This list contains titles of works by Jack R. Harlan that are part of the Harry V. and Jack R. Harlan papers. This list was generated from a complete bibliography initially published by T.H. Hymowitz [Plant Breeding Reviews 8:1-17, 1990] and updated and edited by Dorothea Bedigian in 1998. For the complete bibliography, please see “Publications List” folder in box 1 of the Harry V. and Jack R. Harlan papers.
