Carl A. Menzel Papers, 1918-88

Box 1:

Autobiographical Memoranda, 1901-15, 1932

Forest Products Propeller Laboratory photographs, 1918

Porous Sleeve Wet Bulb for humidity tests, Foxboro Co., 1926, 1947

Homewood, IL Sewage system, 1927-29

Correspondence, 1921, 1928, 1935, 1937, 1939

Fire Resistance & strength of concrete masonry wall units & the Dudley Medal, 1931-32, 1934

Portland Cement as a binder in foundry molding sand, 1937

Autoclave test apparatus & patent, 1937-37

Concrete reinforcing bar, article & patent, 1941-46
award, 1951

Publications, 1943, 1947-48, 1950, 1952

Air content of concrete bulletins, 1947

Concrete Reinforcing Steel Institute Award, 1951

Concrete & Steel Bonding papers, 1952

Concrete block moisture content determination reprints, 1955

"Report of Field Tests...for Determining...Moisture...of Hardened Concrete Block....", 1955

Box 2:

Cenco autoclaves & testing equipment, 1957

Correspondence & publications, 1957-58

Concrete walls & block, moisture content & cracking, 1957-58

Portland Cement Association, Employment Record & Publication List, 1959

American Concrete Institute, Alfred E. Lindau Award, 1963

Verrall, Arthur F. "Moisture Content of Wood in Buildings," 1964

Schroeder, R.W. 1967, aviation test pilot

Menzel Symposium on High Pressure Steam Curing, 1969, 1972

American Concrete Institute, Honorary Membership, 1970

Correspondence, 1972-81

American Concrete Institute, "Engineers of Distinction" biography, 1973

American Society for Testing & Materials (ASTM), S.H. Ingberg Award, 1974

Photographs, 1974

ASTM, Walter C. Voss Award, 1975

E.V. Shuman & Walter Kunze

Obituary & biographical data, 1987-88
