F. P. Johnson------to be Sergt.
C. A. Braden-------to be Sergt.
H. Hersberger-to be Sergt.

They will be obeyed and respected accordingly.

By order of Major Pechet,

Captain and Adjutant.
Mr. Alfred Danselv's petition for re-instatement in the University was referred to Dean Clark with power.

It was voted that Mr. W. T. Buei might return to the University if he would take the work of the junior year over again.

The petition of Mr. H. F. Schumacher, to substitute three hours of some other subject for plane geometry for entrance, was denied.

The request of W. A. Kingston of the College of Medicine, to be allowed an A.B. degree on the basis of work done at Queen's University, Canada, and at the Medical College of this University, under the regulation which enables a student to get both degrees in six years, was discussed and action postponed until the next meeting.

It was voted that where the division of studies, in making out study lists, for students, was 14 instead of 15 hours, owing to inability to add an odd hour, the deans should exercise their discretion as to approving the lists.

Adjourned,

David Kinney
Secretary.

All present except President proper.

A petition from sundry students, presented through Cecil F. Baker, for the organization of a chapter of the Sigma Nu fraternity, was considered, and granted subject to the filing of a copy of the constitution of said society.

The following resolution, interpreting Rules 27 and 28 of Rules for the Government of Students, was adopted, to wit:-

Resolved, that any student failing to attend an examination because of absence from the University without leave of the President, may have a special subsequent examination only upon the payment of a fee of five dollars.

The following recommendation submitted by Dean Scott was approved:-

recommended that Law A, at present offered two hours, Monday, and Wednesday at the second period in each semester, be given three hours, Monday, Wednesday and Friday at the fifth period of first semester;

and that Law 27, now offered two hours Monday and Wednesday at the fifth period of both semesters, be given three hours, Monday, Wednesday and Friday at the same fifth period of the second semester.

Requests for two loans of $150, each from students.

The request of F. A. Kingston was brought up and action deferred until the next meeting.

Adjourned,

[Signature]
Secretary.
Council Room, Oct. 8, 1902.

Absent Deans Davenport and Forbes.

Loans from the Snyder Fund were approved as recommended by the committee as follows:— A. W. Seuter, $200; Edna D. Hoff, $100.

The petition of W. C. Lewis, requesting permission to attend first year law work at irregular intervals, for credit, in addition to regular second year work, was denied.

The petition of Len G. Alcott, an agricultural scholarship student, to carry only thirteen hours' work on account of the condition of his eyes, notwithstanding the rule requiring agricultural scholarship students to carry full time, was granted.

The following nominations for Senate Committees were approved:

1. Educational Policy.— Professors Barton, Forbes, Kinley, Breckenridge, and Mumford.

2. Graduate Work.— Professors Burrill, Kemp, Baker, Greene, and Hopkins.

3. Inter-collegiate Relations.— Professors Carman, Palmer, Ross, Fairfield, and Morgan Brooks.

5. Order of the Day.— Professors Talbot, Dodge, Rolfe, Sharp, and Director Lavrence.

The following committees of the Council were approved:

1. On Advanced Standing from Secondary Schools.— Dean Clark, Professor Shattuck and Mr. Pillsbury.

2. On Students' Welfare.— Professor Short, Sager and Frank Smith.

The following communication, received from the Council committee on students' Welfare, was read:

"To the Council of Administration,

University of Illinois:

Your committee on Students' Welfare wishes to bring to your attention the fact that there seems to be great laxity on the part of the city officials of Champaign in the enforcement of the ordinances against the opening of the saloons on Sunday, and according to what seems to be well authenticated statements, the fact that saloons were to be open on Sunday has been openly advertised on incoming excursion trains, within the past few weeks. In view of the obvious danger to the welfare of students and to the good name of our community in those parts of the State where these facts are known, it is felt by some that the University authorities should protest against the toleration of such open violation of the law. What action should be taken, if any at all, we leave to the proper authorities.

Yours respectfully,

Robert L. Short,
Arthur E. Daniels
Frank Smith.

It was voted to refer the letter to the President to lay the matter before the Board of Trustees at their next meeting.

Adjourned,

David Kinley
Secretary.

Absent Deans Davenport and Forbes.

The meeting was called to inquire into hazing.

Edward Wegenscil was called in to testify. He said that he was a second year student from Port Huron, Mich., and was influenced to come to this University by Major Fechet. He said he had engaged in hazing freshmen; that he had taken freshmen and thrown them into the Boneyard; made them sing songs, climb telephone poles, and "yell for our class". He admitted that he had been in the houses where freshmen lived. "Some time ago", he said, "I was in the La Baracca house, but was not there last night". He said he went into that house with freshman Klewer and waited until he changed his clothes. He was out last night with a crowd that threw freshmen into the Boneyard, and was helping. Most of the freshmen were told to get in and lie down; a few of them were thrown in. He said further that hazing had stopped until last Thursday evening when a freshman threw a sophomore into the Boneyard. He declined to give the names of those who were with him; said that he boards at 503 E. Green street at a club of which Mr. Schreiber is commissary. The club numbers 21 and includes, among others, Mr. Schumacher and Mr. Beers. He said that he knew a freshman threw a sophomore into the Boneyard because the sophomore himself told him. The sophomore was J. F. Dunn. He said a freshman threatened to throw him in. The crowd broke a pane of glass at the Post house last night, on Sixth street; they told Mrs. Post to send the bill to the sophomore class.

R. L. Horr called in. He said that he is a junior and boards at 509 S. Fourth St. Testified that he was at La Baracca last night. "I was with the crowd that went in to see what was going on. No one invited me in and I did not participate in breaking the door open. Did not see that done; was outside then; I had gone out." Was not engaged in hazing
at any other time this fall. He refused to tell the names of any who were in the crowd. Said he was taking no part, but was there simply as a looker on. There were 15 or 20 in the house when I went in. They were not doing anything, but wanted to get some freshmen who were in the house. They got one freshman but I did not know who it was. I went home at the time when the crowd went out.

Mr. A. L. Klever called. He said he was a freshman and had been here since Sept. 15. He boards at La Baracco. "I was in last night when a crowd of boys came after me". Said he had had no part in any public disorder. "The crowd was most likely looking for me and my roommate. I got out of a window last night; I had no connection with the matter except to get away from it." He testified that he had been twice put into the Boneyard, once about two weeks ago and the second time a week later. No freshmen lived down stairs; the people down stairs were not about during the hazing. A door was broken in, but did not know who broke it; it was locked.

Mr. Gaston, a senior from Normal, was called. Had no part in hazing and no knowledge of it. There was a good deal of noise last night and he went out a few minutes to see what was going on, but say nothing serious.

After deliberation, the Council voted to expel Mr. W. Megensel for his part in hazing.

Mr. Morr was recalled and warned that the University did not recognize the right of any student to conceal information which he had about matters affecting the public peace and the University's reputation. He was told to re-appear before the Council next Friday, at three o'clock.

It was voted that the Council forbid a color rush between freshmen
and sophomore classes at night.

A request from Professor Greene to hold a seminar class in history 103 at eight o'clock on Saturday morning was granted on the understanding that the time is voluntarily agreed to by the members of the class, and not fixed, irrespective of other choice.

A similar request from Professor Kinley for economics seminar, was similarly acted upon.

It was voted to approve a request from Dean Davenport that Mr. Erf be permitted to give an advanced course in cheese making.

Adjourned,  

David Kinley  
Secretary.

AbSENT DeENS Davenport and Forbes.

The hazing matter was taken up again for consideration, and a statement signed by 150 members of the sophomore class was read before the Council, volunteering that, so far as the petitioners were concerned, they would stop all hazing and do all they could to prevent indulgence in it by others. In view of this assurance from the sophomore class that they would not interfere with freshmen and would observe the peace, it was voted that the ruling in the case of Mr. Wegensoll be reconsidered. This was done and no further action taken.

Mr. Horr was recalled. He notified the Council that he had reflected on the situation and had nothing further to say about it. He was informed by the president that the University authorities did not recognize the plea of students that to give information would discredit them with their fellow students, and that the University expelled students who refused to give the names of participants in disorder, when the case was serious enough to menace the good name of the University. The President then informed him that, in view of the situation by the agreement of the sophomore class not to indulge in any more hazing, the Council would not push the case against him.

The request of Elgie R. Skinner for a loan of $200. from the Snyder Fund was approved for recommendation.

It was voted that the attendance at the summer school for the requisite time be regarded as fulfillment of the required residence necessary for degrees.

The case of Mr. Kingston was referred to Dean Kinley for report.

Adjourned,

Secretary.
Council Room

October 18, 1902

Absent: Deans Scott, Kinley, Davenport, and Jayne.

The petition of the chairmen of the sophomore and freshmen classes to hold a color rush on Wednesday, October 22, was considered. It was decided that the Council of Administration will not forbid a color rush held on Illinois Field on Wednesday, October 22, and closing before dark. Beyond this the matter is referred to the Dean of Undergraduates for conference with the committees from the two classes.

The application of Mr. D. A. Baer of the junior class for a loan of $50 from the Snyder Fund was approved.

Council Room, Nov. 17, 1902.

Absent Dean Davenport.

The petition of Mr. E. A. Kingston, for transfer of credit from Queen's University, Kingston, Can., so as to secure three years' credit with a view to securing his bachelor's degree and his medical degree in six years, was again discussed. Dean Kinley reported that he had done work enough to entitle him to three years of credit at the University. In view of the fact that Mr. Kingston has spent two summer terms at the College of Medicine, and intends to spend the current year there, it was voted that the rule which allows a student to secure the two degrees in six years be made applicable to his case.

The following resolution was adopted:

Resolved, that the Council of Administration will not hereafter accept residence at any medical college as the equivalent of the minimum of one year's residence at the University required as a condition precedent to the bachelor's degree.

The following resolution was also taken:

Resolved, that the University will not confer a master's degree on any candidate until at least one year after he has met the requirements for his bachelor's degree, here or elsewhere.

The following applications for loans from the Snyder Fund were recommended by the committee and approved by the Council:

Ernest R. Leverton, $150.  O. M. Dickerson, $150.

The application of Mr. W. J. Perry for enrollment as a candidate for the bachelor's degree and the medical degree in six years, on the basis of four months' residence at the College of Medicine and two summer terms' residence at the University at Urbana, was referred to Dean Kinley for investigation and report.

Adjourned,

Secretary.
Memorandum, Nov. 13, 1902.

The application of Mr. Frank Emerson Inks for a loan of $200. from the Snyder Fund was sent to me this day, with accompanying correspondence. In view of the assurances thereon, the secretary has indorsed the petition as approved by the Council of Administration.

David Kinley
Secretary.

Champaign, Illinois
November 16, 1902

Dean T. J. Burrill
Natural History Hall
Dear sir:

Under all the circumstances I think we may include Mr. Frank E. Inks among the number to whom the Council voted to make a loan from the Snyder Fund. I have spoken to Dean Clark about it, and he approves, and if you will communicate with other members of the Council I shall feel justified in saying that it may go in the records.

Very truly yours,

O. F. S.

Dean Kinley:

You will see by the enclosed papers that Mr. Inks' application for loan is to be granted. Will you send the application along with others?

Truly yours,

T. J. Burrill

Nov. 18, 1902
November 18, 1902

There was omitted yesterday by some mistake the application for a loan of $200 from the Snyder Fund by student F. Emerson Inks, a member of the senior class. This application had received the endorsement of the Committee and should have been included with the others for consideration by the Council.

Mr. Inks' father is dead. His mother has a millinery establishment in the town of Ohio, Illinois, and she also owns a farm of 80 acres near the same place. Our advice is that a note signed by the young man and his mother would be perfectly good.

Do the members of the Council agree to recommend this loan?

President Draper approves of this action.

Deans Forbes
   Kinley
   Scott
   Jayne
   Clark

Dean Scott could not be seen.
Dean Pickley was out as member of committee recommended the loan.

J. H. Burrill
Council Room, Nov. 21, 1902.

All present:—

The meeting was called to discuss the needs of the University to be presented to the legislature. The discussion related entirely to the buildings to be asked for, and the following resolution was adopted:—

Resolved,—that it is the sense of the Council of Administration that the Trustees should ask for two buildings, one an Auditorium with accommodations for the School of Music, and the other a Woman's Building to include accommodations for the Household Science Department, but no dormitory features.

Adjourned,

David Kinley
Secretary.
