Since W. L. Rogers, an individual doing business as Cool-Rite Refrigeration, Urbana, is the lowest bidder with identical fee percentages for heating, piping, refrigeration and automatic temperature control systems work and for ventilation and distribution systems for conditioned air work, it is also recommended that these two awards be combined in a single contract in lieu of separate contracts.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Swain, these recommendations were approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr.

Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

**CONTRACTS FOR REMODELING 912 WEST ILLINOIS STREET
FOR TEMPORARY OFFICES FOR THE CENTER
FOR ADVANCED STUDY, URBANA**

(16) The Director of the Physical Plant and the Vice-President and Comptroller recommend assignment of \$36,030 from Urbana-Champaign Contract Research Reserve and award of the following contracts, based on the percentages bid for contractors' fees, for remodeling 912 West Illinois Street, Urbana, for temporary offices for the Center for Advanced Study. The award in each case is to the lowest bidder.

	<i>Per Cent for Material</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub- contracts</i>	<i>Estimated Fee Payments</i>	<i>Total Estimated Payments</i>
General—Dean Evans Co., Champaign.....	5	25	15	\$3 716 25	\$25 440 00
Electrical—Wm. H. Brunkow, doing business as Brunkow Electric Co., Champaign....	12	25	0	954 00	6 155 00
Plumbing—The Nu-Way Contracting Corp., Chicago..	25	50	10	1 175 00	3 975 00
Heating, Piping, Refrigeration and Automatic Temperature Control Systems—W. L. Rogers, an individual doing business as Cool-Rite Refrigeration, Urbana.....	25	39	10	1 442 25	5 565 00

The total estimated cost of the remodeling and equipment is \$72,060. The remaining funds are available in the Graduate College.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Clement, these recommendations were approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

**CONTRACTS FOR REMODELING IN NUCLEAR ENGINEERING
LABORATORY FOR ENGINEERING MEASUREMENTS
PROGRAM, URBANA**

(17) The Director of the Physical Plant and the Vice-President and Comptroller recommend assignment of \$84,115 from the Urbana-Champaign General Reserve and award of the following contracts, subject to funds being made available therefor by the Seventy-fifth General Assembly, based on the percentages bid for contractors' fees. The contracts are for remodeling Rooms 107 and 117 in the Nuclear Engineering Laboratory for the Engineering Measurements Program, the award in each case to the lowest bidder.

	<i>Per Cent for Material</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub- contracts</i>	<i>Estimated Fee Payments</i>	<i>Total Estimated Payments</i>
General—Barber & DeAtley, Inc., Urbana.....	6	25	10	\$5 340 00	\$33 840 00
Electrical—Wm. H. Brunkow, doing business as Brunkow Electric Co., Champaign....	10	24	0	1 980 00	11 980 00
Plumbing—Wren C. & Willis H. Thomas, a partnership doing business as Thomas Plumbing & Heating Co., Urbana.....	20	38	3	1 614 00	6 614 00

	<i>Per Cent for Material</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub- contracts</i>	<i>Estimated Fee Payments</i>	<i>Total Estimated Payments</i>
Heating, Piping, Refrigeration and Automatic Temperature Control Systems—W. L. Rogers, an individual doing business as Cool-Rite Refrigeration, Urbana	25	30	10	\$4 280 00	\$19 580 00
Ventilation and Distribution Systems for Conditioned Air—W. L. Rogers, an individual doing business as Cool-Rite Refrigeration, Urbana . .	25	30	10	1 405 00	6 305 00

Since W. L. Rogers, an individual doing business as Cool-Rite Refrigeration, Urbana, is the lowest bidder with identical fee percentages for heating, piping, refrigeration and automatic temperature control systems work and for ventilation and distribution systems for conditioned air work, it is also recommended that these two awards be combined in a single contract in lieu of separate contracts.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Swain, these contracts were awarded as recommended by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

**CONTRACT FOR NOYES LABORATORY AND CHEMISTRY ANNEX
STORM AND SANITARY SEWERS REROUTING, URBANA**

(18) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract to Dean Evans Co., Champaign, based on the percentages bid for contractors' fees. The contract is for work to reroute storm and sanitary sewers serving Noyes Laboratory and the Chemistry Annex Building; the objective is to reduce the University's contribution to the pollution of the "Boneyard Creek."

The total estimated cost is \$60,000. Funds are available from state capital appropriations to the University for the 1965-67 biennium and have been released.

I concur.

On motion of Mr. Hughes, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

**CONTRACT FOR DIVERSION OF STORM AND SANITARY SEWERS
AROUND SITE OF INTRAMURAL-PHYSICAL
EDUCATION BUILDING, URBANA**

(19) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$54,550 to Clancy Construction Co., Urbana, the lowest bidder, for diversion of existing storm and sanitary sewers, now serving Memorial Stadium, around the site of the Intramural-Physical Education Building, Urbana. The work must be completed prior to construction of the building.

Funds are available in state capital appropriations to the University for 1965-67 and have been released.

It is further recommended that the Board authorize the assignment of this contract to the Illinois Building Authority, with the assignment to be executed in the event the construction of the Intramural-Physical Education Building project is declared to be in the public interest as a project to be financed by the Illinois Building Authority.

I concur.

On motion of Mr. Swain, this contract was awarded and authority was given as recommended; this action was taken by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

**CONTRACT FOR DIVERSION OF STEAM SERVICE
TO MEMORIAL STADIUM, URBANA**

(20) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$63,655 to Julian Engineering Company, Chicago, the lowest bidder, for the diversion of steam service to Memorial Stadium to clear the site of the Intramural-Physical Education Building. The work must be completed prior to the start of construction of the building.

Funds are available in state capital appropriations to the University for 1965-67 and have been released.

It is further recommended that the Board authorize the assignment of this contract to the Illinois Building Authority, with the assignment to be executed in the event the construction of the Intramural-Physical Education Building project is declared by the Seventy-fifth General Assembly to be in the public interest as a project to be financed by the Illinois Building Authority.

I concur.

On motion of Mr. Hahn, this contract was awarded and authority was given as recommended; this action was taken by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

**CONTRACT FOR STEAM SERVICE TO UNDERGRADUATE LIBRARY,
URBANA**

(21) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$20,738 to Julian Engineering Company, Chicago, the lowest bidder, for steam service construction work to serve the Undergraduate Library at Urbana.

Funds are available in state capital appropriations to the University for 1965-67 and have been released.

I concur.

On motion of Mr. Swain, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

**CONTRACT FOR INTERIOR DESIGN SERVICE
FOR UNDERGRADUATE LIBRARY, URBANA**

(22) The Director of the Physical Plant and the Vice-President and Comptroller recommend that a contract be entered into with Dolores Miller and Associates Ltd., Chicago, at the actual cost of personnel at specified hourly rates, for complete interior design services for the Undergraduate Library on the Urbana campus, with the understanding that the cost will not exceed \$15,000.

Funds are available in the project budget for this work.

The Committee on Buildings and Grounds has reviewed and approved this recommendation.

I concur.

On motion of Mr. Clement, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

**CONTRACTS FOR MINOR REMODELING AND NEW CONSTRUCTION
AT CHICAGO CAMPUSES**

(23) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of cost-plus contracts for minor building alterations, repairs, and construction work for the period July 1, 1967, through June 30, 1969, at the Chicago campuses, the award in each case to the lowest bidder.

	<i>Per Cent for Material</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub- contracts</i>
General — Simpson Construction Co., Chicago.....	6	36	5
Electrical — Fries Walters Co., Chicago.....	10	42	5
Plumbing — The Nu-Way Contracting Corp., Chicago.....	10	38	5
Heating, Piping, Refrigeration, and Automatic Temperature Control Systems — Admiral Heating and Ventilating, Inc., Hillside.....	10	39	5
Ventilating and Distribution Systems for Conditioned Air — Jamar-Olmen Company, Elk Grove Village.....	10	28	5

These contracts will be for work which does not justify the cost of preparing separate drawings and specifications and of separate bidding procedures on each project. Work will be done as ordered by the Physical Plant Department and will be paid for on the basis of the actual cost of each job plus contractors' fees. A schedule of bids taken showing the percentages to be added for work to be executed under these cost-plus contracts is submitted herewith, and a copy is being filed with the Secretary of the Board for record as the basis for the contract awards recommended. No assignment of funds is requested, and each job will be covered by a contract change order charged against funds allocated for the project.

It is further recommended that the Vice-President and Comptroller be authorized to approve orders under these contracts up to \$25,000 on each project. I concur.

On motion of Mr. Jones, these contracts were awarded and authority was given as recommended; this action was taken by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

**CONTRACT FOR TUCKPOINTING BRICK AND STONEMWORK,
ILLINOIS NEUROPSYCHIATRIC INSTITUTE AND FIRST UNIT
OF DENTISTRY-MEDICINE-PHARMACY BUILDING,
MEDICAL CENTER CAMPUS**

(24) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for tuckpointing brick and stonework in the Illinois Neuropsychiatric Institute and the first unit of the Dentistry-Medicine-Pharmacy Building at the Medical Center campus, the award being to the lowest bidder.

William Adams Engineers, Inc., Chicago	
Base bid.....	\$2 285 00
Alternate I additive.....	2 690 00
Alternate II additive.....	1 985 00
Alternate III additive.....	1 080 00
Alternate IV additive.....	1 043 00
<i>Total bid</i>	<u>\$9 083 00</u>

The work provides for the tuckpointing of brick and stonework and caulking of windows on these two buildings in areas where weathering has caused deterioration of mortar and caulking.

Funds are available from the Physical Plant Maintenance appropriation.

Submitted herewith is a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Hughes, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

CONTRACTS FOR REMODELING SPACE VACATED BY MICROBIOLOGY AND PATHOLOGY FOR THE DEPARTMENT OF HISTOLOGY, MEDICAL CENTER CAMPUS

(25) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contracts for remodeling space vacated by the Departments of Microbiology and Pathology in the College of Medicine for the Department of Histology in the College of Dentistry at the Medical Center campus, the award is each case to the lowest bidder.

General—Heller Construction Company, Inc., Chicago.....	\$44 998 00
Electrical—Schaeffer Electric Co., Division of Sam Schaeffer Co., Chicago.....	16 134 00
Heating, Refrigeration, and Temperature Control—Midstates Heating Co., Chicago.....	11 600 00
Pipe Covering and Insulation—Chicago Asbestos Manufacturing Company, Chicago.....	1 695 00
Plumbing—Peter H. Smith Company, Chicago.....	3 589 00
Ventilation—Crone Associates, Inc., Chicago.....	6 100 00
<i>Total</i>	<u>\$84 116 00</u>

The work provides for the installation of new partitions, new lighting and power distribution, suspended acoustical ceiling, new laboratory furniture, reworking old laboratory furniture, and air conditioning.

Funds for this work are available from state capital appropriations for 1965-67 and federal research grants.

Submitted herewith is a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Swain, these contracts were awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

CONTRACTS FOR ANATOMY REMODELING, FIRST UNIT OF DENTISTRY-MEDICINE-PHARMACY BUILDING, MEDICAL CENTER CAMPUS

(26) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contracts for remodeling in the Department of Anatomy, College of Medicine, at the Medical Center campus, the award in each case to the lowest bidder.

General—Heller Construction Company, Inc., Chicago.....	\$15 816 00
Plumbing—The Nu-Way Contracting Corp., Chicago.....	3 113 00
Process Piping—Peter H. Smith Company, Chicago.....	2 847 00
Ventilation—Narowetz Heating and Ventilating Company, Chicago.....	2 973 00
Electrical—Fries Walters Co., Chicago.....	4 775 00
Wood Laboratory Equipment—J. J. Lane Equipment Co., Chicago...	9 305 00
Metal Laboratory Equipment—Laboratory Furniture Co., Inc., Chicago.....	8 385 00
<i>Total</i>	<u>\$47 214 00</u>

The work provides for the rearrangement of partitions, new lighting, floor

covering, air conditioning, and new laboratory equipment. The work also includes the connecting of utilities to laboratory equipment.

Funds for this work are available from state capital appropriations for 1965-67 and have been released.

Submitted herewith is a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Clement, these contracts were awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

**CONSULTING SERVICES ON CAMPUS PLANNING, URBANA
AND MEDICAL CENTER CAMPUSES**

(27) The Director of the Physical Plant and the Vice-President and Comptroller recommend the continuation of employment of the firm of Richardson, Severns, Scheeler & Associates, Inc., Champaign, for consulting services on campus planning at the Urbana and Medical Center campuses until June 30, 1969, on the basis of itemized actual costs of technical personnel, including partners, when so engaged on University work, and an allowance of 150 per cent of said costs for overhead and fees. The services will generally cover the following assignments as authorized by the Physical Plant Department:

1. Continuation of the studies on the Campus Development Plans.
2. Studies of peripheral areas to coordinate campus development with studies developed by other agencies.
3. Further development of detailed programs and studies for various colleges and departments.
4. Site selection and massing studies for new building projects.

The estimated cost of these services is \$40,000.

This recommendation is subject to capital appropriations being made available by the Seventy-fifth General Assembly and release of funds by the Governor.

I concur.

On motion of Mr. Jones, this recommendation was approved.

**INCREASE IN CONTRACT FOR CONSTRUCTION
OF CHICAGO CIRCLE CAMPUS, PHASE II**

Addition to Engineering and Sciences Laboratory Building

(28) The Director of the Physical Plant and the Vice-President and Comptroller recommend that the Illinois Building Authority be requested to authorize an increase of \$30,470 in the contract with Gust K. Newberg Construction Co., Chicago, for the construction of Chicago Circle Campus, Phase II. The work will include the installation of an additional service elevator in the addition to the Engineering and Sciences Laboratory Building.

Funds are available in the project budget for this work.

I concur.

On motion of Mr. Swain, this recommendation was approved.

**INCREASE IN CONTRACT FOR CONSTRUCTION
OF CHICAGO CIRCLE CAMPUS, PHASE II**

Relocation of Temporary Construction Offices

(29) The Director of the Physical Plant and the Vice-President and Comptroller recommend that the Illinois Building Authority be requested to authorize an increase of \$17,626 in the contract with Gust K. Newberg Construction Co., Chicago, for the construction of Chicago Circle Campus, Phase II. The increase will permit the relocation of temporary construction offices.

Funds are available in the project budget for this work.

I concur.

On motion of Mr. Hughes, this recommendation was approved.

**EMPLOYMENT OF ARCHITECTS FOR SPEECH AND HEARING CLINIC
AND RESEARCH BUILDING, URBANA**

(30) The Director of the Physical Plant and the Vice-President and Comptroller recommend the employment of the firm of Ezra Gordon Jack M. Levin & Associates, Chicago, for complete architectural and engineering services for the Speech and Hearing Clinic and Research Building at a fee of 6 per cent of the construction costs. The initial authorization to this firm will be for the preparation of grant application material to be submitted to the federal government and private foundations at a cost not to exceed \$8,200. The next deadline for submitting applications is September, 1967.

Funds have previously been made available for this work.

This recommendation has been approved by the Advisory Committee on the Selection of Architects and Engineers and the Committee on Buildings and Grounds.

I concur.

On motion of Mr. Grimes, this recommendation was approved.

**EASEMENT TO NATURAL GAS PIPELINE COMPANY
OF AMERICA THROUGH ALLERTON ESTATE**

(31) The Vice-President and Comptroller recommends that the Natural Gas Pipeline Company of America be granted an easement for the construction of a thirty-six-inch steel gas line through Allerton Farm No. 2 and Department of Forestry land. The Company will pay the University \$5.00 per rod for a total of approximately \$770.50 for said easement. The Department of Agricultural Economics, which manages the farm, and the Department of Forestry concur.

I recommend adoption of the following resolution.

**Resolution Authorizing 36" Steel Gas Line Easement to Natural Gas Pipeline
Company of America through Allerton Estate**

Be It, and It Hereby Is Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and the Secretary of this public corporation be, and they hereby are, authorized to execute, acknowledge and deliver in the name and on behalf of this corporation such instruments of conveyance, contract, or other document or documents as to them may seem necessary or desirable in order to grant to Natural Gas Pipeline Company of America, a Delaware corporation, hereinafter referred to as "Grantee", its successors and assigns, the right and easement to construct, reconstruct, operate, maintain, repair, alter, replace, move and remove a 36" steel gas line and other equipment appurtenant thereto under, through and across the land hereinafter described and the right of ingress to and egress therefrom; the rights and easement granted to be limited to the extent that this public corporation has the present right and capacity to grant the same, and in consideration of the payment by Grantee to this corporation of the sum of Five Dollars per rod for a total of approximately Seven Hundred Seventy Dollars and Fifty Cents (\$770.50). Grantee shall agree to repair any damage caused to property of this corporation by the construction, reconstruction, operation, maintenance, repairing, alteration, moving and removing of said gas main and to indemnify this corporation and its representatives from liability in connection with Grantee's activities. The right-of-way easement shall remain in full force and effect from the date granted and for so long thereafter as said gas transportation line is continued in service and has not been abandoned or discontinued. Upon termination of the easement Grantee shall peaceably surrender possession of said premises to this corporation and full and complete title then shall remain in this corporation free and clear of said easement and without necessity of re-entry or demand. The right-of-way easement shall be over the following-described property:

The Right-of-Way herein granted shall have a width of 75 feet being 37½ feet on each side of a centerline described as follows: Beginning at a point in the centerline of the Sangamon River 400+ feet East of the West line of Section 14, Township 18 North, Range 5 East, thence in a Northeasterly direction a distance of 154.1 rods to a point of exit in the North line of the Southwest Quarter of said Section 14, 416 feet East of the West line of said Section

14, and situated in the West Half of the Southwest Quarter (W ½ SW ¼) of Section 14, Township 18 North, Range 5 East of the Third Principal Meridian (3rd P.M.) lying North of the Sangamon River, in the County of Piatt, and State of Illinois.

On motion of Mr. Swain, the foregoing resolution was adopted.

RECOMMENDATION FROM COMMITTEE ON COPYRIGHTS AND RECORDINGS

(32) The Committee on Copyrights and Recordings has reviewed a request from the College of Education that a contract be negotiated with Holt, Rinehart and Winston, Inc., for the publication of a book based on instructional materials developed by the Curriculum Laboratory's English Project. It is proposed that the publishing company advance funds to the University amounting to \$19,640 for the payment of the salaries of individuals who would complete the manuscript — such advance to be deducted from royalty earnings on sales of the book.

In the light of its review, the Committee on Copyrights and Recordings makes the following recommendations:

1. That a contract be negotiated with Holt, Rinehart and Winston, Inc., for the publication of such a volume, with the copyright to be held in the name of the publisher.
2. That Holt, Rinehart and Winston, Inc., provide funds to the University in the estimated amount of \$19,640, which would be used for the payment of salaries to individuals who would complete the work on the manuscript. This advance would be deducted from royalty earnings under the contract before any royalty payments would be made in accordance with the provisions of item (3).
3. That royalty payments of 10 per cent on sales would be made as follows, after the advance payment referred to in item (2) had been recovered by the company: 8 per cent to the University and 2 per cent (1 per cent each) to the two staff members who have worked on the project and who would complete the preparation of the manuscript for publication.

The Executive Vice-President and Provost and the Vice-President and Comptroller endorse these recommendations.

I concur.

On motion of Mr. Clement, these recommendations were approved.

ESTATE OF EUGENE S. BOERNER

(33) Under the will of Eugene S. Boerner, 80 per cent of the stock he owned in Jackson & Perkins Company was bequeathed to Cornell University and 20 per cent to the University of Illinois. The bequests are contingent upon the institutions creating a separate endowment fund in the name of Eugene S. Boerner, with the income from the fund to be used either for the establishment of a professional chair or scholarships in the name of Eugene S. Boerner.

It is further provided in the will that the stock in Jackson & Perkins Company might be sold during the lifetime of the deceased or at the time of his death be subject to a contract of sale, but in either event the proceeds from such a sale would be the source for the endowment fund.

Mr. Boerner's stock was under contract of sale at the time of his death and, pursuant to the terms of the will, the executor has proceeded with the terms of a stock purchase agreement. Under this agreement, Mr. Boerner's stock as well as the stock of the other shareholders, has been transferred to another corporation as purchaser. The stock purchase agreement provides for payment of cash and deferred interest-bearing payments maturing in 1981, these latter payments to be affected by adjustments from time to time based upon certain representations and warranties agreed to by shareholders of Jackson & Perkins Company.

The executor advises that the University of Illinois share should approximate \$59,000 plus interest. However, this figure is subject to the adjustments and estate costs referred to above.

In accord with the requirements of Mr. Boerner's will, the executor has requested that The Board of Trustees of the University of Illinois adopt a resolution under which the University agrees to abide by all of the terms and conditions

respecting this bequest. If either of the universities fail to formally accept the legacy, the other becomes the full recipient of this bequest.

I recommend acceptance of the bequest and adoption of the following resolution.

Resolution

WHEREAS the University of Illinois is a beneficiary under the Last Will and Testament of Eugene S. Boerner, Deceased, and

WHEREAS the Deceased bequeathed 20 per cent of his stock in Jackson & Perkins Company to the University of Illinois, which stock has been transferred to the Harry and David Corporation under a stock purchase agreement, dated August 13, 1966, and

WHEREAS the Deceased expressed a desire for the stock or the proceeds thereof to be used by the University of Illinois to establish a professorial chair devoted to the research, development and general educational studies relating to roses, or, for scholarships to students doing major work in the development, culture and pathology of roses, and

WHEREAS the Executor has requested the University of Illinois to expressly and specifically accept this request;

Now Therefore, be it resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the bequest made to this public corporation under the Last Will and Testament of Eugene S. Boerner, be and it hereby is, accepted upon the terms and conditions set forth in the Will; and

Be It Further Resolved by this Board of Trustees that the Comptroller, H. O. Farber, and the Secretary, Earl W. Porter, of this corporation be, and they hereby are, authorized and directed, to execute in the name of and on behalf of, this corporation such documents and to take such other action in connection therewith as said Comptroller and Secretary may deem to be necessary or desirable to evidence or show the acceptance of such bequest by this corporation and to execute the conveyance of title to, and the transfer of possession of the assets thereof to this public corporation.

On motion of Mr. Swain, the foregoing resolution was adopted.

PURCHASES

(34) The President submitted, with his concurrence, a list of purchases recommended by the Director of Purchases and the Vice-President and Comptroller; also a list of purchases authorized by the President.

The lists of purchases authorized and purchases recommended for Board approval were presented in two categories: purchases from appropriated funds (i.e., from state appropriations to the University) and purchases from institutional funds. The latter term designates funds received by the University under contracts with the United States government, contracts with private corporations and other organizations, funds from foundation grants, and grants from corporations and other donors, and University revolving funds authorized by law.

The total amounts of these purchases were:

<i>From Appropriated Funds</i>	
Purchases Authorized	\$ 9 609 00
Purchases Recommended	753 186 53
	<hr/>
	\$ 762 795 53
<i>From Institutional Funds</i>	
Purchases Recommended	\$4 118 643 33
<i>Grand Total</i>	<hr/>
	\$4 881 438 86

A complete list of the purchases authorized and purchases recommended, with supporting information, including the quotations received, was sent to each member of the Board in advance of the meeting, and a copy is being filed with the Secretary of the Board for record.

On motion of Mr. Clement, the purchases authorized by the President were approved, and the purchases recommended were authorized.

COMPTROLLER'S REPORT OF PURCHASES APPROVED

(35) The Vice-President and Comptroller also submitted a report of purchases approved by him on recommendation of the Director of Purchases in amounts of \$2,500 to \$5,000. A copy of this report is filed with the Secretary.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS

(36) The Comptroller's report of contracts executed during the period May 1 to 31, 1967.

New Contracts

<i>With Whom</i>	<i>Purpose</i>	<i>Amount to be Paid to the University</i>
American Potash Institute	Grain yield, plant analysis, soil test potassium, and lodging as criteria for determining the potassium fertilizer needs of corn	\$ 6 000 00

EMPLOYMENT OF AUDITORS

(37) The Board of Trustees on February 16, 1966, approved the employment of Arthur Andersen & Co. for the audit of the year ending June 30, 1966, with the intention that the employment be continued for a total of five years. The audit is made jointly to the Board of Trustees and to the Auditor General, who must approve the arrangements. The Auditor General has indicated his desire to pay one-half of the cost of the audit of the University and its allied organizations out of funds appropriated to his office for that purpose.

Arthur Andersen & Co. has indicated its willingness to undertake the appointment with the understanding the charges will be at the prevailing hourly rates for audits for colleges and universities, plus cash expenses, and with the further understanding that the aggregate charges will not exceed the following amounts, one-half of which will be paid by the Auditor General:

	<i>Proposed Maximum</i>
University of Illinois (including reports on revenue bond funds).....	\$37 860 00
State Universities Retirement System of Illinois.....	3 540 00
University of Illinois Foundation.....	3 822 00
University of Illinois Alumni Association.....	2 380 00
University of Illinois Athletic Association including Retirement System.....	3 415 00
	\$51 017 00

The Auditor General concurs in these recommendations.

On motion of Mr. Grimes, these recommendations were approved.

INVESTMENT REPORT

Report of the Finance Committee

(38) The Finance Committee reported the following changes in investments of endowment funds for the month of April, 1967:

Miller

Sale

\$50 000 U.S. Treasury 4 per cent bonds due 10/1/69.....	\$ 49 531 25
--	--------------

Report of the Comptroller

The Comptroller reported the following changes in investments of current and unexpended plant funds, which he has been authorized to make, for the month of April, 1967:

Current Funds

RESTRICTED GROUP

Purchase

\$ 750 000 Sears, Roebuck Acc. Corp. due 7/17/67.....	\$ 750 000 00

Purchase
 \$6 000 U.S. Treasury 4 per cent bonds due 2/15/80..... 5 707 50

This report was received for record.

CONTRACTS FOR FEASIBILITY STUDY PHASE OF THOMSON SCATTER RADAR

(39) Acting on behalf of the Committee on Institutional Cooperation (C.I.C.), an association of eleven midwestern universities, the University of Illinois has undertaken to examine the feasibility of constructing in the Midwest a large radar system for study of the earth's upper atmosphere by the Thomson scatter technique.

The National Science Foundation has provided funds for the preliminary study phases of the project.

Sealed bid proposals were solicited on the preliminary feasibility study phase covering two separate concepts, (1) a radome enclosed, and (2) an environmental design, from six firms having wide experience in the study and design of large scale antenna equipment. Four proposals were received, two submitted for each concept, and were evaluated by a selection panel composed of the professorial staff of the project with the assistance of Simpson, Gumpertz & Heger, Inc., Cambridge, Massachusetts, a firm of consulting engineers. The individual proposals were judged on the firm's capabilities in four categories: (1) competence, (2) technology, (3) approach, and (4) scope.

The Dean of the College of Engineering and the Vice-President and Comptroller recommend that two contracts be awarded, one for each concept study, as follows:

Radome enclosed concept—The Rohr Corporation, Chula Vista, California.....	\$15 000 00
Environmental concept—Amman & Whitney, New York, New York	19 000 00
I concur.	

On motion of Mr. Swain, these contracts were awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

ESTATE OF BELLA CHRISTY BROWN

(40) Under the Will of Bella Christy Brown who died on March 22, 1939, a trust was created and provision made for certain life estates. The Will further pro-

vided that upon the death of the survivor of the life beneficiaries the trust was to terminate and \$100,000 "shall be paid to the medical department of the University of Illinois to establish a research fund in mental and nervous diseases, to be known as the 'Sanger Brown Fund.' The income therefrom only shall be used."

The trustee under the Will has advised the University that the contingencies specified in the document have occurred and it is now prepared to distribute the \$100,000 to the University on the conditions stated, provided it is furnished with a resolution by the Board of Trustees accepting the bequest. Accordingly, I recommend acceptance of the bequest and the adoption of the following resolution.

Resolution

WHEREAS, Bella Christy Brown, departed this life on 3-22-39, leaving a last will and testament which has been duly admitted to probate in Cook County, Illinois, and which contains provisions for a bequest as follows:

Article Fourth, paragraph k: ". . . and upon the death of the survivor, I direct the said trust estate shall terminate and the corpus shall be divided as follows:

(1) One Hundred Thousand Dollars (\$100,000.00) shall be paid to the Medical Department of the University of Illinois to establish a research fund in mental and nervous diseases, to be known as the "Sanger Brown Fund". The income therefrom only shall be used.

Now Therefore, be it resolved that said bequest be and the same is hereby accepted by the said University of Illinois for the uses and purposes therein set forth and

Be it further resolved that H. O. Farber as Comptroller of said University of Illinois be and he is hereby authorized to accept payment on behalf of said corporation of said bequest, and to execute and deliver to The Northern Trust Company as Trustee under the Last will and testament of the said Bella Christy Brown, deceased, the receipt of the said corporation in satisfaction thereof.

On motion of Mr. Swain, the foregoing resolution was adopted.

DEGREES CONFERRED IN JUNE, 1967

The Secretary presented for record the following lists of degrees conferred on candidates at the Medical Center campus on March 18 and June 9, 1967, on the Urbana campus on June 17, 1967, and at Chicago Circle on June 18, 1967, in accordance with the authorization of the Board.

Degrees Conferred at the Medical Center

HONORARY DEGREES

Conferred June 9, 1967

Doctor of Science

KATHARINE ELLEN FAVILLE, B.S., M.S.

Doctor of Laws

THEODORE KENNETH LAWLESS, A.B., M.S., M.D., D.Sc., LL.D.

GRADUATE COLLEGE

Degree of Doctor of Philosophy

Conferred June 9, 1967

In Anatomy

ANNA MARIE CONWAY, B.S., M.S., University of Wisconsin, 1946, 1950
WESLEY PAYNE NORMAN, A.B., A.M., Southern Illinois University, 1952, 1954

In Biological Chemistry

DAVID E. UDDIN, B.S., Drake University, 1963
PATRICIA JOSEPHINE WALSH, B.S., Mundelein College, 1956; M.S., University of Pittsburgh, 1958

In Chemistry (Pharmaceutical)

TERRY THOMAS CONWAY, B.S., Loyola College (Canada), 1962; M.S., Loyola University, 1965
THOMAS EDWARD DICKERHOFE, B.S., 1963
MOHAMED ABD EL FATTAH EL DAWY, B.S., in Pharmacy, Master of Pharmacy, Alexandria University, 1960, 1962
MORTON JAY KANTER, B.S., 1963
DENNIS POGANY, B.S., University of Connecticut, 1961
GEORGE EDWARD WRIGHT, B.S., 1963

In Microbiology

PETER JOHN FISCHINGER, M.D., 1963
LUBA LISZCZYNSKA KOSTIW, A.B., St. Xavier College, 1959; M.S., Loyola University, 1961
JAMES RICHARD WATSON, B.S., Loyola University, 1961

In Pharmacology

ROBERT GEORGE BAKER, A.B., North Central College, 1962
NABIL RAMZI BANNA, B.S., American University of Beirut, 1958

In Pharmacy

ROBERT GEORGE MRTEK, B.S., 1962
DANIEL ALOYSIUS NONA, B.S., M.S., 1958, 1963

In Physiology

JERROLD BERNSTEIN, B.S., M.D., Master of Surgery, McGill University, 1958, 1963
BERTIL EUGENE GLADER, A.B., Northwestern University, 1963
JOYCE HELEN JOHNSON, A.B., Mount Holyoke College, 1962
ROBERT MAKOTO KODAMA, A.B., University of Hawaii, 1955

Degree of Master of Science*Conferred June 9, 1967**In Anatomy*

DAVID HAROLD BERMAN, A.B., Grinnell College, 1964
 NICK STEVEN HARRIS, B.S., University of Wisconsin, 1964
 GERALD DAVID MEETZ, A.B., North Central College, 1959
 YVONNE LILLIBETTE NEWSOME, B.S., Virginia State College, 1965
 SUSAN LOUISE ROSE, B.S., Old Dominion College, 1964
 FREDERICK HENRY WEZEMAN, A.B., Hope College, 1964

In Biological Chemistry

ANTHONY MICHAEL ADAMANY, A.B., Rockford College, 1962
 DANIEL FRANCIS ALBERTSON, B.S., Ferris State College, 1963
 DALISAY TAN CHIONGLO, B.S., University of Santo Tomas, 1962
 RICHARD WILSON GRAY, A.B., North Central College, 1964
 JUDITH DEGNAN MARSHALL, B.S., Eureka College, 1963
 RODGER LYNN SCHLAF, A.B., Augustana College, 1962

In Chemistry (Pharmaceutical)

GERALD HARRY KELLER, B.S., Roosevelt University, 1964
 CARROLL WAYNE OURS, A.B., Bridgewater College, 1963

In Histology (Dental)

ROY STUART SCHWARTZ, B.S., D.D.S., University of Minnesota, 1959, 1961
 STEPHEN HON YIN WEI, B.D.S., M.D.S., The University of Adelaide, 1962, 1966

In Microbiology

JOHN JOSEPH ALBERS, A.B., 1965
 JAMES GERARD GALLAGHER, JR., B.S., Loyola University, 1963
 JAMES PETER KULLA, B.S., Purdue University, 1963
 MARCELLA ARLINE MCLESTER, A.B., Elmhurst College, 1964

In Oral Pathology

LARRY EUGENE QUACKENBUSH, D.D.S., 1961

In Oral Surgery

VICTOR NATHAN DIRENFELD, D.D.S., University of Toronto, 1963
 JOHN EDWARD KNOX, D.D.S., 1963

In Orthodontics

PETER LAGIOS, B.S., University of Akron, 1957; D.D.S., Ohio State University, 1965
 JACK EUGENE MASCIA, B.S., D.D.S., University of Pittsburgh, 1961, 1965
 CHARLES THOMAS PAVLICK, JR., B.S., D.D.S., University of Pittsburgh, 1961, 1961
 JAMES RICHARD REHAK, B.S., D.D.S., 1960, 1962
 DAVID ROBERT WILLIAMS, B.S., D.D.S., University of California, 1964, 1964
 BRIAN LEE ZEINER, D.D.S., University of Buffalo, 1961

In Pharmacology

HARRIET ARONS BAKER, A.B., Wells College, 1963
 JAMES RALPH COOK, B.S., 1964
 JOSEPH EDWARD DELARCO, B.S., St. Procopius College, 1963
 JANE HANA NOVAK, A.B., Skidmore College, 1965

In Pharmacy

MICHAEL HOWARD STOLAR, B.S., 1964

In Surgery

JOHN VIRGIL BELMONTE, JR., B.S., John Carroll University, 1959; M.D., Loyola University, 1963
 KARAMAT ULLAH CHOUDHRY, M.B.B.S., The University of the Panjab, 1960

BERNARD PATRICK FLAHERTY, B.S., Xavier University, 1959; M.D., 1963
 DAVID RAYE GYER
 JEARL RAY LINDLEY, B.S., New Mexico State University, 1960; M.D., University
 of Colorado, 1964
 JOHN THOMAS MEHIGAN
 LOARN BEATY PEMBERTON, A.B., Harvard University, 1958; M.D., Northwestern
 University, 1962
 ANTONIO RAMOS, M.D., National University of Mexico, 1950

Degree of Master of Science in Nursing

Conferred June 9, 1967

GLORIA THERESA BERNATH, B.S., 1956
 ARLENE ANN HICKORY, B.S., Loyola University, 1962
 DONNA LEE PREUSS, B.S., 1965
 BARBARA RUTH ROSTHOLDER SALTZMAN, B.S., 1962
 JANET WIDHOLM WHITMAN, B.S., Illinois Wesleyan University, 1964

COLLEGE OF DENTISTRY

Degree of Bachelor of Science in Dentistry

Conferred March 18, 1967

KEITH EDWARD ALLEY
 THOMAS LEO MULLOOLY, D.D.S., 1965

GERALD WAYNE STONECIPHER, D.D.S.,
 1965

Degree of Doctor of Dental Surgery

Conferred June 9, 1967

SCHOOL OF ASSOCIATED MEDICAL SCIENCES

Degree of Bachelor of Science in Medical Record Administration

Conferred June 9, 1967

JOAN GWEN ALPERT
SUSAN HOLLIS APRILL
BARBARA JANE BLACK

SUSAN MARCIA DUBINSKY
CAROL MANCOFF SARCHÉ

Degree of Bachelor of Science in Medical Technology

Conferred June 9, 1967

BARBARA LYNN CRAIG
DIANA LYNN DOBRZALSKI
KATHLEEN MARIE ERICKSON
KAREN ANNE McLAUGHLIN
FRANCYNE KAREN PIRAINO
CONSTANCE KATHLEEN ROLISON

LINDA CHRISTINE SCHUMACHER
JANICE MARSHA STEINBERG
BERYL JANET TUCKMAN
MILDA PIKELIS VOLODKA
SUE ELLEN WETZEL

Degree of Bachelor of Science in Occupational Therapy

Conferred June 9, 1967

NANCY BALDWIN
MARY SUE BEHRENS
RITA MARIE GERHART
MARSHA JANICE GOODMAN, with Honors
CAROL CRANDALL HOLMES
JANE CHRISTINE IBER
SUSAN MARY HASELHORST LINDAHL,
with High Honors

DONNA RAE LINDBERG
LORAY ANN MEEDER
BARBARA ANN GRINDSTAFF NORTON
CATHLEEN CAROLINE SCHOENSIEGEL
JEANNE WISE SLEEPER
SANDRA JEAN TUNELL
CAROLYN LEE VAN TYREE

COLLEGE OF NURSING

Degree of Bachelor of Science in Nursing

Conferred March 18, 1967

AIDA ELIZABETH CREER
FALVIA DELGRACIA JACKSON

JEAN ANN JOHNSON
DOROTHY MARIE PATTESON

Conferred June 9, 1967

HELEN JANET BAUM
ALICE McLANE BERGEVIN

 KENNETH LUDY VENISNIK
 EDWIN WANTUBOWICZ, JR.
 DENNIS PAUL WEST

ELEANOR VICTORIA WILSON, with
 Honors
 THOMAS EDWARD WIRTANEN
 VALDA ANITA ZALUMS, with Honors
 JOHN CHARLES ZIEBELL

Degrees Conferred at Urbana-Champaign

HONORARY DEGREES

Degree of Doctor of Science

EMMANUEL C. AMOROSO, D.Sc., Ph.D., M.D.
 ALLAN R. SANDAGE, Ph.D., D.Sc.

Degree of Doctor of Public Administration

DAVID E. LILIENTHAL, A.B., LL.B., LL.D.

Degree of Doctor of Laws

QUINCY WRIGHT, Ph.D., LL.D.

GRADUATE COLLEGE

Degree of Doctor of Philosophy

In Accountancy

JAMES FREDERIC ANTONIO, B.S., Miami University, 1961; M.S., 1963
 ROBERT WAYNE CLARKE, B.S., M.B.A., Syracuse University, 1961, 1962
 RICHARD FRANKLIN PAGE, B.S., M.S., Southern Illinois University, 1956, 1960
 AUSTIN M. SMITH, JR., B.B.A., M.B.A., Southern Methodist University, 1957, 1960

In Aeronautical and Astronautical Engineering

GERALD ELLSWORTH BERGMANN, B.S.A.E., M.S., University of Wichita, 1961, 1964
 EUGENE YU CHANG, B.S., South Dakota School of Mines, 1957; M.S., 1959

In Agricultural Economics

SATISH CHANDRA JHA, B.A., Bihar University, 1954; M.A., Patna University, 1957;
 M.S., 1961
 WILLIAM WILSON RIFFE, B.S., McMurry College, 1953; B.D., Garrett Biblical
 Institute, 1957

In Agronomy

LAVOY IVAN CROY, B.S., M.S., Oklahoma State University, 1955, 1959
 LAWRENCE EDWIN SCHRADER, B.S., Kansas State University, 1963
 RALPH HAROLD SEDGLEY, B.Agr.Sc., B.Agr.Sc.(Honours), M.Agr.Sc., University
 of Adelaide, 1954, 1957, 1959

In Animal Science

RAM PARKASH CHAUDHARY, B.V.Sc., Panjab University, 1950; M.S., Michigan
 State University, 1956
 RICHARD LEE HUSTON, B.S., M.S., 1961, 1964
 GARY LOUCKS JACKSON, B.S., A.M., University of Missouri, 1960, 1963
 DONALD LESTER MEYER, B.S., M.S., 1961, 1964
 KODUNGALLORE GODAVARMA RAJA, B.Sc., University of Madras, 1949; M.Sc., Ma-
 haraja Sayajirao University of Baroda, 1962

In Botany

HERBERT LAWRENCE MONOSON, B.S., M.S., Western Illinois University, 1958, 1961
 JUDITH ANN REIGHARD, B.S., Otterbein College, 1962; M.S., 1964

In Business

NICOLAAS JACOB SWART, Honours B.Com., M.Com., Potchefstroom University,
 1963, 1964

In Ceramic Engineering

DAVID GRIFFITH WIRTH, JR., B.S., M.S., 1959, 1960

In Chemical Engineering

ALLAN RICHARD CHAMPION, B.S., University of California, 1963; M.S., 1965

ROBERT WALTON VAUGHAN, B.S.Ch.E., University of Oklahoma, 1963; M.S., 1965

In Chemistry

HERMAN DAVID AXELROD, B.S., University of California (Los Angeles), 1963; M.S., 1964

ALLAN CLIFFORD BUCHHOLZ, B.S., University of Massachusetts, 1962; M.S., 1964

ALLAN CLIFFORD BUTTON, B.S., University of Wisconsin, 1961

MARY JANET CARDENAS, B.A., Oklahoma State University of Agriculture and Applied Science, 1963; M.S., 1965

HENRY FRED HENNEIKE, JR., B.S., 1963

CHARLES FREDERICK HOSLER, JR., B.S., University of Michigan, 1961; M.S., 1963

LEWIS ARTHUR JACOBSON, A.B., Amherst College, 1963; M.S., 1965

JAMES ARTHUR KNOPP, B.A., Carleton College, 1962

BRUCE MALCOLM MONROE, A.B., Wabash College, 1962; M.S., 1964

AUSTE MARIJA PALIOKAS, A.B., St. Xavier College, 1963; M.S., 1965

PAUL ALLAN SANDFORD, A.B., Albion College, 1962

DOROTHY MARY SOJA, B.S., University of Massachusetts, 1962; M.S., 1964

In Civil Engineering

HARRY EUGENE AULD, B.S.C.E., Michigan College of Mining and Technology, 1954; M.S., 1960

JOSEPH VINCENT BENAK, B.S., University of Nebraska, 1952; M.S., 1956

EDWARD JAMES CORDING, B.S., Wheaton College, 1960; M.S., 1963

ABDEL KARIM CONRADO, Ing. Civil, National University of Nicaragua, 1961; M.S., 1962

JOHN FREDERICK KIEFNER, B.S.C.E., M.S.C.E., Purdue University, 1962, 1963

CHARLES ROBERT MAREK, B.S., M.S., 1963, 1964

JAMES RONALD SALLEY, B.S., M.S., 1962, 1963

HARRY HIRAM WEST, B.S., M.S., Pennsylvania State University, 1958, 1961

In Communications

MUHAMMAD ALWI DAHLAN, B.A., American University, 1962; A.M., Stanford University, 1963

ALFRED ROGER GOBBEL, A.B., Gettysburg College, 1947; A.M., 1957

In Comparative Literature

SIEGFRIED ERNST MEWS, A.M., Southern Illinois University, 1963

In Computer Science

THOMAS ANDREW SLIVINSKI, B.A., Lehigh University, 1963; M.S., 1965

In Dairy Science

ROBERT AARON NIEDERMAN, B.S., M.S., University of Connecticut, 1959, 1961; B.S., D.V.M., 1962, 1964

In Dairy Technology

ANDERS OTERHOLM, Degree, Agricultural College of Norway, 1963

In Economics

ARTHUR EUGENE ABRASSART, B.S.M.E., Illinois Institute of Technology, 1963; A.M., 1964

HAMDY HESSIEN HESSIEN AFIFI, B.Com., Cairo University, 1950; M.S., 1964

JAMES CARTER COOPER, B.A., M.S., Texas A & M University, 1956, 1958

ROGER JEFFERY GREEN, B.S., M.S., 1962, 1964

ESTEL WAYNE NAFZIGER, B.A., Goshen College, 1960; A.M., University of Michigan, 1962

In Education

- KENNETH ROBERT CONKLIN, B.S., M.S., 1962, 1964
 ALFRED DUDLEY CURRY, B.A., University of Colorado, 1951; M.Ed., University of Missouri, 1956
 DEWITT COLUMBUS DAVISON, B.S.Sec.Ed., Alabama State College, 1954; M.Ed., Tuskegee Institute, 1961
 ORPHA KAY DUELL, B.S., Kansas State University, 1963; M.S., 1965
 DOUGLAS MCGUIRE, A.B., M.A., San Jose State College, 1954, 1960
 DONALD FREDERICK MOORES, A.B., Amherst College, 1958; M.S.Ed., Gallaudet College, 1959; M.A., San Fernando Valley State College, 1963
 MICHAEL JOHN PARSONS, B.A., University of Oxford, 1958; A.M., 1965

In Electrical Engineering

- SADANAND DINKAR AGASHE, B.E., University of Bombay, 1961; M.S., 1963
 SZU-CHI CHANG, B.S., National Taiwan University, 1956; M.S., Kansas State University, 1960
 CARL LAWRENCE GRUBER, B.S., M.S., 1960, 1961
 JAMES PHILLIP HERNER, B.S., M.S., 1963, 1964
 WILLIAM QUENTIN JEFFERS, S.B.E.E., Massachusetts Institute of Technology, 1961; M.S., 1964
 VITAS ANTHONY MIKENAS, B.A.Sc., University of Toronto, 1962; M.S., 1964
 FREDRICH ADAM ROHATSCH, B.S., M.S., 1962, 1963
 JOHN KENNETH RUSSELL, B.S., Carnegie Institute of Technology, 1958; M.S., 1961
 HOLLIS FRANKLIN RYAN, B.A.Sc., University of Toronto, 1962; M.S., 1964
 DONALD RICHARD WIPPERMANN, B.S., University of Wisconsin, 1953; M.S., United States Air Force Institute of Technology, 1958

In English

- SALLY SMITH ANDERSEN, A.B., A.M., 1961, 1962
 EDWARD DONALD KENNEDY, A.B., West Virginia University, 1961; A.M., 1962
 MICHAEL ANTHONY KLUG, B.A., University of Minnesota, 1959; M.A., Kansas State University, 1961
 GORDON LINDSTRAND, B.S., A.M., 1958, 1959
 RICHARD BRENTON SCHWARTZ, A.B., University of Notre Dame, 1963; A.M., 1964
 DICKIE ALLEN SPURGEON, A.B., A.M., Southern Illinois University, 1961, 1962
 BLAIR WHITNEY, A.B., A.M., 1963, 1965

In Entomology

- DAVID COMSTOCK NEWTON, B.S., Central Connecticut State College, 1961; M.A.L.S., Wesleyan University (Connecticut), 1965
 JUDITH LOUISE REYNOLDS, B.Sc., University of Sydney, 1959; M.Sc., University of New South Wales, 1962

In Finance

- JAROSLAW KOMARYNSKYJ, Engr.Econ., Ukrainian Technical University, 1959; M.B.A., Michigan State University, 1960
 VERLYN DUANE RICHARDS, B.S., M.S., Kansas State University, 1956, 1960

In Food Science

- THEIN AUNG, B.S., University of Rangoon, 1960; M.S., University of Hawaii, 1964
 SAMUEL ANTHONY PALUMBO, B.S., Loyola University, 1961; M.S., 1963

In French

- JAMES WALLACE GREENLEE, A.B., A.M., 1956, 1962
 ROCH LUCIEN MIRABEAU, Diploma, University of Haiti, 1944; M.A.T., Johns Hopkins University, 1959

In Geography

- RAINER RUDOLF ERHART, A.B., Eastern Michigan University, 1959; A.M., 1961

In Geology

- ELTON LEROY COUCH, B.A., M.A., Texas Christian University, 1959, 1961
 ROBERT BURTON FURLONG, B.A., Harpur College, 1962; M.S., 1965

JAMES EDWARD LACEY, B.S., M.S., University of Pittsburgh, 1957, 1960
 ROBERT LOUIS REINKING, B.S., Colorado College, 1963; M.S., 1965
 PETER CHAPIN TRECOTT, B.A., Williams College, 1962; M.S., 1964

In History

BROOK BURDICK BALLARD, JR., B.A., Principia College, 1950; A.M., University of Chicago, 1955
 THEODORA PIERDOS BOSTICK, A.B., Mundelein College, 1960; A.M., 1962
 RICHARD BLAKE ELROD, A.B., Lincoln University (Missouri), 1963; A.M., 1964
 JAMES HARRY FORSE, A.B., State University of New York (Albany), 1962; A.M., 1963
 JEROME LEON RODNITZKY, A.B., M.A.T., University of Chicago, 1959, 1962
 JOHN SAMUEL SCARBOROUGH, A.B., Baker University, 1961; M.A., University of Denver, 1963
 BERNARD JACOB WEISS, B.S., 1958; M.A., University of Chicago, 1960

In Home Economics

ANNE ELIZABETH SELBY, B.A., M.A., University of Toronto, 1959, 1960

In Horticulture

ROBERT JOHN ARMSTRONG, B.S., 1962; M.S., University of Arizona, 1963
 ROBERT EMMET DRURY, B.S., DePaul University, 1954

In Library Science

MARINA ESTHER AXEEN, B.S., St. Cloud Teachers College (Minnesota), 1945;
 B.S.L.S., M.S., University of Minnesota, 1949, 1953; Adv. Cert., 1964

In Marketing

JOHN ROTHBURN DARLING, JR., B.S., M.S., University of Alabama, 1959, 1960
 JOHN ROBINSON HEWITT, A.B., Stanford University, 1939; M.S., Sacramento State College, 1961
 ANNA KILMER MAHAFFEY, B.S., M.S., 1949, 1951

In Mathematics

JEFFERY MACKENZIE COOPER, B.A., Haverford College, 1962; M.S., 1964
 WILLIAM WARREN FAIRCHILD, A.B., Swarthmore College, 1960; A.M., University of Pennsylvania, 1963
 KENNETH BARRY FINE, B.S., M.S., 1963, 1965
 THOMAS ANDREW HANNULA, B.S., M.S., 1962, 1964
 PRESSLEY WARWICK MILLAR, A.B., Brown University, 1961; M.S., 1963
 BILLY RAY NAIL, B.A., Hardin-Simmons University, 1956; A.M., 1962
 CHAMAN LAL SABHARWAL, B.A., M.A., Panjab University, 1959, 1961; M.S., 1966
 MONBILL TONG, A.B., University of California, 1960; A.M., 1961
 CATHERINE BUTTS TRUITT, B.A., Lamar State College of Technology, 1960; M.S., Purdue University, 1962

In Mechanical Engineering

ERVIN LYNN BALES, B.S.M.E., University of South Carolina, 1957; M.S.M.E., Bradley University, 1962
 LLOYD LOUIS LEHN, B.S., M.S., 1962, 1964
 DONALD HENRY RIMBEY, B.S., M.S., 1950, 1962
 MOSTAFA AYATOLLAH-ZADEH SHIRAZI, B.S., California State Polytechnic College, 1959; M.S., University of Washington, 1961

In Metallurgical Engineering

MICHAEL GARM COLEMAN, B.S., M.S., 1960, 1961

In Microbiology

RICHARD LEE JACKSON, B.S., 1963
 MASATOSHI KONDO, Graduate, University of Tokyo, 1962
 NORMAN RICHARD PACE, JR., A.B., Indiana University, 1964

In Nuclear Engineering

WILLIAM ALLEN GOODWIN, B.S., Northwestern University, 1961; M.S., 1962

In Physical Education

WILLIAM SALVATORE GUALTIERE, B.S., New York State College (Cortland), 1960; M.S., Ohio University, 1961

In Physics

WILLIAM CARTER BLACK, JR., B.A., Pomona College, 1961; M.S., 1963
 WAYNE ELBERT CARR, B.S., Washington University, 1960; M.S., 1961
 DONALD JOHN DESMET, B.S., M.S., 1962, 1963
 FRANCISCO ALCIDES GERMANO, Electronics Engineer, Instituto Tecnológico de Aeronáutica, 1960; M.S., 1964
 RAYMOND WILLIAM HANFT, B.S., University of Rochester, 1960; M.S., 1962
 BERNARD ROBERT JOHNSON, B.S.E.E., Gonzaga University, 1957; M.S., 1961

 NICK GEORGE SCARLATIS, B.Arch., 1963
 JOANN WAHL SPORLEDER, B.Arch., 1959
 JAMES ANASTASIOS TOYA, B.Arch., Pratt Institute, 1960
 BERNARD MARSHALL WIDEROE, B.Arch., 1962

Degree of Master of Accounting Science

EARL JOHN COONEY, A.B., 1965
 JAMES JOSEPH HOPKINS, B.S., 1965
 JAMES PAUL KRUEGER, B.S., 1966
 ROBERT JOHN KUEHNAU, B.S., 1966
 JAMES RUSSELL LAMBERT, B.S., University of Oregon, 1966
 WILLIAM HENRY PARROTT, B.A., Harpur College, 1966
 ALBERT ELIAS RIZKALLA, B.Com., Cairo University, 1952
 JOSEPH CHARLES SCHMITT, B.S.B.A., University of Arkansas, 1965
 JAMES FREDRICK SINGELMAN, B.S., 1966

Degree of Master of Business Administration

BEN ALAN BEAVERS, B.S., 1965
 CHARLES HARRY BOGUE, B.S., 1964
 JAMES ROBERT CHELIUS, B.S., 1965
 LEWIS ORR CRAWFORD III, B.M.E., Georgia Institute of Technology, 1966
 BENJAMIN SKINNER DALTON II, B.S., Virginia Polytechnic Institute, 1965
 ROBERT CRAIG EHLERT, B.S., Southern Illinois University, 1965
 JACK BENJAMIN ELLETT, B.S., 1965
 RALPH OSCAR ERLANDSON, JR., B.A., Lawrence University, 1965
 RICHARD CHARLES FASSINO, B.A., Lewis College, 1963
 DAVID HAROLD FISHBURN, B.S., 1964
 ROBERT DEAN FLUSS, B.S., Northwestern University, 1965
 MICHAEL KENNETH GRAY, B.S., Washington State University, 1958

ELWOOD JOHN HEIN, B.S., 1950
 ROBERT ELLIS LAPP, B.S., Northwestern University, 1965
 JAMES JOSEPH MAHONEY, JR., A.B., Boston College, 1965
 RICHARD STEPHEN MARSHO, B.S., 1963
 DOUGLAS EVANS MAXWELL, A.B., Wheaton College, 1965
 ROBERT WYNN MOSSBARGER, B.S., 1965
 DAVID CHARLES MOZINSKI, B.S., 1965
 ROBERT EUGENE NIXON, B.S., 1965
 ROBERT RAYMOND NOTZ, B.S., 1965
 DAVID JEROME RICHTER, B.S., University of Wisconsin, 1962
 HOWARD ALBERTS ROSENBAUM, A.B., Indiana University, 1964
 ALLAN FREDERIC SAULN, B.S., 1965
 FRANK CHARLES SCHROEDER III, B.A., Hobart College, 1965
 JEROME FRANCIS SMITH, B.S., Yale University, 1961
 WILLIAM ALFRED STANFORD, B.S., 1965
 RANDY LEE STOTLER, B.S., 1963
 LEWIS WALKER WHITE, B.S., Illinois Wesleyan University, 1963
 CHARLES STUART WILSON, B.S., 1965
 JOHN THOMAS ZICK, A.B., 1965

Degree of Master of Extension Education

HAROLD ALVIN BRINKMEIER, B.S., 1949
 DALE EVAN MILLIS, B.S., 1960

Degree of Master of Landscape Architecture

DONALD HARRY GODI, B.S., University of Missouri, 1961

Degree of Master of Urban Planning

LEWIS BOLAN, A.B., Columbia University, 1962
 GARY ARTHUR HACK, B.Arch., University of Manitoba, 1964; M.Arch., 1966
 DENNIS ARTHUR HARDER, A.B., Cornell University, 1965
 PAUL FELTON HOLLEY, B.S., Colorado State University, 1964
 LEON THOMAS KOTECKI, B.S., 1964
 GEORGE NILS OLSON, B.A., University of Kentucky, 1965

Advanced Certificate

In Education

KENNETH WAYNE BERTA, B.S., Illinois State University, 1958; M.S., 1962
 JAMES RONALD DEBATES, B.S., M.S., Western Illinois University, 1955, 1956
 LEROY ADOLPH EICKEN, B.S., M.S., Illinois State University, 1953, 1962
 DONALD EUGENE FULLER, B.A.Ed., State Teachers College (Nebraska), 1957; M.S.,
 University of Wisconsin, 1959
 ROBERT LEE HESLER, B.S., Eastern Illinois University, 1957; Ed.M., 1961
 RAYMOND EARL JONES, B.Ed., Eastern Illinois University, 1938; M.A., Columbia
 University, 1947
 EVELYN PAULINE MINTUN, B.S., Ed.M., 1959, 1960
 CATHARINE PHELPS WARMBROD, A.B., State University of Iowa, 1952; M.S., 1965
 CARL WAYNE WILLIAMS, B.S., M.S., Eastern Illinois University, 1950, 1954

In Music Education

IRENE DAVAUULT DAVIS, B.F.A., University of Florida, 1963; M.Mus., University
 of Southern Mississippi, 1966

Certificate of Advanced Study in Librarianship

MAURINE GREENE COTTEW, B.S., Northwest Missouri College, 1960; M.A., Univer-
 sity of Denver, 1961
 GORDON EDWIN RASMUSSEN, B.A., North Central College, 1954; M.A., University
 of Denver, 1961

- ERIC L. DALHEIM, Assistant Professor of Music, Summer Session of 1967, June 19-August 12, 1967, \$1,734 (5-17-67).
- PAUL A. DANNER, Instructor in General Engineering (C), academic year 1967-68, \$8,600 (5-18-67).
- FRANCES M. DAY, Instructor in Mathematics, Summer Session of 1967, June 19-August 12, 1967, \$1,867 (5-17-67).
- JOSEPH C. F. DEPEW, Extension Specialist, Resident Director of Allerton House and Hott Memorial Center, in the Division of University Extension, one year from September 1, 1967, \$11,240; for the convenience of the University he and his family will be furnished room and board (4-25-67).
- EDWARD C. DIMOCK, JR., Visiting Lecturer in the Program in South Asian Studies, Summer Session of 1967, ¾ time, June 20-August 25, 1967, \$1,050, supersedes previous summer session appointment on full time (4-21-67).
- RONALD DOCTOR, Instructor in Educational Psychology, Summer Session of 1967, ½ time, June 19-August 12, 1967, \$778 (5-5-67).
- KIAN SENG DY, Research Associate in Physics and in the Materials Research Laboratory (C), one year from September 1, 1967, \$9,000 (4-21-67).
- JAMES E. FAGAN, Instructor in Art, Summer Session of 1967, June 19-August 12, 1967, \$1,556 (4-4-67).
- ARTHUR J. FALLS, Assistant Director for Undergraduate Scholarship Program, Admissions and Records Office, \$9,500 a year, effective June 1, 1967, supersedes (5-15-67).
- JOHN Z. FLEMING, Music Library Assistant, with rank of Instructor, in the Library, one year from September 1, 1967, \$7,100 (5-4-67).
- SVEN-ÅKE FRENNESSON, Research Associate in Chemistry, for three months from June 1, 1967 (4-17-67), and for nine months from September 1, 1967 (4-21-67), \$8,000 a year.
- HARVEY M. GELDER, Visiting Associate Professor of Education, in the Curriculum Laboratory-UICSM Project, College of Education, one year from September 1, 1967, \$15,250 (5-5-67).
- PATRICK J. G. GRANT, Visiting Assistant Professor of English, Summer Session of 1967, ½ time, June 19-August 12, 1967, \$978 (5-15-67).
- LEE G. GREBNER, Visiting Lecturer in Educational Administration and Supervision, Summer Session of 1967, June 19-August 12, 1967, \$3,000 (5-17-67).

- JOSEPH F. GREEN, Assistant to Director of Physical Plant, May 22-August 31, 1967, \$17,000 a year (5-19-67).
- RALPH E. GRIM, Research Professor of Geology, academic year 1966-67, \$19,500, supersedes (5-8-67).
- JOSEPH R. GUSFIELD, Professor of Sociology, in the Institute of Labor and Industrial Relations, two months from June 16, 1967, \$4,623 (5-18-67).
- CHARLES B. HAGAN, Professor of Political Science, nine months from September 16, 1967, \$17,000, supersedes (5-11-67).
- ARTHUR F. HAGNER, Professor of Geology, Summer Session of 1967, August 16-August 31, 1967, \$900 (4-21-67).
- RAYMOND HANFT, Research Associate in Physics (C), four months from May 1, 1967, \$8,500 a year; and for one year from September 1, 1967, \$8,500 (5-17-67).
- HAROLD W. HANNAH, Professor of Agricultural Law, Department of Agricultural Economics (C and S), one month from July 16, 1967, \$2,066.67, additional appointment (5-5-67).
- CHARLES D. HENDRICKS, Professor of Nuclear Engineering, Summer Session of 1967, $\frac{3}{10}$ time, June 19-August 12, 1967, \$1,047 (5-11-67).
- WILFRIED B. HOLZAPFEL, Research Associate in Physics and in the Materials Research Laboratory (C), one year from September 1, 1967, \$9,000 (2-20-67).
- ROY C. HOSTETTER, Instructor in Educational Psychology, Summer Session of 1967, $\frac{1}{2}$ time, June 19-August 12, 1967, \$778 (5-5-67).
- THEODORE HYMOWITZ, Agronomist at the Uttar Pradesh Agricultural University, Pant Nagar, India, for service under Contract No. AID/nesa-150, six months from May 1, 1967, \$14,300 a year, supersedes (5-15-67).
- J. TERRY IVERSEN, Academic Coordinator, University Extension, 79 per cent time, \$9,950, and Instructor in Political Science, 21 per cent time, \$2,550, one year from September 1, 1967, total salary \$12,500 (4-25-67).
- KENNETH JAEGER, Specialist in Education, in the Curriculum Laboratory, six weeks from July 3, 1967, \$1,415 (4-24-67).
- ERWIN V. JOHANNINGMEIER, Instructor in the Department of History and Philosophy of Education, Summer Session of 1967, $\frac{1}{2}$ time, June 19-August 12, 1967, \$778 (5-5-67).
- BERNARD R. JOHNSON, Research Associate in Chemistry, four months from May 1, 1967, \$6,600 a year (5-4-67).
- PATRICIA V. JOHNSTON, Visiting Assistant Professor of Food Science (S), two months from July 1, 1967, \$1,666.66 (4-28-67).
- J. ROBERT KELLY, Professor of Music, Summer Session of 1967, June 19-August 12, 1967, \$2,934, supersedes previous summer session appointment on $\frac{1}{2}$ time (5-17-67).
- JOHN D. KIEFER, Instructor in Geology, Summer Session of 1967, June 19-August 12, 1967, \$1,734 (4-7-67).
- PHILIP KINSEY, Visiting Lecturer in the Department of Chemistry and Chemical Engineering, Summer Session of 1967, June 19-August 12, 1967, \$3,000 (5-11-67).
- FRANK L. KOUCKY, Visiting Lecturer in Geology, Summer Session of 1967, June 19-August 12, 1967, \$2,600 (4-17-67).
- ASHOK KUMAR, Research Associate in Botany, April 21-August 31, 1967, \$6,700 a year (5-4-67).
- SHUNG-WU LEE, Assistant Professor of Electrical Engineering (C), change from twelve months' service to academic year service effective Semester II 1966-67, \$9,650 a year, supersedes (4-28-67).
- MICHAEL LEWIS, Assistant Professor of Sociology, Semester II 1966-67, \$8,700 a year, and in the Institute for Research on Exceptional Children, without salary, supersedes (3-2-67).
- JOSEPH L. LOVE, JR., Assistant Professor of History and in Latin-American Studies, effective Semester II 1966-67, \$8,800 a year, supersedes (4-21-67).
- GEORGE A. LOWREY, JR., Instructor and Assistant Chief of Field Service in Recreation and Municipal Park Administration, College of Physical Education, three months from June 1, 1967, \$3,500 (4-10-67).
- WILLIAM H. LUCKMANN, Consultant on Research at the Jawaharlal Nehru Agricultural University, Jabalpur, M. P., India, for service under Contract No. USAID/nesa-149, May 9-June 30, 1967, \$20,460 a year; and Professor of Agricultural Entomology, in the Agricultural Experiment Station, $1\frac{1}{100}$ time, for two months from July 1, 1967, \$3,420 a year, supersedes (5-10-67).

- MARTIN L. MAEHR, Associate Professor of Educational Psychology, Summer Session of 1967, June 19-August 12, 1967, \$2,778 (5-11-67).
- G. WARREN MARKS, Instructor in Civil Engineering (C), two and one-half months from June 16, 1967, \$2,166.68 (5-1-67).
- ANNA J. MARTIN, Research Associate in Physics (C), $\frac{1}{2}$ time, one year from September 1, 1967, \$4,500 (5-4-67).
- THOMAS P. MARTIN, Research Associate in Physics (C), three months from June 1, 1967, \$750 a month (5-17-67).
- MRS. VIVIAN V. MASTERS, Visiting Lecturer in Secondary and Continuing Education, Summer Session of 1967, July 17-August 12, 1967, \$1,200 (5-11-67).
- ANDREW A. MAY, JR., Specialist in Education, in the Curriculum Laboratory, six weeks from July 3, 1967, \$1,345 (4-24-67).
- JOHN W. METZGER, Associate Legal Counsel, April 21-August 31, 1967, \$19,500 a year (5-5-67).
- GEORGE H. MILEY, Associate Professor of Nuclear Engineering, Summer Session of 1967, $\frac{3}{4}$ time, June 19-August 12, 1967, \$2,067, supersedes previous summer session appointment on $\frac{7}{10}$ time (5-11-67).
- DALE E. MILLIS, Associate Agronomist, Department of Agronomy (S and E), two months from July 1, 1967, \$9,500 a year (3-31-67).
- JEAN-ALEX E. MOLINA, Assistant Professor of Soil Microbiology, Department of Agronomy (S), two months from July 1, 1967, \$11,000 a year (5-18-67).
- DERRELD L. MULVANEY, Associate Agronomist, Department of Agronomy (S and E), two months from July 1, 1967, \$9,500 a year (3-31-67).
- ROLF MUUSS, Visiting Lecturer in Educational Psychology, Summer Session of 1967, June 19-August 12, 1967, \$1,500 (5-11-67).
- JOHN N. PAPPADAMOS, Associate Professor of Physics, Summer Session of 1967, June 19-August 12, 1967, \$2,834 (4-26-67).
- WILLIAM J. PENNY, Instructor in Physical Education for Men, $\frac{3}{4}$ time, two months from June 16, 1967, \$1,291.66 (5-5-67), and in the Summer Session of 1967, $\frac{1}{4}$ time, June 19-August 12, 1967, \$432, supersedes previous summer session appointment on $\frac{2}{5}$ time (5-17-67).
- ARYE PERLBERG, Visiting Associate Professor of Educational Psychology, Summer Session of 1967, June 19-August 12, 1967, \$2,578 (5-11-67).
- ALAN J. PESHKIN, Associate Professor in the Department of History and Philosophy of Education, Summer Session of 1967, June 19-August 12, 1967, \$2,445 (5-4-67).
- GOODWIN G. PETERSEN, Instructor in General Engineering (C), $\frac{1}{2}$ time, Semester II 1966-67, \$1,750, supersedes (2-24-67).
- EARL G. PLANTY, Professor of Industrial Administration, College of Commerce and Business Administration, nine months from September 16, 1966, \$16,000, supersedes (4-22-67).
- PETER J. PONZO, Visiting Research Associate Professor in the Coordinated Science Laboratory (C), two months from May 8, 1967, \$2,900 (5-22-67).
- RUSSELL O. PUGH, Visiting Lecturer in Music, Summer Session of 1967, $\frac{1}{3}$ time, June 19-August 12, 1967, \$750 (4-21-67).
- NUGGEHALI NARAYANA RAGHUVIR, Research Associate in Physiology, June 16-August 31, 1967, \$1,937.50 (4-21-67).
- MRS. CHARLENE RENNER, Cataloger, with rank of Instructor, in the Library, $\frac{1}{2}$ time, June 12-August 31, 1967, \$3,575 a year (5-17-67).
- JOYCE M. ROSENFELD, Instructor in Music, academic year 1967-68, \$8,000 (4-21-67).
- VIRGINIA SATTERFIELD, Visiting Lecturer in the Graduate School of Library Science, Summer Session of 1967, June 19-August 12, 1967, \$2,400 (4-17-67).
- MRS. ANITA R. SCHILLER, Research Associate in the Library Research Center, Graduate School of Library Science, four months from May 1, 1967, \$8,800 a year, supersedes (4-28-67).
- LEONARD SCHLESSINGER, Research Associate in Physics (C), one year from September 1, 1967, \$9,000 (4-17-67).
- STANLEY L. SHINALL, Assistant Professor of French, Summer Session of 1967, June 19-August 12, 1967, \$1,867, supersedes previous summer session appointment on $\frac{1}{2}$ time (4-26-67).
- DAN T. SPIRA, Research Associate in Zoology, two months from July 1, 1967, \$13,000 a year (5-4-67).

- WILLIAM E. STALLMAN, Assistant Director of Central Office on the Use of Space, $\frac{1}{2}$ time, two months from June 16, 1967, \$784.18 (4-19-67).
- STANLEY G. STOLPE, Associate Professor of Physiology, Summer Session of 1967, June 19-August 12, 1967, \$2,489 (5-4-67).
- MRS. GRACE C. SWANSON, Editor of Engineering Publications (C), one year from September 1, 1966, \$6,800 (5-11-67).
- LUDWIG TEWORDT, Visiting Research Professor of Physics and in the Materials Research Laboratory (C), six months from September 1, 1967, \$12,000 (4-18-67).
- ROBERT E. THOMAS, Associate Professor of Music, Summer Session of 1967, July 17-August 12, 1967, \$1,239, supersedes (5-17-67).
- JOSEPH W. THOMSON, Visiting Lecturer in Educational Psychology, Summer Session of 1967, $\frac{1}{2}$ time, June 19-August 12, 1967, \$900 (5-5-67).
- CAROL A. VOGEL, Visiting Lecturer in the Graduate School of Library Science, Summer Session of 1967, June 19-August 12, 1967, \$2,200 (4-26-67).
- FRIEDHELM WALDHAUSEN, Research Associate in Mathematics, four months from May 1, 1967, \$3,600 (5-27-67).
- MRS. EUNICE R. WALKER, Visiting Lecturer in the Graduate School of Library Science, Summer Session of 1967, June 19-August 12, 1967, \$2,200 (4-17-67).
- WILLIAM M. WALKER, Consultant-Statistical Analysis for service under Contract No. USAID/Afr-293 for service overseas, from April 24 through June 23, 1967, \$14,740 a year, and from June 24 through August 23, 1967, \$13,400 a year; and Assistant Professor of Biometry and Data Processing, in the Department of Agronomy, College of Agriculture and Agricultural Experiment Station, from August 24 through August 31, 1967, \$13,400 a year, supersedes (4-12-67).
- BRENT M. WEDDING, Visiting Lecturer in Physics, Summer Session of 1967, June 19-August 12, 1967, \$1,700 (4-26-67).
- TERRY L. WEECH, Research Associate in the Library Research Center, in the Graduate School of Library Science, July 1, 1967-August 31, 1968, \$8,600 a year (5-4-67).
- ROBERT E. WEIGAND, Visiting Associate Professor in the Graduate School of Business Administration, College of Commerce and Business Administration, $\frac{1}{2}$ time, February 1-June 15, 1967, \$3,750 (5-5-67).
- WOODROW W. WYATT, Visiting Lecturer in Educational Psychology, Summer Session of 1967, June 19-August 12, 1967, \$3,800 (5-11-67).
- MARVIN E. WYMAN, Professor of Nuclear Engineering, Summer Session of 1967, $\frac{45}{100}$ time, June 19-August 12, 1967, \$2,021, supersedes previous summer session appointment on $\frac{1}{2}$ time (5-11-67).

CANCELLATIONS, DECLINATIONS, AND RESIGNATIONS

Chicago Circle

- CAROLYN R. BURKE, Instructor in English, summer quarter of 1967 — declination effective June 16, 1967.
- RICHARD A. CARHART, Assistant Professor of Physics, summer quarter of 1967 — declination effective June 16, 1967.
- MRS. JANICE CREWS, Instructor in Speech, summer quarter of 1967 — cancellation effective June 16, 1967.
- ROGER DOMINOWSKI, Assistant Professor of Psychology, summer quarter of 1967 — declination effective June 16, 1967.
- JAMES M. DOYLE, Assistant Professor of Engineering Mechanics, in the Department of Materials Engineering, summer quarter of 1967 — declination effective June 16, 1967.
- ROBERT F. T. DUGAN, Instructor in German, summer quarter of 1967 — declination effective June 16, 1967.
- HOWARD GOLDBERG, Assistant Professor of Physics, summer quarter of 1967 — declination effective June 16, 1967.
- JORDAN V. HODGSON, Instructor in German — resignation effective September 1, 1967.
- ZIA-E- KHURSHEED, Instructor in Mathematics, summer quarter of 1967 — cancellation effective June 16, 1967.

- VINCENT LOUTHAN, Instructor in English, summer quarter of 1967 — declination effective June 16, 1967.
- ROBERT W. MAJOR, Instructor in English — resignation effective September 1, 1967.
- SEYMOUR MARGULIES, Assistant Professor of Physics, summer quarter of 1967 — declination effective June 16, 1967.
- MILTON C. MAYES, Assistant Reference Librarian with rank of Instructor — resignation effective July 1, 1967.
- DONALD W. MCLEOD, Assistant Professor of Physics, summer quarter of 1967 — declination effective June 16, 1967.
- WILLIAM J. OTTING, Associate Professor of Physics, summer quarter of 1967 — declination effective June 16, 1967.
- JOSEPH P. PISCOTTE, Assistant Professor of Political Science — resignation effective September 1, 1967.
- FRAZER G. POOLE, Professor of Library Administration and Director of the Library — resignation effective May 20, 1967.
- ALEXANDER J. ROSEN, Assistant Professor of Psychology, summer quarter of 1967 — declination effective June 16, 1967.
- ALBERT B. SCHULTZ, Associate Professor of Mechanical Engineering, in the Department of Materials Engineering, summer quarter of 1967 — declination effective June 16, 1967.
- HAROLD A. SIMON, Associate Professor of Heat Transfer, in the Department of Energy Engineering, summer quarter of 1967 — declination effective June 16, 1967.
- JULIUS SOLOMON, Assistant Professor of Physics, summer quarter of 1967 — declination effective June 16, 1967.
- THEODORE J. SPAHN, Bibliographer, with rank of Assistant Professor, in the Library — resignation effective August 1, 1967.
- DAVID VEZZETTI, Assistant Professor of Physics, summer quarter of 1967 — declination effective June 16, 1967.
- JOHN R. WEBSTER, Instructor in Physical Education for Men — resignation effective September 1, 1967.
- SAMUEL A. WEISS, Associate Professor of English, summer quarter of 1967 — declination effective June 16, 1967.

Medical Center

- CHARLES L. BELL, Associate Professor of Chemistry, College of Pharmacy, Summer Session of 1967 — declination effective July 26, 1967.
- DANUTA BUZDYGAN, Instructor in Pediatrics, College of Medicine, in the Division of Services for Crippled Children and in the Cleft Palate Center — resignation effective May 16, 1967.
- CAROLYN L. FELLHEIMER, Instructor in Medical Social Work, College of Medicine — resignation effective July 8, 1967.
- MRS. AURORA P. JACKSON, Instructor in Medical Social Work, College of Medicine — resignation effective June 30, 1967.
- STUART S. ROBERTS, Associate Professor of Surgery, College of Medicine — resignation effective May 1, 1967.
- ROBERT J. RYAN, Associate Professor of Medicine, College of Medicine — resignation effective September 1, 1967.
- MRS. LYNNE D. SCHECHTER, Instructor in Medical Social Work, College of Medicine — resignation effective June 2, 1967.
- ROBERT L. TYROLER, Research Associate in the Graduate College at the Medical Center — resignation effective September 1, 1967.
- THOMAS R. WATSON, Associate Professor of Chemistry, College of Pharmacy, Summer Session of 1967 — declination effective June 19, 1967.

Urbana

- WILLIAM G. ALBRIGHT, Associate Professor of Electrical Engineering, Summer Session of 1967 — declination effective June 19, 1967.
- JOHN D. ANDERSON, Professor of Physiology and Biophysics, Summer Session of 1967 — resignation effective June 19, 1967.
- GEORGE E. ANNER, Professor of Electrical Engineering, Summer Session of 1967 — declination effective June 19, 1967.

- JAMES W. ARMSTRONG, Assistant Professor of Mathematics, Summer Session of 1967—declination effective June 19, 1967.
- ROBERT L. BALLIOT, Undergraduate Librarian with rank of Instructor—resignation effective August 9, 1967.
- MRS. DORIS W. BARR, Research Associate in the Survey Research Laboratory—resignation effective June 26, 1967.
- CARL BERFITER, Professor of Special Education in the Department of Special Education and in the Institute for Research on Exceptional Children—resignation effective September 1, 1967.
- LOIS M. BEWLEY, Research Associate in the Library Research Center, in the Graduate School of Library Science—resignation effective September 1, 1967.
- THOMAS BEZZEGH, Research Associate in Animal Science—resignation effective June 9, 1967.
- SARAH L. BOGGS, Research Assistant Professor in the Survey Research Laboratory, in the Graduate College, and Assistant Professor of Sociology, in the College of Liberal Arts and Sciences—resignation effective June 10, 1967.
- WENDELL BOWERS, Associate Professor of Agricultural Engineering—resignation effective July 1, 1967.
- LEROY T. BOYER, Assistant Professor of Civil Engineering, Summer Session of 1967—declination effective June 19, 1967.
- HAL BRANDES, Instructor in Art—resignation effective September 1, 1967.
- PAUL A. BRANDVIK, Instructor in Music—resignation effective September 1, 1967.
- MRS. NORMA J. BRUCE, Cataloger, with rank of Instructor, in the Library—resignation effective July 1, 1967.
- CHARLES A. BUNGE, Research Associate in the Library Research Center—resignation effective September 1, 1967.
- LARRY J. BURKHART, Research Associate in Forestry—resignation effective September 1, 1967.
- TUNG-CHIN CHEN, Assistant Professor of Aeronautical and Astronautical Engineering—resignation effective September 1, 1967.
- LEE R. CHESNEY, Professor of Art—resignation effective September 1, 1967.
- MRS. MARY JO COCROFT, Serials Cataloger, with rank of Instructor, in the Library—resignation effective September 1, 1967.
- VISHWA C. DUMIR, Assistant Professor of Mathematics, Summer Session of 1967—resignation effective June 19, 1967.
- ARNOLD W. FLATH, Assistant Professor of Physical Education for Men—resignation effective September 1, 1967.
- PETER E. FORBES, Instructor in Art—resignation effective September 1, 1967.
- FRANCISCO A. GERMANO, Research Associate in Physics—resignation effective June 19, 1967.
- EDWARD R. GRUBERG, Instructor in Electrical Engineering—resignation effective June 23, 1967.
- YOSHIHIRO HAMAKAWA, Research Assistant Professor in the Materials Research Laboratory—resignation effective July 16, 1967.
- THOMAS HENDERSON, Instructor in Art—resignation effective September 1, 1967.
- JAMES E. HERGET, Assistant Dean of Law—resignation effective September 1, 1967.
- CLAYTON D. HIGHUM, Research Associate in the Library Research Center, in the Graduate School of Library Science—resignation effective June 15, 1967.
- TING H. HSIAO, Research Associate in Entomology—resignation effective June 1, 1967.
- RAYMOND W. HUGGINS, Visiting Assistant Professor of Physics and in the Coordinated Science Laboratory—resignation effective July 1, 1967.
- ROBERT T. HUGHES, Instructor in Art—resignation effective September 1, 1967.
- JOHN D. JACKSON, Professor of Physics—resignation effective September 1, 1967.
- HUBERT KESSLER, Professor of Music, Summer Session of 1967—resignation effective June 19, 1967.
- JANET KOPRIVA, Chemistry Library Assistant, with rank of Instructor, in the Library—resignation effective August 3, 1967.
- JAMES KRICKELAS, Research Associate in the Library Research Center, in the Graduate School of Library Science—resignation effective September 1, 1967.
- JOAN C. LEVY, Instructor in Music—resignation effective September 1, 1967.

- RICHARD J. LOFTUS, Associate Professor of English, Summer Session of 1967—resignation effective June 19, 1967.
- ARTHA S. LOY, Research Associate in the Institute of Communications Research, in the College of Journalism and Communications—resignation effective May 1, 1967.
- WEI-YI MA, Cataloger, with rank of Instructor, in the Special Languages Department of the Library—resignation effective September 1, 1967.
- PETER MAGNABOSCO, Instructor in Physical Education for Men, Summer Session of 1967—declination effective June 19, 1967.
- MRS. JO-ANN MICHALAK, Bibliographer, with rank of Instructor, in the Acquisition Department of the Library—resignation effective September 1, 1967.
- THOMAS J. MICHALAK, Bibliographer, with rank of Instructor, in the Serials Department of the Library—resignation effective September 1, 1967.
- LEIGH MINTURN, Associate Professor of Psychology—resignation effective September 1, 1967.
- KAZUHIKO NISHIJIMA, Professor of Physics—resignation effective September 1, 1967.
- DAVID C. PACKARD, Assistant Professor of Art—resignation effective September 1, 1967.
- DONALD L. PALMQUIST, Research Associate in Dairy Science—resignation effective July 1, 1967.
- KOLAR S. RAMACHANDRAN, Research Associate in Food Science—resignation effective July 11, 1967.
- GALEN E. RIKE, Bibliographer, with rank of Instructor, in the Acquisition Department of the Library—resignation effective September 1, 1967.
- CARL-GUSTAF ROSEN, Research Associate in Chemistry—resignation effective May 24, 1967.
- HENRY F. SOEHNGEN, Research Associate in Civil Engineering—cancellation effective June 16, 1967.
- RALPH H. STENSTROM, Education and Social Science Librarian with rank of Instructor, in the Library—resignation effective September 1, 1967.
- DONALD C. STEWART, Assistant Professor of English, Summer Session of 1967—resignation effective June 19, 1967.
- MRS. GRACE C. SWANSON, Editor of Engineering Publications—resignation effective May 16, 1967.
- ARNOLD M. TIBBETTS, Assistant Professor of English, Summer Session of 1967—resignation effective June 19, 1967.
- MRS. PHOEBE TIMBERLAKE, Departmental Library Assistant, with rank of Instructor, in the Library—resignation effective July 27, 1967.
- GEORGE E. VAN LEAR, Research Associate in Chemistry and Chemical Engineering—resignation effective September 1, 1966.
- CHARLES M. WELLER, Assistant Professor of Secondary and Continuing Education, in the Department of Elementary Education, Summer Session of 1967—declination effective June 19, 1967.
- CLARENCE E. WHITE, Instructor in Agricultural Entomology Extension—resignation effective May 16, 1967.

LEAVES OF ABSENCE

Chicago Circle

- PETER N. BURGOYNE, Associate Professor of Mathematics—leave of absence, without pay, for the fall and winter quarters 1967-68, to accept an appointment to teach and do research at the University of California at Santa Cruz.
- MRS. SABINE CASTEN, Instructor in Chemistry—leave of absence, without pay, for the spring quarter of 1966-67.
- MRS. SUSAN FREEMAN, Assistant Professor of Anthropology—leave of absence, without pay, for the spring quarter 1967-68, to begin a field project in Spain.

Medical Center

- GEORGE R. OSTERBERGER, Assistant Professor of Orthodontics, College of Dentistry—leave of absence, without pay, beginning May 1 and continuing through July 31, 1967.

Urbana

- V LEWIS BASSIE, Professor of Economics and Director of the Bureau of Economic and Business Research—leave of absence, without pay, from June 16, 1967, through July 31, 1967, to work for the Institute of International Education in Colombia, South America.
- OMER BENN, Instructor in the Institute of Aviation—leave of absence, without pay, for two months beginning July 1, 1967, to work on a project in developing classroom materials.
- HERBERT C. DE LEY, JR., Associate Professor of French—leave of absence, without pay, for the academic year 1967-68, to serve as Visiting Professor at the University of California at Riverside.
- CHARLES HAMM, Professor of Music—leave of absence, without pay, for the academic year 1967-68, to accept a Guggenheim Fellowship.
- BRAJ B. KACHRU, Assistant Professor of Linguistics—leave of absence, without pay, for one year from September 1, 1967, in order to accept the appointment of Faculty Research Fellow by the American Institute for Indian Studies in India.
- DONALD W. LATHRAP, Associate Professor of Anthropology—leave of absence, without pay, for the first semester of 1967-68, to execute a research project in Peru.
- DRAGUTIN MAKSIC, Associate Professor of Veterinary Clinical Medicine, College of Veterinary Medicine—leave of absence, without pay, from May 1 through June 15, 1967, in order to study and write the New York State Board examination for Veterinarian.
- WILLIAM M. ROGGE, Research Assistant Professor of Special Education and in the Curriculum Laboratory, College of Education—continuation of leave of absence, without pay, for one year from September 1, 1967.
- PAUL R. SHAFFER, Professor of Geology—continuation of leave of absence, without pay, for the academic year 1967-68, in order to accept assignment with the Office of International Science Activities of the National Science Foundation.
- MARJORIE A. SOUDER, Counselor in Teacher Education, College of Education, and Assistant Professor of Physical Education for Women, College of Physical Education—leave of absence, without pay, for the academic year 1967-68, in order to pursue doctoral study at the University of Wisconsin.

REPORTS AND RECOMMENDATIONS FROM
THE PRESIDENT OF THE BOARD

President Johnston called attention to the schedule of the next four meetings of the Board of Trustees: July 26 in Urbana, September 20 at Chicago Circle, October 18 in Urbana, and November 10 in Urbana.

EXECUTIVE SESSION

President Johnston announced that an executive session had been requested and was being ordered for consideration of reports and recommendations relating to property acquisitions.

On motion of Mr. Swain, the Board recessed for five minutes.

When the Board reconvened, the following reports and recommendations from the President of the University were presented and considered.

ACQUISITION OF PROPERTY AT 1003 WEST
SPRINGFIELD AVENUE, URBANA

(41) The Director of the Physical Plant and the Vice-President and Comptroller recommend the purchase of the property at 1003 West Springfield Avenue, Urbana, at a price of \$29,000, subject to funds being made available by the Seventy-fifth General Assembly and any required releases thereof by the Governor. The property is required in the long-range expansion program of the University, and can be used for temporary housing until it is required for parking or building construction.

The property consists of a lot of 66 feet by 132 feet (8,712 square feet) and is improved with a two-story frame rooming house.

I concur.

On motion of Mr. Hughes, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page and Dr. Weatherly.

ACQUISITION OF PROPERTIES, URBANA

(42) The University of Illinois Foundation, at the request of the University, has acquired a number of properties which are required in the long-range plan for expansion at Urbana. The Director of the Physical Plant, the Vice-President and Comptroller, and the Executive Vice-President and Provost recommend acquisition of the following properties from the Foundation at the prices indicated, plus miscellaneous costs incurred in the acquisition of the properties:

1109 West Oregon Street, Urbana.....	\$ 34 000 00
1111 West Oregon Street, Urbana.....	62 000 00
1114 West Nevada Street, Urbana.....	125 000 00
607 East Daniel Street, Champaign.....	185 000 00
909 West Nevada Street, Urbana.....	40 000 00
1110 West Main Street, Urbana.....	55 000 00
1002 West Green Street, Urbana.....	225 000 00
801 South Wright Street, Champaign.....	316 515 00
904 West Oregon Street, Urbana.....	40 000 00
	\$1 082 515 00

Funds in the amount of approximately \$475,000 are available in the 1965-67 state capital appropriations, subject to release by the Governor. The remainder of the purchases will be deferred until the 1967-69 state capital appropriations for land are available and have been released by the Governor.

I concur.

On motion of Mr. Swain, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

On motion of Mr. Swain, the Board adjourned.

TOUR AND BOARD COMMITTEE MEETINGS

Following lunch, members of the Board and other University officers toured the Materials Research Laboratory.

Board Committees on Buildings and Grounds, Finance, and General Policy met during the afternoon.

EARL W. PORTER
Secretary

WAYNE A. JOHNSTON
President

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

July 26, 1967

The July meeting of The Board of Trustees of the University of Illinois was held in the Illini Union South, Urbana, Illinois, on Wednesday, July 26, 1967, beginning at 10:30 a.m.

President Wayne A. Johnston called the meeting to order and asked the Secretary to call the roll. The following members of the Board were present: Mr. Howard W. Clement, Mr. Donald R. Grimes, Mr. Ralph C. Hahn, Mr. Earl M. Hughes, Mr. Wayne A. Johnston, Mr. Ray Page, Mr. Harold Pogue, Mr. Timothy W. Swain. Governor Otto Kerner, Mr. Theodore A. Jones, and Dr. James A. Weatherly were absent.

Also present were President David D. Henry; Executive Vice-President and Provost Lyle H. Lanier; Chancellor Norman A. Parker, University of Illinois at Chicago Circle; Chancellor Joseph S. Begando, University of Illinois at the Medical Center; Chancellor Jack W. Peltason, University of Illinois at Urbana-Champaign; Mr. C. S. Havens, Director of the Physical Plant; Mr. C. E. Flynn, Assistant to the President and Director of Public Information; Mr. James J. Costello, Legal Counsel; Mr. Eldon Johnson, Vice-President of the University; Mr. Vernon L. Kretschmer, Associate Director of the Physical Plant; Mr. R. C. Wicklund, Staff Associate in the Board of Trustees Office and Assistant Secretary of the University; and officers of the Board, Mr. R. R. Manchester, Treasurer, and Mr. H. O. Farber, Comptroller.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of the Board of Trustees on September 21, 1966, October 13, 1966, and November 10, 1966, press proof copies of which have previously been sent to the Board.

On motion of Mr. Swain, these minutes were approved as printed on pages 73 to 265, inclusive.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY
The Board took up consideration of the following reports and recommendations from the President of the University.

PRESIDENT'S REPORT

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

ANNUAL OPERATING BUDGET FOR 1967-68

(1) The budget for the fiscal year beginning July 1, 1967, for academic and administrative appointments beginning September 1, 1967, and for appointments to the nonacademic personnel staff beginning July 1, 1967, is submitted herewith.

The budget has been prepared by the Executive Vice-President and Provost and the Vice-President and Comptroller, based upon recommendations of the deans, directors, and other administrative officers, and in consultation with the University Budget Committee¹ representing all campuses of the University. The budget policies with respect to assignments of funds for promotions and salary adjustments have also been reviewed with the University Council.

The budget document submitted contains: a condensed analysis, which describes the principal increases in the budget; Schedules A through H, which give the budget totals and major subtotals; and summaries for each college or administrative unit. Also submitted are four supplemental volumes (two for Urbana-Champaign and one each for the other campuses) presenting budget details for departments, divisions, and other operating units.

I recommend that this budget, covering the allocation of the estimated operating income from all sources for the year beginning July 1, 1967, and as approved by the Finance Committee, be approved by the Board, and that the President of the University be authorized, in accordance with the needs of the University and the equitable interests involved, and within total income: (a) to accept resignations, (b) to make such additional appointments as are necessary subject to the provisions of the University *Statutes* and the *Policy and Rules Relating to Compensation and Working Conditions of Nonacademic Employees*, and (c) to make such changes and adjustments in items included in the budget as are needed, all such changes to be covered in the Vice-President and Comptroller's quarterly financial reports, or in reports to the Board by its Secretary, provided that assignments for new projects or programs and for nonrecurring capital expenditures in excess of \$10,000 shall be presented to the Board for approval.

Copies of the budget, with a separate condensed analysis and summaries, had been sent to all Trustees for study in advance of today's meeting.

The President of the University, the Executive Vice-President and

¹ University Budget Committee: Lyle H. Lanier, Executive Vice-President and Provost, *Chairman*; Daniel Alpert, Professor of Physics and Dean of the Graduate College; Joseph S. Bergamo, Chancellor at the Medical Center; Herbert E. Carter, Professor of Biochemistry and Head of the Department of Chemistry and Chemical Engineering (Urbana); Nicholas J. Cotsonas, Professor of Medicine; Wylie H. Davis, Professor of Law; Herbert O. Farber, Vice-President and Comptroller; I. E. Farber, Professor of Psychology and Head of the Department (Chicago Circle); Morris S. Kessler, Assistant Comptroller (Staff Associate); Nathan M. Newmark, Professor of Civil Engineering and Head of the Department (Urbana); Norman A. Parker, Chancellor at Chicago Circle; George W. White, Research Professor of Geology (Urbana); Martin L. Zeigler, Associate Provost and Director of Institutional Studies (Staff Associate).

Provost, and the Vice-President and Comptroller presented the budget, and discussed the several recommendations as outlined in the condensed analysis and the classifications of expenditures in the summaries. A copy of the condensed analysis is filed with the Secretary of the Board for record.

Mr. Grimes, Chairman of the Finance Committee, reported that the Committee had reviewed the budget in a special work session on Tuesday evening, July 25, 1967, and had recommended some changes, and that the budget as now being presented to the Board was amended accordingly. In addition to Messrs. Grimes, Clement, and Swain of the Finance Committee, Messrs. Hahn, Hughes, Johnston, and Pogue participated in the work session. Mr. Grimes stated that the Finance Committee recommended that the budget as presented be approved.

Following the presentations of reports and discussions by members of the Board, on motion of Mr. Grimes, the budget was approved; authority was given as requested in the President's recommendations; and the appropriations required were made by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain; no, none; absent, Mr. Jones, Governor Kerner, Dr. Weatherly.

The complete budget is printed separately as a supplement to these minutes.

BUDGET OF THE ATHLETIC ASSOCIATION FOR 1967-68

(2) The Director of Intercollegiate Athletics has submitted, on behalf of the Board of Directors of the Athletic Association, the budget for the Association for 1967-68 which is summarized as follows with comparative figures for the preceding year:

	1966-67	1967-68
Income.....	\$1 504 425	\$1 678 414
Appropriations	1 495 885	1 678 414
Excess of Income.....	8 540	0

The budget has been reviewed and approved by the Executive Vice-President and Provost and the Vice-President and Comptroller.

I recommend that this budget be approved and that the Board of Directors of the Athletic Association be authorized to make such changes and adjustments, including approval of new appointments and acceptances of resignations, as are necessary within the total income and surplus of the Association, provided that: appointments of head coaches and administrative officers and assignments of funds for new projects or nonrecurring capital expenditures in excess of \$10,000 shall be presented to the Board for approval.

A copy of the budget is being filed with the Secretary of the Board for record.

On motion of Mr. Pogue, this budget was approved.

INTRODUCTION OF CHANCELLOR J. W. PELTASON

(3) President Henry introduced Chancellor J. W. Peltason who became the Chancellor of the University of Illinois at the Urbana-Champaign campus on July 1, 1967.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(4) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Illinois Accountancy Act of 1943, as amended, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

<i>Name</i>	<i>Address</i>	<i>State from Which They Obtained Certificates</i>
JAMES ALVIN BLATCHLEY	Prospect Heights, Illinois	District of Columbia
WILLIAM STEWART CHUNOWITZ	Chicago, Illinois	District of Columbia
HOWARD ENOCH COGAN	Chicago, Illinois	District of Columbia
SEYMOUR JOSEPH HORWITZ	Skokie, Illinois	District of Columbia
WILLIAM RICHARD McCAMPBELL	Peoria, Illinois	Michigan
JAMES HUGH SHELNUTT	Carbondale, Illinois	Indiana
ROBERT YALE SINGER	Clifton, New Jersey	New York and New Jersey
WARREN LELAND WOOD	Phoenix, Arizona	California

I concur.

On motion of Mr. Swain, these certificates were awarded.

APPOINTMENT TO BOARD OF EXAMINERS IN ACCOUNTANCY

(5) The Committee on Accountancy recommends the appointment of Samuel A. Sakol, a partner in the firm of Lybrand, Ross Bros. & Montgomery, Certified Public Accountants, Chicago, to the Board of Examiners in Accountancy for a three-year term beginning July 1, 1967, to succeed Mr. Elmer Waldo Mauritz, whose term expired June 30, 1967.

I concur.

On motion of Mr. Clement, this appointment was approved.

ADVISORY COMMITTEES FOR THE COLLEGE OF AGRICULTURE

(6) The Dean of the College of Agriculture recommends the following new appointments and reappointments to advisory committees for the College of Agriculture and the Agricultural Experiment Station effective September 1, 1967, for three-year terms, unless otherwise specified:

Agricultural Economics

GERALD D. GLASCO, R. R., Marion

RAYMOND G. SCHNAKE, Manager, George Schnake, Inc., St. Peter

Agricultural Engineering

ROBERT M. MOORE, Moore Buildings Company, Charleston

A. STEPHEN PAYDON, R. R. 1, Plainfield (Mr. Paydon is being reappointed.)

Agronomy

FRED W. BERGMANN, Bergmann Farms, Trenton

EARL G. KENISTON, R. R. 1, Manhattan

Animal Science

JOHN W. CURRY, Victoria (Mr. Curry is being reappointed.)

MERLE LcSAGE, Manager, Chicago Order Buyers, Inc., 308 Exchange Building,
Union Stockyards, Chicago (Mr. LcSage is being reappointed.)

Cooperative Extension

MRS. R. E. BLACKWELDER, R. R. 1, Makanda

MRS. LOYD FRICKE, 613 Naperville Road, Wheaton (two years)

WILLIAM GOSSETT, Roseville (one year)

MRS. H. WALDO HORRABIN, Blandinsville

E. M. LANTZ, R. R. 1, Shelbyville

BURTON S. PEARSALL, Helm & Pearsall, 231 Douglas Avenue, Elgin (one year)

BENJAMIN F. RAPP, R. R. 1, Athens

ROBERT F. SCHMOOK, R. R. 2, Box 128A, Winnebago

Dairy Science

AVERY A. VOSE, President, Pure Milk Association, 343 South Dearborn, Chicago
(Mr. Vose is being reappointed.)

Horticulture (Floriculture, Ornamentals)

EDWARD J. DIDIER, Didier Florist Greenhouses, 4601 West State Street, Rockford

ARTHUR MATON, Box 38, 600 North Elm Street, Pana

General

(This Committee, composed of representatives from the departmental committees, acts in an advisory capacity to the College administration.)

GORDON E. SEARS, Agricultural Economics (one year)

A. STEPHEN PAYDON, Agricultural Engineering (one year)

CARLIN N. MORTON, Agronomy (one year)

HARRY C. EATON, Animal Science (one year)

ELMER J. OLSON, Cooperative Extension (one year)

AVERY A. VOSE, Dairy Science (one year)

A. FLETCHER MARSH, Forestry (one year)

ROBERT M. WILLIAMS, Horticulture (one year)

JOHN F. RUNDQUIST, Evergreen Farms, Butler, Member-at-Large (three years)

JAMES C. THOMSON, Editor, *Prairie Farmer*, 1230 West Washington Boulevard, Chicago, Member-at-Large (three years)

I concur.

On motion of Mr. Hughes, these appointments were approved.

**ADVISORY COMMITTEE FOR THE COLLEGE
OF VETERINARY MEDICINE, URBANA**

(7) The Dean of the College of Veterinary Medicine recommends the following appointments and reappointments to the advisory committee for the College of Veterinary Medicine for the terms as indicated:

New Appointments (effective September 1, 1967)

DR. JOHN R. BAKER, Erie (appointment expires August 31, 1969)

MICHAEL BUTLER, Oak Brook (appointment expires August 31, 1970)

DR. FRANK E. CONNER, Morris (appointment expires August 31, 1969)

VERNON D. PILGER, Beardstown (appointment expires August 31, 1968)

Reappointments (effective September 1, 1966)

DR. C. A. KRAKOWER, Chicago (appointment expires August 31, 1968)

R. V. MCKEE, Washburn (appointment expires August 31, 1968)

I concur.

On motion of Mr. Hughes, these appointments were approved.

SABBATICAL LEAVE OF ABSENCE, 1967-68

(8) In accordance with the provisions of the University Statutes, I recommend that Dr. Granville A. Bennett, Professor of Pathology and Dean of the College of Medicine, be given a sabbatical leave of absence, on full pay, for six months beginning January 1, 1968, for the purpose of study, review, and observation related to his special field—pathology.

This recommendation is supplementary to the applications recommended to the Board of Trustees on March 14, May 16, and June 20, 1967.

On motion of Mr. Grimes, this leave was granted as recommended.

APPOINTMENTS TO THE FACULTY

(9) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

Positions in the University are classified in the following categories and are designated in the budget by the symbols indicated: A— indefinite tenure; B— two years; D— one year; E— nine months from the beginning of the academic year; G— special tenure; Y— twelve months' service required instead of two semesters; 1-7— indicates the number of years of service which will be credited at the end of the contract period toward completion of the probationary period relating to tenure.

Figures following a symbol indicate percentage of time if the appointment is on a part-time basis (e.g., D75 means one year on three-fourths time).

1. ROBERT C. ARZBAECHER, Associate Professor of Bioengineering, in the Department of Information Engineering, Chicago Circle, beginning September 1, 1967, without salary (B).
2. HAROLD W. BAILEY, Associate Chancellor (Institutional Studies) and Professor of Mathematics, Chicago Circle, beginning September 1, 1967, at an annual salary of \$23,000 (BY; A).

3. HERBERT R. BARGHUSEN, Assistant Professor of Anatomy, College of Medicine, beginning September 1, 1967, at an annual salary of \$12,500 (2Y).
4. IVAN B. CUTLER, Visiting Professor of Ceramic Engineering and in the Materials Research Laboratory, Urbana, for the academic year 1967-68, at a salary of \$8,300 (E).
5. THEODORE C. DOEGE, Assistant Professor of Preventive Medicine and Community Health, assigned to Faculty of Medicine, Chiangmai Hospital, Thailand, Agency for International Development, for the period from May 10-12, 1967, and from July 1, 1967, through June 30, 1969, at an annual salary of \$17,500 (FY).
6. PETER FAGAN, Assistant Professor of Art, Urbana, beginning September 1, 1967, at an annual salary of \$8,000 (3).
7. ROBERT N. FISHER, Assistant Professor of Art, Urbana, beginning September 1, 1967, at an annual salary of \$9,000 (3).
8. JOHN M. FLACKETT, Visiting Associate Professor of Law, Urbana, for six months from September 1, 1967, at a salary of \$8,000 (G).
9. YUH FUKAI, Visiting Research Assistant Professor of Mining, Metallurgy, and Petroleum Engineering, Urbana, for one year from October 20, 1967, at a salary of \$13,000 (FY).
10. FRANK GALLO, Professor of Art, Urbana, beginning September 1, 1967, at an annual salary of \$18,000 (A).
11. J. CLARK GLEESON, Associate Professor of Oral Diagnosis, College of Dentistry, beginning June 1, 1967, at an annual salary of \$17,000 (AY).
12. RALPH W. GOERING, Assistant Professor of Obstetrics and Gynecology, College of Medicine, beginning July 1, 1967, at an annual salary of \$15,000 (3Y).
13. CHARLES D. HARDIE, Visiting Professor of Philosophy of Education, in the Department of History and Philosophy of Education, Urbana, for the academic year 1967-68, at a salary of \$18,500 (E).
14. JAMES B. HOLDERMAN, Associate Chancellor and Associate Professor of Political Science, Chicago Circle, beginning September 1, 1967, at an annual salary of \$21,500 (BY; A).
15. LELAND E. HOLLOWAY, Assistant Professor of Physics, Urbana, beginning September 1, 1967, at an annual salary of \$11,000 (D).
16. JOHN E. KENNEDY, Visiting Assistant Professor of Law, Urbana, for the academic year 1967-68, at a salary of \$17,000 (D).
17. GEORGE H. KIEFFER, Assistant Professor of Zoology, in the Division of General Studies and in the School of Life Sciences, Urbana, beginning September 1, 1967, at an annual salary of \$11,000 (1).
18. CHIN-WOO KIM, Assistant Professor of Linguistics, Urbana, beginning September 1, 1967, at an annual salary of \$9,000 (1).
19. EDWARD J. KIONKA, Assistant Dean and Assistant Professor of Law, Urbana, beginning September 1, 1967, at an annual salary of \$16,000 (DY; 1Y).
20. DANIEL L. KOHUT, Assistant Professor of Music, on 58 per cent time, and of Secondary and Continuing Education, on 25 per cent time, and Counselor, Council on Teacher Education, on 17 per cent time, Urbana, beginning September 1, 1967, at an annual salary of \$11,500 (3).
21. PLACIDO D. LA VALLE, Assistant Professor of Geography, Urbana, beginning September 1, 1967, at an annual salary of \$12,000 (1).
22. ROBERT J. MENGES, Assistant Professor of Educational Psychology on one-third time and in the Division of General Studies on two-thirds time, Urbana, beginning September 1, 1967, at an annual salary of \$9,500 (1).
23. PHILIP J. MERANTO, Assistant Professor in the Institute of Government and Public Affairs, Urbana, beginning September 1, 1967, at an annual salary of \$11,000 (2).
24. RICHARD L. NOLAN, Assistant Professor of Accountancy and of Business Administration, Urbana, beginning September 1, 1967, at an annual salary of \$12,000 (1).
25. JOHN O'CONNOR, Academic Coordinator and Assistant Professor in Music Extension, in the Division of University Extension, Urbana, beginning September 1, 1967, at an annual salary of \$11,500 (1).
26. DEVENDAR C. REDDY, Assistant Professor of Electrical Engineering, in the Department of Information Engineering, Chicago Circle, beginning September 1, 1967, at an annual salary of \$9,500 (1).

27. WILLIAM H. REYNOLDS, Professor of Marketing, Chicago Circle, beginning September 1, 1967, at an annual salary of \$17,000 (A).
28. ALLEN A. ROVICK, Associate Professor of Physiology, assigned to Faculty of Medicine, Chiangmai Hospital, Thailand, Agency for International Development, for the period from June 28-30, 1967, and from July 14, 1967, through January 10, 1969, at an annual salary of \$14,500 (FY).
29. HERBERT TINGSTEN, George A. Miller Visiting Professor of Political Science, Urbana, for six weeks from September 18, 1967, at a salary of \$4,000 (G).
30. YUTAKA TOYOZAWA, Visiting Professor of Physics and in the Materials Research Laboratory, Urbana, for six months from March 1, 1968, at a salary of \$12,000 (DY).
31. STEPHEN TSAI, Assistant Professor of Electrical Engineering, in the Department of Information Engineering, Chicago Circle, beginning September 1, 1967, at an annual salary of \$9,800 (1).
32. JIRI VAVRA, Visiting Research Associate Professor of Veterinary Pathology and Hygiene, Urbana, beginning September 1, 1967, at an annual salary of \$11,000 (DY).
33. EDWARD W. VOSS, JR., Assistant Professor of Microbiology, Urbana, beginning September 1, 1967, at an annual salary of \$10,500 (1).
34. WILLIAM WELLNER, Assistant Professor of Higher Education, in the Department of Secondary and Continuing Education, Urbana, beginning September 1, 1967, at an annual salary of \$11,000 (2).
35. JACK C. WILEY, Assistant Professor of Theoretical and Applied Mechanics, Urbana, beginning September 1, 1967, at an annual salary of \$10,000 (1).
36. WENDELL WILLIAMS, Associate Professor of Physics and of Ceramic Engineering, Urbana, beginning September 1, 1967, at an annual salary of \$14,000 (A).
37. THOMAS J. WISNIEWSKI, Assistant Professor of Music, on 15 per cent time, and Assistant Professor of Music Extension, in the Division of University Extension, on 85 per cent time, Urbana, beginning September 1, 1967, at an annual salary of \$12,350 (1Y).

On motion of Mr. Swain, these appointments were confirmed.

ACTING DEANSHIP OF COLLEGE OF ENGINEERING, CHICAGO CIRCLE

(10) The Chancellor at Chicago Circle has recommended the appointment of David W. Levinson, presently Professor of Metallurgy and Associate Head of the Department of Materials Engineering, as Acting Dean of the College of Engineering at Chicago Circle and Professor of Metallurgy beginning August 11, 1967, at an annual salary of \$24,500 on a twelve months' service basis to serve until a permanent dean is appointed.

Professor Levinson will replace Professor Emeritus Rupert M. Price who has been Acting Dean of the College since January 1, 1967.

The Dean of Faculties at Chicago Circle and the Executive Vice-President and Provost concur.

I recommend approval.

On motion of Mr. Hahn, this appointment was approved.

HEADSHIP OF DEPARTMENT OF GERMAN, CHICAGO CIRCLE

(11) The Dean of the College of Liberal Arts and Sciences and the Chancellor at Chicago Circle recommend the appointment of Dr. Robert R. Heitner, presently Professor and Acting Head of the Department of German, as Professor of German on indefinite tenure and Head of the Department of German effective September 1, 1967, on a twelve months' service basis at an annual salary of \$22,000, divided: \$21,000 as Professor of German and \$1,000 as Head of the Department.

Professor Heitner has been serving as Acting Head of the Department since September, 1966.

This appointment was made after consultation with members of the Department of professorial rank. The Dean of the Graduate College and the Executive Vice-President and Provost concur.

I recommend approval.

On motion of Mr. Clement, this appointment was approved.

HEADSHIP OF DEPARTMENT OF ANIMAL SCIENCE, URBANA

(12) The Dean of the College of Agriculture has recommended the appointment of Dr. Donald E. Becker, presently Professor of Animal Nutrition, as Head of the Department of Animal Science effective July 1, 1967, at an annual salary of \$21,000 on a twelve months' service basis, divided: \$19,300 as Professor of Animal Science on indefinite tenure and \$1,700 as Head of the Department.

Professor Becker will succeed Professor Robert O. Nesheim who resigned on January 31, 1967, to become Associate Director of Research at the Quaker Oats Company in Barrington, Illinois.

This appointment was made with the advice of a special search committee¹ and after consultation with the Department's Executive Committee. The Executive Vice-President and Provost concurs in the recommendation.

I have approved this appointment and request confirmation of my action.

On motion of Mr. Hughes, this appointment was approved.

HEADSHIP OF DEPARTMENT OF VETERINARY PATHOLOGY AND HYGIENE, URBANA

(13) The Dean of the College of Veterinary Medicine recommends the appointment of Dr. Lyle E. Hanson as Professor of Veterinary Pathology and Hygiene, in the College of Veterinary Medicine, and of Veterinary Research, in the College of Agriculture, on indefinite tenure, and as Head of the Department of Veterinary Pathology and Hygiene beginning September 1, 1967, at an annual salary of \$20,500 on a twelve months' service basis, divided: \$19,100 as Professor of Veterinary Pathology and Hygiene and \$1,400 as Head of the Department.

Professor Hanson will succeed Professor J. O. Alberts who has asked to be relieved of this administrative assignment.

The nomination of Professor Hanson was made with the advice of a search committee² after consultation with members of the Department of professional rank, and is supported by the Executive Vice-President and Provost and the Dean of the Graduate College.

I recommend approval.

On motion of Mr. Swain, this appointment was approved.

CHAIRMANSHIP OF DEPARTMENT OF HISTORY AND PHILOSOPHY OF EDUCATION, URBANA

(14) The Dean of the College of Education recommends the appointment of Dr. B. Othanel Smith as Professor of Philosophy of Education on indefinite tenure and as Chairman of the Department of History and Philosophy of Education for two years beginning September 1, 1967, at an annual salary of \$22,500 on a nine months' service basis (\$21,500 as Professor and \$1,000 as Chairman of the Department).

Professor Smith has been serving as Acting Chairman of the Department since September 1, 1966, when Professor John R. Palmer resigned as Chairman to accept a position at the University of Wisconsin.

This appointment is recommended by the Executive Committees of the Department and of the College and is supported by the Executive Vice-President and Provost and the Dean of the Graduate College.

I recommend approval.

On motion of Mr. Hahn, this appointment was approved.

¹ Harold M. Scott, Professor of Animal Science, *Chairman*; George R. Carlisle, Professor of Animal Science Extension; Harold H. Draper, Professor of Nutritional Biochemistry in the Department of Animal Science; Philip J. Dzuik, Associate Professor of Animal Science; Upson S. Garrigus, Professor of Animal Science; Lyle E. Hanson, Professor of Veterinary Pathology and Hygiene, College of Veterinary Medicine, and of Veterinary Research, College of Agriculture; Kenneth E. Harshbarger, Professor of Nutrition in the Department of Dairy Science and Associate Head of Department; Aldon H. Jensen, Professor of Animal Nutrition in the Department of Animal Science.

² Lloyd E. Boley, Professor of Veterinary Pathology and Hygiene and of Veterinary Clinical Medicine, Head of the Department of Veterinary Clinical Medicine, and Associate Dean of the College of Veterinary Medicine, and A. R. Twardock, Associate Professor of Veterinary Pathology and Hygiene and of Veterinary Physiology and Pharmacology, College of Veterinary Medicine, *Co-Chairmen*; Esther L. Cheatle, Associate Director of the Hospital Laboratory and Associate Professor of Pathology, College of Medicine; Richard M. Forbes, Professor of Nutritional Biochemistry in Animal Science, College of Agriculture.

**HEADSHIP OF DEPARTMENT OF ENDODONTICS
IN THE COLLEGE OF DENTISTRY**

(15) The Dean of the College of Dentistry and the Chancellor at the Medical Center recommend the appointment of Dr. Charles G. Maurice, presently on the staff, as Professor of Endodontics on indefinite tenure and Head of the Department on 70 per cent time effective September 1, 1967, at an annual salary of \$14,000 on a twelve months' service basis.

Professor Maurice has been serving as Acting Head of the Department since September, 1966.

This appointment was made with the advice of a search committee¹ and after consultation with members of the Department of professorial rank. The Executive Vice-President and Provost and the Dean of the Graduate College concur in this recommendation.

I recommend approval.

On motion of Mr. Swain, this appointment was approved.

**HEADSHIP OF DEPARTMENT OF PERIODONTICS
IN THE COLLEGE OF DENTISTRY**

(16) The Dean of the College of Dentistry and the Chancellor at the Medical Center recommend the appointment of Dr. Bennett Klavan, presently on the staff, as Associate Professor of Periodontics on indefinite tenure and Head of the Department on 70 per cent time effective September 1, 1967, at an annual salary of \$12,300 on a twelve months' service basis.

Professor Klavan has been serving as Acting Head of the Department since September, 1966.

This appointment was made with the advice of a search committee² and after consultation with members of the Department of professorial rank. The Executive Vice-President and Provost and the Dean of the Graduate College concur in the recommendation.

I recommend approval.

On motion of Mr. Hahn, this appointment was approved.

**AFFILIATION WITH THE ADLAI E. STEVENSON INSTITUTE
OF INTERNATIONAL AFFAIRS**

(17) The Adlai E. Stevenson Institute of International Affairs, founded in February, 1967, "to contribute to the quality of decision making on matters of urgent public policy throughout the world," is organizing a Consortium of Universities to "serve as a vital and constructive force in matters of public policy," particularly through support of a fellowship program. The University of Illinois has been invited to join the Consortium, which will include some twenty institutions.

The Institute, autonomous but housed on the campus of the University of Chicago, will bring together scholars, businessmen, men of public affairs, and professional personnel to think through the details of major international issues and to evolve ideas for action. It will undertake three programs simultaneously: (1) a program for designing practical steps toward the solution of a few carefully-selected problems of international public policy; (2) public-policy studies on selected issues, each conducted by one or more Institute fellows, with stimulation and criticism from an appointed advisory group; and (3) a fellowship program.

The fellowship plan is the heart of the current Institute effort. It will bring together, both from at home and abroad, experienced statesmen, administrators, scholars, businessmen, and journalists, mostly in mid-career. There will normally be twenty-five such fellows each year. Among the ten already chosen for 1967-68, two are former ambassadors and one a deputy prime minister; and there are others from government and university posts. These senior fellows will conduct the policy studies, meet with special citizen and professional groups brought together by the Institute, and lecture at the Consortium universities.

¹ John Spence, Professor of Operative Dentistry and Assistant Dean for Dental Clinics, *Chairman*; Axel G. Anderson, Clinical Professor of Surgery, College of Medicine, and of Oral and Maxillofacial Surgery, College of Dentistry, and Head of the Department of Oral Surgery; Robert Underwood, Professor of Prosthodontics and Head of the Department.

² Donald L. McElroy, Professor of Oral Diagnosis and Acting Head of the Department, *Chairman*; Earl W. Renfro, Professor of Orthodontics and Head of the Department; Henry M. Rosenberg, Professor of Radiology and Head of the Department, College of Dentistry.

The membership fee for the University of Illinois would be \$12,500 for the first year, when a full complement of fellows will not be available, and \$25,000 thereafter. However, it is contemplated that after a few years the Institute will be able to reduce or eliminate this kind of support without curtailing the service to the universities. Membership is on an annual basis, subject to annual evaluation.

The advantages to the University of Illinois would include the availability of fellows to conduct seminars or give lectures (each one to appear at least once yearly). This arrangement would be of assistance to all three campuses. Further, University of Illinois representatives would be invited to participate in the conferences held by the Institute. Perhaps still more important for the University, however, is that this association with the Adlai E. Stevenson Institute would indicate the University's identification with the objectives of the Institute and assure participation in further discussion of how the evolving relationship between the Institute and cooperating universities could be made even more productive.

I recommend that the Board of Trustees formally approve participation of the University of Illinois in this program and that the officers of the University be authorized to take such steps as may be necessary to provide for its representation in the Consortium.

On motion of Mr. Pogue, this recommendation was approved.

**DOCTOR OF PHILOSOPHY DEGREES IN CHEMISTRY, HISTORY,
MATHEMATICS, AND PHILOSOPHY, CHICAGO CIRCLE**

(18) Graduate study leading to the master's degree in fourteen curricular fields is scheduled to begin in September, 1967, at the Chicago Circle campus. By September, 1968, many of these students will have fulfilled requirements for the master's degree and will wish to undertake advanced work toward the Ph.D. degree. If students in any of these fields are to continue their studies at Chicago Circle, approved doctoral programs should be announced as early as possible during the coming academic year.

Doctoral study at Chicago Circle would serve several important purposes: (a) help to meet the growing shortage of college teachers (Illinois is below the national average in proportionate production of graduate degrees); (b) supply junior academic staff to assist senior faculty in teaching the rapidly-expanding enrollment; (c) provide opportunities for advanced graduate study in a public university to students in the Chicago area; (d) facilitate the addition and retention of high-quality faculty and thus enhance the University's capability for contributing to the intellectual, economic, and cultural development of the Chicago metropolitan area; (e) make the Chicago Circle campus eligible for participation in many federal programs and for other financial support not available to institutions without doctoral studies.

For these reasons, and in view of the additional space and other resources expected by September, 1968, the Chancellor at the Chicago Circle campus and the Dean of the Graduate College have recommended the establishment by that date of programs leading to the degree of Doctor of Philosophy in the following fields: chemistry, history, mathematics, and philosophy. Statements of the conditions of admission to these programs and the general requirements for the Doctor of Philosophy degree are being filed with the Secretary of the Board for record.

The fields were selected from among a larger number of proposals by a special committee of the Graduate College consisting of graduate faculty members from all three campuses — with the Dean as chairman. Eligibility for the initiation of doctoral study was judged in terms of several criteria, including: strength of faculty (e.g., number of members granted full standing in the faculty of the Graduate College); the proposed content and organization of the curriculum; library resources; space, equipment, and other facilities.

The enrollment projections for these programs, the estimates of operating funds, and the space requirements have been reviewed by the Executive Vice-President and Provost and found to be acceptable in terms of existing resources, plus those to be provided by the University's 1967-69 budgets for operations and for capital improvements. He recommends approval, subject to further action by the Illinois Board of Higher Education.

I concur.

On motion of Mr. Swain, this recommendation was approved.

RECOMMENDATIONS FROM THE URBANA-CHAMPAIGN SENATE

(19) The Urbana-Champaign Senate has approved two recommendations for proposals which are being reported to the Board of Trustees for record. The Senate Coordinating Council has indicated that no other Senate jurisdiction is involved.

1. *Combined Sciences and Letters-Education Program for Mathematics Teachers*

This program, proposed by the College of Liberal Arts and Sciences, for students in the Sciences and Letters curriculum (leading to the Degree of Bachelor of Arts or Bachelor of Science) would provide an opportunity for such students to meet state certification requirements for teaching mathematics at the secondary school level and to complete a degree with a major in mathematics. A student graduating from this program would be qualified to teach at the secondary school level in addition to being prepared to begin a graduate program in mathematics without deficiencies.

It is presently possible for students in the Sciences and Letters curriculum to meet the requirements of a teacher certification program, and some students avail themselves of the opportunity. Nevertheless, the catalog gives no specific content for such a curriculum and, hence, no guidelines which assure a student that he will meet all requirements without spending an additional semester in order to do so.

A supporting statement containing the details of this proposal as they will appear in the *Undergraduate Study* catalog is being filed with the Secretary for record.

2. *Pass-Fail Option for Undergraduate Students*

In 1965-66 the Urbana-Champaign Senate created an *ad hoc* committee to study various aspects of the grading system. A system of pass-fail grading will be initiated at the Urbana-Champaign campus for a trial period of four years beginning second semester 1967-68, or as soon thereafter as a program can be worked out with the Statistical Service Unit, Office of Admissions and Records, and the Committee of Assistant and Associate Deans. Under this option, eighteen semester hours would be applicable toward a degree. Pass-fail courses would not be counted toward the grade-point average, but would be included as part of the total hour load.

A supporting statement giving the details of the changes is being filed with the Secretary for record.

On motion of Mr. Hahn, these recommendations from the Urbana-Champaign Senate were confirmed.

MEDICAL SERVICE PLAN FOR THE COLLEGE OF MEDICINE AND THE RESEARCH AND EDUCATIONAL HOSPITALS

(20) The Dean of the College of Medicine and the Medical Director of the Research and Educational Hospitals, with the concurrence of the Chancellor of the Medical Center campus, recommend the establishment of a Medical Service Plan whereby medical and surgical fees will be charged by physician-faculty members of the College of Medicine.

The funds that would accrue through the voluntary assignment of professional fees by the physician-faculty members to a Medical Service Fund are to be used to strengthen the programs of the College of Medicine and the Research and Educational Hospitals.

The Seventy-fifth Illinois General Assembly has passed legislation removing the previous legal restrictions to making charges for medical and surgical services at the Research and Educational Hospitals. Professional fees will be based upon a schedule of usual and customary fees and collected in accordance with the patients' ability to pay, in much the same manner as charges for hospital services are now collected. Benefits available to patients from prepayment plans, from medical-surgical insurance, or from entitlements under government programs for third-party payments are resources that would become available for the payment of professional fees under this plan.

A copy of the Medical Service Plan for the College of Medicine and the Research and Educational Hospitals is being filed with the Secretary of the Board for record. The President of the University is authorized to approve minor modifications in the Medical Service Plan as may be required in the future.

The Executive Vice-President and Provost and the Vice-President and Comptroller endorse this plan.

I recommend approval, subject to the signing of the Act by the Governor.

On motion of Mr. Clement, this recommendation was approved.

APPROPRIATIONS FOR NONRECURRING EXPENDITURES, URBANA

(21) The Executive Vice-President and Provost and the Vice-President and Comptroller recommend the following appropriations for Urbana-Champaign from:

Urbana-Champaign General Reserve

College of Fine and Applied Arts	
Department of Art, equipment.....	\$18 400 00
Health Service	
McKinley Hospital, equipment.....	15 000 00
Renovation and remodeling for which funds are assigned to the Physical Plant Department:	
Remodeling in the Armory.....	11 920 00
Remodeling in McKinley Hospital for the installation of new equipment.....	8 910 00
<i>Total</i>	<u>\$54 230 00</u>

I concur.

On motion of Mr. Hughes, these appropriations were made by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain; no, none; absent, Mr. Jones, Governor Kerner, Dr. Weatherly.

REPORT ON CAPITAL APPROPRIATIONS (FROM GENERAL REVENUE FUND), 1967-69

(22) The Seventy-fifth General Assembly made the following appropriations from the General Revenue fund for land, buildings, and other capital improvements at the University of Illinois for the biennium 1967-69:

Buildings financed by the Illinois Building Authority.....	\$ 4 710 000 00
Land acquisition Urbana-Champaign and Chicago Circle.....	4 900 000 00
Site development and additions to general University utilities distribution system	7 500 000 00
Preliminary studies, plans, and specifications for construction of future buildings and improvements.....	1 800 000 00
Remodeling, rehabilitation, and modernization of existing buildings	4 300 000 00
Equipping buildings financed by the Illinois Building Authority....	9 000 000 00
Contingencies.....	1 696 378 00
	<u>\$33 906 378 00</u>

I recommend that the Board of Trustees appropriate these funds for the purposes indicated as the funds become available, and that authorization be given to transfer, from contingencies to individual projects, such amounts as may become necessary within the total sum appropriated.

On motion of Mr. Swain, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain; no, none; absent, Mr. Jones, Governor Kerner, Dr. Weatherly.

CONTRACT FOR FABRICATION OF ILLIAC IV AND ACQUISITION OF INPUT/OUTPUT SYSTEM

(23) On February 16, 1966, the Board of Trustees approved the prime research contract to design, fabricate, and operate the Illiac IV Computer with the Rome Air Development Center, United States Department of Defense.

On March 16, 1966, the Board of Trustees awarded the subcontracts (Study Phase) for detailed specifications and design work to three companies.

On April 19, 1967, the Board of Trustees authorized a cost-plus incentive fee contract with the Burroughs Corporation to fabricate Illiac IV at a total estimated cost, including fees, of \$14,602,986, and approved a letter contract expending funds not to exceed \$500,000 pending negotiation and execution of a definitive contract.

A definitive contract has now been negotiated. In addition to the fabrication of Illiac IV previously approved, the contract includes the acquisition of the input/output system at a cost of \$1,332,000 on a fixed price basis, the rental of a B5500

computer for use prior to delivery of the input/output system for approximately \$688,440, plus an estimated \$626,678 for interfacing the input/output system to the main frame on a cost-plus incentive fee basis. The total estimated cost of the contract is thus \$17,250,104, and the University's obligation is limited to funds available under its contract with the Department of Defense.

Subject to approval of the United States Department of Defense, the Dean of the Graduate College and the Vice-President and Comptroller recommend that a definitive contract be entered into with the Burroughs Corporation.

I concur.

On motion of Mr. Swain, this recommendation was approved.

**CONTRACTS FOR REMODELING IN THE DEPARTMENT
OF BIOLOGICAL CHEMISTRY, FIRST UNIT OF THE
DENTISTRY-MEDICINE-PHARMACY BUILDING, MEDICAL CENTER**

(24) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contracts for remodeling Rooms 315, 316, 317, 322, 324, 326 in the First Unit of the Dentistry-Medicine-Pharmacy Building at the Medical Center campus for the Department of Biological Chemistry in the College of Medicine, the award in each case being to the lowest bidder:

General — Mutual Contracting Company, Chicago.....	\$14 363 00
Plumbing — Fettes, Love & Sieben, Inc., Chicago.....	6 717 00
Heating, Air Conditioning and Process Piping — Peter H. Smith Company, Chicago	11 124 00
Ventilation — Anderson & Litwack Company, Hillside.....	858 00
Pipe Covering and Insulation — Luse-Stevenson Co., Melrose Park....	1 420 00
Electrical — Gerson Electric Construction Co., Chicago.....	5 985 00
Laboratory Equipment — J. J. Lane Equipment Co., Chicago.....	29 357 00
<i>Total</i>	<u>\$69 824 00</u>

The work provides for the rearrangement of partitions, new lighting, floor covering, air conditioning, and new laboratory equipment.

Funds for this work are available from the Medical Center Contract Research Reserve.

Submitted herewith is a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Hughes, these contracts were awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain; no, none; absent, Mr. Jones, Governor Kerner, Dr. Weatherly.

SALE OF PROPERTY

(25) On April 19, 1967, the Board of Trustees authorized the Vice-President and Comptroller to execute a contract for the sale of 37.9 acres of land in Manatee County, Florida. Accordingly, a contract with Obrig Laboratories, Inc., a Florida corporation, was executed on May 19, 1967, and Obrig Laboratories, Inc., is prepared to close this transaction no later than August 14, 1967. This property will be conveyed by Warranty Deed to Obrig Laboratories, Inc. To implement this transfer, the following resolution is necessary, and its adoption is requested by the Legal Counsel.

Resolution Authorizing Sale of 37.9 Acres in Manatee County, Florida

WHEREAS, Obrig Laboratories, Inc., a Florida corporation, has offered to purchase the hereinafter described property from The Board of Trustees of the University of Illinois;

Be It, and It Hereby Is, Resolved, by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and Secretary of this corporation, be, and they hereby are, authorized and directed to execute, acknowledge, and deliver in the name of and in behalf of this corporation, and under its corporate seal, a Warranty Deed and such other document or documents as to them may seem necessary or desirable in order to convey to Obrig Laboratories, Inc., title to the real property hereinafter described, viz:

The NE $\frac{1}{4}$ of the NW $\frac{1}{4}$ of Section 30, Township 35 S, R 18 E less the

E 50 feet thereof deeded to Manatee County, Florida, consisting of 37.9 acres more or less, situated in the County of Manatee, in the State of Florida; subject to existing right-of-way of Seaboard Railroad and easements of record.

On motion of Mr. Grimes, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain; no, none; absent, Mr. Jones, Governor Kerner, Dr. Weatherly.

INCREASE IN CONTRACT FOR CONSTRUCTION OF CHICAGO CIRCLE CAMPUS, PHASE II — ADDITION TO THE LIBRARY

(26) The Director of the Physical Plant and the Vice-President and Comptroller recommend that the Illinois Building Authority be requested to authorize an increase of \$17,944 in the contract with the Gust K. Newberg Construction Co., Chicago, for the construction of Chicago Circle Campus, Phase II. The work will include the provision of a photographic darkroom, stockroom, and related facilities in the Library.

Funds are available in the project budget for this work.

I concur.

On motion of Mr. Grimes, this recommendation was approved.

INCREASE IN CONTRACT FOR CONSTRUCTION OF CHICAGO CIRCLE CAMPUS, PHASE II — REMODELING IN SCIENCE AND ENGINEERING LABORATORIES ADDITION

(27) The Director of the Physical Plant and the Vice-President and Comptroller recommend that the Illinois Building Authority be requested to authorize an increase of \$15,453.72 in the contract with the Gust K. Newberg Construction Co., Chicago, for the construction of Chicago Circle Campus, Phase II. The increase will provide for additional ventilation and cooling to computer areas in the Science and Engineering Laboratories Addition.

Funds are available in the project budget for this work.

I concur.

On motion of Mr. Swain, this recommendation was approved.

REVISION IN ARCHITECTURAL FEES ON CONSTRUCTION CONTRACTS

(28) The Board of Trustees has approved (April 19, 1967, and February 9, 1967) contracts for architectural services with fees based on percentages of actual construction costs.

<i>Firm</i>	<i>Project</i>	<i>Per-centage Fees</i>	<i>Budgeted Construction Costs</i>
<i>Chicago Circle Campus</i>			
Harry Weese & Associates, Chicago.....	Education Center	5½ per cent	\$5 559 728 00
<i>Medical Center Campus</i>			
Graham, Anderson, Probst & White, Chicago.....	College of Dentistry Building	5½ per cent	8 517 465 00
Skidmore, Owings & Merrill, Chicago.....	Medical Research Laboratory Addition	6 per cent	2 832 833 00
Loebl, Schlossman, Bennett & Dart, Chicago.....	Office Building	5½ per cent	2 811 820 00
<i>Urbana-Champaign Campus</i>			
Holabird & Root, Chicago...	Foreign Languages Building	6 per cent	4 717 450 00
Lankton, Ziegele, Terry & Associates, Inc., Peoria....	Library Fifth Stack Addition	5 per cent	1 441 750 00
Richardson, Severns, Scheeler & Associates, Inc., Champaign.....	Music Building	5½ per cent	3 545 500 00

All of the above contracts will be assigned to, or executed directly by, the Illinois Building Authority. The latter requires that the fees be based on the estimated, instead of the actual, costs of construction. Accordingly, to comply with the policy of the Illinois Building Authority, the Vice-President and Comptroller and the Director of the Physical Plant recommend that actions of the Board relating to these projects be amended to authorize the architects' fees in each case to be the above percentages applied to the estimated construction costs.

It is also recommended that authorization be given for the assignment to the Illinois Building Authority of those of the above architectural contracts which are executed by the University.

I concur.

On motion of Mr. Grimes, these recommendations were approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain; no, none; absent, Mr. Jones, Governor Kerner, Dr. Weatherly.

EMPLOYMENT OF ARCHITECTS, CHICAGO CIRCLE

(29) The Director of the Physical Plant and the Vice-President and Comptroller recommend the employment of Samuel Arthur Lichtmann, Chicago, for complete architectural services for miscellaneous remodeling projects at the Chicago Circle campus. The projects are to be undertaken during the 1967-69 biennium at a fee of 8 per cent of construction costs, plus reimbursement for the actual cost of a Clerk of the Works.

Payments for these services will be made from funds budgeted for each project assigned to the architect.

The Advisory Committee on the Selection of Architects and Engineers concurs in this recommendation.

I concur.

On motion of Mr. Hughes, this recommendation was approved.

EMPLOYMENT OF ENGINEERS FOR ILLINOIS-WILLARD AIRPORT

(30) The Vice-President and Comptroller and the Director of the Institute of Aviation recommend the employment of J. M. Audd & Associates, Springfield, for engineering services for design and preparation of plans and specifications in connection with the construction project for the extension of the Instrument Runway, University of Illinois-Willard Airport, at a fee based on Schedule B of the "Manual of Practice for Professional Engineers in Private Practice" (Manual III) as approved and published by the Illinois Society of Professional Engineers.

Funds are temporarily available from the Airport Operations for authorization to the engineers until permanent financing is obtained from a grant to be offered by the Federal Aviation Administration. The appointment of engineers is necessary at this time in order to gain maximum working time through the fall. Upon completion of the present runway extension construction at Decatur, the University Airport will be the only airport on this segment of the Ozark Air Lines which can not handle the DC-9 type aircraft.

I concur.

On motion of Mr. Pogue, this recommendation was approved.

PUBLICITY SERVICES FOR ASSEMBLY HALL

(31) The Director of Auxiliary Services and the Vice-President and Comptroller recommend continuation of the services of Herbert J. Dotten, Promotional Manager, Park Forest, Illinois, for preparation of promotional material and for professional counsel for programs in the Assembly Hall during the period August 21, 1967, through May 20, 1968, at the rate of \$1,300 per month.

The costs of these services will be charged to the operating budget of the Assembly Hall.

I concur.

On motion of Mr. Grimes, this recommendation was approved.

AGREEMENT WITH ONG AIRCRAFT CORPORATION

(32) The Director of the Institute of Aviation and the Vice-President and Comptroller recommend approval of an agreement with the Ong Aircraft Corporation,

Kansas City, Missouri, for the use of the University of Illinois-Willard Airport for two years, effective July 1, 1967, on the following terms:

1. Landing fees for each regular schedule or for each charter which actually uses the Airport:
 - July 1, 1967-June 30, 1968 — eight cents per 1,000 pounds gross take-off weight
 - July 1, 1968-June 30, 1969 — eight and one-half cents per 1,000 pounds gross take-off weight
2. Rental of office space at \$4.00 per square foot per year (a total of 217 square feet is assigned to Ong, for an annual rental of \$868). Basement storage space will be available in such amounts as may be desired at \$1.00 per square foot per year.
3. Use of the loud speaker system at a rental of \$10.00 a month.

I concur.

On motion of Mr. Swain, this recommendation was approved.

**AMENDMENT OF ORIGINAL AGREEMENT AND NEW AGREEMENT
WITH FEDERAL AVIATION ADMINISTRATION
FOR ACQUISITION OF LAND**

(33) The Board of Trustees on February 19, 1964, approved the acceptance of a grant from the Federal Aviation Administration (then "Agency") in the amount of \$92,443 for the purchase of land and airport improvements. The State Department of Aeronautics agreed to pay the matching costs of these improvements.

The Federal Aviation Administration and the State Department of Aeronautics request for administrative reasons that the grant be amended to delete reference to the acquisition of certain land areas and to reduce the amount of the grant by \$22,500. These land areas and the related cost of \$22,500 are incorporated in a new grant offered by Federal Aviation Administration in the amount of \$70,694. The new grant offered will reimburse the University for costs already incurred in acquiring certain designated land.

The State Department of Aeronautics has agreed to pay the matching costs of the land to the extent of \$58,000.

An Approach Lighting System will be erected at no cost to the University on the land acquired.

The Director of the Institute of Aviation and the Vice-President and Comptroller recommend acceptance of the amendment to the original grant and acceptance of the new grant.

I concur and recommend adoption of the following two resolutions.

**Resolution Authorizing Acceptance and Execution of First Amendment to
Grant Agreement Between the United States and the Board of Trustees
of the University of Illinois, Champaign-Urbana, Illinois**

WHEREAS, the Administrator of the Federal Aviation Administration, pursuant to request from The Board of Trustees of the University of Illinois, Champaign-Urbana, Illinois, and in order to advance the interests of the United States in civil aviation, has tendered a First Amendment to the Grant Agreement executed by and between the Administrator of the Federal Aviation Administration, acting for and on behalf of the United States, and The Board of Trustees of the University of Illinois, Champaign-Urbana, Illinois, on February 27, 1964, covering a project on the University of Illinois-Willard Airport, FAA Project 9-11-026-C404; and

WHEREAS, it is necessary that said First Amendment to Grant Agreement be duly and formally accepted by The Board of Trustees of the University of Illinois, Champaign-Urbana, Illinois; and

WHEREAS, the said First Amendment to Grant Agreement is in the words, figures and form following:

FIRST AMENDMENT TO GRANT AGREEMENT

University of Illinois-Willard Airport
Champaign-Urbana, Illinois
Project No. 9-11-026-C404
Contract Serial No. FA-CE-2919

WHEREAS, the Federal Aviation Administration (hereinafter called the "FAA"), has determined that, in the interest of the United States of America, the Grant

Agreement relating to the above-identified project between the Federal Aviation Agency (predecessor in authority and responsibility to the said Federal Aviation Administration), acting for and on behalf of the United States of America, and The Board of Trustees of the University of Illinois, and the State of Illinois, Department of Aeronautics, as Co-Sponsors, accepted by the said Co-Sponsors on February 26, 1964 and February 27, 1964, respectively, should be amended as hereinafter provided, and

WHEREAS, it has been determined necessary to revise the description of the development to be accomplished under this project so as to delete therefrom the acquisition of Areas R, S and T and Tracts 1, 2, 3 and 4, inasmuch as reimbursement for the incurred acquisition costs relating to Areas R, S and T, and Tracts 1, 2 and 3 comprises Project No. 9-11-026-C705, on which a Grant Offer is being issued and accepted concurrently with the issuance and execution of this First Amendment, and Tract 4 will be acquired under a successive project.

NOW, THEREFORE, WITNESSETH :

In consideration of the benefits to accrue to the parties hereto, the FAA, acting for and on behalf of the United States of America, as party of the First Part, and the Co-Sponsors, The Board of Trustees of the University of Illinois and the State of Illinois, Department of Aeronautics, as Parties of the Second Part, do hereby mutually agree that the Grant Agreement on Project No. 9-11-026-C404 be and the same hereby is amended by :

1. The deletion in its entirety of the description contained on Page 1 of Part I— Offer and the substitution in lieu thereof the following:
"Reimburse for N and S clear zone acquisition; install high-intensity lighting system of NW/SE runway; install instrument runway marking on NW/SE runway; install perimeter fencing on ALS site; remove obstructions."
2. The deletion in numbered Paragraph 1 appearing on Page 2 of Part I— Offer of the monetary amount, "\$2,443.00", and substitution therefor of the monetary amount, "\$69,943.00".
3. The deletion in its entirety of numbered Paragraph 14 appearing on Page 6 of Part I— Offer and renumbering of the succeeding paragraphs as "14", "15", "16" and "17", respectively.

IN WITNESS WHEREOF the parties have caused this First Amendment to Grant Agreement to be executed as of the 28 day of June, in the year 1967.

CERTIFICATE OF CO-SPONSOR'S ATTORNEY

I, _____, acting as Attorney for The Board of Trustees of the University of Illinois (hereinafter called "Co-Sponsor") do hereby certify:

That I have examined the foregoing First Amendment to Grant Agreement and the proceedings taken by the Co-Sponsor, The Board of Trustees of the University of Illinois, relating thereto and find that the execution thereof for and on behalf of the said Co-Sponsor has been duly ratified and adopted, and that the execution thereof is in all respects due and proper and in accordance with the laws of the State of Illinois, and further, in my opinion, that the said First Amendment to Grant Agreement constitutes a legal and binding obligation of the said Co-Sponsor in accordance with the terms thereof.

Dated at _____, this _____ day of _____, 1967.

CERTIFICATE OF CO-SPONSOR'S ATTORNEY

I, _____, acting for the State of Illinois, Department of Aeronautics (hereinafter called "Co-Sponsor") do hereby certify:

That I have examined the foregoing First Amendment to Grant Agreement and the proceedings taken by the State of Illinois, Department of Aeronautics relating thereto and find that the execution thereof for and on behalf of the said Co-Sponsor has been duly authorized, and that the execution thereof is in all respects due and proper and in accordance with the laws of the State of Illinois, and further, in my opinion that the said First Amendment to Grant Agreement constitutes a legal and binding obligation of the said Co-Sponsor in accordance with the terms thereof.

Dated at _____, this _____ day of _____, 1967.

(Title) _____

Now, Therefore, in consideration of the benefits to be derived therefrom, *Be It, and It Is Hereby Resolved by The Board of Trustees of the University of Illinois, Champaign-Urbana, Illinois*, as follows:

1. That The Board of Trustees of the University of Illinois, Champaign-Urbana, Illinois, accepts, and it does hereby accept, the First Amendment to the original Grant Agreement tendered to it by the Administrator of the Federal Aviation Administration, acting for and in behalf of the United States, in the words, figures and form as hereinabove set forth, to be duly executed in its name and for and in its behalf.
2. That to accomplish the foregoing, H. O. Farber, Comptroller, be and he is hereby authorized and directed to execute for and in behalf of The Board of Trustees of the University of Illinois, Champaign-Urbana, Illinois, the said First Amendment to the Grant Agreement, and that E. W. Porter, Secretary, be and he is hereby authorized and directed to attest said execution and to impress thereon the Official Seal of The Board of Trustees of the University of Illinois, Champaign-Urbana, Illinois.

On motion of Mr. Swain, the foregoing resolution was adopted.

Resolution Accepting, Adopting, and Authorizing Execution of Acceptance of Grant Offer of the Administrator of the Federal Aviation Administration Constituting Grant Agreement Between the United States and The Board of Trustees of the University of Illinois

WHEREAS, the Administrator of the Federal Aviation Administration, for and in behalf of the United States, has extended to The Board of Trustees of the University of Illinois, a formal Grant Offer dated June 28, 1967, pursuant to the Project Application of The Board of Trustees of the University of Illinois, submitted to the Federal Aviation Administration dated April 21, 1967, all as hereinbelow set forth, and all relating to the development of the University of Illinois-Willard Airport, the same bearing FAA Project No. 9-11-026-C705; and

WHEREAS, pursuant to and for the purposes of carrying out the provisions of the Federal Airport Act (60 Stat. 170; Public Law 377, 79th Congress), it is necessary that said Grant Offer be duly and formally accepted by The Board of Trustees of the University of Illinois; and

WHEREAS, such Grant Offer and such Acceptance thereof, duly executed, together shall constitute the Grant Agreement between The Board of Trustees of the University of Illinois and the United States relating to said airport-development project; and

WHEREAS, the said Grant Offer is in the words, figures and form following :

FEDERAL AVIATION ADMINISTRATION

GRANT AGREEMENT

Part I-Offer

Date of Offer June 28, 1967
 University of Illinois-Willard Airport
 Project No. 9-11-026-C705
 Contract No. FA-67-CE-4822

TO: The Board of Trustees of the University of Illinois and State of Illinois, Department (herein referred to as the "Sponsor") of Aeronautics (Co-Sponsors)
 FROM: The United States of America (acting through the Federal Aviation Agency, herein referred to as the "FAA")

WHEREAS, the Sponsor has submitted to the FAA a Project Application dated April 21, 1967, for a grant of Federal funds for a project for development of the University of Illinois-Willard Airport (herein called the "Airport"), together with plans and specifications for such project, which Project Application, as approved by the FAA is hereby incorporated herein and made a part hereof; and

WHEREAS, the FAA has approved a project for development of the Airport (herein called the "Project") consisting of the following-described airport development :

"Reimburse for acquisition of Parcels 1, 2 and 3 and Areas R, S and T."

all as more particularly described in the property map and plans and specifications incorporated in the said Project Application;

NOW THEREFORE, pursuant to and for the purpose of carrying out the provisions of the Federal Airport Act, as amended (49 U.S.C. 1101), and in consideration of (a) the Sponsor's adoption and ratification of the representations and assurances contained in said Project Application, and its acceptance of this Offer as hereinafter provided, and (b) the benefits to accrue to the United States and the public from the accomplishment of the Project and the operation and maintenance of the Airport as herein provided, THE FEDERAL AVIATION AGENCY, FOR AND ON BEHALF OF THE UNITED STATES, HEREBY OFFERS AND AGREES to pay, as the United States share of the allowable costs incurred in accomplishing the Project, 50 percentum of the costs of acquisition relating to Parcels 1, 2 and 3 (comprising the offsite portion of the SE instrument clear zone and which, with respect to ownership and purchase units, include Areas R, S and T below referred to) PROVIDED, HOWEVER, that the United States' share of the allowable costs of acquisition allocable to Areas R, S and T (comprising the site for the ALS) shall be 75 percentum of the costs thereof.

This Offer is made on and subject to the following terms and conditions :

1. The maximum obligation of the United States payable under this Offer shall be \$70,694.00
2. The Sponsor has completed accomplishment of the land acquisition to which this project relates. The Sponsor shall :
 - (a) carry out and complete the Project without undue delay and in accordance with the terms hereof, the Federal Airport Act, and Sections 151.45-151.55 of the Regulations of the Federal Aviation Agency (14 CFR 151) in effect as of the date of acceptance of this Offer; which Regulations are hereinafter referred to as the "Regulations";
 - (b) carry out and complete the Project in accordance with the plans and specifications and property map, incorporated herein, as they may be revised or modified with the approval of the FAA.
3. The allowable costs of the project shall not include any costs determined by the FAA to be ineligible for consideration as to allowability under Section 151.41 (b) of the Regulations.
4. Payment of the United States share of the allowable project costs will be made pursuant to and in accordance with the provisions of Sections 151.57-151.63 of

- the Regulations. Final determination as to the allowability of the costs of the project will be made at the time of the final grant payment pursuant to Section 151.63 of the Regulations: *Provided*, that, in the event a semi-final grant payment is made pursuant to Section 151.63 of the Regulations, final determination as to the allowability of those costs to which such semi-final payment relates will be made at the time of such semi-final payment.
5. The Sponsor shall operate and maintain the airport as provided in the Project Application incorporated herein and specifically covenants and agrees, in accordance with its Assurance 4 in Part III of said Project Application, that in its operation and the operation of all facilities thereof, neither it nor any person or organization occupying space or facilities thereon will discriminate against any person or class of persons by reason of race, color, creed or national origin in the use of any of the facilities provided for the public on the airport.
 6. The FAA reserves the right to amend or withdraw this Offer at any time prior to its acceptance by the Sponsor.
 7. This Offer shall expire and the United States shall not be obligated to pay any part of the costs of the Project unless this Offer has been accepted by the Sponsor on or before June 30, 1967 or such subsequent date as may be prescribed in writing by the FAA.
 8. In addition the Sponsor shall:
 - (a) Incorporate or cause to be incorporated in each contract for construction work under the project, or any modification thereof, the equal opportunity clause as set forth in Section 202 of Executive Order No. 11246 of September 24, 1965, or such modification thereof as may be approved by the Secretary of Labor.
 - (b) Incorporate or cause to be incorporated in each bid or proposal form submitted by prospective contractors for construction work under the project the provisions prescribed by Section 151.54 (d) (1), Part 151, Federal Aviation Regulations.
 - (c) Be bound by said equal opportunity clause in any construction work under the project which it performs itself other than through its own permanent work force directly employed or through the permanent work force directly employed by another agency of government.
 - (d) Cooperate actively with the FAA and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor.
 - (e) Furnish the FAA and the Secretary of Labor such information as they may require for the supervision of such compliance and will otherwise assist the FAA in the discharge of its primary responsibility for securing compliance.
 - (f) Refrain from entering into any contract or contract modification subject to Executive Order No. 11246 with a contractor debarred from, or who has not demonstrated eligibility for, government contracts and Federally assisted construction contracts pursuant to Part II, Subpart D of Executive Order No. 11246.
 - (g) Carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the FAA and the Secretary of Labor pursuant to Part II, Subpart D of Executive Order No. 11246; and in the event that the sponsor fails or refuses to comply with its undertakings, the FAA may cancel, terminate or suspend in whole or in part any contractual arrangement it may have with the sponsor, may refrain from extending any further assistance under any of its programs subject to Executive Order 11246 until satisfactory assurance of future compliance has been received from such applicant, or may refer the case to the Department of Justice for appropriate legal proceedings.
 9. It is understood and agreed that each contract awarded for construction work under this project is subject to the provisions of the Work Hours Act of 1962, Public Law 87-581. It is further understood and agreed that each such contract will contain stipulations requiring the contractor or subcontractor to pay wages to all laborers and mechanics employed on the work in conformance with the provisions of the Act and that the Sponsor may withhold or cause to be with-

held from the contractor or subcontractor so much of the accrued payments as may be considered necessary to pay laborers and mechanics employed by any such contractor or subcontractor on the work the full amount of wages required by the contract and such sums as may administratively be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for liquidated damages as provided by the Act. It is also understood and agreed that, in the event of failure of any contractor or subcontractor to pay any laborer or mechanic employed or working on the site of the work all or part of the wages required by the contract, the FAA may, after written notice to the Sponsor, withhold from the Sponsor so much of the accrued payments or advances representing unpaid wages and liquidated damages.

10. The Sponsor hereby covenants and agrees that its financial records of the project, established, maintained and made available to personnel of the FAA in conformity to Section 151.55 of the Regulations of the Federal Aviation Agency (14 CFR 151) will also be available to representatives of the Comptroller General of the United States.
11. By its acceptance of this Grant Offer the Sponsor agrees that insofar as is within its powers and to the extent reasonable, the Sponsor will take action to restrict the use of land adjacent to or in the immediate vicinity of the airport to activities and purposes compatible with normal airport operations, including landing and take-off of aircraft, in furtherance of its undertaking as set forth in Paragraph 13 of Part III — Sponsor's Assurances of the aforesaid Project Application.
12. By its acceptance hereof, the Sponsor hereby covenants that to the extent it has or may have either present or future control over each area identified on the Exhibit "A" as "clear zone", and unless exceptions to or deviations from the following obligations have been granted to the Sponsor in writing by the FAA, it will clear said area or areas of any existing structure or any natural growth which constitutes an obstruction to air navigation within the standards established by Section 77.23 as applied to Section 77.27, Part 77 of the Federal Aviation Regulations; and the Sponsor further covenants that it will control the subsequent erection of structures and control natural growth to the extent necessary to prevent the creation of obstructions within said standards.
13. The Sponsor hereby further covenants that it will not permit any permanent-type structures, other than structures required for aids to air navigation and such other structures as may be specifically excepted in writing by the FAA, to be erected on, and that it will cause any existing structures to be removed from, each area identified on the Exhibit "A" as "clear zone" or any portions thereof, concerning which the Sponsor has acquired a fee interest with Federal financial assistance, irrespective of whether such structures constitute an obstruction to air navigation. The Sponsor hereby further covenants that, to the extent the land concerned is presently or hereafter owned or controlled by the Authority, it will not cause or permit any structure or object of natural growth to extend above the plane of the light path within the area comprising the site of any Approach Light System serving the aforesaid airport (an ALS site being an area extending 3200 feet outward from the approach end of the runway served and 400 feet in width located symmetrically about the projected runway centerline).
14. It is hereby understood and agreed by and between the parties hereto that Paragraph 7 of Part III — Sponsor's Assurances of the aforesaid Project Application shall be considered to be amended by deletion of the words "Section A of FAA Technical Standard Order No. N18 or Advisory Circular (AC) No. 150/5300.1, whichever is applicable according to the currently approved Airport Layout Plan", and by substitution therefor of the following: "Section 77.23 as applied to Section 77.27, Part 77 of the Federal Aviation Regulations."
15. "Notwithstanding the provision of Paragraph 3, Part III, of the Project Application, the Sponsor covenants and agrees that it will not grant or permit any exclusive right forbidden by Section 308(a) of the Federal Aviation Act of 1958 (49 U.S.C. 1349) at the airport, or at any other airport now or hereafter owned or controlled by it. In furtherance of the policy of the FAA under this covenant, the Sponsor agrees that, unless authorized by the Administrator, it will not, either directly or indirectly, grant or permit any person, firm, or corporation the exclusive right at the airport or at any other airport now or here-

- after owned or controlled by it, to conduct any aeronautical activities, including, but not limited to, charter flights, pilot training, aircraft rental and sightseeing, aerial photography, crop dusting, aerial advertising and surveying, air carrier operations, aircraft sales and services, sale of aviation petroleum products whether or not conducted in conjunction with other aeronautical activity, repair and maintenance of aircraft, sale of aircraft parts, and any other activities which because of their relationship to the operation of aircraft can be regarded as an aeronautical activity. The Sponsor further agrees that it will terminate any such exclusive right (including any exclusive right to engage in the sale of gasoline or oil, or both) now existing at the airport, or at any other airport now or hereafter owned or controlled by it, at the earliest renewal, cancellation, or expiration date applicable to the agreement that established the exclusive right, and certifies that there is no exclusive right not subject to termination under this provision."
16. It is understood and agreed that the terms "Administrator of the Federal Aviation Agency", "Administrator", "Federal Aviation Agency" or FAA wherever they appear in this Agreement, in the aforesaid Project Application, plans and specifications or other documents constituting a part of this Agreement shall be deemed to mean the Federal Aviation Administrator or the Federal Aviation Administration, as the case may be.
 17. The FAA in tendering this Grant Offer on behalf of the United States recognizes the existence of an agency relationship between The Board of Trustees of the University of Illinois, as principal, and the State of Illinois, Department of Aeronautics, as agent, created by the Agency and Participation Agreement, executed for and on behalf of the said Board of Trustees on April 21, 1967 and for and on behalf of the said Department on May 8, 1967. It is understood and agreed that the said Agency and Participation Agreement will not be amended, modified or terminated without the prior approval in writing of the FAA.
 18. The Federal Government does not now plan or contemplate the construction on this airport, in addition to the existing Air Traffic Control Tower, of any structure for any of the activities set forth in Paragraph 9 of Part III — Sponsor's Assurances of the aforesaid Project Application, and, therefore, the Board of Trustees of the University of Illinois is under no obligation under this Grant Agreement to furnish site areas or rights in buildings for the Federal construction of space for such facilities. However, nothing herein contained shall be construed as altering or changing the rights of the Federal Government and/or the obligation of the said Sponsor to furnish rent-free the space established by the terms of the Grant Agreement, Project No. 9-11-026-6003 for Air Traffic Control Tower and related activities.

The Sponsor's acceptance of this Offer and ratification and adoption of the Project Application incorporated herein shall be evidenced by execution of this instrument by the Sponsor, as hereinafter provided, and said Offer and Acceptance shall comprise a Grant Agreement, as provided by the Federal Airport Act, constituting the obligations and rights of the United States and the Sponsor with respect to the accomplishment of the Project and the operation and maintenance of the Airport. Such Grant Agreement shall become effective upon the Sponsor's acceptance of this Offer and shall remain in full force and effect throughout the useful life of the facilities developed under the Project but in any event not to exceed twenty years from the date of said acceptance.

Now, Therefore, upon consideration of said Grant Offer and all of the terms, provisions, conditions, and exhibits therein and thereto, Be It, and It Is Hereby Resolved by The Board of Trustees of the University of Illinois, as follows :

- 1. That The Board of Trustees of the University of Illinois accept, and it does hereby accept the Grant Offer extended to it by the Administrator of the Federal

Aviation Administration, for and in behalf of the United States, in the words, figures and form as hereinabove set forth, and that it shall enter into a Grant Agreement with the United States by causing the Acceptance thereof, in the words, figures and form as hereinabove set forth, to be duly executed in its name and for and in its behalf.

2. That to accomplish the foregoing, H. O. Farber, Comptroller, be and he is hereby authorized and directed to execute, for and in behalf of The Board of Trustees of the University of Illinois, the said Acceptance of the said Grant Offer, and that Earl W. Porter, Secretary, be and he is hereby authorized and directed to attest said execution and to impress thereon the Official Seal of The Board of Trustees of the University of Illinois.
3. That the Project Application dated April 21, 1967, executed and submitted to the Federal Aviation Administration by The Board of Trustees of the University of Illinois, relating to FAA Project No. 9-11-026-C705, including all statements, representations, warranties, covenants, and agreements contained therein, be and the same is hereby ratified and adopted.
4. That the Agency and Participation Agreement attached thereto and by reference made a part thereof, entered into on the 21st day of April, 1967, by The Board of Trustees of the University of Illinois, and on the 8th day of May, 1967, by the State of Illinois, Department of Aeronautics, be and the same is hereby confirmed and ratified.

On motion of Mr. Swain, the foregoing resolution was adopted.

LEASE AGREEMENT WITH J. M. JONES CO., URBANA

(34) The J. M. Jones Co., Urbana, has offered to construct a hangar at the University of Illinois-Willard Airport. Upon its completion, the hangar would become the property of the University. In return, the University would be asked to lease the hangar, and the land upon which it is constructed, to the company at a nominal rental for ten years, subject to renewal for an additional five-year period.

The University's only other obligation would be to furnish utilities to the site and provide for exterior maintenance of the building. Plans and specifications will be approved by the University, and the supervising engineer at the Airport will supervise construction. No aircraft or other maintenance will be performed in the hangar without specific University approval. The improvements will increase the University's physical assets by at least \$20,000 to \$45,000.

The Director of the Institute of Aviation and the Vice-President and Comptroller recommend approval of the lease.

I concur and recommend that the Comptroller and the Secretary of the Board of Trustees be authorized to execute the lease and other necessary documents.

On motion of Mr. Grimes, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain; no, none; absent Mr. Jones, Governor Kerner, Dr. Weatherly.

LEASES WITH THE ILLINOIS BUILDING AUTHORITY FOR PROJECTS IN THE 1967-69 BIENNIUM

(35) The Seventy-fifth General Assembly declared certain buildings and projects for the University of Illinois at the Chicago Circle, Medical Center, and Urbana campuses to be in the public interest, thereby indicating the funding of these projects could be accomplished by the Illinois Building Authority.

The declaration also provides that the cost of any specific project can exceed the amount set forth so long as the aggregate amount stated therein to be financed by the Authority for the University is not exceeded.

The Illinois Building Authority Act contemplates that a transfer of jurisdiction of the property on which the projects are to be constructed will be made to the Authority, and that lease agreements between the Authority and the University will be executed, providing for the construction of specified projects by the Authority and their use by the University.

Funds for the payment of rental to the Authority during the current biennium are available from state appropriations to the University.

The Vice-President and Comptroller and the Director of the Physical Plant

recommend adoption of the following resolution authorizing the Comptroller and the Secretary of the Board of Trustees to execute and deliver the necessary leases and other documents between the University and the Illinois Building Authority to accomplish the purposes stated.

I concur.

Resolution

WHEREAS, the Illinois Building Authority, a body corporate and politic of the State of Illinois created by the General Assembly of the State of Illinois is empowered to acquire by purchase or otherwise, construct, complete, remodel, maintain, and equip any and all buildings and other facilities as the General Assembly by law declares to be in the public interest;

WHEREAS, in accordance with the Illinois Building Authority Act the 75th General Assembly of the State of Illinois has declared the following University of Illinois projects to be in the public interest :

Chicago Circle Campus

Construct Behavioral Sciences Center Building.....	\$ 10 399 300
Construct Education Center Building.....	6 781 575
Construct Physical Education Building.....	6 904 435
Construct Science and Engineering Center Building.....	18 848 300
Construct Utilities Center Addition.....	2 297 900
<i>Total — Chicago Circle Campus.....</i>	<i>\$ 45 231 510</i>

Medical Center Campus

Construct College of Nursing Office and Classroom Building.....	\$ 6 850 300
Construct College of Dentistry Building.....	10 234 000
Construct Medical Research Laboratory Addition.....	3 385 500
Construct Office Building.....	3 606 200
<i>Total — Medical Center Campus.....</i>	<i>\$ 24 076 000</i>

Champaign-Urbana Campus

Construct Small Animal Clinic Building.....	\$ 6 812 000
Construct Civil Engineering Building and Addition.....	3 528 500
Construct Foreign Languages Building.....	5 790 000
Construct Intramural-Physical Education Building.....	8 208 300
Construct Library Building Addition.....	1 836 200
Construct Music Buildings.....	4 380 000
Construct Women's Gymnasium Addition.....	1 165 400
<i>Total — Champaign-Urbana Campus.....</i>	<i>\$ 31 720 400</i>
<i>Total, The Board of Trustees of the University of Illinois.....</i>	<i>\$101 027 910</i>

WHEREAS, The Board of Trustees of the University of Illinois, a body corporate and politic of the State of Illinois, will be requested by the Illinois Building Authority to enter into leases, transfer jurisdiction of real estate and take other actions to carry out and complete the above projects in accordance with the Illinois Building Authority Act; now therefore, be it and it is hereby resolved by The Board of Trustees of the University of Illinois as follows :

Section 1. That the Illinois Building Authority be and it hereby is requested to provide the foregoing projects and facilities at the Chicago Circle campus, the Medical Center campus, and the Urbana-Champaign campus and to lease the same to the University of Illinois as provided in the Illinois Building Authority Act.

Section 2. That the Comptroller and Secretary of this Board of Trustees be, and they hereby are, authorized to execute, acknowledge, and deliver in the name and on behalf of this corporation such instruments of transfer, conveyance, lease, contract, and other documents as are necessary or appropriate in order to provide for the carrying out of the foregoing projects and facilities by the Illinois Building Authority.

On motion of Mr. Swain, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain; no, none; absent, Mr. Jones, Governor Kerner, Dr. Weatherly.

**EASEMENT TO ILLINOIS POWER COMPANY THROUGH
WEBER FARMS, LA SALLE COUNTY**

(36) The Illinois Power Company has requested a two-inch gas pipeline easement for residential service along the public roadways on Weber Farms Nos. 4 and 5 in LaSalle County. The Company will pay one dollar per rod for 320 rods for the easement, plus damages. In addition, the University will receive fifty feet of pipeline at no cost, if and when gas service is brought to the farms. The Dean of the College of Agriculture and the Vice-President and Comptroller recommend that the easement be granted and that the following resolution be adopted.

**Resolution Authorizing 2" Gas Pipeline Easement to Illinois Power Company
Through Weber Farms Nos. 4 and 5, Waltham Township,
LaSalle County, Illinois**

Be It, and It Hereby Is Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and the Secretary of this corporation be, and they hereby are, authorized to execute, acknowledge and deliver in the name and on behalf of this corporation such instruments of conveyance, contract, or other document or documents as to them may seem necessary or desirable in order to grant to Illinois Power Company, an Illinois corporation, hereinafter referred to as "Grantee", its successors and assigns, the right and easement to construct, reconstruct, operate, maintain, repair, alter, replace, move and remove a 2" gas pipeline and other equipment appurtenant thereto under, through and across the land hereinafter described and the right of ingress to and egress therefrom; the rights and easement granted to be limited to the extent that this public corporation has the present right and capacity to grant the same. Grantee shall agree to pay to this corporation One Dollar (\$1.00) per lineal rod and to pay for or repair any damage caused to property of this corporation by the construction, reconstruction, operation, maintenance, repairing, alteration, moving and removing of said gas pipeline and to indemnify this corporation and its representatives from liability in connection with Grantee's activities. The right-of-way easement shall remain in full force and effect from the date granted and for so long thereafter as said gas transportation line is continued in service and has not been abandoned or discontinued. Upon termination of the easement Grantee shall peaceably surrender possession of said premises to this corporation and full and complete title then shall remain in this corporation free and clear of said easement and without necessity of re-entry or demand. The right-of-way easement shall be over the following-described property:

The West 30 feet of that part of the West Half of the Northwest Quarter and that part of the Northwest Quarter of the Southwest Quarter of Section 27, Township 34 North, Range 2 East of the Third Principal Meridian which lies East of and contiguous to the East right of way line of a Public Road which extends in a North-South direction along the West side of said tracts; and also The East 30 feet of that part of The Northeast Quarter of the Southeast Quarter of Section 27, Township 34 North, Range 2 East of the Third Principal Meridian lying West of and contiguous to the West right of way line of a Public Road which extends in a North-South direction along the East side of said tract of land;

All situated in the County of LaSalle and State of Illinois.

On motion of Mr. Hughes, the foregoing resolution was adopted.

GIFT OF HELICOPTER TO DEPARTMENT OF AIR FORCE

(37) The Department of Air Force has been interested for many years in acquiring for museum purposes the University's Sikorsky R-4B aircraft (helicopter) Number N9765H. The aircraft is not airworthy, and the University does not intend to use it in any of its operations.

The Director of the Institute of Aviation believes the aircraft has some value as an antique, although it has no current use value. The Air Force is interested in its historical significance, since it was one of the first fifty built for the Army Air Force in 1945.

The Property Control Section, Department of Finance, State of Illinois, has authorized the donation of the helicopter to the Air Force. The Air Force has agreed to deliver the helicopter to the Air Force Museum at Wright-Patterson Air Force Base, Ohio, at no cost to the University.

The Director of the Institute of Aviation and the Vice-President and Comptroller recommend that the helicopter be donated to the Air Force Museum and that the Comptroller and the Secretary of the Board of Trustees be given authorization to execute the necessary documents to effectuate the transfer.

I concur.

On motion of Mr. Clement, these recommendations were approved.

GUY M. BECKWITH ESTATE

(38) Mr. Guy M. Beckwith of Will County, Illinois, died on January 29, 1966, and left the residue of his estate to the University of Illinois "to be used towards building a residence hall for students and said residence hall will be called Beckwith Hall or Beckwith Residence Hall, to be located at Urbana-Champaign, Illinois." Mr. Beckwith's widow has filed a renunciation of the will in the Circuit Court of Will County, Illinois, thereby becoming entitled to one-half of the estate. Subsequently, negotiations have been conducted with counsel for Mrs. Beckwith relative to the distribution of the estate.

Included are five parcels of farmland, securities, and miscellaneous items of personal property, most of which consist of livestock and grain. The value of the securities was estimated in April, 1966, to be in excess of \$227,000.

The farmland properties have been appraised by appraisers selected by the University and by Mrs. Beckwith, and have an agreed appraisal value in excess of \$648,000. Mrs. Beckwith is willing to accept as her share in the estate two parcels of the farmland properties and one-half of the securities (except for shares in three local companies). The two parcels which Mrs. Beckwith will receive are appraised at a value of \$45,484.50 in excess of the combined appraisals of the other three parcels. Mrs. Beckwith will pay the \$45,484.50 difference in cash to the University. Under this arrangement, the University would receive one-half of the stocks and three parcels of land, together with the cash payment by Mrs. Beckwith. It is estimated the University will ultimately receive cash and property valued in excess of \$500,000.

In order to expedite the closing of this estate, the Vice-President and Comptroller and the Legal Counsel request authority to formalize the settlement arrangements with Mrs. Beckwith, including authority to execute quit-claim deeds transferring such interest as the University may have in the two parcels of farmland.

I concur and request adoption of the following resolution.

Resolution Authorizing Transfer of One Parcel of Real Property in Will County, Illinois, and One in Kankakee County, Illinois

WHEREAS, the hereinafter described property forms part of the Estate of Guy M. Beckwith, Deceased, who, by his Last Will and Testament, devised the residue of his estate to the University of Illinois; and

WHEREAS, by statutory renunciation of said Last Will and Testament, the widow of Guy M. Beckwith, Wilhelmine Beckwith, is entitled to one-half of the Estate; and

WHEREAS, the said Wilhelmine Beckwith has agreed to accept certain properties and in return transfer certain properties to the University in settlement of the Estate; and

WHEREAS, under this arrangement the University will fulfill its obligation by a transfer of the hereinafter described properties to Wilhelmine Beckwith by quit-claim deeds;

Now Therefore, Be It, and It Hereby Is Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, with its principal office in the City of Urbana, in the County of Champaign, and in the State of Illinois, that the Comptroller and the Secretary of this corporation be, and they hereby are, authorized and directed to execute, acknowledge, and deliver in the name of and in behalf of this corporation, and under its corporate seal, quit-claim deeds and such other documents in connection therewith as said Comptroller and Secretary may deem necessary and desirable in order to convey and quit-claim to Wilhelmine Beckwith, title to the following described real property, viz:

"Northwest Fractional quarter of Section Thirty (30), and the North half of the Southwest quarter of said Section Thirty (30), all in Township Thirty-two

(32) North, Range Eleven (11) East of the Third Principal Meridian, in the County of Kankakee and State of Illinois, containing 250 acres, more or less;

also

"Lots Four (4), Five (5), Seven (7), Eight (8), Nine (9), and Eleven (11) of the Whitten & Gooding's Subdivision of the Southeast Fractional One-Fourth ($\frac{1}{4}$) of Section Thirty-One (31), and the Southwest Fractional One-Fourth ($\frac{1}{4}$) of Section Thirty-Two (32), of Township Thirty-Three (33) North, Range Ten (10) East of the Third Principal Meridian containing 122.8 Acres more or less, situated in the Township of Florence, Will County, Illinois;

and

"Lots One (1), Two (2), Three (3), Six (6), and Ten (10) of Whitten's and Gooding's Subdivision of part of Sections Thirty-One (31) and Thirty-Two (32), according to the plat thereof recorded on April 22, A. D. 1874, as Doc. No. 93184 in Plat Book 3, on Page 42, thereof, of Will County Records, also the North Twenty-Three (23) acres of the West Half ($W \frac{1}{2}$) of the Southeast Quarter ($SE \frac{1}{4}$) of Section Thirty-One (31), all in Township Thirty-Three (33) North, and in Range Ten (10) East of the Third Principal Meridian, in Will County, Illinois, also the West half ($W \frac{1}{2}$) of the Southwest Quarter ($SW \frac{1}{4}$) of Section Thirty-One (31), and the West Seventeen and Three Hundredths (17.03) acres of the Northeast Quarter ($NE \frac{1}{4}$) of the Southwest Quarter ($SW \frac{1}{4}$) of Section Thirty-One (31), all in Township Thirty-Three (33) North, Range Ten (10) East of the Third Principal Meridian, being in the Town of Florence, in the County of Will and the State of Illinois."

On motion of Mr. Swain, the foregoing resolution was adopted.

PURCHASE OF LIABILITY INSURANCE

(39) Bids have been received for a public liability insurance policy covering all University operations and also providing coverage to employees for personal liability they may incur in the course of their employment by the University. Bids were received on three bases:

1. \$2,000,000 for each occurrence.
2. \$500,000 personal injury for each person and \$1,000,000 for each occurrence and property damage of \$500,000 for each occurrence.
3. Coverage of \$25,000 personal injury for each person and \$1,000,000 for each occurrence for the University and \$300,000 for each person and \$1,000,000 for each occurrence for employees and \$25,000 University property damage and \$300,000 property damage for employees.

Under all three alternates, aircraft passenger liability was limited to \$100,000 per passenger.

After evaluation of the bids received, the Finance Committee supports the recommendation of the Vice-President and Comptroller that the University purchase the policy which provides for a coverage of \$500,000 for each person, \$1,000,000 each occurrence for personal injury, and \$500,000 in property damage for each occurrence, and the award of a contract for such insurance to McManus & Pellouchoud, Inc., Chicago, for the comprehensive-general-automobile coverage at an annual premium of \$62,278, and the award of the insurance policy for aviation liability to O'Neil-Hidy Agency, Champaign, at an estimated annual premium of \$15,785, both awards being tied low bidders selected by lot. (The actual premium on the aviation policy is developed on the basis of hours flown.) It is also recommended that the policy be purchased for three years with the right on the part of the University to cancel such contract on an annual anniversary date.

The Finance Committee has concluded that the recommended extension of insurance coverage for the University and its employees is in the best interests of the University, and that prior actions of the Board relating to insurance practices should be modified to the extent they may be inconsistent with this recommendation.

Funds are available in the 1967-69 appropriations by the General Assembly for the automobile portion of the premium; and in the Airport Operations, Workmen's Compensation, and Contract Research Reserves for the balance of the premium.

On motion of Mr. Swain, these recommendations were approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr.

Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain; no, none; absent, Mr. Jones, Governor Kerner, Dr. Weatherly.

PURCHASES

(40) The President submitted, with his concurrence, a list of purchases recommended by the Director of Purchases and the Vice-President and Comptroller; also a list of purchases authorized by the President.

The lists of purchases authorized and purchases recommended for Board approval were presented in two categories: purchases from appropriated funds (i.e., from state appropriations to the University) and purchases from institutional funds. The latter term designates funds received by the University under contracts with the United States government, contracts with private corporations and other organizations, funds from foundation grants, and grants from corporations and other donors, and University revolving funds authorized by law.

The total amounts of these purchases were:

From Appropriated Funds

Purchases Authorized.....	\$ 3 454 00
Purchases Recommended.....	259 486 79
	<u>\$262 940 79</u>

From Institutional Funds

Purchases Authorized.....	\$ 3 140 00
Purchases Recommended.....	568 169 78
	<u>\$571 309 78</u>

Grand Total..... \$834 250 57

A complete list of the purchases authorized and purchases recommended, with supporting information, including the quotations received, was sent to each member of the Board in advance of the meeting, and a copy is being filed with the Secretary of the Board for record.

On motion of Mr. Hahn, the purchases authorized by the President were approved, and the purchases recommended were authorized.

COMPTROLLER'S REPORT OF PURCHASES APPROVED

(41) The Vice-President and Comptroller also submitted a report of purchases approved by him on recommendation of the Director of Purchases in amounts of \$2,500 to \$5,000. A copy of this report is filed with the Secretary of the Board.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS

(42) The Comptroller's report of contracts executed during the period June 1 to 30, 1967.

New Contracts

<i>With Whom</i>	<i>Purpose</i>	<i>Amount to be Paid to the University</i>
American Cyanamid Company	Dietary calcium and phosphorus and bacterial monocontamination upon the atrophy of turbinates in gnotobiotic swine	\$ 2 500 00
American Soybean Association	Damage to soybeans by arthropods and its effects on yield, quality, and composition of soybeans	2 000 00
The Dow Chemical Company	Biuret nitrogen in feeds for ruminants	22 000 00
Illinois State Library	Planning services for Library Services and Construction Act— Title III, Interlibrary cooperation; Title IV-A, Institutional library services; Title IV-B, Library services to the physically handicapped	17 250 00

This report was received for record.

**AUTHORIZATION FOR EXECUTIVE COMMITTEE TO ACT
ON REAL ESTATE MATTERS**

(44) The University is now negotiating for the acquisition of various parcels of real estate needed for the University's educational purposes. The necessity for action on such acquisitions may become urgent, and, hence, it may not be possible to postpone action to the next regular meeting of the Board of Trustees (presently set for September 20, 1967).

In addition, the Illinois Building Authority has asked the University to make specific requests for award of contracts on bids to be received by the Authority on University projects. The Authority will also require the University to adopt specific resolutions transferring jurisdiction of land to and leasing facilities from the Illinois Building Authority, prior to the Authority entering into construction contracts.

Accordingly, the Director of the Physical Plant, the Vice-President and Comptroller, and the Legal Counsel recommend that, pursuant to Article IV, Section 3, of the By-Laws, the Board of Trustees authorize the Executive Committee of the Board to take action at any time prior to the next regular meeting of the Board on transfers of jurisdiction to and leases from the Illinois Building Authority and any other matter relating to the lease, sale, purchase, or other acquisition, by or for the University, of real estate, including authority to exercise the right of eminent domain and to institute condemnation proceedings.

I concur.

On motion of Mr. Grimes, the Executive Committee was authorized to act for the Board on the matters of business as recommended, by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain; no, none; absent, Mr. Jones, Governor Kerner, Dr. Weatherly.

**PROGRAM FOR STUDY IN EUROPE FOR STUDENTS
IN ARCHITECTURE**

(45) The Board has approved, in principle, a program for study in Europe for students in Architecture, and on June 20, 1967, authorized the Vice-President and Comptroller to execute contracts with Mr. Pierre Lachaux for leasing of living quarters, office space, and a newly constructed studio in LaNapoule, France, for the period October 1, 1967, through May 31, 1968, at \$6,000 with an option to renew for the next academic year. This was the estimated cost of all services for the in-

structional program, and did not include rental of student living quarters. The contract proposed by Mr. Lachaux is \$5,600 for lease of office space, a newly constructed studio, and quarters for twenty students. Additional quarters will be provided at \$880 for each four students. Mr. Lachaux will also provide secretarial, janitorial, chambermaid, and laundry services on the basis of cost plus 5 per cent. A charge will also be made for utilities in excess of specified allowances. The total payments to Mr. Lachaux will be between \$13,000 and \$15,000.

The participating students have agreed to provide financial support to a maximum of \$100 per student per semester for the program. This support, together with an additional payment of \$150 per student per semester (which approximates a rental cost on the Urbana-Champaign campus), will provide the funds for these arrangements.

Cost of instruction will not exceed those at the Urbana-Champaign campus insofar as the expenditure of state funds is concerned. Transportation of staff and operational costs of the studio will be handled by other than state funds. Students will incur approximately the same living costs as they presently do at the Urbana-Champaign campus, plus travel and personal expenses.

The Vice-President and Comptroller recommends that the action of June 20 be modified to reflect the above-corrected terms of the contract.

I concur.

On motion of Mr. Swain, this recommendation was approved.

EMPLOYMENT OF SPECIAL COUNSEL

(46) The Attorney General of the State of California has instituted a proceeding in the Superior Court of the State of California for the County of Los Angeles seeking to nullify a bequest under the Will of Cookie Beck to the Benjamin Goldberg Foundation. Since the College of Medicine of the University of Illinois is the sole beneficiary under the terms of the Trust creating the Benjamin Goldberg Foundation, the University has an interest in the outcome of the proceedings initiated by the Attorney General of the State of California. The bequest under the Will of Cookie Beck which is under attack is estimated at \$250,000.00.

The Legal Counsel recommends that he be authorized to employ such special legal counsel as deemed necessary to protect the University's interest in this matter.

I concur.

On motion of Mr. Swain, authority was given as requested.

REPORTS AND ANNOUNCEMENTS FROM THE PRESIDENT OF THE BOARD

FUTURE MEETINGS OF THE BOARD

President Johnston announced that the Executive Committee would meet on August 15 and 31 to transact such business as may be necessary.

The September meeting will be held, as previously scheduled, on Wednesday, September 20, 1967, at Chicago Circle.

A request was made to change the October meeting, previously scheduled for October 18.

On motion of Mr. Swain, the Board voted to change the date of this meeting to Monday, October 16, and to hold this meeting in Chicago.

The November meeting will be held on November 10 at the Urbana campus. (The Board having voted to change the date of this meeting from the third Wednesday, November 15.)

SECRETARY'S REPORTS

The Secretary presented for record the following lists: appointments to the faculty made by President; cancellations, declinations, resignations, and terminations; leaves of absence. A copy of the report is filed with the Secretary.

CANCELLATION OF LEAVE OF ABSENCE**Medical Center**

Harry F. Dowling, Professor of Medicine and Head of the Department, and Chief of Medicine, Research and Educational Hospitals — cancellation of leave of absence granted him for the period June 16, 1967, through December 15, 1967, as the University will administer the grant in support of his research.

RECESS AND EXECUTIVE SESSION

President Johnston announced that an executive session had been requested and was being ordered for consideration of reports and recommendations relating to property acquisitions.

On motion of Mr. Swain, the Board recessed.

GUESTS OF THE BOARD

During the luncheon recess, President Henry introduced as guests of the Board: President William M. Staerkel of the new Parkland College; Mr. William Froom, President of the Board of Parkland College; Dr. Norris Brookens, Chairman of the Board of Regents for Northern Illinois University and Illinois State University; and R. A. Stipes, President of the Universities Retirement System of Illinois.

When the Board reconvened in executive session, the same members of the Board, officers of the Board, and officers of the University were present as recorded at the beginning of these minutes, except Mr. Page who asked to be excused.

The Board considered the following reports and recommendations from the President of the University:

**ACQUISITION OF LAND FOR RUNWAY EXTENSION
AT UNIVERSITY OF ILLINOIS—WILLARD AIRPORT**

(47) Representatives of the University have conducted negotiations with the owner of the land at the northwest end of Runway 13-31 of the University of Illinois-Willard Airport in an effort to arrive at a fair price for the land required for a "clear zone approach" and runway extension to 6,500 feet (from the present 5,300) as specified by the Federal Aviation Administration. However, the owner has refused to sell for a price which the officials of the University consider fair and reasonable and representative of its present market value.

Therefore, the Director of the Institute of Aviation and the Vice-President and Comptroller recommend that the necessary land be condemned by exercise of the power of eminent domain and request the adoption of the following resolution. I concur.

**Resolution Authorizing Condemnation of Property Adjacent to Northwest
End of Runway 13-31 University of Illinois-Willard Airport**

Be It, and It Hereby Is Resolved, Found and Declared by The Board of Trustees of the University of Illinois, a body corporate and politic and a public corporation of the State of Illinois, that the following-described property situated in the County of Champaign, in the State of Illinois, to-wit:

A parcel of land situated in the State of Illinois, the County of Champaign and being a part of the West One-half (W $\frac{1}{2}$) of Section Three (3), Township Eighteen North (T-18-N), Range Eight East (R-8-E) of the Third Principal Meridian (3rd P.M.) and being more fully bounded and described as follows:

Beginning at the Southeast corner of the Northwest $\frac{1}{4}$ of said Section 3, said corner being marked with a corner post; thence Northerly along the East line of said Northwest $\frac{1}{4}$ a distance of 1,236.34 feet to a corner, said corner being marked with an iron pipe monument; thence Northwesterly along a line parallel to the centerline of runway 13-31 (extended) a distance of 1,986.18 feet to a

corner, said corner being marked with an iron pipe monument; thence Southwesterly along a line forming an angle of 90°00' to the left with a prolongation of the last described course a distance of 1,750.00 feet to a corner, said corner being marked with an iron pipe monument; then Southeasterly along a line parallel to the centerline of runway 13-31 (extended) a distance of 2,500.00 feet to a corner, said corner being marked with an iron pipe monument; thence Northeasterly along a line forming an angle of 90°00' to the left with a prolongation of the last described course a distance of 298.18 feet to a corner in a fence marking the West property line of the University of Illinois-Willard Airport, said corner being marked with an iron pipe monument; thence Northwesterly along the said West property line a distance of 165.09 feet to a corner in the South line of the said Northwest ¼, said corner being marked with a corner post; thence Easterly along the said South line a distance of 704.31 feet to the point of beginning; said parcel containing 100.54 acres more or less;

is needed by the University of Illinois, an educational institution established and supported by the State of Illinois, for use as a clear zone approach and runway extension at the Northwest end of runway 13-31 for the University of Illinois-Willard Airport and for other educational purposes conducted and to be conducted by said University of Illinois and for the further expansion of the educational facilities of said University of Illinois and to enable said University of Illinois to discharge its duty to the people of said State and for public use, that funds are available to the University for the purchase of said land for said educational purposes; that this Board of Trustees has negotiated with the owner of said land for the purchase of said land at a price which this Board of Trustees considers fair and reasonable and which it finds constitutes the present market value of said land, but that said owner has refused to sell and convey said land, or any portion thereof, to said The Board of Trustees of the University of Illinois, for such price and continues to refuse to sell and convey the same to it except for a consideration and price which this Board of Trustees deems unreasonable and excessive and is, therefore, unwilling and has refused to pay; and

Be It, and It Is Hereby Further Resolved, Found and Declared by The Board of Trustees of the University of Illinois that the compensation to be paid by it for said land cannot be agreed upon between this Board of Trustees and the owner of said property and she and it are unable to agree upon the purchase price to be paid to said property owner for the sale and conveyance of said land by said owner thereof to said The Board of Trustees of the University of Illinois; and

Therefore, Be It, and It Is Hereby Further Resolved, Found and Declared by The Board of Trustees of the University of Illinois that because of said need of the University of Illinois for said land for the purposes hereinabove set forth and because the compensation to be paid to the owner thereof for such land cannot be agreed upon between her and this Board of Trustees, it is necessary for The Board of Trustees of the University of Illinois to take said land and acquire title thereto through the exercise by it of the right of eminent domain conferred upon it by law and to have the compensation to be paid by it to the owner thereof and any and all other persons who may have any right, title or interest in and to said land determined in the manner provided by law for the exercise of said right and power of eminent domain; and

Be It, and It Is Hereby Further Resolved by The Board of Trustees of the University of Illinois that the necessary and appropriate action be taken for the acquisition of said title to said property by said The Board of Trustees of the University of Illinois and to have the compensation to be paid therefor determined by the institution and prosecution to completion of a proceeding in eminent domain in a court of competent jurisdiction and that the Legal Counsel of the University be, and he is hereby, authorized to proceed accordingly, to institute and prosecute an eminent domain proceeding in the name and on behalf of The Board of Trustees of the University of Illinois for the acquisition of said land and the determination of the compensation to be paid by it therefor, and to employ such special legal counsel, appraisers, and others as he may deem necessary or desirable to assist him in the institution and prosecution of said proceeding.

On motion of Mr. Swain, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr.

Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain; no, none; absent, Mr. Jones, Governor Kerner, Mr. Page, Dr. Weatherly.

**ACQUISITION OF THE PROPERTY AT 902 WEST
CALIFORNIA AVENUE, URBANA**

(48) The Director of the Physical Plant and the Vice-President and Comptroller recommend the purchase of the property at 902 West California Avenue, Urbana, at a price of \$60,000, subject to funds being made available by the Seventy-fifth General Assembly and any required releases by the Governor. The property is one of six in the block proposed for the Center for Advanced Study. After continued negotiations, the owners have agreed to the stated price, provided they can retain occupancy of the premises until June 15, 1968. The interim use of the property has yet to be determined.

The property consists of a lot of 80 feet by 150 feet (12,000 square feet), and is improved with a two-story frame dwelling used as an apartment and student rooming house.

I concur.

On motion of Mr. Hughes, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain; no, none; absent, Mr. Jones, Governor Kerner, Mr. Page, Dr. Weatherly.

On motion of Mr. Grimes, the Board adjourned.

WAYNE A. JOHNSTON
President

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

September 20, 1967

The September meeting of The Board of Trustees of the University of Illinois was held in the Chicago Circle Center, Chicago, Illinois, on Wednesday, September 20, 1967, beginning at 9:30 a.m.

President Wayne A. Johnston called the meeting to order and asked the Secretary to call the roll. The following members of the Board were present: Mr. Howard W. Clement, Mr. Donald R. Grimes, Mr. Ralph C. Hahn, Mr. Earl M. Hughes, Mr. Wayne A. Johnston, Mr. Theodore A. Jones, Mr. Ray Page, Mr. Harold Pogue, Mr. Timothy W. Swain. Governor Otto Kerner and Dr. James A. Weatherly were absent.

Also present were President David D. Henry; Executive Vice-President and Provost Lyle H. Lanier; Chancellor Norman A. Parker, University of Illinois at Chicago Circle; Chancellor Joseph S. Begando, University of Illinois at the Medical Center; Chancellor Jack W. Peltason, University of Illinois at Urbana-Champaign; Mr. C. E. Flynn, Assistant to the President and Director of Public Information; Mr. James J. Costello, Legal Counsel; Dr. Daniel C. McCluney, Dean of Faculties, Chicago Circle; Dr. James B. Holderman, Associate Chancellor, Chicago Circle; Mr. George H. Bargh, Executive Assistant to the President; Mr. Vernon L. Kretschmer, Associate Director of the Physical Plant; Mr. R. C. Wicklund, Staff Associate in the Board of Trustees Office and Assistant Secretary of the University; Mr. Donald C. Neville, Assistant to the Director of the Physical Plant, Urbana; Mr. Eugene S. Pitcher, Assistant to the Director of the Physical Plant, Urbana; and the officers of the Board, Mr. H. O. Farber, Comptroller, and Dr. Earl W. Porter, Secretary.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of the Board of Trustees on December 8, 1966, press proof copies of which have previously been sent to the Board.

On motion of Mr. Swain, these minutes were approved as printed on pages 267 to 294, inclusive.

REPORTS OF THE EXECUTIVE COMMITTEE

The Executive Committee presented the following reports of two meetings held since the regular meeting of the Board in July.

REPORT OF THE EXECUTIVE COMMITTEE

August 15, 1967

On call of the Chairman, a meeting of the Executive Committee of The Board of Trustees of the University of Illinois was held in Room 800, 135 East Eleventh Place, Chicago, Illinois, on Tuesday, August 15, 1967, beginning at 11:30 a.m.

The meeting was called for consideration of reports and recommendations from the President of the University on matters of business, including acquisition of property, requiring approval by the Board of Trustees on which action should not be deferred until the regular meeting of the Board in September. The Board at its meeting on July 26, 1967, authorized the Executive Committee to take action at any time prior to the next regular meeting of the Board on transfers of jurisdiction to and leases from the Illinois Building Authority and any other matter relating to the lease, sale, purchase, or acquisition, by or for the University, of real estate, including the authority to exercise the right of eminent domain and to institute condemnation proceedings.

The Chairman asked the Secretary to call the roll, and the following, constituting all members of the Committee, were present: Mr. Wayne A. Johnston, Chairman, Mr. Howard W. Clement, and Mr. Timothy W. Swain. Also present were: Mr. Donald R. Grimes and Mr. Earl M. Hughes, members of the Board of Trustees; President David D. Henry; Dr. J. S. Begando, Chancellor of the University of Illinois at the Medical Center; Mr. Charles E. Flynn, Assistant to the President and Director of Public Information; and the officers of the Board, Mr. H. O. Farber, Comptroller, and Dr. Earl W. Porter, Secretary and Clerk of the Committee.

The Committee considered the following reports and recommendations from the President of the University.

**DEANSHIP OF THE COLLEGE OF COMMERCE
AND BUSINESS ADMINISTRATION, URBANA**

(1) I recommend the appointment of Dr. Joseph W. McGuire, presently Dean of the School of Business of the University of Kansas, as Dean of the College of Commerce and Business Administration at Urbana, beginning July 1, 1968, at an annual salary of \$30,000 on a twelve-month service basis.¹

I also recommend that Dr. McGuire be appointed Professor of Industrial Administration on indefinite tenure.

The recommendation is based upon a report from a Consultative Committee

¹ This appointment will be from July 1, 1968, through August 31, 1969, which is consistent with the statutory provision of biennial tenure of deans, such appointments coinciding with the fiscal biennium.

and following consultation with the Executive Committee of the College¹ and with the Chancellor at Urbana.

The date set for Dr. McGuire's assumption of duties is occasioned by a long-standing commitment: During the 1967-68 academic year he will be Ford Visiting Research Professor at the Graduate School of Industrial Administration at Carnegie-Mellon University, Pittsburgh. In the interim period, i.e., for the academic year 1967-68, an Acting Dean of the College is being appointed.

Dr. McGuire succeeds Dr. Paul M. Green whose service with the University as Dean will terminate on August 31, 1967.

The Executive Vice-President and Provost, the Chancellor at Urbana, and the Dean of the Graduate College endorse this recommendation.

On motion of Mr. Swain, this appointment was approved.

ACTING DEANSHIP OF THE COLLEGE OF COMMERCE AND BUSINESS ADMINISTRATION, URBANA

(2) The Chancellor at Urbana has recommended that Professor Vernon K. Zimmerman, presently Associate Dean of the College of Commerce and Business Administration at the Urbana-Champaign campus, be appointed Acting Dean of the College effective September 1, 1967, and continuing through June 30, 1968, and that he be given additional salary in the amount of \$1,200 for this period.

The recommendation is made after consultation with the Executive Committee of the College. The Executive Vice-President and Provost concurs.

I recommend approval.

On motion of Mr. Clement, this appointment was approved.

CONTRACTS FOR CONSTRUCTION OF PERSONNEL SERVICES BUILDING, URBANA

(3) The Director of the Physical Plant and the Vice-President and Comptroller recommend assignment of \$66,594 from Urbana-Champaign Contract Research Reserve and award of the following contracts for construction of a Personnel Services Building to be located on Gregory Drive immediately west of the University Press Building, the award being in each case to the lowest bidder based upon the Base Bid and recommended alternates. The project will provide office, testing, interview, and related facilities for the University Office of Nonacademic Personnel.

General — C. A. Petry & Sons, Inc., Champaign

Base bid.....	\$243 600 00
Deductive alternates:	
Elimination of assignment of other contracts to the general contractor	13 500 00
Substitution of gypsum drywall for ceramic tile as specified.....	2 800 00
Deletion of storm sash panels or self-storing com- bination storm sash.....	800 00
Substitution of ponderosa pine door frames for birch door frames as specified.....	2 000 00
<i>Subtotal</i>	\$224 500 00

¹ Members of the Consultative Committee are: John E. Cribbet, Professor of Law, *Chairman*; Robert Ferber, Professor of Economics and Marketing, Research Professor in the Bureau of Economic and Business Research, in the College of Commerce and Business Administration, and Director of the Survey Research Laboratory, in the Graduate College; Robert W. Resek, Associate Professor of Economics; Donald H. Skadden, Professor of Accountancy; Daniel M. Slate, Associate Professor of Business Administration, Associate Professor of Marketing, Head of Department of Marketing, and Acting Head of Department of Industrial Administration; Martin Wagner, Professor of Labor and Industrial Relations and Director of Institute of Labor and Industrial Relations.

Exclusive of the Dean of the College (who according to custom did not participate in the consultative discussion), the members of the Executive Committee of the College are: Carl T. Arlt, Professor of Money, Banking, and Finance; Norton M. Bedford, Professor of Accountancy; Marvin Frankel, Professor of Economics and Research Professor in Bureau of Economic and Business Research; A. James Heins, Associate Professor of Economics; Robert K. Mautz, Professor of Accountancy; Robert I. Mehr, Professor of Finance.

Plumbing—David W. Reichard Plumbing & Heating Co., Inc., Urbana.....	29 560 00
Heating and Air Conditioning—Ralph Vancil, Inc., Cairo.....	41 585 00
Ventilating—Inskip Plumbing, Heating & Air Conditioning Co., Champaign.....	21 812 00
Electrical—Potter Electric Service, Inc., Urbana.....	50 385 00
<i>Total</i>	<u>\$367 842 00</u>

The balance of funds needed for the project is available from state capital appropriations to the University from the Universities Building Fund.

A report from the Physical Plant Department, including a schedule of bids received, is submitted herewith, and a copy is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Swain, these recommendations were approved by the following vote: Aye, Mr. Clement, Mr. Johnston, Mr. Swain; no, none; absent, none.

**REQUEST TO ILLINOIS BUILDING AUTHORITY TO CONTRACT FOR
CONSTRUCTION OF SCIENCE AND ENGINEERING CENTER
BUILDING CAISSONS, CHICAGO CIRCLE**

(4) On July 25, 1967, the Illinois Building Authority received bids for the Science and Engineering Center Building Caissons at the Chicago Circle Campus, which is the first phase of construction on the Science and Engineering Center Building. The lowest bidder is Case International Company, Roselle, with a bid of \$227,380. A bid was also received from the Gust K. Newberg Construction Co., Chicago, in the amount of \$280,000. The lowest bidder is deemed qualified to perform the work.

The project is a part of the construction for the Chicago Circle campus which the Board, at its meeting on July 26, 1967, requested the Illinois Building Authority to provide. The Authority will finance the construction and lease the facilities to the University. Funds for rental payments are available in state capital appropriations to the University. Jurisdiction of the land on which the project will be constructed will also be transferred to the Authority.

The Director of the Physical Plant and the Vice-President and Comptroller recommend that, pursuant to the authority granted by the Board at its meeting on July 26, 1967, the Executive Committee of the Board of Trustees request the Illinois Building Authority to award a contract for the described work to the lowest bidder and proceed to procure this facility for the use of the University.

It is also recommended that the Comptroller and Secretary of the Board be authorized to make, execute, acknowledge, and deliver such instruments of transfer, conveyance, lease, contract, and other documents as are necessary to provide for the carrying out of the foregoing project and facility by the Illinois Building Authority.

I concur and recommend adoption of the resolution submitted herewith to implement the official actions required including authorization of the instrument of transfer of jurisdiction of real estate to the Illinois Building Authority.

Resolution

Be It, and It Hereby Is, Resolved by the Executive Committee of The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Illinois Building Authority be, and it hereby is, requested to award to the Case International Company, Roselle, a contract in the amount of \$227,380.00 for construction of the Science and Engineering Center Building Caissons at the Chicago Circle Campus in accordance with the base bid submitted.

Be It, and It Hereby Is, Further Resolved by the Executive Committee of The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and Secretary of this public corporation be, and they hereby are, authorized to make, execute, acknowledge, and deliver, in the name and in behalf of this corporation, such instruments of transfer, conveyance, lease, contract, and other documents as are necessary or appropriate in order to provide for the carrying out of the foregoing project and facility by the Illinois Building Authority.

On motion of Mr. Clement, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Johnston, Mr. Swain; no, none; absent, none.

Resolution

WHEREAS the Seventy-Fifth General Assembly of the State of Illinois has declared it to be in the public interest that the Illinois Building Authority construct, on behalf of The Board of Trustees of the University of Illinois, a Science and Engineering Center Building on the Chicago Circle Campus of the University of Illinois in Chicago, Illinois; and

WHEREAS for that purpose it will be necessary for the Illinois Building Authority to acquire jurisdiction of the real estate upon which said building will be located; and

WHEREAS The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois with its principal office in Urbana, Illinois, has been requested by the Illinois Building Authority to transfer jurisdiction of said real estate for the construction of said building.

Now, Therefore, Be It and It Is Hereby Resolved by the Executive Committee of The Board of Trustees of the University of Illinois, pursuant to authority granted said Executive Committee by The Board of Trustees of the University of Illinois at its July 26, 1967, meeting, as follows:

Section 1. That the Comptroller and the Secretary of The Board of Trustees of the University of Illinois be and they are hereby authorized to execute, acknowledge, and deliver in the name and on behalf of this corporation, an instrument of transfer of jurisdiction to the property described in the attached document entitled "Instrument of Transfer" which said form of Instrument of Transfer is, by this reference, incorporated in and made a part of this Resolution.

On motion of Mr. Clement, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Johnston, Mr. Swain; no, none; absent, none.

REQUEST TO ILLINOIS BUILDING AUTHORITY TO INCREASE CONTRACT FOR CONSTRUCTION OF CHICAGO CIRCLE CAMPUS, PHASE II — IMPROVED LIGHTING SYSTEM FOR ADDITION TO THE LIBRARY

(5) The Vice-President and Comptroller and the Director of the Physical Plant recommend that the Board request the Illinois Building Authority to authorize an increase of \$16,254.02 in the contract with the Gust K. Newberg Construction Co., Chicago, for construction of Chicago Circle Campus, Phase II, to provide improved lighting conditions in the Library Building Addition.

Funds are available in the project budget.

I concur.

On motion of Mr. Swain, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Johnston, Mr. Swain; no, none; absent, none.

REQUEST TO ILLINOIS BUILDING AUTHORITY TO INCREASE CONTRACT FOR CONSTRUCTION OF CHICAGO CIRCLE CAMPUS, PHASE II — MODIFICATION OF HEATING SYSTEM FOR ADDITION TO THE LIBRARY

(6) The Vice-President and Comptroller and the Director of the Physical Plant recommend that the Board of Trustees request the Illinois Building Authority to authorize an increase of \$16,078.32 in the contract with the Gust K. Newberg Construction Co., Chicago, for construction of Chicago Circle Campus, Phase II, which

¹ The "Instrument of Transfer" is being filed with the Secretary of the Board for record.

will provide for additional expansion loops and anchorages for the fin tube radiation in the addition to the Library.

Funds are available in the project budget.

I concur.

On motion of Mr. Clement, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Johnston, Mr. Swain; no, none; absent, none.

PURCHASES

(7) The President submitted, with his concurrence, a list of purchases recommended by the Director of Purchases and the Vice-President and Comptroller.

The list of purchases recommended for Board approval was presented in two categories: purchases from appropriated funds (i.e., from state appropriations to the University) and purchases from institutional funds. The latter term designates funds received by the University under contracts with the United States government, contracts with private corporations and other organizations, funds from foundation grants, and grants from corporations and other donors, and University revolving funds authorized by law.

The total amounts of these purchases were:

From Appropriated Funds.....	\$ 410 294 96
From Institutional Funds.....	627 387 90
<i>Grand Total</i>	<u>\$1 037 682 86</u>

A complete list of the purchases recommended, with supporting information, including the quotations received, was sent to each member of the Board in advance of the meeting and a copy has been filed with the Secretary of the Board for record.

On motion of Mr. Swain, the purchases recommended were authorized.

The business of the meeting having been concluded, on motion of Mr. Swain, the Executive Committee adjourned.

The Executive Committee of
The Board of Trustees
of the University of Illinois

HOWARD W. CLEMENT

TIMOTHY W. SWAIN

WAYNE A. JOHNSTON, *Chairman*

EARL W. PORTER

Secretary and Clerk

REPORT OF THE EXECUTIVE COMMITTEE

August 31, 1967

On call of the Chairman, a meeting of the Executive Committee of The Board of Trustees of the University of Illinois was held in Room 800, 135 East Eleventh Place, Chicago, Illinois, on Thursday, August 31, 1967, beginning at 11:30 a.m.

The meeting was called for consideration of reports and recommendations from the President of the University on matters of business, including acquisition of property, requiring approval by the Board of Trustees on which action should not be deferred until the regular meeting of the Board in September. The Board at its meeting on July 26, 1967, authorized the Executive Committee to take action at any time prior to the next regular meeting of the Board on transfers of jurisdiction to and leases from the Illinois Building Authority and any other matter relating to the lease, sale, purchase, or acquisition, by or for the University, of real estate, including the authority to exercise the right of eminent domain and to institute condemnation proceedings.

The Chairman asked the Secretary to call the roll, and the following, constituting all members of the Committee, were present: Mr. Wayne A. Johnston, Chairman, Mr. Howard W. Clement, and Mr. Timothy W. Swain. Also present were: Mr. Theodore A. Jones, a member of the Board of Trustees; President David D. Henry; Dr. J. S. Begando, Chancellor of the University of Illinois at the Medical Center; Dr. J. W. Peltason, Chancellor of the University of Illinois at Urbana; Mr. C. S. Havens, Director of the Physical Plant; Mr. James J. Costello, Legal Counsel; Mr. Donald C. Neville, Assistant to the Director of the Physical Plant; Mr. Grover Shipton, Associate Director of Public Information at Chicago Circle; and Dr. Earl W. Porter, Secretary of the Board and Clerk of the Committee.

The Committee considered the following reports and recommendations from the President of the University.

REQUEST FOR THE ILLINOIS BUILDING AUTHORITY TO CONTRACT FOR THE CONSTRUCTION OF THE COLLEGE OF NURSING OFFICE AND CLASSROOM BUILDING. ALSO KNOWN AS THE COLLEGE OF NURSING BUILDING, AT THE MEDICAL CENTER CAMPUS

(1) On August 9, 1967, the Illinois Building Authority received bids for all work for the construction of the College of Nursing Office and Classroom Building, also known as the College of Nursing Building, at the Medical Center campus. The lowest bidder is J. L. Simmons Company, Inc., 506 Wabash Avenue, Chicago, Illinois, with a bid of \$4,805,000.

Three other bids were received as follows :

W. E. O'Neil Construction Co., 2751 Clybourn Avenue, Chicago....	\$4 871 000 00
S. N. Nielsen Company, 3059 Augusta Street, Chicago.....	4 891 000 00
Gust K. Newberg Construction Co., 2040 N. Ashland Avenue, Chicago.....	5 370 000 00

The lowest bidder is deemed fully qualified to construct this project.

The project is one of those which the Board of Trustees, at its meeting on July 26, 1967, requested the Illinois Building Authority to provide. The Authority will finance the construction and will lease the facilities to the University for rental payments appropriated by the Illinois General Assembly. The University will transfer jurisdiction of the land on which the project will be constructed to the Authority.

The Director of the Physical Plant and the Vice-President and Comptroller recommend that, pursuant to the authority granted by the Board at its meeting on July 26, 1967, the Executive Committee of the Board of Trustees request the Illinois Building Authority to award a contract for the described work to the lowest bidder and proceed to procure this facility for the use of the University.

It is also recommended that the Comptroller and the Secretary of the Board be authorized to make, execute, acknowledge, and deliver such instruments of transfer, conveyance, lease, contract, and other documents as are necessary to provide for the carrying out of the foregoing project and facility by the Illinois Building Authority.

I concur and recommend adoption of the resolutions submitted herewith to implement the official actions required including authorization of the instrument of transfer of jurisdiction of real estate to the Illinois Building Authority.

Resolution

Be It, and It Hereby Is, Resolved by the Executive Committee of The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Illinois Building Authority be, and it hereby is, requested to award to the J. L. Simmons Company, Inc., 506 Wabash Avenue, Chicago, Illinois, a contract for the entire work for the construction of the College of Nursing Office and Classroom Building, also known as the College of Nursing Building, at the

Medical Center, for the fixed price of \$4,805,000, consisting of a base bid and four additive alternates.

Be It, and It Hereby Is, Further Resolved by the Executive Committee of The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and Secretary of this public corporation be, and they hereby are, authorized to make, execute, acknowledge and deliver, in the name and in behalf of this corporation, such instruments of transfer, conveyance, lease, contract, and other documents as are necessary or appropriate in order to provide for the carrying out of the foregoing project and facility by the Illinois Building Authority.

On motion of Mr. Swain, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Johnston, Mr. Swain; no, none; absent, none.

Resolution

WHEREAS the Seventy-Fifth General Assembly of the State of Illinois has declared it to be in the public interest that the Illinois Building Authority construct, on behalf of The Board of Trustees of the University of Illinois, a College of Nursing Office and Classroom Building, also known as the College of Nursing Building, at the Medical Center of the University of Illinois in Chicago, Illinois; and

WHEREAS for that purpose it will be necessary for the Illinois Building Authority to acquire jurisdiction of the real estate upon which said building will be located; and

WHEREAS The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois with its principal office in Urbana, Illinois, has been requested by the Illinois Building Authority to transfer jurisdiction of said real estate for the construction of said building.

Now, Therefore, Be It and It Is Hereby Resolved by the Executive Committee of The Board of Trustees of the University of Illinois, pursuant to authority granted said Executive Committee by The Board of Trustees of the University of Illinois at its July 26, 1967, meeting, as follows:

Section 1. That the Comptroller and the Secretary of The Board of Trustees of the University of Illinois be and they are hereby authorized to execute, acknowledge and deliver, in the name and on behalf of this corporation, an instrument of transfer of jurisdiction to the property described in the attached document entitled "Instrument of Transfer"¹ which said form of Instrument of Transfer is, by this reference, incorporated in and made a part of this Resolution.

On motion of Mr. Swain, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Johnston, Mr. Swain; no, none; absent, none.

CONTRACTS FOR REMODELING THE SANGAMON STREET BUILDING FOR DEPARTMENTS OF MEDICINE AND MICROBIOLOGY, COLLEGE OF MEDICINE

(2) The Director of the Physical Plant and the Vice-President and Comptroller recommend assignment of \$65,632 from Medical Center Contract Research Reserve and award of contracts for remodeling in the Sangamon Street Building for the Departments of Medicine and Microbiology, College of Medicine, the award being in each case to the lowest bidder, based upon the base bid and recommended alternates.

General — Mutual Contracting Company, Chicago

Base bid \$73 828 00

Additive alternates for:

Assignment of Divisions II through V contracts to the Division I contractor 4 103 00

¹ The "Instrument of Transfer" is being filed with the Secretary of the Board for record.

Cost of adding cylinder locks to drawers and doors on laboratory equipment.....	1 390 00	
Cost of adding three-hour fire protection to the exterior walls, columns, and ceilings of the mechanical roof penthouse.....	6 325 00	
Cost of adding five window air conditioning units....	<u>607 00</u>	
<i>Subtotal</i>		\$ 86 253 00
Plumbing and Sewerage Work—Peter H. Smith Co., Chicago		
Base bid.....	\$15 579 00	
Additive alternate for cost of installation of infrared humidifiers in animal rooms.....	<u>645 00</u>	
<i>Subtotal</i>		16 224 00
Heating, Piping, Refrigeration & Automatic Temperature Control Systems—Herman Bogot & Co., Chicago		
Base bid.....	\$58 064 00	
Additive alternates for:		
Cost of installation of infrared humidifiers in animal rooms.....	5 060 00	
Cost of adding five window air conditioning units....	2 011 00	
Cost of installing a chilled water system and controls in lieu of a direct expansion refrigeration system....	<u>3 901 00</u>	
<i>Subtotal</i>		69 036 00
Ventilating—The Robert Irsay Company, Skokie		
Base bid.....	\$40 872 00	
Additive alternates for:		
Cost of extending exhaust duct branches from the ceiling level to the floor level of the animal rooms....	500 00	
Cost of installation of infrared humidifiers in animal rooms.....	<u>200 00</u>	
<i>Subtotal</i>		41 572 00
Electrical—Gerson Electric Construction Co., Chicago		
Base bid.....	\$30 199 00	
Additive alternates for:		
Cost of installation of infrared humidifiers in animal rooms.....	100 00	
Cost of installing a chilled water system and controls in lieu of a direct expansion refrigeration system....	<u>100 00</u>	
<i>Subtotal</i>		30 399 00
<i>Total</i>		<u>\$243 484 00</u>

It is further recommended that all contracts other than the general contract be assigned to the contractor for general work, making the total of his contract price \$243,484. It is also further recommended that an agreement be entered into with Mutual Contracting Company for the assignment of these other contracts for \$4,103, which amount is included in the contract price, being the amount bid by that Company for supervision of other contracts assigned to the general contractor.

The work provides for the remodeling of the second and third floors of the Sangamon Street Building, and includes new lighting, air conditioning, and laboratory equipment.

The remainder of the funds needed for this work was appropriated by the Board on July 27, 1966.

Submitted herewith is the schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Clement, these recommendations were approved by the following vote: Aye, Mr. Clement, Mr. Johnston, Mr. Swain; no, none; absent, none.

**EMPLOYMENT OF ENGINEERS FOR STREET IMPROVEMENTS
AT URBANA-CHAMPAIGN**

(3) The Director of the Physical Plant and the Vice-President and Comptroller recommend the employment of the following engineering firms for the projects and at the fees indicated.

- | | |
|--|--|
| <p>A. Street lighting improvements on Florida Avenue from Lincoln Avenue west to the Illinois Central Railroad underpass.
Clark, Dietz & Associates, Urbana</p> | <p>Schedule B of minimum fees adopted by the Illinois Society of Professional Engineers.</p> |
| <p>B. Paving of South First Street Road from the end of the existing pavement south of St. Mary's Road to the access drive serving the University's Children's Research Center and the Adler Zone Clinic, and the paving of South Lincoln Avenue Road from Florida Avenue south to the south right-of-way line of George Huff Drive extended.
Sodemann & Associates, Champaign</p> | <p>Schedule B of minimum fees adopted by the Illinois Society of Professional Engineers.</p> |

Funds are available for the above projects in state capital appropriations to the University for the 1967-69 biennium subject to release by the Governor.

The Advisory Committee on Architectural and Engineering Services has considered these recommendations and recommends approval.

I concur.

On motion of Mr. Swain, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Johnston, Mr. Swain; no, none; absent, none.

**EMPLOYMENT OF ENGINEERS FOR EXPANSION OF THE LIBRARY
AIR CONDITIONING CENTER, URBANA**

(4) The Director of the Physical Plant and the Vice-President and Comptroller recommend the employment of Associate Engineers, Inc., Peoria, for complete engineering services for the expansion of the Library Air Conditioning Center at a fee of 6 per cent of the total construction cost. The expansion will provide required cooling capacity for the Foreign Languages Building, the Music Building, and Smith Music Hall.

Funds are available from state capital appropriations to the University for the 1967-69 biennium subject to release by the Governor.

The Advisory Committee on Architectural and Engineering Services has been consulted and recommends approval.

I concur.

On motion of Mr. Clement, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Johnston, Mr. Swain; no, none; absent, none.

PURCHASE AND GIFT OF THE T. W. BALDWIN LIBRARY (URBANA)

(5) T. W. Baldwin, Professor of English, *Emeritus*, is the owner of an extraordinary collection of rare books consisting of approximately 5,806 volumes of sixteenth, seventeenth, and eighteenth century texts of classical authors, with commentaries on them, Bibles and prayer books, rhetorics and histories, all of which are now located in the Rare Book Room of the University of Illinois Library at Urbana. The collection is commonly known as the T. W. Baldwin Library. Professor Baldwin and his wife, Regina Elisabeth Baldwin, propose to make a gift to the University of 350 volumes of this library. The value of this proposed gift is estimated to be \$50,000.

Moreover, Professor and Mrs. Baldwin have offered to sell the remainder of the library to the University for the total sum of \$200,000 to be paid in five equal annual installments of \$40,000 each, subject to the availability of funds.

It has been proposed that the payments be funded as follows:

	<i>First Year</i>	<i>Second Year</i>	<i>Third Year</i>	<i>Fourth Year</i>	<i>Fifth Year</i>
Library gifts and grants (non-state funds).....	\$25 000 00	\$25 000 00	\$25 000 00	\$25 000 00	
University of Illinois Foundation..	7 500 00	7 500 00	7 500 00	7 500 00	\$20 000 00
Contract Research Reserve.....	7 500 00	7 500 00	7 500 00	7 500 00	20 000 00
	<u>\$40 000 00</u>	<u>\$40 000 00</u>	<u>\$40 000 00</u>	<u>\$40 000 00</u>	<u>\$40 000 00</u>

Fifty thousand dollars of the purchase price will be furnished by the University of Illinois Foundation over the period of the purchase pursuant to action taken by the Board of Directors of the University of Illinois Foundation on February 15, 1967.

The Dean of Library Administration and the Vice-President and Comptroller recommend that The Board of Trustees of the University of Illinois accept the proposed gift of 350 volumes of the T. W. Baldwin Library as described above and that the purchase of the remainder of the library on the terms outlined above be approved and that the purchase be funded as proposed, subject to the availability of funds. The Chancellor at Urbana endorses this recommendation.

I concur.

On motion of Mr. Swain, these recommendations were approved.

PURCHASES

(6) The President submitted, with his concurrence, a list of purchases recommended by the Director of Purchases and the Vice-President and Comptroller.

The list of purchases recommended for Board approval was presented in two categories: purchases from appropriated funds (i.e., from state appropriations to the University) and purchases from institutional funds. The latter term designates funds received by the University under contracts with the United States government, contracts with private corporations and other organizations, funds from foundation grants, and grants from corporations and other donors, and University revolving funds authorized by law.

The total amounts of these purchases were:

From Appropriated Funds.....	\$161 147 00
From Institutional Funds.....	461 618 88
<i>Grand Total</i>	<u>\$622 765 88</u>

A complete list of the purchases recommended, with supporting information, including the quotations received, was sent to each member of the Board in advance of the meeting and a copy has been filed with the Secretary of the Board for record.

On motion of Mr. Clement, the purchases recommended were authorized.

INCREASE IN CONTRACT FOR PHASE I CONSTRUCTION OF CHICAGO CIRCLE CAMPUS

(7) The Director of the Physical Plant and the Vice-President and Comptroller recommend an increase of \$41,866.30 in the contract with Gust K. Newberg Construction Co., Chicago, for construction of Chicago Circle Campus Phase I.

This increase is for additional work by Fischbach, Moore & Morrissey, Inc., Chicago (\$25,000), based on changes in air handling fixtures in the Library, changes in electrical wiring and modifications in electrical fixtures at various locations on the campus, and repair of work damaged by others. It also includes \$16,866.30 to Gust K. Newberg Construction Co. for additional reinforcing steel required and for window glass breakage replacements.

The foregoing will complete the construction work in Phase I, and final payment could be made to the Gust K. Newberg Construction Co. upon presentation of the waivers and releases called for by the contract documents. Because of pending litigation, it is not feasible for the Gust K. Newberg Construction Co. to obtain the necessary waivers and releases from one of the subcontractors assigned to it by the University. It is therefore recommended that payment of all unpaid balances to the Gust K. Newberg Construction Co. be authorized upon that contractor executing and delivering an undertaking, in a form satisfactory to the Legal Counsel

and underwritten by the contractor's surety, to repay the same to the University in the event litigation is initiated against the University or the contractor by the assigned subcontractor, or any award is made against the University by reason of the claims of the assigned subcontractor or its subcontractors.

Funds are available in the project budget.

I concur.

On motion of Mr. Swain, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Johnston, Mr. Swain; no, none; absent, none.

ADDITION TO THE KRANNERT ART MUSEUM, URBANA

(8) It is proposed that the facilities at the Krannert Art Museum be expanded by the construction of an addition east of the present building approximately 78 feet by 118 feet, consisting of a lower level and a ground level area, and certain remodeling in the existing building. The expansion would provide approximately 17,800 square feet of additional space.

The additional space on the lower level would be used for relocating and increasing the size of the workshop and storage areas. The present workshop would be remodeled to provide an additional gallery. The present print exhibit and storage rooms will be remodeled to provide space for an elevator and an office for the Curator. On the ground level, the addition will provide a large gallery with movable partitions to provide flexibility as to the size of the exhibit areas. A passenger elevator will be included to improve facilities for handicapped students and the public. The additional annual operational and maintenance expense when the building is completed is estimated at \$17,955.

Commitments have been received by the University of Illinois Foundation for contributions which will entirely finance the construction of the addition and the remodeling. Construction should be started immediately, and it is recommended that the Board of Trustees approve the project and request the University of Illinois Foundation to proceed with temporary financing and the awarding of contracts for the construction of the facility, subject to approval by the Board of Higher Education.

The Board of Trustees at its meeting on February 9, 1967, approved a contract for architectural services on the Krannert Art Museum Addition with Richardson, Severns, Scheeler & Associates, Inc., Champaign, on the basis of 6 per cent for new construction and cost plus 150 per cent for remodeling work with a maximum cost of \$26,500.

Based on the above, the Director of the Physical Plant and the Vice-President and Comptroller recommend that the contract with Richardson, Severns, Scheeler & Associates, Inc., be amended to increase the maximum cost to \$50,000.

The Committee on Buildings and Grounds has reviewed and approved this recommendation.

I concur.

On motion of Mr. Clement, this recommendation was approved.

CONTRACT FOR BUS SERVICE FOR URBANA-CHAMPAIGN CAMPUS

(9) The Director of Purchases and the Vice-President and Comptroller recommend authorization of a contract with the Champaign-Urbana City Lines, Inc., Champaign, for a chartered bus service for students, faculty, staff, and other authorized personnel, for the period September 1, 1967, through August 31, 1968, at an estimated total expenditure of \$64,826. Bids were invited from five other transportation companies, but the Champaign-Urbana City Lines, Inc., is the only bidder, at prices of \$6.15 per hour, with fare collection, and \$6.00 per hour, without fare collection.

In order to serve students in University housing and outlying areas (such as in Orchard Downs) and staff, it is necessary to supplement the public transportation system in Urbana-Champaign by continuing an orderly intra-campus chartered transportation system. The charter bus service on regular schedules (Illi-Bus) will be provided at \$6.15 per hour, per bus; special chartered service and the Faculty-Staff bus will be provided, without fare collection, at \$6.00 per hour, per bus.

The total cost is based on:

An estimated 11,362 Illi-Bus hours, less an estimated \$38,550 in fares..	\$31 326 00
Estimated 5,000 bus hours for Faculty-Staff bus, plus 583 hours for special charter intra-campus conference transportation.....	33 500 00
<i>Estimated net total</i>	<u>\$64 826 00</u>

Funds are available in the Physical Plant budget and from special use charges for the Faculty-Staff bus use. The cost of Illi-Bus service will be provided from fees collected plus housing division income.

I recommend authorization of this contract.

On motion of Mr. Swain, this contract was authorized as recommended by the following vote: Aye, Mr. Clement, Mr. Johnston, Mr. Swain; no, none; absent, none.

RECESS AND EXECUTIVE SESSION

Chairman Johnston announced that an executive session had been requested and was being ordered to consider the following item of business concerning property acquisition.

On motion of Mr. Swain, the Committee recessed.

When the Committee reconvened in executive session, the same members of the Committee and officers of the University as recorded at the beginning of these minutes were present.

The Committee considered the following item of business presented by the President of the University.

PROPOSED ACQUISITION OF 1116-1118 WEST NEVADA STREET, URBANA

(10) The site for the Music Building was authorized by the Committee on Buildings and Grounds of the Board of Trustees at its meeting on June 16, 1965. The site consisted of three lots on Oregon Street and one lot fronting on Nevada Street.

As a result of planning studies by the University and the architects, it has been concluded that the existing site is not adequate to meet the planning restrictions of the State Board of Higher Education and that the acquisition of additional property will be required. After studying various alternate plans possible, the architects have recommended that the University acquire the two additional properties at 1116 and 1118 West Nevada Street which are contiguous to property now owned. The preliminary design has been carefully worked out with the School of Music and has been reviewed with Mr. Abramovitz and Dean Weller in terms of its aesthetic relationship with the Krannert Center for the Performing Arts.

Funds can be made available in the University's land acquisition program for 1967-69 to be financed from either state capital appropriations or through the University of Illinois Foundation.

Accordingly, the Director of the Physical Plant and the Vice-President and Comptroller recommend that the Board authorize officials of the University to secure appraisals and negotiate with the owners for the acquisition of this property.

I concur.

On motion of Mr. Swain, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Johnston, Mr. Swain; no, none; absent, none.

The business of the meeting having been concluded, on motion of Mr. Swain, the Executive Committee adjourned.

The Executive Committee of
The Board of Trustees
of the University of Illinois
HOWARD W. CLEMENT
TIMOTHY W. SWAIN
WAYNE A. JOHNSTON, *Chairman*

EARL W. PORTER
Secretary and Clerk

RECOMMENDATIONS FROM MR. TIMOTHY W. SWAIN

Mr. Swain then presented the following recommendations:

Recommendations Concerning New Campuses

As a representative of this Board on the Illinois Board of Higher Education, I should like to suggest that the Board of Trustees take official cognizance of the recent action of the Board of Higher Education concerning the development of new campuses in Springfield and Chicago.

As has been reported in the press, the Board of Higher Education on September 13 established a committee to consider the questions of general location, campus mission and governance of a new campus in Springfield and a new campus in Chicago. This action was taken in response to legislation passed by the General Assembly in the last session and approved by the Governor on July 14. The Committee was instructed by the Board of Higher Education to report and make recommendations within the next sixty days.

As is well known, on several occasions representatives of this Board have made known the interest of the University of Illinois in planning and ultimately operating a new campus in Springfield and one or more new campuses in Chicago. The University's concern for the need to plan and develop new campuses in Illinois was first expressed in a comprehensive way in 1964, when the desirability of state-wide attention to this question was identified by the President of the University and the Board of Trustees.

Therefore, I recommend and move that the Board of Trustees direct the administrative officers of the University to prepare a report indicating the University's interest in the establishment of a new campus in Springfield and present it to the Board of Higher Education for the use of the committee just established.

In addition, I recommend that the administrative officers be directed to submit to the Board of Trustees at its meeting on October 16 a report on University studies of possible programs and general locations for a new degree-granting campus in the Chicago Metropolitan Area.

On motion of Mr. Swain, seconded by Mr. Grimes, this recommendation was approved. Mr. Page asked to be recorded as not voting inasmuch as he will be serving as a member of the Special Committee on New Senior Colleges of the Illinois Board of Higher Education.

**Recommendation Concerning the Expansion of the Programs
of the University of Illinois in the Health Sciences and Professions**

The Executive Director of the Board of Higher Education announced at the Board's meeting on September 13 that a report probably would be submitted in November on the "Study of Education in the Health Fields" being conducted for the Board under the direction of Dr. James A. Campbell (President of Presbyterian-St. Luke's Hospital).

Although the administrative officers of the University have submitted to the Study Director a substantial body of information concerning its current programs and various proposals for expansion in these fields, no definitive plans have yet been officially reviewed and approved by the Board of Trustees. I recommend, therefore, that the administrative officers be directed to submit to this Board at its meeting on October 16, a long-term comprehensive plan for the expansion of the University's activities in the health sciences and professions—involving all of its campuses and including the basic health sciences, medicine, dentistry, nursing, pharmacy, public health, and allied fields.

On motion of Mr. Swain, this recommendation was approved.

**REQUEST FOR ENROLLMENT REPORT AND REPORT
ON VARIOUS ETHNIC GROUPS**

Mr. Jones inquired about the desirability of receiving reports as soon as possible concerning enrollments relating to University activity in the field of human relations and enrollment reports of students from various ethnic groups. He also expressed interest in a report of the

work and mission of the new Center for Urban Studies. He thereupon moved that the administrative officers be directed to prepare and submit informational reports on these matters. This passed unanimously. The President of the University indicated that the annual report on human relations would soon be forthcoming, that it was now in process, and that fall enrollment reports would be available soon. He indicated that Director William L. Garrison of the Center for Urban Studies (who was in attendance at the meeting and was recognized) would be asked to make a special report to the Board at the earliest possible time.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY
The Board took up consideration of the following reports and recommendations from the President of the University.

PRESIDENT'S REPORT

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(1) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded to the following candidates who passed the standard written examination given in May, 1967, and who have fulfilled all other legal requirements under Sections 1, 2, and 3 of the Illinois Accountancy Act of 1943 as amended:

LOUIS THOMAS ADDANTE, Chicago, Illinois	GEORGE ROBERT BRUHA, La Grange Park, Illinois
PHILIP FRANCIS ALBRECHT, Dolton, Illinois	PETER BORDEN BRUNE, Park Ridge, Illinois
AARNE ANDERSON, Wood Dale, Illinois	DONALD JOSEPH CALABRIA, Forest Park, Illinois
HENRY MOORE ANDING, JR., Evanston, Illinois	JOHN CHARLES CARLYLE, Chicago, Illinois
MILFORD AMES ARDELL, Chicago, Illinois	HOWARD LEROY CARVER, Madison, Wisconsin
GEORGE HAROLD ASHLEY, Chicago, Illinois	DENNIS BRUCE CHASE, Libertyville, Illinois
HENRY RALPH BALDWIN, Elmhurst, Illinois	VIRGIL LEE COLE, La Grange Park, Illinois
PETER QUENTIN BANKS, Chicago, Illinois	STEPHEN LESLIE CORN, Champaign, Illinois
BARRY RHOADES BARNARD, Park Forest, Illinois	DON HOWARD CURTIS, Park Forest, Illinois
JOHN FREDERICK BARTELS, Tallahassee, Florida	EUGENE VINCENT CWIERTNIAK, Hickory Hills, Illinois
MARY KATHLEEN BATES, Aurora, Illinois	JAMES LEONARD CZECH, Chicago, Illinois
VICTOR FRANKLIN BEEDERMAN, Chicago, Illinois	LOUIS JAY DAVIS, Champaign, Illinois
LAWRENCE BERNARD BERKOWITZ, Chicago, Illinois	MARY CATHERINE DOHERTY, Chicago, Illinois
ROBERT LEE BERNAUER, Chicago, Illinois	GREGORY MICHAEL DOLD, Park Forest, Illinois
EUGENE HOWARD BERNSTEIN, Elgin, Illinois	MICHAEL THOMAS DUKE, Chicago, Illinois
WILLIAM PATRICK BERRY, Oak Park, Illinois	GARY FRANKLIN ECHOLS, Belleville, Illinois
KENNETH JOHN BOELTS, Villa Park, Illinois	MARSHALL EUGENE EISENBERG, Evanston, Illinois
SHELDON ARNOLD BRODER, Chicago, Illinois

The Committee on Accountancy further recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Illinois Accountancy Act of 1943, as amended, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

<i>Name</i>	<i>Address</i>	<i>State from Which They Obtained Certificates</i>
PAUL EMMET BIBLER	Franklin Park, Illinois	Maryland
GEORGE EPHRAIM BRAMMER	Rockwood, Tennessee	Virginia
JEFF DARRELL BURTON	Florissant, Missouri	Missouri
MILTON HOLCOMB FORTSON	Wheaton, Illinois	Texas
LARRY ALTON JOBE	West Chicago, Illinois	Texas
HAROLD ALVON KNOTTS	Arlington Heights, Illinois	California and Texas
SHELDON IRVIN LANDMAN	Niles, Illinois	District of Columbia
EMANUEL W. MARION	Dearborn, Michigan	Michigan
BARRY ALAN SWARTZ	Skokie, Illinois	District of Columbia

I concur.

On motion of Mr. Jones, these certificates were awarded.

ADVISORY COMMITTEE FOR THE DIVISION OF UNIVERSITY EXTENSION

(2) The Dean of the Division of University Extension recommends the following appointments to the Advisory Committee for the Division for two years beginning September 1, 1967.

University Representatives

Dr. H. W. BAILEY, Associate Chancellor, Chicago Circle Campus
Dr. NAT E. SMITH, Assistant Dean, College of Medicine, Medical Center Campus

Non-University Representatives

RUEL HALL, County Superintendent of Schools, Kankakee County, Kankakee 60901
R. C. MCKAHAN, General Operations Supervisor, Illinois Bell Telephone Company,
225 West Randolph Street, Chicago 60606
BOB WILLIAMS, Director of Training Branch, Rock Island Arsenal, Rock Island
61201

I concur.

On motion of Mr. Swain, these appointments were approved.

CHAIRMANSHIP OF THE DEPARTMENT OF ECONOMICS, URBANA

(3) The Acting Dean of the College of Commerce and Business Administration recommends the appointment of Dr. Marvin Frankel, presently on the faculty, as Professor of Economics on indefinite tenure and Chairman of the Department of Economics at Urbana for two years beginning with the academic year 1967-68 at an annual salary of \$20,000, on an academic year basis.

Professor Frankel will succeed Professor John F. Due who requested that he not be considered for reappointment as Chairman of the Department.

This recommendation is submitted after consultation with the Executive Committee of the Department, and is concurred in by the Chancellor of the Urbana-Champaign campus and the Dean of the Graduate College.

I recommend approval.

On motion of Mr. Swain, this appointment was approved.

APPOINTMENTS TO THE FACULTY

(4) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

Positions in the University are classified in the following categories and are designated in the budget by the symbols indicated: A— indefinite tenure; P— indefinite term appointment for part-time service only; B— two years; D— one year; E— nine months from the beginning of the academic year; G— special tenure; Q— initial term appointment for Professor or Associate Professor; T— terminal appointment; Y— twelve months' service required instead of two semesters; 1-7— indicates the number of years of service which will be credited at the end of the contract period toward completion of the probationary period relating to tenure.

Figures following a symbol indicate percentage of time if the appointment is on a part-time basis (e.g., D75 means one year on three-fourths time).

1. A. OWEN ALDRIDGE, Professor of French, Urbana, beginning September 1, 1967, at an annual salary of \$21,500 (A).
2. PETER C. ALTNER, Assistant Professor of Orthopaedic Surgery, College of Medicine, on nine-tenths time, beginning June 1, 1967, at an annual salary of \$15,000 (1Y90).
3. ELMER H. ANTONSEN, Associate Professor of Germanic Languages and Literatures, Urbana, beginning September 1, 1967, at an annual salary of \$15,000 (A).
4. WALTER L. ARNSTEIN, Professor of History, Urbana, beginning September 1, 1968, at an annual salary of \$16,000 (A).
5. DAVID H. BAKER, Assistant Professor of Animal Science, Urbana, beginning September 1, 1967, at an annual salary of \$12,000 (1Y).
6. HALE C. BARTLETT, Associate Professor of Management, College of Business Administration, Chicago Circle, beginning September 1, 1967, at an annual salary of \$13,000 (Q).
7. HENRY L. BEEKLEY, JR., Assistant Professor of Industrial Administration and Business Administration, Urbana, beginning September 1, 1967, at an annual salary of \$11,500 (1).
8. HAROLD E. BENZINGER, JR., Assistant Professor of Mathematics, Urbana, beginning September 1, 1967, at an annual salary of \$9,000 (1).
9. BRUCE C. BERNDT, Assistant Professor of Mathematics, Urbana, beginning September 1, 1967, at an annual salary of \$9,500 (1).
10. AUDREY S. BINGEL, Assistant Professor of Pharmacology, in the Department of Pharmacognosy and Pharmacology, College of Pharmacy, beginning September 1, 1967, at an annual salary of \$9,500 (1).
11. DANIEL B. BLAKE, Assistant Professor of Geology, Urbana, beginning September 1, 1967, at an annual salary of \$10,000 (1).
12. JOHN D. BREDEHOEFT, Visiting Associate Professor of Geology, Urbana, for the academic year 1967-68, at a salary of \$15,000 (E).
13. GEORGE E. G. CATLIN, Visiting Professor of Political Science, Urbana, for four and one-half months from September 16, 1967, at a salary of \$10,000 (E).
14. RICHARD I. CHANG, Assistant Professor of Linguistics, on 85 per cent time, and in Asian Studies, on 15 per cent time, Urbana, beginning September 1, 1967, at an annual salary of \$10,000 (4).
15. KUO-TSAI CHEN, Professor of Mathematics, Urbana, beginning September 1, 1967, at an annual salary of \$20,000 (A).
16. RUTH ANNE CLARK, Assistant Professor of Speech, Urbana, beginning September 1, 1967, at an annual salary of \$10,000 (1).
17. BARBARA COHEN, Assistant Professor of Nursing, College of Nursing, beginning September 1, 1967, at an annual salary of \$9,000 (1).
18. ROBERT E. CONDON, Associate Professor of Surgery, College of Medicine, beginning July 1, 1967, at an annual salary of \$26,000 (AY).
19. MARK P. COSTELLO, Assistant Professor of English, Urbana, beginning September 1, 1967, at an annual salary of \$9,000 (1).
20. EVERETT C. DADE, Professor of Mathematics, Urbana, beginning September 1, 1967, at an annual salary of \$20,000 (A).
21. PATRICIA F. DAY, Assistant Professor of Health Science and Staff Physician, Health Service, Urbana, beginning September 1, 1967, at an annual salary of \$17,000 (1Y).

22. JOHANNES M. J. DE WET, Professor of Plant Cytogenetics, Department of Agronomy, Urbana, beginning September 1, 1967, at an annual salary of \$17,000 (AY).
23. HAROLD G. DIAMOND, Assistant Professor of Mathematics, Urbana, beginning September 1, 1967, at an annual salary of \$10,500 (1).
24. LLOYD E. EASTMAN, Associate Professor of History, Urbana, beginning September 1, 1967, at an annual salary of \$12,500 (A).
25. S. Y. ETTINGER, Visiting Research Assistant Professor in the Coordinated Science Laboratory, Urbana, beginning July 13, 1967, at an annual salary of \$12,500 (DY).
26. WALLACE D. FARNHAM, Visiting Professor of History, Urbana, for the academic year 1967-68, at a salary of \$14,500 (E).
27. WILLIAM L. FASH, Associate Professor of Architecture, Urbana, beginning September 1, 1967, at an annual salary of \$12,500 (A).
28. FREDERICK C. FLIEGEL, Professor of Rural Sociology, in the Department of Agricultural Economics and in the Department of Sociology, Urbana, beginning January 1, 1968, at an annual salary of \$20,000 (AY).
29. SUSAN C. FORD, Assistant Professor of Classics, Urbana, beginning September 1, 1967, at an annual salary of \$9,000 (1).
30. JAMES W. FOSS, Assistant Professor of Architecture, Urbana, beginning September 1, 1967, at an annual salary of \$10,500 (1).
31. DONALD K. FRIESEN, Assistant Professor of Mathematics, Urbana, beginning September 1, 1967, at an annual salary of \$9,000 (1).
32. JAMES W. GARLAND, JR., Associate Professor of Physics, Chicago Circle, beginning September 1, 1967, at an annual salary of \$12,500 (Q).
33. ABRAHAM GELPERIN, Associate Professor of Preventive Medicine and Community Health, College of Medicine, on four-fifths time, beginning July 1, 1967, at an annual salary of \$22,600 (QY80).
34. CARL H. J. GENTZ, Visiting Assistant Professor of Pediatrics, College of Medicine, for eleven months from August 1, 1967, at a salary of \$16,500 (G).
35. DOROTHY F. GILLANDERS, Professor of Physical Education for Women, Chicago Circle, beginning September 1, 1967, at an annual salary of \$13,500 (A).
36. LEONARD E. GOODALL, Associate Professor of Political Science, Chicago Circle, beginning September 1, 1967, at an annual salary of \$13,500 (A).
37. GEORGE B. GRAEN, Assistant Professor of Psychology, Urbana, beginning September 1, 1967, at an annual salary of \$9,500 (1).
38. EDWARD M. GRIFFIN, Assistant Professor of Vocational and Technical Education and in Educational Placement, Urbana, beginning September 1, 1967, at an annual salary of \$14,000 (3Y).
39. CHAIM GUTFINGER, Associate Professor of Energy Engineering, Chicago Circle, beginning September 1, 1967, at an annual salary of \$12,500 (Q).
40. NECIP GUVEN, Visiting Assistant Professor of Geology, Urbana, for the academic year 1967-68, at a salary of \$10,500 (E).
41. PALLE HANSEN, Visiting Professor of Accountancy, Urbana, for four and one-half months from September 16, 1967, at a salary of \$9,000 (E).
42. HELEN M. HEITMANN, Associate Professor of Physical Education for Women, Chicago Circle, beginning September 1, 1967, at an annual salary of \$13,000 (A).
43. MARSHALL HERTIG, Visiting Professor of Epidemiology, Center for Zoonoses Research, College of Veterinary Medicine, Urbana, beginning June 16, 1967, without salary (DY).
44. KEITH A. HITCHINS, Associate Professor of History, Urbana, beginning September 1, 1967, at an annual salary of \$13,000 (A).
45. CARL G. JOCKUSCH, JR., Assistant Professor of Mathematics, Urbana, beginning September 1, 1967, at an annual salary of \$9,500 (1).
46. SHMUEL KANTOROVITZ, Associate Professor of Mathematics, Chicago Circle, beginning September 1, 1967, at an annual salary of \$15,000 (A).
47. HAROLD H. KASSARJIAN, Visiting Associate Professor of Marketing, Urbana, for the academic year 1967-68, at a salary of \$15,000 (E).
48. BOYD R. KEENAN, Professor of Political Science, Chicago Circle, beginning September 1, 1967, at an annual salary of \$17,000 (A).
49. CLARA M. KIRK, Visiting Professor of English, Chicago Circle, on one-half time, for the academic year 1967-68, at a salary of \$8,000 (E50).

50. RUDOLF KIRK, Visiting Professor of English, Chicago Circle, for the academic year 1967-68, at a salary of \$16,000 (E).
51. AMY J. KNORR, Visiting Professor of Vocational and Technical Education, Urbana, for the academic year 1967-68, at a salary of \$12,000 (E).
52. RICHARD LARSON, Assistant Professor of Mathematics, Chicago Circle, beginning September 1, 1967, at an annual salary of \$10,000 (3).
53. LEON M. LEVY, Assistant Professor of Art, Chicago Circle, beginning September 1, 1967, at an annual salary of \$9,500 (1).
54. JEFF E. LEWIS, Assistant Professor of Mathematics, Chicago Circle, beginning September 1, 1967, at an annual salary of \$9,800 (1).
55. DAVID M. LONG, Associate Professor of Surgery, College of Medicine, beginning September 1, 1967, at an annual salary of \$26,000 (QY).
56. LEONARD A. LOPEZ, Assistant Professor of Civil Engineering, Urbana, beginning September 1, 1967, at an annual salary of \$11,000 (1).
57. ADAM MAKKAL, Assistant Professor of English, Chicago Circle, beginning September 1, 1967, at an annual salary of \$11,000 (1).
58. VALERIE B. MAKKAL, Assistant Professor of English, Chicago Circle, beginning September 1, 1967, at an annual salary of \$9,500 (1).
59. ANNE MARKHAM, Assistant Professor of Art, Chicago Circle, beginning September 1, 1967, at an annual salary of \$9,500 (1).
60. D. GEORGE McRAE, Assistant Professor of Mathematics, Urbana, beginning September 1, 1967, at an annual salary of \$9,000 (1).
61. RICHARD L. MERRITT, Associate Professor of Political Science, on two-thirds time, and in the Institute of Communications Research, on one-third time, Urbana, beginning September 1, 1967, at an annual salary of \$15,000 (A).
62. DARRELL A. MILLER, Associate Professor of Plant Breeding and Genetics, in the Department of Agronomy, Urbana, beginning June 20, 1967, at an annual salary of \$16,500 (AY).
63. THEODORE MISCHEL, Visiting Professor of Philosophy, Urbana, for four and one-half months from September 16, 1967, at a salary of \$9,500 (E).
64. JEAN MISRAHI, Visiting Professor of French, Urbana, for the academic year 1967-68, at a salary of \$19,000 (E).
65. BIJAN MOHRAZ, Assistant Professor of Civil Engineering, Urbana, beginning September 1, 1967, at an annual salary of \$10,000 (1).
66. N. FREDERICK NASH, Circulation Librarian with rank of Assistant Professor, Library, Urbana, beginning September 1, 1967, at an annual salary of \$9,500 (4Y).
67. SEEV NEUMANN, Assistant Professor of Industrial Administration and Business Administration, Urbana, beginning September 1, 1967, at an annual salary of \$11,500 (1).
68. YVONNE NOBLE, Assistant Professor of English, Urbana, beginning September 1, 1967, at an annual salary of \$9,500 (4).
69. KARL O'LESSKER, Visiting Professor of Political Science, Urbana, for the academic year 1967-68, at a salary of \$17,000 (E).
70. KARL F. OTTO, JR., Assistant Professor of German, Chicago Circle, beginning September 1, 1967, at an annual salary of \$9,000 (1).
71. EDWARD PAGE-EL, Assistant Professor of Pediatrics, on one-half time, and in Neurology and Neurological Surgery, on three-tenths time, College of Medicine, beginning September 1, 1967, at an annual salary of \$13,000 (1Y80).
72. JOSEPH PATTERSON, Assistant Professor of Health Education in Health and Safety Education, on 75 per cent time, and in University Extension, on 25 per cent time, Urbana, beginning February 1, 1968, at an annual salary of \$10,500 (1).
73. ALAN J. PESHKIN, Associate Professor of Comparative Education, in the Department of History and Philosophy of Education, Urbana, beginning September 1, 1967, at an annual salary of \$11,000 (Q).
74. NORBERT PFENNIG, Visiting Professor of Microbiology, Urbana, for seven months from September 16, 1967, at a salary of \$11,200 (G).
75. J. RICHARD PHILLIPS, Assistant Professor of Computer Science, Urbana, beginning September 1, 1967, at an annual salary of \$12,000 (1).
76. JÓHAN H. W. POULSEN, Assistant Professor of Germanic Languages and Literatures, Urbana, beginning September 1, 1967, at an annual salary of \$9,000 (T).

77. EVERETT A. PRICE, Assistant Professor of Oral Diagnosis, College of Dentistry, on two-fifths time, beginning September 1, 1967, at an annual salary of \$4,000 (BY40).
78. DONALD M. ROBERTS, Associate Professor of Business Administration and Industrial Administration, Urbana, beginning September 1, 1967, at an annual salary of \$15,000 (Q).
79. ROBERT K. RUSHING, Visiting Associate Professor of Law, Urbana, for the academic year 1967-68, at a salary of \$15,500 (D).
80. PAUL E. SAYLOR, Assistant Professor of Computer Science, Urbana, beginning September 1, 1967, at an annual salary of \$11,000 (1).
81. RICHARD T. SCANLAN, Associate Professor of Classics, on 15 per cent time, and of Secondary and Continuing Education, on 75 per cent time, and Counselor, Council on Teacher Education, on 10 per cent time, Urbana, beginning September 1, 1967, at an annual salary of \$16,000 (AY).
82. JOSEPH L. SCHOFER, Assistant Professor of Systems Engineering, on one-half time, and in the Center for Advanced Studies, on one-half time, Chicago Circle, beginning September 1, 1967, at an annual salary of \$10,500 (1).
83. DAVID M. SEGAL, Assistant Professor of Mathematics, Chicago Circle, beginning September 1, 1967, at an annual salary of \$9,000 (1).
84. HIDEO SEO, Assistant Professor of Electrical Engineering, Urbana, beginning July 15, 1967, at an annual salary of \$13,000 (1Y).
85. MICHAEL SHAPIRO, Assistant Professor of English, Urbana, beginning September 1, 1967, at an annual salary of \$9,000 (1).
86. KENNETH R. SIVIER, Associate Professor of Aeronautical and Astronautical Engineering, Urbana, beginning September 1, 1967, at an annual salary of \$15,000 (A).
87. HERMAN H. SLAYMAN, Extension Specialist with rank of Associate Professor, in the Division of University Extension, beginning September 1, 1967, at an annual salary of \$14,000 (QY).
88. ROBERT I. SOARE, Assistant Professor of Mathematics, Chicago Circle, beginning September 1, 1967, at an annual salary of \$9,500 (1).
89. CHARLES A. SORRELL, Visiting Associate Professor of Ceramic Engineering, on one-half time, and of Geology, on one-half time, Urbana, for the academic year 1967-68, at a salary of \$14,000 (E).
90. EDWIN N. THOMAS, Professor of Geography, on one-half time, and in the Center for Urban Studies, Chicago Circle, on one-half time, beginning September 1, 1967, at an annual salary of \$17,500 (A).
91. ROBERT F. TIMM, Assistant Professor of Mechanical and Industrial Engineering, Urbana, beginning September 1, 1967, at an annual salary of \$12,500 (1).
92. ROBERT J. TURNBULL, Assistant Professor of Electrical Engineering, Urbana, beginning September 1, 1967, at an annual salary of \$9,700 (1).
93. LEON WALDOFF, Assistant Professor of English, Urbana, beginning September 1, 1967, at an annual salary of \$9,000 (1).
94. JOAN S. WALLACE, Assistant Professor in the Jane Addams Graduate School of Social Work, Chicago Circle, beginning September 1, 1967, at an annual salary of \$11,000 (1).
95. LUITPOLD WALLACH, Professor of Classics, Urbana, beginning September 1, 1967, at an annual salary of \$17,000 (A).
96. BURTON A. WEICHENTHAL, Assistant Professor of Animal Science Extension, Urbana, beginning August 1, 1967, at an annual salary of \$12,000 (1Y).
97. ANNE J. WELLS, Assistant Professor of Nursing, College of Nursing, on one-half time, beginning September 1, 1967, at an annual salary of \$4,500 (D50).
98. ROLLIN G. WRIGHT, Associate Professor of Physical Education for Men, on four-fifths time, and Counselor, University Council on Teacher Education, on one-fifth time, Urbana, beginning September 1, 1967, at an annual salary of \$13,500 (A,D).
99. ALEXANDER ZABRODSKY, Assistant Professor of Mathematics, Chicago Circle, beginning September 1, 1967, at an annual salary of \$9,500 (1).
100. THEO ZEITLER, Assistant Professor of Art, Urbana, beginning September 1, 1967, at an annual salary of \$9,000 (2).

On motion of Mr. Hahn, these appointments were confirmed.

WELDON POWELL PROFESSORSHIPS IN ACCOUNTANCY

(5) On December 8, 1966, the Board of Trustees authorized acceptance of gifts deposited with the University of Illinois Foundation and the establishment of a Professorship in Accountancy named in honor of the late Weldon Powell.

The Department of Accountancy now recommends that the funds received for this purpose by the University of Illinois Foundation be used to establish Weldon Powell Memorial Awards and to establish the Weldon Powell Memorial Lecture-ship Series. The memorial awards would be available to Professors of Accountancy on the Urbana-Champaign campus, and the lectureship series would be held either on the Chicago Circle campus, the Urbana-Champaign campus, or elsewhere as seems appropriate.

The funds now on deposit are in excess of \$130,000. Both programs would be supported by these funds and the earnings thereon, with approximately 80 per cent of the contributed funds devoted to support the Weldon Powell Memorial Awards, and 20 per cent to the financial support of the Weldon Powell Memorial Lecture-ship Series. Both principal and interest would be expended as needed.

The Executive Vice-President and Provost recommends the establishment of the Weldon Powell Memorial Awards and the Weldon Powell Memorial Lecture-ship Series.

I concur.

On motion of Mr. Jones, this recommendation was approved.

AMENDMENT OF SECTION 48 OF THE UNIVERSITY OF ILLINOIS STATUTES

(6) With the concurrence of the Chancellors at each campus, I submit for the consideration of the Board an amendment to Section 48 of the *University of Illinois Statutes* so that the Section would read as follows:

Dean of Students or Student Affairs

Sec. 48 (a) Upon recommendation of the Chancellor at each campus and on the nomination of the President, the Board of Trustees may appoint biennially a dean who shall have general supervision over extracurricular activities of students at that campus.

(b) The responsibility and authority of this officer are set forth in the *General Rules Concerning University Organization and Procedure*.

I recommend provisional approval of this amendment, with the stipulation that the Trustees defer final approval until the present action has been reported to the Senates of all three campuses for their information and further advice.¹

On motion of Mr. Swain, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Dr. Weatherly.

REORGANIZATION OF DEAN OF STUDENTS OFFICE, URBANA

(7) The Dean of Students at Urbana has recommended and the Chancellor has concurred in a plan for the reorganization of his office. Appointments to newly-titled positions and rearrangement of responsibilities will be on acting basis during the 1967-68 academic year subject to further review.

The new organization provides that the present Dean of Women will hold the title *Dean of Student Personnel and Dean of Women*, and that the post of Dean of Men, now vacant, be replaced by a new position, *Dean of Student Programs and Services*.

It is expected that during 1967-68 experience with the new plan of operation will permit further development and refinement of the proposal. However, it is the intent of the Dean of Students that the work of his office will be brought to clearer focus in two major administrative positions: (1) the Dean of Student Personnel and Dean of Women will be responsible for personnel and guidance work

¹ Although the amendment contemplates the ultimate discontinuance of the title University Dean of Students, the incumbent (Dean Fred H. Turner) will continue to hold the title during his tenure at the University.

with individual men and women, coordinating closely with the offices of Financial Aid, Foreign Student Affairs, and Coordinating Placement; (2) the Dean of Student Programs and Services will be directly concerned with programs and policies touching student organizations and activities, residence hall programs, the Housing Division, the Union, and the Security Office. Within the academic year, after further consultation, the Dean of Students will propose changes in title for certain Assistant Deans of Men and Women (and other staff members) to reflect their associations with "Student Personnel" or "Student Programs and Services."

The preliminary steps in this reorganization have been undertaken following extensive consultation with all staff members involved, as well as with numerous faculty members, deans of colleges, and administrative officers. The plan is also consistent with national trends.

It is intended that the reorganization described will be implemented in 1967-68 on an interim basis, pending formal amendment of the *Statutes*, and it is with this understanding that I ask approval.

On motion of Mr. Hahn, this recommendation was approved.

ADMINISTRATIVE CHANGES. PHYSICAL PLANT DEPARTMENT

(8) Under the University *Statutes*, the Director of the Physical Plant is responsible for "the operation and maintenance of and capital additions to the physical plant at Urbana-Champaign (excluding the Airport, Robert Allerton Park, the experimental farms, and properties maintained by the Athletic Association), at the Chicago Professional Colleges, and at the Chicago Undergraduate Division."

After considerable study related to the functions of the Physical Plant Department and in further defining the specific duties to be delegated to campus administration, I am proposing, with the concurrence of the Chancellors and the Director of the Physical Plant, that effective October 1, 1967, on an interim basis and pending formal amendment of the *Statutes*, the following changes in administrative organization and functions related to the Physical Plant Department:

1. That the operation and maintenance services of the Physical Plant and operation and maintenance of Auxiliary Services at each campus be administered by "Campus Directors," who shall report directly to the Chancellor of that campus.
2. That the present title of "Director of Physical Plant Department" be changed to "University Director of Physical Plant Planning and Construction." He shall report directly to the President and will be responsible at all campuses for campus physical plant planning; planning and construction of new buildings and additions to existing buildings; landscape and site development related to these projects; and land acquisition (excluding the Airport, Robert Allerton Park, experimental farms and areas, and properties maintained by the Athletic Association).

A recommendation will be submitted later on revision of *The General Rules Concerning University Organization and Procedure* to reflect the changes.

It is intended that the changes described will be implemented in 1967-68 on an interim basis, pending formal amendment of the *Statutes*, and it is with this understanding that I ask approval.

On motion of Mr. Jones, this recommendation was approved.

DEPARTMENT OF RECREATION AND PARK ADMINISTRATION. URBANA

(9) On recommendation of the department and with the agreement of other departments concerned, the Chancellor at the Urbana-Champaign campus has approved a change in the name of the Department of Recreation and Municipal Park Administration to "Department of Recreation and Park Administration." Since the formation of the department in 1957, courses have been added to the department's curricula which relate to administration of park systems at other levels as well as at the municipal level; hence, the change will reflect more accurately the department's program.

This action is reported to the Trustees for the record.

On motion of Mr. Hughes, this report was received for record.

APPROPRIATIONS FOR NONRECURRING EXPENDITURES, URBANA

(10) The Executive Vice-President and Provost, the Chancellor of the Urbana-Champaign campus, and the Vice-President and Comptroller recommend the following nonrecurring appropriations from:

Urbana-Champaign General Reserve

College of Liberal Arts and Sciences	
Department of Geology, equipment.....	\$ 53 600 00
Department of Zoology, equipment.....	11 940 00
<i>Total, Urbana-Champaign General Reserve</i>	<u>(\$ 65 540 00)</u>

Urbana-Champaign Contract Research Reserve

College of Agriculture	
Department of Forestry, greenhouses and headhouse.....	24 759 00

Urbana-Champaign National Science Foundation Cost-of-Education Allowances

College of Engineering	
Nuclear Engineering Program, balance required to upgrade the Nuclear Reactor, to supplement a grant from the National Science Foundation.....	40 000 00
<i>Grand Total</i>	<u>\$130 299 00</u>

I concur.

On motion of Mr. Swain, these appropriations were made by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Dr. Weatherly.

REAPPROPRIATION OF UNEXPENDED BALANCES

(11) The Vice-President and Comptroller recommends that the following balances and overdrafts in budget appropriations June 30, 1967, be carried forward for the fiscal year beginning July 1, 1967, in accordance with the usual policy.

I concur.

On motion of Mr. Hughes, these reappropriations were approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Dr. Weatherly.

CONTRACT FOR REROOFING EAST HALF OF NOYES LABORATORY, URBANA

(12) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$69,990 to Petry Roofing and Sheet Metal Co., Champaign, for replacing the roofing, flashings, gutter linings, downspouts, and lightning protection system on the east half of Noyes Laboratory, Urbana-Champaign campus.

Funds are available from the Physical Plant Department budget for this work. I concur.

On motion of Mr. Grimes, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Dr. Weatherly.

* Deduct.

**CONTRACTS FOR REMODELING IN NOYES LABORATORY
FOR THE DIVISION OF CHEMISTRY, URBANA**

(13) The Director of the Physical Plant and the Vice-President and Comptroller recommend assignment of \$157,280 from the Urbana-Champaign Contract Research Reserve and award of the following contracts, based on the percentages bid for contractors' fees, for remodeling twenty-five rooms in portions of the first, second, third, and fourth floors of Noyes Laboratory for the Division of Chemistry of the College of Liberal Arts and Sciences, Urbana-Champaign, the award in each case to the lowest bidder:

	<i>Per Cent for Material</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub- contracts</i>	<i>Estimated Fee Payments</i>	<i>Total Estimated Payments</i>
General — Dean Evans Co., Champaign.....	4	25	12	\$27 220 00	\$223 220 00
Electrical — G. L. Wilsky, an individual doing business as Downtown Electric, Urbana	15	22	0	6 500 00	42 500 00
Plumbing — Wren C. Thomas and Willis H. Thomas, a partnership doing business as Thomas Plumbing and Heating Company, Urbana	15	38	2	13 540 00	59 540 00
Heating, Piping, Refrigeration and Automatic Tempera- ture Control Systems — W. L. Rogers, an individual doing business as Cool-Rite Refrigeration, Urbana.....	25	35	10	12 100 00	54 200 00
Ventilation and Distribution Systems for Conditioned Air — W. L. Rogers, an individual doing business as Cool-Rite Refrigeration, Urbana.....	25	30	10	19 600 00	89 600 00

Remaining funds for the work are available from a National Science Foundation Grant (\$200,000) and from a previous allocation approved by the Board of Trustees on April 19, 1967.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Swain, these recommendations were approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Dr. Weatherly.

**CONTRACTS FOR REMODELING IN NOYES LABORATORY
FOR THE DEPARTMENT OF ZOOLOGY, URBANA**

(14) The Director of the Physical Plant and the Vice-President and Comptroller recommend assignment of \$53,280 from the Urbana-Champaign General Reserve and award of the following contracts, based on the percentages bid for contractors' fees, for remodeling four rooms in Noyes Laboratory for the Department of Zoology, Urbana-Champaign, the award in each case to the lowest bidder:

	<i>Per Cent for Material</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub- contracts</i>	<i>Estimated Fee Payments</i>	<i>Total Estimated Payments</i>
General — Barber & DeAtley, Inc., Urbana.....	5	25	10	\$3 500 00	\$31 500 00
Electrical — G. L. Wilsky, an individual doing business as Downtown Electric, Urbana..	16	23	0	418 00	2 618 00

	<i>Per Cent for Material</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub- contracts</i>	<i>Estimated Fee Payments</i>	<i>Total Estimated Payments</i>
Plumbing—Wren C. Thomas and Willis H. Thomas, a partnership doing business as Thomas Plumbing and Heating Company, Urbana	20	39	5	\$1 264 00	\$5 264 00
Heating, Piping, Refrigeration and Automatic Temperature Control Systems—W. L. Rogers, an individual doing business as Cool-Rite Refrigeration, Urbana	30	35	10	760 00	3 360 00
Ventilation and Distribution Systems for Conditioned Air—W. L. Rogers, an individual doing business as Cool-Rite Refrigeration, Urbana	30	35	10	610 00	2 610 00

Since W. L. Rogers, an individual doing business as Cool-Rite Refrigeration, Urbana, is the lowest bidder with identical fee percentages for heating, piping, refrigeration and automatic temperature controls system work and for ventilation and distribution systems for conditioned air work, it is also recommended that these two awards be combined in a single contract in lieu of separate contracts.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Page, these recommendations were approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Dr. Weatherly.

CONTRACT FOR CONSTRUCTION OF NEW STEAM SERVICE TO PERSONNEL SERVICES BUILDING, URBANA

(15) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$18,970 to The Nu-Way Contracting Corp., Chicago, the lowest bidder, for the provision of steam service to the Personnel Services Building, Urbana-Champaign campus.

Funds are available in state capital appropriations to the University for 1967-69 and have been released.

I concur.

On motion of Mr. Hughes, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Dr. Weatherly.

CONTRACT FOR PROFESSIONAL DESIGN SERVICES, CHICAGO CIRCLE

(16) The Vice-President and Comptroller recommends award of a contract to Skidmore, Owings & Merrill, Chicago, for design services, including layout, selection of materials and fabrications for general and special equipment for Behavioral Sciences Center, Site 2, Phase III, Chicago Circle.

The fee will be based on timecard charges at the firm's usual and customary hourly rates, plus 150 per cent to cover overhead and profit. The estimated total expenditure is not to exceed \$67,000.

Funds are available in state capital appropriations to the University for 1967-69, subject to release by the Governor.

The Director of the Physical Plant concurs in this recommendation.

I concur.

On motion of Mr. Jones, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Dr. Weatherly.

**REQUEST TO ILLINOIS BUILDING AUTHORITY TO CONTRACT
FOR CONSTRUCTION OF BEHAVIORAL SCIENCES
CENTER, CHICAGO CIRCLE**

(17) On August 31, 1967, the Illinois Building Authority received bids for the construction of the Behavioral Sciences Center at the Chicago Circle campus. The lowest bidder is Turner Construction Company, Chicago, with a bid of \$8,990,000. Proposals were also received from Gust K. Newberg Construction Co., Chicago, with a bid of \$9,447,000 and S. N. Nielson Construction Co., Chicago, with a bid of \$9,870,000. The lowest bidder is deemed qualified to do the work.

The project is a part of the construction for the Chicago Circle campus which the Board, at its meeting on July 26, 1967, requested the Illinois Building Authority to provide. The Authority will finance the construction and lease the facilities to the University. Funds for rental payments for the present biennium are available in state appropriations to the University. Jurisdiction of the land on which the project will be constructed will also be transferred to the Authority.

The Director of the Physical Plant and the Vice-President and Comptroller recommend that the Board of Trustees request the Illinois Building Authority to award a contract for the described work to the lowest bidder and proceed to procure this facility for the use of the University.

It is also recommended that the Comptroller and the Secretary of the Board be authorized to make, execute, acknowledge, and deliver such instruments of transfer, conveyance, lease, contract, and other documents as are necessary to provide for the carrying out of the foregoing project and facility by the Illinois Building Authority.

I concur and recommend adoption of the resolutions submitted herewith to implement the official actions required, including authorization for the execution and delivery of the instrument of transfer of jurisdiction of real estate to the Illinois Building Authority.

Resolution

Be It, and It Hereby Is, Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Illinois Building Authority be, and it hereby is, requested to award to the Turner Construction Company, Chicago, a contract in the amount of \$8,990,000 for construction of the Behavioral Sciences Center at the Chicago Circle Campus in accordance with the base bid submitted.

Be It, and It Hereby Is, Further Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and Secretary of this public corporation be, and they hereby are, authorized to make, execute, acknowledge, and deliver, in the name and in behalf of this corporation, such instruments of transfer, conveyance, lease, contract, and other documents as are necessary or appropriate in order to provide for the carrying out of the foregoing project and facility by the Illinois Building Authority.

On motion of Mr. Swain, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Dr. Weatherly.

Resolution

WHEREAS the Seventy-Fifth General Assembly of the State of Illinois has declared it to be in the public interest that the Illinois Building Authority construct, on behalf of The Board of Trustees of the University of Illinois, a Behavioral Sciences Center on the Chicago Circle campus of the University of Illinois in Chicago, Illinois; and

WHEREAS for that purpose it will be necessary for the Illinois Building Authority to acquire jurisdiction of the real estate upon which said building will be located; and

WHEREAS The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois with its principal office in Urbana, Illinois, has been requested by the Illinois Building Authority to transfer jurisdiction of said real estate for the construction of said building.

Now, Therefore, Be It and It Is Hereby Resolved by The Board of Trustees of the University of Illinois, as follows:

Section 1: That the Comptroller and the Secretary of The Board of Trustees of the University of Illinois be, and they hereby are, authorized to execute, acknowledge, and deliver in the name and on behalf of this corporation, an instrument of transfer of jurisdiction to the property described in the attached document entitled "Instrument of Transfer"¹ dated September 20, 1967, which said form of Instrument of Transfer is, by this reference, incorporated in and made a part of this Resolution.

On motion of Mr. Swain, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Dr. Weatherly.

CONTRACT FOR AUTOMATIC LAWN SPRINKLER SYSTEM FOR MALL AREAS, MEDICAL CENTER

(18) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$13,300 to Muellermist Irrigation Co., Broadview, the lowest bidder, for furnishing and installing the irrigation system in the Mall area located adjacent and south of the Chicago Illini Union at the Medical Center.

The system will provide for the irrigation of the landscaping in the Mall and the Union Building areas which now has to be done by tank truck.

Funds are available in state capital appropriations to the University and have been released.

I concur.

On motion of Mr. Swain, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Dr. Weatherly.

EMPLOYMENT OF PLANNING CONSULTANTS

(19) The Director of the Physical Plant and the Vice-President and Comptroller recommend the employment of the following firms for architectural studies and consulting services on long-range campus planning as directed by the University.

Chicago Circle Campus

Skidmore, Owings & Merrill, Chicago, at a fee of actual costs of technical personnel at customary hourly rates plus 150 per cent.

Urbana-Champaign Campus

Harry Weese & Associates, Chicago, at a fee of actual costs of technical personnel at customary hourly rates plus 150 per cent.

Funds for the Chicago Circle campus work are available in state capital appropriations to the University, subject to release by the Governor. The assignment of \$15,000 from the Urbana-Champaign General Reserve is recommended for the work at Urbana-Champaign.

I concur.

On motion of Mr. Hahn, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Dr. Weatherly.

¹ The "Instrument of Transfer" is being filed with the Secretary of the Board for record.

MODIFICATION OF ARRANGEMENTS FOR ARCHITECTURAL SERVICES FOR THE MUSIC BUILDING, URBANA

(20) The Board at its meeting on April 19, 1967, approved the employment of Richardson, Severns, Scheeler & Associates, Inc., Champaign, for complete architectural services for the Music Building at the Urbana-Champaign campus. On July 26, 1967, the Board of Trustees, at the request of the Illinois Building Authority, amended its previous action and authorized the employment at a fee of 5½ per cent of the budgeted construction costs, and authorization was given for the assignment of the contract to the Building Authority.

The Building Authority has subsequently offered a fee arrangement, which the architect prefers and which will result in a basic fee through the receipt of bids of 4½ per cent of the budgeted construction cost of \$3,545,500, plus additional payments for supervision and construction administration at a rate of .2 of 1 per cent of the budgeted construction cost, plus the cost of actual time in the field of their personnel during construction plus 125 per cent.

As this contract will be assigned to the Illinois Building Authority and as the proposed fee arrangement meets with its approval, the Director of the Physical Plant and the Vice-President and Comptroller recommend that actions of the Board relating to this project be amended as indicated above.

I concur.

On motion of Mr. Swain, this recommendation was approved.

ASSIGNMENT OF ARCHITECTURAL AND ENGINEERING CONTRACTS TO THE ILLINOIS BUILDING AUTHORITY

(21) The Seventy-fifth General Assembly declared certain buildings and projects for the University of Illinois at the Chicago Circle, Medical Center, and Urbana-Champaign campuses to be in the public interest, thereby indicating that funding of these projects could be accomplished by the Illinois Building Authority. On July 26, 1967, the Board of Trustees requested the Illinois Building Authority to undertake these projects.

The Director of the Physical Plant and the Vice-President and Comptroller recommend that authorization be given for the assignment to the Illinois Building Authority of the following architectural and engineering contracts relating to projects which the Illinois Building Authority has been requested to finance in the 1967-69 biennium:

Chicago Circle Campus

1. Behavioral Sciences Center Building..... Skidmore, Owings & Merrill, Chicago
2. Science and Engineering Center Building..... Skidmore, Owings & Merrill
3. Utilities Center Addition..... Sargent & Lundy, Engineers, Chicago

3. Women's Gymnasium Addition..... John Sweetnam with Spangler, Beall, Salogga and Bradley, Decatur

I concur.

On motion of Mr. Clement, this recommendation was approved.

TRANSFER OF REACTOR COMPONENTS TO MICHIGAN STATE UNIVERSITY

(22) As a result of the purchase of new equipment, approved by the Board of Trustees on November 10, 1966, certain reactor components and fuel parts of the TRIGA Nuclear Reactor will become surplus property no longer needed in the advancement of the University's nuclear engineering research program.

The United States Atomic Energy Commission, which has control over the use of the fuel parts and which is currently contributing \$126,945 for the purchase of new fuel parts in our updating program, and the National Science Foundation, which furnished the majority of the original purchase funds and which is currently contributing \$141,700 to the updating of the TRIGA Nuclear Reactor, have re-

quested the University of Illinois to make the surplus reactor parts and surplus atomic fuel available to another school without charge for nuclear engineering research purposes.

Guidelines for identifying a school with close ties to the University of Illinois which was located in the Midwest and which had the projected capacity for proper use of these materials in accordance with the requirements of the Atomic Energy Commission and the National Science Foundation were developed. In accordance with these guidelines, the CIC schools were contacted and it has been determined that Michigan State University is the only school from among those contacted which is both interested and fully capable of making best use of these materials. Consequently, it is proposed that these surplus reactor components and the surplus fuel parts be transferred to Michigan State University without charge.

As a part of this transfer, the University of Illinois will provide technical instruction to Michigan State University personnel with respect to operation of the equipment, and the University of Illinois will assume responsibility for removal and packaging of all materials for delivery to a carrier to be designated by mutual agreement. For these services, Michigan State University will pay to the University of Illinois the amount of \$16,500 less the cost of shipping the fuel from the Urbana reactor site to the designated site at Michigan State University. However, in no event shall the payment to the University of Illinois be less than \$13,500 f.o.b. the Urbana reactor site.

The chairman of the nuclear engineering program, the Vice-President and Comptroller, and the Executive Vice-President and Provost recommend that this transfer be approved in principle and that the Comptroller and Secretary be authorized to enter into a contract with Michigan State University in this respect after first securing written approval of the transfer from appropriate officials of the state of Illinois in accordance with the provisions of the State Property Control Act.

I concur.

On motion of Mr. Jones, this recommendation was approved.

RECOMMENDATIONS FROM COMMITTEE ON COPYRIGHTS AND RECORDINGS

(23) The Committee on Copyrights and Recordings has reviewed a request from the College of Liberal Arts and Sciences, Chicago Circle, that a contract be negotiated with McGraw-Hill Book Company for the publication of self-instructional materials in remedial mathematics. Dr. Michael Eraut was commissioned by the University of Illinois at Chicago Circle to prepare the materials for use in the Special Education Project for Disadvantaged Students, with funds being provided by the University.

Two volumes are presently under consideration for revision and publication — with a third volume being contemplated following completion of Dr. Eraut's service for the University. This third volume is not dependent on the first two for publication. The following are the Committee's recommendations:

1. That Dr. Eraut be permitted to negotiate a contract with McGraw-Hill for publication and royalties, subject to final approval by the University — with a royalty rate of no less than 8 per cent.
2. That 60 per cent of royalty income on the first two volumes — including the diagnostic materials — be paid to the University and 40 per cent to the author, Dr. Eraut.
3. That the division of royalties recommended be effective for seven years or for the life of the edition of the first two volumes (including diagnostic materials, in their originally-published form), whichever is later.
4. That any substantial use of the commissioned materials in connection with revised or enlarged editions after the time designated in (3) above be subject to further negotiation of royalty arrangements.
5. That any identification of the University of Illinois with the published work be subject to the approval of the University.

The Executive Vice-President and Provost and the Vice-President and Comptroller endorse these recommendations.

I concur.

On motion of Mr. Clement, these recommendations were approved.

CHANGES IN NONACADEMIC POLICY AND RULES

Relating to: Holidays; Vacation and Personal Leave; Political Activity; Schedules, Hours, and Overtime; and Conduct and Discipline

(24) Proposed changes in the *Policy and Rules Relating to Compensation and Working Conditions of Nonacademic Employees* relating to: Holidays, Vacation and Personal Leave, Political Activity, Schedules, Hours, and Overtime, and Conduct and Discipline have been under consideration for some time. Consistent with procedures followed in other recent changes and revisions, comments have been solicited by the Director of Nonacademic Personnel from deans, directors, and department heads, and from employee organizations. Draft revisions were submitted to the Nonacademic Personnel Advisory Committees on each campus and to the University of Illinois members of the Employees Advisory Committee of the University Civil Service System of Illinois. Revised drafts were reviewed by the All-University Nonacademic Personnel Advisory Committee.

In the light of such review and upon the recommendation of the Vice-President and Comptroller and the Director of Nonacademic Personnel, the following policy changes are presented to the Board for approval:

Holidays

University-wide General Policy: Holidays and Work Suspensions — to become effective October 1, 1967

- A. University facilities will be closed, except for necessary operations, on the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day.
- B. On these days, eligible employees, as defined by the President, will be excused with pay except that (1) an employee in a Prevailing Rate Craft will be excused and paid for holidays as designated in his respective multi-employer area agreement, and (2) an employee required for necessary operations will not be excused but, pursuant to rules issued by the President, may be given his holiday pay at his regular rate plus one and one-half times his regular rate for all hours worked.
- C. Work will be suspended at other times only as approved by the President or the appropriate Chancellor who shall decide in each case whether employees' schedules for work will be excused with or without pay.

In general, the new text differs from earlier language in seeking to provide more uniformity and in relating policy to a redefinition of prevailing rate groups.

Vacation and Personal Leave

The revised policy statement conforms to standards recommended by the Merit Board of the University Civil Service System of Illinois at its July 26 meeting. The general objective is to attain a common vacation plan for the three campuses of the University of Illinois.

University-wide General Policy: Vacation and Personal Leave — to become effective January 1, 1968

- A. The University provides employees with Vacation and Personal Leave for their use in renewing their physical, psychological, and mental vigor, their enthusiasm for their work, and in satisfying personal needs. The design of the leave contemplates that each employee will use a sizable amount of his available leave for vacation and rest while reserving smaller increments for personal and family reasons.
- B. Vacation and Personal Leave is earned by each employee for pay-status service in a Trainee, Apprentice, Provisional, or Status Appointment, subject to completion of an initial six months of such service.
- C. The amount of Vacation and Personal Leave earned is based upon the hours in pay status and the number of service years completed without break of service.
(A memorandum on the method of calculating years of service and other technical aspects of Item "C" is being filed with the Secretary of the Board for record.)
- D. An employee may accumulate at his then current earning rate an amount of leave equal to that earned in two service years but upon reaching this accumulation will cease to earn leave except as the accumulation is reduced.

In addition to a number of technical changes, particularly in the Rules of Administration, the revised statement differs from the existing statement in that: personal leave and vacation benefits are combined into a single account; eligibility is clarified and standardized; a uniform definition of the service year is established throughout the University; the present deferral of vacation is discontinued but a maximum accumulation of up to two years at the current earning rate is permitted; and payment of cash in lieu of vacation is not contemplated but once the maximum accumulation is reached, further leave is not earned except as the accumulation is reduced.

Political Activity

Currently, various provisions relating to the political activity of nonacademic employees appear in State statutes, University General Rules, Civil Service statutes and elsewhere but are not easily available in a single reference. Therefore, it is proposed that the *Policy and Rules* include references to such provisions advising employees where they may be found and their general nature. In addition, employees would be directed to appropriate University offices where questions about the provisions can be answered.

The Director of Nonacademic Personnel also has proposed that a general statement of policy, positively phrased, be provided to encourage employees to exercise the rights they possess as citizens to the extent they are not limited by the existing provisions.

Accordingly, the following statement of policy is recommended to become effective October 1, 1967:

University-wide General Policy: Political Activities

Employees are encouraged to exercise their rights and obligations as citizens and to participate in political activities except those that are prohibited by law or conflict with their University duties.

Schedules, Hours, and Overtime

University-wide General Policy: Schedules, Hours, and Overtime — to become effective October 1, 1967

Work schedules, the number of hours to be worked and starting and quitting times shall be established by the President or under his authority.

Work schedules may be changed from time to time to meet varying conditions of the University's programs.

The University may require employees to work overtime. Overtime work shall be limited to unusual, essential, or emergency situations and, insofar as practicable, shall be fairly distributed.

In general, the new text is a delegation of the President of the University to establish work schedules, the hours to be worked and starting and quitting times. The present policy which is being superseded established actual work schedules. As the maximum weekly hours and the minimum overtime rates are now established by Statute (e.g., the Fair Labor Standards Act), it appears desirable to give the President discretion to establish work schedules and rules within these statutory limitations. The manner in which this discretion will be exercised is reflected in the proposed rules, a copy of which is being filed with the Secretary of the Board for record.

Conduct and Discipline

The text of the proposed policy statement follows. The purpose of this statement is to lay a foundation upon which the President may issue appropriate guides for employee conduct. The policy will become effective upon adoption by the Trustees.

Basic Policy: Conduct and Discipline

Employees are expected to perform their work efficiently and effectively and to be mindful of the public expectations of the University and of University employees. Supervisors are expected to provide leadership for the group they supervise, to respect the dignity and rights of employees as individuals, and to set an example by their own conduct, attitude, and work habits. Appropriate disciplinary measures should be applied firmly, consistently, and impartially.

The present *Policy and Rules* contain a ban on solicitation but no other rules on Conduct and Discipline. Several months ago, Governor Kerner issued a Code

of Conduct applicable to employees under the State Personnel Code. Many other public and private employers have similar codes. The Civil Service Handbook contains a listing of specific items for which discipline may be imposed but does not include some important ones, e.g., unsatisfactory work performance. The rules, in this case actually guides, which the President proposes to issue at this time are being filed with the Secretary of the Board for record.

I concur in the recommendation that these policies be approved as herein presented. Upon their approval, appropriate rules will be issued as indicated, and modified from time to time as circumstances warrant according to the policies established.

On motion of Mr. Swain, this recommendation was approved.

PURCHASES

(25) The President submitted, with his concurrence, a list of purchases recommended by the Director of Purchases and the Vice-President and Comptroller; also a list of purchases authorized by the President.

The lists of purchases authorized and purchases recommended for Board approval were presented in two categories: purchases from appropriated funds (i.e., from state appropriations to the University) and purchases from institutional funds. The latter term designates funds received by the University under contracts with the United States government, contracts with private corporations and other organizations, funds from foundations grants, and grants from corporations and other donors, and University revolving funds authorized by law.

The total amounts of these purchases were:

From Appropriated Funds

Purchases Authorized.....	\$ 5 353 00
Purchases Recommended.....	186 149 40
	<u>\$191 502 40</u>

From Institutional Funds

Purchases Authorized	26 495 00
Purchases Recommended.....	280 121 43
	<u>\$306 616 43</u>
<i>Grand Total.....</i>	<i>\$498 118 83</i>

A complete list of the purchases authorized and purchases recommended, with supporting information, including the quotations received, was sent to each member of the Board in advance of the meeting, and a copy is being filed with the Secretary of the Board for record.

On motion of Mr. Clement, the purchases authorized by the President were approved, and the purchases recommended were authorized.

COMPTROLLER'S REPORT OF PURCHASES APPROVED

(26) The Vice-President and Comptroller also submitted a report of purchases approved by him on recommendation of the Director of Purchases in amounts of \$2,500 to \$5,000. A copy of this report is filed with the Secretary.

This report was received for record.

INVESTMENT REPORT

Report of the Finance Committee

(27) The Finance Committee reported the following changes in investments of endowment funds for the months of June and July, 1967:

Endowment Pool

Sale	
\$21 000 Columbia Gas System 4¾ per cent bonds due 10/1/81....	\$ 19 687 50
Purchase	
\$10 000 Natural Gas Pipeline 4½ per cent due 9/1/84.....	8 800 00

Miller

Purchase		
\$10 000 Commercial Credit Corp. open-end demand notes.....	\$	10 000 00
40 000 Martin-Marietta Corp. 5½ per cent SF Deb. due 4/15/92..		39 048 00
100 shares Honeywell common stock.....		7 596 55
900 shares Household Finance Corp. common stock.....		26 326 14

Report of the Comptroller

The Comptroller reported the following changes in investments of current and unexpended plant funds, which he has been authorized to make, for the months of June and July, 1967:

Current Funds

 GENE KEITH RINKEL, A.B., Greenville College, 1950; B.D., Asbury Theological Seminary, 1958
 BARBARA LOUISE SACKMAN, B.A., Adelphi College, 1966
 CHARLES MARVIN SCHAEVE, B.S., M.S., 1950, 1951
 PHILIP RONALD SCOTT, B.S., Ashland College, 1961
 KATHRYN ANNE SPITZNAS, A.B., 1964
 ROBERT GAIL STANLEY, B.S., M.S., Kansas State University, 1948, 1949
 JOHN JOSEPH SZCZEPANSKI, B.S., 1966
 CAROL MARY NELSON THOMAS, A.B., 1966
 REBECCA ANNE THOMAS, B.S., University of Tennessee, 1964
 DOLORES JANEAN THOMPSON, A.B., University of Missouri, 1963
 DONNIE LEE TOLLIVER, B.S., M.S., Eastern Illinois University, 1960, 1964
 GEORGE WALTER TOUSSAINT, B.S.Ed., Southern Illinois University, 1957; M.A., State University of Iowa, 1963
 JILL LEE TROELSTRUP, B.A.Ed., Arizona State University, 1966
 DELORES BOURAS WALLACE, B.F.A., M.F.A., 1950, 1953

CAROL JANET WEBB, B.A.Ed., University of Arizona, 1949
 NORMAN GRAENING WENDE, B.A., Wartburg College, 1953; B.D., Wartburg Theological Seminary, 1957

In Management

JOHN STANLEY FIESE, B.S., 1966
 MOTOKI SHIRASUKA, B.Agr., University of Tokyo, 1962
 CHARLES EDWARD WATSON, B.S., University California, 1966

In Marketing

MICHAEL LEWIS COHEN, B.S., 1964
 CHARLES JAN STEWART, B.S., Purdue University, 1962

In Mathematics

MARY MARGARET BAKER, B.S., Mundelein College, 1966
 ERIC JOHN BRAUDE, B.Sc., University of Natal, 1965
 VELETA PAULETTE BROOKS, A.B., MacMurray College, 1966
 ROBERT OWEN CARR, B.S., 1966
 JEROME MICHAEL CASEY, B.S., University of Minnesota, 1966
 STEVEN HOWARD COMSTOCK, A.B., MacMurray College, 1965
 KENNETH CHARLES FLOREK, B.A., Saint Mary's College, 1966
 GUNTER GUCKEL, B.S., B.S., 1964, 1965
 HENRY NELSON HAYHOE, B.Sc., Carleton University, 1966
 MICHAEL THOMAS HOGINS, B.A., University of California (Los Angeles), 1965
 ALVIN GEORGE KLEIN, B.A., Saint Louis University, 1966
 BRUCE STEPHEN LUND, B.S., 1967
 MARIE ANTOINETTE MACHNIKOWSKI, B.S., Northern Illinois University, 1965
 VIRGIL JOHN NIEMAN, B.S., Eastern Illinois University, 1964
 JULIUS WALTER OVERBECK, A.B., 1966
 THOMAS SANDS PARKS, B.S., Stanford University, 1963
 ANTHONY JOSEPH PRIETO, B.S., 1966
 ALICE RUTH SCHELLBERG, B.S., 1965
 MILDRED GEORGIA SCHLAPKOHL, B.S., Northwestern University, 1953
 CATHERINE LEIGH STEPHENS, B.A., University of Colorado, 1966
 TA-TUNG CHING TONG, B.A., Tunghai University, 1960; M.A., Brown University, 1964
 MARCIA JEAN UEBBING, B.S., Mundelein College, 1966
 KENNETH MICHAEL VANNELLI, B.S., University of Minnesota, 1966

In Mechanical Engineering

ROBERT RAY GOODRICH, B.S., Southern Illinois University, 1960
 GARY WILLIAM HOLMES, B.S., 1966
 ROBERT JOSEPH PODLASEK, B.S., A.B., 1966, 1966

In Metallurgical Engineering

BIJOY KISHORE DAS, B.Tech., Indian Institute of Technology (Kharagpur), 1965
 RONALD HENRY GELLS, B.S., Northwestern University, 1966
 DONALD IRWIN POTTER, Ph.B., B.S., Wayne State University, 1964, 1966
 JAMES ALLEN SALSGIVER, B.S., Pennsylvania State University, 1965
 MICHAEL ALLEN SCHMERLING, B.S., 1965
 FRANCIS ANDRÉ VASSORT, Diplôme d'Ingénieur Civil des Mines, Ecole Nationale Supérieure des Mines de Paris, 1965

In Microbiology

STEVEN BERNARD ANSLEY, B.S., College of the City of New York, 1966
 PATRICIA ANN ENDA, B.A., St. Xavier College, 1965
 HOWARD MARC GOLDEN, B.S., 1965
 RONALD EDWARD JUREZIZ, B.S., 1965
 PETER JON KNISKERN, B.S., 1965
 KINGSLEY FREDERICK LANGENBERG, B.S., 1965
 DENNIS MICHAEL O'NEIL, B.S., Purdue University, 1964
 BERNADETTE KNUE PACE, B.S., Indiana State College, 1965

In Mining Engineering

- KAO HSIUNG LIAO, B.S., Taiwan Provincial Cheng Kung University, 1963
 TUKREL RADHAKISHIN THAKUR, B.Eng., University of Madras, 1963
 BISHWA NATH TOMKORIA, B.Sc.(Hons.), Ranchi University, 1966

In Music Education

- JOHN BRANT ALBERT, A.B., Southern Illinois University, 1964
 VIRGINIA RUTH ARCHER, B.S.M., Bluffton College, 1938
 JOE LOUIS BOYER, B.S., Tennessee Agricultural and Industrial State University, 1962
 ROBERT GEORGE CHASE, B.A., Northland College, 1962
 ROGER RANDOLPH CUNNINGHAM, B.Mus.Ed., Illinois Wesleyan University, 1962
 JON RICHARD DUGLE, B.S., 1965
 AMEL EMILE EILAND, B.M.E., Jackson State College, 1964
 SUZANNE WATKINS FREESE, B.S., 1961
 THOMAS ROY HAGEMAN, B.M.Ed., Illinois Wesleyan University, 1964
 DONNA SUE HITE, B.S.Ed., Northern Illinois University, 1966
 CAROL JANE HOOGEVEEN, B.S., 1966
 WILLIAM DEAN KISINGER, B.S., 1963
 SUNNY JOAN LAWRENCE, B.M.E., Bradley University, 1957
 FREDERICK GEORGE LEVORA, JR., B.S., University of Dayton, 1964
 LARRY RAY MAFFETT, B.S., Eastern Illinois University, 1962
 CAROLYN JOYCE MITCHELL, B.Mus., B.S., 1959, 1959
 BETTY SUE NETHERY PALSGROVE, B.S., Southeast Missouri State College, 1943
 PETER PAUL PARADY, B.S., University of New Hampshire, 1963
 THOMAS ARTHUR PARKER, B.S., Illinois State University, 1962
 JAMES ALAN PHILLIPS, B.S., 1966
 DAVID EUGENE REED, B.S., Eastern Illinois University, 1961
 SHARON KAY REICH, B.M.Ed., Valparaiso University, 1966
 ROBERT JOHN RUCKRIGEL, B.S., 1963
 FRANKIE SWIFT SEABERRY, B.S., Illinois State University, 1958
 WILLIAM ANDREW SHAY, B.S., Wisconsin State University (Stevens Point), 1965
 CHARLOTTE MARIE SOUDER, B.S., Northern Illinois University, 1962
 WILLIE THOMAS SUMMERVILLE, B.S., Arkansas Agricultural, Mechanical and Normal College, 1966
 WILLIAM CURTIS WORRA, B.M., Western Michigan University, 1955

In Nuclear Engineering

- JAMES CHEH-MIN CHOW, B.S., 1966
 OREST ANTHONY HRYNEWYCH, B.S., 1966
 HAROLD JOSEPH PEARSON, B.S., Tougaloo Southern Christian College, 1966

In Physical Education

- CAROL JEAN ABERLE, B.S., Illinois State University, 1964
 JOYCE ELLEN CANTILENO, B.A., Queens College, 1964
 MARILYN LAMONT DILIBERTO, B.S., Kent State University, 1954
 MARTHA ELAINE EWING, B.S., Kansas State University, 1966
 LARRY R. GETTMAN, JR., A.B., Colorado State College, 1966
 PRISCILLA SUE JARBOE, B.S., Indiana University, 1966
 BARBARA JEAN JARVIS, B.S., Central Michigan University, 1962
 MAURICE JOHN JETTE, B.A., University of Ottawa, 1958
 JAMES WILLIAM KOHLER, B.S., 1962
 PETER RICHTER, Diplom, Sportshochschule (Koln), 1963
 RONALD ARTHUR SCHAD, B.A., University of Western Ontario, 1966
 RONALD PETER SCHLEGEL, B.A., University of Western Ontario, 1966
 WILLIAM DARE SNYDER, B.S., 1966
 SANDRA LEE WILHAM, B.S., 1965

In Physics

- ALLAN WAYNE BJERKAAS, B.S., University of North Dakota, 1966
 GARY RALPH CAMPBELL, B.A., Southern Illinois University, 1965
 JAMES SHIH-TSIH CHANG, B.S., 1965

TED MIYOSHI KOBAYASHI, B.S., United States Military Academy, 1964
 DON ALLEN MARSHALL, B.S., University of Idaho, 1966
 JORGE OSSANDON, Licenciado en Fisica, Austral University of Chile, 1960
 DON LYNN RENFRO, B.S., United States Military Academy, 1964

In Physiology

WILLIAM BRADFORD BAKER, A.B., Calvin College, 1965
 RICHARD DEAN BARNETT, B.S., 1964
 PAUL HARLAN BRAMSON, B.S., Colorado State University, 1963
 LAURENCE MICHAEL MITCHEN, B.A., Carthage College, 1965

In Psychology

GERALDINE ELIZABETH KELLY, B.S., 1966
 SUSAN JANE PFEIFER, B.S., 1966

In Recreation

HENRY ANDREW BERGER, B.S.Ed., State University of New York (Cortland), 1966
 STANLEY THOMAS DORFF, B.S., Wisconsin State University, 1966
 DE SALE GAUTHIER, B.A., University of Ottawa, 1963
 MARILYNN GRACE GUILLAUME, B.S., University of Michigan, 1957
 PHOEBE MARJORIE HAMILTON, B.P.E., University of British Columbia, 1966
 SHARYN SIPE HERB, B.S., Slippery Rock State College, 1966
 DENNIS RAMSAY HOWARD, B.S., University of Oregon, 1966
 SHARON ANN HUBER, B.S., Indiana University, 1966
 RUSSELL JOHN IRVINE, B.P.E., University of New Brunswick, 1964
 DAN WILSON KENNEDY, B.S., 1964
 CHARLIE WAYNE KORINEK, B.S., Arizona State University, 1966
 HAROLD LEE KUND, A.B., Illinois College, 1965
 THOMAS ERROL HARDY LEE, B.A., B.P.E., McMaster University, 1964, 1965
 ROLAND HAROLD SHARER, B.S., Arizona State University, 1966
 JOHN DOUGLAS SINNOTT, B.P.H.E., University of Toronto, 1965
 DAVID LOUIS WIEMER, B.S., Iowa State University, 1955
 MELVIN LEROY WOODS, B.S., Jackson State College, 1962

In Sanitary Engineering

GEORGE ALLEN FARNSWORTH, B.S., 1966
 CHARLES ROBERT KERTELL, B.C.E., Rensselaer Polytechnic Institute, 1966
 ALBERT TAKAKI KONDO, B.S., 1966
 JAMES ROBERT QUIN, B.S.C.E., Lafayette College, 1966

In Speech Correction

CYNTHIA MAY BISHOP, B.S., New York State College (Brockport), 1965
 BARBARA JEAN LESTER, B.S., Eastern Illinois University, 1965
 MAX BRENTON McDERMOTT, B.S.Ed., Eastern Illinois University, 1964
 SISTER MARY WILMA SMITH, A.B., St. Ambrose College, 1954, A.M., 1962
 KAREN ELAINE TULIN, B.A., University of Maryland, 1966

In Statistics

CHI SONG WONG, B.S., National Taiwan University, 1962; M.S., University of Oregon, 1966

In the Teaching of Biological Sciences and General Science

CHARLENE ANN NEMEC, B.S.Ed., Northern Illinois University, 1966
 JOHN THOMAS SILVER, B.S., 1966

In the Teaching of Geography

STEVEN CURTIN ROBERTS, B.S.Ed., Western Illinois University, 1962

In the Teaching of Mathematics

HOWARD ALLAN AMERLAN, B.S., 1966
 PATRICK JOHN BIBBY, B.S., Illinois State University, 1963
 ROGER ALLAN ENGE, B.A., Luther College, 1961
 JOY DIAN FETT, A.B., MacMurray College, 1966

MARILYN ROSE FONTES, A.B., Salve Regina College, 1961
 RONALD WALTER FORDONSKI, B.A., Lewis College, 1963
 DANNY LEROY HADDOCK, B.S., Eastern Illinois University, 1963
 CLEVELAND HOLMES, A.B., Stillman College, 1960
 GERALD JAMES MACNAB, B.S., Illinois State University, 1963
 JUDITH ANN MADARY, A.B., Miami University, 1961
 JON LEROY PEACY, B.S., 1958
 SISTER MARY PAUL HOLDMEYER, B.S., Notre Dame College (Missouri), 1956
 SISTER DAVID MARIE TONER, A.B., Saint Xavier College, 1962
 RICHARD ORVIN SMITH, B.S., Illinois State University, 1965
 JUDITH KAY TURNBULL, B.S., Western Illinois University, 1964

In the Teaching of Physical Education

MARY JEAN BOOTHBY, B.S., 1966
 JUDITH ANN MIRUS, B.A., DePauw University, 1966
 KENNETH WALTER ZIMMERMAN, B.S., 1963

In Theoretical and Applied Mechanics

SAMUEL LEE HAWKES, B.S., San Jose State College, 1966
 ROBERT PHILLIP HUBBARD, B.S.M.E., Duke University, 1965
 SAMMY AARON KIGER, B.S., 1966
 WILSON LEEMING, B.S., 1957
 JOHN JOSEPH MARCINIAK, B.S.E.S., University of Notre Dame, 1966
 ROLAND BAXTER WILSON, B.S., 1966

In Veterinary Medical Science

HAROLD NEIL BECKER, B.S., D.V.M., 1960, 1962
 EDDO CALETTI PAGANIN, Medico Veterinario, University of San Marcos, 1963
 MARVIN ALFRED NORBY, D.V.M., Kansas State University, 1947
 JOHN CARL THURMON, B.S., D.V.M., University of Missouri, 1960, 1962

In Zoology

BARRY WALTER ACHE, B.S., Albright College, 1965
 LEE EDWARD ENGSTROM, B.S., Iowa Wesleyan College, 1964
 GREGORY FRANCIS ERICKSON, B.S., North Park College, 1964
 GRETCHEN VAN CAMP HALL, A.B., Albion College, 1962
 JAMES MICHAEL JONES, B.A., Culver-Stockton College, 1965
 SANDRA HAGER KLUG, B.S., University of Wisconsin, 1966
 BILLY LEE REDMOND, B.S., University of Tennessee, 1964
 ROLAND RAY ROTH, B.S., University of Arkansas, 1966
 JAMES MITCHELL SONTAG, B.S., Lamar State College of Technology, 1965
 DAVID LAURENCE THOMAS, B.S., 1964
 ALICE PEPPER VAUGHAN, B.S., Wittenberg University, 1965
 EARL GRAVES ZIMMERMAN, B.S., Indiana State University, 1965

Degree of Master of Music

LAWRENCE JOHN DALEY, B.Mus., Roosevelt University, 1962
 DOUGLAS ROBERT DiBIANCO, B.Mus.Ed., University of Notre Dame, 1963
 KENNETH JOHN FERRANTINO, B.S., Northern Illinois University, 1965
 WILMA JEAN GEIL, B.A., Swarthmore College, 1961; M.S., 1964
 PAUL STEVE GORSKI, B.M., 1965
 DAVID CHARLES HOTTMANN, Mus.B., Oberlin College, 1956
 ALBERT CLEMON HUGHES, JR., A.B., B.M., Birmingham Southern College, 1964,
 1964
 JON CLIFFORD HUMPHREY, B.Mus., Baldwin-Wallace College, 1958
 WILLIAM PATTERSON MULLEN, B.Mus., 1966
 CLIFFORD IRWIN OCHAMPAUGH, B.M., Kansas State University, 1966
 DELREEN HAFENRICHTER PHILLIPS, B.Mus., 1966
 RUDOLPH OWENS SHACKELFORD, B.Mus. and Mus.Ed., Richmond Professional Insti-
 tute, 1966
 LAWRENCE EUGENE WELLER, B.S., B.Mus., 1964, 1964

Degree of Master of Education

REVA MCDANIEL ABRAHAM, A.B., University of Kansas, 1937
 NARONG ANANTARUNGS, B.Ed., College of Education (Bangkok), 1956
 DONALD DEAN ANGEL, B.A., State College of Iowa, 1959
 LORRINE ELAINE ARNETT, B.S., Illinois State University, 1964
 ANITA ROHN ARNEY, B.A., Augustana College, 1965
 ROBERT DEAN ARNOLD, B.S., Wheaton College, 1961
 KAY ELAINE ASHDOWN, B.S., Illinois State University, 1959
 FRANK GOLDMAN BAILEN, A.B., 1966
 OMA BONITA BAKER, B.S., Olivet Nazarene College, 1959
 CHARLENE MARY BALOUN, A.B., Mundelein College, 1964
 PAUL PETER BALTIS, A.B., Marianapolis College, 1940; M.S.I.R., Loyola University, 1960
 BERT ELWYN BARICKMAN, JR., A.B., 1961
 MARJORIE JEAN MILLER BARNETT, B.S., 1966
 JANE OLIVER BARR, B.S., Ball State Teachers College, 1964
 JAMES EDWARD BAUER, B.S., Eastern Illinois University, 1963
 SUSAN MARY BAUMBACH, B.S., 1964
 GALE LEE BEATTY, B.S.Ed., Northern Illinois University, 1966
 LEA GRACE BEAUDRO, B.S.H.A., Northwestern University, 1950
 RONALD RAY BERKSHIRE, B.A., Evansville College, 1952
 HENRIETTA MARY BERNING, B.S., Western Illinois University, 1955
 DAVID ARNOLD BERTO, B.S., Indiana State Teachers College, 1964
 BELVA MARTIN BEYERS, B.S., 1963
 RICHARD JOE BODINE, B.S., Indiana State University, 1962
 CAROL LYNN BOICE, B.F.A., Millikin University, 1962
 SHARON MARIE BONCOSKY, B.A., Augustana College, 1965
 JEAN GERBER BOWEN, B.A., Millikin University, 1964
 SANDRA ERVIN BOWEN, B.S., 1964
 RICHARD KENNETH BOYER, B.S., Eastern Illinois University, 1959
 MARY LOUISE BRAMER, B.S., 1960
 MARGO GEORGIA BROWNE, A.B., Elmhurst College, 1960
 JANIFER ENGQUIST BROZ, A.B., Augustana College, 1958
 GEORGE XAVIER BUHL, B.A., Lake Forest College, 1953
 KEITH VERNON BURBA, B.A., Olivet Nazarene College, 1965
 LINDA RICE BURBA, B.A., Olivet Nazarene College, 1966
 JOANN MARY BUTTIMER, B.S., 1962
 NANCY EILEEN CAIN, B.S., Ball State University, 1964
 JOHN GORDON CAMPBELL, B.S., Milton College, 1949
 KATHLEEN ANN CENTER, B.S., Macalester College, 1964
 CHARLES JAMES CHILVERS, B.S., 1966
 LEONARD COLLIER, B.S., Washington University, 1961
 JUNE MARGARET STOTTS CONNOR, B.S., 1962
 JAMES EMORY CORGAN, B.S., University of Missouri, 1950
 ANNETTA BERNIECE DAVIS, B.S., 1964
 DONALD ARTHUR DAVIS, B.S., 1953
 LINDA KAY DAVIS, B.A., North Central College, 1966
 MARY ANNE DAVIS, B.S., Eastern Illinois University, 1962
 SHIRLEY NELSON DAVIS, A.B., University of Dubuque, 1962
 MARLENE TAYLOR DAVISON, B.S., Tuskegee Institute, 1957
 GRACE ANN DE GIROLAMO, B.A., DePaul University, 1963
 MARIE LYDIA DIETER, B.S., Eastern Illinois University, 1962
 GORDON GRAY DREMANN, B.S., Illinois State University, 1960

 IRWIN JACK KERZNER, B.A., Roosevelt University, 1965
 ANNE PICKETT MAZUREK, B.A., Beloit College, 1964
 FREDERICK DALE STEIN, B.A., Millikin University, 1965
 CHARLOTTE HARRIET WALKER, B.Ed., Chicago Teachers College, 1958

Degree of Master of Fine Arts

In Design

PATRICK WILLIAM DINEEN, B.F.A., 1965

In Painting and Printmaking

KAREN LOUISE DIPPOLD, B.F.A., 1965
 BARBARA APEL KOETSCH, B.F.A., Kansas City Art Institute and School of Design,
 1965
 RONALD CHARLES RIZK, B.F.A., Maryland Institute College of Art, 1965
 WILLIAM GEORGE WEGMAN, B.F.A., Massachusetts College of Art, 1965

Degree of Master of Laws

ABD EL SAMEI OMER AHMED, LL.B., University of Khartoum, 1964; J.D., 1966

Degree of Master of Television

MENG YANN FU, B.A., National Chengchi University, 1966

WAYNE MICHAEL KAPLAN, B.S., Bradley University, 1966

Degree of Master of Architecture

WILLIAM MALCOLM BARKSDALE, B.Arch., Oklahoma State University, 1966

DAVID WILLIAM DAVIS, B.Arch., Oklahoma State University, 1965

DALE ALDEN DURFEE, B.Arch., Oklahoma State University, 1966

ROBERT THOMAS JAEGER, B.Arch., 1962

JOHN WESLEY POWERS, JR., B.Arch., 1966

LESTER EDWIN ROSENWINKEL, B.Arch., 1964

WILLIAM PHILIP WHITE, B.Arch., Ohio State University, 1965

Degree of Master of Accounting Science

BRUCE EDWARD ARNOLD, B.Bus.Adm., Stetson University, 1966

SUMANA CHOTIKAPANICH, B.Accy., Chulalongkorn University, 1963

HAROLD LEWIS DVORIN, B.S., 1961

HAROLD LAWRENCE HEYMAN, B.B.A., University of Georgia, 1966

ANNA MARIE JACKEY, B.S., American University, 1953

JACK LIPSHUTZ, B.B.A., City College of New York, 1966

JOHN JACOB MADDEN, A.B., 1956

WILLIAM ROY MCCLAYTON, B.S., 1966

JOHN HARLAN RATHE, B.S., 1966

DONALD WAYNE ROGERS, B.B.A., Stetson University, 1966

LARRY ENOCH SYDES, B.S., 1966

LAWRENCE GEORGE WOLSKI, B.S., 1966

Degree of Master of Business Administration

GERALD JEROME DAY, B.A., Brigham Young University, 1965

PAUL LANGDON EARLY, JR., B.S., Virginia Polytechnic Institute, 1965

CALVIN HOWELL FITCH, B.S., 1964

ROBERT AYDELOTTE FLECK, JR., A.B., Ripon College, 1965

LLOYD VINCENT GIESLER, B.S., 1965

TIMOTHY EDWARD GRIFFIN, B.A., University of Notre Dame, 1965

GEOFFREY STEVEN KESSLER, B.S., University of California, 1965

JEREMY ANDREW KLAINER, S.B., Massachusetts Institute of Technology, 1963

JOSEPH MURRY RECKA, B.S., 1964

WILLIAM DON SNIDER, B.S., 1964

LEON EDMUND STREMLAU, B.S., 1961

RICHARD EDMUND TOTTH, B.S., 1963

Degree of Master of Extension Education

LAWRENCE LEE ACKER, B.S., 1965

BYRON WHITING HUTCHINS, B.S., 1943

Degree of Master of Landscape Architecture

DAVID RICHARD JENSEN, B.S., Utah State University, 1965

DAVID HERMAN KOTTER, B.F.A., Utah State University, 1966

THEODORE DELBERT WALKER, B.S., Utah State University, 1957

Degree of Master of Urban Planning

LYNN CURTIS BENDER, B.S., Michigan State University, 1965

VIRGINIA LOUISE BLAKE, B.A., Swarthmore College, 1965

JOAN LYNN COOKE, A.B., 1963

RICHARD CLAUDE LORAAS, B.A., University of Minnesota, 1965

Degree of Master of Comparative Law

NILS ALFSSON ASTRUP, Cand.jur., University of Oslo, 1966

Advanced Certificate*In Education*

- EUGENE LOUB ARONIN, B.S., M.S., University of Wisconsin (Milwaukee), 1963, 1966

COLLEGE OF AGRICULTURE

Degree of Bachelor of Science

In Agriculture

LAVERNE EUGENE DEBATIN	RICHARD MAURICE PHALEN
JAMES WILLIAM HARROP	KENNETH ARTHUR PRUSSNER
ROBERT EUGENE LANTZ, HONORS	RICHARD ALAN ROHLF
WILLIAM THOMAS McNAMARA	CHARLES EARL SASSE, HONORS
HARRY LEE MORSE	HAROLD LEE SILKWOOD
CHARLES STUART MOSER	HOWARD RUSSEL SPIRES
JAMES ARTHUR NUTT	JAMES ALLEN STEVENS, HONORS
DONALD GEORGE PAUKEN	

In Floriculture and Ornamental Horticulture

JUDITH ANN POWELL

In Food Science

STEPHEN WALKER DREW

In Forestry

BURNS LANCE DAVISON	STANLEY KENNETH SIPP
WILLIAM GREGORY MCKIBBEN	

In Home Economics

BONNIE ELLEEN BOGENHOLM	VICTORIA RAE MUSGRAVE
CHERYL LYNN CAISE	MARILUISE SUZZANNAH REED
KATHLEEN DENNIS	DONNA MAE SCHULTZ
ALBERTA LOUISE DORN ENGLAND	

In Home Economics Education

DORIS ANN KELLEY	KAREN JUNE MILLER RICHMAN
------------------	---------------------------

COLLEGE OF ENGINEERING

Degree of Bachelor of Science

In Aeronautical and Astronautical Engineering

NANCY ANN BARKLEY	NORMAN DAVID KAPLAN
PHILIP JAMES BOHN	PATRICK ROBERT MORATH
DANIEL EUGENE DZIEWULSKI	LYLE WILHELM SWENSON, JR.
FRITZ ANTHONY GORETZKE	

In Agricultural Engineering

CARLTON ROBERT MILLS

SECRETARY'S REPORTS

The Secretary presented for record the following lists: appointments to the faculty made by the President; declinations and resignations; leaves of absence. A copy of the report is filed with the Secretary.

CHANGE IN SABBATICAL LEAVE OF ABSENCE

GOVINDJEE, Associate Professor of Botany and Biophysics, Urbana — sabbatical leave granted him for the academic year 1967-68 with one-half pay, changed to sabbatical leave for the second semester with full pay.

REPORT OF THE FINANCE COMMITTEE**Treasurer's Bond**

Mr. Grimes, for the Finance Committee, reported that it has received from Robert R. Manchester, Treasurer of the University, a bond dated March 14, 1967, in the amount of \$6,000,000, with the Continental Casualty Company as surety.

The bond has been approved by the Legal Counsel and by the Business Office. The Finance Committee has accepted the bond and reports its receipt for record.

This report was received for record.

FUTURE MEETINGS OF THE BOARD

President Johnston announced that the next three meetings of the Board will be held as scheduled: October 16, 1967, Medical Center campus; November 10, 1967, Urbana-Champaign campus; December 20, 1967, Urbana-Champaign campus.

REGULAR MEETING RECESSED

President Johnston stated that the regular meeting of the Board would be recessed and that a meeting of the Committee on Buildings and Grounds had been called. He further stated that an executive session had been requested and was being ordered following the committee meeting for consideration of recommendations relating to patentable inventions, pending litigation, and property acquisitions.

Following the meeting of the Buildings and Grounds Committee and during the luncheon recess the following new deans of the Chicago Circle campus were introduced: Dean D. B. Doner, College of Liberal Arts and Sciences; Director W. L. Garrison, Center for Urban Studies; and Dean Daniel C. McCluney, Dean of Faculties.

EXECUTIVE SESSION

When the Board reconvened, the same members of the Board, officers of the Board, and officers of the University as recorded at the beginning of these minutes were present, except Mr. Page who asked to be excused.

The Board considered the following reports and recommendations from the President of the University.

LAND ACQUISITION PROGRAM FOR 1967-69, URBANA

(29) The University of Illinois Foundation has purchased properties at Urbana-Champaign on behalf of the University under its loan commitment from The First National Bank of Chicago for 1965-67 in the amount of \$3,554,535.

It is estimated that during the coming biennium it will be desirable for the University or the Foundation to acquire additional property in order to provide for campus expansion in the amount of \$1,189,000, making a total land acquisition program of \$4,743,535.

The General Assembly appropriated funds for the acquisition of land in Urbana-Champaign in the amount of \$1,831,850. This requires financing of \$2,911,685.

The First National Bank of Chicago has agreed that if the University, under the terms of the land option contracts with the Foundation, will acquire sufficient properties so that the Foundation can reduce its present indebtedness to the Bank to \$2,500,000, or below, it will be willing to extend the maturity of the line of credit to the University of Illinois Foundation loan in an amount not to exceed \$2,500,000 until the end of the biennium 1967-69. The University can provide out of its Contract Research Reserve the sum of \$411,685 to purchase land to be used for research activities, so that, with the extension of the loan from The First National Bank of Chicago and the balance of the appropriation, the above land acquisition program for 1967-69 can be financed.

The Director of the Physical Plant and the Vice-President and Comptroller recommend approval of this program and the purchase of the following properties from the University of Illinois Foundation at the prices indicated, plus miscellaneous costs incurred in the acquisition of the properties:

511 East John Street.....	\$128 158 00
502 East Daniel Street.....	30 500 00
504 East Daniel Street.....	50 000 00
806 South Fifth Street.....	75 000 00
1012 South Fifth Street.....	60 000 00
1001 South Sixth Street.....	41 000 00
1301 West Stoughton Street.....	32 500 00
1202 West Oregon Street.....	45 000 00
903 West Illinois Street.....	45 000 00
905 West Illinois Street.....	41 000 00
904 West California Avenue.....	30 500 00
906-908 West California Avenue.....	70 000 00
<i>Total</i>	<u>\$648 658 00</u>

Funds are available in the state capital appropriation and have been released.

Other purchase recommendations will be brought to the Board of Trustees for action.

The Chancellor at the Urbana-Champaign campus and the Executive Vice-President and Provost endorse these recommendations.

I concur.

On motion of Mr. Swain, these recommendations were approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr.

Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

RECOMMENDATIONS OF THE UNIVERSITY PATENT COMMITTEE

(30) The University Patent Committee, with the concurrence of the Chairman of the University Research Board, submits the following reports and recommendations relating to patentable inventions by members of the staff.

1. High temperature electric cell for solid fuels—Shao L. Soo, Professor of Mechanical Engineering, and Gerald M. Colver, Assistant in Mechanical Engineering, inventors. This high temperature electric cell for solid fuels produces electricity from a solid fuel (such as graphite, coal, etc.) and an oxidizer (such as oxygen). The electrodes consist of an anode formed by fuel fed into the reaction zone and a cathode formed by a porous metal rod feeding oxygen. After ignition, combustion raises the gap ($\frac{1}{2}$ to 1 mm.) to high temperature and electricity is generated.

This disclosure covers the basic ideas for a solid fuel cell such as for coal. Claim should include multiple electrodes and extended surface electrodes and a feed means for fuel.

The Committee recommends assignment of the rights of the University to the inventors.

2. Gamma-electric cell—Henry T. Sampson, Graduate Student in Nuclear Engineering, inventor. The gamma-electric cell is a device that produces electrical energy when placed in a gamma radiation field. The output current from the cell is proportional to the intensity of the radiation field. Therefore a calibrated cell can be used to measure the intensity of an unknown field. The gamma-electric cell can also be used as a high voltage source when attached to a high impedance load.

The Committee recommends assignment of the rights of the University to the inventor.

3. Teledometer for the remote measurement of human locomotor activity—R. E. Herron and R. W. Ramsden of the Motor Performance Laboratory, Children's Research Center, inventors; developed under the sponsorship of the State of Illinois Department of Mental Health. This device consists of a short-range, inexpensive, transmitter-transducer designed for installation in the heel of a shoe. It was intended as a means of monitoring foot contact with the ground in order to provide information about "natural" patterns of daily physical activity in children. An important aim was to eliminate possible artifacts due to the subject's awareness that he is under study. The instrument seems to have acceptable stability and reliability and it may be installed and remain in the heel of a shoe, unknown to the wearer, for a matter of days.

The Committee recommends assignment of the rights of the University to the inventors.

4. Feed system for paraboloidal antennas—John H. Bruning, Research Assistant in Electrical Engineering, inventor; developed under a contract with the Andrew Corporation. It has been demonstrated mathematically and experimentally that for a uniform illumination design, the gain loss incurred by using the best fit paraboloid in place of the specially shaped main reflector gives a significant net increase in gain over the more conventional conic dual reflector system. For the case of the high performance or low sidelobe type aperture distributions (tapered or Taylor distribution), it has been demonstrated mathematically that the best fit paraboloid fits the specially shaped surface to within an even higher degree of accuracy.

The Committee recommends assignment of the rights of the University to the Andrew Corporation.

5. Edible food coatings—A. I. Nelson, Professor of Food Science, and Dov Hartal, Research Assistant in Food Science, inventors; developed under the sponsorship of the State of Illinois Department of Agriculture. The initial work on this project was directed toward development of an edible corn carbohydrate coating for meat and other food products. Representative products of the various starches, dextrans, corn sirups and corn sugar were evaluated alone and in combination as food coatings. The major, and unsurmountable, problem was the difficulty encountered in fixing and firming these coatings. No single starch or combinations of carbohydrates were suitable because a long time was required for the coatings to set or dry. This problem was solved by the addition of sodium alginate to the carbohydrate coating. After being dipped in the coating material, the food

product was immersed in a calcium chloride solution which caused an almost instantaneous exchange of the calcium with the sodium in the alginate. The resulting coating was firm and the coated product could be handled immediately.

The Committee recommends that the rights of the University be assigned to the University of Illinois Foundation for further development and possible patent application.

6. Ferromagnetic shielding enhancer — David Cohen, Associate Professor of Physics at Chicago Circle, inventor. It has been known that the application of an oscillating magnetic field inside ferromagnetic material increases the permeability, and can, under certain conditions of periodicity and intensity, raise the permeability to the "ideal magnetization curve." This present invention is applying this principle to magnetic shielding in the following way: a toroid, say, is wrapped around a cylindrical, uncapped shield, and a.c. passed through the toroid; the shielding efficiency of the cylinder is then increased because the effective permeability is greater, for mag. frequencies less than the exciting a.c. frequency.

The Committee recommends assignment of the rights of the University to the University of Illinois Foundation for further study, development, and possible patent application.

7. Water-soluble Dichloro-s-triazinyl agents for the therapy of burns and other conditions of the skin and corium — Philip P. Goland, Research Associate in Orthodontics at the Medical Center, and Floyd J. Green, of the Department of Orthodontics at the Medical Center, inventors; developed under a contract with the Institutum Divi Thomae. Experiments show reactive dichloro-s-triazinyl cross-linking agents can readily establish polymeric products with the superficial layers of the skin and corium where these are pathologically involved or denuded as in burns. These reactive agents become an integral part of the structure of the tissue molecules and help to stabilize these structures, preventing further disintegration and necrosis. It was found that the homeostatic mechanisms are aided by the establishment of these cross-linked polymeric products preventing the loss of capillary fluids. In addition, these agents have bacteriocidal and bacteriostatic properties and are thus of aid in prevention or ameliorating established infection.

The Committee recommends assignment of the rights of the University to the University of Illinois Foundation, subject to the rights of the Institutum Divi Thomae and with the negotiation of equitable contracts recognizing such rights.

8. Optically excited thin platelet lasers — Nick Holonyak, Jr., Professor of Electrical Engineering, and Murray D. Sirkis, Professor of Electrical Engineering, inventors; developed under a contract with the United States Air Force and the Advanced Research Projects Agency. By optical excitation (optical pumping) thin semiconductor platelets are made to operate as lasers either by photon amplification along the surface of a platelet or by photon amplifications through the thickness dimension of the platelet. The latter is potentially more important since it leads to an ultra small volume laser with potential application to holography.

The Committee recommends assignment to the University of Illinois Foundation of the rights of the University, subject to recognition of the rights of the sponsoring agencies.

9. Flexible surface disc for multi-transducer computer controlled audio record and playback devices — Brian W. Voth, Research Engineer at Coordinated Science Laboratory, inventor; developed under a contract with the United States Army Electronics Command and the Advanced Research Projects Agency through the Office of Naval Research. This device consists of a disc of novel design which has a flexible, air supported surface. It is to be used primarily in multi-head, contact type magnetic audio records and playback devices. The unique feature of the disc is its flexible, air supported surface which permits the use of stiffly suspended, contact type transducer heads by virtue of its ability to accommodate small irregularities in head-to-disc spacing arising from variations in disc flatness, flexible surface flatness, or alignment of heads.

The Committee recommends assignment to the University of Illinois Foundation of the rights of the University, subject to recognition of the rights of the sponsoring agencies.

10. Log periodic dipole, folded dipole, monopole, and slot arrays fed by a pair of coupled transmission lines which form a log-periodic scaled directional coupler — Paul G. Ingerson, Research Assistant in the Department of Electrical Engineering, inventor; developed under a contract with the United States Air

Force Avionics Laboratory. The general purpose of the proposed design is to overcome several limitations of the conventional log-periodic dipole array design by using a feeding system of two coupled transmission lines instead of a single line, so that in place of dipole radiating elements, folded dipole elements, with their inherent broadband performance, slots, and other types of radiators can be used. The construction of a compact monopole and folded-monopole over ground plane array is possible as well as a log-periodic slotted ground plane array. Finally by using two lines of different characteristics impedances to form the coupler, a wider range of mean input impedances may be achieved.

The Committee recommends that the rights of the University be assigned to the University of Illinois Foundation, subject to the rights of the sponsoring agency, for further development and possible patent application.

11. Stochastic switch—Dennis R. Zander, Research Assistant in Electrical Engineering, and W. Ross Ashby, Professor of Electrical Engineering and of Biophysics, inventors; developed under contract with the United States Air Force Systems Engineering Group. The stochastic switch is designed to provide a random connection between electrodes with specifiable and controllable probability; for instance a 23-per cent probability of connection between electrodes at each activation.

The Committee recommends assignment of the rights of the University to the University of Illinois Foundation, subject to the rights of the sponsoring agency, for further development and possible patent application.

12. Method of treatment of deep-seated caries and dental pulp—Philip P. Goland, Research Associate in Orthodontics at the Medical Center, Eugenio Zerlotti, of the Department of Orthodontics at the Medical Center, and Ayrton Orlando de Toledo, of the Department of Orthodontics at the Medical Center, inventors; developed under contract with the United States Public Health Service. This pertains to the use of halo-s-triazinyl compounds as cross-linking and calmativ agents for the topical treatment of the tooth. More particularly, they have applicability for focal (1) desensitization of cementum, and dentin; (2) the treatment of dentin in deep caries; (3) the treatment of inflamed pulps. In addition to their cross-linking and calmativ action on the pulp, the compounds of the present invention have been found to induce and stimulate reparative processes in the pulp. Their bacteriocytic properties contribute to the sterilization of infected tissues.

The Committee recommends assignment of the rights of the University to the University of Illinois Foundation, subject to the rights of the sponsoring agency.

On motion of Mr. Hughes, these recommendations were approved.

EMPLOYMENT OF SPECIAL COUNSEL

(31) A suit has been filed in the Circuit Court of Cook County (67 L 13177) by Howard S. Chapman (one of the passengers in a University plane which crashed November 28, 1966) against the University, its eleven Trustees, the Secretary of the Board and of the University, and Robert L. Ayers, the pilot of the University aircraft. The complaint seeks damages for personal injuries alleged to have been caused, in part, by the negligence of the defendants. The complaint further alleges that certain portions of the Illinois Court of Claims statute are invalid and unconstitutional. Each of the University employees named as a defendant is alleged to have been performing his University duties on the occasions referred to in the complaint, and each has requested the University to provide representation for him in the matter.

The Legal Counsel recommends that he be authorized to take such steps as are necessary or appropriate, including the employment of special counsel, to defend the University and its employees in the proceedings.

I concur.

On motion of Mr. Swain, this recommendation was approved.

On motion of Mr. Grimes, the Board adjourned.

EARL W. PORTER
Secretary

WAYNE A. JOHNSTON
President

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

October 16, 1967

The October meeting of The Board of Trustees of the University of Illinois was held at the Medical Center Campus, Chicago, Illinois, on Monday, October 16, 1967, beginning at 8:30 a.m.

President Wayne A. Johnston called the meeting to order and asked the Secretary to call the roll. The following members of the Board were present: Mr. Howard W. Clement, Mr. Donald R. Grimes, Mr. Ralph C. Hahn, Mr. Earl M. Hughes, Mr. Wayne A. Johnston, Mr. Timothy W. Swain. Mr. Theodore A. Jones was not present when the Board convened but joined the meeting later. Governor Otto Kerner, Mr. Ray Page, Mr. Harold Pogue, and Dr. James A. Weatherly were absent.

Also present were President David D. Henry; Executive Vice-President and Provost Lyle H. Lanier; Chancellor Norman A. Parker, University of Illinois at Chicago Circle; Chancellor Joseph S. Begando, University of Illinois at the Medical Center; Chancellor Jack W. Peltason, University of Illinois at Urbana-Champaign; Vice-President Eldon Johnson; Mr. C. E. Flynn, Assistant to the President and Director of Public Information; Mr. James J. Costello, Legal Counsel; Dr. Daniel C. McCluney, Dean of Faculties, Chicago Circle; Dr. James B. Holderman, Associate Chancellor, Chicago Circle; Mr. George H. Bargh, Executive Assistant to the President; Mr. Vernon L. Kretschmer, University Associate Director of the Physical Plant; Mr. R. C. Wicklund, Staff Associate in the Board of Trustees Office and Assistant Secretary of the University; Mr. Donald C. Neville, Assistant to the Director of the Physical Plant, Urbana; Mr. Eugene S. Pitcher, Assistant to the Director of the Physical Plant, Urbana; and the officers of the Board, Mr. H. O. Farber, Comptroller, and Dr. Earl W. Porter, Secretary.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY
The Board took up consideration of the following reports and recommendations from the President of the University.

PRESIDENT'S REPORT

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting; a copy was filed with the Secretary of the Board for record.

**PROPOSALS TO THE BOARD OF HIGHER EDUCATION WITH
REFERENCE TO POSSIBLE RELATIONSHIPS OF THE UNIVERSITY
OF ILLINOIS IN THE PLANNING AND GOVERNANCE OF A
NEW CAMPUS IN THE CHICAGO METROPOLITAN AREA**

(1) On September 20, 1967, the Board of Trustees directed the administrative officers of the University to present to the Board at its meeting of October 16, 1967, a "report on University studies of possible programs and general locations for a new degree-granting campus in the Chicago Metropolitan Area."

The report requested is submitted herewith, and is being filed with the Secretary of the Board for record. The technical sections have been prepared under the direction of the Executive Vice-President and Provost. The proposals presented under "Conclusions" on pages 14-19 have been formulated in consultation with the President of the University.

I recommend that the proposals as noted above be approved in principle as the policy position of the Board of Trustees.

I further recommend that the President of the University and the Provost be authorized to present the position of the Board of Trustees in this matter to the Board of Higher Education and its Special Committee on New Senior Colleges.

On motion of Mr. Swain, these recommendations were approved unanimously.

**PROPOSAL FOR THE ESTABLISHMENT BY THE UNIVERSITY OF
ILLINOIS OF A NEW INSTITUTION OF HIGHER EDUCATION
IN SPRINGFIELD**

(2) A proposal for the establishment of a new institution of higher education in Springfield by the University of Illinois was presented in accord with the instructions of the Board at its September 20, 1967, meeting. A copy of the proposal is being filed with the Secretary of the Board for record.

Mr. Hahn moved acceptance and approval of the statement.

**PROPOSALS RELATING TO POTENTIAL EXPANSION OF UNIVERSITY
OF ILLINOIS ACTIVITIES IN THE HEALTH SCIENCES
AND HEALTH PROFESSIONS**

(3) At the September 20, 1967, meeting of the Board of Trustees, the administrative officers were further instructed to submit to the Trustees, at the October 16 meeting, "a long-term comprehensive plan for the expansion of the University's activities in the health sciences and professions. . . ."

The background of state-wide planning that led to the action of September 20 is as follows:

The Illinois Board of Higher Education is now conducting a "Study of Education in the Health Fields" for the purpose of assessing the State's needs in this area and developing long-range plans for meeting them. Along with other institutions of higher education in Illinois, the University of Illinois has been asked by the Board's study director to indicate the nature and extent of the expansion it proposes to undertake in the health professions and related fields in the foreseeable future.

In response, on January 12, 1967, a report was prepared and submitted to the study director, in which the University outlined the scope of its current programs in the health sciences and professions and described plans then under discussion. It was not possible at that time to submit definitive

estimates of the extent of expansion that might be undertaken, particularly in the field of medicine.

Subsequently, the President of the University has established the University Council on the Health Sciences and Professions and appointed the Executive Vice-President and Provost to serve as its chairman. The Council's mission is to "advise the President on a continuing basis concerning the effectiveness of the University's activities and programs in the health sciences and in professional education related to them; to encourage University-wide communications and cooperation among the faculties involved; and to recommend improvements in organization and in programs."

A first task of the Council has been to consider University relationships to the Board of Higher Education's "Study of Education in the Health Fields." The proposals presented in the attached document, a copy of which is being filed with the Secretary of the Board for record, have been developed with the consultation and approval of the University Council on the Health Sciences and Professions and have been submitted to the President by its chairman, the Executive Vice-President and Provost.¹

The President now submits the proposals to the Board of Trustees, with the request that they be approved in principle at this time. The proposals will be used as the basis for internal review and planning, which will lead to specific requests for capital and operating funds—first in the 1969-71 biennial budget and in later biennial periods.

On motion of Mr. Swain, the proposals were approved in principle as requested.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(4) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Illinois Accountancy Act of 1943, as amended, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law :

<i>Name</i>	<i>Address</i>	<i>State from Which They Obtained Certificates</i>
THOMAS JOSEPH BRADY	Chicago, Illinois	New York
EDWARD LAWRENCE LYSAUGHT	Chicago, Illinois	Indiana

I concur.

On motion of Mr. Swain, these certificates were awarded.

EXTENSION COUNCIL ADVISORY COMMITTEE

(5) The Governor of the State of Illinois recently signed into law Senate Bill 925 which provides for an Extension Council Advisory Committee to work with the Director of the Cooperative Extension Service in the College of Agriculture, Urbana, in developing proposals for the administration of funds. The President

¹The other members of the Council are as follows: Daniel Alpert, Dean, Graduate College; Joseph S. Begando, Chancellor, Medical Center Campus; Granville A. Bennett, Dean, College of Medicine, Medical Center Campus; Carl A. Brandly, Dean, College of Veterinary Medicine, Urbana-Champaign Campus; Herbert E. Carter, Vice-Chancellor, Urbana-Champaign Campus; Donald J. Caseley, Medical Director, Research and Educational Hospitals, Medical Center Campus; John O. Corliss, Head, Department of Biological Sciences, Chicago Circle Campus; William L. Garrison, Director, Center for Urban Studies, Chicago Circle Campus; Mark P. Hale, Director, Jane Addams Graduate School of Social Work; William P. Hurder, Associate Director, Institute for Research on Exceptional Children, Urbana-Champaign Campus; Robert E. Johnson, Professor of Physiology, Urbana-Champaign Campus; Reimo E. Kallio, Director, School of Life Sciences, Urbana-Champaign Campus; Robert H. Kokernot, Assistant Director, Center for Zoonoses Research, Urbana-Champaign Campus; Mark H. Lepper, Professor of Preventive Medicine and Community Health, Medical Center Campus; Mary K. Mullane, Dean, College of Nursing, Medical Center Campus; Norman A. Parker, Chancellor, Chicago Circle Campus; Jack W. Peltason, Chancellor, Urbana-Champaign Campus; Donald R. Peterson, Professor of Psychology (Psychological Clinic), Urbana-Champaign Campus; M. B. Russell, Director, Agricultural Experiment Station, Urbana-Champaign Campus; Gregorio Weber, Professor of Biochemistry, Urbana-Champaign Campus; George L. Webster, Dean, College of Pharmacy, Medical Center Campus; Seymour H. Yale, Dean, College of Dentistry, Medical Center Campus.

of the University reports for record the following appointments to this Committee for two-year terms and until their respective successors are elected and appointed:

HERMAN A. LINDHOLM, Chairman
University of Illinois Cooperative Extension Service Advisory Committee
Rural Route 1
Naperville

E. E. GOLDEN, President
Illinois State Association of Farm Advisers
315 North Sixth Street
DeKalb

MRS. ELIZABETH B. HOFFMAN, President
Illinois Home Advisers Association
509-A West Mill Street
Waterloo

PAUL IVES
Wapella

On motion of Mr. Hughes, this report was received for record.

NONSALARIED FACULTY OF THE COLLEGE OF MEDICINE, 1967-68

(6) Upon recommendations of the Dean of the College of Medicine and the Chancellor at the Medical Center, and with the concurrence of the Executive Vice-President and Provost, I have approved appointments and reappointments to the nonsalaried faculty of the College of Medicine for the academic year beginning September 1, 1967. The list of these appointments is being filed with the Secretary of the Board for record, and his office will issue the usual notices to the appointees.

Following is a comparative summary of the number of appointments in each department for the years 1966-67 and 1967-68.

<i>Department</i>	Summary	
	<i>1966-67</i>	<i>1967-68</i>
Anatomy.....	6 (1) ¹	5 (1)
Biological Chemistry.....	19	18
Dermatology.....	29 (4)	32 (5)
Medical Social Work.....	5	7
Medicine.....	316 (31)	334 (29)
Microbiology.....	11 (1)	12 (1)
Neurology and Neurological Surgery.....	22 (1)	22 (1)
Obstetrics and Gynecology.....	104 (4)	104 (5)
Occupational Therapy.....	3	3
Ophthalmology.....	61 (4)	59 (5)
Orthopaedic Surgery.....	28 (3)	26 (3)
Otolaryngology.....	66 (9)	66 (13)
Pathology.....	47 (3)	50 (3)
Pediatrics.....	94 (6)	96 (8)
Pharmacology.....	4	4
Physical Medicine and Rehabilitation.....	6	8
Physiology.....	3 (2)	4 (2)
Preventive Medicine and Community Health.....	24 (1)	21 (2)
Psychiatry.....	152 (4)	145 (3)
Radiology.....	35 (1)	42 (1)
Surgery (including Urology and Anesthesiology).....	245 (19)	225 (17)
	1 280 (94)	1 283 (102)

On motion of Mr. Hughes, these appointments were confirmed.

APPOINTMENTS TO THE FACULTY

(7) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

¹ The figures in parentheses indicate the number of emeritus members.

Positions in the University are classified in the following categories and are designated in the budget by the symbols indicated: A— indefinite tenure; P— indefinite term appointment for part-time service only; B— two years; D— one year; E— nine months from the beginning of the academic year; G— special tenure; Q— initial term appointment for Professor or Associate Professor; Y— twelve months' service required instead of two semesters; 1-7— indicates the number of years of service which will be credited at the end of the contract period toward completion of the probationary period relating to tenure.

Figures following a symbol indicate percentage of time if the appointment is on a part-time basis (e.g., D75 means one year on three-fourths time).

Chicago Circle

1. DAN CENSOR, Assistant Professor of Electrical Engineering, Department of Information Engineering, beginning September 1, 1967 (1), at an annual salary of \$9,500.
2. MATTHEW HENRY ELLSWORTH, Assistant Professor of Physical Education for Men, beginning September 1, 1967 (3), at an annual salary of \$8,500.
3. HELENE N. GUTTMAN, Associate Professor of Biological Sciences, beginning September 1, 1967 (A), at an annual salary of \$14,000.
4. MARY JANE LUETGERT, Assistant Professor of Psychology and Counselor, Student Counseling Service, beginning September 1, 1967 (1Y;D), at an annual salary of \$10,800.
5. FAUSTINE C. JONES, Assistant Professor of Education, beginning September 1, 1967 (2), at an annual salary of \$11,000.
6. MACIEJ J. MACZYNSKI, Visiting Assistant Professor of Mathematics, for the academic year 1967-1968 (E), at a salary of \$10,000.
7. MARION S. MILLER, Visiting Assistant Professor of History, for the academic year 1967-68 (E), at a salary of \$10,000.
8. VALERIE K. OPPENHEIMER, Assistant Professor of Sociology, beginning September 1, 1967 (1), at an annual salary of \$9,600.
9. MAX SAVELLE, Visiting Professor of History, on one-half time, for the fall quarter 1967-68 (E50), at a salary of \$3,500.
10. CLIFFORD E. TIEDEMANN, Assistant Professor of Geography, beginning September 1, 1967 (3), at an annual salary of \$10,800.
11. ELDON ULLMER, Head of Audiovisual Division with rank of Assistant Professor, Office of Instructional Resources, beginning September 1, 1967 (1Y), at an annual salary of \$12,600.
12. CALVIN WOLF, Assistant Professor of Energy Engineering, beginning September 1, 1967 (3), at an annual salary of \$10,500.

Medical Center

13. ANGEL S. ARAMBULO, Associate Professor and Director of Manufacturing Pharmacy, College of Pharmacy, beginning September 1, 1967 (DY;AY), at an annual salary of \$15,000.
14. HARRY BROWN, Assistant Professor of Obstetrics and Gynecology, College of Medicine, beginning September 1, 1967 (1Y), at an annual salary of \$15,000.
15. ARTHUR L. ROSEN, Assistant Professor of Biophysics, Department of Surgery, College of Medicine, beginning September 1, 1967 (1Y), at an annual salary of \$14,000.

Urbana-Champaign

16. THOMAS S. BALDWIN, Associate Professor of Vocational and Technical Education, beginning September 1, 1967 (Q), at an annual salary of \$16,000.
17. HELMUT BENDER, Visiting Assistant Professor of Mathematics, for the academic year 1967-68 (E), at a salary of \$9,500.
18. ALAN W. BLACKSHAW, Visiting Assistant Professor of Physiology, Department of Dairy Science, beginning September 1, 1967 (DY), at an annual salary of \$10,000.
19. N. L. BLUMSON, Visiting Assistant Professor in the Department of Dairy Science, beginning September 1, 1967 (DY), at an annual salary of \$9,500.
20. GAVIN BROWN, Visiting Assistant Professor of Mathematics, for the academic year 1967-68 (E), at a salary of \$9,000.
21. JOHN CAGE, Visiting Professor of Music and Associate in the Center for Ad-

- vanced Study, for the academic year 1967-68 (E), at an annual salary of \$14,000.
22. ALAN R. CAMINA, Visiting Assistant Professor of Mathematics, for the academic year 1967-68 (E), at a salary of \$9,000.
 23. JOANNA DAVENPORT, Associate Professor of Physical Education for Women, on 80 per cent time, and Counselor, Council on Teacher Education, on 20 per cent time, beginning September 1, 1967 (A80; D20), at an annual salary of \$10,000.
 24. JAMES H. DAVIS, Visiting Associate Professor of Psychology, for the academic year 1967-68 (E), at a salary of \$14,000.
 25. WALTER FEINBERG, Assistant Professor of Philosophy of Education, Department of History and Philosophy of Education, beginning September 1, 1967 (3), at an annual salary of \$11,200.
 26. GORDON FULLERTON, Visiting Assistant Professor of Mathematics, for the academic year 1967-68 (E), at a salary of \$10,000.
 27. STEGFRIED HOLZER, Assistant Professor of Civil Engineering, beginning September 1, 1967 (1), at an annual salary of \$9,000.
 28. JOHN A. HOPKIN, Professor of Agricultural Finance, Department of Agricultural Economics, beginning September 1, 1967 (AY), at an annual salary of \$22,500.
 29. IVAR JOHANSSON, Visiting Professor of Genetics, Department of Dairy Science, on 67 per cent time, beginning September 1, 1967 (DY67), at an annual salary of \$12,000.
 30. CHRISTIAN W. KROENER, Visiting Assistant Professor of Mathematics, for the academic year 1967-68 (E), at a salary of \$9,000.
 31. OLAV A. LAUDAL, Visiting Associate Professor of Mathematics, for the second semester 1967-68 (E), at a salary of \$6,500.
 32. HENRY S. LEONARD, Visiting Associate Professor of Mathematics, on one-half time, for the academic year 1967-68 (E50), at a salary of \$6,000.
 33. DANY LEVIATAN, Visiting Assistant Professor of Mathematics, for the academic year 1967-68 (E), at a salary of \$9,000.
 34. THOMAS J. LONG, Assistant Professor of Educational Psychology, beginning September 1, 1967 (1), at an annual salary of \$10,000.
 35. ROY S. MALPASS, Assistant Professor of Psychology, beginning September 1, 1967 (1), at an annual salary of \$9,500.
 36. WILLIAM F. MARQUARDT, Professor of English Education, Department of Secondary and Continuing Education, beginning September 1, 1967 (Q), at an annual salary of \$13,500.
 37. BRUCE A. MORRISSETTE, Visiting Professor of French, on one-half time, for the academic year 1967-68 (E50), at a salary of \$11,000.
 38. C. SCOTT MOSS, Professor of Psychology, beginning September 1, 1967 (AY), at an annual salary of \$20,170.
 39. WALTER OBERSCHELP, Visiting Associate Professor of Mathematics, for the academic year 1967-68 (E), at a salary of \$12,000.
 40. B. L. S. PRAKASA RAO, Visiting Assistant Professor of Mathematics, for the academic year 1967-68 (E), at a salary of \$10,000.
 41. OLIVER R. L. PRETZEL, Visiting Assistant Professor of Mathematics, for the academic year 1967-68 (E), at a salary of \$9,000.
 42. RODMAN D. RHODES, Assistant Professor of English, beginning September 1, 1967 (1), at an annual salary of \$9,500.
 43. LUIS RIBES, Visiting Assistant Professor of Mathematics, for the academic year 1967-68 (E), at a salary of \$9,000.
 44. BEVERLY SCHMIDT, Visiting Associate Professor of Physical Education for Women, for the academic year 1967-68 (D), at a salary of \$10,000.
 45. ROLAND SCHMIDT, Visiting Assistant Professor of Mathematics, for the academic year 1967-68 (E), at a salary of \$9,000.
 46. PAUL E. SCHUPP, Visiting Assistant Professor of Mathematics, for the academic year 1967-68 (E), at a salary of \$9,500.
 47. EVELYN L. SCHURR, Associate Professor of Physical Education for Women, on 80 per cent time, and Counselor, Council on Teacher Education, on 20 per cent time, beginning September 1, 1967 (A80; D20), at an annual salary of \$13,000.

48. WARREN M. STEINMAN, Research Assistant Professor of Special Education, in the Institute for Research on Exceptional Children and in the Children's Research Center, beginning September 1, 1967 (1), at an annual salary of \$10,500.
49. WILLIAM F. STOUT, Assistant Professor of Mathematics, beginning September 1, 1967 (1), at an annual salary of \$9,000.
50. ROBERT S. THOMSON, Assistant Professor of French, beginning September 1, 1967 (1), at an annual salary of \$9,800.
51. KALATHOOR VARADARAJAN, Visiting Associate Professor of Mathematics, for the academic year 1967-68 (E), at a salary of \$11,000.
52. LOUIS LLOYD WALTERS, Visiting Associate Professor of Elementary Education, on one-fourth time, for the academic year 1967-68 (E25), at a salary of \$2,700.
53. ROBERT E. WOLVERTON, Associate Professor of Classics and Associate Dean of the Graduate College, beginning September 1, 1967 (AY27; DY73), at an annual salary of \$17,000.
54. JAMES T. YARDLEY III, Assistant Professor of Chemistry, beginning September 1, 1967 (1), at an annual salary of \$9,500.
55. GIOVANNI GIORGIO ZACHER, Visiting Assistant Professor of Mathematics, for the second semester 1967-68 (E), at the salary of \$4,500.

On motion of Mr. Grimes, these appointments were confirmed.

**AMENDMENT OF THE GENERAL RULES CONCERNING UNIVERSITY
ORGANIZATION AND PROCEDURE: SECTION 8 —
PHYSICAL PLANT DEPARTMENT**

(8) On September 20, 1967, the Board of Trustees approved the following recommendations concerning administrative changes in the Physical Plant Department:

1. That the operation and maintenance services of the Physical Plant and operation and maintenance of Auxiliary Services at each campus be administered by "Campus Directors," who shall report directly to the Chancellor of that campus.
2. That the present title of "Director of Physical Plant Department" be changed to "University Director of Physical Plant Planning and Construction." He shall report directly to the President and will be responsible at all campuses for campus physical plant planning; planning and construction of new buildings and additions to existing buildings; landscape and site development related to these projects; and land acquisition (excluding the Airport, Robert Allerton Park, experimental farms and areas, and properties maintained by the Athletic Association).

It was indicated in the recommendation of September 20 that proposed revisions in *The General Rules Concerning University Organization and Procedure* would be forthcoming. Therefore, I now recommend that the following language be substituted for Section 8 in the *General Rules*:

University Director of Physical Plant Planning and Construction

The University Director of Physical Plant Planning and Construction shall be appointed biennially by the Board of Trustees on the nomination of the President. He shall be administratively responsible to the President of the University. He shall be responsible at all campuses (but excluding the Airport, Robert Allerton Park, experimental farms and areas, and properties maintained by the Athletic Association) for campus physical plant planning; construction of new buildings and additions to existing buildings; landscape and site development related to these projects; and land acquisition. He shall establish and evaluate, in consultation with the Chancellors and Campus Directors, appropriate standards of service, operation and maintenance.

Campus Directors

Upon recommendation of the Chancellor at each campus and on the nomination of the President, the Board of Trustees may appoint biennially directors at each campus who shall be responsible for: (a) operation and maintenance of Physical Plant services, alterations to existing buildings, and for security of

property; and (b) for operation and maintenance of Auxiliary Services (housing, food service facilities, Union facilities, etc.).

On motion of Mr. Swain, this recommendation was approved.

GRADUATE STUDENT FEE FOR LANGUAGE EXAMINATIONS

(9) The Dean of the Graduate College reports that its Executive Committee has given final approval to a plan to discontinue the traditional reading examinations given by the language departments in French and in German, and to substitute for them the language examinations developed by the Educational Testing Service.

Heretofore, the cost of administering and grading the language examinations has been met through funds provided in the regular budgets of the language departments. The Educational Testing Service charges a fee of \$6.00 for each test, and it is proposed that funds be placed in the budget of the Graduate College to meet this charge for the *first* test taken by a given student. It is proposed further that if a student fails the examination and must make a second attempt, he be charged a fee of \$6.50 to cover the cost of the test plus administrative expense.

The University Committee on Fees endorses the request that the Graduate College be authorized to assess this fee of \$6.50 beginning February 1, 1968.

I concur.

On motion of Mr. Grimes, authority was given as requested.

ESTABLISHMENT OF NATIONAL COORDINATION CENTER FOR THE NATIONAL LABORATORY IN EARLY CHILDHOOD EDUCATION, URBANA

(10) The United States Office of Education, Department of Health, Education, and Welfare, has been providing the University with funds to conduct exploratory studies leading to the establishment of a National Coordination Center for the National Laboratory in Early Childhood Education.

The purpose of the National Coordination Center is to provide leadership in the improvement of research and development activities in early childhood education. The Center will coordinate efforts of participating centers located in other universities which are supported by the federal government, and facilitate communications with the entire field through an Educational Research Information Center in Early Childhood Education.

The Office of Education is currently considering funding of the project for an additional year at an amount not to exceed \$1,700,000. Of this amount, approximately \$300,000 would be used by the University of Illinois to pay operating expenses of the Coordination Center; the remaining portion would be distributed under subcontracts among the research and development centers located in six other colleges and universities. University funds involved in the program would be limited to a small portion of several staff members' time, estimated at approximately \$30,000.

The National Center would be administered by the College of Education at the Urbana-Champaign campus. The proposal has the approval of the Chancellor and of the Executive Vice-President and Provost. The President recommends the establishment of the National Coordination Center for Childhood Development, subject to approval of the State Board of Higher Education, and the authorization of H. O. Farber, Comptroller, to execute the necessary contracts with the United States Office of Education to implement the program.

On motion of Mr. Grimes, these recommendations were approved.

NAMING OF MALL, GIFT OF THE CLASS OF 1917, URBANA

(11) The Committee on Buildings and Grounds on September 20, 1967, approved a recommendation of the President of the University that the redeveloped area extending from the Main Quadrangle to Mathews Avenue between Noyes Laboratory and the Chemistry Annex Building, Urbana, be named "Centennial Court" — in accordance with a request of the Class of 1917. The project, the first phase of development of an east-west mall from the Quadrangle to the Krannert Center

for the Performing Arts, will be financed partially by funds given by the Class of 1917 in connection with its fiftieth anniversary.

This matter is being reported to the Board for record.

This report was received for record.

CIVIL ENGINEERING HYDROSYSTEMS LABORATORY, URBANA

(12) The President of the University recommends that the building north of Main Street and west of Mathews Avenue, Urbana, be designated "Civil Engineering Hydrosystems Laboratory." In the over-all plans for the Civil Engineering Building complex, this building will eventually be connected to the Civil Engineering Building.

On motion of Mr. Hahn, this recommendation was approved.

DEDICATION OF CERTAIN NATURAL AREAS AS NATURE PRESERVES

(13) The President of the University recommends that certain natural areas owned by the University and administered by the Committee on Natural Areas and Uncultivated Lands be dedicated as nature preserves within the system and under the procedures outlined in An Act in relation to the acquisition, control, maintenance, improvement and protection of state parks and nature preserves, approved June 26, 1925, as amended.

The properties to be affected by this action are those commonly known as Brownfield Woods, Trelease Woods, Hart Memorial Forest, Funk Forest, Volo Bog, and Wauconda Bog, the legal descriptions of each such parcel being as shown on Exhibit A. A copy of said Exhibit A has been filed with the Secretary of the Board for Record.

Areas so dedicated as nature preserves are declared by statute to be put to their highest, best, and most important use for public benefit. After dedication, these areas will not be subject to alienation except to another public use and then only upon a finding by the Department of Conservation of the State of Illinois of imperative public necessity with the concurrent approval of the Governor and the Illinois Nature Preserves Commission.

To implement this proposal, the President of the University recommends that the Comptroller and the Secretary of the Board be authorized to execute articles of dedication providing for the dedication of these properties as nature preserves within the meaning of the act referred to above; provided, however, that said articles of dedication shall provide that the University is to retain responsibility for the care, supervision, and control of the premises and that said dedication shall be for a period not in excess of twenty-five years.

On motion of Mr. Grimes, these recommendations were approved.

APPLICATIONS FOR GRANT FUNDS UNDER TITLE I OF THE HIGHER EDUCATION FACILITIES ACT OF 1963

(14) Under the Higher Education Facilities Act of 1963, the United States Commissioner of Education is authorized to grant funds for the construction, rehabilitation, and improvement of academic and related facilities. The requirements of the Department of Health, Education, and Welfare for the submission of applications for grants under the Act necessitate the adoption of a formal resolution by the Board authorizing the filing of applications and designating the person to act on behalf of the University.

It is recommended that the Board of Trustees adopt the resolutions submitted herewith authorizing the filing of four applications and one supplemental application for grants for the following projects. In addition, James E. Osborn, Business Manager at Chicago Circle, would be designated as the officer authorized to file the application on behalf of the University for construction at Chicago Circle, and H. O. Farber, Comptroller of the Board, as the officer authorized to file the applications on behalf of the University for construction at Urbana-Champaign. The projects are:

Construction at Chicago Circle — Education Center Building

Construction at Urbana-Champaign — Foreign Languages Building; Music Build-

ings; Library Fifth Stack Addition, also known as Library Building Addition; Addition to Women's Gymnasium

Resolution Authorizing the Filing of Application for Grant Funds Under Title I of the Higher Education Facilities Act of 1963

Approved October 16, 1967

WHEREAS, the U. S. Commissioner of Education is authorized under the Higher Education Facilities Act of 1963 to grant funds for the construction, rehabilitation, and improvement of certain academic and related facilities; and

WHEREAS, The Board of Trustees of the University of Illinois, the governing body of the University of Illinois, hereinafter called the Applicant, is cognizant of the conditions under which such grant funds are made available and approved for payment to an applicant; and

WHEREAS, it is the sense of the governing body of the Applicant that it is desirable to apply for a grant under the aforementioned act for the project described as follows:

Construction of Education Center Building at Chicago Circle Campus

Now, therefore, be it

Resolved, that an application for the project described above is authorized and directed to be filed with the Illinois Board of Higher Education, with the understanding that if upon due consideration by said board, applying the criteria of the State plan, said application receives a priority rating sufficiently high to receive grant funds under the aforementioned act, said application will be forwarded to the U. S. Commissioner of Education for consideration for his approval; and be it further

Resolved, that The Board of Trustees of the University of Illinois designates James E. Osborn, Business Manager, Chicago Circle Campus, as the Officer authorized to file the application and act as the representative of this Board in connection with said application.

Signed _____

WAYNE A. JOHNSTON, President
The Board of Trustees of the
University of Illinois
October 16, 1967

On motion of Mr. Swain, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

Resolution Authorizing the Filing of Applications for Grant Funds Under Title I of the Higher Education Facilities Act of 1963

Approved October 16, 1967

WHEREAS, the U. S. Commissioner of Education is authorized under the Higher Education Facilities Act of 1963 to grant funds for the construction, rehabilitation, and improvement of certain academic and related facilities; and

WHEREAS, The Board of Trustees of the University of Illinois, the governing body of the University of Illinois, hereinafter called the Applicant, is cognizant of the conditions under which such grant funds are made available and approved for payment to an applicant; and

WHEREAS, it is the sense of the governing body of the Applicant that it is desirable to apply for grants under the aforementioned act for the projects described as follows:

1. Construction of Foreign Languages Building at Champaign-Urbana Campus.
2. Construction of Music Buildings at Champaign-Urbana Campus.
3. Construction of Library Fifth Stack Addition also known as Library Building Addition at Champaign-Urbana Campus.

Now, therefore, be it

Resolved, that applications for the projects described above are authorized and directed to be filed with the Illinois Board of Higher Education, with the understanding that if upon due consideration by said board, applying the criteria of the State plan, said applications receive a priority rating sufficiently high to receive grant funds under the aforementioned act, said applications will be forwarded to the U.S. Commissioner of Education for consideration for his approval; and be it further

Resolved, that The Board of Trustees of the University of Illinois designates H. O. Farber, Comptroller, as the officer authorized to file the applications and act as the representative of this Board in connection with said applications.

The Board of Trustees of the
University of Illinois
October 16, 1967

On motion of Mr. Swain, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

Resolution Authorizing the Filing of Supplementary Application for Grant Funds Under Title I of the Higher Education Facilities Act of 1963

Approved October 16, 1967

WHEREAS, the U. S. Commissioner of Education is authorized under the Higher Education Facilities Act of 1963 to grant funds for the construction, rehabilitation, and improvement of certain academic and related facilities; and

WHEREAS, The Board of Trustees of the University of Illinois, the governing body of the University of Illinois, hereinafter called the Applicant, is cognizant of the conditions under which such grant funds are made available and approved for payment to an applicant; and

WHEREAS, it is the sense of the governing body of the Applicant that it is desirable to apply for a supplemental grant under the aforementioned act for the project described as follows:

Construction of Addition to Women's Gymnasium at Urbana-Champaign

Now, therefore, be it

Resolved, that a supplementary application for the project described above is authorized and directed to be filed with the Illinois Board of Higher Education, with the understanding that if upon due consideration by said board, applying the criteria of the State plan, said application receives a priority rating sufficiently high to receive grant funds under the aforementioned act, said supplementary application will be forwarded to the U. S. Commissioner of Education for consideration for his approval; and be it further

Resolved, that The Board of Trustees of the University of Illinois designates H. O. Farber, Comptroller, as the officer authorized to file the supplementary application and act as the representative of this Board in connection with said supplementary application.

WAYNE A. JOHNSTON, President
The Board of Trustees of the
University of Illinois
October 16, 1967

On motion of Mr. Swain, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr.

Hughes, Mr. Johnston, Mr. Jones, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

**APPROPRIATIONS FOR NONRECURRING EXPENDITURES,
MEDICAL CENTER**

(15) The Executive Vice-President and Provost, the Vice-President and Comptroller, and the Chancellor of the Medical Center campus recommend the following nonrecurring appropriations from the Medical Center General Reserve:

Medical Center Illustration Studios, equipment.....	\$ 20 815 00
Medical Research Laboratory, equipment.....	39 805 84
Research and Educational Hospitals	
Department of Surgery, equipment.....	31 671 00
Department of Medicine, equipment.....	16 000 00
Research and Educational Hospitals Laboratories, equipment.....	28 000 00
Department of Anesthesiology, equipment.....	17 000 00
<i>Total, Medical Center General Reserve.....</i>	<u>\$153 291 84</u>

I concur.

On motion of Mr. Hughes, these appropriations were made by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

**CONTRACTS FOR CONSTRUCTION OF ORCHARD DOWNS
LAUNDRY BUILDING ADDITION, URBANA**

(16) The President of the University recommends award of the following contracts for construction of an addition to the South Orchard Downs Laundry Building for the Housing Division, Urbana, the award in each case being to the lowest bidder. (All appropriate administrative officers have been consulted.)

General—Barber & DeAtley, Inc., Urbana	
Base bid	\$25 850 00
Additive alternate for supervision of other contracts assigned to the general contractor.....	<u>1 500 00</u>
<i>Subtotal.....</i>	<u>\$27 350 00</u>
Plumbing—Reliable Plumbing & Heating Company, Champaign....	14 995 00
Heating—F. R. Inskip, an individual doing business as Inskip Plumbing, Heating & Air Conditioning Co., Champaign.....	4 334 00
Ventilation—F. R. Inskip, an individual doing business as Inskip Plumbing, Heating & Air Conditioning Co., Champaign.....	6 116 00
Electrical—Square Deal Electrical Contracting, Inc., Urbana.....	<u>7 264 00</u>
<i>Total</i>	<u>\$60 059 00</u>

Since F. R. Inskip, an individual doing business as Inskip Plumbing, Heating & Air Conditioning Co., Champaign, is the lowest bidder for heating and ventilation work, it is also recommended that these two awards be combined in a single contract in lieu of separate contracts.

It is further recommended that all contracts other than the general contract be assigned to the contractor for general work, making the total of the contract \$60,059; and that an agreement be entered into with Barber & DeAtley, Inc., Urbana, for the assignment of these other contracts for \$1,500. This amount is included in the \$60,059 contract price, and is the amount bid by that firm for the supervision of contracts assigned to the general contractor.

Funds for this work are available from the proceeds of the sale of revenue bonds and Housing Division operating reserves.

Submitted herewith is a report from the campus architect including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Swain, these contracts were awarded by the fol-

lowing vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

CONTRACT FOR CONSTRUCTION OF NEW STEAM SERVICE TO PSYCHOLOGY LABORATORY, URBANA

(17) The President of the University recommends award of a contract for \$84,656 to The Nu-Way Contracting Corp., Chicago, the lowest bidder, for the provision of steam service to the Psychology Laboratory, Urbana.

Funds are available in state capital appropriations to the University and have been released.

On motion of Mr. Clement, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

CONTRACTS FOR AIR CONDITIONING AND REMODELING OF MATHEMATICS LIBRARY IN ALTGELD HALL, URBANA

(18) The President of the University recommends the assignment of \$40,249 from the Urbana-Champaign General Reserve and award of the following contracts, based on the percentages bid for contractors' fees, for air conditioning and remodeling the Mathematics Library in Altgeld Hall, Urbana, the award in each case to the lowest bidder. (All appropriate administrative officers have been consulted.)

	<i>Per Cent for Material</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub- contracts</i>	<i>Estimated Fee Payments</i>	<i>Total Estimated Payments</i>
General — Barber & DeAtley, Inc., Urbana	5	28	10	\$ 748 40	\$ 5 182 00
Electrical — G. L. Wilsky, an individual doing business as Downtown Electric, Urbana	27	18	0	232 38	1 291 00
Heating, Piping, Refrigeration and Automatic Temperature Control Systems — W. L. Rogers, an individual doing business as Cool-Rite Refrigeration, Urbana	25	38	10	3 044 85	13 138 00
Ventilation and Distribution Systems for Conditioned Air — W. L. Rogers, an individual doing business as Cool-Rite Refrigeration, Urbana	25	35	0	2 878 15	13 285 00

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Swain, these recommendations were approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

CONTRACTS FOR REMODELING IN NATURAL HISTORY BUILDING FOR THE DEPARTMENT OF ZOOLOGY, URBANA

(19) The President of the University recommends assignment of \$169,310 from the Urbana-Champaign General Reserve and award of the following contracts, based on the percentages bid for contractors' fees, for remodeling eleven rooms in the Natural History Building for the Department of Zoology of the College of Liberal Arts and

Sciences, Urbana, the award in each case to the lowest bidder. (All appropriate administrative officers have been consulted.)

	<i>Per Cent for Material</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub- contracts</i>	<i>Estimated Fee Payments</i>	<i>Total Estimated Payments</i>
General — Dean Evans Co., Champaign.....	4	26	5	\$9 260 00	\$75 260 00
Electrical — Wm. H. Brunkow, an individual doing business as Brunkow Electric Co., Champaign.....	10	24	0	2 100 00	13 100 00
Plumbing — Wren C. Thomas and Willis H. Thomas, a partnership doing business as Thomas Plumbing and Heating Company, Urbana..	20	47	5	5 445 00	21 945 00
Heating, Piping, Refrigeration and Automatic Temperature Control Systems — W. L. Rogers, an individual doing business as Cool-Rite Refrigeration, Urbana.....	25	38	10	2 611 00	11 811 00

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Jones, these recommendations were approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

EMPLOYMENT OF ENGINEERS, URBANA

(20) The President of the University recommends employment of the following firms for complete engineering services, including design and bid documents, for the projects and on the terms indicated:

- | | |
|--|--|
| A. Warren & Van Praag, Inc., Decatur
Extensions and improvements to the
Water Distribution System | Schedule B of minimum fees of Illinois
Society of Professional Engineers, 1965
Edition |
| B. Associated Engineers, Inc., Peoria
Air conditioning Smith Music Hall | Seven per cent of actual construction
costs |
| C. Sargent & Lundy, Engineers, Chicago
Study and report on boiler and
smokestack efficiency at Abbott
Power Plant | Direct costs plus 100 per cent of salary
and wages of technical personnel, not to
exceed \$8,000 |

Funds are available for the above projects in state capital appropriations to the University, subject to release by the Governor, and in the Physical Plant Department budget.

The Advisory Committee on Architectural and Engineering Services and all appropriate administrative officers have been consulted.

On motion of Mr. Hahn, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr.

Hughes, Mr. Johnston, Mr. Jones, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

AGREEMENT WITH CITY OF URBANA FOR WIDENING AND IMPROVING PARTS OF LINCOLN AVENUE, ILLINOIS STREET, OREGON STREET, AND GREGORY PLACE

(21) The President of the University recommends that the Board authorize its Comptroller and Secretary to execute an agreement with the city of Urbana to share in the costs of improving the following streets: Lincoln Avenue from Green Street to Nevada Street; Illinois Street from Lincoln Avenue to Goodwin Avenue; Oregon Street from Lincoln Avenue to Goodwin Avenue; and Gregory Place from Illinois Street to Nevada Street.

The city of Urbana, in a phased program and in accordance with the Major Street and Highway Plan for the Champaign-Urbana Urban Area (Harland Bartholomew & Associates, 1960) has widened or is in the process of widening Lincoln Avenue in all areas north of Florida Avenue except this segment. This will complete the City's program of widening Lincoln Avenue to forty-four feet from Florida to Interstate Route FA 74. The widening and improving of the remaining streets will make a major contribution in serving traffic to the Kranert Center for the Performing Arts now under construction, the proposed Music Building, and the Illinois Street Residence Halls as well as future developments in the area.

The City has indicated its willingness to proceed with these projects if the University will share in the total costs of the improvements based on the ratio of University-owned property frontage to total property frontage. The total cost is estimated at \$560,000, with the University's share at approximately \$260,000.

Funds are available in state capital appropriations to the University, subject to release by the Governor.

On motion of Mr. Grimes, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

AGREEMENT WITH CITY OF URBANA, TOWNSHIPS OF URBANA AND CHAMPAIGN, AND STATE OF ILLINOIS FOR PAVING PORTIONS OF SOUTH FIRST STREET ROAD AND SOUTH LINCOLN AVENUE

(22) The Executive Committee of the Board at its meeting on August 31, 1967, authorized the employment of Sodemann & Associates, Champaign, for complete engineering services for the paving of South First Street Road from St. Mary's Road to the entrance of the Children's Research and Adler Zone Centers; and Lincoln Avenue from Florida Avenue to the entrance to the south right-of-way line of George Huff Drive extended.

The rights of way are under the jurisdiction of the city of Urbana and the townships of Urbana and Champaign. The governing bodies have indicated a willingness for the University to undertake these improvements at its expense and are agreeable to vacating these rights of way and thereby vesting title to the rights of way in the University as the abutting owner. The University owns the property abutting these proposed improvements on both sides except the site of the State Office Building now under construction on South First Street Road and on which the University recently transferred title to the state of Illinois.

The University has for a number of years performed most of the maintenance and snow removal on these roads.

The improvements proposed will include permanent concrete streets forty-four feet wide and will provide all-weather access to the Children's Research Center, the Firemanship Training facility, the Adler Zone Center, and the State Office Building on South First Street Road and the proposed new Small Animal Clinic and other future facilities for the College of Veterinary Medicine.

Accordingly, the President of the University recommends that the Comptroller and the Secretary of the Board be authorized to execute agreements with the city of Urbana, Champaign Township, Urbana Township, and the state of Illinois providing for the transfer of title to the rights of way to the University and the construction of these improvements by the University.

Funds for this project have been included in state capital appropriations to the University, subject to release by the Governor.

On motion of Mr. Hughes, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

LEASE WITH HENDRICK DORMS, INC., CHAMPAIGN

(23) Senate Bill 393 approved by the Seventy-fifth General Assembly increases the opportunities for police training by broadening the classification of officers who may participate and extends financial help to include advanced basic specialized courses. The major portion of the responsibility for this expanded program will be assumed by the Police Training Institute in the Division of University Extension, Urbana.

During the current year, twelve courses will be offered, varying in length from one week to four weeks. Although it is necessary to contract for housing for the participants in these courses, no University housing is available. Private operators have been contacted, but only Hendrick Dorms, Inc., can accommodate the participants in the program.

It is proposed that the University execute an appropriate lease agreement with Hendrick Dorms, Inc. The latter would provide twenty-four rooms (to accommodate a maximum of forty-eight participants) and bus service at a total cost of \$34,800. In addition, Hendrick Dorms, Inc., will provide meals at \$18.75 per week for each resident. The fees charged for the courses include a charge for housing and food service which is adequate to meet the cost of this lease.

The President of the University recommends that the appropriate administrative officers be authorized to execute a lease as described above.

On motion of Mr. Clement, this recommendation was approved.

LEASE OF SITE FOR ADDITION TO KRANNERT ART MUSEUM, URBANA

(24) On August 31, 1967, the Executive Committee of the Board of Trustees approved the construction of an addition to the Krannert Art Museum and requested the University of Illinois Foundation to proceed with the temporary financing and awarding of contracts for the addition, subject to the approval of the State of Illinois Board of Higher Education. This approval has now been obtained.

In order for the Foundation to proceed with the financing, it is necessary for the University to lease the site to the Foundation for a period of thirty years and for the Foundation to sublease the site and improvements to the University for biennial periods.

The President of the University recommends adoption of the following resolution.

Resolution Re Addition to and Remodeling of Krannert Art Museum

Be It, and It Hereby Is, Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and Secretary of this public corporation be, and they hereby are, authorized for and in the name of, and on behalf of, this public corporation:

(1) to sign, execute and deliver an agreement with and to University of Illinois Foundation, a not-for-profit corporation of the State of Illinois, hereinafter referred to as "Foundation", which agreement shall provide that this public corporation will lease certain hereinafter described property owned by it in Champaign, Illinois, to Foundation; that Foundation will borrow money for the

purpose of constructing and will construct, on said property an addition to, and perform certain remodeling of, the Krannert Art Museum; that Foundation will sublease said premises, including the buildings and facilities to be constructed thereon, to this public corporation at a rental and upon the terms and conditions hereinafter set forth; and that upon completion of the repayment of said indebtedness title to said property, including all improvements and facilities thereon, shall be vested in this public corporation;

(2) to enter into a lease with Foundation providing for the leasing by this public corporation to Foundation of the following described property, viz:

Situated in the State of Illinois, the County of Champaign, the City of Champaign, in the Southwest Quarter (SW $\frac{1}{4}$) of Section Eighteen (18), Township Nineteen North (T-19-N), Range Nine (9) East of the Third Principal Meridian (3rd P.M.), and being more fully bounded and described as follows:

Beginning at a corner 1062.73 feet distant south of and 466.2 feet distant west of the NE Corner of the said SW $\frac{1}{4}$ of Section 18; thence westerly, a distance of 477.2 feet to a corner; thence southerly a distance of 223.6 feet to a corner; thence easterly, a distance of 477.2 feet to a corner; thence northerly, a distance of 223.6 feet to the point of beginning, containing 2.45 acres, more or less;

for a term of thirty years commencing on the first day of November A.D. 1967 and extending to and including the 31st day of October A.D. 1997, or until the indebtedness incurred by Foundation in connection with the construction and remodeling of said buildings and facilities has been paid and liquidated, whichever shall first occur; in consideration of Foundation's constructing thereon an addition to, and performing remodeling of Krannert Art Museum pursuant to plans and specifications therefor as now on file in the office of the Campus Architect of this public corporation, and in consideration of Foundation's reimbursing this public corporation for architectural, engineering and estimating fees incurred in connection with said construction and the plans and specifications therefor and accepting an assignment of the architectural contract therefor, and in consideration of Foundation's subleasing said premises and the buildings and facilities to be constructed thereon to this public corporation upon the terms and conditions hereinafter set forth; and providing further that in the event this public corporation should become in default under the terms of said sublease or fail to exercise any option for renewal of the term of said sublease under the terms and conditions therein set forth that thereupon Foundation shall have the full and unrestricted right to the use and possession of said premises and the buildings and facilities thereon for the remainder of the original term of said lease and the right to assign said lease or sublet said premises with the buildings and facilities thereon to others for the remainder of the original thirty year term of said lease;

(3) to enter into a sublease agreement with Foundation providing for the subleasing by Foundation to this public corporation of said premises including the buildings and facilities to be constructed thereon, under which sublease this public corporation will agree to pay a Basic Rental payable in semiannual installments in the amount of Seventeen Thousand Five Hundred Dollars (\$17,500.00) or such other amount as may be necessary to enable the Foundation to pay all interest when due on Foundation's loan and all costs incurred by the Foundation in connection with the operation and maintenance of the Krannert Art Museum, but upon which Basic Rental University shall have the right to take credit for any interest paid on Foundation's loan from the loan proceeds and for all income received from investments of the loan proceeds during the construction period and from investments of Krannert gifts by Foundation, and an additional rental equal to any shortages in scheduled Krannert gifts, payable in eight quarterly installments beginning with the first quarter of the biennium subsequent to the term or any renewal term of the sublease in which such deficiency in Krannert gifts occurred; said sublease to run from the date of the closing of Foundation's permanent loan secured for the financing of said improvements and extend to June 30 of the first subsequent odd-numbered year thereafter; and which sub-

lease shall contain options giving to this public corporation the right to renew said sublease for successive two year periods from July 1 of each odd-numbered year to June 30 of the next succeeding odd-numbered year by giving written notice to Foundation between the first and fifteenth day of July in each year when such renewal is to be made, to and including April 30, 1973, or until said sublease is finally terminated by the payment and liquidation of the above mentioned indebtedness, whichever shall first occur; and which sublease shall provide that this corporation subject to the availability of funds which may lawfully be applied to the payment of such rental will exercise said options for renewal for such biennial periods;

(4) to commit this public corporation to act as agent for Foundation in the supervision of construction and administration of contracts therefore and change orders thereto, and the administration and service of said indebtedness, and in making payments of and disbursements from and of funds made available by the creditor of Foundation for the purpose of said construction and acquisition of facilities; and

(5) to commit this corporation to hold all monies, instruments, accounts, securities or other property, and the income from investments thereof, which it now has or may hereafter receive or become entitled to from any person or entity for the use of the Krannert Art Museum for and devoted to such purpose;

(6) to assign to Foundation the architectural agreement dated February 9, 1967, with Richardson, Severns, Scheeler & Associates, Inc., a Delaware corporation, for professional architectural services for the construction of an addition to, and the remodeling of certain portions of, the existing Krannert Art Museum; and

(7) to sign, execute, acknowledge and deliver any and all other documents and instruments deemed necessary or desirable by said Comptroller and said Secretary to accomplish the purposes herein set forth.

On motion of Mr. Swain, the foregoing resolution was adopted.

PURCHASES

(25) The President submitted, with his concurrence, a list of purchases recommended by the Director of Purchases and the Vice-President and Comptroller.

The lists of purchases recommended for Board approval was presented in two categories: purchases from appropriated funds (i.e., from state appropriations to the University) and purchases from institutional funds. The latter term designates funds received by the University under contracts with the United States government, contracts with private corporations and other organizations, funds from foundation grants, and grants from corporations and other donors, and University revolving funds authorized by law.

The total amounts of these purchases were:

From Appropriated Funds.....	\$ 45 343 02
From Institutional Funds.....	264 677 21
<i>Grand Total</i>	<u>\$310 020 23</u>

A complete list of the purchases recommended, with supporting information, including the quotations received, was sent to each member of the Board in advance of the meeting, and a copy is being filed with the Secretary of the Board for record.

On motion of Mr. Jones, the purchases recommended were authorized.

COMPTROLLER'S REPORT OF PURCHASES APPROVED

(26) The Vice-President and Comptroller also submitted a report of purchases approved by him on recommendation of the Director of Purchases in amounts of \$2,500 to \$5,000. A copy of this report is filed with the Secretary.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS

(27) The Comptroller's report of contracts executed during the period September 1 to 30, 1967.

New Contracts

<i>With Whom</i>	<i>Purpose</i>	<i>Amount to be Paid to the University</i>
American Institute of Steel Construction, Inc.	Decision tables for steel specifications by Fenves and Gaylord	\$21 600 00
Illinois Department of Business and Economic Development	Technical services and evaluation reports for the following project proposals: 1. Computer technology for the Illinois building industry 2. Technical services for the wood using industry 3. Technical services for the farm equipment industry 4. Continuing education 5. Evaluation of continuing education and semester courses 6. Advanced short courses	187 586 00
Illinois Department of Conservation	Commercial fisheries research studies on the clam industry in Illinois	7 200 00
Illinois Department of Public Health	Pesticide residue analysis	54 958 00
Illinois Local Governmental Law Enforcement Officers Training Board	Developing curricula and course descriptions in several areas of advanced police training	24 000 00
Illinois Superintendent of Public Instruction E-147	Application of programmed auditory perception materials to students gifted musically	9 794 00
Morris Animal Foundation	Study of immunity in canine babesiosis and diagnosis of hemotropic infections in zoo animals	3 000 00
North Carolina State University (Subcontract with United States Department of Health, Education, and Welfare grant OEG-2-7-070348-2698 and OEG-2-6-000517-0585)	Development of achievement measures for trade and technical education	30 688 00
Prairie View Agricultural and Mechanical College	Upgrading of the academic skills of freshmen students at Prairie View in reading, mathematics, and English	3 358 00
Southwest Texas Educational Television Council	Transmission of Economics 108 over closed circuit television to member schools of Southwest Texas Educational Television Council	390 00
Stanford Research Institute (Subcontract with United States Army DAHC 20-67-C-0136)	Structural interaction of building members, specifically: 1. Interaction of structural frames with filler walls 2. Interaction of floor slabs with surrounding members	39 566 00
United States Air Force AFOSR-68-1391	Relations between logical structure, time, and natural numbers	47 922 00
United States Department of Commerce	Study on the feasibility of using the critical field of superconducting Al as a thermometric parameter	5 000 00
United States Department of Health, Education, and Welfare OEC-1-7-071194-5117	Studies in public library government, organization, and support	157 285 00
OEC-1-7-071213-4557	Acquisition of knowledge in relation to information, storage, and retrieval methods	250 000 00
United States Navy N002868D0064	Instruction to officer students	3 500 00
<i>Total</i>		<u>\$845 847 00</u>
<i>With Whom</i>	<i>Purpose</i>	<i>Amount to be Paid by the University</i>
Skitch Henderson and Orchestra	Performance on October 21, 1967, at Chicago Circle Center	\$ 4 000 00

Leases

<i>With Whom</i>	<i>Purpose</i>	<i>Amount to be Paid to the University</i>
Steve Lauber	Rental of barber shop in the Chicago Circle Center building (September 1, 1967, to August 31, 1969)	\$ 7 200 00
<i>With Whom</i>	<i>Purpose</i>	<i>Amount to be Paid by the University</i>
Pierre Lachaux	Rental space on second and third floors of building in LaNapoule, France (October 1, 1967, to May 31, 1968)	\$ 8 600 00

Contract Changes

<i>With Whom</i>	<i>Purpose</i>	<i>Amount to be Paid to the University</i>
Illinois Department of Mental Health 17-192	Conflict and identification in families of female schizophrenics	\$ 2 500 00
Illinois Department of Public Health	Pesticide residue analysis	53 803 00
Moorman Manufacturing Company	Nutritional quality of pig starter rations	2 600 00
United States Air Force AF-AFOSR-7-67	Theory and application of computational principles in complex intelligent systems	96 146 00
F33615-67-C-1190	Behavior of highly damped structures	30 000 00
United States Army DA-28-043-AMC-01733	Equipment to be made available from previous contracts for use on future government contracts	269 161 00
DACA 39-67-C-0009	Behavior of underground openings subjected to static loads	31 670 00
United States Atomic Energy Commission AT(11-1)-1198	Understanding the nature of materials, predominantly solids	20 000 00
United States Department of Health, Education, and Welfare OEG 32-23-1020-6002	Remedial guidance of young retarded children with behavior problems which interfere with academic learning and adjustment	30 014 00
United States Navy NBy-24976	Welding procedures, including preheating and stress	15 000 00
Nonr-1834(38)	Dependence of dielectric properties on crystal structures	14 510 00
Total		\$565 404 00

Contract Change Orders

<i>With Whom</i>	<i>Purpose</i>	<i>Amount to be Paid by the University</i>
Admiral Heating and Ventilating, Inc.	Air conditioning admitting clinics	\$ 5 282 00
Barber and DeAuley, Inc.	Cost-plus contracts — general	8 000 00
Cool-Rite Refrigeration	Cost-plus contracts — heating and ventilating	8 278 00
Fries Walters Co.	Cost-plus contract — electrical	3 000 00
Gust K. Newburg Construction Co.	Site development — general	7 735 00
Total		\$ 44 485 00

**REPORTS AND RECOMMENDATIONS FROM THE
PRESIDENT OF THE BOARD**

FUTURE BOARD MEETINGS

President Johnston called attention to the dates for the next three meetings of the Board to be held: November 10, 1967, in Urbana, December 20, 1967, in Urbana, and January 17, 1968, in Chicago.

DEGREES CONFERRED

The Secretary presented for record the following lists of degrees conferred on candidates at Urbana-Champaign on October 16, 1967, in accordance with the authorization of the Board.

 CARL COLIN KALTENBACH, B.S., University of Wyoming, 1961; M.S., University of Nebraska, 1963
 JAMES JOSEPH MCGILLIVRAY, B.S., Michigan State University, 1960; M.S., 1962
 GORDON DEAN NISWENDER, B.S., University of Wyoming, 1962; M.S., University of Nebraska, 1964

In Astronomy

WILLIAM ELLIOTT GREIG, B.Sc., M.A., University of Toronto, 1961, 1962

In Biology

ELIZABETH BOGART JUERGENSMAYER, B.S., Oregon State University, 1962; M.S., 1964

DONALD WILLIAM SLATER, B.A., University of Denver, 1959

DAVID ORVILLE TOFT, B.A., Gustavus Adolphus College, 1963; M.S., 1965

BARBARA SCHNEIDER VOLD, A.B., University of California, 1963; M.S., 1964

In Biophysics

WILLIAM ROBERT LIEB, B.S., M.S., 1962, 1963

CHUI-HSU YANG, B.S., Tunghai University, 1959; M.S., North Texas State University, 1964

In Botany

LEON DELANO EISENHauer, B.S., M.S., 1959, 1959

DAVID EMANUEL FINLEY, B.S., M.S., Western Illinois University, 1962, 1964

RICHARD WESTON FONDA, A.B., Duke University, 1962; M.S., 1965

In Business

RICHARD DEAN BROWN, B.S., University of Kansas, 1958; M.S., Kansas State Teachers College, 1959

In Ceramic Engineering

NORMAN HOWARD HARRIS, A.B., Whittier College, 1963; M.S., 1966

In Chemical Engineering

ROBERT GARY LADD, B.S.Chem.E., University of Nebraska, 1963; M.S., 1965

In Chemistry

CHRISTOPHER WHITNEY ALLEN, B.A., University of Connecticut, 1964; M.S., 1966

JAMES ALLAN COX, B.Chem., University of Minnesota, 1963; M.S., 1965

THOMAS PATRICK DOHERTY, A.B., Municipal University of Omaha, 1962; M.S., 1964

DAVID ALAN DURAND, B.S., Wheaton College (Illinois), 1962; M.S., 1964

MARLENE KRESGE FELDT, B.S., Bucknell University, 1963; M.S., 1965

RAYMOND JOHN FELDT, B.A., Central College (Iowa), 1962; M.S., 1965

DON PAUL FILSON, A.B., Park College, 1952; M.S., 1962

CHARLES MILTON FLYNN, JR., B.S., California Institute of Technology, 1962

JAMES CAROL GAAL, B.S., Marietta College, 1961

JAMES EDWARD GANO, B.A., Miami University, 1963; M.S., 1966

ADRIANE MARY GURAK, A.B., Rutgers, The State University, 1963; M.S., 1965

ALLEN GENE HIEBERT, A.B., Tabor College, 1963; M.S., 1965

LINDA CHARLENE JEN, A.B., Radcliffe College, 1962; M.S., 1965

RONALD LEWIS KEENER, B.S., Virginia Polytechnic Institute, 1962; M.S., 1964

THOMAS JAMES KINDT, A.B., Villa Madonna College, 1963

CHARLES MARTIN LEIR, B.S., State University of Iowa, 1963; M.S., 1965

MEI-KUO LO, B.S., National Taiwan University, 1959; M.S., 1965

DAVID VAUGHN MILLIGAN, A.B., Princeton University, 1963; M.S., 1965

JANICE CAROL PUCKETT, B.S., Queens College, 1958; M.S., University of Massachusetts, 1961

RODERIC PAUL QUIRK, B.S., Rensselaer Polytechnic Institute, 1963; M.S., 1965

MICHAEL FRANCIS RETTIG, A.B., Earlham College, 1963

ROBIN CLAIRE RUTH, B.S., University of Oklahoma, 1962

ANTON FRANZ SCHREINER, B.S., M.S., University of Detroit, 1961, 1963

JACK WHIPPLE TIMBERLAKE, A.B., Hanover College, 1962; M.S., 1964

RONALD JOSEPH TRANCİK, B.S., Wayne State University, 1963; M.S., 1965

ROBERT EBERT WAGNER, A.B., Miami University, 1963; M.S., 1965

WILLIAM LOCHRIDGE WELLS, B.S.Ch.E., University of Kentucky, 1962; M.S. 1964

MARK LESTER WICHOLAS, A.B., Boston University, 1961; M.S., Michigan State University, 1964

MARSETTA BERNICE YORK, B.A., Union College, 1963; M.S., 1965
 KENNETH CHARLES ZAHN, B.S.Ed., B.S., M.S., University of Arizona, 1959, 1960,
 1960
 PETER JOHN ZANZUCCHI, B.S., Le Moyne College, 1963; M.S., 1965

In Civil Engineering

ABDEL-GAWAD ABDEL-RAOUF BAGHAT, B.C.E., Cairo University, 1960; M.S., Uni-
 versity of Missouri (Rolla), 1964
 ABDEL RAHMAN SADIK SAID BAZARAA, B.C.E., Cairo University, 1961; M.S., 1965
 JAMES GREGORY CROSE, B.S.C.E., Washington University, 1960; M.S., 1962
 DAVID WILLIAM GOODPASTURE, B.S.C.E., University of Tennessee, 1960; M.S.,
 1962
 SIEGFRIED MATHIAS HOLZER, B.S.C.E., M.S.C.E., University of Kansas, 1961, 1965
 GLENN ALLEN MORRIS, B.Sc.E., M.Sc., University of Manitoba, 1956, 1958
 EDWARD LILE MURPHREE, JR., B.S.C.E., M.A., University of Mississippi, 1954,
 1962; S.M., Massachusetts Institute of Technology, 1958
 JOSÉ ANTONIO PADILLA, C.Eng., Universidad Central de Venezuela, 1958; M.S.,
 1965
 NABIL ABDALLA SHOEB, B.E.C. (Hon.), Cairo University, 1960; M.S., 1964
 LYMAN RADLEY SQUIER, B.S.C.E., Rutgers, the State University, 1955; M.S., 1961

In Communications

DOGAN MEHMET CUCOLOGLU, Grad., University of Istanbul, 1961
 KLAUS HERBERT KRIPPENDORFF, Dipl., Hochschule für Gestaltung (Ulm), 1962

In Dairy Science

LINDA KAY DIXON, B.S., Pennsylvania State College (California), 1962; M.S.,
 University of California, 1964
 ROBERT GERALD HART, B.S., M.S., Duquesne University, 1963, 1965
 HAROLD LELAND KINCAID, B.S., M.S., 1962, 1964
 ARTHUR CHESTER SINGER, B.S., M.S., 1961, 1963
 SHARON TENA VAUGHAN, B.S., University of Oklahoma, 1963; M.S., 1965

In Dairy Technology

MUHSIN MOHAMMED ALI AL-SHABIBI, B.S., University of Baghdad, 1957; M.S.,
 1963
 N. R. SUNDARARAJAN, B.Sc., University of Madras, 1956; M.S., 1964

In Economics

JOHN WILLIAM ALLEN, B.S., M.S., 1958, 1963
 WILLIAM WALLACE CURTIS, B.S., College of Idaho, 1961; A.M., 1962
 NICHOLAS MICHAS, B.A., University of Alberta, 1963; M.S., 1964
 JOHN KIRKER STEPHENS, A.B., Swarthmore College, 1962; A.M., 1963

In Education

DONALD WATKINS BROWN, B.A., Biola College, 1956; B.A., University of Cali-
 fornia (Los Angeles), 1959; M.S., Gallaudet College, 1961
 LE ROI BRIAN DANIELS, B.A., M.A., University of British Columbia, 1953, 1963
 ROBERT HERMANN EWALT, B.S., Oregon State College, 1956; A.M., 1961
 GERALD WILLARD FAUST, B.A., St. John's University (Minnesota), 1964; A.M.,
 1966
 JACK KUENNE GENSKOW, B.S., University of Wisconsin, 1961; A.M., 1962
 ERWIN VIRGIL JOHANNINGMEIER, B.A., M.A.Ed., Washington University, 1960,
 1964
 THOMAS OWENS MAGUIRE, B.Sc. B.Ed., M.Ed., University of Alberta, 1960, 1962,
 1964
 DORIS ELNOVA MANNING, A.B., Southwestern College, 1942; M.E., Colorado State
 College, 1955
 BETTY KISER PLUNKETT, B.A.Ed., M.A.Ed., University of Kentucky, 1960, 1963
 MARGARET ANN MERRICK SCHEFFELIN, A.B., College of St. Joseph-on-the-Rio-
 Grande, 1952; Ed.M., 1959

PHILIP WARD TIEMANN, B.S., Purdue University, 1952; M.S., Illinois State University, 1962
 AKIHIRO YOSHIDA, B.Ed., M.Ed., University of Tokyo, 1960, 1962

In Electrical Engineering

GARY SANDY BROWN, B.S., M.S., 1963, 1964
 JOHN TERENCE JACOBS, B.A.Sc., University of Toronto, 1962; M.S., 1964
 DAVID MATTHEW SALMON, B.E., University of Auckland, 1962; M.S.E.E., North-eastern University, 1965
 KAM-CHUEN SO, B.S., 1962; M.S.E., University of Michigan, 1963
 GREGORY EUGENE STILLMAN, B.Sc., University of Nebraska, 1958; M.S., 1965
 LOUIS WOZNIAK, B.S., M.S., 1961, 1963

In English

ANNE WILFONG BALDWIN, A.B., Lenoir Rhyne College, 1957; A.M., 1961
 THEODORE BARRY BUERMANN, A.B., St. Louis University, 1960; M.A., University of North Carolina, 1964
 DONALD HOWARD ERICKSEN, B.A., Valparaiso University, 1950; A.M., Northwestern University, 1956; A.M., 1965
 ROBERT EDWARD FLEMING, B.A., M.A., Northern Illinois University, 1959, 1964
 HYMEN HAROLD HART, B.A., College of Puget Sound, 1950; A.M., 1959
 MICHAEL ANDREW HOLLINGTON, B.A., University of Cambridge, 1963; A.M., 1964
 ANNE BOWERS LONG, B.A., University of Louisville, 1963; A.M., 1964
 JOHN DENNIS MCBRIDE, A.B., John Carroll University, 1959; A.M., 1963
 EUGENE ERNEST MILLER, A.B., University of Notre Dame, 1955; M.A., Ohio University, 1962
 JUDITH MAY NEWTON, B.A., University of the Pacific, 1960; A.M., 1961
 ELLIN JANE RINGLER, B.A., Wellesley College, 1958; M.A., University of Connecticut, 1960
 PHILIP EDWARD ROGERS, B.A., University of Utah, 1958; M.A., Cornell University, 1960
 MARY LYNN VEACH SADLER, A.B., Duke University, 1962; A.M., 1963
 STEPHEN JAMES TELLER, A.B., Roosevelt University, 1962; A.M., 1963
 MARGARET JOSEPHINE WEBB, B.A., Wellesley College, 1954; M.A., Miami University, 1963
 RUTH LOUISE WIDMANN, A.B., University of Wisconsin, 1963; A.M., 1964

In Entomology

JEAN MARIO MATHIEU, Ing.Agr., Instituto Tecnológico de Monterrey (Mexico), 1958; M.S., 1960

In Finance

AHMAD DAUOD MOHAMMAD ISSA, B.S., M.S., 1962, 1963
 RONALD LEON RACSTER, A.B., M.S., 1958, 1962

In Food Science

DOV HARTAL, B.S.Ch.E., Technion, Israel Institute of Technology, 1961; M.S., 1966
 ROMEO T. TOLEDO, B.S.Ch.E., University of San Agustin, 1960; M.S., 1965

In French

WILLIAM GRANT HEIGOLD, A.B., A.M., Washington University, 1954, 1956
 DONALD JAMES NOLAN, A.B., M.A., State University of New York (Albany), 1960, 1961
 SISTER CAROL ANN COLLINS, A.B., Notre Dame College, 1957; A.M., John Carroll University, 1962

In Genetics

RICHARD EUGENE RAYLE, B.S., Michigan State University, 1962

In Geology

WILLIAM WYATT DUDLEY, JR., B.S.E., Princeton University, 1960; M.S., 1962
 DARREL EUGENE DUNN, B.S., 1955

KENNETH SUTHERLAND JOHNSON, B.S.(Geol.), B.S.(Geol.E.), M.S., University of Oklahoma, 1959, 1961, 1962
 DONALD RAY LOWE, B.S., Stanford University, 1964
 DETMAR FRIEDRICH SCHNITKER, M.S., University of North Carolina, 1966

In History

LOYD EUGENE AMBROSIUS, A.B., A.M., 1963, 1964
 MICHAEL FRANCIS FOLEY, JR., B.A., American International College, 1961; A.M., 1963
 WILLIAM GILBERT GARD, A.B., A.M., 1958, 1960
 ALLAN CARL GREENBERG, A.B., Cornell University, 1962; A.M., 1964
 RONALD DEANE RIETVELD, A.B., Wheaton College (Illinois), 1959; B.D., Bethel Theological Seminary, 1962; A.M., 1964
 EKKEHARD-TEJA PETER WILFRIED WILKE, A.B., A.M., 1962, 1963

In Horticulture

STEPHEN AYARS GARRISON, B.S., M.S., Rutgers University, 1960, 1963

In Italian

VALERIA SESTIERI LEE, Laurea in Lettere, University of the Studies of Rome, 1959

In Library Science

CHARLES ALBERT BUNGE, A.B., University of Missouri, 1959; M.S., 1960
 JAMES KRICKELAS, B.S., M.S., University of Wisconsin, 1958, 1959

In Mathematics

STEPHANIE BREWSTER BREWER ALEXANDER, A.B., Mount Holyoke College, 1961; A.M., 1963
 JAMES ALLEN CRENSHAW, B.S., M.S., University of Arizona, 1960, 1962
 VLADIMIR DROBOT, B.S., University of Notre Dame, 1963; M.S., 1964
 MARSHALL MONTEITH FRASER, B.A., Beloit College, 1962; A.M., 1965
 RICHARD SAMUEL HALL, A.B., Albion College, 1962; M.S., 1963
 LELAND KITCHIN MCDOWELL, B.S.E.E., B.S.A.M., North Carolina State University, 1962, 1962; M.S., 1963
 JOHN STEPHEN MONTAGUE, A.B., Pomona College, 1962
 SISTER M. RAYMOND CAPUA HARTY, B.A., Rosary College, 1955; M.S., 1959
 GILBERT LEINBAUGH SWARD, B.A., M.A., Duke University, 1953, 1955
 MARCIA PETERSON SWARD, A.B., Vassar College, 1961; A.M., 1963
 PAUL ROBERT WILSON, A.B., A.M., University of Cincinnati, 1961, 1962

In Mechanical Engineering

ALAN BURGESS DRAPER, S.B., Massachusetts Institute of Technology, 1947; M.I.E., Syracuse University, 1955
 ROSS ORLO McNARY, B.S.M.E., Kansas State University, 1960; M.S., 1962
 ISAAC MOKED, B.Sc.M.E., Ingenieur (Mech.E.), M.Sc.M.E., Technion, Israel Institute of Technology, 1957, 1959, 1963
 SUBBIAH RAMALINGAM, B.Tech.(Hons.), Indian Institute of Technology, 1956; M.S., 1961

In Metallurgical Engineering

FRANK YALE FRADIN, S.B., Massachusetts Institute of Technology, 1963; M.S., 1964

In Microbiology

HARVEY DRUCKER, B.S., 1963
 NORMAN BERNARD HECHT, B.S., Rensselaer Polytechnic Institute, 1962

In Mining Engineering

PAUL HAI-HSING LU, B.E., Hokkaido University, 1945; M.S., 1964
 BALBIR SINGH NARANG, B.S., M.S., 1961, 1964

In Musicology

DAVID EUGENE CRAWFORD, B.A., M.A., University of Kansas, 1961, 1964

In Nuclear Engineering

HENRY THOMAS SAMPSON, B.S.Ch.E., Purdue University, 1956; M.S., University of California (Los Angeles), 1961; M.S., 1965

In Philosophy

STANLEY JACK ODELL, B.A., University of Kansas City, 1960; A.M., 1962

In Physical Education

VICTOR ALEXANDER CORROLL, B.A.P.E., University of Saskatchewan, 1962; M.S., 1965

PAUL STEPHEN FARBY, B.S., State University of New York (Cortland), 1963; M.S., 1964

BURLEIGH DON FRANKS, B.S.E., M.Ed., University of Arkansas, 1960, 1961

DONALD DALE HENKEL, A.B., Indiana University, 1951; M.S., George Williams College, 1955

DONALD JOHN MERKI, B.S., St. Joseph's College, 1955; M.S., 1956

LAWRENCE BARNEY OSCAL, B.S., La Sierra College, 1961; M.S., University of Colorado, 1963

MICHAEL LEE POLLOCK, B.S., University of Arizona, 1958; M.S., 1961

DOROTHY IMOGENE POPEJOY, B.S.Ed., Illinois State University, 1950; M.S.Ed., University of Southern California, 1955

RICHARD ALLEN SCHMIDT, A.B., M.A., University of California, 1963, 1965

MICHAEL ARTHUR SHERMAN, B.S., State University of New York (Cortland), 1961; M.S., 1962

MARCIA JANE SPAETH, B.S., 1950; M.S., University of California (Los Angeles), 1951

SIDNEY BERNARD SWARD, B.S., M.S., 1957, 1958

In Physics

VAN FONKEN WILFORD BLUEMEL, B.S., University of Michigan, 1956; M.S., 1960

RONALD RAY BOURASSA, B.A., Rice University, 1962; M.S., 1964

RICHARD CHARLES BRANDT, B.S., California Institute of Technology, 1962; M.S., 1964

MAGNUS GEORGE CRAFT, B.A., University of Iowa, 1961; M.S., 1963

CHARLES ARTHUR EBNER, A.B., Cornell University, 1962; M.S., 1963

CHARLES ROBERTS FLETCHER, B.A., Rice University, 1961; M.S., 1963

WILLIAM VERNE HASSENZAHL, B.S., California Institute of Technology, 1962; M.S., 1964

ROBERT JOSEPH HECHT, S.B., Massachusetts Institute of Technology, 1958; M.S., California Institute of Technology, 1961

GERALD EUGENE HITE, B.S., Case Institute of Technology, 1962; M.S., 1964

HARRY FREDERICK JORDAN, B.A., Rice University, 1961; M.S., 1963

JAMES PETER KAPLAFKA, B.S., Case Institute of Technology, 1960; M.S., 1962

JOSE KATZ-MASSON, B.S., M.S., 1963, 1964

DAVID CAREY MONTGOMERY, S.B., Massachusetts Institute of Technology, 1960; M.S., 1961

ROBERT JAMES SPRY, B.S., M.S., 1960, 1962

GARY GEORGE TIBBETTS, B.S., California Institute of Technology, 1961; M.S., 1963

JOHN ANDREW TODOROFF, B.S., California Institute of Technology, 1961; M.S., 1963

BYRON ARLEN YOUNG, B.S., Stanford University, 1962; M.S., 1964

In Physiology

KENNETH JAMES KANT, B.Sc.Ed., Ohio State University, 1958; M.S., 1964

ALBERT CHARLES KIRBY, B.S., M.S., Louisiana State University and Agricultural and Mechanical College, 1962, 1963

WILLIAM ELDREDGE PERKINS, B.A., Lawrence College, 1960; M.S., 1962

GERALD KINSEY WEISS, B.A., St. Olaf College, 1962; M.S., 1964

In Plant Pathology

MICHAEL JAMES HEALY, B.S., M.S., 1963, 1965

CLINTON FREDERICK HODGES, B.S., M.S., 1962, 1964

MAHENDRA NATH KHARE, M.Sc., Agra University, 1954
 OLAF NORMAN NESHEIM, B.S., M.S., 1963, 1965
 MAURICE ADOLPH STROBBE, B.S., M.S., Western Illinois University, 1950, 1957

In Political Science

CLARA SAYRE JENSEN, B.A., M.A., University of Florida, 1960, 1961
 FREDERICK BALLARD WILLIAMS, A.B., Muskingum College, 1963; A.M., 1966

In Psychology

CARL HEBSON FREDERIKSEN, A.B., Harvard College, 1963; A.M., 1965
 ELEANOR PUTTERMAN GAER, B.S., University of Wisconsin (Milwaukee), 1959;
 M.S., University of Wisconsin, 1962
 PAUL ALBIN HERZBERG, B.A.(Hons.), Queens College, 1958; A.M., Princeton Uni-
 versity, 1961
 WILLARD DENNIS LARKIN, B.S., University of Michigan, 1959; A.M., University
 of Pennsylvania, 1963

In Sociology

MAX RAYMOND CULVER, A.B., Capital University, 1949; B.D., Evangelical Lu-
 theran Theological Seminary, 1952; A.M., 1955

In Spanish

EDWARD EROS BORSOI, B.S., University of Bridgeport, 1959; A.M., 1964
 ALBERT PHILLIP MATURE, A.B., M.Ed., University of South Carolina, 1956, 1957
 WALTER EDWARD THOMPSON, B.S., A.B., Wayne State University, 1956, 1960;
 A.M., Middlebury College, 1963

In Speech

HELEN HINCHLIFF FRANZWA, A.B., University of California, 1961; M.A., San
 Diego State College, 1963
 MARY EMILY HANNAH, A.B., Grinnell College, 1958; M.A., State University of
 Iowa, 1962
 RUBY ALLEN MURPHY, A.B., Shorter College, 1959; M.Ed., Emory University,
 1960
 JOHN FREDERICK SCHUNK, A.B., A.M., 1964, 1965
 ANDREW TAKAHISA TSUBAKI, B.A., Tokyo Gakugei University, 1954; M.F.A.,
 Texas Christian University, 1961

In Theoretical and Applied Mechanics

THOMAS JOSEPH BANDER, B.S.A.E., M.S.A.E., Purdue University, 1959, 1960
 CLARK REID BARKER, B.S.M.E., Bradley University, 1961; M.S.A.M., California
 Institute of Technology, 1962
 RICHARD BOLTON, B.S., M.S., 1960, 1961
 RICHARD GLENN CARLSON, B.S., M.S., 1963, 1965
 BRUCE ROBERT DEWEY, B.S., M.S., Iowa State University, 1959, 1964
 ROBERT CALVIN HANSEN, Eng.Mines, Colorado School of Mines, 1951; M.S.M.E.,
 Bradley University, 1962
 THOMAS JOON-MOCK KIM, B.S., M.S., Seoul National University, 1959, 1963;
 A.M., Villanova University, 1964
 ROBERT CARL REUTER, JR., B.S., M.S., 1964, 1965
 ROBERT EDWARD ROWLANDS, B.A.Sc., University of British Columbia, 1959; M.S.,
 1964
 DARIUSH SHADMAN, B.S., M.S., 1962, 1964
 BENEDICT CHING-SAN SUN, B.S., National Taiwan University, 1955; M.S., Kansas
 State University, 1959

In Veterinary Medical Science

DENNIS KEITH MANN, B.S., B.S.(Vet.Med.), D.V.M., 1951, 1958, 1960; M.P.H.,
 Tulane University, 1963; M.S., 1964
 JOSEPH EDWARD WAGNER, D.V.M., Iowa State University, 1963; M.P.H., Tulane
 University, 1964

In Zoology

- RUSSELL PAUL BALDA, B.S., Wisconsin State College (Oshkosh), 1961; M.S., 1963
 JOHN DOUGLAS BUFFINGTON, B.S., St. Peter's College, 1963; M.S., 1965
 ROBERT SEICHI HIKIDA, B.S., M.S., 1963, 1965
 CHARLES EDMOND HUBERT, B.S., Savannah State College, 1941; M.S., M.A.,
 Atlanta University, 1948, 1956
 LARRY JACKSON LEAMY, B.S., Eastern Illinois University, 1962; M.S., 1965
 JAMES PATRICK LEHNERT, B.S., A.M., University of Michigan, 1958, 1961
 HAROLD WILLIAM LUNT, B.A., University of California (Santa Barbara), 1956;
 M.S., 1963
 JOHN CHARLES MERTZ, B.S., Delaware Valley College of Science and Agriculture
 (Pennsylvania), 1962; M.S., 1964
 HIROYUKI MORIOKA, B.S., Tokyo University of Education, 1954; M.Sc., Kyoto
 University, 1957
 ROBERT VINCENT O'NEILL, B.A., Cathedral College of the Immaculate Conception,
 1961
 JEROME JOHN PAULIN, B.Ed., Wisconsin State College (Whitewater), 1962; M.S.,
 1963
 DONALD KRAFT UNDERHILL, B.A., University of Minnesota, 1959; M.S., 1963
 JOSEPH JAMES WHITE, B.S., M.S., North Carolina College, 1949, 1950
 JERROLD HOWARD ZAR, B.S., Northern Illinois University, 1962; M.S., 1964

Degree of Doctor of Education*In Education*

- BRUCE RAY ANDERSON, A.B., Wheaton College, 1959; Ed.M., 1962
 LEWIS DARROW HOLLOWAY, B.Ed., Chicago Teachers College-South, 1958;
 M.S.Ed., Drake University, 1960
 MARTIN H. JASON, B.S., Roosevelt University, 1958; M.Ed., Loyola University,
 1962
 FAUSTINE CHILDRESS JONES, A.B., Agricultural, Mechanical and Normal College
 (Arkansas), 1948; A.M., 1951
 JOHN STEPHEN KEMP, B.S., Ed.M., 1957, 1961
 MELVIN MICHAEL LUBERSHANE, B.Ed., Chicago Teachers College, 1948; M.A.,
 Northwestern University, 1952
 THOMAS CHARLES McNAMARA, M.A., Catholic University of America, 1956; B.S.,
 Loyola University (New Orleans), 1960
 ROBERT LOUIS MENDELSON, B.S.Ed., M.Ed., Miami University, 1959, 1962
 MARK EUGENE MILLER, B.S., Ed.M., 1951, 1957
 ROYAL WILLIAM MULHOLLAND, B.S.Ed., Greenville College, 1961; Ed.M., 1962

REGULAR MEETING RECESSED

President Johnston stated that the regular meeting of the Board would be recessed and that a meeting of the Committee on Buildings and Grounds had been called. He further stated that an executive session had been requested and was being ordered following the committee meeting for consideration of recommendations relating to property acquisitions and pending litigation.

EXECUTIVE SESSION

When the Board reconvened, the same members of the Board, officers of the Board, and officers of the University as recorded at the beginning of these minutes were present.

The Board considered the following recommendation from the President of the University.

**ACQUISITION OF LAND FOR RUNWAY EXTENSION
AT UNIVERSITY OF ILLINOIS-WILLARD AIRPORT**

(29) The Board of Trustees has previously authorized (meeting of July 26, 1967) condemnation of certain real estate at the northwest end of Runway 13-31 for a "clear zone approach" and runway extension to 6500 feet (from the present 5300 feet) for use as an instrument runway at the University of Illinois-Willard Airport. It now has been determined that the University's acquisition of additional land at this time will be in its best interests and is necessary and desirable for the current operations of the airport and its future expansion.

Representatives of the University have conducted negotiations with the owner of the land, but the owner has refused to sell for a price which the officials of the University consider fair and reasonable and representative of its present market value.

Therefore, the Director of the Institute of Aviation and the Vice-President and Comptroller recommend that the property be condemned through exercise of the power of eminent domain and request the adoption of the following resolution, which resolution will supersede the action of the Board of Trustees on this matter at its July 26, 1967, meeting, and further request authorization of settlement of the condemnation suit if such settlement can be effected at a price that is within the appraisals received by the University.

I concur.

**Resolution Authorizing Condemnation of Property Adjacent to Northwest
End of Runway 13-31 University of Illinois-Willard Airport**

Be It, and It Hereby Is Resolved, Found and Declared by The Board of Trustees of the University of Illinois, a body corporate and politic and a public corporation of the State of Illinois, that the following-described property situated in the County of Champaign, in the State of Illinois, to-wit:

A parcel of land situated in the State of Illinois, the County of Champaign and being a part of the West One-half (W ½) of Section Three (3), Township Eighteen North (T-18-N), Range Eight East (R-8-E) of the Third Principal Meridian (3rd P.M.) and being more fully bounded and described as follows:

Beginning at the Southeast corner of the Northwest One-Quarter (NW ¼) of said Section Three (3), said corner being marked by a corner post; thence Northerly along the East line of said Northwest One-Quarter (NW ¼) a distance of 2804.72 feet to a corner in the North line of said Northwest One-Quarter (NW ¼), said corner being marked with an iron pipe monument; thence Westerly along the North line of the Northwest One-Quarter (NW ¼) of said Section Three (3), a distance of 1525.46 feet to a corner, said corner being marked with an iron pipe monument; thence Southeasterly along a line parallel to the Centerline of Runway 13-31 extended, a distance of 234.78 feet to a corner, said corner being marked with an iron pipe monu-

ment; thence Southwesterly along a line forming an angle of 90°-00' to the right with a prolongation of the last described course, a distance of 1750.00 feet to a corner, said corner being marked with an iron pipe monument; thence Southeasterly along a line parallel to the Centerline of Runway 13-31 extended, a distance of 2811.86 feet to a corner in a fence marking the West property line of the University of Illinois-Willard Airport, said corner being marked with an iron pipe monument; thence Northerly along the said West property line a distance of 596.66 feet to a corner in the South line of the said Northwest One-Quarter (NW ¼), said corner being marked with a corner post; thence Easterly along the said South line a distance of 704.31 feet to the point of beginning; said parcel containing 129.06 acres more or less.

is needed by the University of Illinois, an educational institution established and supported by the State of Illinois for use as a clear zone approach and runway extension at the Northwest end of runway 13-31 for the University of Illinois-Willard Airport and for other educational purposes conducted and to be conducted by said University of Illinois and for the further expansion of the educational facilities of said University of Illinois and to enable said University of Illinois to discharge its duty to the people of said State and for public use, that funds are available to the University for the purchase of said land for said educational purposes; that this Board of Trustees has negotiated with the owner of said land for the purchase of said land at a price which this Board of Trustees considers fair and reasonable and which it finds constitutes the present market value of said land, but that said owner has refused to sell and convey said land, or any portion thereof, to said The Board of Trustees of the University of Illinois, for such price and continues to refuse to sell and convey the same to it except for a consideration and price which this Board of Trustees deems unreasonable and excessive and is, therefore, unwilling and has refused to pay; and

Be It, and It Is Hereby Further Resolved, Found and Declared by The Board of Trustees of the University of Illinois that the compensation to be paid by it for said land cannot be agreed upon between this Board of Trustees and the owner of said property and she and it are unable to agree upon the purchase price to be paid to said property owner for the sale and conveyance of said land by said owner thereof to said The Board of Trustees of the University of Illinois; and

Therefore, Be It, and It Is Hereby Further Resolved, Found and Declared by The Board of Trustees of the University of Illinois that because of said need of the University of Illinois for said land for the purposes hereinabove set forth and because the compensation to be paid to the owner thereof for such land cannot be agreed upon between her and this Board of Trustees, it is necessary for The Board of Trustees of the University of Illinois to take said land and acquire title thereto through the exercise by it of the right of eminent domain conferred upon it by law and to have the compensation to be paid by it to the owner thereof and any and all other persons who may have any right, title or interest in and to said land determined in the manner provided by law for the exercise of said right and power of eminent domain; and

Be It, and It Is Hereby Further Resolved by The Board of Trustees of the University of Illinois that the necessary and appropriate action be taken for the acquisition of said title to said property by said The Board of Trustees of the University of Illinois and to have the compensation to be paid therefor determined by the institution and prosecution to completion of a proceeding in eminent domain in a court of competent jurisdiction and that the Legal Counsel of the University be, and he is hereby, authorized to proceed accordingly, to institute and prosecute an eminent domain proceeding in the name and on behalf of The Board of Trustees of the University of Illinois for the acquisition of said land and the determination of the compensation to be paid by it therefor, and to employ such special legal counsel, appraisers, and others as he may deem necessary or desirable to assist him in the institution and prosecution of said proceeding.

On motion of Mr. Swain, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr.

Hughes, Mr. Johnston, Mr. Jones, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

On motion of Mr. Swain, the Board adjourned.

EARL W. PORTER
Secretary

WAYNE A. JOHNSTON
President

LUNCHEON GUESTS

Representatives of the faculty and of the students at the Medical Center campus, the Executive Director of the Illinois Building Authority, Cook County Superintendent of Schools, General Superintendent of Schools in Chicago, and the President of the Association of Suburban Conferences were guests of the Board at luncheon and were introduced. The Chairman of the Illinois Building Authority was unable to attend the luncheon but attended the meeting and was introduced at that time.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

November 10, 1967

The November meeting of The Board of Trustees of the University of Illinois was held in the Illini Union, Urbana, Illinois, on Friday, November 10, 1967, beginning at 9:00 a.m.

President Wayne A. Johnston called the meeting to order and asked the Secretary to call the roll. The following members of the Board were present: Mr. Howard W. Clement, Mr. Donald R. Grimes, Mr. Ralph C. Hahn, Mr. Earl M. Hughes, Mr. Wayne A. Johnston, Mr. Theodore A. Jones, Mr. Harold Pogue, Mr. Timothy W. Swain. Governor Otto Kerner, Mr. Ray Page, and Dr. James A. Weatherly were absent.

Also present were President David D. Henry; Executive Vice-President and Provost Lyle H. Lanier; Chancellor Norman A. Parker, University of Illinois at Chicago Circle; Chancellor Joseph S. Begando, University of Illinois at the Medical Center; Chancellor Jack W. Peltason, University of Illinois at Urbana-Champaign; Vice-President Eldon Johnson; Mr. C. E. Flynn, Assistant to the President and University Director of Public Information; Mr. James J. Costello, Legal Counsel; Mr. George H. Bargh, Executive Assistant to the President; Mr. Vernon L. Kretschmer, University Associate Director of Physical Plant Planning and Construction; Mr. R. C. Wicklund, Staff Associate in the Board of Trustees Office and Assistant Secretary of the University; Associate Professor H. J. Stein, Chicago Circle Senate Committee of Observers; Mr. Donald C. Neville, Assistant to the Director of the Physical Plant, Urbana; Mr. Eugene S. Pitcher, Assistant to the Director of the Physical Plant, Urbana; and the officers of the Board, Mr. H. O. Farber, Comptroller, Mr. R. R. Manchester, Treasurer, and Dr. Earl W. Porter, Secretary.

TO DAVID D. HENRY

President Johnston took note of the election, on October 25, 1967, of President David D. Henry as President of the Association of American Universities for a two-year term, and presented the following resolution which was unanimously adopted:

Be It Hereby Resolved that The Board of Trustees of the University of Illinois regards this election as a signal honor not only to President Henry personally and to his outstanding career of leadership in higher education, but also as a matter of distinction for the University of Illinois and for the State of Illinois which benefits so greatly from the University of Illinois' accomplishments and from its forward-looking programs so ably directed by Dr. Henry.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY
The Board took up consideration of the following reports and recommendations from the President of the University.

PRESIDENT'S REPORT

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

NEW CAMPUS PLANNING

(1) The President of the Board called on President Henry to make a report to the Trustees on the planning of new campuses in Illinois. President Henry presented the following statements.

Comments Regarding the Status of Deliberations of the Board of Higher Education Special Committee on New Senior Institutions

By President David D. Henry

A final report from the Board of Higher Education Special Committee on New Campuses is not yet available. We do have in hand, however, a document outlining the views and recommendations of Dr. Lyman Glenny, the Executive Director, and I should like to comment upon it.

Dr. Glenny's recommendation to the Special Committee concerning program and site for the proposed new campus in the Chicago area differs somewhat from the proposal submitted by the University of Illinois. We regret that no special mandate is given the new institution to see what it can do as a laboratory in exploring new concepts in curriculum and procedures, particularly with reference to students from disadvantaged backgrounds. At the same time we are glad the University of Illinois effort in this direction is so strongly endorsed. In general, we can only say that the decision as to priorities in program offerings and in location is a matter of judgment and that we are not disposed to argue the case made by the University beyond the statement made to the Board of Higher Education Special Committee on Senior Colleges on October 16, 1967.

With reference to the Springfield campus, I am disappointed that Dr. Glenny has proposed such a limited program. I repeat our deep conviction that this campus should be viewed as a high level University center of distinction with a special mission, as well as a senior college for transfer students. The University of Illinois proposal for Springfield takes into account both functions and is prepared strongly to advance this concept.¹

From the statement of the Executive Director and its discussion, we identify three other general points which are central in the decision on governance of the Springfield campus.

1. The University of Illinois definition and application of the concept of a "free-standing" campus within a University system appears to be endorsed. The paper describes "free-standing" as meaning that each institution "would have a chief campus officer, a faculty senate and other institutional bodies with a high degree of academic and administrative autonomy. Such autonomy is deemed necessary to be closely related to the community and responsive to its needs."

¹ See October 16, 1967, minutes of the Board of Trustees.

We believe that the chancellorship organization of the University of Illinois fully meets this definition.

2. The meaning of "typology" remains to be defined — and, more importantly, the policy governing *application* of "typology" as a criterion for assignment of governance remains to be analyzed and justified in specific terms.

Obviously, a new campus should be aligned with the objectives and capabilities of the University system of which it is a part. *We consider that the Springfield campus not only would be in harmony with the objectives and capabilities of the University of Illinois but that the University system at this time is uniquely qualified for the task of developing the kind of educational institution the people of Illinois should have in their State capital.*

3. Dr. Glenn refers to a "balance of systems." This phrase also requires definition and, once defined, a rationale for its application. If the basis for balance is enrollments, or budgets, or number of campuses, some analysis must be made of true comparability. We believe, for example, that emphasis upon upper division and graduate work in the fundamental fields of learning and high level professional education (with research and public service functions related to these fields) is the key identifying characteristic of the University of Illinois. Costs will vary by levels, and enrollments must be viewed in relationship to mission. The Medical Center campus of the University of Illinois is small compared to the other campuses and its costs are related to its unique work; yet, it is most appropriately a part of the University of Illinois system. We believe that the Springfield campus, with its location in the State capital, merits program planning which includes but looks beyond the needs of junior college transfer students and has educational meaning for the State as a whole.

Further, the people of Illinois are entitled to know whether the University of Illinois is to be used in the program of expansion of new campuses—as has been done in California, Wisconsin, New York, North Carolina, and Missouri—or whether the University is to be excluded from this use of its capabilities because of an arbitrary and educationally irrelevant concept of "balance of systems."

The controlling concern should be how the public interest, especially the educational needs of Illinois youth, can best be served. We believe that the prompt and efficient development of a campus of high quality, as a part of the University of Illinois system, is in the interest of the State, the students, the community of Springfield, and the people of Illinois.

A further comment on

Why the University of Illinois in Springfield?

By President David D. Henry

Quality institutions of higher education are built upon wise and insightful planning, capable administration, academic prestige, and professional resources needed to accomplish goals.

The University of Illinois has had a long and meaningful relationship to higher education in the Springfield area. Since 1937 credit courses at both graduate and undergraduate levels, (including a Master's Program in Public Administration), as well as noncredit courses, short courses, conferences, institutes, training programs, and special classes for federal and state employees, have been offered in Springfield. In 1941 a field representative of the Division of University Extension was assigned to the Springfield area and in 1947 a resident field representative was assigned to Springfield. In 1966-67 the University offered instructional work to 1,400 residents in a variety of courses. An additional 1,248 were enrolled in specialized programs.

Over the years, the University has participated in studies of the needs of education, especially higher education, in the Springfield area. It has loaned the services of faculty and administrative staff to compile data which now have been analyzed and interpreted in preparation of the University's plan for an institution in Springfield.

The Plan. When the Committee assigned by the Board of Higher Education to make recommendations on site, program, and governance held hearings October 16, 1967, the University of Illinois presented a specific and detailed plan for

the Springfield institution. This plan not only is forward looking but indicates the depth of consideration which the University has given "to reflect the needs of the next century rather than simply the most pressing needs of the next decade."

Educational Autonomy. The Master Plan for the State of Illinois calls for, and interested citizens of Springfield desire, an institution which will be educationally autonomous. The University of Illinois, with its system of chancellors and educational autonomy for three existing campuses, can offer the Springfield campus the kind of governance which will be most acceptable to all concerned.

If the University were assigned the task of developing the new institution in Springfield, a chancellor would be appointed and other appropriate administrative officers selected without any administrative control from the other campuses. The general administrative officers of the University are equally concerned with the interests of *all campuses* and do not direct operations at any of them. Further, a local advisory committee would be established immediately, to reflect community as well as statewide interests in planning and continuing developments.

Prestige. Even though educationally autonomous, the new campus would immediately benefit from the prestige which the University of Illinois has built over its one hundred-year history. This point is of vital concern in meeting the greatest single task any new institution must face; that is, recruitment of an able and distinguished faculty in an era in which there is great competition for scholars and scholarly achievement. The University of Illinois at Chicago Circle has made enormous strides in assembling a first-rate faculty because it is a part of the University of Illinois system.

Resources. The University of Illinois system has the kind of academic resources in every area which are needed for prompt and effective activation of a new campus. On its faculty and staff is the expertise needed now to assist in planning an educational program and to devise and construct in the most efficient way, the kind of physical plant which will get the most from dollars the State of Illinois appropriates.

Trusteeship. The University of Illinois is governed by a Board of Trustees chosen by the electorate of the state who serve as representatives of the complete citizen population of the State of Illinois. No other university system in Illinois is so constituted. It is most fitting that an institution in the State Capital be governed by a Board of Trustees representing the people of the entire commonwealth and chosen by them.

On motion of Mr. Jones, the Board gave its approval and endorsement to the comments as representing the position of the University of Illinois on this matter.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(2) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Illinois Accountancy Act of 1943, as amended, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

<i>Name</i>	<i>Address</i>	<i>State from Which They Obtained Certificates</i>
ERNEST EDMOND BARTHOLOMEW	South Holland, Illinois	Indiana
WILLIAM JOSEPH BIRCHLER	Brentwood, Missouri	Missouri
STANLEY JOHN MENGWASSER	Ferguson, Missouri	Missouri
ARTHUR ADOLPH RENTZSCH	Peoria, Illinois	Iowa
DAVID WHITCOMB REWICK	Barrington, Illinois	California
HAROLD LEROY WRIGHT	Lake Zurich, Illinois	Oregon and Washington

I concur.

On motion of Mr. Swain, these certificates were awarded.

**APPOINTMENT TO THE BOARD OF DIRECTORS
OF THE ATHLETIC ASSOCIATION**

(3) With the concurrence of Chancellor Jack W. Peltason, I recommend that Associate Professor William A. Ferguson be appointed to complete the term of Professor Paul R. Shaffer as a member of the Board of Directors of the Athletic Association of the University of Illinois to become effective immediately and to continue until the next annual meeting of The Board of Trustees of the University of Illinois in 1968, or until the successors of these directors have been appointed. Professor Shaffer has asked to be relieved of this service due to an extended leave of absence from the University to accept an assignment with the Office of International Science Activities of the National Science Foundation.

On recommendation of Mr. Swain, this appointment was approved.

HEADSHIP OF DEPARTMENT OF GEOLOGY, CHICAGO CIRCLE

(4) The Dean of the College of Liberal Arts and Sciences, the Dean of Faculties, and the Chancellor at Chicago Circle recommend the appointment of Dr. Werner H. Baur as Associate Professor of Geology on indefinite tenure and as Head of the Department on an academic year service basis, beginning November 1, 1967, at an annual salary of \$17,500, divided: \$16,500 as Associate Professor and \$1,000 as Head of the Department.

Professor Baur served as Acting Head of the Department during the 1966-67 academic year.

The Dean of the Graduate College and the Executive Vice-President and Provost concur in this recommendation.

I recommend approval.

On motion of Mr. Hughes, this appointment was approved.

APPOINTMENTS TO THE FACULTY

(5) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

Positions in the University are classified in the following categories and are designated in the budget by the symbols indicated: A — indefinite tenure; P — indefinite term appointment for part-time service only; B — two years; D — one year; E — nine months from the beginning of the academic year; G — special tenure; Q — initial term appointment for Professor or Associate Professor; Y — twelve months' service required instead of two semesters; 1-7 — indicates the number of years of service which will be credited at the end of the contract period toward completion of the probationary period relating to tenure; T — terminal appointment, accompanied with or preceded by notice of non-reappointment.

Figures following a symbol indicate percentage of time if the appointment is on a part-time basis (e.g., D75 means one year on three-fourths time).

Chicago Circle

1. WILLIAM H. BOGARTZ, Visiting Associate Professor of Psychology, for the academic year 1967-68 (D), at a salary of \$12,200.
2. DJAIRO DE FIGUEIREDO, Associate Professor of Mathematics, beginning September 1, 1967 (A), at an annual salary of \$14,000.
3. MARY ANGELA DIVITO, Assistant Professor of Physical Education for Women, beginning September 1, 1967 (1), at an annual salary of \$10,000.
4. MATAM P. MURTHY, Visiting Associate Professor of Mathematics, for the academic year 1967-68 (E), at a salary of \$12,000.
5. KESHAV C. SEN, Visiting Assistant Professor of Economics, College of Business Administration, for the academic year 1967-68 (D), at a salary of \$12,000.
6. WILLIAM R. TAYLOR, Visiting Professor of History, on one-half time, for the academic year 1967-68 (E50), at a salary of \$9,500.
7. CHARLES A. TESCONI, JR., Assistant Professor of Education, beginning September 1, 1967 (3), at an annual salary of \$10,000.

8. NAOMI L. TILLMAN, Assistant Professor (1), and Assistant to the Assistant Director of the School of Social Work (D), in the Jane Addams Graduate School of Social Work, beginning September 1, 1967, at an annual salary of \$10,500.
9. PAUL ZIFF, Professor of Philosophy, beginning February 1, 1968 (A), at an annual salary of \$24,000.

Medical Center

10. RUY V. LOURENCO, Associate Professor of Medicine, College of Medicine, on three-fourths time, beginning August 1, 1967 (PY75), at an annual salary of \$12,000.
11. ARPAD PUSZTAI, Visiting Associate Professor of Biological Chemistry, College of Medicine, for eight months from January 1, 1968 (DY), at a salary of \$9,333.
12. ALFRED W. VON SMOLINSKI, Assistant Professor of Pharmaceutical Chemistry, College of Pharmacy, beginning September 1, 1967 (1), at an annual salary of \$12,000.
13. RILEY DONALD WOODSON, Assistant Professor of Surgery, College of Medicine, beginning September 5, 1967 (1Y), at an annual salary of \$20,000.

Urbana-Champaign

14. HANAFI K. FARAHAT, Visiting Associate Professor of Mathematics, for the academic year 1967-68 (E), at a salary of \$13,000.
15. ELIEZER KAMON, Assistant Professor in Recreation and Park Administration and in Physiology and Biophysics, beginning September 1, 1967 (TY), at an annual salary of \$11,000.
16. DANIEL B. MEADOR, Assistant Professor of Pomology Extension, Department of Horticulture, beginning November 1, 1967 (1Y), at an annual salary of \$12,900.
17. JAMES M. MEYER, Visiting Assistant Professor of Chemistry, for two years from September 1, 1967 (B), at an annual salary of \$9,000.
18. KENJI NAEMURA, Visiting Assistant Professor of Computer Science, for one year from November 1, 1967 (FY), at a salary of \$11,000.
19. TERRY U. O'BANION, Assistant Professor of Higher Education, Department of Secondary and Continuing Education, beginning September 1, 1967 (1), at an annual salary of \$13,500.
20. CURTIS ONEAL PEDERSEN, Assistant Professor of Mechanical and Industrial Engineering, beginning September 1, 1967 (1), at an annual salary of \$12,500.
21. OLGERTS PURAVS, Assistant Professor of English, beginning September 1, 1967 (1), at an annual salary of \$9,000.
22. JEANETTE M. SATO, Supervisor of Occupational Therapy and Special Services, with rank of Assistant Professor, in the Division of Rehabilitation-Educational Services, College of Physical Education, beginning November 1, 1967 (1Y), at an annual salary of \$11,400.
23. GEORGE A. SKIADARESSIS, Visiting Professor of Urban Planning, for six months from March 1, 1968 (G), at a salary of \$8,200.
24. TIMOTHY H. TOPPER, Visiting Research Associate Professor of Theoretical and Applied Mechanics, College of Engineering, for eight months from January 1, 1968 (DY), at a salary of \$8,800.
25. MARILYN WILKINS, Assistant Professor of Psychology, on one-third time, and Research Assistant Professor in the Institute of Communications Research, on two-thirds time, beginning September 1, 1967 (T), at an annual salary of \$10,000.
26. SIDNEY M. STAFFORD, Business Manager, beginning November 1, 1967 (BY), at an annual salary of \$17,000.

On motion of Mr. Grimes, these appointments were confirmed.

APPROPRIATIONS FOR NONRECURRING EXPENDITURES, URBANA

(6) The Executive Vice-President and Provost, the Vice-President and Comptroller, and the Chancellor of the Urbana Campus recommend the following non-recurring appropriations from the Urbana-Champaign General Reserve:

Office of the Chancellor

Office of Instructional Resources, to match funds for a grant for Campus-Wide Closed Circuit Television received from the United States Office of Education under Title VI of the Higher Education Act of 1965.....\$19 980 00

College of Engineering

Department of Mechanical and Industrial Engineering, to supplement a matching grant received from the National Science Foundation under the Instructional Scientific Equipment Program..... 13 200 00

Total\$33 180 00

I concur.

On motion of Mr. Swain, these appropriations were approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

PROPOSED CONSTRUCTION OF CENTRAL RECEIVING WAREHOUSE, URBANA

(7) The design of a proposed Central Receiving Warehouse to be located on a site approximately 200 feet south of Florida Avenue and east of the Illinois Central railroad tracks was approved by the Committee on Buildings and Grounds on September 20, 1967. This facility will provide space for Office Supply Stores, a Central Receiving Station, General Chemical Stores, and office space for the Central Receiving Station. Completion of construction will allow the consolidation of warehouse facilities now distributed about the campus in seven separate locations.

The building will be a one-story brick veneer steel frame building with a total area of 62,000 gross square feet. Construction will be in two phases, the first to consist of approximately 38,500 gross square feet with an estimated cost of \$454,000. The second phase will be constructed as additional funds are made available.

The project will be funded from state capital appropriations to the University (\$280,000) and from institutional funds (\$174,000).

Formal approval of the design and construction of this facility is requested, subject to approval by the State Board of Higher Education.

On motion of Mr. Hahn, this design and construction were approved as requested by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

CONTRACT FOR MODERNIZATION OF ELEVATOR IN EAST CHEMISTRY BUILDING, URBANA

(8) The President of the University recommends award of a contract to the Dean Evans Co., Champaign, for modernization of the elevator in the East Chemistry Building, Urbana-Champaign campus, the award being to the lowest bidder in accordance with the estimated fee payments based on the following percentages bid for contractors' fees:

<i>Per Cent for Material</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub- contracts</i>	<i>Estimated Fee Payments</i>	<i>Total Estimated Payments</i>
5	33	2	\$2 940 00	\$64 940 00

Funds are available in state capital appropriations and have been released by the Governor.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Clement, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes,

Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

**CONTRACT FOR MODERNIZATION OF ELEVATOR
IN SMITH MEMORIAL HALL, URBANA**

(9) The President of the University recommends award of a contract to the Dean Evans Co., Champaign, for modernization of the elevator in Smith Memorial Hall, Urbana-Champaign campus, the award being to the lowest bidder in accordance with the estimated fee payments based on the following percentages bid for contractors' fees:

<i>Per Cent for Material</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub- contracts</i>	<i>Estimated Fee Payments</i>	<i>Total Estimated Payments</i>
5	33	2	\$2 940 00	\$47 940 00

Funds are available in state capital appropriations and have been released by the Governor.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Jones, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

**CONTRACT FOR NEW WATER SERVICE IN CHEMISTRY ANNEX
BUILDING, URBANA**

(10) The President of the University recommends award of a contract to Jack W. Perrone and Harold L. Fox, a partnership, doing business as Champaign Plumbing & Heating Company, Champaign, for renewing and replacing the water distribution system in the Chemistry Annex building, Urbana-Champaign campus, the award being to the lowest bidder in accordance with the estimated fee payments based on the following percentages bid for contractors' fees:

<i>Per Cent for Material</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub- contracts</i>	<i>Estimated Fee Payments</i>	<i>Total Estimated Payments</i>
12	24	5	\$3 661 00	\$22 161 00

Funds are available in the Physical Plant Department budget.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Hughes, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

**CONTRACT FOR INSTALLATION OF STORM SEWER TO SERVE THE
STADIUM AND THE INTRAMURAL-PHYSICAL EDUCATION
BUILDING, URBANA**

(11) The President of the University recommends award of a contract for \$372,500 to Cross Construction, Inc., Urbana, the lowest bidder, for construction of a sixty-inch storm sewer beginning at a point west of the proposed Intramural-Physical Education Building to the corner of First Street and Peabody Drive and then north on First Street to the Boneyard Creek.

Funds are available in state capital appropriations to the University subject to release by the Governor.

On motion of Mr. Swain, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

**EMPLOYMENT OF ENGINEERS FOR WATER MAIN, STORM SEWER,
AND SANITARY SEWER EXTENSIONS, URBANA**

(12) The President of the University recommends the employment of Ralph D. Wilson and Edward M. Anderson, a partnership doing business as Wilson and Anderson, Champaign, for complete engineering services including design, preparation of working drawings, and supervision of construction at a fee in accordance with Schedule B of the Illinois Society of Professional Engineers, 1965 Edition. The services will be for water main extensions on the Urbana-Champaign campus to serve the State Natural History Survey Laboratory, the Small Homes Council-Building Research Council building, and the Metal Building site, all south of St. Mary's Road and west of First Street, and for storm and sanitary sewer extensions to serve the Music Building, Foreign Languages Building, and Library Fifth Stack Addition.

Funds are available in state capital appropriations to the University, subject to release by the Governor.

On motion of Mr. Clement, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

EMPLOYMENT OF ARCHITECTS, URBANA

(13) The President of the University recommends employment of the following firms for complete architectural and engineering services including design, preparation of working drawings, and supervision of construction at fees and for the projects listed below, at Urbana-Champaign:

<i>Project</i>	<i>Professional Recommended</i>	<i>Fees</i>
Addition to Jonathan Baldwin Turner Hall (Phase II of Plant Sciences Building) . . .	L. Lattin Smith & Associates, Chicago	6 per cent of the estimated construction costs of \$5,750,000
Large Animal Clinic . . .	Perkins & Will, Chicago	5 per cent of the estimated construction costs of \$5,975,000 plus additional payments for supervision and construction administration at a rate of .2 of 1 per cent of the estimated construction costs plus the cost of actual time in the field of their personnel plus 25 per cent

Funds are available in state capital appropriations to the University, subject to release by the Governor.

The Committee on Buildings and Grounds and the Advisory Committee on Architectural and Engineering Services have been consulted and support these recommendations.

On motion of Mr. Hughes, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

**LEASE WITH THE ILLINOIS BUILDING AUTHORITY FOR BEHAVIORAL
SCIENCES CENTER BUILDING, CHICAGO CIRCLE**

(14) The Board of Trustees on July 26, 1967, authorized the Comptroller and the Secretary of the Board to execute the necessary documents to permit the Illinois Building Authority to proceed with the Behavioral Sciences Center Building at Chicago Circle which the Seventy-fifth General Assembly of the State of Illinois had declared to be in the public interest. The Board of Trustees at its meeting

on September 20, 1967, requested the Illinois Building Authority to award contracts for the construction. The capital costs of the project, including the construction award, are to be financed by Illinois Building Authority funds in the sum of \$7,205,000.00, the balance to come from federal funds and state appropriations to the University.

The Illinois Building Authority has now sent the University the form of the lease which should be used on this project and has requested that the Board of Trustees take specific action to approve the same. A copy of said lease form is presented herewith and is being filed with the Secretary of the Board for record.

The lease relates to the following project and is on the terms indicated.

<i>Project</i>	<i>Legislative Declaration</i>	<i>Amount of IBA Bonds</i>	<i>Annual Rent Due December 1, 1967, and on or before September 1 of Each Year Thereafter</i>	<i>Total Rental Payments</i>
Behavioral Sciences Center Building, Chicago Circle	\$10 399 300 00	\$7 205 000 00	\$512 560 00	\$12 814 000 00

Funds for rental payments under the lease during the current biennium, 1967-69 are available to the University from appropriations made by the Seventy-fifth General Assembly.

The President recommends that the Comptroller and the Secretary of the Board of Trustees be given specific authorization to execute this lease in substantially the form presented in this meeting and that the following resolution be adopted.

Resolution Authorizing Leasing of Behavioral Sciences Center Building at the Chicago Circle from the Illinois Building Authority

WHEREAS The Board of Trustees of the University of Illinois on July 26, 1967, authorized the Comptroller and Secretary of the Board to execute the necessary documents to permit the Illinois Building Authority to proceed with certain University projects which the Seventy-fifth General Assembly of the State of Illinois had declared to be in the public interest; and

WHEREAS in accordance with the Illinois Building Authority Act the Seventy-fifth General Assembly of the State of Illinois has declared, among others, the following University of Illinois project at the Chicago Circle to be in the public interest:

Behavioral Sciences Center Building at the Chicago Circle \$10,399,300.00
and

WHEREAS said declaration also provides that the cost of any specific project could exceed the amount set forth therefor so long as the aggregate amount stated therein to be financed by the Illinois Building Authority for the University is not exceeded; and

WHEREAS the amount designated for said project as follows:

Chicago Circle Campus IBA #75-03 Construct Behavioral Sciences Center Building \$ 7,205,000.00
will not cause said aggregate amount to be exceeded; and

WHEREAS the Illinois Building Authority has forwarded to the University of Illinois the form of the permanent construction lease which it requests be used for this project; and has requested that the Board of Trustees take specific action to approve the same; copy of which lease form is presented herewith and is being filed with the Secretary of the Board for record;

Now, Therefore, Be It, and It Hereby Is, Resolved that the Comptroller and Secretary of this Board of Trustees be, and hereby are, authorized to execute, acknowledge, and deliver in the name and on behalf of this corporation a lease with the Illinois Building Authority in substantially the form presented to this meeting for the following building and facility:

Construction of a Behavioral Sciences Center Building at the Chicago Circle, at a cost to the Illinois Building Authority of \$7,205,000.00 requiring 25 rental payments as follows: an initial rental on or before December 1, 1967 in the sum of \$512,560.00; and during each successive renewal term of the Lease, the annual sum of \$512,560.00 on or before the 1st of September of each year thereafter for 24 years with total rental payments of \$12,814,000.00.

On motion of Mr. Swain, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

LEASE WITH THE ILLINOIS BUILDING AUTHORITY FOR COLLEGE OF NURSING OFFICE AND CLASSROOM BUILDING, MEDICAL CENTER

(15) The Board of Trustees on September 22, 1965, authorized the Comptroller and the Secretary of the Board to execute the necessary documents to permit the Illinois Building Authority to proceed with the College of Nursing Office and Classroom Building at the Medical Center which the Seventy-fourth General Assembly of the State of Illinois had declared to be in the public interest. As a result of deferral of the project, the Seventy-fifth General Assembly again declared it to be in the public interest and the Board of Trustees on July 26, 1967, again requested the Illinois Building Authority to procure the facility for the University. The Executive Committee of the Board of Trustees at its meeting on August 31, 1967, requested the Illinois Building Authority to award contracts for construction. The capital costs of the project, including the construction award, are to be financed by Illinois Building Authority funds in the sum of \$2,455,000.00, the balance to come from federal funds and state appropriations to the University.

The Illinois Building Authority has now sent the University the form of the permanent lease which should be used on the project and has requested that the Board of Trustees take specific action to approve the same. A copy of said lease form is presented herewith and is being filed with the Secretary of the Board for record.

The lease relates to the following University project and is on the terms indicated.

<i>Project</i>	<i>Legislative Declaration</i>	<i>Amount of IBA Bonds</i>	<i>Two-Year Rent Paid Under Interim Lease During 1965-67 Biennium</i>	<i>Annual Rent Due December 1, 1967, and on or before September 1 of Each Year Thereafter</i>
College of Nursing Office and Classroom Building, Medical Center	\$6 850 300 00	\$2 455 000 00	\$369 500 00	\$173 770 00
<i>Total Rental Payments</i>				\$4 366 210 00

Funds for the rental payments during the 1965-67 biennium have been paid from appropriations made by the Seventy-fourth General Assembly under the interim lease previously executed as authorized on September 22, 1965. Funds for rental payments under the lease during the current biennium, 1967-69, are available to the University from appropriations made by the Seventy-fifth General Assembly.

The President recommends that the Comptroller and the Secretary of the Board of Trustees be given specific authorization to execute this lease in substantially the form presented in this meeting and that the following resolution be adopted.

Resolution Authorizing Leasing of College of Nursing Office and Classroom Building at the Medical Center from the Illinois Building Authority

WHEREAS The Board of Trustees of the University of Illinois on July 26, 1967, authorized the Comptroller and Secretary of the Board to execute the neces-

sary documents to permit the Illinois Building Authority to proceed with certain University projects which the Seventy-fifth General Assembly of the State of Illinois had declared to be in the public interest; and

WHEREAS in accordance with the Illinois Building Authority Act the Seventy-fifth General Assembly of the State of Illinois has declared, among others, the following University of Illinois project at the Medical Center to be in the public interest:

College of Nursing Office and Classroom Building	
Medical Center Campus	\$6,850,300.00
and	

WHEREAS said declaration also provides that the cost of any specific project could exceed the amount set forth therefor so long as the aggregate amount stated therein to be financed by the Illinois Building Authority for the University is not exceeded; and

WHEREAS the amount designated for said project as follows:

Medical Center Campus IBA #75-08 Construct College of Nursing	
Office and Classroom Building	\$2,455,000.00
will not cause said aggregate amount to be exceeded; and	

WHEREAS the interim lease applicable to this project which was heretofore executed pursuant to prior authorization was for different amounts than now being designated; and

WHEREAS the Illinois Building Authority has forwarded to the University of Illinois the form of a permanent construction lease which it requests be used for this project and which will supersede the interim lease; and has requested that the Board of Trustees take specific action to approve the same; a copy of which lease form is presented herewith and is being filed with the Secretary of the Board for record;

Now, Therefore, Be It, and It Hereby Is, Resolved that the Comptroller and Secretary of this Board of Trustees be, and hereby are, authorized to execute, acknowledge, and deliver in the name and on behalf of this corporation a lease with the Illinois Building Authority in substantially the form presented to this meeting for the following building and facility:

Construction of College of Nursing Office and Classroom Building at the Medical Center at a cost of \$2,455,000.00 requiring 25 rental payments as follows: an initial rental on or before May 1, 1966 in the sum of \$184,750.00 and on or before September 1, 1966 the sum of \$184,750.00 (payments of which have heretofore been made); and during each successive renewal term of the Lease, the annual sum of \$173,770.00 on or before December 1, 1967 and on or before the 1st of September of each year thereafter for 22 years with total rental payments of \$4,366,210.00.

On motion of Mr. Jones, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

BEQUEST OF E. G. WOODS

(16) The late E. G. Woods, an alumnus of the University of the Class of 1931, of Manatee County, Florida, bequeathed to the University of Illinois his residuary estate consisting primarily of two parcels of land, which have been sold by previous actions of the Board of Trustees. The value of the estate, after the payment of expenses, is \$74,101.

There are no restrictions in the will. The President of the University recommends that the fund be held as an endowment and that the income be used for such purposes as may be approved by the President.

On motion of Mr. Swain, this recommendation was approved.

PURCHASES

(17) The President submitted, with his concurrence, a list of purchases recommended by the Director of Purchases and the Vice-President and Comptroller; also a list of purchases authorized by the President.

The lists of purchases authorized and purchases recommended for Board approval were presented in two categories: purchases from appropriated funds (i.e., from state appropriations to the University) and purchases from institutional funds. The latter term designates funds received by the University under contracts with the United States government, contracts with private corporations and other organizations, funds from foundation grants, and grants from corporations and other donors, and University revolving funds authorized by law.

The total amounts of these purchases were:

From Appropriated Funds

Purchases Recommended	\$158 681 24
Purchases Authorized	115 62
	<u>\$158 796 86</u>

From Institutional Funds

Purchases Recommended	\$503 429 46
Purchases Authorized	50 615 11
	<u>\$554 044 57</u>
<i>Grand Total</i>	<u>\$712 841 43</u>

A complete list of the purchases authorized and purchases recommended, with supporting information, including the quotations received, was sent to each member of the Board in advance of the meeting, and a copy is being filed with the Secretary of the Board for record.

On motion of Mr. Grimes, the purchases authorized by the President were approved, and the purchases recommended were authorized.

COMPTROLLER'S REPORT OF PURCHASES APPROVED

(18) The Vice-President and Comptroller also submitted a report of purchases approved by him on recommendation of the Director of Purchases in amounts of \$2,500 to \$5,000. A copy of this report is filed with the Secretary.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS

(19) The Comptroller's report of contracts executed was submitted.

New Contracts

<i>With Whom</i>	<i>Purpose</i>	<i>Amount to be Paid to the University</i>

DIXON SPRINGS AGRICULTURAL CENTER

(21) Personnel responsible for the operation of the Dixon Springs Agricultural Center have long felt a need for improvement of the landing strip at that installation. The State of Illinois Department of Aeronautics has indicated a willingness to participate in the paving and marking of the North-South runway (2,000 feet by 60 feet) and to pay 100 per cent of the estimated cost of construction. The estimated cost of construction of the project is \$45,000. In order to secure the construction of these facilities, it will be necessary for the University to enter into a Limited Agency and Participation Agreement with the Department of Aeronautics of the State of Illinois. This Agency and Participation Agreement will authorize the Department of Aeronautics to act as the agent of The Board of Trustees of the University of Illinois in the preparation of specifications for the project and in letting and awarding construction contracts required by the project and in other respects common to such Agency and Participation Agreements heretofore entered into by the University and the Department of Aeronautics. Under this arrangement, the University shall act as the sponsor of the project and shall act as the contracting party in all construction contracts necessary to the project. However, all the funds necessary for the completion of the project will be supplied by the Department of Aeronautics.

The President and the Director of the Institute of Aviation recommend that the Comptroller and the Secretary of the Board be authorized to execute such a Limited Agency and Participation Agreement with the Department of Aeronautics of the State of Illinois with respect to this project and that said officers be further authorized to execute such other contracts, documents, or agreements as may be necessary to complete the project and as may be approved for execution by the Legal Counsel.

On motion of Mr. Swain, this recommendation was approved.

SECRETARY'S REPORTS

The Secretary presented for record the following lists: appointments to the faculty made by the President; cancellations, declinations, resignations, and terminations; leaves of absence; cancellations of leaves of absence; retirements. A copy of the report is filed with the Secretary.

ANNOUNCEMENTS FROM THE PRESIDENT OF THE BOARD

FUTURE BOARD MEETINGS

President Johnston called attention to the dates for the next two meetings of the Board to be held on December 20, 1967, in Urbana, and on January 17, 1968, at the Chicago Circle Center.

REGULAR MEETING RECESSED

On motion of Mr. Clement, the meeting was recessed.

The President of the Board stated that a meeting of the Committee on Buildings and Grounds had been called and that an executive session had been requested and was being ordered following the committee meeting to consider recommendations relating to property acquisitions and pending litigation.

EXECUTIVE SESSION

When the Board reconvened, the same members of the Board, officers of the Board, and officers of the University as recorded at the beginning of these minutes were present.

The Board considered the following recommendations from the President of the University.

PURCHASE OF LAND FOR EXPANSION OF THE VERMILION RIVER OBSERVATORY

(22) In 1961 the University completed acquisition of a 205-acre tract approximately six miles southeast of Danville for use as a radio telescope site. In 1964 one additional tract of forty acres was acquired for expansion and protection of the radio telescope.

University representatives have since been negotiating with the owners of a tract of land of approximately 217 acres which is also required for expansion for the interferometer system and additional protection from electrical discharges.

The owner has indicated a willingness to sell this property for the price of \$53,000 which is within the appraisals received by the University.

Accordingly, the President of the University recommends that the property be purchased for the price of \$53,000, and that \$33,000 be appropriated for this purchase from the Contract Research Reserve. The remaining \$20,000 is available from departmental funds received by the University from government contracts.

On motion of Mr. Hughes, these recommendations were approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

PURCHASE OF 1112 WEST SPRINGFIELD AVENUE, URBANA

(23) The President of the University recommends that the Board of Trustees request the University of Illinois Foundation to purchase the property at 1112 West Springfield Avenue, Urbana, at a price of \$22,500 and lease the property to the University at a rental sufficient to pay the interest costs on a loan to the Foundation to finance acquisition of the property. The property consists of a lot of 66 feet by 100 feet (6,600 square feet), and is improved with a one and one-half story frame dwelling that is currently being used as a rental property. The improvements on this property will be demolished, and the area will be used for parking.

On motion of Mr. Grimes, these recommendations were approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Johnston, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

REPORT ON LITIGATION

The Legal Counsel conveyed to the Trustees a request from Mr. Robert L. Ayers, Assistant Chief Flight Instructor at the University of Illinois-Willard Airport, concerning the costs of Mr. Ayers' appeal of his license revocation. Mr. Costello explained that Mr. Ayers has paid \$2,800 thus far on the license revocation matter and that he anticipates an additional expense of \$2,500. A discussion followed with a general consensus that the University should cover the full cost of Mr. Ayers' appeal of his license revocation.

On motion of Mr. Swain, the Board adjourned.

WAYNE A. JOHNSTON
President

DEDICATION OF THE CIVIL ENGINEERING BUILDING

Members of the Board of Trustees, officers of the Board, and officers of the University joined faculty members of the College of Engineering and other guests at the dedication of the Civil Engineering Building and at the dedication luncheon.

SPECIAL MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

December 9, 1967

A special meeting of The Board of Trustees of the University of Illinois was held at the Leland Hotel, in Springfield, at 2:00 p.m., on Saturday, December 9, 1967, pursuant to the following call issued by three members of the Board:

December 5, 1967

The undersigned members of The Board of Trustees of the University of Illinois call a special meeting of the Board of Trustees of that public corporation, to be held in the Leland Hotel, Springfield, Illinois, on December 9, 1967, at the hour of 2:00 p.m. for the purpose of filling the vacancy in the office of President of said Board of Trustees.

The Secretary shall give notice of said meeting as prescribed by the By-Laws.¹

HOWARD W. CLEMENT
THEODORE A. JONES
TIMOTHY W. SWAIN

¹ A Waiver of Notice was signed by all trustees, and a copy is being filed with the Secretary of the Board for record.

ELECTION OF A PRESIDENT PRO TEMPORE

The office of President of the Board being vacant, the Secretary of the Board called for nominations of a President, *Pro Tempore*.

Mr. Jones nominated Mr. Hughes. Mr. Hughes was unanimously elected President, *Pro Tempore* and took the chair.

APPOINTMENT OF KENNEY E. WILLIAMSON TO THE BOARD OF TRUSTEES

Mr. Hughes recognized the presence of Mr. Kenney E. Williamson who had been appointed by Governor Otto Kerner on December 8, 1967, to be a member of The Board of Trustees of the University of Illinois to fill the vacancy on the Board created by the death of Mr. Wayne A. Johnston.

The following members of the Board were present: Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; Governor Kerner and Dr. Weatherly were absent.

Also present were President David D. Henry; Mr. James J. Costello, Legal Counsel; Mr. R. C. Wicklund, Assistant Secretary of the University and Staff Associate in the Board of Trustees Office; Mr. Arthur R. Wildhagen, Assistant Director of Public Information, Urbana; and officers of the Board, Mr. H. O. Farber, Comptroller, and Dr. Earl W. Porter, Secretary.

REMARKS BY MR. HUGHES

I know that I speak for all the members of the Board when I say that we are saddened that we meet here today to select a successor to our late colleague and friend Wayne Johnston as President of this Board.

This Board needs no reminder of the central role he played in its activities during his tenure. He brought to it the same dedication, ability, and enthusiasm that characterized his business career. Nor need I remind you of the value of his leadership as President of this Board for the past year. We will, of course, want to prepare a formal resolution honoring him at a later date.

Meanwhile, however, the business of the University must go on. It was once written of Wayne Johnston that he gave the impression that "hours not devoted to the Illinois Central or to worthy projects are generally a waste of time." I think he would agree that we must proceed now to organize ourselves to continue the projects we have begun.

Other members of the Board endorsed Mr. Hughes comments and joined him in similar expressions of regret and of respect for Mr. Johnston.

ELECTION OF PRESIDENT OF THE BOARD

Mr. Hughes called for nominations for the office of President of the Board of Trustees.

Mr. Grimes nominated Mr. Swain; Mr. Hahn seconded the motion.

On motion of Mr. Pogue, seconded by Mr. Hahn, the nominations were closed and the Secretary was instructed to cast the unanimous ballot of the Board for the election of Mr. Timothy W. Swain as President, to serve until the next annual meeting of the Board of Trustees in March, 1968, or until his successor shall have been elected and qualified. The ballot was so cast, and Mr. Swain was declared elected as President of the Board.

Mr. Swain took the chair and paid tribute to Mr. Johnston and to his service to the Board. Mr. Swain further stated his satisfaction in the nonpartisan nature of the election which was so clearly reflective of the nonpartisan work of the Board of Trustees itself. He indicated that he accepted the honor and expression of support in that spirit and pledged his service to the University to the best of his ability. He then announced that, according to the Act governing the operation of the Illinois State Board of Higher Education, he would designate an alternate — Mr. Howard W. Clement — to attend meetings of that Board and to act for the President of the Board of Trustees in that relationship.

DELEGATION OF SIGNATURES

Mr. Page offered the following resolution:

Resolved, that the President and the Secretary of The Board of Trustees of the University of Illinois are authorized to delegate the signing of their names as President and Secretary, respectively, to vouchers to be presented to the Auditor of Public Accounts, and to warrants drawn on the Treasurer of the University, under the following conditions:

The President of the Board of Trustees is authorized to delegate to Lyle M. Dahlenburg, C. O. Parvin, R. N. Parker, in Urbana

James E. Osborn, David W. Bonham, Walter E. Cowart, R. E. Porter, H. O. Albers, A. W. Catrambone, in Chicago

C. H. Moody, Helen Culbertson, in Springfield

authority to sign his name as President of the Board of Trustees to vouchers against the Auditor of Public Accounts; and to

C. C. DeLong, R. W. Zimmer, R. F. Wood, in Urbana

James E. Osborn, David W. Bonham, Walter E. Cowart, R. E. Porter, H. O. Albers, A. W. Catrambone, in Chicago

authority to sign his name to warrants on the University Treasurer covering vouchers approved in accordance with regulations approved by the Board.

The Secretary of the Board of Trustees is authorized to delegate to

R. C. Wicklund, George H. Bargh, Virginia J. Hendrix, in Urbana

Anthony J. Diekema, Velma M. Davis, H. W. Bailey, Kirker Smith, L. W. Sandy, in Chicago

authority to sign his name as Secretary of the Board of Trustees to vouchers against the Auditor of Public Accounts and to warrants on the University Treasurer covering vouchers approved in accordance with regulations of the Board. The Secretary of the Board of Trustees is also authorized to delegate to

Lean C. Ryan, Addalein C. Hawk, in Springfield

authority to sign his name as Secretary of the Board of Trustees on vouchers against the Auditor of Public Accounts approved in accordance with the regulations of the Board.

These authorizations are to continue in effect until the Auditor of Public Accounts has been supplied with specimen signatures of succeeding officers of this Board. And be it further

Resolved, that the First National Bank of Chicago as a designated depository of R. R. Manchester, Treasurer of this corporation, be and it (including its correspondent banks) is hereby requested, authorized, and directed to honor checks, drafts, or other orders for the payment of money drawn in this corporation's name, including those drawn to the individual order of any person or persons whose name or names appear thereon as signer or signers thereof, when bearing or purporting to bear the facsimile signatures of the two following: Timothy W. Swain, President, and Earl W. Porter, Secretary; and the First National Bank of Chicago (including its correspondent banks) shall be entitled to honor and to charge this corporation for all such checks, drafts, or other orders, regardless of by whom or by what means the facsimile signature or sig-

natures thereon may have been affixed thereto, if such facsimile signature or signatures resemble the facsimile specimens duly certified to or filed with the First National Bank of Chicago by the Secretary or other officer of this corporation. And be it further

Resolved, that the Auditor of Public Accounts is hereby authorized and directed to honor vouchers bearing facsimile signatures of the President and Secretary of The Board of Trustees of the University of Illinois if such facsimile signatures resemble the facsimile specimens duly certified to or filed with the Auditor of Public Accounts by the Secretary.

This resolution was unanimously adopted.

VACANCY IN OFFICE OF PRESIDENT OF THE BOARD

Mr. Jones indicated that the unexpected vacancy in the presidency had emphasized the need to make provision for interim action on behalf of the President of the Board when the Office was temporarily vacant. He stated that the organizational structure of the Board should be completed to serve this end and he asked the staff to study the matter and develop recommendations as soon as possible.

On motion of Mr. Grimes, the Board adjourned.

EARL W. PORTER
Secretary

TIMOTHY W. SWAIN
President

REGULAR MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

December 20, 1967

The December meeting of The Board of Trustees of the University of Illinois was held in the Illini Union, Urbana, Illinois, on Wednesday, December 20, 1967, beginning at 9:00 a.m.

President Timothy W. Swain called the meeting to order and asked the Secretary to call the roll. The following members of the Board were present: Mr. Howard W. Clement, Mr. Donald R. Grimes, Mr. Ralph C. Hahn, Mr. Earl M. Hughes, Mr. Theodore A. Jones, Mr. Ray Page, Mr. Harold Pogue, Mr. Timothy W. Swain, Mr. Kenney E. Williamson. Governor Otto Kerner and Dr. James A. Weatherly were absent.

Also present were President David D. Henry; Executive Vice-President and Provost Lyle H. Lanier; Chancellor Norman A. Parker, University of Illinois at Chicago Circle; Chancellor Joseph S. Begando, University of Illinois at the Medical Center; Mr. C. S. Havens, University Director of Physical Plant Planning and Construction; Mr. C. E. Flynn, Assistant to the President and University Director of Public Information; Mr. James J. Costello, Legal Counsel; Dr. Daniel C. McCluney, Dean of Faculties, Chicago Circle; Dr. James B. Holderman, Associate Chancellor, Chicago Circle; Mr. George H. Bargh, Executive Assistant to the President; Mr. Vernon L. Kretschmer, University Associate Director of Physical Plant Planning and Construction; Mr. R. C. Wicklund, Staff Associate in the Board of Trustees Office and Assistant Secretary of the University; Mr. Eugene S. Pitcher, Assistant to the Director of the Physical Plant, Urbana; and the officers of the Board, Mr. H. O. Farber, Comptroller, and Dr. Earl W. Porter, Secretary.

MEMORIAL TO WAYNE A. JOHNSTON

President Swain offered the following memorial to the late Mr. Wayne A. Johnston. At the conclusion of the reading, all present stood in a silent tribute to his memory.

On motion of Mr. Clement, the memorial was adopted.

The Board of Trustees of the University of Illinois records with deep sorrow the sudden and untimely death on December 4, 1967, of Wayne Andrew Johnston, Sr., member of this Board for seventeen years and its President for the past year.

For nearly half a century he served the Illinois Central Railroad at tasks of ever-increasing importance — from his first position in 1918 as an accountant in the Champaign office to that of Chairman of the Board. His concern with the demanding problems of the railroad did not, however, prevent his contribution of time, effort, and counsel to numerous civic and charitable activities.

To the University of Illinois, too, his counsel over the years of his membership on this Board was an invaluable asset. His all too brief tenure as the President gave this institution the benefit of the leadership he had shown many times over in other settings. His loyalty and devotion to the University were unexcelled.

The members of The Board of Trustees of the University of Illinois desire to record in the minutes of today's meeting this expression of tribute to a former colleague for his valued services and his genial friendship, and to extend to his family our deepest sympathy in their loss.

The President of the University, the officers of the Board, and the other members of the staff who had the privilege of being associated with Mr. Johnston during his tenure on the Board desire to be included in this tribute.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of the Board of Trustees on January 12, 1967, and February 9, 1967, with adjourned session of February 28, 1967, press proof copies of which had previously been sent to the Board.

On motion of Mr. Hughes, these minutes were approved as printed on pages 295 to 423, inclusive.

REPORT OF THE EXECUTIVE COMMITTEE

The Executive Committee submitted the following report and minutes of its meeting on December 5, 1967.

On call of the Chairman, a meeting of the Executive Committee of The Board of Trustees of the University of Illinois was held in the Illini Center, twentieth floor of the LaSalle Hotel, Chicago, Illinois, on Tuesday, December 5, 1967, beginning at 3:30 p.m.

The meeting was called to consider recommendations to the Illinois Building Authority and the Illinois Board of Higher Education on the award of a contract for the construction of the Science and Engineering Center Building at the Chicago Circle Campus.

The office of the Chairman being vacant, the Secretary of the Board called for nominations of a Chairman *pro tempore*. Mr. Swain was nominated and took the chair.

The Chairman *pro tempore* asked the Secretary to call the roll, and the following members of the Committee were present: Mr. Howard W. Clement and Mr. Timothy W. Swain. Also present were: Mr. Theodore A. Jones, a member of the Board of Trustees; President David D. Henry; Chancellor Norman A. Parker, Chicago Circle; Mr. C. S. Havens, University Director of Physical Plant Planning and Construction; Mr. James J. Costello, Legal Counsel; Mr. George H. Bargh, Executive Assistant to the President; Mr. Grover E. Shipton,

Director of Public Information, Chicago Circle; and the following officers of the Board, Mr. H. O. Farber, Comptroller, and Dr. Earl W. Porter, Secretary.

TRIBUTE TO WAYNE A. JOHNSTON

Mr. Swain spoke of the profound regret of those present at the sudden death of Mr. Wayne A. Johnston, President of the Board of Trustees. On motion of Mr. Howard W. Clement, the Committee, on behalf of the Board of Trustees, formally expressed its sorrow in the loss of the esteemed leader of the Board and directed that the minutes so record. In addition, he indicated that at an appropriate time a resolution would be presented to the full membership of the Board of Trustees. The Committee and those present stood in a moment of silent tribute.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Committee considered the following reports and recommendations from the President of the University.

REQUEST TO ILLINOIS BUILDING AUTHORITY TO CONTRACT FOR CONSTRUCTION OF SCIENCE AND ENGINEERING BUILDING, CHICAGO CIRCLE CAMPUS

On November 16, 1967, the Illinois Building Authority received bids for the construction of the Science and Engineering Center Building at the Chicago Circle campus. The low base bidder is Gust K. Newberg Construction Co., Chicago, with a bid of \$17,286,000. Proposals were also received from George A. Fuller Construction Co., W. E. O'Neil Construction Co., Paschen Contractors Inc., and Turner Construction Co. The low bidder has performed highly satisfactorily on Phase I and Phase II construction at the Chicago Circle campus.

The project is a part of the construction for the Chicago Circle campus, Phase III, which the Board, at its meeting on July 26, 1967, requested the Illinois Building Authority to provide. A contract for the caisson work was previously authorized by the Illinois Building Authority upon the request of the Board of Trustees.

While the total funds required to complete construction are within the amount declared in the public interest by the Seventy-fifth General Assembly, the State of Illinois Board of Higher Education has arranged with the Illinois Building Authority that the Authority will not use a portion of the amount declared by the General Assembly to be in the public interest until the State Board specifically approves such use. These reserved amounts consist of a "cost increase reserve" (approximately 10 per cent of the declaration in public interest) to be used for the purpose of offsetting cost increases determined by actual bid experience and a "federal funding reserve" to be used to make up the difference between estimated and realized federal funding.

In accordance with the procedure adopted by the State of Illinois Board of Higher Education at its meeting on October 3, 1967, and in order to complete construction as planned, it is necessary that the University request the State of Illinois Board of Higher Education and the Illinois Building Authority to release \$1,456,530 of the \$1,684,830 in the "cost increase reserve" for this project and \$1,000,000 from the "federal funding reserve."

The Authority will finance the construction and lease the facilities to the University. Funds for rental payments are available in state capital appropriations to the University. Jurisdiction of the land on which the project is being constructed has been transferred to the Authority.

The University Director of Physical Plant Planning and Construction, the Vice-President and Comptroller, and the Chicago Circle campus Chancellor recommend that the Executive Committee of the Board of Trustees (1) request the State Board of Higher Education to take appropriate action to authorize the releases described above from the cost increases and federal funding reserves and (2) request the Illinois Building Authority to award a contract for the described work to the low base bidder and proceed to procure this facility for the use of the University.

It is also recommended that the Comptroller and the Secretary of the Board be authorized to make, execute, acknowledge, and deliver such instruments of transfer, conveyance, lease, contract, and other documents as are necessary to provide for the carrying out of the foregoing project and facility by the Illinois Building Authority including necessary requests of the Board of Higher Education.

I concur and recommend adoption of the resolution submitted herewith to implement the official actions required.

Resolution

Be It, and It Hereby Is, Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, acting through its Executive Committee, that the Illinois Building Authority be, and it hereby is, requested to award to the Gust K. Newberg Construction Co., Chicago, a contract in the amount of \$17,286,000.00 for completion of construction of the Science and Engineering Center Building at the Chicago Circle campus in accordance with the base bid submitted.

Be It, and It Hereby Is, Further Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, acting through its Executive Committee, that the Comptroller and the Secretary of this public corporation be, and they hereby are, authorized to make, execute, acknowledge, and deliver, in the name and in behalf of this corporation, such instruments of transfer, conveyance, lease, contract, and other documents as are necessary or appropriate in order to provide for the carrying out of the foregoing project and facility by the Illinois Building Authority.

On motion of Mr. Clement, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Swain; no, none.

CALL OF A SPECIAL MEETING OF THE BOARD

President Henry stated that, in view of the loss of Mr. Johnston and in view of the quantity of pressing University business requiring the attention of a president of the Board of Trustees, it would be desirable to call a special meeting of the Board as soon as possible to elect a new President.

There being three members of the Board present, in accordance with the By-Laws and on motion of Mr. Clement, the Trustees present unanimously agreed to issue a call for a special meeting. Alternate dates were suggested — Saturday, December 9, in Springfield, or Monday, December 11, in Chicago. The Secretary of the Board was instructed to poll the members and to select a date agreeable to all.

The business of the meeting having been concluded, on motion of Mr. Clement, the Executive Committee adjourned.

EARL W. PORTER
Secretary and Clerk

The Executive Committee
of The Board of Trustees
of the University of Illinois
HOWARD W. CLEMENT
TIMOTHY W. SWAIN
Chairman, Pro Tempore

EXECUTIVE COMMITTEE

President Swain called for nominations to fill the vacancy on the Executive Committee of the Board.

Mr. Hahn nominated Mr. Hughes who was unanimously elected.

STANDING COMMITTEES FOR 1967-68

The President of the Board appointed the following standing committees to serve during the year 1967-68, or until their successors have been

appointed following the annual meeting of the Board of Trustees in March, 1968.

The President of the University is a member, *ex officio*, of all standing committees.

Agriculture

EARL M. HUGHES, Chairman
HAROLD POGUE
JAMES A. WEATHERLY

Alumni

JAMES A. WEATHERLY, Chairman

RALPH C. HAHN, Chairman
THEODORE A. JONES
JAMES A. WEATHERLY

REQUEST OF THE CHICAGO CIRCLE FEDERATION OF TEACHERS

The Secretary reported the receipt of a communication from the President of the Chicago Circle Federation of Teachers, Local 1627 (American Federation of Teachers, AFL-CIO), in which the request for a representative to appear before the Board in January was made. President Henry urged the Board to grant the hearing with the understanding that the organization submit a written presentation in advance and through channels as required by the University Statutes. It was made clear that the hearing would be granted at a later meeting if the required presentation should necessitate more time in preparation.

On motion of Mr. Hughes, the Trustees agreed to hear the group in accord with the terms suggested, and the Secretary was directed to reply as indicated.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board took up consideration of the following reports and recommendations from the President of the University.

PRESIDENT'S REPORT

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(1) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Illinois Accountancy Act of 1943, as amended, to the following candidates who have presented evidence

that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

<i>Name</i>	<i>Address</i>	<i>State from Which They Obtained Certificates</i>
JIMMY DALE DODSON	Palatine, Illinois	Kansas
JOHN JOSEPH MAHONEY	Glen Ellyn, Illinois	Massachusetts
GEORGE KELLY MOORE, JR.	Hinsdale, Illinois	Florida
RICHARD BERNARD SILVERSTEIN	Richmond Heights, Missouri	Missouri
JOHN HARVEY STARK	St. Louis, Missouri	Missouri

I concur.

On motion of Mr. Grimes, these certificates were awarded.

AMENDMENT OF REGULATIONS GOVERNING THE CERTIFICATE OF CERTIFIED PUBLIC ACCOUNTANT

(2) The Committee on Accountancy has recommended the following changes in Rule 7, Rebate of Fees, in the University's regulations adopted by the Board of Trustees for administering the Illinois Accountancy Law:

That an applicant who has been admitted to but fails to attend the examination be allowed a refund of 50 per cent of the prescribed fee provided he has notified the Committee at least thirty calendar days prior to the beginning of the examination that he will not be present. (The present regulation allows an 80 per cent fee refund and does not include the thirty-day prior notification requirement.)

That an applicant who is found not qualified will be allowed a refund of 50 per cent of the prescribed fee. (The present regulation allows an 80 per cent fee refund.)

That in hardship cases where an applicant is prevented from attending the examination, 50 per cent of the fee may be returned provided that circumstances prevented the applicant from notifying the Committee at least thirty calendar days prior to the beginning of the examination. (The present regulation allows a 100 per cent refund and imposes no requirement for notification.)

The Committee feels that a more restrictive refund policy, as reflected in the proposed changes, will reduce the per capita cost of administering the examination and will avoid the necessity of seeking legislative approval of an increase in the \$50 examination fee.

A memorandum giving the present and proposed provisions of the regulation is submitted herewith, and a copy is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Jones, this recommendation was approved.

ADVISORY COMMITTEE FOR THE DIVISION OF PHYSICAL EDUCATION, CHICAGO CIRCLE

(3) The Director of the Division of Physical Education and the Chancellor at Chicago Circle recommend the following appointments to the Advisory Committee for the Division of Physical Education at Chicago Circle, effective January 1, 1968.

For a One-Year Term

MARK H. COX, Victor Golf, Equipment Division of Victor Comptometer, Morton Grove

HARVEY I. DICKINSON, Hinsdale High School, Hinsdale

FRANK L. JAMBOIS, Chicago Athletic Association, Chicago

JESSE OWENS, WFLD (Channel 32), Chicago

RAYMOND E. SNYDER, University Patents, Incorporated, Chicago

For a Two-Year Term

WILLIAM E. COWAN, Allied Radio Corporation, Chicago

LARRY HAWKINS, Carver High School, Chicago

VERNON HERNLUND, Chicago Park District (Retired), Chicago

JOE F. MAZE, East Aurora High School, Aurora
 MRS. FRANCES B. WATKINS, 5538 Harper Avenue, Chicago

For a Three-Year Term

TOM FREDERICK, National Federation of State High School Athletic Associations,
 Chicago

LOUIS JORNDT, Chicago Board of Education, Chicago

RALPH METCALFE, Alderman, City of Chicago, Chicago

THEODORE A. E. POEHLMANN, Yates, Fisk, Haides, and Burke, Attorneys and
 Counselors, Chicago

NORMAN E. TENNER, Veterans Administration Research Hospital, Chicago
 I concur.

On motion of Mr. Grimes, these appointments were approved as recommended.

APPOINTMENTS TO THE FACULTY

(4) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

Positions in the University are classified in the following categories and are designated in the budget by the symbols indicated: A— indefinite tenure; P— indefinite term appointment for part-time service only; B— two years; D— one year; E— nine months from the beginning of the academic year; G— special tenure; Q— initial term appointment for Professor or Associate Professor; Y— twelve months' service required instead of two semesters; 1-7 — indicates the number of years of service which will be credited at the end of the contract period toward completion of the probationary period relating to tenure.

Figures following a symbol indicate percentage of time if the appointment is on a part-time basis (e.g., D75 means one year on three-fourths time).

Chicago Circle

1. REUVEN HENDLER, Assistant Professor of Economics, College of Business Administration, beginning September 1, 1967 (2), at an annual salary of \$11,500.
2. ROLF SINGER, Visiting Professor of Biological Sciences on one-half time, for the winter and spring quarters 1967-68 (G50), at a salary of \$5,000.

Medical Center

3. IAN R. CARR, Assistant Professor of Pediatrics, College of Medicine, on 10 per cent time, beginning October 1, 1967 (DY10), at an annual salary of \$2,000.
4. NORMAN BENJAMIN DOBIN, Assistant Professor of Neurology, College of Medicine, on 40 per cent time, beginning October 1, 1967 (BY40), at an annual salary of \$3,492.
5. MICHAEL A. PARTIPILO, Assistant Professor of Psychology, Department of Psychiatry, College of Medicine, on 20 per cent time, beginning December 1, 1967 (DY20), at an annual salary of \$2,100.

Urbana-Champaign

6. YEKUTIEL DELIGDISCH, Visiting Associate Professor in the Graduate School of Library Science, on one-half time, for the second semester 1967-68 (E50), at a salary of \$5,000.
7. YASUSHIGE FUKANO, Visiting Assistant Professor of Metallurgy, Department of Mining, Metallurgy, and Petroleum Engineering, for one year from December 15, 1967 (FY), at a salary of \$10,000.
8. MARTIN GOLDSTEIN, Visiting Professor of Ceramic Engineering, for one month from November 27, 1967 (G), at a salary of \$2,000.
9. J. VICTOR HOWARTH, Visiting Research Professor of Physiology and Biophysics, for eleven months from October 1, 1967 (DY), at a salary of \$14,000.
10. MARY OSBORNE HUBBARD, Associate Professor and Assistant State Leader of Extension Advisers, Cooperative Extension Service, beginning December 1, 1967 (AY), at an annual salary of \$12,000.

11. JAMES F. KNIGHT, Assistant Professor of Architecture, beginning March 1, 1968 (1), at an annual salary of \$9,000.
12. SIMON E. MALO, Visiting Assistant Professor of Horticulture, for two months from April 1, 1968 (G), at a salary of \$3,000.
13. ALAN C. PURVES, Associate Professor of English, beginning March 1, 1968 (A), at an annual salary of \$14,000.
14. JOHN C. SIEMENS, Associate Professor of Agricultural Engineering, beginning February 1, 1968 (AY), at an annual salary of \$17,500.
15. HENRY J. SREDL, Associate Professor of Vocational and Technical Education on 80 per cent time, and Counselor, Council on Teacher Education, on 20 per cent time, beginning September 1, 1967 (Q80, D20), at an annual salary of \$14,000.
16. BENJAMIN T. WILLIAMS, Research Assistant Professor of Physical Education for Men, on 10 per cent time, beginning September 1, 1967 (DY10), at an annual salary of \$2,000.

On motion of Mr. Williamson, these appointments were confirmed.

**CHANGE IN ORGANIZATION AND APPOINTMENT OF HEAD,
DEPARTMENT OF ARCHITECTURE, CHICAGO CIRCLE**

(5) The members of the Department of Architecture of professorial rank at Chicago Circle have voted to request a change in departmental organization from that of a department with a chairman to that of a department with a head.

With the concurrence of the Department, the Dean of the College of Architecture and Art, and the Dean of Faculties, the Chancellor recommends that: (1) the form of organization requested be approved, effective January 1, 1968; and (2) Professor Donald Douglas Hanson, currently Chairman of the Department, be appointed Professor of Architecture on indefinite tenure and as Head of the Department on an academic year service basis, beginning January 1, 1968, at an annual salary of \$20,000, divided: \$19,000 as Professor of Architecture and \$1,000 as Head of the Department.

The Executive Vice-President and Provost also concurs.

I recommend approval.

On motion of Mr. Grimes, this change was authorized and the appointment was approved.

**FRANCIS L. LEDERER PROFESSORSHIP IN OTOLARYNGOLOGY,
MEDICAL CENTER**

(6) Funds are being received for the establishment of a Professorship in Otolaryngology in honor of Francis L. Lederer, a distinguished member of that profession. Initiated by friends and colleagues of Dr. Lederer, the endowment consists of funds deposited with the University of Illinois Foundation.

Dr. Lederer retired as Professor of Otolaryngology and Head of the Department on August 31, 1967, having served the College of Medicine and the University for forty-five years. He has also served as Otolaryngologist-in-Chief and Director of Otolaryngologic Service of the Illinois Eye and Ear Infirmary.

As physician, author, and teacher he has achieved world-wide recognition. He is currently president-elect of the International College of Surgeons and the American Academy of Ophthalmology and Otolaryngology. He will take office as president of both organizations on January 1, 1968.

As consultant in Otolaryngology to the Surgeon General, United States Air Force, and adviser to the Selective Service System, he received presidential citations of appreciation from Presidents Truman, Eisenhower, and Kennedy.

Dr. Lederer received his Bachelor of Science degree from the University of Chicago (1918) and Doctor of Medicine degree from Rush Medical College (1921). He took his internship and residency at the North Chicago Hospital and his specialty training at the Universities of Berlin, Vienna, and Prague.

Income from the endowment fund will furnish partial support for the salary of the person appointed as the Francis L. Lederer Professor of Otolaryngology. Recommendation for appointment will be made in accordance with the University's regular procedures and the appointment will be reported to the Board.

I recommend approval of the establishment of this professorship.

On motion of Mr. Hahn, this recommendation was approved.

HONORARY DEGREES, URBANA

(7) The University Senate at Urbana-Champaign has recommended that honorary degrees be conferred on the following:

KARL M. DALLENBACH, Distinguished Professor of Psychology, *Emeritus*, of the University of Texas, the degree of Doctor of Science

WALTER A. GROPIUS, Professor of Architecture, *Emeritus*, of Harvard University, the degree of Doctor of Fine Arts

J. GEORGE HARRAR, President, The Rockefeller Foundation, the degree of Doctor of Science

GORDON N. RAY, President of the John Simon Guggenheim Memorial Foundation, the degree of Doctor of Letters

THEODORE WILLIAM SCHULTZ, Charles L. Hutchinson Distinguished Professor at the University of Chicago, the degree of Doctor of Laws

GEORGE DINSMORE STODDARD, Vice-Chancellor for Academic Affairs at Long Island University, the degree of Doctor of Laws

EUGENE PAUL WIGNER, Thomas D. Jones Professor of Mathematical Physics at Princeton University, the degree of Doctor of Science

I concur in the recommendations of the Senate. Professor Gropius' degree will be conferred on February 18, 1968, at the opening of the Centennial exhibition, "Century for Design," at the Krannert Art Museum, and the other six degrees will be conferred at the March 11, 1968, Centennial Convocation.

On motion of Mr. Pogue, these degrees were authorized.

DISCONTINUANCE OF TEACHING MINOR IN TEACHING OF SPANISH. CHICAGO CIRCLE

(8) The Chicago Circle Senate has approved a recommendation from the Chicago Circle Council on Teacher Education that the second field of specialization (teaching minor) be discontinued as a requirement for the baccalaureate degree in the teaching of Spanish.

As in the case of similar recommendations in nine other teaching fields at Chicago Circle (reported to the Board February 9, 1967), this change was made possible by a 1965 revision of the school code requirements to allow one or more major fields of study for certification instead of the former requirement of two teaching fields. Students will thus be enabled to (1) take more work in their major fields, (2) increase credit in other fields, or (3) prepare, as before, to teach in two fields.

The Senate Coordinating Council has advised that no other Senate jurisdiction is involved.

While this matter does not require formal approval by the Board, it is submitted for the record.

This report was received for record.

ESTABLISHMENT OF MAJORS IN ENGINEERING. CHICAGO CIRCLE

(9) The Chicago Circle Senate has approved a recommendation from the College of Engineering for the establishment of major fields of concentration in energy conversion, manufacturing engineering, and soil engineering as parts of the engineering curriculum, leading to the degree of Bachelor of Science in Engineering.

The programs, in common with those curricula for the Bachelor of Science in Engineering at Chicago Circle approved by the Board of Trustees on July 27, 1966, and April 19, 1967, will consist of the common core curriculum of 111 quarter hours; a minimum of thirty-six hours in the major field; humanities-social sciences and elective courses for a minimum total of 198 quarter hours, exclusive of physical education and basic military science.

The Chancellor at Chicago Circle and the Executive Vice-President and Provost endorse this recommendation.

The Senate Coordinating Council has indicated that no further Senate jurisdiction is involved.

I recommend approval, subject to further action by the Board of Higher Education.

On motion of Mr. Clement, this recommendation was approved.

MASTER OF SCIENCE IN MEDICAL PSYCHOLOGY, MEDICAL CENTER
 (10) The Graduate College and the Medical Center Senate recommend the establishment of a curriculum leading to the degree of Master of Science in Medical Psychology.

The traditional program for advanced training in scientific investigation of emotional illness and health conducted by academic departments of psychology has been hampered by the lack of available clinical resources and the lack of specialty disciplines upon which such studies must draw. Teaching hospitals, which have the clinical data at hand, have not emphasized research training in the psychological bases of illness.

The proposed program is unusual in that it unites specialty disciplines now currently taught at the Medical Center (physiology, genetics, neurology, pharmacology, psychology, psychiatry, child development, epidemiology, and sociology) with ongoing diagnosis and treatment of patients and research laboratory facilities to make such research training feasible in ways not usually possible in the traditional academic setting.

Selected medical students who intend to specialize in psychiatry as a career choice and have taken the psychiatry courses in the medical curriculum, would devote full-time study during three quarters in the junior and senior years of the medical curriculum to the theories of development of emotional disorders, the models and concepts used to organize an understanding of biological, personal, and social factors involved, and the methodological and statistical tools necessary for designing and conducting research studies in this area. The program will be of value in educating doctors for more sophisticated understanding of these problems which are so common to all medical practice.

Candidates must meet admissions requirements of the Graduate College at the Medical Center. The program would be administered by the Graduate College.

The Chancellor at the Medical Center and the Executive Vice-President and Provost endorse this recommendation.

The Senate Coordinating Council has indicated that no other Senate jurisdiction is involved.

I recommend approval subject to further action by the Illinois Board of Higher Education.

On motion of Mr. Clement, this recommendation was approved.

APPROPRIATION BY THE ATHLETIC ASSOCIATION

(11) The Board of Directors of the Athletic Association has approved an appropriation of \$11,325 to purchase golf caddy carts for rental to golf course patrons. Confirmation of this appropriation is requested.

On motion of Mr. Hahn, this assignment of funds was approved.

CONTRACTS FOR CONSTRUCTION OF TURNER HALL GREENHOUSE COMPLEX, PHASE IV, URBANA

(12) The President of the University recommends award of the following contracts for construction of Turner Hall Greenhouse Complex, Phase IV, Urbana, to be located on Goodwin Avenue immediately south of Jonathan Baldwin Turner Hall, the award in each case to the lowest bidder:

General — Dean Evans Co., Champaign.....	\$589 238 00
Electrical — Potter Electric Service, Inc., Urbana.....	138 386 00
Plumbing — Illini Plumbing and Heating Inc., Champaign.....	69 490 00
Heating and Air Conditioning — W. L. Rogers, an individual doing business as Cool-Rite Refrigeration, Urbana.....	142 296 00
Ventilation — Petry Roofing and Sheet Metal Co., Champaign.....	37 800 00
<i>Total</i>	<u>\$977 210 00</u>

Funds are available in state capital appropriations to the University, subject to release by the Governor, and from the approval of a grant from the United States Department of Agriculture.

A report from the Campus Architect, including a schedule of bids received, is submitted herewith, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Hughes, these contracts were awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

CONTRACTS FOR PURCHASE OF EQUIPMENT FOR ABBOTT POWER PLANT IMPROVEMENTS, URBANA

(13) The President of the University recommends award of the following contracts for equipment at Abbott Power Plant, Urbana, required to increase the campus steam distribution system capacity, the award in each case being on the lowest acceptable bid:

Division "AA" — Pressure Reducing and Desuperheating Equipment — Blaw-Knox Company, Copes-Volcan Division, Erie, Pennsylvania	\$11 979 00
Division "BB" — Condensate Lift Pumps — Worthington Corporation, Chicago	5 070 00
Division "CC" — Relief Valves — Crosby Valve & Gage Company, Chicago	13 445 65
Division "DD" — Gate Valves — The Wm. Powell Company, Cincinnati, Ohio	5 963 48
<i>Total</i>	<u>\$36 458 13</u>

Funds are available in state capital appropriations to the University, subject to release by the Governor.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Williamson, these contracts were awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

CONTRACT FOR MODERNIZATION OF TWO ELEVATORS IN THE LIBRARY BUILDING, URBANA

(14) The President of the University recommends award of a contract to Barber & DeAtley, Inc., Urbana, for modernization of the east elevator in the north wing and the center elevator in the first stack addition of the Library Building, Urbana-Champaign campus, the award being to the lowest bidder in accordance with the estimated fee payments based on the following percentages bid for contractors' fees:

<i>Per Cent for Material</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub- contracts</i>	<i>Estimated Fee Payments</i>	<i>Total Estimated Payments</i>
4	29	2	\$8 000 00	\$118 000 00

Funds are available in state capital appropriations to the University and have been released by the Governor.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Williamson, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

CONTRACT FOR PROTECTION OF POTABLE WATER SUPPLY FOR CHILLED WATER AIR CONDITIONING SYSTEMS, URBANA

(15) The President of the University recommends award of a contract to Jack W. Perrone and Harold L. Fox, a partnership doing business as Champaign

Plumbing & Heating Company, Champaign, for plumbing work to provide protection of the potable water supply in twenty buildings air conditioned by chilled water systems, Urbana-Champaign campus, the award being to the lowest bidder in accordance with the estimated fee payments based on the following percentages bid for contractors' fees:

<i>Per Cent for Material</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub- contracts</i>	<i>Estimated Fee Payments</i>	<i>Total Estimated Payments</i>
14	32	5	\$6 505 00	\$34 005 00

Funds are available in state capital appropriations to the University and have been released by the Governor.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Jones, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

**CONTRACT WITH BOARD OF EDUCATION OF THE CITY OF CHICAGO
FOR CHICAGO CIRCLE**

(16) The Chancellor at Chicago Circle and the Vice-President and Comptroller recommend award of a contract with the Board of Education of the City of Chicago in the amount of \$9,212.50.

This contract provides for reimbursement to the Board of Education for the services of one of their staff members, who will serve as Specialist in Education, as a supervisor of the student teachers of English.

Funds are available from unassigned salaries for the Division of Education, 1967-68.

I concur.

On motion of Mr. Jones, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Dr. Weatherly.

**CONTRACT FOR PROFESSIONAL DESIGN SERVICES,
CHICAGO CIRCLE**

(17) The President of the University recommends award of a contract to Skidmore, Owings & Merrill, Chicago, for design services, including layout, selection of materials and fabrications for general and special equipment for the Science and Engineering Center, Site 10, Phase III, Chicago Circle.

The fee will be based on timecard charges at the firm's usual and customary hourly rates, plus 150 per cent to cover overhead and profit. The estimated total expenditure is not to exceed \$63,000.

Funds are available in the state capital appropriation to the University for 1967-69.

On motion of Mr. Grimes, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Page, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Pogue, Dr. Weatherly.

**REVISION IN CONTRACT FOR GAS SERVICE, CIVIL ENGINEERING
BUILDING, URBANA**

(18) The Board of Trustees, at its meeting on May 16, 1967, authorized execution of an agreement with Illinois Power Company for gas service for the Civil Engineering Building complex at the Urbana campus at the Standard Utility Service Classification Rate 62 and Riders A, C, and CC. It was believed at that time that this rate would be the most economical to the University on an annual basis for gas service to this building.

Subsequent experience indicates that a savings of approximately \$20,000 per year will be achieved with a change to Classification Rate 52 with Riders A, C, and CC until adjustments in the system indicate a return to Rate 62 is feasible.

Accordingly, the President of the University recommends that authorization be given to enter into an interim agreement with Illinois Power Company for gas service at the Civil Engineering Building at Classification Rate 52 with Riders A, C, and CC for a period of not less than one year and until a return to Rate 62 is determined more economical.

Funds are available in the Physical Plant Department budget.

On motion of Mr. Clement, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Page, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Pogue, Dr. Weatherly.

REVOKING AND RELEASING AWARDS FOR CONTRACTS FOR DOOR REPLACEMENT AND REMODELING AND ENCLOSING STAIRWAYS IN THE GENERAL HOSPITAL AND NEUROPSYCHIATRIC INSTITUTE, MEDICAL CENTER

(19) The President of the University recommends that the contract for general work awarded by the Board of Trustees on March 14, 1967, to the R. E. Duggan Construction Co., Evanston, in the amount of \$48,500 for door replacement and remodeling and enclosing stairways in the General Hospital and Neuropsychiatric Institute, be revoked due to its inability to furnish the required performance bond and its inability to perform the work required by the contract by reason of the fact that it has executed an assignment for the benefit of creditors. It is further recommended that the bid deposit of the R. E. Duggan Construction Co. in the amount of \$1,500 be retained as liquidated damages.

At the same meeting, a contract for the electrical work on this project in the amount of \$1,198 was awarded to the Schaeffer Electric Co., Division of Sam Schaeffer Co., Chicago. This company has indicated that it may not be in a position to proceed with the work at the price indicated because of the delay resulting from the default of the R. E. Duggan Construction Co. Consequently, it is also recommended that authorization be given to release the Schaeffer Electric Co. from its contractual obligations with respect to this project and that its bid deposit of \$36 be returned.

On motion of Mr. Grimes, these recommendations were approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Page, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Pogue, Dr. Weatherly.

AGREEMENT WITH COMMONWEALTH EDISON COMPANY FOR ELECTRICAL SERVICE TO THE COLLEGE OF NURSING BUILDING, MEDICAL CENTER

(20) The President of the University recommends that the Board authorize its Comptroller and Secretary to execute an agreement with Commonwealth Edison Company to install electrical service to the College of Nursing Building at the Medical Center campus.

Commonwealth Edison Company has indicated the cost of installation of electrical service to be \$5,807.

Funds are available for the above project, and are already deposited with the Commonwealth Edison Company. The above deposit has been built up over a period of years, and is due to the increased use of electricity at the Medical Center campus.

On motion of Mr. Williamson, authority was given as recommended by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Page, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Pogue, Dr. Weatherly.

EMPLOYMENT OF ENGINEERS

(21) The President of the University recommends employment of the following

firms for complete engineering services, including design and bid documents, for the following projects and on the terms indicated:

Urbana-Champaign Campus

Sargent & Lundy, Engineers, Chicago

Improvements and extensions to the steam and electric distribution systems, to serve the following proposed buildings and additions: Music Building, Foreign Languages Building, and Library Fifth Stack Addition

Actual costs of engineering and drafting personnel plus 50 per cent; wages of other personnel and direct costs at actual wages and costs; two per cent of the actual cost of construction; and if a resident engineer is required, actual salary plus 35 per cent plus expenses authorized by the University

Medical Center Campus

Pioneer Service & Engineering Co., Chicago

Increase the electrical capacity for the Neuropsychiatric Institute

Engineering and drafting personnel at actual costs plus 75 per cent; and direct costs

Funds are available for the above projects in state capital appropriations to the University and have been released by the Governor.

The Advisory Committee on Architectural and Engineering Services and all appropriate administrative officers have been consulted.

On motion of Mr. Williamson, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Page, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Pogue, Dr. Weatherly.

ASSIGNMENT OF A PURCHASE AWARD FOR ART SCULPTURE AND STUDIO BUILDINGS, URBANA

(22) On November 10, 1967, the Board of Trustees approved the award of a contract to Decatur Construction, Inc., Decatur, the lowest bidder, for the construction of two buildings for sculpture and art studios at the Urbana campus at a cost of \$32,974.

Due to a change in franchise affiliation, Decatur Construction, Inc., will no longer be a dealer for the proposed building, and has requested that the contract award be assigned to the manufacturer of the building, Armco Metal Products Division, Armco Steel Corporation, South Bend, Indiana. The latter has agreed to accept this assignment.

The President of the University recommends that this assignment be consented to and that a contract be entered into with the Armco Metal Products Division, Armco Steel Corporation, South Bend, Indiana, at the same amount and on the same terms and conditions as originally approved.

On motion of Mr. Clement, this recommendation was approved.

ASSIGNMENT OF CONTRACT

(23) The General Dynamics Corporation has announced the sale of their General Atomic Division to the Gulf Oil Corporation.

Since the University has two purchase orders with General Atomic in the amounts of \$119,075 and \$141,700 which were approved by the Board of Trustees on July 27, 1966, and November 10, 1966, respectively, for fuel and materials and services to upgrade the University's TRIGA Nuclear Reactor, the University has been requested to make assignment of these orders to Gulf General Atomic, Inc., a subsidiary of Gulf Oil Corporation.

It is recommended that the orders be assigned to the new corporation for the provision of services and materials ordered. There will be no technical or monetary loss in such assignment.

The Director of Purchases has proposed and the Vice-President and Comptroller recommends that the assignment of orders be made.

I concur.

On motion of Mr. Clement, this recommendation was approved.

PURCHASES

(24) The President submitted, with his concurrence, a list of purchases recommended by the Director of Purchases and the Vice-President and Comptroller.

The list of purchases recommended for Board approval was presented in two categories: purchases from appropriated funds (i.e., from state appropriations to the University) and purchases from institutional funds. The latter term designates funds received by the University under contracts with the United States government, contracts with private corporations and other organizations, funds from foundation grants, and grants from corporations and other donors, and University revolving funds authorized by law.

The total amounts of these purchases were:

From Appropriated Funds.....	\$ 262 007 12
From Institutional Funds.....	474 895 83
<i>Grand Total</i>	<u>\$ 736 902 95</u>

A complete list of the purchases recommended, with supporting information, including the quotations received, was sent to each member of the Board in advance of the meeting, and a copy has been filed with the Secretary of the Board for record.

On motion of Mr. Grimes, the purchases recommended were authorized.

COMPTROLLER'S REPORT OF PURCHASES APPROVED

(25) The Vice-President and Comptroller also submitted a report of purchases approved by him on recommendation of the Director of Purchases in amounts of \$2,500 to \$5,000. A copy of this report is filed with the Secretary.

This report was received for record.

COMPTROLLER'S MONTHLY REPORT OF CONTRACTS EXECUTED

(26) The Comptroller's monthly report of contracts executed was submitted.

New Contracts

<i>With Whom</i>	<i>Purpose</i>	<i>Amount to be Paid to the University</i>
Illinois Board of Vocational Education and Rehabilitation	Portable video tape recorders and microteaching techniques to improve instruction in vocational-technical programs in Illinois	\$ 37 021 00
Illinois Department of Agriculture	Role of viruses in acute respiratory diseases of cattle in Illinois, their identification, natural history, and prevention	33 273 00
	Mastitis agalactia metritis syndrome in Illinois gilts and sows	30 750 00
	Diagnosis, prevention, and control of respiratory diseases of swine due to single and multiple causes	21 200 00
	Parasitic diseases of cattle in Illinois	31 050 00
Illinois Division of Highways IHR-001	Determination of criteria for illumination of rural at-grade intersections for safer and more efficient operation	25 000 00
IHR-401	Durability testing of stabilized materials	12 000 00
IHR-804	Analytic aerial triangulation for highway location and design	14 000 00
Illinois Superintendent of Public Instruction	For preparation for leadership training in the field of gifted children	37 889 00
National Academy of Sciences HR 6-9	Potential accelerating effects of chemical deicing damage by traffic and other environmental induced stresses in concrete bridge decks	200 000 00
Presbyterian-St. Luke's Hospital	Evaluation of the marmoset as a laboratory animal in tumor virus research	15 520 00
United States Air Force AFOSR-68-1461	Clustered defects in solids	68 580 00
United States Army		
DA-ARO-D-31-124-G857	Chemistry of a novel hydrocarbon	15 600 00
DA-ARO-D-31-124-G956	Martensitic transformation in iron alloys	78 685 00

<i>With Whom</i>	<i>Purpose</i>	<i>Amount to be Paid to the University</i>
United States Navy N00014-67-A-0305-0007	Research in the design and development of computer circuits and components with emphasis on hybrid analog-digital devices for use in display or switching circuits	\$ 40 000 00
N00014-68-C-0018	Study in education and development of medical education for national defense	11 000 00
<i>Total</i>		<u>\$671 568 00</u>

<i>With Whom</i>	<i>Purpose</i>	<i>Amount to be Paid by the University</i>
Beacon Neighborhood House	Participation in the program at Beacon's Neighborhood House by students enrolled in the University's regular programs for the preparation of elementary and secondary teachers at Chicago Circle campus	\$5 000 00

Leases

<i>With Whom</i>	<i>Purpose</i>	<i>Amount to be Paid to the University</i>
Delta Tau Delta Fraternity	Rental of premises at 905 West California Avenue, 1003 West California Avenue, and 904 West Oregon Street plus board (lunch and dinner) for not less than thirty-five students (September 10, 1967, to June 9, 1968)	\$19 750 00
<i>With Whom</i>	<i>Purpose</i>	<i>Amount to be Paid by the University</i>
First Methodist Church of Gibson City	Rental of six rooms in the First Methodist Church, Gibson City (September 1, 1967, to May 31, 1968)	\$2 520 00

Change Orders

<i>With Whom</i>	<i>Purpose</i>	<i>Amount to be Paid to the University</i>
Illinois Archaeological Survey	Preliminary testing and evacuation of archaeological sites	\$ 2 086 00
Illinois Department of Agriculture	Study of two diseases of swine: (1) transmissible gastroenteritis, and (2) colibacillosis and enterovirus	80 000 00
Illinois Division of Highways		
IHR-2	Highway problems	8 000 00
IHR-5	Riveted and bolted structural joints	3 000 00
IHR-10	Prestressed reinforced concrete highway bridges	26 500 00
IHR-58	Study equipment for the establishment and maintenance of roadside cover	18 500 00
IHR-64	Behavior of welded highway structures	28 000 00

THE COMPTROLLER'S REPORT OF GIFTS AND FUNDS RECEIVED FROM OUTSIDE SOURCES

(27) The Comptroller presented a report of gifts, grants, and contract funds

(including funds from private donors and funds received from governmental agencies) received by the University during the fiscal year July 1, 1966, through June 30, 1967.

The complete report was sent to each member of the Board in advance of the meeting and a copy is being filed with the Secretary of the Board.

A summary of the total amounts of funds received and sources follows:

Summary

Funds from Private Donors	
To the University	
For Urbana-Champaign.....	\$ 5 921 558 84
For Chicago Colleges and Divisions.....	787 439 82
	(6 708 998 66)
To the University of Illinois Foundation.....	3 881 290 02
<i>Total</i>	\$10 590 288 68
Funds from United States Government	
For Urbana-Champaign (including \$675,000 from National Defense Education Act for student loans).....	\$37 757 264 71
For Chicago Colleges and Divisions (including \$188,773 from National Defense Education Act, \$351,000 from Health Professions Act, and \$22,500 from Nurses Training Act for student loans).....	9 379 400 15
<i>Total</i>	\$47 136 664 86
Funds from Contracts with State of Illinois Agencies	
For Urbana-Champaign.....	\$ 1 076 855 58
For Chicago Colleges and Divisions.....	393 645 49
<i>Total</i>	\$ 1 470 501 07
<i>Grand Total</i>	\$59 197 454 61

This report was received for record.

INVESTMENT REPORT Report of the Finance Committee

(28) The Finance Committee reported the following changes in investments of endowment funds for the month of October, 1967:

Miller

Sale	
200 shares DuPont common stock.....	\$ 35 580 58
1 000 shares International Harvester common stock.....	37 104 18

Pool

Sale	
\$78 000 Commercial Credit open-end demand notes.....	78 000 00
300 shares AMP common stock.....	10 599 14
1 000 shares Bobbie Brooks common stock.....	19 221 85
300 shares Eastman Kodak common stock.....	39 292 76
1 548 shares Inland Steel common stock.....	56 106 90
1 050 shares Northern States Power common stock.....	32 805 47
1 200 shares PepsiCo common stock.....	44 993 81
450 shares Ralston Purina Company common stock.....	11 357 27
6 shares Sheller Globe common stock.....	178 94
5 shares Sheller Globe 1.35 per cent Cm.Cv. preferred stock....	158 12
400 shares U.S. Steel common stock.....	18 530 10

Purchase

\$50 000 Associates Investment open-end demand notes.....	50 000 00
50 000 General Finance Corp. open-end demand notes.....	50 000 00

CONSTRUCTION OF SCIENCE AND ENGINEERING CENTER BUILDING, CHICAGO CIRCLE

(29) The Executive Committee of the Board, at its meeting on December 5, 1967, approved certain requests and recommendations to the Board of Higher

Education and the Illinois Building Authority for the construction of the Science and Engineering Center Building at the Chicago Circle campus, including a request to the State Board of Higher Education for release of \$1,000,000 from the "federal funding reserve," being the difference between estimated (\$2,000,000) and realized (\$1,000,000) federal funding. While \$1,000,000 of federal funds has been "realized" in the sense the federal government has entered into a grant agreement for that amount, the agreement requires federal concurrence in the award of contracts. It is not certain the concurrence can be obtained within the time bids must be accepted.

Accordingly, in order to enable the Illinois Building Authority to make a timely award of the construction contract, the President of the University recommends that the action of the Executive Committee on December 5, 1967, pertaining to the Science and Engineering Center Building at the Chicago Circle campus, be amended to increase the authorized request for release from the "federal funding reserve" to \$2,000,000, or as much thereof as may be necessary, and that as so amended the action of the Executive Committee on December 5, 1967, be approved, ratified, and confirmed.

On motion of Mr. Clement, this recommendation was approved.

REQUEST TO ILLINOIS BUILDING AUTHORITY TO CONTRACT FOR CONSTRUCTION OF CIVIL ENGINEERING BUILDING, PHASE IIA (ALSO KNOWN AS CIVIL ENGINEERING BUILDING AND ADDITION), INCLUDING TRANSFER OF JURISDICTION OF PROPERTY, URBANA

(30) On November 9, 1967, the Illinois Building Authority received bids for the construction of the Civil Engineering Building, Phase IIA, also known as Civil Engineering Building and Addition.

The lowest bidder is McCarthy Brothers Construction Company, St. Louis, Missouri, and J. E. Hathman, Incorporated, Columbia, Missouri, doing business as McCarthy-Hathman Construction Company, a joint venture, with a base bid of \$3,586,148. Proposals were also received from Turner Construction Company, Chicago, Felmley-Dickerson Co., Urbana, and Kuhne-Simmons Co., Inc., Champaign.

The lowest bidder has performed satisfactorily on one previous University contract, and is presently under contract for the construction of the Undergraduate Library. The project is a part of the construction for the Urbana-Champaign campus, which the Board at its meeting on July 26, 1967, requested the Illinois Building Authority to provide.

The University has received a federal grant to supplement the financing of this project. Funds in the amount of \$541,000 can also be made available from balances in the contingency and equipment items in the budget for construction of the Civil Engineering Building, Phase I.

The Illinois Building Authority will finance the construction and lease the facility to the University for which funds for rental payments are available in state capital appropriations to the University.

The Illinois Building Authority owns part of the land on which the project will be constructed, and the University will transfer jurisdiction of the remaining land on which the project will be constructed to the Illinois Building Authority.

The President of the University, with the concurrence of the appropriate administrative officers, recommends that the Board of Trustees (1) request the Illinois Building Authority to assign \$541,000 from the balance in the Civil Engineering Building, Phase I, contingency and equipment items to this project and (2) request the Illinois Building Authority to contract for construction of the described work in the amount of \$3,604,148, being the amount of the low base bid of \$3,586,148 (alternate number 21 for installation of a more efficient boiler than that specified at no change in price and additive alternate number 23 for sewage sampling system of \$18,000) and proceed to procure this facility for the use of the University.

It is also recommended that the Comptroller and the Secretary of the Board be authorized to make, execute, acknowledge, and deliver such instruments of transfer, conveyance, lease, contract, and other documents as are necessary to provide for the carrying out of the foregoing project and facility by the Illinois Building Authority including necessary requests of the Board of Higher Education.

Adoption of the resolutions submitted herewith is required to implement the recommendation.

Resolution

WHEREAS, the Seventy-fifth General Assembly of the State of Illinois has declared it to be in the public interest that the Illinois Building Authority construct, on behalf of The Board of Trustees of the University of Illinois, a Civil Engineering Building, Phase IIa, also known as a Civil Engineering Building and Addition, at the Urbana campus of the University of Illinois; and

WHEREAS, for that purpose it will be necessary for the Illinois Building Authority to acquire jurisdiction of the real estate upon which said building will be located; and

WHEREAS, The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois with its principal office in Urbana, Illinois, has been requested by the Illinois Building Authority to transfer jurisdiction of said real estate for the construction of said building.

Now, Therefore, be it and it is hereby resolved by The Board of Trustees of the University of Illinois that the Comptroller and the Secretary of The Board of Trustees of the University of Illinois be and they are hereby authorized to execute, acknowledge, and deliver in the name and on behalf of this corporation an instrument of transfer of jurisdiction to the property described in the attached document entitled "Instrument of Transfer" which said form of instrument of transfer is by this reference incorporated in and made a part of this resolution.

On motion of Mr. Hahn, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Dr. Weatherly.

Instrument of Transfer

In accordance with the provisions of "An Act to create the Illinois Building Authority and to define its powers and duties" approved August 15, 1961, as amended, and resolution No. _____, IBA _____, adopted on the _____ day of _____, 196____, by the Illinois Building Authority, a body corporate and politic of the State of Illinois, created under said above-mentioned act, requesting the transfer of the certain described real estate and jurisdiction thereof to the Illinois Building Authority;

Now, Therefore, the undersigned, The Board of Trustees of the University of Illinois, does hereby transfer jurisdiction of the following real estate to the Illinois Building Authority, to wit:

Tract 1:

Lot 9 and the west 19.0 feet of Lot 10 in Block 51 of Seminary Addition to Urbana, situated in the City of Urbana, in the County of Champaign, and State of Illinois; and also

Tract 2:

That portion of the alley north of the above Tract 1, now owned by The Board of Trustees of the University of Illinois, and situated in the City of Urbana, in the County of Champaign, and State of Illinois, vacated by an ordinance entitled "An Ordinance Vacating a Portion of an Alley" adopted by the City Council of the City of Urbana, Illinois, on the 18th day of December, 1967.

Being a part of the site upon which the Illinois Building Authority is to construct and complete the Civil Engineering Building, Phase IIa, otherwise known as the Civil Engineering Building and Addition.

In Witness Whereof, The Board of Trustees of the University of Illinois, a body corporate and politic of the State of Illinois, has caused this instrument to be executed by its Comptroller, pursuant to due authorization of its Board of Trustees and its seal to be hereunto affixed and attested by the Secretary of The Board of Trustees of the University of Illinois, all as of the _____ day of _____, 19____.

Resolution

Be It, and It Hereby Is, Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Illinois Building Authority be, and it hereby is, requested to contract with McCarthy Brothers Construction Company, St. Louis, Missouri, and J. E. Hathman, Incorporated, Columbia, Missouri, doing business as McCarthy-Hathman Construction Company, a joint venture, for construction of the Civil Engineering Building, Phase IIa, also known as Civil Engineering Building and Addition, for the price of \$3,604,148, being the base bid of \$3,586,148 and additive alternate number 23 of \$18,000 for installation of a sewage sampling system and alternate number 21 for substitution of a more efficient boiler than that specified at no change in price.

Be It, and It Hereby Is, Further Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and the Secretary of this public corporation be, and they hereby are, authorized to make, execute, acknowledge, and deliver, in the name and in behalf of this corporation, such instruments of transfer, conveyance, lease, contract, and other documents as are necessary or appropriate in order to provide for the carrying out of the foregoing project and facility by the Illinois Building Authority.

On motion of Mr. Hahn, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Dr. Weatherly.

REPORT OF THE LEGAL COUNSEL

At this point, an interim report from the Legal Counsel containing suggestions for possible changes in the By-Laws of the Board was presented. The document was directed to steps that might be taken to insure continuity of business and other operations during the period of a vacancy in the Presidency or Secretariat of the Board. The analysis of the Legal Counsel was considered a preliminary step and was received with action deferred until a subsequent meeting.

The President of the Board asked if there was other business.

PAGE RESOLUTION

Mr. Page presented a resolution and moved that it be referred to the Committee on General Policy of the Board for study, with the request that the Committee consider the resolution and its relationship to the University's code of conduct for students. The text of the resolution follows:

Resolution

Since certain data are required on each student prior to admission to public tax-supported institutions of higher education, since this institution requires each student to maintain adequate standards of scholarship and citizenship for continued study, be it resolved that included, but not restricted to, as a part of the adequate standards of citizenship each student must meet and continue to meet all of the legal requirements of the Military Selective Service Act of 1967.

The motion passed without dissent.

SECRETARY'S REPORT

The Secretary presented for record appointments to the faculty made by the President, resignations, and terminations; leaves of absence; cancellation of leaves of absence, and the following cancellation of sabbatical leave of absence:

GARVEY, JOHN, Professor of Music and Artist in Residence — sabbatical leave of

absence granted him for Semester II 1967-68, on full pay, cancelled without prejudice.

A copy of the complete report is filed with the Secretary.

ANNOUNCEMENTS FROM THE PRESIDENT OF THE BOARD

FUTURE BOARD MEETINGS

President Swain announced the following schedule for the next three meetings of the Board: February 21, 1968, at the Medical Center; March 12, 1968, Urbana (Annual Meeting); and April 17, 1968.

RECESS

On motion of Mr. Grimes, the regular meeting was recessed and the President of the Board stated that a meeting of the Committee on Buildings and Grounds had been called and that an executive session had been requested and was being ordered following the Committee meeting to consider recommendations relating to property acquisitions and pending litigation.

EXECUTIVE SESSION

When the Board reconvened, the same members of the Board, officers of the Board, and officers of the University as recorded at the beginning of these minutes were present.

The Board considered the following recommendations from the President of the University.

ACQUISITION OF PROPERTIES AT 1116-1118 WEST NEVADA STREET, URBANA

(31) The President of the University recommends adoption of the following resolution for the acquisition of the properties at 1116-1118 West Nevada Street, Urbana, through condemnation proceedings, and further requests authorization of settlement of the condemnation suit if such settlement can be effected at a price that is within the appraisals received by the University.

The property at 1116 West Nevada Street is 65 feet by 156 feet, and the property at 1118 West Nevada Street, which is owned by the same party, is 65.5 feet by 90 feet (a total of 16,035 square feet). The properties are improved with two frame student rooming houses and a small corner food concession building.

The University has been negotiating with the owner of these properties, and the owner has been advised that a recommendation will be submitted to the Board of Trustees for their purchase at a total price of \$180,000, based on appraisals received by the University. This price is not acceptable to the owner, who is maintaining a price considerably in excess of University appraisals.

Funds are available in state capital appropriations to the University for 1967-69 and have been released by the Governor.

Resolution Authorizing Condemnation of Property at 1116-1118 West Nevada Street, Urbana, Illinois

Be It, and It Is Hereby Resolved, Found and Declared by The Board of Trustees of the University of Illinois, a body corporate and politic and a public corporation of the State of Illinois, that the following-described real estate situated in the County of Champaign, in the State of Illinois, to-wit:

Lot Seventeen (17) and the South Ninety (90) Feet of Lot Eighteen (18) of Forestry Heights Addition to the City of Urbana, situated in the City of Urbana, in the County of Champaign, and State of Illinois;

is needed by the University of Illinois, an educational institution established and supported by the State of Illinois for use as a site for an academic building of the University of Illinois and for other educational purposes conducted and to be conducted by said University of Illinois and for the further expansion of the educational facilities of said University of Illinois and to enable said University

of Illinois to discharge its duty to the people of said State and for public use, that funds are available to the University for the purchase of said land for said educational purposes; that this Board of Trustees has negotiated with the owners of said land through their duly authorized representatives for the purchase of said land at a price which this Board of Trustees considers fair and reasonable and which it finds constitutes the present market value of said land, but that said owners have refused to sell and convey said land, or any portion thereof, to said The Board of Trustees of the University of Illinois for such price and continue to refuse to sell and convey the same to it except for a consideration and price which this Board of Trustees deems unreasonable and excessive and is, therefore, unwilling and has refused to pay; and

Be It, and It Is Hereby Resolved, Found and Declared by The Board of Trustees of the University of Illinois that the compensation to be paid by it for said land cannot be agreed upon between this Board of Trustees and the owners of said property and they and it are unable to agree upon the purchase price to be paid to said owners for the sale and conveyance of said land by said owners thereof to said The Board of Trustees of the University of Illinois; and

Therefore, Be It, and It Is Hereby Further Resolved, Found and Declared by The Board of Trustees of the University of Illinois that because of said need of the University of Illinois for said land for the purposes hereinabove set forth and because the compensation to be paid to the owners thereof for such land cannot be agreed upon between them and this Board of Trustees, it is necessary for The Board of Trustees of the University of Illinois to take said land and acquire title thereto through the exercise by it of the right of eminent domain conferred upon it by law and to have the compensation to be paid by it to the owners thereof and any and all other persons who may have any right, title or interest in and to said land determined in the manner provided by law for the exercise of said right and power of eminent domain; and

Be It, and It Is Hereby Further Resolved by The Board of Trustees of the University of Illinois that the necessary and appropriate action be taken for the acquisition of title to said property by said The Board of Trustees of the University of Illinois and to have the compensation to be paid therefor determined by the institution and prosecution to completion of a proceeding in eminent domain in a court of competent jurisdiction and that the Legal Counsel of the University be, and he is hereby, authorized to proceed accordingly, to institute and prosecute an eminent domain proceeding in the name and on behalf of The Board of Trustees of the University of Illinois for the acquisition of said land and the determination of the compensation to be paid by it therefor, and to employ such special legal counsel, appraisers, and others as he may deem necessary or desirable to assist him in the institution and prosecution of said proceeding.

On motion of Mr. Williamson, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Dr. Weatherly.

**PURCHASE OF 1106 WEST SPRINGFIELD AVENUE
AND 1103 WEST STOUGHTON STREET, URBANA**

(32) The President of the University recommends that The Board of Trustees of the University of Illinois request the University of Illinois Foundation to purchase the property at 1106 West Springfield Avenue and the property directly to the north, which is owned by the same party; namely, 1103 West Stoughton Street, Urbana, for the sum of \$35,000 and lease these properties to the University at a rental sufficient to enable the Foundation to pay the interest costs on the loan secured to finance their acquisition. The property at 1106 West Springfield Avenue is 82 feet by 100 feet, and the property at 1103 West Stoughton Street is 66 feet by 100 feet (a total of 14,800 square feet). Improvements on the property consist of a two-story frame dwelling and several outbuildings, which will be demolished and the area used for parking.

On motion of Mr. Grimes, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr.

Hughes, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Dr. Weatherly.

PURCHASE OF 1208 WEST CALIFORNIA AVENUE, URBANA

(33) The President of the University recommends that The Board of Trustees of the University of Illinois request the University of Illinois Foundation to purchase the property at 1208 West California Avenue, Urbana, at a price of \$100,000 and lease the property to the University at a rental sufficient to enable the Foundation to pay the interest costs on the loan secured to finance its acquisition. This property consists of an irregular shaped lot 79 feet by 120 feet plus 48 feet by 60 feet (12,360 square feet), and is improved with a three-story brick apartment building.

On motion of Mr. Williamson, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Dr. Weatherly.

PURCHASE OF 301 SOUTH WRIGHT STREET, CHAMPAIGN

(34) The President of the University recommends that The Board of Trustees of the University of Illinois request the University of Illinois Foundation to purchase the property at 301 South Wright Street, Champaign, at a price of \$21,500 and lease the property to the University at a rental sufficient to enable the Foundation to pay the interest costs on the loan secured to finance acquisition of this property. The property consists of a lot with dimensions of 66 feet by 66 feet (4,356 square feet), and is improved with a two-story frame dwelling that is currently being used as a rental property.

On motion of Mr. Hughes, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Dr. Weatherly.

PURCHASE OF 605 EAST WHITE STREET, CHAMPAIGN

(35) The President of the University recommends that The Board of Trustees of the University of Illinois request the University of Illinois Foundation to purchase the property at 605 East White Street, Champaign, at a price of \$21,800 and lease the property to the University at a rental sufficient to enable the Foundation to pay the interest costs on the loan secured to finance acquisition of this property. The property consists of a lot 66 feet by 132 feet (8,712 square feet), and is improved with a one-story frame dwelling that is currently occupied by the owner.

On motion of Mr. Grimes, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Dr. Weatherly.

There being no further business, on motion of Mr. Grimes, the Board adjourned.

EARL W. PORTER
Secretary

TIMOTHY W. SWAIN
President

LUNCHEON PROGRAM

Guests of the Board at lunch were members of the Educational Committee of the Legislative Commission to Visit and Examine State Institutions; Mrs. Frances B. Watkins and Mr. Irving Dilliard, former members of the Board of Trustees; and wives of the Trustees.

Presentation of Statuettes

Mr. Jones, on behalf of the Trustees, presented miniatures of Lorado Taft's Alma Mater statue to former Trustees Mrs. Frances B. Watkins and Mr. Irving Dilliard in recognition of their contributions to the Board and to the University.

Trustee Emeritus Awards

President Swain conferred the Trustee Emeritus Award upon Mrs. Watkins and Mr. Dilliard. This award, adopted by the Board on March 17, 1962, is conferred upon any Trustee who has retired from the Board after having served a full term, and who wishes to accept such a designation.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

January 17, 1968

The January meeting of The Board of Trustees of the University of Illinois was held in the Chicago Circle Center, Chicago, Illinois, on Wednesday, January 17, 1968, beginning at 9:00 a.m.

President Timothy W. Swain called the meeting to order and asked the Secretary to call the roll. The following members of the Board were present: Mr. Donald R. Grimes, Mr. Ralph C. Hahn, Mr. Earl M. Hughes, Mr. Harold Pogue, Mr. Timothy W. Swain, Mr. Kenney E. Williamson, Mr. Howard W. Clement, Mr. Theodore A. Jones, Governor Otto Kerner, Mr. Ray Page, and Dr. James A. Weatherly were absent.

Also present were President David D. Henry; Executive Vice-President and Provost Lyle H. Lanier; Chancellor Norman A. Parker, University of Illinois at Chicago Circle; Chancellor Joseph S. Begando, University of Illinois at the Medical Center; Chancellor Jack W. Peltason, University of Illinois at Urbana-Champaign; Mr. C. S. Havens, University Director of Physical Plant Planning and Construction; Mr. C. E. Flynn, Assistant to the President and University Director of Public Information; Mr. James J. Costello, Legal Counsel; Dr. Daniel C. McCluney, Dean of Faculties, Chicago Circle; Dr. James B. Holderman, Associate Chancellor, Chicago Circle; Mr. Vernon L. Kretschmer, University Associate Director of Physical Plant Planning and Construction; Mr. R. C. Wicklund, Staff Associate in the Board of Trustees Office and Assistant Secretary of the University; Mr. Eugene S. Pitcher, Assistant to the Director of the Physical Plant, Urbana; Mr. Robert W. Evans, Director of Public Information, Urbana; Mr. Max I. Light, Director of Public Information, Medical Center; Mr. Grover E. Shipton, Director of Public Information, Chicago Circle; and the officers of the Board, Mr. H. O. Farber, Comptroller, Mr. R. R. Manchester, Treasurer, and Dr. Earl W. Porter, Secretary.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY
 The Board considered the following reports and recommendations from the President of the University.

PRESIDENT'S REPORT

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

BUDGET FOR 1968 SUMMER SESSION AND FACULTY APPOINTMENTS, URBANA

(1) Submitted herewith are the budget and appointments to the faculty for the 1968 Summer Session at Urbana-Champaign from June 17 to August 10, 1968.

The distribution of the budgeted funds is as follows:

Salaries.....	\$1 487 677
Reserve.....	50 148
<i>Total</i>	(\$1 537 825)
Wages and Expense.....	32 175
Administration.....	\$ 5 000
Departmental.....	27 175
<i>Total Budget</i>	\$1 570 000

Salaries of members of the University faculty recommended for summer session appointments are computed on the basis of the standard formula: two-ninths of the salary of the academic year for eight weeks of service, with proportionate amounts for shorter periods or for part-time service. The appointments being recommended include a number of visiting lecturers from other colleges and universities at the salaries indicated.

I recommend that the appointments to the summer session staff be approved as submitted, and that the President of the University be authorized to accept resignations and make such changes and adjustments and additional appointments as are necessary in accordance with the needs of the University within the allocations of funds indicated.

On motion of Mr. Grimes, these appointments and the summer session budget for Urbana were approved and authority was given as requested by the following vote: Aye, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Clement, Mr. Jones, Governor Kerner, Mr. Page, Dr. Weatherly.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(2) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Illinois Accountancy Act of 1943, as amended, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

<i>Names</i>	<i>Adresses</i>	<i>States from Which They Obtained Certificates</i>
DONALD FRANK ISTVAN	Park Ridge, Illinois	Indiana
LAWRENCE MERLE RASKIN	Creve Coeur, Missouri	Missouri

I concur.

On motion of Mr. Pogue, these certificates were awarded.

APPOINTMENTS TO THE FACULTY

(3) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

Positions in the University are classified in the following categories and are designated in the budget by the symbols indicated: A— indefinite tenure; P— indefinite term appointment for part-time service only; B— two years; D— one year; E— nine months from the beginning of the academic year; G— special tenure; Q— initial term appointment for Professor or Associate Professor; Y— twelve months' service required instead of two semesters; 1-7— indicates the number of years of service which will be credited at the end of the contract period toward completion of the probationary period relating to tenure.

Figures following a symbol indicate percentage of time if the appointment is on a part-time basis (e.g., D75 means one year on three-fourths time).

Chicago Circle

1. PHILIP ASH, Professor of Psychology, beginning January 1, 1968 (A), at an annual salary of \$18,000.
2. RICHARD MILLMAN, Associate Professor of History, beginning January 1, 1968 (A), at an annual salary of \$13,000.
3. EVALYN F. SEGAL, Associate Professor of Psychology, beginning January 1, 1968 (A), at an annual salary of \$16,000.

Urbana-Champaign

4. WALTER C. ALLEN, Assistant Professor of Library Science, in the Graduate School of Library Science, beginning February 1, 1968 (1), at an annual salary of \$9,000.
5. DONALD H. GENT, Assistant Professor of Health Science and Psychiatrist, Health Service, beginning January 1, 1968 (1Y), at an annual salary of \$22,000.
6. KOENTJARANINGRAT, Visiting Professor of Anthropology, for the second semester 1967-68 (E), at a salary of \$9,000.
7. LAWRENCE S. REVSINE, Assistant Professor of Accountancy, for the second semester 1967-68 (1), at a salary of \$5,950.
8. ALPHONSE V. ROCHE, Visiting Professor of French, for the second semester 1967-68 (E), at a salary of \$8,500.
9. ROBERT W. TUVESON, Associate Professor of Botany, beginning September 1, 1968 (A), at an annual salary of \$14,000.

On motion of Mr. Hughes, these appointments were confirmed.

SPECIAL UNDERGRADUATE INSTRUCTIONAL AWARDS FOR PROJECTS COMPLETED DURING THE SUMMER OF 1967

(4) At its meeting on March 14, 1967, the Board of Trustees approved a total of thirty-six Undergraduate Instructional Awards for the summer of 1967 to faculty members for work on projects designed to improve the quality of undergraduate teaching. In general, these awards provided a full-time salary for two months to the recipients, plus funds for required incidental expenses in certain cases.

It was announced at that time that Special Awards of \$1,000 each would be made to the three individuals whose completed projects were judged to be the most outstanding in terms of probable contribution to undergraduate education. It turned out that the donor of the funds, the Standard Oil (Indiana) Foundation, provided a total of \$6,000 for this purpose, and hence six awards could be made.

The Chancellors at the Chicago Circle and the Urbana-Champaign campuses each appointed a special committee to review the reports submitted by the grantees following the completion of their projects. These committees were asked to select the most meritorious projects for recommendation to their respective Chancellors. The Chancellors, in turn, forwarded their recommendations to the Executive Vice-President and Provost, who established a special committee to review the projects recommended from both campuses.

As a result of these procedures of review and evaluation, the Executive Vice-President and Provost recommends that Special Awards of \$1,000 each be granted to the following faculty members:

Chicago Circle. Dr. Roger L. Dominowski, Assistant Professor of Psychology; Dr. Howard Gadlin, Assistant Professor of Psychology; Dr. Wulf Kopke, Associate Professor of German.

Urbana-Champaign. Dr. Arthur M. Clausing, Assistant Professor of Mechanical Engineering; Dr. Rasio Dunatov, Assistant Professor of Russian; Dr. Gilbert P. Haight, Jr., Professor of Chemistry, and four collaborators, the funds to be divided in accordance with recommendations from the Head of the Department of Chemistry and Chemical Engineering. (Included in the group are Mr. Robert F. Zahrobsky of the Department of Chemistry at the Chicago Circle campus and two graduate students, Miss Rasma Derums and Mr. Glen Tilbury.

I concur.

On motion of Mr. Grimes, these awards were approved.

**REPORT: PROPOSALS APPROVED BY THE URBANA-
CHAMPAIGN SENATE**

(5) The Urbana-Champaign Senate has approved three proposals from the College of Liberal Arts and Sciences involving modification of regulations and requirements of that College. Although not related in subject matter, the proposals indicate, in common, the results of re-evaluation of curricula and regulations of the College of Liberal Arts and Sciences with the objective of minimizing obstacles faced by students and their advisers in planning programs by eliminating restrictions of questionable value and promoting flexibility wherever feasible.

Addition of a Topical Minor

This proposal is for the establishment in the Curriculum of Sciences and Letters of a "topical minor" which would enable students, with the approval of their major department, to pursue comparable topics cutting across departmental lines even though formal programs have not been developed around such topics. The topical minor could be presented in place of regular or special minors, both of which restrict courses presented to those offered by not more than two departments. Several topical minors, such as American Civilization, Asian Studies, and Latin-American Studies, have been formalized in the past.

Revision of Regulations Applying to Non-LAS Course for LAS Students

Present regulations restrict Liberal Arts and Sciences students to thirty-two hours in courses in other colleges and schools of the University, including courses counted toward a major and/or minor. This proposal establishes a twenty-four hour maximum applying only to electives outside the College of Liberal Arts and Sciences and discontinues the restrictive list of courses outside the College acceptable for a degree. Existing regulations concerning requirements for graduation and approval of major and minor subjects are deemed adequate to guarantee those complying with them a liberal education.

Discontinuation of the "Hours of D" Regulation

Present regulations specify that no more than one-fourth of the work presented for the degree may be of "D" grade. The enforcement of the regulation has resulted in a few students—who have fulfilled the specific and general course requirements for the degree with a grade-point average of at least 3.0—remaining on campus solely to accumulate additional hours sufficient to balance "excess" hours of "D" which they have accumulated. Since the requirement appears to serve little positive purpose, it has been discontinued.

The Senate Coordinating Council has indicated that no other Senate jurisdiction is involved.

While these matters do not require formal approval by the Board, they are submitted for record.

This report was received for record.

**REVISION IN THE UNDERGRADUATE CURRICULUM
IN ART EDUCATION, URBANA**

(6) Reports from recent graduates and descriptions of positions available in public schools indicate the need for students in the field of Art Education to be able to study a single area of art in depth. The existing program gives students an introduction to several types of studio processes without gaining an adequate background in any one of them. By eliminating several required courses in Education and in Art and by decreasing the number of non-art electives from thirty-seven to thirty-three semester hours, the revised program increases the number of art electives from four to fifteen semester hours, thus enabling students to increase competencies in individual areas for their own satisfaction as artists, to prepare themselves for graduate work if they so desire, or to prepare themselves for increasing numbers of positions at the high school level which require such competencies.

This revision has been approved by the Urbana-Champaign Senate, has been cleared with all appropriate committees and officers, and is reported to the Trustees as a matter of record.

This report was received for record.

PROFESSIONAL DEGREES, COLLEGE OF LAW, URBANA

(7) On July 21, 1965, the Board approved a recommendation authorizing the degree of Juris Doctor (J.D.) to be conferred upon graduates of the College of Law who had previously been awarded baccalaureate degrees in other colleges and universities, and who had completed satisfactorily the professional law program.

The faculty of the College of Law and the Urbana-Champaign Senate now recommend that the degree of J.D. be awarded as the first professional degree to all graduates of the College of Law, that the LL.B. degree be discontinued, and that the J.D. degree be awarded to former graduates who apply therefor in place of the LL.B. degree, with appropriate designation of any scholastic honors. The proposal would be effective February 1, 1968.

The Chancellor at the Urbana-Champaign campus and the Executive Vice-President and Provost endorse this recommendation. The Senate Coordinating Council has indicated that no other Senate jurisdiction is involved. Submitted herewith is a supporting statement, a copy of which is being filed with the Secretary of the Board for record.

I recommend approval.

On motion of Mr. Williamson, this recommendation was approved.

**GRADUATION WITH HONORS, COLLEGE OF LIBERAL ARTS
AND SCIENCES AND COLLEGE OF BUSINESS
ADMINISTRATION, CHICAGO CIRCLE**

(8) The Chicago Circle Senate has approved proposals for Graduation with Honors from the Colleges of Liberal Arts and Sciences and Business Administration at Chicago Circle.

Liberal Arts and Sciences

The basis for the proposed program in the College of Liberal Arts and Sciences at Chicago Circle is the corresponding program at the Urbana-Champaign campus.

The changes which are proposed in Honors at Graduation in Liberal Arts and Sciences at Chicago Circle are of three kinds.

Quarter System. "Semester" is uniformly replaced by "quarter."

Minor. Editorial changes have been made which affect procedure without affecting policy, e.g., replacement of "should" by "must." Some deletions have been made because the content is not applicable at Chicago Circle.

Substantive.

1. The minimum grade-point requirement (4.0) has been maintained but the "late-bloomer" also has a chance by the addition of the avenue of a 4.5 for the last two years.
2. The department is given the responsibility for determining whether all or part of the special course of study is to be included as part of the major.
3. Teacher education curricula are not singled out for special treatment since these curricula are under the individual departments just as the majors are.

Business Administration

In recognition of superior academic achievement, the College awards two types of honors at graduation: General College Honors and Departmental Distinction. To be eligible for either, a student must meet the following general conditions.

College Honors.

1. He must meet the University residence requirements.
2. He must meet the College requirements for graduation.
3. Normally, he must have carried at least twelve hours each quarter of academic work, exclusive of basic military training and physical education.
4. He must have attained at least a 4.00 average in all courses or a 4.50 average during the final two years (not less than seventy-two quarter hours) of courses completed at the University of Illinois and counted toward graduation from the College.

Departmental Distinction. If a student is eligible for College Honors, he may also be recommended for Departmental Distinction if he has shown superior

achievement in the given department's field of study (usually, but not necessarily, the student's major field). A student enrolled in an interdepartmental curriculum may be recommended for Distinction by those responsible for the administration of his curriculum, in general conformity with the conditions for Departmental Distinction.

These rules are reported for record and confirmation by the Board.

On motion of Mr. Hughes, the action of the Chicago Circle Senate was confirmed.

CHANGE IN NAME — COLLEGE OF COMMUNICATIONS, URBANA

(9) The Dean of the College of Journalism and Communications and the Chancellor at the Urbana-Champaign campus recommend that the name of the College be changed to "College of Communications," effective July 1, 1968.

The change requested is in keeping with developments throughout the nation. It reflects the broader responsibilities of the College to all the communications media and the desirability of developing programs based on a solid grounding in the social sciences and humanities.

The names of the units within the College would remain unchanged, as would the organization.

The Executive Vice-President and Provost concurs in this recommendation. I recommend approval.

On motion of Mr. Williamson, this recommendation was approved.

APPLICATION FOR GRANT FUNDS UNDER TITLE II OF THE HIGHER EDUCATION FACILITIES ACT OF 1963

(10) Under the Higher Education Facilities Act of 1963, the United States Commissioner of Education is authorized to grant funds for the construction, rehabilitation, and improvement of academic and related facilities. The requirements of the Department of Health, Education, and Welfare for the submission of applications for grants under the Act necessitate the adoption of a formal resolution by the Board authorizing the filing of applications and designating the person to act on behalf of the University in connection therewith.

Accordingly, it is recommended that the Board of Trustees adopt the following resolution authorizing the filing of an application for a grant under the Higher Education Facilities Act of 1963 for the project described as "Construction of Library Fifth Stack Addition, also known as Library Building Addition at Champaign-Urbana Campus."

Resolution Authorizing the Filing of Application for Grant Funds Under Title II of the Higher Education Facilities Act of 1963

Approved: January 17, 1968

WHEREAS, the U. S. Commissioner of Education is authorized under the Higher Education Facilities Act of 1963 to grant funds for the construction, rehabilitation, and improvement of certain academic and related facilities; and

WHEREAS, The Board of Trustees of the University of Illinois, the governing body of the University of Illinois, hereinafter called the Applicant, is cognizant of the conditions under which grant funds are made available and approved for payment to an applicant; and

WHEREAS, it is the sense of the governing body of the Applicant that it is desirable to apply for grants under the aforementioned act for the project described as Construction of Library Fifth Stack Addition, also known as Library Building Addition at Champaign-Urbana Campus.

Now, therefore, be it

Resolved, that application for the project described above is authorized and directed to be filed with the Illinois Board of Higher Education, with the understanding that if upon due consideration by said board, applying the criteria of the State plan, said application receives a priority rating sufficiently high to receive grant funds under the aforementioned act, said application will be forwarded to the U. S. Commissioner of Education for consideration for his approval; and be it further

Resolved, that The Board of Trustees of the University of Illinois designates H. O. Farber, Comptroller, as the officer authorized to file the application and act as the representative of this Board in connection with said application.

TIMOTHY W. SWAIN, *President*
The Board of Trustees of the
University of Illinois

On motion of Mr. Grimes, the foregoing resolution was approved by the following vote: Aye, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Clement, Mr. Jones, Governor Kerner, Mr. Page, Dr. Weatherly.

APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(11) After review by the Committees on Nonrecurring Appropriations at Urbana-Champaign and the Medical Center, the respective Chancellors recommend the following appropriations from the funds indicated:

Urbana-Champaign General Reserve

College of Agriculture	
Department of Agronomy, equipment.....	\$ 10 800 00
College of Education	
Department of Elementary Education, equipment.....	14 260 00
College of Engineering	
Department of Aeronautical and Astronautical Engineering, equip- ment, for a proposal under Title VI of the Higher Education Act.....	34 332 00
Department of Mechanical and Industrial Engineering, equipment, for a proposal under Title VI of the Higher Education Act....	21 288 00
College of Fine and Applied Arts	
Department of Architecture, equipment.....	12 160 00
School of Music, equipment.....	14 180 00
College of Liberal Arts and Sciences	
Department of Chemistry and Chemical Engineering, equipment..	61 140 00
Department of Zoology, equipment.....	12 838 00
Office of Instructional Resources, equipment, for a proposal under Title VI of the Higher Education Act.....	30 555 00
Construction, renovation, and remodeling for which funds are as- signed to the Physical Plant Department:	
Partial cost for the construction of the Nursery Building for the development of the Swine Research Center for the Department of Animal Science.....	35 250 00
Remodeling the Electron Microscope Laboratory in Bevier Hall basement.....	24 940 00
<i>Total, Urbana-Champaign General Reserve.....</i>	<u>\$271 743 00</u>

Medical Center General Reserve

Illustration Studios, equipment.....	\$ 77 500 00
Library of Medical Sciences, supplement to Library Additions.....	10 000 00
Research and Educational Hospitals	
Administration, equipment.....	61 750 00
Admissions and Clinic Administration, equipment.....	18 000 00
Department of Radiology, equipment.....	54 500 00
<i>Total, Medical Center General Reserve.....</i>	<u>\$221 750 00</u>

Medical Center Contract Research Reserve

Renovation and remodeling for which funds are assigned to the Physical Plant Department:	
Remodeling for the Statistical Service Unit in the East Dentistry- Medicine-Pharmacy Building	\$ 32 400 00
The Executive Vice-President and Provost concurs. I recommend approval.	

On motion of Mr. Pogue, these appropriations were made by the following vote: Aye, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Clement, Mr. Jones, Governor Kerner, Mr. Page, Dr. Weatherly.

CONTRACT FOR INSTALLATION OF CHILLED WATER SERVICE TO BURRILL HALL, URBANA

(12) The President of the University, with the concurrence of the appropriate administrative officers, recommends award of a contract for \$43,330 to Julian Engineering Company, Chicago, the lowest bidder, for the extension of chilled water service from the Student-Staff Apartment Air Conditioning Center to Burrill Hall, Urbana.

Funds are available in state capital appropriations to the University and have been released by the Governor.

On motion of Mr. Hughes, this contract was awarded by the following vote: Aye, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Clement, Mr. Jones, Governor Kerner, Mr. Page, Dr. Weatherly.

LIMOUSINE SERVICE AT THE UNIVERSITY OF ILLINOIS-WILLARD AIRPORT, SAVOY

(13) Limousine service has been provided under contract at the University of Illinois-Willard Airport since January 1, 1959.

Initially, the volume of air traffic was limited. Therefore, only a minimal service was provided in conjunction with an exclusive car rental franchise.

Early in 1967, the exclusive franchise was cancelled because of inadequate services and the rapidly changing demand for new airport terminal services. The car rental services are now being provided on a negotiated basis by three franchisees representing three major nationwide car rental agencies.

An interim contract for limousine service was negotiated with a local livery service until new criteria for airport limousine service were developed.

Three sealed bid proposals, received as a result of advertisements and direct solicitation for limousine service, could not be equitably evaluated; therefore, the University rejected all proposals and negotiated individually with the three companies to obtain the best agreement for providing exclusive limousine service.

The following is a schedule of the rates negotiated and the projected and anticipated income:

	<i>Per Month Minimum</i>	<i>Options</i>	<i>Annual Income Estimated (3)</i>
Illini-Swallow Lines, Inc., Champaign.....	\$375 or 7½ per cent of gross	(1)	\$5 500 00
Earl Huffman, Inc., doing business as A-1 Limousine Service, Champaign.....	\$370 or 8 per cent of gross	None	\$4 400 00
Tri-State Coach Lines, Inc., Franklin Park.....	\$200 or 5 per cent of gross	(2)	\$2 750 00

(1) Option to receive 10 per cent of gross income (with *no* minimum) at any time after the start of contract—the “gross income” will include *all* gross income received for any service provided by the franchisee at the airport (limousine, charter trips, baggage delivery fees, and freight).

(2) \$200 per month minimum first year. \$350 per month minimum second, third, fourth, and fifth years *or* 5 per cent of gross limousine and charter trips *only*.

(3) Based on a franchisee estimated gross income of \$55,000 annually.

In addition to rates, negotiations were conducted as to insurance coverages, operational experience and equipment, safety and public acceptability.

In the opinion of the Director of the Institute of Aviation, the Director of Purchasing, and the Vice-President and Comptroller, the best proposal is that submitted by the Illini-Swallow Coach Lines, Inc., Champaign.

Therefore, it is recommended that the Board of Trustees authorize a contract with the Illini-Swallow Coach Lines, Inc., for a period of five years starting

February 1, 1968, based on the minimum of \$375 a month or 7½ per cent of gross, whichever is greater, with the contract to be modified to 10 per cent of gross as soon as the volume justifies it.

I concur.

On motion of Mr. Pogue, this contract was awarded as recommended by the following vote: Aye, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Clement, Mr. Jones, Governor Kerner, Mr. Page, Dr. Weatherly.

**AGREEMENT TO PARTICIPATE IN URBANA AND CHAMPAIGN
SANITARY DISTRICT EXPANSION PROGRAM**

(14) The Urbana & Champaign Sanitary District has requested the University to share in the cost of constructing interception sewer mains. This improvement is part of an over-all plan to extend sewer mains and to increase the capacity of the treatment facilities of the Sanitary District, which is being financed from a bond issue (approved by the voters of the district in November, 1965); from a federal grant; and from anticipated University contributions.

One of the projects of this program which benefits the University is the construction of an Embarrass River outlet sewer main at a total estimated cost of \$118,000.

Based on the percentage factor used to determine the University's share of the cost of improvements and the operation of the Sanitary District as it directly affects the University (18.48789 per cent), the estimated cost to the University for this improvement project is \$22,000.

Funds are available in state capital appropriations to the University, subject to release by the Governor.

Accordingly, the President of the University, with the concurrence of the appropriate administrative officers, recommends that the Board of Trustees authorize the Comptroller and the Secretary of the Board to execute an agreement with the Urbana & Champaign Sanitary District providing for the payment of the University's share of this cost.

Submitted herewith is a report from the Physical Plant Department, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Williamson, this recommendation was approved by the following vote: Aye, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Clement, Mr. Jones, Governor Kerner, Mr. Page, Dr. Weatherly.

**INCREASE IN CONTRACT FOR ARCHITECTURAL SERVICES,
CHICAGO CIRCLE**

(15) On July 26, 1967, the Board of Trustees approved the employment of Samuel Arthur Lichtmann, Chicago, for complete architectural services for miscellaneous remodeling projects at the Chicago Circle campus at a fee of 8 per cent of construction costs plus reimbursement for the actual cost of a Clerk of the Works. The contract further states that the total payment for service on any specific project shall not exceed \$10,000, unless prior authorization is given by the Board of Trustees.

The President of the University, with the concurrence of the appropriate administrative officers, recommends an addition to this contract in an amount not to exceed \$20,000 for complete architectural and engineering services for remodeling space in the Racine Avenue Building, Chicago Circle, to accommodate the Office of Admissions and Records.

Funds are available in state capital appropriations to the University for 1967-69 and have been released.

On motion of Mr. Hughes, this recommendation was approved by the following vote: Aye, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Clement, Mr. Jones, Governor Kerner, Mr. Page, Dr. Weatherly.

**CONTRACT FOR PROFESSIONAL DESIGN SERVICES,
COLLEGE OF DENTISTRY BUILDING,
MEDICAL CENTER**

(16) The President of the University recommends award of a contract to Graham, Anderson, Probst & White, Incorporated, Chicago, for design services in connection with the interior furnishing and equipping of the new College of Dentistry Building at the Medical Center campus.

The fee will be based on timecard charges at the firm's usual and customary hourly rates, plus 150 per cent to cover overhead and profit. The estimated total expenditure is not to exceed \$10,000.

Funds are available in the state capital appropriations to the University for 1967-69, subject to release by the Governor.

On motion of Mr. Grimes, this contract was awarded by the following vote: Aye, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Clement, Mr. Jones, Governor Kerner, Mr. Page, Dr. Weatherly.

**CONTRACT FOR PROFESSIONAL DESIGN SERVICES,
COLLEGE OF NURSING BUILDING,
MEDICAL CENTER**

(17) The President of the University recommends award of a contract to Mittelbush & Tourtelot, Chicago, for design services in connection with the interior furnishing and equipping of the new College of Nursing Building at the Medical Center campus.

The fee will be based on timecard charges at the firm's usual and customary hourly rates, plus 150 per cent to cover overhead and profit. The estimated total expenditure is not to exceed \$8,500.

Funds are available in the state capital appropriations to the University for 1967-69, subject to release by the Governor.

On motion of Mr. Hughes, this contract was awarded by the following vote: Aye, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Clement, Mr. Jones, Governor Kerner, Mr. Page, Dr. Weatherly.

**REQUEST TO ILLINOIS BUILDING AUTHORITY TO CONTRACT
FOR CONSTRUCTION OF SMALL ANIMAL CLINIC AND
HOSPITAL — VETERINARY MEDICINE COMPLEX,
PHASE I, URBANA**

(18) On December 12, 1967, the Illinois Building Authority received bids for the construction of the Small Animal Clinic and Hospital—Veterinary Medicine Complex, Phase I, Urbana.

The lowest bidder is Talandis Construction Corporation, Sauk Village, with a bid, including recommended alternates, of \$5,448,118. Proposals were also received from McCarthy Brothers Construction Company, St. Louis, Missouri; Kuhne-Simmons Co., Inc., Champaign; Turner Construction Company, Chicago; J. L. Wroan and Sons, Inc., Normal; Superior Construction Co., Inc., Gary, Indiana; and Alfred Lundgren, Inc., Kansas City, Missouri.

The project is part of the construction for the Urbana-Champaign campus which the Board of Trustees, at its meeting on July 26, 1967, requested the Illinois Building Authority to provide. The Illinois Building Authority will finance the construction and lease the facility to the University. Funds for the payment of rent to the Authority during the current biennium are available in state appropriations to the University.

At the request of the Illinois Building Authority, the Board of Trustees has previously authorized the transfer of jurisdiction of the land on which the project will be constructed from the University to the Illinois Building Authority.

Submitted herewith is a schedule of the bids received, a copy of which is being filed with the Secretary of the Board for record.

The President of the University, with the concurrence of the appropriate administrative officers, recommends that the Board of Trustees request the

Illinois Building Authority to contract for construction of the described work for the total sum of \$5,448,118, being the amount of the low base bid of \$5,117,518, plus additive alternates 1, 3, 4, 5, 6, 7, 15, 16, 17, 18, 19, and 21, totaling \$330,600, and proceed to procure this facility for the use of the University.

It is also recommended that the Comptroller and the Secretary of the Board be authorized to make, execute, acknowledge, and deliver such instruments of conveyance, lease, contract, and other documents as are necessary to provide for the carrying out of the foregoing project and facility by the Illinois Building Authority. Adoption of the resolution submitted herewith is required to implement the above.

Resolution

Be It, and It Hereby Is, Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Illinois Building Authority be, and it hereby is, requested to contract with Talandis Construction Corporation, Sauk Village, Illinois, for construction of the Small Animal Clinic and Hospital—Veterinary Medicine Complex, Phase I, Urbana, for the total price of \$5,448,118, being the base bid of \$5,117,518 and additive alternates 1, 3, 4, 5, 6, 7, 15, 16, 17, 18, 19, and 21 totaling \$330,600.

Be It, and It Hereby Is, Further Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and the Secretary of this public corporation be, and they hereby are, authorized to make, execute, acknowledge, and deliver, in the name and in behalf of this corporation, such instruments of conveyance, lease, contract, and other documents as are necessary or appropriate in order to provide for the carrying out of the foregoing project and facility by the Illinois Building Authority.

On motion of Mr. Pogue, the foregoing resolution was adopted.

REQUEST TO ILLINOIS BUILDING AUTHORITY TO INCREASE CONTRACT FOR CONSTRUCTION OF MEDICAL SCIENCES ADDITION, PHASE II, MEDICAL CENTER

(19) The President of the University, with the concurrence of the appropriate administrative officers, recommends that the Illinois Building Authority be requested to authorize an increase of \$16,925 in the contract with the Joseph J. Duffy Co., Chicago, for the Medical Sciences Addition, Phase II, Medical Center.

Funds are available in the project budget for this work, subject to approval by the Illinois Building Authority.

On motion of Mr. Hughes, this recommendation was approved.

HEALTH SERVICES FOR ON-CAMPUS STATE EMPLOYEES, URBANA

(20) The University has been asked to allow employees of certain agencies of Illinois State government located on the Urbana-Champaign campus to have the following services provided by the Health Center: emergency care, treatment for on-the-job accidents, and immunizations. These are the same services as are provided to University staff members without charge. And, those employees of on-campus state agencies who also have courtesy appointments in University departments now have these benefits.

Upon the recommendation of the Director of the Health Service, the Chancellor at the Urbana-Champaign campus proposes that all employees of state agencies located at that campus be allowed to have these three kinds of health services at the Health Center without charge.

The Legal Counsel, the Vice-President and Comptroller, and the Executive Vice-President and Provost endorse this recommendation.

I concur.

On motion of Mr. Grimes, this recommendation was approved.

PURCHASES

(21) The President submitted, with his concurrence, a list of purchases recommended by the Director of Purchases and the Vice-President and Comptroller; also a list of purchases authorized by the President.

The lists of purchases authorized and purchases recommended for Board approval were presented in two categories: purchases from appropriated funds (i.e., from state appropriations to the University) and purchases from institutional funds. The latter term designates funds received by the University under

contracts with the United States government, contracts with private corporations and other organizations, funds from foundation grants, and grants from corporations and other donors, and University revolving funds authorized by law.

The total amounts of these purchases were:

From Appropriated Funds

Purchases Recommended	\$300 075 80
Purchases Authorized	7 700 00
	<u>\$307 775 80</u>

From Institutional Funds

Purchases Recommended	\$299 854 67
<i>Grand Total</i>	<u>\$607 630 47</u>

A complete list of the purchases authorized and purchases recommended, with supporting information, including the quotations received, was sent to each member of the Board in advance of the meeting, and a copy is being filed with the Secretary of the Board for record.

On motion of Mr. Pogue, the purchases authorized by the President were approved, and the purchases recommended were authorized.

COMPTROLLER'S REPORT OF PURCHASES APPROVED

(22) The Vice-President and Comptroller also submitted a report of purchases approved by him on recommendation of the Director of Purchases in amounts of \$2,500 to \$5,000. A copy of this report is filed with the Secretary of the Board.

This report was received for record.

QUARTERLY REPORT OF THE COMPTROLLER

(23) The Comptroller presented his quarterly report to the Board as of June 30, 1967.

This report was received for record, and a copy has been filed with the Secretary of the Board.

This report was received for record.

INVESTMENT REPORT

Report of the Finance Committee

(24) The Finance Committee reported the following changes in investments of endowment funds for the month of November, 1967:

Duke

Purchase

\$15 000 U.S. Treasury 5½ per cent notes due 2/15/69.....\$ 15 000 00

Miller

Sale

REVISION OF STATUTORY PROVISIONS RELATING TO THE ADMINISTRATION OF GRADUATE EDUCATION AND RESEARCH

(26) Upon the recommendation of the Dean of the Graduate College and the Executive Committee of the Graduate College and with the concurrence of the Executive Vice-President and Provost and the Chancellors at each campus, a proposal for the reorganization of the administration of graduate education and research is hereby submitted for the consideration of the Board. Statements describing the proposed reorganization and setting forth revisions of pertinent statutory sections are listed below (language to be deleted is crossed out; new language is italicized).

I recommend provisional approval of these revisions and of the plan as outlined, with the stipulation that the Trustees defer final approval until the present action has been reported to the University Senates for their information and further advice.

On motion of Mr. Pogue, this recommendation was approved by the following vote: Aye, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Clement, Mr. Jones, Governor Kerner, Mr. Page, Dr. Weatherly.

Proposed Reorganization of the Administration of Graduate Education and Research at the University of Illinois

I. General Principles

As presently organized, there is one Graduate College and one Graduate Dean for the campuses located at Urbana-Champaign, the Medical Center, and Chicago Circle. The Dean of the Graduate College has full administrative responsibility for all graduate and research activities on the three campuses, but he delegates appropriate authority to the two Associate Deans who exercise special administrative duties at the Medical Center and at Chicago Circle.

The Graduate College at present is an all-University unit, and the Dean of the Graduate College reports to the President. Since the establishment of the Chancellor system of campus administration, the academic Deans and Directors of other educational units report to their respective Chancellors, and it seems in the over-all best interest of the University that the Graduate College be divided into separate campus units. The Chancellor should, therefore, be delegated full authority to administer for his campus, through a Graduate College, graduate education and research, within the limitations set forth in this memorandum and in accordance with University-wide policies.

II. Proposed Administrative Structure

It is proposed to reorganize the administrative structure of the Graduate College as follows:

1. Separate Graduate Colleges be established at the Medical Center, the Chicago Circle, and the Urbana-Champaign campuses, and an executive officer at each Graduate College be appointed to assume responsibility for the administration and supervision of graduate education and research at the three campuses.
2. The organization of these Graduate Colleges with respect to the Executive Officers, the Executive Committees, and the Graduate Faculties be patterned after that now existing at Urbana-Champaign.
3. The present University Research Board become the Research Board for Urbana-Champaign and separate Research Boards with similar functions and responsibilities be established at the Medical Center and at Chicago Circle.
4. The activities of all special units now established in the Graduate College be confined to the campus at Urbana-Champaign or reorganized into separate campus units. Intercampus units should be arranged by special action.
5. Provisions be made for the establishment of special units in the Graduate Colleges at the Medical Center and at Chicago Circle as the circumstances and special needs make it appropriate to do so. If a single unit now exists (for example, Survey Research Laboratory) which includes staff and facilities at more than one campus, separate units be established which may be complementary in functions and facilities and cooperative in services.

III. Coordination of University-Wide Graduate Education and Research

To maintain liaison and cooperation among the various graduate activities on the individual campuses, the President shall appoint an all-University Council on Graduate Education and Research with representation to include the graduate dean from each campus, members selected from the executive committees and research boards, with the Executive Vice-President and Provost to serve as chairman, unless otherwise provided by the President. The functions of the Council shall be:

1. To advise the President on all University-wide matters pertaining to graduate education and research, including related extramural grants and contracts.
2. To receive, initiate, and evaluate proposals for policy changes in the area of graduate education and research and make recommendations on policy to the President.
3. To serve as a channel for University-wide communication and coordination on relevant policies, programs, plans, and procedures.
4. To assist in the evaluation of graduate education and research programs in relation to the basic objectives and policies of the University, with reference to each individual campus and to the University as a whole.
5. To institute studies and make periodic reports as deemed desirable in the furtherance of University objectives in this functional area.

IV. Time Schedule for Proposed Reorganization

It is proposed that symmetrical administrative units of the Graduate College, embodying the suggestions made in II above, be formally established at the Medical Center and at Chicago Circle no later than September, 1968—with the present organization at the Urbana-Champaign campus becoming a campus unit under the jurisdiction of the Chancellor as of that date.

Statutory Revisions

If the proposed reorganization of the administration of graduate education and research is approved, certain revisions in the following sections of the Statutes would have to be made: Sec. 16, 17, 18; Sec. 25(e), (f), and (g); and Sec. 20(c). In the General Rules Concerning University Organization and Procedure, a statement of the function and makeup of the University Council on Graduate Education would have to be specified together with such changes in the wording as are necessary when reference is made to the University Research Board or to the Associate Dean of the Graduate College at the Chicago Professional Colleges.

The Campus Graduate College

Sec. 16. (a) The Graduate College shall have jurisdiction over all programs leading to the master's degree and all programs leading to the degrees of Doctor of Philosophy, Doctor of Education, Doctor of the Science of Law, Doctor of

~~Musical Arts and other graduate degrees as determined by Senate action and approved by the Board of Trustees. It is the responsibility of the Graduate College to develop and safeguard and promote standards of graduate work on the Urbana-Champaign and Chicago Professional College campuses and to promote and assist in the development advancement of research in all fields.~~

(b) Except as otherwise provided in this section, the Graduate College shall be governed by the same regulations as govern other colleges.

(c) The faculty of the Graduate College consists of the President, the Executive Vice-President and Provost, ~~the Vice President in Charge of the Chicago Professional Colleges the Chancellor~~, the Dean, the Associate and Assistant Deans of the Graduate College, and all those who on the recommendation of the departments or of other teaching or research divisions have been approved by the Executive Committee and the Dean of the Graduate College ~~to be in independent charge of courses designed for graduate students or of theses to be submitted for higher degrees. to assume appropriate academic responsibilities in programs leading to graduate degrees.~~

(d) The Executive Committee consists of ~~sixteen fifteen~~ members: (1) eight elected members, four of whom shall be elected annually for two-year terms by the faculty of the Graduate College; (2) six members, three of whom shall be appointed each year for two-year terms by the ~~President Chancellor~~ on the nomination of the Dean of the Graduate College in consultation with the members elected that year; and (3) ~~the Associate Dean of the Chicago Professional Colleges Division of the Graduate College.~~ and (4) (3) the Dean of the Graduate College, who is ex officio a member and chairman of the Committee. Members elected or appointed shall hold office for two-year terms except that, for initial appointments or elections hereunder, one-half of the members of each group shall be designated to serve for one year and one-half for two years. When meeting to give advice on the appointment of the Dean, the senior faculty member (in terms of service at the University) on the Executive Committee shall be chairman and the Dean shall not be a member of the Committee.

~~(e) Graduate work at the Chicago Professional Colleges shall be conducted by the Chicago Professional Colleges Division of the Graduate College. The Division consists of the members of the graduate faculty in residence on that campus. There shall be an Executive Committee of the Professional Colleges Division of the Graduate College composed of nine members, four of whom shall be elected each year for two-year terms by the Division Graduate Faculty; the Associate Dean of the Graduate College is ex officio a member and the chairman of the Committee.~~

~~(f) (e)~~ The principal administrative head of the Graduate College is the Dean, who shall be appointed in the same manner as are the deans of other colleges.

~~(g) On the recommendation of the Dean of the Graduate College and on the nomination of the President, the Board of Trustees shall appoint biennially an Associate Dean of the Graduate College, who shall represent the Dean and serve as his deputy directly responsible to, and under the supervision and control of, the Dean for the administration of the Chicago Professional Colleges Division of the Graduate College.~~

~~(h) (f)~~ On the recommendation of the Dean of the Graduate College and the Chancellor and the nomination of the President, the Board of Trustees shall appoint biennially associate or assistant deans of the Graduate College as required.

~~(i) (g)~~ The recommendation of the Dean of the Graduate College shall be secured for the appointment to the staff of any college, school, division, or institute, or for the promotion of a person who may be expected to ~~offer courses open to graduate students or to supervise theses submitted for higher graduate degrees. assume academic responsibilities in programs leading to graduate degrees.~~

~~(j) (h)~~ The supervision of graduate student affairs, excluding discipline, is the responsibility of the Graduate College. The Dean of the Graduate College, after consulting with the Executive Committee of the College, shall appoint a Committee on Graduate College Student Affairs. ~~for the Urbana-Champaign and Chicago Professional Colleges campuses.~~

~~(*)~~ (i) Student discipline for graduate students shall be administered by the ~~Senate Committee on Student Discipline of the Urbana-Champaign Senate or of the Chicago Professional Colleges Senate~~, in accordance with the provisions of Section 6, paragraph (h). Each Senate Committee on Discipline shall, after consulting with the Dean of the Graduate College, appoint a subcommittee on discipline for graduate students. The ~~appropriate~~ Senate Committee on Discipline shall hear and decide cases appealed to it from its subcommittees. The provisions of Section 6, paragraph (h), relative to the formulation of procedures and original and appellate jurisdiction of the Senate Committee, shall apply to disciplinary cases hereunder.

University Research Board

Sec. 17. (a) The ~~University~~ Research Board consists of eight members appointed by the ~~President Chancellor~~ after consultation with the Dean and with the Executive Committee of the Graduate College; ~~Faculty; the Associate Dean of the Chicago Professional Colleges Division of the Graduate College, and the Dean of the Graduate College, who shall serve as chairman unless the President Chancellor~~, in consultation with the Dean, shall name another member of the Research Board to serve as chairman. The Research Board may establish appropriate committees, the members of which need not be members of the Research Board.

(b) The functions of the ~~University~~ Research Board include:

- (1) Making assignments of research funds of the Graduate College to individual and group research projects.
- (2) Reviewing applications from faculty members to outside agencies for financial aid in support of research projects.
- (3) Advising the ~~President Chancellor~~ on potentially patentable inventions by faculty members.
- (4) Advising the ~~President Chancellor~~ and the Dean of the Graduate College on any matters they desire to submit to the Research Board.

Special Units of the Graduate College

Sec. 18. (a) On the recommendation of the ~~University~~ Research Board, and of the Executive Committee and the Dean of the Graduate College, with approval by the President ~~and the Chancellor~~, the Board of Trustees may create special units of the Graduate College for the purpose of carrying on or promoting research in areas which are broader than the responsibility of any one department. Any such unit may be abolished by similar action.

(b) Staff members of such units shall be appointed by the Board of Trustees on the recommendation of the Executive Committee, ~~and~~ the Dean of the Graduate College, ~~and the Chancellor~~, and on the nomination of the President. Appointments which carry academic rank and title indicative of departmental association shall be made only after consultation with the department concerned.

(c) ~~Subjects to the foregoing stipulations, the special units of the Graduate College include: (1) Digital Computer Laboratory, (2) Electron Microscope Laboratory, (3) Radiocarbon Laboratory, (4) Physical Environment Unit, (5) Institute of Communications Research, (6) Illinois Historical Survey.~~

LEASE OF QUARTERS AT 707 SOUTH SIXTH STREET, CHAMPAIGN

(27) Additional space at 707 South Sixth Street, Champaign (approximately 3,400 square feet), is available for lease for a five-year period at a rental rate of \$10,200 per year, subject to a rental increase beginning the third year to cover any increase in real estate taxes allocable to the leased premises over and above the amount of the 1967 taxes payable in 1968. This area can be used by the Dean of Students, and will provide relief for other administrative offices.

The owner of the building is willing to remodel the space in accordance with the requirements of the University, with the cost of remodeling included in the rental rate.

The President of the University, with the concurrence of the appropriate administrative officers, recommends that the University of Illinois Foundation be requested to lease Room 109 in the building at 707 South Sixth Street at the above rental rate for a five-year period and sublease it to the University on a

biennial basis. It is also recommended that the Board authorize the subleasing of the space from the University of Illinois Foundation at the indicated rental rate and that the rental become effective February 1, 1968, or as soon thereafter as the remodeling has been completed and the office space is available for occupancy.

Funds required for the balance of the fiscal year have been made available from the Urbana-Champaign General Reserve, and funds required beyond that point will be included in the annual operating budget for the Physical Plant Department.

On motion of Mr. Grimes, these recommendations were approved by the following vote: Aye, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Clement, Mr. Jones, Governor Kerner, Mr. Page, Dr. Weatherly.

SECRETARY'S REPORT

The Secretary presented for record the following lists: appointments to the faculty made by the President; resignations and termination; leaves of absence. A copy of the report is filed with the Secretary.

ANNOUNCEMENTS FROM THE PRESIDENT OF THE BOARD

FUTURE BOARD MEETINGS

Mr. Swain announced that the next meeting of the Board would be held on February 21, 1968, on the Medical Center campus.

On motion of Mr. Hughes, the Board voted to change the date of the next annual meeting from Tuesday, March 12, to Wednesday, March 20.

STATE UNIVERSITIES RETIREMENT SYSTEM

For the record, the Secretary reports that the President of the Board has designated Mr. Kenney E. Williamson as one of the three representatives of The Board of Trustees of the University of Illinois on the Board of Trustees of the State Universities Retirement System, succeeding Mr. Pogue who asked to be relieved.

EXPRESSION OF SYMPATHY TO MR. PAUL K. BRESEE

Mr. Hahn called attention to the tragic death of Mrs. Paul K. Bresee, and the Secretary of the Board was directed to prepare an appropriate communication to Mr. Bresee, President of the University of Illinois Alumni Association, expressing the sympathy of the Board and the Board's solicitude as to the condition of Mr. Bresee.

REGULAR MEETING RECESSED

The regular meeting was recessed and the President of the Board stated that meetings of the Committees on Buildings and Grounds and General Policy had been called and that an executive session had been requested and was being ordered following the Committee meetings to consider recommendations relating to property acquisitions and pending litigation. He further stated that the regular meeting would be reconvened at 11:30 for the purpose of hearing a presentation from the President of the Chicago Circle Federation of Teachers.

EXECUTIVE SESSION

When the Board reconvened, the same members of the Board, officers of the Board, and officers of the University as recorded at the beginning of these minutes were present.

The Board considered the following recommendations from the President of the University.

ACQUISITION OF PROPERTIES AT 1201-1203 WEST SPRINGFIELD AVENUE, URBANA

(28) The President of the University, with the concurrence of the appropriate administrative officers, recommends adoption of the attached resolution for the acquisition of the properties at 1201-1203 West Springfield Avenue, Urbana, through condemnation proceedings and further requests authorization of settlement of the condemnation suit if the settlement can be effected at a price that is within the appraisals received by the University.

Both properties have dimensions of 66 feet by 132 feet (a total of 17,424 square feet), and are owned by the same party. The properties are contiguous, and each property is improved with a two-story frame dwelling used for rental purposes.

The University has been negotiating with the owner, and has been advised that a recommendation will be submitted to the Board of Trustees for their purchase at a total price of \$60,500 based upon appraisals received by the University. This price is not acceptable to the owner, who is now requesting rezoning of this area with the objective of constructing an apartment building.

Funds are available in Contract Research Reserve and in state capital appropriations to the University for 1967-69 which have been released by the Governor.

Resolution Authorizing Condemnation of Property at 1201 and 1203 West Springfield Avenue, Urbana, Illinois

Be It, and It Is Hereby Resolved, Found and Declared by The Board of Trustees of the University of Illinois, a body corporate and politic and a public corporation of the State of Illinois, that the following-described real estate situated in the County of Champaign, in the State of Illinois, to-wit:

Lots One (1) and Two (2) in Block One (1) of Assessor's Plat of Joseph Nelson's Addition to the Town of Urbana, being a part of the Northwest Quarter (NW $\frac{1}{4}$) of the Northeast Quarter (NE $\frac{1}{4}$) of Section Eighteen (18), Township Nineteen (19) North, Range Nine (9) East of the Third Principal Meridian, per Plat recorded in Deed Record 22, page 137, in Champaign County, Illinois, situated in the City of Urbana, in the County of Champaign, and State of Illinois;

is needed by the University of Illinois, an educational institution established and supported by the State of Illinois for use as a site for an academic building of the University of Illinois and for other educational purposes conducted and to be conducted by said University of Illinois and for the further expansion of the educational facilities of said University of Illinois and to enable said University of Illinois to discharge its duty to the people of said State and for public use, that funds are available to the University for the purchase of said land for said educational purposes; that this Board of Trustees has negotiated with the owner of said land through her duly authorized representatives for the purchase of said land at a price which this Board of Trustees considers fair and reasonable and which it finds constitutes the present market value of said land, but that said owner has refused to sell and convey said land, or any portion thereof, to said The Board of Trustees of the University of Illinois for such price and continues to refuse to sell and convey the same to it except for a consideration and price which this Board of Trustees deems unreasonable and excessive and is, therefore, unwilling and has refused to pay; and

Be It, and It Is Hereby Further Resolved, Found and Declared by The Board of Trustees of the University of Illinois that the compensation to be paid by it for said land cannot be agreed upon between this Board of Trustees and the owner of said property and she and it are unable to agree upon the purchase price to be paid to said owner for the sale and conveyance of said land by said owner thereof to said The Board of Trustees of the University of Illinois; and

Therefore, Be It, and It Is Hereby Further Resolved, Found and Declared by The Board of Trustees of the University of Illinois that because of said need

of the University of Illinois for said land for the purposes hereinabove set forth and because the compensation to be paid to the owner thereof for such land cannot be agreed upon between her and this Board of Trustees, it is necessary for The Board of Trustees of the University of Illinois to take said land and acquire title thereto through the exercise by it of the right of eminent domain conferred upon it by law and to have the compensation to be paid by it to the owner thereof and any and all other persons who may have any right, title or interest in and to said land determined in the manner provided by law for the exercise of said right and power of eminent domain; and

Be It, and It Is Hereby Further Resolved by The Board of Trustees of the University of Illinois that the necessary and appropriate action be taken for the acquisition of title to said property by said The Board of Trustees of the University of Illinois and to have the compensation to be paid therefor determined by the institution and prosecution to completion of a proceeding in eminent domain in a court of competent jurisdiction and that the Legal Counsel of the University be, and he is hereby, authorized to proceed accordingly, to institute and prosecute an eminent domain proceeding in the name and on behalf of The Board of Trustees of the University of Illinois for the acquisition of said land and the determination of the compensation to be paid by it therefor, and to employ such special legal counsel, appraisers, and others as he may deem necessary or desirable to assist him in the institution and prosecution of said proceeding.

On motion of Mr. Hughes, the foregoing resolution was adopted by the following vote: Aye, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Clement, Mr. Jones, Governor Kerner, Mr. Page, Dr. Weatherly.

ACQUISITION OF CONSTRUCTION MATERIALS RESEARCH LABORATORY FOR CORPS OF ENGINEERS

(29) The Corps of Engineers wishes to establish a construction materials research laboratory in the vicinity of the Urbana-Champaign campus. Its proximity will substantially benefit the educational and research activities of the University, particularly in the field of civil engineering. The Corps of Engineers has selected Interstate Research Park, at the junction of Interstate Routes 74 and 57, as the site for the laboratory on the basis of a proposal submitted by the Park and supported by the University.

Phase I of the project contemplates laboratory buildings of approximately 100,000 square feet at an initial cost (including land) of approximately \$3,400,000 with occupancy on or about April 1, 1969. As a result of negotiations involving the Corps of Engineers, Interstate Research Park, the University, and the University of Illinois Foundation, the University now proposes that the Park construct the facility and sell it to the Foundation which, in turn, will lease the same to the Corps of Engineers for the period of the Foundation's financing obligation (thirty years) subject to a ninety-day termination right in the Corps. The rental rate will be the amount necessary to amortize the initial investment over a thirty-year term. Title to the property would be transferred to the University subject to the lien of the financing obligation immediately upon purchase by the Foundation. In the event the Corps terminates the lease, the facility is adaptable for direct use by the Department of Civil Engineering. If the Corps should condemn the property, credit may be allowed on the award for that portion of the rental payments allocable to principal amortization.

It is recommended that the Board of Trustees request the University of Illinois Foundation to provide the facilities in the manner outlined above, the form of any obligations of the Foundation issued in furtherance thereof to be specifically approved by the Comptroller of the Board and the Legal Counsel of the University, who are authorized to act for and on behalf of the Board of Trustees in this regard.

On motion of Mr. Hahn, this recommendation was approved.

PRESENTATION BY PRESIDENT OF THE CHICAGO CIRCLE FEDERATION OF TEACHERS

The regular meeting of the Board convened, with all members present as recorded at the beginning of these minutes, for the purpose of hear-

ing a presentation by Mr. John Pappademos, President of the Chicago Circle Federation of Teachers. Mr. Pappademos distributed a written statement and copies of a petition (copies of which are being filed with the Secretary of the Board for record), and spoke briefly in support of the principle of collective bargaining. He indicated that "more than 30 per cent" of the Chicago Circle faculty had signed the petition.

President Henry was asked by the President of the Board to comment. He stated that the request falls outside the traditional practices of the University and raises questions not covered by the University *Statutes*. He proposed that the request be referred to an appropriate committee of the Board and that the Legal Counsel be asked to provide background information. He further suggested that any additional written material from Mr. Pappademos be forwarded to the Board committee.

Mr. Grimes moved that the subject be referred to the Committee on General Policy and that the Legal Counsel be asked to prepare background information. The motion passed unanimously.

Mr. Pappademos was advised by the President of the Board that he would be notified when the Committee has set a date for a meeting.

On motion of Mr. Hughes, the Board adjourned.

EARL W. PORTER
Secretary

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

February 21, 1968

The February meeting of The Board of Trustees of the University of Illinois was held in the Chicago Illini Union on the Medical Center campus, Chicago, Illinois, on Wednesday, February 21, 1968, beginning at 10:00 a.m.

President Timothy W. Swain called the meeting to order and asked the Secretary to call the roll. The following members of the Board were present: Mr. Howard W. Clement, Mr. Donald R. Grimes, Mr. Ralph C. Hahn, Mr. Earl M. Hughes, Mr. Theodore A. Jones, Mr. Harold Pogue, Mr. Timothy W. Swain. Governor Otto Kerner, Mr. Ray Page, Dr. James A. Weatherly, and Mr. Kenney E. Williamson were absent.

Also present were President David D. Henry; Executive Vice-President and Provost Lyle H. Lanier; Chancellor Norman A. Parker, University of Illinois at Chicago Circle; Chancellor Joseph S. Begando, University of Illinois at the Medical Center; Chancellor Jack W. Peltason, University of Illinois at Urbana-Champaign; Dr. Eldon Johnson, Vice-President of the University; Mr. C. S. Havens, University Director of Physical Plant Planning and Construction; Mr. C. E. Flynn, Assistant to the President and University Director of Public Information; Mr. James J. Costello, Legal Counsel; Dr. Daniel C. McCluney, Dean of Faculties, Chicago Circle; Dr. James B. Holderman, Associate Chancellor, Chicago Circle; Mr. Vernon L. Kretschmer, University Associate Director of Physical Plant Planning and Construction; Mr. R. C. Wicklund, Staff Associate in the Board of Trustees Office and Assistant Secretary of the University; Mr. Eugene S. Pitcher, Assistant to the Director of the Physical Plant, Urbana; Mr. Robert W. Evans, Director of Public Information, Urbana; Mr. Max I. Light, Director of Public Information, Medical Center; Mr. Grover E. Shipton, Director of Public Information, Chicago Circle; and the officers of the Board, Mr. H. O. Farber, Comptroller, Mr. R. R. Manchester, Treasurer, and Dr. Earl W. Porter, Secretary.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of the Board of Trustees on March 14, 1967, press proof copies of which have previously been sent to the Board.

These minutes were approved as printed on pages 425 to 472, inclusive.

**SEVENTY-FIFTH ANNIVERSARY OF THE INAUGURATION
OF JOHN PETER ALTGELD AS GOVERNOR OF ILLINOIS**

Mr. Pogue presented and moved adoption of the following expression of recognition of the Seventy-fifth Anniversary of the Inauguration of John Peter Altgeld as Governor of Illinois.

The motion was unanimously approved.

On January 10, 1893, John Peter Altgeld was inaugurated as Governor of Illinois. Last month marked the seventy-fifth anniversary of this event.

To those familiar with his life, Governor Altgeld's contributions to this state and to the ideals of democracy were remarkable. From impoverished beginnings he rose to be a successful lawyer, a judge, and finally, a chief executive with a distinguished record of hospital and prison reform. Even more noteworthy is the fact that, having attained these goals, he knowingly courted financial and political ruin to free three anarchists convicted in the aftermath of the Haymarket affair.

Historians of the University of Illinois have pointed out Governor Altgeld's part in supporting greatly increased appropriations for the University and encouraging expansion plans.

To members of this Board, however, the contributions of Governor Altgeld, as reflected in the minutes of its meetings, assume greater relevance. In the minutes of the June 6, 1893, meeting, it is recorded that the Board adopted the suggestion of the Governor, made after he completed the commencement address that day, that the construction of a new building for the College of Engineering be accelerated as rapidly as possible. At the August 1, 1894, meeting, on motion of the Governor, "it was voted that the secretary of the board be directed to prepare a statement of the special advantages of this University," copies of which would be sent to all "male teachers of the state and to others interested in education." Later entries find him proposing the resolution for the acquisition of the Chicago College of Pharmacy and taking an active part in the selection of a design for the library building which was later to bear his name. A contemporary summary of the Governor's role appears in a report of the Chairman of the Buildings and Grounds Committee:

"Ever since the incumbancy of Governor Altgeld, he has been a warm friend of the University of Illinois and has in every way practicable exercised his influence and authority to promote its welfare."

On the occasion of this anniversary, the Board of Trustees hereby records again its appreciation for the leadership, support, and vision which Governor Altgeld gave to the Board and to the University during his term of office.

REPORT OF COMMITTEE ON GENERAL POLICY

Mr. Hughes, for the Committee on General Policy, presented a report on a matter considered by the Board of Trustees on January 17, 1968, and referred to the Committee.

On January 17, 1968, Mr. John Pappademos, President of the Chicago Circle Federation of Teachers, Local 1627 (American Federation of Teachers, AFL-CIO), presented a request that the Board of Trustees "authorize an immediate election to allow the Chicago Circle faculty an opportunity to elect a bargaining agent." The request was referred to the Committee on General Policy for study and recommendation.

The Committee has reviewed the documents presented to the Trustees by Mr. Pappademos on January 17, in particular those portions of the documents in which the general objectives of the Federation are stated. The Committee has also studied a report from the Secretary of the University and Secretary of the Board of

Trustees (prepared at the request of the President of the University) in which University policies and procedures related to the objectives of the Federation are described.

It is the view of the Committee on General Policy that the broad objectives of the Federation are of fundamental significance to the University and worthy of continual appraisal through the established faculty agencies provided for by the University *Statutes*.

The Committee further believes that present University policies — and as they relate to salaries and fringe benefits, grievance procedures, and the role of the faculty in policy-making — fully reflect the highest standard of excellence in university governance in this country and sees no need for a change in the present structure and relationships.

Therefore, the Committee on General Policy recommends that the request of the Chicago Circle Federation of Teachers be denied.

General Policy Committee
 EARL M. HUGHES, *Chairman*
 HOWARD W. CLEMENT
 DONALD R. GRIMES
 RALPH C. HAHN
 THEODORE A. JONES
 KENNEY E. WILLIAMSON

On motion of Mr. Grimes, the recommendation of the Committee was unanimously approved.

At this point, Mr. Hughes asked to be excused from the meeting.

CURRENT STATUS OF SELECTIVE SERVICE

The President of the University reported to the Trustees on the apparent effect on the University of new selective service regulations and interpretations — those which will have particular significance on graduate level enrollments beginning in the fall of 1968. Extended comment and analysis was provided by the Executive Vice-President and Provost and by the chancellors from each of the campuses. The Provost indicated that possibly 20 per cent of the projected enrollment of graduate students for 1968 might be eligible for the draft. However, it was made clear that a number of uncertainties are involved, including the fact that much rests upon the individual decisions of students enrolled and students seeking admission themselves.

The President indicated that continued reports and analyses will be brought to the Board in months to come.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY
 The Board considered the following reports and recommendations from the President of the University.

PRESIDENT'S REPORT

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(1) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Illinois Accountancy Act of 1943, as amended, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

<i>Name</i>	<i>Address</i>	<i>State from Which They Obtained Certificates</i>
KENNETH CARROLL DAY	Nashville, Tennessee	Tennessee
RICHARD REX SIDNAM	Kalamazoo, Michigan	Michigan
CHARLIE FRIEND WILKINSON	Northbrook, Illinois	North Carolina

I concur.

On motion of Mr. Grimes, these certificates were awarded.

APPOINTMENTS TO THE FACULTY

(2) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

Positions in the University are classified in the following categories and are designated in the budget by the symbols indicated: A— indefinite tenure; P— indefinite term appointment for part-time service only; B— two years; D— one year; E— nine months from the beginning of the academic year; G— special tenure; Q— initial term appointment for Professor or Associate Professor; Y— twelve months' service required instead of two semesters; 1-7— indicates the number of years of service which will be credited at the end of the contract period toward completion of the probationary period relating to tenure.

Figures following a symbol indicate percentage of time if the appointment is on a part-time basis (e.g., D75 means one year on three-fourths time).

Chicago Circle

1. CHATHILINGATH K. SANATHANAN, Associate Professor of Electrical Engineering, Department of Information Engineering, from January 1 through August 31, 1968, without salary, and for two years from September 1, 1968 (Q), at an annual salary of \$14,500.

Medical Center

2. GLORIA GEORGE, Assistant Professor of Nursing, beginning January 1, 1968, on $\frac{1}{2}$ time (D10), at an annual salary of \$900.

Urbana-Champaign

3. THOMAS T. BANNISTER, Visiting Research Professor of Botany, for the period from February 1, 1968, through July 31, 1968 (G), at a salary of \$9,600.
4. EDDIE BASLER, Visiting Professor of Plant Physiology, Department of Agronomy, on 92 per cent time, for seven months from February 1, 1968 (G92), at a salary of \$8,575.
5. SHERMAN D. BROWN, Associate Professor of Ceramic Engineering, beginning September 1, 1968 (A), at an annual salary of \$14,000.
6. BERNIE R. BURRUS, Visiting Professor of Law, for the second semester 1967-68 (D), at a salary of \$10,500.
7. ENRIQUE CASTRO-CID, Visiting Professor of Art, for the second semester 1967-68 (E), at a salary of \$8,000.
8. JUAN C. FASCILOLO, Visiting Professor of Physiology and Biophysics, for the period from January 15, 1968, through June 15, 1968 (G), at a salary of \$7,000.
9. YOSHIO IWAMOTO, Assistant Professor of Japanese Literature, Center for Asian Studies, beginning September 1, 1968 (1), at an annual salary of \$12,000.
10. LILIAN G. KATZ, Assistant Professor of Elementary Education, beginning February 1, 1968 (1), at an annual salary of \$10,000.
11. DAVID L. PERROTT, Visiting Assistant Professor of Law, for the second semester 1967-68 (E), at a salary of \$9,000.

On motion of Mr. Jones, these appointments were confirmed.

APPOINTMENTS TO THE CENTER FOR ADVANCED STUDY

(3) The Dean of the Graduate College, in consultation with an advisory selection Committee of Center Professors, and with the concurrence of the Chancellor at Urbana and the Executive Vice-President and Provost, has recommended the following appointments as Professors in the Center for Advanced Study effective February 1, 1968.

HENRY KAHANE, Professor of Spanish and of Linguistics

NELSON J. LEONARD, Professor of Chemistry
 OSCAR LEWIS, Professor of Anthropology
 CHARLES P. SLICHTER, Professor of Physics
 MICHIO SUZUKI, Professor of Mathematics

This expansion of membership of the Professors in the Center is in accord with the planned expansion of the Center as a key organization in the development of interdisciplinary programs.

The appointees will remain involved in the teaching programs in their respective departments, and their departments will continue to provide most of the funds to support their appointments.

I have approved these appointments and request confirmation of my action.

On motion of Mr. Clement, these appointments were confirmed.

DEANSHIP OF THE COLLEGE OF MEDICINE, MEDICAL CENTER

(4) I recommend the appointment of Dr. William J. Grove, presently Professor of Surgery on indefinite tenure and Associate Dean of the College of Medicine, as Dean of the College of Medicine, beginning March 1, 1968,¹ at an annual salary of \$33,000 on a twelve-month service basis.

The recommendation is based upon a report from a consultative committee² and follows consultation with the Executive Committee of the College.

Dr. Grove succeeds Dr. Granville A. Bennett whose resignation as Dean of the College of Medicine became effective January 1, 1968.

The Chancellor at the Medical Center campus and the Executive Vice-President and Provost endorse this recommendation.

On motion of Mr. Grimes, this appointment was approved.

DEANSHIP OF THE COLLEGE OF BUSINESS ADMINISTRATION, CHICAGO CIRCLE

(5) I recommend the appointment of Dr. Irvin Lee Heckmann, presently Professor of Management and Dean of the College of Business Administration at Creighton University, as Professor of Management on indefinite tenure and Dean of the College of Business Administration beginning August 1, 1968, at an annual salary of \$27,000 on a twelve months' service basis. The appointment as Dean will be from August 1, 1968, through August 31, 1969, which is consistent with the statutory provision of biennial tenure of deans, such appointments usually coinciding with the fiscal biennium.

The recommendation is based upon a report from a special committee³ and after consultation with the Dean of Faculties, the Executive Committee of the College of Business Administration, and the Coordinators of the College of Business Administration at Chicago Circle.

The appointment is to succeed Dean Raymond W. Coleman who asked to be relieved of this administrative assignment as of November 30, 1966. Professor Robert W. French has been serving as Acting Dean.

On motion of Mr. Pogue, this appointment was approved.

PROVISIONAL CODE OF CONDUCT

(6) Senate Bill No. 506, approved by the Seventy-fifth General Assembly, provides that "The Board of Higher Education shall promulgate a detailed code of conduct

¹ This appointment will be from March 1, 1968, through August 31, 1969, which is consistent with the statutory provision of biennial tenure of deans, such appointments coinciding with the fiscal biennium. He will continue as Professor of Surgery on indefinite tenure.

² Members of the consultative committee are: George G. Jackson, Professor of Medicine, *Chairman*; Orville T. Bailey, Professor of Neurology; Stephen B. Binkley, Professor and Head of the Department of Biological Chemistry; Herschel L. Browns, Clinical Assistant Professor of Medicine; Reino E. Kallio, Professor of Microbiology and Director of the School of Life Sciences; Peter C. Kronfeld, Professor and Head of the Department of Ophthalmology, College of Medicine, and Ophthalmologist-in-Chief, Illinois Eye and Ear Infirmary; Mark H. Lepper, Professor of Preventive Medicine and Community Health; Lloyd M. Nyhus, Professor and Head of the Department of Surgery, College of Medicine, and Surgeon-in-Chief, Research and Educational Hospitals; Neena B. Schwartz, Professor of Physiology.

³ Members of the special committee are: Leonard Kent, Professor of Economics, *Chairman*; S. G. Huneryager, Associate Professor of Management; Boyd R. Keenan, Professor of Political Science; J. R. Norsworthy, Assistant Professor of Economics; William H. Reynolds, Professor of Marketing; Albert J. Schneider, Professor of Accounting; William W. Tongue, Professor of Economics and of Finance.

for persons employed on the staffs of State-operated institutions of higher learning."

Accordingly, a draft code was prepared by an "Ethics Committee" convened by the Executive Director of the Board of Higher Education and disseminated to the administrative officers of the state universities of Illinois for comments and suggestions.

Within the time afforded for institutional appraisal, the members of the University Council on Administration and the chairmen of the Senate Committees on Educational Policy were asked for reactions and suggestions.

A resultant *Provisional Code of Conduct*, a copy of which is being filed with the Secretary of the Board for record, was approved by the Board of Higher Education on February 6, 1968. It is now expected that the *Provisional Code* will receive a full institutional review prior to its issuance in final form, perhaps by the end of the present academic year.

Under sections II, III, and IV of the *Provisional Code*, the institutional governing boards have administrative and enforcement responsibilities with respect to the general standards of conduct set forth (in Section II). However, prior to action on these matters by the Board of Trustees, I recommend that the Board of Trustees receive the *Provisional Code* as a matter of record and refer it to the Faculty Senates and to an appropriate group related to nonacademic employees for their advice.

On motion of Mr. Grimes, this recommendation was approved.

(The President of the University indicated that in reference to Section 3A, he would expect to prepare a list of officers who should be designated as those required to file "written disclosures" as specified in the code.)

**DELETION OF SECTION 6, THE GENERAL RULES CONCERNING
UNIVERSITY ORGANIZATION AND PROCEDURE:
PHOTOGRAPHY AND BLUEPRINTING DEPARTMENT**

(7) In the course of revising *The General Rules Concerning University Organization and Procedure* to reflect the chancellorship system of organization, a number of editorial changes appear desirable in order to reflect that pattern symmetrically among all campuses.

One such change relates to Section 6 of the *General Rules*, "Photography and Blueprinting Department." It is felt that specific reference to a particular unit of this kind at one campus is best handled by administrative definition and that its inclusion in the *General Rules* is therefore unnecessary.¹

Accordingly, the President of the University recommends that Section 6 of the *General Rules* be deleted. The changes will be reflected in the new edition of the *University of Illinois Statutes and The General Rules Concerning University Organization and Procedure*.

On motion of Mr. Hahn, this recommendation was approved.

**CHANGES IN NONACADEMIC POLICY AND RULES —
VACATION AND PERSONAL LEAVE**

(8) Since the September 20 revision of the *Policy and Rules* in respect to vacation, a question has arisen as to vacation accrual during periods of retirement disability. Procedurally, an employee who is receiving retirement disability income is placed on a leave without pay status with the University. The Vacation and Personal Leave Policy, as revised on September 20, did not contemplate that vacation would be earned while an employee was on leave without pay or that the period of sick leave would count toward service years.

Since September 20, employee groups have urged that periods of disability under the Retirement System even though non-occupational, should be treated in the same way as occupational disability for leave purposes. It is noted that the Policy, as approved, does provide that an employee who is receiving Workmen's Compensation will continue to earn vacation and personal leave while he is receiving these income benefits and that the time covered will be credited towards service

¹ Transfer of administrative responsibility for the Photographic Laboratory, effective March 1, 1968, from the University Director of Public Information to the Director of Public Information, Urbana-Champaign, was approved by the President of the University on January 19, 1968.

years. The employees' proposal has been reviewed by the Director of Nonacademic Personnel and by the All-University Nonacademic Personnel Advisory Committee. The Committee was of the opinion that the time an employee is receiving retirement disability income should be counted as service years but that during the period no vacation or personal leave should be earned.

In the light of this opinion and upon the recommendation of the Vice-President and Comptroller and the Director of Nonacademic Personnel, the following sentence is proposed as an addition to the Vacation and Personal Leave Policy as revised on September 20:

Time during which an employee is receiving disability income benefits under the University's Retirement System, including any gap in benefit payments between the expiration of institutional benefits and the commencement of benefits available under the Retirement System, will be treated as in-pay status for computation of service years but vacation and personal leave will not be earned during such time.

I concur in the recommendation.

On motion of Mr. Grimes, this recommendation was approved.

CHANGES IN NONACADEMIC POLICY AND RULES — LEAVES OF ABSENCE AND DISABILITY BENEFITS

(9) Proposed changes in the *Policy and Rules* relating to Leaves of Absence and Disability Benefits of nonacademic employees have been under consideration for some time. Consistent with procedures followed in other recent changes and revisions, comments have been solicited by the Director of Nonacademic Personnel from deans, directors, and department heads and from employee organizations. Draft revisions were submitted to the Nonacademic Personnel Advisory Committees on each campus and to the University of Illinois members of the Employees Advisory Committee of the University Civil Service System of Illinois. Revised drafts were reviewed by the All-University Nonacademic Personnel Advisory Committee. In the light of such reviews and at the recommendation of the Vice-President and Comptroller and the Director of Nonacademic Personnel, the following policy changes are presented to the Board for approval, the changes to become effective March 1, 1968.

Leaves of Absence

University-wide Policy: Leaves of Absence

Leaves of absence without loss of pay and in some instances without pay may be granted to eligible employees as defined by the President of the University, who shall also issue Rules for the administration of leaves.

A. *Jury Duty Leave*

An eligible employee, upon his request, shall be granted a leave of absence without loss of pay when called for jury duty. University pay during Jury Duty Leave will be computed as the difference between the payment for jury duty and the regular salary or wage of the employee.

B. *Military Leave*

1. For Limited Training or Emergency Call-Up

Leave of absence with pay at his regular rate shall be granted an eligible employee who is an officer or enlisted man in the Illinois National Guard, the Illinois Naval Militia, or the reserve components of the Armed Forces, called for Limited Training or Emergency Call-up. The length of the Military Leave for Limited Training with pay will not exceed standards established by federal or state regulations for training activities required to maintain standing in the above military units. In the event the required annual Limited Training or Emergency Call-up is extended beyond fifteen days, the employee will be granted leave without pay for such additional days. In the event the Limited Training service is requested by the employee but not required by military authorities, he may be granted leave without pay if operating requirements of the University permit.

2. For Service in the Armed Forces of the United States

Leave for Service in the Armed Forces of the United States without pay shall be granted an eligible employee who enlists or is inducted into such service. In accordance with provisions of the Universal Military Training and

Service Act of 1951 and the Armed Forces Reserve Act of 1955, as amended, such an employee will be restored to a position of like seniority, status, and pay if (1) his discharge is under conditions other than dishonorable, (2) he requests reemployment within ninety days after his discharge, and (3) he is qualified physically and mentally to perform the duties of the position. If, as a result of the service in the Armed Forces, he is not physically or mentally qualified to perform the duties of such a position, he will be restored to a position for which he is qualified to perform the duties and which will provide him the seniority, status, and pay, or the nearest approximation thereof consistent with the circumstances of the case.

C. *Special Leave*

Special Leave without pay may be granted for the purpose of continuing the employee status of an individual whose performance record warrants it and who requests such leave for sufficient cause, e.g., a faculty wife who wants to be with her husband while he is on sabbatical leave, an employee who has exhausted his sick and disability benefits and who is still unable to return to work, an employee engaged in public interest work or in furthering his education. Reemployment following Special Leave will be subject to an availability period as defined by the President.

D. *Funeral Leave*

Upon his request, an eligible employee shall be granted at his regular rate of pay Funeral Leave of up to three work days for the funeral of a member of his immediate family or household, and of one day for the funeral of a relative outside his immediate family or household. Leaves beyond these amounts may be approved under special circumstances.

E. *Excused Absences and Leave Extension*

The President of the University may issue rules providing for such types of Excused Absences of employees without loss of pay or without pay and for extensions of the leaves authorized above as he determines to be in the interest of the University.

(Approved by the Board of Trustees February 21, 1968.)

In general, the new policy provides the same benefits as have existed heretofore except that for Military Leave (1) a provision has been added to include emergency call-up (riot duty) for the same leave treatment as has heretofore been provided for limited training; and (2) a small change has been made in the provisions for restoration following service in the Armed Forces.

In respect to Special Leave, provision has been made for "Educational Leave" as recommended by the Merit Board in July, 1967. Also, this category of leave has been broadened to include situations where it is believed desirable to continue the employee status of an individual whose performance record warrants it and who requests leave for reasons such as the illustrations in the text. In the present labor market it seems desirable to maintain such employee ties in order to encourage their return. Provision is made for an availability period at the end of the leave which is designed to facilitate placement upon the employee's return. This provision has been borrowed from the State of Michigan where it has been in use for some time.

Disability Benefits

The Sick Leave portion of the Disability Benefits Policy conforms to standards recommended by the Merit Board of the University Civil Service System of Illinois at its July 26, 1967, meeting. Otherwise, the policy statement refers to benefits available under the Illinois Workmen's Compensation and Occupational Diseases Acts, the State Universities Retirement System Act, and under University of Illinois Insurance Plans.

The text of the revised policy statement follows :

University-wide Policy: Disability Benefits

Disability income benefits are available to employees under (1) the Illinois Workmen's Compensation and Occupational Diseases Acts, (2) the University of Illinois Sick Leave Plan, and (3) the State Universities Retirement System. Medical and hospital expense benefits are available under (1) the Illinois Workmen's Compensation and Occupational Diseases Acts, and (2) the Faculty-Staff Group Health Insurance Plans. The cost of the benefits under University sponsored in-

insurance plans and the State Universities Retirement System are borne in part by the employer and in part by the employee.

A. *Workmen's Compensation* (disability arising out of and in the course of employment)

An employee who suffers disability arising out of and in the course of his employment will receive compensation, as determined by the University Committee on Accident Compensation, in accordance with the provisions of the Illinois Workmen's Compensation and Occupational Diseases Acts. Payment of income benefits under these Acts (temporary total disability) may be supplemented by payments from earned University benefits (e.g., Sick Leave, Vacation and Personal Leave) but the total payments may not exceed basic straight time compensation.

B. *Sick Leave* (disability not arising out of and in the course of employment)

1. An employee in a trainee, apprentice, provisional, or status appointment will accumulate paid Sick Leave without limit at the rate of .05 hours for each hour, exclusive of overtime, that he is in pay status, or approximately thirteen days per annum for an employee who works either 2080 or 1950 hours.
2. An employee may use his accumulated Sick Leave when he is absent because he is ill or injured or in order to obtain medical or dental consultation or treatment.

C. *State Universities Retirement System Benefits*

Disability benefits available from the State Universities Retirement System are described in its *Handbook of Information*.

D. *University Insurance Plans*

The benefits payable under University sponsored insurance plans are set forth in master policies. Pertinent provisions of these policies are described in brochures available at each campus Insurance Office.

E. The President of the University may issue rules for the administration of Disability Benefits as he determines to be in the interest of the University.

Disability benefits are continued on the same basis as heretofore except that (1) sick leave is no longer extended to casual, temporary, and extra help type employment and (2) sick leave is related directly to hours of work and earned at the rate of .05 hours for each hour in pay status. This will result in an employee who works full time earning the same (or slightly more) sick leave than has been the case heretofore; but, an employee will not earn sick leave when his is away from work due to an unexcused absence nor will he earn sick leave while he is on layoff as under certain circumstances has been the case in the past.

I concur in the recommendation that these policies be approved as herein presented. Upon their approval, appropriate rules will be issued as indicated and modified from time to time as circumstances warrant in accord with policies established.

On motion of Mr. Grimes, this recommendation was approved.

NAMES OF BUILDINGS AT CHICAGO CIRCLE

(10) The Chancellor at Chicago Circle has recommended the following names for buildings under construction and to be constructed at the Chicago Circle campus: Phase II: Utilities Building, Architecture and Art Laboratories, and Plant Research Laboratory

Phase III: Behavioral Sciences Building, Science and Engineering South, Education and Communications, and Physical Education Building

I recommend approval.

On motion of Mr. Hahn, this recommendation was approved.

CHANGE IN ORGANIZATION OF DEPARTMENT OF PHILOSOPHY, CHICAGO CIRCLE

(11) The members of the Department of Philosophy of professorial rank at Chicago Circle have voted to request a change in departmental organization from that of a department with a head to that of a department with a chairman.

With the concurrence of the Department, the Dean of the College of Liberal

Arts and Sciences, and the Dean of Faculties, the Chancellor recommends that the form of organization requested be approved, effective September 1, 1968. The Executive Vice-President and Provost also concurs.

I recommend approval.

On motion of Mr. Grimes, this recommendation was approved.

**PROPOSAL TO RENAME AND REORGANIZE THE CLEFT PALATE UNIT,
MEDICAL CENTER**

(12) The Chancellor at the Medical Center campus recommends that the name of the Cleft Palate Clinic and Training Program (Cleft Palate Unit) be changed to the Center for Craniofacial Anomalies. Additionally, it is proposed the Center be reorganized to enhance its contribution to the teaching, research, and patient care services of the Medical Center campus.

Currently the Cleft Palate Unit functions as a subunit of the Center for Handicapped Children in the Research and Educational Hospitals. It is proposed that the new Center for Craniofacial Anomalies, in view of its expanding activities, be organized independent of the Center for Handicapped Children. It is proposed that the Center for Craniofacial Anomalies be administered primarily through the Office of the Dean of the College of Dentistry. However, the new Center will continue to be responsible for the clinical portion of its activities to the Medical Director of the Research and Educational Hospitals.

Dr. Samuel Pruzansky, Professor of Dentistry and presently in charge of the Cleft Palate Unit, will serve as Director of the Center for Craniofacial Anomalies.

A statement explaining more fully the present status of the Cleft Palate Unit and the changes which are proposed is being filed with the Secretary of the Board for record.

A revision and an extension of an existing program are proposed and, as such, would not need to be approved by the Illinois Board of Higher Education.

The Executive Vice-President and Provost concurs in this recommendation. I recommend approval.

On motion of Mr. Hahn, this recommendation was approved.

**MASTER OF SCIENCE AND DOCTOR OF PHILOSOPHY DEGREES
IN NUTRITIONAL SCIENCES, URBANA**

(13) The Graduate College and the Urbana-Champaign Senate recommend the establishment of Master of Science and Doctor of Philosophy degrees in Nutritional Sciences and the establishment of a Committee on Nutritional Sciences.

The University has been recognized for many years as a center of research and training in nutrition. These activities have been carried out chiefly by the Departments of Animal Science, Dairy Science, Food Science, and Home Economics and, to a lesser extent, by individuals and small groups within the Colleges of Medicine, Veterinary Medicine, and Liberal Arts and Sciences.

Despite the collective accomplishments of these groups, it is felt that a coordinating body which would stimulate interdepartmental cooperation in teaching and research would also enhance the effectiveness of ongoing departmental programs, provide improved direction of graduate training programs, and aid in obtaining training grants and research funds.

The merits of an interdepartmental graduate training program in nutritional sciences have been discussed among faculty members of the College of Agriculture over a period of years.

The present proposal is an outgrowth of a recent evaluation of graduate teaching and research in the nutritional sciences in the College of Agriculture carried out by the Nutritional Sciences Coordinating Committee. It consists of recommendations for establishment of M.S. and Ph.D. degree programs in nutritional sciences to be administered by an interdepartmental Committee on Nutritional Sciences. The latter would consist of members appointed from the Graduate Faculty by the Dean of the Graduate College on the basis of demonstrated interest and competence in the field. Its responsibility would be to provide interdepartmental coordination and planning of instructional programs in the nutritional sciences.

The Chancellor at the Urbana-Champaign campus and the Executive Vice-President and Provost endorse this recommendation. The Senate Coordinating Council has indicated that no other Senate jurisdiction is involved.

I recommend approval, subject to further action by the Board of Higher Education.

On motion of Mr. Grimes, this recommendation was approved.

**DOCTOR OF PHILOSOPHY DEGREE IN ENGINEERING
(SOLIDS AND FLUIDS), CHICAGO CIRCLE**

(14) The Graduate College and the Chicago Circle Senate recommend the establishment of the degree of Doctor of Philosophy in Engineering (Solids and Fluids).

This recommendation has been developed partly in recognition of the increase which has occurred nationally in recent years in enrollments at the graduate level in engineering. According to recent studies, this increase will have to accelerate in the future if national needs are to be met. It has been estimated¹ that the anticipated production of engineering doctorates will not be sufficient to satisfy the needs of industry and universities during the next decade.

Studies by the American Society of Engineering Education indicate that persons receiving doctorates in engineering, given the opportunity, tend to remain in the vicinity of the university where they complete their degree. Therefore, it is anticipated that such a program at Chicago Circle will be of considerable value to existing local industry and serve to attract new industry.

The proposed program is expected to help direct engineering research efforts toward the solution of the multiplicity of interrelated urban problems, such as air pollution, development of low-cost housing, and traffic control. Moreover, the departments which developed the proposal foresee it as an opportunity to the culturally disadvantaged:

"The many openings in industry and government laboratories have provided opportunities to move quickly into reasonable income brackets and without penalty for prior social or cultural impediments. This upward mobility contributes to the solution of the problems of our urban setting.

"The University of Illinois Circle Campus is singularly adapted to this function. The availability of a doctoral program on the campus would open up an opportunity for the more talented students coming from culturally disadvantaged backgrounds to move to the highest professional engineering level. Unquestionably, many of these would remain in the Chicago area, thereby contributing to the solution of urban problems and at the same time to the industrial capability of the area. Moreover, job opportunities are abundant, especially in view of federal anti-discrimination statutes applying to the very industries into which engineering Ph.D.'s may be expected to move."

The initial response to the existing Master of Science programs in engineering, which were initiated in September, 1967, has been sufficient to justify the expectation that there will be a strong response to the proposed Ph.D. program.

A further justification for offering work at the doctoral level in engineering is that the students enrolled would help supply the graduate teaching assistants needed for the increasing undergraduate enrollment.

The program itself, developed cooperatively by the Departments of Energy Engineering and Materials Engineering, is designed to promote flexibility through an organization based on functional divisions, rather than traditional departmental lines. Within this framework, initially, majors will be offered in continuum mechanics, gas dynamics, heat transfer, plasma dynamics, soil engineering, and structures.

The degree candidate will be required to meet the admission standards and degree requirements generally prevailing within the Graduate College of the University of Illinois.

The Chancellor at the Chicago Circle campus, the Dean of the Graduate College, and the Executive Vice-President and Provost concur in this recommendation. The Senate Coordinating Council indicates that no other Senate jurisdiction is involved.

I recommend approval subject to further action by the Board of Higher Education.

On motion of Mr. Hahn, this recommendation was approved.

¹ *Preliminary Report on the Goals of Engineering Education*, October, 1965, American Society for Engineering Education.

CONTRACTS FOR CONSTRUCTION OF INSECT BIOLOGICAL CONTROL LABORATORY, URBANA

(15) The President of the University, with the concurrence of appropriate administrative officers, recommends award of the following contracts for construction of the Insect Biological Control Laboratory for the use of the State Natural History Survey, Champaign, the award in each case to the lowest bidder.

General — Barber & DeAtley, Inc., Urbana	
Base bid plus Additive Alternates G-2, G-3, G-4, and G-5.....	\$ 80 200 00
Electrical — G. L. Wilsky, doing business as Downtown Electric, Urbana	
Base bid plus Alternate E-1.....	15 425 00
Plumbing — Illini Plumbing and Heating, Inc., Champaign	
Base bid.....	24 020 00
Heating and Air Conditioning — Cool-Rite Mechanical Contractors, Inc., Urbana	
Base bid plus Alternate H-1.....	12 351 00
<i>Total</i>	\$131 996 00

Funds are available from private gift funds to the Natural History Survey and from state capital appropriations to the University for 1967-69, subject to release by the Governor.

Submitted herewith is a report from the Campus Architect, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Grimes, these contracts were awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Mr. Hughes, Governor Kerner, Mr. Page, Dr. Weatherly, Mr. Williamson.

RENTAL OF COMPUTER EQUIPMENT, SCHOOL OF LIFE SCIENCES, URBANA

(16) The School of Life Sciences requires a scientifically oriented computer which can be incorporated in and made readily adaptable to both research and instructional programs, and also be compatible with other large capacity computer systems in the University. Following technical evaluation by the staff of the School of Life Sciences, in consultation with the Departments of Computer Science and Chemistry and Chemical Engineering, it was concluded that the IBM 1130 Computer System is the only one economically available which will uniquely meet the requirements of the School of Life Sciences.

This system will be compatible with existing computer equipment in the Department of Chemistry and Chemical Engineering, as well as the Illinet concept of the Department of Computer Science.

The United States Public Health Service will furnish funds to support the initial year of operation of this equipment. Thereafter, the facility would be supported from charges to the departments using it.

The President of the University, with the concurrence of appropriate administrative officers, recommends that a rental contract be authorized with the International Business Machines Corporation for one year for the annual rental rate of \$17,944.80, with the option to extend on an annual basis, subject to availability of funds and need.

On motion of Mr. Clement, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Pogue, Mr. Swain; no, Mr. Jones; absent, Mr. Hughes, Governor Kerner, Mr. Page, Dr. Weatherly, Mr. Williamson.

CONTRACT FOR DEMOLITION AND REMOVAL OF OLD POWER PLANT AND INCINERATOR BUILDING, MEDICAL CENTER

(17) The President of the University, with the concurrence of appropriate administrative officers, recommends award of a contract in the amount of \$21,665 to the Cleveland Wrecking Company, Chicago, the lowest bidder for the demolition

and removal of the Old Power Plant and Incinerator Building at the Medical Center campus.

Funds for this work are available from state capital appropriations for 1967-69 and have been released by the Governor.

On motion of Mr. Grimes, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Mr. Hughes, Governor Kerner, Mr. Page, Dr. Weatherly, Mr. Williamson.

LEASE WITH THE ILLINOIS BUILDING AUTHORITY — CIVIL ENGINEERING BUILDING AND ADDITION AT URBANA

(18) The Board of Trustees on July 26, 1967, authorized the Comptroller and the Secretary of the Board to execute the necessary documents to permit the Illinois Building Authority to proceed with the Civil Engineering Building and Addition at Urbana-Champaign, also known as Civil Engineering Building, Phase IIa, which the Seventy-fifth General Assembly of the State of Illinois had declared to be in the public interest. The Board of Trustees at its meeting on December 20, 1967, requested the Illinois Building Authority to award a contract for the construction. The capital costs of the project, including the construction award, are to be financed by Illinois Building Authority funds in the sum of \$2,100,000, the balance to come from federal funds and state appropriations to the University. In addition to these amounts, the sum of \$571,000 will be utilized from Civil Engineering Building (Phase I) funds, pursuant to the revised budget for that project, Project IBA 73-07, as approved by the members of the Illinois Building Authority at its meeting on January 24, 1968.

The Illinois Building Authority has now sent the University the form of the permanent lease which should be used on this project and has requested that the Board of Trustees take specific action to approve the same. A copy of said lease form is presented herewith and is being filed with the Secretary of the Board for record.

The lease relates to the following project and is on the terms indicated:

<i>Project</i>	<i>Legislative Declaration</i>	<i>IBA Project Cost</i>	<i>Amount of Rental Herebefore Paid Under Interim Lease</i>	<i>Annual Rent Due September 1, 1968, and on or before September 1 of Each Year Thereafter to June 30, 1990</i>	<i>Total Rental Payments</i>
Civil Engineering Building and Addition, Urbana-Champaign.....	\$ 528 500 00	\$ 2 100 000 00	\$398 990 00	\$151 630 00	\$ 3 734 850 00

Funds for rental payments under the lease during the current biennium 1967-69 are available to the University from appropriations made by the Seventy-fifth General Assembly.

The President recommends that the Comptroller and the Secretary of the Board of Trustees be given specific authorization to execute this lease in substantially the form presented in this meeting and that the following resolution be adopted.

Resolution Authorizing Leasing of Civil Engineering Building and Addition at Urbana-Champaign, Also Known as Civil Engineering Building, Phase IIA, from the Illinois Building Authority

WHEREAS The Board of Trustees of the University of Illinois on July 26, 1967, authorized the Comptroller and Secretary of the Board to execute the necessary documents to permit the Illinois Building Authority to proceed with certain University projects which the Seventy-fifth General Assembly of the State of Illinois had declared to be in the public interest; and

WHEREAS in accordance with the Illinois Building Authority Act the Seventy-fifth General Assembly of the State of Illinois has declared, among others, the following University of Illinois project at Urbana-Champaign to be in the public interest:

Civil Engineering Building and Addition At Urbana-Champaign.... \$3 528 500 00
and

WHEREAS said declaration also provides that the cost of any specific project could exceed the amount set forth therefor so long as the aggregate amount stated therein to be financed by the Illinois Building Authority for the University is not exceeded; and

WHEREAS the amount designated for said project as follows :

Urbana-Champaign Campus IBA #75-13 Construct Civil Engineering Building and Addition..... \$2 100 000 00

will not cause said aggregate amount to be exceeded; and

WHEREAS the Illinois Building Authority has forwarded to the University of Illinois the form of the permanent construction lease which it requests be used for this project; and has requested that the Board of Trustees take specific action to approve the same; copy of which lease form is presented herewith and is being filed with the Secretary of the Board for record;

Now, Therefore, Be It, and It Hereby Is, Resolved that the Comptroller and Secretary of this Board of Trustees be, and hereby are, authorized to execute, acknowledge, and deliver in the name and on behalf of this corporation a lease with the Illinois Building Authority in substantially the form presented to this meeting for the following building and facility :

Construction of a Civil Engineering Building and Addition at Urbana-Champaign Campus, at a cost to the Illinois Building Authority of \$2,100,000.00 requiring 22 rental payments as follows: an initial rental on or before September 1, 1968 in the sum of \$151,630.00; and during each successive renewal term of the Lease, the annual sum of \$151,630.00 on or before the 1st of September of each year thereafter until June 30, 1990 with total rental payments of \$3,734,850.00 (less the sum of \$398,990.00 which has been paid under the terms of Interim Leases.)

On motion of Mr. Hahn, authority was given as recommended and the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Mr. Hughes, Governor Kerner, Mr. Page, Dr. Weatherly, Mr. Williamson.

**LEASE WITH THE ILLINOIS BUILDING AUTHORITY —
SMALL ANIMAL CLINIC BUILDINGS, URBANA**

(19) The Board of Trustees on July 26, 1967, authorized the Comptroller and the Secretary of the Board to execute the necessary documents to permit the Illinois Building Authority to proceed with the Small Animal Clinic Buildings at the Urbana-Champaign campus, also known as Small Animal Clinic and Hospital-Veterinary Medicine Complex, Phase I, which the Seventy-fifth General Assembly of the State of Illinois had declared to be in the public interest. The Board of Trustees at its meeting on January 17, 1968, requested the Illinois Building Authority to award a contract for the construction. The capital costs of the project, including the construction award, are to be financed by Illinois Building Authority funds in the sum of \$6,065,000, the balance to come from state appropriations to the University.

The Illinois Building Authority has now sent the University the form of permanent lease which should be used on this project and has requested that the Board of Trustees take specific action to approve the same. A copy of said lease form is presented herewith and is being filed with the Secretary of the Board for record.

The lease relates to the following project and is on the terms indicated :

Project	Legislative Declaration	IBA Project Cost	Amount of Rental Heretofore Paid Under Interim Lease	Annual Rent Due September 1, 1968, and on or before September 1 of Each Year Thereafter to June 30, 1990	Total Rental Payments
Small Animal Clinic Buildings, Urbana-Champaign...	\$6 812 000 00	\$6 065 000 00	\$1 053 725 00	\$442 405 00	\$10 788 635 00

Funds for rental payments under the lease during the current biennium 1967-69 are available to the University from appropriations made by the Seventy-fifth General Assembly.

The President recommends that the Comptroller and the Secretary of the Board of Trustees be given specific authorization to execute this lease in substantially the form presented in this meeting and that the following resolution be adopted.

Resolution Authorizing Leasing of Small Animal Clinic Buildings at Urbana-Champaign, Also Known As, Small Animal Clinic and Hospital-Veterinary Medicine Complex, Phase I, Urbana, from the Illinois Building Authority

WHEREAS The Board of Trustees of the University of Illinois on July 26, 1967, authorized the Comptroller and Secretary of the Board to execute the necessary documents to permit the Illinois Building Authority to proceed with certain University projects which the Seventy-fifth General Assembly of the State of Illinois had declared to be in the public interest; and

WHEREAS in accordance with the Illinois Building Authority Act the Seventy-fifth General Assembly of the State of Illinois has declared, among others, the following University of Illinois project at Urbana-Champaign to be in the public interest:

Small Animal Clinic Buildings At Urbana-Champaign Campus..... \$6 812 000 00
and

WHEREAS said declaration also provides that the cost of any specific project could exceed the amount set forth therefor so long as the aggregate amount stated therein to be financed by the Illinois Building Authority for the University is not exceeded; and

WHEREAS the amount designated for said project as follows:

Urbana-Champaign Campus IBA #75-12 Construct Small
Animal Clinic Buildings..... \$6 065 000 00

will not cause said aggregate amount to be exceeded; and

WHEREAS the Illinois Building Authority has forwarded to the University of Illinois the form of the permanent construction lease which it requests be used for this project; and has requested that the Board of Trustees take specific action to approve the same; copy of which lease form is presented herewith and is being filed with the Secretary of the Board for record;

Now, Therefore, Be It, and It Hereby Is, Resolved that the Comptroller and Secretary of this Board of Trustees be, and hereby are, authorized to execute, acknowledge, and deliver in the name and on behalf of this corporation a lease with the Illinois Building Authority in substantially the form presented to this meeting for the following building and facility:

Construction of Small Animal Clinic Buildings at the Urbana-Champaign Campus, at a cost to the Illinois Building Authority of \$6,065,000.00 requiring 22 rental payments as follows: an initial rental on or before September 1, 1968 in the sum of \$442,405.00; and during each successive renewal term of the Lease, the annual sum of \$442,405.00 on or before the 1st of September of each year thereafter until June 30, 1990 with total rental payments of \$10,786,635.00 (less the sum of \$1,053,725.00 which has been paid under the terms of Interium Leases.)

On motion of Mr. Pogue, authority was given as recommended and the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Mr. Hughes, Governor Kerner, Mr. Page, Dr. Weatherly, Mr. Williamson.

LEASE WITH THE ILLINOIS BUILDING AUTHORITY — SCIENCE AND ENGINEERING CENTER BUILDING, CHICAGO CIRCLE

(20) The Board of Trustees on July 26, 1967, authorized the Comptroller and the Secretary of the Board to execute the necessary documents to permit the Illinois Building Authority to proceed with the Science and Engineering Center Building (Science and Engineering South) at Chicago Circle which the Seventy-fifth Gen-

eral Assembly of the State of Illinois had declared to be in the public interest. The Executive Committee of the Board of Trustees at its meeting on December 5, 1967, requested the Illinois Building Authority to award a contract for the construction. The capital costs of the project, including the construction award, are to be financed by Illinois Building Authority funds in the sum of \$17,620,000, the balance to come from federal funds and State appropriations to the University.

The Illinois Building Authority has now sent the University the form of the permanent lease which should be used on this project and has requested that the Board of Trustees take specific action to approve the same. A copy of said lease form is presented herewith and is being filed with the Secretary of the Board for record.

The lease relates to the following project and is on the terms indicated:

Project	Legislative Declaration	IBA Project Cost	Amount of Rental Hereofore Paid Under Interim Lease	Annual Rent Due September 1, 1968, and on or before September 1 of Each Year Thereafter to June 30, 1992	Total Rental Payments
Science and Engineering Center Building, Chicago Circle.....	\$18 848 300 00	\$17 620 000 00	\$1 340 870 00	\$1 249 845 00	\$31 337 150 00

Funds for rental payments under the lease during the current biennium 1967-69 are available to the University from appropriations made by the Seventy-fifth General Assembly.

The President recommends that the Comptroller and the Secretary of the Board of Trustees be given specific authorization to execute this lease in substantially the form presented in this meeting and that the following resolution be adopted.

Resolution Authorizing Leasing of Science and Engineering Center Building at the Chicago Circle from the Illinois Building Authority

WHEREAS The Board of Trustees of the University of Illinois on July 26, 1967, authorized the Comptroller and Secretary of the Board to execute the necessary documents to permit the Illinois Building Authority to proceed with certain University projects which the Seventy-fifth General Assembly of the State of Illinois had declared to be in the public interest; and

WHEREAS in accordance with the Illinois Building Authority Act the Seventy-fifth General Assembly of the State of Illinois has declared, among others, the following University of Illinois project at the Chicago Circle to be in the public interest:

Science and Engineering Center Building at the Chicago Circle.... \$18 848 300 00 and

WHEREAS said declaration also provides that the cost of any specific project could exceed the amount set forth therefor so long as the aggregate amount stated therein to be financed by the Illinois Building Authority for the University is not exceeded; and

WHEREAS the amount designated for said project as follows:

Chicago Circle Campus IBA #75-06 Construct Science and Engineering Center Building..... \$17 620 000 00

will not cause said aggregate amount to be exceeded; and

WHEREAS the Illinois Building Authority has forwarded to the University of Illinois the form of the permanent construction lease which it requests be used for this project; and has requested that the Board of Trustees take specific action to approve the same; copy of which lease form is presented herewith and is being filed with the Secretary of the Board for record;

Now, Therefore, Be It, and It Hereby Is, Resolved that the Comptroller and Secretary of this Board of Trustees be, and hereby are, authorized to execute, acknowledge, and deliver in the name and on behalf of this corporation a lease with the Illinois Building Authority in substantially the form presented to this meeting for the following building and facility:

Construction of a Science and Engineering Center Building at the Chicago

Circle, at a cost to the Illinois Building Authority of \$17,620,000.00 requiring 24 rental payments as follows: an initial rental on or before September 1, 1968, in the sum of \$1,249,845.00; and during each successive renewal term of the Lease, the annual sum of \$1,249,845.00 on or before the 1st of September of each year thereafter until June 30, 1992, with total rental payments of \$31,337,150.00 (less the sum of \$1,340,870.00 which has been paid under the terms of an Interim Lease).

On motion of Mr. Clement, authority was given as recommended and the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Mr. Hughes, Governor Kerner, Mr. Page, Dr. Weatherly, Mr. Williamson.

REQUEST TO ILLINOIS BUILDING AUTHORITY TO CONTRACT FOR PURCHASE AND CONSTRUCTION OF EQUIPMENT FOR THE UTILITIES CENTER ADDITION, CHICAGO CIRCLE

(21) The President of the University, with the concurrence of appropriate administrative officers, recommends that the Board request the Illinois Building Authority to award and proceed to procure the following contracts for furnishing and installing equipment for the use of the University at the Chicago Circle Utilities Center Addition required for the heating and air conditioning of Phase III Buildings. The award in each case is to the lowest bidder.

Division "301" — High Temperature Hot Water, Generating Unit and Pump — The International Boiler Works Company, East Stroudsburg, Pennsylvania.....	\$136 019 00
Division "302" — Refrigeration Unit for Chilled Water — Associated Piping Contractors, Inc., Chicago.....	<u>\$181 560 00</u>
<i>Total</i>	<u>\$317 579 00</u>

The above equipment is a part of the project for Chicago Circle, Phase III, construction which the Board on July 26, 1967, requested the Illinois Building Authority to provide. The Authority will finance the construction and lease the facilities to the University for rental payments for which state appropriations are available. Jurisdiction of the land on which the project will be constructed will also be transferred to the Authority.

It is also recommended that the Comptroller and the Secretary of the Board be authorized to make, execute, acknowledge, and deliver such instruments of transfer, conveyance, lease, contract, and other documents as are necessary to provide for the carrying out of the foregoing project and equipment by the Illinois Building Authority.

I further recommend adoption of the resolutions submitted herewith to implement the official actions required.

Resolution

Be It, and It Hereby Is, Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Illinois Building Authority be, and it hereby is, requested to award to The International Boiler Works Company, P. O. Box 208, East Stroudsburg, Pennsylvania, a contract for high temperature hot water generating unit, high temperature hot water pump, and erection of high temperature hot water generating unit and pump for the Utilities Center Addition at the Chicago Circle, Phase III, for the fixed price of \$136,019.00.

Be It, and It Hereby Is, Further Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and Secretary of this public corporation be, and they hereby are, authorized to make, execute, acknowledge and deliver, in the name and in behalf of this corporation, such instruments of transfer, conveyance, lease, contract, and other documents as are necessary or appropriate in order to provide for the carrying out of the foregoing project and facility by the Illinois Building Authority.

On motion of Mr. Clement, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr.

Jones, Mr. Pogue, Mr. Swain; no, none; absent, Mr. Hughes, Governor Kerner, Mr. Page, Dr. Weatherly, Mr. Williamson.

Resolution

Be It, and It Hereby Is, Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Illinois Building Authority be, and it hereby is, requested to award to Associated Piping Contractors, Inc., 1223 West 18th Street, Chicago, Illinois, a contract for one refrigeration unit for chilled water and erection of refrigeration unit for the Utilities Center Addition at the Chicago Circle, Phase III, for the fixed price of \$181,560.00.

Be It, and It Hereby Is, Further Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and Secretary of this public corporation be, and they hereby are, authorized to make, execute, acknowledge and deliver, in the name and in behalf of this corporation, such instruments of transfer, conveyance, lease, contract, and other documents as are necessary or appropriate in order to provide for the carrying out of the foregoing project and facility by the Illinois Building Authority.

On motion of Mr. Clement, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Mr. Hughes, Governor Kerner, Mr. Page, Dr. Weatherly, Mr. Williamson.

EMPLOYMENT OF ENGINEERS FOR AIR CONDITIONING ILLINOIS STREET RESIDENCE HALLS, URBANA

(22) The President of the University, with the concurrence of appropriate administrative officers, recommends the employment of Robert Burkhardt and Associates, Inc., Chicago, for complete engineering services to complete the air conditioning of the Illinois Street Residence Halls at a fee in accordance with Schedule B of *The Illinois Society of Professional Engineers' Manual*, 1965 edition.

Funds are available from the proceeds of the sale of revenue bonds.

The Advisory Committee on Architectural and Engineering Services has approved this recommendation.

On motion of Mr. Clement, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Pogue, Mr. Swain; no, none; absent, Mr. Hughes, Governor Kerner, Mr. Page, Dr. Weatherly, Mr. Williamson.

DESIGNATION OF UNIVERSITY OFFICERS FOR FACILITY SECURITY CLEARANCE

(23) Officials of United States governmental agencies have requested the Board of Trustees to designate by formal action the officers of the Board and of the University who shall have the authority and responsibility for negotiation, execution, and administration of contracts with the United States of America and its agencies and all of the duties and responsibilities pertaining to the protection of classified information. The following resolution is offered and its adoption is recommended.

Resolution

WHEREAS, it has been brought to the attention of The Board of Trustees of the University of Illinois with its principal office and place of business in the City of Urbana, State of Illinois that in connection with a Facility Security Clearance, those officers of the University and Board of Trustees who are specifically and properly designated by action of its official executive body in accordance with the institution's requirements as the managerial group having the authority and responsibility for the negotiation, execution and administration of User Agency contracts and all of the duties and responsibilities pertaining to the protection of classified information and those members of The Board of Trustees who will require access to classified information are required to be cleared by the Department of Defense of the United States; and

WHEREAS, other Officers and Trustees who are United States Citizens, immigrant aliens, foreign representatives, or foreign nationals, and who shall not require

access to classified information in the conduct of the institution's business, are not required to be cleared, provided the Board of Trustees, by action of its official administrative body so affirms and makes a matter of record in the minutes of that administrative body;

Resolved: Members of the Board of Trustees, other than those whose names have been submitted for clearance, shall not require, nor shall have, and can be effectively excluded from access to all classified information in the possession of the institution and do not occupy positions that would enable them to affect adversely the institutions policies or practices in the performance of classified contracts for the User Agencies.

Be It Further Resolved: The following officers of The Board of Trustees and of the University of Illinois be and hereby are designated as the managerial group having the authority and the responsibility for the negotiation, execution, and administration of User Agency contracts and all of the duties and responsibilities pertaining to the protection of classified information: President, Secretary, and Comptroller of The Board of Trustees of the University of Illinois; and President, Vice-President and Comptroller, Executive Vice-President and Provost, and Legal Counsel of the University of Illinois.

On recommendation of Mr. Jones, the foregoing resolution was adopted.

PURCHASES

(24) The President submitted, with his concurrence, a list of purchases recommended by the Director of Purchases and the Vice-President and Comptroller.

The lists of purchases recommended for Board approval were presented in two categories: purchases from appropriated funds (i.e., from state appropriations to the University) and purchases from institutional funds. The latter term designates funds received by the University under contracts with the United States government, contracts with private corporations and other organizations, funds from foundation grants, and grants from corporations and other donors, and University revolving funds authorized by law.

The total amounts of these purchases were:

From Appropriated Funds.....	\$304 077 80
From Institutional Funds.....	\$391 466 31
<i>Total</i>	\$695 544 11

A complete list of the purchases recommended, with supporting information, including the quotations received, was sent to each member of the Board in advance of the meeting, and a copy is being filed with the Secretary of the Board for record.

On motion of Mr. Pogue, the purchases recommended were authorized.

COMPTROLLER'S REPORT OF PURCHASES APPROVED

(25) The Vice-President and Comptroller also submitted a report of purchases approved by him on recommendation of the Director of Purchases in amounts of \$2,500 to \$5,000. A copy of this report is filed with the Secretary.

This report was received for record.

COMPTROLLER'S MONTHLY REPORT OF CONTRACTS EXECUTED

(26) The Comptroller's monthly report of contracts executed was submitted.

New Contracts

<i>With Whom</i>	<i>Purpose</i>	<i>Amount to be Paid to the University</i>
Amdal Company	Spectinomycin in improving weight gain and feed efficiency of weanling and growing finishing swine	\$ 4 000 00
Greenville College (subcontract with the Central Projects Office of the Illinois State Physics Project under N.S.F. grant GW-2986)	Secondary science training program and cooperative college - school science program	26 234 00

<i>With Whom</i>	<i>Purpose</i>	<i>Amount to be Paid to the University</i>
Illinois Cities and Villages Municipal Problems Commission	Research and analysis of problems concerning inter-governmental fiscal relations in Illinois municipalities, aspects of municipal budgeting, and new revenue sources for municipalities	\$ 20 000 00
La Salle County Conservation District	Long-range comprehensive study of the La Salle County Conservation District	12 350 00
United States Air Force AFOSR-68-1508	Charged colloidal particles for propulsion	38 583 00
United States Department of the Interior 14-01-0001-1693	Diffusion and flow in interphase transport	78 242 00

QUARTERLY REPORT OF THE COMPTROLLER

(27) The Comptroller presented quarterly reports to the Board as of September 30, 1967, and as of December 31, 1967.

These reports were received for record, and copies have been filed with the Secretary of the Board.

INVESTMENT REPORT**Report of the Finance Committee**

(28) The Finance Committee reported the following changes in investments of endowment funds for the month of December, 1967:

*Pool**Sale*

\$50 000 Associates Investment open-end demand notes.....	\$ 50 000 00
34 000 Commercial Credit open-end demand notes.....	34 000 00
50 000 General Finance Corporation open-end demand notes.....	50 000 00
536 shares Standard Oil Company of California common stock.....	33 354 03

Purchase

\$45 000 Associates Investment open-end demand notes.....	45 000 00
300 shares Texas Instruments common stock.....	33 975 84

Report of the Comptroller

The Comptroller reported the following changes in investments of current and unexpended plant funds, which he has been authorized to make, for the month of December, 1967:

Current Funds

FORD FOUNDATION — GENERAL ENGINEERING

Purchase

\$25 000 U.S. Treasury bills due 2/1/68.....	\$ 24 764 74
--	--------------

RESTRICTED GROUP

Purchase

\$1 000 000 Archer-Daniels-Midland notes due 4/4/68.....	984 375 00
--	------------

ART OBJECTS

Sale

\$46 000 CIT Financial open-end demand notes.....	46 000 00
64 000 U.S. Treasury bills due 10/31/68.....	60 954 56

Purchase

\$65 000 U.S. Treasury bills due 12/31/68.....	61 480 25
--	-----------

Construction Funds

ASSEMBLY HALL

Purchase

\$272 000 U.S. Treasury bills due 11/30/68.....	257 843 00
---	------------

DENTISTRY-MEDICINE-PHARMACY AUXILIARY (Medical Center)

Purchase

\$ 66 000 U.S. Treasury bills due 2/29/68.....	65 188 42
51 000 U.S. Treasury bills due 4/25/68.....	49 912 92
30 000 U.S. Treasury bills due 5/23/68.....	29 208 05
200 000 U.S. Treasury 4¼ per cent notes due 8/15/68.....	198 250 00

FLORIDA AVENUE RESIDENCE HALL

Purchase

\$836 000 U.S. Treasury bills due 11/30/68.....	792 462 98
---	------------

KRANNERT CONTRIBUTIONS

Purchase
 \$285 500 Cargill, Inc., 5½ per cent notes due 6/30/76..... 285 500 00

MEDICAL CENTER BONDS OF 1964 AUXILIARY (Medical Center)

Purchase
 \$95 000 U.S. Treasury bills due 1/31/68..... 94 248 44

UNION AND RESIDENCE HALL (Medical Center)

Purchase
 \$223 000 U.S. Treasury bills due 12/21/67..... 222 372 52

ORCHARD APARTMENTS

Purchase
 \$473 000 U.S. Treasury bills due 11/30/68..... 447 970 02

Sinking Funds

UNION AND RESIDENCE HALL (Medical Center)

Purchase
 \$28 000 U.S. Treasury 4 per cent bonds due 2/15/70..... 27 142 50

This report was received for record.

AUTHORIZATION FOR PARTICIPATION IN THE ESTABLISHMENT OF THE CHICAGO REGIONAL DENTAL RESEARCH INSTITUTE

(29) The College of Dentistry recommends that the University of Illinois join three other universities in Chicago and the American Dental Association in establishing a multi-institutional center for research and advanced study in the basic and clinical sciences related to oral health and disease — to be called “the Chicago Regional Dental Research Institute.”

The proposed institute would be established under a program sponsored by the National Institute of Dental Research which is a branch of the National Institutes of Health (United States Department of Health, Education, and Welfare). The guidelines established by the National Institute of Dental Research for such an Institute require that the participating institutions execute a *Memorandum of Agreement* which would commit them to establishing a not-for-profit corporation to administer the proposed organization and handle its funds. The proposed *Memorandum of Agreement* appears below.

It will be noted that each of the participating institutions “agree to make available to the Institute the sum of \$10,000 to cover its early administrative activities and to commit up to an additional \$15,000 each, if needed, to cover additional expenses which the Institute might incur.” In the event that the proposal is approved by the National Institute of Dental Research, and the new corporation established, the University’s share of the funds required would be provided from non-state sources (the Contract Research Reserve at the Medical Center campus). Furthermore, it is anticipated that indirect-cost income from expected grants would offset the commitments of funds required under the *Memorandum of Agreement*.

The Chancellor at the Medical Center campus, the Executive Vice-President and Provost, the Vice-President and Comptroller, and the Legal Counsel endorse this recommendation.

I concur.

On motion of Mr. Clement, this recommendation was approved.

Memorandum of Agreement

This Memorandum of Agreement made and entered into this ___ day of _____, by and between University of Chicago, University of Illinois, Loyola University of Chicago, Northwestern University, and American Dental Association.

Witnesseth:

WHEREAS, the parties hereto propose to create and be active, joint participants in a multi-institutional center for research and advanced study in the basic and clinical sciences related to oral health and disease as a regional resource for dental research in the greater Chicago area,

Now, Therefore, in consideration of the premises and the promises hereinafter contained, the parties agree as follows:

1. The parties hereby establish and agree to be active participants in the Chicago Regional Dental Research Institute. The purpose of the Institute is to conduct a center for research and advanced study in the basic and clinical sciences related to oral health and disease.
2. To the extent feasible and practicable, the parties, as joint participants, agree to encourage and permit outstanding investigators from their respective institutions to perform research within the framework of the Institute and further to make available their respective laboratories and equipment for use in the performance of Institute programs. The aforementioned phrase "to the extent feasible and practicable" shall mean, wherever such phrase appears in this Memorandum of Agreement, as follows: to the extent that no undue burden or interference with other necessary activities of any party will result.
3. The parties agree to form and develop the Institute as an effective and stable administrative structure to further scientific progress in the field of oral research pursuant to the guidelines for dental research institutes which have been promulgated by the National Institute of Dental Research of the United States Government. To achieve such an avowed administrative structure, the parties will soon cause a corporation to be formed under the general not-for-profit statutes of the State of Illinois for the purpose of administering the Institute and handling and managing its funds.
4. Each of the parties agrees to make available to the Institute the sum of \$10,000 to cover its early administrative activities and to commit up to an additional \$15,000 each, if needed, to cover additional expenses which the Institute might incur.
5. In keeping with the needs of both the programs which the Institute will conduct and the capabilities of each of the parties, each of the parties agrees to permit, to the extent from time to time feasible and practicable, its scientists from the physical, biological and behavioral disciplines to perform services for the Institute in collaboration with the scientists from the other parties. Further, again to the extent feasible and practicable, the parties agree to permit the use of each party's facilities, including laboratories and equipment, by the scientific representatives of the other parties.
6. Each of the parties agrees to share the costs, to the extent necessary, of the administration and programs of the Institute and to realize reimbursement only to the extent that third parties will pay for such costs, including direct and indirect costs and overhead.
7. To facilitate execution, the parties agree that this Memorandum of Agreement may be signed in counterparts with the same effect as though all the parties signed one and the same copy.

In Witness Whereof, the parties hereto have caused this Memorandum of Agreement to be executed all on the day first above written.

EXCHANGE OF PROPERTY

(30) The President recommends, upon request of the Athletic Association of the University of Illinois, that the Board authorize the exchange of University-owned property on Church Street in Savoy, Champaign County, Illinois (a tract of land, approximately 1,650 feet by 150 feet, located at the north side of the golf course),

for Athletic Association-owned property north of the University of Illinois-Willard Airport access road, Champaign County, Illinois (a tract of land, approximately 2,600 feet by 158 feet, subject to public and private easements, located at the south side of the golf course).

The exchange is mutually advantageous to both the University and the Athletic Association, in that the exchange will prevent undesirable development of the area, and will permit improvement of the airport access road in the future.

Adoption of the following resolution is requested.

Resolution

Be It and It Hereby Is Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, with its principal office in the City of Urbana, in the County of Champaign, and State of Illinois, that upon title to the following-described property being conveyed to this public corporation by The Athletic Association of the University of Illinois, a not-for-profit corporation of the State of Illinois, viz :

That part of the South East Quarter (SE $\frac{1}{4}$) of Section Two (2), in Township Eighteen North (T-18-N), Range Eight East (R-8-E) of the Third Principal Meridian (3rd P.M.) in the County of Champaign and State of Illinois, described as follows :

The South One Hundred Fifty-eight feet (158') of said South East Quarter (SE $\frac{1}{4}$) of Section Two (2), subject to any private or public easements or rights-of-way; and subject to an easement for street purposes retained by the Grantor described as follows: The West Sixty feet (60') of the East One Hundred Eighty feet (180') of the South One Hundred Fifty-eight feet (158') of the said South East Quarter (SE $\frac{1}{4}$) of Section Two (2); containing 9.43 acres, more or less, and all situated in Champaign County, Illinois;

that the Comptroller and Secretary of this public corporation be, and they hereby are, authorized and directed, to execute, acknowledge and deliver, in the name and in behalf of, this public corporation, and under its corporate seal, a Warranty Deed and such other documents in connection therewith as said Comptroller and Secretary may deem necessary or desirable in order to convey to The Athletic Association of the University of Illinois, a not-for-profit corporation of the State of Illinois, with its principal office in the City of Champaign, in the County of Champaign, and State of Illinois, all right, title, and interest in and to the following-described property except that air rights shall be retained for the benefit of this public corporation, its successors and assigns, and the general public at large, for the free, unobstructed passage of aircraft, by whomsoever owned or operated, in and through the air space over and across the following-described property, Eight Hundred and Nineteen feet (819') Mean Sea Level, and above [The Northeast end of Northeast-Southwest Runway 22, University of Illinois-Willard Airport, is Seven Hundred Forty-four feet (744') Mean Sea Level elevation and therefore air rights will be retained in the air space over said property which is seventy-five feet or more than seventy-five feet higher than the elevation of the Northeast end of Northeast-Southwest runway 22.]; and provided that The Athletic Association of the University of Illinois, Grantee, its successors and assigns, shall be prohibited from constructing, permitting, or suffering to remain upon said lands any obstruction that extends above the heights aforesaid and that Grantee, its successors, and assigns shall not hereafter use or permit or suffer use of the following-described property in such a manner as to create electrical interference with radio communication between the installation upon the University of Illinois-Willard Airport and aircraft or as to make it difficult for fliers to distinguish between airport lights and others, or as to result in glare in the eyes of fliers using the said airport, or as to impair visibility in the vicinity of the airport, or as otherwise to endanger the landing, taking off or maneuvering of aircraft; to-wit:

That part of the North One Hundred Eighty-three feet (183') of the North East Quarter (NE $\frac{1}{4}$) of Section Two (2), in Township Eighteen North (T-18-N), Range Eight East (R-8-E) of the Third Principal Meridian (3rd P.M.) in the County of Champaign and State of Illinois, described as follows: Beginning at a point Thirty-three feet (33') South and Five Hundred Thirty-eight and Ninety-seven Hundredths feet (538.97') West of the Northeast Corner of said Northeast Quarter (NE $\frac{1}{4}$), and which point of beginning is

the Northwest Corner of the tract of land conveyed by The Board of Trustees of the University of Illinois, a public corporation, as Grantor, to The Athletic Association of the University of Illinois, as Grantee, by Warranty Deed dated November 24, 1958, and filed for record in the Recorder's Office of Champaign County, Illinois, on December 19, 1958, at 4:00 P.M., in Book 612 of Records on Page 114 as Document No. 621449, thence West One Thousand Six Hundred Fifty and Ninety-three Hundredths feet (1650.93') along a line Thirty-three feet (33') South of and parallel to the North line of said Section Two (2), thence South One Hundred Fifty feet (150') along a line parallel to the West line of said North East Quarter (NE ¼) thence East, One Thousand Six Hundred Fifty and Ninety-three Hundredths feet (1650.93') along a line parallel to the North line of said Section Two (2), thence in a Northerly direction to and along the West line of said tract of land conveyed by Grantor to Grantee by said Warranty Deed dated November 24, 1958, One Hundred Fifty feet (150'), more or less, to the point of beginning, and all situated in Champaign County, Illinois, subject to building restrictions and easements of record.

On motion of Mr. Clement, the foregoing resolution was adopted.

CONSULTING SERVICES REGARDING OAKLEY DAM AND RESERVOIR PROJECT

(31) In accordance with the request of the Board of Trustees, this proposal is presented for the award of a contract to Harza Engineering Company, Chicago, to investigate alternatives to the 1966 Corps of Engineers plan for a conservation pool behind Oakley Dam and Reservoir, which will permanently inundate 600 acres of land in Robert Allerton Park. The objectives of the study are:

1. To identify and appraise very generally a broad range of concepts for water resource development and management projects as alternatives to the "higher" Oakley Reservoir.
2. To determine whether any of the alternatives are sufficiently promising to merit the expense of further in-depth engineering and economic investigation.
3. To design a program of investigation and analysis for detailed investigation of the promising alternatives.

Harza Engineering Company estimates that eight weeks would be required to complete the study, after which they will publish a report. They propose a fee of \$15,000 for the study and report.

Funds are available for this study from the income of Robert Allerton Farms.

The Chairman of the Buildings and Grounds Committee and all appropriate administrative officers have been consulted.

On motion of Mr. Grimes, the recommendation was approved with the understanding that the proposed fee be appropriately reduced if the study should indicate no need to proceed with item 3; this action was taken by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Swain; no, Mr. Pogue; absent, Mr. Hughes, Governor Kerner, Mr. Page, Dr. Weatherly, Mr. Williamson.

MIDYEAR DEGREES

The Secretary presented for record the following list of degrees conferred on candidates at Urbana-Champaign on February 15, 1968, in accordance with the authorization of the Board.

RICHARD EUGENE HUTSON, A.B., A.M., 1957, 1959

SISTER PATRICIA KENNEDY, B.A., Mount Saint Scholastica College, 1951; M.A., Catholic University of America, 1961; Ed.M., 1958

DAVID QUINTIN SMITH, A.B., Columbia University, 1960; M.A., New York University, 1963

WILLA FERREE VALENCIA, B.A., Bob Jones University, 1950; M.Ed., University of Chattanooga, 1957; M.A., University of Tennessee, 1962

JOHN ALBERT VIA, B.A., Baylor University, 1959; M.A., Mississippi State University, 1961

In Entomology

ALY ABDEL-MEGUID ABOU-ALY, B.S., M.S., Ain Shams University, 1955, 1960

WILLARD HENRY FOGAL, B.A., M.A., University of Saskatchewan, 1962, 1964

LANCE GEORGE PETERSON, B.A., University of Minnesota, 1962

In French

PATRICK DAVID PERSAUD, A.B., A.M., 1962, 1963

In Geography

THOMAS JOSEPH MARESH, B.A., Washington State University, 1962

In History

KENNETH GLENN MADISON, A.B., A.M., 1962, 1963

In Library Science

ISAAC THOMAS LITTLETON, A.B., University of North Carolina at Chapel Hill, 1943; M.A., University of Tennessee, 1950; M.S., 1951

In Linguistics

ROBERT PAUL FOX, B.S., M.S., Georgetown University, 1960, 1962

In Marketing

IRENE LYDIA LANGE, B.S., M.S., 1960, 1962

In Mathematics

SURJIT SINGH KHURANA, M.A., Panjab University, 1955

CHARLES GOMER THOMAS, B.A., Pomona College, 1962; B.A. (Hons.), University of Cambridge, 1964

WALDEMAR CARL WEBER, B.S., United States Naval Academy, 1959; M.S., 1964

RONALD CLYDE WEGER, A.B., William Jewell College, 1962; A.M., 1964

In Mechanical Engineering

JAMES JOSEPH STUKEL, B.S.M.E., Purdue University, 1959; M.S., 1963

ROBERT ARTHUR WALLHAUS, B.S., M.S., 1960, 1962

In Metallurgical Engineering

EMMANUEL DE LAMOTTE, Eng.Physicist, State University of Liege, 1962; M.S., 1963

In Microbiology

SAMUEL FOGEL, B.S., Philadelphia College of Pharmacy and Science, 1960; Hahnemann Medical College, 1963

In Nuclear Engineering

DAVID EWING COATES, B.A.Sc., University of Toronto, 1951; M.S., 1962

YO TAIK SONG, B.E., Yonsei University, 1954; M.S., 1962

In Philosophy

STEVEN DAVIS, A.B., University of Rochester, 1960; A.M., 1964
 GEORGE HALSEY DOUGLAS, A.B., Lafayette College, 1956; A.M., Columbia University, 1964

In Physical Education

KARL FRANKLIN MUNSON, B.S., 1950; M.S., Indiana University, 1954

In Physics

MARVIN BLECHER, A.B., Columbia University, 1962; M.S., 1964
 ARTHUR ROGER COOKE, S.B., Massachusetts Institute of Technology, 1962; M.S., 1964
 CHOCHON LEE, B.S., M.S., Seoul National University, 1953, 1957
 JERROLD LLOYD McNATT, B.S., Wheaton College, 1962; M.S., 1963
 JOSEPH ANDREW MOYZIS, JR., A.B., M.S., 1957, 1958
 NASRALLAH FARES NASRALLAH, B.S., American University of Beirut, 1961; M.S., 1964
 JOSEPH FRANCIS THOMAS, JR., B.E.P., Cornell University, 1963; M.S., 1965
 LYNN JAMES VERHEY, B.A., Kalamazoo College, 1962; M.S., 1964

In Physiology

VYTAUTAS UZGIRIS, A.B., B.S., M.D., 1958, 1959, 1961

In Plant Pathology

CECIL GERALD VAN DYKE, B.S., Eastern Illinois University, 1963; M.S., 1966

In Political Science

MACK HENRY JONES, B.A., Texas Southern University, 1962; A.M., 1964
 YUNG HO PARK, B.A., Montana State University, 1960; A.M., 1964
 LAURELLEN PORTER, A.B., A.M., 1954, 1958

In Psychology

EDWARD LEE HOFFMAN, A.B., 1960
 STUART MERRIL KEELEY, B.A., Coe College, 1963; A.M., 1966
 LARRY RICHARD KILLIAN, B.A., Texas Christian University, 1960; A.M., 1965
 ELLEN FREDA ROSEN, B.A., Carleton College, 1962; A.M., 1965
 RALPH WILLIAM TRIMBLE, B.S., University of Iowa, 1963

In Sanitary Engineering

MILLARD WAYNE HALL, B.E., Vanderbilt University, 1962; M.S., 1963

In Sociology

ROBERT EVAN COLE, B.A., Hobart College, 1959; A.M., 1962

In Spanish

MARCIA SIMPSON LEWIS, A.B., College of Notre Dame (Maryland), 1961; A.M., 1962

In Speech

RAYMOND LOUIS FISCHER, B.S., M.S., Eastern Illinois University, 1954, 1956
 HELEN VASILIOU MARTIN-TRIGONA, B.A., University of New Hampshire, 1940; A.M., Cornell University, 1942
 DALE EDWARD WOOLLEY, A.B., Washington University, 1958; A.M., 1960

In Theoretical and Applied Mechanics

JOSEPH PATRICK GALLAGHER, B.S.C.E., Drexel Institute of Technology, 1964; M.S., 1965
 TERRY FRANKLIN LEHNHOFF, B.S.M.E., M.S.M.E., University of Missouri at Rolla, 1961, 1962
 RICHARD WILLIAM WEEKS II, B.S., Swarthmore College, 1964; M.S., California Institute of Technology, 1965

In Veterinary Medical Science

DONALD LOUIS DAWE, B.S., University of Wisconsin, 1959; D.V.M., Iowa State University of Science & Technology, 1963; M.S., 1965

ABDELLATIF EL-ZEIN, D.V.M., University of Toulouse (France), 1960; M.S., 1965
 WALDIR MARINHO PEDERSOLI, Dipl.Vet.Med., University of Minas Gerais (Brazil),
 1956; M.S., 1965

In Zoology

SUE YING LEE, B.S., M.S., State University of New York (Albany), 1961, 1963

Degree of Doctor of Education

In Education

MENNO DILIBERTO, B.S., M.A., Kent State University, 1961, 1962
 ERNEST ROBERT HOUSE, A.B., Washington University, 1959; M.S., Southern Illi-
 nois University, 1964
 PATRICIA ANN JAKUBOWSKI, B.S., Wisconsin State University (Oshkosh), 1963;
 Ed.M., 1965
 THOMAS RONALD JENSEN, B.S., Brigham Young University, 1958; Ed.M., 1961
 PHILIP ROBERT LUHMANN, B.S., Ed.M., 1954, 1960
 LEON ALBERT MAYER, B.S., Southern Illinois University, 1951; M.S., 1956
 WARREN NOBORU SUZUKI, B.S., Ed.M., 1963, 1964
 ALICIA CATHERINE TILLEY, B.A., Southeastern Louisiana College, 1941; M.Ed.,
 University of Texas, 1955
 MARVIN WILLERMAN, B.S., Northern Illinois University, 1951; Ed.M., 1952
 KENNETH EMERSON WYATT, B.S., M.Ed., University of Oregon, 1951, 1954

In Music Education

FORREST KENT CAMPBELL, B.M., University of Kentucky, 1952; M.S., 1953
 JOHN NEWTON MAHARG, B.S.M., Capital University, 1942; Ed.Mus.M., Oberlin
 College, 1952

Degree of Doctor of Business Administration

JOHN DONALD FORSYTH, B.A., Queen's University, 1958; M.B.A., University of
 Detroit, 1962

Degree of Doctor of Musical Arts

JAMES STANLEY BALLINGER, B.Mus., University of Wichita, 1950; Mus.M., Oberlin
 College, 1953
 MALCOLM BILSON, A.B., Bard College, 1957; M.M., 1962

Degree of Master of Arts

In Anthropology

GUY THEODORE ASHTON, A.B., Grinnell College, 1963
 CAROL BERMAN STACK, A.B., University of California, 1961

In Art Education

JOAN MOROSKY DUBSON, B.F.A., 1965
 RICHARD TIMOTHY LAGEOSE, B.F.A., 1966
 TRACY BYROM WINKLER, B.F.A., 1963

In Art History

SUSANNE LUCIENNE PHILIPPSON CURCIC, B.F.A., 1963
 BARBARA JEAN WALTHER, B.A., University of Washington, 1954

In Chemistry

KATHERINE SUE COOK, A.B., Drury College, 1965

In Classics

LINDA STONEALL DAMMERS, B.A., Lawrence University, 1966

In Comparative Literature

BERTEL SIGFRED PEDERSEN, Aarhus University

In Economics

DONALD EDWARD BAER, B.A., Michigan State University, 1963

CORINNE ANN GUNTZEL, B.A., Carleton College, 1964
 ROBERT EDMOND SIEBERT, B.A., St. Procopius College, 1965
 THOMAS ALBERT WESSELS, A.B., St. Benedict's College, 1966

In Education

THOMAS HUGH ANDERSON, A.B., Antioch College, 1963
 RITA SANDRA MINTZ, A.B., Hunter College, 1966
 SHELLEY WEXLER SORANI, B.A., Barnard College, 1964

In English

INEZ LARSON ALFORS, B.A., Concordia College, 1965
 ROY MELVIN ANKER, B.A., Hope College, 1966
 RONALD GARTH EPPLE, B.A., Roosevelt University, 1963
 CHARLES EDWARD GOLDSTEIN, A.B., 1966
 DESMOND McLAWRENCE HAMLET, B.A., Inter American University of Puerto Rico, 1958; B.D., Waterloo Lutheran University, 1961

 BOBBY LEROY WHITTINGTON, B.S., 1958
 JACK LEE WIGGINS, B.S., Southern Illinois University, 1961
 SUSAN LOUISE WILKEN, B.S., 1964
 MARGARET MULCAHY WOERNER, B.S.Ed., University of New Mexico, 1964
 GHULAM JAILANI YAFTALI, B.Sc., Kabul University, 1963

Degree of Master of Architecture

CHARLES ANTHONY ALBANESE, B.Arch., 1965
 ANTHONY JOHN GODDARD, Dipl., Leicester College of Art and Design, 1965
 BRUCE LYMAN HUTCHINGS, B.Arch., University of Nebraska, 1961
 ALLEN WAYNE JOHNSON, B.Arch., 1966
 TSUTO KIMURA, B.E., Waseda University, 1958
 PETER KENNY SMITH, B.Arch., 1966

Degree of Master of Accounting Science

SUSAN SU-YUNG CHEN, B.A., National Taiwan University, 1963
 THOMAS FRANCIS CROWLEY, B.S., St. Joseph's College, 1966
 MICHAEL FRANCIS FORAN, B.S., University of Arizona, 1967
 STEVEN PARK HAVER, B.S., Northern Arizona University, 1967
 STEPHEN FRANCIS JABLONSKY, B.S., 1967
 KEI MIURA, B.S., Central Missouri State College, 1956
 JAMES HENRY RUTZ, B.S., Lewis College, 1966
 PAUL GEORGE SOTOS, B.S., 1967
 MICHAEL LEWIS UNDERWOOD, B.S., 1966
 JAMES GORDON WATSON, B.S., 1967
 ROGER EDWARD WESLEY, B.S., 1967
 ROBERT STEVEN WINNETT, B.S., Eastern Illinois University, 1957

Degree of Master of Business Administration

RICHARD PETER AMUNDSEN, B.Arch., 1966
 DANIEL JOSEPH BEATON, B.S., University of Wisconsin, 1962
 BARRY RONALD GLASER, A.B., 1965

JAMES JOHN GRUENHOLZ, B.S., 1964
 IVAN CLIFFORD JOHNSON, JR., B.S., 1966
 GEORGE DOUGLAS KELLER, B.S., Millikin University, 1966
 DANIEL CHARLES LEE, B.S., 1966
 SHELDON JAMES PROCTOR, B.S., 1965
 DENNIS ALAN RATHJE, B.S., 1966
 MARK JAMES RICHARDS, B.S., 1963
 MICHAEL SOLOMON ROZEFF, A.B., M.A.T., Harvard University, 1962, 1963; M.S., 1967
 KENNETH ROTH SILVERS, A.B., 1965
 HOWARD HENRY WIESE, B.S., 1966

Degree of Master of Commerce

DENNIS RICHARD SWANSON, B.A., Cornell College, 1965

Degree of Master of Landscape Architecture

PHILLIP EUGENE DETURK, B.F.A., 1961
 CARL FREDERICK GERLACH, B.S., Michigan State University, 1963

Degree of Master of Urban Planning

FRANKLYN HARRY BEAL, B.S., Antioch College, 1962
 GAETAN ALFRED CAIAZZO, B.L.A., University of Florida, 1964
 JAMES FRANCIS MCLAUGHLIN, B.U.P., 1967
 GARETH BRYNMOR THOMAS, Prof.Assoc., Royal Institution of Chartered Surveyors, 1960

Advanced Certificate

In Education

AARON GROVER GRAY, B.S., Eastern Illinois University, 1951; M.S., 1957
 MAY WEIFENNE HUANG, B.Ed., Taiwan Normal University, 1963; M.Sc., University of Massachusetts, 1966
 CATHERINE GIBSON LE DUC, B.S., South Dakota State University, 1963; Ed.M., 1967

Certificate of Advanced Study in Librarianship

EDITH JOHNSTON FRASER, B.A., University of Arizona, 1940; M.S., Florida State University, 1962

COLLEGE OF AGRICULTURE

SECRETARY'S REPORT

The Secretary presented for record appointments to the faculty made by the President, resignations and declinations, leaves of absence, and the following cancellation and change in sabbatical leaves of absence.

CANCELLATION OF SABBATICAL LEAVE OF ABSENCE

KIRK, COLLEEN J., Professor of Secondary and Continuing Education and of Music, and Counselor on University Council on Teacher Education, Urbana — sabbatical leave of absence granted her for Semester II 1967-68, on full pay, is cancelled without prejudice.

CHANGE IN SABBATICAL LEAVE OF ABSENCE

CASH, JACOB G., Professor of Dairy Science Extension, Urbana — sabbatical leave of absence changed from six months from January 1, 1968, on full pay, to three months from April 1, 1968, on full pay.

A copy of the complete report is filed with the Secretary.

ANNOUNCEMENTS FROM THE PRESIDENT OF THE BOARD**FUTURE BOARD MEETINGS**

President Swain announced the following schedule for the next three meetings of the Board: annual meeting of the Board, March 20, 1968, Urbana (having been changed by vote of the Board from Tuesday, March 12) ; April 17, 1968, at Chicago Circle ; May 15, 1968, in Urbana.

RECESS

On motion of Mr. Clement, the regular meeting was recessed and the President of the Board stated that following lunch, a meeting of the Committee on Buildings and Grounds had been called and that an executive session had been requested and was being ordered following the Committee meetings to consider recommendations relating to patentable discoveries, property acquisitions and pending litigation.

LUNCHEON

A film produced at the Medical Center Campus, "Educating the Dedicated," was shown to Trustees and other University personnel following the luncheon.

EXECUTIVE SESSION

When the Board reconvened, the same members of the Board, officers of the Board and officers of the University as recorded at the beginning of these minutes were present.

The Board considered the following recommendations from the President of the University.

RECOMMENDATIONS OF THE UNIVERSITY PATENT COMMITTEE

(32) The University Patent Committee, with the concurrence of the Chairman of the University Research Board, submits the following reports and recommendations relating to patentable inventions by members of the staff.

1. Low pressure absolute manometer — Wilfred C. Schuemann, former Research Associate in the Coordinated Science Laboratory, inventor; developed under the sponsorship of the Joint Services Electronics Program and the National Aeronautics and Space Administration.

The basic device consists of a metallic vane mounted on the end of an arm suspended at the center of a torsion fibre. The unknown pressure is on one side and a high vacuum on the other side of the vane. Molecules rebounding from one side of the vane give rise to a torque about the axis of the torsion fibre. A conducting grid is placed in front of the vane and a torque, opposing that caused by the molecules, can be produced by applying a voltage between the grid and the vane. A mirror is placed on the arm at the torsion fibre and optical techniques are used to determine a null position. The gas pressure on the back of the vane is made negligible by placing the vane in a wall between two vacuum systems. The first system contains the gas to be measured and the grid to produce the electrostatic force. The second system contains the suspension fibre mounting and a pump which has a pumping speed very much larger than the leakage conductance from system 1 to 2 through the gap around the vane.

The Committee recommends that the rights of the University in this invention be assigned to the National Aeronautics and Space Administration, if that is the wish of that agency, and that the University not request a waiver from that agency for the use of the invention.

2. Gamma ray probe for measuring submarine sediment density in situ—K. Preiss, former Assistant Professor of Civil Engineering and of Nuclear Engineering, inventor; developed under the sponsorship of the Office of Naval Research.

The probe consists of two tubes spaced approximately 12 inches apart and approximately 12 inches long. One tube contains a source of gamma radiation, which is cesium 137. The other tube contains a sodium-iodide scintillation counter which is arranged so as to count only the photons over the cesium 137 absorption peak. In such a system the density of the material between the tubes is proportional to the logarithm of the detected count rate. This detected count rate is sent by cable to a ship for recording.

The Committee recommends that the rights of the University be assigned to the inventor, subject to the rights of the Navy, and that if the inventor does not apply for a patent the rights be assigned to the United States Navy.

3. Monitored and adaptive socratic tutor for educational research, the MASTER I/O station for the SOCRATES computer based teaching system—Kenneth C. Smith, former Research Associate Professor of Electrical Engineering and of Electrical Engineering in the Department of Computer Science, inventor; developed under the sponsorship of the Office of Naval Research.

This is a film transport mechanism with transistorized function and timing logic for use under computer control as a teaching station. The film transport and projection system of the United States Industries' AutoTutor Mark II is used as well as printed circuit cards designed at the Department of Computer Science of the University of Illinois.

The Committee recommends that the rights of the University be assigned to the inventor, subject to the rights of the Navy, and that if the inventor does not apply for a patent the rights be assigned to the United States Navy.

4. N-Carbalkoxy-O-Alkylamidoximes as insecticides—Dominick A. Coviello, Associate Professor of Chemistry in the College of Pharmacy, Sheila R. Liberman, former Assistant in Chemistry in the College of Pharmacy, and Bernard Greenberg, Professor of Biological Sciences at Chicago Circle, inventors.

Derivatives of the general structure designated N-Carbalkoxy-O-Alkylamidoximes have been prepared and have demonstrated an ability to kill houseflies.

The Committee recommends that the rights of the University be assigned to the inventors.

5. Solid state junction devices for light detection and modulation—Chih-Tang Sah, Professor of Electrical Engineering and of Physics, inventor; developed under the sponsorship of the Advanced Research Projects Agency and the Air Force Office of Scientific Research.

Light modulation and detection can be obtained at the impurity centers in the depletion region of a semiconductor junction. This invention proposes the use of this newly discovered phenomena by this inventor for light detection, modulation and cross modulation.

The Committee recommends that the rights of the University in this invention be assigned to the University of Illinois Foundation for further study and patent application, such assignment subject to the rights of the sponsoring agencies.

6. Electrochemical and/or chemical reduction projects of hexavalent chromium prepared by molten salt techniques—H. A. Laitinen, Professor of Chemistry, and J. H. Propp, former Research Assistant in Chemistry, inventors; developed under the sponsorship of the United States Army Research Office at Durham.

A protective coating has been prepared by electroreduction of chromate in molten lithium chloride-potassium chloride in the presence of magnesium chloride at temperatures of approximately 350-600°C.

The Committee recommends that the rights of the University in this invention be assigned to the University of Illinois Foundation for further study and patent application, such assignment subject to the rights of the sponsoring agency.

7. Tube latex glutination test ("Malaria Vaccine and Malaria Diagnostic Test"), Miodrag Ristic, Professor of Veterinary Pathology and Hygiene, in the College of Veterinary Medicine, and of Veterinary Research, in the College of Agriculture, Radmilo A. Todorovic, Research Associate in Veterinary Path-

ology and Hygiene, in the College of Veterinary Medicine, and in Dairy Science, in the Agricultural Experiment Station, Arnold Ray Smith, Post-D.V.M. Trainee, inventors; developed under the sponsorship of the National Institutes of Allergy and Infectious Disease and the National Heart Institute.

An antigen was extracted from the serum of animals acutely infected with malarial parasites. When this antigen was freed from most of the native serum components, it was found to be useful in a tube latex agglutination (TLA) test for diagnosis of various malarias, including that of man. Preliminary trials with this antigen indicate that it is immunogenic and that it may be used for prevention of malarial infections.

A patent application has been filed. The Committee recommends that assignment be made to the University of Illinois Foundation, subject to the rights of the sponsoring agencies.

On motion of Mr. Clement, these recommendations were approved.

EMPLOYMENT OF SPECIAL COUNSEL

(33) At its meeting on September 20, 1967, the Board of Trustees authorized the Legal Counsel to take such steps as are necessary or appropriate, including the employment of special counsel, to defend the University and its employees in a suit filed in the Circuit Court of Cook County (67 L 13177) by Howard S. Chapman, one of the passengers in a University plane which crashed November 28, 1966. In connection with the same transaction, Howard S. Chapman filed suit in the United States District Court for the Northern District of Illinois, Eastern Division (Civil Action No. 66 C 2335) against the United States of America. The Amended Complaint in the Federal suit seeks damage from the United States of America in the amount of \$850,000 for the alleged negligence of the United States in the matter. The United States of America has now filed in the Federal action a Third-Party Complaint against the University and its same representatives and agents who were named as defendants by Howard S. Chapman in the State court action. The Third-Party Complaint seeks to require the University and its representatives and agents to indemnify the United States for or, alternatively, to contribute a prorata share of any liability assessed against the United States of America in the Federal Court action.

Each of the University employees named as a defendant in the Third-Party Complaint is alleged to have been performing his University duties on the occasions referred to, and each has requested the University to provide representation for him in the matter.

The Legal Counsel recommends that he be authorized to take such steps as are necessary or appropriate, including the employment of special counsel, to defend the University and its employees in the Federal proceedings.

I concur.

On motion of Mr. Clement, this recommendation was approved.

PENDING LITIGATION

The Legal Counsel reported on the status of condemnation cases, including the pending condemnation of the Winship Property at the University of Illinois-Willard Airport. At the request of the Legal Counsel and on motion of Mr. Grimes, the Board granted the officers of the University authority to settle the condemnation at a price up to \$1,200 per acre plus damages to land not taken, if such settlement is indicated by the progress of the litigation.

On motion of Mr. Grimes, the Board adjourned.

EARL W. PORTER
Secretary

TIMOTHY W. SWAIN
President

ANNUAL MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

March 20, 1968

The annual meeting of The Board of Trustees of the University of Illinois was held in the Pennsylvania Avenue Residence Halls, on the Urbana-Champaign campus, on Wednesday, March 20, 1968, beginning at 9:45 a.m.

President Timothy W. Swain called the meeting to order and asked the Secretary to call the roll. The following members of the Board were present: Mr. Howard W. Clement, Mr. Donald R. Grimes, Mr. Ralph C. Hahn, Mr. Earl M. Hughes, Mr. Theodore A. Jones, Mr. Harold Pogue, Mr. Timothy W. Swain, Mr. Kenney E. Williamson. Governor Otto Kerner, Mr. Ray Page, and Dr. James A. Weatherly were absent.

Also present were President David D. Henry; Executive Vice-President and Provost Lyle H. Lanier; Chancellor Norman A. Parker, University of Illinois at Chicago Circle; Chancellor Joseph S. Begando, University of Illinois at the Medical Center; Chancellor Jack W. Peltason, University of Illinois at Urbana-Champaign; Mr. C. S. Havens, University Director of Physical Plant Planning and Construction; Mr. C. E. Flynn, Assistant to the President and University Director of Public Information; Mr. James J. Costello, Legal Counsel; Dr. Daniel C. McCluney, Dean of Faculties, Chicago Circle; Mr. Vernon L. Kretschmer, University Associate Director of Physical Plant Planning and Construction; Mr. R. C. Wicklund, Staff Associate in the Board of Trustees Office and Assistant Secretary of the University; Mr. Eugene S. Pitcher, Assistant to the Director of the Physical Plant, Urbana; Mr. Robert W. Evans, Director of Public Information, Urbana; Mr. Max I. Light, Director of Public Information, Medical Center; Mr. Grover E. Shipton, Director of Public Information, Chicago Circle; and the officers of the Board, Mr. H. O. Farber, Comptroller; Mr. R. R. Manchester, Treasurer; and Dr. Earl W. Porter, Secretary.

TRIBUTE TO WILLIAM E. POLLACK

The President of the Board called to the attention of the Trustees the recent death of Representative William E. Pollack, a legislative leader for many years, and friend of the University.

Mr. Jones spoke briefly in tribute to Mr. Pollack and at Mr. Jones' suggestion the members of the Board stood for a moment of silence.

ELECTION OF OFFICERS

The Board took up the special order of business for the annual meeting and Mr. Swain called for the election of officers.

President of the Board

Mr. Grimes nominated Mr. Swain for re-election.

Mr. Swain asked the Board to elect a temporary chairman.

On nomination of Mr. Williamson, Mr. Hughes was elected by acclamation and took the chair.

Mr. Pogue moved the nominations be closed and that the Secretary cast a unanimous ballot of the Board for the election of Mr. Swain as President.

The ballot was so cast, and Mr. Swain was declared elected President of the Board, to serve until the next annual meeting of the Board in March, 1969, or until his successor shall have been elected. Mr. Swain took the chair and spoke briefly of his appreciation for the expression of support indicating his intention to serve the University and the Board to the best of his ability.

Secretary of the Board

Mr. Grimes nominated Mr. Earl W. Porter.

On motion of Mr. Hughes, the nominations were closed, and Mr. Porter was declared elected Secretary of the Board, to serve until the next annual meeting of the Board in March, 1969, or until his successor shall have been elected.

Comptroller of the Board

Mr. Jones nominated Mr. H. O. Farber.

On motion of Mr. Hughes, the nominations were closed, and the Secretary was instructed to cast a unanimous ballot of the Board for the election of Mr. Farber as Comptroller. The ballot was so cast and Mr. Farber was declared elected Comptroller, to serve until the next annual meeting of the Board in March, 1969, or until his successor shall have been elected.

Executive Committee

Mr. Hahn nominated Mr. Clement and Mr. Hughes to serve as members of the Executive Committee, with the President of the Board as Chairman.

On motion of Mr. Jones, the nominations were closed, and the Secretary was instructed to record the unanimous ballot of the Board for the election of Mr. Clement and Mr. Hughes to the Executive Committee. The ballot was so cast and Mr. Clement and Mr. Hughes were declared elected members of the Executive Committee, to serve until the next annual meeting of the Board in March, 1969, or until their successors shall have been elected.

DELEGATION OF SIGNATURES

Mr. Williamson offered the following resolution:

Resolved, that the President and the Secretary of The Board of Trustees of the University of Illinois are authorized to delegate the signing of their names as President and Secretary, respectively, to vouchers to be presented to the Auditor of Public Accounts, and to warrants drawn on the Treasurer of the University, under the following conditions:

The President of the Board of Trustees is authorized to delegate to

C. O. Parvin, R. N. Parker, in Urbana

C. H. Moody, Helen Culbertson, in Springfield

James E. Osborn, David W. Bonham, Walter E. Cowart, R. E. Porter, H. O. Albers, A. W. Catrambone, in Chicago

authority to sign his name as President of the Board of Trustees to vouchers against the Auditor of Public Accounts; and to

C. C. DeLong, R. W. Zimmer, W. M. Griffith, in Urbana

James E. Osborn, David W. Bonham, Walter E. Cowart, R. E. Porter, H. O. Albers, A. W. Catrambone, in Chicago

authority to sign his name to warrants on the University Treasurer covering vouchers approved in accordance with regulations approved by the Board.

The Secretary of the Board of Trustees is authorized to delegate to

R. C. Wicklund, George H. Bargh, Virginia J. Hendrix, in Urbana

Deane R. Doolen, Anthony J. Diekema, Velma M. Davis, H. W. Bailey, Kirker Smith, L. W. Sandy, in Chicago

authority to sign his name as Secretary of the Board of Trustees to vouchers against the Auditor of Public Accounts and to warrants on the University Treasurer covering vouchers approved in accordance with regulations of the Board. The Secretary of the Board of Trustees is also authorized to delegate to

Lean C. Ryan, Addalein C. Hawk, in Springfield

authority to sign his name as Secretary of the Board of Trustees on vouchers against the Auditor of Public Accounts approved in accordance with the regulations of the Board.

These authorizations are to continue in effect until the Auditor of Public Accounts has been supplied with specimen signatures of succeeding officers of this Board. And be it further

Resolved, that the First National Bank of Chicago as a designated depository of R. R. Manchester, Treasurer of this corporation, be and it (including its correspondent banks) is hereby requested, authorized, and directed to honor checks, drafts, or other orders for the payment of money drawn in this corporation's name, including those drawn to the individual order of any person or persons whose name or names appear thereon as signer or signers thereof, when bearing or purporting to bear the facsimile signatures of the two following: President and Secretary; and the First National Bank of Chicago (including its correspondent banks) shall be entitled to honor and to charge this corporation for all such checks, drafts, or other orders, regardless of by whom or by what means the facsimile signature or signatures thereon may have been affixed thereto, if such facsimile signature or signatures resemble the facsimile specimens duly certified to or filed with the First National Bank of Chicago by the Secretary or other officer of this corporation. And be it further

Resolved, that the Auditor of Public Accounts is hereby authorized and directed to honor vouchers bearing facsimile signatures of the President and Secretary of The Board of Trustees of the University of Illinois if such facsimile signatures resemble the facsimile specimens duly certified to or filed with the Auditor of Public Accounts by the Secretary.

This resolution was unanimously adopted.

STANDING COMMITTEES FOR 1968-69

The President of the Board appointed the following standing committees to serve during the year 1968-69, or until their successors have

been appointed following the annual meeting of the Board of Trustees in March, 1969.

The President of the University is a member, *ex officio*, of all standing committees.

AMENDMENTS TO THE BY-LAWS OF THE BOARD OF TRUSTEES

At the Special Meeting of the Board of Trustees in Springfield on December 9, 1967, it was suggested that the occasion for that meeting, to select a successor to the late Wayne A. Johnston as President of the Board, emphasized the need to make provision for interim succession to that office. It was understood that the staff would study the matter and develop recommendations for procedures as soon as possible.

Such recommendations have now been developed by the Legal Counsel and also following are amendments to the By-Laws of the Board of Trustees suggested by the Legal Counsel as appropriate to accomplish interim succession to vacant offices of the Board.

These suggestions are presented for the consideration of the Board and whatever action is deemed appropriate.

Article V. Terms of Officers and Appointees of the Board

Section 1. The officers of the Board shall consist of a President, Recording Secretary, and Comptroller, who shall be elected for a term of one year, and a Treasurer who shall be elected for a term of two years.

They shall be elected at the annual meeting of the Board and shall hold office until their successors are elected and qualified. All vacancies for any cause shall be filled by vote of the Board of Trustees in organized meeting, *provided that for the period between the occurrence of any vacancy and the next regular meeting of the Board of Trustees, the Chairman of the General Policy Committee of the Board shall be and become President, if the vacancy exists in that office, otherwise such person as may be designated by the President shall be and become the Recording Secretary, Comptroller, or Treasurer, as the case may be.*

Article VI. Duties of Officers and Appointees of the Board

Section 8. Assistant Recording Secretary and Assistant Comptroller. The President of the Board, in consultation with the President of the University, may appoint members of the staff as Assistant Recording Secretary and Assistant Comptroller, who shall perform the duties of the Recording Secretary and Comptroller, respectively, during absences of those officers, and who shall perform such other duties as from time to time may be assigned to them.

On motion of Mr. Jones, the foregoing amendments to the By-Laws were adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Ray Page, Dr. James A. Weatherly.

Mr. Jones suggested that it would be desirable for the complete text of the By-Laws to be reviewed to determine the need for any further revisions or amendments. He asked that the administration undertake this task and President Henry indicated that this would be done within the coming months.

APPOINTMENTS OF ASSISTANT COMPTROLLER AND ASSISTANT RECORDING SECRETARY OF THE BOARD OF TRUSTEES

The President of the Board, after consultation with the President of the University and in accordance with the foregoing amendment to Section 8 of Article VI of the By-Laws, reports for the record the appointment of Morris S. Kessler as Assistant Comptroller of the Board of Trustees and Romayne C. Wicklund as Assistant Recording Secretary of the Board of Trustees. These appointments are to be effective until further notice.¹

On motion of Mr. Williamson, this report was received for record.

RESOLUTION OF APPRECIATION

Mr. Hahn presented the following resolution:

On March 11, 1968, the one hundredth anniversary of the Inauguration of the University, a Centennial Convocation at the Urbana campus brought to a close year-long celebrations on each campus which gave perspective to the achievements of the University in its first century and provided a forum for consideration of its role in the future.

From the signing by the Governor, on February 28, 1967, of a Centennial Proclamation through the entire year thereafter, this institutional milestone has been marked by a wide range of University-wide activities including lectures and colloquia, special cultural events and exhibits, and involving many eminent visitors and speakers. The imagination, planning, and energy of those responsible for the achievement of such a noteworthy observation deserve congratulation. It has been a year to remember!

Be It Therefore Resolved, that the President of the University is requested by the Board of Trustees to convey the grateful appreciation of the Board to members of the faculties, student bodies, and administrative officers and staffs and to the various committees throughout the University who were involved in planning and carrying out a distinguished and highly appropriate program for the celebration of the Centennial Year of the University of Illinois.

On motion of Mr. Pogue, this resolution was unanimously adopted by a rising vote.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board took up consideration of the following reports and recommendations from the President of the University.

¹ By action of the Board of Trustees on May 17, 1961, George H. Bargh was appointed Assistant Treasurer, the appointment to be until further notice.

PRESIDENT'S REPORT

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

BUDGET FOR 1968 SUMMER QUARTER AND FACULTY APPOINTMENTS. CHICAGO CIRCLE

(1) Submitted herewith are the budget and appointments to the faculty for the 1968 Summer Quarter at Chicago Circle from June 17 through August 30, 1968.

The total budget is for salaries in the amount of \$760,000.

The salaries recommended are computed on the basis of one-third of the salary of the academic year for a full quarter of service, with proportionate amounts for shorter periods or for part-time service.

I recommend that these appointments to the summer quarter staff at Chicago Circle be approved as submitted, and that the President of the University be authorized to accept resignations and make such changes and adjustments and additional appointments as are necessary in accordance with the needs of the University within the allocations of funds indicated.

On motion of Mr. Clement, these appointments and the summer quarter budget for 1968 for Chicago Circle were approved, and authority was given as requested; this action was taken by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

APPOINTMENTS TO THE FACULTY

(2) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

Positions in the University are classified in the following categories and are designated in the budget by the symbols indicated: A— indefinite tenure; P— indefinite term appointment for part-time service only; B— two years; D— one year; E— nine months from the beginning of the academic year; G— special tenure; Q— initial term appointment for Professor or Associate Professor; Y— twelve months' service required instead of two semesters; 1-7— indicates the number of years of service which will be credited at the end of the contract period toward completion of the probationary period relating to tenure.

Figures following a symbol indicate percentage of time if the appointment is on a part-time basis (e.g., D75 means one year on three-fourths time).

Urbana-Champaign

1. JOHN L. BRITTON, Visiting Professor of Mathematics, for the period from February 1, 1968, through March 31, 1968 (G), at a salary of \$4,000.
2. GLENN E. HALL, Assistant Professor of Agricultural Engineering, beginning February 1, 1968 (1Y), at an annual salary of \$15,000.
3. P. LAL, Visiting Professor of Comparative Literature, in the Center for Asian Studies, for the period from February 1, 1968, through June 15, 1968 (E), at a salary of \$7,000.

4. NELSON R. NUNNALLY, Assistant Professor of Geography, beginning September 1, 1968 (1), at an annual salary of \$13,000.
5. WILLIAM J. REILLY, Visiting Professor in the Institute of Labor and Industrial Relations, on one-fourth time, for the second semester 1967-68 (E25), at a salary of \$3,800.
6. ROBERT A. VAN KLUYVE, Visiting Assistant Professor of English, for the second semester 1967-68 (E), at a salary of \$6,700.

On motion of Mr. Grimes, these appointments were confirmed.

DEANSHIP OF THE COLLEGE OF EDUCATION, CHICAGO CIRCLE

(3) I recommend the appointment of Dr. David Canning Epperson, presently Associate Professor of Higher Education and Associate Provost of the University of Illinois, as Professor of Education on indefinite tenure and Dean of the College of Education at Chicago Circle beginning April 1, 1968, at an annual salary of \$25,000 on a twelve months' service basis. The appointment as Dean will be from April 1, 1968, through August 31, 1969, which is consistent with the statutory provision of biennial tenure of deans, such appointments usually coinciding with the fiscal biennium.

The recommendation is based upon a report from a special committee¹ and after consultation with the Dean of Faculties and Executive Committee of the College of Education.

On motion of Mr. Jones, this appointment was approved.

APPOINTMENTS TO THE CENTER FOR ADVANCED STUDY

(4) Upon recommendation of the Policy Committee of the Center for Advanced Study, and with the concurrence of the Dean of the Graduate College and the Executive Vice-President and Provost, I submit the following nominations for appointments of Associates in the Center for Advanced Study during the academic year 1968-69 and for the program of research or study as indicated in each case.

Chicago Circle

- NORMAN BLACKBURN, Professor of Mathematics, for two quarters, to carry on research related to the study of nilpotent groups and to participate in the Conference on Group Theory (University of Chicago, 1968-69).
- PAUL FONG, Associate Professor of Mathematics, for two quarters, for research on finite groups, in particular, simple groups; and to participate in the Conference on Group Theory (University of Chicago, 1968-69).
- NOBURO ITO, Professor of Mathematics, for two quarters, to investigate classes of doubly transitive permutation groups, and to participate in the Conference on Group Theory (University of Chicago, 1968-69).
- RUTH B. MARCUS, Professor and Head of the Department of Philosophy, for one quarter, to continue her philosophical inquiry into the nature of essentialism.
- JAN ROCEK, Professor of Chemistry, for two quarters, to pursue his studies of the mechanisms of the oxidation of organic compounds.

Urbana-Champaign

- LLOYD E. BERRY, Professor of English, for the second semester, to continue his research on an edition of the complete works of Sir Thomas Elyot.
- EDWARD H. BETTS, Professor of Art, for one semester, to continue creative work in the field of painting.
- DAVID J. BORDUA, Professor of Sociology, for the academic year, to continue his research on several interrelated projects concerning police organization and operations.
- DONALD L. BURKHOLDER, Professor of Mathematics, for the academic year, to pursue his studies in martingale and ergodic theories and related areas of probability theory and analysis.
- JOHN CAGE, Visiting Professor in the School of Music and Associate in the Center for Advanced Study 1967-68, for the academic year, to produce a musical composition utilizing the facilities of the electronic music studio.

¹ W. L. Garrison, Director of the Center for Urban Studies, *Chairman*; Eliezer Krumbein, Associate Professor of Education; George E. Miller, M.D., Professor of Medicine and Director of Research in Medical Education at the Medical Center; Mrs. Wilma J. Pesavento, Associate Professor and Head of the Department of Physical Education for Women; Robert V. Remini, Professor and Chairman of the Department of History.

- DANIEL CURLEY, Professor of English, for the academic year, to continue his work in the field of creative writing.
- JAMES DOUGLAS, George A. Miller Professor in the Department of Political Science and Visiting Associate, for the academic year, to analyze the dynamics of the two-party system in Britain and to relate the analysis to the mainstream of current political theory.
- JOHN L. HELLER, Professor of the Classics, for the second semester, to complete an index and bibliography interpreting the zoological abbreviations in the tenth and twelfth editions of Linnaeus' *Systema naturae*.
- LLOYD G. HUMPHREYS, Professor and Head of the Department of Psychology and Professor of Educational Psychology, for one semester, to continue his research in the area of factor analysis and to complete the first of several volumes on the nature of intelligence.
- ROBERT W. JOHANNSEN, Professor of History, for the first semester, to complete his biography of Stephen A. Douglas.
- FRANCOIS JOST, Professor of French and Chairman of Program on Comparative Literature, for the academic year, to continue his study of the theory and technique of the novel in its international context.
- RUDELPH A. MARCUS, Professor of Physical Chemistry in the Department of Chemistry and Chemical Engineering, for the academic year, to pursue research in the field of theoretical chemical kinetics.
- RAJ MITTRA, Professor of Electrical Engineering, for the academic year, to continue research in the field of electromagnetic wave propagation and related areas.
- STEPHEN J. Y. TANG, Professor of Architectural Engineering in the Department of Architecture, for the academic year, to further his study of the problems of integrating the structural, mechanical, electrical, and environmental requirements in contemporary building complexes.

On motion of Mr. Hahn, these appointments were approved.

UNDERGRADUATE INSTRUCTIONAL AWARDS FOR THE SUMMER OF 1968

(5) To encourage faculty interest in the systematic improvement in the quality of undergraduate instruction, the program of Undergraduate Instructional Awards is being proposed for continuation during the summer of 1968. The awards provide a full-time salary for two months (two-ninths of the academic year salary) plus required incidental expenses.

Chicago Circle

The Dean of Faculties, through the deans and directors, invited faculty members to submit applications with complete descriptions of the work proposed. After approval by heads of departments and review by the deans of the colleges and their committees, sixteen applications were submitted with priorities indicated. A special committee evaluated the proposals and recommended for support those believed to hold most promise of benefit to undergraduate instruction.

In the light of the review of the proposals, the Dean of Faculties recommends, with the Chancellor's concurrence, that full-time appointments for two months during the summer of 1968, at current salary rates, be authorized for the following faculty members (total of eight involving six proposals):

	Salary	Expenses
Larry L. Abels, Assistant Professor of Physics.....	\$ 2 356 00	
Edna S. Epstein, Assistant Professor of French.....	1 934 00	
George Huppert, Assistant Professor of History.....	2 556 00	
David S. Hacker, Associate Professor of Energy Engineering.....	3 156 00	
Chaim Gutfinger, Associate Professor of Energy Engineering.....	2 778 00	
Thomas M. Mulcahy, Assistant Professor of Engineering Mechanics.....	2 256 00	\$ 400 00
James F. Niss, Assistant Professor of Economics.....	2 534 00	500 00
Karl A. Schleunes, Assistant Professor of History....	2 223 00	
	(\$19 793 00)	(\$ 900 00)

Urbana-Champaign

The Vice-Chancellor for Academic Affairs invited faculty members to submit applications with complete descriptions of the work proposed. After approval by heads of departments and review by the deans of the colleges and their committees, thirty-five applications were submitted. A special committee evaluated the proposals and recommended support for those which the committee believed to be most meritorious and to promise the greatest potential benefits to undergraduate instruction.

Based on the review of the proposals, the Vice-Chancellor for Academic Affairs recommends, with the Chancellor's concurrence, that full-time appointments for two months during the summer of 1968 at current salary rates be authorized for the following faculty members (total of fifteen individuals for twelve projects):

	<i>Salary</i>	<i>Expenses</i>
Nicholas Britsky, Professor of Art.....	\$ 3 334 00	
Claude A. Winkelhake, Associate Professor of Architecture.....	2 834 00	\$ 100 00
Ambrose W. Burger, Professor of Agronomy.....	(1)	
Burns R. Sabey, Associate Professor of Soil Microbiology in Agronomy.....	(1)	600 00
Rasio Dunatov, Assistant Professor of Russian.....	2 112 00	
Thaddeus M. Elsesser, Associate Professor of Theoretical and Applied Mechanics.....	2 445 00	900 00
Harry R. Wetenkamp, Professor of Theoretical and Applied Mechanics.....	3 223 00	
David M. Gardner, Assistant Professor of Marketing..	2 556 00	555 00
Gilbert P. Haight, Jr., Professor of Chemistry.....	4 489 00	8 422 00
George H. Kieffer, Assistant Professor of Zoology in the Division of General Studies and in Life Sciences.....	2 445 00	8 269 00
Charles B. Looker, Jr., Professor of Architecture.....	3 200 00	
William E. Montague, Associate Professor of Psychology and in Computer-Based Education Research Laboratory.....	2 645 00	3 356 00
Frank A. Morrison, Jr., Assistant Professor of Mechanical Engineering.....	2 445 00	200 00
Thomas A. Murrell, Associate Professor of Electrical Engineering and in Computer Science.....	3 023 00	
John T. Pfeffer, Associate Professor of Sanitary Engineering.....	2 778 00	
	(\$37 529 00)	(\$22 402 00)
	<u>\$57 322 00</u>	<u>\$23 302 00</u>

Through a grant from Standard Oil (Indiana) Foundation, Special Awards of \$1,000 each will be made to those individuals whose completed projects are judged to be the most outstanding in terms of probable contribution to undergraduate education. The nominees for these Special Awards will be selected on the basis of final reports submitted following the end of the summer session, and recommendations will be submitted to the Board for approval.

The Executive Vice-President and Provost endorses these recommendations and further recommends that funds for these awards and associated expenses be assigned from the General Reserve at the respective campuses.

I concur.

On motion of Mr. Hughes, these recommendations were approved and the requested assignments of funds were made by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mr. Williamson; no none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

¹ Without additional salary since presently on year-round service. An amount of \$7,579 (the two-month salaries of Messrs. Burger and Sabey) is being transferred to the salary budget of the College of Agriculture to cover replacement of their services.

SABBATICAL LEAVES OF ABSENCE, 1968-69

(6) It is recommended that the following members of the faculty be given sabbatical leaves of absence during the academic year 1968-69 in accordance with the provisions of the University of Illinois *Statutes* and on the terms and for the periods indicated.

The programs of research, study, and travel for which leaves are requested have been examined by the University Research Board, which advises the President in such matters, and by the Executive Vice-President and Provost, who also recommends approval.

CHICAGO CIRCLE**College of Architecture and Art***Department of Architecture*

JON L. LILJEQUIST, Assistant Professor of Engineering in Architecture, fall and winter quarters 1968-69, three-fourths pay.

Department of Art

RICHARD KOPPE, Professor of Art, fall quarter 1968-69, full pay.

MARTIN HURTIG, Associate Professor of Art, academic year 1968-69, one-half pay.

College of Liberal Arts and Sciences*Department of Chemistry*

ROBERT L. MILLER, Associate Dean of the College of Liberal Arts and Sciences and Associate Professor of Chemistry, six months from July 1, 1968, full pay.

Department of English

IRVING D. BLUM, Associate Professor of English, spring quarter 1968-69, full pay.

WILLIS CLIFFORD JACKMAN, Assistant Professor of English and Acting Associate Dean of the College of Liberal Arts and Sciences, fall and winter quarters 1968-69, three-fourths pay.

WILLIE N. LOVE, Assistant Professor of English, winter quarter 1968-69, full pay.

PATRICIA ANN MCFATE, Assistant Professor of English and Assistant Dean of the College of Liberal Arts and Sciences, fall and winter quarters 1968-69, one-half pay.

JAMES B. STRONKS, Professor of English, winter and spring quarters 1968-69, three-fourths pay.

MAURITA F. WILLETT, Assistant Professor of English, winter quarter 1968-69, full pay.

Department of French

MARIE E. LEIN, Associate Professor of French, spring quarter 1968-69, full pay.

Department of History

CAROLYN A. EDIE, Associate Professor of History, winter and spring quarters 1968-69, three-fourths pay.

STANLEY L. JONES, Professor of History, winter and spring quarters 1968-69, three-fourths pay.

Department of Mathematics

RUTH M. BALLARD, Assistant Professor of Mathematics, academic year 1968-69, one-half pay.

Department of Philosophy

RUTH BARCAN MARCUS, Professor and Head of the Department of Philosophy, fall quarter 1968-69, full pay.

IRVING THALBERG, Associate Professor of Philosophy, winter quarter 1968-69, full pay.

Department of Physics

LESTER WINSBERG, Professor of Physics, fall and winter quarters 1968-69, one-half pay.

Department of Political Science

TWILEY W. BARKER, JR., Professor of Political Science, spring quarter 1968-69, full pay.

MILTON RAKOVE, Associate Professor of Political Science, winter quarter 1968-69, full pay.

Department of Spanish

JOSE SÁNCHEZ, Professor of Spanish, winter quarter 1968-69, full pay.

Department of Speech and Theatre

R. VICTOR HARNACK, Professor and Head of the Department of Speech and Theatre, spring quarter 1968-69, full pay.

HELEN JANET HOVDE, Assistant Professor of Speech, winter quarter 1968-69, full pay.

CARL ALLEN PITT, Professor of Speech, winter quarter 1968-69, full pay.

Library

MARIE A. RAPP, Circulation Librarian with rank of Associate Professor, six months from October 1, 1968, full pay.

School of Physical Education*Department of Physical Education for Women*

WILMA J. PESAVENTO, Associate Professor and Head of the Department of Physical Education for Women, academic year 1968-69, half pay.

MEDICAL CENTER**College of Dentistry***Department of Histology*

ROY JAMES GILLETTE, Professor, one year from September 1, 1968, one-half pay.

College of Medicine*Department of Anatomy*

ARTHUR LAVELLE, Professor of Anatomy, one year from September 1, 1968, one-half pay.

Department of Biological Chemistry

RALPH H. KATHAN, Assistant Professor of Biological Chemistry, three months from January 6, 1969, full pay.

Department of Dermatology

BRIAN POTTER, Associate Professor of Dermatology, six months from January 1, 1969, full pay.

Department of Medicine

GEORGE GEE JACKSON, Professor of Medicine, one year from September 1, 1968, one-half pay; leave contingent upon receipt of supplementary financial aid.

Department of Microbiology

MILAN VACLAV NOVAK, Professor of Microbiology and Associate Dean of the Graduate College, three months from January 1, 1969, and possibly three months during 1969-70, full pay.

Department of Pathology

HUBERT R. CATCHPOLE, Research Professor of Pathology, six months from September 15, 1968, full pay.

ELIE P. LEROY, Professor of Pathology and Pathologist in the Research and Educational Hospitals, six months from September 15, 1968, full pay.

Department of Pediatrics

CHARLES F. ABILDGAARD, Associate Professor of Pediatrics, one year from July 1, 1968, one-half pay, or six months from July 1, 1968, full pay; one-year leave contingent upon receipt of supplementary financial aid.

Department of Pharmacology

BERNARD P. SALAFSKY, Assistant Professor of Pharmacology, fall and winter quarters 1968-69, one-half pay.

MARTIN P. SCHULMAN, Professor of Pharmacology, one year from September 1, 1968, one-half pay, or six months beginning September 1, 1968, full pay; full-year leave contingent upon receipt of supplementary financial aid.

Department of Psychiatry

ROSALIND D. CARTWRIGHT, Professor of Psychology in the Department of Psychiatry, six months from April 1, 1968, full pay.

Department of Chemistry **College of Pharmacy**

ALFRED J. PERKINS, Professor of Chemistry, first semester 1968-69, full pay.

URBANA

College of Agriculture

Department of Agricultural Economics

STEPHEN C. SCHMIDT, Associate Professor of Agricultural Marketing and Policy in Agricultural Economics, ten months from September 1, 1968, one-half pay.

EARL R. SWANSON, Professor of Farm Management Production Economics and Associate Head of the Department of Agricultural Economics, six months from July 1, 1968, full pay.

DELMAR F. WILKEN, Associate Professor of Farm Management Extension in Agricultural Economics, six months from June 1, 1968, full pay.

Department of Agricultural Engineering

ROLAND F. ESPENSCHIED, Assistant Professor of Agricultural Engineering and of Vocational Agriculture, one year from September 1, 1968, one-half pay.

DONNELL R. HUNT, Associate Professor of Agricultural Engineering, one year from September 1, 1968, one-half pay; leave contingent upon receipt of supplementary financial aid.

Department of Agronomy

SAMUEL G. CARMER, Associate Professor of Biometry in Agronomy, six months beginning September 1, 1968, full pay.

LESTER T. KURTZ, Professor of Soil Fertility in Agronomy, six months from September 15, 1968, full pay.

Department of Dairy Science

CHARLES N. GRAVES, Assistant Professor of Physiology in Dairy Science, one year from September 1, 1968, one-half pay.

Department of Food Science

REID T. MILNER, Professor and Head of the Department of Food Science, six months beginning March 1, 1969, full pay.

Department of Horticulture

CHARLES YESBRA ARNOLD, Professor of Vegetable Crops in Horticulture, six months from February 1, 1969, full pay.

JACKIE DEAN BUTLER, Assistant Professor of Turf Extension in Horticulture, six months beginning September 1, 1968, full pay.

THOMAS K. HODGES, Assistant Professor of Plant Physiology in Horticulture, six months from January 1, 1969, full pay.

College of Commerce and Business Administration

Department of Accountancy

ROBERT I. DICKEY, Professor of Accountancy, second semester 1968-69, full pay.

Bureau of Economic and Business Research

HERBERT I. SCHILLER, Research Professor in the Bureau of Economic and Business Research, six months beginning February 1, 1969, full pay.

Department of Economics

JOHN F. DUE, Professor of Economics, first semester 1968-69, full pay.

ROBERT W. HARBESON, McKinley Professor of Economics and Public Utilities, second semester 1968-69, full pay.

DONALD W. PADEN, Professor of Economics, academic year 1968-69, one-half pay.

JOHN B. PARRISH, Professor of Economics, first semester 1968-69, one-half pay.

Department of Finance

JAMES W. LEONARD, Associate Professor of Finance, first semester 1968-69, full pay.

College of Education

Department of Educational Psychology

NORMAN E. GRONLUND, Professor of Educational Psychology, second semester 1968-69, full pay.

Department of Secondary and Continuing Education

R. WILL BURNETT, Professor of Secondary and Continuing Education and Chairman of the Department, six months beginning February 1, 1969, full pay.

RICHARD COLWELL, Associate Professor of Secondary and Continuing Education and of Music, and Counselor in Teacher Education, first semester 1968-69, full pay.

ORRIN E. GOULD, Associate Professor of Secondary and Continuing Education, first semester 1968-69, full pay.

GILBERT C. KETTELKAMP, Professor of Secondary and Continuing Education, six months beginning September 1, 1968, full pay.

ROBERT E. PINGRY, Professor of Secondary and Continuing Education, first semester 1968-69, full pay.

Department of Special Education

LAURA J. JORDAN, Associate Professor of Special Education and in the Institute for Research on Exceptional Children, second semester 1968-69, full pay.

Institute for Research on Exceptional Children

STEPHEN P. QUIGLEY, Professor of Special Education and in the Institute for Research on Exceptional Children, semester I, full pay.

College of Engineering

Department of Ceramic Engineering

RALPH L. COOK, Professor of Ceramic Engineering, second semester 1968-69, full pay.

Coordinated Science Laboratory

BRUCE L. HICKS, Professor of Aeronautical and Astronautical Engineering and Research Professor in the Coordinated Science Laboratory and in the Computer-Based Education Research Laboratory, six months beginning September 1, 1968, full pay.

Department of Electrical Engineering

FLOYD DUNN, Professor of Electrical Engineering and of Biophysics (College of Liberal Arts and Sciences), academic year 1968-69, one-half pay.

JOHN D. DYSON, Professor of Electrical Engineering, semester II 1968-69, full pay.

PAUL WILLIAM KLOCK, Associate Professor of Electrical Engineering, second semester 1968-69, full pay.

Department of Mining, Metallurgy, and Petroleum Engineering

CARL J. ALTSTETTER, Associate Professor of Physical Metallurgy, first semester 1968-69, full pay.

MARVIN METZGER, Professor of Physical Metallurgy, second semester 1968-69, full pay; leave contingent upon receipt of supplementary financial aid.

C. MARVIN WAYMAN, Professor of Metallurgical Engineering, second semester 1968-69, full pay.

Department of Physics

ALEXANDER ABASHIAN, Professor of Physics, semester II 1968-69, full pay.

GIULIO ASCOLI, Professor of Physics, first semester 1968-69, full pay.

JOHN BARDEEN, Professor of Physics and of Electrical Engineering and in the Center for Advanced Study, second semester 1968-69, full pay.

MORTON K. BRUSSEL, Associate Professor of Physics, academic year 1968-69, one-half pay.

MILES V. KLEIN, Associate Professor of Physics, first semester 1968-69, full pay.

DAVID LAZARUS, Professor of Physics, academic year 1968-69, one-half pay.

MANFRED J. RAETHER, Professor of Physics and Research Professor in the Coordinated Science Laboratory, first semester 1968-69, full pay.

HARVEY J. STAPLETON, Associate Professor of Physics, first semester 1968-69, full pay.

DAVID C. SUTTON, Assistant Professor of Physics, academic year 1968-69, one-half pay.

Department of Theoretical and Applied Mechanics

JO DEAN MORROW, Professor of Theoretical and Applied Mechanics, second semester 1968-69, full pay.

JAMES O'HREA SMITH, Professor of Theoretical and Applied Mechanics, second semester 1968-69, full pay.

College of Fine and Applied Arts

Department of Architecture

ALAN K. LAING, Professor of Architecture, second semester 1968-69, full pay.

FREDERIC DERR MOYER, Assistant Professor of Architecture and in the Curriculum Laboratory, academic year 1968-69, one-half pay, or second semester, full pay; full-year leave contingent upon receipt of supplementary financial aid.

Department of Art

EDWARD H. BETTS, Professor of Art, second semester 1968-69, full pay.

PETER BODNAR, Associate Professor of Art, academic year 1968-69, one-half pay.

FRANK E. GUNTER, Assistant Professor of Art, first semester 1968-69, full pay.

WALTER M. JOHNSON, Professor of Art, College of Fine and Applied Arts, and Head of Extension in Visual Arts, Division of University Extension, six months beginning February 1, 1969, full pay.

RAYMOND PERLMAN, Professor of Art, second semester 1968-69, full pay.

EDWIN C. RAE, Professor of Art, academic year 1968-69, one-half pay.

Department of Landscape Architecture

WILLIAM G. CARNES, Professor of Landscape Architecture and Chairman of Department, second semester 1968-69, full pay.

School of Music

DOROTHY EVELYN CLARK, Professor of Music and Counselor in the Student Counseling Service, first semester 1968-69, full pay.

ERIC LIONEL DALHEIM, Assistant Professor of Music, academic year 1968-69, one-half pay.

CHARLES DELANEY, Professor of Music, second semester 1968-69, full pay.

PETER SNOW FARRELL, Professor of Music, second semester 1968-69, full pay.

HOWARD KARP, Associate Professor of Music, academic year 1968-69, one-half pay.

CHARLES LEONHARD, Professor of Music, second-semester 1968-69, full pay.

BRUNO NETTL, Professor of Music, first semester 1968-69, one-half pay; leave contingent upon receipt of supplementary financial aid.

EVELYN REYNOLDS, Assistant Professor of Music, first semester 1968-69, one-half pay.

ROBERT BARTON SMITH, Associate Professor of Music and of Home Economics, second semester 1968-69, full pay.

College of Journalism and Communications

Department of Journalism

JOHN H. SCHACHT, Associate Professor of Journalism, second semester 1968-69, full pay.

Institute of Labor and Industrial Relations

MILTON DERBER, Professor of Labor and Industrial Relations, six months from September 15, 1968, full pay.

College of Liberal Arts and Sciences

Department of Anthropology

EDWARD M. BRUNER, Professor and Head of the Department of Anthropology, second semester 1968-69, full pay.

Department of Botany

ZANE B. CAROTHERS, Associate Professor of Botany, second semester 1968-69, full pay.

LARRY RONALD HOFFMAN, Assistant Professor of Botany, second semester 1968-69, full pay.

TOMMY L. PHILLIPS, Associate Professor of Botany, second semester 1968-69, full pay.

Department of Chemistry and Chemical Engineering

PETER BEAK, Associate Professor of Chemistry, first semester 1968-69, full pay.

HERBERT A. LAITINEN, Professor of Chemistry, second semester 1968-69, full pay.

ROGER A. SCHMITZ, Associate Professor of Chemical Engineering, academic year 1968-69, one-half pay, or first semester, full pay.

Department of Classics

MARK NAOUMIDES, Associate Professor of Classics, first semester 1968-69, full pay.

REVILO PENDLETON OLIVER, Professor of Classics, second semester 1968-69, full pay.

ALEXANDER TURYN, Professor of Classics and in the Center for Advanced Study, first semester 1968-69, full pay.

Department of English

HOWARD CHANDLER COLE, Assistant Professor of English, first semester 1968-69, full pay.

NUEL PHARR DAVIS, Assistant Professor of English, academic year 1968-69, one-half pay.

AARON GREEN, Associate Professor of English and in the Institute of Labor and Industrial Relations, first semester 1968-69, full pay.

U. MILO KAUFMANN, Associate Professor of English, second semester 1968-69, full pay.

RICHARD J. LOFTUS, Associate Professor of English and in the Division of General Studies, second semester 1968-69, full pay.

JOHN KERKER QUINN, Associate Professor of English, second semester 1968-69, full pay.

ROBERT L. SCHNEIDER, Associate Professor of English and Assistant Director of University Honors Programs, one year beginning September 1, 1968, one-half pay.

ARTHUR L. SCOTT, Associate Professor of English, first semester 1968-69, one-half pay.

CHARLES H. SHATTUCK, Professor of English, academic year 1968-69, one-half pay.

GARDINER STILLWELL, Associate Professor of English, first semester 1968-69, full pay.

HARRIS W. WILSON, Professor of English, first semester 1968-69, full pay.

Department of Entomology

WILLIAM R. HORSFALL, Professor of Entomology, first semester 1968-69, full pay.

JUDITH H. WILLIS, Assistant Professor of Entomology, academic year 1968-69, one-half pay.

Department of French

PAUL BARRETTE, Associate Professor of French, academic year 1968-69, one-half pay.

FRANCIS W. NACHTMANN, Professor of French and Executive Secretary of the Department, first semester 1968-69, full pay.

Department of Geography

JOSEPH A. RUSSELL, Professor of Geography, first semester 1968-69, full pay.

Department of Geology

DONALD M. HENDERSON, Associate Professor of Geology, second semester 1968-69, full pay.

RALPH LOUIS LANGENHEIM, JR., Professor of Geology, second semester 1968-69, full pay.

Department of Germanic Languages and Literatures

RUTH E. LORBE, Associate Professor of German and Counselor in Teacher Education, first semester 1968-69, full pay.

FRANCIS J. NOCK, Associate Professor of German, first semester 1968-69, full pay.

Department of History

J. ALDEN NICHOLS, Professor of History, first semester 1968-69, full pay.

Department of Mathematics

JAMES W. ARMSTRONG, Assistant Professor of Mathematics, first semester 1968-69, full pay.

ROBERT G. BARTLE, Professor of Mathematics, first semester or second semester 1968-69, full pay.

MARY-ELIZABETH HAMSTROM, Professor of Mathematics, first semester 1968-69, full pay.

ANTHONY LOUIS PERESSINI, Associate Professor of Mathematics, first semester 1968-69, full pay; leave contingent upon receipt of supplementary financial aid.

M. RAJAGOPALAN, Associate Professor of Mathematics, first semester 1968-69, one-half pay.

NEAL J. ROTHMAN, Associate Professor of Mathematics, first semester 1968-69, full pay.

JOHN EDWIN WETZEL, Assistant Professor of Mathematics, second semester 1968-69, full pay.

Department of Philosophy

JAMES D. WALLACE, Assistant Professor of Philosophy, first semester 1968-69, full pay.

FREDERICK L. WILL, Professor of Philosophy, first semester 1968-69, full pay.

Department of Physiology and Biophysics

JOHN S. WILLIS, Associate Professor of Physiology, first semester 1968-69, full pay.

Department of Political Science

JERRY HOUGH, Associate Professor of Political Science, first semester 1968-69, full pay.

Department of Psychology

FRANK COSTIN, Professor of Psychology, first semester 1968-69, full pay.

CHARLES L. HULIN, Associate Professor of Psychology and in the Institute of Labor and Industrial Relations, five months beginning September 1, 1968, full pay.

LLOYD G. HUMPHREYS, Professor and Head of the Department of Psychology, first semester 1968-69, full pay.

O. HOBART MOWRER, Research Professor of Psychology, second semester 1968-69, full pay.

DONALD R. PETERSON, Professor of Psychology in charge of the Psychological Clinic, six months beginning February 1, 1969, full pay.

IVAN D. STEINER, Professor of Psychology, second semester 1968-69, full pay.

JERRY S. WIGGINS, Professor of Psychology, first semester 1968-69, full pay.

Department of Slavic Languages and Literatures

STEVEN PHILLIPS HILL, Assistant Professor of Russian, academic year 1968-69, one-half pay.

Department of Spanish, Italian, and Portuguese

SPURGEON WHITFIELD BALDWIN, JR., Associate Professor of Spanish, first semester 1968-69, full pay.

DAVID RALPH HERSHBERG, Assistant Professor of Spanish, second semester 1968-69, one-half pay.

Department of Speech

KING W. BROADRICK, Associate Professor of Speech and Assistant Dean of Liberal Arts and Sciences, second semester 1968-69, full pay.

JOHN J. O'NEILL, Professor of Speech, Director of Speech and Hearing Clinic, and Counselor in Teacher Education, six months beginning February 1, 1969, full pay.

ELAINE PADEN, Assistant Professor of Speech, academic year 1968-69, one-half pay.

Department of Zoology

DONALD F. HOFFMEISTER, Professor of Zoology and Director of the Museum of Natural History, six months beginning October 1, 1968, full pay.

PAUL H. SILVERMAN, Professor and Head of Department of Zoology, second semester 1968-69, full pay.

RAY L. WATTERSON, Professor of Zoology, academic year 1968-69, one-half pay.

Library*Library*

DMYTRO M. SHTOHRYN, Cataloger with rank of Assistant Professor in the Library, six months from August 1, 1968, full pay.

HELEN M. WELCH, Acquisition Librarian and Professor of Library Administration, six months from February 1, 1969, full pay.

MRS. WINIFRED LADLEY, Professor of Library Science, academic year 1968-69, one-half pay.

Jane Addams Graduate School of Social Work

LELA B. COSTIN, Associate Professor in the Jane Addams Graduate School of Social Work, academic year 1968-69, one-half pay.

W. PAUL SIMON, Professor and Assistant Director of the Jane Addams Graduate School of Social Work, Chicago Circle, six months beginning March 1, 1969, full pay.

College of Veterinary Medicine*Department of Veterinary Pathology and Hygiene*

WALTER L. MYERS, Associate Professor of Veterinary Pathology and Hygiene, six months beginning February 1, 1969, full pay.

On motion of Mr. Williamson, these leaves were granted as recommended.

DESIGNATION OF EMPLOYEES SUBJECT TO DISCLOSURE REQUIREMENTS OF PROVISIONAL CODE

(7) At the February 21, 1968, meeting of this Board, it was indicated that recommendations would be made concerning University employees to be designated by the Board to file written disclosures under Section 3A of the Provisional Code of Conduct, promulgated by the Board of Higher Education. The Code, issued under Article 5 of the Illinois Governmental Ethics Act (Senate Bill No. 506, Seventy-fifth General Assembly) and now in effect in its present form, was referred for study to Faculty Senates and nonacademic representatives on each campus at the February 21, 1968, meeting.

Therefore, I recommend that the Board of Trustees so designate the following employees:

Officers of the Board Who Are Employees of the University¹

Comptroller
Assistant Comptroller
Assistant Treasurer
Secretary
Assistant Secretary

General Officers of the University

President
Executive Vice-President and Provost
Vice-President and Comptroller

¹ The President of the Board, with the other Trustees, is subject to Article 4, Part 2 of the Act which provides that "Elected Officials in the Executive Department" shall file disclosure statements of "economic interest and relationships likely to create conflicts of interest" with the Board of Ethics created under the Act.

Vice-President
 Legal Counsel
 Secretary of the University
 Executive Assistant to the President
 University Director of Public Information
 University Director of Physical Plant Planning and Construction

Campus Officers

Chancellors
 Campus Directors of Business Affairs, Physical Plant, Admissions and Records

On motion of Mr. Grimes, this recommendation was approved.

**ESTABLISHMENT OF MUNICIPAL CLERK TRAINING INSTITUTE,
 URBANA**

(8) "An Act in relation to training institutes for municipal clerks," passed by the Seventy-fifth General Assembly and approved by the Governor, provides for the establishment by the Trustees of a Municipal Clerk Training Institute and the creation of a "Municipal Clerk Training Institute Committee composed of 3 municipal clerks designated by the Governor and 3 representatives of the University of Illinois designated by the Trustees thereof."

The Dean of the Division of University Extension, in consultation with the Dean of the College of Agriculture and the Dean of the College of Commerce and Business Administration, recommends as the University members of the Committee the following:¹

Professor NORMAN G. KRAUSZ, Department of Agricultural Economics, College of Agriculture

Associate Professor GERALD D. BRIGHTON, Department of Accountancy, College of Commerce and Business Administration

RICHARD L. ULRICH, Extension Specialist, Short Courses and Conferences, Division of University Extension

The Act provides that the members of the Committee serve at the pleasure of the appointing authority and without compensation. The Committee has the responsibility for development of a curriculum for the Municipal Clerk Training Institute which is required to offer a course of at least one week's duration for newly-elected or appointed municipal clerks and a refresher course of at least two days' duration.

The individuals recommended have agreed to serve if named.

The appointments have the endorsement of the Chancellor at the Urbana-Champaign campus and the Executive Vice-President and Provost.

I concur.

On motion of Mr. Hahn, this recommendation was approved.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(9) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded to the following candidates who passed the standard written examination given in November, 1967, and who have fulfilled all other legal requirements under Sections 1, 2, and 3 of the Illinois Accountancy Act of 1943 as amended:

RONALD J. ABLUTON, North Riverside

RICHARD NEAL ABRAMS, Northbrook

EDWARD B. ADELMAN, Chicago

EDWARD ANDREW AHERN, Chicago

BENNETT MICHAEL ALBAN, Chicago

PAUL ALPERN, Chicago

HOWARD KEITH ALTER, Los Angeles,
 California

ANASTASIOS K. ANAGNOSTOPOULOS,

Chicago

MELVIN TIER AUKAMP, Mount Prospect

DAN C. BECKER, Skokie

ALBERT DAVID BEEDIE, JR., Hinsdale

ROBERT LARSEN BEITH, Champaign

THOMAS LOUIS BENEDICT, Chicago

MARC ALAN BENJAMIN, Chicago

JEFFREY ALAN BERGER, Glenview

VICTOR ELMER BERNER, Norridge

KENNETH HAROLD BILLBURG, Chicago
 Heights

JOHN BLAZIS, JR., Springfield

JAMES RICHARD BOHN, Northbrook

WAYNE ROBERT BORKOWSKI, Harwood

Heights

¹Mrs. Henrietta Marjan, Palos Heights; Mrs. Talitha Gremmels, Steelville; and Mr. William F. Kumpf, Peoria, are the municipal clerks designated by Governor Kerner as members of the Committee.

LYLE MERVYN BOWER, River Grove
 GERARD JOHN BRITZ, Elmhurst
 JAMES JOSEPH BROAD, JR., Chicago
 RONALD SAMUEL BROWN, Chicago
 JEAN ARTHUR CALVERT, Aurora
 FRANK CANKO, Chicago
 JOHN JAMES CHAPUT, Chicago

The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Illinois Accountancy Act of 1943, as amended, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory or the United States and who qualify in all other respects under this provision of the law :

<i>Names</i>	<i>Address</i>	<i>States from Which They Obtained Certificates</i>
ROBERT WELLS BAUER	Northbrook	California
WALTER FREDERICK KAUTZ	Moline	Wisconsin

I concur.

On motion of Mr. Grimes, these certificates were awarded.

**MAJOR IN QUANTITATIVE METHODS IN BUSINESS ADMINISTRATION,
CHICAGO CIRCLE**

(10) The Chicago Circle Senate has approved a recommendation from the College of Business Administration for the establishment of a major field of specialization in Quantitative Methods, leading to the degree of Bachelor of Science in Business Administration.

The program, in common with those curricula for the Bachelor of Science in Business Administration at Chicago Circle approved by the Board of Trustees on December 16, 1964, will consist of general education requirements (96 quarter hours), business core requirements (66 quarter hours), electives (8 quarter hours), and 16 quarter hours in the major field for a minimum total of 186 hours, exclusive of physical education.

The Chancellor at Chicago Circle and the Executive Vice-President and Provost endorse this recommendation.

The Senate Coordinating Council has indicated that no further Senate jurisdiction is involved.

I recommend approval subject to further action by the Illinois Board of Higher Education.

On motion of Mr. Jones, this recommendation was approved.

**ESTABLISHMENT OF DEPARTMENT OF HISTORY OF ARCHITECTURE
AND ART, CHICAGO CIRCLE**

(11) The College of Architecture and Art at Chicago Circle, with the concurrence of the Chicago Circle Senate, recommends that a Department of History of Architecture and Art be established within the College and the existing undergraduate degree programs in these fields (now offered through the Departments of Architecture and of Art) be placed within the purview of the new department.

This proposal would involve the restructuring of the College to include a Department of History of Architecture and Art in addition to present components, the Department of Architecture and the Department of Art. Faculty members who now teach the history of architecture and the history of art would constitute the faculty of the new department. No additional budget or space requirements are involved.

The programs for undergraduate majors in the fields of history of architecture and history of art would be administered by the new department, and the degree of Bachelor of Arts would be awarded.

Courses in history of art and architecture required in other curricula of the College and elective courses for undergraduate students outside of the College will continue to be provided.

The Senate Coordinating Council advises that no further Senate jurisdiction is involved.

This proposal has been endorsed by the Chancellor at the Chicago Circle campus and by the Executive Vice-President and Provost.

I recommend approval subject to further action by the Illinois Board of Higher Education.

On motion of Mr. Grimes, this recommendation was approved.

CURRICULUM IN MEDICAL DIETETICS, MEDICAL CENTER

(12) The Medical Center Senate recommends authorization of a curriculum in Medical Dietetics, within the School of Associated Medical Sciences, leading to the degree of Bachelor of Science in Medical Dietetics.

The recommendation refers to recent studies which indicate that the number of dietitians expected to be available by 1970 will be far below projected needs. In addition, it is felt that there exists a need in hospitals for professional specialists in the field of applied nutrition who can assume responsibility for the dietary status of the patient.

The proposed program, which emphasizes the biological and physical sciences and the application of nutritional principles, represents a relatively new approach to the field of dietetics in that it would integrate the knowledge learned in the classroom with its immediate application to the dietary needs of the patient, and would incorporate into the curriculum the latest developments in nutritional science.

Minimum requirements for admission to the curriculum in Medical Dietetics in the School of Associated Medical Sciences are 60 semester to 90 quarter hours,

exclusive of physical education and basic military training, with at least a 3.0 average and with the following prerequisite courses: introductory courses in economics, sociology, and psychology; biology or zoology, one semester; microbiology, introductory course; physics, one year; chemistry, to include organic chemistry; food and nutrition, basic principles.

The general requirements for graduation with the Bachelor of Science degree in Medical Dietetics include general education sequences in the biological, physical, and social sciences and in the humanities.

The Chancellor at the Medical Center and the Executive Vice-President and Provost endorse this recommendation.

The Senate Coordinating Council has indicated that no further Senate jurisdiction is involved.

I recommend approval subject to further action by the Illinois Board of Higher Education.

On motion of Mr. Hahn, this recommendation was approved.

LABORATORY FOR METEOROLOGICAL RESEARCH, URBANA

(13) The Board of Trustees of July 27, 1966, authorized the establishment of a Department of Meteorology in the College of Liberal Arts and Sciences. The functions of this proposed department were to conduct a graduate degree program in meteorology and a graduate research program oriented toward a basic understanding of physical processes taking place on the earth's atmosphere, including perturbations introduced by man. Its attention would focus particularly on problems existing below the ionosphere.

The implementation of the plan has been delayed—at first by the difficulty in finding a suitable candidate to head the department, and later by the decision to reconsider the proposed program in the light of the development of Illiac IV.

It is now proposed as a first step in the implementation of the program in meteorology that a Laboratory of Meteorological Research be established within the Graduate College. This Laboratory would provide an administrative and technical focus for encouragement of research and development of instruction in meteorology and related areas. Since the Urbana-Champaign Senate earlier approved the program in meteorology, it was determined by the Committee on Educational Policy that submission of this proposal to the Senate was unnecessary.

The state funds needed for the proposed program are available in the budget of the College of Liberal Arts and Sciences.

The Chancellor at the Urbana-Champaign campus, the Dean of the Graduate College, and the Executive Vice-President and Provost endorse this recommendation.

I concur and recommend approval subject to further action by the Illinois Board of Higher Education.

On motion of Mr. Hughes, this recommendation was approved.

PROGRAM FOR STUDY IN FRANCE FOR STUDENTS OF FRENCH, URBANA

(14) The Department of French, with the concurrence of the College of Liberal Arts and Sciences and the Urbana-Champaign Senate, recommends authorization of a program of study in France by students who are majoring in French or the teaching of French. The Senate Coordinating Council advises that no other Senate jurisdiction is involved.

The program represents a joint effort between the University of Iowa and the University of Illinois, and would involve approximately forty students (twenty from each of the two institutions).

Because of the opportunity provided for the attainment of fluency in a foreign language and for the enhancement of understanding of other cultures, undergraduate programs for a year's study abroad have increased markedly in recent years. It is hoped that through supplemental scholarship support, students of modest means would be able to participate in the benefits of study in a foreign country.

The first phase of the program (mid-September to late October) will be an intensive five-week orientation period held at the University of Grenoble; the main component will be held during the academic year at the University of Rouen, where students will take special courses in language, literature, and civilization. During both phases, participants will be expected to live with French families, thus increas-

ing their language competence and allowing them to gain insight into French culture. In addition, students will take occasional field trips to places of cultural and historical importance.

Instruction at Grenoble and Rouen will be by French professors, through agreements executed with the Universities of Grenoble and Rouen. A member of the Urbana-Champaign faculty will be present with the group as Program Director and will insure the quality of the instruction. Those who successfully complete the year's program will be granted a full academic year of credit (thirty semester hours) at an advanced undergraduate level at their respective universities. The work would receive full credit towards the students' degrees.

Costs of instruction will not exceed those at the Urbana-Champaign campus insofar as the expenditure of state funds is concerned. Transportation of staff and other instructional and operational costs of the program will be paid from non-state funds. Students will incur approximately the same living costs as they presently do at the Urbana-Champaign campus, plus travel and personal expenses. The total estimated cost for each student, including transportation, room and board, and tuition and fees is approximately \$1,800.

The Chancellor at the Urbana-Champaign campus and the Executive Vice-President and Provost concur in this recommendation. It is further recommended that the Comptroller and the Secretary of the Board of Trustees be authorized to execute such contracts as may be necessary to implement this program.

I concur.

On motion of Mr. Jones, this program was authorized as recommended.

PROGRAM FOR ARCHAEOLOGICAL RESEARCH IN COLLABORATION WITH PRINCETON UNIVERSITY, URBANA

(15) Princeton University has submitted a proposal for a Princeton-Illinois collaboration on a continuing basis for archaeological research in Sicily at the site of the Hellenistic-Roman City of Morgantina.

The proposal provides that Princeton will contribute to this joint venture by securing concession rights for the excavations from the Italian government and ceding to the expedition all the material goods and equipment which it possesses in Morgantina and Aidone. The value of this material and equipment is estimated at \$10,000.

The University of Illinois will have the privilege of nominating the field director and will undertake the organization and financing of the expedition. For the year 1968 the expeditionary party will consist of a field director, two graduate students to be nominated by Princeton University, four graduate students to be nominated by the University of Illinois, and some thirty-five supporting personnel. It is anticipated that the work of the expedition in 1968 will take place during the summer months.

The total cost of the project to the University of Illinois for the 1968 expedition is not expected to exceed \$15,600. The six graduate students involved will be supported by grants from outside sources.

Funds are available from Contracts Research Reserve. The project has been approved by the University Research Board.

The President recommends, with the concurrence of the Chancellor at Urbana and the Executive Vice-President and Provost, that this joint venture with Princeton University be approved and that the Comptroller and the Secretary of the Board of Trustees be authorized to execute such documentation and enter into such contracts as may be necessary to implement the program within the budget limitations outlined above.

On motion of Mr. Clement, this recommendation was approved.

RENAMING OF WOMEN'S GYMNASIUM, URBANA

(16) Upon recommendation of the Department of Physical Education for Women, the Dean of the College of Physical Education, and the Chancellor at the Urbana campus, I recommend that the Women's Gymnasium on the Urbana campus be renamed Freer Gymnasium.

The late Miss Freer, who died September 20, 1966, headed the Department of Physical Education for Women for thirty-four years, from 1915 to her retirement in 1949. Miss Freer initiated courses in modern dance and was instrumental in

the continuous improvement and expansion of courses in gymnastics, corrective exercise, dance, and sports. She served effectively as President of the National Association of Directors of Physical Education for Women and as a member of numerous state, district, and national professional physical education organizations. As Head of the Department of Physical Education for Women, Miss Freer was instrumental in planning for the building with which this recommendation deals.

On motion of Mr. Grimes, this recommendation was approved.

**APPROPRIATIONS FOR NONRECURRING EXPENDITURES.
CHICAGO CIRCLE AND MEDICAL CENTER**

(17) After review by the Committees on Nonrecurring Appropriations at the Chicago Circle and Medical Center campuses, the respective Chancellors recommend the following appropriations from the funds indicated:

Chicago Circle General Reserve

Central Duplicating, equipment..... \$ 24 600 00

Medical Center General Reserve

College of Medicine

Department of Anatomy, teaching materials..... 21 000 00

Research and Educational Hospitals

Hospital Laboratories, equipment..... 20 000 00

Department of Neurology and Neurological Surgery, equipment.... 19 575 00

Department of Radiology, equipment..... 28 655 00

Renovation and remodeling for which funds are assigned to the Physical Plant Department:

Remodeling Clinical Laboratories for the Research and Educational Hospitals 15 120 00

Remodeling in the basement of the Physical Environment Building for the Physical Plant Department..... 27 000 00

Total, Medical Center General Reserve..... \$131 350 00

Grand Total \$155 950 00

The Executive Vice-President and Provost and the Vice-President and Controller concur.

I recommend approval.

On motion of Mr. Williamson, these appropriations were made by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Pogue, Dr. Weatherly.

APPROPRIATION BY ATHLETIC ASSOCIATION

(18) The Board of Directors of the Athletic Association approved an appropriation of \$27,000 in order to proceed with the preparation of a contract with Daily and Associates, Engineers, Inc., Champaign, to draw specifications and plans for the purpose of procurement of bids for the development of land on the north side of the golf course, Savoy.

Confirmation of this appropriation is requested.

On motion of Mr. Hughes, this assignment of funds was confirmed.

**CONTRACTS FOR REMODELING RACINE AVENUE BUILDING.
CHICAGO CIRCLE**

(19) The President of the University, with the concurrence of appropriate administrative officers, recommends award of construction contracts for remodeling portions of the first and second floors of the Racine Avenue Building for the use of the Office of Admissions and Records, Chicago Circle, the award in each case to the lowest bidder:

General — Heller Construction Company, Inc., Chicago..... \$113 000 00

Plumbing and Drainage — E. Ranieri & Sons Plumbing & Heating Corp., Chicago..... 7 774 00

Heating and Refrigeration — Midstates Heating Company, Chicago.. 38 622 00

Ventilation and Air Conditioning — Cicero Sheet Metal Inc., Cicero..	59 444 00
Electrical — Divane Bros. Electric Co., Chicago.....	48 522 00
<i>Total</i>	<u>\$267 362 00</u>

Funds are available from state capital appropriations to the University for 1967-69 and have been released by the Governor.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Hughes, these contracts were awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Pogue, Dr. Weatherly.

REQUEST TO ILLINOIS BUILDING AUTHORITY TO CONTRACT FOR PURCHASE AND CONSTRUCTION OF EQUIPMENT FOR THE UTILITIES CENTER ADDITION, CHICAGO CIRCLE

(20) The President of the University, with the concurrence of appropriate administrative officers, recommends that the Illinois Building Authority be requested to award and proceed to procure the following contracts for furnishing and installing equipment for the use of the University at the Chicago Circle Utilities Center Addition required for the heating and air conditioning of Phase III Buildings, the award in each case to the lowest bidder :

Division "303"

One Cooling Tower — Fluor Products Company, Inc., Santa Rosa, California.....	\$52 054 00
---	-------------

Division "304"

Two Condenser Water Circulating Pumps and Two Chilled Water Circulating Pumps — Worthington Corporation, Harrison, New Jersey.....	24 170 00
--	-----------

<i>Total</i>	<u>\$76 224 00</u>
--------------------	--------------------

The above equipment is a part of the project for Chicago Circle, Phase III, construction, which the Board on July 26, 1967, requested the Illinois Building Authority to provide. The Authority will finance the construction and lease the facilities to the University for rental payments for which state appropriations are available. Jurisdiction of the land on which the project will be constructed will also be transferred to the Authority at a later date prior to construction.

It is also recommended that the Comptroller and the Secretary of the Board be authorized to make, execute, acknowledge, and deliver such instruments of transfer, conveyance, lease, contract, and other documents as are necessary to provide for the carrying out of the foregoing project and equipment by the Illinois Building Authority.

I further recommend adoption of the resolutions submitted herewith to implement the official actions required.

Resolution

Be It, and It Hereby Is, Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Illinois Building Authority be, and it hereby is, requested to award to Fluor Products Company, Inc., Santa Rosa, California, a contract for furnishing a cooling tower, its delivery to the site and erection at the site, all a part of the construction of the Utilities Center Addition at the Chicago Circle, Phase III, for the fixed price of \$52,054.

Be It, and It Hereby Is, Further Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and Secretary of this public corporation be, and they hereby are, authorized to make, execute, acknowledge and deliver, in the name and in behalf of this corporation, such instruments of transfer, conveyance, lease, contract and other documents as are necessary or appropriate in order to provide for the carrying out of the foregoing project and facility by the Illinois Building Authority.

On motion of Mr. Clement, the foregoing resolution was adopted by

the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

Resolution

Be It, and It Hereby Is, Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Illinois Building Authority be, and it hereby is, requested to award to Worthington Corporation, Harrison, New Jersey, a contract for furnishing and delivering two condenser water circulating pumps and two chilled water circulating pumps, complete with motor drives, necessary for the construction of the Utilities Center Addition at the Chicago Circle, Phase III, for the fixed price of \$24,170.

Be It, and It Hereby Is, Further Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and Secretary of this public corporation be, and they hereby are, authorized to make, execute, acknowledge and deliver, in the name and in behalf of this corporation, such instruments of transfer, conveyance, lease, contract and other documents as are necessary or appropriate in order to provide for the carrying out of the foregoing project and facility by the Illinois Building Authority.

On motion of Mr. Clement, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

REQUEST TO ILLINOIS BUILDING AUTHORITY TO INCREASE CONTRACT FOR CONSTRUCTION OF LIBRARY BUILDING, PHASE II, CHICAGO CIRCLE

(21) The President of the University, with the concurrence of appropriate administrative officers, recommends that the Board of Trustees request the Illinois Building Authority to authorize an increase of \$19,423 in the contract with Gust K. Newberg Construction Co., for ventilation and air conditioning work in the area of the Library Building, Chicago Circle, which will be assigned to the Office of Instructional Resources.

Funds are available in the project budget for this work.

On motion of Mr. Hahn, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

CONTRACT FOR DOOR REPLACEMENT, REMODELING AND ENCLOSING STAIRWAYS IN THE GENERAL HOSPITAL AND ILLINOIS NEUROPSYCHIATRIC INSTITUTE, MEDICAL CENTER

(22) The President of the University, with the concurrence of the appropriate administrative officers, recommends award of the following contract for door replacement, remodeling and enclosing stairways in the General Hospital and the Illinois Neuropsychiatric Institute at the Medical Center campus:

General—H. B. Barnard Company, Chicago.....	\$67 990 00
Electrical—H. B. Barnard Company, Chicago.....	1 358 00

The work provides for remodeling and enclosing stairways and installation of fire doors consistent with the standards provided by the Chicago Building Code.

Funds for this work are available in state capital appropriations to the University for 1967-69 and have been released by the Governor.

Since H. B. Barnard Company, Chicago, is the lowest bidder for both general and electrical work, it is also recommended that these two awards be combined in a single contract in lieu of separate contracts.

On motion of Mr. Clement, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes,

Mr. Jones, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Pogue, Dr. Weatherly.

CONTRACTS FOR REMODELING ENGINEERING HALL, URBANA

(23) The President of the University, with the concurrence of appropriate administrative officers, recommends award of the following cost-plus contracts based on percentages bid for contractors' fees, for remodeling a portion of Engineering Hall for the Engineering Library, a branch of the Main Library, Urbana, the award in each case to the lowest bidder :

	<i>Per Cent for Material</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub- contracts</i>	<i>Estimated Fee Payments</i>	<i>Total Estimated Payments</i>
General — Skoog Construction Company, Champaign	5	22	5	\$3 235 00	\$23 735 00
Electrical — Remco Electrical Corporation, Champaign	5	24	5	1 283 00	7 183 00
Heating, Piping, Refrigeration and Automatic Temperature Control Systems — Cool-Rite Mechanical Contractors, Inc., Urbana	14	31	5	2 342 00	10 942 00

Funds are available in state capital appropriations to the University for 1967-69 and have been released by the Governor.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Hahn, these contracts were awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

CONTRACTS FOR REMODELING OF NUCLEAR ENGINEERING LABORATORY, URBANA

(24) The President of the University, with the concurrence of appropriate administrative officers, recommends award of the following cost-plus contracts, based on percentages bid for contractors' fees, for remodeling a portion of the Nuclear Engineering Laboratory for the Nuclear Engineering Program of the College of Engineering, Urbana, the award in each case to the lowest bidder :

	<i>Per Cent for Material</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub- contracts</i>	<i>Estimated Fee Payments</i>	<i>Total Estimated Payments</i>
General — Skoog Construction Company, Champaign	5	26	5	\$1 780 00	\$12 180 00
Electrical — Remco Electrical Corporation, Champaign	5	24	5	540 00	3 740 00
Heating, Piping, Refrigeration and Automatic Temperature Control Systems — Cool-Rite Mechanical Contractors, Inc., Urbana	20	35	5	1 025 00	5 025 00
Ventilation and Distribution Systems for Conditioned Air — Reliable Plumbing & Heating Company, Champaign	25	42	5	1 318 00	5 118 00

Funds are available in state capital appropriations to the University for 1967-69 and have been released by the Governor.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Williamson, these contracts were awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Pogue, Dr. Weatherly.

**CONTRACTS FOR REMODELING OF EAST CHEMISTRY BUILDING.
URBANA**

(25) The President of the University, with the concurrence of appropriate administrative officers, recommends award of the following cost-plus contracts, based on percentages bid for contractors' fees, for remodeling of a portion of the East Chemistry Building for the Chemical Engineering Division of the Department of Chemistry and Chemical Engineering, Urbana, the award in each case to the lowest acceptable bidder:

	<i>Per Cent for Material</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub- contracts</i>	<i>Estimated Fee Payments</i>	<i>Total Estimated Payments</i>
General — Dean Evans Company, Champaign.....	5	28	20	\$2 000 00	\$14 100 00
Electrical — William H. Brunkow, an individual doing business as Brunkow Electric Company, Champaign.....	10	24	0	555 00	3 405 00
Plumbing — Jack W. Perrone and Harold L. Fox, a part- nership doing business as Champaign Plumbing & Heat- ing Company, Champaign....	25	40	5	855 00	3 455 00

Funds are available in state capital appropriations to the University for 1967-69 and have been released by the Governor.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Hahn, these contracts were awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

**CONTRACTS FOR REMODELING OF NATURAL HISTORY BUILDING.
URBANA**

(26) The President of the University, with the concurrence of appropriate administrative officers, recommends award of the following cost-plus contracts, based on percentages bid for contractors' fees, for remodeling of a portion of the Natural History Building on the Urbana campus for the Division of General Studies, the award in each case to the lowest acceptable bidder:

	<i>Per Cent for Material</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub- contracts</i>	<i>Estimated Fee Payments</i>	<i>Total Estimated Payments</i>
General — Dean Evans Co., Champaign.....	5	27	10	\$1 190 00	\$7 290 00
Electrical — Remco Electrical Corporation, Champaign....	6	25	4.9	1 154 90	7 754 90
Plumbing — Jack W. Perrone and Harold L. Fox, a part- nership doing business as Champaign Plumbing & Heat- ing Company, Champaign....	25	40	5	1 305 00	5 405 00

Funds are available in state capital appropriations to the University for 1967-69 and have been released by the Governor.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Hughes, these contracts were awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

**REQUEST TO ILLINOIS BUILDING AUTHORITY TO APPROVE CHANGE
IN CONSTRUCTION CONTRACT FOR UNDERGRADUATE LIBRARY,
URBANA**

(27) The President of the University, with the concurrence of appropriate administrative officers, recommends that the Illinois Building Authority be requested to approve the substitution of carpeting for vinyl asbestos tile in the reading rooms of the Undergraduate Library, Urbana, at an estimated increase in the project cost of \$87,000.

Funds are available in the project budget for this work.

On motion of Mr. Clement, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

**REQUEST TO ILLINOIS BUILDING AUTHORITY TO INCREASE
CONTRACT FOR CONSTRUCTION OF UNDERGRADUATE
LIBRARY, URBANA**

(28) The President of the University, with the concurrence of appropriate administrative officers, recommends that the Illinois Building Authority be requested to authorize an increase of \$22,234 in the contract with McCarthy Brothers Construction Company, St. Louis, Missouri, and J. E. Hathman, Incorporated, Columbia, Missouri, doing business as McCarthy-Hathman Construction Company, a joint venture, for the substitution of brick pavers for asphalt block on the plaza level of the Undergraduate Library, Urbana.

Funds are available in the project budget for this work.

On motion of Mr. Clement, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

**AGREEMENT TO PARTICIPATE IN URBANA & CHAMPAIGN
SANITARY DISTRICT EXPANSION PROGRAM**

(29) The Urbana & Champaign Sanitary District has requested the University to share in the cost of expansion and improvement to the Northeast Sewage Treatment Plant on which construction is planned to start shortly after July, 1968, and which is estimated to be completed in the 1969-71 biennium. This improvement is part of an over-all plan to extend sewer mains and to increase the capacity of the treatment facilities of the Sanitary District. It is being financed by a bond issue approved by the voters of the District in November, 1965, from a federal grant, and from anticipated University participation.

Based on the percentage factor used in the past to determine the University's share in the cost of improvements of direct benefit to the University, the estimated cost to the University for this project is \$350,000.

Funds are available in state capital appropriations to the University for the 1967-69 biennium in the amount of \$228,000. Additional funds estimated at \$122,000 will be requested in the 1969-71 biennium.

Accordingly, the President of the University, with the concurrence of appropriate administrative officers, recommends that the Board of Trustees authorize the Comptroller and the Secretary of the Board to execute an agreement with the Urbana & Champaign Sanitary District providing for the payment of the University's share of the cost subject to the availability of funds.

Submitted herewith is a report from the Physical Plant Department, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Grimes, authority was given as recommended by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr.

Hughes, Mr. Jones, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Dr. Weatherly.

ASSIGNMENT OF COPYRIGHT

(30) The Director of the University Press requests authority to assign the copyright in the article "Tantalus and the Dead Sea Apples" by Professor John M. Steadman which appeared in the *Journal of English and Germanic Philology* in January, 1965, a publication of the Press, to the University of North Carolina Press. The latter is publishing a collection of articles by Professor Steadman and requests assignment of the copyright as a matter of convenience.

I concur.

On motion of Mr. Clement, authority was given as requested.

PURCHASES

(31) The President submitted, with his concurrence, a list of purchases recommended by the Director of Purchases and the Vice-President and Comptroller; also a list of purchases authorized by the President.

The lists of purchases authorized and purchases recommended for Board approval were presented in two categories: purchases from appropriated funds (i.e., from state appropriations to the University) and purchases from institutional funds. The latter term designates funds received by the University under contracts with the United States government, contracts with private corporations and other organizations, funds from foundation grants, and grants from corporations and other donors, and University revolving funds authorized by law.

The total amounts of these purchases were:

<i>From Appropriated Funds</i>	
Purchases Recommended	\$345 535 77
<i>From Institutional Funds</i>	
Purchases Authorized	\$ 39 900 00
Purchases Recommended	460 244 06
	\$500 144 06
<i>Grand Total</i>	\$845 679 83

A complete list of the purchases authorized and purchases recommended, with supporting information, including the quotations received, was sent to each member of the Board in advance of the meeting, and a copy is being filed with the Secretary of the Board for record.

On motion of Mr. Clement, the purchases authorized by the President were approved, and the purchases recommended were authorized.

COMPTROLLER'S REPORT OF PURCHASES APPROVED

(32) The Vice-President and Comptroller also submitted a report of purchases approved by him on recommendation of the Director of Purchases in amounts of \$2,500 to \$5,000. A copy of this report is filed with the Secretary.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS

(33) The Comptroller's monthly report of contracts executed was presented.

New Contracts

<i>With Whom</i>	<i>Purpose</i>	<i>Amount to be Paid to the University</i>

SECRETARY'S REPORT

The Secretary presented for record appointments to the faculty made by the President; resignations; leaves of absence, and the following cancellations of sabbatical leaves of absence.

BARDEEN, JOHN, Professor of Electrical Engineering and of Physics, and in the Center for Advanced Study, Urbana — sabbatical leave of absence granted him for Semester II 1967-68 on full pay, cancelled without prejudice.

PETERSON, DONALD R., Professor of Psychology, in charge of Psychology Clinic, Urbana — sabbatical leave of absence granted him for six months from February 1, 1968, cancelled without prejudice.

RAKOVE, MILTON, Associate Professor of Political Science, Chicago Circle — sabbatical leave of absence for 1967-68 winter or spring quarter, cancelled without prejudice.

ANNOUNCEMENTS FROM THE PRESIDENT OF THE BOARD**FUTURE BOARD MEETINGS**

President Swain reminded the Trustees of the dates of the next three meetings of the Board and the Board set the places of these meetings as follows: April 17, 1968, at Chicago Circle; May 15, 1968, at the Medical Center in Chicago; June 19, 1968, at Urbana.

RECESS

On motion of Mr. Clement, the meeting was recessed and the President of the Board stated that an executive session had been requested and was being ordered following lunch.

LUNCHEON AND TOUR

During the recess, the Trustees and officers of the University had lunch at the Florida Avenue Residence Halls and visited these student housing facilities.

House officers and staff counselors from the Florida Avenue Residence Halls and the Pennsylvania Avenue Residence Halls and officers of "The VIP Program" were guests of the Board at lunch. The latter reported to the Board on the nature and program of the VIP program.

EXECUTIVE SESSION

When the Board reconvened, the same members of the Board, officers of the Board, and officers of the University as recorded at the beginning of these minutes were present, except Mr. Harold Pogue who was excused.

The Board considered the following recommendations from the President of the University.

**ACQUISITION OF PROPERTY AT 510 EAST DANIEL STREET,
CHAMPAIGN**

(35) The President of the University, with the concurrence of appropriate administrative officers, recommends adoption of the following resolution for the acquisition of the property at 510 East Daniel Street, Champaign, through condemnation proceedings. He further requests authorization to complete acquisition of the property, through settlement of the suit or otherwise, if such can be done at a price within the appraisals received by the University. The property consists of a lot 49 feet by 168.5 feet (8,256.5 square feet) and is improved with a two-story masonry building now used for offices.

The University has been negotiating with the owner of this property who has been advised that a recommendation will be submitted to the Board of Trustees for its purchase at a total price of \$57,500 based on appraisals received by the University, if acceptable to the owner. However, this price is not acceptable to the owner, who is asking for a price considerably in excess of University appraisals.

Funds are available in state capital appropriations to the University for 1967-69 and have been released by the Governor.

**Resolution Authorizing Condemnation of Property
at 510 East Daniel Street, Champaign, Illinois**

Be It, and It Is Hereby Resolved, Found and Declared by The Board of Trustees of the University of Illinois, a body corporate and politic and a public corporation of the State of Illinois, that the following-described real estate situated in the County of Champaign, in the State of Illinois, to-wit:

Lot Ten (10) in Block Fourteen (14) of Assessor's Subdivision of Blocks Ten (10), Eleven (11), and Fourteen (14) of J. S. Wright's Addition to the City of Champaign, situated in the City of Champaign, in the County of Champaign and State of Illinois;

is needed by the University of Illinois, an educational institution established and supported by the State of Illinois for use as a site for a vehicular parking area of the University of Illinois and for other educational purposes conducted and to be conducted by said University of Illinois and for the further expansion of the educational facilities of said University of Illinois and to enable said University of Illinois to discharge its duty to the people of said State and for public use, that funds are available to the University for the purchase of said land for said educational purposes; that this Board of Trustees has negotiated with the owner of said land through his duly authorized representatives for the purchase of said land at a price which this Board of Trustees considers fair and reasonable and which it finds constitutes the present market value of said land, but that said owner has refused to sell and convey said land, or any portion thereof, to said The Board of Trustees of the University of Illinois for such price and continues to refuse to sell and convey the same to it except for a consideration and price which this Board of Trustees deems unreasonable and excessive and is, therefore, unwilling and has refused to pay; and

Be It, and It Is Hereby Further Resolved, Found and Declared by The Board of Trustees of the University of Illinois that the compensation to be paid by it for said land cannot be agreed upon between this Board of Trustees and the owner of said property and he and it are unable to agree upon the purchase price to be paid to said owner for the sale and conveyance of said land by said owner thereof to said The Board of Trustees of the University of Illinois; and

Therefore, Be It, and It Is Hereby Further Resolved, Found and Declared by The Board of Trustees of the University of Illinois that because of said need of

the University of Illinois for said land for the purposes hereinabove set forth and because the compensation to be paid to the owner thereof for such land cannot be agreed upon between him and this Board of Trustees, it is necessary for The Board of Trustees of the University of Illinois to take said land and acquire title thereto through the exercise by it of the right of eminent domain conferred upon it by law and to have the compensation to be paid by it to the owner thereof and any and all other persons who may have any right, title or interest in and to said land determined in the manner provided by law for the exercise of said right and power of eminent domain; and

Be It, and It Is Hereby Further Resolved by The Board of Trustees of the University of Illinois that the necessary and appropriate action be taken for the acquisition of title to said property by said The Board of Trustees of the University of Illinois and to have the compensation to be paid therefor determined by the institution and prosecution to completion of a proceeding in eminent domain in a court of competent jurisdiction and that the Legal Counsel of the University be, and he is hereby, authorized to proceed accordingly, to institute and prosecute an eminent domain proceeding in the name and on behalf of The Board of Trustees of the University of Illinois for the acquisition of said land and the determination of the compensation to be paid by it therefor, and to employ such special legal counsel, appraisers, and others as he may deem necessary or desirable to assist him in the institution and prosecution of said proceeding.

On motion of Mr. Williamson, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

ACQUISITION OF 607 AND 608 EAST WHITE STREET, CHAMPAIGN

(36) The President of the University, with the concurrence of appropriate administrative officers, recommends that The Board of Trustees of the University of Illinois request the University of Illinois Foundation to purchase the property at 607 East White Street, Champaign, and the property directly across the street to the north, namely, 608 East White Street, Champaign, which is owned by the same party, for the sum of \$40,000 and lease these properties to the University at a rental sufficient to enable the Foundation to pay the interest costs on the loan secured to finance their acquisition. The property at 607 East White Street is 66 feet by 66 feet and the property at 608 East White Street is 62.75 feet by 132 feet (a total of 12,639 square feet). Improvements on both properties consist of older frame dwellings that are currently being used for rental purposes.

On motion of Mr. Grimes, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

ACQUISITION OF "PEACOCK PRAIRIE," GLENVIEW

(37) The President of the University, with the concurrence of the appropriate administrative officers, recommends adoption of the attached resolution for the acquisition of 5.141 acres of property in Cook County, Illinois, known as "Peacock Prairie," through condemnation proceedings and further requests authorization of settlement of the condemnation suit or purchase of the property if such can be effected within a total price of \$230,500.

The property in question is, with the exception hereafter noted, virgin prairie land, the last known tract of such existing in the northeastern part of the state of Illinois. It contains irreplaceable native flowering plants and grasses, which can not be transplanted, and many of which are extremely rare, some nearing extinction. It will be extremely valuable for field trip studies in ecology, entomology, population biology, and plant and animal taxonomy, and, in the graduate area, for supervised research in both botanical and zoological aspects of modern bioecology.

About half the property is rented to tenants operating a miniature golf course and archery range. This use covers less than half the land under their lease, but they have plans to expand such use to the remaining portion covered by their lease. Less than 20 per cent of the whole Prairie has been disturbed by this use.

The University has been negotiating with both the owner, who does not wish to sell for any price, and the tenants, who are willing to sell their rights, but only at a price deemed excessive for their interests.

Funds are available from a federal grant from the Bureau of Outdoor Recreation of the Department of the Interior, from a gift from Chicago Community Trust (subject to a charge on the property for one-half the net proceeds of sale if the property is sold within fifty years), and from other private contributions, with the exception of \$5,800 which is available in the Chicago Circle Contract Research Reserve.

**Resolution Authorizing Condemnation of "Peacock Prairie" Property,
in Cook County, Illinois**

Be It, and It Is Hereby Resolved, Found and Declared by The Board of Trustees of the University of Illinois, a body corporate and politic and a public corporation of the State of Illinois, that the following-described real estate situated in the County of Cook, in the State of Illinois, to-wit:

The South 350 feet measured along the West line of Greenwood Pfingston Road, of that part of the West One Half (W ½) of the South-West One Quarter (SW ¼) of Section Eleven (Sec. 11), Township Forty-One North (T 41 N), Range Twelve East (R 12 E) of the Third (3d) Principal Meridian, which lies north of and adjoining the north line of Lot 3 in Owner's Division of Part of said West One Half (W ½) of said South-West One Quarter (SW ¼) of said Section Eleven (Sec. 11), situated in Maine Township, in the County of Cook, and State of Illinois;

is needed by the University of Illinois, an educational institution established and supported by the State of Illinois, for use by the Department of Biological Sciences at the University of Illinois at Chicago Circle for teaching and research purposes, and for other educational purposes conducted and to be conducted by said University of Illinois, and for the expansion of the educational facilities of said University of Illinois, and to enable said University of Illinois to discharge its duty to the People of said State, and for public use; that funds are available to the University for the purchase of said land for said educational purposes; that this Board of Trustees has negotiated with the owner of and tenants on said land through their duly authorized representatives for the purchase of said land at a price which this Board of Trustees considers fair and reasonable and which it finds constitutes the present market value of said land, but that said owner and tenants have refused and continue to refuse to sell and convey their respective interests in said land, or any portion thereof, to said The Board of Trustees of the University of Illinois for such price; and

Be It, and It Is Hereby Further Resolved, Found and Declared by The Board of Trustees of the University of Illinois that the compensation to be paid by it for said land cannot be agreed upon between this Board of Trustees and the owner and tenants of said property, and it and they are unable to agree upon a purchase price to be paid to said owner and tenants for the sale and conveyance of said land and their respective interests therein by said owner and tenants to said The Board of Trustees of the University of Illinois; and

Therefore, Be It, and It Is Hereby Further Resolved, Found and Declared by The Board of Trustees of the University of Illinois that because of said need of the University of Illinois for said land for the purposes hereinabove set forth and because the compensation to be paid to the owner and the tenants thereof for their respective interests in such land cannot be agreed upon between them and this Board of Trustees, it is necessary for The Board of Trustees of the University of Illinois to take said land and acquire title thereto through the exercise by it of the right of eminent domain conferred upon it by law and to have the compensation to be paid by it to the owner thereof and any and all other persons who may have any right, title or interest in and to said land determined in the manner provided by law for the exercise of said right and power of eminent domain; and

Be It, and It Is Hereby Further Resolved by The Board of Trustees of the University of Illinois that the necessary and appropriate action be taken for the acquisition of title to said property by said The Board of Trustees of the University of Illinois and to have the compensation to be paid therefor determined by the institution and prosecution to completion of a proceeding in eminent domain in a

court of competent jurisdiction and that the Legal Counsel of the University be, and he is hereby, authorized to proceed accordingly, to institute and prosecute an eminent domain proceeding in the name and on behalf of The Board of Trustees of the University of Illinois for the acquisition of said land and the determination of the compensation to be paid by it therefor, and to employ such special legal counsel, appraisers, and others as he may deem necessary or desirable to assist him in the institution and prosecution of said proceeding.

On motion of Mr. Grimes, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

ACQUISITION AND EXCHANGE OF PROPERTIES, URBANA

(38) In order to make available land in the area east of the Krannert Center for the Performing Arts as a site for the proposed construction of the first stage of the Center for Advanced Study (Faculty Center), on which construction should start this fall, the President of the University, with the concurrence of other appropriate administrative officers, requests approval in principle of the following:

- a. The exchange of certain land now owned by the University for land in this area which is now owned by the Foundation.

The following properties now owned by the Foundation in this area are necessary as a site for the proposed Faculty Center :

1001 West Illinois Street, Urbana.....	\$ 53 500 00
1003 West Illinois Street, Urbana.....	40 000 00
1011 West Illinois Street, Urbana.....	41 350 00
506 South Gregory Place, Urbana.....	72 000 00
1000-02 West California Avenue, Urbana.....	68 250 00
1004 West California Avenue, Urbana.....	40 000 00
1006-08 West California Avenue, Urbana.....	44 000 00
<i>Total</i>	\$359 100 00

Other land now owned by the University and approximating the value of the above will be exchanged for the above properties and title transferred to the Foundation.

- b. That officials of the University be authorized to have appraisals made of two other properties in this site, namely, 1009 West Illinois Street, Urbana, and 1010 West California Avenue, Urbana, and to negotiate their purchase within the appraisals received. The estimated cost to acquire these properties is \$80,000.

Completion of the above will make available the land required as a site for the Faculty Center or the first stage of construction on the Center for Advanced Study.

On motion of Mr. Hughes, approval in principle was given as requested by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

On motion of Mr. Williamson, the Board adjourned.

EARL W. PORTER
Secretary

TIMOTHY W. SWAIN
President

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

April 17, 1968

The April meeting of The Board of Trustees of the University of Illinois was held in the Chicago Circle Center, Chicago, Illinois, on Wednesday, April 17, 1968, beginning at 9:15 a.m.

President Timothy W. Swain called the meeting to order and asked the Secretary to call the roll. The following members of the Board were present: Mr. Howard W. Clement, Mr. Donald R. Grimes, Mr. Ralph C. Hahn, Mr. Theodore A. Jones, Mr. Ray Page, Mr. Harold Pogue, Mr. Timothy W. Swain, Mr. Kenney E. Williamson. Mr. Earl M. Hughes, Governor Otto Kerner, and Dr. James A. Weatherly were absent.

Also present were President David D. Henry; Executive Vice-President and Provost Lyle H. Lanier; Chancellor Norman A. Parker, University of Illinois at Chicago Circle; Chancellor Joseph S. Begando, University of Illinois at the Medical Center; Chancellor J. W. Peltason, University of Illinois at Urbana-Champaign; Dr. Eldon L. Johnson, Vice-President of the University; Mr. C. S. Havens, University Director of Physical Plant Planning and Construction; Mr. C. E. Flynn, Assistant to the President and University Director of Public Information; Mr. James J. Costello, Legal Counsel; Dr. Daniel C. McCluney, Dean of Faculties, Chicago Circle; Dr. James B. Holderman, Associate Chancellor, Chicago Circle; Mr. Vernon L. Kretschmer, University Associate Director of Physical Plant Planning and Construction; Mr. R. C. Wicklund, Assistant Secretary of the Board of Trustees and Assistant Secretary of the University; Mr. Eugene S. Pitcher, Assistant to the Director of the Physical Plant, Urbana; and the officers of the Board, Mr. H. O. Farber, Comptroller, Mr. R. R. Manchester, Treasurer, and Dr. Earl W. Porter, Secretary.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of the Board of Trustees on April 19, 1967, press proof copies of which had previously been sent to the Board.

On motion of Mr. Jones, the minutes were approved as printed on pages 473 to 519, inclusive.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following reports and recommendations from the President of the University.

PRESIDENT'S REPORT

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

**STUDY OF EDUCATION IN THE HEALTH RELATED FIELDS
(BOARD OF HIGHER EDUCATION)**

President Henry discussed the general background of this study by a special committee of the Board of Higher Education and its current status, indicating that a preliminary report was now available and would receive public analysis within the next few weeks. The Executive Vice-President and Provost outlined in some detail the recommendations of the special committee and reported that to a considerable extent the recommendations are commensurate with the University's suggestions for expansion and development in the health sciences. (The University's proposals were submitted to the Board of Trustees in October, 1967.)

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(1) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Illinois Accountancy Act of 1943, as amended, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant Certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

<i>Name</i>	<i>Address</i>	<i>State from Which They Obtained Certificates</i>
DAVID HOWARD GERBER	Evanston	California
CALVIN OREN ROLLOFF	Ankeny, Iowa	Iowa
RICHARD JOSEPH WHITFIELD	Davenport, Iowa	Iowa

I concur.

On motion of Mr. Williamson, these certificates were awarded.

APPOINTMENTS TO THE FACULTY

(2) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

Positions in the University are classified in the following categories and are designated in the budget by the symbols indicated: A— indefinite tenure; P— indefinite term appointment for part-time service only; B— two years; D— one year; E— nine months from the beginning of the academic year; G— special tenure; Q— initial term appointment for Professor or Associate Professor; Y— twelve months' service required instead of two semesters; 1-7— indicates the number of years of service which will be credited at the end of the contract period toward completion of the probationary period relating to tenure.

Figures following a symbol indicate percentage of time if the appointment is on a part-time basis (e.g., D75 means one year on three-fourths time).

Chicago Circle

1. LEE B. JENNINGS, Professor of German, beginning September 1, 1968 (A), at an annual salary of \$16,500.
2. HELEN K. SMITH, Associate Professor of Education, beginning September 1, 1968 (A), at an annual salary of \$13,000.

Medical Center

3. STANISLAV V. KASL, Associate Professor of Preventive Medicine and Community Health, and Associate Professor of Psychology, Department of Psychiatry, College of Medicine, beginning September 1, 1968 (AY), at an annual salary of \$18,500.
4. HARRY STAFFILENO, JR., Associate Professor of Periodontics, College of Dentistry, beginning March 1, 1968, on 20 per cent time (DY20), at an annual salary of \$3,000.

Urbana-Champaign

5. WENDELL G. ANDERSON, Associate Dean, Associate Professor of Adult Education, and Director of Civil Defense Instructors Training, Division of University Extension (QY), beginning September 1, 1968, at an annual salary of \$20,800.
6. MARK ELYN, Associate Professor of Music, beginning September 1, 1969 (Q), at an annual salary of \$15,000.
7. C. DAVID O. FOSTER, Assistant Professor of Biochemistry, Departments of Chemistry and Chemical Engineering and Animal Science, beginning April 16, 1968 (1Y), at an annual salary of \$12,500.
8. FREDERICK V. LAWRENCE, JR., Assistant Professor of Metallurgy, Department of Mining, Metallurgy, and Petroleum Engineering, and Assistant Professor of Civil Engineering, beginning May 15, 1968 (D), at an annual salary of \$10,000.
9. RICHARD B. MALEK, Assistant Professor of Nematology, Department of Plant Pathology, beginning May 1, 1968 (2Y), at an annual salary of \$13,000.
10. ROBERT L. METCALF, Professor of Entomology, beginning September 1, 1968 (A), at an annual salary of \$27,000.
11. JAMES TREFIL, Assistant Professor of Physics, beginning September 1, 1968 (1), at an annual salary of \$11,000.

On motion of Mr. Grimes, these appointments were confirmed.

DIRECTORSHIP OF THE INSTITUTE FOR RESEARCH ON EXCEPTIONAL CHILDREN, URBANA

(3) The Dean of the College of Education has recommended the appointment of William P. Hurder as Professor of Special Education on indefinite tenure and Director of the Institute for Research on Exceptional Children for one year beginning September 1, 1968, at an annual salary of \$26,400.

Professor Hurder, presently Acting Director of the Institute, succeeds Professor Samuel A. Kirk who will retire September 1, 1968. Professor Kirk has been on leave of absence during the current academic year.

The Executive Vice-President and Provost, the Chancellor at Urbana, and the Dean of the Graduate College concur in this recommendation.

I recommend approval.

On motion of Mr. Pogue, this appointment was approved.

SABBATICAL LEAVES OF ABSENCE, 1968-69, URBANA

(4) I recommend that the following members of the staff be given sabbatical leaves of absence during the academic year 1968-69 in accordance with the provisions of the University of Illinois *Statutes* and on the terms and for the periods indicated. This recommendation is supplementary to the applications recommended to the Board of Trustees on March 20, 1968.

College of Agriculture*Department of Agronomy*

RUSSELL T. ODELL, Professor of Pedology, six months beginning August 1, 1968, full pay.

WALTER O. SCOTT, Professor of Agronomy, six months beginning July 1, 1968, full pay.

Department of Agricultural Economics and Cooperative Extension Service

EARL HUBERT REGNIER, Professor of Agricultural Economics and in the Cooperative Extension Service, six months beginning August 1, 1968, full pay.

Department of Forestry

W. FREEMAN BULKLEY, Assistant Professor of Forestry Extension, five months beginning September 1, 1968, full pay.

College of Liberal Arts and Sciences

Division of General Studies

OTTO ERICH KUGLER, Professor of Biological Sciences in the Division of General Studies, academic year 1968-69, one-half pay.

Institute of Labor and Industrial Relations

HERMAN ERICKSON, Professor of Labor and Industrial Relations and in the Division of University Extension, six months beginning September 1, 1968, full pay.

On motion of Mr. Clement, these leaves were granted as recommended.

HONORARY DEGREES, URBANA

(5) The University Senate at Urbana-Champaign has recommended that the honorary degrees be conferred on the following at the Commencement Exercises at Urbana-Champaign on June 15, 1968:

MURRAY GELL-MANN, Professor of Physics at the California Institute of Technology, the Degree of Doctor of Science.

ELLIS RABB, Actor and Founder and Artistic Director of the Association of Producing Artists, the Degree of Doctor of Humanities.¹

GUNTHER SCHULLER, Director of the New England Conservatory of Music in Boston, the Degree of Doctor of Music.

I concur in this recommendation of the Senate.

On motion of Mr. Hahn, these degrees were authorized.

ESTABLISHMENT OF DEPARTMENT OF CLASSICS, CHICAGO CIRCLE

(6) The College of Liberal Arts and Sciences at Chicago Circle, with the concurrence of the Chicago Circle Senate, recommends that a Department of Classics be established within the College and that existing undergraduate degree programs in these fields (now offered through the Department of English) be placed within the purview of the new department, effective September 1, 1969.

This proposal would involve the restructuring of the College to include a Department of Classics. Faculty members who now teach classics would constitute the faculty of the new department. Additional funds will be provided in the 1969-71 biennium.

The programs for undergraduate majors in the fields of Classics would be administered by the new department, and the degree of Bachelor of Arts would be awarded.

Courses in Classics required in other curricula of the College and elective courses for undergraduate students outside of the College will continue to be provided.

The Senate Coordinating Council advises that no further Senate jurisdiction is involved.

This proposal has been approved by the Chancellor at the Chicago Circle Campus and by the Executive Vice-President and Provost.

I recommend approval subject to further action by the Illinois Board of Higher Education.

On motion of Mr. Jones, this recommendation was approved.

¹ Mr. Rabb was unable to attend the Commencement Exercises; thus the degree was not conferred.

**CHANGE OF NAME OF DEPARTMENT OF GEOLOGY,
CHICAGO CIRCLE**

(7) The Chicago Circle Senate has approved a recommendation from the College of Liberal Arts and Sciences that the name of the Department of Geology be changed to the Department of Geological Sciences.

The Senate Coordinating Council has advised that no other Senate jurisdiction is involved.

The action of the Senate is reported to the Trustees for the record.

On motion of Mr. Grimes, this report was received for record.

**CAMPUS REQUIREMENTS FOR PROFICIENCY
IN WRITTEN ENGLISH**

(8) On March 14, 1944, the Board of Trustees approved a recommendation from the Urbana-Champaign Senate (based on studies by the Senate's Committee on Student English) that in order to assure satisfactory proficiency in written English by students awarded undergraduate degrees in the "Urbana divisions of the University . . . all upperclassmen who pass the Rhetoric 2 course or its equivalent with a grade of 'C' or 'D' shall be required to take an English qualifying examination before graduating." It further provided that students who fail the qualifying examination must take Rhetoric 5, "an extra one-semester course in rhetoric." (The courses have since been renumbered and the extra course is no longer required, but students must pass the examination.)

A similar requirement, appearing under the heading of General University Requirements, was approved by the Board on April 20, 1966, as a part of the "Curricula and Degree Requirements of Educational Programs at Chicago Circle."

This requirement has been the subject of extensive study by committees of the Chicago Circle and Urbana-Champaign Senates, representing the campuses most affected by it. The Chicago Circle Senate (with the Medical Center Senate concurring) and the Urbana-Champaign Senate now recommend that the University requirement of satisfactory proficiency in written English as a requirement for undergraduate degrees be interpreted as a campus requirement, in order that the specific requirements on each campus may develop according to the needs of that campus.

The Chancellors at each campus and the Executive Vice-President and Provost support this recommendation.

I concur.

On motion of Mr. Pogue, this recommendation was approved.

**PROCEDURES FOR IMPROVEMENT OF STUDENT PROFICIENCY
IN WRITTEN ENGLISH, URBANA**

(9) In the course of its study which gave rise to the recommendation contained in the previous item, the Urbana-Champaign Senate Committee on Student English formulated recommended procedures for the improvement of student proficiency in written English at the Urbana-Champaign campus. The Committee, with the endorsement of the Urbana-Champaign Senate, recommended:

1. That the English Qualifying Examination not be given after September 1, 1968,¹ and that a passing grade in Rhetoric 102 or the equivalent will satisfy the graduation requirement in written English.
2. That the tutorial work now conducted in the writing clinic be expanded and that its scope be increased.
3. That the Senate Committee on Student English be authorized to initiate and supervise experimental programs in lieu of a portion of the prescribed rhetoric for limited numbers of students.

The Chancellor at the Urbana-Champaign campus and the Executive Vice-President and Provost endorse these recommendations.

I concur.

On motion of Mr. Grimes, these recommendations were approved.

¹ As amended by the Senate, the recommendations would take effect retroactively for any student graduating in June, 1968, or thereafter.

**DISCONTINUANCE OF DIVISION OF GENERAL STUDIES AND
ESTABLISHMENT OF A GENERAL CURRICULUM. URBANA**

(10) The Urbana-Champaign Senate has approved a recommendation from the College of Liberal Arts and Sciences that the administrative organization of the Division of General Studies be discontinued and that a general curriculum for freshman and sophomore students be offered.

Approved by the Board of Trustees on June 8, 1939, the Division of General Studies was established to offer a group of general, "non-departmental courses, the content being determined by the nature of the field in its relation to the educational needs of the student, rather than by the boundaries of existing departments." The recommendation from the Senate for the establishment of the Division contained a proviso that the curriculum be considered "tentative, subject to continuous study and possible revision." Such studies and evaluation did take place in the early 1940's, the mid-1950's, 1961, and 1967.

The most recent of these studies, undertaken by an *ad hoc* committee appointed by the Dean of the College of Liberal Arts and Sciences to re-examine the position of the Division of General Studies in the College and in the University, found that the objectives for which the Division was originally established "remain important and the need to achieve them becomes more acute."

The Committee found that the Division's courses had stimulated considerable interest among students both in the College of Liberal Arts and Sciences and in other colleges, and served an important and unique function in the science areas, but that significant problem areas, e.g., self-identity, establishment of a core of courses equal in stature but separate in orientation, and obtaining and holding qualified teaching staff, have marked its history. The Committee concluded that the primary contribution of the Division has resulted from its individual courses rather than from its distinctive program of general education or its particular type of administrative structure.

At the same time, a Committee on Curricular Reclassification of the College of Liberal Arts and Sciences has considered the problems of uncommitted freshman and sophomore students, and has recommended development of a general curriculum which requires no commitment by such students to a specific academic or subject-matter field.

Based on the reports of these two committees, the College of Liberal Arts and Sciences, with the endorsement of the Urbana-Champaign Senate, recommends:

1. That the courses and functions currently administered by the Division of General Studies be made a primary administrative responsibility of the Council on General Education in the College of Liberal Arts and Sciences (a standing committee of the faculty), with authority to appoint a Director having appropriate administrative assignments.
2. That the College of Liberal Arts and Sciences offer a two-year general curriculum in which freshman and sophomore students may register at their option rather than select a departmental major. This curriculum will replace the present Curriculum in General Studies. It is not proposed to discontinue the Science and Letters Curriculum.

The Chancellor at the Urbana-Champaign campus and the Executive Vice-President and Provost concur.

I recommend approval.

On motion of Mr. Jones, this recommendation was approved.

**DOCTOR OF PHILOSOPHY DEGREE IN THE HISTORY OF ART,
URBANA**

(11) The Graduate College and the Urbana-Champaign Senate recommend the establishment of the degree of Doctor of Philosophy in the History of Art.

A recent study prepared under a grant from the Ford Foundation indicates that course offerings in the history of art in the United States have approximately doubled every twenty years since 1900 and will probably continue to expand at the same rate in the future. During the last decade interest in this field of study at Urbana, both as a part of general education and as a clearly identified subject for specialization, has reflected this trend: for the school year 1955-56 there were 709 enrollments in courses in the history of art. For 1965-66 the number totaled 1,678.

The number of persons who hold the Ph.D. degree in the history of art continues to be inadequate to meet the need for teachers in this field. Also affected by the national shortage of trained art historians, according to the study, are such "extra-academic professions as museum curating, periodical and art criticism, and commercial dealing. . . ."

The Department of Art, in conjunction with the Department of Architecture, is now in a position to offer sound training for the Ph.D. degree in the history of art. The University first granted the master's degree in the history of art in 1948. The success of that program, together with library holdings of 129,000 volumes on the history and criticism of the visual arts, and the availability of the Krannert Art Museum and the Museum of Classical and European Culture support the recommendation.

Degree candidates will be required to meet the admission standards and degree requirements generally prevailing within the Graduate College of the University of Illinois. A statement describing the proposed program is filed with the Secretary of the Board for record.

The Chancellor at the Urbana-Champaign campus, the Dean of the Graduate College, and the Executive Vice-President and Provost concur in this recommendation.

The Senate Coordinating Council indicates that no other Senate jurisdiction is involved.

I recommend approval, subject to further action by the Illinois Board of Higher Education.

On motion of Mr. Hahn, this recommendation was approved.

CURRICULUM PREPARATORY TO TEACHING IN EARLY CHILDHOOD EDUCATION, URBANA

(12) The Urbana-Champaign Senate recommends approval of a proposal from the College of Education for the establishment of a Curriculum Preparatory to Teaching in Early Childhood Education in the Department of Elementary Education.

Over the past few years there has been an expansion of educational programs for young children throughout the United States as well as in the state of Illinois. The number of nursery school and kindergarten classes has been increasing in the country so that in 1964, according to the United States Office of Education, 4.3 per cent of the three-year-olds, 14.9 per cent of the four-year-olds, and 58.1 per cent of the five-year-olds were enrolled in nursery schools and kindergartens. Project Headstart, under the auspices of the Office of Economic Opportunity, has developed in the past two years into a massive preschool program for culturally disadvantaged children.

The establishment of these programs is believed to be the beginning of a larger development toward providing earlier educational opportunities for all children. Recently, the Educational Policies Commission of the National Educational Association has recommended that education for all children begin at age four.

The expansion of new programs of education for young children has created an increased demand for teachers especially prepared to teach children of this age. This demand is expected to continue and may even increase.

The rapid development of early childhood education also has created a need for trained leaders in the field. Graduates of the proposed program would constitute a reservoir of supervisors, teacher education specialists, and directors of preschool programs.

The present elementary education program prepares students for teaching from kindergarten through grade six. No specialized course work is available for these students in early childhood education. From a professional standpoint, it is believed that a total, integrated program is better for preparing early childhood teachers than the alternative of adding courses to the existing elementary education program.

Graduates of the Early Childhood Education program would be eligible for certification as elementary school teachers under present certification regulations in the state of Illinois. Professional groups are now studying standards for special certification in early childhood education.

The Chancellor at the Urbana-Champaign campus and the Executive Vice-President and Provost endorse this recommendation.

I recommend approval subject to further action by the Illinois Board of Higher Education.

On motion of Mr. Clement, this recommendation was approved.

**AUTHORIZATION TO WITHHOLD STUDENT TUITION
TO SUPPORT CHICAGO CIRCLE CENTER**

(13) When the bonds were sold to finance the Chicago Circle Center in 1963, the estimated income was based on enrollment projections available at that time. These called for an enrollment in the year 1967-68 of 14,000 students.

Because of the delays in the construction of facilities, actual enrollment in the fall of 1967 was 11,861, or a difference of 2,139 in the number of students than had been anticipated in the financing program. The loss of the fee income from these students and of the net income which would have been realized from their purchases, creates a financial problem for the Center. It is now estimated that the Center may incur a deficit in its operation of as much as \$300,000.

The University is authorized to withhold general student tuition to the extent necessary to support revenue bond projects. A review of student fee and other income realized so far this fiscal year indicates that the estimates of income will be over-realized by at least \$300,000. Accordingly, the Chancellor of Chicago Circle, the Executive Vice-President and Provost, and the Vice-President and Comptroller recommend that the Board authorize the withholding of \$300,000 from general student tuition to be used to the extent needed to meet the covenants of the resolution authorizing issuance of bonds for the Chicago Circle Center.

I concur.

On motion of Mr. Clement, this recommendation was approved and authority was given by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Hughes, Governor Kerner, Dr. Weatherly.

APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(14) After review by the Committees on Nonrecurring Appropriations at the Chicago Circle, Medical Center, and Urbana-Champaign campuses, the respective Chancellors recommend the following appropriations from the funds indicated:

Chicago Circle General Reserve

College of Engineering

Department of Energy Engineering, equipment.....	\$ 20 800 00
Department of Information Engineering, equipment.....	29 302 00
Department of Materials Engineering, equipment.....	13 800 00
<i>Total, Chicago Circle General Reserve.....</i>	<u>(63 902 00)</u>

Medical Center General Reserve

Renovation and remodeling for which funds are assigned to the Physical Plant Department:

Remodeling on the second floor of 721 South Wood Street (old Union Building) for the Office of Nonacademic Personnel.....	(52 700 00)
---	-------------

Urbana-Champaign General Reserve

College of Education

Administration, equipment.....	10 346 00
--------------------------------	-----------

College of Liberal Arts and Sciences

School of Life Sciences, equipment.....	31 192 00
---	-----------

Renovation and remodeling for which funds are assigned to the Physical Plant Department:

Additional funds for remodeling of Noyes East Laboratory for the Department of Chemistry and Chemical Engineering, to match funds received for a grant from the National Science Foundation	23 350 00
---	-----------

<i>Total, Urbana-Champaign General Reserve.....</i>	<u>(64 888 00)</u>
---	--------------------

<i>Grand Total.....</i>	<u>\$181 490 00</u>
-------------------------	---------------------

The Executive Vice-President and Provost and the Vice-President and Comptroller concur.

I recommend approval.

On motion of Mr. Williamson, these appropriations were made by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Hughes, Governor Kerner, Dr. Weatherly.

**INCREASE IN CONTRACT FOR ARCHITECTURAL SERVICES,
CHICAGO CIRCLE**

(15) On July 26, 1967, the Board of Trustees approved the employment of Samuel Arthur Lichtmann, Chicago, for complete architectural services for miscellaneous remodeling projects at the Chicago Circle campus at a fee of 8 per cent of construction costs plus reimbursement for the actual costs of a Clerk of the Works. The contract further states that the total payment for services on any specific project would not exceed \$10,000 unless prior authorization is given by the Board of Trustees.

The President of the University, with the concurrence of appropriate administrative officers, recommends an addition to this contract of an estimated \$15,000 for complete architectural and engineering services for remodeling space in the Chicago Circle Center.

Funds are available in the Chicago Circle Center account.

On motion of Mr. Grimes, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Hughes, Governor Kerner, Dr. Weatherly.

**REQUEST TO ILLINOIS BUILDING AUTHORITY TO INCREASE
CONTRACT FOR CONSTRUCTION OF LIBRARY BUILDING,
PHASE II, CHICAGO CIRCLE**

(16) The President of the University, with the concurrence of appropriate administrative officers, recommends that the Board of Trustees request the Illinois Building Authority to authorize an increase of \$13,952 in the contract with the Gust K. Newberg Construction Co., Chicago, for heating work in the Library Building, Chicago Circle.

Funds are available in the project budget for this work.

On motion of Mr. Hahn, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Hughes, Governor Kerner, Dr. Weatherly.

**CONTRACT FOR STREET LIGHTING AND INSTALLATION OF TRAFFIC
SIGNALS FOR FLORIDA AVENUE, URBANA**

(17) The President of the University, with the concurrence of appropriate administrative officers, recommends award of a contract to Champaign Signal and Lighting Co., Champaign, the lowest bidder, for the total sum of \$87,748.28 for lighting improvements to Florida Avenue from Lincoln Avenue to the Illinois Central Railroad right-of-way and installation of traffic signals at the intersection of Oak Street and Florida Avenue, Urbana-Champaign.

Funds are available from state capital appropriations to the University for 1967-69 and have been released by the Governor.

On motion of Mr. Grimes, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Hughes, Governor Kerner, Dr. Weatherly.

**CONTRACT FOR CONSTRUCTION OF PAVING IMPROVEMENTS
TO SOUTH LINCOLN AVENUE ROAD, URBANA**

(18) The President of the University, with the concurrence of appropriate admin-

istrative officers, recommends award of a contract for \$228,750 to General Paving Company Incorporated, Champaign, the lowest bidder, for construction of paving improvements to the South Lincoln Avenue Road between Florida Avenue and George Huff Drive extended, Urbana.

Pursuant to an agreement entered into as authorized by the Board of Trustees on October 16, 1967, the city of Urbana has vacated the portion of the right-of-way lying within the city limits, and Urbana Township will complete vacation proceedings on April 19, 1968, for the portion of the right-of-way lying within the Township.

Funds are available in state capital appropriations to the University for 1967-69 and have been released by the Governor.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Clement, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Hughes, Governor Kerner, Dr. Weatherly.

CONTRACT FOR CONSTRUCTION FOR ABBOTT POWER PLANT, URBANA

(19) The President of the University, with the concurrence of appropriate administrative officers, recommends award, subject to release by the Governor of funds available in state capital appropriations to the University for 1967-69, of a contract for \$223,938 to Julian Engineering Company, Chicago, the lowest bidder, for modifications to the Abbott Power Plant, Urbana-Champaign campus, required to increase the pressure in the steam distribution system throughout the campus.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Hahn, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Hughes, Governor Kerner, Dr. Weatherly.

CONTRACT FOR CONSTRUCTION OF PARKING LOT FOR ASSEMBLY HALL, CHAMPAIGN

(20) The President of the University, with the concurrence of appropriate administrative officers, recommends award of a contract for \$39,975 to University Asphalt Company, Inc., Urbana, the lowest bidder, for construction of a parking lot in the southwest quadrant of the Assembly Hall, Urbana-Champaign campus.

Funds are available in the project budget for this work.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Hahn, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Hughes, Governor Kerner, Dr. Weatherly.

CONTRACTS FOR REMODELING OF NATURAL HISTORY BUILDING FOR THE PALEONTOLOGY DIVISION OF THE DEPARTMENT OF GEOLOGY, URBANA

(21) The President of the University, with the concurrence of appropriate administrative officers, recommends award of the following cost-plus contracts, based on percentages bid for contractors' fees, for remodeling of a portion of the Natural History Building on the Urbana-Champaign campus for the Paleontology Division of the Department of Geology, the award in each case to the lowest bidder.

	<i>Per Cent for Materials</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub- contracts</i>	<i>Estimated Fee Payments</i>	<i>Total Estimated Payments</i>
General — Dean Evans Co., a Delaware Corporation, Champaign.....	6	25	10	\$3 090 00	\$22 590 00
Electrical — Remco Electrical Corporation, a Delaware Corporation, Champaign..	6	24½	0	1 222 50	7 823 00
Plumbing — Cool-Rite Mechanical Contractors, Inc., a Delaware Corpora- tion, Urbana.....	15	42	5	1 720 00	7 920 00
Ventilation and Distribution Systems for Conditioned Air Work — Cool-Rite Mechanical Contractors, Inc., a Delaware Corpora- tion, Urbana.....	15	40	5	2 550 00	11 550 00
<i>Total</i>					<u>\$49 883 00</u>

Funds are available in state capital appropriations to the University for 1967-69 and have been released by the Governor.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Grimes, these contracts were awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Hughes, Governor Kerner, Dr. Weatherly.

**CONTRACTS FOR REMODELING IN NATURAL HISTORY BUILDING
FOR GROUNDWATER AND ENGINEERING GEOLOGY,
URBANA**

(22) The President of the University, with the concurrence of appropriate administrative officers, recommends award of the following cost-plus contracts, based on percentages bid for contractors' fees, for remodeling of a portion of the Natural History Building on the Urbana-Champaign campus for the Division of Groundwater and Engineering Geology of the Department of Geology, the award in each case to the lowest bidder.

	<i>Per Cent for Materials</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub- contracts</i>	<i>Estimated Fee Payments</i>	<i>Total Estimated Payments</i>
General — Dean Evans Co., a Delaware Corporation, Champaign.....	5	26	10	\$2 270 00	\$17 770 00
Electrical — Remco Electrical Corporation, a Delaware Corporation, Champaign..	6	24½	0	1 222 50	7 822 50
Plumbing — Cool-Rite Mechanical Contractors, Inc., a Delaware Corpora- tion, Urbana.....	15	42	5	1 070 00	4 670 00
<i>Total</i>					<u>\$30 262 50</u>

Funds are available in state capital appropriations to the University for 1967-69 and have been released by the Governor.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Clement, these contracts were awarded by the fol-

lowing vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Hughes, Governor Kerner, Dr. Weatherly.

CONTRACT FOR PURCHASE OF EQUIPMENT FOR STEAM DISTRIBUTION SYSTEM, URBANA

(23) The President of the University, with the concurrence of appropriate administrative officers, recommends award of a contract for \$15,001 to Process Sales Inc., Addison, the lowest bidder, for equipment for seven pressure reducing stations that are required in conjunction with increasing the pressure in the Urbana-Champaign campus steam distribution system.

Funds are available in state capital appropriations to the University for 1967-69 subject to release by the Governor.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Jones, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Hughes, Governor Kerner, Dr. Weatherly.

CONTRACTS FOR CONSTRUCTION OF CENTRAL RECEIVING WAREHOUSE, URBANA

(24) The President of the University, with the concurrence of appropriate administrative officers, recommends award of the following contracts for construction of the Central Receiving Warehouse, Urbana-Champaign campus, the award in each case being to the lowest bidder.

General — C. A. Petry & Sons, Inc., Champaign.....	\$346 000 00	
Electrical — Remco Electrical Corporation, Champaign..	25 359 00	
Plumbing — David W. Reichard Plumbing & Heating Co., Inc., Urbana.....	21 355 00	
Heating — David W. Reichard Plumbing & Heating Co., Inc., Urbana.....	11 975 00	
Sprinkler — Viking Fire Protection Company, St. Louis, Missouri.....	11 098 00	\$415 787 00
Base bid.....	\$23 132 00	
Deductive alternate for omitting the fire-cycle system and air compressor and substituting a wet pipe sprinkler system.....	12 034 00	

Since David W. Reichard Plumbing & Heating Co., Inc., Urbana, is the lowest bidder for both the plumbing work and heating work, it is also recommended that these awards be combined in a single contract.

It is further recommended that all contracts other than the contract for general work be assigned to the general contractor, making the total contract price \$415,787; and that an agreement be entered into with C. A. Petry & Sons, Inc., Champaign, for the assignment of these other contracts for \$5,200 which amount is included in the contract price, being the amount bid by that Company for the supervision of other contracts assigned to the general contractor.

Funds are available in Office Supply Stores Reserve, General Chemical Stores Reserve, and in state capital appropriations to the University for 1967-69 which have been released by the Governor.

Submitted herewith is a report from the Campus Architect, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Grimes, these contracts were awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Hughes, Governor Kerner, Dr. Weatherly.

**REQUEST TO ILLINOIS BUILDING AUTHORITY TO CONTRACT FOR
CONSTRUCTION OF UNDERGROUND CHILLED WATER SERVICE
TO PSYCHOLOGY LABORATORY, URBANA**

(25) The President of the University, with the concurrence of appropriate administrative officers, recommends that the Illinois Building Authority be authorized to award a contract for \$96,290 to George S. Walker Plumbing and Heating Inc., Decatur, the lowest bidder, for construction of underground chilled water service to the Psychology Laboratory, Urbana-Champaign campus, and to proceed to procure this for the use of the University.

Construction of the Psychology Laboratory is a project which the Board on September 22, 1965, requested the Illinois Building Authority to provide. Funds for this work are available from the project budget of the Undergraduate Library, which project contains funds for the Library Air Conditioning Center to serve both the Undergraduate Library and the Psychology Building. The Authority will finance the construction and lease the facilities to the University for rental payments for which state appropriations are available for the current biennium.

Submitted herewith is a report from the Physical Plant Department, including a list of the bids received, a copy of which is being filed with the Secretary of the Board for record.

It is also recommended that the Comptroller and the Secretary of the Board be authorized to make, execute, acknowledge, and deliver such instruments of transfer, conveyance, lease, contract, and other documents as are necessary to provide for the carrying out of the foregoing project by the Illinois Building Authority and that the following resolution be adopted.

Resolution

Be It, and It Hereby Is, Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Illinois Building Authority be, and it hereby is, requested to award to George S. Walker Plumbing and Heating Inc., Decatur, Illinois, a contract for constructing underground chilled water service to the Psychology Laboratory, Urbana-Champaign, for the fixed price of \$96,290.

Be It, and It Hereby Is, Further Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and Secretary of this public corporation be, and they hereby are, authorized to make, execute, acknowledge and deliver, in the name and in behalf of this corporation, such instruments of transfer, conveyance, lease, contract and other documents as are necessary or appropriate in order to provide for the carrying out of the foregoing project and facility by the Illinois Building Authority.

On motion of Mr. Clement, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Hughes, Governor Kerner, Dr. Weatherly.

**CONTRACT FOR WATER DISTRIBUTION SYSTEM IMPROVEMENTS,
URBANA**

(26) The President of the University, with the concurrence of appropriate administrative officers, recommends award, subject to release by the Governor of funds available in state capital appropriations to the University for 1967-69, of a contract for \$91,602 (base bid plus additive alternate A4) to Elton A. Wagner Company, Danville, the lowest bidder. The work will consist of additions to the water distribution system on the Urbana-Champaign campus.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Williamson, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Hughes, Governor Kerner, Dr. Weatherly.

**AGREEMENT WITH COMMONWEALTH EDISON COMPANY
FOR ELECTRICAL SERVICE TO THE MEDICAL RESEARCH
LABORATORY ADDITION, MEDICAL CENTER**

(27) The President of the University, with the concurrence of the appropriate administrative officers, recommends that the Board authorize its Comptroller and Secretary to execute an agreement with Commonwealth Edison Company, Chicago, to change the transformers in the Medical Research Laboratory vault from two 750 KVA to three 1500 KVA transformers at a total cost of \$5,834. This change will provide for the increased electrical load due to the proposed construction of the Medical Research Laboratory Addition, Medical Center.

Funds are available in state capital appropriations to the University for 1967-69 and have been released by the Governor.

On motion of Mr. Clement, this agreement was authorized by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Hughes, Governor Kerner, Dr. Weatherly.

**AGREEMENT TO PARTICIPATE IN UPPER EMBARRASS RIVER BASIN
DRAINAGE DISTRICT IMPROVEMENTS PROGRAM, URBANA**

(28) The Upper Embarrass River Basin Drainage District has requested the University to share in the cost of improving that portion of the Upper Embarrass channel which falls within the boundaries of the District. The District requires an agreement with the University on this project in order to present this proposal to the Circuit Court of Champaign County, which Court is authorized by law to make the determination as to the feasibility of the project based on benefits weighed against damages and costs to the property owners served by the aforementioned channel.

The total cost of the project is currently estimated by the District's engineers at \$424,000, which cost will be divided between the University, the city of Urbana, and private land owners served by the District. The estimated cost of the University's share of this work is \$220,000.

Funds for this project are available in state capital appropriations to the University in the 1967-69 biennium in the amount of \$170,000 subject to release by the Governor. Additional funds estimated at \$50,000 will be requested in the 1969-71 biennium.

Accordingly, the President of the University, with the concurrence of appropriate administrative officers, recommends that the Board of Trustees authorize the Comptroller and the Secretary of the Board to execute an agreement with the Upper Embarrass River Basin Drainage District, providing for the University's share of the cost at an estimated \$220,000, subject to the availability of funds and contingent upon approval by the Circuit Court of Champaign County, Illinois, as outlined above.

Submitted herewith is a report from the Physical Plant Department, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Williamson, this agreement was authorized by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Hughes, Governor Kerner, Dr. Weatherly.

**EASEMENT OVER VACATED PORTIONS OF SOUTH FIRST STREET
ROAD, ST. MARY'S ROAD, AND SOUTH FOURTH
STREET, URBANA**

(29) The Board of Trustees on October 16, 1967, authorized the Comptroller and the Secretary of the Board to execute an agreement with the Township of Urbana for vacation of South First Street Road from St. Mary's Road to the entrance of the Children's Research and Adler Zone Centers, in order to permit the University to proceed with the improvement of this road. An objection to this vacation was raised on behalf of Mr. Roy D. Murphy, the owner of several apartment houses to the south of these improvements, on the premise that it may be difficult to finance additional apartment construction on this land if the only outlet to the North is over property owned and controlled by the University.

Discussions with the University Legal Counsel and attorneys for Mr. Murphy have resulted in an agreement for the granting of a right-of-way easement on portions of South First Street Road to be vacated by the Township of Urbana and on portions of St. Mary's Road, South First Street, and South Fourth Street, which have already been vacated and title vested in the University.

Accordingly, the President of the University, with the concurrence of appropriate administrative officers, recommends that the Board of Trustees adopt the following resolution authorizing the granting of a right-of-way easement on vacated portions of South First Street Road, St. Mary's Road, and South Fourth Street, for the use and benefit of all present and future owners of the Roy D. Murphy property therein described.

Resolution Authorizing Granting of Right-of-Way Easement on Vacated Portions of South First Street Road, St. Mary's Road, and South Fourth Street

Be It, and It Hereby Is Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and the Secretary of this corporation be, and they hereby are, authorized to execute, acknowledge and deliver in the name and on behalf of this corporation such instruments as to them may seem necessary or desirable in order to grant to Roy D. Murphy and all present and future owners of the following described property; viz:

The East 363.00 feet of the South Half, Southeast Quarter, Section 24, Township 19 North, Range 8 East of the Third P.M., and all that part of the South Half, Southwest Quarter, Section 19, Township 19 North, Range 9 East of the Third P.M., lying West of the Center line of South First Street in Champaign County, Illinois;

hereinafter referred to as "Dominant Land", and to their grantees, transferees, successors, executors, administrators, heirs, and assigns, the full and free right and liberty for them, their tenants, servants, visitors and licensees, in common with all others having a like right, at all times hereafter, on foot or on vehicles, for all purposes connected with the use and enjoyment of Dominant Land, to pass and repass over and upon the following-described real estate of this public corporation:

Parcel "A" — South First Street Road (vacated 1968)

Situated in the State of Illinois, the County of Champaign, and being a part of the SW $\frac{1}{4}$ NW $\frac{1}{4}$ and the W $\frac{1}{2}$ SW $\frac{1}{4}$ of Section 19, Township 19 North, Range 9 East of the Third Principal Meridian and being further known as a strip of land 66.0 feet in width, the center line of which is described as follows: Beginning at a point 89.76 feet distant east of the west line of said Section 19 and 697.6 feet distant south of the south property line of St. Mary's Road (66.0 feet); thence southerly along a line parallel and 89.76 feet distant east of west line of said Section 19, to a point 26.4 feet south of the south line of the NW $\frac{1}{4}$ SW $\frac{1}{4}$ of said Section 19.

Parcel "A" — First Street (vacated 1962)

Situated in the State of Illinois, the County of Champaign, the City of Champaign, and being parts of the N $\frac{1}{2}$, NE $\frac{1}{4}$ of Section 24, Township 19 North and Range 8 East and the N $\frac{1}{2}$, NW $\frac{1}{4}$ of Section 19, Township 19 North and Range 9 East, both of the Third Principal Meridian; and being a strip of land 66.0 feet in width, known as First Street in said City of Champaign, the center line of which is described as follows:

Beginning at a point on the south property line of Florida Avenue in said City of Champaign; thence southerly along the east line of said Section 24, a distance of 957.95 feet to the south corporation line of said City of Champaign, said line also being 264.0 feet distant north of the south line of the N $\frac{1}{2}$, N $\frac{1}{2}$ of said Section 24.

Parcel "B" — Fourth Street

Situated in the State of Illinois, the County of Champaign, the City of Champaign and being a part of the N $\frac{1}{2}$, NW $\frac{1}{4}$, Section 19, Township 19 North, and Range 9 East of the 3rd Principal Meridian; and being a strip of land 66.0 feet in width, known as Fourth Street in said City of Champaign, the center line of which is described as follows:

Beginning at a point on the south property line of Florida Avenue in said City of Champaign; thence southerly along the east line of the NW $\frac{1}{4}$ NW $\frac{1}{4}$ of said Section 19, a distance of 962.0 feet to the south corporation line of said City of Champaign, said line also being 264.0 feet distant north of the south line of the N $\frac{1}{2}$ N $\frac{1}{2}$ of said Section 19.

Parcel "C" — South First Street Road

Situated in the State of Illinois, the County of Champaign, and being also parts of the S $\frac{1}{2}$, NW $\frac{1}{4}$, NW $\frac{1}{4}$ of Section 19, Township 19 North and Range 9 East, and the S $\frac{1}{2}$, NE $\frac{1}{4}$, NE $\frac{1}{4}$ of Section 24, Township 19 North and Range 8 East, both of the Third Principal Meridian; and being further known as a strip of land 66.0 feet in width, the center line of which is described as follows:

Beginning at a point on the north property line of St. Mary's Road at its intersection with the west line of said Section 19; thence northerly along the west line of said Section 19, a distance of 231.0 feet, more or less, to a point, said point being also on the south corporation line of the City of Champaign.

Parcel "D" — South Fourth Street

Situated in the State of Illinois, the County of Champaign, and being a part of the N $\frac{1}{2}$ of the NW $\frac{1}{4}$ of Section 19, Township 19 North, and Range 9 East of the 3rd Principal Meridian, and being also known as a strip of land 66.0 feet in width, the center line of which is described as follows:

Beginning at a point on the north property line of St. Mary's Road at its intersection with the east line of the NW $\frac{1}{4}$ NW $\frac{1}{4}$ of said Section 19; thence northerly along the east line of the NW $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 19, a distance of 231.0 feet, more or less, to a point, said point being also on the south corporation line of the City of Champaign.

Parcel "E" — South First Street Road

Situated in the State of Illinois, the County of Champaign, and being also a part of the N $\frac{1}{2}$, SW $\frac{1}{4}$, NW $\frac{1}{4}$ of Section 19, Township 19 North and Range 9 East of the Third Principal Meridian; and being further known as a strip of land 66.0 feet in width, the center line of which is described as follows:

Beginning at a point on the south property line of St. Mary's Road (66.0 feet), said point being 89.76 feet distant east of the west line of said Section 19, and 33.0 feet distant south of the center line of St. Mary's Road; thence southerly along a line parallel to and 89.76 feet distant east of the west line of said Section 19, a distance of 697.6 feet, more or less.

Parcel "F" — St. Mary's Road

Situated in the State of Illinois, and the County of Champaign, and being also parts of the NW $\frac{1}{4}$ of Section 19, Township 19 North and Range 9 East, and the NE $\frac{1}{4}$ of Section 24, Township 19 North, and Range 8 East, both of the Third Principal Meridian; and being also known as a strip of land 66.0 feet in width, the center line of which is described as follows:

Beginning at a point 16.5 feet distant north of the southwest corner of the NW $\frac{1}{4}$, NE $\frac{1}{4}$ of said Section 19; thence westerly to the NW corner of the SE $\frac{1}{4}$, NE $\frac{1}{4}$ of said Section 24.

Parcel "G" — West St. Mary's Road

Situated in the State of Illinois, the County of Champaign, and being also a part of the NE $\frac{1}{4}$ of Section 24, Township 19 North and Range 8 East of the Third Principal Meridian; and being further known as a strip of land 66.0 feet in width, the center line of which is described as follows:

Beginning at the SE corner of the NW $\frac{1}{4}$, NE $\frac{1}{4}$ of said Section 24; thence westerly along the south line of the NW $\frac{1}{4}$, NE $\frac{1}{4}$ of said Section 24, a distance of 288.5 feet to the east right-of-way line of the Illinois Central Railroad.

On motion of Mr. Jones, the foregoing resolution was adopted.

BEQUEST OF CLARA BELLE STONE

(30) The Library School at the Urbana-Champaign campus has been named as the beneficiary of a bequest under the will of Clara Belle Stone, an alumna of the class

of 1909. The bequest reads as follows: "(13) I give and bequeath to the Library School of the University of Illinois, Urbana-Champaign, Illinois, the sum of Ten Thousand and 00/100ths (\$10,000.00) Dollars, to be used by the Trustees of that Institution as they may determine as a memorial to Clara Belle Touzalin Stone, an alumnus of the Class of 1909, and Porter E. Stone, her husband."

The Dean of Library Administration and the Vice-President and Comptroller recommend acceptance of this bequest and that these funds, when received, be held and invested as a temporary endowment for the benefit of the Graduate School of Library Science as a memorial to Clara Belle Touzalin Stone and Porter E. Stone. It is further recommended that the income from this fund be devoted to such purposes as may be determined by the Dean of Library Administration in accordance with regular University procedures.

The Chancellor at the Urbana-Champaign campus concurs.

I recommend approval.

On motion of Mr. Clement, this recommendation was approved.

PURCHASES

(31) The President submitted, with his concurrence, a list of purchases recommended by the Director of Purchases and the Vice-President and Comptroller; also a purchase authorized by the Executive Vice-President and Provost, acting for the President.

The lists of purchases authorized and purchases recommended for Board approval were presented in two categories: purchases from appropriated funds (i.e., from state appropriations to the University) and purchases from institutional funds. The latter term designates funds received by the University under contracts with the United States government, contracts with private corporations and other organizations, funds from foundation grants, and grants from corporations and other donors, and University revolving funds authorized by law.

The total amounts of these purchases were:

<i>From Appropriated Funds</i>	
Purchases Recommended	\$246 129 36
<i>From Institutional Funds</i>	
Purchase Authorized	\$ 25 170 00
Purchases Recommended	342 933 39
	<u>\$368 103 39</u>
<i>Total</i>	\$614 232 75

A complete list of the purchases authorized and recommended, with supporting information, including the quotations received, was sent to each member of the Board in advance of the meeting, and a copy is being filed with the Secretary of the Board for record.

On motion of Mr. Clement, this recommendation was approved.

COMPTROLLER'S REPORT OF PURCHASES APPROVED

(32) The Vice-President and Comptroller also submitted a report of purchases approved by him on recommendation of the Director of Purchases in amounts of \$2,500 to \$5,000. A copy of this report is filed with the Secretary.

This report was received for record.

COMPTROLLER'S MONTHLY REPORT OF CONTRACTS

(33) The Comptroller's monthly report of contracts executed.

New Contracts

<i>With Whom</i>	<i>Purpose</i>	<i>Amount to be Paid to the University</i>
F. S. Services, Incorporated	Improvement of farm tractor maintenance	\$25 000 00
The Great Northern Railway	Evaluation of the technological and economic effects of various rail sections	22 000 00
Illinois Arts Council	To cover partial costs of nine visiting artists in centennial symposium	10 000 00
Illinois Department of Conservation	Physiological and behavioral relationships among species of fishes	6 900 00

Summary

Amount to be paid to the University.....	\$1 567 246 00
Amount to be paid by the University.....	25 339 00

This report was received for record.

ANNUAL REPORT OF THE TREASURER

(34) In accordance with the By-Laws of the Board of Trustees, the Treasurer of the University has submitted a report of receipts and disbursements of University funds in his custody for the period March 1, 1967, to February 29, 1968, certified by the Vice-President and Comptroller. A copy of this report was sent to each member of the Board of Trustees prior to today's meeting, and a copy is filed with the Secretary of the Board.

This report was received for record.

INVESTMENT REPORT

Report of the Finance Committee

(35) The Finance Committee reported the following changes in investments of endowment funds for the month of February, 1968:

Miller

Sale

\$42 000 Commercial Credit Corp. open-end demand notes.....	\$	42 000 00
---	----	-----------

Purchase

300 shares Lincoln National Life Insurance common stock.....		19 800 00
--	--	-----------

Report of the Comptroller

The Comptroller reported the following changes in investments of current and unexpended plant funds, which he had been authorized to make, for the month of February, 1968:

Current Funds

ART OBJECTS

Sale

\$14 000 U.S. Treasury bills due 10/31/68.....	\$	13 448 41
--	----	-----------

FORD FOUNDATION — GENERAL ENGINEERING

Purchase

\$3 000 U.S. Treasury bills due 7/31/68.....		2 924 82
--	--	----------

RESTRICTED GROUP

Purchase

\$1 000 000 U.S. Treasury bills due 2/23/68.....		998 022 22
1 000 000 Beneficial Finance notes due 3/4/68.....		996 250 00
1 000 000 Cont. Ill. National Bank C/D due 5/3/68.....		1 000 000 00

APPOINTMENTS TO THE BOARD OF DIRECTORS OF THE ATHLETIC ASSOCIATION

(36) On recommendation of the Chancellor of the Urbana-Champaign campus, I submit herewith nominations for appointments to the Board of Directors of the Athletic Association of the University of Illinois, to become effective as of today and to continue until the next annual meeting of The Board of Trustees of the University of Illinois in 1969, or until the successors of these Directors have been appointed.

Reappointments

From the Faculty

WILLIAM A. FERGUSON, Associate Professor of Mathematics (has been serving on the Board since November, 1967)

FRANK B. LANHAM, Professor and Head of the Department of Agricultural Engineering (has been serving on the Board since 1965)

HENRY S. STILLWELL, Professor and Head of the Department of Aeronautical and Astronautical Engineering (has been serving on the Board since 1964)

From the Alumni Association

LOUIS BOUDREAU, Class of 1939, Sports Announcer, Radio Station WGN, Chicago (has been serving on the Board since 1965)

CHARLES H. STOTZ, Class of 1939, Executive Secretary, West Suburban Y.M.C.A., La Grange (has been serving on the Board since 1964)

New Appointments

From the Faculty

VERNON K. ZIMMERMAN, Professor of Accountancy and Acting Dean of the College of Commerce and Business Administration

From the Alumni Association

PAUL K. BRESEE, Class of 1923, President of the University Federal Savings and Loan Association; President of the University of Illinois Alumni Association

(Mr. Bresee's appointment on the Board is for the period of his tenure as President of the University of Illinois Alumni Association.)

On motion of Mr. Pogue, these appointments were approved.

**EASEMENT TO CHICAGO PIPE LINE COMPANY
THROUGH ALLERTON ESTATE**

(37) The Vice-President and Comptroller recommends that the Chicago Pipe Line Company be granted an easement for the construction of a twenty-six-inch steel pipe line through Allerton Estate. The Company will pay the University \$10 per rod for a total of approximately \$1,460 for said easement.

The Company requests the right to use, during the period of construction only, an additional twenty-five feet on each side of the fifty-foot right of way and all necessary working space (defined as being 200 feet on each side of the pipe line and 500 feet deep) on the northerly side of the Sangamon River for the storage of dirt during construction but with the understanding that no trees will be removed.

The proposed grant will not interfere with experiments being conducted in the area by the Department of Forestry.

The Department of Agricultural Economics, which manages the land, concurs. I concur and recommend adoption of the following resolution.

**Resolution Authorizing 26" Steel Pipe Line Easement to Chicago Pipe Line
Company Through Allerton Estate**

Be It, and It Hereby Is Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and the Secretary of this public corporation be, and they hereby are, authorized to execute, acknowledge and deliver in the name and on behalf of this corporation such instruments of conveyance, contract, or other document or documents as to them may seem necessary or desirable in order to grant to Chicago Pipe Line Company, a Delaware corporation, hereinafter referred to as "Grantee," its successors and assigns, the right and easement to construct, reconstruct, operate, maintain, repair, alter, replace, move and remove a 26" steel pipe line and other equipment appurtenant thereto under, through and across the land hereinafter described and the right of ingress to and egress therefrom; the rights and easement granted to be limited to the extent that this public corporation has the present right and capacity to grant the same, and in consideration of the payment by Grantee to this corporation of the sum of Ten Dollars per rod for a total of approximately One Thousand Four Hundred Sixty Dollars (\$1,460.00). Grantee shall agree to repair any damage caused to property of this corporation by the construction, reconstruction, operation, maintenance, repairing, alteration, moving and removing of said pipe line and to indemnify this corporation and its representatives from liability in connection with Grantee's activities. The right-of-way easement shall remain in full force and effect from the date granted and for so long thereafter as said pipe line is continued in service and has not been abandoned or discontinued. Upon termination of the easement, Grantee shall peaceably surrender possession of said premises to this corporation and full and complete title then shall remain in this corporation free and clear of said easement and without necessity of re-entry or demand.

The right-of-way easement shall have a width of fifty (50) feet being twenty-five feet (25') on each side of a centerline described as follows:

Beginning at a point in the centerline of the Sangamon River the South line of the University of Illinois Board of Trustees' tract in the Southwest quarter and West half of the Southeast quarter of Section 14, Township 18 North, Range 5 East, 3rd P.M., Piatt County, Illinois, lying North of the Sangamon River, and being East a distance of 1850 feet and North 385 feet from the Southwest corner of said Section 14. Thence in a Northeasterly direction across the University of Illinois Board of Trustees tract as follows: North 1 degree 35 minutes East a distance of 249 feet; thence North 11 degrees 35 minutes East a distance of 150 feet; thence North 21 degrees 35 minutes East a distance of 133 feet; thence North 31 degrees 50 minutes East a distance of 140 feet; thence North 42 degrees 01 minute East a distance of 400 feet; thence North 28 degrees 35 minutes East a distance of 39 feet; thence North 15 degrees 09 minutes East a distance of 38 feet; thence North 1 degree 41 minutes East a distance of 951 feet; thence North 8 degrees 48

minutes East a distance of 304 feet to a point in the North line of said tract and being West a distance of 1500 feet from the Northeast corner of same.

On motion of Mr. Clement, the foregoing resolution was adopted.

SECRETARY'S REPORT

The Secretary presented for record appointments to the faculty made by the President, resignations, and leaves of absence. A copy of the report is filed with the Secretary.

ANNOUNCEMENTS FROM THE PRESIDENT OF THE BOARD

FUTURE BOARD MEETINGS

President Swain announced the following schedule for the next three meetings of the Board: May 15, 1968, at the Medical Center; June 19, 1968, in Chicago (previously scheduled to meet in Urbana); and July 24, 1968, in Urbana.

RECESS

The regular meeting was recessed and the President of the Board stated that meetings of the Committee on General Policy and the Committee on Buildings and Grounds had been called and that an executive session had been requested and was being ordered following the Committee meetings to consider recommendations relating to patentable discoveries, property acquisition, and litigation.

EXECUTIVE SESSION

When the Board reconvened, the same members of the Board, officers of the Board, and officers of the University as recorded at the beginning of these minutes were present.

The Board considered the following recommendations from the President of the University.

RECOMMENDATIONS OF THE UNIVERSITY PATENT COMMITTEE

(38) The University Patent Committee, with the concurrence of the Chairman of the University Research Board, submits the following reports and recommendations relating to patentable inventions by members of the staff.

1. Superconducting DC parametric amplifier — Roger P. Ries, Research Assistant in Electrical Engineering, Urbana, and Cameron B. Satterthwaite, Professor of Physics, Urbana, inventors; developed under the sponsorship of the United States Army Materiel Command. This invention was assigned to the University of Illinois Foundation for study and possible patent application by the Board of Trustees on July 21, 1965. A patent application was officially filed on January 20, 1966.

The Committee recommends that after the payment of the direct costs of obtaining a patent, 20 per cent of the royalties should be paid to the inventors.

2. Photofabricated readout device — John A. Saldeen, Assistant in Electronics Engineering in the Department of Chemistry and Chemical Engineering, Urbana, inventor. This device is novel because it is constructed entirely by photofabrication, using standard printed circuit techniques. The cost of producing this unit is much less than commercially available readout devices. It may also be constructed by any organization having printed circuit facilities available at no additional cost for equipment.

The Committee recommends that the rights of the University in this invention be assigned to the University of Illinois Foundation for study, further development, and possible patent application.

3. Radioprotective effect of magnesium pemoline and its possible application in radio therapy — Hoa Le Van, Assistant Professor of Medical Radiology, Medical Center, inventor. Magnesium pemoline (cylert), a medical product of Abbott Pharmaceutical Company used in Europe as a central nervous system stimulant, was discovered to possess a highly significant protection against lethal doses of

ionizing radiations when administered either shortly before or after being exposed to radiations. This effect was still pronounced up to two weeks after drug administration at high dose (70 mg/kg). When exposure took place within one-half hour after drug administration, this protective effect was independent of drug doses (from 0.70 mg/kg up to 70 mg/kg).

The Committee recommends that the rights of the University in this invention be assigned to the University of Illinois Foundation for study, further development, and possible patent application.

4. Point contact metal-oxide-metal diode and point contact metal-oxide-thin film diode — Samuel I. Green, Research Assistant in Electrical Engineering, Urbana, and Jack R. Baird, formerly Assistant Professor of Electrical Engineering, Urbana, inventors; developed under the sponsorship of the Rome Air Development Center. A physical model is proposed to explain detection of microwave signals by a metal point set on a flat metal base. An asymmetry in the high frequency V-I characteristics of such a device is predicted by noting that the skin effect in the metal base constrains the AC component of the electron current in the base to move in a transverse direction to that which contributes to tunneling through the oxide layer between metals. On the other hand, electrons in the whisker move such that a large part of their momentum is in the proper direction to contribute to tunneling.

The Committee recommends that the rights of the University in this invention be assigned to the inventors, subject to the rights and regulations of the sponsoring agency.

5. Multi-path fiber optic probe — John Martin Hughes, Fellow in Mechanical Engineering, Urbana, inventor; developed under the sponsorship of the United States Public Health Service. This fiber optic probe device for measuring properties of particulate suspensions is novel in its configuration of fiber optics light guides combined with probe head and platinum plated pyrex probe stem. The new part is, in addition to configuration and combination, the multiple light attenuation feature or scattering which results in a higher probe sensitivity. Another new item is the use of platinum plating to bleed electrical charge from the probe tip to ground.

The Committee recommends that the rights of the University in this invention be assigned to the inventor, subject to the approval of the sponsoring agency.

6. An economical single scale pressure readout system for ionization gauges — C. D. Hendricks, Professor of Electrical Engineering and of Nuclear Engineering, Urbana, and John A. Robertson, Research Assistant in Electrical Engineering, Urbana, inventors. This single scale ionization gauge pressure readout system is novel because the filament current regulator generally employed in ionization gauge readout systems has been eliminated, and a logarithmic solution to the pressure equation: $P = 1/S \cdot I_1/I_0$ is performed electronically.

The Committee recommends that the rights of the University in this invention be assigned to the inventors.

7. Multi-path fiber optic probe — James J. Stukel, Research Assistant Professor of Mechanical Engineering, Urbana, inventor; developed under the sponsorship of the United States Public Health Service. This invention relates to instruments for measuring the properties of a particulate suspension. Light is transmitted by a fiber optic light guide to the face of a glass tube. The light then passes through the particulate suspension. The transmitted light is redirected 180° by a "U" shaped light guide back through the suspension. Having made a second pass through the suspension the light is transmitted by a third light guide to a photocell. A series of "U" shaped guides could be used for multiple passes. The degree of light attenuation in the suspension is related to the density of the particulate suspension.

The Committee recommends that the rights of the University in this invention be assigned to the inventor, subject to the approval of the sponsoring agency.

8. Mirabilicides — Bernard Greenberg, Professor of Biological Science, Chicago Circle, inventor; developed under the sponsorship of the United States Public Health Service. A strain of *Proteus mirabilis* produces at least three substances in culture (reaching high potency some ten days after incubation) which destroy the organisms listed below, at pHs below 4.5. As many as 10^7 to 10^9 organisms are destroyed within two minutes exposure at a pH of 2.9. The broth in which the organism has been grown may be acidified and left to stand for one

hour, after which time, all organisms contained in it are killed. The broth may then be used as such, or it may be filtered through a Seitz or Millipore bacterial filter and the filtrate used. The activity is acid-dependent and at alkaline pH, the broth is not only devoid of any bactericidal effect but actually supports the growth of those organisms it kills in acid. These antibacterial substances are named Mirabilicides. Susceptible organisms are: *Aerobacter paracolor*, *Escherichia coli*, *Proteus mirabilis*, *Proteus vulgaris*, *Proteus morgani*, *Proteus rettgeri*, *Pseudomonas aeruginosa*, *Shigella flexneri*, *Salmonella typhimurium*, *Sarcina lutea*, *Staphylococcus aureus*, and *Streptococcus faecalis*.

The Committee recommends that the rights of the University in this invention be assigned to the inventor, subject to the rights and regulations of the sponsoring agency.

9. Log ratio system to eliminate the effects of amplitude modulation and signal strength variation on a display — W. C. McClurg, Research Engineer in Electrical Engineering, Urbana, and Edward W. Ernst, Associate Professor of Electrical Engineering, Urbana, inventors; developed under the sponsorship of the Office of Naval Research. This method makes use of the directional pattern (the signal which contains not only the information bearing signal which is contingent upon the radio direction finding, RDF, system but which is also modified by the directional characteristics of the array) and a signal which contains the full information bearing characteristics of the contingent signal but does not have the directional properties of the array imposed upon it. The theory of operation reveals that the ratio of these two signals, that is the ratio of the directional signal divided by the signal which has no directional characteristics, contains no amplitude fluctuations caused by amplitude modulation or signal strength variation but does contain the full modulation or directional information as imposed by the RDF array. This has been accomplished by the use of analog circuitry. The logarithm of the instantaneous voltage is obtained by suitable electronic circuitry, the difference between the logarithmic values for representing each of two signals is obtained and the antilog of this difference signal is produced. The output of the analog unit is the desired signal containing only the directional information and free of amplitude modulation or signal strength variation. All processing is carried out by electronic circuitry.

The Committee recommends that the rights of the University in this invention be assigned to the inventors, subject to the rights and regulations of the sponsoring agency.

10. Intrascleral implant (artificial eye) for the dog and cat — Lloyd C. Helper, Associate Professor of Veterinary Clinical Medicine, Urbana, and William Magrane, Consultant in the College of Veterinary Medicine, Urbana, inventors. The artificial eye is made from a silicone rubber sphere cut to allow the attachment of a curved piece of lucite to resemble the cornea. The iris and pupil are painted on the back of the lucite before assembling the eye. All parts are assembled with Dow Corning silicone type A medical adhesive. The same adhesive is used to bond dacron felt covering to the silicone rubber ball. When the artificial eye is placed inside the sclera, connective tissue from the sclera infiltrates the dacron felt forming a solid lasting bond between the artificial eye and the sclera of the patient. The dacron felt covering accounts for the success of this artificial eye.

The Committee recommends that the rights of the University in this invention be assigned to the inventors.

11. Real-time visual display of speech parameters — Ian B. Thomas, formerly Research Associate in Electrical Engineering, Urbana, inventor; developed under the sponsorship of the United States Air Force Office of Scientific Research. This invention is a machine which presents a visual display of speech information in real time. The display panel of this machine consists in part of a 12 by 12 array of neon glow lamps. The horizontal axis of this display represents the frequency of the first formant quantized into twelve steps. The second formant frequency is presented on the vertical axis. During periods of speech input the trajectory on the display panel shows the relationship between these two speech parameters.

The Committee recommends that the rights of the University in this invention be assigned to the inventor, subject to the rights and regulations of the sponsoring agency.

On motion of Mr. Jones, these recommendations were approved.

ACQUISITION OF 906 AND 910 SOUTH FIFTH STREET, CHAMPAIGN

(39) The Board of Trustees on July 21, 1965, authorized the acquisition of the properties at 906 and 910 South Fifth Street, Champaign, and acquisition of title to such properties by exercise of the right of eminent domain through condemnation proceedings.

The condemnation suit for these properties has been completed in the Circuit Court of Champaign County, Illinois. The jury awards have been within the range of the testimony adduced from expert witnesses at the trial. The awards for these properties are as follows:

<i>Date of Court Order</i>	<i>Property</i>	<i>Jury Award</i>
February 23, 1968	906 South Fifth Street	\$36 500 00
February 23, 1968	910 South Fifth Street	\$52 500 00
<i>Total</i>		\$89 000 00

The President of the University, with the concurrence of appropriate administrative officers, recommends that the University accept the jury awards and pay the same in accordance with the judgment order.

Funds are available from the proceeds of the sale of revenue bonds for the Sherman Hall (SG-3) project.

On motion of Mr. Jones, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Hughes, Governor Kerner, Dr. Weatherly.

ACQUISITION OF PROPERTY AT 1007 WEST ILLINOIS STREET, URBANA

(40) The President of the University, with the concurrence of appropriate administrative officers, recommends adoption of the following resolution authorizing acquisition of the property at 1007 West Illinois Street, Urbana, through condemnation proceedings. In addition, authorization for settlement of the condemnation suit is recommended, if such acquisition can be completed at a price within the appraisals received by the University. The property consists of a lot 65 feet by 150 feet (9,750 square feet) and is improved with a two-story frame residence.

The University has been negotiating with the owner of this property, who has been advised that University representatives would be willing to recommend to the Board of Trustees the purchase of the property at a total price of \$37,500 based on appraisals received by the University; however, this price is not acceptable to the owner.

Funds are available in state capital appropriations to the University for 1967-69 and have been released by the Governor.

Resolution Authorizing Condemnation of Property Located at 1007 West Illinois Street, Urbana, Illinois

Be It, and It Hereby Is Resolved, Found and Declared by The Board of Trustees of the University of Illinois, a body corporate and politic and a public corporation of the State of Illinois, that the following described real estate situated in the County of Champaign, in the State of Illinois, to-wit:

Lot Nine (9) of a Subdivision of Lots 32 and 33 of Elizabeth F. McClain's Heirs Addition to the City of Urbana, situated in the City of Urbana, in the County of Champaign, and State of Illinois;

is needed by the University of Illinois, an educational institution established and supported by the State of Illinois, for an academic facility building for students and staff members of the University of Illinois in the conduct of the educational functions of the University of Illinois and for other educational purposes conducted and to be conducted by said University of Illinois and for the further expansion of the educational facilities of said University of Illinois and to enable said University of Illinois to discharge its duty to the people of said State and for public use, that funds are available to the University for the purchase of said land for said educational purposes; that this Board of Trustees has negotiated with the owners of said land through their duly authorized representatives for the purchase of said land at a price which this Board of Trustees considers fair

and reasonable and which it finds constitutes the present market value of said land, but that said owners have refused to sell and convey said land, or any portion thereof, to said The Board of Trustees of the University of Illinois for such price and continue to refuse to sell and convey the same to it except for a consideration and price which this Board of Trustees deems unreasonable and excessive and is, therefore, unwilling and has refused to pay; and

Be It, and It Is Hereby Further Resolved, Found and Declared by The Board of Trustees of the University of Illinois that the compensation to be paid by it for said land cannot be agreed upon between this Board of Trustees and the owners of said property and they and it are unable to agree upon the purchase price to be paid to said owners for the sale and conveyance of said land by said owners thereof to said The Board of Trustees of the University of Illinois; and

Therefore, Be It, and It Is Hereby Further Resolved, Found and Declared by The Board of Trustees of the University of Illinois that because of said need of the University of Illinois for said land for the purposes hereinabove set forth and because the compensation to be paid to the owners thereof for such land cannot be agreed upon between them and this Board of Trustees, it is necessary for The Board of Trustees of the University of Illinois to take said land and acquire title thereto through the exercise by it of the right of eminent domain conferred upon it by law and to have the compensation to be paid by it to the owners thereof and any and all other persons who may have any right, title or interest in and to said land determined in the manner provided by law for the exercise of said right and power of eminent domain; and

Be It, and It Is Hereby Further Resolved by The Board of Trustees of the University of Illinois that the necessary and appropriate action be taken for the acquisition of title to said property by said The Board of Trustees of the University of Illinois and to have the compensation to be paid therefor determined by the institution and prosecution to completion of a proceeding in eminent domain in a court of competent jurisdiction and that the Legal Counsel of the University be, and he is hereby authorized to proceed accordingly, to institute and prosecute an eminent domain proceeding in the name and on behalf of The Board of Trustees of the University of Illinois for the acquisition of said land and the determination of the compensation to be paid by it therefor, and to employ such special legal counsel, appraisers, and others as he may deem necessary or desirable to assist him in the institution and prosecution of said proceeding.

On motion of Mr. Grimes, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Hughes, Governor Kerner, Dr. Weatherly.

ACQUISITION OF PROPERTY AT 1010 WEST CALIFORNIA AVENUE. URBANA

(41) The President of the University, with the concurrence of appropriate administrative officers, recommends adoption of the following resolution authorizing acquisition of the property at 1010 West California Avenue, Urbana, through condemnation proceedings. In addition, authorization for settlement of the condemnation suit is recommended, if such acquisition can be completed at a price within the appraisals received by the University. The property consists of a lot 70 by 90 feet (6,300 square feet) and is improved with a two-story frame residence.

The University has been negotiating with the owner of this property, who has been advised that University representatives would be willing to recommend to the Board of Trustees the purchase of the property at a price of \$29,500 based on appraisals received by the University; however, this price is not acceptable to the owner.

Funds are available in state capital appropriations to the University for 1967-69 and have been released by the Governor.

Resolution Authorizing Condemnation of Property Located at 1010 West California Avenue, Urbana, Illinois

Be It, and It Hereby Is Resolved, Found and Declared by The Board of Trustees of the University of Illinois, a body corporate and politic and a public

corporation of the State of Illinois, that the following described real estate situated in the County of Champaign, in the State of Illinois, to-wit:

The South 90 feet of Lot Twenty-three (23) and the South 90 feet of the West 5 feet of Lot Twenty-four (24) of Elizabeth F. McClain's Heirs Addition to the City of Urbana, situated in the City of Urbana, in the County of Champaign, and State of Illinois;

is needed by the University of Illinois, an educational institution established and supported by the State of Illinois, for an academic facility building for students and staff members of the University of Illinois in the conduct of the educational functions of the University of Illinois and for other educational purposes conducted and to be conducted by said University of Illinois and for the further expansion of the educational facilities of said University and to enable said University of Illinois to discharge its duty to the people of said State and for public use, that funds are available to the University for the purchase of said land for said educational purposes; that this Board of Trustees has negotiated with the owners of said land through their duly authorized representatives for the purchase of said land at a price which this Board of Trustees considers fair and reasonable and which it finds constitutes the present market value of said land, but that said owners have refused to sell and convey said land, or any portion thereof, to said The Board of Trustees of the University of Illinois for such price and continue to refuse to sell and convey the same to it except for a consideration and price which this Board of Trustees deems unreasonable and excessive and is, therefore, unwilling and has refused to pay; and

Be It, and It Is Hereby Further Resolved, Found, and Declared by The Board of Trustees of the University of Illinois that the compensation to be paid by it for said land cannot be agreed upon between this Board of Trustees and the owners of said property and they and it are unable to agree upon the purchase price to be paid to said owners for the sale and conveyance of said land by said owners thereof to said The Board of Trustees of the University of Illinois; and

Therefore, Be It, and It Is Hereby Further Resolved, Found and Declared by The Board of Trustees of the University of Illinois that because of said need of the University of Illinois for said land for the purposes hereinabove set forth and because the compensation to be paid to the owners thereof for such land cannot be agreed upon between them and this Board of Trustees, it is necessary for The Board of Trustees of the University of Illinois to take said land and acquire title thereto through the exercise by it of the right of eminent domain conferred upon it by law and to have the compensation to be paid by it to the owners thereof and any and all other persons who may have any right, title or interest in and to said land determined in the manner provided by law for the exercise of said right and power of eminent domain; and

Be It, and It Is Hereby Further Resolved by The Board of Trustees of the University of Illinois that the necessary and appropriate action be taken for the acquisition of title to said property by said The Board of Trustees of the University of Illinois and to have the compensation to be paid therefor determined by the institution and prosecution to completion of a proceeding in eminent domain in a court of competent jurisdiction and that the Legal Counsel of the University be, and he is hereby authorized to proceed accordingly, to institute and prosecute an eminent domain proceeding in the name and on behalf of The Board of Trustees of the University of Illinois for the acquisition of said land and the determination of the compensation to be paid by it therefor, and to employ such special legal counsel, appraisers, and others as he may deem necessary or desirable to assist him in the institution and prosecution of said proceeding.

On motion of Mr. Clement, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Jones, Mr. Page, Mr. Pogue, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Hughes, Governor Kerner, Dr. Weatherly.

A. EPSTEIN & SONS, INC., LITIGATION

(42) On September 22, 1966, A. Epstein & Sons, Inc., an Illinois corporation, brought suit against The Board of Trustees of the University of Illinois in the Circuit Court of Cook County, Illinois (Case No. 66-L-15072). In this suit, the

plaintiff claimed as due the total sum of \$32,636.21 (which included \$24,473.13 for alleged extra work) under the terms of a contract entitled "AGREEMENT, OWNER-ARCHITECT" dated October 17, 1962, through which the plaintiff was employed by the University to furnish architectural services in connection with Civil Engineering Phase I at the Urbana-Champaign campus.

Pursuant to motions filed by the Board of Trustees, this case was transferred to the Circuit Court of Champaign County, Illinois (Case No. 67-L-22). Negotiations with A. Epstein & Sons, Inc., have resulted in a proposed settlement of this controversy on the following terms:

1. That The Board of Trustees of the University of Illinois pay to A. Epstein & Sons, Inc., the total sum of \$8,163.08 (the balance due under the original contract) as settlement in full of all claims made by the plaintiff in the above-entitled suit.
2. That A. Epstein & Sons, Inc., secure the dismissal of Case No. 67-L-22 with prejudice.
3. That each of the parties to said litigation release the other from any claims which either might presently have against the other under the original contract; provided, however, that each of the parties retains against the other all rights for reimbursement or contribution for any damages which either might suffer as a result of any other legal proceedings initiated by third parties and growing out of the construction of the Civil Engineering Building Phase I.

The proposed settlement has been approved by officials of the Illinois Building Authority and funds are available from the project budget. The Legal Counsel, the University Director of Physical Plant Planning and Construction, and the Vice-President and Comptroller recommend that a settlement of this litigation be authorized on the basis outlined above.

I concur.

On motion of Mr. Hahn, this recommendation was approved on the condition that A. Epstein & Sons, Inc., not be released from its normal professional responsibilities with respect to those professional services actually furnished in connection with this project.

The President then presented informal reports for the information of the Trustees with regard to personnel items, including those related to the awarding of honorary degrees; and a property acquisition matter relating to a performing arts center at Chicago Circle.

On motion of Mr. Grimes, the Board adjourned.

EARL W. PORTER
Secretary

TIMOTHY W. SWAIN
President

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

May 15, 1968

The May meeting of The Board of Trustees of the University of Illinois was held in the Chicago Illini Union at the Medical Center, Chicago, Illinois, on Wednesday, May 15, 1968, beginning at 9:15 a.m.

President Timothy W. Swain called the meeting to order and asked the Secretary to call the roll. The following members of the Board were present: Mr. Howard W. Clement, Mr. Donald R. Grimes, Mr. Ralph C. Hahn, Mr. Earl M. Hughes, Mr. Theodore A. Jones, Mr. Timothy W. Swain, Mr. Kenney E. Williamson. Governor Otto Kerner, Mr. Ray Page, Mr. Harold Pogue, and Dr. James A. Weatherly were absent.

Also present were President David D. Henry; Executive Vice-President and Provost Lyle H. Lanier; Chancellor Norman A. Parker, University of Illinois at Chicago Circle; Chancellor Joseph S. Begando, University of Illinois at the Medical Center; Chancellor J. W. Peltason, University of Illinois at Urbana-Champaign; Dr. Eldon Johnson, Vice-President of the University; Mr. C. S. Havens, University Director of Physical Plant Planning and Construction; Mr. C. E. Flynn, Assistant to the President and University Director of Public Information; Mr. James J. Costello, Legal Counsel; Dr. Daniel C. McCluney, Dean of Faculties, Chicago Circle; Mr. R. C. Wicklund, Assistant Secretary of the Board of Trustees and Assistant Secretary of the University; Mr. Eugene S. Pitcher, Assistant to the Director of the Physical Plant, Urbana; and the officers of the Board, Mr. H. O. Farber, Comptroller, Mr. R. R. Manchester, Treasurer, and Dr. Earl W. Porter, Secretary.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of the Board of Trustees on May 16, 1967, press proof copies of which had previously been sent to the Board.

On motion of Mr. Clement, the minutes were approved as printed on pages 521 to 546 inclusive.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following reports and recommendations from the President of the University.

PRESIDENT'S REPORT

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

BUDGET FOR 1968 SUMMER QUARTER AND FACULTY APPOINTMENTS, MEDICAL CENTER

(1) Submitted herewith are the budget and appointments to the faculty for the 1968 Summer Quarter at the Medical Center from June 17 through August 31, 1968. The total budget is for salaries in the amount of \$23,401.

The salaries recommended are computed on the basis of one-third of the salary of the academic year for a full quarter of service, with proportionate amounts for shorter periods or for part-time service.

I recommend that these appointments to the summer quarter staff at the Medical Center be approved as submitted, and that the President of the University be authorized to accept resignations and make such changes and adjustments and additional appointments as are necessary in accordance with the needs of the University within the allocations of funds indicated.

On motion of Mr. Grimes, these appointments and the summer session budget for the Medical Center campus were approved, and authority was given as requested; this action was taken by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

HONORARY DEGREES, URBANA AND CHICAGO

(2) The University Senates at the Medical Center, Urbana, and Chicago Circle have recommended that honorary degrees be conferred upon the following and on the occasions indicated.

At the Commencement Exercises at the Medical Center on June 7, 1968

WILLIAM HUFFMAN STEWART, Surgeon General of the United States Public Health Service, the degree of Doctor of Science

At the Commencement Exercises at Urbana-Champaign on June 15, 1968

JOHN THOMPSON, Professor of Mathematics at the University of Chicago and at Cambridge University in England, the degree of Doctor of Science

At the Commencement Exercises at Chicago Circle on June 16, 1968

ROBBEN WRIGHT FLEMING, President of the University of Michigan, the degree of Doctor of Law

WARREN STURGIS McCULLOCH, Professor of Neurophysiology at the Massachusetts Institute of Technology, the degree of Doctor of Science

I concur in the recommendations of the Senates.

On motion of Mr. Hughes, these degrees were authorized as recommended.

DIRECTORSHIP OF THE KRANNERT CENTER FOR THE PERFORMING ARTS, URBANA

(3) I recommend the appointment of Mr. John Burrell, presently Visiting Stage Director and Lecturer in Theatre, as Director of the Krannert Center for the Performing Arts beginning June 16, 1968, at an annual salary of \$27,000 on a twelve-month service basis.¹

I also recommend that Mr. Burrell be appointed Professor of Theatre on indefinite tenure.

This recommendation has the concurrence of the Consultative Committee on the Selection of a Director for the Krannert Center for the Performing Arts,² the Dean of the College of Fine and Applied Arts, and the department heads involved with the program for the Center.

The Executive Vice-President and Provost, the Chancellor at Urbana, and the Dean of the Graduate College endorse this recommendation.

On motion of Mr. Hahn, this appointment was approved.

DIRECTOR OF UNIVERSITY OFFICE OF SCHOOL AND COLLEGE RELATIONS

(4) At its meeting on November 18, 1965, the Board of Trustees approved a revision of Section 47 of the University's *Statutes* creating the position of University Dean of Admissions and Records.

With the establishment of the chancellorship system and with the increased decentralization of administration under it, the title of "University Dean of Admissions and Records" no longer seems appropriate. One reason is that the term "Dean" tends to connote a relationship of line authority over the campus offices which was not intended in the statutory revision. Furthermore, the title does not

¹ This appointment will be from June 16, 1968, through August 31, 1969, which is consistent with the statutory provision of biennial tenure of deans and directors, such appointments coinciding with the fiscal biennium.

² Members of the Consultative Committee are: James R. Shipley, Professor of Art and Head of the Department, *Chairman*; Kenneth W. Blan, Student; John W. Briscoe, Professor of Civil Engineering and Associate Chancellor for Administration; Margaret Erlanger, Professor of Physical Education for Women; Barnard Hewitt, Professor of Theatre and Chairman of the Department, and Professor of Speech; Robert J. Maurer, Professor of Physics and Director of the Materials Research Laboratory; Bruno Netti, Professor of Music and of Anthropology; Charles G. Robbins, Student; Gilbert G. Wright, Assistant Professor of English; Ludwig E. Zirner, Professor of Music.

adequately suggest the full range of University-wide responsibilities which this office must increasingly exercise — under the general jurisdiction of the Executive Vice-President and Provost.

Accordingly, with the concurrence of the three chancellors and other administrative officers concerned, the Executive Vice-President and Provost recommends that the title "Director of the University Office of School and College Relations" be used after August 31, 1968, instead of "University Dean of Admissions and Records." No essential change in the duties or administrative relationships specified in Section 47(a) of the *Statutes* is contemplated.

The Executive Vice-President and Provost recommends further that Dr. E. Eugene Oliver be appointed to the position of Director of the University Office of School and College Relations, effective September 1, 1968, at an annual salary of \$23,700.

I concur.

On motion of Mr. Jones, the change in the title of this position was authorized and the appointment was approved.

DEANSHIP OF COLLEGE OF ENGINEERING, URBANA

(5) I recommend the appointment of Dr. Daniel C. Drucker, presently Professor of Engineering and L. Herbert Ballou University Professor at Brown University, as Dean of the College of Engineering at Urbana, beginning November 15, 1968, at an annual salary of \$32,000 on a twelve-month service basis.¹

I also recommend that Dr. Drucker be appointed Professor of Civil Engineering on indefinite tenure.

The recommendation is based upon a report from a Consultative Committee and follows consultation with the Executive Committee of the College.

The appointment of Dr. Drucker will fill the vacancy which will be created by the retirement of Dean William L. Everitt at the end of the current academic year.

The Executive Vice-President and Provost, the Chancellor at Urbana, and the Dean of the Graduate College endorse this recommendation.

On motion of Mr. Hahn, this appointment was approved.

HEADSHIP OF DEPARTMENT OF OBSTETRICS AND GYNECOLOGY, MEDICAL CENTER

(6) The Dean of the College of Medicine recommends the appointment of Dr. Ralph M. Wynn, presently Associate Professor of Obstetrics and Gynecology at the Downstate Medical Center of the State University of New York, Brooklyn, as Professor of Obstetrics and Gynecology on indefinite tenure and Head of the Department beginning October 1, 1968, at an annual salary of \$34,000 on a twelve-month service basis.

Dr. Wynn will succeed Professor William F. Mengert who will retire September 1, 1968.

The nomination was initiated by a search committee² and is made after consultation with all members of the faculty of the department of the rank of assistant professor and above. The Executive Vice-President and Provost, the Chancellor at the Medical Center, and the Dean of the Graduate College endorse the recommendation.

I recommend approval.

On motion of Mr. Hughes, this appointment was approved.

HEADSHIP OF DEPARTMENT OF POLITICAL SCIENCE, URBANA

(7) The Dean of the College of Liberal Arts and Sciences, Urbana, recommends the appointment of Dr. Phillip Monypenny, presently Professor of Political Science and in the Institute of Government and Public Affairs, as Head of the De-

¹This appointment will be from November 15, 1968, through August 31, 1969, which is consistent with the statutory provision of biennial tenure of deans, such appointments coinciding with the fiscal biennium.

²Lloyd M. Nyhus, Professor and Head of the Department of Surgery, *Chairman*; Harry Boysen, Clinical Professor of Obstetrics and Gynecology; Robert J. Leider, Assistant Professor of Psychiatry and Acting Head of the Department; Edwin J. Liebner, Professor of Radiology; Edith K. Macrae, Professor of Anatomy; Irving Shulman, Professor of Pediatrics and Head of the Department.

partment of Political Science beginning September 1, 1968, at an annual salary of \$25,800, divided as follows: \$19,475 as Professor of Political Science and \$2,000 as Head of the Department, on an academic-year service basis; and \$4,325 for service to the Institute of Government and Public Affairs during the summer.

Professor Monypenny will succeed Professor Victor A. Thompson who has asked to be relieved of this administrative assignment as of August 31, 1968.

This recommendation is submitted after consultation with members of the Department and with the approval of the Executive Committee of the College, the Executive Vice-President and Provost, the Chancellor at Urbana, and the Dean of the Graduate College.

I concur.

On motion of Mr. Jones, this appointment was approved.

HEADSHIP OF DEPARTMENT OF PHYSICAL EDUCATION FOR MEN. URBANA

(8) The Dean of the College of Physical Education recommends the appointment of Dr. Rollin G. Wright, presently Associate Professor of Physical Education for Men and Counselor in Teacher Education as Professor of Physical Education for Men on indefinite tenure and Head of the Department for one year beginning September 1, 1968, on an academic-year service basis at an annual salary of \$17,000 divided: \$15,000 as Professor of Physical Education for Men and \$2,000 as Head of the Department.

This recommendation is made after consultation with all members of the faculty of the department of the rank of assistant professor and above.

The Chancellor at Urbana and the Dean of the Graduate College endorse the recommendation.

I recommend approval.

On motion of Mr. Williamson, this appointment was approved.

APPOINTMENTS TO THE FACULTY

(9) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

Positions in the University are classified in the following categories and are designated in the budget by the symbols indicated: A — indefinite tenure; P — indefinite term appointment for part-time service only; B — two years; D — one year; E — nine months from the beginning of the academic year; G — special tenure; Q — initial term appointment for Professor or Associate Professor; Y — twelve months' service required instead of two semesters; 1-7 — indicates the number of years of service which will be credited at the end of the contract period toward completion of the probationary period relating to tenure.

Figures following a symbol indicate percentage of time if the appointment is on a part-time basis (e.g., D75 means one year on three-fourth time).

Chicago Circle

1. JAMES E. LANDING, Assistant Professor of Geography, beginning September 1, 1968 (1), at an annual salary of \$13,000.
2. WILLIAM H. ROETZHEIM, Assistant Professor of Physical Education for Men, beginning September 1, 1968 (1), at an annual salary of \$10,250.
3. JOHN SADOUSKI, Assistant Professor of German and of Russian, beginning September 1, 1968 (1), at an annual salary of \$9,500.
4. HERBERT H. STENSON, Assistant Professor of Psychology, beginning September 1, 1968 (4), at an annual salary of \$12,200.

Medical Center

5. THOMAS O. HENDERSON, Assistant Professor of Biological Chemistry, College of Medicine, beginning September 1, 1968 (1Y), at an annual salary of \$12,000.
6. MARTEN M. KERNIS, Assistant Professor of Anatomy, College of Medicine, beginning September 1, 1968 (1Y), at an annual salary of \$12,000.
7. JOHN P. NAUGHTON, Associate Professor of Medicine and Coordinator of the Rehabilitation Center, College of Medicine, beginning July 1, 1968 (AY), at an annual salary of \$22,000.

8. MALCOLM V. VYE, Assistant Professor of Pathology, College of Medicine, and Assistant Director of Hospital Laboratories, beginning September 1, 1968 (1Y), at an annual salary of \$16,800.

Urbana-Champaign

9. JOHN A. BOSTROM, Psychiatrist and Assistant Professor of Health Science, in the Health Service, beginning March 11, 1968 (1Y), at an annual salary of \$21,500.
10. TERRY DENNY, Associate Professor of Elementary Education, beginning April 1, 1968 (QY), at an annual salary of \$19,500.
11. MICHAEL P. DOOLEY, Associate Professor of Law, beginning September 1, 1968 (Q), at an annual salary of \$16,000.
12. JOHN E. DOWELL, JR., Assistant Professor of Art, beginning September 1, 1968 (3), at an annual salary of \$11,000.
13. GERT EHRLICH, Professor of Physical Metallurgy, Department of Mining, Metallurgy, and Petroleum Engineering, beginning September 1, 1968 (A), at an annual salary of \$19,000.
14. ANTHONY F. GREGORC, Assistant Professor of Educational Administration and Supervision and Principal of University High School, beginning September 1, 1968 (1Y, DY), at an annual salary of \$16,500.
15. DONALD E. JOHNSON, Assistant Professor of Animal Science, College of Agriculture and Agricultural Experiment Station, beginning July 1, 1968 (1Y), at an annual salary of \$12,500.
16. LORELLA M. JONES, Assistant Professor of Physics, beginning September 1, 1968 (1), at an annual salary of \$10,000.
17. ENRICO PERESSUTTI, George A. Miller Professor in the Department of Architecture, for the period from April 15, 1968, through May 27, 1968 (G), at a salary of \$6,000.
18. LAWRENCE ROSEN, Assistant Professor of Anthropology and Fellow in the Center for Advanced Study, for two months from June 16, 1968, at a salary of \$2,222; he will be reappointed September 1, 1968.
19. ROBERT L. SLATER, Assistant Professor of Veterinary Pathology and Hygiene, College of Veterinary Medicine, beginning July 1, 1968 (1Y), at an annual salary of \$10,000.
20. MICHAEL J. SPORAKOWSKI, Assistant Professor of Family Relationships, in Home Economics, beginning September 1, 1968 (3Y), at an annual salary of \$13,500.
21. LAWRENCE W. WAGGONER, Associate Professor of Law, beginning September 1, 1968 (Q), at an annual salary of \$16,000.
22. JACK M. WIDHOLM, Assistant Professor of Plant Physiology, Department of Agronomy, beginning May 1, 1968 (1Y), at an annual salary of \$14,000.
23. ROBERT C. WILLIGES, Assistant Professor of Psychology and Assistant Director of Highway Traffic Safety Center, for the period from April 16, 1968, through August 31, 1968 (G), at a salary of \$5,000.
24. RONALD W. WOODHEAD, Professor of Civil Engineering, beginning September 1, 1968 (A), at an annual salary of \$14,500.

Administrative Appointments

25. DALE NORMAN BROSTROM, Director of Chicago Circle Center, Chicago Circle, beginning July 1, 1968 (DY), at an annual salary of \$18,000.
26. CLARENCE SHELLEY, Assistant Dean of Student Personnel, Dean of Students' Office, and Assistant to the Chancellor, Urbana, beginning July 1, 1968 (DY), at an annual salary of \$16,000.

On motion of Mr. Jones, these appointments were confirmed.

APPOINTMENTS TO BOARD OF ADVISORS IN CENTER FOR ADVANCED STUDY, URBANA

(10) Upon recommendation of the Dean of the Graduate College and with the concurrence of the Chancellor at Urbana-Champaign, I submit the following nominations for appointments as Advisors in the Center for Advanced Study, effective immediately and continuing for a period of three years.

SIR ERIC ASHBY, Master, Clare College, Cambridge, England

- THOMAS G. AYERS, President, Commonwealth Edison Company, Chicago
 ARNOLD O. BECKMAN, Chairman of the Board, Beckman Instruments, Inc., Fullerton, California
 CHARLES FRANKEL, Professor of Philosophy, Columbia University
 MURRAY GELL-MANN, Professor of Physics, California Institute of Technology
 PHILIP HANDLER, Chairman, Department of Biochemistry, Duke University
 CARL KAYSSEN, Director, The Institute for Advanced Study, Princeton, New Jersey
 C. VIRGIL MARTIN, President, Carson Pirie Scott & Co., Chicago
 WILLIAM L. PEREIRA, William L. Pereira & Associates, Planning and Architecture, Los Angeles
 JAMES RESTON, Executive Editor, *The New York Times*, New York City
 GORDON N. RAY, President, John Simon Guggenheim Memorial Foundation
 HENRY W. RIECKEN, Vice-President, Social Science Research Council, Washington, D.C.
 DORE SCHARY, Motion Picture Producer and Playwright
 FREDERICK SEITZ, President, National Academy of Sciences; President-Elect, The Rockefeller University
 JOHN H. SENGSTACKE, Editor and Publisher, *Chicago Daily Defender*
 JOSEPH R. SLATER, President, The Salk Institute, San Diego, California
 RALPH W. TYLER, Director Emeritus, Center for Behavioral Sciences, Stanford, California

On motion of Mr. Clement, these appointments were approved.

SABBATICAL LEAVE OF ABSENCE, 1968-69

(11) In accordance with the provisions of the University of Illinois *Statutes*, I recommend that Professor Margaret Erlanger, Professor of Physical Education for Women at Urbana-Champaign, be given a sabbatical leave of absence on one-half pay for the full academic year 1968-69, to study the present status and developmental projects of graduate dance programs in selected state universities and private institutions in the United States.

This recommendation is supplementary to the applications recommended to the Board of Trustees on March 20 and April 17, 1968.

On motion of Mr. Hahn, this leave was granted as recommended.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(12) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Illinois Accountancy Act of 1943, as amended, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

<i>Name</i>	<i>Address</i>	<i>States from Which They Obtained Certificates</i>
DAVID WILLIAM FLEMING	Litchfield	Missouri
DONALD LEE FREEMAN	Decatur	Missouri
PHIL FELIX GIANNATTASIO	Berwyn	District of Columbia

I concur.

On motion of Mr. Grimes, these certificates were awarded.

SUMMER SPEECH CLINICS

(13) The Director of the Division of Services for Crippled Children and the Chancellor at the Medical Center recommend that the Division be authorized to continue speech clinics during the summer of 1968 at the following institutions on a reimbursable cost basis:

	<i>Estimated Cost</i>
Augustana College, Rock Island.....	\$14 680 00
Northern Illinois University, DeKalb.....	26 219 81
Southern Illinois University, Carbondale.....	11 845 00
Illinois State University, Normal.....	18 869 00
	<u>\$71 613 81</u>

Funds are available in the budget of the Division of Services for Crippled Children.

I concur.

On motion of Mr. Clement, authority was given as requested, by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

APPROPRIATION FOR NONRECURRING EXPENDITURES, URBANA

(14) The Executive Vice-President and Provost and the Vice-President and Comptroller recommend the following appropriation from the University General Reserve:

Renovation and remodeling for which funds are assigned to the Physical Plant Department

Exterior repairs and maintenance improvements to the Hott Memorial Center \$22 690 00

I concur.

On motion of Mr. Williamson, this appropriation was made by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

CONTRACT FOR ARCHITECTURAL AND ENGINEERING SERVICES, PHASE III, CHICAGO CIRCLE

(15) The President of the University, with the concurrence of appropriate administrative officers, recommends employment of Skidmore, Owings & Merrill, Chicago, at an estimated fee of \$69,300, for complete architectural and engineering services for Site Development and Coordinating Services, Phase III, Chicago Circle, with fees based on actual costs of services of technical personnel employed plus 150 per cent of such costs. Technical personnel will include partners and all others assigned to the project exclusive of general office employees. The University will reimburse the firm for other expenses covered, including travel, subsistence and fees of special consultants when authorized at the actual costs.

Funds are available in state capital appropriations to the University for 1967-69 and have been released by the Governor.

On motion of Mr. Hahn, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

CONTRACT FOR PURCHASE OF EQUIPMENT FOR THE UTILITIES DISTRIBUTION SYSTEM, PHASE III, CHICAGO CIRCLE

(16) The President of the University, with the concurrence of appropriate administrative officers, recommends award, subject to release of funds by the Governor, of a contract for \$79,799.50 to The Okonite Company, LaGrange, for furnishing and delivery of 12KV power cable for the Utilities Distribution System, Phase III, Chicago Circle campus.

Funds are available in state capital appropriations to the University for 1967-69, subject to release.

On motion of Mr. Hughes, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

REQUEST TO ILLINOIS BUILDING AUTHORITY TO CONTRACT FOR PURCHASE OF EQUIPMENT FOR THE UTILITIES BUILDING ADDITION, PHASE III, CHICAGO CIRCLE

(17) The President of the University, with the concurrence of appropriate admin-

istrative officers, recommends that the Board of Trustees request the Illinois Building Authority to award a contract for \$124,365 to the low bidder, Allis-Chalmers Manufacturing Co., Milwaukee, Wisconsin, for Division "308" — furnishing and delivering switchgear and related electrical equipment — and proceed to procure for the use of the University this equipment which is required for the electrical distribution system at the Utilities Building Addition, Chicago Circle.

The equipment is a part of the project for Chicago Circle, Phase III, construction, which the Board, on July 26, 1967, requested the Illinois Building Authority to provide. The Authority will finance the construction and lease the facilities to the University for rental payments, for which State appropriations are available. Jurisdiction of the land on which the project will be constructed will be transferred to the Authority at a later date prior to construction.

It is also recommended that the Comptroller and the Secretary of the Board be authorized to make, execute, acknowledge, and deliver such instruments of transfer, conveyance, lease, contract, and other documents as are necessary to provide for the carrying out of the foregoing project and purchase of equipment by the Illinois Building Authority. It is further recommended that the resolution submitted herewith be adopted to implement the official actions required.

Resolution

Be It, and It Hereby Is, Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Illinois Building Authority be, and it hereby is, requested to award to Allis-Chalmers Manufacturing Co., P. O. Box 512, Milwaukee, Wisconsin, 53201, a contract for furnishing and delivering to the site switchgear and electrical equipment for 12.6 KV Switchgear, 4.16 KV Switchgear, 600 Volt Substation, 600 Volt Motor Control Center and a Battery Charger, all a part of the construction of the Utilities Building Addition, Chicago Circle, Phase III, for the fixed price of \$124,365.00.

Be It, and It Hereby Is, Further Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and Secretary of this public corporation be, and they hereby are, authorized to make, execute, acknowledge and deliver, in the name and in behalf of this corporation, such instruments of transfer, conveyance, lease, contract and other documents as are necessary or appropriate in order to provide for the carrying out of the foregoing project and facility by the Illinois Building Authority.

On motion of Mr. Williamson, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

CONTRACTS FOR CONSTRUCTION OF EXTENSION OF THE UTILITIES DISTRIBUTION SYSTEM FOR SCIENCE AND ENGINEERING SOUTH, CHICAGO CIRCLE

(18) The President of the University, with the concurrence of appropriate administrative officers, recommends award of the following contracts for construction of Extensions of the Utilities Distribution System to Science and Engineering South, Chicago Circle, the award, in each case, to the lowest base bidder.

Underground utilities tunnel extension including electrical duct work — Abbott Contractors, Inc., Chicago.....	\$376 000 00
Underground tunnel piping — Delta Piping Company, Chicago.....	119 000 00

Funds are available in state capital appropriations to the University for 1967-69, subject to release by the Governor.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Jones, these contracts were awarded as recommended by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

CONTRACT FOR LABORATORY EQUIPMENT FOR SPACE VACATED BY ANIMAL HOSPITAL, FIRST UNIT DENTISTRY-MEDICINE-PHARMACY BUILDING, MEDICAL CENTER

(19) The President of the University, with the concurrence of the appropriate administrative officers, recommends award of a contract in the amount of \$21,788 to the Metalab Equipment Company, Hicksville, New York, the lowest bidder, for furnishing and setting in place laboratory equipment in the space vacated by the Animal Hospital in the First Unit Dentistry-Medicine-Pharmacy Building at the Medical Center campus.

This work is a part of a remodeling program for these areas which will provide senior offices and laboratories for the Department of Anatomy in the College of Medicine.

Funds for this work are available in state capital appropriations to the University for 1967-69 and have been released by the Governor.

On motion of Mr. Hughes, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

CONTRACTS FOR THE AIR CONDITIONING OF SMITH MUSIC HALL, URBANA

(20) The President of the University, with the concurrence of appropriate administrative officers, recommends award of the following contracts for air conditioning Smith Music Hall, the award in each case to the lowest bidder.

<i>General Work on the Basis of Job Cost Plus Contractors' Fee</i>	<i>Per Cent for Material</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub-contracts</i>	<i>Estimated Fee Payments</i>	<i>Total Estimated Payments</i>
Dean Evans Co., a Delaware Corporation, Champaign.....	7	26	3	\$3 250 00	\$28 250 00
Electrical — G. L. Wilsky, an individual doing business as Downtown Electric, Urbana.....					<i>Lump Sum Bid</i> \$ 6 475 00
Plumbing — Cool-Rite Mechanical Contractors Inc., a Delaware Corporation, Urbana.....					4 500 00
Heating and Air Conditioning — Cool-Rite Mechanical Contractors Inc., a Delaware Corporation, Urbana.....					103 697 00
Ventilation — Cool-Rite Mechanical Contractors Inc., a Delaware Corporation, Urbana.....					108 512 00

Since Cool-Rite Mechanical Contractors Inc., Urbana, is the lowest bidder for plumbing, heating, and air conditioning, and ventilation work, it is recommended that these awards be combined into a single contract.

Funds for this project are available in the state capital appropriations to the University for 1967-69 and have been released by the Governor.

Submitted herewith is a report from the Campus Architect, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Grimes, these contracts were awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

CONTRACT FOR CONSTRUCTION OF PAVING IMPROVEMENTS TO SOUTH FIRST STREET ROAD, URBANA

(21) The President of the University, with the concurrence of appropriate administrative officers, recommends award of a contract for \$158,711.15 to General Paving Company Incorporated, Champaign, the lowest bidder for construction of paving improvements to South First Street Road, from the end of the existing pavement south of St. Mary's Road to the south line of Gerty Drive, Urbana-Champaign.

Pursuant to an agreement entered into as authorized by the Board of Trustees on October 16, 1967, Urbana Township has vacated the right-of-way and title has been vested in the University.

Funds are available in state capital appropriations to the University for 1967-69 and have been released by the Governor.

Submitted herewith is a report from the Physical Plant Department including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Grimes, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

CONTRACT FOR PAVING OF PARKING LOT, URBANA

(22) The President of the University, with the concurrence of appropriate administrative officers, recommends award of a contract for \$107,393 to University Asphalt Company, Inc., Urbana, the lowest bidder, for paving of a parking lot at the southeast corner of Fourth Street and Pennsylvania Avenue, Champaign.

Funds are available in the Faculty-Staff Parking Fund.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Williamson, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

REQUEST TO ILLINOIS BUILDING AUTHORITY TO INCREASE CONTRACT FOR CONSTRUCTION OF BEHAVIORAL SCIENCES BUILDING, PHASE III, CHICAGO CIRCLE

(23) The President of the University, with the concurrence of appropriate administrative officers, recommends that the Board of Trustees request the Illinois Building Authority to authorize an increase of \$33,038.79 in the contract with Turner Construction Company, Chicago, for general construction work on the Behavioral Sciences Building, Chicago Circle.

Funds are available in the project budget for this work.

On motion of Mr. Hahn, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

INCREASE IN CONTRACT FOR ARCHITECTURAL SERVICES, CHICAGO CIRCLE

(24) On October 20, 1965, the Board of Trustees approved the employment of Skidmore, Owings & Merrill, Chicago, for continuation of studies on the campus master plan for the Chicago Circle campus. The contract states that, in addition to their architectural fee, the architects shall be reimbursed for certain costs necessarily incurred in the performance of their services including models prepared outside their office as authorized by the University.

Accordingly, the President of the University, with the concurrence of appropriate administrative officers, recommends an addition to this contract in the amount of \$19,595 for construction to update the model of the Chicago Circle campus.

Funds are available in state capital appropriations to the University from the Universities Building Fund and have been released by the Governor.

On motion of Mr. Jones, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

EMPLOYMENT OF ENGINEER AND ARCHITECT, URBANA

(25) The President of the University, with the concurrence of appropriate administrative officers, recommends employment of DeLeuw, Cather & Company, Chicago, in association with Loebel, Schlossman, Bennett & Dart, Inc., Chicago, for complete engineering and architectural services, including design and preparation of working drawings and not including supervision during construction, at a fee of 5 per cent of actual construction cost for construction of a parking structure, Urbana-Champaign.

Funds are available in the Faculty-Staff Parking Fund.

The Committee on Buildings and Grounds and the Advisory Committee on Architectural and Engineering Services have approved this recommendation.

The project will require approval of the Illinois Board of Higher Education.

On motion of Mr. Hahn, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

AMENDMENTS OF "THE GENERAL RULES CONCERNING UNIVERSITY ORGANIZATION AND PROCEDURE": SECTIONS 7 AND 27**Office of Nonacademic Personnel and Terms of Employment of Nonacademic Employees**

(26) As a part of the current review of administrative organization, consideration has been given to organization of the personnel function. The Director of Nonacademic Personnel has reviewed this question with the three Chancellors and has submitted a draft statement for comment by the three campus Nonacademic Personnel Advisory Committees and by the University of Illinois members of the Employees Advisory Committee of the University Civil Service System of Illinois. The results of these reviews were, in turn, considered by the All-University Nonacademic Personnel Advisory Committee.

In the light of these reviews and at the recommendation of the Vice-President and Comptroller and the Director of Nonacademic Personnel, I recommend approval of revisions in the *General Rules Concerning University Organization and Procedure* as set forth below. Language to be deleted is in parentheses and new language is in italics.

Office of Nonacademic Personnel

Sec. 7. The Director of Nonacademic Personnel is responsible, under the executive authority of the President, for the administration of policy and rules relating to compensation and working conditions of nonacademic employees as (adopted) *authorized* by the Board of Trustees and the Merit Board of the University Civil Service System of Illinois, and for the performance of such other duties as may be assigned to him by the President. The policies and rules are published separately under the title "Policy and Rules Relating to Compensation and Working Conditions of Nonacademic Employees."

Terms of Employment of Nonacademic Employees

Sec. 27. (a) All employment of nonacademic staff members is controlled by the law and the rules governing the University Civil Service System of Illinois. These include provisions for employment on merit through a system of examinations, the establishment of job classifications and the assignment to such classifications of all positions, and the establishment of appropriate salary ranges for each classification. (The employment of all new members of the staff and any changes in status of present members are processed through the Office of Nonacademic Personnel. Promotions either through salary increases or through changes in classification are processed through the same channels. All pay rates are subject to approval of that office. Transfers between departments should not be proposed or agreed to until they have been approved by the Nonacademic Personnel Office. b.) Detailed rules and regulations are published separately in the "Policy and Rules Relating to Compensation and Working Conditions of Nonacademic Employees" as authorized (and approved) by the Board of Trustees.

(b) *The Director of Nonacademic Personnel is assigned the responsibility and authority for—*

- (1) *Reviewing and continuously evaluating the nonacademic personnel policies, rules, standards, procedures, and practices throughout the University with particular reference to their effectiveness in furthering the goals of the University.*
- (2) *Developing and obtaining any necessary approvals of new and revised University-wide policies, rules, standards, and procedures.*
- (3) *Providing professional advice to each Chancellor regarding his establishment and maintenance of a campus Personnel Services Office.*
- (4) *Establishing criteria for bargaining units.*
- (5) *Establishing parameters for and maintaining cognizance over each negotiation.*
- (6) *Formulating action, as appropriate, to assure conformance with rules and regulations issued by governmental regulatory agencies in the personnel field.*
- (7) *Making himself available to the Chancellors and the University General Officers and their staffs for consultation, advice, and assistance on all matters relating to nonacademic personnel.*
- (8) *Advising Chancellors and University General Officers and their staffs on requests for exceptions to or deviations from established personnel policies, rules, standards, and procedures and for taking or recommending action, as appropriate.*
- (9) *Reviewing the application of policies, rules, standards, and procedures by the Chancellors and the University General Officers and their staffs and for advising these officials on instances of effective or ineffective performance.*
- (10) *Providing personnel services to the University General Offices.*
- (11) *Acting as principal liaison officer between the University and governmental agencies with responsibilities relating to nonacademic personnel.*
- (12) *Carrying out such other functions and responsibilities as assigned by the President.*

(c) *A campus Personnel Services Office shall be established at each campus by the Chancellor for that campus. The head of the office is recommended by that Chancellor in consultation with the Director of Nonacademic Personnel. In general, each campus Personnel Services Office is assigned responsibility regarding nonacademic personnel within University-wide policies, rules, and procedures for—*

- (1) *Recruiting employees.*
- (2) *Processing personnel transactions.*
- (3) *Advising and assisting departmental supervision in the application of University policies, rules, and procedures.*
- (4) *Coordinating programs for employee development and training.*
- (5) *Administering the compensation system.*
- (6) *Negotiating and recommending the terms of labor agreements.*
- (7) *Performing such Civil Service functions as are delegated to the University by the Merit Board and assigned to the campus by the University.*
- (8) *Carrying out other functions as assigned by the Chancellors.*

The changes will be reflected in a new edition of the University of Illinois Statutes and The General Rules Concerning University Organization and Procedure.

A detailed description of University-wide rules for the organization of the personnel function and the respective responsibilities of personnel staff and other University officials is to be found in Chapter II of the *Policy and Rules* which I intend to issue after action by the Trustees on the proposed revision in the *General Rules*.

On motion of Mr. Jones, these revisions were approved to become effective at each campus upon the transfer of the executive responsibility of the campus Personnel Services Office from the Director of Nonacademic Personnel to the Chancellor.

**AGREEMENT FOR THE OPERATION OF THE ANIMAL DIAGNOSTIC
AND RESEARCH LABORATORY, URBANA**

(27) For many years the University of Illinois and the Illinois Department of Agriculture have cooperated in the operation of the Animal Diagnostic and Research Laboratory, which provides diagnosis of animal diseases for the livestock industry, through veterinary practitioners.

The laboratory, housed in one of the buildings of the College of Veterinary Medicine in Urbana, is currently staffed by fifteen employees from the Division of Meat, Poultry, and Livestock Inspection, Illinois Department of Agriculture, and nine employees from the University. Of these, five from the Department and five from the University are classified as professional employees.

The cooperative relationships have heretofore been informal, with staff responsibility on each side channeled through a representative: a supervisor employed by the Department of Agriculture and a liaison representative named by the Dean of the College of Veterinary Medicine. The state currently provides approximately \$114,300 annually for the operation of the laboratory, but such funds are not merged with University funds. Throughout the relationship there have been discussions as to whether operational responsibility should be exclusively that of the state or the University. However, each party is dependent on the other, and has so recognized over the years. The state receives expert professional assistance which it needs; the University receives indispensable clinical material for its instructional and research programs.

In recent years, the conviction has grown that a formal cooperative agreement should be entered into, largely to regularize the long-standing relationships but also to provide means of settling significant operational disagreements, should they arise. Accordingly, a formal Agreement now has been negotiated among the parties. It is based on previous University of Illinois experience with formal cooperative agreements and on a series of drafts exchanged among the parties.

The adoption of the agreement is recommended by the Chancellor and the Executive Vice-President and Provost.

I concur.

On motion of Mr. Hughes, this agreement was adopted.

ESTATE OF L. C. H. E. ZEIGLER

(28) L. C. H. E. Zeigler, a resident of Chicago, Illinois, died on March 17, 1961. By Will, he made a large number of bequests to various charitable and educational institutions. Two of these bequests described the beneficiary as follows: (1) University of Illinois — Chicago Research and Educational Hospitals, and (2) Illinois State University.

Mr. Zeigler's Will has now been admitted to probate and the trustees of the estate have determined that both of the above-mentioned bequests should be paid to The Board of Trustees of the University of Illinois. However, since these bequests must each be satisfied partially in kind by distribution of a \$3,000 face value municipal bond payable to bearer, the trustees of the estate have requested that The Board of Trustees of the University of Illinois adopt a resolution.

I recommend adoption of the following resolution.

Resolution

WHEREAS, L. C. H. E. Zeigler, a resident of Chicago, Illinois, departed this life on the 17 day of March, 1961, leaving a Last Will and Testament and Codicil which have been duly admitted to probate in Cook County, Illinois, said Last Will and Testament containing provisions for bequests to the University of Illinois — Chicago Research and Educational Hospitals and Illinois State University; and

WHEREAS, each such bequest must be satisfied partially in kind by distribution of a \$3,000 face value municipal bond; and

WHEREAS, there are no restrictions on the use of these bequests; and

WHEREAS, Article XI of the Will contains certain precatory instructions directing that these bonds be held until maturity or call date; that said bonds are not to leave the legatee's treasury until called for payment or until said bond matures;

and that the legatee should be privileged to use the income or interest, as the case may be, until the bond matures or is called.

Now, Therefore, Be It Resolved, that the said bequests be and the same are hereby accepted by The Board of Trustees of the University of Illinois for the uses and purposes therein set forth; and

Be It Further Resolved that any one of the following named persons, to wit:

- C. C. DeLong, Bursar, University of Illinois
- David W. Bonham, Business Manager at the Medical Center campus
- James E. Osborn, Business Manager at the Chicago Circle campus

acting individually be and they each hereby are authorized to accept said bequests on behalf of The Board of Trustees of the University of Illinois and to execute and deliver to John O. Root, William Culbertson, Harold E. Stockburger, C. Stanley Staiger, and Lowell L. Kline, Executors of the Last Will and Testament and Codicil of said L. C. H. E. Zeigler, deceased, the receipt of The Board of Trustees of the University of Illinois in satisfaction thereof.

Be It Further Resolved that upon receipt of these securities they should be delivered to the First National Bank of Chicago for safekeeping and the income thereon shall be devoted to such purposes as the President of the University may direct.

On motion of Mr. Clement, the foregoing resolution was adopted.

PURCHASES

(29) The President submitted, with his concurrence, a list of purchases recommended by the Director of Purchases and the Vice-President and Comptroller. The list included a report of purchases authorized by the President since the last meeting of the Board.

The lists of "purchases authorized" and "purchases recommended" were presented in two categories: purchases from appropriated funds (i.e., from state appropriations to the University) and purchases from institutional funds. The latter term designates funds received by the University under contracts with the United States government, contracts with private corporations and other organizations, funds from foundation grants, and grants from corporations and other donors, and University revolving funds authorized by law.

The total amounts of these purchases were:

<i>From Appropriated Funds</i>	
Purchases Recommended.....	\$ 370 679 78
<i>From Institutional Funds</i>	
Purchase Authorized.....	\$ 13 316 86
Purchases Recommended.....	761 824 29
	\$ 775 141 15
<i>Total</i>	\$1 145 820 93

A complete list of the purchases authorized and recommended, with supporting information, including the quotations received, was sent to each member of the Board in advance of the meeting, and a copy is being filed with the Secretary of the Board for record.

On motion of Mr. Williamson, this recommendation was approved.

COMPTROLLER'S REPORT OF PURCHASES APPROVED

(30) The Vice-President and Comptroller also submitted a report of purchases approved by him on recommendation of the Director of Purchases in amounts of \$2,500 to \$5,000. A copy of this report is filed with the Secretary of the Board.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS

(31) The Comptroller also submitted a monthly report of contracts executed.

New Contracts

<i>With Whom</i>	<i>Purpose</i>	<i>Amount to be Paid to the University</i>
Amalgamated Meat Cutters and Butcher Workmen of North America	Production of a labor history motion picture dealing with the 1904 meat packing industry strike in Chicago	\$ 6 000 00

This report was received for record.

**INCREASE IN CONTRACT FOR ILLIAC IV FOR EMPLOYMENT
 OF ENGINEER AND ARCHITECT FOR REMODELING
 DIGITAL COMPUTER LABORATORY, URBANA**

(33) On July 27, 1967, the Board of Trustees approved the award of a contract to Burroughs Corporation for the fabrication of Illiac IV and certain components and related work.

This computer is to be installed in the Digital Computer Laboratory, Urbana, which will need to be remodeled to accommodate the equipment and to permit its efficient operation. The total cost of this remodeling project, including architectural and engineering work, is estimated to be \$1,000,000.

It is now proposed that the contract with Burroughs Corporation be amended to include complete architectural and engineering services through the preparation of bid documents for the remodeling of the Digital Computer Laboratory, Urbana,

to accommodate the installation of Illiac IV. The amendment to the contract will require that the Burroughs Corporation, Paoli, Pennsylvania, associate with the architectural firm of Eshbach Pullinger Stevens & Bruder, Philadelphia, Pennsylvania, in providing these services. The University will retain the right of normal approvals of the preparation of bid documents. This additional work will be compensated on a cost-plus fee basis with costs not to exceed approximately \$73,000 plus normal reimbursable expenses.

The Advisory Committee on Architectural and Engineering Services has approved this recommendation.

Federal funds for these architectural and engineering services are available, subject to approval of the United States Department of Defense.

Accordingly, the President of the University, with the concurrence of appropriate administrative officers, recommends, subject to the availability of funds, that the Burroughs contract referred to herein, be amended in accordance with the proposal outlined above.

On motion of Mr. Jones, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

REPORT OF THE FINANCE COMMITTEE

(34) Mr. Grimes for the Finance Committee presented the following report:

Purchases, Contracts, and Contract Change Orders

In view of the increasing volume of purchases requiring Board approval and the change in the value of the dollar, the Committee has considered the desirability of increasing the minimum dollar amount of purchases, contracts, and change orders which require specific approval by the Board of Trustees. The Committee has received an analysis and recommendation on this question from the Comptroller in which the President concurs.

Accordingly, the Committee now recommends that prior actions by the Board of Trustees relating to the amounts of individual purchases, contracts, and change orders which must be presented for specific approval by the Board of Trustees be deemed amended to increase the same to \$7,500 in the case of purchases and contracts and to \$12,500 in the case of contract change orders.

Purchases, contracts, and contract change orders in excess of \$5,000 and up to the new minima recommended will be reported to the Board of Trustees.

On motion of Mr. Grimes, the report was adopted.

SECRETARY'S REPORT

The Secretary presented for record appointments to the faculty made by the President; resignations; leaves of absence; and retirements. A copy of the report is filed with the Secretary.

ANNOUNCEMENTS FROM THE PRESIDENT OF THE BOARD FUTURE BOARD MEETINGS

President Swain reminded the Trustees that the next two meetings of the Board will be held on June 19, 1968, in Chicago, and on July 24, 1968, in Urbana.

RECESS

On motion of Mr. Clement, the regular meeting was recessed and the President of the Board stated that meetings of the Committees on Buildings and Grounds and General Policy had been called and that an executive session had been requested and was being ordered to consider recommendation relating to property acquisitions, pending litigation, and personnel items.

EXECUTIVE SESSION

When the Board reconvened, the same members of the Board, officers

of the Board, and officers of the University as recorded at the beginning of these minutes were present.

The Board considered the following recommendations from the President of the University.

PURCHASE OF 1108 WEST MAIN STREET, URBANA

(35) The President of the University, with the concurrence of appropriate administrative officers, recommends that The Board of Trustees of the University of Illinois request the University of Illinois Foundation to purchase the property at 1108 West Main Street, Urbana, for the sum of \$25,750 and lease this property to the University at a rental sufficient to enable the Foundation to pay the interest costs on the loan secured to finance its acquisition. This property is 66 feet by 132 feet (8712 square feet) and is improved with an older frame dwelling.

On motion of Mr. Hahn, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

LAND ACQUISITION, CHICAGO CIRCLE CAMPUS

(36) The Buildings and Grounds Committee (May 16, 1967) approved the acquisition of approximately forty-one acres of land (bounded by Roosevelt Road, Halsted Street, 14th Place, and Morgan Street) for expansion of the Chicago Circle Campus, including a site for the Physical Education building, at a cost not to exceed \$1.50 per square foot. Subsequently, the legislature appropriated \$3,169,000 which is now available, subject to release by the Governor.

The City has planned its acquisition of the forty-one-acre area in stages. In the first stage, the University will be allocated approximately fourteen acres (bounded by Roosevelt Road, Newberry Avenue, Maxwell Street, and Morgan Street).

The re-use appraisals on the fourteen-acre area to be acquired by the University at this time range from \$1.15 to \$1.21 per square foot. Based on these appraisals it is recommended that authorization be given to submit an offer to the city of Chicago on the fourteen acres of land, cleared of all improvements, within the above range of appraisals and to execute a contract in a form approved by the Vice-President and Comptroller, the University Director of Physical Plant Planning and Construction, and the Legal Counsel, if the offer is accepted by the city.

On motion of Mr. Williamson, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page, Mr. Pogue, Dr. Weatherly.

REPORTS ON PENDING LITIGATION AND PERSONNEL ITEMS

The President of the University then called on the Legal Counsel who presented a brief report on items of pending litigation.

At the request of the President, Mr. Farber and Mr. Oscar Smith reported on pending contract negotiations with the storekeepers employed at the two Chicago campuses on the status of their absence from work and possible work stoppage.

On motion of Mr. Hahn, the Board adjourned.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS
AND OF COMMITTEES OF THE BOARD

June 19, 1968

FINANCE COMMITTEE

On call of the Chairman, a meeting of the Finance Committee was held in Room J of the LaSalle Hotel, Chicago, Illinois, on Wednesday, June 19, 1968, beginning at 12:30 p.m.

Present were: Mr. Donald R. Grimes, Chairman; Mr. Howard W. Clement, Mr. Kenney E. Williamson. Other Trustees present were: Mr. Ralph C. Hahn, Mr. Earl M. Hughes, Mr. Timothy W. Swain. Also present were: President David D. Henry; Executive Vice-President and Provost Lyle H. Lanier; Chancellor Norman A. Parker, University of Illinois at Chicago Circle; Chancellor Joseph S. Begando, University of Illinois at the Medical Center; Chancellor J. W. Peltason, University of Illinois at Urbana-Champaign; Dr. Eldon Johnson, Vice-President of the University; Mr. C. S. Havens, University Director of Physical Plant Planning and Construction; Mr. C. E. Flynn, Assistant to the President and University Director of Public Information; Mr. James J. Costello, Legal Counsel; Dr. Daniel C. McCluney, Dean of Faculties, Chicago Circle; Mr. R. C. Wicklund, Assistant Secretary of the Board of Trustees and Assistant Secretary of the University; Mr. Eugene S. Pitcher, Assistant to the Director of the Physical Plant, Urbana, and the officers of the Board, Mr. H. O. Farber, Comptroller, Mr. R. R. Manchester, Treasurer, and Dr. Earl W. Porter, Secretary.

The Committee considered the following item of business.

OPERATING BUDGET FOR 1968-69

The President of the University presented the Operating Budget for 1968-69 and with other University officers reviewed its general emphasis with regard to salaries and program. Copies of the complete budget and the condensed analysis and summaries had been sent for study to all Trustees a week in advance of the meeting. After discussion, on motion of Mr. Williamson, the Committee unanimously approved the operating budget for 1968-69, as recommended.

The Committee adjourned.

**JOINT MEETING OF THE FINANCE COMMITTEE
AND THE COMMITTEE ON BUILDINGS AND GROUNDS**

On call of the Chairmen, a joint meeting of the Finance Committee and the Committee on Buildings and Grounds was held in Room J of the LaSalle Hotel, Chicago, Illinois, on Wednesday, June 19, 1968, following the meeting of the Finance Committee.

The same members of the Finance Committee were present as recorded in the minutes above. Present for the Committee on Buildings and Grounds were: Mr. Ralph C. Hahn, Chairman; Mr. Howard W. Clement, Mr. Donald R. Grimes, Mr. Earl M. Hughes, Mr. Theodore A. Jones and Mr. Harold Pogue were absent. The same University officers were present as recorded in the Finance Committee minutes.

The committees considered the following item of business.

BIENNIAL BUDGET REQUEST FOR CAPITAL FUNDS, 1969-71

The President of the University and the Executive Vice-President and Provost presented and reviewed the Biennial Budget Request for Capital Funds for 1969-71, for the joint consideration by the two committees. Copies of this document had been sent to members of the Board of Trustees one week in advance of the meeting.

Also presented was a supplemental memorandum requesting an addition to the request for equipment for conversion from black-white to color television.

In the discussion of the biennial request, particular attention was given to proposed construction to enable the University to serve larger enrollments, both immediately and in succeeding biennia.

By agreement, the committees considered the capital requests in joint session and discussion but acted separately; the presiding officer in each case being the respective chairman of each committee.

On motion of Mr. Hughes, the Buildings and Grounds Committee approved the biennial budget request for capital funds for 1969-71 as recommended.

On motion of Mr. Williamson, the Finance Committee approved the biennial budget request for capital funds for 1969-71 as recommended.

The committees adjourned.

MEETING OF THE BOARD OF TRUSTEES

The June meeting of The Board of Trustees of the University of Illinois was held in Room J of the LaSalle Hotel, Chicago, Illinois, on Wednesday, June 19, 1968, beginning at 1:50 p.m.

President Timothy W. Swain called the meeting to order and asked the Secretary to call the roll. The following members of the Board were present: Mr. Howard W. Clement, Mr. Donald R. Grimes, Mr. Ralph C. Hahn, Mr. Earl M. Hughes, Mr. Timothy W. Swain, Mr. Kenney E. Williamson. Mr. Theodore A. Jones was not present when the Board convened but joined the meeting later. Governor Samuel H. Shapiro, Mr. Ray Page, Mr. Harold Pogue, and Dr. James A. Weatherly were absent.

The same University officers and officers of the Board were present as recorded in the Finance Committee Minutes.

TRIBUTE TO MAJOR LENOX R. LOHR

The President of the Board presented the following tribute to Major Lohr:

I believe that members of the Board will want to note the recent passing of Major Lenox R. Lohr. A little more than four years ago this Board approved the conferring of a Trustees Citation upon Major Lohr for distinguished public service with special recognition of his long and devoted services to the University as member and Chairman of its Citizens Committee and as Chairman of the Jane Addams Memorial Fund. None of us needs to be reminded of the extent of Major Lohr's contributions to the City of Chicago, the State of Illinois, and the Nation. I will, however, entertain a motion recording the deep regret of the Board of Trustees at the death of Major Lohr and its profound appreciation for his many services to this institution.

Mr. Hughes moved that the Board record its deep regret at the passing of Major Lohr and that the Secretary of the Board be instructed to convey the sentiments of the Board to the members of Major Lohr's family. This motion was approved by a standing vote.

INTRODUCTION OF IRVIN L. HECKMANN

At the request of the President of the University, the Chancellor of the University of Illinois at Chicago Circle introduced Dr. Irvin Lee Heckmann who became Dean of the College of Business Administration at Chicago Circle on June 1, 1968.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of the Board of Trustees on June 20, 1967, press proof copies of which had previously been sent to the Board.

On motion of Mr. Clement, the minutes were approved as printed on pages 547 to 650 inclusive.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY
The Board considered the following reports and recommendations from the President of the University.

PRESIDENT'S REPORT

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

ANNUAL OPERATING BUDGET FOR 1968-69

(1) The budget for the fiscal year beginning July 1, 1968, for academic and admin-

istrative appointments beginning September 1, 1968, and for appointments to the nonacademic personnel staff beginning July 1, 1968, is submitted herewith.

The budget has been prepared by the Executive Vice-President and Provost and the Vice-President and Comptroller, based upon recommendations of the chancellors, the deans, directors, and other administrative officers, and in consultation with the University Budget Committee¹ representing all campuses of the University. The budget policies with respect to assignments of funds for promotions and salary adjustments have also been reviewed with the University Council. (Finally, the budget will have been reviewed by the Finance Committee of the Board prior to formal action by the Board.)

The budget document submitted contains: a condensed analysis, which describes the principal increases in the budget; schedules A through H, which give the budget totals and major subtotals; and summaries for each college or administrative unit. Also submitted are four supplemental volumes (two for Urbana-Champaign and general University administration and one each for the other campuses) presenting budget details for departments, divisions, and other operating units.

I recommend that this budget, covering the allocation of the estimated operating income from all sources for the year beginning July 1, 1968, and as approved by the Finance Committee, be approved by the Board, and that the President of the University be authorized, in accordance with the needs of the University and the equitable interests involved, and within total income: (a) to accept resignations, (b) to make such additional appointments as are necessary subject to the provisions of the University Statutes and the Policy and Rules Relating to Compensation and Working Conditions of Nonacademic Employees, and (c) to make such changes and adjustments in items included in the budget as are needed, all such changes to be covered in the Vice-President and Comptroller's quarterly financial reports, or in reports to the Board by its Secretary, provided that assignments for new programs and for nonrecurring capital expenditures in excess of \$10,000 shall be presented to the Board for approval.

On motion of Mr. Grimes, the budget was approved and authority was given as recommended by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Jones, Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

A copy of the condensed analysis is filed with the Secretary of the Board for record. The complete budget is printed separately as a supplement to these minutes.

BUDGET OF THE ATHLETIC ASSOCIATION FOR 1968-69

(2) The Director of Intercollegiate Athletics has submitted, on behalf of the Board of Directors of the Athletic Association, the budget for the Association for 1968-69 which is summarized as follows with comparative figures for the preceding year:

	1967-68	1968-69
Income.....	\$1 678 414	\$1 807 200
Appropriations	1 678 414	1 807 200
Excess of Income.....	0	0

The budget has been reviewed and approved by the Executive Vice-President and Provost and the Vice-President and Comptroller.

I recommend that this budget be approved and that the Board of Directors of the Athletic Association be authorized to make such changes and adjustments,

¹ University Budget Committee: Lyle H. Lanier, Executive Vice-President and Provost, Chairman; Daniel Alpert, Professor of Physics and Dean of the Graduate College; Joseph S. Begando, Chancellor at the Medical Center; H. O. Farber, Vice-President and Comptroller; William L. Goodman, Professor of Urban Planning and Chairman of the Department of Urban Planning (Urbana); William J. Grove, Professor of Surgery and Dean of the College of Medicine (Medical Center); Morris S. Kessler, Assistant Comptroller (Staff Associate); Norman A. Parker, Chancellor at Chicago Circle; Jack W. Peltason, Chancellor at Urbana-Champaign; William F. Sager, Professor of Chemistry and Head of the Department of Chemistry (Chicago Circle); Martin L. Zeigler, Associate Provost and Director of Institutional Studies (Staff Associate).

including approval of new appointments and acceptances of resignations, as are necessary within the total income and surplus of the Association, provided that: appointments of head coaches and administrative officers and assignments of funds for new projects or nonrecurring capital expenditures in excess of \$10,000 shall be presented to the Board for approval.

A copy of the budget is being filed with the Secretary of the Board for record.

On motion of Mr. Hahn, this budget was approved.

BOARD OF HIGHER EDUCATION RECOMMENDATIONS ON EDUCATION IN THE HEALTH FIELDS

(3) I recommend that the Board of Trustees endorse the Recommendations on Education in the Health Fields as approved by the Board of Higher Education on June 4, 1968.

I further recommend that the President of the University be authorized to formulate plans for the implementation of the recommendations insofar as they apply to the University of Illinois, subject to continuing review by the Board of Trustees as appropriate.

The President of the University and the Executive Vice-President and Provost presented a summary of the Board of Higher Education recommendations as approved on June 4 and discussed their relevance to the University of Illinois' original proposals — see Board minutes of October 16, 1967 — and to the University's capital requests for the next biennia.

On motion of Mr. Clement, the recommendations were approved unanimously.

UNIVERSITY BUILDING PROGRAM FOR 1969-71

(4) Submitted herewith are the building program and estimates of capital appropriations required for the biennium of 1969-71.

The buildings and other capital improvements listed are recommended by the Executive Vice-President and Provost, as Chairman of the University Building Program Committee.¹ This Committee has received and reviewed recommendations by the chancellors for their respective campuses. The campus programs were prepared with the advice of campus planning committees, and after consultation with the deans, directors, and other administrative officers concerned.

With the concurrence of the University Council on Administration, I recommend approval of this capital program by the Board of Trustees for filing with the State Department of Finance, as required by law, and for presentation to the state administration, the Board of Higher Education, and other state agencies involved in budget review.

The University has television-production facilities at all three of its campuses, but none has capacity to produce in color. The lack of capability for producing live or taped programs in color seriously limits the effectiveness of the University's use of this medium, which serves the following educational purposes: (a) on-campus instruction (closed circuit, at all three campuses); (b) off-campus adult education (broadcasting at Urbana-Champaign; distribution of taped programs at all three campuses); (c) education of students for professional careers in television (Urbana-Champaign and Chicago Circle campuses).

Given the current (and changing) state of television technology and the corresponding expectations of viewers, color capability has become a virtual necessity if the University is to perform these varied functions at even minimally satisfactory levels. The following facts and considerations support this conclusion:

1. Illinois commercial stations have increasingly declined to accept the University's taped black and white programs. (Virtually all Illinois television stations now broadcast in color and produce local programs in color.)

¹ The University Building Program Committee: Lyle H. Lanier, Executive Vice-President and Provost, *Chairman*; Daniel Alpert, Dean of the Graduate College; Joseph S. Begando, Chancellor of the Medical Center Campus; Herbert E. Carter, Vice-Chancellor for Academic Affairs at the Urbana-Champaign Campus; Herbert O. Farber, Vice-President and Comptroller; Herbert A. Laitinen, Professor of Chemistry and Chemical Engineering at the Urbana-Champaign Campus; John P. Marbarger, Professor of Physiology and Director of the Research Resources Laboratory at the Medical Center Campus; Daniel C. McCluney, Jr., Dean of Faculties at the Chicago Circle Campus; Norman A. Parker, Chancellor of the Chicago Circle Campus; Jack W. Peltason, Chancellor of the Urbana-Champaign Campus. (Messrs. Laitinen, Marbarger, and McCluney are also Chairmen of the Planning Committees for their respective campuses.)

2. Of the three educational television stations in Illinois (located in Chicago, in Urbana, and in Carbondale), only the University's station in Urbana lacks color capability.
3. Students can not be properly trained for future broadcasting careers through the use of "black-and-white" facilities alone. It is educationally indefensible for the University to train students in the use of an outmoded medium.
4. Color is universally accepted as being virtually an essential medium for television instruction in certain aspects of medicine. It is estimated that the following sums would be necessary for conversion to color equipment at the three campuses:

Chicago Circle Campus.....	\$305 430
Medical Center Campus	370 000
Urbana-Champaign Campus.....	240 200
	<u>\$915 630</u>

With the concurrence of the three chancellors, the Executive Vice-President and Provost recommends the addition of the foregoing amounts to the University's *Biennial Budget Request for Capital Funds—1969-71*.¹

I concur.

On motion of Mr. Hahn, the building program and other related recommendations including the supplemental request for funds for equipment for conversion from black-white to color television were approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Jones, Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

The full text of the document presenting the request for capital funds follows.

I. Educational Program

The capital funds requested by the University of Illinois for the biennium 1969-71 would provide the facilities needed for an overall increase in *enrollment capacity* of 9,370 students. This would bring the University's total capacity to an estimated 63,820 students—a gain of 17 per cent above the level of 54,450, the latter being the estimated limit when all current projects have been completed and brought into full utilization.²

Summaries of the increases in enrollment capacity at the University's three campuses expected from the proposed 1969-71 capital program are presented in Table I as follows: Chicago Circle, 5,200; Medical Center, 680; Urbana-Champaign, 3,490. Distributions of these totals over five educational levels are shown.

The total enrollment capacities of the three campuses, if all of the requested 1969-71 increases in plant capacity are provided and when fully utilized, would be: Chicago Circle, 25,000; Medical Center, 4,560; Urbana-Champaign, 34,260. As explained in the second paragraph of the footnote 2 below, these figures may be taken as approximate enrollment projections for 1974-75 or 1975-76.

The distributions of "enrollment capacities" by educational levels shown in Table I (the so-called "student mix") reflect in part the policy of relatively greater emphasis upon junior-senior, professional, and graduate levels—as generally rec-

¹ Subsequently, these amounts were transferred to the Biennial Budget Request for Operations, 1969-71.

² The terms "enrollment capacity" and "enrollment projection" are not synonymous, although the two obviously are related. The "enrollment capacity" of a given university plant refers to the enrollment ceiling that would be reached when all facilities involved (existing and under development) had reached levels of full utilization as measured by accepted standards. A specified "enrollment capacity" would not all be utilized immediately upon completion of all programmed construction, since sufficient space would have to be reserved to allow the expanded enrollments in successive classes of various degree programs to progress towards graduation. For example, the enrollment capacity resulting from an addition to the plant of a law school would not be fully utilized until all three classes (first-, second-, and third-year) had successively reached their respective new enrollment limits.

When additions to the plant of an institution are being made, say, every two years, there will be overlap of the gains in "enrollment capacity" corresponding to two or more such expansion periods. Hence, the "enrollment projection" made for a given future year would reflect the summation of the increments of gain contributed by these biennial additions. Assuming further construction in 1971-73 (to be available for initial use in part by 1974-75), the totals shown in Table I as "1969-71 capacity" levels could be considered approximate "enrollment projections" for 1974-75. (The limit for the Medical Center campus might not be reached until 1975-76.)

Table I. Estimates of Increases in Enrollment Capacity (Headcounts) to Be Provided By Buildings in the 1969-71 Capital Budget

<i>Campus</i>	<i>Freshman-Sophomore</i>	<i>Junior-Senior</i>	<i>Professional</i>	<i>Graduate I</i>	<i>Graduate II</i>	<i>Total</i>

Increase.....	—1 400	+ 7 195	+1 212	+1 219	+1 144	+ 9 370

¹The term "1969-71 capacity" refers to enrollment capacity if and when all of the facilities included in the 1969-71 capital request are constructed and fully utilized.

²The term "1967-69 capacity" refers to the enrollment capacity previously estimated for the facilities requested for the 1967-69 biennium — less the capacity deducted when projects were deleted from the University's 1967-69 capital request.

ommended for State universities in the Master Plan of the Board of Higher Education. It had not been planned, however, that the allocation of 1969-71 "capacity" to the freshman-sophomore level at the Chicago Circle campus would be lower than the figure projected two years ago for 1967-69. This outcome was dictated by actual changes in student demand: applications for lower-division admissions have fallen considerably below earlier expectations, whereas applications at junior-senior level have greatly exceeded the projections made for the 1967-69 capital budget. So corresponding adjustments have been made in the 1969-71 estimates.

Three additional facts about the Chicago Circle program should be noted: (a) with the 1969-71 facilities, undergraduate capacity would reach slightly more than 22,000—some 2,000 more students than the target set in the original plan for the campus; (b) facilities to bring graduate enrollment to 2,805 are requested, almost 40 per cent of them beyond first-year level; (c) the total of 25,000 students to be reached by 1975 would represent a fivefold increase since the new campus was occupied in 1965.

The increased capacity at the Medical Center campus—a total of 680 students—would virtually all be in dentistry and medicine, two health professions in which the State's needs are extremely acute. Phase II of the Dentistry Building would enable the College of Dentistry to add a total of 341 students in all categories to its currently-programmed capacity of 564.

The College of Medicine would increase its M.D. enrollment by 50 per cent (from approximately 800 to 1,200 in all four classes)—with the additional 100 first-year students being enrolled at Urbana and the continuation classes totaling 300 students being enrolled at the Medical Center. To administer the expanded program, the College would be reorganized into semi-autonomous "schools"—as recommended in the recent *Report on Education in the Health Fields* and approved by the Board of Higher Education.

The building program proposed for the Urbana-Champaign campus would: (a) provide facilities for some 2,600 additional transfer students from junior colleges; (b) add substantially to its enrollment capacity in the professional fields of law, veterinary medicine, agriculture, engineering, and speech pathology; (c) increase its overall graduate-enrollment capacity by about 14 per cent.

In the following section (II), the capital projects and funds required to provide the additional facilities for these expanded programs are summarized. In section III, a quantitative "space audit" is presented for each campus—comparing the space needs generated by the projected program with the amount of space to be available upon completion of the proposed construction. The remaining sections are devoted to detailed information about the individual projects for the three campuses: section IV, Chicago Circle; section V, Medical Center; section VI, Urbana-Champaign.

II. Summary of 1969-71 Capital Budget Request

The capital projects and funds requested for the proposed expansion and improvement of the University's educational program are presented in the following tables:

Table II. Chicago Circle Campus—1969-71 Capital Projects (page 1049)

Table III. Medical Center Campus—1969-71 Capital Projects (page 1050)

Table IV. Urbana-Champaign Campus—1969-71 Capital Projects (page 1051)

Table V. Summary of Funds for the 1969-71 Building Program (page 1052)

The estimates of cost for the buildings listed in these tables were obtained through the following procedure, which has been recommended by the Illinois Board of Higher Education:

1. A base was established for each project by comparison with historical bid costs on projects most nearly like the one contemplated and in the same geographical area. The base represents the average for such projects (not the low bid), and no data older than five years were considered.
2. The cost estimate was adjusted by means of an index table provided by consultants to the Illinois Building Authority, to bring it to the level specified for the period from December 1, 1967, to May 31, 1968.
3. To the adjusted estimate given by step (2), the costs of architectural and engineering fees, Illinois Building Authority construction supervision, site improvements, and soil testing were added—to obtain a total project cost (without contingency).

III. Justification of Requests for Additional Buildings

The proposed increases in enrollment capacity presented in section I represent in summary form the outcomes of educational planning at departmental, college, campus, and University-wide levels. In effect, the figures reflect the collective judgment that the proposed expansion of enrollment capacity for each campus is educationally justified in terms of University objectives and realistic in terms of the needs of the State and nation. The patterns of projected enrollment distributions by levels and fields clearly conform to the University's announced policies and to the Master Plan of the Board of Higher Education.

The buildings listed in Tables II, III, and IV are believed to be necessary to accommodate the enrollment increases specified in Table I. The purpose of the present section is to present quantitative evidence in support of this judgment—by comparing the space needs generated by the expanded enrollment with the space that would be available upon completion of the proposed building program.

In order to determine whether a given request for space is justified, it is necessary to establish standards for the various types of functions involved and to calculate from these standards the amount of space that would be required for the projected enrollments. The University of Illinois has developed space standards for its varied instructional, research, and supporting operations at the Chicago Circle and the Urbana-Champaign campuses—taking into account differences among fields and among educational levels. The development of these standards has involved several years of experimentation, including cross-validation through checks against standards that have been made available by other comparable institutions.

For the programs in the health professions at the Medical Center campus, the space guidelines developed by the United States Public Health Service have been used to measure the space requirements. In addition, comparisons with similar programs at other institutions have been made to the extent that comparable figures could be secured.

In the light of the standards applied at the three campuses, and using procedures developed by the University for projecting space requirements, summary tables have been prepared to show the relationships between estimated space requirements and the space to become available upon completion of the 1969-71 building program. Three tables are presented: Table VI (Chicago Circle campus), Table VII (Medical Center campus), and Table VIII (Urbana-Champaign campus). Each table is arranged to show the following:

1. The space required to accommodate the capacity-enrollment figures included in Table I.
2. The space that is presently available plus what would become available when the buildings approved for the biennium 1967-69 have been completed.
3. The space to be razed.
4. Results of reassignments of space among the various administrative units (gains and losses).
5. The amount of space requested in the 1969-71 building program.

¹ Included in this column is the total area of the two old buildings (277,216 net assignable, square feet) left standing on the Chicago Circle site, which are scheduled for demolition in accordance with an agreement with the City of Chicago. They are being used temporarily for educational purposes.

6. The net amount of space (including existing and programmed space) to become available upon completion of the 1969-71 building program.
7. The net status of space required relative to space to be available (upon completion of the 1969-71 building program).

The results of the space "audit" presented in Tables VI, VII, and VIII may be briefly summarized as follows:

Chicago Circle Campus. A shortage of 62,261 net assignable square feet would exist if the proposed 1969-71 building program were completed and total enrollment at the campus reached 25,000 students. This deficit would be an overall figure, including the space required for academic units, administration, student services, health services, museums, and gymnasiums. A shortage of 106,875 net assignable square feet would exist if only the space requirements of the academic and administrative units were considered. Stated another way, the Chicago Circle campus would have approximately 95 per cent of the academic space required for the capacity enrollment of 25,000 students as projected in Table I. It should be noted, however, that the shortage would be increased by 277,216 net assignable square feet if and when the two temporary buildings are demolished.

Medical Center Campus. A shortage of 270,285 net assignable square feet would exist at this campus, if the projected needs were measured by the space standards established by the United States Public Health Service. About 40 per cent of the total deficit would be in the College of Medicine.

Urbana-Champaign Campus. An overall shortage of 457,166 net assignable square feet would exist at this campus, if enrollment were expanded as projected and if the proposed 1969-71 building program were to be completed. In sum, the Urbana-Champaign campus would have approximately 93.5 per cent of the space required by the University's standards for the projected capacity enrollment of 34,260 students.

In sum, the results of these space "audits" indicate that the total amount of additional building space proposed for the 1969-71 capital budget is more than justified by the proposed expansion of enrollments at the three campuses.

IV. Chicago Circle Campus: Capital Program for 1969-71

Six of the eight building projects in the present list were included in the University's capital request for 1967-69; but five of them were not approved by the Board of Higher Education, and an additional one was approved by the Board but omitted from the Governor's capital budget.

It should be recognized that the proposed buildings would not be completed and occupied until sometime during the academic year 1972-73, and those for which funds for complete architectural services were not available might be delayed even longer. There can be little question about the enrollment demand in the Chicago area for all of the programs involved — at the levels projected in Table I.

In the following pages, the individual projects listed in Table II are described in some detail, and their relationships to the overall educational program of the campus are indicated.

Architecture and Art Addition

Estimated total cost.....	\$7 411 500
State funds.....	(\$7 161 500)
Non-State funds.....	(\$ 250 000)
Gross square feet.....	114 885
Net assignable square feet.....	68 931
Building efficiency.....	60%

The first stage of the Architecture and Art Laboratories is now nearing completion, and this proposed addition was requested by the University, but not funded in the 1967-69 biennium. Thus, the delay of the original unit until Phase II of the Chicago Circle building program and the failure to construct the first addition in Phase III (the 1967-69 request) have sharply curtailed the enrollment growth of the Departments of Architecture and Art.

This addition is the first of two required to complete the total building as originally planned for the College of Architecture and Art. Included in this phase will be additional instructional laboratories required to round out the undergrad-

uate programs and to permit the initiation of graduate study by these departments. Also provided in this facility are the staff and administrative offices of the College.

At present the College of Architecture and Art is housed in temporary, sub-standard quarters, and the first unit of its new building will house only part of the staff and programs of the College. It is highly important that the College of Architecture and Art be provided with adequate facilities in order that it may meet the growing demand for admission. Otherwise, there will be increasing imbalance in the program of the campus and failure on the part of the University to make its proper contribution to the cultural life of the Chicago area. Furthermore, since the Department of Architecture is actively concerned with problems of urban planning and development, with suitable facilities it would be able to add to its faculty and to contribute more effectively to the urban mission of this campus.

The types and amounts of space are as follows:

NASF by Building Block

<i>Administrative Unit</i>	<i>Instructional Laboratories</i>	<i>Offices</i>	<i>Research</i>	<i>Archive and Storage</i>	<i>Commuter</i>	<i>Total</i>
College of Architecture and Art	31 280	24 317	8 550	1 332	65 479
General University	3 452	3 452
Total	<u>31 280</u>	<u>24 317</u>	<u>8 550</u>	<u>1 332</u>	<u>3 452</u>	<u>68 931</u>

Classroom-Office Building

Estimated total cost	\$4 470 500
State funds	(\$4 364 500)
Non-State funds	(\$ 106 000)
Gross square feet	76 182
Net assignable square feet	45 709
Building efficiency	60%

In part, this project involves the construction of facilities uniquely designed for the programs conducted by the College of Business Administration. It will include offices for faculty, nonacademic staff, and administrative personnel, as well as unique teaching facilities required by the College.

The building will provide the College with an identity that will facilitate its relationships with the business and financial community of the greater Chicago area — including the placement of its graduates and more effective interaction with its faculty.

The building will also serve partly as a general classroom building. Although some of the classrooms will be specially designed to meet the needs of the College of Business Administration, others will add to the central pool of classrooms that are held for campus-wide use and are required for the increased enrollment anticipated.

The construction of this facility and its occupancy by the College of Business Administration will make possible the release of space in University Hall to the humanities departments in the College of Liberal Arts and Sciences.

The types and amounts of space are as follows:

NASF by Building Block

<i>Administrative Unit</i>	<i>Instructional Laboratories</i>	<i>Offices</i>	<i>Research</i>	<i>Classrooms</i>	<i>Commuter</i>	<i>Total</i>
Business Administration	732	18 686	829	20 247
General University	18 462	7 000	25 462
Total	<u>732</u>	<u>18 686</u>	<u>829</u>	<u>18 462</u>	<u>7 000</u>	<u>45 709</u>

Library Addition

Estimated total cost	\$9 873 500
State funds	(\$8 873 500)
Non-State funds	(\$1 000 000)

Gross square feet.....	135 319
Net assignable square feet.....	94 723
Building efficiency	70%

This project was included in the 1967-69 capital request, but was not approved for funding. The scope of the Library Addition has increased beyond that proposed in the 1967-69 request, reflecting the continuing shift of enrollment toward upper-division and graduate levels. As now proposed, this project would complete the main Library as originally conceived. The total structure would then seat approximately 25 per cent of the 22,000 students anticipated in 1972-73, as well as provide stack space for graduate and undergraduate collections, maps, document collections, technical service staff, faculty research, and graduate carrels. The stack space capacity in the Library upon completion of this addition would be about 1,000,000 volumes.

The types and amounts of space are as follows :

<i>Type of Space</i>	<i>Net Assignable Square Feet</i>
Stack and material space.....	27 393
Reader space	45 430
Staff and service space.....	21 900
Total.....	94 723

Plant Research Laboratory

Estimated total cost (State funds).....	\$643 500
Gross square feet.....	11 851
Net assignable square feet.....	8 590
Building efficiency	72%

The first phase of the Plant Research Laboratory was funded in the biennium 1965-67. A larger facility was included in the 1967-69 request, but funds were not appropriated. The project has been increased in size to provide the additional greenhouse space needed for both graduate and undergraduate programs in the plant sciences. Specimens for use in undergraduate instructional laboratories will be grown in part of the facility; the remainder will provide plant-growth space for graduate and faculty research in the various fields of plant science. Present greenhouse space is entirely inadequate.

The types and amounts of space in the facility are as follows :

<i>Administrative Unit</i>	<i>NASF by Building Block</i>		<i>Total</i>
	<i>Research Laboratories</i>	<i>Greenhouse Space</i>	
Biological Sciences.....	880	7 710	8 590

Science and Engineering, South Addition (Engineering)

Estimated total cost.....	\$16 707 100
State funds	(\$15 707 100)
Non-State funds.....	(\$ 1 000 000)
Gross square feet.....	200 378
Net assignable square feet.....	120 227
Building efficiency	60%

Funds for the engineering unit were requested for the present biennium, but were not approved by the Board of Higher Education.

The construction of this addition will make possible both an increase in undergraduate enrollment and the expansion of study in engineering parallel to that for the sciences in the 1967-69 biennium.

The engineering addition to this laboratory complex will be an extension of the present building, and will provide the engineering offices and research laboratories that were not approved by the Board of Higher Education in its review of the University's 1967-69 capital request.

This project is crucial to the continuing development of both undergraduate and graduate engineering at the Chicago Circle campus. These engineering laboratories will provide a unique opportunity for students of the Chicago area to pursue their education in this field—especially at the graduate level. The field of engi-

neering has become progressively more research-oriented, and graduate education has increasingly come to be required of engineers. As the only State-supported institution in the Chicago area offering engineering education, it is imperative that the University's facilities in this field keep pace with the demands from area students and with the engineering needs of the urban society in general.

The types and amounts of space are as follows:

<i>Administrative Unit</i>	<i>NASF by Building Block</i>			<i>Total</i>
	<i>Offices</i>	<i>Research</i>	<i>Archive and Storage</i>	
Bioengineering.....	3 561	719	4 280
Energy Engineering.....	9 841	29 554	2 622	42 017
Materials Engineering.....	18 199	28 891	3 354	50 444
Systems Engineering.....	9 592	546	10 138
Business Office (scientific stores).....	13 348	13 348
Total.....	<u>41 193</u>	<u>58 445</u>	<u>20 589</u>	<u>120 227</u>

Science and Engineering, South Addition (LAS-Sciences)

Estimated total cost.....	\$10 353 400
State funds.....	(\$ 9 353 400)
Non-State funds.....	(\$ 1 000 000)
Gross square feet.....	116 393
Net assignable square feet.....	69 836
Building efficiency.....	60%

The LAS sciences addition would be an extension of the present science and Engineering building and would provide additional laboratory and office space. A doctoral program in chemistry has been approved by the Illinois Board of Higher Education, and it is expected that similar programs in the biological sciences and in physics will be submitted to the Board of Higher Education for consideration next fall. The space is needed primarily to accommodate the expansion involved in these graduate programs.

It is to be noted that the National Science Foundation has recently awarded the Department of Chemistry a development grant of over half a million dollars to stimulate the growth of the department. Only with the space requested can the fullest advantage be taken of the benefits of his grant.

The types and amounts of space are as follows:

<i>Administrative Unit</i>	<i>NASF by Building Block</i>				<i>Total</i>
	<i>Instruc-tional Lab-oratories</i>	<i>Offices</i>	<i>Research</i>	<i>Archive and Storage</i>	
Biological Sciences.....	2 136	3 453	9 989	7 171	22 749
Chemistry.....	8 969	11 896	8 661	7 744	37 270
Geology.....	1 063	1 063
Physics.....	5 136	3 618	8 754
Total.....	<u>11 105</u>	<u>15 349</u>	<u>23 786</u>	<u>19 596</u>	<u>69 836</u>

Science and Engineering, South Addition (Classroom-Study Space)

Estimated total cost.....	\$2 413 500
State funds.....	(\$2 313 500)
Non-State funds.....	(\$ 100 000)
Gross square feet.....	45 745
Net assignable square feet.....	27 445
Building efficiency.....	60%

The classroom addition to this building complex will be located centrally, contiguous to the existing classrooms. Together with the classrooms included in the proposed Classroom-Office Building, this part of the addition will provide all of the additional classrooms required for the projected enrollment capacity.

A critical need at a commuter campus is for space in which students may study between classes. The Library and the Chicago Circle Center are two places that serve this purpose; but the amount of space available in these buildings is far from being sufficient to meet the needs of the rapidly-growing enrollment. Furthermore,

with the development of the Science and Engineering Laboratories south of Taylor Street, it is essential that study space be provided for students in that area of the campus.

The type and amounts of space are as follows:

<i>Type of Space</i>	<i>Net Assignable Square Feet</i>
Classroom.....	12 445
Study space	15 000
Total.....	<u>27 445</u>

Student Services Building

Estimated total cost (State funds).....	\$5 667 600
Gross square feet.....	91 867
Net assignable square feet.....	55 120
Building efficiency	60%

Funds for this building were approved by the Board of Higher Education for inclusion in the University's 1967-69 capital budget but were not appropriated.

Construction of this building would release space in University Hall for the additional offices required for faculty and nonacademic staff in the humanities departments. These departments include the foreign languages, English, history, and philosophy — all of which require primarily office space and conference rooms.

Situated at the gateway to the Chicago Circle campus, and most immediately accessible to public transportation, the Student Services Building will house many of the facilities directly related to campus-wide services. Included are the Office of Student Affairs, the Business Office, the Office of Nonacademic Personnel, the Statistical Service Unit, the Credit Union, and University Extension.

Bringing these units together in one building would improve the efficiency of their varied operations, since interchange of material and information among them is most essential.

The types and amounts of space in the Student Services Building are as follows:

NASF by Building Block

<i>Administrative Unit</i>	<i>Offices</i>	<i>Computer Laboratory</i>	<i>Commuter</i>	<i>Total</i>
Business Office.....	15 042	15 042
Auditing Division.....	1 333	1 333
Nonacademic Personnel.....	8 001	8 001
Student Affairs.....	9 888	9 888
General University.....	8 000	8 000
Statistical Service Unit.....	6 061	1 000	7 061
Credit Union.....	300	300
University Extension.....	5 495	5 495
Total.....	<u>46 120</u>	<u>1 000</u>	<u>8 000</u>	<u>55 120</u>

Other Capital Projects

<i>Power Plant Addition</i>	\$1 714 000
-----------------------------------	-------------

The additional heating capacity required for Phase IV buildings will necessitate constructing an addition to the Utilities Building and installing an additional boiler. It is estimated that Phase IV will produce the following additional heating loads:

<i>Building</i>	<i>1000 Btu/hr</i>
Architecture and Art Addition.....	6 833
Classroom-Office Building.....	3 714
Library Addition	3 256
Science and Engineering, South Addition.....	68 027
Student Services Building.....	4 479
Total.....	<u>86 309</u>

The additional boiler will bring the firm capacity for the heating plant to 300 million Btu/hr, with 297 million Btu/hr required. The cooling loads required for Phase IV buildings (except Science and Engineering, South Addition) can be

handled within the existing cooling capacity at the central utilities building. The cooling requirements for the Science and Engineering, South Addition, will be met by equipment installed in the building.

Land Acquisition \$4 110 000

The development of a new academic program in the performing arts is proposed for the Chicago Circle campus. Preliminary architectural studies indicate that the projected facilities would require the acquisition of approximately 16 acres of land for the buildings, plus surface parking for approximately 800 cars.

The total capital cost, exclusive of land acquisition, will be financed from gifts. As the donors will not provide funds for land acquisition, a State appropriation will be required if this gift is to be accepted and the program developed.

The land will be purchased with the assistance of the City of Chicago under its urban renewal program.

Movable Equipment..... \$8 760 799

1967-69 buildings (\$3,270,188). Funds are requested to complete the equipping of buildings funded in the 1967-69 biennium. Capital appropriations for the 1967-69 biennium did not include any funds for movable equipment except for buildings scheduled to be substantially completed by September 1969. A summary of the movable-equipment funds requested for the 1967-69 buildings is shown below:

<i>Project</i>	<i>Total Cost of Movable Equipment</i>	<i>Funded in 1967-69 Biennium</i>	<i>Requested for 1969-71 Biennium</i>
Education and Communications Building.....	\$ 769 705	\$ 769 705
Science and Engineering, Phase I.....	5 760 985	\$3 440 000	2 320 985
Behavioral Sciences Building.....	1 379 498	1 200 000	179 498
Total.....	\$7 910 188	\$4 640 000	\$3 270 188

1969-71 buildings (\$5,185,181). Funds are requested only to the extent that the buildings of the 1969-71 biennium will be completed and ready for occupancy in September 1971. The balance of the movable equipment required will be requested in the 1971-73 biennium. The following is a summary of the movable equipment funds requested for the proposed 1969-71 buildings:

<i>Project</i>	<i>Total Cost of Movable Equipment</i>	<i>Deferred to 1971-73 Biennium</i>	<i>Requested in 1969-71 Biennium</i>
Architecture and Art Addition.....	\$ 738 155	\$ 738 155
Classroom-Office Building.....	274 662	274 662
Library Addition.....	687 505	\$ 654 535	32 970
Science and Engineering, South Addition			
Engineering.....	4 419 899	756 928	3 662 971
LAS-Sciences.....	2 056 132	2 000 000	56 132
Classroom-Study.....	93 752	61 022	32 730
Student Services Building.....	387 561	387 561
Total.....	\$8 657 666	\$3 472 485	\$5 185 181

Conversion to color television (\$305,430). Funds are requested in order to convert the television production facilities from black-white to color capability. The major portion of the funds requested (\$235,430) will be needed for new color equipment for the color studio conversion, for what is known as a color film chain, and for conversion of the master control room, with the remainder (\$70,000) required for color upgrading of the videocorders.

The emphasis at Chicago Circle is on campus instruction and public information by way of taped programs carried over non-University channels. Television is used for closed-circuit distribution of televised lessons, and public information programs are produced for Chicago and other area stations which are restricting their outside sources to only color materials. In addition, through the Department of Speech students are prepared in the mass communications program. These students cannot be properly trained for present and future careers unless the University has the color equipment that is now standard for the industry.

Planning 1971-73 \$1 685 000

Based on the enrollment projections approved to date for planning purposes, and the preliminary space projections developed by the Office of Space Utilization, approximately 391,000 net assignable square feet of space would need to be constructed during Phase V in the 1971-73 biennium.

Based on estimates using cost-escalation assumptions developed by the cost consultant selected by the Illinois Building Authority, it is estimated that the architectural costs for this amount of construction would be \$1,685,000, including working drawings.

Remodeling and Building Improvement..... \$3 850 150

This item is the sum of the cost estimates for two major subcategories: building remodeling and building improvement.

Remodeling (\$1,939,820). The first of these, *building remodeling*, is related to the further upgrading of temporary buildings previously acquired, namely, the Roosevelt Road Building, the Racine Avenue Building, and the Sangamon Street Building. The space in these buildings has been pressed into temporary service for the educational programs of architecture, art, music, and physical education. Upon activation of the Architecture and Art Laboratories Building (Phase II), the Physical Education Building (Phase III), and the Education and Communications Building (Phase III), most of this otherwise unsuitable space will be vacated. If the projected levels of enrollment in 1970, 1971, 1973, and 1974 are to be met, the vacated space in these temporary structures will be used primarily as office space. To do so requires additional remodeling beyond what was accomplished with the 1967-69 appropriation. The annual amortization of these buildings including the remodeling is very much less than the rental costs of space in the neighborhood.

Building improvements (\$1,910,330). This item would provide funds: for the modifications required in existing new buildings due to changes in space assignments as units are moved from temporary into permanent quarters; for a security system, which will provide for centralized surveillance of all buildings and special surveillance of sensitive areas such as the Library Rare Books Collection, certain administrative offices, and areas containing valuable equipment; for the alteration of certain mechanical equipment to allow for remote monitoring and operation, thus enabling a reduction of operating costs; and for the interior building graphics.

Protection of Life and Property..... \$573 900

This item is based upon the recommendation of the Committee on Safety and Fire Prevention. The funds would provide overpressure protection to the building heating systems.

Site Improvements..... \$1 487 500

The site improvements to be funded by this item include the necessary sidewalks, fire-protection system, exterior lighting, lawn-watering system, landscaping, and drainage for the site to be acquired for the Physical Education Building and playing field. The item would also provide funds for the construction of tennis courts, outdoor track-and-field facilities, and baseball and football fields. The following are tentative estimates of cost:

Sidewalks and service drives.....	\$ 62 700
Fire protection services.....	25 000
Exterior lighting	15 100
Lawn-watering system	41 790
Playing fields.....	675 800
Landscape.....	27 100
Drainage	33 870
Total	\$881 360

In addition, site improvements are needed in the following areas on the existing campus:

Extend basement area, University Hall.....	\$183 000
Miscellaneous site improvements.....	12 500
Landscape adjacent to Parking Lot 5.....	6 710
Landscape library, Stevenson Hall.....	25 160
Landscape Phase IV buildings.....	77 170
Architecture and art plaza.....	301 600
Total.....	\$606 140

Utilities Distribution System..... \$1 152 800

Heating and air-conditioning are supplied from the Utilities Building to all Phase I, II, and III buildings through an underground distribution system. Electrical power is also supplied through this distribution system.

The proposed construction of the Student Services Building and the Classroom-Office Building (both to be located on the tract of land bordered by Morgan, Harrison, the Eisenhower Expressway, and the walkway ramp) will require modification and extension of the present utilities distribution system.

V. Medical Center Campus: Capital Program for 1969-71

Two of the three buildings in the Medical Center's 1969-71 building program were included in the University's preceding (1967-69) capital request: the Library Building and Phase II of the Dentistry Building.

In terms of general value both to other units at the Medical Center campus and to the entire Medical Center community, the Library Building deserves the very highest priority. The entire educational and professional enterprise in the area suffers because of the appallingly inadequate library facilities at that campus.

The nature and purposes of the new facilities requested for dentistry and medicine are fully described in the following pages. As already noted, the justification for them has been presented in the *Report on Education in the Health Fields*.

Clinical Medicine Centers

Planning and Construction Costs (State Funds)..... \$6 600 000¹

The University of Illinois proposes to begin the implementation of the recommendations in the Board of Higher Education's *Report on Education in the Health Fields* in the biennium 1969-71. The expansion of enrollment for the M.D. degree will have top priority in this program, together with the concurrent establishment of regional clinical centers for postdoctoral training (internship-residency and continuing education).

The first step will be the establishment of a semi-autonomous "school" within the College of Medicine, whose first-year professional class of 100 students would be enrolled for instruction in the basic medical sciences at the Urbana-Champaign campus. (Funds for the construction of a facility to house this work are being requested elsewhere in this document.) After the first medical year at the Urbana-Champaign campus, the students would be transferred to clinical training centers to be developed by the University of Illinois in one or more of the regions designated in the *Report on Education in the Health Fields*.

The purpose of the present request for the sum of \$6,600,000 would be to plan and construct the facilities needed in these clinical centers for the education of 100 sophomore, 100 junior, and 100 senior medical students. This sum would be the amount allowed under the budget formula adopted by the Board of Higher Education at its meeting on June 4, 1968, in accordance with the following calculations:

20 students @ \$50,000 per student.....	\$1 000 000
280 students @ \$20,000 per student.....	5 600 000
Total.....	<u>\$6 600 000</u>

Several stages in the planning of these clinical facilities would be necessary before construction could begin. First, discussions must be held with selected hospitals concerning the terms of affiliation agreements covering the types of training to be developed, the administrative arrangements, and University-hospital relationships involving faculty membership and educational policies. The transformation of hospitals devoted primarily to health care into institutions serving also the purposes of professional medical education is a complex task, requiring careful delineation of the respective missions of the two types of institutions and explicit formulation of the policies and procedures governing their interrelations in the joint enterprise.

The detailed educational program for the clinical centers would then be developed, and the staff and special facilities required would be determined. Only after these matters have been settled would it be possible to spell out the specific requirements for the additional or remodeled space that would be needed for educational purposes.

¹ Efforts would be made to secure all available federal funds for this program — either to replace or to supplement State funds, depending on the total cost as finally determined.

The University assumes that funds from the formula grant would be used first for program planning and design studies necessary for securing estimates of construction and remodeling costs. A report would then be made to the Board of Higher Education outlining the plans and requesting approval of the use of funds for construction and equipment. It is assumed also that prior to submitting requests for the approval of the expenditure of funds for construction, the proposed educational program would have been sent to the Board of Higher Education for review and approval.

The University wishes to emphasize that there can be no guarantee that the amount requested above under the "clinical-center" formula would be sufficient to provide the facilities needed for satisfactory clinical education of 300 medical students—even with the addition of whatever matching federal funds might be secured. Only after detailed plans have been developed with the hospitals involved will it be possible to determine with precision what the costs will be. Every effort would be made, however, to achieve maximal economies in the use of the funds—consistent with the maintenance of adequate standards of quality in all aspects of the program.

College of Dentistry Building, Phase II

Estimated total cost.....	\$10 516 800
State funds.....	(\$ 6 516 800)
Non-State funds.....	(\$ 4 000 000)
Gross square feet.....	133 333
Net assignable square feet.....	80 000
Building efficiency	60%

The program for construction of the second phase of the College of Dentistry Building is a continuation of the program initiated with the approval of Phase I construction in the 1967-69 capital request. Funds for constructing what are now called Phases I and II were requested for the 1967-69 capital budget, but the Board of Higher Education approved only Phase I.

Phase I provides facilities for a professional program of 130 entering dental students (an increase of 31) plus a class of 50 dental assistants. But specialty training, graduate study, and research functions must be temporarily housed in existing space needed by the College of Medicine.

Phase II would provide facilities for a further expansion of the professional ("undergraduate") dental program and for the initiation of training programs in dental technology and dental hygiene. Furthermore, it would permit the relocation and expansion of all specialty training, graduate study, and research activities conducted by the College of Dentistry. The size of the undergraduate dental class will be increased by an additional 35 students to a total of 165 entering students. Two-year programs in dental technology and dental hygiene will have beginning classes of 25 students each; and postgraduate and graduate enrollments will be doubled to give a total of 120 students at these advanced levels. The combined construction programs for Phases I and II will provide complete facilities for a comprehensive dental education program of the size projected herein and will allow for the orderly redistribution of vacated space to the College of Medicine for program development and expansion long deferred due to insufficient facilities.

Meantime, the *Report on Education in the Health Fields*, adopted by the Illinois Board of Higher Education on June 4, 1968, recommends that "the annual number of graduates of the University of Illinois College of Dentistry should be increased by 125 by the year 1980." The completion of Phase II, now requested, would represent a further step towards this goal, but additional construction beyond Phase II would obviously be required to reach it.

Phase II of the College of Dentistry Building has been programmed to provide the following types and amounts of space:

<i>Type of Space</i>	<i>Net Assignable Square Feet</i>
Undergraduate laboratories.....	3 600
Undergraduate clinics.....	10 080
Paradental laboratories.....	4 930
Paradental clinics.....	2 100
Graduate and specialty clinics.....	12 320
Postgraduate laboratories.....	5 220

Graduate laboratories	7 500
Research laboratories	14 400
Offices	10 800
Patient waiting areas	1 200
Lockers	1 310
Commons	1 155
Special areas	5 385
Total	<u>80 000</u>

The building addition has been planned to accommodate the following enrollment *increases* (to bring the College's total enrollment to 905) :

1st year dental	35
2nd year dental	30
3rd year dental	32
4th year dental	32
Paradental	92
Graduate and postgraduate	60
Total	<u>281</u>

Upon completion of Phase II construction, the College of Dentistry will vacate all remaining space in existing buildings totaling about 35,000 net square feet. This space will be reassigned to the College of Medicine.

Library of Medical Sciences

Estimated total cost	\$9 337 500
State funds	(\$7 337 500)
Non-State funds	(\$2 000 000)
Gross square feet	134 000
Net assignable square feet	84 048
Building efficiency	63%

The University's request for a library facility was approved by the Illinois Board of Higher Education for funding in the 1967-69 biennium, but the project was subsequently omitted from the Governor's budget.

The Library of Medical Sciences represents one of the most valuable resources in health education and health care possessed by the State. In spite of its value, the potential contribution of this function to health-science education and research has been restricted by extremely inadequate physical facilities for library materials, users, and staff. This view is supported by the following comment in the *Report on Education in the Health Fields* adopted by the Illinois Board of Higher Education on June 4, 1968: "The need for adequate library facilities and resources for each institution in which health education is being conducted cannot be overstated. Current facilities are far from adequate."

As expressed in a recent examiners' report to the national education council of one college, the Library's "effectiveness is largely lost due to inadequacy in space both for housing books and periodicals, for strategically-located library personnel, and for adequate reading table space." The report continues: "In the judgment of the examiners, this is the most serious physical need for the College and it would appear likely to be one of considerable urgency for the entire health professions complex."

Since 1941, efforts have been made to improve this situation, but with little success. Recently, the acute shortage of space required the installation of book-stacks in scarce reader space and the relocation of some functions to remote, temporary locations.

The Library of Medical Sciences is acutely aware of the growing expectations for health information systems at the local, State, and national levels. The program for new facilities provides a capability for development in this area, as well as providing for the essential housing of materials, users, and staff.

The program calls for the construction of 84,048 net square feet of space to accommodate the projected needs resulting from program expansions in all health fields and a phased development for information systems.

The Library of Medical Sciences has been programmed to provide the following types and amounts of space :

<i>Type of Space</i>	<i>Net Assignable Square Feet</i>
Stacks and materials space.....	34 038
Reader and user space.....	36 000
Staff and service space.....	14 010
Total.....	84 048

The Library is planned to provide informational services to the following projected campus population in 1980:

Students (Headcount)

Professional students	3 877
Postgraduate students.....	370
Graduate students.....	1 159
Total Students	<u>5 406</u>

Staff

Academic staff.....	1 370
Nonacademic staff.....	5 170
Total Staff.....	<u>6 540</u>

The building has been planned to accommodate the following:

Book and non-book materials.....	308 380	Volumes
Reader and user capacity.....	1 200	
Staff.....	49	

Upon completion of the Library Building, all existing library space will be vacated and reassigned. Approximately 15,000 net square feet of space adjacent to the College of Medicine will be reassigned to that College.

Temporary space occupied by the Library in the old Chicago Illini Union Building will be reassigned for administrative offices.

Other Capital Projects

Movable Equipment..... \$4 665 000

1967-69 buildings (\$3,770,000). Funds are requested to complete the equipping of buildings approved for construction during the 1967-69 biennium. Capital appropriations for the last biennium did not include movable-equipment allocations for approved buildings, except for funds required to match anticipated federal grants. The following figures summarize the movable-equipment funds requested for the 1967-69 buildings, with breakdowns showing the amounts needed in 1967-69 and in 1969-71:

<i>Project</i>	<i>Total Cost of Movable Equipment</i>	<i>Funded in 1967-69 Biennium</i>	<i>Other Funding</i>	<i>Requested for 1969-71 Biennium</i>
Dentistry, Phase I.....	\$2 260 000	\$200 000	\$2 060 000
Nursing Building.....	950 000	35 000	\$385 000 ¹	530 000
Medical Research				
Laboratory.....	680 000	40 000	640 000
Office Building.....	555 000	15 000	540 000
Total.....	<u>\$4 445 000</u>	<u>\$290 000</u>	<u>\$385 000</u>	<u>\$3 770 000</u>

1969-71 buildings (\$525,000). Funds are requested only to the extent needed to match anticipated federal grants for movable equipment for the College of Dentistry Building and the Library Building. The balance of the movable-equipment funds will not be needed until the 1971-73 biennium. The following figures show the total needed and the proposed distribution of funds for 1969-71 and 1971-73:

<i>Project</i>	<i>Total Cost of Movable Equipment</i>	<i>Deferred to 1971-73 Biennium</i>	<i>Requested for 1969-71 Biennium</i>
Library.....	\$ 485 000	\$ 360 000	\$125 000
Dentistry, Phase II.....	2 050 000	1 650 000	400 000
Total.....	<u>\$2 535 000</u>	<u>\$2 010 000</u>	<u>\$525 000</u>

¹ \$182,000 from federal funds plus \$203,000 from Seventy-fourth General Assembly funds, reappropriated.

Conversion to color television (\$370,000). Funds are requested to provide the capability for color-television production, for instruction as well as for public service activities. The major portion of the funds requested (\$345,000) will be needed for new color equipment, with the remainder (\$25,000) required for upgrading existing "black-and-white" equipment. Color is universally accepted as the highly desirable medium for television instruction in medicine and the related health sciences and professions. Televised instruction of surgical procedures in color adds important educational realism which is absent when shown only in black and white. Significant health-related information now televised to the public in black and white by commercial stations will be lost as these stations change to color only, unless the taped programs can be presented to the station in color.

Planning 1971-73 \$1 145 000

Funds are requested to provide consultation, architectural, and engineering services for projects essential to the development of the programs at the Medical Center campus. These projects include hospital construction and remodeling, remodeling of space to be vacated by the College of Dentistry, building-equipment automation and air-conditioning, and continuation of campus master planning.

Research and Educational Hospitals (\$650,000). The Hospital Planning Council for Metropolitan Chicago has recently issued a document entitled "Structural and Functional Obsolescence Report: University of Illinois Research and Educational Hospitals," which attests to the substandard conditions that exist throughout most of these buildings. The report presents what the University considers to be a very conservative estimate of \$15,831,444 for the remodeling and modernization necessary "to eliminate structural and functional obsolescence." The changes proposed might well be sufficient to bring the Hospitals up to acceptable standards as a "community hospital," but such modernization would not enable the facility to meet the rigorous architectural and technological requirements of a modern "research and educational hospital." Hence, the University requests the sum of \$650,000 with which to: (a) conduct a systematic study of the role and functions of its Hospitals within the Medical Center, the Chicago metropolitan area, and the State; (b) develop the concept and a detailed program for a hospital complex that would enable the University adequately to discharge its teaching and research responsibilities; (c) develop architectural plans for remodeling and new construction in sufficient detail to be submitted to federal agencies with applications for matching grants.

Plans for remodeling space to be vacated by the College of Dentistry (\$290,000). This space will not be available for remodeling until the College of Dentistry can occupy the first phase of its new facilities, which are scheduled to be completed near the end of the calendar year 1970. The funds requested herein will provide for architectural services required to prepare the project for bidding at the beginning of the 1971-73 biennium. The remodeled space will be allocated to the College of Medicine, which has acute needs that can thus be met at a cost substantially less than that for new construction.

Modernization plans for utility systems (\$175,000). Complete engineering services are requested to prepare plans for automation of building equipment and centralized air-conditioning systems. This utility planning will substantially reduce long-range capital and operating costs.

Campus master-plan studies (\$30,000). Funds are also requested to continue studies of the long-range campus plan to permit effective integration of complex educational, research, and service functions conducted at the Medical Center campus. The funds requested will provide consulting services to expand and update the campus master plan.

Remodeling, Rehabilitation, and Minor Additions..... \$1 785 000

The major portion of these funds are requested for remodeling space to be vacated by the College of Nursing, and for administrative offices which will be reassigned to the College of Medicine. Approximately 100,000 net square feet of existing building space will become available to the College of Medicine in two phases. The first phase of remodeling will provide about 32,000 net square feet at a cost substantially less than new construction.

Included in the request are remodeling projects for the Research and Educational Hospitals: space for an organ transplant program, expansion of the new-

born nursery area, provision of decentralized floor kitchens, and renovation of intern quarters. Also included are instructional television interconnections between buildings, rehabilitation of the ventilation and air-conditioning system in the Medical Research Laboratory, general campus elevator rehabilitation, and provision for better campus security.

Protection of Life and Property..... \$815 000

Funds requested herein are required for building and utility work necessary to meet building codes and safety standards. The projects included are for remodeling to correct code violations within the R & E Hospitals and the East Dentistry-Medicine-Pharmacy Building, and to provide overpressure protection to the steam-piping system.

Site Improvements \$ 35 000

Funds are requested to provide a loading dock and refuse station for the University buildings bounded by Wood, Polk, Taylor, and Wolcott Streets. Without this facility, and with the construction of the addition to the Medical Research Laboratory, access to the main campus area at grade level is cut off.

Utilities Distribution System..... \$386 000

With the construction of Phase II of the College of Dentistry Building, a new steam service will be required to provide steam for this project. The closest point where capacity is available is the southeast corner of Paulina and Taylor Streets. The funds requested above would provide for steam and return conduits from Paulina and Taylor Streets to the College of Dentistry project.

VI. Urbana-Champaign Campus: Capital Program for 1969-71

In developing the 1969-71 capital budget requests for the Urbana-Champaign campus, the urgent problems in meeting the expanding needs for graduate and professional education have been of grave concern. The great increases in freshman enrollment in the mid-sixties are producing major increases in students seeking post-baccalaureate education. Thus, on a national basis, the number of bachelor's degrees in science and engineering increased from 210,000 in 1965 to 275,000 in 1968, and are predicted to increase to an estimated total of 305,000 in 1969 (U. S. Office of Education figures and projections). The temporary dislocations of the flow into graduate programs caused by draft policies will add to the increasing numbers of college graduates who will be seeking graduate education in the early seventies. The construction of graduate facilities is a complex process requiring long lead times. It is, therefore, of the utmost urgency that expansion of graduate facilities be given a high priority. Otherwise college graduates, many of whom will be veterans, will be denied adequate opportunities for continuing their education, and the nation will fail to keep pace with its growing need for teachers, research specialists, and other technical manpower.

Four of the building projects listed in Table IV were included in the University's 1967-69 capital request (East Chemistry-2nd Addition, Engineering Library, Law Building Addition, and Nuclear Reactor Addition) but were not authorized for funding. The needs underlying these requests persist—and the delay has caused both escalation of cost estimates and deferral of the educational benefits to be gained from them.

The most striking fact about the projects in the Urbana-Champaign list is the wide diversity of needs represented: agriculture, engineering, law, medicine, veterinary medicine, speech pathology—as well as a graduate-research facility in chemistry, one of the University's most distinguished departments which is largely housed in one of its oldest buildings.

East Chemistry, Second Addition

Estimated total cost.....	\$11 024 300
State funds	(\$ 8 124 300)
Non-State funds.....	(\$ 2 900 000)
Gross square feet.....	133 646
Net assignable square feet.....	80 612
Building efficiency	60%

This facility will provide space for research and instruction in physical chemistry and chemical physics, departmental service facilities and offices, and a departmental library. This project was included in the University's 1967-69 request for capital funds, but was not approved by the Board of Higher Education.

About half of the space in the proposed addition will be used for research, graduate instruction, and undergraduate instruction in physical chemistry and chemical physics—programs that are currently housed in Noyes Laboratory, which was constructed in 1902 and in 1915. The quantity and quality of the existing space directly hampers the research and instructional programs in these areas and also presents problems in the recruitment and retention of first-rate faculty.

About a fourth of the addition will be used for a departmental library, which is in urgent need of relocation and expansion from its present congestion in Noyes Laboratory. The remainder of the space is to be devoted mainly to various departmental offices, service laboratories, and shops. The availability of these new facilities will not only permit the existing programs in the department to be expanded and carried out more efficiently, but will also allow the department to broaden its research and instructional programs by including research areas which cannot now be accommodated.

Schematic drawings have been completed for the facility, and a grant application has been submitted to the Graduate Facilities Branch of the U. S. Office of Education for funds under Title II of the Higher Education Facilities Act of 1963. It is anticipated that a grant application will also be submitted to the National Science Foundation. It is estimated that this facility is eligible to receive approximately \$2,900,000 in federal funds.

This project is planned to provide the following types of space:

NASF by Building Block

<i>Administrative Unit</i>	<i>Instruc- tional Lab- oratories</i>	<i>Office</i>	<i>Research</i>	<i>Library</i>	<i>Commons</i>	<i>Total</i>
Chemistry.....	5 112	15 954	37 380	58 446
Library.....	18 689	18 689
General University.....	3 477	3 477
Total.....	<u>5 112</u>	<u>15 954</u>	<u>37 380</u>	<u>18 689</u>	<u>3 477</u>	<u>80 612</u>

Space for the following faculty and staff members would be provided:

FTE teaching staff.....	39.0
FTE research staff.....	37.0
Nonacademic staff requiring office space.....	62.0
Others.....	14.0
Total FTE requiring office space.....	<u>152.0</u>

Having this facility would allow the Department of Chemistry and Chemical Engineering to vacate 16,186 net assignable square feet in Noyes Laboratory. This space, after some remodeling, can be assigned to the life sciences, which require less complex laboratories than chemistry.

In summary, this project meets several types of departmental needs and can be related to them approximately as follows: 30 per cent for enrollment increases, 26 per cent for replacement of inadequate facilities, and 44 per cent to overcome existing departmental space shortages.

Engineering Library

Estimated total cost.....	\$5 786 900
State funds.....	(\$4 786 900)
Non-State funds.....	(\$1 000 000)
Gross square feet.....	91 718
Net assignable square feet.....	62 368
Building efficiency.....	68%

This project will provide library space for all students in the College of Engineering, except for those in the Department of Physics, as well as provide an interdisciplinary research center on information storage and retrieval.

The University's College of Engineering at Urbana is one of the country's largest and most distinguished centers of engineering education and research. With a total enrollment of almost 5,000—including 1,300 graduate students—the College's library space is grossly inadequate. There is seating space for only 120 students and book storage for only 50,000 volumes; yet, within ten years, adequate seating space is expected to approximate 1,100 reading stations and the book collection is expected to reach 200,000 volumes. Stack space for the engineering collection was exhausted years ago, and a substantial portion of the engineering books has been transferred to the bookstacks in other buildings where they are relatively inaccessible to engineering students and faculty.

Funds for this building were requested for the 1967-69 biennium, but the project was not approved by the Board of Higher Education. Meantime, enrollment has continued to increase, and further substantial increases are projected. The critical deficiency in the College's library space should be remedied.

In addition to providing library facilities, this building will add space for a research center on information storage and retrieval that will be used jointly by the Department of Electrical Engineering, the Department of Computer Science, and the Graduate School of Library Science.

It is believed that this project would be eligible for as much as \$1,000,000 in federal funds.

The facility is programmed to contain the following types and amounts of space:

<i>Administrative Unit</i>	<i>NASF by Building Block</i>				<i>Archive and Storage</i>	<i>Total</i>
	<i>Library</i>	<i>Office</i>	<i>Research</i>			
Library						
Stack.....	20 147	20 147	
Reading.....	30 546	30 546	
Service.....	6 107	6 107	
Electrical Engineering.....	675	2 175	285	3 135	
Computer Science.....	675	870	155	1 700	
Library Science.....	675	44	14	733	
Total.....	56 800	2 025	3 089	454	62 368	

Law Building Addition

Estimated total cost.....	\$5 301 100
State funds.....	(\$3 651 100)
Non-State funds.....	(\$1 650 000)
Gross square feet.....	85 365
Net assignable square feet.....	54 829
Building efficiency.....	64%

This facility would enable the College of Law to increase substantially its enrollment of professional students, as well as to provide space for additional graduate students. Enrollment would be increased from 637 in the year 1967-68 to slightly more than 1,000 students.

Applications for admission to the College of Law have grown rapidly in recent years, and many well-qualified students are now being denied admission. If the State of Illinois is to continue to provide opportunity for legal education to an increasing number of college graduates, it is essential that this program of expansion be supported.

The Law Building Addition was included in the 1967-69 request for capital funds, and was approved by the Illinois Board of Higher Education. However, funds for this facility were not included in the budget submitted to the General Assembly by the Governor.

Schematic drawings have since been completed, and a grant application has been submitted to the Graduate Facilities Branch of the U. S. Office of Education under Title II of the Higher Education Facilities Act of 1963. It is estimated that this facility is eligible to receive approximately \$1,650,000 in federal funds.

This facility is programmed to provide the following types and amounts of space:

<i>Type of Space</i>	<i>Net Assignable Square Feet</i>
Office-research	12 055
Storage.....	1 762
Locker-lounge.....	6 814
Library.....	23 853
Classroom.....	5 840
General University Auditorium.....	4 505
Total.....	<u>54 829</u>

This facility, in conjunction with the existing facilities of the Law Building, will provide space for the following students enrolled in the College of Law:

<i>FTE Enrollment Capacity</i>					<i>Graduate Headcount Capacity</i>				
<i>F-S</i>	<i>J-S</i>	<i>Prof.</i>	<i>Grad. I</i>	<i>Grad. II</i>	<i>Total</i>	<i>Prof.</i>	<i>Grad. I</i>	<i>Grad. II</i>	<i>Total</i>
..	..	969	20	5	994	975	24	6	1 005

Upon completion of the Law Building Addition, the College of Law would have space for the following faculty and staff:

FTE teaching.....	48.09
FTE research.....	.70
FTE nonacademic.....	20.79
Others.....	8.95
Total.....	<u>78.53</u>

Medical Sciences Building

Estimated total cost.....	\$8 308 700
State funds	(\$4 308 700)
Non-State funds	(\$4 000 000)
Gross square feet.....	100 000
Net assignable square feet.....	60 000
Building efficiency.....	60%

The Medical Sciences Building would provide facilities for the first year of a new medical program for 100 entering students (M.D. candidates). In addition, this facility would provide for graduate education in three basic biological sciences (physiology, microbiology, and biological chemistry).

It is proposed to initiate a new program in medical education consisting of one year of concentrated instruction in the basic sciences at the Urbana-Champaign campus, with the remaining three years to be offered in clinical centers located in one or more of the regions specified in the *Report on Education in the Health Fields*, which was approved by the Board of Higher Education on June 4, 1968. The general educational plan has also been described in the University's report of December 13, 1967, entitled *Proposals for the Expansion of Education in the Health Professions—1967-1980*.

In addition to providing facilities for the initiation of a new program in undergraduate medicine, graduate facilities in the three basic science departments (physiology, microbiology, and biological chemistry) would be expanded in order to train additional teachers in these fields. There is a critical shortage of faculty in all areas of medical science, and medical education cannot be expanded without increasing the supply of teachers.

This facility is programmed to provide the following types and amounts of space:

<i>Type of Space</i>	<i>Net Assignable Square Feet</i>
Office.....	7 410
Instruction laboratories.....	15 000
Animal holding	2 500
Research.....	26 325
Classroom.....	3 050
Library.....	1 150
Locker-lounge.....	2 150
Storage.....	2 415
Total.....	<u>60 000</u>

Nuclear Reactor Addition

Estimated total cost.....	\$1 447 300
State funds.....	(\$ 812 300)
Non-State funds.....	(\$ 635 000)
Gross square feet.....	20 371
Net assignable square feet.....	12 160
Building efficiency.....	60%

The Nuclear Reactor Laboratory is an interdisciplinary facility, administered by an interdepartmental committee, primarily for the training of students in nuclear engineering. The Laboratory is also used by the Departments of Chemistry and Chemical Engineering, Physiology and Biophysics, Physics, and various other engineering departments.

The present Nuclear Reactor Laboratory is not adequate for the nuclear engineering program; yet the demand for reactor use by other departments is increasing steadily. This results in unduly long operating hours and extreme congestion of equipment. With the upgrading of the power level of the reactor by a factor of 10 in 1968 (funded by the National Science Foundation, the Atomic Energy Commission, and the University), these unsatisfactory conditions will become intolerable if additional space is not provided.

The State of Illinois is vitally involved in the modern nuclear age. This is indicated by the presence in the State of Argonne National Laboratory, the National Accelerator Laboratory at Weston, the Dresden Nuclear Power Plants, and a sizable nuclear industry. The nuclear engineering program at the University of Illinois was developed to nourish this new field. In the ten years since the establishment of the nuclear engineering program, it has grown to the point where it is equaled in prestige only by that at the Massachusetts Institute of Technology, the University of Michigan, and the University of California (Berkeley). If this program is to maintain a high standard of excellence, it must have adequate research and supporting space.

This facility was included in the University's 1967-69 capital request, but was not approved for funding by the Board of Higher Education. Schematic drawings have been completed, and a proposal was submitted to the National Science Foundation (NSF) for a matching grant. When State funds were not provided, NSF suggested that the proposal be withdrawn and resubmitted later. In February 1968, therefore, the grant application was reluctantly withdrawn by the University. It will be updated and resubmitted, however, and it is hoped that a grant in the amount of \$635,000 would be made.

This project is programmed to provide the following types and amounts of space:

<i>Type of Space</i>	<i>Net Assignable Square Feet</i>
Office.....	2 792
Research laboratories.....	9 368
Total.....	<u>12 160</u>

This facility, in addition to the 12,613 net assignable square feet presently assigned, will provide space for the following students in nuclear engineering:

<i>FTE Enrollment Capacity</i>					<i>Headcount Capacity</i>		
<i>F-S</i>	<i>J-S</i>	<i>Grad. I</i>	<i>Grad. II</i>	<i>Total</i>	<i>Grad. I</i>	<i>Grad. II</i>	<i>Total</i>
..	1	26	57	84	30	54	84

Research Animal Holding Facility

Estimated total cost.....	\$787 000
State funds.....	(\$487 000)
Non-State funds.....	(\$300 000)
Gross square feet.....	9 600
Net assignable square feet.....	6 240
Building efficiency.....	65%

On August 17, 1967, the University of Illinois was registered as a research facility with the U. S. Department of Agriculture in accordance with the

Laboratory Animal Welfare Act, Public Law 89-544. As a research facility using animals, the University is required to comply with standards and regulations governing the humane handling, care, and treatment of laboratory animals as outlined in Title 9, Chapter 1, Subchapter A, of the *Federal Register*, Vol. 32, No. 37.

The present animal housing space, dispersed in sixteen departments at the Urbana-Champaign campus, fails to meet the standards established in this Act. Although the University has requested an extension of the time limit for compliance until late 1971 because of budgetary limitations, this request has not yet been approved. Consequently, the University of Illinois, as a research facility, is technically in violation of P.L. 89-544.

Constructing a new facility is preferred to the alternative of upgrading existing space because the latter is overcrowded in terms of the standards, and upgrading it would reduce the capacity to house animals at a time when the demand for research animals is increasing. To keep even the present number of animals properly housed, the University would be forced to convert other space in several locations to animal-holding quarters. Also, costly remodeling would provide only a temporary solution to the problem.

The proposed facility would alleviate the crowded conditions in existing structures and would allow the employment of improved husbandry procedures designed to improve the health and quality of laboratory animals used in research.

The proposed structure would facilitate accreditation of the Urbana-Champaign campus by the American Association for Accreditation of Laboratory Animal Care (AAALAC). Accreditation in the AAALAC program would guarantee that laboratory animals at this campus are maintained under satisfactory conditions judged by national standards.

This facility is programmed to contain 6,240 net assignable square feet. It will consist primarily of space for animal cages, storage of feed and refuse, and receiving and treatment rooms. Only two offices and a small necropsy room will be provided. In addition, certain air exchange and temperature controls will also be required.

Speech and Hearing Clinic

Estimated total cost.....	\$2 000 700
State funds.....	(\$1 200 700)
Non-State funds.....	(\$ 800 000)
Gross square feet.....	29 265
Net assignable square feet.....	17 560
Building efficiency.....	60%

This facility will provide laboratory space for the undergraduates and for the clinical and research work of graduate students and faculty members in speech and hearing science. The present space is inadequate in amount and obsolete—imposing great hardship upon the staff's efforts to maintain a research program and diagnostic and therapeutic services of high quality. The Clinic is housed in what are believed to be the poorest quarters among all such facilities used by other Illinois universities or by other Big Ten universities.

The training program in speech pathology and audiology at the University has been accredited by the Education and Training Board of the American Board of Examiners in Speech Pathology and Audiology—being one of seven such training programs to be accredited in the United States. The Speech and Hearing Clinic itself is one of only twenty-five such institutions in the country that have been approved for registration by the Professional Services Board of the American Board of Examiners in Speech Pathology and Audiology; and it is the only one in Illinois with such approval. To demonstrate the urgency of providing modern facilities for this program, both of these Boards included in their recommendations statements concerning the need for immediate improvement of the quality, quantity, and character of the physical facilities.

The training and research activities carried on in the present locations are supported by grants from the U. S. Office of Education, the Vocational Rehabilitation Administration, the National Institute of Dental Research, the National Institute of Neurological and Sensory Diseases, and the Illinois Department of Public Health.

The Director of the Speech and Hearing Clinic estimates that approximately \$800,000 in non-State funds can be obtained from a combination of the following sources: (a) National Institutes of Health; (b) Hill-Burton Act; (c) Vocational Rehabilitation Administration; and (d) National Science Foundation. Applications for such funds will be prepared and submitted to these agencies as soon as the schematic drawings are completed.

This project is programmed to provide the following types and amounts of space:

Department	NASF by Building Block			
	Office	Research	Classroom	Total
Speech.....	6 357	9 738	16 095
General University.....	1 465	1 465
Total.....	6 357	9 738	1 465	17 560

This building is designed to meet the needs of the following students in the Speech and Hearing Science Division of the Department of Speech:

FTE Enrollment Capacity					Graduate Headcount Capacity		
F-S	J-S	Grad.		Total	Grad.	Grad.	Total
		I	II				
21	65	17	10	113	25	18	43

Turner Hall Addition

Estimated total cost.....	\$7 028 000
State funds.....	(\$5 928 000)
Non-State funds.....	(\$1 100 000)
Gross square feet.....	94 237
Net assignable square feet.....	56 542
Building efficiency.....	60%

Turner Hall (Plant Sciences Building) is occupied primarily by the Department of Agronomy. Completion of the addition will permit the Departments of Agronomy and Plant Pathology and the U. S. Department of Agriculture to conduct virtually all of their activities within the same building.

The research and educational programs of the Departments of Agronomy and Plant Pathology are primary sources of the new knowledge and trained manpower needed by Illinois agriculture, which currently contributes more than two billion dollars annually to the economy of the State. To help meet this need and to assist in increasing food production and in stimulating economic growth in the developing countries, the University must expand graduate study and research in all aspects of the plant sciences.

Increased efficiency in the use of laboratories, classrooms, and expensive research equipment will result when the Departments of Agronomy, Forestry, Horticulture, and Plant Pathology are brought together in a single plant sciences building.

The present Turner Hall structure was completed in 1964. Planning funds for the Turner Hall Addition were included in the University's capital appropriation for 1967-69. It is believed that the proposed addition will qualify for approximately \$1,100,000 in federal funds from the National Institutes of Health.

This facility would provide the following types and amounts of space:

Department	NASF by Building Block				
	Instructional Laboratories	Office	Research	Storage	Total
Agronomy.....	583	4 507	19 675	3 830	28 595
Plant Pathology.....	1 106	4 817	15 030	1 047	22 000
U.S. Department of Agriculture.....	2 621	3 251	75	5 947
Total.....	1 689	11 945	37 956	4 952	56 542

A total of 28,063 net assignable square feet is to be vacated by the plant-science departments in Davenport Hall, to be assigned to the College of Liberal Arts and Sciences. This would provide badly needed space in the center of the campus for social-science departments.

Veterinary Medicine Hospital

Estimated total cost.....	\$10 022 800
State funds.....	(\$ 5 772 800)
Non-State funds	(\$ 4 250 000)
Gross square feet.....	119 426
Net assignable square feet.....	71 641
Building efficiency.....	60%

The Veterinary Medicine Hospital is the second stage in a long-range plan to create an integrated complex of structures for the State's only College of Veterinary Medicine. The proposed building will be located adjacent to the new Small Animal Clinic and Hospital (now under construction), and will house the teaching, research, extension, and public service activities of the Department of Veterinary Clinical Medicine in the areas of large animal medicine and surgery. Completion of this structure will provide the clinical facilities required to bring enrollment in the professional curriculum to an entering class of 100. This facility is planned for the simultaneous hospitalization, examination, and treatment of approximately 170 farm animals, chiefly cattle, horses, swine, and sheep.

Planning funds for this project were provided in the 1967-69 biennium, and working drawings should be available by July 1969.

Through the National Institutes of Health, under P.L. 89-290 (Veterinary Medical Education Act of 1966), this project will qualify for approximately \$4,250,000 in federal funds, or more than 40 per cent of the project cost. An application for an NIH federal grant was submitted in June 1968.

This facility is programmed to provide the following types and amounts of space:

<i>Type of Space</i>	<i>Net Assignable Square Feet</i>
Instructional laboratory.....	2 851
Office.....	6 546
Research.....	5 303
Storage.....	3 090
Commons.....	3 025
Clinic.....	48 326
Classrooms.....	2 500
Total.....	<u>71 641</u>

The enrollment capacity of the College of Veterinary Medicine at the completion of the Veterinary Medicine Hospital will be as follows:

<i>FTE Enrollment Capacity</i>						<i>Graduate-Professional Headcount</i>			
<i>F-S</i>	<i>J-S</i>	<i>Prof.</i>	<i>Grad.</i>		<i>Total</i>	<i>Prof.</i>	<i>Grad.</i>		<i>Total</i>
			<i>I</i>	<i>II</i>			<i>I</i>	<i>II</i>	
..	13	408	14	23	458	375	25	43	443

No space would be released as the result of the completion of this project, since the existing clinical facilities will be remodeled into basic sciences laboratories for use in accommodating the larger entering class in the professional veterinary program.

Other Capital Projects

Power Plant Addition..... \$3 414 400

On January 1, 1968, there was a deficiency in firm steam capacity of 10,000 lbs./hour on the Urbana-Champaign campus. Although this condition does not presently seriously affect the campus steam supply, it will become critical as the buildings approved for construction in 1965-67 and 1967-69 are completed and occupied.

To meet the additional demands for steam created by the completion of these new buildings, Boiler No. 8, with the capacity of 200,000 lbs./hour, must be added in the 1969-71 biennium. Every precaution will be taken to maintain the present boilers in first-class condition until the new boiler enters service in late 1971, because the system will be operating under an estimated 145,000 lbs./hour steam deficit at that time.

In addition, Abbott Power Plant will require improvements to comply with

the new air pollution law. Installation of electrostatic precipitators to supplement the cyclone dust collectors now installed in the plant will result in a dust emission discharge into the atmosphere well below that permitted by the present law.

Land Acquisition \$4 610 000

These funds are needed for three primary purposes:

1. To enable the University to acquire title to land already purchased in its behalf by the University of Illinois Foundation (\$3,000,000).
2. To acquire land needed for the proposed academic buildings and miscellaneous facilities requested for 1969-71 (\$1,170,000).
3. To acquire land needed to satisfy partially the immediate demands for parking at various fringe locations of the campus (\$440,000).

The land acquired by the Foundation in behalf of the University includes advance purchase of parcels involving the sites for proposed buildings such as the Medical Sciences Building, the Engineering Library, and the Center for Advanced Study. Also included are facilities for specialized research in the fields of agriculture and childhood education—as well as some space for fringe-campus parking. In all cases, the land purchased had been put on the market for sale, and would have undergone sharp increase in price due to probable improvement—much of it for commercial purposes.

The land for proposed academic buildings and miscellaneous facilities includes only those sites not previously purchased by the University or the University of Illinois Foundation, but which are needed for the projects specifically included in this budget request. The projects involved are those academic facilities for which construction or planning funds are requested, as well as the proposed University Club-Center for Advanced Study complex and a pedestrian easement through Mt. Hope Cemetery.

In accordance with the *Policy Statement Concerning Provision of Parking Facilities at Illinois Institutions*, submitted to the Illinois Board of Higher Education at its meeting on June 4, 1968, certain of the present land requests are submitted in order to provide badly needed surface parking facilities on the north and east sides of the campus.

Parking facilities so constructed will be financed from income generated by the faculty-staff and student parking programs. Upon completion of the program outlined here, the campus would still be far short of the facilities ultimately planned for, and would be well within the guidelines established by the Illinois Board of Higher Education.

Movable Equipment \$3 740 200

1967-69 buildings (\$2,500,000). Funds are needed to complete the equipping of buildings approved for construction during the 1967-69 biennium. Capital appropriations for the present biennium did not include movable equipment allocations for approved buildings, except for funds required to match federal grants or minor advance purchases. A summary of the anticipated distribution of the movable-equipment funds requested for the 1967-69 projects is as follows:

<i>Project</i>	<i>Total Cost of Movable Equipment</i>	<i>Funded in 1967-69 Biennium</i>	<i>Other Funding</i>	<i>Requested in 1969-71 Biennium</i>
Civil Engineering Building, Phase IIA.....	\$ 815 000	\$100 000	\$590 000 ¹	\$ 125 000
Small Animal Clinic.....	503 000	50 000	—0—	453 000
Foreign Languages Building..	989 000	52 000	—0—	937 000
Intramural-Physical Education Building.....	292 000	92 000	—0—	200 000
Library, Fifth Stack Addition	40 000	—0—	—0—	40 000
Music Building.....	695 000	40 000	—0—	655 000
Women's Gymnasium Addition.....	38 000	23 000	—0—	15 000
Contingency.....	105 000	30 000	—0—	75 000
Total.....	<u>\$3 477 000</u>	<u>\$387 000²</u>	<u>\$590 000</u>	<u>\$2 500 000</u>

¹ From Seventy-fourth General Assembly funds, reappropriated.

² Remainder of \$600,000 appropriated, plus \$115,000 from contingencies, applied to the Civil Engineering Building, Phase I (\$175,000), Psychology Laboratory (\$23,000), Personnel Services Building (\$20,000), and the Television Studio Addition (\$110,000).

1969-71 buildings (\$1,000,000). Funds are requested only to the extent of meeting movable-equipment costs required for matching anticipated federal grants, and meeting the needs of projects scheduled for completion at or near the end of the 1969-71 biennium. The balance of the movable-equipment funds would not be needed until the 1971-73 biennium. A summary of anticipated distribution of the funds requested for the 1969-71 projects is as follows:

Project	Total Cost of Movable Equipment	Deferred to 1971-73 Biennium	Other Funding ¹	Requested in 1969-71 Biennium
East Chemistry Addition..	\$1 205 000	\$ 970 000	\$ 235 000	-0-
Engineering Library.....	353 000	253 000	100 000	-0-
Veterinary Medicine Hospital.....	704 900	308 900	110 000	\$ 286 000
Law Building Addition....	265 000	190 000	75 000	-0-
Turner Hall Addition.....	985 000	285 000	320 000	380 000
Nuclear Reactor Addition	363 000	93 000	145 000	125 000
Speech and Hearing Clinic Research Animal Holding Facility.....	230 000	140 000	90 000	-0-
Medical Sciences Building	144 000	20 000	60 000	64 000
Fire and Police Station....	974 000	630 000	344 000	-0-
Contingency for above projects and Minor Additions.....	45 000	-0-	-0-	45 000
	100 000	-0-	-0-	100 000
Total.....	\$5 368 900	\$2 889 900	\$1 479 000	\$1 000 000

Conversion to color television (\$240,200). In order for the Urbana-Champaign campus to keep pace with developments in public and educational broadcasting, additional equipment capable of producing programs in color is urgently needed. The lack of capability for producing live or taped programs in color seriously limits the effectiveness of the University's use of this medium, which serves the following educational purposes: (a) on-campus instruction (closed circuit); (b) off-campus adult education; (c) education of students for professional careers in television. The funds requested will be used to purchase new color equipment, as well as to convert existing black-and-white equipment for color productions.

Planning 1971-73 \$1 397 600

Funds are requested for planning to provide consultation, architectural, and engineering services for buildings essential to the future development of the Urbana-Champaign campus. Included in this request are planning funds for:

1. Aeronautical and Astronautical Engineering Building (\$299,600).
2. Digital Computer Laboratory Addition (\$339,000).
3. Geology Building, Phase I (\$432,000).
4. Education Building (\$327,000).

For over twenty years, the *Department of Aeronautical and Astronautical Engineering* (formerly Aeronautical Engineering) has been assigned to space that has been vacated by other departments, as those departments have moved to newer and more modern facilities. With only minor remodeling of this "cast-off" space, which can only be described as hopelessly obsolete and inadequate, the Department has been forced to conduct a modern teaching and research program in one of the most rapidly growing areas of technology. The Department's undergraduate enrollment is the largest of any accredited aerospace program in the nation, but the inadequate physical facilities make it difficult to provide these students with the type of modern engineering education they deserve, and which would maintain the Department's position of leadership. A new facility would bring together the scattered activities of the Department into space planned for the type of highly technical programs offered, as well as provide facilities for programs that cannot be undertaken now. It is estimated that the sum of \$299,600 would meet the architectural cost required in preparing federal grant applications and bid documents.

¹ To be requested from federal sources.

The third addition to the *Digital Computer Laboratory* is to be occupied by the Department of Computer Science. This Department is experiencing an explosive demand for its teaching, research, and service programs from students and staff at all levels and disciplines in the University structure. Enrollment demands are greater than can be met with existing facilities, and are expected to increase sharply; research activities are creating ILLIAC IV, a machine that will have an arithmetic capacity of approximately one billion multiplications per second; and demands for departmental service in interdisciplinary programs are increasing rapidly. Since present space will become critically overcrowded before this proposed addition is completed, planning funds should be provided immediately so as to minimize the delays in getting the project under construction when funds become available. The present request would provide for the architectural services required for federal construction grant applications and for bid documents. The cost of these services is estimated at \$339,000.

The *Department of Geology* currently occupies obsolete and functionally inadequate space in the Natural History Building. To relieve temporarily these inadequacies, several areas assigned to the Department have been remodeled; but the extent of the remodeling required to provide the amount and kinds of space needed by a modern Department of Geology would cost more than the construction of a new facility. With the changing emphasis in geologic training and research, close ties are developing between geology and other sciences. The sum of \$432,000 is the estimated cost of the architectural services required for federal construction-grant applications and for bid documents.

The *College of Education* is scattered in eighteen buildings distributed over the Urbana-Champaign campus, with the majority of the special education and research activities being conducted in old houses that have only minimal facilities because they are scheduled for razing. To meet the increasing demands for undergraduate and graduate enrollment, several units of the College have been moved from the existing Education Building into temporary quarters acquired by the University on the perimeter of the campus. A new College of Education Building, similar and adjacent to the present Education Building completed in 1964, would improve the efficiency of communication between various widely-separated groups and eliminate the space wasted in duplication of staff and files in each old house. Consolidation of the instructional, research, and service programs of the College of Education would enrich and improve these programs, and also enable the College to meet its increasing enrollment and service demands. It is estimated that the sum of \$327,000 would meet the architectural costs required in preparing federal construction-grant applications and bid documents.

Remodeling, Rehabilitation, and Minor Additions..... \$3 000 000

The needs for remodeling far exceed the amount requested, but recent experience indicates that \$3,000,000 represents an amount of work that can be effectively programmed and completed within a biennium.

Projects that will be considered for these funds fall into four general categories: (1) major remodeling needs (\$785,000); (2) minor remodeling requests (\$965,000); (3) minor additions (\$750,000); and (4) building-rehabilitation (\$500,000).

The major remodeling projects to be considered include such items as renovating the space to be vacated by the Departments of Civil Engineering and Psychology upon completion of their new buildings, upgrading space for the proposed first-year medical program, and remodeling the Digital Computer Laboratory for ILLIAC IV. The minor remodeling items include numerous projects requested by academic departments ranging in cost from \$5,000 to \$50,000 which are urgently needed. Probable minor-addition projects include a feed-storage facility for the College of Veterinary Medicine, the relocation of the meats laboratory from Davenport Hall, and the further development of a low-cost, metal-building complex south of the main campus. The building-rehabilitation request includes electrical modernization, lighting improvements, elevator installation and modernization, and heating-system modernization for many of the older buildings on campus. In relation to the total physical plant at the Urbana-Champaign campus, the above described request is a modest one.

Protection of Life and Property..... \$2 329 160

The funds requested herein are for building and utilities projects necessary to meet building codes and safety standards, and for a new campus Fire and Police Station.

The items to be considered to meet building standards and safety codes include: automatic sprinkler systems, smoke detection devices, fire stair enclosures, the installation of panic hardware, and an installation to provide overpressure protection for the existing steam-piping system. These projects would not correct all of the potentially hazardous conditions on the campus, but would correct the deficiencies which the Safety and Fire Prevention Committee believe to be the most serious.

The addition of a second fire station was recommended for the southern part of the campus by the National Board of Fire Underwriters, to provide adequate protection for all buildings on the campus. Further, it was determined that a combined Police and Fire Station would result in lower operating costs, because one group of communications personnel could serve both units, as well as provide better communication during any type of emergency.

Site Improvements \$2 185 250

Funds requested for this category may be subdivided as follows:

- (a) Campus improvements (\$894,000).
- (b) Street and street-lighting improvements (\$599,250).
- (c) Public improvements (\$692,000).

The projects classified as campus improvements include reforestation, sidewalk and bicycle facilities, campus security lighting, landscaping, and construction (or reconstruction) of certain recreational facilities. Specific projects involving considerable cost and substantial benefits include completion of the recreational facilities in Illini Meadows (formerly Illini Grove) on which construction started in 1960, and the construction of an all-weather intramural field near Huff Gymnasium.

Proposed street and street-lighting improvements include the reconstruction of Peabody Drive in accordance with the future needs of the Intramural-Physical Education Building, as well as minor street and street-lighting improvements throughout the campus.

Funds requested for public improvements include the University's contribution to community sanitary and storm sewage projects. These projects have been developed in cooperation with the Urbana-Champaign Sanitary District and the Upper Embarras River Basin Drainage District.

Utilities Distribution System..... \$3 906 500

This project includes funds for extensions and other changes in the utilities distribution system necessary to provide essential services to the buildings in this biennial request. The other changes in the utilities distribution system include expansion of the library air-conditioning system, storm and sanitary-sewer extensions, and additions to existing distribution centers.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(5) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Illinois Accountancy Act of 1943, as amended, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

<i>Name</i>	<i>Address</i>	<i>State from Which They Obtained Certificates</i>
RICHARD ELMER ARNOLD	Belleville, Illinois	Missouri
MARVIN LEE ASHER	Chicago, Illinois	California
EDWIN JOHN KENNEDY	Moline, Illinois	Maryland
ORLANDO SANCHEZ	Riverdale, Illinois	Puerto Rico
RALPH BURNETT TOWER, JR.	Chicago, Illinois	District of Columbia

I concur.

On motion of Mr. Grimes, these certificates were awarded.

**ADVISORY COUNCIL OF LIBRARIANS, GRADUATE SCHOOL
OF LIBRARY SCIENCE, URBANA**

(6) The Dean of Library Administration recommends the following appointments to the Advisory Council of Librarians for terms of three years beginning September 1, 1968.

Public Libraries

LESTER L. STOFFEL, Executive Director, Suburban Library System, Western Springs, to succeed Mr. Jack Chitwood, Director, Rockford Public Library, Rockford, whose term is expiring.

College and University Libraries

CLYDE C. WALTON, Director of University Libraries, Northern Illinois University, DeKalb, to succeed Dr. Ralph E. McCoy, Director of Libraries, Southern Illinois University, Carbondale, whose term is expiring.

School Libraries

MISS MARY ANN SWANSON, Head Librarian, Evanston Township High School, Evanston, to succeed Mr. Charles D. DeYoung, Director of Libraries, Proviso Township High School, Maywood, whose term is expiring.

Special Libraries

MISS RUTH NIELANDER, Librarian, Lumbermens Mutual Casualty Co., Mutual Insurance Building, Chicago, to succeed Mr. James C. Andrews, Library Director, Library Services Department, Argonne National Laboratory, Argonne, whose term is expiring.

I concur.

On motion of Mr. Grimes, these appointments were approved.

DEANSHIP OF THE COLLEGE OF VETERINARY MEDICINE, URBANA

(7) I recommend the appointment of Dr. L. Meyer Jones, presently Dean of the School of Veterinary Medicine, University of Georgia, as Dean of the College of Veterinary Medicine at Urbana, beginning September 1, 1968, at an annual salary of \$30,000 on a twelve-month service basis.

I also recommend that Dr. Jones be appointed Professor of Physiology and Pharmacology on indefinite tenure.

The appointment of Dr. Jones will fill the vacancy which will be created by the retirement of Dean Carl A. Brandy at the end of the current year.

This recommendation has the concurrence of the Consultative Committee² as well as the Executive Committee of the College of Veterinary Medicine.³

The Executive Vice-President and Provost, the Chancellor at Urbana, and the Dean of the Graduate College endorse this recommendation.

On motion of Mr. Hughes, this appointment was approved.

DIRECTORSHIP OF THE INSTITUTE OF AVIATION, URBANA

(8) I recommend the appointment of Mr. Ralph E. Flexman, presently Director of Advanced Training Requirements, Link Group of General Precision, Inc., as Di-

¹ This appointment will be from September 1, 1968, through August 31, 1969, which is consistent with the statutory provision of biennial tenure of deans and directors, such appointments coinciding with the fiscal biennium.

² Andrew V. Nalbandov, Professor of Animal Physiology, Physiology, and Zoology, *Chairman*; John M. Clark, Jr., Associate Professor of Biochemistry; Lyle E. Hanson, Professor and Head of Veterinary Pathology and Hygiene and Professor of Veterinary Research; Norman D. Levine, Professor of Zoology, Veterinary Parasitology, and Veterinary Research; Roger P. Link, Professor and Head of Department of Veterinary Physiology and Pharmacology and Professor of Veterinary Research; Erwin Small, Associate Professor of Veterinary Clinical Medicine.

³ L. E. Boley, Associate Dean of Veterinary Medicine, Professor and Head of Veterinary Clinical Medicine, and Professor of Veterinary Pathology and Hygiene; Lyle E. Hanson, Professor and Head of Veterinary Pathology and Hygiene; W. G. Huber, Assistant Dean of Veterinary Medicine, Professor of Veterinary Physiology and Pharmacology and Veterinary Research; C. D. Knecht, Assistant Professor of Veterinary Clinical Medicine; Roger P. Link, Professor and Head of Veterinary Physiology and Pharmacology; J. E. Lovell, Professor and Head of Veterinary Biological Structure; W. M. Newton, Associate Professor of Veterinary Physiology and Pharmacology and of Veterinary Clinical Medicine and Director of Laboratory Animal Care.

rector of the Institute of Aviation at Urbana, beginning September 1, 1968, at an annual salary of \$29,000 on a twelve-month service basis.¹

The appointment of Mr. Flexman will fill the vacancy which will be created by the retirement of Director Leslie A. Bryan at the end of the current year.

This appointment has the concurrence of the Consultative Committee² and the Executive Committee of the Institute of Aviation.³

The Executive Vice-President and Provost, and the Chancellor at Urbana endorse this appointment.

On motion of Mr. Grimes, this appointment was approved.

DIRECTORSHIP OF THE INSTITUTE OF LABOR AND INDUSTRIAL RELATIONS, URBANA

(9) I recommend the appointment of Dr. Melvin Rothbaum, presently Professor of Labor and Industrial Relations, as Director of the Institute of Labor and Industrial Relations at Urbana, for one year beginning September 1, 1968, at an annual salary of \$24,000 on a twelve-month service basis.⁴

Dr. Rothbaum will continue to hold the rank of Professor on indefinite tenure. The appointment is to succeed Professor Martin Wagner who has asked to be relieved of this administrative assignment as of August 31, 1968.

This recommendation has the concurrence of the Consultative Committee⁵ and follows consultation with the Executive Committee of the College.

The Executive Vice-President and Provost, the Chancellor at Urbana, and the Dean of the Graduate College endorse this recommendation.

I concur.

On motion of Mr. Williamson, this appointment was approved.

APPOINTMENTS TO THE FACULTY

(10) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

Positions in the University are classified in the following categories and are designated in the budget by the symbols indicated: A — indefinite tenure; P — indefinite term appointment for part-time service only; B — two years; D — one year; E — nine months from the beginning of the academic year; G — special tenure; Q — initial term appointment for Professor or Associate Professor; Y — twelve months' service required instead of two semesters; 1-7 — indicates the number of years of service which will be credited at the end of the contract period toward completion of the probationary period relating to tenure.

Figures following a symbol indicate percentage of time if the appointment is on a part-time basis (e.g., D75 means one year on three-fourths time).

Chicago Circle

1. LOUISE ANDERSON, Assistant Professor of Biological Sciences, beginning September 1, 1968 (2), at an annual salary of \$11,500.
2. MAURICE WILLIAM BRUCE, Visiting Professor of History, for the academic year, 1968-69 (E), at a salary of \$16,000.

¹ This appointment will be from September 1, 1968, through August 31, 1969, which is consistent with the statutory provision of biennial tenure of deans and directors, such appointments coinciding with the fiscal biennium.

² H. S. Stillwell, Professor and Head of the Department of Aeronautical and Astronautical Engineering, *Chairman*; R. Will Burnett, Professor and Chairman of the Department of Secondary and Continuing Education; Irwin Cochran, Associate Professor and Director of Bureau of Business Management; James M. Craig, Jr., Instructor in the Institute of Aviation; John R. Mylin, Instructor in the Institute of Aviation.

³ W. E. Ditzler, Chief Curriculum Instructor; N. C. Grimm, Supervising Engineer; E. L. Haak, Chief Ground Instructor; F. L. Lancaster, Aircraft Maintenance Engineer; J. W. Stonecipher, Chief Flight Instructor.

⁴ This appointment will be from September 1, 1968, through August 31, 1969, which is consistent with the statutory provision of biennial tenure of deans and directors, such appointments coinciding with the fiscal biennium.

⁵ John F. Due, Professor of Economics, *Chairman*; Milton Derber, Professor of Labor and Industrial Relations; Rupert Evans, Dean of the College of Education, Professor of Vocational and Technical Education; Bernard Karsb, Professor of Sociology and Labor and Industrial Relations; Milferd Lieberthal, Associate Professor of Labor and Industrial Relations.

3. ALLEN C. COGLEY, Assistant Professor of Energy Engineering, beginning September 1, 1968 (1), at an annual salary of \$10,500.
4. ALAN S. EDELSTEIN, Associate Professor of Physics, beginning September 1, 1968 (Q), at an annual salary of \$14,000.
5. ROBERT E. HALLOWELL, Professor of French, beginning September 1, 1968 (A), at an annual salary of \$20,000.
6. CHRISTOPH H. HERING, Associate Professor of Mathematics, beginning September 1, 1968 (A), at an annual salary of \$13,500.
7. ELSE HUENERT-HOFMANN, Assistant Professor of German, beginning September 1, 1968 (4), at an annual salary of \$11,000.
8. PETER D'A. JONES, Professor of History, beginning September 1, 1968 (A), at an annual salary of \$20,000.
9. WILLIAM M. KANTOR, Assistant Professor of Mathematics, beginning September 1, 1968 (1), at an annual salary of \$10,500.
10. RICHARD B. McCAMMON, Associate Professor of Geology, beginning September 1, 1968 (Q), at an annual salary of \$15,000.
11. AGNES CRAWFORD SCHULTZ, Visiting Professor of Music, for the academic year 1968-69 (E), at a salary of \$13,500.
12. LEROY R. SHAW, Professor of German, beginning September 1, 1968 (A), at an annual salary of \$20,000.
13. THEODORE J. STARR, Professor of Biological Sciences, beginning September 1, 1968 (A), at an annual salary of \$18,000.
14. PHILIP G. TEETS, Assistant Professor of Economics, beginning September 1, 1968 (1), at an annual salary of \$12,000.
15. EDWARD C. THADEN, Professor of History, beginning September 1, 1968 (A), at an annual salary of \$21,000.
16. SYLVAN R. WEINER, Associate Professor of English, beginning September 1, 1968 (A), at an annual salary of \$12,500.

Medical Center

17. CLIFFORD E. ROBERTS, JR., Associate Professor of Microbiology, assigned to Faculty of Medicine, Chiangmai Hospital, Thailand, Agency for International Development, for the period from April 29 through May 1, 1968, and from June 6, 1968, through June 2, 1970, at an annual salary of \$16,500.
18. THOMAS M. SABA, Assistant Professor of Physiology, College of Medicine, beginning June 17, 1968 (DY), at an annual salary of \$12,500.
19. RONALD T. TURNBULL, Associate Director of Hospital Pharmacy and Assistant Professor of Pharmacy, beginning July 1, 1968 (DY,1Y), at an annual salary of \$15,500.

Urbana-Champaign

20. FELIX R. ALBRECHT, Professor of Mathematics, beginning September 1, 1968 (A), at an annual salary of \$19,000.
21. GEORGE E. BEVARD, Extension Communication Specialist and Assistant Professor of Agricultural Communications, beginning May 1, 1968 (1Y), at an annual salary of \$15,000.
22. ROBERT E. BOHRER, Assistant Professor of Mathematics, beginning September 1, 1968 (1), at an annual salary of \$11,700.
23. IRA H. CARMEN, Assistant Professor of Political Science, beginning September 1, 1968 (1), at an annual salary of \$11,800.
24. RUSSELL A. CHADBOURN, Assistant Professor of Educational Psychology, beginning September 1, 1968 (1), at an annual salary of \$10,000.
25. SONYA M. CLAY, Assistant Professor in Jane Addams Graduate School of Social Work, beginning June 16, 1968 (1Y), at an annual salary of \$11,250.
26. ROBERT F. CRAGGS, Assistant Professor of Mathematics, beginning September 1, 1968 (1), at an annual salary of \$10,500.
27. WALTER L. CREESE, Professor of Architecture, beginning September 1, 1968 (A), at an annual salary of \$20,000.
28. ROSS A. DEEGAN, Research Assistant Professor of Physics, beginning September 1, 1968 (1Y), at an annual salary of \$10,200.
29. PATRICK A. DOMENICO, Associate Professor of Geology, beginning September 1, 1968 (A), at an annual salary of \$15,500.
30. EMANUEL DONCHIN, Associate Professor of Psychology and of Physiology and

- Biophysics, beginning September 1, 1968 (A), at an annual salary of \$13,500 (on leave of absence, without pay, 1968-69).
31. LARRY DORNHOFF, Assistant Professor of Mathematics, beginning September 1, 1968 (1), at an annual salary of \$10,500.
 32. HAROLD A. GOULD, Associate Professor of Anthropology, beginning September 1, 1968 (A), at an annual salary of \$16,500.
 33. ROBERT J. HEIFETZ, Associate Professor of Urban Planning, beginning September 1, 1968 (A), at an annual salary of \$12,650.
 34. WALDO H. HEINRICH, JR., Professor of History, beginning September 1, 1968 (A), at an annual salary of \$18,000.
 35. PHILIP HUGLY, Assistant Professor of Philosophy, beginning September 1, 1968 (1), at an annual salary of \$12,500.
 36. FREDERIC C. JAHNER, Associate Professor of History, beginning September 1, 1968 (A), at an annual salary of \$13,600.
 37. GERALD J. JANUSZ, Assistant Professor of Mathematics, beginning September 1, 1968 (1), at an annual salary of \$11,000.
 38. S. S. JOGDEO, Associate Professor of Mathematics, beginning September 1, 1968 (A), at an annual salary of \$12,000.
 39. FRANZ W. KAMBER, Associate Professor of Mathematics, beginning September 1, 1968 (A), at an annual salary of \$13,000.
 40. PREM KRISHNA, Visiting Assistant Professor of Civil Engineering, for the academic year 1968-69 (E), at a salary of \$9,000.
 41. JANARDAN P. KUKRETI, Assistant Professor of Veterinary Biological Structure, College of Veterinary Medicine, beginning September 1, 1968 (1Y), at an annual salary of \$10,000.
 42. PETER A. LOEB, Assistant Professor of Mathematics, beginning September 1, 1968 (1), at an annual salary of \$11,700.
 43. NORTON E. LONG, Professor of Political Science, beginning September 1, 1968 (A), at an annual salary of \$28,000.
 44. EUGENE J. MEEHAN, Professor of Political Science, beginning September 1, 1968 (A), at an annual salary of \$20,000 (on leave of absence, without pay, 1968-69).
 45. Rocco MONTANO, Professor of Italian and Comparative Literature, in the Department of Spanish, Italian, and Portuguese, on one-half time, and in the Department of French, on one-half time, beginning September 1, 1968 (A), at an annual salary of \$20,000.
 46. FREDRIC N. OWENS, Assistant Professor of Animal Science, beginning September 1, 1968 (1Y), at an annual salary of \$12,000.
 47. FRANKLIN D. PATTON, Associate Professor of Geology, beginning September 1, 1968 (A), at an annual salary of \$13,700.
 48. N. TENNEY PECK, Assistant Professor of Mathematics, beginning September 1, 1968 (1), at an annual salary of \$11,000.
 49. ALBERTO PORQUERAS-MAYO, Professor of Spanish, in the Department of Spanish, Italian, and Portuguese, beginning September 1, 1968 (A), at an annual salary of \$19,000.
 50. DONALD E. QUELLER, Professor of History, beginning September 1, 1968 (A), at an annual salary of \$19,000.
 51. IRMENGARD RAUCH, Associate Professor of Germanic Languages and Literatures, beginning September 1, 1968 (A), at an annual salary of \$11,600.
 52. DEREK S. ROBINSON, Assistant Professor of Mathematics, beginning September 1, 1968 (3), at an annual salary of \$11,000.
 53. MALCOLM L. SARGENT, Assistant Professor of Botany, beginning September 1, 1968 (1), at an annual salary of \$10,750.
 54. DAVID S. SHWAYER, Professor of Philosophy, beginning September 1, 1968 (A), at an annual salary of \$20,000.
 55. FRANKLIN H. SILVERMAN, Assistant Professor of Speech, beginning September 1, 1968 (1Y), at an annual salary of \$12,000.
 56. ROBERT C. STALNAKER, Associate Professor of Philosophy, beginning September 1, 1968 (A), at an annual salary of \$13,000.
 57. CHARLES F. STEILEN, Assistant Professor of Advertising, beginning September 1, 1968 (1), at an annual salary of \$11,000.
 58. PHILIPPE M. TONDEUR, Associate Professor of Mathematics, beginning September 1, 1968 (A), at an annual salary of \$14,000.

59. RENÉ I. VANDENDRIES, Assistant Professor of Economics, beginning September 1, 1968 (1), at an annual salary of \$12,500.
60. J. C. VAN ES, Assistant Professor of Rural Sociology in Agricultural Economics and Sociology, beginning September 1, 1968 (1Y), at an annual salary of \$13,000.
61. YVES VELAN, Professor of French, beginning September 1, 1968 (A), at an annual salary of \$15,000.
62. PAUL C. VIOLAS, Assistant Professor of History of Education, in the Department of History and Philosophy of Education, beginning September 1, 1968 (1), at an annual salary of \$10,000.
63. NORBERT F. WILEY, Associate Professor of Sociology and in the Institute of Government and Public Affairs, beginning September 1, 1968 (A), at an annual salary of \$17,000.

**Administrative Appointments
Urbana**

64. TOBY Y. KAHR, Director of Personnel Services, beginning July 1, 1968 (BY), at an annual salary of \$23,500.
65. CHARLES E. WARWICK, Director of Admissions and Records, with rank of Assistant Professor, beginning September 1, 1968 (BY,6Y), at an annual salary of \$19,500.

Medical Center

66. GEORGE F. MCGREGOR, Director of Personnel Services, beginning July 1, 1968 (DY), at an annual salary of \$19,500.

On motion of Mr. Hughes, these appointments were confirmed.

CURRICULA IN THEATRE, URBANA

(11) The Urbana-Champaign Senate recommends authorization of curricula leading to the degree of Bachelor of Fine Arts in Theatre.

On April 19, 1967, the Board approved the establishment of a Department of Theatre within the College of Fine and Applied Arts and the transfer of those aspects of the Department of Speech and Theatre oriented to performance from the College of Liberal Arts and Sciences to the new department.

The proposed curricula will provide basic knowledge and training in theatre with three areas of specialization: Acting, Directing and Playwriting Bases, Technology and Design. They are designed for the student who seeks to qualify as a theatre technician, for the student who wishes to prepare for an apprenticeship with a professional theatre company, and for the student without professional aims, who wants to specialize in an area which has strong affinities with both the liberal and the fine arts. The curricula will replace the existing curriculum leading to the Bachelor of Arts in Theatre Art in the College of Liberal Arts and Sciences.

The curricula have been approved by the Executive Committee of the College of Fine and Applied Arts. The discontinuance of the curriculum leading to the Bachelor of Arts in Theatre Art has been approved by the Department of Speech and the faculty of the College of Liberal Arts and Sciences.

The Chancellor at the Urbana-Champaign campus and the Executive Vice-President and Provost concur in this recommendation. The Senate Coordinating Council has indicated that no other Senate jurisdiction is involved.

Submitted herewith are outlines of the curricula, copies of which are being filed with the Secretary of the Board for record.

I recommend approval subject to further action by the Board of Higher Education.

On motion of Mr. Hahn, this recommendation was approved.

McKINLEY HOSPITAL — STUDENT FEE, URBANA

(12) The President of the University, with the concurrence of appropriate administrative officers and the University Committee on Fees, recommends that a new Hospital-Medical-Surgical fee be established on the Urbana-Champaign campus effective September, 1968, for McKinley Hospital. It is proposed that a fee of \$7.50 a semester or summer session be assessed each student to provide sufficient income to meet the present costs of health care at McKinley Hospital. Students who are assessed the fee will not be charged for hospital services at McKinley Hospital, other than for personal convenience items.

The need for such a fee has been apparent for some time, but the increase has been resisted in an effort to keep total students costs as low as possible, and, at the same time, provide adequate professional educational and health benefits. Currently, McKinley Hospital is on a charge-for-service basis, and the hospital's income is derived principally from claim payments under the present insurance program. However, the present insurance program does not provide sufficient income to meet operating costs, and support has been provided from the General Reserve. The amount of this support has reached the point that other sources of support are needed.

A special committee appointed by the Chancellor for the Urbana-Champaign campus has reviewed the financing arrangements for McKinley Hospital. After consultation with student representatives, the committee recommended that the Hospital be supported by a student fee, a method of support less expensive than providing an insurance contract which would provide, through claim payments, sufficient income to meet operational costs.

It is also recommended that the McKinley Hospital student fee be combined with the Hospital-Medical-Surgical fee (which is the subject of the following agenda item in connection with the award of an insurance contract) and that a single Hospital-Medical-Surgical fee of \$16.00 a semester or summer term be assessed. The insurance contract will provide coverage at all legally operated hospitals, other than McKinley.

Students will continue to have free choice of medical care in any legally operated hospital and may have the Hospital-Medical-Surgical fee waived if they present evidence of insurance equivalent to the University program.

On motion of Mr. Hahn, these recommendations were approved.

HOSPITAL-MEDICAL-SURGICAL PROGRAMS FOR STUDENTS AND STAFF

(13) The contracts for the Hospital-Medical-Surgical insurance programs for staff and students¹ are currently underwritten by the Continental Assurance Company of Chicago. In 1964 and 1965 this firm was the successful low bidder, and in 1966 an additional program for the staff was adopted along with other improvements in benefits. The contracts have been continued without increase in premium rates but with some improvements in benefits of the staff programs. The purchase agreement provides the right of renewal of the contracts upon the mutual agreement of the insurance company and the University.

The Continental Assurance Company has agreed to place the current contracts and succeeding contracts on an Experience Rating Plan. Under this arrangement, the company will credit the policy holder with any reserves which result after the payment of claims, plus a percentage of the earned premium, which they would retain for the cost for administration of the program. The following is a schedule of the percentage of earned premium which the company would retain:

<i>Contract Year</i>	<i>Percentage of Earned Premium</i>
1967-68	5.25
1968-69	4.5
Thereafter	4.0

The University will not incur any liability for additional premiums if the claim payments exceed the premium paid.

The total costs of current medical services and the claim payments under the insurance contracts have indicated a need to substantially upgrade the benefits of our plans and to provide coverage for medical expenses not now within the scope of our present policy.

In redesigning the insurance contracts and extending coverage for medical expenses which are not currently covered, it is desirable to have an Experience Rating Plan to be sure the adjusted premiums are not excessive.

A review of both programs and the Experience Rating Plan has been made by an independent consulting firm, Corporate Policyholders Counsel, Inc., 20 North Wacker Drive, Chicago. Based upon their report, the Vice-President and Com-

¹The student Hospital-Medical-Surgical fees have been approved by the Committee on Fees. The McKinley Hospital fee is the subject of the preceding agenda item.

troller recommends award of a contract to become effective for the policy year 1968-69 to the Continental Assurance Company, 310 South Michigan Avenue, Chicago.

A document outlining the benefits of the programs is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Clement, this recommendation was approved.

**APPROPRIATIONS FOR NONRECURRING EXPENDITURES,
MEDICAL CENTER**

(14) After review by the Medical Center Committee on Nonrecurring Appropriations, the Chancellor recommends the following appropriations from the:

Medical Center General Reserve 1967-68

Research and Educational Hospitals

Admissions and Hospital Clinics, equipment.....	\$ 24 500 00
Department of Radiology, equipment.....	13 750 00
Renovation and remodeling for which funds are assigned to the Physical Plant Department:	
Demolition of properties at 806, 810-12, and 816 South Ashland Avenue	15 000 00
Remodeling in the Dentistry-Medicine-Pharmacy Building for the Department of Oral Pathology in the College of Dentistry....	35 850 00
Renovation of administration offices for the College of Medicine in the Dentistry-Medicine-Pharmacy Building.....	<u>22 300 00</u>
<i>Total, Medical Center General Reserve 1967-68.....</i>	<u>\$111 400 00</u>

Medical Center General Reserve 1968-69

Research and Educational Hospitals

Department of Radiology, equipment.....	<u>68 000 00</u>
	<u>\$179 400 00</u>

The Executive Vice-President and Provost and the Vice-President and Comptroller concur.

I recommend approval.

On motion of Mr. Hughes, these appropriations were made by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Jones, Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

APPROPRIATION BY THE ATHLETIC ASSOCIATION, URBANA

(15) The Board of Directors of the Athletic Association of the University of Illinois has approved an assignment of \$25,700 from unappropriated surplus funds of the Association for the purchase of a new stadium scoreboard.

Confirmation of this action is requested.

On motion of Mr. Clement, this action was confirmed.

**CONTRACTS FOR REMODELING CHICAGO CIRCLE CENTER,
CHICAGO CIRCLE**

(16) The President of the University, with the concurrence of appropriate administrative officers, recommends award of the following construction contracts for remodeling portions of the sixth and seventh floors of the north wing of the Chicago Circle Center, Chicago Circle, the award in each case to the low bidder.

General—Mueller Construction Company, Chicago.....	\$50 973 00
Plumbing and Drainage—Ewing Plumbing, Inc., River Forest.....	2 999 00
Heating and Refrigeration—Admiral Heating and Ventilating, Inc., Hillside.....	3 950 00
Ventilation and Air Conditioning—Jamar-Olmen Company, Elk Grove Village.....	9 361 00
Electrical—Midwest Interstate Electrical Construction Co., Chicago..	<u>7 998 00</u>
<i>Total.....</i>	<u>\$75 281 00</u>

Funds are available in the Chicago Circle Center account.

Submitted herewith is a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Hughes, these contracts were awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Jones, Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

CONTRACT FOR CONSTRUCTION OF EXTENSIONS TO THE UTILITIES DISTRIBUTION SYSTEM, BEHAVIORAL SCIENCES BUILDING, EDUCATION AND COMMUNICATIONS BUILDING, CHICAGO CIRCLE

(17) The President of the University, with the concurrence of appropriate administrative officers, recommends the award (subject to release by the Governor of funds available in state capital appropriations to the University for 1967-69) of a contract in the amount of \$745,000 to Abbott Contractors, Inc., Chicago, the low bidder, for construction of extensions of the utilities distribution system to the Behavioral Sciences Building and the Education and Communications Building, Chicago Circle.

Attached herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Williamson, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

REQUEST TO ILLINOIS BUILDING AUTHORITY TO CONTRACT FOR CONSTRUCTION OF THE UTILITIES BUILDING ADDITION, CHICAGO CIRCLE

(18) The President of the University, with the concurrence of appropriate administrative officers, recommends that the Illinois Building Authority be requested to award a contract for general construction to Herlihy Mid-Continent Company, Chicago, the low bidder for the sum of \$491,560 for the base bid (\$480,000) plus alternate No. 1 (\$11,560) for construction of an addition to the Utilities Building and proceed to procure this facility which will house heating, cooling, and electrical equipment for the use of the University at the Chicago Circle campus.

The above equipment is a part of the project for Chicago Circle Phase III construction which the Board, on July 26, 1967, requested the Illinois Building Authority to provide. The Authority will finance the construction and lease the facilities to the University for rental payments for which state appropriations are available. Jurisdiction of the land on which the project will be constructed will be transferred to the Authority at a later date.

It is also recommended that the Comptroller and the Secretary of the Board be authorized to make, execute, acknowledge, and deliver such instruments of transfer, conveyance, lease, contract, and other documents as are necessary to provide for the carrying out of the foregoing project and equipment by the Illinois Building Authority. It is further recommended that the resolution submitted herewith be adopted to implement the official actions required.

Submitted herewith is a report from the Physical Plant Department, including a schedule of the bids received, a copy of which is being filed with the Secretary of the Board for record.

Resolution

Be It, and It Hereby Is, Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Illinois Building Authority be, and it hereby is, requested to award to Herlihy Mid-Continent Company, 407 South Dearborn Street, Chicago, Illinois 60605, a contract for construction of the Utilities Building Addition at the Chicago Circle, Phase III, for the sum of \$491,560.00 and proceed to procure this facility for the use of the University.

Be It, and It Hereby Is, Further Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and Secretary of this public corporation be, and they hereby are authorized to make, execute, acknowledge and deliver, in the name and in behalf of this corporation, such instruments of transfer, conveyance, lease, contract and other documents as are necessary or appropriate in order to provide for the carrying out of the foregoing project and facility by the Illinois Building Authority.

On motion of Mr. Hughes, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

**CONTRACT FOR LABORATORY EQUIPMENT FOR RESEARCH AND
LIBRARY UNIT, DENTISTRY-MEDICINE-PHARMACY BUILDING,
MEDICAL CENTER**

(19) The President of the University, with the concurrence of the appropriate administrative officers, recommends the award of a contract in the amount of \$13,261 to the Royal School Laboratories, Inc., Richmond, Virginia, the low bidder, for furnishing and setting in place laboratory equipment in Rooms 249, 252, 254, Research and Library Unit, Dentistry-Medicine-Pharmacy Building at the Medical Center campus.

The work is a part of a program to upgrade existing laboratories by moving partitions, installing new laboratory equipment, raising the lighting level, and air conditioning in rooms to be used by the Department of Biochemistry in the College of Medicine.

Funds for this work are available from the Medical Center Contract Research Reserve.

On motion of Mr. Grimes, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

**REQUEST FOR RELEASE OF FUNDS FOR CONSTRUCTION
OF MEDICAL RESEARCH LABORATORY, MEDICAL CENTER**

(20) The President of the University, with the concurrence of appropriate administrative officers, recommends that the University request the Board of Higher Education to release \$1,460,000 from the "Reserve for Unrealized Funding" in order to permit the receipt of bids and finance the construction costs on the Medical Research Laboratory Addition at the Medical Center campus.

The Illinois General Assembly declared in the public interest the construction of the Medical Research Laboratory Addition in the amount of \$3,385,500, including \$1,460,000 to be financed from federal funds.

The federal grant has not been received. The Public Health Service Council has recently reported, in response to questions from the University, that the application was favorably recommended by the Council but at an undisclosed amount below the funds requested. The University was further advised that there is no chance of obtaining federal funds in 1968, nor even a good chance that this application will be partially funded in fiscal year 1969, due to substantial reductions in the funds available for such grants. Furthermore, the project may never be funded, as the number of approved projects is always well in excess of funds available.

Under the Public Health Service regulation, Paragraph 59.8(c), the University may bid this project prior to award of the federal grant, but if this procedure is followed, it is probable that no federal funding will ever be realized.

While the total funds required to complete construction are within the amount declared in the public interest by the Seventy-fifth General Assembly, the Board of Higher Education has arranged with the Illinois Building Authority that the Authority will not use a portion of the amount declared by the General Assembly to be in the public interest until the State Board specifically approves such use.

These reserved amounts include a "federal funding reserve" to be used to make up the difference between the estimated and realized funding.

In accordance with the procedure adopted by the Board of Higher Education on October 3, 1967, and in order to complete construction as planned, it is necessary that the University request the Board of Higher Education and the Illinois Building Authority to release \$1,460,000 from the "federal funding reserve."

Cost consultants to the Illinois Building Authority have projected substantial escalation of construction costs, and in view of the probable delay on this project in anticipation of the federal grant, plus the probability that the federal grant will be substantially below that requested, the University requests permission to proceed without the federal grant if the funds in the above amount are released by the Board of Higher Education.

On motion of Mr. Jones, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

REQUEST FOR RELEASE OF FUNDS FOR CONSTRUCTION OF ADDITION TO LIBRARY BUILDING, URBANA

(21) The President of the University with the concurrence of appropriate administrative officers, recommends that the University request the Board of Higher Education to release \$131,105 from the "Reserve for Unrealized Funding" in order to permit the receipt of bids and finance the construction costs on the Library Addition at the Urbana-Champaign campus.

The Illinois General Assembly declared in the public interest the construction of the Library Addition in the amount of \$1,836,200, including \$131,105 to be financed from federal funds.

The federal grant (Title I) of \$131,105 has been approved. The plans and contract documents have been completed, and bids could be received from contractors on August 6, 1968. However, approval to advertise for the receipt of construction bids must be obtained from the Department of Health, Education, and Welfare; this is not possible under the existing "freeze" on federal funds.

In addition, the University submitted an application for a Title II grant in the amount of \$407,936. It was realized when the application was submitted that there was little hope that it would be approved. The University has now been told that the application would not be reviewed until the Spring of 1969 and funds would not be available, even if approved, until fiscal 1970.

As noted in the preceding agenda item, while the total funds required to complete construction are within the amount declared in the public interest by the Seventy-fifth General Assembly, the Board of Higher Education has arranged with the Illinois Building Authority that the Authority will not use a portion of the amount declared by the General Assembly to be in the public interest until the State Board specifically approves such use.

In accordance with the procedure adopted by the Board of Higher Education, and in order to complete construction as planned, it is necessary that the University request the Board of Higher Education and the Illinois Building Authority to release \$131,105 from the "Reserve for Unrealized Funding."

In view of the indefinite period of the "freeze," the escalation of construction costs, and the small percentage of the approved grant to the project cost, the University requests permission to proceed without the use of the federal grant if the above amount is released by the Board of Higher Education.

On motion of Mr. Hahn, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

CONTRACTS FOR REMODELING MUMFORD HALL, URBANA

(22) The President of the University, with the concurrence of appropriate administrative officers, recommends award of the following cost-plus contracts based

on percentages bid for the contractors' fees for remodeling a portion of Mumford Hall for the College of Agriculture, the award in each case to the low bidder.

	<i>Per Cent for Material</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub- contracts</i>	<i>Estimated Tool Rental Costs</i>	<i>Estimated Fee Payments and Tool Rental Costs</i>
General — Dean Evans Co., a Delaware Corporation, 509 South Belmont Avenue, Champaign.....	3	26	12	0	\$2 425 00
Total estimated payments — \$15,925.00					
Electrical — Remco Electrical Corporation, a Delaware Corporation, 920 West Bradley Avenue, Champaign..	5.7	24	0	0	1 531 20
Total estimated payments — \$9,231.20					
Heating, Piping, Refrigeration and Automatic Temperature Control Systems Work — Reliable Plumbing & Heating Company, a Delaware Corporation, 1607 South Neil Street, Champaign.....	23	45	5	\$38	2 533 00
Total estimated payments — \$9,633.00					
Ventilation and Distribution Systems for Conditioned Air Work — Reliable Plumbing & Heating Company, a Delaware Corporation, 1607 South Neil Street, Champaign.....	23	45	5	30	1 840 00
Total estimated payments — \$6,440.00					

Since Reliable Plumbing & Heating Company, Champaign, is the low bidder for both heating, piping, refrigeration and automatic temperature control systems work, and ventilation and distribution systems for conditioned air work, it is also recommended that these awards be combined in a single contract.

Funds are available in state capital appropriations to the University for 1967-69 and have been released by the Governor.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Hughes, these contracts were awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

CONTRACTS FOR CONSTRUCTION AT MEMORIAL STADIUM, URBANA

(23) The President of the University, with the concurrence of appropriate administrative officers, recommends the award (subject to release by the Governor of funds available in state capital appropriations to the University for 1967-69) of the following cost-plus contracts based on percentages bid for contractors' fees for moving and reconstructing a portion of the north wall of Memorial Stadium, including the Zuppke Memorial, the award in each case to the low bidder.

	<i>Per Cent for Material</i>	<i>Per Cent for Labor</i>	<i>Per Cent for Sub- contracts</i>	<i>Estimated Tool Rental Costs</i>	<i>Estimated Fee Payments and Tool Rental Costs</i>
General — English Brothers Company, a Delaware Corpo- ration, 807 North Neil Street, Champaign.....	3	22.85	2	\$2 411 00	\$10 673 00
Total estimated payments — \$82,673.00					
Plumbing — Willis and W. C. Thomas, a Partnership, doing business as Thomas Plumb- ing & Heating Co., 205 East Main Street, Urbana.....	15	40	5	0	840 00
Total estimated payments — \$4,440.00					

This work is required to permit the construction of the Intramural-Physical Education Building. It is anticipated that award of the construction contract for that building will be recommended to the Board of Trustees in July, 1968, and construction begun in August, 1968. The award of a separate contract now for the relocation of the Stadium wall is necessary to complete the work prior to the first football game on September 21, 1968.

Attached herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Grimes, these contracts were awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

**CONTRACT FOR INSTALLATION OF EQUIPMENT
FOR STEAM DISTRIBUTION SYSTEM, URBANA**

(24) The President of the University, with the concurrence of appropriate administrative officers, recommends the award (subject to release by the Governor of funds available in state capital appropriations to the University for 1967-69) of a contract for \$124,421 to The Nu-Way Contracting Corp., Chicago, the low bidder, for installation of six pressure-reducing stations required to increase the pressure in the steam distribution system throughout the Urbana campus.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Hughes, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

**CONTRACT FOR INSULATION OF EQUIPMENT
IN ABBOTT POWER PLANT, URBANA**

(25) The President of the University, with the concurrence of appropriate administrative officers, recommends the award (subject to release by the Governor of funds available in state capital appropriations to the University for 1967-69) of a contract for \$17,840 to Champaign A&K Insulation Company, Champaign, the low bidder, for insulation of equipment being installed in the Abbott Power Plant required to increase the pressure in the steam distribution system throughout the campus.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mr. Williamson, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

LEASING OF CHANCELLOR'S HOUSE, URBANA

(26) The duties of the Chancellor at the Urbana Campus require that he reside in a facility suitable for those functions which must be carried out as a part of his responsibilities for institutional services.

With some remodeling, the property at 101 West Meadows in Urbana will meet the needs of both the University and the Chancellor. This property can be acquired by the University of Illinois Foundation at a cost of \$85,000; the figure is within appraisals received by the University.

The Foundation proposes to finance the acquisition and remodeling of this facility by borrowing \$100,000 at 4 per cent interest for a ten-year period. Of this amount, \$85,000 will be employed to purchase the property and the balance will be devoted to necessary remodeling.

The Chancellor will reside in this facility as a part of his responsibilities of employment. However, he will pay an annual rental to the University of \$4,200, to be adjusted to reflect fluctuations in costs.

The President of the University, with the concurrence of appropriate administrative officers, recommends that the Board of Trustees authorize a lease with the Foundation for this property at an annual rental sufficient to amortize the loan. Funds are available in the Physical Plant Budget for this purpose.

On motion of Mr. Grimes, authority was given as recommended by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent; Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

AMENDMENT TO LEASING OF MEMORIAL STADIUM

(27) In connection with the development of a maintenance program for Memorial Stadium and the construction of a new press box for the Stadium, the Board, at its meeting on April 19, 1967, authorized the leasing of Memorial Stadium to the University of Illinois Foundation and requested the Foundation to borrow \$1,000,000 for the construction from The First National Bank of Chicago.

The loan, at 3¼ per cent interest over a ten-year period, will be repaid by the Foundation from payments received by the University from the Athletic Association, and which Athletic Association will operate the Stadium. The Foundation will lease the Stadium for a period of fifteen years or until the loan is repaid, whichever first occurs, and sublease the property back to the University on a biennial basis at a rental sufficient to amortize the loan and cover related costs of the Foundation.

It has now been determined that additional repairs and improvements to Memorial Stadium are necessary. In order to provide financing for this additional program, The First National Bank of Chicago has agreed to loan the Foundation \$500,000 at 4 per cent interest over a nine-year period, which will be repaid from payments to be received by the University from the Athletic Association.

The President of the University, with the concurrence of the Director of the Physical Plant and the Vice-President and Comptroller, recommends that the original documents be amended or supplemented to provide for the \$500,000 increase and applicable increase in rental and interest payments.

In connection with the above, adoption of the following resolution is requested.

First Supplemental Resolution Re University of Illinois Memorial Stadium

WHEREAS, The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, at its meeting on April 19, 1967 authorized the

Comptroller and Secretary of this public corporation in the name of, and on behalf of, this public corporation:

(1) to sign, execute and deliver an agreement with and to University of Illinois Foundation, a not-for-profit corporation of the State of Illinois, hereinafter referred to as "Foundation," which agreement shall provide that this public corporation will lease property owned by it in Champaign, Illinois upon which Memorial Stadium is located to Foundation; that Foundation will borrow money for the purpose of constructing, and will construct, on said property a New Press Box and perform repair and maintenance work on Memorial Stadium and secure architectural and engineering services in connection therewith; that Foundation will sublease said premises, including the building and facilities thereon, to this public corporation at a rental sufficient to pay Foundation's indebtedness incurred in connection with the construction, repair and maintenance work for said building and facilities; and that upon completion of the repayment of said indebtedness from said rentals title to said property, including all improvements and facilities thereon, shall be vested in this public corporation; and

WHEREAS, pursuant to said authorization, an Agreement, Lease, and Sublease was entered into with Foundation; and Foundation entered into a Loan Agreement dated June 1, 1967 with THE FIRST NATIONAL BANK OF CHICAGO, a national banking association, organized and existing under and by virtue of the laws of the United States of America and doing business and having its principal office in the City of Chicago, County of Cook, and State of Illinois, hereinafter referred to as the "Bank", providing for a loan in the principal amount of One Million Dollars (\$1,000,000.00) for the purpose of financing certain improvements and repairs to Memorial Stadium; and

WHEREAS, it has been determined that an additional loan of Five Hundred Thousand Dollars (\$500,000.00) is required in connection with said repairs and improvements to Memorial Stadium; and

WHEREAS, Foundation is willing, upon amendment being made to the Agreement, Lease, and Sublease to provide for an appropriate increase in rental, to enter into a Supplemental Loan Agreement with the Bank providing that the Foundation agrees to issue and deliver to the Bank against the making by the Bank of such loan to the Foundation, a promissory note in the principal amount of Five Hundred Thousand Dollars (\$500,000.00) with interest thereon at the rate of four percent (4%) per annum payable to the order of the Bank in 35 consecutive installments of principal and interest each in the amount of Sixteen Thousand Six Hundred Seven Dollars and Fifteen Cents (\$16,607.15) on the first day of September, December, March, and June in each year thereafter beginning September 1, 1968, and a final payment of the balance then due on June 1, 1977.

Now, Therefore, Be It, and It Hereby Is Resolved, that the Comptroller and Secretary of this public corporation be, and they hereby are, authorized for, and in the name of, and on behalf of, this public corporation:

(1) to enter into an amendment of the Agreement, Lease, and Sublease, or to enter into a supplemental agreement, with Foundation, to pay an increased rental on a biennial basis in accordance with the above in consideration of Foundation's performing the additional improvement and repair of Memorial Stadium;

(2) to commit this public corporation to act as agent for Foundation in the supervision of construction and administration of contracts therefor and change orders thereto, and the administration and service of said indebtedness, and in making payments of and disbursements from and of funds made available by the creditor of Foundation for the purpose of said improvement and repair of Memorial Stadium;

(3) to enter into an amendment of the present agreement or to enter into a supplemental agreement with The Athletic Association of the University of Illinois, a not-for-profit corporation of the State of Illinois, providing for the operation of Memorial Stadium at an increased rental or operating charge sufficient in amount to provide for the amortization of said additional Foundation indebtedness in consideration of the proposed improvements and repairs being made to Memorial Stadium; and

(4) to sign, execute, acknowledge, and deliver any and all other documents and instruments deemed necessary or desirable by said Comptroller and Secretary to accomplish the purposes herein set forth.

On motion of Mr. Grimes, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

EMPLOYMENT OF ARCHITECTS FOR PHASE IV, CHICAGO CIRCLE

(28) The President of the University, with the concurrence of appropriate administrative officers, recommends employment of the following firms for Phase IV (1969-71) construction at the Chicago Circle campus at the indicated fees based on actual construction contracts:

<i>Project</i>	<i>Firm</i>	<i>Fee</i>
Administrative Offices Building.....	Harry Weese & Associates, Ltd.	5½%
Business Administration Building.....	Harry Weese & Associates, Ltd.	5½%
Library Addition.....	Skidmore, Owings & Merrill	5½%
Architecture and Art Laboratories Addition	Skidmore, Owings & Merrill	5½%
Science and Engineering-South Addition	Skidmore, Owings & Merrill	6 %

Funds are available in state capital appropriations for the services to be completed in this biennium, subject to the release by the Governor.

The Advisory Committee on Architectural and Engineering Services and the Committee on Buildings and Grounds have reviewed and approved these recommendations.

On motion of Mr. Hahn, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

**CONTRACT FOR PROFESSIONAL DESIGN SERVICES.
OFFICE BUILDING, MEDICAL CENTER**

(29) The President of the University, with the concurrence of appropriate administrative officers, recommends award of a contract, subject to release of funds, to Loebel Schlossman Bennett & Dart, Chicago, for design services in connection with the interior furnishing and equipping of the new Office Building at the Medical Center campus.

The fee will be based on timecard charges at the firm's usual and customary hourly rates, plus 150 per cent to cover overhead and profit. The estimated total expenditure is not to exceed \$18,000.

Funds are available in the state capital appropriations to the University for 1967-69, subject to release by the Governor.

On motion of Mr. Williamson, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

**UNIVERSITY PARTICIPATION IN LAND ACQUISITION
FOR CITY PARKING FACILITY, CHAMPAIGN**

(30) The city of Champaign and certain campus businessmen are cooperating for the purchase of certain properties on the north side of Green Street between Fifth and Sixth Streets, commonly known as 524 and 528 East Green Street, Champaign, for the construction of additional city parking facilities. The total cost of acquisition of this property is \$170,700, of which the City will bear 75 per cent and the campus businessmen the balance. The City will provide the improvements, including covering of the Boneyard, which will permit the integration of the proposed parking lot with an existing city lot to the north. Upon completion of the additional parking facilities, the City will prohibit all parking on Green Street between Fourth and Wright Streets.

The campus businessmen have requested the University to participate in this project in the amount of \$8,000. The project will benefit the University by providing additional metered parking in the campus area and by improving the flow of traffic on Green Street.

Because of the direct benefits to the Illini Union Bookstore, the President of the University, with the concurrence of appropriate administrative officers, recommends that participation in the project be approved in principle and that the cost be funded through the operating budget of the Illini Union Bookstore.

On motion of Mr. Hughes, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

APPLICATION FOR GRANT FUNDS UNDER PUBLIC HEALTH SERVICE ACT, AS AMENDED, URBANA

(31) Under the Public Health Service Act, as amended, the United States Secretary of Health, Education, and Welfare is authorized to grant funds for the construction, rehabilitation, and improvement of certain academic and related facilities. The requirements of the Department of Health, Education, and Welfare for the submission of applications for grants under the Act necessitate the adoption of a formal resolution by the Board authorizing the filing of applications and designating the person to act on behalf of the University in connection therewith.

Accordingly, it is recommended that the Board of Trustees adopt the following resolution authorizing the filing of an application for a grant under the Public Health Service Act, as amended, for the project described as Construction of Speech and Hearing Clinic and Research Building at Champaign-Urbana campus; and authorizing the Comptroller to act for the University.

Resolution Authorizing the Filing of Application for Grant Funds Under Public Health Service Act, as Amended

WHEREAS, the Secretary of Health, Education and Welfare is authorized under the Public Health Service Act, as amended, to grant funds for the construction, rehabilitation, and improvement of certain academic and related facilities; and

WHEREAS, The Board of Trustees of the University of Illinois, the governing body of the University of Illinois, hereinafter called the Applicant, is cognizant of the conditions under which grant funds are made available and approved for payment to an applicant; and

WHEREAS, it is the sense of the governing body of the Applicant that it is desirable to apply for grants under the aforementioned act for the project described as Construction of Speech and Hearing Clinic and Research Building at Champaign-Urbana Campus.

Now, therefore, be it

Resolved, that application for the project described above is authorized and directed to be filed with the Illinois Board of Higher Education, with the understanding that if upon due consideration by said board, applying the criteria of the State plan, said application receives a priority rating sufficiently high to receive grant funds under the aforementioned act, said application will be forwarded to the Secretary of Health, Education and Welfare for consideration for his approval; and be it further

Resolved, that The Board of Trustees of the University of Illinois designates H. O. Farber, Comptroller, as the officer authorized to file the application and act as the representative of this Board in connection with said application.

On motion of Mr. Clement, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

**APPLICATION FOR GRANT FUNDS UNDER VETERINARY MEDICAL
EDUCATION ACT OF 1966, URBANA**

(32) Under the Veterinary Medical Education Act of 1966, the United States Secretary of Health, Education, and Welfare is authorized to grant funds for the construction, rehabilitation, and improvement of certain academic and related facilities. The requirements of the Department of Health, Education, and Welfare for the submission of applications for grants under the Act necessitate the adoption of a formal resolution by the Board authorizing the filing of applications and designating the person to act on behalf of the University in connection therewith.

Accordingly, it is recommended that the Board of Trustees adopt the following resolution authorizing the filing of an application for a grant under the Veterinary Medical Education Act of 1966 for the project described as Construction of Large Animal Clinic at Champaign-Urbana Campus; and authorizing the Comptroller to act for the University.

**Resolution Authorizing the Filing of Application for Grant Funds Under
Public Law 88-129 of September 1963, as Amended by Public Law 89-290
on October 22, 1965, and Public Law 89-709 of November 2, 1966**

WHEREAS, the Secretary of Health, Education and Welfare is authorized under the Veterinary Medical Education Act of 1966 to grant funds for the construction, rehabilitation, and improvement of certain academic and related facilities; and

WHEREAS, The Board of Trustees of the University of Illinois, the governing body of the University of Illinois, hereinafter called the Applicant, is cognizant of the conditions under which grant funds are made available and approved for payment to an applicant; and

WHEREAS, it is the sense of the governing body of the Applicant that it is desirable to apply for grants under the aforementioned act for the project described as Construction of Large Animal Clinic at Champaign-Urbana Campus.

Now, therefore, be it

Resolved, that application for the project described above is authorized and directed to be filed with the Illinois Board of Higher Education, with the understanding that if upon due consideration by said board, applying the criteria of the State plan, said application receives a priority rating sufficiently high to receive grant funds under the aforementioned act, said application will be forwarded to the Secretary of Health, Education and Welfare for consideration for his approval; and be it further

Resolved, that The Board of Trustees of the University of Illinois designates H. O. Farber, Comptroller, as the officer authorized to file the application and act as the representative of this Board in connection with said application.

On motion of Mr. Hughes, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

**GRANT FOR IMPROVEMENTS AT UNIVERSITY OF ILLINOIS-
WILLARD AIRPORT**

(33) The President, on recommendation of the Vice-President and Comptroller, recommends the adoption of the following resolution for acceptance of a grant of \$370,425 from the Federal Aviation Administration for the acquisition of approximately 129 acres of land, and for extending and lighting the northwest runway and the northwest-southeast taxiway at Willard Airport.

**Resolution Accepting, Adopting, and Authorizing Execution of Acceptance
of Grant Offer of the Administrator of the Federal Aviation Administration
Constituting Grant Agreement Between the United States and The Board of
Trustees of the University of Illinois, Champaign-Urbana, Illinois**

WHEREAS, the Administrator of the Federal Aviation Administration, for and in behalf of the United States, has extended to The Board of Trustees of the

University of Illinois, a formal Grant Offer dated May 23, 1968, pursuant to the Project Application of The Board of Trustees of the University of Illinois, submitted to the Federal Aviation Administration dated February 23, 1968, all as hereinbelow set forth, and all relating to the development of the University of Illinois-Willard Airport, the same bearing FAA Project No. 9-11-026-C806; and

WHEREAS, pursuant to and for the purposes of carrying out the provisions of the Federal Airport Act (60 Stat. 170; Public Law 377, 79th Congress), it is necessary that said Grant Offer be duly and formally accepted by The Board of Trustees of the University of Illinois; and WHEREAS, such Grant Offer and such Acceptance thereof, duly executed, together shall constitute the Grant Agreement between The Board of Trustees of the University of Illinois, and the United States relating to said airport-development project; and

WHEREAS, a copy of the said Grant Offer¹ is attached to this resolution and is incorporated by reference therein.

Now, Therefore, upon consideration of said Grant Offer and all of the terms, provisions, conditions, and exhibits therein and thereto, *Be It, and It Is Hereby Resolved by The Board of Trustees of the University of Illinois, Champaign-Urbana, Illinois*, as follows:

1. That The Board of Trustees of the University of Illinois accepts, and it does hereby accept, the Grant Offer extended to it by the Administrator of the Federal Aviation Administration, for and in behalf of the United States, in the words, figures and form as hereinabove set forth, and that it shall enter into a Grant Agreement with the United States by causing the Acceptance thereof, in the words, figures and form as hereinabove set forth, to be duly executed in its name and for and in its behalf.
2. That to accomplish the foregoing, H. O. Farber, Comptroller, be and he is hereby authorized and directed to execute, for and in behalf of The Board of Trustees of the University of Illinois, the said Acceptance of the said Grant Offer, and that Earl W. Porter, Secretary, be and he is hereby authorized and directed to attest said execution and to impress thereon the Official Seal of The Board of Trustees of the University of Illinois.
3. That the Project Application dated February 23, 1968, executed and submitted to the Federal Aviation Administration by The Board of Trustees of the University of Illinois, relating to FAA Project No. 9-11-026-C806, including all the statements, representations, warranties, covenants, and agreements contained therein, be and the same is hereby ratified and adopted.
4. That the Agency and Participation Agreement attached thereto and by reference made a part thereof, entered into on the 23rd day of February, 1968, by The Board of Trustees of the University of Illinois, and on the 26th day of February, 1968, by the State of Illinois, Department of Aeronautics, be and the same is hereby confirmed and ratified.

On motion of Mr. Hughes, the foregoing resolution was adopted.

ILLINI MEADOWS, URBANA

(34) The President of the University, with the concurrence of appropriate administrative officers, recommends that the recreational area now under development south of Florida Avenue and east of Lincoln Avenue, Urbana, be designated "Illini Meadows."

This project and site for the development of a recreational area was approved by the Buildings and Grounds Committee on May 29, 1958, and in subsequent years has been informally referred to as the "New Illini Grove." The new name "Illini Meadows" is proposed to prevent any confusion in designations.

The site consists of approximately thirty-three acres and the plans have provided for a ten-year phased improvement during each biennium since 1960. The facility is scheduled to open for limited University recreational use during the summer of 1969. To date, the site grading, drainage, extension of utilities, lawn construction, and basic planting have been accomplished. Funds are provided in the 1967-69 capital appropriation for the construction of a substantial part of the site facilities, including the secondary shelter structure. Funds for the main head-

¹ The Grant Offer has been entered in and has become a part of the official minutes of the Board of Trustees, filed with the Secretary of the Board.

quarters shelter building and the balance of facilities have been requested for 1969-71.

On motion of Mr. Clement, this recommendation was approved.

PROPOSED CHANGE IN MAXIMUM INTEREST RATES

(35) The state statutes which authorize The Board of Trustees of the University of Illinois, the Board of Trustees of Southern Illinois University, the Board of Regents, and the Board of Governors to issue revenue bonds to finance the construction of residence halls, union buildings, etc. include a restriction that the effective interest rate on bonds issued can not exceed five per cent. Current interest rates are such that it is unlikely that revenue bonds can be sold in today's market under this restriction.

The Board of Governors, the Board of Regents, and the Board of Trustees of Southern Illinois University have agreed to request the General Assembly to amend the statutes to provide that bonds may be sold so long as the effective interest cost does not exceed six per cent. The Vice-President and Comptroller recommends that The Board of Trustees of the University of Illinois authorize its administrative officers to request a similar amendment to the statutes which relate to the University of Illinois.

I concur.

On motion of Mr. Williamson, this recommendation was approved.

CONTRACT FOR SCHOOL OF MUSIC RECORDING, URBANA

(36) For many years the School of Music has been seeking an effective method of distributing recordings of the performances of new music by contemporary composers and music of great historical significance. Distribution through University channels has been of limited effectiveness.

During 1967 the University entered into agreements with Metro-Goldwyn-Mayer for the release of records containing seven compositions by five University of Illinois composers, and such releases have been very successful. The Elektra Corporation of New York now has offered a contract to record a composition by two University of Illinois composers to be performed under University sponsorship in July. It is proposed that the Elektra Corporation reimburse the University a total amount of \$500 to cover the cost of preparing a tape of the performance for release on commercial records, and for the conveyance of title thereto to the Elektra Corporation.

The President of the University, with the concurrence of the Chancellor at Urbana, the Executive Vice-President and Provost, and the Vice-President and Comptroller, recommends that authority be granted to enter into this contract with Elektra Corporation.

On motion of Mr. Jones, authority was given as recommended.

RECOMMENDATIONS FROM THE UNIVERSITY COMMITTEE ON COPYRIGHTS AND RECORDINGS

Assignment of Income from Rental of Video-Taped Lessons

(37) Professor E. G. Smith, Jr., a former faculty member of the University, produced a series of video-taped lessons in the field of geography in 1964. From the rental of these tapes to the Great Plains Regional Instructional Library, the University has received income amounting to \$360. The entire costs of the production were met with funds provided from external grants, and hence all of the rental fees constitute net income.

The University Committee on Copyrights and Recordings was asked to review the circumstances related to the production of these video-taped lessons by Professor Smith and to recommend an appropriate disposition of the accumulated rental fees. In the light of its review, the Committee has recommended that the entire amount be awarded to Professor Smith, in view of the unusual amount of time and energy required for the preparation of these lessons.

Assignment of Royalties for Book Resulting from Research Under a Grant from the National Institute of Mental Health

Professor Lee J. Cronbach, a former faculty member of the University of Illinois,

received research support for several years from the National Institute of Mental Health. A book based on this work is to be published in 1969 by John Wiley and Sons, under the authorship of Professor Cronbach and several associates.

The University Committee on Copyrights and Recordings was asked to review recommendations from the College of Education concerning the distribution of royalties from the book, and the Committee concurs in the proposed payment of the royalties, as follows:

1. \$1,000 to reimburse Professor Cronbach for direct costs incurred in preparation of the manuscript.
2. Up to \$1,000 each to Professor Nanda and to the son of Professor Rajaratnam (the latter having died during the time of revision of the manuscript).
3. All additional royalty income to go to the University of Illinois.

The Executive Vice-President and Provost endorses the Committee's recommendations in both of these cases.

I concur.

On motion of Mr. Jones, these recommendations were approved.

INVITATION TO PRESIDENT TO PARTICIPATE IN QUINQUENNIAL MEETING OF ASSOCIATION OF UNIVERSITIES OF THE BRITISH COMMONWEALTH

(38) I request the Board of Trustees to authorize my attendance at the Quinquennial meeting of the Association of Universities of the British Commonwealth to be held in Australia in August, 1968. The official visitation is scheduled for the period from August 12-24. The mission will involve no travel expense to the University of Illinois.

My attendance will be as Chairman of the delegation of twelve American university presidents sponsored by the Association of American Universities. The trip is part of a program, extending over a period of years, in which interchange with universities abroad has been encouraged and where administrative heads of leading American institutions have been made available as resource people at formal conferences abroad. Travel will be on American carriers, where available.

Ranking administrative officers on the several campuses and on the general staff will be on duty during the month of August.

On motion of Mr. Grimes, authority was given as requested.

PURCHASES

(39) The President submitted, with his concurrence, a list of purchases recommended by the Director of Purchases and the Vice-President and Comptroller.

The purchases recommended for Board approval were presented in two categories: purchases from appropriated funds (i.e., from state appropriations to the University) and purchases from institutional funds. The latter term designates funds received by the University under contracts with the United States government, contracts with private corporations and other organizations, funds from foundations grants, and grants from corporations and other donors, and University revolving funds authorized by law.

The total amount of these purchases were:

From Appropriated Funds.....	\$ 500 180 86
From Institutional Funds.....	1 473 626 37
<i>Total</i>	<i>\$1 973 807 23</i>

A complete list of the purchases, with supporting information, including the quotations received, was sent to each member of the Board in advance of the meeting, and a copy is being filed with the Secretary of the Board for record.

On motion of Mr. Hughes, the purchases recommended were authorized.

COMPTROLLER'S REPORT OF PURCHASES APPROVED

(40) The Vice-President and Comptroller also submitted a report of purchases approved by him on recommendation of the Director of Purchases in amounts of \$5,000 to \$7,500. A copy of this report is filed with the Secretary.

This report was received for record.

QUARTERLY REPORT OF THE COMPTROLLER

(41) The Comptroller presented his quarterly report to the Board as of March 31, 1968.

This report was received for record, and a copy has been filed with the Secretary of the Board.

COMPTROLLER'S MONTHLY REPORT OF CONTRACTS EXECUTED

(42) The Comptroller's monthly report of contracts executed was presented.

New Contracts

<i>With Whom</i>	<i>Purpose</i>	<i>Amount to be Paid to the University</i>

This report was received for record.

**PROGRAM FOR STUDY IN EUROPE FOR STUDENTS
IN ARCHITECTURE, URBANA**

(44) On November 10, 1966, the Board approved a program for study in Europe for students in architecture. This program has been in operation since January 1, 1967, at La Napoule in southern France. On June 20, 1967, the Board authorized the leasing of premises in La Napoule for the operation of the program for the period October 1, 1967, through May 31, 1968.

The Department of Architecture considers the program successful and desires to continue with it. It is proposed that the University lease living quarters, office space, and a studio in La Napoule for the period October 1, 1968, through May 31, 1969, with an option to renew for the next academic year at an annual rental of \$7,040. The total payments, including services, are estimated to be approximately \$13,000 for the year.

Participating students have agreed to provide such financial support as will provide funds for these arrangements. The Department of Architecture will inform the qualified students who apply that if their financial condition is such as to make it impossible for them to meet the added cost, the Department will support their applications for student aid.¹

Costs of instruction will not exceed those at the Urbana-Champaign campus insofar as the expenditure of state funds is concerned. Transportation of staff and operational costs of the studio will be handled by other than state funds. Students will incur approximately the same living costs as they presently do at the Urbana-Champaign campus, plus travel and personal expenses.

The President of the University, with the concurrence of the Executive Vice-President and Provost and the Chancellor at the Urbana-Champaign campus, recommends that the Secretary and Comptroller be authorized to execute the lease described and subsequent renewals as deemed advisable.

On motion of Mr. Grimes, this recommendation was approved.

**PROVISIONAL CODE OF CONDUCT FOR PERSONS EMPLOYED
ON THE STAFFS OF STATE OPERATED INSTITUTIONS
OF HIGHER LEARNING**

(45) On February 21, 1968, the Board of Trustees received for record a *Provisional Code of Conduct for Persons Employed on the Staffs of State Operated Institutions of Higher Learning* promulgated by the Board of Higher Education under Article 5 of the Illinois Governmental Ethics Act and referred it to the Senates and nonacademic representatives on each campus for advice. That advice has now been received and a report is submitted. There being no objection to the final adoption of the Code, I recommend approval of the *Provisional Code of Conduct* in the form submitted.

On motion of Mr. Clement, this item was tabled for one month.

**TRANSFER OF JURISDICTION OF LAND TO THE ILLINOIS BUILDING
AUTHORITY FOR CONSTRUCTION OF THE INTRAMURAL-PHYSICAL
EDUCATION BUILDING, URBANA**

(46) The Intramural-Physical Education Building at Urbana is one of the projects in the 1967-69 capital program which the Board of Trustees requested the Illinois Building Authority to provide.

The Illinois Building Authority plans to sell bonds the latter part of this month and in order that this project can be included in the projects to be financed by the sale of these bonds, the Authority has requested the Board of Trustees to authorize the transfer of jurisdiction of land on which the building will be constructed.

Accordingly, the President of the University, with the concurrence of appropriate administrative officers, recommends that the Comptroller and Secretary of the Board be authorized to make, execute, acknowledge, and deliver such instruments as are necessary to complete this transfer. Adoption of the resolution submitted herewith is required to implement the above.

Resolution

WHEREAS, the Seventy-fifth General Assembly of the State of Illinois has declared it to be in the public interest that the Illinois Building Authority construct, on behalf of The Board of Trustees of the University of Illinois, an Intramural-Physical Education Building at the Urbana campus of the University of Illinois; and

WHEREAS, for that purpose it will be necessary for the Illinois Building

¹ Efforts continue to develop a similar program for students in architecture at the Chicago Circle campus.

Authority to acquire jurisdiction of the real estate upon which said building will be located; and

WHEREAS, The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois with its principal office in Urbana, Illinois, has been requested by the Illinois Building Authority to transfer jurisdiction of said real estate for the construction of said building.

Now, Therefore, be it and it is hereby resolved by The Board of Trustees of the University of Illinois that the Comptroller and the Secretary of The Board of Trustees of the University of Illinois be and they are hereby authorized to execute, acknowledge, and deliver in the name and on behalf of this corporation an instrument of transfer of jurisdiction to the property described in the attached document entitled "Instrument of Transfer" which said form of instrument of transfer is by this reference incorporated in and made a part of this resolution.

On motion of Mr. Clement, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

Instrument of Transfer

In accordance with the provisions of "An Act to create the Illinois Building Authority and to define its powers and duties" approved August 15, 1961, as amended, and resolution No. 68, IBA 170, adopted on the 27th day of May, 1968, by the Illinois Building Authority, a body corporate and politic of the State of Illinois, created under said above-mentioned act, requesting the transfer of the certain described real estate and jurisdiction thereof to the Illinois Building Authority;

Now, Therefore, the undersigned, The Board of Trustees of the University of Illinois, does hereby transfer jurisdiction of the following real estate to the Illinois Building Authority, to wit:

Situated in the State of Illinois, the County of Champaign, in the Southwest Quarter (SW $\frac{1}{4}$) of Section 18, T 19 N, R 9 E of the 3rd P.M. and being a part of Lots 9, 10, 11 and 12 of WILLIAM WILLIAMSON'S SUBDIVISION" of the West -half (W $\frac{1}{2}$) of the Southwest Quarter (SW $\frac{1}{4}$) of the said Section 18, and being more fully described as follows:

Beginning at the Southwest Corner of the Southwest Quarter (SW $\frac{1}{4}$) of Section 18, thence North along the West line of Section 18, a distance of One thousand two hundred fourteen and four tenths (1214.4) feet, to the Center line of Peabody Drive; thence East along the Center Line of Peabody Drive a distance of Three Hundred Eighty three and Five hundredths (383.05) feet; thence South a distance of Seventy-four and eleven hundredths (74.11) feet, to the point of beginning of the tract herein described; Thence continuing South a distance of Three hundred fifty-seven and twenty three hundredths (357.23) feet; thence East a distance of Six hundred Sixty-nine and eighty hundredths (669.80) feet; thence North a distance of Three hundred Fifty-seven and twenty-three hundredths (357.23) feet; thence West a distance of Six hundred Sixty-nine and eighty hundredths (669.80+) feet, more or less, to the point of beginning. Containing Five and forty-nine hundredths (5.49+) Acres, more or less.

In Witness Whereof, The Board of Trustees of the University of Illinois, a body corporate and politic of the State of Illinois, has caused this instrument to be executed by its Comptroller, pursuant to due authorization of its Board of Trustees and its seal to be hereunto affixed and attested by the Secretary of The Board of Trustees of the University of Illinois, all as of the _____ day of _____, 19_____.

DEGREES CONFERRED

The Secretary presented for record the following lists of degrees conferred on candidates at the Chicago Circle, Medical Center, and Urbana-Champaign campuses on the dates indicated, in accordance with the authorization of the Board.

In Oral Pathology

LEE IRWIN COPELAND, B.S., D.D.S., 1961, 1963
 ALICIA SUSANA RUBINSTEIN, A.B., Colegio Guida Spano, 1966; D.D.S., University of Buenos Aires, 1961

In Oral Surgery

GERALD IAN BAKER, D.D.S., University of Toronto, 1964

In Orthodontics

DONALD ANTHONY CAROLLO, D.D.S., 1964
 GERALD ARNOLD ULLMAN, B.S., D.D.S., 1958, 1959
 RAMON MATHEW ZOLLER, JR., B.S., D.D.S., 1962, 1963

In Orthopaedics

DANIEL VINCENT GIRZADAS, M.D., Loyola University, 1963

In Pathology

SHARON LYNN BURKE BUGAJ, B.S., Loyola University, 1965

In Pedodontics

CHRIS HARRY SARLAS, B.S., D.D.S., 1964, 1966

In Pharmacognosy

THELMA NAVARRO AGUILAR, B.S., The Philippine Women's University, 1942; M.S., State University of Iowa, 1955
 MARK JULIAN SOLOMON, B.S., 1967

In Pharmacy

VIRGINIA UMALI CASTILLO, B.S., M.S., The Philippine Women's University, 1950, 1959
 GRACE TSAI-YUN WU CHEN, B.S., Taipei Medical College, 1964
 RONALD BRUNO KLUZA, B.S., 1965
 REGINA PAO-SHU SHIAU, B.S., National Taiwan University, 1963

In Physiology

GRETCHEN MARY BROM, A.B., Bucknell University, 1964

Degree of Master of Science in Nursing

SALLY JEANETTE BROSZ, B.S., 1966
 LINDA RAE SIMON CAMIN, B.S., Western Reserve University, 1961
 GRACE TAYLOR PUTNAM FASS, B.S., 1963
 ELEANOR MARIE FRICK, B.S., Loyola University, 1959
 SALLIE FORREST MULLIKEN OLSEN, B.S., University of Wisconsin, 1965
 CATHERINE MARIE OWENS, B.S., Indiana University, 1965
 SHARON LEA KRUEGER POLCYN, B.S., Northwestern University, 1961
 BARBARA PAUL WILLIAMS, B.S., Hood College, 1957
 MARY ELIZABETH WORDELL, B.S., Catherine Spalding College, 1959
 EMILY CATHERINE ZABROCKI, B.S., College of Saint Teresa, 1963

COLLEGE OF DENTISTRY

Degree of Doctor of Dental Surgery

- STEPHEN WOOD ALBERS, A.B., Northwestern University, 1964; B.S., 1966
 KEITH EDWARD ALLEY, B.S., 1967
 LEONARD EUGENE BEARE, JR., B.S., 1964, 1966
 FREDERICK DOUGLAS BEGEMAN, B.S., 1966
 CHRISTIAN SVEN BERDY, A.B., University of Colorado, 1964; B.S., 1966
 JAMES BYRON BERKE, B.S., Northern Illinois University, 1963; B.S., 1966
 JADWIGA MARIA MAGDALENA BIERNOT, D.D.S., Johann Wolfgang Goethe University, 1950
 DAVID ROBINSON BULLEN, B.S., 1966
 LAWRENCE HOWARD COOPER, B.S., Roosevelt University, 1963; B.S., 1966
 STANLEY DRAB, with Honors
 ALAN CARL ECKMAN, B.S., 1966
 ROBERT ALVIN FAESSEL, B.S., 1966
 IRENE HOROSZOWSKI FISCHER, D.D.S., University of Warsaw, 1955

 JUDITH ANN RIEDER, A.B., 1967
 NANCY JUDINE ROBEY, B.S., 1967
 SHARON TERRY WAXMAN STEIGMANN, A.B., 1966
 GEORGE MICHAEL WEBSTER, A.B., Indiana State University, 1965

In the Teaching of English as a Second Language

RUTH EILEEN BAUMEISTER BARTHEL, B.A., Dickinson College, 1954; M.R.E., Boston University School of Theology, 1956
 DORIS SUSAN HAMMERSCHLAG, B.S., State University of New York (Cortland), 1964
 MARY LEE NARANG, A.B., 1967
 MARY KATHLEEN SHERIDAN, A.B., 1965

In the Teaching of French

VINCENT RICHARD FALARDEAU, A.B., 1967
 DONNA LOIS PETERSON, A.B., Wheaton College, 1960
 CAROL SANFORD SCHUIT, A.B., Wheaton College, 1964
 BEVILLE GEYER VERTUNO, B.S., 1961

In the Teaching of German

EVELYN MARGARET GETZ, A.B., 1963

In the Teaching of Social Studies

JUDITH EDYTHE BEHRENDT, B.S., University of Minnesota, 1964
 DIANELLA WILLIAMS CRUDUP, B.A., Tougaloo Southern Christian College, 1965
 RONALD CLAUDE LOWERY, A.B., Knox College, 1957
 JILL HORN MARSHALL, A.B., 1967
 JOHN DAVID PAULSGROVE, A.B., 1967
 JANET MILLAR ROWLAND, A.B., Florida State University, 1950
 DAVID HARRIS SMITH, JR., A.B., 1966
 JOEL BENJAMIN STELLWAGEN, A.B., 1967

In the Teaching of Spanish

ARNOLD BERNARD LEVINE, A.B., 1967

Degree of Master of Science

In Accountancy

DAVID LESLIE MISENER, B.Com., Acadia University, 1961; B.Ed., Dalhousie University, 1962

In Advertising

THOMAS ROY BEUG, A.B., Knox College, 1966
 MARGARET MARIE PORTA, B.S., 1967
 STEPHEN GENE RILEY, B.A., Illinois Wesleyan University, 1966
 STEVEN HARVEY ZIPKOFF, B.S., 1967

In Aeronautical and Astronautical Engineering

LARRY JAMES HOWELL, B.S., 1966
 ANDREW KLAVINS, B.S., 1963
 KENNETH ROBERT MAXWELL, B.S., 1966
 ROBERT WAYNE POTILLO, B.S., 1966
 RONALD RAYMOND TIMPSON, B.S., 1967
 RIMAS VAICAITIS, B.S., 1967

In Agricultural Economics

JASWANT RAI JINDIA, B.A., M.A., Panjab University, 1950, 1960
 TECK CHIN KWON, B.S., Kyungpook University, 1954

WILLITT SILVESTER PIERCE, B.S., Ed.M., 1956, 1959
RONALD CHARLES ROBERTS, B.S., 1966

In Agricultural Education

LYNN IRVIN GOSNELL, B.S., 1963

In Agricultural Engineering

ROBERT DAVID CARLSON, B.S., 1967
ROBERT BRUCE JOHNSON, B.S., 1966
THOMAS DWIGHT LANGSTON, B.S.Ag.Engr., Purdue University, 1966
WAYNE ALLAN PETERSON, B.S., 1966

In Agronomy

DOUGLAS LEON GARWOOD, B.S., 1966
JOHN HOWARD PEVERLY, B.S.A., Purdue University, 1966

In Animal Science

JUSTIN CHARLES ARINZE, B.Sc.(Agr.), University of Ibadan, 1965
JOHN BERNARD BLESSENT, B.S., Illinois State University, 1965
LEO DALE FERRELL, B.S., 1966
HARRY CAMERON MINOR, B.S., University of California (Davis), 1962
ALBERT PAUL PETER, B.S., 1965
CHARLES EARL SASSE, B.S., 1967
JOHN WILLIAM SHARP, B.S., University of Idaho, 1966

In Architectural Engineering

THOMAS DOW CRAWFORD, B.Arch., 1966
KURT DENNIS GUSTAFSON, B.Arch., 1966
GERALD LELAND GUY, B.Arch., 1967
GEORGE KNIGHTON MCGEE, B.Arch., 1966
SALVATORE DANIEL PECORA, B.Arch., 1966

In Astronomy

EUGENE LEE SILLIMAN, B.S., 1967

In Biology

JAMES HOWARD ANDERSON, B.A., Illinois Wesleyan University, 1966
BARBARA LYNN PFLAUM, B.S., Western Illinois University, 1964
ROBERT EUGENE STERRETT, JR., B.S., 1966
B. RUTH JAMES ST. JOHN, B.Sc., University of Toronto, 1965

In Botany

BARBARA CHEN-LING BOWEN, B.S., University of Michigan, 1966
JUDITH FAE BREWSTER, B.A., Northland College, 1965
GERARD MICHAEL COURTIN, B.Sc., University of New Brunswick, 1962
DAVID LAVONNE REGEHR, B.S., Bethel College, 1964

In Ceramic Engineering

SURESH KUMAR KHANDELWAL, B.E., Banaras Hindu University, 1966
DANIEL THOMAS KRIZIC, B.S., 1967
NORMAN FRED ROSEN, B.S., Alfred University, 1964

In Chemical Engineering

PARSEG BILIR, B.S., Robert College, 1966
ROBERT CARL BUCHANAN, B.S., Carnegie Institute of Technology, 1966
YOUNG YUEL KIM, B.Sc.Eng., Seoul National University, 1964
GEORGE JOSEPH KLEIN, B.Ch.E., Villanova University, 1966
JOSE EVARISTO LLANA, B.A., St. Ambrose College, 1966
MASAYOSHI MIYA, B.S.Eng., Kyoto University, 1966
FREDERICK CARSON STONE, B.S.Chem.E., Carnegie Institute of Technology, 1966
JOHN WILLIAM WALTZ, B.S., West Virginia Institute of Technology, 1966

In Chemistry

ROBERT ERNEST BOHN, B.S., Eureka College, 1966

CAROL MARIE CONNER, B.S., Michigan State University, 1967
 GEORGE JOSEPH CULLINAN, A.B., Knox College, 1966
 MARGARET CHI-MAY FONG, B.A., Winthrop College, 1966

 JAMES WALTER DRUESSEL, B.Mus.Ed., Millikin University, 1961
 GLEN DANIEL FAIRCCHILD, B.S., 1966
 SUZANNE FRONCEK, B.S., Quincy College, 1967
 DOROTHY HELEN HAYES, B.S., 1966
 MARILYN ANN HEATH, B.M.E., Greenville College, 1967
 KAREN RUTH HINSHAW, B.S., 1965
 MARY CAROLYN GIESE HINTON, B.S., 1962
 ROY ALLEN KEYT, B.A., Luther College, 1967
 NANCY COOPER KREDEL, B.Mus., University of North Carolina (Greensboro), 1965;
 M.Mus., 1968
 CAROLE JEAN CATHERINE LESNIAK, B.S., Northern Illinois University, 1964;
 M.Mus., 1966
 ROBERT JOHN MARTIN, JR., B.S., 1967
 WARD FRANKLIN MOWERY, B.S., Ohio State University, 1962; M.Mus., 1968
 JANE HENRY PRINCE, B.Mus.Ed., Murray State College, 1960
 JILL CHRISTINE RYLANDER, B.Mus.Ed., Illinois Wesleyan University, 1964
 ARTHUR GLENN SCHILDBACH, B.S., 1966
 ELLEN LOUISE SCHRAMM, B.Mus.Ed., Indiana University, 1964
 CHARLES STUART SCHUMAN, B.Mus., Ithaca College, 1967
 CAROL SCHWORTZ, B.A., Queens College, 1961
 JAMES ROGER SIROIS, B.S., 1967
 HOWARD ARTHUR SMITH, JR., B.S., Ithaca College, 1965
 PHILIP HERBERT STUTZ, B.Mus.Ed., Wheaton College, 1967
 ERNESTO CAPELLAN VALENCIA, T.D.M., University of the Philippines, 1958
 KENNETH LLOYD WILLIAMS, B.S., Illinois State University, 1966
 DOROTHY FERGUSON YOUNG, B.S., Wisconsin State University (Superior), 1965

In Nuclear Engineering

- ROBERT WALTER FIENE, B.S., Stanford University, 1967
 BENNETT ELIHU GATES, B.S., 1966

In Physical Education

- LOIS ELAINE LANG, B.S., Washington State University, 1963
 PAOLA LUISA MANGIACAPRA, B.S., Bates College, 1961
 MARY LOUISE O'TOOLE, B.S., University of Massachusetts, 1966
 GARY GILBERT RASMUSSEN, B.S., 1965
 JOSEPH RALPH ROSADO, B.S., 1966
 MICHAEL GEORGE WADE, Dipl., Loughborough Training College, 1963
 IAN DAVID WILLIAMS, Dipl., University of Otago, 1964

In Physical Sciences

- MARGARET ANN HOBART KASOWSKI, Hons.B.Sc., University of Ottawa, 1964

In Physics

- THOMAS LEE BERGER, B.S., 1964
 DENNIS VERN BROCKWAY, B.S., University of New Mexico, 1963; M.Eng., New
 York University, 1965
 RONALD LYNN CAMPBELL, B.S., 1966
 JEAN PIERRE DESROCHES, Ingenieur, Ecole Centrale des Arts et Manufactures,
 1967
 DAVID PAUL EISENMAN, A.B., Harvard College, 1965
 JOHN ROBERT FISCHER, A.B., Northeastern University, 1966
 CHRISTOPHER ALAN FOSTER, B.A., University of Colorado, 1966
 JAMES JOSEPH FRANZEN, B.S., 1967
 JOHN PAUL HARNAD, B.Sc., McGill University, 1966
 WILLIAM JEFFREY MEYER, A.B., Temple University, 1965
 MICHAEL RAY ROBINSON, B.S., Georgia Institute of Technology, 1967

WILLIAM CLAYTON SCHEIFLEY, B.A., Rice University, 1966
 JERRY DEAN SCHERMERHORN, B.S., 1967
 GARY JOHN SCHLIECKERT, S.B., Massachusetts Institute of Technology, 1966
 IRL WILSON SMITH, JR., B.S., 1967
 NIKOS THEODORAKOPOULOS, B.S., Harvey Mudd College, 1967
 THOMAS MICHAEL VALIQUETTE, A.B., Ph.L., S.T.B., Saint Louis University, 1957,
 1958, 1966

In Physiology

ARTHUR BAEDER III, B.S., Baldwin-Wallace College, 1965
 RODGERS WAY BICKERSTAFF, B.S., Denison University, 1963
 THOMAS SCOTT BURNS, B.A., Wabash College, 1965
 PATRICIA LUCILLE LECHNER, B.S., 1966
 RICHARD WILLIAM MASSELL, B.A., St. John's College (Annapolis), 1965
 MARY VIRGINIA NEKOLA, B.S., Loyola University, 1966
 JOHN JOSEPH SERBIN, JR., A.B., Monmouth College, 1966
 JAY FREDERICK WEENIG, B.S., Brigham Young University, 1957

In Plant Pathology

JAMES OLAKUNLE AMOSU, B.S., 1966
 RONALD WILLIAM REHLING, B.S., 1966

In Psychology

ANDREA GAYE KAPLAN, B.S., 1967

In Radio and Television

LEANDER CORBIN JONES, JR., A.B., Agricultural, Mechanical and Normal College
 (Arkansas), 1956
 JAMES CLAUDE KEHOE, B.A., Arizona State University, 1967
 THOMAS JOHN TIERNEY III, B.S., 1965

In Recreation

JENNIFER R. CUTTS, B.S., University of Minnesota, 1967
 MARY ROSE FRANGIOSA, B.S., Oregon State University, 1965
 LYNDALE OTEY MAXWELL, B.S., University of Texas, 1958
 RAYMOND FRANCIS STANFORD, B.S., Springfield College, 1967

In Sanitary Engineering

MALCOLM CHARLES BABB, B.S., 1966
 JAMES CLAYTON GRATTEAU, B.S., 1967

In Statistics

MARIAN JOHNSON FROBISH, B.A., Northwestern University, 1965
 BONITA JASCH MAMPE, B.S., 1964
 MICHAEL JAMES NOE, B.A., Illinois Wesleyan University, 1966

In the Teaching of Biological Sciences and General Science

ROGER WILLIAM BOHM, B.S., 1960
 JEAN LOUISE ENGLUND, B.A., Augustana College, 1965
 SHARON FOGELQUIST JOHNSON, B.S., 1966
 LORETTA NELL SATTERTHWAITE, B.S., 1966
 JUNE ANN TROTTIER, B.S., Wheaton College, 1966

In the Teaching of Chemistry

WILLIE McCLERKIN II, B.S., Benedict College, 1963

In the Teaching of Mathematics

DEALVER L'VET BROWN, B.S., Johnson C. Smith University, 1964
 MARY ELIZABETH DERRINGTON, B.S., Southern Illinois University, 1961
 DAVID E. FAST, Ph.B., University of North Dakota, 1956
 DENIS EDWARD GANNON, B.A., Fairfield University, 1961; M.Ed., University of
 Hartford, 1964
 ANN FLORENCE GRAHAM, B.S., University of Portland, 1966
 JEAN MARIE KOZLIK, A.B., Rosary College, 1964
 ALBERT JOHN MONCRIEF, JR., B.A., Montclair State College, 1967

In Theoretical and Applied Mechanics

JOHN VANMETER COYNER, JR., B.S., 1967
 JESSE EDWIN MATHENY, JR., B.S., 1955
 CLAYTON CHARLES NELSON, B.S., 1966
 JAMES ALLEN WINDUS, B.S., University of Washington, 1964

In Veterinary Medical Science

MARTIN CHARLES MORALES, B.S., University of Houston, 1957; D.V.M., Agricultural & Mechanical College of Texas, 1963
 UTE URIAS HERBERT MORRIS BISETTE, D.V.M., Universidad Central de Venezuela, 1959
 PRIENNE CATHERINE JOYCE RANATUNGA, B.V.Sc., University of Ceylon, 1955
 GEORGE WILLIAM SHERRICK, D.V.M., Oklahoma State University, 1957

In Zoology

LEANN BORROR BLEM, B.S., Ohio University, 1965
 BRUCE PHILLIPS HANNA, B.S., 1966
 JARVIS ELLIS HUDSON, B.A., Indiana University, 1966
 PAULA POR LEE, B.S., 1966
 SHADI LAL NARANG, M.Sc., Panjab University, 1965

Degree of Master of Music

MICHAEL JULIAN BATES, B.M.E., Bradley University, 1966
 SEUNGHYUN CHOI, B.A., Ewha Womans University, 1963
 WILLIAM WILDER COLSON, Mus.B., Oberlin College, 1967

SECRETARY'S REPORT

The Secretary presented for record the following lists: appointments to the faculty made by the President; resignations; leaves of absence. A copy of the report is filed with the Secretary.

CHANGES IN SABBATICAL LEAVES OF ABSENCE

Chicago Circle

WINSBERG, LESTER, Professor of Physics, sabbatical leave granted him for fall and winter quarters 1968-69, on one-half pay, cancelled without prejudice.

Medical Center

ABILDGAARD, CHARLES F., Associate Professor of Pediatrics, sabbatical leave granted him for one year from July 1, 1968, one-half pay, or six months, full pay, cancelled without prejudice.

Urbana

REYNOLDS, EVELYN, Assistant Professor of Music, sabbatical leave granted her for first semester 1968-69, one-half pay, cancelled without prejudice.

REPORTS AND RECOMMENDATIONS FROM THE PRESIDENT OF THE BOARD

President Swain called attention to the schedule of the next two meetings of the Board of Trustees: July 24, 1968, in Urbana, having been changed by the Board from July 17; and September 18, 1968, in Urbana.

EXECUTIVE SESSION

President Swain announced that an executive session had been requested and was being ordered for consideration of reports and recommendations relating to property acquisitions.

On motion of Mr. Clement, the Board recessed for five minutes.

When the Board reconvened, the following reports and recommendations from the President of the University were presented and considered.

AMENDMENT OF AGREEMENT FOR PURCHASE OF 801 SOUTH WRIGHT STREET, CHAMPAIGN

(47) On April 20, 1966, an exchange agreement between the University of Illinois

Foundation, the Baptist Student Center, the Y.W.C.A., and the University of Illinois was authorized by the Board of Trustees. The agreement¹ anticipated construction by the Y.W.C.A. of a new building on the corner of Fifth and John Streets by July 1, 1968. It was understood that facilities on the first floor of the Y.W.C.A. Building at 801 South Wright Street would be made available at no cost to the Y.W.C.A. until the new building was built, but not later than July 1, 1969. On June 20, 1967, the Board of Trustees authorized the purchase of the property at 801 South Wright from the University of Illinois Foundation at a price of \$316,515.

The Y.W.C.A. has had difficulty in planning the construction of new facilities and has requested continued occupancy of the first floor at 801 South Wright Street until July 1, 1969. However, the first floor of the building at 801 South Wright Street now occupied by the Y.W.C.A. is urgently required for expansion of the Chancellor's staff of the Urbana-Champaign campus. Therefore, the Y.W.C.A. has agreed to vacate the space in September, 1968, provided the University or the Foundation reimburse them in the amount of \$7,500 so they may rent space within the Y.M.C.A. facility at 1001 South Wright Street, Champaign.

Accordingly, the Vice-President and Comptroller, the Chancellor concurring, recommends that the purchase price of the property at 801 South Wright to be paid the University of Illinois Foundation be adjusted to \$324,015 including the payment of \$7,500 to be made to the Y.W.C.A. for early occupancy of the first floor by the University. Funds are available in the state capital appropriations and have been released by the Governor.

The Board of Directors of the University of Illinois Foundation has reviewed this proposal and has indicated willingness to modify its agreement with the Y.W.C.A., subject to approval by the University.

I concur.

On motion of Mr. Clement, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

SITE FOR MEDICAL SCIENCES BUILDING, URBANA

(48) The State Board of Higher Education in the "Campbell Report" has proposed the establishment of a medical sciences program for the Urbana campus. The program will provide basic teaching facilities and staff for one hundred premedical students with ultimate expansion to two hundred students. The curriculum is to be developed in the existing School of Life Sciences and will have close interrelationship with the staff, graduate, and instructional programs, and research among various divisions in the Department of Chemistry, as well as the Departments of Biology, Microbiology, the anatomies and other areas in the Life Sciences. Therefore, this facility should be located close to the existing departments in the Life Sciences.

It is proposed that the site for the Medical Sciences Building be in the south one-half of the block bounded by Illinois Street extended, Goodwin Avenue, California Avenue, and Mathews Avenue, Urbana. Other peripheral sites have been explored but this is the only available site within reasonable proximity of the existing Life Sciences-Chemistry facilities. Designation of this area as the site for the structure will necessitate property acquisitions on which specific recommendations will be submitted at a later date.

Accordingly, the President of the University, with the concurrence of appropriate administrative officers, recommends that the area on the north side of

¹Under this agreement, the University was to transfer to the Foundation property at 502 and 508 East John Street in exchange for the Foundation's agreement to acquire Y.W.C.A. property at 801 South Wright Street and grant the University an option to purchase that property for \$316,515. The Foundation was then to acquire the property at 506 East John Street, and convey the north portions of the property at 502, 506, and 508 East John Street to the Baptist Student Center for the south portion of the property at 504 East John Street already owned by the Center. The Foundation would then exchange the south portions of property at 502, 504, 506, and 508 East John Street and \$186,515 for the Y.W.C.A. property at 801 South Wright Street.

California Avenue between Goodwin Avenue and Mathews Avenue, Urbana, be approved for the site for the proposed Medical Sciences Building.

On motion of Mr. Grimes, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Grimes, Mr. Hahn, Mr. Hughes, Mr. Jones, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Page, Mr. Pogue, Governor Shapiro, Dr. Weatherly.

On motion of Mr. Grimes, the Board adjourned.

EARL W. PORTER
Secretary

TIMOTHY W. SWAIN
President

 Art, balance reappropriated, 86
 equipment, 662
 Aviation, balance reappropriated, 85
 Bands, balance reappropriated, 86
 uniforms, 529
 Bevier Hall, balance reappropriated, 87
 bicycle parking areas, balance reappropriated, 87
 Biophysical Research Laboratory, balance reappropriated, 87
 Botany, balance reappropriated, 87
 building minor improvements and remodeling, balance reappropriated, 87
 Burrill Hall, balance reappropriated, 87
 business statistical laboratory equipment, balance reappropriated, 86
 Chancellor's Office, furniture, equipment, and supplies, 529
 Chemistry and Chemical Engineering, balance reappropriated, 85, 86
 equipment, 31, 876
 Civil Engineering, balance reappropriated, 85, 86
 equipment, 553
 Commerce and Business Administration, balance reappropriated, 84, 87
 Dairy Manufactures Building, balance reappropriated, 87
 Dairy Science, balance reappropriated, 85, 86, 87
 Dean of Students, balance reappropriated, 84
 equipment, 90
 Dixon Springs Agricultural Center, balance reappropriated, 85, 86
 Drug and Horticultural Experiment Station, balance reappropriated, 88
 East Chemistry Building, balance reappropriated, 87
 East Chemistry Building addition, balance reappropriated, 86
 Education, balance reappropriated, 84, 86
 equipment, 998
 Electrical Engineering, balance reappropriated, 85, 86
 equipment, 553
 Electrical Engineering Building, balance reappropriated, 87
 Electrical Engineering Research Laboratory, balance reappropriated, 85
 electrical renovations, balance reappropriated, 87
 Elementary Education, equipment, 876
 Engineering, balance reappropriated, 84
 Engineering Hall, balance reappropriated, 85
 Extension Division, balance reappropriated, 85
 Fine and Applied Arts, balance reappropriated, 84

Appropriations, cont'd

Floriculture Building, balance reappropriated, 87
 Forestry, balance reappropriated, 85
 greenhouses and headhouse, 713
 Geology, balance reappropriated, 85, 86
 equipment, 176, 713
 German, balance reappropriated, 89
 Goodwin Avenue, temporary relocation, balance reappropriated, 87
 Government and Public Affairs, balance reappropriated, 85
 Graduate College, balance reappropriated, 84
 Gregory Hall, balance reappropriated, 87
 Health Service, balance reappropriated, 84, 86
 Highway Materials Research Laboratory, balance reappropriated, 86
 Highway Traffic Control, balance reappropriated, 86
 Horticulture Field Laboratory greenhouse, balance reappropriated, 85
 Illini Union, balance reappropriated, 86
 Instructional Resources, balance reappropriated, 86
 equipment, 876
 television, 811
 Journalism and Communications, balance reappropriated, 85
 Krannert Center for the Performing Arts, rental payment, 90
 Labor and Industrial Relations, balance reappropriated, 85
 laboratory benches, balance reappropriated, 86
 land, acquisition, 662
 Language Laboratory, balance reappropriated, 86
 Large Animal Clinic, balance reappropriated, 87
 Law, balance reappropriated, 85
 Legal Counsel, balance reappropriated, 84
 Liberal Arts and Sciences, balance reappropriated, 85
 Library, additions, 176
 balance reappropriated, 85, 86, 87
 Library Science, balance reappropriated, 85
 Life Sciences, balance reappropriated, 85, 86
 equipment, 998
 Lincoln Hall, balance reappropriated, 85
 Main Street, property at 1110 West, remodeling, balance reappropriated, 86
 Mathematics, balance reappropriated, 85
 McKinley Hospital, equipment, 662
 Mechanical and Industrial Engineering, balance reappropriated, 85, 86
 equipment, 553, 811, 876
 Mechanical Engineering Building, balance reappropriated, 87
 Mechanical Engineering Laboratory, balance reappropriated, 87
 Men's Old Gymnasium, balance reappropriated, 85
 Metallurgy and Mining Building, balance reappropriated, 87
 Mining, Metallurgy, and Petroleum Engineering, balance reappropriated, 86
 Morrill Hall, balance reappropriated, 87
 Mumford Hall, balance reappropriated, 85, 87
 Music, balance reappropriated, 86
 equipment, 876
 Natural History Building, balance reappropriated, 85
 Nonacademic Personnel, balance reappropriated, 84
 Noyes Laboratory, balance reappropriated, 85, 87
 Nuclear Engineering, balance reappropriated, 85
 nuclear reactor upgrading, 31, 713

- Appropriations, cont'd
- Nuclear Reactor Laboratory, balance re-appropriated, 85
 - Physical Education, balance reappropriated, 85
 - Physical Fitness Laboratory, balance re-appropriated, 87
 - Physical Plant Department, air conditioning, Mechanical Engineering Building, 446
 - Mechanical Engineering Laboratory, 446
 - balance reappropriated, 85
 - construction, Swine Research Center nursery building, 876
 - remodeling, Administration Building, 491
 - Animal Genetics Building, 90
 - Animal Sciences Laboratory, 176
 - Armory, 662
 - Bevier Hall, 876
