 Stone, Robert (S)  
 Strout, (C)

Salaries: A personal survey and study, article published by AAUP (see AAUP), 1944-45  
 Stephens, Carl, 1923-45

Strabo Geography Commentary, 1937-38

Studies in Language and Literature, correspondence, A-G:

Materials include correspondence with authors concerning manuscripts and memoranda with other editors (Baldwin and Flom) concerning submitted works and separate files for work on "Suggestions for Guidance in the Preparation of a Critical Index Verborum for Latin and Greek Authors" and "Proposal for the Establishment of a Lexicographical Clearing-House in the Recent Developments of Greek and Latin Lexicography."

Box 6:

Studies in Language and Literature, correspondence H-W:

Correspondence with publishing companies, 1914-24, letters grouped according to work being discussed and chronologically thereunder

Materials include correspondence with the George Banta Publishing Company, contracts and one proof page, recognition of published works (reviews and reports to Graduate School Dean), 1916-26.

Recognition of published works, numbers 1-10. Materials date from 1916 to 1945, filed in groups according to published work and chronologically as it arrived within each group.

Materials include correspondence from authors of works published by the University of Illinois in reference to reception of their work, correspondence from fellow classicists, published reviews, edited quotes concerning publications and annual reports to the Dean of the Graduate College concerning progress and reception of University of Illinois publications (reports begin with 1922-23 and continue sporadically to 1945).

Box 7:
