INDEX.

College of Medicine—

Faculty appointed ........................................... 100, 281
Salaries .................................................................. 200, 263

Fire loss .................................................................. 111, 188, 192

Financial reports 1901, 1902 ................................... 199, 276

College of Physicians and Surgeons—

Fire loss .................................................................. 188, 192

School of Dentistry ................................................. 49, 54

Colvin, S. S., appointed assistant professor of psychology 70

Committees, standing .............................................. 74, 254

Conibear, H. B., appointed assistant physical training 82

Council of Administration created ............................. 86

Crane, F. A., made instructor in farm mechanics .......... 256

Daniels, Ennice D., appointed instructor in piano .................. 52

Davenport, E., made professor of thremmatology .......... 181

Davidson, C. F., appointed in mathematics in preparatory school 102

Dean of undergraduates and assistant to the President, position created 76

Dean elected .......................................................... 79, 254

To receive minutes of Board meetings 58

Dehn, W. M., appointed assistant in chemistry ............. 2

Degrees conferred ................................................. 65, 71, 75, 243, 244, 246, 250

Conferring A. B. only, proposed 63

Conferring A. B. and B. S. in College of Science 232

Honorary .................................................................. 232

"Department," term defined ........................................ 107

Derby, I. H., appointed instructor in chemistry ............. 2

Dining hall ............................................................. 236, 239, 237

Draper, President A. S.—

Address on President McKinley .................................. 187

Elected president .................................................... 50

Leave of absence .................................................... 244, 250

Elsner, M., appointed instructor in piano ...................... 82

Emmet, A. D., appointed assistant on water survey .......... 206

Examination books ................................................ 266

Faculty, College or School, how constituted ..................

General ................................................................... 86

of College of Medicine ........................................... XIII

of School of Dentistry .......................................... XVIII

of School of Pharmacy .......................................... XIX

Fechet, Major E. G., appointed professor military science 3

Commutation for quarters paid ................................ 67

Fees due from students, report of ............................... 109

See tuition fees.

Financial statement, 1900-1901 .................................. 115

1901-1902 ............................................................. 258

Fisk, G., appointed professor of commerce ..................... 259

Forbes, E. B., appointed instructor in animal husbandry 256

Forbes, S. A., Director of State Laboratory of Natural History, report by 8

Forney, instructor in geology ...................................... 84

Fraser, W. J., appointed assistant professor of dairy husbandry 255

Frederick, Professor F. F., leave of absence .................. 225

Fulton, E., appointed assistant professor of rhetoric ....... 79

Gage, R. H., appointed instructor in civil engineering .... 255

Gale, Agnes F., appointed instructor in science in Preparatory School 83

Geologic survey of State ......................................... 32

Geologist, State ..................................................... 14

Gerdtzen, G. A., appointed assistant in machine design 102

Glessen, H. A., appointed assistant in botany ................. 82

Glover, A. J., appointed assistant in dairy husbandry .... 84

Greene, Professor E. B., given leave of absence ............ 50

Gymnasium, bids on construction ................................ 69, 73

Hamsher, F., appointed principal of Preparatory School .. 83

Hasselbring, H., appointed assistant in vegetable pathology 84

Hassler, F., appointed instructor in law ....................... 51

Hornet, H. H., appointed instructor in rhetoric ............ 81

Hottes, C. F., appointed instructor in botany ............... 81

Huff, G. A., made director of the department of physical training 82

Inventory July, 1901 ............................................... 38

July 1, 1902 .......................................................... 219

Johnson, J. F., appointed instructor in science in Preparatory School 258

Johnston, A. E., appointed assistant in chemistry ............ 2
Kable, J. F., appointed assistant in engineering drawing ........................................ 52
Made instructor in engineering drawing ................................................................. 254
Keith, E. G. —
Accounts examined .................................................................................................. 20, 217
Bond ......................................................................................................................... 91
Elected Treasurer ..................................................................................................... 50
Reports ..................................................................................................................... 7, 27, 37, 92, 194, 214, 234, 266
Koch, F. C., appointed instructor in chemistry ......................................................... 2
Knox, W. H., appointed instructor in soil physics .................................................... 182
Kreikenbaum, A., appointed assistant in physical training ...................................... 22
Laboratory of Natural History, report ................................................................. 8
Staff ......................................................................................................................... XX
Land contracts, reports on ....................................................................................... 40, 221
Lawrence, F. L., appointed director of the School of Music and professor of piano. 52
Leave of Absence ...................................................................................................... 208
Lincoln, Abraham, ox-yoke made by him .............................................................. 49
Lincoln, A. T., appointed instructor in chemistry ................................................... 102
Lindley, W. C., appointed instructor in rhetoric in Preparatory School .................. 58
Lloyd, J. W., made instructor in olericulture ......................................................... 255
Lyman, E. B., appointed instructor in physics and mathematics in Preparatory School, 58
McKinley, President William, address concerning .................................................. 187
Malcolm, G. W., appointed instructor in civil engineering ...................................... 255
Manley, Katherine O'D., appointed loan desk assistant ........................................ 82
Mann, Alma B., appointed instructor in piano ....................................................... 52
Marshall, William A., assistant in electrical laboratories ...................................... 25
Marsh, A. L., appointed assistant on water survey ................................................ 2
Meetings, educational, attendance upon ............................................................. 207
Military department, regimental organisation ...................................................... 5
Milk sold by dairy department, price of .................................................................... 206, 224
Millar, A. V., appointed assistant in engineering drawing ..................................... 182
Mining engineering, appropriation asked for ....................................................... 224
Mitchell, F. A., appointed instructor in mechanics ................................................. 182
Moore, E. C., appointed revisor in library ............................................................. 186
Morrow, Professor G. E., memorial ......................................................................... 38, 319
Portrait .................................................................................................................... 229
Morrow, J. E., appointed superintendent of heat, light, and power station, water plant, 230, 261
Mosier, J. G., appointed instructor in soil physics .................................................. 256
Mumford, H. W., appointed professor of animal husbandry and chief of same in Experiment Station ................................................................. 181
Nature study in public schools .................................................................................. 118, 163
Neville, K. P. R., appointed instructor in Latin and Greek .................................. 81
Parker, L. G., appointed instructor in civil engineering ........................................ 255
Paul, H. G., appointed instructor in English .......................................................... 81
Peabody, Dr. S. H., portrait of ................................................................................ 229
Personnel, appointments, buildings ...................................................................... 100
Pavement, Mathews Ave., etc. ................................................................................. 38, 286
Wright St. ................................................................................................................ 73, 205, 232, 296
Petitt, J. R., appointed assistant in chemistry ........................................................ 108
Peters, W. A., Junior instructor in Science in Preparatory School ....................... 235
Postoffice at the University ..................................................................................... 236
Preparatory School instructors ............................................................................. XIX
Reorganization ........................................................................................................ 61
Pohanka, O. L., appointed assistant in chemistry .................................................. 2
Quine, W. E., donation to library of College of Medicine .................................... 185, 224
Randall, D. T., appointed instructor in mechanical engineering ......................... 81
Rankin, F. H., appointed represented to farmers' institutes .................................. 182
Made superintendent of Agricultural College extension ..................................... 225
Robinson, W. A., appointed assistant in mathematics in Preparatory School .... 182
Robinson, M. H., appointed professor of industries and transportation ............. 226
Rounds, C. R., appointed instructor in rhetoric and public speaking .................... 81
Schmidt, E. C., appointed assistant professor in railroad engineering .................. 69
Scholarships—
In College of Agriculture .................................................................................... 89, 111
In household science ............................................................................................. 89, 111
In College of Law, denied ................................................................................. 26, 35
In School of Pharmacy, denied ............................................................................ 35
School of Commerce .............................................................................................. 86, 208
School of Dentistry .................................................................................................. 48
Faculty .................................................................................................................... XIX, 201, 265
School of Music, fees in ......................................................................................... 184
Reorganization ....................................................................................................... 27, 52
School of Pharmacy —
Advisory Board ................................................................................................... 20, 45, 211
Faculty .................................................................................................................... XIX, 111
Financial reports .................................................................................................... 192, 275
Schroeder, C. A., appointed assistant in chemistry ........................................ 82
Schulz, W. F., appointed assistant in physics .................................................. 82
Scott, F. W., appointed instructor in rhetoric .................................................. 182
Scott, Margaret A., appointed instructor in French and German in Preparatory School. 83
Scroggin, D. L., appointed mechanician ......................................................... 103
Sears, Minnie E., appointed assistant cataloger ............................................. 82
Senate, University, created ........................................................................... 86
Representation in ......................................................................................... 107
Shattuck, S. W., Business Manager, reports ............................................... 14, 34, 69, 99, 186, 215, 236, 270
Short, R. L., appointed assistant professor of mathematics ......................... 79
Simon, Cornelia E., appointed assistant in household science ...................... 26
Simpson, Frances, appointed instructor in cataloging ..................................... 82
Skinner, J. H., appointed instructor in animal husbandry ............................... 84
Slencz, R. H., appointed assistant in mechanics ............................................. 2
Smith, P. A., appointed instructor in mathematics ......................................... 81
Snodgrass, J. Mcb., appointed instructor in mechanical engineering .......... 255
Snyder, Professor Edward, portrait .................................................................. 269
South farm operated by Agricultural College and Experiment Station ........ 51, 54
Rentals .......................................................................................................... 89, 114
Tiling ............................................................................................................ 190, 213, 238
Spalding, C. W., action with regard to his parole ......................................... 109
Spencer, D. E., appointed assistant professor of history ............................... 80
Squirrels on the campus ............................................................................... 107
Steebenrauch, A. V., appointed assistant in horticulture ......................... 84
Made instructor in same ............................................................................. 183
Street from Wright west to Fourth .................................................................. 41
Summer term, 1900 ..................................................................................... 4
1901 ............................................................................................................. 4, 183
Sunday work on University contracts ............................................................. 68
Superintendent of buildings and grounds, duties of ...................................... 108
Tallyn, L. L., appointed assistant in civil engineering ...................................... 82
Made instructor in same ............................................................................... 182
Testing Laboratory, bids on constructing .................................................... 69, 73
Tooke, Professor C. W., made professor of law ............................................. 244
Treasurer given authority to receive all moneys, etc .................................... 68
See Keith, E. G. ............................................................................................ 31
Tuition fees, appropriation asked for ............................................................ 31
Resolution concerning .................................................................................. 31, 46
University Hall, ventilation of ....................................................................... 269
Uniforms for cadets. (See cadet uniforms.) .................................................. 69
Urbana & Champaign Railway, Gas and Electric Light Co.—
Laying track on old right of way .................................................................. 236, 237
Permit for gas main across grounds .............................................................. 202
Renewal of franchise .................................................................................... 203
Viers, D. C., appointed instructor in mechanical engineering .................... 102
Waterworks building, bid on construction .................................................... 70, 232
Webber, C. L., appointed instructor in civil engineering ............................... 255
West Division High School property, purchase of ....................................... 121, 29, 66
Weston, N. A., appointed instructor in economics ......................................... 2
White, J. McL., made professor of architectural engineering ...................... 80
White, Marion B., appointed instructor in mathematics ............................... 183
Wood Shop, bids on constructing ................................................................. 69, 73
Woodrow, R. S., appointed assistant on sugar beets experiments ............. 103
