Aviation Research Lab

Aviation Research Lab Subject File, 1954-1980

Box 1:

Annotated Bibliography, 1969-1974

A Program of Human Engineering Research on the Design of Aircraft Instrument Displays and Controls, 1954

Aviation Research Lab (ARL) Publications, 1972-1977

Air Force Office of Scientific Research (AFOSR), 1969-1977 (6 folders)

Ground-referenced visual orientation with imaging displays, 1977-1980 (2 folders)

Isolation of minimum sets of visual image cuts sufficient for spatial orientation during aircraft landing approaches-drafts for technical reports, 1976-1977

Aviation Research Monographs Vol.1 No.2 Correspondence, 1970-1973

Human Performance in aviation systems: Annual Report, 1976

Human Performance in aviation systems: Final Report, 1977

Man-machine systems review newsletter, Vol. 1, No. 2, 1975

Program Review, 1972

Program Review-Acceptances, 1972

Post Program Review-complimentary letters, 1972

Program Review, 1973

Program Review-Declines, 1973

Program Review, 1974

Program Review-Acceptances, 1974

Program Review-Declines, 1974

Program Review, 1976

Annual Faculty Report-Stanley N. Roscoe, 1979

Notable Visitors-Aviation Research Lab , 1972-1976

Power Line Controversy, ca. 1973

Project Summaries, 1977

Relevant to Air Force Office of Scientific Research Program, 1969-1974

Annual Report-Aviation Research Lab -Rose, D.J. , 1976

Reports on Air Force Office of Scientific Research Projects Completed, 1976-1977

U of I Aviation Res. Lab. Personnel Accounts, 1970-1977
