Advertising Council Campaign Posters, 1965-90

Note: This collection is arranged by campaign, and within each campaign the slogan found on each poster is included for easier identification. The second column contains the size of the poster (height x length), and the third contains the date, if known.

This collection is stored in two places. The items listed below are stored in the main archives search room. In addition, framed items from the 1992 Advertising Council exhibit at the Smithsonian are stored at the Archives Research Center. These items are enumerated in the attached list of "Framed Storage File Items."
