Processing note: originally archivists at Midwestern State University had arranged the materials transferred to UIUC into 7 series: 1. Personal Material, 2. Correspondence, 3. Lecture Notes, 4. Manuscripts, 5. Conferences, 6. U.S. Government Hearings, and 7. Miscellaneous. Upon transfer to the University of Illinois, Urbana Champaign University Archives all but the last series, "Miscellaneous," were maintained. Materials from series 7 were inserted at the end of appropriate series 1 through 6 and chronologically arranged. Duplicates were weeded upon arrival at UIUC; titles in [] are titles provided by archivist. The arrangement of files by the University Archives, Midwestern State University, Texas, was kept intact to speed up processing the accession into the original finding aid. The papers were processed by Nolan Vallier and Emily Menendez, summer and fall 2016.
