Series 1: Research and Professional Engagement, 1892-2013
Consists of Leonard Heumann's research about aging, race, and poverty in urban and regional planning policy and community development, congregate housing, and low-income housing. Also includes material from Heumann's sabbaticals in Australia, Israel, and England, consultation work reports, committee and task-force papers, and certificates, awards, and honors received during the course of his career. This series is organized chronologically with materials from a range of years listed under the first date, and undated items at the end.

Box 1

1. The Illinois Campus Plan, by Tilton and O'Donnell, 1930
2. Federal housing acts, 1892-1964
