REQUEST OF ILLINOIS BELL TELEPHONE COMPANY FOR RIGHT OF WAY

(1) Professor White, Supervising Architect, reports that the Illinois Bell Telephone Company asks permission to run their line from Champaign connecting with their new trunk line south of First Street running it underground to Florida Avenue and on poles in the highway from there south. Professor White recommends approval and I concur, and therefore recommend the passage of the following resolution:

THEREFORE, BE IT RESOLVED that the Board of Trustees of the University of Illinois hereby gives license to the Illinois Bell Telephone Company, its successors and assigns, to run its present line from Champaign which connects with the proposed trunk line south on First Street, running it underground to Florida Avenue and on poles in the highway from there south, on, under, or along streets over or in which said Board of Trustees has jurisdiction or ownership, on the understanding that said line be run underground as far south as Florida Avenue and on poles in the highway from that Avenue southwards; this license to include the right and privilege and authority to construct, operate, and maintain its lines of telephone and telegraph, including the necessary poles, wires, cables, conduits, and fixtures upon, over, under, and across streets adjacent to the property owned by said Board of Trustees in Township 19 North Range 8 East Sections 19, 24, and 30, County of Champaign, State of Illinois, with the right to trim any trees along said lines so as to keep the wires and cables cleared at least 18 inches, said trimming, however, to be under the supervision of the Supervising Architect of the University of Illinois; and on the express condition that said poles will be confined to the highway, and that at a future time, if the Board so requires, the said poles shall be replaced with conduits.

APPROPRIATION FOR LOCKERS

(2) At the April meeting of the Board (Minutes, page 578) an appropriation of $1,400 was made for lockers in the Chemistry Laboratory. Because of

I concur in this recommendation.

On motion of Mr. Trees, this recommendation was adopted.

**LEAVE OF ABSENCE FOR MISS IDA TOD**

(3) On recommendation of Professor Windsor, I recommend that Miss Tod, Librarian of the Philosophy, Psychology, and Education Seminar, be given a month's leave of absence on pay, supplementing her sick leave of two weeks and vacation allowance of one month, to give her time for recovering from injuries suffered when she was run over by an automobile on March 26.

On motion of Mr. Trees, this leave was granted.

**SALE OF MARCUS RUSSELL LOAN FUND SECURITY**

(4) The Comptroller reports that pursuant to the action of the Board of Trustees on March 13, 1928 (Minutes, page 570), and on the advice of the Finance Committee, the Wilshire Oil Company 6% per cent bonds of the Marcus Russell Loan Fund have been sold at 90.

I report the matter for record.

This report was received for record.

**GIFT FROM THE CALUMET BAKING POWDER COMPANY**

(5) The Calumet Baking Powder Company has offered the University a thousand dollars for the continuation of the research work which was carried on last year under a similar grant. I have authorized acceptance of this offer.

This report was received for record.

**REPORT OF GIFT TO MUSEUM**

(6) Professor N. C. Brooks, Curator of the Museum of European Culture, reports the receipt of a gift from Professor H. V. Canter of a box of silk cocoons and some silk spun from them, which he received from Italy.

This report was received for record.

**COOPERATIVE INVESTIGATION OF THE EFFECT OF PRODUCTS OF COMBUSTION ON QUALITY OF ENAMEL BAKED IN GAS-FIRED FURNACES**

(7) On recommendation of the Dean of the College of Engineering, I have authorized the execution of an agreement with the Utilities Research Commission for a cooperative investigation of the effect of products of combustion on quality of enamel baked in gas-fired furnaces, to be carried on under the direction of the Department of Ceramic Engineering. The Commission agrees to pay the University $7,000 to cover the expenses of this investigation. This agreement is of the form and character authorized by the Board for similar agreements.

The Board considered the following matters presented by the President of the University.

REQUEST OF ALUMNI ASSOCIATION FOR APPROPRIATION FOR THE ALUMNI NEWS

(1) At the meeting of the Board, held July 14, 1927 (page 412), a statement was read from the Executive Manager of the Alumni Association concerning a request for an appropriation to the Alumni News and conveying the information that the News was to be changed from a monthly to a weekly. The Board directed the President to inform the Executive Manager of the Association that it desired further information setting forth the reasons for the proposed change. The reasons and arguments for the change and appropriation are contained in a letter from the President of the Association.
