The October meeting of The Board of Trustees of the University of Illinois was held in Rooms 509-10, Chicago Circle Center, Chicago Circle campus, Chicago, Illinois, on Wednesday, October 20, 1976, beginning at 10:00 a.m.

President Earl L. Neal called the meeting to order and asked the Secretary to call the roll. The following members of the Board were present: Mr. William D. Forsyth, Jr., Mr. Ralph C. Hahn, Mr. George W. Howard III, Mr. Park Livingston, Mr. Earl Langdon Neal, Mrs. Jane Hayes Rader, Mrs. Nina T. Shepherd, Mr. Arthur R. Velasquez. Mr. Robert J. Lenz and Governor Daniel Walker were absent. The following nonvoting student trustees were present: Mr. Robert K. Conlon, Medical Center campus; Mr. David G. Matthews, Chicago Circle campus; Mr. Keith A. Volgman, Urbana-Champaign campus.

Also present were President John E. Corbally; Dr. Eldon L. Johnson, Vice President for Academic Affairs; Chancellor Joseph S. Begando, Medical Center campus; Chancellor J. W. Peltason, Urbana-Champaign campus; Chancellor Donald H. Riddle, Chicago Circle campus; Mr. J. Frederick Green, University Director for Capital Programs; and the officers of the Board, Dr. Ronald W. Brady, Comptroller (also Vice President for Administration for the University); Mr. James J. Costello, University Counsel; and Dr. Earl W. Porter, Secretary.
President Corbally presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

Legislative Activity Regarding the Current (1976-77) Budget
President Corbally reported that written materials have been going to alumni, there have been special meetings of the campus senates, and there have been increasing contacts with legislators by nonemployee groups in the attempt to secure support for a restoration by the legislature of the Governor's reduction of funds for salary increases and health professions education, and correction of deficiencies in the physical plant. He expressed his personal view that, at the moment, there was a 50 percent chance of success in achieving the restoration.¹

Memorial to Cyrus Mayshark
Chancellor Peltason introduced the following statement and asked that it be included in the record. By a standing vote the Trustees approved the statement for the record.

I would like to present for the record a statement in memory of Dean Cyrus Mayshark. Dean and Mrs. Mayshark died in a tragic airplane accident on July 24, 1976. Dr. Mayshark was a Professor of Health Education and Dean of the College of Applied Life Studies from 1974 to 1976.

Dean Mayshark's lifetime commitment to the meaning of health and human vitality can be traced in the many professional posts he held. From 1949 to 1952 he was the Director of Health and Physical Education at the Boston Y.M.C.A. As Professor of Health Education he served on the faculties of Oregon State University, the University of Southern California, the University of Tennessee, and the University of Texas at El Paso. His most recent appointment before coming to the University of Illinois was as Dean of the College of Education, University of Texas, El Paso.

While his tenure at the University of Illinois was brief, Cyrus Mayshark made a lasting impression. His reputation for skill and integrity as an administrator was matched by his recognition as one of the nation's foremost health educators. The faculty and students will remember him as a man of depth, understanding, and leadership.

OLD AND NEW BUSINESS

Evaluation of the Use of Teaching Assistants
Mrs. Shepherd called attention to the "Applebee Report," a recent report on the status of student writing in the College of Liberal Arts and Sciences (Urbana campus). She expressed the view that the report was a good analysis and that the Trustees should have copies. In particular, she noted, the report contains information and recommendations regarding the quality of instruction in English at the freshman and sophomore levels. In the

course of discussion, it was agreed as well that a brief period would be set aside at the November meeting for representatives of the Urbana campus to make a presentation on this subject to the Committee on General Policy.

**Application for AM Broadcasting License in Chicago**

Mr. Howard asked about the status of this matter. President Corbally reported that a request for additional information on the University’s financial plan had just been received from the Federal Communications Commission and that officers were checking on the appropriateness of the question as well as the character of the information desired. He said that some additional legal service would be needed and that it might be necessary to ask for an increase in the allocation earlier provided for this purpose.

**REGULAR AGENDA**

The Board considered the following reports and recommendations from the President of the University.

**Award of Certified Public Accountant Certificates**

(1) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded to a candidate who passed the standard written examination given in May 1976 in Illinois and who has fulfilled all other legal requirements under Sections 1, 2, and 3 of the Illinois Accountancy Act of 1943 as amended. The name of the candidate is filed with the Secretary.

The committee also recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Illinois Accountancy Act of 1943 as amended, to seven candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant Certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law. The names of the candidates have been filed with the Secretary.

I concur.

**Merger of the Colleges of Architecture and Art and Urban Sciences, Chicago Circle**

(7) The Chicago Circle Senate has recommended the merger of the College of Architecture and Art and the College of Urban Sciences to form a single unit to be named the College of Architecture, Art, and Urban Sciences, to be effective September 1, 1977.

It further recommends that the names of three of the constituent units be changed as follows: the Department of Architecture to the School of Architecture, the Department of Art to the School of Art and Design, and the College of Urban Sciences to the School of Urban Sciences. The names of the two other constituent units, the Department of History of Architecture and Art and the Center for Urban Studies, will remain the same.

The merger is based upon the belief that the units involved share a concern for the understanding and application of knowledge to the study of contemporary urban society and the utilization of interdisciplinary study and research concerning the factors of human experience applied to specific problems. The redesignation of constituent units is in accord with common practice in these professions.

No programmatic changes are involved in the present proposal. Any future changes will require campus and University approval through established procedures.

No additional funds for administrative purposes will be required by the redesignated units. Rather, it is hoped that there will be some savings. There are no budgetary implications for units other than those involved in the merger.

The faculties of the Colleges of Architecture and Art and Urban Sciences, the Chancellor at Chicago Circle, and the Vice President for Academic Affairs concur in this recommendation. The University Senates Conference has recommended approval and has indicated that no further Senate jurisdiction is involved.

I recommend approval.

In providing background information on this recommendation, Chancellor Riddle stated that, in acting upon the matter, the Chicago Circle Senate expressed strong sentiment for attaching an individual's name to the new college at some time. At a later time, an appropriate recommendation
might be made in this direction. President Corbally stated that he was not opposed to such a step in principle, but that other proposals, perhaps of less merit, also have been discussed. What is needed, he said, are policy guidelines — a framework within which such action can be reviewed and evaluated.

It was made clear that the change in organization and nomenclature in no way is likely to result in the downgrading of the urban science mission or in the technical expertise in architectural training. Rather, Chancellor Riddle said, all steps would be taken to invigorate and improve the program in all of its parts.

On motion of Mr. Hahn, these recommendations were approved.

**Improvement Program for University of Illinois—Willard Airport**

(8) On September 17, 1975, the Board of Trustees authorized the submission of an application for a federal grant for certain projects required to bring Willard Airport to a minimum acceptable level for commercial operations. On May 19, 1976, the Board authorized the Comptroller and the Secretary of the Board to sign documents necessary to accept such a grant.

The Federal Aviation Administration has offered support for this project in the total project amount of $1,057,000. The project will be funded as follows: 90 percent, Federal Aviation Administration; and 10 percent, State Division of Aeronautics. (The portion normally funded by local sources, 10 percent, is to be provided by the Division of Aeronautics of the Illinois Department of Transportation.)

The project is as follows: Strengthening and marking the air carrier apron, including enlarging the apron corners and connecting taxiways, and installing medium-intensity runway and taxiway lights for runway 4/22 and parallel taxiway.

The Federal Aviation Administration and the Division of Aeronautics now require the adoption of a formal resolution of acceptance. The President of the University, with the concurrence of appropriate administrative officers, recommends that the Board of Trustees adopt the following resolution.

**Resolution Accepting, Adopting, and Authorizing Execution of Acceptance of Grant Offer of the Administrator of the Federal Aviation Administration Constituting Grant Agreement between the United States and The Board of Trustees of the University of Illinois, Urbana-Champaign, Illinois**

*Whereas*, the Administrator of the Federal Aviation Administration, for and in behalf of the United States, has extended to The Board of Trustees of the University of Illinois, a formal Grant Offer, pursuant to the Application for Federal Assistance of The Board of Trustees of the University of Illinois, submitted to the Federal Aviation Administration, dated May 24, 1976, all as hereinbelow set forth, and all relating to the development of the University of Illinois—Willard Airport, the same bearing ADAP Project Number 6-17-0016-02; and

*Whereas*, pursuant to and for the purpose of carrying out the provisions of the Airport and Airways Development Act of 1970 (Public Law 91-258, 91st Congress, 84 Stat. 219), as amended, it is necessary that said Grant Offer be duly and formally accepted by The Board of Trustees of the University of Illinois; and

*Whereas*, such Grant Offer and such Acceptance thereof, duly executed, to-
gether shall constitute the Grant Agreement between The Board of Trustees of the University of Illinois and the United States relating to said airport development project; and

Whereas, the said Grant Offer is in words, figures, and form following:

a. The contractor will not discriminate against any employee or applicant for employment because of race, color, creed, sex, or national origin. The contractor will take affirmative action to insure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination, rates of pay, or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices (to be provided) setting forth the provisions of this nondiscrimination clause.

b. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, creed, sex, or national origin.

c. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice (to be provided) advising the said labor union or workers' representative of the contractor's commitments under this section,
and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

d. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

e. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

f. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be cancelled, terminated, or suspended in whole or in part, and the contractor may be declared ineligible for further government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

g. The contractor will include the portion of the sentence immediately preceding paragraph a and the provisions of paragraphs a through g in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance. Provided, however, that, in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The Sponsor further agrees that it will be bound by the above Equal Opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided that, if the applicant so participating is a state or local government, the above Equal Opportunity clause is not applicable to any agency, instrumentality, or subdivision of such government which does not participate in work on or under the contract.

The Sponsor agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and the subcontractors with the Equal Opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor; that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance; and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The Sponsor further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the Equal Opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part III, Subpart D, of the Executive Order. In
addition, the Sponsor agrees that, if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: cancel, terminate, or suspend in whole or in part this grant (contract, loan insurance, or guarantee); refrain from extending any further assistance to the Sponsor under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from the Sponsor; or refer the case to the Department of Justice for appropriate legal proceedings.

8. The Sponsor hereby covenants and agrees that financial records of this project shall be established, maintained, and made available to appropriate personnel in conformity with Section 152.63 of the Regulations of the Federal Aviation Administration (14 CFR 152).

9. The Sponsor will send a copy of all invitations for bids, advertised or negotiated, for concessions or other business at the airport to the appropriate Office of Minority Business Enterprise (OMBE) representative as identified by the FAA Regional Civil Rights Office. The Sponsor will disclose and make information about the contracts, contracting procedures, and requirements available to the designated OMBE representative and minority firms on the same basis that such information is disclosed and made available to other organizations or firms. Responses by minority firms to invitations for bids shall be treated in the same manner as all other responses to the invitations for bids.

   Compliance with the preceding paragraph will be deemed to constitute compliance by the Sponsor with requirements of 49 CFR 21 Appendix C (a) (1) (x), Regulations of the Office of the Secretary of Transportation.

10. The Sponsor hereby covenants that it will not permit any permanent-type structures, other than structures required for aids to air navigation and such other structures as may be specifically excepted in writing by the FAA, to be erected on, and that it will cause any existing structures to be removed from, each area identified on the "Exhibit A" as "clear zone" or any portions thereof, concerning which the Sponsor has acquired a fee interest with federal financial assistance, irrespective of whether such structures constitute an obstruction to air navigation.

11. It is understood and agreed that any and all reference to the term "Office of Management and Budget Circular No. A-102," as the same may appear in this agreement and any document incorporated and made a part thereof, shall be deemed to read and mean "General Services Administration Federal Management Circular FMC 74-7." It is also understood and agreed that wherever the term "Project Application" appears in the agreement or in any other documents constituting a part of this agreement, it shall be deemed to mean "Application for Federal Assistance, FAA Form 5100-100."

12. It is understood and agreed by and between the parties hereto that should evidence be discovered during construction that objects of archeologic or historic interest may be unearthed, then construction will be halted for a reasonable time to enable the responsible state official to assess the matter.

13. It is understood and agreed by and between the parties hereto that, with regard to Number 31 of the Sponsor Assurances on FAA Form 5100-100, wherein reference is made to "Part II, paragraphs 7(a), 7(b), and 7(c)," such reference shall be deemed to refer instead to "Part II, Section C, paragraphs 4(a), 4(b), and 4(c)."

14. Assurance Number 18 of Part V of the Application incorporated herein is amended by including at the end of the second sentence the following language:

   including the requirement that (a) each air carrier, authorized to engage directly in air transportation pursuant to Section 401 or 402
of the Federal Aviation Act of 1958, using such airport shall be subject to nondiscriminatory and substantially comparable rates, fees, rentals, and other charges and nondiscriminatory conditions as are applicable to all such air carriers which make similar use of such airport and which utilize similar facilities, subject to reasonable classifications such as tenants or nontenants, and combined passenger and cargo flights or all cargo flights, and such classification or status as tenant shall not be unreasonably withheld by any Sponsor provided an air carrier assumes obligations substantially similar to those already imposed on tenant air carriers, and (b) each fixed base operator using a general aviation airport shall be subject to the same rates, fees, rentals, and other charges as are uniformly applicable to all other fixed base operators making the same or similar uses of such airport utilizing the same or similar facilities; provision (a) above shall not require the reformation of any lease or other contract entered into by a Sponsor before July 12, 1976. A Sponsor shall not require the reformation of any lease or other contract entered into by a Sponsor before July 1, 1975.

15. It is understood and agreed that no part of the federal share of an airport development project for which a grant is made under the Airport and Airway Development Act of 1970, as amended (49 U.S.C. 1701, et seq.), or under the Federal Airport Act, as amended (49 U.S.C. 1101, et seq.), shall be included in the rate base in establishing fees, rates, and charges for users of the airport.

16. This project and all work performed thereunder is subject to the Clean Air Act and the Federal Water Pollution Control Act. Accordingly:
   a. The Sponsor hereby stipulates that any facility to be utilized in performance under the grant or to benefit from the grant is not listed on the EPA List of Violating Facilities.
   b. The Sponsor agrees to comply with all the requirements of Section 114 of the Clean Air Act and Section 308 of the Federal Water Pollution Control Act and all regulations issued thereunder.
   c. The Sponsor shall notify the FAA of the receipt of any communication from the EPA indicating that a facility to be utilized for performance of or benefit from the grant is under consideration to be listed on the EPA List of Violating Facilities.
   d. The Sponsor agrees that he will include or cause to be included in any contract or subcontract under the grant which exceeds $100,000 the criteria and requirements in these subparagraphs (a) through (d).

17. It is understood and agreed by and between the parties hereto that any reference herein or in the aforesaid Application for Federal Assistance, dated May 24, 1976, to plans and specifications shall mean the plans and specifications approved by the State Airport Engineer, Illinois, Chicago Airports District Office, Great Lakes Region, Federal Aviation Administration, on May 19, 1976.

18. The Federal Aviation Administration in tendering this Offer on behalf of the United States recognizes the existence of an agency relationship between the Board of Trustees of the University of Illinois, as principal, and the State of Illinois, Department of Transportation, Division of Aeronautics, as agent, created by an Agency and Participation Agreement entered into for and on behalf of the Board of Trustees of the University of Illinois on June 1, 1976, and for and on behalf of the State of Illinois, Department of Transportation, Division of Aeronautics, on June 10, 1976. It is understood and agreed that such Agency and Participation Agreement will not be amended, modified, or terminated without prior approval, in writing, of the FAA.

19. The Sponsor hereby covenants and agrees that the Airport Lighting Facilities installed or to be installed under this project at the airport shall be operated,
maintained, and inspected as indicated in the Sponsor's Letter of Agreement for Operation of the Field Lighting, dated June 1, 1976.

20. The federal government does not now plan or contemplate the construction of any structures pursuant to Paragraph 27 of Part V — Assurances of the Application for Federal Assistance and, therefore, it is understood and agreed that the Sponsor is under no obligation to furnish any such areas or rights without cost to the federal government under this Grant Agreement. However, nothing contained herein shall be construed as altering or changing the rights of the United States and/or the obligations of the Sponsor under prior Grant Agreements to furnish rent-free space for the activities specified in such agreements.

21. It is understood and agreed by and between the parties hereto that the United States shall not make any payment for engineering charges relating to this project until the Engineering Agreement is submitted and approved by the FAA.

22. a. The parties hereto recognize that a continuing need exists for parking space for government-owned and -controlled automotive equipment used or assigned for use in serving FAA facilities and equipment on or in the vicinity of the airport. It is agreed by the parties hereto that the Sponsor will continue to provide, without charge, designated parking space as now exists in reasonable proximity to FAA operations for such automotive equipment and that no change or modifications will be made in such designation without the consent of the parties hereto or their designated representative.

b. The parties hereto further recognize the need for adequate parking space for the motor vehicles used by the FAA employees in providing them with transportation to their place of employment and assigned duty stations on the airport. It is fully understood by and between the parties hereto that the Sponsor has made adequate parking space available to those employees on terms that are as favorable as those provided to the Sponsor's employees and the employees of others having duty stations on the airport. It is agreed by the parties hereto that the relationship now existing with respect to automobile parking space for FAA employees will continue and that no change will be made to alter this relationship or to either curtail or enlarge the demand for the parking facilities designated without the consent and concurrence of the parties hereto or their designated representatives.

23. The Sponsor hereby covenants that it will not cause or permit any structure or object of natural growth to extend above the plane of the light path within the land area (presently, or hereafter owned or controlled by the Sponsor) comprising the site of any Medium-Intensity Approach Light System (MALS) serving the aforesaid airport (a MALS site being an area extending 1600 feet outward from the approach end of the runway served and 400 feet in width located symmetrically about the projected runway centerline).

24. The Sponsor hereby covenants and agrees that on or before September 30, 1980, it will submit evidence satisfactory to the FAA that it has acquired adequate property interest in the uncontrolled portions of the clear zones for Runways 4 and 22 in order to obtain nonprecision-size clear zones (500' \times 1010' \times 1700') at 34:1 approach slope. It is further understood and agreed that the United States shall not pay nor be obligated to pay for any of the cost of obtaining these property interests under this project.

All commitments by The Board of Trustees of the University of Illinois, a public corporation, hereunder are subject to constitutional and statutory limitations and restrictions binding upon it and to the availability of funds which may be lawfully applied thereto.

The Sponsor's acceptance of this Offer and ratification and adoption of the Project Application incorporated herein shall be evidenced by execution of this
instrument by the Sponsor, as hereinafter provided, and said Offer and Acceptance shall comprise a Grant Agreement, as provided by the Airport and Airway Development Act of 1970, constituting the obligations and rights of the United States and the Sponsor with respect to the accomplishment of the Project and the operation and maintenance of the Airport. Such Grant Agreement shall become effective upon the Sponsor's acceptance of this Offer and shall remain in full force and effect throughout the useful life of the facilities developed under the Project but in any event not to exceed twenty years from the date of said acceptance.

Conveyance of Land to Bureau County Soil and Water Conservation District

(13) On September 17, 1975, the Board authorized University officers to seek legislation in the Illinois General Assembly to empower the University to convey title to 80 acres of land in Bureau County to the Bureau County Soil and Water Conservation District.

The land was used by the Department of Forestry for research on control of wind erosion, but the University now has no further use for the land. The Bureau County Soil and Water Conservation District has 120 acres adjoining the parcel and will use the land to develop a conservation area.

The General Assembly enacted Public Act 79-1337 authorizing the Board of Trustees to convey title to the land, and on August 2, 1976, the legislation was approved by the Governor.

To implement the provisions of the act, the President recommends that the following resolution be adopted:

Resolution

Whereas by an act of the General Assembly of the state of Illinois entitled “An act to authorize the conveyance of certain real property located in Bureau County, Illinois, by the Board of Trustees of the University of Illinois to the Bureau County Soil and Water Conservation District, Bureau County, Illinois” (Public Act 79-1337, approved August 2, 1976), the Board of Trustees of the University of Illinois is authorized to convey and quit claim all right, title, and interest in and to the real property hereinafter described and located in Bureau County, Illinois, to the Bureau County Soil and Water Conservation District.

Now, Therefore, Be It, and It Hereby Is, Resolved by the Board of Trustees of the University of Illinois, a public corporation of the state of Illinois, that the Comptroller and Secretary of this public corporation be, and they hereby are, authorized and directed to execute, acknowledge, and deliver in the name and in behalf of this public corporation, and under its corporate seal, a quit claim deed and such other documents in connection therewith as said Comptroller and Secretary may deem necessary or desirable in order to convey to the Bureau County Soil and Water Conservation District, located in Bureau County, Illinois, title to the real property as described as follows, viz.:

The Southwest Quarter (SW ¼) of the Northeast Quarter (NE ¼) and the Northwest Quarter (NW ¼) of the Southeast Quarter (SE ¼) of Section Seventeen (17), Township Seventeen North (T17N), Range Six East (R6E) of the Fourth Principal Meridian (4th P.M.), situated in the County of Bureau in the state of Illinois.

The student advisory vote was: Aye, Mr. Conlon, Mr. Matthews, Mr. Volgman; no, none.

On motion of Mr. Livingston, the foregoing resolution was adopted by the following vote: Aye, Mr. Forsyth, Mr. Hahn, Mr. Howard, Mr. Livingston, Mr. Neal, Mrs. Rader, Mrs. Shepherd, Mr. Velasquez; no, none; absent, Mr. Lenz, Governor Walker.

(14) The President submitted, with his concurrence, a list of purchases recommended by the Directors of Purchases and the Vice President for Administration; also a purchase authorized by the President.

The list of purchases was presented in two categories: purchases from appropriated funds (i.e., from state appropriations to the University) and purchases from institutional funds. The latter term designates funds received by the University
under contracts with the United States government, private corporations, and other
organizations; grants from foundations, corporations, and other donors; and Uni-
versity revolving funds authorized by law.

The total amounts of these purchases were:

From Appropriated Funds
Recommended ........................................... $ 110 266 39

From Institutional Funds
Authorized .................................................. $ 30 525 00
Recommended ........................................... 901 773 12

Grand Total ............................................... $1 042 564 51

A complete list of the purchases, with supporting information, including the quotations
received, was sent to each member of the Board in advance of the meeting, and a copy is being filed with the Secretary of the Board for record.

The student advisory vote was: Aye, Mr. Conlon, Mr. Matthews, Mr.
Volgman; no, none.

On motion of Mr. Hahn, the purchase authorized by the President
was confirmed, and the purchases recommended were authorized by the following vote: Aye, Mr. Forsyth, Mr. Hahn, Mr. Howard, Mr. Living-
ston, Mr. Neal, Mrs. Rader, Mrs. Shepherd, Mr. Velasquez; no, none;
absent, Mr. Lenz, Governor Walker.

Report of Purchases Approved by the Vice President for Administration

(15) The Vice President for Administration also submitted a report of purchases
approved by him on recommendation of the Directors of Purchases in amounts of
$7,500 to $10,000 and a report of bids taken in behalf of the Capital Development
Board. A copy of this report is filed with the Secretary.

This report was received for record.

Litigation Relating to Large Animal Clinic, Urbana

(18) A complaint has been filed in the Circuit Court for Champaign County (No. 76C1016) by Aabeka Industries of Ohio, Inc., and Walter M. Buchroeder and Son, Inc. The named defendants are University of Illinois Large Animal Clinic and Capital Development Board. The complaint alleges that there is due the plaintiffs, as a subcontractor on the general work in the construction of the Large Animal Clinic at the Urbana campus, the sum of $6,360.95 for certain materials, equipment, and labor furnished by the plaintiffs. The complaint seeks an accounting and a direction that the defendants pay the plaintiffs whatever sum determined is due by virtue of such accounting, including interest at the rate of 6 percent and costs. In addition the plaintiffs seek to be decreed to have a first and prior lien upon the real estate and premises of the Large Animal Clinic.

The University Counsel has recommended that he be authorized to take such steps as are necessary or appropriate, including the employment of special counsel, to protect the interests of the University in this matter.

I concur.

On motion of Mr. Howard, authority was given as recommended.

There being no further business, the Board adjourned.
