Therefore, Be It, and It Is Herby Further Resolved, Found, and Declared by this Board of Trustees of The Board of Trustees of the University of Illinois that because of said need of the University of Illinois for said land for the purposes hereinabove set forth and because the compensation to be paid to the owners thereof for such land can not be agreed upon between them and this Board of Trustees, it is necessary for The Board of Trustees of the University of Illinois to take said land and acquire title thereto through the exercise by it of the right of eminent domain conferred upon it by law and to have the compensation to be paid by it to the owners thereof and any and all other persons who may have any right, title or interest in and to said land determined in the manner provided by law for the exercise of said right and power of eminent domain; and

Be It, and It Is Herby Further Resolved by this Board of Trustees of The Board of Trustees of the University of Illinois that the necessary and appropriate action be taken for the acquisition of title to said property by said The Board of Trustees of the University of Illinois and to have the compensation to be paid therefor determined by the institution and prosecution to completion of a proceeding in eminent domain in a court of competent jurisdiction and that the Legal Counsel of the University be, and he is hereby, authorized to proceed accordingly, to institute and prosecute an eminent domain proceeding in the name and on behalf of The Board of Trustees of the University of Illinois for the acquisition of said land and the determination of the compensation to be paid by it therefor, and to employ such special legal counsel, appraisers, and others as he may deem necessary or desirable to assist him in the institution and prosecution of said proceeding.

On motion of Mr. Johnston, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Kerner, Mr. Page, Mr. Williamson.
PURCHASE OF PROPERTY AT 1301 WEST STOUGHTON STREET, URBANA, ILLINOIS

(3) Director Havens reported that University representatives contemplate further negotiations for the acquisition of this property through purchase, rather than through condemnation proceedings as authorized by the Board, and requested instructions.

On motion of Mr. Johnston, the purchase of this property, at a price not to exceed $32,500, was authorized with the understanding that if the negotiations are successful and the property is purchased for this price, the condemnation proceedings will not be instituted. This action was taken by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Kerner, Mr. Page, Mr. Williamson.

RECOMMENDATIONS OF THE UNIVERSITY PATENT COMMITTEE

(4) The University Patent Committee submits, with the concurrence of the Chairman of the University Research Board, a series of recommendations relating to inventions.

That the rights of the University in the following inventions be released to the University of Illinois Foundation for further study, development, and possible patent application, subject to any rights that the United States government may have in each particular case:

1. Series-fed logarithmically-periodic folded dipole antenna — Keith G. Balmain, Research Assistant in Electrical Engineering, inventor; developed without the use of government funds. This is an antenna capable of covering a very wide range of frequencies with uniform characteristics. The novel feature of the invention is the use of folded dipole antenna elements connected in series with the wire (or wires) of a feeder.

2. Transit automatic fare system — Michael Blurton, Research Assistant in the Bureau of Economic and Business Research, inventor; developed without the use of government funds. This is a system of automatic passenger-operated fare collection and statistical data recording for bus transit, rail transit, or commuter railroad use.

3. Electrostatic impact probe for measurement of the mass flow of solid particles in a gas-solid suspension — Robert C. Dimick, Research Assistant in Mechanical and Industrial Engineering, inventor; developed with the use of funds from a subcontract with the Project SQUID, Prime Contract No. Nonr-3023 (S-6) with the United States Navy. This invention consists of a probe for measuring the mass flow of solid particles suspended and transported by gas flow in a pipe or duct. Other uses for this probe would be to monitor the mass flow in the pneumatic transport of powdered coal or powdered materials used in manufacturing processes and to determine how well antistatic protection measures were working in the transport of explosive air-powdered grain mixtures in flour and feed mills.

4. Log-periodic cavity-slot antenna — Paul E. Mayes, Associate Professor of Electrical Engineering, and V. A. Mikenas, Research Assistant in Electrical Engineering, inventors; developed with the use of funds from the United States Air Force, Contract No. AF 33(657)-10474. This invention was designed to meet the need for broadband antennas which do not protrude above a large conducting surface, for use in high-speed aircraft and missiles and for some applications on the earth's surface.

5. Reduced-length dipole and monopole antennas and antenna arrays — Paul E. Mayes, Associate Professor of Electrical Engineering, and David T. Stephenson, Research Assistant in Electrical Engineering, inventors; developed with the use of funds from the United States Navy, Contract No. N123(953)30508A. This invention relates to a method of reducing the length of dipole and monopole antennas and, thereby, also reducing the size of certain antenna arrays which use dipole or monopole elements.
6. Log-periodic series-type folded dipole array — Raj Mittra, Associate Professor of Electrical Engineering, and Marvin L. Wahl, Research Assistant in Electrical Engineering, inventors; developed with the use of funds from the United Air Force, Contract No. AF 33(657)-10474. It has been considered desirable to design a free-space model of a wideband antenna which has an impedance in the neighborhood of 300 ohms, such that it could be matched directly to a standard 300 ohm line. A possible solution to this problem is the series loading of elements on the transmission line which, in effect, raises the input impedance of the antenna to a value larger than the characteristic impedance of the feed line itself.

7. Letter rack antenna — Raj Mittra, Associate Professor of Electrical Engineering, and Marvin L. Wahl, Research Assistant in Electrical Engineering, inventors; developed with the use of funds from the United States Air Force, Contract No. AF 33(657)-10474. The antenna is a composite system consisting of a trough structure, which is coupled to another system made up of a series of loops, series loading an unbalanced transmission level. The heart of the present design is the coupling of the two systems, and the resulting antenna is considered to be a new device. Its important features are (a) flush mounting in aircraft bodies or flush with the ground, and (b) very broadband design (log-periodic).

That the rights of the University in the following inventions be released to the sponsoring agencies, since the possibility of commercial value is remote:

8. Automatic area compensator of constant stress cycling — C. E. Feltner, Research Associate in Theoretical and Applied Mechanics, and J. A. Jackobs, Engineering Assistant in Theoretical and Applied Mechanics, inventors; developed under research sponsored by the United States Air Force, Contract No. AF 33(657)-8177. This invention is highly specialized and will probably be rarely used except in situations such as were encountered in carrying out the contract research.

9. Electro-optical modulation of radiation pattern, photo-electric devices, and electro-optical method of light modulation — Gabor K. Ujhelyi, Research Assistant in the Digital Computer Laboratory, and Sergio T. Ribeiro, Research Associate in the Digital Computer Laboratory, inventors; developed under research sponsored by the United States Navy, Contract No. Nonr-1834(15). These inventions are in the area of lasers, in which the Government is very interested at the present time. The Navy is eager that applications be filed for patents; however, it is the opinion of the Director of the research and of the Committee that neither the University nor the Foundation should undertake the development of these devices at this time.

That the rights of the University in the following inventions be released to the inventor or inventors, since the possibility of commercial value is remote and since the United States government is not involved:

10. Short method for blood glucose determination — Clarence A. Johnson, Sophie J. Presley, Jerome T. Paul, and Eugene J. Ranke, all from the Departments of Medicine and Biological Chemistry of the University at the Medical Center, inventors. The purpose of this study is to present a rapid, simple, and reliable colorimetric method for the determination of blood glucose, that may be used with or without the spectrophotometer; it represents a modification of the fluoran reaction.

11. Improved magnesium aluminate refractory compositions — Tracy A. Willmore, Research Associate Professor of Ceramic Engineering, and Alfred W. Allen, Professor of Ceramic Engineering, inventors; developed under research supported by the Amsted Research Laboratory. This invention relates to the improvement of the high temperature properties (transverse strength, in particular) of refractory materials fabricated from magnesium aluminate. The Head of the Department of Ceramic Engineering states that it appears that only the sponsor could receive the principal commercial benefits, if any arise. I concur.
On motion of Mr. Swain, these recommendations were approved.

On motion of Mr. Swain, the Board adjourned.

A. J. Janata  Howard W. Clement
Secretary       President

Following adjournment of the Board, the Committee on General Policy and Committee on Buildings and Grounds met for work sessions.
The April meeting of the Board of Trustees of the University of Illinois was held in the administrative offices of the Chicago Undergraduate Division at Navy Pier, Chicago, Illinois, on Wednesday, April 15, 1964, beginning at 10:30 a.m.

The following members of the Board were present: Mr. Howard W. Clement, Mr. Irving Dilliard, Mr. Theodore A. Jones, Mr. Harold Pogue, Mr. Timothy W. Swain, Mrs. Frances B. Watkins, Mr. Kenney E. Williamson, Mr. Earl M. Hughes, Mr. Wayne A. Johnston, Mr. Ray Page, and Governor Otto Kerner were absent.

Also present were President David D. Henry, Executive Vice-President and Provost Lyle H. Lanier, Vice-President Norman A. Parker, Chicago Undergraduate Division, Vice-President Joseph S. Begando, University of Illinois at the Medical Center, Chicago, Director C. S. Havens of the Physical Plant, Mr. C. E. Flynn, Assistant to the President and Director of Public Information, Mr. James J. Costello, Legal Counsel, Mr. Harold N. Cooley, Assistant Administrative Dean in the Vice-President's Office, Chicago Undergraduate Division, Mr. Donald C. Neville, Assistant to the Director of the Physical Plant; and the officers of the Board, Mr. R. R. Manchester, Treasurer, Mr. H. O. Farber, Comptroller, and Mr. A. J. Janata, Secretary.
MINUTES APPROVED

The Secretary presented the minutes of the meetings of the Board of Trustees on July 2 and August 1, 1963, press proof copies of which have previously been sent to the Board. On motion of Mr. Swain, these minutes were approved as printed on pages 677 to 743, inclusive.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board took up consideration of the following reports and recommendations from the President of the University.

PRESIDENT'S REPORT

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(1) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, as amended, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

On motion of Mr. Williamson, these certificates were awarded.

HONORARY DEGREE

(2) The Urbana-Champaign Senate has recommended the conferring of the honorary degree of Doctor of Music on Marian Anderson, concert and opera singer.

During the season of 1964-65, Miss Anderson will make her farewell appearances as a performing artist. Since her professional career was launched in the United States in the early 1930's, she has sung to millions of music lovers both in this country and abroad. She has given recitals at the University of Illinois on two occasions.

The degree will be conferred at the Commencement Exercises at Urbana-Champaign on June 13, 1964.

On motion of Mr. Dilliard, this degree was authorized.

APPOINTMENTS TO THE FACULTY

(3) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. NELDA E. ALGER, Assistant Professor of Zoology, beginning June 1, 1964, at an annual salary of $11,000.
2. EDMUND G. ANDERSON, Assistant Professor of Pharmacology, College of Medicine, beginning June 1, 1964, at an annual salary of $13,000.
3. R. WARWICK ARMSTRONG, Assistant Professor of Geography, one year from September 1, 1964, at a salary of $8,000.
4. ROBERT K. BING, Assistant Professor of Occupational Therapy, College of Medicine, six months from March 1, 1964, without salary.
5. MARY M. BURDETT, Assistant Professor of Music, beginning September 1, 1964, at an annual salary of $7,500.
6. BERT E. ELWERT, Assistant Professor of Business Administration, Chicago Undergraduate Division, one year from September 1, 1964, at a salary of $9,000.
7. EDWARD FUTTERMAN, Assistant Professor of Psychiatry, College of Medicine, beginning January 1, 1964, without salary.
8. MITCHELL L. GRAY, Visiting Associate Professor of Veterinary Pathology and Hygiene, College of Veterinary Medicine, and in Veterinary Research, Agricultural Experiment Station, March 16, 1964, to January 31, 1965, at an annual salary rate of $14,500.
9. NEVILLE C. HUNSAKER, Visiting Professor of Mathematics, two and one-half months from June 16, 1964, at a salary of $3,250.
10. YOSHIHIKO ICHIKAWA, Research Associate Professor of Physics and in the Coordinated Science Laboratory, one year from September 1, 1964, at a salary of $13,500.
11. ROBERT H. KARGON, Assistant Professor of History, one year from September 1, 1964, at a salary of $7,500.
12. GENYA KISHI, Research Associate Professor of Electrical Engineering and in the Coordinated Science Laboratory, one year from September 1, 1964, at a salary of $13,500.
13. MINERVA PINNELL, Assistant Professor of Art, beginning September 1, 1964, at an annual salary of $8,500.
14. MARY J. SHEEHAN, Assistant Professor of Nursing, beginning March 23, 1964, at an annual salary of $7,700.
15. JOHN C. STUBBS, Assistant Professor of English, one-half time, for the 1964 Summer Session, at a salary of $767.
16. JOHN THOMPSON, Associate Professor of Geography and Director of the Center for Latin-American Studies, two months from June 16, 1964, at a salary of $2,446; Associate Professor of Geography, one-half time, and Director of the Center for Latin-American Studies, one-half time, beginning September 1, 1964, at an annual salary of $11,000.
17. ALEXANDER VUCINICH, Professor of Sociology, three-fifths time, and Professor in the Russian Language and Area Studies Center, two-fifths time, beginning September 1, 1964, at an annual salary of $17,000.
18. ADAM R. ZAK, Associate Professor of Aeronautical and Astronautical Engineering, beginning September 1, 1964, at an annual salary of $9,500.

On motion of Mrs. Watkins, these appointments were confirmed.

HEADSHIP OF DIGITAL COMPUTER LABORATORY

(4) The Acting Dean of the Graduate College recommends the appointment of Dr. John R. Pasta as Research Professor of Physics on indefinite tenure and Head of the Digital Computer Laboratory beginning May 1, 1964, at an annual salary of $20,000 on a nine-month service basis.

The nomination of Dr. Pasta, currently Research Professor of Physics at the University of Illinois, as Head of the Digital Computer Laboratory to succeed Dr. A. H. Taub, who is leaving the University to accept a position at the University of California at Berkeley, was initiated by a special search committee,1 and is concurred in by the Executive Vice-President and Provost.

I recommend approval.

On motion of Mr. Pogue, this appointment was approved.

1 Acting Dean H. E. Carter, Graduate College, Chairman; P. T. Bateman, Professor and Associate Head of the Department of Mathematics; H. S. Gutowsky, Professor of Physical Chemistry; W. C. Jacob, Professor of Biometry and Data Processing and Associate Head of the Department of Agronomy; D. E. Muller, Research Professor of Mathematics and of Applied Mathematics in the Digital Computer Laboratory; K. C. Smith, Research Assistant Professor of Electrical Engineering; L. R. Tucker, Professor of Educational Psychology; M. E. Van Valkenburg, Professor of Electrical Engineering and Associate Director of the Coordinated Science Laboratory.
BUSINESS MANAGERS OF CHICAGO COLLEGES AND DIVISIONS

(5) The Vice-President and Comptroller has recommended that when the Congress Circle Campus is activated, Mr. James E. Osborn, presently Business Manager at the Medical Center, be transferred to the position of Business Manager of the University of Illinois at Congress Circle, and this change in his status will be included in the budget for 1964-65.

To fill the vacancy created by this transfer, the Vice-President and Comptroller now Recommends the appointment of Mr. David W. Bonham, presently Assistant to the Auditor, as (1) Assistant to the Business Manager at the Medical Center beginning September 1, 1964, and continuing through January 31, 1965, at an annual salary rate of $13,500; and (2) Business Manager at the Medical Center from February 1, 1965, through August 31, 1965, at an annual salary rate of $15,000. This appointment includes a change in his status from the nonacademic staff to an administrative position.

I concur.

On motion of Mrs. Watkins, these recommendations were approved.

FLIGHT INSTRUCTION FEE

(6) The Director of the Institute of Aviation has recommended that the fee for flight instruction be increased from $350 to $375 due to increasing costs of the training program. The present fee of $350 was established three years ago.

The Executive Vice-president and Provost and the Vice-President and Comptroller recommend approval.

I concur.

On motion of Mrs. Watkins, this change in fee was authorized.

EMPLOYMENT OF ARCHITECTS AND ENGINEERS

(7) The Director of the Physical Plant and the Vice-President and Comptroller recommend the employment of the following firms for the projects and on the terms indicated:

Fugard, Burt, Wilkinson, and Orth, Chicago—Central National Bank Building remodeling, Congress Circle

The fee will be on the basis of time card cost of services of professional personnel, plus 150 per cent for overhead and commission, provided that the maximum fee will not exceed 10 per cent of the cost of construction.

Clark, Dietz, Painter, and Associates, Urbana—Engineering design and drawing work on parking lots to be constructed during 1964-65 in Urbana-Champaign

The fee will be based on Schedule B of the standard fees of the Illinois Society of Professional Engineers related to the cost of construction.

Warren and Van Praag, Inc., Decatur—Water main extensions on the South Campus, Urbana-Champaign

The fee will be based on Schedule B of the standard fees of the Illinois Society of Professional Engineers.

The Committee on Buildings and Grounds and the Advisory Committee on the Selection of Architects and Engineers support these recommendations.

I concur.

On motion of Mr. Swain, these recommendations were approved by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Johnston, Mr. Kerner, Mr. Page.

APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(8) The Committee on Nonrecurring Appropriations recommends the following appropriations from the University General Reserve:

Urbana-Champaign

1. Admissions and Records, equipment..............................................$ 10,550
2. College of Agriculture
   Dixon Springs Experiment Station, water system and fire protection.. 20,000
   Agriculture Administration, equipment for a new student lounge...... 2,000
3. College of Education, equipment ........................................ 14,000

7. Library
   Supplementary book funds ............................................ 136,000
   Public Service Departments, equipment .............................. 19,825
8. University Extension
   Hott Memorial Center, equipment .................................... 5,200
9. College of Veterinary Medicine
   Department of Veterinary Clinical Medicine, veterinary pathology building at the Veterinary Research Farm 6,270
10. Physical Plant Department
    Air conditioning in the Agricultural Engineering Building ............ 3,400
    Remodeling in Mumford Hall for a student lounge .................. 7,540
    Remodeling in Bevier Hall for Cooperative Extension Service in Agriculture and Home Economics .......... 3,640
    Remodeling in the Mechanical Engineering Building for the Department of Mechanical and Industrial Engineering 12,400
    Installation of night illumination for the Mirko sculpture at Krannert Art Museum 3,500
    Remodeling in the City Planning Library 2,480
    Installation of floor tile in McKinley Hospital 4,465
    Remodeling in the Natural History Building for the Department of Zoology 25,180
    Remodeling for the Department of Chemistry and Chemical Engineering 48,760
    Remodeling for the College of Veterinary Medicine 28,760
    Remodeling of building at 205 South Goodwin Avenue for the Office of Instructional Television 6,120
    Total, Urbana-Champaign ........................................... $430,099

Medical Center
11. College of Pharmacy, equipment .................................... 19,975
12. Research and Educational Hospitals, equipment ....................... 54,670
13. Physical Plant Department
    Remodeling in the Research and Educational Hospitals Addition for the Department of Occupational Therapy 5,400
    Total, Medical Center ............................................. $80,045
    Grand Total ...................................................... $510,144

I concur.

On motion of Mr. Dilliard, these appropriations were made by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Johnston, Mr. Kern, Mr. Page.

**CONTRACT FOR ELEVATOR RECONSTRUCTION IN METALLURGY AND MINING BUILDING**

(9) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for $56,655 to English Brothers Company, Champaign, the lowest bidder, for reconstruction of the elevator shaft and installation of a new elevator in the Metallurgy and Mining Building.

This building, formerly the Laboratory of Physics, is being remodeled for the use of the Department of Mining, Metallurgy, and Petroleum Engineering.
Funds are available in state capital appropriations for 1963-65 and have been released.

I concur.

On motion of Mrs. Watkins, this contract was awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Johnston, Mr. Kerner, Mr. Page.

**CONTRACTS FOR REMODELING IN FIRST UNIT OF DENTISTRY-MEDICINE-PHARMACY BUILDING**

(10) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contracts for remodeling of two lecture rooms in the first unit of the Dentistry-Medicine-Pharmacy Building, the award in each case being to the lowest bidder.

The remodeling will consist of upgrading lecture rooms 423 and 221. Specifically, it will provide air conditioning, new lighting, new chalkboards, acoustical ceilings, and improvements for visual aid teaching.

It is further recommended that all contracts other than the contract for general work be assigned to the contractor for that work, making the total of his contract price $89,646; and that an agreement be entered into with Mueller Construction Company for the assignment of these other contracts for $1,990 which amount is included in the contract price, being the amount bid by that company for service charge for supervision of other contracts assigned to the general contractor.

Funds for this work are available from the state capital appropriations to the University for 1963-65.

A schedule of all bids received is submitted herewith, and a copy is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Swain, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Johnston, Mr. Kerner, Mr. Page.

**THE HEALTH PROFESSIONS EDUCATIONAL ASSISTANCE ACT OF 1963-PUBLIC LAW 88-129**

(11) Public Law 88-129, the Health Professions Educational Assistance Act of 1963, authorizes a program of financial aid to students in medicine and dentistry.
A participating institution is required to provide one-ninth of the federal contribution to the loan fund. A student may be loaned up to $2,000 in one academic year (September to June) or $2,666 for any year enrolled in excess of the normal academic year consisting of approximately nine months. Persons who enter as first-year students after June 30, 1963, are to be given preference. Loans are to be made only to a student in need of the amount to pursue a full-time course of study. Loans are to be repaid in equal or graduated periodic installments over the ten-year period which begins three years after the student ceases to pursue a full-time course of study. Additional repayment time is available for active duty performed as a member of a uniformed service or for service as a volunteer under the Peace Corps Act. The maximum deferment for these reasons is six years; the maximum for each is three years. The liability to repay the unpaid balance will be cancelled upon the death of the borrower, or if he becomes permanently or totally disabled.

Loans bear interest, on the unpaid balance, computed only for periods during which the loan is repayable, at the rate of 3 per centum per annum or the going federal rate at the time the loan is made, whichever is greater. Loans are to be made without security or endorsement, except in the case of minors.

The Department of Health, Education, and Welfare has now requested institutions wishing to participate to file applications for funds to be used the last quarter in 1963-64 and the 1964-65 year not later than March 31, 1964. It is estimated that $55,000 could be utilized during the last quarter in 1963-64 and that $372,500 will be required during 1964-65. Estimates of need were prepared by the Deans of the College of Medicine and Dentistry and the Dean of Student Affairs in accordance with guidelines supplied by the Department of Health, Education, and Welfare. Since the amount finally available to the University for use during the periods indicated is uncertain, it is requested that the Comptroller be authorized to execute the necessary documents to secure a grant not to exceed $427,500; and that an appropriation be made to provide an amount equal to one-ninth of that received from the federal government, but not exceeding $6,111 for the 1963-64 year and $41,388.88 for the 1964-65 period. Funds to be made available to the University from the National Defense Education Act will be reduced next year as medical and dental students will no longer qualify for loans from this source. The reduction in the University matching fund requirement for the N.D.E.A. program will be applied to the Health Professions Educational Assistance Act, thereby reducing the requirement for additional funds by approximately $18,000.

I concur.

On motion of Mrs. Watkins, authority was given as requested, this action being taken by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Johnston, Mr. Kerner, Mr. Page.

INVITATION TO VISIT UNIVERSITIES IN WEST GERMANY

(12) I request the Board of Trustees to authorize my acceptance of an invitation to attend meetings of the rectors of the universities in West Germany and to visit some of the universities following these programs. The official visitation is scheduled for the period from June 23 until July 3, exclusive of travel time. The invitation has been presented through the Association of American Universities. The presidents of twelve member institutions of that Association will constitute the delegation.

The members of the delegation will have unusual opportunity to exchange information with the leaders of higher education in West Germany and to discuss common problems and international relationships.

The mission will involve no travel expense to the University of Illinois.

On motion of Mr. Dilliard, this request was approved.

PURCHASES

Purchases Authorized

(13) The following purchases were authorized by the President's Office on the recommendation of the Director of Purchases and the Vice-President and Comp-
troller. Unless otherwise specified, the purchase in each case was recommended on the basis of the lowest acceptable bid.

The recommendations are presented in one category: purchases from Institutional Funds. This term is used here to designate funds received by the University under contracts with the United States government, contracts with private corporations and other donors, and University revolving funds authorized by law.

### Purchases Recommended

The Director of Purchases has proposed and the Vice-President and Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest acceptable bid.

The recommendations are presented in two categories: purchases from Appropriated Funds (i.e., from state appropriations to the University) and purchases from Institutional Funds. The latter term is used here to designate funds received by the University under contracts with the United States government, contracts with private corporations and other organizations, from foundation grants and grants from corporations and other donors, and from University revolving funds authorized by law.

**ANNUAL REPORT OF THE TREASURER**

(16) In accordance with the By-Laws of the Board of Trustees, the Treasurer of the University has submitted a report of receipts and disbursements of University funds in his custody for the period March 1, 1963, to February 29, 1964, certified by the Comptroller. A copy of this report was sent to each member of the Board of Trustees prior to today's meeting, and a copy is filed with the Secretary of the Board.

This report was received for record.

**SALE OF MOVABLE EQUIPMENT TO ILLINOIS BUILDING AUTHORITY**

(17) The Board of Trustees of the University of Illinois on March 18, 1964, authorized the execution of a lease with the Illinois Building Authority for movable equipment to be financed by the Authority. Agreements have been reached with the Authority as to procedures for purchasing, handling, and identifying this equipment.

The Illinois Building Authority has requested the University of Illinois to purchase, identify, and place into the proper buildings movable equipment covered by the above-mentioned lease. At the end of each month, the Illinois Building Authority will reimburse the University of Illinois for expenditures incurred that month.

The Vice-President and Comptroller recommends that the Board of Trustees of the University of Illinois authorize the sale of equipment to the Illinois Building Authority under such a procedure.

I concur.

On motion of Mrs. Watkins, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Jones, Mr. Pogue, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Johnston, Mr. Kerner, Mr. Page.

**SALE OF PROPERTY TO THE ILLINOIS BUILDING AUTHORITY**

(18) Pursuant to the authorization of the Board at its March 18, 1964, meeting, and with the approval of the Illinois Building Authority, the University of Illinois has acquired from the city of Urbana land required as part of the site of the new Civil Engineering Building, said land being Romine Street between Main Street and Springfield Avenue and part of the alley between Main and Stoughton Streets. By reason of vacation of this street and alley by the City and payment by the University for the same, title to the vacated areas is vested in the University.

This property is part of that scheduled for acquisition by the Illinois Building Authority under its land acquisition lease to the University, and it is now necessary for the Board of Trustees to authorize the sale of this property to the Illinois Building Authority.

The Vice-President and Comptroller and the Director of the Physical Plant recommend authorization of the sale of this land to the Illinois Building Authority at its acquisition cost and the adoption of the following resolution.

I concur.

**Resolution**

Be It, and It Is Hereby, Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and Secretary of this corporation be, and they hereby are, authorized and directed, to execute, acknowledge, and deliver, in the name, and in behalf of, this corporation, and under its Corporate Seal, a Warranty Deed and such other documents in connection therewith as said Comptroller and Secretary may deem necessary or desirable in order to convey to the Illinois Building Authority, a body corporate

On motion of Mr. Williamson, the foregoing resolution was adopted
by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Jones, Mr.
Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent,
Mr. Hughes, Mr. Johnston, Mr. Kerner, Mr. Page.

REPORT OF COMMITTEE ON GENERAL POLICY ON REVISIONS
OF UNIVERSITY OF ILLINOIS STATUTES

Mr. Williamson, for the Committee on General Policy, presented the
following report and recommendations for revisions of Sections 6, 38,
and 39 of the University of Illinois Statutes dealing with tenure of
academic staff and academic freedom which have been proposed by the
University Senates and the Senate Coordinating Council.

This report was adopted by the Committee at a meeting held on
April 14, 1964. Mr. Williamson served as temporary Chairman of the
Committee in the absence of Mr. Johnston.
At its June 19, 1963, meeting the Board of Trustees received and referred to your Committee on General Policy for consideration and study the recommendations of the Senates and the Senate Coordinating Council for amendments in Sections 6, 38, and 39 of the existing University of Illinois Statutes. After reviewing the same with the President, the Committee found itself in substantial agreement with the Coordinating Council’s proposals, but concluded that further discussion of certain portions was indicated. Thereafter, on the recommendation of your Committee, in November of 1963 the Board approved a procedure whereby the President was requested to arrange conferences between the Committee on General Policy, the President of the Board, the Chairman and one other member of each Senate Committee on Academic Freedom, the Chairman and Secretary of the Senate Coordinating Council, the President of the University and such staff consultants as he might designate.

Two such conferences were held, one on January 29, 1964, and the other on April 13, 1964, the date of this Report. The expressions were of material assistance to your Committee in formulating the recommendations contained in the Report which recommendations your Committee believes represent the consensus of the Conferences.

Under Section 65 of the University Statutes, the modifications in the original proposals would be treated as statutory amendments proposed by the Board which require the advice of the Senates. Under these circumstances, and to provide maximum time for consideration by Senate members prior to their next meetings, your Committee is at this time filing this Report in summary form, together with its recommendations. It is anticipated that a detailed supplementary Report will be presented in due course.

Your Committee strongly endorses and recommends the adoption of the statutory amendments as proposed by the Senate Coordinating Council, except for four paragraphs [Sections 38 (d), 38 (e) (7), 38 (e) (8), and 39 (b)] in which certain additions or deletions are being recommended in this Report.

Section 38 (d) of the Council’s revision defines due cause for dismissal and the modifications recommended by your Committee are intended to clarify that conduct clearly demonstrating professional incompetence or irresponsibility may constitute cause for dismissal, whether it occurs in the classroom laboratory, or elsewhere. Your Committee’s proposals with respect to Section 38 (e) (7) are deemed to be a logical extension of matters in the record which the Board may consider in dismissal proceedings, and a further definition of the relevant factors to which the Board will give due consideration in designating the effective date of a dismissal. The modifications recommended by your Committee in Section 38 (e) (8) are based primarily on the advice from the Legal Counsel that state appropriations may not be expended as salaries to individuals who do not have an employment status and who do not perform personal services for the University.

Substantial changes in Section 39 (b) are proposed by your Committee to create a more precise understanding that, when he speaks or writes, a faculty member should be mindful of the admonitions for accuracy, forthrightness, and dignity, but “if he fails to heed these admonitions on an occasion when he is exercising his freedom of speech as a citizen, such failure shall not, of itself constitute due cause for dismissal but, after consultation with the Faculty Advisory Committee, the President may take official cognizance of such failure.”

Accompanying this Report is an Appendix in which there is presented, in columnar form, the existing University Statutes, the revisions proposed therein by the Senate Coordinating Council, and (under the heading “Modification of Senates’ Version Being Considered by Board Committee”) the modifications in the four paragraphs of the Council’s revision recommended by your Committee and summarized above.

Accordingly, in line with the comments and recommendations in this Report, it is moved that the following resolution be adopted by the Board of Trustees of the University of Illinois:

"Be It Resolved that the proposals for statutory revision as proposed by the Senate Coordinating Council and transmitted by the President on June 19, 1963, be tentatively approved, except as noted below, and

"Be It Further Resolved that the recommendations of the Committee on General Policy of the Board of Trustees of the University of Illinois in its
April 14, 1964, report on 'Revision of Sections 6, 38, and 39 of the University Statutes Proposed by Senate Coordinating Council' be considered amendments to the University Statutes proposed by the Board of Trustees, and that the advice of the University Senates be sought thereon as provided in Section 65 of the University Statutes."

COMMITTEE ON GENERAL POLICY

On motion of Mr. Williamson, this report was adopted and the recommendations of the Committee were approved without dissent. The Appendix showing the changes approved was filed with the Secretary of the Board for record.

ASSOCIATION OF GOVERNING BOARDS OF COLLEGES AND UNIVERSITIES

President Clement informed the Board that Mrs. Watkins, as a Regional Director of the Association of Governing Boards of Colleges and Universities, has been asked to attend a meeting of the Association at the University of Nevada in May of this year.

On motion of Mr. Swain, her participation in this meeting was authorized.

FUTURE BOARD MEETINGS

President Clement made the following announcements.

The May meeting will be held in Urbana as scheduled on Wednesday, May 20, 1964. The biennial meeting of the University of Illinois Citizens Committee will be held the following day and it is hoped that as many of the Trustees as can do so will stay over for that meeting. He suggested that the Board meeting be held on Wednesday evening, beginning at 8:00 o'clock, to shorten the time between the two meetings and unless there were objections, this schedule would be followed. There being no dissent, it was so ordered.

The June meeting is scheduled for Wednesday, June 17, 1964, and President Clement stated it will be held in Urbana, according to a schedule to be arranged by the President and the Secretary in consultation with the President of the University.

The Board then considered the date of the July meeting.

On motion of Mr. Pogue, the date of this meeting was changed from July 15, the third Wednesday, to Wednesday, July 22, to be held in Urbana.

MEETING OF THE BOARD OF HIGHER EDUCATION

President Clement also announced that the University will be host to the Illinois Board of Higher Education at its May meeting on May 4 and 5. The meeting will be held at the LaSalle Hotel. Plans for the meeting include a visit to the Congress Circle site.

RECESS AND EXECUTIVE SESSION

President Clement stated that an executive session has been requested and is being ordered for consideration of recommendations relating to land acquisitions and that this meeting was to be held after luncheon.

On motion of Mr. Williamson, the Board recessed.

ADDRESSES BY MEMBERS OF THE FACULTY

During the recess and following luncheon, Director Sheldon Fordham of the Division of Physical Education and Director of Athletics, Director Victor E. Ricks of the Division of Education, and Dean Glenn Terrell of the College of Liberal Arts and Sciences, at the Chicago Undergraduate Division, addressed the Board on the state of their respective administrative units and plans for the future.

When the Board reconvened, the same members, officers of the Board, and officers of the University were present as recorded at the beginning of these minutes.

The Board considered the following reports and recommendations.
PURCHASE OF PROPERTY AT 1101 WEST CALIFORNIA AVENUE, URBANA

(1) The Director of the Physical Plant and the Vice-President and Comptroller recommend purchase of the property at 1101 West California Avenue, Urbana, at a price of $51,000, the owner to retain possession until June 30, 1965.

The property is a corner lot, 65 feet on California Avenue and 151 feet on Gregory Place (9,815 square feet), and is improved with a two and one-half story and basement frame dwelling, used as a room and boarding house. It will be required as part of the site for the expansion of the Center for the Performing Arts.

Funds are available from temporary family housing reserves.

The Committee on Building and Grounds has been consulted and supports this recommendation.

I concur.

On motion of Mr. Pogue, the purchase of this property, at the price recommended, was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Johnston, Mr. Kerner, Mr. Page.

PURCHASE OF PROPERTY AT 508 SOUTH GOODWIN AVENUE AND 1117 WEST ILLINOIS STREET, URBANA

(2) The Director of the Physical Plant and the Vice-President and Comptroller recommend purchase of the contiguous properties at 1117 West Illinois Street and 508 South Goodwin Avenue, Urbana, at a total price of $95,000. The land area is irregular with a 65 foot fronting on Illinois Street and 198 foot fronting on Goodwin Avenue (13,912 square feet) and is improved with two six-unit apartment buildings. The land is required as part of the site for the Center for the Performing Arts.

The Committee on Buildings and Grounds has been consulted and concurs in this recommendation.

Funds are available in the state capital appropriations to the University from the Universities Building Fund.

I concur.

On motion of Mr. Swain, the purchase of this property, at the price recommended, was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Johnston, Mr. Kerner, Mr. Page.

On motion of Mr. Swain, the Board adjourned.

HOWARD W. CLEMENT
President
The May meeting of the Board of Trustees of the University of Illinois was held in the Illini Union South, Urbana, Illinois, on Wednesday, May 20, 1964, beginning at 8:00 p.m.

The following members of the Board were present: Mr. Howard W. Clement, Mr. Irving Dilliard, Mr. Earl M. Hughes, Mr. Theodore A. Jones, Mr. Harold Pogue, Mr. Timothy W. Swain, Mrs. Frances B. Watkins, Mr. Wayne A. Johnston, Governor Otto Kerner, Mr. Ray Page, and Mr. Kenney E. Williamson were absent.

Also present were President David D. Henry, Executive Vice-President and Provost Lyle H. Lanier, Vice-President Norman A. Parker and Dean Glenn Terrell, Chicago Undergraduate Division, Vice-President Joseph S. Begando, University of Illinois at the Medical Center, Chicago, Director C. S. Havens of the Physical Plant, Mr. C. E. Flynn, Assistant to the President and Director of Public Information, Mr. James J. Costello, Legal Counsel, Mr. Donald C. Neville, Assistant to the Director of the Physical Plant, Mr. Earl W. Porter, Assistant to the President, Mr. Shannon McCune, Consultant to the President and to the Executive Vice-President and Provost, Mr. Vernon L. Kretschmer, Director of Auxiliary Services; and the officers of the Board, Mr. R. R. Manchester, Treasurer, Mr. H. O. Farber, Comptroller, and Mr. A. J. Janata, Secretary.
The Board took up consideration of the following reports and recommendations from the President of the University.

**PRESIDENT'S REPORT**

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

**REPORT OF COMMITTEE ON GENERAL POLICY**

Supplementary Report on Amendments of Statutes, May 1, 1964

Mr. Jones, for the Committee on General Policy, presented the following report:

**Revisions of Sections 6, 38, and 39 of the University Statutes Proposed by Senate Coordinating Council**

On April 15, 1964, the Board of Trustees received and approved the Committee on General Policy's April 14, 1964, recommendations and summary report concerning revisions of Sections 6, 38, and 39 of the University of Illinois Statutes previously proposed by the University Senates and the Senate Coordinating Council. The April 14, 1964, Committee report recommended certain modifications of the statutory amendments forwarded by the Senates, and the Board's action of April 15 included the adoption of the following resolutions:

"Be It Resolved that the proposals for statutory revision as proposed by the Senate Coordinating Council and transmitted by the President on June 19, 1963, be tentatively approved, except as noted below, and

"Be It Further Resolved that the recommendations of the Committee on General Policy of the Board of Trustees of the University of Illinois in its April 14, 1964, report on 'Revision of Sections 6, 38, and 39 of the University Statutes Proposed by Senate Coordinating Council' be considered amendments to the University Statutes proposed by the Board of Trustees, and that the advice of the University Senates be sought thereon as provided in Section 65 of the University Statutes."

In line with the second of the above resolutions, arrangements are in process for transmittal of the amendments proposed by the Board of Trustees on April 15, 1964, to the University Senates for advice. Your Committee's April 14, 1964, report and recommendations, and the Appendix thereto outlining the development of the statutory revisions, will be included in the materials forwarded to the Senates, but that report was in summary form since there was not sufficient time between the April 14 meeting of the Committee with the President and Senate representatives and the April 15 meeting of the Board to prepare a more detailed statement. The Committee on General Policy believes that the further exposition in this supplementary report may be of assistance to the Senate members in developing advice to the Board of Trustees on the proposed amendments. There will be no opportunity for the Board of Trustees to consider or act upon this supplementary report prior to its next meeting on May 20, 1964, but it is being forwarded to the President at this time with the suggestion that it be included, as a Committee document only, in the materials transmitted to the Senates.

Those areas where the statutory amendments proposed by the Board of Trustees differ from those recommended by the Senate Coordinating Council are specifically noted in this supplementary report.

**Procedural Aspects**

The statutory revisions initiated by the Senates and tentatively approved by the Board of Trustees provide for the establishment of a general University committee at each campus (to be known as the "Faculty Advisory Committee"), nominated and elected by the academic staff. The stated functions of the Faculty Advisory Committee (Section 6)

"shall be to provide for the orderly voicing of suggestions for the good of the University, for affording added recourse for the consideration of grievances,
and for furnishing a channel for direct and concerted communication with administrative officers of the University, its colleges, schools, institutes, divisions, and other administrative units on matters of interest or concern to the academic staff or any member of it.”

The fact that consultation with the Faculty Advisory Committee will be available both to members of the academic staff and to administrative officers is regarded as a significant clarification of the appropriate channels for such communication. Also, it is noted that the Senate’s existing Committee on Academic Freedom will be renamed as a “Committee on Academic Freedom and Tenure.”

In a dismissal situation, the President would be required to consult with the Faculty Advisory Committee of the appropriate campus before filing charges, but the determination of whether or not proceedings are to be instituted after such consultation is left with the President. If proceedings are instituted, charges are filed with the Senate, and the appointee is privileged to request a preliminary hearing on them before the Senate Committee on Academic Freedom and Tenure. This Senate Committee will receive evidence, hear arguments, and make findings, conclusions, and recommendations. Thereafter, the case may be closed, or the President may proceed to file the charges with the Board of Trustees.

The appointee may also request a hearing before the Board, at which a member of the Senate Committee on Academic Freedom and Tenure may be in attendance and is to be given an opportunity to make a statement. The record made at this previous hearing before the Senate Committee will be submitted to the Board, additional evidence may be taken and, under Section 38 (e) (7), “the Board will give due consideration to the findings, conclusions, and recommendations of the Committee on Academic Freedom and Tenure, and the remainder of the record before said Committee . . .” The modifications proposed by the Board of Trustees on April 15, 1964, included the addition of the italicized portion of the above phrase as a technical clarification of matters appropriately considered by the Board in a dismissal proceeding. The ultimate findings of fact and the final decision as to the appointee’s dismissal or retention will be made by the Board, as is the case under the existing University Statutes. Public statements about a case under consideration are to be avoided so far as possible.

In designating the effective date of any dismissal or request for resignation, the Board is to give “due consideration to all relevant factors including, without limitation, the gravity of the appointee’s conduct in question, the services to be rendered to the University by the appointee during any intervening period, and to the time reasonably required for the adjustment of the appointee’s personal affairs.” President Henry has stated to your Committee that he views time to adjust personal affairs as one of many factors to be considered in designating the effective date of a dismissal or requested resignation, and that the character of the appointee’s conduct would also appear to be relevant to this point. The Legal Counsel has stated that under existing Illinois law state appropriations for personal services may not be used to pay salary unless services are, in fact, performed. Accordingly, the modifications in Section 35 (e) (7) proposed by the Board of Trustees at its April 15, 1964, meeting added the italicized portion of the above phrase as being a further definition of the factors to which the Board will give due consideration in designating the effective date of a dismissal or requested resignation.

In large measure, the Senate Coordinating Council’s procedural suggestions tentatively approved by the Board of Trustees on April 15, 1964, follow existing administrative practice in dismissal cases, but considerably more detail is furnished than is found in the present University Statutes. The major procedural innovations which will now be formalized are (1) the necessity of the President’s consultation with the Faculty Advisory Committee as a condition precedent to the filing of charges for dismissal, and (2) the establishment of detailed requirements of notice and procedures for the hearing before the Senate Committee on Academic Freedom and Tenure.

Consultation with the Faculty Advisory Committee will furnish an opportunity for the President to have direct communication with a formally designated faculty group before preferring charges, but he would not be prevented from also conferring with the appropriate college or department as he has done in the past.

All parties concerned would appear to be benefited by the new procedural details for the preliminary hearing before the Senate Committee on Academic Freedom and Tenure. That Committee has the opportunity to consider the ap-
pointee's answer to the charges, to receive evidence, and to hear arguments presented by each side. Under existing University Statutes, the appointee against whom charges are filed is already entitled to a hearing before this Senate Committee but the tentatively approved revisions will formalize the Committee procedures for such hearing. A new requirement is that the appointee must file an answer to the charges if he requests a hearing before the Committee.

It is noted that, by reason of the times specified for notices and hearings before the Senate Committee and the Board, a minimum of sixty-five days will elapse between the time the President files charges with the Senate and the commencement of the hearing before the Board of Trustees. This minimum contemplates consultation, hearing, consideration, and decision by the President and the Senate Committee on the first day at each stage of the proceedings. It is apparent that, in practice, such immediate disposition will not be possible, and that the interval between the filing of charges and the Board hearing will substantially exceed sixty-five days.

Substantive Matters

The amendments to the Statutes proposed by the Board of Trustees in its April 15, 1964, action contain some substantive changes in the revisions initiated in the Senate in June of 1963. The most significant of these are in the Board's proposed modifications in the Coordinating Council's Section 38 (d) definition of "due cause for dismissal" and the new Section 38 (e) (8) relating to suspensions. Additionally, the Board has proposed a substantial amendment to Section 39 (b) dealing with a faculty member's role as a citizen, which Section was not the subject of a recommendation by the Coordinating Council.

1. Due Cause for Dismissal

Existing Section 38 (d) reads as follows:

"(d) Cause for discharge shall consist of conduct seriously prejudicial to the University through deliberate infraction of law or commonly accepted standards of morality, neglect of duty, inefficiency or incompetency. The enumeration of causes for discharge shall not be deemed exclusive, and the Board of Trustees reserves the power to discharge for other causes, but it is to be distinctly understood that this power will be exercised only under exceptional circumstances and then only for conduct which is clearly prejudicial to the best interests of the University."

The Coordinating Council rewrote the definition of due cause for dismissal with considerable changes in language and emphasis. The amendments to Section 38 (d) proposed by the April 15, 1964, action of the Board of Trustees adopt the basic approach and concepts of the Council's version but would modify the Council's language slightly to read (the matter deleted from Council version shown within brackets with lines through the deletions, and matters added to Council version shown by italics):

"(d) Due cause for dismissal shall be deemed to exist only if 

[... with all due regard for the freedoms and protections provided for in Section 39 of these Statutes] 

a faculty member's conduct is found to demonstrate clearly and convincingly either that (1) he has been grossly neglectful of, or grossly inefficient in, the performance of his University duties, or that (2) he can no longer be relied upon to perform his University duties and functions, or otherwise to conduct himself, in a manner consonant with professional standards of conduct, competence, and responsibility."

The phrase "with all due regard for the freedoms and protections provided in Section 39 of these Statutes" has been eliminated to avoid possible confusion in interpretation between Section 38 (d), in which the causes for dismissal are defined, and Section 39, in which is stated the University's policy to encourage, promote, and maintain academic freedom within the limits therein set forth. A reference to "freedoms and protections provided for in Section 39" would necessitate a similar reference to the "responsibilities" required by that Section. It is clear that certain responsibilities set forth in Section 39 are of a nature that violation of them will result in dismissal. For example, Section 39 (c), in which no change has been recommended, must be interpreted as meaning that to advocate the overthrow of our constitutional form of government by force or violence is unprofessional conduct, per se, and that one indulging in such advocacy will be dismissed.
On the other hand, other parts of Section 39, particularly Section 39 (b) dealing with the role of a faculty member as a citizen, invite debate as to whether they are admonitory in nature or postulate standards for dismissal for cause. Since the new Section 38 (d) orients due cause for dismissal to the question of the faculty member's professional competence or responsibility, it is felt that a specific cross-reference in it to Section 39 might tend to confuse, rather than to clarify, and that clarification should occur as an amendment to Section 39 (b) as discussed below. Accordingly, the Committee on General Policy's recommendation to delete the phrase in question was prompted by its conviction that freedoms, protections, responsibilities, and obligations delineated in Section 39 will always be given "due regard" when the conduct of a faculty member is in question, and that a reference to them in Section 38 (d) would serve no constructive purpose.

The language added to the Council's version of Section 38 (d) by the Board of Trustees' action on April 15, 1964, was designed to clarify that conduct clearly demonstrating professional incompetence or irresponsibility may constitute cause for dismissal, whether it occurs in the classroom, laboratory, or elsewhere. It was felt that without the addition of the words "or otherwise to conduct himself" and "conduct," as proposed by the Board's April 15, 1964, action, the paragraph might be interpreted to mean that dismissal proceedings could be initiated only for classroom or laboratory deficiencies that directly relate to the individual's ability to perform within the classroom or research context. As modified, there should be no uncertainty that, consistent with previous statements by the Board of Trustees, extramural activities of a teacher may be of such a nature and of such seriousness as to demonstrate his professional unfitness.

Your Committee views Section 38 (d) as recommended by the Board to be an affirmation of the fact that one who is professionally competent and responsible can rely on security of employment at the University of Illinois, and that the central issue in any dismissal proceeding will remain such professional competence and responsibility, rather than the effect of particular conduct upon the public image of the University.

2. Amendments to Section 39 (b)

As noted above, the action of the Board of Trustees on April 15, 1964, proposed a modification of Section 39 (b), with respect to which no recommendation had been made by the Senate or the Senate Coordinating Council.

Section 39 (b) in the existing Statutes reads:

"(b) In his role as citizen, the faculty member has the same freedoms as other citizens, without institutional censorship or discipline, although he should be mindful that accuracy, forthrightness, and dignity befit his association with the University and his position as a man of learning."

Extended discussions have occurred regarding the nature of the matters a faculty member is to be "mindful" of under existing Section 39 (b). By some they are regarded as ideals of scholarly conduct and expression which 39 (b) admonish a faculty member to strive to achieve. By others they are viewed as standards of professional conduct and expression which the faculty member must observe under pain of University discipline. Contributing to the uncertainty is the fact that, while the old section 39 (b) refers to "institutional censorship or discipline," the University Statutes do not provide for any censorship or discipline other than dismissal for cause.

It was the view of your Committee, confirmed by the Board's action on April 15, 1964, that clarification of Section 39 (b) was in the best interest of the University and its faculty. Accordingly, the following is the text of Section 39 (b) now being transmitted to the Senators for advice:

"(b) In his role as a citizen, the faculty member at the University has the same freedoms as other citizens, but his special position as a member of a learned profession associated with an educational institution carries with it a special obligation to recognize that the public may judge his profession and the University by his conduct or his utterances. When he speaks or writes, a faculty member should be mindful of the admonitions that accuracy, forthrightness, and dignity befit his association with the University and his position as a man of learning. If a faculty member fails to heed these admonitions on an occasion when he is exercising his freedom of speech as a citizen, such failure shall not, of itself, constitute due cause for dismissal but, after consultation with the
Faculty Advisory Committee, the President may take official cognizance of such failure."

It will be observed that the Section has been recast to note the faculty member's institutional identification in the eyes of the public, and to clarify that, when a faculty member is exercising his freedom of speech as a citizen, the provisions relating accuracy, forthrightness, and dignity are admonitory.

As rewritten, Section 39 (b) is believed to provide further definition and assurances of the freedoms enjoyed by a faculty member in his role as a citizen, but it also authorizes the President to take "official cognizance" of such exercises of these freedoms as markedly fail to meet acceptable standards of accuracy, forthrightness, and dignity. For example, the President—after consultation with the Faculty Advisory Committee—might publicly deplore inaccurate, intemperate, undignified, or irresponsible utterances of a faculty member, and emphasize that such views were not to be attributed to the University of Illinois.

The reference to freedom from "institutional censorship or discipline" has been eliminated and has been replaced by an assurance that failure to heed the stated admonitions will not, of itself, constitute due cause for dismissal—the only discipline defined in the remainder of the Statutes. It would be the interpretation of your Committee, however, that persistent and willful failures to observe these admonitions might become a pattern of conduct deemed to violate professional standards to an extent that would indicate the initiation of proceedings for dismissal for due cause under the new Section 38 (d).

3. Suspension Pending Dismissal

The new Section 38 (e) (8) in the proposals received from the Senate Coordinating Council sets forth conditions for the suspension of an appointee in connection with contemplated or actual filing of charges for dismissal. The Council version included a statement that an appointee might be suspended "only . . . with pay." President Henry has supported this provision before your Committee, urging strongly that a faculty member's salary be continued until the Board's final disposition of a dismissal proceeding, if possible, even if suspension during the intervening period is considered necessary and justified because of special circumstances. He has stated that, in his judgment, the amount of dollars paid during any suspension period would be relatively insignificant when weighed against the undesirability of requiring a faculty member to prepare his defense against unresolved charges during a time in which he is not receiving his salary. President Henry has further cautioned that, when a suspension without pay is involved, the basic issue of professional responsibility tends to become confused with the lesser issue of compensation.

The Legal Counsel advises, however, that the Illinois constitutional prohibitions against payment of extra compensation and gifts of public funds, the statutory limitations on appropriations for personal services, and the various enactments concerning the suspension of other state employees (either as a disciplinary measure or while dismissal proceedings are pending), all demonstrate the public policy and law of this state to be that suspensions of state employees should be without pay, and that state appropriations for personal services may not be expended as salaries to individuals, including faculty members, who do not have employment status or who do not perform services. In expressing his opinion that, in the absence of permissive legislation, suspensions of state employees with pay would probably not be upheld by the Illinois courts, the Legal Counsel has stated there appear to be no reported Illinois cases squarely deciding the point. President Henry has suggested that, under these circumstances, it may be advisable for the University Statutes to deal with the subject of suspensions pending dismissal without specifying whether such suspensions are to be with or without pay, thereby providing flexibility of application if future court decisions or legislation provide clarification of the legal question. The Board's April 15, 1964, action, therefore, deletes the words "with pay" from the Council's version of Section 38 (e) (8).

Also, under the Coordinating Council's version of Section 38 (e) (8), suspension was authorized "only under exceptional circumstances." Any instance in which a suspension is being considered can be said to be an "exceptional circumstance" and, since a subjective judgment by the President would be involved in any event, the Board of Trustees' amendments proposed at the April 15, 1964,
meeting substitute, for the "exceptional circumstances" phrase, a provision which would permit suspension "by the President only when he considers such suspension clearly necessary and justified."

It is observed that suspension will not be automatically applied when dismissal charges are being considered or filed and that, in an appropriate case, the President might reassign a faculty member's duties rather than invoke a suspension, on the same theory that permits the Board to take into account the nature of an appointee's intervening services in determining the effective date of a dismissal.

In your Committee's conferences with members of the administrative staff and Senate representatives, there occurred discussions concerning the position of a faculty member who might be suspended without pay and thereafter be exonerated at the hearing on his dismissal charges. The Legal Counsel has pointed out that in those cases where the courts have determined that a suspension has been improperly invoked, it has been held that the suspended employee may recover his unpaid salary for the period he was improperly suspended. Accordingly, the Board has added a new subparagraph (4) to the Council's version of Section 38 (e) (8) under which provision is made for the restoration of salary to a faculty member who might be prevented from performing his duties by reason of a suspension which does not result in a dismissal. Your Committee is not aware of any instance in the history of the University wherein a faculty employee has been deprived of his compensation during a period while dismissal charges against him were unresolved but, even if this should occur in a future case, the amendment to Section 38 (e) proposed by the Board of Trustees would permit the appointee to recover any suspended salary if there is a subsequent determination that due cause for his dismissal did not exist.

In the Coordinating Council's version of Section 38 (e) (8) there was also a technical inconsistency between the time that the President must file charges under Section 38 (e) (1) after consultation with the Faculty Advisory Committee (thirty days) and the time that his suspension order will terminate after consultation with that Committee unless charges are filed (twenty days). To eliminate this inconsistency, and upon the Legal Counsel's advice as to the legality of suspensions with pay pending hearing or discharge, the action of the Board of Trustees on April 15, 1964, proposed that Section 38 (e) (8) of the Coordinating Council's version be altered to read as follows (the matter deleted from Council version shown within brackets with lines through the deletions, and matters added to Council version shown by italics):

"(8) Suspension. An appointee may be suspended [only under exceptional circumstances and with pay] by the President only when he considers such suspension clearly necessary and justified, subject to the following provisions: a) the President may suspend before the filing of any charges only after giving notice to the chairman or, in the absence of the chairman from the University, to some member of the Faculty Advisory Committee that he believes that cause for dismissal may exist; b) if the President suspends after so giving notice to the chairman or some member of the Faculty Advisory Committee, or during consultation with the Faculty Advisory Committee, such suspension shall terminate within [twenty] thirty days after that Committee has made its recommendations to the President unless the President initiates dismissal proceedings by the filing of charges for dismissal within that [twenty] thirty-day period; [and] c) if the President initiates dismissal proceedings by filing charges for dismissal, he may suspend the appointee, or may extend a previous suspension of the appointee, until the termination of those proceedings, or until the effective date of dismissal if the proceedings result in dismissal; and d) if dismissal proceedings are not filed against a faculty member who has been suspended or, if filed, do not result in a dismissal, the faculty member shall be entitled to receive the full amount of his agreed compensation as though no suspension had occurred."

Summary

The Committee on General Policy wishes to express its appreciation for the considerable effort and conscientious attention directed to the proposed revisions of Sections 6, 38, and 39 of the University Statutes by each of the Senates, their respective Committees on Academic Freedom, the Senate Coordinating Council, and the President and other members of the administrative staff. All have con-
tributed materially to the development of what your Committee views as a major improvement in the formal expression of standards and procedures in the fortunately rare situation where there may appear to be due cause for dismissal of a faculty member, or where a faculty member may have so far departed from the canons of accuracy, forthrightness, and dignity as to justify the taking of official cognizance thereof by the President.

The Trustees are acutely aware of their position of public trust and their obligation to discharge faithfully their duty to maintain the University’s position of leadership in the field of higher education. They have in the past and will continue in the future to support responsible exercise of academic freedom by the faculty, and duly recognize its importance as a factor in achieving and maintaining the status the University now enjoys. It does the public no service if responsible thought and inquiry are stultified or suppressed at a university by a possibility that expressions of an unpopular position may result in an arbitrary or capricious dismissal, and the proposed Statutes are further guarantees that such will not occur at the University of Illinois. At the same time, in the view of your Committee the Statutes as proposed will also afford the University adequate protection against unprofessional conduct.

During your Committee’s deliberations there were discussions of the fact that the University Statutes do not refer to any form of “institutional discipline” in relation to the academic staff other than dismissal for due cause as defined in Section 38 (d) [the official cognizance authorized in proposed Section 39 (b) is not considered to be a form of discipline]. It was observed that the omission of reference to lesser degrees of discipline might be misinterpreted as meaning that the Trustees were not concerned about negligence, inefficiency, or irresponsibility in lesser degrees than those deemed to be due cause for dismissal under Section 38 (d). Such is not the case, but since these matters were not dealt with in the Coordinating Council’s proposals, and since complete involvement of the Senates in discussions on these points would be essential, your Committee concluded that any attempt to develop formal provisions concerning lesser offenses and sanctions short of dismissal would unduly delay final action on the statutory revisions already considered by the Senates. It is suggested, however, that at an appropriate time the Board or the Senates might well consider whether or not these matters should become the subject of further statutory revisions.

On motion of Mrs. Watkins, this report was adopted, without dissent.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(1) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, as amended, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

APPOINTMENTS TO THE FACULTY

(2) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. ARNOLD M. BARBAN, Assistant Professor of Advertising, in the College of Journalism and Communications, beginning September 1, 1964, at an annual salary of $9,000.

2. WILLIAM W. BARTLEY III, Visiting Associate Professor of Philosophy, for the 1964 Summer Session, at a salary of $2,250.
3. WILLIAM D. BIGGS, Visiting Professor of Metallurgy and of Civil Engineering, for four and one-half months from February 1, 1965, at a salary of $6,000.

4. MARVIN P. BRYANT, Associate Professor of Bacteriology, in the Department of Dairy Science, beginning September 1, 1964, at an annual salary of $14,500.

5. JACKSON J. CAMPBELL, Professor of English, beginning September 1, 1964, at an annual salary of $15,000.

6. LAURA H. CHAPMAN, Assistant Professor of Art, beginning September 1, 1964, at an annual salary of $7,500.

7. EDMOND R. COLE, Research Assistant Professor of Biochemistry, in the Department of Surgery, beginning April 1, 1964, without salary.

8. ROBERT M. CRANE, Assistant to Vice-President, Chicago Undergraduate Division, beginning September 1, 1964, at an annual salary of $14,500.

9. GEORGE O. DE TARNOWSKY, Clinical Assistant Professor of Surgery, beginning May 1, 1964, without salary.

10. GEORGE C. FENG, Assistant Professor of Civil Engineering, beginning September 1, 1964, at an annual salary of $7,500.

11. JOHN B. HANEY, Associate Director, with rank of Associate Professor, Office of Instructional Resources, Chicago Undergraduate Division, beginning July 20, 1964, at an annual salary of $14,500.

12. BRUCE HARKNESS, Associate Dean of the College of Liberal Arts and Sciences and Professor of English, beginning June 15, 1964, at an annual salary of $18,000.

13. JAMES E. HEATH, Assistant Professor of Physiology and Biophysics, for two months from June 16, 1964, at a salary of $1,778; and beginning September 1, 1964, at an annual salary of $8,000.

14. EDWARD R. HOLLEY, JR., Assistant Professor of Civil Engineering, beginning September 1, 1964, at an annual salary of $8,100.

15. KENNETH I. HOWARD, Clinical Assistant Professor of Psychology, in the Department of Psychiatry, College of Medicine, beginning April 1, 1964, without salary.

16. ALBERT KASPIN, Associate Professor of Slavic Languages and Literatures, beginning September 1, 1964, at an annual salary of $11,000.

17. VERNITA M. KAY, Associate Professor of Nursing, beginning September 1, 1964, at an annual salary of $10,300.

18. HOWARD F. KEEPER, Associate Professor of Architecture, Chicago Undergraduate Division, beginning September 1, 1964, at an annual salary of $11,000.

19. EBERHARD F. KRIMMEL, Research Assistant Professor of Physics, beginning September 1, 1964, at an annual salary of $9,000.

20. RALPH J. LANGJØEN, Assistant Professor of Hygiene and Staff Physician in the Health Service and McKinley Hospital, beginning July 1, 1964, at an annual salary of $15,000.

21. DAVID W. LEVINSON, Professor of Metallurgy, Department of Materials and Mechanics, College of Engineering, Chicago Undergraduate Division, beginning September 1, 1964, at an annual salary of $15,750.

22. PETER B. MAGGS, Assistant Professor of Law, beginning September 1, 1964, at an annual salary of $10,500.

23. WILLIAM H. C. MAXWELL, Assistant Professor of Civil Engineering, beginning September 1, 1964, at an annual salary of $7,800.

24. BOLESLAW MAZUR, Associate Professor of Fixed and Partial Prosthodontics, College of Dentistry, beginning September 1, 1964, at an annual salary of $11,200.

25. N. NORBY NIELSEN, Assistant Professor of Civil Engineering, beginning September 1, 1964, at an annual salary of $9,000.

26. HUGH O. NOURSE, Associate Professor of Economics, in the Department of Economics and in the Bureau of Economic and Business Research, beginning August 1, 1964, at an annual salary of $12,750.

27. JEFFREY O'CONNELL, Associate Professor of Law, beginning September 1, 1964, at an annual salary of $15,000.

28. GIULIANO PETERGNANI, Research Assistant Professor of Physics, beginning September 1, 1964, at an annual salary of $9,000.
29. Mary Elizabeth Reeves, Dean of Women, Medical Center, and Assistant Professor of Psychology, College of Pharmacy, beginning September 1, 1964, at an annual salary of $11,000.

30. Robert C. Retherford, Professor of Physics, beginning September 1, 1964, at an annual salary of $14,500.

31. Florence E. Sherbon, Associate Professor of Nursing, beginning September 1, 1964, at an annual salary of $15,000.

32. Peter Sueldfeld, Visiting Assistant Professor of Psychology, for one year from September 1, 1964, at a salary of $8,250.

33. George W. Summers, Associate Professor of Business Administration, beginning September 1, 1964, at an annual salary of $12,000.

34. Irving Thalberg, Assistant Professor of Philosophy, Chicago Undergraduate Division, for the second semester of 1964-65, at a salary of $4,500.

35. Myron Uretsky, Assistant Professor of Accountancy, beginning September 1, 1964, at an annual salary of $9,000.

36. Harry G. Wenzel, Jr., Assistant Professor of Civil Engineering, beginning September 1, 1964, at an annual salary of $7,800.

37. Kenneth M. Yoss, Professor of Astronomy, beginning September 1, 1964, at an annual salary of $13,000.

38. Alexandra Ionescu Tulcea, Associate Professor of Mathematics, beginning September 1, 1964, at an annual salary of $10,000.

39. Cassius Ionescu Tulcea, Professor of Mathematics, beginning September 1, 1964, at an annual salary of $15,000.

40. Manfred E. Reichmann, Professor of Botany, beginning September 1, 1964, at an annual salary of $15,500.

On motion of Mr. Swain, these appointments were confirmed.

DIRECTOR OF THE PHYSICAL ENVIRONMENT UNIT

(3) The Deans of the Colleges of Engineering and of Liberal Arts and Sciences, and the Acting Dean of the Graduate College, recommend the appointment of Dr. Bruce A. Hertig as Associate Professor in the Department of Mechanical and Industrial Engineering on one-half time and in the Department of Physiology and Biophysics on one-half time, and Director of the Physical Environment Unit in the Graduate College, for one year from September 1, 1964, at a salary of $12,000 on a twelve-month service basis. The Executive Vice-President and Provost concur.

This appointment is to fill the vacancy which will be created by the retirement on September 1, 1964, of Professor M. K. Fahnestock.

I recommend approval.

On motion of Mrs. Watkins, this appointment was approved.

CHAIRMANSHIP OF DEPARTMENT OF ZOOLOGY

(4) The Dean of the College of Liberal Arts and Sciences recommends the appointment of Professor Paul Silverman as Chairman of the Department of Zoology beginning July 1, 1964, and continuing through August 31, 1965.

This appointment is to fill the unexpired term of Professor James B. Kitzmiller, who has been serving as Chairman of the Department since 1957 and who has asked to be relieved of the administrative duties as Chairman.

The recommendation has been submitted after consultation with the members of the Department of Zoology of professorial rank, the Executive Committee of the Department, and the Director of the School of Life Sciences. The Acting Dean of the Graduate College and the Executive Vice-President and Provost also concur.

I recommend approval.

On motion of Mr. Swain, this appointment was approved.
ACADEMIC DEPARTMENTS AT CHICAGO UNDERGRADUATE DIVISION

(5) In approving the expansion of the educational program at the Chicago Undergraduate Division, the Board authorized the establishment of six major administrative units: Colleges of Liberal Arts and Sciences, Engineering, Commerce and Business Administration (later changed to Business Administration), Fine and Applied Arts (later changed to Architecture and Art); and the Divisions of Education and Physical Education. The Board also authorized the establishment of departments within the four colleges, to be designated later. The Chicago Undergraduate Division Senate has recommended, the Vice-President for the Division and the Executive Vice-President and Provost concurring therein, the designation of the following departments:

College of Liberal Arts and Sciences: Biological Sciences, Chemistry, English, French, Geography, Geology, German, History, Mathematics, Music, Philosophy, Political Science, Psychology, Russian Languages, Sociology and Anthropology, Spanish, and Speech and Theatre.

College of Business Administration: no departmental organization, but with areas of concentration in Accounting, Economics, Finance, Management, and Marketing.

College of Architecture and Art: Architecture, Art.

Some of these departments have already been formally designated by the Board in approving appointments to headships or chairmanships but they are being reported here as a complete presentation for the record. The Senate Coordinating Council has indicated that no other Senate jurisdiction is involved.

I recommend approval.

On motion of Mr. Pogue, this recommendation was approved.

HEADSHIP OF THE DEPARTMENT OF BIOLOGICAL SCIENCES,
CHICAGO UNDERGRADUATE DIVISION

(6) The Dean of the College of Liberal Arts and Sciences and the Vice-President for the Chicago Undergraduate Division recommend the appointment of Dr. John O. Corliss, presently Professor of Zoology at Urbana, as Professor of Biological Sciences on indefinite tenure and Head of the Department of Biological Sciences in the College of Liberal Arts and Sciences at the Chicago Undergraduate Division beginning September 1, 1964, at an annual salary of $17,000 on an academic year service basis.

The Acting Dean of the Graduate College and the Executive Vice-President and Provost concur.

I recommend approval.

On motion of Mr. Hughes, this appointment was approved.

HEADSHIP OF THE DEPARTMENT OF GEOGRAPHY,
CHICAGO UNDERGRADUATE DIVISION

(7) The Dean of the College of Liberal Arts and Sciences and the Vice-President for the Chicago Undergraduate Division recommend the appointment of Dr. Alden D. Cutshall, presently Professor of Geography in the Division of Social Sciences, as Professor of Geography on indefinite tenure and Head of the Department of Geography at the Chicago Undergraduate Division beginning September 1, 1964, at an annual salary of $15,000 on an academic year service basis.

The Acting Dean of the Graduate College and the Executive Vice-President and Provost concur.

I recommend approval.

On motion of Mr. Swain, this appointment was approved.

HEADSHIP OF THE DEPARTMENT OF GERMAN,
CHICAGO UNDERGRADUATE DIVISION

(8) The Dean of the College of Liberal Arts and Sciences and the Vice-President for the Chicago Undergraduate Division recommend the appointment of Dr.
Daniel C. McCluney, Jr., presently Associate Professor of German Languages and Literatures at Stanford University, as Professor of German on indefinite tenure and Head of the Department of German in the College of Liberal Arts and Sciences at the Chicago Undergraduate Division beginning September 1, 1964, at an annual salary of $14,000 on an academic year service basis.

The Acting Dean of the Graduate College and the Executive Vice-President and Provost concur.

I recommend approval.

On motion of Mrs. Watkins, this appointment was approved.

HEADSHIP OF THE DEPARTMENT OF MUSIC, CHICAGO UNDERGRADUATE DIVISION

(9) The Dean of the College of Liberal Arts and Sciences and the Vice-President for the Chicago Undergraduate Division recommend the appointment of Edwin R. Fissinger, presently Assistant Professor of Music in the Division of Humanities, as Assistant Professor of Music and Head of the Department of Music in the College of Liberal Arts and Sciences at the Chicago Undergraduate Division for one year from September 1, 1964, at a salary of $10,000 on an academic year service basis.

The Acting Dean of the Graduate College and the Executive Vice-President and Provost concur.

I recommend approval.

On motion of Mrs. Watkins, this appointment was approved.

HEADSHIP OF THE DEPARTMENT OF POLITICAL SCIENCE, CHICAGO UNDERGRADUATE DIVISION

(10) The Dean of the College of Liberal Arts and Sciences and the Vice-President for the Chicago Undergraduate Division recommend the appointment of Dr. Hollis W. Barber, presently Professor of Political Science, as Professor of Political Science on indefinite tenure and Head of the Department of Political Science in the College of Liberal Arts and Sciences at the Chicago Undergraduate Division beginning September 1, 1964, at an annual salary of $13,000 on an academic year service basis.

The Acting Dean of the Graduate College and the Executive Vice-President and Provost concur.

I recommend approval.

On motion of Mr. Dilliard, this appointment was approved.

HEADSHIP OF THE DEPARTMENT OF PSYCHOLOGY, CHICAGO UNDERGRADUATE DIVISION

(11) The Dean of the College of Liberal Arts and Sciences and the Vice-President for the Chicago Undergraduate Division recommend the appointment of Dr. Isadore E. Farber, presently Professor of Psychology at the State University of Iowa, as Professor of Psychology on indefinite tenure and Head of the Department of Psychology at the Chicago Undergraduate Division beginning September 1, 1964, at an annual salary of $18,000 on an academic year service basis.

The Acting Dean of the Graduate College and the Executive Vice-President and Provost concur.

I recommend approval.

On motion of Mr. Pogue, this appointment was approved.

HEADSHIP OF THE DEPARTMENT OF MATERIALS AND MECHANICS, CHICAGO UNDERGRADUATE DIVISION

(12) The Dean of the College of Engineering and the Vice-President for the Chicago Undergraduate Division recommend the appointment of Dr. Ernest F. Masur, presently Professor of Engineering Mechanics at the University of Michigan, as Professor of Materials and Mechanics on indefinite tenure and Head of the Department in the College of Engineering at the Chicago Undergraduate Division beginning September 1, 1964, at an annual salary of $16,000 on an academic year service basis.
This recommendation is submitted after consultation with all senior staff in the materials and mechanics area of the College and is concurred in by the Executive Vice-President and Provost and the Acting Dean of the Graduate College.

I recommend approval.

On motion of Mr. Jones, this appointment was approved.

SABBATICAL LEAVES OF ABSENCE, 1964-65

(13) I recommend that the following members of the staff be given sabbatical leaves of absence during the academic year 1964-65 in accordance with the provisions of the University of Illinois Statutes and on the terms and for the periods indicated. This recommendation is supplementary to the applications recommended to the Board of Trustees on March 18, 1964.

Marvin Stippes, Professor of Theoretical and Applied Mechanics, first semester, full pay.

Richard B. Selander, Associate Professor of Entomology, first semester, full pay; leave contingent upon receipt of supplementary financial aid.

On motion of Mr. Pogue, these leaves were granted, as recommended.

CENTER FOR ASIAN STUDIES

(14) The Dean and the faculty of the College of Liberal Arts and Sciences and the Executive Committee of the Division of Social Sciences recommend that there be established in the College a Center for Asian Studies to implement a program previously established for which funds have been provided in state appropriations for the current biennium (1963-65) and for further support of which the University has received a grant from the Ford Foundation covering a period of five years.

A supporting, definitive statement about the organization and functions of this Center is submitted herewith and a copy is being filed with the Secretary of the Board for record.

The Acting Dean of the Graduate College and the Executive Vice-President and Provost concur.

I recommend approval, subject to further action by the Board of Higher Education.

On motion of Mr. Swain, this recommendation was approved.

ADMISSION REQUIREMENTS IN ART

(15) The Urbana-Champaign Senate has recommended the following proposal from the College of Fine and Applied Arts for a change in the requirements for admission to the curriculum in art: All students entering the University after June 1, 1965, to proceed at the junior level in any art curriculum (registered at junior level art courses) must have earned a cumulative average of at least 3.25 for all university work, based on the grading system of the University of Illinois.

This change is necessary to control enrollments in the curriculum in the Department of Art and the proposed change is directed primarily to transfer students. A program of limitations of the number of freshmen admissions is already in effect and has, in general, proved satisfactory.

The proposal was previously concurred in by the All-University Committee on Admissions and has also been approved by the Chicago Undergraduate Division Senate.

I recommend approval.

On motion of Mr. Swain, this recommendation was approved.

CURRICULUM IN MILITARY SCIENCE

(16) The Urbana-Champaign Senate recommends approval of a military science curriculum which has been set up to meet the requirements of a voluntary
Reserve Officers' Training Corps program, eliminating branch material subjects and substituting a general military science program. This revised curriculum is necessary if the voluntary program is to succeed, because, in order to interest the students, it must provide realism, challenge (both intellectually and physically), and incentive. It is important the maximum credit be offered towards satisfying the requirements for a baccalaureate degree by substitution of non-military University courses for military courses.

A complete statement of the United States Army military science curriculum and the courses to be included has been filed with the Secretary of the Board for record.

This proposal is submitted with the concurrence of the Department of the Army, an ad hoc Committee on Implementation of Voluntary Reserve Officers' Training Corps and Coordination of Related Actions, and of the Committee on Military Affairs.

I recommend approval.

On motion of Mr. Hughes, this revised curriculum was authorized.

CURRICULUM IN ORTHOPAEDIC SURGERY

(17) The Medical Center Senate recommends authorization of a curriculum in orthopaedics leading to the degree of Master of Science. This program will provided advanced training in scientific investigation and teaching for students preparing for careers in teaching and research and will provide the degree candidate with opportunities beyond those available to residents in training for specialties. The degree requirements are:

Prerequisites will include the degree of Doctor of Medicine and at least one year of internship.

The candidate must also meet the general requirements for admission to the Graduate College.

Nine units of graduate work, including a minimum of one unit in a graduate course in a related basic science discipline.

Attendance at one seminar per quarter for three quarters in one of the basic sciences, including anatomy, biological chemistry, microbiology, pathology, physiology, public health, biometrics and statistics, and pharmacology.

Attendance at Department of Orthopaedic Surgery seminar during the entire period of graduate study.

A thesis conforming to Graduate College requirements.

A supporting document from the Medical Center Senate descriptive of the program and giving the details of the courses included is being filed with the Secretary of the Board for record.

The Acting Dean of the Graduate College and the Executive Vice-President and Provost concur.

The Senate Coordinating Council has indicated that no other Senate jurisdiction is involved.

I recommend approval, subject to further action by the Board of Higher Education.

On motion of Mrs. Watkins, this recommendation was approved.

CHICAGO UNDERGRADUATE DIVISION HEALTH SERVICE COURSES AND STAFF

(18) The Director of the Health Service at the Chicago Undergraduate Division has recommended that the names of the courses offered by the medical staff of the Health Service there and the professorial titles of the staff be changed from "Hygiene" to "Health Science."

With the concurrence of the Director of the Health Services and other administrative officers concerned, this change has been approved for all campuses and is reported for record.

This report was received for record.

SUMMER SPEECH CLINICS

(19) The Director of the Division of Services for Crippled Children and the Vice-President for the Medical Center recommend that the Division be author-
ized to continue speech clinics during the summer of 1964 at the following institutions of higher education in Illinois on a reimbursable cost basis:

<table>
<thead>
<tr>
<th>Institution</th>
<th>Estimated Cost</th>

A similar clinic at the University of Illinois at Urbana........... $14 361 00

Funds are available in the budget of the Division of Services for Crippled Children.
I concur.

On motion of Mr. Swain, this recommendation was approved.

CHICAGO CIRCLE

(20) The city of Chicago on April 17, 1964, adopted the following ordinance:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The name by which the interchange between John Fitzgerald Kennedy Expressway, Dwight D. Eisenhower Expressway, and Dan Ryan Expressway shall be known as “Chicago Circle.”

SECTION 2. The Commissioner of the Department of Streets and Sanitation is authorized and directed to place the proper signs bearing the name set forth in Section 1 at said interchange.

SECTION 3. This ordinance shall take effect upon its passage.

Alderman Keane moved to Suspend the Rules Temporarily to permit immediate consideration of and action on the foregoing proposed ordinance. The motion Prevailed.

Alderman Keane moved to Pass the proposed ordinance. The motion Prevailed, by yeas and nays as follows:

Nays — None.

In view of this official change in name of the intersection of the three expressways, I recommend the Board of Trustees change the name of the new campus for the University of Illinois now under construction at Congress Circle to the “University of Illinois at Chicago Circle.”

On motion of Mr. Dilliard, this change in name was approved.

APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(21) The Committee on Nonrecurring Appropriations, the Executive Vice-President and Provost, and the Vice-President and Comptroller recommend the following appropriations from the University General Reserve:

Urbana-Champaign

1. College of Engineering
   Department of Civil Engineering, equipment, to match a grant from the National Science Foundation for research in analytical photogrammetry ........................................... $ 5 000

2. College of Journalism and Communications
   WILL Radio Station, equipment.............................................. 34 741

3. Physical Plant Department
   Resurfacing two tennis courts at Romine Street and University Avenue............................................. 4 980

Department of Chemistry and Chemical Engineering, equipment, to match a grant from the National Science Foundation for undergraduate instruction ..........................................

Department of Geology, equipment, to match a grant from the National Science Foundation for undergraduate instruction ..........................................

Total .......................................................................................................................... $153,161

I concur.

On motion of Mr. Swain, these appropriations were made by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Kerner, Mr. Page, Mr. Williamson.

AWARD OF CONTRACTS FOR CONSTRUCTION OF COORDINATED SCIENCES LABORATORY BUILDING. PHASE II

(22) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contracts for construction of Phase II of the Coordinated Science Laboratory Building, the award in each case to the lowest bidder:

General — Johnson, Drake, and Piper, Incorporated, Terre Haute, Indiana .................................................................................................................. $251,000

Base bid ............................................. $239,000

Additive alternates:
Service charge for assignment of other contracts to the general contractor ............................................. 4,100
Increasing depth of basement ...................................................... 2,200
Wood block flooring in machine shops ............................................. 1,600
Retaining wall along walk .......................................................... 1,900
Replacing and widening present brick and concrete walk .................. 2,200

Electrical — Square Deal Electrical Contracting, Inc., Urbana .................................................................................. 58,678

Base bid ............................................. $62,900

Alternate for increasing depth of basement ...................... no change

Deductive alternate for furnishing and installing fused secondary distribution section in unit substation in lieu of breakers ............................................. —4,222

Plumbing — Reliable Plumbing and Heating Company, Champaign ........................................................................ 26,740

Base bid ............................................. $26,315

Increasing depth of basement .................................................. 150
Conducting manhole at sewer connection ............................. 275

Heating and Air Conditioning — Reliable Plumbing and Heating Company, Champaign ............................................. 47,640

Base bid ............................................. $47,640

Alternate for increasing depth of basement ...................... no change

Ventilating — R. H. Bishop, Company, Champaign .................................................................................. 14,934

Base bid ............................................. $14,934

Alternate for increasing depth of basement ...................... no change

Total .......................................................................................................................... $398,992

It is recommended that a combined contract be awarded to Reliable Plumbing and Heating Company, Champaign, in the amount of $74,380, being the total of the amounts bid by that Company on the plumbing and the heating and air-conditioning work.

It is also recommended that all contracts other than the general contract be assigned to the contractor for general work, making the total of his contract $398,992; and it is further recommended that an agreement be entered into with Johnson, Drake, and Piper, Incorporated, Terre Haute, Indiana, for the assignment of these other contracts for $4,100 which amount is included in the contract price, being the amount bid by that company for service charge for supervision of other contracts assigned to the general contractor.
Funds are available from the Research Contracts Reserve.

Submitted herewith is a report from the Physical Plant Department on this project, including a schedule of all bids received, copies of which are being filed with the Secretary of the Board for record.

I concur in these recommendations.

On motion of Mr. Pogue, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Kerner, Mr. Page, Mr. Williamson.

CONTRACTS FOR CONSTRUCTION OF PARKING LOTS FOR COMMERCE AND EDUCATION BUILDINGS

(23) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for $17,600, the base bid plus all alternates, to Champaign Asphalt Company, Champaign, the lowest bidder, for construction of two parking lots, with a capacity of eighty-seven cars, in vacant areas south and east of the new buildings for the College of Commerce and Business Administration and the College of Education.

Funds are available in the construction budgets for these buildings.

I concur.

On motion of Mr. Swain, this contract was awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Kerner, Mr. Page, Mr. Williamson.

CONTRACT FOR REROOFING ALLERTON HOUSE

(24) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for $28,120, the base bid, plus an alternate for new lightning protection, to Lloyd Hitchins, an individual doing business as Hitchins Roofing Company, Urbana, the lowest bidder, for reroofing the slate areas of Allerton House.

Funds are available in the Allerton House maintenance account.

I concur.

On motion of Mr. Hughes, this contract was awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Kerner, Mr. Page, Mr. Williamson.

CONTRACTS FOR IMPROVEMENTS TO AGRICULTURE LIBRARY IN MUMFORD HALL

(25) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contracts for remodeling the Agriculture Library in Mumford Hall which will provide for expansion and other improvements, the award in each case being to the lowest bidder:

| General — C. A. Petry and Sons, Inc., Champaign | $10,065 |
| Base bid .................................................. | $8,590 |
| Additive alternates: | |
| For service charge for assignment of other contracts for supervision ................................. | 500 |
| Installation of vinyl asbestos floor covering in Rooms 127 and 128 .................................. | 975 |
| Electrical — Square Deal Electrical Contracting, Inc., Urbana ........................................ | 3,800 |
| Piping and Refrigeration — Petry Roofing and Sheet Metal Company, Champaign .................... | 4,725 |

Total .......................................................... $18,590

It is also recommended that all contracts, other than the general contract, be assigned to the contractor for general work making the total of his contract $18,590; and it is further recommended that an agreement be entered into with C. A. Petry and Sons, Inc., for the assignment of these other contracts for $500,
which amount is included in the contract price, being the amount bid by that
firm for service charge for supervision of other contracts assigned to the general
contractor.

In addition to the construction contracts, the total costs include purchase of
book shelves, and architectural and engineering fees. The Committee on Non-
recurring Appropriations recommends that the Board authorize the assignment
of $40,000 for this work from the University's General Reserve.

Submitted herewith is a report from the Physical Plant Department on this
project, including a schedule of all bids received, copies of which are being filed
with the Secretary of the Board for record.

I concur.

On motion of Mr. Hughes, these contracts were awarded, as recom-
mended, and the request for the assignment of funds was approved, by
the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr.
Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins; no, none; absent, Mr.
Johnston, Mr. Kerner, Mr. Page, Mr. Williamson.

CONTRACT FOR PARTICLE ACCELERATOR FOR
MATERIALS RESEARCH LABORATORY

(26) The Director of the Physical Plant and the Vice-President and Comptroller
recommend purchase of a particle accelerator for the Materials Research Labo-
ramory from the High Voltage Engineering Corporation, Burlington, Massachu-
setts, the lowest bidder, at a cost of $210,815. The purchase price will include:

<table>
<thead>
<tr>
<th>Item</th>
<th>Cost</th>

</tr>
<tr>
<td>X-ray target</td>
<td>2,180</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>$210,815</strong></td>
</tr>
</tbody>
</table>

Funds are available in the contract budget. Award of the contract is subject
to the approval of the Atomic Energy Commission.

I concur.

On motion of Mr. Dilliard, this contract was awarded by the follow-
ing vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Jones,
Mr. Pogue, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston,
Mr. Kerner, Mr. Page, Mr. Williamson.

CONTRACT FOR PATHOLOGICAL INCINERATOR IN
MEDICAL RESEARCH LABORATORY

(27) The Director of the Physical Plant and the Vice-President and Comptroller
recommend award of a contract for $12,120 to the C. O. Henriksen Company,
Chicago, the lowest bidder, for a new pathological incinerator in the Medical
Research Laboratory at the Medical Center.

The work will include removing the present pathological incinerator, which
has deteriorated from heavy usage, and replacing it with a new 300 pound/hour
incinerator with fully automatic controls.

Funds are available in the Physical Plant Department budget.

I concur.

On motion of Mr. Swain, this contract was awarded by the follow-
ing vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Jones,
Mr. Pogue, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston,
Mr. Kerner, Mr. Page, Mr. Williamson.

CONTRACT FOR WEATHERPROOFING ROOF DECK AT
RESEARCH AND EDUCATIONAL HOSPITALS

(28) The Director of the Physical Plant and the Vice-President and Comptroller
recommend award of a contract for $2,825 to the Consumers Roofing and Insu-
lating Company, Chicago, the lowest bidder, for roof deck weatherproofing at the
Research and Educational Hospitals.
The work will consist of weatherproofing an existing tar and gravel roof and a portion of promenade tile roof in one area to remedy leakage. Funds for this work are available from the Physical Plant Department budget. The project was advertised in the “Illinois State Register.” I concur.

On motion of Mr. Pogue, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Kerner, Mr. Page, Mr. Williamson.

**CONTRACT FOR LABORATORY EQUIPMENT FOR RESEARCH AND EDUCATIONAL HOSPITALS ADDITION**

(29) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for $4,621.76 to the Kewaunee Manufacturing Company, Evanston, Illinois, the lowest bidder, for furnishing and setting in place laboratory equipment in Room 1212 in the Research and Educational Hospitals Addition. The work will include converting an existing office area into a research laboratory for staff and students in the Department of Pediatrics. Funds are available from Contract Research Reserve-Department. I concur.

On motion of Mr. Swain, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Kerner, Mr. Page, Mr. Williamson.

**CONTRACT FOR ELECTRICAL SERVICE TO CENTRAL NATIONAL BANK BUILDING AT CHICAGO CIRCLE**

(30) The University is purchasing the Central National Bank at 728 West Roosevelt Road, on or about July 1, 1964. This building will require separate electrical service from the Commonwealth Edison Company, since it is not economical to run service from the heating plant. Commonwealth Edison will supply electricity at the bank building at 2.16KV transformed to 120/240 volts and 2.74KV transformed to 240 volts, at a monthly facilities rental service charge of $71.00 plus excess metering charges for a combined billing at a monthly rental of $46.20. The nonrecurring cost for excess facilities to supply electricity at a second point is $4,274. It is estimated that the savings effected by combined billing will amortize the excess facilities cost of $4,274 in one year's time. The Director of the Physical Plant and the Vice-President and Comptroller therefore recommend authorization of an agreement with Commonwealth Edison Company, Chicago, for the electrical service at the new Chicago Campus, and that the University pay Commonwealth Edison Company the standard excess facility charges of $4,274. Funds are available in the state capital appropriations to the University for 1963-65 from the Universities Building Fund and have been released. I concur.

On motion of Mrs. Watkins, this agreement was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Kerner, Mr. Page, Mr. Williamson.

**MAJOR STREET AND HIGHWAY PLAN FOR THE CHAMPAIGN-URBANA AREA**

(31) The Board of Trustees has approved in principle a Major Street and Highway Plan for the Champaign-Urbana area and authorized the University's participation in the planning organization required by the Federal Aid Highway Act of 1962. The Illinois Division of Highways has now requested each agency involved
in this improvement program to adopt a formal resolution authorizing participation therein.

A resolution prepared by the Division is submitted herewith. I recommend that the Board adopt the said resolution, and that the Secretary of the Board be authorized to issue certified copies of said resolution to such public agencies and other parties as may require the same, and to file a certified copy with his record of the minutes of today's meeting.

On motion of Mr. Pogue, this recommendation was approved, and the resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Kerner, Mr. Page, Mr. Williamson.

EMPLOYMENT OF ENGINEERS

(32) The Director of the Physical Plant and the Vice-President and Comptroller recommend the employment of Sargent and Lundy, Consulting Engineers, Chicago, at a cost not to exceed $10,000, for analyzing the economics of purchase versus generation of power and steam for the University at Urbana-Champaign.

Funds are available for this study.

The Committee on Buildings and Grounds also recommends approval.

I concur.

On motion of Mr. Pogue, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Kerner, Mr. Page, Mr. Williamson.

ADDITION TO CONTRACT FOR CONSTRUCTION OF EAST CHEMISTRY, FIRST ADDITION

(33) The Director of the Physical Plant and the Vice-President and Comptroller recommend an increase of $5,191.79 in the contract with Kuhne-Simmons Company, Inc., Champaign, for construction of the East Chemistry Building Addition to provide for the elimination of inverted syphons in the storm drainage system and provision of a gravity flow system.

Funds are available in the construction budget.

I concur.

On motion of Mr. Hughes, this change in contract was authorized.

ADDITION TO CONTRACT FOR CONSTRUCTION OF THE CHICAGO CIRCLE CAMPUS

(34) The Director of the Physical Plant and the Vice-President and Comptroller recommend an increase of $13,236.01 in the contract with Gust K. Newburg Construction Company, Chicago, for modifications of the closed circuit television and communications systems at Chicago Circle.

Funds are available in the construction budget.

I concur.

On motion of Mr. Swain, this change in contract was authorized.

ADDITIONS TO CONTRACTS FOR CONSTRUCTION OF CHICAGO CIRCLE UNION BUILDING

(35) The Director of the Physical Plant and the Vice-President and Comptroller recommend increases in contracts for the construction of a Student Union Building at Chicago Circle to provide for extensions of utilities services to the two adjacent Hull House Buildings:

- Power Construction, Inc., Oak Park ........................................ $ 793.04
- Frank S. Bellis, Berwyn ..................................................... 15 460.94
- Hoffman Electric Company, Chicago ...................................... 399.95

Total ............................................................................. $16,653.93

The architects for the restoration of Hull House investigated ways and means of providing the necessary services and found that the most economical would be from the Student Union, the closest source to the campus system.
The architects for the Union Building and for Hull House state that the contractors' proposed charges for the work involved are reasonable.

I concur.

On motion of Mrs. Watkins, these contract changes were authorized.

**INCREASED INTERCITY TELEPHONE FACILITIES**

(36) The University now has eight WATS (Wide Area Telephone Service) lines at Urbana and two WATS lines at Chicago serving both the Navy Pier and the Medical Center. These lines permit a call to be made to any point in the state without incurring a toll charge. Each day an average of over 800 calls from Urbana and 200 calls from Chicago are made over these ten WATS lines. However, only 25 per cent of all attempts to secure a line succeed on the first try, indicating that the number of lines are not adequate to handle the traffic demand. As a result, toll calls are being made around the WATS lines resulting in monthly toll charges of $1,400 in Urbana and $450 in Chicago.

The Telephone Company has recently made available a new service—TELPAK—which, in brief, is a sharing of channels of communication by public agencies. The state of Illinois is a heavy user of TELPAK and has unused channels which are available to the University. As a result, it is possible to install tie lines between certain points at a cost much lower than under any previous rate schedule.

The Telephone Company has analyzed the calls made over the WATS lines with particular attention to their point of termination, and it is the opinion of its staff that the University's intercity communication service would be greatly improved by eliminating three of the eight WATS lines at Urbana and installing seven tie lines between Urbana and Chicago and three tie lines between Urbana and Springfield. (While the number of calls to Springfield is not proportionately large enough to warrant three lines, the duration of these calls is three to four times that of calls to other points.)

The Telephone Company's proposal would result in the University having seventeen intercity communication paths available at one time as compared with ten at the present time. The proposal also provides for an additional tie line between Navy Pier and the Medical Center. In terms of fixed rental charges, the proposed service would not cost as much as the present WATS lines. However, calls to Chicago over the tie lines result in message unit charges of 4 1/4 cents per call. On the basis of the present number of calls to Chicago, the total cost of the proposed service would be the same, or slightly lower, than the present ten WATS lines. However, there would be a one-time installation charge of $300.

The proposal has been discussed with representatives of all campuses who recommend that the Illinois Bell Telephone Company be authorized to eliminate three of the present eight WATS lines at Urbana; and to install seven tie lines between Urbana and Chicago, three tie lines between Urbana and Springfield, and one additional tie line between Navy Pier and the Medical Center.

This proposal was submitted by the Vice-President and Comptroller.

On motion of Mrs. Watkins, this recommendation was approved. Mr. Hughes asked to be recorded as not voting.

**CITATION FOR LENOX R. LOHR**

(37) I recommend the conferring of a Trustees Citation on Major Lenox R. Lohr, President of the Museum of Science and Industry of Chicago, in recognition of his many public services, and particularly his services to the University of Illinois as Chairman for many years of the Citizens Committee, and more recently as Chairman of the Committee on the Jane Addams Memorial Fund campaign. An appropriate occasion for the conferring of the Citation would be the biennial meeting of the Citizens Committee to be held at Urbana on May 21.

On motion of Mr. Swain, this recommendation was approved. The Citation which was presented to Major Lohr on the following day is as follows:
THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS

To LENOX R. LOHR

In Recognition of Distinguished Public Service

The City of Chicago, the State of Illinois, and the Nation are the beneficiaries of his talents for the popular communication of knowledge, of his intense devotion to civic improvement, and of his capacity for leadership in achieving the tasks undertaken.

Highlights of his career include distinguished service as an Army Officer in World War I and in the Corps of Engineers for several years thereafter; skilful organization and expert management of "A Century of Progress International Exposition," the Chicago World's Fair of 1933-1934; President of the National Broadcasting Company from 1935 to 1940; Director of the Chicago Civil Defense Agency, 1950 to 1953; President of the Chicago Railroad Fair, a masterly pageant of the development of our country's transportation system, 1948-1949; President of the Centennial of Engineering, 1932; Chairman of the Illinois Commission of Higher Education from 1954 to 1959, which was the precursor of current developments in planning for higher education in this State; Chairman of the Metropolitan Fair and Exposition Authority from 1955 to 1957; and a quarter of a century of concentration of talent and work in developing his central interest — The Museum of Science and Industry, a great and unique educational institution in its own right.

The Board of Trustees of the University of Illinois would add this citation to his many other honors, and would have him accept with it a grateful expression of appreciation of his special services to the University — as a member of its Citizens Committee since it was created in 1942 and as Chairman of the Committee for the past twenty years; and, more recently, as Chairman of the Jane Addams Memorial Fund campaign for the restoration and preservation of Hull House.

Given at the University of Illinois May 21, 1964.

RECOGNITION OF SERVICES OF DR. ALONZO G. GRACE, DR. JACK W. PELTASON, AND DR. FREDERICK T. WALL

(38) Three members of the faculty who have served as deans of colleges will leave the University this year. Because of their key roles in the formulation of recommendations for the Board of Trustees, it is appropriate that the record of the Board contain an expression of appreciation for effective, faithful, and important service and of good wishes for their future endeavors.

The appreciation and good wishes of the colleagues of these gentlemen go with them in their new activities and relationships, with the hope, also, that their friendship ties to the University of Illinois will remain firm.

On motion of Mr. Pogue, the following statements were adopted, to be included in the record of today's meeting; and the Secretary was authorized to prepare appropriate copies to be sent to the three members of the faculty.

DR. ALONZO G. GRACE

Professor of Education and Dean of the College of Education

Dr. Alonzo G. Grace, Dean of the College of Education since 1960, will retire September 1, 1964.

Dean Grace was Associate Dean of Education at New York University from 1952-60. He was Chairman of the Department of Education and Professor of Administration at the University of Chicago for a year before going to New York University in 1951 as Professor of Education. From 1938-48 he was Commissioner of Education and Secretary of the Board, Connecticut State Board of Education, and lecturer in the Yale University Graduate Department of Education. In 1948-50 he was in Berlin, Germany, as Director of Education and Cultural Relations, Office of Military Government, later the Office of the High Commissioner, American Zone of Occupation, and later the Republic of Western Germany.

The four years during which Dr. Grace has been Dean of the College of Education have been marked by many important changes within the College. A new building has been planned and built, departmental and committee reorganiza-
tion has been effected, curriculum revisions in a number of areas have been completed and others have been initiated, a new program of alumni relationships has been started, research activity has been greatly enlarged, and new faculty members for vacancies and new positions have been successfully recruited. Relationships with the school systems of the state, with agencies of state and national government and neighboring institutions in teaching education are cordial and professionally productive. A number of programs have come into national and international recognition.

Dr. Grace has carried out his duties as Dean faithfully, planfully, and with imagination. The work of the College and the University has been greatly enhanced and strengthened through his contributions and his general leadership. The stature of the College and its faculty, the scope of its service and the importance of that service to the state and the nation are at a new high level. This distinction belongs to many people, but the calm, sound, and experienced leadership of Dean Grace has been a central influence in the remarkable record of these four years.

DR. JACK WALTER PELTASON
Professor of Political Science and Dean of the College of Liberal Arts and Sciences

Dean Jack W. Peltason came to the University of Illinois as Assistant Professor of Political Science September 1, 1951. His previous teaching experience was at the University of Missouri, Princeton University, and Smith College.

By virtue of his scholarly work, his reputation for effective teaching and the wide regard of his colleagues for his capacity for academic leadership, Dr. Peltason was a natural choice for the Deanship when a vacancy occurred in September, 1960. Dean Peltason will leave the University this summer to become Dean of the College of Arts, Letters, and Sciences of the Irvine Campus of the University of California.

In presiding over the largest college of the University, Dr. Peltason has established new relationships with the other colleges and the other campuses of the University while working in many ways to improve and develop the academic achievement of his own unit. His interest in undergraduates is reflected in new arrangements for counseling, for communication with students, and for supervising and improving teaching in the introductory courses. He has encouraged academic excellence at every point and brought strong support to the graduate work of the departments. He has worked to build new programs, particularly in non-Western studies, and assisted in finding new resources for them. In University-wide matters, Dr. Peltason has been a thoughtful and wise adviser, with a broad view of the welfare of the institution as a whole and a deep conviction as to the central social importance of higher education.

Dr. Peltason has played an important role in advancing interinstitutional cooperation by joining with his fellow deans in developing new cooperative programs under the auspices of the Committee on Institutional Cooperation. Within the state, he served with distinction as a member of the “Master-Plan” Committee on Collegiate Programs of the Illinois Board of Higher Education.

The work of the College is broader, stronger, and more effectively organized because of Dean Peltason’s administration and the University as a whole has profited greatly from his imaginative leadership.

DR. FREDERICK THEODORE WALL
Professor of Physical Chemistry

Dr. Frederick T. Wall was appointed Dean of the Graduate College on August 1, 1955, and served until September 1, 1963, when he returned to full-time teaching and research in physical chemistry. On September 1, 1964, he will become Professor of Chemistry, University of California Santa Barbara Campus, after twenty-seven years at the University of Illinois. Dr. Wall’s earlier academic experience was at the University of Minnesota, where he also earned his baccalaureate and doctor’s degrees, and at the California Institute of Technology.

Dr. Wall’s prominence as a scientist was established before he undertook the Deanship of the College, and his continuing achievements in his field led to his election to the National Academy of Sciences in 1961. He received the Ameri-
can Chemical Society Award in Pure Chemistry in 1945 and the University of Minnesota Outstanding Achievement Award in 1959.

During Dr. Wall's administration of the Graduate College, the University's reputation for the quality and scope of its research grew nationally and internationally. His election in 1961 to the Presidency of the Association of Graduate Schools of the Association of American Universities was a recognition both of his leadership and the increased eminence of the University's graduate and research program.

The example of Dr. Wall's own scholarly work and his recognized insight into the merit of the work of others inspired confidence in his judgment in the decisions he was called upon to make as Chairman of the Research Board and in the appointments and awards for which he was primarily responsible. Hence, in executing his responsibilities, he encouraged the creative work of the faculty and enhanced their scholarly productivity. The University-wide fellowship competition and the program of faculty summer fellowships, now adopted and admitted by other universities, were instituted under Dean Wall's planning and administration.

The Center for Advanced Study was initiated under his guidance and he brought strong support to making the Digital Computer Laboratory a world-renowned center.

In all ways, Dean Wall has stood for and encouraged high standards and academic excellence through his achievements and service and he has won the admiration and respect of his colleagues both at the University of Illinois and throughout the country.

### PURCHASES

#### Purchases Authorized

(39) The following purchases were authorized by the President's Office on the recommendation of the Director of Purchases and the Vice-President and Comptroller. Unless otherwise specified, the purchase in each case was recommended on the basis of the lowest acceptable bid.

The recommendations are presented in one category: purchases from Institutional Funds. This term is used here to designate funds received by the University under contracts with the United States Government, contracts with private corporations and other donors, and University revolving funds authorized by law.

QUARTERLY REPORT OF THE COMPTROLLER

(41) The Comptroller presented his quarterly report to the Board as of March 31, 1964.

This report was received for record, and a copy has been filed with the Secretary of the Board.

EMPLOYMENT OF AUDITORS

Mr. Swain, for the Finance Committee, presented the following:

For many years, the University has been employing certified public accounting firms for annual audits of the University of Illinois for five-year assignments. The five-year cycle worked out well. Beginning with the audit for the fiscal year ended June 30, 1958, the Board of Trustees authorized the employment of Ernst and Ernst for a three-year period. It was felt that the shorter cycle would enable broader participation of public accounting firms interested in the assignment and, without experience with such a cycle, there was no reason to believe it might not be effective. At the conclusion of the contract with Ernst and Ernst, representatives of that firm reported their experience indicated that a longer period was desirable. The size and complexity of the University records are such that the auditing firm spent excessive amounts of time in the early years of its assignment in becoming familiar with the records and their relationships.

In order to secure more experience with the three-year cycle, Lybrand, Ross Bros., and Montgomery was employed for a three-year period beginning with the audit of the year ended June 30, 1961. Its three-year assignment was completed with the audit of the year ended June 30, 1963. This firm also reported its experience indicates that the three-year cycle is too short to realize the most effective utilization of the auditing firm's services. Staff members of the Business Office also report that the three-year cycle requires excessive staff time in assisting the auditors.

The Finance Committee therefore authorized the Comptroller to determine the interest of Lybrand, Ross Bros., and Montgomery in continuing the audit for
an additional two-year period. The firm has submitted a proposal for the audit of the University and its allied organizations as follows:

The Comptroller believes the fees are reasonable in view of the increased volume of financial activities, not only in regular operations but also on construction, and the increased cost of auditing services that has occurred over the last three years.

In accordance with the usual practice, the auditing firm will submit its reports jointly to the Board of Trustees and to the office of the Auditor General. The proposal has the approval of the office of the Auditor General, in accordance with customary procedures.

The Finance Committee recommends the employment of Lybrand, Ross Bros., and Montgomery for the audit of University accounts for the fiscal year ending June 30, 1964.

On motion of Mr. Swain, this recommendation was approved.

**SALARY OR ANNUITY PROGRAM**

Mr. Swain, for the Finance Committee, presented the following:

For many years the Internal Revenue Code offered employees of certain organizations an income tax benefit if a part of their compensation was in the form of a non-forfeitable annuity contract paid for by the employer. Increased attention was paid to this provision when its implications were clarified by the enactment of the Technical Amendments Act of 1958 which modified the Internal Revenue Code.

Under the Internal Revenue Code, the amount paid by the employer for such an annuity is not considered to be taxable income to the employee in the year in which the employer makes such payment. It will represent taxable income to the employee when he receives payments from the annuity, which normally will be after retirement and at a time when his total income is smaller, resulting in a lower tax bracket.

In 1963, the General Assembly amended the Illinois statutes relating to state employees to permit an adjustment in an employee's earnings and the application of the amount of the adjustment to the purchase of an annuity contract for the employee.

Section 166(c), Chapter 127, of the Illinois Revised Statutes, as so amended, reads:

"Each employer as defined in Section 15-106 of the 'Illinois Pension Code,' approved March 18, 1963, as amended, pertaining to the State Universities Retirement System, may permit any employee covered by that System to accept a reduction in earnings or forego an increase in earnings in consideration for which the employer shall pay the amount of the adjustment in earnings to an insurance company or companies selected by the employer to be applied as a premium on an annuity contract under which the employee's rights are non-forfeitable except for failure to pay future premiums. The selection of the insurance company or companies and the purchase of the annuity contracts shall not be subject to 'An Act in relation to state purchasing and contracts,' approved July 11, 1957, as amended.

"Each employer may adopt rules to implement this Act including, but not by way of limitation, (a) the method of filing an election to accept an adjustment in earnings and revocation of the election, (b) the effective date of an election, (c) changes in the amount of the adjustment in earnings, and (d) selection of the insurance company or companies from which the annuity contracts are to be purchased."

Dr. Robert I. Mehr, Professor of Finance and a member of the Urbana-
Champaign Senate Committee on Retirement, Hospitalization, and Insurance, at the request of the University administration, studied the problem of establishing criteria for the selection and approval of insurance companies which the Board of Trustees could consider in offering to acquire annuities for staff members, and has recommended the following set of standards (a copy of his report has previously been submitted to the Finance Committee):

1. The company must have had at least $750 million of life insurance in force in Illinois as of December 31, 1962.
2. The company must have collected at least $20 million of premium in Illinois during 1962.
3. The company must have a net yield on investment in excess of the average for the industry in each of the years 1960 through 1962.
4. The company must be willing to work closely with the University in product design.

Four companies meet these standards. Prudential Insurance Company of America and Continental Assurance Company offer group contracts. The Northwestern Mutual Life Insurance Company and the Massachusetts Mutual Life Insurance Company offer individual contracts in addition to these four. Dr. Mehr recommends that the Teachers' Insurance Annuity Association also be approved for individual contracts serviced by mail. This company was organized by the Carnegie Foundation for the Advancement of Teaching, but is now a separate entity and is now self-sustaining. It operates a companion, but separate, corporation, the College Retirement Equities Fund. Eligibility for insurance and annuities in the Association is limited to employees of colleges, universities, independent schools, and other non-profit, tax-exempt educational and scientific organizations that meet the TIAA requirements. Currently, over 1,200 organizations are cooperating with TIAA, of which approximately one-half are colleges and universities. Because of its efficient operations, and designation as an insurance carrier for college faculty members, a number of University of Illinois faculty presently own TIAA contracts purchased for them by other institutions. It would be to their advantage, in some cases, to continue this relationship, rather than to start a new contract with a new company. Accordingly, Dr. Mehr recommends approval of TIAA-CREF as the fifth company authorized to do business under this arrangement.

Obviously, the University can not do business with all insurance companies. Some restriction is necessary. The smaller the number of insurance companies involved, the more effective can be the liaison between the University, the insurance company, and the staff member. Application of the standards recommended results in only five companies being approved, but it is believed that within these five companies, sufficient variation of programs is available to serve the needs of the faculty.

The Salary or Annuity program has been presented to and discussed with the Senate Committee on Retirement, Hospitalization, and Insurance on each campus and the Employees Advisory Committee to the Board of Trustees of the State Universities Retirement System.

The Finance Committee recommends the adoption of the following rules by the Board of Trustees as contemplated by the Illinois statute, and further recommends that the appropriate University officials be authorized to publicize and implement the same.

Rules Adopted by the Board of Trustees of the University of Illinois to Implement Provisions of Illinois Revised Statutes, Chapter 127, Section 166(c)

1. Any employee of the University who is a participant in the State Universities Retirement System and who desires to make an election to accept an adjustment in earnings pursuant to Section 166(c) of Chapter 127 of the Illinois Revised Statutes shall do so by executing and filing with the University a document in a form approved by the Vice-President and Comptroller and by the Legal Counsel. In the event that more than one such election is filed by an employee, the election bearing the latest date shall be deemed to supersede all previous elections, but no employee may file more than one election in any calendar year. Any such election
so filed may be revoked at any time by the employee upon filing a written revoca-
tion with the University.

2. The initial effective date for any employee's adjustment in earnings here-
under shall be July 1, 1964.

3. The following insurance companies are selected as those from which the
University may purchase the annuity contracts referred to in said Section 166(c)
of Chapter 127 of the Illinois Revised Statutes, and the amount of the adjustment
in each employee's earnings shall be paid to one or more of said companies to be
applied as a premium on an annuity contract or contracts under which such em-
ployee's rights are non-forfeitable except for failure to pay future premiums:

The Continental Assurance Company
The Massachusetts Mutual Life Insurance Company
The Northwestern Mutual Life Insurance Company
Prudential Insurance Company of America
Teachers' Insurance Annuity Association

4. These rules may be amended or supplemented by the Board of Trustees
from time to time.

On motion of Mr. Swain, these recommendations were approved,
and the proposed rules were adopted.

ADDITION TO CONTRACT FOR CONSTRUCTION OF THE ADMINISTRATION BUILDING

(43) The Director of the Physical Plant and the Vice-President and Comptroller recommend an increase of $3,154.13 in the contract with Kuhne-Simmons Company, Inc., Urbana, for construction of the south addition to the Administration Building to provide for modifications in the electrical work and an increased number of lighting fixtures on the third floor, west end, of the new unit. Funds are available in the project budget.
I concur.

On motion of Mr. Pogue, this change in contract was authorized.

EMPLOYMENT OF SPECIAL COUNSEL

(44) A suit has been filed in the Circuit Court of Cook County (63 C 18217) by the Harwald Company, Inc., a manufacturer and distributor of film inspection equipment. The Company was barred from bidding on University business for one year by action of the Board of Trustees on March 20, 1963. The complaint seeks damages for injuries to the plaintiff's reputation and business alleged to have been caused, in part, by reason of the March 20, 1963, Board action, an alleged failure by some of the defendants to exercise due diligence in the pursuit of their various functions at the University, and by actions of some defendants in connection with an opinion given to the University by an engineering firm as to the quality and utility of certain film inspection machines. The named defendants include, among others, the University and three of its employees. Each of the employees has stated that he was performing his University duties on all occasions referred to in the complaint and has requested the University to provide counsel to defend his legal rights in the matter. The Legal Counsel recommends that he be authorized to take such steps as are necessary or appropriate, including the employment of special legal counsel, to defend the University and its employees in the proceedings.
I concur.

On motion of Mr. Swain, this recommendation was approved, and authority was given as requested.

FUTURE BOARD MEETINGS

President Clement announced that the next two meetings will be held in Urbana, Illinois, on June 17 and July 22, 1964. He asked if the Board desired to consider the question of a meeting in August.
It was the consensus of the Board that this decision should be deferred until a later meeting.

ASSOCIATION OF GOVERNING BOARDS

Mrs. Watkins presented a report on the meeting of the Association of Governing Boards of Universities and Colleges held at the University of Nevada on May 14 and 15, which she attended as a representative.
of the Board of Trustees and as a member of the Association's Executive Committee.

**REPORT ON ADMISSIONS TO THE UNIVERSITY OF ILLINOIS AT URBANA FOR SEPTEMBER, 1964**

President Henry and Executive Vice-President and Provost Lanier reported on the enrollment demand at Urbana, and Vice-President Parker on the enrollment demand at the Chicago Undergraduate Division.

Because of the lack of housing accommodations, faculty, and academic space, coupled with an unprecedented number of applications for admission, many qualified applicants will be denied admission to the University of Illinois at Urbana next September.

Present indications are that the Chicago Undergraduate Division can accommodate only two-thirds of the qualified applications for admission in September, 1964.

A summary of the President's report was issued as a public announcement and a copy is filed with the Secretary of the Board for record.

**SECRETARY'S REPORTS**

The Secretary presented for record the following lists: appointments to the faculty made by the President; appointments of fellows made by the President; appointments of fellows made by the Dean of the Graduate College; declinations, resignations, and terminations; leaves of absence; sabbatical leaves of absence; retirements.

WILLIAMSON, HAROLD, JR., Instructor in Economics, academic year 1964-65, $9,200 (4-20-64).

WILSON, MRS. ELEANORE, Project Assistant in the State Natural History Survey and in the Graduate College, three months from April 1, 1964, $900 (4-17-64).

WILSON, VELMA K., Adviser for preregistration of entering freshmen in Music, 17/100 time, June 16-August 4, 1964, $410; this is in addition to her present appointment (3-20-64).

WOLFF, JANET M., Clinical Assistant Professor of Preventive Medicine, College of Medicine, five months from April 1, 1964, without salary (4-1-64).

FELLOWS

(The following appointments were made by the President of the University.)

CHAPMAN, HENRY S., Edward L. Ryerson Traveling Fellow in Architecture for 1964-65.)

MOYER, FREDERIC D., Thirtieth Francis J. Plym Fellow in Architectural Engineering for 1964.

(The following appointments made by the Dean of the Graduate College were approved on the date indicated in parentheses.)

ALLEN, CHRISTOPHER M., Fellow in Civil Engineering, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

ANDERSON, CHARLES A., Teaching Fellow in Music, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

ANDERSON, DEAN F., National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1964, $5,880 (4-17-64).

ANDERSON, FLOYD D., Fellow in Speech, nine months from September 16, 1964, $2,200; and two months from June 16, 1965, $500 (4-1-64).

ANDREW, ALAN, Fellow in Communications, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-24-64).

ARMSTRONG, ROBERT J., Hackett Fellow in Horticulture, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

AUTEN, LAWRENCE J., Knox College Fellow in History, nine months from September 16, 1964, $1,500 (4-1-64).

Baker, Leroy E., National Science Foundation Trainee I in Civil Engineering, one year from September 16, 1964, $2,400 (4-1-64).

Banister, Eric W., Fellow in Physical Education, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

Barnett, Leland B., Teaching Fellow in Zoology, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

Bengtson, Albert H., National Lead Company (Titanium Division) Fellow in Ceramic Engineering, nine months from September 16, 1964, $1,650 (4-1-64).

Brockstein, Allan J., Fellow in Electrical Engineering, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

Bromels, Edward, Fellow in Chemistry, nine months from September 16, 1964, $2,000; and two months from June 16, 1965, $500 (4-1-64).

Bromley, Roger, Fellow in English, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).
BROSS, JAMES B., National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1964, $5,310 (4-17-64).

BROWN, EUGENE F., Fellow in Mechanical Engineering, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

BRUNETTE, CONSTANT E., Fellow in Civil Engineering, nine months from September 16, 1964, $1,800; and two months from June 16, 1964, $450 (4-1-64).

BUETTNER, GRACE M., National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1964, $3,600 (4-17-64).

BUNGER, MELODY P., Fellow in Creative and Performing Arts (Music), nine months from September 16, 1964, $1,800; and two months from June 16, 1964, $450 (4-1-64).

BUNGER, MELODY P., Fellow in Creative and Performing Arts (Music), nine months from September 16, 1964, $1,800; and two months from June 16, 1964, $450 (4-1-64).

BUTTERWORTH, DOUGLAS S., Fellow in Anthropology, nine months from September 16, 1964, $2,400 (4-1-64).

BYARS, ROBERT S., Charles E. Merriam Fellow in Political Science, nine months from September 16, 1964, $2,000; and two months from June 16, 1965, $500 (4-1-64).

CAHILL, MICHAEL E., National Aeronautics and Space Administration Fellow (Trainee) in Astronomy, one year from September 1, 1964, $2,400 (4-15-64).

CARLEY, YVONNE P., General Foods Fellow in Home Economics, nine months from September 16, 1964, $3,000 (3-23-64).

CARLIN, JAMES W., Fellow in Electrical Engineering, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

CARLSON, NEIL R., National Aeronautics and Space Administration Fellow (Trainee) in Psychology, one year from September 1, 1964, $2,400 (4-20-64).

CARR, WAYNE E., General Electric Fellow in Physics, nine months from September 16, 1964, $2,500 (4-1-64).

CARTER, OWIN L., Fellow in Chemistry, nine months from September 16, 1964, $2,000; and two months from June 16, 1965, $500 (4-1-64).

CASEF, DENNIS J., Fellow in Philosophy, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

CEIDE-ECHI warp, GLORIA, Fellow in Spanish, nine months from September 16, 1964, $1,800; and two months from June 16, 1964, $450 (4-1-64).

CHAMOT, DENNIS, Walter B. Brown Teaching Fellow in Chemistry, nine months from September 16, 1964, $2,000 (4-1-64).

CHARTOFF, JOE, Fellow in Accountancy, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $500 (4-1-64).

CHENNEY, JOSEPH M., National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1964, $4,740 (4-17-64).

CHUA, LEON O., Fellow in Electrical Engineering, nine months from September 16, 1964, $2,200; and two months from June 16, 1965, $500 (4-1-64).

CLEM, JOHN R., United States Steel Foundation Fellow in Physics, nine months from September 16, 1964, $2,100 (4-1-64).

CLENDENEN, R. L., Fellow in Chemical Engineering, nine months from September 16, 1964, $2,000; and two months from June 16, 1965, $500 (4-1-64).

COLLINS, ARNETTA R., Fellow in Social Work, nine months from September 16, 1964, $1,800 (4-1-64).

COOK, GERALD W., National Science Foundation Trainee I in Chemical Engineering, one year from September 1, 1964, $2,400 (4-3-64).

COULSON, JAMES H., Fellow in Civil Engineering, February 1-June 15, 1965, $900; and two months from June 16, 1965, $450 (4-1-64).

COWELL, MARY J., Fellow in Dance, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

CRAWFORD, DAVID E., Fellow in Music, nine months from September 16, 1964, $1,800 (4-1-64).
CRINER, DOUGLAS E., Teaching Fellow in Economics, nine months from September 16, 1964, $1,800; and two months from June 16, 1964, $450 (4-1-64).

DABER, MARCIA A., Fellow in English, nine months from September 16, 1964, $1,800; and two months from June 16, 1964, $450 (4-1-64).

D'ALOQUIN, RICHARD J., Fellow in German, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450, superseded (4-23-64).

DANZIGER, EDMUND J., JR., Fellow in History, nine months from September 16, 1964, $1,800; and two months from June 16, 1964, $450 (4-1-64).

DAVIS, MARTIN L., National Science Foundation Trainee I in Civil Engineering, one year from September 1, 1964, $2,400 (4-17-64).

DEACON, TOM D. E., Teaching Fellow in French, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

DEERING, RICHARD J., Fellow in Economics, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

DEES, JEROME S., Teaching Fellow in English, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

DELLER, RICHARD W., Sloan Foundation Fellow in Mechanical and Industrial Engineering, nine months from September 16, 1964, $3,100 (4-1-64).

DOLLINGER, MICHAEL B., International Business Machines Fellow in Mathematics, nine months from September 16, 1964, $1,800 (4-1-64).

DOLLINS, CHARLES C., National Science Foundation Trainee I in Metallurgy, nine months from September 16, 1964, $1,800 (4-1-64).

DOORNINK, DEAN M., National Science Foundation Trainee I in Mechanical Engineering, one year from September 1, 1964, $3,400 (4-1-64).

DRAAYER, DONALD R., Fellow in Education, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

DRAKE, GEORGE W. J., Fellow in Music, nine months from September 16, 1964, $2,200; and two months from June 16, 1965, $500 (4-1-64).

DRYSDALE, WILLIAM H., National Aeronautics and Space Administration Fellow (Trainee) in Aeronautical and Astronautical Engineering, one year from September 1, 1964, $2,600 (4-1-64).

DUNLAP, WILLIAM H., Hackett Teaching Fellow in Agricultural Engineering, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

DURAND, DAVID A., Lubrizol Company Fellow in Chemistry, nine months from September 16, 1964, $2,000 (4-22-64).

ECKERT, DONALD D., National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1964, $5,310 (4-17-64).

EDDY, ROBERT R., National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1964, $3,600 (4-1-64).

EDWARDS, RALPH J., Fellow in Agronomy, nine months from September 16, 1964, $2,200; and two months from June 16, 1965, $500 (4-1-64).

EDWARDS, THOMAS E., National Aeronautics and Space Administration Fellow (Trainee) in Aeronautical Engineering, one year from September 1, 1964, $2,400 (4-1-64).

EILRICH, GARY L., Fellow in Agronomy, nine months from September 16, 1964, $2,200; and two months from June 16, 1965, $500 (4-1-64).

ELY, RICHARD W., Fellow in Geology, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

EMERSON, MICHAEL W. C., National Science Foundation Trainee I in Civil Engineering, nine months from September 16, 1964, $3,300 (4-16-64).

ERWIN, WILLIAM H., Fellow in Architecture, nine months from September 16, 1964, $1,800; and two months from June 16, 1964, $450 (4-1-64).

ETTER, WILLIAM C., National Science Foundation Trainee I in Civil Engineering, one year from September 1, 1964, $2,900 (4-22-64).

FAJRIJANIC, PAUL M., National Science Foundation Trainee I in Civil Engineering, one year from September 1, 1964, $2,400 (4-1-64).

FAILON, KEITH A., Teaching Fellow in Mathematics, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

FEENEY, JAMES W., Fellow in Sociology, nine months from September 16, 1964, $1,800; and two months from June 16, 1964, $450 (4-1-64).
FERRELL, Ray E., Jr., National Lead (Baroid Division) Fellow in Geology, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $375 (4-1-64).

FERRIS, Robert F., National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1964, $5,880 (4-17-64).

FLAATE, Kaare S., Fellow in Civil Engineering, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

FORBES, Delroy J., Fellow in Civil Engineering, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

FOURNEY, L., Fellow in Theoretical and Applied Mechanics, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

FRADIN, Frank Y., J. F. Ervin Foundation Fellow in Metallurgy, nine months from September 16, 1964, $2,400 (4-9-64).

FRANKLIN, Michael L., Roger Adams Teaching Fellow in Chemistry, nine months from September 16, 1964, $2,000 (4-1-64).

FREUND, Lambert B., National Science Foundation Trainee I in Theoretical and Applied Mechanics, one year from September 1, 1964, $2,400 (4-1-64).

FRIEDMAN, Eugene F., United States Public Health Service Predoctoral Fellow in Chemistry, one year from March 1, 1964, $2,000 (3-24-64).

Frost, Stanley H., Shell Company Foundation Fellow in Geology, nine months from September 16, 1964, $2,000 (4-6-64).

Fryman, Richard F., Fellow in Economics, nine months from September 16, 1964, $2,200; and two months from June 16, 1965, $500 (4-1-64).

GALLAGHER, Joseph P., National Science Foundation Trainee I in Theoretical and Applied Mechanics, one year from September 1, 1964, $2,400 (4-1-64).

Gano, James E., Eli Lilly and Company Fellow in Chemistry, nine months from September 16, 1964, $2,000 (4-22-64).

GARDNER, Gene M., Katherine L. Sharp Fellow in Library Science, nine months from September 16, 1964, $500 (4-1-64).

GEBHARDT, Sue F., Fellow in Art, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

GEHLBACH, J., General Foods Fellow in Home Economics, nine months from September 16, 1964, $2,000 (4-22-64).

GERBER, Homer C., National Science Foundation Institute Fellow in Mathematics, one year from September 16, 1964, $4,170 (4-17-64).

GETZ, Benette, Fellow in Chemistry, nine months from September 16, 1964, $2,000; and two months from June 16, 1965, $500 (4-1-64).

GIBSON, William R., Fellow in Animal Science, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

GIVENS, Roger W., Fellow in Physics, nine months from September 16, 1964, $2,200; and two months from June 16, 1965, $500 (4-1-64).

GOODING, Frederic, Jr., National Science Foundation Institute Fellow in Mathematics, one year from September 16, 1964, $4,740 (4-17-64).

GOODWIN, William A., Fellow in Nuclear Engineering, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

GORDON, Donald J., Fellow in Chemistry, nine months from September 16, 1964, $2,000; and two months from June 16, 1965, $500 (4-1-64).

GORDON, Michael D., Fellow in Chemistry, nine months from September 16, 1964, $2,000 (4-1-64).

GORE, Ernest S., Fellow in Chemistry, nine months from September 16, 1964, $2,000; and two months from June 16, 1965, $500 (4-1-64).

GREENAWAY, William K., Bradley University Fellow in Sociology, nine months from September 16, 1964, $1,800 (4-1-64).

HALL, LEVAND E., Kendric C. Babcock Fellow in Political Science, nine months from September 16, 1964, $2,000; and two months from June 16, 1965, $500 (4-1-64).

HALL, MARION A., Fellow in Music, nine months from September 16, 1964, $1,800; and two months from June 16, 1964, $450 (4-1-64).

HALL, RICHARD S., Teaching Fellow in Mathematics, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

HALVERSON, ROY K., Teaching Fellow in Communications, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

HAMMEL, ARNOLD D., Fellow in Mathematics, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

HANFT, RAYMOND W., General Atomic Dynamics Fellow in Physics, nine months from September 16, 1964, $2,400 (4-1-64).

HANNULA, THOMAS A., National Aeronautics and Space Administration Fellow (Trainee) in Mathematics, one year from September 1, 1964, $3,200 (4-1-64).

HARPER, HARRIET L., Fellow in Creative and Performing Arts (Speech), nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

HARTWELL, GEORGE E., JR., Dow Chemical Company Fellow in Chemistry, nine months from September 16, 1964, $1,900 (4-22-64).

HASKELL, WILLIAM L., Fellow in Physical Education, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

HAUCK, RICHARD B., Teaching Fellow in English, nine months from September 16, 1964, $1,800; and two months from June 16, 1964, $450 (4-1-64).

HAUER, R., Fellow in English, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

HAY, ARTHUR J., Fellow in Chemistry, nine months from September 16, 1964, $2,000; and two months from June 16, 1965, $500 (4-1-64).

HAYNIE, RICHARD L., Teaching Fellow in French, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

HECHT, ROBERT J., Union Carbide Corporation Fellow in Physics, nine months from September 16, 1964, $2,100 (4-1-64).

HERBERGER, LOTUS D., National Science Foundation Institute Fellow in Mathematics, one year from September 1, 1964, $4,170 (4-17-64).

HEUSSMAN, JOHN W., Fellow in Library Science, nine months from September 16, 1964, $1,800; and two months from June 16, 1964, $450 (4-1-64).

HILL, ROBERTA B., United States Public Health Postdoctoral Fellow in Animal Science, six months from March 1, 1964, $3,400 (3-18-64).

HITE, GERALD E., Fellow in Physics, nine months from September 16, 1964, $2,000; and two months from June 16, 1965, $500 (4-1-64).

HORIN, TERENCE J., Fellow in Mathematics, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

HOFFMAN, MARTIN R., National Aeronautics and Space Administration Fellow (Trainee) in Mathematics, one year from September 1, 1964, $2,600 (4-1-64).
HOLT, CLARENCE M., JR., National Science Foundation Trainee I in Electrical Engineering, one year from September 1, 1964, $2,400 (4-1-64).

HORNVIK, KARE, Fellow in Nuclear Engineering, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

HOUCHENS, ALBERT F., Fellow in Mechanical Engineering, nine months from September 16, 1964, $1,800; and two months from June 16, 1964, $450 (4-1-64).

HOYT, RONNIE A., National Science Foundation Trainee I in Electrical Engineering, nine months from September 16, 1964, $1,950 (4-6-64).

HSIA, KELLY YU, Fellow in Electrical Engineering, nine months from September 16, 1964, $1,800; and two months from June 16, 1964, $450 (4-1-64).

ISSA, AHMAD DAUOD, Fellow in Finance, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $500 (4-1-64).

JANICE E., Fellow in Geography, nine months from September 16, 1964, $2,200 (4-1-64).

JANICE E., Fellow in Art, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

JONES, ROBERT H., Postdoctoral Fellow in Economics, two months from June 16, 1964, $2,900 (4-10-64).

JORDAN, JAMES W., Fellow in Art, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

JORGENSEN, PAUL C., North Central College Teaching Fellow in Mathematics, nine months from September 16, 1964, $1,800; and two months from June 16, 1964, $450 (4-1-64).
Kostelnicek, Richard J., Fellow in Electrical Engineering, nine months from September 16, 1964, $1,800; and two months from June 16, 1964, $450 (4-1-64).

Krantz, Paul G., National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1964, $5,880 (4-17-64).

Kreeger, Stanley, National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1964, $5,310 (4-17-64).

Krysan, James L., Fellow in Entomology, nine months from September 16, 1964, $2,200 (4-1-64).

Kuehl, Jean A., Fellow in Biology, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

Kuyper, David S., Teaching Fellow in Psychology, nine months from September 16, 1964, $1,800; and two months from June 16, 1964, $450 (4-1-64).

Laderquist, Dennis R., National Aeronautics and Space Administration Fellow (Trainee) in Civil Engineering, one year from September 1, 1964, $3,200 (4-1-64).

Langner, Ernest H., Fellow in Dairy Technology, nine months from September 16, 1964, $2,200; and two months from June 16, 1965, $500 (4-1-64).

Larson, Myra J., Fellow in Zoology, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

Leeper, Alan O., Teaching Fellow in Mechanical Engineering, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

Lee, Peter Shu-Ti, Fellow in Chemistry, nine months from September 16, 1964, $2,000; and two months from June 16, 1964, $500 (4-1-64).

Leir, Charles M., Sinclair Refining Company Fellow in Chemistry, nine months from September 16, 1964, $1,800 (4-22-64).

Lemay, Harold E., Jr., Fellow in Chemistry, nine months from September 16, 1964, $2,000; and two months from June 16, 1965, $500 (4-1-64).

Lenard, Lester M., National Science Foundation Trainee I in Electrical Engineering, one year from September 1, 1964, $2,400 (4-1-64).

Lenkusz, Frank R., National Science Foundation Trainee I in Electrical Engineering, one year from September 1, 1964, $2,400 (4-1-64).

Levey, James R., Fellow in Civil Engineering, nine months from September 16, 1964, $2,200; and two months from June 16, 1965, $500 (4-1-64).

Lilienthal, Paul A., National Aeronautics and Space Administration Fellow (Trainee) in Theoretical and Applied Mechanics, one year from September 1, 1964, $2,400 (4-17-64).

Lloyd, John P., National Science Foundation Trainee I in Agricultural Engineering, one year from September 1, 1964, $2,400 (4-1-64).

Lofgren, Alice L., Fellow in French, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

Loken, Julie L., Fellow in Social Work, nine months from September 16, 1964, $1,800 (4-1-64).

Losee, David L., National Aeronautics and Space Administration Fellow (Trainee) in Physics, one year from September 1, 1964, $3,200 (4-1-64).

Loyd, Laymond B., National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1964, $4,740 (4-17-64).

Lucas, Kenneth R., C. S. Marvel Fellow in Chemistry, nine months from September 16, 1964, $2,000 (4-22-64).

Luetschen, William E., Hackett Fellow in Agronomy, nine months from September 16, 1964, $2,200; and two months from June 16, 1965, $500 (4-1-64).

Lunde, Karen A., Teaching Fellow in French, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

Lustig, Jeremy, Teaching Fellow in Music, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

MacDougall, Carolyn S., Fellow in Chemistry, nine months from September 16, 1964, $2,000 (4-1-64).

Maddox, Joseph V., Fellow in Entomology, nine months from September 16, 1964, $1,800 (4-1-64).

Markham, Douglas D., Teaching Fellow in German, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).
MATZ, CHARLES F., Fellow in Botany, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

MAYBERRY, JOHN P., Fellow in Mathematics, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

MCArTHUR, CAROLYN M., Fellow in Chemistry, nine months from September 16, 1964, $2,000; and two months from June 16, 1964, $500 (4-1-64).

MccORmICK, JAMES L., Fellow in Chemical Engineering, September 16, 1964-January 31, 1965, $1,000; and two months from June 16, 1964, $500 (4-1-64).

McDONALD, ROBERT A., Fellow in Art, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

McGLAMERY, MARSHAL D., Fellow in Agronomy, nine months from September 16, 1964, $2,200; and two months from June 16, 1965, $500 (4-1-64).

MECH, WILLIAM P., Fellow in Mathematics, nine months from September 16, 1964, $1,800; and two months from June 16, 1964, $450 (4-1-64).

MEDROW, ROBERT A., National Science Foundation Trainee in Mechanical Engineering, nine months from September 16, 1964, $2,325 (4-9-64).

MEK, CHARLES C., National Science Foundation Trainee I in Nuclear Engineering, one year from September 1, 1964, $2,400 (4-1-64).

MEINECKE, FRED K., Fellow in Linguistics, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

Messer, Wayne R., Robert F. Carr Teaching Fellow in Chemistry, February 1-June 15, 1965, $1,000 (4-1-64).

Michael, Frederick W., National Science Foundation Trainee I in Civil Engineering, one year from September 1, 1964, $2,400 (4-1-64).

Mieszl, JOHN L., Fellow in Chemistry, nine months from September 16, 1964, $2,000; and two months from June 16, 1965, $500 (4-1-64).

Miller, Ronald E., National Science Foundation Trainee I in Metallurgy, one year from September 1, 1964, $2,900 (4-9-64).

Milligan, David V., National Aeronautics and Space Administration Fellow (Trainee) in Chemistry, one year from September 1, 1964, $3,400 (4-1-64).

Mishken, David J., Lilly Endowment Fellow in Economics, one year from September 1, 1964, $2,500 (4-1-64).

Mitchell, James E., Fellow in Chemical Engineering, September 16, 1964-January 31, 1965, $1,000; and two months from June 16, 1964, $500 (4-1-64).

Monahan, Maurice L., Fellow in Mathematics, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

Morley, Larry J., National Science Foundation Institute Fellow in Mathematics, one year from September 1, 1964, $4,740 (4-17-64).

MrStik, Vincent, Jr., Fellow in Electrical Engineering, nine months from September 16, 1964, $2,200; and two months from June 16, 1965, $500 (4-1-64).

Musliner, Walter J., Fellow in Chemistry, nine months from September 16, 1964, $2,000 (4-1-64).

Muu, Le Trong, Fellow in Electrical Engineering, nine months from September 16, 1964, $1,800; and two months from June 16, 1964, $450 (4-1-64).

Myers, Sharon L., Fellow in Education, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

NanZeTTA, PHILIP N., Fellow in Mathematics, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

Neufeldt, V. Alfred, Teaching Fellow in English, nine months from September 16, 1964, $2,200; and two months from June 16, 1965, $500 (4-1-64).

NieVERTGELT, JURG, Fellow in Mathematics, nine months from September 16, 1964, $2,200; and two months from June 16, 1965, $500 (4-1-64).

Ning, Robert Y., Fellow in Chemistry, nine months from September 16, 1964, $2,000; and two months from June 16, 1965, $500 (4-1-64).

Niss, James F., Fellow in Economics, nine months from September 16, 1964, $1,800; and two months from June 16, 1964, $450 (4-1-64).

NunNALLY, NELSON R., Fellow in Geography, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

O'Block, Francis R., United States Office of Education Fellow (Trainee) in Education, one year from February 1, 1964, $2,400 (3-20-64).

O'Brien, Timothy J., Fellow in Agronomy, nine months from September 16, 1964, $2,200; and two months from June 16, 1965, $500 (4-1-64).
OISHI, Roy K., National Science Foundation Trainee I in Electrical Engineering, one year from September 1, 1964, $2,400 (4-1-64).

OSTRANDER, W., Teaching Fellow in Music, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

OTTAWAY, Mark C. C., Fellow in Journalism, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

OVERBY, Lacy R., Postdoctoral Fellow (Trainee) in Microbiology, six months from March 16, 1964, $1,200 (4-7-64).

OZANNE, Jerry M., National Science Foundation Trainee I in Theoretical and Applied Mechanics, one year from September 16, 1964, $2,400 (4-1-64).

PALEN, W., Shell Company Foundation Fellow in Chemical Engineering, eleven months from September 16, 1964, $2,000 (4-1-64).

PATTEN, Brown Fellow in Chemistry, nine months from September 16, 1964, $2,000 (4-7-64).

PATTERSON, Garry J., National Aeronautics and Space Administration Fellow (Trainee), six months from March 1, 1964, $1,200 (4-7-64).

PATTON, D., Fellow in Geology, nine months from September 16, 1964, $2,200; and two months from June 16, 1965, $500 (4-1-64).

PAULSON, Gary C., National Science Foundation Trainee I in Ceramic Engineering, one year from September 1, 1964, $4,600 (4-1-64).

PERSHING, Roscoe L., Teaching Fellow in Agricultural Engineering, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

PETRIE, John M., Walter B. Brown Fellow in Chemistry, nine months from September 16, 1964, $2,000 (4-22-64).

POCKETT, Allan R., National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1964, $4,170 (4-17-64).

POCHAN, John M., Walter B. Brown Fellow in Chemistry, nine months from September 16, 1964, $2,000 (4-1-64).

PISCO, Keith F., Gillette-Toni Fellow in Chemistry, nine months from September 16, 1964, $2,500 (4-22-64).

PUCKETT, Reginald T., Allied Chemical Corporation Fellow in Chemistry, nine months from September 16, 1964, $2,000 (4-22-64).

RAFAELI, K. G., Fellow in Animal Science, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

RAY, Martin, Fellow in Physics, nine months from September 16, 1964, $2,000; and two months from June 16, 1965, $500 (4-1-64).

RATZ, Amiram, Teaching Fellow in Food Science, nine months from September 16, 1964, $1,950; and two months from June 16, 1965, $500 (4-1-64).

RICH, Daniel L., Fellow in Civil Engineering, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).
RICHARDSON, Judith E., Wright Fellow in Home Economics, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

RICHARDSON, Raymond E., National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1964, $4,740 (4-17-64).

RINGENBERG, Richard R., National Aeronautics and Space Administration Fellow (Trainee) in Mathematics, one year from September 1, 1964, $2,400 (4-23-64).

ROBERTS, Charles E., Jr., National Aeronautics and Space Administration Fellow (Trainee) in Mathematics, one year from September 1, 1964, $3,000 (4-20-64).

ROBERTSON, C. Warren, Shubert Fellow in Playwriting (Speech and Theatre), nine months from September 16, 1964, $2,500 (4-14-64).

RICHARDSON, Raymonde, National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1964, $4,740 (4-17-64).

Ringenberg, R., National Aeronautics and Space Administration Fellow (Trainee) in Mathematics, one year from September 1, 1964, $2,400 (4-23-64).

ROBERTS, Charles E., Jr., National Aeronautics and Space Administration Fellow (Trainee) in Mathematics, one year from September 1, 1964, $2,400 (4-23-64).

ROOT, Ronald B., National Science Foundation Trainee in Chemical Engineering, one year from September 1, 1964, $2,400 (4-1-64).

ROKUS, Josef W., National Science Foundation Trainee in Electrical Engineering, nine months from September 16, 1964, $1,800 (4-1-64).

ROOT, Ronald B., National Science Foundation Trainee in Chemical Engineering, one year from September 1, 1964, $2,400 (4-1-64).

ROSENTHAL, Michael R., Socony-Mobil Fellow in Chemistry, nine months from September 16, 1964, $2,000 (4-22-64).

ROTH, Kenneth R., National Science Foundation Trainee in Aeronautical and Astronautical Engineering, one year from September 1, 1964, $2,400 (4-1-64).

RUBIN, David L., Teaching Fellow in French, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

SAAM, William F., National Aeronautics and Space Administration Fellow (Trainee) in Physics, one year from September 1, 1964, $3,400 (4-13-64).

SABACKY, Milton J., Rohm and Haas Fellow in Chemistry, nine months from September 16, 1964, $1,900 (4-22-64).

SAPIUDDIN, Mohammed, Fellow in Electrical Engineering, nine months from September 16, 1964, $1,800 (4-1-64).

SCHAEFBE, Frederick W., National Science Foundation Trainee in Civil Engineering, one year from September 1, 1964, $2,400 (4-1-64).

SCHENBECK, Franklyn C., National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1964, $3,600 (4-17-64).

SCHWARTZ, Paul M., National Aeronautics and Space Administration Fellow (Trainee) in Physics, one year from September 1, 1964, $2,400 (4-1-64).

SCHWARTZ, Paul M., National Aeronautics and Space Administration Fellow in Physics, one year from September 1, 1964, $2,400 (4-1-64).

SEINFELD, Meri, Fellow in Spanish, nine months from September 16, 1964, $1,800 (4-1-64).

SELL, Maurice G., Jr., Procter and Gamble Company Summer Fellow in Chemical Engineering, two months from June 16, 1964, $400 (3-16-64).

SESTIERI, Valeria, Teaching Fellow in Italian, nine months from September 16, 1964, $2,200; and two months from June 16, 1964, $500 (4-1-64).

SHAPIRO, Thomas R., Fellow in Chemistry, nine months from September 16, 1964, $2,000; and two months from June 16, 1964, $500 (4-1-64).

SHAY, Richard N., Fellow in Music, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

SHOEIB, Nagwa K., Fellow in English, nine months from September 16, 1964, $2,200; and two months from June 16, 1965, $500 (4-1-64).

SHOIB, Stephen C., Teaching Fellow in Classics, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-17-64).

SIDDIQUI, Islam A., Wright Fellow in Plant Pathology, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-9-64).

SINCLAIR, Kenneth E., Fellow in Education, nine months from September 16, 1964, $2,200; and two months from June 16, 1965, $500 (4-1-64).

SINDERMANN, Bernard M., National Aeronautics and Space Administration Fellow (Trainee) in Aeronautical and Astronautical Engineering, one year from September 1, 1964, $2,400 (4-15-64).

SKIERISKI, Theodore C., National Science Foundation Trainee in Mechanical Engineering, one year from September 1, 1964, $3,400 (4-1-64).

SMASHEY, John L., National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1964, $4,740 (4-17-64).
SMILEY, MARILYNN J., Fellow in Music, two months from June 16, 1964, $450 (4-1-64).

SMITH, ALLAN J., Fellow in Urban Planning, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

SMITH, EDWARD D., National Aeronautics and Space Administration Fellow (Trainee) in Mechanical Engineering, one year from September 1, 1964, $2,400 (4-1-64).

SMITH, GEORGE H., National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1964, $3,600 (4-17-64).

SO, KAM-CHUEN, Fellow in Electrical Engineering, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

SOLOMON, DIANE, Fellow in Spanish, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

SPENCEY, KENNETH, Fellow in English, nine months from September 16, 1964, $2,200; and two months from June 16, 1964, $500 (4-1-64).

SPINOSA, FRANK, Teaching Fellow in Music, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

STEINER, WILLIAM G., National Science Foundation Trainee I in Electrical Engineering, one year from September 1, 1964, $2,400 (4-1-64).

STONE, ROBERT G., Fellow in Chemistry, nine months from September 16, 1964, $2,000 (4-1-64).

STORCH, KAY E., United States Public Health Service Fellow (Trainee) in Physiology, one year from June 16, 1964, $2,666.66 (4-1-64).

STURGUL, JOHN R., National Science Foundation Trainee II in Mining Engineering, one year from September 1, 1964, $2,400 (4-1-64).

SWANSON, JOEL L., National Science Foundation Trainee I in Civil Engineering, one year from September 1, 1964, $2,400 (4-17-64).

SWEETMAN, GRAHAM D., Fellow in Business Administration, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

SZENTKIRALYI, ANDRAS, Fellow in Creative and Performing Arts (Music), nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

SZURSZESKI, JOSEPH H., Fellow in Physiology, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

TAKIZAWA, BILL H., Teaching Fellow in Geography, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

TASCH, ALOYSIOUS F., National Aeronautics and Space Administration Fellow (Trainee) in Physics, one year from September 1, 1964, $2,600 (4-1-64).

TETZ, GUENTHER, Fellow in Creative and Performing Arts (Art), nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-1-64).

Zakiame, Mehdi S., Fellow in Civil Engineering, nine months from September 16, 1964, $1,800; and two months from June 16, 1964, $450 (4-1-64).

Zemanek, Janice R., Fellow in Mathematics, nine months from September 16, 1964, $2,000; and two months from June 16, 1964, $500 (4-1-64).

Zumdahl, Steven S., Fellow in Chemistry, nine months from September 16, 1964, $2,000; and two months from June 16, 1964, $500 (4-1-64).

Resignations, Declinations, and Terminations

Bartram, Harlan G., Assistant Professor of Mathematics, Summer Session of 1964 — declination effective June 15, 1964; and Assistant Professor of Mathematics — resignation effective September 1, 1964.

Bauman, Philip A., Assistant Professor of Electrical Engineering, Summer Session of 1964 — declination effective June 15, 1964.

Bergman, Richard T., Instructor in Radiology, College of Medicine — resignation effective June 1, 1964.

Blevins, Mrs. Marcia C., Assistant Reference Librarian with rank of Instructor — resignation effective September 1, 1964.
Broussard, Louis, Assistant Professor of English, Chicago Undergraduate Division, Summer Session of 1964—declination effective June 19, 1964.
Campbell, Marilyn, Instructor in Audiology, College of Medicine—resignation effective May 1, 1964.
Casten, Sabine, Instructor in Chemistry, Chicago Undergraduate Division, Summer Session of 1964—declination effective June 19, 1964.
Cox, George, Research Associate in Biological Chemistry, College of Medicine—termination effective February 1, 1964.
Cullen, F. Patricia, Instructor in Physical Education for Women—resignation effective September 1, 1964.
Drysdale, William H., National Aeronautics and Space Administration Fellow in Aeronautical and Astronautical Engineering—resignation effective June 1, 1964.
Fitzgerald, James E., United States Public Health Service Fellow (Trainee) in Veterinary Medical Science—resignation effective April 1, 1964.
Flood, Kenneth U., Associate Professor of Business Administration—resignation effective September 1, 1964.
Greenberg, Michael J., Assistant Professor of Zoology—resignation effective September 1, 1964.
Handler, Joel F., Assistant Professor of Law—resignation effective September 1, 1964.
Hawkland, William D., Professor of Law—resignation effective September 1, 1964.
Hutchinson, John W., Associate Professor of Civil Engineering—resignation effective September 1, 1964.
Jewett, Robert A., Associate Professor of General Engineering, Summer Session of 1964—resignation effective June 15, 1964.
King, Ivan R., Associate Professor of Astronomy—resignation effective September 1, 1964.
Lindsey, John M., Assistant Law Librarian with rank of Instructor—resignation effective September 1, 1964.
Lipman, Vivian C., Assistant Professor of Psychology, Chicago Undergraduate Division, Summer Session of 1964—declination effective June 19, 1964.
Martin, Dean F., Assistant Professor of Inorganic Chemistry—resignation effective September 1, 1964.
McCaffrey, Lawrence J., Associate Professor of History in the Division of General Studies—resignation effective September 1, 1964.
Meloy, Carl R., Professor of Chemistry, Chicago Undergraduate Division, Summer Session of 1964—resignation effective June 19, 1964.
Mischeke, Richard E., National Science Foundation Cooperative Fellow in Physics—resignation effective June 1, 1964.
Moyer, James E., Associate Professor of Advertising, Summer Session of 1964—declination effective June 15, 1964.
Nishi, William V., Bookstacks Librarian with rank of Instructor—resignation effective June 1, 1964.
Neumann, Alvin L., Professor of Animal Science—resignation effective July 1, 1964.
Nishida, Mrs. Sakiko, Research Assistant in Nutritional Biochemistry—resignation effective June 1, 1964.
LEAVES OF ABSENCE

BUTWELL, RICHARD, Associate Professor of Political Science — leave of absence, without pay, for the academic year 1964-65, so that he may serve as a consultant to the Rockefeller Foundation in a new program designed to facilitate the development of outstanding departments in the various social sciences at two key Southeast Asian universities.

CRAWFORD, ROBERT B., Assistant Professor of History — leave of absence, without pay, for the academic year 1964-65, so that he may accept a Social Science Research Council grant awarded him for study and research.

DIXON, ROBERT D., Instructor in Mathematics — leave of absence, without pay, for the academic year 1964-65, so that he may accept a position at the Dayton campus of Ohio State University for that period.

FRITH, DONALD E., Associate Professor of Art — leave of absence, without pay, for the academic year 1964-65, so that he may take advantage of a Danforth Foundation Grant awarded him for advanced study at Alfred University.

GAMMILL, HOMER L., Professor of Industrial Psychology, Division of University Extension and Institute of Labor and Industrial Relations — relieved of his regular duties on the campus for a five-week period from July 8 to August 15, 1964, to study management development theories and practices in Great Britain.

KING, BLAIR B., Assistant Professor of History — leave of absence, without pay, for the academic year 1964-65, so that he may accept a Faculty Research Fellowship from the American Institute of Indian Studies for study abroad.
LASHER, SIm, Instructor in Mathematics, Chicago Undergraduate Division—
leave of absence, without pay, for the academic year 1964-65, so that he may
accept a National Science Foundation Fellowship for graduate studies at the
University of Chicago.

MOYER, FREDERIC D., Instructor in Architecture—leave of absence, without pay,
for the first semester of 1964-65, so that he may accept an appointment as the
Thirtieth Francis J. Plym Fellow in Architectural Engineering.

NAGEL, STUART S., Assistant Professor of Political Science—change in his leave
of absence, without pay, for the academic year 1964-65, to include acceptance
of an invitation to be a Senior Specialist at the East-West Center at the
University of Hawaii from May 1 through August 31, 1965, in addition to
his fellowship at the Center for Advanced Study in the Behavioral Sciences
in Palo Alto, California.

PELTASON, JACK W., Professor of Political Science and Dean of the College of
Liberal Arts and Sciences—leave of absence, without pay, for the month
of August, 1964.

PERESSINI, ANTHONY L., Assistant Professor of Mathematics—leave of absence,
without pay, for the academic year 1964-65, so that he may accept a position
on the mathematics staff at Oregon State University for that period.

PESAVENTO, MRS. WILMA W., Assistant Professor of Physical Education for
Women, Chicago Undergraduate Division—leave of absence, without pay,
for the academic year 1964-65.

REMEIKIS, MRS. NIJOLE, Instructor in Endodontics, Department of Applied Materia
Medica and Therapeutics, College of Dentistry—leave of absence, without pay,
for two months from June 1, 1964.

ROHRER, RONALD A., Assistant Professor of Electrical Engineering, Department
of Electrical Engineering and Coordinated Science Laboratory—leave of
absence, without pay, for one year from September 1, 1964, so that he may
accept a National Academy of Sciences-National Research Council Fellowship
offered him for study and research at the Polytechnic Institute of Brooklyn.

graduate Division—sabbatical leave of absence for the second semester of
the academic year 1963-64 is hereby cancelled, without prejudice. He will be
on disability leave of absence.
REVRETMENT
BRAW, ROGER H., Professor of Soil Fertility, Department of Agronomy, College of Agriculture and Agricultural Experiment Station — retirement effective June 1, 1964.

RECESS AND EXECUTIVE SESSION
President Clement announced that an executive session has been requested and was being ordered for consideration of property acquisitions.

On motion of Mr. Hughes, the Board recessed.

When the Board reconvened in executive session, the same members, officers of the Board, and officers of the University were present as listed at the beginning of these minutes.

The Board considered the following items of business.

PURCHASE OF PROPERTY AT 507 EAST JOHN STREET, CHAMPAIGN
(1) The Director of the Physical Plant and the Vice-President and Comptroller recommend that the Board of Trustees request the Illinois Building Authority to purchase for the University the property at 507 East John Street, Champaign, at a price of $65,000 — in accordance with the Illinois Building Authority Act.

The property consists of a lot approximately 66 feet wide by 168.73 feet deep (11,138 square feet) and is improved with a two and one-half story and basement frame rooming house. The land area will be used for parking. Possession will be delivered not later than July 1, 1964.

The price is within appraisals. The Committee on Buildings and Grounds has also recommended the purchase.

I concur.

On motion of Mrs. Watkins, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Kerner, Mr. Page, Mr. Williamson.

ACQUISITION OF 1306 WEST SPRINGFIELD AVENUE, URBANA
(2) The Board of Trustees has authorized the acquisition of the property at 1306 West Springfield Avenue, Urbana, which is needed for expansion of the Digital Computer Laboratory. The owner refused to sell at a price within the limits of University appraisals and the Board subsequently authorized condemnation proceedings. Suit was filed in the Circuit Court of Champaign County (Case No. 64-L-30).

The owner has now agreed to sell for an award of $39,809.27 for the property with the understanding that possession will be delivered to the University on or before June 10, 1964. The settlement price is $309.27 above the amount previously approved by the Committee on Buildings and Grounds of the Board as a purchase price.

The Director of the Physical Plant, the Vice-President and Comptroller, and the Legal Counsel recommend acceptance of this settlement proposal.

Funds are available in the state capital appropriations to the University for 1963-65 from the Universities Building Fund.

I concur.

On motion of Mr. Swain, this settlement proposal was accepted, and purchase of the property was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Kerner, Mr. Page, Mr. Williamson.

ACQUISITION OF PROPERTIES AT 605 AND 603 EAST DANIEL STREET, CHAMPAIGN
(3) The Board of Trustees has authorized condemnation proceedings for the acquisition of the properties at 605 and 603 East Daniel Street, Champaign, both
owned by the same party. The jury trial for the condemnation of the property at 605 East Daniel Street (Case No. 61-L-175) was set for May 11, 1964; the trial for the acquisition at 603 East Daniel Street (Case No. 63-L-429) had been tentatively scheduled for the week of May 18, 1964.

Immediately prior to selection of the jury for the trial on the 605 East Daniel Street property, the owner indicated willingness to settle both cases for a total award of $193,000, for the two properties on the following basis:

For the property at 605 East Daniel Street, formerly the Cosmopolitan Club property:
1. The value will be fixed at $60,000, payable on possession, which will be delivered to the University on or before July 10, 1964.
2. The owner will remove all improvements prior to the specified possession date.
3. The University will afford access for the owner's vehicles over this lot to the rear of the adjoining property at 603 East Daniel Street until the specified possession date of said adjoining property.
4. The University will reserve three parking spaces on this lot to accommodate the vehicles of the owner used in his business until the specified possession date of the adjoining property, but the University will not be responsible for enforcing observance of the reservation of these spaces.

For the property at 603 East Daniel Street, known as "The Thunderbird":
1. The value will be fixed at $133,000, payable on possession, which will be delivered to the University on or before June 30, 1965.
2. The owner will remove all improvements prior to the specified possession date.

Funds are available in state capital appropriations to the University for 1963-65 from the Universities Building Fund.

The Director of the Physical Plant, the Vice-President and Comptroller, and the Legal Counsel recommend approval of the proposed settlement and I concur.

On motion of Mr. Pogue, the settlement proposed was accepted, and the purchase of the two properties, at the prices indicated, was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Kerner, Mr. Page, Mr. Williamson.

PURCHASE OF PROPERTY AT 509 EAST JOHN STREET, CHAMPAIGN

(4) The Director of the Physical Plant and the Vice-President and Comptroller recommend that the Board of Trustees request the Illinois Building Authority to purchase for the University the property at 509 East John Street, Champaign, at a price of $53,500—in accordance with the provisions of the Illinois Building Authority Act.

The property consists of a lot approximately 58 feet wide by 168.75 feet deep (9,788 square feet) and is improved with a two and one-half story and basement frame rooming house. The land area will be used for parking. Possession will be delivered not later than August 10, 1964.

The price is within appraisals. The Committee on Buildings and Grounds has been consulted and also recommends the purchase.

I concur.

On motion of Mr. Swain, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Kerner, Mr. Page, Mr. Williamson.

On motion of Mrs. Watkins, the Board adjourned.

A. J. JANATA
Secretary

HOWARD W. CLEMENT
President
The June meeting of the Board of Trustees of the University of Illinois was held in the Illini Union South, Urbana, Illinois, on Wednesday, June 17, 1964, beginning at 10:30 a.m.

The following members of the Board were present: Mr. Howard W. Clement, Mr. Wayne A. Johnston, Mr. Theodore A. Jones, Mr. Ray Page, Mr. Harold Pogue, Mr. Timothy W. Swain, Mrs. Frances B. Watkins, and Mr. Kenney E. Williamson. Mr. Irving Dilliard, Mr. Earl M. Hughes, and Governor Otto Kerner were absent.

Also present were President David D. Henry, Executive Vice-President and Provost Lyle H. Lanier, Vice-President Joseph S. Begando, University of Illinois at the Medical Center, Chicago, Director C. S. Havens of the Physical Plant, Mr. C. E. Flynn, Assistant to the President and Director of Public Information, Mr. James J. Costello, Legal Counsel, Mr. Earl W. Porter, Assistant to the President, Mr. Shannon McCune, Consultant to the President and to the Executive Vice-President and Provost, Mr. Vernon L. Kretschmer, Director of Auxiliary Services, Mr. Donald C. Neville, Assistant to the Director of the Physical Plant; and the officers of the Board, Mr. R. R. Manchester, Treasurer, Mr. H. O. Farber, Comptroller, and Mr. A. J. Janata, Secretary. Dean Russell N. Sullivan of the College of Law was present during a part of the meeting.
MINUTES APPROVED
The Secretary presented the supplement to the minutes of the meeting
of the Board of Trustees on July 2, 1963, and the minutes of the meet-
ings of the Board of Trustees on September 18, October 26, and
November 23, 1963, press proof copies of which have previously been
sent to the Board.

On motion of Mr. Swain, these minutes were approved as printed
on pages 1 to 411, inclusive, and on pages 745 to 932, inclusive.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY
The Board took up consideration of the following reports and recom-
mendations from the President of the University.

PRESIDENT'S REPORT
President Henry presented a report on selected topics of current inter-
est, copies of which were distributed at the meeting, and a copy was
filed with the Secretary of the Board.

ANNUAL OPERATING BUDGET FOR 1964-65
(1) The complete, itemized, operating budget for 1964-65 covering all divisions
of University work, with a condensed analysis and summaries, is submitted for
official action.

The budget is for the fiscal year beginning July 1, 1964, for academic and
administrative appointments beginning September 1, 1964, and for nonacademic
personnel appointments beginning July, 1964. The budget has been prepared by
the Executive Vice-President and Provost and the Vice-President and Comptroller
in accordance with procedures approved by the President. It is based upon recom-
mendations of the deans, directors, and other administrative officers, and has been
reviewed by the President and the University Council. It has also been reviewed
by the Finance Committee of the Board.

I recommend that this budget, covering the allocation of the estimated oper-
ating income from all sources for the year beginning July 1, 1964, as amended and
approved by the Finance Committee, be approved by the Board, and that the
President of the University be authorized, in accordance with the needs of the
University and the equitable interests involved, and within total income: (a) to
accept resignations, (b) to make such additional appointments as are necessary
subject to the provisions of the University Statutes and the Policy and Rules
Relating to Compensation and Working Conditions of Nonacademic Employees,
and (c) to make such changes and adjustments in items included in the budget as
are needed, all such changes to be covered in the Vice-President and Comptroller's
quarterly financial reports, or in reports to the Board by its Secretary, provided
that assignments for new projects or programs and for nonrecurring capital
expenditures in excess of $2,500 shall be presented to the Board for approval.

A copy of the complete budget and of the condensed analysis and summaries
had previously been sent to each member of the Board of Trustees.

Mr. Williamson, Chairman of the Finance Committee, reported that
the Committee had met on June 16, 1964, and had recommended some
changes, and that the budget as now being presented to the Board was
amended accordingly. Mr. Clement, Mr. Johnston, Mr. Pogue, and
Mrs. Watkins also participated in the meeting of the Committee.

The President of the University, the Executive Vice-President and
Provost, and the Vice-President and Comptroller then discussed the
budget and the presentation of the policy recommendations as set forth
in the condensed analysis and summaries. A copy of this document has
been filed with the Secretary of the Board for record.

Following discussion by members of the Board, on motion of Mr.
Williamson, the budget was approved, authority was given as requested
in the President's recommendations, and the required appropriations were made, this action being taken by the following vote: Aye, Mr. Clement, Mr. Johnston, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent Mr. Dilliard, Mr. Hughes, Mr. Kerner.

The complete budget appears as a supplement to these minutes.

BUDGET OF THE ATHLETIC ASSOCIATION FOR 1964-65

(2) The Director of Intercollegiate Athletics submits, on behalf of the Board of Directors of the Athletic Association, the budget for the Association for 1964-65 which is summarized as follows with comparative figures for the preceding year:

<table>
<thead>
<tr>
<th></th>
<th>1963-64</th>
<th>1964-65</th>
</tr>
</thead>
<tbody>
<tr>
<td>Income</td>
<td>$1,165,535</td>
<td>$1,297,860</td>
</tr>
<tr>
<td>Appropriations</td>
<td>1,159,730</td>
<td>1,292,445</td>
</tr>
<tr>
<td>Excess of Income</td>
<td>5,805</td>
<td>5,415</td>
</tr>
</tbody>
</table>

The budget has been examined and approved by the Executive Vice-President and Provost and the Vice-President and Comptroller.

I recommend that this budget be approved and that the President of the University be authorized to make such changes and adjustments, including approval of new appointments and acceptances of resignations, as are necessary and recommended by the Board of Directors of the Athletic Association within the total income realized.

A copy of the budget is being filed with the Secretary of the Board for record.

On motion of Mr. Swain, this budget was approved.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(3) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, as amended, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

- Name: Rosario Bernard LaRose
  - Address: River Forest, Illinois
  - State from Which They Obtained Certificates: District of Columbia
- Name: Robert Newman
  - Address: Olivette, Missouri
  - State from Which They Obtained Certificates: Missouri
- Name: Arthur Henry Peters
  - Address: Belleville, Illinois
  - State from Which They Obtained Certificates: Missouri
- Name: Ralph John Sierra, Jr.
  - Address: Santurce, Puerto Rico
  - State from Which They Obtained Certificates: Puerto Rico

I concur.

On motion of Mrs. Watkins, these certificates were awarded.

ADVISORY COUNCIL OF LIBRARIANS

(4) The Dean of Library Administration recommends the following appointments to the Advisory Council of Librarians for terms of three years beginning September 1, 1964.

37. WILLIAM B. VAN GROENOU, Visiting Assistant Professor of Industrial Administration, for the academic year 1964-1965, at a salary of $8,000.

38. ROBERT F. WELCH, Assistant Professor of English, beginning September 1, 1964, at an annual salary of $7,500.

39. ROBERT W. WOODY, Assistant Professor of Physical Chemistry, beginning September 1, 1964, at an annual salary of $8,100.

40. STANLEY YOUNG, Visiting Associate Professor of Industrial Administration, one year from September 1, 1964, at a salary of $11,000.

**Appointments of Noncitizens to Indefinite Tenure Positions**

The following recommendations for appointments on indefinite tenure of non-
citizens were reviewed by a committee consisting of the Executive Vice-President and Provost, the Acting Dean of the Graduate College, and the dean of the college concerned in accordance with the policy and procedure authorized by the Board of Trustees for consideration of such appointments. The Committee has concurred in the recommendations.

1. **Janez Peklenik**, Professor of Mechanical and Industrial Engineering, beginning September 1, 1964, at an annual salary of $12,650.
2. **George A. Shim**, Professor of Physical Chemistry, beginning September 1, 1964, at an annual salary of $16,000.

On motion of Mr. Pogue, these appointments were confirmed.

**DIRECTORSHIP OF THE ILLINOIS HISTORICAL SURVEY**

(7) The Acting Dean of the Graduate College recommends the appointment of Dr. Robert M. Sutton, Professor of History and Associate Dean of the Graduate College, as Director of the Illinois Historical Survey on one-half time, effective September 1, 1964, to succeed Mrs. Marguerite Jenison Pease, who is retiring this year. Professor Sutton will continue as Associate Dean of the Graduate College on one-half time during 1964-65.

His area of specialization is state and local history and in conjunction with his administrative duties, he has continued to teach courses in the history of Illinois and to do research in that area.

The Executive Vice-President and Provost concurs.

I recommend approval.

On motion of Mr. Page, this appointment was approved.

**HEADSHIP OF THE DEPARTMENT OF ANIMAL SCIENCE, URBANA**

(8) The Dean of the College of Agriculture and Director of the Agricultural Experiment Station and the Cooperative Extension Service in Agriculture and Home Economics recommends the appointment of Dr. Robert O. Nesheim, presently Manager of the Livestock Feed Research Department of the Quaker Oats Company, as Professor of Animal Science on indefinite tenure and Head of the Department of Animal Science beginning July 15, 1964, at an annual salary of $19,500 on a twelve months' service basis.

This appointment is to fill the vacancy created by the resignation of Professor O. Burr Ross, who is leaving the University of Illinois to be Vice-President for Agricultural Sciences and Dean of the College of Agriculture at Oklahoma State University.

The Acting Dean of the Graduate College and the Executive Vice-President and Provost concur in this recommendation.

I recommend approval.

On motion of Mr. Swain, this appointment was approved.

**HEADSHIP OF THE DEPARTMENT OF PHYSICAL EDUCATION FOR MEN, URBANA**

(9) The Dean of the College of Physical Education recommends the appointment of Dr. Earle F. Zeigler as Professor on indefinite tenure and Head of the Department of Physical Education for Men beginning September 1, 1964, at an annual salary of $14,500 on an academic year service basis.

The appointment of Professor Zeigler, presently a member of the faculty, as Head of the Department was initiated by a special search committee. He will succeed Professor Chester O. Jackson, who has been serving as Head of the Department since 1958 and who has asked to be relieved of the administrative duties as Head so that he can devote full time to teaching and research.

C. K. Brightbill, Professor and Head of the Department of Recreation and Municipal Park Administration, Chairman; T. K. Cureton, Professor of Physical Education for Men; Laura J. Huelster, Professor and Head of the Department of Physical Education for Women; H. E. Kenney, Professor of Physical Education for Men and Manager of Facilities, College of Physical Education; Douglas R. Mills, Professor of Physical Education for Men and Director of Athletics; T. J. Nugent, Associate Professor of Physical Education for Men and Director of the Division of Rehabilitation-Education Services.
The Acting Dean of the Graduate College and the Executive Vice-President and Provost concur. I recommend approval.

On motion of Mr. Pogue, this appointment was approved.

HEADSHIP OF THE DEPARTMENT OF SPEECH AND THEATRE, CHICAGO UNDERGRADUATE DIVISION
(10) The Dean of the College of Liberal Arts and Sciences and the Vice-President for the Chicago Undergraduate Division recommend the appointment of Dr. R. Victor Harnack, presently Associate Professor of Speech at the University of Colorado, as Professor of Speech on indefinite tenure and Head of the Department of Speech and Theatre at the Chicago Undergraduate Division beginning September 1, 1964, at an annual salary of $14,500 on an academic year service basis.

The Acting Dean of the Graduate College and the Executive Vice-President and Provost concur. I recommend approval.

On motion of Mrs. Watkins, this appointment was approved.

HEADSHIP OF THE DEPARTMENT OF SYSTEMS ANALYSIS AND DESIGN, CHICAGO UNDERGRADUATE DIVISION
(11) The Dean of the College of Engineering and the Vice-President for the Chicago Undergraduate Division recommend the appointment of Dr. Robert E. Machol, presently Vice-President for Systems of Conduktor Corporation, as Professor on indefinite tenure and Head of the Department of Systems Analysis and Design in the College of Engineering at the Chicago Undergraduate Division beginning September 1, 1964, at an annual salary of $17,500 on a twelve months' service basis.

The Acting Dean of the Graduate College and the Executive Vice-President and Provost concur. I recommend approval.

On motion of Mr. Johnston, this appointment was approved.

SABBATICAL LEAVES OF ABSENCE, 1964-65
(12) I recommend that the following members of the staff be given sabbatical leaves of absence during the academic year 1964-65 in accordance with the provisions of the University of Illinois Statutes and on the terms and for the periods indicated. This recommendation is supplementary to the applications recommended to the Board of Trustees on March 18 and May 20, 1964.

Beulah A. Hunzicker, Assistant Professor of Home Economics, College of Agriculture, first semester, full pay.

Hiram Paley, Assistant Professor of Mathematics, College of Liberal Arts and Sciences, first semester, one-half pay.

Nicholas C. Scholomiti, Assistant Professor of Mathematics, Chicago Undergraduate Division, second semester, full pay.

On motion of Mr. Johnston, these leaves were granted, as recommended.

ADMISSION REQUIREMENTS IN THE COLLEGE OF LAW
(13) The Urbana-Champaign Senate recommends several changes in requirements for admission to the College of Law, effective June 1, 1965. The major change is for a minimum admission requirement of a bachelor's degree from an approved undergraduate college.

The changes recommended have flexibility to facilitate the change-over to the new admission requirement and to deal with exceptional cases. The revisions will bring the College of Law in line with the requirements of other major law schools in this country.

Submitted herewith is a complete statement of all changes proposed, including the present and the new requirements, and a copy is being filed with the Secretary of the Board for record.
The Senate Coordinating Council has indicated that no other Senate jurisdiction is involved.

I recommend approval.

Dean Russell N. Sullivan of the College of Law was present at the meeting and discussed in some detail the reasons for the proposed change.

On motion of Mr. Swain, this recommendation was approved.

AMENDMENTS OF UNIVERSITY STATUTES

(14) At its April 15, 1964, meeting the Board of Trustees stated its tentative approval of revisions in Sections 6, 38, and 39 of the University Statutes originated by the Senates, with the exception of certain modifications thereof proposed by the Board, and directed that the advice of the University Senates be sought on the modifications.

On May 19, 1964, the Chicago Undergraduate Division Senate expressed its approval of the modifications proposed by the Board.

On May 25, 1964, the Urbana-Champaign Senate defeated a motion to adopt the Board's modifications and passed motions which (a) requested an opportunity for further consultation with the Board of Trustees (or a committee thereof) for the purpose of arriving at a consensus which would reflect the principles of the amendments adopted by the three Senates; (b) designated a Committee of the Senate for such purpose; and (c) suggested that the Board invite the corresponding Committees on Academic Freedom from the other Senates to join in such consultations.

On June 3, 1964, the Medical Center Senate also defeated a motion to approve the Board's proposed modifications and passed motions requesting further consultations in essentially the manner suggested by the previous action of the Urbana-Champaign Senate.

In accordance with the request of the Urbana-Champaign and the Medical Center Senates, I recommend that (1) further consultation be arranged with the designated committees, including the Committee on Academic Freedom of the Chicago Undergraduate Division; (2) the liaison committee of the Senate Coordinating Council also be requested to participate in the consultation as provided for in Section 7(d) of the University Statutes, and that (3) the matter be referred to the Committee on General Policy for further action.

On motion of Mrs. Watkins, the President's recommendations were approved.

CONSOLIDATION OF OFFICE OF INSTRUCTIONAL RESEARCH AND OFFICE OF INSTRUCTIONAL TELEVISION INTO AN OFFICE OF INSTRUCTIONAL RESOURCES AT URBANA-CHAMPAIGN

(15) The Executive Vice-President and Provost recommends that an Office of Instructional Resources be established to replace the Office of Instructional Research and the Office of Instructional Television at the Urbana-Champaign campus. The new Office will assume the responsibilities presently assigned to its two predecessors and will in addition provide a wider range of instructional services to faculty members, departments, and colleges.

The Office of Instructional Resources will be broadly concerned with the improvement of the instructional program—especially at the undergraduate level—through assisting the faculty in the increased use of newer techniques and media and through studies of the influence upon academic achievement of other factors in the University environment within and outside the classroom.

The need to improve the quality of collegiate instruction in the face of mounting enrollment, and probably without commensurate increases in faculty and funds, makes it imperative to use as fully and as effectively as possible the
newer instructional resources such as television, programmed instruction, films, graphic presentation, and other audio-visual techniques. The Office of Instructional Resources will assist faculty members in the use of these media and in evaluating their effectiveness.

In addition to studies of instructional methods and course content, the new Office will sponsor research on the relationship of academic achievement and choice of vocation to the characteristics of students (geographic, educational, psychological, and socio-economic), to characteristics of instructors, and to characteristics of the extracurricular environment.

The Director of the Office of Instructional Resources at Urbana-Champaign will administer that Office under the general supervision of the Executive Vice-President and Provost. He will also have University-wide staff responsibility for coordinating such functions on all campuses of the University, and for advising the Executive Vice-President and Provost concerning policies and plans in this area.

It is recommended also that Professor Charles J. McIntyre, at present Director of the Office of Instructional Television, be named Director of the Office of Instructional Resources at Urbana-Champaign, with the additional responsibilities just described.

I concur.

On motion of Mr. Johnston, these recommendations were approved.

CENTER FOR INTERNATIONAL COMPARATIVE STUDIES

(16) In consultation with the departments concerned, the Acting Dean and the Executive Committee of the Graduate College recommend that there be established in the Graduate College a Center for International Comparative Studies. The Center will supplement programs previously established and for which funds have been provided in state appropriations for the current biennium (1963-64). The earlier programs and the new Center will also be supported over a period of five years by a grant received from the Ford Foundation.

The purpose of the proposed Center will be to provide a framework within the University for stimulating and supporting comparative research of a functional and problem-oriented nature along cross-cultural, cross-national, and cross-regional lines. Its central function will be to develop means of encouraging such research and criteria for supporting it, including appropriate arrangements for released time for faculty research and for financing overseas travel for research scholars. Preference for support will be given to research programs that involve the training of graduate students.

A detailed description of the functions of the Center is submitted herewith and a copy is being filed with the Secretary of the Board for record.

The officers on the three campuses concerned have been consulted. The Director of International Programs and the Executive Vice-President and Provost concur in the recommendation.

I recommend approval.

On motion of Mrs. Watkins, this recommendation was approved.

CENTER FOR INSTRUCTIONAL RESEARCH AND CURRICULUM EVALUATION

(17) The College of Education recommends that the name of its present Office of Educational Testing be changed to "Center for Instructional Research and Curriculum Evaluation," effective September 1, 1964.

The new name would denote more accurately the interests and activities of the staff members of the Office of Educational Testing. Its functions have always been broader in scope than educational testing per se, and the proposed designation would emphasize the major purposes for which educational and psychological tests are used in educational research.

The proposed Center for Instructional Research and Curriculum Evaluation would have a relatively small permanent staff—as the Office of Educational Testing now has—but it would have the cooperation of many faculty members in departments throughout the College of Education, and in other colleges, who are interested in curricular innovation or in the improvement of teaching. The Center would provide the technical assistance needed for testing the effectiveness
of curriculum changes in various school or college subjects, and for determining the teaching methods best suited to the presentation of such materials to students.

The Acting Dean of the Graduate College and the Executive Vice-President and Provost recommend approval of the change in name and expansion in program of the Office of Educational Testing.

I concur.

On motion of Mr. Williamson, this recommendation was approved.

**ESTABLISHMENT OF A SURVEY RESEARCH LABORATORY**

(18) The Acting Dean of the Graduate College recommends that a Survey Research Laboratory be established by the University of Illinois as a separate unit of the Graduate College. The functions of the Survey Research Laboratory will be to: (1) plan, conduct, and process survey operations for University research projects; and, to carry out this function, to create an operating survey organization with facilities for maintaining and interviewing probability samples of the population of the state of Illinois; (2) conduct and promote research in survey methods; (3) provide a means for training undergraduate and graduate students in survey methods; and (4) act as a data repository for survey and other data on the state of Illinois.

Such a laboratory will serve to coordinate and facilitate the large number of University projects which currently use survey methods and will promote research on questions which can only be answered through the use of surveys. Its need stems from the growing use of the survey method as a tool of investigation employed in many different areas of the University. Knowledge of the use of this tool and of the associated facilities has become essential if undergraduate and graduate students in most of the social sciences and related applied fields are to receive a well-rounded education.

Until now, the University has possessed no central laboratory for maintaining survey operations, for collecting survey data, or for storing research data in a form readily available to faculty members and students. This type of laboratory exists at the Universities of Michigan and Wisconsin, but there is none at present in the state of Illinois.

The operations of the Survey Research Laboratory will be conducted by faculty members who hold departmental appointments. Primary administrative responsibility will rest with a Director and an Executive Committee. The Executive Committee will consist of those faculty members directly responsible for the major sections of the Laboratory (sampling, field operations, coding, and data storage), together with additional appointees from the faculties of the various departments of the University of Illinois most dependent upon the facilities of the Laboratory for their research activities. These additional faculty appointees will be named by the Dean of the Graduate College on recommendation of their department heads. The Director will be appointed biennially by the Board of Trustees on recommendation of the President, after nomination by the Dean of the Graduate College with the concurrence of the Executive Committee of the Laboratory. The Director of the Laboratory will serve as a member of the Executive Committee.

It is intended that the groundwork of the Laboratory will be laid during the forthcoming summer and academic year. During this period, a so-called master sample of the population of Illinois will be developed and field force of interviewers will be established and trained in all areas encompassed by the master sample. During this same period, plans would be completed for a perpetual data repository. Such repository would seek to develop an inventory of data needed in studies carried out by University faculty, and would maintain data relating to the business conditions and welfare of the State of Illinois.

A major function of the Laboratory will be to educate graduate and undergraduate students in survey techniques. Students will be given an opportunity to work under general faculty supervision and will be involved closely with the operational phases of a survey project. In addition, graduate students will be able to carry out dissertation projects using the resources of the Survey Research Laboratory. Faculty members will offer departmental courses drawing upon the resources of the Laboratory.

It is anticipated that the Survey Research Laboratory will be ready for regular operations by September, 1965.
This proposal has been approved by the Executive Committee of the Graduate College, the University Research Board, and the Executive Vice-President and Provost.

I concur.

On motion of Mr. Jones, this recommendation was approved.

HOSPITAL-MEDICAL-SURGICAL INSURANCE POLICIES FOR STUDENTS AND STAFF

Bids have been received on the hospital-medical-surgical insurance programs for staff and students for one year from September 1, 1964, with the right reserved to renew such insurance annually thereafter upon mutual agreement between the Carrier and the University. A schedule of the bids is submitted herewith and a copy is being filed with the Secretary.

The Vice-President and Comptroller recommends award of a contract for the same benefits as the current program to the Continental Assurance Company, 310 South Michigan Avenue, Chicago, the lowest bidder, at the following rates:

<table>
<thead>
<tr>
<th>Staff Insurance</th>
<th>Monthly Premium to be Paid to Company</th>

The excess over the cost of the coverage will be adequate to defray the administrative expenses of the programs. Since the bids are only slightly more than under the present contract, no increase in the fees charged to students and staff is necessary.

On motion of Mr. Johnston, this contract was authorized.

APPROPRIATIONS FOR NONRECURRING EXPENDITURES

The Executive Vice-President and Provost and the Vice-President and Comptroller recommend the following appropriations from the University General Reserve:

Urbana-Champaign
1. College of Fine and Applied Arts:
   Department of Art............................................. $4,526
2. Physical Plant Department:
   Remodeling in the Mining and Metallurgy Laboratory and moving costs
   for the Department of Art.................................... 5,377
   Remodeling for School of Music at 1205 West Nevada Street, Urbana,
   to provide practice rooms.................................... 8,375
   Remodeling for School of Music at 1205½ West Nevada Street,

   use as a Center for Linguistics and various area studies groups... 11,040
   Remodeling in the Natural History Building to provide research space
   for graduate students and in Harker Hall to provide space for
   courses in the School of Life Sciences........................ 17,580
   Remodeling on the second floor of the Mining and Metallurgy Labora-
   tory to provide office space for the Nuclear Engineering Program... 19,270

Total................................................................. $76,268

I concur.
On motion of Mr. Swain, these appropriations were made by the following vote: Aye, Mr. Clement, Mr. Johnston, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Dilliard, Mr. Hughes, Mr. Kerner.

**CONTRACTS FOR CONSTRUCTION OF DYNAMICS TEST LABORATORY**

(21) The Director of the Physical Plant Department and the Vice-President and Comptroller recommend award of contracts for construction of the Dynamics Test Laboratory for the Department of Civil Engineering, the award in each case being to the lowest bidder:

<table>
<thead>
<tr>
<th>Description</th>

</tbody>
</table>

It is also recommended that a combined contract be awarded to F. R. Inskip, an individual doing business as Inskip Plumbing, Heating, and Air Conditioning Company, Champaign, in the amount of $10,637 being the total of the amounts bid by that Company on heating and air conditioning and on ventilating work.

Funds are available from the Universities Building Fund and from the Research Contract Reserve. The latter source will be reimbursed if a construction grant is received from the National Science Foundation.

Submitted herewith is a report from the Physical Plant Department on this project, including a schedule of all bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Page, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Johnston, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Dilliard, Mr. Hughes, Mr. Kerner.

**CONTRACT FOR CONSTRUCTION OF UTILITY EXTENSIONS TO EAST CHEMISTRY BUILDING**

(22) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for $36,879 to the J. A. Julian Company, Chicago, the lowest bidder, for extension of steam service to the East Chemistry Building Addition.

Funds are available in the state capital appropriations to the University for 1963-65 and have been released.

I concur.

On motion of Mr. Pogue, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Johnston, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Dilliard, Mr. Hughes, Mr. Kerner.

**CONTRACTS FOR COOLING TOWERS FOR ADMINISTRATION BUILDING**

(23) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contracts for construction of cooling towers on the Admin-
istration Building for air conditioning the new addition, the present building, and providing additional capacity for future air conditioning of other buildings in the immediate area, the award in each case to the lowest bidder.

CONTRACTS FOR MINOR BUILDING ALTERATIONS AND REPAIRS

(24) The Director of the Physical Plant and the Vice-President and the Comptroller recommend authorization of cost-plus contracts with the following contractors for minor building alterations, repairs, and construction work for the period July 1, 1964, through June 30, 1965.

General — Dean Evans Company, Champaign

Electrical — William H. Brunkow, an individual doing business as Brunkow Electric Company, Champaign

Plumbing — Willis H. and W. C. Thomas, a partnership doing business as Thomas Plumbing and Heating Company, Urbana

Heating, Piping, Refrigeration, and Automatic Temperature Control Systems — Reliable Plumbing and Heating Company, Champaign

Ventilation and Distribution Systems for Conditioned Air — Reliable Plumbing and Heating Company, Champaign

It is also recommended that a combined contract be awarded to Reliable Plumbing and Heating Company, Champaign, for heating, piping, refrigeration, and automatic temperature controls and for ventilation and distribution systems for conditioned air, since this Company submitted identical bids for each category of work.

These contracts are for work which does not justify the cost of preparing separate drawings and specifications and of separate bidding procedures on each project. The several contractors bid on percentages to be added to actual material, labor, and subcontract costs, depending in many cases on the size of the particular division of work with specified limits of four ranges.

Work will be done as ordered by the Physical Plant Department and will be paid for on the basis of the actual cost of each job plus contractors' fees. A schedule of bids taken showing the percentages to be added for work to be executed under these cost-plus contracts is submitted herewith, and a copy is being filed with the Secretary of the Board for record as the basis for the contract awards recommended. No assignment of funds is requested and each job will be covered by a contract change order charged against funds allocated for the project.

It is further recommended that the Vice-President and Comptroller be authorized to approve orders under these contracts up to $25,000 on each project provided that any orders exceeding this amount shall be submitted to the Board.
of Trustees for approval in advance, in accordance with previous practice and
authorization.
I concur.

On motion of Mr. Williamson, these contracts were awarded, and
authority was given as requested, by the following vote: Aye, Mr.
Clement, Mr. Johnston, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain,
Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Dilliard, Mr.
Hughes, Mr. Kerner.

**CONTRACT FOR PLASTERING, PLASTER PATCHING
AND REPAIRS, AND ACOUSTICAL WORK**

(25) The Director of the Physical Plant and the Vice-President and Comptroller
recommend award of a cost-plus contract to George S. Grimmett, doing business
as George S. Grimmett and Company, Springfield, the lowest bidder, for plastering,
plaster patching and repairs, and acoustical work during the fiscal year ending
June 30, 1965, on the basis of a contractor's fee of 13.9 per cent of all actual job
costs as determined by itemized billing.
I concur.

On motion of Mr. Johnston, this contract was authorized by the
following vote: Aye, Mr. Clement, Mr. Johnston, Mr. Jones, Mr. Page,
Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; ab-
sent, Mr. Dilliard, Mr. Hughes, Mr. Kerner.

**CONTRACTS FOR REMODELING IN DENTISTRY-MEDICINE-
PHARMACY BUILDING**

(26) The Director of the Physical Plant and the Vice-President and Comptroller
recommend award of contracts for remodeling in the first unit of the Dentistry-
Medicine-Pharmacy Building, the award in each case being to the lowest bidder:

This work will include rehabilitating the west half of a student laboratory
(Biochemistry Room 304) by installation of new partitions, laboratory furniture,
improvement of the lighting level and mechanical ventilation, installation of
resilient flooring, and painting. The remodeling is a continuation of remodeling
in this area which was completed during the 1961-63 biennium.

It is further recommended that all contracts other than the contract for gen-
eral work be assigned to the contractor for that work, making the total of his
contract price $97,682; and that an agreement be entered into with Heller Con-
struction Company, Inc., for the assignment of these other contracts for $1,793
which amount is included in the contract price, being the amount bid by that
Company for service charge for supervision of other contracts assigned to the
general contractor.

Funds for this work are available in the state capital appropriations to the
University for 1963-65.

Submitted herewith is a schedule of all bids received and a copy is being
filed with the Secretary of the Board for record.
I concur.

On motion of Mrs. Watkins, these contracts were awarded, as
recommended, by the following vote: Aye, Mr. Clement, Mr. Johnston,
Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Dilliard, Mr. Hughes, Mr. Kerner.

EXTENSION OF EASEMENT AT CARTER-PENNELL FARM

(27) The Central Illinois Public Service Company has an easement for electric power transmission lines along the public roads adjoining the University's Carter-Pennell farm near Rankin in Vermilion County. The Company needs to install a heavier line and requests an easement to install three anchor wires on University property. The area of the easement is about one-seventh of an acre. Two of the anchors will be on non-tillable land, and most of the area around the third anchor can be farmed. The Company will pay $150 for the easement.

The Dean of the College of Agriculture and the Vice-President and Comptroller consider this compensation adequate and recommend adoption of the following resolution granting an easement.

Resolution

Be It, And It Hereby Is Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and the Secretary of this Board of Trustees be, and they hereby are, authorized to execute, acknowledge, and deliver in the name and on behalf of this Corporation such instruments of conveyance, contract, or other document or documents as to them may seem necessary or desirable in order to grant to Central Illinois Public Service Company, an Illinois corporation, hereinafter referred to as "Grantee," its successors and assigns, the right to construct, operate, patrol, and maintain a transmission line, including poles, anchors and necessary fixtures and wires attached thereto, over and upon the land hereinafter described, for the transmission of electrical energy and communication such line to form a part of an electrical transmission and telephone system to be owned and operated by the said Grantee its successors, or assigns, extending from the lands owned by the said Grantee and the structures thereon in Vermilion County, Illinois, to other lands and structures located beyond the lands hereinafter described, and also to remove or trim all brush and trees on the said land within Fifty Feet (50') of the said transmission line, together with the right of access to the said land. Any damage to any property of the Grantor, its assigns or tenants, caused by the employees of the Grantee, its successors or assigns, shall be promptly paid by the said Grantee, its successors or assigns. The land of the Grantor over which this grant is given and the location of the line to be constructed thereon, are described as follows:

TRACT I:
The North One Hundred Feet (N. 100') of that part of the Southwest Quarter (SW ¼) of the Northeast Quarter (NE ¼) of Section Eleven (Sec. 11) which lies East of Brook Creek and the West Four Hundred Twenty Five Feet (W. 425') of that part of the Southeast Quarter (SEg) of the Northeast Quarter (NEq) of Section 11 which lies North of the North line of Carter's Second West Addition to the Original Town of Rankin, Illinois, all in Township Twenty-Three North (T.23.N.), Range Fourteen West (R.14.W.) of the Second Principal Meridian (2nd P.M.), Vermilion County, Illinois.

This grant is made to grant the right to place One (1) anchor Nine Hundred Sixty-five Feet (965') North of the South line of the Northeast Quarter (NEq) of the said Section 11 and 1350 feet West of the East line of the said Section 11. Also, One (1) anchor to be placed 1070 feet North of the South line of the Northeast Quarter (NEg) of the said Section 11 and 1320 feet West of the East line of the said Section 11. Also, Two (2) anchors to be placed 1210 feet, more or less, North of the South line of the Northeast Quarter (NEq) of the said Section 11 and 1140 feet West of the East line of the said Section 11.

TRACT II:
The North Twenty-Five Feet (N. 25') of the West One Hundred Fifty Feet (W. 150') of the Northwest Quarter (NWg) of the Northwest Quarter (NWq) of Section Twelve (Sec. 12) in Township Twenty-Three North (T.23.N.), Range Fourteen West (R.14.W.), of the Second Principal Meridian
(2nd P.M.), Vermilion County, Illinois, which lies South of the South line of the Public Highway which extends East and West along the North line of the said Section 12.

This grant also includes the right to place One (1) pole One Foot (1') South of the South line of the above mentioned Public Highway and 142 feet East of the center line of State Highway Route #49. One (1) anchor to be placed 20 feet South of the said pole.

The Grantee herein agrees to move, at its own expense, the anchors listed above, upon request of Grantor, and due to relocation of said Brook Creek bed, to a location which is mutually agreeable between Grantee and Grantor.

This easement to cease to be in effect if said transmission line is abandoned.

On motion of Mr. Pogue, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Johnston, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Dilliard, Mr. Hughes, Mr. Kerner.

EMPLOYMENT OF ENGINEERS

(28) The Director of the Physical Plant and the Vice-President and Comptroller recommend the employment of Sodemann and Associates, Champaign, Illinois, for engineering services in planning the paving of Peabody Drive east of Goodwin Avenue in front of the Veterinary Medicine Building at the standard fee based on Schedule B of the minimum fees of the Illinois Society of Professional Engineers. Funds are available in the Physical Plant budget. The Committee on Buildings and Grounds and the Advisory Committee on Architectural and Engineering Services have been consulted and recommend approval.

I concur.

On motion of Mr. Johnston, this recommendation was approved.

EMPLOYMENT OF SPECIAL COUNSEL

(29) The Legal Counsel has been authorized to employ special counsel in the vicinity of Du Quoin, Illinois, to represent the University in a case before the Court of Claims filed by Ora Metcalf, an employee of Marshall Browning Hospital in Du Quoin, and in which case (by an amended complaint) the University is being sued for $5,000 for an alleged loss of hearing resulting from a demonstration conducted by the University Extension Division.

I request confirmation of this authorization.

On motion of Mr. Swain, the President's action was confirmed.

DIXON SPRINGS AGRICULTURAL CENTER

(30) The Dean of the College of Agriculture and Director of the Agricultural Experiment Station and the Cooperative Extension Service in Agriculture and Home Economics reports a reorganization of the Dixon Springs Experiment Station, and, recommends changing its name to "Dixon Springs Agricultural Center of the University of Illinois."

I have approved the recommendations and report my action for the record. A text of the reorganization plan is submitted herewith, and a copy is filed with the Secretary of the Board for the record.

On motion of Mrs. Watkins, the President's actions were confirmed.

PURCHASES

Purchases Authorized

(31) The following purchases were authorized by the President's Office on the recommendation of the Director of Purchases and the Vice-President and Comptroller. Unless otherwise specified, the purchase in each case was recommended on the basis of the lowest acceptable bid.

The recommendations are presented in one category: purchases from Institutional Funds. This term is used here to designate funds received by the University under contracts with the United States government, contracts with private corporations and other donors, and University revolving funds authorized by law.
On motion of Mr. Johnston, these purchases were approved.

Purchases Recommended

The Director of Purchases has proposed and the Vice-President and Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest acceptable bid.

The recommendations are presented in two categories: purchases from Appropriated Funds (i.e., from state appropriations to the University); and purchases from Institutional Funds. The latter term is used here to designate funds received by the University under contracts with the United States government, contracts with private corporations and other organizations, foundation grants, and grants from corporations and other donors, and University revolving funds authorized by law.

REPORT OF THE EXECUTIVE COMMITTEE

The Executive Committee submits the following report:

Meeting of the Executive Committee of the Board of Trustees of the University of Illinois
June 1, 1964

On call of the Chairman, and pursuant to due notice, a meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the offices of Skidmore, Owings, and Merrill, Architects, 30 West Monroe Street, Chicago, Illinois, on Monday, June 1, 1964, beginning at 4:00 p.m.

The following, constituting all members of the Committee, were present: Mr. Howard W. Clement, Chairman, Mr. Wayne A. Johnston, Mrs. Frances B. Watkins.

Also present were, from the University: Mr. Earl M. Hughes of the Board of Trustees, President David D. Henry, Vice-president and Comptroller H. O. Farber, Mr. C. S. Havens, Director of the Physical Plant, Mr. James E. Osborn, Business Manager for the Chicago Colleges, Mr. J. Fred Knight, Purchasing Agent at the Chicago Undergraduate Division, Mr. James J. Costello, Legal Counsel, Mr. C. E. Flynn, Assistant to the President and Director of Public Information, and Mr. A. J. Janata, Secretary of the Board and Clerk of the Committee; and from the firm of Skidmore, Owings, and Merrill: Mr. Walter A. Netsch, Jr., Mr. Fred W. Kraft, and Mr. Ralph Youngren.

The purpose of the meeting was to consider recommendations for the purchase of classroom and lecture room seating and tables for the buildings under construction at Chicago Circle. Mr. Farber and Mr. Havens made introductory statements concerning the bids taken on the classroom and lecture room furniture. A tabulation of the proposals received was distributed to the members of the Committee and a copy was filed with the Clerk of the Committee for the record.

The bid proposals were on three groups of equipment: (A) classroom seating, (B) lecture room seating, and (C) lecture center tables. Mr. Netsch and Mr. Youngren presented the recommendations of Skidmore, Owings, and Merrill and exhibited samples of all of the items of equipment on which bids were received.

The Executive Committee acted separately on each group.

On motion of Mrs. Watkins, the Committee voted to authorize the purchase of the classroom seating from the General Fireproofing Company, Youngstown, Ohio, and Chicago, Illinois, at a total price of $91,357.48.

On motion of Mr. Johnston, the Committee voted to authorize the purchase of lecture room seating from Herman Miller, Inc., Zeeland, Michigan, and Chicago, Illinois, for a total price of $126,530.70.
On motion of Mr. Johnston, the Committee voted to authorize the purchase of the continuous lecture center tables from Herman Miller, Inc., at a price of $7,680. These actions were taken by votes of record as follows: Aye, Mr. Clement, Mr. Johnston, Mrs. Watkins, no, none; absent, none.

The Committee adjourned.

NUCLEAR ENGINEERING LABORATORY

(35) With the approval of the Committee on Buildings and Grounds, the former Metallurgy Laboratory adjacent to the Ceramics Building which has been assigned to the nuclear engineering program has been renamed Nuclear Engineering Laboratory and this matter is being reported for record.

This report was received for record.

NAMING OF RESIDENCE HALLS

(36) The Housing Division recommends the following names for the Illinois Street Residence Halls and the Graduate Student Residence Halls on Green Street:
Illinois Street Residence Halls, Women’s Building — Ruth A. Wardall Hall. Ruth A. Wardall, 1877-1936; Professor and Head of the Department of Home Economics, 1921-36.

Ruth A. Wardall was born July 28, 1877, at Tolono, Illinois. She was an Alumna of the University of Illinois, receiving the degrees of Bachelor of Arts in 1903 and Master of Arts (in Home Economics) in 1907. She served as Professor and Head of the Department of Home Economics at the University of Illinois from September, 1921, until April, 1936, when she resigned because of ill health. She died in July, 1936.

Prior to coming to Illinois, Miss Wardall had served as Head of the Departments of Home Economics at South Dakota State College, Ohio State University, and at the State University of Iowa. She achieved national recognition in her work as a teacher of home economics and as an administrator. She is especially remembered for her high ideals, her fine professional and personal character, and her loyalty to the University.

Illinois Street Residence Halls, Men’s Building — Edgar Jerome Townsend Hall. Edgar Jerome Townsend, 1865-1955; Professor and Head of the Department of Mathematics, 1905-29; Dean of the former College of Science, 1905-13.

Edgar J. Townsend was born February 2, 1865, in Litchfield, Michigan. He graduated from Albion College with the degree of Bachelor of Philosophy in 1890 and received the degree of Master of Philosophy from the University of Michigan in 1891. Nine years later he received the degree of Doctor of Philosophy from the University of Göttingen.

Dr. Townsend joined the faculty of the University of Illinois as Assistant Professor of Mathematics in 1893. In 1895 he became an Associate Professor and Professor in 1905. He served as Head of the Department of Mathematics from 1905 until he retired in 1929. During the period 1905-13 he was also Dean of the former College of Science and at various times served for short periods as Acting President of the University during absences of President Edmund J. James.

His life at Illinois started during the period when John Milton Gregory, the retired first Regent of the University, was still living and ended shortly before the present President of the University began his administration. Professor Townsend died July 8, 1955.

Graduate Student Residence Halls — Arthur Hill Daniels Hall. Arthur Hill Daniels, 1865-1940; Professor of Philosophy, 1899-1934; Dean of the Graduate School, 1919-33; Acting President, 1933-34.

Arthur H. Daniels was born in East Medway (now Millis), Massachusetts, October 19, 1865. He graduated from Olivet College, Michigan in 1887 with the degree of Bachelor of Arts and received the degrees of Bachelor of Divinity from Yale University in 1890 and of Doctor of Philosophy from Clark University in 1893.

He came to the University of Illinois in 1893 as an Instructor in Philosophy, became an Assistant Professor in 1895 and Professor in 1899. He was Head of the Department of Philosophy for many years. His other administrative duties included those of Acting Dean of the College of Liberal Arts and Sciences for four different periods; Assistant Dean and Acting Dean of the Graduate School; and from 1921-1933, Dean of the Graduate School. He served as Acting President of the University for one year from July, 1933 and retired in 1934. He died in April, 1940, leaving a record of distinguished and dedicated service to the University of Illinois.

The recommendations of the Housing Division are supported by the departments concerned, viz., Home Economics, Mathematics, and the Graduate College. As is customary, the Executive Committee of the University Council has also been consulted, and concurs.

I recommend approval.

Mr. Pogue reported that the Committee on Buildings and Grounds had reviewed these recommendations and supports them.

On motion of Mr. Pogue, the recommendations were approved.

Names of Buildings at Chicago Circle

(37) The Vice-President for the Chicago Undergraduate Division and his Aca-
1964]

UNIVERSITY OF ILLINOIS 1265

demic Advisory Committee recommend that buildings under construction at Chi
cago Circle be named as follows:

Classroom Buildings — Abraham Lincoln, Stephen A. Douglas, Lorado Taft,
Daniel Burnham, Jane Addams, Ulysses S. Grant, and Thomas Jefferson. Func-
tional names are not feasible since these buildings all serve the same purpose. The
names have been selected from a long list of statesmen and contributors to the arts
and to social progress identified with the history of Illinois and of Chicago.

Administration and Staff Building — University Hall
Lecture Center — Lecture Center
Illini Union — Illini Union
Engineering and Science Laboratories — Science and Engineering Laboratories

I recommend approval.

Mr. Pogue reported that the Committee on Buildings and Grounds
had reviewed these recommendations and supports them.

On motion of Mr. Swain, the recommendations were approved.

MEMORIAL TO FRANCES MYERS BAUER

Mr. Swain read the following and moved its adoption:

Resolution

WHEREAS, since the last meeting of the Board of Trustees of the University
of Illinois, Fran Myers Bauer who has covered the meetings of the Board for her
newspaper, The News-Gazette, has passed on; and

WHEREAS, her record shows that she was a great friend of the University and
a dedicated newspaper woman over many years and one who has ably reported
our proceedings for approximately forty years;

Now Therefore Be It Resolved in recognition of her contribution to our great
University and her great interest in the University of Illinois, we, the Board of
Trustees, hereby express our deep sorrow upon her passing as she will be greatly
missed by all of us.

This resolution was unanimously adopted.

DEGREES CONFERRED IN JUNE, 1964

The Secretary presented for record the following lists of degrees con-
ferred on candidates at the Medical Center campus on June 11, 1964,
and on the other dates indicated, and on candidates at the Urbana-
Champaign campus on June 13, 1964, in accordance with the authoriza-
tion of the Board of Trustees.

THOMAS, Ian B., Research Assistant in Electrical Engineering (C), ½ time, and Assistant in Electrical Engineering (C), ½ time, February 1-June 15, 1964, $2,333.33, supersedes (4-29-64).
THOMPSON, M. N., Research Associate in Physics (C), one year from September 1, 1964, $8,500 (5-28-64).
THOMPSON, Samuel R., III, Assistant in Mathematics, Summer Session of 1964, June 15-August 8, 1964, $934 for the period (5-21-64).
THULEN, Jack L., Field Assistant in the Natural History Survey and in the Graduate College, four months from May 1, 1964, $1,060 (5-13-64).
TIBBETTS, Gary G., Research Assistant in the Coordinated Science Laboratory (C), two months from June 16, 1964, $977.76 (4-28-64).
TOBESCHINI, C., Instructor in Theoretical and Applied Mechanics (C), ¼ time, academic year 1964-65, $2,800 (5-11-64).
TOROK, Nicholas, Associate Professor of Otolaryngology, College of Medicine, ¾ time, three months from June 1, 1964, $566.66 a month (5-7-64).
TOTTEN, Stanley M., Research Associate in Geology, two months from June 1, 1964, $1,000 (5-11-64).
TOWER, William P., Research Assistant in Physics (C), two months from June 16, 1964, $977.78 (5-1-64).
VANDYKE, Patricia A., Counselor in Speech and Theatre — Summer Residential Program, Summer Session of 1964, 16/100 time, June 15-August 8, 1964, $150 for the period (5-21-64).
VARDAMAN, Hazel, Assistant to the Dean of the College of Liberal Arts and Sciences, Chicago Undergraduate Division, June 22-August 14, 1964, $2,622; this is in addition to her present appointment (5-28-64).
VON HENTIG, Ronald, Instructor in Biological Sciences, Chicago Undergraduate Division, Summer Session of 1964, ½ time, June 19-August 14, 1964, $556 for the period (5-28-64).
WAKAE, Masami, Assistant in Mathematics, Summer Session of 1964, June 15-August 8, 1964, $934 for the period (5-21-64).
WALLETT, Francis, Visiting Lecturer in History and Philosophy of Education, Summer Session of 1964, June 15-August 8, 1964, $2,000 for the period (5-25-64).
WALLO, Edward M., Research Assistant in Theoretical and Applied Mechanics (C), two months from June 16, 1964, $1,244.44 (5-25-64).
WEISE, Mrs. Ursula A., Assistant Editor of Publications, College of Engineering, one year from September 1, 1964, $7,000 (5-19-64).
WESTLAKE, A. H., Research Associate in Chemistry, two months from June 16, 1964, $1,050 (5-15-64).
WHEELER, D. M. S., Visiting Lecturer in Organic Chemistry, Summer Session of 1964, June 15-August 8, 1964, $2,000 for the period (5-19-64).
WILBER, Gordon A., Research Assistant in Metallurgical Engineering (C), June 16-August 31, 1964, $1,277.80 (5-22-64).
WILDE, Robert R., Assistant in Electrical Engineering, Summer Session of 1964, June 15-August 8, 1964, $1,034 for the period (5-21-64).
WILLNER, Ernest S., Associate Professor of Foreign Languages, Chicago Undergraduate Division, Summer Session of 1964, June 19-August 14, 1964, $2,112 for the period, supersedes previous Summer Session appointment on ½ time (5-12-64).
WILLSON, Robert H., Research Assistant in the Coordinated Science Laboratory (C), June 16-August 15, 1964, $1,022.24 (4-28-64).
WIRTH, David G., Jr., Research Assistant in Ceramic Engineering (C), ¾ time, September 1, 1964-June 15, 1965, $3,800, and full time, June 16-August 31, 1965, $1,500 (5-5-64).
WONG, BING K., Assistant in Mathematics, Summer Session of 1964, June 15—August 8, 1964, $934 for the period (5-21-64).

YOSHIDORA, TAKAO, Research Assistant in Metallurgical Engineering (C), June 16—August 31, 1964, $1,277.80 (5-22-64).

YOUNG, PETER N., Visiting Lecturer in English, Summer Session of 1964, June 15—August 8, 1964, $2,500 (5-25-64).

YOUNG, STANLEY, Visiting Lecturer in Industrial Administration, Summer Session of 1964, ½ time, June 15—August 8, 1964, $1,223 for the period (5-25-64).

YUDIN, FLORENCE, Assistant in Spanish, Summer Session of 1964, June 15—August 8, 1964, $934 for the period (5-11-64).

FELLOWS
(The following appointments made by the Dean of the Graduate College were approved on the date indicated in parentheses.)

ABU-SALIH, MUHAMMAD, Summer Fellow in Mathematics, two months from June 16, 1964, $450 (4-14-64).

ALEXANDER, RICHARD W., Summer Fellow in English, two months from June 16, 1964, $450 (4-14-64).

ALLEN, DONALD B., Summer Fellow in Geology, two months from June 16, 1964, $450 (4-14-64).

ALGOOD, WILLIAM T., Special Fellow in Music, nine months from September 16, 1964, $1,800 (5-18-64).

ANDERSON, NORMAN J. B., Summer Fellow in Education, two months from June 16, 1964, $450 (4-14-64).

ANDERSON, STUART H., Summer Fellow in Mathematics, two months from June 16, 1964, $450 (4-14-64).

ANDREWS, JOAN L., Special Summer Fellow in Mathematics, two months from June 16, 1964, $375 (4-24-64).

ASPENES, EDNA J. H., National Science Foundation Cooperative Fellow III in Physics, one year from September 1, 1964, $2,800 (5-11-64).

BAILEY, RONALD B., Summer Fellow in Political Science, two months from June 16, 1964, $450 (4-14-64).

BASSEL, BYRON A., JR., Postdoctoral Fellow in Microbiology, five months from July 1, 1964, $2,500 (5-25-64).

BECKER, DAVID H., Summer Fellow in Art, two months from June 16, 1964, $450 (4-14-64).

BELZER, EDWIN G., Jr., Summer Fellow in Health and Safety Education, two months from June 16, 1964, $450 (4-14-64).

BOICHOT, LANCE, National Science Foundation Trainee II in Civil Engineering, nine months from September 16, 1964, $1,950 (4-30-64).

BONHAM, JAMES A., Standard Oil (of California) Fellow in Chemistry, nine months from September 16, 1964, $2,400 (4-22-64).

BOUMA, MARIYL, Summer Fellow in Spanish, two months from June 16, 1964, $450 (4-14-64).

BOWERS, ANNE S., Special Summer Fellow in English, two months from June 16, 1964, $375 (4-24-64).

BRANDT, RICHARD C., National Science Foundation Cooperative Fellow II in Physics, one year from September 1, 1964, $3,100 (5-14-64).

BRARGE, NIELS W., Summer Fellow in Sociology, two months from June 16, 1964, $450 (4-14-64).

BRIESKE, GEORGE H., Summer Fellow in Accountancy, two months from June 16, 1964, $450 (4-14-64).

BRITAIN, THOMAS M., National Science Foundation Cooperative Fellow III in Mechanical Engineering, nine months from September 16, 1964, $3,225 (5-11-64).

BROCK, JARRETT E., Summer Fellow in Philosophy, two months from June 16, 1964, $450 (4-14-64).

BROWN, FREDERICK S., United States Public Health Service Fellow (Trainee) in Chemistry, two months from June 16, 1964, $489 (5-5-64).

BUCHHOLZ, ALLAN C., Allied Chemical Corporation Fellow in Chemistry, nine months from September 16, 1964, $2,000 (4-22-64).

BUCHHOLZ, EUGENE K., Summer Fellow in Mechanical and Industrial Engineering, two months from June 16, 1964, $450 (4-14-64).
BUFFINGTON, JOHN D., National Science Foundation Cooperative Fellow in Zoology, one year from September 1, 1964, $2,600 (5-11-64).

BUFFINGTON, SIDNEY C., National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1963, $5,428.75, supersedes (5-11-64).

BUNGER, MELODY P., Fellow in Creative and Performing Arts (Music), nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450, supersedes (5-18-64).

CALDER, JOHN A., United States Public Health Fellow (Trainee) in Chemistry, two months from June 16, 1964, $466.66 (5-21-64).

CARDENAS, MARY J., United States Public Health Service Fellow (Trainee) in Chemistry, two months from June 16, 1964, $467 (5-5-64).

CARLEY, MRS. YVONNE F., Summer Fellow in Home Economics, two months from June 16, 1964, $450 (4-14-64).

CARMICHAEL, DOUGLAS R., Summer Fellow in Accountancy, two months from June 16, 1964, $450 (4-14-64).

CARTER, BRADLEY K., Special Summer Fellow in Political Science, two months from June 16, 1964, $375 (5-24-64).

CLAYTON, LEE S., National Science Foundation Cooperative Fellow III in Geology, nine months from September 16, 1964, $2,100 (5-11-64).

COLLIER, C. PATRICK, National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1963, $4,288.75, supersedes (5-11-64).

CONATSER, CHARLES W., National Science Foundation Summer Fellow in Mathematics, June 16-September 8, 1964, $1,020 (5-5-64).

CORDERO, RONALD A., Summer Fellow in Philosophy, two months from June 16, 1964, $450 (4-14-64).

CRAIG, GEORGE D., National Science Foundation Summer Fellow in Economics, June 16-August 11, 1964, $680 (5-7-64).

CROUCH, STANLEY R., National Science Foundation Summer Fellow in Chemistry, June 16-August 25, 1964, $850 (5-7-64).

CUSIMAN, DAVID W., Minnesota Mining and Manufacturing Company Fellow in Chemistry, eleven months from September 16, 1964, $2,500 (5-11-64).

CYR, ROBERT A., National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1964, $5,880 (4-17-64).

DALTON, WILLIAM O., United States Public Health Service Fellow (Trainee) in Chemistry, seven months from February 1, 1964, $1,457, supersedes (4-27-64).

DAS, ASIT B., Summer Fellow in Physiology, two months from June 16, 1964, $450 (4-14-64).

DAVIS, GEORGE C., JR., Summer Fellow in History, two months from June 16, 1964, $450 (4-14-64).

DEBORD, WARREN A., Summer Fellow in Marketing, two months from June 16, 1964, $450 (4-14-64).

DIAZ, MODESTO M., Summer Fellow in Spanish, two months from June 16, 1964, $450 (5-19-64).

DIXON, DANIEL B., Summer Fellow in Chemistry, two months from June 16, 1964, $450 (4-14-64).

DODGE, WILLIAM J., National Aeronautics and Space Administration Fellow (Trainee) in Mathematics, one year from September 1, 1964, $2,600 (4-20-64).

DOLAN, THOMAS J., JR., National Aeronautics and Space Administration Fellow (Trainee) in Nuclear Engineering, one year from September 1, 1964, $2,400 (4-15-64).

DONOHUE, JOHN T., DuPont Fellow in Physics, nine months from September 16, 1964, $2,400 (4-11-64).

DOUBLEDAY, JAMES F., Summer Fellow in English, two months from June 16, 1964, $450 (4-14-64).

EATON, JOHN L., United States Public Health Service Fellow (Trainee) in Entomology, one year from July 1, 1964, $2,880 (5-1-64).

EEVER, CHARLES A., National Science Foundation Cooperative Fellow II in Physics, one year from September 1, 1964, $2,600 (5-11-64).

ENGSTROM, STEPHENIE G., Summer Fellow in Education, two months from June 16, 1964, $450 (4-14-64).
Epley, Troy D., Monsanto Chemical Corporation Fellow in Chemistry, nine
months from September 16, 1964, $1,800; and two months from June 16, 1964,
$400 (4-22-64).
Evans, Kenneth E., Jr., Summer Fellow in Physics, two months from June 16,
1964, $450 (4-14-64).
Findley, Mildred M., United States Public Health Service Fellow (Trainee) in
Chemistry, two months from June 16, 1964, $467 (5-5-64).
Forsp, James H., Summer Fellow in History, two months from June 16, 1964,
$450 (4-14-64).
Foys, Robert M., Summer Fellow in English, two months from June 16, 1964,
$450 (4-14-64).
Friedberg, Robert J., National Science Foundation Cooperative Fellow II in
Physics, one year from June 16, 1964, $3,100 (5-11-64).
Frincke, Gerald L., National Science Foundation Summer Fellow in Psychology,
June 16-August 11, 1964, $680 (5-7-64).
Gagliano, Felix V., Jr., Special Summer Fellow in Political Science, two
months from June 16, 1964, $500 (4-23-64).
Gans, Daniel J., National Science Foundation Cooperative Fellow II in Mathe-
matics, one year from June 16, 1964, $2,600 (5-11-64).
Gass, David M., Chemical Industries Council Summer Fellow in Chemistry, two
months from June 16, 1964, $500 (5-11-64).
Gemrich, Edwin G., II, United States Public Health Service Fellow (Trainee)
in Entomology, two months from July 1, 1964, $480 (5-1-64).
Goff, James F., Summer Fellow in Geography, two months from June 16, 1964,
$450 (4-14-64).
Goldsmith, Leonard J., Summer Fellow in Psychology, two months from June 16,
1964, $450 (4-14-64).
Gray, Lewis R., Summer Fellow in Botany, two months from June 16, 1964, $450
(4-14-64).
Greenlee, James W., Summer Fellow in French, two months from June 16, 1964,
$450 (4-14-64).
Griego, Richard J., National Science Foundation Cooperative Fellow II in Math-
ematics, one year from September 1, 1964, $3,100 (5-11-64).
Gurak, Adriane M., Summer Fellow in Chemistry, two months from June 16,
1964, $450 (4-14-64).
Gutman, David, National Science Foundation Summer Fellow in Chemistry,
June 16-September 8, 1964, $1,020 (5-7-64).
Habacidch, William, National Science Foundation Summer Fellow in Economics,
June 16-September 8, 1964, $1,020 (5-7-64).
Hahn, William F., Summer Fellow in Mechanical and Industrial Engineering,
two months from June 16, 1964, $450 (4-14-64).
Haley, Kenneth W., Union Carbide-Carbon Summer Fellow in Chemical Engi-
neering, two months from June 16, 1964, $500 (5-19-64).
Harmer, Richard S., National Aeronautics and Space Administration Fellow
(Trainee) in Ceramic Engineering, one year from September 1, 1964, $2,600
(5-18-64).
Harris, Richard E., National Aeronautics and Space Administration Fellow
(Trainee) in Physics, nine months from September 16, 1964, $1,950 (4-21-64).
Hartwell, George E., National Science Foundation Summer Fellow in Chemistry,
June 16-September 8, 1964, $1,020 (5-7-64).
Hendrix, Helen C., National Science Foundation Institute Fellow in Mathe-
matics, one year from June 16, 1964, $3,600 (4-17-64).
Herlocker, David W., National Science Foundation Cooperative Fellow II in
Chemistry, one year from September 1, 1964, $2,600 (5-11-64).
Heur, Ronald E., National Science Foundation Cooperative Fellow II in Geology,
nine months from September 16, 1964, $1,950 (5-11-64).
Himan, Hugh K., Summer Fellow in Economics, two months from June 16, 1964,
$450 (4-14-64).
Hucko, Leila E., Charles E. Merriam Fellow in Political Science, nine months
from September 16, 1964, $1,500 (5-11-64).
Huseman, Richard C., Summer Fellow in Speech, two months from June 16,
1964, $450 (4-14-64).
INMAN, FRANKLIN P., JR., Postdoctoral Fellow in Microbiology, three months from June 1, 1964, $1,875 (5-21-64).

IRELAND, RONALD G., National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1964, $4,740 (4-17-64).

JACOBSON, LEWIS A., United States Public Health Service Fellow (Trainee) in Chemistry, two months from June 16, 1964, $467 (5-5-64).

JASNOW, DAVID, National Aeronautics and Space Administration Fellow (Trainee) in Physics, nine months from September 16, 1964, $1,800 (5-4-64).

JEN, LINDA C., United States Public Health Service Fellow (Trainee) in Chemistry, two months from June 16, 1964, $467 (5-5-64).

JENSEN, CLARA S., Summer Fellow in Political Science, two months from June 16, 1964, $450 (4-14-64).

JOHNSON, JOHN A., National Science Foundation Cooperative Fellow I in Physics, one year from September 1, 1964, $2,900 (5-11-64).

JOHNSON, KAREN L., Summer Fellow in Botany, two months from June 16, 1964, $450 (4-14-64).

JUNG, ROBERT, Summer Fellow in Philosophy, two months from June 16, 1964, $450 (4-21-64).

KATZ, JOSE, Summer Fellow in Physics, two months from June 16, 1964, $450 (4-14-64).

KEENER, RONALD L., Phillips Petroleum Company Fellow in Chemistry, nine months from September 16, 1964, $2,000 (5-21-64).

KENJARSKI, STANLEY, National Science Foundation Trainee I in Civil Engineering, one year from September 1, 1964, $2,400 (4-29-64).

KRASKA, JOHN R., National Science Foundation Trainee I in Chemical Engineering, one year from June 16, 1964, $2,400 (4-15-64).

KUENZI, NORBERT J., National Science Foundation Mathematics Institute Fellow in Mathematics, nine months from September 16, 1963, $1,953.75, supersedes; and National Science Foundation Institute Summer Teaching Fellow in Mathematics, three months from June 16, 1964, $380 (5-18-64).

LACEY, JAMES E., National Science Foundation Cooperative Fellow II in Geology, one year from September 1, 1964, $2,600 (5-11-64).

LANDON, DALE E., Summer Fellow in History, two months from June 16, 1964, $450 (4-14-64).

LARSON, A., National Science Foundation Cooperative Fellow I in Chemistry, one year from June 16, 1964, $2,900 (5-11-64).

LASSO, JAMES S., National Science Foundation Cooperative Fellow II in Physics, one year from September 1, 1964, $3,100 (5-11-64).

LUCAS, PAUL A., Special Summer Fellow in Physics, two months from June 16, 1964, $375 (4-24-64).

MACLEOD, M., United States Public Health Fellow (Trainee) in Biophysics, one year from June 16, 1964, $2,666.04 (5-19-64).
MADISON, KENNETH G., Summer Fellow in History, two months from June 16, 1964, $450 (4-14-64).

MAHRT, JEROME L., United States Public Health Service Fellow (Trainee) in Veterinary Medical Science, one year from June 16, 1964, $4,750 (5-4-64).

MAIER, ERNEST L., Summer Fellow in Marketing, two months from June 16, 1964, $450 (4-16-64).

MALL, JAMES P., Summer Fellow in French, two months from June 16, 1964, $450 (4-14-64).

MANN, LINDSAY A., Summer Fellow in English, two months from June 16, 1964, $450 (4-14-64).

MARCO, GARY L., Summer Fellow in Education, two months from June 16, 1964, $450 (4-14-64).

MARIA, ROBERTO S., Fellow in Mathematics, nine months from September 16, 1964, $1,800; and two months from June 16, 1965, $450 (4-20-64).

MARIS, RONALD, Summer Fellow in Sociology, two months from June 16, 1964, $450 (4-14-64).

MARISIC, ELLIN R., Summer Fellow in English, two months from June 16, 1964, $450 (4-14-64).

MARKOS, DONALD W., Summer Fellow in English, two months from June 16, 1964, $450 (4-14-64).

MARLIN, MARJORIE J. M., National Science Foundation Cooperative Fellow in Psychology, one year from September 1, 1964, $2,800 (5-11-64).

MARTIN, LAWRENCE L., Edward Orton Foundation Fellow in Ceramic Engineering, nine months from September 16, 1964, $1,600 (5-1-64).

MCGEARY, DAVID F. R., Summer Fellow in Geology, two months from June 16, 1964, $450 (4-14-64).

MCKINNON, DANA G., Summer Fellow in English, two months from June 16, 1964, $450 (4-14-64).

MEREDITH, CONNIE G. W., National Science Foundation Cooperative Fellow II in Psychology, one year from June 16, 1964, $4,100 (5-11-64).

MEREDITH, DALE D., National Science Foundation Cooperative Fellow II in Civil Engineering, one year from September 1, 1964, $2,600 (5-11-64).

MIDJAAS, CARL L., Summer Fellow in Education, two months from June 16, 1964, $450 (4-14-64).

MILNER, BILLY E., National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1964, $4,740 (5-6-64).

MINTZ, LOIS E., National Science Foundation Summer Fellow in Mathematics, June 16-September 8, 1964, $1,020 (5-7-64).

MITCHELL, WILLIAM T., National Science Foundation Cooperative Fellow III in Chemical Engineering, one year from September 1, 1964, $4,300 (5-11-64).

MONTAGUE, JOHN S., Summer Fellow in Mathematics, two months from June 16, 1964, $450 (4-14-64).

NANZETTA, PHILIP N., National Science Foundation Summer Fellow in Mathematics, June 16-September 8, 1964, $1,020 (5-7-64).

NETTLETON, JOHN F., United States Public Health Service Fellow (Trainee) in Chemistry, two months from June 16, 1964, $467 (5-5-64).

NORTHGUT, RICHARD G., National Science Foundation Summer Fellow in Zoology, June 16-September 8, 1964, $1,020 (5-7-64).

O'NEILL, WILLIAM P., National Science Foundation Cooperative Fellow III in Chemistry, one year from September 1, 1964, $4,800 (5-11-64).

PACE, NORMAN R., United States Public Health Service Fellow (Trainee) in Microbiology, June 16-August 31, 1964, $587.50 (5-21-64).

PAFLIKAS, AUSTE M., United States Public Health Service Fellow (Trainee) in Chemistry, two months from June 16, 1964, $467 (5-4-64).

PARSONS, MICHAEL J., Summer Fellow in Education, two months from June 16, 1964, $450 (4-14-64).

PAULSON, HOLLACE E., National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1964, $4,170 (4-17-64).
PÉREZ-ALBURNE, Evelio A., Consolidation Coal Company Summer Fellow in Chemical Engineering, two months from June 16, 1964, $500 (5-19-64).

Petersen, Harold, Jr., Chemical Industries Council Summer Fellow in Chemistry, two months from June 16, 1964, $500 (5-11-64).

Petterson, Lance G., United States Public Health Service Fellow (Trainee) in Virology, two months from July 1, 1964, $480 (5-4-64).

Phipps, Catherine P., Summer Fellow in Business Education, two months from June 16, 1964, $450 (5-19-64).

Piper, Edward H., Procter and Gamble Fellow in Chemistry, nine months from September 16, 1964, $2,100 (4-22-64).

Pontius, Paul E., National Science Foundation Institute Fellow in Mathematics, one year from June 16, 1964, $3,600 (4-17-64).

Porter, Agnes R., Summer Fellow in French, two months from June 16, 1964, $450 (4-14-64).

Pritzer, Calvin L., Summer Fellow in Speech, two months from June 16, 1964, $450 (4-14-64).

Puzy, George A., Wright Teaching Fellow in Agricultural Engineering, September 1, 1964-June 15, 1965, $1,800; and two months from June 16, 1965, $450 (5-1-64).

Randall, William J., Monsanto Summer Fellow in Chemistry, two months from June 16, 1964, $400 (4-21-64).

Raich, Gary C., National Science Foundation Cooperative Fellow in Metallurgical Engineering, nine months from September 16, 1964, $1,800 (5-11-64).

Redenbo, James M., United States Public Health Fellow (Trainee) in Biophysics, three months from June 16, 1964, $666.51 (5-19-64).

Reinking, Robert L., Summer Fellow in Geology, two months from June 16, 1964, $450 (4-14-64).

Shimkin, Demetri B., Professor of Anthropology and of Geography, and Senior Staff Member in the Center for Zoonoses Research—leave of absence, without pay, for the academic year 1964-65, so that he may accept an appointment as Visiting Professor of Anthropology at Harvard University.

Yamamoto, Mrs. Patricia, Illini Union Browsing Room Librarian, with rank of Assistant, in the Library—leave of absence, without pay, from June 15 through August 31, 1964.

CANCELLATION OF LEAVE OF ABSENCE

Mark, Werner, Assistant Professor of German—leave of absence, without pay, previously granted him for one year from September 1, 1964, has been cancelled.

FUTURE BOARD MEETINGS

President Clement reminded the Trustees that the next meeting of the Board will be held in Urbana on July 22, 1964, according to a schedule to be determined by the President and Secretary of the Board.

Consideration was also given to a meeting in August. No action was taken but it was the consensus that August 19, the regular date, be tentatively considered for a meeting of the Board or of its Executive Committee if the amount and nature of the business requiring Board action at that time justifies a meeting.

Mr. Williamson suggested that consideration be given to holding another meeting in the near future in the Dixon Springs area.

RECESS AND EXECUTIVE SESSION

President Clement announced that an executive session was being
ordered for consideration of property acquisitions and that this session would be held after luncheon recess and would be followed by meetings of Board Committees.

On motion of Mr. Swain, the Board recessed.

During the luncheon recess, Mr. Douglas R. Mills, Director of Intercollegiate Athletics, reported informally on the new golf course, made possible by a gift of land from the late Mr. Hartwell C. Howard of Champaign to the Athletic Association of the University of Illinois, which is now under construction adjoining the present University of Illinois Golf Course at Savoy, Illinois. Mr. Charles D. Wagstaff, landscape architect and designer of both courses, was present and was introduced. Director Mills distributed a memorandum of his presentation and a copy was filed with the Secretary.

When the Board reconvened in executive session, the same members, officers of the Board, and University officers were present as recorded at the beginning of these minutes, except Mr. Ray Page who asked to be excused.

The Board considered the following matters of business presented by the President of the University and by the Director of the Physical Plant.

**PURCHASE OF PROPERTY AT 509 EAST DANIEL STREET, CHAMPAIGN**

(1) The Director of the Physical Plant and the Vice-President and Comptroller recommend that the Illinois Building Authority be requested to purchase for the University the property at 509 East Daniel Street, Champaign, at a price of $47,500 pursuant to the Illinois Building Authority Act.

The property is a lot approximately 50 feet by 175.25 feet (8,683 square feet), improved with a two and one-half story and basement frame rooming house. The land area will be used for parking. Possession will be delivered not later than August 10, 1964, on all but the east 10 feet of the south 57 feet; and the latter area will be delivered on or before August 10, 1969.

The price is within University appraisals. The Committee on Buildings and Grounds has also recommended the purchase.

I concur.

On motion of Mr. Swain, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Dilliard, Mr. Hughes, Mr. Kerner, Mr. Page.

**PURCHASE OF PROPERTY AT 912 SOUTH FIFTH STREET, CHAMPAIGN**

(2) The University has an opportunity to purchase the property at 912 South Fifth Street. Champaign.

The property is a corner lot 59.24 feet on Fifth Street by 66.3 feet on Chalmers Street (3,928 square feet) and is improved with a two and one-half story and basement frame dwelling. The land area is not now required for campus expansion but is a strategic corner location where the University will later need to provide parking for single graduate students. In the meantime, the house can be used either as a staff housing unit or for temporary offices.

The owner is willing to sell at a price of $28,500, the appraised value.

It is recommended that the University request the University of Illinois Foundation to purchase the property and lease it back to the University at a rate to be determined.

I concur.

On motion of Mr. Williamson, this recommendation was approved
by the following vote: Aye, Mr. Clement, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Dillard, Mr. Hughes, Mr. Kerner, Mr. Page.

**ACQUISITION OF PROPERTY AT 1107 WEST SPRINGFIELD AVENUE, URBANA**

(3) University representatives have been negotiating for the purchase of the property at 1107 West Springfield Avenue, Urbana, a lot 42.5 feet by 132 feet (5,610 square feet) with a two-story and basement stucco house used as a residence by the owner and for student rooms. The land is needed as part of the site for construction of the next unit of the Coordinated Science Laboratory.

The owners were advised that a recommendation would be made to the Board of Trustees for the purchase of the property at a price of $23,000, based on University appraisals, but the offer is not acceptable and the asking price remains substantially in excess of the highest University appraisal. The Director of the Physical Plant and the Vice-President and Comptroller therefore recommend that the Board of Trustees authorize the institution of condemnation proceedings for acquisition of the property.

Funds are available in the state capital appropriations to the University for 1963-65 from the Universities Building Fund and have been released.

I concur and recommend adoption of the following resolution:

**Resolution Authorizing Condemnation of Property at 1107 West Springfield Avenue, Urbana**

*Be It, and It Is Hereby Resolved, Found, and Declared* by this Board of Trustees of The Board of Trustees of the University of Illinois, a body corporate and politic and a public corporation of the State of Illinois, that the following described real estate situated in the County of Champaign, in the State of Illinois, to-wit:

Lot three (3) except the West Twenty-three Feet (23') thereof in Block Five (5) in the Urbana Railroad Company's Addition to the City of Urbana, situated in the City of Urbana, in the County of Champaign, and State of Illinois is needed by the University of Illinois, an educational institution established and supported by the State of Illinois, for use as part of the site for construction of the next unit of the Coordinated Science Laboratory, and for related educational purposes conducted and to be conducted by said University of Illinois and to enable said University of Illinois to discharge its duty to the people of said State and for public use; that funds have been appropriated by the General Assembly of the State of Illinois for the purchase of said land for said educational purposes; that this Board of Trustees has negotiated with the owners of said land through their duly authorized representatives for the purchase of said land at a price which this Board of Trustees considers fair and reasonable and which it finds constitutes the present market value of said land, but that said owner has refused to sell and convey said land, or any portion thereof, to said The Board of Trustees of the University of Illinois for such price and continues to refuse to sell and convey the same to it except for a consideration and price which this Board of Trustees deems unreasonable and excessive and is, therefore, unwilling and has refused to pay; and

*Be It, and It Is Hereby Further Resolved, Found, and Declared* by this Board of Trustees of The Board of Trustees of the University of Illinois that the compensation to be paid by it for said land cannot be agreed upon between this Board of Trustees and the owners of said property and they and it are unable to agree upon the purchase price to be paid to said owners for the sale and conveyance of said land by said owners thereof to said The Board of Trustees of the University of Illinois; and

*Therefore, Be It, and It Is Hereby Further Resolved, Found, and Declared* by this Board of Trustees of The Board of Trustees of the University of Illinois that because of said need of the University of Illinois for said land for the purposes hereinabove set forth and because the compensation to be paid to the owners thereof for such land cannot be agreed upon between them and this Board of
Trustees, it is necessary for The Board of Trustees of the University of Illinois to take said land and acquire title thereto through the exercise by it of the right of eminent domain conferred upon it by law and to have the compensation to be paid by it to the owners thereof and any and all other persons who may have any right, title or interest in and to said land determined in the manner provided by law for the exercise of said right and power of eminent domain; and

Be It, and It Is Hereby Further Resolved by this Board of Trustees of The Board of Trustees of the University of Illinois that the necessary and appropriate action be taken for the acquisition of title to said property by said The Board of Trustees of the University of Illinois and to have the compensation to be paid therefor determined by the institution and prosecution to completion of a proceeding in eminent domain in a court of competent jurisdiction and that the Legal Counsel of the University be, and he is hereby, authorized to proceed accordingly, to institute and prosecute an eminent domain proceeding in the name and on behalf of The Board of Trustees of the University of Illinois for the acquisition of said land and the determination of the compensation to be paid by it therefore, and to employ such special legal counsel, appraisers, and others as he may deem necessary or desirable to assist him in the institution and prosecution of said proceeding.

On motion of Mr. Swain the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Dilliard, Mr. Hughes, Mr. Kerner, Mr. Page.

On motion of Mrs. Watkins the Board adjourned.
