MATTERS PRESENTED BY THE PROVOST

The Board considered the following recommendations submitted by the Provost, acting for the President of the University.

SCHOOL OF JOURNALISM

(1) At the recent meeting of the Illinois Press Association held at the University on September 30 and October 1, the Association unanimously approved the resolution given below, asking the University to expand the courses in journalism now given into a separate school or college of journalism. This resolution was unanimously passed, and is a repetition of a similar resolution sent to me two or three years ago. A committee was appointed to confer with me on the matter. A conference was had with this committee, there being present from the University staff, besides myself, Dean K. C. Babcock, Professor Ernest Bernbaum, of the Department of English, and Professor Lawrence W. Murphy, who is in charge of the work in journalism. The committee representing the Press Association consisted of the then president, Mr. W. J. Smith, editor of The Waukegan Daily Sun and Lake County Independent at Libertyville; Mr. John Harrison, editor Danville Commercial News and ex-president of the Association; Mr. Harry U. Grandon, editor of daily papers at Sterling and LaSalle, and Mr. James McClure, editor of the Republican, at Carlinville. The resolution follows:

Resolved: that a committee of the Illinois Press Association be named here tonight by the retiring president of the association to confer with President Kinley of the University tomorrow morning to urge him, and the University, to establish a regular School or College of Journalism on an equal footing and status with the College of Law and Medicine, and that the committee be composed of the retiring president and four other members of the Association, and that the committee be known as the School of Journalism Committee, and become a permanent standing committee of the association giving its efforts to the welfare of the School of Journalism at the State University.

The matter was discussed for an hour or more at this conference. Evidently the members of the Association are very earnest in their desire to have this step
taken by the University, although I do not believe that it is necessary for the improvement of the educational work now given in journalism, and while the addition of another administrative organization is bound, in time, to increase our expenditures, I have decided, after careful thought, to recommend that the wish of the Press Association be granted, and that the President of the University be instructed by you to proceed to the organization of a School of Journalism based upon our present staff and courses.

I informed the members of the committee that in my opinion we would need perhaps $25,000 or $30,000 for the biennium, in order to put this work in the shape in which they want to see it, but that we could not ask for any more money than we already were asking for. I informed them that it would be necessary for them to introduce their own bill for this purpose. My understanding is that they agreed to do so. When the time comes, I shall advise them that they should ask for at least $15,000 a year.

On motion of Mrs. Grigsby, this recommendation was concurred in.

APPOINTMENT OF DR. MOOREHEAD AS PROFESSOR OF ORAL SURGERY

At the September meeting of the Board, I recommended the appointment of Doctor Frederick B. Moorehead as professor of oral surgery on half-time at a salary of $3,000. My recommendation was based on that of Dean Noyes. The reasons for our recommendation were that Doctor Moorehead is probably one of the ablest men in the country to establish and conduct a clinic in his field, and that there is great need for such a clinic in Chicago. I learned that Doctor Moorehead had a donation of money to organize such a clinic in connection with other institutions in Chicago, but that he was willing to develop his clinic in connection with the University of Illinois, if we appointed him. If he does so, however, he will not have this fund.

On further inquiry, I find from Dean Noyes that Doctor Moorehead feels that the salary suggested is not adequate.

Inasmuch as I think it is very desirable to develop such a clinic and, inasmuch as in my judgment, the best place in Chicago to develop it is in connection with our Dental and Medical Colleges and the Research and Educational Hospitals, on request of Dean Noyes I am now recommending that you amend your former action in this matter and appoint Dr. F. B. Moorehead professor of oral surgery on one-half time at a salary of $3,000.

I may add, on information from Dean Noyes, that the space and equipment required, as well as the assistants, can be provided this year without appreciable addition to our expense.

On motion of Mr. Barr, this recommendation was approved.

USE OF UNITARIAN CHURCH ORGAN

The demand for organ instruction is so great that it has been necessary to make an arrangement with the authorities of the Unitarian Church. I have authorized the Director to go ahead. I have requested the Comptroller and your Secretary to sign an agreement with the officers of the Unitarian Church to that effect, and ask your confirmation of this action. The amount is $250, payable monthly.

On motion of Dr. Noble, this action was approved. During the presentation of this matter, Mrs. Grigsby withdrew.

APPROPRIATION FOR PRACTICE ORGAN

Director Stiven requests that a new small organ be bought and installed in time for the second semester. I recommend that the sum of $3,250, or so much thereof as may be necessary, be appropriated from the Reserve and Contingent Fund for the purchase and installation of a practice organ for the School of Music.
On motion of Mr. Barr, this recommendation was approved by the following vote: Aye, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Ickes, Dr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Armstrong, Mr. Blair, Mrs. Grigsby, Mr. Small.

BAKER PRIZE FUND SECURITIES

At a recent meeting I informed the Board informally of the kind offer of the heirs of Professor Ira O. Baker to replace certain securities given the University by Professor Baker with some that were more stable. I called your attention to the fact that Professor Baker and his heirs have been paying sufficient amounts into the income account of the fund to meet the expenses of the prizes.

One of the companies whose securities were included in the original gift failed to pay its interest. The company sent us preferred stock of the face value of $180 and a normal market value varying from $99 to $135, there being no active market. In the meantime, however, the Baker heirs had made good the defaulted interest; therefore, this preferred stock properly belongs to them.

Under the above circumstances I now recommend:

1. That the Comptroller be authorized and directed to transfer to the Baker heirs the $180 of preferred stock of the British Columbia Pulp and Paper Company, in return for the cash paid by Professor Baker and his heirs to provide funds to meet the prizes when the company defaulted payment of the interest on the original bonds. The total amount paid in by Professor Baker and the heirs was $126.01. This amount made good the sum required to pay the prizes.

2. That the Comptroller be authorized and directed to write Mr. Cecil F. Baker, advising him that the University will exchange bonds for others more stable, under arrangements whereby the exchange can be made in Chicago as a simultaneous act.

On motion of Mrs. Ickes, these recommendations were adopted.

SALE OF BLUE FOX SKINS

On recommendation of Dean K. C. Babcock and Curator Frank C. Baker of the Museum of Natural History, I recommend that authority be given the Comptroller to sell a dozen of the twenty-five blue fox skins obtained on the Crockerland Expedition, and that the money be appropriated for the purchase of other specimens for the Museum.

On motion of Mr. Wham, this recommendation was approved.

ANONYMOUS LOAN FUND

I recommend that the gift of $30,000 from Senator William B. McKinley, hitherto known as the Anonymous Loan Fund, (see Minutes, July XI, 1923) be merged with the former McKinley Loan Fund, the entire sum to be known as the “William B. McKinley Loan Fund,” and to be loaned to students on the same conditions as laid down by Senator McKinley in his first donation.

On motion of Mrs. Busey, this recommendation was approved.

PAYMENT FOR BROWN-KNIPP PATENT

The Chairman of the Committee on Patents, Professor James M. White, reports that in accordance with the action of the Board at the September meeting, he has sent the license agreement for the Brown-Knipp Radio Tubes to the licensees, and they have paid over to the University the stipulated consideration of $10,000, which has been deposited with the Comptroller.

This report was received for record.

DELEGATION OF AUTHORITY TO COMMITTEE ON ACCOUNTANCY TO HEAR COMPLAINTS AND REVOKE CERTIFICATES

I recommend that the Board of Trustees delegate to the University Committee on Accountancy authority to hear complaints and investigate charges of
unprofessional and unethical conduct on the part of certified public accountants holding the Illinois certificate, and to take action on each case, certifying its decisions to the Board of Trustees for final action.

On motion of Mrs. Ickes, this recommendation was approved.

ALUMNI DIRECTORY

(10) The Alumni Association, through its President, Mr. Glenn M. Hobbs, requests the publication of a new general directory of all alumni and former students of the University. It is estimated by the Comptroller that an edition of 4,000 copies of such a directory would cost $24,000; the estimated income from the sale of this directory at $3.00 per copy will be from $7,500 to $10,000. At best the directory will require a subsidy of $14,000 or $15,000 from the University.

I am not convinced that this expenditure would be justified, unless a sufficient number of subscriptions can be received from the alumni in advance to reduce the net expense to the University to not over $10,000.

If 5000 former students will subscribe in advance for this directory at $2.50 a copy, the University would then be in a position to proceed with the publication of the directory.

On motion of Dr. Noble, this matter was referred to the Committee on Alumni for consideration and report.

LEAVE OF ABSENCE FOR DR. ROY L. MOODIE

(11) In accordance with the authority given me informally at the June meeting of the Board, I have agreed with Dr. Roy L. Moodie that he shall have a leave of absence for the academic year on one-half pay, on account of his health, he to prosecute his research in paleopathology but not to discharge the teaching and executive duties of his professorship. Doctor Moodie has agreed that if he is not able to return to his work at the end of the year, a date will be set by the University at which his connection with the University shall cease. The determination of his condition is to be made by a physician or physicians satisfactory to the Board of Trustees. I ask confirmation of this action.

On motion of Dr. Noble, this action was confirmed.

RESIGNATION OF DOCTOR E. V. L. BROWN

(12) Acting for the President, I have accepted the resignation of Doctor E. V. L. Brown, Professor and Head of the Department of Ophthalmology, to be effective October 15, 1926.

On motion of Dr. Noble, this action was confirmed.

ADDITIONAL APPOINTMENTS IN THE DEPARTMENT OF ARCHITECTURE

(13) The Head of the Department of Architecture and the Dean of the College of Engineering report that the enrollment in the Department of Architecture has increased to such an extent that an additional full-time instructor and an additional full-time assistant will be required, to provide for the work satisfactorily. The President has authorized the Department to secure an additional instructor at $1800 and an assistant at $1000. This is in addition to the Budget.

On motion of Mr. Wham, this action was approved.

ADDITIONAL APPOINTMENTS IN THE SCHOOL OF MUSIC

(14) The increased enrollment in the School of Music has made it necessary to add to the instructional staff of that division, and the President has made the following appointments, in addition to those approved by the Board at the time the Budget was passed:

Jessie Louise Potter, assistant in organ and piano, full time, ten months from September 1, 1926, $1400.

William B. Holl, assistant in reed instruments, one-fourth time, nine months from October 1, 1926, $360.
Ralph H. Talbot, assistant in wind instruments, one-fourth time, nine months from October 1, 1928, $270.

On motion of Mrs. Grigsby, this action was approved.

This report was received for record.

REPORT ON RECONSTRUCTION OF COLLEGE OF DENTISTRY BUILDING

(17) A report on the reconstruction of the Dentistry Building.

Professor White made a statement concerning this matter, to the effect that the insurance adjustment had been made on the basis of $24,871 for the building and $10,000 for equipment, and that approximately $19,000 had been spent on the repairs which could be made at the present time.

This report was received for record.
APPROPRIATION FOR DENTAL BUILDING

(18) On recommendation of the Supervising Architect I recommend that an appropriation of $20,000 or so much thereof as may be necessary be made from the Reserve and Contingent Fund for the expense of repairs on the College of Dentistry Building, this amount to be restored to the Fund when the insurance money is received.

On motion of Mrs. Evans, this appropriation was made from the Reserve and Contingent fund, by the following vote: Aye, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Armstrong, Mr. Blair, Mr. Small.

Dean Davis and Dean Noyes were introduced at this point.

ART AND PHOTOGRAPHIC WORK IN THE COLLEGES OF MEDICINE AND DENTISTRY

(19) I recommend, on recommendation of Dean Davis, that the work in art and photography in the Colleges of Medicine and Dentistry be centralized and attached to the College of Medicine. He recommends the following changes.

1. That the various items in the Medical and Dental budgets relating to the art and photographic work, and totaling $9,400, be transferred to the College of Medicine, and be assigned to "Medical Administration."
2. That Tom Jones, now Artist and Instructor in Anatomy at $1,500 on one-half time, be made Chief Artist and Associate in Medical Illustration on two-thirds time at $4,000.
3. That Mary Louise Dixon, now artist on one-half time for ten months at $800, be made Artist on one-half time for twelve months at $1,200.
4. That a fee of $25 a semester for persons taking only the one course in Medical Illustrating be authorized.

During the presentation of this matter, Mr. Armstrong took his place with the Board.

Dean Davis made a statement concerning this reorganization.

On separate motions by Dr. Noble, the four recommendations above were approved.

(24) The Comptroller submits the following report of an attempt made on the night of October 4, to burglarize the Business Office in the College of Medicine Building in Chicago:

President David Kinley, University of Illinois

October 16, 1926

My Dear President Kinley:

I desire to report that on the night of October 4th, the first day of registration in Chicago, an attempt was made to burglarize the office of the Business Manager in the Medical Building. Entrance was gained to the building from a pile of coal in the rear of the building from which an unguarded second story window could be reached. Doors to the offices were then broken through and the door to the vault in which the money safe was located was broken in. The outside door to the money safe was also broken open giving the burglars access to about $75 in cash made up partly of change in a change rack set inside and partly of money collected just at the close of business after the burglar chest had been closed. All other money was inside the burglar proof chest which the burglars did not attempt to open. Representatives of the insurance company with which burglary insurance is being carried were gotten on the ground promptly and an adjustment of the loss was made. The money loss was found to be $74.99 which the company has agreed to pay. The company has also taken steps to repair all property damage at its expense.

Very truly yours,

Lloyd Morey
Comptroller

This report was received for record.

(25) On request and recommendation of the Comptroller, I recommend that an appropriation of $375 be made from the Reserve and Contingent Fund to meet the expense of premiums on the renewal of burglary insurance in the Business Office of the University in the Chicago Departments.

On motion of Mrs. Busey, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Noble, Mr. Small.

(26) The following reports from the Comptroller and the Supervising Architect:

October 5, 1926

President David Kinley, University of Illinois

My Dear President Kinley:

The payment of the loss on the recent fire in the Dental Building will reduce the amount of insurance on that building below the minimum amount necessary under our insurance contract as shown by the attached schedule. In order to bring the amount of insurance up to the minimum required an increase of $12,000 will be necessary, making a total of approximately $100,000 in force. This is based on a valuation of $1,250,000 accepted by the parties in connection with the recent loss and, therefore, established as a valuation for insurance purposes for a reasonable time to come. The amount which has been carried in the part has been $115,000. Professor White and I both consider that $100,000 is now from every standpoint a sufficient and satisfactory amount.
In the matter of equipment on the Dental Building a balance of over $8,000 is in force. This is probably a sufficient amount although a recheck of the inventory will probably be necessary in order to make certain that the amount is correct under our contract.

Insurance is also being carried on other buildings and equipment at Chicago as follows:

- Medical Building: $225,000
- Medical Building Contents: $105,000
- Old Pharmacy Building: $91,000
- Juvenile Research Building: $26,000
- Old Pharmacy Building Contents: $25,000

The policy of carrying insurance in Chicago came up first in connection with the Pharmacy Building and is referred to in the Board Minutes for October 18, 1916. The insurance on the Medical and Dental Buildings was first considered by the Board on February 21, 1917, the insurance carried by the College of Physicians and Surgeons having been taken over by the University when the properties were acquired. The present insurance is being carried in accordance with the action of the Board on November 9, 1921, supplemented by the action on July 14, 1924. The average cost per year is about $500. No insurance is carried on the Research Library and Laboratory.

The major part of the insurance now being carried will expire during the current fiscal year and an appropriation to renew it was included in this year's budget. Policies on the Juvenile Research Building expire in October and November, policies on the Pharmacy Building in November, and policies on the Dental and Medical Buildings in March. In view of this fact it might not be unwise to review the whole question of insurance in Chicago, whether it is considered desirable to continue this insurance other than that on the Dental Building, which is required by the bond issue, and if so, whether the correct amounts are being carried.

Cordially yours,

LLOYD MOREY
Comptroller

October 13, 1926

Mr. Lloyd Morey, Comptroller

My dear Mr. Morey:

I am returning your letter of the 5th to President Kinley about the Chicago insurance.

I think we should carry $100,000 on the Dental building. I believe that our inventories should be re-checked before we determine the amount of insurance to carry on contents.

I also think the question of policy with reference to insurance on Chicago buildings should be discussed. The fire hazard is greater there than it is here because of the proximity of the buildings, and yet the risk of loss is probably no greater because of the superior fire-fighting facilities. If the Dental building had not been so close to the West Side Hospital the firemen would probably have handled the fire with considerably less damage to the building, but they could not take any changes and therefore smashed $2400 worth of glass in outside walls and roof in order to clear the building immediately of smoke so they could get to the seat of the fire.

The real reason, it seems to me, for carrying insurance is to be sure to have funds for the immediate restoration of the building. On our campus here if we have a fire loss in one building, we have so many buildings that we can shift our programs so as to practically carry on the work that was in the damaged building without interruption, but this would not be possible in Chicago and the work of a
large number of students would be lost for a year unless speedy repairs could be made. Presumably we always carry enough in our reserve and contingent fund to take care of such an emergency, and yet I think it safer to continue carrying insurance on our non-fireproof buildings. I presume it will be possible to carry insurance on parts of the Pharmacy group without carrying it on the newer portions.

Yours truly,

JAMES M. WHITE
Supervising Architect

October 16, 1926

President David Kinley, University of Illinois

My dear President Kinley:

Referring to my letter of October 5th concerning the question of fire insurance in Chicago on which you asked for a specific recommendation from Professor White and myself, I enclose a letter from Professor White on the subject. You will note that he believes we should continue to carry insurance on our non-fireproof buildings in Chicago. I concur in this opinion, and in view of the fact that a saving of 20% can be made on the rate when insurance is carried to the amount of 80% of the value of the buildings, I believe we should continue to carry insurance on this basis. The fire loss in the last two years has been nearly $30,000 and the annual cost of insurance on both buildings and contents is about $1400.

I therefore request that I be authorized to renew insurance on non-fireproof buildings in Chicago expiring during the current fiscal year and to increase or decrease the insurance as may be found necessary to keep the insurance on an 80% basis, based on valuation to be determined by the Supervising Architect’s Office, the premiums to be payable out of the special appropriation for Chicago insurance made July 7, 1926, page 82.

With respect to insurance on contents of buildings, including furniture, laboratory equipment, supplies, etc., a recent ruling makes it necessary to carry insurance to the extent of 90% of the valuation in order to secure the benefit of a reduction in premiums on the co-insurance basis. The total valuation of our equipment and materials in the non-fireproof buildings in Chicago is probably about $150,000 so that it will be necessary for us to carry $135,000 of insurance at a cost of about $350 per year. Straight policies for any amount could be carried at an increase of 20% in the rate. Insurance for one-half the valuation of the equipment would seem to be adequate and could be carried at a cost of $220 per year.

This plan of insurance for the contents of buildings would considerably reduce the work necessary on our inventories and would simplify problems of insurance adjustment in case of loss. I shall appreciate instructions on this point.

Cordially yours,

LLOYD MOREY
Comptroller

I recommend that the Comptroller be authorized to renew the insurance policies on the non-fireproof buildings and contents in Chicago which expire during the current fiscal year, and to increase or decrease the insurance as may be found necessary to keep it on an 80 per cent basis, based on valuation of buildings and contents to be determined by the Supervising Architect, and the premiums to be payable out of the appropriation for Chicago Insurance, made July 7, 1926.

On motion of Mr. Armstrong, this recommendation was approved.
APPROPRIATION FOR PORTRAIT OF PRESIDENT KINLEY
(27) A statement has been received from Mr. Paul Trebilcock, the artist who was commissioned by the Board on September 15, 1925 (page 395) to paint the portrait of President Kinley, covering the cost of the portrait, the frame, and boxing the portrait for shipment. I recommend that the sum of $1,639.90 be appropriated from the Reserve and Contingent Fund for this purpose, and that the enclosed bill be approved for payment on delivery of the portrait.

On motion of Mrs. Evans, this appropriation was made, subject to the approval of the portrait by the committee, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Noble, Mr. Small.

This report was received for record.

ADJUSTMENT OF SALARY OF PROFESSOR N. C. BROOKS
(29) I recommend that the salary of Professor N. C. Brooks of the Department of German be increased from $3750 to $4000 a year, beginning September 1, 1926, because of the assumption by him of additional responsibility for advanced courses at the request of the University.

This recommendation was approved.

RESIGNATION OF PROFESSOR A. E. DRUCKER
(30) Acting for the President, I have accepted the resignation of Assistant Professor A. E. Drucker of the Department of Mining Engineering, to take effect October 31, 1926.
