Series 1: Published Materials and Research

This series contains bound monographs, followed by bound articles, unbound articles, and audio recordings of lectures by Raymond B. Cattell, and finally two bibliographic reference guides by the Institute of Personality and Ability Testing (IPAT). The section for bound monographs/novel is arranged by Cattell's volume number (Note: Cattell's volume number do not necessarily correspond to publication date); books without volume number are arranged chronologically at the end. The bound articles are arranged by volume number, while unbound articles are arranged chronologically. The audio recordings are arranged by volume number. The bibliographic reference guides are placed at the end of the series and arranged by their volume number.
