RESIGNATION OF COMPTROLLER AND READJUSTMENT OF THE BUSINESS OFFICE.

(3) The following statement concerning the business office:

Since the last meeting of the board, the Comptroller of the University, Mr. George E. Frazer, whose resignation was submitted January 1, 1915, (see page 187), has found an excellent opening elsewhere, and has requested to be relieved of his work. I have accepted his resignation, therefore, subject to the approval of the board.

I have made a temporary adjustment in the work of the office by putting Mr. L. E. Knorr, Assistant Comptroller, in charge of the work of the office as Acting Comptroller; and he has made the further adjustments in the work of the Bursar and the Purchasing Agent made necessary by the resignation of Mr. Staples and the death of Mr. Hay.

These latter positions are Civil Service positions and if the organization of the office is to be kept as at present they must be filled by certification from the State Civil Service Commission.

On motion of Mrs. Evans, the action of President James, in adjusting the work of the business office, was approved.

On motion of Mrs. Busey, the resignation of the Comptroller was accepted.

DELEGATION OF SIGNING WARRANTS.

(4) A recommendation that President W. L. Abbott and Secretary H. E. Cunningham be authorized to delegate to Mr. L. E. Knorr, Acting Comptroller, the signing of their names as President and Secretary of the board, respectively, to vouchers drawn against the Auditor of Public Accounts.

On motion of Mr. Holt, this recommendation was concurred in.

BRONSON PROPERTY OFFERED.

(5) A letter from Mr. G. D. Bronson relating to certain property which he would like to sell to the University of Illinois:
Dr. Edmund J. James, President, University of Illinois, Urbana, Ill.

DEAR SIR: I wish to offer for the consideration of the Board of Trustees of the University of Illinois, and yourself, the purchase of the Mathews Avenue frontage of block one of the Bronson Addition at a price of $25,000. This property has a frontage on Mathews Avenue of 314 feet and a depth of 120 feet with an extension east of 64 feet in width and a depth of 153½ feet. A plat of the property accompanies this letter, the land offered being outlined in red.

The property is worth even more than we are offering it for to the Trustees, but we feel that a sale to one person and with one transaction is more desirable than to sell by single lot; hence the above offer.

I have been told that until after July 1 the Trustees will be somewhat handicapped by a shortage of funds for available use.

With that in view we are willing to give the Trustees a contract for purchase of the property, and they can have until September to complete the deal if they want that long a time.

We can furnish a complete, merchantable abstract of title.

I have a power of attorney from the other parties interested authorizing me to sell the property to the best advantage, make what arrangements are necessary, and sign any preliminary papers that are required. This looks like a very fair proposition and I hope you will take advantage of the offer.

Awaiting your reply, I am

Very truly yours,

G. D. Bronson.

On the recommendation of President James and on motion of Mr. Carr, this offer was referred to the Finance Committee for consideration and report.

LEASING OF SMITH LANDS.

(6) A letter from the Comptroller relating to the leasing of the farm properties recently given to the University by Capt. Thomas J. Smith:

President Edmund J. James, University of Illinois. March 1, 1915.

DEAR SIR: Acting under authority from the chairman of the Committee on Agriculture of the Board of Trustees (see minutes Board of Trustees, meeting of January 20, 1915, pages 196–6), I have executed the following leases for the year from March 1, 1915, to March 1, 1916, on the farm properties given to the University by Capt. T. J. Smith:

To: Russell Arbuckle, of near the city of Champaign.
The east one-half of the southwest quarter of section 14, township 19, north, range 8, east of the Third Principal Meridian, in the county of Champaign and State of Illinois.

To: F. J. Folts, of St. Joseph.
The southwest quarter and the west half of the southeast quarter, in section 26, township 20, range 10, east of the Third Principal Meridian, in Stanton Township, Champaign County, Illinois.

To: David A. Howard, of Rantoul.
All that part of the north half of section 23, township 22, north, range 8, east of the Third Principal Meridian, which lies west of the Illinois Central Railroad, situated in Ludlow Township, Champaign County, Illinois.

To: George E. Jones, of Fisher.
The northwest quarter and the south half of the northeast quarter; section 31, township 22, north, range 8, east of the Third Principal Meridian, situated in the county of Champaign and State of Illinois. I hand you copies of the leases herewith. Signed copies of the leases are on file with the Secretary of the board and in my own office. I will note that each lease provides for the approval of farm operations by an agent appointed by the President of the University. I recommend that such an agent be appointed as soon as possible, and that the tenants be notified.

Very truly yours,

GEO. E. FRAZER.

As it was necessary to appoint an agent to represent the University for the approval of farm operations, I have named Prof. Jeremiah George Mosier as such agent.

On motion of Mr. Hoit, the Comptroller's letter was received for record, and the appointment of Prof. Mosier was approved.

ERROR IN DEED TO SMITH LANDS.

(7) The following statement:

It appears that in a certain deed executed by Capt. Thomas J. Smith to the Board of Trustees of the University of Illinois, dated September 17, 1914, one acre of ground not then owned by Capt. Thomas J. Smith was included. The lot is really owned by Margaret Lynch and Alice Lynch, and is situated in the southwest corner of the northwest quarter of section 31, township 22 north, range 8 east of the Third Principal Meridian. The Counsel of the University recommends that the board authorize the delivery to Margaret Lynch and Alice Lynch of a quit-claim deed to the piece of land thus particularly described, and recommends the adoption of the following resolution:
WHEREAS, In a certain deed executed by Thomas J. Smith to the Board of Trustees, on the 17th day of September, 1914, conveying the northwest quarter (NW. 1/4), and the south half (S. 1/2) of the northeast quarter (NE. 1/4), of section thirty-one (31) township twenty-two (22) north, range eight (8), east of the Third Principal Meridian, a mistake was made in that it included one acre of ground not then owned by Thomas J. Smith, but owned by Margaret Lynch and Alice Lynch, situated in the southwest corner of the northwest quarter (NW. 1/4) of said section, and particularly described as follows: Commencing at the southwest corner of the northwest quarter (NW. 1/4) of section thirty-one (31) township twenty-two (22) north, range eight (8) east of the Third Principal Meridian, thence east two hundred (200) feet, thence north two hundred eighty-one and eight-tenths (281.8) feet, thence west two hundred (200) feet, to the west line of said section thirty-one (31), thence south to the point of beginning; be it

Resolved, That the President of the board be instructed to execute and deliver to Margaret Lynch and Alice Lynch a quit-claim deed to the piece or parcel of land thus particularly described.

On the recommendation of President James and on motion of Mrs. Henrotin, the resolution was adopted, by the following vote: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Miss Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Hopkins, Mr. Trevett.

On the recommendation of President James and on motion of Mr. Carr, the Director of the School of Music was authorized to arrange for orchestra concerts for 1915-16 and the Comptroller was authorized to make the necessary contracts to the amount of $5,000. APPROPRIATIONS FOR PRINTING THE SPECULUM REGALE.

(15) A recommendation from Dr. David Kinley, Dean of the Graduate School, that the University undertake to issue an edition of 150 copies of the Speculum Regale at an estimated cost of $2,200. It is proposed to put a price of $15 a volume upon the 150 copies. Fifty-four copies have already been ordered at $15 a volume, making $810. Subscriptions have been made to the amount of $388, of which $295 has been paid. There will be ninety-six copies left and undisposed of from the sale of which the balance of $1,100 may be met.

In the opinion of Dr. Kinley this is a scholarly undertaking, and one which the University may well undertake on its merits in the interest of linguistics. The manuscript, which is a facsimile, is important historically as well as linguistically. It would seem likely to add to the scientific reputation of the University.

On the recommendation of President James and on motion of Mr. Carr, the sum of $2,200 was appropriated from Graduate School Funds for printing the Speculum Regale. The vote was as follows: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Holt, Mr. Ward; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Hopkins, Mr. Trevett, Miss Watson.

tions which the Department of Botany now has in hand.

On the recommendation of President James and on motion of Mr. Carr, this request was granted.

APPLICATION FOR POSITIONS IN BUSINESS OFFICE.

PAYMENT OF CARFARE OF SENIORS IN MEDICINE AND DENTISTRY WHO ATTEND COMMENCEMENT IN URBANA.

(34) The board voted on January 30, 1915, to hold the commencement exercises for the Colleges of Medicine and Dentistry at Urbana in connection with the commencement of the Urbana departments (see page 192). DEMAND OF STATE AUDITOR FOR UNIVERSITY FUNDS.

(35) The State Auditor of Public Accounts asked the Trustees of the University of Illinois, on November 6, 1913, to turn over to the State Treasurer the receipts and all other sources. The Trustees did not comply with his demand. The Auditor gives formal notice, however, in his last report (Report, 1914, page xii), that on the 30th day of June next he will demand that the University turn over all receipts on and after that date from all sources whatever.

This will make a very serious complication for the University if the Auditor insists upon it and is upheld by the judgment of the courts in his view that the law requires this.

The Counsel of the University insists that the State Auditor has no authority to issue such a call. You will find on page 664 of the report of the board for
1914 (meeting of December 13, 1913), a letter from the Counsel of the University on this subject.

This is a serious matter and should receive the careful attention of the board. I am referring it, therefore, to you at the present time for your consideration and action.

After full discussion, no action was taken on this matter.
