All present excepting Dean Ricker.

The case of Mr. F. B. Standiford, a student who had been dropped from the University, was reconsidered. Mr. Standiford was put on probation for one month and his case referred to Dean Clark.

A petition was received from Mr. F. J. Arnold for re-instatement. His case was referred to Dean Clark to settle.

A petition was received from Rev. A. M. Danely, father of Alfred Danely who had been dropped, requesting that his son be re-instated. After a consideration of the case, the previous action of the Council was re-affirmed.

The case of Mr. F. C. Garriel was reconsidered. It was the opinion of the Council that Mr. Garriel appears not to be interested in nor capable of carrying the kind of work he has chosen in the University. The Council, therefore, saw no reason for changing its previous action.

The assignment of fellowships was brought up and discussed in a general way. It was left until the deans of the colleges should have discussed the matter with the heads of departments.

The request of Mr. A. T. Bell for a loan of $100 from the Snyder Fund was approved.

It was voted to drop the college faculty lists from the catalog and to print the names of the instructors in each department at the head of the description of the department courses in the general description of courses.

Dean Kinley was instructed to consult with the Registrar about
modifying the blanks for reporting grades, with a view to providing a
way for reporting students who had been enrolled during part of a semester,
and had, therefore, not done sufficient work to earn a passing grade,
although the character of the work which they had done was good.

The request of Professor Daniels to change Philosophy 7 from the
first period on Monday, Wednesday and Friday to the fourth period on
Tuesday, Thursday and Friday, was approved, as was also his assignment
of one section of logic to the first period.

Secretary.
Council Room,
February 17, 1902.

All present excepting Dean Kinley.

The subject of the Kappa Sigma Fraternity's holding its annual on Thursday night was discussed and the following action was taken:-

Resolved,--that the Council of Administration has learned with regret that the Kappa Sigma fraternity chapter affiliated with the University has prepared to hold its fraternity annual on Thursday evening next, notwithstanding the fact that it must have been well known to the chapter that the authorities and the usage of the University were opposed to the holding of social functions on other than Friday and Saturday evenings.

Resolved,--that the chapter deserves the censure of the authorities of the University, and the same is hereby expressed.

Resolved,--that the fraternities in general deserve and have the thanks of the University for their apparently cheerful observance of the desires of its authorities in this matter.

Resolved,--that inasmuch as there has heretofore been no public declaration upon the subject, the Council will take no further notice of this particular matter, but the incident and the contention of the students involved makes manifest the advisability of such a declaration, and accordingly it must be understood that hereafter the holding of annualls or informals by any university organization on other than Friday or Saturday evenings will be held to contravene the purposes of the University and constitute an infraction of university discipline.

Thomas Arkle Clark,
Secretary pro tem.
Council Room,
Feb. 19, 1902.

Absent, Deans Kinley, Davenport and Jayne.

The following letter was read from Mr. F. C. Carriel who had been
dropped from the University on Feb. 4th:-

"To the Council of Administration,
University of Illinois.

Gentlemen:-

I very respectfully ask permission from the honorable Council
of Administration to continue in the University and pursue the studies
I did not receive credit for during my freshman and sophomore years, and
other studies necessary to make the required number of hours, namely:-

Descriptive geometry (G.E.D. 2a), 2 1/2 credit hours
Analytical geometry (Math. 6), 6 " "
Machine design (M.E. 4), 2 1/2 " "
Art and design (Arch. 20 or 21),
The transportation problem (Econ. 3),

I believe my delinquency last semester was largely due to my lack
of knowledge on the subjects in which I failed during my freshman and
sophomore years (mentioned above), and the worry about their credits.
I have always had great difficulty in solving problems in higher mathematics and an insight in regard to certain problems, in which the class as
a whole had no difficulty in finding a complete analysis, seemed impos-
sible to me, yet I am satisfied I can master them.

I assure you my interest is intense and my ambition high, and that
no deeds on my part in the future shall ever reflect upon your reinstating
me.

Yours very truly,
F. C. Carriel.
Feb. 18, 1902."

After some discussion it was voted that Mr. Carriel be allowed to

go on under the supervision of Dean Clark, with the understanding that he

is to make up as much as possible of his back work.
Dean Clark reported that the case of Mr. F. J. Arnold, referred to him on Feb. 8th, had apparently been settled the next day, Mr. Arnold agreeing to work off his back conditions and failures in mathematics. He had, however, not appeared for a week after the conference with him and, by direction of President Draper, had been advised that he could not now return at all.

Mr. F. C. Bonser's paper on "Illinois High Schools" was submitted to the Council for its consideration and it was decided that, although the paper contains good material which should be published, it will need to be carefully edited and considerably shortened before it is suitable for publication as one of the University Studies.

The subject of fellowships was discussed, but no definite action was taken.

The following courses and changes in catalog presented by Dean Kinley were approved:

In Science of Government.

2. Politics and administration. Two hour advanced course.

6. History of diplomacy.

   (No one of these courses except the first is assigned to any instructor as yet.)

8. Political ethics. This course is offered by Professor Daniels as Phil. 9.

The request of Professor Daniels to form two sections of Phil. 1b was approved. Section A the first hour; section B the second hour.

The request to make Phil. 4 a three hour instead of a five hour subject, was also approved. M., W., F., third period.

Also to make Phil. 7 a two hour, instead of a three hour course, on Tu., Th., third period.

Also to change Phil. 2 from the 4th to the 1st period.
A course in English history to be known as Hist. 11 was approved; to occur the second semester, M., Tu., Th., F., at 7th period by Dr. Schoolcraft.

The following changes were also approved:

1. Prescribed science in the College of Literature and Arts changed from "ten hours" to "from eight to ten hours".

2. Add Hist. 11, 4 hours, and combine it with one semester of Hist. 2 for prescribed work instead of Hist. 6 plus Hist. 2.

3. Withdraw Hist. 2 from freshman year.

4. Add course in economics on Modern Industrial Organization, three hours, by Dr. Weston.

5. Add course on Economic Problems of the Day, three hours, by Professor Hammond.

6. Withdraw the course on International Trade by Professor Hammond.

7. Add a course on The Psychology of the Emotions and the Will, two hours, by Assistant Professor Colvin.

8. Change the beginning courses in Latin, and German 1, 2, 4, 5, and 6, to four hours.

9. Change Phet. 3 from five to four hours' credit.

10. Change beginning Greek courses from five, to three and two hour courses.

Secretary
Council Room,
March 4, 1902.

All present excepting Dean Jayne.

The Council considered the case of Mr. R. C. Cabanis who, it was reported to the Council, had been intoxicated some days before. Mr. Cabanis is from Kinmundy and is in his third year at the University. When called in and questioned about the matter he replied that he had not been intoxicated; in answer to the question whether he had visited any saloon recently he replied: - "Not that I remember". Asked for an explanation of his former statement, he said that he had been in saloons this winter, probably as late as two or three weeks ago. He did not remember whether he had been in a saloon a week ago last Thursday night. Said he went in once in a great while, but not as often as every week. The last saloon visited was in Urbana. He was putting out advertisements for the band concerts and was in all the saloons on the north side of the city. Did not drink anything. Visited a saloon in Champaign two weeks ago. Was alone and drank a lemonade; nothing more. Was in the same saloon (Club Saloon) two weeks earlier and drank beer. "Have not been intoxicated since I returned to the University in February.

Questioned as to visiting the Elk Rooms said that he "went to the Elk Room frequently; the last time was about a week ago. Did not remember whether he was there on the evening of February 20; was there the night of the Military Ball; did not remember whether Mr. Stahl was there then; did not remember anyone who was there; cannot say whether Allen was there."

After some consideration, it was voted that the rule decreeing the expulsion of students who visit saloons and become intoxicated be enforced
against Mr. Cabanis. He was called in and notified of the decision of the Council; he asked whether he would be permitted to offer proof that the charge was unfounded. The President answered that he might submit such proof, if he could.

Deans Forbes and Clark were appointed a committee to consider and report on recommendations of the High School Visitor concerning advanced credit for high schools.

Mr. Charles Green was recommended for a loan of $150, from the Snyder Fund.

It was voted that the posting or distributing of advertisements of university occurrences, entertainments, etc., in saloons, be forbidden.

The following recommendation from the Colleges of Science and Literature and Arts was laid before the Council: "That the Rules for the government of Students, concerning the amount of work, be so amended that students be required to take not less than 14, nor more than 16 hours without permission; except that students whose standing in each study for the preceding semester is 90 or more, may without permission elect studies amounting to not more than 18 semester hours."

The matter was discussed and action deferred.

The following report was made by Dean Kinley, in compliance with instructions given at the meeting of Jan. 28. (see page 98.)

University Policy Concerning Receiving Students Under Discipline from Other Institutions.

WHEREAS, inter-university courtesy and the maintenance of a proper standard of discipline require that students under discipline, by suspension or expulsion, by one university, shall not be admitted to another
during the period of discipline, without consultation with the authorities of the institution which has inflicted the penalty; and

WHEREAS, in many cases students under discipline in one institution may suffer irreparable injury to their future careers if they are, because of this discipline, barred from entering all other colleges, and

WHEREAS, it is not infrequently the case that students suspended or expelled from one institution may be permitted to continue their education in another college, under new conditions and in an environment altogether different, without injustice to the institution which disciplined them, and without injury to the institution which receives them; and

WHEREAS, under such circumstances every opportunity should be made to save the student under discipline from losing his educational opportunities, provided it may be done without injury to the students of the institution which he seeks to enter; and

WHEREAS, the authorities of every institution of learning to which a student under discipline may apply for entrance are and must be free to pass judgment upon each case on its merits, with regard to the particular conditions of their own institution, and must determine for themselves whether students under discipline elsewhere may enter their institution without injury to other students; therefore,

BE IT RESOLVED: That the University of Illinois stands ready in all cases to furnish any other institution all the facts concerning the record, suspension or dismissal of any student so disciplined, and does not consider the action of any sister institution in such cases, whatever it may be, as a reflection upon its own course; and, be it further

RESOLVED: That in the opinion of the authorities of the University of Illinois justice and courtesy require that this should be the rule of conduct governing all such cases between colleges and universities."

Adjourned,

Secretary.
Council Room,
March 18, 1902.

All present except Dean Jayne.

Mr. R. C. Cabanis, who was expelled at the meeting of March 4, appeared before the Council and reiterated his assertions that the charges against him were unfounded, and requested that the Council hear the testimony of several of his friends, on the matter. He declared that after going home from the Council meeting on March 4, he recalled certain instances which enabled him to locate himself on the night in question.

After he left the room Mr. J. N. Allen came before the Council. He said that on the night of Feb. 20 he left the Sigma Chi house with Mr. Cabanis at 8:10 and that Mr. Cabanis was not under the influence of liquor. He had been with Mr. Cabanis from 7 o'clock and he was with him until 9:20 or 9:30. They were in the Elks Billiard Room and afterwards went to the Illinois Central Restaurant. Cabanis and he were at the latter place together about 11 p.m. and Cabanis was not then intoxicated.

Mr. Stahl next testified that he was with Mr. Cabanis a part of the evening in question. He himself left the Sigma Chi house at 9:30 with Mr. Marriott and went to town to play billiards. They met Cabanis on the car and asked him to go. All went to the Elks' billiard rooms. Cabanis borrowed some money from Allen, and Allen asked Stahl if he would not wait for Cabanis. Mr. Stahl said that Cabanis was not intoxicated.

Mr. Marriott appeared. He also testified that Cabanis was not intoxicated on the night in question. He was with Mr. Cabanis from 10 to 11:30.

Mr. Julius Funk was called in and said that he talked with Mr. Cabanis at 11:30 that evening and that he was not at all under the influence of liquor.

Under these circumstances it was the opinion of the Council that it
would be well to rescind its action. This was done and Mr. Cabanis was notified.

It was voted that international law be made an elective in the College of Law, and that the requirements for graduation in the College of Law be changed from 78 to 70 hours. An interpretation of the value of an "hour" in the College of Law was held for discussion between Dean Burrill and the faculty of the College of Law, with final settlement by the President.

The petition of Miss Anna Koehn, to have analytical geometry accepted as a substitute for the five hours of science required for graduation from the College of Literature and Arts, was approved.

The petition of Mr. J. W. Martin, that veterinary science be counted for credit in the College of Literature and Arts, was approved.

On recommendation of the faculty of the College of Literature and Arts it was voted that the work in the Library School done by Miss Alice Rose be accepted in place of the seven hours necessary to allow her to graduate next June in the College of Literature and Arts.

The request of Mr. James William Pettyjohn, for a loan of $50. from the Snyder Fund, was approved.

Adjourned,

[Signature]

Secretary.
All present.

The Council took up the joint recommendation of the Colleges of Science and Literature and Arts that "students be required to take not less than fourteen, nor more than sixteen hours without permission, except that those students whose standing in each study for the preceding semester is $90 or more may, without special permission, elect studies amounting to not more than 18 semester hours."

After some discussion, Dean Forbes moved to reduce the number of credits required for graduation to 127. The motion was lost.

Dean Scott then moved an amendment to restrict the recommendation of the colleges to freshmen. The vote stood as follows:

Ayes: Deans Forbes, Davenport, Jayne, Scott, Clark;
Noes: President Draper, Deans Burrill, Ricker, Kinley.

The motion was declared carried. After some discussion it was mutually agreed, however, that the vote would be considered as not having been taken and the amendment of Dean Scott be regarded as not carried. After further discussion, it was finally decided that an amendment to Rule 17 of "Rules for the Government of Students", should consist of striking out the words "exclusive of military and physical training studies" (see page 6 of Rules for Government of Students, edition of 1898).

Under this amendment military and physical training will be included in reckoning the number of hours which a student may take at one time.

It was voted to change the amount of credit granted for physical training for men from 2 1/2 to 2 hours per year.
It was voted to recommend the following fellowships:

Botany, - William Crocker.

Zoology, - R. F. Richardson.

It was voted that the courses in English and French for the freshman and sophomore years be reduced from five to four hours' credit.

Adjourned,

Secretary.
Council Room,  
April 2, 1902.

All present:—

A letter from Dean Forbes was read recommending Mr. Robert Ridgway for an honorary degree. It was voted to recommend to the Senate for recommendation to the Board of Trustees, that Mr. Ridgway be given the degree of doctor of laws.

It was voted to recommend Mr. G. I. Reaves for a fellowship in entomology.

The following report from the committee on Advanced Standing for High Schools was approved:— "The Committee on Advanced Standing recommends to the Council of Administration that the following advanced credits be regularly given to the graduates of the Bradley Polytechnic Institute of Peoria, Illinois.—

Free hand drawing, three semester hours.
General engineering drawing, 1 & 2, ten semester hours
Mechanical engineering 1 & 2, six semester hours.

The recommendation is made with the approval of the head of the department and the instructor concerned.

Thomas Arkle Clark
Committee: W. L. Pillsbury
S. W. Shattuck.

It was voted to publish the recent action of the Council on the admission of students under discipline from other institutions (see page 108) and to send copies to other universities.

The High School Visitor reported, recommending that the following schools be placed upon the accredited list:

<table>
<thead>
<tr>
<th>Ashland</th>
<th>Farmington</th>
<th>Havana</th>
<th>Olney</th>
</tr>
</thead>
<tbody>
<tr>
<td>Atlanta</td>
<td>Galva</td>
<td>Lake Forest Academy</td>
<td>Onarga</td>
</tr>
<tr>
<td>Cambridge</td>
<td>Geneva</td>
<td>Lincoln</td>
<td>Petersburg</td>
</tr>
<tr>
<td>Casey</td>
<td>Gibson City</td>
<td>Mason City</td>
<td>Rushville</td>
</tr>
<tr>
<td>Chatsworth</td>
<td>Gilman</td>
<td>New Trier Township</td>
<td>Sheldon</td>
</tr>
<tr>
<td>El Paso (W)</td>
<td>Greenvlew</td>
<td>Watseka</td>
<td>Sugar Grove</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td>Wilmington</td>
</tr>
</tbody>
</table>
These schools are accredited for the subjects and to the extent indicated by the cards submitted with the report of the High School Visitor and filed in his office (with duplicates in the offices of the Registrar and of the Dean of Undergraduates).

Professor Brooks' letter being addressed to the President, is returned to the President's office for filing.

Adjourned,

Secretary.
Council Room,
April 11, 1902.

President Draper absent; Vice-president Burrill presided.

A request from Mr. Leo Dolkart for a loan of $50. from the Snyder Fund, was approved.

A request from Mr. J. E. Hauer for a loan of $75. from the Snyder Fund was approved.

In the matter of a degree to be recommended for Mr. Ridgway, since it was left by the Senate to the Council to decide what degree should be recommended, it seemed best to the Council to leave the matter to Vice-President Burrill and Dean Forbes; this was accordingly done.

Dean Forbes made the following motion concerning the work of the High School Visor, and the recommendation was approved:

"Resolved: That the High School Visitor be instructed that in all cases where the assignment recommended by him, of entrance credits to a secondary school, departs materially, with reference to any subject, from the usual uniform quantitative standard of high school work, per unit of entrance credit, he should transmit a statement of his reasons for recommending such departure with sufficient fullness to enable the Council to pass an independent judgment on the recommendation."

Adjourned,

David Kinley
Secretary.
Council Room,
April 22, 1902.

All present except President Draper.

The recommendation of the Faculty of the School of Pharmacy that the degree of pharmaceutical chemist be conferred on Robert Clyde Smith was approved by the Council.

A request from Mr. J. P. Falkenberg for a loan of $50. from the Snyder Fund was approved.

The paper by Mr. Bonser, fellow in psychology, on "A Statistical Study of Illinois High Schools", (see page 105) was approved for publication in the University Studies.

Approval was also given to the paper of Dr. H. L. Schoolcraft, for publication in University Studies, on "The Grand Remonstrance".

Courses in French, German, Materials of Commerce, Mechanical Technology, and Elementary Law, were approved as courses in business training.

It was voted to suspend University Exercises on Wednesday, April 23, after 2:45 p.m.

Adjourned,

[Signature]
Secretary.
Council Room, May 2, 1902.

Dean Hicker absent:

Dean Jayne reported the stealing of library books by Miss Marion Wilkins, and it was voted that Miss Wilkins be dismissed from the University and the secretary was instructed to notify her father of the action.

The Professor of Military Science reported a case of insubordination in Sergeant C. S. Rodman. The whole matter was referred to the professor of Military Science with power.

Attention was called to an omission in the minutes of Jan. 14. According to Dean Scott, the Council at that meeting voted to count international law for a three hour study instead of a two hour study, as in the catalog. It was voted to amend the minutes of Jan. 14 accordingly.

A letter addressed to Professor F. L. Sharp, referring to the establishment of a fellowship the incumbent of which should live at the Northwestern University settlement in Chicago, was discussed, and it was voted that under the circumstances prevailing here the matter could not have an affirmative action.

Adjourned,  

[Signature]

Secretary.

Dean Clary absent.

The following nominations for commissions as brevet-captains in the State Militia were made by the Professor of Military Science, and were commended for nomination to the Governor of the State:

Thomas Irvin Fuller, Colonel, University Regiment.
Hiram Franklin Post, Lieutenant Colonel
George I. Reeves, Major
Edwin Lyon Wapner, Major
Solomon Wolff, Captain
Irving Mark Western, Captain
James Moore Farrin, Captain
Milton James Whitson, Captain
Elwyn Lorenzo Clarke, Captain
Robert Philip Shimmans, Captain
John Henry Breitstaed, Captain
Albert Nelson Coven, First Lieutenant
J. Claude Jones, Captain
Robert Clayton Matthews, Battery.

It was voted to recommend that Mr. R. C. Matthews be granted a loan of one hundred dollars ($100.) from the Snyder Fund.

It was voted that all University Exercises be suspended after 12:45 on Memorial Day, May 30.

Voted, that the University be represented in the Memorial Day Exercises of the Twin Cities by the University Regiment.

Adjourned,

Secretary.

The question was raised whether College of Law students who are members of the Band, not holding scholarships, should receive the four dollars given to other students for service in the Band during Commencement.

The vote was in the affirmative.

Adjourned, D. Kinley

Secretary.
