

8/1/58

Agricultural, Consumer & Environmental Sciences

Dean's Office

Agriculture, Consumer, and Environmental Sciences Slide Presentations, 1974-1989

Box 1:

The 1982 Census of Agriculture, 1982

Anatomy and Physiology of Ruminant and Non-Ruminant Digestive Tracts – No Script, 1980

Balances

Beyond the End Rows: Our Illinois Forest Lands

Buildings and Equipment – Animal Science – Swine Production – No Script

Carcass and Wholesale Cut Evaluation, 1979

Catalyst for American Agriculture, with Cassette, 1987

The Choice is Yours, Home Ec Recruitment

College of Agriculture Recruitment, with Cassette, 1979

Conservation Expo, 1984

Corn and Soybean Seedling Emergence, 1976

Construction of Waterway and Structure

Crop, Hay, and Silage Judging, 1976

Crop Seed Identification, 1976

Early diagnosis of Swine Pregnancy – No Script, 1973

Earth Tube Heat Exchange System, Parts 1-2

EFNEP: The Third Decade

Energy for Ag, the Vital 3% – No Script

Equipping and Organizing Your Farm Business Center

Extension – From Its Beginning (2 folders)

Food for Century III, with Cassettes (2 folders)

Fresh Cut Flower Care

Helping People build Tomorrows (2 folders)

Helping You Put Your Knowledge to Work, 1989

Herb Gardening – No Script

Herbicides and Plants, 1981

Horse Tack and Equipment, 1979

Housing Adapted to Older Persons

Identification of Grasses via Vegetative Characters – No Script, 1976

Identification of Grasses By Means of Floral Characters, 1976

Box 2:

Illinois – Space for Tomorrow, with Cassette, 1975

Illinois Sustainable Agriculture Network

Improve Your Shopping Skills

Installation of Subsurface Drainage

Isolating and Identifying Acarida – Animal Science – Swine Production – No Script

Judging Home Canned Foods – No Script
Laboratory Experiments, 1976
Laboratory Experiments, 1976
Let's Meet the Competition, 1988
Modern Classification of the Plant Kingdom, 1976
Modified Stems and Roots, 1984
Parallel Tile Outlet Terraces
Planning and Managing your Farm Business Center
Pork Slaughter in Small Plants – No Script, 1979
Proximate Analysis of Animal Feed and Foodstuffs, 1976
Pulling Hog Skins in Small Plants – No Script, 1979
The Rescue, 1983
Retail Cut Evaluation, 1981
Seedling Identification of Legume Plants, 1976
Shop Smart and Safe
Small Fruits – No Script
Soybeans, 1975
Swine Progeny Testing Center
Torches of Freedom: A Ceremony to Honor Rural Youth Members in the Armed Forces
Tree Fruits – No Script
Turfgrass Equipment Calibration, 1979
Turfgrass Equipment and Use, 1979
Turfgrass Pesticides, 1979
Typical Legume Flower and Fruits; Typical Grass Flower and Caryopsis; Microsporogenesis and
Macrosporogenesis – Reproduction in Seed Plants
Unit 1-3: Introductory Soil Sciences – No Script
Unit 6, 8-9: Introductory Soil Sciences – No Script
Using the Sartorius Balance – No Script
Van Soest Scheme of Cell Wall Analysis: Method for Forage Evaluation – No Script, 1976
Vegetation Analysis, Part I
Vegetation Analysis, Part IV
Vegetation in North America, Arctic Tundra Biome, 1974
Vegetation in North America, Broad Sclerophyll Biome, 1974
Vegetation in North America, Desert Biome, 1974

Box 3:

Vegetation in North America, Introduction, 1974
Vegetation in North America, Moist Temperate Coniferous Forest Biome, 1974
Vegetation in North America, Mountain Complex, 1974
Vegetation in North America, Northern Coniferous Forest Biome, 1974
Vegetation in North America, Pinyon-Juniper Biome, 1974
Vegetation in North America, Subtropical Biome, 1974
Vegetation in North America, Temperate Deciduous Forest, 1974
Vegetation in North America, Temperate Grassland Biome, 1974

Vegetation in North America, Tropical Biome, 1974

Weed Seed Identification, 1976

Where to Live When You Retire

Wiring Techniques, 1984
