Student Organizations Publications, 1871-

Note: Since this finding aid is arranged primarily alphabetically by name of student organization, related organizations (e.g., Champaign-Urbana Nuclear Freeze Coalition and Illinois Freeze Workers) may be filed in separate places. Certain words in organization titles have been ignored for organization purposes in some situations. These words include: association, committee, Illinois, institute, organization, society, and university (when describing a group affiliated with UIUC), (e.g., Committee on Appalachian Life is listed under Appalachian Life, Committee on). Alternative combinations of names should be tried.
