pump vault at the northwest corner of the Administration Building for the vacuum return heating system on the campus.

Funds are available in the Physical Plant Renewal and Replacement budget.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Grange, this contract was authorized.
CONTRACT FOR ROAD AND WALK IMPROVEMENTS IN HOUSING AREAS
(40) The Director of the Physical Plant and the Comptroller recommend award of a contract for $20,908 to the Champaign Asphalt Company, Champaign, the lowest bidder, for asphalt surfacing of roads and walks in the Stadium Terrace and Illini Village housing areas.

Funds are available in the income from the operations of Stadium Terrace and Illini Village for this maintenance work.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Megran, this contract was authorized.

ADDITIONS TO CONTRACTS FOR VETERINARY MEDICINE BUILDING
(41) The specifications for construction of the Veterinary Medicine Building did not include general site development. Estimates of cost of this phase of the work have been secured from the contractors who now have contracts for the construction of this building as follows:

</tr>
</tbody>
</table>

All estimates have been checked by the architects and the Physical Plant Department and found to be reasonable. The Director of the Physical Plant and the Comptroller recommend the award of the contract additions.

Funds are available in the state appropriation for the construction of this building.

I concur and request that the Comptroller be authorized to execute these contract additions.

On motion of Mrs. Watkins, these changes in contracts were authorized.

ADDITION TO CONTRACT FOR REMODELING OF QUARTERS FOR DEPARTMENT OF BACTERIOLOGY
(42) The Director of the Physical Plant and the Comptroller recommend an increase in the contract with Reliable Plumbing and Heating Company, Champaign, for remodeling in Noyes Laboratory for the Department of Bacteriology. This change will cover miscellaneous work in various rooms used by the Department, including additional radiators, water and air outlets. The estimated cost is $1,310.

Funds are available in the appropriation for remodeling Noyes Laboratory.

I concur and request that the Comptroller be authorized to execute this contract addition.

On motion of Mr. Johnston, this contract change was authorized.

**LEASE FOR THE CHICAGO OFFICES OF THE DIVISION OF SERVICES FOR CRIPPLED CHILDREN**

(44) The Chicago offices of the Division of Services for Crippled Children are in the Franklin-Adams Building at 222 West Adams Street, Chicago. An annual rental of approximately $3.00 per square foot for 4,000 square feet of space occupied is paid from state appropriations made to the Division.

More space is needed. A proposal has been made by the State Department of Finance that the Division move into the State of Illinois Building (formerly the Burnham Building), 160 North LaSalle Street, recently purchased by the state of Illinois to provide offices for various state agencies. The Department of Finance operates the building on a revolving account basis, all state agencies housed in the building paying rent which is used to operate and maintain the building.

It is proposed that the University lease 4,600 square feet of space in this building at a rental of $12,800 per year or approximately $2.70 per square foot.

The space in the State of Illinois Building is much more adaptable to the needs of the Division of Services for Crippled Children and there is also the advantage of being closer to other state agencies with which the Division deals.

The Comptroller recommends that such a lease be approved. I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this lease for the period from August 1, 1951, through June 30, 1953.

On motion of Mr. Nickell, this lease was authorized.

**COMMITTEE ON GENERAL POLICY**

Mr. Johnston, for the Committee on General Policy, presented the following report:

**Mr. PARK LIVINGSTON**

President, Board of Trustees  
University of Illinois  
Urbana, Illinois

**DEAR MR. PRESIDENT:**

At the June meeting of the Board of Trustees you referred to and directed that the Policy Committee consider the following subjects:

1. Letter from Mr. J. H. Lyle, dated June 11, with an inclosure, relating to radio broadcasts made by Quincy Howe;
2. Letter from Mr. Lyle, dated June 6, having to do with President Stoddard's activities in connection with the UNESCO;
3. Letter dated June 8 from Professor Kemmerer, with which he inclosed copy of letter same date which he addressed to President Stoddard regarding the College of Commerce controversy.

Your committee obtained through the Secretary of the Board copy of the manuscript used by Quincy Howe in his broadcasts beginning April 2 and continuing through June 9. This period was selected for the reason that it was that specifically referred to in the letter from Mr. J. H. Lyle, although the entire
period of the broadcasts was from September 17, 1950, to June 9, 1951. During
this period of time Quincy Howe, visiting professor of Journalism and Com-
communications, broadcast on 44 days. On 10 of the days Donald Brown, assistant
professor of Journalism and Communications and news director of Station
WILL, broadcast. On 2 days Gilbert Steiner, research associate of the Institute of
Government and Public Affairs, broadcast. On one day Arthur Bestor, associate
professor of History, broadcast, and on one day Harold Salzman, radio pro-
grammer assistant of Station WILL, broadcast. On two dates during this period
there were no broadcasts. These broadcasts were of 5 minutes duration and
were news analyses given each morning at 7:40 AM and repeated at 11:55 AM
from Monday through Friday.

Mr. Howe was brought to the University of Illinois as visiting professor of
Journalism and Communications for the academic year beginning September 1950
and ending June 1951. He has been recommended for a permanent appointment
beginning next September. He is a distinguished journalist, one time member of
the editorial staff of The Atlantic Monthly, is a former editor of Living Age and,
in more recent years, was a news analyst for the Columbia Broadcasting System.
Minute analysis made of the manuscript by your committee indicates that while
Professor Howe dealt with very controversial subjects, we do not consider that
the analyses of the subjects discussed by Professor Howe are detrimental to the
best interest of the University; further, that inasmuch as Station WILL is
endeavoring to provide the kind and type of program that will manifest interest
of their listeners and equal to the programs provided by other radio stations, it
is the view of your committee that as long as the position taken by this or any
other commentator is not prejudicial to free enterprise or the American way of
life, there is not any justification for the Board of Trustees to censor, condemn
or criticize the commentator, station or the administrative officers of the University
of Illinois for broadcasts of this type and character.

The letter of June 6 from Mr. Lyle deals with the activities of President
Stoddard in connection with the UNESCO. Your committee has also considered
the content of the criticism in this communication. There are many important
factors, as we view it, that have prompted President Stoddard to take an active
part in this work. What can or will be accomplished by this program perhaps can
be indicated as problematical so far as the rank and file of American people are
concerned, but like all other programs that are launched it is necessary for the
leaders in their fields to not only initiate the ideas but to foster and nurture them.
In view of this premise the committee can see no reason that it can advance for
criticizing the activity in this program on the part of President Stoddard, par-
ticularly appreciating as we do his qualifications. We do not believe there has
been an adverse effect upon the activities of the University because of the interest
which he has taken in the UNESCO. Obviously, it is necessary for President
Stoddard to be absent from the campus and in fact the country in order to be
effective in this work. This viewpoint of your committee has been considered in
light of the need for Doctor Stoddard's attention to the administration of the
affairs of the University. It is our understanding that the President's term on this
committee will soon expire and that he can not succeed himself to another term.

The third subject, that having to do with a letter of June 8 from Professor
Kemmerer regarding the controversy in the College of Commerce, has also been
reviewed by your committee, including the recent report of the Advisory Com-
mittee. It is our view that considerable damage has been done to the University
 thru this controversy and the delay in its disposition. Your committee has a very
strong view that it is desirable in disposing of this controversy to first dispose of the selection of the Dean for the College of Commerce, and that with
promptness. It is your committee's belief that this selection can be made without
delay and that the proper selection would go a long way in overcoming the
present unsatisfactory condition. This we feel is the first step, following which the
new Dean should be afforded an opportunity to review all reports and recom-
mandations, thereafter submitting his recommendations to the President of the
University as to what further steps should be taken. In the meantime, the commit-
tee suggests that the Board receive any reports of progress in the College as
submitted by the President of the University.

The communications which you handed to us were returned to you June 14.
For the information and perusal of the Board, we are attaching transcript of the manuscript used by Professor Howe in his broadcasts April 2 to June 9.

Sincerely yours,
HERBERT B. MEGRAN
ROBERT Z. HICKMAN
WAYNE A. JOHNSTON, Chairman

On motion of Mr. Nickell, this report was adopted.

BOND OF UNIVERSITY TREASURER

Mr. Fornof, for the Finance Committee, presented the following report:

In electing Mr. C. W. Weldon on March 13, 1951, for a term of two years, the Board fixed the bond at $5,000,000 and instructed the Finance Committee to examine the bond and report on the same to the Board.

Mr. Weldon has offered a bond signed by himself as principal, with Edward E. Brown, James B. Forgan, and Homer J. Livingston as sureties for the required amount, providing for a full accounting for bonds and securities coming into the Treasurer's hands during his term of office and until his successor is elected and qualified. The Committee has examined this bond and recommends its approval.

On motion of Mr. Fornof, the recommendation of the Finance Committee was approved.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board resumed consideration of the following recommendations and reports presented by President Stoddard.

CHAIRMANSHP OF DEPARTMENT OF ECONOMICS

(45) President Stoddard reported that Professor Everett E. Hagen, Chairman of the Department of Economics, has announced his resignation effective August 31, 1951, and has asked to be relieved of his administrative duties as Chairman for the rest of the academic year. The President stated that he had accepted Professor Hagen's proposal to be relieved as Chairman effective July 25, 1951, and had asked Acting Dean Robert R. Hudelson of the College of Commerce and Business Administration to serve also as Acting Chairman of the Department of Economics.

On motion of Mrs. Watkins, the action of the President in relieving Professor Hagen of the chairmanship of the Department was confirmed and the appointment of Dean Hudelson as Acting Chairman was approved.

LEGISLATION BEFORE THE SIXTY-SEVENTH GENERAL ASSEMBLY OF ILLINOIS AFFECTING THE UNIVERSITY

(46) The President of the University presented, for the information of the Board, a digest of the bills introduced in the Sixty-seventh General Assembly of Illinois affecting the University. A copy of this report is filed with the Secretary of the Board as a matter of record.

SEPTEMBER MEETING OF THE BOARD

APPENDIX

THE UNIVERSITY OF ILLINOIS INTERNAL BUDGET FOR 1951-1952
(Approved by the Board of Trustees July 25, 1951, page 855)

EXPLANATORY NOTES

This budget consists of three divisions:

I. Summaries of all divisions; Urbana-Champaign divisions and General University Administration—Academic and Administrative Salaries, Wages, Expense, and Equipment.

II. Chicago Professional Colleges, Division of Services for Crippled Children, and Chicago Undergraduate Division—Academic and Administrative Salaries, Wages, Expense, and Equipment.

III. Nonacademic Salaries, all divisions.

Appropriations for Salaries are available for the term indicated in each case but not for more than one year from September 1, 1951. When appointments are made at salary rates less than the amounts provided in the budget, the unused balance is lapsed at that time, resulting in a reduction in the budget.

Funds appropriated for positions in the salary budget which are not yet filled may, pending the appointment of someone to the position, be drawn against by time cards submitted to the Business Office for services of employees temporarily engaged to do the work contemplated by the position. Such temporary charges may not exceed the amount of time provided by the position unless indicated herein or otherwise approved by the President.

All unexpended balances remaining in the salary budget lapse at the close of each calendar month unless previously assigned or encumbered. Such lapses do not result in a reduction in the budget.

Departmental appropriations are made under the captions “Salaries,” “Wages,” and “Expense and Equipment.” No transfers may be made between “Salaries” and “Expense and Equipment” except with the approval of the President of the University. Requests for such changes should be submitted through the Comptroller. Adjustments may be requested between “Salaries” and “Wages” or between “Wages” and “Expense and Equipment” upon notice to the Comptroller, stating the reason for such transfer.

Appropriations for expense, equipment, and wages are available for one year beginning July 1, 1951, and ending June 30, 1952. All unexpended balances lapse June 30, 1952. The reappropriation of funds will be considered only in special situations.

All budgets of auxiliary enterprises, cooperative investigations, other trust funds and budgets indicated as “from receipts” are on an estimated basis. Unless otherwise indicated, appropriations are limited to actual income, but any balances or receipts in excess of the estimate are appropriated for the operation of the activity.

The services required for members of the academic and administrative staff are in accordance with “Terms of Employment” adopted by the Board of Trustees on January 8, 1948.

a. For those positions or portion of positions indicated as “Y”, services are required for twelve months, with one month for vacation. No additional compensation is allowed for summer services for any salary or portion of salary indicated as “Y”.

b. For those positions or portion of positions not indicated as “Y”, services are required only during the regular academic year of two semesters (three terms in Chicago Professional Colleges). If teaching is required during the Summer Session, it will be covered by an additional appointment with salary.

The services required for members of the nonacademic staff are for a full year of twelve months, with allowance for vacation, in accordance with civil service regulations.

Tenure Symbols (a number following a tenure symbol indicates percentage of time)

A — Indefinite tenure, payable in twelve monthly installments.

B — Two years from September 1, 1951, payable in twelve installments.

D — One year from September 1, 1951, payable in twelve installments.
E — The academic year 1951-1952, payable in ten installments of which the first and last shall be half installments and the other eight full installments equal to one-ninth of the annual salary.

G — Special tenure as described.

N — In accordance with civil service regulations, effective July 1, 1951, at the annual salary indicated.

P — In accordance with civil service regulations on an hourly basis in accordance with prevailing rate contracts. Amount indicated is estimated annual salary based on normal number of hours.

H — In accordance with civil service regulations on an hourly basis.

Y — When following A, B, D, and G, indicates that services are required throughout the year, except for allowable vacation, without additional compensation.

Perquisite Symbols (for the convenience of the employee unless otherwise indicated)

M — Furnished one meal a day valued at $8 a month in Chicago and $7 a month in Urbana.

MM — Furnished two meals a day valued at $16 a month in Chicago and $14 a month in Urbana.

R — Furnished room valued at $16 a month in Chicago; $10 a month in Urbana Residence Halls; $7 a month in McKinley Hospital.

RB — Furnished room and board valued at $40 a month in Chicago and $31 a month in Urbana Residence Halls; $28 a month in McKinley Hospital.

U — For the convenience of the University rather than the employee.

¹ Expenditures may not exceed actual receipts if less than estimate.
² Agricultural Income realized over estimate and reserved for the use of the College of Agriculture may be assigned, upon recommendation of the Dean of the College of Agriculture, to the department earning such income in a total amount not exceeding $10,000 in any one fiscal year or $1,000 for any one item. If income of $20,000 is not realized, appropriations to departments will be reduced accordingly.
Note: The distribution between college (C) and station (S) from state funds in the following budgets is based upon the estimated amount of time to be devoted to each activity during the full twelve-month period and does not restrict the amount of teaching in any semester or for the year as a whole to the percentage of time shown for college.

**Explanations of Symbols in Titles:**
- **C** = College; **S** = Station; **E** = Extension

DEANSHIP OF THE GRADUATE COLLEGE

(4) Dean Louis N. Ridenour, who has been serving as Dean of the Graduate College and Professor of Physics since 1947, has submitted his resignation from the staff of the University of Illinois stating, "As you know, only the necessity of finding a more favorable climate for my younger daughter, who is ill, has persuaded me I must leave the University. I sincerely regret this necessity, but I feel I cannot evade it."

I have reluctantly accepted his resignation, effective September 1, 1951, and have appointed Professor F. T. Wall of the Department of Chemistry as Acting Dean of the Graduate College for the academic year beginning September 1, 1951, at a salary of $11,800.

Confirmation of these actions is requested.

Professor Wall will also continue to serve as Chairman of the University Research Board. He served as Acting Chairman during the 1950-1951 academic year while Dean Ridenour was on leave of absence.

On motion of Mr. Nickell, the actions of the President were approved.

EXTENSION OF LEAVE OF ABSENCE FOR PROFESSOR F. W. LOOMIS

(5) Professor F. Wheeler Loomis, Head of the Department of Physics, who has been on leave of absence without pay since March 1, 1951, for services at the Massachusetts Institute of Technology as director of an important national defense project, has requested an extension of his leave of absence.

I recommend that he be continued on leave of absence without pay during the academic year 1951-1952. I recommend also that Professor G. M. Almy of the Department, who has been serving as Acting Head during the absence of Professor
Loomis, be reappointed as Acting Head for the academic year 1951-1952 and that he be paid additional compensation of $1,000 for such services.

On motion of Mr. Grange, these recommendations were approved.

**REINSTATEMENT OF SABBATICAL LEAVE OF ABSENCE FOR PROFESSOR THOMAS E. BENNER**

(6) Professor Thomas E. Benner of the College of Education was granted sabbatical leave of absence on one-half salary for the second semester of 1950-1951 so that he could undertake an assignment for the United States and the United Nations on an educational mission to Korea. Plans for utilization of his services did not materialize and he subsequently withdrew his request. His leave was canceled without prejudice to any future application.

Professor Benner has now requested sabbatical leave of absence on one-half pay for the first semester of 1951-1952 so that he may serve as an educational consultant in Korea. He has been on the faculty for twenty years and has never had a sabbatical leave of absence. He is eligible for leave either with full or one-half pay. In view of the previous authorization by the Board, I have approved this sabbatical leave of absence for the first semester of 1951-1952 on one-half pay.

On motion of Mr. Herrick, the action of the President was approved.

**COLLEGE ADVISORY COMMITTEES IN AGRICULTURE**

(7) The Dean of the College of Agriculture recommends the following appointments to advisory committees for the College of Agriculture and the Agricultural Experiment Station effective September 1, 1951, for the terms indicated. New members are indicated by an asterisk.

I concur and recommend appointment of these men to the Citizens Committee according to the practice of including all college advisory committees in the membership of the general committee.

On motion of Mrs. Holt, these appointments were approved as recommended.

COLLEGE ADVISORY COMMITTEE IN VETERINARY MEDICINE

(8) The Dean of the College of Veterinary Medicine recommends the following appointments to the advisory committee for the College of Veterinary Medicine effective September 1, 1951, for the terms indicated. New members are indicated by an asterisk.

I concur and recommend appointment of these men to the Citizens Committee according to the practice of including all college advisory committees in the membership of the general committee.

Dr. C. E. DILLE, Cairo (1 year)  
Mr. WAYNE DINSMORE, Chicago (1 year)  
Dr. J. B. JAFFRAY, Chicago (1 year)  
Dr. A. A. LEGNER, Sandwich (1 year)  
Dr. R. A. THOMPSON, Clinton (1 year)  
Dr. H. P. WESSELS, Geneva (1 year)  
*Dr. WARREN E. AMLING, Pana (3 years)

On motion of Mrs. Watkins, these appointments were approved as recommended.

ADVISORY COMMITTEE FOR INSTITUTE OF LABOR AND INDUSTRIAL RELATIONS

(9) The Acting Director of the Institute of Labor and Industrial Relations recommends the reappointment for terms of three years of the following as members of the Institute's advisory committee: John E. Cassidy, representing the pub-
lic; Clinton Bush, representing labor; and G. W. Hoelscher, representing management.

These three members were appointed to the committee for two-year terms in July, 1949, when the present rotation plan was adopted. They were originally appointed to the committee in 1947.

To fill the vacancy on the advisory committee of the Institute of Labor and Industrial Relations created by the resignation of Mr. Wayne A. Johnston when he became a member of the Board of Trustees of the University, the Acting Director recommends the appointment of Mr. John McCaffrey, 180 North Michigan Avenue, Chicago. This will be for the period of Mr. Johnston’s term, 1950-1953.

I concur.

On motion of Mr. Johnston, these appointments were approved as recommended.

RELEASE OF PATENTABLE DISCOVERY

Professor I. C. Gunsalus of the Department of Bacteriology reports that in the course of his researches during the past several years, both at the University of Illinois and elsewhere, he has isolated a new B vitamin, the value of which has not been established. He has asked whether or not the University desires to seek patent protection.

This discovery, like numerous others which result from research in the biological and chemical sciences, is the sort that requires additional research in related fields to make the results useful. The University is not set up to carry on such additional researches unless additional funds are forthcoming from some other source. Accordingly, the Head of the Department of Bacteriology and the University Research Board recommend that the discovery be released to Professor Gunsalus to deal with as he chooses. In the opinion of the Board the cost of securing a patent would exceed any probable income.

I concur.

On motion of Mrs. Holt, this recommendation was approved.

REAPPROPRIATION OF UNEXPENDED BALANCES

The Comptroller recommends that balances in appropriations made by the Board of Trustees for the fiscal year 1950-1951 which were encumbered by purchase or contractual agreements on June 30, 1951, be reappropriated for the fiscal year 1951-1952 to meet these obligations.

In addition, the Comptroller recommends that the following unencumbered balances in appropriations for services and projects not completed on June 30, 1951, be reappropriated for the fiscal year beginning July 1, 1951.

I concur.

On motion of Mr. Johnston, these funds were reappropriated by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Megran, Mr. Stevenson.

APPROPRIATION FOR DEPARTMENT OF CIVIL ENGINEERING

(12) The Dean of the College of Engineering has requested that the house at 501 South Wright Street, Champaign, be converted into office space for use by the structural research laboratory of the Department of Civil Engineering. This will require some remodeling and the purchase of equipment. The Provost recommends that an assignment of $10,000 for this project be made to the Physical Plant Department from funds budgeted for Nonrecurring Equipment and Remodeling Unassigned.

I concur and recommend that the appropriation be made.

On motion of Mr. Fornof, this appropriation was made by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Megran, Mr. Stevenson.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(13) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

1. Remodeling in Noyes Laboratory of Chemistry .................. $14,700
2. Additional facilities for Army R.O.T.C. at the Chicago Undergraduate Division ........................................... 10,700
3. Remodeling east wing of the Illini Union Coffee House ....... 9,800
4. Construction in architectural drafting rooms for the College of Fine and Applied Arts ........................................... 5,500

Total ................................................................. $40,700

I recommend that these appropriations be made from the General Reserve Fund.

On motion of Mr. Fornof, these funds were appropriated, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Grange,
Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Megran, Mr. Stevenson.

APPROPRIATIONS BY THE ATHLETIC ASSOCIATION

(14) The Board of Directors of the Athletic Association have approved the following appropriations:

1. An appropriation of $2,000 or so much thereof as may be necessary to cover the cost of a Football Band trip to Indiana on October 27, 1951.
2. An appropriation of $3,000 to the Alumni Association to provide for a portion of the salary of W. H. Rice for services rendered during the year 1950-1951.

These appropriations are submitted to the Board of Trustees for approval.

On motion of Mr. Grange, these appropriations were approved.

PETTY CASH FUND FOR THE DIVISION OF SERVICES FOR CRIPPLED CHILDREN

(15) The Division of Services for Crippled Children must make minor cash expenditures at various locations throughout the state but principally at the Springfield office. To control such expenditures it is desirable to establish a petty cash fund in Springfield to be handled on an imprest cash basis.

Section 50E (1) of the University Statutes provides that such funds in excess of $1,000 may be established with the approval of the Board of Trustees.

The Director of the Division of Services for Crippled Children and the Comptroller recommend that a petty cash fund in the amount of $1,000 be established for the Division and that the Springfield Marine Bank be approved as a depositary for it. The University Treasurer concurs in the selection of this bank.

I concur.

On motion of Mr. Johnston, this recommendation was approved.

SALE OF RESIDENCE PROPERTY

(16) The Director of the Physical Plant and the Comptroller recommend the sale of the residence property at 508 South Ridgeway Avenue, Champaign, to Professor Quincy Howe, the present lessee, at a price of $23,000. This is in accordance with the policy approved by the Board of Trustees on December 28, 1950, governing the sale of University-owned residence property to staff members.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the necessary documents to complete this transaction.

On motion of Mrs. Holt, the sale of this property, as recommended, was authorized by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Megran, Mr. Stevenson.

CONTRACT FOR CONSTRUCTION OF SEWAGE TREATMENT AND DISPOSAL SYSTEM AT ROBERT ALLERTON PARK

(17) The necessity for a new sewage disposal system at Robert Allerton Park has been recognized for some time. The buildings of the Park are now serviced only by separate septic tanks. The 4-H Memorial Camp, which is a part of the Agricultural Extension Service and therefore a regular University off-campus program, has only out-of-door facilities.

On the basis of preliminary engineering studies and conferences of University officials with representatives of the 4-H Camp Committee, it was concluded that a project should be developed to cover (a) a treatment and disposal plant adequate to serve both the Park and the Camp and (b) all distribution facilities necessary for the Park, but with the main lines adequate to serve the Camp also. Facilities for the Camp grounds are deferred until such time as funds are available from contributions, since the development of the 4-H Camp has been supported by private contributions.
The Director of Robert Allerton Park, the Provost, and the Comptroller recommend awarding of contracts and assignments of funds as follows for these improvements:

General construction—Oran L. Shoemaker & Company, Champaign........ $49,362
Sewers and force main—Ed Harris & Paul Keller, Champaign............... 17,889
This is the second lowest bidder. Herr Brothers, Piper City, Illinois, submitted a low bid of $17,726 but this firm can not start the work until May, 1952, whereas Harris & Keller are prepared to start within thirty days after awarding of a contract.

Machinery to be bought on purchase orders on bids already received..... 2 $43
Engineering design and supervision........................................ 4,850
Contingencies........................................................................... 356

Total Budget........................................................................... $75,000

I recommend that an appropriation of $75,000 be made from the General Reserve Fund for this work, funds to be assigned as indicated above, and that contracts be awarded as recommended.

At this point the Secretary of the Board presented the following letter received from the Secretary of the Twin City Federation of Labor, Champaign-Urbana, Illinois:

TWIN CITY FEDERATION OF LABOR
CHAMPAIGN-URBANA, ILLINOIS

August 9, 1951

Mr. A. J. Janata, Secretary,
University of Illinois, Board of Trustees,
Administration Building, West,
University of Illinois,
Urbana, Illinois.

DEAR SIR:

The Twin City Federation of Labor protests the action of the University of Illinois Board of Trustees in declaring in an advertisement for bids on construction of a sewage disposal plant at Allerton Park, Monticello, Ill., that "no prevailing wage rates exist" for the territory involved. The advertisement appeared in the August 3, 1951 issue of the Champaign-Urbana Courier.

It is the claim of organized labor in Champaign-Urbana, Ill., that this statement is not true. It is contended that the Allerton Park area is in the jurisdiction of Champaign-Urbana, and as such, the prevailing rates of wages paid in Champaign-Urbana also apply to Allerton Park.

Further, the 1951 amendment to the Prevailing Wage Act, State of Illinois, provides for the State Department of Labor to designate the rates to be used as prevailing where no established rate exists.

It is hoped the Board of Trustees will take such action as may be necessary to correct this flagrant disregard of Labor's rights in this instance, and to prevent its recurrence in the future.

Respectfully yours,
TWIN CITY FEDERATION OF LABOR
Orville E. Moore, Secretary
1406 North Neil Street,
Champaign, Illinois

The protest in this letter refers to the following statement included in the notice to contractors calling for proposals on the construction of a sewage treatment and disposal plant at Robert Allerton Park, as published in the Champaign-Urbana Courier on August 3, 1951:

The Contractor will be required to comply with the provisions of an act entitled, "An Act regulating wages of laborers, mechanics and other workmen employed under contracts for public works," (approved June 26, 1941) Illinois Revised Statutes 1941, Chapter 48, Sections 39L to 39S-12 inclusive and shall pay not less than the general prevailing rate of per diem wages for work of a similar character in the locality in which the work is performed and not less than the
The general prevailing rate of per diem wages for legal holiday and overtime work to all laborers, workmen and mechanics engaged in construction work on this project. The owner has made an investigation and has been unable to ascertain the existence at the present time of any prevailing rate of wage for any class of work required to be performed under this proposed contract.

The letter had been referred by the Secretary of the Board to the Director of Nonacademic Personnel and the Legal Counsel for advice. The latter stated that after studying the Act regulating wages of laborers, mechanics, and other workmen employed under contracts for public works, including amendments thereof enacted by the Sixty-seventh General Assembly in 1951, he was unable to find any legal basis for the protest. An exhaustive study was made approximately a year ago by a fact-finding committee on which there were representatives of labor and the University. This Committee reported, under date of July 31, 1950, that rates paid for work in the building trades and crafts in Piatt County, Illinois, are subject to so much variation that it is not possible to establish single rates as prevailing. The Director of Nonacademic Personnel and the Director of Robert Allerton Park have advised the Legal Counsel that, to the best of their knowledge, the situation with respect to rates of wages now prevailing in Piatt County is the same as it was when they conducted their investigation a little over a year ago and that there exists in that county no collective bargaining agreement between an employer and employees covering rates of wages for work of the character of that contemplated by the contract for the construction of sewage facilities at Robert Allerton Park.

The amendment referred to in the above letter does not authorize the State Department of Labor "to designate the rates to be used as prevailing where no established rate exists"; the amendment merely authorizes the Department to investigate violations of and to enforce the law. The law defines the geographical areas affected by it but does not recognize such jurisdictional claims as are set forth in the above letter. It was, therefore, mandatory upon the University in complying with the Act to include in the published notice calling for proposals the statement to which the letter from the Twin City Federation of Labor objects.

At the conclusion of this discussion, the Legal Counsel was directed to reply to this letter, explaining the legal position of the University and correcting the misconceptions by calling attention to the differences between the claims in the letter on the one hand and the provisions of the law on the other.

On motion of Mr. Herrick, the contracts were authorized and the appropriation was made, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Megran, Mr. Stevenson.

**contracts for remodeling in noyes laboratory**

(18) For the past several years the University has been carrying on a program of remodeling in the Noyes Laboratory of Chemistry to reduce fire hazards. This has included the construction of fireproof stairwells at the north and south corner of the west wing to replace the center stairs which constituted a major hazard. The closing of the center stairs has made available additional floor space. The Com-
The committee on Nonrecurring Appropriations has recommended an assignment of funds for remodeling to utilize this space by the construction of a classroom seating thirty-five students on the third floor, a new storeroom on the second floor, and office, storage, and a toilet room on the first floor.

Bids have been taken on this remodeling and the Director of the Physical Plant and the Comptroller recommend award of contracts to the lowest bidders as follows:

- **General** — Clyde E. Gates, Champaign — $14,730
- **Ventilating** — F. R. Inskip and Company, Champaign — $996
- **Electrical** — J. M. Bean Electric and Hardware, Urbana — $880
- **Plumbing** — Reliable Plumbing and Heating Company, Champaign — $3,020
- **Heating** — Reliable Plumbing and Heating Company, Champaign — $2,575

I concur.

On motion of Mr. Nickell, these contracts were authorized.

ELEVATOR FOR ENGINEERING RESEARCH LABORATORY

The Director of the Physical Plant and the Comptroller recommend award of a contract for $17,957 to the Otis Elevator Company, Chicago, the lowest bidder, for the installation of an elevator in the Engineering Research Laboratory which is being remodeled to house the Control Systems Laboratory.

Funds are available in the appropriations made by the Board for this remodeling.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Herrick, this contract was authorized.

CONTRACT FOR PLASTERING

The Director of the Physical Plant and the Comptroller recommend award of a contract to E. G. Lindsey, Champaign, the lowest bidder, for plastering maintenance work as required on the Champaign-Urbana campus during 1951-1952 as follows:

- Percentage added to total cost of labor for Workmen's Compensation, Social Security, and other costs — 7.0%
- Percentage added to total costs for contractor's profit and overhead — 15.0%

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract.

On motion of Mrs. Holt, this contract was authorized.

CONTRACT FOR EXTENSION OF CAMPUS LIGHTING FACILITIES

Completion of the Animal Sciences Laboratory, the Veterinary Medicine Building, and the Goodwin Avenue extension will necessitate additions to campus lighting facilities in these areas.

Approximately 30 per cent of the new lighting needed is in areas west of the Genetics Building, north of the Agricultural Engineering Building, and near the rock gardens north of the Floriculture Building. The cost of the improvements in these areas can be met from funds budgeted for minor improvements for 1951-1952. The cost for the remaining areas can be charged against the state appropriation for the construction of the buildings.

The Director of the Physical Plant and the Comptroller recommend the award of a contract for $8,775 to the Brunkow Electric Company, Champaign, the lowest bidder, for the installation of additional lighting.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was authorized.

CONTRACT FOR LANDSCAPING AREAS OF NEW CONSTRUCTION

The construction of the Animal Sciences Laboratory, the Veterinary Medicine Building, and the extension of Goodwin Avenue will require grading and seeding of the campus areas in the vicinity of those buildings. The Physical Plant
Department had planned to defer all landscaping work until the spring of 1952, but construction progress has been better than anticipated so that it is possible to grade and seed a large part of these areas this fall.

Accordingly, on recommendation of the Physical Plant Department and the Comptroller, I authorized the award of a contract for $4,340 to Irving L. Peterson, landscape architect, for this grading and seeding. It was necessary to award a contract immediately in order to take advantage of the weather and the fall growing season, and I, therefore, authorized this as an emergency.

Eight contractors were invited to bid on drawings and specifications but due to the fact that this is the height of the fall planting season and all landscaping contractors are very busy, Mr. Peterson's was the only bid received. Comparison of his bid with other similar work indicates that it is a reasonable figure and is well within the estimates of cost.

Funds are available for this contract in the appropriation for construction of an extension of Goodwin Avenue.

I request confirmation of this action.

On motion of Mr. Grange, the action of the President was confirmed and the contract was authorized.

PREVAILING RATE OF PER DIEM WAGES APPLICABLE TO CONTRACTS

On motion of Mr. Nickell, wages to be paid all laborers, workmen, and mechanics employed by contractors and subcontractors in the execution of contracts for remodeling in the Noyes Laboratory, the installation of an elevator in the Engineering Research Laboratory, plastering, extension of campus lighting facilities, and landscaping areas of new construction, as awarded above, shall be not less than the rates specified in the following schedules:

CONTRACTS FOR DEMOLITION OF BUILDINGS IN MEDICAL CENTER DISTRICT, CHICAGO

(23) The Director of the Physical Plant and the Comptroller recommend award of contracts to:

Loeb Wrecking and Lumber Company, Chicago — For demolition of buildings at 1748-50-52-54-56-58 West Taylor Street and 929-937 South Wood Street.$3 900

Speedway Wrecking Company, Chicago — For demolition of buildings at 824, 914, 920, and 924 South Hermitage Avenue. 3 360

Both are the lowest bidders.

These are old vacant buildings and must be razed to clear the site of the new East Dentistry-Medicine-Pharmacy Building.

Funds are available in the state appropriation for the construction of this building.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts.

On motion of Mr. Johnston, this contract was authorized. The wages
to be paid all laborers, workmen, and mechanics employed by the contractors and subcontractors in the execution of these two contracts shall be not less than the prevailing rate of wages specified in the following schedule:

**CONTRACT FOR PURCHASE OF COAL FOR CHICAGO HEATING PLANT**

(24) Bids have been taken for the purchase of 18,000 tons of coal screenings to be delivered to the new University of Illinois operated heating plant, 1717 West Taylor Street, Chicago, as required during the period from September 1, 1951, to June 30, 1952.

The Business Manager of the Chicago Departments, the Director of the Physical Plant, and the Comptroller recommend award of a contract to the Silver Creek Coal Company, Chicago, the lowest bidder, for 114" coal screenings to be furnished from their mine at a cost of $4.25 f.o.b. mine, freight $.72 (net of federal tax), plus $1.01 handling and delivery; total estimated cost, $107,640. This price is based on the present wage scale and is subject to increase or decrease in the event that wage contracts now in effect are changed. Any such change will affect the price to the extent that production costs are increased or decreased by the new contracts. The University retains the right of approval of any increase in price.

The lowest bid is determined by the number of British Thermal Units for one cent based on guaranteed analyses. A continuous check is provided to insure compliance with specifications.

The contract is subject to approval by the Governor.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Grange, this contract was authorized.

QUARTERLY REPORT OF THE COMPTROLLER

(27) The Comptroller presents his quarterly report to the Board as of June 30, 1951.

This report was received for record and a copy has been filed with the Secretary of the Board.

GIFT OF GEORGE R. CARR

(28) Mr. George R. Carr of the Class of 1901 has offered the University of Illinois a collection of about 2,000 items on the history of Chicago and early railroad history, including also material and numerous autographed letters of famous personalities relating to Abraham Lincoln and the Civil War. The Acquisition Department of the University Library estimates this collection has a value of $10,000. Mr. Carr has indicated his intention of supplementing this gift with similar items later.

I have accepted this offer on behalf of the University and I am pleased to report it to the Board for official record.

This report was received for record.

GIFT OF MERCK AND COMPANY, INC. TO ESTABLISH KARL FOLKERS LECTURE SERIES IN CHEMISTRY

(29) Merck and Company, Inc., Rahway, New Jersey, has given the University $12,500 to establish for a period of years the "Karl Folkers Lecture Series in Chemistry." The principal and income of this grant is to be expended over a period of not less than fifteen years for annual lectures if feasible (although they may be omitted for a year or two to accumulate funds for special lectures) primarily in the fields of organic chemistry and biochemistry but without excluding other fields. A similar grant has been offered to the University of Wisconsin.

On the recommendation of the Head of the Department of Chemistry, I have accepted this grant and have expressed to the Chairman of the Board of Merck and Company the appreciation of the University.

This report was received for record.

REPORT OF GIFTS AND GRANTS RECEIVED BY THE UNIVERSITY

50. Shell Fellowship Committee, New York, New York, $3,000 for the renewal of fellowships in chemical engineering ($1,500) and geology ($1,500) for the academic year 1951-1952.
51. Illinois Chapter of Sigma Xi, Urbana, $500 for a fellowship in the Graduate College for the academic year 1951-1952.
52. Socony-Vacuum Laboratories, New York, New York, $2,000 for the renewal of a fellowship in chemistry for the academic year 1951-1952.
53. Standard Oil Company of California, San Francisco, $1,250 for the renewal of a fellowship in chemistry for the academic year 1951-1952.
54. Standard Oil Company of Ohio, Cleveland, Ohio, $2,100 for a fellowship in chemistry and chemical engineering for the academic year 1951-1952.
56. Tau Chapter of Zeta Phi Eta, $350 for a fellowship in the Department of Speech for the academic year 1951-1952.
57. Titanium Alloy Manufacturing Division, National Lead Company, Niagara Falls, New York, $2,000 for the renewal of a fellowship in ceramic engineering for the academic year 1950-1951.
58. The Upjohn Company, Kalamazoo, Michigan:
   a. $1,705.20 for the renewal of a fellowship for study of enzyme systems in adrenal glands for the period from July 1, 1951, to August 31, 1952.
   b. $4,060 for the renewal of a postdoctorate fellowship in chemistry for study of enzyme systems in adrenal glands, under the supervision of Dr. Carl S. Vestling, for the academic year 1951-1952.
59. Velsicol Corporation, Chicago, $2,500 for the renewal of a fellowship in zoology for the academic year 1951-1952.
60. Victor Chemical Works, Chicago, $1,500 for the renewal of a fellowship in chemistry for the academic year 1951-1952.

62. Westinghouse Educational Foundation, Pittsburgh, Pennsylvania, $1,000 for the renewal of a fellowship in electrical engineering for the academic year 1951-1952.

63. Mary E. Baker scholarship, supported by the University of Tennessee Library staff, $300 to continue graduate study in the University of Illinois Library School during the academic year 1951-1952.

64. Abbott Laboratories, North Chicago, $250 to supplement research on the objective measurements of side reactions to antihistaminics, under the direction of Professor F. R. Steggerda, Department of Physiology.

65. American Cancer Society, Inc., New York, New York, $16,539.23 for studies on virus growth and on the genetics of virus-host specificity, in the Department of Bacteriology, under the direction of Dr. S. E. Luria, for one year beginning July 1, 1950.

66. American Cyanamid Company, New York, New York:
   a. $600 to the Department of Agronomy to continue a study of the value of rock phosphate as a filler in complete fertilizers.
   b. $250 to the Department of Agronomy for a study of the effect of chemicals on the defoliation of certain plants.

67. Commercial Solvents Corporation, Terre Haute, Indiana, $5,000 for research on the colloidal characteristics of polymeric materials, in the Department of Chemistry, under the direction of Dr. B. R. Ray, for fifteen months beginning November 1, 1950.

68. E. I. Du Pont de Nemours and Company, Wilmington, Delaware, $10,000 in support of fundamental research in chemistry during 1951-1952.

69. Forest Preserve District of Cook County, $10,000 for research on oak wilt disease by the State Natural History Survey.

70. B. F. Goodrich Chemical Company, $400 to support the experimental program of plant disease control being carried out by the Department of Horticulture.

71. Illinois Farm Supply Company, $2,000 to supplement research budgets in the Dairy Science Department and the Swine, Poultry, and Nutrition Divisions of the Animal Science Department ($500 for each).

72. District No. 9 of the International Association of Machinists Union, $4,800 for a survey conducted by the Institute of Labor and Industrial Relations.

73. International Nickel Co., Inc., $1,000 for research in chemistry on the separation of small amounts of cobalt from large amounts of nickel.

74. Midwest Barley Improvement Association, $200 to the Department of Agronomy for research on barley variety-fertilizer tests at Woodstock, Illinois.

75. Mrs. C. Phillip Miller, Chicago, $967.04 to be added to the Simissippi Forest Trust Fund in support of forestry research.

76. Music Research Foundation, Inc., Washington, D.C., $1,840 in support of a research fellowship in psychology known as the Bonfils Fellowship for Music Research.

77. National Oak Wilt Research Committee, $8,000 for research on oak wilt disease by the State Natural History Survey.

78. The Nutrition Foundation, Inc., New York City, $2,500 for research in chemistry on the role of related nutrients in the metabolism of tryptophan and niacin.

79. Ortho Research Foundation, Raritan, N.J., $450 in support of a study on calcium-iron metabolism in the adult man by the Department of Physiology.

80. Research Corporation, New York City, $3,200 in continued support of research on nuclear magnetic phenomena in chemical systems by the Department of Chemistry.

81. Ruder's Valley View Farm, $500 for research on bovine brucellosis immunization.

82. Tennessee Corporation Research Laboratories, College Park, Georgia, $400 in continued support of spray research on copper fungicides by the Department of Horticulture.
83. University of Illinois Foundation, $400 for research on the cytogenetics of corn.
84. United States Public Health Service:
   a. $14,850 to determine the synthesis and maintenance of intracellular enzymes, in the Department of Bacteriology, for one year beginning July 1, 1951.
   b. $1,458 to determine the mechanism of action of gonadotrophic hormones on the ovary, in the Department of Animal Science, for one year beginning March 1, 1951.
   c. $3,155 for an ecological, morphological, physiological comparative study of diphyllobothrium in North America for differentiating species infecting man from these infecting fish-eating birds, in the Department of Zoology, for the period June 1, 1951, through June 30, 1952.
85. Wilson and Company, Chicago, $575 to support a study of per cent utilization of calcium and phosphorus by man from bone phosphate, under the direction of Professor F. R. Steggerda, Department of Physiology.

Total, Funds for Graduate Fellowships, Scholarships, and Research...........................................$156,887.47

C. Gifts of Equipment, Works of Art, and Library Materials
86. Mr. Robert Allerton, Hawaii, portraits for Allerton House.
87. Art Institute of Chicago, sculpture for Robert Allerton Park.
88. Caterpillar Tractor Company, Peoria, Illinois, equipment for the Department of Electrical Engineering ($600).
89. Melvin L. Enger Portrait Fund, $1,421.72 for books for the Engineering Library.
90. Illinois Seed Dealers Association, Inc., $2,500 for a trailer to be used by the Department of Agronomy.
91. O. A. Leutwiler Award Committee, murals in fresco to decorate the walls of the south entrance of the Mechanical Engineering Building in honor of O. A. Leutwiler, Professor of Mechanical Engineering Design, Emeritus, and former head of the Department of Mechanical Engineering.
92. Estate of Cassandra A. Miller, silver three-piece tea service bequeathed by the late Mrs. George A. Miller.
93. North Electric Manufacturing Company, Galion, Ohio, six individual strips containing ten push buttons numbered 0-9 ($300).
95. University of Illinois Foundation, $8,500 for the purchase of band instruments and $5,500 for the purchase of an electron microscope for the Department of Chemistry, and especially for Professor George L. Clark's researches.
96. Western Electric Company, New York, New York, miscellaneous electrical parts to the Department of Electrical Engineering ($100).

Total, Gifts of Equipment, Works of Art, and Library Materials...$210,800.36

For the Chicago Professional Colleges
A. Funds Received from Private Industry, Foundations, Other Organizations and Government Agencies for Research and Graduate Study
98. Abbott Laboratories, North Chicago, Illinois:
   a. $1,000 for research on effect of amines in experimental renal and other experimental hypertensions, in the Department of Physiology, College of Medicine, under the supervision of Dr. George E. Wakerlin, for the period April 1, 1951, to October 1, 1951.
   b. $3,000 for a study on the clinical evaluation of anticonvulsant substances, in the Department of Psychiatry, under the supervision of Dr. F. A. Gibbs, for one year beginning January 1, 1951.
   c. $2,000 for a study of antimalarial drugs in rheumatoid arthritis, in the Department of Medicine, under the supervision of Dr. I. E. Steck, for the period January 1, 1951, through June 30, 1951.
d. $500 for a study of plasma substitutes, in the Department of Surgery, under the supervision of Dr. Warren H. Cole, for one year beginning April 1, 1951.

99. Amurol Products Company, Chicago, $3,500 to continue the physical, chemical, and bacterial study of the dental plaque, in the Department of Applied Materia Medica and Therapeutics, under the direction of Dr. Robert G. Kesel.

100. Bauer and Black, $1,000 for the study of the action and utility of phenoxycetanoic acid as a keratolytic agent, in the Department of Dermatology, under the supervision of Dr. Adolph Rostenberg.

101. Bowman Dairy Company, Chicago, $2,000 for research on mold allergy, in the Department of Bacteriology, College of Medicine, under the supervision of Dr. Ben Z. Rappaport and Dr. Milan V. Novak.

102. Bristol Laboratories, Syracuse, New York, $2,500 for a fellowship in the Department of Biological Chemistry, under the supervision of Dr. S. B. Binkley, for one year beginning April 1, 1951.

103. E. & J. Manufacturing Company, Glendale, California, $2,000 to supplement research on resuscitation, in the Department of Clinical Science, College of Medicine, under the supervision of Dr. A. C. Ivy.

104. Lederle Laboratories, American Cyanamid Company, Pearl River, New York:
   a. $1,800 for research on the effect of aureomycin on experimental cholesterolosis in rabbits, in the Department of Clinical Science, College of Medicine, under the supervision of Dr. A. C. Ivy, for one year beginning February 1, 1951.
   b. $10,000 for work of investigative nature in infectious diseases, preventive medicine, and related fields, in the Department of Preventive Medicine, under the supervision of Dr. Harry F. Dowling, for one year beginning January 1, 1951.

105. Eli Lilly and Company, Indianapolis, Indiana:
   a. $6,330 for research on histamine analogues and antihistamine and atropin-like synthetics on gastric secretion, in the Department of Clinical Science, College of Medicine, under the supervision of Dr. A. C. Ivy, for one year beginning December 11, 1950.
   b. $5,600 for renewal of research on mumps vaccination, in the Department of Bacteriology, College of Medicine, under the supervision of Dr. J. E. Kempf.

106. G. D. Searle and Company, Chicago:
   a. $1,200 for studies of the incidence of colonic dyskinesia and its management with the hydrophilic colloid in patients with peptic ulcer, in the Department of Clinical Medicine.
   b. $3,300 for preliminary study of the antacid compounds, in the Department of Clinical Science, College of Medicine.
   c. $2,000 for continuation of research on evaluation of anti-asthmatic drugs, in the Department of Medicine, under the supervision of Dr. Max Samter.
   d. $7,430 for research on the physiology of bile secretion, in the Department of Clinical Science, College of Medicine, under the supervision of Dr. A. C. Ivy.

107. E. R. Squibb and Sons, New York, New York, $2,400 for an investigation of pronestyl, in the Division of Anesthesia, Department of Surgery, College of Medicine, under the supervision of Dr. Max S. Sadove, for one year beginning February 1, 1951.

108. Swift and Company, Chicago, $8,250 for research on the relation of bile and the intestine to cholesterol metabolism, in the Department of Clinical Science, College of Medicine, under the supervision of Dr. A. C. Ivy.

109. Teagle Foundation, Inc., New York, New York, $24,000 for research on paralysis agitans, in the Department of Psychiatry, under the direction of Dr. Francis J. Gerty.

110. Toni Company, Chicago:
   a. $3,000 for research on bacteriology of seborrheic dermatitis and related dermatoses, in the Departments of Bacteriology and Dermatology, College of Medicine, under the supervision of Dr. M. J. Brunner and Dr. E. E. Vicher.
   b. $1,650 to be added to research on sulfhydryl compounds in cellular respiration, in the Department of Clinical Science, College of Medicine, under the direction of Dr. Leon L. Gershein.
111. Upjohn Company, Kalamazoo, Michigan, $1,000 for research on intra-
venous gelatin, in the Department of Surgery, College of Medicine, under the
supervision of Dr. C. W. Vermeulen.

112. VioBin Corporation, Monticello, Illinois, $7,600 to be added to research
on liver fraction and raw liver powder, in the Department of Clinical Science,
College of Medicine, under the supervision of Dr. A. C. Ivy.

113. Winthrop-Stearns, Inc., $2,400 for screening and investigation of new
anesthetic drugs, in the Division of Anesthesia, Department of Surgery, College
of Medicine, under the supervision of Dr. Max S. Sadove, for one year beginning
March 1, 1951.

114. Arthritis and Rheumatism Foundation, $3,000 for a fellowship in the
Department of Medicine, under the supervision of Dr. R. W. Keeton and Dr.
Irving E. Steck.

115. Borden Company Foundation, New York, New York, $1,500 for under-
graduate scholarship awards in the College of Pharmacy.

116. Lakeland Foundation, Chicago, $7,000 for cancer diagnostic test, in the
Department of Clinical Science, College of Medicine, under the supervision of
Dr. A. C. Ivy, for the period from April 1, 1951, to July 1, 1952.

117. John and Mary R. Markle Foundation, New York, New York, $18,000
for stipends for scholars in medical sciences.

118. Rockefeller Foundation, New York, New York, $24,000 for fundamental
investigations in brain biochemistry, in the Department of Pharmacology, College
of Medicine, under the direction of Dr. J. A. Bain.

119. University of Illinois Foundation, $13,000 for various projects in the
College of Medicine, and $2,800 to continue research in the College of Dentistry,
under the direction of Dr. Robert G. Kesel.

120. American Cancer Society, Inc., New York, New York, $6,048 for con-
tinuation of research on changes in the connective tissue stroma of the cyclic
organs of reproduction as influenced by hormones; integration of parenchymatous
and stroma changes in end organs, in the Department of Pathology, College of
Medicine, under the direction of Dr. H. R. Catchpole, for one year beginning
July 1, 1950.

121. American Heart Association, Inc., New York, New York, $5,250 for a
study of the relation of pituitary and adrenal cortex to experimental renal hyper-
tension, in the Department of Physiology, College of Medicine, under the super-
vision of Dr. G. E. Wakerlin.

122. American Red Cross:
   a. $4,500 for a study of relationship of vitamins and hormones to white blood
cell formation, in the Department of Pediatrics, College of Medicine, under the
supervision of Dr. H. G. Poncher.
   b. $750 for continuation of research on resuscitation, in the Department of
Clinical Science, College of Medicine, under the supervision of Dr. A. C. Ivy.

123. American Society of Heating and Ventilating Engineers, $1,618 for inves-
tigation of the physiological adjustments of human beings to sudden changes
in atmospheric environment, in the Department of Medicine, under the super-
vision of Dr. R. W. Keeton and Dr. Nathaniel Glickman.

124. Asthmatic Children's Aid, $10,000 for studies in histochemistry and
immunology, in the Department of Medicine (Allergy Unit), under the super-
vision of Dr. Ben Z. Rappaport, for one year beginning July 1, 1951.

125. Cerebral Palsy Association of Illinois, Inc., Chicago, $50,000 for re-
search on cerebral palsy, in the Department of Psychiatry, under the supervision
of Dr. F. J. Gerty, for five years.

126. Chatham United Presbyterian Church, in memory of Mrs. Dora Hanson,
$25 to be used in the Tumor Clinic.

127. Illinois Federation of Women's Clubs, $1,700 for the continuation of a
fellowship in the Department of Surgery, College of Medicine, for the Tumor
Clinic in the Research and Educational Hospitals, under the direction of Dr.
D. P. Slaughter, for one year beginning July 1, 1949.

128. Illinois Veterinary Practitioners Association, $25 for the purchase of
journals of veterinary medicine for the Library.

129. Phi Gamma Psi Sorority, in memory of Thomas Meehan, a television
set to the Research and Educational Hospitals.
I. The Women's Auxiliary of the Chicago Colleges, $16,000 (proceeds of a fashion show) to be used for research and scholarships, and $160 to be deposited in the Occupational Therapy Gift Fund.

131. Women of Rotary, $600 in support of the Orthopaedic Surgery Gift Fund for Children.

132. United States Public Health Service:
   a. $4,882 for the investigation of the physiological adjustments of human beings to sudden changes in atmospheric environment, in the Department of Medicine, under the supervision of Dr. R. W. Keeton and Dr. Nathaniel Glickman.
   b. $9,815.02 for a study of odontome (tumor) formation in a known strain of rats (16), in the Department of Histology, College of Dentistry, under the supervision of Dr. Isaac Schour (C-464-C3).
   c. $11,458.47 for a study of effects of betatron X-ray beam on central nervous system, in the Department of Radiology, College of Medicine, under the supervision of Dr. Roger A. Harvey (C-853).
   d. $14,604.15 for a study of effects of betatron electron beam on bone and cartilage, under the supervision of Dr. R. A. Harvey and Dr. G. A. Bennett, for one year beginning July 1, 1950 (C-854-C).
   e. $5,616 for a study of amino acid and protein metabolism in leukemia; individual amino acids in leukemia, in the Department of Pediatrics, College of Medicine, under the supervision of Dr. H. G. Poncher and Dr. H. A. Waisman, for a period of one year beginning January 1, 1951 (C-875-C2).
   f. $3,800 for a study of the chemical and mechanical factors which may alter the normal growth pattern of the gastric mucosa, in the Department of Clinical Science, College of Medicine, under the supervision of Dr. A. C. Ivy and Dr. Rhoda Grant, for a period of one year beginning November 1, 1950 (C-1110-C).
   g. $9,718.60 for establishment of a quantitative method of indexing gingival disease and an index of gingival disease in representative groups in the United States, in the Department of Histology, College of Dentistry, under the supervision of Dr. Isaac Schour (D-11-C4).
   h. $8,809.18 for a study of histopathology of gingiva in systemic disease, in the Department of Histology, College of Medicine, under the supervision of Dr. Isaac Schour (D-15-C3).
   i. $3,932.92 for research on facial growth, in the Department of Oral and Maxillofacial Surgery, College of Dentistry, under the supervision of Dr. B. G. Sarnat, for one year beginning October 31, 1950 (D-26-C).
   j. $540 for research on electromyographic analysis of certain facial muscles, including the muscles of mastication in normal and abnormal conditions in man, in the Department of Physiology, College of Medicine, under the supervision of Dr. Carlos I. Reed, for one year beginning October 1, 1950 (D-111).
   k. $5,728.25 for determination of cardiac output in the human by a capacitance method, in the Department of Physiology, College of Medicine, under the supervision of Dr. William V. Whitehorn, for one year beginning November 1, 1950 (H-205-C).
   l. $8,640 for a study of the role of steroids in edema, in the Department of Medicine, under the supervision of Dr. N. O. Calloway and Dr. R. W. Keeton (H-400-C).
   m. $11,514.82 for a study of relations of cardiac work, efficiency, and coronary flow; relation of cardiac output and serum osmotic pressure to sodium and water excretion, in the Rush-Presbyterian Department of Medicine (H-404-C).
   n. $9,936 for research on chemotherapy of rheumatic fever, in the Department of Pharmacology, College of Medicine, under the direction of Dr. C. C. Pfeiffer (H-400-C).
   o. $10,000 research on arteriosclerosis and hypertension, in the Department of Physiology, College of Medicine, under the supervision of Dr. G. E. Wakerlin (H-428-C).
   p. $8,586 for research on vascular permeability as affected by changes in blood oxygen and carbon dioxide tensions, in the Department of Physiology, College of Medicine, under the supervision of Dr. A. A. Schiller (H-425-C).
   q. $25,000 for a study of pathogenesis and treatment of experimental renal hypertension, neurogenic hypertension, and experimental malignant hypertension, in the Department of Physiology, College of Medicine, under the supervision of Dr. G. E. Wakerlin, for one year beginning September 16, 1950 (H-428-C).
r. $7,819.93 for research on isolation and characterization of cardiac myofibrils, under the supervision of Dr. George M. Hass (H-429—C).
s. $4,433.67 for research on the anatomy and pathology of the auriculoventricular musculature of the human heart, in the Department of Pathology, College of Medicine, under the direction of Mr. Maurice Lev (H-430—C).
t. $4,410.29 for the continuation of a study on attempts to produce right and left ventricular failure in dogs, in the Rush Department of Pathology, under the supervision of Dr. George M. Hass, for one year beginning September 16, 1950 (H-432—C).
u. $7,155 for a study of experimental arteriosclerosis and atherosclerosis in young and old animals, in the Rush Department of Pathology, under the supervision of Dr. George M. Hass (H-452—C).
v. $1,620 for the influence of environmental factors on capillary circulation in normal and diseased subjects (animals and man), in the Department of Pathology, College of Medicine, under the supervision of Dr. A. J. Nedzel, for one year beginning January 1, 1951 (H-453—C).
w. $9,450 for a study of dialyzability of substances involved in syndromes of hepatic coma, postoperative hepatoportal syndrome, eclampsia, and other intoxications by modified kolff technique; biological and chemical characterization of dialysate, in the Rush Department of Medicine, under the supervision of Dr. S. H. Armstrong (H-844—R).
x. $540 for research on changes in cardiac output and circulation following partial occlusion of the inferior vena cava, in the Department of Physiology, College of Medicine, under the supervision of Dr. R. C. Ingraham, for one year beginning July 15, 1950 (H-941).
y. $10,903.93 for a study of the neurophysiological basis of epilepsy, in the Department of Psychiatry, College of Medicine, under the supervision of Dr. F. A. Gibbs (MH-148—C3).
z. $6,502.10 for analysis of psychological data on schizophrenia, in the Department of Psychology, College of Medicine, under the supervision of Dr. David Shakow, for one year beginning April 1, 1950 (MH-148—C1).
  a. $540 for the purchase of supplies and equipment for Robert Doty, a postdoctorate research fellow, for one year beginning September 2, 1950 (MH-413).
  b. $540 for postdoctorate research, in the Department of Psychiatry, College of Medicine, under the supervision of Dr. W. S. McCulloch, for one year beginning December 20, 1950 (MH-431).
cc. $10,000 for research on the construction of enterogastrone, in the Department of Clinical Science, College of Medicine, for one year beginning September 1, 1949 (RG-1614).
  dd. $10,000 for the concentration of enterogastrone, in the Department of Clinical Science, College of Medicine, under the supervision of Dr. A. C. Ivy, for one year beginning September 1, 1950 (RG-1614—C2).
  ee. $1,912.95 for continuation of a study on the effect of vagotomy and isolation of the pyloric antrum on the Mann-Williamson ulcer, in the Department of Surgery, College of Medicine, under the supervision of Dr. Warren H. Cole (RG-1639—C).
  ff. $14,206 for research on renal glomeruli—their antigenic and chemical qualities, in the Department of Pathology, College of Medicine, under the supervision of Dr. C. A. Krakower, for one year beginning September 1, 1951.
  gg. $16,293.35 for continuation of a training grant in clinical psychology, in the Department of Psychiatry, College of Medicine, under the supervision of Dr. David Shakow, for one year beginning July 1, 1950 (2M-5083—C3).

Total, Funds Received from Private Industry, Foundations, Other Organizations and Government Agencies for Research and Graduate Study ..........................$519,795.53

B. Funds Received from Individuals

  a. An Anonymous Alumnus, $150 to be added to the Patrick and Bertha Mooney Memorial Scholarship Fund.

  b. Anonymous:
    a. $50 for the improvement of teaching methods in the Department of Anatomy, under the direction of Dr. Otto F. Kampmeier.
b. $75 to the Travel Fund of the Department of Pediatrics, College of Medicine.
c. $100 to the Chandler Research Fund, in the Department of Orthopaedic Surgery, College of Medicine.
d. $212.69 to the Clinical Science Gift Fund.
e. $65 to be added to the Pediatrics Gift Fund, under the supervision of Dr. H. G. Poncher.

135. Dr. Boris Berkman, $2,000 for evaluation of milkweed floss as an ear defender, in the Department of Otolaryngology, College of Medicine, under the supervision of Dr. Francis L. Lederer.

136. Mrs. Sophie Duha, $50 to be added to the Anonymous Psychiatry Gift Fund, under the direction of Dr. F. J. Gerty.

137. Miss Dolly Kay, $300 for the purchase of ACTH.

138. Dr. John A. Lowe, Mobridge, South Dakota, $100 to be added to the Pediatrics Gift Fund.

139. Dr. Francis L. Lederer, $260 to Miscellaneous Otolaryngology Fund — Lederer.

140. Dr. Leo F. Miller, $50 to be added to Orthopaedic Research — Dr. Miller (this fund is used for awards to junior medical students).

141. Mr. George F. Mueller, representing the Employees of Fansteel Metallurgical Corporation, $55, in memory of Mrs. Evelyn Fathauer, to be added to Miscellaneous Gift — Cancer Research, under the direction of Dr. D. P. Slaughter.

142. Dr. R. K. Packard, $500 to be added to the Upjohn Company’s research project on gelatin sponge in surgery, in the Department of Surgery, College of Medicine, under the supervision of Dr. Warren H. Cole.

143. Dr. H. G. Poncher, $102 to be added to the Pediatrics Travel Fund.

145. Mr. John W. Ruettinger, Chicago, $3,600 to continue the Phyllis Pierce Ruettinger Memorial Fellowship for Research in Nephritis, in the Department of Pathology, College of Medicine, under Dr. G. A. Bennett.

146. Various donors (staff and alumni listed below), $1,440 to the Travel Fund for Residents in the Department of Orthopaedic Surgery, College of Medicine: Dr. P. H. Dube, $100; Dr. Kurt L. Eichelbaum, $50; Dr. J. D. Farrington, $100; Dr. Charles T. Flynn, Jr., $25; Dr. T. A. Fox, $50; Dr. L. F. Miller, $50; Dr. F. G. Murphy, $50; Mr. Louis Pelzmann, $15; Dr. H. B. Thomas, $500; Dr. H. E. Turner, $500; Dr. William H. Wright, $100.

Total, Fund Received from Individuals...........................................$10,396.69

C. Gifts of Equipment or of Funds for the Same

147. Dr. and Mrs. Donald Nix, a 54" Simmons juvenile crib and mattress to the Orthopaedic Department.

Total Gifts of Equipment or of Funds for the Same...............$200.00

Total, Chicago Professional Colleges....................................$530,305.22

**CONTRACT FOR FILM RENTALS**

(31) The Dean of the Division of University Extension recommends the award of lease-purchase contracts with three producers of educational films for periods of three or four consecutive years, at the end of which time the University will acquire full ownership of the prints. Contracts are recommended as follows:

**Coronet Films:** 118% reels, rental of $2,453.25 for each of three years

**Encyclopaedia Britannica:** 114 reels, rental of $2,238.74 for each of four years

**Young America Films:** 56% reels, rental of $884.50 for each of three years

Funds for the payment of the rental will come from income derived from the rental of the films to Illinois schools.

The Comptroller recommends that the contracts be approved.
I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts.

On motion of Mr. Nickell, these contracts were authorized.

FEES FOR SHORT COURSES IN AGRICULTURE

The College of Agriculture will offer twelve eight-week short courses to qualified students who are eighteen years of age or over and are high school graduates with farm experience. This program will be separate from the regular curricular offerings of the College. Each course will be taught for five hours per week. No credit will be given, but students completing the schedule will receive certificates from the College.

It is proposed that fees comparable with those assessed for the summer session (which is an eight-week program) be charged as follows:

- **Tuition**
  - Residents of Illinois: $20.00
  - Nonresidents of Illinois: 75.00
- **Laboratory, library, and supply fee**: 4.00
- **Illini Union service charge**: 3.50
- **Hospital and medical service fee**: 2.50

The Committee on Fees and Scholarships recommends approval and I concur.

On motion of Mrs. Holt, these fees were authorized as recommended.

At this point, Mr. Megran took his place with the Board.

SCHOLARSHIPS IN LAW

Mr. Johnston, for the Committee on General Policy, submitted the following report:

Mr. Park Livingston, President
University of Illinois Board of Trustees
Urbana, Illinois.

DEAR MR. PRESIDENT:

At the last meeting of the Board of Trustees in Urbana on July 25 there was referred to the Committee on General Policy for its consideration the proposal submitted by the dean of the College of Law that there be established annually ten scholarships at $250 each plus exemption from tuition.

There are two significant phases of this proposal prevailing which have been considered by the policy committee:

1. Has the Board of Trustees the legal power to establish the requested scholarships and the legal right to pay cash stipends with University funds.
2. Considering the relationship of other departments of the University, can the Board of Trustees justify an affirmative decision of the Law College's proposal.

Quite an extensive opinion has been rendered by the legal counsel of the University on the power of the Board of Trustees to establish such scholarships using state funds for this purpose, the conclusions of which are concurred in by the policy committee. They are:

(A) There appears to be sufficient statutory recognition of the right and power of the Board of Trustees to establish the proposed scholarships.
(B) The proposed scholarships, if established and awarded, will not contravene constitutional prohibitions against using public money for private purposes and granting special and exclusive privileges and immunities by special law.
(C) Funds are available under the present appropriation act out of which the payments contemplated by these scholarships can be made.

In fairness the committee wants to state, however, that none of these conclusions are entirely free from doubt, as it is always possible that a different view could be taken with respect to any one or more of them. However, it is obvious that the similar scholarships which are being maintained and have been granted for decades by the Graduate College stand upon virtually the same basis with respect to those questions, and some of the considerations which render their
validity doubtful are also possibly applicable to many of the other scholarships which are being maintained in various departments and colleges of the University and which have been awarded for many years. The legal counsel therefore concludes, and rightfully so in the opinion of the committee, that the fact that no challenge has been made of the legality of any of these scholarships affords considerable assurance that those proposed in the College of Law will not be subjected to challenge in the courts as well as some evidence tending to establish their legality. Summarizing briefly, it is the conclusion of your committee that if we approve the proposal of the dean of the College of Law and concurred in by the President, there is a reasonable assurance of the legality on the part of the Board to award such scholarships.

Dealing now with the principle and policy in the establishment of these ten annual scholarships in the College of Law, your committee points out 1) that there are already numerous scholarships in the various colleges, excluding the College of Law, and therefore the Board should approve the recommendation of the dean of the College of Law and the President. It is the view of the committee that this would not create a discrimination and neither would it set a precedent. 2) There seems to be, as developed by the review of this subject by your committee, a condition now prevailing in our College of Law that justifies more than a passing consideration of this proposal. The dean of the College of Law has well pointed out that there is a definite competition between our College of Law and those of Harvard, Yale, Columbia and Michigan, and those schools are draining the Mid-West area served by our college because of inducements offered to students in the nature of substantial scholarships. There can be no denying the fact that the principal mark of a good professional school is a good student body, and if our College of Law continues to be handicapped by its disability to meet the competition of colleges of law such as those mentioned, we think it can be recognized that instead of growing in stature the University of Illinois College of Law will remain at a standstill or deteriorate. The Board of Trustees, in the opinion of your committee, cannot afford to permit the area which we serve to become depleted of outstanding material for our College of Law because of the programs pursued by other schools.

The establishment of these ten annual scholarships in the College of Law might well lead to similar proposals on the part of deans of other colleges, and your committee has considered this possibility and its result on the finances of the University. The answer appears obvious. The College of Law is now confronted with a problem which is affecting the future. This, so far as your committee can determine, does not exist in other colleges at the present time. When and as such condition does arise in other colleges, it is our view that we will then have to approach it from the standpoint of what is good for that particular college and in no-wise relate the present situation to what may later prevail in other colleges. We very definitely feel there is a need for these ten scholarships in the College of Law at this time if this college is to be placed in a proper position to meet competition from other law colleges; further that due to the fact there are many presently available scholarships to practically all students in other colleges, we do not feel there is any discrimination by the establishment of these scholarships.

In conclusion, it is the recommendation of the policy committee, in view of the opinion rendered by legal counsel and for the reasons stated from a general policy position, that the Board approve the recommendation of the dean of the College of Law and President that these ten annual scholarships be established.

ROBERT Z. HICKMAN
HERBERT B. MEGRAH
WAYNE A. JOHNSTON, Chairman

On motion of Mrs. Watkins, the recommendations of the Committee were adopted and the Board authorized the establishment of ten scholarships to be awarded annually in the College of Law according to the plan and under the conditions recommended to the Board on July 25, 1951 (Minutes, page 843); Mrs. Holt and Mr. Nickell voted "no."
TELEVISION POLICY

Mr. Fornof asked that consideration be given by the Board to establishing a long range, comprehensive policy for the development of television facilities by the University and the telecasting of educational programs. President Stoddard reported informally on what the University's Division of Communications has done in a preliminary way. President Livingston and other members of the Board commented on this matter.

President Livingston also presented a letter, dated September 18, 1951, from Mr. J. A. McDermott, Executive Vice-President of The Champaign News-Gazette, Inc., stating that his corporation has presented briefs and data to the Federal Communications Commission seeking permission to construct and to operate a commercial television station in the Champaign-Urbana area, and offering its facilities to the University of Illinois for the telecasting of worth-while educational programs without charge. Copies of this letter were distributed to the members of the Board.

Following extended discussion, President Livingston, with the concurrence of the Board, appointed Messrs. Fornof, Herrick, and Johnston to serve with him as chairman as a special Committee on Television to study all phases of this matter and to make recommendations to the Board. Mr. Nickell suggested that when this Committee submits a report, action on it be deferred for one month to give the other members of the Board sufficient time for study of the report.

GEORGE A. MILLER BEQUEST

Mr. Herrick reported that Mr. Marshall E. Miller, Attorney, Champaign, representing Mrs. Sarah Grimm, sister of the late Professor George A. Miller, had called on him to ask that the Board of Trustees make some financial provision for Mrs. Grimm from the proceeds of Professor Miller's estate bequeathed to the University of Illinois.

This request was referred to the Finance Committee for consideration.

PURCHASE OF PROPERTY AT 1114 WEST ILLINOIS STREET, URBANA

Mrs. Holt and Comptroller Morey presented an inquiry received from Mr. Chancy L. Finfrock, Attorney, Urbana, as to the interest of the Board of Trustees in the purchase of the property at 1114 West Illinois Street, Urbana.

The Comptroller reported that this was considered a few weeks ago and no recommendation was made because of (a) excessive asking price, (b) lack of funds, and (c) no immediate need for the property. He agreed to see that the proposal is again reviewed.

OCTOBER MEETING

President Livingston requested members of the Board to state their preferences as to the date of the next meeting. It was agreed to hold it on October 23, 1951, beginning at 10:00 a.m., in the La Salle Hotel, Chicago, Illinois.

On motion of Mr. Johnston, the Board adjourned.

A. J. JANATA
Secretary

PARK LIVINGSTON
President
The October meeting of the Board of Trustees of the University of Illinois was held in the LaSalle Hotel, Chicago, Illinois, on Tuesday, October 23, 1951, beginning at 10:00 a.m.

The following members of the Board were present: President Livingston, Mr. Fornof, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Megran, and Mrs. Watkins; Mr. Nickell took his place with the Board later.

Also present were President George D. Stoddard, Provost Coleman R. Griffith, Vice-President A. C. Ivy, Mr. C. Lincoln Williston, Manager of Public Information in the Chicago Professional Colleges, Mr. Lloyd Morey, Comptroller, Mr. C. W. Weldon, Treasurer, and Mr. A. J. Janata, Secretary of the Board.
BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY
The Board considered the following recommendations and reports presented by President Stoddard.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(1) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

I concur.

On motion of Mr. Grange, these certificates were awarded.

APPOINTMENTS TO THE FACULTY

(2) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. Fred Edward Fiedler, Research Assistant Professor of Education, Graduate College, beginning October 1, 1951, at an annual salary of $5,800 (DY).

2. Murray Franklin, Assistant Professor of Medicine, beginning September 1, 1951, at an annual salary of $7,500 (BY).

3. William P. McClure, Associate Professor of Education (AY), to be Acting Director of the Bureau of Research and Service for one year from September 1, 1951, at a salary of $9,000, an increase of $945 over his salary as Associate Professor as additional compensation for administrative duties.

The Director of Nonacademic Personnel reports the following appointments to supervisory positions of upper level responsibility:

1. Wilmer David Binkley, Placement Officer in the Office of Nonacademic Personnel, Chicago, beginning September 25, 1951, at an annual salary of $3,300.

2. John C. Coates, Greenhouse Supervisor, Department of Botany, beginning September 1, 1951, at an annual salary of $3,600.

3. Harry G. Higgen, Jr., Assistant Administrator, Research and Educational Hospitals, Chicago, beginning September 24, 1951, at an annual salary of $7,200.

On motion of Mr. Johnston, these appointments were confirmed.

APPOINTMENT TO BOARD OF EXAMINERS IN ACCOUNTANCY

(3) The faculty Committee on Accountancy recommends the appointment of Mr. James A. Velde of the firm of Gardner, Carton, and Douglas, Chicago, as the law member of the Board of Examiners in Accountancy for a term of three years beginning July 1, 1951, replacing Mr. Albert E. Jenner, Jr., whose term has expired.

I concur.

On motion of Mr. Herrick, this appointment was approved.
APPOINTMENT TO ADVISORY COMMITTEE OF THE
COLLEGE OF PHARMACY

(4) The Dean of the College of Pharmacy recommends the following appoint-
ments to the Advisory Committee of that College:

PAUL S. SANG, Vice-President of Humiston-Keeling and Company, wholesale
druggists, Chicago, for five years (July 1, 1951, through June 30, 1956) as
replacement for Mr. Thomas G. Crawford whose term has expired.

HARRY E. LEVIN, President of the Illinois Pharmaceutical Association, to serve
during his term as President of that organization; this is an ex officio ap-
pointment.

I concur.

On motion of Mrs. Watkins, these appointments were approved.

ADMISSION TO THE COLLEGE OF MEDICINE

(5) The Committee on Admissions to the College of Medicine has recom-
mended adoption of the following statement of policy governing admission of
students to that College.

In determining the priority of admission of an applicant to the Chicago
Professional Colleges the Committees on Admission shall take into account the
nature and apparent permanency of his residence in this state, the residence of
his parents, and all other factors which are relevant in making the facilities of
the Chicago Professional Colleges available first to the young men and women
of Illinois.

I concur.

On motion of Mr. Herrick, this recommendation was approved.

DEGREES IN VOCATIONAL AGRICULTURE

(6) On June 30, 1945, the Board of Trustees authorized the degrees of Bachelor
of Science in Vocational Agriculture and of Master of Science in Vocational
Agriculture. The Council on Teacher Education, the College of Agriculture, and
the Provost recommend that the names of these degrees be changed to Bachelor
of Science in Agriculture and Master of Science in Agricultural Education.

I concur.

On motion of Mrs. Holt, this recommendation was approved.

DISCONTINUANCE OF CURRICULUM LEADING TO DEGREE OF
BACHELOR OF SCIENCE IN LIBRARY SCIENCE

(7) The faculty of the Library School and the University Senate recommend
 discontinuance of the curriculum leading to the degree of Bachelor of Science
in Library Science.

The curriculum in library science is now at the graduate level leading to the
degree of Master of Science and Doctor of Philosophy. The majority of stu-
dents intending to do graduate work in library science prefer completing their
undergraduate work in the College of Liberal Arts and Sciences or the College
of Education, taking the necessary undergraduate courses in library science as
electives. Students already enrolled in the curriculum leading to the degree of
Bachelor of Science in Library Science will be permitted to finish, but when
this curriculum is discontinued, no new students will be admitted to it.

This proposal will not discontinue any courses of instruction in library
science.

I concur.

On motion of Mr. Fornof, this recommendation was approved.

AMENDMENT OF UNIVERSITY STATUTES

APPROVAL OF UNIVERSITY CONTRACTS

(8) Article 52, Paragraph (b) of the University Statutes reads as follows: "All
contracts prior to the execution thereof shall be approved as to legal form and
validity by the University Counsel; such approval to be endorsed in writing on
the contract."
There are many types of contracts in which a standard form is used, in which is inserted (a) a description of the project, (b) the amount involved, and (c) the term. Examples of such contracts are (a) research contracts with both public agencies and private parties, (b) training contracts for government trainees, veterans, and others. In many instances, also, there are renewals or extensions of these contracts which provide only for an added period of time and an added payment of money, the other conditions remaining the same.

Under the present rules the Legal Counsel is charged with the necessity of examining and endorsing each of these individual contracts, as well as each extension or renewal thereof, even though the form used is a standard one previously approved by him and the contract contains no other different provisions.

To reduce the detail involved in, and obviate the delay necessarily caused by, this operation, the Legal Counsel recommends that Article 52, Paragraph (b) be revised to read as follows (new language is shown in italics): "All contracts prior to the execution thereof shall be approved as to legal form and validity by the Legal Counsel, such approval to be endorsed in writing on the contract, provided that such approval and endorsement will not be required with respect to individual contracts or extensions or renewals thereof of which has been previously approved by the Legal Counsel and which contain no substantive changes or additions, other than those pertaining solely to the description of the project, the amount involved, and the term of the contract or extension."

The University Statutes refer to this office as "University Counsel," but the Board in appointing the present Counsel designated his title as Legal Counsel. This minor correction also is needed and is incorporated in the foregoing revision.

The Comptroller concurs in this recommendation.

I concur and request approval.
