Student Ledger Cards, 1896-1982

**RESTRICTED:** Student record information in this record series is restricted from access except on prior written permission of the Registrar. Consistent with terms of the "Student Records Policy" (Campus Administrative Manual X-6), University Archives staff may report the following "directory information" to researcher users: student's name, date of birth, last known address and telephone number, college, curriculum and major, dates of attendance, class level, honors, certificates or degrees earned, dates conferred, institutions previously attended.

This series is in two alphabetical runs. Boxes 1-56 contain ledger cards for students entered/matriculated September 1896 to September 1934; boxes 57-432 contain ledger cards for students entered/matriculated from September 1934 to August 1982. For students entered after 1929, the first run may contain a card with an annotation reading "for full record, see new style card"
